### New Street Again Stymies Condo Project

By GERRY MUELLER  
Statesman Staff Writer

Development and dedication of a new street bordering the west side of the proposed Timblin Condominium project still has not been resolved.

After more than an hour and a half's discussion during the Plan Commission's meeting Tuesday night, with Village Board members also present, the end result was no results. Although some points were cleared up to the mutual satisfaction of the Village and Timblin family, no satisfactory compromise could seem to be worked out regarding the development and dedication of the new street which is needed

to give the village access to provide necessary services such as fire and police protection and garbage collection.

At present, the five-acre site is virtually "landlocked," with access available only via the Town of Kewaskum's street Bonnie Lane.

Ron Weis, designer of the project, has asked that the village allow the Timblins to improve the street in phases, with the first phase providing just enough development to allow access to the subdivision for construction, sale and occupancy. The village, however, is standing fast on their requirements, stating past road problems with other developers as the reason the Timblins, and any other developers, must follow ordinance to the letter. They require complete improvement of the street, including sewer, water, blacktop, curbs, etc., and dedication of the street before any permits can be issued.

Weis contends that, legally his clients are not required to improve any more than the 460 feet, from the south to north border of the project. However, in an effort to work with the village, they had agreed to improve an additional 800 feet of roadway on another parcel of land they own from the project's north boundary, running behind the entire length of the mall and hooking up with Timblin Drive on the north side of Kewaskum Mall.

Weis told the commission his clients could go back to their original plan of constructing only the 460 feet and legally the village would have to issue permits. Weis was told the village still could deny any permits since this short portion of street still would not provide access for the required fire safety requirements. The road would still start at a town road and end in a dead-end street, back to the same landlocked problem as before.

Public Works Superintendent Augie Bilgo said the ordinances were designed to eliminate this type of problem. Bilgo said his department already has one area of the village which must be serviced by using town roads

(Continued on Page 2)

### New Officers Elected at Peace Church

On Sunday, October 23, the congregation elected new officers at the Annual Business Meeting of Peace Church.

The following individuals were elected to a three-year term of office: L. N. Peterson (Elder), Dr. Greg Ogi (Deacon), Mrs. Robin Foerster (Deacon), Fred Krieser (Trustee), Maurice Hovland (Trustee), Willard Gruhle (Pastoral Relations Committee), and Betty Fleury (Christian Education).

Mrs. Janet L. Hubbel was re-elected as the church president. The congregation approved a 1984 combined budget of \$69,230. Mrs. Hubbell's report highlighted the church's continuing growth and service and future goals for attainment.

### Farmington Landfill Sites Not Ideal

By GERRY MUELLER  
Statesman Staff Writer

People attending last week's meeting of the Washington County Solid Waste Management Board heard the group vote to go ahead with the study to determine if the William Schroeder farm, located in the Town of Trenton, could be adapted to provide a suitable site for a county landfill.

Several interested Town of Farmington residents attending the meeting heard a report on the two sites in their township which had undergone testing this summer to determine their suitability as possible county landfills.

Results from the tests on the Robert Schachtschneider farm showed at least twenty feet of gray silt clay which would not meet Department of Natural

Resources requirements as a landfill liner. Another strike against the 69 acre farm is a wetland located in its northwest corner. Also, any landfill on the farm would require setbacks from neighboring private wells.

Test borings on the Daniel Rodenkirch farm failed to locate any underlying clay layer. The county would have to locate a clay source to line the site if the farm were chosen.

Michael Dovichi, board consultant, noted that while they were not totally bad, neither of the farms was the ideal site.

Previously, the Schroeder farm had been rejected for failing to meet state requirements. At Thursday night's meeting, Dovichi indicated, however, that with modifications the farm still had potential.

### Trick or Treat Sunday, 3 - 5 p.m.

Trick or Treat in the Village of Kewaskum will be held on Sunday, October 30, 1983. The hours are from 3:00 p.m. to 5:00 p.m. Parents are urged to check their children to insure they have some light colored clothing included in their outer attire. They should also check the child's field of vision before they let them out of the house.

We request no parents follow their children in autos because of the danger of an excited youngster running into the path of the auto while the parent is intent on watching his or her child rather than the road. The Auxiliary Police will be on patrol all over the village. If anyone has any problems with suspicious treats they should contact one of these people immediately. They will also be available to help with dangerous crossings. With your help we should be able to furnish our children with an afternoon of SAFE fun.

Thank you, Chief Hlavaty.

### Spectator Buses Going to Playoff Game at Kewaunee

The Kewaskum Indian varsity football team will be playing in Kewaunee, Wis. on Nov. 1st at 7:30 p.m. in a WIAA championship playoff game. Spectator buses will be leaving from Kewaskum at 4:30 p.m. for both adults and students. Prices include both the game ticket and the bus ride and are \$5.50 for students and \$6.50 for adults. Tickets will be sold during the Kewaskum-Chilton football game on Friday, Oct. 28, at the concession stand or at the high school office. Tickets must be purchased no later than Monday, Oct. 31st.

### DAYLIGHT SAVING TIME ENDS SUNDAY

Daylight Saving Time ends at 2 a.m. Sunday, Oct. 30. Be sure to turn your clocks back one hour retiring Saturday night to regain the hour lost in the spring. Taverns must also close at 1 a.m. again.

### District Scout Dinner Here

The annual Recognition Dinner for Glacier Edge District 11 of the Bay-Lakes Council of the Boy Scouts of America will be held Sunday, November 6, at 6:00 p.m., at the Amerahn, Highway 45 N, Kewaskum. The social hour will begin at 5:00 p.m.

The District Award of Merit and other Scouting Awards will

be presented.

Reservations should be made with Mrs. Joan Hess, 1580 Parkway Drive, Port Washington 53074. The cost is \$6.50 per person before October 29; late registrations and walk-ins will be \$8.00 each.

Richard and Fern Borchardt are co-chairmen of the event.

HOMEcomings ROYALTY — Serving as king and queen at the Kewaskum High School homecoming dance Saturday night were king Jim Braun and queen Sherry Phillips.

# Condo

(Continued from Page 1)

to get to it. "It's a bad situation and I don't want another one like it," said Bilgo. "That's why I want to see the road put in all the way."

Plan Commission member Charles Miller spoke up noting the more the problem was discussed, the cloudier and more confusing the issue got. He made a motion that Weis submit a letter in reply to one sent to him by village on October 7th, listing the village's requirements with respect to the project. In that letter Miller asked that Weis state, paragraph by paragraph, exactly what the developers plan to do and when. When we've got something down in black

and white, then we can see exactly what we're talking about, said Miller. On approval of the motion the commission meeting was adjourned.

## Millers Attend Nevada Convention

Mr. and Mrs. Edw. E. (Pat) Miller were in attendance at the National Funeral Directors Convention held in Nevada from October 17 thru the 20th. The Convention consisted of meetings and seminars on funeralization, members being advised on problems in reference to operating a funeral home. Funeral home merchandise and equipment were on display at the convention center. Pat is Chairman of the Board of Miller's Funeral Home Inc. in Kewaskum.

## Girl Scouts Busy With Activities

With investiture and rededication ceremonies completed, each troop is now busy with different activities.

Troop 61, Farmington, went on a nature hike on Silver Trails. Starting out at the Ice Age center they watched the film then took a hike in the woods. After that they went on a tour of the Wade House in Greenbush. A good time was had by all.

Troop 53, Kewaskum, went on a hayride and cookout in the St. Kilian area. The color of the trees was breathtaking.

On Monday, October 31, all Girl Scouts will honor Juliette Low on her birthday. She is the founder of Girl Scouts.

## LETTERS TO THE EDITOR...

Letter to the Editor:

On behalf of the Kewaskum School Board, I would like to congratulate the entire student body, the faculty and especially the Class of '84, for the well organized homecoming week.

Special thanks to Mr. Ammel, who is the senior advisor and who was in charge overall of the homecoming festivities.

Hats off to the football team for an outstanding season and we wish them continued success in the WIAA playoffs.

Kewaskum School Board,  
Jean Goeden, President

## Tots Visit Pumpkin Farm

Pumpkin Fever! That's what is contagious at the YMCA Tot Time in Kewaskum. October is a month of studying nature's changes: butterflies and cocoons; apple trees and colored leaves and a pumpkin's growth from a small seed to a round orange globe. The culmination of these activities occurs on a visit to Krauss' Pumpkin Farm in Saukville. There the children see a great man made from pumpkins; ride the farm wagon and pick any pumpkin they can (and often can't) carry. Of course, pumpkins lead to the introduction and recognition of the oval shape and colors green, orange, and Halloween black.

