No 1986-87 Salary Increase for District Administrator Consolidations, Closings and Staffing Reductions Considered As Ways to Trim School Budget

By GERRY MUELLER
Statesman Staff Writer

Monday night's special meeting of the Kewaskum School Board started out on a surprising note as District Administrator Penny Kleinhans read a statement indicating she will not request or seek a salary increase for 1986-87.

Kleinhans stated, "in the process of budget development for the coming fiscal year, the amount of that increase may not seem significant in relation to the \$6.5 million budget, however, when I struggle day to day with decisions involving several

hundreds of dollars, or if we can send a teacher to a \$50.00 workshop, or whether we can afford an extra curricular activity for the children, then it becomes very personal and significant to me. I am not, I repeat, I am not asking anyone else to do this and I am not saying anyone else is incorrect in seeking a raise."

The startling revelations did not end there as board member Perry Ankerson took the floor to make a presentation and statement of his own. "As chairman of the Finance Committee, I have virtually taken it upon myself to do an analysis hope-

fully, to set the stage to take a look at some of the history in this school district, that we can go into this (budgeting) without finger-pointing and hollering and getting all emotional."

"We're going to have a very difficult time in analyzing what programs and position we are going to retain and, at the same time, looking at this district's ability to pay." Ankerson said the numbers in his five-year analysis came directly from handouts submitted to him by the administration.

Some of the data which Ankerson laid out before the approximately 100 people at the meeting included the fact that there has been a 13.9% drop in student enrollments, from 2,061 in 1981-82, to 1,775 for 1985-86. During that five-year period of student reductions, we increased teachers by 4.7%, he noted.

In 1981-82, the net tax levy was \$2,729,000, said Ankerson, in 1985-86 it is \$3,658,000, which does not include the tax credit of \$405,000, and that represents an increase of \$929,000, or roughly 34%. In five years, our "per student" tax levy went from \$1,324 to \$2,061, or an increase of 55.7%.

"Our biggest nuts to crack in this school district are salaries and wages." Last year salaries and wages accounted for about

Booster Club to Sponsor Lakeshore Symphonic Band

The Kewaskum Booster Club is sponsoring a Feb. 16th performance of the Lakeshore Symphonic band at Rose Hall in the Kewaskum High School. The one and a half hour performance under the direction of Bud Asch will begin at 2:00 p.m.

Ticket prices are \$2.00 for adults, \$1.00 for children and \$5.00 for a family admission. Tickets can be purchased from any symphonic band member or any Booster Club member. They are also available at the

high school office.

The Booster Club, in cooperation with head football coach Fran Charland, is also planning a lift-o-thon at some time in the future. Proceeds from the lift-o-thon would be used toward replacing the large blocking sled that is used by the high school teams as they ready themselves for the many crunchings and poundings that they will be handing out to the likes of Two Rivers and such other groups otherwise known as Panthers, Tigers, Cougars and Falcons.

Nigh Accepts Plaque from Gov. Earl for National Meat Week

[Photos on page 5]

By GERRY MUELLER
Statesman Staff Writer

Governor Anthony Earl issued a proclamation recently stating Wisconsin's support of National Meat Week January 26th through February 1st.

David Nigh and Bob Beisbier of Kewaskum Frozen Foods traveled to Madison to accept the plaque. Nigh, a director of the Wisconsin Association of Meat Processors accepted the proclamation on behalf of all the state's processors.

As a token of appreciation, Beisbier presented the Governor with two sticks of Kewaskum Frozen Food's 1985 National

Grand Champion Award winning summer sausage.

Dr. Dennis Buege, Extension Meat Specialist with the University of Wisconsin-Madison and Dr. Robert Bray, retired, were also on hand for the presentation.

Thousands of meat companies and retailers across the country celebrated the third annual National Meat Week. Consumers are reminded that meat makes an important contribution to the country's diet and nutritional health while enhancing the quality of American meals.

The supply of meat in grocery stores and food establishments is more plentiful than ever. American consumers have a

wide variety of choices from beef, pork, lamb and processed meats. Retail meat cases are taking on a new look as processors discover different ways to cut, prepare and package red meats.

Modern research reaffirms meat as a significant and important source of nutrients. At the same time, livestock management techniques have made today's meats leaner and lower in fats than ever before.

Despite changing lifestyles and eating preferences, meat retains its place as the highlight of the meal, whether it is part of an ordinary dinner at home, a holiday feast or a restaurant dining experience.

Board OKs Tanker Body Purchase for Fire Dept.

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Village Board, Monday night, approved the recommendation of the Fire Department's Equipment Committee to purchase a new tanker body for an existing chassis.

The contract was awarded to low bidder Oshkosh Fire and Police Equipment Company, Oshkosh, for \$15,995. The board also okayed funding for \$3,000 in options which will cover such items as larger tires and heavier springs, etc., for the chassis itself.

In other action the board approved the fermented beverage license application of David Stern. Stern recently became the sole owner of the Landmark Inn.

The board also approved Ordinances 86-2 and 86-3 which deal with incorporation of new ordinances into the village's municipal code book, and the order of business related to the book.

Clayton Stautz was appointed as the Village's Emergency Government Director for 1986. Police Chief Donald Hlavaty had served as interim director

since the retirement of Marvin Martin.

The trustees also discussed the Village's Capital Improvement Sidewalk Extension program. Village Administrator Dan Schmidt said the discussion included points on how the board wanted to proceed.

Jazz Band/Swing Choir Concert

Under the direction of Larry Ammel and Dave Bertelsen, the annual Jazz Band/Swing Choir concert will be presented in Rose Hall at the Kewaskum Community High School on Wednesday, February 19, 1986, at 7:30 p.m.

The jazz band will play approximately 5 songs, among them such numbers as Barbara Ann, Smooth Operator, and Missing You.

This year's Kewaskum Swing Choir is trying to raise funds to sponsor a tour later this spring. They will sing such selections as Celebration, Rhythm of the Night, and Reach Out and Touch.

K.E.Y.S. Club to Award \$500 Scholarship

The newly formed Kewaskum Youth Scholarship (K.E.Y.S.) INC., proudly announces they will be awarding a \$500 scholarship to a 1986 graduating Kewaskum High School senior.

K.E.Y.S. INC. is a non-profit, tax deductible organization designed to provide additional scholarships to the graduates of Kewaskum High School. Its long range goal is to raise and invest money so that every year \$10,000 in scholarships can be provided to give many worthy young people an opportunity to

pursue a higher education.

This year's scholarship is made available thru early contributions made to K.E.Y.S. Inc., and the success of the Peter Ayer's Christmas concert.

K.E.Y.S. INC. is active and growing. With the support of community, alumni and many interested people, we hope to continue to grow. Any donations to K.E.Y.S. Inc. would be gratefully appreciated. Please send to K.E.Y.S. INC., Post Office Box 124, Kewaskum, WI 53040.

Early Grads at KHS

The following students graduated at the semester from Kewaskum High School: Michelle Gindt, Toby James, Dave Karpinski, Sandra Muench, Tamala Muench, Tim Schneider, Tami Schultz, Debi Seideman, Regina Skrentny, Tom Stuck, Cindy White, Lisa White and Bill Winker.

In order to graduate early, the normal requirements for graduation must be achieved. That includes obtaining 20.5 minimum credits. Also a committee made up of teachers, guidance counselors and the principal must approve all graduates before they are eligible.

School Board

73% of the budget, noted Ankerson. In 1981-82, salaries and wages were \$3,181,000, in 1985-86 they are \$4,857,000, an increase of 52.7%. Per student, in 1981-82 that equaled \$1,543, by 1985-86, that had risen to \$2,736, an increase of 77.3%.

"The question I asked myself is, what is our ability to pay these increases. There is no doubt about it, there has been a decline in enrollments, while teacher salaries and the number of teachers have gone up."

