Milwaukee Bucks Head Coach Don Nelson arrived in Kewaskum as scheduled on a rainy trip from Milwaukee to Wausau to raise money for Nellie's Farm Fund. After parading through the streets of the village the Nelson caravan continued to Amerahn Hall where a brunch was held to boost the farm fund. Three dollars of every ticket sold for the brunch was contributed to the fund for Wisconsin farmers.

At the brunch a \$1,000 check was presented to "Nellie's Miller Lite Tractor Fund" by WOW Distributing Co., Inc. of

Pewaukee, distributors of Miller Lite. The Kewaskum Lions Club also contributed \$25 and numerous individual donations were also made to the fund's giant piggy bank and canister by area residents. Coach Nelson announced that \$52,000 had already been donated to the farm fund by Sunday, only the third day of his tour, and he anticipated the goal of \$250,000 would be met.

Nelson was kept so busy at the microphone, signing autographs and shaking hands that he didn't have time to finish his brunch. Various items such as T-shirts and caps were also sold. The Kewaskum High School band played during the brunch served from 8:30 to

11:30 a.m. Somewhat disappointing though was the attendance at the brunch.

Nelson's entourage left the Amerahn behind the 10:30 a.m. schedule, their departure being delayed here, for Fond du Lac, the next leg on their trip to Wausau. The eight-day, 250-mile trip, began at the State Fair grounds in West Allis on Friday, Aug. 8, and is scheduled to arrive in Wausau on Saturday, Aug. 16, where the tractor will be donated to a needy farmer.

The tractor Nellie is driving was donated by the J. I. Case Company and the trailer hitched to it, a specially-modified forage box was donated by the Gehl Company.

Revised Proposal Contains School Budget, Levy Cuts

By GERRY MUELLER
Statesman Staff Writer

At the Annual Meeting September 3rd, electors of the Kewaskum School District will be asked to approve a \$6,700,927 budget for the 1986-87 school year. The proposed budget contains a 5.44% increase over the 1985-86 budget of \$6,355,336.

When the administration initially presented the budget last month, the Board of Education was looking at a \$6,762,927 figure which equaled a 6.41% increase over last

year. While board member Perry Ankerson acknowledged the administration had stayed within the 3.5% gross levy increase limit set for it, he felt further cuts could be made. Based on Ankerson's rough calculations at that meeting, the board asked that another \$50,000 be trimmed from the proposed budget.

Monday night's presentation reflected the \$50,000 in additional cuts which were made throughout the budget, not in just one specific area. Along with the administrative

reductions, an additional \$12,000 was removed from the pupil travel object area. District Administrator Penny Kleinhans noted that cut was the result of the district no longer having to transport a special needs student out of the area to another district.

The proposed budget was approved on a 3 to 2 vote, the Board President Tom Brigham and members Perry Ankerson and Ron Theusch voting for the budget, and Clara Trapp and Ralph Horner voting no. Board

Regal Announces Signing Of Joint Venture With Narco Housewares, Inc.

James D. Reigle (left), President of Regal Ware, Inc., and Aziz Haghani, President of Regal Narco, Inc.

Regal Ware, Inc. of Kewaskum has announced the signing of a joint venture agreement with NARCO Housewares, Inc. forming Regal Narco, Inc. The new company, with sales offices located in Farmingdale, New York, will import and distribute a complete line of high quality housewares which includes storage, kitchen and serving ware plus a horticultural line. Aziz Haghani has been named President and Chief Executive Officer of Regal Narco, Inc. Haghani has had various business associations with Regal since 1973, primarily as an exporter of Regal products. Through the years, he has worked closely with the Regal management. Narco Housewares was established in 1984 by Haghani to import and distribute the Italian-made housewares that presently includes the Robex and Primavera tradenames.

Regal Ware, Inc. is a privately-held, multi-plant housewares manufacturer established in 1945 and headquartered in Kewaskum. The company

produces rangetop cookware, ovenware, portable appliances and microwave cookware and accessories. Regal products are marketed throughout the United States, in Canada and in most of the free world.

Regal Narco, Inc. will market its 60-SKU line throughout the United States, through its already established rep organization under Haghani's direction. All administrative functions, including order processing, credit and invoicing will be done at corporate headquarters in Wisconsin. "Although the product line is relatively new to the U.S. market, our preliminary research indicates favorable reception and enormous growth potential," stated James D. Reigle, President of Regal Ware, Inc. "This is a natural extension of the Regal product assortment." According to several new products are being readied for 1987 introduction and continuing product development, including new colors and new items, is an integral part of the joint venture.

Annual Turkey Shoot Sept. 14

Kiwanis Club of Kewaskum has announced that its 34th Annual Turkey Shoot will be held on September 14. This popular event will be held at the Bar-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive.

There will be many special events, a new compound bow shoot, in addition to trap shooting, archery and games for children. Hot and cold beverages and food will also be available.

In addition to advance sale tickets being accepted to all events, there will be many cash prizes awarded through special drawings. Ticket holders will not have to be present to win.

Those who purchase advance sale tickets will receive four shots for \$2.00. Tickets purchased on the grounds will be four shots for \$2.50. Advance sale tickets may be purchased by mailing your check payable to Kiwanis Club of Kewaskum, P.O. Box 68, Kewaskum, Wisconsin 53040.

Passenger Van Purchase Okayed; High School Weight Room to Move

By GERRY MUELLER
Statesman Staff Writer

In other action during another five-and-a-half hour marathon session Monday night, the Kewaskum School Board approved the purchase of a passenger van from Honeck Chevrolet at a cost of \$12,900.

Money in the amount of \$9,000 had been set aside in the Trust Fund loan account for the purchase. The remaining \$3,000 will also come from the trust fund. That \$3,000 had been set aside for wall construction in the administrative offices, however, District Administrator Penny Kleinhans told the board she and Business Manager Cherna Gorder had built their own wall system and would not come to the board with their previous request for construction of permanent walls for the office.

The board also approved the recommendation of the Finance - Transportation - Buildings and Grounds Committee to move the weight room into the old wrestling room at the high school. The move will cost approximately \$1,500 for heating unit repairs and wiring work.

A two-year contract with Johnson Bus Service was approved. The new contract contains a 7% increase for both 1986-87, and 1987-88, and the district will continue to purchase gas. At last month's meeting Johnson had submitted a bid for a one-year contract which included his purchasing fuel. After an extensive discussion, the board rejected that bid which carried an approximate 12% increase.

