## Kewaskum Skyline Takes On Cape Kennedy Look

By GERRY MUELLER  
Statesman Staff Writer

Is it a launch pad with its rocket ready for blast-off? No, but Village Board president Jerry Stollenwerk and other officials have been asked when the launch date is scheduled. Actually the strange thin structure taking shape on the south side of the village is the water tower for Kewaskum's new #3 well.

Workers began assembly of the new tower this week and are finishing the first phase of construction on the pedestal portion of the structure. If the weather remains favorable, the

construction crew will begin assembly of the ball portion of the tower next week.

When the tower is complete, it will stand 147 feet high, housing a well approximately 500 feet deep and the reservoir (ball) will hold 300,000 gallons of water.

Well #3 is one of the largest projects to be undertaken in the village's new Tax Incremental Finance (TIF) District.

Work on the tower is expected to be complete by the beginning of April. If the weather warms sufficiently, the tower will be painted in mid-April.

## Regal Signs Venture With Colombia Firm

Regal Ware, Inc. has signed a joint venture agreement with Medina Hermanos LTDA for the manufacture and marketing of stainless steel cookware. The new company, located in Bogota, Colombia, will be named Medina Regal S.A. Marketing and distribution is targeted for Colombia and other Andean Pact nations.

Medina Hermanos LTDA is a family-owned corporation that began producing silver serving accessories in 1930. In 1961 the company switched production to stainless steel table service and

institutional housewares. Stainless steel cookware was added in 1980. Expansion plans are already underway which will more than double the manufacturing space and add equipment in anticipation of increased sales.

Regal Ware, Inc. is a privately-held, multi-plant consumer product manufacturer that was started in 1945 and is based in Kewaskum. The company's housewares products are marketed nationwide and in many foreign countries.

## Winter Parking Ban Lifted

## Board Okays Garbage Chassis Bid

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum Village Board unanimously approved a motion to accept Honeck Chevrolet's bid of \$23,000 for a new 1984-C70 Chassis with diesel engine for the village's garbage truck. Transfer of the hopper box will be done by A-1 Service at a cost of \$950.00.

Public Works Superintendent Augie Bilgo told the trustees the present 1978 chassis, with approximately 125,000 miles on it, will be converted to the dump truck which the village uses to haul snow. The 1971 chassis from the dump box will be disposed of. Bilgo said he expected the village to get another five to six years use out of the

old garbage truck chassis.

Because the village opted to go with a diesel engine on the new chassis, Bilgo felt it would realize added fuel cost savings and see even longer service life than the village has gotten out of the present gas unit.

Public Works Committee Chairman Donald Mlodzik briefed the board on plans to vacuum the deep end of the Kiwanis Park pool. He said due to shifting of the beach sand to the deep end, the pool has become about two feet too shallow for safety in the diving area. Mlodzik and Village Administrator Dan Schmidt told the board, if the vacuum process is successful, it will mean a considerable cost savings. The other alternative would be to

use a dredge to remove the sand. The vacuum process will cost \$700.00, whereas dredging would cost anywhere from \$2,000 to \$4,000.

Trustee Mary Krueger gave a report on the Library Committee. She stated the committee had adopted a new agenda outline which would allow it to run a more formal meeting with proper minutes and records being kept. Marlene Erickson was elected chairman of the committee.

Schmidt informed the board he had been approached by Michels Construction with a proposal to purchase approximately 50 tons of base fill gravel from the village's Town of Auburn landfill. Schmidt said Michels is bidding on the Highway 28 repair project and looking for a gravel supply. Should the testing of the gravel and negotiations be successful, Schmidt said the village could realize between \$8,000 and \$10,000 in added revenue this year. The board gave Schmidt permission to negotiate with Michels.

As of Tuesday, March 6th, the village winter parking ban has been lifted. If necessary a snow emergency could be called to aid plowing work.

## Wayne Town Board Clarifies Referendum Question

By GERRY MUELLER  
Statesman Staff Writer

Over the weekend, Town of Wayne board members received numerous phone calls regarding the Cedar Lake retirement village referendum which will be presented to Wayne voters on the April 3rd ballot.

After last week's article concerning the Cedar Lake Campus Board of Directors' news release announcing its decision to go ahead with plans for its retirement village, some residents felt they were going to be asked to vote for either the retirement village or a public park. Wayne board members Orville Kern, Mark Strobel and Leonard Peter noted that while Reverend Riesch had presented three options he had concerning the use of his land at the public hearing, and a statement in the Cedar Lake board's release stated "the vote on an advisory level should express the people's feelings whether the site should be used for the elderly or become a public park area," the voters would be presented a referendum concerned strictly with the retirement village proposal and nothing else.

The referendum, as it will appear on the April ballot states, "Do you favor the proposal of the Benevolent Corporation of the Cedar Lake Home Campus to develop the Havenwood Campus residential retirement community project and related facilities east of Kohlsville in the Town of Wayne?" (Indicate yes or no).

Supervisor Peter said several

residents had indicated they were not in favor of the park idea but were afraid that if they voted against the retirement village it would appear they approved a park proposal. Peter said the Cedar Lake release led

## Leap Year Baby

Jamie Lynn Wilson, Washington County's only leap year baby and her mother, Mrs. Douglas Wilson.

A daughter, Jamie Lynn, was born to Douglas and Karen Wilson, 735 Imperial Court, West Bend, on Wednesday, February 29. Jamie was the only February 29 (leap year) birth at St. Joseph's Community Hospital, West Bend. Her vital statistics are seven pounds and 20½ inches.

According to the Washington County Register of Deeds office, there were no other February 29 births recorded in the county up to Tuesday,

March 6. Jamie can claim the distinction of being Washington County's only 1984 leap year baby.

The infant is the first grandchild for maternal grandparents, Mr. and Mrs. Lewis Enderle of West Bend, and the first granddaughter for paternal grandparents, Mr. and Mrs. Lawrence Wilson of rural Kewaskum.

Leap year has 366 days, one more than an ordinary year and occurs only every four years.

# Wayne

(Continued from Page 1)

Wayne residents to believe that they would have to make a choice between the retirement village or a park, and this is not true. "Many people have indicated they are also against a park on the land," stated Peter.

While the referendum is strictly an advisory vote to allow Wayne residents to indicate their position regarding the proposed plan, Strobel and Peter have said they will base their decision regarding the permit on the outcome of the vote on April 3rd.

Reporter's Note: The Washington County Land Use and Park Department was contacted to learn what procedure would be followed if the Cedar Lake request was denied and Rev. Riesch decided to turn the

land over to the county.

In a telephone conversation Monday morning with Paul Mueller, Administrator of the County Land Use and Parks Department, regarding the use of the Riesch land, he made the following comments:

He asked first, it be made clear that, to date, the land had not been offered to the county and because of all the rumors and speculation he would not make any statement directly addressing the Wayne situation. Mueller did make a general statement saying if the county were to receive land in "A" township, not necessarily Wayne, and the county decided to turn it into a park, the board of that particular township would be asked for its advisory input, but the county would not need town board approval of any permits to go ahead with any park plans. The reason

being, such a conditional use plan would fall into a different category than the Cedar Lake project.

Going back to the Wayne question, Mueller again stated what he had said at the February 21st public hearing, that because of the category in which the Cedar Lake project permit was placed, it is necessary for both the town board and county to approve the conditional use permit. Mueller noted, however, that this is not the case in most conditional use permit requests and in other situations, town board approval would be solely advisory and the county would make the final decision.

Should approval be denied by either the town or the county, the permit would not be granted.

## Indian Booster Club to Sponsor Basketball Classic

The second annual Kewaskum Indian Booster Club Basketball Classic will be held Saturday evening March 24 at the Kewaskum High School gym beginning at 6:00 p.m.

There will be eight teams participating. At 6:00 o'clock the Kewaskum Jaycees will meet the Wayne Jaycees; at 7:00 the Beechwood Fire Department is slated against the Boltonville Fire Department; at 8:00 the Kohlsville Fire Department is pitted against the Filmore Fire Department and at 9:00 the Kewaskum Fire Department will play the Kewaskum School Staff.

This is one of the larger fund raisers of the Club and the

proceeds from the event goes right back into the school. This year two scholarships will be awarded. The club has also purchased a metric-board for track records, uniforms for the Swing Choir and sixty warm-up suits. Last year the step van, the exhaust fan in the weight room and the trophy cases in the wrestling room all came from the Booster Club, as well as the annual scholarship.

There will be super door prizes, cheerleading, the pep band will play, and concessions will be available. Tickets are on sale at all the schools. Please attend and bring your friends. See you there!

Municipal Building's new "front door."

By GERRY MUELLER  
Statesman Staff Writer

Another phase in the repair and remodeling of Kewaskum's municipal building has been completed.

The work included replacing windows in the library and council room, plus the renovation of the main entrance to include an energy and heat saving vestibule. The new vestibule contains a door leading to the library and depository for after hours return of library books.

Village Administrator Dan Schmidt said Henry "Hank" Becker deserved a thank-you for building the book cart used at the depository.

### KHS Student Gov't. to Sponsor Blood Drive

The Kewaskum High School Student Government will be sponsoring their 4th annual blood drive on Monday, March 19. The drive will be held in the old gymnasium at KHS from 8:00 a.m. until 1:00 p.m. All students eligible to give are urged to do so.

Last year a total of 110 people donated. This was considered a great success. "We would like to see the school go over the 110 pint mark this year for donations," said advisor, Bill Lickel.

Call the high school for an appointment to avoid waiting.

