It's getting to that time of year again when the world's most successful mail order business is the Internal Revenue Service.

## Village Board Incumbents In, School Board Incumbents Out

By GERRY MUELLER  
Statesman Staff Writer

With only two really contested elections, voter turnout throughout the Kewaskum area was fairly light.

In the Kewaskum Board of Education race, incumbents John Spoerl and Ralph Horner, Jr., lost by a wide margin to challengers Perry Ankerson and Ronald Theusch. The unofficial results show Theusch with 744 votes, Ankerson 678, Horner 417, and Spoerl 325.

In a breakdown, Ankerson and Theusch were the winners in almost all the townships except Scott, where Spoerl and Horner had the lead. In the Town of Farmington voting, Spoerl had 36, Horner 80,

Ankerson 108, Theusch 134. Village of Kewaskum, Spoerl 77, Horner 71, Ankerson 245, Theusch 258; Town of Barton, Spoerl 4, Horner 4, Ankerson 18, Theusch 21; Town of Auburn, Spoerl 34, Horner 43, Ankerson 37, Theusch 46; Town of Kewaskum, Spoerl 44, Horner 60, Ankerson 101, Theusch 116; Town of Wayne, Spoerl 75, Horner 78, Ankerson 126, Theusch 124; Town of Scott, Spoerl 55, Horner 71, Ankerson 43, Theusch 44. No valid ballots were cast in the townships of Ashford or Mitchell.

In the Kewaskum Village Board Election, incumbents Mary Krueger and Paul Blumer retained their trusteeships, while Richard Schlice defeated former trustee Richard Schmidt

for the third post. The vote was Krueger 294, Blumer 262, Schlice 160, and Schmidt 111. Schlice and Schmidt were write-in candidates. David Nigh, who was unopposed for Board President, received 284 votes.

In the Town of Kewaskum, incumbent Daniel Stoffel retained his post as Town Supervisor with 139 votes, while challenger David Dorn unseated incumbent Jerome Herriges 86 to 81 for the other supervisor's position.

In the Town of Auburn, Merle Laatsch defeated Neal Weare 83 to 36 for the post of Town Constable.

All other local candidates ran unopposed for their offices. In the state elections, Herbert Grover was re-elected State Superintendent of Schools.

## Cablevision Notice Misleading

By GERRY MUELLER  
Statesman Staff Writer

A recent notice included with bills to Cablevision subscribers is very misleading, Administrator Dan Schmidt said during Monday night's meeting of the Kewaskum Village Board.

The notice regarding a 3% franchise fee implies that fee is a tax. Schmidt said, however, it is not a tax as Cablevision would like its subscribers to believe, but rather a negotiated part of a contract between Riverbend Cablevision and the village.

Schmidt told the board, a meeting of approximately twelve communities served by Cablevision was held last week in an attempt to resolve this problem. Wisconsin Cablevision, the headquarters of

Riverbend, is the only company that is questioning or trying to do anything about the 3% he said.

Trustee Mary Krueger said of the notice, "they're (Cablevision) making it sound like we're making the price of Cable TV too high and that isn't the case at all."

Schmidt said the notice was incorrect in stating they would lower your bill. "If they did not pay us, they would have to make a direct refund out to everybody. Say there are 500 people subscribing," said Schmidt, "we would get \$3,000 back, that would only amount to a refund of \$6.00 for the year."

Trustee David Nigh said the confusion apparently comes from stories about a suit

between Cable TV and the City of Ripon. Ripon's fees were going into their General Fund and were being used for anything from repairing potholes to paying salaries. "We use our money for funding, isn't that correct," asked Krueger.

Schmidt verified that the village has a resolution which authorizes 50% of the fee to go right back to West Bend Cablevision which transfers it to the local network. "Like when we have basketball and football games, we're actually paying for the person who is showing the films out here." "And Cablevision itself is not going to pay for that if they don't get paid for the service," said Krueger. "That's correct," said

## Regal Acquisition Formalized

Regal Ware, Inc. has announced the formal acquisition of 100% ownership of Moulinex Regal, Inc. The new company, which was previously owned jointly with Moulinex S. A. of Bagnolet, France, has been renamed Regal Appliance, Inc.

Regal Appliance, Inc. will operate as a wholly-owned subsidiary of Regal Ware, Inc. It will continue to manufacture portable appliances in the Virginia Beach, Virginia facility, including the popular La Machine food processors.

The Board of Directors of the newly formed company are: Jeffrey A. Reigle, Kewaskum;

Allen Koepke, Kewaskum; and Daniel Bourdon, Virginia Beach, VA. Officers are: Jeffrey A. Reigle, President and Treasurer; Daniel Bourdon, Vice President and General Manager; and Bobbie Leigh (Virginia Beach), Controller and Secretary.

Regal Ware, Inc. will continue to have sales and marketing responsibility for all products, as in the past. All programs, promotions and products will remain the same and will be uninterrupted by this change in ownership. Included in the purchase is a long term agreement for

technological assistance from Moulinex S.A. in the area of product development and manufacturing. Regal also acquired full ownership of the La Machine brand name.

Plans are already underway for expansion of the line. At the recent Chicago Housewares Show, Regal introduced the La Machine I, a compact-styled food processor and the La Machine SE food preparation system.

Regal Ware, Inc. is a multi-plant manufacturer of cookware, portable electrics and microwave accessories headquartered in Kewaskum.

## Plan Meeting Here to Form Neighborhood Watch Program

The Kewaskum Kiwanis in conjunction with the Kewaskum Police Department, will be holding an informational meeting for all residents interested in developing a Neighborhood Watch Program (N.W.P.) in their neighborhood.

The N.W.P. incorporates the cooperation of local residents with their Police Department in the prevention and reporting of crime activity. Statistics show a major decrease in crime activity where N.W.P.'s have been

implemented. The success of these programs depends primarily on community involvement.

We encourage you to attend this informational program at 6:50 p.m. on Tuesday, April 23, in the meeting room at Valley Bank. In order to make satisfactory arrangements, we will need to know how many people will attend. Please call 626-2171 to make your reservation. Help take a bite out of crime.

## Kewaskum Frozen Foods Wins Awards; Nigh Elected to Board

Kewaskum Frozen Foods won the grand champion award for their smoked breakfast links in the class of cured and smoked products and champion award in the summer sausage class at the annual convention of the Wisconsin Association of Meat Processors.

Dave Nigh of Kewaskum Frozen Foods was elected to serve on the board of directors of the association. He has served as chairman of the product show for the past two years at the state convention.

The association's annual

convention was held at the Americana in Lake Geneva the past week and was attended by the owners of Kewaskum Frozen Foods, Bob Beisbier and Nigh.

The firm's sausage products were entered in competition with 709 entries from a total of 68 establishments from all parts of Wisconsin. The convention was very well attended.

This summer the National Association Convention will be held in Milwaukee at the Mecca from Aug. 11-15. It is expected to be the largest convention in the history of the national convention.

