On November 2nd, area residents will have an opportunity to participate in the rededication of the Village of Kewaskum's newly remodeled Municipal Building.

The event will begin with a short program starting at 12:30 in the Municipal Building, followed by an inspection tour of the building and bus tours through the village until 4:30 p.m. with stops at some of the village's municipal facilities, including the village's water pollution facility, new water department pump house No. 3,

300,000 gallon water sphere and village garage. The buses will then return to the Municipal Building where light refreshments will be served.

The remodeling project, from planning to construction stage, covered seven years. In an effort to avoid an excessive tax burden on the village's residents, the work was done in three stages.

In 1982, engineering plans were approved and Phase One of the actual remodeling, roof reconstruction, were completed. During the latter part of 1983 and early 1984, the vestibule, with a double door system for energy and heat conservation, was completed.

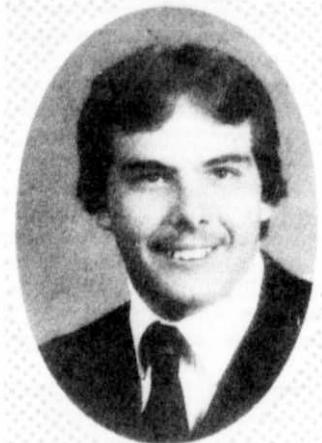

During 1985, the third and final phase of the program was accomplished. While Phase Three was the final step in the building's remodeling, it covered several projects. It included remodeling of the old garage area into completely new offices for the Police Department. The business offices and Council Chambers were also remodeled and re-furnished. Besides its remodeling, the Library was expanded to provide more space for books and reading rooms. And, last but not least, was the new addition which contains a community room complete with kitchen facilities.

Local, Area Teenagers Killed in Auto Crash

Brenda J. Oelhafen

David Todd Wendelborn

By GERRY MUELLER
Statesman Staff Writer

A two-car accident during a heavy rainstorm last Wednesday night claimed the lives of two Kewaskum area teenagers.

Killed in the crash, which occurred on Highway 45, just south of the Kewaskum village limits, were Brenda Oelhafen, 15, of 5543 Highway H, Allenton, Town of Wayne, a passenger in a car driven by Beverly Schulz, 16, also of rural Allenton, and David T. Wendelborn, 18, of 703 Pleasantwood Drive, Kewaskum, driver of the second car.

Brenda was the daughter of Mr. and Mrs. James Oelhafen. Mr. Oelhafen was a former member of the Kewaskum School Board.

David, son of Mr. and Mrs. Ronald Wendelborn, was a 1985 graduate of Kewaskum High School. Brenda Oelhafen was a member of the sophomore class at the high school.

According to the Washington County Sheriff's Department report, the southbound Schulz car skidded sideways during heavy rains on the wet pavement of Highway 45, and was struck broadside by the northbound Wendelborn vehicle at 9:50 p.m.

Oelhafen, a passenger in the front seat of the Schulz auto, sustained multiple chest injuries. Wendelborn, who was alone in his car, received multiple injuries. Both were

Priorities Are Listed for Remaining School Loan Monies

By GERRY MUELLER
Statesman Staff Writer

At its next meeting, the Kewaskum School Board will receive a recommendation from the Finance-Transportation-Buildings and Grounds Committee to approve completion of seven high priority projects with funds left from the district's \$400,000 Trust Fund loan.

At its last meeting, Committee Chairman Perry Ankerson had directed the administration to draw up a report showing the remaining money left in the Fund 40 account, along with a

list of projects, in order of their priority, which could be completed with those funds.

In her report to the Finance Committee Monday night, District Administrator Penny Kleinhans stated there is approximately \$83,500 left in the fund. Of that money, \$13,300 has been set aside for five projects which were approved at the last School Board meeting, leaving an unused balance of approximately \$71,000.

Also included in the report was a list of twelve projects which the administration considered to be high priority and

could be done within the remaining fund limits.

The top priority item is the sealing of the asbestos ceiling at Wayne Elementary School. While no health problems are posed, Kleinhans stated, "I don't feel any level of asbestos is good." The estimated costs for that project are \$6,200.

Item two is a heating unit for the Middle School Industrial Arts department. Kleinhans said the problem has existed since the school was built and no one, students or teachers, should be expected to work in such cold conditions during

the winter. Buildings Superintendent Fred Boehlke told the committee he was looking into the installation of a Modine Gas heater rather than a hot water unit which would be more efficient and cheaper. A figure of \$3,100 was used for that project.

The third item was a passenger van to replace the 1974 Chevy Van presently in use. The vehicle has had major problems and repairs and Boehlke felt it was no longer practical to maintain the vehicle for passenger use. The purchase cost of a used replacement was put at \$9,000.

Item four was roof repairs on the one-story section of Kewaskum Elementary at a cost of \$33,600. Item five is repair of bleachers at the Middle and High Schools to meet safety requirements, the cost \$10,000.

Item six is construction of office space at the Administration Office, at a cost of approximately \$3,000. Item seven is replacement of a water softener at KES, which has had several leaks and no longer works properly. Its replacement cost was estimated at \$1,000.

All the items would go out on bids before any work was done. Because the \$64,700 total cost figure for the seven items was an approximation, the Finance Committee will recommend to the full board that these items be the first to be completed in order of their priority, until the money is exhausted. If there are any funds left after completing the seven projects, four other items one room of carpeting for Beechwood Elementary \$1,000, curtain replacement at Farmington \$3,800, overhead garage door at KES \$1,000, and an airbreak at the Administration office \$300, will then be proposed for completion.

Kleinhans told the committee that there are still many more priority projects which need to be completed. What I've presented tonight have been pared down from many other previous lists, and those lists come from a whole big bag of proposed projects. "I hope there is no one here is under the misconception that we will not long term borrow again," said Kleinhans. If the district wants to get more things done that is the way it will have to go.

Business Manager Cherna Gorder told the committee, if the district is going to consider some type of long term borrowing, loans, bonds, whatever, it should consider it now while interest rates are low.

The committee also discussed district bussing policies. Ankerson said after reading the policies, it is very clear we are not following our own policies.

"It is in violation of our policy to bus students from an area that is declared non-hazardous and less than two miles from school," stated Ankerson. While the Bel-Ric area is the main area of concern, Ankerson said there appear to be other areas in the district like it.

Erv Gorecki, of Johnson Bus, and Principal Tom Larsen told the committee that several years ago a report and maps had been made which were submitted to the state who approved these other areas as hazardous. The areas included Beechwood, Farmington, Wayne, and some areas in Kewaskum.

Janet Martinson, a Bel-Ric resident, questioned whether these areas were ever formally declared hazardous because neither she, or School Board member Neal Weare could find any records confirming any such action. Gorecki said he remembered working on the report and maps with former Superintendent Floyd Brenholt. Kleinhans said that it is no longer required to keep records forever so these, from around eleven years ago, could have been thrown out.

We're getting state aids for those areas, noted Kleinhans, so I'm sure the state received the necessary paperwork or we wouldn't be getting the money.

