Cites Conflict of Interest and Possibility of Indirect Financial Gain Ankerson Asks for Trapp's Resignation

By GERRY MUELLER
Statesman Staff Writer

Monday night's first in a series of bi-monthly school board meetings turned into a real hotbed of discussion when board member Ruth Schmitt motioned to delete fellow board member Perry Ankerson's requested agenda item of discussion and possible action related to the Trapp/Kleinhans lawsuit.

On a four to three vote, Schmitt, Clara Trapp, Ron Beimborn and Ralph Horner voting yes, Ankerson, Ron Theusch and Don Nowak voting no, the agenda was amended and the item deleted. Schmitt's rationale for her motion was that since the case is in litigation, the board should not become involved.

Ankerson angered by the action told the board he had no intention of discussing the merits of the case. His concern and the questions he wanted answered related to the school board and district's ethical and legal responsibilities in the matter. He said he requested Board President Ralph Horner contact the district's legal counsel to find out if it was legal to place the item on the agenda. Horner conceded it was legal however, Attorney Michael Spector felt it was a matter between Mr. Trapp and Ms.

Kleinhans.

In a brief letter Kleinhans requested that the school district pay for her legal expenses. The letter stated, "The dispute between Mr. Trapp and myself arises from my duties as District Administrator. I request the School District to pay for my legal expenses in the defense of this action." Mrs. Trapp was vocally against the request. "It was one thing after another this past year and it cost me \$750 in legal expenses" said Trapp. "Who the hell paid mine."

Because of the situation Ankerson stated, "I want to know what we should be doing as a school board." On the motion to accept the amended agenda he got up from his place at the board table stating, "I'm leaving, this is a set-up." Ankerson left the room but then returned telling the board he wanted to address a non-agenda item as a private citizen. Horner indicated he did not think Ankerson's action was proper and that his place was on the board. "Then I would address it from up there, wherever I can be received, I will so be."

When Ankerson asked Horner if he would accept (Ankerson) as a delegation to speak to the board, Horner replied, "you may speak on

agenda items." "You mean no board member can speak on a non-agenda item?" Are we now deleting that item from the agenda?" asked Ankerson. After a pause and some reluctance Horner agreed to recognize Ankerson.

On that note, Ankerson proceeded to read a three-page statement relating his concerns in the lawsuit situation. "I explained that I thought we should discuss this matter in public, take a stand on certain issues, and discuss potential problems. What is our responsibility as a school board legally and ethically? Who is responsible for the legal bills? What is the role of our attorney Mr. Spector? Are we, as a board, in any way liable because it is our employee who is being sued? What will be the financial impact on the district? How will this impact be on Penny's time? How much time will she need to spend on defending herself? What will happen if there is a counter-suit of some kind?"

Ankerson said after pondering those questions it occurred to him that the board had a much deeper and more fundamental problem, "that we as a board must address namely, we have a board member who has a severe conflict of interest."

Ankerson, reminded the board it had, including Mrs. Trapp, just approved a policy covering the board's code of ethics. "In that code it states, 'I (as a public official) must avoid all conflicts of interest, both pecuniary and non-pecuniary.'" He told the board, "be aware that the word pecuniary means monetary or relating to money." Mrs. Trapp's husband is currently suing our administrator for \$110,000. It appears to me that Mrs. Trapp definitely has a conflict of interest, and certainly has a pecuniary interest in the outcome of this lawsuit. Just

Trick or Treat Escorts Available

Parents who are unable to escort their children Trick or Treating on Saturday, Oct. 31st, take notice.

If your child or children are too young to go trick or treating without supervision there is assistance for you.

Holy Trinity CYM students will take your child Trick or Treating in Kewaskum on Saturday, Oct. 31 from 2 to 4. For more information call Mrs. Miller 626-2811.

Beechwood Rest Home Acquires Former Firehouse and Hall

Former Beechwood firehouse keys were handed over to the new owners. Left to right, Scott Rammer, Administrative Assistant, Beechwood Rest Home; Lee Rammer, Nursing Home Administrator; Delores Rammer, Owner-operator, Beechwood Rest Home; Sylvester Krahn and Floyd Klug, representing the Beechwood Fire Department. Absent were Terry Heberer and Dale Burke.

By GERRY MUELLER
Statesman Staff Writer

Delores Rammer, owner-operator of the Beechwood Rest Home, Beechwood, is happy to announce her purchase of the former Beechwood firehouse and hall. Mrs. Rammer took possession of the property on October 19th.

Rammer, who operates the rest home with her sons Lee and Scott, said the purchase served a two-fold purpose. First, the home which is expanding its facility needed the room for storage and secondly, we wanted to keep the property local owned and available to area residents for their use.

Scott Rammer, Administrative Assistant for the home, said the old firehouse and hall will continue to be available for use by organizations such as the Senior Citizens and other local groups. The hall will also be available for rent to private organizations such as snowmobile clubs and for private parties.

The Rammers said expansion of the rest home will provide larger, more comfortable rooms for its present residents. Mrs. Rammer said that she is considering future plans to convert the present residents' rooms into a section for retirement living quarters. They would be rooms for about ten or twelve individuals who no longer want or need a home or apartment but still do not need the

supervised nursing care of a nursing home setting. She noted that idea, however, is very preliminary and no definite plans have been made along that line.

The Beechwood Fire Department's representatives, Sylvester Krahn and Floyd Klug, who along with Terry Heberer and Dale Burke worked with the Rammers to arrange the purchase, said they were very pleased with the transaction and wished the Rammer family success in their new venture.

Anyone wishing to get more information about renting the hall can contact the Beechwood Rest Home, phone 626-4258.

KHS Key Club Offers Trick or Treat Service

It's trick-or-treating time again! The Kewaskum High School Key Club is offering our services to you and your children this Saturday, Oct. 31. If you would like, we will take your child (or children) trick-or-treating around Kewaskum from 2 p.m. - 4 p.m. Saturday afternoon. If you are interested in this, bring your child (or children) to the high school at around 1:45 so we can get acquainted. If there are any questions, please contact Ann-Marie Horner at 626-4396.

HAVE A HAPPY HALLOWEEN!

Drive Extended One Week

Kewaskum United Way Reaches 81% of Goal

The Kewaskum Area United Way's 1987 fund drive reached 81% of its \$32,000 goal on Monday.

President Jerry Gosa said the total currently stands at \$26,000. The big boost came this week when the returns from the Regal Ware employee drive was tabulated. The \$10,400 pledged by the Regal Ware employees was over \$1,000 more than last year! A big thank you to Carol Dreher, who coordinated the drive at Regal Ware and all the employees who donated.

While very encouraged with the progress this week, the co-chairmen of the drive, Kim Peterson and Jerry Gosa, expressed concern that the Kewaskum Area United Way fund drive needed more time to reach its \$32,000 goal prior to the official end of the drive on Tuesday, Oct. 27. Thus on Monday they decided to extend

the drive one week in order for the division captains to finish up on their calls and to make one last appeal to those who have not yet responded.

The Kewaskum Area United Way provides funds for over a dozen service oriented organizations that benefit Kewaskum area residents. All the money collected is controlled by the Kewaskum Area United Way board and benefits Kewaskum area residents. All board of directors, officers, and individual workers are volunteers that donate their time and effort to make the Kewaskum Area United Way work for all of us.

"Your contribution will be greatly appreciated by the many area residents who will benefit from your generosity," Gosa stressed.

Checks can be made payable to the Kewaskum Area United Way, and be sent to P.O. Box 197, Kewaskum, WI 53040.

Board, Administration Discuss School District Goals for Coming Year

By GERRY MUELLER

Members of the Kewaskum School Board and Administrative Staff presented ideas Monday night, which they feel should be goals to be accomplished by the school district in the coming year.

District Administrator Penny Kleinhans told the board the project of testing and identifying gifted and talented students should and must be a priority in the next few months. "This will be a major undertaking," said Kleinhans, "but it must be done to meet the Department of Public Instruction's mandated deadline of January, 1988."

Board member Ron Theusch said he would like to see the district look into having some type of summer-school program. "I don't know if there would be enough participation," said Theusch, "but I think it's one way of meeting the remedial needs of those students who are found to be needing additional help, especially those who have been identified as a result of the competency based testing program."

Theusch said he would also like to see the board work together more as a unit rather than as individuals. His concern was for members to direct their concerns or problems they have come across, to the committees who are responsible for investigating such matters, rather than bypassing them and going directly to superintendents, etc.

Theusch said he also had a goal directed strictly at the board, "to decide what our role as a board really is." "We have to understand we're not capable of making the day-to-day decisions because we are not here. We can have all the impact and input we want - through the board and through committees."

Board member Don Nowak said he would like to see the district continue updating its programs. "I'd like to see the district drop outdated courses and replace them with new programs. He indicated that he would also like to see the district's entire sports program updated at all levels, with an eye on getting more students participating rather than the same few. "Winning a game doesn't mean much to a team member if they only sit on the bench and never get to play. I

know it doesn't mean much to me."

Ron Beimborn said he would like to see more communication between the district and the public.

In other action the board approved the Finance - Transportation - Buildings and Grounds Committee's recommendation of purchasing window blinds for Farmington Elementary School at a cost of \$1,335. Money will come from the balance left in the State Trust Fund Loan, Fund 40 account. The recommendation to purchase new shades for the entire school building and blinds for three windows at Kewaskum Elementary School at a cost of \$3,130 was also approved. Principal Richard Zarling indicated the old blinds were the original ones from 1949, when the addition was built.

The purchase of a new stage curtain for the high school was approved at a cost of \$6,200. The board also approved the recommendation of Perry Koth, Athletic Director and John Nell, Wrestling Coach, to purchase a new wrestling mat at a cost of \$4,580.

The board voted down a request by High School Principal LeRoy Kopecky to purchase a computer system to handle recordkeeping of student attendance, grades and courses, for the high school.

Kopecky's request had been tabled at the last meeting because he had presented only one quote. He returned to Monday's meeting with four proposals and a recommendation to purchase an IBM Personal 2 System, less a scanner, for \$10,122.

After some questioning and discussion, the board felt the proposal for a Burroughs system, although higher priced, would be more compatible with the administration office's equipment. It was also felt, however, that to make the system function efficiently, it would be more practical to purchase the scanner also, at an added cost of \$4,200. That brought the Burroughs proposal up to approximately \$18,000.

Business Manager Cherna Gorder told the board that while there was money available to cover approximately \$13,000, the balance would have to come from reducing the district's fund equity another \$4,000. On

hearing that, board member Ruth Schmitt, who made the motion to go with the Burroughs package, for the purpose of discussion only, withdrew her motion. "If we haven't got the money to buy the whole package and install it properly," she noted, "we can't approve the request. She felt the district could not afford to lower its fund equity any further. That resulted in the board turning down Kopecky's request.

The board approved four curriculum changes for the high school. They cover Vocational Survey, PASCAL, an advanced computer language course, Physical Science, and departmental changes for some classes.

The board also approved the second readings of thirteen policy revisions as previously presented by the Policy - Legislation Committee.

Fran Charland, football coach, and Robert Schulties addressed the board about the possibility of establishing football and wrestling programs on the middle school level.

Board member Perry Ankerson requested that a written legal opinion be obtained on his rights as a

board member to have an item put on an agenda and what action he can take against those who precluded him and removed that item. He also asked that Ms. Kleinhans' request for payment of her legal fees be placed on the next agenda.

(Continued from Page 1)

Imagine for a moment that your spouse had instigated a lawsuit against our administrator and your spouse had \$110,000 to gain — wouldn't you consider yourself to have a pecuniary interest in the outcome of the case? Of course you would, and so would I."

Ankerson said he thought it was safe to say that we are now a board that has one member with a definite conflict of interest and a member who stands to gain a considerable sum of money pending the outcome of this lawsuit.

Ankerson said each of the board members must ask themselves if Mrs. Trapp has a monetary interest in this lawsuit. If they decide like he had, she does have a definite interest in the outcome. He said the board must then ask itself how it will affect her decision making and voting on issues that affect the district. Ankerson indicated he was not certain how it will affect her votes, however he could not sit there and pretend that she is unaffected by the suit. "Certainly if I recognize this conflict of interest, the public too, must be aware that Mrs. Trapp is caught between serving the people of this district and serving her own self-interest."