"So we go back and look at our tax base and ask ourselves, can we afford to do these things. I went back and looked at the equalized valuation of our district. In 1981-82 it was \$274.5 million, and in 1985-86 it is \$277.6 million, an increase of 1.1%. What that says is, that the value of the property base of this district has only increased a little over 1% in five years, students have declined approximately 14%, and our tax levy has gone up 34%."

"We're on a collision course, we simply can no longer afford the kind of system we have and that is my own opinion," stated Ankerson. "The problem," indicated Ankerson, "is declining enrollments, depressed agricultural prices, potential reductions of state aids, and the decrease in the taxpayer's ability to pay. We have an inability to control increases in salaries and benefits because of mediation-arbitration laws and personnel because of state mandated programs."

"Who can we blame for our predicament," asked Ankerson, "we can't blame parents, we can't blame the farmers or small businessman. It would be nice to be able to blame the teachers. That's a great opportunity, we point our fingers at the teachers. Those people are only using the system that the State of Wisconsin allows them to use, and to expect them to use anything less is ludicrous. And I wouldn't ask them to take less because they couldn't. If they stood alone, they would be ostracized by their own union and the State of Wisconsin. The state union has goals that they want to double teachers' salaries by 1991, to \$48,000. They are looking for an increase of \$3,000 next year," said

Ankerson.

Ankerson concluded his presentation by saying, "we must cut back in programs and curriculum with an eye on commitment to a level of spending at 0%, or make a commitment to not increase our levy more than 3% next year."

Kleinhans then addressed the meeting stating, "it is important to impress on everyone that the school has stressed their concerns for fiscal constraints, however, first and foremost, we are educators and will not make recommendations that will destroy the educational level of the district." As a preface to the Director of Instruction's recommendations concerning staffing, curriculum and facilities, Kleinhans said "as we reviewed the files for the past five years, we have found many of the same proposals have been presented by past administrators and outside sources." In reference to an increase in teacher salaries she stated, "even a 5% increase alone, no fringes, would mean another \$200,000."

Director of Instruction Julie Backus' recommendations were wide ranging and reflected changes in all areas involving the elementary and middle schools. As she explained, each recommendation was interconnected and dependent on the others.

Basically the recommendations, which were explained in detail, consist of closing Beechwood Elementary and transferring the students to Farmington and Kewaskum on the kindergarten through fifth grade levels and expanding the Middle School to house all sixth, seventh and eighth grade students.

Backus noted that the schools are being operated well below capacity in all instances and continued declining enrollments

at Beechwood have resulted in busing in of students. Presently Beechwood has only 87 students of its own, with another 8 bused in from Farmington, bringing the student body total to 95.

Backus proposed that 2/3 of the Beechwood students be consolidated with Farmington, and the remaining 1/3 with Kewaskum Elementary. The potential cost savings from personnel salary, fringes and operations reductions through Beechwood's closing was conservatively estimated at over \$100,000, noted Kleinhans.

Linked with the consolidations, Backus recommended various curriculum and schedule changes for the Middle School. At the present time, she feels the Middle School is functioning more like a junior high school and thinks the changes she is recommending would better meet the needs of students on the Middle School level.

The changes could also result in the elimination of one middle school 6th grade teacher, a 7/8 reading teacher and one remedial teacher. The closing of Beechwood could eliminate the need for one secretary, a cook and possibly one aide. The Beechwood Chapter One reading teacher would move to Kewaskum, the KES reading

teacher position would be discontinued and the reading specialist's work load increased.

Backus also presented changes and improvements for the Special Education, Emotionally Disturbed student program.

While some Beechwood parents expressed a negative reaction to Monday's proposals, Mrs. Irene Gnacinski asked the board to consider two things. First, that it look into the condition of the Wayne School and, if any major repairs, especially for the gym roof are needed, that building be closed rather than put thousands of dollars into it and then close it in the near future. And secondly, if Beechwood is closed, that all its students be transferred to one school rather than split.

Both Kleinhans and Board President Tom Brigham stressed that Monday night's meeting was strictly informational with the purpose of presenting recommendations and that the administration would not ask the board to take any action or make any decisions until the February 24th meeting.

The caterpillar does all the work; the butterfly gets all the publicity.

Everybody, Somebody, Anybody and Nobody

This is a story about Four People named Everybody, Somebody, Anybody and Nobody.

There was an important job to be done and Everybody was sure Somebody would do it.

Anybody could have done it but Nobody did it.

Somebody got angry about that because it was Everybody's job.

Everybody thought Anybody could do it but Nobody realized that Everybody wouldn't do it.

It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.

MMMA Meets to Discuss Budget Issues; Local Official Serves As President

The Mid-Moraine Municipal Association, representing the interests and concerns of 14 local communities in Ozaukee, Washington and Dodge Counties, met Wednesday in Mequon to address critical budget issues facing all levels of government.

Kewaskum Village Administrator Daniel Schmidt serves as president of the association which represents the communities of Cedarburg, Germantown, Grafton, Hartford, Jackson, Kewaskum, Lomira, Mequon, Newburg, Port Washington, Saukville, Slinger, Thiensville and West Bend.

MMMA adopted the following resolution to be delivered immediately to the Wisconsin Legislature:

WHEREAS local governments are facing the most serious financial difficulties of

any level of government due to state and federal mandates and cuts,

WHEREAS Wisconsin's State Government also clearly has serious budget deficits,

WHEREAS such deficits need careful consideration,

WHEREAS MANY OF THE Governor's proposed budget adjustments will have grave impact upon local property tax payers,

WHEREAS local governments should be strong partners in resolving and supporting State budget repair issues,

THEREFORE BE IT RESOLVED, by unanimous approval of all member communities of the Mid-Moraine Municipal Association, that the State Legislature be urged to slow the budget repair process currently underway, and to move with restraint and caution so as not to hasten into action without involving local governments in finding equitable, manageable solutions.

Historical Society To Meet Tuesday

The Kewaskum Historical Society, Inc. will be holding their regular February meeting on Tuesday, Feb. 11, at 8:00 p.m., one week earlier than usual due to the Spring Primary Election. The meeting will be held in the Kewaskum Community Room in the Municipal Building, 204 First Street.

The main topics of discussion will be the preliminary arrangements for Early Farm Days 1986 and the 1986 Calendar of Events.

The Society held the election of officers for 1986 and they are as follows: President - Daniel Schmidt; Vice-President - Dolores Kleinke; Secretary - Minerva Martin; Treasurer - Sylvester Schmidt; Board of Directors - Lloyd Westerman, Marshal Reysen, Ronald Markus; Curator - Evangeline Teeselink; Sunshine Lady - Hilda Firks.

Former KHS Ag Teacher Retires As Agricultural Dean at MATC

Daniel W. Scheid, Dean of Agriculture-Agribusiness Division at Madison Area Technical College in Madison, has retired, effective January 31, after seventeen and one-half years as head of that division at the college.

Scheid initiated this division in 1968 and has developed associate degree and vocational programs in Animal Technology, Agricultural Mechanics, Crop Production, Dairy Herd Management, Farm Training, Horticulture, Sheep Production, and Taxidermy. Other programs are in the developmental stage.

As a life-long educator, previous to his duties at MATC, he taught vocational agriculture at Wrightstown, Kewaskum, and Fort Atkinson High Schools. He reorganized the high school department at Wrightstown in 1949, started a new vocational agriculture department at Kewaskum, and taught for sixteen years at Fort Atkinson.

While teaching he also served as a teacher trainer for the University of Wisconsin Department of Agriculture and Extension Education from 1952

Groundhog

Otto Weddig Club Member

It was recently announced from the Groundhog Capitol of the World, Sun Prairie, Wisconsin, that Otto Weddig has become a member of the world renown Groundhog Club. Membership in this prestigious club is only available to those individuals born on that fortuitous day, February 2 (Groundhog Day).