## School District Residents Urged To Attend Meeting

By GERRY MUELLER  
Statesman Staff Writer

Neal Weare, vice-president of the Kewaskum School Board and Chairman of the Policy-Legislation-Instruction Committee is urging taxpayers of the district to attend a meeting of his committee set for April 10th, at 7:00 p.m. in the business office.

The committee has invited State Assembly Representative Dwight York and State Senator Donald Stitt to be present.

Weare said this meeting will provide an opportunity for the people of the area to let Madison know how they feel about the proposed budget, its cuts, general property tax relief, state mandating of courses, and a proposal to set beginning teachers' salaries at \$18,000 a year.

This will be the time for people to speak out, said Weare. If people are concerned about how their dollars are being spent, we hope they will attend this meeting and let their legislators know.

We would really like to see a big turn-out said Weare, and if necessary, we can move the meeting to larger quarters.

## Time Change for Easter Egg Hunt

The Kewaskum American Legion, Robert G. Romaine Post 384, will hold its annual Easter Egg Hunt in River Hill Park at 10:00 a.m. on Saturday, April 6. All children from the Kewaskum area are invited to participate in the hunt.

Kids in the age group from six to nine years will hunt eggs in that area of the park located on the east side of the river. The age group of five and under will meet in the park on the west side of the river.

# Hong Kong: Her History, Sights, Sounds and Everything Else

Hong Kong at night. You want it, they've got it.

If Shark's fin soup isn't your cup of tea, Hong Kong also has a couple of the world renowned McDonalds for your dining pleasure.

Here's the two main modes of transportation in Hong Kong, the double decker bus and the "Star Ferry."

Following is another letter from JOSN Jesse James Averill, USS Cochrane DGB-21, FPO San Francisco, CA 96662-1251, whose home base is Yokosuka, Japan, following a recent visit to the port of Hong Kong. Jesse is a son of Mr. and Mrs. Ken Averill, Kewaskum.

Hong Kong is a British Crown Colony located on the Southeast coast of China in the South China Sea. In the 1800's when opium trading with China flourished, the British and trading firms of other nations needed a safe port for their ships. The island of Hong Kong was ceded to the British in 1841 when it was "a barren rock with not a house upon it," but with a magnificent natural harbor. Despite typhoons and malaria—two of my personal favorite natural disasters—building began. In 1860 Stonecutters Island and Kowloon were granted to the British, and as late as 1880 there were Chinese Mandarins in Kowloon to dispense justice to the Chinese population. Finally in 1898 the New Territories and 235 outlying islands were leased to the British.

The population of Hong Kong after the Japanese occupation in World War II (The Big One) was 600,000. But as the communist

government took over China, refugees began to pour into the Colony and the population at the end of 1983 was estimated at 5.5 million. Ninety-eight percent of the people are Chinese with the other two percent consisting primarily of

other Asian, European and American nationals.

Hong Kong is a small island of 29 square miles containing the Central city, beautiful beaches, the famous Victoria Peak and Aberdeen, a fishing village and industrial town. Aberdeen is the home of the 'Tanaka', the boat people, who live, work, sleep and play

aboard their boats. I guess for them it's nice because there's not much lawn work to do, plus they have the best swimming facilities this side of the YMCA. If they are poor, the boat may not even be seaworthy, and it lies perpetually on mudflats. Boat people who are a little

better off (i.e. the "unmud-flatters") often own seaworthy sampan which they use as a ferry or for fishing in the shallow waters nearby. But the economy is dominated by the fishing junks and trawlers that sail out on long trips over the wicked South China Sea and return with their catch to the Wholesale Fish Market. If you're lucky, you might see a shark landed and its fins hacked off immediately and sold separately, kind of like a limbless Jaws. DOOT DOOT... DOOT DOOT...DOO DOO DOOOOO!!

In aberdeen's harbor are the three famous floating restaurants. The Jumbo, the Sea Palace and Tai Pak (supposedly named after the 7th century poet Li Pak who, after having one too many at the local pub, eventually drowned trying to embrace the reflection of the moon. Hey, nobody said the guy was all there). At night the floating diners are particularly striking.

Kowloon, one of the most densely populated areas in the world, with over three million people, is full of residential and industrial buildings. Nearly the whole of Kowloon has been built in the last twenty years, and it contains enormous resettlement areas which house 50,000 to 100,000 people in each group of blocks. Imagine being the paperboy in that neighborhood! Kowloon is noted for its tremendous shopping. To experience some of the chief delights of Hong Kong — the shops and restaurants — one need not stray more than 100 yards in any direction. Everything you could possibly want is available, but that's where some problems could begin. One must choose among the shopkeeper's various claims and counterclaims. Some unscrupulous shops replace brand-name items with local junk. You have to be careful not to "get too good" of a bargain because what you'll end up with is a bargain that's "not too good." But the decent shops will give you a quality item at an affordable price.

Hong Kong night-life is diverse. It is found in the plushness of international hotels, in Chinese niteclubs, in the intimate atmosphere of a bar with soft music and in the raunchy, gaudily-advertised girlie bars that make up Hong Kong's "World of Suzie Wong." Ninety percent of the bars in Kowloon are referred to as "Girlie bars" because they employ hostesses. The saddest stories ever told come from these barmaids. Stories like: "I was an orphan before I was even born and I picked up tin cans to make a living until I was five and then my brother was killed in a Friday the 13th movie and I never went to school 'cause I didn't have a thing to wear," and on and on. Of course, I heard these stories secondhand as my shipmates returned to tell of their saddened hearts and empty wallets.

The biggest hoop-la in Hong Kong are the festivals, similar to the Mardi Gras in New Orleans. In either January or February, depending on their calendar rotation, the Chinese New Year is celebrated. This is the year's most important festival. Everything is renewed; so all family members have new clothes, new shoes and a new haircut. I bought a new pair of jeans and got a haircut for the occasion. "Lucky" money is given in bright red packets to children and servants. I spent an entire day searching fervently for the "Lucky" money handout lines, but to no avail. In April, the Ching Ming Festival is the Chinese Easter or the time for sweeping and cleaning the graves of loved ones. In late April or May there is also the Bun Festival, a thanksgiving festival celebrated only on Cheung Chan Island. There are parades and processions, lion dances and other colorful activities. In June there is the Dragon Boat Festival. Dragon Boat races take place in various bays around Hong Kong. In August the Ghost Festival is celebrated. This one is quite bizarre. Money from the banks of Hell—no affiliation

with the First National Bank — is burnt in the streets to appease the hungry ghosts who have no descendants to take care of them. The Mid-Autumn or Moon Festival occurs in September or October, when the moon is closest to earth. Children carry colorful lanterns in the streets and everyone gazes at the moon and eats mooncakes. I believe mooncakes are now being made by Hostess and should be in your local store shortly. September also brings the birthday of Confucius, China's greatest sage. There is a major celebration held each year at Confucius Hall, which includes the ceremonial proceedings of Three Offerings.

