## Recycling Center Gets Village Support

### Citizen Complaints May Result in Stricter Enforcement of Ordinances

By GERRY MUELLER  
Statesman Staff Writer

Although a notice has been published reminding property owners they are required to maintain their properties, especially vacant lots, in a clean, presentable manner, Village Administrator Dan Schmidt said he is still receiving numerous complaints from neighbors of lots which are not being kept up.

Schmidt told the Village Board Monday evening he had received almost a dozen complaints about unsightly properties throughout the village. Under Chapter 14, Section 18, of the municipal code, owners are required to cut the grass and weeds when it reaches a height of six inches as well as remove rubbish and

trash said Schmidt. Schmidt stated that property owners who have not complied with the newspaper notice will now receive a registered letter informing them they have fifteen days to make the necessary corrections. If, after that time, owners have failed to do the necessary work, the village will have the work done and the cost, plus a fee for billing and paperwork, will be assessed to the property owners.

Schmidt asked for and received board approval to advertise for a private contractor to come in and do the necessary grass cutting and clean up on any properties in non-compliance.

Public Works Superintendent Augie Bilgo said residents should also be reminded that

trees and shrubs must also be trimmed especially along the roadway and sidewalks.

On behalf of Police Chief Don Hlavaty, who was absent, Schmidt also informed the board complaints have been received about the numbers and unsightliness of rummage sale signs which are showing up all over the village. Schmidt said rummage sales are under the Department of Revenue jurisdiction which has laws governing how long and how many sales can be run by an individual. If sales last longer than a few days, sellers are required by law to report sales tax.

In reference to signs, Schmidt said it is against the law to put up any signs on county or state

(Continued on Page 3)

## Average Salary Increase of 11.1%

### School Teacher Contract Settled

The School District of Kewaskum and the Kewaskum Education Association were notified Thursday of the arbitration decision concerning the teacher contract for the 1981-82 school year. Under this decision, teachers received an average salary increase of 11.1%.

Starting salary for a beginning teacher rose from \$11,100 in 1980-81 to \$12,050 in 1981-82, a 9% increase. The contract calls for a teacher at the top of the salary schedule to receive \$24,218.

The average teacher's salary was \$15,701 in 1980-81. Under the arbitration decision the average salary increases to \$17,447 in 1981-82 or an 11.1% increase. Total cost per teacher, including all fringe benefits, is \$22,658 which is an 11.7% increase over the total cost of \$20,287 for a teacher last year.

Other provisions in the contract include payment for the summer band instructor at \$6.00 per hour, increasing the hourly rate for behind-the-

wheel driver education instructors from \$7.00 to \$8.00 and an increase in the number of personal leave days allowed to two per year.

Negotiations for this contract began in the spring of 1981. The decision to use the mediation-arbitration process was made in September, 1981 with final contract offers being presented to the arbitrator on December 30, 1981. Under existing state law, the decision of the arbitrator is binding. The arbitrator chose the proposal made by the School Board. Formal acceptance of the contract by the School Board will take place at its next meeting on September 13, 1982.

The Kewaskum Education Association had proposed a two year contract which would have meant an increase of 12.3% for 1981-82 over the 1980-81 teacher costs and an 11.8% increase for 1982-83. The contract for 1980-81 was also settled through binding arbitration. That contract was awarded to the teacher's proposal under which salaries increased 11.9%.

## 950 Chicken Dinners Served

### 250 Runners Compete in Lions Kettle 20 + 2 Races Here

Runners preparing for the start of the race

Good weather helped make the Kewaskum Lions Club ninth annual Chicken Bar-B-Que and Kettle 20 plus 2 running races Sunday another fine success. Approximately 950 chicken dinners were served throughout the day and a total of 250 runners from throughout Wisconsin and neighboring states participated in the races. The hot, humid weather made the runners short of air and took its toll over the hilly, challenging course.

Carol Spaeth, former Kewaskum High runner, of West

Bend, won her second straight Kettle 20 in the women's division with a time of 1:39:47 and the overall winner was Barry Vande Zande of Hudson, Mich. in the men's division with a time of 1:09:58.

Cathy Branta, former Slinger High School star, and now a University of Wisconsin-Madison runner, took first in the 3.5 mile run in the women's division in 19:45. She was second overall to Dennis Raymark of Milwaukee, a former Messmer High runner who came in ahead of her with a

remarkable 18:04.

The 6-5 mile run was won by Al Cooperud of Washburn, the first man in with a 36:04 and Milwaukee's Sarah Berry, the first woman in 43:36.

Over half of the 250 runners, 165 of them, participated in the Kettle 20, which covers 12.4 miles. Dale Squier was chairman of the race and was pleased with the turn out. Runners from as far away as Texas, Indiana, Michigan and Illinois competed.

Results of the race and photos appear on pages 8 and 9 of this issue.

### Mary Ciha Killed in Texas Highway Accident

Mary Rose Ciha, 22, youngest daughter of Al and Claire (O'Konski) Ciha, 9429 Mullen Drive, Allenton, was killed in a highway accident in Texas on Friday, August 13. A summer professional student for ALCOA, Rockdale, Texas, Mary was a UW-Madison industrial engineering student, with one year to complete her studies.

Born July 18, 1960 in Milwaukee, Ciha attended Our Lady of Good Hope School,

Milwaukee, St. Kilian's Grade School, Kewaskum Middle School, and graduated from Kewaskum High School in 1978, where she was a member of the National Honor Society.

As a UW student, Mary was undergraduate assistant for industrial engineering human factors chairman, industrial engineering Exposition Executive committee, a volunteer tutor for English and Spanish at Big

(Continued on Page 3)

## Chamber of Commerce Elects

New officers were elected by the Kewaskum Area Chamber of Commerce at the July 26 meeting as follows: President-elect, Bill Kaehne (Valley Bank); Vice President, Fred Miller (Miller's Furniture); Secretary-Treasurer, Rich Bechler (Rosenheimer's Store). Tom Leitzke, as his last official duty as President, welcomed new board members Fred Miller, Nancy Malvick and Norm Walz.

After elections, the following committees were formed: Membership Committee - Jack Jadro; Community Develop-

ment - Norm Walz; Tourism - Nancy Malvick; Retail - Tom Leitzke and Fred Miller; Kewaskum Dairy Days - A new committee was set up on a one-year basis, with Bill Kaehne heading that committee.

A short discussion was held on the results of Crazy Daze. It was felt that despite the morning rain showers, the day was a success.

Monthly meetings in the future will be held on the third Friday of the month, at the Valley Bank at 12:30 p.m.

## From the School Board President's Desk....

As a result of last week's School Board meeting, I have some questions for the parents in our school district, especially those who have children in high school. Two subjects came up that I need your opinion on: instituting a closed campus and no smoking.

A closed campus would mean that high school students would remain on the school premises during the entire school day. It means that many high students go downtown to eat at noon. Unfortunately, a twinkie and a coke do not make a balanced meal. No, we would not institute a closed campus just to increase the number of hot lunches sold since our lunch program is self-sufficient, but as a parent and grandparent, I am concerned about nutrition. Then too, many people have complained to me about the behavior of some of these students. Parents have told me that when they send their children to school, they expect their children to be at school—not anywhere else. There is also a question of district liability insurance that I will know more about August 23.

The other topic that came up was smoking. It came up as a proposal to move the smoking area to behind the high school, but a larger question emerged. Are we doing our children a favor by allowing smoking on high school premises? By all accounts smoking is detrimental to one's health. Why do we require that students study health and physical education, and then provide, thus condoning the action, a place for them to do something that is not good for their physical well being?

