Closed Campus Committee: 'Give New Policies a Chance First'

By GERRY MUELLER
Statesman Staff Writer

After about an hour's discussion Monday night, the Committee to Discuss a Closed Campus unanimously agreed to recommend the Kewaskum High School campus remain open.

Committee Chairman John Tessar and member Tom Brigham both stated they had done extensive checking and talked to local businesses as well as many concerned parents regarding such a move. Everyone contacted was in favor of allowing the campus to remain open.

Referring to an individual's comment at last week's school board meeting that he had received comments from approximately sixteen persons who were in favor of a closed campus, Tessar stated, "I wish I would get some calls from people who are in favor of a closed campus. I would like them to come forward and give

their reasons." All three members of the committee, consisting of Tessar, Brigham and Assistant Principal Roy Esser, noted they had not heard from anyone wanting a closed campus.

After last week's school board meeting, members and citizens were left with the impression that a student problem serious enough to consider a closed campus existed. After talking to three of the local businesses, however, Tessar felt the situation was somewhat exaggerated. Tessar said one business said they had absolutely no problems. If a student misbehaved, they were kicked out and not allowed in until they apologized and agreed to behave. A second business owner said it had some problems there was no question about it. They did have some shoplifting, but overall the students were very good. Their big problem was over noonhour with long lines at the checkout counter when regular customers

have to wait so long. They, along with the other businesses, were not for a complete closed campus either. They just wanted some control.

Tessar noted he was surprised by a comment both businesses made. The problems they had were with the younger kids, not older ones. Tessar said he questioned them as to what they meant by "younger kids." The businesses did not know if they were middle school, freshmen or sophomores, but they noted older students were very, very good and they had no problem with them whatsoever.

The closed campus issue rose, in part, because of consideration of possible policy changes regarding smoking at the school, namely a complete smoking ban. Brigham stated, "it seems to me the board has gone on record in favor of a smoking area with a pass required." Brigham felt that this was a way of controlling the situation. Another way would

[Continued on Page 11]

Down 67 Students

Preliminary Figures Show Enrollment Drop

Preliminary enrollment figures for the Kewaskum School District show a total of 1,983 students attending classes as of August 31. Enrollments by school are: Beechwood Elementary School 96, Farmington Elementary School 217, Kewaskum Elementary School 397, Wayne Elementary School 167, Kewaskum Middle

School 332, and Kewaskum High School 774.

Enrollments were higher than projected in the primary grades (K-2) and at the Middle School (7-8), while decreases occurred in the other elementary grades and at the High School. Enrollment at this time last year was 2,050 students.

Moulinex Regal, Inc. Sign Joint Venture

Regal Ware, Inc., a Kewaskum based multi-plant housewares producer, and Moulinex S.A., a French home appliance manufacturer, have signed the joint venture documents forming Moulinex Regal, Inc. Officials of both firms met in New York City on August 31 for the formal closing. Moulinex Regal, Inc., headquartered in Virginia Beach, Virginia, will be responsible for manufacturing and marketing Moulinex pro-

ducts in the United States.

The ultra-modern Virginia Beach plant produces the well-known line of La Machine food processors and distributes other Moulinex products. Plans for the new company include expanded production and the addition of new products.

The combination of Moulinex and Regal brings to the marketplace the broadest housewares selection available in the United States.

AFS Student Is From Japan

Hiroko Yamada

The 1982-83 A.F.S. foreign exchange student is Hiroko Yamada, a seventeen-year-old girl from Nagasaki, Japan, a city of 450,000 people. She will be attending Kewaskum High School and living with the John Hazelwood family for the school year. Her American sisters and brother are Laurie, Jan and John Hazelwood, Jr.

Hiroko's parents, Yukio and Keiko, are both officials of the Nagasaki Prefectural Government. She has one sister, Junko, who is eleven years old. Hiroko and her family are buddhists. She has never

traveled out of her country before, but she has had four years of English in school.

Her interests include playing and watching team sports, hiking, walking, camping, reading, and participating in school clubs. Her favorite activity is playing volleyball.

Kewaskum's adult and student chapter of A.F.S. invites you to take part in our group by attending our meetings or activities. Getting to know our students is an interesting and educational experience for you and the student. Help our newest student

take back an understanding of America, especially Kewaskum, Wisconsin. If you would like to know more about our organization, or if you would like to make arrangements for our student to speak after January 1, call Gordon Wilhelmi at 626-4172.

You can also help our group, by supporting our current fund drive. We are presently selling four kinds of Kathryn Beich Candy Bars at a cost of 50c each. The profits from the sale help defray the costs of our program. Please give us your support.

ASSE Student from Sweden Attending High School Here

Eleven Scandinavian high school students have recently arrived in southeast Wisconsin to begin a ten month cultural exchange experience living with families in Wisconsin. These students are among sixty students in Wisconsin placed by the American Scandinavian Student Exchange program. The program (ASSE) is registered with the U.S. State Department as a non-profit cultural exchange and is based in Stockholm, Sweden, with the regional office in Excelsior, Minnesota. Information about the program may be obtained from the local Southeast Wisconsin Area Representative, Pat Juhl (414) 246-4467.

Before being accepted by ASSE for this program, all students are carefully interviewed and screened and must meet high standards for school grades and English fluency. Students must also provide the money for the program themselves. Host families are also carefully interviewed and screened before being accepted into the program. The Southeast Wisconsin Area Repre-

sentative oversees the students' progress during their stay in America.

