Andy Pesch Named Firefighter of the Year at Firemen's Annual Banquet

Andrew Pesch [center] receiving his Firefighter of the Year award from Assistant Fire Chief Don Ehnert [left] and Fire Chief Augie Bilgo.

On Saturday evening, Feb. 12, members of the Kewaskum Fire Department held their annual banquet at the fire station, with a large attendance of 101 persons present.

Wives and lady friends of the firemen, together with 14 honorary firemen and their wives were guests of honor. Table centerpieces were given as door prizes to the lucky ladies present.

Following a delicious catered meal, a short program was held. The remainder of the night was spent in socializing, card playing, and dancing to the music of the Sun Rays.

Each year the department names one of its members as "Firefighter of the Year" and this year Andrew Pesch, captain - rescue squad, was chosen for that honor.

Pesch was presented with the award (plaque) by Fire Chief Bilgo and the following eulogy to him was read by Assistant Chief Don Ehnert:

"Our 1982 Fire Fighter of the

Year Award is hereby presented to Andrew Pesch, Captain - Rescue Squad.

Andy joined the department in 1973 and by his own admission, it was probably caused by an auto accident in which he and his wife were involved. Andy personally says that this motivated him to try to become educated and able to help people who have been unfortunate and have fallen into similar circumstances.

We all have had the privilege of working with Andy through the years since 1973 and, he has done according to our knowledge, a very commendable job, both as a fire fighter and a qualified leader of our Rescue Squad.

In 1974 members of the Kewaskum Fire Department Rescue Squad were given the opportunity to become EMTs through a course of study which consisted of 25 classes held each week. I am quite certain they were held on Tuesday

nights, however, whatever night, it does not mean a heck of a lot of difference because this was the beginning of our Rescue Squad as we know it today.

In the course of these studies, Andy received a grade point average of 93.5% for both the written and practical part of the course, which as far as I know, was high in the class of around forty of which 6 were from Kewaskum.

Andy has been a very capable member and leader of the Rescue Squad since, and also not afraid to give up extra time to cover someone else's duty, or get down to the nitty gritty and get a little dirty at the scene of a fire or other emergency the department may be called to render help.

Andy, our hearts go out to you tonight because you are the Kewaskum Fire Fighter of the year 1982."

Administration Offices

To Move Into High School

By GERRY MUELLER
Statesman Staff Writer

On a 4 to 3 vote, the Kewaskum School Board approved the moving of the Kewaskum School District offices from its present quarters adjacent to the Kewaskum Elementary School, to the offices of the guidance counselors at the high school.

Business Manager Robert Borch said the transition was to take place immediately with the guidance offices moving into work offices in the principals' area.

The possible moving of the offices to another building had been discussed for the past few

years as a way to cut budget costs. Board members felt the closing of the poorly insulated building could make a reduction in the area of heating costs for the district.

The board also requested the administration prepare a breakdown of the 1983 proposed budget by object account codes for review at the next budget meeting scheduled for February 21st.

The board also asked that a project list be prepared and prioritized for items which the administrators would like to see accomplished should the district decide to go ahead with obtaining Trust Fund loans.

Only 52 Votes Cast Here in Primary; Heberer, Pritzkow Win in T. Auburn

Only 52 ballots were cast in Tuesday's Judicial Primary Election in the Village of Kewaskum for Justice of the Supreme Court. The justice ballot was the only one voted on in the village.

Results in the village were: William A. Bablitch 22, Gordon Myse 21 and Trayton L. Lathrop 9.

Bablitch and Myse were nominated statewide and will oppose each other in the April 5 election.

In the Town of Auburn a primary election was held to nominate candidates for Town

Treasurer to succeed retiring Elmer Krueger. Four candidates for the position were LaVerne Schaub, Harold Pritzkow, Athleen Butzke and Norman Heberer. Heberer and Pritzkow won the nomination and will oppose each other in the spring election. A total of 192 votes were cast in the township. The results were: Heberer 62, Pritzkow 58, Butzke 45 and Schaub 24.

Results for Justice of the Supreme Court were: Bablitch 100, Lathrop 46 and Myse 31. Fifteen ballots were left blank.

VILLAGE OF KEWASKUM NEWS NOTES

The arrival of snow brought the arrival of the snowmobile for another season. To review the state and local laws pertaining to the snowmobile let us refer to the Municipal Code, Chapter 7.10. This Chapter covers state law by reference and local law by ordinance.

SNOWMOBILES. (1) APPLICABILITY OF RULES OF THE ROAD TO SNOWMOBILES. The operator of a snowmobile upon a roadway shall in addition to the provisions of Ch. 350 be subject to 346.04, 346.06, 346.11, 346.14(1), 346.18, 346.19, 346.20, 346.21, 346.26, 346.27, 346.33, 346.35, 346.37, 346.39, 346.40, 346.44, 346.46, 346.47, 346.48, 346.50(1)(b), 346.51, 346.52, 346.53, 346.54, 346.55, 346.87, 346.88, 346.89, 346.90, 346.91, 346.92(1) and 346.94(1)(6), (6m) and (9), Wis. Stats.

(2) SNOWMOBILE ROUTES AND TRAILS DESIGNATED. In the River Hill Park and KKC Park: Those routes and trails on the annual snowmobile route map which shall be a part of this section by reference as though fully set forth herein.

(3) ADDITIONAL REGULATIONS. (a) Speed. No person

shall operate a snowmobile upon any public highway within the Village at a speed in excess of 10 miles per hour. No person shall operate a snowmobile on any trail designated in sub. (2) or in any public park, golf course or recreation area at a speed in excess of the posted limit of 10 miles per hour, whichever is the lower.

(b) Hours of Operation. No person shall operate a snowmobile within the Village between 11 p.m. and 8 a.m., except upon a public highway as authorized by the Wisconsin Statutes and this section or for the purpose of gaining access to or leaving such highway.

(c) Unattended Snowmobiles. No person shall leave or allow a snowmobile to remain unattended on any public highway or public property while the motor is running or with the starting key in the ignition.

(d) Operation on Sidewalks and Malls Prohibited. No person shall operate a snowmobile on any sidewalk, pedestrian way or mall within the Village except as specifically authorized by sub. (2) or for the purpose of crossing to obtain immediate access to an authorized area of operation.

7.15 Penalty. The penalty for violation of any provision of this Chapter shall be a forfeiture as hereafter provided together with costs under 345.27, Wisc. Stats., and a penalty assessment, where applicable, as required under 165.87 (2), Wisc. Stats. Only those violations of ordinances adopted under the sections of the Wisconsin Statutes listed under this section of the Municipal Code are exempt from the penalty assessment.

Blood Bank Here March 2

The Kewaskum Blood Bank will be held on Wednesday, March 2, from 1:00 to 6:00 p.m. at the Kewaskum High School (old gym).

Won't you please join us and "give so others may live."

REFLECTIONS OF A DONOR

It's only a pint,
Such a small amount
To give;
But it's mine
Rich-red, vibrant
And healthy.
So blest be this blood
As it leaves my veins
And speeds its way
To the stanger,
In need of it,
And whom I do not know.
May he, through me,
Be healed and his life renewed.
This stanger, though sight
unseen,
Now one with me
In the blood brotherhood of
man.

Dear Friends

It is wise to keep a listing of all insurance policies in auto clubs, fraternal and service clubs, unions and professional organizations, so that survivors will know of all insurance in effect. A similar list of bank accounts, safe deposit box, investments and securities is also advisable.