How many of these children are smoking without parental knowledge, and how many are downtown without parental approval? What do you parents and other members of the community think about having a closed campus and no smoking? These two topics will be discussed at the Board meeting August 23. I am particularly interested in hearing from our local merchants on the closed campus idea. I have truly appreciated the input I have received from the community on previous issues I have raised. Now I'm asking for your aid again. If you can, come to the meeting August 23; if you cannot, express your views to any Board member, or write to me. Dr. Charles Ogi, P.O. Box 201, Kewaskum, WI. 53040. Superintendent Search Update: The board will be meeting in super session to narrow the list of candidates. Vacation schedules (not mine) have prevented earlier meetings.

Dr. Charles J. Ogi

### Rescue Squad Calls

Tuesday, Aug. 10, 3:01 p.m. — Ricky Larson, 9, 814 Bel Ric Dr., Kewaskum, taken to St. Joseph's Community Hospital, West Bend, from his parents' home with injuries he suffered in a fall from a tree.

Friday, Aug. 13, 7:37 p.m. — Jacquelyn Romans, 42, 9117 Skyline Rd., Allenton, taken to St. Joseph's Community Hospital from her home when she became ill.

Friday, Aug. 13, 7:43 p.m. — Lester Simmelink, 34, 1338 Gull Ave., Sheboygan, and his passenger, Carol Lynn Senglaub, 18, 717 3rd St., Waldo, taken to St. Nicholas Hospital, Sheboygan, from Hwy. S, one-half mile west of Beechwood, Town of Scott, with injuries suffered in a motorcycle accident.

Saturday, Aug. 14, 1:54 a.m. — Merlin P. Tackes, 23, 1209 Riverview Dr., Kewaskum, taken to St. Joseph's Community Hospital from U.S. Hwy. 45, south of Hwy. H, with a fractured arm and lacerations he suffered in a two-car accident. A passenger in his car, Debra J. Tackes, also suffered elbow abrasions and contusions.

Saturday, Aug. 14, 11:28 a.m. — Carl Ebert, 61, 9080 Hickory Dr., Kewaskum, taken to St. Joseph's Community Hospital from his farm in the Town of Kewaskum with injuries he suffered in a tractor accident. It was reported that Ebert was driving his tractor when the brakes failed and the vehicle rolled backward down a hill and struck a tree.

### Domann Promoted At UW-Platteville

Fred E. Domann, a faculty member in the physics department at the University of Wisconsin - Platteville since 1976, has been promoted to associate professor at that university.

Domann, a 1955 graduate of Kewaskum High School and a native to the area, earned his bachelor's and master's degrees at the University of Wisconsin - Milwaukee and his Ph.D. at the University of Vermont.

He worked for the Gehl Co. in West Bend, as an instructor of mathematics and physics at Milwaukee Institute of Technology and as a high school teacher in Milton, Vt., before joining the Platteville faculty, where he teaches courses in general physics.

## Village Board

[Continued from Page 1]

posts or poles, or along curbs. Village codes require signs to be no larger than two square feet and must be placed on the owner's property, not the grass area between the sidewalk and roadway. Trustee Don Mlodzik noted these illegal signs are also a safety hazard. Referring to the intersection of Highway 45 and 'H', Mlodzik said the size and placement of these signs blocked out a large portion of the driver's view when looking for oncoming traffic.

Schmidt said Hlavaty had instructed his officers to remove any illegal signs and recommended other village employees do likewise. The Police Department questioned whether the village board wanted stricter enforcement other than removal of the signs.

In other action, the board heard a report on the future of the Recycling Center. Schmidt said he had met with Nancy Malvick of the Junior Woman's Club regarding continued operation of the center. The club has not, and will not decide until September, whether or not they will continue to operate the center.

Schmidt told the board the group was doing an excellent job which benefitted the village in more than one way. First, recycling of all bottles and cans reduces the costs of landfill to the village and secondly, money derived from the project is put back into the community by the club.

The center's future operation is in question because Recom, Incorporated, the firm which provides containers, is facing higher operating costs and, therefore, is looking for higher volume. Presently the club is paid \$5.00 a ton for glass, tin and steel. However, next year Recom will not pay for the first 24 tons of glass. This would cover part of the truck and container costs. After the first 24 tons, Recom will pay \$15.00 a ton for glass, \$10.00 a ton for tin and steel.

Mlodzik suggested the board approve paying the center \$5.00 a ton for handling the glass up to the first 24 tons, as an incentive to keep the center in operation. After the 24 tons are collected, Recom would begin paying for the glass. Dan Schmidt said it would cost the village at least \$5.00 a ton to haul it to the landfill, as well as unnecessarily fill the site with recyclable materials.

Trustee Dick Schmidt said the public should be made aware that labels no longer have to be removed from bottles. All that is requested is that they be rinsed out and sorted by color

into clear, brown and green. The center has six containers, two for clear glass, one each for brown and green glass, one for tin and one for aluminum. Cans should be crushed to take up less room and allow for more cans in a container since payment is made on weight not volume.

Dan Schmidt said the village has no objections to non-village residents bringing their glass and tin to the village. All they ask is that people take it directly to the recycling center and deposit it in the proper containers. The cooperation the center gets from citizens will also determine its future. Dick Schmidt said "communities will have to learn to cooperate" if they want to extend the life of their landfill sites by using recycling centers. Bilgo said the state of New Jersey is presently paying \$100.00 a cubic yard for landfills.

Public Works Committee Chairman Don Mlodzik reported the village had received three bids on engineering costs for the village's TIF projects. He said the group had not had adequate time to review the proposals and make a recommendation. The committee will hold a special meeting to review the bids. Dan Schmidt noted one firm estimated project costs at \$120,000 less than his calculations.

A report on computerized voting in Washington County was given by Dan Schmidt. All communities said they were interested in the new system which would use punchcards and be tabulated on a centralized computer in West Bend. Anticipated costs for the village would run approximately \$1,240 for eight punchcard units and a security box for transporting ballots. The county will send additional information on the proposed new system.

On the recommendation of the Police Department, the board voted to deny a request by the Kewaskum PTO for a Halloween Parade permit. The parade scheduled for 5:00 p.m.

October 30, was denied because of the darkness factor which had been the reason for discontinuing trick or treat last year. The board had no objections to the parade being held on the blocks in the school vicinity, but felt it would be too dangerous on Highway 45 and 28.

Trustee Jeff Rohrer informed the board the Kewaskum Pool will be open until August 29th. It will then reopen for Labor Day weekend, September 4, 5, and 6, and then close for the winter.

Schmidt reported on cable TV installation in the village. As of June 20, 438 people who were contacted subscribed to CATV, while 172 did not. Schmidt said this worked out to a 72% subscription rate for Kewaskum while the national average is 42 to 44%. Cable hook-up is almost complete with only a few isolated sections of the village still to be completed.

## Mary Rose Ciha

[Continued from Page 1]

Sister volunteer for the Society of Women Engineers, and a participant in the Intercollegiate Mining contest.

She held membership in the American Institute of Industrial Engineers, the Society of Mining Engineers of the American Institute of Mining and Metallurgical and Petroleum Engineers, and St. Paul's Newman Center, Madison.

Survivors are her parents; her roommate, Laurie Thering; her brothers and sisters: Patrick (Mary Kate), 2004 Western Ave., Jackson, Catherine, at home, James (Patricia), 1212 S. Grand Ave., Waukesha, Frances, St. Louis Park, Minnesota, Michael and Philip at home; two nieces; grandmother Rose Ciha, Green Bay; uncles, aunts, and cousins.

