## Write-in Candidates Retain Seats After 2 1/2 Day Recount Session

By GERRY MUELLER  
Statesman Staff Writer

The vote totals changed but the end results are the same as two write-in candidates for the Kewaskum School Board survived a recount challenge and were declared winners in this month's election.

Barring any other challenge to the recount before the Tuesday deadline, write-in candidates Neal Weare and Lanielle Dieringer will take their seats on the Kewaskum School Board at its organizational meeting, at which time officers will also be

elected to new terms.

The Board of Canvassers took more than 2 1/2 days of recount votes from several towns and villages after defeated school board candidate Norma Serwe requested a recount.

On completion of the recount, tallies showed that Weare's total vote dropped by 24 votes, from 940 to 916, while Dieringer's was down 28 from 930 to 902.

Votes for Serwe remained unchanged at 862, while Colleen Narbatovics lost one vote dropping to 733.

A major reason for the change in the top two vote-getters count was, additional votes being thrown out by the Canvass Board.

Several dozen votes for the two winners were considered invalid by the board because the office for which they were running was not written on the ballot. Some votes had been set aside by poll-workers, but the committee disqualified more during the recount.

Several lawyers attending the recount session questioned the

## Ogi to Resign As School Board President

In his weekly newspaper column in the Statesman, "From the School Board President's Desk," in this issue, Dr. Charles Ogi announces that he is resigning as President of the Kewaskum School District Board.

After serving on the School Board previously, Ogi was not a candidate for re-election in 1981 but was swept back into office by a write-in vote. He was elected President of the Board one year ago, in April, 1982.

New officers of the School Board will be elected at a special meeting next Monday night, April 25.

## KHS Musician to Join Summer Music Tour of Europe

Andy Eisenmann

The Kewaskum High School Music Department is pleased to announce that Andy Eisenmann, a senior trumpet player, has been accepted to go on a three week tour of Europe. Andy will be part of a select group of high school and college musicians from around the country, put together for this tour. Concerts will be given in Germany, Switzerland, England, France and Holland.

The tour, sponsored by Education Tour Consultants and Shenandoah Conservatory of

Music in Winchester, Virginia, will be from June 19 to July 9, 1983. This tour also allows Andy to receive four college credits from Shenandoah Conservatory in Music History.

Andy has been an outstanding musician throughout high school and has gone to the state solo and ensemble contest three years in a row with this trumpet. His plans for the future include pursuing a degree in Music Education from VanderCook College of Music in Chicago.

## Jaycees Seek Nominations for Outstanding Young Man Award

The Kewaskum Jaycees are again asking for nominations for their annual Outstanding Young Man Award. It is very simple for any young man to qualify for this award. The young man must be between 18 and 35 years old. The individual should be an active participant in surrounding community activities.

When a young man receives this award it lets him know that his hard work to make the Kewaskum area a better place

to live has not gone unnoticed. Receiving the Outstanding Young Man Award may also help this individual in his future job prospects.

Please do not hesitate to do some young man this honor and favor by nominating him for this award.

Nomination deadline is May 2nd.

To nominate an individual please contact Mike Korneli at 626-4660.

## Neighbors Oppose Timblin Re-Zoning Request

By GERRY MUELLER  
Statesman Staff Writer

Almost every neighbor residing in the Bonnie Lane area was on hand to state their

opposition to a request that would change zoning on a 5-acre section of land from R-1 single family, to R-4 multiple family residences.

The 5.06 acres, owned by Mr.

and Mrs. Henry Timblin, which lies behind the Bonnie Bell Motel and directly south of Kewaskum Mall, would be a site for thirteen solar-envelope buildings, each containing four units, for a total of 52 units in the project.

The public hearing was held to receive comments regarding the Plan Commission's recommendation that the village board approve the request. Frank Sell, of 3769 Bonnie Lane, asked why only certain people received written notice of the hearing. Village Administrator Dan Schmidt explained that law requires notices be sent out to those living within two hundred feet of a subject area, and this was done. Sell felt it may be the law, but the change would affect more people than just those living within 200 feet.

Several property owners were upset with the Timblin request, stating that when they had purchased their lots from Timblin, they had been assured the area would remain single family zoning.

Bert Preis, another property owner, questioned what benefits they were supposed to receive from this latest pro-

## Village Has Its First Woman Trustee

By GERRY MUELLER  
Statesman Staff Writer

People attending the Kewaskum Village Board meeting Monday evening witnessed a historical event for the community, the swearing in of the village's "first" woman trustee.

Commissioner William Martin said it was both an honor and pleasure to conduct the ceremony since the newest member of the village board was also his niece, Mary Krueger.

Martin jokingly commented that he has 49 nieces and nephews from his wife Dorothy's side of the family, while Mary is his one and only niece, "and now she's famous." Martin is also Mary's only uncle.

Krueger will assume her official duties at next month's meeting along with re-elected incumbent President Gerald Stollenwerk, and Trustee David Nigh and Paul Blumer.

Krueger replaces retiring trustee Jeff Rohrer, who did not seek re-election.

## AFS Student Guest of Kewaskum Woman's Club

Hiroko Yamada

AFS student Hiroko Yamada of Japan was a guest speaker at the Kewaskum Woman's Club meeting. She told the club members interesting facts about her country.

The Japanese eat rice at every meal and fish every other day, as meat is very expensive. Eighty per cent of the people are Buddhist. On Christmas Day they go to a Temple or Shrine. The students wear uniforms to school and go from first grade to sixth grade, then three years of junior high and three years of high school. Hiroko also played an instrument called the Koto. Her American parents are Mr. and Mrs. John Hazlewood.

The spring convention of G.F.W.C. was held April 12 at the Dillon Inn, West Bend. Members who attended included Rita Etta, Bernice Groh, Ruth Gruhle, Sylvia Schultz, Malinda Seifert, Kitty Hlavaty, LaVerne Hron, Mary Miller, Shirley Kirkham, Renetta Schwind, Minerva Martin and Pearl Thompson. Bernice Groh received a ribbon for her entry in Crafts and Sewing. The

convention was hosted by the West Bend Woman's Club.

The Spring Salad and Dessert Luncheon sponsored by the Campbellsport Woman's Club at Campbellsport was attended by Rita Etta, Bernice Groh, Ruth Gruhle, Mary Miller, Agnes Schaefer, LaVerne Hron, Nelda Heberer, Loretta Benicke, Sylvia Schultz and Lillian Vetter.

Members of the club are reminded of the spring outing, "A Day in Oshkosh" on May 12. Please call Rita Etta by April 25 if you plan on attending. Be at the municipal parking lot by 9 a.m.

### Lions Club to Sponsor Diabetes Detection Program

The Kewaskum Lions have completed arrangements with the American Diabetes Association - Wisconsin Affiliate, to conduct a Diabetes Detection Program in Kewaskum on May 6.

The Diabetes Screening Test will be held at Kennelly Pharmacy in the Kewaskum Mall between 1 and 7 p.m., so all people in the village and the surrounding communities have an opportunity to participate in this very important health test.

The importance of a diabetes test should be seriously considered by each of us because there are approximately 600,000 new cases of diabetes diagnosed each year. The incidence of diabetes has risen steadily since 1936 when it was 5 per 10,000 population. Today's figure is 26.7 per 10,000 population. Surprisingly, the incidence of diabetes dropped from a high of 29.7 per 10,000 in 1973 to the present figure in all age groups except those 65 years of age and older, where it continues to rise.

Diabetes has not been seen by the public as a major health problem because most people with diabetes lead active lives and are gainfully employed. If we look at the real statistics the story is much different. There are 6 million known and 5 million unknown diabetic persons. Most importantly, diabetic persons are 25 times more prone to blindness than people without diabetes. Each year, about 5,000 people become blind due to diabetes.

We in Kewaskum and the surrounding communities are certainly vulnerable to diabetes, similar to all other people throughout the world but if we understand what diabetes is, then we can follow the proper medical procedure and the diabetes can be controlled, but unfortunately not cured as yet.