Perry Ankerson, Chairman of the Beechwood School Disposition Committee, asked for board approval to do a title search and appraisal on the property. The request came as the result of last week's discussion of various options open to the district concerning disposition of the school. During

that meeting, committee member Chuck Voge said he felt the exact ownership and value of the property should be determined before the committee considered any recommendation.

Kleinhans informed the board that the appraisal firms she had contacted indicated they had six to eight backlogs and the necessary data would not be available in time for the Annual Meeting. Ankerson said based on that information, the next committee meeting scheduled for August 18th was cancelled, and that the board should plan on calling a special elector's meeting after the Annual Meeting to discuss the school's disposition.

Julie Backus, Director of Instruction, presented the program improvement plan of the School Evaluation Consortium Steering Committee. The data covered the process and criteria for a five-year plan to improve district programs.

Backus informed the board of two incentive programs being offered by area businesses to elementary students. Ponderosa restaurants will be awarding certificates in conjunction with an attendance program, while Pizza Hut will be awarding pizza certificates and pizza parties for students and classes who participate in a reading program to promote reading of books and submitting reports over the normal class requirements. She will look into

the legal aspects of the district participating in the two programs.

The board approved the hiring of a 57% math position, 100% Spanish position, part-time social worker (to be shared with Waupun), a 1/2 time middle school aide who will also assume assistant football coaching duties, and re-enstatement of cut hours to an aide to fill the second 1/2 time aide position at the middle school.

Board president Tom Brigham made final appointments to the Long Range Planning Committee. Both board members Ralph Horner and Ron Theusch voiced their concern that the committee plans to hold day meetings. "I don't know why that's geared to the convenience of the staff on the committee," said Theusch, "I thought this was supposed to be geared to getting public input." Both men felt daytime meetings would make it very difficult for the general public to attend.

The board had the first reading of amendments for 14 school board policies. Three of the amendments were returned to committee for further review and discussion.

The board accepted the low bid of Kemp Dairy to furnish milk for the 1986-87 school year.

Kleinhans informed the board that election for support staff related to establishing a union have been scheduled for September 3rd.

Lions Chicken Bar-B-Q, Kettle 20 Run Sunday

The Kewaskum Lions Club will be holding their thirteenth annual chicken bar-b-que on Sunday, August 17, at River Hill Park.

Serving will be from 11:00 a.m. to 6:00 p.m. with carryouts available. Prices of the dinner which includes mashed potatoes, gravy, cole slaw, hot vegetable, roll and beverage will be \$4.00; adults — 1/2 chicken and \$2.50, children — 1/4 chicken.

There will be games, beer and soda, and hamburgers will be served. Live music will be provided by the Normie Dogs Orchestra. Coffee and doughnuts will be served by 40 et 8. An antique car display by the Kettle Moraine Model T Ford & Vintage Car Club will be on the park grounds for your viewing.

As an added attraction a "White Elephant Auction" will be held at 2:00 p.m. All donated items will be appreciated. Call 626-2731 for pick-up date.

In conjunction with the bar-b-q, the Lions will sponsor their Kettle 20 foot race. The three runs are the 12.4 miles, 5 miles and 3.5 miles, which will begin at 9:00 a.m. sharp from the River Hill Park.

There will be 5 divisions for men and 3 for women in the K-20. The 5 mile race will have 4 divisions for men and 4 for women. The 3.5 mile will have 3

divisions for men and 3 for women.

Trophies will be awarded to the first male and female finishers in K-20. Medallions will be awarded for 1st, 2nd, 3rd place and ribbons for 4th - 5th place. In the 5 mile race medallions will be awarded to first place in each division and 2nd - 5th place will receive ribbons. Ribbons will also be awarded 1st - 5th place in the 3.5 mile.

To date there are 41 runners who have pre-registered as of August 4. Brad Kautz of Milwaukee, winner of the K-20, will return to defend his title. It is expected many runners will return who participated in previous years.

Entry fee is \$5.00 in advance with a T-shirt and \$3.00 without. Runners may register the day of the race at a cost of \$6.00 and \$4.00.

Runners may also purchase tickets for a chicken dinner at a reduced cost of \$2.50 if purchased before race time.

If there are any questions, contact Dale Squier at 626-2731.

The Lions Club is donating \$1300 to "Quest" - Human Development Program with emphasis on Drug and Alcohol Abuse, which will be presented to the Kewaskum School District.

Third Regal Ware Factory Outlet Opened in Kenosha

Regal Ware, Inc., Kewaskum, has announced the opening of a factory outlet store in the new addition to the Factory Outlet Centre in Kenosha.

The 2250-square feet of floor space will stock products direct from its factories. In addition to a large selection of Regal housewares products, the store will sell the popular La Machine food processor and Club aluminum cookware. About 75 to 80% of its stock will be seconds, closeouts and refurbished electrics which are available on a first-come, first-serve basis at discounted prices. Not all colors and styles of cookware and kitchen electrics are available at all times. The remaining space houses a selection of first quality merchandise which can be reordered as desired.

Regal produces microwave ovenware and a wide assortment of rangetop cookware that includes several cast aluminum lines, drawn aluminum, stainless steel and a variety of SilverStone-coated lines. The company also produces portable kitchen electrics including such items as fry pans, fondues, corn poppers, knives, food grinders

and coffee makers in sizes to please any household.

Susan Alfano of Kenosha will manage the store. The store will employ four additional people at this time.

The company will continue to operate its outlet stores on Fond du Lac Avenue in Kewaskum and in the West Bend Outlet Mall.

Postpone Beechwood Disposition Meeting

The meeting of the committee which is studying the disposition of the Beechwood Elementary School, scheduled for Monday, August 18th, has been postponed until a later date. Chair Perry Ankerson was informed by Superintendent Penny Kleinhans at Monday night's Board of Education meeting that the appraisal and title search requested by committee members would not be available for six to eight weeks. Because that information is needed for further deliberations, the

committee will not meet until it is available. The next meeting date and time will be noticed in the Kewaskum Statesman.

hand, if I were sitting out there in public, I'd say like Hell, I think you've got enough money." Area resident Donald Nowak concurred with Ankersen's last statement, "I for one, would enjoy getting a cut in my taxes for one year."

Kleinhans told the board, the reason we're trying to build our equity is to get into a stable position where we don't have these big tax increases, big swings up and down.

Ankersen indicated the present stumbling block to having a firmly set budget was the fact that the salary figures used were approximations. Until the contracts are settled actual costs can't be put into the budget.

