# Board Approves Re-Zoning for Proposed Apartment Project

By GERRY MUELLER  
Statesman Staff Writer

Tom Timblin's proposed plan to construct two multi-family residential units west of the Kewaskum Mall cleared its first hurdle as the Kewaskum Village Board voted unanimously Monday night, to grant his request to re-zone the parcel of land in question from a R-1 single family, to R-4 multi-family district.

With the change, Timblin will now be able to proceed with formal architectural plans for the project. Once the plans are

drawn up, they will be brought before the board for approval and issuance of the necessary building permits.

In other action, the board granted a Class "B" liquor license to William Kulas for 215 Main Street. A building permit for the construction of a new, single family residence at 1115 Roseland Drive, was also granted to Dennis Anderson.

Three resolutions were adopted by the board during the meeting. The first, 86-11, covered special assessments to cover the construction of new

sidewalks along portions of Clinton Avenue and Brooklane Drive to the Kewaskum Kiwanis Park. Resolution 86-12 reaffirmed the Village's intent to participate in the county-wide library system. Resolution 86-13 covered the transfer of funds for emergency machinery purchases to cover the new replacement lawn mower.

Parks Committee Chairman Tom McElhatton informed the trustees that, as of June 13th, 400 swim passes had been sold. The meeting was then adjourned.

# School Evaluation Steering Committee to Hold First Meeting

The first meeting of the School Evaluation Consortium Steering Committee for the Kewaskum Schools will be June 24 and 25. This committee will be responsible for establishing a long-range plan for curriculum evaluation and development and for monitoring the meeting of educational goals in Kewaskum schools. The committee will be made up of 10 teachers, representing various subject areas, grade levels, and each of the buildings; all building principals; the district administrator, Penelope Kleinhans; and will be chaired by the Director of Instruction, Julie Backus. The school board repre-

sentative appointed by the School Board president at the June Board meeting was Jeanne Goeden. Two parents representatives have been selected and one student member.

Penelope Kleinhans "noted that the Kewaskum School District has been a member of the SEC since its inception in the state about 7 years but has only utilized some of the components of the model. These meetings will reestablish a long-range plan for curriculum evaluation and will provide a time line for the review of each curricular area." As the process begins in the 1986-87 school

year, all teachers will be involved in establishing minimum competencies for their area and for participating in the evaluation of the program. Outside teams will evaluate the criteria established for the teachers and the Steering Committee. The Steering Committee will serve as the group responsible for seeing that the plans, reviews, and curriculum writing projects are carried out and will bring reports to the School Board on the curriculum and evaluation progress.

These first all-day sessions will be directed by Lois Brick, acting Director for the School Evaluation Consortium. The meetings will be held in the Community Room of the Kewaskum Municipal Building from 9 to 3 on Tuesday and Wednesday.

## Steilen Elected First V-P of State Register of Deeds Ass'n.

John C. Steilen

The Wisconsin Register of Deeds Association, in conjunction with the Wisconsin Association of County Officers (WACO), recently held its annual seminar at the Sheraton-Racine Hotel - Convention Center in Racine, Wisconsin.

Washington County Register of Deeds, John C. Steilen was elected 1st Vice-President for the 1985-86 year. As the senior vice-president, it will be his duty to act on all matters in the absence of the president.

Other officers elected for a one year term were: Jerilyn Kolba, Juneau County, President; Marjorie Dahms, Win-

bago County, 2nd Vice-President; Michael Hasslinger, Waukesha County, 3rd Vice-President; Helen M. Schutten, Racine County, Treasurer; and Mary Ann Brickle, Fond du Lac County, Secretary.

The purpose of the Wisconsin Register of Deeds Association is to keep its members aware of changing legislation affecting their offices, to help promote legislation favorable to county government and its citizens, and to keep all Registrars aware of changes in materials and equipment to assist in helping their offices become a more effective and efficient place for the county taxpayer and the general public to seek and obtain information pertaining to real estate, vital records, and chattel mortgages.

## Holy Trinity Has Election

The following officers up for election have been elected by parishioners of Holy Trinity Church:

Trustee (two year term) - Roy Swanson.

Parish Council (three year term) - Mark Jansen, Gerald Stoffel and Midge Swanson.

School Board (three year term) - Isabelle Straub and Patty Schmidt.

## Area Students to Participate In Business World Program

"Our program is the only one in Wisconsin that I know of that teaches about the human factor in business as well as the mechanics," commented James S. Haney, President of Wisconsin Manufacturers & Commerce (WMC), Madison.

Haney was referring to BUSINESS WORLD, a week-long program that brings Wisconsin high school students and teachers face to face with leading business executives from around the state. This summer, two sessions are being sponsored by WMC in cooperation with the Department of Public Instruction and local chambers of commerce. The first will be held June 22-27 at St. Norbert College in DePere. The second is scheduled for July 27-August 1 at Lawrence University in Appleton.

Over 600 students and teachers from throughout Wisconsin will participate in Business World. Scholarships of \$300 each enable participants to attend. Funding is provided by businesses, foundations, service groups, individuals, professional associations and chambers. Additionally, more than 130 volunteers from the business community donate their time as speakers and advisors. This is the program's fifth consecutive year and interest has grown steadily.

The following students from this community have been selected to attend Business World 1986: Michelle Gebheim, Greg Chmielewski and Craig Hubbell, Kewaskum High School.

Donors from this community who have contributed to the Business World Scholarship Drive: Kewaskum Kiwanis

## Crash Involves 2 Kewaskum Men; Car, Cow Collide

A Kewaskum man, Leo H. Marquardt, 36, of 1190 River-view Drive, was in stable condition at St. Joseph's Community Hospital, West Bend, Monday with injuries caused by a two-vehicle accident Sunday night.

Marquardt was driving a light truck north on County Trunk S, north of Werner Drive, at 8 p.m. when a southbound station wagon swerved into his lane, according to the report by the Washington County Sheriff's Department.

The station wagon was driven by Kent L. Schmidt, 23, of 8045 Forestview Road, Kewaskum. He was treated for various cuts at St. Joseph's Community Hospital and released.

According to the report, Schmidt first swerved onto the shoulder, then swerved back into the road, colliding with the truck. A blown front tire may have caused the accident.

While driving through the northern village limits early Friday morning, traveling north on Fond du Lac Avenue, Gale P. McNamee, 39, of rural Kewaskum, came upon a half dozen cows crossing the road. Unable to avoid all of them, McNamee struck one of the cows but fortunately was not injured.

There was minor damage to his car and the cow which was struck was bleeding, but left with the others, according to the police report.

Club, Regal Ware, West Bend Company Management Association.

Speakers or advisors to Business World include: Mitch Gebheim, West Bend Co. - Advisor (he is also the father of Michelle Gebheim, noted above).

## Mrs. Linda Borchert Dies

Mrs. Linda L. Borchert, 75, of Kewaskum passed away on Friday, June 13, 1986, at St. Joseph's Community Hospital in West Bend where she had been a patient for two days.

She was born in Oakfield, on August 21, 1910, to the late Alfred and Emma Zunk Bruhn. On October 24, 1935, she married Milton H. Borchert in Wayne. He passed away on February 27, 1982.

Mrs. Borchert was the librarian for the Kewaskum Library for over 25 years, a member of the Peace United Church of Christ in Kewaskum, their Ladies Guild, the Royal Neighbors of America and member of the Senior Citizens Clubs of Kewaskum and Beechwood.

Survivors include one daughter, Maureen (Norman) Heberer of rural Campbellport; four grandchildren; one brother, William Bruhn of Kewaskum; one sister Mrs. Elenora (Bruno) Leue of Darien, Conn.; other relatives and friends. Three brothers and two sisters preceded her in death.

Services for Mrs. Borchert were held on Sunday, June 15, at 2:00 p.m. in Peace United Church of Christ with Rev. Sandra Palmer officiating. Burial was in Washington County Memorial Park, West Bend.

Visitation was Saturday at Miller's Funeral Home in Kewaskum after 4 p.m. and at the church on Sunday from 12:30 p.m. until the time of services.

## Recycling Efforts Continuing in the Town of Farmington

Continuing recycling efforts by residents of the Town of Farmington have not made money for the town, but have prolonged the life of the landfill and saved covering costs, according to Town Supervisor, Francis Mayer. The Farmington Recycling Committee will meet Thursday, June 19, at 8 p.m. at the Town Hall, to discuss a cover letter to be sent to residents along with a card giving recycling instructions.