The pre-schoolers are also exploring themselves. They are using transactional analysis to discuss their feelings- i.e. warm fuzzy feelings are much more popular than the "cold pricklies." They are extending and refining their social skills through interactions with each other and the many terrific mothers who help daily. They also are pursuing a planned program of interpersonal skill development from American Guidance Service. The two hour class sessions are well spent. The children engage in active play on the climber, rocking boat, blocks and wonder horse. They explore their world through magnifying glasses, numbers, sensory experiences and dramatic play. They develop their creativity and fine motor coordination through open and planned act experiences. They also have time

for stories, games, poems, fingerplays, songs, rhythm instruments and sharing. There's lots of time to listen to each other and to make friends.

If you and your child would

like to join in these special growing activities, please call the YMCA at 334-3405 or Rosalyn Kiefer at 626-2566. The YMCA Tot Time serves children ages 3 through 5. Class enrollment is limited to twenty, but there are some openings available in each class.

### Ehnert Receives 25-Year Award

Richard Ehnert

Richard Ehnert has been honored for 25 years of service to Regal Ware, Inc. In appreciation, Ehnert was presented with a specially engraved gold watch.

During his tenure at Regal, Ehnert worked as a welder in the Finish Department and since 1967 has been an interstate truck driver.

Ehnert and his wife, Joan, who also works at Regal, live in rural Campbellsport.

### Town Meeting Here on Alcohol, Drug Abuse

Alcohol and drug abuse is a problem that affects most everyone in our community. Let's get together as a community, and watch the movie, "The Chemical People," listen to panelists from our community and share our concerns. On Wednesday, November 2nd and 9th, Kewaskum will hold a town meeting as will communities throughout our county, state and nation.

The town meeting will begin at 7:30 p.m. at the Kewaskum High School. After a short introduction, the movie will be viewed on Channel 10. A panel discussion will follow with all panel members being from our community. Coffee and cookies will be served.

Bring your family, friends and neighbors and lets get involved in a program to help children, adolescents and adults to drink and act responsibly. Each evening will be different. If you cannot attend on or both of these meetings, the movie will be shown on Channel 10 from 8:00 - 9:00 p.m. those evenings.

## Tavern League Cited for Raising \$23,584 for Cancer Fund

Wisconsin residents are backing the fight against cancer more than ever, as evidence by the conclusion of the American Cancer Society's most successful fund-raising year. During the 1982-83 fiscal year, the ACS/Wisconsin Division raised \$1,931,845—the largest sum raised in one year by the Society.

Many hard working volunteers and the hopeful climate in cancer research were key variables in the success of the campaign, according to William Braucht, of Madison, who led the Division's Cancer Crusade during the year. Organizing special events, such as Longest Days of Gold and Old Style Running Events, as well as the annual door-to-door campaign were among the approaches used by the volunteer fund-raisers.

One group that played a notable role in the cancer crusade was the Tavern League of Wisconsin, which raised over \$90,000 in 1982-83 for the Society.

Tavern League members in Area 8 were responsible for raising \$23,584 of that total. Area 8 last year encompassed

Ozaukee, Washington, and Waukesha Counties. Sponsoring the Buckboards, which are large boards on which tavern patrons can clip their contributions, was the primary method used to raise the funds. Many Tavern League members also held their own special events, including raffles, "wild game feeds," chicken barbecues, and dances.

The American Cancer Society uses its funds for cancer research (31%), education programs for the public and health professionals (26%), service and rehabilitation programs for cancer patients (20%), management and general administration (9%), and activities to secure financial support for its programs (14%).

## Immunization Clinics Slated

All recommended immunizations are available to children of Washington County at the immunizations clinics offered by Washington County Community Health Nursing Service.

November clinics are:  
November 1 - 2:00 - 5:00 p.m.;  
November 22 - 9:00 - 11:00 a.m.

The clinics will be held in the Community Health Nursing Service office at 515 East Washington Street, West Bend. Immunizations are provided free of charge, but there is a \$1.00 charge for the T.B. skin test for those age 16 and over. Parents are asked to bring to the clinic their record of each child's immunizations.

After January 1, 1984 agency

records of children's immunizations will not be available at clinic sites.

Flu and pneumonia immunizations, for persons age 65 or over will also be available at these clinics.

## BELATED SPECIAL OLYMPIAN THANKS TO KEWASKUM LEGION POST

The Kewaskum Special Olympics athletes and coaches would like to extend our sincere apologies to the Kewaskum

American Legion Post for omitting their name in our summer letter of thank-yous. This was completely unintentional and we are very sorry for the error.

The Legion Post donated T-shirts as a gift for each athlete. The shirts were presented at our Annual Banquet for which the Legion also donated the meal tickets for the athletes and coaches.

We greatly appreciate the support of the Legion Post and all of our other supporters. Sincerely, Kathy Charland, Jeaneen Kudek, Diana Glick.

## Campus Notes

The 45-member University of Wisconsin-Oshkosh Wind Ensemble for its first concert of the season at 3 p.m. Sunday, Oct. 23, in the Music Hall of the Arts and Communication Center featured recent compositions along with selections by Wagner and Mendelssohn.

Dr. Kay T. Gainacopulos, who joined the UW-Oshkosh faculty in 1982, conducted the Wind Ensemble in the concert which was open to the public without charge.

The concert opened with "Canzona" by Peter Mennin, followed by "Trauersinfonie" by Richard Wagner, "Overture for Winds" by Felix Mendelssohn and "Variations on a Medieval Tune" by Norman Dello Joio.

Thirteen members of the Wind Ensemble were featured in "Old Wine in New Bottles" by Gordon Jacob. The concert closed with "Psalm for Band" by Vincent Persichetti.

Among the members of the Wind Ensemble are: Donna Ehert, Kewaskum, flute.

## Prost Receives 25-Year Award

Gene Prost

Gene Prost has been honored for 25 years of service to Regal Ware, Inc. In appreciation, Prost was presented with a specially engraved gold watch.

During his tenure at Regal, Prost has worked in the Sanding and Press Departments before assuming his present position of intrastate truck driver. He has held that position for the past 20 years.

Prost and his wife, Shirley, live in rural Campbellsport.

One eighth of a teaspoon of garlic powder equals one small clove.

### Job Placement Offered by Threshold

One of the many programs offered by The Threshold, West Bend, is Job Placement. People are referred for this service either by the Wisconsin Division of Vocational Rehabilitation or by successfully completing Threshold's in-house job training programs. Staff member, Bill Driscoll, is responsible for this activity. The Job Placement Program serves both Washington and Ozaukee County residents.

Threshold's Job Placement Program is designed to assist clients to locate, obtain and maintain jobs in the community. An emphasis is placed on matching the client's vocational, social, psychological, and medical needs and abilities with a particular job.

Upon entering the program, counseling is provided to establish realistic employment goals. Once a goal and plan are established, numerous activities are begun. Instruction in job-seeking skills is covered on a one-to-one or group basis (Job Club). Topics covered here might include tips for filling out applications, developing a resume, interviewing skills refinement which includes role-play and video-taping, and employer contact sources and methods.

Threshold Job Placement Specialist does "job development" on an on-going basis. "Job development" is a method of public relations where the specialist contacts employers in person or over the phone, to provide information about the placement program and to learn the employer's manpower

needs.

Through job development, sites in business and industry are identified that are in need of workers, and placement clients who meet those needs and qualifications are matched with those jobs.

Once a placement client is hired, Threshold is willing and able to assist the employer with training the client on the job.

The final phase placement service is the follow up. Each person hired will receive follow up services for a minimum of two years and longer when helpful.

Through the first three quarters of 1983, twenty-seven individuals have been hired for thirty-four different jobs. Some individuals were hired more than one time, upgrading their job level on a successive hire. Of the twenty-seven people hired, fifteen were for part-time or time-limited sorts of jobs. Threshold has a goal to place 24 people in 1983.

Types of jobs varied greatly from custodians and dishwashers to draftsman, coun-

selors, and factory supervisors.

A total of 105 people have participated in the placement program in direct placement services, Job Readiness Classes, or Job Club in preparation for employment.