"Because the administration, in fact, has cut \$50,000 and reduced transportation by \$12,000," said Ankersen. "I move we reduce the tax levy by \$80,000 and place the remaining \$80,632 into Fund Equity. (That would reduce the money levied for the General Fund from \$4,132,950, to \$4,052,950).

Business Manager Cherna Gorder was asked what effect that would have on the levy. She indicated that, for the average taxpayer, it would mean a decrease of approximately 2%. She stressed in a later conversation, however, that equalized values will still be a big factor in how each individual taxpayer will be affected. Due to dropping farmland values, not everyone will see a decrease, she noted, it's possible that some taxpayers could still see increases on their tax bills.

In a report given to the board earlier in the evening, Don Smith of Touche Ross and Company, said his company's audit of the district showed that the district's financial state was "very healthy." "The greatly improved balance sheet over prior years speaks highly of the board and administration's efforts," stated Smith.

Smith said he strongly urged the district to maintain the fund equity at its present level rather than be used to help reduce taxes.

Advantages of Living in a Small Town

Summer time brings many unfamiliar faces on the streets of a small town due to the visitors at our various nearby lakes who come in to shop and look around; perhaps to smile at the activity or lack of it in a village. One of the most often remarks made by these welcome visitors is the fact that as they pass down the street, many folks smile and say "hello." They can't get over the fact that we want to be friends.

Evidentially from wherever they come, especially in large cities, that never happens. So mark that down, folks, on the credit side of the ledger for life in a small town. People DO care here and that is indeed, one of the greatest advantages of living in the "grass-roots" section of the country.

members Jean Goeden and Kim Peterson were absent. Both Horner and Trapp felt there were areas where still more cuts could be made.

With anticipated revenues of \$6,861,550, for 1986-87, and expenditures of \$6,700,927, the district would be looking at approximately \$160,600 which could be used to increase the district's fund equity. Ankersen said the board realized that it was asking the taxpayers for more money than the district planned on spending. "We are going to take some money out of the taxpayers' pocket now, but it will be saving them money

down the road," said Ankersen.

Ankersen was referring to the fact that the district was trying to build its fund equity which could result in the district having to borrow less short-term loan money to meet its obligations. Last year \$129,000 was earmarked for fund equity.

"From the expenditures side, as a board member, I am very comfortable, as comfortable as I can be based on these unknowns, the unknowns relative to salaries. We have to remember that the teachers and support staff contracts have not been settled yet. On the other

Etta Girls to Attend 4-H Sessions in Washington, D.C.

The nation's capitol will become the classroom for more than 4,000 4-H members from 44 states in week-long citizenship and leader training sessions at the National 4-H Center this summer.

Four Washington County 4-H'ers will be a part of the southeastern delegation. They are Holli Etta and Michelle Etta, daughters of Mr. and Mrs. Lloyd Etta, Kewaskum; Bryan Johnson, son of Mr. and Mrs. Wilbur Johnson, and Cindy Rauh, daughter of Mr. and Mrs. George Rauh. These four young people were selected on their involvement in club, county and state 4-H activities and leadership skills. While in D.C., the 4-H'ers stay at the National 4-H Center in Chevy Chase, Maryland, on a beautiful 12-acre campus located on the outskirts of Washington.

Delegates will have the opportunity to learn about the election process by conducting their own political campaign and elections. They also visit federal agencies and historical sites. Each 4-H'er has opportunity to meet with their Congressman. But most important, they meet other 4-H'ers throughout the United States to share new ideas, concerns, and build friendships.

The program challenges the delegates to become active involved citizens in their community when they return home.

The Washington County 4-H Leaders Association, Washington County Farm Bureau, and Washington County Farm Bureau Women help sponsor this program for 4-H'ers in Washington County.

1st Annual MPTI Alumni Picnic Is A Great Success

The social agenda of Moraine Park Technical Institute's new alumni association got under way this past month with the First Annual Moraine Park Alumni Association Picnic. By all accounts, it was a great success. More than 100 alumni and their families joined faculty and other staff at the Fond du Lac campus to enjoy the summer weather and each other's company.

"I'm overwhelmed with the response," said Byron Cummins, alumni association president. "For a first-time event held in the middle of the summer, I am more than encouraged."

Cummins said he felt the turnout was an indication that "folks are looking for a way to continue their allegiance with the school."

Jodi Crow of Fond du Lac came to the picnic to "see what other people have been up to." Crow is a 1985 graduate of the Data Processing - Computer Operations Program and has just recently enlisted in the Army. One of the people she visited with was Nancy Penke, a Brandon native and 1984 graduate of the Marketing Program. Nancy thinks the alumni association is "a great idea. It's a way to keep in touch with classmates and the school itself. There's always new programs and new classes to take."

Ellen Kasuboski, a graduate of the Data Processing - Computer Operations Program in 1985, also enjoyed the thought of seeing old friends. She will be returning to MPTI in the fall to start work on an Accounting degree.

Glenn Sanville, student activities manager on the Fond du Lac campus, said he saw some practical benefits of an alumni association. "An alumni association is not only practical, it's essential," he said. "This

will help to keep our graduates in touch with what's happening at MPTI. It also will let the staff get feedback on what's going on out in the field. And, as the association has more social events like this picnic, you'll see it growing in size and scope."

Alumni Association Secretary Marilyn Edwards was equally excited about the association's first social event. "What a diverse collection of alumni," she said, pointing to people of all ages. She mentioned that this was just a beginning. Down the road, possibilities include a dinner dance, possible co-sponsored events with UW-Fond du Lac, and more. "We want to hear from the alumni as to what they want us to do," said Edwards in urging other alumni association members to input on future social activities.

Dieringer Reunion Held

Eighty descendants of Andrew, Sigmund, Norbert, Barnabas and Franceska Dieringer gathered at Firemen's Park, Campbellsport on Sunday, Aug. 3.

The reunion began at noon with a potluck meal. Genevieve Adamczyk, age 86, of West Bend was the oldest in attendance; Ashley Ebert, age 2, of Fond du Lac was the youngest. Charles Dieringer of Chicago Heights, IL traveled the farthest to attend.

Ruth and Norman Menke and Loraine and Clarence Seibel were in charge of the event and will host the next reunion on the first Sunday in August 1990.

