Rezoning Recommendation Heads for Village Board

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Plan Commission will again pass on its recommendation to the Village Board that a request to rezone 5.06 acres of village land from R-1 single family, to R-4 multiple family be approved.

The commission had approved the recommendation at its March 29th meeting, but after a public hearing was held by the Village Board, board action was tabled. Questions brought up by some of the trustees, along with opposition from Town of Kewaskum residents whose properties border the land in question held up a vote on the request.

At Tuesday night's meeting, Tom Timblin, the developer for the proposed condominiums, presented a revised proposal and preliminary drawings on the project. Ron Weis, of Citizens-Weis of West Bend, Timblin's recently hired consultant, admitted the original plan presented by Timblin was not feasible. The new proposal drops the number of units from 52 to 36, solar envelope type homes. Each building will contain four units.

Town residents were concerned with the fact that this development could turn into a low income housing set-up. Weis said of Timblin, "Tom is concerned with the quality of

the project. I think Tom is trying to demonstrate here he wants a class act." The price-tag on the new proposal is anticipated to be around \$60,000 per unit.

Weis said the proposed condos would not be a row of living units divided by a common wall. Each unit has its own entrance, garage, basement and parking, as well as being offset to present some individuality.

George Allmann, Town of Kewaskum Chairman who was attending the meeting, told the commission that he, and the townspeople living in that area felt there were still some problems, the major item being the traffic pattern and movement. If the development were to proceed as presented, all the traffic would feed into Bonnie Lane, then into Highway 45.

Allmann noted there are two dangerous traffic points in the area now, and added traffic would complicate the situation even more. "My suggestion is, why not start from the top (north) and work down," said Allmann. Weis said, from the developer's standpoint this would not be practical either or development-wise. At the beginning, the town could not expect the developer to put in a new street which would be roughly 800-900 feet long. "Our feeling is, the road has to go

Fund Started for Robert Haney

As you read in this paper last week a Kewaskum man was brutally attacked and beaten on Saturday, May 21. Due to this attack, Mr. Robert Haney will probably be blind except for light and dark. He is entering the hospital again later this week for surgery to determine the extent of damage to the eye and if any repair work can be done.

Mr. Haney was already legally blind in his other eye due to a severed nerve. However, Mr. and Mrs. Haney were not on the public roles, they were sincerely trying to make a living on their own by running Gina's Pizza and, most recently R.L.'s Game Room. Without her husband's help Mrs. Haney will find it very hard to keep her business going, raise her two boys and maintain her home. She feels she must keep her business going as this is their only source of income, but she needs our help, Kewaskum!

A savings account has been set up in Robert Haney's name at Valley Bank. If you wish to make a donation to help them offset the cost of their medical bills, just inform one of the tellers and they will see your money is duly deposited.

Their immediate needs also include food, boys' clothing, especially summer items sizes 8 and 10, and possibly some assistance in child care. Just taking the boys to the park or the movies for a couple hours will help a lot. Boxes for food or clothing are at Sentry and Rich's Foods. These people really need our help, Kewaskum! Show the Haney's what a Big Heart you have! If you need further information contact Diane Buchel or Margaret McFadden. Thank you!

Beach to Open Friday; List Sign-Up Times

The beach at the Kewaskum Community Kiwanis Park is scheduled to open June 3, from 12:00 p.m. to 5:00 p.m. Swim passes and sign up for swim instructions will take place on the following dates.

June 1 - 3:30 - 8 p.m.; June 6 - 12 - 2 p.m.; June 8 - 12 - 2 p.m.; June 13 - 12 - 2 p.m.; June 15 - 12 - 2 p.m.

After these dates, passes will be sold by appointment only. Swim instructions will begin at 10:00 a.m. on June 20. They will continue for 6 weeks, ending on July 29. A Junior and Senior Lifesaving Class will be offered this year. This class will be held from 1:00 - 2:30 p.m. every weekday. For more information, please call the park at 626-8011 or stop in during the times indicated earlier.

Ice Cream Making Contest to Be a Dairy Daze Feature

The Kewaskum Junior Woman's Club announces a homemade ice cream making contest being held in conjunction with the Chamber of Commerce Dairy Daze, Saturday, June 18.

Local merchants have donated prizes to add fun and challenge to the contest.

First prize is a \$100.00 Savings Bond donated by Valley Bank of Kewaskum.

Second prize is a \$25.00 Gift Certificate to Rich's Foods, Kewaskum.

Third Prize is a \$25.00 Gift Certificate to Miller's Furniture, Kewaskum.

Any age, any sex person is encouraged to enter. An information sheet on the contest has been distributed at Miller's, Rich's Foods, Steiner's Electric, Sentry and Valley Bank. For questions or added information, call 626-4965.

Notice of Special School District Meeting Monday

There will be a Special Board Meeting on June 6, 1983, following the Special District meeting at 8 p.m. The Special Board Meeting will immediately go into closed session under State Statutes 19.82(1) "Meeting for the purpose of collective bargaining."

183 Seniors to Receive Diplomas Friday at KHS

Kewaskum Community High School commencement for the Senior Class of 1983 will be held Friday, June 3. The exercises will start at 8:00 p.m. in the gymnasium with the traditional, "Pomp and Circumstance" processional by the Kewaskum Symphonic Band.

The invocation will be given by Reverend Donna Lee. An address will be given by Superintendent John A. Long. The mixed choir will then sing "Yearnings." This will be followed with an address by Mark Brenholt, the class speaker.

The band will play another selection "Man of La Mancha." Farewell addresses will be given by AFS student, Hiroko Yamada; Youth for Understanding Students, Peter Nohlmans and Begona Ortega, and American Scandinavian Student, Maria Carlfolk.

Karl Zaring, class president, will make the presentation of the class gift.

Presentation of the honor graduates, scholarships, recognition of attendance and presentation of the Class of 1983 will be made by Principal Clark A. Pearson.

