OK Teacher Contracts; Larsen Requests Additional Personnel

School Board Receives Detachment Request

By GERRY MUELLER
Statesman Staff Writer

At Monday night's special School Board meeting, board clerk Tom Brigham read a petition for detachment from a Kewaskum School District family.

The request came from Mr. and Mrs. Steven Kelling, Route 1, Adell, who are asking the Kewaskum School District to detach their property within the district so they can join the Plymouth School District. The Kellings presently own other property located within the

borders of the Plymouth district.

Brigham informed the board that, under a new ruling, the application must be considered by a joint meeting of the two district school boards at a site located in the district to which the petitioners presently belong.

Brigham said, from the information he has, the petition can be okayed only if a majority of both boards approve the request. Previously, such decisions were made by a Comprehensive Educational Services

Agency (CESA) committee.

Administrator John Long told the board he had been contacted by the Superintendent of the Plymouth District. Plymouth's superintendent told Long that while his district's elementary schools were crowded, he understood there was room in Kewaskum for the family.

The board instructed Long to set up a joint meeting on Wednesday, September 5th, so the two boards could review the Kellings' petition.

In other action the board approved six teaching contracts in the areas of physical education, reading, industrial arts and math.

After the contracts were approved, Kewaskum Education Association president Fran Charland questioned why one of the part-time reading positions had not been offered to a teacher who is still on lay-off. Long said the decision was made by George Allmann, who felt the third position, which would have been offered to this individual, was not needed. Allmann, the district reading specialist, heads the reading program.

Charland felt he had not received a satisfactory answer and indicated he would pursue

(Continued on Page 3)

Schools to Open Tuesday, Sept. 4

The long, lazy days of summer vacation will come to an end next week for public and parochial students in the Kewaskum School District.

Kewaskum area students will soon be setting alarm clocks, chasing buses and grazing out school windows wondering where their summer vacation went.

The School District of Kewaskum will begin its school year for students on Tuesday, September 4, 1984. Parents are encouraged to have their children ready for the buses. Routes are essentially the same as last year as a school starting times. If a student should be left behind or not picked up, call 626-8427.

Holy Trinity Has New Principal, Teachers

The 1984-85 school year at Holy Trinity School opens on Tuesday, September 4th at 7:30 a.m. An all-school Liturgy will be celebrated by Fr. Berghammer on Friday at 8:00 a.m. to ask God's blessings on the new school year.

Holy Trinity welcomes a new principal and several new faculty members. Sister Phyllis Wirtz, SSSF is the new principal.

Sister Wirtz, a school Sister of St. Francis, spent the last seven years as the principal of St. Mary's School in Hales Corner and two years before that as its assistant principal.

St. Mary's had a total enrollment of 421 and a faculty of 25. Sister Wirtz is looking forward to her position in a smaller community, similar to St. Peter, just east of Fond du Lac, where she grew up and she will now be closer to her parents who still live in St. Peter.

High on Sister Wirtz' list of priorities for the year is completion of the evaluation of the school. After reviewing the results, she plans to compile a five-year plan for making improvements.

New faculty members are Mrs. Rosalyn Kiefer - Grade 2; Mrs. Mary Stodola - Grade 7; Miss Monica Brewer - Music, and Miss Katie Geiger - Art. Faculty returning to Holy Trinity are Mrs. JoAnne Schacht - Grade 1; Mrs. Diane Gremminger - Grade 3; Mrs. Ione Herriges - Grade 4; Mrs.

(Continued on Page 3)

NEW FALL LIBRARY HOURS

Beginning Sept. 8, 1984, the Kewaskum Public Library will be open Saturday mornings, 9 a.m. to 12 noon, in addition to the regular schedule: Mon., 2 p.m. - 8 p.m.; Wed., 12 noon to 8 p.m.; Fri., 12 noon to 6 p.m., and Sat., 9 a.m. to 12 noon.

New books are added to our collection regularly. We also have a variety of magazine subscriptions available for your reading enjoyment.

8-31-2*

Kewaskum Jaycees to Appear on MD Telethon

The Kewaskum Jaycees will appear on the Annual Muscular Dystrophy Telethon, which will be broadcast again on WITI TV-6, to present money raised at the "1st Annual MDA Pig Race." The Pig Race and Pig Roast was held in June, in conjunction with the Kewaskum Dairy Daze. Representatives of the Kewaskum Chapter are scheduled to appear at 9:15 a.m. on September 3 to present the money.

The Kewaskum Jaycees who

have actively supported MDA for the past several years, will also have their "Annual MDA Fishbowl on Labor Day," again in front of the Valley Bank. The Jaycees are offering "1st Annual MDA Pig Race" T-shirts to anyone donating more than \$15.00 to MDA at the Kewaskum site. The shirts will be offering only as long as they last.

The Jaycees hope to see you at the Fishbowl on Labor Day.

Kewaskum Jaycees to Sponsor Benefit Dance for Kevin Reth

Eighteen-year-old Kevin Reth has "realized and learned to appreciate how many people care for you... even people that you don't know." Kevin, son of Budd and Marcia Reth, sustained severe head injuries in a traffic accident which claimed the lives of Michael Ruplinger, Laura Stange, and Steven Knopp.

For the past two years, Kevin has undergone numerous surgeries to repair and replace most of his facial features. Because of the injuries he sustained, he has had to have his entire nose and cheeks replaced, as well as surgery on his eyes. Kevin has only several more surgeries to undergo before his facial characteristics are restored. All of the surgeries are performed at the Mayo Clinic in Rochester, Minnesota.

Kevin, a member of St. Lucas Lutheran Church, Kewaskum, was sixteen at the time of the accident, missed most of his

sophomore year at Kettle Moraine Lutheran High School, recuperating at Froedert Memorial Hospital in Milwaukee.

Because of the extent of surgery required and the costs incurred, the Kewaskum Jaycees are sponsoring a "Benefit Dance" for Kevin, to help cover medical and transportation costs.

The dance will be held on Friday, September 21, at Amerahn, Kewaskum, with music by Radio Flyer, from 8:30 p.m. - 12:30 a.m. Admission/Door Prize tickets are available from any Kewaskum Jaycee. Tickets are also available at numerous Kewaskum Merchants including the Valley Bank and the West Bend Savings & Loan - Kewaskum and West Bend Offices. Also a savings account has been opened at the Kewaskum Valley Bank to accept donations for Kevin.

Kiwanis Turkey Shoot Sept. 30

Kiwanis Club of Kewaskum has announced that its 32nd Annual Turkey Shoot will be held on September 30. This popular event will be held at the Bar-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive.

There will be many special events, including trout fishing, trap shooting, archery and games for children, along with hot and cold beverages and food.

In addition to advance sale tickets being accepted at all events, there will be many cash prizes awarded through special drawings. Ticket holders will not have to be present to win.

Those who purchase advance sale tickets will receive four shots for \$2.00. Tickets purchased on the grounds will be four shots for \$2.50. Advance sale tickets may be purchased by mailing your check payable to Kiwanis Club of Kewaskum, P. O. Box 68, Kewaskum, Wisconsin 53040.

Honored at National VFW Convention; Served 56 Years

Mrs. Jack Tessar

Mrs. Jack Tessar was honored at the National V.F.W. Convention held in Chicago, for

having served 56 continuous years in the V.F.W. She is the only member of Wisconsin to receive this award and was a delegate to the convention. She is a charter member of the V.F.W. Fred A. Schaefer Auxiliary, West Bend, and is a past state president and served on a national level several times.

She was accompanied by Rose Klein, a member of the West Bend Auxiliary. Also attending was Virginia Sauer of West Bend, a delegate, and past auxiliary president and past district president.

Mrs. Tessar will attend the national president's visit which will be held at the Milwaukee Inn for her official visit to Wisconsin. Mrs. Glenneta Vogelsang, the National V.F.W. President, is from St. Louis, MO and will begin her duties to all the states beginning with Wisconsin.

Reception at L. N. Peterson Home Welcomes AFS Student

Rosi Cano, AFS exchange student from the Honduras, was welcomed to the Kewaskum area August 26th, at a reception at the L.N. Peterson home.

Rosi, 17, arrived in the U.S. a month ago and has already experienced the Milwaukee zoo, a Brewers game, the Carson & Barnes circus, a brewery tour and American films and shopping.

Rosi (right) is pictured above with her host parents, Ron and Janet Landvatter (center), and host brother Daryl (left).

August 28th Rosi met the other AFS students in the Lake Moraine Area at a dinner in Random Lake at the home of Sylvia Weber. Each student brought a dish from his or her native country to share with the others.

Kewaskum has never had a student from the Honduras before. Rosi is working hard to improve her English so that in January she can begin to speak to local groups about her country. The AFS chapter would like to set up the speaking schedule as early as possible. Please call 626-4172 after your group has arranged its program schedule.

Any friends of the Kewaskum AFS Chapter and all former host families are invited to the HOST FAMILY REUNION potluck Sept. 11 at 5:30 p.m. at the high school. Just bring a dish to pass and tableware. Drinks will be provided. The chapter will also try to get a picture of their host families "through the years."

Woman's Club Holds Membership Tea

The Kewaskum Woman's Club held its membership tea Wednesday, Aug. 22, at 2:30 at the home of Dr. and Mrs. R. G. Edwards. It was well attended by the members. Two guests also attended.

Two new members were introduced, namely Mrs. Jean Goeden and Mrs. Joyce Schleif. Hostesses for the tea were Loretta Benicke, Bernice Groh and Shirley Kirkham.

Program books were handed out and a short business meeting was conducted by Pres. Mrs. Ruth Schmitt.

There will be no meeting in September as a lunch and a play are being planned by Judy Harlow and Kathy Paul.

Cub Scout News

On August 14, thirty-two Cub Scouts from Kewaskum attended day camp in West Bend at camp Silverbrook. The weather was sunny and warm, which made the swimming, fishing and boating activities more enjoyable. The boys also participated in archery, B-B gun shooting, nature hiking and an obstacle course.

At the end of the day, awards were given for the top three boys or pack in each activity. In the archery category Bryan Ellefson took the bronze medal; in B-B gun Kevin Kapp took the bronze medal, and the pack took bronze medals in both the swimming and nature hike. Day camp was our August activity required for the summertime award.

The longest winter in the solar system is 21 years long and occurs on the south polar regions of Uranus.

School Bd.

(Continued from Page 1)

the matter further through union channels.

Elementary Principal Tom Larsen presented a report covering his request for additional personnel at Beechwood, Farmington and Wayne Schools. He told the board, due to the size of the lower grades at the three schools and combined classes at Beechwood, he would like to hire either a full-time teacher, full-time aide or part-time aide for each school.

While Larsen said he had no exact costs, a full-time aide hired for 180 days, working a 37.4 hour week at a minimum \$4.21 per hour would cost approximately \$5,700. A starting part-time aide would be paid \$4.21 per hour.

President Jean Goeden told Larsen the board would study his report and request and discuss it at a future meeting.

On a motion to approve the payment of the monthly payroll and vouchers, board member Ralph Horner voted "no."

Horner told the rest of the board he felt the district should hold off paying auditing fees until the company's representative appeared before the board to explain their report. A representative was scheduled for the August 13, meeting but no one came.

Horner also opposed paying a bill of \$985.00 to Quarles and Brady for legal fees. "I don't think we should pay the bill until we receive an itemized list of the services we're paying for," said Horner.

A third voucher questioned by Horner was payment of \$2,109 to Heberer Brothers Construction for remodeling the administration offices. He said no approval had been given for the work to be done. Referring to his minutes, Horner read a motion which only approved moving the offices back to the porta-building. Horner said he could find no motion okaying the remodeling contract. He also opposed the payment because the job had not been given out on a competitive bid basis. No other bids were obtained for the work.

The motion to approve paying the vouchers passed six to one. Brigham also read a letter from Mrs. Clara Trapp request-

ing to see all the letters the board had received about closing Beechwood School. Brigham said on checking with legal counsel, he was advised that all correspondence, excluding subjects of personnel, should be made available to the public. He said all the letters would be on file at the administration offices.