Diabetes is really the name for a group of chronic (lifelong) diseases. It affects the way the body uses food. In the normal digestive process, sugars, starches and all other foods are changed to a form of sugar called glucose. The blood stream carries this glucose to the body cells, where with the help of insulin (a hormone produced in the pancreas) it is changed into quick energy for immediate use or stored for future needs. In diabetes, this

normal process is interrupted.

Diabetes develops either because the body does not produce enough insulin or because what is produced cannot be used effectively by the body cells. When glucose is unable to enter the cells, it accumulates in the blood until some of the surplus is eliminated by the kidneys and is passed off in the urine. Too much sugar in the urine and in the blood are classic signs of diabetes.

On May 6, you can have your blood sugar tested by the American Diabetes Association. You will know the result of your test immediately.

The result of this screening test is dependent on many factors, such as the time and amount of your last meal. The result will be discussed with you by a trained counselor. If your result is positive, you will again receive notification within two weeks. Your physician will also be notified of positive results.

A negative screening test at this time does not mean that you may not develop diabetes at some future date. It is recommended and advisable to have a test for diabetes at least once a year, especially if you are overweight, over the age of 40, or have a family history of diabetes.

Your Kewaskum Lions are pleased to help make this Diabetes Detection Program available to our community. The American Diabetes Association has given this test successfully throughout the country. A registered nurse merely pricks the finger and draws a drop of blood and places it on a special treated CHEMSTRIP-BG. Various color changes take place on the CHEMSTRIP within two minutes which are then compared to color blocks printed on a vial label for an immediate test result.

Please note the test will be available at Kennelly Pharmacy from 1 to 7 p.m. rather than from 4 to 8 p.m. as the Lions Club previously reported in the Kewaskum Statesman.

There are 132 rooms in the White House.

### Behnke Receives Agent of the Year Award

The Equitable Life Assurance Society of the United States recently announced that Orval E. Behnke, CLU, of Kewaskum, was the recipient of the Agent of the Year Award for the John Ellison Agency. The Ellison Agency covers the Milwaukee Area and Southeastern Wisconsin.

Orv led all agents in the Ellison Agency in production and service to his clients in the year 1982. He joined the Equitable Life in Kewaskum in 1958, served as a District Manager for five years, and was designated a Pension Sales Specialist for the Equitable in 1973. He is a Life and Qualifying Member of the Million Dollar Round Table and has been installed as a Hall of Fame Agent for the Equitable. Orv achieved his CLU designation in 1980 and is a member of the Milwaukee Chapter of Chartered Life Underwriters. He has served as President of the Ozaukee-Washington Co. Life Underwriters Association and served as State Director.

Among the many community activities that Orv has been involved in, he has served as President of his Church and as past President of the Kiwanis Club, served on the Village Board of Trustees, Planning and Zoning Commission, Chairman Village Police Commission, Board of Education Kewaskum Public Schools, and Vice Chairman Washington County Civil Service Commission.

Orv and wife, Ruth reside in Kewaskum.

### Concerto Winners To Perform at UWWC

On Sunday, April 24, at 2 p.m. the Moraine Area Symphony Orchestra directed by Albert Asch will feature the concerto winners of the Annual Concerto Contest. This contest is sponsored each year by the Moraine Area Private Music Teacher's Association and the UWWC Music Department.

Featured on stage in the UWWC Theatre will be Keirstan Kondrad, junior instrumental winner, playing "Hunter's Chorus" by C. M. Von Weber. Keirstan is a violin student of Judy Muelling.

The senior instrumental winner, Shelby Shurter, a student of Albert Asch, will play an "Oboe Concerto" by Cimarosa.

Randy Moore, a student of Marlene Fry, will play a piano "Sonatine" by Kuhlau, and Linda Kachelmeier, the senior piano winner, will play "Kabaletsky Piano Concerto." Linda is a student of Anna Asch.

Members of the orchestra will also be performing concertos. Ed and Judy Muelling will play "Concerto in G Major" by Telemann. Leslie Couger-Hatch

will play a flute concerto by Telemann. Wesley Hatch will perform "Concerto for Horn" by Mozart.

This concert is free and open to the public.

### Food Drive Here For Area Needy

Next week, April 25-29, we are holding a food drive at our elementary schools to help replenish the shelves of the "Full Shelf Food Pantry" - West Bend, and to help our hungry people. This food will be taken to the Pantry from which point it will be distributed to those who desperately need it. This pantry serves the surrounding communities, and relies entirely on donations of food from people like us to survive. People from our area, who need temporary help, can apply for boxes of food by going through their ministers at their churches.

Any non-perishable canned or boxed food items are accepted, so please be generous and show a little brotherhood and love for our fellow men.

For further information regarding donations of food call Val Strobel at 626-4927.

# Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the older days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This is a 1912 photo of Fair Day held in Theresa. Kewaskum also used to hold these Fair Days [called Pig Fair Day] about once a month when farmers would bring in their livestock, poultry and produce for sale or trade on the street. Fair Day was a big day for the taverns and merchants in the village. All the bobsleds in the photo show that this Fair Day was held in the wintertime. Streets weren't plowed out nor the snow hauled away in those days.

## Write-ins

[Continued from Page 1]

canvassers' action in throwing out the votes. They noted that elections statutes state that if the board can "reasonably ascertain" the electors intent to vote for a write-in candidate, the ballots should be counted.

Other votes were rejected because electors voted for all four candidates rather than just two. In this case too, lawyers said statutes indicate write-in candidates take precedence over votes on the printed ballot, again because the intent is shown to vote for another candidate other than those listed on the ballots.

Serwe and Narbatovics were listed on the official ballot, while Weare and Dieringer were not.

Had the rejected votes been counted, the margin of victory for Weare and Dieringer would have been even larger. One lawyer felt if the case were appealed in court, the majority of these rejected votes would be considered valid.

School Board Clerk John Spoerl declared Dieringer and Weare the winners. However, the district must wait five days before certification of the election, should any appeal of the recount be made.

Town of Scott resident Clara Trapp asked that a statement be included in the minutes of the recount. Trapp's statement was as follows: "To whom it may concern, I, Clara Trapp, as a taxpayer in the Kewaskum School District object to three members of this recount board because they are not the original board of canvassers that were on the election board. State law reads, the original board of canvassers that decide the election meet to begin the recount at 9:00 a.m. on the day after the deadline for filing the recount petition," signed Clara Trapp. The three members Trapp referred to were James Oelhafen, Al Ciha and Arnold Amerling. Trapp said the

original board consisted of John Spoerl, Patty McQuire and Eunice Odekirk.

One District resident, during a break in the session, questioned why School Board member Ralph Horner was representing Serwe's interest in the recount. The person felt Serwe had every right to representation, as did the other candidates, but thought it would have been more proper if that person was a private individual who was not already connected with the board. The resident noted they got the feeling the some board members were hinting they wanted Serwe on the board.

School District taxpayers will not be very happy when they find out what this recount session is going to cost. Because Mr. Long felt legal representation for the district was necessary, Attorney Gerald Kiefer was present for the three-day recount. Long's action proved sound, as many legal and technical points were addressed during that time which could not be answered by anyone other than someone with a legal background. A rough estimate of the cost is expected to be around \$1,200 to \$1,500. There was also some question among residents attending the meeting as to who is going to be responsible for these costs.

Long had anticipated the recount to last less than a day, however, the involved nature of the process and challenges to disputed ballots extended the length of the recount.

At the end of the recount, Horner said Serwe had instructed him to make a statement. "Norma Serwe has grave misgivings about the method of handling both the requests for and the execution of the out-of-district absentee ballots."

### MARRIAGE BANNES

Marriage banns have been announced for the first time in the Holy Trinity Church bulletin for Dennis Hundt and Sharon Bonlender.