Services were at St. Martin's Church, Hwy. 67, Ashford, at

10:30 Thursday morning, August 19, with the Rev. George Etzel officiating.

Miller's Funeral Home was in charge of arrangements.

## Kewaskum, Jackson Cable Systems Nearing Completion

Construction of the cable television system in Kewaskum and Jackson is nearing completion, it was announced today. Residents in Kewaskum's Bel-Ric subdivision on the south side of the village are now being contacted for service installation by Cablevision representatives. All residents in the village will have service available by the end of this month.

Jackson residents in the Green Valley Mobile Home Court will begin being contacted by Cablevision representatives Monday, August 23rd. Construction work in the 232 home trailer court has been completed and the cable lines are now in the process of being

activated and balanced, the final steps before subscribers can be served.

"We are doing everything possible to complete our work in Kewaskum and Jackson before we begin exploring the possibility of further expansion of the system" said Mark Landvatter, Cablevision Customer Service Manager. One of the communities in the area that has expressed interest in the service has been Newburg. "We will begin fully investigating expansion into Newburg on the East and the Cedar and Silver lake area Kewaskum and Jackson residents" Landvatter said.

Once the Kewaskum and Jackson construction is complete the 3-city cable system will be serving more than 5,000 homes in the three communities, well above the national average" Landvatter said.

## Jim Scott Wins Ag Award

Jim Scott, 1165 Stark Street, Kewaskum, Farm Training instructor for Moraine Park Technical Institute, has won the Outstanding Young Member Award from the Wisconsin Association of Vocational Agriculture Instructors, Inc. There are approximately 80 students in the Farm Training classes he teaches in Hartford, Kewaskum, West Bend, and Slinger. In addition, he teaches part-time students in the Farm Management Techniques classes for Farm Training Program graduates.

## Gubernatorial Candidate's Forum

At West Bend Sept. 8

The five gubernatorial candidates will gather for a morning forum in West Bend, on Wednesday, September 8. The forum, sponsored by the West Bend Area Chamber of Commerce will be held in downtown West Bend at the Washington House, beginning at 7:30 a.m. The registration fee, which includes breakfast, is \$5.00. Call the Chamber office at 414/338-2666 for reservations.

This is one of the few times all five candidates will appear on the same forum. Each will have 3 minutes for a platform statement followed by questions from the audience answered on a rotating basis.

Coordinator of the event, executive vice president Lee Bohlmann, is pleased to have the candidates appear at the same time in West Bend. "This is one of the ways for voters to really evaluate each candidate. Our area has some particular needs and problems and I know our voters will want answers from all of the candidates on what they see as solutions to important problems."

The Chamber recently held a forum for the assembly candidates in the 72nd district.

Pony Express riders changed horses seven to 20 miles at 153 stations along the 1,980 miles between Sacramento and St. Joseph, Mo.

## Classmate Visits Doc Edwards

On Wednesday, Aug. 11, our good friends of 50 years arrived at our home from Forest Lake, Minnesota. Dr. George Ruggles and his wife, Ruth, have been good friends since we were classmates at the University of Minnesota Medical School.

While with us, George retold many of his experiences on a large "Troop Ship" used as an evacuation hospital during World War II days. Dr. Ruggles was a Major and next to the Captain in Command over this ship which carried 550 sick and wounded soldiers away from the various front lines on the islands of South Pacific back to San Francisco for treatment. He

reported that on one occasion he was forced to accept two men whom the Navy personnel said were crazy and should be placed in "bird cages," (reinforced metal enclosed cages to hold one - like a jail), and returned to America. Two days later Dr. Ruggles said he released them both to help him with the care of the wounded for he had only ten helpers to look after the needs of 550 sick and dying people. These men worked so well that Dr. George knew they were not mentally ill but, of course, he could not change their status, so in San Francisco he had to put on the handcuffs again, as he placed them in custody of the Navy personnel.

We all four enjoyed the 40-hour visit so very much and do plan to journey to their home on the lake shore this fall perhaps - for we all know it is later in life than you think.

Doc & Alma Edwards

## Special Meeting of Board of Education

A special meeting of the Kewaskum Board of Education will be held on Monday, August 23, 1982. The meeting will be held in the Middle School Library beginning at 8:00 p.m.

Items on the agenda include discussion and possible action on changes in policies concerning having a closed high school campus and the possibility of discussion and possible action on changes in policies concerning smoking on the high school campus. Also to be discussed are possible changes in the High School Student Handbook. Action will also be taken on an acceptance of a resignation.

The life span of the average cat is eleven years.

**OPTOMETRY CLINIC OPEN** — Schaefer and Associates Optometrists have opened an office in the Washington Mall in West Bend. Located in the former West Bend Opticians office, the clinic staffs two optometrists and three opticians and offers full service eye care. Schaefer and Associates also has offices in Menomonee Falls and Hartford.

**Panzer Dairy Day Set for August 30**

Plans are well underway for Panzer Dairy Day to be held at the Andrew Fechter farm, Town of Trenton, Monday, August 30, from 4 to 9 p.m. The festivities are being sponsored by Mary Panzer, the incumbent state representative of the 72nd Assembly District. "Most of the new area reapportioned to my district is agricultural; and much of the legislation I have specifically worked for is related to agriculture," said Panzer. "I'm very comfortable with a 'Dairy Day' as a way to meet with my constituents and for them to meet each other. This is a family event. There'll be something for everyone."

People will be able to tour the farm, watch chores being done and enjoy dairy products, as well as other food. LaVerne Ausman, State Secretary of Agriculture, will be on hand to answer questions about the agriculture industry and to discuss problems. Music will be provided. There will be games and entertainment for children and door prizes including a quarter of beef. According to George Prescott, Treasurer of Friends and Neighbors of Mary Panzer, "We intend to make this the best farm party Washington County has ever had."

Tickets for the event are \$5 for a family or \$2 for an individual. Tickets will be available after August 5 from friends and supporters of Mary Panzer or by calling 677-2303.

**Skate-a-thon for Muscular Dystrophy At West Bend Aug. 23**

One of the most exciting events of the summer will be happening on Monday, August 23, from 11:00 a.m. to 9:00 p.m. at Skate Country. It's West Bend's First City Wide Skate-a-thon to benefit the Muscular Dystrophy Association! You can win prizes such as, t-shirts, backpacks, video games, free skating passes, Atari systems, BMX bikes, speed skates and a grand prize of a Suzuki Shuttle Moped to the overall top money raiser. Most importantly, you'll be helping those people afflicted with muscular dystrophy when you sign up to skate in the MDA Skate Country Skate-a-thon. All prizes are turned in at a special thank you party on Thursday, September 2, where

there will be free skating for all participants, their families and friends.

Some of your favorite celebrities will be on hand also. From 2:00 to 3:00 p.m., visit with Miss Wisconsin; at 3:00 to 6:00 p.m. watch TV 6's Albert the Alley Cat perform and from 6:00 till 9:00 p.m. be sure to come and see Ronald McDonald and WZUU's own Larry the Legend.

**Dairy Industry of County Represented At State Fair Again**

The dairy industry of Washington County was well represented once again at the Wisconsin State Fair. Thirteen dairy project members paraded eighteen animals before judges during their stay at the fair from August 4-9.

When the judging was completed, the county received a total of 5 blues, 8 reds, and 5 whites, with the following exhibitors awarded the designated ribbons:

**BLUES:** Dwight Mayer, Slinger (3); Mike Schulz, West Bend; David Strupp, Slinger.

**REDS:** Laura Glass, Hartford; Ellen Hetebrueg, West Bend; Karen Mayer, Slinger; Kelly Nadelhoffer, Jackson; Bill Rate, West Bend; Erick Rodriguez, Hartford; David Wolf, Slinger; Dennis Wolf, Slinger.

