Squier Kewaskum Hero

Indians to State!

"It was just a reaction. I just grabbed it and ran for the end zone," said Jeff Squier, whose 11-yard touchdown run on a blocked field goal attempt gave the Kewaskum Indians a 13-7 double overtime victory Saturday over the Reedsburg Beavers, in a very unusual ending.

Squier was mobbed by Indian fans after scoring the winning touchdown. Fans were still moaning the blocked field goal try when out of the blue he grabbed the ball and carried it into the end zone.

Squier's exhilarating touchdown came after a Reedsburg defender blocked a 28-yard field goal attempt by Brad Dieringer. The ball popped in the air and fell right into Squier's hands at the five, and he broke away from the stunned defender and scored. The 6-2, 168 pound

senior end was the outside blocker on the field goal attempt.

Squier's quick thinking and even quicker reactions brought an end to a struggle between two good teams that seemed determined to end in a deadlock. The game was tied, 0-0, after regulation play. The two teams had been evenly matched offensively and defensively in the scoreless tie.

Neither team was able to maintain offensive momentum, but both sides put on strong defensive shows. Kewaskum's Tim Landvatter and Jim Braun intercepted passes and Reedsburg intercepted three. Although Kewaskum's defense also recovered two fumbles, the Indians could not capitalize on the turnovers. Both teams had opportunities to score in the first half but turnovers blunted

their best efforts of either side.

In the first overtime, quarterback Mark Follmann scored on a one-yard touchdown run behind good blocking by Steve

Seitz and Doug Miller. Dieringer kicked the extra point and gave Kewaskum a 7-0 lead.

But Reedsburg came back in their series quickly with a one-yard touchdown run from quarterback John Mayer. The extra point by Mike Lennon tied the score at 7-7 again. In high school overtime games each team gets the ball at the 10-yard line with four downs to score.

In the second overtime, Lennon's 25-yard attempted field goal was wide on fourth down. Kewaskum then scored their winning touchdown on the next series on the blocked field goal try and run into the end zone by Squier. Bedlam erupted

State Playoff Information

The semifinalist champion Kewaskum Indians will play Minocqua [Lakeland Union High School] in the Division 3, state championship finals at Camp Randall Stadium, Madison, at 3 p.m. Friday, Nov. 11. Minocqua advanced to the state finals by defeating Baldwin-Woodville, 22-14, in the semifinals. Tickets for the title game are on sale Tuesday, Wednesday and Thursday at the high school during the school day [7:00-4:30]. Tickets are \$3.00 for students and \$4.00 for adults. At the game the price of admission will be \$5.00. Spectator buses are leaving for Madison at 11:30 a.m. Friday. Adult spectator buses will be taken if enough are interested. Call the high school. Fans are not allowed on the field after the game and no confetti is allowed.

Welcome Home Rally, Dinner for Indians

This Saturday, November 12, a Welcome Home Rally will be held for the Kewaskum Indian Football Team at 3:00 p.m. in the high school gym. Everyone is welcome. After the rally, the Kewaskum Indian Booster Club is sponsoring a dinner for the football players. If anyone or any group wishes to make a donation, contact the high school office or any Kewaskum Indian Booster Club member.

Indian Highlights...

Game Receives Vast Media Coverage; Crowd of Almost 3,000 Attends

By Bill

Saturday afternoon's Kewaskum-Reedsburg semifinal playoff game received fantastic media coverage. Besides the Statesman, prior arrangements to cover the game were made by the Manitowoc radio station, Sheboygan Press, Fond du Lac Reporter, Reedsburg Press-Times, West Bend News, Wisconsin Dells radio station, Reedsburg radio station WRDB, and West Bend radio station WBKV. Other members of the media, who had not made pre-game commitments, also reported the game live.

An overflow crowd of almost 3,000 persons attended the contest. There were 2,500 paid admissions, which figure does not include band members, workers, cheerleaders and baton twirlers, and other late comers who overflowed beyond the end zones. All told this brought the attendance to almost 3,000, easily the largest crowd ever to attend a football game here.

Immediately following the game pandemonium broke loose as hundreds of Indian fans swarmed onto the field, mobbing the players, extending congratulations and celebrating the victory over a very good Reedsburg team.

Volunteer workers put in many hours and overtime on a

rush job of building another press box, an also adding an extra food and refreshment stand on the Reedsburg side of the field.

Added bleachers were hauled in by flatbed truck from the West Bend schools, Campbell-sport, Boltonville, Beechwood, Fillmore, Allenton and the Village of Kewaskum to provide much additional seating capacity for the huge crowd.

Parking was at a premium around town. All streets for blocks and blocks around were parked full and Regal Ware and St. Lucas Congregation graciously donated their parking lots.

Reedsburg was largely represented at the game by five busloads of fans and students. Many of them came early and held a tailgate party on the parking lot behind the high school. Almost like Milwaukee County Stadium.

Messages were posted on the various marquees and in the show windows of business places around town reading "Congratulations Indians" and wishing them well in the playoffs.

We are told that Reedsburg has an enrollment in high school of over 900 students, slightly more than Kewaskum.

And so, on to the state tournament at Madison this weekend. Go Indians, go!

Chamber of Commerce Plans Christmas Sale

The Kewaskum Area Chamber of Commerce will be sponsoring their eleventh annual "Christmas Sale" promotion beginning Friday, November 25, and ending Saturday, December 3. Ads for this promotion should be in our office no later than next Thursday, November 17. The Statesman will be published a day earlier, on Wednesday, Nov. 23, the week of Thanksgiving. Please get your news copy in earlier that week, no later than Monday, Nov. 21.

Paper Earlier

Due to Veterans Day falling on Friday, a legal holiday, when there will be no rural delivery, and in order to give coverage to the Kewaskum Indians state championship playoff football game on Friday afternoon at Camp Randall Stadium, Madison, the Statesman was printed a day earlier this week.

Rev. John Budde, Former Pastor Here, Dies

Rev. John T. Budde

The Rev. John T. Budde, 73, former pastor of Holy Trinity Catholic Church, Kewaskum, many years, died at his residence in Beaver Dam on Sunday, November 6, 1983.

He was born March 2, 1910, at Beaver Dam, to the late John and Julia Weix Budde. He attended St. Peter's School at Beaver Dam and studied for the priesthood at St. Francis Seminary, Milwaukee.

He was ordained Feb. 2, 1942, at St. Adalbert Church, Milwaukee and he offered his first solemn Mass on Feb. 8 at St. Peter's Church, Beaver Dam.

He served as assistant at St.

Kilian's Church at Hartford until May of 1954; was assistant at St. Agnes Church, Milwaukee, until June of 1958, and then came to Kewaskum where he served Holy Trinity Church and St. Bridget's Mission Church in Wayne for 24 years. He retired in July of 1982.

Since his retirement, Father Budde assisted Rev. Richard Walsh at St. Patrick's Catholic Church in Beaver Dam and helped out at neighboring parishes.

While he was pastor at Holy Trinity the congregation celebrated the 100th anniversary of its founding at a Solemn High

United Way Tops Goal

"We're over the top!" reports Ralph Rimmel, treasurer of the Kewaskum Area United Way. "We've surely exceeded our goal, even though the final results will not be known until all the pledge cards have been received." Kewaskum's goal was \$20,000.

An elated Margaret McFadden, co-chairman of the Fund Drive with Fred Cullen, expressed thanks to all the division captains for their efforts.

Division captains were: financial, Bill Koehne; house-to-house, Darlene Tessar; industrial, Jeff Rohrer; outlying

communities, Tom Larsen; professional, Dennis Connor; public sector, Gerald Gosa; retail, Debi Cornelli; rural and village mailings, Pearl Thompson; taverns and restaurants, Rose Kuehl and transportation, Raynor Herriges.

John Coulter, president of the United Way board, is also extremely pleased with the results of the Fund Drive. He emphasized this, saying, "It is very gratifying to see such excellent response on the part of the Kewaskum Area residents to this Fund Drive. We thank all donors for their community spirit and generosity."

Fr. Budde Transformer at Kemp's Explodes

(Continued from Page 1)

Mass on Sunday, Sept. 30, 1965. During his tenure four new classrooms were added on to the existing school building and other improvements were made.

Father Budde was known for his kindness and especially his love for the school children who came to visit him during the lunch hour and after school.

Survivors include three brothers, Henry (Esther), Richard (Bernadine) and Leo (Isabelle), all of Beaver Dam; other relatives and friends. He was preceded in death by one sister, Barbara, and five brothers, Rev. George, Rev. Gerald, Rev. Raymond, Lawrence and Felix.

A funeral Mass was held at 11 a.m. Wednesday at Holy Trinity Church, Kewaskum. The Rev. Robert Berghammer officiated. Visitation was from 6 to 9 p.m. Tuesday at the church.

A funeral Mass will also be held at 11 a.m. Thursday at St. Peter's Church, Beaver Dam. Bishop Leo Brust, a classmate of Fr. Budde's, will officiate, and burial will follow in the parish cemetery. Friends may call from 4 to 9 p.m. Wednesday at the church.

Murray Funeral Home in Beaver Dam and Miller's Funeral Home in Kewaskum are in charge of arrangements.

A transformer at Kemp's Marigold dairy plant, Kewaskum, blew up on Friday night causing an explosion which was heard throughout the village and the flash, lighting up the sky, could be seen for many miles.

The transformer in Kemp's sub-station, located on the roof of the original plant, blew after some large fuses had been replaced after some earlier problems. The Wisconsin Electric Company had another transformer the same size and began installing it immediately. The power was restored in the plant by Sunday.