Brigham noted that while he would go along with the recommendation, he was afraid what would happen with this type of ruling is, people may be afraid to write us on various school matters because their comments would not be kept on a confidential level. Goeden questioned whether people might become hesitant about writing to the board because they felt they might be harassed by other individuals if the correspondence was made public. Board member Kim Peterson said "that is an unfair supposition."

Assistant High School Principal Roy Esser received approval for the district to again participate in the "Job Partnership Training Program." The project combines classroom and on-the-job experience for disadvantaged students.

Kewaskum Middle School Information

Any Kewaskum Middle School student who wishes to purchase a lunch ticket, is to come to the office BEFORE school begins on Tuesday, September 4th.

All KMS students are to report to their FIRST hour classes when school begins on Tuesday, Sept. 4th.

Any student who has an incomplete schedule is to stop in the office sometime during the day on Tuesday, Sept. 4th.

Girls going out for track at KMS are reminded to turn in their physical card and pay their \$5.00 user fee at the office on Tuesday, Sept. 4th, if you haven't already done so during registration. You MUST have this obligation taken care of before you can participate in track. 8-24-2t

Schools

Grace Theusch - Grade 5; Mrs. Leona Stopper - Grade 6, and Miss Ellen Bohn - Grade 8.

New programming going into effect this year are a departmental plan for students in grades 6, 7, and 8 and the use of computers in the school program.

The hot lunch program will begin on the first day of school, Tuesday, September 4th.

Expectations are running high for a fine new school year! The anticipated enrollment is 156 students, about the same as last year.

St. Lucas to Have 122 Students

Starting its 9th year of existence, St. Lucas Lutheran Christian Day School will have 122 pupils this year in grades kindergarten through eight. A faculty of six will handle the teaching assignments under the supervision of Principal Rodney Bollinger.

Class divisions are as follows: Mr. Bollinger, Grades 7 and 8, 19 students; Jon Woldt, Grade 6 and part of 5, 24 students; Corey Kolbow, Grade 4 and part of 5, 22 students; Ruth Huebner, Grade 3 and part of 2, 21 students; Bethel Matthies, Grade 1 and part of 2, 25 students; Deborah Hoenecke, kindergarten, 11 students.

Miss Kolbow will be the only new teacher on the staff. She was assigned to St. Lucas School by the Wisconsin Ev. Lutheran Synod after graduating in May from Dr. Martin Luther College of New Ulm, Minnesota, where all Christian Day School teachers of the Wisconsin Synod receive their training. Miss Kolbow replaces Miss Carol Newman, who is now teaching at Calvary Lutheran School in Waukesha. Miss Kolbow will also serve the

congregation as one of its organists and conduct the Senior Choir.

Special Education will be under the supervision of Karen Bollinger on a half-day basis. The athletic programs will be managed by Jon Woldt (boys) and Ruth Huebner (girls). Teams from St. Lucas compete in the Kettle Moraine Lutheran Grade School League in soccer, flag-football, basketball, volleyball, softball and track. Schools from West Bend, Newburg, Grafton, Jackson, Menomonee Falls, Hubertus, and St. Lucas form this league. Home basketball games and practices are held at the Kewaskum Middle School Gymnasium. St. Lucas Congregation wishes to thank the administrators, faculty and taxpayers of the Kewaskum School District for the fine cooperation and consideration shown to St. Lucas School in making it possible for the school to have an indoor basketball program.

SR. CITIZEN COURTESY CARDS AVAILABLE AT KHS

Free senior citizen courtesy cards are available to residents of the School District of Kewaskum who are 62 years or older. Senior citizens who wish to apply for such a card shall present their qualifications to the high school office personnel.

The nation's first Labor Day was observed in 1869. It became a national legal holiday in 1894.

to Do the Job

766,000 State Public School Students Head Back to the Classroom

Approximately 766,000 public school students will head back to the classroom for the 1984-85 school year, said State Superintendent Herbert J. Grover.

Noting a recent Gallup Poll that indicated public confidence in the schools and their teachers and administrators at the highest it has been in 8 years, Grover said, "The poll shows that those who would give local public schools an A or B increased 11 percent over last year for a total of 42 percent."

"This increased citizen interest and awareness in our public schools is instrumental in continuing—and even improving—the quality education offered our young people," Grover said.

This year's estimated enrollment represents about a one-percent decrease in student enrollments from 1983-84, when the count was 774,646. However, kindergarten through third-grade enrollments are showing some increase, which could mean that a slow reversing of the declining enrollments trend is likely.

Department of Public Instruction projections indicate an initial increase in kindergarten through eighth-grade enrollments by 1986, kindergarten through twelfth grades by 1989, and ninth through twelfth grades by 1991.

These trends are consistent with nationwide projections from the National Center for Education Statistics, which show public school enrollments reaching a low in 1985 and then increasing in the elementary grades starting in 1986.

Wayne Corey of the Wisconsin Business Association was guest at the Kewaskum Area Chamber of Commerce annual meeting held recently at the Amerahn, Kewaskum. He talked to the members on laws in Madison that pertain to business. "Remember, the Wisconsin Legislature makes the laws that you live by, so go out and vote," he stated.

Jack Jadro was thanked for his many faithful years with the organization.

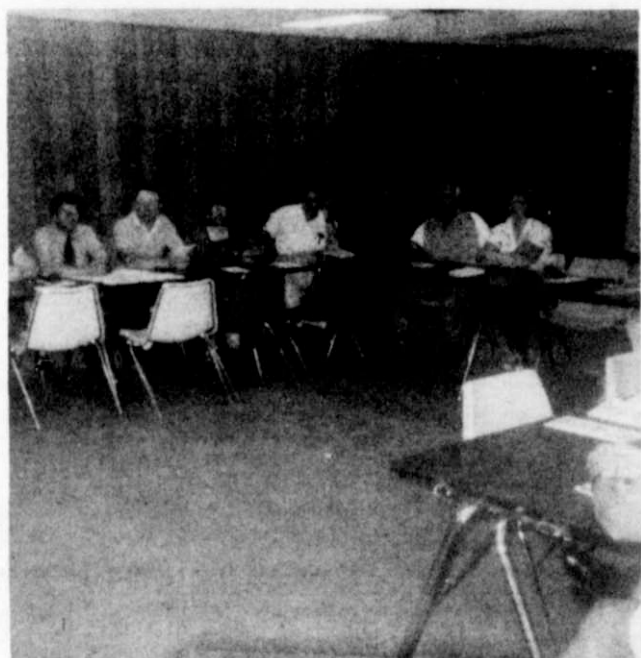

The Chamber of Commerce members enjoyed a fine lunch, courtesy of the Valley Bank.

They were presented an "Appreciation Award" for their Dairy Daze involvement during June Dairy Month by Janet Panzer, AMPI, Women District 7-D.

Chamber members who attended were Earl Kleinke, Fred Miller, Wayne Rimmel, Dr. Stephen Van Ess, Gina Haney, Donna and Leroy Bier, Karen Janowiak, Jack Jadro, Orv Behnke, Carol and Don Sedgwick, Judy and Jim Jaeger, Ken Weddig, Jerry Kiefer, Bill Koehne and Nancy Malvick.

LETTERS TO THE EDITOR...

August 22, 1984

Mr. Wm. Harbeck, Editor
Kewaskum Statesman
250 Main Street
Kewaskum, Wisconsin 53040

Dear Mr. Harbeck:

I want to thank you for the wonderful job you did with our ad. It is reassuring for non-profits, like ourself, to receive the cooperation we do from the surrounding communities.

I've enclosed some blurbs along with our latest volunteer wanted column. If you find you have the room to publish weekly one of what I've enclosed in addition to our column it will be greatly appreciated.

I'm sure you are aware that we recruit volunteers for over 25 county agencies, and your circulation, along with Jackson and Hartford's is a tremendous help to our agency and community.

Thank you for your past cooperation and consideration, and look forward to our future.

Sincerely,

Kathy Schuster
Project Coordinator
Voluntary Action Center
of Washington County

.....

Dear Mr. and Mrs. Harbeck,

Your cooperation has really been terrific and has added a lot of spirit in our Boy Scout troop. It is your kind of help that will make our troop very successful. Thank you.

Freddy Gildersleeve,
Scoutmaster

Immunization Clinics Slated

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Nursing Service. September clinics are:

September 4 - Community Health Nursing Service, 515 E. Washington St. - West Bend,

2-5 p.m.

September 11 - Germantown Old Fieldstone Library Building, Corner Park Avenue & Highway 145, 2-4:30 p.m.

September 18 - Hartford Recreation Department, 525 North Main St. - Hartford, 9-11 a.m.

September 25 - Community Health Nursing Service, 515 E. Washington St. - West Bend, 9-11 a.m.

All immunizations are pro-

vided free of charge, but there is a \$1.00 charge for the T.B. skin test for those age 16 and over. Parents are asked to bring to clinics their records of each child's past immunizations, as immunizations will not be provided without past records.

For further information call 338-4462 or 644-5204 or 342-2929.

Birds, proportionate to their size and weight, are 75 percent stronger than people.

WE INVITE YOU TO BRING THE FAMILY TO WORSHIP

Proeber - Bundsgaard

Carol Jean Proeber and Richard Charles Bundsgaard exchanged wedding vows during a 2 p.m. ceremony on Saturday, July 7, at St. John's Lutheran Church, West Bend. Rev. George A. Mumm officiated.

Music for the ceremony was provided by Mrs. Mary Ann Yahr, organist, and Mrs. Jerilyn Gundlach, soloist.

The bride was presented in marriage by her parents, Mr. and Mrs. Howard Proeber, West Bend. Parents of the groom are Mrs. Helen Henriksen, San Antonio, Texas, and Richard Bundsgaard, Gurnee, Illinois.

The bride chose her sister, Nancy Abel, Greenwood, WI, as her matron of honor. The

bridesmaids were Lynn Fredrickson, Plymouth, Laura Weyer, Milwaukee, Linda Schaub, Kewaskum, Carol Fell, Kewaskum, and Kathy Sauer, West Bend, all friends of the bride.

Don Bauer, Bloomington, MN, friend of the groom, served as best man. The groomsmen were John Kumbier, Madison, and Bill Weidner, West Bend, both friends of the groom, Steve Proeber, West Bend brother of the bride, Joel Levandoski, Menomonie, and Stephen Glidden, Elburn, IL, also friends of the groom.

Ushering duties were shared by Dave Fatke, Racine, Mike Fatke, Fond du Lac, and Jim Rottscholl, Fond du Lac, all friends of the groom.

Following the ceremony, a

reception, dinner and dance was held at Ward Allen's Public House, Theresa.

The bride is a 1978 graduate of Kewaskum High School and attended the University of Wisconsin-Washington County. She graduated from the University of Wisconsin-Madison in December, 1982, with a Bachelor of Science Degree in Agricultural Education. Currently she is a Vocational Agriculture/Agribusiness instructor for the Fond du Lac School District and St. Mary's Springs High School, Fond du Lac.

The groom is a 1968 graduate of Waukegan High School. He received a Bachelor of Science Degree in Industrial Education in May, 1973, and a Master of Science Degree in Vocational Education in August, 1977, both from the University of Wisconsin - Stout, Menomonie. He is a Graphic Communications Instructor for the Fond du Lac School District.

The newlyweds are planning a Christmas honeymoon to Hawaii. They are now residing at 1706 Southgate Dr., Fond du Lac, WI 54935.

Lynn Dewane Enters U.S. Air Force

Lynn Dewane, daughter of Mr. and Mrs. Dewane, 4761 Highway H. West, Kewaskum, enlisted in the U. S. Air Force's Delayed Enlistment Program, August 17, 1984, according to S/Sgt Anthony Wolff, Air Force Recruiter, 1605 S. Main Street, West Bend.

Lynn Dewane, a 1984 graduate of Kewaskum High School, is scheduled for enlistment in the Regular Air Force, March 18, 1985. Upon completion of the Air Force's six week basic training course she is scheduled to receive technical training.

She will be earning credits toward an associate degree in applied sciences through the Community College of the Air Force while attending basic and other Air Force technical training schools.

