## Another New Business for Kewaskum *Country Road Refinishing Open*

Main Street Motorcycle Parts and Tattoo opened for business this past week. David Jaecks worked on the outlines of a new tattoo for Gary Esser (right). Jaecks has eleven years experience in the art of tattoo.

By GERRY MUELLER  
Statesman Staff Writer

Main Street Motorcycle Parts and Tattoo, 115 Main Street, (formerly Homer's Barbershop) was the second new business in a week to open in Kewaskum. The store, operated by partners Gary Esser, David Jaecks and George Schwartz, will sell after-market and

custom parts for Harley Davidson motorcycles as well as offer complete engine and transmission rebuilding. Esser is a fulltime semi-truck driver and Schwartz is a steam-fitter with local Union 118. Jaecks, who will be working in the store full time, also does tattooing. Jaecks has eleven years

experience in the art of tattooing and has operated his business in Campbellsport for the past five years. He said tattooing will be done by appointment only and "no one" under eighteen years of age will be permitted to get a tattoo, even if they have written permission from a parent or

Bob Schroeder, owner of Country Road Refinishing, working on a table to return it to its original beauty.

By GERRY MUELLER  
Statesman Staff Writer

One of two new businesses to open in Kewaskum last week was Country Road Refinishing, owned and operated by Bob Schroeder of rural West Bend. Schroeder's business occupies the old warehouse and storage building behind the General Store Antique Mall (formerly Rosenheimer's Department Store).

A stonemason by trade, Schroeder has expanded an interest in restoring and refinishing furniture into a second career. He said the idea to open the shop was the result

of a suggestion by his friend Tom Greip, co-owner of the antique mall. Prior to opening the store, Schroeder did refinishing at his home. For the present Schroeder will be open Thursdays and Fridays from 9:30 a.m. to 5:30 p.m., and Saturdays from 10:00 a.m. to 3:30 p.m. Schroeder said his services will be flexible, from just stripping and repair for customers who want to do their own refinishing, to complete restoration and refinishing. As an example, Schroeder said chair stripping would run approximately \$15-20

### Legal Fees Mounting Over 'Legal Fees'

## Board Approves Payment

By GERRY MUELLER  
Statesman Staff Writer

On a 4-2-1 vote Monday night, the Kewaskum School Board voted to pay approximately \$2,300 in legal fees incurred by District Administrator Penny Kleinhans as the result of a suit brought against her by Charles Trapp, husband of board member Clara Trapp.

The motion, made by board member Donald Nowak and seconded by Ron Theusch, passed with Theusch, Nowak, Perry Ankerson and Ralph Horner voting yes, Ruth Schmitt and Ron Beimborn voting no, and Clara Trapp abstaining.

Action on the agenda item was tabled until the district's legal counsel Michael Spector arrived to give his opinion on the matter. He told the board, according to state statutes, it had been served with a "Notice of Claim" seeking payment of the fees incurred before Kleinhans' representation was taken over by lawyers provided by the district's insurance carrier

Wausau Insurance. Spector said, "if a party has a claim against a municipality, a notice of claim must be filed within 120 days." Spector said the serving of that notice was proper and legal. In return, he told the board, the School District then has 120 days to act on it. He indicated that gave the board three choices, pay the claim, disallow it, or don't do anything. "If you disallow it or don't do anything, a suit can be filed," said Spector.

Spector was asked what the board's responsibility was in the matter. "Is the board required to pay, I think it probably is," said Spector.

Nowak asked Spector if there was a chance he would come up with a portion of the fees since the board's delay in turning the matter over to its insurance carrier was partially the result of advice it had received from him. Spector was non-committal but indicated he would consider looking into it.

The bottom line was that Spector recommended that the board pay the bill. "I feel

strongly that if you put this matter behind you, it would be in everyone's best interest." Schmitt told the board that, while she felt the situation was unfortunate, she intended to vote against the motion. "I plan

### Statewide Tornado Warning Exercise

On Thursday, March 24th, the National Weather Service will issue a **SIMULATED Tornado Watch for Exercise Purposes Only** at approximately 12:30 p.m.

At approximately 1:21 p.m. the National Weather Service will issue a **SIMULATED Tornado Warning for Exercise Purposes Only**.

At approximately 1:45 p.m., the National Weather Service will issue a cancellation of the **SIMULATED Warning**, which will terminate the **SIMULATED Tornado Watch**.

## Indian Booster Basketball Classic Saturday, March 19

Get ready, Kewaskum! It's time for the annual Booster Basketball Classic. We will, of course, have all the fun events you remember from years past — our fierce firemen going head-to-head in some truly classic basketball games, Kewaskum Indian Band directed by Larry Ammel, the champion rope jumpers, door prizes galore, and hot dogs, candy, popcorn and soda to tempt your tummy. All this for the low, low price of \$1.00.

Plus, we've got a few new wrinkles to add to the fun. Between games our revered founder and host of hilarity,

Tom Larsen, will be running free throw contests sponsored by Homeplate — baskets for Burgers. Don't miss your chance for a free cone. Mmmmmmm!

We've also added a big bonus this year. For an additional \$1.00 you can buy a chance to win a front load VHS, cable ready, wireless remote control video cassette player by Magnavox. American, eat your heart out!

To entertain you between games we've invited the Holy Trinity Cheerleaders and the Kewaskum Indian Gymnastics

[Continued on Page 2]

## School Board

[Continued from Page 1]

to vote no because I believe the district did its part in providing the insurance and that is our only responsibility." Schmitt said no notice of injury was filed with the board so that ended the district's responsibility.

Business Manager Cherna Gorder told the board that the policy had been brought to the October 26th meeting but she could not present it, "because someone took it off the agenda." "You felt it was a personal matter and there was no chance to talk about it," said Gorder.

Ankerson told fellow board members, "If we don't resolve this matter tonight, we will resolve it in a lawsuit."

Beimborn said he thought paying the bills (the original, plus \$270 for filing the claim) would have an adverse affect on the case. He also indicated he did not think the district should pay the fees since two insurance companies had refused to do so.

It was noted that the companies' refusals were based on the fact for one, the district's policy did not cover such an incident, and for the other, it should have been asked to handle the case immediately. "Not," because they were not justified.

Ankerson told Beimborn Wausau Insurance has since picked up all the costs for Kleinhans' legal expenses. Spector noted that Wausau Insurance had acknowledged that the suit was a result of Kleinhans' performance of her duties as district administrator and therefore entitled her to representation by the company's attorney, as provided under the school district's insurance coverage.

Ankerson told the board it was time it took responsibility for its own actions. "This is a millstone around our necks." He also asked Spector, "We've had some costs with you Michael (related to advice and discussion concerning the payment of Attorney Doyle's fees). Spector acknowledged there were some costs. "What has it cost the school district to 'not pay' this bill immediately," asked Ankerson, "can you estimate this cost?" Spector indicated he could not be specific.

Kleinhans told Ankerson that, while she did not have all the bills in front of her, Spector's charges for advice, and discussions with the insurance company had come to \$2,300 so far. Ankerson told his fellow board members, "I think we've picked the pockets of the taxpayers."

To date, legal fees in this matter for attorneys Doyle and Spector have amounted to almost \$5,000 with the possibility of some charges from Mr. Spector still outstanding. In making the motion Nowak said, "We took the advice of our attorney, let's take it one more time and approve this motion."

In other business the board heard a report from Dan Wangerin, Local Vocational Education Coordinator, on the district's vocational/technical education programs and related co-op projects. Wangerin said he was very pleased to report that he had received nothing but praise and good words about the students who have taken part in the cooperative learning/work experience programs in area businesses.

Kleinhans asked the board for approval to increase the social worker position from 50% part time, to full time. She said the demands for the social worker's services has increased dramatically and the part time position did not provide enough time to meet all the requests for her services. Kleinhans also noted that the cost of a social worker position is reimbursed 50% by the state so the cost of a full time position would be \$15,000.

Schmitt said she would like more information and felt rushed into making a decision. The board agreed to table action on the request until its next meeting.

The board also approved teaching contracts for the 1988-89 school year. With 113 1/2 full time equivalent positions, Kleinhans said this would represent a slight reduction of .8 of a position. However, if the board approved the full time social worker position the reduction would be .3 of a position, still below this year's FTE figures.

In other action the board approved the purchase of a new water softener for Wayne Elementary School at a cost of \$1,483, the hiring of Tom Bartelt as head HS baseball coach, Clark Pearson as head HS football coach, Rob Anglim for Middle School Intramurals, and the resignation of Dennis Reha as assistant MS basketball coach.

The board also reviewed computer and library budget requests for next year.

**Nell, after I die, I wish you'd marry Deacon Brown. Why so, Hiram? Well, the deacon trimmed me on a horse trade once.**

## New Business

[Continued from Page 1]

guardian.

Jaacks said he has worked with doctors in relation to his tattooing procedures. He uses autoclave sterilization and never re-uses any tattooing needles. The store has a separate room and blinds for customers who may wish privacy or confidentiality in acquiring a tattoo.

Schwartz will also work part time in the store handling parts and equipment sales.

The store's hours are Sunday through Thursday 11:00 a.m. to 8:00 p.m., Friday and Saturday 11:00 a.m. to 11:00 p.m. Tattooing by appointment only. The telephone number is 626-4445.