The purpose of this elite group is to proclaim the existence of "Jimmy the Groundhog" as the one and only true weather prognosticator. (Regardless of what the citizens of Punxsutawney, Pennsylvania, say about the subject!)

Now that Otto has become a member of the Groundhog Club, the distinction of being a Public Relations Director has been bestowed on him. His duties include proclaiming the existence of the club, the promotion of "Jimmy" as the only true prognosticator, and to cultivate the interest of the rest of the world as to the importance of Groundhog Day. Otto shall also serve as an advisor to the Club President (Jimmy the Groundhog).

Folklore states that every February 2 the groundhog peeks out of his burrow. If the groundhog sees his shadow he is frightened and returns to his burrow for six more weeks of winter. If the day is cloudy, the groundhog does not see his shadow and, therefore, stays out of his burrow for an early spring.

"Jimmy" the Sun Prairie Groundhog has been predicting the weather since 1948 with 90% accuracy while the Pennsylvania critter has only a 17% accuracy rate. This proves that "beyond a shadow of a doubt" that Jimmy is actually the only reliable groundhog for the annual prognostication.

The average person in the course of a lifetime walks a distance equivalent to almost three times around the equator.

Peterson to Perform In Music for Youth, Inc. Winter Concert

More than 300 young Milwaukee area musicians will take center stage in Uihlein Hall at the Performing Arts Center when Music For Youth (MFY), the greater Milwaukee area youth symphony orchestra program, presents three orchestras in a Winter Concert on Sunday, February 16, at 3:00 p.m.

Participating in the program will be MFY Symphony II performing the Overture and Allegro from "La Sultane Suite" by Couperin/Milhaus, two movements from "Rodeo" by Copland, Leighton Peterson, 202 Forest Ave., Kewaskum, will perform with this group.

Music For Youth Orchestra III will present the Frederick the Great Overture from "Symphony in G Major" by Graun, McKay's Symphonette in D and the March Militaire Francaise from Suite Algerienne by Saint-Saens.

All three rehearsal groups of MFY String Orchestra IV will join forces to form a 110 member ensemble performing Non Nobis Domine by Byrd, Canzona No. II from Two Canzonas for String Orchestra by Frescobaldi and Beethoven's Contra-Dance No. 1 for String Orchestra.

Tickets for this concert, all general admission, are \$3.00 each and may be obtained from members of the performing orchestras or by sending a stamped self-addressed envelope to the Music For Youth office, 929 N. Water St., Milwaukee, WI 53202. Tickets will be on sale at the Performing Arts Center Box Office beginning Friday, February 14. For further information call 272-8540.

Plan 'Dance for Heart' At St. Michaels Feb. 22

Dancers from the Dance Slimnastics aerobic class will participate in Dance For Heart, a special event to benefit the American Heart Association. The purpose of the event is to promote the personal benefits of aerobic exercise, while raising funds to fight heart disease and stroke. Participants will join in a two hour dance event and collect pledges from community residents and friends for every minute they participate. Not only can Dance Slimnastics students participate in this event, but anyone who wishes to have fun while getting in shape can join in. Admission is free to everyone.

If anyone would like a Dance For Heart t-shirt, a \$5.00 donation is needed. Getting pledges is not mandatory to enter the event.

Dance For Heart is always exciting. This event draws

attention to the importance of heart health and is a fun, active program for anyone to participate in. To make the event more meaningful, dancers can select an individual they would most like to dance in honor or memory of a family member, co-worker, or an individual who has had heart surgery. They

then collect pledges in their name to benefit the American Heart Association. Upon completion of the event the individual honored receives a special post card explaining that someone danced in their honor or in memory of a friend.

Last year over 3,500 Wisconsin males and female dancers

joined in the Dance for Heart program which is now beginning its sixth year.

No dance experience is needed to join this event. The public is invited to attend. The time is 9:30 a.m., Saturday, Feb. 22nd at St. Michael's Church Hall.

Admission is free, free refreshments and great fun. Come and join in the fun. For any information or to order a Dance for Heart t-shirt call Jacquie, at 338-6754. T-shirt order is needed 15 days before the event.

LETTERS TO THE EDITOR...

To: All Kewaskum School District Residents

Few would disagree with the statement that our taxes are too high. That, however, does not mean that we are anti-education. Most would agree that the primary role of education is to ensure that our students become self-supporting adults and that they stay off the welfare rolls.

Our new \$32,000 a year Director of Instruction has apparently been given the power to remove courses of education without the school board's approval. Just by removing the courses from the sheet used by students to sign up for next year's courses, she has assumed more control than the school board has on which courses will be offered.

I am upset to learn that reading in the middle school has been cut back and may be combined with language arts. Have you ever looked at the college entrance tests or read a technical manual? One look and I'm sure you would agree that reading classes have to be a number one priority - especially for students going into high school. Reading is essential for success at any level.

I am also disturbed to hear that math classes for the less gifted students have been eliminated at the high school. Students must earn two credits in math to graduate. The two choices for students in their second year and who are having difficulty in math, are pre-algebra and technical math. If students cannot pass one of these courses, they will not graduate. These students will not graduate, even though they may be doing above average work in all their other courses.

Is it fair to these students to give them two choices? It doesn't seem fair to me that the more gifted students can choose from algebra, geometry, advanced algebra, trigonometry, college algebra, analytical geometry, courses in computers and calculus.

We know that earning a

diploma is an important step to success. Should the Director of Instruction be allowed to drop these important courses without board approval? In order for students to graduate, will the courses have to be "watered down" in order for helping the students who plan to take algebra? Are we doing our best to cutting down reading classes?

I believe that the \$32,000 spent for the salary of the Director of Instruction could have been better spent. I would like to see that money spent to help students with learning problems and to challenge students to set higher goals. Reading and math skills are certainly two areas where we

cannot afford to deny success to the students.

The taxpayer deserves to know that students will earn a diploma and will have the skills and knowledge to succeed in life. Cutting staff and adding administrators is 'NOT' the answer!

To the Editor:

Instead of a \$64,000 question this week, I would like to do a version of the \$32,000 (plus benefits) question. Any

similarity between this number and the Kewaskum School Board's decision to spend \$32,000 plus benefits on another administrative position in the form of a Director of Instruction is not coincidental. This is a multi-part question -

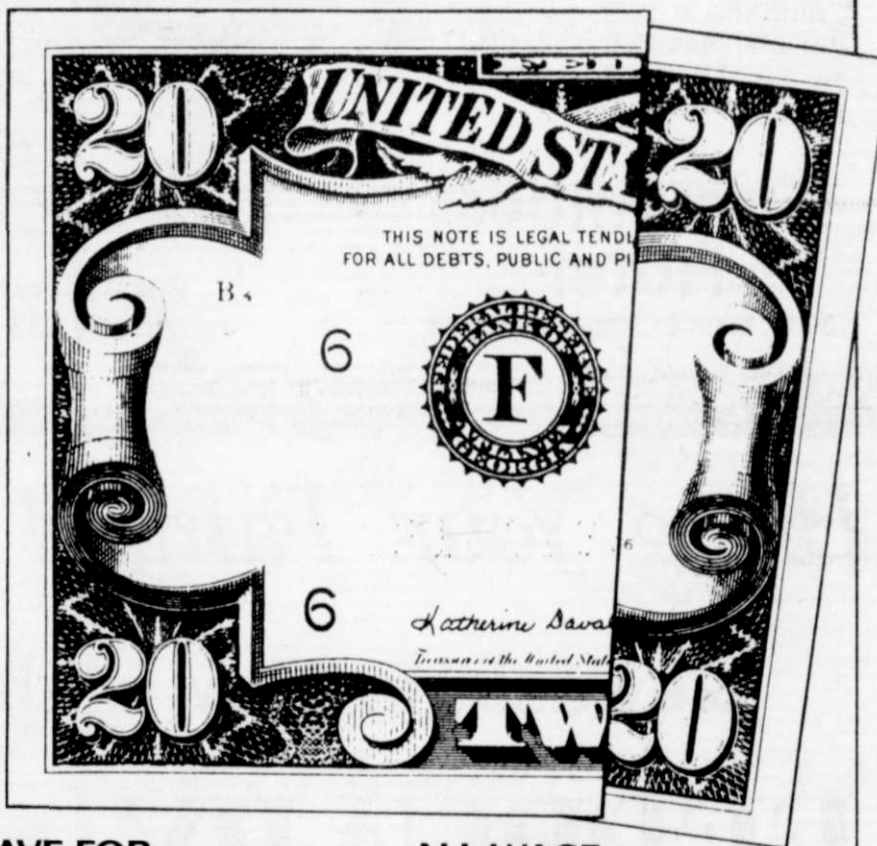

Doesn't the board's present job description for the superintendent already assign these duties to that position? Why did the board choose to add another administrative position to accomplish these tasks and then not write a job description until AFTER they hired a candidate? On what grounds were they going to select a candidate? Where did the board advertise to fill the position prior to the October 14th meeting when the consensus was to postpone action and to readvertise this