Martinson said the only records she could find concerned Bel-Ric. The committee accepted her offer to work with the administration in trying to track down any hazardous busing records. She was asked to report her findings at the November 25th meeting.

Fred Boehlke gave a short report on the district's energy audit. A more detailed report on what the district can do on its own will be presented at the next committee meeting.

Ankerson also asked Boehlke to look into the cost and installation of strobe lights on school buses as an added safety precaution.

Fatalities

dead on arrival at St. Joseph's Community Hospital in West Bend.

Schulz suffered a broken pelvis and shoulder, while Craig Hubbell, 16, of 1010 Hillside Drive, Kewaskum, another passenger in her car received hand lacerations. They were taken by ambulance to St. Joseph's for treatment. Hubbell was treated and released. Schulz remains hospitalized.

The deaths of the two teenagers were the thirteenth and fourteenth traffic fatalities for Washington County in 1985.

Rededication

[Continued from Page 1]

The cost of the entire project, including the remodeling and the new addition, is estimated at \$475,000, plus engineering and furnishings.

The building before the remodeling consisted of 6,300 square feet, with 3,700 feet utilized. The renovated, more space efficient building now contains a total of 9,300 square feet, all fully utilized, with approximately 151% more usable space.

The Kewaskum Village Board has strived to insure that the village is operated under the most effective government possible and its taxpayers provided with the most up-to-date, efficient facilities and equipment possible. While accomplishing these goals, however, the Board along with administrative personnel maintained self-imposed guidelines of prudence and financial responsibility in accomplishing their task.

Every effort was made to

insure that all money spent for the remodeling was an investment in the Village's future growth and efficiency, and it is hoped the village residents agree the money was wisely and well spent.

KHS Musical Shaping Up

As the cast, crew and band members of the KHS musical, "Once Upon a Mattress" finish this week of rehearsal, all systems are go. The dances are shaping up and looking fine, fewer lines are blown and the songs are really starting to sound good. The cast have gotten into their parts and it looks like another excellent production for the public to

enjoy. The final week will consist of dress rehearsals on Monday and Tuesday nights, a performance for the middle school on Wednesday afternoon, a special performance for all senior citizens in the area on Thursday beginning at 4:00 p.m., and performances for the public on Friday, Nov. 8, and Saturday, Nov. 9, beginning at

8:00 p.m.

Tickets are on sale at KL Home and Hardware, from any cast member, and at the high school. Tickets may be reserved by calling Larry Ammel at the high school. Prices are \$3.50 adults and \$2.00 students. The senior citizen special performance is complimentary.

Theft of Equipment

At New Fane Reported

The theft of \$700 worth of equipment from a crane on Mill Road at New Fane was reported to the Fond du Lac County Sheriff's Department.

Employees of Pfeifer Brothers Co., Neenah, who are working on a Mill Road bridge,

left the crane there over the weekend. According to a report released Thursday by the sheriff's department, workers found the equipment missing at 12:30 p.m. Monday, Oct. 21. Taken were a set of cutting torches, worth \$500, and a set of chain slings, worth \$200. Michael J. Pfeifer reported the theft.

Memories...

This is the original building of the Kewaskum Aluminum Company plant which had its humble beginning in 1919 and was completed in 1920. It was started by Adolph Rosenheimer, Sr. Following his death in 1943 an eventual decision was made to sell the company. It was sold in 1945 to James O. Reigle of Massillon, Ohio, and the name was changed to Kewaskum Utensil Company, with J. O. Reigle as its general manager and president. In 1951 the company's name was again changed to Regal Ware, Inc. Since purchased by Reigle, the company has greatly expanded. (Photo submitted by Tiny Terlinden)

United Way Drive Nears End; Hope to Reach Goal

The Kewaskum Area United Way Drive for 1985 has just one more week to run. Dr. J. Dennis Connor, President of the United Way Board, projects that we will make our goal if funds keep coming in on schedule. Co-Chairman John Tessar hopes to make our goal but with employment down in the area he feels it will be close.

Please remember, Kewaskum, that United Way contributions stay right in our own area to help those of our neighbors that need them. Only 1% of the monies collected goes to the National Office for dues, and none of the volunteers or board members receive any remuneration. Also remember that any contribution, no matter how large or how small will be gratefully accepted.

Earlier in our campaign in these United Way articles, a slide talk for use by any organization was mentioned. The Wau-Bun Council, Girl Scouts of America, one of our member organizations, is going to make use of this slide talk to earn a badge involving community service. The scouts will view the slide talk, talk about the agencies funded by the United Way (especially those that help children), discuss the meaning of FAIR SHARE, learn what VOLUNTEERISM means, and find out how the United Way helps the Girl Scouts in the Wau-Bun Council. The girls will be asked to discuss the meaning of the United Way symbol — a large hand holding a person with outstretched arms

Countywide Library Issue Defeated; Going to Voters

Supporters of a countywide library system for Washington County received a shocking setback last week when county supervisors voted against a request to add \$180,000 for the plan to an already overburdened 1986 budget, in effect, stopping the program which its backers had hoped to see become a reality next year.

During last week's meeting a recommendation was made, however, to take the proposal to the electors in a referendum, and the plan's backers are hoping the plan can still be saved at the ballot box.

Monday, the Washington County Board voted 26 to 1, to "obtain an expression of opinion" on the proposal, by placing an advisory referendum on the April 1st ballot. All county voters will be asked the same uniform question: "Do you favor creation of a county-wide system?"

Supervisor George Frank of Hartford emphasized the referendum is only advisory and not binding on the board. It still can veto the proposal even if the plan received a favorable response.

In previous votes by the supervisors the issue was defeated in most of the townships, while approved in the cities and villages. In the proposal, municipalities which already have their own libraries, would not be subject to taxing for the county system's support while they would receive funds for making their facilities available to county residents who do not have any library service. Other areas, mainly rural, without any library services would be picking up the tab.

In previous voting on the issue, supervisors for the towns of Addison, Barton, Erin, Farmington, and Wayne voted unanimously against the plan. The towns of Richfield and Trenton voted against it on a majority, and the town of Kewaskum split. The villages of Newburg and Slinger also voted "no."

The villages of Jackson, Kewaskum, Germantown, and cities of Hartford, West Bend and Milwaukee voted for the

proposed system.

During two county public hearings, supervisors and town chairmen representing some of the rural sections talked against the plan. They felt the cost did not justify itself during a time when people are facing hard economic times and an already heavy tax burden.

A Letter to Brenda...

I didn't know the address,
So I thought you'd maybe see,
This letter I am writing,
It is my thoughts of thee.

I want to say so much,
I want the world to know...
I want all those you touched,
I hope you've helped them grow.

We had you such a short time,
For every day, I'm glad.
I wish I'd said much more,
But I can't and won't be sad.

It helps, all those good memories,
It's all I've left you see...
God could wait no longer...
So He took you away from me.

He put you here with us,
He gave us a real treasure.
Although I sometimes grumped,
You were my greatest pleasure.

Our little redheaded dolly
We helped you to mature,
We were so proud of your progress,
Of this you can be sure.

It seems so unfair now though...
That you had gone so soon,
I wasn't through, I had more to do,
But your reservation was due.