The power in some area of the village was only off for a few seconds. It was the second power outage in the village within four days. There was a power outage on Tuesday morning for different lengths of time, due to power coming into the village being interrupted. The dairy at that time was without power for five hours. Others had shorter periods of time without electricity.

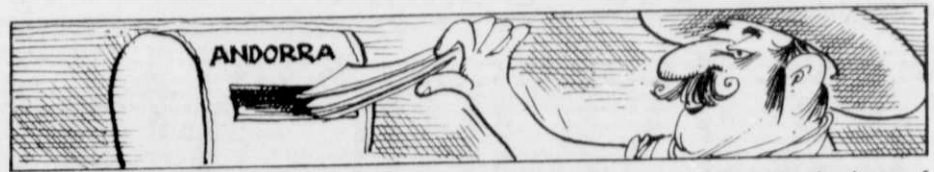

Kewaskum School District to Hold Open House Monday

The School District of Kewaskum will hold an open house in all of its school buildings on Monday, November 14, 1983. Parents are encouraged to visit the schools and the classrooms.

We ask that the parents do not interrupt the instruction or lessons going on while visiting. Teachers are available to talk to on another day.

MPTI HOLIDAY CRAFTS CLASS TO BEGIN HERE

"Holiday Crafts," an MPTI Class, will begin at Kewaskum High School on Tuesday, Nov. 15, at 6:30 p.m. There will be five sessions and the cost will be \$14.00. The sessions will last two hours.

Postal service in the small nation of Andorra is free, thanks to the booming business of selling stamps to tourists and collectors.

Town of Auburn Fire Contract Challenged Proposed 1984 Budget Increase Kept Under 5%

By GERRY MUELLER
Statesman Staff Writer

The final draft of the proposed 1984 Kewaskum Village Budget of \$1,117,840.00 was presented to the board by Village Administrator Dan Schmidt at Monday night's meeting. The budget is approximately \$3,000 less than the original budget presented at the October meeting, dropping down from a 5%, to a 4.69% increase.

Schmidt reviewed the budget, explaining that while the actual working budget for the village will be \$983,009, the sum of \$134,831 for development of TIF District projects had to be shown in the final budget resulting in the \$1 million figure. The \$134,831 will be offset by the money from the village's TIF General Obligation Bond, bringing the budget figure back down to \$983,009.

Schmidt told the trustees that while final figures for shared revenues are not all finalized, he expected to receive approximately \$23,500 in Federal, \$345,500 in State and \$37,000 in Street aid funds for the village.

The proposed 1984 levy is \$373,957, up 4.17% over 1983's levy of \$358,977. While the village's assessed valuation increased, its equalized valuation dropped. Because of this, Schmidt anticipates a drop of approximately \$3.00 in the village's tax rate, from \$9.7243 in 1983, to about \$6.60 for 1984. Schmidt noted he expected to receive final revenue figures by the middle of November. Unless something really unexpected happened, he felt there would not be much deviation from the figures presented at Monday's meeting.

A public hearing on the budget has been scheduled for November 28th.

In other budget related business, the board heard a request by representatives of the Town of Auburn that it reconsider its 1984 contract with the township for fire service.

Don Stoffel, speaking on behalf of the Town Board, felt the village's figure of \$18,854.00 for fire service to 15 sections was excessive compared to the

Village of Campbellsport's contract for 20 sections at a cost of \$6,750.00. Stoffel inferred that his township was in no position to help support the village, contending that while the funds were labeled Fire Department, some money was probably being used for other village departments. He could not understand why there was such a big difference in fire costs between Kewaskum and Campbellsport.

Fire Chief Augie Bilgo became somewhat upset over Stoffel's insinuation that Auburn was being charged more than necessary for its fire service. Bilgo told Stoffel, if Campbellsport was only charging the township \$6,700, maybe the village taxpayers were being ripped off by having to pick up the balance of Auburn's fire costs on their taxes. Bilgo told Stoffel there was no way a fire department could operate on \$30,000-\$40,000 a year.

Stoffel was told by President Gerald Stollenwerk, Schmidt and Bilgo that the town was welcome to look at the fire department's records and that all expenditures could be verified.

Stoffel told the board, "as far as I'm concerned, this formula could be chucked out the window." He wanted the village to calculate the Town's contract the old mill rate way. Stollenwerk told him even with the old less accurate method, the town would still be looking at least a \$17,550.00 contract. Stoffel said he would be willing to sign a contract at last year's figure of about \$13,000, but not for \$18,000.

Schmidt said the township's problem of the large increase was due, in part, to the fact the village was not given an accurate equalized valuation for the township the past several years. Schmidt said he had made several written requests

to Camilla Butzke but had not received the information. Now the village was able to get the information from the county. Schmidt told Stoffel, because of that lack of information in the past, the town was probably paying substantially less than it should have and now, with the correct figures, an accurate contract cost could be worked out.

Schmidt told Stoffel his township was invited to audit the books. He noted the Town of Kewaskum had challenged their contract in 1980, only to find out it was correct and on top of it, they had to pay the cost of the audit. You'll notice the Town of Kewaskum is paying \$36,000 for service to approximately 26 sections which breaks down to about the same as your contract, said Schmidt.

Stollenwerk told Stoffel it would not be fair to the Town of Kewaskum or Village to reduce Auburn's contract. He acknowledged things are hard all over, however, everyone must pay their fair share.

In other action, the board approved building permits to Alan Ratzel for a single family home and Paul Behring for restaurant construction.

The board accepted the bid of Mayfair Chrysler-Plymouth to furnish a 1984 Plymouth Gran Fury for a replacement police squad at a cost of \$10,024.00.

Dan Schmidt told the board he had contacted Cablevision with regard to their dropping of the HBO-Cinemax TV guide. He was told this was done as a cost saving measure, even though there will be rate increases next year. Schmidt said all cablevision customers should note their dissatisfaction on the back of their bill when they pay it, saying they want the book back.

High School Key Club Members Attend Florida Convention

Julie Strancke, Tracy Buchel and Ada Thull, pictured above, members of the Key Club of Kewaskum High School, were in Hollywood, Florida, from July 10 - 13, to represent their club at the 40th Annual Convention of Key Club International, along with some 2,500 other Key Club members.

Key Club International is the world's largest high school service organization, maintaining ideals and objectives similar to its sponsor, Kiwanis International. The local sponsor is the Kiwanis Club of Kewaskum. There are more than 105,000 Key Clubbers in approximately 3,500 clubs in high schools throughout North America and the Caribbean. The local representatives, Julie Strancke and

Tracy Buchel were selected for their service to their home, school and community and at the convention elected the International Officers for 1983-84 and voted on issues determining the direction the organization will take in the year ahead.

Highlights of the convention included internationally renowned speakers and talent as well as workshops, individual and club competitions and sessions designed to strengthen the local club and individual members.

Holy Trinity Plans Craft and Bake Sale

The Christian Mothers of Holy Trinity Catholic Church invite everyone to join in the pre-holiday festivities, Saturday, Nov. 19th, at their annual craft and bake sale.

Entitled "Holiday Happenings," the day promises to get all in the Christmas spirit. There will be home baked goods, handmade craft items which make great Christmas gifts, tree ornaments, and many other items.

Also the ladies are serving a delicious lunch which includes hot beef sandwiches, chili, beverages, and home made desserts.

The sale will begin at 11 a.m. and run to 4 p.m. in the church hall.

Patty Geidel and Florence Hron are co-chairmen. Come one, come all!

Stamp collectors are known as philatelists. The name comes from two Greek words, philos, meaning loving, and atelos, meaning free of tax or paid. Stamps are signs that the postage, or tax, has been paid.

Girl Scouts to Hold Bake Sales; Leaders to Meet

With November here, it just seems that it is the right time for bake sales. On November 12 the Farmington Girl Scouts will be holding their bake sale at West Fair Mall in West Bend. This money is used to help the troops.

On November, 16 the Girl Scouts from Wayne will hold their bake sale at the Wayne School from 1:00 to 9:00 p.m., during teacher and parent conferences.

All Girl Scout leaders and other interested adults are invited to hear Ruth Reiser from the Washington County Social

Services. She will address topics of child abuse and single parent families, etc., on Thursday, November 17, at 7:00 p.m. at the American Legion in Kewaskum.

A short business meeting will follow. Please make plans to attend this very informative night. A short question and answer session will follow our speaker, as well as refreshments.

The Girl Scouts from Kewaskum would like to say Thank You to all the people who helped to make their bake sale a success.

Death of Mrs. Paul Behring

Mrs. Paul (Mary) E. Behring, 36, of Kewaskum passed away on Sunday, November 6, at St. Joseph's Community Hospital in West Bend after a lingering illness.

She was born on January 19, 1947, in Campbellsport to Gregor and Anna Schoofs Nigh. She was a graduate of Kewaskum High School in 1965. On May 3, 1969, she married Paul A. Behring in Holy Trinity Catholic Church in Kewaskum. She was a member of Holy Trinity Catholic Church in Kewaskum, a member and former treasurer of the Christian Mothers of the church. She was an employee of the Valley Bank in Kewaskum for five years and was also associated with Behring's Market.

Survivors include her husband; her parents, Mr. and

Mrs. Gregor Nigh of Kewaskum; one sister, Mrs. Patricia (Gerald) Geidel of Kewaskum; one brother, Gregor E. (Leslie) Nigh of Middleton, Wis.; her mother-in-law, Mrs. Grace Behring of Kewaskum; brothers and sisters-in-law; nieces, nephews, other relatives and friends.