position during the second semester? Where did the board advertise to fill this position after the October 14th meeting that enabled them to hire a candidate so quickly at the November 25th meeting?

Why did the board choose to vary from its past practice of interviewing two or three candidates to fill an administrative position and then making its choice? Why did it only consider one candidate? Is it true that only two board members actually interviewed the candidate? And then not in the context of a board meeting? Is it true that when the actual vote was taken that even one of these two members were not

A TAX SHELTER THAT WORKS . . . TODAY

You will pay less tax every April 15th by opening or adding to a West Bend Savings' tax-deferred Individual Retirement Account (IRA).

At West Bend Savings your IRA funds are placed in a high rate savings investment plan insured by an agency of the U.S. Government. Each year you can contribute up to \$2000 (\$4000 if your spouse is also a wage earner) and deduct it from your taxable income. This deduction is always in addition to the other deductions you are allowed. Taxes on the interest your IRA earns are also deferred until the time of withdrawal.

SAVE FOR RETIREMENT . . . TOMORROW

Over the years your tax-deferred IRA will achieve tremendous value, and at West Bend Savings you can build that large retirement fund at your own pace.

Contribute monthly, quarterly, or deposit a lump sum whenever you like. West Bend Savings can also arrange to have your contributions automatically deducted from your paycheck.

ALL WAGE EARNERS QUALIFY, AND \$20 IS ALL YOU NEED TO GET STARTED.

Act now, before you file your 1985 income taxes. Take advantage of that important tax deduction today... while you save for retirement tomorrow.

from Tom Leitzke, R.P.H.

TAKE IT STANDING UP

Taking medicine while lying down - or lying down right after - can result in pills or capsules 'sticking' in the esophagus [the food tube to the stomach]. This can delay the medication, cause painful inflammation, even ulceration in the esophagus. present? How else could this money have been spent?

Couldn't some of this money have been used to provide our children with updated physics books? (Do you know that the present physics text is copyrighted in 1968 and is entitled **Modern Physics**? But then, maybe some of the board feel that nothing new has happened in the sciences since 1968). Could some of the other texts that tell our students that someday we may be able to land on the moon have been replaced? Couldn't some of this money have been used to assure that the excellent reading program be maintained in the middle school? (Have you heard some of the proposals that would give the district's children something less?) And, as odd as it may seem to some board members, couldn't some of this money NOT have been spent and actually been used to reduce taxes?

To the editor:

As students of the Kewaskum School District, we are naturally concerned about the future of the school board. On February 18, a primary election for open seats will be held. We encourage you to vote but ask that you take into consideration each candidate's qualifications for being an active member of the school board along with his/her attitudes and ideas which could either benefit or hinder the school system. Your time and concern is greatly appreciated.

Thank you.

To The Editor:

The recent holiday of Dr. Martin Luther King, Jr. was celebrated nationally with a variety of ceremonies. Nowhere was this celebration more appropriate than in Wisconsin where hundreds of State employees used their day off to

pick corn as suggested by Governor Anthony Earl.

Congratulations to Governor Earl and those State employees that participated in the corn picking.

When I watched them on national news, it made me proud to live in Wisconsin. I am sure Dr. King would also have been proud to be honored in this fashion.

Primaries Set for School Board and County Board Elections

By GERRY MUELLER
Statesman Staff Writer

Election of the Kewaskum School District will go to the polls February 18th and cast ballots which will narrow the school board candidacy field from six to four hopefuls.

Incumbents Neal Weare and Laneille (Lynn) Dieringer, whose terms expire in April, will be facing stiff competition in their bids for re-election to second terms on the board. Both Dieringer and Weare won their posts as write-in candidates in the 1983 election.

Opposing the incumbents will be first-time candidates Ruth Schmitt, Donald Nowak, and Clara Trapp. Former school board member Ralph Horner has also thrown his hat in the ring, seeking another term after being defeated in his bid for re-election in 1985.

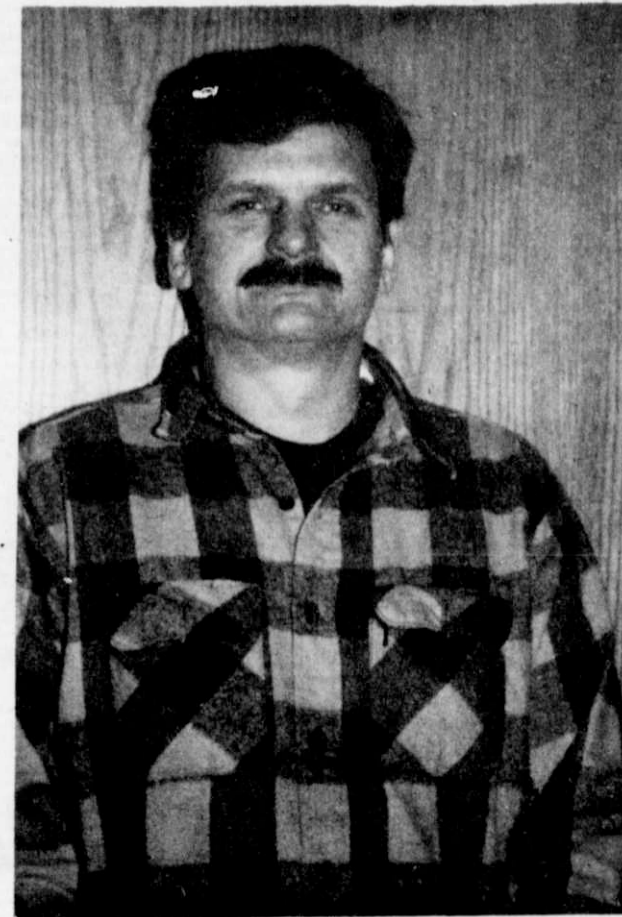

Schmitt, whose occupation is a substitute teacher for the Kewaskum and West Bend School Districts, stated, "I have a desire to help even the gap between quality education and our ability to pay. Let's put the kids first and eliminate any and all unnecessary spending on non-educational items. Hiring additional administrators and remodeling the administrative building are examples of spending that could have been cut."