Girl Scouts Winter Event is 'Sing Thing'

On January 29, the Kewaskum, Farmington and Wayne Girl Scouts held their annual winter event. This year it was called a "Sing Thing."

About 140 girls were at the Kewaskum High School, eager to learn some new songs and games. We did learn some new songs, and then nearly brought the roof down singing some of the "old favorites." There were games and relays to be played, and then the afternoon fun was completed with cookies and juice.

We all had a good time, and each girl went home with a new "frog button" on her jacket.

TRACE MINERALS

That certain trace minerals, such as iron, iodine, and zinc are essential for body growth and health, has long been established by the National Academy of Sciences. They now propose six more trace minerals be added: chromium, copper, flourine, manganese, molybdenum and selenium. Chromium is essential for the body's use of glucose [blood sugar]. A deficiency may be related to onset of diabetes, especially in later life. Whole grain products, meats, and yeast provide chromium.

FIREMEN'S BANQUET

Fourteen honorary [retired] firemen and their wives were guests at the Kewaskum Fire Department's annual banquet Saturday night. Several others were unable to attend. The honorary firemen shown in the photo are, left to right, seated: William Martin, Joseph Miller, William Schaub, Theodore Rohlinger, Donald Koerble, Willard Manthei. Standing, from left: Arvin Merwin, Walter Giese, Marvin Martin, Byron Bunkelman, Donald Seil, William Harbeck, Alex Laubach, David Nigh. Schaub, who is 89 years old, is the "dean" of the retired firemen.

From the School Board President's Desk

Why is the Superintendent moving from the Administrative Building to the High School?

The School Board moved to return the Superintendent and Business Manager to the High School for two reasons. First of all, it makes sense to have the Superintendent of Schools located in a school building. It is much easier for him to keep his finger on the pulse of the school system this way. Currently, whenever the Superintendent has a private meeting, the Business Manager must leave the room. This certainly is not efficient, and we do not want to have to spend money for remodeling. With the move, each would have his own office in the High School.

The second reason for moving the administration is sheer economics. The Administrative Building has insufficient insulation and uses electric heat. I don't need to tell you how expensive that is. The High School is already heated, and there is ample room available. The possibility of savings both in equipment and secretarial work is promising. Efficiency and economics both dictate the move, and since the savings would be immediate, the sooner an orderly move can be effected, the better.

Budget Update: The Board has received a list of urgent and not-so-urgent building improvements. The Superintendent has proposed that the district borrow \$400,000 at 8.25% interest to be repaid over a ten year period. We have not received specific figures for the items on the wish list. As I mentioned in last week's column, the Board has an obligation to keep the economic plight of the taxpayers in mind. What do you think of borrowing this money? Write to Dr. Charles Ogi, P.O. Box 201, Kewaskum, WI 53040.

Fond du Lac Farm Expo This Week

Everything is in readiness for the 4th Annual KFIZ Farm Expo and Appreciation Day, Wednesday, Feb. 23, at the Fond du Lac County Fairgrounds in Fond du Lac.

More than 60 Agri-business firms will be exhibiting. Alice in Dairyland will make a personal appearance, along with state, regional and local farm leaders.

The Fond du Lac County Pork Producers Association will serve a FREE hot pork sandwich to all attending and the AMPI Women will serve FREE milk.

Hours of the Farm Expo are 9:00 a.m. to 5:00 p.m. Everyone is invited back in the evening from 8:00 to midnight for a farm appreciation dance featuring

live music by "2 Hits and A Miss."

Conservation Tillage Show at Madison Feb. 23

The third annual Southern Wisconsin Conservation Tillage Show is set for February 23, 1983. It will be held in the FORUM building at the Dane County Fairgrounds in Madison.

The all day show features commercial exhibits and speakers. Highlighting the speaking program this year are three Wisconsin farmers: Richard Horn, Brooklyn; Paul

Taylor, Belmont, and Richard Nyman, Orfordville. They have all been successful with conservation tillage or no-till and will relate their experiences.

The program also includes presentations on no-till soybeans, spraying systems for no-till and herbicide placement. Industry and university specialists will be presenting the information.

The latest tillage equipment, conservation planters, sprayers, etc. will be available for viewing. Chemical company representatives will be on hand to discuss the latest in herbicides and insecticides and their management for conservation tillage. Seed corn companies will discuss seed selection for conservation tillage.

The annual show is sponsored by the Dane County Land Conservation Committee, Soil Conservation Service, Agri-

culture Stabilization and Conservation Service and UW-Extension. Questions about the show should be directed to Don Kurer, 334-3706.

Sanfilippo Named UWWC Alumnus Of the Month

Jon W. Sanfilippo has been named UWWC's Alumnus of the Month for February, 1983.

Sanfilippo, 805 South Seventh Avenue, West Bend, received an Associate of Science degree from the University of Wisconsin Center-Washington County in May, 1972. He continued his education at The University of Wisconsin-Milwaukee. He

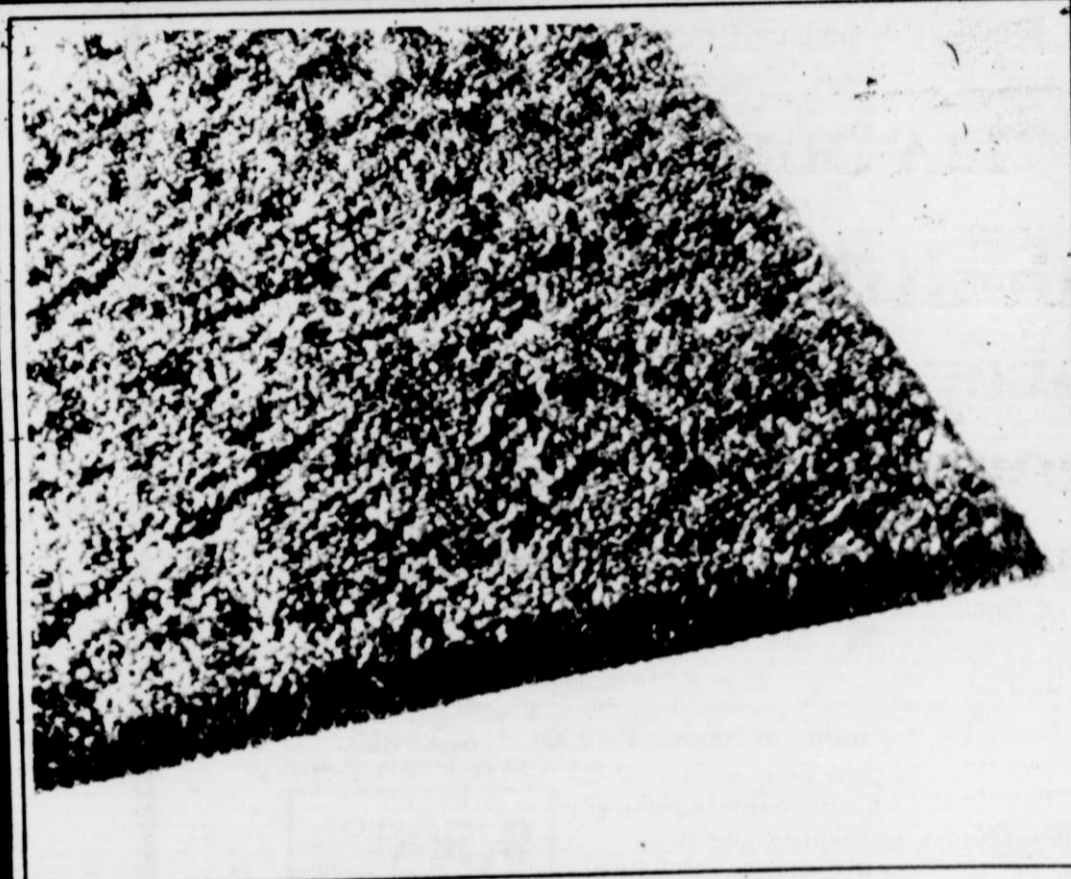

earned a Bachelor of Science degree in Education in May, 1974 and a Master of Science degree in Education Administration in August, 1978.