Midwest Shrine Game Queen

Jennifer Haig

MILWAUKEE — Jennifer Haig, daughter of Mr. and Mrs. Jeff Haig, Wauwatosa, is named 31st Queen of the Midwest Shrine Game to be played at Milwaukee County Stadium, Saturday, August 16. The 37th annual Midwest game will feature the Green Bay Packers vs. the New York Giants. Game time is 7 p.m. with the pre-game Shrine pageantry starting at 6:30 p.m. She will be officially crowned Friday, August 15, at a banquet at the Tripoli Shrine Mosque at 3000 W. Wisconsin Ave., Milwaukee, according to an announcement by Tripoli Potentate James L. Stocking. The Coronation ball and the Packer game ceremonies will also feature the return of at least 18 former Queens, some going back to 1956. They will be paraded before the fans at half-time in antique autos.

Jennifer was treated for cerebral palsy at the Chicago Shrine hospital starting in 1980

and continues as an outpatient when necessary. She is now 14 years old and her affliction is substantially cured. Such treatment is always provided without charge; in addition no tax money is used to support the 19 Shrine hospitals and three burns centers.

This year Jennifer graduated from Longfellow Middle school in Wauwatosa where she maintained a B+ average. She has been active in student activities such as the band, orchestra and jazz ensemble. She has also participated in swimming events to raise money for other charities.

According to Potentate Stocking, Jennifer will receive \$2,000 as a scholarship toward her post-high school education. Over the years the game has raised over \$2,000,000 for the Shrine Hospitals through the cooperation of the Packers and the National Football League opponents in the various games.

affected them and the society surrounding them? What can be done to help them? And, what can we do to stop pornography? These are just a few of the questions to be answered in this essay.

In order to fully understand the issues and effects of pornography, you must have a general knowledge, or background of the pornography industry in the United States today. Where the material comes from and what the industry consists of are just a few of the necessary things to know.

In years gone by, almost all pornographic materials were smuggled into our country. Now, only a very small quantity is being smuggled in. This doesn't mean that the industry is cutting back though. All it means is that, sadly enough, almost all materials originate here in the United States.

This multi-billion dollar industry continues to thrive. The money is good and it's easy to come by. Why should the "porno factories" continue to grow and expand, when they are based on two devastating standards, which are emphasized on the innocence of children and the lechery of adults.

There appear to be two defined groups affected by pornography. We label these groups as, direct victims and indirect victims. The direct victims are most often women and children. This group contains the people who were exposed and exploited for the soul purpose of making and selling magazines, and to be used for other various pornographic purposes. The indirect victims are you and me, or society as a whole.

In pornography, the victims become "things" or "sexual objects." New studies have linked pornography to the violence and degrading attitudes towards women in society today.

The effects of pornography on a direct victim are complex and

far-reaching. There seem to be three set methods in which victims deal with their sexual exploitation and trauma. These three ways are labeled as, inward, outward, and the "bootstraps" response.

The victims that tend to withdraw from society and appear to be shy are examples of the inward response. These people like to isolate themselves from others and they will appear to be quite unsociable.

The outward behavior is usually very obvious to detect. Many times unacceptable social behavior, such as prostitution or delinquency are exhibited. If this victim is young they are often labeled as "a problem child." These victims can become loud and unruly at times.

The third response mentioned, the "bootstraps" response, gives the victim the inner strength, or determination, to overcome their problems and make the most of their lives. These people become over, or super-achievers and appear to make up for the exploitation and guilt caused by pornography.

These victims never fully recover, for permanent damage is inevitable. Many victims have side affects such as, bouts of depression, suicidal tendencies, and confusion about their sexual identity.

According to the pamphlet, "What's Wrong with Pornography," each and every one of us are affected by this problem. It's not only the direct victims and the subscribers to the magazines that are being influenced and involved with this material. Society as a whole is so over-exposed to this smut that we are becoming desensitized and demoralized.

Innocent bystanders are becoming victims in violent sex crimes, provoked by pornography and pornographic material. Most rape cases are, in one way or another, linked to

pornography.

Nobody is safe and nobody will be safe until we reach our final goal, the day that all smut and trash is off our streets and out of our lives forever.

Is there anything that we can do to stop this? The answer to that question is a simple YES! The only way to eliminate this trash is to ban together and support a group working towards banishing pornography. Most areas have a local Citizens for Decency through Law, or CDL organization started. So, join in the fight with them! CDL is a non-profit organization working for the benefit of all.

The most that anyone can do is put your effort into it. If we don't try to stop it now, we may not ever accomplish it. Please help us reach our goal. With your effort and the effort of your friends, our final destiny is already in sight. Please help reach the goal, for the good of everyone.

Beisbier - Buehler

Patricia Rose Beisbier, daughter of Cornelius and Evelyn Beisbier of Kewaskum, wed Edwin Johnston Buehler, son of John and Julia Buehler of Hancock, on June 14. The ceremony took place at Holy Trinity Catholic Church in Kewaskum and was officiated by Reverend Robert Berghammer.

Peach and ivory were the colors chosen for the celebration.

Patricia chose Ellen, her sister, as maid of honor. Edwin chose Gus, his brother, as the best man. Bridesmaid attendants included Laura Beisbier, sister of the bride, Helena Buehler, sister of the groom, Joanne Strobel and Bonnie Brooks, friends of the

bride. Roger Doll, brother-in-law of the bride, Jonathon Moseley, brother-in-law of the groom, Dan Harkins and William Casey, friends of the groom were the groomsmen.

Ushering duties were performed by Tom Weis and John Beisbier, cousins of the bride.

The bride is a May 1986 graduate of UW-Stevens Point, with a Bachelor of Science degree in Wellness Lifestyle Development. The bridegroom is a March 1986 graduate of the Institute of Paper Chemistry, with a Master of Science degree in Pulp and Paper Engineering.

The couple currently reside in Lake Oswego, Oregon, where Edwin is a process engineer with Crown Zellerbach Corporation.

Wiedmeyer Featured In National Fitness Magazine

Jacquie Wiedmeyer, a member of The Fitness Firm, Dance Slimnastics, is featured in the national fitness magazine Shape.

Jacquie is featured as August's Aerobic Dancer of the Month. She was chosen as an Aerobic Dancer of the Month because of what aerobic classes have done for her emotionally and physically. Exercise has kept her weight down to a healthy level, finally ending the yo-yo syndrome. Dance Slimnastics has also helped tremendously in releasing everyday stress and tension.

Last but not least cardiovascular conditioning is a major priority because of the history of heart disease in Jacquie's family. Both grandfathers died of heart attacks and her father has had his second bypass last year.

Jacquie has been in aerobics four years and plans to continue. She feels great now and the fun and results will keep her going to class.