Krueger - Gutjahr

Mr. and Mrs. Frank Krueger Jr., Kewaskum, announce the engagement of their daughter Kim, to Gregory Gutjahr, son of

Mr. and Mrs. Glen Gutjahr, Kewaskum. A June 22, 1985 wedding is planned.

McChain - Zettler

Mr. and Mrs. Gordon McChain, Jr. of 7590 Hwy. 144, West Bend, announce the engagement of their daughter, Nancy Dawn, to Robert A. Zettler. He is the son of Mr. and Mrs. Roger Zettler Sr., 9180 Hwys. 144 and 28, Kewaskum. Nancy is a 1984 graduate of

Kewaskum High School and is currently employed at Cedar Lake Home.

Robert is a 1983 graduate of Kewaskum High School and is currently employed at Seneca Foods, Jackson.

An October 20, 1984 wedding is being planned by the couple.

upcoming year at a parent round-up set for Wednesday, Sept. 5, at 7:30 p.m. in the high school cafeteria. Booster Club promotes school spirit and backs extra-curricular activities at the middle and the high schools.

All parents are encouraged to attend, particularly those with students in school activities.

WALK TO REDUCE HYPERTENSION

Good old-fashioned walking can be effective in reducing high blood pressure - a leading cause of heart attack, stroke, and kidney failure. "Walking can be as beneficial as drugs in controlling hypertension," says Dr. Andrew Lewin of Cedar-Sinai Med. Ctr., L.A. "I advise a brisk 45 minute walk - no strolling - 3 or 4 times a week. Consistency is very important." After your doctor's okay, start walking slowly 5 or 10 minutes daily - gradually build to a brisk 45 minute walk.

Scouts Raft the Wolf River

Scouts paddle to get around boulders.

Scouts take a break.

On Saturday, July 21st, in Langlade, Wisconsin, 12 rafts were launched on the Wolf River at 9:00 a.m. Filled with Kewaskum Boy Scouts, mothers and fathers, the trip would take almost 6 hours. Some areas had fast water taking the Scouts past huge boulders and sometimes smashing against them

with no remorse. A few almost endless stretches of flat and low water made everyone work their paddles to make it downriver and the sun's hot rays added to the effort required by everyone. When the trip was finally completed 17 miles later, only the excitement of the rapids were remembered and those

weary muscles were no longer so tired.

Special thanks to Paul Behring for letting the Scouts sell Nachos at Crazy Days in his food stand. The Scouts are also very thankful to Mrs. Lois Bartz who obtained water and electricity for our car wash of August 4th from the Shortstop gas

station and to all those who were patient and had their car washed that sunny day.

Hope everyone noticed and heard the Boy Scouts in the Firemen's Parade with their new green neckerchiefs, the camping display and the knees of the Scoutmaster and assistant Scoutmaster.

Upcoming Dates: Sept. 10, Monday, Scout Meeting; Sept. 13, Thursday, Committee Meeting; Sept. 30, Sunday, Kiwanis Turkey Shoot.

The Scout Troop just returned from a week long outing in LaCrosse, so watch for that report in the near future.

Scout Master,
Freddy Gildersleeve

Obituaries

NORBERT J. GROH

Norbert J. Groh, 59, of Artisia, N.M., died Wednesday, Aug. 22, in Albuquerque General Hospital, Albuquerque, N.M.

He was born March 9, 1925, in the Town of West Bend, and married Rita Zalewski in Milwaukee.

Following their marriage they lived in the Town of Farmington and North Fond du Lac, before moving to Artisia, N.M.

Survivors include six children, Paul, John, Mary, Judy, Irene and Robazarr, all at home; two sisters, Elizabeth (Armand) Smith of West Bend

and Mary (Stan) Konstanz of Calliham, Texas; two brothers, Vincent (Bernice) Groh of Kewaskum and Matt (Edna) Groh of Laona, and other relatives and friends.

Funeral services and burial were in Artisia, N.M.

JEROME ROEHL

Funeral services for Jerome L. Roehl, 39, of Denver, Colo., were held at 8 p.m. Friday at Twohig Funeral Home, Campbellsport. He died Tuesday, Aug. 21, 1984, at the Veterans Administration Hospital, Denver.

The Rev. Anthony Schultz officiated, and private burial

took place Saturday at Ledgeview Memorial Park, Fond du Lac.

Friends called after 3 p.m. Friday at the funeral home.

He was born Aug. 8, 1945, in the Town of Osceola, a son of Vilas and Marion Bechler Roehl. He served with the Armed Forces from 1963-67.

Mr. Roehl was employed by the telephone company in Denver. Prior to that he was a cosmetologist in Milwaukee and Sheboygan.

Survivors include his mother of Campbellsport; a brother, Roger of Route 1, Campbellsport; and his maternal grandfather, Arnold Bechler of Campbellsport. His father preceded him in death.

CLARENCE H. SCHLEGEL

Clarence H. Schlegel of 7852 County M, Fredonia, died Sunday, Aug. 26, at Heritage Nursing Home, Sheboygan, at the age of 72.

He was born March 2, 1912, on the Schlegel Homestead in the Town of Trenton. At an early age the family moved to the Town of Jackson.

He lived in Milwaukee for a number of years where he was employed at A.O. Smith Corp. In 1947 he moved to the Town of Farmington where he made his home with his sister and brother-in-law.

Prior to his retirement in 1974, he was employed at Mercury Marine in Cedarburg.

Survivors include a sister, Ruby (Lester) Krause of

Fredonia; one stepbrother, Oscar Rau of Saukville; one stepsister, Pearl Koehn of Milwaukee; a special friend, Heler Zettler of West Bend, and other relatives and friends.

Preceding him in death were his parents; one stepson; one niece, and one nephew.

He was an honorary life member of the Fillmore Turner's Club.

Funeral services were Wednesday, Aug. 29, at 8 p.m. at the Schmidt Funeral Home, West Bend. Rev. Victor Hackbarth officiated and burial was in Saukville Union Cemetery, Saukville, at 10 a.m. Thursday.

Visitation at the funeral home was Wednesday from 4 p.m. until time of services.

Sculpture, Ceramic Classes at UWWC

Sculpture and Ceramic classes will be offered afternoons this semester at the University of Wisconsin Center-Washington County, 400 University Drive in West Bend. Three credit Sculpture I and II, and Ceramics I and II classes will be held Mondays and Wednesdays from 2:00 - 5:00 p.m. Thomas Gross, art professor at UWWC, will facilitate these courses and work individually with each student enrolled.

Registration for these and other fall semester courses will be accepted during the first week of classes, September 4 - 7.

GOP Brat Fry, Picnic Sept. 9

Washington County's Republican Organization will have its annual brat fry and picnic Sunday, September 9, at Ridge Run Park, West Bend.

Festivities get underway at 4 p.m. highlighted by music, entertainment, refreshments and door prizes. Many federal, state and local candidates are expected to attend. Everyone is invited for a time of good fellowship, good food, and good entertainment.

Tickets are \$3.50 for adults, \$1.75 for children, and are available by calling Hazel Nehrbass at 677-2303, or from any member of the G.O.P.

Bay Lakes Tiger Cubs To Start Third Year

Bay Lakes Council will start its third year with the Tiger Cub program. Packs in Washington and Ozaukee counties, District 11, will be hunting for seven-year-old boys in the second grade and an adult member of their family to be in the program.

The Tiger Cub program calls for equal participation from boy and adult. Tiger Cubs stress fun, activity, relationship building between the boy and the adult as well as among the Tiger Cub group.

Recruiting for the Tiger Cub program will be done through packs in local communities.

If you have a son interested in joining the Tiger Cub program and have not been contacted by a local pack, please call Kathy Paulson at 338-0507.

MPTI 2nd Session Of Toddler Years

A second session of Toddler Years will be offered by the MPTI West Bend campus, starting the same date as the previously announced course.

This class will meet early Tuesday evenings from 6:30 to 7:20, October 9 to November 13 at Fifth Avenue Methodist Church, West Bend. A father, mother, or caregiver is invited to enroll with a child 18 months to 3 years for this six week class in movement experiences. Listening skills, body awareness, balancing, eye-hand/eye-foot coordination, and fine motor skills will be included. Fee is \$4.75, and advance enrollment is required. Reservations will be accepted on a first-come, first-served basis. To register, call MPTI at 334-0909.

Hartford Jaycees and Jaycee Women Sponsor MDA Telethon Pledge Center

The Hartford City Hall at 109 North Main Street will be the site of the Hartford Pledge Center for the Jerry Lewis Telethon which will be broadcast by WITI-TV 6 on Labor Day weekend, it was announced by Joe Tanck, the Jaycee /MDA Coordinator. The City Hall will be donating the use of their facilities for the annual show which benefits the Muscular Dystrophy Association.

The Hartford Fishbowl will be located in front of the Hartford City Hall. All area residents are invited to stop down and drop off their donations to MDA in the Fishbowl personally. For your entertainment, there will be balloons, clowns and excitement!

Viewers of THE TELETHON '84 will see performances by some of the most popular personalities in show business - including stars of TV, film, stage and the concert world - all of whom contribute their talents to help the fight against muscular dystrophy and related muscle diseases.

In addition to its extensive research program, MDA provides many services to children and adults with 40 different neuromuscular diseases. The services provided include: diagnosis and follow-up treatment at Milwaukee Children's Hospital and Froedtert Memorial Hospital; physical and occupational therapy; genetic counseling; orthopedic aids, such as, wheelchairs, braces, hospital beds and much more. All of MDA's services are

provided free of charge to the patient and their family.

All money raised in the Hartford area will be used to provide these services to people disabled with muscular dystrophy. Please plan to support the Hartford Jaycees and Jaycee Women in the fight against MD this Labor Day Weekend!

The word *university* was first applied to collegiate studies in the 1200's.

WB Jaycees Sponsor MDA Street Dance

The West Bend Jaycees will sponsor an "MDA Street Dance" to benefit the Muscular Dystrophy Association at the West Bend Outlet Mall, south end of the parking lot, on Saturday, September 1st. Food (including brats, hamburgers, and hot dogs), beer and soda will be served beginning at 11 a.m. Music will be provided from 3 p.m. to 5 p.m. by the band, REVIVAL, and from 6 p.m. to 10 p.m. by the band BIG AL AND THE HI FIs!

The "MDA Street Dance" is being run in conjunction with the Grand Opening of the River Walk in West Bend. All proceeds from the sale of the refreshments will go to MDA. The West Bend Jaycees want to thank the West Bend Outlet Mall for their cooperation.

The first margarine was produced during the Franco-Prussian War of 1870 when Napoleon III conducted a contest to develop a substitute for scarce butter. A French chemist came up with "oleo."

Jerominski Meets With Assembly Speaker Loftus

Wisconsin State Assembly Candidate Patricia Gruber Jerominski discussed upcoming campaign issues with Democratic Assembly Speaker Tom Loftus at a press luncheon recently.

Both Loftus and Jerominski agreed that the use of property taxes to support the public school system is a major issue and that they would like to see the government pay more of the costs and the property owners pay less. Jerominski stated that the farmer, the elderly and young families are hurt the most by high property taxes. She added that a change in the state aides formula to cities might be one source to get additional monies for public education.

Another important topic that Jerominski thinks legislators must address is solid waste disposal. She said that as local landfill sites fill up, it will be the state's responsibility to help resolve the problem through

education of the public and by using state funds and regulations to set up recycling projects at all levels starting with homeowner.

Jerominski stressed that utility rates would be another important issue and pointed out that she was instrumental in defeating General Telephone's recent attempt to mandate Local Measured Service in the area of Lomira, Theresa, Campbellsport and Eden. She reminded voters that this is not a dead issue with the telephone companies and that the public should be on the alert for another attempt to push this

type of service upon them.

Patricia Gruber Jerominski, running on the Democratic ticket, is in her second bid for the 59th Assembly seat presently being vacated by Esther Luckhart, losing to Luckhart by a narrow margin in the 1982 election. Jerominski is a licensed Practical Nurse, is married and has three children. She has spent the last two years working as a legislative aide in Madison and is a lifelong resident of the Campbellsport area.

"Whatever profits one man profits others as well as himself."