Presently, Sanfilippo is the Washington County Clerk of Courts. He has held this elected position since 1976. In his spare time, Sanfilippo is director and coach of WEST BEND JUDO, a recreation program. He holds the rank of third degree Black Belt.

While at UWWC, Sanfilippo was president of the student government and helped lay the groundwork for changes and expansion in UWWC's facility.

Sanfilippo's dedication to higher education and community service has contributed to naming him Alumnus of the Month.

Schlaefter Named County Leader Of Catholic Stewardship Appeal

Leo F. Schlaefter of West Bend has been appointed Washington County district leader for the 1983 Catholic Stewardship Appeal of the Archdiocese of Milwaukee. He will be responsible for organizing and directing the fund drive in the 21 parishes and missions of the county. It will run from February 20 to March 22.

Schlaefter will be leading the appeal for the 13th straight year. He lives at 1340 Bobolink Lane and is a member of Holy Angels Parish.

Mrs. Eileen Sheahan of Elm Grove, general chairman of the campaign, announced a record \$5,000,000 goal for the fiftieth anniversary of the appeal. It was begun in 1933 by Archbishop Samuel Stritch, then Archbishop of Milwaukee. The goal is less than five percent greater than last year's goal of \$4,750,000.

Last Year's campaign raised

\$4,850,000. The Catholic Stewardship Appeal is the major source of revenue to fund the wide variety of services provided for parishes, families, and individuals throughout southeastern Wisconsin.

STATE 4-H CONGRESS MUSIC GROUP BEING FORMED

A music group of high school age 4-H members is being formed to participate at State 4-H Congress and State Fair. They will be similar to the Jubilation Singers of past years, except that they will feature

Friday, Feb. 18, 1983, Page 9

nationality heritage. For example, they will be singing songs such as those of the Poles in Milwaukee and Portage County, Bohemians in Kewaunee County, Finns in the far north and many others. We'll need singers and dancers. We will also need instrumentalists including accordion, concertina, violin or folk fiddle, guitar, mandolin or instruments of eastern Europe such as Balalaika, drums, base guitar and others.

Those selected for the music group will spend the weekend of April 29 thru May 1 rehearsing at Camp Upham Woods. Then they will perform at State 4-H Congress June 13 - 16, and State Fair August 3 - 8.

The Alma Kuhn Creative Art scholarship is available to Washington County members who are selected. Applications, which are due March 1, may be obtained at the county 4-H office.

J & J AUTO TOPICS

COUPLE VILLAINS

Carbon and gook are two big reasons for auto engine trouble. Poor starting, rough idle, power loss, valve trouble, to list just a few that hurries the complete break down to auto engines. But, you can escape from these villains and have a more efficient automobile. It'll be less expensive in the long run, too.

Change oil and filters regularly; have emission systems cleaned, air and gas filters replaced periodically; and tune-ups between ten and fifteen thousand miles.

We've proven to our customers at J & J AUTO SERVICE that this maintenance care will reduce your mileage cost. And you'll have a more efficient operating car. Drive over to 450 E. Main and find out what we mean. A lot of folks are pleased they did.

IRA* QUESTION #2

(*Individual Retirement Account)

With all the high-interest money market accounts now available... why should I consider an IRA?

In three words... Income Tax Shelter! Yes, there are many good, short-term investment savings plans now available that earn high interest. The difference is that these new accounts are not tax deductible. Your IRA savings are! Plus the high interest you earn with your IRA is also tax exempt until you start withdrawing your funds at retirement!

You don't have to be a financial wizard to understand the advantages of an Individual Retirement Account. But it does help to talk to a VALLEY BANK IRA professional. An informal chat can help you decide if an IRA is a sound choice for your personal income plans.

"Hello, Valley Bank!"

The answer is simple.

Miss Washington County Pageant Set for April 23

The Washington County Metropolitans will hold the first competition for the Miss Washington County title, an official Miss America preliminary pageant. The Washington County Pageant will be a part of the Tri-County Pageant to be held at Grafton High School, Saturday April 23 at 7:30 p.m. Similar competitions for Ozaukee and Sheboygan counties will be held and will culminate in the crowning of Miss Washington County, Miss Ozaukee County and Miss Sheboygan County. Six finalists from each county will compete. The three winners will go to Oshkosh in June to compete for \$25,000 in scholarships on the state level. Wisconsin's winner goes to Atlantic City in September to compete for the Miss America Crown and \$100,000 in scholarships made available through grants from the Gillette, Nestle and Kellogg Foundations.

A committee meeting will be held Tuesday February 22, at the West Bend Marine Bank, 801 W. Washington Ave., at 8:00 p.m., in the community room. Interested individuals, businessmen and clubs are invited to volunteer their time to work on the committee.

Single women ages 17 to 26, as of Labor Day of 1983, who live, work or go to school in Washington County are eligible to compete. Competition includes personal interview, evening gown, swimsuit and talent presentations.

Interested contestants are invited to call the following for entry blanks — Char Zarlign, Kewaskum, 626-2264; Colleen Behrens, Richfield, 628-0903; Joan Bednar, Hartford, 644-

KM Lutheran High To Present Musical

Kettle Moraine Lutheran High School will be presenting the Irving Berlin Musical "Annie Get Your Gun," on Friday, Saturday, and Sunday, March 11, 12, and 13. All three performances will be at 7:30 p.m. in the school gymnasium.

This fun-filled musical tells the story of the on-again/off-again romance between Frank Butler, a star of Buffalo Bill's Wild West Show, and Annie Oakley, a woman who "shoots like a man."

Tickets are \$2.50 for adults and \$1.50 for grade school students. Pre-school children are free. Tickets may be ordered by calling the school at 677-3877 or 677-4051. Tickets may be picked up at the door.

Patrick Boland

Girl Scout Troop 223

Fifteen Girl Scouts from troop #223 from Wayne, created and delivered what they believe to be Washington County's largest Valentine to one of it's littlest sweethearts, on Valentine's Day. Patrick Boland, age 4 days, newborn son of Jack and Judy Boland, one of the troops'

leaders, was held up to the window to see the girls and their six foot valentine. He really wasn't too interested and probably would have preferred to take a nap, but his sisters, Katie and Sara, proudly accepted his Valentine.

NOVENA TO ST. JUDE

O holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, Faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. Publication must be promised. St. Jude pray for us and all who invoke your aid. Amen. This Novena has never been known to fail. This Novena must be said for 9 consecutive days. I recite it every day. Thank you St. Jude.

A Town of Auburn farm family was driven into the below zero weather around the noon hour Sunday when fire burned their farm home near Auburn Lake, Route 2, Campbellsport. The flames enveloped the home and spread hurriedly throughout the building, completely destroying it. The blaze occurred on the Elmer Menke farm, the former Galabinske place, located back from the road a distance on the highway that runs past Auburn Lake. The family managed to save some furniture and clothing, but was driven into the cold by the flames which destroyed the building.