50th Anniversary

Andrew and Helen Feucht, Garden of Eden, WI, are celebrating their 50th wedding anniversary on Aug. 24, with an 11:00 a.m. Mass at St. Mary's Catholic Church, Eden.

An Open House will be held from 3 to 5 p.m. at the Gazebo Supper Club, 925 Forest Ave. on Frontage Road, Fond du Lac.

The former Helen Kral of Milwaukee and Andrew of LeRoy were united in marriage on August 25, 1936, at St. Elizabeth Church, Milwaukee. Honor attendants were Katherine Kral Feucht and

Anton Feucht.

Prior to retirement they were engaged in farming in the towns of LeRoy and Eden.

They are members of St. Mary's Church, Eden.

The Feuchts have 8 children: Mary Ann Pieper, Crandon, Michael, Eden, John, of Mayville, Andrew, Vancouver, WA, Eugene, Fond du Lac, twins - Rose Koeller, Milwaukee and Rita Feucht, Eden, and Germaine Steffes, Fond du Lac.

They have 28 grandchildren and 3 great-grandchildren.

Bartz - Ebert

Mrs. Lois Bartz of Kewaskum, and Mr. and Mrs. Lloyd Ebert of Campbellsport, are pleased to announce the engagement of their children, Catherine Marie and Kevin Peter. A September 1987 wedding is being planned.

MARRIAGE BANS ANNOUNCED

Local, County Students Attend Farm Bureau Seminar

Michael Killian, left, and Clarence Fry

Seventy-five high school students from around the state participated in the seventh annual Farm Bureau Youth Seminar, June 24-26, at the UW-Stevens Point campus. Clarence Fry, 2925 Hwy. H, Kewaskum, and Michael Killian, 2477 Pioneer Rd., Richfield, attended from Washington County.

The seminar, a short course in citizenship, was developed by the Wisconsin Farm Bureau Federation Women's committee to foster an appreciation of the American heritage, and to encourage young people to take an active role in carrying out their responsibilities as citizens.

Former Iranian hostage Kevin Hermining spoke about his experience in a presentation, "Iran Remembered - An Appreciation of Freedom." Jim Werner, WFBF executive director of Member Relations, spoke on "Citizenship - One

Man's Story," describing his personal thoughts on becoming a citizen. Werner immigrated to the U.S. from Germany.

Senator David Helbach, Stevens Point, discussed "Working with the Government." Tom Lochner, Director of Governmental Relations, explained "How a Bill Becomes a Law."

The Reverend Bruce Hanks gave a presentation entitled "Lincoln Speaks Today." Hanks is a direct descendant of the 16th president.

Students are sponsored to the seminar by their county Farm Bureaus, local FS companies, Rural Insurance agencies, Midwest Livestock Producers markets, and local banks and cooperatives.

Farm Bureau Women from Washington County sponsored the Washington County participants.

seating for \$10 advance tickets.

Advance tickets are available at First Interstate Banks, First Wisconsin Banks, Ticketron Outlets (at Sears in Sheboygan or toll free 1-800-382-8080 for Visa or Mastercard), Heberlein's Drugs Adams' Drugs (both in Plymouth) and the County Fair Office in Plymouth.

The Nitty Gritty Dirt Band consists of Jeff Hanna, vocals and guitar; Jimmie Fadden, drums and harmonica; John McEuen, banjo, fiddle, guitar and steel guitar; Bob Carpenter, keyboards; and Jimmy Ibbotson, bass and vocals.

After nineteen years together this consistently innovative, consummately entertaining quintet is not only one of the longest lived of American groups, but also among the best loved and most respected.

The extraordinary creative contributions of the Dirt Band are no less remarkable than their longevity. Originally formed around the talents of folk singer Jeff Hanna in Long Beach, California in 1966, the group went through a long series of personnel switches, name changes and musical experiments before settling into its present line-up. At one time they called themselves the Illegitimate Jug Band, an ensemble which included an unknown singer/songwriter named Jackson Browne, who went on to become a member of the Dirt Band's first incarnation.

It was in 1967 that the Nitty Gritty Dirt Band scored their first hit with a tune called "Buy For Me The Rain," who's distinct pop flavor belied the group's wide-ranging and expanding repertoire of ethnic and eclectic musical styles. Touring steadily, the band released a number of albums remarkable even then for the range and originality of their material. In 1970, they began what was to be a long string of hit singles, including "Some of Shelly's Blues," the classic "Mr. Bojangles" and "House at Pooh Corner."

But it was in 1973, with the release of one of the most remarkable musical documents

in recording history, that The Dirt Band an enduring place in the annals of authentic American sound. A triple album set titled, Will The Circle Be Unbroken was recorded in Nashville and showcased the talents of such legendary bluegrass and country artists as Mother Maybelle Carter, Earl Scruggs, Doc Watson, Roy Acuff, Merle Travis and many others. It was, as one critic remarked, "the most fulsome tribute to the beauties of American music, and many of its most outstanding personalities, ever devised."

The Seventies and early Eighties followed with a string of acclaimed LP's. But it was the extraordinary success of 1984's Plain Dirt Fashion, the group's debut album for Warner Bros. Records, that proved not only the band's continuing appeal, but their ability to transcend fashion to create compelling music for any decade.

The success of Plain Dirt Fashion was followed by nominations from the Country Music Association for Instrumental Group Of The Year and the Academy Of Country Music for Vocal Group Of The Year. In early 1985, the band took time off from a busy touring schedule to begin work on their latest album.

The result is Partners, Brothers and Friends, a ten tune collection of original, exuberant and polished music that blends pure country with a contemporary pop sensibility to create a distinctly original sound. It is, in short, an album that consolidates the Dirt Band's reputation as an American musical tradition - and a force in music's future.

The U.S. is the world's largest corn producer.

County Holstein Twilight Meeting

The Washington County Holstein Association will be holding its annual twilight meeting on Tuesday, August 19, at the Dennis Kuhaupt Farm located near Slinger.

The event will be starting at 7:30 p.m. The schedule for the evening includes judging of two classes of dairy cattle. Prizes will be awarded to both juniors and adults for their judging efforts. The featured speaker for the evening will be Bradley Rugg, Executive Vice-President of World Expo Dairy, Inc. The evening's activities will conclude with door prizes and lunch.

The event is open to anyone who is interested in dairy cattle and would like to visit a Washington County Dairy Farm. The Kuhaupt Farm has a current rolling herd average of 17,200 pounds of milk, 3.8% butterfat and 658 pounds of butterfat on 39 registered Holstein cows.