I had you near me here
For only 15½ years,
He'll have you there much longer
For this I shed no tears.

It just seems to sound better
When I put it other ways,
Your life with us abounded
For 5,675 days.

Darmody - Luedtke

Jill Susan Darmody and Michael Jon Luedtke exchanged wedding vows at St. Kilian Catholic Church, St. Kilian, on Sept. 21.

Parents of the couple are Mr. and Mrs. Jerry Darmody of Allenton, and Mr. and Mrs. Jimmie Luedtke of Kewaskum.

Gina Ruplinger, a friend of the bride, was maid of honor. The bridesmaids were Heidi Flasch, friend of the bride, Lisa Polenske, the bride's sister, Joan Timmler, cousin of the bride, Carolyn Darmody, sister-in-law of the bride, and Darlene Luedtke, sister of the groom. The flower girl was Kelly Darmody, niece of the bride.

Tom Limberg, a friend of the groom, was the best man. Groomsmen were Todd Luedtke, brother of the groom, Ron Luedtke and Eric Meier, cousins of the groom, Kevin Darmody, the bride's brother, and Kent Write, the groom's cousin.

Ushering duties were shared by Brian Timmler and Dan Meier.

The bride is a 1983 graduate of Kewaskum High School and a 1985 graduate of MPTI as a Medical Records Technician and is employed at the General Clinic in West Bend.

The groom graduated from Kewaskum High School in 1981 and is employed at Wm.

Beaudoin and Sons of Brookfield.

The couple resides at 302 Highland Ave., Theresa.

Key Club Week to Be Observed at KHS

The week of November 3-9, is Key Club Week across North America and the Caribbean region. The purpose of this week-long observance is to dramatize the service work performed by Key Clubs in their schools and communities. Key Club International, with more than 112,000 members in some 3,400 clubs in ten countries is a Kiwanis sponsored high school service organization. By sharing their time, talent and love, Key Clubbers worldwide can have a positive influence on their community. Whenever help is needed, the local Key Club is quick to respond. Last year, Key Clubbers worldwide performed more than 5,000,000 community service hours during their school year as part of their "MANHOURS FOR MANKIND" campaign. The manhours pledge has been renewed in 1985-86 and Adrienne Thull, Key Club President, announced that as a special project in conjunction with Key Club Week, the Key Club of Kewaskum High School is having a Teacher Appreciation Day.

The Key Club would like to extend a warm thank you to the Kewaskum community for their wonderful response to our food collection. On Sunday, October 27th, Key Clubbers went Trick-or-Fooding door to door in the Village asking for food donations. The project was a huge success.

FIREMEN TO MEET

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station at 7:30 p.m. next Thursday, Nov. 7.

Satisfying Your Needs Is Always Our Main Consideration

Whether you make arrangements beforehand or when death occurs

Making funeral arrangements either in advance or when someone you love dies requires numerous decisions. There are needs to be met, concerns to be faced, and preferences to think about. You will want to consider the person's lifestyle and those who shared in their life.

Whatever the circumstances your funeral director will give the same unhurried attention to your specific needs. He will be sensitive to your wants and responsive to your requests. He knows how important they are to your personal well being.

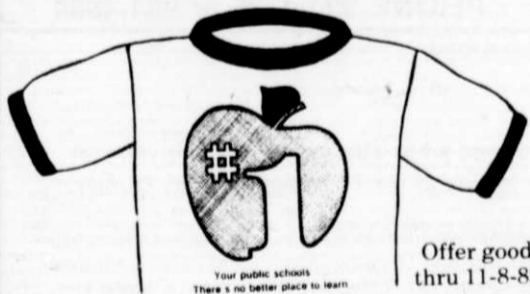

The key to a worry-free funeral arrangement, both before need or at need, is careful counseling with an experienced and trusted funeral director. He'll tell you about all the options. The decisions will be yours.

Many of you, particularly those under 40, have not made funeral arrangements of any kind before. It is never an easy task. But your funeral director strives hard to make it easier. Remember, satisfying your needs is always our main consideration.

EXPIRES NOV. 9, 1985

Evelyn and Cornelius Beisbier, 1089 Fond du Lac Avenue, Kewaskum, are happy to announce the engagement of their daughter Patricia Beisbier, to Edwin Buehler of Appleton. He is the son of Julia

and John Buehler of Hancock, WI. A June 14, 1986 wedding is planned.

The Kewaskum High School newspaper, The Smoke Signals, has taken on a new look this year.

The paper is now printed at the Plymouth Review, the same place the Statesman is printed. Currently the paper is printed in offset, like it originally was, but now it's printed on newsprint paper. The type for the paper is set by the Statesman on its photo typesetting machine and then processed on its Compuwik equipment.

Kevin Chambers, advisor, said the photographs used also got better. He commented, "We've got them now!" He said it could be improved by having seminar students do it because they get credits for it. Chambers would also like to see more stories by his reporters.

Chambers commented why the paper looks better, "The paper's budget has improved. The reason there is a new look is because the administration backed us to get a new look. They funded us so we could get it printed outside of the school. The Booster Club also financed us with a camera that helps out."

Elected Lakeland Sr. Class President

Sheboygan, Wis. — Lakeland College students have elected class officers for the 1985-86 academic year.

Senior officers are Melissa Koch, Kewaskum, president, an accounting and business administration major; Paul

Gorski, Northbrook, Ill., vice-president, a biology and chemistry major; Gayle Ziegler, Sheboygan, secretary, a business major; and Gaynell Mueller, Manitowoc, treasurer, a German major.

Some people used to believe that if a man had four lines on his forehead, he would live for 100 years.

Introducing Junior Jazzercise

Junior Jazzercise is a fun way to introduce children to the world of dance, music, and fitness. This specialized program for boys and girls ages 6-16 encourages children to grow emotionally and mentally, as well as physically.

In addition to improved cardiovascular, muscular, metabolic, and emotional

fitness, Junior Jazzercise emphasizes coordination, balance, flexibility, and posture.

Our students rapidly gain confidence due to the simplicity of the Junior Jazzercise movements and the "follow the leader" teaching techniques. A non-competitive atmosphere is established, as the children are

encouraged to develop their skills on an individual level.

Junior Jazzercise students develop a strong sense of accomplishment and build a better self-image as the result of their many performances. Self-discipline is an essential part of the program both in class as well as during preparation for these appearances.

Junior Jazzercise classes usually meet once a week for an hour session. Although classes consisting of all ages have been successful, we frequently offer sessions for specific age groups, such as 6-7 year olds, 8-12 year

olds, and 13-16 year olds.

We currently have over 300 Junior Jazzercise instructors and more than 6,000 Junior Jazzercise students around the world.

Junior Jazzercise classes will be held on Wednesday, 4:30 p.m. at Greentree School, beginning Nov. 6. Call Pamela Fritz at 626-2038 for registration info.

HISTORY OF KEWASKUM

The area now known as the Village and Town of Kewaskum was originally known as North Bend, named for the horseshoe turn made by the Milwaukee River in Section 9. Due to the similarity with the name of West Bend, just south of this area, the settlers felt it necessary to change the name. On November 6, 1849, the Washington County Board of Supervisors changed the name to the Town of Kewaskum, the new name being chosen in honor of Chief Kewaskum.