The Kewaskum fire department answered a call on Monday to the Wm. F. Schaefer parking lot on East Water St., where fire started in the trailer of a tractor-trailer owned by Henry Timblin. Timblin had just returned to the lot after hauling a load of potatoes to Chicago. It is believed that hot coals from a burner in the trailer ignited straw on the floor and the flames spread to the insulated siding. The blaze was under control when firemen arrived.

Freshmen and sophomore honor roll students at Kewaskum High School for the second semester are: Freshmen — Bonita Butzke, Carol Heberer, Nancy Held, Nancy Hirsig, Robert Kroncke, Yvonne Meilahn, Jolene Miller, Catherine Pesch, Dennis Pillar, Judy Ramthun, Helen Schaefer and Celine Simon. Sophomores — Judith Rinzel and Margo Weiss.

For the first time in W.I.A.A. tournament history, Kewaskum will be host this year to the sub-district tournament for this area. Teams assigned that will be competing in Kewaskum's new gym are Campbellsport, Lomira, Random Lake and Kewaskum.

Pvt. Delbert W. Haack, 20, of

Route 1, Kewaskum, has been assigned to G. Company 4 Training Regiment in Fort Dix, New Jersey, for eight weeks of infantry basic training in conjunction with the 1955 Reserve Forces Act. He is the son of Mr. and Mrs. Hilbert Haack of Route 1, Kewaskum.

Army Pvt. Alfred C. Voigt, whose wife, Ramona, lives on Route 1, Kewaskum, recently was assigned to the 67th Armor in Germany.

A son was born to Mr. and Mrs. John Heyde of Dallas Texas, Mrs. Heyde is the former Betty Ann Rose, daughter of Mr. and Mrs. Clifford Rose, Kewaskum.

A would-be assassin at Miami, Florida, early Wednesday evening fired five bullets into the party accompanying President-elect Franklin D. Roosevelt, wounding five. The shooting occurred in Bay Front Park on Biscayne Bay, where a reception was in progress for Mr. Roosevelt. The assailant was captured by citizens and police. As the firing ceased, the President-elect waved his hand to the mass of thousands of people congregated, to show them that he was unharmed.

"Home Again" is a story written by Miss Mildred Stoffel, member of the senior class of 1933, Kewaskum High School. Miss Stoffel was awarded first honors for the best story submitted among the 14 seniors. The writing of a story was part of the seniors' regular school work. The story will be published in its entirety in the Kewaskum Statesman. Miss Stoffel is a daughter of Mr. and Mrs. Simon Stoffel of the Town of Kewaskum.

Miss Clara Klabuhn, daughter of Mr. and Mrs. William Klabuhn Sr. of Four Corners and Walter Lueke, Random Lake, son of Mr. and Mrs. William Lueke, were united in marriage on February

8 at New Fane.

Karl Kreif, the 16-year-old son of Mr. and Mrs. Albert Kreif, residing east of New Fane, on February 2 suffered three broken bones in one of his legs, when the horse he was riding fell and rolled upon him.

Baby girls were born to Mr. and Mrs. Henry Schacht, St. Michaels, on February 7, and to Mr. and Mrs. Loran Backhaus, Kewaskum, on February 10. A baby ? was born to Mr. and Mrs. Alex Theisen, Town of Farmington, on February 8.

Beisbier, John Bassil, Joe Bassil, Emerson Olwin and Harvey Brandt.

Otto Wesenberg, who sold his farm a few weeks ago, bought the Henry Wittenberg hotel property at Dundee last Tuesday for \$6,000. Mr. Wesenberg will take possession of the property about March 1.

Joseph Miller and Son of Kewaskum lately took the contract to build a barn for Franz Botzkovis and also will build a new addition to the parsonage of the Wayne Reformed Church.

John Klug of New Fane had several teams hauling logs to George Braun's sawmill. He intends to build an addition to his barn.

Mrs. Charles Koch of Beechwood had gas fixtures put in her store building. The gas is generated from gasoline and makes a good light.

Robert Joost has purchased a farm two miles north of St. Michaels, formerly known as the Koelsch farm.

Friends of Mr. and Mrs. J. Frohman Jr. of Boltonville congratulate them on the arrival of a baby daughter. The families of Charles Stautz and J. Laux, both of Boltonville, are rejoicing over the arrival of baby daughters. A baby girl was born to Mr. and Mrs. August Stange of New Fane on Sunday. A baby girl was also born to Mr. and Mrs. William Pesch of New Fane last week.

MAKING ENDS MEET

CAUTIONS ON HOMEMADE HAMBURGER SAUSAGE

Many recipes for homemade hamburger sausages are appearing all over the state once again. Some recipes use ground beef, others also include pork, and some substitute venison for beef. Not all recipes will result in a safe product for one or all of the following reasons:

SAFETY OF THE RAW MEAT: Ground beef may contain bacteria introduced by cutting, grinding, and utensils used in its preparation. Venison in particular, may have an even higher bacterial load because of the way it is handled before the final processing. Therefore, a person should assume that in almost every case there will be potentially harmful bacteria present in the meat itself. This means there is need for careful treatment to assure that those bacteria do not have a chance to multiply and that there is an adequate heat treatment to destroy them.

SALT: No more than 1 tablespoon of curing salt per pound of meat should be used. The usual curing salt called for in recipes is Morton's Tenderquick, which is a mixture of sodium chloride (table salt), sugar, and sodium-nitrite. Because of the presence of the sodium nitrite, curing salt must be used in very carefully controlled ways to avoid hazard. While it is essential as an ingredient to inhibit bacterial growth (particularly of *C. botulinum*) in sausage, it must be carefully measured. Some recipes call for amounts of curing salts that are much higher than those considered safe.

MIXING: All ingredients must be mixed together for even distribution throughout the product. This takes time to do a thorough job. Most consumers mix the sausage with their hands, and may not wash them well first or may just rinse them off. A very thorough hand-washing should precede any hand mixing since our hands are a potential source of contamination. It is preferable and much safer to use a sterilized spoon and a very clean bowl for mixing the sausage.

PREPARATION FOR REFRIGERATION: Most recipes fail to give instructions for covering the mixture during refrigeration that follows mix-

ing. Any time raw perishable food is put into the refrigerator, it should be covered with something like waxed paper to keep spores that are in the refrigerator away from the food. Raw meat should be loosely covered to allow enough air to circulate over the surface to dry it slightly. The drying of the surface helps inhibit bacterial growth. If tightly wrapped in a moisture vapor proof material and refrigerated for a long time, microorganisms will grow more rapidly on meat.

LENGTH OF REFRIGERATOR STORAGE BEFORE COOKING: Some recipes call for refrigerator storage of the mixture for three days, with mixing each day. This length of time is excessive, and if the mixture had a fairly high bacterial load at the outset, spoilage could occur. 24 hours should be a maximum storage time before cooking.

The major risk during the extensive storage period would come from the possibility that staphylococcus bacteria may have been introduced at some time during the previous handling and mixing. These bacteria can grow at temperatures as low as 32 degrees to 35 degrees and during growth produce a toxin which cannot be destroyed by cooking even for extended time periods. If the refrigerator is above 36 degrees, there is an even higher risk of bacterial growth.