Incumbent Neal Weare gave the following reasons for his seeking re-election: "I feel that my first term was a learning experience. I learned that idle

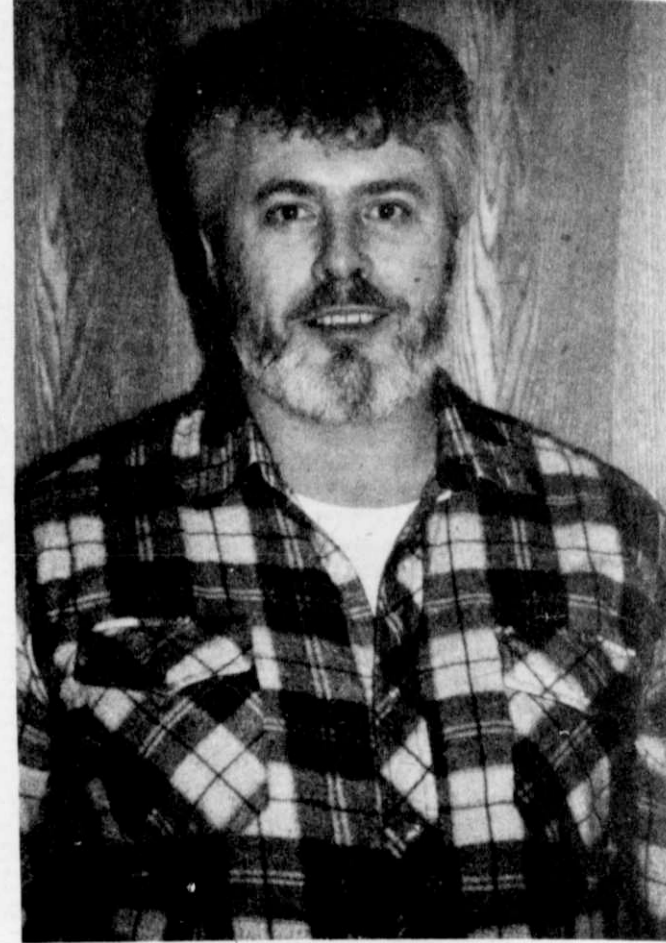

promises cannot always be kept. In my next term, I would like to work towards more cost-saving programs by starting a long-range plan, so our school district knows exactly where we will be in the next 3-5-7-10 years. Only with your help and support can this plan be put into place."

"My last three years on the school board have been learning years to say the least," stated incumbent Lynn Dieringer. "Everything seems to easy when you're sitting on the other side of the table, but you find out soon it's not quite so easy. I would like to continue to serve the district for another three years and would work to the best of my ability to maintain the educational standards at Kewaskum."

Nowak stated, "I am running for the School Board because I want to be a part of the decision making process that directs our school system. I believe in quality education at a reasonable cost. If elected I will work to keep our taxes at a level we can live with. This cannot be done alone. I will need inputs from all voters in the district. We cannot continue to live beyond our means. We also must address the abuse of drugs and lack of discipline in our schools. I believe drug abuse and lack of discipline go hand in hand. Students must be held responsible for their actions. A slap on the hand does not work. Nationwide, more teachers are leaving education, not because of money, but

because of lack of student discipline. We can, by working together, institute a program to deal with this problem without adding to our staff."

Horner said he believes his recent newspaper letters aimed

at the electors state his position and reasons for gain seeking a seat on the school board. "As I have said in the past, I would work to reduce both spending and taxes in the Kewaskum School District."

Clara Trapp has been out of town for the past month and was not available for pictures or a statement.

In the race for Washington County Supervisor of the Eleventh District, (Boltonville-

Fillmore areas) incumbent Norbert Dettmann will be competing against four opponents on the February 18th primary ballot.

Besides Dettmann, Francis Mayer of 8700 Boltonville Road,

Kewaskum; Hilbert Scheunemann of 7616 County M, West Bend; Stephen D. Schmidt of 1701 County H, and Ted Stude of 280 Riverside Road, Fredonia, will be listed on the ballot.

In an eleventh-hour decision, the State Elections Board overturned a decision by Washington County Clerk Arthur Degnitz to exclude Schmidt as a candidate from the primary election.

Initially, Schmidt had been excluded from the ballot after Degnitz discovered the names of four individuals on Schmidt's nomination papers who were not district residents. In his appeal of the board, Schmidt

indicated the official poll list for the Town of Trenton did list the addresses in question as being part of District 11. Primary elections will also be run in the 17th, 20th, and 27th districts of Washington County.

FACSIMILE BALLOT NOTICE OF SPRING PRIMARY FEBRUARY 18, 1986 NOTICE OF PRIMARY ELECTION OF SCHOOL BOARD MEMBERS

(Sec. 120.06 (8)(c))
Notice is hereby given to the qualified electors of the School District of Kewaskum that on Tuesday, February 18, 1986, a primary election of school board members will be held. Candidates for the school board are as follows: (Vote for no more than two).

1. Donald F. Nowak
2. Neal D. Weare
3. Ruth A. Schmitt
4. Laneille Ann Dieringer
5. Clara Trapp
6. Ralph Horner

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the elector shall be permitted to vote. Where ballots are distributed to electors, the elector shall be permitted to vote. Where ballots are distributed to electors, the elector shall be permitted to vote.

At a nonpartisan primary, the elector shall make a punch or a hole at the top of the ballot and insert the name of the candidate on the ballot envelope provided. The elector shall not be permitted to mark the ballot in any other manner. If the elector marks the ballot in any other manner, the ballot shall be void.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

Proclamation

"VOCATIONAL EDUCATION WEEK"
February 9 - 15, 1986

WHEREAS, the Village of Kewaskum recognizes the importance of vocational and technical education today in providing opportunities for citizens to put their knowledge and skills to work in a chosen occupation; and

WHEREAS, vocational and technical education programs at such schools as Moraine Park Technical Institute provide skilled and well-educated workers for business, industry, and agriculture, and help communities retrain their work force and build their economic vitality; and

WHEREAS, in a typical year, the majority of Moraine Park graduates find work in the field of their training, with more than 90 percent staying in Wisconsin to promote the state's well-being; and

WHEREAS, the Moraine Park Vocational Association in conjunction with the American Vocational Association has established the theme "Vocational Education: A Choice With a Future," and is supported by business, industry and the agricultural community in this endeavor,

NOW, THEREFORE, I, David E. Nigh, Village President, hereby proclaim February 9-15, 1986, as "Vocational Education Week" in the Village of Kewaskum, and urge all citizens to participate in its activities and become better acquainted with the services and benefits offered by the vocational, technical and adult education programs in this area.

By Order of The Village Board of The Village of Kewaskum, Wisconsin, This 20th day of January, 1986.

Tickets for the Senior Class play to be presented on February 14 and 15 are finding ready buyers. The cast of "Trouble in Paradise" is: Earl Bartelt, Vilas Bartelt, Ray Pfenning, Anthony Uelmen, Kilian Honeck, Howard Schmidt, Otto Weddig, Viola Backus, Lucille Romaine, Janice Koch, Marion Petermann, Doris Mae Rosenheimer, Delbert Backus, Eleanor Schleif, Elaine Schleif, Dorothy Backus, Paul Schmidt and Carl Kohlschmidt. The Minvet Dancers are Dolores Horning, Ruby Menger, Frances Bunkelman and Norma Hawig. The singers are Eleanor Schleif and Armand Mertz.

Snow fell in this vicinity almost all day Monday and throughout the night, followed by more snow on Tuesday which was accompanied by a severe wind. And, of course, as an aftermath to this another cold wave of 18 degrees below zero struck on Tuesday evening. Traffic was still badly hampered and many country residents were still snowbound from a previous snowstorm and were unable to get to town except via bobsled, although many were unable to get there even that way and were compelled to walk or at least walk to a main highway first, when, from out of nowhere comes another storm, more severe than the previous ones, to make matters worse

than they have been in many, many years. Snowdrifts packed in cement-like fashion, 16 and 17 feet high are common throughout this entire area.

A fuel shortage in this village was relieved over the weekend, when the L. Rosenheimer Company here received three cars of fuel last week, the tonnage being sufficient to take care of present needs. Although the A. G. Koch Company has had a supply on hand up to Thursday of this week, they are also short now but expect two cars that should already be here. Coal in shipments is being delayed because of snow-blocked roads and railways throughout the entire state.

The happy anniversary of their golden wedding was duly celebrated by Mr. and Mrs. August Heberer of New Fane, at the home of their son, Walter Heberer, last Sunday.