Kewaskum Community High School will be attended by Maria Carlfolk of Vaxjo, Sweden, who will be living with Carol and Roger Hecker and their daughter Shawn of Kewaskum. Maria is an animal lover and belongs to a Swedish organization which unites animal lovers. Maria has studied English, German and Spanish and especially enjoys Spanish.

THEFT OF TAPES FROM CAR REPORTED

Kewaskum police reported they apprehended two juveniles on Monday, Aug. 23, about 5 p.m. in connection with the theft of \$50 worth of tapes. The tapes were taken from a car parked in the Sentry parking lot on Main Street, police said. The two youths, both of rural Kewaskum, were referred to juvenile court.

Woman's Club Membership Tea

The Kewaskum Woman's Club membership tea was held at the home of Mrs. Lloyd Etta, club president, on Thursday afternoon, August 19, at 1:30 o'clock. It was very well attended by members.

Four new members were

introduced, namely, Mrs. Loretta Benicke, Mrs. John Hubbel, Mrs. Jim Paul and Mrs. Lillian Vetter. Hostesses were club officers, Rita Etta, Marge Rosenthal, Bernice Groh and Ruth Gruhle.

The next meeting of the club

will be held on Thursday, Sept. 9, at 7:30 p.m. at the home of Mr. and Mrs. John (Ruth) Schmitt, 8065 Kettle Moraine Dr. The program will be presented by Isabelle Straub of Miller's Furniture on new decorating ideas.

HONORED — Mrs. Corinne Opgenorth, seated, 50 year member of the Woman's Club and long time members, Mrs. Maude Rose and Mrs. Charles Miller.

WOMAN'S CLUB OFFICERS — Left to right, Ruth Gruhle, treasurer; Bernice Groh, secretary; Marge Rosenthal, vice president and Rita Etta, for 50 years as a club member.

From the School Board President's Desk....

Recently, the Kewaskum School Board "won" a binding arbitration decision in which the teachers received an 11.6% increase for the 1981-82 school year. Since the publication of this fact, many questions have been asked of me. I will list some of these questions in this article. I will attempt to answer these questions in my next article:

What exactly occurs in negotiations between the School Board and the Teacher's Union? Why did the teachers receive a 11.6% increase if the Board won the last arbitration decision? Why did the Board offer this increase during a recession?

What a Binding Arbitration, and what effect does it have on negotiations? Who is the Arbitrator, and how is the Arbitrator selected? Is the Arbitrator a district tax payer?

Why are so many contract negotiations ending in Binding Arbitration? Who really favors this relatively new law? Perhaps answers to these questions will give the tax payers of the district a better understanding of problems that beset the School Board during negotiations with the Teacher's Union.

I invite you to express your views to any school board member, or write to me, Dr. Charles Ogi, P.O. Box 201, Kewaskum, WI. 53040.

Supertendent Search Update: The list of candidates has been narrowed to five, and the Board will be checking dossiers on the finalists this week.

Dr. Charles J. Ogi

Births

BONLENDER — A daughter, Amy Marie, to Loren and Gail Bonlender, West Bend, Friday, Aug. 20, at St. Agnes Hospital, Fond du Lac. Paternal grandparents are Mr. and Mrs. Harold Bonlender, Kewaskum, and maternal grandparents are Mr. and Mrs. Orville Ruplinger,

Oakfield. The Bonlenders also have a son, Brian, aged three years.

STOMMEL — A daughter to Ronald and Theresa Stommel, Route 1, Theresa, Saturday, Aug. 28.

ZAHN — A daughter to Gary and Lori Zahn, 155D Lakeview Road, Campbellsport, Monday, Aug. 30.

DIABETES

If you are diabetic, your vitamin C requirements are likely in excess of other persons, states Dr. G.V. Mann, biochemist at Vanderbilt U. He theorizes that diabetics lack the ability to transport adequate vitamin C across cell membranes, resulting in serious blood disorders associated with some lifelong diabetics. Extra Vitamin C could help prevent many complications that diabetes brings with passing years.

Indian Booster Club to Meet

Hey! All you Boosters! School has begun and with it all the activities that make school fun and build community feeling—the icing on the cake. Wednesday September 8, at 7:30 p.m. you'll have your chance to get in on the fun by becoming a member of the Kewaskum Indian Booster Club. We have lots of events coming up this fall to plan, but we need Booster parents to help us. Come to the high school cafeteria at 7:30, Wednesday, September 8, and add yourself to the number of parents helping to make school a more enriching experience for our kids!

The Executive Board will meet at 7:00.

Change in Student Assignments in Guidance Dept.

This year Kewaskum Community High School has made a change in the assignment of students in the guidance department. The two guidance counselors, Mrs. Sharon Blank and Mr. David Wietor, are each working with the students in grades 9 through 12. Mrs. Blank will be working with all students whose last names begin with the letters A through L and Mr. Wietor will be working with all students whose last names begin with the letters M through Z.

Parents are welcome to call the guidance office at 626-2166 if they have any questions or concerns.

Garman-Matter

Mr. and Mrs. Joseph Garman of Kewaskum, are pleased to announce the engagement of their daughter, Sheryll Margaret, to Brian Lee Matter, son of Mr. and Mrs. Jerome Matter of West Bend.

Sheryll is a 1981 graduate of Kewaskum High School. She is employed at Kewaskum Shop-Rite in Kewaskum.

Brian is a 1981 graduate of Kettle Moraine Lutheran High

School. He is employed at Serigraph Sales in West Bend.

A June 17, 1983, wedding has been planned.

