Proposed 1987-88 School Budget Still Just That

By GERRY MUELLER
Statesman Staff Writer

After a lengthy special meeting Monday night, the Kewaskum School Board took no action to either approve or reject the proposed 1987-88 budget.

After a review and discussion of the budget, which lasted more than four hours, members of the board declined to approve the \$6,996,622 budget which carries a 3.6% increase over the 1986-87 budget. The budget carries a considerably smaller hike than this year's budget which had a double-digit increase. While the board did not approve the budget, it also did not come up with any drastic recommendations for change.

As Business Manager Cherna Gorder again went through the budget step by step, there were few questions about the proposal. The majority of the evening's discussion centered around the feeling of a few board members, particularly Clara Trapp, that teachers were not getting all the materials and equipment they needed to run their classes.

Several of the principals and board members noted there was a difference between wanting and needing. The principals indicated they were confident no teachers were being denied materials they "needed" to run their classes. "I don't feel any department has been deprived of what they need, they may not have gotten what they wanted but they got what they need," stated Middle School Principal Dennis Reha. All the principals agreed there were items that their staffs would like over and above what they got but what was the case every year.

Board member Ron Theusch agreed with their comments. What we're talking about here is a Wish List, noted Theusch, things that would be nice to have. "When I first came on this board I heard those same comments," he said. "So we went back to the teachers and asked them what they wanted. In the end, after the budget cuts, we were right back to the lists which had been presented originally."

Perry Koth told the board, we teachers would all love to have more money for our departments and we'll gladly take it if you want to give it to us. He noted, however, that everyone understands they have limits. It's up to each teacher to decide what his priorities are.

Trapp was referring to equipment apparently needed by the high school shop classes. High School principal LeRoy Kopecky told the board the

items in question did not appear on his budget requests. Apparently the teachers felt there were things they needed more.

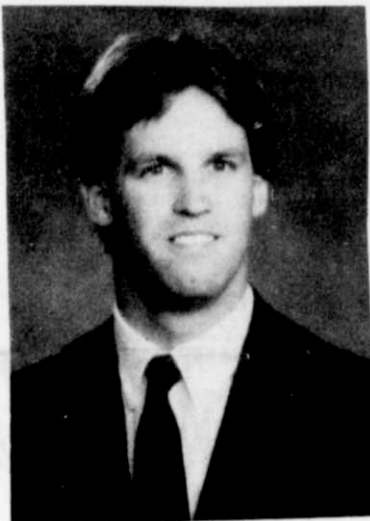

Trapp made a motion to have the board meet with each

principal individually to go over their budgets. "I think it's great you want to communicate with the principals but it's not that simple," said Koth.

Although Trapp's motion was

Strigenz Receives Doctor Of Medicine Degree May 24

Andrew Strigenz

Andrew T. Strigenz, M.D., of Kewaskum, Wis., was one of 192 students to receive a Doctor of Medicine degree from the Medical College of Wisconsin, Milwaukee, at commencement ceremonies, Sunday, May 24, at Milwaukee Exposition and Convention Center and Arena (MECCA).

Dr. Strigenz is the son of Dr.

and Mrs. Anthony J. Strigenz, Rt. 1 9409 Norway Dr., Kewaskum. He will serve an Anesthesiology residency at the University of California-Irvine after completing an internship at St. Joseph's Hospital, in Milwaukee, a multispecialty affiliate of the Medical College.

As a student at the University of Wisconsin - Milwaukee, he was enrolled in that institution's Target-M.D. program, an accelerated pre-medical program.

He received a Bachelor of Science degree in Medical Science from UW-M in 1984.

The Medical College of Wisconsin is a private independent school for health sciences based on the Milwaukee Regional Medical Center campus. Approximately one of every five Wisconsin physicians is a graduate of the 74-year-old medical school. The Medical College ranks in the top half of all American medical schools in research grant support, receiving more than \$27 million annually in extramural funding.

Nancy Schultz Named U.S. National Collegiate Award Winner

The United States Achievement Academy has announced that Nancy Schultz has been named a United States National Collegiate Award winner in The Associate Degree Nursing Program. This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American college students.

Nancy, who attends MPTI was nominated for this National Award by Josephine Roehrborn, the ADN Supervisor at the school. Nancy will appear in the United States Achievement Academy Official Collegiate Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to

excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of professors, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a professor or director.

Nancy is the daughter of George and Judy Lendved, Kewaskum. Grandparents are Mrs. Leonard Lendved of Sheboygan and the late Leonard Lendved, and Mrs. Joseph Bodinger, Appleton, and the late Joseph Bodinger.

Campbell's Village Inn Under New Ownership

Ruth Campbell (left) hands over the keys to Gladys Glamann, the new owner of Buffy's (formerly Campbell's Village Inn).

By GERRY MUELLER
Statesman Staff Writer

It became official Tuesday, Ruth Campbell, owner/operator of Campbell's Village Inn has retired after twenty-eight years in the restaurant business.

Mrs. Campbell, whose restaurant has been a second home to many of her Kewaskum area regulars over the years, sold her business Monday to Gladys (Becker) Glamann of Kewaskum.

Campbell, who owned the business for the last twenty-four years, said she and her husband Bud, wanted to thank all their customers for their patronage over those years. I also want to thank all the girls who worked for me and gave me help in any way during that time. We hope our customers will continue to patronize the restaurant and support Gladys in her new endeavor.

The Campbells have no

specific retirement plans other than to enjoy some travel especially to their favorite place Las Vegas.

Glamann, who has worked in the arts and design field for the past few years said there would be no changes in food, service or staff. I'll be keeping the same employes, said Glamann. The only changes are that we will now be open on Sundays from 8:00 a.m. to 1:00 p.m., and the restaurant's new name is Buffy's Edge O' The Village Inn. We also have a new phone number, 626-2898, noted Glamann. Since the new phone book just came out, our new name and number won't be listed until next year, she said.

Hours for Buffy's are, Monday through Thursday 6:00 a.m. to 8:00 p.m., Friday 6:00 a.m. to 9:00 p.m., Saturday 6:00 a.m. to 3:00 p.m., and Sunday 8:00 a.m. to 1:00 p.m.

Second Phase of Sidewalk Extension Nearing Completion Another Hike in Trash Disposal Costs

By GERRY MUELLER
Statesman Staff Writer

Administrator Dan Schmidt informed the Kewaskum Village Board Monday night, that the cost to dispose of the village's garbage is going up. Effective this month, the fee charged by the village's contractor will increase fifty cents per cubic yard, from \$7.00 to \$7.50 per cubic yard of trash hauled to the collection point.

Schmidt noted the continually escalating cost to trash disposal and the declining number of suitable landfill sites has led the village to maintain its position to support proposals for the creation of an incineration program within the county.

The village has reaffirmed its commitment to participate in such a program, run either by the county, or the city of West Bend.

The city of Port Washington

recently restarted its incineration plant after a shutdown of almost twelve years. Problems in getting funds to repair the plant along with difficulties in obtaining spare parts for the old machinery delayed the opening which had been scheduled for January 1st of this year.

Port Washington officials are hoping the reactivation of its incinerator will encourage neighboring communities to be burned. Incineration plants are most cost effective when they are being run at full capacity. Port expects the plant to pay for itself within ten years.

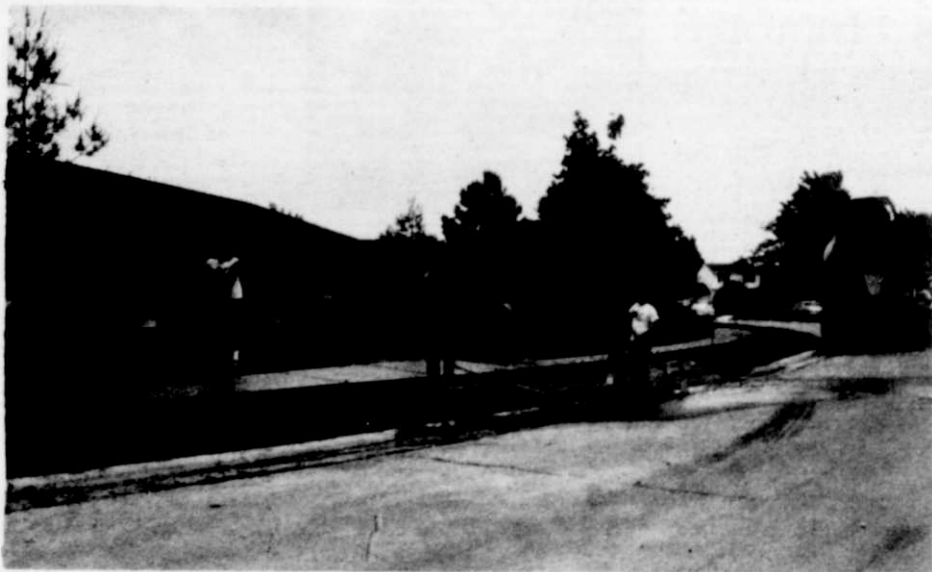

In other business, Schmidt advised the board that the second phase of the village's Capital Improvements Sidewalk Extension Program is almost complete. Workers are expected to be moving out of the Bel-Ric subdivision by the end of the week.