"Mrs. Trapp is an integral part of this board, and I don't think it is appropriate for us to sit back and conduct business as usual when we all know it is not business as usual. The people of this district deserve better from us. We can take bold action now, or we can sit back and make excuses later," stated Ankerson.

Ankerson asked the board, "What are we as a board exposing ourselves to if we just sit back and pretend nothing is happening? As you all know, many times this board votes four to three; and this is especially true on the more controversial issues. Therefore, it should be apparent to all of us on this board that Mrs. Trapp's vote is critical to the decisions that this board makes. With a conflict of interest, her vote will constantly be subjected to

public scrutiny, as will all of our decisions which are decided four to three, with Mrs. Trapp voting with the majority. Does this expose us to any public liability? I don't know; but it does expose us to some real ethical questions."

Ankerson asked his fellow board members, "So what can be done?" He said that one alternative could be that Trapp could abstain from voting. How viable that idea is was illustrated in a hypothetical example which he presented to the board. Example: "A motion is made and seconded to pay Ms. Kleinhans' legal bills in this lawsuit. The motion fails on a four to three vote, with Mrs. Trapp voting no. Now Mrs. Trapp assumes that Mrs. Trapp recognizes that on this motion she has a conflict of interest and therefore abstains when the vote is taken. Now the outcome is three to three with one abstention, and the motion still fails. So in effect, the abstention has the same effect as a 'no' vote." Ankerson told the board, "Abstaining is not a viable alternative."

Ankerson said Trapp could choose not to attend meetings or participate in the board's decision making, but the lawsuit could drag on and, "with a six-member board, the potential for tie votes would defeat the purpose of an odd number of people on this board." He said this too, was not a viable alternative. Ankerson asked then what alternatives remain.

"As a board, how can we maintain our independence and uphold our ethical responsibilities to the public? How can we reduce the uncertainty that we face financially and legally in this lawsuit? How can we again focus this board's attention on the real problems of this school district? I think that we only have one viable alternative, Mrs. Trapp should resign her seat on this board."

In concluding his comments to the board, Ankerson stated, "therefore, in the interest of the entire school district, I now ask Mrs. Trapp, 'will you resign your seat on this board?'" Trapp's reply was, "No way."

Junior Women to Sponsor Story Hour

The Kewaskum Junior Woman's Club will again be starting story hour soon for preschool children. We will run a morning session and an evening session.

The dates for the morning session are Thursdays, Nov. 12

and 19 and Dec. 3 and 10. The evening session will be on Wednesdays, Nov. 11, 18 and Dec. 2 and 9. The times are 10:15 a.m. to 11:00 a.m. and 6:30 p.m. to 7:15 p.m.

If you would like your child to

participate, please call Amy at 626-4438 to sign them up. We have limited space for both sessions so this is a first come first served basis. We sure hope to see you there!!!

The musical follows dinner on Nov. 6, 7, 8, 13 and 14. A Sunday brunch buffet is offered with shows on Nov. 8 and 15. For reservations and ticket information write Spotlight Productions, C/O Alison Leisses, 239 S. 5th Ave. No. 4, West Bend, or call 334-7541 or 375-1519.

Any church group or civic organization is invited to submit their coming events for listing in this column, however, we do ask that you keep words to a minimum. (We also appreciate your advertising these events).

November Events Scheduled at KHS

by LeRoy Kopecky, Principal

The month of November will prove to be quite a busy month. November 2 is the first day of the girls' basketball season. It's also a work day-inservice day for our teaching staff.

A multi-media program will be presented to the entire student body the afternoon of Nov. 3. The program is titled, "T.G.I.F." - Thank Goodness, It's Freedom. The intent of this program is to create an awareness of critical thinking skills and good decision-making in the students. T.G.I.F. emphasizes the importance of making responsible decisions.

Everyone is invited to our

musical, "Seven Brides for Seven Brothers" being held at Rose Hall on November 6 and 7. Tickets can be purchased at the door, from any cast member, or from the high school office.

November 9 marks the beginning of other winter sports. Seasons begin on this date for boys' basketball, gymnastics, and wrestling.

The National Honor Society will hold its annual induction on November 11. Ceremonies will be conducted in Rose Hall.

American Education Week will be celebrated nationwide November 15-20. We are setting the 18th aside as a

special day should you like to visit our school or classes.

Parent-teacher conference will be conducted the afternoon and evening of November 19th. This is an excellent time to visit with all the teachers and get a personalized update on your teen's progress in class. No appointments are necessary. Report cards will be distributed during this time.

The month is concluded on a relaxing note - Thanksgiving vacation. No school November 26 and 27.

A clever person puts his problems away for a brainy day.

Kewaskum Scouts To Collect for Local Food Pantry

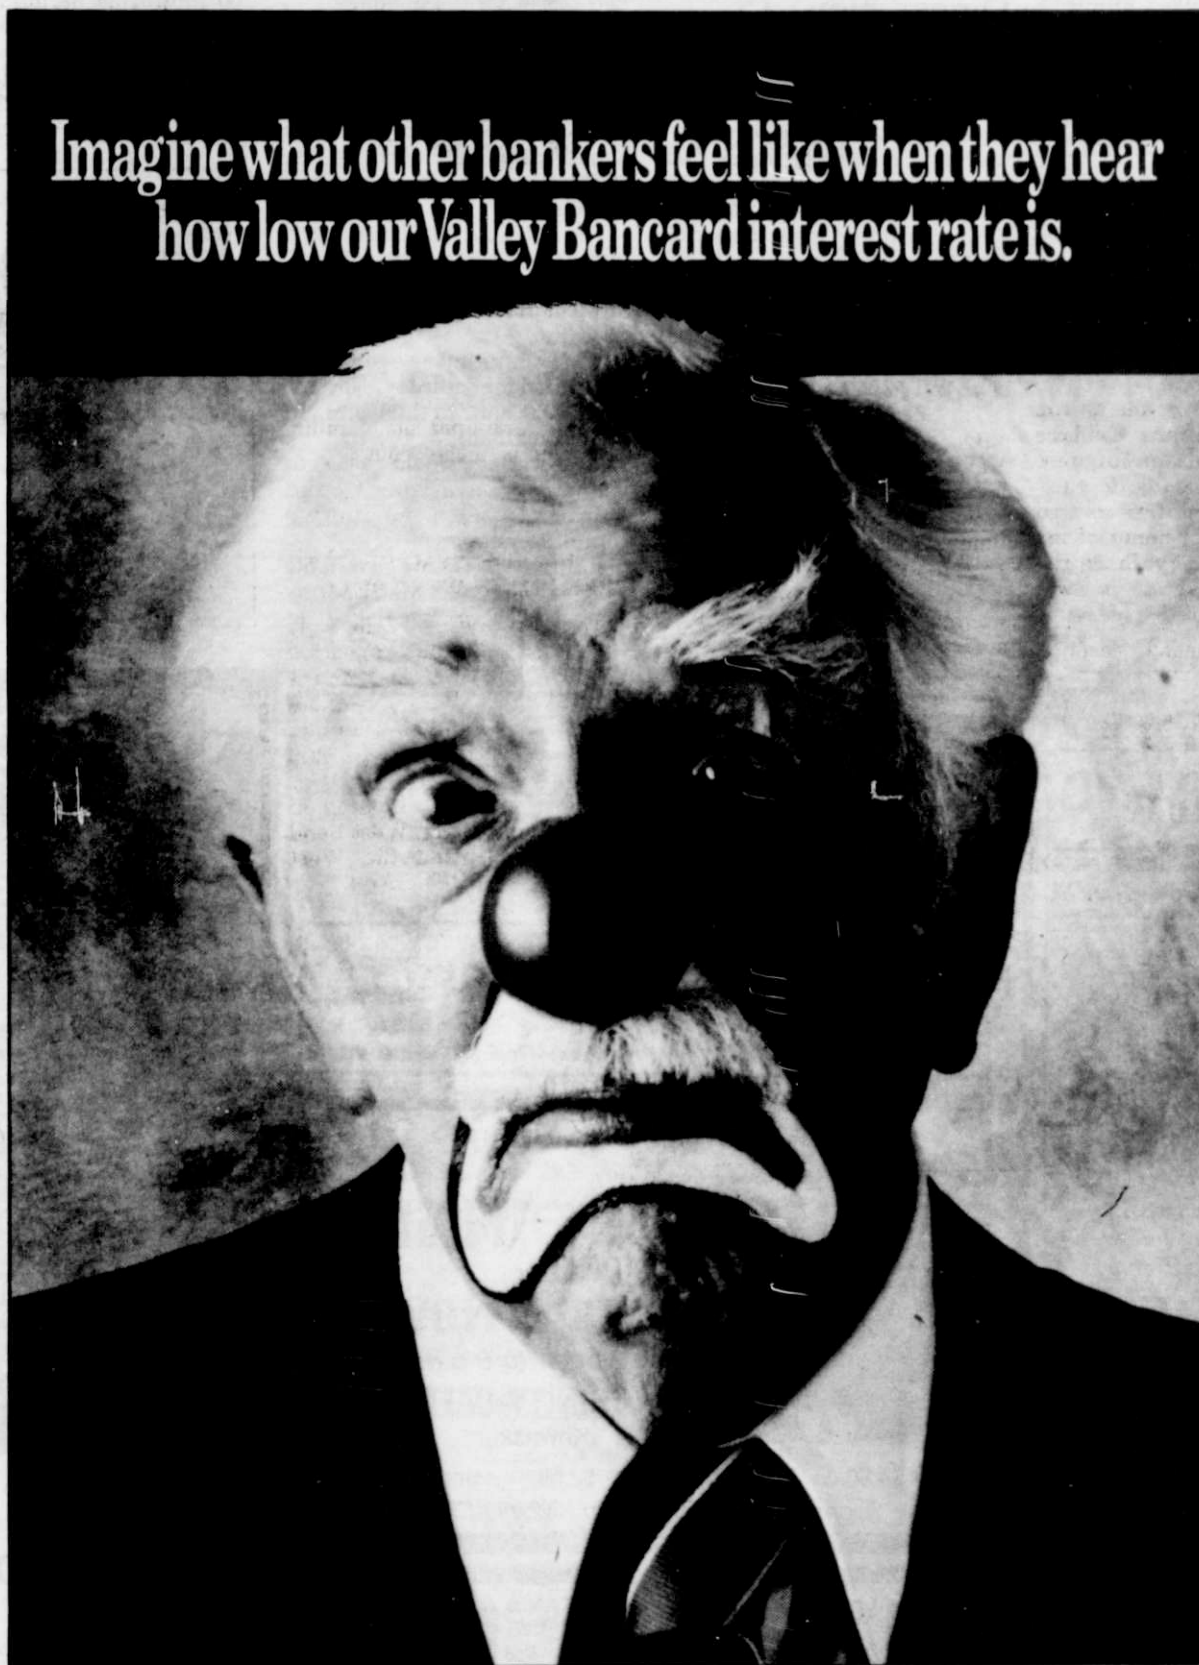

Kewaskum Boy Scouts and Cub Scouts of the District 11, Bay Lakes Council will be participating in a "GOOD TURN" program where they will be collecting non-perishable food items to be donated to our local Food Pantry.

The scouts will be delivering

bags to your doors on Saturday, November 7, and are asking that you fill the bags with non-perishable food items which the Scouts will then pick up from your doors on Saturday, November 14, at 9:00 a.m.

Remember, these food items will be donated to our local food pantry so our community will benefit. We ask that you please assist the Scouts in their effort to help the needy.

The trouble with square meals is that they make you round.

Imagine what other bankers feel like when they hear how low our Valley Bancard interest rate is.

At Valley, we charge just 16.9% annual percentage rate because we don't think your money is anything to clown around with.

If you like to charge your purchases but you hate to pay exorbitant interest on your charges, Valley Bank has the perfect MasterCard or VISA for you.

We call it our Valley Bancard. You'll call it a money saver. Because the rate of interest on our Valley Bancard is just 16.9% APR.

For a limited time only, we'll waive your first year's membership fee.

As if 16.9% interest by itself wasn't enough, right now for a limited time only, we'll waive your first year's membership fee on your Valley Bancard, either MasterCard or VISA. Which means you'll save \$15.00 before you've even used your card.