The Town and Village of Kewaskum were named for Chief Kewaskum, or Metowan of the Potawatomi, whose name means "turning on his tracks" in Prairie Potawatomi. This name seems very fitting since the Milwaukee River bends sharply to the northeast just north of the Village limits.

The Village of Kewaskum received its name later being known as Meyer's Mill and later as Kewaskum Centre. Kewaskum Centre continued to grow and prosper as part of the Town of Kewaskum and finally, on May 7, 1895, it was incorporated as the Village of Kewaskum.

Prior to 1903 the Village had no official Village to conduct Village Board meetings. In 1902 the Board passed a resolution to erect a Village Hall at a cost of \$6,000.00. This construction took place in 1903 and the Village Hall and Firehouse was built. This building housed the Police Department, Fire Department, offices, Village Hall, jail and the Library. The Village, in the spring of 1949, again approved plans to proceed with the construction of a new Municipal Building. The construction started in the fall of 1949 and was occupied in 1950. Grand opening of the building took place in November of 1950. The Municipal Building housed the Fire Station, Police Department, business offices, library and the Council Chambers upstairs. The cost of this building was 111,200.00 plus engineering and furnishings.

The Fire Department had the need for additional space and in 1975 started planning for a new Fire House. The construction of that building took place in 1976, when they moved out of the Municipal Building.

The need again arose for additional space and to better utilize the vacant fire station garage in the late 1970's and early 1980's. Planning began in 1982 with a three phase program set up to alleviate a large outlay of funds at one time. The project reached its final phase in the spring of 1985 when the contract was awarded for the balance of the remodeling and addition to the building. The renovated Municipal Building will house the Police Department, Library, business office, Community Room and the Council Chambers upstairs. The square footage of the building was 6,300 square feet, with 3,700 square feet fully utilized. The renovated building has a total of 9,300 square feet, all fully utilized, for an approximate 151% more useable space. The cost of all phases of the remodeling and addition is estimated at \$475,000, plus engineering and furnishings with \$240,000 financed to date.

The heritage given us by the founding fathers of Kewaskum has instilled an honest desire to maintain a wholesome atmosphere, but at the same time provides its citizens with effective government and a truly high quality of life.

'Trick or Treat'

Sunshine and mild weather made "trick or treat" a happy event for the youngsters as they roamed the streets disguised as monsters, clowns, witches, devils and many other novelties too numerous to mention, on Sunday afternoon. The trick or treat hours were from 2:00 to 4:00. The Kewaskum Auxiliary Police were on patrol to assist any youngsters, if necessary.

An eerie atmosphere of ghosts and goblins greeted the trick and treaters at the Sison home on Forest Ave., with moving clutching hands protruding from the grave and wailing sounds emerging from within.

BRENDA OELHAFEN

Miss Brenda J. Oelhafen, 15, of 5543 Hwy. H, Route 1, Allenton, Town Wayne, passed away at St. Joseph's Community Hospital in West Bend on Wednesday evening, Oct. 23, after being involved in an automobile accident.

Brenda was born in Fond du Lac on April 10, 1970, to James and Carol Schmitt Oelhafen.

She was a member of the class of 1988 in Kewaskum High School, a member of the Key Club, the Student Government, track and basketball teams, the current school musical, Wayne Crusaders 4-H Club, and Secretary of the Washington County 4-H Leaders Association, past participant in the Cedar Lake Home musicals and a lector at St. Bridget's Catholic Church.

Survivors include her parents and two brothers, Brian and Brad at home; her grandmother, Therese Oelhafen; her great-grandmother, Viola Prost; her godson, Paul J. Watzlawick; other relatives and many friends.

Visitation for Brenda was on Friday after 3 p.m. with a prayer vigil at 7:45 Friday evening. A Mass of Christian burial was celebrated on Saturday at 11 a.m. in Holy Trinity Catholic Church in Kewaskum with Fr. Robert Berghammer officiating. Burial was in St. Kilian Catholic Church cemetery in Town Ashford.

Scholarship memorials would be appreciated.

DAVID TODD WENDELBORN

David Todd Wendelborn, 18, of 703 Pleasantwood Drive, Kewaskum, died Wednesday, Oct. 23, at St. Joseph's Community Hospital, West Bend, as a result of injuries received in an auto accident.

He was born July 8, 1967, in West Bend, and grew up in Richfield. In 1982 the family moved to his present address where he lived up to the time of his death.

A 1985 graduate of Kewaskum High School, he was employed at Enger Kress Co., West Bend, at the time of his death.

Survivors include his parents, Ronald and Bonnie Jean (Flint) Wendelborn of Kewaskum; two brothers, Michael of Long Lake and Stephen of Kewaskum; his maternal grandparents, Paul and Elva Flint of Richfield; paternal grandparents, Robert and Ethel Engel of Zephyr Hills, Fla.; a very dear friend, Dawn Kuehl of Fillmore; aunts, uncles and other relatives and friends.

He was an avid hunter and fisherman, and was a member of the Boltonville Bunch Snowmobile Club.

Funeral services were held Friday, Oct. 25, at 8:30 p.m. at the Schmidt Funeral Home, West Bend. Fr. Robert Berghammer officiated, and burial was at 9:30 a.m. Saturday at Holy Trinity Cemetery, Kewaskum. Memorials to Lt. Ray Dickop Post 36 American Legion in David's memory would be preferred.

24, 1985, at her home.

Mrs. Gremminger was born March 22, 1901, a daughter to John and Katherine Theisen Beyer in Fond du Lac. On Feb. 7, 1923, she was married to Leo Gremminger in Fond du Lac. She and her husband had operated the Gremminger Meat Market, Campbellsport, for 45 years. She was a member of St. Matthew's Catholic Church, Campbellsport, and the Catholic Order of Foresters.

Survivors include two sons, John of Jackson and Neal of Grapevine, Texas; two daughters, Mrs. Richard (Nancy) Carr of Lowell, Mass., and Mrs. Duane (Georgia) Petersen of Campbellsport; 11 grandchildren; eight great-grandchildren; and three brothers, Alex of Sarasota, Fla., John of Ashville, N.C., and Alfred of Appleton.

She was preceded in death by her husband on May 4, 1972, four sisters and five brothers.

Funeral services were held Monday at 11 a.m. at the Twohig Funeral Home, Campbellsport, and at 11:15 a.m. at St. Matthew's Church. The Rev. Victor Kemmer officiated. Burial was in the church cemetery.

Friends called Sunday from 4 to 9 p.m. at the funeral home.

JOHN J. 'JACK' HAUG

John J. "Jack" Haug, of 1112 Jefferson St., West Bend, died Monday, Oct. 28, at Milwaukee County General Hospital, Wauwatosa, at the age of 73.

He was born Oct. 27, 1912, in the Town of Auburn, Fond du Lac County, where he grew up.

A 1931 graduate of Antigo High School, he attended St. Norbert's College De Pere, and the University of Georgia in forestry management.

