Shefond Self-Serve Grand Opening a Big Success

[Additional photos on another page]

The grand opening of the Shefond Self-Serve gas station and convenience store at 1149 Fond du Lac Ave. held Friday, Saturday and Sunday was a great success.

The station, purchased by Bill Lenz and Fred Pieper of

Shefond Oil Company, Waucousta, was taken over and opened in January under its new name of Shefond Self-Serve. The former Shortstop property was purchased from Ron Herbst of Three Lakes.

The station's exterior as well as the interior were extensively remodeled and expanded, and converted into a convenience

mart. Hours at the station were also extended.

The station handles Citgo products and the store is largely stocked with convenience foods. They now have also added a bakery line.

The manager of the business is Jan Bartelt.

Shefond also has stations in Campbellsport and Theresa.

Hwy. 45 and H Sidewalk Construction to Begin

By GERRY MUELLER
Statesman Staff Writer

Unanimous approval of A. R. Melichar Concrete Contractors low bid of \$151,394, at Monday night's Kewaskum Village Board meeting means reconstruction of Highways 45 and H could begin within two to three weeks.

Four contractors, with costs running from the low \$151,394, to a high of \$184,000, bid on the job which will include reconstruction of the roadway, and installation of curbs and sidewalks along twenty-nine properties.

Village Administrator Dan Schmidt did have some good news for the approximately 25 property-owners who attended the public hearing on the project. Because bids came in

considerably lower than earlier projected, the residents will see a reduction in assessed costs for the work to their properties.

Estimated costs on the final phase of the project had been figured at around \$220,000. With the actual bid well under that figure, and the fact that some of the land is village owned, and some of the work is at intersections and this is a TIF financed project, the original/-projected assessed costs for curbs and sidewalks has been substantially reduced.

Estimated costs for curbs had been \$7.47 a lineal foot, the actual cost will be \$5.72. Sidewalk assessments had been estimated at \$12.69 a lineal foot. However, that dropped to an actual cost of \$7.53, and, because the village has an

ordinance governing new installations of sidewalk and curb on existing construction (homes and businesses), the village will pick up 50% of that cost. So, by formula, sidewalk cost to those [Continued on Page 2]

Wild Turkeys Now Hatching In This Area

Dean Fechter of 2071 Shalom Drive, West Bend, called Sunday morning to report seeing a mother wild turkey with a brood of at least 20 babies (polts) on Kettle Moraine Drive, between Highway 28 and H east of Kewaskum. The turkeys were seen about 50 yards off the road.

The wild turkeys were released in the surrounding area in January by the DNR, mainly a short distance southeast of Kewaskum and in the Parnell Tower area. It has been almost 100 years since wild turkeys were seen in this area.

In a phone conversation with Walt Adams at Mauthe Lake headquarters of the Kettle Moraine Monday, he informed us of one other brood of 16 turkey polts being reported.

Committee to Recommend Closed School Campus

By GERRY MUELLER
Statesman Staff Writer

On a unanimous vote at its meeting last Wednesday, the five members of the Policy-Legislation-Instruction Committee agreed to recommend that the Kewaskum School Board consider a closed campus for the high school.

Committee Chairman Neal Weare said approximately 25 people attended the meeting whose major topic was the

possibility of instituting the close campus concept. Besides High School Principal LeRoy Kopecky and Assistant Principal Roy Esser, Kewaskum Police Chief Donald Hlavaty and Officer Richard Knoebel were on hand to address the subject.

Weare said the recommendation will be brought before the board and, if it is approved, he will begin working with Kopecky and Esser to formulate [Continued on Page 2]

KHS Wrestler Takes Part in German Meets

Bob Callison

By GERRY MUELLER
Statesman Staff Writer

Bob Callison, a 1985 graduate of Kewaskum High School, is

one of fifteen state wrestlers and two coaches participating in a ten-day visit to Germany which includes meets in three cities plus tours throughout the country.

Callison, this year's State Freestyle Champion, was invited to participate in the tour by the Fond du Lac wrestling coach who organized the trip. Callison is the only local member of the team which will participate in six meets during its stay.

After arriving in Frankfurt, the group will move on to Mainz where the wrestlers will have their first matches and do some sightseeing. The team and coaches will then go on to Rathos where the Wisconsin wrestlers will make a formal presentation to the Burgermeister and participate in their second meet. The young men will then have a free recreation [Continued on Page 2]

Budget Figures Clarified

By GERRY MUELLER
Statesman Staff Writer

Business Manager Cherna Gorder indicated this week that part of the figures given in last week's school budget article on the proposed 1985-86 budget need further clarification.

Gorder said the 73% for salaries and benefits include not only teachers but administrators and support staff figures. Of the \$554,000 increase for salaries and benefits, this includes funds to cover new positions which had been approved by the board for last year and this year.

One item, not included in the proposed 1985-86 budget, however, are any salary increases for the administrators. The administrative staff has not begun its contract negotiations

for the 1985-86 school year, said Gorder.

Since there is little doubt the administrators will receive some type of increase, this will mean the anticipated 14% increase in the proposed budget will go up some more.

Special Meeting of School Board Monday To Discuss Budget

There will be a special meeting of the Kewaskum Board of Education on Monday, June 24, 1985, at 7:00 p.m. in the High School cafeteria. The purpose of this meeting is to continue discussion of the 1985-86 budget.

Regal Ware to Sponsor Badger State Torch Run Through Kewaskum

The first Wisconsin Amateur Sports Festival Torch run will be coming through Kewaskum, thanks to a generous donation made by Regal Ware. The torch is scheduled to be in Kewaskum on the 4th of July as it makes its way across the State to the Badger State Games (July 12-14 in Madison).

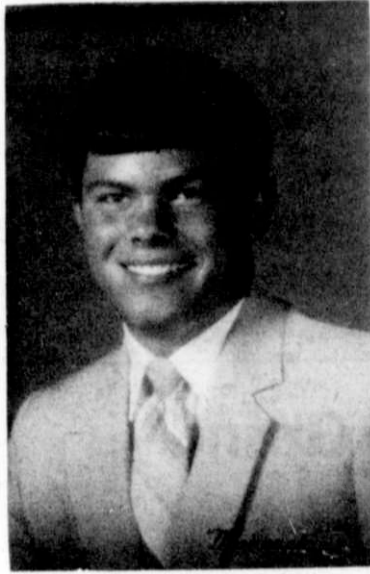

The Torch Run will also serve as a fund raising project for children afflicted with Cystic Fibrosis. **WE NEED RUNNERS.** Anyone interested in carrying the torch can pick up a pledge sheet at Kewaskum Frozen Foods or Richard's Kut and Style. Runners will then get pledges for whatever distance they wish to carry the torch; proceeds will be donated to the Cystic Fibrosis Foundation. For more information, call Rene (626-2864) or Richard (626-

4734) Let's pull together and help those who cannot run - it will be a great experience!

Because this is a state-wide Amateur Sports event, any local teams wishing to enter into the competition should contact Richard for more information. There will be medals - Olympic fashion - in 17 sports. They include: Archery, Badminton, Basketball, Bowling, Cycling, Diving, Fencing, Gymnastics, Rowing, Rugby, Sailing, (Men's and Women's) Soccer, Softball, Swimming, 10 K Road Race, Tennis, Track & Field, Volleyball, Wrestling.

The Jaycees throughout the state are proud to have the opportunity to bring the spirit of the Olympics to Wisconsin. Torch Runners and spectators alike will make Wisconsin history this summer. Join them.

Receives AAL Scholarship

Craig Garbisch

Craig R. Garbisch, son of Roger and Marlene Garbisch, 3456 Boltonville Rd., Kewaskum, has won an Aid Association for Lutherans (AAL) Vocational/Technical School Scholarship. He is one of 100 persons to be so honored as a winner of one of these scholarships. College Scholarship Service/Sponsored Scholarship Programs (CSS/SSP), Princeton, New Jersey, has called AAL's scholarship programs some of the most extensive in the country.

Craig is a 1984 graduate of Kewaskum High School. He is attending Moraine Park Technical Institute in Fond du Lac and will graduate in 1986 as an Automotive Technician. He is a member of AAL Branch 2557, Immanuel Lutheran Church, Town of Scott, and serves as an usher. He is also a volunteer fireman with the Boltonville Fire Department.

The 1985 recipients were chosen from more than 500 applicants. Selection is based on recommendations from school advisors, and community professionals, academic records, church and community involvement, as well as the clarity of the student's defined career objectives.