Over 80 employers have been contacted by the Threshold's placement specialist, Bill Driscoll, as part of the program's job development activities. Employers are always encouraged to contact Bill for more information regarding Threshold's placement program, or for assistance in filling their employment needs.

### Farm Income Tax Management Program

Filing income tax returns and paying income taxes are a necessary part of any business. New government programs, changes in regulations, and other concerns will make reporting 1983 income a bit more complex for farmers.

## Happy Birthday SHELLY!

From — Tracy, Shawn, Annette, Jill, Chris & Terri

Robert Luening, Extension Farm Records Specialist with the University of Wisconsin in Madison, will lead a discussion on income tax strategies and management for farmers. The program will be presented over the Educational Telephone Network (ETN) on Monday, October 31, from 8:30 p.m. to 10:30 p.m.

Interested persons in Washington County can attend the session in the basement meeting room of the Washington County UW-Extension Office, located in Court House Annex #2, West Bend. There is no charge or advanced registration required for this program.

The hummingbird is the only bird that can hover in one spot like a helicopter.

## Sauter - Beisbier

The marriage vows of Mary A. Sauter and Robert J. Beisbier Jr. were blessed during a 2 p.m. ceremony on Friday, Sept. 9, by Father Robert Berghammer at St. Michael's Catholic Church, St. Michaels. Parents of the couple are Mr. and Mrs. Kenneth A. Sauter, 8373 Trails End Lane, Kewaskum, and Mr. and Mrs. Robert J. Beisbier, 124 Forest Avenue, Kewaskum. Julie Sauter served as maid of honor. The bridesmaids were

Robin Beisbier, Cindy Otto, Renee Beisbier and Lois Garman. The groom chose Kim Kreif as his best man. The groomsmen were David Sauter, Steve Amerling, Roger Gavin and Fred Batzler. Following the ceremony, a reception and dinner was held at the K.C. Hall, West Bend. The newlyweds spent their honeymoon in Florida and are now residing at 9185 Bolton Dr., Kewaskum.

## Kuehl - Baasch

The marriage vows of Delores E. Kuehl of 1931 Birch Terrace and Lawrence J. Baasch of 725 Sandy Acre, were blessed during a Sept. 10 ceremony at Immanuel United Church of Christ, West Bend. The Rev. Richard Hoblin officiated. The bride is the daughter of Henry Fick of Kewaskum. The matron of honor was Susan Kuehl of Hartford, niece of the bride. Bridesmaids were Sharon Baasch of Gainesville, Fla. and Terri Baasch of West Bend, daughters of the bridegroom.

Atty. Michael H. Strelka of

West Bend, the bride's son, was the best man. Dan Haug of West Bend and Jim Baasch of Newburg, the bridegroom's nephews, were groomsmen. The soloist was Nancy Bruening, niece of the bride. The bride is a deputy county clerk and insurance coordinator for Washington County. Her husband is in building maintenance for Washington County Sheriff's Department. The newlyweds are residing on Birch Terrace, West Bend.

## Cub, Boy Scout Leader Roundtables Nov. 3

Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will hold their monthly Roundtables for Cub and Boy Scout Leaders and Committee People on Thursday, November 3, from 7:30 - 9:30 p.m., at John Long Middle School, corner of Fifth and Hickory Streets, Grafton.

In the Scout Roundtable leaders will learn the know-how of winter camping, including emergency measures, and having fun. Nancy Segal, a naturalist from Riveredge, will be the guest speaker.

"Christmas and Giving Gifts" will be the center of activity at the Cub Leaders' Roundtable. All packs are asked to bring items to exhibit for the Idea Exchange. A Christmas opening ceremony and a candle-light ceremony will be presented, and a stained glass candleholder will be made in the craft section.

Cubmasters and Committee People will study "The Responsibilities of Pack Leaders."

A critique on the Council Encampment and the Craftsman Activity Badge will be covered in the Webelos Leaders session.

Members of the Order of the Arrow of the Awase Lodge will also meet at the school at this time.

## Marriage Licenses

Kathleen R. Ryan, Kewaskum, and James R. Uelmen, Campbellsport. Wedding Oct. 22.

Diane M. Larson, West Bend, and Steven J. Lehnerz, Town of Kewaskum. Wedding Nov. 12.

Pamela J. Perkins, Kewaskum, and Thomas M. Nass, Town of Ashford, Fond du Lac County. Wedding Oct. 15.

Dear friends,

If you have experienced the death of someone close to you, your presence at the visitation or funeral of a friend or relative is of special benefit to the bereaved family. The fact that you have come thru your ordeal and can now offer them support in their anguish helps very much to assuage their grief.

Respectfully,

Fred Miller

## Jr. Woman's Club Meeting Has Halloween Theme

Ghosts, witches, and a number of other creatures attended the GFWC Jr. Woman's Club meeting on Tuesday, October 11th, at the American Legion Hall.

The meeting was scheduled as a social evening for members and guests. Prospective members had a good chance to get acquainted with juniors and their upcoming projects. Receiving a prize for best costume was Mrs. Chris Sohns as "Oscar the Grouch." Decorated pumpkins and gourds were also judged.

As part of the business meeting, Ways and Means

Chairman, Mrs. Trudy Peterson, announced Mrs. Diane Banbury of Antigo, Wisconsin, as the winner of the queen size Wild Rose applique quilt, made by Kewaskum Juniors and displayed at the "Art in the Park" festival.

Mrs. Dianne Osius, GFWC Wisconsin Junior Director, will be the guest speaker for the November 8th meeting, at which time new members will participate in a candlelight initiation ceremony.

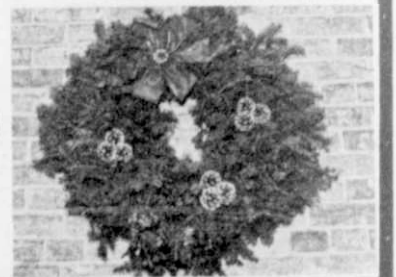

Club members would like to wish you a safe and spooky Halloween.

# At Valley Bank, we think the investment program should fit the investor.

Up to now, serious savers and investors haven't had much to say about their investment alternatives. Most rates and terms were firmly set by the government.

But the financial world is changing. And beginning October 1st, Valley Bank will be able to offer you all the financial flexibility you deserve.

## **Freedom of choice.**

Now you can approach your investment program in a totally new way. Instead of working within pre-established maturities, you can select your own terms...from as little as 32 days up to many years.

## **Financial flexibility.**

You'll be able to tailor your investments to fit your personal needs — short and long term. For example, you can choose a short-term program that frees your money for special purchases... a deposit program that earns interest up to the day you pay your taxes... or perhaps a long-term, college fund.

## **First Rate Advice.**

Our financial experts will work with you to develop a financial plan that does what you want your money to do. You can depend on our strong, helpful advice to help you make wise investment decisions.

## **Competitive Interest Rates.**

And you can count on Valley Bank for competitive market rates that deliver a good return on your investments. Plus, you're safely insured by the F.D.I.C. for deposits up to \$100,000. Consider investments that truly fit your financial needs today and tomorrow. Exercise **your** freedom of choice — Call your Valley Bank.

MEMBER FDIC AND VALLEY BANCORPORATION

**Wellness Workshop  
At Cedar Lake Home**

"Why Risk Heart Attacks or Stroke" will be the topic of Cedar Lake Home Campus community Wellness Workshop on Thursday evening, November 10, at the campus Learning Center.

The program will begin with registration at 5:15 p.m. followed by a wellness supper at 5:45 p.m. The meal stresses the way to a person's HEART is through the stomach. You are what you eat.

Dr. Don Muth, Internist, Department of Internal Medicine with the General Clinic of West Bend will be the evening's speaker. He will discuss - your heart and how it works, the risk factors affecting the heart, and how to maintain a healthy life cycle.

Registration, which includes supper, is \$7 for the first member of the family, with any additional family members \$3.50 each. People of all ages are encouraged to attend. The building blocks for a strong healthy heart begins at an early age and is a lifelong process.

The registration deadline is Tuesday, November 1. People may register by sending a check with your name, address, and phone number to Rose Classey, Cedar Lake Home Campus, 5595 Hwy Z, West Bend, WI 53095, or by calling 334-9487 or Milw. 276-4370.

Continuing Education Units will be offered through the Moraine Park Technical Institute.