**WHITES:** Tina Becker, Hartford; Eugene Hetebrueg, West Bend; Karen Mayer, Slinger (2); Kelly Nadelhoffer, Jackson.

In the Holstein cattle classes, Dwight Mayer had a very successful day. He exhibited the Junior Champion Female and won the Senior Showmanship competition. He placed fourth in the all breeds showmanship contest.

**CORRECTION**

In the photo in last week's paper showing the tearing down of Serwe's Tap, mention was made of the three men in the picture having a farewell beer. Harry Heinecke has informed us he was drinking coke, not beer.

We also neglected to mention that the tavern was also operated by Mr. and Mrs. Walter Buczek for a number of years before being taken over by the Norb Serwes.

A wooden sled runner found in Finland dates from 6,500 B.C.

**Junior Women Recycling Saturday**

The Kewaskum Junior Women's Club will hold their monthly recycling day on Saturday, Aug. 21, from 9 a.m. to 12 noon. We accept tin, aluminum, colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Hergiges Oil in Kewaskum during working hours.

Tired of messy carpet scrubbing with machines? Clean your carpet quickly and easily with Nylac. No machine. See Miller's Fine Furniture for Nylac.

**Your HEALTH TIP**

from Tom Leitzke, R.P.H.

**CONTACT LENSES**

Many contact lens wearers are disappointed with their lenses and risk eye damage from improper care and hygiene. Lens wearers should always carry lens wetting solution. Don't use saliva - it may transmit dangerous bacteria. Never use hairspray while wearing lenses - it can permanently alter lens plastic andingers in the air long after it is sprayed. Insert lenses with clean hands, before applying cosmetics or shaving lotion. Don't accept discomfort as routine to contact lens wear.

### Postal Card Vehicle Renewals Should Be Mailed to Milwaukee

The state department of transportation is reminding vehicle owners to return their post card renewals to the Milwaukee address given in the upper left hand corner of the form, rather than to Madison.

Motor Vehicle Administrator Norbert K. Anderson said registration renewals should be sent to the Wisconsin Department of Transportation, Drawer 773, Milwaukee, WI 53293. He said when applications and checks are sent to the department in Madison it causes considerable delay in processing.

Anderson also reminded applicants to return the lower segment of the filled out form along with the payment due, and to keep the upper segment for their files.

The state implemented the postal card renewal notice system in May of this year to cut costs and to increase efficiency. Most renewal notices are now sent out on a 4 1/2 by 6-inch postal card and carries the vehicle owner's address, description of the vehicle's body style, identification number, model year, current license number and expiration date, and states the location where the vehicle is normally kept. The reverse side of the card instructs the owner how to make changes, what to do if the vehicle has been sold and how to report non-operation.

Anderson said that in addition to cutting processing time, the new system is expected to reduce department costs by more than \$800,000 annually, including postage and the cost of envelopes.

### MPTI Offers Personal Income Tax Class

An eight week course in Personal Income Tax begins at 6:30 p.m. on September 8 at West Bend East High School, room E205. The instructor is Sharyn Eulert from Eulert Accounting.

This is a beginning course to explain the basic procedures and terminology used in income tax preparation and filing. Compensation, standardized deductions vs. itemized deductions, rents, income from trade or business, gains, losses and individual tax planning is presented. The student will prepare short and long tax forms, utilizing a simulated situation. New tax laws and revisions will also be presented.

Tuition for the class is \$10.60, payable at the first class meeting. Students may pre-register by calling 334-0909.

## Outstanding Young Farmer Selected

John Gehl, left, presenting the John P. Horlamus Award to Thomas Krebs, right, and Patricia Ann Krebs, center.

Thomas H. Krebs has been selected as the Outstanding Young Farmer for 1982. Thomas, his wife Patricia Ann, and their three children operate a dairy farm in the Hartford area.

John Gehl, Executive Vice President of Corporate Development for Gehl Company, presented Krebs with the John P.

Horlamus Award sponsored by the local farm equipment manufacturer.

Gehl Company originated the award several years ago in tribute to the late John P. Horlamus, a local dairyman, for his dedication and service to agriculture. It is awarded annually to a young farmer by Gehl Company and the West

Bend Jaycees in recognition of the importance of farming.

The award includes a plaque, plus a \$100.00 donation by Gehl to the Jaycees toward Krebs representing the West Bend Chapter in the 1982 State Outstanding Young Farmer Program to be held next spring.

### Visit the Shut-Ins

There are thirty million senior citizens in the United States. Much attention is given to aid the elderly by Federal, State and local governments in furnishing medical and social benefits.

The biggest problem of the national health care agencies is caring for the aged and the number is increasing daily. In the last twenty years, man's life span has been extended ten years by medical research and new and improved pharmaceutical products.

Sooner or later the human body or mind deteriorates to the extent that the majority of aged people have to be cared for by someone else. They can no longer take advantage of what society is attempting to do for them. They become isolated in their own homes or nursing homes, and are soon almost forgotten by their friends. Many have few or no relatives. World War One Veterans, with an average age of eighty-seven years, have come to that stage of life.

For those who are having to depend on others for their care, most are resigned to

a life of loneliness and depression, with little more than their memories to console them. Some are in this condition for years and, as time drags on, they are more lonely and more depressed with little to look forward to in life.

The best antidote for loneliness is a cheery visit by a relative or friend. The World War One Buddy who is out of circulation always enjoys seeing or hearing from one of his Buddies or from just anyone.

We who are able can be of no greater service in our World War One Veterans organization than to be a Buddy to one who can no longer be a Buddy to us.

Remember it can happen to anyone of us if we live long enough. We have no choice. Then we would want someone to keep in touch with us.

Let this "BE A BUDDY TO A BUDDY" mean something. Let's do it now before it is too late.

E. J. Neidermaier  
National Nursing Home  
and Local Hospital Committee

## August 'Law of the Month' Emphasizes Speed Enforcement

Page 10, Friday, August 20, 1982

Because August is traditionally the most deadly month in terms of traffic deaths, and speeding is the violation most frequently noted in rural accident reports, the State Department of Transportation's Division of State Patrol has selected the 55 MPH speed limit as the "Law of the Month."

Last year 110 people died on Wisconsin highways in August, and 133 in August of 1980. The highest single-month death toll was 152 fatalities in August, 1971, while the lowest August death toll in 20 years was 94 fatalities in 1974.

Speeding is the most-frequently cited possible contributing circumstance in rural traffic accidents, according to Captain W. C. DeGuire, Commanding District 3, of the Wisconsin State Patrol. Speeding was cited as a factor in 12,316 rural accidents last year, including, 203 fatalities and 5,394 injuries. The rural interstate system was the scene of 520 speed-related accidents which involved five deaths and 174 injuries.

DeGuire said that both local and state law enforcement officers are better equipped for speed-detection, with the recent addition of a number of new radar units. The State Patrol recently purchased 61 new speed computers which can measure speeds from all direc-

tions without tripping "fuzz-busters."

A total of 133,859 people were convicted of violating the 55 MPH speed limit last year, down slightly from the peak year of 1980 in which 146,684 rural speeders were apprehended.

DeGuire said that the penalty for speeding depends on how fast the driver was going, and how many previous convictions were on the driver's record. The minimum forfeiture for speeding less than 10 miles over the limit is \$30.40 plus three demerit points on the driver's record.

Local law enforcement agencies are urged to join the "Law of the Month" campaign which selects timely laws for emphasis each month.