### All 16 Members of Forensics Team Advance to District Competition

On March 3rd the Kewaskum forensics team participated in the sub-district forensics contest held at Slinger High School. 137 contestants from eight area schools participated in the meet. The schools included Slinger, Lomira, Kewaskum, Hartland University Lake, Oconomowoc, Hartford Union, Hartland-Arrowhead and Campbellsport. Three rounds of competition were held in the morning with the best speakers also entering a power round in the afternoon.

Two or three "A" ratings were needed in the morning rounds in order to advance to district competition at Brookfield East on March 24th. All 16 members of the KHS forensics team will be advancing to district competition. All Kewaskum members participated in the afternoon power round of sub-district competition. Beth Strigenz in Four-minute speeches placed 8th of the 20 speakers. In Poetry Reading, Michelle Beesten, Leslie Mueller, Julie Strancke and Amy Sekas participated with Amy placing 1st and Julie 6th of the 20 participants. In Prose Reading, Debbie Wilson, Sue Lemke, Anne Rosenberger and Jama Jacak participated with Jama placing 4th of the 22 participants. In Play Acting, Sue Schmitt and Kim Brodzeller participated. Mitzi Nigh was a power round competitor in Story Telling. In Declamations, Doreen Jacobs, Cheryl Kurtz, Barbara Panzer and Jill Schmidt

participated with Jill placing 5th of the 18 speakers involved.

Last year Amy Sekas, Jama Jacak and Sue Lemke participated in the state contest held in Madison. Amy Sekas had been chosen the most valuable person in forensics for KHS by coaches Barbara York and Judy Jacak.

### KHS Community Night March 15

The second annual "Community Night" for education which is sponsored by the Kewaskum Education Association, will be held from 7-9 p.m. at Kewaskum High School on Thursday, March 15.

Sessions of mini courses will be offered to adult residents of the Kewaskum School District free of charge. Child care will be available.

Pre-registration slips have been printed in the Statesman and are available at Rich's Foods and Sentry. Pre-registration is not required, but the KEA will appreciate knowing how many will attend so that teachers can plan for their session.

# Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This 1915 photo, facing west, shows the Henry Metzner home in the Village of Kohlsville. Notice the wooden sidewalk. To the left is the Phillip Schellinger Mill Workshop. He made woodwork, doors, etc. and also had a portable sawmill where he serviced the farmers. (Photo submitted by Norman Martin)

## Firemen Busy, Answer 4 Calls

Kewaskum firemen answered a grass fire call at 2:20 p.m. last Thursday to the Richard Thiemer property, Hwy. 45 north, in the Town of Auburn. About one acre of grass burned over. The blaze, cause of which is unknown, was noticed by a neighbor. Twelve firemen spent one half hour at the scene.

The firemen were called out three times on Saturday. At 11:32 a.m. they were summoned to the Dr. F. E. Nolting residence at 227 Main St. when there was a smell of smoke in the building. It is believed the odor was caused by car exhaust. There was no fire and no damage resulted. Eighteen firemen spent a half hour at the scene.

Again at 3:50 p.m. Saturday there was a grass fire on a vacant field on the north end of Western Ave. Approximately eight acres of grass burned. The fire resulted from a controlled burn of old grass by neighbors which got out of control. Firemen helped burn the balance of the field.

The third call Saturday came at 7:49 p.m. for a chimney fire

at the Richard Ellis home at 712 Memorial Dr., Kewaskum. There was no damage. Ten firefighters responded and spent a half hour putting out the fire.

## UW-PLATTEVILLE COUNSELOR TO VISIT KHS

Ellen S. Phillips, an admissions counselor from the University of Wisconsin-Platteville, will visit Kewaskum High School on March 14 at 11:00 a.m. The UW-Platteville is located in the southwest corner of Wisconsin, about 20 miles north of Dubuque, Iowa.

Current enrollment at the campus has reached an all-time high of nearly 5,400. Students pursue over 50 majors offered in the Colleges of Agriculture, Engineering, Education, Arts and Sciences, and Business, Industry, and Communication. The university faculty and administration are dedicated to academic excellence, practical as well as theoretical education, and meeting the individual needs of the students.

## Recycling Center Closed

The GFWC Kewaskum Jr. Woman's Club announced Tuesday that the recycling center on North Fond du Lac Avenue in Kewaskum will be closed until further notice.

Spokeswoman for the Conservation Department, Mrs. Nancy Malvick, noted cancellation of pick-up of recyclable material to be the reason for the closing.

Recom Incorporated had notified the Junior club of its discontinuing tin pick-up, but it appears now that the company has gone out of business and will no longer be servicing the Kewaskum facility. Members of the Jr. Woman's Club are investigating other avenues in order to keep the center, established 11 years ago, from closing its doors permanently.

## Girl Scout Sunday To Be Observed Here, Volunteers Needed

On March 11 the Girl Scouts around the world will observe Girl Scout Sunday. This is the start of a week long celebration of Girl Scout activities.

Kewaskum area has 224 girls in 20 troops. There are 7 Brownie troops, 8 Junior troops, 2 Cadette troops and 1 Senior troop. These troops are being assisted by 40 adult volunteers.

We are proud of our volunteers who give countless hours of rewarding, but unpaid work. You don't have to have a child in the program to participate as

an adult. We feel our program enriches the lives of fathers, young marrieds, singles and retirement age persons. Girl Scout adults are not necessarily troop leaders with responsibilities—some work with other adults, are members of short-term committees or assist troop leaders.

If you think that in this day and age young people can have fun, somewhere to go, constructive things to do and interesting things to learn - YOU BELONG WITH US! Won't you join us in Girl Scouting? Contact: Pat Morgan, Community Team Chairperson at 626-4284.

## Blood Drive Collects 137 Pints

On Feb. 29th Kewaskum held its semi-annual blood drive. A total of 137 pints were collected. We wish to express our sincere appreciation to all who gave the gift of life so others may live.

The Blood Center honors those individuals who have given 8, 16 or 24 pints by presenting them with their choice of a pin or key ring. Vincent Groh and Allen Schoofs each gave 24 pints. Debbie Herman and Kathie Ramthun each gave 16 pints. Those who have given 8 pints are Gene LaMarche, Pat Mueller, Tom Schickert, Paula Brendemihl and Bonnie Boden. Congratulations and thank you to all donors.

Our thanks also go out to the Kewaskum Junior Woman's Club for making and serving the lunch, to the Kewaskum High school for use of its facilities and the Kewaskum Statesman for supporting us with news articles.

Other generous donors were: Margaret Zehren, Phyllis Bade, Barb Gengler, Gerda Hlavaty, Bernice Ramthun, Harold Westerman, Gladys Olson, Helen Beisbier, Jackie Trzeciński, John Long, Clark Pearson, Art Buss, Jerome Mayer, Pat Deshotels, Karen Matthies, Linda Theisen, William Gruhle, Allen Koepke, Sherry Miller, John Klahn, Valeria Strobel, Maggie Seideman, Renee Krajna, Ruth Schultz, Roger Schmitt, Richard Dreher, Hugo Straub, Cheryl Beisbier, John Beisbier, Walter Krueger, Joanne Amerling, Nancy Weise, James Simon, Glen Gutjahr.

### 600 Exhibitors to Be At Craft Fair USA

Craft Fair USA, March 10 and 11 at Wisconsin State Fair Park has become the largest show known in the midwest area. No other show can offer the public the variety of 500 creative craftsmen combined with over 100 artists!

Dennis R. Hill, Director has produced just that kind of show, featuring more than 600 participating exhibitors from Wisconsin, Illinois, Minnesota, Iowa, Nebraska, Michigan, Indiana, Colorado, North and South Dakota, Kansas, Tennessee, and Missouri. Hill said, "this show offers the best selection of quality crafts on the market today, and also introduces fine arts including: paintings, graphics, sculpture, photography, pottery, and textiles."

Good quality and outstanding workmanship is what Craft Fair USA has to offer for sale. All the latest crafts in stenciling, twilling, wheat weaving, hardanger embroidery, pierce cut lamp shades, applique, and basket weaving are available. That's not all! Also: soft sculpture, children's clothing, ceramics, rosemaling, Early American furniture, glass-blowing, florals, leather, stained glass, wood toys, quilting, country crafts, wild life carving, jewelry, and more!

The south hall entertainment stage will spotlight craft demonstrations, magic acts, and spring fashions during both days.

Craft Fair USA is not to be missed on March 10 and 11 in both the North and South exhibit halls from 10 a.m. to 6 p.m. at Wisconsin State Fair Park, Milwaukee. Plenty of free parking, adult admission \$1.75, children 6-12, 75c, under 6 free.

Exhibitors from the area include: Mary Laatsch, macrame, Sandy Piechowski, padded frames, Kewaskum; Jerry Stangl, watercolor painting, Ruth Gehl, applique, John and Karen Horst, wood/fabric, Jean Janisch, wood, Betty Walczak, crochet, Ralph Wierl, ceramics, West Bend.

### RECIPES WANTED FOR COOKBOOK

The Ozaukee County Historical Society is compiling recipes for a cookbook. Proceeds from its sales will be used for the restoration of the Cedarburg Depot which has been moved to the Pioneer Village on Highway 1. Any interested donors should send recipes to Lola Weinreich, 8223 Highway M, Fredonia, WI 53021. Of special interest should be pioneer recipes or recipes that have been in a family for several generations.

Soiled areas of your carpet can be cleaned without soaking. Ask Miller's of Kewaskum about Nylac. Use your carpet an hour after cleaning with Nylac.

## Luckhardt Will Not Be Candidate for Re-election

MAYVILLE...State Representative Esther Doughty Luckhardt (R-Horicon) told members of the Dodge County Republican organization at a Lincoln Day Dinner here recently she will not seek a 12th term in the Assembly for the 88th District, which includes Kewaskum.