A major part of Hong Kong is the cornucopia of culinary delights. The Chinese cook does not set out to make a "roast" or a "stew"; but rather goes to the market and buys what is fresh and then cooks the ingredients to bring out as much of their true flavor as possible. This is done by using contrasts, by combining blandness with hotness, roughness with smoothness, crispness with creaminess. But it doesn't stop there.

Foods are also chosen to contrast in color to achieve a visual effect in the dish because the Chinese table is more than a place where food is consumed—it is where life may be appreciated to the fullest. This emphasis on contrast and

variety generally involves the whole meal. Cantonese food, which is the most prevalent in Hong Kong, is the kind that Americans are used to from Chinese restaurants in the States. Chicken, pork, duck, vegetables, rice and noodles are the most common dishes, and the local fish and shellfish are excellent. Some of the more delicious treats are Shark's fin soup, Peking duck, steamed fish and Din Sum. Peking duck and steamed fish are quite common, but I think the other two need some explaining. Shark's fin soup is particularly good with a little vinegar. It can cost \$80 a bowl if it's all genuine shark's fin. Usually it's a combination of chicken and shark's fin and runs about a buck two-eighty per bowl. Din Sum are dumplings or little bits of fish, meat and vegetables wrapped in a bit of pastry and steamed or fried. Really good stuff.

Hong Kong has all this and a whole lot more to offer to those lucky enough to travel to this beautiful financial capital of the world. I haven't even begun to list all the exciting things to do or places to see. Hong Kong is definitely one place you'll have to experience on a first hand basis.

Schmidt.

The remaining 50% is used for administration costs directly related to Cablevision, such as any ads or notices which must be published regarding rate increases, meetings or, for instance, when our lawyer attended the recent meeting regarding Cable TV's appeal to have the fee dropped, said Schmidt.

Schmidt told the board there is presently some legislation in the works to rectify this legal technicality.

The board unanimously approved Schmidt's request to allow him and attorney Gerald Kiefer to contact Cablevision and try to resolve the matter within the sixty day extension and to inform them the village is not granting any more extensions. Riverbend will also be informed that the money due us by the franchise is rightfully ours, said Schmidt.

In other action, the board directed Schmidt and the Zoning Administrator to draw up a proposed ordinance regarding the installation of satellite TV dishes within the village.

The board also approved a new lease/purchase agreement for telephone services in the Municipal Building. The new setup will be more efficient and provide double the service now in use. Schmidt said the present cost for four lines and five telephones plus the police recorder is \$100.20 per month. The new agreement will cost \$124.56 per month and will provide thirteen telephone jacks and eleven telephones. After the 36-month agreement expires, all the equipment will belong to the village.

The board unanimously voted to direct the village attorney to submit a letter of denial in an injury suit brought by Mr. and Mrs. David Kaufmann on

## Theft, Bus Violation, Loitering Reported

A 1978 Honda Civic Hatchback, valued at \$1,900 was stolen last Wednesday afternoon from a U.S. 45 N., Kewaskum address. The white vehicle had a bumper sticker that read: "I Love Men At Work."

A rural Kewaskum driver has been issued a \$182 citation for illegally passing a school bus which was stopped to drop off school children. The incident occurred in the 1000 block of Fond du Lac Ave. at 3:50 p.m. March 23. The bus was facing south and had its flashers lit when the driver allegedly passed the vehicle.

Seven Kewaskum High School students were cited last Tuesday for loitering in the alley near the school. The juveniles, four 15-year-olds and three 16-year-olds, are all being fined \$25. Students have been warned in the past not to loiter in the area, and it is posted to that effect.

The Girl Scouts of the Kewaskum area would like to wish everyone a Happy and Blessed Easter.

Some people have said it is bad luck to give anything decorated with birds as a wedding present.

## Kewaskum Lions Play Host to Special Olympians

Kewaskum Special Olympian Stacy Mueller visited with Lions Club members Bill Geidel and Pete Albers after their banquet meeting.

Six members of the Kewaskum Special Olympics Team and their coaches were guests at a banquet meeting of the Kewaskum Lions Club recently.

The evening proved interesting and enlightening for all concerned. The Lions had the opportunity to personally meet and get acquainted with the young people they have been helping to sponsor at regional and state Special Olympics meets the past several years.

Coach Kathy Charland gave a short slide presentation showing the youngsters participating in some of the social and competitive events held during the meets.

The Olympians also had the

chance to individually thank the Lions for their support and let them know they really enjoy and look forward to the opportunity to participate in the Special Olympics each year.

## KHS Skills Olympics Winners Announced

Moraine Park Technical Institute's Fond du Lac Campus was the site for this year's seventh annual High School Skills Olympics held Friday, March 29. Eight-hundred students, representing 22 area high schools, participated in this annual event.

The Skills Olympics were designed to provide area high school students with the chance to use the skills and knowledge they've learned in class through competition. This year 42 contests were offered in business, marketing, industrial arts, home economics, and agriculture. All first, second, and third-place winners received framed certificates, while unframed certificates were awarded to honorable mentions. All first-place winners in a contest with ten or more students received a \$100 scholarship through the Moraine Park Foundation.

In addition to the contests, students were treated to a noon hour fashion show entitled "Mp Ti Visions," presented by Moraine Park's Fashion Merchandising class. Students also had the opportunity to view special demonstrations in such areas as robotics, data processing, cosmetology, and computer aided design, to name a few.

Winners from Kewaskum high school were: 1st Place — John Schmitt, Food Science, Agriculture Division; 2nd Place — Gary Butzlaff, Farm Management, and Honorable Mention — Wendi Echert, Typing.

### A NOTE OF THANKS

I would like to express my sincere thanks to all who remembered me while I was a patient at St. Joseph's Hospital, West Bend, and at Froedtert Memorial Hospital in Milwaukee. Also, for the many cards, gifts, prayers, visits and the moral support you gave to my family, as well.

A special thank you to the staff at both hospitals and my pastor, Rev. Robert Schmidt. God bless everyone.

## Over 90 KES Students Receive March of Dimes Reading Awards

On Thursday, March 14, over 90 students at Kewaskum Elementary School received awards for participating in the March of Dimes Reading Champions program that was sponsored by the Kewaskum Jaycee Women.

The students began reading books about a month ago and got people to sponsor them. The sponsors could pledge any amount of money per book and the students had an entire month to read. After the money was collected and sent to the March of Dimes, a representative came to the school to present the awards.

Kewaskum Elementary School had 56 students receive gold medals, 22 receive silver medals, and 13 receive bronze medals, according to how many books they read. Each student also received a certificate from

the March of Dimes. The representative from Milwaukee noted that she had never given out that many awards in one school.

Congratulations to all of the students who participated in helping to prevent birth defects through this program and their sponsors.

### COUNTY GRADUATE HOME ECONOMISTS TO MEET

The Washington County Graduate Home Economists will meet Monday, April 8, at 7:30 p.m. at the home of Myra Peters, 2984 Paradise Drive, West Bend. Dan Wilson, UW Extension horticulturist, will present the program on pot gardening and growing herbs. Members who have seedlings or starter plants they wish to trade are asked to bring them.