## Timblin

[Continued from Page 1]

posal. Preis was referring to supposed benefits which the area was to receive when Bel-Ric Subdivision was created. Preis listed his benefits from Bel-Ric having been, 22 bullets in my home, eggs thrown against the house, along with other vandalism. The property owners are afraid that with another high concentration of living units in their area, the problems would be increased still more.

Tom Timblin, developer of the proposed units, was asked just what type of project he had in mind. Timblin said it was too early to speculate but he was looking at two-story buildings containing four, two-bedroom condos costing approximately \$40,000 to \$50,000 per unit. Preis asked what happens if you don't sell all the condos. Timblin said they would be rented for about \$325 a month. Preis said, "I don't think \$325 is high enough to keep what we're

talking about out." Sell stated, "I don't think there is anybody here who would object to single family homes, but we do object to what you're proposing tonight."

If Timblin were to change his plans and sell lots for single family homes, after street dedication, there would be approximately 3 1/2 acres left for development. If each lot were minimum village requirement size, roughly 23 homes could be constructed on the land. Timblin's solar envelope plan would include 13 buildings with a total of 52 units, plus a park and recreation area.

Timblin told the meeting, he would like to construct buildings 1 and 2. If they were accepted and successful, he would then go on to building 3 and 4, and construction of the park area.

Trustee Paul Blumer asked, "what are the feelings if the units one through four were re-zoned, then Tom could develop the park area to show his good intentions." Trustee Dave Nigh stated, "I would like to see what these units would look like before I decide whether or not they should go in." Trustee Dick Schmidt said his feeling was, he would like to see on through four and the park go in now.

Homeowner Frank Alliet said, "once you unlock that door what stops you from re-zoning the rest?"

Nigh made a motion to table the request upon receipt of drawings for proposed streets and buildings. The motion passed 6-0, Trustee Howard Laubenstein was absent.

Six bids were opened for drilling of the new village well. Proposed bids ran from \$21,965 to \$39,732 for cable tool construction, and \$21,020 to \$36,214 for rotary construction.

The village's engineers, Ruckert and Mielke, will review all the bids and make a recommendation to the village at its next meeting.

Paul Thompson of Clayton Brown and Associates, updated the board on progress in obtaining funds for the village's new well and other TIF projects. Thompson said his company had held off offering the bonds as planned this week, since

rates had gone up. Lending rates are now going down said Thompson and he anticipated moving on the sale shortly.

Trustee Jeff Rohrer gave a Parks and Recreation Committee report. Sixty-five applications for summer employment had been received compared to 92 last year. The committee will now begin hiring.

Rohrer said his committee made a recommendation that it no longer purchase trophies for the horseshoe, men's and women's softball and tennis tournaments.

The committee has also contacted Butch Buddenhagen to run a tennis program at the park. Buddenhagen, a West Bend High School tennis coach, will hold sessions for six lessons each, for youths 8 to 15, and adults 16 and up. He will be handling the entire program, with sign-up being held at the tennis courts on June 4th and 11th, from 9:00 a.m. till noon. Youth costs are \$2.00 for residents, \$3.50 non-residents, adults \$6.50 for residents, and \$9.50 for non-residents. There will be no cost to the village for this program.

At the close of the meeting, President Stollenwerk thanked Rohrer for his dedication and service as a trustee. "Speaking for the board members, we have mixed emotions on your leaving," said Stollenwerk. Rohrer said he wanted to thank everyone for making it a good experience for him.

The board approved a motion to move up the May 2nd meeting time from 8:00 to 7:00 p.m. The change was made so it will not conflict with the School District Voters meeting also scheduled for May 2nd at 8:00 p.m.

Stollenwerk also issued two proclamations declaring April 23 to 30, as Heritage Week, and 24th to 30th, as Secretaries Week.

If your cakes tend to fall a lot it could be because the eggs you use are too big. Medium to large eggs are best. Extra large may be too much for your recipe.

**Nordin—Stockwell**

Melva J. (Moths) Nordin and Martin L. Stockwell, both of Milwaukee, exchanged marriage vows during a 4:00 p.m. ceremony at Prince of Peace Lutheran Church, Milwaukee, on Saturday, March 26.

Parents of the couple are Melvin and Dorothy Moths of Route 1, Kewaskum, and Vernon and Ruth Stockwell of Salem, Wisconsin.

Honor attendants were Karla Ibe, Madison, friend of the

bride, and Sam Cassity, Houston, Texas, friend of the groom.

The lectors were Darlene Block and Joel Moths.

Melva is employed as an RN in the bone marrow transplant unit of Loyola University Hospital. Marty is employed as chief of aviation maintenance for Elgin National Corp. of Chicago.

The couple is now residing in Bensenville, Illinois.

**Magic Show Is a Success**

April 16 and 17 will long be remembered by kids of all ages who attended the magic of "Dick De Young and Company" held at the Kewaskum high school's old gym.

Mr. De Young and his helpers entertained over 500 area residents with two hours of acts that included: disappearing and reappearing animals, fire eating, sawing a woman in half, and many other eye-opening and mind-boggling tricks and illusions.

The Kewaskum Jaycees, who sponsored Mr. De Young, thank all those who attended one of the two performances. We feel his impressive performance de-

lighted the community and hope you were well pleased with the magic show.

Please let a Jaycee member know if you liked the type of top quality family entertainment. We would look into hosting other types of unique entertainment if we hear enough good feedback.

# From the School Board President's Desk....

"To every thing there is a season, and a time to every purpose under the heaven...A time to kill, and a time to heal; a time to break down, and a time to build up... Ecclesiastes

I would hope that now is the season for healing, a season for building up. For far too long—and even a day of it is too long—our district has been wracked by dissension. It has not been the type of enlightened discussion from which can come new and better ideas, but instead the focus has been on personalities, on people, not ideas.

Because of this dissension, because of the focus not on issues but on personalities, there has been one segment of our community that has consistently been the loser, and that segment is our students. The function of the Board of Education has always been to make the policies that will guide our school district and ultimately give direction to our children's education. When the community is breaking apart, and rumor and innuendo abound, the focus is removed from the policies of the Board and placed on the personalities of those involved. It is not productive.

The only reason I became a board member was to work for the betterment of our education system since our children are the future of our community and our nation. My priorities have not changed. Any thing that detracts from this concern must not be tolerated, for the only losers are the students. In an attempt—one that I hope with all my heart will succeed—to refocus our attention on education and remove it from the realm of personality, spitefulness, and vindictiveness, I will be stepping down as president of the Kewaskum School Board. It is my hope that this action will, by persuading people to re-examine the priorities of our district, provide a time and space for building up, for healing.

We must get together to set objective and goals and work toward improving the educational quality of our district. As a member of the Board I shall continue to work for quality education at a reasonable cost. I would hope that the new president, whoever he or she may be, will continue this column, for it serves as an excellent vehicle for keeping district residents informed. Regardless, I ask for your help in bringing the community together.

Dr. Charles J. Ogi

## MEETING OF ARCHDIOCESE DISTRICT 13 AT SLINGER

St. Peter Catholic Church, Slinger, will host the spring meeting of District 13 of the Milwaukee Archdiocesan Council of Catholic Women Monday, Apr. 25. A rosary will be said at 7:15 p.m. followed by Mass at 7:30 p.m. Election of officers will be held at the business meeting.

Details of the spring MACCW convention in Milwaukee will also be given.

A sparrow hawk hovering a hundred or more feet above the ground can spot a grasshopper and drop directly on it, keeping in focus all the way down.

## KEWASKUM 4-H CLUB

The Kewaskum 4-H club held their last meeting on April 14th.

Because of lack of interest, Washington County will be combining with Dodge County for the Oconto County exchange trip. Anyone still interested in going should turn their application blank in.

The Music and Drama Festival is Sunday, April 17th.

