## Red Ink in Sewage Department Budget Could Mean a Rate Increase

By GERRY MUELLER  
Statesman Staff Writer

It looks like no matter which one of the three 1983 Water Pollution Control Department budget proposals is approved, it will still be running in the "red."

In reviewing the budget request at Monday night's meeting, Village Administrator Dan Schmidt said projections indicate a loss of between \$8,000 and \$22,000 for operation of the treatment plant in 1983, depending upon which alternative is selected.

Preliminary figures show a

deficit of approximately \$30,000 to \$40,000 for plant operation in 1982, even though an increase for sewer service had been put into effect on April 1, 1982.

After looking over the information, the trustees agreed an increase in sewer service rates may have to be considered as a means of bringing the department closer to a break-even point.

Trustee Dick Schmidt told the board he had received citizen comments about the size of past water and sewer hikes. People indicate they would be more willing to accept such increases

if they were on a regular basis, but not such drastic jumps noted Schmidt.

Village Administrator Dan Schmidt told the board if it felt such a move was necessary, an increase could be set up. Schmidt noted that Public Ser-

## Kewaskum Night At Brewers Game Set for Aug. 16

Kewaskum Night at the Brewers game is being planned for Tuesday, August 16. The American League Champion Milwaukee Brewers, who were defeated by the St. Louis Cardinals in last year's World Series, will be battling the Boston Red Sox. This promises to be a game you won't want to miss.

Paul Behring can be contacted at 626-2444 for any more information. Further details will be printed in upcoming editions of the Statesman.

Kewaskum Night at the Brewers Game is sponsored by the Kewaskum Area Chamber of Commerce.

## Legal Snafu Holds Up Library Funds

By GERRY MUELLER  
Statesman Staff Writer

The latest episode in the story to get Beechwood Library funding has come to light in a letter from the Kewaskum School District's attorney, Gerald Kiefer.

Following last Monday's school board meeting, Kiefer informed the members he felt there was a legal point which might nullify the board's move to transfer funds from the Capital Expenditures account to Beechwood for development of its library.

Business Manager Robert Borch said Kiefer based his

comment on a legal procedure which must be followed by the Village Board in similar action. Kiefer told the board he would check into the legal aspects to clarify the situation.

In a letter sent to all the board members Wednesday, Kiefer stated that legally, such a transfer of budget funds must be done on a motion passed by 3/4 of the members voting on that motion. Since the motion passed with only a 4 to 3 vote, less than the required 3/4, the action was not legal and the funds cannot be transferred.

The end result is the Beechwood library is again without funds.

## Town of Kewaskum Incumbents Nominated at Caucus Saturday

Fourteen constituents turned out for the Town Caucus which was held on Saturday, January 15. The incumbents were nominated for the next 2-year term which will begin on April 6, 1983.

The nominations were as follows: TOWN CHAIRMAN - George B. Allmann; TWO TOWN SUPERVISORS - Daniel W. Stoffel, Jerome J. Herriges; TOWN CLERK - Barbara Hinz;

TOWN TREASURER - Dolores Prost.

Upon motion, the Town Caucus nomination system will be retained and used to nominate officers for the next Town Board election in 1985.

The Spring Election will be held April 5, 1983, poll hours will be from 9 a.m. to 8 p.m., at the Labor Center Hall, Kewaskum.

## Recommend Purchase of Computers

By GERRY MUELLER  
Statesman Staff Writer

A recommendation to purchase six or seven Apple II computers will be made by the Long Range Committee to the Kewaskum School Board at a meeting scheduled for Monday, January 24.

Business Manager Robert Borch said Tuesday, the committee will ask the board to purchase the computers equipped with green on black monitors. Originally, the district had contemplated purchasing six units with color

monitors. The committee, however, felt the cost saving between the two monitors and the possibility of a price decrease on Apple equipment as of February 1, would enable the district to purchase the seventh computer.

If seven computers are approved, five will go to the high school and two sent to the middle school for its use.

Borch noted that while the committee felt the color monitors would be nice to have, they felt at this time, it was a higher priority to have the added unit. The district would

not be "locked in" to the green-screen monitors said Borch. Since they are plug-in units, the district can change over to color monitors in the future.

The committee received local input from Mitch Gebheim, Wayne Vogt and Mr. Redig. All three men have job and/or teaching experience in the computer field.

The committee also asked teaching staff representatives Jane Binder, Joe Harlow and Mark Roth to work on a long range plan for their schools.

## County-Wide Bus Service to Milwaukee Possible

By GERRY MUELLER  
Statesman Staff Writer

A plan to provide bus service from several Washington County communities into Milwaukee is the idea of Hartford Clerk John Spielmann.

Plans call for an early morning run into Northridge Shopping Center on the north side of Milwaukee. From that

point, riders would be able to make connections to travel throughout Milwaukee and possibly down to Chicago.

A late afternoon run would be available for returning commuters.

So far, the communities of West Bend, Germantown, Jackson and Hartford are considering participation in the program.

Village Administrator Dan Schmidt said his office had been contacted to find out if Kewaskum residents would be interested in the service. The estimated cost of a one-way fare from Kewaskum would be \$4.00 to \$5.00.

Wisconsin Coach Lines, the only company with a run to Kewaskum, cancelled its service as of January 1.

## Medical Office Relocated

Dr. Renata S. Estrella, obstetrician and gynecologist, and Dr. Aurora Mr. Estrella, family practitioner, have relocated their medical office from the Sison Medical Clinic building, Kewaskum, to 1713 N. Main St., West Bend, effective Monday, Jan. 17.

## Annual 'Round-up' for Parents of Prospective Kindergarten Pupils

This year's annual "round-up" for the parents of all prospective kindergarten pupils in the Kewaskum School District will be held during the day on Tuesday, February 1st, and Wednesday, February 2nd, 1983 from 9:00 a.m. to 12:00 noon, and 1:00 to 3:00 p.m. in the Beechwood, Farmington, Kewaskum, and Wayne school offices. Please register your child at the school in your area on one of the above days. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday on or before September 1, 1983. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling.

Parents of bus pupils will need their section number and fire number as well as also fill out bussing forms.

Parents will register their children for next year's term and get the necessary health forms. If you know of any new

families in this district, please pass this information on to them.

Richard E. Zarling, Director of Elementary Education, would like to impress upon you the importance of registering your child on either of these two days so that they may plan for them and know staff requirements for next year.

1-21-2t

## Opposition in Town of Auburn Causes Primary

Four candidates filed for the position of Town Treasurer in the Town of Auburn, for the spring election, which will necessitate a primary election in the township.

Elmer Krueger, who has served as treasurer for many years, has decided not to seek re-election. Four candidates have announced for the position, namely Althleen Butzke, Norman H. Heberer, Harold Pritzkow and LaVerne Schaub.

For Town Chairman incumbent Donald Stoffel is being challenged by Warren J. Schmidt.

For the two Supervisor positions challenger Ruth M. Ramthun will oppose incumbents Ervin Seifert and Kenneth Jandre.

For Clerk Camilla Butzke will be unopposed.

For constable Merle Laatsch will also be unopposed.

## Sister Mary Ann Czaja Is Missionary in North Carolina

Sister Mary Ann Czaja, member of the Congregation of Saint Agnes, Fond du Lac, Wisconsin, is presently, residing in Greenville, North Carolina. Having earned a Masters Degree in Social Work, she is employed as Director of the Tar River Deanery Office of Catholic Social Services. Her efforts include community organization and advocacy for the poor and the elderly in eight counties which are heavily Black populated. According to Mary Ann, "racism remains a problem to be addressed in all facets of life. The spirit of Martin Luther King needs to grow. Freedom, dignity, and simple rights are still often suppressed."

Sister Czaja is the daughter of the late Eddie Czaja and Mrs. Mary Rate, formerly of Kewaskum. She graduated from Ke-

waskum Public High in '61, earned her B.S. in Elementary Education and taught in the parochial school system. Neighborhood involvement and six years of teaching in Harlem, New York, engendered Mary Ann to seek further education. Working with the Blacks in Mobile, Alabama, added to her experiences and knowledge regarding deprivation. "Social injustices are everywhere especially here in the south," stated the Sister. "As I meet the challenges of serving the poor there are the added pressures of being white, a woman, and associated with the Catholic Church in Protestant land. Feeling the reality of segregation and sharing pain with those who are truly poor has added another dimension of meaning to my life."

Sister would encourage any

reader who is interested in the promotion of social justice in the missionary land of this United States to contribute ideas or financial assistance. She may be contacted by writing: P.O. Box 2947, Greenville, North Carolina, 27834.

### Kewaskum School Officials Attend Convention

School finance, legislation, curriculum, contract negotiations, extra-curricular activities, and competency testing are among topics on the agenda of the annual convention for Wisconsin school officials which is being held January 19 - 21 in Milwaukee. Joining some 3,000 of their colleagues at the convention are Kewaskum school board member Richard

Theusch, district administrator John A. Long, and business manager Robert Borch.