## Over 100 Children Enjoy Easter Bunny Lunch

Cast of "Peter Rabbit Volunteers." Members of KJWC.

Over one hundred area children enjoyed the antics of the "rabbit family" and the magic of Mazo the Magician in a short children's play performed by several members of the Kewaskum Jr. Woman's Club at this year's Easter Bunny Lunch on Saturday, March 30th.

Youngsters enjoyed a lunch of hot dogs, chips, jello and carrots before sampling a decorated egg and cookie from special guests, Mr. and Mrs. Easter Bunny.

In "Peter Rabbit Volunteers," Mazo the Easter Magician, taught everyone the importance of proper care for Easter animals and all pets, through his encounter with Peter Rabbit. The GFWC Kewaskum Jr. Woman's Club wishes you and yours a blessed Easter.

## FFA Alumni Hold Special Meeting; Reports Given, Projects Discussed

The Kewaskum FFA Alumni held a special meeting Thursday, March 28, at the High School Ag room with President Ethan Etta presiding. The secretary's report was given by Eugene Schneider and Dr. Greg Ogi gave the treasurer's report.

The Polka Dance report was given by Lloyd Etta and Dr. Greg Ogi. Rita Etta reported, she sent thank you cards to Marrese Cheese Co., Schneider Cheese, AMPI, Lake to Lake, Beechwood Cheese and to Vernon Kumrow, milk hauler, for their donations of cheese and butter.

The winner of the \$50.00 cash prize went to Betty Schneider, Waldo.

The students selling the most tickets for the dance were Jon Etta, Jeff Mueller and Scott Pesch. They will be awarded cash prizes for their efforts. Many prizes of butter, cheese and refreshments were awarded to those in attendance.

It was the first time we served cheese, crackers and pretzels. Since it went over so well, we decided to do this again next year. Ken Ramthun will be the chairman for the 1986 Polka Dance.

We discussed the National and State Dues and what our benefits are. It was voted to pay in a Life Membership for Roy Esser, into the State and National FFA Alumni, amounting to \$120.00, in appreciation for all that he has done for us and the FFA students.

Dave Rizzard reported on School Board cuts to the FFA. He also gave a report on Washington County Fairgrounds. He needs students and adults to help cement the pig barn sometime in May. Call him if you are willing to help. He also showed us the Computer which we purchased and explained the software used.

Jim and Carol Oelhafen reported on the upcoming Teen Dance to be held Thurs., April 4 at Amerahn. This dance is for ages 13-19 and is well chaperoned by members of the FFA Alumni. Disc Jockey Boogie Time Duke will be there and will be giving out many prizes. Sounds like a fun time

for all teens.

Suggestions for Dairy Daze were discussed. We will be giving away a half hog, which we will purchase at the County Fair. Rita Etta was appointed to publicity and to make up the FFA Alumni scrapbook.

Other fund raising was brought up by Roger Neuman. We should have a program for FFA students to be involved after their High School days are over. Hoof trimming, fence hole making and relieve milkers are some of the things both students and the Alumni could both profit.

Our picnic date will be set by Bob Etta, Chairman. Others on

his committee are Mike Lettow, John Spoerl and Dennis Terlinden.

The FFA vs. FFA Alumni basketball game is scheduled for April 21. Be there at 12:30, as game time is set for 1 p.m. Call Terry Schaub if you are

Kewaskum Statesman, Page 9  
Friday, April 5, 1985.

interested in being on the team. Our next business meeting will be held Wed. July 17 at 8 p.m. in the Ag room.

**UW Alumni Club of West Bend Area Plans Founders Day Dinner**

Robert M. O'Neil, President of the University of Wisconsin System, will be the guest speaker at this year's UW-Madison Alumni Club of the West Bend Area Founders Day Dinner. A graduate of Harvard University, O'Neil has served as President of the University of Wisconsin System since 1980. His commitment to higher education is documented by his positive leadership during these past five years. He has encouraged improved relations with business and industry, restructured the two-year Centers to make them more effective, and urged the University of Wisconsin to work closely with high school administrators to improve the quality of education in Wisconsin.

This year's event will take place at Barth's Linden Inn, Highway 144 on Big Cedar Lake, Tuesday, April 9. A social hour is scheduled for 6:00 p.m. with the dinner following at 7:00 p.m.

The Founders Day Banquet is open to all alumni and friends of the university. Fund raising efforts of the Alumni Club help provide three scholarships to students in the area. Two of these scholarships are awarded annually to high school seniors intending to enroll at UW-Madison, and the third is awarded to a University of Wisconsin Center-Washington County student who will be transferring to UW-Madison.

Tickets for the Founders Day Dinner are \$12.50 per person and can be purchased from Dennis Melvin, 338-0620, or Dion Kempthorne, 338-5200. The reservation deadline is April 5, 1985.

**Girl Scout Cookie Time**

Yes, it is Girl Scout Cookie Time. On April 9, the cookies will arrive in Kewaskum. As soon as the leaders have them sorted the girls can pick them up and start to deliver them. The cost is \$1.75 per box. Please pay in cash.

This was a very good year of sales for the scouts because 12,480 boxes were sold in the Kewaskum area. This means that \$21,840.00 will have to be collected. The money then will be divided as follows: \$2,121.60 is the amount that will be divided between 16 troops that sold cookies; \$10,608.00 goes to the Wau-Bun Girl Scout Council at Fond du Lac and \$9,110.40 will go to the Bury Cookie Company.

There is always a little competition between the troops which can sell the most cookies. This year the top three troops are Troop 53 Juniors, Troop 95 Brownies, and Troop 114 Juniors.

The top three sales girls in the community this year are Rachel Gosa 380 boxes, Sheryl Ramthun 316 boxes and Carrie Krause with 304 boxes. Congratulations to these scouts.

Rachel Gosa will also be honored as one of the top ten sellers in the Council. She will be receiving a T-shirt.

# Letters to the Editor

To the Editor:

As President of the Kewaskum Booster Club, I should like to thank all those people who helped to make our 3rd Annual Booster Basketball Classic such a success.

I won't attempt to name everyone, but there are a few names that warrant recognition. Number one on the list is Tom Larsen, without whom none of it would fly. Also his two right hands, Gerry Buchel and Milt Dickenson, who ably assisted him in getting all the ground-work done. Thanks to Mary Secor and Eileen Kurtz for programs and Diane Buchel and her crew for taking care of the refreshments. Mary Ann Peterson did her usual fine job on publicity with the aid of Judy Steiner. The officials and the refs did a commendable job along with Jim Paul, our announcer. Larry Ammel's Pep Band got us off to a great start and Mr. Kopecky took care of all those little details for us. If I've left out any of the other hard-working Booster Club members, please know that I do appreciate your efforts.

The Indian Princess Twirlers gave us a great show at the break between games. You were a delight; thanks for coming. The jump-ropers amazed us with their skill. Great job, kids!