Schmidt also informed the board that the Public Service Commission has scheduled a public hearing for July 6th, in Madison, on a proposed water rate increase for the village.

The PSC is proposing a 60% hike in rates. Schmidt said percentage-wise it sounds like a large increase, dollarwise, it equates to an increase of \$10.00 per quarter, or \$3.40 per month for the average home. He said any increase approved will not go into effect until the last quarter of this year.

In other action the board approved the renewal of the village liquor, beer, and bartenders licenses for the coming year.

The board delayed action on an application for a remodeling permit to Tom Griep, at 1277 Fond du Lac Avenue, because all the necessary documents had not been received by the village as yet.

Kewaskum's Capital Improvement sidewalk program is progressing on schedule. Workers were laying the final sections of walk in the Bel-Ric Subdivision this week.

approved, after some discussion the board voted to rescind it realizing there was not time since school lets out this week and the Annual Meeting has already been scheduled for next month.

Board president Ralph Horner did address some items he wanted to see included in the budget without changing the budget's figures. They included repairs to the high school main hall bathrooms, repair of the south walls in the high school principal's office, and the inclusion of the Academic Decathlon program which had been deleted.

Buildings Superintendent Fred Boehlke said some repair work had already been approved for the bathrooms and he would look into cost figures to repair the office walls.

District Administrator Penny Kleinhans told Horner the Academic Decathlon had been dropped because the district could not get anyone to accept the position of coordinator to supervise and run the program.

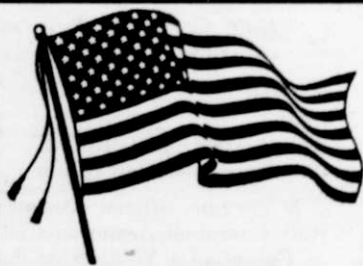

Board member Donald Nowak asked Gordier what the effect would be if \$100,000 were taken from the district's fund equity to reduce the levy. She said that would result in a decrease in the proposed mill

rate from \$13.28 per \$1,000 of assessed valuation to \$12.88 (forty cents). On a \$60,000 home, that would mean a decrease of \$24.00. She cautioned the board, however, on taking such action. Remember the teacher and support staff contracts are not

settled yet, noted Gordier, and that could use up a large portion of that equity.

The budget will be discussed again at next week's regularly scheduled board meeting.

Nearly half of Wisconsin's farms are involved in dairying.

Krahns Celebrate 25th Anniversary

The children of Mr. and Mrs. Gaylord Krahn surprised them at a 6:00 p.m. dinner at Boeldt's Restaurant, Cascade, in honor of their 25th wedding anniversary on Saturday, May 23rd. Entertained were their children, grandchildren, mother, Marie Krahn of Beechwood and sisters and brothers of the honorees. 28 were in attendance.

Later in the evening nieces

and nephews of the Krahn's surprised them by joining all of the above at Rodney and Toni Krahn's home in Glacial Hills Subdivision, Crooked Lake. The nieces and nephews entertained with an old-fashioned charivari.

Gaylord and Marjorie (Luedtke) Krahn were married on May 26th, 1962, at St. Paul's Lutheran Church, Cascade, by Rev. Werchen. Attendants at the wedding were Mr. and Mrs. Vernon Staeger, Beechwood. Mr. Staeger was present at the event. Mrs. Staeger is deceased.

The couple has lived in Beechwood since their marriage. Mr. Krahn is em-

ployed at Stolper Industries, Menomonee Falls and Mrs. Krahn works in Food Service for the Kewaskum Schools. Gaylord is a member of the Beechwood Fire Dept. Marjorie is treasurer of the Beechwood Fire Dept. Auxiliary. Mrs. Krahn is a member of St. John's New Fane and Mr. Krahn is a member of St. John's Beechwood.

Their family consists of Kay (Mrs. James Muench), Batavia, Karen, (Mrs. Barry Rammer), Sheboygan Falls, Rodney, R.I.,

Cascade, 2 son-in-laws, James and Barry, and one daughter-in-law, Toni, four grandchildren, Wanda Muench, Milwaukee, Lisa Muench, Batavia, Brad and Brek Rammer, Sheboygan Falls.

A son "Lanny" passed away 5 years ago.

Relatives attended from Beechwood, Batavia, Cascade, Sheboygan Falls, Milwaukee, Hales Corners, Green Bay, West Bend, Jackson, Adell, Fond du Lac, Kewaskum and Campbellsport.

Annual Outdoor Polka Mass to Be Held at Ashford

Preparations for the Sunday, June 7, 10:30 a.m. Mass at Ashford, to be read by St. Martin's pastor, Fr. Richard Fehhelm, are somewhat different from most.

At a recent planning session, chairman of the event, Frank Fell, read his list: 120 2x10 planks, 300 bales of hay or straw, 700 red balloons, 2-way radios, signs, afghan, quilt, baked goods, craft items, hamburgers, an auctioneer, a polka band were all included. In addition, the field of hay must be harvested and on Thursday afternoon, the

traditional lawncutting day in Ashford, the field will have to have some extra trimming work done. And if it rains that day, everything will again be planned for June 14, one week later.

The planks and bales will become "church pews" for the service while the 2-way radios are used to signal the ringing of church bells at the appropriate times. A hay wagon usually becomes the "choir loft."

A church service is held on the area's highest hilltop requires slightly different preparations from those for Mass read each Sunday in St. Martin's Church below the hill. But then too, not every hill has a lighted cross that stands nearly 60 feet high and 25 feet across with a fieldstone altar near its base.

The annual event draws several hundred people each year to this tiny community. With this year's celebration planned for the feast of Pentecost, the church's youth group is providing hundreds of red helium filled balloons which will be sent heavenward in commemoration of the risen Christ. The balloons will be tagged with a message offering to reward to the finder replying from the farthest distance before July 10.

Willy Fochs and his polka orchestra combine with the church choir to provide religious songs set to polka music. Later in the day, the orchestra will provide music on the church grounds for the social which traditionally follows the Mass. There will also be an auction at 1:30 p.m. and a Veterans color guard will provide a flag ceremony while those assembled sing "God Bless America" at the closing of the Hilltop Mass.

Alois Serwe recalls stories told by his grandfather, the late Joe Serwe, who provided the first cross for the hilltop. Alois says tradition has it that a log - probably about 20 feet in length - was dragged from the family farm using oxen and erected on the hilltop in 1886. Serwe said that Frank Thelen, Mike Fleischman and other neighbors helped to cut down the tamarack tree and then erect the cross with the use of ropes and pulleys. He said the priest, Fr. Michael Heigl had come to St. Martin's from Europe and wanted to continue the custom of erecting a cross on the area's highest hilltop.

The present Hilltop Cross is illuminated and is the fourth cross to stand on the hilltop. It

was erected under the direction of Rev. George Etzel in 1972. In 1977, a fieldstone altar was built near the foot of the cross and it is used for the annual Hilltop Field Mass.

The cross and altar are situated in a farm field on privately owned property and the landowners and renters cooperate with the parish each year to make it possible to hold the service in the farm field. Much of the upkeep of the cross and altar are donated by parish members but according to Fell, there is still a cost of several hundred dollars each year to cover lighting and maintenance of the cross. Weather causes havoc to the cross and lighting and there are plans to again replace the cross in the near future.

In the meantime, Fell and a number of parish members are busy gathering planks and bales, inflating balloons and trimming a hay field in preparation for the church service that is held each year in a hay field on a hilltop in Ashford, Wisconsin.

Michael Schaub Receives Degree

Michael Allen Schaub, 4991 St. Kilian Dr., Kewaskum, recently received a bachelor's degree in agricultural education, after completing work at the University of Wisconsin - Madison.

Mutual Aid Call

On Monday, May 25, Kewaskum firemen provided mutual aid in the form of a water tanker to a fire at the Matt Metz home at 9446 St. Kilian Drive. The Kohlsville, Campbellsport and West Bend Departments also assisted.