The 62nd annual convention is jointly sponsored by the Wisconsin Association of School Boards (WASB), the Wisconsin Association of School District Administrators, and the Wisconsin Association of School Business Officials. Featured speakers include Governor Tony Earl, State Superintendent of Public Instruction Herbert Grover, CBS News business correspondent Ray Brady, WASB executive director George Tipler, and Dr. James Tunney, an educator who is best known as a National Football League referee.

Representing the Kewaskum school district at the WASB Delegate Assembly, Richard

Theusch will cast votes that will determine how school boards stand on state and federal education issues that will be dealt with in 1983. Those issues include state school aids, property tax collections, middle management bargaining, student fees and teacher competency, among others.

The typical school official attending the convention spends over 26 hours in a two-and-a-half day period learning about issues in Wisconsin education and how to deal with them. The convention also includes the state's largest display of school equipment and services.

## 60th Wedding Anniversary

Kewaskum Statesman, Friday, Jan. 21, 1983, Page 3

Mr. and Mrs. Bernard Wondra, 1624 Barton Ave., West Bend, will celebrate their 60th wedding anniversary with an open house for relatives and friends from 2:00 to 4:00 p.m., at Serwe's Bar and Hall at 1310 Riverview Drive, Kewaskum, on Sunday, Jan. 30.

The former Barbara Hurth and Bernard Wondra were

married January 30, 1923, at St. Kilian Catholic Church, St. Kilian.

Their attendants were Anton Wondra, brother of the bridegroom, and the late Margaret Herriges, twin sister of the bride.

The couple had three children, one daughter, Edna (John

Ruplinger of Kewaskum; two sons, Earl (Lillian) Wondra of Mayville and Sylvester, deceased, (Betty) Wondra of West Bend. They also have 10 grandchildren and 15 great-grandchildren.

They are members of St. Mary's Catholic Church in West Bend.

### Births

**STRASSMAN** — A son to Roger and Elsie Strassman, P.O. Box 623, Campbellsport, Monday, Jan. 10.

**HAFERMANN** — A daughter to Steven and Patricia Hafermann, 3420 Hwy 28 E, Kewaskum, Monday, Jan. 10.

**HAWIG** — A son to James and Kathleen Hawig, 6049 Hwy. H, Campbellsport, Tuesday, Jan. 11.

**OSTRANDER** — A daughter to Marvin and Mary Ostrander, Route 1, Campbellsport, Tuesday, Jan. 11.

**SURVIS** — A daughter to Gene and Sue Survis, 2197 Sunnybrook Drive, Kewaskum, Wednesday, Jan. 5, at St. Mary's Hospital, Milwaukee.

**MILLONIG** — A son to William and Susan Millonig, Route 3, Campbellsport, Wednesday, Jan. 12.

**TESSAR** — A son to James and Traci Tessar, 1806 N. 18th Ave., West Bend, Thursday, Jan. 13.

**WULFF** — A son to Michael and Karen Wulff, 611 Elm St., Allenton, Thursday, Jan. 13.

### BOARD OF EDUCATION SPECIAL MEETING MONDAY

There will be a Special Meeting of the Board of Education on Monday, January 24, 1983, at 8:00 p.m. in the Business Administration Office. The agenda includes the beginning process of a 1983-84 budget, a recommendation from the Long Range Committee and approval by the Board of Education for computer purchase.

### Elder Line Phone Service for Isolated Older Adults to Begin Operation Jan. 24

On Monday, January 24, trained Elder Peer Counselors will begin operation of the Elder Line, a special phone service designed to provide support and peer counseling to isolated older adults, as well as informational and referral to local resources. The phone line is housed at the Washington County Senior Center, 401 E. Washington St., West Bend. The Elder Line will be in operation on Mondays from 9 to 12 and Wednesdays from 1 to 4 p.m. Elder Peer Counselors will also be available for walk-in contacts during these hours. Home visits can also be arranged.

The counselor will serve as an important link to the variety of services available to senior citizens and their families in

Washington County.

In the West Bend and Kewaskum areas, interested persons can call the Elder Line at 338-4433. In the Germantown area, senior citizens and those concerned about them can call 342-2929, Ext. 4433. In Hartford, older adults can call 644-5204 Ext. 4433.

At this time, the Elder Line hours of operation are limited to Monday morning and Wednesday afternoons. The hours of operation will increase as need indicates.

Senior Citizens interested in future training as Elder Peer Counselors are encouraged to contact Kay Sweeney-Radke, Volunteer Services Coordinator, Washington County Mental Health Center at 338-4545.

### SPECIAL OFFER!

## ADA of Wisconsin Meeting Scheduled for Kewaskum Feb. 3

Wisconsin's dairy farmers will review the advertising and promotion programs of the American Dairy Association (ADA) of Wisconsin at 13 District Annual Meetings held throughout the state beginning January 24.

The Annual Meeting for District 5, which includes Fond du Lac, Sheboygan, Dodge, Washington and Ozaukee Counties, is scheduled for Thursday, February 3, at the Amerahn, located on Highway 45, one-half mile north of Kewaskum. The meeting, which is scheduled to begin with an 11:45 a.m. luncheon, is open to all ADA of Wisconsin members, interested dairy farmers and industry representatives.

General Manager John Oncken will review ADA of Wisconsin's 1982 advertising and promotion programs, as well as preview those planned for 1983. Detailed financial and membership reports will be presented by Membership Director John Frizzell. The milk marketing order or Wisconsin Dairy Promotion Plan, which is scheduled for a dairy producer referendum February 23 through March 9, will be discussed. Resolutions will be formulated and elections of district committee delegates will take place. Persons attending will have the opportunity to state opinions and ask questions about dairy promotion and advertising programs.

One dairy producer and one industry person will be elected to the District Committee to serve three- and two-year terms respectively, and representatives will be elected to serve

one-year-terms. The number of representatives elected is based on the district's ADA of Wisconsin membership as of July 1, 1982.

ADA of Wisconsin is made up of over 17,000 Wisconsin dairy farmers who devote a portion of their milk income for the promotion and advertising of Wisconsin's dairy products.

### Geralyn Thull Is College Graduate

LA CROSSE, Wis. — Seventeen Viterbo College students completed their degree requirements in December.

Graduates include Geralyn M. Thull, daughter of Norbert and Marilyn Thull, Kewaskum, B.S. in Community-Medical Dietetics.

The December graduates will participate in May commencement ceremonies.

# Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This photo was taken in 1910 at the Allenton Grain Elevator. Shown, left to right, are the operator of the grain elevator at Allenton and Henry Gritzmacher, Town of Wayne, with a load of barley which he brought to the elevator.  
(Photo submitted by Ervin Gritzmacher, West Bend)

## Village Board

(Continued from Page 1)

vice Commission approval was needed for water rate increases, but not for sewer service. This could be set by the board.

Board President Jerry Stollenwerk asked Wastewater Treatment Plant Superintendent Pete Albers if there was any way of trimming the request further. Albers told the board several items in the 1983 budget had been put off in last year's budget and it was lucky that no breakdowns had occurred. If we put off these items much longer, we're really pushing our luck noted Albers. "If we have a breakdown and I have to come back to you for money, you're going to ask how come I didn't have them in the budget," said Albers.

The board approved a motion to have Dr. Raymond Kipp review the budget and if necessary, make a rate increase recommendation.

In referring to the possibility of an increase Albers stated, "Compared to some of your nearby communities, we are very cheap."

In other business, the board

Association - Founded 1885

reviewed the 1983 budget request of the Water Department.

Schmidt's revenue estimates for 1982 indicate the department may be at or near the balance point, however, final figures are not available. The last water rate increase went into effect July 1, 1982.

Schmidt received approval from the board to request the Electric Company change the village's street light meters on Main Street and Fond du Lac Avenue, to "time-use" metering." Schmidt said the village would realize approximately \$1,800 in savings over a year. Schmidt will also request three "LCR" switches for village water heaters. The switches will disconnect the heaters during the peak service hours. Another \$162.00 a year in savings will be gained from the change, said Schmidt.

The board heard a report on the County Landfill meeting held January 10th. Schmidt said only four communities had sent

anything on their views to the committee. Schmidt said all the cities and villages within the county are in favor of the County Landfill or Incineration proposal, however, all the townships except Farmington were against it.

"Even if the county proceeded with land purchase today," said Schmidt, "it would be five years before it would open." Estimated costs would run \$25 to \$50 a ton for incineration, \$12 to \$13 a ton for single liner container landfill and \$14 to \$15 a ton for double liner use. The village is presently paying approximately \$5.00 a ton for landfill use. Washington County produces

75,000 tons of refuse a year, said Schmidt.

Schmidt informed the board that while a letter was not out from the League of Wisconsin Municipalities, there is concern over two cost cutting items being considered by Governor Tony Earl. The first item would be to keep the 2% Fire Tax on fire insurance premiums paid to Wisconsin in Madison, rather than return it to communities as is presently done to cover the cost of fire inspections by local departments. This could cost Kewaskum \$4,268 a year. Secondly, Earl is considering eliminating the State Tax Credit completely or at least to summer residents. The village would lose \$4.28 per \$1,000 if the plan was approved.