Luckhardt, who is serving her 11th consecutive term in the legislature holds the record for women in the state and is now the third ranking member of either sex for length of service in the Assembly.

When she was elected in 1962, she was the only woman in the Legislature, the 9th to serve since women were granted suffrage. Six of those eight women, including the first three ever to serve, were Republicans.

Reminiscing on her years in the Legislature, the Republican lawmaker, who considers herself "a rock-ribbed fiscal conservative," told her audience, "during my first term in the 1963-65 biennium, state General Fund spending totaled \$638.6 million and we had no bonded state debt." Luckhardt continued, "During the 1983-85 biennium General Fund spending will be \$8.6 billion - or an increase of 1,247% - and we have a bonded state debt of approximately \$2.5 billion."

"Today there are 24 women in the Assembly - or 24% of the membership - with 12 representing each party," she noted, "but during my first 4 terms there were only two of us, Carolyn Blanchard Allen, and myself, and we were both Republicans."

"When I decided to run for the legislature in 1962, it was to preserve my children's heritage. I wanted to help make and keep Wisconsin a place where my children could thrive and prosper without a heavy burden of taxation," Luckhardt said.

"However, more than a decade of runaway state spending and over-taxation have shattered that illusion," she added.

"I may be retiring from the legislature to make room for an up and coming Republican, but I assure you I am not retiring from political activities and I will stand ready to help the campaign of my successor,

whomever that may be," Luckhardt declared. Luckhardt also stated she was already gearing up for the Reagan re-election campaign.

During her 11 terms, Luckhardt has served on almost every major Assembly Committee. She also served on the Governor's Commission on Status of Women, the Legislative Council's Committee on Child Care, and since 1975 she was the first and only woman to serve on the State Building Commission.

## KES Fifth Graders Celebrate President's Day

Principal Richard Zarling [left] and Mayor Gonring sample the many delicious dishes.

Christopher Schoofs as Abe Lincoln.

On Monday, February 20, the fifth grades at Kewaskum Elementary School celebrated President's Day with a potluck luncheon and program for their parents. The students reported on various presidents and wore appropriate presidential attire.

The mayor of West Bend, Donald Gonring, was the featured speaker. He spoke about his role as the chief executive of the city. Because the fifth grade curriculum includes a study of the growth of cities, Mayor Gonring was asked to also speak about urban renewal. He specifically spoke about the downtown area.

About 80 people attended the luncheon planned by the fifth grades and their teachers, Mrs. Mary Pearson and Mr. Erv Uhlman.

### Sheepshead Winners

Five handed sheepshead winners on Sunday, Feb. 12, were Elmer Stange 51-9-42, 16-5-11; Faye Keller 47-6-41, 15-3-12; Jerry Metz 47-8-39, 19-5-14; Suzette Muller 40-7-33, 12-6-6. The next five handed will be Sunday, March 11, at 1:30 p.m. sharp.

Three handed winners on Tuesday, Feb. 21, were Ralph Stern 42-4-38, 16-2-14; Bob Sauer 34-4-30, 14-2-12; Leo Zehren 28-2-26, 11-1-10. The next three handed will be on Tuesday, March 20, at 8:30 p.m. sharp at Schmitt's Never Inn.

Thirteen is considered so unlucky that at one time in Paris no houses had that number.

## Miller's County Post Still Vacant

By GERRY MUELLER  
Statesman Staff Writer

Washington County Board Chairman Reuben Schmahl said he will wait until after the April 3rd election to see whether someone will have to be appointed to fill the board vacancy created by the January 23rd death of Supervisor Charles Miller.

County Clerk George Nehrbass told the Statesman that there is no deadline for filing. He said a person could announce any time prior to the day before the election. As of Tuesday, March 6th, Nehrbass stated no one had filed any papers to run for the District 10 position on the County Board.

County Supervisor Harold F. Ryan was elected chairperson of the Comprehensive Community Services Agency Board of Directors replacing Miller who held that post at the time of his death. Supervisor Gilbert Arnold was elected to fill Miller's spot on the CCSA Mental Health Committee.

The death of Miller ended a long and dedicated career in politics which spanned both local and county government. His life in government began in April 1942, when he was elected president of the Village of Kewaskum. He served in that post until 1955. Miller held that post again from April 1973 to April 1979, serving for a total of 19 years.

Between those terms, Miller served on the Kewaskum Village Board as trustee from 1969 to 1973. He went on to serve 15 years as Washington County Supervisor for the 10th District, a position he held until his death.

Miller was an active member or chairman of various county committees. Even while he served as county supervisor, Miller remained active in local

government. He was serving on the Kewaskum Plan Commission at the time of his death. Village President Gerald Stollenwerk has indicated he will not take any action to replace Miller on the commission until after the spring election.

An area resident commented that many people who knew Miller both professionally and privately will miss the robust laugh and outspoken voice of a man who was recognized and honored for the loyalty and concern he demonstrated toward his community through 22 years of service.

### Boy Scout Klondike Derby Winners Named

Twenty-six patrols made up of 163 Boy Scouts, representing 18 troops from Ozaukee and Washington Counties, participated in the Klondike Derby, at Hawthorne Hills County Park. The annual event is sponsored by Glacier Edge District 11 of the Bay-Lakes Council of the Boy Scouts of America.

The scouts competed against each other at the Patrol Level in First Aid, Ice Rescue, Fire Building, Outdoor Cooking, Tracking, Tandem Snowshoe, Lashing, Compass and Obstacle Courses.

Scout District Commissioner, Richard Borchardt, presented the First Place Trophy to the Star Patrol from Troop 744, Kewaskum; Second Place went to the Knights, representing Troop 840, Grafton; and Third Place was awarded to the Panthers from Troop 830, Cedarburg.

Explorer Post 2791 from West Bend, provided First Aid Coverage for the derby.

## Obituaries

### ROBERT F. BACKUS

Robert F. Backus, 80, of 218 Lounsbury St., Watertown, formerly of Kewaskum, died Saturday, March 3, at Watertown Memorial Hospital, following a brief illness.

He was born Aug. 3, 1903, in Kewaskum, and married Esther E. Maxwell Sept. 28, 1947, in West Bend.

He farmed both in the Kewaskum and Watertown area most of his life, retiring in 1973. He was a member of St. Mark's Lutheran Church, Watertown.

Survivors include his wife; four children, John (Christine) Maxwell of Arvada, Colo., Robert (Sharyn) Maxwell of Watertown, Rev. Andrew (Delores) Backus of Johnson, Minn., and Mary Osten of Milwaukee; 13 grandchildren; one great-grandchild; one brother, R.R. (Clara) of Malone, Wis.; one sister, Isabell Walsh of West Bend, and other relatives and friends.

He was preceded in death by two brothers and two sisters.

Funeral services were Wednesday, March 7, at 11 a.m. at St. Mark's Lutheran Church, Watertown. Rev. Henry E.

Paustian officiated and burial was in the Peace Church Cemetery, Kewaskum.

Visitation at the Pederson Funeral Home, Watertown, was Tuesday from 5 to 9 p.m. and Wednesday at the church from 10 a.m. until time of services.

### MRS. LOUISE HUCK

Funeral services for Mrs. Louise A. Huck, 80, of 15 N. Marr St., Fond du Lac, formerly of Kewaskum, were held at 10:30 a.m. Thursday at Uecker-Witt Funeral Home, and at 11 a.m. from St. Mary's Catholic Church, where she was a

member.

She died Sunday, March 4, 1984, at Americana Healthcare Center.

The Rev. Peter Carek officiated at the funeral services, and burial was in Calvary Cemetery. Friends called from 10 to 10:30 a.m. Thursday at the funeral home.

She was born Feb. 26, 1904, in Milwaukee, a daughter of Charles and Anna Kern Knoebel. On June 25, 1925, she married Arnold H. Huck at Kewaskum. He died Oct. 17,

1958.

Mrs. Huck was employed by the former Tasty Bakery for 30 years. She was a member of St. Mary's Church and its Altar Society, American Legion Auxiliary and St. Lawrence Seminary Guild.

Survivors include one son, William of St. Augustine, Fla.; four granddaughters; a great-grandson; and two brothers, Charles Knoebel of Berlin and Phillip McLaughlin of Poynette. One son, one grandson and two brothers preceded her in death.

# Letters to the Editor

March 4, 1984

Page 10, Kewaskum Statesman, Friday, March 9, 1984

TO THE CONCERNED RESIDENTS OF THE DISTRICT:

At a recent School Board meeting, the Administrative Staff presented the 1982-83 PER PUPIL EXPENDITURES statistics to the Board members and the audience. The statistics revealed our District's per pupil expenditure ranking in our conference and our state ranking in the 372 K-12 Districts. The statistics are taken from the **Public Expenditure Research Foundation Report**, 615 East Washington Ave., Madison.

As in the past, these statistics were "scoffed" at by some of our current Board members who do not want to see or hear how low our District ranks in per pupil expenditure.

Before I list these statistics again, I believe a little information on the Public Expenditure Research Foundation is required:

This organization is funded by private industry to do re-

search in the public area which will provide information to all concerned with government. Looking at comparisons is an excellent way of determining how we are doing. It is true that you have to analyze figures to determine if they are meaningful, but when a legitimate comparison is done, these figures can be very meaningful and informative. As the Public Expenditure Research Foundation has indicated, "The purpose of this Foundation report (per pupil expenditure is only one area of the reports total contents) is to provide comparative information on Wisconsin school district expenditures, enrollments and professional personnel so that taxpayers and school officials can effectively analyze many of the important elements of school district budgets."