After his marriage to Lorinda E. Mathieu on May 17, 1938, they settled on a farm in rural Campbellsport, and in 1965 moved to the City of West Bend. Prior to his retirement in 1975 he was an employee of

Kasten Mfg. Co. Allenton.

Survivors include his wife; three sons, James (Judy) of West Bend, Joseph (Sharon) of Port Edwards and John E. of Slinger; three grandchildren, Danny, Christine and Megan, and other relatives and friends.

His parents and one sister preceded him in death.

He was a member of the Loyal Order of Moose, West Bend Lodge 1398.

Funeral services were Wednesday, Oct. 30, at 9:30 a.m. at the Schmidt Funeral Home, West Bend, with a Liturgy of the Resurrection at 10 a.m. at Immaculate Conception Church. Fr. Reinhard Klingeisen was the celebrant, and burial was in St. Matthew's Cemetery, Campbellsport. Visitation at the funeral home was Tuesday, Oct. 29, from 4 to 8 p.m., with a prayer vigil at 8 p.m.

daughters, Rita Hueffner of Racine, Inez Feller of San Raphael, Calif. and Helen (Robert) Gaertner of Brookfield; 21 grandchildren; 17 great-grandchildren, and other relatives and friends.

Preceding her in death were two sons-in-law, William Hueffner and Jack Feller.

Funeral services were Thursday, Oct. 24, at 8:15 p.m. from the Matenaer Funeral Home, Hartford, to St. Kilian Church for Mass of Christian Burial at 8:30 p.m. Rev. Michael Strachota officiated and burial was in the church cemetery Friday morning. Visitation at the funeral home was Thursday from 5 p.m. until time of services.

NOVENA TO ST. JUDE

O holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, Faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. Publication must be promised, St. Jude and St. Theresa pray for us and all who invoke your aid. Amen. This Novena has never been known to fail. This Novena must be said for 9 consecutive days. Thank you St. Jude.

25 Years Ago

October 28, 1960

A golf course will be opened in Kewaskum by Mr. and Mrs. Gilbert "Bud" Korth of this village. Work on the course already is well along and it is expected to be ready for play by late next summer. The course is being laid out at the southeast village limits, directly east of the village park on the Korth land, formerly known as the K.A. Honeck, Sr. farm. It will be a nine hole course to begin with but Mr. and Mrs. Korth own sufficient land to expand it into an 18-hole links, which they intend to do in the near future. The initial nine hole course will cover an 85 acre plot of land owned by the Korths. The second nine would be laid out on 80 acres south of this property, which Korth purchased from Jim Koenen several years ago. The owners have selected the name "Honeck-Kor" for the course. It will be a public course, which will include the construction of a spacious clubhouse on the northwest corner of the links, where the cattle barn now stands on the farm. The clubhouse will consist of a large barroom, lockers, shower room, recreation or gathering room and a patio on the east side.

A class of 30 little children, 15 boys and 15 girls, will receive their First Holy Communion on October 30. The first communicants are as follows: Boys - Morris Belger, Loren Bonlender, Clark Eichstedt, James Fellenz, James Gnacinski, Gerald Gremminger, Charles Gross, Brian Hron, Mark Jaycox, Kenneth Krieser, Thomas McElhatton, John Milewski, Patrick Perkins, James Staehler and Michael Stoffel. Girls - Judith Campbell, Joann Czaja, Linda Jaycox, Karen Kohn, Janet Marx, Linda McCarty, Catherine Miller, Pamela Mitchell, Mary Ellen Ruplinger, June Scannell, Jean Schaub, Lee Ann Schoofs, Carol Simon, Sharon Zehren and Donna Rauch. Serving as flower boys and girls will be: Steven Schoofs, Gerald Schoofs, David Stellpflug, Michael Petri, Steven Fellenz, Leo Lettow, Sharon Campbell, Susan Czaja, Anne Etta, Kristine Volm, Ann Stoffel and Jane Schmidt.

Fellow football players of the KHS football squad chose Konstantyn Sadownikow to reign as king at homecoming festivities. "Kons" chose Jolene Miller as his queen. The queen will be crowned preceding the grand march at the dance following the game with Random Lake on Friday, Oct. 28. The queen's court consists of Naomi Engeleiter and John Boegel, Joanne Schmidt and Larry Gundrum, Judy Fellenz and William Koepke, Virginia Campbell and Terry Theusch, Dolores Prost and Robert Schneider, and Ingrid Jorgenson and David Rohlinger.

Miss Patricia Ruth Haug, daughter of Wesley Haug, Route 2, Kewaskum, and Basel Tillou, West Bend, were married in Peace United Church of Christ, on October 15.

The Kettle Moraine Bakery in Kewaskum, owned by Mrs. Evelyn Haushalter of Campbellsport, last Friday moved from the Oscar Ortman building on Main St., into the Bill Ruth building across the street and to the east formerly

occupied by Harold's Photo Studio. The bakery formerly operated under the name of Mom's Bakery.

In an important business transaction which was completed in this village last Friday, William F. Schaefer purchased the interests of the trucking business which was owned and operated by Lester Dreher for the past several years. William, who has operated a trucking business of his own for some time, on a somewhat smaller scale than his newly acquired business, built it up to a marked success and we are sure he will attain equal success in his new business venture. For the present Mr. Dreher will confine his work to the farm he is running, although he will continue to do cattle buying with the new owner doing the trucking. The purchase also includes two trucks which the former owner has been operating in connection with the business.

L. A. Eichstedt, an experienced jeweler and watch repairer has leased the Wm. F. Schultz building, formerly occupied by P.J. Haug as a jewelry store just two doors east of the Republican House, and will open up a jewelry store in same on November 1.

The initial meeting of the Kewaskum basketball team was held at Jos. Eberle's on Tuesday evening of this week with a fine turnout in attendance. About 17 young athletes have already signified their intention of joining the team this year, including five or six newcomers.

Solemn nuptial mass was sung in the Holy Trinity, Catholic Church here last Saturday morning, which united in the holy bonds of matrimony, two of the most popular of Kewaskum's young set, Miss Linda K. Reindl, daughter of Mr. and Mrs. Geo Reindl, and Norbert F. Becker, son of Mr. and Mrs. Jacob Becker, both of this village.

Miss Erma Dickmann, daughter of the late Mr. and Mrs. Gustave Dickmann of the Town of Auburn, was united in marriage to Clarence Kohn, son of Mr. and Mrs. William Kohn of the Town of Kewaskum at the Holy Trinity parsonage on October 26.

A baby boy was born to Mr. and Mrs. Arno Aupperle of the Town of Scott.

75 Years Ago

October 29, 1910

Last Sunday morning while Mr. Hy. Koenen and son William were attending mass, fire broke out in their barn just outside of the village limits, burning it completely to the ground. The fire, which was thought to have been caused by spontaneous combustion, was first noticed by Mrs. Wm.

Koenen and children who were home alone. She tried to save the horses but failed. The loss was estimated at about \$2,000.

Wm. Luedtke, 19, son of Mr. and Mrs. Fred Luedtke of the Town of Kewaskum, broke his leg below the knee last Saturday night while out raccoon hunting with two companions. The trio rounded a raccoon into a tree and in an attempt to capture the same, they proceeded to chop down the tree, which in falling, pinned Mr. Luedtke's leg to the ground.