Apply today. Our special offer's good for a limited time only.

So if you're looking for a new MasterCard or VISA with a lower rate of interest plus

automatic payment plans, cash advances and more, talk to your Valley Banker today.

We'll prove to you that your money is nothing to clown around with.

Kewaskum FFA Chapter Now Taking Orders for Fruit and Cheese Sale

The Kewaskum FFA is again holding their annual fruit, cheese, and sausage sale. The prices are as follows: FRUIT: \$13.00/case for Florida navel; \$12.00/case for juice oranges; \$11.00/case for pink grapefruit; \$12.00/case for mixed (navel and grapefruit).

CHEESE: \$4.50 for 2 pounds of cheddar; \$2.25 for 1 pound of string cheese; \$1.50 for 8 oz. Squeaky Curd cheese; \$11.00 for small gift pack; \$15.50 for large gift pack.

Sausage: The summer sausage which comes from Kewaskum Frozen Foods will be sold for \$5.25 for approx. a 2 pound package. There will be plain and garlic sausage for sale.

Each of the fruit cases weighs about 40 pounds. The mixed cases are half a case of navel and half a case of grapefruit.

The fruit is of the highest quality and is shipped directly from Florida to our chapter. All of the fruit is hand inspected by our FFA members.

The cheese is from the award winning Schneiders Cheese Factory located in nearby Waldo. The small gift pack consists of 1 pound of string cheese, 1 pound of cheddar and a stick of sausage. The large gift pack consists of 2 pounds cheddar, 2 pounds assorted cheese, and a 12 oz. stick of sausage.

The fruit and cheese will arrive the first or second week

of December. When we notify you that the fruit and cheese has arrived you may start picking up your orders in the age shop. The fruit and cheese must be payed for at the time of delivery.

Phone orders can be made at the high school between 7:30 and 3:00 by calling 626-2166. All orders must be in by Wednesday, November 11.

Historical Society Dinner Nov. 15

The Kewaskum Historical Society Inc. will again hold its annual dinner meeting on Sunday, Nov. 15 at the Kewaskum Community Room, 204 First St.

Socializing will begin at 11:30 a.m. with buffet style dinner at 12:30 p.m. The price is \$7.00 per person, and is due no later than Nov. 6. Send your money to Sylvester Schmidt, 309 First Street, P.O. Box 198, Kewaskum, WI 53040.

The Pioneer Cookbooks are now available at the Antique Mall and the Regal Ware Outlet mall, both on Fond du Lac Ave., in Kewaskum, and at the Regal Ware store in the Outlet Mall in West Bend.

If you have any questions or would like to become a member please call Jake Schmidt at 338-1568 after 5 p.m. weekdays.

Holy Trinity Preparing For Annual Christmas Craft and Bake Sale

Holy Trinity Christian Mothers are busy with final preparations for their upcoming annual Christmas Craft and Bake sale.

Many hours of work are put in every year producing lovely crafted items offered for sale. Grape vine wreaths, aprons, handpainted reindeer, delightful stuffed dolls, handmade tree ornaments and appliqued children's sweat-shirts are just a few items you will find for gift giving or decorating for the holidays.

A hand quilted Irish chain pattern quilt is the featured first prize of the annual raffle. Also on the ticket are a double doll, a stuffed raccoon, a reindeer wreath, an appliqued child's sweatshirt, and straw turkey wreath.

For good old fashioned taste treats the ladies will be serving, chili, hot beef sandwiches, and scrumptious homemade desserts.

This annual event is scheduled for Saturday, Nov. 21 from 9:30 a.m. to 2:00 p.m. in the church hall.

The ladies would like to welcome everyone and appreciate the community's continued support.

Raffle tickets are available from any Christian Mother or by contacting Corrine Mlodzik at 626-4008. They are six for \$5 or \$1.00 a single ticket.

OIL PAINTINGS of flowers and birds are the favorite of artist Gladys G. Thays, Milwaukee, who will be displaying her crafts at the Junior Women's Club Annual "Kettle Country Christmas" Arts and Crafts Fair to be held at Amerahn on Sunday, November 29. Everyone is invited to attend.

AMPI-Morning Glory Farms Members Meet at Kewaskum

The dairy farmer member-owners of Associated Milk Producers Inc., Morning Glory Farms Region are conducting a series of district annual meetings this fall to update members on operations and conduct local district elections to achieve member representation.

District 4-F, consisting of Fond du Lac, Sheboygan, Washington and Ozaukee counties held its meeting:

Wednesday, Oct. 28 - 7:00 p.m., Amerahn Supper Club, Kewaskum, and Thursday, Oct. 29, 7:00 p.m., KC Hall, Fond du Lac.

Featured speaker for the meetings will be Art Vanthournout, Assistant Regional Manager, Fluid Milk Marketing.

Elections for regional board of directors, six delegates and alternates and resolutions committee member will be held.

Five milk quality awards were presented to David L. Gudex, Campbellsport; Ron and Chris Schwenck, Malone; David A. Heidel, Random Lake; William and JoAnn Maedke, Eden; and Clem Langenecker, Hartford.

Twenty-five year membership awards went to Arthur Hass, Van Dyne; Earl W. Beck, Rosendale; and Wilbur Whitby, Malone; with a 35-year award to Gerald and Irma Palmer, Oakfield.

Outstanding Young Dairy Cooperators honored include:

Kenneth and Joanne Blatz, Mt. Calvary; Gary and Doris Schladweiler, Kewaskum; and Gary and Rose Boyke, Fond du Lac.

With some 12 percent of the U.S. milk supply from its 26,000 member farm units

across 20 states, AMPI is the nation's largest dairy farmer cooperative. The Morning Glory Farms Region of the cooperative represents some 9,500 member farm units in an eight state area including Wisconsin, Michigan, Iowa, Illinois, Indiana, Ohio, Tennessee and Kentucky.

Bill & Valeria McDonald

would like to say

THANK YOU!

KHS Presents New Multi-Media Film Experience

Kewaskum High School will present a computerized multi-media/film experience entitled "T.G.I.F." in the KHS field-house at 2 p.m. Tuesday, Nov. 3.

The program, presented by Motivational Media Assemblies, features scenes from some of today's most popular motion pictures and the music of U2, Madonna, Janet Jackson, Iggy Pop, Cyndi Lauper and many more. Also included are exclusive inter-

views with Michael J. Fox and Kirk Cameron.

T.G.I.F. is designed to help young people more fully develop their critical thinking skills particularly in the area of alcohol and drug use. Understanding that good times only come from good choices is an important step in developing proper decision-making skills.

T.G.I.F. can mean "Thank Goodness, It's Freedom." Every person can gain a sense of freedom or power as he or she learns to make good decisions. Instead of making QUICK decisions and BLIND decisions, T.G.I.F. emphasizes the importance of making RESPONSIBLE decisions.

A Bit of Hawaii Comes to Kewaskum

Jeanne Goeden, center left, helped guests put their place cards together to form lovely paintings of tropical flowers.

By GERRY MUELLER
Statesman Staff Writer

Members and guests at the Kewaskum Womens Club annual fundraising luncheon held last week were treated to a touch of Hawaii as they were provided with tastes of the tropics.

Hawaiian Beach Boy Punch started off the evening, followed by appetizers called Romackies and Hawaiian Toasties. Dinner consisted of Kona Chicken, Sweet Sour Pork, Island Buttered Potatoes, Polynesian Pea Pods and Carrots. The meal concluded with Waikiki fruit-ka-bobs and sherbert with a coconut cookie.

Club vice president Jeanne Goeden served as chairman for the luncheon. Following the dinner, the members and their guests were treated to some Hawaiian entertainment provided by dancers Gretchen Van Ess and Julia Shaw of Kewaskum, and Melissa Gelder of West Bend.

Ruth Schmitt, club president and Goeden thanked all those who attended the luncheon and participated in the silent auction making the evening a financial success.

Schmitt thanked Goeden for all her time and effort in putting the luncheon together, including preparing most of the food served that evening.

ABC CLUB SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Firemen's Hall on Tuesday, Oct. 20, were: Harold Eggert, 22-2-20 net; Francis Gilboy, 16-0-16 net; Jack Beck, 16-2-14 net; Marvin Martin, 17-5-12 net; Elmer Stange, Spade Solo vs 4; Melvin Moths, Heart Solo vs 6.

Wendi Dreher, in Hawaii attire, offered punch and appetizers to guests attending the Kewaskum Woman's Club Annual Gourmet Luncheon.

Left to right: Melissa Gelder, Gretchen Van Ess and Julia Shaw provided a delightful end to the evening's activities by performing a Hawaiian dance for guests at the annual Kewaskum Woman's Club Gourmet Luncheon.

Kiwanis Recognizes Keys Officers

The Kewaskum Kiwanis Club recognized the 1987-88 Kewaskum High School Key Club officers at their dinner meeting held at the Glacier Inn on Monday, Oct. 19.

Pictured, left to right, Leroy Kopecky, Kiwanis President; Ann Marie Horner, Key Club President; Pam Oelhafen, Key Club Secretary, and Carrie Batzler, Key Club Vice President.

The Kiwanis sponsors Key Club, who now have 67 students as members. The major project emphasis of the club is on helping the needy and entertaining senior citizens of the community during the holidays.

Thanksgiving dinner is again being planned this year for the senior citizens. Watch the Statesman for further details.

The residents of North Carolina consume more soft drinks than any other state in the nation—an average of 39.9 gallons per person.

Sabel - Miller

Promises of marriage were exchanged by Wendy S. Sabel and Patrick Miller in a 1 p.m. ceremony on Saturday, Oct. 3 at St. Peter Catholic Church, St. Peter.

Deacon Mike Bertram, O.F.M. Cap., officiated at the marriage service and the Mass was celebrated by the Rev. Clarence Nickolai.

The bride is the daughter of Lee and Jeanne Sabel, Route 2, Evergreen Terrace, and her father presented her in marriage to the son of Edward and Sharron Miller, Kewaskum.

The St. Peter church choir sang the Mass.

Tammy Sabel was maid of honor for her sister and bridesmaids were Lynn Schneider, Kim Reynebeau, Lynn Hermans, Cheryl Miller, sister of the groom, and Heidi Sabel the bride's sister.

Duties of best man were assumed by Mike Jozowski and groomsmen were Bret Jenkins, Doug Miller, the groom's brother, Jay Peterman, Keith Ringelberg and Ken Miller, brother of the groom.

An uncle of the bride, Brian Sabel, and Lindo St. Angel were the ushers.

A wedding reception and dance were held at the K.C. Hall, Fond du Lac.

The bride is employed as a loss prevention consultant for Factory Mutual Engineering, Milwaukee. The groom is a loss control representative for Crum and Forster Commercial Insurance. Both are 1986

graduates of the University of Wisconsin - Platteville.

After a honeymoon in Cancun, Mexico, they are making their home at 11917 W. Appleton Ave., Milwaukee.

86 Donate Blood

We would like to take this opportunity to thank the many fine people of Kewaskum for making our recent Blood Drive a success. Thank you to the ladies of Peace Church for the very delicious lunch they served to donors, to the high school for use of their facility and the Statesman for the articles in the paper.

Special mention goes to Ruth Schultz, who gave her 8th pint, Linda Kirst who gave her 16th pint and William Gruhle who gave his 32nd pint. These people show a real dedication to helping others.

There was a total of 86 donors and we sincerely went to thank all of them.

Roger Jacobs, Clark Pearson, Robbi Hron, Ron Leinen, Paul Lemke, Debra Terlinden, Dennis Terlinden, Barb Gengler, Clayton Stautz, Randall Frank, Kathie Ramthun, Kathy Broecker, Marvin Kleinke, Shari Nothem, Ruth Mary Schultz, Barbara Laatsch, Erma Markus, Sylvester Keller, Barb Breitag, Darcie Garbisch, Scott Pesch, Chris Guenzer.

Mary Jane Gerhartz,

Junior Float - First Place

Senior Float - Second Place

Homecoming 1987 is now history and will be remembered by many people. As we look back on Pep Week a few highlights and special activities are to be noted.