Offer Stress Course At UWWC This Fall

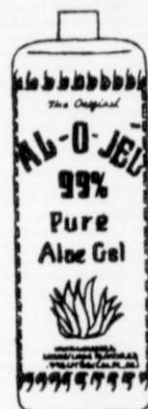

A night course, "Stress: Its Causes and Controls," will be offered in the fall semester at the University of Wisconsin Center-Washington County. The course will address the origins of stress and its physiological and psychological effects. Various techniques for reducing stress, including pro-

gressive relaxation, time management and altering thinking about life events will be presented.

The course will be offered on Tuesday evenings from 7-8:40 p.m., beginning September 7 and will last for 8 weeks. This course may be taken for one college credit or on a non-credit personal interest basis.

Call Dr. Margaret Guminski, 338-5241, if you would like more information.

INCREDIBLE PAIN RELIEF?

Mr. M.G. Percher of Rock Hill, S.C. said, "My wife and I are both taking AL-O-JEL. We have found that this has helped us more than most other products that we have been taking for arthritis. It helps the pain in my back and legs better than anything else that I've taken."

Jaycees to Have Fishbowl Here Labor Day for Muscular Dystrophy

HELP JERRY'S KIDS Labor Day Weekend! The Kewaskum Jaycees will have a fishbowl set up in the parking lot of the Sison Medical Clinic on Monday, September 6. Donations placed in the fishbowl will go to the Muscular Dystrophy Association to help find a cure for MD.

The Jaycees will have balloons for children under 12, who come with their moms and dads to contribute to the MDA fishbowl. Please stop in at the Medical Clinic on South Fond du Lac Ave. We will be there from 9:00 a.m. to 5:00 p.m. on Labor Day to accept your tax-deductible donations. Should you want to give money to our fishbowl and will be out of town September 6, or if you have any other questions, please contact Kewaskum Jaycee Internal De-

velopment Vice President, Ken Weyers, at 626-2798.

PLEASE GIVE GENEROUSLY TO JERRY'S KIDS!

In A Jam I Am

It's either too thick or either too thin. Is sticky from your nose to your chin.

The big pots a-boiling, the telephone rings - The jams burned and stuck, and such a messy ole' thing.

The lady next door bought her jam at the store. It's stated it cost her less than before.

You've followed directions most of the time.

Why so much trouble to save just a dime.

I guess you could say, if it turned out so good.

There was really nothing to it, when it tastes like it should.

I guess you could say, if it ends up so bad.

It was like a jam day, that I never quite had.

Nanc Malvick

Reading and Study Skills Course Is Offered by UWWC

Are you 22 years or older and thinking of going to or back to college? Are you unsure about your study skills or college major? Are you wondering how to cope with the pressure of school and home should you go back to school? If you answered "yes" to any of the above, you should consider taking UWWC's course this semester entitled "Reading and Study Skills" (LEC 103), which is designed to address these questions for the adult learner. The course will meet on Thursday nights from 7:00-8:15 p.m. in the West Bend Public Library. It will meet for eight consecutive weeks beginning September 16. Students who enroll for the course will earn one non-degree credit.

Registrations for LEC 103 were accepted on Wednesday, September 1, from 2:00-4:00 p.m. or 6:00-8:00 p.m. They will also be accepted on the first night of class.

For more information about this course or other UWWC offerings, contact the University of Wisconsin Center-Washington County Student Services Office at 338-5201.

Zarling Elected To CMA Board

Robert S. Zarling

Robert S. Zarling, Senior Vice President-Sales at Regal Ware, Inc., has been elected to a three year term as Director of the Cookware Manufacturers Association (CMA). The national trade association, which is headquartered in Walworth, Wisconsin, represents the interests of the country's leading manufacturers of aluminum and stainless steel cookware. Zarling, a Kewaskum resident, has been with Regal since 1959. Regal has been active in the association since its founding.

Regal Ware, Inc. is a multi-plant manufacturer of cookware, portable electrics and microwave accessories headquartered in Kewaskum, Wisconsin.

TIF District Projections Updated

By GERRY MUELLER
Statesman Staff Writer

At Tuesday night's Plan Commission meeting, Village Administrator Dan Schmidt presented members with updated cost projections for the village's proposed TIF District.

After reviewing the village's list of proposed projects, using engineering firm figures, most were less than Schmidt's 1981 projected costs. Schmidt reminded the commission that these are still only projected costs. However, due to the depressed time contractors are "scratching" for jobs and Schmidt felt these figures were pretty close.

When borrowing costs were reviewed last year, anticipated interest rates were figured at 6%. Since then, however, rates have gone up to almost 13% for some municipal bonding issues. After checking various sources this week, Schmidt felt there was a good chance of getting General Obligation Bonds at between nine and ten per cent, if the village seeks funding before the end of the year. Both he and commission member Bob Kirst felt that this is probably as low as rates will go.

The next step is the hiring of a firm for the preliminary engineering phase. Schmidt

hoped the Village Board will make a decision by the end of September or sooner. It is anticipated the preliminary work will take about sixty days, bringing the village close to December as far as borrowing goes.

When the village gets its preliminary engineering reports, the board will then have to make a decision, either to drop the TIF District, or commit itself to a twenty-year construction and renovation program.

ROSENHEIMERS ANNOUNCE CIRCUS SALE WINNERS

Winners of the recent Circus Sale door prizes at Rosenheimer's Store were: Michael Kardos, Kewaskum, Green Bay Packer picnic basket, and Debbie Backhaus, Kewaskum, Hamilton Beach hot air corn popper.

Kitchen carpeting can be restored to original brightness in 15 minutes with Nylac. No machine needed. Miller's Fine Furniture recommends Nylac for nylon carpets.