AAL, Appleton, Wisconsin, is the nation's largest fraternal benefit society with 1.3 million members nationwide. As part of its fraternal commitment to enable Lutheran to help themselves and others, AAL maintains one of the country's largest systems of private scholarships and grants.

day followed by another meet in Rathos.

The group will then travel to Walderschaft where the wrestlers will compete in their final two meets and do some more sightseeing, returning home on June 27th.

Callison said he was looking forward to the trip and exchanging gifts with his four host families and six wrestling opponents.

Besides winning the state free style title, Callison was also named the Kewaskum team's Most Valuable Player for 1984 and 1985. He recently received the All Male Athletic Award at the 1985 Kewaskum Awards Banquet.

Callison will return to school in the fall when he will begin attending classes at the University of Wisconsin-La Crosse.

Attend State Fire Chiefs Conference

Chief Augie Bilgo and Assistant Chief Don Ehnert of the Kewaskum Fire Department and Chief Joe Enright and Assistant Chief Ron Paternann of the Boltonville Fire Department were among over 300 fire chiefs from municipalities all over Wisconsin last weekend, June 14 through June 16, in Oconomowoc. They were attending the 57th Annual Wisconsin State Fire Chiefs Association Conference at Olympia Resort in Oconomowoc.

The head firefighters had a chance to meet and study the latest state of the art fire-fighting techniques and participate in workshops covering a wide variety of topics. Exhibits displaying equipment and services, everything from batteries to uniforms, were set up for the chiefs to inspect.

A conference highlight was the presentation of this year's Heroism Award to an individual outside the fire service. This year's recipient was Scott A. Berner of Waukesha.

The Badger State Fire Chiefs also heard messages from Attorney Steven B. Rynecki, Milwaukee, an expert on labor relations and James Casey, Deputy Superintendent, Field Programs Division, National Fire Academy, Emmitsburg, Md.

The Wisconsin State Fire Chiefs Association, organized in 1928 with over 500 members statewide assists the Chiefs in maintaining high standards of personal and departmental efficiency.

Sidewalks

[Continued from Page 1]

affected property owners will be \$3.77 a lineal foot.

The work will appear on tax bills as a special assessment and the owners will have six years to pay with interest rates of 8%.

Trustee Mary Krueger questioned the village's ordinance stipulating its absorbing 50% of the sidewalk costs. Schmidt said that goes back to 1968 when the last such assessment was made. "We must be the only place that does this," stated Krueger. "Every place I've called assesses 100% to the property owner. I was told we're 30 years behind the times." Schmidt said the ordinance applied only to existing properties and new construction would not fall under this ordinance.

Schmidt said work should begin by the end of the month with a projected completion date of September 15th.

In other action, the board okayed a permit for a 30 by 40 foot shelter which will be constructed by Aid Association for Lutherans at River Hill Park. The structure, which will be located southeast of the log cabin museum, at the old horseshoe pits, is being given to the village at no cost. It will be available for use by the general public.

Police Chief Donald Hlavaty informed the board that he has received several complaints regarding extended parking by two semi trucks along Fond du Lac Avenue. The problem was turned over to the Protection and Public Safety Committee for investigation.

The trustees were also informed that the village has received two notices of claims. Schmidt said the first claim involves a sidewalk injury from Karen Schaub. The second claim is from Joseph Lorenz Construction stating the village had not accepted its low bid for a recent village construction project. Schmidt asked permission to retain the O'Meara law office of West Bend, for possible representation since the village's attorneys have also been named in the claim.

The board approved the renewal of four bartender licenses, a garage construction permit, and a Special B Malted Beverage license for the Kewaskum Fire Department picnic.

Closed Campus

[Continued from Page 1]

some specific policies to govern the closed campus plan.

The committee also discussed the possibility of summer school for the district. With the advent of competency based testing next year, Weare felt it will be the district's obligation, if not possibly a state mandate in the near future, to provide remedial help in the basics of reading, math and language arts. If we can improve a youngster's reading skills, it makes sense it will help his or her math and language skills.

Weare said the subject of summer school would be placed on the July 8th School Board Agenda.

The committee also reviewed a recommendation that a principal be assigned to Wayne Elementary School. I feel Tom Larsen is too thinly spread out trying to cover the three outlying elementary schools, said Weare. The recommendation was made by committee member Robert Schulties.

What we would like to see is possibly a 50% principal/50% teaching position such as Mrs. Petric held. Because Beechwood and Farmington are close together, Mr. Larsen could remain head of those two schools.

Weare said action on the Wayne principal item was tabled since his group felt they would like the opportunity to discuss the idea with the new district administrator, have her study it and make her recommendations before the committee moved any farther on the suggestion.

Flags Fly Again in 'Canada'

For as long as can be remembered, that portion of the village lying east of the Milwaukee River has been familiarly referred to by residents as "Canada."

In October of 1982, residents

of the area decided to officially recognize it as so by placing a red-leafed Canadian flag along with the American flag on a stand on the roof of the former Kewaskum Opera House then operated by Norbert and Gloria Serwe as Serwe's Tavern.

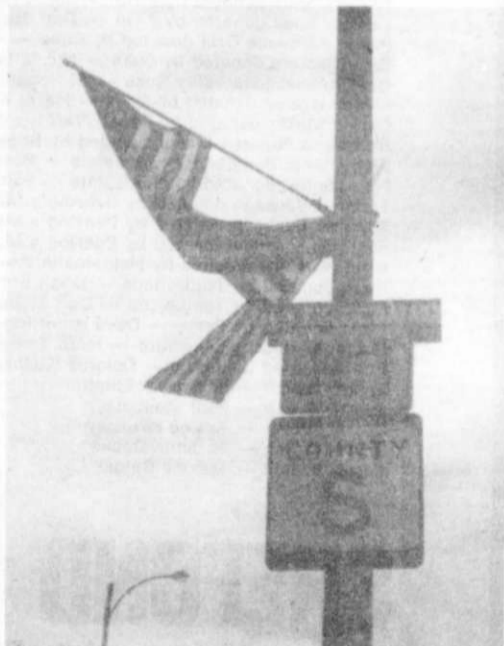

Now that the tavern has been taken over by new owners, Gary and Joan Bickelhaupt, and renamed Riverview Inn, some of the group again decided to raise the flags on the roof. This official ceremony was held last Friday, June 14, Flag Day.

Shown raising the American and Canadian flags above the Riverview Inn are, left to right: Harry Heinecke, who furnished the flag, made and donated by a friend; Fred Kleinke, outgoing local American Legion commander, hoisting the flag; Harry E. Koch, "mayor of Canada," and Gary Bickelhaupt, owner.

The two flags flying high atop the tavern.

The group also placed a small "Little Canada" sign above the highway sign on the west side of the river as one enters "Canada."

On June 7, Mrs. Jeanne Moe retired as a teacher at the Kewaskum Elementary School. Her children and grandchildren arranged for it to be a never-to-be-forgotten day. She was presented with a dozen long-stemmed roses, a bottle of champagne and was chauffeured around Kewaskum and to her home by Niemuth Limousine Service. A gathering of teachers and students wished her a happy retirement. This climaxed a 33-year teaching career.

WEST BEND CELEBRATES CENTENNIAL

Giant Parade, Festive Foods, Entertainment

A giant two-hour parade to celebrate 100 years of the City of West Bend's incorporation is set to roll Saturday morning, June 22, at 10 a.m., through the streets of downtown West Bend.

Featuring over 100 units, the colorful procession will include marching bands, vintage cars and trucks, old-fashioned floats, horses, clowns, a calliope, and more. It will travel a route from the Badger Middle School on the city's south side, head north on Main St. (Hwy. 45) to Walnut, west to 5th Ave., north through downtown to Cedar, west to 7th Ave., and conclude by going north to Regner Park — a total distance of about 1½ miles. Following the parade, a day of free concerts and other entertainment, capped off by a concert by recording star Rick Nelson at 9 p.m. will be held.

The parade is one of the early attractions of the 11-day celebration which runs June 20 through 30. Weekend concerts

and activities in Regner Park will be enhanced by contests, dances, displays, and other festivities downtown on weekdays.

Foods ranging from giant bacon sticks to stuffed baked potatoes to torpedo sandwiches, plus typical festival food fare, will be offered at Regner Park during both weekends of the Centennial Celebration.

The full menu will include hamburgers, bratwurst, hot dogs, special German sandwiches, corn-on-the-cob, chicken box lunches, chocolate chip cookies, soft serve ice cream, nachos, soft jumbo pretzels, and a variety of fresh fruits and vegetables. Vendors for the weekend food operations will be Buck's Kinn Catering, Jerry's Restaurant, Long Boy Restaurant, and the West Bend Jaycees.