**UWWC Announces  
Cast List for Comedy**

Professor Brad Ford, University of Wisconsin Center-Washington County's theatre director, has announced the cast list for Oscar Wilde's comedy, "The Importance of Being Earnest." Cast members and their roles are:

Curt Enderle-John Worthing, Mark Kohler-Algernon Moncrief, Glenn Radtke-Rev. Canon Chausible, Matt Pieper-Merriman, Roger Retzlaff-Lane, Mary Beth Sancom-Lady Bracknell, Denise Zarling-Hon. Gwendoline Fairfax, Michelle Retzlaff-Cecily Cardew, Rhonda Adams-Miss Prism, Jane Steffan and Heather Murphy-Parlor Maids.

Performance dates for this Theatre on the Hill production are November 17-20. Curtain time is 8:15 p.m. in UWWC's Theatre, 400 University Drive, West Bend. For ticket information call 338-5208.

**Antigo Woman Wins  
Jr. Woman's Club Quilt**

The Kewaskum Jr. Woman's Club would like to thank all the people who supported our quilt display and raffle this fall.

Special thanks to Karen Ellefson and the "Village Hairstylists" for displaying our quilt during September and October.

The winner of our wild wood rose quilt is Diane Banbury, a Jr. Woman's Club member, from Antigo, Wisconsin.

We appreciate your continued support of our projects.

Trudy Peterson

**4-H ACHIEVEMENT  
DANCE PLANNED**

All 4-H families are invited to the Costume Achievement Dance. It will be Friday, October 28, 8:00 p.m. at the Addison Town Hall in Allenton.

The main purpose of the program is to recognize outstanding 4-H members. County project awards and other recognition will be presented. In addition, the planning

committee wanted to add a little fun, so they are planning a Costume Dance. The Victor Jazak Orchestra will be supplying lively music. There will be judging of the costumes. There are all age categories, so everyone is invited to dress in costumes. Refreshments will be served throughout the evening.

So get your family together and come to enjoy an evening with other 4-H families from Washington County.

**SENIOR CITIZEN  
ID AND DISCOUNT  
CARDS TO BE ISSUED**

Washington County Senior Citizen Identification and Discount Cards will be issued on Thursday, October 27, and Thursday, November 17, from 3:00 to 5:00 p.m. at the Washington County Senior Center, 401 E. Washington St., West Bend. The cost of each card is \$1.00.

## Kewaskum FFA Fruit and Cheese Sale

FFA members hand the shipping all fruit once delivery is received. The Ag Shop "warehouse" serves as the shipping station until all produce is delivered or picked up.

The Kewaskum FFA Chapter is now taking orders for delicious citrus fruits from Texas, Florida, and California. Ruby Red grapefruit, Hamlin juice oranges, navel oranges, and mixed case which are half navel and half grapefruit by weight are available.

Due to the cost of the fruit to us, the prices for 40 lb. cases will be \$14.00 case of navel oranges, \$14.00 case of grapefruit, and \$12.00 case of mixed.

This year the Chapter will also be selling cheese from nationally known Schneider's Cheese Factory. We will be selling: 2 lbs. Medium Cheddar, 1 lb. String Cheese,

and a Gift Pack which will consist of 4 -1 lb. packages of Monterey Jack, Cheddars, String Cheese, and 1 -12 oz. stick of Johnsonville sausage. The cost will be: Medium Cheddar \$4.50, String Cheese \$2.25, and the Gift Pack \$15.50.

All fruit and cheese must be pre-ordered, so please place your order by Wednesday, Nov. 2nd. The amount due will be collected upon delivery and pick up of fruit sometime between

Nov. 30 and Dec. 9. All fruit will be hand inspected upon arrival in Kewaskum to insure you of quality fruit. Call in orders can be picked up behind the high school in the Ag Shop.

To order fruit and cheese contact any FFA member or call Mr. Rizzardi at the high school (626-2166). All proceeds from the sale go to the Kewaskum FFA. All phone in orders will be contacted when the merchandise arrives.

### Dance Slimnastics Offers Class Here

Dance Slimnastics Ltd., a nationally recognized fitness club, will offer Kewaskum and other Washington County residents the opportunity to shape up for the fall and winter months ahead in a new series of classes beginning the week of October 31st.

The new fall session, titled "Swingin'" will give fitness-minded individuals the chance to work out aerobically as many times per week as desired. In classes, students see the results of this invigorating exercise program. They lose inches, tone muscles and improve the cardiovascular, or heart-and-lungs system.

Under the club's unique Open Class Policy, members can attend as many times per week as desired. The class fee covers the cost of two one-hour sessions. Participants may also attend an unlimited number of additional class sessions at no extra cost.

Dance Slimnastics, Ltd. is a nonprofit fitness corporation headquartered in Port Washington, WI. Classes and Instructor Training Sessions are offered in 24 states.

For more information on class time and locations in Kewaskum and surrounding areas call Veronica 338-2396.

### Riveredge Will Present Films

Sit back, slow down and view the new, award winning film, "Possum Living," which will take you back into a time of simpler life style and demonstrate what can be done today to life in harmony with the land at Riveredge Nature Center on Friday, Nov. 4, at 7:00 p.m. in the Riveredge Barn, Highway Y, Newburg.

The second film to be presented, "The New Alchem-

ists," is of special interest as it demonstrates real life experiments in organic gardening, alternative energy sources and fish farming by a group of scientists and their families.

Special guest speaker, Prof. Peter Ayer of the Music Department at the University of Wisconsin-West Bend, will discuss his experience simplifying his own life style with growing and thrashing his own grain and using wind power.

Non-member fee: \$1 for adults, 75c for children.

## 25 Years Ago

October 24, 1958

In a business transaction made over the weekend with Mr. and Mrs. Joe Eberle, the Peace Evangelical and Reformed congregation purchased the property and tavern and other buildings owned by the Eberles between Main and First Streets. The property, which adjoins the Peace Church grounds on the west side, includes the present tavern and residence.

The National Woodworking and Boat Company recently leased the Schaefer Bros. garage building on Fond du Lac Avenue, formerly occupied by Vincent Motors Inc. and moved into the building on October 1. The company at present employs four full time employees and plans on hiring more men when they go into production of the Runabout boat in the near future. Boats being built by the company are 14 foot runabouts, 12 foot skiffs, and 12 by 14 foot flat bottom row boats. These are sold both retail and wholesale. The concern also sells Valspar paint, fiberglass materials, Holesclau trailers and various other marine supplies. They also repair boats and store motors and boats for the winter. The gas station will sell Shell products and as of November 1 will have complete automotive service such as wash and grease jobs. At that time, the station will have a stock of tires and batteries and will be open for 24 hours.

A class of 31 little children of Holy Trinity Catholic school will receive their First Holy Communion during Mass on October 26. The first communicants are as follows: Richard Dornacker, David DuCharme, Robert Etta, Shirley Gross, Mary Heisdorf, Sandra Hoepner, Deborah Hron, Thomas Koerble, Kathleen Krieser, Constance LaMarche, Shirley Lecher, Christine McElhatton, Marilyn Reindl, Jack Rindt, Raymond Rose, Steven Schaefer, Leroy Schmidt, Thomas Schmidt, Joan Schoofs, Douglas Senn, Mary Rose Simon, Thomas

Staehler, Mary Stellpflug, Michael Thorn, Mary Volm, Linda Wiesner, David Wieter, Linda Reiter and William Butz.

Although the admission price was only fifty cents, the Kewaskum High School homecoming game Friday night cost Augie Bilgo Jr. of the village \$100 in cash. While Augie was attending the game only a block or two away, his name was the one selected as the bonus night winner in the local business places that evening. Augie was almost close enough to hear his name announced and reach out and grab the cash, but still too far away to be a winner.

Peace E and R Church, Kewaskum, was the setting for the nuptial ceremony on October 18, during which Melvin Kluever, son of Mrs. Clarence Kluever, Kewaskum, claimed as his bride, Miss Rachel Petermann, daughter of Mrs. Arthur Petermann, Route 2, Campbellsport.

SFC Arnold A. Gulley, local army recruiter, announced that the following men enlisted in the regular army: Kim T. Peterson, son of Mr. and Mrs. L. N. Peterson of Kewaskum enlisted in the U.S. Army Corps of Engineers, 10th Engineer Battalion at Fort Benning, Georgia, which will Gyroscope to Germany. William M. Boegel, son of Mr. and Mrs. Oscar Boegel of Route 1, Allenton, enlisted under the buddy plan with Peterson for the same assignment.