Alma Edwards Surprised on 80th Birthday

On Sunday, May 31st, as Doc and Alma Edwards sat in St. Lucas Lutheran Church awaiting service time, various family members began to come in to be seated in front of them. Soon Mrs. Edwards turned to Doc and whispered a question. "Where are we to feed them?" Doc then told her it was arranged for all to go to Barth's Linden Inn, for brunch.

About seventy relatives were seated as Pastor Paul Hoenecke spoke a heart warming grace to God, honoring Alma too for all her good deeds in life.

The meal was excellent, not a single complaint, and everyone came to celebrate Alma's 80th birthday and thank her before leaving for their home.

Dr. Edwards' sister, Leah Greenwood, and her son Tom and his wife Vera, from Harrisburg, SD, also arrived on Saturday for a surprise visit and returned home on Tuesday.

Village of Kewaskum NEWS NOTES

Making Use of Your Yard Waste

Third is a Series of Three

Compost production does not always have to follow the conventional method of allowing a pile to decompose for a full year. There are other procedures which can produce the compost in a few weeks to a few months. These non-conventional methods will also save space by allowing the decomposition to occur either in a trash can or plastic bag.

Using earthworms is one such means of producing fast compost. This system requires one or more trash cans and earthworms. The best are red worms commonly sold as fish bait.

To fill the can, begin with three or four inches of garden soil on the bottom, then two inches of kitchen garbage followed by a cup of bone meal. On top add two inches of leaves, hay, or straw followed by a two-inch layer of manure. If manure is not available, grass clippings may be substituted. Manure or grass clippings serve as the nitrogen supply. Next, put on two inches of soil with some worms. Repeat this layering until the can is full. To start one can, you need between 500 (½ pound) and 1,000 worms.

It is important that the cans be aerated in the bottom, sides and lid. This may be done by pushing a pencil or nail. During rain, cover the can with plastic. Excess water will suffocate the worms and stop decomposition.

Generally, the compost will be ready for use after 8-12 weeks. To separate the compost and worms, expose it to light. The worms will retreat to the center of the pile to avoid the light. Remove the worm-free compost from the top and sides. Continue removing dewormed compost until all that remains is worms and a small amount of compost.

Leaves may be turned into useful compost after a few months. Instead of throwing them out with the trash, place the leaves in plastic bags along with water and a shovel of

manure or some grass clippings. When adding water, just moisten. Do not soak. Seal the bags and store outside until the material is well decomposed. Composted leaves make an excellent substitute for manure.

Both of these methods offer easy and odorless alternatives to conventional composting.

'Festival of Angels' Scheduled at West Bend

Holy Angels Parish will kick off its annual Summer "Festival of Angels" on Friday, June 12th at 5:00 p.m. on its church grounds at 8th Avenue and Hickory Street in West Bend.

The three day celebration begins Friday with bingo, games, rides, food and refreshments with music at 7:30 by the 50's and 60's group "Class of '62." Music on Saturday afternoon features Gary Cross and at 8 p.m. it's the Country-Rock sound of Whiskey River.

Sunday will include a home-style roast beef dinner served from 11:30 a.m. to 2 p.m., featuring wonderfully delicious home-made desserts. Dinner is \$4.75 for adults, \$2.75 for children 6 to 12 and free for children 5 and under. Music all afternoon by the Rainbow Valley Dutchman.

Planned activities include bingo, games, rides, a dunk tank, bakery, arts and crafts, an ice cream social and more. The public is invited to enjoy the "Festival of Angels," June 12-13-14, at Holy Angels Parish in West Bend.

Salem UCC to Honor Pastor Staskal's 25th Anniversary

June 7, 1987 is Pentecost — the historical birthday of the Christian Church nearly 2,000 years ago. It is also one of the dates that Salem United Church of Christ at Wayne has selected to observe the 130th anniversary of that congregation.

At the 9:00 a.m. worship, the Rev. Louis Grossen, Director of Church Relations at Lakeland College, Sheboygan, will be guest speaker. Special music will be provided by Donald Stettler as soloist.

Following worship, a special

program will be held to honor their pastor's 25th anniversary of his ordination. The Rev. Dr. Milton Staskal has been the pastor of Salem UCC since January 1, 1985. Greetings and special music will be presented by people from former congregations. The public is invited.

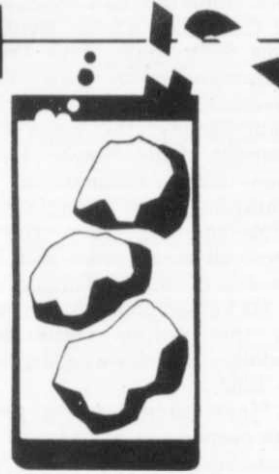

The festivities will conclude with brunch.

Salem UCC at Wayne is located at Washington County Highways H & W 5-29-2t

Former Resident, Police Chief Carl F. Mayer Dies

Carl F. Mayer, of West Bend, died Thursday, May 28, at Elmbrook Memorial Hospital, Brookfield, at the age of 66.

He was born Oct. 16, 1920, in Kewaskum, and married Audrey Sepersky May 15, 1946, at Holy Trinity Catholic Church, Kewaskum.

He had been in law enforcement for 30 years, serving as a juvenile officer in West Bend, and at the time of his retirement in 1979, was the West Bend Chief of Police.

He was a member of the West Bend Police and Fire Commission, member and commander of the VFW Adrian Neubauer Post 8658, past Sixth District Commander of the VFW, member of the St. Vincent de Paul Society, the Serra Club, founder of the Kettle Moraine Gun Club, member of the Campbellsport Sportsman's Club and the NRA. He had received many state and local awards for marksmanship.

He helped plan the gun range in the Police Department building, which was constructed in 1966.

Mayer taught young people the proper use of firearms. He was recognized by the NRA for training more than 1,000 young people in the use of firearms.

Survivors include his wife; two daughters, Kristine Deiss and Mary (Kevin) Gumm, both of West Bend; five grandchildren, Jessi, Heather and Heida Deiss, Katelyn and Alyssa Gumm, all of West Bend; a sister, Mary Jane (Alan) Hermans of Milwaukee; and other relatives and friends.

Preceding him in death were a son, Stephen, a sister and a brother.

Funeral services were Monday, June 1, at 10 a.m. from the Myrhum Funeral Home, West Bend, with Mass of Christian Burial at 10:30 a.m. at St. Mary's Immaculate Conception Church, West Bend. Celebrants were Fr. Charles Wester, Fr. John Furtmann, Fr. Carl Wahlen and Fr. Jerome Rinzel and burial was in St. Mary's Cemetery.

Law enforcement officers from the area and members of the Veterans of Foreign Wars participated in the honor guard at St. Mary's Immaculate Conception Church.

Memorials to the American Cancer Society, Washington County Chapter, appreciated.

TILLIE HALL

Tillie Hall, 95, formerly of Mill St., Campbellsport, died Tuesday, May 26, 1987 at Hope Nursing Home, Lomira.

She was born Feb. 23, 1892, at Lomira, to William and Barbara Weber Berg. On April 12, 1920, she married Michael B. Hall at St. Martin's Church, Ashford. He died May 9, 1968.

Mrs. Hall was a member of St. Matthew's Church, Campbellsport, and the Christian

Mothers and Altar Society.

Survivors include three sons: Bernard (Barney) J. (June), Leo (Lonie), and Gerald (Elaine), all of Campbellsport; two daughters: Mrs. Agnes (Roland) Baumann and Mrs. Marie (David) Duley, both of Campbellsport; 28 grandchildren; and 34 great-grandchildren. She was preceded in death by two brothers, five sisters and one granddaughter.

Visitation was held at Twohig Funeral Home, Campbellsport, after 4 p.m. on Friday, May 29. Funeral services were held Friday evening at 7:30 at the Funeral Home, and at 8:00 at St. Matthew's Catholic Church. The Rev. Gerald Schmitz officiated. Burial was Saturday morning in St. Matthew's Cemetery.

RALPH 'KELLY' KRAMER

Ralph (Kelly) Kramer, 63, of 910 2nd St., Kiel, a well-known vocational agriculture educator and Future Farmers of America advisor in the Kiel public school system for more than 35 years, died Thursday, April 23, 1987 at Calumet Memorial Hospital, Chilton.

Mr. Kramer suffered an apparent heart attack at his home.

He was born Aug. 25, 1923, at Kewaskum, son of the late Edwin and Hortense Goche Krautkramer.