Now for the statistics:

1982-83 PER PUPIL EXPENDITURE  
Eastern Wisconsin Conference

DISTRICT	PER PUPIL EXPENDITURE	RANK IN 372 K-12 DISTRICTS
Kiel	\$2,755	168
Plymouth	\$2,668	229
Chilton	\$2,497	293
New Holstein	\$2,488	296
Two Rivers	\$2,456	309
Sheboygan Falls	\$2,416	320
KEWASKUM	\$2,266	350

The state average for K-12 districts: \$2,947.

As election time is upon us, please question statements pertaining to budget cuts, irresponsible spending, etc. made by current Board members and the candidates they support: your child's/-grandchild's educational future depends on it!

Due to our persistent budget cuts/reins, our district has lost

out on available state matching funds. As one of the candidates stated at the Voter's Forum: "if we don't allocate dollars in our school budget, we miss out on approximately \$.38 (matching fund) for every \$1.00 allocated."

Thankful My Last Student Will Be a Senior!

Jerry Buchel

To the Town of Wayne Voters:

According to a news release from the Cedar Lake Home Campus Board of Directors Feb. 27, 1984, in the Kewaskum Statesman on March 2, 1984, it was stated that the voters could vote for a project for the elderly or a County Park.

Our Town of Wayne Referendum for the voters states:

"Do you favor the Proposal of the Benevolent Corporation of the Cedar Lake Home Campus to develop the Havenwood Campus residential retirement community project and related facilities East of Kohlsville in the Town of Wayne?"

Yes  No

Also the environmental study is being stopped by someone other than the Town Board — We wonder who?

Leonard W. Peter, Supr.

....

To the editor:

I would like to clarify the letter to the editor of March 1 by Norma S. Serwe. Sixteen Holy Trinity eighth grade students will be attending science classes at the Kewaskum Middle School during the 1984-85 school year, as they have for over ten years. Seventh grade students have not in the past nor will they during 1984-85 attend science class at Middle School. These sixteen eighth graders attending science one hour a day will not greatly affect the total enrollment of Middle School.

Mrs. Sharron Miller  
Holy Trinity School

....

To the Editor:

After receiving the appeal from the Heart Fund, I would like to make a suggestion. I have been chairman of the Heart Drive several times in past years (before the United Way was started in Kewaskum). I enthusiastically worked to help establish a United Way in Kewaskum in order to eliminate the necessity for the many separate drives. Separate

drives require time and many volunteers and chairmen.

I was residential solicitation chairman for the first two years and now solicit, as do many other volunteers, for the annual United Way Drive. We all tell people that this will be the only charity drive in Kewaskum. Kewaskum has, in turn, been very generous in their charitable giving.

It is my sincere recommendation that the American Heart Association of Wisconsin please ask the Kewaskum United Way for funds. This would eliminate the necessity for the separate Heart Drive.

# INTRODUCING Progress

**Moving forward; continued development; and constant improvement ...that's progress 'Financial Resource Group' style.**

In just a few short years, West Bend Savings has successfully engineered the development of a complete service organization by linking our area's best companies and the professional services they offer into a complete Financial Resource Group.

The Financial Resource Group is a network of related companies—each an expert in their field and each dedicated to maintaining leadership, continued development of new and innovative products, and constant improvement to service quality.

Technically, the Financial Resource Group members are affiliated companies, wholly owned subsidiaries, or divisions of West Bend Savings and Loan Association. Each

company, however, operates independently and maintains the ability to act quickly and decisively when servicing their customers needs.

The Financial Resource Group members, as a team, can provide an array of services unmatched in this area. Why not get to know us better during 1984 and experience progress 'Financial Resource Group' style for yourself?

**BALLET PROGRAM** — On Thursday, February 9, Mrs. Mary Eckert, a former dance teacher at UWWC, presented a program on ballet to children grades K - 4 at the Kewaskum Elementary School. The program was in conjunction with the Kindergarten's class trip to see "The Tin Soldier" at the PAC in Milwaukee. Two fourth graders, Michelle Wietor and Stephanie Reindl each performed two dances including jazz, tap and ballet.

**Kewaskum FFA Holds Meeting**

The Kewaskum FFA held its meeting February 24th as a part of the National FFA Week celebration.

The officers began with the opening ceremony at 3:01 p.m. The secretary's report was read by Jon Etta and approved by a motion and second by Patsy Panzer and Randy Gindt, respectively. Gary Butzlaff gave his treasurer's report which was approved and seconded by Brian Oelhafen and Patsy Panzer. Our treasury now has a balance of \$4,221.69. Thanks go to Gary Butzlaff who went over the books and corrected mistakes from as far back as 1976.

For old business, Mr. Rizzardi awarded the prizes from our three-on-three tournament. John Herriges, Jim Herriges, and Roger Batzler received first prize. Gary Butzlaff, Joel Junk, and Joe Schmidt took second. Jon Etta, Jim Schulz, and Randy Gindt received third.

On February 21st, three members went to the district speaking contest. Jon Etta placed in extemporaneous speaking. Patsy Panzer was second in prepared speaking. Beverly Schulz was first in creed speaking.

Next we talked about our FFA Week winners. During the week we held various contests and each winner received a three dollar gift certificate to the Homeplate Restaurant. Scott Amerling won the seed guess and Ray Langhoff won the

string guess. In our photo contest, Dan Mueller won the serious division and Doug Enright won the humorous division. The team of Jeff McChain, Mike Arndt, and Scott Amerling won the Ag Olympics. Jeff Diels won the Trivia Contest. At our Teacher's Tea, Mr. Lickel and Ms. Freriks tied in Dairy Judging.

We discussed our supplement and our Admirals Game. There was a safety calling project update.

In new business, we decided to offer the same prizes as last year for the people who sell the most tickets to the Alumni Polka Dance.

We set the banquet date at May 3rd.

We discussed judging teams and the rat bait sale, which will run through March.

An award in memory of Roman Muckerheide has been established by the chapter and family to be awarded to an outstanding sophomore FFA'er each year.

We will be going to a Buck's Game April 3rd and we set

ticket prices at \$7.00 per person.

The closing ceremony was at 3:31 p.m. and refreshments, including a six foot long submarine sandwich, were had by all.

Kewaskum FFA Secretary, Jon Etta

**AMPI Names Stoffels Outstanding Young Dairy Cooperators**

Daniel and Joan Stoffel of Kewaskum have been selected as district Outstanding Young Dairy Cooperators (OYDC) in a leadership recognition program sponsored by Associated Milk Producers, Inc., Mid-State Region.

The OYDC program, held March 6-8 at the Abbey on Lake Geneva at Fontana, Wisconsin, is designed to identify cooperative leadership ability and recognize individual dairy management skills.

The Stoffels are competing with 33 other dairy farmers from throughout the seven-state Mid-States Region. Finalists will be named at the Abbey. Overall winners will be determined later this spring, following farm visits.

In addition to the competition the Young Cooperators also have the opportunity to learn more about milk marketing and milk quality. And AMPI staff explained the cooperative's finance and credit, communication, legislative and manufacturing services.

The Stoffels began farming in 1974. The farm, a family owned corporation, includes 1100 acres and 170 milking cows.

Both Dan and Joan have been extremely involved in community activities. Dan serves as Supervisor for the Town of Kewaskum. He is also on the Parish Council of Holy Trinity Parish and President of the Catholic Family Life Insurance Fraternal Branch. Joan is a Past-President of the Kewaskum Junior Woman's Club and active in the Farm Bureau Women.

The Stoffels have two children — Erin, 8, and Carrie, 6.

**Drunk Drivers Killed 272 People in State in 1983, Accident Records Show**

A total of 272 people died in 1983 traffic crashes because of errors committed by drivers who were drunk, according to a study by the state Department of Transportation.

Russ Fleming, chief of accident data in the Division of Motor Vehicles, said his study found that 37 percent of the 735 traffic victims last year died in crashes in which the at-fault drivers were either charged with drunken driving or whose blood tested at over .10 percent blood alcohol concentration (BAC).

The study has found a substantial drop in the past three years in the percentage of traffic deaths directly traceable to alcohol involvement, Fleming said. The 1981 figure, before the state enacted a tougher drunken driving law, was 44 percent, while the 1982 study found 42 percent of all deaths caused by drunken drivers.

The current study found that 735 people were killed in 657 separate fatal accidents last year. Of those, accident reports indicated that 258 of the drivers involved were both at fault and over the legal limit of intoxication. The 258 causal drunken drivers were responsible for 272 traffic deaths.

The 1982 study found 281

at-fault drunken drivers killed 323 people, while 411 of the 1981 traffic deaths were in accidents in which 358 drivers were drunk and at fault.

Fleming said that the 272 victims included the drunken drivers themselves, plus their passengers, drivers or passengers in other vehicles, as well as pedestrians, motorcyclists and bicycle riders.

The study was begun in 1982 as a means of checking the effectiveness of the drunken driving law which went into effect in May of that year.

"Although these figures are grim, we recognize that this study somewhat understates the magnitude of the problem," Fleming said. "It does not include those drivers who were legally intoxicated but not determined specifically to have caused the fatal accident," he explained.

"In view of these statistics, it is hard to understand how anyone can view drinking/driving laws as overly harsh," Fleming said. "Drunk driving is a crime, and the fact that the drunk driver is his/her own most frequent victim does not in any way alleviate the seriousness of the offense," he concluded.

**Red Cross Chapter to Conduct Water Safety Instructors Course**

The West Bend Red Cross will be conducting a Water Safety Instructors course (WSI) starting March 19th at the Y.M.C.A. pool. The class will meet from 3:00 p.m. to 5:00 p.m. two nights a week, Monday and Wednesday through May 14th.