Since the beginning of the year Farmington residents have recycled 27,000 pounds of glass, 5,300 pounds of tin, 12,360 pounds of newspapers, 3,000 pounds of cardboard and 156 garbage bags of milk bottles with about 20 bottles per bag. The landfill custodian, Cecil Schneider, delivers glass, tin, and plastic to Al Voight's Recycling Center. The tires are hauled away by a private firm for the town, and appliances and metal are picked up by a Milwaukee concern. Neither the town nor custodian are paid for the above recycled materials. (For the tires, the town pays approximately 50 cents a piece to be disposed of). The newspaper is sold by Lynn's Waste Paper Company, which helps to defray some of the cost of hauling the other materials away.

## County Fair Space Available

Commercial exhibit space at the Washington County Junior Fair is now available for rent. Businesses wishing to rent space at the 1986 fair are encouraged to reserve space now.

The 1986 fair will be held July 22-27 in Slinger, Wis. Commercial exhibitors interested in reserving space at this

year's fair can get information on rental costs and available space by contacting the Fair Office at 338-4485, 644-5204 or 342-2929. The Fair Office is located in the Court House, 432 E. Washington Street in West Bend and is open from 8:00 a.m. to 12:00 noon and 1:00 to 5:00 p.m., Monday through Friday.

The fair attracts many area

residents of varied interests and ages. Products being exhibited vary from photographers, to painters, to make-up consultants to many, many, more. Plan to be a part of the Washington County Junior Fair.

Act now and be an exhibitor at this year's fair.

## AFS Student Will Return to Brazil; Elect New Officers

**AFS STUDENT SAYS FAREWELL** — Cynthia Barra, AFS exchange student, who spent the school year with the Dieringer family, will leave from Sheboygan, on June 25, with a busload of AFSers. She will return to Brazil after touring parts of the United States for two weeks. Left to right: Dawn Dieringer, Cynthia Barra, Joshua Dieringer, host parents Laneille and Jim Dieringer.

**AFS OFFICERS** — Front row, left to right, Sue Schmitz, Laneille Dieringer, Cindy Knoebel, Marlene Domasky; back row Cordell Strack, Jay Rossier.

The Kewaskum AFS Chapter said farewell to exchange student Cynthia Nery Barra on Tuesday, June 10, at the high school. Cynthia will leave from Sheboygan June 25, with a busload of fellow AFSers. They will then travel for two weeks touring parts of the U.S. and staying in homes along the way. Following the bus trip, Cynthia will leave from New York for her home in Brazil.

"Cynthia has been a wonderful ambassador for her country. We have enjoyed her so much," remarked out-going chapter president Sue Schmitz. Cynthia thanked the committee and her friends and said she plans to continue her involvement with AFS when she returns to Brazil.

The chapter also recognized the special contribution of member Cordell Strack, who has served as treasurer for ten years.

Out-going chapter officers are Sue Schmitz and Cordell Strack. Former vice-president Marlene Domasky has been elected president for a two year term, out-going secretary Cindy Knoebel will take on the treasurer's job, Laneille Dieringer will be vice-president for the new term, and Jay Rossier has taken on the job of secretary.

The local AFS chapter is a totally volunteer organization. Interested residents are encouraged to call any officer for more information.

## Loof - Berndt

Father Ralph Wagner and Rev. Harley Tretow officiated at the May 3 wedding at St. Michael's Catholic Church for Jacky Loof, Kewaskum, and Daniel Berndt Markesan. The bride is the daughter of Mr. and Mrs. Roman Loof, Kewaskum. Mr. and Mrs. Roy Berndt, Ripon, are the groom's parents.

Trisha Mayer, friend of the bride, was the maid of honor. The bridesmaids were Joanne Peterson, Jayne Mayer, both sisters of the bride, Cindy Berndt, sister-in-law of the groom and Kari and Kristal Meins, nieces of the bride.

The miniature bride was Erica Peterson, niece of the bride.

Jim Roberts, friend of the groom, was the best man. The groomsmen were David Berndt,

brother of the groom, Tim Holderf, brother-in-law of the groom, Norman Berndt, brother of the groom, Dale Grahn, brother-in-law of the groom, and Rick Berndt, brother of the groom.

Ron Loof, Richard Loof, Wayne Albright, and Arnie Dahlke shared ushering duties.

A reception followed the wedding ceremony at the Amerahn Hall, Kewaskum.

After a brief honeymoon at the Wisconsin Dells, the couple now reside at Rt. 1, Lakeview Rd. Markesan.

The bride is an LPN and is employed at Silver Creek Medical Associates, Ripon. The groom is the manager of Highway Investments, Markesan.

## County Fair Entries Are Due

Have you thought about entering cakes, cookies, canning goods, cows, pigs and horses at the County Fair? It is time to get a copy of the 1986 Washington County Fair Book. Deadline for fair entries is June 27.

Plan now to stop at the New Washington County Fair Office, located in the Courthouse, 432 E. Washington Street in West Bend or call 338-4485, 644-5204 or 342-2929 to get a fair book and entry form.

All Washington County residents are invited to enter the fair. Open class categories include livestock, plants, flowers, honey, photography, woodwork, foods, clothing, knitting, crocheting and home furnishings.

The Senior Citizens Division is limited to Washington County residents who are 62 years of age and older. The categories include cultural arts, wood-working, knitting, crocheting, home furnishings, photography and toys.

The Junior Class is open to all youth in 4-H, FFA, FHA, Girl Scouts, Boy Scouts, Pioneers, Jr. Holstein ass'n., or any other youth group approved by the Fair Committee.

The 1986 fair will be held in Slinger July 22-27. Entry forms are due June 27 and the items must be brought to the fair on July 24 between 9:00 a.m. and 7:00 p.m.

Sour cream should be stored, covered, in the refrigerator at 40°F or below. Dairy sour cream will hold its peak freshness for several days after purchase, and total keeping time is about four weeks.

## Bargman - Martell

Debra Bargman and Jeffrey Martell exchanged wedding vows during a three o'clock ceremony on Saturday, May 24, at Zion United Church of Christ, Milwaukee. Rev. Daniel Schowalter officiated. Music was provided by Mrs. Margaret McFadden, Kewaskum.

Grandparents of Debra are Mr. and Mrs. Mervin C. Thompson, 9592 Townline Rd., Kewaskum. Jeffrey's parents are Mr. and Mrs. Donald S. Martell, 13400 Marquette, Elm

Grove, WI.

The bride chose Sherry (Foerster) McElhatton, Kewaskum, as her matron of honor. John Danielson, Milwaukee, served as best man.

Following the ceremony, a reception and dinner was held at the Milwaukee Athletic Club, Milwaukee.

Jeff and Debby are residing at 2628 North 93rd St., Wauwatosa, WI.

# Kewaskum Hosts Torch Run

The second Wisconsin Amateur Sports Festival Torch Run came to Kewaskum on Friday, June 13, as it made its way throughout Wisconsin to Madison for the Badger State Games June 27-29.

Local runners included Brenda Vetter and Miles Shaw, Kewaskum High School; Debbie Rimmel and Noel Stradtman, Kewaskum Middle School, and Rachel Gosa and Shawn Schneider, Kewaskum Elementary School. High School track and cross country coach

Dave Drexler was in charge of arrangements for the Kewaskum run.

On May 31, in a ceremony which took place on the steps of GTE corporate headquarters in Sun Prairie, the Badger State Games torch was passed to the first of many runners who are taking part in the 1986 Torch Run. The Torch Run will bring the spirit of the Games to the people of Wisconsin as it passes through one hundred communities throughout the month of June.

The success of the Torch Run is due to the efforts of Director Joe Barden, the Wisconsin Chambers of Commerce, GTE employees, the Wisconsin Jaycees and hundreds of other sponsors and coordinators who worked on its statewide coordination. The Torch Run will culminate with the lighting of the official flame during Opening Ceremonies on the evening of Friday, June 27, at Camp Randall Stadium in Madison.

The Badger State Games are

back this summer, after a successful inaugural Games in which 5,000 amateur athletes vied for gold, silver and bronze medals during a perfect July weekend in Madison. This year, the Games will offer amateur athletes the challenge of Olympic-style competition in one or more of 22 sports. This is an impressive offering for such a young State Games, and in fact the 1985 Badger State Games did surpass most of its first year peers in both the number of sports offered and

total participants. When Wisconsin joined the rapidly growing national state games movement in 1985 it became the 16th state to host state games. This summer 30 states will hold games.

The 1986 Opening Ceremonies at Camp Randall Stadium will feature an Olympic-style parade of athletes, variety entertainment, and the culmination of the Badger State Games Torch Run.