Mr. Kramer was a 1941 graduate of Kewaskum High School. In 1948, he received a bachelor of science degree in agricultural education from the UW-Platteville. He received a master's degree from the UW-Madison.

On July 19, 1947, he married Colleen Ann Crogan at West Bend.

He taught at Kiel High School for 35½ years retiring in 1983.

He was on the board of directors at the State Bank of Kiel for 20 years, the past five years as chairman.

He was a veteran of the U.S. Marine Corps during World War II, serving in the South Pacific.

Mr. Kramer was a member of the Presbyterian Church, Kiel; Kiel Kiwanis Club; Kiel Masonic Lodge 336 F and AM; Kiel Veterans of Foreign Wars; Kiel Historical Society; Kiel Future Farmers of America Alumni; Wisconsin Association of Vocational Ag Instructors; scoutmaster of a Kiel Boy Scout unit; and a member of the Kiel Park and Planning Commission.

Known as "Kelly" to a multitude of friends and acquaintances, he espoused, "Every student must be handled as an individual. You can't teach all in the same way, for people don't all learn the same way."

Mr. Kramer often said his biggest thrill in teaching

agriculture was that "you never know what kind of job you've done until you see the finished product doing a good job in professional farming."

He believed that in teaching agriculture, the teacher actually was teaching for the next generation, for change is very slow in agriculture. Mr. Kramer was proud of the fact 178 of his former students were actively engaged in farming when he retired from teaching in 1983.

In addition to his student program at Kiel High School, Mr. Kramer inaugurated an adult farmer night school program in January 1948. Classes were designed to help farmers solve specific problems and to adopt or to improve existing practices on their farms. He continued teaching the program until his retirement.

He is survived by his wife, Colleen; two sons, Jeffrey of Milwaukee, and Bradley of Madison; five grandchildren; three sisters, Mrs. Eleanor Lange of West Bend, Mrs. Jeanette Reberdy of Florida, and Mrs. Evelyn Rauch of Phelps.

A brother preceded him in death.

Funeral services were held at 1:30 p.m. on Saturday, April 25, 1987, at Presbyterian Church, Kiel. The Rev. Lynn Davis, pastor, and the Rev. John Baumann, pastor of St. Peter United Church of Christ, Kiel, co-officiated. Burial was in Kiel Cemetery.

Friends called at Meiselwitz Funeral Home, Kiel, from 4 to 9 Friday, April 24, and from 9 to 11 a.m. Saturday, April 25, and at the church on Saturday from noon until the time of services.

A Masonic memorial service was held at 7 Friday at the funeral home, followed by a Veteran of Foreign Wars memorial service.

A memorial fund has been established for the Ralph "Kelly" Kramer scholarship fund.

EVELYN INGLI NELSON

Prairie Seeded At Cedar Valley In Town of Wayne

Recently, varieties of native Wisconsin prairie seed was sown on the new Cedar Valley Retreat Campus in the Town of Wayne.

The newly formed prairie east of Kohlsville. D (just east of the paved track going around "Cow Slip" Park.

Spiller explained it will take several years for the prairie to reach its full beauty because germinate and to reach flowering maturity. Once the plants are mature the site will be a sea of color, Spiller tells.

The prairie is located west of the new carriage house pole building recently constructed. Both the prairie and carriage house were made possible thanks to donors.

The Cedar Valley Retreat Campus is a part of the non-profit Benevolent Corporation of the Cedar Lake Home Tri-Campus.

Scouts Busy With Activities

During the month of April the Cub Scouts were busy putting together their regatta boats for the big race which was held on Saturday, May 2, at River Hill Park. The boys used their own hot air to move the boats down the waterway. First place to Tony Bunkelman; 2nd place, Paul Neuman; 3rd place Jeff Rinzel.

In May the Cubs were busy making Mother's Day gifts and

finishing up projects for badges before year end, but some scouts did find time to take a trip to Rocky Rococo for a pizza party.

May 16th and 17th the Webelo scouts went to Pathways at Camp Rokolio. They set up their own camp and did their own cooking. They participated in events such as Fire Building, Rifle Range, Archery and even

had a Scavenger Hunt. The scouts took second place in the fire building. The ceremony at night included the Order of the Arrow Indian dancers. This camp was the final outing for the cub scouts before moving on to Boy Scouts.

There were six Webelo scouts that earned all of the activity pins for the rank of Webelo Scout.

71 Students Receive Associate Degrees at UW Center-Fond du Lac

Seventy-one University of Wisconsin Center-Fond du Lac students received Associate Degrees at the Honors and Commencement program held Sunday, May 17, in the Student Center. Michael Nofz, assistant professor of sociology, gave recognition to the candidates, and Dr. Willard Henken, dean presented the degrees to the students.

The Honorable Scott McCallum, Lieutenant Governor of the State of Wisconsin, spoke to the students on continuing their education. "Retraining is the key to the future," he commented. "Those who are educated will find the jobs. Those who are not will add to the roles of the unemployed."

Donald Dennis, associate professor of history, recognized the three honors students who completed a minimum of sixty credits at the UW Center - Fond

du Lac. Diane Gilgenbach (Fond du Lac), received Highest Honors with a grade point average between 3.8 and 4.0. Tracy Soter (Fond du Lac) and Lynn Bertram (Malone) received High Honors for achieving a grade point average between 3.60 and 3.79.

Students were given awards for outstanding achievement in their areas. Karen Steffes (Mt. Calvary) was awarded the Natural Science Award. The recipient of the Drama Award was Thomas Homburg (Fond du Lac).

Six Madrigal Dinner Talent-ship awards for \$300 each were awarded to Ann Bastian (Fond du Lac), Andrew Caine (Fond du Lac), Robin Giles (Fond du Lac), Sarah Gilles (Oakfield) and Kim St. Lawrence (N. Fond du Lac). These individuals performed or assisted in the Madrigal Dinner in addition to other fine arts events at the

campus and will attend UWC-Fond du Lac next year.

Francis Roden and Fred Miller, Kewaskum High School's track entrants, who qualified at the Whitefish Bay district meet recently, ran in the 100 yard and 220 yard dash events for Class C schools at the 42nd annual state high school track and field meet at Camp Randall, Madison, last Saturday. The local school is indeed proud of the accomplishments of these young men. Roden won the 100 yard dash event in record-tying time — 10.2 seconds. Miller ran fifth in the 220, which is also a fine performance, considering that there were 27 schools entered in this class. The 100-yard dash record of 10.2

seconds has stood for 17 years. Roden's running to tie this mark in the state meet gives the school high expectations and a good prospect for the future. Francis is a junior.

Those students on the high school honor having an A or B for their yearly average are the following: Annette Beilke, Alice Koepsel, Kathleen Schaefer, Ralph Marx, Dorothy Becker, Ruth Mary Fleischmann, Viola Hawig, Marcella Heisler, Jeanette Krautkramer, Jeanette Werner, Harold Bartelt, Eleanor Bartelt, Patricia Buss, Audrey Koepke, Anita Mertz and Margaret Muench.

On Wednesday morning the official "K's" were awarded to the high school athletes and the forensic representatives. Athletic awards were presented to the following: Ralph Marx, Willard Prost, Clarence Werner, Walter Werner, Fred Dorn, Fred Miller, Louis Bath, Harold Bartelt, Byron Bunkelmann, Paul Kral, Harold Prost and Francis Roden. Forensic "K's" were presented to Annabelle Grotenhuis, Audrey Koch, Mona Mertes and Dolores Backhaus.

Those pupils of the local high school who were neither absent nor tardy throughout the entire school

year are as follows: Louis Bath, Claudia Beisbier, Violet Eberle, Alice Koepsel, Eunice Manthei, Ralph Marx, Delbert Petermann, Betty Jane Petri, Francis Roden, William Roehrdanz, Ruth Schleif and Marlin Schneider.

The eighth grade graduates of the public school were presented their diplomas during the high school commencement exercises. The twelve who received diplomas in this class were: Belinda Backhaus, Ida Backhaus, Irene Backhaus, Roger Bilgo, Harold Bunkelmann, Alfred Holzmann, Lorraine Honeck, Ruth Gruetzmacher, Jeanne Strupp, James Strupp, Shirley Manthei and Mary Kleinschay.

The eighth grade graduates of Holy Trinity School received their diplomas following a high mass in their honor Friday morning by the pastor. The class this year includes six graduates: Donald Seil, Robert Smith, Roselin Smith, Beulah Hirsig, Imelda Simon and Phyllis Horn.

