## School Board Staying With Original Levy Proposal

By GERRY MUELLER  
Statesman Staff Writer

After weeks of discussion and a variety of options, the Kewaskum School Board, Monday night, directed Business Manager Cherna Gorder to proceed with setting up a 1985 levy plan based on a version of the original proposal which was voted down by the electors at the Annual Meeting in July.

The recommendation was one of five alternative plans discussed during the meeting and, while the levy figures remain identical to those originally presented in July, the budget proposal itself will be reduced by approximately \$120,000.

In Option #1, as it was labelled, the district would maintain the current proposed levy of \$3,993,188, with budget cuts equaling \$120,217. The \$120,000, cut from the budget, will remain in the levy and be directed toward helping improve the district's cash flow/fund equity picture.

With new accounting procedures mandated by the Department of Public Instruction and present accounting practices, following the proposed plans became confusing even for those people familiar with accounting procedures. The bottom line, after all the reviewing and budget trimming is that while the 1985-86 proposed budget has been reduced by about \$120,000 the levy as proposed will not change. This means district taxpayers will be facing a 13.22% increase in the 1985 mill rate. The net (after credits) mill rate will rise from \$11.42 in 1984, to \$12.93 per \$1,000 of

## Principals to Get 5.5% Raise

District Administrator Penny Kleinhans announced Tuesday morning that the Kewaskum School Board had approved a 5.5% salary increase for all district principals and the vice principal. All fringe benefits will remain at the same level as in the past, said Kleinhans.

Kewaskum High School Principal LeRoy Kopecky's salary will go from \$36,000 to \$37,980 for 1985-86, an increase of \$1,980.

Kewaskum Elementary Principal Richard Zarling will go from \$33,866 to \$35,729, up \$1,863.

Tom Larsen, principal for Beechwood, Farmington and Wayne Elementary schools will go from \$31,546 to \$33,281, an increase of \$1,735 for 1985-86.

Middle School Principal Dennis Reha will receive a \$1,640 increase from \$29,818 to \$31,458.

Kewaskum High School Vice Principal Roy Esser will go from \$35,877 to \$37,877.

assessed valuation in 1985.

District resident Gerald Buchel told the board, "you know you'll still be voting on a deficit budget." Board President Tom Brigham said the board realized that but there was little it could do at this time without raising the levy even higher.

Board member Neal Weare told the meeting, "I'll be honest, I don't like any of these options." Weare said the electors could replace the entire board with seven farmers, mechanics, or even seven teachers and the picture will not change. "Somebody's going to get it right square in the old kazoo," said Weare. The district's problems haven't happened over the last year or two, they've been building for the last five or ten years, he noted. "The way I would like to see the budget go is, I would like the budget, plus \$120,000," stated Weare. "I'm not being insensitive to the taxpayers."

said Weare, "I know the tough time the farmers are having as well as all those laid off factory workers, but you can't keep running with a deficit budget. It's going to catch up with you sooner or later. What's it going to do to these people in the next one to three years. We're going to be faced with a real crisis."

Board member Ron Theusch, after looking at the options and an update of the budget showing its shortages, asked Gorder, "are you saying we'd have to add \$370,000 to get into the black?" "I think it's ludicrous to think we're going to increase taxes by 25%," said Board Member Perry Ankeron. "Whether we like it or not, we're going to be forced to put the kibosh on programs. We have a duty and responsibility to listen to the public that elected us and when they cry out, we better listen."

Weare told the meeting, "I don't like disagreeing in public

## 33rd Annual Kiwanis Turkey Shoot Sunday

The Kiwanis Club of Kewaskum has announced that its 33rd Annual Turkey Shoot will be held on September 15 at the Bar-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive. Thousands of people attended last year with hundreds of shooters winning fine frozen turkeys.

For a fee of \$2.50 for four shots (four shots for \$2.00 on advance sale tickets, which may be ordered from Kiwanis Club of Kewaskum, Box 68, Kewaskum, Wisconsin 53040), the shooter attempts to win a frozen turkey. There are special lines for ladies and children. Rifles and ammunition are furnished.

In addition to advance sale

tickets being accepted at all events, there will be many cash prizes awarded through special drawings. Ticket holders will not have to be present to win.

There will be trout fishing with the angler keeping the fish he catches. In addition, there will be a grand prize for the person catching the largest fish.

Trap shooting contests are conducted throughout the day. Sportsmen desiring to enter these events may bring their own shot guns and ammunition. There will be archery and pistol ranges, as well as other marksmanship contests. In addition, there will be games for every member of the family. Brats, hamburgers, hot and cold beverages will be available.

## 'Art in the Park Festival' Sunday

Sunday, September 15, marks the date of the 3rd Annual "Art In The Park Festival" for the GFWC Kewaskum Junior Woman's Club. Hours for the festival are 10:00 a.m. to 4:00 p.m. in the Kiwanis Community Park. Items for sale at the festival will include oil painting, quilted items, photography, sculpture, stoneware, stained glass items, soft sculpture, handmade wooden items, rosemary, pottery, wooden toys, pastels, china painting, ceramics and many natural craft creations.

The Kewaskum Junior Club will host a handmade bake sale, will offer "Kewaskum Kettles" cookbooks, festival balloons, and a special display on child

abuse prevention and identification. McGruff, the crime prevention dog, will be on hand with literature, as will Smokey the Bear and Woodsy Owl, during the day. The Hartford Jr. Woman's Club will provide a lunch stand and the Kewaskum AFS group will provide a healthy snack alternative. Numerous clowns will be in the park, and free games will be scheduled for youngsters. Folk entertainment will be provided by "Robin and Paul." A special showing of "My Little Friends" art will be on display.

The 1985 Junior quilt raffle will feature a hand-made, pieced, multi-colored queen sized "Tulip Quilt" as first

## Business Manager's Contract Still Under Fire

By GERRY MUELLER  
Statesman Staff Writer

Board member Kim Peterson has asked that Business Manager Cherna Gorder's 1985-86 contract, with a 15% raise, be placed on next month's Kewaskum School

Board meeting agenda.

The request came after Peterson's motion to send Gorder's contract back to the Negotiations Committee for review was called out of order by President Tom Brigham during Monday night's meet-

ing. Peterson said he had been informed by District Administrator Penny Kleinhans that his motion could be made under approval of agenda. Kleinhans said that was incorrect, only deletions or corrections could be made at that time, no additions of non-agenda items could be made.

Peterson told the board, after reviewing the revised contract and adding up the 260 work days, vacation, sick days, personal days and holidays, he came up with approximately a 13½ month contract. "I'm sure many people including myself would like to have such a contract."

In a phone conversation Wednesday morning, Peterson said he will also make a written request to the board to make sure it gets on the agenda.

## Town of Kewaskum Gets \$125,000 Highway Loan

State Treasurer Charles P. Smith, chairman of the Board of Commissioners of Public Lands, today announced the disbursement of a state trust fund loan of \$125,000.00 to the Town of Kewaskum in Washington County for highway improvements.

The trust funds were established at statehood and con-

stitute revenues generated from the sale of land grant lands and from penal fines.

The Land Commission consists of the secretary of state, the state treasurer and the attorney general, and annually invests over \$24 million in low interest loans to school districts and municipalities for a wide variety of purposes.

## Seek Sponsors for Wheels For Life Bike-A-Thon Here

Riders for the Saturday, September 21st, St. Jude Children's Research Hospital Wheels for Life Bike-a-Thon are asking Kewaskum citizens to pledge a contribution for each mile they ride.

"Every mile our bikers go earns money bringing us closer to a cure for cancer. The life-saving study of childhood cancer at St. Jude has become critical to children all over the world," said Bike-a-Thon Chairman Paul Behring.

Let's show we care. Help this cause. Your generous pledge encourages riders. After the event, help them to get the money to us quickly.

The ride starts at River Hill

Park at 9:00 a.m. and will go down Hwy. S, turn down S until Mill Road, go south until Moraine Drive and back to the park; approximately five miles. If you haven't been asked to sponsor a rider, but are interested, please call 626-2444 and a rider will contact you.

Each rider gets a lap card at registration. Every time riders pass the checkpoint the card is initialed. At the end of the ride, it is checked and signed to show that the rider earned what the sponsor pledged. Riders then return to the sponsors to collect the pledge. Riders can still get sponsor/registration forms at Homeplate Drive Inn, Rich's

# Arrests Made In Kewaskum Thefts

By GERRY MUELLER  
Statesman Staff Writer

Kewaskum Police Chief Don Hlavaty confirmed that his department has arrested David Van Assche of 5624 Sunset Drive, Kewaskum, and five juveniles in connection with a series of thefts which have occurred in Kewaskum recently.