For those who missed this spectacle, the camaraderie and competition in the games was great fun: basketball as you've never seen it and probably never will again. The spectators definitely got their money's

worth. It is thanks to your donations that the Booster Club is able to continue to support the extra-curricular activities in the schools, plus fund two scholarships. Thank you everyone for caring enough to give your very best.

Most sincerely,

To The Editor:

Please remind your readers that Wisconsin's Clean Indoor Air Law goes into effect on Monday, April 1. This "No Sign-No Smoking" law prohibits smoking in various public places except where "smoking allowed" signs are posted.

Places covered by the law include all public waiting rooms; state, county and municipal buildings; retail stores; restaurants seating more than 50; hospitals and other inpatient health care

facilities; schools, indoor movie theaters; passenger elevators; and school buses and other mass transit vehicles.

Starting April 1, proprietors of these places can be fined up to \$25 if they fail to post "smoking allowed" signs in areas where they decide to permit smoking.

Information on the proper size and wording of "smoking allowed" signs is available by calling the Department of Industry, Labor and Human Relations in Madison at 608-266-3080.

It is the hope of the American Lung Association of Wisconsin that decisions on the size and number of designated smoking areas will reflect the fact that fewer than 3 in 10 American adults still smoke.

And we hope that building proprietors will post optional "no smoking" signs to help clarify things since many people are still not aware that no sign means no smoking.

We also encourage the non-smoking majority to express their appreciation to restaurant managers and other building proprietors who designate ample nonsmoking areas and to inquire if smoking and non-smoking areas are not posted.

Finally, we remind smokers

that this law was designed to meet their needs too, and ask them to limit their smoking indoors to areas specifically set aside for them.

Our state legislators have done their part by setting reasonable guidelines on public smoking. Now it is up to us as citizens and good neighbors to make them work. If we respect each other's needs, everyone in Wisconsin will be able to breathe easier.

## Long Distance Rates Reduced

Effective at 12:01 a.m., April 1, 1985, many long distance rates of Wisconsin Bell and Wisconsin independent telephone companies are reduced. These reductions have been approved by the Public Service Commission of Wisconsin in Docket 6720-TI-3.

The services affected and the rate reductions are as follows:

- Long distance rates for calls handled by these companies are reduced 2 to 17 cents for the initial minute and up to 5 cents for additional minutes, depending upon the distance. The number of mileage rate bands applicable to such calls is reduced from 13 to nine.
- Rates for optional calling plans are reduced according to the following schedule:
  - Basic Tel-A-Visit\* rates are reduced 40 cents per month for the first hour and four cents for each additional one-tenth hour. Expanded Tel-A-Visit rates are reduced 75 cents for the first hour and 8 cents for each additional one-tenth hour.
  - Value-Visit\* rates are reduced one cent in each applicable mileage rate band.
  - Call-Pak 14 full-time service rates are reduced 60 cents for the first hour and 6 cents for each additional one-tenth hour. Call-Pak 26 full-time service rates are reduced 90 cents for the first hour and 9 cents for each additional one-tenth hour. Call Pak 26 off-hour service rates are reduced 50 cents for the first hour and 5 cents for each additional one-tenth hour.
  - Monthly rates for access lines associated with outward WATS service are reduced \$20 per line and the rate for each of the first 10 hours of usage is reduced \$1.

Customers who have questions may call their local business office.

**Entries Now Being  
Taken for Gong Show**

Just when you thought it was off the air and out of your life for good, the famous Gong Show is back! On Friday, April 26th, the Kewaskum High School Swing Choir will be sponsoring their 2nd annual gong show. Their motive is to raise money to help finance a tour of performances in Milwaukee in May.

You can help make the Gong Show a success! If you have any talents whatsoever or just always wondered what it's like to be in the spotlight, the Gong Show needs you! All types of acts are acceptable: bands, skits, musical numbers, airbands, comedy, or anything else you can come up with. So...discover how much fun Kewaskum really is. Get your friends together and enter the Gong Show. Have a great time, while helping a terrific cause, and you may win a fantastic cash prize! If interested, contact Leah at 626-4706 or Beth at 629-5090 or Ada at 334-3902. And there's no entry fee!

Anyone who has trouble hearing is welcome to have a test using modern electronic equipment to determine whether a tiny, modern hearing aid may help.

We will clean and retube your aids free of charge so come in and bring a friend or call our office for an appointment in your home.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing an aid or those who have been told nothing could be done for them should have a hearing test and find out which of the latest methods of hearing correction can help them hear better.

Ask about the NEW BELTONE CANAL AID. This aid is the same type worn by the President and is so tiny you'll hardly know it's there.

**PREGNANCY**

For a pregnant woman, a cigarette's nicotine sets off a reaction that constricts the blood vessels supplying the uterus with nourishment. This could cause reduced blood flow and lack of oxygen for the fetus. Also, the level of carbon monoxide in a smoker's blood is higher than normal and could reduce oxygen for the unborn baby. So if you are pregnant, give up smoking for the health of your baby, and yourself.

Albert Fleischman, Owner

# 25 Years Ago

April 1, 1960

Lawrence Jeske, 41, of the Town of Auburn, Route 2, Campbellsport, residing several miles northeast of Kewaskum, a son of Mr. and Mrs. Erich Jeske of this village, was fatally injured March 29, when his car collided almost headon with a semi-trailer truck. He was pronounced dead on arrival at St. Joseph's Hospital, West Bend. The crash occurred on Hwy. 45, just south of the Hwy. 60 intersection at Jackson. Jeske was driving south on Hwy. 45 and was reported to have attempted to pass another vehicle when his auto collided almost headon with a large truck driven by a Kaukauna man. A heavy, blinding fog at the time was held responsible for the crash. Lawrence R. Jeske was born June 22, 1918, at Milwaukee. His marriage to Barbara Bell took place on Sept. 29, 1945, at San Diego, Calif. Surviving are his widow; one son, Kyle, 13; his parents; two sisters, Betty of Pigeon, Mich., and Ruth of Glenview, Ill., and four brothers, Harvey of Milwaukee, Alvin of Sunnyside, Calif., Frank of San Francisco, Calif. and Kenneth of New Ulm, Minn.

Fire early Friday morning at the Lawrence Theusch farm on Route 1, Kewaskum, completely destroyed a large barn, two heifers, 150 chickens and some hay stored in the barn. Loss in the blaze, which is partially covered by insurance, was estimated at between \$8,000 and \$10,000 by the owner. The Theusch farm is located in the Town of Farmington, about 3/4 mile south of the junction of Hwys. 28 and 144. Cause of the blaze was not immediately determined but it might have started from faulty wiring. Three of Theusch's sons, Ken, 18; Don, 17, and Jerry, 16, were successful in getting 18 beef heifers and a milk cow out of the barn before the building was destroyed.

After being in the barber business for over 45 years, Hubert Wittman is retiring Friday, April 1, and has sold his business and equipment at his shop on Main Street, across from the Lay Lumber Co., to John Sleska of Milwaukee. Of his better than 45 years as a barber, Wittman spent 40 of them in business in Kewaskum. Hubert and his wife will continue their residence on Prospect Avenue in the village.