# Another Successful Season for Kewaskum Special Olympics Team

By GERRY MUELLER  
Statesman Staff Writer

The members and coaches of the Kewaskum Special Olympics team, along with their parents and friends, recently held their annual banquet to celebrate the close of another successful year.

The climax of the season was the annual state meet at the University of Wisconsin-Stevens Point Campus on June 5th, through the 7th. The athletes were among several hundred from across the state who competed in a variety of events, from swimming to the shotput throw.

The four team members who

participated in the summer events at Stevens Point returned home with a total of six medals and two ribbons. In the Free-Style Swimming category, Julie Morgan and Joanne Stautz each received a bronze medal for third place. In the Backstroke, Morgan won a gold, first place medal, and Stautz took second, for a silver medal. Timothy Moody won a gold medal in the Softball Throw, and third place bronze in the 50-meter run. Stacy Mueller won sixth place ribbons in the Softball Throw and 50-meter run.

Besides participating in the summer events, the four, along with the team's fifth member,

Lisa Loomis, participated in the winter events last December in Milwaukee.

The athletes really look forward to competing in the Special Olympics both on the regional and state levels said Head Coach Kathy Charland, and because of the excellent support from local organization, our team has been able to participate consistently. Without the funding and other assistance we receive from these groups there would be no Kewaskum Special Olympics Team.

We would like to publicly express our sincere thanks to the Robert G. Romaine American Legion Post, Kewas-

kum Lions Club, Modern Woodmen of America, and the United Way, as well as other groups who have assisted us in the past, for all the help and backing they have given to the team.

We would like to thank the Modern Woodmen of America, Camp 2233, Kewaskum, for making our team their fundraising project for this year and presenting us with a check of \$793.06 at a recent banquet.

My coaching assistant, Jeaneen Kudek, and I have already begun making plans for the new season which starts this fall, noted Charland. The team is, also looking forward to wel-

coming two, and possibly four, new members to its ranks when school resumes. We also look forward to again working with all the service organizations which have helped to make our team the success that it is.

The highlight of the banquet was the awarding of trophies to all the athletes for their participation throughout the year. On behalf of the Special Olympics parents, Gary Moody presented Charland and Kudek with plaques of recognition and appreciation for all the time and caring they have given to training, coaching and traveling with the team.

A happy end to a successful season. Special Olympics team members (left to right) Lisa Loomis, Julie Morgan, Joanne Stautz, Stacy Mueller and Tim Moody display their trophies.

Otto Weddig presented Special Olympics Team Coach Kathy Charland a check for \$793.06 on behalf of the Modern Woodmen of America Camp 2233, Kewaskum fundraiser, at a recent Woodmen banquet.

Head Coach Kathy Charland received a plaque for her work in organizing and heading the Kewaskum Special Olympics Program from Gary Moody.

Gary Moody presented assistant coach Jeaneen Kudek with a plaque for her work with the Special Olympics team.

Kathy Charland presented Byron Bunkelman of the Kewaskum Lions Club with a Certificate of Recognition for the club's support of the Special Olympics team.

Merv Thompson accepted a Certificate of Recognition for the American Legion Post from Special Olympics Coach Kathy Charland.

# Letters to the Editor

Dear Editor:

Hello to everyone! As many of you know, for the last 6 years or so, I have done a fair bit of traveling. Much of it has been while working as a tour leader for foreigners in the US & Canada. I brought 5 of those groups through the Kewaskum area, to show them a bit of "real America" and to meet my family. My last tour for **Trek America** was in Nov. '85 and I have been on a "world tour" of my own since then.

I started out by flying from L.A. to Hawaii, camping on the wonderful beaches of Oahu & the surprising mountain of Maui. The natural beauty of these islands is stunning, there is much more to Hawaii than expensive tourist hotels & hula skirts.

In keeping with the tropical theme, I next flew to the South Pacific Islands of Fiji. It was here that I encountered some of the world's friendliest people, brilliant underwater coral, and a charm that can only be found in the South Seas. The traveler is in for a real treat in Fiji.

December is summer time in New Zealand, that two island land of many contracts. I spent 6 short weeks hitchhiking and bussing around the North and South Islands, from the dairy farms to the beaches to the rain forests to the magnificent mountains, glaciers & waterfalls. The "Kiwis" are also well known for their friendly hospitality.

The dry continent of Australia was next. I bought a motorcycle in Melbourne and toured around the southern & eastern states, visiting many people from my tours. Australia is quite unlike anywhere else: sparsely populated yet rich in unusual plant, bird, animal and marine life. I sold the cycle in the north and left the Western world behind.

My first destination in Asia was Bali, and island belonging to Indonesia. Nothing could prepare me for the intense beauty of the land and rich cultural heritage of the people. I was totally amazed everyday & would have enjoyed staying longer than 1 week.

Anyway, on through Java and on to Singapore, a very modern & clean Asian city/state. It lies at the southern end of Malaysia, a relatively rich and modern country of people from several ethnic origins.

By mid March I was in Thailand, a country known of its beautiful & ornate Buddhist temples and easy going inhabitant. I met a friend of mine from UW-Oshkosh in Bangkok who was volunteer nursing in a Laotian refugee camp in the northeast part of the country.

All too soon I left Thailand for the charms of Burma. Traveling here is like 50 or 60 years ago in the states. Their agricultural practices are as they were

hundreds of years ago (as in much of Asia) yet very productive. The people are very good natured and happy to talk with foreigners. There are also many ancient temple sites that are very interesting to visit.

The kingdom of Nepal was my next destination where my major goal was to do a 3 week "trek" thru the rugged hills & mountains. This involved carrying my pack from village to village (no roads here!) where food and lodging was available. This part of my journey has been the most fantastic yet. Crossing a pass of 18,000 ft. and looking up at mountains 26,000 ft. high was just one of the many highlights. Presently I am exploring the "medieval-like" city of Kathmandu, the capital of Nepal.

Soon I'll be traveling thru India and Kashmir, spending perhaps 1 1/2 months there. Then I'll be flying on to Europe, possibly landing in Hungary. I will of course visit my many friends in Austria, where my wanderlust began in 1974 as an AFS student from KHS to a farm family in that country. I'll visit more European friends in Germany and Holland before returning home sometime in August.

You needn't be rich to undertake a journey such as this; I'm spending about the same traveling, including airfare, as if I was living in the states renting an apartment and making car payments, etc. All the talk of terrorism shouldn't stop anyone from traveling either. There are many "safe" areas to go and chances of anything happening are extremely low. I will be happy to talk to anyone further concerning my travels and perhaps planning your own future journeys upon my return. There is so much to see and learn out here, it makes one feel good about living in the world as a whole. Yet you need not travel far, just open your eyes and take it all in.

Sincerely,  
Douglas Strack

**• PROPER SELECTION OF FOOD** is of prime importance for a clear complexion, shining hair and healthy teeth. And for the teenage girl who's counting calories, as so many wisely are these days, milk is a bargain in terms of calories, because they're not empty calories. An 8-ounce glass of homogenized milk which contains 147 calories also provides important amounts of protein, calcium, riboflavin and vitamin A.

### EXERCISE - HEART HEALTH

Does physical exercise reduce the risk of heart attacks by itself? Clinical researchers at the U. of Washington compared heart attack victims capable of exercise before their heart attack with people who were also capable of exercise, but had not suffered heart attacks. The conclusion: people who engage in sufficient vigorous physical exercise are less likely to suffer heart attacks.

### Hazardous Materials Law Now in Effect

According to a May, 1986 report from the Occupational Safety and Health Administration, many smaller firms are not complying with the new "Employees' Right to Know Law," which became effective on May 25, 1986. Enacted in 1983 "to provide adequate preparation time" the law covers all manufacturers. OSHA personnel will enforce its provisions.

Specific sections of the law absolutely require all manufacturers to have:

1. A written Hazardous Materials Communication Program that includes:
  - A listing of all Hazardous Materials used or stored.
  - An explanation of how employees will be trained.
  - The written training program.

-The actual labelling procedure.

-How the required data sheets will be maintained.

2. All containers of Hazardous Materials labelled.

3. Completed data sheets for all Hazardous Materials.

4. Completed the training of

employees.

To help companies quickly comply with the law, MRA's Institute of Management has scheduled a fourth repeat of its "Model Plan Workshop" on June 26 at the Sheraton Mayfair in Milwaukee. (MRA is the 800-company Employers Association of Southern Wisconsin).

The session's centerpiece is a 115 page book that is given to each participant. The session leader "walks the group through" 20 special pages of this book in step-by-fashion. Participants "fill in the blanks" tailoring a program for their own companies. The book can be obtained before the June 26 seminar.

More information or reservations are available from MRA's Milwaukee Office. Call (414) 797-7580.