Kewaskum Jaycees Offer Fall Specials

With summer swiftly coming to an end, many softball leagues are now over. What a great time for a young man to join the Jaycees!

The Kewaskum Jaycees are offering a discount in the annual dues to new members who join before Sept. 25, 1982. We are also sponsoring an M-Night for interested young men at the Amerahn on Sept. 13. Our meeting, which begins at 8:00, will feature Bill Flood, the state vice-president of the Wisconsin Jaycees. He will deliver an exciting message to those in attendance.

Other worthwhile events coming up include our annual Sweetheart Party on September 18 (where our wives or girlfriends are guests of honor), the

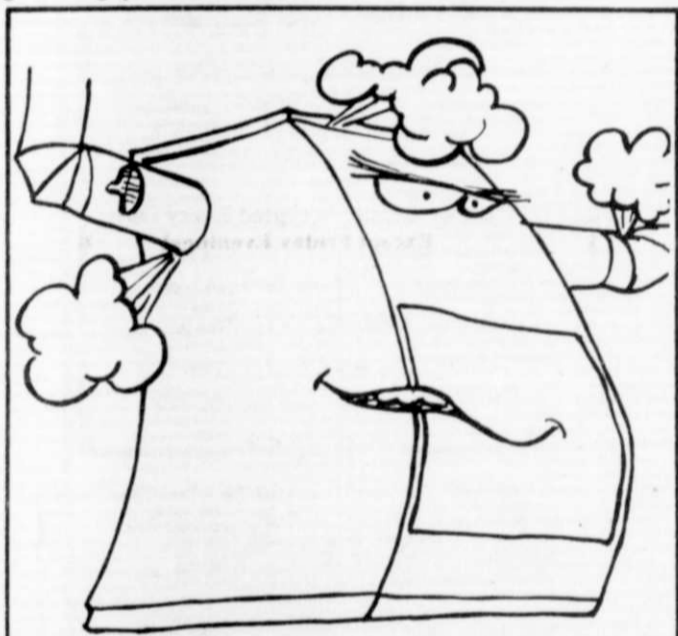

state Fall Convention Sept. 11, at Telemark, and the state Individual Development College on Oct. 23, at Fond du Lac. Then our biggest event (and most fun) of the year will be held the last two weekends of October--THE HAUNTED HOUSE. It is a great time to get together and scare the heck out of those brave souls who come through the house.

If you are a male between 18 and 35, you will want to find out more information about the Jaycees by asking a local member. He can tell you more about the M-Night, dues discount, Haunted House, state and local events, and how the Jaycees can help you. Do yourself a favor and GET INVOLVED!

MPTI Offers Seminar On Nursing Process

On Tuesday, September 28, 1982, from 8:30 a.m. to 4:00 p.m., Moraine Park Technical Institute, West Bend, will present a seminar entitled "Nursing Process" at the Best Western Motel (Dillon Inn), 2520 West Washington Street, West Bend. The cost is \$15.00, including lunch. Telephone pre-registration is required by calling (414) 334-0909.

This seminar is recommended for health occupations professionals and is designed to define the nursing process and address its significance to nursing today. The presenter is Carol Ziemer Jacobs, R.N., M.S.N.

Former Students of Dundee School Hold Annual Reunion

Former students of the Dundee School, held their annual reunion and meeting on Tuesday, July 20, at the Canterbury Inn, Round Lake. A chicken and barbecued ribs, family style dinner, was served at 1 p.m.

Two former teachers were in attendance, Loraine (Gariety) Richtig of Wauwatosa and Mae (Murphy) Thibaudeau of South Milwaukee. Others attending were from Princeton, Waukesha, Kiel, St. Cloud, Oakfield, Fond du Lac, Random Lake, Eden, Lomira, West Bend, Plymouth, Wauwatosa, Arizona, California, Illinois, Milwaukee, Campbellsport and Kewaskum.

Rosalie Vass served as Mistress of Ceremony, with Rita Etta, secretary, and read regrets from Harold Schenk, Calif., Wm. Kregel, Sheboygan and former teacher, Belva (Wilcox) Becker, Wautoma. Alice Dyer served as treasurer and Joann Schneider was in charge of the thirty door prizes given out. Hank Filbig entertained with his accordion.

Former students present were: Sylvia (Haegler) Adams, Eugene Backhaus, Leona (Roehl) Backhaus, Arthur Baumann, Wm. Baumann, Gilbert Baumann, Roland Baumann, Don Bohlman, Irene (Ramthum) Brandenburg, Robert Bowen, James Cahill, Donald Calvey, Bernard Calvey, Gordon Daleige, Walter Daleige, Barbara Due, Rita (Waranius) Etta, Eric Falk, Esther (Baumann) Filbig, Marilyn (Falk) Feuerhammer, Francis Gilboy, Lawrence Gilboy, Eunice (Bowen) Gilboy, Emma (Steffen) Graf, Beatrice (Bowen) Hatch, Carol (Strohschein) Hanson, Mildred (Corbett) Krause, Roma (Seifert) Luedtke, Malinda (Ebert) Lepp, Ervin Mattheis, Harold Mattheis, Fred Mielke, Walner Mielke, Richard Mielke, Andrew Polzean, Arnold Ramthum, Cecilia (Pranskunas) Rahn, Marie (Haegler) Reigle, Alice (Calvey) Roltgen, Alice (Dyer) Raether, Helen (Steffen) Radtke, Art Schmid, Joann (Waranius) Schneider, Ervin Seifert,

Gilbert Seifert, Norman Seifert, Lynn (Gilboy) Shea, Barbara (Gilboy) Stoffel, Vera Slattery, Rhea (Daliege) Traber, LaVerne (Hintz) Triechel, Corinne (Strohschein) Wacholtz, Edna (Corbett) Wielke, Doris (Hoffman) Wesenberg, Cecil White and Rosalie (Waranius) Vass.