Federal Revenue Sharing is also slated to die after the third quarter of 1983 unless the government moves to extend it.

Public Works Superintendent Augie Bilgo and Parks Committee Chairman Jeff Rohrer said they are looking into the possibility of creating a second, smaller ice skating pond, north of the horseshoe pits, to be used by small children who want to skate. A grassy area surrounded by a sand bunker would be flooded with a few inches of water to provide the pond. The board also agreed that hockey playing will not be allowed at the Kiwanis rink.

President Stollenwerk read a proclamation marking the week of January 17th to 22th as Jaycee Week.

## Winter Tea Planned By Church Women

The Church Women United of Washington County will hold their annual Winter Tea on Friday, Jan. 21, at Redeemer Lutheran Church, 255 W. Lincoln Ave. in Hartford. The 1:30 p.m. event will be featured by the installation of new officers. The new president is Linda Kroncke of German Village Rd., West Bend. The new treasurer is Beatrice Roemer of High St. in Hartford.

A program is being planned by the ladies of Redeemer Church, who will also provide refreshments which will be served at the tea. The Summer and Winter Teas are the only means with which the Church Women United raise money for Washington County projects. The group, which is county-wide in scope, is ecumenical and devoted to areas of Christian concerns. Directions to get to the church: Take Hy. 60 to the stop and go light. Turn left on Hy. 83 South to Lincoln Ave. Then turn right about 3 blocks. Redeemer Lutheran Church is on the left side. The public is always welcomed to all meetings of CWU.

## Petersen-Dorn

Bonnie K. Petersen and Jeffrey L. Dorn exchanged marriage vows during a 1:30 p.m. ceremony on Friday, October 15, at Immanuel Lutheran Church, Campbellsport. Rev. Allan D. Capek officiated.

Music was provided by Mrs. Carol Stuebs, organist, and Jeff Krumbein, soloist.

The bride was presented in marriage by her father and mother, Mr. and Mrs. Gene Petersen, Route 3, Campbellsport. Mr. and Mrs. Fred Dorn, 715 East Main St., Kewaskum, are the parents of the groom.

The bride chose her sister, Beverly Gruber, Campbellsport, as her matron of honor. The bridesmaids were Roxanne Ketchpau, Lomira, Lucy Konen, Kewaskum, Joh Mittelstadt, West Bend, Lori Hadley, Campbellsport, all friends of the bride, and Barb Heisler, Campbellsport, sister of the bride. Hollie Heisler and Amanda Petersen, of Campbellsport, both nieces of the bride, were also attendants.

Glen Dorn, Kewaskum, brother of the groom, served as best man. The groomsmen were Michael Braun, Kewaskum, Daniel Sachett, Kewaskum, James Dillinger, West Bend, Darryl Gruber, Kewaskum, all friends of the groom, and James Dorn, West Bend, brother of the groom. Bradley Stern and Derek Dorn, Kewaskum, both

nephews of the groom, also served as attendants.

Joseph Petersen, brother of the bride, and Steven Stern, brother-in-law of the groom shared ushering duties.

Following the ceremony, a reception, dinner and dance was held at Amerahn, Kewaskum.

The bride is a 1980 graduate of Campbellsport High School. Her husband graduated from Kewaskum High School in 1979 and is employed as a welder at Maysteel in Allenton.

The newlyweds are residing at 137 A Main Street, Kewaskum.

Lietzke, R. P. H.

## SMOKING-PREGNANCY

The U.S. Perinatal Study involving 12 hospitals and examination of over 50,000 pregnancies confirmed the increased risk of the following disorders due to smoking:

- 1] spontaneous abortion;
- 2] still-births;
- 3] premature births;
- 4] premature separation of the placenta from the womb;
- 5] Rh disease;
- 6] organ malfunction;
- 7] Sudden Infant Death Syndrome.

Researchers advise women considering pregnancy to give up smoking as soon as possible prior to conception.

# West Bend Savings and Loan Association

WEST BEND • GERMANTOWN • JACKSON • SLINGER • KEWASKUM

**Appointed Assistant Cashier**

Judy Etta

The directors of The First National Bank of West Bend recently appointed Judy Etta to the position of assistant cashier.

Judy Etta started at The First National Bank of West Bend, twenty-one and one-half years ago after graduating from Kewaskum High School. She has been an employee of the bank since that time. During that period of time she has worked in the bookkeeping, proof, as a teller, and was head teller prior to this appointment.

Judy lives near Kohlsville where she and her husband, Ethan, own a dairy farm. She has one daughter, Jill, who is in the Trust Department of the bank. She has one son, Jon, who is a sophomore at Kewaskum High School.

Judy's mother, Mrs. Harry Oelhafen, who retired from the bank four years ago, Judy, and her daughter, Jill, comprise a three-generation of employees at The First National Bank.

Judy is involved with 4-H and is active in her church. She has been involved in the Wisconsin Federation of Women's Clubs and is a charter member of the Kewaskum Junior Woman's

Club. She taught evening classes for Moraine Park Technical School.

**State Traffic Deaths Drop 17% in 1982, Lowest in 33 Years**

The state Department of Transportation's accident data section reports that 771 people died in traffic crashes during 1982, the lowest annual death toll in 33 years.

The figure is unofficial, since traffic records are held open for 60 days to include deaths in January and February from traffic crashes that occurred during 1982.

It is the lowest annual death toll since 1949 when 749 people died in traffic crashes. The highest annual death toll occurred in 1972 when 1,168 traffic victims were counted.

Speculation about the reasons behind the decline have ranged from the conservative mood that generally prevails in periods of economic distress, to greater compliance with the speed limit, to enactment of a tough new drinking/driving law. Others cite the switch to smaller, lower-powered vehicles which discourage drivers from attempting to pass on two-lane roads, and a decline in miles traveled by younger drivers, who are traditionally overrepresented in fatality statistics.

Other statistics show that the number of drivers, motor vehicles, and miles driven remained virtually unchanged from 1981.

**From the School Board President's Desk....**

I heard on the radio that the Kewaskum School District wants to write its own competency tests. Why in the world do you want to do that?

I received several variations of the above question this week. The answer is quite simple: the district is NOT planning — indeed, does not want to — write its own tests. The Board's decision to enroll the district in the state's competency-based testing pilot program is one way of insuring that we do not have to write our own tests. By participating in the pilot program, the district will be fully aware of the curriculum requirements that must be met in order to use the state-developed tests. If we can use the state tests, we need not write our own. Not only will we be able to use the state test, we will have some input on the materials that the test will cover. Writing a test is expensive, both in time and money. When the district, by signing up for a program which charges us nothing, can avoid this expense and, at the same time, check that our curriculum either meets or exceeds state standards, we would be foolish not to become part of the 1983 pilot program, as opposed to the 1985 program. A Spanish maxim states: "What the fool does in the end, the wise man does in the beginning." We have nothing to lose, and a great deal to gain by our involvement.

On a completely different topic, I was wondering what your thoughts are on driver education. As you have probably noticed, other area schools are modifying and, in some cases, attempting to eliminate driver education. It is a very expensive course. Is it worth it? Send your comments to Dr. Charles Ogi, P.O. Box 201, Kewaskum, WI 53040.

**Dr. Rumsey Attends Las Vegas Seminar, Receives Award**

Dr. Howard L. Rumsey, Kewaskum Chiropractor, recently attended a four-day post-graduate Seminar in Las Vegas, Nevada.

Dr. Rumsey joined more than 3,800 other Doctors of Chiropractic, their spouses and assistants from the United States, Canada and several foreign countries to participate in a postgraduate educational Seminar in Las Vegas. The most recent research and developments in advanced patient care and modern x-ray methodology were presented in the seminar. This was the 263rd Seminar sponsored by the Parker Chiropractic Research Foundation of Fort Worth, Texas, in the past 32 years.

Guest speakers for this Las Vegas Seminar were: Leo Buscaglia, Ph.D., Professor of Education at the University of Southern California - world-renowned lecturer and author of the best seller, *Love and Personhood*, who spoke of "Success on the Spiritual Plane," and David Yoho, consultant to some of the largest corporations in the United States business world. His training methods are recognized throughout the world for their built-in success factors. His topic of discussion was "Success on the Physical Plan."

An additional 52 lecturers presented classes on all aspects of clinical chiropractic and patient management, concentrating on quick pain relief without pain medication.

One course which proved of particular interest to many was taught by Dr. Russell Erhardt, who conducted six hours of intensive x-ray technique and x-ray interpretation and lateral lumbar studies.

Dr. Rumsey was one of 8 other Chiropractors to receive an award for excelling in continuing education to update his abilities to serve his patients and the Chiropractic Health profession.

This was the 18th educational Seminar of the Park Foundation that Dr. Rumsey has attended. Dr. Rumsey is a graduate of Lincoln Chiropractic College in Indianapolis, Indiana. His office is located in Kewaskum.

**Big Deer Contest Winners**

Tim Geidel

The winners of Village Sport Shop's Big Deer Contest for bow hunters were announced the beginning of January. All hunters who purchased their 1982 archer's license at Village Sport Shop were eligible to win.