An entire block was destroyed by fire in the village of Random Lake last Saturday night. The buildings destroyed were the elevator, saloon and hotel of Peter Bechler, meat market of Wm. Rheinganz, saloon and hotel of Nic. Schmitz and residence of Dr. T. E. Malloy. The estimated loss was \$20,000.

The first killing frost of the season came last Thursday night. This frost, according to schedule, is several weeks behind, the average date for its appearance being October 7.

The Philadelphia Athletics won the World Series from the Chicago Cubs last Sunday by winning the fourth game before one of the largest crowds ever to attend a baseball game, 27,374. The A's took four out of five games.

The approaching marriage of Miss Theresa Schedlo to George Reindl was announced in St. Kilian Church last Sunday.

Snow flurries fell Thursday afternoon for the first time this season.

Interesting Program on Mushrooms Presented to Junior Woman's Club

Dr. Sami Saad with Junior Program Chairman Sue Schmitz

Dr. Sami Saad, Professor of Biological Sciences at UWWC caught the attention of Junior Woman's Club members with his fascinating and practical presentation on fungi.

Dr. Saad explained that fungi are microscopic organisms, and that what we see are actually the fruit of the fungi. He went on to say that many are edible, delicious, high in vitamins and minerals and low in fat. A pound of mushrooms contain only 60 calories. They are used to prepare dishes, in the dairy industry, as antibiotics, in baking, and the brewing process. They are also the primary cause of disease in agriculture. These diseases can have far-reaching impact in today's society.

Dr. Saad gave an excellent slide presentation on the four "fool-proof" types of mushrooms which are edible, but advised caution in the amateur. He recommended going with a knowledgeable mushroomer or joining a club for mushroom hunting.

Dr. Saad concluded his program with helpful ideas for gardeners, noting the garden soil composition should be tested every 2-3 years. Dr.

Saad's expertise is very valuable to Washington County residents.

Girl Scouts to Attend United Way Program

All the Girl Scouts from the Kewaskum area along with their leaders and parents are invited to attend a special program presented by the local United Way agency. This is being done with the co-operation of the Wau-Bun Girl Scout Council.

The purpose of this program is to develop an understanding of how the United Way in your community helps people, to develop an attitude of responsibility in girls for being a participant in and contributor to the United Way.

This program will be presented on Monday, Nov. 4, at the Kewaskum High School Cafeteria, from 7:00 to 8:00 p.m.

There will be a representative from the United Way and a slide presentation will be shown. Also there will be a representative from the SPECIAL OLYMPICS (Mrs. Charland) there.

This meeting will be interest-

ing and informative for all. A special Thank You should go to Dr. and Mrs. Dennis Connor for their time to make this program available to the scouts and their families.

Each scout can earn a patch if they attend this program and bring along 50c for the cost of the patch.

Just to serve as a reminder to all the scouts to start to make plans to attend the Kewaskum International Folk Fair and Bake Sale on Saturday, Nov. 9, from 12:00 to 4:00, at the Labor Center in Kewaskum.

Students Attend MATC Career Conferences

Forty KHS students attended a Career Conference at the Milwaukee Area Technical College (MATC) on Wednesday, Oct. 16. Mrs. Kathy Small, teacher of Clerical Office Practice led the trip.

The conferences began with a

general session which included presentations of local public personality. The presentations included the discussions of particular careers and the factors that led to their success.

Following that the students met recent MATC graduates who are currently working in their chosen profession. The graduates had tips for students for making career choices. The students could also attend workshops on Trade, Agriculture and Business.

After the general session, students had time to tour MATC and to experience the sight of some of the best equipped training centers in the country. Small commented about the trip saying, "It was an introduction. It exposed students to different careers that they could pursue."

COFFEE...CANCER?

Why the sudden association of coffee with pancreatic cancer? Coffee has been with us for centuries, whereas decaffeinated coffee has only been produced a few decades. Decaffeinated coffee is made by extracting the caffeine from coffee with a chemical solvent, traces of which may remain. It is more likely that this trace chemical in decaffeinated coffee is responsible for the increased association with pancreatic cancer, than is regular coffee itself.

CA Week - 85 Concludes With Hunt

Friday, Nov. 1, 1985, Kewaskum Statesman, Page 16

The week of October 27 through November 2 has been proclaimed "CA Week - 85" by Washington County Board Chairperson, Reuben Schmahl. One emphasis of that event is to seek advocates for Washington County residents who happen to have a physical and/or mental disability. (Citizen Advocacy is a United Way agency which matches disabled and non-disabled persons, to the mutual advantage of both parties).

Again this year, the Wild Wings Game Farm at Campbellsport will be the site of the Concerned Sportsman's Charity Hunt. This event marks the conclusion of CA Week - 85, and all proceeds will go to support Citizen Advocacy of Washington County, Inc. (Citizen Advocacy is a program of volunteer citizens who advocate for and with people who are mentally and/or physically disabled).

The hunt will be held on Saturday, November 2, from 6:00 a.m., until two hours after sunset. Wild Wings Game Farm is a 120-acre private hunting reserve. Each four-person group will have two one-and-a-half hour hunts over outstanding dogs. No hunting license is required.

Participants in the hunt will enjoy a continental breakfast, free trapshooting and bird-cleaning, and a wildgame lunch. The entire facilities of Wild Wings will be available to participants throughout the day.

Those wishing more information or desiring to make reservations may call Citizens Advocacy at 334-3384. Those for whom West Bend is a toll call will need to dial "1" first.

The 25th Anniversary edition of ENTERTAINMENT '86 is now available through Citizen Advocacy of Washington

County. These unique coupon books offer a "get acquainted and have one on the house" opportunity.

Over 250 fine and family dining restaurants, sports and cultural events, festivals, theaters, museums, and travel accommodations are included. The \$25 cost gives the donor full year-long membership advantages.

There are a limited supply available. The sale of the ENTERTAINMENT '86 books will benefit Citizen Advocacy, a not-for-profit tax-exempt charitable organization serving people with disabilities and their families.

For more information, contact the Citizen Advocacy at 334-3384 or 255-6702 or write Citizen Advocacy, 551 Silverbrook Dr., West Bend, WI 53095.

Cross Country Teams End Season With EW, Sectional Meets

By Chuck Voge

The Kewaskum co-ed cross country team closed out its 1985 season by running in the conference meet held on October 16th. at the U.W. campus in Sheboygan and the October 26 sectional at Meadow Links golf course in Manitowoc.

At the conference meet, Miles Shaw made second team all-conference and Mary Pesch turned in her best time of the year. Of the seven schools that competed the Indian-runners finished in last place.

In sectional competition out of approximately 112 runners that competed Miles finished 58th overall with a time of 18:56. Carrie Batzler for the girls finished 56th overall with a time of 14:15. Coach Dave Drexler reported to the Statesman that, "this was a very young team." He went on to say that he is looking forward to doing well over the next two years, since many from this year's team will be returning.