Butzlaff; Diversified Livestock - Bill Butzlaff, runner-up - Bob Friedemann; Forest Management - Charles Bergdorf, runner-up Bill Butzlaff.

After a member has won a local proficiency award, they can apply at the state level. Seven members applied this year at the state level, some applying for their second time.

At the state level you are awarded a bronze, silver, or gold rating. From chapter proficiency awards members receive a pin. Jon Etta received a 1st and 2nd gold rating, in Diversified Livestock Production (1st) and Home and Farmstead Improvement (2nd).

The following were state applicants and their rank: Forage Production - Jim Herriges, Bronze; Dairy Production - Jim Herriges, Silver; Ag. Electrification - Doug Enright, Bronze; Placement in Ag. Production - Joe Schmitt, Bronze; Sheep Production - Renee Kapp, Silver; Swine Production - Tim Limberg, Bronze; Ag. Mechanics - Todd Steger, Bronze; Turf and Landscape Management - Doug Enright, Bronze; Soil and Water Management - Todd Steger, Bronze; Forest Management - Todd Steger, Bronze.

Three people this year could apply for the State Farmer Award. Doug Enright, Todd Steger and Joe Schmitt applied. Todd Steger won his State Farmer Degree this year, to be presented at State Convention.

The FFA point system is based on the yearly activities of each member. For every activity a member participates in, they are given a certain amount of points. The members strive to get as many points as possible. 400 point winners will receive a choice of prizes from 5 to 7 dollars. 800 point winners are awarded prizes from 8 to 12 dollars. The higher the points, the more active a member is.

Here are the following point winners: Ag. 1 - Scott Volm - 400 pts. Ag. 2 - Bob Friedemann 400, Bill Butzlaff 400, Dallas Wodsedalek 400, Darcie Garbisch 400, Richard Wilkens 400, Keith Bartel 800. Ag. 3 - Deb Pamperin, 400, Bev Schulz, 400, Pat Ruplinger 400, Brian Oelhafen 400, Marty Shaw 400, Andy Degnitz 400, Jeff Mueller 400. Renee Kapp and Jim Schulz each scored 800. Ag. 4 Tim Limberg 400, Joel Junk 400, Jim Wesenberg 400, Randy Kreif 400. 800 point winners included Bill Volm,

Patsy Panzer, Doug Enright, Joe Schmitt and Todd Steger.

Senior scholarship winners this year were: Todd Steger, \$300 from Valley Bank; Doug Enright, \$300 from Kewaskum Frozen Foods; Wade Jepsen, \$250 from the Kewaskum Vet Clinic; Brian Ruplinger, \$100 from the Kewaskum FFA Alumni; Wade Jepsen, \$100 from James Aupperle Memorial Fund. Two major awards given out to outstanding seniors were the Purina Outstanding Senior Award given to Doug Enright and the Dekalb Award given to Patsy Panzer. Jon Etta received the Midwest Livestock Breeders award for his continued success in the diversified livestock area. Jim Herriges received the outstanding dairy award from East Central/Select Sires. Doug Enright capped off the awards by being named the Kewaskum FFA member of the year.

The entire officer team and members want to thank all who helped to make this year a success. Our special thanks to the Amerahn for the use of the hall and Homeplate for the delicious meal. Most of all a big THANK YOU to all of the members' parents for their support and encouragement during the year.

## Food Dehydration Workshop Planned

Now is your chance to learn the science of food dehydration and rehydration in one evening. With gardening well under way and harvesting just around the corner, you will want to plan the use of your harvest soon.

This workshop will emphasize the science of rehydration and how to use your dried food. Dehydration will also be covered along with some delicious recipes to try, made from the dried fruits and vegetables.

Registration deadline is June 23. Registration forms can be picked up in the Cooperative Extension Service office. The fee for the program is \$2.00 and must be paid in advance.

The program will be held on Thursday, June 26, at 6:30 p.m., in the basement of the courthouse, Room 121. So, don't forget to get your registration in today. Mary P. Benoit, Extension Summer Home Economist, looks forward to seeing you on the 26th. If you have any questions, please call 338-4479 or 342-2929.

## June 30 Deadline for Property Tax Deferral Loan Applications

Over 200 Wisconsin residents have been loaned an average \$1,200 each through Wisconsin's new property tax deferral loan program, according to Eileen Mershart, Deputy Secretary of Revenue. Loans up to \$1,800 are still available for 1985 property taxes, even if these taxes have already been paid.

"The purpose of the property tax deferral loan program is to make sure that a shortage of cash to pay property taxes will not force older homeowners out of their homes," Mershart explained. "Although loans are still available, we want to remind people that applications must be received by the Department of Revenue by June 30th."

To qualify for a loan, an applicant must be a Wisconsin resident, age 65 or older, with a total household income under \$20,000. Other requirements include adequate insurance coverage and a limit on outstanding liens.

The interest rate for property tax deferral loans is 8% a year for the life of the loan. The principal and interest do not have to be repaid until ownership in the property is transferred or the applicant no longer lives in the home.

The deadline for loan applications is June 30th. To request an application or get more information write to: Property Tax Deferral Loan Program, Wisconsin Department of Revenue, P.O. Box 8903, Madison, Wisconsin 53708.

## Offer Conservancy Tours This Weekend At Lac Lawrann

This weekend, June 21 and June 22, the West Bend Park System is offering the public an opportunity to "Get to Know Lac Lawrann Conservancy." Tours through the conservancy area will be offered on Saturday morning and Sunday afternoon. Volunteer naturalists, Elaine Anderson and Bette Poulos will be the tour guides.

Lac Lawrann Conservancy is a sixty acre natural area, located inside the Town of Barton, made possible through a gift of twenty acres given to the City of West Bend in 1979 by Lawrence and Ann Maurin. In the thirty-one years the Maurins lived on the property, over 223 plant species, 25 animal species and a variety of reptiles and amphibians have been identified. The Maurins were known in the area for sharing their wildlife refuge with local school and scout groups for educational purposes. The Owen Gromme Bird Club and Bill Volkert's Bird Class also have been welcome to enjoy the rich variety of birdlife. As many as 50 different species of birds have been sighted at the conservancy in as little as two hour periods during spring migrations. 220 bird species have been sighted and recorded to date.

The conservancy is geologically diverse, with high, dry soil areas contrasted with lowland wet areas, all remnants of our glacial heritage. This diversity lends itself to a blending of nine distinctively different plant communities.

Come and learn about the unique history, ecology, plant and wildlife of Lac Lawrann Conservancy this coming weekend. The tours are free and children are welcome. Please call the West Bend Park Department at 338-5080 for tour reservations. Tour size is limited.

Using the pot freezer — as they did in George Washington's household — was the most efficient way to make ice cream until an American woman named Nancy Johnson invented the hand-crank freezer in the mid-1800s.

### IN MEMORY

In loving memory of Jeanette M. Westerman who passed away twenty-five years ago, June 17, 1961:

Twenty-five years have passed, quickly it seems,  
Filling and granting with hopes and dreams.

God's loving way we can't understand,  
But for each of us He has a plan.

We're put on earth to be charitable and kind,  
More loving than her, you could not find.

Caring, loving, giving and more,  
She always offered an open door.

She shared her life, her goodness, her smile,  
And warmed so many in her gentle style.

Although she's gone now, we surely know,  
Our "Nettie," our Mom, loved us all so.

Her Family

### IN MEMORY

In loving memory of our dear sister and sister-in-law, Adeline Kuehl, who passed away twenty-five years ago, June 26, 1961:

Though years have flown since parting,  
The memory is clear,  
We cherish thoughts from yesterday  
Of those whom we hold dear.

Sadly missed by Mr. and Mrs. Roman Fellenz and family.

### IN MEMORY

In loving memory of my husband, our father and grandfather, CLAYTON KOHN, who passed away six years ago, June 23, 1980:

Loving memories never die  
As years roll on and days pass by.

Deep in our hearts memory is kept  
Of one we loved and will never forget.

Sadly missed by the family.

### THANK YOU

I would like to thank everyone who remembered me with cards and phone calls while I was a patient at the hospital and convalescing at home. Your thoughtfulness was appreciated.

Eileen Bonlender

### CARD OF THANKS

We wish to express our sincere appreciation to our relatives, friends and neighbors, who shared in the loss of my beloved husband, our dear father and grandfather, ALFRED "FRITZ" KRAL. A special thank you to Fr. Berghammer, donors of floral, Masses and memorial tributes, food, pallbearers, the Kewaskum Rescue Squad and Police department, the Anthony Schlaefer family for the music, Gloria and Ann; Marie Konkell for the readings, Miller's and the many who showed their respect and expressed their sympathy. It will long be remembered.