Van Assche was arrested after an investigation showed he was involved in five separate thefts. Three male juveniles were Van Assche's accomplices in one or more of the incidents and two juvenile females were arrested for receiving stolen property from the thefts.

The first incident involved Van Assche and two juveniles in a break-in at the Kewaskum Kiwanis Community Park bath house. A cassette radio player and soda were taken.

Van Assche was involved in a second break-in at the bath house. In that incident, two cash boxes and two walkie-talkies were stolen. Three male juveniles were also involved.

The third theft involved removal of items from an unlocked van at the Regal Outlet Store parking lot. Van Assche and three juveniles allegedly stole personal property valued at \$700.00 from the vehicle.

Van Assche and a male juvenile were arrested in connection with the theft of cassettes from unlocked vehicles and a break-in to a semi-truck on the Timblin lot. A fuzz buster, tapes, cigarettes and knife were taken.

In another case, Kenneth Rueppert of 219 Main Street, Kewaskum and two juveniles were arrested for stoning a Chicago and Northwestern Train.

The department is still in-

vestigating a weekend burglary at Kennelly Pharmacy in the Kewaskum Mall.

During routine rounds, early Sunday morning, Sept. 8, officer Robert Buddenhagen discovered the front door glass broken. Thomas Leitzke and Linda Thorn were notified of the break-in. A search of the premises found no one in the building. Some men's necklaces and jewelry were found on the floor. Thorn said as far as she could determine nothing had been stolen from the store area. Leitzke told the police two bottles of Dilaudid, a very strong drug, worth about \$10.00 a pill on the street were stolen.

Hlavaty said two males had been identified as being in the store during the day. They have previous records for drug thefts. He stated the case is still under investigation but no arrests have been made yet.

traffic does not warrant a guard as people are not using the crossing, said Kleinhans. She said she would advise the village to discontinue its advertising of the position.

The board approved an administrative recommendation to change the place of Board of Education meetings from the high school library to the cafeteria starting with the October meeting.

The board also approved recommendations concerning various contracts, issuance of diplomas, and tuition waiver for a student who will be moving into the district during the semester.

The board then adjourned to closed session for contract discussions with the principals and vice principal.

## Surplus Food Distribution At High School Saturday

Washington County has received surplus commodity food items that will be distributed to eligible households on Saturday, Sept. 21, between 9 a.m. and 11:30 a.m. at the following seven locations.

West Bend, St. Frances Cabrini Church, 615 Hawthorne (lower level parking lot); Hartford, Municipal Recreation Department, 525 N. Main St., Germantown, Senior Activity Center, W162 N11960 Park Ave.; Slinger, Village Hall, 220 Slinger Road; Allenton, Addison Town Hall, Village of Allenton; Kewaskum, Kewaskum High School, north entrance; and Jackson, Jackson Fire Department, S. Jackson Dr.

Eligibility is based on the current monthly gross income (before taxes) of all household members with the following limits; Household size 1, income limit \$656; 2, \$881; 3, \$1,106; 4, \$1,331; 5, \$1,556; 6, \$1,781; 7, \$2,006; 8, \$2,231; 9, \$2,456; 10, \$2,681.

Eligible households will receive butter and processed cheese. In addition they may choose one of the following: honey, cornmeal, flour or dry milk in amounts which will vary per household with availability

of commodities and household size.

Persons are prohibited from obtaining commodity foods more than once during this distribution period. Violators will be referred to the district attorney. Also, these products may not be sold, traded or given away by any member of the recipient household.

Although no income verification information is required, a self declaration form must be signed by the recipient and is subject to state audit. You may also be asked to provide proof of residency.

This program is being coordinated by the Washington County Department of Social Services, and handled locally by various volunteer groups in each community.

Kewaskum's distribution is jointly handled by Kewaskum Kiwanis and FFA.

Brigham said Weare and Ankerson represented two positions and it seemed to him the board was in a position to compromise. We have to melt these positions together and come up with a solution that will aid both sides.

Gorder will present the levy for final approval at the October 14th meeting.

In other business the board heard a presentation on alternative health insurance programs from Schools Insurance Fund. The board is looking into other plans in an attempt to reduce the district's insurance costs.

District Administrator Penny Kleinhans read a report from Kewaskum Police Chief Donald Hlavaty regarding the need for a crossing guard at the Highway H and 45 intersection. On the basis of the Chief's report,

## Jaycees to Sponsor Football Fundamentals Competition

The Kewaskum Jaycees will be running a Football Fundamentals Competition on Saturday, September 28th, at 9:30 a.m. on the Kewaskum High School practice football field, with registration at 8:30.

Football Fundamentals is the same program that Ford Company ran, known as pass, punt and kick. There are three levels of competition: local, regional and state. The six age groups involved consist of ages 8 through 13 years old. Age of entrant on October 27, 1985, determines his or her age group.

There will be medallions given out to the top three finishers of each age group. From there, the top finisher in age age group will go on to the regional competition, which will be announced at a later date. State competition will be held November 2nd at Green Bay on the Packers' Practice Field.

State winners (first place) will then be provided with hotel accommodations and will be the guests at a tailgate party prior to the Packers/Chicago Bears game on Sunday, Nov. 3rd. The winner will be present on the sidelines during the game. Note, that only the first place winner of each age group at state and his/her family will be

given hotel accommodations for November 2nd.

Only participants with waivers signed by a parent/legal guardian will be eligible to compete. Proof of age is required.

There is no registration fee. Athletic shoes are required for all levels of competition. Athletic shoes with uppers consisting of materials such as canvas, suede, soft leather or nylon will be allowed, provided the sole is made of a flexible rubber-like material. No special foot gear such as football shoes or boots or any spiked or hardtoes shoes can be worn at any level of competition. Also, no barefoot kicking or punting is permitted.

No contestant will be disqualified for using rosin or similar products at any level of competition.

Contestants 8, 9 and 10 years of age will use a junior or intermediate size football and those 11, 12 and 13 years of age will use a regulation size football.

Football Fundamentals is co-sponsored by McDonalds.

If you have any questions, call any of the following people: Debi Korneli 626-4660, or Wesley Haug Jr., 626-2910.

## Jon Etta Is Runner-Up For Regional FFA Award

Jon Etta of West Bend has been named a Silver Award winner in regional competition for the National FFA Swine Production Award. Jon is the son of Ethan and Judy Etta and a member of the Kewaskum FFA Chapter.

Jon became eligible for the regional run-off when he won the \$100 State FFA Swine Production Proficiency Award sponsored by Pfizer Inc., New York, New York, as a Special Project of the National FFA Foundation, Inc. The award is one of 29 Agricultural Proficiency Awards presented annually at local, state, regional and national levels to recognize FFA members for achievements in activities leading to careers in agriculture.

This year's regional winner was James Gardner of Cave City, Kentucky, who will

receive a plaque, a check for \$250 and partially paid travel expenses to the National FFA Convention in Kansas City, Missouri in November. At the convention, Gardner will compete against three other regional Swine Production Proficiency Award winners selected from each of the other three FFA regions.

Jon was presented a framed certificate recognizing his placing in the regional competition.

Noah Young ran a mile in 8 minutes 30 seconds carrying a 150 pound man on his back. Young weighed 198 pounds. He made the run on April 12, 1915, at Melbourne, Australia.

## Jazzercise Promotes Fitness for All with Nine Statewide Open Houses Sept. 11-12

Pam Fritz, a West Bend Jazzercise instructor will join 223 other Jazzercise instructors, throughout the Central United States, by offering a city-wide Open House in her classes on Sept. 11-12.

Why an open house? "We wanted to say thanks to all our students who have made Jazzercise a success in the Midwest. We also wanted to give the public an opportunity to see what Jazzercise is all about," says Pam Fritz, local Jazzercise instructor.

The Open House will include a 15 minute fitness lecture, to help introduce the public to the

instructors credentials, the anatomy of a Jazzercise class and teaching techniques. The lecture will be followed by a regular 60 minute class. Refreshments will also be served.

Jazzercise, the nations number one leading dance fitness program, is solidly based on the accepted principles of exercise safety and physiology. The instructors teach the routines follow-the-leader style, demonstrate modified movements for people with sensitive areas (knees, lower back etc.) and cue students on breathing correctly,

## Girl Scout News

Gee! with the hot weather that we have been having the past few days, it was hard for the Girl Scouts of Kewaskum to believe it is time for their first troop meetings. Most troops have met and the scouts now have gotten acquainted with leaders and fellow scouts. The scouts have been busy making plans for the coming year.