Guests present were: Marilyn Backhaus, Frank Backhaus, Mabel Baumann, Agnes Baumann, Mildred Baumann, Vivian Baumann, Loretta Bohlman, Mr. Brandenburg, Susie Bowen, George O'Brien, Dorothy O'Brien and guest, Mrs. Bernard Calvey, Dorothy Daleige, Lloyd Etta, Barbara Falk, Hank Filbig, Jeanne Gilboy, Marge Gilboy, Sam Graf, Arthur Krause, Alvin Luedtke, Edward Lepp, Leona Mattheis, Ingreburg Mattheis, Mrs. Fred (Delores) Mielke, Mrs. Walner (Delores) Mielke, Sally Mielke, Martha Polzean, Elenor Ramthum, Miles Rahn, Clarence Reigle, Jerome Roltgen, Mrs. Art Schmid, Malinda Seifert, Marion Seifert, Helen Seifert, Donald Treichel, Edward Gariety, Mr. Thibaudeau, Mr. Wacholtz, Fred Wesenberg, Joan White and Ken Vass.

Kenneth and Marie (Spradue) Knowles came later in the afternoon.

The next reunion will be the third Tuesday, July 19, 1983. Committee members are Fred

Mielke, Robert Bowen, Don Bohlman and Walner Mielke.

Kewaskum Statesman, Friday, Sept. 3, 1982, Page 11

School Board

[Continued from Page 1]

be through peer pressure. If they (the students) deviate from the set policy, it could result in a closed campus. Esser was in agreement that pressure from their fellow students might make problem kids a little less likely to break the rules. Tessar said parents were questioning why 750 students should suffer for the trouble caused by 50.

Esser noted he was not in favor of a closed campus now. "I'd like a chance to enforce the rules we've got going now," said Esser. "We gave the kids a lot of new rules this year, I'd like to work with these first," he noted. If the new policies don't work and problems still exist, Esser felt then, maybe at a later date, the closed campus idea could be given more consideration.

Although there were only about a dozen people attending the meeting, all agreed they wanted an open campus. Two parents who admitted they had previously been in favor of the closed campus said they had

changed their minds. After last week's school board meeting, they had done a lot of thinking and talking about the issue, with the end result of why punish all the kids for what a few are doing. High school teacher Howard Zemlicka felt that any students causing trouble should be reported to the school. "If we have problems with some students, we can ground them and put them in the Behavior Modification Room," said Zemlicka.

Brigham questioned Esser on the car situation. Esser said a parking lot policy went into effect Monday. All cars brought to school are required to have a permit issued from the school. No one will be allowed in their cars, nor will cars be allowed to leave during the noon hour. A teacher will be on duty in the parking lot for each lunch hour. Brigham asked what would happen if students decide to park off campus. Esser said he had spoken with Police Chief Hlavaty and if that problem should occur, all the neighboring streets would be posted with two-hour parking limit signs and violators would be subject to parking tickets.

Esser also told Brigham that

the new rule requiring parent signatures for the smoking area apparently will not be a problem. Esser noted he hadn't had an opportunity to get the forms made up, but already he has had parents stop at the school to sign permission forms.

Along with their open campus recommendation, the committee will also suggest that a survey regarding a closed campus policy be sent to all parents and businesses. Along with the survey would be an explanation of just what a "closed campus" means and how such a policy would work.

J & J AUTO TOPICS

DRIVE-WAY TEST.

If you don't mind getting a dirty finger, stick it in your auto's tailpipe. It'll tell you much. A grayish fine deposit means good combustion. Oily black deposit may be a sign of expensive engine repairs. Black sooty deposit indicates a faulty carburetor or choke. Perhaps a clogged air cleaner or emission system.

A better way, get to J & J AUTO SERVICE for regular maintenance services. Our electronic scopes and testing equipment gives accurate results on engine conditions. The drive to 450 E. Main makes your car worth more by the way we treat it. You'll like our services.

Today's Medicine

SOME ADVANCES IN MEDICINE
Richard Edwards, M.D.

An article in the recent Medical Bulletin which I receive regularly from the University Medical Foundation, reported an interview with one of my great teachers of Physiology, now retired. He is Dr. Maurice B. Visscher, Professor Emeritus in Physiology, world renowned scientist/citizen and former head of the Physiology Department at the University of Minnesota.

One of the interesting points Dr. Visscher made in this lengthy interview was in regard to the discovery by another of my teachers, the late Dr. Owen Wargenstein, head of the surgical department, who learned that gastric suction via small rubber nasal tube would save the life of many post operative patients suffering from stomach and bowel distention caused by ileus (paralysis) of the bowel. Dr. Visscher proclaimed that this one discovery since 1932 has saved the lives of millions of surgical patients, including his own life four years ago. The use of this gastric suction was being used experimentally during my student days, hence, when I began my practice in Kewaskum in 1932, only Dr. A. H. Heidner had heard of this procedure and he readily agreed with me to make up a workable device which we used at St. Joseph's Hospital in West Bend in late 1932; successfully, too.