Some Deer Permits Now in the Mail

A word to hunters who applied for a Hunter's Choice or antlerless deer hunting permit. The permits are being mailed in a staggered manner this year, rather than in one large mailing as was done in previous years.

Dick Royston, supervisor in the DNR's licensing section, said the Department discovered that because of the much larger number of permits being mailed this year, several thousand dollars could be saved by mailing them in several batches, rather than all at one time. "We began sending them out on Monday of last week," Royston said, "and the mailings will continue until the final batch which is scheduled for mailing on November 5."

"We want to advise those hunters who applied for permits of this," Royston explained, "so if they heard that others had received permits while they had not heard anything, they would realize that their permit may be scheduled in a later mailing."

The Department received a total of 410,000 applications for permits this year for the approximately 280,000 permits to be distributed.

DNR to Auction Firewood Permits In Kettle Moraine

The Department of Natural Resources will auction firewood permits at the Southern Unit of the Kettle Moraine State Forest on Saturday, November 2nd.

The auction will start at 9:00 a.m. and will be held at the forest headquarters, located three miles west of Eagle on State Trunk Highway 59.

Thirty permits will be available for auction. Each permit will range from one-half standard cord to seven standard cords and will include from nine to 59 trees each. A standard cord is four feet high by four feet wide by eight feet long. There will be minimum bid of \$7.00 per cord.

Most permits are for dead or dying trees. Permit areas and specific trees that may be cut are designated by paint marks. There is a limit of one permit per household.

Certain restrictions will be in effect for the permits. They include:

- There will be two cutting periods, from November 2nd through November 22nd and from November 29th through December 20th.

- Cutting will be allowed seven days a week. However, even numbered permits will only be allowed to cut standing trees on even numbered days and odd numbered permits will be allowed to cut standing trees on odd numbered days.

- Motor vehicles will not be allowed to travel off of state, county or town roads except on designated trails.

- Cutting hours will be from 8:00 a.m. to 5:00 p.m.

Persons interested in participating in the firewood auctions should contact the Southern Unit headquarters at (414) 594-2135. Maps and additional information are available from the Forest Headquarters.

Charity BVL Bowling Tournament to Begin

The West Bend Women's Bowling Association will again sponsor their annual charity BVL Tournament, Nov. 3, - Nov. 16, at Weilands Recreation, Lighthouse Lanes, Frontier Lanes, West Bend and King Pin Lanes, Campbellsport. This tournament will be held during regular league play, with handicap based on 100%, so tournament is great for both low and high average bowlers. Cash prizes are being awarded at each bowling place and you can enter the tournament as many times as you wish.

In the past this tournament had been offered to women only. This year it is being offered to the men as well. The mens will be run separately, with the cost and prize money being the same as for the women.

Letters have been sent to all league secretaries and posters will be on display at each bowling place, with all the details.

Combined effort by both men and women bowling associations and proprietors have raised many thousands of dollars in communities coast - to - coast. The funds raised for the BVL go a long way in making life more pleasant for hospitalized and disabled Veterans.

Wisconsin Tax Amnesty Program Collects Thousands in Delinquent Taxes in First Three Weeks

The Wisconsin Tax Amnesty program has received nearly 2500 applications from delinquent and non-filing taxpayers in its first three weeks of operation. Those applications, when processed, are expected to yield between one and one and a half million dollars in delinquent taxes.

The program, which ends on November 22, 1985, is expected to collect about \$10 million in taxes.

Special amnesty unit personnel have handled more than 8000 inquiries about the program. The statewide toll-free amnesty hotline is 1-800-IOU-WISC (1-800-468-9472).

The estimate of 1 to 1.5 million dollars is based on the processing of half of the nearly 2500 applications on hand at the end of three weeks which will yield about \$900,000 in billings. Taxpayers have 90 days to pay what they owe in taxes and interest after they are billed by the Department. All taxes originally owed will be paid by amnesty applicants. Payment must be made by certified or cashier's check or cash. All payments made under amnesty are final.

In related matters the department reported that the longest distance an application has traveled on its way to the amnesty unit is one received from New South Wales, Australia.

Other items reported by the amnesty unit include the case of one taxpayer who owed a substantial sum to the department but asked if the department would consider taking the payment in the form real estate. The answer: No, the taxpayer must sell the land if he wished to do so and pay the money to the department.

One Illinois resident phoned the amnesty unit and asked that his file be cleared but would not divulge his name or social security number. Without them there is no way to locate the file. Sorry.

Another taxpayer applied for amnesty and filed three years worth of back personal income taxes. He made it very clear that he had no intention of defrauding the department but he didn't realize that the money he was stealing from a church was taxable.

All amnesty applications will remain confidential and no taxpayer will ever be identified as having applied for amnesty, and all confidentiality of tax information rules will be strictly enforced.

Department officials urge anyone considering payment of past due tax obligations to do so early in the program. There is likely to be a last minute rush near the end of the amnesty period, they say, and for all concerned the earlier an application is received, the better.

The amnesty period will never be repeated in Wisconsin and it absolutely ends on November 22, 1985

Plan Extra Show of Musical 'Carnival'

Tams-Witmark Music Library, Inc. of New York has given Spotlight Productions, West Bend, approval to do an additional performance of their fall musical "CARNIVAL," featuring Sherry McElhatton, Kewaskum.

Due to the overwhelming response, the six scheduled performances in November are nearly sold out. To accommodate their regular repeat customers and others who perhaps procrastinated or did not hear of the show until recently, Spotlight has arranged an additional show on Sunday, November 17th, at J.R. Maximilian's Restaurant, Dillon Royale, Hwy. 33, West Bend. Dinner will be served at 6:00 p.m. A choice of Chicken and Ribs, Pepper Steak, or Cornish Game Hen will be served with salad, rolls, beverage, and dessert. The show will begin immediately following dinner.

Other scheduled performances are: November 15, 16, 22, and 23 with a sit-down dinner beginning at 7:00 p.m. and November 17 and 24 with a champagne brunch being served at noon. The \$13.50 ticket price includes dinner, tax, tip, and show. RESERVATIONS ARE REQUIRED. For more information call 334-4162 or write to: Spotlight Productions, c/o Helen Gundrum, 828 S. 6th, West Bend, WI 53095.

KHS Girls Win Regional Volleyball Championship

By Chuck Voge

The Kewaskum girls volleyball team won the W.I.A.A. Class A regional title Tuesday night, October 29th, by beating very strong teams from Hartford and Beaver Dam. The championship matches were played at Hartford Union High School.

The girls went home with their second trophy of the past seven days, as they also won the Eastern Wisconsin Conference co-championship with a home victory over Chilton last Tuesday.

Before the evening was over, the girls had to play a total of six games, and Kewaskum coach Dave Rizzardi started all six games with his same six regulars, Fusek, Gebheim, Bodden, Blum, Vetter and Prescott, a combination that has worked well for him time after time throughout the long season.

In the first game against Hartford the Orioles were down.

In the first game against Hartford the Orioles were down by a score of 14-7 at one point but battled their way back to win it 16-14.