## Offer Free Blood Pressure Screening

There will be Blood Pressure Monitoring for Kewaskum Senior Citizens offered by Washington County Community Health Nursing Service. The APRIL clinic date is:

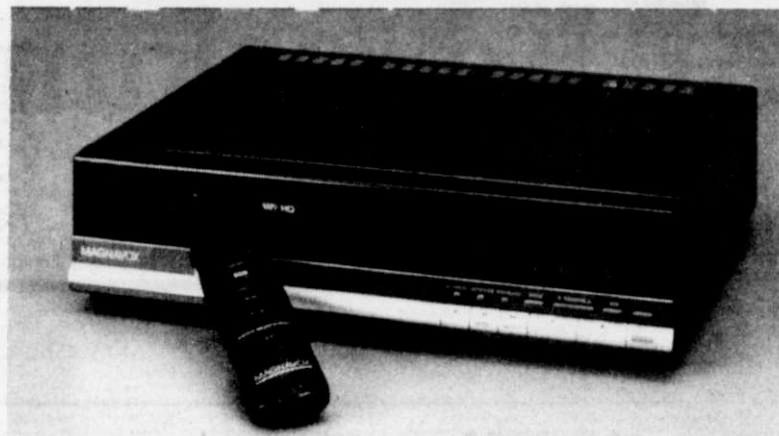

April 6, 1988, 9 - 11:00 a.m., American Legion Hall, Kewaskum Senior Club, 1538 Fond du Lac Ave., Kewaskum, WI 53040.

For further information, call 338-4462, 644-5204 or 342-2929.

## HELP NEEDED FOR '73 CLASS REUNION

Anyone interested in planning the class of '73 class reunion please call 629-9285 or 334-3578.

## Booster Club Basketball Classic This Saturday

Booster Classic Grand Prize - Magnavox VCR with remote control.

[Continued from Page 1]

team coached by Sue Paul-Kenfield.

The fun begins Saturday, March 19, 6:00 p.m., in the Fieldhouse at Kewaskum High School. The first game brings the Fire Departments of Fillmore and Beechwood into confrontation. Then at 7:00 the Kewaskum Teachers battle the Kewaskum Fire Fighters versus the Kohlsville Firemen. We end the night with the Kewaskum Jaycees pitted against the Wayne Bunch. Judging from

the action of former years' games, you can plan to watch some 'inspired' basketball.

So, pack up the family, eat with us, be entertained by us, maybe win a few prizes from us, but don't miss us - THE BOOSTER BASKETBALL CLASSIC, SATURDAY, MARCH 19!

## Country Road

[Continued from Page 1]

per chair, depending upon the type of finish being removed.

Schroeder still works three days a week as a carver, however, he would like to turn his refinishing business into a full time occupation.

Schroeder said people are invited to bring in their furniture for estimates or they can call him at 675-2350. He plans on holding a grand opening for the shop later in April.

## ABC CLUB SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, Feb. 9, were: Frank Kadinger, 18-1-17 net; Elmer Fabian, 12-2-10 net; Harold Eggert, 14-4-10 net; Julius Yahr, Club Solo vs 4.

**TWO TEAMS GOING TO STATE**

**Three OM Teams Receive Trophies at Regional**

Out of six Kewaskum School District teams that attended the regional Odyssey of the Mind meet at Milwaukee's Morse Middle School last Saturday, three returned home with trophies.

Kewaskum High School entered two teams: "Atlantis" Division III received first place out of two teams; "Gift of Flight" Division III received second place out of four teams.

Kewaskum Middle School received first place for "Gift of Flight" Division II out of ten teams competing.

Odyssey of the Mind is a

competition in which students who try out and are selected, are challenged to use their abilities, in Intellectual, Mechanical, and Artistic areas to perform a prescribed number of feats within limitations and requirements set by the National O.M. Committee.

Kewaskum School District has excelled in the O.M. program for the last three years with all volunteer coaching.

First place winners will go on to state competition at Stevens Point at a later date to be announced.

From Tom Kennelly

**GENERIC DRUGS**

What are 'generic' drugs? A generic drug has the same basic chemical formula as a 'Brand name' drug, but is usually less expensive. The cost of a brand name drug includes the advertising and prestige of the large pharmaceutical laboratory that produces it. You can save money by asking your doctor to specify the generic drug on your prescriptions that he writes.

We welcome your pharmacy business

**WINTER PARKING BAN LIFTED**

**Retired Squad to Head East**

By GERRY MUELLER  
Statesman Staff Writer

The Village of Kewaskum received four bids for the purchase of its recently retired 1986 police squad and on the basis of high bid, the car will be going to Woodside Motors of Woodside, New York for \$2,501. Woodside has been an unsuccessful bidder on the village's retired squads in the past, this is the first year they came up with the high bid.

In other business the board reviewed bids for a new replacement pickup truck for the Water Pollution Control Department. The low bid came from Bob Fish of West Bend for a new GMC 1/2 ton, at \$8,350 with trade-in.

The board also approved the lifting of the winter parking ban and the purchase of four new

Christmas decorations for the village. The village will also ask the Electric Company to wire some of its poles south of the firehouse on Fond du Lac Avenue so Christmas lights can be put up on that end of town.

In reviewing the Parks Committee meeting, the board decided to proceed with some bathhouse remodeling at the Kiwanis Park Pool which will allow the village to operate with just one attendant instead of two as in the past.

The trustees gave Administrator Dan Schmidt approval to apply for Wisconsin Electric's Smart Money Energy Program to rehabilitate some of the village's mercury vapor street lights to the more cost effective sodium type.

Trustee Mary Krueger

advised the board that the County Incineration Committee has hired R. W. Beck and Associates to write a grant application for funding to do a feasibility study.

The board also approved two bartender license applications.

**Retirement Party For DNR Worker**

Walter Ketter was honored at a retirement party held on Saturday, March 12th. Over 125 friends, co-workers and family members were present to wish Wally the best in his retirement years. Wally worked for the Dept. of Natural Resources for over 40 years and retired on Jan. 4, 1988. He and his wife Rose are now residing in the Campbellsport Area.

## Junior Women's Landscape and Garden Program Enjoyed by All

Left to right: John Lamm of Jackson, John Lamm Jr., and Ron Koepke presented the program on "Landscapes and Gardens" to the Kewaskum Junior Woman's Club and community members.

Community members and clubwomen of the GFWC Kewaskum Junior Woman's Club enjoyed a very informative two hour slide presentation by John Lamm of Jackson on Tuesday, March 8th on designing, building and maintaining landscapes and gardens.

Mr. Lamm's program took viewers "near and far," showing early photos and

finished landscape designs for Regal Ware, Valley Bank, UWWC, West Bend Art Gallery, West Bend River Walk, Holy Hill and Concordia College. Milwaukee's Whitnall Park and Mitchell Park Domes were pictured, as well as lovely Pennsylvania landscapes and Disneyworld.

Topics of interest included flowering trees and shrubs,

perennial gardens, grass in shade, retaining walls and brick walks. In each case, Mr. Lamm stressed the importance of soil preparation for better plantings and preparation of the base for walls and walks.

Though mainly involved in landscape contracting, John Lamm of Jackson, Inc. also runs a garden center and a five to six acre nursery of trees, shrubs and evergreens, and he will be opening a gift shop in April.

Of special interest to those in attendance were suggestions on color in the landscape, how to soften the look of masonry with evergreens, "anti-mosquito" flowers, hardy hedges for Wisconsin and grass for shady areas.

By far the most spectacular slides featured Longwood Gardens, America's foremost gardens in Pennsylvania, with 100-200 acres of manicured landscapes.

Mr. Lamm also noted continued work on "Sylvia's Garden," a small arboretum on the Jackson property.

The Kewaskum Juniors wish to thank Mr. Lamm and his assistants, Ron Koepke and John Lamm Jr. for an excellent program.

### WEDNESDAY MORNINGETTES

## Kewaskum Man Acting In Dinner Theatre

Randy Wilhelmi, right, and Lea Kempenaar in Spotlight Productions' "Your Flake or Mine?"

Randy Wilhelmi of Kewaskum portrays Irving Moss in Spotlight Productions' Dinner Theatre performances of "Your Flake or Mine?" a comedy by Jack Sharkey.

Wilhelmi brings to the stage much experience in school and community productions. He's a graduate of Kewaskum High School where he was in school musicals including Lil Abner and Oklahoma. He has performed at UWWC and has been in several shows for Spotlight Productions including "Carnival!" "The Boy Friend," and "Oliver!" Wilhelmi is also a member of the Society for Creative Anachronism (a medieval recreation group) and enjoys playing Advanced Dungeons and Dragons and playing with computers.

This week "Your Flake or Mine?" opened with Wilhelmi portraying a man of many talents. As Irv, he plays a perpetual student. Irv gets \$20,000 a year as long as he stays in school, so he is working on his fifth college degree! His character adds hilarity to the comedy which revolves around a couple and their occupations (one- a greeting card writer and the other- in the Breakfast Cereal business).

"Your Flake or Mine?" opened March 11th at the West bend Royale Hotel and runs the 12th, 13th, 18th, 19th, and 20th. Dinner-theatre packages are available on Friday and Satur-

**NEWS EXTRA...**

**AGRICULTURE - YOU'VE COME A LONG WAY**

Agriculture...it's been around a long time. Of course, when the whole idea got started, it wasn't quite as successful as it is now. Back then...it was lucky if a farmer could produce enough to feed his own family. Everyone had to farm just to survive!

Well, things did get better. The inventions of the plow and more importantly the horse collar harness helped agriculture "move along!" So much so, that by the early 1900's a farmer could feed his own family plus a few extra. This surplus of foodstuffs allowed individuals to move off the farm and made possible the industrial revolution. And so the story goes from horse-drawn power...to motorized horsepower!

Yesterday's agriculture fed the farmer, his family, and 3 to 5 extra people...today's agriculture feeds the farmer, his family, and 79 additional people! In Wisconsin alone, our farmers produce enough food to sustain over 6.3 million people — that's Wisconsin's entire population plus 1.5 million more!

On the annual celebration of Agriculture Day, March 20th, take time to say thanks to the farmers of this state. Thanks for feeding us, our nation, and the world...without you - we'd all be back on the farm!

**Ag Day is the First Day of Spring**

Once again, Wisconsin celebrates the first day of spring, March 20, as Agriculture Day. To make it official, Gov. Tommy G. Thompson issued a proclamation in honor of "those men and women responsible for growing, processing and marketing Wisconsin's quality agricultural products."