Other Regner Park highlights involve previously announced Main Stage acts including Roy Orbison (June 21), Rick Nelson (June 22), the U.S. Army and Navy Bands, and Big Al and the Hi Fi's (June 23), The Booze Bros. and The Britins (June 28), Bill "Crash" Craddock (June 29), and Gerard (June 30). A Rock Stage, the Hardee's/7-Up children's area with stage, fireworks shows, and a carnival midway of rides and games will also be found at the park. Other features will include a centennial ball June 28 and a historical pageant on June 29 and 30. See the complete daily schedule of events at the right.

For more information on the parade or the over 11 celebration, call the West Bend Centennial Office, (414) 334-0308.

Free Jazzercise Class at West Bend During Centennial Celebration

On Monday, June 24, we invite you to participate in a free Jazzercise class at noon in downtown West Bend (Settler's Triangle). We recommend wearing loose, comfortable, non-binding clothing and ask that you bring a small mat or rug and a smile! All ages are welcome to participate. Help us celebrate West Bend's 100 years.

What is Jazzercise? Jazzercise is a unique total body conditioning program which is distinguished from other exercise programs by several key elements: jazz dance-based choreography, class structure, instructor training, theatrical styling and availability to all ages.

The 60 minute class is carefully balanced to total body fitness; utilizing jazz dance techniques to provide a total body-conditioning class structure covering flexibility, balance, coordination, posture, agility, cardiovascular improvement and muscle toning. Each class begins with a jazz stretch routine for warm-up and is completed with a physiologically sound cool-down assuring a steady, safe increase and decrease in heart rate and blood pressure. Cardiovascular fitness is achieved through 25-30 minutes of continuous aerobic exercise during which partici-

pants are motivated to exercise at the training heart level. Floor routines concentrate on increasing muscle tone and flexibility. The class structure always remains the same; only the choreography and music vary monthly to keep the workout lively and enjoyable.

The energy and sense of unity found in Jazzercise classes greatly contributes to student motivation. Jazzercise takes the boredom out of exercise, making it fun and social through the diversity of constantly changing dance movement and music. The performance or theatrical aspect of the program is one of its most unique features. A follow-the-leader teaching formula keeps students turned away from the mirror and helps them concentrate internally on the rhythm and movement of pure dance. Not only is it safer, it also keeps the students from harsh comparisons that often deflate their motivation. Students learn to perceive their own exertion level and to listen to their bodies and go at their own pace.

There are as many fitness levels as individuals in a program. Jazzercise classes are specifically designed so individuals can tailor the movements to their level of fitness. A fit individual can increase the intensity of the same exercise a

less-fit individual is modifying. Since Jazzercise stresses a non-competitive approach to exercise, all ages can participate particularly those who have shied away from traditional exercise programs.

No exercise program can be safe or effective without top-quality instructors. Jazzercise has set the standard with a thorough training program. Potential instructors are carefully screened as only one out of every eight applicants is certified. Instructors must pass an intensive workshop covering human physiology and anatomy, dance technique and terminology and class structure. Each instructor is also CPR certified annually. Continued education, through regional workshops, training videocassettes, company newsletters and written materials keep instructors abreast of important up-to-date health and fitness information.

Join us in West Bend's Centennial Celebration on Monday, June 24. We'll put a smile on your face, a bounce in your step and make you feel better both mentally and physically!

Two ways folk wisdom suggests will get rid of unwanted guests: a pinch of pepper under their chairs, or a broom stood behind a door.

Beechwood School Summer Library Hours Announced

The Beechwood Elementary School library will be open for the summer months on Tuesdays from 10:00 to 12:00 noon, from June 18th to August 6th. However, we will be closed on June 25th and July 2nd, due to school cleaning and vacations.

We are again offering our summer library reading program in conjunction with the Random Lake library. This year's theme is, "THRILLERS, DILLERS and CHILLERS."

Each child from preschool age through 6th grade in the Beechwood area are encouraged to attend. They must fill out a contract on how many books they can read during the weeks that the summer library is open. Every child also receives a bookmark, pin and membership card. Once they have completed their contract,

each child will receive a Reading Certificate and a coupon for a free sundae at Dairy Queen. For every book that is read, each child gets to staple a "BAT" with their name onto our "HAUNTED HOUSE" bulletin board along with their membership "GHOST NAME TAG."

We will be having a "MAKE-A-MONSTER" contest. Materials will be handed out on July 9th and monsters must be returned by July 16th. There will be prizes given for EVERY entry. The categories are: UGLIEST, MOST UNUSUAL, PRETTIEST, DUMBEST, SCARRIEST, SILLIEST, ETC.

There will be many more activities including mazes; pages to color; "Monster Match"; Unscramble words; filmstrips and a final MOVIE day for all children completing their contracts.

It should prove to be an exciting time for all involved.

See you all there,
Sue Buechel

HEALTHFUL WATER

Death from heart disease might decline 15% if people drank hard water containing healthful minerals, states EPA researchers. Hard water has natural high levels of calcium, magnesium, iron, etc. that protect against heart disease, high blood pressure, and strokes. Water softeners should be bypassed by a hard water line to the kitchen sink for drinking and cooking.

Kewaskum's Dairy Daze Successful Despite Rain

By GERRY MUELLER
Statesman Staff Writer

Rain may have cut down on some of Saturday's Kewaskum Dairy Daze activities, including cancellation of the parade, but it brought out ear-to-ear smiles on the faces of area farmers who were more than happy to get soaked with the much needed "wet stuff."

The highlight of the day's activities was the dairy breakfast put on by the women of AMPI 7-D, at the Alvin and Janet Panzer farm on highway V, Kewaskum. Approximately 900 people were served a meal of eggs, sausages, juice, cheeses, sweet rolls, coffee and milk during the 3½ hour breakfast. The dozens and dozens of fresh eggs were scrambled in a massive 55-inch electric frypan provided by Regal Ware.

A big attraction of the morning event was the opportunity to be transported via horse drawn wagon from the Amerahn parking lot to the farm. Five teams and wagons owned by Panzer, Bud Schmidt, Dean Schmidt and Frank Stoffel were used. Heavy rains midway through the breakfast, however, cancelled the balance of the rides and modern day horsepower (school bus) had to be used much to the disappointment of the many people who attended the breakfast.

Afternoon activities at River Hill Park included ice cream eating contests, recipe judging, pig races, entertainment and various dairy displays.

Jon Etta and Beth Bartelt, representing the Wayne Crusaders 4-H Club, were named King and Queen of Dairy Daze.

The day's activities wound up with a pig roast put on by the Kewaskum Jaycees.

Statesman Photos by Gerry Mueller

Representing the Wayne Crusaders 4-H Club, Jon Etta and Beth Bartelt were named king and queen of Kewaskum Dairy Daze.

The faster you could shovel and swallow, the better your chance to win the ice cream eating contest.

Although it was a dreary, wet morning, hundreds of people turned out for a horse drawn wagon ride to the Alvin Panzer farm. In the foreground, Bud Schmidt and his team of Belgians headed out as Panzer, with co-pilot Roy Esser, brought a group back.

Over 900 people were served eggs made in Regal Ware's "super skillet." An anonymous Holstein kept an eye on the proceedings.

Donna Bier [left] and Joan Hanrahan judged entries in the Dairy Daze recipe contest. Each recipe had to contain a dairy product as one of its ingredients. First prize of a watch was won by Judy Groeschel for her cheesecake recipe. Second prize was a cookbook won by Kathy Sese for her sunshine torte recipe. Third prize, also a cookbook, was won by Janice Broecker for her whipped cream cherry torte.

Jaycee members cut down a "spanferkel" in preparation for their annual pig roast fund raisers. Were these the winners or the losers of their pig race?

ANOTHER YEAR GONE

Again the FFA bestowed Honorary Chapter Farmer awards upon worthy individuals. Receiving this year's award is Barb York and Mr. and Mrs. Earl Kleinke. Mrs. York was awarded for her continual work with the FFA speakers. Mr. and Mrs. Kleinke have allowed the rental of their hall for many years and without the hall the banquet could not have been a success. Pictured above from left to right — Gary Butzlaff, FFA president; Mrs. York; June Schwendimann Section 10 officer, and Mr. Earl Kleinke.

This year outstanding senior awards were presented to three worthy seniors. Receiving the Purina outstanding award is Gary Butzlaff, presented by John Lockwood and Jim Raine. Accepting the DeKalb award is Jon Etta and the Midwest Livestock award went to Jim Herriges presented by Pat O'Brien.