Board of Education members Ralph Horner and Neal Weare will present the diplomas to the class.

Benediction will be given by Reverend Donna Lee, followed by the recessional "Sine Nomine," by the band.

The graduates have chosen green and gold as their class colors; the rose as the class flower and "Time Is On My Side," as the class song.

The tentative list of graduates follows:

Graduate of UW School of Pharmacy

The University of Wisconsin School of Pharmacy graduated 121 students in commencement ceremonies on Sunday, May 22, at Camp Randall Stadium on the UW-Madison campus.

The school awarded 113 bachelor of science degrees, 51 master of science degrees and two doctor of philosophy degrees.

This was the school's 100th graduating class. The UW established the School of Pharmacy in 1883 with 28 students. Today more than 350 students are enrolled in the undergraduate program.

The undergraduate pharmacy curriculum consists of two years of pre-pharmacy course work in the humanities, social sciences and natural sciences, followed by three years of professional study.

Among the graduates was Kimberly D. Becker, West Bend, who was selected for distinctive scholastic achievement.

Straub Graduate of UW Medical School

The University of Wisconsin Medical School awarded 148 doctor of medicine degrees in commencement ceremonies Sunday, May 22, at Camp Randall Stadium on the UW-Madison campus.

The graduating class — 56th at the UW Medical School — included 37 women and 7 minority students. Fifty-three graduates will remain in Wisconsin for residency training. Approximately one-third will practice in primary care fields.

One student received a combined M.D./Ph.D. degree.

The four-year medical school curriculum includes classroom and laboratory preparation in addition to patient care experience. Fourth-year students spend several weeks working with practicing physicians throughout Wisconsin.

The graduates included Robert H. Straub, Campbellport.

UW-Madison School Of Nursing Graduate

The University of Wisconsin-Madison School of Nursing awarded bachelor of science degrees to 113 graduating seniors and master of science degrees to 17 registered nurses on Sunday, May 22, at Camp Randall Stadium.

Following commencement, a pinning ceremony was held in the Memorial Union for the

graduating seniors and their families.

The School of Nursing graduated its first class in 1927 with 12 students. This past semester the school had a total of 1,072 students in the undergraduate and graduate programs.

The graduates included Bridget Lynn Matenaer, West Bend.

from Tom Leitzke, R.P.H.

BREAST CANCER

Coffee, tea, cola, chocolate - these four foods contain 'methylxanthines.' Ingesting large amounts may cause benign breast tumor and sometimes leads to breast cancer, reports Dr. John P. Minton, surgeon with Ohio State U. "Fibrocystic breast disease vanished in 13 of the 20 women who gave up these beverages," says Dr. Minton. "27 other women who did not give up these foods required surgery." Switch to herbal teas, fruit juices and fresh fruit, he advises.

Dear Friends

Life ahead for the graduating student was never more promising nor challenging. In this technical age, the unskilled person is lost. Success depends on the development of professional or technical skills. The new generation must pray and work for peace, to safeguard the very existence of this world of ours. Your joy will come in molding a better world for yourselves and for future generations.

through," stated Allmann. Allmann was referring to the area along the west side of the project which will be dedicated as a street, eventually running behind the Kewaskum Mall and connecting with Timblin Drive on the north.

"Our position is, that there be two outlets for traffic. If the village would ease their requirements for a blacktop road at this time, a gravel road would be acceptable," said Allmann. Allmann noted the township wants to work with the village, but he felt some effort should be made to get the road through.

Town residents also questioned Weis about the problem of water run-off. Weis assured them the development's storm sewers could be designed to handle their excess run-off. Weis explained the proposed pond would take this water, the project's storm water, as well as fresh water from the area's natural springs. The pond would have both an inlet and outlet so there would be no problem of stagnant water. "It (the pond) will serve two purposes, aesthetics (beauty) and water retention," stated Weis.

Commission member Robert Kirst asked Weis, "what makes you think these will sell better than the condos on the other end of town?" Weis answered, "individuality." Weis noted the Timblin condos are designed to present the look of individual homes, not set in a straight apartment-like row setting.

Weis told the meeting, Tom is tackling a project faced with some problems. "He's man enough to look it in the eye and say he's going to do it," said Weis.

No new vote on the request was needed since the commission decided their recommendation to the village board would remain the same, that it approve the rezoning request. Commission Chairman Gerald Stollenwerk instructed Village Board representative Howard Laubenstein to take the commission's recommendation to the next board meeting scheduled for June 20th.

Kohn Bros. Offers Rock Bottom Financing Rates

Some of the lowest financing rates ever offered on installment purchases of Sperry New Holland haying, forage and materials handling equipment are now available at Kohn Bros. Farm Service, according to Les Kohn.

"We're trying hard to help farmers get the equipment they need at the lowest possible cost. And, Sperry New Holland has authorized us to offer an annual financing rate of as low as 3%: That's on 1-year installment contracts with monthly payments," Kohn says, "for purchase of Sperry New Holland haying and forage equipment, grinder-mixers, tub grinders, manure spreaders, and skid-steer loaders.

Two other new low rates also available at Kohn Bros. Farm Service on those Sperry New Holland machines are for 2-year contracts (6%, with monthly, quarterly, or semi-annual payments)—and for 3-year contracts (9%, with same 3 payment options)—according to Kohn.

Kohn adds that another attractive financing option is available in lieu of the 3, 6 or 9% rates: That is with "free finance" (no installment payments on hay or forage machines due until April 1, 1984—or until "use date" on manure handling and feed grinding machines).

"Sperry New Holland is working with us to do everything possible to help our customers buy the equipment they need," says Kohn. "And, we're ready to deal!"

Complete details on the financing programs are available at Kohn Bros. Farm Service, Inc., Main Street, Kewaskum, WI.

DNR Payments in Lieu Of Taxes Sent to Towns And Municipalities

Recently 777 Wisconsin towns and municipalities with property managed by the Department of Natural Resources within their boundaries received checks from DNR totalling \$1,026,000 on 1,086,800 acres in 71 counties.

