## Storm Brings Rain, Wind and Tragedy Fire Extensively Damages Geidel Home

Kewaskum and Campbellsport firefighters extinguished flames in the Geidel garage. Also destroyed were two antique cars stored in the structure.

By GERRY MUELLER  
Statesman Staff Writer

While Wednesday's storms brought more than an inch of desperately needed rain, they also brought high winds and fire.

As it appeared the brunt of the initial storm had passed through the area by shortly after 7:00 a.m., a second line of rain and wind came through the area. The Weather Service office advised a strong line of clouds containing heavy rain and winds of over 60 miles an hour was approaching from the southwest.

Trees in Allenton were reported toppled. As the storm approached the Kewaskum area, dozens of calls were received about power lines, trees and branches being knocked down.

At approximately 8:00 a.m., the Kewaskum Police Department received a call about arcing wires behind the William Geidel residence at 1136 Roseland Drive. Within a matter of minutes there was a report of fire.

When the Kewaskum Fire Department arrived on the scene the Geidel's large metal garage was in flames. The firemen then found fire in the home.

Kewaskum Chief Donald

Ehnert said, unofficially at the scene, it appeared that lightning may have caused electrical wires on a pole to arc, setting the garage on fire and possibly sending a power surge into the home causing that fire. He said the exact cause of the fire could not be determined until the fire was completely extinguished. Ehnert and his men, with assistance from the Campbellsport Fire Department, continued to extinguish flames in the garage.

The garage containing two antique cars was a total loss and the interior of the brick home was extensively damaged.

Ehnert said the call for Campbellsport's assistance was made because his department had a minimum crew available and there was concern for the safety of neighboring homes. He said other homes may have experienced a power surge or there was the chance of the winds picking up again and threatening houses with sparks or flames from the Geidel fire.

In other parts of the village, a huge tree in River Hill Park, north of the beer garden, broke off landing on top of the small soda stand adjacent to it. The west side of the soda stand received considerable damage to the roof area. Several other trees and branches in the park

were knocked down, pulling electrical wires and poles down along with them.

A large tree in front of Peace Church's school building was toppled causing it to land on the brick announcement board.

Residents throughout the village found branches and debris scattered across their yards. After the front went through temperatures again began to rise into the 90's.

(Additional photos  
On Pages 14 & 15)

## Frozen Foods Opens 2nd Store

Kewaskum Frozen Foods opened a second store in the West Bend Outlet Mall, Island Ave., on Friday, June 17. The name is "Sausage Plus."

Bev Hansen, who was an employee at Kewaskum Frozen Foods, is manager of the new store. Marilyn Thull works as a clerk.

A Grand Opening will be held in the near future.

Sausage Plus offers the same quality sausage and related items as sold at Kewaskum Frozen Foods, and they invite you to stop in.

## Revised Plans Presented For Adult Apartment Project

By GERRY MUELLER  
Statesman Staff Writer

At a meeting last Wednesday, the Kewaskum Plan Commission unanimously agreed to recommend a zoning change for a parcel of land owned by Dr. Cesar Sison of Kewaskum. The 2.4 acre parcel located directly behind the Sison Medical Clinic, would be re-zoned from B-2 General Service and Retail, to R-4 Multi-family Residential.

The change would allow for the construction of a fifty-unit apartment project designed for adult tenants. Village Administrator Dan Schmidt said the complex would not be considered a senior citizen or elderly housing project because there would not be any federal funding used to subsidize the construction.

The project, being proposed by William Nebel of Construc-

tion Concepts, Madison, will be slightly different physically than the original plan presented by Dr. Sison three years ago. Schmidt said the new layout plan itself allows the building to accommodate the site more efficiently.

Nebel's plans call for a complex containing 45 one-bedroom apartments and 5 two-bedroom apartments. The building would also have laundry facilities on each floor and a community room with a kitchen on the lower level.

Construction Concepts will handle the actual construction with Dr. Sison involved as a limited partner. Dr. Sison indicated they were trying to get commitments from at least twenty prospective tenants. So far at least eight have signed up.