Front row, left to right - Greg Dean, Eric Pearson, Mike Morell, Steve Kapp, Chris Charland, Joe Klein, Steve Liegel Jr. Back row - Coach Steve Liegl, Robert Koch, Robbi Hron, Bob Koerner, Randy Gindt, Noel Stollenwerk, Mike Struebing, Coach Tom Hron.

THANK YOU!

To the people who made this traveling team possible. To KB Lettering for sponsoring the team and providing the excellent uniforms. To the coaches, Steve Liegl and Tom Hron, for putting in time that many can't find. The team finished with a 3 win, 4 loss record but displayed a winning spirit throughout the season.

Wanted VOLUNTEERS

WANTED: AN ADULT WITH COMMITMENT WHO CARES ABOUT MAKING A CHILD'S LIFE JUST A LITTLE BIT BETTER. A single-parent child needs your love. In this one adult to one child relationship you can help develop personal identity, self-worth and inner security. With a commitment of at least 2 hours a week, you can make a difference in the shape of things to come.

BE AN ADVOCATE to someone who is disabled. The volunteer advocate becomes a friend, a guide in the community, or spokesperson for the person's needs and rights. Training and follow-up in this one to one relationship are provided. You provide concern about the care and services he receives and of his personal growth and development. There are people of all ages and abilities interested in getting to know a volunteer. Often in the life of a disabled person the only people they come in contact with are the ones who are paid to, doctors, social worker, etc. This is a very unique and rewarding volunteer opportunity.

IT'S BEEN SAID that the problems with some of our youth is sad, but what we do to our old is tragic. Not in these times would we expect to find any of our older adults lonely, depressed and isolated. But unfortunately we do. If you have patience, respect, and can listen supportively then you can become part of the program that provides concern for our elderly. Training sessions are about to begin. Don't wait.

IF YOU HAVE some extra time, talent, and expertise and

really want to get involved in your community, become a board member of one of our county agencies. Participate and share in the concern of our communities growth. If you don't do it, who will?

A SYMPATHETIC EAR, spare time, good driving record, and willingness to help others, you could do your community a great service. There are people who need to get to the doctor's office, to the hospital for treatments, or even just to the grocery store at least once a week. In some cases you might be able to drive the clients' car. There's also mileage reimbursement depending upon the assignment. Remember, by helping others you really are helping yourself!

TO FIND OUT ABOUT THESE AND MORE VOLUNTEER OPPORTUNITIES AVAILABLE, CALL THE VOLUNTARY ACTION CENTER OF WASHINGTON COUNTY, at 338-8256. We're located in the "Frisby House" at 304 South Main Street of West Bend, Wisconsin. Office hours are Mondays-Wednesdays-Fridays from 12:00 noon to 5:00 p.m. Other hours are available by appointment. Remember, you can make a difference!

ABC CLUB SKAT RESULTS

The Beechwood Senior Citizens ABC Club results on Tuesday afternoon, August 21, were as follows: Harold Eggert, 14-0-14 net; Francis Gilboy, 14-2-12 net; Marvin Martin, 16-4-12 net; Elmer Stange, Heart Solo vs 4.

In the Service

Marine Corps Pfc. Robert A. Lemke, son of Jean M. Lemke of 4350 W. Moraine Drive, Kewaskum, has graduated from the U.S. Air Force law enforcement specialist course at Lackland Air Force Base, Texas.

Graduates of the course studied general law enforcement duties, tactics, weapons training, physical apprehension and restraint and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Lemke is scheduled to serve at Camp Smith, Hawaii.

He is a 1982 graduate of Kewaskum Community High School.

Technical School of The Air Begins Sept. 10

A variety of viewing options is available to adult learners who take television credit courses through Moraine Park Technical Institute during the fall semester.

When broadcast of the 15 courses begins September 10 on the Technical School of the Air, students will have two to three opportunities weekly to view each TV lesson.

Telecourses are shown on channel 11 in Beaver Dam, channel 34 in Fond du Lac, and channel 16 in West Bend. Six telecourses are aired on channel 22 in Ripon.

In addition, eight of the telecourses are also broadcast on the Public Broadcasting Service from Madison, Milwaukee, and Green Bay. The courses with these added broadcast times are: American Institutions, Business of Management, Communication Skills 1, Computer Literacy, Personal Finance, Psychology of Human Relations, TV High School for Adults, and You and the Law.

Courses shown on local channels include: AC Electronics, American Government, Business Organization, DC Electronics, Principles of Marketing 2, Study Skills, and TV Microwave Cooking.

Students who do not have access to television may view programs at their convenience at any of the three MPTI campuses by appointment.

All telecourse students are in regular contact with an instructor at MPTI and have several on-campus sessions during the semester.

Further information on courses in the Technical School of the Air may be obtained by calling MPTI at 929-2100.

Glacier Edge Roundtables

Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will conduct their first Roundtables of the 1984-85 season on Thursday, September 6, from 7:30-9:30 p.m., at John Long Middle School, corner of Fifth and Hickory Streets, Grafton.

These informative meetings are of interest to all adult Boy Scout and Cub Scout Leaders, Assistant Leaders and Committee People of Ozaukee and Washington Counties, and are held the first Thursday of each month from September through May.

Mrs. Terri Johann, Cub Roundtable Commissioner, and her staff will enact the "Wild & Woolly West" theme. Brian Stefan will give a demonstration on correct use of tools, and Peace Pipes will be constructed in Mrs. Marilyn Nelson's session. Webelos Leaders will discuss requirements for the Citizen and Sportsman Activity Badges. The program, "Boy Scouts of America and You," for the Cubmasters and Committee Members will be covered by Robert Schoenhaar.

Norm Peterson, Boy Scout Roundtable Commissioner, and his staff will have outdoor, hands-on training in Orienteering and Compass Reading. Participants are asked to bring a compass and a flashlight.

Training for Tiger Cub Coordinators will be given by Mrs. Kathy Paulson in a separate session.

A meeting for members of the Order of the Arrow Awase Lodge will also be held at the school.

A MORTGAGE YOU CAN LIVE WITH.

WEST BEND SAVINGS has been financing homes for over 58 years. We're experts. And we know how important it is to find a financing plan that's exactly right for you ... one that is fast, convenient and affordable.

'A mortgage you can live with.'

Thousands of families buying or building a home have come to West Bend Savings for their home financing. Here's why:

FAST SERVICE.

In-house loan approval on most mortgages drastically reduces processing time...and that can save you money.

AFFORDABLE.

Our loan rates, closing costs and commitment fees are among the lowest available in the area.

CONVENIENT.

West Bend Savings' loan officers are available at five locations throughout Washington County. And, for even greater convenience, three mortgage financing specialists representing RW Mortgage Corporation of Wisconsin and West Bend Savings are available anytime (including

FAST, CONVENIENT AND AFFORDABLE HOME FINANCING TO QUALIFIED BUYER FROM YOUR COMPLETE FINANCIAL RESOURCE COMPANY.

evenings and weekends) to meet with you wherever it is most convenient.

WIDE CHOICE OF PLANS.

✓ 30-Year Adjustable Rate Mortgage.

Our most economical and lowest rate mortgage with guaranteed initial rate periods of 6, 12 or 24 months. The 30-Year Adjustable Rate is amortized over thirty years and initial rates vary depending upon the guaranteed rate period. West Bend Savings' Adjustable Rate Mortgage is considerably less expensive than most loans available today and over the long run can save you money.

✓ 30-Year Fixed Rate Mortgage

The 30-Year Fixed Rate Mortgage is available from RW Mortgage Corporation of Wisconsin for home buyers concerned about stability. Although it is available for a premium, you will always know the amount of your monthly prin-

cipal and interest payment.

✓ 1-Year Adjustable Rate Mortgage

The 1-Year Adjustable Rate Mortgage, offered by RW Mortgage Corp., features a low initial interest rate indexed to the 1-year U.S. Treasury Security rate; low commitment and loan fees; annual adjustment; annual rate adjustment cap; a lifetime interest rate cap; and, is amortized over

a 30-year term. This is a very competitive and popular financing plan.

✓ 5-Year Fixed Payment Adjustable Rate Mortgage

Another product offered by RW Mortgage Corp., the 5-Year Fixed Payment Adjustable Rate Mortgage features payments that are fixed for 5 years. Initial rates are well below conventional fixed rate mortgages and are indexed to U.S. Treasury Securities. This 30-year loan offers a lifetime interest rate cap and can be converted to a fixed-rate loan at the first payment change date.

✓ Government Assisted Mortgages

Whether it's the WHEDA [Wisconsin Housing Economic Development Authority] mortgage, FHA [Federal Housing Authority] mortgage, or the Wisconsin VA Mortgage... West Bend Savings' and RW Mortgage Corp. have the resources and experience to help close your loan quickly.

For more information about 'A Mortgage you can live with,' call the financing experts at West Bend Savings, 626-2186 or RW Mortgage Corp. of Wisconsin, 334-5636.

25 Years Ago

August 28, 1959

Reuben Frederick Schultz, 22, son of Mr. and Mrs. Reuben P. Schultz of the Town of Kewaskum, who resides on a farm about four miles northeast of the village, died of injuries he sustained early August 21, in an auto accident at the intersection of Hwy. 45 and County Trunk H, about 1 1/2 miles south of Kewaskum. According to the sheriff's report of the accident, Schultz was traveling west on CTH H when he apparently fell asleep. The vehicle ran across Hwy. 45, hit a ditch and plunged into an embankment, then bounded into a potato patch near the Leroy Muckerheide home where it came to a stop right side up on its wheels. Schultz was pronounced dead at the scene. Surviving are his parents, a sister, Carol Jean, 17; and brother, Richard, 10; his maternal grandparents, Mr. and Mrs. Fred Klein Sr. of Route 1, Kewaskum, and his paternal grandparents, Mr. and Mrs. Henry J. Schultz of Kewaskum.

The Kewaskum Public schools will open on Tuesday, September 8, with a record enrollment expected. One hundred four freshmen have already enrolled for the 1959-1960 school year as compared to last year's record number of 109. The high school enrollment is expected to reach an all time high of approximately 350.

Exhibiting for the first time after a 25 year absence from State Fair competition, the Seefeldt Apiaries of Kewaskum made an outstanding achievement by taking 5 of a possible 9 blue ribbons and the grand sweepstakes offered in the bee and honey competition at the 1959 Wisconsin State Fair now being held in West Allis. Aldwin H. Seefeldt who takes beekeeping as a 4-H project and Fredric A. Seefeldt prepared and made the exhibit. Their father Alfred H. Seefeldt, is a 4-H project leader in beekeeping.

The Office of Information Services, U.S. Air Force Reserve Center, Milwaukee, announces the appointment of Lt. Col. Lehman L. Rosenheimer of Kewaskum as an OIS field representative for the southeastern Wisconsin area.

A/3c Darryl R. Wesenberg, son of Mr. and Mrs. Walter Wesenberg, Kewaskum, after spending a 20-day leave at his

parents' home, left on August 21, for McQuire Air Force Base, New Jersey. On August 24, he was flown to Germany in a United States Air Force jet plane to be stationed there for three years of service in the 10th Supply Squadron.

A daughter was born to Mr. and Mrs. Sylvester Schladweiler, Kewaskum, on August 19. A son was born to Mr. and Mrs. Wyman Gessner, Kewaskum, on August 21.

50 Years Ago

August 31, 1934

While on their way to Chicago last Sunday morning, where they intended to witness the Chicago Cubs - New York Giants baseball game, Mr. and Mrs. Maurice Rosenheimer of this village, met with an auto accident that might have proven fatal. They were driving along on Highway 41, which at that time was very congested with traffic, and when about 7 miles south of Waukegan, where the concrete highway was very narrow, with loose gravel on both sides of the road, their car got off of the concrete into the loose gravel and they were unable to get the car back on the highway again. The car started to roll and turned over three or four times. Passing motorists stopped and assisted Mr. and Mrs. Rosenheimer in extricating themselves from the wreckage. They were taken to a hospital at Waukegan where it was found that aside from numerous bruises and two small bones broken in Mrs. Rosenheimer's foot, they were not seriously hurt.