The Junior Woman's Club of Kewaskum is sponsoring birdhouse building. All birdhouses must be completed by the June meeting with the owner's name inscribed on it, for they will be set along the nature trail at the new park and this will make easy finding. Prizes will be awarded for the best birdhouse and the club will help pay for the wood.

Our club received a letter from the Modern Woodmen. They will be sponsoring an Arts/Crafts/Rummage & Bake Sale on April 16th at the Labor Center Hall. Proceeds will be split with the 4-H club receiving part of the money received.

For the April activity, the club will be going roller skating on April 19th from 7:00-9:00 p.m. Cost will be \$1.75 with the club paying 75c for each 4-H member. Bring as many friends as you can - 50 people or more are needed.

A window display will be put up in Rosenheimer's window for June Dairy Month. \$10 will go to all clubs, plus a prize. Judging will be from June 6-10th.

A reminder that the horse show is June 12th.

Debbie Seideman and Rhonda Herriges will be attending the State 4-H Congress at Madison. The club will pay \$25 or \$12.50 per person going.

**VICA, New Club Starts at KHS**

A new club has come to Kewaskum High School. VICA (Vocational Industrial Clubs of America) has been started by Mr. Bill Stangl, Industrial Arts teacher at KHS and KMS. Mr. Stangl is our club advisor and helps us along with decisions.

Brian Kober is the president, and Frank Voge is the vice-president. Eddie Reindl is the reporter and Jeff Eisenmann is the secretary. The treasurer is Mike Kirchner.

VICA helps students attain a purpose for life; VICA assists students in establishing realistic vocational goals, and VICA creates enthusiasm for learning. VICA also has a goal

of public service.

A fund raising project has already been started by selling light bulbs. The light bulbs are being sold to finance future project costs and field trips.

If a VICA member missed you during the sale and you would like to purchase some light bulbs, contact Mr. Stangl at the high school, 626-2166, or at the middle school, 626-2178. A

package of 5 bulbs, two 60 watt, one 75 watt and two 100 watt bulbs, costs \$3.50.

For the people who bought bulbs from VICA members, thank you for your support.

**President Reagan  
Issues Message for  
Secretaries Week**

From the White House, President Ronald Reagan has issued a special message in observance of Secretaries Week, April 24-30. A copy of the message has been received by Rose Ketter, President of the Kettle Moraine Chapter of Professional Secretaries International. PSI has sponsored this annual observance since 1952. The President's message states:

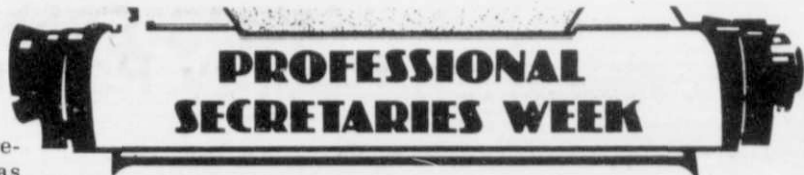

"Secretaries Week provides us with a welcome opportunity to honor our secretaries and to recognize their critically important role in our great nation.

Secretaries bring to their jobs in the public and private sectors invaluable training and skills, providing a sense of organization and cohesiveness to their offices. Their resourcefulness is legend, and they facilitate the work of our fast-paced, technological society.

Always in demand, secretaries today are faced with the mounting technical changes and challenges of our complex society and, likewise, exciting opportunities for career growth as their traditional duties expand."

The Kettle Moraine Chapter of Professional Secretaries International has announced plans for Secretaries Week. Carole Keller, Secretaries Week chairman, has announced that the chapter is observing Secretaries Week by sponsoring its annual banquet at Hon-E-Kor Country Club in Kewaskum, Wednesday, April 27. A Kewaskum High School future secretary will be honored.

People who eat a good breakfast are more resistant to fatigue through the day than those who don't.

**PROCLAMATION  
SECRETARIES WEEK  
April 24 - 30, 1983**

WHEREAS, professional secretaries who do their jobs efficiently and effectively are the cornerstones of every office; and

WHEREAS, the Bureau of Labor Statistics predicts the secretarial profession will have more job openings in the 80s than any other career field; and

WHEREAS, the secretarial field is open to women and men of all ages; and

WHEREAS, the week of April 24-30 has been designated Professional Secretaries Week by Professional Secretaries International, its originator and sponsor;

NOW, THEREFORE, I, GERALD F. STOLLENWERK, President of the Village of Kewaskum, do hereby proclaim the week of April 24 to April 30, 1983, PROFESSIONAL SECRETARIES WEEK and ask that management everywhere join in recognizing the outstanding professionals in their employ, especially, on Wednesday, April 27, PROFESSIONAL SECRETARIES DAY.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the seal of the Village of Kewaskum to be affixed this 18th day of April, 1983.

Gerald F. Stollenwerk, President

April 9 began as a typical spring day in Wisconsin as two busloads of sleepy high school students and the Booster van filled with instruments headed for Plymouth High School at 6:45 a.m. through driving snow and cold winds. The day, although remaining wet, dark and dismal, became very bright for many of the Kewaskum High School musicians at the District Solo and Ensemble contest. A full eight hour day of music and competition saw tears of joy and a few looks of dismay on the students' faces.

Nineteen KHS students achieved the maximum rating, receiving starred firsts in Class A which enables them to participate at the May 7. These students and their entries are as follows: Andy Kougl, Andy Eisenmann and Jan Hazlewood - trumpet solos; Liz McCurdy - flute solo; Jama Jacak and Kathy McCurdy - clarinet solos; Sue Lemke - recorder solo; and Kathy McCurdy on her piano solo. Darren Schacht and Jama Jacak sang their hearts out and are going on with a tenor solo and alto solo respectively. The singing trio of Jacky Loof, Jackie Kirmse and Patti Seefeldt also advanced along with Amy Sekas and Julie Koepeke - French horn duet; Valerie Plum and Debbie Hintze - flute duet; Kathy McCurdy and Ada Thull - clarinet duet; Liz and Kathy McCurdy - flute-clarinet duet; Valerie Plum and Jan Hazlewood - flute-trumpet duet, and the flute choir with Liz

McCurdy, Valerie Plum, Debbie Hintze, Brenda Harter, Peggy Kempf and Kim Brodzeller.

## PROCLAMATION HERITAGE WEEK 1983

WHEREAS, People have to know where they have come from in order to know where they are going; and

WHEREAS, Children need to remember the story of what their forefathers and hometowns went through to arrive at today; and

WHEREAS, Everytown has a background that is beautiful and memories that are magnificent; and

WHEREAS, The everyday things and people and events that make up life today will become history tomorrow; and

WHEREAS, Washington County and each of its towns, villages and cities, are linked by a special heritage;

NOW, THEREFORE, I, Gerald F. Stollenwerk, President of the Village of Kewaskum, do hereby proclaim the week of April 23 through 30, HERITAGE WEEK, in the Village of Kewaskum and urge all people, newcomers and oldtimers alike;

TO SHARE their pasts with each other and recycle their remembrances into the present;

TO LEAVE a record for our children and theirs after them - by helping preserve special places, objects, document and memories;

TO INVEST time, talent and resources through existing history groups in the county and to form new local groups where one exist;

TO JOIN with the Historical Societies of Germantown, Jackson, Kewaskum, Newburg and Washington County in their week long celebration of HERITAGE 83.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the seal of THE VILLAGE of Kewaskum to be affixed this 18th day of April, 1983.

## April 23 Thru 30 Designated As Heritage '83 Week in County

WEST BEND — "People have to know where they have come from in order to know where they are going."

That's the opening statement in an April 12 proclamation by Washington County Board Chairman Reuben J. Schmahl, designating April 23 through 30 as Heritage '83 Week in the county.

Schmahl urged county residents, "newcomers and oldtimers alike," to join with historical societies of Washington County, Germantown, Jackson, Kewaskum and Newburg "in their week-long celebration of Heritage '83."

The week's events center in West Bend, the county seat, and include the April 27 Heritage '83 banquet, program and exhibits; the premiere of a new city walking tour; and an opening parade and downtown performances on Saturday, April 23.