George eight-year-old son of Mr. and Mrs. Marvin Martin, Kewaskum, was announced as the winner in the Fire Prevention Week essay contest at Ollie's Texaco service station. The contest was sponsored by Texaco dealers of this area and the theme was "How I Can Help the Firemen Prevent Fires."

Daughters were born to Mr. and Mrs. Edward Steger, Kewaskum, on October 20, and to Mr. and Mrs. Gerald Stoffel, Kewaskum, on October 22. A son was born to Mr. and Mrs. Wallace Cudnoskoske, Kewaskum, on October 19. Twins, a daughter and a son, were born to Mr. and Mrs. William Edwards, Kewaskum, on October 18.

## 50 Years Ago

October 27, 1933

Beginning November 1, the citizens of Kewaskum, by simply calling "POSTAL" may send a telegram anywhere on the North American continent or if his interests lie even further afield he can cable to the most distant part of the world or even send a radiogram to a ship at sea. The new service is a result of an agreement reached by the Midwest States Telephone Company of Wisconsin Incorporated, with the Postal Telegraph-Cable Company, whereby the whole telegraph service of the latter company, and all its associated cable-radio companies in the International System, will be handled in Kewaskum by the telephone company. Messages may be telephoned or filed at the counter in the telephone company's office.

More than 40 high school students voices want to greet you on October 30, when "El Bandido" (The Bandit), a pleasing musical comedy will be presented. A complete cast of those taking part follows: Alvin Krahn, Earl Kohler, Martin Gutekunst, Albert Hron, Agnes Borchert, Russell Heisler, Edward Hawig, Harold Smith, Florence Westerman and Robert Rosenheimer. Those in the chorus are: Dorothea Manthei, Elaine Schleif, Herbert Hopkins, Robert Romaine, Rose Kleinschmidt, Myron Belger, Janice Koch, Ralph Marx, Lucille Romaine, Ruby Menger, Malinda Heberer, Ruth Koepsel, Bernice Buddenhagen, Ruth Kohn, Edward Engelmann, Eleanor Schleif, Delbert Backus, Howard Schmidt, Inez Stellpflug, Permin Kohler, Earl Koepke, Beulah Buddenhagen, Doris Rosenheimer, Viola Backhaus, Frances Bunkelman, Sylvester Gutekunst, Evelyn Schaefer, Lorraine Habeck, Carl Kohlschmidt and Gladys Schleif, accompanist.

Two new enrollments in the

seventh grade at the Kewaskum school bring the total to 25. The new students are Warren Canary and Helmuth Lubitz.

Among the high school students who have visited the World's Fair are the following: Russell Heisler, Herbert Hopkins, Sylvester and Martin Gutekunst, Viola and Norma Hawig, Marie Beilke, Viola Backhaus, Iris Bartelt, Doris Mae Rosenheimer, Inez Stellpflug, Agnes Borchert, Lorraine Habeck, Earl Bartelt, William Schaefer, Ruth Koepsel and Robert Rosenheimer.

Miss Theresa Hammes, daughter of Mr. and Mrs. Nic. Hammes of the Town of Auburn, and Elroy Pesch were united in the Holy Bonds of Matrimony on October 25.

when Miss Jessie Row and Mr. Ben Woog were united in the holy bonds of matrimony.

Willie, son of Mr. and Mrs. Casper Brandstetter of Kewaskum, had the misfortune of breaking his arm at the wrist while playing football.

Malinda, the six-year-old daughter of Mr. and Mrs. Albert Ramthun, Kewaskum, died October 19 of appendicitis.

A bouncing baby boy arrived at the home of Mr. and Mrs. John Werner of Wayne last week Thursday.

### NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

K. L.

## 75 Years Ago

October 24, 1908

The marriage of Miss Rosalia Witzig of this village and Mr. Edward Smith of Marshfield took place at the parsonage of the Holy Trinity Church last Tuesday. The bride is the daughter of Mr. and Mrs. S.E. Witzig of Kewaskum.

The marriage of John Rodenkirch to Miss Maggie Bendle took place on Wednesday in St. Michaels.

On October 17 occurred a very pretty wedding at the Baptist Church in Boltonville,

## Last Chance to See 'Haunted House' This Weekend

The Kewaskum Jaycees Haunted House is once again underway. The first weekend is over and turned out to be a success. The "TWO STORIES OF TERROR" proved to be just that. Many people enjoyed the entertainment so much that they slid right out the back door and started over again.

Make your Halloween a haunting one. This is your last chance! Friday and Saturday the 28th and 29th, 6:00 - 10:30; Sunday the 30th, 4:00 - 8:30, 1411 Railroad St., [the old mill]. Get a free pass to Skate Country with admission into the haunted house. Admission \$1.50.

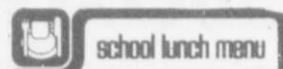

Shown in the photos are some scary scenes from the Haunted House.

GOOD LUCK INDIANS!

Brad Kidd Photos

### KEWASKUM COMMUNITY SCHOOLS

Friday, Nov. 4 - French toast, macaroni & cheese, egg slice, applesauce, cookie.

1/2 pt. milk served with each meal.

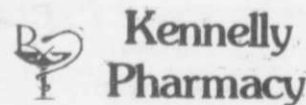

To subscribe to the Kewaskum Statesman, just call 626-2626.

from Tom Leitzke, R.P.H.

#### FEVERISH BABIES

During any fever illness, infants should not be clothed or wrapped up too warmly. Of 5 infants less than one year old, admitted to a hospital, unconscious and convulsing with very high fever, 4 died within a few hours, one survived but with permanent blindness and mental deficiency. Not one of these infants had a serious illness, but all had been bundled with so many blankets that they overheated, causing brain damage. Small children can throw off excess garments, but infants are defenseless.

## ... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

### COVERAGE OF NONPROFIT ORGANIZATIONS

Starting January 1, 1984, all employees of nonprofit organizations will be covered by Social Security. Under the old law, such employment was not covered unless the organization waived its exemption from Federal Taxes including Social Security taxes. The new provision is included in the Social Security Amendments of 1983.

Newly covered persons can get Social Security retirement and survivors insurance with fewer years of coverage than normally required if: they are at least 55 on January 1, 1984; and they earn a specified amount of Social Security credit after January 1, 1984. The amount ranges from 1½ years for a

person who is 60 or older on that date, to 5 years for someone who is 55 or 56 at that time.

Under the old law, these organizations could end coverage if they gave 2 years' notice if coverage had been in effect for at least 8 years. This is no longer allowed.

These provisions are designed to end gaps in the protection of workers who move between covered and non-covered work. In addition, they reduce the payment or windfall benefits to workers who work under Social Security and then qualify for a relatively high benefit in relation to the Social Security taxes they have paid into the system.

### Slinger Restaurant Receives Golden Butter Knife Award

Scenic View Country Club, owned by Barbara and Harry Romano and managed by Barbara Romano, received the Golden Butter Knife Award from the American Dairy Association (ADA) of Wisconsin on October 19. The award was presented to the Romanos following a "Dutch" treat dinner attended by Wisconsin dairy farmers and industry representatives. Scenic View Country Club is located at 4415 Club Drive in Slinger.

The Golden Butter Knife Award is presented to Wisconsin restaurants which serve only 100% REAL dairy products. As of September, 1983, 225 Wisconsin restaurants were recognized through this award for their special support of Wisconsin's dairy industry by serving and promoting REAL dairy products.

"There just is no substitute for the quality and good taste REAL Wisconsin dairy foods provide," says Max Maxwell, ADA of Wisconsin's restaurant coordinator. "When people dine out, they desire quality, and nothing says quality like REAL dairy foods."

The Golden Butter Knife Award is sponsored through ADA of Wisconsin by the dairy farmers of Wisconsin who contribute a portion of their milk income to promote Wisconsin dairy products.

## Obituaries

### GARY GENZ

Gary Genz of 189 Wilson Ave., West Bend, died Friday, Oct. 21, at St. Joseph's Hospital, Milwaukee, at the age of 31, following a lingering illness.

He was born Jan. 12, 1952, in West Bend, where he grew up and graduated from West Bend High School in 1970. At the time of his death he was employed at Field's Furniture in West Bend.

On Oct. 27, 1973, he married Susan Kuester at St. Mary's Immaculate Conception Church, West Bend.