Top honors went to Tim Geidel, West Bend, who downed a 150½ lb., 6-point buck on November 7. He won a 36" Pro Mat compound bow target.

Second place went to Jim Liermann, Cascade, who also

had a 6-point buck. His weighed 145 lbs. and was taken October 28. Jim won a TSS Tree Stand Kit.

Third place was another 6-point buck. This one weighed 125 lbs. and was taken on November 8 by Ed Hintz, Adell. His prize was a Kolpin fanny pack filled with various archery accessories.

Congratulations go out to all winners. Many thanks for participating in our contest. We hope to see you again in 1983.

**KFIZ Farm Expo Date Set**

Wednesday, Feb. 23, has been set for the 4th Annual KFIZ Farm Expo and Appreciation Day at the Fond du Lac County Fairgrounds in Fond du Lac.

The current Alice in Dairyland and many state, regional and local agriculture leaders have already indicated their plans to attend.

The Expo will feature over 70 booths representing a wide variety of agri-businesses. Expo hours will be 9:00 a.m. to 5:30 p.m. An appreciation dance for farm families and agri-busi-

nesses will take place from 8:00 p.m. to midnight.

Last year more than 5,000 persons attended. A FREE hot pork sandwich will be served by the Fond du Lac County Pork Producers along with FREE white and chocolate milk. Admission is FREE. Persons attending the expo will receive 2 FREE tickets for the evening dance.

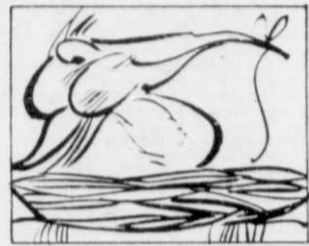

More information is available by contacting Bruce Grassman, Vice-President/Sales at KFIZ radio in Fond du Lac.

**MPTI Consumer Law TV Course to Be Taught by Attorney**

You and the Law, a course intended for ordinary citizens and people in business who want or need to understand their legal rights, will be cablecast in Beaver Dam (Cable Channel 22), Fond du Lac (Cable Channel 34), Ripon (Cable Channel 22), West Bend/Kewaskum (Cable Channel 16). The class will be aired beginning the week of January 24.

Ripon attorney, Ludwig Wurtz, will provide instructional backup for this course which will deal with everyday situations such as owning a car or home, establishing credit, getting married or divorced, paying taxes, and planning estates. In addition to the 26 one-half hour television programs aired twice weekly, three on-campus sessions at Moraine Park Technical Institute-Fond du Lac will be led by Attorney Wurtz. The first session is scheduled for Thursday, January 20.

Timely, interesting printed materials and personal student/teacher telephone conferences will complete this learning system. Students who wish to review the video programs, and those who do not have access to cable TV may view the series at any of the three MPTI campuses in Beaver Dam, Fond du Lac, or West Bend. Further information can be obtained from MPTI Adult Continuing Education supervisors or at 929-2100.

The "tailorbird" of Asia uses its bill as a needle and sews grass, thread or bits of fiber into a sack to make a nest for its young.

## Mrs. Stanley Brodzeller Dies

Mrs. Stanley (Dolores M.) Brodzeller, 58, of 2037 N. Main Street, West Bend, passed away at St. Joseph's Community Hospital in West Bend on Friday, January 14.

She was born in the Town of Kewaskum on June 23, 1924, to the late Math and Olive Fellenz Bath. On July 14, 1943, she married Stanley Brodzeller in Holy Trinity Church in Kewaskum.

She was a member of St. Mary's Catholic Church in West Bend and their Ladies Sodality. She had been employed as a checkout clerk for the Jim Handy Hardware store in West Bend for 15 years.

Survivors include her husband; four children, Mrs. Jo Ann (Allan) Hooser, James (Mary) and John of West Bend and Mrs. Janice (Larry) Bunkelman of Kewaskum. She is also survived by eight grandchildren; three sisters, Mrs. Florence Herriges of Kewaskum, Mrs. Alice (Frank) Uelmen and Mrs. Mary Ann (Wilbert) Kutz of West Bend; two brothers, Clarence (Lucille) and Harold (Adeline) of Kewaskum; other relatives and friends.

Visitation at Miller's Funeral Home, Kewaskum, was Sunday after 3 p.m. with a prayer vigil at 7 p.m. Services were Monday at 10 a.m. at the funeral home and at 10:30 a.m. at St. Mary's Catholic Church in West Bend with Father John Furtmann officiating. Burial was in St. Mary's new cemetery.

### LEONA E. YOGERST

Leona E. Yogerst, nee Neuy, 54, of 317 W. Briar Drive, West Bend, died Sunday, January 16, at St. Joseph's Community Hospital, West Bend.

She was born November 28, 1928, in Barton, and was a Barton and West Bend resident all her life.

She married William P. Yogerst at St. Mary's Immaculate Conception Church, West Bend, on October 10, 1949.

Survivors include her husband; one son, Gary (Barbara) of West Bend; one daughter, Debbie of West Bend; two grandchildren, Peter and Nicole Yogerst; four sisters, Marie (Kermit) Scheunert of Eagle River, Clara (Sylvester) Keller of Kewaskum, Norma (Joseph) Lehmann of West Bend and Lorraine (LeRoy) Lecher of Cascade; one brother, Albert of West Bend; relatives and friends.

She was predeceased by one brother, Sylvester.

Funeral services were Tuesday at 8 p.m. from Myrhum

Funeral Home, West Bend, with Mass of Christian Burial at 8:30 p.m. at Immaculate Conception Church. The Rev. John Furtman officiated and burial was in the new St. Mary's Cemetery.

Visitation at the funeral home was Tuesday from 4 p.m. until the time of services.

### GRACE KELAGHER

Grace Bastien Kelagher, 80, of Greenfield, a former Fond du Lac resident, died Tuesday, January 11, at West Allis Memorial Hospital, West Allis. Funeral services and burial took place in Dwight, Illinois.

Mrs. Kelagher was born in Fond du Lac on December 11, 1902, to Pacific and Adella Robidoux Bastien. She married the late Dr. James Dalton Kelagher.

She lived in Chicago and Ottawa, Illinois, for most of her married life. In Ottawa, she was active in public relations at the Ottawa Arthritis Sanitarium and was a past president of the Ottawa Women's Club. She was a keynote speaker at a National Convention of Women's Clubs annual meeting in Chicago.

Mrs. Kelagher returned to Wisconsin after her husband's death in 1957 and opened a private art studio near Kewaskum. Her art career was expanded by study and travel in Spain. She was active in church affairs at St. Louis Catholic Church, Fond du Lac, and was a past president of the Fond du Lac Council of Catholic Women.

Mrs. Kelagher is survived by her daughter, Adele Kelagher Hanson of Greenfield; four grandchildren; six great-grandchildren and one sister, Leona Bastien McGray of Fond du Lac.

kum's popular team manager, Killy Honeck, was chosen to manage the northern all-stars.

Rev. and Mrs. William Shenk of Woodland, Wisconsin, announce the engagement of their daughter, Elizabeth, to Donald Mertes, son of Mrs. Clarence Mertes, Kewaskum.

Mr. and Mrs. Art J. Schellinger, Route 3, Hartford, announced the engagement of their daughter, Eileen Mary, to Hilary J. Batzler of Kewaskum recently. Mr. Batzler is a son of Mr. and Mrs. Hilary J. Batzler, Route 1, Kewaskum.

A daughter was born to Mr. and Mrs. Charles Schmitz, Kewaskum, January 14. A son was born to Mr. and Mrs. Orville Strachota, St. Kilian, on January 14. A son was also born to Mr. and Mrs. Edwin Landvatter, West Bend, on January 15. Mrs. Landvatter is the former Beatrice Hafemann, daughter of Mr. Mrs. Carl Hafemann, Kewaskum.

## 50 Years Ago

January 20, 1933

Myron Belger, son of Mr. and Mrs. Walter Belger of Kewaskum, who delivers milk daily to the village patrons, on Saturday had an experience which he will long remember. While making a "U" turn near John Tiss' place on North Fond du Lac Avenue, a large truck smashed into the rear end of the Belger car, demolishing same considerably. A large number of bottles containing milk were thrown on the pavement and about the interior of the car, spilling the contents. No one was hurt.

Records show that seniors of Kewaskum High School who typed 50 or more words per minute are: Ione Schmidt, Renetta Becker, Edith Clark and Raymond Smith. Those who typed 45 to 49 words a minute are: Raymond Kudek, Marcella Schleif and Eleanor Krautkramer. The juniors who typed 30 or more words per minute are: Gladys Schleif, Eleanor

## 30 Years Ago

January 16, 1953

Richard L. Edwards, Kewaskum, has been selected for appointment as a second lieutenant in the Regular Army Ordnance, upon graduation from Ripon college at the end of this school year. He is one of 663 distinguished military students listed by Secretary of the Army Frank Pace Jr. for such appointments.