The Kuhaupt's started the registered herd in 1960 with most of the original animals coming from the Philip Hegge Herd from the Hartford area.

The best way to reach the Kuhaupt farm is to take Hwy. 60 to Slinger Road, travel south on Slinger Road, one mile to Sherman Road, then go west on Sherman Road to the first farm, 4968 Sherman Road.

GERTRUDE TURINSKI

Mrs. Gertrude Kraft Turinski, 74, of 653 W. Arndt St., Fond du Lac, died Sunday, Aug. 10, 1986, at St. Agnes Hospital.

She was born June 28, 1912, in Moline, Ill., a daughter of James W. and Christine Gjertsen McElhatton.

Mrs. Turinski was a former resident of Kewaskum.

She married Willard Stevens in 1931, Earl E. Kraft in 1945 and John Turinski in 1966, all of whom preceded her in death.

Mrs. Turinski was employed at the Greenwood Grill and Tucker's Drive-In for 26 years, before she retired. She was a member of Cathedral Church of St. Paul.

Survivors include three sons, Robert Stevens of Sheboygan, James Stevens and Michael Kraft, both of Fond du Lac; two daughters, Mrs. Michael (Kathy) Schreiber of Fond du Lac, Toni Kraft of New Knoxville, Ohio; 16 grandchildren and 10 great-grandchildren.

She is also survived by five brothers, Lawrence of Montello, Raymond of Fond du Lac, Ralph of North Freedom, James of Milwaukee and John of Kewaskum; and three sisters, Mrs. Marie Stangl of West Bend, Mrs. Harvey (Margaret) Backhaus of Fond du Lac and Mrs. Orville (Marion) Petermann of Kewaskum.

Two sons and four grandchildren also preceded her in death.

Visitation was held from 3 to

8 p.m. Tuesday at Candlish - Mach Funeral Chapel, Fond du Lac. Funeral services were held at 10 a.m. Wednesday at the funeral chapel and at 10:30 a.m. at Cathedral Church of St. Paul, Fond du Lac. The Very Rev. John E. Gulick officiated and burial was in Estabrooks Cemetery.

EUGENE R. WEIDMAN

Eugene R. Weidman, of West Bend, died Tuesday, Aug. 5, at St. Joseph's Community Hospital, West Bend, at the age of 70.

He was born Aug. 21, 1915, in Jackson, and lived most of his life in the Jackson and West Bend area.

After attending West Bend High School, he worked as a mechanic for his father at Weidman's Ford Garage in Jackson. Later he operated gas stations in West Bend and Cedarburg.

Prior to his retirement in 1980, he was employed for six years at Inland Diesel in Butler.

On July 13, 1940, he married Wilmette Aebli at St. Catherine's Catholic Church, Milwaukee.

Survivors include his wife; one son, Thomas (Donna) of Kewaskum; two grandchildren, Michael and Beth; two brothers, Henry (Martha) of West Bend and Walter of Cedarburg; three sisters, Gertrude (Henry) Abel of West Bend, Julia Lindenstruth of Cedarburg and Marilyn (Walter) Anderson of West Bend, and other relatives and friends.

Funeral services were held Wednesday, Aug. 6, at 8 p.m. at the Schmidt Funeral Home, West Bend. Fr. Richard Stoffel, a nephew of the deceased, officiated, and burial of the cremains was in Mayfield Cemetery.

IN MEMORY

In loving memory of Robert Gross who passed away four years ago, Aug. 18, 1982:

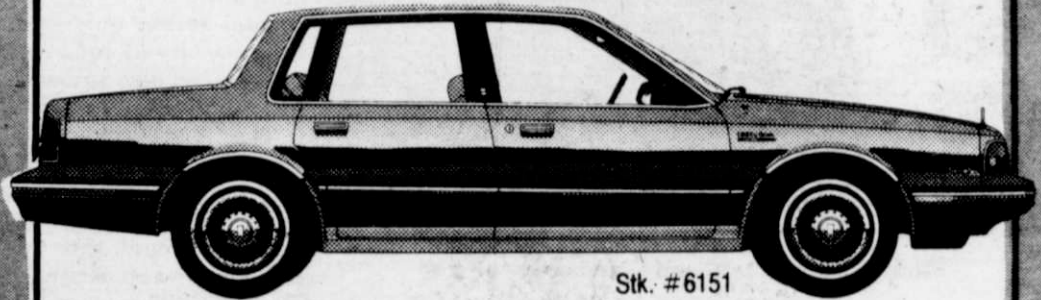

God took him home, it was his will,
But in our hearts, we love him still,
His memory is as dear today,
As in the hour he passed away.

The parish school building on Park View Drive, under construction since last November, will be dedicated at St. Lucas Lutheran Church August 13. Members of the building and planning committee are Dr. R. G. Edwards, chairman; Ray Schaefer, Max Okrusch, William Guenther and Desmond Smith. Serving on the building fund finance committee are Clark Werner, chairman; Walter Van Veen, Arnold Butzke, LeRoy Bier and Orval Behnke.

Edward J. Miller, son of Mr. and Mrs. Edw. E. "Pat" Miller, Kewaskum, received word from the Wisconsin State Board of Health, advising him that he was successful in the funeral directors' and embalmers' license examinations which were held in Milwaukee on July 25 and 26.

The Kewaskum 4-H'ers are very proud and fortunate to have two of their members representing them at the State Fair August 11-20. Miss Mariel Seefeldt, Route 1, Kewaskum, was chosen from many applicants to play in the State 4-H Band. Miss Ann Schaefer, Kewaskum, won a blue ribbon at the Washington County Fair and at the Washington County Dress Revue for the beautiful work she did on her white wool dress. Ann will model the dress at the State Fair.

Miss Alma Siegel, 75, nee Faber, of Kewaskum, passed away on August 9, at St. Joseph's Hospital, West Bend.

Twenty-two boys of Boy Scout Troop 44 of Kewaskum spent a week camping at Camp Shaginappi at Pipe Village on Lake Winnebago recently. The boys included Joey Fehlhaber, Billy Backhaus, John LaMarche, Lee Bunkelman, James Casper, Paul Buczek, David Teeselink, Richard Marx, Richard Laubach, Mark Belger, Terry Reitz, Scott Warnanius, Allen Bohn, Michael Miller, Dick Wietor, Joseph Key, Robert Miller, Jack Stellflug, Lloyd Hron Jr., Neal Hirsig and James Manthei. They were accompanied by Scoutmaster E. "Mike" Gnacinski.