A hundred blue and white banners, depicting the old county courthouse tower, will fly all week from lampposts on Main Street. Many stores will have historical exhibits in their windows.

Heritage '83 is the culmination of months of preparation by the participating historical societies. The project marks the first joint venture of the groups. Plans are underway to work on other common projects including the tape recording of reminiscences of old time county residents.

During the first week in April, the historical society leaders met to talk about what they hope to accomplish through Heritage '83. What they said forms the basis of Schmahl's proclamation.

Here's why the leaders view the county's past as being important.

—Daniel Schmidt, president

of the Kewaskum Historical Society, said, "We need to make sure our children remember what their forefathers had to go through, and also what the other communities in the area went through, to get where they are today."

Schmidt said that preserving an area's heritage provides a record of "the full growth of something," similar to the purpose served by "my son's baby album."

—Art Degnitz of West Bend, president of the Washington County Historical Society, said, "My children ask why things are done a certain way. Informing them of this background is really important."

—Maureen Hornung, president of the Jackson Historical Society, sees Heritage '83 as a time to enlist people in preserving places, things and memories.

She said, "There's a lot of things sitting out there in people who would like to have a place to put it. We want them to realize our groups exist. Everyone is welcome and needed."

—Charles Mayhew, president of the Lorraine Hartman Literary and Historical Society

## Badger Boosters Club Receives Community Development Award

The Badger Boosters 4-H Club of West Bend was recently awarded a \$50.00 Community Development Grant. The grant is provided by Pioneer Hi-Bred International. The award is provided to 4-H clubs in Wisconsin based on plans which the club intends to carry out in community development.

The plans submitted by the Badger Boosters include working with the special education wing of Decorah School of West Bend. The club will be providing clothing and other needs to families of developmentally disabled children. The club hopes to create an awareness of the need of developmentally disabled children in our community. They also hope to let the community know that 4-H is an organization of youth who care and who will work to make our community a better place to live and work.

The adult members of the club planning committee include Mrs. Lois Pikoske, Mrs. Beverly Buckmann, Mrs. Laverne Doll, Mrs. Mariann Gundrum, Mrs. Sue Hautamaki and Mrs. Arlene Prochnow. The youth members of the committee include Ronald Beine, Paul Braun, Pamala Gundrum, Karen Pikoske, Lori Prochnow and Christine Shield.

of Newburg, said he wants to "encourage other townships to form history groups" to "recycle" the past.

He said, "Old is beautiful — and useful. Today will become history past."

—Joseph Schmitz, a board member of the Germantown Historical Society, sees history as a personal thing. He said, "I and most other people have an interest in their heritage and ancestry. This gives you a reason and ambition to study and look back."

Looking back, Schmitz said, "provides a lot of pleasure."

The focus of Heritage '83 is the annual dinner and program, starting here at 6 p.m., Wednesday, April 27, at the Washington House.

This event re-creates the county's historic old settlers' banquet in the building where it was held for nearly 80 years.

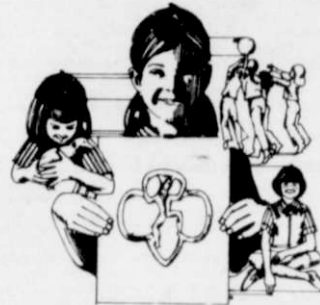

Last year's event, Heritage '82, was a sellout. About 100 tickets are still available this year at \$12 each, with all proceeds shared by the historical societies. Reservations can be made by calling 338-8848.

The history groups welcome participation by newcomers and oldtimers.

"We're a nation of newcomers — working together," Mayhew said.

## Adult Volunteers Needed for Girl Scout Summer Camp

Summer of Discovery Day Camp needs you! Girl Scout Camp from West Bend, Kewaskum, Wayne, Farmington and Allenton will be taking part in Summer of Discovery Day Camp at Ridge Run County Park in West Bend. The sessions run from June 20-24 and July 18-22. Girls attending will have the opportunity to take part in a variety of activities such as dramatics, singing, campcrafts, exploring nature and staying on an overnight. They also get a chance to meet new people, learn about themselves and work with others while having fun.

In order for the girls to have a rewarding experience at camp adult volunteers are needed. Positions available include a Day Camp Director, Crafts Person, First Aider, Shopping and Milk Person, Unit Leaders and Counselors, and anyone who is willing to share a week with the girls.

The Day Director coordinates the program at camp so the week runs smoothly. The position is open to men and women who are at least 20 years of age, and enjoy the outdoors. This position requires

some training and gives you a chance to work with adult volunteers, older girls as aides and the Day Camp Coordinator.

If you are willing to take some time to make this a fun and rewarding summer for girls we would appreciate your help. For more information contact Kathy Petrick, Day Camp Coordinator, Wau-Bun Girl Scout Council, 307 N. Main Street, Fond du Lac, WI 54935, 414-921-8540.

Only female and young gorillas sleep in trees, mature males sleep on the ground at the base of the tree.

## Milwaukee Jazz Ensemble to Perform at UWWC

Sounds from the works of Gershwin, Ellington, Shearing, Ravel, and Davis will flood the University Theatre Sunday, May 1, at 7:30 p.m., when the Milwaukee Symphony Jazz Ensemble plays a benefit performance at UWWC.

The Washington County Campus Foundation will sponsor the concert. Proceeds from this event will supplement scholarships and special pro-

jects for the University of Wisconsin Center-Washington County.

The Milwaukee Symphony Jazz Ensemble is comprised of five artists currently associated with the Milwaukee Symphony Orchestra.

David Stallsmith, bass player, has played in several musicals, jazz groups, and traveling shows in the United States. He is a graduate of the New England Conservatory of Music.

Glenn Asch, violinist, graduated from Kewaskum High School and went on to study at the Wisconsin Con-

servatory of Music and UW-Madison. He helped finance his education by playing with the Himalayan Mountain Boys and the Royal Palms. Asch also has written a book titled, "Anthology of Jazz Violin Styles."

Dennis Najoom, Assistant Principal trumpet player with the Milwaukee Symphony Orchestra, has performed with several groups and has taught at Lawrence University UW-Parkside, and West Hartford Connecticut Public Schools.

Tele Lesbines, percussionist, has been the Principal tympanist with the Milwaukee Symphony Orchestra for the

past fourteen years and plays in the Milwaukee Chamber Orchestra and the Symphony Jazz Quintet.

Richard Crabtree, pianist, has had experience as pianist and conductor for John Gary and has accompanied Pearl Bailey, Liberace, Marlene Dietrich, and Sammy Davis, Jr. He has performed jazz from San Francisco to the east coast for audiences of all ages.

Tickets for this May 1 concert are now on sale at UWWC, 400 University Drive, West Bend. Seating is limited. Reservations can be made by calling 414-338-5208. All tickets are \$4.00.

## Cub Scout Spring Round-up Monday

On Monday, April 25, at 7 p.m., the Kewaskum Pack 3744 will hold their spring round-up of cub scouts in conjunction with their monthly pack meeting at the Kewaskum Middle School.

Parents, this is an opportunity for your son to have fun, make friends and learn various projects, while at the same time building his character for the future.

Because scouting is a family-oriented organization, it draws boys and parents closer together.

Boys, besides attending weekly meetings, some of the fun things you will be doing in scouting include group roller skating, bowling and possibly attending a Brewers' game.

The boys participate in the pinewood derby, a rocket race or a boat regatta by making the racers themselves.

The Kewaskum Pack 3744 invites all interested boys and their parents to attend this round-up.

Remember - Kewaskum Middle School, 7 p.m., Monday, April 25.

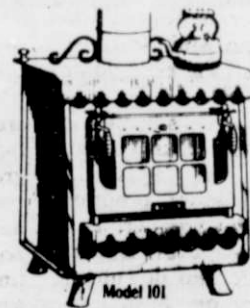

Hope to see you there!