This year the Kewaskum FFA has five State Proficiency Award winners. Winners include, from left: Gary Butzlaff, Beef Production; Jon Etta, Swine Production and Farm and Homestead Improvement; Joel Junk, Wildlife Management; Joe Schmitt, Placement in Agriculture; and Jim Herriges, Dairy Production. A job well done by all the winners to participate at the state level.

On May 8, 1985, the Kewaskum Chapter of the FFA held its thirty-seventh annual FFA Banquet.

The banquet started with Brian Ruplinger giving the invocation. A meal consisting of ham, tendertips, potatoes and other delicious food was then served.

After the meal, Kevin Thull, our Master of Ceremonies, spoke and then introduced our guest speaker, June Schwendimann. She gave a very inspirational speech about how we should set goals for ourselves and then strive to achieve them. June is the Section 10, FFA State Officer.

Honorary Chapter Farmer was the first presentation made. This award is bestowed on people in the community who help support the FFA and make it the great organization that it is. This year's recipients were Mrs. Barbara York and Mr. and Mrs. Earl Kleinke. Mrs. York received this award for helping our FFA speakers and because of this they have gone to district, sectional and even to state contests.

The Kleinkes received this prestigious award for allowing our chapter to use their hall for the banquet and for constantly supporting the FFA and agriculture.

A slide presentation was a new addition to the banquet this year. The slides represented the many activities our members have participated in since the last FFA banquet.

Our advisor and ag. instructor, Mr. Dave Rizzardi, presented the Star Greenhand, Roman Muckerheide, and Star Chapter Farmer awards.

There were two finalists for the Star Greenhand Award. This is given to a member in his/her first year of membership, who has been active in FFA, maintains good grades in school and has a strong S.O.E.P. project. The recipient of the award was Keith Bartelt and Bill Butzlaff was the runner-up.

The Roman Muckerheide Award is given to a sophomore FFA member. This award is given and sponsored by the Muckerheide family. Bev Schulz was the runner-up, with Jim Schulz receiving the award.

Star Chapter Farmer is awarded to a junior or senior, with the same requirements as for a Star Greenhand. Patsy Panzer was the recipient and the runner-up was Joel Junk.

Proficiency Awards are given to students who have done outstanding work in their certain field of interest of agriculture.

The proficiency category is listed with the winner's name first and then the runner-up's. Beef - Marty Shaw, Brian Oelhafen; poultry - Deb Pamperin; forage production - Jim Herriges; dairy production - Bev Schulz, Todd Steger; sheep - Renee Kapp, Jim Schulz; ag. mechanics - Todd Steger, Jim Herriges; turf and landscaping - Doug Enright, Jim Wesenberg; floriculture - Renee Kapp; home and farmstead improvement - Todd Steger, Steve Redig; soil and water management - Todd Steger, Randy Gindt; swine - Tim Limberg, Jim Herriges; wildlife management - Steve Redig; diversified crop production - Jim Herriges; placement in agriculture - Doug Enright, Todd Steger; fruit and

vegetable production - Bill Volm; ag. electrification - Doug Enright, Todd Steger; and forest management was awarded to Todd Steger. The winners received pins and the runner-ups were given certificates.

The Greenhand members competed amongst themselves for proficiency awards and they received a certificate. Beef - Bill Butzlaff; diversified livestock - Bill Butzlaff; dairy production - Bill Butzlaff, Ron Panzer; home and farmstead improvement - Keith Bartelt, Bill Butzlaff; and outdoor recreation and ag. mechanics went to Craig Radecki.

Five members applied to the state proficiency awards. The applicants are rated bronze, silver, and gold, with gold being the best. The applicant's name, proficiency category and rating are as follows: Joel Junk, wildlife management, bronze; Joe Schmitt, placement in agriculture, silver; Jim Herriges, dairy production, gold and a trophy; Jon Etta, swine, good gold; Jon Etta, diversified livestock, gold; Jon Etta, home and farmstead improvement, silver; and Gary Butzlaff applied for beef proficiency and received a bronze rating.

Our chapter was able to have two people fill out State Farmer applications this year. Both members, Gary Butzlaff and Jim Herriges, won their State Farmer pins and will be receiving them at state convention in June.

Jon Etta and Patsy Panzer each won a pin for their extemporaneous and public speaking, respectively, at the district level. Keith Bartelt won a pin and trophy. He had won the creed speaking contest at district and sectionals and will now go to the state level.

Record book of the quarter is a new award given out this year. It was established to get members more concerned about keeping track of their income and expenses. The winners are Scott Pesch, Brian Oelhafen, Joe Schmitt, Gary Butzlaff, Bill Butzlaff, Renee Kapp, Joel Junk, Jim Herriges, Darcie Garbisch, Bev Schulz, Patsy Panzer and Jon Etta.

A point system was started this year to award the outgo members with gifts from the FFA catalog. Members could receive a gift now for reaching 400 or 800 points or they could continue to accumulate points for a better gift.

The Gehl Essay Contest, sponsored by the Gehl Co. of West Bend, was held earlier this year for all FFA members. The essay is about a certain phase of agriculture. The title is given and you are to write 150 to 200 words about what you believe the title means. Jim Schulz took first place for our chapter, with Jon Etta placing second.

Throughout the year, there were various judging contests that our chapter participated in. Teams, consisting of three or four people, were sent to these contests to learn more about the topic of agriculture that they're interested in.

To the Hartford-Slinger Dairy Judging we sent teams consisting of Keith Bartelt, Bill Butzlaff, Renee Kapp, Brian

Oelhafen, Deb Pamperin, Bev Schulz, Jim Schulz, and Dallas Wodsedalek.

To Fox Valley we sent nine judging teams. The Dairy team members were Jim Herriges, Todd Steger, and Tony Matenaer. The meats team - Jim Wesenberg, Joe Schmitt, Randy Kreif, and Doug Enright; crops - Steve Redig, Jeff Mueller, Andy Degnitz, Dave Eisentraut; dairy products - Bill Butzlaff, Mike Truog, Keith Bartelt, Dallas Wodsedalek; floriculture - Deb Pamperin, Bev Schulz, Renee Kapp; meat animals - Marty Shaw, Jim Schulz, Brian Oelhafen; farm management - Jon Etta, Brian Ruplinger, Gary Butzlaff; ag-mechanics - Pierce Lewis, John Schmitt, Darryl Pufahl; and poultry/eggs team members were Bob Friedemann, Scott Pesch, Dan Hanson and Lonnie Bath.

In November the FFA once again sold fruit and cheese in the community. We sold over 500 items of cheese. The top four cheese salesmen and the amount they sold are Patsy Panzer, \$238.75; Jon Etta, \$171; Gary Butzlaff, \$164, and Deb Pamperin, \$161.

We sold 1,450 cases of fruit, gaining the FFA a net profit of \$3,348. Our three top salesmen of fruit were Brian Ruplinger; selling \$1,365 worth of fruit; Randy Gindt, with \$1,279, and Tony Matenaer sold \$1,046 worth.

Scholarships were once again generously sponsored by area businesses and organizations. The sponsors, the amount of the scholarships, and the winners are listed below. Valley Bank, \$300, Tony Matenaer; Kewaskum Veterinary Clinic, \$300, Jon Etta; Kewaskum Frozen Foods, \$300, Brian Ruplinger; FFA Alumni, \$250, Gary Butzlaff; Kewaskum Sno-Chiefs, \$100, John Schmitt; Jim Aupperle Memorial, \$100, Darryl Pufahl; UW-Madison, \$1,500, Gary Butzlaff; and UW-

Madison, \$600, Jon Etta.

Mr. Ethan Etta, FFA Alumni President, presented Mr. Roy Esser with a lifetime membership to the state and national FFA.

Three awards were given out to the outstanding senior FFA members by different organizations. Mr. Pat O'Brien from Midwest Livestock Breeders presented Jim Herriges with a trophy. The Purina Award was presented to Gary Butzlaff by John Lockwood and Jim Rainey. Gary received a trophy, \$280, and a book, for being the 80th person to win this award. The Dekalb Outstanding Senior Award went to Jon Etta.

The last award given out for the night was the Member of the Year. This award is given to the member that the organization believes to have done the most to help the FFA this year. The winner of this prestigious award was Gary Butzlaff.

Mr. Rizzardi then presented the officers with retiring comments and pins. The meeting adjourned at 10:25 p.m.