COOKING PROCEDURES: Another unsafe aspect of the hamburger sausage recipes lies in the baking time and tempera-

tures suggested in many recipes. Some use a 140 degree or 150 degree oven. Many disease producing bacteria grow well in the range of 40 degree to even 140 degree F. and are not destroyed or injured until the temperature is above 130 degrees. Because many oven thermostats are inaccurate by several degrees, such low oven temperatures can be risky, and may even provide an ideal condition for bacterial growth with plenty of time in a warm moist condition. **FOR SAFETY, THE SAUSAGE SHOULD BE BAKED IN A 200 DEGREE OVEN UNTIL THE INTERNAL TEMPERATURE OF THE SAUSAGE REACHES A MINIMUM OF 160 DEGREES.**

County Jail Awarded Health Care Accreditation

The Washington County Jail has again been awarded Jail Health Care Accreditation by the American Health Care Consultants for complying with the American Medical Association's Standards for Health Services in Jails, announced Sheriff Clarence Schwartz.

The Washington County Correctional facility has now received the two year award for the second time, and is one of only four jails in the state which have received the award. The standards on which the awards are based were first established in 1981.

In a letter dated January 25, 1983 Dr. B. Jaye Anno, Ph.D., Vice-President of American Health Care Consultants, commended Sheriff Schwartz and the Washington County Jail Staff for their outstanding efforts over the past two years, and urged them to continue the high standards for the next two years.

Right Turn on Red Not a 'Right'

Washington County motorists do not have a "right" to turn right on a red light, according to a recent news release by Sheriff Clarence Schwartz. "In instances where a driver wants to turn on a red light, and a pedestrian is crossing or about to cross on a green light, the pedestrian's rights are paramount every time," the Sheriff added.

"Motorists wanting to turn on red are required to first come to a complete stop. If there is no sign posted warning of "No Turn on Red," the motorist may then cautiously proceed to enter the intersection - yielding to pedestrians, bicyclists, and other motor vehicles legally proceeding with the green or "Walk" signal. Only after com-

pleting all these steps is it then legal to turn right on the red light," Schwartz said.

Pedestrian rights should be respected at all times, but particularly during inclement weather. "It's a lot more pleasant for a motorist sitting in a warm car to slow or stop for a pedestrian than it is for the pedestrian to wait in icy cold or wet weather while traffic streams past the crosswalk," reminded Sheriff Schartz.

Kitchen carpeting can be restored to original brightness in 15 minutes with Nylac. No machine needed. Miller's Fine Furniture recommends Nylac for nylon carpets.

Disabled West Bend Man Receives Help from Courage Center

Ken Karstedt, West Bend, pondered a problem during a computer training session at Courage Residence in Golden Valley, Minnesota.

Ken Karstedt knows that he is physically disabled; the cold hard steel of his wheelchair and his paralyzed legs are constant reminders. But how he became disabled is a mystery to him worthy of an old Alfred Hitchcock episode.

On the evening of July 20, 1973, Karstedt was with friends at a tavern in his hometown of West Bend. The next thing he remembers is waking up in a Milwaukee hospital, paralyzed from the chest down.

"I don't remember what happened," he said. "Somehow, I must have been lying down on the grass near the parking lot. The driver of a car didn't see me and ran over me."

What followed for the soft-spoken 27-year-old was no mystery at all: two months tied to a "Stryker frame" in traction, a stress ulcer that required removal of 60% of his stomach and several months of therapy at hospitals and rehabilitation centers in Chicago and Madison.

Even worse, according to Karstedt, was the aimlessness he felt after the accident.

"I thought about going to school, but I didn't know what I was going to do," he said. "Going through rehabilitation was better than doing nothing."

Then came years spent at home where his sense of hopelessness grew, despite the support of his parents, six sisters and three brothers. Most of his "party hearty" friends stopped visiting and trips outside his home were all too infrequent journeys to Milwaukee Brewers games.

"I probably could have gone out more often than I did, but it bothered me a lot to have somebody push me, so a lot of times I said no," he said.

Karstedt says he would have probably been trapped in his rut for the rest of his life if one of his sisters hadn't learned about Courage Residence from a friend who worked there.

Courage Residence is a

transitional rehabilitation facility for adults with physical disabilities which is part of Courage Center, a United Way-affiliated rehabilitation organization headquartered in the Minneapolis suburb of Golden Valley, Minnesota.

Sixty-four disabled men and women from throughout the United States live at the Residence while preparing to become more self-sufficient and to live more independently in the community.

A unique part of the Residence program is that clients decide their own rehabilitation goals with the help of a skilled professional team. These goals are spelled out in a written contract which is signed by the resident and the staff team and reviewed monthly. For some residents, this represents a first step in taking responsibility for their own lives.

Residents try to achieve their goals through therapy, instruction in daily living skills, continued education, and career exploration and development. They live in a relaxed, dormitory-like atmosphere which reinforces their feelings of self-reliance and personal decision-making.

The Residence has enjoyed a respectable success rate. More than 400 clients have gone through the program since 1976, with 65% moving on to independent living after they leave.

The Residence staff constantly evaluates rehabilitation theories and techniques for different disabilities. Currently, a special program within the facility is working to serve the special needs of people whose physical and/or mental functions have been impaired due to accidental brain injury.

Karstedt toured the Residence and quickly decided to move in October of last year.

"As soon as I saw the Residence I liked it," he said. "I knew that I would be able to do a lot of things I could't do before once I enrolled in the

program."

Karstedt says that while living in the Residence he has strengthened his body through physical therapy, which allows him to occasionally use a manual wheelchair instead of an electric. Through occupational therapy, he has relearned how to shave, comb his hair and take care of many of his other personal needs.

He added that his desire for a more independent lifestyle is partly influenced by living so many years with so many brothers and sisters.

"I want to be able to live by myself and not have to have people around all the time. I'm basically a private person," he said. "The Residence can give a person a lot more independence than what he had before."

Karstedt concluded that his future looks much brighter thanks to his own efforts, the support he's received from his friends and family back home and the training he's received from the Residence.

"I hope to eventually graduate from college and get a job," he said. "If I was still living at home I wouldn't be doing half the stuff I'm doing now."

Information is available by contacting the Courage Residence Administrator, Courage Center, 3915 Golden Valley Road, Golden Valley, Minnesota 55422, 612-588-0811.

Area Girl Scouts Participate In International Folk Fair

Sue Lieven [left] and Judy Goetsch and Girl Scouts in their "Germany" booth.

Sue Lieven in the "Outdoor Cafe."

This past fall the Wau-bun Council Girl Scouts held an "International Folk Fair" at the Forest Mall in Fond du Lac.

The Kewaskum area Girl Scouts had a booth, and the country we were given was Germany.

Our booth was decorated to look like an outdoor Cafe, and small German pastries were handed out to all who wanted a sample. We also had slides from Germany, and many beautiful German craft items on display.

Our booth was a big success and all the Kewaskum area scouts wish to extend a belated

thank you to Mr. and Mrs. Lieven for all their work. We would not have had a display without them.

Minutes of Village Board Meeting

Regular Meeting
February 7, 1983
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. All Trustee Members were present.

The minutes of the meeting of January 17, 1983 were approved as printed upon a motion by Trustee Jeffrey Rohrer, seconded by Trustee Paul Blumer. Voice vote was passed unanimously.