Thompson said "the business of food and fiber accounts for one of four Wisconsin jobs" and contributes to its economic health, stability and well-being.

This year's theme is "Honoring America's Providers." It pays tribute to the agricultural sector, which accounts for 16.6 percent of the gross national product and 17.9 percent of the U.S. workforce. In 1986-87, agriculture generated \$27.9 billion worth of exports, helping

improve the nation's trade balance. With Thompson's proclamation, Wisconsin joins the nationwide celebration.

Thompson said Wisconsin ranks first in the production of dairy products and commodities such as mink pelts, hay, snap beans and green peas. It is also among the top producers of sweet corn, tart cherries, cranberries, maple syrup, cabbage, carrots, potatoes, cucumbers, mint, ginseng and hides.

Agriculture Day began as a nationwide event in 1973, with a congressional resolution and a presidential proclamation. Since the beginning, it has provided an opportunity to educate the urban consumer about American agricultural and agri-business achievements.

The National Agri-Marketing Association, a nationwide organization of students and marketing professionals, has helped publicize Ag Day since 1973. In Wisconsin, the Badger NAMA and the University of Wisconsin - Madison NAMA student chapter are cooperating with agribusiness, trade associations and government agencies in informing the public about "Honoring America's providers."

**7th Annual Cheese Sale at Fond du Lac**

The Fond du Lac Area Agri-Business Council, Association of Commerce, and area Farm Organizations are presenting the 7th Annual Cheese Sale at Forest Mall on Saturday and Sunday, March 19 and 20. Proceeds from the event will go for scholarships to students furthering their education in agricultural related fields and other events.

Cheese from area manufacturers will be on sale at a reduced price. We will have available your old favorites like Brick, Swiss, Colby, Mozzarella, String, and the list goes on and on.

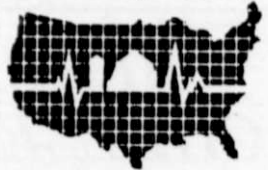

To coincide with the cheese sale on March 19 and 20, the Fond du Lac County Nurses will be conducting a health clinic doing diet analysis on a computer, and this year they will be having a free blood pressure screening. This will be conducted in the area formerly known as Fox Keepsake

Diamond Center. Also, there will be free cheese samples of various types of cheese such as a new low sodium cheddar and a low sodium swiss, and a low cholesterol cheese will be available for sampling. Area 4-H groups and the Jr. Holstein Association will be offering free samples of a new health drink called Yogurt-To-Go, and for the person who is allergic to milk sugar, there is a new product called Lactaide Milk. This will also be available to sample. A professional cheese maker from Tolibia & Widmer's will be available to answer questions on both Saturday and Sunday from 12:00 noon to 3:00 p.m. So come check it out and see what they can tell you. The Dairy Queen and Princess will also be on hand for anyone to visit with.

As an added feature this year, we are featuring a cutest little Farmer/Farmette contest on Sunday, March 20. Participants from ages 2-5 and 6-8 will dress up the way they think a little farmer should look. Time for this will be Sunday at 1:00

p.m. on center stage in front of Penney's. On hand for the event will be "Tina Belle" the cow. First prize for the 2-5 age group will be an 8 x 10 portrait donated from Monarch Studios; the 6-8 age group will receive a \$100.00 Savings Bond from the Independent Bankers of Fond du Lac County (Bank of Oakfield, Mt. Calvary State Bank, Rosendale State Bank, and State Bank of St. Cloud). There will also be free entry prizes for the first 100 kids to participate. So mom's get them overalls out and spruce up your little farmer for the show on March 20.

# Honoring America's Providers

## Farmers are efficient producers

U.S. farmers today produce over 80 percent more crop output on an acre of land than did their fathers. Today, one hour of farm labor produces 16 times as much food and other crops as it did in the 1919-21 period. New technology has made these gains possible. The productivity of the land now depends upon the skill and knowledge with which capital is applied. The bigger the volume that farmers can raise and sell, the lower the product cost per item. So U.S. consumers gain from the increase in farm production efficiency.

The following chart on productivity indicates how labor requirements have changed since the beginning of the 19th century.

Labor required to produce wheat, corn, and cotton.

	hours			
	1800	1935-39	1955-59	1980-84
Wheat (100 bushels)	373	67	17	7
Corn (100 bushels)	344	108	20	3
Cotton (1 bale)	601	209	74	5

Yield per acre were 15 bushels for wheat, 25 bushels for corn, and 154 pounds for cotton.

And the following chart shows yield changes since 1800.

Yields per acre of wheat, corn, and cotton.

	1800	1940	1960	1985-86
Wheat (bu)	15	15	20	34
Corn (bu)	25	29	55	118
Cotton (pounds)	154	253	446	630

In 1790, 3,000 bales of cotton were produced. With the advent of the cotton gin in 1793, production rose to 73,000 bales by 1800. Other crops produced at this time include 160 million bushels of grain products, 22 million bushels of wheat, 107 million pounds of tobacco, and 300 million board feet of lumber.

## Food prices rise less than other consumer prices

Food prices rose 3.2% in 1986, slightly higher than the 2.3% increase in 1985, according to the Consumer Price Index.

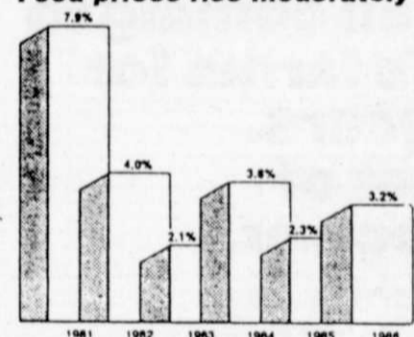

The farm prices of food products, that is, the value of the farm goods that go into the food product, went down for a second consecutive year making the 1986 farm value of food the lowest since 1979. Following a 7.1% decline in 1985, the farm value of food fell 1.3% lower.

The farm value averaged 30% of the retail cost for a "market basket" of foods purchased in grocery stores, down from 31% in 1985 and 34% in 1984.

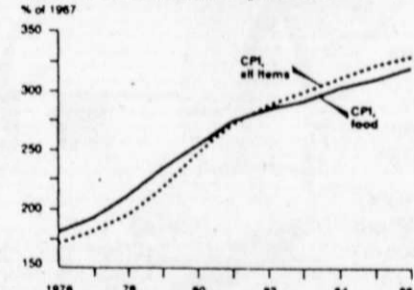

The farm share of the food dollar has declined recently because abundant food supplies have held down farm prices while rising costs to processors and distributors have boosted retail prices.

About 25 percent of last year's food spending went back to farmers, who received about \$89 billion. This share is lower than the 30 percent farm value share for the market basket of food because it includes the much lower 16 percent farm share for away-from-home food spending.

Food prices rise moderately

Food prices rise less than other consumer prices

Source: Consumer Price Index, Bureau of Labor Statistics, U.S. Department of Labor

## A Farmer Comparison.

An American farmer provides food and fiber for 114 people.

Compared with a farmer that provides food and fiber for:

- 3.5 in China
- 3 in Japan
- 8 in Argentina
- 4 in Brazil
- 11 in the U.S.S.R.

Skill combined with technology make this production miracle possible.

Join us on **NATIONAL AGRICULTURE DAY**, March 20, 1988 -- in honoring America's providers: the 21 million men and women who make up the food and fiber industry.

Agriculture Council of America Education Foundation

Honoring America's Providers

## Food and fiber industry

There are 21 million people working in agriculture. Each additional \$1 billion of agricultural or food and fiber demand creates 30,000 to 35,000 additional jobs and adds a total of \$2 billion to the Nation's Gross National Product.

Each \$1 billion earned from farm exports in 1986 created another \$1.51 billion of output in the U.S. economy, for a total of \$2.51 billion. In 1986, 0.8 million (or 781,000 full-time jobs) related to agricultural exports. Nearly 450,000 of those were non/farm jobs assembling, processing, and distributing farm products for export.

Activity	Number Workers (In millions)
Farming	2.1
Services	4.1
Manufacturing	1.3
Food	1.4
Textiles	1.6
Distribution	
Wholesaling and Retailing	6.2
Food Service	3.8
Transportation	.5
TOTAL	21.0

## Facts on agriculture and the hungry

The U.S. is the world's largest food donor.

In 1985, the U.S. exported \$1.3 billion under PL 480, the Food for Peace program. African drought relief accounted for this higher-than-usual level of food aid. In 1986, world food needs weren't as great. Weather still drives world agriculture, however, and is increasing estimates of world food shortages for 1988. Severe drought in India and Ethiopia and inadequate rainfall in many African countries have increased world food needs to 26 million tons.

World Food Needs	U.S. Shipments	
84/85	11.7 mil. tons	7.5 mil. tons
85/86	8.8 mil. tons	6.7 mil. tons
86/87	6.6 mil. tons	6.5 mil. tons (est.)
87/88	26.0 mil. tons	6.1 mil. tons (est.)

A growing portion of the USDA budget goes to feeding the hungry in America.

The number of Americans facing hunger in 1986 was 20 million, according to the Physicians Task Force on Hunger. That number continues to grow. More and more families are standing in soup lines, whereas in the 1970's the hungry was largely made up of single men. Although many programs were cut in 1980, USDA costs for these programs have increased 42% (not adjusted for inflation). The total cost for various food distribution programs was 20 billion in 1986. Programs include: the Food Stamp program, Women, Infants and Children program, Child nutrition programs and other. Funding is also provided by private organizations and some state and local organizations mostly in the form of "emergency food assistance."

The food problem in some Third World countries has prompted Lloyd Timberlake in his book *Only One Earth* to remark that "the average British cat eats twice as much animal protein every day as the average African citizen." Further, the estimated cost of maintaining a British cat is \$260 per year; a figure that is "more than the average annual income of the one billion people who live in the world's 15 poorest nations," he says.