Visitation at Miller's Funeral Home in Kewaskum was after 2 p.m. Wednesday with a prayer vigil at 5:30 p.m. Services were Wednesday evening at the funeral home at 7:30 p.m. and followed by a Mass of Christian Burial at 8 p.m. at Holy Trinity Catholic Church, with Fr. Robert Berghammer officiating. Burial will be in the new Holy Trinity Cemetery, Kewaskum.

Ulysses S. Grant, an unknown ex-soldier at the beginning of the Civil War, became the first of the nation's generals to wear four stars.

Low Cost Home Loans for today's home buyers

FROM YOUR COMPLETE FINANCIAL RESOURCE COMPANY

Smart home buyers, builders and real estate investors know that NOW is the time to buy or build. Market conditions are prime, there is a good selection of affordably priced homes and building sites available and, best of all, West Bend Savings is offering low cost mortgage financing that meets the needs of today's buyers.

Get the facts about the Adjustable Rate Mortgage — 'Today's Financing Alternative' — and other conventional mortgage plans. Visit the West Bend Savings office nearest you.

A MORTGAGE YOU CAN LIVE WITH

In today's economy, buyers and investors need a financing alternative they can live with... one that will save money and allow them to get lower rates as they occur during this recovery. They need mortgage financing that keeps pace with the changing times. It just doesn't make sense to pay a big premium for a fixed rate mortgage in today's economy.

ADJUSTABLE RATE MORTGAGE

West Bend Savings' Adjustable Rate Mortgage provides a low cost, money savings alternative with the kind of flexibility needed today. Initial rates are lower than traditional fixed rate mortgages, they are guaranteed for pre-established periods and they fluctuate with changing market conditions. More importantly, you can qualify easier and afford a better home or investment with an Adjustable Rate Mortgage.

When you buy, sell, build, insure, furnish, remodel or finance, see West Bend Savings and the 'Financial Resource Group Members'.

Program on Amazing Acorns at Riveredge

Can you tell the difference between a white oak and a burr oak? What distinguishes a black oak? How are various species of oak trees similar?

The public is invited to learn how to grow oak trees from acorns, how to make acorn bread and acorn jewelry and to learn the answers to your questions about oak trees at "Amazing Acorns" presented by Riveredge Nature Center on Sunday, November 13, from 1:30-3:30. This special program will be held in the Barn at 4438 W. Hawthorne Road (Hwy. Y), Newburg, Wisconsin, and there is a non-member fee of \$1 for adults and 75c for children.

Call Riveredge Nature Center at 675-6888 (local) or 931-8095 (Metro) to register or for more information about this and other programs.

General Telephone Completes Kewaskum Construction Project

General Telephone Company of Wisconsin has completed a 1,210 foot construction project in the Kewaskum exchange, according to Robert G. Burger, Southeastern Division Manager, Sun Prairie.

The project called for placing buried cable in the northern section of the exchange to

provide service improvements. Much of the construction took place along County Trunk "S" and East Moraine Drive.

General Telephone provides service to 204 business and 1,621 residential customers in the Kewaskum exchange. The utility services a total of 3,099 telephones in the exchange.

Veterans Day Message Issued By Legion Post

The American Legion, Robert G. Romaine Post 384, Kewaskum wish to impart to the public the following Veteran's Day message:

"Courage is one of the virtues born of war — the courage of individuals in the face of danger and the courage of nations to protect the weak and punish the aggressor.

"There is bravery to be shown in peace as well. We may recapture the courage which turned the wilderness into cities, that bound men together under government.

"We can turn slums into comfortable homes; turn uncertainty into certainty. We can reach new heights of civilization and opportunity for the men and women of this nation if we have the courage to expect and work for a better way of life.

"There can be victory in this challenge also. The bravery that fights for political, social, economic and spiritual gains may be more difficult to practice — may be unsung when achieved — but it is all the more worth striving for."

The first electric lamps used for street lighting were arc-lamps installed experimentally in Paris, in 1841.

SEMIFINAL PLAYOFF PHOTOS

Four Former Champions In State Football Finals

STEVENS POINT, — The 1983 football season comes to a close this weekend (Friday-Saturday, November 11-12) for WIAA schools with six divisional championship games in the playoff program at Camp Randall Stadium in Madison.

This is the schedule of games:

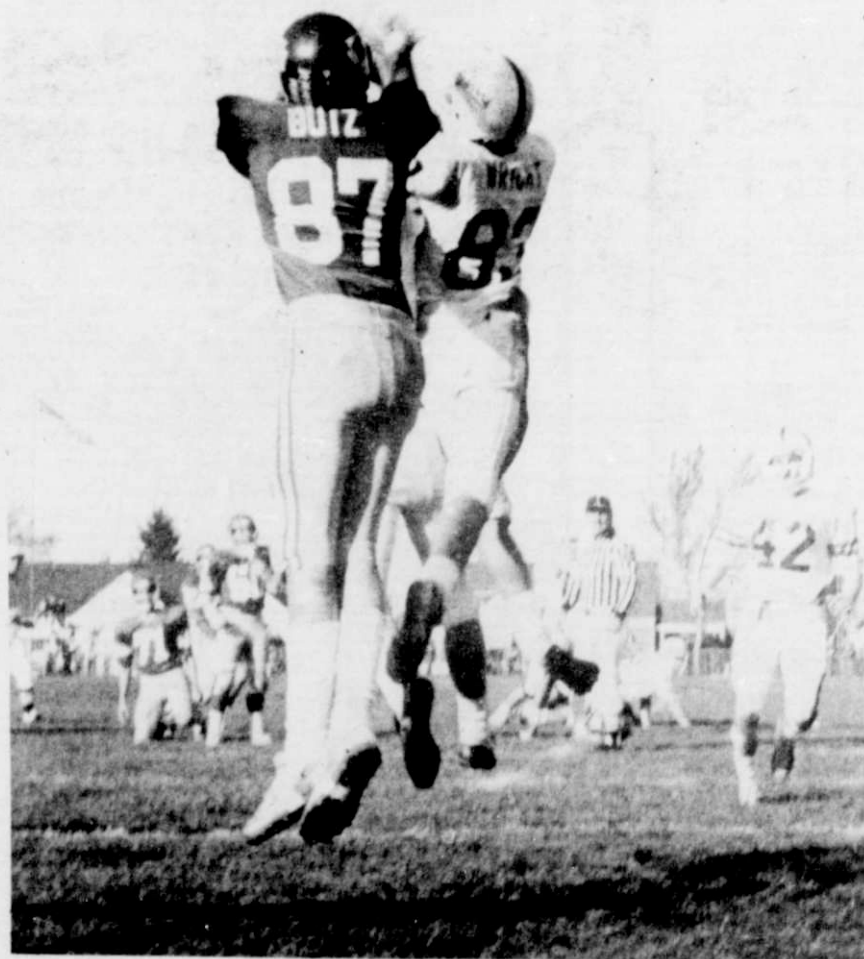

FRIDAY, NOVEMBER 11
11 a.m. — Division 5 - Osseo-Fairchild (12-0) vs. Peshigo (11-0)
3 p.m. — Division 3 - Kewaskum (11-0) vs. Lakeland (Minocqua) (11-0)
7 p.m. — Division 1 - D.C. Everest (Schofield) (12-0) vs. Waukesha North (11-0)

SATURDAY, NOVEMBER 12
11 a.m. — Division 6 - De Soto (10-1) vs. Shiocton (9-2)
3 p.m. — Division 4 - Mosinee (10-0) vs. Platteville (11-0)
7 p.m. — Division 2 - Middleton (11-0) vs. Port Wash-

ington (11-0)

The field includes four former champions, including a 1982 winner, and seven schools which have never reached the championship game of the playoffs in the past. Osseo-Fairchild is the only 1982 winner to return, in fact, no other finalist this year (besides Osseo-Fairchild) was a finalist last year.