## LETTERS TO THE EDITOR...

To the Taxpayers of The Kewaskum School District:

I am writing this letter to show how angry I am at the way our tax dollars are being spent.

Granted, the law allows for recounts in elections - and that is how it should be in a free democratic country and in that respect, I have no complaints. What I do object to is how this recount was managed. Does a school district of our size really need 3 days of courtroom costs, lawyers fees and wasted time? For what purpose? We will end up wasting in excess of \$1,000!! In these times of budget cutting and tight money, I feel these funds should have been spent on things to benefit the children. How are we to justify these expenses to our children and ourselves? How much more will be wasted before this is ended?

If this was such an important and vital issue why did the person that requested it not even show up? Granted she may have had other things to do, but I'm sure the other candidates and taxpayers would have much rather spent that time with their families or at their jobs.

I was raised to respect my elders and anyone in authority and I also expect my children to respect these people. I always regarded the school board positions as positions of authority - these people after all are in charge of the education of our children. How can we and our children respect these people if they can not respect each other and work together for the good of our school district?

Are we going to subject our district to more humor at our children's expense? (West Bend News - Tuesday, April 12th issue-page A-2). At the present time, I am not really proud that I belong to this district and I have lived here and been involved with it all my life. Would it be so hard to set aside differences and work together?

I personally did not attend these courthouse meetings, but you can be sure that I will attend the school board meetings for quite awhile. All I ask is that you each examine the issues and attend a few school board meetings so you can see for yourself what is happening. It only involves a few hours out of each month. Don't you owe it to yourself and your children's education to invest that time and attend a few meetings? You pay your taxes with hard earned money and you DO have a say in how it is used.

The next regular business meeting is Monday, May 9th, at 8:00. Please come.

An angry and embarrassed parent,  
Sue Buechel

To The Editor:

I would like to bring to your attention that during the 1981-1982 session of the Wisconsin legislature, Senate Bill 72, the land management bill was passed into law. Also governing the land is the wetland bill - Assembly Bill 839 - now Chapter 330 of the Wisconsin Statutes. Senate Bill 72 is now Chapter 346 of the State Statutes. It authorizes "Collective Dictatorship" over the land thru a County Committee and State Land Board. It does not put lawful constitutional authority back into the Town Boards and the County Supervisors as they are supposed to believe, but rather gives County Administration. The real authorities are the planners for Washington, from Universities, from the Extension, from the Department of Natural Resource, from the Department of Agriculture, Trade and Consumer Protection, and from the State Land Board.

HOWEVER: our Federal Constitution guarantees to every State a Republican form of government - Representation not Administration (Bureaucracy is Administration by Rule). These laws are not compatible with representative government, therefore they must be repealed: If we allow ourselves to be used for this terrible injustice, then it will be the end of private ownership of property.

When land is Certified, as is now being done by the Wisconsin Land Board, and the Department of Agriculture, Trade and Consumer Protection-an unlawful bureau - it is licensing the use of land and the land owner may only use the land as rules and regulations allow: This is not land Conservation. It is land control and it is careful planning to take over the land by force: It is dictatorship - what you may do with your land.

For encouragement, I want to report that petitions are being circulated in Racine County and other Counties to "Repeal These Laws." Help us in the rest of the State to get these laws repealed: for petitions and information write to: Christine Zache, 4814 N. Britton Road, Union Grove, Wisconsin 53182.

Sincerely,  
Christine Zache

### MISS ELIZABETH KUDEK

Miss Elizabeth Kudek, 98, a resident of the Milwaukee Protestant Home at 2449 N. Downer Ave., Milwaukee, passed away there on Monday, April 18.

She was born on May 1, 1884 in the Town of Wayne to the late Anton and Katrine Krause Kudek. Before taking up residency at the Home she was employed at the Downer College for many years. She never married.

She is survived by nieces and nephews.

Two brothers and four sisters preceded her in death.

Visitation for Miss Kudek was on Wednesday, from 4 to 9 p.m. at Miller's Funeral Home in Kewaskum. There was a prayer vigil at 7 p.m. Wednesday. Services were at 9:30 a.m. Thursday at the Funeral Home and a Mass of Christian Burial was at 10 a.m. at St. Bridget's Catholic Church in Town of Wayne with Fr. Robert Berghammer officiating. Burial was in the church cemetery.

### MRS. VIOLA HABECK

Private funeral services for Mrs. Viola E. Habeck, 88, who resided with her son, Bruce and family, at 2625 Shaw Ave., Cuyahoga Falls, Ohio, were held Tuesday at Billow Chapel there. She died Saturday, April 9, 1983. Interment was in Oakwood Cemetery.

She was born in Dundee, Wis. She was married to Henry B. Habeck in 1915, and they resided in Kewaskum and Mayville for a short time before moving to Fond du Lac. Her last address at Fond du Lac was 153 S. Park Ave., where she resided for 56 years.

Mrs. Habeck was a member of Division Street United Methodist Church while residing in Fond du Lac. Presently she was a member of Silver Lake Assembly of Christians in Cuyahoga Falls.

Surviving are her son, Bruce

of Cuyahoga Falls, Ohio; 12 grandchildren; and 12 great-grandchildren. She was preceded in death by her husband and a daughter.

### FLORENCE RENZAGLIA

Florence Renzaglia, nee Schwamb, 75, of Hwy. E, Hartford, died Sunday, April 17, at Hartford Memorial Hospital.

She was born in the Town of Erin Sept. 21, 1907, and married Delmo Renzaglia June 29, 1935, in Hartford.

Survivors include her husband; two sons, Delbert (Eloise) of Hartford and Kenneth, at home; four grandchildren; one brother, Raymond of the Town of Erin; six sisters, Margaret (Carl) Keihnau of Jacksonport, Wis., Rose Schwamb of Milwaukee, Dorothy (Lester) Schatz of Richfield, Lorraine (Richard) Schilter of Kewaskum, Joyce (Jerome) Hahn of Hartford and Annabelle Schwamb of Milwaukee, and other relatives and friends.

She was preceded in death by three brothers and two sisters.

She was a member of the First United Methodist Church, Hartford.

Funeral services were Tuesday at 8 p.m. at the Berndt Funeral Home, Hartford. The Rev. Bervie Scott officiated and burial was in Pleasant Hill Cemetery, Hartford.

Visitation at the funeral home was Tuesday after 4 p.m.

**ALCOHOLISM IS AN EQUAL OPPORTUNITY DISEASE — TO MEN AND WOMEN ALIKE**  
**R. G. Edwards, M.D. and Health Officer**

In 1974, Bill Wyss lay on the floor of the Stillwater, Minnesota, prison, dying. Bill worked in Special Education at the State Prison. Prolonged and continued use of "downers" had sent him into convulsions. He stopped breathing; his heart stopped beating.

An inmate pounded on his chest. Two of Bill's ribs cracked from the force of the blows, but Bill's heart started beating again; he began to breathe.

The preceding two paragraphs I found in my University of Minnesota quarterly bulletin. The full story about how the drunkard and dooper Bill Wyss finally overcame his severe illness was very intriguing to me, so much so that I decided I would place the pamphlet in the local library so that many people could receive benefit there from. Bill has now regained the respect of his fellowmen and has become the head man of a new program at my alma mater in Minneapolis, Minnesota, to give hope and help to those people who are down and out, literally parasites on our society. He was in their shoes for a few years so he knows best how to help others who are ill with the dread diseases of alcoholism and drug abuse.

The name over his office door reads, "Director of Alcoholism and Chemical Dependency Awareness Assistance." These diseases affect people in all walks of life, men and women alike. It respects no barriers — neither age nor sex, nor race nor occupation. Nor level of education. The university is a microcosm, containing a little of almost everything found in the rest of the world, including its share of alcoholics and chemically dependent people.