## Eight Students Attend Outdoors Wisconsin Leadership School

Eight KMS and KHS students spent much of May 30 in the treetops at George Williams College on the shore of Lake Geneva, Wisconsin. They were experiencing an Outdoors Wisconsin Leadership School (OWLS) workshop in adventure education designed to strengthen group problem solving and self concept. High schoolers undertook the venture as culmination to a year-long course in pro-social skills, while the eighth graders involved were being prepared for enrollment in the class next year.

The group, staffed by Georgia Howard and Jim Miller, KHS and KMS special educators, spent the morning in exposure to situations known as Group Initiative Problems. Here the combined resources of each person were tapped to meet unique physical and mental challenges. In one situation the group had to function as a "collective bear" in marking its territorial boundaries higher than possible intruders, while losing contact with the ground.

The afternoon activities provided the final goal for the workshop participants, as they encountered a thirty foot High Ropes Course. With the group as a powerful support mechanism, each individual overcame fear, lack of confidence, or low self esteem as she/he accomplished a series of climbing/balancing activities.

Says Ms. Howard, who organized the field trip as closure for her pro-social skills class, "It is when faced with stress challenges such as those provided by OWLS that the individual must truly respond to the group and the self."

The group looks on as a ropes course facilitator explains safe use of climbing equipment.

Sophomore Gary Dartsch [right] receives instruction in use of belay technique.

Left to right, Gary Dartsch, Joe Petermann, Tim Ruppert and Scott Pesch. All but Joe are tackling the obstacles for a second season.

While Tim Ruppert [seated] provides lateral support from a waist harness, Jennifer Ottmer ascends the "Tall Ships."

Senior Jenny Ottmer peers down at helpmates from a 30' platform.

### ABC CLUB SKAT RESULTS

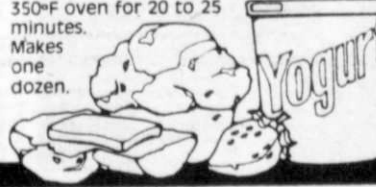

The winners at skat played by the ABC Senior Citizens at Beechwood Firemen's Hall on Tuesday, June 10, were: Harold Eggert, 19-1-18 net; Francis Gilboy, 16-0-16 net; Ralph Laux, 12-1-11 net; Marvin Martin, 18-8-10 net; Julius Yahr, 11-4-7 net; Ralph Laux, Club Solo vs 4; Elroy Egerer, Heart Solo vs 4; Francis Gilboy, Diamond Solo vs 4.

### Snackin' with Dairy Foods

#### Two-Grain Muffins

- 1 cup whole wheat flour
- 1/3 cup all-purpose flour
- 1/3 cup corn meal
- 1/3 cup sugar
- 3/4 teaspoon baking soda
- 1/4 teaspoon salt
- 1 cup plain, vanilla or fruited yogurt
- 1 large egg, slightly beaten
- 1/3 cup melted butter

Combine dry ingredients in medium bowl. Mix yogurt and egg together and stir into dry ingredients. Stir in melted butter. Fill buttered muffin cups two-thirds full and bake in a preheated 350°F oven for 20 to 25 minutes. Makes one dozen.

Cream should be among the last purchases at the grocery store and should be refrigerated at home as soon as possible. Kept in its closed carton at 40° or lower, it will stay fresh for about one week. Ultra-pasteurized cream keeps well up to eight weeks before opening; then its life equals that of pasteurized cream.

# 47 Youngsters Participate in Bicycle Safety Clinic

Forty-seven local children participated in the Bicycle Safety Clinic sponsored by Modern Woodmen of America on Saturday, May 31st at the Kewaskum Middle School. Children viewed a film showing bicycle safety and answered twenty questions on a written quiz for traffic safety knowledge. A skill test evaluated five maneuvers: balancing at a slow speed, braking, steering, riding in a circle and maneuvering around obstacles.

Kewaskum Police Department officers Richard Knoebel and Bill Schleif, along with KJWC Safety Chairman, Gayle Van Ess organized the event, while club members manned the two testing areas, calculated scores and distributed all materials. Several

members from Kewaskum Boy Scout Troop #744 assisted throughout the morning.

Participants received certificates, bike stickers and a "Pedal Power" booklet. Twenty-seven youngsters received Modern Woodmen bicycle safety patches for scores of 90% or better on both tests. Winners of the bike prizes were: Kim Frank - bike bag, Jessica Krieser - safety flag, Sara Krieser - pompoms, Rhonda Heaslip - chain & lock and Brian Dobke - storage hooks.

It is hoped the Bicycle Safety Clinic helped increase safety consciousness in Kewaskum, and that the attitudes of these young bike riders will stay with them as they graduate from handlebars to steering wheels in a few years.

Waiting to view safety film.

## In the Service

Master Sergeant (E-7) Ken Kreif was recently selected for promotion to Senior Master Sergeant (E-8). The competition /selection for E-8 is very keen, Congress allows only 2% of the total Air Force enlisted personnel in the grade of E-8. This year 19,000 eligible E-7's competed for promotion to E-8 and 2,900 were selected (one of whom was Msgt. Kreif).

Msgt. Kreif is the son of Mr. and Mrs. Jerome Kreif of Kewaskum. He has been serving with the United States Air Force since 1974. He and his wife Mary (Abhold) and their daughters Theresa and Sandy are living in Omaha, Nebraska. His present Air Force duty is with Headquarter Strategic Air Command (SAC) on the Jet Engine Propulsion Superin-

tendent and Program Manager on a multi-million dollar KC-135R aircraft re-engine program. This program was the first inter-country jet engine program; it is between France, General Electric Company, and the United States Air Force.

Msgt. Kreif is projecting to stay on this program at SAC for another year, after which time he and his family will be moving onto another Air Force challenge.

### XYZ CLUB SKAT RESULTS

### CAPITOL REPORT

#### CELEBRATE WISCONSIN'S 50th 'JUNE DAIRY MONTH'

The month of June means many things to the people of Wisconsin: the end of the school year, the opening of the local swimming pool, slow pitch softball games, and of course, June Dairy Month.

This year marks the 50th year that Wisconsin observes June as Dairy Month. In 1936, the idea was conceived to officially recognize the dairy industry. During the first few early years, the attention was focused on dedicating time for such an observation.

Today, June Dairy Month celebrations include Dairy Days Fairs, Breakfasts on the Farm, special dairy food offers and even "Cows on the Concourse" — an event held annually in Madison when dairy cows parade around the square, giving city people a chance for an up-close look. Of course the most popular attraction at most of these events are the mouth-watering, fresh dairy products: from ice cream to buttermilk, and from yogurt to cheese-topped pizza — we in Wisconsin can enjoy a variety of nutritious dairy foods every day!

"America's Dairyland" is displayed on our license plates, and Wisconsin certainly lives up to that reputation. Wisconsin's 1.84 million dairy cows produce over 17% of the United States' milk supply. When Americans make cheese part of their

meals, it is most likely cheese from the Dairy State of Wisconsin.

We're the #1 cheese producer in the Country. Breaking this down further by cheese type, we're #1 in the production of American, #2 in Swiss, #1 in Muenster, #1 in Brick, #1 in Blue, #1 in Limburger and #1 in Italian cheeses. Wisconsin produces enough mozzarella cheese to make over 900 million pizzas!

If ice cream is your thing — especially now in the summer months — you're in the right state! In 1985, Wisconsin produced 27,145,000 gallons of ice cream and ice milk. If you believe butter's better, then spread away. Wisconsin is the leading producer of butter, supplying 24% of the country's butter. If you're counting calories, turn to cottage cheese.

Electricity is expensive. And will cost more all the time.\* Your bills will be huge. Shocking. Electric. To generate electricity in most areas, monstrous quantities of fossil fuel burn, and almost 87% of the heat energy is lost forever. It doesn't provide you heat or hot water or cook your meals. But you pay for all of it. Use electricity where it should be used—lighting and small appliances. For all the

big energy jobs, choose right. Why waste money? Use clean, cost-efficient propane gas.

Over 82 million pounds of cottage cheese was produced in Wisconsin in 1985.

Americans are fortunate to not only have such a variety of food available, but also available at such reasonable prices. Americans continue to allocate less of their spending for groceries than anyone in the world. In 1982, the most recent year surveyed, the average American allocated only 12.1 percent of his total spending for food eaten at home. That is to say, for every \$100 spent, \$12.10 went for groceries and \$87.90 for other things. By contrast, spending on food in other countries was: 60% in China, 27% in Italy, 25% in the Soviet Union, and 23% in West Germany.