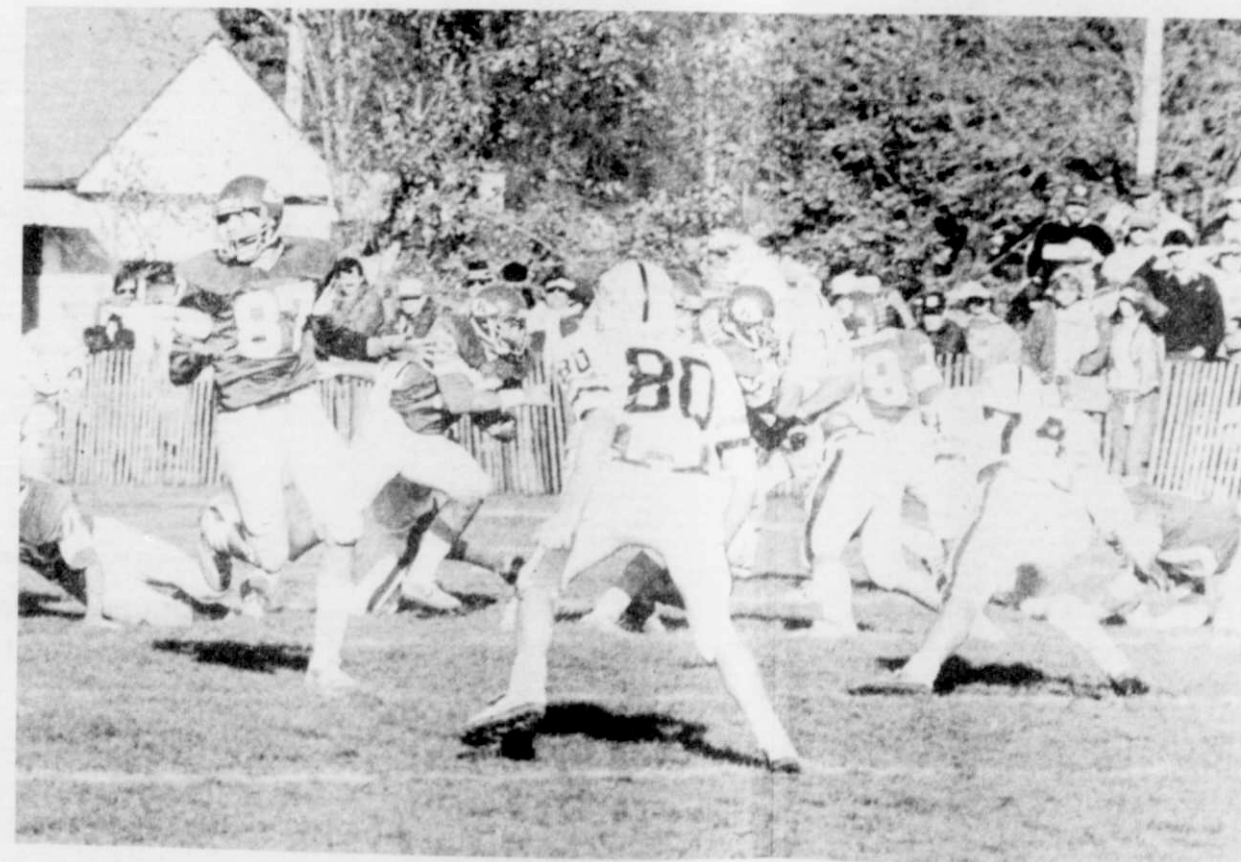

Osseo-Fairchild will be looking for its third straight championship and the Chieftains also won in 1977. Mosinee won in both 1980 and 1981, thus will be looking for its third title in four years. D.C. Everest won in 1981 and De Soto was a winner in 1976. Port Washington lost in the finals in 1979. The other seven schools are in the finals for the first time, and Peshigo, Kewaskum, Lakeland and Middleton are making their first ever appearance at any level of the playoffs.

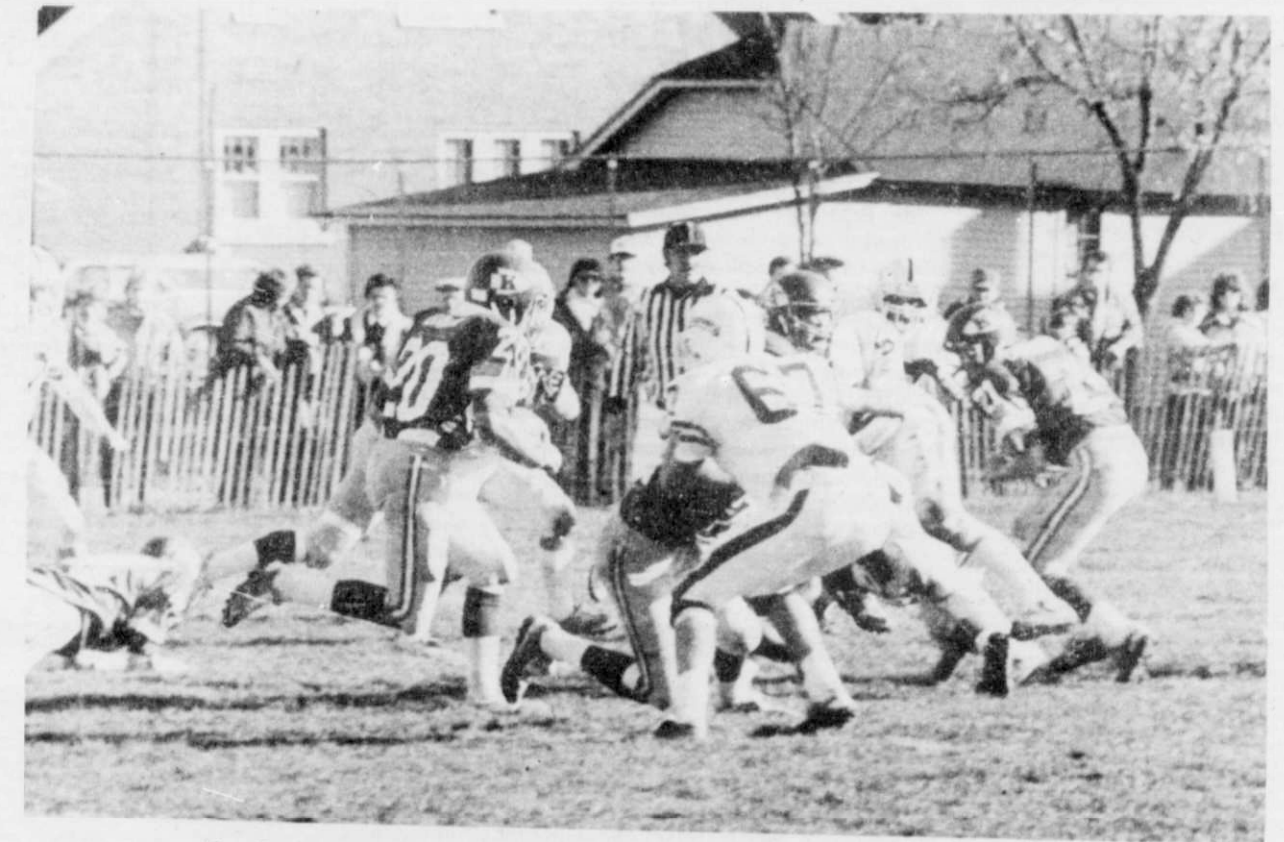

Bryan Wright [#83] steals the ball away from Dennis Butz [#87] in the Beavers' end zone.

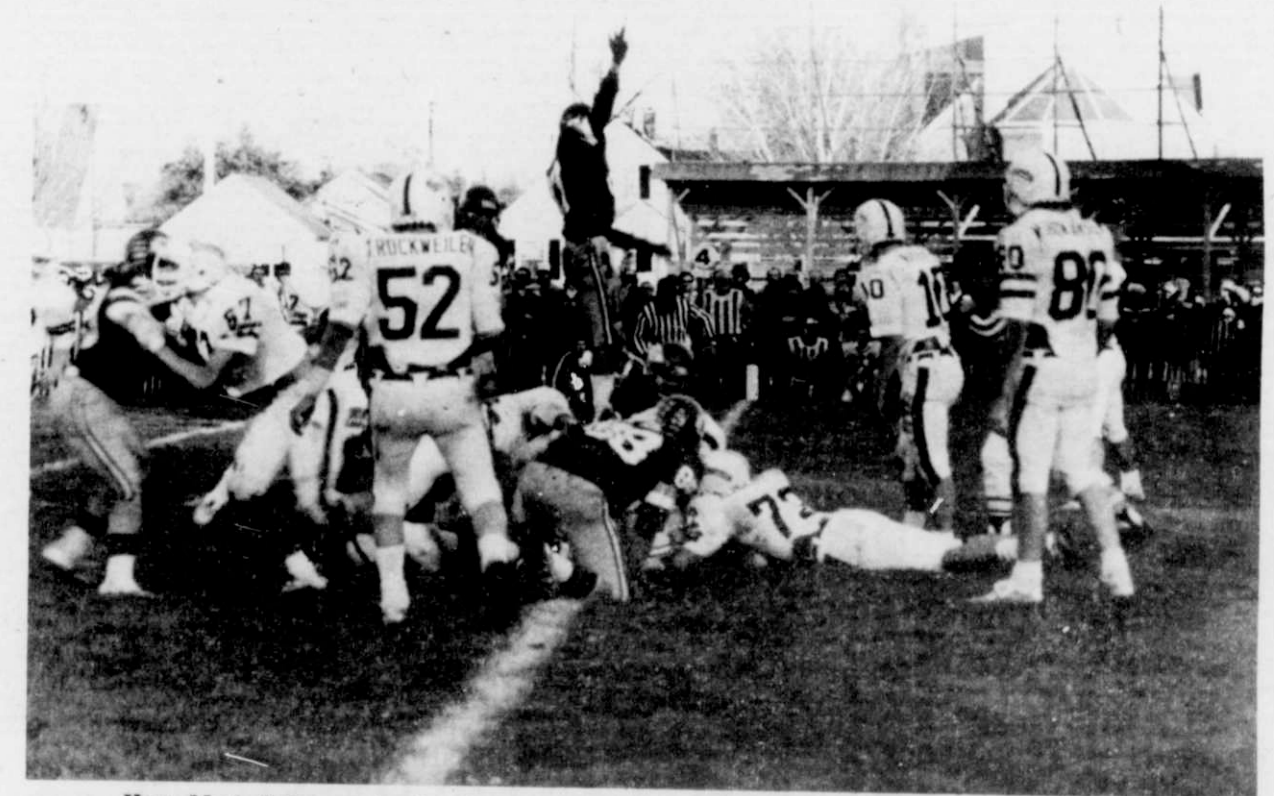

Tim Landvatter [#66] grabs a Beaver pass.