Those enrolling in the course must be 17 years of age and hold a current Lifesaving certificate and pass a screening test of swimming skills.

The course is organized in two approaches: a one hour lecture followed by practical teaching in the water. Tom Brigham, Red Cross Instructor Trainer, will certify those who pass as Water Safety Instructors.

Course supplies will be purchased at the pool; they include: Basic Rescue and Water Safety book - \$1.00 and Instructors Manual - \$1.00; Lifesaving Rescue and Water Safety Book - \$4.25 and Instructors Manual \$1.00; Guide for Safety Instructors - \$1.00, Teaching Johnny to Swim - 75c and Swimming and Aquatic Safety - \$4.25.

To enroll, call the West Bend Red Cross at 334-5687.

**ADVANCED HUNTER COURSE AT MPTI**

A ten-hour course for the adult hunter is scheduled to begin at 7:00 p.m. on Wednesday, March 14, 1984, at Moraine Park Technical Institute - Fond du Lac Campus. This certification course will qualify hunters for licenses in many western states and Canada.

Topics include sportsmanship, hunter ethics, safety, interpretation of game laws, and possibly small arms instruction. Call (414) 929-2100 to reserve a place in class.

The Blue and Gold Banquet was enjoyed by everyone who attended. Thanks to everyone who helped make this annual banquet a success.

Den 1 - Working on improving their bowling and have turtle races. The boys made and decorated rockets which they displayed at their Pack Meet. Through their hard work and efforts the boys earned another arrow.

Den 2 - Finished up some achievements for their Wolf Badge. The Cubs made boomerangs, and valentines for the Meals-on-Wheels program.

Den 3 - Boomerangs and valentines were also made by this Den and achievements are being worked on to earn additional arrows.

Den 4 - Due to the great weather we had for a week, the Cubs of Den 4 took to the out-of-doors for a super game of tackle football.

Den 5 - Valentines were made for their sweethearts. They are doing additional projects toward their wolf badge. The Cubs had fun making and flying paper airplanes.

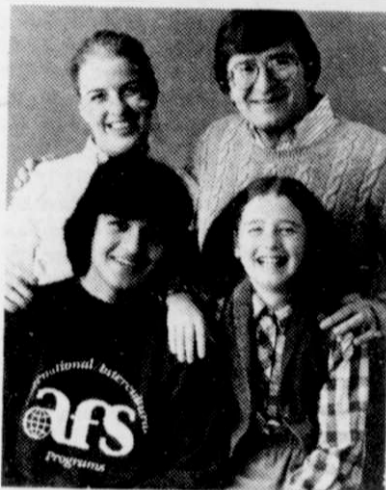

Den 6 - In February a visit was made to Hardee's in West Bend. They were showed how they prepare and store their food and were then treated to a delicious hamburger and soda. Projects are being worked on in preparation for the upcoming Scout-O-Rama.

**Webelos:** The Webelos are working on the Swimming/-Aquanaut Badge. They have been going to the YMCA and practicing various swimming strokes and diving skills.

**COMING EVENTS:** Rocket Derby - March 24, Scout-O-Rama - April 28.

The Cub Scouts and Webelos are working hard again this year, to achieve and face the challenges put before them. Indeed, they are an asset to our community. We are proud of these young men.

# HOW A FOREIGN HIGH SCHOOL STUDENT CAN EDUCATE YOUR COMMUNITY.

You'd be surprised at all the things your community can learn from a foreign student. Not to mention what he can teach you and your family.

Through a program called AFS, a foreign student lives with you and goes to school in your community. You, in turn, learn about cultures and traditions that were foreign to you before.

Participate in AFS. It's a year of loving, learning and sharing. Guaranteed to last you a lifetime.

For more information, call G. Wilhelmi 626-4172 or Sue Schmitz 626-4808.

## AFS INTERNATIONAL EXCHANGE PROGRAMS. WE'RE BRINGING THE WORLD A LITTLE CLOSER TO HOME

### Kewaskum AFS Offers Families A Chance to Meet the World

The Kewaskum AFS chapter is looking for families to host for the coming school year, 1984-85. Here are some Kewaskum AFS facts:

The Kewaskum area has been hosting foreign students through AFS for 23 years. Homes have been provided for 28 students from 22 countries during these years. While living in our community these students speak to many organizations: Kiwanis, Lions Club, Women's Clubs, Girl Scouts and Brownies, church groups, elementary classes, 4-H clubs, and the Regal 25 year Club. The exchange students also participate in AFS weekends in other area communities and spend a week attending a school in the Milwaukee metropolitan area.

Getting into the AFS "family" can be fun. Not only is there a close local organization of volunteers to help with travel and schedules, but host parents have a chance to meet other AFS families in our area to share experiences.

Most of the fun happens in the home. Family members teach American ways to a foreign teenager while he or she shares with them how to cook, eat, play games, and maybe even speak in the manner of the home country.

The hardest part of hosting is saying good bye. Ask one of our former host parents or talk to Mr. and Mrs. Dave Domasky and Mrs. Warren Sekas, pre-

sently hosting students from Australia and Norway.

Facts about AFS host families:

- 74% of host mothers work outside the home full or part time.

- 10% are single-parent families.

- A growing number of host parents are under 25 or over 60.

- Only 15% have no children under age 15.

- 10% have older children no longer living at home.

Members of our chapter's home committee are Paul Behring, Mrs. Harold Backhaus, and Norbert Dettman. Please call any of them for more information about hosting. Would your family enjoy the AFS experience?

March 6, 1959

In a transaction recently completed, Sylvester Muckerheide sold his 160-acre farm in the Town of Kewaskum, located west of the village, to Mr. and Mrs. Alan Stoffel. The Stoffel family plans to move onto the farm sometime this summer.

Work on the Dairy Day event to be held in the Kewaskum High School on March 21, is progressing well according to Bernard Murray, agriculture instructor. Sponsors of Dairy Day will be the Kewaskum Business Association and the FFA and FHA chapters of the high school. The FHA girls are developing a fine afternoon program on dairy demonstration for the women. The FFA is sponsoring a local dairy queen contest.

The Dramatics Club of Kewaskum High School will present its annual variety show on March 14. This year they are having a take-off on TV entitled "A Night on KBC." The cast consists of vocals done by Sharon Harbeck, Marita Nohr, Connie Rossow, Jim Schuppel and Diane Clark; duets by Pat Edwards and Carole Schultz, Jim Fickler and Don Theusch, Jim Schuppel and Sharon Harbeck, Joanne Kempf and Carol Heberer and Wayne Coulter and John Kudek; a triple trio composed of Connie Rossow, Marita Nohr, Sharon Harbeck, Eileen Hanselman, Alice Schwind, Pat Edwards, Carole Schultz, Margo Weiss and Pam Nolting; a trio by Carole Schultz, Carol Heberer and Pat Edwards; tumbling act by Mary Binder, Dianne Hoepner, Lynn Rimmel, Joe Klahn, Jerry Vetter and Ralph Hergges; instrumentals by Nancy Held, David Hanselman, Dave Mueller and Tom McGrath; pantomimes by Jeaneen Vetter and Duane Etta; Sharon Harbeck, Carol Heberer, Pat Edwards and Jim Fickler; Sue Sengpiel, Rosie Ewert, Jeaneen Vetter and Judy Abel. There will be a touch of commercial comedy from Pat Edwards and Sharon Harbeck. The MC's are Jim Marx and Glen Rimmel. Ken Theusch is the student director.

Mr. and Mrs. Steve Lecher, Route 2, Kewaskum, observed their golden wedding anniversary on February 13, with a Thanksgiving High Mass in Holy Trinity Church. Mrs. Lecher, nee Katie Melack, was born in Hungary on December 6, 1883. Mr. Lecher was also born in Hungary on August 26, 1885. The couple has three children, Anna (Mrs. Joseph Mayer) of Milwaukee, Rose (Mrs. Carl Bauer) of Route 4, West Bend, and John of Route 2, Kewaskum.

A daughter was born to Mr. and Mrs. Marvin Kleinke, Kewaskum, on February 27. Sons were born to Mr. and Mrs. Tom

Tessar, West Bend, on March 2, and to Mr. and Mrs. Ronald Edgar, Route 1, Kewaskum, on February 22.

# 50 Years Ago

March 9, 1934

Mr. and Mrs. William Bunkelman, Sr., prominent residents of this village since 1918, on March 2, celebrated their golden wedding anniversary at the home of their son and daughter-in-law Mr. and Mrs. William Bunkelman Jr. Mr. Bunkelman, 77, was born October 26, 1856, in Germany. Mrs. Bunkelman, 77, whose maiden name was Helen Albrecht, was also born in Germany, on April 13, 1857. They were married in Milwaukee on March 2, 1884. Their union was blessed with five children. One son, Frederick, died as a youth. Those living to enjoy the golden wedding are Mrs. Martha Staeger of the Town of Scott, William Jr. and Mrs. Elmer Martin of this village and Mrs. Walter Kronhelm of Milwaukee.

The Fond du Lac County highway commission last week voted favorably for a dust laying project which will benefit every village and city in that county. The project calls for 34 miles of highway to be treated. It is expected that before the summer is over at least 50 miles of highway in said county will be oil treated.

It was resolved by the Kewaskum village board at the monthly session that the salaries of the following offices for the ensuing year shall be fixed as follows: Village Clerk \$200; Treasurer \$100; Health Officer \$15.

Last week Thursday afternoon, while playing ball with a number of companions, Robert, 12-year-old son of Mr. and Mrs. John Gruber, slipped and fell against a post, fracturing his right leg above the knee.