In 1933 our jolly butcher, Phillip McLaughlin, needed to have his gall bladder removed and this was done at the St. Agnes Hospital at Fond du Lac. On his third post operative day I found my patient very distended in his abdomen and asked to have gastric suction started but alas - not a single surgeon in Fond du Lac had heard of this new discovery. However, Dr. E. V. Smith, Sr., who had performed the operation, did agree for me to make up a suction device. Very soon I had one made and working so satisfactorily, that my patient was feeling better and began to smile again in a few hours. He did recover but died of an acute heart attack a week later.

Dr. Visscher's research work performed many years ago in Cardiac Energy Metabolism was the foundation for our present day Cardio-Vascular Surgical Techniques, ie-open heart surgery. In fact Dr. Visscher's further studies on the Mechanisms of Pulmonary Edema and Related Studies, have been declared to be the basis for some of the greatest advances in physiology during the past 30 years. Dr. Visscher stated that the greatest single advance in medical knowledge over the past 25 years was the development of Antibodies in use all over the world today. The use of these life saving medicines, vaccines included, have saved the lives of so many children that now we have the present "population explosion" of senior citizens.

I am very proud of my alma mater and all the great teachers there-in.

R. G. Edwards, M.D.
U. of Minn., 1931

Beechwood Rest Home Residents Take Trip to Zoo

The residents of the Beechwood Rest Home took a trip to the Milwaukee County Zoo on Monday, August 23. They arrived at the zoo at 10:30 a.m. and enjoyed lunch at the cafeteria before riding the shuttle/tour bus around the grounds. This was followed by "Free time" which gave individuals an opportunity to see particular points of interest. After a break for ice cream, the group left for home at 2:00 p.m. The trip was enjoyed by all, and the management would like to thank the chaperones, volunteers and staff members who helped make the resident's outing a great success. The last two annual outings were to the Wade House, and the Museum in Milwaukee.

These trips are made possible from funds raised by the sale of craft items which are hand made by the residents. These items are available to anyone visiting the Beechwood Rest Home. Visiting hours are between 8 a.m. and 8 p.m. daily.

The annual resident picnic at Mauthe Lake has been set for Tuesday, September 7. Everyone is looking forward to another day of fry-outs, games and good fun this year.

Black heel and crayon marks can be removed from linoleum and tile floors by rubbing with a damp cloth and a dab of toothpaste.

Don't Take a Vacation From Safe Driving Habits This Labor Day Weekend, Sheriff Schwartz Urges

Don't take a vacation from safe driving habits this Labor Day weekend, urges Washington County Sheriff Clarence A. Schwartz and the Wisconsin Sheriffs and Deputy Sheriffs Association.

Every careful driver thinks a serious accident can't happen to me-even the people killed or injured in accidents caused by someone else. There is no way to guarantee you won't be in an accident someday, but you can protect yourself from some of the danger.

Washington County Sheriff and the Wisconsin Sheriffs and Deputy Sheriffs Association suggests two important steps you can take to protect yourself from serious injury.

One step is to always "Buckle Up." Injury statistics prove that in most accidents a person wearing a seatbelt will be less seriously injured than someone who isn't wearing them.

But seatbelts can't protect you when you sit on them or

when they're hidden under the seat. You have to wear them, so, if your belts are buried under the seat, dig them out, straighten them out, and put them on.

Put them on every time you use your car or truck. Protect yourself from other people's mistakes—buckle up.

If you are a motorcyclist, protect yourself from others' mistakes with heavy clothing and a good helmet. Bare arms and legs and uncovered heads are easily damaged in any accident involving a motorcycle. Why risk serious injury to your arms and legs, your good looks, or your head? Cover your arms and legs and wear good helmet-dress right to protect yourself.

You can't always avoid someone else's accident—but you can protect yourself. On a motorcycle, dress right and wear a helmet; in a car or truck, always buckle up. Don't take a vacation from safe driving habits.

SAVE!!! Select your furniture at Miller's in Kewaskum. Largest selection, high quality at most reasonable prices. Open daily until 5:30, Monday and Friday to 9:00 p.m. Free dependable delivery.

30 Years Ago

August 29, 1952

Harry H. Maaske, real estate broker, who has been in business in Kewaskum for the past six and one-half years, on Thursday of this week moved his real estate offices to the former Herman Mattress Shop located four and one-half miles south of West Bend on Hwy. 55, which he purchased and remodeled. Maaske recently sold the Maaske Building to Allen Kohl.

Robert A. Staehler, AB2, son of Mr. and Mrs. A. M. Staehler, Kewaskum, arrived home Monday after receiving an honorable discharge from the U.S. Navy. Staehler, who served in the Navy four years, spent the past two and one-half years as a member of the crew on the aircraft carrier, U.S.S. Midway, which saw much service at sea and overseas.

Work on the new concrete church steps in front of Holy Trinity parish was completed last Friday by Louis Bunkelman and Son, Kewaskum contractors, and crew. The steps replace the old concrete ones which had broken up and sagged in places.

A son, Steven Craig, was born to Mr. and Mrs. Bruce Knickel, Campbellsport, on August 25.

50 Years Ago

September 9, 1932

Transfer of prisoners from the women's ward at the state prison at Waupun to the new women's prison at Taycheedah near Fond du Lac, has been set for October 1.

A very pretty wedding took place on September 8 in Milwaukee when Miss Persis E. Broecker, daughter of Mr. and Mrs. John Broecker of Milwaukee, and Andrew A. Flasch Jr., son of Mr. and Mrs. Andrew Flasch of St. Kilian were united in marriage.

The following students from Wayne resumed their studies at the Kewaskum High School on Tuesday: Misses Agnes Borchert and Ruth Menger as juniors, Frederick Spoerl as a sophomore and Armond Mertz and Miss Ruby Menger will be freshmen.