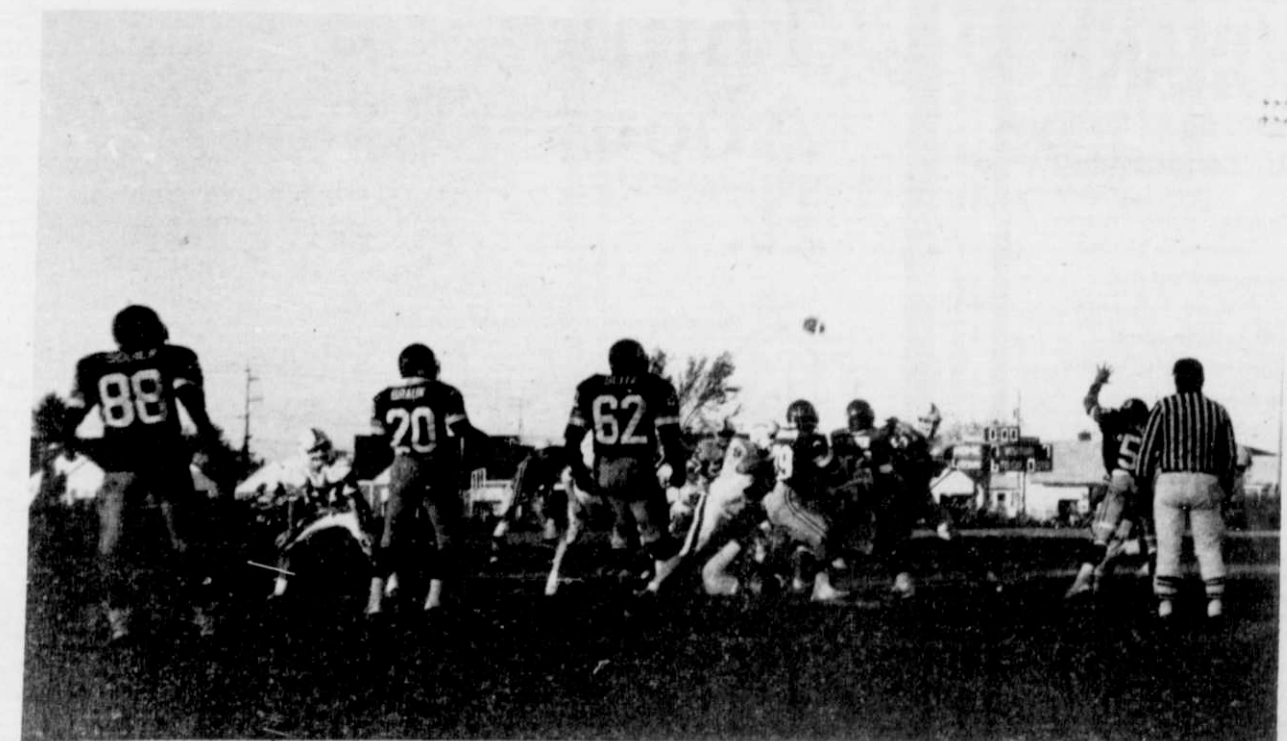

Chris Harlow [#32] cuts to the inside to pick up an Indian first down.

Jim Braun [#20] showing his all-conference form by picking up 8 yards on the first possession of the overtime period.

Here Mark Follmann [under the defensive pressure] scores on a quarterback keeper. Dennis Butz [#87] leaps for joy!

The Beavers unsuccessfully try a field goal in the second overtime period.

Obituaries

JOHN SCHWIND

Funeral services for John P. Schwind, 85, of Route 1, Glenbeulah, held at 10:30 a.m. Friday at Huss Funeral Home, St. Cloud, and at 11 a.m. at Our Lady of Angels Catholic Church, Armstrong. He died Monday, Oct. 31.

The Rev. Wayne Barta officiated and burial was in the parish cemetery. Visitation was after 3 p.m. Thursday at the funeral home.

He was born July 7, 1898, in the Town of Greenbush, to the late Nicholas and Mary Mueller Schwind. He attended State Road District Grade School in the Town of Greenbush. On Oct. 12, 1929, he married Margaret Scott at Glenbeulah.

The couple farmed in the Town of Greenbush. He was a member of Our Lady of Angels Church at Armstrong, Holy Name Society, Sheboygan County Farm Bureau and a retired member of Greenbush Volunteer Fire Department.

Survivors include his wife; two daughters, Mrs. Cletus (Janet) Sippel of Route 1, St. Cloud, and Mrs. Richard (Mary Lou) Burback of Sturgeon Bay; three sons, John Jr. and James, both of Route 1, Glenbeulah, and Jerome of Route 1, St. Cloud; 15 grandchildren; and seven great-grandchildren.

Also surviving are four sisters, Mrs. Rose Fitzgerald of Los Angeles, Mrs. Margaret Johnston of Milwaukee, Mrs. Alfred (Mary) Baus of Wolf Lake and Mrs. Martha Scharf of Conover; and three brothers, Henry of Route 1, Cascade, Joseph of Kewaskum and George of Random Lake.

Five sisters, a brother and a grandchild preceded him in death.

GERALD E. SCHNEITER

Gerald E. Schneiter, 46, of West Bend, died Sunday, Nov. 6, 1983, while at his sister's home in Kewaskum. He was dead on arrival at St. Joseph's Community Hospital, West Bend.

He was born Dec. 1, 1936, in Fond du Lac, to Ernst and Hilda Schwartz Schneiter. On July 18, 1959, he married Kathleen Frank of St. John's Lutheran Church, West Bend.

Mr. Schneiter was a resident of Dodge County and West Bend and was employed by the West Bend Co. He served with the Air Force in the Korean War.

Surviving are his wife; seven children; Daniel and David both at UW-Whitewater, Deanna, Dawn, Richard and Rebecca all at home and Doreen of Cleveland, Ohio; and his mother of LeRoy.

Also surviving are seven brothers, Maynard of Beloit,

Norman of Glenbeulah, Orville of South Byron, Milfred of Lomira, James of Horicon, Jay of Green Bay and Tech. Sgt. Kenneth of Marquette, Mich.

Other survivors are four sisters, Mrs. Earl (Lillian) Wondra of Mayville, Mrs. William (Geraldine) Zirbel of Iron Ridge, Mrs. Gerald (Donna) Stern of Kewaskum and Miss Georgia Ann Schneiter of LeRoy. His father preceded him in death.

Funeral services were held at 11 a.m. Wednesday at St. John's Lutheran Church, West Bend. Pastor Robert P. Hoehner officiated and burial was in Washington County Memorial Park.

Friends of Mr. Schneiter called after 4 p.m. Tuesday at Myhrum Funeral Home, 1315 W. Washington St., West Bend, and at the church from 9 to 11 a.m. Wednesday.

RICHARD 'DICK' JOHNSON

Richard "Dick" Johnson, 58, of 229 E. Main St., Campbellsport, operator of Dick's Bar in Campbellsport from 1955 to 1969, died Monday, Nov. 7, 1983, at St. Agnes Hospital.

He was born Jan. 13, 1925, in the Town of Ashford, to the late Henry and Estella Klotz Johnson. On Oct. 26, 1946, he married Marion Berg at St. Matthew's Catholic Church, Campbellsport.

Mr. Johnson was employed by Precision Metal at Campbellsport. He was a member of St. Matthew's Church, Campbellsport, 25-year member of the Volunteer Fire Department and a former member of Fond du Lac County Tavern League.

Surviving are his wife; a son, John of Fond du Lac; a daughter, Mrs. Allan (Joan) Shafer of Fond du Lac; five grandchildren; and three

sisters, Mrs. Norman (Gladys) Jaeger of Kewaskum, Mrs. Joseph (Dode) Bauer and Mrs. Melvin (Rene) Treiber both of Campbellsport.

Also surviving are four brothers, Thomas, George and Robert all of Campbellsport and James of West Bend.

Funeral services will be held at 10:30 a.m. Thursday at Twobig Funeral Home, Campbellsport, and at 11 a.m. at St. Matthew's Church, Campbellsport. The Rev. Victor Kemmer will officiate, and entombment will take place in Shrine of Rest Mausoleum, Ledgeview Memorial Park.

Visitation for Mr. Johnson will be from 4 to 9 p.m. Wednesday at the funeral home. Memorials would be appreciated to Hospice Hope.

"Try not to become a man of success but rather try to become a man of value."

THE FUTURE.

Think About It.

We are.

The students in today's public school classrooms will lead us into the 21st century—a world exploding with new technology and still-undiscovered career opportunities.

As teachers, we ask parents and the school district community to join us in providing the best possible learning experience for tomorrow's "pioneers."

They need our support. Now more than ever! Academic support. Emotional support. Financial support.

Our future depends on them.

Samaritan Holds Halloween Party

Halloween parties are usually scary and spooky! The standard components of this type of party include eerie music, cobwebs, and costumes. All of these elements and more were in evidence at the Samaritan Home's Halloween party held on October 31st for all residents and staff. In addition, there were appropriate Halloween refreshments: candy cups filled with raisins and candy corn, cookies, Halloween cake, ice cream and hot cider.

On each table was a decorated pumpkin which had been transformed into a jack-o-lantern by various departments at the Samaritan Home. Each year a traveling trophy has been awarded to the group whose pumpkin was judged the scariest. This year the traveling "Pumpkin Ribbon" was given to the Domestic Services Department for their pumpkin named "Minerva."