Herman Suckow has resigned his job as miller at the local flouring mills and has accepted a position as traveling salesman for a Minneapolis flouring mill. J. Brandemiller of Barton now has charge of the Kewaskum mill.

J. F. Gundrum, living on the Duncan farm in the Town of Auburn, had 10 head of cattle condemned by the state

veterinarian last week, which were deceased with tuberculosis. The cattle were shipped to Madison for a more thorough examination.

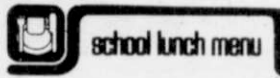

Henry Backhaus of New Fane sold his 222 acre farm, better known as the Bilgo farm, to Frank Schultz last Monday for \$17,000, including the personal property.

Officials of the Central and Northwestern Railroad came here on a special train last Thursday morning to inspect the gravel pit between here and Barton. The company intends to open the pit early in the spring to haul out gravel to be used in filling on the Madison division and also for the double track between Fond du Lac and Green Bay.

Carpenter Louis Klumb of Kewaskum is putting up the new cheese factory for Adolph Heberer of New Fane this week.

The marriage of Fred Stautz to Miss Bertha Gruhle took place in the latter's home at Boltonville on Tuesday.

Miss Susan Meeth of St. Michaels was married to Frank Schruder of Milwaukee last Saturday in Milwaukee.

## DANCE for HEART THANKS

We would like to extend thanks to the participants and their sponsors for a successful "Dance for Heart." You have helped in the battle against heart disease - our nation's and Wisconsin's number one killer. By participating in "Dance for Heart," you not only help your own heart but hearts of others. Our group raised over \$700. This money goes into research, community service, public information, development and professional education. Again, thanks for your generosity.

Dance Slimnastics Instructors, Veronica Mueller and Jacqueline Wiedmeyer.

## IN MEMORY

In loving memory of our dear mother, mother-in-law and grandmother, Helena Schultz, who passed away two years ago, March 9, 1982:

Though her smile is gone  
And her hands we cannot touch,  
Still we have so many memories  
Of one we loved so much;  
Her memory is our keepsake  
With which we'll never part.  
God has her in His keeping  
We have her in our hearts.

Sadly missed by her family.

# SMILE AMERICA

A Healthy Smile Brightens Everyone's Day

## Periodontal Disease

The Washington County Dental Society brings you this article in observance of National Children's Dental Health Month. It is the fifth in a series of eight on "Going Through Life with a smile."

Through the years, people have tried about everything to cure periodontal or gum disease, the major cause of the tooth loss in adults. The Romans, for example, believed that loose teeth could be made firm again by tying a whole frog to the jaws. Other treatments have included the application of pomegranate juice, camphor oil, or vinegar cooked with leek juice and honey to the diseased tissues.

None of these remedies helped. This is not surprising when you know that periodontal disease is caused by plaque, a thin film of bacteria and their byproducts that forms on the teeth. If not removed daily, plaque produces acids and other waste products that irritate the gums. The gums become swollen, bleed easily, and pull away from the teeth. Mineralized plaque, called calculus or tartar, builds up around the teeth, making them harder to clean. If the disease is not treated, the teeth eventually lose their bony support and fall out or have to be removed.

The bad news about periodontal disease is that almost anyone can be affected by it, even children as young as five or six years in age. The older people are, the more likely they are to have periodontal disease. More than half of those over age 18 and almost two-thirds of those over age 65 have at least the early stages of this disease.

The good news is that most people can avoid periodontal disease by practicing good oral hygiene and seeing a dentist regularly. To remove plaque, you should brush and floss your teeth thoroughly every day. Toothbrushing cleans plaque from the outer, inner, and chewing surfaces of the teeth. Flossing cleans the areas under the gumline and between the teeth, where a toothbrush can't reach.

Although most people brush their teeth, only about 38% of them floss daily. Some people do not realize how important flossing is in the prevention of periodontal disease; others do not know how to floss. Here's the method recommended by the American Dental Association: Take about 18 inches of floss (either waxed or unwaxed) then wind most of it around the middle finger of one hand. Wind the rest around the same finger of the other hand. Holding the floss tightly, gently insert it between the teeth. Curve it into a C-shape against the tooth, and slide it into the space between the gum and the tooth until you feel resistance. Scrape the side of the tooth. Repeat this method for all your other teeth.

Hardened plaque or calculus builds up along the gum line and makes plaque removal difficult. Only professional cleaning can remove calculus, so make regular dental appointments as often as your dentist recommends.

Don't be too busy to care for your teeth. Take a few minutes every day to brush and floss and a few hours every year to see your dentist. These simple measures can help you avoid periodontal disease. They're a lot easier—and more effective—than tying a frog to your jaws.

## Schlaefer Named County Leader for Stewardship Appeal

Leo F. Schlaefer of West Bend will once again be Washington County district leader for the 1984 Catholic Stewardship Appeal of the Archdiocese of Milwaukee. He will be leading the appeal for the 14th straight year.

As district leader he will be responsible for organizing and directing the fund drive in the 21 parishes and missions of the county. This year's appeal will run from March 11 to April 8.

Schlaefer lives at 1340 Bobolink Lane and is a member of Holy Angels Parish.

Mrs. Eileen Sheahan of Elm Grove, general chairman of the campaign, announced a record \$5,250,000 goal. Last year the Stewardship effort exceeded its \$5 million goal by approximately \$35,000, according to Mrs. Sheahan, who was also general chairman in 1983.

The Catholic Stewardship Appeal is the major source of revenue for funding a wide variety of services for the 700,000 Catholics in 287 parishes within the 10-county archdiocese. The appeal provides funding for Christian formation programs, the education of seminarians, social ministry, youth ministry, ministry to disabled persons, and many other services.

## Nurses to Hold Dinner Meeting

The Spring Kettle Moraine Nurses Dinner meeting hosted by the Associate Degree Nursing Faculty at Moraine Park Technical Institute, West Bend, will be held April 10, 7:00 p.m. at Barth's Linden Inn, 4919 Highway 144, West Shore of Big Cedar Lake. Cost \$10.90. All nurses welcome.

Alice Kuschel, RN, Coordinator of Special Projects for Nursing, St. Joseph's Hospital, Milwaukee, will speak on "Impact On Nursing: DRG's."

Preregistration payment due April 5, 1984. Make check payable and send to: Josephine Roehrborn, 2151 North Main St., West Bend, WI. 53095.

## ... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

### KNOW WHEN TO CONTACT SOCIAL SECURITY

It is important for people in the West Bend area to know when to contact a Social Security office, Mr. Becker, Social Security Branch manager in West Bend, said recently.

A person should contact Social Security:

- Before getting his or her first job, because a Social Security number is needed to get proper Social Security credit for earnings. This should be done at least 2 weeks before the number will be needed.

- After a death in the family, to see if survivor benefits can be paid.

- When someone in the family is disabled, to find out if disability benefits can be paid.

- At retirement age—at 65 for full rate cash benefits, or as early as 62 for reduced benefits. Sign up for Medicare 2 or 3

months before 65, even if there are no retirement plans.

- Any time there is a question about Social Security.

When a person calls a Social Security office, people there can tell:

- How much work credits is needed to be insured for benefits.

- Who can get benefits.

- How to replace a lost Social Security or Medicare card.

- How to get a free statement of the earnings recorded to a person's Social Security record.

- What documents a person needs when applying for benefits.

For more information about Social Security, get in touch with any Social Security office. The telephone number is 1-800-242-9946.

### Auditions to Be Held For Beau Scholarship

Pictured above is Kim McCadden, daughter of Mr. and Mrs. John McCadden, Route 1, Fond du Lac, as she performed during the 1983 Beau Scholarship Concert. Kim was the recipient of last year's \$1,000 award and is now attending the University of Wisconsin at Stevens Point, where she is majoring in music education on flute and voice.

A \$1,000 scholarship is available to area high school seniors through the generosity, time and talents of former Fond du Lac resident Heinie Beau. Beau, a Hollywood composer, arranger and clarinetist, returns to Fond du Lac annually for a benefit concert, the profit from which enable scholarship winners to continue their music education on the college level. Any senior instrumental musician from the following

high school may apply for the scholarship: Goodrich, Winnebago Lutheran, St. Mary's Springs, Horace Mann, Waupun, Waupun Christian, Lomira, Campbellsport, Green Lake, Markesan, New Holstein, Chilton, Kiel, Elkhart Lake, Mayville, Laconia, Oakfield, Kewaskum, Ripon, Stockbridge and Plymouth. The scholarship is awarded on the basis of performing ability as determined by

audition. Band instructors at the above high schools have been notified and have application forms which must be sent by March 16th. Auditions will be held at the UW Center-Fond du Lac on Sunday, April 15th. The annual HEINIE BEAU 1984 CONCERT is scheduled for Saturday, September 22nd at the Goodrich Little Theatre in Fond du Lac.

#### APPLY NOW FOR STATE 4-H CONGRESS

State 4-H Congress is a highlight of the year for about 800 4-H members from throughout Wisconsin. It is a four day event in June at the University of Wisconsin in Madison.

It is for High School age 4-H members. One of the purposes of the conference is for the participants to learn more about their areas of interest and to open up new ideas and new areas of interest for them. They

attend seminars at many departments of the university of share ideas with other members across the state.

Much of the cost of the congress is sponsored by scholarships from the Wisconsin 4-H Foundation, West Bend Kiwanis Club, Washington County Bankers Association and the Marie Hug Memorial. Get more details from a local 4-H club leader or the county 4-H office.