This year for the first time there is going to be something new in Kewaskum. There is going to be a special troop of Girl Scouts that have handicaps. This will be a troop that will do scouting projects to their ability. It will also give them an opportunity to work and play with other girls and still be a Girl Scout.

If there is anyone that would like to help with this special troop just call Janet Panzer at 626-4001.

## To the Editor: Other Side of the Meeting

I want you to know all the facts. First of all after several conversations with Dick Peterson from the D.P.I., he asked me to ask the town of Wayne Board and the Town of Scott Board to go back and meet once more. It was his suggestion, not mine. I only followed his advice. The Town of Wayne posted their meeting and so did the Town of Scott on Monday about 5 p.m. This is what was posted at three different places: Notice Public Meeting, 7:30 P.M., August 27, 1985. There will be an open and public meeting involving the Town Board of Wayne, the Town Board of Scott and the School District of Kewaskum administrator, Board of Education, at the administrator's office.

The purpose of said meeting will be to discuss the 26.5% raise for the business manager of the Kewaskum district and other matters pertaining to the expenditures of school monies. This notice was signed respectfully by my town chairman, Charles Fick. I called the district office on Tuesday a.m., told one of the office girls it was posted the day before, and anyone wanting to know could go and read it. A copy of said meeting was given to Penelope Kleinhans at the start of the meeting that evening. So why wasn't the purpose of the meeting given to the reporters? I was asked by Board President Mr. Brigham why other Town Boards were not invited. I was not given that advice from D. Peterson, I did as he told me. Mr. Jack Theusch, chairman, Town of Farmington, was there and thanks for your concern by being there.

Yes, the same questions came up, the big raise of \$2,500.00 gift for 11 months of work. Why? She was paid \$1200.00 for extra work when Mr. Long left. Have you taxpayers got that much money to

give away when everybody is giving back, and is glad to have a job?

That contract was made in closed session on July 15th, a week before the annual meeting. Why? When the School Board President had in the papers all contracts were on hold until after the annual meeting. Why was only one contract negotiated before the annual meeting and kept quiet for two and a half weeks?

That contract read 240 days in closed session. Why in open session, can that same Board Member Jean Goeden alone make a motion to read 260 days without going back and negotiating with the business manager? Take the calendar and figure it out. There are not 260 working days in a year, unless you work Saturdays; plus \$300.00 car allowance, and getting 20 cents a mile. We sure have money to give away! I was

told people go where the money is! No way do I intend to sit back and forget it.

Then you look on page 18 of the budget Debt Retirement. Short Term Loans \$29,900.00. Interest on Loans \$29,000.00, then take a close look at the next line Agent Fees \$900.00. What agent? And who is the agent? Ask someone to explain. I already know.

People are having a rough time, the working man and the farmer, also business. Then why not figure the raise onto the salary where it belongs? A five thousand dollar raise was not in line with the present times. But I was told you go where the money is! So now I hope the rest of the staff and the teachers understand.

There are some very highly dedicated teachers in the group, let us not put them on the back burner. Also at that meeting Penelope Kleinhans brought up my private life. That was none of her business. That incident happened 34 years ago. Does someone want to look into hers? Again I ask let's spend money

on the students, not where it don't belong. Kids have a hard road ahead, let's help them in any way we can - "I love them." Thought you would like to know a few details from the other side of the fence." Thank You.

## Youth Soccer Athletic Extravaganza Saturday

WEST BEND — In a continuing effort to promote high quality activities for young people in the area, Big Brothers/Sisters of Washington County will sponsor its first annual Youth Soccer Athletic Extravaganza, this Saturday, Sept. 14, from 9 a.m. to 3 p.m. at the soccer fields at Regner park. The event is held in conjunction with the Kettle Moraine Soccer League, which represents teams from around the county and includes boys and girls between the ages of five and 14.

Throughout the morning of the extravaganza, fourteen teams from Hartford, Erin, West Bend, Slinger, Germantown and Allenton will be playing regularly scheduled soccer games beginning at 9:15 a.m. Two games will be played each hour through 1:30 p.m.

The highlight of the day's events will be a soccer demonstration and practice drills by members of the Milwaukee WAVE professional soccer team set to begin at 1 p.m. Throughout the day, exhibitions will also be provided by gymnastics, tumbling and pompons by area youth groups.

Concession stands featuring hot dogs, brats, snacks and soda will be open all day, with all proceeds going to benefit the Big Brother organization. Admission to all events is free to the public.

According to Kathy Saemann, Executive Director of Big Brothers/Sisters of Washington County, the purpose of this first soccer and athletic exhibition is three-fold. "First of all, it is intended as a way to promote the sport of soccer and the hard work of the Kettle Moraine soccer league," she said.

"We also want the extravaganza to simply provide a good time for kids in Washington County and their parents," said Saemann. "Big Brothers had for many years sponsored an annual softball tournament in August as a major fundraising event, but due to many conflicts with other softball tournaments, decided to replace the event with another. Also, the group is impressed with the Kettle Moraine Soccer league's concern with preserving the ideals of sportsmanship and stressing participation, teamwork and good spectatorship among its participants," said Saemann.

The other purpose for holding the soccer exhibition is as a fundraiser for Big Brothers, which relies on contributions and other fundraising events for a large portion of its annual budget. The Board of Directors of Big Brothers has solicited advertising support from businesses throughout the county and will provide booklets to all extravaganza visitors. The booklets will feature the rules of soccer, team pairings and other important information about soccer, the league and Big Brothers.

This first, of what is hoped to be many more, future soccer events, was largely planned by a special Big Brothers committee, led by Kevin O'Meara and Jerry Beerends. Instrumental in coordinating this event with the Kettle Moraine Soccer League was Laura Kelly, League secretary and President of the

West Bend YMCA program.

The following represents the schedule of soccer games for the youth teams:

9:15 a.m. - Germantown Strikers vs. West Bend Hornets (U-10); (U-6).

10:30 a.m. - Hartford Trappers vs. Erin Leprechauns (U-8); Erin Dolphins vs. West Bend Chargers (U-12).

11:55 a.m. - West Bend Slammers vs. West Bend Rammers (U-8); Hartford Wolverines vs. Slinger Goal Busters (U-10).

1:30 p.m. - Germantown Wave vs. Hartford Sockers (U-14); Allenton Wave vs. Germantown Flames (U-8).

### Carolinda House Receives Grant

Carolinda House, West Bend, a 10-bed halfway house for women with alcohol and drug abuse problems, has received a \$15,000 grant from the Walter and Olive Stiemke Foundation's Milwaukee fund.

The Exodus Transitional Care Facility, which operates the halfway house, will use the money to pay building costs at the facility.

The Stiemke Foundation is a special purpose fund established in 1984 from contributions from the Stiemkes' assets. During the 20 years it was a private foundation, more than \$4.3 million in grants was given to support non-profit organizations.

Carolinda House opened in February this year with projected costs of \$160,000 for purchase of the building and necessary equipment. Including the Stiemke grant, Carolinda House has received \$70,000 in donations.

The Exodus Transitional Care Facility also operates the Exodus House, a halfway house for men in Kewaskum.

### 'Marriage of Figaro' At UWWC Sept. 13

The Milwaukee Opera Company will perform THE MARRIAGE OF FIGARO in the UWWC Theatre at 8:15 p.m. on September 13.

Love, intrigue, and mistaken identities, themes common in most Mozart operas, appear in THE MARRIAGE OF FIGARO. Mozart also took this opportunity to poke fun at aristocrats by making them appear silly while the common folk in the opera are portrayed as sensible. This political undertone offended the aristocracy of the 18th century in Austria, and, as a result, caused the opera to close after only nine performances. Today, THE MARRIAGE OF FIGARO is a popular opera.

Tickets for the September 13 performance are available at UWWC, 400 University Drive in West Bend. Reservations can be made by calling 338-5208. General admission is \$4.00, with discounts for senior citizens, youth and UWWC students.

### Open House at Threshold Sept. 20

To better educate area residents on services available to disabled persons from Washington County and surrounding areas, The Threshold, Inc., located at 600 Rolfs Road in West Bend is planning an Open House. Set for Friday, Septem-

ber 20th from 9:00 a.m. to 2:00 p.m., guided tours and refreshments will be available.

The Threshold is a rehabilitation agency currently providing over 225 adults with vocational and educational opportunities. Twenty developmentally delayed or disabled children between the ages of 0 and 3 are served in the Early Intervention Program.