If the zoning change is approved at the July 18th public hearing and Nebel gets the necessary commitments, groundbreaking could go ahead as early as July or August.

## Recycling Program Starts Saturday

By GERRY MUELLER  
Statesman Staff Writer

Village Administrator Dan Schmidt advised the Kewaskum Village Board Monday night that the village's voluntary recycling program will officially begin this Saturday, June 25th.

The recycling center is located at the Municipal Garages located next to the village's water treatment plant on the east side of highway 45, behind the old Hydraulic Gear property.

Because many of the village's residents are not familiar with the exact location of the garage, signs have been posted in the area directing people to the site.

Schmidt also noted that five applications had been received for the position of attendant at the center which is scheduled to be open every Saturday through the summer and two Saturdays a month beginning in the fall.

Spaces will be designated at the site for each type of recyclable material, paper, glass, etc., as well as a drop off area for grass clippings.

In other business the board approved the purchase of five pieces of playground equipment for River Hill Park. Funds for the equipment have been donated by the Modern Woodmen.

The board was also advised that swim pass sales were up this year. Schmidt said 610 passes had been sold so far this

## Krazy Daze Tuesday

The twenty-sixth annual Krazy Daze sidewalk sale, sponsored by the Kewaskum Area Chamber of Commerce will be held Tuesday, June 28. The big event of the year runs from 8:00 a.m. to 8:00 p.m. and features super discounts and special buys.

On Krazy Daze everybody gets in the act of either selling or buying. Merchants, clubs, churches, organizations and individuals set up their stands on the sidewalk or on lots in the village as well as offer sizeable discounts in the stores and shops.

Krazy Daze always offers a wide variety of food with the many outdoor stands and specials offered at the restaurants and taverns.

In the evening there will be outdoor live music as well as indoor.

Whatever your needs or desires, whether it be bargains for yourself, your home, a gift or to take advantage of all the goodies offered — you'll find it all at Kewaskum Krazy Daze, Tuesday, June 28.

Let's make this twenty-sixth annual Krazy Daze the best celebration of all.

See the many Krazy Daze ads in this week's issue.

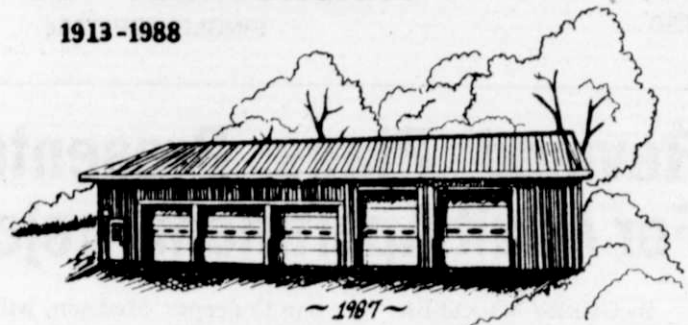

## BEECHWOOD FIRE DEPARTMENT

### 75TH ANNIVERSARY

1913-1988

This weekend marks the 75th anniversary of the Beechwood Fire Department. A three day picnic celebration in honor of this auspicious event will be held on Friday, Saturday and Sunday. A mammoth parade on Sunday at 12 noon will climax the big weekend. Entertainment in the beer garden will be highlighted on Friday and Saturday night as well as Sunday afternoon and evening. Games, lunch and refreshments will be available as well as a "Sweet Shop" all day Sunday. Anniversary booklets, T-shirts and hats will be for sale at the picnic. Come, join the fun.

The following is the history of the Beechwood Fire Department.

In 1905, Beechwood, Wisconsin had a population of 125. There were two churches, a school, a doctor's office, two general stores, two blacksmith shops, a wagon shop, a creamery and cheese factory, two halls, a saloon, a dozen homes and miscellaneous storage buildings. It had no fire protection.