The Kewaskum Chevrolets placed their high scoring guard, Augie Bilgo, on the first team of the northern Land o' Lakes all-star squad selected by team managers last week. Kewas-

Hron and Agnes Borchert. Those who typed from 25 to 29 words a minute are: Alvin Krahn, Ruth Kohn, Earl Kohler, Robert Rosenheimer, Joseph Miller, Russell Heisler and Sylvester Volm.

Typhoid deaths reported in Wisconsin the first 11 months of 1932 equaled the totals of 20 reported for all of 1931, the state board of health has announced.

A bright baby girl was born to Mr. and Mrs. Arnold Martin of Kewaskum on Monday.

## 75 Years Ago

January 18, 1908

A conflagration was averted at the home of William Colvin Sunday evening. The Kerosene lamp burst and it looked for awhile as though the house would burn, but with the prompt action on the part of Mr. and Mrs. Colvin, the fire was extinguished. Mr. Colvin had his left hand badly burned and considerable damage was done to the doors and casings.

Our hustling farmer, James B. Day, has just added another fine farm to his list, having purchased the Jacob Lay farm of 160 acres in the Town of Wayne, which is, without doubt the best farm in Washington County. He also bought all the stock and farm machinery, including 32 head of full-blooded Durham cattle and 37 head of registered Southdown sheep, which Mr. Lay has spent a great

## J & J AUTO TOPICS

### ON SNOW TIRES

About front wheel drive automobiles folks are asking, "Where do I put my snow tires?"

On all four wheels. The front snow tires pull the vehicle and the rear ones ensure good braking on snow and improve stability during cornering. And be sure that all four tires are of the same construction, radial or bias-belted.

Although most of our services at J & J AUTO SERVICE is engine tuning, brakes, mufflers, etc., we do some tire servicing, too. Drive over to 450 E. Main for any of the complete auto services. You will like our way of treating your car.

## LUMPS IN THE FEMALE BREAST — CANCEROUS? R. G. Edwards M.D., Health Officer

The American Cancer Society states that the incidence of cancer in the female breast is about 70 per 100,000 women. In males, cancer is quite rare, but is usually fatal. Additional facts are listed as follows:

1. About 80% of all lumps found in the breast are benign or HARMLESS.
2. Incidence of cancer in the breast increases in families in which the mother or grandmother had a cancerous breast.
3. Incidence also increases in obese people.
4. Incidence is markedly reduced in women who have borne children prior to age 20.

Most lumps are found by the patient herself. B.S.E. or Breast Self-Examination is a must for all women and, when performed properly, as shown by your doctor or nurse, you can be assured that a find will be cured — for EARLY DIAGNOSIS is essential for a cure. So when you do find a lump, please go at once to your doctor who will make further tests to arrive at an accurate diagnosis.

Self-examination must be performed regularly once a month. During the week following menses is best. Using the flatness of your four fingers pressed firmly against the breast tissue is proper — never use the fingertips only. An xray of each breast (mammogram) MUST be done on large breasts if the patient is over 30 years, has had no children and has an ancestor who had cancerous disease of the breast. Otherwise, your doctor will miss an early detection of the disease.

We know that breast cancer cannot be prevented — it can only be detected early and properly treated to effect a cure. Breast cancer in women is their leading cause of death, in fact, one in thirteen women will have a cancer of the breast at some age in life. The smart woman will do B.S.E. regularly every month, will have her doctor examine her breasts and do a PAP (Dr. Papanicolaou) smear test once a year for early detection of cancer of the cervix, uterus and ovaries.

The knowledge that your body is healthy and free from serious disease is the best birthday present, you can receive year after year.

## School lunch menu

### KEWASKUM COMMUNITY SCHOOLS

Monday, Jan. 24 — Hot dog in a bun, raw onions, pickle relish, carrot sticks and peaches.

Tuesday, Jan. 25 — Tacos with lettuce and cheese, applesauce, muffin and pears.

Wednesday, Jan. 26 — Brat patty on a bun, sauerkraut, pork-n-beans, raw onions and sweet roll.

Thursday, Jan. 27 — Roasted chicken, mashed potatoes, gravy, buttered corn and choc. torte with cream.

Friday, Jan. 28 — Grilled cheese sandwich, bowl of soup, chicken salad, relishes, fresh apple and brownie.

Menus are subject to change. Each meal served with home-made bread, butter and milk.

### HOLY TRINITY

Monday, Jan. 24 — Hamburger/bun, beets-diced, pork & beans, O'Henry bar.

Tuesday, Jan. 25 — Chile, corn dog, cheese stick, peaches, carrot stix, dinner roll, cake/-

cream.

Wednesday, Jan. 26 — Meatballs/gravy, potatoe-mashed, green beans.

Thursday, Jan. 27 — Submarine, lettuce, pears, vegetable stix, pudding.

Friday, Jan. 28 — Grilled cheese, French fries, applesauce.

Milk served with meals.

### FOND DU LAC COUNTY NUTRITION PROGRAM FOR THE ELDERLY

Campbellsport Community Center

Monday, Jan. 24 — Polish sausage, mashed potatoes, saurkraut, celery & carrot stix, applesauce cake.

Tuesday, Jan. 25 — Lasagna, jacket potato, green beans, lettuce, French bread, apple pie.

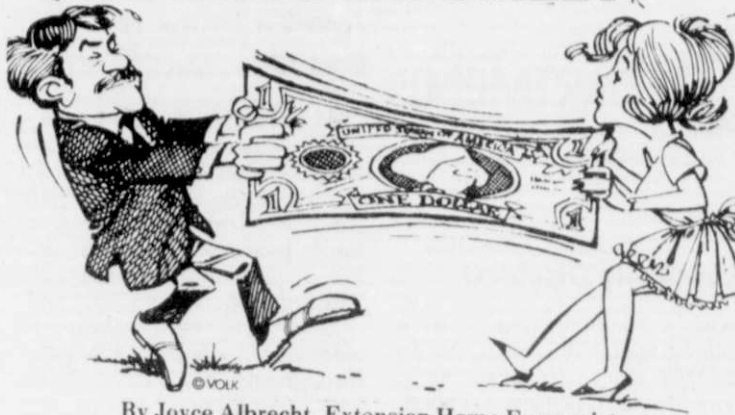

Wednesday, Jan. 26 — Meat loaf, mashed potatoes, carrots, cold tomatoes, rice custard.

Thursday, Jan. 27 — Roast turkey, gravy, dressing, peas, cranberry relish, cupcakes.

Friday, Jan. 28 — Fried cod, French fries, creamed peas, cabbage slaw, baked apples.

Coffee, milk, bread, and butter are served with meals.

## MAKING ENDS MEET

By Joyce Albrecht, Extension Home Economist

### AGREEING ON FINANCIAL GOALS IS KEY TO MONEY MANAGEMENT

Few families have enough money to buy everything they want. Scarce resources may not pose major problems for families who agree an adequate emergency fund is more important than paying off the car. But when spouses have conflicting values and goals, successful money management can be difficult.

Many management tactics are based on an assumption that couples agree how money should be spent. But researchers have found that money is named as a conflict source by more than half of families surveyed.

In another study, only 18% of married couples surveyed recently by counselors "always agree" on finances. Among couples seeking marriage counseling or who have been divorced, the percentage was much lower.

It's not surprising that couples experience conflict over money. Many of our feelings about money are instilled in childhood. During their dating years, most people have few financial obligations and spend freely.

As a result, couples may not share their feelings about money until after the wedding. Then the marriage can become

a stormy battleground where high expectations and higher expenses collide.

Couples need to learn to communicate in order to set and begin to work toward financial goals. Here's an exercise designed to open discussion of money:

A married or unmarried couple jointly lists possible ways of using money. Uses might include: cars, travel, real estate, recreation vehicles, insurance, children, education, investments, bills, clothing, hobbies and others. Each participant individually ranks the items according to their importance. Then the participants compare and discuss their rankings.

For another exercise, participants list all expenses they would face in a month, including repairs, medical bills, utilities, rent, savings, church donations, groceries and others. Then they imagine they have a very low income. Individually they rank the top 10 items they would pay for first.

Researchers have found that both men and women frequently rank rent, food and medical insurance as top priorities but they differ farther down the list.

Ideally, couples will be able to resolve differences by build-

Friday, Jan. 21, 1983, Page 11

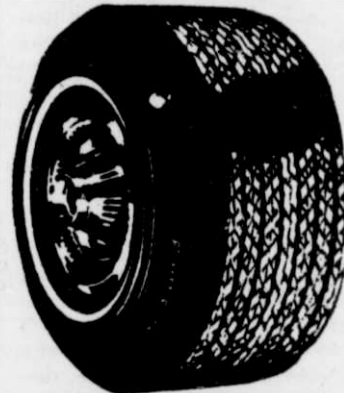

ing on areas in which they do agree. That would allow them to plan, work and save for mutual goals. For example, a husband may want to spend money on sporting goods while a wife may prefer symphony tickets. By communicating openly, the couple may agree that entertaining friends together would be a more mutually enjoyable way to spend their recreation money.

If differences remain, couples may decide to allocate small portions of the monthly income for spouses to use without accounting to the other. For serious disagreements, couples may want to seek professional counseling.