The opening of the new Miller Funeral Home last Saturday and Sunday was observed by the attendance of over 800 visitors, from far and near, who came to inspect the beautiful new funeral parlors. All were very enthusiastic in their praise of this excellent addition to the Village of Kewaskum.

Miss Marcella Casper, daughter of Mr. and Mrs. S.N. Casper of this village, was one of the graduating class of 14 from the St. Joseph School of Nursing in Milwaukee.

Graduation exercises were held Tuesday in the chapel of St. Joseph's Hospital.

John Louis Schaefer received word last week that he has been granted a position as assistant principal of Cazenovia Junior High School. He will teach the 5th, 6th, 7th, and 8th grades. Cazenovia is located in the sandstone district of Wisconsin, 50 miles from the Mississippi river and 65 miles from Baraboo.

The following persons had their tonsils removed at Dr. Edwards' office this week: Esther Zacho, Wilmer Bunkelman, Florence Kudek, James Wickert, Amanda Meilahn and Violet Engleman.

The Chicago Cubs and the St. Louis Cardinals baseball teams of the National League passed through this village Thursday noon on their special train while enroute to Oshkosh where they played an exhibition game.

Louis Schaefer of the Town of Kewaskum purchased the former Frank Van Epps residence property on the corner of West Water and First Streets last week Tuesday.

Gregor Schmitz of Kewaskum suffered a broken arm at the elbow when he fell while fixing a fence on his farm.

Bernard Seil of Kewaskum, lacerated his arm when he fell on a hook while working in the L. Rosenheimer warehouse.

Art Mix, western screen star, world renowned stunt rider and daredevil, will appear on the stage of the West Bend Theatre Sunday, September 2, for afternoon and evening shows. Mr. Mix, who was on tour, is now on his way back to Hollywood to make six more pictures this year. He has been starred and featured in over 105 western pictures. During his act on the

stage, he will tell you of the hair-raising risks that have to be taken in making Western pictures which are an every day occurrence with him. All autograph seekers will have an opportunity to get his autograph.

A baby girl was born to Mr. and Mrs. Frank Krueger of Kewaskum last week Thursday. A baby boy was born to Mr. and Mrs. Louis Vorpahl of Kewaskum last week.

Gustave Zumach for \$900.

A baby girl was born to Mr. and Mrs. Louis Klein of Kewaskum, last Sunday, and a baby boy was born to Rev. and Mrs. A. H. Otto of Kewaskum on Thursday.

Self Advocacy Topic Of Course at MPTI

A 10 week course on Self Advocacy begins on Tuesday, Sept. 18th, at the West Bend East High School.

The course is designed for people with developmental disabilities, their families and advocates.

Students will be introduced to the basic concepts of individual differences, independence, human and civil rights, responsibilities, laws and the lawmaking process and self advocacy.

Each class session runs from 7:00 to 9:15 p.m. The \$11.20 course fee is payable at the first class meeting. Financial information and transportation will be provided if needed.

The Self Advocacy course is co-sponsored by the Moraine Park Technical Institute and the Citizen Advocacy Program of Washington County.

For further information and registration, please call Susan Goebel at the Citizen Advocacy office (334-3384).

75 Years Ago

Theodore Felten was seriously injured while threshing at Emil Dettmann's place at Boltonville last Tuesday. In some manner his arm became entangled in the machine and came close to being severed from the body. His injuries will necessitate his remaining in a hospital for some time.

Among those from here who attended the teachers' institute at West Bend the past week were: Misses Kathryn Schoofs, Elsie Sommers, Ella Wunderle, Edna Altenhofen, Lilly Schlosser, Rose Ockenfels, Vivian Colvin, Olga Haug, Nora Backhaus and Lorinda Guth.

Conrad Bier sold 10 acres of his farm last Monday to

MPTI Computer Course Changed

Evening sessions of the course, **Computers: Applications for Home and Business**, have been changed from Thursdays to Mondays, according to Maureen Josten, MPTI Adult Continuing Education supervisor. Classes will meet at the West Bend High School library starting September 10.

Home and business applications will be demonstrated and students will have hands-on experiences with these utility programs. Major types of software will be discussed and criteria for its selection will be emphasized. No programming or computer experience is necessary.

Fee for this four week class is \$7.50. Sessions meet from 7 to 9:40 p.m. Advance registration is required. Call MPTI at 334-0909.

"Creativity is not the finding of a thing but the making something out of it after it is found."

Wisconsin Electric Offers Free Refrigerator-Freezer Thermometer

MILWAUKEE — Is your refrigerator eating you out of house and home?

That's the theme for a new Wisconsin Electric Power Co. conservation campaign to help customers keep their refrigerators and freezers at proper energy-saving temperatures.

The newspaper ads, plus radio ads, bill inserts and a "talking food" television spot are aimed at helping customers choose and use appliances wisely.

Val Clarke, WE supervisor of customer relations, said the company is offering a refrigerator/freezer thermometer free to customers through a bill insert beginning Monday, Aug. 20.

The thermometer will permit

customers to properly set a refrigerator between 36 degrees F and 42 degrees F and a freezer between minus 5 degrees F and plus 6 degrees F.

"However, refrigerators and freezers aren't the only appliances we're concerned about," Clarke said. "This campaign will center on most major household appliances and how customers can save money if they buy and use the appliances wisely."

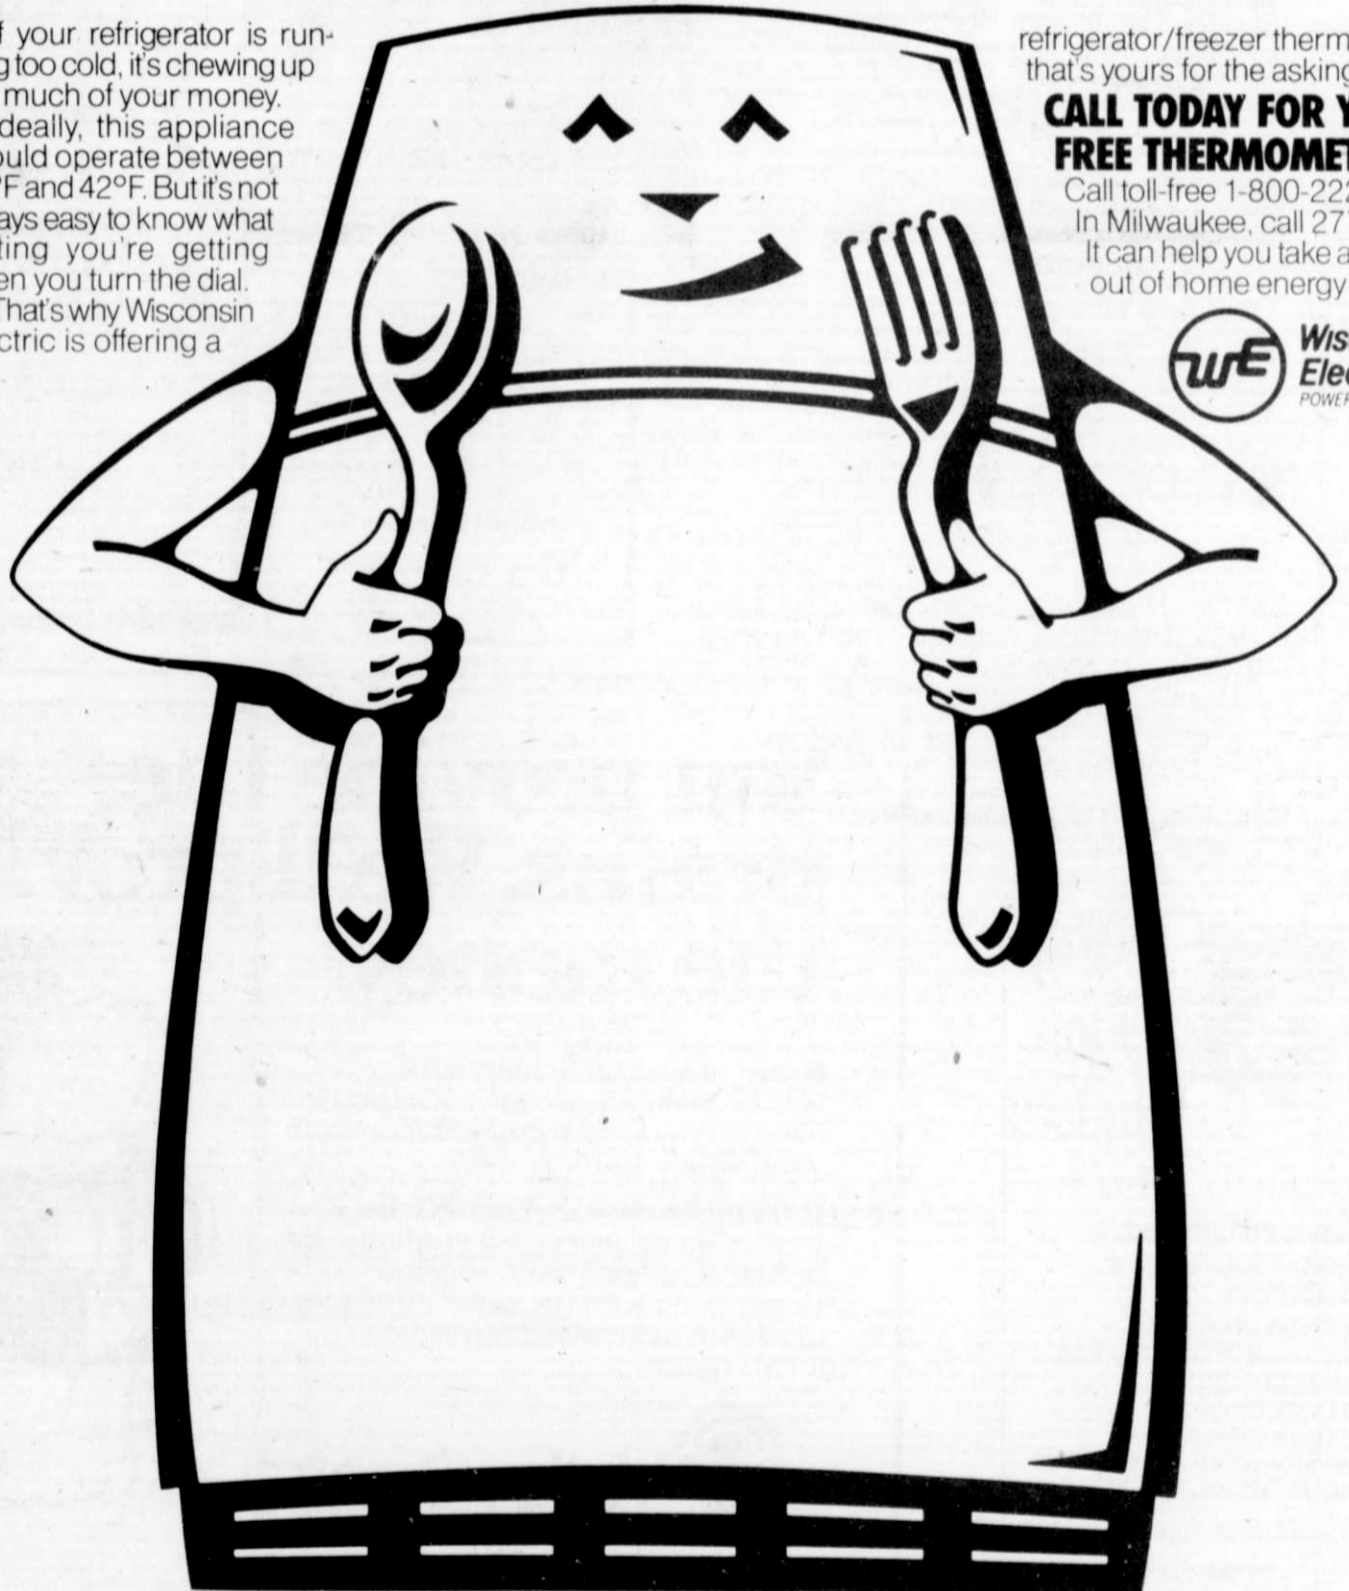

She said the thermometers are available by calling the Energy Facts Phone, toll free from outside Milwaukee at 1-800-222-9288 or from Milwaukee at 277-3389. Information on other appliances also is available.