A son was born to Mr. and Mrs. Alois Wiesner, Barton, on August 5. Mr. Wiesner is a son of Mr. and Mrs. Anton Wiesner of Kewaskum. Sons were also born to Mr. and Mrs. Jac Bruessel, Kewaskum, on August 7, and to Mr. and Mrs.

Seriously injured a week ago Monday when an automobile in which she was a passenger collided with a hayrack near Campbellsport, Mrs. John Foerster, 50, wife of a Wayne Center tavernkeeper, died Sunday night at St. Agnes Hospital, Fond du Lac. Mrs. Foerster's condition was not considered serious at first and it was expected that she would recover. It became grave Friday, however, and she died about 6 p.m. Sunday.

A fire in the woods on the farm of Walter and Norbert Gatzke in the Town of Auburn, located about three miles north of Kewaskum, which started about 1:30 p.m. Saturday and burned until Sunday night, did damage estimated at \$200 when five acres of woods burned out. Besides burning the woods, the fire, which was fanned by a strong southeast wind, completely destroyed many logs and firewood which had been made ready for the winter's use. The flames spread rapidly into a hay field of a neighboring farmer, Fred Bartelt, whose land joins a large marsh, with a total of 400 to 500 acres. Luckily, the fire was put under control as it spread to within 150 feet of the marsh, otherwise the loss would have been tremendous as well as extremely hazardous.

The local fire department responded to a call shortly after noon Saturday on the Kewaskum Aluminum Company premises where a grass fire spreading across a field had reached the warehouse to the rear of the plant. In a short time the warehouse would have been ignited but quick work by people on the scene who stomped out the flames with boards, and the services of the firemen put the fire under control with no damage suffered.

A quiet but interesting wedding ceremony to local residents and those of the entire community was performed last Saturday afternoon when a popular Kewaskum young man, Carl Backhaus, son of Mr. and Mrs. Herman Backhaus, became the husband of Miss Beulah Bohn, daughter of Joseph Bohn, former proprietor of a store and tavern at Nabob,

and now a resident of Barton.

Howard Walters and Miss Earla Prost have earned free trips to the state fair at Milwaukee, Aug. 22 to 29, as a result of winning first places in the McCormick - Deering Farmall "J-A" Machine Contest held by A.G. Koch, Inc. on Tuesday of this week.

Sixty Mongolian pheasants will be received shortly in Washington County from the Wisconsin Conservation Commission, Madison, for winning second place in Class B of all counties in the state in last year's winter feeding contest with 195 points, according to a notice received by Jos. Eberle, a member of the County Fish and Game Protective Association on Wednesday. A large number of these birds will be released at Kewaskum, while the remainder will be released throughout the county.

Two hundred cans of assorted fish, including black bass, perch, blue gills and bullheads were received Wednesday at Fond du Lac. The next day the fish were planted in the following lakes at the south end of the county: Round Lake, Wolf, Long, Forest, Mud, Fifteen and De Neveu.

Residents of Kewaskum and Washington County were dealt a sorrowful blow on Sunday, August 9, when Otto L. Habeck,

a lifelong resident of this village quietly passed away at his home on East Main Street after an extended illness.

A baby boy has arrived at the home of Mr. and Mrs. Math Herriges at St. Michaels. He is the thirteenth child. The infant was baptized and received the name Andrew.

Mr. and Mrs. Harvey Diehls, Beechwood, are the proud parents of an 8-pound baby boy.

An 8-pound baby girl was born to Mr. and Mrs. William Volm on July 31. She received the name of Eileen Frances.

August 19, 1911

Arthur Heberer, 23, son of Mr. and Mrs. Heberer of the Town of Auburn had a narrow escape from death last Wednesday while threshing at August Backhaus' farm about 2 miles north of this village, when a circle saw struck him and cut a severe wound across his forehead, the bridge of the nose and across the right eye. Mr. Heberer was a member of his uncle, William Heberer's threshing crew. The crew had

early in the morning moved their outfit from Emil Ramel's place to the Backhaus farm. While the crew was preparing the machinery, the young man was engaged in sawing wood with the circle saw. In some manner the saw buck, which is attached to the engine, flew back and the circle saw struck the unfortunate man.

Lightning struck the barn of Fred Kempf, New Fane, one day this week. Not much damage was done.

The Boltonville vicinity was visited by a severe electric storm and rain Monday evening. The barn on the Hartman farm was struck and burnt to the ground, with the year's crop of grain and hay and the farm machinery of the renter, Mr. Vorpahl.

Nick Rheingans lately bought the Wenzel Zwaschka farm in the St. Kilian area, consisting of 80 acres at 110 dollars per acre.

Ants can be frozen for long periods without harm. Many spend the winter inside logs and stumps, coated with ice crystals.

IN MEMORY

In loving memory of my husband, Alfred "Doc" Johnson, who passed away one year ago, August 17, 1985:

They say time heals all sorrow,
And helps us to forget,
But time so far has only proved,
How much I miss you yet.

God gave me strength to take it,
And courage to take the blow,
But what it meant to lose you,
No one will ever know.

Sadly missed by his wife,
Alma Johnson, brothers and sisters.

IN MEMORY OF ADELINE VOLM

It has been eleven years,
And everyday we think of you.
We wonder what it would be like,
If you were still here with us, too.

Love,
Ed and family

Sirs:

July 12, 1986

One July 4, 1986 My Ford Tempo was towed to the Royal Ford Dealer in West Bend, Wisconsin.

The next day, a Saturday, I received a long distance call from Royal Ford informing me that my 1984 Tempo was repaired and that I could pick it up.

When I arrived in West Bend, the manager presented me the bill for \$29.00. The part that broke was \$109.00 but that was covered under warranty.

I gladly paid the bill for the new distributor cap, rotor & labor which was not covered by warranty.

Three days later, I received another long distance call from Royal Ford asking if I was satisfied with the service done on my car.

Now I've owned Fords for over 25 years and that was the first time anyone took the time to call and ask me if I was satisfied with the work performed.

So I thought I'd take the time to write a letter and tell you how nice those people were to me.

Here we were, stranded in a small town, away from our home and they did not take advantage of us. This also was on a holiday weekend to boot.

My car has never run better since I bought it!

And they were so courteous in explaining all the service they had performed!

The next time I'm in the market for another Ford, I'm going to Royal Ford in West Bend, Wisconsin!