Another contest involving residents was an attempt to guess the weight of a giant squash, rumored to weigh over one hundred pounds. Two cookbooks were awarded to the two participants who came closest to guessing the actual weight of 113 pounds: Pam Fisk (employee) and Clara Watry (resident). The "Name the Man in the Pumpkin Patch" contest invited members to name the stuffed man whose benign expression never changed. The winning name, Joseph, was contributed by Florence Stapleton (resident).

All residents and staff members had some form of costume for the party. Some wore cowboy hats or masks; other had more elaborate costumes. Jed Clampett of the Beverly Hillbillies was in attendance, accompanied by Elly Mae, Granny, Jethro and Mrs. Drysdale. Two oversized dice found their disguises rather awkward but enjoyed the reaction from onlookers. Keystone cops, many clowns, a ghost, a pirate, a train engineer and a cowboy looked at each other with amusement. After the employee costumes were judged, it was concluded that first prize would go to Granny of the Beverly Hillbillies. Samaritan staff member, Helen Weinert. She received a cookbook as prize. Other awards for noteworthy costumes were given to the following: Marla Ball, witch; Charlene Stoffel, Raggedy Ann; Nadine Monroe, umpire; Mary Thieme, Gertie; Marion Ferch, Carol Burnett; and a gangster, Jean Boncher.

Creating atmosphere for the

party was accomplished by stringing orange and black streamers across the room. Other cut-out pumpkins adorned the walls. Strands of black thread resembling spider webs brushed the faces of those entering the room. And, on each table some sort of unique pumpkin face looked on the festivities.

Most people don't remember Halloween parties for longer than a week and think little about the frivolity once it's over. In the lives of the elderly, however, days may seem lonely and uneventful. For these people, the Samaritan's Halloween Party represented a day of fun, fellowship, and caring that would be long-remembered and talked about.

Conservation Tillage Field Day At Lettow Farm

Farmers in the Washington County area will have an opportunity to see some of the latest conservation tillage equipment demonstrated by area equipment dealers. A Conservation Tillage Field Day will be held at the Mike Lettow Farm on Tuesday, November 15, from 10:00 a.m. to 3:00 p.m.

Many farmers have started to use conservation tillage in past years as a part of their cropping program. Conservation tillage is using some implement other than the conventional plow to prepare fields for planting. With conservation tillage equipment, plant residue is left on the soil surface.

Advantages of conservation tillage include less trips across the field, resulting in less time spent in soil preparation, less soil compaction, and reduced soil losses due to erosion. Most farmers are also getting yields equal to or better than conventionally tilled fields.

The Conservation Tillage Field Day is scheduled to help provide information on conservation tillage management and give farmers an opportunity to see the latest equipment. The program will also include educational displays, free coffee and doughnuts, and door prizes provided by the cooperating dealers.

The Lettow Farm is located 8/10 of a mile east of County Highway B on Ridge Road, rural Kewaskum.

Kewaskum to Participate in Arthritis Campaign

The Arthritis Foundation, Wisconsin Chapter is pleased to announce that Mrs. Linda Guelig will serve as Chairperson for Kewaskum. Mrs. Guelig will call on friends and neighbors in the community to generate awareness about arthritis and seek support for the services and programs of the Arthritis Foundation.

Arthritis is the nation's number one chronic disease. It affects men, women and even children. One in every seven individuals has arthritis. One in every three families are affected by this disease.

There is no cure for arthritis. But today, arthritis can be treated and the disabilities caused by this disease can be reduced or prevented if an individual seeks an early diagnosis and appropriate care.

The Arthritis Foundation, Wisconsin Chapter serves people with arthritis. It provides patient services, community education programs and supports research. All of the Foundation's services are available free to Wisconsin residents.

For answers to questions about arthritis, Kewaskum residents can call toll free 1-800-242-9945.

Letters to the Editor . . .

November 7, 1983

Dear Mr. Harbeck,

I would like to write a letter of thanks to all of the people and organizations in our community who helped us out all season long and especially this past Saturday for our WIAA Semi-final Football Playoff Game.

A special thanks to Chief Hlavaty and the Auxiliary Police, the Kewaskum Fire Department Rescue Squad, Dr. Sison and Dr. Castro, and the Kewaskum Indian Booster Club for donating their time and expertise.

Thanks to Boltonville, Beechwood, Fillmore, Allenton, Village of Kewaskum, Campbellsport Jaycees, and the West Bend Schools for the use of their bleachers.

Thanks to Regal Ware and St. Lucas Evangelical Lutheran Church for the use of their parking lots.

Thanks to Bill and Norm Heberer, Eddie Miller, Bill Kober, and David Schaub for the addition to the press box, thanks to the chain gang, the cable television crew, and the cheerleaders for their many hours of work.

Thanks to the teachers, janitors and secretaries for their extra time and effort. Thanks to you Bill, and the rest of the area media for the fine coverage, and finally to Coach Fifrick, his staff, and the football team for making this all possible.

It is sure a great having the entire community behind our schools and our football team in their quest for the state football championship.

Good luck in Madison!

Sincerely,

Clark Pearson
& Roy Esser

Dear Kewaskum:

We wish to express our appreciation to all the wonderful people who gave blood at the Kewaskum Blood Bank for the intention of our daughter Jennifer. We received cards from her in mind, others spoke to us about it and still others were thinking of Jenny and of us when giving so generously of themselves. Once again the true Christian concern of the fine folks of Kewaskum was display-

ed in a very special way.

May God bless you.

To the Editor:

During the years 1979 and 1980 inflation in the U.S. was at double-digit rates, reaching about 17%. This was, in fact, the first time since World War I that inflation stayed in double-digits for two years.

That inflationary period really hurt the people and most of all the elderly whose major income came from Social Security, pensions, and savings. For example, \$10,000 in 1979 was worth less than \$8,000 at the end of 1980. A dollar put into savings at the start of 1979 was worth less than 80c by the end of 1980. Imagine what would have happened to the buying power of the dollar earned had these rates continued.

Almost immediately after taking office in January of 1981, the Reagan administration put into effect an economic policy that has successfully brought down the inflation rate. It is true that during those high inflation years employees received annual pay increases in excess of 10%, but wage increases as an average just never even got close to the cruellest "tax" of all, runaway inflation, which really robbed the savings of senior citizens.

Many working families saw the value of their income shrink and their standard of living deteriorate.

Probably even worse than the high inflation rate were the high interest rates, which pulled down the economy and thus caused in the greater part the severe unemployment that we had been experiencing during the recession. In 1979, before President Reagan took the oath of office, the prime interest rate reached nearly 22%, or the highest since the Civil War. In fact, it rose nearly 15% in the four years of the Carter ad-

ministration. Now the interest rate is about half of the '79 rate, and it was reached in about two years under the Reagan administration.

Sure, we still have a lot of unemployed people, but according to the October 31st issue of "U. S. News and World Report," employment is at a record of 102 million workers, with an average increase of 600,000 Americans being employed in each of the past five months. Never before in our great "American Dream" have that many people been employed in this country.

I guess most of us realize that unemployment will remain relatively high for a while. Foreign competitors are underselling many of our well-made American products because of lower wages in those countries. Given a fair amount of time, our industries and manufacturers will gain momentum, and unemployment will gradually decrease because of the Reagan administration's successful low inflation and low interest rate policies. The U. S. economy (according to many business publications) keeps showing unexpected strength predicting that national output will grow briskly for at least the next six months. They report "Factories are humming at their highest level in two years, workers are taking home more pay, and they are putting it back into the economy through consumer spending at increasing levels."

I believe our President's leadership and economic policies will give all of us more hope for the future in securing job opportunities, having the availability of credit for individuals and business at more reasonable interest rates, and continuing to give our dollar more buying power.

Keep the faith. The majority of us voted right in November of 1980.

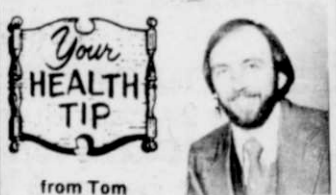

A Volunteer,

O. E. Behnke

PEPTIC ULCER

400,000 Americans are hospitalized each year because of peptic ulcer - men 5 times more than women. Traditionally, small and frequent servings of 'bland' food was advised for peptic ulcer patients, rather than regular meals 3 times daily. Research physicians recently concluded that bland food and frequent feedings are no better than regular meals. Their report in the Journal of AMA on treating peptic ulcers advises the old parental admonition to eat slowly and chew your food thoroughly before swallowing it.

SHERIFFS

DEPARTMENT

Clarence A. Schwartz, Sheriff

Keep Windshields Clean and Clear

With the coming of fall and rapidly changing temperatures, Washington County motorists are reminded that state law requires clear and clean windshields. Washington County Sheriff Clarence Schwartz says that law enforcement officers frequently encounter motorists attempting to drive with only a small peephole cleared through the ice and snow on their windshield, or with windows fogged up on the inside and their vision obscured.

Under these circumstances a law officer may issue the violator a citation, require him or her to scrape their windshield, or sit by the roadside until the vehicle's defrosters clear the windshield.

Conviction for violation of Section 346.88(4) of Wisconsin Statutes, which requires drivers to keep windows of motor vehicles reasonably clean and their vision unobstructed, would cost not less than \$20 nor more than \$40 for the first offense; and not less than \$50 nor more than \$100 for a second or subsequent conviction within a year.

Sheriff Schwartz said the

problems of fogging of interior window surfaces can usually be alleviated by opening a side window. A good ice scraper with a long handle and brush is invaluable to help reach ice and snow on center portions of windshields and rear windows.