Nationwide, estimates place the number of alcoholics and chemically dependent people at somewhere between 10 and 20 per cent of the population. These same statistics apply to the university people. Fortunately, the university is doing something to give aid to these sick people. Its program has been so successful that Bill Wyss has been invited to institutions around America and in Europe to present lectures and papers.

The full story of Bill Wyss' success is to be found in the pamphlet I have placed in our library under the name "Minnesota," March, 1983. The article should be able to be read in 15 minutes and I do hope a few people will be benefitted. Should one need more help, please write to the university program and Bill Wyss will listen and give all the help he can.

**SHERIFFS DEPARTMENT**

Clarence A. Schwartz, Sheriff

**Vandalism Costs Us All**

Vandalism has exceptionally high costs, not only in terms of dollars and cents, but also in danger and suffering to innocent victims, announced Washington County Sheriff Clarence Schwartz. Very often injuries result, vital services are disrupted, big money is spent for repairs or replacement of damaged property; for time spent on cleanup; for protective devices, and for insurance and medical costs, the Sheriff added.

The innocent victims are many, declared the Sheriff. Bystanders become victims of accidents of fatalities as a result of vandals' activities. Students received an inferior education when vandalism causes equipment shortages and school closings. Homeowners suffer inconvenience, loss of time, and money. Insurance pays only part of the cost if claims are made. Fear and frustration become common place. Taxpayers foot the bill for damage to public property and pay for higher police and court costs. Businesses and customers suffer when property is vandalized. Owners pay part of the cost, passing the rest along to customers in the form of higher prices. In short, everyone is a victim.

Vandals also create real problems for themselves, stated

Sheriff Schwartz. They always risk arrest, punishment, and a police record. He stated that vandalism is a crime, and under Wisconsin law, called criminal damage to property.

The Sheriff concluded with the fact that criminals convicted of this crime face up to a \$10,000 fine or nine (9) months in the County jail, or both; and still can be compelled to pay for the damages.

Special Meeting  
April 7, 1983  
7:05 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in special session in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. All Trustee Members were present.

Trustee Jeffrey Rohrer, the Board's Plan Commission Representative reported that the Commission had recommended the issuance of both a moving and building permit for the single family home at 1502 Fond du Lac Avenue to 499 Knights Avenue. It was noted that both the Building Inspector and Zoning Administrator have approved it.

Trustee Mlodzik asked some questions in reference to the elevations of the home and Trustee Richard Schmidt asked some questions regarding the condition of the streets.

Mr. Brian Thompson, Mr. Robert Sparks, Mr. Mark Slaughenhoup, Mr. Allen Tippel and Mr. James Wessing were present and again stated their objections to the home being moved into their neighborhood. Mr. Thompson shared some pictures with the Board and also read a letter from Mr. William Yoder, a professional appraiser. The basic context of the letter was that the home will not homogenize well, with the new homes, but he could not state that it may have affect on any one's valuation.

President Gerald F. Stollenwerk again read 30.07 (8) (a) of the Municipal Code indicating to the Board what the Commission based their decision on and also how the Board should review the situation. Attorney Chuck O'Meara also reviewed some of the same points with the Board.

All Trustees noted that they

have viewed the house and the proposed lot or location where it is to be moved. Both Trustee Laubenstein and Trustee Blumer indicated they had lived in new homes in the village where older homes had never moved in and they both felt their new homes had never lost any value because of it. After approximately 45 minutes of review and discussion President asked the Board for a decision either for or against the moving and building permits as per Mr. Doug Schacht's request.

On a motion by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein the Board authorized the Building Inspector to issue the moving permit for the single family home on 1502 Fond du Lac Avenue upon the recommendation of the Plan Commission. The permit to be issued after the proper documents and payment of fees is received. Roll call vote was 5 "Aye" 2 "Nay" (Trustee Donald Mlodzik and Trustee David Nigh voting nay) 0 "Absent." The motion was carried by the majority.

On a motion by Trustee Richard Schmidt, seconded by Trustee Paul Blumer the Board authorized the Building Inspector to issue the building permit for the single family home to be moved to 499 Knights Avenue. The permit to be issued after proper payment of fees is received. Roll call vote was 5 "Aye" 2 "Nay" (Trustee Donald Mlodzik and Trustee David Nigh voting nay) 0 "Absent." The motion was carried by the majority.

On a motion by Trustee David Nigh, seconded by Trustee Howard Laubenstein to adjourn the meeting. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent." The motion was carried unani-

mously.

**IM MEMORIAM**

In memory of my mother, Alice M. Strobel, who passed away nine years ago, April 25 —

**WHAT IS A MOTHER?**

A mother is a person that brings new life into the world.  
 A new life of happiness and love.  
 She watches over you day and night.  
 She is there to take care of you every step of the way.  
 A mother is your closest friend and you'll never want to lose her  
 For when growing up without a mother you will find those  
 every day steps you have to take will not be so easy.  
 A mother is such an "important" person which some kids  
 don't seem to realize.  
 Just take a few moments of your time to go hug your mom  
 and tell her how much you love her...  
 I never really had the chance to tell my mother how much I  
 loved her, for I was much too young when she died.  
 But now that I am grown,  
 I have come to realize how much I love and miss her.  
 I would like to let her know today, I appreciate all she's done.  
 And I hope she'll always be proud of me,  
 no matter what I've done.

I love and miss you Mom!

With all my love,  
 Shelley

**4-H SPEAKING AND POSTER PROGRAM APR. 25**

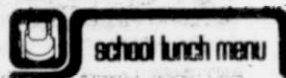

The 1983 Washington County 4-H Speaking and Poster program will be at Silverbrook School in West Bend on Monday, April 25, at 7:00 p.m.

In order to participate in the program a 4-H member must have given a talk or made a poster and be selected at his local 4-H club. Each 4-H club is eligible to have one or more speakers in each age division depending upon the number of participants in the local club program.

The theme for the talks and posters this year is "Taking Care-A Way of Life, the Health in 4-H." This means that speeches can be on anything related to health. This would be personal health, mental health or how we act toward our family and friends. It points out that the things that we do play an important part in healthy living.

The purpose of the speaking and poster program is to give 4-H members actual experience in speaking or making a poster. They learn to organize their thoughts and have the experience to plan and deliver a speech. Another purpose of the speaking and poster program is to give members an opportunity to learn about a particular topic. Then they can present the information to others.

Paul Cypher of West Bend is the chairman of the speaking and poster committee. Other members of the committee include Hope Cross, Terry Barth, Karen Doll, Patty Hupfer and Lori Prochnow.

## Soerens Resigns As Girls Head Basketball Coach

Girls' head basketball coach at Kewaskum High School for the past three years, Ken Soerens, has resigned the position. His reason was to devote more time to his family and in furthering his education.

Soerens' resignation and one submitted by John Baitinger, assistant boys' coach, were unaimously accepted by the School Board last week. Their resignations become effective as soon as suitable replacements can be obtained.

Soerens, who served as an assistant for four years before taking over as head coach in 1980, established a 42-21 record. His best season was 1981-82 when he led the girls to a 19-4 season, a tie for second place in the Eastern Wisconsin Conference, and a runner-up spot in the Class "B" State Tournament.

Soerens said that placing as runner-up in the State Tournament was the biggest thrill of his coaching career and added that he felt fortunate to have had the opportunity to work with some very nice girls. Two of the players he coached, Jill

Yearling and Linda Larsen, became the first to top the 1,000 point mark in scoring.

Soerens will continue to teach social studies at the school. He did not feel at this point that he had enough time to set up summer clinics and Saturday basketball programs which he feels are necessary for a successful program. He said some day he may want to return to the program.

Soerens is the third head coach to resign this year at the school.

Baitinger, who had been an assistant for nine years, also state in his resignation that he wanted to spend more time with his family. Other considerations also played a part in his resignation.

The board also approved a contract for Tom Bartelt as assistant baseball coach for this summer. Bartelt has worked with Kewaskum Land o' Lakes and Tri-County Night League baseball for many years. No teacher was interested in the position and WIAA approval had to be obtained for having Bartelt as coach.