Miss Margaret Miller left Saturday for Port Washington

75 Years Ago

August 31, 1907

Kewaskum has had another homecoming and the event brought joy and happiness to every heart. The second annual homecoming last Sunday was a marked success in every particular. There were between three and four thousand visitors in the city and they were all made welcome. It is estimated that fully 700 people came from Milwaukee alone. The second annual homecoming has been so successful that there is no doubt it will be an annual event in the future and carried out on a liberal scale.

There will be a moving picture show at the North Side Park September 1. The admission will be 15 and 25 cents.

Charles W. Buss will commence making cheese Monday at the factory near the five corners in place of Ignatz Brandel, who left for Green Bay.

Work of building the concrete bridge which the Town will put up east of Kewaskum was begun last Monday by a Chicago company.

A.G. Koch of Kewaskum is having a 24 x 25 foot addition built to his elevator to be used as a potato house.

A baby girl was born to brighten the home of Mr. and Mrs. C. C. Schaefer of Wayne on Monday evening.

SUPPORT IN INFANT, CHILD DEATH GROUP TO MEET

Support in Infant and Child Death, a parent support group, meets on the 2nd Thursday of each month. The next meeting will be on Thursday, Sept. 9, at 7:00 p.m. at the Planned Parenthood office on the 2nd floor of the old section of St. Joseph's Community Hospital, West Bend.

LETTERS TO THE EDITOR...

Aug. 25, 1982

To the Kewaskum Statesman:

This is in regard to the school board meeting of Aug. 23, which I attended.

I would like to make some comments concerning the subject of a closed campus.

Once again approximately 740 students are being punished and restricted because of the actions of the remaining small minority of students who are the problem causers.

How can "intelligent" adults feel justified in restricting the students from leaving the building during their free lunch time. The school administrators are not babysitters.

It was mentioned by some of the students that possibly placing trash cans in various places might help the litter problem.

As for the merchants in town, what about the suggestion that a survey be taken? Maybe some solutions could be offered by them.

If the students realize that the right of an open campus might be taken away from them, maybe the majority will start patrolling and policing the minority.

If the board definitely insists and passes a closed campus policy at least let the students use the outside area of the campus. Jamming 275-300 students in the small area next to the cafeteria would be like loaded cattle cars. Contrary to what some people might be led to believe, the new gym is not available to students because of the phy-ed classes.

There are also various times the old gym is not available at noon due to prom, plays, homecoming, concerts, etc.

As some people tend to do, comparing Kewaskum to West Bend is unfair. They have an area both in school and on the school grounds—part of the area for smokers and the other part called "The Mall" is for other students. This was provided when the buildings were built.

I think it would be fair to the students to give the open campus a trial - say the first 9 weeks, to determine if such a drastic measure as a closed campus is necessary.

It was too bad I wasn't able to hear everything being said, but

there were several "ladies" who were conversing in a loud whisper. They should at least have consideration for people around them who came to hear the items on the agenda being discussed.

Sincerely,
Laneille Dieringer

Cub and Boy Scout Leader Roundtables

The September Roundtables for Cub Leaders, Boy Scout Leaders and Committee People of Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will be held Thursday, September 9, from 7:30 - 9:30 p.m. at John Long School, corner of Fifth and Hickory Streets, Grafton.

Reed Van Ness, Boy Scout Roundtable Commissioner, and his staff will center their efforts on "Communications." A special presentation on "Search and Rescue" will be given by the Police Department.

Mrs. Shirley Dresden, Cub Roundtable Commissioner, and her staff will have "Indian Chiefs" and "Communications" as their themes.

The new Tiger Cub Program for 7-year-old boys will be highlighted by Bob Schoenhaar in a session for Cubmasters and Cub Committee People. Jim Parker will cover the Athlete and Citizen Activity Badges with the Webelos Leaders.

Boy Scouts of the Awase Lodge of the Order of the Arrow will also hold their monthly meeting at this time.

NOTICE OF PUBLIC HEARING BEFORE PLAN COMMISSION OF TOWN OF AUBURN

Notice is hereby given that the Plan Commission of the Town of Auburn will hold a public hearing on Monday, the 13th day of Sept., 1982 at 8:00 P.M., in the Town Hall of the Town of Auburn, Fond du Lac County, Wisconsin. Please be advised that the Town Board of the Town of Auburn, Fond du Lac County, Wisconsin, has been granted village powers pursuant to Section 60.18(12), and the Plan Commission does hereby call said public hearing in accordance with Section 62.23(7) of the Wisconsin Statutes.

The purpose of said hearing is for the Plan Commission to consider the proposed zoning map and proposed zoning ordinance in order to make their recommendations thereon to the Town Board, in order to promote the comfort, health, safety, morals, prosperity, aesthetics and general welfare of the Town of Auburn, Fond du Lac County, Wisconsin.

At which time all interested parties will be given an opportunity to be heard.

Pursuant to Wisconsin Statutes Section 66.035, conformed copies of the proposed zoning ordinance and zoning map are on file at the Town Clerk's residence in the Town of Auburn, Fond du Lac County, Wisconsin, for inspection by the public Monday through Friday, between the hours of 1:00 P.M. and 5:00 P.M. Copies of the proposed ordinance may also be purchased for \$6.00. The Clerk's residence is located at 1684 Butzke Lane, Campbellsport, Wisconsin. Phone number is 533-4912.