IS YOUR REFRIGERATOR EATING YOU OUT OF HOUSE AND HOME? FIND OUT, FREE.

If your refrigerator is running too cold, it's chewing up too much of your money.

Ideally, this appliance should operate between 36°F and 42°F. But it's not always easy to know what setting you're getting when you turn the dial.

That's why Wisconsin Electric is offering a

refrigerator/freezer thermometer that's yours for the asking.

CALL TODAY FOR YOUR FREE THERMOMETER.

Call toll-free 1-800-222-9288. In Milwaukee, call 277-3389. It can help you take a big bite out of home energy waste.

West Bend Company Names New Members to 25 Year Club

Irene Hinn

Donald F. Parlow

Harold F. Troedel

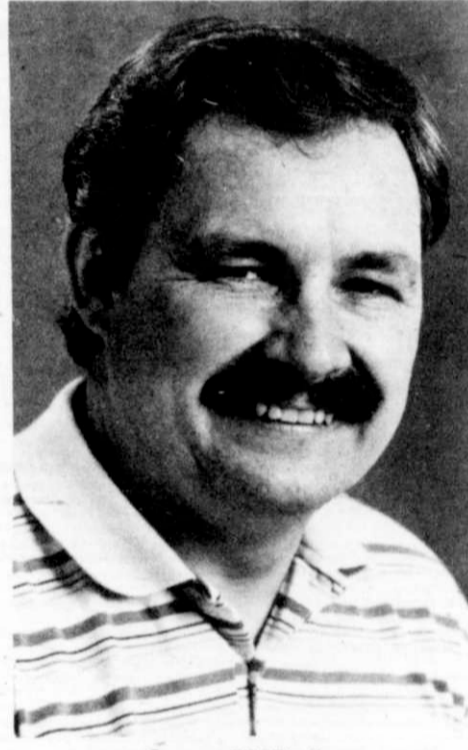

Barbara K. Kiefer

Arthur D. Kelling

Carl W. Kirchner

Jerome M. Theisen

The West Bend Company honored seven employees for 25 years of service. They are Irene Hinn; Donald F. Parlow; Harold F. Troedel; Barbara K. Kiefer; Arthur D. Kelling; Carl W. Kirchner and Jerome M. Theisen.

Irene Hinn, Route #2, Campbellsport, started with the company as a Degreaser. Through the years, she has worked as a Water Wash Loader, Degreaser and Water Wash Operator, Rotary Brazing Machine Operator, Grit Blast and Glass Peen Operator, Thermostat Tester and Repair - Electrical Stems. She now works on the Cleaning Line.

Hinn and her husband, Harold, have one daughter, Judy.

Donald F. Parlow, West Bend, began in the Accounting Department. In 1964 he became Controller and later, Vice-President of Finance in 1971. He has been Senior Vice-President of Finance since June 10, 1981. Parlow and his wife, Dorothy, reside in the city.

Harold F. Troedel, 1003 Birchwood Drive, began working in Hand Brush and then transferred to Material Handler. He has also worked in Satin Finish and is presently classified as a Large Drill Press Set-up and Operator. Troedel

and his wife, Judy, have two children, Patricia and Scott.

Barbara K. Kiefer, 6623 Alpine Drive, has worked as an Appliance Tester, Packer-Sealing Machine, Assembler and Water Wash Loader. She has been on the Punch Press since November 1965. Kiefer and her husband, Edwin, have four children, Lori, Lisa, John and Julie.

Arthur D. Kelling, Route #1, Random Lake, has worked in a variety of positions. He has been a Semi-Automatic Sanding Machine Operator, Stock Handler, Hand Brush Operator, Spot Welder Set-up, Draw Press Set-up Man B, Draw Press Set-up Man A and currently, Die Storage Attendant A. Kelling and his wife,

Beverly, have two children, David and Valerie.

Carl W. Kirchner, 1626 Mapledale Road, started as a summer trainer and later became a permanent trainer. Since then, he has worked as a Stock Handler, Timekeeper A, Model Maker (D), Model Maker (C), Model Maker Apprentice and now, a Model Maker A. Kirchner and his wife, Joyce, have two children, Cynthia and Tommy.

Jerome M. Theisen, 2318 Parkfield Drive, began as a Semi-Automatic Sanding Machine Operator. He has also been classified as a Repacker, Sealing Machine Set-up and Stock Handler, Machine Repairman (C), Machine Repairman (B), and presently, Machine

Repairman (A). He and his wife, Joan, have four children - Mike, Mark, Matt and Marvin.

Dedication of West Bend's New Downtown Riverwalk Sept. 1

Wisconsin Governor Anthony Earl has been invited by the City of West Bend to participate in the Sept. 1 dedication of the city's new downtown riverwalk.

The \$557,500 walkway extends for 1,800 feet along the east side of the Milwaukee River and 1,100 feet on the west side, where it was built wide enough to handle vehicular traffic at certain hours of the day.

Funding was provided by central business district grants from the U.S. Department of Housing and Urban Development through the Wisconsin Department of Developments. The grant was awarded in 1983 and was based on the project's potential for creating new jobs and attracting private investments to the downtown area.

According to Laurence F. Plaskan of West Bend, designer of the walkway, 35 new jobs already exist and 55 more are anticipated. He said that downtown businesses have spent more than \$1.2 million on building remodeling and expansion, and 13 property owners dedicated portions of their land for the walkway.

Plaskan called the new jobs and investments "a substantial turnaround" after years of declining downtown property value.

John Lamm of Jackson was the contractor for the project,

which included the red paving stone walkway, street lamps, benches, picnic tables, an overhanging river observation platform, riverbank preservation and the planting of more than 11,000 plants and a variety of trees.

Plaskan said, "We tried to vary the vegetation for a year-round effect, to provide a different feeling for each season."

The walkway is bounded by the Washington Street and Walnut-Water Street bridges. In between, three pedestrian bridges cross the river; one is a glass-enclosed structure leading directly from Main Street to an outlet mall on the east side of the river.

Discussions on the walkway began in 1978. In November 1982, during the final stages of an extensive downtown renovation program, the Common Council authorized the application for the block grant.

Formal notification of the grant award was received in April 1983; construction began two months later and was completed in June 1984.

The Sept. 1 dedication day will feature a number of activities along the river including an art fair, special music and a street dance for the benefit of the Jerry Lewis Muscular Dystrophy Association telethon.

Labor Day Weekend Last Chance for Parks Guide Discount

Labor Day weekend will be the last chance for discount prices on DNR's new official guidebook to Wisconsin state parks.

Coupons, good for one dollar off the \$4.95 guidebook, are available at every park. Visitors who want to take advantage of the offer should ask for the coupon at the park entrance or park headquarters.

Called Wisconsin State Parks: Explore and Enjoy, the guidebook covers all 60 of the state parks and recreation areas. The coupons can be redeemed only at parks, and are good only through September 3.

The 100-page full color guide describes the animals and plants commonly found at each park. It also includes information on reservations, schedules, and services available. Each park is described separately with pictures that show its main features.

Dave Weizenicker, Director of the Bureau of Parks and Recreation, said photos in the guide book have made it popular with people who love

Wisconsin's forests, water and its natural beauty, but don't get out as much as they would like to.

"A person can open the book to page seven and see an ancient steam engine shaking and rumbling out of the tunnel on the Elroy-Sparta line. They can turn to page ten and be hiking along secluded Quarry Lake hiking trail at Harrington Beach. They can creep up on page 25 and spot a new fawn nestled into the grass."

The book can be purchased by mail by sending \$6.00 (check or money order) to Wisconsin State Parks, Bureau of Parks and Recreation, P.O. Box 7921, Madison, Wisconsin 53707. Collector's edition hardcover copies are also available for \$15.75 including tax. Postage and handling costs are extra.

For more information contact: Bill Moorman, Bureau of Parks & Recreation, (608) 266-7616.

Enforcement to Be Stepped Up Over Labor Day Weekend

State and local law enforcement agencies will step up their highway patrolling over the Labor Day weekend in a concentrated effort to avoid a repeat of last year's 13 fatalities - the deadliest holiday weekend of the year.

In an effort to keep traffic crashes to a minimum, according to Col. Howard Goetsch, deputy administrator of the Division of State Patrol, the Patrol's Summer Wisconsin Enforcement Emphasis Program (SWEEP) will zero in on illegal speeding. Twenty-one county enforcement agencies are participating in a similar effort, County Concentrated Accident Reduction Effort (CARE).

Goetsch said that the special enforcement emphasis uses active patrolling and apprehension of traffic violators. He said that troopers will also be keeping a sharp eye out for drunken drivers.

According to the Department of Transportation's Division of

Highways and Transportation Facilities, major highway construction projects may restrict traffic.

A state of emergency declaration was issued by Gov. Anthony S. Earl to be in effect for the 78-hour holiday period. Members of the National Guard will again have the "Friend in the Sky" medical evacuation helicopter program in operation over the Interstate from the Illinois border to Wisconsin Dells and on USH 41 in the West Bend area.

Construction work will be curtailed on highway improvement projects located on major tourist routes between the hours of 12 noon on Friday through 6 a.m. Tuesday.

Goetsch advised motorists that detour maps are posted in all Interstate rest areas and major waysides on the state road system. Detour reports are available from toll-free numbers statewide. Milwaukee residents may call 342-2211; Madison area residents may call 266-7040; while other residents of Wisconsin, Iowa, Minnesota, Michigan and northern Illinois may call 1-800-ROAD WIS.

Nature Center Needs Volunteer Attendants

The Sanderling Nature Center, located at Kohler-Andrae State Park, is in need of volunteer attendants to staff the Center on weekends in September and October.

According to John Cowan, Naturalist at the Center, that unless volunteers can be found, the facility will have to close on weekends.

"There are many people who enjoy the exhibits and learn about the Park's natural features. This is a golden opportunity for those people who enjoy natural history to share their interest and keep the Center open," he added.

Persons interested in becoming volunteers should contact Cowan at Kohler-Andrae State Park, Route 3, Sheboygan 53081, or calling (414) 452-3457.

Homemaker-Home Health Aide Program To Be Offered at MPTI

The Moraine Park Technical Institute - Fond du Lac Campus will be offering a 220-hour Homemaker-Home Health Aide course beginning September 17, 1984. This eight-week course provides 160 hours of clinical practice in a nursing home and mental health center. Field trips will include observing employed persons working in a home situation as a Homemaker-Home Health Aide. The individual will be an integral part of a Home Health Care team, working to restore clients to optimal functioning. Under the direction of a registered nurse, the aide will assist the clients in personal care and other activities; document progress; maintain the environment; assist with nutrition through menu planning and food preparation; and participate in home maintenance. Persons successfully completing this course will be certified to work in a private home or nursing home setting.

Class hours will be from 8:00 a.m. to 3:00 p.m. Monday through Friday. For more information and to obtain an application, call Don Smeaton at 922-8611, Ext. 226. Interviews will be held the first week of September. Those with an application on file will be notified of interview dates and times.

A baby bird is often called a nestling.

Minutes of Village Board Meeting

Mid-Monthly Meeting
August 20, 1984
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. Trustee Paul Blumer asked to be excused and was absent. All other Trustee Members were present.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the minutes of August 6, 1984.

The opening of sealed bids for furnishing a new Rescue Unit were as follows:

1. Life Line LTD, West Allis, WI \$37,445
2. WOS Safety, Green Bay, WI 40,641
3. Marion Body Works, Inc., Marion, WI 42,362
4. Carl Groth Sales, West Bend, WI 46,332

The bids were turned over to the Fire Department Equipment Committee for review and action.

On a motion by Trustee David Nigh, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the applications of Patrick McFadden, Michael Chesak, and Michael Geidel for Operator's (bar-tender's) Licenses and the office was authorized to issue the proper licenses upon proper payment of the required fees. The Police Department had no objections to the issuance of the licenses.