The New Fane School closed Thursday with a picnic at the West Bend City Park. One pupil, Herman Wade, graduated from the eighth grade. Audrey Ehnert,

Byrdell and Vernon Firks and Harold Backhaus had perfect attendance for the entire year.

Holy Trinity Church, Kewaskum, was the scene of a June 1st wedding, when Miss Eleanor Koenen, daughter of William Koenen, Kewaskum, became the bride of Henry Pastors, son of Mr. and Mrs. John Pastors of Barton.

Aloysius Volm, better known here as "Wesey," a progressive merchant of Johnsonburg, formerly employed at the local IGA store, and Miss Alice Bremser, daughter of Mr. and Mrs. John Bremser of St. Michaels, were united in matrimony on May 31st at St. Michael's Church, St. Michaels.

Miss Lillian Schubert, daughter of Mr. and Mrs. Louis Schubert, West Bend Rural Route, and Fred B. Schultz, son of Mrs. Louis Spindler of Kewaskum became man and wife at a wedding ceremony in the new Cedar Lake Church on May 29th.

A baby girl was born to Mr. and Mrs. Walter Schneider of Milwaukee on June 3. Mrs. Schneider is remembered in Kewaskum as the former Frances Zeimet.

Present \$30,850 In Scholarships And Departmental Awards at UWWC

Thirty-four students from 14 communities received a record \$30,850 in scholarships and departmental awards May 22 at the annual Honors Convocation of the UW Center-Washington County.

More than 300 people attended the ceremonies which also honored 67 students who earned associate degrees and certificates of arts and sciences for successfully completing their first two years of college.

During the convocation, the fifth annual Rolfs Foundations Teaching Award was presented to Dr. Eric Kraemer of West Bend, associate professor of philosophy.

Prior to the presentation of awards, students were cautioned against becoming part of Wisconsin's "brain-drain generation." Dr. Eugene P. Rtani of Madison, vice president of academic affairs for the UW System, said, "Many of the state's most highly educated people are going to live elsewhere."

He predicted that new UW research and development efforts would help reverse the trend by providing jobs and by enhancing "the exciting, forward-looking life" available in the state.

Trani called upon students to see education as a life-long task, citing researchers' findings that "the bulk of the information you learn in school will be obsolete in 10 years."

This year's scholarships were increased by three new programs aimed at encouraging UWWC students to complete their first two years of college in West Bend. The programs, which will provide a total of \$14,500 to six students over the next two years, are the Norman A. Schowalter Scholarship, two Rolfs Foundations Scholarships and three West Bend Mutual Insurance Scholarships.

Nineteen men and 15 women received scholarships and awards. The student winners are from Campbellsport, Hartgate, Germantown, Grafton, Jackson, Kewaskum, Neosho, Port Washington, Richfield, Rubicon, Slinger, Theresa and West Bend.

The 26 scholarship winners, along with the faculty and com-

munity presentors of their awards, are:

-Paul Bales Memorial Scholarship, \$300, to Duane Wolf of 2734 Powder Hill Road, Slinger, by Dr. Sami Saad, professor of biological sciences.

-Mr. and Mrs. James R. Brown Drama Scholarship, \$150 each, to Dacia Arritola of 1191 S. Highway 83, Hartford, and Michele Luckovich of 527 Scenic Drive, E., West Bend, presented by Albert Asch, associate professor of music.

-Mr. and Mrs. James Brown Music Scholarships, \$150 each, to Scott Russell of 5628 W. Scenic Drive, West Bend, and Rose Schwendimann of 5950 Clover Road, Hartford, presented by Albert Asch, associate professor of music.

-Judith A. Clark Memorial Scholarship, \$200, to Elaine Velez of 113 Apostle Court, Neosho, presented by Dr. Margaret Cleek, associate professor of psychology.

-Kirk D. Currie Memorial Journalism Scholarship, \$100, to Paul Steinbach of 10161 Poplar St., West Bend, by Doreen Krueger, lecturer in German.

-Kenneth G. Marsden Scholarships, two \$750 per semester awards — renewable for up to three additional semesters, to Thomas Uelmen of 265 Ladwig, Campbellsport, and Quirin Klink of Box 151, Highway P., Rubicon, presented by Clifford A. Nelson of West Bend, trustee of the Kenneth G. Marsden Foundation.

-Phi Theta Kappa Scholarships, three \$300 awards, to Renee Leiknes of 611 Redwood St., West Bend; Ricky Steiner of 8677 Kettleview Drive, Kewaskum; and Todd Carlson of N109 W15744 Prophet, Germantown, presented by Michael Murphy, director of UWWC student services.

-UW-Rolfs Foundations Scholarships, two \$750 per semester awards — renewable for one additional semester, to students returning to UWWC for their sophomore year: Jay Pongracic of 2379 Hillside Road, Richfield, and Annette Schmitt of 4385 Elmwood Road, Colgate, presented by Arthur Hoberg of West Bend, senior vice

president - finance, Amity Leather Products Company.

-Scholar Athlete Award, \$200 from the Wisconsin Collegiate Conference, to Kenneth Mantz of N170 W20598 Parkview Drive, Jackson, presented by Thomas Brigham, associate professor of physical education.

-Norman A. Schowalter Scholarship, \$1,000 per semester renewable for up to three additional semesters to a student transferring to a four-year campus after two years at UWWC, to Carl Nehm of 5595 Highway 144 S., West Bend, presented by Henry Schowalter of West Bend, trustee of Community Trust.

-Patrick Thomas Memorial Scholarship, \$250, to a student whose name is withheld by his request, presented by Carol Coakley, instructor of English.

-UW-Madison Alumni Scholarship, \$1,300 to a student transferring to UW-Madison for the 1987-88 school year, to Duane Wolf of 2734 Powder Hill Road, Slinger, presented by Marge Pok of West Bend, president of the UW-Madison Alumni-West Bend Chapter.

-Washington County Campus Foundation, five \$1,300 per year scholarships, to students returning to UWWC - Peggy Baumgartner of 1280 Wayne Road, No. 204, West Bend; Duwayne Verch, Jr., of 8275 Sandy Ridge Road, Kewaskum; Leah Kuphal of 9080 Highway W., Campbellsport; Keith Kriewaldt of 1616 Wisconsin Ave., Grafton; and Sherre Klumb of 4446 Pleasant Hollow, Jackson; presented by James Bowerman of West Bend, president of the Washington County Campus Foundation.

-West Bend Mutual Insurance Company, three scholarships to students with declared majors in business, economics or computer science: a \$1,250 per semester scholarship - renewable for up to three additional semesters, for a student transferring to complete work on a degree after two years at UWWC, to Todd Neuville of 532 S. 18th, West Bend; and two

\$625 scholarships, each renewable for an additional semester, for students returning to UWWC for their sophomore year, to Susan Maki of 4139 Ridge Road, Kewaskum; and Holly Dogs of Route 1, Box 172, Theresa, presented by John Dedrick of West Bend, president of West Bend Mutual Insurance.

-The eight shares in six departmental awards, provided by the Washington County Campus Foundation, are:

-Business, to Dan Heider of 1254 Park Ave., West Bend, and a second student whose name is withheld by request, presented by Sarada Prasad, assistant professor of business.

-Chemistry, to Debbie Unger of 2035 Hemlock Street, West Bend, presented by Fengchi Chen, lecturer in chemistry.

-Communications arts, to Michelle Nigh of 355 North Ave., Kewaskum, presented by Albert Asch, associate professor of music;

-English, to Todd Laing of 2113 Barton Ave., No. 3, West Bend, presented by Dr. Susan Brodie, assistant professor of English.

-Music, to Gary Schoenhaar of 1522 N. 10th Ave., West Bend, and to Victor Sese of 808 Pleasantwood Drive, Kewaskum, presented by Peter Ayer, associate professor of music.

-Philosophy, to Quirin Klink of Box 151, Highway P. Rubicon, presented by Dr. Eric Kraemer, professor of philosophy.

they receive conference information.

Panzer said the conference, as well as the pre-conference activities, provide "a good opportunity for area residents involved in small business to be heard in efforts to assure the future growth and vitality of small businesses."

The statewide conference will be held in Madison on November 9-10, but Panzer said she was encouraging area owners and operators to become involved in the pre-conference activities.

"In reviewing the conference plans," Panzer said, "it is a clearly stated goal that we want a wide cross-section of small business interests represented at the conference. We want the Main Street merchant, farmers, small manufacturers and anyone who is self-employed to be involved in the conference."

She added that the conference planners are mailing thousands of pieces of literature about the conference throughout the state, but "it is my goal to see that anyone who wants to be involved or know more about the conference plans receives the mailings."