#### HAPPY-GO-LUCKY 4-H CLUB

The February meeting of the Happy-Go-Lucky 4-H club was called to order by Vice-President Andy Degnitz on Tuesday the 21st.

The pledges were led by Jennifer Albrecht and Susan Marquardt. Birthdays for the month of February included Jennifer Albrecht, Sandy Petsch, and Julie Sauter.

The secretary and treasurer

reports were read and accepted.

We decided to hold a senior citizen's card party to be most likely held in April. Next month the meeting will be held on the 20th and it will include the Poster and Speaking contest. The theme this year is "Safety."

The club will be going roller-skating on Tuesday, March 13th. It will be held at Skate Country and the cost will be \$1.25 (skates included). Bring friends!!

For June dairy month we will again be selling cheese. (Colby, Med. Cheddar, and string cheese). We will also be giving out free samples of cheese to people at the Westfair Mall.

The refreshment committee for next month will be the Melichar, Petsch, and Schneider families.

The meeting was adjourned and refreshments were served.

### Passing on the Shoulder Is Against the Law

It is tempting for drivers to pass vehicles that are waiting to turn left on a single lane roadway by using the unpaved shoulder of the road. But Washington County Sheriff Clarence A. Schwartz reminds drivers that passing on the right on an unpaved shoulder violates State Statutes, and carries with it a \$96.25 forfeiture and 3 penalty points. Passing on an unpaved shoulder is dangerous! The shoulder can be soft and cause a vehicle to go out of control. Bicyclists and pedestrians use the shoulder, and they can be struck by a passing

vehicle. Many times drivers will use the shoulder before they really have time to investigate why traffic ahead of them has come to a stop. If the cause is an accident ahead, the passing driver may end up striking a vehicle involved in the accident which has pulled over to the side of the road.

When you are behind a vehicle that is stopped to make a left turn on a two lane road, simply wait for that car to make its left turn before proceeding. Passing on the shoulder is dangerous and is against the law.

### County Extension To Present Program On Investments

The Washington County U.W. Extension Office will be presenting a program on Investments on Tuesday, March 13, at 7:30 p.m. at the Washington County Courthouse Auditorium.

Rosalie Powell, Waukesha County Extension Home Economist, will be presenting this program "Dimes to Dollars" on the world of investments.

The prospect of investing can be an exciting one, calling up visions of dollar signs and healthy bank book balances. However, the process of investing does take time and study.

Time is needed to compare and choose the combination of investment and risk level that is acceptable. Time is also needed to allow investment maturity.

This program will identify

different investments available in a volatile marketplace, to examine the costs and risks of some investments and to understand investment terminology.

If you are interested in attending this investment program, contact the Extension Office at 338-4479, 644-5204 or 342-2929. This program is free of charge, but pre-registration is required to reserve a spot by March 9.

**STUDENT AID**

An estimated 2.5 million students will start college next fall. If one is interested in financial aid, he or she should pursue all avenues available now.

The prospective student can obtain a need-analysis form from the high school guidance office. These forms are widely used to determine your financial need, which is the difference between what it costs to attend college and what you and your family can afford to pay.

There are a variety of source offering student aid, including federal and state governments, a broad range of private organizations, and colleges themselves. Here are five federal programs for undergraduate students:

**PELL GRANTS** — This program is the largest need-based form of student aid. In 1982-83, nearly 3 million undergraduates received grants from \$200 to \$1,670.

**SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS** — While the money from this aid comes from Washington, it is distributed by the colleges. Awards are based on need and can range from \$200 to \$2000.

**NATIONAL DIRECT STUDENT LOANS (NSDL)** — This is another need-based federal program administered by the colleges. NSDL lends up to \$3,000 per year, with a maximum of \$6,000. The 5 percent interest rate is the lowest of any educational loan,

and repayment can be deferred until graduation.

**COLLEGE WORK STUDY** — Here, colleges provide jobs for needy students. Students usually get the minimum wage and work 10 to 15 hours a week as faculty aides or library assistants or at other on-campus jobs.

**GUARANTEED STUDENT LOANS** — Undergraduates can borrow up to \$2,500 per year to a total of \$12,500 from private lenders. Students from families with an adjusted gross income above \$30,000 can borrow only part of their educational costs remaining after the expected family contribution and any other financial aid are deducted. Recipients are charged a 5 percent service fee. They may take up to 10 years to repay the loan, but an interest rate of 8 percent must be paid after graduation.

Certainly, education for our sons and daughters is vital to ensuring the continuing quality of life for Americans. By giving a helping hand to the serious students who truly need financial aid, the federal government is investing in this country's future. If you have further questions about these programs contact my District Office in Brookfield for a free booklet entitled "A Guide to Federal, State and Private Financial Aid to College Students." Call 784-1111 or 1-800-242-1119 if you are outside the Milwaukee Metropolitan Calling Area.

**East Central Breeders To Hold Meeting**

East Central Breeders/Select Sires' district meeting will be held March 13, at the K of C Hall in West Bend. The meeting starts at 11:00 a.m., will adjourn at 3:30 p.m. and includes a noon meal.

Attend the district meeting to learn about the most current sire information and to better understand the working of your co-op. The meeting will feature the "Member Daughter Parade," a presentation of Select sired cattle found in herds throughout southern Wisconsin.

In addition, the district meeting is the only time that members may nominate or be nominated and elected to serve as a delegate for the co-op. The delegates have direct input into the running of East Central Breeders/Select Sires.

At the meeting, awards will be presented to co-op members with high herd averages for product dollar value.

If you would like to attend the meeting, call East Central Breeders to make a reservation at 1-800-242-1881. Cost to attend is \$2.00 for those making a reservation and \$3.00 for those who do not. If a reservation is made, the \$2.00 can be paid at the door.

**Grain-Wheat Sign-up For County Farmers Extended at ASCS**

Farmers now have additional time thru March 16 to sign-up for the feed grain - wheat program according to Donald E. Sampson, Washington County Director.

It appears many have not had time to consider the value of the program. Participants will be eligible for price protection through deficiency payments as well as loan eligibility.

With heavy planting for 1984 foreseeable, predictions for much lower grain prices appear. Targets for grains are - Corn \$3.03, Oats \$1.60, Barley \$2.60 and Wheat \$4.45. The law provides for deficiency payments after harvest to make up the difference when farmers receive less than the target rates. According to Sampson, the set-aside requirements are small compared to the price protection offered.

The Washington County Office will be open daily from 8:00 to 4:30 thru March 16. Farmers are urged to contact them for details.

**THE GOVERNOR'S WASTE RECYCLING PLAN**

Wisconsin generates 6.5 million tons of landfill material annually. A little less than half comes directly from residences. Landfill space is rapidly dwindling, but even more importantly, up to twenty five percent of waste material can be reused. That's why Governor Earl is pushing legislation to encourage the recycling of waste materials.

AB 1035 will require local governments to provide recycling facilities. The purchase of recycling equipment for these facilities would be exempt from the state sales tax, and the equipment could be depreciated over a five year period. In addition, money will be provided to assist in development

of recycling projects.

The Department of Natural Resources has estimated that thirty to fifty existing local recycling projects would be eligible for initial grants.

The most controversial aspect of AB 1035 requires a five cent tipping fee to be paid for every ton of garbage dumped in a landfill. The Governor's rationale for this fee is that it provides a direct connection between the cost of landfilling and recycling.

Voluntary recycling efforts in several communities have proven to be quite successful. In 1982-83, seven communities kept 106,000 tons of material out of landfills. Close to \$700,000 were earned by selling the recyclable material. It is estimated that these communities saved a total of \$920,000 by not having to pay for landfill space.

Our own area can boast of a recycling success story. Mercury Marine in Fond du Lac has used recycled aluminum to build outboard motors. It's possible that other enterprises could follow this lead and also start using recycled materials. This would not only save resources, but local dollars as well.

**LEGISLATIVE DISTRICT MAPS NOW AVAILABLE**

Maps of Wisconsin's senate and assembly districts as reapportioned by the legislature in 1983 are now available in a publication just released by the Wisconsin Taxpayers Alliance (WTA), Madison. The "1983-84 Legislative Directory" also lists the name, political party, district represented and address of each senator and representative serving in the current legislature.

The WTA, a nonprofit government-research and citizen-education organization, also included in the 8-page publication a listing of other state constitutional offices and a map of Wisconsin's congressional districts.

To purchase copies of the Directory, send 50 cents per copy to the Wisconsin Taxpayers Alliance, 335 West Wilson Street, Madison, Wisconsin 53703. Discounts are available on quantity purchases.

## Lakes Team Wins Over 'B' Division Leader, Sussex

Playing at home Sunday night, Kewaskum's Land o' Lakes League team knocked off Sussex, the "B" Division leader, 126-117. The victory brought second place Kewaskum to within 1½ games of the leaders with four contests left to play.

Kewaskum blew another big lead as they had earlier in the year at Sussex, where they were beaten. Kewaskum led by 26 points in the second quarter. However, Sussex narrowed the margin to as little as four midway through the fourth period. This time, though, Kewaskum regained their composure and hung on for the win.

Leon Laatsch of Kewaskum was the game's top scorer with 33 points. Next were Clark Eichstedt and Bill Gonwa, both with 23. Sussex was led by Mike Greulich with 32 and Dan O'Rourke with 28.

This Sunday Kewaskum has a tough assignment when they play the Menomonee Falls Badgers at Menomonee Falls East High School at 7:30 p.m. The Badgers, perennial champions, again hold down first place in the "A" Division with a perfect 12-0 record.

## VOTING BY ABSENTEE BALLOT

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or municipality where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, you must request it in writing. Contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope, or given to you if the application is submitted to the clerk in person. An application mailed to the clerk's office must be received by the clerk no later than 5:00 p.m. on the Friday before election day. An application made in person in the clerk's office may be done up to 5:00 p.m. on the day before the election.