Administrator Schmidt reviewed with the Board correspondence as follows:

1. Washington County Park and Planning Commission Meeting of August 23, 1984 information.
 - a. 8:40 p.m. - Ned Sengpiel - SE 1/4, Sec. 8, Town of Kewaskum Review of Conditional Use Permit to permit the location of a private club/planned unit development in an agricultural zone - 3rd consideration.
2. Reminded the Board of the September 11, 1984, Primary Election.
3. Reviewed briefly the State

census figure of 2,348 that was established by the Department of Administration Demographic Service Center. (tabled).

4. Reviewed the names of those summer employees that completed the CPR course which was handled through St. Joseph's Community Hospital.

The request from Holy Trinity School regarding the possible closing of Prospect Street between the school and playground for a one hour period (11:45 a.m. to 12:45 p.m.) was turned over to the Protection & Public Safety Committee for review.

The Public Service Committee was asked to review two requests for street lights. (one off of Midland Avenue and the other off of Elm Street)

Trustee David Nigh asked to have the Police Department clamp down on loud/noisy motorcycles. There was additional discussion regarding police patrolling, tickets issued versus warnings and the like.

Trustee Donald Mlodzik, Chairman of the Public Works Committee, reviewed briefly with the Board what transpired at the Public Works Committee meeting which was held just prior to the Board Meeting. That was an update on the Municipal Building addition and remodeling and the related timetable for the work.

The Public Works Committee recommended rejecting the two bids received for the Diesel Lawn Tractor and Mower and to readvertise for a Diesel Lawn Tractor, Snowblower and Cab, due to the time of the year and this being the most advantageous for the Village. On a motion by Trustee Donald Mlodzik, seconded by Trustee David Nigh and unanimously carried by voice vote, the Board agreed to the aforementioned recommendation of the Public Works Committee. (Bid opening to be September 4, 1984).

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and carried unanimously by voice vote, the Board approved the following application for Special Class "B" Retail License to sell Fermented Malt Beverages at Picnics or Gatherings as listed

for the Kewaskum Jaycees on August 25 and 26, 1984.

A brief discussion was held on the Mid-Moraine Municipal Association - Annual Social Evening, scheduled for August 22, 1984.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board changed the date of the next meeting from September 3, 1984, to September 4, 1984, because of Labor Day.

Motion was made by Trustee David Nigh, seconded by Trustee Mary Krueger to adjourn to closed session under Chapter 19.85 (1) (g) of the statutes to discuss litigation by Marilyn Reinhardt and others vs. the Village of Kewaskum Board and Supervisors. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

German Conversation I Offered by MPTI

German Conversation I will again be offered by MPTI at West Bend this fall starting September 4th, 1984, from 7-9:40 p.m.

German Conversation is the first semester of a six semester series.

Emphasis in the first semester is primarily on conversational ability with little emphasis on grammar. Topics to be covered include: greetings, the weather, money, time, the family, geography, and shopping. Some memorization is required.

Later semester will cover: restaurants and menus, foods; at the hotel, bank, post office, and train station.

The course is designed for both those with no previous German language experience and those who do have some prior knowledge of German. The course will be 13 weeks long. Call 334-0909 to register.

TODAY'S AGRICULTURE

By Jack Trzebiatowski, Washington County Agricultural Agent

KEEP LIVESTOCK COMFORTABLE DURING HOT WEATHER

The hot, humid weather of summer always makes us uncomfortable, and we are looking for ways to find relief.

Livestock are also affected by the same weather conditions, and some of the same things that we use for relief can help livestock — such common practices as providing shade or getting animals out of the sun, resting in a breezy area, and access to adequate supplies of water.

Producers can expect feed intake to decrease when either temperature or humidity increases. Stress caused by a combination of heat and humidity might cause excessive death loss. Dairy cattle are likely to produce less milk and usually have a reduction in butterfat test during warm weather conditions.

Some practices that can help make animals feel more comfortable and keep production at normal levels include:

- Provide adequate space so that animals are not overcrowded.

- Increase air circulation in buildings. If the building is designed for natural ventilation, be sure that all areas are opened. In mechanically ventilated buildings, provide service to all fans and other devices for proper operation.

- Animals that are forced to be outdoors should be provided with a shady area. There are simple designs for constructing shade using a wooden framework and snow fence.

- During warm weather feed intake will likely be reduced. Feed during the cooler parts of the day, early morning or evening. Remember that silages and other high moisture

feeds spoil quickly during warm weather and develop off flavors. Clean feed bunks and feeding areas on a regular basis and provide fresh feed frequently.

- When moving livestock, provide plenty of space in trucks and other vehicles. Sort and move animals during the evening or early morning hours to reduce stress to livestock.

Taking a little effort to provide comfort for livestock will keep losses in production and weight gains to a minimum.

Appointment for Carol Puerling

Carol A. Puerling, Register in Probate and Clerk of Juvenile Court for Washington County, has been appointed as a member of the Wisconsin Court Records Management Committee by the Director of State Courts and the Committee of Wisconsin Chief Judges.

The Committee will advise the Director of State Courts on records management policy for Wisconsin Circuit Courts. At the first meeting of the Committee August 8 and 9, Ms. Puerling was named to the sub-committees on forms and micrographics, and will chair the sub-committee on micrographics.

Ms. Puerling is President of the Wisconsin Register in Probate Association and also serves on the Wisconsin Court Information System Advisory Committee, and recently was on the advisory committees for the Wisconsin Model Court Record-keeping Project and the Wisconsin Model Juvenile Court Recordkeeping Project.

ROUND ROBIN STANDINGS

BJ & Co.	2-0
Kennelly	2-0
Grand Larsony	1-1
Bartelt Ins.	1-2
Thornton & Schaub	0-3

Highlights of past 3 weeks

Sorry for the lack of information the past 3 weeks. Yours truly was at a retreat for novice, burntout, hack sportswriters.

The week of 8/9/84 Bartelt Ins. beat Thornton & Schaub 11-6. Bartelt's was paced by Mark 'Hy-Tech' Roth who had a key home run. Thornton & Schaub was led by Vern 'Slap Shot' Ludwig and Andy 'Swinging' Sheppard as they went 3-4 and 4-4. The second game was won by Kennelly 5-4 over Grand Larsony as they came back in the 7th inning to pull out the victory.

The week of 8/16 saw BJ & Co whip Thornton & Schaub 13-11. BJ & Co was led by their most improved player this year, Tim Smith. Leon Schultz, Paul Poznanski and 'Rockin' Rodney Schultz hit home runs for BJ & Co. Thornton & Schaub was led by Jon Woldt with a 3 run homer, Grand Larsony crushed Bartelt Ins. 18-10. There were a total of 13 home runs on this evening. There were so many it was impossible to keep track who hit them. In the future after games like this teams will be checked for souped up bats and players will be given saliva tests for chemical dependency.

The week of 8/23 saw BJ & Co. come back from a 13-2 deficit to beat Bartelt Ins. 17-16. The next day Mike 'Rags' Pfeiffer was taken to Woods Hospital where he was treated for shell shock. There were home runs galore in this game also. The key blast was a 2 run homer with 2 outs in the bottom of the 7th by John 'Sack' Sackarius which doomed Bartelt Ins. The second game saw Kennelly defeat Thornton & Schaub 11-5.

There are only 2 weeks left in this exciting season. Fans arriving from Waucousta are urged to take the Slawson Cutoff in order to avoid the traffic jam at the Buss Farm-Milwaukee River Cloverleaf.

Attendance 609. This was 3 week total. Must be dog days.

WEDNESDAY NIGHT TRAPSHOOTING LEAGUE FINAL

Kettle Moraine Electric 15½-2½, Dick's Welcome Inn 14-4, Boar's Nest 13½-4½, Sentry 11½-6½, Si & Vi's 11-7, Kewaskum Saloon 9½-8½, Toppel In 8-10, C & R Catering 8-10, The Corral 8-10, Da Bar 8-10, Hitching Post 7½-10½, R. T. Speed Shop 7-11, Uelmen Builders 7-11, Bowhunter's Sports Unlimited 6-12, Village Sport Shop 5½-12½.

50 straight was shot by Jim Drehmel of Si & Vi's and John Kreif of Boar's Nest. 25 straight was shot by Mike Lindsley of Uelmen Builders, Bill Prost of Sentry.

TOP SHOOTERS: 1. Stan Priepe 23.75; 2. Tom McElhatton 23.64; 3. Mike Koch 23.52; 4. Don Schmitt 23.38.

TOP LADY: Dolores Straub 21.77.

Incentive Season to Permit Second Antlerless Deer in 6 Southern Counties

Gun deer hunters who receive an antlerless permit in one of six southern Wisconsin deer management units this year will have an opportunity to take a second antlerless deer during the nine-day gun season.

Under the incentive or second permit season in Units 67A, 70, 70A, 70B, 70E and 71, a hunter who receives an antlerless permit for one of these management units and registers antlerless deer in that unit will be eligible for a second permit to take another antlerless deer in the same unit during the third through the seventh day of the season. An antlerless deer is one with no antlers or antlers less than three inches in length.

About 25 percent of the 67,225 antlerless permits avail-

able in the six management units will be set aside for bonus deer and will be awarded to successful hunters on a first-come, first-served basis.

A hunter who receives an antlerless permit is limited to taking an antlerless deer while hunting in the unit for which the permit is issued. However, any legal deer may be taken by the hunter while hunting outside that unit, in which case the opportunity to take a second deer is forfeited.

The "incentive" season for antlerless deer in the six units stems from concerns raised by the agricultural community that southern Wisconsin's deer herd is too high, resulting in excessive crop damage and economic loss.

Wildlife Tested For Chemical Contamination

The Department of Natural Resources will start testing wildlife for signs of pesticides, PCB and heavy metal contaminants, DNR Secretary C. D. Besadny announced today.

Edible meat portions from deer, waterfowl, woodcock, raccoon and pheasant will be collected this summer and during hunting seasons. The State Laboratory of Hygiene will analyze samples to determine if pesticide and other chemicals are accumulating in wildlife animals.

This monitoring program has three major goals, Besadny continued. First, we want to assess the quality of wild game which hunters harvest and eat. Wildlife managers and health officials need information to determine the risk in eating wild game. Second, experience in monitoring fish indicates that waterfowl and game may be equally valuable monitors of how and where chemicals move through food chains and the environment. Third, we are quite concerned that the wildlife species we protect are showing signs of chemical contamination, Besadny added.

"Endangered species research has documented that some animals are stressed by environmental contaminants," said Terry Amundson, DNR fish and wildlife disease specialist. Bald eagles along Lake Superior appear to be producing few, if any offspring, double-crested cormorants in upper Green Bay have higher than expected rates of birth defects and Forster's tern populations in lower Green

Bay are declining.

Additional studies by the US Fish and Wildlife Service show chemical contaminants are accumulating in a variety of waterfowl, upland game and furbearing species. Samples of midwestern waterfowl show that pesticide and PCB levels are dropping, but more sampling is warranted, Amundson said.

"We'll also sample animals from areas where we don't expect to find any signs of contamination. They will be considered a control group for this experiment," he explained.

Ten years of DNR fish testing has provided early warning of chemical contamination, monitored the effectiveness of pollution controls and pinpointed at least one case of serious environmental pollution which otherwise might have gone undetected.

The wildlife monitoring program will follow similar strategy. DNR will sample game species which are commonly hunted and consumed. Animals using several types of environments (air, land and water) will be sampled first. Animal feeding habits, longevity, geographic distribution and migration patterns will also be considered in the sampling program.

In all, approximately 130 animals will each be analyzed for PCBs, 17 agricultural pesticides and seven heavy metals at a cost of \$30,000.

"This will be DNR's first step towards building a comprehensive wildlife environmental contaminant program aimed at prevention," Besadny said. "Wisconsin is again taking the lead in anticipating future environmental concerns. No doubt, the program will attract public in-

terest and controversy. That's healthy. Nevertheless, DNR firmly believes the long term benefits of animal sampling will measurably improve our understanding of human health risks and chemical movement throughout wildlife populations.