We can't attest to the cost of feeding a cat in Britain. The British spend about \$900 per person annually on their own food, beverages, and alcohol. To take nothing away from the desperate need of poor countries for protein, it still can be said that the kind of animal protein in cat food wouldn't cause very many people to salivate, nor would it likely send very many to the stump to advocate that we kill the cat and send the cat food to the "poor people around the world."

## National Agriculture Day -- 1988

U.S. Department of Agriculture - Office of Governmental and Public Affairs.

AGRICULTURE IS MORE THAN FOOD

We depend on farmers for our food - and a lot more besides.

We count on farmers for obvious non-food items: wool and cotton for our clothing; leather for our shoes, belts, luggage, and other "leather goods"; pulp for paper and wood for our homes, other buildings, and furniture; and fiber for sacks, bags, and boxes. The American Paper Institute reports that paper and paperboard production averaged two pounds per person per day in January 1986.

Farmers produce our tobacco, another nonfood product. The greenhouse and nursery business, which is predominantly nonfood agriculture, has grown in dollar volume until it generates more cash farm income, \$5.8 billion, than either the \$1.9 billion for tobacco or the \$2.7 billion for cotton. Forest products add \$1.4 billion to farm cash income; wool adds \$55 million. Agricultural mining is an \$18 billion industry directly employing more than 100,000 people.

Then there are common non-food items we might not readily think of as "agricultural": there's grass seed for lawns, bird seed for the birds, and how about pet food for dogs and cats? People spent \$6 billion last year for dog and cat food, nine and one-half billion pounds of it, says the Pet Food Institute.

The more exotic agricultural products are something to contemplate as you relax and go fishing, maybe to bait your hook with a worm or other bait from a bait farm. That's an agricultural product, too. You'll find agricultural products in gasohol fuel, industrial alcohol, adhesives, cosmetics, fragrances, soap, candles, paints, chewing gum, utility poles, lead pencils, and pesticides containing substances such as nicotine and pyrethrum.

Next time your doctor gives you a shot, try to take your mind off the needle by concentrating on the fact that the vaccine may have been cultured in an egg, (an agricultural product.) About one-fourth of all prescription drugs contain agricultural products.

We've come a long way from old nonfood agricultural standbys such as straw mattresses, feather dusters, mustard plasters, leather chaps, and six-shooter holsters, but nonfood agriculture is still all around us. It's big business, not to be swept under the rug, especially if the broom is made from broom corn. Yep, that's agriculture.

## VERONICA M. THULL

Veronica M. Thull, 81, of Town of Kewaskum, passed away on Monday March 14, 1988, at St. Joseph's Community Hospital, in West Bend. She was born on February 21, 1907 in the Town of Farmington, the daughter of the late Nicholas and Anna (Schneider) Thull.

Miss Thull was a member of the St. Michael's Catholic Church in St. Michaels, The Christian Mothers Altar Sodality and a member of the church choir for 56 years.

Survivors include two brothers: William (Cyrilla) Thull of Town of Kewaskum, and Theodore (Rita) Thull of Town of West Bend. Five sisters: Rosina Thull and Mrs. Elmer (Ann) Thill both of Town of Kewaskum, Irma Mueller and Lilly Uelmen both of Town of Farmington, and Marie Kissing of West Bend; many nieces and nephews.

In addition to her parents she was preceded in death by a brother, Jack.

Funeral services were held at Miller Funeral Home, Kewaskum, at 7:30 p.m. and at St. Michael's Catholic Church, St. Michaels at 8:00 p.m. on Tuesday, March 15, with Father Ralph Wagner officiating. Burial was in the parish cemetery at 10:00 a.m. on Wednesday. Friends called from 4:00 p.m. until the time of services at the Miller Funeral Home, Kewaskum.

## ISABELLE THEISEN

Graveside services for Isabelle Theisen, 97, formerly of Campbellsport, were held at 9:15 a.m. Monday at St. Matthew's Cemetery, Campbellsport. The Rev. Gerald Schmitz officiated. There was no visitation.

Miss Theisen died Thursday, March 10, 1988, at Fond du Lac Healthcare Center.

She was born Dec. 8, 1890 to John and Frances Theisen at Campbellsport. She was formerly employed as a housekeeper in the Fond du Lac area.

She is survived by nieces and nephews. Three brothers and one sister preceded her in death.

Uecker-Witt Funeral Home is in charge of arrangements.

## WILBERT W. KLETZINE JR.

Wilbert 'Bill' W. Kletzine Jr., of West Bend, died Saturday, March 12, at his residence, at the age of 30.

He was born Aug. 26, 1957, in West Bend, and at the time of his death had worked at The Threshold for six years.

Survivors include his mother, Lillian of West Bend; two sisters, Diane (Dale) Miske of Beechwood and Donna (Charles) Lepak of West Bend;

a brother, James (Linda) of West Bend; maternal grandfather, Walter (Edna) Braun of Kewaskum; a dear friend, Raymond Bingen of West Bend, and other relatives and friends.

Preceding him in death was his father Wilbert Kletzine Sr.

Private funeral services were held Monday, March 14, at the Myrhum Funeral Home, West Bend, with burial in Washington County Memorial Park. Rev. Victor Hackbarth officiated.

Memorials to The Threshold appreciated.

## DELBERT P. BINGEN

Delbert P. Bingen, of 512 Jackson St., West Bend, died Wednesday, March 9, at St. Joseph's Community Hospital, West Bend, at the age of 72.

He was born Oct. 31, 1915, in the Town of Addison, and married Rose Mary Pastors on Jan. 31, 1942, at St. Mary's Church, Barton.

He was a veteran of WWII, serving in the U.S. Army. He began working at the former Bermico Co. in 1948, retiring in 1978.

Survivors include his wife; seven children, Thomas (Sandra) and Mark (Patricia), both of Milwaukee, Gary, James (Diane) and Kathleen (Richard) Hirschboeck, all of West Bend, Paul (Ellen) of Hartford and Linda (Greg) Wisniewski of Theresa; 14 grandchildren; a sister, Bernice Bier of Kewaskum; a brother, Donald (Jan) of Baltimore, Md.; three sisters-in-law, Mary Ann Bingen and Marie (Alex) Bales, both of West Bend, and Loretta (Ray) Bales of Kewaskum; a brother-in-law, Joseph Pastors of West Bend, and other relatives and friends.

Preceding him in death were a daughter, Jean Ann Bingen and a brother, Eugene.

Funeral services were held Friday, March 11, at 7:30 p.m. at the Myrhum Funeral Home, West Bend, with a Mass of Christian Burial at 8 p.m. at St. Mary's Immaculate Conception Church, West Bend. Fr. John Furtmann was the celebrant, and burial was in St. Mary's Cemetery Saturday morning.

# LETTERS TO THE EDITOR

3-14-88

To Concerned parents and citizens of the Kewaskum School District:

Upon the friendly urgings and their warm encouragement, by a goodly number of individuals in the district, I decided, after an early and impromptu retirement from

teaching, to further extend my services to the community by being a candidate for your school board.

Some of my views are as follows: A member of the school board -

1. is an elected representative of the people of the district,
2. sees that the administration and staff adheres to policies that promote quality education for your children and that the administrator is a good leader who leads and exhorts.
3. wants high moral values and good attitudes for all employees.
4. will engender a friendly atmosphere by increasing the morale of the faculty and school personnel.
5. will ensure proper and good discipline of children so that they will show respect for themselves, others and property.

As a member of the board of education, I will welcome any suggestions from you parents and citizens that will help in keeping expenditures at the lowest possible level. Then, together, you parents and citizens, with the board, administration and faculty can build a better community that has a sparkling spirit of which we all can be proud.

Sincerely,  
Edward J. Slegler, Jr.

## To Beechwood Area Citizens:

The Beechwood Concerned Citizens group, formerly the Beechwood P.T.O., will be holding a meeting on Tuesday, March 22nd at 8:00 p.m. at the Beechwood School Library.

This meeting is open to any Kewaskum School District resident. At this meeting we will be discussing a number of things, among which will be the referendum about Beechwood school, that will be voted on at the spring election on April 5th. We will try to bring a better understanding of what the outcome of the referendum could mean to our community.

See you there.

## Investment Seminar Offered at UWWC

Jim Piowarczyk sees himself as "a point man" for investors.

This spring he is offering one-night seminars aimed at helping people pick their own way through the economic minefields of today.

Piowarczyk is a vice president with Robert W. Baird and Co. in West Bend and a former Washington County auditor and accounting instructor at the UW Center - Washington County. He will be teaching his new Economic Investment and Outlook Seminar as part of the spring continuing education program at UWWC.

Students will have their pick of two different days and dates for the 7 to 9 p.m. course: either Tuesday, March 22 or Wednesday, April 6. The fee for one of the two-hour sessions is \$8.

Piowarczyk plans to talk about what happened with the economy last fall and examine what lies ahead, look at investment alternatives, including some conservative options for people on fixed incomes, and discuss some implications of the new tax law.

Piowarczyk takes a positive view of recent economic events such as the October crash. "Some call what we've gone through 'a crisis,' "he said, noting that he prefers the Chinese word for crisis: a combination of the symbols for "risk" and "opportunity."

"That's very pertinent to what we have here," he said of the economy. The future, he said, requires that successful investors distinguish between risk and opportunity.

In his classes, Piowarczyk has discovered that people are not looking for all the knowledge available on a subject but rather facts related to their situation. "They very quickly talk about what they want to talk about," he said.

To register or obtain more information on the seminars, contact Jack Anderson at UWWC, 338-5233.

## Farmington Students Taken 'Behind the Scenes' of 'Charlotte's Web'

By GERRY MUELLER  
Statesman Staff Writer

Students at Farmington Elementary School were given a peek into the world of acting 'behind the scenes' Monday, as Elaine Armstrong presented a program designed to bridge the gap from classroom to theatrical experience.

Armstrong, a member of the Madison Area Repertory Theatre and a student in the University of Wisconsin - Madison's Theater Arts Department, explained theater techniques as learning how to assume the traits to portray a character as well as the use of makeup and special effects such

as masks and costumes.