Thank You,

Minutes of Village Board Meeting

Regular Meeting
August 4, 1986
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

Administrator Daniel Schmidt called the meeting to order. President David Nigh and Trustee Richard Schlice asked to be excused and were absent. All other Trustee Members were present. A quorum was present.

On a motion by Trustee Mary Krueger, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board appointed Senior Trustee Paul Blumer as President Pro-Tem.

The meeting was opened with a moment of silence and Pledge of Allegiance.

On a motion by Trustee Richard Schmidt, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the minutes of the July 21, 1986, meeting were approved as printed.

On a motion by Trustee Richard Schmidt, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized advertising for a crossing guard as per the school district's request. [Note: For CTH "H" and Fond du Lac Avenue intersection].

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board as follows:

1. Balance Sheet review for July, 1986.
2. Review of 1986 sidewalk project and proposed schedule.
3. Report of emergency repair work needed on Well No. 2 due to a loss of pressure. Layne Northwest estimates the repair work to cost \$12,500 and the well to be out of service for one full week.
4. Review of letter sent by Foley & Lardner in reference to future borrowing from the Wisconsin Pooled Municipal Loan Program. The Village was asked to identify any borrowing proposed over the next three years. The board agreed to identify the proposed sidewalk program for \$450,000 seeing the letter is not a commitment nor binding on the Board's behalf.
5. Review of some brief correspondence.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schmidt and carried unanimously by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

| | |
|-------------------|--------------------|
| Village Gen. Fund | \$66,308.11 |
| Sewage Dept. Fund | 7,920.97 |
| Water Dept. Fund | 21,207.52 |
| TID Fund | 1,105.81 |
| TOTAL | \$96,542.41 |

General Voucher No. 5683 thru No. 5849
Sewage Voucher No. 4345 thru No. 4363
Water Voucher No. 4922 thru No. 4931
TID Voucher No. 233

Trustee Howard Laubenstein, Chairman of the Protection and Public Safety Committee announced a joint meeting of the Police Commission, Fire Department and his Committee, which is scheduled for August 12, 1986, 7:30 p.m.

On a motion by Trustee Mary Krueger, seconded by Trustee

Howard Laubenstein and unanimously carried by voice vote, the Board approved the hiring of James Noren as the new DPW crew member.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized advertising for asphalt paving bids. (Bids to be opened August 18, 1986).

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the application of the Kewaskum Softball Association for a Special Class "B" Retailer's License to Sell Fermented Malt Beverages at Picnics or Gatherings and the office was authorized to issue the License upon proper payment of fees. (August 16 and 17, 1986).

On a motion by Trustee Howard Laubenstein, seconded by Trustee Richard Schmidt and unanimously carried by voice vote, the Board authorized the Village Engineers to proceed with having the Fire House walls tuck pointed (caulked) on a time and material basis. This work would be completed prior to any roof repair work and is as recommended by the engineer and DPW Superintendent.

Action was taken on Resolution No. (s) 86-17, 86-18 and 86-19 as attached hereto:

Motion was made by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton to adjourn the meeting. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent." The motion was carried by the majority.

Middle School Girls' Fall Track Program

Beginning the first day of school, the Kewaskum Middle School will again offer a 7th and 8th Grade Girls Fall Track and Field Program.

Practices will be held after school from 2:45 - 4:30 p.m., Monday - Friday, starting on Tuesday, September 2. Parents and guardians are responsible for the transportation home of their students and are asked to be prompt about picking up their student.

Each participant must have a signed WIAA Physical Examination card or a signed WIAA Alternate Year Athletic Card. Medical physicals are required every other year. No student will be allowed to practice or participate in any meet until properly signed cards are turned in to the coach. These cards are available in the Middle School office.

A \$5.00 fee is charged by the district for each participant, which is paid at the Middle School office. Sweat suits and uniforms are provided by the school.

Managers are also needed. These are students who assist the coaches by taking practice attendance, by being responsible for various supplies and equipment and by assisting at track meets.

The Fall Track and Field Season ends Tuesday, October 7, with a conference meet at Slinger.

For further information contact Head Coach Gail Filzen, 338-1850.

Hubbell Junior Tennis Champ

Craig Hubbell of Kewaskum was among six junior tennis champions crowned in West Bend last week in a rain delayed tournament that finally wound up Thursday morning. The popular annual summer tennis tournament is sponsored by the West Bend Park, Recreation and Forestry Department.

Hubbell, who will be a junior at Kewaskum High School, and is the No. 1 netter for the Indians, won the boys' 17 and under competition, defeating Joe Sanders, a senior at West Bend West in the finals, 6-3, 6-0.

Hubbell and Mike Hickmann, West Bend West junior-to-be, also were the best of 30 teams entered in the men's B doubles previously. Hickmann made it to State for the Spartans this year. Hubbell had also claimed one of the six singles titles in the recent Washington County Closed Tennis Tournament in West Bend.

Some 96 boys and girls participated in the youth tennis program this summer, according to Bob Neja, director of the city's tennis program. A West Bend area men's team also competed in post-season tourney competition recently.

Waterfowl Season Hearings Are Set

Hearings have been scheduled at two locations in August on the proposed 1986 waterfowl seasons in Wisconsin, according to Department of Natural Resources' wildlife officials.

The rules proposed for the duck and goose seasons this year are similar to the 1985 seasons. Here are the highlights.

— A 40-day duck hunting season - in the southern zone from October 1 to 5 and October 11 to November 14, and in the northern zone from October 1 to November 9.

— A 50-day Canada goose season in three tag zones, and a 20-day season elsewhere.

— An increase in the Canada goose harvest from 25,000 last year to 45,000 this year. A quota of 30,000 will apply to the tag zones.

— A 40-day season for other

geese with the same dates as the duck season.

— A 16-day special scaup season.

— December Canada goose hunting for three zones.

— Point system bag limits for ducks, and conventional bag limits for geese.

— Nontoxic (steel) shot will be required in certain zones.

The hearings are scheduled on the following dates: August 20 - at 11:00 a.m. in the auditorium on the lower level of the La Crosse County Courthouse, 400 N. 4th Street, La Crosse; August 21 - at 10:00 a.m. in Section C-140, Fox Valley Technical Institute, 1825 N. Blue Mound, Appleton.

Comments on the proposed seasons may be submitted to John Wetzel, Bureau of Wildlife Management, P.O. Box 7921, Madison, WI 53707 no later than August 22. Written comments received by that date will be given the same weight and effect as oral statements made at the hearing.