For more information, contact Terry Amundson at (608) 267-7472, Jack Sullivan at (608) 267-9753 or Larry Sperling at (608) 266-8172.

Unlawful to Operate A Boat Without Flotation Device

Most folks are aware that it's unlawful to operate a boat on Wisconsin waters unless it's equipped with at least one personal flotation device (PFD) for each person on board.

But do you know that "boat" also includes inflatable watercraft such as inner tubes, air mattresses and rubber rafts? That's right. The increasingly popular inflatables - in most cases - are covered by Wisconsin's PFD requirement.

And with this in mind, Department of Natural Resources conservation wardens are beefing-up enforcement during the summer for not only traditional watercraft, boats, and canoes, but with an eye towards inflatables as well.

Areas targeted for particular enforcement emphasis this summer include the Lower Wisconsin, Sugar and Pecatonica Rivers, all very popular with the tubing fraternity.

"Inflatable also deflate. They can easily tip over through wave-wind action or when

caught in the wake of passing motorboats," points out Harland Steinhorst, recreational safety specialist and conservation warden with DNR's Southern District Headquarters.

"The key to enforcing the PFD requirement as regards inflatables," continues Steinhorst, "comes down to basic common sense as exhibited by the user."

For example, is an inflatable being used as a "toy" - floating in a shallow beach area along a lake shoreline - or for water transportation down the Lower Wisconsin River?

"There are a few exceptions such as the one mentioned above regarding beach and shoreline use. But, if you're floating down the Wisconsin River or traveling from Point A, the shore, to Point B, an island located 1,000 yards out in the middle of a lake, then I can guarantee the PFD law will be enforced in almost all cases," cautions Steinhorst.

Last year, a conservation warden stopped 20 persons near Sauk City from floating down the Wisconsin River because not one individual possessed a PFD.

"Let's face it, common sense was lacking in that instance by the users. The Wisconsin River can be and often is swift, deep and treacherous at various locations along its course."

"By the same token, we're not going to invoke the (PFD) law for someone floating along the shoreline near a Lake Mendota or Lake Monona beach," says the conservation warden.

"To hope is to enjoy."

Notice to TOWN OF SCOTT PROPERTY OWNERS

The Building Inspector for the Town of Scott, effective September 4, 1984, is:

THOMAS R. JOHNSON
350 Lazy Lane
Kewaskum, WI 53040
Phone 626-2560

If unable to reach, leave your name and phone number at 994-4717 or 626-4258 (Beechwood Rest Home).

Indians Host Horicon In Opener Friday

By John Harju

Head coach Mike Fifrick, who returned recently from Los Angeles, where he attended the Summer Olympics, and the Kewaskum Indians' football program enjoyed its best season last year since joining the E-W conference, winning the championship and finishing the regular season with a perfect 8-0 record.

The Indians finished 1983 with a sparkling 11-1 record with their only loss coming in the WIAA state finals at Madison. This year Kewaskum is without 15 seniors who made up 19 of the 22 starting positions. With all those starters lost to graduation, 1984 might look like an average rebuilding year. Not so, says Fifrick, "I think we can continue the success of last season. I think we can win the conference championship."

Fifrick also sees better overall team speed and strength than in years past.

If Kewaskum is to win the conference, new reliable starters must be found. Only three starters from last year's squad return — lineman Gary Butzlaff, quarterback Mark Follmann, and defensive back Tom Hergiges, who picked off four passes last year.

This year's team consists of 12 seniors, 15 juniors and 10 sophomores. Twelve lettermen return. They are:

Senior lettermen: C-Gary Butzlaff, QB-Mark Follmann, WB-Mike Geldreich, G-John Gundrum, DB-Tom Hergiges, T-Brad Kasseckert, RB-John Mertzig, RB-Rick Miller, G-John Nowak.

Junior lettermen: RB-Tim Dettmann, DE-Rick Heller, WB-Tim Rohlinger.

Follmann will be starting his

third year as quarterback. Last year he was named to the second team all-conference and is one of the team's strong points according to Fifrick.

In the backfield, replacements will have to be found for E-W's Player of the Year, Jim Braun, a member of the North Squad in the Wisconsin Shrine Bowl All-Star game, and Chris Harlow as well as wingback Brad Dieringer.

According to Fifrick, Rick Miller, a 5-11, 160 pound senior will probably start at fullback. Mertzig and Dettmann will be seeing a lot of action at halfback. The wingback position is up for grabs between Geldreich and Rohlinger. The ends look to be Hergiges and senior Mike Steinhardt.

The offensive line, anchored by Butzlaff at center, is a little inexperienced along with most of the other positions, notes Fifrick.

The Indians' number one weakness right now is "establishing a running game," remarks Fifrick.

"If these new people gain some experience," comments Fifrick, "and people improve we should be very competitive."

Incidentally, Butzlaff has sustained an injury recently and is questionable for Friday's

opening non-conference game against Horicon. If he doesn't play, senior Tim Geidel will start at his defensive end position with junior Brian Spartz taking over at center.

Late last Friday afternoon the Indians hosted a scrimmage with both West Bend East and Cedarburg also being involved.

The previous week they scrimmaged Slinger.

The Indians' schedule was published in an earlier edition.

Packer Preview

1984 Packers — Questions Remain

Special to the Statesman
By John Harju

The bumper stickers that this reporter noticed around the Green Bay area last week proclaim that "Forrest Will Set the Packers on Fire."

Packer fans surely hope so.

Pre-season games don't tell you much, but if Saturday's game against the Colts was any indication of things to come then maybe new coach Forrest Gregg has indeed set the Packers on fire.

One negative thing blemished Saturday's game. The supposedly improved Packer defense gave up 223 yards in the first half. Sounds a lot like last year, doesn't it?

Remember last season? It was a successful one offensively. The numbers speak for themselves. The Pack set team records in total points (429) and total yards (6,172).

Defensively, however, last season was a disaster. The Packers ranked dead last in the NFL in total team defense. Last year's defense gave up a total of 439 points.

Gregg said earlier this year when he was hired that the defense would improve. Has it?

At a recent banquet, Gregg says it has. "Our defense has improved. They've improved a great deal. I've seen this defensive football team get better each day and improve each week. I think that before this season is over we will have not only a good defensive football team but an outstanding defensive football team."

What's Gregg's goal for the season? "Hell, it's obvious — I want to win the Super Bowl. Everybody does," he adds, "I want every player on this football team to play the very best that he can play — every play of every practice and of every game. That's what my goal is."

The jury is still out on whether the defense has improved, but if it has like Gregg says it has and the offense also improves then the Packers should win the division.

Remember last year when John Jefferson, who's contract expires Feb. 1, 1985, said that this year would be his last as a Packer. Well, Jefferson has changed his mind and has opened contract talks with the Packers.

"We'll be in shape!" vows Virgil Knight, the Packers' new strength coach. Gregg hired Knight to change a major strength deficiency he noticed when he first took over at head coach. Recent tests show that nine Packers can bench press more than 400 pounds. They are tackles Greg Koch and Ron Hallstrom, center Larry McCarren, guards Syd Kitson and Tim Huffman, linebackers John Anderson, Mike Douglass and John Dorsey, and safety Johnnie Gray. The list is expected to grow.

Will tight end Gary Lewis return as a Packer? Not likely. Lewis' agent, Vic Morris, couldn't swing a deal with any NFL teams last week and will try to reopen contract talks with the Packers. The Packers' latest

offer was rejected by Morris so unless the Packers make a better offer Gary Lewis won't be catching any passes for them.

PACKER NOTES: Gregg, on the cutting of veteran defensive end Byron Bragg: "We have defensive ends who we thought are better, quite simply. You guys (reporters) give a lot of credit to experience, but it's performance that's most important. Experience is great if you perform along with it."... The Packers played in an NFL record five overtime games last year... Did you know that Forrest Gregg is a former cancer patient? In 1976, it was diagnosed that he had Melanoma, a severe skin cancer. After two major operations, the cancer was cured and he is now fully recovered... When asked in March for his initial reaction to Gregg, James Lofton replied, "F.G." Get it?... Packer nicknames: Eddie "Thunderfoot" Garcia, Lynn "Face" Dickey, Bucky "William Charles" Scribner, Larry "The Rock" McCarren, Del "Popcorn" Rodgers, Randy "Speed Limit" Scott, Ezra "Sir Sac" Johnson, and of course Mike "Mad Dog" Douglass... David Whitehurst on being cut, "I didn't sleep all Sunday night. I knew it was going to happen."... Another James Lofton quote. When asked for one word to describe Gregg, he replied, "Is cream puff one word or two?"

Girls Lose in Tennis, Last in County Meet; Only 4 Lettermen Back

By John Harju

Rookie head coach Rob Anglim, an art teacher at KMS, has the tough task of replacing all four varsity tennis players along with some doubles players.

Graduation took away regulars Lisa Matenaer, Jehny Lightner, Sue Tolonen, Sherry Simon, Donna Hlavaty and Jama Jacak. Still Anglim has four letter winners returning to this year's squad.

Amber Charland is one of them and should take over the duties as the number one singles player. Beth Keagle has the inside to take over at No. 2 singles with sophomore Julie Reha, senior Michelle Paul, junior Devona Gruber, and another sophomore, Lisa Dinesen, all battling for the last two varsity spots.

The four letter winners, Charland, Keagle, Gruber and Reha should form the nucleus of this team with some good newcomers helping out. Several freshmen, such as Sherry Roecker, Kristen Vogt, and Darcie Garbisch have looked good.

This year's team is: Seniors: *Beth Keagle, *Amber Charland, Michelle Paul.

Juniors: Nancy Baron, *Devona Gruber, Barb Panzer, Kris Seitz, Tina Survis.

Sophomores: Sue Burkhalter, Lisa Dinsen, Beckie Falk, *Julie Reha, Karie Sarauer, Gale

Schekirke, Shelly Wessing. Freshmen: Sherry Becker, Tanya Beske, Darcie Garbisch, Connie Menger, Becky Morlen, Kristen Vogt.

* Denotes letter winner.

In a non-conference tennis match Thursday, Waupun defeated Kewaskum, 5-2. The only Indian girls to win were Amber Charland at No. 1 singles, and Gale Schekirke and Beck Falk at No. 3 doubles.

Waupun 5, Kewaskum 2
Singles — Amber Charland, K, beat Jamie Schlieng, W, 6-1, 4-6, 6-3; Julie Reha, K, lost to Kim Vanderbusch, W, 3-6, 3-6; Beth Keagle, K, lost to Kim Krueger, W, 2-6, 6-2, 2-6; Michelle Paul, K, lost to Jill Prince, W, 0-6, 2-6.

Doubles — Devona Gruber - Barb Panzer, K, lost to Tricia Staehlinger - Barb Rackow, 0-6, 1-6; Tina Survis - Nancy Baron, K, lost to Teresa Martin - Linda Oravogel, 2-6, 2-6; Gale Schekirke - Beckie Falk, K, beat Ellen Scheley - Cathy Brikowski, 6-2, 6-6, 6-3.

West Bend East repeated as champion of the Washington County Tennis Invite at Slinger Saturday, with 35 points. West Bend West was a strong second with 30 points.

Hartford was third with 17 points, Germantown fourth with 9, Slinger fifth 8, and Kewaskum sixth with 6.

WEST BEND COUNTRY CLUB WOMEN'S ASSOCIATION

On Wednesday, August 22, women golfers discarded their highest and lowest scores for each nine holes played, posting the following as winners, 18-hole group:

Class A - Marilou Chapman, 67; Class B - Becky Kannenberg 75; Class C - Merilyn Ausprung, 77; Class D - Polly Rosenheimer, 99; Class E - Toni Schact, 106.

Winners among the 9-hole players were: Class A and B - Harriet Bradley and Judy Johnson, each 47; Class C - Judy Bing, 56.

Hostesses for August 29 were Lois McGlenn and Linda Stonebraker. "Low net" was the regular event, and it was expected that class championships and consolation championships would be played. To date in those August tournaments the following are finalists:

Class A - Marilou Chapman and Barb Martin; Class B - Dorothy Parlow and Marion Scheunemann; Class C - Marge Santarlasci and Chris Ciske.