With one exception, the voter who wants to cast an absentee ballot must make a separate application before each election. Voters indefinitely confined to their home or care facility because of illness, age or disability need not file an application before each election; a special statement on the application form can be completed asking that an absentee ballot be automatically mailed to them before each election. However, if the elector fails to mark and return the ballots sent to them for an election, it will be necessary to again complete an application form before receiving absentee ballots for a subsequent election.

Absentee ballots can be voted at home anytime after they arrive in the mail. They can also be voted in the clerk's office if the application is made in person. If an elector requires assistance in casting his or her vote, the assistance must be rendered by someone authorized to administer oaths, such as a clerk or notary public. If the ballots are returned by mail, the affidavit-certificate must be properly completed and signed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to before the clerk or the deputy clerk who are authorized to administer oaths. In either case, the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received in incomplete or improper form, or received after the polls close on election day cannot be counted.

# Indians Beat Fond du Lac and Hartford for Regional Title

By Denise Leong

After beating the Fond du Lac Cardinals of the strong Fox River Valley Conference in the boys' WIAA Class A basketball regional opener Friday night, the surprising Kewaskum Indians of the Eastern Wisconsin Conference captured the regional championship by defeating the Hartford Orioles of the Little Ten Conference at Goodrich High School gym in Fond du Lac in the finals Saturday night, March 3, by the score of 61-54. Hartford placed second in the Little Ten this year with a 10-4 conference mark.

The Indians, who had beaten the Orioles earlier in the season by one point, played intensely with poise, sharp passing and good shooting and held back an equally determined Hartford squad. In defeating Fond du Lac and Hartford, the Indians were up against two much larger schools.

Both teams played aggressively in the first half with Hartford continually using a full court press. Kewaskum guards Brian Ruplinger and Jim Hanrahan aptly handled the press with good ball control as the teams battled back and forth on the scoreboard. At the end of the first quarter, Hartford led 14-12. However, by the end of the first half, Kewaskum had taken the lead, 30-26, sparked by the good shooting of the game's high scorer, center Brian Arndt, who scored 10 of his 24 points in the second quarter.

The fired up Indians continued to play well in the third quarter and increased their lead by as much as 10 points. The Orioles, who were plagued with foul trouble, began to lose their poise as the third quarter drew to its close and fell behind, 42-34.

The Orioles, however, regained their composure in the fourth quarter, and the intensity of the game, prevalent from the start, increased. Hartford scored quickly, and when they closed the gap to 2 points, 44-42, Kewaskum tightened up their defense and wrestled control of the game back in their favor. Ruplinger, under tremendous pressure in the back court, confounded the Orioles by adept ball control. The Indians continually beat the Orioles down court with quick, sharp passes to their open men. Baskets by Arndt and Mike Steinhardt widened the gap in Kewaskum's favor.

When the Orioles were forced to foul in the closing minutes, Kewaskum calmly sank their free throws to secure their win. Arndt again proved to be the spark plug as he scored 8 points in the fourth quarter to complement the excellent team effort by Dennis Butz, Jeff Squier, Hanrahan, Ruplinger, and Steinhardt in the final minutes to win this championship.

Coach Jim Westphal was extremely pleased with his team's performance, saying, "this winning effort was the best all year," and praising the team effort.

The Indians will now advance to the WIAA Sectionals on

## Indians Face Sheboygan North in Sectional Friday

Kewaskum's regional champions [11-9] will face strong Sheboygan North [17-3] in the second game of the Class A Sectional basketball tournament in the Kolf Sports Center on the University of Wisconsin-Oshkosh campus Friday night.

The second game, which will start at approximately 8:45 p.m., will follow the Manitowoc [12-8] vs. Oshkosh North [14-6] contest which starts at 7 p.m.

Kewaskum High School principal Clark Pearson announced Monday that there will be no pre-game ticket sales at the school. Because the Kolf Sports Center seats 6,000 spectators, all tickets will be sold at the door Friday night. Admission for one game is \$1.75 for students and \$2.25 for adults. For both games Friday the admission is \$2 for students and \$2.50 for adults. Tickets for the Friday night games and Saturday's final will run \$3.50 and \$4.50.

An attempt will be made to take student spectator buses and if there is enough interest for an adult bus, the school will help make arrangements.

Saturday's championship game [one game only] will be played at 7:30 p.m. Kolf is located in the 800 block between Pearl and High avenues in Oshkosh.

Sheboygan North won the championship in the strong Fox River Valley Conference with a 12-2 record and is a much larger school than Kewaskum. They reached the Sectional by easily defeating New Holstein, co-champions of the Eastern Wisconsin Conference, 62-51, and Sheboygan South, 66-61, in the regional finals.

Just the opposite, Kewaskum finished last in the Eastern Wisconsin with a 3-9 record. However, they lost several close games which could have made a big difference in the standings. Oddly, the Indians won all eight of their non-conference contests, including some major victories. Along the way they defeated West Bend West of the Little Ten, Hartford, also of the Little Ten, twice, and Mayville, unbeaten champions of the Flyway Conference and defending Class B state champs, and also ended the Cardinals' 36-game winning streak. All of which goes to show that Kewaskum competes in a very tough conference.

Friday, March 9, in Oshkosh against Sheboygan North at 8:45 p.m.

### KEWASKUM 57, FOND DU LAC 54

In the regional opener Friday the Indians fought off a determined Fond du Lac Cardinal team and won 57-54, in order to meet Hartford in the finals on Saturday. The Cardinals placed last in the Fox River Valley conference with a 0-14 record.

The Indians appeared sluggish at the start of the game and allowed Fond du Lac to jump out to a 19-10 lead at the end of the first quarter. The Cardinals were led in this effort by Mike Bauer, who scored 9 of his game high 19 points in this quarter. In the second quarter, however, the Indians bounced back and closed the gap to three points. At halftime, Fond du Lac led, 30-27.

In the second half, Brian Arndt and Mike Steinhardt both hit for 6 points each and helped give Kewaskum a 1 point lead at the end of the third quarter, 42-41. The Indians extended their lead to 5 points in the closing minutes and held on to win the game.

Leading Kewaskum scorer was Mike Steinhardt, who hit for 15 points. Close behind were Brian Arndt, who scored 12 points and Dennis Butz, who added 10 points.

In addition to Bauer's 19 points Tony Tasch had 11 points and 7 rebounds for Fond du Lac.

The Cardinals made 20 of 54 shots (37.0 percent) and 14 of 26 free throws (53.8 percent). Kewaskum hit 17 of 43 shots (39.5

percent) and 23 of 34 free throws (67.6 percent).

## Sandy Nigh Takes 6th in Sectional

Kewaskum High School's only qualifier in the WIAA gymnastics sectional held at Manitowoc Saturday, Sandy Nigh, came through with a nice routine to come within one place and .1 of a point of qualifying for the state meet at Wisconsin Rapids this Saturday. Sandy's 8.05 was good for sixth place.

Sandy advanced to the sectional by tying for fifth place with 8.01 in the regional held at Sheboygan South the week before.

## Chess Team Defeats Hartford, Now 9-0; Retains First Place

The Kewaskum High School Chess Team downed Hartford, 35½ to 19½, Tuesday night. The win boosted Kewaskum's record to 7-0 in conference and 9-0 overall. Kewaskum holds a 2 game lead in the South Central Chess Association with only 3 games remaining.

The Indians tried a new lineup for the match, moving Tom Crandell up from 4th board to 2nd. Crandell responded by posting the first win of the match and giving the Indians a 9-0 lead. Crandell, along with teammates Romie Holl, John Martin, Glenn Classey, Gary Classey and Randy Wilhelmi are undefeated in conference action.

Romie Holl won on a time forfeiture when his opponent failed to make the required 35 moves in one hour. Holl was up by 2 pieces at the time of the forfeiture.

Randy Wilhelmi was cited by advisor, Roy Peterson, as having a good come-from-behind win. Wilhelmi's opponent came with a strong opening attack but Wilhelmi, after falling behind in material, took advantage of a critical mistake and came up with the victory.

The Indians could insure at least a share of the SCCA Conference crown with a win Tuesday when they travelled to St. John's Military Academy of Delafield.

Board 1 — Gregg Classey lost to Hesprieh, 0-10.

Board 2 — Tom Crandell defeated Simchick, 9-0.

Board 3 — Todd Jaromin drew Portz, 4-4.

Board 4 — Jeff Igel defeated Regala, 7-0.

Board 5 — Romie Holl defeated Ussui, 6-0.

Board 6 — John Martin drew Berndt, 2½-2½.

## KHS Chess Players Win 3 of 5 Awards in All-Star Tournament

Kewaskum individuals won 3 of the 5 individual awards at the South Central Chess Association All-Star Tournament. The top 5 players from each of the six schools were invited to play.

Winning for Kewaskum with perfect 3-0 records were Todd Jaromin at board 2, Romie Holl at board 4 and John Martin at board 5. Jeff Igel went 2-0-1 and tied with Shawn Cary for the top spot at third board. Cary won the award due to his better conference record. Igel and Cary drew their match against each other on Saturday.

Tom Crandell was promoted to first board as Kewaskum's usual first board player Gregg Classey was unable to attend. Crandell went 2-1 with his only loss coming against Luke Hesprieh of Hartford, who won the award with a perfect 3-0 record.

Kewaskum's Randy Igel also had a chance to play as Kettle Moraine only brought 4 players. Igel went 2-1 at board 5 losing only to teammate John Martin in the championship round.