Panzer noted, for example, that a mailing announcing 16 regional conferences in the early fall will be sent out within the next six weeks.

Panzer said anyone wanting to receive information can contact her office and their name will be forwarded to the office of Lt. Governor Scott McCallum, who is serving as chair for the state's small business initiative.

Washington, Ozaukee, Waukesha County Farmers Invited to Run for County Committee Position

West Bend, May 21, 1987 Eligible farmers in Washington, Ozaukee, Waukesha County are invited to become nominees for the Farmers Home Administration (FmHA) County Committee, FmHA County Supervisor Robert J. Pinney has announced. The Washington, Ozaukee, Waukesha county committee awaits the FmHA county office in determining the eligibility of applicants for certain types of FmHA loans.

This notice is issued to inform eligible voters of the right to nominate candidates by petition. Copies of the petition and instructions on its completion can be obtained from your local FmHA office.

Persons nominated should be currently engaged in the operation of a farm, have their principal farming operation within the county or area in which activities of the county or area committee are carried out, derive the principal part of their income from farming (that is more than 50% of their gross income), be a citizen of the United States or an alien lawfully admitted to the United States for permanent residence, not have an FmHA insured or guaranteed loan, and be well qualified for committee work.

One member will be elected to serve a three year term. Nominations must be received in the West Bend County Office, 2361 W. Washington Street, P.O. Box 279, West Bend WI 53095, no later than June 10, 1987.

Additional information and application forms for those who are interested in becoming nominees for the county

committee are available at the West Bend County Office. FmHA committee elections are open to all eligible voters without regard to race, color, religion, national origin, age, political affiliation, marital status, sex, and/or handicap.

Agricultural Conservation Program Signup at ASCS

A two week signup, June 1st thru June 12th, will be held for the Agricultural Conservation Program, according to Allen Peil, Chairperson of the Washington County Committee.

The ACP is an incentive program which offers cost-sharing to encourage farmers to install conservation practices. All requests filed prior to and during the signup will be screened by the ASC Committee after the signup. With a limited allocation, the committee will approve practices with the highest priority. This means saving the most soil for each dollar spent.

Practices offered in Washington County include permanent cover establishment, stripcropping, terraces, diversions, contour farming, no till systems, water control structures, stream protection, sod waterways, animals waste control and forestry. Practices selected will be referred to Soil Conservation Service. Once approved, the farmer must install practices according to SCS' specifications.

BASEBALL CARDS

May 26th marked the start of another season of Milwaukee Brewer Baseball Card distribution through the Washington County Sheriff's Department.

Sheriff Clarence A. Schwartz announced that Deputies began handing the cards out after Memorial Day. "The baseball cards act as an incentive for the kids to get to know the officers. They learn the officers are human beings, not merely symbols of "authority" that must be feared.

The Sheriff indicated the cards would be distributed at the rate of two players per week and feature the entire Milwaukee Brewer Baseball Club. Youngsters may flag down squads that pass by and ask the Deputies for the cards.

"We do ask parents to instruct their children not to run into the road, for obvious reasons. Also, children should not rush to an officer who is on foot unless the officer invites them over, just in case the officer is involved in an investi-

gation or other activity that could present a danger," the Sheriff remarked.

The baseball cards were purchased through donations from area business places. It is the only program for which the Sheriff's Department solicits or invites donations.

Partners in Caring Banquet at Cedar Ridge

The Cedar Lake Home Campus Foundation honored its Partners in Caring society members with its annual appreciation banquet held in May.

The Cedar Lake Home Campus Foundation sponsors the annual Partners in Caring fund drive each fall to enable the continuation and advancement of quality care at the Cedar Lake Home Tri-Campus. This year's goal of \$200,000 was surpassed with \$215,805 pledged and collected.

Foundation president, Paul Bast, Jackson, thanked the society members helping to financially assure that the quality care will continue to be given to the Cedar Lake Home Tri-Campus Residents addressing their medical, nutritional, emotional, recreational, spiritual, educational and social needs.

UW-Extension Offers Computerized Message System for Gardeners

During the 1987 gardening season, residents in several southeastern Wisconsin counties will have a new, easy way to get information on gardening, landscaping, plants, and food preservation.

A computer-based information system, called InfoSource is available now through December as part of a University of Wisconsin - Extension demonstration project. This telephone service will allow users to choose among hundreds of informational topics. To access the InfoSource, call 257-5359.

The system allows consumers with touch-tone telephones in Milwaukee, Dane, Waukesha, Kenosha, Racine and parts of Washington and Ozaukee counties to call any of 135

gardening and food preservation messages 24 hours a day. UW-Extension faculty prepare the message which are based on research information.

The messages average two to four minutes in length and are stored in microcomputers. Users with touch-tone telephones can retrieve the messages by pressing selected buttons on their telephones. Consumers with rotary telephones who call the service can listen to a more limited number of seasonal messages.

Brochures listing all InfoSource message titles are available at the Washington County UW-Extension office, 338-4480, 342-2929, or 644-5204.

WIAA to Increase Fees for Sports, Make Other Changes

WIAA member schools will pay \$10 more per sport as part of their dues and fees in the 1987-88 school year.

The increase — first in six years — will mean schools will pay \$35 (instead of \$25) for each sport sponsored. Membership dues of \$100 for Class A schools, \$75 for Class B and \$50 for Class C will remain unchanged.

The Board of Control took the action at its regular May Meeting in Stevens Point at which time the Board also —

a. Decided to wait until the 1988-89 school year to implement the new weight classes in wrestling — 13 divisions instead of the present 12.

b. Awarded the television contract for 1987-88 1988-89 and 1989-90 State Basketball Tournaments (all games for boys and championship games for girls) to the Wisconsin Television Network of Madison for rights fees of \$110,000, \$115,000 and \$120,000 in each respective year.

c. Formalized a change in

conference alignment, effective with the 1989-90 school year, which moves Fond du Lac from the Fox River Valley to the Fox Valley Association in all sports except football. (Note: The present FRV and FVA alignments will continue unchanged in football).

d. Tentatively approved the request of the Blackhawk Conference to accept Martin Luther Prep of Prairie du Chien as a member in track & field next spring (1988) and in all sports in 1988-89. (Note: Schools affected by the change have an opportunity to appeal the Board's action in the coming weeks, and a final decision will be made, probably in August or September. Martin Luther Prep

already is a member of the conference in football).

e. Adopted a new football shoe cleat rule for Grade 7-8 teams with the same requirements as for high school teams.

f. Accepted the resignation of Prin. Jerry Larson of Luck from the Advisory Council following the June meeting. (Note: Larson will be retiring from his position at Luck at the end of the school year. Class C administrators — superintendents, high school principals or assistants at those positions — who are interested in being appointed to the year remaining on Larson's term should communicate in writing to the WIAA office).

Middle School Girls' Fall Track Program

Beginning the first day of school, practice will begin for the 7th and 8th grade girls fall track and field program.

Practices will be held after school from 2:45 - 4:30 p.m., Monday through Thursday, starting on Wednesday, August 26. Parents and guardians are responsible for the transportation home of their students and are asked to be prompt about picking up their student.

Each participant must have a signed WIAA physical examination card or a signed WIAA alternate year athletic card. Medical physicals are required every other year. No student will be allowed to practice or participate in any meet until properly signed cards are turned in to the coach. These cards are available in the Middle School office.

A \$5.00 fee is charged by the district for each participant, which is paid at the Middle School office. Sweatsuits and uniforms are provided by the school.

Managers are also needed. These are students who assist the coaches by taking practice attendance, by being responsible for various supplies and equipment and by assisting at track meets.

The fall track and field season ends Tuesday, October 13, with a conference meet at Waupun.

For further information contact head coach Gail Filzen, 338-1850.

MASTITIS BACTERIA THRIVE IN MUD

By Jack Trzebiatowski
Extension Agriculture Agent

Wet periods usually found in spring and fall will contribute to an upswing in mastitis infections in Wisconsin dairy cows.

Cows allowed into muddy areas for more than an hour will lay in the mud. To mastitis-causing bacteria, mud-encrusted teats are ideal staging areas from which to invade the udder.

A clean, dry resting place for cows and heifers will help keep mastitis to a minimum. The following recommendations will help keep your cow's udders clean:

1. Keep animals out of muddy, manure-filled yards in wet weather.
2. Scrape concrete lots frequently.
3. Keep animals in the barn most of the time during wet periods.