Clarence A. Schwartz, Sheriff

**Reserve Parking for Physically Disabled**

Washington County Sheriff Clarence Schwartz reminds motorists in a recent news release to obey signs and markings reserving certain areas as handicapped parking facilities. He went on to advise that these stalls are designated only for persons with special vehicle registration plates marked "DIS" or "VET" or for vehicles displaying special identification cards issued by the Department of Transportation.

Failure to obey such signs and markings could result in the issuance of a parking citation which would later result in a fine of up to \$200 if convicted of the offense, and in addition the illegal use of a handicapped only stall creates an undue hardship on those entitled to its use, the Sheriff also added.

The release further included information for those persons who have impaired use of their legs or faulty vision, so as not to be able to get about without great difficulty. These persons are the ones for whom the special vehicle registration plates and identification cards are intended whether the condition is permanent or only a temporary one.

Sheriff Schwartz concluded by explaining how to apply for these special plates and cards. In the case of the registration plates, the handicapped person is to submit a statement from a physician describing the disability to the Division of Motor Vehicles, along with the application for registration of the vehicle. There is no additional fee for these special plates.

When applying for the special identification card, a disabled person submits the same statement from a physician, along

with a \$3.00 fee and a completed application form (MVD-2452A). These are available at any driver's license examination station or from the Wisconsin Department of Transportation, Support Processing Unit, P.O. Box 7911, Madison, WI 53707.

**In the Service**

Spec. 4 Mark E. Williams, son of Clifford E. and Rose M. Williams of 107 Second St., Allenton, has arrived for duty in Friedberg, West Germany.

Williams, an artillery fire-support specialist with the 3rd Armored Division, was previously assigned at Fort Ord, Calif.

....

Bruce A. Witt, son of George and Joyce M. Mitt of 707 Scenic Drive, West Bend, has been commissioned a second lieutenant in the U.S. Air Force upon graduation from Officer Training School at Lackland Air Force Base, Texas.

The lieutenant was selected through competitive examination for attendance at the school.

Witt will now go to Columbus Air Force Base, Miss.

His wife, Lynda, is the daughter of Walter and Duran Wehmeyer of 165 Ansley, San Antonio, Texas.

He is a 1981 graduate of Park College, Cahokia, Ill.

**Stopping Fair And Fire Aids Is Bad Idea: Luckhardt**

MADISON...State Representative Esther Doughty Luckhardt (R-Horicon) said she has had a lot of response in the 88th Assembly District to Governor Earl's proposal to eliminate the fire department aid program and county fair aids.

Luckhardt said chiefs of volunteer fire departments from throughout the district have been calling her about the fire department aids since the story came out early last week. "These firemen are hopping mad," she said. "The 2% charge on property insurance premiums is the source of most funds for purchasing fire fighting equipment. If this goes through, I see property taxes increasing to make up for it."

Luckhardt said while she hasn't heard much from people concerned about the county fair aids yet, she knows she will if the governor doesn't change his mind in a few days.

"I know that 4-Hers, parents, volunteers and fair board members are all concerned," she said. "This money is used for the premiums that are awarded at the fairs each year. This is the incentive that helps generate the enthusiasm that makes county fairs successful. The 4-H and FFA programs encourage our youth to participate in constructive useful and responsible activities and are probably the best deterrents to juvenile delinquency our society has ever seen."

Luckhardt concluded by saying that Governor Earl seems determined to put the budget burden on the backs of rural property taxpayers.

**SHORT-TERM SOLUTIONS TO SOCIAL SECURITY — PART II**

Last week, I discussed in this column the seriousness of the Social Security system's financial woes and how they came about. There are two tasks ahead: meeting the short-term crisis and changing the system to prevent a later, yet more serious one.

The short-term task is to get the system out of the red and return the \$17.5 billion it has borrowed to keep checks flowing. This boils down to infusing the system with new money quickly, taking the route of revenue increases rather than benefit cuts.

A number of short-term solutions are under consideration by the Greenspan Commission and Congress, among them the following:

1) Expanding the program to cover more workers. Including all or some of the now exempt federal employees, for example, would bring in billions in new revenues, simply because there would be more contributing workers.

2) Taxing one-half of the Social Security benefits received by those with substantial outside incomes. There are more than 275,000 millionaires receiving Social Security, so this would be designed to recover monies from those who do not really need them and redirect them to those who do.

3) Delaying the annual cost-of-living adjustment (COLA). Deferring the inflation adjustment by three to six months would probably not affect most people very significantly, given our low inflation rate, but it would slow down the growth in Social Security outlays.

4) Eliminating "windfall benefits" for federal employees. Currently, federal employees can collect Social Security after working in the public sector for only a short

period of time. This has resulted in "double-dipping," where retired federal employees draw their federal pension plus Social Security.

5) Changing the indexing of the COLA. From 1969 to 1982, average worker wages increased 121%, but Social Security increased 205%, thanks to the index used in figuring the COLA. It may be time to make the two equal, as benefits are funded by the tax on wages.

Accelerating scheduled tax hikes in 1985 and 1990 is another short-term idea. Thus, our short-term options are numerous, but the long-term problems are more serious and the solutions to them are more limited.

## Minutes of Village Board Meeting

Regular Meeting  
January 3, 1983  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. Trustee Donald Mlodzik asked to be excused and was absent; all other Trustee Members were present.

The minutes of the meeting of December 20, 1982 were approved as printed upon a motion by Trustee Jeffrey Rohrer, seconded by Trustee Paul Blumer. Voice vote was passed by the majority.

Trustee Richard Schmidt commented on the alertness of the third shift police officer, who detected and reported an early morning residential fire.

Superintendent of Public Works Bilgo asked the Board if they wanted the ice-skating area, located at River Hill Park, maintained as far as snow removal now that we have the ice-skating area at the Kewaskum Kiwanis Community Park. The Board was unanimous regarding the maintenance of only the new ice rink at the Kewaskum Kiwanis Community Park.

Administrator Schmidt informed the Board the Municipal Building roof work was completed prior to the end of 1982 and that the payment of 1982 taxes were as good or better than average so far.

On a motion by Trustee Paul Blumer, seconded by Trustee Jeffrey Rohrer and unanimously carried, the Board approved the bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund \$62,270.88  
Water Dept. Fund 2,057.67  
Sewage Dept. Fund 10,640.92

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried, the Board authorized the signing of the agreement with Clayton Brown & Associates, Inc. for financial consulting services, as recommended by the Village Attorney. Voice vote was passed by the majority.

On a motion by Trustee Richard Schmidt, seconded by Trustee Paul Blumer and unanimously carried, the Board authorized the signing of the "Ready to Allocate Grant Funds Notice" for the proposed construction project at the W.W.T. Voice vote was passed by the majority.

Ordinance No. 83 - 1 and 83 - 2 were both officially adopted and are herewith attached.

On a motion by Trustee Richard Schmidt, seconded by Trustee David Nigh and unanimously carried, the Board authorized the Kewaskum Fire Department to advertise for bids on a new tank for the tank truck chassis, the bid opening date to be February 7, 1983.

On a motion by Trustee David Nigh, seconded by Trustee Jeffrey Rohrer and unanimously carried, the Board authorized the hiring of Foley & Lardner as Bond Counsel to work with Clayton Brown & Associates, Inc. in reference to the TIF Projects.

President Gerald Stollenwerk, informed the Board of a letter received from the Mayor of West Bend requesting sup-

port for the county wide landfill effort. Administrator Schmidt then informed the Board of a public meeting regarding the county wide landfill situation, which is to be held January 10, 1983, at 7:30 p.m., at the University of Wisconsin, West Bend Campus. The Board adopted Resolution No. 83 - 1 as herewith attached and directed Administrator Schmidt to take it to the meeting on behalf of the Village Board.

Motion was made by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein to adjourn. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Daniel S. Schmidt  
Administrator

### RESOLUTION NO. 83 - 1

**A Resolution in support of the Washington County Board of Supervisors to continue in their efforts to establishing a County Wide Landfill.**

WHEREAS, The Village Board of Kewaskum has notified the Washington County Board of Supervisors by letter dated June 3, 1982, of their interest in the problems of garbage and refuse; and

WHEREAS, the Village Board is grateful for the County Boards efforts regarding a County Wide Landfill; and

WHEREAS, the Village has no long term landfill solution other than the County Wide Landfill; and

WHEREAS, the Village Board on behalf of the citizens of this community do hereby strongly support the County Board of Supervisors efforts to obtain and place into operation a County Wide Landfill and/or Incinerator or both; and

NOW THEREFORE, BE IT RESOLVED, that the Village Board of the Village of Kewaskum, Washington County, Wisconsin agree to consider using such a County facility if practically sound and economically feasible.

BE IT FURTHER RESOLVED, that a duplicate of this Resolution No. 83 - 1 be signed and forwarded to the Washington County Board of Supervisors and Washington County Clerk.

Dated this 3rd day of January, 1983.