The week began with float building on Monday; all classes and the FFA got off to a fairly good beginning. Tuesday was "Fun In The Sun Day" with many students wearing shorts and sunglasses. The big push on Wednesday besides "Nerd Day" was the hall decorations competition. All classes were finished by 4:00 p.m. and many signs, balloons and crepe paper were adorning the walls at KHS. The panel of judges had a very difficult time deciding which hall was the best as the decorations were some of the best seen in recent years. The following results were announced Thursday morning: fourth - Class of 1991; third - 1990; second - 1988 and first place to the Class of 1989. Thursday saw several Grandpas and Grandmas walking the halls

for the dress up day. Friday, the school was full of green, gold and white as everyone prepared for the parade and football game.

One of the traditions at KHS is bad weather for the parade and no one was disappointed this year as the rain hit Kewaskum and didn't let up until halftime of the game. However, in spite of the weather, the parade marched on and the court members, floats and marching band were on display for all to see. As soon as the KHS Marching Band finished its halftime show the final results of Homecoming Week were announced. Dress up 1988, the float competition was close with the Class of 1989 winning and the overall Pep Week competition in class order; Seniors - first; Juniors - second; Sophomores - third and the Freshmen - fourth.

The football game was reported in last week's paper and while the defeat was hard to

take, the Indian fans were still behind their team.

After a long and busy Saturday for the Seniors dancing at the Rose Hall, the successful dance that night made it all worthwhile. Over three hundred students, parents and alumni were there to dance and have a good time, and they all did plenty of both. The Grand March was delayed until 9:30 p.m. but shortly after King Mitch Gebheim and Queen Mary Pesch were crowned as royalty for Homecoming 1987.

The Seniors, Class of 1988, wish to thank everyone for helping make this year's Homecoming a success. Special thanks to the wagon owners, convertible and Corvette owners and drivers, Johnson Bus, all businesses who displayed our posters and to the parents who helped with the floats this year.

Thank you one and all from the Class of 1988.

The earthworm is often known by several other names, including fish-worm, angleworm or night crawler.

Junior Woman's Club Recipe of the Month

The delicious recipe and many more can be found in the Junior Women's Club 20th Anniversary cookbook, available at Kennelly Pharmacy and the Regal Ware Outlet.

HEALTHY SNACK

Amy Hammen

- 1 c. peanut butter
- 1 T. margarine
- 1/4 c. nonfat dry milk
- 1/2 c. nuts
- 1 c. raisins
- Graham cracker crumbs

Stir together peanut butter, margarine and dry milk. Add nuts and raisins. Form into balls and roll in graham cracker crumbs.

Awarded Degree At UW-Oshkosh

Nearly 120 undergraduates were awarded bachelor's degrees after completing the summer 1987 session at the University of Wisconsin - Oshkosh.

There were 17 bachelor's degrees awarded in business administration, 27 in education, 64 in letters and science and six in nursing.

Graduates included James Carl Koepke, 3997 Badger Rd., Kewaskum, Bachelor of Business Administration, Accounting.

NEWS EXTRA

Halloween Safety Guidelines

Halloween can be safe and fun for children when parents follow basic safety guidelines, according to Children's Hospital of Wisconsin, Milwaukee.

"A little advance planning is all it takes to assure that Halloween will be fun for everyone," said Jon E. Vice, president of Children's Hospital.

Children's Hospital advises parents to use the following safety guidelines for children who participate in Halloween activities:

- Encourage your children to attend community or home Halloween parties in place of traditional door-to-door trick or treating.
- Young children who do go door-to-door should be accompanied by an adult. Older children should trick or treat in groups and should only go to the homes of people known by the parents, such as relatives, friends and neighbors.
- Remind your children that they should never go inside a home or apartment unless accompanied by an adult known to them.
- All trick or treating should be done during the official time established by your community.

"Children 5 years of age and under should not be taken to haunted houses," said J. Jeffrey Crisco, PhD, a child psychologist at Children's Hospital. "Even older children may say that they are not scared, but afterward may have nighttime fears of ghosts or monsters."

If your child becomes frightened while trick or treating or attending a party, reassure the child and return home, said Dr. Crisco. There is always next year.

- Remind your children to stay on sidewalks and to cross streets at corners.

• Those who will be receiving trick or treaters should make certain that outside lights are on and all obstacles are removed from walks, porches and lawns. Keep open flames away from where children could brush against them.

A Proclamation

Whereas, reading aloud to children stimulates their intellectual development by increasing vocabulary, lengthening attention span, improving comprehension, and instilling the desire to read; and

Whereas, reading aloud to children improves the quality of family life by providing opportunities to discuss values presented in books, by creating a special time for family sharing, by increasing the feeling of family closeness, and by helping children to feel valued by their parents; and

Whereas, the libraries of the state have joined in celebrating the statewide Year of the Family in Education, planning programs and activities to take place during the month of November which foster and promote reading aloud to children; and

Whereas, Governor Tommy Thompson, at the request of the Wisconsin Library Association, has proclaimed November as Read Aloud Month;

Therefore, be it resolved that November 1987 be locally proclaimed "Read Aloud Month"

25 Years Ago

October 26, 1962

A class of 32 little children, consisting of 21 boys and 11 girls, will receive their First Holy Communion during the 8 a.m. Mass at Holy Trinity Catholic Church, Kewaskum on October 28. A list of the First Communicants follows: Boys — Dale Amerling, Monty Belger, Thomas Bohn, Ronald Bonlender, Wayne Broecker, Richard Butz, Steven Cundy, Richard Eichstedt, Andrew Gremminger, James Hawig, Robert Kohn, Bruce McElhatton, Gregor Nigh, Lyle Schoofs, Roger Spoerl, Kerry Staehler, Ned Stoffel,

Zachary Stoffel, John Strobel, Calvin Tackes, Steven Volm. Girls — Mary Brown, Judy Gross, Cheryl Halfmann, Laurie Herms, Barbara Hoover, Marie Jaycox, Dawn Keller, Sharon Legate, Judy Schaub, Helen Slegler, Luanne Werhanowicz. Serving as little flower boys and girls for the First Communicants will be Mark Stellpflug, Jeffrey Boden, Jonathan Slegler, Timothy Stoffel, Neal Stoffel, Thomas Schoofs, Mary Schmidt, Jeannine Volm, Kathryn Kutz, Susan Staehler, Lucy Jaycox, Ann Herriges.

Signs of an early winter were

evident this week with the first two snowfalls of the season here. Snow flurries were seen in the air Tuesday but the real thing came along late Wednesday night and early Thursday when the ground was covered with the "white stuff." It snowed quite hard for an hour or two and the wind whipped the snow around pretty good. Most of the snow melted when the sun peeked through at times Thursday but was very cold for this time of year with the temperature below the freezing mark. Quite a change from the summery weather last week when the temperature was in the 70's.

Mrs. LaVerne Hron, Kewaskum, will be honored by the people of Kewaskum and the surrounding area at an evening reception on Sunday, November 11. Mrs. Hron, who is a fourth grade teacher in the Kewaskum Elementary School, will be feted in recognition of the 25 years she has taught in Kewaskum schools.

"America's Peace Corp—The First Year," is the subject of a speech to be given at the State Testimonial dinner honoring Mrs. Lorinda Tessar of Kewaskum, State Department Auxiliary President of the VFW on November 3. The dinner which is open to the public will be held at the VFW Clubhouse in West Bend.

Arthur Carl Dembs, 66, farm resident of the Town of Kewaskum, passed away on October 23 at his home a short distance west of the village following an illness of several weeks.

A son was born to Mr. and Mrs. Orville Kern, Route 1, Allenton, on October 24.

50 Years Ago

October 29, 1937

Overcrowding conditions which have resulted in reduction of the weight of fish were revealed in Mauthe Lake, formerly Moon Lake, in the Town of Auburn, located several miles northeast of Kewaskum on Monday of last

week, when a state crew made the first of a series of seining operations. More than 10,000 adult game fish were removed to nearby lakes and a large crop of carp, to be sold commercially, was included in the day's haul. The 3,000 foot seine was damaged slightly and another haul was made on Wednesday when approximately 5,700 adult fish, mostly crappies, were distributed in lakes throughout this vicinity. Again a large number of carp and other scavenger fish were removed from Mauthe Lake. Distribution of the surplus fish found to lakes in this area because the adult fish cannot be transported a great distance. The hauls included enormous quantities of crappies and calico bass and smaller quantities of walleye pike, weighing up to nine pounds, northern pike and blue gills. Lake de Neveu received the largest share of the fish distributed on Monday, approximately 2,350. Total of adult fish planted in other lakes from the first haul were Long Lake 1,560, Tittle Lake 1,070, Round Lake 881, Lake Bernice 1,400, Forest Lake 214, Crooked Lake 600, Lake Seven 340, Mullet Lake 670, and Lake Fifteen 974. From the second haul on Wednesday crappies were distributed to the following lakes: Round Lake 1,250, Long Lake 910, Lake Bernice 650, Forest Lake 650, Lake Fifteen 600, Kellings Lake 30, Haack's Lake 380, Beechwood Lake 340, and Lake Seven 190. Between 40 and 50 large walleye pike, weighing between five and nine pounds, and a similar number of Northern pike, also were transplanted to Long Lake.

A deal was completed last week Monday, whereby A. Naumann, the operator of the Kewaskum Opera House, purchased the entire buildings and premises from its owner, Emil Siegel. Mr. Naumann has been running the tavern and

dance hall for the past three and one-half years during which time he has improved trade considerably and has made the opera house a favorite enjoyment spot for people from far and wide with dances, roller skating, plays, shows, sports, meetings, etc.

A baby boy was born to Mr. and Mrs. Raymond Kirchner of Route 3, Kewaskum on October 25.

75 Years Ago

October 26, 1912

Four coaches, the mail and baggage cars of Soo train No. 1, which leaves Chicago for the Twin Cities every morning were hurled into a ditch at Allenton October 25, while running at a speed of about 30 miles per hour. Three mail clerks and the buffet car porter were painfully bruised, the passengers escaping with a severe shaking up. The wreck was caused by a defective rail.

Last week Friday A.L. Rosenheimer and J.B. Day made a transaction whereby they traded the Fred Marquardt 60 acre farm 1 1/2 miles northeast of this village on the New Fane road for the Oscar Habeck farm 2 miles east of this village and a cash consideration. On Saturday Frank Day sold the remaining 40 acres of the Etta Bros. farm near New Fane to Jos. Laubach.

A very pretty wedding took place at the Ev. Lutheran St. Lucas Church October 23 when Rev. Greve performed the wedding ceremony of Miss Alma Heise and Edwin Klug.

A baby boy was born to Mr. and Mrs. Geo. Meilinger of St. Michaels on Monday.

From Tom Kennelly

LOSING WEIGHT

The only effective way to lose excess fat permanently is to moderately reduce caloric intake while starting an exercise program. Exercise burns more calories and builds muscle tissue. Over a period of months, with regular and vigorous exercise, you can increase your nutritious diet with no weight gain because the body will burn those extra calories with the new muscles.

Filling your prescription is our most important work

KHS Introduces New Career Course

The Department of Public Instruction recently mandated implementation of an Education for Employment standard in all school districts. Kewaskum in fulfilling the mandates, implemented a class in the Technology Education Department called "Pathways to a Career."

The course is designed to help students in their transition from education to a career. All different levels of students in various career fields are being served by the course. Senior level standing is a prerequisite for the course. College bound, technical, military and career oriented students are all encouraged to make the course a part of their curriculum.

The students enrolled presently have declared a career object. Some of the careers chosen are as follows: physical therapy, farming, photography and maintenance engineer. The students have followed the employment outlook, labor market information, current trends in population and new technology in energy. Units in finding a job, resume writing, filling out an application properly, interviewing, improving, on the job and leaving the job, have also been addressed. Recently the students had the opportunity to tour Times Printing in Random Lake, Tecumseh Inc. in Grafton, Johnson Controls Inc. in Milwaukee, and plan to tour Quad Graphics in Pewaukee, Cedar Lake Homes in West Bend and West Bend Mutual in West Bend.

A few comments made by students when asked their opinion of the course:

"I know the outlook of the future in the career I'm going into..."

"Stay away from low skill high pay jobs because they're on the way out..."

"First off, this course has given me the courage to say to myself, I must go to college..."

"I have found...where to get more information about my career and how to use that to go and reach my goals."

"It has also helped me in the regards to writing out a resume..."