Fate again struck a pitiful blow when it took the life of a beloved resident of the Town of Kewaskum, Mrs. Augusta Ramthun (nee Kaniess) at her home, three miles northeast of this village on February 1. Mrs. Ramthun, wife of the late August Ramthun, had attained the age of 70 years.

The farm home of Mr. and Mrs. Herbert Kruepke on Highway 45-55 one mile south of Gumm's corner became the haven of safety and comfort for 26 people who were overtaken by the intense cold and drifting snow which stalled their cars and trucks near there recently. Most of those marooned were travelers, who were far from home. The people remained there for nearly two full days before the roads were opened and they were able to be on their way.

Last Thursday afternoon, while skating on the local mill pond with a number of other boys, Fred Mohme, 10 years, second oldest son of Rev. and Mrs. Mohme of this village, was unfortunate in breaking through the ice, and nearly lost his life. He was saved by the prompt arrival of Rev. Greve, who from his home, heard the boys crying for help. The reverend did not arrive any too soon on the scene as Master Mohme was nearly played out from his efforts in trying to save himself.

A wagon load of young people from Beechwood went to Batavia last Sunday evening to attend a birthday party and experienced a tip-over on Norman's bridge. None of the

occupants were injured, but the driver leaped into the creek to see how deep the water was.

Edwin C. Schmidt, son of Mr. and Mrs. Wm. Schmidt, living 2 miles northeast of this village, passed away at the home of his parents, January 31, 1911, after an illness of about two weeks with appendicitis.

Fred Backhaus, who has for the past few years owned the Van Uechten farm, 3 miles southwest of this village, this week bought the Mrs. Ed. Glander 160 acre farm and personal property near New Fane for \$18,000. Mr. Backhaus will take possession of the farm next week.

J. B. Day last Tuesday purchased the 160 acre farm of Fred Backhaus, better known as the Van Uechten farm, together with all personal property for \$22,000. On Thursday he sold the farm without the personal property to Wm. Butzlaff for \$19,500.

A baby girl was born to Mr. and Mrs. Fred Andrae last Monday.

Cub Scout Winterfest

The annual Cub Winterfest for all Cub Scouts of Glacier Edge District 11 will be held, Saturday, February 15, at Glacier Hills Park, Highway 167, at Freiss Lake Road, in Hartford. Registration is from 8:00-9:00 a.m.

The cost is \$2.25 each, and packs are to submit their reservation form and include a \$10.00 deposit, which will be applied to the total fee. Everyone is asked to bring a sack lunch (hot chocolate and coffee will be provided). Warm clothing, mittens and boots are the order of the day.

Thirty-one packs from Ozaukee and Washington Counties will participate in thirteen fun scheduled events testing skill, co-ordination and accuracy. Events include: Snow Snake, sled races, relay races, obstacle course, Snow Sharks and crevice crossing, as well as surprise events. Equipment will be supplied by the committee, and Winterfest Patches will be awarded.

Contact Winterfest Chairman Wallie Shearer (673-5332), for additional information.

Area MPTI Campuses to Celebrate Vocational Education Week Feb. 9-15

Feb. 9-15 is National Vocational Education Week, and Moraine Park Technical Institute's entire community of students, instructors and other staff are planning a big celebration. The schedule for the week is as follows:

"Open House America" Sunday, Feb. 9, 1986 - As part of a nationwide Open House to start off Vocational Education Week with a bang, Moraine Park Technical Institute joins 26,000 other institutions across America who offer vocational education programs in opening its doors on this day. Millions of Americans will be visiting their local technical institutes, vocational schools and other educational institutions to witness first-hand how vocational-technical students are acquiring job skills and preparing for fruitful careers. At MPTI's Fond du Lac campus, parents, other relatives, friends, alumni, VIP's and the public are invited for campus tours, student demonstrations, receptions and more. An open house is also planned for MPTI's West Bend campus. The time is 1-4 p.m. for both campuses.

"VIP Day" Monday, Feb. 10, 1986 - Representatives of business/industry, civic leaders, members of the Association of Commerce, members of the MPTI Board and legislators from the Moraine Park VTAE District have been invited to join the staff at the Fond du Lac campus for a continental breakfast to start the week. Following breakfast, campus tours will be provided for Chamber members and legislators. Later in the morning, MPTI staff and students will meet with legislators for a question/answer session on important legislative issues related to vocational education.

At the West Bend campus, MPTI will host the Washington County Labor Council's monthly meeting in the evening; a campus tour and refreshments will be part of the Council's agenda.

At the Beaver Dam campus, the staff will host a late afternoon reception. Guests will include Chamber of Commerce members, civic leaders, legislators, Labor Council members and other dignitaries.

"Legislative Seminar Day" Tuesday, Feb. 11, 1986

Members of the Moraine Park Vocational Association will travel to Madison for the Wisconsin Vocational Association's annual Legislative Seminar. MPVA members will caucus with their WVA peers and visit the legislators to discuss legislative issues relevant to vocational education. No campus events are planned for that day.

"MPVA's Hospitality Day" Wednesday, Feb. 12, 1986 - MPVA will host hospitality rooms at the Fond du Lac, Beaver Dam and West Bend campuses on this day for all MPTI staff. Information on how to become a member of the association will be available.

Also on Wednesday, MPTI will host members of the West Bend Chamber of Commerce for a continental breakfast at the West Bend campus.

"Meet the Press" Thursday, Feb. 13, 1986 - On this day, people from newspapers, radio stations and TV stations in the Moraine Park District will be invited to visit the campus of their choice for a campus tour, luncheon and special video "overview" of MPTI.

"Continuing Education Day" Friday, Feb. 14, 1986 - MPTI's Adult Center Supervisors and their students highlight continuing education throughout the Moraine Park District with demonstrations and displays in the local adult centers, public libraries and other locations.

"Valentine Dinner / Dance" Saturday, Feb. 15, 1986 - All MPTI staff are invited to a dinner/dance at the Wild Goose Inn in Waupun to celebrate the

conclusion of a successful Vocational Education Week.

In addition to these events, a number of other activities are occurring throughout the week. Moraine Park staff and students will be staffing displays and visiting with the public at the Forest Mall in Fond du Lac, the Westfair Mall in West Bend and Beaver Dam Mall in Beaver Dam. Free balloons, literature and other materials will be available and a number of student demonstrations are planned.

Moraine Park's Speakers' Bureau will also be active during Vocational Education Week with instructors and other staff speaking to service clubs, other civic groups and high school classes about vocational education and the programs available at MPTI.

At the same time, the annual student Winter Carnival at the Fond du Lac campus will add its usual frolic and high times to the festivities of Vocational Education Week.

THANKS TO ST. JUDE

ST. JUDE'S NOVENA. May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world, now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us; St. Jude help of the hopeless, pray for us. Say this prayer 9 times a day, by the 8th day your prayers will be answered. It has never been known to fail. Publication must be promised. Thank you St. Jude.

M. H.

Sensenbrenner to Hold Office Hours

Ninth District Congressman Jim Sensenbrenner will hold a series of open office hours in Kewaskum, Allenton, Hartford, Slinger, Jackson, Germantown, and Hubertus on Tuesday, February 11th.

At these seven locations Congressman Sensenbrenner will be available to meet with residents on an individual basis to discuss problems with federal agencies, to hear the views of residents on issues of concern, and to receive requests for information or copies of government publications.

The schedule of office hours is as follows:

Kewaskum Municipal Building, 10:15 a.m. to 10:45 a.m.
Addison Town Hall, 11:00 a.m. to 11:30 a.m.
Hartford City Hall, 11:45 a.m. to 12:15 p.m.
Slinger Municipal Building, 1:00 p.m. to 1:30 p.m.
Jackson Village Hall, 1:45 p.m. to 2:15 p.m.
Germantown Village Hall, 2:30 p.m. to 3:00 p.m.
Richfield Town Hall, 3:15 p.m. to 3:45 p.m.