Gerald F. Stollenwerk  
Village President

Attest:

Daniel S. Schmidt  
Village Administrator

Introduction of resolution by Trustee Richard Schmidt.

Motion for adoption of resolution by Trustee David Nigh.

Motion for adoption of resolution seconded by Trustee Jeffrey Rohrer.

Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

### ORDINANCE NO. 83 - 1

**An Ordinance to Require Filling and Sealing of Abandoned Private Wells.**

The Village Board of the Village of Kewaskum, Washington County, Wisconsin creates this ordinance to be placed in Chapter 13 of the Municipal Code.

### PRIVATE WELL ABANDONMENT

(1) Purpose. To prevent unused, improperly constructed or defective wells from serving as

a passage for contaminated surface or near-surface waters or other materials to reach the usable ground water.

(2) Filling Required. All abandoned or defective private wells located on any premises which is served by the public water system of the Village shall be properly filled within the time required by order of the Water Utility Superintendent.

(3) Well Operation. New Wells. (a) No private well may be used in the village unless it meets these standards:

1. The well and pump installation meet the requirements of Chapter NR 112, Wis. Adm. Code, and a well constructor's report is on file with the Department of Natural Resources, or certification of the acceptability of the well has been granted by the Private Water Supply Section of the Department of Natural Resources.

2. The well has a history of producing safe water and presently produces bacteriologically safe water as evidences by three samplings two weeks apart.

3. The proposed use of the well can be justified as being necessary in addition to water provided by the public water system.

4. No physical connection shall exist between the piping of the public water system and the private well.

(b) The Water Utility Superintendent shall determine the location of each private well in the village and shall inspect such wells for compliance with this section. No new private well shall be constructed in the village without a permit thereof issued by the Superintendent.

(4) Abandonment. Wells to be abandoned shall be filled according to the procedures outlined in ch. NR112, Wis. Adm. Code. The pump and piping shall be removed and the well checked for obstructions prior to plugging. Any obstruction or liner shall be removed.

(5) Reports of Abandonment. A well abandonment report shall be submitted by the well owner to the Department of Natural Resources on forms provided by that agency. The report shall be submitted immediately upon completion of the filling of the well. The filling shall be inspected by the Superintendent.

Dated this 3rd day of January, 1983.

Date of adoption January 3, 1983

Date of publication January 21, 1983

Date of posting January 7, 1983

Gerald F. Stollenwerk  
Village President

Daniel S. Schmidt  
Village Administrator

Introduced by Trustee David Nigh

Motion for adoption by Trustee Howard Laubenstein

Motion for adoption seconded by Trustee Richard Schmidt

Roll call vote 6 "Aye," 0 "Nay," 1 "Absent."

### ORDINANCE NO. 83 - 2

**An Ordinance to Protect the Public Water System From Contamination Due to Backflow of Contaminants Through the Water Service Connection Into The Public Water System.**

The Village Board of the Village of Kewaskum, Washington County, Wisconsin creates this ordinance to be placed in Chapter 13 of the Municipal Code.

### 13. CROSS CONNECTIONS PROHIBITED.

(1) Purpose. Chapters NR 111 and H 62, Wis. Adm. Code require protection of the public water system from contaminants due to backflow of contaminants through the water service connection; and the Wisconsin Departments of Natural Resources and Health and Social Services require the maintenance of a continuing program of cross-connection control which will systematically and effectively prevent the contamination of all potable water systems. Therefore, this section is created to prevent such contamination.

(2) Cross Connection Defined. A cross connection is any physical connection of arrangement between two otherwise separate systems, one of which contains potable water from the village water system, and the other, water from a private source, water of unknown or questionable safety, or steam, gases, or chemicals, whereby there may be a flow from one system to the other, the direction of flow depending on the pressure differential between the two systems.

(3) Cross Connections Prohibited. No person shall establish or permit to be established or maintain or permit to be maintained any cross connection. No interconnection shall be established whereby potable water from a private, auxiliary or emergency water supply other than the regular public water supply of the village may enter the village's supply or distribution system, unless such private, auxiliary or emergency water supply and the method of connection and use of such supply have been approved by the Kewaskum Water Utility and by the Wisconsin Department of Natural Resources in accordance with NR 111.25(3), Wis. Adm. Code.

(4) Inspections Required. The Water Utility Superintendent shall cause inspection's to be made of all properties served by the public water system where cross connections with public water system are possible. The frequency of inspections and re-inspections based on potential health hazards involved shall be as established by the utilities and as approved by the Wisconsin Department of Natural Resources.

(5) Enforcement. The water

utility may discontinue water service to any property wherein any connection in violation of this section exists, and may take such other precautionary measures necessary to eliminate any danger of contamination of the public water system. Water service shall be discontinued only after reasonable notice and opportunity for hearing under Wisc. Stat. Ch. 68, except as provided in sub. (6). Water service to such property shall not be restored until the cross connection (s) has been eliminated.

(6) Emergency Discontinuance. If it is determined by the water utility that a cross connection or an emergency endangers public health, safety or welfare and requires immediate action, and a written finding to that effect is filed with the Village Administrator and delivered to the customer's premises, service may be immediately discontinued. The customer shall have an opportunity for hearing under Wis. Stat. Ch. 68, within 10 days of such emergency discontinuance.

(7) State Plumbing Code Adopted. The State Plumbing Code, H 62, Wis. Adm. Code is adopted by reference as a part of this section.

(8) Application of Section. This section does not supersede the State Plumbing Code and the Village plumbing code, but is supplementary to them.

Dated this 3rd day of January, 1983.

Date of Adoption January 3, 1983

Date of publication January 21, 1983

Date of posting January 7, 1983

Gerald F. Stollenwerk  
Village President

Daniel S. Schmidt  
Village Administrator

Introduced by Trustee Jeffrey Rohrer

Motion for adoption by Trustee Paul Blumer

Motion for adoption seconded by Trustee Howard Laubenstein

Roll call vote 6 "Aye," 0 "Nay," 1 "Absent."

### TOWN OF KEWASKUM Monthly Town Meeting

The Kewaskum Town Board will be meeting on Monday, January 24, 1983, 7:30 p.m., at the Town Garage, 9340 Hwy. 45, Kewaskum.

On the agenda is discussion and approval of the township wetlands map and payment of bills.

A complete agenda will be available from the Town Clerk the morning of the meeting.

Barbara Hinz, Town Clerk

### CARD OF THANKS

We wish to thank all our many relatives, friends and neighbors for their acts of kindness and sympathy during the illness and recent death of my beloved wife, our dear mother and grandmother, DOLORES BRODZELLER. A very special thank you to Frs. Furtmann, Hooser and Van Beek, donors of Mass, memorial and floral tributes, food, those who served the food, doctors, nurses and friends at St. Joseph's Hospital in West Bend and Milwaukee County Medical Complex, pallbearers, organist, choir, Ladies Sodality, traffic officers, Miller's and to any one who showed their respect and helped us in any way.

Stanley Brodzeller and family

### PUBLIC NOTICE

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin, Plan Commission is scheduled for Tuesday evening, Jan. 25, 1983, at 8:00 p.m. in the Council Room of the Municipal Building, First Street, Kewaskum.

William Martin  
Recording Sec'y.

### IN MEMORY

In memory of Frank Herriges, who passed away two years ago, January 20, 1981:

You are not forgotten loved one, Nor will you ever be. As long as life and memory last, We will remember thee. We miss you now, our hearts are sore As time goes by, we miss you more. Your loving smile, your gentle face, No one can fill your vacant place.

Deeply missed by wife, Loraine, children and grandchildren.

## Oconomowoc Nips Lakes Team

The Oconomowoc Lakes survived a fourth quarter score from the Kewaskum Lakes basketball team and held on for a 127-123 win here Sunday night behind Keith Chapman's 40 points. Kewaskum remains alone in second place in the Lakes 'B' Division with a 4-3 record as all 'B' Division teams lost to 'A' Division teams again over the weekend. First-place Port Washington was narrowly edged by Thiensville-Mequon, 111-110.

Kewaskum almost pulled out the game with a big 36-23 fourth quarter as the short-handed Lakers, who started the game with six players, had to play the last four minutes with only four men, as two fouled out. But the big 20-point lead they had built in the third quarter was too much to overcome as Kewaskum ran out of time.

Oconomowoc jumped to a 38-34 first-quarter lead behind Chapman's 20-point splurge. Leon Laatsch countered with 12 for Kewaskum. They stretched their lead to 72-58 at the half as Steve Sindberg and Joe Terlizzi each had eight in the second quarter. It was 104-87 Coony after three quarters as Chapman had 10 and Laatsch 13 in the third. This is when Kewaskum started its big comeback, taking the ball to the basket, as Coony was running into foul problems. Laatsch had 11 and Brian Larsen 10 in the fourth quarter as their surge fell just short.

Joe Duncan had 23 points for Coony, Norm Roth had 22, and Terlizzi added 18. For Kewaskum, Laatsch took game scoring honors with 44 points, while Larsen added 24, Clark Eichstedt 19, and Todd Pruett 16.

Oconomowoc made 13 of 18 free throws for 72.2 percent, while Kewaskum was 11 of 17 for 64.7 percent.