Sleske, the new owner, is about 50 years of age, married and has two children. He is an experienced barber having operated a shop in Milwaukee before coming here.

Harry Koch, Kiwanis Club chairman in charge of the swimming beach project at the village park, reports that 126 more tons of sand were added to the beach Saturday. The sand was placed on top of the river ice and spread out with the village's equipment. By Sunday night, most of the sand had already eaten through the weakened ice and sank to the river bottom. This large amount of additional sand should greatly improve the bathing facilities at the beach this coming season.

A daughter was born to Mr. and Mrs. Ray Gaffke, Milwaukee. Mrs. Gaffke is the former Shirlee Backus, daughter of Mr. and Mrs. Edwin Backus, Kewaskum. A daughter was also born to Mr. and Mrs. Willard Prost, Route 2, Kewaskum, on March 28.

Werner; Assessor, Hubert Klein; Justice of the Peace, (to fill vacancy), John C. Meyer; (full term) Frank Wietor; Constables, Nick Beisbier, Arnold Hawig and Peter Yogerst. Town of Auburn - Chairman, William Wunder; Supervisors, Henry Butzke and Joe Volz; Clerk, Reuben Backhaus; Treasurer, Jac. J. Fellenz; Assessor, Albert Kreif; Justice of the Peace, (two years) Mrs. Hannah Weasler, (one year) Richard Braun; Constables, Rudy Kolafa and Arthur Petermann.

Due to the fact that smallpox is reaching epidemic proportions in various sections of our state, plans are underway for a county-wide vaccination program. Consent slips are being sent out to every school child in Washington County to be signed by the parent who wishes his child vaccinated.

The Kewaskum Aluminum Company is now operating their factory with a full crew of employees. The officials state that they have enough contracts to carry them through the next several months.

A baby boy was born to Mr. and Mrs. Henry Weddig on Thursday of this week. We extend our congratulations.

A freak chicken, hatched about 20 days ago at the White Belle Poultry farm in Lomira is creating considerable excitement in the chicken world. The freak chick is a White Leghorn pullet and has three legs, two tails and an extra toe on the

third leg. The third leg on the chick is grown directly out of the end of the spine and while not developing as fast as the other legs, is normal in ever other way. It is hoped that the chicken will reach maturity as the hen may be capable of laying two eggs at one time.

rarely occurs, astronomers say.

Mrs. Emma Altenhofen moved her confectionery store into the building on the west approach of the bridge on Tuesday. She will occupy the rooms above the store as living rooms.

The marriage of Miss Lizzie Lehnertz of St. Michaels to Matt. Kohn of Kewaskum will take place on April 19.

Fred Martin bought the Doernberger property consisting of 2 1/2 lots and buildings, located on East Main Street for \$625 last Saturday. Mr. Martin will raise the old buildings and erect a new house on the property.

Mrs. William Bartelt moved here from her farm in Auburn, into the Steichen residence on Wilhelmina Street last Tuesday. Mrs. Bartelt rented her farm to Anton Schaeffer of St. Michaels.

Otto Habeck sold his 90 acre farm, about 3 miles east of here to Mrs. B. Habeck last Monday for the sum of \$6508. Adolph, a son of the latter, will reside on same.

A. G. Koch is improving his residence building by adding another story on top of the east wing of the house.

The smallest package is the guy all wrapped up in himself.

# 75 Years Ago

Julius Dreher met with an accident at the depot last Tuesday which might have resulted in his death. A heavy iron lever which is attached to a refrigerator car door became loose and fell on his head, cutting a deep gash in the side of his head. Dr. Driessel was called to dress and sew up the wound.

The northern lights that were displayed in the sky Sunday evening were watched with amazement by many of our citizens between 8 and 9 o'clock. The rays or the luminous sheets were exceptionally strong. The phenomenon as it appeared Sunday night was in the form of a luminous cloud at places and in others as rays and arches. It extended from the east to the west, which is another fact that

# 50 Years Ago

April 5, 1935

The annual spring election of town and village officers was held April 2. Some town and village contests were very spirited, while others were not so lively. In the Village of Kewaskum, Val. Peters, the present President of the Village, was defeated by Adolph Rosenheimer Jr., by 12 votes. The successful candidate ran blind and his name was not on the ticket. In the flight for assessor, Frank Quandt, the present incumbent, beat Norbert Becker by 50 votes. The total number of votes cast was 268. Following are the returns of the village and some towns of this vicinity: Kewaskum Village - President, A. L. Rosenheimer Jr.; Trustees, Lester Dreher, K. A. Honeck and Myron Perschbacher; Clerk, Carl F. Schaefer; Treasurer, John Marx; Assessor, Frank Quandt; Supervisor, Emil C. Backhaus; Justice of the Peace, (two years) Henry Rosenheimer, (one year) Paul Landmann; Constable, Fred Buss. Town of Kewaskum - Chairman, Henry Muckerheide; Supervisors, Fred Klein and

How well does your alfalfa grow underground? It's just as important as how it grows above ground.

Funk's G-7730 proves the point. This Flemish variety yields big because it has such a healthy root system. It fights off diseases; reaches for moisture when it's scarce; and keeps coming back with high tonnage yields, year after year.

And G-7730 gives you added insurance with Apron® treatment - to protect emerging seedlings from Phytophthora and Pythium infections.

So next time you choose an alfalfa, consider the whole plant, top to bottom. And you'll plant Funk's G-7730.

The limitation of warranty and remedy on the tag attached to each bag of Funk's G Brand Seed sold is a part of the terms of sale thereof.

Funk's is a brand name. Numbers identify varieties.

Performance you can bank on.

### St. Joseph's Hospital Offers Coping With Aging Parents Class

Are you troubled about your aging parents? Do you want to improve communication with your elderly parents? Would you like to learn more about the process of aging? If you've answered yes to those questions, then register for St. Joseph's "As Parents Grow Older" program to find out the answers. The program, developed by the American Red Cross, is designed for adults who desire some practical knowledge to help them to understand the changing needs of their older parents or relatives, as well as their own feelings towards these needs.

The program meets Thursdays, April 11-May 16 from 7:00-9:00 p.m. in St. Joseph's conference room. The cost of the program is \$25 per person and \$30 a couple. For more information, contact Lynette Gagnon at St. Joseph's Community Hospital, West Bend, 334-5533 or 334-8390.

### Farm Safety Program Scheduled For County Farmers

Farming is a hazardous occupation. There are many injuries and deaths that occur every year from farm accidents. Knowing how to prevent farm accidents or how to respond if they should occur can reduce injuries and save lives.

Farm families in Washington County will have an opportunity to attend a "Farm Safety" program scheduled for Wednesday, April 10, 1985 at the Addison Town Hall in Allenton. The program will start with registration from 9:30 to 10:00 a.m.