"Even though I had my career picked out, it also helped me understand it..."

"In the class it has made me think more about my career..."

"I also learned a little about going on to school and how that can help me find a good career."

"Not everyone has to go to college in order to get a job and that you can adjust to life with the amount of money you make."

MARRIAGE LICENSE

Renee M. Schneider, Kewaskum, and Carl J. Raether, Kewaskum. Wedding Nov. 7.

Kewaskum Receives Preschool Grant For Handicapped

MADISON — State Superintendent Herbert J. Grover has notified the School District of Kewaskum that it will receive \$2,100 to assist in providing special education programs for preschoolers with exceptional educational needs.

Administered by the Wisconsin Department of Public Instruction, the grant is made available under Public Law 99-457, the Education for All Handicapped Children Act, Amendments of 1986. The preschool incentive provision of this federal law has been amended to strengthen the incentive for states to serve all handicapped children, ages 3 through 5.

Statewide, all local educational agencies will share in the \$2.68 million available under this program during the 1987-88 school year. Seventy percent of these federal entitlement funds will flow directly to local school districts.

A broad range of locally needed programs and services will be provided to handicapped preschoolers via the entitlement program. Funds may pay salaries of instructional and support staff, purchase special materials and equipment, arrange for specialized evaluations, develop parent training programs, and support inservice training activities.

Commenting on the grant award, Richard E. Zarlino, the project's director, said the monies will be spent on materials to improve existing programming and to help defray the costs of evaluating children referred to the program.

Planned Parenthood Mother and Daughter Workshop at West Bend

Planned Parenthood of Wisconsin is presenting a "Mother and Daughter Workshop" Wednesday, November 4th, from 6:00 to 8:00 p.m. at the Marine Bank, 801 W. Washington Ave., West Bend.

This workshop is designed for pre-adolescent girls, ages 8 - 11 and their mothers (or significant other female adult). It focuses on puberty, menstruation, as well as facts and feelings related to growing up female. Group activities, films, mini-lectures, and games are planned.

The fee is \$10.00 per adult/child couple. For more information or to register, call the Community Services Department of Planned Parenthood at (414) 271-6033.

Surprise! Surprise! Surprise!

A fluffy layer of clean white snow draped itself over trees, bushes and railings. A hint of things to come and a notice that winter is really not that far away.

By GERRY MUELLER
Statesman Staff Writer

That's what the old TV character Gomer Pyle might have said had he awakened to the unexpected sight of the fluffy white stuff last Thursday morning "October 22!"

Amounts varied throughout the area, from a heavy dusting in the village to over 1-1/2" at this reporter's home north of St.

Michael's. As if to say, no we weren't dreaming, Mother Nature dumped another inch or so on Saturday.

I'm a snowmobiler and I like the snow but hey, come on now, October is just a little too early for this stuff. Of course the deer hunters didn't mind it and I'll bet they're hoping to see more of it come the opening of gun deer season next month.

Halloween Safety Bags Distributed

The Washington County Sheriff's Department has distributed more than 2,500 McGruff Halloween Safety bags to county grade schools.

The bags are bright yellow, and feature safety tips for children from McGruff the Crime Dog, the national symbol of the Crime Prevention Council.

A limited number of bags are available for children who did not receive the bags in school. They may be picked up in the lobby of the Sheriff's Department.

Michael Kohn, Others Pass Away

Michael Kohn, 71, of 585 Main St., No. 5, Campbellsport, died Thursday, Oct. 22, 1987, at St. Joseph's Hospital, West Bend.

Mr. Kohn was born April 9, 1916, to Michael and Amanda Kleinhann Kohn in New Prospect. On Oct. 23, 1937, he married Vivian Stevens in Crown Point, Ind. The couple had planned to celebrate their 50th wedding anniversary on Saturday.

Prior to his retirement, he was a salesman and tavern-keeper and had been associated with Kohn Brothers Farm Service, Kewaskum, for 10 years. He was a member of St. Matthew's Catholic Church, Campbellsport, and a 35-year member of the Moose Lodge.

Survivors include his wife; one daughter, Vivian Ione Cleereman of Fond du Lac; four grandchildren; and two great-grandchildren. He was preceded in death by two brothers.

There was no visitation. His body was donated to the University of Wisconsin Medical School, Madison.

A memorial service was held Saturday at 11:45 a.m. at Dorcas Chapel, Marian College.

LESTER W. JANZ

Lester W. Janz, 62, of 1492 County W S., Campbellsport, died Monday, Oct. 19, at St. Agnes Hospital, Fond du Lac.

He was born June 13, 1925, in West Bend, and married Adeline Meyer Aug. 9, 1980, at the First Baptist Church, Campbellsport.

He was employed by The West Bend Company, West Bend, for 37½ years, and was a member of its 25-Year Club. He was also a member of the Christian and Missionary Alliance Church of Campbellsport.

Survivors include his wife; a son, Jerry (Lanette) of Corpus Christi, Texas; a daughter, Janet (Don) Hanrahan of West Bend; five stepdaughters, Susan (Steve) Tucker of Lafayette, Ind., Judy (Patrick) Saunders of Park Falls, Ruth (Allan) Ehley of Nevada, Iowa, Valeria (Randy) Schwandt of Waterloo and Myrna (Dean) Kopf of Oakfield; 14 grandchildren; two brothers, Floyd (Lucille) of West Bend and Allen (Ruth) of Kewaskum, and other relatives and friends.

Funeral services were Thursday, Oct. 22 at 2 p.m. at the Gospel Tabernacle, Fond du Lac. Rev. Douglas Birr officiated, and burial was in Union Cemetery, Campbellsport.

Visitation on Thursday was at the church from noon until time of services.

The Twohig Funeral Home, Campbellsport was in charge of arrangements.

County Scouts To Participate In Food Drive

Fifty units of the Boy Scouts of America in Washington and Ozaukee Counties will participate in a drive next month to collect one million units of food for the needy in eastern Wisconsin.

Scouts, cub scouts, and explorers will hand out plastic bags to homes in their areas on the morning of November 7 and then will return to collect the cans of food on November 14. The project is called "Scouting for Food-Good Turn."

Families will be asked to contribute five to six cans apiece of non-perishable food. The food will then be donated to four food pantries that serve the two counties. They are the Full Shelf Food Pantry, West Bend; the Hartford Food Pantry, Hartford; Family Sharing, Cedarburg; and the Food Pantry, Port Washington. Together, the four organizations cover all the areas in the two counties. They are backed by church and civic organizations.

The team directing the efforts in the Boy Scout's District 11, which includes the two counties, are John Torinus Jr., administration chairman; Dora Zillmer, scout participation chairman; Richard Borchardt, transportation; Lynn and Larry Ehren, food collection and distribution chairpersons; and James Winget, district scout commissioner.

The other 11 districts in the Bay Lakes Council, which runs from the Upper Peninsula to Washington and Ozaukee Counties, will be collecting food for pantries in their areas at the same time.

"This project is good for everyone," Winget said. "It helps the scouts learn about their responsibilities to the community; it helps the pantries; and it helps the people who will need food over the holidays."

The four pantries distribute a total of more than 200,000 pounds of food a year and serve several thousand families in the two counties.

Many of the recipients are the elderly living on fixed incomes and families that can be classified as the working poor. Half of the people benefitting from the distribution are children.

Zillmer said she was extremely pleased that 75% of the units in District 11 had elected to take part in the Good Turn project. That is the highest percentage in the 22-county area.

District 11 Scout Roundtables Set

John Knapp and Kim Wegmann will convey how equipment, supplies, skills and training are essential for "Planning a High Adventure

Trip," as the adult Scout Leaders and Committee Members from District 11, which includes Ozaukee and Washington Counties, hold their monthly Roundtable in the library of John Long Middle School, corner of Fifth and Hickory Streets, Grafton, on Thursday, November 5, from 7:30 - 9:15 p.m. A question and answer period will be included in the program.

Bay-Lakes Council has six camps, including a High Adventure Camp at Gardner Dam. Lakes and rivers of Wisconsin, Upper Michigan and Canada also pose a challenge to Scouts of today, and these men will show how to live the Scout Motto, "Be Prepared."

The "Happy Holiday" theme will keep the Cub Leaders from the 34 District Packs busy in the All-Purpose Room with Christmas skits, songs, ceremonies and crafts. The "Getting Ready For Christmas" skit will be performed by Jim Kasper and Jim Maresch, and "Looking For Christmas" will be presented

by the Roundtable Staff.

Carol Winget and Ed Knapp will assist participants with Evergreen Identification; Cub Scout Christmas crafts will be displayed; and Julie Molek will intersperse activities by leading Christmas Carols.

After the 8:30 refreshment break, Den Leaders will construct ornaments, under the guidance of Agnes Knapp, Donna Manos, Rosie Van Dyck and Carol Winget. Cubmasters and Pack Committee Members will discuss Pack Christmas Party plans and Service Projects with Roundtable Commissioner, George Krueger; and Ron Roecker will cover an Activity Badge with Webelos Leaders.

Advocacy Training Workshop Scheduled

Citizen Advocacy of Washington County, Inc. and The Parent Education Project of United Cerebral Palsy are

sponsoring an Advocacy Training Workshop at the West Bend Marine Bank, 801 W. Washington Street, West Bend.

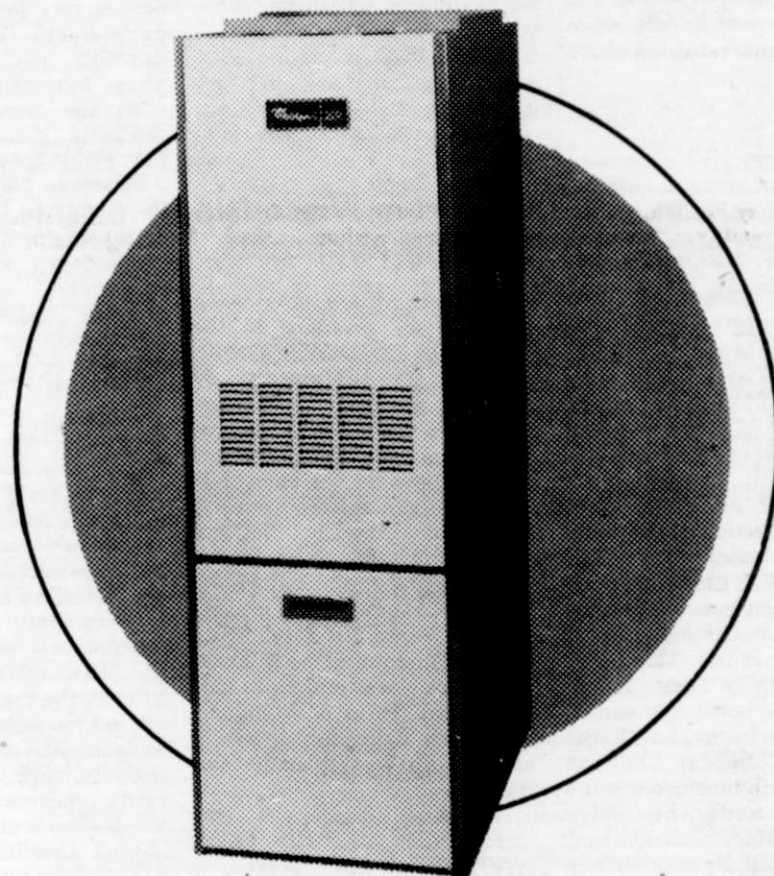

The dates of the training are November 3, 10, and 17 from 8:30 a.m. to 12:30 p.m.

The training is for parents of children receiving exceptional education, and for other people who are interested in becoming advocates in order to help parents. It will include an explanation of the evaluation, placement and programming for handicapped children, state and federal laws relating to exceptional education, strategies for parents and advocates, options for parents who disagree with school decisions and the role of an advocate. There is no cost for the training.

For more information, call the Citizen Advocacy Office at 334-3384, or the Parent Education Project (PEP) at 272-4500.

Statesman classified ads really work.

WITH THE NEW WHIRLPOOL TIGHTFIST® II GAS FURNACE,

YOU GET WHAT YOU PAY FOR!