4. Provide a well-bedded resting area. Police it frequently and add bedding often.

These recommendations will affect other management decisions as well. For example, when you keep animals in the barn during wet weather, manure will accumulate in the barn rather than in the lot. You'll have to clean the barn more frequently, and you'll need a place to spread manure when crops are growing or fields are too wet.

Short-term manure storage is the answer. It's also handy in winter when you can't enter fields due to deep snow.

One low-cost, functional system is a manure stack located at the farmstead or near the fields where manure will be spread. The stack must be

placed on a surface that will stay solid, which excludes most soils. Concrete, at \$1.50 per square foot, or macadam, at 50 cents to \$1 per square foot, will do the job. Macadam surface is asphalt. A macadam surface is built much like a road base. Crushed stone, packed into place in several layers, forms a firm surface.

Keeping animals in the barn during warm, wet weather also increases barn ventilation needs. Poor ventilation allows air temperature and humidity to rise, causing declines in milk production. Upgrade the summer ventilation system in the cow barn so you'll be able to keep cows in the barn when wet conditions prevent use of the lot. Good summer ventilation also allows farmers without shaded lots to keep their cows out of the sun on hot days.

Final Planting and Reporting Dates for Insured Crops

Plover, Wis. — The following are final planting dates and final reporting dates for insured crops in Washington County, Wisconsin, according to Jerry Van Beek, District Director for the Federal Crop Insurance Corporation (FCIC).

Corn — Final Planting Date, June 5. Final Reporting Date June 30.

Green Peas — Final Planting Date, June 5. Final Reporting Date, June 15.

Grain Sorghum and Soybeans Final Planting Date, June 10. Final Reporting Date, June 30.

Sweet Corn — Final Planting Date, June 20. Final Reporting Date, June 30.

"Acres of crops planted by the final planting date for each crop that is insured by FCIC must be reported by appropriate reporting date to receive full crop insurance coverage," says Van Beek.

"During the growing season if damage occurs, notice should be given promptly," Van Beek said.

Curzon Wins Biertzer Memorial, Markwardt Tops Sportsmen

By: Dick Jepsen

Plymouth, WI... Gregg Curzon of Bailey's Harbor had no doubt in anyone's mind Saturday night that he was the overall winner in the 3rd annual Etchie Biertzer Memorial as he won both of the 25 lap features. Curzon started on the outside pole in the first and in the last row as he was one of only eight cars to survive the curfew shortened second. In the sportsmen division it was Sheboygan's Randy Markwardt adding his name to the feature winner's list capturing their 25 lap headliner before a capacity crowd at the Sheboygan County Fairgrounds in Plymouth.

Curzon and Berth, sharing the front row, battled during the early laps of the first 25-lapper. Berth built up a six-car-lapper advantage over Curzon before the red came out on lap six when something broke on Jim Melis' mouth forcing him into the front straight concrete wall. On the restart a four car battle ensued between Berth, Curzon, Rich Wondra and Ken Bierter. Bierter took over the runner-up spot from Curzon on lap 10 as he moved to the inside as the duo exited turn two. On the move was West Bend's Frankie Heimerl as he passed Wondra for fourth on lap eleven. On the next lap using the high groove he moved to second, passing both Bierter and Curzon. He was pushing a little too hard however as he spun in turn three and dropped to tenth. The red flag came out once again on lap 16 when John Hoch stalled in turn two. On the restart Bierter running second made contact with the leader Berth in turn two as he tried to pass on the inside taking both out of contention. Inheriting the lead was Curzon with Chuck Melis and Bill Johnson III chasing. Heimerl once again made his presence felt as he moved into second on lap nineteen. Heimerl lapped away and Curzon's big lead at the finish was only two lengths behind the winner. Don Goeden passed Curzon on lap 21 for third. Melis was fourth and rounding out the top five was Tim Melis.

Fifteen of the original eighteen starters were able to take the green in the second 25 lapper with the race only going 3/4's of a lap before Dick Berth, Don Goeden and Gregg Curzon

spun in turn three and were hit by Chuck Melis. Back under green Berth took control with Terry Marten and Ken Schulz close behind. Schulz took over second from Marten on lap six, one lap before the red flag flew for the spin of Dave Deicher in the main straightaway. When racing resumed Dickie B. pulled out to a six car advantage over Schulz.

Curzon moved up to fourth on lap eight and two laps later moved into second getting by both Bill Johnson III and Ken Schulz. Don Goeden followed Curzon through to gain third. The race was halted for the third time on lap 13 when Tim Crimmings stalled coming out of the fourth turn. Curzon ducked under Berth on the restart for the lead as they exited turn two. Curzon went on to win the 20 lap curfew - shortened event over Dick Berth of Cedar Grove. Randy Tracy finished third with Johnson III fourth and Rich Wondra fifth. Curzon was the overall winner followed by Randy Tracy and Don Goeden.

In the sportsmen feature Bernie Jessen jumped out to the lead from his front row position but was quickly joined by Jeff Gierke and Randy Markwardt. The trio pulled away from the field as they diced for the top spot. On lap eleven Gierke moved to the inside of Jessen as the duo exited turn four. The two cars made contact causing Gierke to spin. As he spun his left rear tire blew sending him barrel-rolling down the main straightaway. Although the car was heavily damaged Gierke was not injured. Markwardt took command on the restart followed by Mike Akright and Dick Hed.

Mark Melger and Henry Dickmann joined the duo a couple laps later. Akright running second, blew a tire on lap eighteen forcing him out of the event. One lap later Dickmann dropped out when he lost his motor. Melger took over second with Hed and Gary Laack in hot pursuit. Hed moved past Melger for second on lap twenty but developed a mechanical problem in the Dirkse Oil Monte Carlo and dropped out of contention.

Melger managed to close in to within six lengths of the Markwardt Sales & Service

Camaro of Randy's at the finish. Drock Laack setting a new qualifying record in his Bob Werner Chevrolet Camaro earlier in the evening was third following T.J. Haferkorn in fourth and Marv Kellar fifth.

Dave Murre of Random Lake led flag-to-flag in taking home the honors in the hobby stock feature. Dave fought off Wally Beuker on the first circuit and Dave Carms the remaining laps in claiming the checkers. All semi-features were cancelled because of the 11 p.m. curfew. Etchie's wife, Harriet Bierter, presented trophies to the fast qualifier and feature winner. Tom Pfefferle escaped uninjured when he flipped his modified during the third heat. Next week spectator races will follow the regular racing program. The EWSCA modifieds travel to the Seymour Speedway next Sunday night to run a split show with the late models.

SPRINT CAR DRIVER, LEE SCHMIDT, of Kewaskum, received his first checkered flag of the '87 racing season Saturday night, May 30, by winning the heat at Impact Speedway, before the rest of the program was cancelled due to rain. Impact is a newly constructed 1/2 mile banked dirt oval at Oregon.

Athletics Lose to Honkers, 18-17, and Grafton, 6-5

The Kewaskum Athletics lost an 18-17 decision to the Horicon Honkers Friday night in Tri County league play. The loss dropped Kewaskum's Tri-County record to 0-2. The Honkers recorded 20 hits, 7 Kewaskum errors and 5 walks to overcome a 14-7 deficit.

Linden Neitzel led the Honkers, going 3 for 5 including a grand slam homer. He also picked up the victory on the mound. Terry Koth and Dave Donath provided most of the offensive punch for the Athletics. Each had 2 home runs among his 3 hits. Don Menzel had two hits.

Kewaskum's next Tri County league game is Friday, June 5th, at 7:30 against the West Bend Benders at Regner Park in West Bend. Grafton beat Kewaskum 6-5

in 10 inning on Sunday.

Kewaskum wasted a superb pitching performance by Jeff Geidel. Geidel struck out 15 and walked none. Ten Kewaskum errors handed the game to Grafton. Geidel did not allow an earned run until the bottom of the 10th when Grafton scored twice to gain the victory.

Kewaskum's Land o' Lakes record went to 2-1 as did Geidel's.

Leading the Athletics' offensive efforts were Bob Yahr with 3 hits and Tim Heberer with a solo homer. Kewaskum attempts to get on track in a Tri-County game Friday, June 5, at West Bend against the Benders.

Sunday the Athletics travel to West Bend again, this time to play the Lithias in a Land o' Lakes game.

Kleinhans on Ripon College All-Conference Baseball Team

Four Ripon College underclassmen have been named to the Northern Division All-Midwest Conference baseball team. They are junior catcher Tom Lenz, junior second-baseman Scott Koepnick, sophomore pitcher Everett Wood, and sophomore third-baseman

Tyrone Kleinhans.