The public is invited, and Sensenbrenner encourages area

residents to attend. No appointments are necessary, and everyone will be seen on a first come, first served basis as time permits.

Parenting Skills Course Postponed To February 13

Start of the Systematic Training for Effective Parenting (STEP) class at Moraine Park Technical Institute has been postponed for two weeks, to Thursday, Feb. 13.

Mothers and/or fathers of children 12 and under are invited to this ten week Parenting Skills course which includes communication, understanding behavior and misbehavior, building confidence and feelings of worth, and natural and logical consequences.

Instructor is Robert Schermacher, individual, marriage and family counselor in private practice in West Bend. He is also a member of the Academy of Certified Social Workers.

Fee is \$12.90 plus Parents handbook. Deadline for enrollment is Feb. 6. To register, call MPTI 334-0909.

Obituary

PEARL M. SCHUPPEL

Pearl M. Schuppel, nee Jaeger, 93, of West Bend, died Sunday, Feb. 2, at the Cedar Lake Home.

She was born Nov. 1, 1892, in the Town of Barton, and married William Schuppel. He passed away May 4, 1980.

They farmed in the City of West Bend for 69 years, and owned and operated Schuppel's Dairy.

Survivors include two sons, Leland (Dorothy) of Kewaskum and Bobblin (Ruby) of Slinger; 12 grandchildren; 23 great-grandchildren; one sister, Olive Liebnitz of Milwaukee; one brother, Norvin of West Bend; one son-in-law, Ernest Bocher of Saukville; one daughter-in-law, Marion Schuppel of West Bend, and other relatives and friends.

Preceding her in death were one daughter, Burneth Bocher; one son, Willard, and a sister Esther Jansen.

Funeral services were Tuesday, Feb. 4, at 8 p.m. at Pilgrim Lutheran Church, West Bend. Rev. John F. Stephan officiated and burial was in Washington County Memorial Park Wednesday at 9:30 a.m.

Visitation at the church only was Tuesday from 3:30 p.m. until time of services.

The Myrhum Funeral Home, West Bend served the family.

Catholic Girl Scouts Day of Recollection

On Saturday, February 22, 1986, the Milwaukee Archdiocesan Catholic Committee on Girl Scouting will sponsor a Day of Recollection for girls working on the Marian Medal. The day will be held at the Country Inn, 2810 Golf Road in Pewaukee from 9:00 a.m. to 3:00 p.m. Girls must be accompanied by an adult. The cost for girls and adults is \$6.50 each, which includes lunch.

The event includes discussions on careers and vocations which will be led by professionals in their respective fields. In order to participate, the girls must have completed requirements through chapter three of their project book. The

day's program will include the wrap-up on chapter four and project sixty.

IN MEMORY

In memory of Sylvester Fellenz, who passed away twelve years ago Feb. 6, 1974.

You are not forgotten loved one nor will you ever be

As long as life and memory last

I will remember thee

I miss you now my heart is sore

as time goes by I miss you more

Your loving smile your gentle face

No one can fill your vacant place

Sadly missed by wife,

Gertrude Fellenz.

A NOTE OF THANKS

Many thanks to all who remembered me with cards, visits and phone calls while I was at St. Joseph's Hospital. Special thanks to Dr. Castro, Dr. Sison, Dr. Geiger and Dr. Muth, also all of the good nurses on the second floor and in intensive care. Thanks to the West Bend Rescue Squad for their concern and excellent help in transporting me to St. Joseph's Hospital. I sincerely appreciated these kindnesses.

KHS Coach and Team Hold Gymnastics Clinic

FARMINGTON student Katie McDonald on the beam at the Kewaskum gymnastics clinic with Nanci Goeden, left, and Angie Nowak supplying the helping hands.

By Chuck Voge

The Kewaskum High School gymnastics coach, Sue Paul-Kenfield, is about at the half-way point in a seven week co-ed gymnastics clinic that she is conducting on Wednesday nights at the school. Due to the overwhelming response to the clinic, entries had to be cut off, since the most that she and the girls from her high school team could accommodate was 150, and that number was reached with no problem.

The clinic is designed to acquaint youngsters with the various pieces of apparatus that are used in competition gymnastics. The clinic is open to children from 7 to 14 years of

age. The most interesting aspect in this clinic is not just what the aspiring young gymnasts are learning, but rather who's doing most of the teaching.

The clinic is staffed by the girls from our own high school gymnastics team. The manner in which these girls are giving their time and skills to help others within the district learn a skill says much for the success of our own sports program with respect to developing unselfish and caring attitudes toward others. It's a prime example of the youth of the community in action doing something positive.

"Well done girls!"

Lakes Team Downs Port Washington

The Kewaskum Lakes team came through with its second victory of the season by beating Port Washington here Sunday night, 124-106. They have lost five.

Kewaskum led almost the entire game, outscoring Port in every quarter. Port could only get within nine points in the second half. Kewaskum did a good job on Kevin Lemon, holding him to 24 points.

As happens in most games, Leon Laatsch again copied scoring laurels for the night with 38 points. He was followed by three players with 22 points apiece, namely Clark Eichstedt, Bob Nigh and Bill Gonwa. Behind Lemon with 24 points for Port were Dave Ross with 23 and Rollie Kitt with 22.

Kewaskum hosts the Menomonee Falls Honey Bucket this Sunday at 7:00 p.m. Port Washington — Pride 0-0-0, T. Greisch 7-1-2, B. Greisch 5-0-0, Mueller 3-0-0, Kitt 11-0-1, Ross 10-3-1, Keefe 3-0-4, K. Lemon 10-4-5. Totals: 49-8-13.

Kewaskum — Laatsch 15-8-4, Eichstedt 11-0-2, Nigh 11-0-4, Backhaus 5-0-3, Gonwa 11-0-2, Rondorf 2-0-2, Thomas 2-0-2, Brendemihl 1-0-1. Totals: 58-8-20.

Places Fourth in Bodybuilding Contest

Randy White

He is a full-time farmer and resides at R. 1, Random Lake. His parents are Doug and Marion White. He is a 1977 graduate of Kewaskum High School.

Koepke Returns To Lakeland Team

Sheboygan, — The Lakeland College women's basketball team's leading scorer and rebounder is sharpshooting freshman guard Stacy Urbas, Sheboygan, who is averaging 16.4 points and 7.6 rebounds per game. She is the third-ranking scorer in the district with 247 points. Heide Ver Gowe, a junior guard from Oostburg, is second ranking scorer with an 11.3 points per game average.

As a team, the Muskies are averaging 68 points per game, compared to opponents average of 64 points. They are the top ranked team on offense and defense. Lakeland is shooting 41 percent from the field and 67 percent on the free throw line. The team is also averaging 42 rebounds.

Lakeland has started off well in the second half of the season by winning six of its last seven games. The Muskies only loss was to conference rival Concordia, 67-59. Lakeland is currently second in the Wisconsin Independent College Women's Athletic Conference (WIC-WAC) with a 7-1 record. Leader Concordia is 6-0 in the standings, while Marian is third. Head coach John Klein feels that one of these three teams will finish on top of the standings. Overall, the Muskies are 10-7, and the Jayvee team, coached by Carla Biwan, is 8-0.

Sophomore center Julie Koepke, Kewaskum, returned to action this week, following recovery from a broken bone in her hand. She had been averaging five rebounds and 3.1 points per game before her injury the first week of January.

Wodsedalek 2nd in Lakeland Scoring; Nears 1,000 Points

Sheboygan, — Senior Dale Wodsedalek of Kewaskum, who is Lakeland College's No. 2 scorer with 239 points and a 13.2 average this season, is only 30 points away from becoming the Muskies' 24th member of the 1,000-Point Club. He is also averaging 6.5 rebounds per game.