## Linda Larsen Receives Mention On All-State Basketball Team

Post season honors continue for Kewaskum's High School's star senior center, Linda Larsen, who the past week received honorable mention in the voting for the UPI's all-state Class A basketball team.

The 6-0 Larsen scored 1,368 points in her four-year career at KHS and was unanimous first team selection on the Eastern Wisconsin all-conference team her junior and senior seasons. She recorded some very impressive statistics during her four years as a letter winner.

During the 12-game conference schedule this past season Linda scored 202 points for a 20.3 average. She also finished first in rebounding with 162 for a 13.0 average. Larsen was the all-time leading scorer in Kewaskum history.

Last year Linda was on the UPI's third team. At that time Kewaskum still competed in Class B, and was runner-up in the state tournament at Madison.

West Bend East's 6-1 center, Linda Reichl, was named to the

third team of the UPI's all-state team. Reichl, only a junior, averaged 20 points per game. She was Player of the Year in the Little Ten Conference and named area Player of the Year by the Milwaukee Sentinel.

### LAKES BASKETBALL TEAM TO HOLD PRACTICES

The Kewaskum AC's Land o' Lakes baseball team will have practice at 10:00 a.m. on Saturday, April 23, and at 12:00 noon on Sunday, April 24. Anyone interested in playing this season but unable to attend either practice, should contact Tom Bartelt at 626-4903.

Kewaskum will also again have a team this summer in the Tri-County Night Baseball League

## Local Boy First In Moto-X Race

On Sunday, April 10th, 3 local boys competed in the Moto-X races (off-the-road cycle racing) at Aztalan, Wi. John Weiss, Mike Wiedmeyer and Jeff Wiedmeyer all raced in the 125/2 class.

Out of a field of 37 starters, John finished in 1st place for the day and received a large trophy. Jeff finished in 9th for the day and received a silver, inscribed mug. Mike finished in 8th for the day and received a gold, inscribed mug.

These three KCHS students will be trying their skills again on May 15th at Aztalan, which is about 12 miles southwest of Watertown.

## Spring Conservation Hearings in 72 State Counties April 25

Wisconsin citizens are encouraged to attend the annual conservation rules hearings to be conducted by the Department of Natural Resources at 7:30 p.m., Monday, April 25th, in each of Wisconsin's 72 counties.

The hearings offer the public an opportunity to discuss and vote on fishing and hunting rules changes being considered by the Natural Resources Board. Persons attending the hearings also may submit proposals for consideration relating to fishing and hunting regulations and natural resources management. DNR personnel will be on hand to answer questions.

The hearings also provide a forum for the election of delegates from each county to the Wisconsin Conservation Congress. The Congress, comprised of three delegates and two alternates from each county, serves as a citizen's advisory body to the Natural Resources Board. Eligible candidates include any adult resident of the county who is not employed by DNR or a member of the DNR Board.

Following is a summary of the proposed rules to be voted on:

### Fish Regulations

**Urban Fishing Seasons** - Allow DNR District Directors to open fishing seasons on waters managed under the urban fishing program.

**Muskellunge Season** - Open the muskellunge season on the Saturday nearest Memorial Day north of State Hwy. 10 instead of the first Saturday in May.

**Turtles** - Permit the use of only 5 turtle traps with the name and address of the operator on each and the traps must be raised and emptied at least once each day.

**Sturgeon Registration** - Allow anglers to register a lake sturgeon at a lake sturgeon registration station of their choice no later than 6:00 p.m. the day after the fish was caught.

**Walleye** - Prohibit the possession of walleyes between 14 and 18 inches caught in Pine Lake (Sec. 29, T44N, R3E), Iron County.

**Rainbow Trout** - During the expanded trout season on Lake Superior tributary streams, establish a 5 in aggregate trout and salmon bag limit of which only 2 may be rainbow trout.

**Fish Refuges** - Establish fish refuges on portions of Spider Lake in Sawyer County and Fisher and Catherine lakes in Iron County.

**Rough Fish** - Permit spearfishing, spear fishing while skin diving and bow and arrow fishing for rough fish in Sawyer County.

**Trout, Large and Smallmouth Bass** - Establish a 12-inch size limit and 5 of each species bag limit for these species in Little Bass Lake, Oneida County and the same restrictions on trout and largemouth bass in Wildwood Lake, Vilas County. Fishing would be restricted to artificial lures and flies only.

**Lake Trout** - Establish a 17-inch size limit for lake trout in Pallette Lake, Vilas County.

**Motor Trolling** - Prohibit motor trolling on all waters in Vilas County.

**Trout Season** - Open the trout season in Crawford and Vernon County ponds on January 1, the same as the stream opening.

**Fish Refuge** - Establish a year-round refuge on a portion of the Chippewa River in Chippewa County and a portion of the Chippewa River in Eau Claire County.

**Trout and Salmon Snagging** - Prohibit trout and Salmon snagging in the Fox River in Brown County and the Oconto River in Oconto County.

**Trout** - Establish a daily bag limit of 2 trout on trout streams and spring ponds in Sheboygan, Ozaukee, Washington, Waukesha, Milwaukee, Walworth, Racine and Kenosha counties.

### Game Regulations

**Pheasant Program Improvements** - Establish a uniform upland game season opening mid-October, expand the opening weekend daily bag (1) to the first 14 days of the pheasant season, provide hen pheasant hunting and 2 p.m. daily closing time on a select number of state properties.

**Furbearer Seasons** - Establish a uniform furbearer season, create intensive management units for beaver trapping, repeal beaver registration and allow trapping on beaver lodges.

**Turkey Hunting** - Establish a turkey hunting season in Zone 4 with 300 permits.

**Bear Season** - Delay the firearm and bow bear by one week.

**Deer Management Units** - Modify the boundaries of several units.

**Deer Carcass Tags** - Change the placement of deer carcass tags to the ear or antler.

**Deer Management Unit Goals** - Establish overwinter goal for deer populations within certain units.

**Water Point Values** - Establish a 10-point bag limit for three species.

**Local Questions** - Modify 2 closed areas, create a new deer season boundary and establish a one-day deer season on the Sandhill Experimental Wildlife Area.

**Ruffed Grouse Season** - Create a uniform December 31 season closure and reduce the daily and possession limits to 3 and 6, respectively.

**NOTE:** Deer quotas and the number of permits to be issued will be distributed at the hear-

ings and publicized through news releases prior to the hearings.

Locations for the conservation rules hearings in counties in this area are as follows:

Dodge County - Horicon City Hall Auditorium, Horicon; Fond du Lac County - Moraine Park Technical Institute, Fond du Lac; Ozaukee County - Ozaukee County Courthouse, Port Washington; Sheboygan County - Sheboygan Falls High School Cafeteria, Sheboygan Falls; and Washington County - University of Wisconsin Center, West Bend.

## 1983 Deer Quota Proposal to Show Substantial Increase

Wisconsin deer hunters can enjoy another record setting season in 1983. An extremely mild winter allowed excellent deer survival and will mean well above average fawn production this spring. Overwinter deer populations in many management units are above goals and the addition of this year's fawns will raise pre-season populations to excessive levels, particularly in agricultural areas. The antlerless deer proposal is an effort to manage the populations at established goals.

Proposed 1983 quotas total almost 92,000 deer, a 28% increase over the actual 1982 harvest of 71,774 quota deer. Substantial increases are proposed for most agricultural units in central and southern Wisconsin.

Deer population goals have formed the foundation of Wisconsin's deer management program for many years. Deer population goals establish a stable deer resource. They represent the ability of the habitat to support deer in forested range and an estimate of human tolerance of deer particularly regarding the potential for crop damage and highway collisions in other areas of the state. As deer populations change in response to weather conditions, harvest levels or other factors, the quota system is used to return the populations to the overwinter goal levels.