The payments, in lieu of taxes on state-owned lands, were made in accordance with state statutes on lands classified as State Forest lands, Game Management lands, Fish Management lands, Park lands, and Central Wisconsin Conservation area leased lands.

The payment schedule which determines how much the DNR pays each town and municipality is lengthy and complicated, but essentially results in a payment of at least 50c per acre.

The payments are made to reduce the impact on local property taxes when the state acquires land which is removed from the tax roll.

letters to the editor ...

Dear People of Kewaskum:

Elsewhere in today's paper, we have put a card of thanks to the many people who were so kind to us during the recent hospitalization and death of our daughter, Jenny. We feel that the community of Kewaskum deserves a word of praise. The deep Christian concern shown by so many people has simply overwhelmed us. The prayers, the kind words, the food brought to our home, the genuine compassion has meant more than words can express. We had no idea how many lives our daughter had touched.

We wish you all could have known our Jenny. The Lord must have known she would only have 12 years here on earth because He put something very special in her. She packed more living and spread more joy in her 12 years than many people do in a lifetime. We cherish every day we had with her.

We thank you from the bottom of our hearts.

May God bless you.

To Kewaskum Statesman:

The School District of Kewaskum has scheduled another meeting on June 6, 1983, at 8 p.m. to approve a new State Trust Fund Loan and to negate the previous loan.

The previous meeting approved a State Trust Fund Loan of \$400,000 at 8.25 percent for 20 years. Attempts at reducing the loan to ten years were not successful. We really wanted a ten-year loan; but since it was advertised as 20 years, it could not be changed.

The State Trust Fund Loan suggested we do the procedure again. The advertisement this time is for ten years at 7.25 percent for \$400,000. The interest rate has dropped by 1 percent from 8.25 percent to 7.25 percent. Needless to say, the ten-year loan at 7.25 percent is a considerable savings to the School District.

Although the procedure is again the same, we ask for your support at next Monday's meet-

ing.

Thank you.

Sincerely,

Jean Goeden
President, School Board

Dear Sir:

We want to take this opportunity to give a rousing thank you to everyone who helped make MUSICFEST '83 a success. Through the efforts of many sponsors, donors, and volunteers, the Citizen Advocacy Program of Washington County raised over six hundred dollars. The donors included: Sail and Trail, Woodridge Restaurant, Kinfolk, Full Circle, Early Risers Kiwanis, Benidt's Red Owl Food Store, Hankerson's Country Oven, Marvin Husar, Gerber's Cheese, Moser's Bath Shop, Kay's Gift Shop, Furniture Factory, The Binkery, Hoefert's Shell Station, Jerry's Restaurant, Timothy's Restaurant, Sager's Apparel, Allen Hron Jewelers, Koehn and Koehn Jewelers, Bob Deiss, Betty Cristen, and Bast Auction Service.

The support everyone gave will continue to assist the work of encouraging volunteers to become involved in the lives of people who are disabled.

For all of you who help so much — our sincerest appreciation!

\$843,000 Approved for New Security Lighting At Kettle Moraine Correctional Facility

The Legislature's Joint Finance Committee unanimously approved an amendment by State Senator Carl Otte (D-Sheboygan) to provide \$843,000 for new security lighting at the Kettle Moraine Correctional Facility.

"I am pleased the state will now finally honor its commitment to area residents to improve security at Kettle Moraine," Otte said. "Last year a promise was made to provide this lighting. The Finance Committee agreed with me that this lighting had been agreed to, was needed and should be approved."

Otte said the new lighting will make it easier for prison of-

ficials to see inmates before they reach the outer fence. "The present lights just don't provide adequate lighting for the grounds inside the facility," Otte said. "I've been told that guards now only have 15 or 20 seconds to spot somebody before they reach the fence."

Otte said he had worked with officials of the State Building Commission and the Department of Health and Social Services to get their support for the amendment.

Otte said he believes both the Legislature and Governor Earl will support the Finance Committee approval of the lighting project.

Mrs. Katherine Schaeffer Dies

Katherine Schaefer, 97, formerly of the St. Michaels area, a resident of Samaritan Home, West Bend, passed away at St. Joseph's Community Hospital, West Bend, Wednesday morning, June 1. Funeral arrangements are pending at Miller's Funeral Home, Kewaskum.

ALBERT L. BUNDLE

Albert L. Bundle, 68, of Marathon, Wis., died Saturday morning, May 21, at a Wausau nursing home.

Mr. Bundle was born Feb. 21, 1915, in the Town of Barton in Washington County, a son of the late Mr. and Mrs. Charles Bundle. He attended school in the Town of Kewaskum and at West Bend. He married Barbara Schmitz on Nov. 25, 1954, in Stratford. She survives.

Other survivors include a son, Ronald J. Kulick, of Marathon; four brothers, Carl of Theresa,

Wis., Elmer of Reedsville, Elroy of West Bend, and Henry of San Diego, Calif.; a sister, Mrs. Forrest (Ruth) Survis of West Bend; and two grandchildren.

He was preceded in death by one brother, Victor, and one sister, Helyn Askelson of Kewaskum.

Funeral services were held at 1:30 p.m. Tuesday, May 24, at Kraemer Funeral Home, Marathon. The Rev. Jon Becker of Zion Lutheran Church, Stratford, officiated and burial was in St. Joseph Cemetery, Stratford. Friends called at the funeral home after 3 p.m. Monday and from 8 a.m. Tuesday until the time of services.

Military rites were conducted at 8 p.m. Monday by members of the American Legion Post 469, Marathon. Graveside military rites were conducted by members of the Veterans of Foreign Wars, Post 6352, Stratford.

An Air Force veteran of World War II, Mr. Bundle served as a gunner on a B-17. He was at Pearl Harbor when it was attacked Dec. 7, 1941. During his career in the military, he also served in the battles of Midway, the Solomon Islands and Guadalcanal.