Take Time to Find a Lawyer

By Joyce Albrecht
Extension Home Economist

Criminals aren't the only people who need lawyers. You might need legal counsel sooner than you think.

Rather than waiting for catastrophe to strike, find a good lawyer who meets your needs now.

There are many different types of lawyers who offer a variety of services. They can offer you basic information about your legal rights in certain situations. Being aware of these rights can save you money.

Preventive counsel is another service lawyers can provide. They can offer guidance about potential problems. For example, a tax lawyer can show you how to legally avoid taxes.

Lawyers can also help you with specific legal problems

such as writing a will.

What type of lawyer do you need? This is a personal decision. An independent lawyer will probably offer you more attention, but a large legal firm has a staff of specialized lawyers to fit all your legal needs. The large firm may cost more.

If you have a simple legal problem, you might try a legal clinic. Clinics usually offer less expensive advice. Group or prepaid legal plans sponsored by employers, credit unions or labor unions are another alternative. They operate much like insurance. The consumer pays a regular fixed fee in return for uncertain, potentially large legal fees.

To find a good lawyer, ask friends for recommendations and read advertisements. Then make a list of several lawyers and interview each one.

You can usually talk with a lawyer one-half hour free of charge to decide whether or not you can work together. Don't ask for legal advice but rather, ask specific questions about the specialties of the law firm and the lawyer's education and experience.

Also ask about fees. Lawyers can charge by the job or by the hour. They can also charge a yearly retainer fee. Use this payment method only if you plan to use a lawyer a great deal. Find out how the lawyer charges and who does the actual legal work. You should be charged differently depending on whether the lawyer, his or her law clerk or legal secretary does the work. Always ask for an itemized bill.

By taking the time to find a lawyer who is right for you now, you can avoid future problems in dealing with potential crises.

SHERIFFS

DEPARTMENT

Clarence A. Schwartz, Sheriff

Dirt Bikes

The use of dirt bikes, motor bikes, and all-terrain cycles (ATC's) is becoming increasingly popular throughout the country, and Washington County has not escaped this latest recreational vehicle craze, according to County Sheriff Clarence A. Schwartz.

"We are receiving many complaints about the operation of these vehicles. Complaints involve either operation of the vehicles on private property without permission, or operation of them on the roadway,"

the Sheriff said.

It is illegal to operate cycles designed for off-road use on the road. This ban includes any area within the right-of-way, so the cycle cannot be operated on the shoulder, and in some cases not even in the ditch. Persons ages 16 years and up can be issued a traffic citation, while fourteen and fifteen year olds can be referred to the juvenile court.

It is also against the law to use the cycles on private property without permission, and any person 14 and up can be cited for trespassing.

"We are not trying to prevent people from having fun but we have an obligation to protect the rights of others, and to make sure the use of the cycles does not infringe on these rights," the Sheriff concluded.

County Friends for Battered Women Offer Services

Friends for Battered Women of Washington County, Inc. is offering Legal Advocacy Services to women dealing with violent relationships. This service is to specifically provide emotional support to abused women through any legal procedure and technical assistance in obtaining a Domestic Abuse Restraining Order (a no-contact order).

FBW staff does not provide legal advice or legal representation, but will assist abuse victims in determining legal options available to them. Services have been coordinated with law enforcement agencies and other social service agencies throughout the county. Funding for this project is being provided by the State of Wisconsin through the Office of Children, Youth and Families.

For more information phone the FBW office at 334-7298 (West Bend), (ask Operator for) Enterprise 7298 (Hartford) or 289-9960 (Germantown) 24 hour crisis-line service.

Census figures released the past week reveal that the Village of Kewaskum showed a very substantial growth in the past 10 years. The population increased from 1,188 in 1950, to 1,569 in 1960, a growth of 381 persons. This rise compares very highly with the average increase in other communities and proves that Kewaskum is getting to be a good sized little city.

Fairmont Foods Co. last week replaced the familiar Heinemann - Kewaskum labels on cartons of milk, ice cream, cottage cheese and other dairy products produced at the local plant. As a result there is a new name in food store dairy cases in the areas surrounding Kewaskum and the Milwaukee area, where most of the products are sold. Fairmont was established 76 years ago in Nebraska and the company now has branches and sales outlets in 33 states. The company has owned and operated a large dairy plant in Green Bay for many years and acquired the Heinemann - Kewaskum dairy in August of 1957.

Robert Kroncke, son of Mr. and Mrs. Robert Kroncke Sr., Kewaskum, is one of 780 boys, 16 to 18 years of age, who are now junior classmen in Wisconsin high schools who converged upon Ripon College the week of June 11 - 18 as the American Legion holds its 19th annual Badger Boys State. Kroncke's week at Boys' State is co-sponsored by the Kewaskum Kiwanis Club and Robert G. Romaine American Legion Post 384.

Three members of the Kewaskum FFA Chapter, Lloyd Fellenz, son of Mr. and Mrs. Vincent Fellenz, Route 1, Kewaskum; Ronald Oppermann, son of Mr. and Mrs. Henry Oppermann, Route 2, Campbellsport, and David Stange, son of Mr. and Mrs. Albert Stange, Route 2, Kewaskum, received the Wisconsin State Farmer Degree at the annual state convention at Green Lake, Wisconsin, on June 15.

The engagement of Miss Bonnie Carol Stahl, daughter of the late Mr. and Mrs. Wayne Stahl, Random Lake, to Carl H. Meyer, was made known June 1. He is the son of Mr. and Mrs. Fred Meyer, Route 1, Kewaskum.

Honor roll at KHS for the second semester of studies were announced this week as follows: Freshmen - Ralph Albrecht,

Nyles Heise, Allen Koepke, William Mertz, Ann Schoenbeck, Mariel Seefeldt, JoAnn Wagner. Sophomores - Diane Becker, Edward Ferber, Richard Groh, Leon Guntly, Dona Mueller, Allan Rinzel. Juniors - Elaine Bruessel, Nancy Held, Nancy Hirsig, Rita Krell, Robert Kroncke, Jolene Miller, Judith Ramthun, Helen Schaefer, Celine Simon, Judith Theusch. Seniors - Judith Abel, Judith Rinzel, Suzanne Schmidt, Sue Sengpiel, Margo Weiss.

Army ROTC cadets in basic artillery received promotions at Iowa State University, Ames Iowa, recently. Among the cadets promoted in basic artillery was Richard Pierce, Kewaskum, to cadet sergeant. He is the son of Mrs. Margaret Pierce.

Among the 315 candidates for graduation from Wisconsin State College and Institute of Technology at Platteville on June 10, were two graduates of Kewaskum High School. Eugene Frederick Bartelt, was in secondary education, majoring in biological science. Dan E. Panzer, who graduated from Kewaskum High in 1956, was majoring in agricultural education, with minors in social science and geography.

A son was born to Mr. and Mrs. Donald Mertes, Route 2, West Bend, on June 8. Mr. Mertes is a former resident.

June 21, 1935

Some time during Sunday night burglars broke into the filling stations of Wm. Bruhn, at the intersection of Highways 55 and 28, and Clarence Kudek, near the Main Street bridge in this village. At the Bruhn place they took all the money in the gum machine, two boxes of cigars, two boxes of candy and a carton of cigarettes amounting to \$25. At the Kudek filling station they took a small amount of money which was left in the cash register. They also tried to break into the oil pumps at both places.

At the recent election of officers of the West Bend council No. 1964, Knights of Columbus, for the coming year, John W. Stellpflug of Kewaskum was elected advocate.

The 42nd annual tournament of the Badger Firemen's Association held at West Bend last Sunday was a decided success, especially so far as Kewaskum was concerned, as they copped more prize money than any other entrant in the

contests. The local department took second place in the hose contests and was awarded \$45 for this honor. A sum of \$22 was also received by Kewaskum in winning third place for the largest number of men in the parade. Kewaskum can be proud of the success obtained by their firemen against the strong competition of the many larger cities entered in the contests. It goes to show that our city is "Johnny on the Spot" when it comes to fire prevention. The Kewaskum hose team which took second place was composed of the following firemen: Marvin Martin, Norton Koerble, Wm. Schaefer, Joseph Uelmen, Walter Bruessel, Leander Honeck, Clarence Mertes, John Schlosser and A. P. Schaeffer, captain.

A very pretty and impressive wedding ceremony was performed on June 18, at Duluth, Minnesota, when Miss Ruth M. Jordahl was united in marriage to Henry B. Rosenheimer, son of Mrs. D. M. Rosenheimer of Kewaskum.