Dairy products truly do offer "something for everyone" — and not just during June but every day. Make it a point to go to some of the June Dairy events this month and be sure to raise a glass of milk to toast Wisconsin's farmers, who provide us with these healthy products.

Natural cheese may be stored in the refrigerator for several weeks at 35° to 40°F. Whenever possible, it should be kept in its original wrapping. Waxed paper, transparent wrap, aluminum foil and plastic bags are also good coverings for cheese.

#### NEWS EXTRA...

### Grandparents Warned of Grandchildren Poisoning

Grandparents are reminded that they can act to prevent their grandchildren from being poisoned by putting their prescription medication out of reach and out of sight.

"Over one-third of the accidental childhood prescription drug ingestions involves a grandparent's medication," says Jane Jansen, assistant trade and consumer protection administrator with Wisconsin's Department of Agriculture, Trade and Consumer Protection (DATCP).

"Grandparents often have non-child-resistant prescription vials or loose pills out on the table, kitchen counters or in purses or pockets. Children are curious and often swallow these medications when they are visiting grandparents," adds Jansen.

"To prevent this continuing tragedy both parents and grandparents must keep medicines out of reach - and out of sight - of children. Grandparents should also use child-resistant vials if they able to," urges Jansen.

Although grandparents may get traditional easy-to-open closures by asking pharmacist for them, the child-resistant vials should be used whenever children are around. "It's true that child-resistant closures are inconvenient to use - but the inconvenience is worth it to save a child's life," warns Jansen.

For more information on how to prevent childhood poisoning, call the U.S. Consumer Product Safety Commission's toll-free hotline at 1-800-638-CPSC.

Bernard J. Seil's orchestra of this village has disbanded and in its place a new one has been organized under the management of Sylvester Terlinden, popular local piano accordionist, who was a member of the Seil orchestra. The band is composed of five pieces, and will go under the name of "KeWaynie Five." This original title was picked to signify that the members are

from Kewaskum and Wayne. The orchestra consists of Sylvester Terlinden and Sylvester Volm, piano accordions; Russell Heisler, saxophone; Leo Wietor, violin, and Rudy Hoepner, drums. All were members of the Seil organization except the saxophonist.

About 55 packages of Soldier Bonus Bonds were received at the local post office Monday and Tuesday by registered mail, according to Postmaster Frank Heppe. Delivery began immediately at the post office for the veterans in the village. While the bonds may be cashed at any time, they will bear 3 per cent interest if held. Each \$50 bond will increase in value \$1.50 a year until it is worth \$63.50 on June 15, 1945.

June wedding bells rang out at St. Mathias Church in the Town of Auburn on June 13, when Miss Cecelia Pesch of Kewaskum, a daughter of Mr. and Mrs. Wm. Pesch of the Town of Auburn, was married to Albert N. Gross, son of Mr. and Mrs. Andrew Gross of the Town of Farmington.

St. Joseph's Church, Fond du Lac, was the scene of the marriage of Miss Nelora M. Klein, daughter of Mr. and Mrs. Hubert Klein of the Town of Kewaskum, and Lawrence J. Gaffney, son of Mrs. James A.

Kewaskum will again this year celebrate July 4 and 5, in a most elaborate manner. Jos. Eberle, proprietor of the North Side Park, has made arrangements to have a picnic in the afternoon of the Fourth and a dance in the evening, while Chas. Groeschel, proprietor of the South Side Park, will close the festivities with a dance in his park hall on the Fifth. Music for the picnic will be furnished by the Kewaskum Concert band, while the Kewaskum Quintette will furnish the dance

music on both evenings.

A very pretty wedding took place last Tuesday morning at the St. Kilian Church when Rev. Falbisoner pronounced the words that made Peter Wiesner and Miss Laretta Batzler, man and wife.

A baby girl made its appearance in the home of Mr. and Mrs. Theo Dworschak of New Fane on Tuesday. A baby girl was born to Mr. and Mrs. John Schaeffer of the Town of Auburn on Thursday. A baby girl was also born to Mr. and Mrs. John Fellenz last week Thursday. A baby boy was born to Mr. and Mrs. Jacob Schaefer at Milwaukee last Tuesday.

**June 20 Is Final Planting Date for Insured Sweet Corn**

June 20 is the final planting date for insured sweet corn in Washington County, according to Jerold Van Beek, a representative for the Federal Crop Insurance Corporation (FCIC). Insured sweet corn planted by June 20 must be reported by

June 25 in order to receive full crop insurance coverage. The acreage report reflects the actual acreage planted and reported by the farmer.

"During the growing season, if damage occurs, notice should be given promptly," Van Beek said.

A new crop insurance plan, called Actual Production History (APH), is available this year to producers of soybeans,

wheat, barley, and oats in addition to corn, grain sorghum and other crops. "Increasingly our insured producers are discovering that with a yield guarantee which reflects production capability, crop insurance establishes a farm income floor. Thus, cash flow and the ability to repay a loan may be more accurately projected," explained Van Beek.

Friday, June 20, 1986, Kewaskum Statesman, Page 20

Communication skills, poise, creativity and self-confidence are just a few of the skills 4-H'ers demonstrated at the 1986 Speaking and Poster Program. Nineteen 4-H'ers through effective speaking presented their ideas of "Marketing 4-H." They expressed what 4-H meant to them.

M.C.s were Diana Buckmann, Mark Hautamaki and Monica Picoske. Members of the West Bend Toastmasters serving as judges included Dennis Butsen, Jim Winkler, Terry Storandt, Sue Kohlwey, Kevin Kohlwey and Ken Jenke.

Congratulations to the 4-H'ers who participated in the speaking program. Special congratulations to Weston Duenkel, top speaker in the junior division; Holly Prochnow, top speaker in the intermediate division; and Cindy Rauh, top speaker in the senior division.

Participants in the junior division were: Karl Pamperin, Tracy Neuburg, Andrea Behrends, Lana Pamperin, Weston Duenkel, Debbie McClarran, Amy Peterson. Intermediate division: David Yogerst, Holly Prochnow, Sara Lemke, Rebecca Schwoch, Jill Peterson, Brenda Kufahl. Senior division: Chris Koller, Diane Hammen, Brenda Beder, Janelle Peterson, Bryan Johnson and Cindy Rauh.

Over 60 posters were entered in the poster program. Judge Dorothy Barnes commented, "the 4-H posters were excellent, showing creativity."

## MILK — What's In It for Me?

I'm in the Moooooood for Milk!

"The dairy cow, in her relation to the human race, is unique and fundamental. The unique character of this relationship reaches back to the earliest recorded history. It is shown in the form of tablet and mural depiction which present the impressive realization that ancient people had of the importance of the cow in their daily lives. The fundamental character of this relationship, and the reason... products of the cow are essential, remained unknown until the twentieth century."

These words were written by M. D. Munn, president of National Dairy Council from 1919 to 1936, in a foreword to the story of the organization. As the industry celebrates June Dairy Month for the fiftieth time, the story of scientific discoveries concerning the importance of milk and its products in the human diet is an exciting highlight.

The discovery of vitamin A in butterfat by E. V. McCollum,

Ph.D., Sc.D., at the University of Wisconsin in 1913, has been called the beginning of modern nutritional science. Vitamin A is essential in human nutrition for formation and maintenance of skin and mucous membranes. It is also necessary for normal vision in dim light. Based on his studies, McCollum was instrumental in preventing the rationing of milk during World War I.

Studies by Robert Recker, M.D. and Robert Heaney, M.D. at Creighton University in Nebraska, have documented the importance of calcium in maintaining bone health. Other studies by David A. McCarron, M.D., Oregon Health Sciences University, on the effects of calcium have associated the intake of calcium with reduction of high blood pressure. While the importance of calcium in the development of teeth and bones

has long been recognized, the work of McCarron, Heaney, and Recker point out the importance of continued calcium intake throughout life.

and other microbiologists at the University of Minnesota learned that aged Cheddar, Swiss and Monterey Jack cheeses may act as "dietary toothbrushes" in fighting tooth decay. They continue to study dental caries in the hope that the apparent anticariogenic (anti-cavity) substance in these cheeses can be isolated and added to other foods.

Documenting the properties and value of food has been a challenge for scientists throughout this century. As a result, milk and other dairy products continue to be recognized as unique and fundamental to the human diet.

NOTE: The Police Department had no objections to any of the applications.