The opening of the sealed bids as specified for the Fire Departments - Tanker Apparatus Body were as follows:

- Marion Body Works, Inc.,
Marion, WI. \$15,300.00
- W.S. Darley & Co., Melrose,
Il. \$14,225.00
- Carl Groth Sales, West Bend,
WI. \$17,460.00
- 3 - D Fire Appartus, Inc.,
Bonduel, WI. \$14,075.00
- General Fire Equipment,
Oshkosh, WI. \$12,861.00
- Barnett Brothers, Inc.,
Columbus, WI. \$20,089.00

On a motion by Trustee Donald Mlodzik, seconded by Trustee Richard Schmidt and unanimously carried, the Board turned all bids and specs over to the Fire Department Equipment Committee and the Public Works Committee for their review and a recommendation.

On a motion by Trustee David Nigh, seconded by Trustee Donald Mlodzik and unanimously carried, the Board authorized the Police Chief to advertise for bids on the 1981 Chevrolet Squad Car. The bids to be opened at the February 21, 1983 Village Board Meeting.

Administrator Schmidt informed the Board on the latest developments in reference to the county wide landfill situation and the upcoming meetings scheduled for February 10, 1983 at the West Bend City Hall and the March 1, 1983 meeting at the university in West Bend called by the Land Use Committee. The information sent out by the county was distributed for the Board to review. The Administrator asked if the Board wanted him to attend the City of West Bend's meeting and if so for their direction. The Board was unanimous in their decision to have Administrator Schmidt attend the meeting as an observer primarily. The topic of county wide landfill will again be placed on the agenda for the meeting of February 21, 1983 to consider the county resolution and to review the outcome of the West Bend meeting.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein and unanimously carried, the application for Linda Thorn for an Operator's (bartender's) License was approved and the Commissioner was authorized to issue the proper license upon proper payment of required fee. The Police Department had no objections to the issuance of the license and the health report was negative.

Administrator Schmidt briefly discussed with the Board a couple of points to be followed in reference with the proposed TIF projects. Also he reviewed with the Board a building

permit report reflecting the permits issued in 1981 and in 1982. Authorization was given regarding a letter to Congress on GRS.

On a motion by Trustee Jeffrey Rohrer, seconded by Trustee Paul Blumer and unanimously carried, the Board approved the bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

- Village Gen. Fund \$306,536.19
- Water Dept. Fund 5,828.05
- Sewage Dept. Fund 16,141.24

Trustee Donald Mlodzik announced that the Public Works Committee would be meeting at 6:30 p.m. on February 21, 1983 to discuss the proposed TIF projects and future plans for the Municipal Building.

Trustee Jeffrey Rohrer brought up for discussion the possibility of weekend snow removal at the ice skating rink. The issue was if the Board wanted to pay overtime to have the rink cleaned off if it snowed over the weekend. The Board was unanimous in their decision not to call out the Public Works Department to clear the ice skating rink if it snows over a weekend, because of the cost.

Resolution No. 83-2 "Participation in County-Wide Electronic Card Voting System" was brought up for discussion and consideration. The Resolution was introduced by Trustee David Nigh, moved by Trustee Paul Blumer, seconded by Trustee Richard Schmidt. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously. The estimated cost to the Village would be \$1,209.00 for the necessary equipment. The resolution is herewith attached.

Ordinance No. 83 - 3 an amendment to the 14.09 Garbage and Refuse Disposal was brought up for discussion and consideration. The pros and cons in reference to the garbage collection fees for tax exempt property were reviewed in detail, with a cost savings factor of an annual estimated amount being \$2,000.00. The Ordinance was introduced by Trustee Donald Mlodzik, moved by Trustee David Nigh, seconded by Trustee Howard Laubenstein. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously. Ordinance is attached.

Discussion was held on the possible promotion of the use and the sale of plastic garbage bags. The consensus of the Board was to promote the use of quality plastic garbage bags and not to sell any such bags.

The quotes were reviewed for the portable toilets to be used for the summer recreation program. They are as follows:

- Metro, Milwaukee, WI. -
Unit price \$65.00, 3 units
\$877.50, 4 units \$1,170.00.
- Schulteis Sanitation, Slinger,
WI - Unit price \$70.00, 3 units
\$945.00, 4 units \$1,170.00/disc.
- A-1 Service, Germantown,
WI - Unit price \$50.00, 3 units
\$675.00, 4 units \$900.00.

On a motion by Trustee David Nigh, seconded by Trustee Richard Schmidt and unanimously carried, the Board approved the use of 4 toilets from A-1 Service, Germantown, WI. at the low quote of \$900.00. Voice vote was passed unanimously.

Administrator Schmidt brought up for discussion the possibility of changing the type

of swim passes used at the Kewaskum Kiwanis Community Park. The new method or style would be a light weight credit type card and would not require a photograph. This type of card would reduce the cost per card sold by 33c or would result in an annual savings of \$200.00.

On a motion by Trustee David Nigh, seconded by Trustee Jeffrey Rohrer and unanimously carried, the Board approved the new swim pass method. Voice vote was passed unanimously.

President Stollenwerk announced the next Mid-Moraine educational service session on "Improving the performance and accountability of Municipal Government." The session will be held on February 25, 1983.

Motion was made by Trustee Don Mlodzik, seconded by Trustee Howard Laubenstein to adjourn to closed session under Chapter 19.85 (1) (e) of the Statutes to discuss the purchasing of public properties and under Chapter 19.85 (1) (c) of the Statutes to discuss employee performance data and evaluation for village employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

RESOLUTION NO. 83 - 2

Participation in County-Wide Electronic Card Voting System

WHEREAS, The Washington County Board has authorized the County Clerk to purchase an electronic card voting system; and

WHEREAS, participation by local municipal governments will result in a cost savings and will speed the handling of election results; and

WHEREAS, the county has requested a resolution of agreement to participate in the electronic card voting system;

NOW, THEREFORE, BE IT RESOLVED, that the Village Board of the Village of Kewaskum agrees to participate in an electronic card voting system;

BE IT FURTHER RESOLVED, that the Washington County Clerk is authorized to let bids to purchase necessary supplies and equipment for this electronic card voting system on a county-wide basis and to charge-back a proportional share of local cost to the Village of Kewaskum;

BE IT FURTHER RESOLVED, that the County Clerk is authorized to purchase eight compact vote recorders for the Village of Kewaskum, along with two ballot card transfer cases and to charge-back the cost of the recorders and cases to the municipality;

BE IT FURTHER RESOLVED, that the County Clerk also ask for bids on the portable suitcase style voting booth (the VOT-PAC) for each municipality's consideration.

Adopted this 7th day of February, 1983.

Myraneers 4-H Club Awarded Citizenship In Action Grant

Plans for helping with the Newburg Library Building brought an \$85.00 Citizenship in Action Grant, provided by Readers Digest, to the Myraneers 4-H Club of Newburg. The club is working with other groups in the community. They will use the grant to landscape the grounds, using plantings, fences and walks, typical of the 1850 period in which the building was erected.

4-H members will involve and educate other community residents, businesses, and organizations about historical landscape architecture. Mrs. Alfred Falk of West Bend is the organizational leader of the Myraneers 4-H club. Charles Meyhew of West Bend is the advisor for the group's community improvement project.

Thank You ...

IN MEMORY

In memory of our mother and grandmother, Helen Theusch, who passed away five years ago, February 18, 1978:

Though her smile is gone
And her hands we cannot touch,
Still we have so many memories
Of one we loved so much.
Her memory is our keepsake
With which we'll never part.
God has her in His keeping
We have her in our hearts.

Sadly missed by her family.