By order of the Plan Commission of the Town of Auburn.
Dated this 23rd day of August, 1982

Camilla Butzke,
Secretary of Plan Commission

9-3-2t

VOTING BY ABSENTEE BALLOT

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or aldermanic district where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope, or given to you if the application is submitted to the clerk in person. The deadline for receipt of the application by the municipal clerk is 5:00 p.m. on the Friday before election day in the case of applications mailed to the municipal clerk, and 5:00 p.m. on the day before the election in the case of applications made in the clerk's office.

With one exception, the voter who wants to cast an absentee ballot must make a separate application before each election. Voters indefinitely confined to their home or care facility because of illness, age or disability need not file an application before each election; a special statement on the application form can be completed asking that an absentee ballot be automatically mailed to them before each election; if they fail to make and return the ballots sent to them in an election, they must complete another application later on.

Absentee ballots can be voted at home anytime after they arrived in the mail. They can also be voted right in the clerk's office if submitting the application in person. If returning the ballots by mail, the affidavit-certificate must be properly completed and witnessed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to by the clerk or the deputy clerk who are authorized to administer oaths. In either case, the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received at the polling place after the polls close or received in incomplete or improper form cannot be counted.

Girls Shut Out by West Bend West in Tennis; Fourth in County Tournament

West Bend West blanked Kewaskum in girls' tennis last Wednesday, 7-0, hiking their record to 19-3.

The closest matches were at No. 2 singles, where Jane Lauson of West won 6-2, 7-5, over Jenny Lightner, and at No. 3 doubles, where the Spartans' Michelle Bria and Diane Martell struggled in the going before winning 7-5, 6-2 over Donna Hlavaty and Amber Charland of the Indians.

Six letter winners are among 18 candidates out for tennis at Kewaskum High this fall on Coach Jan Rosenthal's squad. Rosenthal is starting his fifth year as head coach.

Back are seniors Mary Paul, Jan Schmidt and Sue Tolonen and juniors Lisa Matenaer, Sherry Simon and Jenny Lightner.

Rosenthal lost his No. 1 and 2 singles players from 1981, Julie Dettmann and Debbie Allmann, along with two-year regulars Marjean Backhaus and Jenny Zemlicka. Matenaer and Lightner have the necessary experience to take over the two top singles spots.

In their first match against Slinger, newcomers Cheryl Jaeger and Linda Larsen played No. 3 and 4 singles.

Senior Karen Volm and sophomore Amber Charland are promising non-letter candidates.

The Indian girls competed in the Washington County Invitational Tournament at Hartford Saturday and, besides their regular schedule, are looking forward to the Manitowoc Invitational on Sept. 11 and the Eastern Wisconsin Conference Meet at Two Rivers on Sept. 18.

Kewaskum placed fourth in the county tournament Saturday. West Bend East won the championship in the first annual meet with 28 points. The Suns won titles at No. 1 and 2 singles and No. 3 doubles in the process.

West Bend West and Hartford were the only two other teams to give East a battle for the trophy. The Spartans placed with 24 points, Hartford third with 22, Kewaskum fourth with 12, Slinger fifth with 11 and Germantown sixth with 6.

In No. 1 singles Sue Kern of East won over Lisa Matenaer of Kewaskum in the finals, 6-0, 6-0.

Jaycee Junior Bowling League Still Has Openings

The Kewaskum Jaycees will once again this year be working with local youngsters at the Junior Bowling League held at Lighthouse Lanes. Two leagues still have openings for more young bowlers - the 9:00 o'clock league has quite a few spots, and the 10:00 o'clock league has room for several more youngsters.

Junior Bowling teaches proper bowling fundamentals, good sportsmanship, and team play. The first Saturday of bowling will be Sept. 11. For more information on fees, spots available, and age requirements, please contact Lighthouse Lanes at 334-3071 or Brad Kidd at 338-8841.

Indian Football Opener Friday

The Kewaskum Indians will open the 1982 football season at home Friday evening when they host Slinger in a non-conference game, starting at 7:30 p.m. On Friday, Sept. 10, the Indians will play another non-conference contest at Campbellsport before opening the Eastern Wisconsin Conference season at home against New Holstein on Sept. 17.

A complete resume of this year's Indian squad, together with the schedule, roster and coaches, was published in last week's paper.

Hon-E-Bees

On the evening of August 18 a "scotch ball" tournament was held with the teams of Marge Bauer/Janis Berndt and Kathy Lastofka/Fran Rohlinger tying for first with 50.

The following week Irene Schlefke and Helen Goetz tied in the day event with a low net of 37. The class event of longest drive on No. 13 was won by Bev O'Connor - Class "A"; Tudy Korth - Class "B"; Gertie Backhaus - Class "C" and

Delores Werner - Class "D". Joan Eggers and Kathy Lastofka tied respectively with 77 to win the hole event.

Sign-up sheets are posted on the bulletin board for guest days scheduled in September. The Hon-E-Bees were invited to Camelot on the 1st and South Hills of Fond du Lac on the 8th. Closing dinner on the 15th is at 7:00 p.m. with cross country golf in the morning.

H. LAUBENSTEIN
WASHINGTON COUNTY'S NEWEST
KERO-SUN DEALER'S
PRE-SEASON SALE

KEY REASON FOR THIS SUCCESS IS simply value for the money. For example, an advanced technology Kero-Sun portable heater is 99.9% fuel-efficient. And costs just pennies per hour to run.

KERO-SUN HEATERS SAVE YOU MONEY WHILE THEY KEEP YOU WARM.

EARLY BUY COUPON

Buy any KERO-SUN heater before Sept. 15, 1982 and...

SAVE \$25.00
Off reg. dealer price

Offer expires Sept. 15, 1982

We Sell the Best & Service the Best