Mr. Bundle was a former Washington County clerk of court. He lived in Stratford where he operated the River

View Ballroom and then Red's Bar. He served as president of the village of Stratford from 1959 to 1963. Mr. Bundle moved to Marathon where he owned and operated Bundle's Bar and Lunches. He served on the Marathon County Board from 1962 to 1966. He was an auctioneer and real estate broker.

He was a member and former commander of the Stratford American Legion and at the time of his death was a member of the Veterans of Foreign

Wars, Stratford, and American Legion Post 469, Marathon.

LOOK WHAT YOU COULD BE UP AGAINST.

When you go up a ladder, don't go up against electricity. Before you set up, look up and look out for power lines.

When painting or adding aluminum siding, roofing, or rain gutters, keep your distance from wires entering your home. Extension ladders are especially hard to control, and damp wooden ladders can conduct electricity just like metal ones.

So before you start up a ladder, stop and

look up for electric wires. You could be putting your life on the line.

Need Travel Assistance? Just Dial 1-800-Escapes

MADISON—Want to know where to go in Wisconsin to tour a submarine? Would you like to know where to see art in Oshkosh? Need to know if there's snow in Woodruff? Pick up your phone and dial 1-800-ESCAPES!

Now it's easier than ever to find the answer to those questions, and more, that relate to tourism in Wisconsin.

The state Division of Tourism of the Department of Development has put into service the new telephone number that plays off of the Division's promotional theme for the state: "Escape to Wisconsin." The theme has been used on books and brochures and on millions of green-and-yellow bumper stickers.

The toll-free telephone number, 1-800-ESCAPES, is in service in all of Wisconsin, Minnesota, Iowa, Michigan, and the northern half of Illinois. The number can be called 24 hours a day but is personally answered only during normal daytime business hours of the Tourism Information Center in Madison, 7:45 a.m. to 4:30 p.m. Monday through Friday. A tape recorder on which callers can leave messages is in operation all other times.

First announcement of the new number was made in Chicago and Minneapolis

during recent weeks in the form of huge "Escape to Wisconsin" bumper stickers adorning the rear of city buses, an "ad vehicle" first used last year. This year's bus bumper stickers added the message "Call 1-800-ESCAPES."

The Division has had two "800" numbers in use in recent years (one for within Wisconsin and the other for adjacent states) but these were just random digits assigned by the telephone company. "We feel the 'ESCAPES' number will be an easy 'number' to remember," said Milt Strauss, Administrator of the Division of Tourism. "Our information services are really just as near as your telephone, making it even easier for people to find out more about Wisconsin."

Utah's Great Salt Lake was once ten times larger. The outline of the older, fresh lake is still visible on the mountain sides above the present lake's basin.

WINNERS — The A.M.P.I. Women of 7-D sponsored a June Dairy Month cow coloring contest for second grade students at Farmington Elementary School. Pictures are on display at Rich's Food, Kewaskum, until June 16. Left to right, Christa Schmidt, best girls; Robyn Winninghoff, runner up; Scott Donath, best boys and Aaron Rettler, runner up.

City of West Bend Seeks Approval From DNR to Construct Sanitary Sewer

MADISON, WI—The City of West Bend, Washington County has requested approval from the Department of Natural Resources of plans for constructing a large diameter sanitary sewer in Sections 25, 30; T11N; R19, 20E in the Towns of West Bend and Trenton.

The proposed project would consist of constructing 5,900 feet of interceptor sewer within the floodplain of Quas Creek and adjacent Type 1 and 6 wetlands designated as primary environmental corridor.

The project is designed to provide initial sanitary sewer service to 230 acres for a proposed industrial park and ultimately would be capable of serving 2,400 acres for future residential and commercial development over the next 50 years.

The proposal is consistent with the existing approved sewer service area and a pro-

posal by South East Wisconsin Regional Commission to expand the service area. The amendment to the existing sewer service area plan is currently being reviewed by the Department of Natural Resources.

The Department has made a preliminary determination that an Environmental Impact Statement will not be required for this action.

Copies of the Department's Environmental Assessment that led to this preliminary determination can be obtained from: Mr. Charles Schuler, DNR, Bureau of Waste Water Management, Box 7921, Madison, WI 53707; Phone: 608-267-7621.

Democratic Party Leaders Elected

New Ninth Congressional District Democratic Party officers were elected at their district caucus held recently at Johnny's Supper Club, Sheboygan.

Elected from Washington County was Arlene Beisbier, West Bend, Secretary.

Delegate representatives from Washington County are: William G. Moore, county chairman; Dennis Burnick, Germantown; Arlene Beisbier, West Bend; Robert and Hope Cross, West Bend; Marvin and Minerva Martin, Kewaskum; Roberta Moore, Hubertus; Allen J. and Pauline Norem, Germantown; Joseph C. Spaeth Jr., West Bend; William and Rita Steinhilber, West Bend.

These delegates will attend the State Democratic Party Convention June 10-11 at the Pfister Hotel, Milwaukee.

Rummage, Bake Sale At Holy Trinity

The annual Rummage and Bake Sale sponsored by the Ladies Altar Christian Mother's Society of Holy Trinity Church, Kewaskum, will be held Thursday and Friday, June 9-10, in the church hall.

On Thursday, the sale will run from 9 a.m. until 5 p.m. Friday's hours will be from 9 until 2. Friday is half price day.

Good bargains will be found on children's and adult's clothing. There will also be booths for antiques, housewares, furniture, refunding, boutique and crafts. There will be fish pond and other games for the children.

Fresh bakery will be sold in the Country Kitchen. Lunch will be served in the church hall on both days. There will be homemade soup, bar-b-cue sandwiches, coffee, milk, delicious desserts and ice cream cones.

Vista Festival Sunday, June 6

The annual Vista Festival will be held on Sunday, June 5, from 11:00 a.m. to 6:00 p.m. A Spanferkel Dinner will be served and brats and hamburgers will be available all day. There will also be a flea market, games and crafts.