A very pretty wedding was solemnized at West Bend on June 15, when Miss Ada Schulz, daughter of Mrs. Wm. Schulz of the Town of Kewaskum, became the bride of Walter Meilahn, son of Mr. and Mrs. John Meilahn of Cascade.

Miss Margaret Ann Miller, daughter of Mr. and Mrs. Edw. F. Miller of this village, was united in marriage to Harold T. Mehring, son of Gustav Mehring of Port Washington, at the Holy Trinity parsonage on June 19.

Solemn Holy Communion was observed at St. Kilian's Church, St. Kilian, on Trinity Sunday. Those making their First Holy Communion were: Shirley Flasch, Arline Flasch, Bernice Kultgen, Angeline Flasch, Betty Jane Volm, Virginia Heisler, Roseann Simon, Ralph Wondra, Ervin Bonlender Jr., Roland Ruplinger, Florentine Zehren, Joseph Schmitt and Harry Batzler.

High school commencement exercises were held at Groeschel's Opera House last Friday evening. The following class received their diplomas: Olive Opgenorth, Martha Staats, Joseph Corbett, Olive Haug, John Schmidt, Herman Krueger, Edna Guth, Adela Dahlke and Lillian Kocher.

The picnic and dance given by the Swiss Military Band of

Milwaukee at the North Side Park last Sunday was well attended, especially the dance in the evening. The crowd was composed mostly of people from this vicinity, only about 50 people, including the band, came out of Milwaukee.

Peter Brodzeller returned from the northern part of the state last week where he bought a 240 acre farm near Plainfield for \$6,000. He exchanged his Campbellsport property as part payment. The Campbellsport property was figured at \$3,000 in the deal.

Sunday, June 12, the St. John's Ev. Lutheran Church at New Fane celebrated the fiftieth anniversary of its organization.

Chas. Groeschel, proprietor of the South Side Park, has engaged the Gibson Harp Orchestra to furnish music for a dance in his hall on July 31.

Several of the young people enjoyed a potato and marshmallow roast at the North Side Park Monday evening.

IN MEMORY

In loving memory of my husband, Clemence Kudek, who passed away one year ago, June 21, 1984, and our husband, father, grandfather, and great-grandfather, Bernard Schmidt, who passed away twelve years ago, July 4, 1973:

We are home in Heaven, dear ones;

Oh, so happy and so bright!
There is perfect joy and beauty
In this everlasting light.

All the pain and grief is over,
Every restless tossing passed;
We are now at peace forever,
Safely home in Heaven at last.

Then you must not grieve so sorely,

For we love you dearly still:
Try to look beyond earth's shadows,
Pray to trust our Father's Will.

When that work is all completed,
He will gently call you Home;
Oh, the rapture of that meeting.

Oh, the joy to see you come!

Sadly missed by the family.

At Washington Mall**

Constructing a garment is a very rewarding experience. The 4-H Clothing, Knitting and Crocheting Revue gives the opportunity for members to model the garments as well as show off their skills and talents.

The 1985 Clothing, Knitting and Crocheting Revue will be held Thursday, June 27, at the Washington Mall in West Bend from 6:30 p.m. to 9:30 p.m.

The garments are judged on general appearance, construction and accessory selection as related to figure type.

Participants eligible for the State Fair Clothing Revue will be announced. The winners for State Fair Clothing Revue will be announced at County Fair.

The Teen Choice Award, judged by the participants, will be presented at the end of the revue.

Come and see the talent of the 4-H members.

The first person to swim the English Channel was Capt. Matthew Webb, an Englishman, who completed the feat in 21 3/4 hours.

LETTERS TO THE EDITOR...

Dear Sir:

June Dairy Month is an excellent time to consider the important contribution the milk price support program makes to the American way of life.

Thanks to this program, U.S. shoppers can walk into their favorite grocery store day-in and day-out in every city across the country and find the shelves stocked with abundant supplies of fresh milk and dairy products. This is a claim consumers in few other countries can make, and a point to be particularly grateful about when we read about food shortages and rationing.

The milk price support program has provided market stability enabling U.S. dairy farmers to make continuous gains in productivity - and make dairy products an outstanding value for consumers.

Prices for dairy products have stayed consistently below increases in the overall Consumer Price Index. In fact, it takes the typical American worker about half the time today to earn the money to make purchases like a half-gallon of milk, a pound of butter and a half-gallon of ice cream compared to 1950.

Through the concept of "self help" programs, dairy farmers are taking responsibility for helping finance the milk price support program when milk surpluses get too large. Under the recent Milk Diversion Program, dairy farmers themselves totally financed the cost of "diversion" payments made to producers who contracted to reduce their milk marketings. During 1984, the program demonstrated that "supply management" works:

- * National milk production dropped three percent.
- * Government purchases of surplus dairy products went down nearly 50 percent.
- * Government costs for the dairy program were cut by over \$1 billion.

The U.S. Congress is now considering the 1985 Farm Bill which will include dairy provisions and programs for other commodities. It's essential that we keep a strong, viable dairy program intact so dairy farmers can continue to assure consumers a dependable dairy supplies at reasonable prices.

The milk price support program benefits taxpayers, consumers and farmers alike. It has a proven record in serving the public interest. Let's keep it working!

Sincerely,
James Esselmann

... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

APPLY FOR SOCIAL SECURITY NUMBER BEFORE IT IS NEEDED

People in the Washington and Ozaukee County area who plan to apply for a Social Security number should remember to apply at least 2 to 4 weeks before they will need the number, David W. Becker, Social Security manager in West Bend said recently.

It takes this time to process the application, evaluate the evidence, search the files at Social Security headquarters, and to issue and mail the Social Security number card.

When applying, a person must have evidence of age, identity, and citizenship or legal alien status, Becker said. In addition, a person 18 or over applying for the first time must apply in person. The best evidence of age and citizenship is a public record of birth issued before age 5. If this is not available, religious records established before age 5 may be considered. Only if these are not available can other evidence be submitted, Becker said.

Evidence of identity can be any document showing identi-

cation data such as a physical description, photograph, or signature. Examples include driver's license, voter's registration, school record, report card, identification card, marriage record, draft card, military ID, building pass, adoption record, court order for name change, clinic, doctor, or hospital record, or organization membership.

People applying for a duplicate card to replace one lost must provide evidence of their identity. Also, a person who wants to change her or his name on Social Security records must provide evidence of identity under both the old and new names.

Only original documents or copies certified by the issuing agency are acceptable.

For more information about applying for Social Security numbers, contact the Social Security office. The telephone number is 1-800-242-9946. A free leaflet, "Applying for a Social Security Number" is available through the office.

Minutes of Village Board Special Meeting

Special Meeting
June 11, 1985
4:30 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in special session in the Council Room of the Municipal Building, 204 First Street.

President David E. Nigh presided. Trustee Howard Laubenstein and Trustee Paul Blumer asked to be excused and were absent. All other Trustee Members were present.

Bids for the Public Improvements for Fond du Lac Avenue (USH "45") and CTH "H" were opened and read aloud as follows:

- 1) A.R. Melichar Concrete Contractor, Grafton, WI \$151,393.60
- 2) Ram Construction, Inc., Byron, WI 154,974.65
- 3) Ptaschinski Construction, Beaver Dam, WI 159,824.30
- 4) Rennhack Construction Co., Reeseville, WI 184,033.18

On a motion by Trustee Donald Mlodzik, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board turned the bidding documents over to Engineer Robert Skatrud for his review and recommendation at a future meeting.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and carried by the majority by roll call vote, the Board approved the following application for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the period commencing July 1, 1985, and ending June 30, 1986, upon proper payment of the required fee; Karen Janowiak, 109 Main Street, Kewaskum, Wisconsin. The Police Department didn't have any objections and the office was authorized to issue the proper license. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent." (Was heard at public hearing on June 3, 1985.)

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, with Trustee Richard Schlice voting no, the Board approved the purchase of Liquor Liability insurance for the Village at a cost of \$1,500.00. This was done after an extensive discussion with Eugene Bohn, the Village's insurance agent.

Administrator Daniel Schmidt reviewed a couple of correspondence items which will be discussed at a future meeting.

Motion was made by Trustee Donald Mlodzik, seconded by Trustee Mary Krueger to adjourn the meeting. Roll call

vote was 5 "Aye," 0 "Nay," 2 "Absent." The motion was carried by the majority.

NOW, THEREFORE, BE IT RESOLVED, by the Village Board of the Village of Kewaskum, as follows:

1. That the report of the Village Engineer pertaining to the construction of the above described public improvements, including plans and specifications therefore, is adopted and approved.