The morning topics include reviewing the film "How To Have An Accident" and discussing its impact. A discussion will be held on what you can do until help arrives and how to report an accident and call for help.

The afternoon session will include a film on "Tractor Safety," along with hands-on experience with farm safety practices. Participants will have an opportunity to work with farm equipment and fire extinguishers. The session will adjourn at 3:00 p.m.

The program is targeted to farm women so that they may help their families in improving farm safety.

The session is sponsored by the Washington County Cooperative Extension Service, AMPI Farm Women, Farmers Inc., and the Allenton Fire and Rescue Squad. Instructors include Ronald Naab from the Allenton Rescue Squad, along with other rescue squad members, and Jack Trzebiatowski, Washington County Agriculture Agent.

Registration is requested by Friday, April 5, and can be made by calling the Washington County Cooperative Extension Service at 338-4477, 644-5204 or 342-2929. Cost is \$6.00 per person to cover the cost of the noon meal and materials.

## What to Do If You're Away When a Tornado Threatens

(3rd in a series)

Although most people know where to seek shelter from a tornado in their own home, they become confused or panic if a warning is issued while they are at work, out shopping, or in their car, according to the Wisconsin Division of Emergency Government.

Some basic rules apply, no matter what your location. The best shelter is on the lowest level of a building, away from windows and doors. When possible, get beneath a sturdy piece of furniture. Protect your head and chest, since storm-related deaths are frequently due to injuries to these parts of the body.

If you're in a public building, look for a pre-designated shelter. Always stay inside the building. Don't run for your car, since you're generally safer inside a structure than in the open.

Beware of long-span roof areas, like those found in malls and gymnasiums. Instead, try to find a smaller room, such as a closet, rest room or storeroom. Stairwells also make good shelters.

In mobile homes or cars, leave them and find shelter in a building. If there is no nearby shelter, lie flat in the nearest ravine, ditch or culvert with your arms shielding your head (be sure to watch out for standing water in these culverts).

Share your knowledge with

those around you. Direct co-workers, companions and fellow shoppers to safe shelters if they appear confused when a tornado threatens.

No one can stop a tornado but there are precautions you can take to safeguard lives and property. That's why Wisconsin's Governor Anthony S. Earl declared March 24th through the 30th "Tornado Awareness Week." The Wisconsin Division of Emergency Government and the National Weather Service have joined forces to help spread the word on tornado safety throughout the state.

"You always taught me to tell the truth, dad. Should you expect anything less from our computer?"

"Actually, I'm pretty proud of that boy. Knows his seed... I can tell you that. He's been feeding facts into that new computer about Wisconsin

Certified Seed... things like varietal purity and identification... high germination and low weed seed content.

"Computers don't lie. And, right now, it's reminding us to go pick up our Wisconsin Certified Seed for next year's crops. Let's go do it, son."

## Sign-Up for Jaycees Summer Ball Leagues

The Kewaskum Jaycees are having sign-up for the upcoming Summer Ball Leagues. There will be a Youth Softball League (children ages 9 to 12), a Hardball Little League (children ages 9 to 12), a Traveling Hardball League (youth ages 13 to 15), and a new TEENAGE Softball League (youth ages 13 and 14).

Sign-up dates are scheduled for: Saturday, April 13th, from 9 a.m. to 11 a.m., and Saturday, April 20th, from 9 a.m. to 11 a.m. There will also be a sign-up on Wednesday, April 17th, from 6 to 7:30 p.m. The sign-up is being held at the Kewaskum branch of the West Bend Savings and Loan, 114 Main St., Kewaskum. Use rear entrance to basement meeting room.

The Youth Softball program is geared to teaching young children the fundamentals of the game of baseball. Over the year, we've seen many young people develop into very athletic, responsible adults.

The Jaycees are introducing a new league this year for young

people ages 13 and 14. It will be a Softball League and will be played for 8 weeks on Tuesday nites at the new park. Games will be scheduled for 6 and 7 p.m.

WE NEED parents or other interested persons, who would like to COACH, MANAGE, or UMPIRE. Anyone interested should call Gary Gavin (Youth Softball) 626-2209, Steven Liegl (Little League or Traveling League) 626-4568, Richard Thiemer (Teenage Softball) 334-7033.

Remember, we need your support, by participating or just coming out to watch the games. Community support is a most important factor from the Youth Leagues thru High School and even into our Land-o-Lakes Team. We need you! Be sure to come out and join us this summer.

Special note to all youth players: If any young player would like to earn a glove or any other ball equipment, we have an incentive plan - ask at sign-up!

## Lakes Team Wins, Regains Share of First

The Kewaskum Lakes basketball team regained a share of first place in the "B" Division here Sunday night, knocking off the Hartford Morainers, 110-96, in a bitter struggle.

The win moves Kewaskum into a first place tie with Port Washington, both with 5-10 records. Port pulled off a big win Sunday, upsetting Thiensville-Mequon of the "A" Division, 106-98, to gain a share of the lead. Hartford drops to third place at 3-9 with two makeup games remaining with the Falls Badgers and one with Cedarburg.

After the teams played on fairly even terms in the first quarter, a 34-24 second quarter enabled Kewaskum to open a 62-50 lead at halftime. Kewaskum went ice cold in the third quarter, scoring only 16 points, to 27 for Hartford, and the lead was cut to 78-77. Hartford took the lead briefly in the fourth quarter before Kewaskum turned it on behind Leon Laatsch and Bob Nigh for a big 32-19 quarter to win going away.

Although below his usual average, Laatsch again copped scoring honors with 30 points for the winners. Nigh was close behind with 28 and Bill Gonwa contributed 18. Top honors for Hartford was evenly divided by Pete Hauser with 22, Tim Wagner with 21 and Randy Miller with 20.

Kewaskum entertains Oconomowoc Saturday at 6:00 p.m., while Port hosts the Falls Badgers on Sunday in the final games for both teams.

Hartford — Hauser 11-0-2, McGuire 2-1-2, Miller 8-4-2, Wagner 10-1-3, Thimm 4-0-0, Luthi 3-0-5, Jentges 1-0-4, Wolf 5-2-3. Totals: 44-8-21.

Kewaskum — Laatsch 14-2-5, Eichstedt 7-2-3, Nigh 13-2-4, Backhaus 6-0-1, Gonwa 9-0-3, Schroeder 0-0-2, Kern 3-0-3, Thomas 0-0-1. Totals: 52-6-22.

FTM: Hartford 7, Kewaskum 4.

## Track Teams Win Again To Remain Undefeated

By John Harju

The KHS track teams remained undefeated as both the girls and boys recorded convincing wins over visiting Plymouth last Tuesday evening.

Sandy Klein's breaking of her own school record in the 3200 meter run (12:39.8) highlighted the girls' competition which the Indians won, 75-25.

Coach Denise Leong's girls recorded sweeps in five events — shot put, 45 meter hurdles, 400, 800, and 200 meter dash. Junior Amy Kougl had a lot to do with this success as she took firsts in the high jump, 40 meter dash, and the 200, leading a sweep in the latter event.