With all gas furnaces, part of the energy you pay for goes to heat your house, naturally. But part of it is also wasted out the vent pipe in your roof. In many cases, up to one-third of your energy dollars are wasted in this way. But with the new Whirlpool Tightfist® II gas furnace*, up to 96% of the energy you pay for is actually used to heat your home! Only 4% is wasted. That's real efficiency. And it can make a substantial difference in your fuel bill, too. So why pay for energy you're not getting the use of? Call today and let us help you lower your fuel bill!

*Based on D.O.E. test procedures NUGK050.

MORTGAGE INTEREST

For most homeowners the interest on mortgages secured before August 17, 1986, will still be fully deductible as an itemized deduction, as it was under prior law, as long as the amount of the debt is not more than the fair market value of the residence and as long as the principal amount of the debt does not increase after August 16, 1986, with a line of credit. Usually, at the time of purchase, the fair market value of a residence is equal to its cost.

The new changes in the mortgage interest deduction will generally affect only taxpayers who have taken out a loan after August 16, 1986, for a qualified principal residence or qualified second residence, those who have refinanced their mortgages, or those who have obtained a second mortgage or home equity loan.

A qualified principal residence may be your home, cooperative apartment, condominium, house trailer or houseboat. A qualified second residence can include an unused home or a home used part of the year.

The interest deduction for all such debts incurred for a principal or second residence is limited to the extent that the amount borrowed is not more than the fair market value of the

residence, or the cost of the residence plus the cost of any improvements. If the mortgage loans on the residence exceed the cost and improvements but are less than the fair market value of the home, the excess interest will be deductible as home mortgage interest if the amount is used for qualified medical or educational expenses for yourself, your spouse, and your dependents.

Qualified medical expenses include those amounts paid for medical care not reimbursed by insurance. Qualified educational expenses are those amounts paid for tuition at primary, secondary, college, or graduate level schools, as well as any related living expenses while at those schools. The medical or educational expenses must be incurred within a reasonable period of time before or after the debt is incurred.

Form 8598, Computation of Deductible Home Mortgage Interest, was developed along with other new forms to reflect provisions of the Tax Reform Act of 1986, and will be available during the tax filing season.

More information is available in IRS Publication 920 which can be ordered by calling 1-800-424-3676.

Sheriff Warns Businesses Against Solicitations

Sheriff Clarence A. Schwartz warns county business people that the sheriff's department does not endorse law enforcement magazines, programs or other activities that are paid for by private donations of money.

The sheriff says that a new organization, known as the Wisconsin Law Enforcement Youth Foundation, has been created and is expected to begin calling businesses in the county soon. While registered with the state as a charitable organization, the foundation is new and does not have a proven track record of social work. If contacted by a solicitor, the business person will have to decide on his or her own if a contribution is worthwhile.

"But there should be no implication by the caller that either the sheriff's department or myself has connection with the foundation. We also have not endorsed it," the Sheriff pointed out.

Sheriff Schwartz is concerned about the new program because it uses a Minnesota company to handle the soliciting. This company has been a source of problems in the past, for claiming a connection with the sheriff's department, and for billing businesses for unordered ads in its "law enforcement" publications. The soliciting will probably be handled on the phone from Milwaukee.

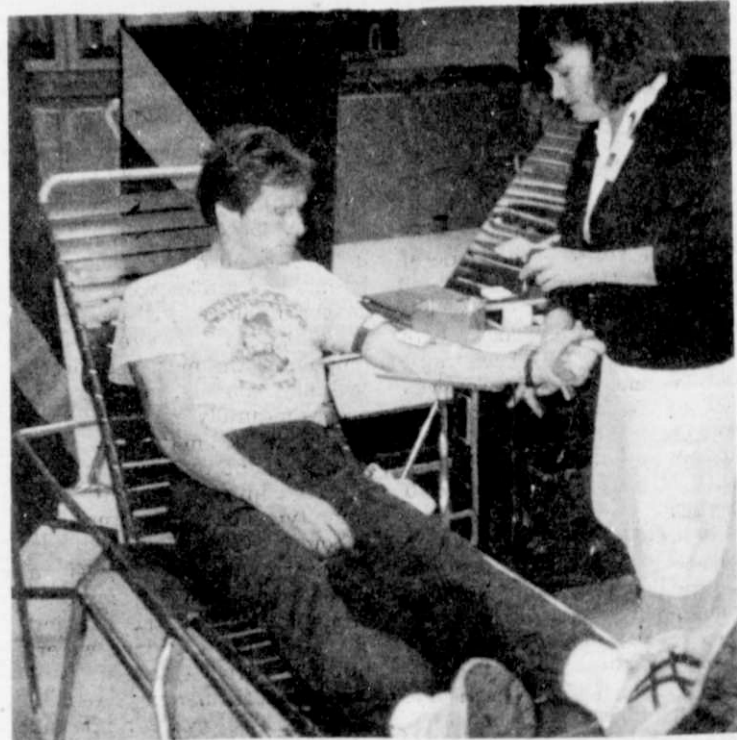

At the same time, Sheriff Schwartz reminds businesses that Fall is the time of year that a salesman has swept through the county on behalf of another Minnesota firm.

"Safety Programs, Incorporated," has claimed to publish safety books for distribution in schools. That company is under investigation by both the sheriff's department and the state of Wisconsin. We have not found any schools that have received these books. We have received numerous complaints about the salesman's tactics. We urge business people to use caution when dealing with this firm.

"I, as sheriff, do not endorse solicitations. The materials we provide to schools are supplied to us by the State of Wisconsin, or paid for through our regular budget. We do ask for donations to support the baseball card program, but that is handled by a single, uniformed deputy sheriff, acting on my behalf."

"Anyone else who claims support, endorsement, or authorization from this department for a program that requires money, is not telling the truth. I urge people to contact us immediately, before they give out money. Too many residents have been victimized by these scams," the Sheriff concluded.

"Hear the other side."

GOOD NEWS With Community Church What's Behind Your Mask?

It's fun to dress up for Halloween, when you remember how it was, Do you remember someone's door? Sometimes even your neighbor didn't know who you were behind your mask. But God sees all that's inside us, even our thoughts. And He knows even those bad things about us that no one else knows. Even though we deserve to be punished, God loves us. In fact, He loves us so much that He sent His Son to heaven to take our sins away. The Bible says "God so loved the world that he gave His only begotten Son, that whosoever believeth in Him, should not perish, but have everlasting life." God is waiting for you to ask for forgiveness and receive Jesus Christ as your savior. Then you can smile and glow like the happy Halloween pumpkins because you know that some day you are going to heaven and Jesus is your friend.

This message is from Community Church, West Bend. Sunday services start at 9:30 a.m. at the Silverbrook Middle School.

Immunizations for November Offered

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Service.

November clinics are:
Nov. 3, 2-5 p.m. — Community Health Nursing Service, Courthouse, 432 E. Washington St., West Bend.

Nov. 10, 2-4:30 p.m. — Germantown Senior Citizen Center, W162 N11960 Park Avenue, Germantown.

Nov. 17 — 9-11 a.m. — Hartford Community Room, 109 North Main St., Hartford.

Nov. 24, 9-11 a.m. — Community Health Nursing Service, Courthouse, 432 E. Washington St., West Bend.

Parents must bring their records of each child's past immunizations to clinics. Immunizations will not be given without a record card.

For further information, call 338-4462, 644-5204, or 342-2929.

Teenagers are people who can't find anything to wear in a closet full of clothes, and nothing to eat in a refrigerator that is full.

Church Women World Community Day Nov. 6

Church Women United of Washington County will celebrate World Community Day on November 6. The First Methodist Church, 738 West Monroe Street, Hartford, will host this event.

The Board of Managers meeting will begin at 11:30 under the direction of President Dorothy Schmidt. At 12:30 there will be a lunch break at which the hostesses will provide the dessert and liquid refreshments. Everyone attending should bring a bag lunch. Following the lunch, the annual meeting will be held with the election of officers. The one officer that will be elected is the Secretary and the Vice President, Mary Friedemann, may be elected for another one year term to fulfill her two-year term. A Chairperson and two committee members for the nominating committee need to be chosen.

The program theme for this event is "Sojourners for Justice." The program will be presented by the ladies of First Methodist Church.

Dues may be paid at any meeting to the treasurer, Bertha Hodgson, and the suggested amount is 20c per women in your church.

Church Women United is an interdenominational organization and we invite and encourage all Christian women to attend and participate in this event.

Kids from Wisconsin Seeking Applicants

Applications are now being accepted for positions in the 1988 KIDS FROM WISCONSIN troupe. Approximately 32 positions are open for dancer/vocalists and band instrumentalists. Qualified males and females between the ages of 15 and 20, regardless of race, color, handicap or national origin are eligible to apply.

The KIDS' program includes a 17 day training camp in early June followed by a ten week tour of Wisconsin, the Midwest and other states ending around Labor Day. Three performances are given daily during the 11 day run of the Wisconsin State Fair.

1988 will mark the 20th season that the KIDS FROM WISCONSIN have served as official musical goodwill ambassadors of the state. Plans are under way for a spectacular show and reunion of over 400 troupe members of the KIDS' troupes.

Applications are available from all public and private school music directors throughout the state or may be requested in writing from: KIDS FROM WISCONSIN, Wisconsin State Fair, Milwaukee, WI 53214.

Fond du Lac County Waters Included 24 Lakes and Stretches of Rivers in State Added to Fish Contaminated List

State officials have updated Wisconsin's fish consumption advisory by adding 24 lakes and stretches of the Black, St. Croix and Chippewa rivers to the list of fish contaminated with mercury or PCB levels that don't meet state and federal standards.

New additions to the list announced by the Departments of Natural Resources and Health and Social Services include lakes or river stretches in Clark, Fond du Lac, Marquette, Pierce, Polk, St. Croix and Trempealeau Counties.

This fall's advice is based on results of 700 fish samples the Department of Natural Resources tested for mercury since last spring. More than 100 waters in 40 counties are now listed on the mercury advisory, according to Lee Liebenstein, Department toxic substances specialist.

Most waters added this fall have only a small percentage of larger, older gamefish that contain high mercury levels, Liebenstein said.

"With very few exceptions, panfish throughout Wisconsin test well below mercury levels that would be of public health concern," he said. "That's true even in those lakes where we have issued advisories on large gamefish, such as walleyes, northern pike or largemouth bass. And fortunately, panfish, which include bluegills, perch and sunfish, also happen to be the fish that are easiest to catch and that most people take home."

For example, in Dane County's Lake Monona, an advisory covers walleyes over 18 inches, but more than 50 samples of smaller walleyes, yellow perch, white bass, crappies and bluegills contained only background, trace amounts of mercury.

The advice for Great Lakes fish remains unchanged from last April, Liebenstein said.

The advisory is primarily at youngsters, pregnant women and women who are nursing infants or who plan to have children, said Dr. John Olson, toxicologist with the state Division of Health. These people are most at risk from toxic substances in air, food and water.

"Because toxic chemicals readily build up to high levels in fish, fish represent a large source of human exposure to many environmental

contaminants, and that's why we issue advisories," Olson said.

Mercury can cause many human health problems, especially to the nervous system. PCBs are linked to developmental problems in infants and are known to cause cancer in animals, Olson said.

Scientists have not pinpointed the most significant mercury sources, although it occurs naturally in the environment and is emitted by coal-burning, paint application, metal mining, smelting and some types of manufacturing.

Some studies of fish in northern lakes suggest a correlation between mercury accumulation and the pH and calcium content of lake water, but the direct cause and sources of mercury remain obscure. The DNR is proposing accelerated mercury research to pinpoint the sources and develop a state response.

The Department of Natural Resources now issues consumption advisories twice a year rather than once.

"By issuing health advice twice a year, in April and October, anglers will be able to rely on the most up-to-date information we can provide them on contaminant levels in sport fish," Liebenstein said.

This fall's list also includes Butternut Lake in Price County after a routine information review showed Butternut Lake in Forest County had been mistakenly listed instead when the advisory was updated in April. Local contacts are being made to advise Butternut Lake users in Forest County that their lake is not on the advisory list while residents of Price County's Butternut Lake are being contacted about the addition of their lake to the list.

The autumn advisory focuses on mercury contamination in fish from inland waters, Liebenstein said. Next spring's update will focus on PCB contamination in the Great Lakes and their tributaries because Wisconsin works with neighboring states over the winter to exchange data and develop uniform data that applies throughout Lakes Michigan and Superior.