For your enjoyment, "Sing-Out Fond du Lac" will perform from 2:30 - 4:00 and "Syl and the Polka Dots" from 4:00 to 6:00.

Bring the whole family. Spend Sunday, June 5, at "The Vista," one mile north of Dundee on Vista Drive, in the heart of the beautiful Kettle Moraine.

New Energy Source Uncovered In Wisconsin

A significant natural energy resource has been discovered within Wisconsin's borders which, if developed, could supply the state with the energy equivalent of 8,600 barrels of oil per year. That resource is methane gas and according to the Wisconsin Department of Administration's Division of State Energy (DSE), it occurs naturally in significant amounts at more than 16 major landfills around the state.

A study of the Outagamie County landfill site near Appleton, one of the largest in the state, concluded that about 50 billion Btu per year in methane gas could be recovered from decaying organic material in the landfill. According to Don Wichert, DSE research analyst, that is enough gas to heat approximately 1,000 homes per year.

The gas, which has about one-half the energy content of natural gas, is produced when certain bacteria decompose organic matter. The higher the organic and moisture content of

a landfill, the more gas will be produced. The Outagamie County landfill has been chosen as a prime study site because it receives large volumes of paper mill sludge from the Mid-Tech Paper Corp., which is located nearby.

Alternative energy uses for the gas, the study said, are direct heating of an on-site service building, selling and piping the gas to one or more industrial users in the Appleton area, or generating electricity at the site and selling it back to the electrical utility. The county is examining the alternatives and talking to potential users of the gas.

The full moon is nine, not two, times as bright as the half moon, because the visible half-moon is extremely rough and not as reflective as the rest of the moon's face.

Leona Thull Poster Winner for Natural Resources Day

Leona Thull of 8650 Kettle Moraine Drive, a student at Kewaskum Elementary School, has been chosen as one of three grade winners in the Wisconsin State Fair Natural Resources Poster Contest.

More than 55 Wisconsin schools participated in the 1983 contest. The nine winners and ten honorable mentions were chosen from more than 1,200 posters.

This year's theme, "Wisconsin's Forests: A Living Community," was chosen to celebrate the 50 years of national forests in Wisconsin and to develop an awareness of Wisconsin's forests as a precious natural resource.

The contest was open to third, fourth and fifth graders in public, private or parochial schools in Wisconsin. The nine winners will each receive a ribbon and \$10. The other ten will each receive an honorable mention ribbon and \$5.

The winning posters will be displayed on Natural Resources Day, Aug. 9, at the Wisconsin State Fair in the Activity Dome. They will then become a part of a traveling exhibit sponsored by the Department of Natural Resources, the U. S. Forest Service, Klements Sausage Co., and the Wisconsin State Fair, co-sponsors of the poster contest.

Many More Area Homes Eligible for WHFA Loans

Many more homes in Milwaukee, Waukesha, Ozaukee and Washington Counties have just become eligible for low-cost loans from the Wisconsin Housing Finance Authority (WHFA), according to information released by Lt. Gov. James Flynn, who heads the Department of Development and WHFA Executive Director Ed Jackamonis.

WHFA will now be able to finance new homes costing up to \$68,400 and existing homes costing \$64,100 for eligible low and moderate income homebuyers. Previously the purchase price had been limited to \$63,090 for new homes and \$46,080 for existing homes.

The loans are part of the Wisconsin HOME program administered by the Department of Development and financed by WHFA. Under this program low-cost loans at 12.25% are made available to first-time homebuyers whose incomes do not exceed 125% of the county median. In these four counties, the income limits is \$37,500.

The higher price limits are the result of a new study conducted by the Authority into the average purchase price for homes in Milwaukee, Waukesha, Ozaukee and Washington Counties in 1982. By law, WHFA residential loans are limited to homes costing no more than 90% of the average

price for homes in an area.

Previously, WHFA had used federally-collected data to determine the home purchase price limits, called "safe harbors." However, recently the Treasury Department lowered the limits making it more difficult for residents to find qualified homes.

"We feel the federal limits are totally unrealistic for many areas of the State," said Jackamonis. "Therefore, we have started a research effort to determine the actual average purchase price for various counties which, we think, will be higher in most cases than the federal limits."

"This is only the first adjustment," Flynn emphasized. "WHFA will continue to collect the data on a county-by-county basis to try to expand the market for low and moderate income homebuyers."

In addition, certain areas of the State have been "targeted" for rehabilitation and revitalization. In these areas, previous as well as first-time homebuyers can qualify for loans and the price limits are higher. Under the adjusted limits developed by WHFA for these counties, new homes in the target areas can cost up to \$83,600 and existing homes \$78,300. There

are several target areas in Milwaukee.

The HOME program also finances existing duplexes. The new purchase price limit is \$72,100 outside the target area and \$88,200 in the target area.

Funds for the HOME loans have been provided through the sale of WHFA bonds on the nation's capital markets. The original bond issues totaled \$150 million. Of this, approximately \$80 million remains available through participating financial institutions throughout the State. Interested borrowers can contact the HOME program

staff at the Department of Development at 1-800-362-3020.

The greatest mountain range lies under the sea. It is known as the Dolphin Rise and it extends from the Arctic to the Antarctic through the Pacific.

Congressman

SENSENBRENNER
Reports

NEW CHEMICAL WEAPONS NOT NEEDED

Again this year, the Pentagon is trying to get Congress to fund production of a new chemical weapon, the "Bigeye" bomb. This weapon, regarded as a "binary" bomb because it becomes lethal only when its ingredients combine on impact, is untested, unnecessary, and presents the wrong signal to other nations seeking an end to chemical warfare and arms proliferation.

The House is now debating the Defense Department's authorization bill, which includes \$115 million to begin production of "Bigeye." Last year, the House voted 251-159, with my support, to reject the weapon. I have joined a bipartisan group of Congressmen who are fighting again to kill it this session.