# 30 Years Ago

August 15, 1952

Work is in progress on a large 46 x 70 foot addition to the Honeck Chevrolet garage on Fond du Lac Avenue. The front part of the present building will also be torn down and a new front part erected. The new addition is being built on the south side of the building, on the former site of the Mrs. Jacob Becker home, which K.A. Honeck, Jr., the owner, purchased. The new addition will house the service department of Honeck Chevrolet. The front part of the present garage will be razed and in its place a new 30 x 60 foot structure will be constructed. This part of the garage will be utilized as a show room and office. The concrete block building erected a few years ago at the rear of the garage will remain standing. After the new addition is completed, this wing will be transformed into a parts room.

Rita Schmidt, daughter of Mr. and Mrs. Ted Schmidt, Kewaskum, was graduated from St. Mary's Hospital School of Nursing at Madison on Sunday.

Mr. and Mrs. Harvey Klein, newlyweds of Saturday, August 2, will make their home in West Bend. Mrs. Klein is the former Mildred Faber, daughter of Mr. and Mrs. Wilmer C. Faber of the Town of Wayne. Mr. and Mrs. Melvin Klein of Wayne are the parents of the bridegroom.

Pvt. Allen Coulter of California is spending a 21-day furlough with his parents, Mr. and Mrs. Ervin Coulter and family of St. Kilian.

The little daughter of Mr. and Mrs. Richard Edwards was baptized Sunday in St. Lucas Evangelical Lutheran Church by Rev. Gerhard Kaniess. She was given the name Ann Dorothy.

Cadet Richard L. Edwards, an ROTC student at Ripon

College, recently completed the 1952 Infantry, ROTC summer camp at Fort Benning, Georgia, and returned to his home in Kewaskum.

CPL. Robert Dreher of Camp Gordon, Georgia, and his wife arrived Tuesday to spend the former's 15-day furlough with their parents, the Lester Dreher and Ernie Leonardellis, both of Kewaskum.

Francis J. Kougl, AD3, son of Mr. and Mrs. Francis Kougl, Sr., Route 1, Kewaskum, has been transferred from Moffett Field, California, to Seattle, Washington.

A daughter was born to Mr. and Mrs. Harold Backhaus, Route 1, Kewaskum, on August 6. Sons were born to Mr. and Mrs. John McElhatton, Kewaskum, on August 13; to Mr. and Mrs. John Schuppel, Route 3, Kewaskum, on August 8; to Mr. and Mrs. Paul Strupp, Route 3, Kewaskum, on August 10; to Mr. and Mrs. John Battaglia, Kewaskum, on August 8, and to Mr. and Mrs. Fred Wesenberg, Kewaskum, on August 9. A son was also born to Mr. and Mrs. Norman Krueger of Lomira. Mrs. Krueger is the former Bernice Kober, daughter of Mr. and Mrs. Christ Kober, Jr., Kewaskum.

# 50 Years Ago

August 26, 1932

A musical program will be given by the pupils of the Wayne Center School at the Little Theatre on the State Fairgrounds on August 28. Members of the chorus are: Sopranos - Jeanette Werner, Laverne Miske, Frederick Menger, Betty Petri, Edgar Miske, Leo Resch, Pearl Kibbel and Paula Petri; altos - Ruby Menger, Anita Mertz, Armand Mertz Jr., Miss Katherine B. Veal, Chairman, and Miss Margaret A. Diesner, accompanist.

The Kewaskum School will

open on Tuesday, September 6. The complete faculty with departments is as follows: Miss Daley, Primary; Miss Stephens, Intermediate; Mrs. Muenk, Grammar Room; Miss Smith, Language and Social Science; Miss Browne, Commercial; Miss Jordahl, English; Mr. Clifford Rose, History and Mathematics; Mr. Skalsky, Principal, Science. All indications point to a large freshmen enrollment for the coming year.

The Salem Reformed Church band of Wayne, under the direction of Rev. A. A. Graf, last Sunday participated in the program of the laying of the corner stone for the new Reformed Church edifice at Campbellsport which is now under construction.

Dr. J. H. Klug of Random Lake reports the birth of a two-headed calf on the Jos. Gattner farm in the Town of Belgium. The animal was fully developed and normal in all other respects, but lived only five minutes. The head had been mounted and is on display at Random Lake.

# 75 Years Ago

August 17, 1907

Henry Stark's barn, located at the southeast corner of the village limits, was struck by lightning during the electrical storm shortly after 12:00 last Thursday night and was totally destroyed by fire with its contents of about 35 ton of hay and his whole barley crop of the season.

Another fire alarm was

sounded yesterday noon when a small blaze broke out in the Philip Schmidt residence on Malt House Street occupied by Chris. Frensz and Lawrence Haessly. The origin of the fire is not known. The damage by fire was not so great as by water which damaged Mr. Haessly's furniture considerably in the lower part of the house.

The new law regulating railroad passenger rates went into effect August 15. A flat rate of 2 cents per mile will now be charged, making the fare to Milwaukee 83 cents hereafter.

Milton, the four-year-old son of Mr. and Mrs. Fred Andrae, Kewaskum, broke his arm last week Friday while playing in the yard.

Anton Flasch, son of Frank Flasch Jr. of St. Kilian, had the misfortune of breaking his right leg while playing in the barn.

The town officers of Wayne held a special meeting last Saturday to raise \$1,000 for roads and bridges that were damaged by the heavy rain a few weeks ago.

A daughter was born to Mr. and Mrs. Joe Uelmen of St. Michaels last Thursday. A baby boy was born to Mr. and Mrs. Anton Richart of St. Kilian last Tuesday.

## Mrs. Oliver Diener Dies

Mrs. Oliver (Frances) Diener, nee Bunkelman, 64, of the Batavia area passed away early Saturday morning, August 14, at the Milwaukee County General Hospital after a lengthy illness. She had been a patient at the hospital for 10 days.

Mrs. Diener was born on January 28, 1918, in the Town of Farmington, Washington County, to the late William and Malinda Klumb Bunkelman. On December 25, 1941, she married Oliver Diener in St. Lucas Lutheran Church in Kewaskum.

She was a member of St. Stephen's Lutheran Church in Batavia for many years and also a Sunday School teacher for the church. She was a graduate of Dodge County Normal and an elementary school teacher for several years.

Survivors include her husband; one son, Curtis (Mary Lee) of Random Lake; two daughters, Sandra (Joseph) Nicastro of Winston-Salem, N. Carolina and Kay (Richard) Leeson of West Bend; nine grandchildren; four brothers, Byron (Lois) and Wilmer (Doris) both of Kewaskum, Harold (Ruth) of Northbrook, Ill., Richard (Charlene) of Kingman, Arizona; one sister, Helen (Lester) Smith of Green Lake; many other relatives and friends.

Visitation at Miller's Funeral Home in Kewaskum was Monday from 5 to 9 p.m. and at St. Stephen's Lutheran Church in Batavia on Tuesday from 1 to 2 p.m. when services were held with Pastor William Robinson officiating. Burial was in the church cemetery.

### ANGELO CAMPAGNA

Angelo Campagna, 59, of Route 1, Campbellsport, died at his residence Tuesday, Aug. 17.

He was born Aug. 24, 1922, in Boston, Mass., and married Bernice Gudex Oct. 10, 1946, in

## J & J AUTO TOPICS

### ON ENGINE PING.

This fellow remarked, "my motor sounds like a dice box on a Las Vegas crap table."

Many folks ask about this at J & J AUTO SERVICE. If you hear it only on heavy pulls like long hills, it isn't a big problem. But ping at normal speeds could be ruining your engine. Proper ignition adjustment often corrects this. Higher octane gasoline is another way but than you pay more for this fuel.