State officials have issued health advice on contaminated sport fish since 1976. The advice is based on standards for contaminants in commercially sold fish set by the U.S. Food and Drug Administration or derived from health

assessments of various contaminants carried out by the Division of Health.

Free copies of the eight-page advisory, titled "Health Advisory for People Who Eat Sport Fish from Wisconsin Waters," are available from any DNR office or from the DNR Bureau of Fish Management, P.O. Box 7921, Madison, WI 53707, (608) 266-1877. The advisory will be updated in April, 1988.

New Rustic Roads Publication Available

Looking for a pleasant place to drive this fall, free from the hassle of construction and traffic?

The Wisconsin Department of Transportation has available a new brochure that contains small maps of some 46 routes throughout the state officially designated as "rustic roads," where traffic volume is low, but historical, cultural and visual benefits are high.

Wisconsin's Rustic Roads System was created by the state Legislature to preserve some of the state's scenic, lightly traveled country roads for the leisurely enjoyment of bikers, hikers and motorists.

Currently there are 48 rustic roads located in 28 counties, ranging from 1 1/2 to 26 miles long. Many roads are through thickly wooded areas where waterfowl and wildlife abound. Others go through open farming areas offering pleasant agricultural vistas. Some of the roads are gravel, most are paved; some are curved, others hilly; but all of them offer enjoyable sights for the leisurely traveler.

Rustic roads are marked by brown and yellow signs with a one-to-three-digit identification number prefixed by the letter "R," assigned by the state Rustic Roads Board. The maximum speed on any rustic road is 45 mph.

A program brochure is available for town or county

boards or any resident who is interested in having a favorite road approved as a rustic road. Inclusion in the statewide system does not change a road's jurisdiction.

For a copy of the map brochure, entitled "Wisconsin's Rustic Roads, a Positive Step Backward," or the program brochure containing rules and regulations for getting a road approved, write to the state Rustic Roads Board, Department of Transportation, PO box 7913, Madison, WI 53707-7913.

THANK YOU

I would like to thank my family, neighbors, and friends for their visits, phone calls, cards, flowers, and gifts while I was a patient at St. Joseph's Hospital and convalescing at home. These acts of kindness are greatly appreciated.

Minutes of Village Board Meetings

Village of Kewaskum
Plan Commission
September 29, 1987
8:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer called the meeting to order at 8:00 p.m. Plan Commission members present were Howard Laubenstein, Donald Miodzik, Raynor Herriges, Mark Slaughenhoup, Jeffrey Rohrer, Richard Schilce, Zoning Administrator Richard Zaring and Administrator Daniel Schmidt.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Mark Slaughenhoup, seconded by Raynor Herriges and unanimously carried by voice vote, the Commission approved the minutes of August 25, 1987.

The Commission then proceeded in reviewing and discussing the revised version of the proposed new zoning ordinance for the Village. Concern was expressed regarding the possible change in the zoning ordinance to give the Commission the authority to allow residential units in a lower level store front. The Commission heard Mr. Gary Gavin plead his case on this matter referring to the property located at 117 Main Street. Mr. Tonn of SEWRPC was present and indicated that many communities are in the same situation as Kewaskum and their downtown areas.

President Blumer asked the Board to review the matter for a month and asked for a motion to table it until October 27, 1987, or until the next Plan Commission meeting.

On a motion by Donald Miodzik, seconded by Jeffrey Rohrer and unanimously carried by voice vote, the Board tabled Gary Gavin's request for action at a future meeting.

Mr. Roland Tonn from SEWRPC was present to review and discuss the revised version of the proposed new zoning book for the Village. It was noted that many of the changes are statutory changes. Also it was indicated a fee schedule has been added to make adjustments in fees easier and less costly.

After a considerable amount of time it was determined to review the ordinance changes again at the October or November, 1987, meeting before sending it to the Village Board for Public Hearing.

President Paul Blumer expressed the Commission's appreciation to Mr. Tonn for reviewing the proposed zoning ordinance.

On a motion by Jeffrey Rohrer, seconded by Raynor Herriges to adjourn the meeting. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

Daniel S. Schmidt
Administrator

Mid-Monthly Meeting
October 19, 1987
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. All trustee members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Richard Schmidt, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the minutes of the October 5, 1987, meeting were approved as printed.

A brief discussion was held on bicycles and the hazard they cause on sidewalks. Parents are to help educate their children to promote proper safety.

It was noted all residents are to bag their leaves separately so the Village can easily dispose of them in the most

cost effective manner.

Administrator Daniel Schmidt reviewed briefly with the Board the 3rd Quarter Sewage Utility Department and Water Utility Department Budget Control Sheets.

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board.

Trustee Charles Boegel, Chairman of the Public Services Committee, reviewed the findings of the committee meeting of October 12, 1987, on recycling. It was noted the Village should look into the recycling of plastics, glass, paper, tin cans, aluminum, car batteries, oil and big appliances. In response it was stated that paper and aluminum are already being recycled and that the Village already recycles car batteries and big appliances.

A few other points were discussed and they are as follows:

1. The program, to start, should be voluntary for the time.

2. The collection of recyclables should be handled through a drop off site.

3. This site should be open once or twice per month and the Village Garage area was suggested as the site.

3. This site should be open once or twice per month and the Village Garage area was suggested as the site.

4. The site would be monitored by a part-time employee or volunteers.

5. People recycling would have to separate and deposit their own materials.

6. Rules and/or regulations must be established either by ordinance or policy.

After the discussion the consensus of the Board was to continue to work on the matter. Also an invitation should be extended to the party that is willing to accept the various materials.

Trustee Howard Laubenstein informed the Board that a Plan Commission meeting was being scheduled for Tuesday, October 27, 1987, at 8:00 p.m.

Trustee Richard Schmidt informed the Board as to the budgeting request made to the County for the County-Wide Library System.

Action was taken on Resolution No.(s) 87-20, 87-21 & 87-22 as attached hereto:

On a motion by Trustee Richard Schmidt, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board instructed the office to increase the rent at 1102 Fond du Lac Avenue \$10.00 for the upper unit and \$15.00 for the lower unit.

Administrator Daniel Schmidt reviewed preliminary departmental and the entire General Budget with the Board. It was noted the figures on the General Budget were from the third go around and that revenues and expenditures were still \$72,897 apart or 7.4%. A fourth round of changes were suggested having a \$37,609 difference. The Administrator suggested two suggestions to bring the budget to within an estimated \$6,000 spread or a 4% increase. The money needed would come from the Restricted Fund and Park Development Fund. The Board was basically in favor of this proposal and instructed the Administrator to proceed with the Public Hearing Notice for November 16, 1987. The estimated increase per thousand would be 28c.

Administrator Daniel Schmidt informed the Board he had received a letter of resignation from Mrs. Lisa Lickel, the Assistant Librarian and that he had already called Mrs. Ziarkowski, the next in line on the list as established by the Library Board and Administrative Committee. On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board hired Donna Ziarkowski as the Assistant Librarian under the terms and conditions as previously established.

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton to adjourn the meeting. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

Daniel S. Schmidt
Administrator

RESOLUTION NO. 87-20

BE IT RESOLVED, by the Village Board of the Village of Kewaskum, Washington County, Wisconsin, that the Clerk shall place upon the present (1987) tax roll for collection all delinquent accounts of all departments of the Village.

Dated this 19th day of October, 1987.
Introduced by Trustee Mary Krueger.
Motion for adoption by Trustee Thomas McElhatton.
Motion for adoption seconded by Trustee Howard Laubenstein.
Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

RESOLUTION NO. 87-21

TRANSFER OF FUNDS FOR FIRE HOUSE CONTRACT

BE IT RESOLVED, that a transfer of funds in the amount of Thirty-one Thousand Twenty Dollars and One Cent (\$31,020.01) be made from Account 10912, Restricted Funds, from the following Sub-Account:

#5233 Fire Department Outlay and that these funds be placed in Account 5233, Fire Department Outlay as part of the 1987 Budget to cover the expenses contracted to repair the Fire House.

ADOPTED AND APPROVED this 19th day of October, 1987, by the Kewaskum Village Board.

Paul Blumer
Village President

ORDINANCE NO. 08-87-01 ORDINANCE ESTABLISHING SPEED LIMIT ON PROSPECT DRIVE

WHEREAS, the present speed limit on Prospect Drive in the Town of Kewaskum, Washington County, Wisconsin, is the statutory limit of fifty-five miles per hour (55 MPH); and

WHEREAS, the Town Board has determined pursuant to the authority of sec. 349.11, Wis. Stats., that the statutory speed limit of fifty-five miles per hour (55 MPH) on Prospect Drive should be reduced by ten miles per hour (10 MPH) and twenty miles per hour (20 MPH) to a reasonable and safe speed limit of forty-five miles per hour (45 MPH) and thirty-five miles per

hour (35 MPH); now, therefore, THE TOWN BOARD OF THE TOWN OF KEWASKUM, Washington county, WISCONSIN, ORDAINS AS FOLLOWS;

Section 1. It is the finding and determination of the Town Board that a reasonable and safe speed limit on Prospect Drive is thirty-five miles per hour (35 MPH), in an area which is considered to be "semi-urban" running on Prospect Drive south from the Village of Kewaskum limits to the residence at 8476 Prospect Drive, and the speed limit on that portion of Prospect Drive is hereby established at thirty-five miles per hour (35 MPH); and,

Section 2. It is the finding and determination of the Town Board that a reasonable and safe speed limit on Prospect Drive is forty-five miles per hour (45 MPH), in an area which runs from the residence at 8476 Prospect Drive and south to the end of the township where Prospect Drive turns west into Ridge Road, and the speed limit on that portion of Prospect Drive is hereby established at forty-five miles per hour (45 MPH).

Section 3. Penalty. Any person violating this ordinance may be required to forfeit not less than \$30.00 nor more than \$300.00 for each offense, together with the costs of prosecution, and in default on payment of any such forfeiture shall be imprisoned in the Washington County Jail until such forfeiture and all costs, including subsequent costs, have been paid, but not for a greater period than 30 days.

Section 4. This ordinance shall, in accordance with sec. 60.80(2), Stats., take effect the day after its publication as a Class 1 notice ch. 985, Stats., and when official signs giving notice of such speed limit have been installed.

Dated this 21 day of September, 1987.

Proposed Handgun Rules Effective Next Year for Deer

Proposed changes in rules covering the use of handguns for deer hunting will be effective beginning in 1988, and not for this fall's hunting season, Homer Moe, Department of Natural Resources hunter education administrator stated.

"The proposed rule changes passed during this spring's Conservation Congress hearings and statewide meeting will be written into the rules to be effective in the 1988 deer hunting season," Moe emphasized. "Rules governing handgun use for this season will be the same as last year."

Those rules are that it is legal to hunt deer with .357, .41 and .44 magnum caliber cartridges, or any other caliber handgun chambered for commercially manufactured cartridges which produce a minimum muzzle energy of 1,000 foot pounds. The minimum barrel length is five and one half inches measured from the muzzle to the firing pin with the action closed.

Handgun hunters for deer are still restricted to areas open to rifle deer hunting. Also handgun deer hunters are not allowed to possess any other firearm while hunting deer.

"The proposed changes for

1988 will allow handgun hunters to hunt deer statewide and will allow possession of other firearms while deer hunting rather than restricting them to just the handgun," Moe added. "These rule changes again are only for next (1988) year."

Waterfowl hunters are also reminded that they must use only steel shot in pursuit of waterfowl this season. The only exception is that muzzleloaders can still use lead shot.

Nontoxic steel shot legal for Wisconsin include size T, BBB, BB and smaller 1 through 6. Other size steel shot is manufactured and has been reported to be available in Wisconsin, but is not legal to possess or use.

"Steel shot size T is two tenths of an inch in diameter per pellet and loads to some 78 pellets per shell," John Wetzel, Department waterfowl specialist said. "Jumping to any size shot larger like TT, F, or FF greatly reduces the number of pellets per load and increases the potential for crippling losses."

Larger than T sized steel shot reduces pattern size and penetration and has been shown to cause some barrel scrubbing and choke enlarging in tighter and choked shotguns, Wetzel added. The larger diameter shot above T encourages skybusting. There is also the concern that using large diameter steel shot on the duck marsh at low-flying birds will result in the shot

carrying a long distance. That is potentially dangerous to other hunters on the marsh.