Survivors include his wife; two children, Jeremy and Jennifer, both at home; his parents, Elroy and LaVerne Genz of West Bend; two sisters, Patricia (Joseph) Bingen of Allenton and Judy (David) Loken of West Bend; one brother, James of West Bend; maternal grandmother, Elsie Backhaus of West Bend; parents-in-law, John and Grace Kuester of Kewaskum; grandfather-in-law, Andrew Otten of Kewaskum; and other relatives and friends.

Funeral services were held Monday, Oct. 24, at 8 p.m. at the Myrhum Funeral Home, West Bend. The Rev. John Furtmann officiated, and burial

was Tuesday morning in Washington County Memorial Park.

### MRS. IRENE ESSELMAN

Mrs. Irene A. Esselman, 67, of 533 S. Fifth Ave., West Bend, died Thursday, Oct. 20, at her home.

She was born Aug. 6, 1916, at Ashford, to the late Barthol and Helena Steinmetz Thill. On May 4, 1946, she was married to Lawrence Esselman at Holy Angels Catholic Church, West Bend.

Mrs. Esselman was employed by Amity Leather Products from 1966 to 1982. She was a member of Confraternity of Christian Women, St. Monica Chapter of Naim and Senior Citizens of West Bend.

Survivors include five children, Roger of Newburg, Gordon of Friess Lake and Melvin, Mrs. Jim (Marlene) Yoost and Mrs. Dan (Karen) Vorpahl, all of West Bend; three granddaughters; and four sisters, Agatha Schmitt of Kewaskum and Regina Koepke, Marie Flynn and Mrs. Herbert (Pauline) Saszada, all of Fond du Lac.

She was preceded in death by her husband and by two sisters.

Funeral services were held at 7 p.m. Sunday at Holy Angels Cemetery, West Bend. The Rev. Thomas Weber officiated.

Visitation for Mrs. Esselman was after 3 p.m. Sunday at Schmidt Funeral Home, West Bend.

# Today's Medicine

## A LUMP IN THE FEMALE BREAST

By R. G. Edwards M.D.

Cancer of the breast is still the leading cause of death in women with lung cancer (due to cigarette smoking) gaining rapidly the second place cause of death. Breast cancer is the most common form of cancer in women. This year in the United States approximately 111,000 women will learn for the first time they have breast cancer. Two-thirds of them will be more than 50 years old, but breast cancer does occur in younger women (and in about 900 men a year).

No one knows the cause of breast cancer yet but it is known that breast cancer is most treatable and curable when the tumor (lump) is small. Early detection is the desire of all doctors because the treatment then will be much less disfiguring and has a much greater cure rate.

The best means of detection are:

1. B.S.E. or Breast Self-Examination. (Your doctor or nurse can show you how). Routinely every month after menses, every woman must palpate her breasts carefully. Then if a lump should develop her fingers will note the change at once. Her next step is to make an appointment for her doctor to examine this lump. Remember, 8 out of 10 lumps are not cancerous and only your doctor can be certain of the diagnosis. Never, never delay one day to make your appointment for your breast exam by your doctor. Delay and Death both begin with the letter D.

2. Detection by xray or mammogram. This is an excellent detection method, at least 10 times better than the doctors palpation method.

Divided into groups as follows:

- In all women, age 50 or more, because two-thirds of breast cancers occur in this group.
- In all women, age 40 or more, whose mother or sisters have had cancer of the breast.
- In all women, age 35 or more who have had cancer in one breast for now we know that the risk of cancer in the remaining breast increases 3 fold.

Furthermore, in my opinion, I advise a mammogram to be performed in all young women, age 28 or more, who have very large breasts to be repeated every 5 years. Why? Because no doctor can possibly palpate an early lesion which the mammogram will disclose early. I know for I had such a case and the surgeon postponed surgery one year after the mammogram diagnosis. She died two years later.

The risk of xray overdose is far less than the risk of an undiagnosed cancerous lump or tumor.

A new detection method, now in the experimental stage, is known as Ultra Sound Technique. This method has the advantage over xray in that it carries no risk of danger to the patient at all. I feel sure this method may soon be used widely in many communities as a "screening test." Suspicious cases will then be further tested by mammography and biopsy. The biopsy of a lesion means that the lump is removed surgically and the tissue is examined under the microscope — the final and unequivocal diagnosis of the "lump."

P.S. For free booklets that display this subject excellently, telephone 1-800-362-8038. Every group should phone for them.

## Workshop at Cedar Lake for Community Volunteers Nov. 3

Volunteers are one of a community's most precious assets. The more sensitive and skilled the volunteer, the greater his/her value tells Ann Stoffel, Executive Director of the Voluntary Action Center.

To help volunteers of hospitals, nursing homes and social service agencies, the Learning Center of Cedar Lake Home Campus and the Voluntary Action Center of Washington County are co-sponsoring a workshop expressly for volunteers and coordinators of volunteers on Thursday, November 3, from 10 a.m. to 3 p.m. at Cedar Lake Home Campus.

The Voluntary Action Center, a United Way Agency, was formed in April of this year to recruit and match volunteers with appropriate agencies needing help.

Cedar Lake Home Campus uses over 400 volunteers who provide numerous services within the home giving 17,500 hours of services last year.

Learning to be a better listener; understanding the aging process; Volunteers as part of the total team; and coping with feelings of death and dying, are topics that will be discussed in the day long workshop.

The cost of the workshop is \$10, which includes noon dinner and all materials. Volunteers may register by contacting Rose Classey, Registrar, Cedar Lake Home Campus, 334-9487.

## Keep Halloween Safe for Children, Sheriff Pleads

Although horror stories will soon be appearing about children finding foreign objects in Halloween candies, another real danger to trick-or-treaters is not pins or razor blades, but drivers who fail to realize how much excitement Halloween holds for young children, says Washington County Sheriff Clarence Schwartz. "Streets and sidewalks will be filled Halloween night with excited children whose minds are filled with visions of chocolate, caramel apples and cookies, not pedestrian safety rules," he said.

Washington County parents are urged to warn children to confine their trick-or-treating tours to familiar neighborhoods, bring treats home so parents can check them for signs of tampering before eating; and above all, to look both ways before crossing the street.

Young children should always be accompanied by parents or responsible older children, and

care should be used in selecting costumes so they can see and be seen. Reflectorized tape sewn on their clothing and flashlights will help motorists see them, particularly if they are trick-or-treating after dusk.

Motorists are warned to use extra caution in residential areas during trick-or-treating hours, and to be ready to slow or stop if children are present. We know that pedestrians are supposed to cross streets at crosswalks and to watch for traffic, but drivers should also be aware that Wisconsin law places the burden of responsibility on the motorist where young children are concerned. Children under seven years have been declared not to be legally responsible for their actions. This means that in case of an accident, the motorist is solely responsible even if the child disregards pedestrian laws.

Let's all help to make it a safe Halloween time for the children of Washington County.

## Surplus Commodity Food Distribution in County Saturday

WASHINGTON COUNTY HAS RECEIVED APPROXIMATELY 40,000 POUNDS OF SURPLUS COMMODITY FOOD ITEMS THAT WILL BE DISTRIBUTED TO ELIGIBLE HOUSEHOLDS ON SATURDAY, OCTOBER 29, 1983, BETWEEN 9:00 A.M. AND 1:00 P.M., AT THE FOLLOWING SIX LOCATIONS:

<u>WEST BEND</u>	ST. FRANCIS CABRINI CHURCH 615 Hawthorne (Lower level parking lot)
<u>HARTFORD</u>	MUNICIPAL RECREATION DEPARTMENT 525 N. Main Street
<u>GERMANTOWN</u>	SENIOR ACTIVITY CENTER W162 N11960 Park Avenue
<u>SLINGER</u>	VILLAGE HALL 220 Slinger Road
<u>ALLENTON</u>	ADDISON TOWN HALL Village of Allenton
<u>KEWASKUM</u>	KEWASKUM HIGH SCHOOL North Entrance

ELIGIBILITY IS BASED ON THE CURRENT MONTHLY GROSS INCOME (BEFORE TAXES) OF ALL HOUSEHOLD MEMBERS WITH THE FOLLOWING LIMITS:

HOUSEHOLD SIZE:	1	2	3	4	5	6	7	8
INCOME LIMIT:	\$608	\$818	\$1028	\$1238	\$1448	\$1658	\$1868	\$2078

ELIGIBLE HOUSEHOLDS OF 1 to 4 MEMBERS WILL RECEIVE 2 POUNDS BUTTER, 5 POUNDS CHEESE AND ONE OF THE FOLLOWING (NOT ONE OF EACH): FLOUR, CORNMEAL, HONEY, RICE, OR DRY MILK. FOR HOUSEHOLDS OF FIVE OR LARGER, THE ALLOTMENT IS DOUBLED. DISTRIBUTION SITES MAY VARY FROM THIS SCHEDULE, BASED UPON AVAILABILITY OF ITEMS. IN THE WEST BEND AREA, HOME DELIVERY IS AVAILABLE FOR ELDERLY AND HANDICAPPED IF THERE IS NO ONE IN THE HOUSEHOLD WHO CAN GET TO A DISTRIBUTION SITE. TO MAKE ARRANGEMENTS, CALL 334-9511.