Theoretically, "Bigeye" is

supposed to be safer than the chemical weapons now in our stockpile, which are lethal all the time and present a hazard during handling or storage. The new "Bigeye" bomb, however, is reported to be unstable, flawed and dangerous to handle, for it can explode during handling or while in flight.

The U. S. already has a sizable arsenal of chemical weapons, which are horrible in their effects but which have been proven to be dependable and workable, if needed.

Moreover, there is a more serious question as to the wisdom of expanding our chemical arsenal at this time.

The U. S. has been extremely critical of the use of chemical weapons by other nations. The illegal use of toxic and caustic

bombs against the rebels in Afghanistan and the peasants of Laos and Cambodia has been branded as barbaric and reprehensible by the U. S. To build newer and more powerful chemical weapons while condemning their use at the same time would appear hypocritical.

There is a larger question of embarking on a new weapons system, chemical or not, as well. We are engaged in negotiations to limit or reduce nuclear arms with the Soviets. Though these talks focus on nuclear weapons, they might be damaged by deployment of new non-nuclear systems like "Bigeye."

"Bigeye" is not a good idea. We are not sure it will work, it is very costly, and it could give the Soviets ammunition for their propaganda attacks on the U. S. for being hypocritical or "warmongers." I hope our effort to kill this project succeeds in the House this week.

NOVENA TO ST. JUDE

O holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, Faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present urgent petition. In

return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. Publication must be promised. St. Jude pray for us and all who invoke your aid. Amen. This Novena has never been known to fail. This Novena must be said for 9 consecutive days. I recite it every day. Thank you St. Jude.

Gas Grill Vs. Charcoal Grill

2¢ vs. 80¢

On the average, you'll prepare your favorite outdoor meal on a Charmglow gas grill for about 2¢ per hour. The same meal prepared the conventional charcoal way would cost about 80¢.

Plus, you'd have the mess, the wait and the ashes. Just because Charmglow cook-outs are fun doesn't mean you can't save money, too.

... all the fun and flavor of cooking out, without the fuss!

Kewaskum Special Olympians Head for State Meet

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Special Olympics team made an excellent showing at the Spring regional meet held in Sheboygan three weeks ago.

The seven-member team brought home 10 first place, 2 second place, one third place and 1 participant ribbons. Because of their all-out effort, every team member earned the opportunity to participate in the state meet to be held June 10, 11, and 12th in Stevens Point. In order to participate in a state meet, an olympian must win either a first or second place ribbon.

Jean Wiesner won first place in both the 50 meter dash and standing long jump. Joanne Stautz took first in both the

softball throw and 50 meter dash. Stacy Mueller received a second in the softball throw and third in the 50 meter dash. Julie Morgan earned a first in both the standing long jump and 200 meter run. Michael Busse won a first in the softball throw. James Paulsen took a first in softball throw and a second in the 50 meter dash. Timothy Moody won a first in the long jump and participant in 50 meter dash.

The Special Olympics team, their parents, coaches and sponsors will be attending the Second Annual Special Olympics Banquet to be held June 15th at the Glacier Inn. Anyone who may wish to attend the banquet can contact Mrs. Kathy Charland at the Kewaskum Elementary School for further information.

Tim Moody, No. 258, second from right, and James Paulsen, No. 255, extreme right, winning their way to the State Meet.

SPRING HEALTH BULLETIN
By H. L. Rumsey, D.C.

Early spring with its cold winds and changeable weather can be a treacherous, sneaky time of the year. No matter how carefully you prepare for the day's weather, by evening you usually will feel you made the wrong decision.

Such weather often brings runny noses, sneezing, coughing and general discomfort. How do you battle spring colds? The best way to beat this season is to increase your body's resistance.

Chiropractic is especially effective in doing just this. It recognizes that an adequate nerve supply is of the greatest importance in regulating the function of all tissues of the body. By restoring the proper balance of body processes, the all too common cold loses its force and more serious complications are avoided. Chiropractic care also will help you keep in top condition for the coming outdoor activities of warmer weather.

You may not enjoy the changeable weather of April and May, but good health makes it easier to endure. Maintain good health in all seasons by seeking your chiropractor regularly.

Yours for better health, naturally

The Kewaskum High School baseball team closed a very successful season last Saturday

when they played the final Tri-County League game. They were successful in winning 17 out of 19 games during the past season. A picture of the team included John Krautkramer, Earl Kohler, Harold Smith, Wilmer Klahn, Joseph Miller, Kilian Honeck, Harold Claus, Edmund Rinzel, Robert Roseneheimer, Harold Marx, Billy Schaefer and Otto Stenschke. Mr. Rose was the manager and Mr. Skaliskey was the coach.

Rev. Ph. J. Vogt administered First Holy Communion to a class of seven children at the St. Bridget's Catholic Church last Sunday. The class consisted of Arnold John Hawig, Sylvester Anthony Karl, Earl Martin Penoski, Bruce Benjamin Petri, Roger John Reindl, Carl Math. Volm and Charlotte Veronica Sukawaty.

The following pupils of the Gage school had perfect attendance for the ninth months: Eva Marie, Arthur and Ivan Buss, Betty and Bernice Krueger, Lloyd and Ruth Wesenberg, Lloyd and Delbert Petermann, Harold Krueger and Laura Hirsig. The school closed Wednesday with a picnic and marshmallow roast.

Sheriff Says State's OWI Law Is Working

Wisconsin's tougher drunk driving law, which was one year old last month, appears to have been effective in reducing alcohol-involved traffic deaths, according to Clarence Schwartz, Washington County Sheriff.

One measure of its effectiveness is the reduction in the number of under the age of 25 drivers killed in traffic crashes with high alcohol levels in their blood, the Sheriff said. In 1981, before the law went into effect, 65% of the fatal drivers, age 25 and under, had blood alcohol levels of .10% and above. And .10% of blood alcohol concentration constitutes legal intoxication in Wisconsin, the Sheriff added. But after the new law went into effect in 1982, the percentage dropped from 65% to 57%.