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board as follows:

1. Balance Sheet review for May, 1986.

2. Grass Clippings News Notes article.

3. Dogs at Large News Notes article.

4. Statement of Assessment for 1986, noting decrease.

5. Review of some brief correspondence.

On a motion by Trustee Richard Schmidt, seconded by Trustee Thomas McElhatton and carried unanimously by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund \$198,900.67

Water Dept. Fund 13,984.40

Sewage Dept. Fund 8,915.43

TID Fund 100.00

TOTAL \$221,900.50

General Voucher #5372 thru #5492

Water Voucher #4899 thru #4911

Sewage Voucher #4311 thru #4322

TID Voucher #230

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board hired Berdell Heberer as the custodian for \$3.35 per hour for an estimated 16 hours per week and David Backhaus to do Municipal Building yardwork for the Department of Public Works at \$3.35 per hour for an estimated

1 to 4 hours per week. This was per the recommendation of the Administrative Committee.

On a motion by Trustee Richard Schmidt, seconded by Trustee Thomas McElhatton and carried by the majority by voice vote (Trustee Howard Laubenstein abstaining), the Board authorized the purchase of a demo tractor and mower from Laubenstein Lawn and Garden under an emergency situation because of the 1981 tractor and mower breaking down and the cost of repair being too high in comparison. The cost for the unit will be \$6,055.00 and is recommended by the Administrative and Public Works Committees.

Trustee Thomas McElhatton, Chairman of the Park and Recreation Committee reported that over 200 swim passes, have already been sold at the beach.

A brief discussion was held on the process to be used for special assessing the curb and gutter repair and replacement work on North Avenue. The Board advised the Administrator to use the Consent & Waiver method which would cost considerably less.

It was noted that the preliminary resolution would come before the Board regarding the sidewalk for Clinton Street and Brooklane Drive at the June 16th or July 7, 1986, meeting.

The sidewalk repair and replacement program information was reviewed. It was found to be acceptable and a resolution accepting the program will be drafted and presented at a future Village Board meeting.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and carried by the majority by roll call vote, the Board approved the following applications for Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor Licenses for a period commencing July 1, 1986, and ending June 30, 1987, upon payment of the required fee. The Police Department didn't have any objections and the office was authorized to issue the proper licenses. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent" (Trustee Paul Blumer). Listed as follows:

Gary H. Bickelhaupt, 1310 Riverview Drive, Kewaskum, WI

Lloyd R. Keller, 1257 Fond du Lac Avenue, Kewaskum, WI

**CARD OF THANKS**

Your expressions of sympathy and acts of thoughtfulness and kindness during the recent death of my dear mother and our grandmother, LINDA BORCHERT, are deeply appreciated. A special thank you to Pastor Palmer, doctors and nurses on the 2nd floor of St. Joseph's Hospital, Women's Guild, and for their serving the food, organist, vocalist, donors of food, memorials and floral tributes and to Miller's. Your sharing of our sorrow is one of our greatest comforts.

# Women's Bowling Banquet Held; Present Awards, Elect Officers

The West Bend Women's Bowling Ass'n. 49th season has come to an end with the City Tournament and High Individual Award winners taking home with them from the 2nd Annual Awards Banquet, their trophies and a feeling of pride. Special guest BIF was there to help in handing out those awards and was a big hit with everyone.

City Tournament Team event was won by the Fashion Jewelry Outlet, with Ginny Larson, Sue Kleinke, Janet Lull, Mary Daigle and Helen Hinterberg, who together rolled a total of 2935 to place first.

Joan Neis and Lynn Serwe teamed together to win the Doubles event with a score of 1339.

Singles was won by Janet Serwe, with a 706 series.

All-Events with Handicap was won by Mary Stutzman with 1985.

All Events, Scratch was won by Bev Stadelmayer with 1747.

High Game during the tournament was rolled by Janice Flitter with a 257. Janice also earned the WIBC Patch for 100 PINS OVER AVERAGE.

600 Club City Tournament winners were Flo Kissinger and Marge Lorenz, in the Doubles events with 1278. Singles event was won by Lynn Judnic with 634.

Each season the State WB Ass'n. gives to each Ass'n a pin with a diamond chip, to award the members who roll the seasons High Series and High Game. High Series was a 723 bowled by Bev Stadelmayer on Feb. 9, 1986. Bev also tied for High Game with Fran Backhaus. They both bowled a 279 game. Bev rolled hers on Oct. 9, 1985 and Fran hers on Nov. 12, 1985. Great bowling girls!

The Most Improved Junior Bowlers awarded trophies from the Ass'n were Dan Jessing from Lighthouse Lanes, from Coach Lynn Judnic; Andy Gundrum, Weiland's Lanes, from Coach Mary Daigle and Scott Goetzke, Frontier Lanes, from Coach Chuck Kandel.

Election of officers was held. New officers are Darlean Logan, President, Kathy Schlefke, Treasurer and Pat Luduha, Sgt. of Arms. The four Board of Directors are Flo Kissinger, Connie Scott, Janet Serwe and Collette Kastner.

A highlight of the 1985-86 season, and a first but not last was that the B.V.L. Tournament hosted annually by the Women's Ass'n was offered to the men as well as women. This Tournament which is offered to sanctioned leagues, was well received and with the help from our bowling proprietors, was a success. We very much appreciate all those who entered or helped in any way to enable us to send a check for \$900.00 to the B.V.L. Fund. Thank You.

Another highlight of the season was for a member of our association who found that being a sanctioned member and by bowling in a sanctioned tournament out of her association does pay off.

Mary Crass, who bowls in the Lady Keglers league, at Light-house Lanes, and the Morning Glories League, at Weiland's Recreation has tried to bowl a 600 series during league play, as we all hope and try for, and Mary has come close and did in fact roll a 602 but not in a

sanctioned league. How disappointing it has to be to finally know that you don't qualify to join the City, State and National 600 Club.

Mary and her husband Jerry, entered a Team Sportsman's sanctioned Tournament, in Allenton, this past winter and Mary proceeded to bowl up a storm with games of 218-257-223 for a series of 698, not only getting her first 600 series, but only two pins from hitting that 700 series. I'm sure Mary's goal is now to get a 700. This reporter says "Go Get'em Mary."

To date there are only four members of our association to have rolled a 700 series - Bev Stadelmayer, Bonnie Maurer, Lynn Judnic and Flo Kissinger.

By being a sanctioned member of WIBC, a member who happens to bowl a Honor Count series or game in any sanctioned league or tournament will qualify for all WIBC awards that happen to be bowled somewhere other than the association she or he happens to be a member of.

## WEDNESDAY NIGHT TRAPSHOOTING LEAGUE

Dick's Welcome Inn 8-1, Sentry 8-1, Kettle Moraine Electric 6½-2½, Regal Ware 6-3, Toppel In No. I 6-3, L & R Trophy 5-4, Waala's Wheel & Tire 4½-4½, Barney's 4-5, King Pin Lanes 3-6, R.T. Speed Shop 2½-6½, Toppel In No. II 2½-6½, C & R Catering 2-7, Moose's Waterin Hole 2-7.

50 straight was shot by Mark Schaub of L & R Trophy.

25 straight was shot by Stan Priepke of Dick's Welcome Inn, Steve Muench of L & R Trophy and Lynn Voigt of R. T. Speed Shop.

## Thiernerdome Thursday Goodtime League

2nd Half		
Bartelt Ins.	1	0
BJ & Co.	1	0
Barrel Haus	0	0
Thornton's	0	1
A&M Const.	0	1

### HIGHLIGHTS

In the opening game A&M Const. came out of the gates like Whirlaway and finished like a plow horse. Led by Randy "Cranker" Crass' home run it looked like BJ & Co was no match for the A&M Const. squad. However, BJ & Co just kept pecking away and key hits by Leon "Boomer" Schultz and Dennis "Jacker" Jazak finally wore out the pitcher for A&M Const. whose professional name is the Mad Stork. The pitcher for BJ & Co. John "Wheels" Kleinke overcame some early control problems and was painting the black in the late innings. BJ & Co. won 12-10.

For people who don't believe in miracles, they should have attended the 2nd game as Bartelt Ins. ended their defeated season and actually won a game in a real slugfest 2-1. Once again relief pitcher David "Weeds" Wieter was awesome with his array of super, dooper, blooper pitches to go along with his double dipper slip pitch. He completely defused Thornton's Bombers in this close pitcher's duel. Dave "Schauby" Schaub also pitched a great game, however, a key walk to power hitting Gerald "Artie" Kiefer proved his undoing. It appears as if the Golden Agers from the Bartelt squad are going to make their 2nd half surge as long as the Ben Gay and cortisone hold out.