PERSONS ARE PROHIBITED FROM OBTAINING COMMODITY FOODS MORE THAN ONCE DURING THIS DISTRIBUTION PERIOD. ALSO, THESE PRODUCTS MAY NOT BE SOLD, TRADED, OR GIVEN AWAY BY ANY MEMBER OF THE RECIPIENT HOUSEHOLD.

THIS PROGRAM IS BEING COORDINATED BY THE WASHINGTON COUNTY DEPARTMENT OF SOCIAL SERVICES, AND HANDLED LOCALLY BY VARIOUS VOLUNTEER GROUPS IN EACH COMMUNITY.

### TOWN OF KEWASKUM Monthly Town Meeting

## Notice to Users of Long Distance Telephone Services Within Wisconsin

Wisconsin Telephone Company has filed with the Public Service Commission of Wisconsin (PSC) for changes in most rates, including some decreases and some increases, for certain long distance services within Wisconsin. (Since the geographic areas between which Wisconsin Telephone serves will change effective January 1, 1984, customers should refer to the information elsewhere in this advertisement regarding proposals for long distance services within Wisconsin to be provided by AT&T Communications of Wisconsin as of January 1, 1984.)

This notice is to inform customers of the general impact of these rate proposals and to provide a notice of public hearings regarding the proposals.

A summary of the most significant proposed changes follows:

- Rate reductions of one to six cents for the initial minute of calling, and one to four cents for each additional minute, depending upon the distance of the call, for calls of more than 26 miles, are proposed. No change is proposed in rates for calls of 19 through 26 miles.
- A rate increase of one cent for the initial minute of calling for calls of 0 through 18 miles and for additional minutes of calling for calls of 11 through 18 miles is proposed.
- Changes and reductions in rates and geographic areas for Tel-A-Visit services are proposed. Under the company's plan, Basic Tel-A-Visit rates would be changed to \$2.90 for the first 60 minutes of calling. Additional one-tenth hour charges would remain at 29 cents. Expanded Tel-A-Visit rates would be changed to \$5.75 for the first 60 minutes of calling and additional one-tenth hours of usage would remain at 58 cents.
- Increases of 60 cents per month for Call-Pak 14 and Call-Pak 26 off-hour services and of \$1.35 per month for Call-Pak 26 full-time service are proposed.
- Rates for WATS services would be changed to be:

Hours	Outward WATS*	800 Service*
First 10 hours	\$15/hour	\$17/hour
Next 10 hours	13/hour	15/hour
Next 20 hours	12/hour	13/hour
Next 20 hours	11/hour	11/hour
Over 60 hours	10/hour	9/hour

- New rates are proposed for facilities provided to other carriers which offer long distance and other services within Wisconsin.
- Rate changes for certain other services, including certain private line services used primarily by business customers, are also proposed. It is proposed that existing Telpak services will continue to be offered at current rates through December 31, 1985, at which time they would be discontinued.

\*The hourly rates shown are billed in 1/10th hours rounded to the nearest 1/10th hour.

**Wisconsin Telephone Company**

AT&T Communications of Wisconsin, a company which, on January 1, 1984, will provide certain intrastate services previously provided by Wisconsin Telephone, has filed for establishment of rates to cover such services.

Because changes in some rates from those presently authorized for Wisconsin Telephone are being requested, this notice is to inform customers who would be affected by these proposals of their general impact and to provide a notice of public hearings regarding these proposals.

A summary of the most significant proposed changes follows:

- Change initial minute rate, ranging from a one cent reduction to a 13 cent increase and change additional minute rate, ranging from a two cent reduction to an eight cent increase, depending upon the distance of the call.
- Reduce long distance discounts from 35% to 30% for evening rate calling and from 60% to 50% for night rate calling.
- Establish a 70 cent charge for directory assistance service calls placed for numbers located in areas with a different area code than that in which the customer is located within the state of Wisconsin. Certain disabled customers, hospitals with patient room telephones, and coin telephones would be exempted.
- Offer a statewide optional calling service to selected geographic areas of the state similar to the Tel-A-Visit plan currently offered by Wisconsin Telephone Company. Hours would be expanded to include a period from 9 p.m. until 8 a.m. Sunday through Thursday and from 5 p.m. Friday until 7 p.m. Sunday. The proposed rate of \$8.50 per month for the first 60 minutes of calling, plus 85 cents for each additional one-tenth hour reflects an increase over current Wisconsin Telephone rates.
- AT&T Communications will not offer Call-Pak Service in Wisconsin.
- Rates for WATS services would be changed to be:

Hours	Outward WATS*	800 Service*
First 10 hours	\$17/hour	\$18/hour
Next 10 hours	15/hour	16.50/hour
Next 20 hours	14/hour	15/hour
Next 20 hours	13/hour	13/hour
Over 60 hours	11/hour	11/hour

A \$2 per month line charge is also proposed for WATS services.

- Existing Telpak services will continue to be offered at current rates through December 31, 1985, at which time they would be discontinued.

\*The hourly rates shown are billed in 1/10th hours rounded to the nearest 1/10th hour.

**AT&T Communications of Wisconsin**

Public hearings on the company's application will be held at the following locations: Tuesday, Nov. 1, Hill Farms State Office Building, Room 492, 4802 Sheboygan Avenue, Madison, at 1:30 and 7:30 p.m., Green Bay Circuit Court Branch 1, 100 S. Jefferson St., Green Bay, at 1:30 p.m., and City Hall, Rooms 404 and 406, 215 Church Avenue, Oshkosh at 7:30 p.m.; Wednesday, Nov. 2, Eau Claire Courthouse, 721 Oxford Avenue., Eau Claire, at 1:30 p.m. and 7 p.m.; Thursday, Nov. 3, Milwaukee State Office Building, 819 N. 6th St., Milwaukee, at 2 p.m. and 7 p.m.; and Tuesday, Nov. 8, UW-Parkside, Room 103 Greenquist, Highway E, Kenosha, 1:30 and 7 p.m. (Public parking will be available for both Parkside sessions.)

Technical hearings on the company's application will be held in Room 426, Hill Farms State Office Building, 4802 Sheboygan Ave., Madison, beginning on Nov. 10, at 10 a.m., and will continue at times and places to be set by the presiding examiner.

## Indian Boys, Girls Both Finish 12th in Fond du Lac Sectionals

The Kewaskum Indian boys and girls both finished 12th in the WIAA Class A cross-country sectionals at Fond du Lac Saturday, held on the 5,000-meter Ledge Wood Country Club course.

Manitowoc won the boys title at Fond du Lac with 51 points, while Neenah, last year's state runnerup, captured team honors in the girls segment of the meet with 26 points.

New Holstein's Gerry Thome, last year's Class B state champion, took individual honors. Thome finished first in the this year's Class A meet in 16:23.

The Neenah girl runners finished 1-2, paced by Kris Burr, who was first on the 3,200-meter course in 11:54. Teammate Kathy Monard was second in 11:55.

Kewaskum got an excellent performance from Monty Shaw, who finished 7th in the boys event in 17:20. Shaw placed behind the top finisher, Thome, Jon Elmore of Manitowoc, Shannon Voss of Oshkosh West,

Steve Malley of Two Rivers, Kraig Cedar of Sheboygan North, and Rick McCoy of Fond du Lac.

Only the top two teams and first five individuals qualified for the WIAA State cross country meet which will be held at Christmas Mountain in the Wisconsin Dells area Saturday.

### FONDY SECTIONAL

## Girls Beat Kiel, Lose To Chilton for 4-8 Record in Volleyball

The Kewaskum girls split their last two volleyball matches last week.

Eight straight points served by Sandy Secor helped the girls win the third game and beat Kiel there Tuesday night, after the two teams split the first two games.