Lakes Team Romps Over Mayville As Laatsch Scores 38

The Kewaskum Lakes basketball team romped over Mayville, 149-112, here Saturday night as Leon Laatsch led the way with 38 points. The win keeps Kewaskum on the heels of first-place Port Washington in the Lakes 'B' Division with a 6-5 record Mayville drops to 1-8. Port, 113-98 victors over Sussex Sunday night, is 6-4. Third-place Slinger lost a game to the leaders as they were upset by Hartford, 98-97. Slinger is now 4-6. The Menomonee Falls Badgers lost their first game of the season, as Oconomowoc beat them, 136-126.

Kewaskum used a definite height advantage in their game with Mayville, as Mayville was without two of their big men, Randy Wellhoefer and Mark Gindt. All twelve players on Kewaskum's team broke into the scoring column as everyone saw extensive action.

Kewaskum broke to an 11-0 lead at the outset only to see Mayville come all the way back to make the first quarter a close one. Kewaskum led 39-37 as Clark Eichstedt, Bill Backhaus and Bill Gonwa each had eight in the quarter. Dave Meyer had 12 for Mayville. Mayville stayed close until midway in the second quarter, when Kewaskum began building their lead. They led 73-61 at the half as Laatsch had 10 in the second quarter. It was 107-90 after three quarters as Laatsch had 14 in the third. Kewaskum poured it on in the fourth quarter with 42 points to win by 37. Eichstedt and Ted Miller each had eight in the quarter.

Besides Laatsch, Eichstedt had 26 points for Kewaskum, and Bill Backhaus, Bill Gonwa, and Mike Maney each had 14. Dan Heim poured in 38 points to lead Mayville, Dave Meyer

added 29, Jeff Husslein 12, and Dave Drozd 11.

Kewaskum was 19 of 30 from the free throw line for 63.3 percent, while Mayville was only 12 of 26 for 46.2 percent.

Kewaskum travels to Hartford this Sunday night to take on the fifth-place Morainers. Hartford is only 2-8 but proved they can be tough in the upset of Slinger. The game is at 7:30 p.m. at Hartford Union High School.

MAYVILLE — Husslein 6-0-5, Bosch 3-0-1, D. Heim 18-2-6, Kanas 0-0-6, Meyer 13-3-6, Drozd 3-5-2, B. Heim 3-2-3, Hesprich 2-0-6, Pezze 2-0-3, Totals 50-12-38.

KEWASKUM — Laatsch 16-6-4, Larsen 4-0-1, Eichstedt 13-0-2, Backhaus 6-2-4, Gonwa 5-4-1, Maney 6-2-1, Lehnerz 2-3-1, Pruetz 3-1-1, Geidel 3-0-3, Stautz 1-0-1, Smucker 2-1-3, Miller 4-0-0. Totals 65-19-22.

Chess Team Crushes Kettle Moraine, 45-10

The Kewaskum High School chess team aided by five forfeits crushed Kettle Moraine by a score of 45-10. With only the top five boards being contested, Kewaskum only needed two wins to insure the 28 points necessary to win the match. Kewaskum is now 4-1.

At board 1 — Romie Holl lost to Dale Schoper. Schoper utilized a knight fork and a pin to win Holl's queen in a good combination.

At board 2 — Gregg Classey used an opening trap in the center counter game to win his opponent's queen on the fifth move of the game.

At board 3 — In a close match, Ed Ham defeated Tim Williams. Both sides had good attacking possibilities but Ham struck first.

At board 4 — Jeff Igel used only 21 minutes to checkmate Chris Gorski. Igel won Gorski's queen to move 21.

At board 5 — Tom Crandell took advantage of numerous mistakes made by his opponent and easily won to raise his record to 3-1 in conference and 5-1 overall.

Annual Meetings Held at Hon-E-Kor

Although you'd never know it by looking outside, the 1983 golf season got under way at Hon-E-Kor Country Club on Saturday, Feb. 5th., when both the Tuesday Night Men's League and the HEK Ladies' Golf Association held their annual meetings, to formulate the coming season's golf activities.

The ladies will kick off their season on Wednesday, May 4th, with tee-off to start at 5:15 p.m., followed by the "Opening Dinner" and business meeting. (This is a change from the past, when golf events were not held on opening night, so mark your calendars accordingly). Other changes have been made in both leagues, and will be explained on the first day of play.

Officers for the HEK Ladies Golf Assn. for 1983 are: President — Kathye Wierman, Vice-President — Corey Wuebben, Secretary — Dianne Hoffman, and Treasurer — Laura Matthews. The Golf Committee is chaired by Tudy Korth, who will be assisted by Janis Berndt, Helen Goetz, Joyce Gruber, and Ada Kannenberg. Publicity will be handled by Corey Wuebben, and the Nominating Committee for next year consists of Lucille Howson and Eleanor Marx.

Information on the Men's League can be obtained from Buddy Perkins, 626-2367 and from Kathye Wierman, 334-9075 for the ladies.

Kiel's Co-leaders Hand Indians Another Loss

The Kiel Raiders, who are tied for first place with Two Rivers, both 7-2, in the Eastern Wisconsin Conference, handed Kewaskum yet another defeat at Kiel Friday night, 77-60.

The Indians stayed close to Kiel for nearly all of the first half after which the Raiders came up with some hot shooting to pull away for the victory. Playing well in the first half, Kewaskum was just five points behind with a minute left in the half.

Then senior forward Mark Duerwaechter and sophomore guard Scott Schroeder found the range and from then on it was all downhill for the Indians. Schroeder had four points and Duerwaechter only two until just before the half and they didn't let up at the start of the third quarter.

Schroeder hit his first two shots and the Indians were forced to go man-to-man. But they couldn't match up with the quickness of the Raiders. As a result the Indians began drawing fouls and this made catching up all the harder.

The third period was disastrous for Kewaskum, which scored just seven points in the quarter while the Raiders rolled up 25, putting the game out of reach.

Kiel shot over 50 percent for the first three quarters, while the Indians had the good shots but they just weren't falling in.

Kewaskum had three players in double figures, Dan Dean was close to his average with 13, while Jim Hanrahan and soph Mike Steinhardt each added 11. Steinhardt came off the bench in the last quarter to score the majority of his points and played aggressively.

Center Brian Arndt was held to eight points as his teammates had trouble getting the ball inside to him.

One plus for the young In-

dians, mainly juniors, was their free throw shooting. They hit on 18 of 23 attempts. Another highlight was the play of junior Jeff Squier, who continued to improve after missing more than half of the season with a football injury.

Duerwaechter and Schroeder led Kiel with 23 and 17 points respectively. Kiel dominated the boards and had just 10 turnovers to more than 25 for Kewaskum.

The loss left the Indians with a 2-7 record in the conference and 2-12 overall.

Kewaskum hosted Plymouth Tuesday and will be at home to Two Rivers, the other co-leader, Friday. Tuesday the Indians have a non-conference tilt scheduled at Mayville, undefeated leaders of the Flyway Conference.

Girls Win 2 of 3; Beat Two Rivers First Time

By Cathy Schlice

For the first time in three years, the Kewaskum girls varsity basketball team has beat the Two Rivers Raiders by a final score of 59-52. Since joining the Eastern Wisconsin Conference, the Indians have never defeated the Raiders, who have won the conference championship the past two years, but Thursday the Indians did it, and on the Raiders' home court.