Make the short drive to 450 E. Main. We have the proper electronic ignition instruments and scopes to ferret out the trouble and correct it. Making the engine efficient to its full value is the lowest cost way for trouble free driving. You'll like the way we treat your car.

PHONE 626-2311

### Fond du Lac.

He was a former employee of Stella Cheese of Campbellsport for 29 years.

He was a member of St. Matthew's Catholic Church, Campbellsport and a veteran of WWII.

Survivors include a daughter, Sharon (Dale) Skudlarczyk of Dundee; three grandchildren; one sister, Lucy Pavone of Bridgeport, Conn.; six brothers, Anthony of Boston, Joseph and Rocco, both of Fond du Lac, Robert, Mike and Richard, all of Campbellsport, and other relatives and friends.

Funeral services will be Friday at 7:30 p.m. at St. Matthew's Catholic Church, Campbellsport. The Rev. Victor Kemmer will officiate and burial will be in the parish cemetery Saturday morning.

Visitation at the Twohig Funeral Home, Campbellsport, will be Friday from 4 to 7 p.m.

and Mr. Alvin Panzer for bringing in their horses for hay rides. This year's proceeds will go for the completion of the log cabin and its up keep along with the museum's up keep and expenses.

For those interested the society meets the 3rd Tuesday of each month generally at the Kewaskum Valley Bank meeting room. The time of the meeting is 8:00 p.m.

Again, thank you, the Kewaskum Statesman for your fine coverage and advertising of our event and to all our supporters and those who exhibited.

Sincerely yours,

The Kewaskum Historical Society, Inc.

### Letter to the Editor:

On August 12, over 40 individuals from our business community took time to participate in a Career Conference for Washington County youth. While there was no monetary incentive for these people to participate, they chose to become involved because they and their companies care about the youth of Washington County.

I would publicly like to acknowledge those individuals who helped us at the conference and once again extend my gratitude for their contribution.

Joyce Albrecht, UW-Extension; Marge Banczak, Nova Services; Mickey Beth, Shop-Rite; Jerry Bienlein, Gilman, Inc.; Mike Bloedorn, Dept. of Social Services; Lee Bohlmann, West Bend Area Chamber of

# What Is a Newspaper?

Reprinted from Editor & Publisher  
By Jack Moseley, Editor,  
Fort Smith [Ark.] Southwest Times Record

A newspaper is more than a marketplace for goods, services and ideas, although it would not be possible without those things. A newspaper is so much more. It's a human institution that mirrors life—joys and sorrows, successes and failures—as a lasting, written record for the community it serves. It's a neighbor who calls daily at your home or office to inform, educate and entertain you. It can touch your emotions. Sometimes it makes you angry enough to do something. Other times, it can spark a memory, bring a tear or provoke a smile. It's a watchdog that barks and warns you of some potential danger you did not suspect.

Your newspaper makes mistakes, because it is human and not some impersonal machine that spits out statistics like a computer. Its mistakes are printed every day for the world to see. But tomorrow, it can correct them. And people who disagree with their newspaper can answer back with a letter stating their positions. What other institution gives you such a platform without charging you one red cent?

A newspaper also is an unregulated, independent business. It manufactures the only product that is different every day and home delivered. It's an employer and a taxpayer, sharing community concerns with other citizens.

And yes, it makes a profit if things go as intended. Today, the subscription price people pay for their hometown newspaper does not cover the cost of the paper on which it is printed, let alone the costs of delivery, the building, the wire service and featured syndicate material it contains, the local photographs and stories, the salaries of reporters, editors, business office employees, production crews and more. All that comes from the advertisers who sell their goods and services through the paper. The more advertisers, the better the newspaper, the more it can do for a community in promoting and developing jobs, industries, a broader tax base, a better educational system. A newspaper helps share the quality of life for the community of which it is a vital part. The more advertisers it has, the more independent it is, the less it becomes subject to political and economic pressures. Because a good community newspaper is independent of such pressures, because it is not regulated by the government, it can speak out with a strong voice and make this a better place.

A good community newspaper cares, worries, alerts, alarms, grieves, praises, recognizes, exposes and alarms. It's there for all, rich and poor, the business executive and the little guy who got a raw deal or accomplished something no one ever believed possible. It's a daily history of people, a mirror of time with an instant recall button. But mostly, a newspaper that does its job is the dependable silent voice of a city or town or area. It's who and what the people it serves are all about.

We strive to be that kind of newspaper. If all we cared about was money, however, we would be only paper and ink and advertising without humanity, the emotion and vitality of news, without concern for what has happened or may happen to you and to us. That would be much cheaper for us, of course. But we seriously doubt you would like it. We know we wouldn't like it at all. But thanks to advertisers who also care about this town and the people in it, the quality of life and opportunities they enjoy, where they are and where they're going, we're not just another shopper. We're a newspaper and very proud of it.

So the next time you glance through these pages, consider for just a moment that you are holding people, an American tradition of freedom, a day of history, the labors of dozens of your neighbors, the emotions and hopes and fears and life of a city in your hands. Really, your newspaper is all those things and more. And you can count on it being there tomorrow, because it's people who live here and care, just like you.

The eyes of the four-eyed fish of Central and South America are most unusual. These fish swim on the surface of the water. The upper half of their eyes are adapted for seeing in air, the lower half for seeing in water.

## Workshops for Training Church School Teachers

Presbyterian and United Church of Christ Church leaders in southeast Wisconsin are working together to provide training for church school personnel in a series of workshops August 30 - September 2.

Workshops are offered in the evening at Wauwatosa Presbyterian Church on August 30, at Plymouth Congregational UCC in Burlington on August 31, at First Presbyterian in Waukesha on September 1, and the Immanuel UCC in West Bend on September 2.

Topics of workshop offerings are: The Small Church Sunday School: Possibilities, Resources, Aides, Help; Teaching Skills for Pastors/Ministers; Teaching Skills for Teachers; Adult Christian Education: Alternatives and Techniques; Celebrating in the Christian Church Year; Christian Education Arts and Crafts; Creative Ways to Study and Teach the Bible; Discipline in the Church School Classroom; Music in the Church School; Resources for Teachers and the Church School; and Storytelling with Puppets.

Mrs. Doris Howland, 5846 Mary Lane, Oconomowoc, is registrar for the workshops. The registration deadline is August 23. Registration forms are available at local UCC and Presbyterian churches.

## Adult Learning Classes at MPTI

M.P.T.I. Goal Oriented Adult Learning (G.O.A.L.) begins the fall schedule of free classes the week of August 23. The program's individualized study is designed to the special needs of adults who have not completed their high school education or are in need of improvement in their studies of the basic subjects. Students work with certified teachers to accomplish personal education goals with no pressure or competition. Participants begin at their own level of study.

Students can prepare for the G.E.D. (High School Equivalency Diploma), improve their math, English and reading skills. The foreign born can study English as their second language.

GOAL also offers career information in the form of pamphlets, and visual aids, the careers are separated into clusters such as health occupations, business, home economics, trade and industry, etc. Adults who are undecided about career choices may explore the various clusters. Career counselors are available to help students develop short and long range goals and to develop their marketable skills. Appointments are requested for the counselors Wednesday and

Thursday from 9:15 a.m. - 2:30 p.m.

Goal Learning Lab is located at Trinity Lutheran Church, 7th and Elm St., West Bend. Please use the south parking lot entrance. Hours: Daily Monday through Friday, 8:30 - 3:30 and evenings Monday and Wednesday 6:30-8:30 p.m. beginning September 8.

For more information phone 334-3413 Ext. 70 after August 22.