Secor then proceeded to serve from the Indians' fourth point all the way to the 12th for a victory in the third game, 15-8. Secor's play, together with the serving of Debbie Staehler and Debbie Jepson were highlights.

Kewaskum won the first game, 15-5, but the result was reversed in the second one, in which the Indians became sluggish.

The Eastern Wisconsin season was brought to a close for Kewaskum at Chilton Thursday night and the results for the Indians were not satisfactory.

The girls were not up for the contest. They were shut out in the first game, 15-0, with one of the Chilton girls serving the first nine points. With a number of reserves in the game, Kewaskum came back nicely to easily take the second contest, 15-3. The teams played very even in the third game until the Tigers went up, 11-8. The Indians just couldn't come back from then on.

One of the highlights was the play of sophomore Brenda Kober, who did some good setting and was perfect in getting all her serves in the court. Holly Kempf had the most spikes and Julie Koepke also contributed several.

Kewaskum had defeated Chilton in an earlier game.

The loss leaves the Indians with a 4-8 final record in the EW Conference. Losing Koepke, an all-conference player, for over half of the season with an ankle injury, really hurt the team.

Kewaskum hosted the Class A regional tournament Tuesday night with the Indians playing Fond du Lac in the first round.

The Indian JVs won all three at Chilton, 15-6, 15-6 and 15-3, giving them a 5-7 final record.

## Energy Advisors Available to Older Adults, Customers With Disabilities

Energy advisers from Wisconsin Electric Power Co. and Wisconsin Natural Gas Co. will be available to older adults and customers with disabilities under the newest service of the utilities Good Neighbor Program.

"We want to be personal, we want to be accessible, and we want to make our existing customer assistance programs easily available to every customer who could benefit," Charles McNeer, chairman of the board of the utility, said.

The advisers will inform customers in the target groups about company services, including financial or other aid, while helping them use energy wisely in their homes.

The company is focusing on older adults and those with disabilities because they may have limited incomes, and may require continuous utility service for their health and well-being.

"Many of the services now available under the Good Neighbor Program have been available but often the customers who need these services most are unaware of them," said McNeer. "We hope that by consolidating the services under the Good Neighbor Program umbrella

and developing activities such as the energy adviser concept we can better inform customers about the assistance programs available to them."

In addition to providing energy management advice, the advisers will work closely with customers having difficulty paying bills.

Those targeted under the program are persons 60 years or older who are responsible for paying energy bills at their principal residence and customers who can certify that a member of their household requires utility services for medical reasons.

"For both these groups, the wise use of energy and the ability to live within their incomes are very important," McNeer said. "This 'Energy Services for Older Adults and Customers with Disabilities' program, one component of the Good Neighbor Program, is aimed at helping them conserve energy and manage their home energy bills."

Customers will receive enrollment information in a brochure being mailed with bills beginning Nov. 14. Program participants will receive a wallet-sized identification card including the name and tele-

phone number of their energy adviser. Customers of both WE and NW then may make all contacts with the companies through their advisers. For the first time, those who are customers of both WE and NW may contact one adviser regarding their service with both companies.

Among the services available are third party notification for billing and collection action, prior disconnect contact as well as direct referrals to the WE and NW weatherization programs, the Good Neighbor Energy Fund and other community assistance programs.

Also, enrolled customers will receive publication about energy conservation, weatherization and billing matters.

Customers wishing to enroll by telephone may do so by calling 277-3311.

# Indians Win First EW Title, Playoff Berth

The Kewaskum Indians are undisputed champions of the Eastern Wisconsin for the first time since joining the conference. The Indians sewed up the title with a 34-14 victory over Kiel in their homecoming game here Friday night before a large crowd of fans.

The title also earned the Indians their first trip ever to the WIAA state public school football playoffs. In their first playoff game, the quarterfinals, the Indians will play Kewaunee, co-champions of the Packerland Conference, Tuesday night, Nov. 1, at 7:30 p.m. at Kewaunee. Kewaunee reached the playoffs by edging previously undefeated Southern Door in overtime Friday night, 6-3. Kewaunee and Southern Door both ended up with 5-1 as the result of their victory over Southern Door.

Should Kewaskum beat Kewaunee Tuesday, they would advance to the semifinals, which would be played in Kewaskum next week Saturday, Nov. 5, at 1:30 p.m. The Indians would then face the winner of the Little Chute-Reedsburg quarterfinal contest.

Actually the win over Kiel here Friday was expected to clinch a tie for the championship for the Indians but when second place Two Rivers was upset by Plymouth Saturday night 23-14 (for their second loss), it gave Kewaskum a two game lead with only one left to play and the sole title. It was the first time in four years that Plymouth defeated Two Rivers.

The victory over Kiel brought Kewaskum's record to 5-0 in the conference and 8-0 overall, with one game remaining against Chilton here Friday night. The game with Chilton means nothing as far as the championship and playoffs are concerned but Coach Mike Fifrick's Indians will be out to keep their record clean and finish the regular season undefeated in a blaze of glory.

The Kiel-Kewaskum game, as are all home games, was shown on cablevision on West Bend Community Cable (WBCC), Channel 18, both Sunday and Tuesday evenings for area fans to see or re-enjoy. Announcers Dave Rizzardi and Dave Wieter do a commendable job and also interviewed Coach Fifrick after the game.

In the Kiel game Kewaskum fans thought "here we go again" when, on the third play from scrimmage, the Indians' star halfback, Jim Braun, scooted around right end for what appeared to be a 50-yard touchdown. His teammates began whooping it up but a flag was dropped at the line of scrimmage signaling a penalty for the Indians having been in motion.

On the next play a pass fell incomplete, forcing the Indians to punt. Chris Harlow got off a 42-yarder to the Raider 13-yard line, giving them poor field position. Then Kiel got their act together to give the Indians some rough going in the early moments before Kewaskum came through with a convincing victory later.

The Raiders' Todd Zorn, Kevin Morgan and Mike Schmitz piled up some big

yardage toward the Indians' goal. Zorn's two-yard gain took the ball to the Indians' one-yard line for first and goal. Here Kewaskum stiffened to sack Zorn on first down for a loss of a yard and on second down there was no gain. Then Kiel lucked out when Morgan dropped a pitchout but it bounced right back up in his arms and he made it to the corner of the end zone. The extra point made it 7-0 at the quarter.

Their lead didn't seem to bother the Indians, who came right back in the second period with a 67-yard scoring drive after a short kickoff. Braun and Harlow took turns carrying the ball until Kewaskum reached the Raiders' 16. Then junior quarterback Mark Follmann hit Dennis Butz on a 13-yard pass. Three plays later Braun danced in from the two. The two point conversion attempt failed, leaving the score at 7-6.

The Indians held on Kiel's next offensive series and came right back in the same quarter with a 64-yard drive climaxed when Follmann hit Jeff Squier with a 19-yard touchdown pass. Before that Braun had a second touchdown nullified from the 23 when the Indians' were nailed with a clipping call. This gave Kewaskum a 12-7 halftime lead.

Some big plays in the third and fourth quarters gave the fans a chance to rejoice. After another good punt return of 49 yards by Braun, the Indians were set up at the Raiders' 46. Two plays failed but then Brad Dieringer popped through the line for 17 yards to the 32. Seven plays later, Harlow skirted around end to score and the two-point conversion to Braun gave Kewaskum a 20-7 lead.

The Indians dominated the fourth quarter. After Kiel was stopped on their own six on a fumble which was recovered by Tom Herriges, Braun again found a hole over the right side, cut left and dashed 94 yards for a touchdown. This was the clincher and may have set a school record.

Some frosting on the cake was added a few minutes later after Herriges' interception gave the Indians the ball on their own 45. Again Dieringer, from his running back spot, passed the defending linemen and headed for the end zone for a 55-yard score.

Zorn scored Kiel's final TD against Indian reserves on a four-yard plunge with just over two minutes remaining on the clock. This was the first touchdown scored against Kewaskum in the fourth quarter.

Although the Indians didn't play well in the first half, according to Fifrick, they were still ahead, 12-7. He said Dave Pesch's sack, Dieringer's run to keep a scoring drive alive, and Braun's punt return were big second half plays.

Fifrick, an alumnus of Kiel, was elated with the championship. He said it was the result of hard work, training, weight lifting and attending football camps.

The Indians will close out their regular season when they host Chilton Friday before turning their attention toward their first playoff opponent. Chilton is 1-4 on the season.