The second game was a different story as the Indian girls made frequent and excellent use of the soft bump technique and scored well with it. A spike for the point by Gebheim plus some "EXCELLENT SUPPORT FROM A VERY PARTISAN KEWASKUM CROWD" helped the girls on their way to a 15-4 second game win. Game two had some super long volleys with many desperate saves by both teams as neither would give up and play dead.

In game three Kewaskum jumped out to an early 5-1 lead. The Orioles came back, however, and made it a 9-9 tie. Hintz came in for the Indians

then and hit two straight aces from the service line and with her serving sparked the Indians on to a 15-9 third game win over the Orioles.

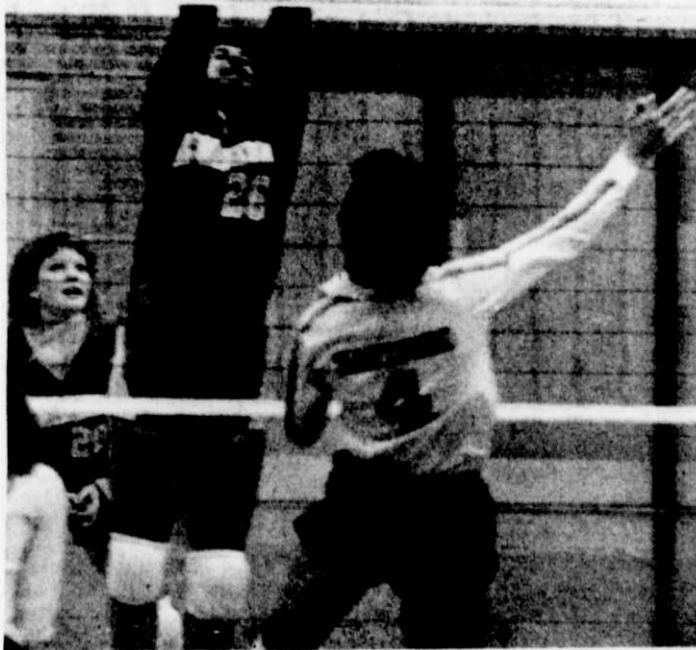

The Indians had a break then while Beaver Dam played Waupun. It was a very short break, however, as the Golden Beavers put Waupun away fast with two quickies. That pitted Beaver Dam against the Indians in the next and final match for all the marbles and a chance to advance to sectional play.

Game one went to Kewaskum 15-12, and with the exception of some crucial serves by the Golden Beavers both teams were an even match. The entire match with Beaver Dam had a lot of rapid fire four and five hit exchanges up front at net top.

Game two was a very long one with a lot of see-sawing back and forth with neither team scoring on the exchanges before the Golden Beavers finally put it away to even the match, forcing it to the third and final game.

In game three Beaver Dam, still on a roll from their second game win, started strong and picked up a quick 2-0 early game lead. At this point, however, the entire match was decided on more than just volleyball skills. "STRENGTH OF CHARACTER" on the part of the Indian team, an asset which has helped them to re-group and come from behind was really the deciding factor in the final game of the regionals. At 2-0, Beaver Dam, Laurie Blum came to the service line and fired off three consecutive aces and with some spiking help from Lisa Fusek the Indians went on to win it 15-12. GAME, MATCH AND REGIONAL CHAMPIONSHIP — KEWASKUM.

Indians Finally Notch First Win; Leave Cellar

By Chuck Voge

In spite of a first half that can best be described as being somewhat flat and without much interest, the Kewaskum Indians rang up their first victory of the season here Friday night with a 24-12 win over the Chilton Tigers. For most of the first 24 minutes of play both teams looked very much like two heavyweight boxers that spend the early rounds feeling one another out, waiting for the other guy to make the first move.

The victory moved Kewaskum (1-4) out of the cellar and ahead of winless Chilton in the Eastern Wisconsin standings. The Indians are tied for fifth place with New Holstein.

The first real highlight of the game came with only 1:22 left to play in the first quarter. Kewaskum recovered a Chilton fumble, and running back Tim Rohlinger took off on a 35 yard run off of the tried and true Indian option and went all the way down to the Chilton 5. There the drive stalled, but the Indians didn't come away empty handed for their efforts as Mike Coulter kicked a field goal from short yardage to make it 3-0 Kewaskum.

The Indians got quite a bit of help from the Chilton punting unit. In the first quarter the Tigers were forced to punt twice and neither kick went much more than 10 yards and left the Indians with good field position both times.

On the kickoff following Kewaskum's field goal the Tigers made their only offensive move of the entire first half as Tiger halfback Terry Owens took the kick all the way back to the Chilton 43. Owens, Chilton's workhorse for the evening had no less than 36 carries and did an excellent job throughout the entire evening, however, his

one man team effort just wasn't enough to carry the Chilton squad.

Kewaskum's Coulter turned in the Indians biggest play of the second quarter when with 0:25 seconds left to play he dropped Tiger quarterback Dean Criter for a big loss with Chilton deep in Indian territory. That ended the first half, score 3-0 Kewaskum.

The Tigers took the second half kickoff and failed to move the ball for a first down. Then just three plays later as the Indians took over, Jerry Vetter went 45 yards down the sideline for the Indians first touchdown of the night. Wodsedalek kicked the point after to make it 10-0 Kewaskum.

Chilton took the kick and failed again to pick up enough yardage for a first down and turned the ball over. Then starting on their own 42 yd. line the Indians put together a good sustained drive that ended up inside of the Tiger goal line. First Rick Staehler ran for 16 on a QB keeper. Vetter picked up another 10 and Rohlinger 25. Then from about the 6, Vetter took it in for his second TD of the evening. Wodsedalek added the point and with 4:41 left in the third quarter the score went to 17-0 Kewaskum.

Chilton took the kickoff and started to come alive. A 56 yard pass to Tiger end Jeff Hemauer and some good running by Owens put the ball on the Kewaskum 3 yd. line. With the ball in easy scoring position for the Tigers, Kewaskum's Mark Schlosser broke up a pass play that would have scored for the Tigers and the quarter ended 17-0 Kewaskum.

The Indians took over possession at their own 3 and on the first play from scrimmage fumbled. Chilton recovered and two plays later Tiger back Terry Woelfel went in from the 6 for

Chilton's first TD. The two point conversion attempt was broken up. Score 17-6 Indians.

On the kickoff that followed the Indians got a little sloppy and fumbled on their own 25. Chilton recovered and on the first play after Criter threw a 25 yard scoring strike to Wayne Meyers for another Tiger TD. Another two point attempt by the Tigers was stopped short. Score 17-12 Kewaskum.

After that each team ran a series and failed to do much. With only 6:17 left to play the Indians took over and ten plays later Vetter scored his third TD. of the game going in from the six. The kick was good. Score 24-12 Indians.

Owens took the kick that followed and almost broke for one as he brought it all the way out to the Tiger 46. On the play that followed Chilton was intercepted by Mark Schlosser and from that point on the Indians just ran out the clock to end the game. Final, 24-12, Kewaskum.

The freshmen had the week off and the junior varsity lost to Chilton 12-6.

This week the Indians take on Kiel, at Kiel, at 7:30 p.m. Friday in the final game of the season. See you at the game.