## Class for Health Care Personnel Offered at MPTI

Graduate Practical Nurses will have the opportunity to take Medications and Their Implications. The class begins Wednesday, September 8, and runs for 10 weeks. Tuition is \$16.30, excluding the required book. The course objective is to refresh and extend the knowledge, understanding and skills of the Practical Nurse in the administration of medications, laws and regulations governing the preparation and administration of medications, method of preparing and administering drugs and general knowledge about types and classifications of drugs.

Interested students may call 334-0909 for more information and to pre-register for this class.

Debbie Parisot, a 19-year-old Rockford, Illinois, girl has been named Queen of the 33rd annual Midwest Shrine game. She will be crowned at halftime of the Green Bay Packer-Cincinnati Bengal football game, Friday (Aug. 20) at Milwaukee County Stadium.

Her selection was announced by Potentate Robert G. Oelstrom, chief officer of Tripoli Shrine Temple, Milwaukee. According to Harvey E. Roesler, director of the Midwest Shrine game, she was selected from among a number of candidates who have been treated at one of the Shrine hospitals.

Debbie is the daughter of Harold and Janet Parisot. She was graduated in June from Boylan Catholic High school in Rockford. As Queen, the Shriners will present her with a check for \$2,000 which can be used to further her post-high school education. She has enrolled in a business course this fall at Rock Valley College,

Rockford. Mrs. Parisot firmly believes that the hand of the Lord guided her daughter to the care of the Shrine. Local doctors felt they could not help her severe scoliosis (spine curvature) as a child. One day a door-to-door cemetery lot salesman called at the Parisot home. He inquired about the girl's problem, advised that his daughter had been helped by the Shrine hospital in Chicago. While he was not a member of the Shrine, he had friends who were and asked Mrs. Parisot to let them help Debbie, too.

Mrs. Parisot agreed and Debbie's treatment began in the Chicago Shrine hospital at the age of 3½ years. Since then she has had four operations to correct a severe scoliosis condition. Her last surgery was in October, 1981 and she is now cured. All treatments at the Shrine hospitals are without charge, regardless of race or religion.

**Hon-E-Bees**

Gertie Backhaus was the day event winner by chipping closest to the pin on No. 2. A "Criers Tournament" was the class event with Irene Schlefke, Mary Ann Koss and Marge Bauer tied in Class "A" - 40; Helen Goetz in Class "B" - 42; Laura Mathews in Class "C" - 46, and Gale Van Ess in Class "D" - 53.

Corliss Fassbinder was the 18-hole winner. Hostesses for the day were Bev O'Connor and Irene Schlefke.

**POINT RACE FOR THE CHAMPIONSHIPS**

By now everyone that reads this article, knows the drivers of the area, and the type of cars, tracks, etc.

Instead of giving you a run-down of the happenings at the area tracks this week, I would like to give you a few points of interest.

About this time of the season, everyone in the sport of racing, is concerned about the points for the track championships. (During the year, every driver accumulates points for their competition in the events of the evening. If there is a point fund at the track, this fund is divided among the drivers who compete regularly. There is also the honor of being track champ for the year, and that is what the point race is all about).

**MODIFIED DIVISION**

On Wednesday at Francis Creek, 141 Speedway, Willie Goeden had second in time, second in the heat and won the main event, for the second week in a row. Ron Luedtke, who is the over-all current point leader in E.W.S.C., had 3rd in time and finished 5th in the feature. This allowed Goeden to pick up 58 points over Luedtke.

However, on Saturday, at the Plymouth dirt track, the other "dog-leg" of E.W.S.C., Luedtke had 2nd in qualifying and won the feature, while Goeden posted 9th in time, 2nd in the 10 lap heat and placed 4th in the main event. After the tally of points for the week, Goeden was able to "chip-off" 12 points on the leader.

Dickie Berth of Cedar Grove is still in the running, and can also be a threat to Luedtke. Luedtke - 1497; Goeden - 1357; Berth - 1277; Tuschl - 1141.

At the individual tracks, Luedtke has the point lead at Plymouth and Goeden the record holder for qualifying on the quarter mile asphalt, has the lead at 141 Speedway.

Take a Wednesday nite off and take a ride to the beautiful area near Francis Creek. (Hwy. 43 to turn off Co. TR.K, go east about 2 miles and turn north on old 141, (Co. TR.R) drive about 3 miles - track on left side.

**LATE MODEL DIVISION**

At the Slinger Super Speedway, Goeden still has the point lead, but Ziegler knows how to pick away at that lead.

Ziegler qualified 5th, so he started on the pole of the dash for cash, and won that hands down! By winning the fast heat and feature, he was given 109 pts. Goeden posted fast time (11.955), was unable to place for

points in the dash or heat, but in the 30 lap feature, Goeden worked his way thru the pack to finish 2nd. He was able to pick up 90 points for his efforts, but that also means Ziegler picked off 19 points on Goeden's lead.

There are 3 nights of competition left at this track. Last year, Joel Laufer was the point leader for most of the season, and Ziegler came from behind to capture the championship by 3 points. It looks like he is using the same tactics this year!

For an exciting and thrilling night of racing, come to the Slinger Speedway, were there is always something special for the fans. Aug. 22 - Fan Appreciation Nite, FREE Beer and Soda after the races. WLPX FREE gifts for the fans.

Going into this Sunday's events, the point standings are as follows: Goeden - 1114; Ziegler - 1040; Morgan - 902; Strupp - 867.

**TOWN OF KEWASKUM Monthly Town Meeting**

The Kewaskum Town Board will meet Monday, Aug. 23, 1982, at 7:30 p.m., at 9340 Hwy. 45, Kewaskum.

Agenda items include passage of the Landfill Ordinance, holding tank agreement, and payment of bills.

A complete agenda is available from the clerk the day of the meeting.

Barbara Hinz, Town Clerk

Dallas, Texas was named after George Mifflin Dallas. Who was he? Vice-president of the United States in 1845.

**LIQUOR LICENSE APPLICATION**

**TO WHOM IT MAY CONCERN**

I hereby certify that the following applicant has applied to the Village Board of the Village of Kewaskum, Washington County, Wisconsin, for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the period commencing September 1, 1982, and ending June 30, 1983.

Gloria Jean Serwe, 1310 Riverview Drive (formerly operated as Ma and Pa's Kettle by Robert J. Holub, Jr.)

The above application will be heard and considered at a public hearing to be held in the Council Room of the Municipal Building, 204 First Street, in the Village of Kewaskum on the 7th day of September, 1982, at 8:00 o'clock P.M. All interested persons will be given an opportunity to be heard.

William S. Martin, Clerk 8-20-2t

**IN MEMORY**

In memory of Adeline Volm, who died seven years ago, August 18, 1975.

You are the fruit from our garden's row.

You are the shiney glitter on snow.

You are the sunlite on ripened grain.

You are the gentle autumn rain.

You are quiet birds in circled flight.

You are the soft stars that shine at night.

Ed and children

## Grand Prize Winners in Big Fish Contest

The grand prize drawing for Village Sport Shop's Big Fish Contest was held July 17.

Chris Neumann, Kewaskum, whose 12 lb., 40 inch northern won in its category was the first name out of the hat. He had the pick of four reels. He chose a Quick SLSL spinning reel and received a trophy stating "first

place northern."