As expected the stands were packed with fans waiting to take advantage of the VIP Lounge special after the game which consisted of 2 pickled eggs and 1 blind robin with each pitcher of beer. However, the next day the VIP Lounge was bombarded with phone calls from irate

wives pleading them to never offer that combination again. Captain Dick Thierner promised no more specials until things cool off a bit. He did indicate he should be getting in a shipment of Vermox soon so he can start blending his world renowned Vermox Margaritas again. ATTENDANCE 493.

## Eichstedt Places 2nd in WSGA State Match Play Tournament

Hon-E-Kor Country Club's Clark Eichstedt survived the first six hurdles (matches) and went all the way to the finals before finally losing to Skip Kendall and taking second place in the Wisconsin State Golf Association Amateur Match Play Championship at the Oconomowoc Golf Club last week.

Well over 100 golfers entered the tournament but the field was cut to 64 players after the first round. It takes a good qualifying round and six wins without a slip-up to capture the coveted WSGA title. The tournament lasted all week, ending on Thursday.

Eichstedt is having a very good season. Before finishing as runner up in State Match Play at Oconomowoc, he was a semi-finalist in the ESGA Best Ball two weeks before with his partner, Mike O'Connor Sr. and the following weekend he won the Kettle Moraine Amateur, a 36-hole medal play event held at Hon-E-Kor in Kewaskum. "Ike" is also club champion at Hon-E-Kor and also plays out of Lake Park course in Germantown.

In the WSGA Amateur at Oconomowoc, Eichstedt faced the best amateur golfers in the state. He cleared the qualifying round and five others before stumbling some in the finals in losing to Kendall, who played his high school golf at Nicolet and is now a member of the University of Nevada-Las Vegas squad.

Getting so close to a title and not winning naturally is a big disappointment but it is also a rewarding experience. Eichstedt is believed to be the only golfer from this area ever to become a finalist in the event.

"Ike" made several impressive comebacks in rounds preceding the finals. For example in the qualifying round Monday he found himself being 10-over par with six holes to go and facing not making the cut. However, he birdied three of the last six holes for a 78 which got him into match play by a single shot.

In his first two rounds, the rainy weather didn't seem to affect his concentration as he disposed of William Katzman, 5 and 4, and Al Thompson, 1-up.

He was four down with four holes to go Wednesday but rallied to tie the match with four straight pars, then beating Bruce Henning with a par on an extra hole. In the afternoon round, against veteran Jim Schlueter of Sheboygan, Clark again was four down with six holes to go but due to Schlueter's bad putting Eichstedt kept winning holes with pars and eventually took the match, 1-up. The rain delay apparently affected both of his opponents while "Ike" found his swing.

The victory put long hitting Eichstedt in the top four, two better than his 1985 finish and he next was to face J. P. Hayes of Appleton in the semifinals. Hayes plays for the University of Texas-El Paso, and is one of the better golfers in the state. But "Ike" played his best golf against Hayes, winning 4 and 3.

In the finals against Kendall, Eichstedt thought the turning point was the 14th hole when he

3-putted from 18 feet away. He said he wasn't concentrating enough when he hit his first putt six feet past the hole. Kendall put his putt close to salvage a par and give him a one hole advantage. Kendall also won No. 17 but double bogeyed No. 17 so there still was a chance for a tie with a birdie. "Ike's" birdie try on 18 fell inches short while Kendall

had a tap-in for par and the title. Eichstedt said he made too many mistakes against Kendall.

Clark said match play offers a different kind of competition with a great deal of strategy involved. This is his best finish he has ever had in a state event. Next for him is the U.S. Publix qualifying at Ives Grove this weekend and soon the State Amateur at West Bend.

### Menzel Back, Hurls 2-Hit Shutout

## Indians Retaliate With Two Victories

After being upset in their first two EW games, the Kewaskum Indians came back to win two contests the past week over Two Rivers and Sheboygan Falls to improve their conference record to 2-2 and overall mark to 5-3, and get back into the conference race.

Traveling to Two Rivers Monday, the Indians scored a convincing 7-2 victory over the Raiders. Tim Rohlinger, who has been having control problems, issued just one base on balls and went all the way for Kewaskum this time out.

Only one of the Raiders' two

runs was earned, that on a double and single in the fourth inning. The other resulted on an error.

Kewaskum got to Two Rivers starter Pat Johnson in the very first inning, after two were out, with two runs. Tim Dettmann doubled and Bob Yahr followed with a triple. Rohlinger helped his own cause with a single for the second run.

Johnson got past the second and third frames but ran into deep trouble in the fourth, when the Indians batted around, scoring five runs, two of them earned. Jack Aupperle's single

and Jeff Newhauser's double brought in the first run. An error and two walks led to two more and another miscue led to the final one.

The Indians pounded out eight hits, two each by Aupperle and Newhauser, and four of them went for extra bases. Tim Bingen also had a double in the seventh, in which Kewaskum left runners stranded at second and third.

Last Tuesday's game here with Sheboygan Falls was postponed because of the weather but was made up Friday with the Indians recording a 4-0 shutout over the winless Falcons.

Lefthanded ace Don Menzel, who had been out since the start of the season with an injury, made his first appearance on the mound and responded with a two-hit shutout win.

Menzel, an all-conference pitcher last year, missed the Indians' first seven games with a broken elbow and Coach Tim Bartelt is happy to have his No. 1 hurler back. Having had little practice, Menzel as could be expected, was a little wild, giving up seven walks but he also struck out eight.

Menzel apparently didn't appear rusty to the Falcons, who got only two hits, a single by opposing pitcher Ahrens in the seventh and the other by Terry Van Engen.

Mark Schlosser, Dettmann and Newhauser paced the

winners with two hits each and Dettmann drove in two of Kewaskum's four runs. One came in the first inning with a double after Schlosser had singled and he hit a run-producing single in the fifth, scoring Rick Staehler, who had singled.

The final two runs were scored in the fifth on a single by Aupperle, double by Newhauser, putting runners on second and third, followed by two sacrifice flies. Dettmann also played well defensively behind the plate, throwing out four attempted base stealers.

### Hole-in-One

Lewis Enderle of West Bend shot his first hole-in-one and the first reported this season at Hon-E-Kor Country Club, Kewaskum, last week.

Enderle was playing in the West Bend Company League when he aced the 199 yard, par 3, 16th hole. He was using a driver when he made the shot.

## 84 Girls Register for Jaycee Basketball School

Kewaskum Girls Varsity Basketball Coach Milt Dickinsen is pleased to report that eighty-four 5th, 6th, 7th, 8th and 9th grade girls from the Kewaskum School District have registered so far to participate in this summer's Kewaskum Jaycee Girls Basketball School. The girls pictured attended the first session for students entering 5th, 6th or 7th grade. The second session for 5th, 6th and 7th graders will start Monday, July 7th, and run through Friday, July 11th.

The first session for girls entering 7th, 8th or 9th grades begins Monday, June 23rd, and runs through Friday, June 27th. There will be a second session for 7th, 8th and 9th grade girls starting on Monday, July 21st,

and running through Friday, July 25th.

Any girls interested and living within the Kewaskum School District may still register for the basketball school by contacting the Kewaskum High School Office.

We meet daily from 1:00 p.m. to 3:30 p.m. in the Kewaskum High School gymnasium. The primary goal of this school is to introduce the girls to the Fundamentals of basketball. In addition the girls take part in various games and contests.

The winners of the contests for the first session of the basketball school were as follows:

Free Throw Contest: 5th grade - Krysten Ammel; 6th grade - Kelly Krahn and

Rachele Krahn; 7th grade - Nicole Oppermann and Beth Schaefer.

Bank Shot Contest: 5th grade - Melissa Radtke and Kelly Melichar; 6th grade - Kelly Krahn; 7th grade - Beth Schaefer.

Hot Shot Contest: 5th grade - Joanne Lemke; 6th grade - Robyn Winninghoff; 7th grade - Tricia Schultz.

Most Improved: Suzy Schinker and Debra Steger.

Most Hustle: Ginger Wiesner, and Rachele Krahn.

Best Defense: Joanne Lemke and Beth Schaefer.

Coach Dickinsen, who directed the basketball school would like to thank the Kewaskum Jaycees for sponsoring the

basketball school and also for providing a T-shirt for each participant.

Because of such a successful first session of the basketball school, Coach Dickinsen is looking forward to the following sessions and hoping that even more girls will still register so that they too will be able to enjoy the benefits of participating in a summer basketball school.

Girls involved in the junior high camp will have the opportunity to be selected to a Kewaskum All Star team that will compete against other squads in a tournament at Markesan June 28. The second tournament will be at Kewaskum July 25.