Soph Jenny Hintz continued her success in the shot put, leading a sweep with a toss of 32'2". Another soph, Renee Kapp, came back from an injury to lead the third sweep in the hurdles. The fourth sweep came in the 800 where senior Lori Batzler took first with a 2:39.5, and the final sweep came in the 400 behind Brenda Vetter's 1:05.3.

In the boys end of the meet, Kewaskum won 13 of the 14 events on the way to an easy 89½ to 28½ win.

Four seniors, Mark Follmann, Gunner Schlieter, Monty Shaw, and Mike Steinhardt, combined for 53 of the Indian's total score.

Steinhardt won the long jump (20'2½"), high jump (6'2"), and 40 meter dash (5.3). Follmann led sweeps in both hurdle events (6.8 and 6.5), was a member of Kewaskum's first place 800 meter relay team, and was second in the high jump. Shaw won the 800 (2:09.3) and anchored the winning 1600 meter relay team, and Schlieter doubled in both the 1600 (4:56.4) — only one second off the KHS record — and the 3200 (10:56.7).

Others taking firsts for coach Dave Drexler were Jeff Newhauser in the shot (42'2"), John Nowak in the pole vault (again clearing 11'6"), and Jim Lauer and John Mertzig who tied for first in the 200 (26.8).

FROSH—SOPH CO-ED MET held against Slinger last Thursday was highlighted by Brenda Vetter's breaking of the KHS record in the 400 with a sparkling time of 1:04.4.

As a team the girls narrowly won, 48½-45½. The boys, despite having only four freshmen to make a team, managed to score 13 team points and were led by Miles Shaw's first in the 1600.

## Wodsedalek Named Co-Captain Of Lakeland College Team

Dale Wodsedalek, 6-5, former Kewaskum High School athlete, a junior on the Lakeland College, Sheboygan, basketball squad, has been named co-captain of the Muskies for the next (1985-86) season, along with another junior forward, Keith Leonard of Sheboygan.

Wodsedalek was the Muskies' second best rebounder (190) and third best scorer (266), an average of 10.6

Shot Put — 1. Newhauser, K, 42'2"; 2. Groene, P, 41'11"; 3. Mader, P, 41'8".

## Koth Member of UW Badgers Baseball Team

TERRY KOTH

MADISON—Terry Koth, son of Mr. and Mrs. Ken Koth of rural Kewaskum (Boltonville), is a member of the 1985 University of Wisconsin Badgers baseball team.

Koth, No. 29, a 6-1, 200 lb. freshman, who bats and throws right, is listed as a pitcher and the Badger baseball guide sent out to the media says that he would see action this spring in short relief situations.

As a high school player at Winnebago Lutheran, Fond du Lac, Koth earned 10 letters, four as a baseball pitcher-infielder. He was a three-time

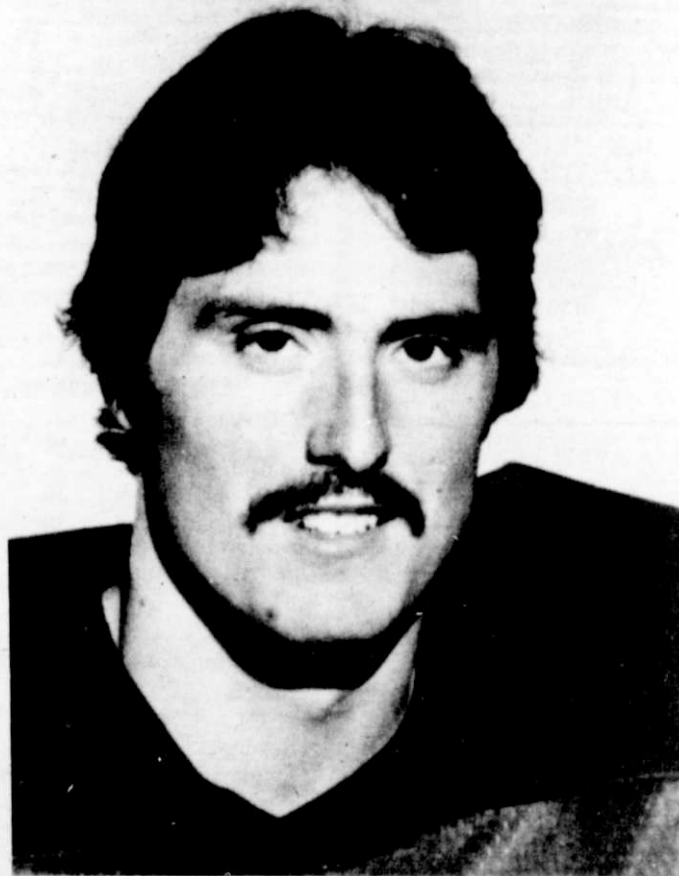

all-conference selection, his high school squad made WISAA State Tournament all four years in high school and was runner-up in 1983. Koth was a member of the all-tournament team as a junior and senior and his team was three-time conference champions. Ken once hit three home runs in a doubleheader. His prep coach was Ray Seibel.

He was also an all-conference linebacker in football as a senior. Koth, 19, was born Jan. 8, 1966. At UW he is enrolled in Pre-Business and plans to major in Accounting.

Last summer he played in the All-Star baseball series which was held in Appleton.

The Badgers of the Big Ten Conference recently returned from their spring trip to Florida March 15-24. Last weekend they played games with Indiana, Purdue and Butler in Indianapolis and this weekend they will take on St. Francis at Joliet, Ill. April 5, and Notre Dame April 6 and 7 at South Bend, Ind. before returning home for their spring season.

## Kewaskum Jaycees to Sponsor Sports Day April 14

Mike McLeod DB Green Bay Packers

Get ready Packer backers! The Kewaskum Jaycees will be sponsoring Kewaskum Sports Day Sunday, April 14th.

Packer Mike McLeod will be present to answer questions and sign autographs. McLeod signed with the Packers during last year's season. He suffered a hamstring injury while playing in the Canadian Football League and saw this as an opportunity to break from the CFL and try for a position in the NFL.

Mike played college football at Montana State where he was a free safety. He graduated in 1980 and signed with the

Canadian Football League's Edmonton Eskimos one month before the NFL draft. He helped his team win the Greg Cup three times. While playing in the CFL he earned his law degree from University of Alberta Law School.

Kewaskum Sports Day will be held Sunday, April 14th, at the Labor Center, which is located at 1230 Fond du Lac Ave., Kewaskum. The program will begin at 1:00 p.m. There will be three autographed footballs for door prizes. The winners do not have to be present to win. There will be a \$1.00 donation for the Sports Day tickets. Any medal

winners from the 1984 Football fundamental program run by the Kewaskum Jaycees will gain free admittance by showing their medals at the door.

Tickets can be purchased at Sentry Foods, from any Jaycee member and at the door on Sunday. Any proceeds from Sports Day will help to fund the many community projects run by the Kewaskum Jaycees.