This will be a unique opportunity to view the programs and subcontract operations in progress.

The Threshold is a member of United Way of Washington County.

### Free Prairie Walk At Cedar Lake Home

Explore the constantly changing prairie and enjoy its colors invites the Cedar Lake Home Campus Forest, Trails and Prairie Committee.

The community is invited to join in free nature walks of the Campus' 8 acre Wisconsin prairie located just off the shores of Big Cedar Lake, to be held Saturday, September 21.

Knowledgeable naturalists will guide participants through the colorful prairie explaining the wide variety of plants and flowers found in Wisconsin.

Registration is limited. Call the Cedar Lake Home Campus at 334-9487.

The not for profit Cedar Lake Home Campus is located at 5595 Hwy Z, just 2 miles south of State 33, west of West Bend.

**Right Turn on Red Not a 'Right'**

Washington county motorists do not have a "right" to turn right on a red light, according to Washington County Sheriff Clarence A. Schwartz.

"In instances where a driver wants to turn at a red light and a pedestrian is crossing or about to cross on a green light, the pedestrian's rights are paramount every time," Sheriff Schwartz stated.

Motorists wanting to turn on red are required to first come to a complete stop. If there is no sign posted warning of "NO TURN ON RED," the motorist then may cautiously proceed to enter the intersection — yielding to pedestrians, bicyclists, and other motor vehicles legally proceeding with the green or "Walk" signal. Only after completing all these steps is it legal to turn right on the red light.

Pedestrian rights should be respected at all times but

particularly during inclement weather. It is a lot more pleasant for a motorist sitting in a warm car to slow or stop for a pedestrian than it is for the pedestrian to wait in icy cold or rainy weather while streams of traffic pass the crosswalk.

## Wisconsin's Landlord/Tenant Rule

By Joyce Albrecht  
Extension Home Economist

Landlords fall into the same category as mothers-in-law. There's lots of good ones, but you don't hear much about them. You do hear about landlords who don't respect the rights of their tenants, who won't maintain their property, who refuse to return security deposits and gouge tenants with outrageous rents.

Wisconsin has an administrative rule to help regulate residential rental agreements. The rule gives the Department of Agriculture, Trade and Consumer Protection the authority to regulate landlord/tenant relations and to investigate any reported complaints. Landlords who repeatedly are found in violation of this rule are prosecuted.

According to the rule, before landlords enter into a rental agreement or accept a deposit, they must let the tenant know about any uncorrected housing code violations, as well as other conditions which could result in a substantial hazard to the tenant's health or safety. Landlords must also let tenants know if water, heat or electricity isn't included in the rent.

If you're involved in a landlord/tenant problem, contact the Office of Consumer Protection. If your problem is covered by the code, the office will ask you to fill out a complaint form. Attach all receipts, documents and other pertinent information. When your complaint form is completed, an investigator will try to mediate the problem and inform you of any findings. Unless the problem is part of a pattern of complaints, however, the office is not staffed to

prosecute individual cases. If the office finds a violation of the landlord/tenant rules, you will be furnished with documentation which you may use as evidence in court.

The landlord/tenant rule governs the four areas of rental practices:

1. rental agreements or leases (even if you do not have a formal lease, you have certain legal rights as a tenant).
2. security deposits.
3. disclosure of conditions affecting habitability, such as a broken toilet or an inadequate furnace.
4. unauthorized entry of the landlord into your home.

If you have questions or would like a copy of the landlord/tenant rule, contact the nearest Consumer Protection Division Office of the state DATCP. Regional offices are located in Madison, Milwaukee, Green Bay and Eau Claire. The toll-free number is 1-800-3020.

## State Drinking Age May Change, Senator Stitt Reports

By Senator Don Stitt

In the months ahead, the Legislature will debate raising the drinking age from 19 to 21. This issue revolves around potential loss of federal dollars and potential accidents caused by young people who drink illegally and abuse alcohol.

Federal highway funds of \$21.7 million may be withheld in 1987 and 1988 if the drinking age is not raised to 21 by October, 1986. These funds represent a significant portion of Wisconsin's highway improvement funds.

The federal government is threatening to withhold the money because the President and Congress believe "border problems" exist whereby young people are drawn into Wisconsin from neighboring states with higher drinking ages. In addition, some argue that 21 is the most appropriate drinking age for young people for many reasons.

Opponents of the possible raise to 21 formed a lobbying group called "Stop 21" which is made up of tavern and restaurant owners. They claim that there are significant problems associated with a 21 year of drinking age.

They argue that the change to 21 could cost the state \$3 to 9

million in lost sales and excise taxes because of the decline in beverage consumption. Further, these people claim that raising the drinking age to 21 would not save lives as many believe.

The debate aside, many of our neighboring states do, in fact, have higher drinking ages or have taken steps to enact higher drinking ages. Illinois, Michigan and Indiana now have a 21 year old drinking age. Minnesota has passed a bill which will raise the drinking age to 21 if Wisconsin raises the drinking age to 21.

The facts on this issue speak for themselves. Many out of state young people coming to Wisconsin to drink encounter serious alcohol related accidents. Furthermore, studies have shown that young people have serious problems handling alcohol. Raising the drinking age to 21 will not solve all the problems associated with young people and alcohol abuse, but it will be a step in the right direction.

Please feel free to write me, Senator Don Stitt, P. O. Box 7882, Madison, Wisconsin 53707 or call my office at 608-266-7513 or leave a message with the Legislative Hotline at 1-800-362-9696.

## Tasty Pear Bars Are Quick To Make

Pear Butterscotch Bars, perfect for lunch boxes or coffee-time treats, are quick to make with convenient canned Bartlett pears.

One-step mixing of all ingredients, including the juicy diced canned pears and their flavorful syrup, enables you to have the cake-like bars ready for the oven in just minutes. A sprinkling of chopped pecans and butterscotch pieces over the batter makes a delicious baked-on topping.

Another time, serve Pear Butterscotch Bars as a dessert rather than a snack. Prepare the recipe as directed, then cut into squares while still warm. If desired, top with vanilla ice cream or whipped cream.

Available in a variety of packs and can sizes, canned Bartlett pears are conveniently ready to use right from the can in a variety of salads, meat accompaniments, desserts and baked goods.

### PEAR BUTTERSCOTCH BARS

- 1 can (16 oz.) Bartlett pears
- 2 cups flour
- 1 cup packed light brown sugar
- 2 teaspoons baking soda
- 1 teaspoon salt
- 2 eggs
- 1/4 cup butter or margarine, softened
- 1 package (6 oz.) butterscotch morsels
- 1/2 cup chopped pecans

Drain pears, reserving syrup; dice. In large mixer bowl combine pears, reserved pear syrup and all ingredients except butterscotch morsels and pecans. Mix until blended at lowest speed of mixer, then beat 2 minutes at medium speed. Pour batter into greased 13x9x2-inch baking pan. Sprinkle with butterscotch morsels and pecans. Bake at 350°F. 35 to 40 minutes. Makes 2 dozen bars.

## SCS Helps 1,000 Farmers In Emergency Loan Effort

Final numbers are rolling in now on the massive emergency farm loan operation begun in Wisconsin last March. In addition to the state program, two federal agencies joined hands to help deliver loans to Wisconsin farmers to the tune of \$200.5 million.

The U.S. Soil Conservation Service (SCS), normally concerned with helping landowners use their soil and water in the best possible way, pitched in to help Farmers Home Administration process farm operating loans.

"It was a drain on our conservation work, but first things must come first," says Clifton Maguire, SCS state conservationist.

"SCS support in this massive endeavor contributed substantially to its success," said Ron Caldwell, FmHA state director.

All told, SCS contributed 2.3 staff years to get the emergency loans out to farmers. A total of 34 SCS employees from all parts of the state spent 4,819 hours conducting "chattel appraisals." Chattel means all personal property except real estate.

"We appraised the value of machinery and livestock, primarily dairy cattle," says Glenn Kinderman, SCS district conservationist in Dane County. "Based on those figures and other information — debt load, outside income, the total financial picture — FmHA

decided whether or not to give the loan."

SCS, which is a federal agency of the USDA, was much more involved with the emergency loan program in Wisconsin than in any other state. Thirty-four of the 235 SCS employees in Wisconsin helped over 1,000 farmers with loan applications. Don Kurer, District Conservationist, West Bend, made 26 appraisals in Washington, Waukesha and Ozaukee Counties amounting to about 3 million dollars.