The decline was noticeable in the under the age of 21 group

fatal drivers, where in that group the legally intoxicated level of fatal drivers declined from 55% in 1981 to 48% in 1982, Schwartz said.

Sheriff Schwartz concluded by saying, the new law carries a first time penalty of about \$440.00, not less than three (3) months license suspension, and mandatory assessment of the drinking problem. A second offense carries a mandatory five (5) days in jail, plus higher fines and longer revocation periods.

Benjamin Franklin was the first head of the U.S. Post Office.

MPTI Offers Summer Classes

THE CHANGING FAMILY: ADOLESCENT YEARS

Helping families cope with adolescence is the aim of a class offered this summer at Moraine Park Technical Institute, West Bend.

The Changing Family: Adolescent Years will focus on issues of development during adolescent years and the behavioral reactions by the parenting adult.

Dennis Wolf, MPTI instructor who is an individual and family therapist, says the areas to be explored include developmental issues and behavioral manifestations of adolescence, parental roles and changes, and methods to promote family equilibrium.

This four week class will meet on Tuesday evenings from 7 to 8:50 p.m., beginning June 7. The registration fee is \$5.05. Men and women, parents and teen-agers are invited to attend.

Register in person at MPTI, 2151 North Main Street, West Bend. For more information, call 334-0909.

PRE-SCHOOL YEARS: LEARNING TO LEARN

A class for parents and child

care personnel is being offered at Moraine Park Technical Institute in West Bend this summer. It is Pre-School Years: Learning to Learn, a four week class starting Thursday, June 9. This course will be instructed by Kathleen Burns.

Areas to be covered include motor development, social skills, early reading, math and language development.

County 4-H & Youth Agent

NEW COLOR FILMS USEFUL FOR 4-H'ERS MAKING PHOTOGRAPHIC HISTORIES

Two types of color film on the photography market this year are especially significant for 4-H'ers who are building photographic records of their family history, says Claron Burnett, University of Wisconsin Extension visuals specialist. One is the world's fastest color film, and the other provides color negatives that will last much longer before fading.

The new high-speed color negative film is Kodacolor

VR1000 Film. It has an ASA speed rating of 1,000, making it ten times faster than Kodacolor II and two-and-a-half times faster than films with an ASA of 400.

This film will allow photographers to take pictures under poor lighting conditions while still using shutter speeds that can freeze the action of moving subjects. It may also allow camera buffs to save money by spending less on flash bulbs. The film also uses a new type of grain, producing sharper pictures than previously possible at such high speed.

Kodak Vericolor III Professional Film, Type S, produces color negatives that will last five to ten times longer than Vericolor II negatives before noticeably fading. The new film is also one-third stop faster and provides sharper pictures with better color than its earlier version.

Vericolor III are available in 135, 120, 220 and long-roll sizes this spring.

While Vericolor III will provide much longer lasting color photos than previous films, 4-H'ers who want their photographic family history to last as long as possible should still make black-and-white copies of the best color pictures — and shoot some black-and-white pictures at special events. Even with the new films, there is still nothing that can compare with the price and longevity of black-and white-film.

In the Service

Navy Seaman Recruit Mark A. Justman, son of Harry A. and Rita M. Justman of 4769 Ridge Road, Kewaskum, has completed recruit training at the Naval Training Center, with the Navy Recruit Training Command, San Diego.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid.

RACING NEWS

by Tom Gross

After the weather had postponed the season opener for the Eastern Wisconsin Stock Cars, Inc. last week, it almost looked like perfect racing weather Saturday in Plymouth at the Sheboygan County Fairgrounds this week. Almost.

Over 2,000 fans had to run for cover as the first feature race

was about to begin. The modifieds had started to parade around the circuit when the rains fell gently, then turned into a downpour before the green flag could be given.

Prior to the rains canceling the remainder of the program, which has been deemed official according to E.W.S.C. rules, modified heat winners were (1) Dick Hed, Sheboygan; (2) Butch Erickson, Plymouth; (3) Gene Erdmann, Sussex and (4) Bill

"Schwartz" Johnson, Slinger. Al Dirkman, Whitelaw, Ken Schulz, Plymouth, Randy Sippel, Elkhart and Willie Goeden, Kewaskum, each got second spot honors in each of the respective heats.

Sportsman heat winners were John Born, Howards Grove, Gary Laack, Glenbeulah and Mark Froh, Sheboygan.

Randy Meyer, Manitowoc, took the only heat race in the hobby stock division.

Fast times were recorded by Wayne Goetch, Sheboygan, in the modifieds with a time of :14.95. Scott Vollbrecht, Sheboygan Falls took the sportsman division honors with his :16.74 clocking.

The racing slate will try once again next Saturday at the Fairgrounds with time trials starting at 7:00. Features will begin at 8:00.

PUBLIC NOTICE

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin, Village Board is scheduled for Monday evening, June 6, 1983, at 8:00 p.m. in the Council Room of the Municipal Building, 204 First Street.

The agendas for meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of the Valley Bank.

CARD OF THANKS

We wish to thank all our relatives, many friends and neighbors for their prayers and kindnesses during the time that our daughter and our sister, JENNIFER RAMTHUN was hospitalized and at her recent death. A special thank you to Fr. Berghammer, Kewaskum Rescue Squad, classmates, students and teachers at Holy Trinity School, donors of floral and memorial tributes, food, Ladies of the Peace Church and Holy Trinity Church for serving the luncheon, pallbearers, organist, choir, Girl and Boy Scout Troops, traffic officer, Miller's and to any one who showed their respect and helped us in any way.