Armstrong told the youngsters an actor must think about the role they will play and learn its characteristics so the audience will recognize the character when it is presented to them. As an example she portrayed a goose, waddling and flapping its wings. She then had student volunteers come up and act out several animals and professions without using any sounds or words as the audience tried to guess what or who they were.

Armstrong explained costumeing and makeup. She told the youngsters that the masks for characters in the play

Charlotte's Web, were made by the same man who created the masks for the Planet of the Apes movies. She told the audience how a mask is glued on the actor's face and then the surrounding skin and hair is painted or covered to complete the character's features. With that, she recruited fifth grade student Melissa Jackson from the audience and transformed her from a young girl into "Wilbur the Pig," a main character in the play. The youngsters screamed with delight when they saw the change, and Jackson showed she was a good sport in helping with the demonstration.

The program, which was presented as part of an eight-week tour of schools throughout southeastern Wisconsin, is sponsored by The Great American Children's Theatre Company which is a member of the United Performing Arts Fund.

The students will be attending a performance of the GACT's presentation of the play "Charlotte's Web," at the Milwaukee Pabst Theater in April.

Students and teachers listened intently as Armstrong explained how glue is placed on a mask to fasten it onto an actor's face then the skin is painted to blend with the mask and create the character's features. A somewhat apprehensive volunteer Melissa Jackson wondered if the mask would come off.

## 25 Years Ago

March 15, 1963

Plan now to attend the big fifth annual Kewaskum Dairy Day at the high school on March 23. The Kewaskum Business Association has made arrangements for an outstanding program at this event to be held in the gymnasium, agriculture rooms, cafeteria and corridors of the school. The affair, which is entirely free of charge is again expected to attract a record attendance.

Leading Chevrolet salesmen in the two-state Milwaukee zone for 1962 were announced at Detroit this week by the company. They included Herbert A. Backhaus of Honeck Chevrolet, Inc. of Kewaskum.

Mr. and Mrs. Eddie Hinn of Kewaskum, who purchased the Rudy Kolafa tavern at New Fane, took possession of the business on March 15. Mr. Kolafa had operated the tavern for the past 34 years and at one time also owned the present Joe Reimer tavern in Campbellsport.

Mrs. August (Anna) Hoffmann, 74, of Kewaskum, passed away at

A son was born to Mr. and Mrs. Robert Skrently, Kewaskum, on March 11. A son was also born to Mr. and Mrs. Harry Justman, Route 2, Kewaskum, on March 12.

## 50 Years Ago

March 18, 1938

The largest number of people ever to be present at a John Deere Day program in this village attended the one given by the L. Rosenheimer firm in the Kewaskum Opera House on Wednesday, when nearly 700 people from far and near were on hand for the feature.

Miss Marie Faber, daughter of Mr. and Mrs. Oscar Faber of the Town of Wayne, and Russell Taylor, son of Mr. and Mrs. Arthur Taylor of the Town of Barton were joined in wedlock in a ceremony solemnized March 12.

Mathias P. Beisbier, 80, an esteemed and widely known pioneer resident and retired businessman of the village of Kewaskum, passed away on March 10, at the home of his son-in-law and daughter, Mr. and Mrs. Ed. Schield, West Bend, where he had been making his home.

Mr. and Mrs. George Glander of

Beechwood are the proud parents of a baby girl born last Wednesday.

## 75 Years Ago

March 15, 1913

The first thunderstorm of the season occurred last Thursday night with a heavy downpour of rain. At several places roads were washed out. The river was crowded to more than its capacity hence the water overflowed all low lands adjacent which appeared like large lakes. The first accident reported was that the residence of August Kirchner, 2 1/2 miles southeast of this village, was struck by lightning, doing considerable damage. The bolt struck the lightning rod on the north end of the house and passed to the southeast corner, tearing away the siding strips and ceiling and knocking down the plaster on the inside.

Henry Bremser Sr., aged 86 years, died at the home of his daughter, Mrs. Louis Habeck, in the town of Kewaskum on March 9, after an illness of two weeks with bronchitis.

Mrs. Peter Mertes, nee Catherine Reysen, died at her home in this village March 12, after an illness of two weeks, death being due to brights disease.

A daughter was born to Mr. and Mrs. Peter Hahn of Auburn on February 28. A bouncing baby boy arrived last week Friday to brighten the home of Mr. and Mrs. Christ Hoerig of Kohlsville. Mr. and Mrs. Phillip Schladweiler of St. Michaels are the happy parents of a bouncing baby girl since Thursday. A baby boy was born to Mr. and Mrs. Jacob Hawig of Wayne last Wednesday.

# Kewaskum Hosts Area AFS Students

**KEWASKUM — WE ARE A NEIGHBOR OF THE WORLD.**

During the week of February 21-27 the Kewaskum AFS hosted six International Students who are living in the Milwaukee area during this school year. The main purpose of the week was to acquaint

these students with a small town. Host families were able to get to know young people from around the world.

The following students enjoyed a great week with super Kewaskum families: Back Row, left to right — Xavier DuFong (France) Tom Brigham Family,

Jaime Cueller (Columbia) Tom Kissinger Family, Roberto Santivanez (Peru) Larry Ammel Family. Front Row — Anna Capdevila (Spain) Laurence Wilson Family, Nelly Cyarzun (Chile) Perry Ankerson Family, Julide Eldener (Turkey) Walter StuckFamily.

**Naoko Kimura**  
Kewaskum AFS Student

**NAOKO KIMURA FINDS THE JAPANESE FLAG AT THE WOMAN'S CLUB MEETING**

Anna Burman and Naoko Kimura, Kewaskum AFS students, presented slides

about Sweden and Japan to the Kewaskum Woman's Club in return for their generous support of the AFS program through the years. Frank Vollmering of Germany spoke about his country and showed interesting slides, also.

**CLUBS HOST GERMAN AND DANISH SUPPER**

The Kewaskum High School AFS and International Club

hosted a German and Danish supper. Frank Vollmering, Diana Kruger, and Linda Pedersen made native dishes

for the night. One dollar and a side dish to pass gets you in to an interesting supper and slides or information about the host countries. Next month the supper will be Japanese.

Mrs. Bornemann, the advisor, asks that you watch the Statesman for more information. The public is invited, with reservations requested.

**Anna Burman**  
Kewaskum AFS Student

**INTERNATIONAL STUDENTS TOUR KEWASKUM'S BUSINESS AND INDUSTRY**

Anna Burman, Kewaskum AFS student, sports the shirt she received from L&R Trophy and Sportswear when the International students visited and found out about making trophies and printing shirts.

showed everyone how Regal Ware products are made. A visit to Kewaskum Frozen Foods helped the students better understand how sausage is made. A quick stop at Miller's Furniture and Kewaskum's Antique Mall gave everyone a chance to check out old and new furniture.

**THANK YOU KEWASKUM** for your Red Carpet Treatment.

**ENJOYABLE ACTIVITIES KEEP AFS STUDENTS AND HOSTS BUSY**

The Sub-Regional Girl's Basketball game was super exciting. Swimming at the West Bend YMCA gave Jaimie a chance to show his prowess in the area of swimming. Skiing at Sunburst, with lessons given to those who had never seen snow before this winter, could be summed up in one remark, "WHAT A THRILL!" The week ended with a cook out at Riveredge. High schoolers from many nations and Kewaskum shared talking, card games, dancing, hiking, food and fun.

**KMS LEARNS MORE ABOUT THE WORLD**

On Monday and Friday morning the AFS International students shared information with the Middle School sixth graders. KMS sixth graders felt all the information was very helpful for the research paper they are currently writing and the Folk Fair they will present this spring.

For the first time in modern history, the world population growth rate is declining reports the United Nations.

**THANK YOU IN MANY LANGUAGES**

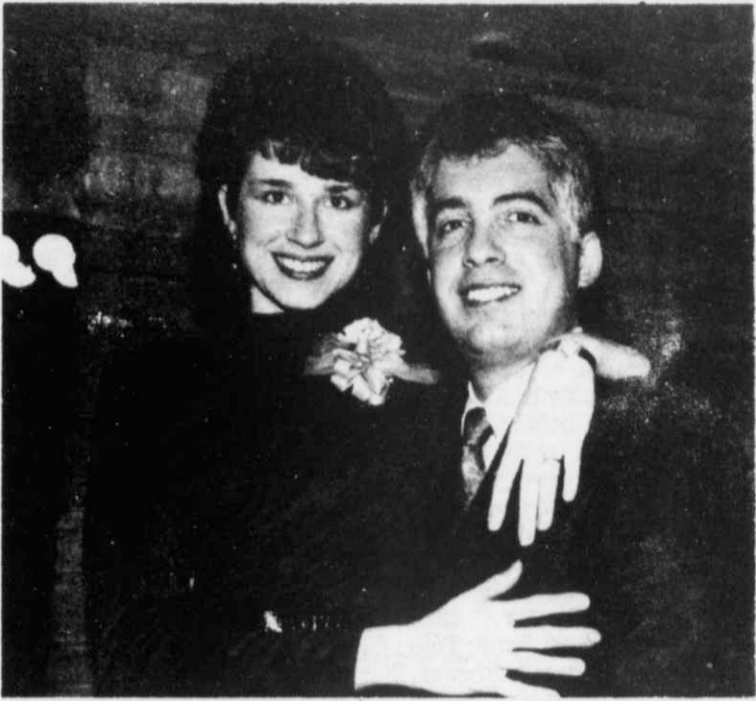

A sincere THANK YOU to everyone in Kewaskum for your interest, support, and friendliness during our visit.

PLEASE consider hosting an AFS Student for the year program or for one month from August 6, 1988, to September 3, 1988. For more information contact Marlene Domasky at 692-9523, soon.

AFS stands for American Field Service. However, perhaps it would be better to say AFS stands for Another Friend Somewhere or Another Family Somewhere in the world.