"The work had to be done," says Erv Lesczynski, SCS District Conservationist in Fond du Lac County. "The farmer needed it and we're working for that person."

"For the amount of money that went out, it was very worthwhile, although it did pull away from our conservation work," he continued. Lesczynski conducted 75 chattel appraisals in Dodge, Fond du Lac and Sheboygan counties in April and May.

"Most of the farmers I visited were just up against it. They were good farmers who got stuck with too high interest rates," says Hugh Eddy, SCS district conservationist in Buffalo County. "Some said that if the loans didn't come through they'd be having an auction sale in the fall."

SCS staff provided assistance on about half the loan applications FmHA processed during this spring's effort.

## York Pushes Wisconsin Jobs Agenda

MADISON... State Representative Dwight York (R-Lomira) said he and fellow Republicans are pushing a 10 point program for job creation in our state. We need to free up our state's economy so it can perform to its potential and open up new opportunities for more working people, blue and white collar alike.

A less time consuming permit process, phase out of the Wisconsin inheritance tax, state help for firms trying to obtain federal contracts, and regulatory changes making it easier to recycle spent sands and certain other foundry wastes, are among the items on the job agenda.

"I really feel that we have come a long way toward understanding that there is nothing impossible about economic growth ideas that are good for both labor and business. I think most people can agree that the need for jobs for our people in Wisconsin is of the highest priority," York said.

"The most important tax item in this package is the inheritance tax phase out over five years. This is not a major raiser of funds in Wisconsin, as it only brings in totally about \$60 million a year. That is a lot of money, but it isn't very significant in the context of the \$18 billion state budget. The important thing is freeing up the investment potential that our inheritance tax is now driving out of the state to places

like Florida and Arizona. With this change, we can see money available for jobs creation here in the State of Wisconsin. We will be having a special session on economic development, and it is imperative that we get bipartisan support for creating jobs both for the present and also for the future of our state.

If you have any ideas on job creation, feel free to contact Representative York by calling the Legislative Hotline at 1-800-362-9696.

## 'Remember the Contributions Farmers Make,' Petri Says

WASHINGTON — Representative Tom Petri, R-Fond du Lac, says that most people don't fully appreciate the importance of America's farmers. "With the miracles of modern transportation and technology, most urban dwellers are accustomed to a constant supply of a wide variety of fresh produce, dairy products and meats. But, they seem to give little thought to those who labor long hours to provide the food on the table," Petri said on the floor of the House of Representatives September 5.

"Farming is a risky business," Petri said. "It requires more speculation than the stock market, more gambling than a weekend in Las Vegas, and more dedication than the quest for an Olympic medal. The job pays no overtime, nor can a farmer allow bad weather to slow him down. Yet farming has persisted as a way of life despite the hard work and economic difficulties."

"The economic health of America's hardworking farmers and the farm community are vital to our nation's economy. When there is a farm credit crisis, the bankrupt farmer is only the first in a long line of bankruptcies to follow," Petri said.

"This weekend, I will be holding meetings with farmers in my district to discuss the farm policy bill we will soon be debating here. I believe that many farmers are more con-

cerned about whether my urban colleagues really understand the special problems faced by farmers, than about receiving federal dollars. I urge my colleagues to remember the important contribution farmers make to our national economy and the unique problems of rural communities when we consider farm policy legislation later this year," he said.

The Kewaskum Community High School and grade schools opened on Tuesday with another all-time record enrollment of 760 students, which total exceeds last year's figure of 726 by 34 pupils. The enrollment in high school is 384, which exceeds last year's total of 368 by 16 people. Enrollment in the grades is 376 pupils, 18 over last term's figure of 358.

Jane Marie Thorn, four-year-old daughter of Mr. and Mrs. Herbert Thorn of the Town of Auburn, Route 2, Campbellsport, residing near New Fan, died Sunday afternoon of a skull fracture suffered when she fell off a hay wagon on her parents' farm.

Holy Trinity Catholic School opened on Wednesday morning with another increase in enrollment to 253 pupils, a gain of nine over last year's total of 244. Names of the 35 first graders who started school are: Ronald Bath, Sharon Campbell, Susan Czaja, Pamela Dreher, Jerome Dornacker, Anne Etta, Steven Fellenz, Richard Halfmann, Thomas Haug, Rosalie Heisdorf, Cheryl Keller, Thomas Krieser, Jean Koerble, Leo Lettow, Dean Monday, Michael Petri, Mark Reindl, Michael Reindl, Lucille Schickert, Jane Schmidt, Gerald Schoofs, Steven Schoofs, Joseph Slegler, Allen Staehler, Patrick Staehler, David Stellflug, Ann Stoffel, James Theusch, Kristine Volm, Bonnie Manthei, Thomas Cornelius, John Ebersold, and Glenn Eichstedt.

Jack Jadro, who managed the Burckhardt Electric, Inc. store in Kewaskum for the past five years, has purchased the Kewaskum branch of the business from Mrs. William Burckhardt of West Bend, who also operates a business in that city. Recently Jadro was promoted to the management of the West Bend store, but rather than go to that city and as the result of a development which arose, it was made possible for him to purchase the Kewaskum business. He took over the ownership of the local store on Sept. 1.

Mr. and Mrs. Lester "Pessy" Dreher have sold their home on North Fond du Lac Avenue to Harold Ruplinger and his mother of St. Kilian, and with their son Jimmy and Miss Lillie Schlosser have moved to Florida where they will make their home in a new residence they have built at Tarpon Springs.

William F. Kondoski, 51, of Route 1, Kewaskum, died Sept. 4, at St. Agnes Hospital, Fond

du Lac, from injuries he received July 18, when his car left Hwy. 45, at County Trunk K, 3 1/2 miles south of Fond du Lac and rolled over after bouncing up several feet onto an embankment. He was pinned to the ground by the auto. Mr. Kondoski, formerly of Milwaukee, was engaged in farming.

The public school which opened on Monday of this week registered an enrollment slightly above that of last year. The increase is primarily in the grades. The high school enrollment is practically the same as that of last year. The enrollment by departments is: Primary Room 32, Intermediate Room 28, Grammar Room 28, High School 132. The total enrollment is 220. Those entering the high school as freshmen are: Russell Belger, Earla Prost, Dolores Mae Backhaus, Frederick Menger, Edmund Thull, James McKee, Wesley Kuehl, Bernard Hafeman, Marlin Schneider, Harold Schlosser, Elroy Liermann, Betty Jane Petri, Hazel Darmody, Donald Habeck, Leroy Krahn, Lucille Pfenning, Lucille Theisen, Annette Beilke, Beatrice Backhaus, Carl Mayer, Byron Bunkelman, Annabelle Grotenhuis, Shirley Warner, Evelyn Kriesser and Mabel Marie Weddington.

The newly remodeled and redecorated Lighthouse ballroom, formerly known as the Midway, located on Highway 55, between Barton and Kewaskum, will have its opening dance Sept. 20. Elmer and His Harmony Kings will play. Henry Suess is the proprietor. The new ballroom is constructed of steel and is very modernly designed, including a lighting system which supplies 100 different color combinations. Mr. Suess will run dances every Sunday evening during October and November.

St. Kilian's Catholic Church was the scene of a pretty wedding Tuesday when the Rev. J. B. Reichel performed a ceremony uniting in marriage Miss Florence B. Hurth and Reynold P. Bonlender.

A couple very widely known in this community, Carl Stange Jr. and Miss Irene Backus were united in marriage on Sept. 7 at the Evangelical Lutheran Church. The bride is a daughter

of Mr. and Mrs. Otto Backus of the village of Kewaskum, while the bridegroom is the son of Mr. and Mrs. Carl Stange Sr. of Route 1, Kewaskum.

Betty Hatch, 5, daughter of Mr. and Mrs. Robert Hatch of Campbellsport, was seriously injured Tuesday when she was struck by an automobile, while she was crossing a street. The child is said to have run into the path of the car. Her injuries consisted of a broken leg at the hip and bruises to her head and body.

The co-partnership of Nicholas Rimmel and Philip Gilson, proprietors of the Rimmel-Gilson Foundry Company, was dissolved Thursday. Mr. Rimmel becoming the sole owner, having purchased Mr. Gilson's interest in the business.

Henry, the 4 1/2-year-old son of Mr. and Mrs. Carl Meilahn, residing two miles northeast of here, died Tuesday morning after a five days' illness.

Joe Kastoroff and Chas. Koshnick, both of Eden, who were employed by carpenter Louis Brandt of Kewaskum, had a narrow escape from death last week Friday when a scaffold on August Kirchner's house, 2 1/2 miles southwest of here, gave away, both falling about 20 feet to the ground.