Mr. & Mrs. Harvey Ramthun and family

BIRTHDAY MEMORIAL

In remembrance of William F. Krueger in observance of his birthday, June 4, 1983:

We watched through all your suffering, and often had to cry, for we knew that very soon, we'd have to say Good Bye. When days are sad and lonely and everything goes wrong, we seem to hear your whisper, "Cheer up and carry on," Each time we see your picture, you seem to smile and say; "Don't cry, my loved ones, I'm only sleeping, we'll meet again someday."

Your loving family

Brian Johnson Qualifies For State Track Meet

The Indians' Brian Johnson is the only Kewaskum athlete to qualify for the WIAA State Track Tournament in Madison June 3 and 4, following stiff sectional competition at Neenah Thursday.

Johnson made it with his 15.2 clocking in the 110 high hurdles, for second place, behind Kent Van Vynhoven of Kimberly. Johnson, besides his second in the high hurdles, placed fourth in the lows, in 40.8.

Johnson is about in the middle of the pack of the high hurdlers who qualified for State. He had the same time as Tom Leow of Hartford. The times range from 14.8 (Eric Black of Milton) to 15.5.

Kewaskum's Holly Kempf placed third in the discus, behind Kathy Rodemann of Fond du Lac (138-3) and her sister, Karen, and just missed going to State.

Linda Larsen placed fifth in the 800 run. She had placed fifth at State last year in Class

Chris Harlow Qualifies in Golf Regional Here

Ozaukee won the four-school WIAA golf regional at Hon-E-Kor Country Club last Tuesday by 14 strokes.

Ozaukee, champions of the Central Lakeshore Conference, shot 347 and had two of the top three medalists.

Kewaskum, which had qualified for the sectional the past several years, had to settle for representation by one individual. He was junior Chris Harlow, who was second medalist.

Harlow posted a 42-40, two shots behind Ward Plier of Ozaukee, who came in with rounds of 39-41.

This was Harlow's third crack at the sectionals. He went with his team as a freshman and sophomore.

Ozaukee had an 87 from Will Kettenhoven to go along with an 89 and 91. Kewaskum placed second, Random Lake third and Cedar Grove last in the regional here.

Sectional play was set for Tuesday, May 31, tentatively at Mee-Kwon golf course in Mequon.

Cougars Trim Indians in Opening Game

ONLY 2 LETTERMEN BACK

The Kewaskum Indians opened the baseball season at Campbellsport Saturday in a non-conference game and were defeated by the Cougars, 16-1.

Most of the Indian seniors have graduated and Coach Perry Koth faces a rebuilding chore this year. Gone are Jeff Geidel, who posted an outstanding .84 earned run average and pitched himself to the EW all-conference squad first team selection; Ric Leitheiser, all-conference outfielder; Dave Donath, leading hitter in the conference and an all-conference infielder; Tim Heberer, pitcher, and several other regulars. Kewaskum placed second in the EW last season.

The Indians have just two lettermen back, juniors Brad Dieringer and Jim Braun. Koth does not have a single senior on the squad. The majority are juniors with two freshmen on the squad. Jim Hanrahan and John Swanson are the top pitching prospects. They hurled for the JV team last year, which won just three games.

This year Kewaskum will play an 18 game schedule, in only one conference instead of two, and will play each Eastern Wisconsin opponent three times instead of twice.

Campbellsport hitters got to Hanrahan for six runs in the fourth Saturday, breaking open what had been a one run ball game. Kewaskum had base-runners in the second, third and fourth innings but Rick Serwe worked his way out in all three innings.

Serwe lost his bid for a shutout in the seventh on a single by Steve Kuphal, a passed ball, and an error on the shortstop. He ended up with a two hitter striking out and walking nine. The Cougars had 16 hits off three Indians hurlers. John Swanson and freshman

Tim Rohlinger followed Hanrahan on the mound.

Dieringer got on base three teams for the Indians and had two steals. Coach Koth took a good look at all of his candidates, playing 16 boys, to make some decisions for the conference opener Tuesday.

Kewaskum Loses To Waupun in Tri-County Game

Kewaskum played a Tri-County Night League game at Waupun Thursday and was defeated, 5-3.

Kewaskum scored the first run of the game in the top of the second inning. Ron Theusch was safe on an error, went to second on another error, to third on a passed ball and scored on Mike Donath's single.

Waupun scored 2 in the bottom of the second, one in the fifth and 2 in the seventh to take a 5-1 lead. In the eighth Dave Donath hit a home run, making the score 5-2. In the ninth Al Jaeger doubled and Tim Perkins doubled scoring Jaeger. That was all the scoring, final score 5-3.

Tim Heberer pitched the first 5 innings for Kewaskum, giving up 3 hits, 3 runs, walking 3 and striking out 4. Jeff Geidel pitched the last 3 innings, giving up 3 hits, 2 runs, striking out 6 and walking 2. Heberer was the losing pitcher.

Curt Bronkhorst pitched the entire game for Waupun, giving up 5 hits, 3 runs, striking out 11 and walking 2. He was the winning pitcher.

Dave Donath had a solo home run for Kewaskum and Mike Urban had a solo home run for Waupun.

Monday's game against the West Bend Lithias was rained out.

Winners in Big Fish Contest

Winners in the Village Sport Shop Big Fish Contest for the week of May 22 thru May 28 are as follows:

Dan Fischer of Kewaskum caught the largest Crappie on the Milwaukee River on May 23. It weighed 1 lb. 2 oz., and measured 13".

Bob Poznanski of Kewaskum brought in the winning Bluegill May 26. His 9 oz., 8 3/4" fish was taken from Thieme's Pond.

The Milwaukee River continues to be a good source for some nice Northerns. Keith Callahan, Kewaskum, took out a 11.7 lb., 36 3/4" Northern on May 27. His son Brian's Northern, also from the river, won 2 weeks ago.

Congratulations to all the winners! Want to give these fishermen some competition? Bring in your catch for weighing at the Village Sport Shop. There are no entry fees and no pre-registration. Weekly prize given for the largest Northern, Bass, Walleye, Crappie and Bluegill.