After the first quarter the Indians trailed 17-14 despite junior center Julie Koepke's 10 points. In the second quarter Linda Larsen had the hot hand with 8 points and Kewaskum took a 32-30 lead at the half when Koepke hit a short jumper with 5 seconds left in the half. Then after a pretty quiet third quarter the Indians were up 44-38.

The Indians pretty much iced the game when Lisa Matenaer made 2 free throws with :55 left to make it 54-50. Cathy Schlice added another free throw and Larsen and Koepke added 1 bucket apiece to increase their

lead.

Larsen ended the game with 24 points and scrapped for 16 rebounds with 10 of them on the defensive boards. Koepke added 16 points and 12 rebounds, Matenaer had 8 points, hitting 4 of 4 from the line in the fourth quarter. Cheryl Jaeger chipped in 6 points. Jana Kabelasky had 16 points and Terri Fredell 13 for the Raiders. At the charity stripe the Indians hit 9 of 18 for 50% while the Raiders made 4 of 11 for 36%.

The Kewaskum JVs lost by a score of 56-23 and the frosh also lost 70-48 despite Jodi Yearling's 21 points and Lisa Fuseck's 10 points.

KEWASKUM — Larsen 12-0-1-24, Koepke 8-0-1-16, Matenaer 2-4-1-8, Jaeger 2-2-4-6, Schlice 1-1-0-3, Beisbier 0-0-0-0, Schoofs 0-2-2-2, Burkhalter 0-0-0-0. Totals 25-9-9-59.

TWO RIVERS — Belongia 1-0-1-2, Blaka 1-0-1-2, Fredell 6-1-3-13, Kabelowsky 7-2-5-16, McDonog 2-1-2-5, Slegler 4-0-0-8, Wiese 3-0-

5-6. Totals 24-4-17-52.

Kewaskum 50 - Chilton 36

It took a 20-point fourth quarter for the Indians to overcome Chilton in a makeup game at Chilton Monday and win by a final score of 50-36.

After a low scoring first half, the Indians found themselves trailing 18-15. There was a little more scoring in the third quarter but the Indians still found themselves trailing 32-30. Kewaskum then took charge in the fourth quarter, outscoring the Tigers 20-4 with Larsen leading the way with 10 of her 20 points. Chilton made only 1 field goal and 2 of 5 free throws in the fourth quarter.

Despite a sore throat and a slight fever, Larsen again took scoring honors with 20 points, 8 of them on free throws. Koepke and Matenaer chipped in 10 points apiece, Chilton was led by Lori Piepenburg with 18 points.

The Indians connected on 12 of 21 free throws for 57%. The Tigers made 6 of 16 for 37%.

The win raised the Indians record to 12-4 overall with a conference mark of 6-4.

The JVs lost a close game that went down to the buzzer. The frosh did not play.

KEWASKUM — Larsen 6-8-2-20, Koepke 4-2-3-10, Matenaer 5-0-1-10, Jaeger 2-0-3-4, Schlice 2-2-3-6, Schoofs 0-0-1-0, Burkhalter 0-0-1-0.

CHILTON — Redig 2-0-2-4, Piepenburg 7-4-3-18, Bradley 1-0-1-2, Toenig 0-0-1-0, Loose 0-2-3-2, DeMaster 2-0-5-4, Leithner 3-0-2-6. Totals 15-6-17-36.

Plymouth 70 - Kewaskum 49

From the opening tipoff the Indians had trouble finding the range as they were behind 8-0 before they scored their first basket at Plymouth Tuesday night against the conference leaders.

They trailed at the quarter 14-6. The second quarter also was all Plymouth as they took a 35-20 advantage into the locker room at the half. The Panthers weren't finished yet as they came out firing in the third quarter to take a commanding 59-28 lead.

One bright spot was the fourth quarter when both teams had the majority of their subs in. Kewaskum outscored Plymouth 21-11 to make the final score 70-49.

Kewaskum's offensive attack was hurt as ace Linda Larsen was suffering from a very sore throat and thus was not up to par but still chipped in 12 points.

The Indians were next led by junior center Koepke with 10 points and senior Schlice who recorded a season high 9 points. Mary Miske led the Plymouth attack with 23 points.

At the line the Indians connected on only 9 of 24 for 37% while the Panthers hit 10 of 16 for 65%.

The win gave Plymouth a conference record of 10-2 and clinches at least a tie for first place depending on the Sheboygan Falls outcome in the final 2 games. Falls is currently 8-2 with a season finale at Kewaskum Thursday. The loss dropped the Indians' record to 6-5 in conference and they will finish in either third or fourth depending on the outcome of their game with Falls.

The Kewaskum JVs lost another close one by a score of 48-45.

The freshmen were the

winner at Plymouth as they blew by the Panthers frosh, 55-40. Lisa Fuseck hit a season high 16 points to pace the frosh, while Jodi Yearling and Denonna Gruber each added 10. The frosh are 7-2 in conference play now.

KEWASKUM — Larsen 4-4-1-12, Koepke 7-0-1-14, Matenaer 2-2-4-6, Jaeger 0-1-2-1, Schlice 4-1-2-9, Burk-

halter 2-1-3-5, Schoofs 0-0-2-0, Beisbier 0-0-1-0. Totals 20-9-16-49.

Indians Qualify 4 Wrestlers In Sheboygan 'A' Regional

The Kewaskum Indians qualified four wrestlers at Saturday's Class A regional held in Sheboygan in the first step of the long road toward berths in the state tournament later. The meet was held at Sheboygan North High School.

Kewaskum placed seventh in the eight-school meet. Fond du Lac placed first in the regional with 141 points, followed by Waupun 129, West Bend East 126, Plymouth 112, Sheboygan North 53.5, Sheboygan South 42.5, Kewaskum 25.5 and West Bend West 24.

The Indians did well in advancing four wrestlers in their first competition against Class A opposition.

Kewaskum's four qualifiers were: freshman Wade Jepsen at 105, senior Stuart Stautz at 155, and juniors Steve Seitz and Chris Harlow at 167 and 185. The top place was third by Stautz, who lost in a wrestle back for second. The other three

placed fourth.

Coach Fran Charland said his boys wrestled hard but still have to be more aggressive. The Indians have nine juniors and a freshman who are looking forward to next year.

Class A Regional at Sheboygan North Team Scores: Fond du Lac 141, Waupun 129, West Bend East 126, Plymouth 112, Sheboygan North 53.5, Sheboygan South 42.5, Kewaskum 25.5, West Bend West 24.

West Bend West Gymnasts Beat Kewaskum Girls

West Bend West's Kelly Quaas and Tracy Allen led the Spartans to three school records Thursday night in a 98.6 to 83.4 victory over the Kewaskum girls.

The 98.6 point total was one of the three marks set, along with Quaas' 8.6 in floor exercise and her 7.8 total in all-around. Allen also bested the previous West record in all-around with her 7.6 average.

The Spartans hit some good vaults and bars, with freshman Sara Hickmann, Mary Rivera and Beth Wagner doing well on bars, Deb Hauser on beam and Barb Kluever on floor exercise.

Kewaskum coach Jane Vesper said the meet was disappointing after scoring 92 points in the Chilton Invita-

tional.

Sandy Nigh was the only Indian to finish in the top three places, in vaulting. But Wendy Wilson also had a good routine on the uneven bars and Annette Jandre on beam.

WB West 98.6, Kewaskum 83.4
Floor ex — 1. Kelly Quaas W.S.A. school record; 2. Tracy Allen, 7.8; 3. Sara Hickmann W. 7.5.