The heaviest mail ever received here at the local post office was received last Saturday. The rural carriers were hardly able to manage same. The reason for this heavy mail was because of the political matter sent out just shortly before the primaries.

Stuart Campbell, aged 94, the oldest resident of Campbellsport, after whom the village

was named, died last Wednesday afternoon at the old homestead, 1 1/2 miles west of the village of Campbellsport.

One of the most beautiful weddings that occurred at St. Kilian, took place last Sunday when Christ. Mathieu of Elmore and Miss Zita Strobel, daughter of Mr. and Mrs. Joseph Strobel of St. Kilian, were united in the holy bonds of matrimony.

to the horses. Other activities include a poster contest, speaking and demonstrations, horse judging and hippology contests, the state finals for the Horse Bowl and a photography exhibit.

Lisa Bloom, Jenni Carron, Laurie Horlamus, Kim Shelmidine, Kellie Shelmidine, Sherrie Spors and Nolene Todl participated in the hippology contest. Also Kim and Nolene entered a poster. Youth active in horse judging included Lisa Bloom, Jenni Carron, Laurie Horlamus, Kellie Shelmidine, Kim Shelmidine, Sherrie Spors, Nolene Todl and Becky Walsh.

The photography exhibit is new to the Expo. Robby Beisenstein of Hartford participated in this event.

The entire show was inside at the Dane County Fairgrounds, and the 4-H Horse Expo helped celebrate a decade of competition.

## COUNTY EQUESTRIANS COMPETE IN STATE 4-H HORSE EXPO

About 600 young people and their horses gathered in the ring September 5-8 to compete for state honors. No, it was not a battle royal — it was the 20th annual state 4-H Horse Expo, and the ring was the show arena at the Dane County Fairgrounds in Madison.

The event is really a family affair that involves a lot of family participation. The participating 4-Hers work all year to get to Madison and it's a big event for the rest of the family as well.

All participants are blue ribbon winners at this year's county fair in showmanship, equitation or pleasure classes.

Youth representing Washington County were Jenni Carron, Beth Ebert, Justin Eichmann, Sarah Goebel, Ann Marie Gromacki, Aimee Hoffmann, Laurie Horlamus, Rane Loomans, Randy Miller, Kay Neuberger, Theresa Phillips, Robin Richter, Tina Schneider, Kim Shelmidine, Sherrie Spors and Becky Walsh.

But competition isn't limited

Kennelly Pharmacy captured the 1985 Kewaskum Jaycee Teen League Championship this season. Members of the first place team are: Front Row — Chris Weddig, Randy Geib, Stacy Oppermann, Joey Miller, Noel Stradtman; Back Row — Coach Frank Warnecke, Rich Thiemer, Dave Homuth, Chad

Warnecke, Jeff Taylor, Bob Castro, Tina Weddig, Coach Richard Thimer. Not pictured - Joel Serwe.

We had three teams to start this new softball league this year. Teenagers 13 to 14 years could play. We hope to have more teams next year. So teenagers, 13 to 14, think about

it over winter and come out next spring.

We wish to thank Kemps, Shefond Self/Serve, Kennelly, Pat McFadden for pictures, Kewaskum Statesman, coaches, umpires and the parents who gave the support needed to make the league a success.

SHEFOND SELF/SERVE — Second place team, front row, left to right — Tammy Sabish, Missy Heisdorf, Tim Butschlick, Al Dirmeier, John Braun, Kris Follman. Back row — Coaches Tony Butschlick and Larry Sabish, Jim Coulter, Russ Krezman, Dan Heisdorf, Brian Heller, Mike Johann. Not pictured - Dave Garvey.

KEMPS DAIRY PRODUCTS — Third place team, front row — Kristi Knorr, Richie Radtke, Eric Ebert, Randy Romaine. Back row — Coach Al Martin, Chuck Metz, Chris Schmid, Math Gross, Tim Schultz. Not pictured — Coach Beno Krueger, Jerry Liegl, John Jalas, Scott Borgman, James Kudek.

## TODAY'S AGRICULTURE

### WHEN WILL CORN BE SAFE FROM FROST?

The 1985 growing season has been somewhat unusual. The season started earlier with warm conditions for planting. Moisture stress became a major concern during June and July. This slowed development down considerably. If cooler than normal temperatures continue, there is some concern as to whether or not corn may reach maturity before frost.

Maximum yield is obtained when dry matter accumulation in kernels ceases. This event is called physiological maturity and occurs 55 to 60 days after pollination.

Yield reduction occurs if frost kills plants before physiological maturity. Corn that was at the mid-silk stage on August 1st will be physiologically mature and safe from frost about October 1st.

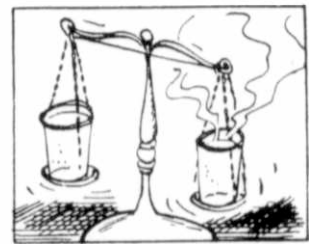

Kernel moisture percentage at physiological maturity ranges from 28 to 32 percent for most hybrids. Following this stage, kernel dry down rate depends on the environment, the amount of sunshine, air temperature, wind, moisture, and hybrid characteristics such as the husk thickness and looseness, cob size, seed coat thickness, and kernel density.

With dry weather and high temperatures of 70 to 75 degrees, it may only take one or two days for kernels to lose one percent in moisture. At day time air temperatures of 55 to 60 degrees, it may take four to six days to drop a moisture percentage. Early planted corn and/or early hybrids which mature and dry down during September and early October will lose kernel moisture much faster than late planted or late

maturing corn drying during late October and November due to warm drying temperatures.

If we continue to have normal or above normal temperatures and conditions, corn in Washington County should become physiologically mature and dry down well for harvest. If temperatures are cool and moisture conditions are high during the period of dry down, some of the corn could still be at risk.

Growers need to evaluate the progress of their corn development and may need to make decisions on harvesting some of the crop for corn silage or as high moisture corn if weather conditions and development should be below normal.

Hot water weighs more than cold.

### Grouse and Woodcock Seasons Open Sept. 14

The ruffed grouse and woodcock hunting seasons open in Wisconsin on Saturday, September 14, with the prospects looking good for woodcock and fair to good for grouse.

Ruffed grouse hunting should be best in the western counties of the state as the numbers of this game bird are improving. The prospects overall for 1985 are fair to good.

For woodcock, there is expected to be no change in the available supply of these migratory fowl. The prospects for the 1985 season are good, and hunters who concentrate on the counties in the northern one-third of Wisconsin will have the best hunting opportunities.

The daily bag limit for both ruffed grouse and woodcock is five with the possession limit for

each species set at ten.

A reminder to hunters that the deadline for returning Canada goose applications for the Horicon/Central Zones hunt is September 15.

**Minutes of Plan Commission Meeting**

Village of Kewaskum  
Plan Commission  
August 27, 1985  
8:00 P.M.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Meeting Room of the Fire House, 1106 Fond du Lac Avenue.

President David E. Nigh presided. Plan Commission Members present were Howard Laubenstein, Jeffrey Rohrer, Robert Kirst, Raynor Herriges, Richard Schmidt and Mark Slaughenhoup.

On a motion by Robert Kirst, seconded by Raynor Herriges and unanimously carried by voice vote, the Commission approved the minutes of March 26, 1985.

Mr. Daniel Coulter, a realtor, appeared before the Commission regarding the possible development of the Walter Braatz property and the western side of the Village (20 acres currently zoned AG-2). The commission referred Mr. Coulter to the Village Zoning Ordinances.

The Commission reviewed the request of Dr. Cesar Sison regarding the rezoning of a portion of the parcel of property located at 1040 Fond du Lac Avenue, Kewaskum, WI (V4-200) from B-2 General Retail and Service District to R-4 Multi-Family Residential District. Dr. Sison and Lew Herro of Siesel Construction, Milwaukee, WI, were present. Mr. Herro explained to the Commission the proposed development.

Items noted:  
1. Proposed elderly project. (50 years old and older).  
2. No subsidies (no federal or state funds).  
3. 42 one bedroom apartments.  
4. 1 two bedroom apartment for the manager.  
Richard Zarling, Zoning Administrator, reviewed the criteria needed for action. Some primary points:

1. Such a project is permitted in either a R-4 or B-2 area.  
2. A conditional use permit is required as well as proper zoning.  
3. The splitting of the property may be permissible, but should be reviewed with the Village Attorney and/or SEWRPC.