The 6-4 southpaw forward has tallied 970 in three-plus years and, barring any injury, should reach the mark sometime this week when Lakeland has four games scheduled. By maintaining his present scoring average he could wind up as high as Lakeland's 20th ranking scorer of all time, ahead of John and Mark Wescott, Courtland James, Mark Evans, and Charles Clay.

Junior forward Dan Sikma of Oconto continues to set the Muskies' scoring pace with a total of 278 points in 18 games for a 15.4 average. He is also the team's top rebounder with an 8.9 average.

Sophomore guard Dave Albert of Howards Grove has converted 19 free throws in a row over his last four games. The school record is 23 consecutive conversions by Dave Voskuil in the 1971-72 season. Albert is making free throws at an 89.6 percent clip. Last week's District 14, National Association of Intercollegiate Athletics statistics — not including the Lakeland games of this week — had team-mate Keith Leonard of Sheboygan and Albert ranked Nos. 1 and 2 in free throw shooting with 87.1 and 86.6 percent, respectively.

Coach Duane (Moose) Woltzen's cagers (11-8) are playing four games this week, due to a shifting of the UW-Milwaukee game from Feb. 26 to Feb. 5. The busy Muskies are playing eight games between Feb. 4-15.

Howes to Take Part in MS 500 Snowmobile Tour

Linda and Pete Howe of West Bend, members of the Boltonville Bunch Snowmobile Club, will be among 100 elite snowmobilers to take part in the MS 500, the only snowmobile tour of its kind in the state.

This unique snowmobile event, headquartered in Hurley, Wisconsin, February 6-9, draws riders from throughout the midwest, each of whom raise a minimum of \$500 in pledges to benefit the Wisconsin National Multiple Sclerosis Society. The participants will complete the 250-mile guided tour in two days on trails in northern Wisconsin and Michigan's northern peninsula. Multiple Sclerosis is a chronic progressive disease of the central nervous system, which primarily affects young adults between the age of 15 and 50. Its symptoms range from slight blurring to poor coordination, to complete paralysis. As of now, there is no known cause, cure or treatment for this disease that affects over 250,000 Americans.

The 1986 MS 500 held for the third consecutive year, is sponsored by R. L. Ryerson Inc., Polaris Industries and the Wisconsin MS Society in an effort to raise \$60,000 to help aid Wisconsin residents who have MS, and fund national research projects. The Wisconsin MS Society would like to thank the West Bend community for their support of the Howes' efforts to make the 1986 MS 500 a success.

Ms. Howe serves as a trustee of the Wisconsin National Multiple Sclerosis Society.

Indians Downed by Two Rivers Co-Leaders, Hang On to Edge Out Kiel

Kewaskum had an off night at Two Rivers last Tuesday and as a result was defeated by the conference co-leaders, 73-51, after the long ride.

The Indians stayed close in the first quarter but after that it was pretty much Two Rivers. The defeat was even worse than the 22-point difference indicates against the Raiders, who suffered their first defeat in an upset by Chilton Friday and are now 8-1.

Mark Meneau was a problem for the Indians all night long. He was one of five Raiders who hit in double figures, scoring 15 points. His shot-blocking and rebounding were also very damaging.

Kewaskum started off by leading most of the first quarter but in the second period Two Rivers took them out of their offense due to poor shooting. The Indians tallied only six points in the quarter and fell behind, 30-19 at halftime.

KHS played the Raiders even again in the third stanza, with each team scoring 16 points. In the final quarter Two Rivers outscored the Indians, 27-16, to make a rout of it. The Raiders got a lot of easy baskets off of fast breaks.

Todd Steger scored 14 points to lead Kewaskum, while Ron Theusch and Bob Yahr added 10. The winners' Jeff Hebert took game honors with 20 and Dave Jeske had 14.

The JVs also lost, 55-48. Joel Fleury topped the Indians with 14 points.

Kewaskum — Ramthun 0-1-3, Schlosser 0-2-1, Rohlinger 2-0-3, Ruplinger 1-1-0, Menzel 1-0-4, Theusch 5-0-3, Yahr 4-2-3, Steger 7-0-3, Coulter 1-3-1.

Two Rivers — Moseler 0-0-2, Johnson 3-5-1, Knutson 4-2-3, Hebert 8-4-2, Teske 6-2-3, Messman 1-1-1, Rehrauer 0-0-1, Meneau 6-3-2, Rufdorfer 0-0-1, Schmidt 0-0-1.

KEWASKUM 72, KIEL 70

By Chuck Voge

The parents of the Kewaskum boys basketball players were treated to a triple victory here on parents night, Friday, Jan. 31, at the fieldhouse in Kewaskum. In the three-way win over the Kiel Raiders, the freshmen won by a score of 68-52. The junior varsity took their contest 43-37, and after letting a third period twelve point lead nearly slip through their fingers, the varsity held on and went on to win by a slim two point margin at 72-70.

High scorers for the Indians were Tim Rohlinger with 22 points and Todd Steger 18. For the Raiders Joe Meyer had 16 points and Rick Bunge 15.

Starters for Kewaskum were Yahr and Steger at forward, Theusch at center and Rohlinger and Ramthun in the back court.

This game started out the way a game should with Rohlinger getting the ball on a steal and taking it all the way in for the layup. Right after scoring on the steal the 6'1" senior guard scored again on a long jumper, and from that point on Steger did the heavy damage for Kewaskum, scoring 7 of his evening's total, with four coming on two straight

layups and three more on another layup that he turned into a three-point play at the foul line.

To round things out for the Indians Theusch's rebounding in the first half was as good or better than it has been so far in the season. He held his own with the Raiders 6'6" Craig Lorfeld.

The first period ended at 19-15, Kewaskum, with the Indians in the driver's seat all the way. The second period was all Indians again with Yahr opening it up on back-to-back jumpers from the base line. Rohlinger added six more and Menzel and Theusch had a free throw apiece.

Kewaskum also came out on top in the possession time dept. and at the half the Indians held a comfortable 36-27 lead. The third period was a big one for Kewaskum as they out-scored the Raiders again 21-18, with Steger and Rohlinger picking up six apiece. Theusch added five more on three charity tosses and a field goal, and Yahr picked up four, as the Indians stretched their lead to twelve at the three quarter mark.

In the fourth and final period Kewaskum took a trip to starvation city in the field goal department. Of the 15 points that they scored in the quarter only four came from the floor. A fourth period scoring binge by Raiders Ken Zorn and Joe Meyer nearly put the Raiders in the lead. Then with the score 70-67 Kewaskum with 00:33 seconds left in the game and the Raiders coming on strong, Rohlinger was sent to the free throw line on a key foul by Zorn. He made good on both attempts and that would be all the points the Indians needed to close out the 72-70 victory for the several hundred fans and parents at the game.

Kewaskum — Ramthun 0-1-4-1, Schlosser 0-0-2-0, Rohlinger 7-8-3-22, Menzel 1-3-5-5, Theusch 4-4-2-12, Yahr 5-0-2-10, Steger 5-8-3-18, Troeller 1-2-2-4.

Kiel — Straw 2-0-0-4, Voelker 2-1-5-5, Meyer 6-4-5-16, Lorfeld 3-0-2-6, Wagner 1-0-3-2, Bunge 6-3-1-15, Zorn 4-3-4-11, Lepisto 3-4-5-10, Lulloff 0-1-2-1.

The Indians scheduled non-conference game with Mayville here Tuesday was postponed because of freezing rain and slippery roads. Friday night KHS hosts New Holstein.

Indian Matmen Edged by Rams

By Chuck Voge

The Kewaskum Indians wrestling team was downed by the Random Lake "Rams" on Tuesday, Jan. 28th, by a close score of 36-34. The meet was the last home contest for the Indian wrestlers this season.

They are now in post-season wrestling with the conference and regional meets next on the schedule.

In the contest with Random, a much smaller school, the Indian wrestlers ran into a team that has a pretty large youth wrestling program going for it.