In parts of Germany, white mice were considered good luck.

## Yearling - Sirotti

Mr. and Mrs. Gerald Yearling, of 9413 Bolton Drive, Boltonville, announce the engagement of their daughter, Jacqueline Marie, to David Allen Sirotti, son of Mrs. Yolanda Sirotti and the late Mario Sirotti, Highwood, Illinois.

Jacqueline is a 1980 graduate of Kewaskum High School and a 1985 graduate of the University

of Wisconsin - Madison. Jacqueline is employed as a Microbiologist with The Upjohn Company, Kalamazoo, Michigan.

David received his PhD in Chemical Engineering from Purdue University in 1978 and is employed as a Research Scientist with Upjohn.

No wedding date has been set.

## Linda Howe Helps 206 MS Snowmobilers Raise Record \$160,000

Linda Howe of West Bend was among 206 snowmobilers to take part in the Fifth Annual MS 500 snowmobile tour, February 25 - 28 in Cable, Wisconsin.

The two day, 250 mile tour sponsored by the Wisconsin National Multiple Sclerosis Society and R.L. Ryerson Company, combines all the finest aspects of the sport with the opportunity to help others. The 1988 \$160,000 pledge total is a 30% increase over the dollar amount raised in 1987.

Multiple sclerosis is a chronic progressive disease of the central nervous system which affects over 5,000 Wisconsin residents - more than muscular dystrophy, cystic fibrosis and myasthenia gravis combined. Over the past five years, snowmobilers on the MS 500 and Club Rides for MS have raised over \$500,000 to support Chapter Services and fund research projects into the unknown cause, treatment and cure of the disease.

The Wisconsin Multiple Sclerosis Society extends its sincere thanks to the West Bend community for their support of Mrs. Howe's efforts.

## Korth - Lloyd

Mary E. Korth-Feypel and Brian P. Lloyd, both of West Bend, exchanged wedding vows in a double ring Valentine ceremony at the Washington County Courthouse, West Bend, on Feb. 12.

Henry Renard was the officiant. The bride is the daughter of Mr. and Mrs. Arnold J. Korth, West Bend and the groom is the son of Mr. and Mrs. John Lloyd of Menomonee Falls and Ms. Diane Lloyd of West Bend.

The witnesses were Margaret Korth, sister of the bride, and

Steven Lloyd, the bridegroom's brother.

Cortney Feypel, daughter of the bride, was the flower girl. A luncheon and reception was held at the VFW Hall in West Bend.

The bride is an early childhood special education and kindergarten teacher for the Kewaskum School District.

Her husband is a working foreman in injection molding for The West Bend Company.

The newlyweds reside in their home on Schoenhaar Drive, West Bend.

### THANK YOU

I want to thank the Kewaskum rescue squad for responding to our emergency call when I was having a heart attack.

Mrs. Regina Theusch

### Moraine Chorus to Perform at Milwaukee Maennerchor Concert

The 75 member Moraine Chorus will perform on March 19, at the 90th annual concert of the Milwaukee Maennerchor, a men's German singing group.

Peter F. Ayer, an associate professor of vocal music at the UW Center - Washington County, directs both groups. He founded the chorus in 1969 and took over leadership of the German group three years ago.

The program begins at 8 p.m. at the Schwabenhof in Milwaukee.

Featured among the five members the chorus will sing is "Das Lied der Berge."

Moraine Chorus preparations for the concert began in mid-January on the heels of the group's annual Christmas concert. Ayer called the performance "our best concert in 19 years."

In late February, the Maennerchor finished third in an annual competition with seven other German groups, its highest ranking ever.

### CARD OF THANKS

It is with sincere appreciation we wish to express our thanks to relatives, friends and neighbors for their expressions of sympathy received during our recent bereavement and loss of our son, Alois M. Ertl. Special thanks to Father Victor Kemmer, pallbearers, drivers of cars, organist, choir, donors of memorials, spiritual and floral tributes and donors of food, the kind ladies who served lunch, the Miller Funeral Home, the American Legion, for honoring our son at the graveside ceremony, and each one who assisted in any way. We ask Gods' blessings on all of you.

The parents, Philip and Barbara Ertl, the brothers and sisters and all the families of Alois M. Ertl.

### Two KMS Students to Compete in Spelling Bee

By Carrie Kuehl

Two Kewaskum Middle School students will represent the school district on March 23, 1988 at the CESA 6 Spelling Bee in Lomira.

Selected as over-all winners were Jenny Iwen, daughter of Mr. and Mrs. Don Iwen, 1022 Fairfield, West Bend; and Debbie Steger, daughter of Mr. and Mrs. John Steger, Highway WW, West Bend. Jenny is in the 6th grade and Debbie is in the 7th grade. Both girls won the right to compete in an elimination competition with the grade winners of grades 5 through 8.

First, second and third place

winners in their respective classes were:

Grade 8 - Leila Byers, Dina Heckel, Karen Junk.

Grade 7 - Debbie Steger, Christa Schmidt, Sarah Brath.

Grade 6 - Jenny Iwen, Debbie McChain, Kim Resch.

Grade 5 - Greta Kuphal, Shelly Williams, Ryan Theusch.

Grade 4 - Keri Petrie, Tammy Schultz, Jennifer Schmidt.

Grade 3 - Jamie Gaffke, Sarah Sauer, Eileen Kohlwey.

Grade 2 - Matthew Hammen, Jennifer Immel, Sara Dedert.

Grade 1 - Kelly Young, Angela Ritger, Jason Jaeger.

To keep warm - put on a hat. Eighty percent of your body heat escapes through your head.

## Surplus Food Distribution to Eligible Households on Saturday

Washington County has received surplus commodity food items that will be distributed to eligible on Saturday, March 19, 1988 from 8:00 - 11:30 a.m. (as long as supplies last) at the following locations.

West Bend, St. Frances Cabrini Church, 615 Hawthorn Dr. (lower level parking lot); Hartford, St. Kilian School, 245, 245 High St. (cafeteria); Germantown, Senior Activity Center, W162 N11960 Park Ave.; Slinger, Village Hall, 220 Slinger Road; Allenton, Addison Town Hall, Village of Allenton; Kewaskum, Kewaskum High School, north entrance; and Jackson, Jackson Fire Department, S. Jackson Dr.

Eligibility is based on the current monthly gross income (before taxes) of all household members with the following limits Household size 1, income limit \$688; 2, \$925; 3, \$1,162; 4, \$1,399; 5, \$1,636; 6, \$1,873; 7, \$2,110; 8, \$2,347; 9, \$2,584; 10,

\$2,821.

Eligible households will receive butter and processed cheese. In addition they may choose rice and one of the following: flour, dry milk and honey.

Assistance: For more information, the public may phone 338-4610.

Home delivery is available for Elderly and Handicapped if there is no one in the household who can get to a distribution site. To make arrangements, call the distribution site in your area.

Although no income verification information is required, a self declaration form must be signed by the recipient and is subject to state audit. You may also be asked to provide proof of residency.

This program is being coordinated by the Washington County Department of Social Services, and handled locally by various volunteer groups in each community.

## Area Members of Pit Band, Production Crew Listed for UWWC's 'Working'

The backstage moves onstage during performances of the spring musical "Working" at the University of Wisconsin Center - West Bend.

Director - designer Brad Ford of UWWC's Theatre on the Hill said he made the move so audiences can "see the production process going on and appreciate the role of the backstage worker in the theatre."

The eight-member pit band is in full-view throughout the performance at its center-stage location under the massive steel jungle-gym scaffolding that makes up the set. "The musicians are working at their trade," Ford said, describing them as "a rock-like combo with electric guitars and bass, drums, percussion, sound effects, synthesizer and regular piano."

According to Ford, the set is tiered and compartmentalized and includes seven different levels.

As the set came together prior to the opening, Ford said, people were wandering into the theatre to look at it. He said, "Some said, 'I like that. It looks like a child's playground.' And in a way, it does."

Many of the 15 production crew workers are visible during the show, which closes a two-weekend run on March 18-20. A total of 29 people from nine area communities have been at work behind-the-scenes for the show.

Ford, who designs the sets for his shows, said, "All masking of the inner workings of the stage has been stripped away for this show - the rigging, pulleys and lighting become an integral part of the process."

At one side, on the stage, is a sound person who gives cues and manages effects and hands out wardrobe. Lighting crews

and the stage manager can be seen moving about.

Cast members wear basic white coveralls using hats and coats to provide the semblance of costumes.

No props are used in show. Pantomime is used to show firemen lighting a blaze or a father and son playing catch.

Ford's staff includes Della Mae Tronchuk, vocal music director, Milwaukee; Albert Asch, orchestra conductor, 7483 Brookhaven Drive, West Bend; Joelle Albiero, choreographer, West Bend; Kathie Bardell, assistant to director, 1820 Morgan Drive, West Bend; Tom Sancomb, technical director, 602 Vine St., West Bend; Sandra Retzlaff, wardrobe, 1418 Fond du Lac, West Bend; and Jack Anderson, publicity, 228 N. 6th Ave., West Bend.

Production crew and pit orchestra members, by area communities, are:

CAMPBELLSPORT: pit orchestra - Leah Kuphal, keyboard, 9080 Highway W;

CEDARBURG: production crew - Mary Ebel, W61 N966 Crescent Drive; Ed Kraft, N77 W7063 Oak; Amy Nordbeck,

1195 Highway 60; pit orchestra - Amy Nordbeck, production, 1195 Highway 60;

WEST BEND: production crew - Patricia Dorn, 556 North St.; Sherri Little, 1950 Greentree Road; Michelle Retzlaff, 1418 Fond du Lac; Stacy Sandoval, 1916 Woodlawn; Dan Schulz, 5323 Beaver Dam Road; pit orchestra - Doug Fahrendorf, guitar, 1304 S. 6th; Scott-Russell, piano, 5628 W. Scenic Drive; Dave Stadel, guitar, 2012 Hollow Circle.