4. Access should also be reviewed with the Village Attorney and/or SEWRPC.  
5. A certified survey showing the lot division and acreage is required.

On a motion by Richard Schmidt, seconded by Mark Slaughenhoup, and unanimously carried by voice vote, the Commission referred the matter to the September 24, 1985, meeting of the Commission so the additional information would be available.

The Commission reviewed the request of Dennis Anderson regarding his application for a conditional use permit to construct a residence partially in a floodway area. (Roseland Drive, the recent Meilahn lot division).

On a motion by Richard Schmidt, seconded by Robert Kirst and unanimously carried by voice vote, the Commission recommended the approval of the conditional use permit of Dennis Anderson and sent the matter to the Village Board for Public Hearing. Note, the

Commission stated the building to be constructed is to meet all DNR requirements as spelled out in their letter.

The Zoning Administrator recommended the establishment of a \$50.00 fee for zoning/rezoning requests to cover the cost of publication and notices.

On a motion by Howard Laubenstein, seconded by Mark Slaughenhoup and unanimously carried by voice vote, the Commission recommended the establishment of a \$50.00 fee for zoning/rezoning to the Village Board to cover the cost of publication and notices. This fee along with all others will eventually appear on a zoning fee schedule sheet, which is being prepared in conjunction with the Zoning Ordinance update.

Motion was made by Robert Kirst, seconded by Raynor Herriges to adjourn the meeting. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

Village of Kewaskum  
Plan Commission  
March 26, 1985  
8:00 P.M.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

Administrator Schmidt called the meeting to order at 8:00 p.m. President Stollenwerk asked to be excused and was absent. Plan Commission Members present were Howard Laubenstein, Richard Schmidt, Mark Slaughenhoup, Robert Kirst, Zoning Administrator Richard Zarling, and Administrator Dan Schmidt. Commission Members Raynor Herriges and Jeffrey Rohrer were absent.

Commission Member Howard Laubenstein presided.

On a motion by Mark Slaughenhoup, seconded by Robert Kirst and unanimously carried by voice vote, the Commission approved the minutes of January 29, 1985.

The Commission reviewed the request of Mr and Mrs. Noble Ray regarding the rezoning of the parcel of property located at 1718 Fond du Lac Avenue, Kewaskum, WI 53040 (Lot 7 Block 23), from R-2 Single Family Residence District, to B-2 General Retail and Service District. (The Ray's would like to convert the barn on the property into a resale barn for used items).

The Zoning Administrator reviewed several points regarding the request with the Plan Commission and then went to record opposing the request. After further discussion, questioning and review a motion by Robert Kirst, seconded by Mark Slaughenhoup and carried unanimously by voice vote, the Commission recommended the rezoning be denied and sent the matter to the Village Board for the public hearing and final disposition.

Administrator Daniel Schmidt reviewed the updating of the current zoning ordinance and suggested that the Plan Commission direct the Zoning Administrator and the Administrator to compile the notes

and other information regarding the Commission's recommended changes and to take them to SEWRPC to have a preliminary draft of a revised zoning ordinance printed. This draft should include those revisions suggested by SEWRPC and improved definitions.

On a motion by Richard Schmidt, seconded by Robert Kirst and carried unanimously, the Commission directed the aforementioned matter.

Motion was made by Robert Kirst, seconded by Richard Schmidt to adjourn the meeting. Roll call vote was 4 "Aye," 0 "Nay," 3 "Absent." The motion was carried by the majority.

Daniel S. Schmidt  
Administrator

**A NOTE OF THANKS**

Sincere thanks to my family, relatives, neighbors and friends for the cards, gifts, visits, phone calls, and flowers while I was a patient at St. Agnes Hospital and while convalescing at home. Special thanks to Drs. Pengtovong, Devine and Cullen, nurses on the fifth floor, my husband, Rev. Staskal for his visits and prayers, the county van and courtesy van drivers, and Kathy and Sharon, my home nurses.

These kindnesses were appreciated and will always be treasured.

**THANK YOU**

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

### St. Lucas 76'ers Win Home Opener

On September 5th, the St. Lucas "76'ers" opened their 1985 flag football season with a 12-0 victory over the Panthers from Peace Lutheran School of Hartford.

Doug Stern, the new St. Lucas signal caller, led an offense sparked with exciting plays. Kris Munson, a fleet-footed sixth grader, sparked the offensive ground game while the "air attack" recipients were David Kertscher and Jody Ludwig.

Kertscher, Stern, and Steve Dickman anchored a very tough defensive unit which held the Panthers scoreless throughout the contest. Kertscher and Stern both had key interceptions with Kertscher taking one in for a score.

Kris (alias "Phillip Epps") Munson also highlighted the game with a super 55 yd. punt return which he took into the end zone for six points.

This week the 76'ers travel to Hustisford and Jackson, but they will return to the "St. Lucas Bowl" for two games next week. September 17th St. Lucas hosts Good Shepherd from West Bend and on September 19th they host David's Star from Jackson. Both contests will begin about 4 p.m. Mark those dates on your calendar and come cheer the 76'ers on to victory!!

### WEST BEND COUNTRY CLUB WOMEN'S ASSOCIATION

On Wednesday, September 4, women golfers at the West Bend Country Club drew "blind partners" to combine scores for the day's prizes. Chris Ciske and LeaFon Ronyak served as hostesses at the first tee-off.

Winning partners for 18-hole golfers were:

Barb Martin and Doris Blake, with a combined score of 147. Tied for second place were the following partners with 151: Gladys Gall and Ruth Modrow, Judi Mottl and Dorothy Parlow, Phyllis Moebius and Gladys Gall.

Winning first and second places for 9-hole golfers were:

Phyllis Gonring and Marilyn Holmquist with 79, Iris Glidden and Pat Tews with 82.

On September 11 the day's event was "lucky numbers." Serving as hostesses were Mary Lloyd and Joan Wirth.

### Indian Girls 2nd, Boys 3rd in Cross Country Quadrangular

The Kewaskum girls placed second and the boys third in their opening cross country quadrangular against Sheboygan Falls, Howards Grove and Elkhart Lake at Elkhart Lake.

The strong Sheboygan Falls girls won with a 21 point total. Kewaskum was next with 34, followed by Elkhart Lake with 82. Howards Grove did not have enough runners to qualify a team.

The Indians' Carrie Batzler and Mary Murre placed third and fourth with times of 14:35 and 14:55. Other Kewaskum counters were Sherri Batzler (15:48), Ellen Kuphal (15:49) and Ellen Beisbier (15:50). They were ninth, tenth and eleventh in the 25-girl field.

The only returning Indian letterman for the boys, Miles Shaw, took second place. Sheboygan Falls also won this competition, scoring 23 points with all five runners placing in the top seven. Elkhart Lake was next with 54 points and Kewaskum third with 64, then Howards Grove with 107. Shaw finished behind Falls' P. Van-Ess in the 3-mile race with a time of 18:53, 29 seconds back of Van-Ess' 18:24. The next two Indians were sophomore newcomers, Craig Hubbell and Chris Ayer, who were 12th and 13th with times of 21:00 and 21:10.

### MVP Julie Koepke Back on Lakeland Volleyball Team

Sheboygan — A combination of several factors — seven returning letter winners, six promising recruits, and the team's first season in the new Todd Wehr Physical Education Center — have given Carla Biwan, the new coach of the 1985 Lakeland College women's volleyball team, an optimistic outlook about the 1985 season.

Lakeland has begun daily practices in preparation for an invitational tournament it will host in the Wehr Center on Saturday, Sept. 14. The Muskies' first Wisconsin Independent College Women's Athletic Conference (WICWAC) match will be against Lawrence University at Appleton, Sept. 17.

The team looks to be strong this year, according to Biwan. One reason for her positive view is the returning players. They are Tina Inger, Manawa, and Kay Stoffel, Fond du Lac, seniors; Patty Kaestner, Cleveland, a junior; and Lori Christel, St. Nazianz, Dena Kalk, Sheboygan, Janet Lenz, Kaukauna, and Julie Koepke, Kewaskum, all sophomores. Koepke was voted the team's most valuable player of the 1984 season.

Six freshmen with high school experience include Char Carson and Janet Shane, both from Salem; Susan Daily, Onalaska; Diane DeBruin, Kaukauna; Jill Gyron, Menasha; and Lisa Thompson, Athens.

"We've got the height, some good spikers and setters, and the right spirit," Biwan said. "Winning the WICWAC conference title is our goal this year."

Biwan, who is from Kohler, graduated from St. Norbert College, where she played volleyball and coached women's basketball. She has also coached girls' volleyball at Kohler High School. In addition to volleyball, she will also be Lakeland's assistant women's basketball coach.