2. That payment for the improvements be made by assessing the cost to the property benefitted as indicated in the report.

3. That assessments shown on the report, representing an exercise of the police power, have been determined on a reasonable basis and are hereby confirmed.

4. That the assessments for all projects included in the report are hereby combined as a single assessment but any interested property owner may object to each assessment separately or all assessments jointly for any purpose.

5. That the assessments may be paid in cash or in 6 annual installments to the Village Treasurer, deferred payments to bear interest at the rate of 8% per annum on the unpaid balance. Installments or assessments not paid when due shall bear additional interest on the amount due at the rate of 1.6% per annum.

6. That the Village Administrator shall publish this resolution as a Class 1 notice in the assessment area, and mail a copy of this resolution, and a statement of final assessment against the benefitted property to every property owner whose name appears on the assessment roll whose post-office address is known or can with reasonable diligence be ascertained.

7. The Village Board is authorized to enter into contracts necessary to do the work in accordance with the Engineer's report.

Passed and approved this 17th day of June, 1985.

Introduced by Trustee Donald Mlodzik
Motion for adoption by Trustee Paul Blumer
Motion for adoption seconded by Trustee Howard Laubenstein
Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

IN MEMORY

In loving memory of our husband, father, grandfather and father-in-law, Clayton N. Kohn, who passed away five years ago, June 23, 1980:

There are very special moments That the mind cannot erase. We still see your silent shadow And the sunlight on your face. Though you're not here to comfort us

When the nights are long and cold,

In the canyons of our mind You're not hard to find.

You're love we'll always hold!

Sadly missed by the family

Wild Pitch Costs As Huskies Nip Indians

By John Harju

New Holstein defeated visiting Kewaskum, 4-3, Monday with the winning run scoring on a Don Menzel wild pitch with two outs in the bottom of the seventh. Tuesday's game at Kiel was suspended because of rain in the fourth inning with Kewaskum leading 6-1.

Menzel's costly run scoring wild pitch ruined a fine pitching performance in which he struck out 14 Husky batters, walked only three, and scattered five hits.

Menzel started off the last inning by striking out the first batter he faced. The next Husky batter, Todd Hochrein, reached first when his slow chopper was bobbled by Indian shortstop Rick Staehler. Menzel got the next batter on strikes for the second out but the next Husky up, Tim Meyer, ripped a single to right, moving Hochrein to third. Hochrein scored the winning run as Menzel's 0-2 pitch was low and in the dirt, getting by catcher Tim Dettmann.

The Indians, who are now 2-4 in conference and 5-7 overall, took a 1-0 lead in the first inning as Bob Yahr singled, stole second, and came across on a Menzel RBI single. New Holstein came back to tie the score in their half of the first as Meyer walked, stole second, and scored as Dettmann's throw to third on a steal attempt went into left field.

Kewaskum took the lead in the fourth as Menzel, who is batting .900 (9x10) in conference, led off with a triple to right-centerfield and scored on a Tim Geidel single. New Holstein, however, came back with two runs in their half of the fourth off a two-out bases loaded single by Joel Wagner to take the lead, 3-2. Kewaskum's final run came in the sixth when Dettmann led off with a double down the right field line and scored on a single by Menzel.

Husky pitcher Scott Lefebber recorded the win, going the distance, giving up eight hits, while striking out nine and walking only one.

In Tuesday's game at Kiel, which will be continued on July 1 when Kiel comes to Kewaskum, the Indians exploded for five runs on five hits in the first inning and one more run in the third to take a 6-1 lead before the rains came with two outs in the top of the fourth inning.

On Tuesday the Indians travel to Two Rivers before returning to Kewaskum on Thursday to play Sheboygan Falls. Both games begin at 6:00 p.m.

Winners in Big Fish Contest

Winners for the last two weeks of Village Sport Shop's Big Fish Contest are as follows:

For the week of June 3 to June 9th the largest Northern was brought in by Ervin Kirchner, Kewaskum. His 5#, 28½" fish was caught on the dike of Horicon Marsh.

Desta Butt, Kewaskum, registered the largest Bass for the week. It was a 17 oz., 12¼" Small Mouth taken on Shawano Lake using a night crawler.

Jeff Hansen, Kewaskum, found some good Bluegill fishing on Lake Seven. His 8 oz., 8¼" fish took the prize. He was using worms to catch his fish.

Rene Beisbier, Kewaskum, took her winning Crappie out of Boltonville Pond. Her fish weighed 7 oz. and measured 10½". A Mister Twister was used to catch the fish.

Mitch Gebheim of Kewaskum brought in the winning Walleye. The 14½ oz., 16" fish was taken on Lake Winnebago using a jig and worm.

Winners for the week of June 10-15 were as follows:

Erik Kral, Kewaskum, brought in the largest Walleye. The fish weighed 1.5# and measured 17 5/8". Erik caught the fish on Lake Winnebago using a nitecrawler.

Jason Merkel, Random Lake, had the biggest Northern for the week. His 3.4#, 25 5/8" fish was taken from the Milwaukee River using a nitecrawler.

Marcella Zuehke, Kewaskum, registered the largest Bass for the week. She used a nitecrawler to catch the 2.9#, 17 1/16" fish from Long Lake.

The largest Crappie was also taken from Long Lake this week. Bob Clojnowski of Milwaukee, brought in an 18 oz., 13¼" fish that was the largest for the week. He also was using nitecrawler for bait.

The Big Fish Contest runs weekly until July 6. There is no pre-registration or entry fee. Just bring the fish in to the Village Sport Shop and have it weighed and measured. Prizes are given weekly and the largest fish in each category for the duration of the contest is awarded a grand prize.

Ice Age Visitor Center in Dundee Offers Guided Hikes, Auto Tours and Guest Speakers

The Kettle Moraine State Forest and the Ice Age National Scientific Reserve are internationally known for their famous glacial features and interesting array of plants and animals. Learn more about the area by visiting the Henry S. Reuss Ice Age Visitor Center and participating in the Naturalist Program.

The Visitor Center is located one mile south of the village of Dundee on State Highway 67. Located high on a moraine with a scenic view of the countryside, this center offers a regularly scheduled Ice Age film program, exhibits, and a self-guided trail briefly describing the Ice Age and its effects on Wisconsin and mankind. Also, a self-guided 40-mile geology auto tour starts at the center. Guidebooks for the trail and auto tour are available at the center which is generally open all year.

Naturalist-guided hikes and auto tours, starting at the recreation areas and the Ice Age Center, are offered as easy and enjoyable ways to learn about the geology and life of the Kettle Moraine while exploring some of its out-of-the-way places. Evening programs at the Ice Age Center are also offered to help you enjoy and

learn about the area through films, slides and guest speakers.

Guest speakers and topics for June are:

June 21st — The Wild Turkey - restocking of the once native wild turkey in the Kettle Moraine will be the illustrated subject of Dale Katsma, DNR Wildlife Mgr. from Plymouth. Dale is supervising the re-introduction program.

June 28th — The Wildlife Animal Rehabilitation Center - Chris Swartz, a volunteer naturalist from the center, will discuss the role of this Milwaukee based center. Chris brings to this program a background of world travel. She will have several permanent residents from the center with her.

Weekly naturalist program schedules are posted and available free, spring thru fall, at the Visitor Center, the Forest headquarters, and the Mauthe Lake, and Long Lake entrance stations, or by contacting the Visitor Center at 1-414-533-8322, or the Forest Headquarters at 1-414-626-2116. Our mailing address is Box 410, Campbellsport, WI 53010.

We cordially invite you to join us. Remember the insect repellent. Children under ten years old must be accompanied by an adult.

KEWASKUM JAYCEES TEEN LEAGUE

This year the Jaycees, under the chairmanship of Richard Theimer, started a teenage league for 13 to 14 year olds, to fill their summer vacation with a little something to do.

There are three teams for this year, but it is hoped to have more teams next year. The sponsors are Kennelly Pharmacy Inc., Kemps Dairy Products and Shefond Self/Serve.

All the games will be played on Tuesday nights at 6 p.m.

Results of the June 11th game —

It was Kennelly Pharmacy leading the game with a Joey Miller double followed by Jeff Taylor's 2 bagger to score Joey. The second inning, with 2 people on with 2 outs, Rich Theimer hit one down the left field line to drive in 2 runs and he ended up with a triple. In the fifth inning, Shefond Self/Serve got gassed up! Dan Heisdorf started with a homerun down the left field line. That got Shefond started with bases loaded and no outs. Stacy Oppermann started her fine defensive playing, striking out one and making a fine play at home to pick off Tammy Sabish who tried to take an extra base. Then a good old spinner ball fouled out the next batter.