If fogging or icing occurs while driving, the driver should pull over and stop to clear the window. Under such adverse conditions the driver should also use headlights on low beam to help other drivers who may also be having problems with fogged windshields.

The new house and business place numbers for the village have been received at the municipal building and can now be obtained at the office of the village commissioner. One side of each street will have even numbers and the other odd. On Main Street, the even numbers are on the north side and the odd ones on the south side. Installations will be required to install the numbers themselves at the most suitable spot on or near the door at the front of the building. Business places have three digit numbers while private homes have four. Cost of the numbers and frame is \$1.25 for the four digit numbers and \$1.00 for the three digit ones.

Their 60th wedding anniversary, an unusual occurrence, was observed by Mr. and Mrs. John H. Martin of Kewaskum, with an open house at their home on November 2. A special church service was held at St. Lucas Lutheran Church on Sunday and dinner for the immediate family was served at Forest Lake lodge. Their family includes one son, Marvin of Kewaskum, and two daughters, Mrs. Celesta Koerble of Kewaskum, and Mrs. Carl Johnson of the Town of Farmington.

Even though the Village of Kewaskum and Washington County GOP strongholds went Republican, Wisconsin Democrats rode to their first state victory in 26 years in Tuesday's election by winning four out of the state's five top offices and winning control of the state assembly in so doing.

The Kewaskum High School Indians finished second with a 4-1-1 record in their first year of competition in the new Scenic Moraine conference. The Indians wound up the season with a 7-7 tie against Slinger's undefeated championship Owls here Friday night. This was Kewaskum's first season of all 11-man football. "A" squad members include Merle

Laatsch, Ralph Herriges, Tom Smith, Ken Theusch, Konstantyn Sadownikow, Norm (Butch) Rodenkirch, Pat Muckerheide, Wayne Coulter, Bob Berg, Eddie St. Mary, Bruce Muckerheide, Ray Wiedmeyer, Ken Johnson, Jim Marx, Bill Walters, Don Desens, Glen Rimmel, Joe Klahn, Don Theusch, Albert Gavin, Rich Puerling and Dan Coulter. Ernie Mitchell is the coach and Walt Bade is the assistant coach.

Raymond F. Skrentny Jr., Kewaskum, has been awarded a graduate assistantship in biology by Marquette University in Milwaukee for the 1958-59 academic year. Along with his studies, Skrentny will help conduct classes and assist the department in research projects.

Daughters were born to Mr. and Mrs. Bruce Koth, Kewaskum, on October 29; to Mr. and Mrs. Paul J. Schmitt, St.ilian on October 17; to Mr. and Mrs. Herman Panzer of Kewaskum on October 30; to Mr. and Mrs. Lyle Manthei, Kewaskum, on October 31, and to Mr. and Mrs. Joseph Gruber, rural Campbellsport, on October 31.

The village of Allenton and surrounding community on Tuesday evening were horrified to hear of a fatal automobile accident in which two of their well known women were killed and one man was seriously injured. The dead are Mrs. Tillie Langenecker, 40, and Mrs. John Martin, 60, mother of Mrs. Langenecker. Raymond Martin, a son of Mrs. Martin, suffered a fractured arm and severe cuts and bruises. The accident happened while they were enroute home from a shopping tour in West Bend. Within a mile of their home on highway 33, the car in which they were riding crashed into a gravel truck which broke down and was parked at the side of

the road.

A most interesting program of operettas, comedies and minstrels will be staged by the St. Michaels Dramatic Club on November 12 and 14. The program consists of acts by the following performers: Frank Thull, Nick Thull, Nick Schneider, Barbara Lehnerz, Victor Schneider, Albert Theusch, Leo Schladweiler, Bernice Theisen, Mildred Schladweiler, Carl Herriges and Norbert Thull. Also performing as minstrels will be: Cyrilla Thull, Marcella Schladweiler, Marie Thull and Catherine Staehler.

November 7 closed the last gap of the Prohibition Act, although the official burial will not be made until December 5, when the 36th state will have officially held its convention and ratified the 21st amendment which repeals the 18th amendment. With the repeal of the 18th amendment the federal government is taken out of the business of regulating the drink traffic. All it will have to contend with in the future is the collecting of taxes and preventing shipments of liquor into the dry states.

The village treasury of the Kewaskum High School this week was enriched by \$29 as its share of the beer tax money for Washington County. The amount for the county was \$1,000, which was distributed to all of the elementary schools in the county. The money was received by Village Treasurer, John Marx, who turned it over to A. P. Schaeffer, treasurer of the school board.

Kewaskum and vicinity experienced the first real taste of winter on Thursday when the mercury dropped to 20 degrees. Snow flurries with a brisk wind

continued throughout the day. Automobile travel was very dangerous on account of the icy pavements.

Franklin Ramthun, the 15-year-old son of Mr. and Mrs. Henry Ramthun, of the Town of Osceola, near Round Lake, died at home on November 2, after being ill for the past eight weeks suffering with peritonitis. He is survived by his parents, two sisters, Irma and Vera, and one brother, Arnold.

County Job Training Office Has Applications for On-The-Job Program

Money is available to help businesses offset the cost of training new employees.

Employers in Washington County can be reimbursed 50 percent of the employee's salary during the training period, through an On-The-Job training contract.

The Job Training Partnership Act (J.T.P.A.), which was recently adopted by Congress, provides training and employment opportunities to low-income persons who are unemployed or underemployed.

In today's economy, many skilled people are looking for an opportunity to return to the labor market, while others are seeking their first job.

The Washington County Job Training office has applications from a wide variety of people—different ages, skill levels, job experiences—all interested in a chance to demonstrate their skills and abilities to an employer.

Any employer who has a full or part-time job opening should call the Job Training Office at 338-4490 or 338-4492 for more information.

Participating in the On-The-Job training program is a very simple process for employers.

A call to the Job Training Office will start the process in motion by discussing the available job with a Manpower Coordinator. Once the job order is completed and approved, the Coordinator will refer qualified people to the employer for an

interview.

If the employer would like to hire a JTPA referral, a one-page contract is signed outlining the length of training, hourly wage, and amount of reimbursement the employer will receive. The only other paper work obligation is a monthly timesheet.

Training contracts generally run from eight to 18 weeks, depending, in part, on the skill level of the occupation.

The tremendous advantage of On-The-Job training is that the employer has the final word as to whether or not the trainee is working out satisfactorily. Employers can discharge a trainee just as they would any other employee who does not meet the minimum standards of the company. The employer will be reimbursed for every day during the training period that the individual was employed, even if the trainee quits or is terminated.

For more information, contact the Job Training Office between 8 a.m. and 5 p.m., Monday through Friday at 338-4490 or 338-4492.

County 4-H & Youth Agent

FALL YOUTH RECREATION LEADERS LABORATORY

"Growing as a Leader" is the theme for 1983 Fall Recreation Laboratory. It will be December 2-4 at Camp Upham Woods near Wisconsin Dells.

The lab is open to any teenage youth. The emphasis of the lab this year is on 4-H project meetings. Youth attending the rec lab will be learning how to plan a project meeting and how to assist 4-H members in setting goals and the teaching techniques to make

project meetings interesting.

Participants will be able to select workshops on Music, Drama, Recreational Games and the Visual Arts. The knowledge gained will enable them to lead recreation in their local clubs and community and to use recreation and the arts in other project meetings.

The Washington County 4-H Leaders Association provides a partial scholarship for 4-H members to attend. Anyone 15-18 years of age who is interested in learning about recreation leadership should get more details from the 4-H office.

4-H OFFICERS WORKSHOP

The Washington County 4-H Officers Workshop will be Tuesday, November 15, 7:00 - 8:00 p.m. at Silverbrook School, West Bend. Instructors for each of the seminars will be: Presidents and Vice-Presidents - Bob Stodola, 4-H and Youth Agent; Secretaries - Dianne Horlamus, Secretary of the 4-H Leaders Association; Treasurer - Tom Kuhaupt, Treasurer of the 4-H Leaders Association; Reporters - Don Kosterman, Editor of the West Bend News.

All 4-H Club officers and their advisors are invited.

County 4-H Clubs Recognized for Community Service

Several Washington County 4-H Clubs were recognized for service to their community at the County 4-H Achievement Program.

The Myraneers 4-H Club worked for beautification and conservation and provided recreation in their community. They worked with the Newburg Library committee and did much of the landscape planning. The group helped with fund drives in the community. They planned roller skating, community holiday parties and visited the elderly. Adult leaders of the club are Mrs. Barbara

Falk, Charles Mayhew, Mrs. Kathy Shaver, Mrs. Bernard Barth, Mr. and Mrs. Stan Shaw, Mr. and Mrs. Wayne Seideman and Mrs. Carl Awve. Youth leaders working on community activities included Jean Awve, Jeff Guyant, Stan Shaw Jr. and Robert Falk.

The Kewaskum 4-H'ers are under the direction of Mr. and Mrs. Dennis Seideman. Other adults working with community service activities included William Butzlaff Sr. and Diane Horlamus. Youth leaders were Debbie Seideman, Amy Sekas and Renee Kapp. Their group worked with the Kewaskum Junior Woman's Club to make birdhouses for the new Nature Trail in Kewaskum Kiwanis Community Park. They also planned much of their own recreation and recreation for the community including swimming party, roller skating party, hayride and holiday parties.