Captains for this year's Lakeland team are Inger, Kaestner and Stoffel. The Muskies will be trying to improve on last year's record of 8-24 overall, 2-6 in conference action.

### Squirrel-Cottontail Outlook Is Good

The outlook for the gray and fox squirrel hunting season opening statewide on September 14th, and the cottontail rabbit season opening at noon in the north on the same date, is good.

Ed Frank, wildlife specialist in the DNR Bureau of Wildlife Management, said the early spring improved the outlook for cottontails, and the better mast crop (acorns and other nuts) would benefit squirrel populations.

"The early spring this year means that some of this year's young of spring may reproduce yet this year contributing to the improvement of the cottontail rabbit population," Frank noted. The improvement should be most noticeable in the southern two-thirds of Wisconsin. The cottontail season opens on Saturday, September 14, at noon in the area of the state north of a line formed by Highway 54 from Algoma to Waupaca and Highway 10 from Waupaca to Prescott on the state's western boundary. The cottontail season south of that line will open at Noon on October 19th.

Frank said, "The prospects for both gray and fox squirrels is good, particularly in the southern two-thirds of Wisconsin, because of the improved mast crop (acorns and other nuts) last year." He noted that the mast crop in the two prior years was poor, and that last year's good crop should provide more squirrel hunting opportunities. The squirrel season, both fox and gray squirrels opens on Saturday, September 14, statewide.

A reminder that the 1984-85 Sports license expired last Saturday, August 31. The 1985-86 Sports license is now available for sale along with the 1985 hunting licenses at DNR stations and other locations throughout the state. For more information, contact Ed Frank at 608-266-8840.

### \$1.00 Surcharge Will Be Added to Hunting Licenses This Fall

A one dollar surcharge added to the cost of Wisconsin hunting licenses this fall is expected to add over one million dollars a year during the next two years to the state's wildlife damage abatement program.

The program, administered by the counties with state dollars, is aimed at reducing the amount of damage done to crops and other property by wildlife. The funds are used to reimburse landowners for the cost of fencing, exploders and other preventive measures. The surcharge, which was included in the 1985-87 budget signed into law last week, will more than double the amount of funds available for the program in past years.

The surcharge will be added to the Sports License; the resident small game, deer and archery licenses; and the non-resident small game, 5-day small game, archery, deer and furbearer licenses. It will also apply to the resident and nonresident bear license when the season is restored. It will not apply to the Patron Card, trapping licenses, hunting stamps, or duplicate licenses issued when the original issue license has been lost, stolen or otherwise destroyed.

A reminder to hunters that the closure of the bear hunting season this year applies to the bear bow and arrow season as well as the bear gun season. The closing of the bear season is necessary to allow the population to recover following several seasons of high bear harvests.

### HON-E-KOR LADIES ASSOCIATION

On Wednesday, September 4, the day event was low net. Low scores for nine holes were: Class A - Corliss Fassbinder (33); Class B - Fran Rohlinger (38); Class C - Dorothy Schaefer (37).

Corliss Fassbinder also had the low net for 18 holes with a 70.

The blind bogey was split between Dorothy Schaefer and Kathy Lastofka.

Bridge winners were Joyce Gruber and Laura Mathews.

# Indians Drop Opener To Horicon, 16 to 6

The Kewaskum Indians officially started the 1985 football season Friday, September 6, at Horicon. The Marshmen defeated the Indians, 16-6.

Horicon came out strong with a 34 yard advance on their first possession. They punted when failing to get another first down. The Indians then took possession on their own 20 yard line. Quarterback Tim Rohlinger went the distance for an 80 yard touchdown run, but the extra point conversion failed. The Indians were leading 6-0. Unfortunately for Kewaskum, this was their only successful scoring attempt.

Junior Mark Schlosser had an interception in the second half to stop a possible Horicon touchdown, but Horicon scored twice in the second half, while shutting down Kewaskum's wishbone attack.

After making some adjustments at halftime, Horicon scored on their first possession in the second half. By passing and running the ball past the Indian defense, Horicon worked their way down to the Indian 12 yard line. Brad Mellenthien then passed to Bill Wrucke for the touchdown. Mellenthien ran the extra point conversion to make the score 8-6 in favor of the Marshmen.

The score remained 8-6 until the fourth quarter when Horicon's Chuck Allen ran 3 yards for another touchdown. Allen also ran in for the conversion, making the final score 16-6.

There were many last minute efforts. The Indians got close to scoring many times but never succeeded.

Statistically the Indians out-rushed Horicon. They rushed for a total of 212 yards during the first half but were able to score only once. Leading in rushing was Tim Rohlinger with nearly 180 yards. Rohlinger was followed by Rick Staehler, Tim Dettmann, and Mike Coulter with 51, 53, and 42 yards, respectively.

Kewaskum coach Fran Charland cited Ric Heller, Rick Staehler, and Mike Coulter as doing well defensively.

Charland had a possible explanation for his team's upset, saying it could be because they "took a gamble," working on conditioning more than strategies and technique during the preseason practices. He is looking forward to improvement from his team. He hopes they will be more explosive, aggressive, and have more precision on their offense.

The Indians will face Campbellsport on Friday at home at 7:30 in another non-conference game. The Cougars were edged by a strong Ozaukee High team Friday, 13-12, in overtime. The week before Ozaukee overwhelmed defending Flyway champion, Lomira, 36-0.

**INDIANS MIX IT UP WITH MARSHMEN.** Friday night's football action put the Kewaskum Indians up against the Horicon Marshmen in a game played in near ninety degree weather. The hometown boys lost this one 16 to 6, but anyone that showed up to play should have got a Bronze Star with oak leaf clusters just for playing in that kind of heat.

Spartans won the County Invite Saturday with 29 points, followed by West Bend East with 25. Next was Hartford with 18 and Slinger. Kewaskum and Germantown, each with 11 points.

At No. 2, Gruber of Kewaskum bested Dee Becker of East in the finals, 6-2, default. At No. 4 singles Falk of the Indians won consolation.

## Hole-in-One

A golfer from Greendale, Marvin Regner, shot a hole-in-one at Hon-E-Kor Country Club Sunday afternoon. He used a 6-iron to score his ace on the 160 yard, par 3 No. 4 hole. This was the second hole-in-one at Hon-E-Kor this season.

## 38 Girls Report

### Seven Letterwinners Back in Volleyball; Expect Good Year

Dave Rizzardi, who is starting his fourth year as head coach, has seven letterwinners, including five experienced starters, returning to his team this year. Thirty-eight girls, including 13 freshmen, came out for the sport this year, the most that have reported in years.

Topping the list of returnees are seniors Lisa Fusek, Michelle Gebheim, Chris Bodden and Tracy Prescott, all starters, reserve Maria Wodsedalek and Brenda Kober, who has returned after not playing last year.

Juniors who lettered last year are Laurie Blum, a starter, and reserve Brenda Vetter. Both are expected to be in the starting lineup for Kewaskum's first game at Two Rivers Thursday. Other starters will be Fusek, Gebheim and Bodden and either Prescott or Kober.

Three non-lettering juniors, Jenny Hintz, Lisa Schneider and Terri Schmidt, have moved up to the varsity from the JV squad. Rizzardi also elevated sophomore Jenny Schuster to the varsity.

The only major loss from last year's team, which went 4-8 for a fifth place finish in the conference, is Sandy Secor, a first team all Eastern Wisconsin selection last year.

The Indians took part in a four-team scrimmage against

Slinger, Kettle Moraine Lutheran and Ozaukee last week.

### Tennis Girls Lose Two; Tie for 4th In County Invite

The Kewaskum girls tennis team lost two more matches last week and tied for fourth place in the Washington County Invite at West Bend Saturday.

The Indian girls lost to Horicon Tuesday, 5-2, and dropped a 1-6 decision to Sheboygan Falls Wednesday in their Eastern Wisconsin opener.

Kewaskum took a 2-0 lead in No. 1 and 2 singles against Horicon with Julie Reha winning her pro set match over Carrie Karsten, 10-5, and Devona Gruber winning, 10-6, over Ralene Miller. That ended the Indians' scoring although Becky Falk came close at No. 4 singles.

In Wednesday's match against Sheboygan Falls, Gruber, who boosted her record to 4-0, was the only winner, she defeated Judy Dobrzynski, 6-3, 3-6 and 6-4. The only other Indian to go three sets was Falk, who lost to Lynn Schultz, 3-6.