Kewaskum travels to Menomonee Falls to take on the Stingers, who are 3-3 and in a three-way tie for third place in the 'A' Division, this Saturday at 7:30 p.m. The Stingers play at Falls North High School.

## Kettle Riders Elect Officers

At its Annual Meeting January 16, the New Fane Kettle Riders Snowmobile Club elected officers for 1983.

Roger Heberer was re-elected President and Leroy Peterson was re-elected Vice-President. Maggie Seideman was elected Secretary and Kenlyn Schwinn is Treasurer. Gerald Seideman was elected to a three-year directorship. Martin Haack and Glen Mueller will continue to serve in their posts as directors. Marilyn Bohn will continue to serve as Sunshine Lady, Ronald Krueger was appointed Club Photographer and Gerry Mueller will handle Publicity.

Glen Mueller was appointed delegate to the Fond du Lac County Snowmobile Association and Dennis Seideman will represent the club at the Northern Kettle Moraine Association.

President Roger Heberer thanked outgoing Treasurer Joyce Seideman and Secretary Jack Odekirk for their three years of dedicated service to the club.

# Minus 2 Starters, Indians Lose Again at Plymouth

The Kewaskum Indians, who have been plagued all season by injuries and illness, were ripped at Plymouth Friday, 71-51, leaving them with a 1-3 mark in the Eastern Wisconsin Conference and 1-7 overall. Due to the inclement weather the Kewaskum-Plymouth game was the only one played in the conference Friday night and it probably would have been better if the Indians had stayed home, too.

The Indians had two starters out with illness. Neither 6-4 junior forward Dennis Butz, who just rejoined the team after being out some time with an injury, nor junior Jim Hanrahan made the trip because of illness. Their absence cut down what depth the Indians have and left the other players tired at the end, especially in the last quarter when the Panthers pulled away after a fairly close game.

Even without two starters, Kewaskum played well for three quarters and it was just a few spurts by the Panthers in the second half that put them ahead.

After trailing 30-23 at the half, Kewaskum took a 36-35 lead late in the third quarter when Plymouth scored seven straight points. At the start of the last period, the Panthers put on another hot streak of six successive points to give them a 48-36 lead.

Brian Jensen came off the bench to score 21 points for Plymouth, 10 of which came in the final eight minutes, including a three point play. Another three point play came from Bob Siech, who finished with 17 points and 14 rebounds.

Scoring leaders for the Indians were Brian Arndt and Dan Dean, each of whom had 15 points. Arndt hit a perfect nine for nine from the free throw line as he and Dean both had good games offensively.

On Tuesday Kewaskum played at Two Rivers against the undefeated conference leaders (3-0) and Friday the Indians host Sheboygan Falls (1-2).

The JVs and freshmen teams also were defeated in close games. Todd Wiedmeyer and Brian Ruplinger combined for 26 of the Indians' points in a 48-44 loss by the JVs. Dan Menzel also had a good performance for the young Indians and the team played well on defense. Coach Baitinger had two of his regulars play just half a game so they could be ready if needed by the shorthanded varsity.

Ron Theusch scored a season high 23 points in the freshmen's loss by a 61-59 score. Kewaskum dropped behind 12-0 at the start of the game and almost came back to win. Tim Rohlinger and Don Menzel scored 16 and 7 points respectively. Both the JVs and frosh are 2-2 in conference play.

# Girls Defeat Oostburg, Mayville, Lose to Raiders

By Cathy Schlice

The Kewaskum girls varsity basketball team got back on track with a non-conference victory at Oostburg Thursday by a final score of 44-36.

Kewaskum jumped out front in the first couple of minutes of play and took a 6-0 lead before the Dutchmen scored. The Indians were up 14-8 after one quarter with all 5 starters getting into the scoring act.

But they went cold in the second quarter and were outscored 12-4 as Oostburg took a 20-18 lead into the locker room at halftime and that's where they left it as the Indians came out firing in the third quarter. They allowed Oostburg only 1 bucket while the Dutchmen allowed Kewaskum 7 and gave Kewaskum a 32-22 lead with one period remaining, including a shot just inside the half court line at the buzzer by Lisa Matenaer.

Oostburg outscored the Indians in the final period 14-12 with 8 of the 14 points on free throws at the charity stripe. Kewaskum converted on 6 of 11 for 55% and Oostburg on 8 of 15 for 53%.

Linda Larsen led all scorers with 20 points and had 17 rebounds. Juniors Julie Koepke and Matenaer added 10 and 8 points respectively and Julie also pulled in 9 rebounds. Oostburg was paced by Heidi VerGowe with 16 points.

The win brought the varsity's record to 7-2 overall.

The JVs were also victorious by a score of 44-32. Cheryl Sycott led her Kewaskum team with 15 points. The JVs are also 7-2 overall. The frosh were idle.

**KEWASKUM** — Larsen 8-4-2-20, Koepke 4-2-2-10, Matenaer 4-0-1-8, Jaeger 2-0-4-4, Schlice 1-0-2-2, Kempf 0-0-5-0. Totals 19-6-16-44.

**OOSTBURG** — VerGowe 6-4-4-16, VerVelde 1-0-4-2, Merrdink 3-0-1-6, Jensema 3-1-3-7, TenDolle 0-0-0-0, Kappers 0-3-2-3, Smies 0-0-0-0, Winklehoist 1-0-0-2, Schuessler 0-0-0-0. Totals 14-8-14-36.

**Kewaskum 56, Mayville 40**

After an even first quarter the Kewaskum girls gradually pulled away from visiting Mayville here Saturday to win by a final score of 56-40.

At the half the Indians held a slim 22-18 lead but outscored the Cards 34-22 in the second half to take a commanding lead. Seven of the 9 players for Kewaskum scored and all saw some action. Heading the way for the Indians were Larsen and

Koepke with 22 and 12 points respectively. Patti Fink led her team with 13 points.

Kewaskum converted on only 2 of 12 free throws for a low 17%. Mayville also made only 2 out of 10 for 20%.

Coach Soerens commented that Mayville has a very young team. Also he feels that this was one of his team's best performances of the season.

The win improved the Indian's record to 8-2 overall.

The JVs suffered a close defeat to Mayville with the final score being 35-34. They are now 7-3.

**KEWASKUM** — Larsen 10-2-2-22, Koepke 6-0-3-12, Kempf 1-0-0-2, Matenaer 4-0-1-8, Jaeger 3-0-2-6, Schlice 1-0-0-2, Beisbier 0-0-1-0, Schoofs 2-0-1-4, Bowman 0-0-0-0. Totals 27-2-10-56.

**MAYVILLE** — Kehmeyer 2-0-2-4, Fehchhelm 0-0-3-0, Gubim 1-0-0-2, Zimmer 6-0-1-12, Fink 6-1-3-13, Berry 0-0-3-0, Lee 4-1-2-9. Totals 19-2-14-40.

**Two Rivers 47, Kewaskum 40**

A number of turnovers and missed free throws cost the Indians their third conference loss in a row at home Tuesday on Parents Night. The Indians committed 16 turnovers while Two Rivers had only 4. The final score was 47-40.

Kewaskum was held to 14 points in the first half with 8 of them on free throws. The Indians only hit on 10 of 23 free throws for 43% while the Raiders hit 9 of 17 for 53%.

Kewaskum was also outbounded considering the Indians have 2 players 6 feet and Two Rivers' tallest was 5 feet, 9 inches.

Larsen led her team with 16 points and 7 rebounds. Matenaer and Koepke added 11 and 9 points and Julie had 7 rebounds. Holly Wiese led the Raiders with 16 points. Terri Fredell pulled down 16 rebounds for the Raiders.

The loss dropped the Indians' record to 3-3 in the first half of the conference play and an overall mark of 8-3.

The JVs also suffered a defeat by the final score of 34-23. They shot 24% from the line, hitting on 7 of 28. Ten of 11 players got into the scoring act with 2 people having 4 points.

The frosh also lost by the score of 58-38 and were led by Brenda Kober, Jodi Yearling, DeVona Gruber with 8 points each.

The Indians will host a non-conference game Tuesday, Jan. 25th, against Milwaukee South.

# West Bend East Beats KHS Girls In Gymnastics

The West Bend East gymnastics team downed Kewaskum 84.15 to 75.86 in a meet hosted by the Indians Thursday.

East won three of four events and Ellen Mary Handzlik won a first place in all-around competition. Senior Annette Jandre had Kewaskum's only first in floor exercise, 7.15.

The Suns' Nancy Roecker did good vaulting and in floor exercise, where she placed first and second, and Jackie Guse did well in floor.

East was strong on uneven bars with Mary Karoses and Handzlik first and second. Denise Spears finished in a tie with Kewaskum's Wendy Wilson for third.

Major falls on balance beam prevented both teams from getting high scores, but the girls were attempting more difficult moves there. The Suns Kiki Rakowski took first place on the beam.

Besides Jandre's first, Dolly Swenson took a second on the beam.

Wilson hurt her ankle the day before which limited her activity to bars.