Ripon won the Northern Division title with a 10-2 record, then lost to Monmouth (Illinois) in a three-game series for the conference title. Coach Bob Gillespie's Redmen finished the season with an overall 14-11 mark.

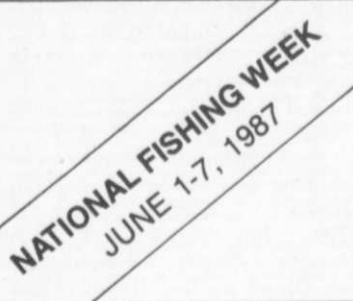

Kleinhans, son of Jim and Penny Kleinhans, Kewaskum, hit .342 for the season, including a team-leading eight doubles, one triple, four home runs, a team-leading 28 RBI's and six stolen bases. "Tyrone led the team from the cleanup spot, and had a great season," Gillespie noted.

RECORD SIZE CATFISH CAUGHT

A record size flathead catfish for Wisconsin was taken from the Fox River in Winnebago County recently by an Omro angler.

Michael J. Bellemore landed the 65-pound lunker on April 19, this year. It broke the previous record for that species by 14 ounces and was 42 inches long.

Bellemore will receive a certificate from the Bureau of Fish Management in the Department of Natural Resources later this year recognizing his record flathead catfish catch.

Dick Trickle, Wisconsin Rapids, won the second 50-lap feature at Wisconsin International Raceway at Kaukauna on Monday, May 25. He dedicated the trophy to Willie Goeden who is still hospitalized after a racing accident.

Hintz Goes On to State

By Lisa Schneider
 On Tuesday, May 26, the boys and girls track team traveled to Horicon to compete in regionals. Though there were many good efforts put in by both teams, only two people advanced to sectionals.

For the girls, senior Jenny Hintz took second place in shot put with a throw of 37'10". This was not Hintz's best throw of the season but it was good enough to advance her to sectionals.

For the boys, junior Dave Harju placed second in the triple jump with a mighty leap of 39'6". Harju also advanced to sectionals.

In the boys 400 meter relay, third place was taken which was not good enough to advance to sectionals but their time of 46.2 was good enough to break a school record.

On Thursday, May 28, sectionals were held at Elcorn.

Unfortunately, Harju took fifth place, with 39'6" which was not good enough to qualify him for state finals.

Hintz, on the other hand, took second place with a throw of 37'1 1/2" which did qualify her for state finals which will be held at 1:00 on Friday, June 5.

Muth Beats Hubbell In Tennis Sectional

By Becky Morlen
 Last Thursday, May 28, junior Craig Hubbell went to sectionals after being the only KHS tennis player to qualify. He and coach Rosenthal traveled to Beaver Dam.

Craig wound up playing the holder of the number one seed from Sheboygan North, Ken Muth. With a score of 2-6, 6-7, (7-2), Ken Muth went on to state. Finishing the season with a conference score of 10-0 and 18-3 overall, Craig Hubbell finished the season on a very high note.

Wrestling Tournament At Random Lake

The New Crossface wrestling tournament will be held Saturday, June 7, at Random Lake High School.

Weigh-in time for this take-down style tournament will be from 8 to 9 a.m.

The tournament will include two weight classes: Cadets - those born in 1971 or later, and Juniors, those born earlier than 1971 but most be currently enrolled in high school.

The entry fee is \$3.00 plus USA card which may be purchased at the door for \$15.

WEDNESDAY NIGHT TRAPSHOOTING LEAGUE

THIEMERDOME THURSDAY GOODTIME LEAGUE

BJ & Co.	3	0
Bartelt Ins.	1	1
Barrel Haus	1	1
A.M. Const.	1	1
Thornton	0	3

Highlights

The Thiemerdome theme, "rain or shine the action goes on at the Dome," once again held true as heavy thunderstorms over the supper hour failed to curtail the fast paced action at the Big Bubble.

Prior to the 1st game the playing field was very wet. The crack grounds crew consisting of the Schultz Brothers made short work of getting the diamond on A-1 condition.

Thiemerdome maintenance engineer Elton Ludwig made it very clear that the moisture on the playing field was NOT due to a malfunction in the retractable dome. Rather it was due to a build up of condensation inside the Big Bubble due to the break down of the air conditioning system. Apparently the bulk milk cooler compressors from Buss Farms were unable to pump enough juice into the air conditioning units at the Dome. Engineer Ludwig in a terse statement to the press indicated the matter will be rectified by next week's games as he plans to tap into the bulk milk cooler compressor at the Maynard Bartelt farm also. This should provide enough juice to run the heavy industrial air conditioners at the Bubble.

It would have been better for the Bartelt Boys if the game had been cancelled as BJ&Co whopped them 9-1. The General Manager from Bartelt Ins. had to lay out some Big Bucks to sign two new big stickers to the team. Namely Jeff "Rabbit" Ramel and Randy "Bronson" Koepke. However, Ramel and Big Time Ball Buster from Boltonville went hitless as did Koepke. In fact, Koepke in three prodigious swings only managed to hit three whimpy pop ups just past the pitcher. As of this writing the latest line from Las Vegas is 36-1 that Randy will hit the ball past the infield in this week's game.

Bartelt Ins. only managed 3 hits against John "1/2 barrel" Kleinke. John went from a 1/4 barrel to a 1/2 barrel over the winter. John was teasing the hitters with his split-fingered SUPER DOOPER LOOPER pitch which was arced so high at times that the ball was picking up moisture on the way down. BJ&Co. just played a fine game as the offense was paced by the Schultz Boys and Toby played a major league game at 1st base.

The 2nd game was evenly matched between Thornton's Thunderers and the Barrel Haus. Thornton's ace chucker Dennis "No Baloney" Maloney had some early control problems which was the difference in the game as Barrel Haus built up an early lead and won 7-4. Barrel Haus was led by Jeff Panzer and Derby "Methuselah" Rinas.

The Ludwig Boys from Thornton's squad had an off night both at the plate and on the bases which aided the Barrel Haus.

Indians Burned by Suns

In the Indians - Suns double-header here last Thursday, the Indians were practically scoreless as the Suns rallied to win both games 16-1 and 11-1 respectively.

The East Suns went to take an early lead in the first game as they came up with nine runs by the end of the third inning. A home run by East's Robbi Michels in the third, brought in three more to make the score 12-0, plus the help of four more hits in that inning, brought the score to 14-0.

In the bottom of the third, the Indians started to show with a hit by sophomore, Mike Heberer, to bring in their only scoring run, made by Mark Schlosser. Starting Indian

pitcher, Noel Stollenwerk, was relieved in the fourth by senior veteran Rick Krahn, who held the Suns to only two more runs, which ended the game at 16-1.

In the second game, the Suns once again started out early by scoring five runs in the first inning off pitcher Mike Heberer. The Indians, on the other hand, were kept to a no-hitter game by East's pitcher Tony Barth, until he was later replaced by Mark Munding, who gave up only two hits; one in the sixth to junior Jeff Miller and one early in the seventh to sophomore Dennis Aupperle who drove a single to bring in Hron from 3rd and score their only run. The game ended 11-1.

Kewaskum, WB East Golfers Advance to Sectional Action

West Bend East and Kewaskum secured the two top berths in the WIAA Regional golf test Wednesday at Port Washington, shooting respective totals of 318 and 332, advancing them to the sectional.

Coach Paul Nelson's Suns used a 5-over par 75 by sophomore Jeff Best, a score which was good enough to net him medalist honors in the 18 hole event at the Squires CC, and consistent scoring by the other four to claim the regional plaque.

Kewaskum had good scores from its trio of juniors. Leading the way was Gregg Dean, who scored 42-37, 79, good enough for second in the individual race.

Also Joel Fleury had a 40-40, 80, for Coach Joe Harlow, who

has now placed individuals or teams in sectional competition in each of the last seven years. "That's two in a row for him," referring to the 80 by Fleury, who shot the same score in the Eastern Wisconsin Conference Tournament last week.

A nine on one hole on the front side cost Eric Pearson a chance at breaking 80. He had to settle for 44-38, 82, and Mike Coulter rounded out Indian scoring with 45-46, 91.

Finishing behind East and Kewaskum in the team standings were host Port Washington and West, tied with 338s, followed by Ozaukee with a 354; Random Lake, 365; and Cedar Grove, 373.

The Suns, Indians and Wondergem played at Mee-Kwon Tuesday.

National Fishing Week June 1-7, 1987

hits the ball over his realty sign located in dead center field. It will be the umpire's decision if any ball clears this sign. The reward will be picked up at the VIP Lounge as Mr. Coulter has an escrow account with Richard Thiemer.