To obtain more information about the show, call UWWC, 338-5208.

## Candidates for Circuit Court Judge to Engage in Public Forum Mar. 23

Candidates for Washington County Circuit Court Judge, Branch Four, Leo Schlaefer and Patrick Faragher will engage in a public forum sponsored by the Germantown Jr. Women's Club on March 23, Wednesday, at 8 p.m. at the Duerrwaechter Memorial Library on Mequon and Western Rd. Any questions for the candidates may be submitted to Forum, P.O. Box 12, Germantown, 53022. We encourage the public to attend.

## Kewaskum FFA Safety Contest

In the following article, the Kewaskum FFA will be giving all Kewaskum area residents some facts and data on Agriculture safety. Then in next week's issue, everyone will be able to answer a few questions concerning the information that will be given in this article. If you answer all the questions correctly, you may be the winner of two pounds of cheese. The quiz may be dropped off at either Sentry, K&L Hardware, or Valley Bank in Kewaskum.

Read this information carefully and hang on to it so you will be able to answer all of the questions concerning this information next week.

The Kewaskum FFA reminds you: Safety first, before it hurts!

### FACTS

- Farm tractor mishaps account for less than 10 percent of reported agriculture accidents; but 25 percent of fatalities are tractor mishaps.

- One-half of all power-take-off shafts have missing shields in the United States.

- In the United States, only one-third of the tractors have roll-over protective structures: a proven lifesaver.

- A disabling injury can cost a

farmer from \$35 - \$100 per day for just labor costs alone.

- Average disabling work injury costs \$12,200. An average fatal injury costs \$460,000.

- 1,700 farm residents die in accidents and 170,000 farm residents are disabled. Total cost: \$5 billion.

- 40 percent of all reported injuries could have been prevented if the victims had worn appropriate personal protective equipment.

- 67 Wisconsin farmers were killed in 1986 alone.

- 15 children under the age of 6 were killed in farm-related accidents in 1985.

### THANK YOU

My special thanks to the Sacred Heart, Blessed Virgin and St. Jude for favors granted.

## More Sports...

### Hunter Safety Course Begins Apr. 6

Richard Knoebel, a Wisconsin DNR Certified Hunter Safety Instructor, invites all young people interested in hunting and recreational shooting to enroll in a Wisconsin Hunter Education course. The course will be starting on Wed., April 6, at 3:30 p.m. at the Kewaskum Municipal Building Community Room and is sponsored by the Kewaskum Police Department. Students must be 12 years old to enroll (or reach 12 prior to the end of 1988). There is no maximum age, and parents are also encouraged to enroll and participate.

Class size is limited and advanced registration is required. Please contact Richard Knoebel at 626-4311 for more details.

Persons successfully completing the course will receive a distinctive embroidered emblem and a hunter safety graduate certificate. The certificate is valid in lieu of a small game hunting license for one season, and is a lifetime certificate required for hunting in many states and provinces.

Young students certified will also be able to hunt and use firearms without parent or guardian present at age fourteen instead of age sixteen.

Classes will cover responsibilities of hunters, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

Positions available for RNs and LPNs with pediatric and/or critical care experience.

The VNA offers a reasonable work pace allowing you to enjoy a one to one relationship with your patient. We offer orientation and 24 hour supervision. Must supply own transportation.

Apply in Person

307 Lincoln Ave., Sheboygan, WI  
An Equal Opportunity Employer

#### NOTICE TO ALL WASHINGTON COUNTY DOG OWNERS

Pursuant to Section 174.052, Wisconsin Statutes, notice is hereby given to all owners of dogs in Washington County that dog licenses and rabies vaccinations are required.

Vaccination by a licensed veterinarian against rabies is required of all dogs (Section 95.21(2)) within 30 days after the dog reaches 4 months of age and revaccinated within one year after the initial vaccination. The owner of a dog shall have the dog revaccinated against rabies by a veterinarian when the certificate expires or within three (3) years of previous vaccination. The certificate of rabies vaccination must be presented to the collecting official before a dog license may be issued.

All dogs five (5) months of age or older require a license. The minimum license fee for neutered males or spayed females is \$2.00, upon presentation of evidence attesting to the same, and \$5.00 for the unneutered male or unspayed female dog or one-half of these amounts if the dog became five (5) months of age after July 1 of the license year. The governing body of any town, village or city may raise the minimum dog license tax. Any person who keeps or operates a kennel may apply for a kennel license. The fee is \$30.00 for twelve (12) dogs or less and an additional \$3.00 for each dog in excess of twelve (12).

Dog licenses can be obtained from your local town, village or city treasurer or designee during the course of any given year. Dog owners should notify their treasurer if their dog is given away or has died, so that you will not be considered delinquent. An affidavit of death is available.

**PENALTY**  
Every owner of a dog 5 months of age or older who fails to obtain a license by April 1 will be assessed a late fee of \$5.00

Arthur G. Dognitz  
Washington County Clerk

#### SENIOR CITIZEN ID CARDS TO BE ISSUED

Are you 60 years old or older? Washington County Senior Citizen Identification and Discount cards will be issued on Thursday, March 24, from 3:00 to 5:00 p.m. at the Washington County Senior Center, 401 East

Washington Street, West Bend. Information needed: Social Security number, person to contact in case of an emergency and their phone number, and your doctor's name and phone number: Your picture will be taken. The cost for each card is \$1.00.

## OFFICIAL NOTICE

This meeting is held pursuant to a Board decision of Monday, March 14, 1988 postponing agenda items, and State Statute 120.11(2).

Anticipated agenda items will include the following:

1. Call to order - President Horner
2. Adjourn to closed session as per State Statute 19.85(1)(c)
  - a) KES negotiations
  - b) KAP negotiations
  - c) Non-union support staff negotiations
3. Reconvene to Open Session if needed
4. Adjournment

## OFFICIAL NOTICE

There will be a meeting of the Finance-Transportation-Buildings and Grounds Committee of the Kewaskum School District. Said meeting to be held in the library at Kewaskum High School on Monday, March 21, 1988 commencing at 7:00 p.m.

Anticipated agenda items will include the following:

1. Call to order - Chairman Theusch
2. Roll call
3. Adjourn to Closed Session as per State Statute 19.85(1)(e) "Deliberating...or conducting other specified public business, whenever competitive or bargaining reasons require..."
  - 3a) Transportation contract
4. Wall deflection at KES - engineering report and monitoring program
5. AHERA - asbestos removal/monitoring program
6. Roofing plans at KES and WES
7. Cement work at WES
8. Land O' Lakes baseball team - work on diamond and park, fountain?
9. KMS carpeting - request for replacement
10. Bus parking at KES
11. Next meeting date
12. Adjournment

## NOTICE

### VILLAGE OF KEWASKUM DOG/CAT OWNERS

Pursuant to Section 174.052, Wisconsin Statutes, notice is hereby given to all owners of dogs in the Village of Kewaskum that rabies vaccinations and dog licenses are required under the Statutes. The same applies to cat owners under Chapter 12.01 of the Kewaskum Municipal Code.

Vaccination by a veterinarian against rabies is required (Section 95.21(2)) within 30 days after the dog reaches 5 months of age and revaccinated within one year after the initial vaccination. Older vaccinated pets must be revaccinated when the certificate expires or within three years of the previous vaccination. Certificates of current vaccination must be presented when obtaining licenses.

All dogs/cats, 5 months of age or older, require a license. The minimum dog license for neutered males or spayed females is \$5.00, upon presentation of evidence attesting to the same and \$8.00 for the unneutered male or unspayed female dog. The minimum cat license for neutered males or spayed females is \$2.00, upon presentation of evidence attesting to the same and \$4.00 for the unneutered male or unspayed female cat.

#### PENALTIES

A late fee of \$5.00 shall be assessed the owner of each dog 5 months of age or over who fails to obtain a dog license by **April 1st**.

New dogs must be licensed within 30 days of ownership unless it is a dog that has been licensed and is being transferred to a new owner within the county it was licensed.

1988 dog and cat licenses can be obtained at the Municipal Building, 204 First Street.

Daniel S. Schmidt, Administrator

**DEPARTMENT OF NATURAL RESOURCES  
SOUTHEAST DISTRICT HEADQUARTERS**

**SEASON'S FIRST RAINBOW TROUT STOCKING  
OF MUNICIPAL PARK PONDS SCHEDULED**

The season's first rainbow trout stocking of municipal park ponds is scheduled from March 21 to April 1, according to the Department of Natural Resources.

The cold water sports fish will be released in 33 community operated ponds and lakes in seven counties of southeastern Wisconsin under the urban fishing program conducted by the Department and local governments.

This will be the fourth year that trout has been stocked in public park waters for the special benefits of youngsters and oldsters who lack the mobility to travel to distant fishing holes.

About 300 trout per acre will be released in the first stocking, according to Ron Piening, Southeast District Fisheries Biologist. Most trout should be between 10 and 12 inches long. The daily bag limit is five fish on all ponds except the Sheboygan Quarry, which will have a bag limit of three. The more liberal bag limit could not be enacted on Sheboygan Quarry in time for the early season granted to urban fishing waters. The size limit is nine inches.

Ponds to be stocked include those from this area:

Ozaukee County: Zeunert Park, Schowalter Park.  
Sheboygan County: Sheboygan Quarry.  
Washington County:

Hartford Millpond, Boot Lake, Sandy Knoll Park, Homestead Hollow Park.

A second trout stocking is planned for April 4 - 8 to coincide with fishing clinics to be conducted April 9 by the Wisconsin Council of Sport Fishing Organizations in cooperation with Milwaukee County and the Department.

Once the ponds are stocked, they are open for fishing, Piening said. He reminded anglers that persons between 16 and 65 years of age are required to have a fishing license and an inland trout stamp.

Piening added that the ponds will be patrolled by Wisconsin Conservation Wardens and local police to reduce overbagging violations.