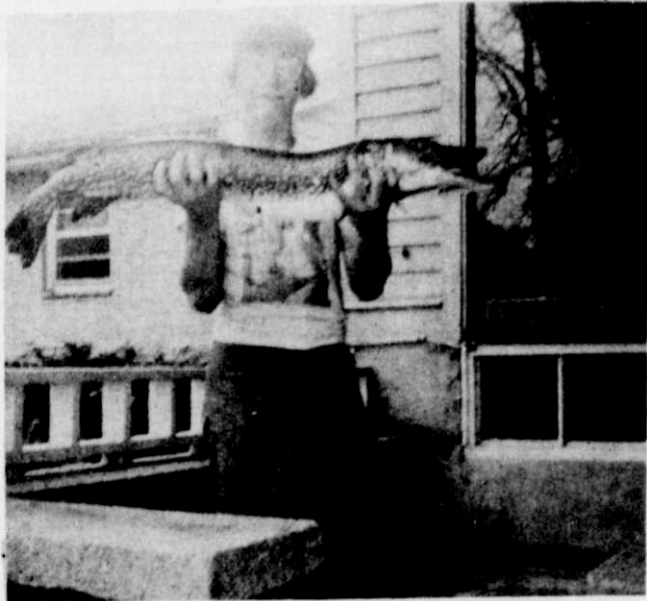

Mike Buss, Kewaskum, was the next name out. Mike's 7.5 lb., 28 1/4 inch walleye was largest in its category, making him eligible for the drawing. Mike picked an Olympic VO 130 spinning reel and received a trophy stating "first place walleye."

Charles Wagner, Kewaskum, next picked a Quick 700 bait casting reel. His trophy read "first place bass." His 6.1 lb., 22 5/8 inch largemouth earned the title.

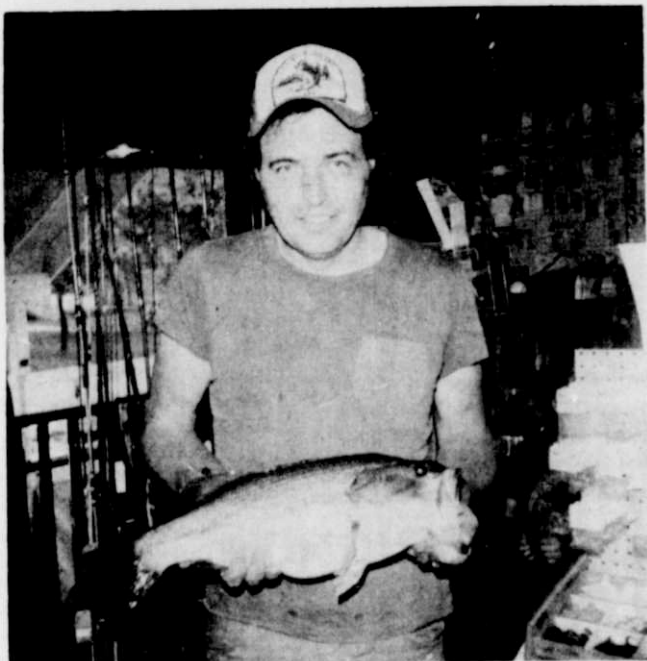

Bob Hanko, Racine, was not able to be present for the drawing. He was sent an

Olympic SC 4200 RL spincasting reel and a trophy which read "first place panfish." His 1 lb., 8 ounce, 13 1/4 inch crappie won in that category.

Congratulations to all. Village Sport Shop would like to thank all the participants and hopes to see them again next year!

Chris Neumann with his 13 lb., 40" northern

Charles Wagner with his 6.1 lb., 22 5/8" bass

Mike Buss with his 7.5 lb., 28 1/4" walleye

Neumann, Buss and Wagner with their trophies and prizes

## Freshmen Football Practice to Begin Monday, August 23

All freshmen, interested in participating on the 1982 KHS football team can pick up their practice equipment on Friday, August 20, from 9 a.m. to 12 noon at the high school. Remember to turn in these three items at that time:

- a) Signed physical exam card or alternate year card.
- b) Payment of the user's fee, \$15.
- c) Signed copy of the training rules.

The first practice for the freshmen will be Monday, August 23, at 3:00 p.m. on the high school practice field.

## Kewaskum Beats Juneau, Loses to West Bend, Slinger

On Wednesday Aug. 11, Kewaskum lost to West Bend, 11-3 in a Land o' Lakes League game.

**KEWASKUM** — R. White, cf, 4-0-1; L. Westerman, ph, 0-0-0; R. Heberer, ss, 4-1-0; B. Pearson, rf, 0-0-0; A. Jaeger, 2b, 4-0-0; S. Yahr, ph, 1-0-0; R. Theusch, lb, 4-0-1; T. Perkins, rf, 4-0-1; M. Donath, 3b, 4-0-1; R. Leitheiser, lf, 3-1-0; Scott Muench, c, 2-0-0; Steve Muench, 3b, 1-1-0; B. Donath, dh, 3-0-0; J. Geidel, ph, 1-0-1; T. Heberer, p, 0-0-0; B. Larsen, p, 0-0-0.

On Friday, Aug. 13, Kewaskum beat Juneau, 11-7, in a Tri-County game. Kewaskum scored 3 in the 7th inning and 2 in the 8th to overcome a 7-6 Juneau lead. Steve Muench picked up the win by not giving up a run in the last 3 1/3 innings.

**KEWASKUM** — R. Leitheiser, lf, 4-1-1; J. Brockway, lf, 1-0-0; J. Geidel, 3b, 5-0-2; D.

Donath, ss, 5-0-4; R. Theusch, dh, 3-0-0; T. Heberer, lb, 1-0-1; S. Yahr, ph, 1-0-0; M. Donath, c, 5-1-1; T. Perkins, rf, 4-2-3; L. Westerman, rf, 0-1-0; S. Leitheiser, 2b, 5-1-2; J. Koepke, 2b, 0-0-0; B. Larsen, cf, 3-2-2; G. Pearson, cf, 1-1-0; A. Jaeger, p, 3-1-1; Steve Muench, p, 1-1-1.

On Saturday, Aug. 14, Kewaskum lost to Slinger, 14-3, in a Tri-County League game. This was the final Tri-County game and Kewaskum finished the season with a 3-9 record.

**KEWASKUM** — R. Leitheiser, lf, 2-0-1; A. Jaeger, 2b, 3-1-0; R. Heberer, ss, 0-0-0; D. Donath, ss, 2-1-1; M. Donath, 3b, 3-0-0; T. Perkins, rf, 3-0-0; r. Theusch, c, 3-1-1; B. Larsen, cf, 3-0-1; T. Heberer, lb, 3-0-0; J. Geidel, p, 0-0-0; Steve Muench, p, 1-0-0; B. Pearson, cf, 2-0-1.

Port Washington will play at Kewaskum Saturday, Aug. 21, at 11 a.m. in a Land o' Lakes game. Sunday, Aug. 22, Saukville will be at Kewaskum in another Lakes League game at 1:30.

## THIEMER'S SUNDAY LEAGUE

	W	L
Amerahn	7	3
Thiemer's	6	4
Rite-Way	6	4
Hitching Post	6	4
Saloon	3	7
Sentry	2	8

Results:

In a rough battle between Amerahn and the Post, the team with the least errors won and took the first place position, which Amerahn did, 6 to 3.

Sentry as you say "tries" and that's what they did with Kevin Stautz pitching a shutout and the Brians, Larsen and Dreher, each hit a 4 bagger to help the "cause" and Rite-Way had no breaks, losing to Sentry, 6 to 0.

Thiemer's again out of the last 4 games went down for the final time to the Kewaskum Saloon, 9 to 3. We all hope that Mark "Hoss" Herriges is doing fine. He was hurt at second base and had to go to the hospital.

There will be a second place playoff which will start at 1:00

Sunday with the Post and Rite-Way playing. The winner of that game will play Thiemer's at 2:30.