The Badger Boosters 4-H club is under the direction of Mrs. Lois Pikoske of West Bend. Youth leaders providing leadership in their club activities included Paul Braun, Karen Doll, Pam Gundrum and Karen Pikoske. The club members worked with handicapped youth. They had a paper drive. They gave talks and demonstrations regarding health and planned recreation such as field trips to the House on the Rocks and a baseball game.

The Good Luck 4-H club of West Bend is under the direction of Paul Cypher, Arlene Cypher and Mrs. Agnes Curry. Youth leaders are Colleen Curry, Kory Dogs, Shelly Wessing and Todd Wessing. The group went caroling and made greeting cards for people at the Samaritan Home. They adopted a grandmother and visited her. They had Health slogans and talked about nutrition at their club meetings. They had paper drives and talked about importance of re-

cycling. They also provided recreation for themselves and others in the community. They invited exchange students from foreign countries to be their guests at some of their club meetings.

4-H clubs are part of the community. They work with other groups to improve their community. They also plan and carry out activities which are beneficial and enjoyable for themselves and to others.

To Present Slides on Art of Sign Reading And Animal Stalking

Footprints are one of the most obvious and interesting signs left by animals. But, there are other signs that are often harder to find and read. An increased knowledge of reading these animal signs and the skills of stalking them can lead to a new awareness and appreciation of wildlife.

Riveredge Nature Center will present slides, games and field observation on signs and tracking at the sanctuary at 4438 W. Hawthorne Road (Hwy. Y), Newburg, on Saturday, November 12, in a special program, "The Art of Sign Reading and Animal Stalking." The program is from 1:30-3:30 p.m. and is for anyone 4th grade through adult. There is a non-member fee of \$1 for adults and 75c for children.

To obtain more information or register for this program call the Riveredge Nature Center at 675-6888 (Local) or 931-8095 (Metro).

The first pretzels it is said were made by monks in southern Europe as a reward for children who learned their prayers.

Bulk Milk Haulers, Weighers, Samplers Course at MPTI

A new course is being offered by MPTI's Agriculture Division this fall. Bulk Milk Hauler Training is being conducted to prepare milk haulers, weighers, and samplers to take the licensing exam required by the Wisconsin Department of Agriculture, Trade and Consumer Protection.

The one-evening session will be held Thursday, December 8, from 6:00-9:30 p.m. at the Fond du Lac MPTI Campus. The licensing exam will be held a few days later at the same location. Call (414) 929-2100 to register for this class. Co-operating with the MPTI Agriculture Division on this class are the University of Wisconsin Department of Food Science and the Wisconsin Department of Agriculture, Trade and Consumer Protection-Food Division. The fee for this course is \$3.35. Contact Phil Rasmussen, Agriculture Coordinator, if you have any questions.

Conservation Program Set for DAR

WEST BEND - Carolyn Johnson, who heads West Bend's Recycling Committee, will be the guest speaker at the Joseph Marest Chapter,

Daughters of the American Revolution, regular meeting November 17.

"Doing Our Duty - Conserving Our Resources" will be the topic of the program which coincides with the national conservation theme of the DAR.

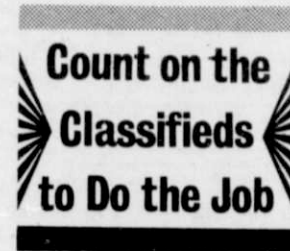

The meeting will be held at 1:30 p.m. at the home of Ruth Ronk, with Sharon Marth as co-hostess.

The Recycling Committee was appointed by the major nearly two years ago to make recommendations and generate ideas on recycling to be carried out by the city or volunteer groups. Its 11 members are citizen volunteers and local officials.

Recycling efforts have included the separation of news-

papers on the garbage trucks, a recycling center and changes in the collection of brush and yard wastes.

Johnson has a masters degree in urban and regional planning from the University of Wisconsin-Madison and has worked for seven years as an environmental planner in the area of water resources.

Village of Kewaskum, Kewaskum, Wisconsin NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held by the Zoning Board of Appeals of the Village of Kewaskum, Washington County, Wisconsin, on Thursday, December 1, 1983, at 7:00 P.M. in the Council Room of the Municipal Building, 204 First Street, Kewaskum, Wisconsin, at which time the Board will consider the following application.

The application of Edward E. Miller and Fred J. Miller for a variance, for the property located at 1318 Roseland Drive, (lot 2 block 8), Kewaskum, Wisconsin. The reason for this variance request is because of the rear yard requirements set forth in Chapter 3.4 of the Village Zoning Ordinance entitled "R-2 Single Family Residence District." If the variance would be approved it would reduce the rear yard requirement of 25 feet to 12 feet.

After the public hearing the Board of Appeals will meet in closed session to consider the application for the variance. The public hearing and meeting have been called by Eugene Bohn, Chairman of the Board of Appeals.

All interested persons will be given an opportunity to be heard.

CALL US ABOUT OUR MANY VACANT LAND LISTINGS

VETERANS DAY MESSAGE

In our public parks, in the hallways of our schools, in the town squares, in the court houses and in the churches, are the plaques, tableaux and statuary which have become community reminders to those who have served this nation in uniform. For all that are interested in the roots of this great American tradition, I have the following to offer.

At 11:00 a.m. November 11, 1918, an armistice between the Allies and Central Powers ended the fighting of World War I. This became known as Armistice Day and was recognized as such until 1954. At this time Congress passed, and President Eisenhower signed, a bill specifying that Armistice Day would thereafter be known and commemorated as Veterans Day.

When President Eisenhower signed the Veterans Day Bill, he called for Americans everywhere to rededicate themselves to the cause of peace. He proclaimed the day an occasion for honoring veterans of all wars, a group

that numbers more than 38 million of whom more than 27 million are still alive. Living veterans and their families, plus the living dependents of deceased veterans, make up about half the population of the United States.

With recent events in both Lebanon and Grenada, we are reminded that we live in a troubled world where our national security can be threatened in far away places. It is a world where American soldiers, both past and present, have made great sacrifices so that we can enjoy freedom at home. As President Reagan said recently, "In order to keep freedom, we have to keep working for it and sacrificing for it as long as we live. If we do not, our children may not know the pleasure of working to keep it, for it may not be theirs to keep."

On this Veterans Day, more than ever, America owes a sacred debt to those who have provided freedom through their sacrifice and dedication.

Spider silk is stronger than the silk produced by silkworms, and was once used for the cross hairs in telescopes.

It's Tree and Shrub Time Again

Application forms to order trees and shrubs from state nurseries are now available, according to Albert Kubiske, State Forests, Nurseries and Wild River specialist in the DNR Bureau of Forestry.

The forms may be obtained from DNR field stations, U.W. county Extension offices and all DNR foresters.

Seedlings available include a variety of both hardwood and softwood trees and shrubs for wildlife. In addition, wildlife packets and windbreak-shelterbelt packets are available.

Over 18 million trees and shrubs were distributed in 1983 and about the same number are available for 1984. However, according to Kubiske the demand for seedlings as in past years is expected to be great this year. It is recommended that landowners place their orders early in order to obtain the species they need. While the present inventory is excellent, supplies of some of the more highly desired species are expected to be exhausted early.

A reminder that these trees and shrubs purchased from state nurseries can be used only for conservation purposes. They cannot be used for landscaping or commercial Christmas tree production.

... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

DIRECT DEPOSIT OFFERS ADVANTAGES

Residents of the area who receive Social Security benefits can reap several advantages by taking part in the direct deposit program and have their checks deposited in an account in a financial institution, Mr. Becker, Social Security branch manager in West Bend, said recently.

Checks are sent directly to a checking or savings account in a bank, savings institution, credit union, or other financial institution, rather than to the person's home.

Some advantages are:
• A person does not have to be home to get the check. The money will be immediately available in an account.

• There is no worry about the check being lost or stolen.

• There is no need to stand in line to cash or deposit the check.

• It is safer to keep money in an account rather than at home or on one's person.

• A checkbook provides a written record for keeping track of one's money.

To arrange for direct deposit, a person should complete direct deposit form SF-1199. The form can be obtained at any financial institution. A person's Social Security check contains all the information necessary to complete the form. A person should check to make sure how the institution will handle the

account.

Completing the form only authorizes deposits into an account. Only that person, or someone he or she authorizes, can make withdrawals.

It is very important for people with direct deposit to continue notifying Social Security of any address change so they will receive any notices sent about their benefits.

More information about direct deposit can be obtained at any Social Security office. The telephone number is 1-800-242-9946.

Indians

(Continued from Page 1)

as the thousands of Kewaskum fans celebrated the victory.

The Indians were paced by the running of Braun, who carried 25 times for 94 yards. Chris Harlow added 16 carries for 30 yards and Dieringer carried six times for 23 yards. Follmann completed three of 12 passes, but was intercepted three times—from the Beavers' 10, 26 and 43-yard lines.

Mayer paced Reedsburg (9-2) with 101 yards on 23 carries and completed three of 15 passes for 62 yards. End Bryan Wright completed a pass off a flea-flicker play for 45 yards.

"It wasn't all mistakes by the offense," said Coach Mike Fiffick of the turnovers. "The defensive backs and linebackers were covering very well on both sides. But in a game of this magnitude, you just keep plugging away."

And so the 11-0 Indians continued their quest for the Division 3 State Championship. The undefeated Indians will meet Minocqua Lakeland at Camp Randall Stadium in Madison Friday, Nov. 11, at 3:00 p.m. Lakeland won their semifinal match against Baldwin-Woodville, 22-14. The euphoria continues as Kewaskum sets high hopes for Fridays game.