Kennelly had two more runs in the 6th and then held Shefond to win 6 to 2.

1985 Schedule

1. Shefond Self/Serve
 2. Kennelly Pharmacy Inc.
 3. Kemps Dairy Products
- All games Tuesdays at 6 p.m.

Deer Damage Control Rule Hearing July 1

The Department of Natural Resources has scheduled a hearing for July 1 on a Natural Resources Board emergency order pertaining to authorizing persons to destroy deer that are causing damage.

The hearing will be held in Room 112, College of Natural Resources, UW-Stevens Point, beginning at 1:30 p.m.

The order outlines the Department's procedures and restrictions relating to the issuance of deer shooting permits as a measure to control damage being caused by the animals. The restrictions include no use of artificial lights, possession of uncased firearms in vehicles, shooting from vehicles or shooting from or across highways by persons using such deer shooting permits.

The joint Legislative Committee for Review of Administrative Rules Directed the Department to adopt the procedures through the emergency rule procedure. That procedure requires that this public hearing be held.

Written comments on the emergency rule may be submitted no later than July 11th of this year to Jim Christenson, Bureau of Legal Services, Department of Natural Resources, P. O. Box 7921, Madison, WI 53707. A copy of the rule and fiscal estimate may be obtained from Christenson at the above address.

Enjoy Finest Season in Years

Boys and Girls Track Teams Break 23 School Records

Senior Mike Steinhardt, holder of eight KHS records, winning the 100 meter dash at this year's county outdoor meet in Slinger.

Senior Monty Shaw, showing the form which earned him six school records.

Senior Sandy Secor, who leaves behind three school records to her name, showing form in the triple jump.

Senior Sandy Klein, holder of four KHS long distance records, as she passes the timing stand at 3200 meter race this year.

Along the way to one of the finest seasons any Kewaskum High School track team has enjoyed in the past few years, members of the 1985 boys and girls teams broke 23 school records during this year's recently concluded season.

Two records set by members of this year's team still stand from last year, so that means that members of the 1985 team are responsible for 25 school records.

The boys' team, coached by Dave Drexler, finished the year with a 24-20 record. Highlighting the boys' year was their first place finish at the Vanderpan Invitational, a pair of thirds at the county indoor and outdoor meets, and a third place at the E-W conference meet.

Drexler's 1985 team consisted of only 27 boys, but 12 of them were senior letterwinners, thus making the team rich on individual talent but weak in overall team depth.

The team was led by two senior standouts, Mike Steinhardt and Monty Shaw. Steinhardt, a four-year track letterman, capped off his outstanding prep career by qualifying for this year's state track meet in both the 100 and 200 meter dashes. Steinhardt, who will attend the University of Indiana next fall, leaves behind eight school records—all set this year—to his name. They include: the indoor 40 meter dash (5.3), high jump (6' 2 3/4"), and long jump (21' 2 1/2"), and the outdoor 100 (11.0), 200 (22.7), and 400 (53.0) meter dashes, the high jump (6' 4"), and finally, the triple jump, (40' 4 1/2"), breaking senior team mate John Harju's record set earlier the same day at Two

Rivers.

Shaw, also a four-year trackman and headed for Stevens Point, qualified for sectionals this year in both the 800 and 1600 meter runs, and narrowly missed qualifying for state by finishing third in the 1600, with the top two in each event qualifying. His time of 4:27.7 in that race broke his own KHS record in the 1600 by almost four seconds. Shaw also holds five other school records. They are: the indoor and outdoor 880 yard runs, the indoor (2:09.0) and outdoor (2:01.7) 800 meter runs, and the outdoor 3200 (9:57.4).

This year's 400 meter relay team of seniors John Mertzig, Chris Dieringer and Jim Lauer, and junior Rick Dreher, broke their own record in the event (a new event beginning last year), which stands at 47.2 seconds, five times this year.

Also finishing out fine prep careers this year were Gunner Schlieter and John Nowak. Schlieter, who along with Shaw qualified for this year's state cross country meet, highlighted this year by placing second in the 3200 at the E-W conference meet, as well as winning both the 1600 and 3200 at the Vanderpan Invite. Schlieter, unfortunately, suffered a double-muscle pull in one of his legs late in the season, taking away any chance he had to advance to sectionals. Nowak capped off a fine prep pole vaulting career with a fifth place at Conference, clearing 11' 6", as well as winning at the Vanderpan Invite with a 12' effort.

Next year, Drexler will have a talented group of juniors back to form a new nucleus to build on.

One of the these juniors, Mark Johnson, also had a fine year, placing fourth in the 110 meter hurdles and fifth in the 3200 hurdles at regionals.

1985 Letterwinners

Seniors — Chris Dieringer, Tim Geidel, Bill Gruss, John Harju, Jim Lauer, John Mertzig, Rick Miller, John Nowak, Gunner Schlieter, Martin Selchert, Monty Shaw, Mike Steinhardt [team MVP].

Juniors — Rick Dreher, Corey Garbisch, Mark Johnson, Jeff Newhauser.

Freshman — Miles Shaw.

The KHS girls track team, unlike the boys, had much team depth which helped them to a sparkling 27-12 record. The girls, coached by Denise Leong, highlighted their season with a second place in both the conference relays meet and the Mayville Invitational, a third place at the county outdoor, and a fourth in the E-W conference meet.

Leong's team consisted of 40 girls (of whom 17 lettered) but only five were seniors, thus giving much hope for next year. Girls who own KHS records to their name include: Senior Sandy Secor, tentatively headed for Oshkosh next fall, made it to sectionals in the triple jump and the 300 meter hurdles this year where she set school records of 33' 9" in the triple jump and 50.3 seconds in the 300 hurdles in her last prep race, as she had to settle for fourth and sixth place, respectively. Secor's 300 hurdle record originally stood at 52.0 seconds after her sophomore year, but since then, she has tied or broke it three times.

Sandy Klein, a standout track and cross country runner for four years, and tentatively headed for Steven's Point, had her 1985 season slowed by a lingering illness late in the season, but, none the less, still broke her own KHS marks in the outdoor 1600 (now standing at 5:27.7) and 3200 (11:59.9) meter runs, and the indoor 3200 (12:39.8) with her indoor 1600 mark of 5:39.0 standing from last year.

Amy Kougl, a junior, established a KHS record in the 40 meter indoor dash (6.0 seconds) in its first year in existence as an event. Brenda Vetter, only a sophomore, set the indoor 400 meter mark this year at 64.4 seconds while freshman sensation Debbie Felix broke teammate Lisa Fusek's outdoor 200 record in this year's conference meet race (which she won), hitting the tape in 27.2 seconds.

This year's 800 meter relay team formed late in the season, of Felix, Fusek, Secor and Kougl also set a KHS mark this year at 1:51.1.

Also concluding a fine prep career in cross country and track this year was senior Lori Batzler with a fifth place finish in the 800 at the conference meet.

Showing signs of promise for next year include many underclass(women) including sophomore Jenny Hintz who placed third at sectionals in the shot put with a toss of 34' 5 1/2", adding over three feet to her personal best in one year.

1985 Letterwinners

Seniors — Lori Batzler, Sandy Klein, Carol Osterbrink,

Michelle Paul, Sandy Secor [team MVP].

Juniors — Lisa Fusek, Amy Kougl, Jodi Yearling.

Sophomores — Sherri Batzler, Dawn Dieringer, Jenny Hintz, Renee Kapp, Jill Rimmel, Brenda Vetter.

Freshmen — Carrie Batzler, Debbie Felix, Patti Padden.

Eichstedt Among Top Golfers in State Tourney

Even though he was eliminated in the third round of the Wisconsin State Golf Association Match Play championship at Spring Green Wednesday, Clark Eichstedt of West Bend, formerly of Kewaskum, was one of the top 16 players in the amateur event last week.

After winning the first two rounds, Eichstedt was eliminated by the eventual champion, Dave Spengler of Madison. Spengler had to come from behind to beat Eichstedt in their match which went one extra hole.

Spengler, former University of Wisconsin golfer, beat Eichstedt in 19 holes and then bested Gus Pick of Waukesha, 4 to 3, to reach the semis while firing a 3-under par 69.

After taking third place honors in qualifying, "Ike" won two matches before bowing to the eventual champ. Eichstedt is defending champion of Hon-E-Kor Country Club, Kewaskum.