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin, Village Board is scheduled for Monday evening, Nov. 2, 1987, at 8:00 p.m. in the Council Room, of the Municipal Building, 204 First Street.

The agendas for meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursdays preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of the Valley Bank.

Heinie Groh, who played third base for the New York Giants in the 1920s, customarily used a bat shaped like a wine bottle.

Honor EWSCA Winners

An overflow crowd of nearly 1,000 was on hand at the 26th drivers divide up over \$30,000. The banquet was held at Millhome Supper Club. EWSCA track champs are, left to right: Hobby Stock - Dan Dippel; Modified - Dick Berth; Miss EWSCA Candi Goeden; Sportsman - Gary Laack.

KIEL — Dick Berth of Cedar Grove, Gary Laack of Glenbeulah and Dan Dippel of Plymouth were honored recently as divisional point champions when the Eastern Wisconsin Stock Car Association held its season-ending banquet at the Millhome Supper Club.

Berth, a 15-year veteran, won his first modified title after finishing second the two prior seasons. He also had the most feature race wins with six, the best mark of the three classes, as he finished with 1,388 points. Laack won his third straight sportsman's title and his sixth in 11 seasons, having set the track record at Plymouth on May 30. Dippel won hobby stocks, a division of up to 40 drivers, with a total of 237 points.

Back row, left to right: 28th place modified - Terry Chesak, Newburg; 35th place mod. - Scott Bader, West Bend; 24th place sportsman and 2nd in rookie of year standings - Karl Terlinden, Kewaskum; 31st place mod. - Erv Waala III, Kewaskum; 21st place mod. - Ken Bierter/Willie Goeden, Kewaskum. Kneeling, 8th place mod. - Don Goeden, Kewaskum; 16th place mod. - Frankie Heimerl, West Bend; and 39th place sportsman - Al Varga, Kewaskum.

Wisconsin Winter Recreation Guide Now Available

MADISON — Want to know where to ski downhill, or across the countryside? Looking for a new place to drive the snowmobile?

The Wisconsin Department of Tourism Development has a free book you'll want to keep handy this snow season. It's called "Wisconsin: Escape to Fall & Winter Recreation 1987-88," and it's available free with a toll-free telephone call to 1-800-ESCAPES, according to Bruno Mauer, Secretary of the Wisconsin Department of Development.

Publication of the 53-page guide to downhill and cross-country skiing and snowmobiling trails in the Badger State completes the Division's package of fall and winter fun information, joining the colorful "Escape to Fall & Winter" and the "Calendar of Events, September through December." Ask for the "Winter Package." Phone or write Wisconsin Division of Tourism, P.O. Box 7606,

Madison, WI 53707, and all three will be sent free of charge. Wisconsin snowmobile trail maps also are available, but must be requested specifically.

Tiger Players Disciplined

Indians Lose Final Game To Chilton; Winless in EW

The Kewaskum Indians hosted second-place Chilton Friday night to bring the season to a close and were downed by the Tigers, 21-6, finishing with an 0-6 record and last place in the Eastern Wisconsin Conference. The victory moved Chilton up as conference runner-up into the WIAA playoffs this week. (See end of this item).

Chilton used all but four substitutes for the first 18 minutes to discipline most of the team's starters for alleged athletic code violations at a party over the weekend (the party was attended by a large number of students including football players). Still the Tigers managed to beat the Indians, by bringing up Jayvees at the start who did just fine.

Although losing, the Indians played one of their better games of the season. They played hard in a tough hitting contest. Fumbles again hurt them but their defensive problems probably were caused by additional injuries. Kewaskum lost another player, Corey Oppermann, for the second half, one of numerous injuries this year.

By Ann-Marie Horner

Like the games in the past, Kewaskum scored their only points in the fourth quarter. Mike Kawczynski picked up a fumble and ran to the 13-yard line after Randy Trapp sacked the quarterback. Jeff Miller carried the ball to the 8-yard line, Mike Heberer carried to the 4, and Miller took it into the endzone. The Indians attempted the conversion, but did not succeed.

The Tigers scored three times during the course of the game.

The first touchdown occurred in the first quarter. Chilton recovered a fumble on the 46-yard line. Kevin Bornemann ran the ball down to the 20. Keith Schmitz then carried but fumbled. Tom Bailey recovered the fumble in the endzone for the first touchdown of the game.

The Tigers attempted the conversion, Bob Horst carried the ball into the endzone for the extra two points. At that point in the first quarter the Tigers lead, 0-8.

The fans had to wait until the second half before there was any more action.

Chilton received the ball on the 26-yard line. Dan Stadtmueller carried numerous times to put the Tigers on the 30-yard line. Terry Woelfel then became part of the action by carrying the ball to the 22-yard line. Stadtmueller once again took the spotlight and ran into the endzone for touchdown number two. The Tigers attempted the extra point, but the kick was wide and in turn was no good. Chilton lead the Indians, 0-14.

Kewaskum couldn't seem to hang onto the ball. The Indians had an opportunity to do something, but a fumble occurred on the play and Doug Depies recovered it.

Stadtmueller, on the first play, carried the ball to the 25 yard line. Stadtmueller then ran for a touchdown, but Mike Lubahn tackled him on the 3-yard line. Chilton got called for holding, so the play was not

good and the Tigers were back on the 35-yard line.

Stadtmueller once again carried. Attempting for a touchdown, he was tackled by Ryan Degnitz on the 3-yard line. Bill Engler, the quarterback, kept the ball and ran in the endzone for touchdown number three.

Chilton attempted the extra point and it was good. The Tigers led the Indians, 0-21, until the Indians scored in the fourth quarter. The final score was 6-21.

The Indians ended the season with a 3-0 win/loss record in non-conference play and a 0-6 record in conference, for an overall mark of 3-6.

Eastern Wisconsin Conference Football Standings FINAL

Friday Night's Results

Chilton 21, Kewaskum 6
Plymouth 34, Kiel 6
Sheb. Falls 40, New Holstein 0

Sheb. Falls, Chilton Win WIAA Playoffs

Champion Sheboygan Falls (6-0) and runner-up Chilton (4-2) represented the Eastern Wisconsin Conference in the pairings for the sectional semifinals of the Wisconsin Interscholastic Athletic Association (WIAA) State football playoffs Tuesday night. Winners in each division (6 divisions, 96 teams) advanced to the next round of play on Saturday.

Both Eastern Wisconsin teams won their games by one-sided scores. Sheboygan Falls clobbering Mayville Flyway champs, 33-7, in Division 3 and Chilton shutting out Howards Grove, 20-0, in Division 4. All other area teams were eliminated, West Bend East losing to Middleton, 23-6 (2), Lomira falling to Lake Mills, 20-18 (4) and Kohler was edged by Randolph, 3-0 (6).

Indian Girls Regional Champs in Volleyball

The Kewaskum girls volleyball team, 5-7 in conference play, appeared to be "peaking" and played some of the best ball of the season in winning the Class B regional championship at Campbellsport Saturday.

The Indians won three straight matches, defeating Random Lake, 15-7 and 15-3; North Fond du Lac, 15-13 and 15-9, and lastly Horicon in the title games 15-9 and 15-10.

The girls expected tougher going against Random Lake in the opener. The Rams had beaten Sheboygan Falls which tipped Kewaskum twice during the season. But the Indians played well in outing the enthusiastic Rams.

Kewaskum received a closer scrap from North Fondy, which beat Campbellsport in the first round. The girls were behind 0-10 but came back to win. Patty Padden and Jenny Schneider served the Indians even before

Shaw Places 15th In Sectionals

Miles Shaw qualified for sectionals last week Tuesday. Shaw, the only Kewaskum runner qualifying, ran at Sectionals, last week Saturday at South Milwaukee.

There were forty-five runners and Miles took 15th place, with his best time ever 17:18. Shaw placed fourth at Regionals and managed to beat all of the runners that had defeated him at Regionals.

The top six runners from Sectionals went on to state. Congratulations Miles for giving it a good try at Sectionals.

THURSDAY NIGHT HOT SHOTS

Eileen Schmitt, Sec.

King Pin Lanes 38 pts.; Fred Beede Insurance 33; Doyle's Construction 32; Kewaskum Saloon 28; Schrauth Builders 28; S & M Construction 24; Nichol's Mini Charter 22; Gourmet Delight 18.

going out in front. Padden was the leading spiker.

The finals against Horicon were equally close. Kewaskum led in the first game but let the Marshmen narrow the gap to three points at one stage. Horicon ace Sandy Baerwald again stood out. Deb Felix blocked well against Baerwald.

Angie Nowak did some outstanding serving, especially against Random lake. Felix was the top spiker in the tournament while Kari Kurtz and Jerry Schuster did some good setting.

MORNINGETTES

Bar - n - Annex #1 35-21, King Ping Lanes 32-24, Cliff's Hangers 31-25, Joe Berres Ins. 30-26, Shefond Oil 29-27, Bauman's Dairy 26-30, Bar-n-Annex #2 23-33, Herriges Oil 18-38.

Freshmen Team Conference Champs

KHS Volleyball Teams Close Out Season

By Debra Rimmel

On Tuesday the KHS varsity volleyball team lost to Plymouth despite alot of help put out by the team.

Patti Padden served three straight points and also had four spike kills. Debbie Felix also had four spike kills. Jenny Schneider came up with 32 assists. Karen Felix added five spike kills.

On Thursday the KHS Varsity Volleyball team won their matches against Kiel with Debbie Felix spiking down seven great kills. Jenny Schuster showed nineteen assists, while Andrea Fliess pounded six kills to the floor.

The Junior Varsity lost both to Plymouth and Kiel. In the first match, Kim Stielow started the match out with two serves. Kim Gaffke had some really short serves for two points, but Plymouth won, 6-15.

In the second match, Plymouth won 11-15, despite Lisa Wheeler serving three points.

In the third match Paula Wilson began the match with twelve straight points. Yvonne Amerling added two points to make it 14-4. Plymouth added ten points to tie the score 14-14 and then added two more to win 14-16.

The KHS Junior Varsity team took another loss to Kiel to finish out the season with an 0-12 record.

Paula Wilson played five serves while Lisa Harlow spiked five kill attempts. Keiko Ijima had 5 straight serves and Lisa Wheeler served six to help the team, but it just wasn't enough. The scores were 2-15, 6-15 and 6-15.

In a show down match for first place with Plymouth the freshmen volleyball team had their hands full. The Plymouth Panthers behind some strong serving and aggressive net play defeated the Indians 2-15

in game one.

However the aggressiveness and momentum changed hands in match two. Lora Delcore and aggressive net play by Rachelle Zuehlke defeated Plymouth 15-11. The Indians were determined to win the match as they jumped out to a 5-0 lead.

Pam Gauger and Melissa Braun led the Indians' attack with their serving. Carrie Krause and Kelly Rohlinger played a nice net game, keeping the ball in and finding the openings.

Everyone played well when they had the opportunity. It was definitely a team effort and a well deserved win. The Indians moved into first place with a 9-1 record.

The team defeated Kiel 15-10, 15-4 and 15-3 on Thursday night. This win gave the Indians a glossy 10-1 record and crowned them conference champs, the first time ever in Kewaskum Volleyball history.

Great performances were displayed by Kelly Rohlinger, Carrie Krause and Nicole Gaffke. It was a team effort as everyone saw a lot of action.

Congratulations to the Freshmen Volleyball players and their coach: Marlene Wodsedalek, Tisha Stradtman, Pam Gauger, Patti Aupperle, Melissa Braun, Janel Flynn, Nicole Gaffke, Nicole Doherty, Lora Delcore, Wanda Jacobs, Rachelle Zuehlke, Carrie Krause, Mary Jo Breit, Jennifer Schneider, Tracy Steinert, Amy Chesak, Kelly Rohlinger, Jenny Degnitz, Melissa Jacak, Heather Kulcinski and their own coach Mary Holfeltz.

Ty Cobb, the greatest batter of all time, had a lifetime batting average of .367.

THANK YOU KEWASKUM JV VOLLEYBALL
I never forget that serve, that shower, and you guys
Love, Keiko