NOTE: Stocking days, but not times, are available from Piening after March 20. The time of stocking will depend on the progress of the truck making deliveries that day. To avoid creating a safety hazard, parks will not be stocked if they are ice covered.

For information on the fishing clinics, please call the Milwaukee County Parks Department at 257-6100 or the Havenwoods Environmental Awareness Center at 527-0232.

Location of urban fishing ponds in area counties:

Washington County:  
Hartford Millpond, Grand Avenue and Wisconsin Street in

Hartford. Boot Lake, In Ridge Run County Park, Wisconsin 33 west out of West Bend to University Drive to park. Homestead Hollow Park, 1/2 mile east of CTH Y on Friestadt Road 1 1/2 mile east of Germantown. Sandy Knoll Pond, In Sandy Knoll County Park, STH 33 west of Newburg to Trenton Road, north two miles to West Newark Drive.

Ozaukee County: Neunert Park, 1/2 mile east of Washington Avenue on Lincoln Boulevard in Cedarburg. Schwalter Park, 1/2 mile north of STH 33 on STH 57 in Saukville.

Sheboygan County: Sheboygan Quarry Junction of Business STH 42 and Pigeon River.

Debbie Felix Honorable Mention

# Brenda Theusch Is Chosen First Team All-Conference; Pam Osterbrink Second Team

By Michele Wiedmeyer

Three members of the Indian girl's basketball team received honors after ballots chosen by the Eastern Wisconsin Conference coaches were tallied last Tuesday night for All-Conference selections.

Brenda Theusch was among the top five chosen for first team honors, a well-earned merit. A 5'7" senior, Theusch was second in scoring for Kewaskum, fifth in the conference with a 12.3 point average. She also led her team in assists, placing fifth in the conference. But maybe more important than her statistical placings was the leadership she displayed on the floor, helping

her team this year toward their third-place conference finish. She is to be commended on a fine four-year career at Kewaskum.

Also receiving honors for the Indians was 6'0" sophomore Pam Osterbrink, who earned herself a spot on the second team due in part to her second-place finish in conference rebounding and 11.3 point average in scoring, seventh in conference. Among her teammates, she led in both scoring and rebounding, and played a major role in the Indian's inside game.

Debbie Felix received honorable mention in the conference for her performance this season. A 5'11" senior,

Felix was third in scoring for the team, averaging 8 points per contest in conference. She was second in rebounding for the Indians, fourth in conference and was also an important part in Kewaskum's fine season.

Selections in voting order for the all-conference teams are as follows:

**First Team**

Sherry McNamara N.H., So. 5'10"; Kari Kapellen Ply., Sr., 5'8"; Brenda Theusch Kew., Sr., 5'7"; Caroline Laurin T.R., Sr., 5'7"; Kari Mattek S.F., Sr., 5'9".

**Second Team**

Jen Kern T.R., Sr., 5'8"; Terri Bonino T.R., Sr., 5'6"; Dawn Krupp N.H., Jr., 5'10"; Nikki Biskobing Ply., Sr., 5'7"; Pam Osterbrink Kew., So., 6'; Kristin Senglaub Ply., Sr., 6'1".

**Honorable Mention**

Kewaskum - Debbie Felix  
Returning next year for Kewaskum will be two seniors and five juniors around which to build a solid varsity team. Continued improvement through hardwork and dedication during both the season and off-season from the returning Indians are the elements needed from the young team in order to best his year's season finish.

**FILLMORE TURNERS NEED SOFTBALL TEAMS**

The Fillmore Turner Athletic Club is in need of softball teams for the Monday and Tuesday Night Men's League. Entry fee is \$75.00. Contact Tom Rettler, 692-2012, or Jim Donath, 692-9451.

## Port Upsets Coony to Give Title to Turners Cedarburg Lakes Champs Again

The Cedarburg Turners won their fourth straight Land O' Lakes title with a 12-3 record. The last place Port Washington Lakers upset second-place Oconomowoc, 187-147, Sunday night, giving the title to Cedarburg. It was only Port's second win of the season.

The Thiensville-Mequon Twins downed Menomonee Falls, 115-93, and tied Oconomowoc for second place at 10-5. The first and second-place teams will receive their trophies and other awards will be handed out at the Lakers banquet at Hon-E-Kor Country Club in Kewaskum on April 16.

Kewaskum finished in fifth

place at 3-12, one game ahead of Port Washington.

The final standings as announced by Commissioner Jake Oelhafen are as follows:

**LAND O' LAKES BASKETBALL LEAGUE Final Standings**

	W	L
Cedarburg	12	3
Oconomowoc	10	5
Thiensville-Mequon	10	5
Menomonee Falls	8	7
Kewaskum	3	12
Port Washington	2	13

**Results Sunday, March 13**

Thiensville-Mequon	115,
Menomonee Falls	93
Port Washington	187,
Oconomowoc	147

## Kewaskum's Kleinhans Given Ripon College All-Conference Honors

Led by Ripon College's three selections, all 11 Midwest Collegiate Athletic Conference schools placed at least one player on the 1987-88 all-conference men's basketball team. The all-conference squad, selected by the coaches, includes a first and second team in both the North and South Divisions.

Ripon College, the northern division champions, paced the North with three first team selections. Beloit College, St. Norbert College, and Lawrence University each placed one on the elite squad. Lawrence had two second team selections, and Lake Forest College, Beloit, and St. Norbert each had one.

Leading the first team selections for the Redmen was senior guard Scott Koepnick (Viroqua, WI).

Another first team selection for the Redmen was junior forward Tyrone Kleinhans of (Kewaskum, WI). Kleinhans averaged 18.1 points per game, was seventh in the conference in scoring, and led the team in rebounding with an average of six rebounds per game. "Kleinhans is an unbelievable athlete. In my opinion, he is the best 6'2" post player in NCAA Division III," said Gillespie.

The Redmen's third first team selection was freshman guard Jay Peters of (Janesville, WI).

Kleinhans is the son of James and Penelope Kleinhans of Kewaskum.

## FFA Alumni Victorious Over Scrappy FFA Members

by: Dallas Wodsedalek

On March 8, the Kewaskum FFA played the Kewaskum FFA Alumni in their third annual basketball game which was held in the fieldhouse. Unlike last years FFA victory, this year the Alumni pulled out a 56-53 victory in the most exciting game in the history of this rivalry.

The FFA played well in the first quarter and at one point led by eight points. However, in the second quarter, the Alumni put on a full court press that was too strong for the less-experienced FFA team. In the second half, the Alumni stretched their lead to 12 points, but the FFA struggled back. With just over one minute remaining, a lay-up by Dallas Wodsedalek pulled the FFA team to within one point.

Jim Herriges of the Alumni took over from there. The FFA team fouled down the stretch with the hopes of getting a

rebound, but Herriges hit the free-throws and secured the victory.

Leading scorers for the game: Alumni: Randy Gindt with 13, Jim Herriges with 12, and Kevin Thull threw in eight. FFA: Dallas Wodsedalek led all scorers with 15 while Jason Boegle chipped in 12.

## Joel Fleury Receives Honorable Mention in All-Conference Balloting

Senior center Joel Fleury was the only member of the Kewaskum boys' basketball team to be honored in last Tuesday's Eastern Wisconsin all conference balloting, receiving an honorable mention.

Fleury, who also received an honorable mention last season, ended this season 13th in conference scoring with 265 points (a 12.0 average) and sixth in conference rebounding with 81 rebounds (a 6.7 average).

Two Rivers' Doug Szopinski was named Eastern Wisconsin's "Player of the Year." He is fifth in scoring (16.7 point average), first in assists (71) and first in steals (47). Szopinski was named to the first team as was Chilton's Mark Eisner, New Holstein's Eric Wenzel, Plymouth's Joel Schumacker, and Kiel's Dave Lepisto.

Mark Eisner, a 6'2" Chilton point guard, has been a member of the conference first team for the past two seasons. This season Eisner won the scoring title with a 22 point average. He is also fourth in rebounds (96), second in assists (67), and he made 47 percent of his shots from outside of the three point line.

Eric Wenzel, 6'4", from New Holstein is second in conference scoring, averaging 18.7 points per game. Wenzel is also seventh in steals, eighth in rebounds, and 13th in assists.

Plymouth's star forward Joel Schumacker averaged 15.4 points per game, good enough for seventh on the conference scoring list. He is fifth in steals, sixth in assists, and 19th in rebounds.

The final player to make the first team is Dave Lepisto from

Kiel. Lepisto is eighth in scoring (15.2 point average), third in assists, 10th in steals, and at only 5'10", 17th in rebounds. Lepisto also made 66 of his 73 free throw attempts for an 84 percent ratio.

Second team all conference consists of 6'2" forward Jeremy Karman and 6' forward Steve Stangel both from Two Rivers, 6'3" Chilton forward Dean Schmitz, Plymouth's 6'2" forward Todd Kuhn, and Kiel's 5'10" guard Jay Isselmann.

Honorable mention goes to Brad Schmitz from Kiel, Brett Snyder from Sheboygan Falls, Jim Lautenschlaeger from New Holstein, Cory Jansky from Two Rivers, and Joel Fleury from Kewaskum.

Kewaskum's Most Valuable Player Ted Anderson was nominated for an all conference position; however, he was unable to receive a spot.

## Erik Kral Wins Prize In Ice Fishing Tournament

Erik Kral, left, holding his 25" walleye, and Gary Vold with Erik's prize, an Eskimo Ice Auger.

Erik Kral, 14, son of Joyce and Mark Kral, Kewaskum, won one of the top prizes during the 3rd Annual Great Northern Ice Fishing Tournament held January 23 at Lac Vieux Desert in Phelps and Land O' Lakes, Wisconsin.

Erik's 25" walleye won for him an Eskimo Ice Auger. The tournament was organized by Gary Vold, Conover, Wisconsin. Gary formerly lived in Kewaskum for ten years and worked at Regal Ware and K&R Carpet.