Eight years later, the Kewaskum Statesman for June 3, 1913 reported:

The dwelling of Fred Hintz was completely destroyed by fire early Thursday morning. The cause of the fire is unknown. The fire was first noticed by Mr. Hintz, having started in the woodshed in the rear of the house. Nothing could be done to save the building, as the flames had gained too much headway. Through the work of the entire family and neighbors, most all of the household goods were saved. The damage done is very heavy, which is some what covered by insurance.

After that disastrous fire, Jacob Horning (1893-1961) and Arthur Koch (1885-1932) solicited the community for funds to organize a fire department. By June 14th, they had contacted 105 donors and collected \$790.00. That money was used to buy a horse-drawn, hand-operated water pumper. Horses were borrowed from nearby barns, or even from buggies parked along the street, whenever a fire emergency arose.

In 1982, the hand-pumper was professionally restored by Joe's Auto Body of Kiel at a cost of \$1,350 and is now put on display at parades and ceremonies.

On Saturday, June 6, 1914, Goll Brothers, mason con-

tractors, put up the foundation for the fire house on Monday and Tuesday. Sam Goll, Sr. was assisted in the project by Eric Guenther. Logs were donated and sawed into lumber. All the labor was donated. The building was on a parcel of land in Section 17 measuring 495' by 52.5', owned by Alma Koch Sauter. The department purchased the land in 1939.

The first dance sponsored by the department to raise funds was held July 11, 1914 in Koch's Hall. The dance provided \$140.00.

The first department picnic was held on August 13, 1915. It produced \$339.43 for the treasury. Several more picnics and dances were held. By 1921, the department was able to buy a 1917 Jeffrey motor car that they rebuilt into a fire truck.

The Beechwood fire department bought a 1938 Ford Truck and built it into a fire truck. It was used until 1967. The department had a 500 gallon pumper, hoses and chemical tanks. Chemical tanks were especially important for fighting rural fires where there was not a reliable supply of water. In the early years, even whey-tank drivers would respond to a fire and contribute loads of whey to fight a fire.

In July of 1940, the department bought Koch's grove south of Highway S and began clearing it for a park so that picnics could be held there.

An area was leveled to lay a wooden dance floor. It was two days of work for the firemen to set up the dance floor each time it was used. It was an open-air dance-floor, surrounded by snow-fencing. Dancing was to the music of Herbert Buhk. Admission charge was 42c and 8c tax.

The next project was the construction of a dance pavilion. Other improvements included a drilled well, interior plumbing, and a beer stand. Wedding dances were held in the pavilion; it is now used for Bingo games and cake and ice-cream sales at the annual picnic.

In 1954, the department bought a 1949 Studebaker truck with a 1250 gallon water tank, a 500 gallon pumper, and a thousand feet of 2 1/2 inch hose.

The 1960s  
On March 16, 1961, after much discussion and deliberation, the department bought the former Sauter garage for use as a firehouse. It was located on

one acre of land at the Southeast intersection of County Highways A and S, in Section 16. The department bought a 1955 Chevrolet truck with a 1600 gallon tank. They bought a used utility truck from the Kewaskum fire department.

The first parade was held in 1963, fifty years after the department was organized.

Elaine Vetter, daughter of Mr. and Mrs. Leland Vetter, was crowned queen of the Beechwood Fire Department's Golden Jubilee on Sunday, June 30, as the community entertained one of its biggest crowds in history.

In 1966, first aid, oxygen and resuscitator equipment was added by the department, reflecting the addition of emergency care to its fire-fighting responsibilities.

In May of 1967, the department bought an F-750 Ford truck from Adell Motors.

The new truck was a major event. A demonstration, dedication and dance were held to observe the occasion on October 21. Firemen on the dedication committee were: Lee Kempf, Elroy Egerer, Adrian Krahn, Vernon Staege and Lynes Fellenz.

House numbers and a central call system to Sheboygan were set up in 1968.

#### The 1970s

The department received \$3500 from the Town of Scott. In 1972, the siren button was placed in the Beechwood Rest Home. The nursing station provided the link in communication as well as testing the siren each noon. Firemen are now alerted by radio pagers; the siren is used as a tornado alert.

The Fire Department Auxiliary was organized in January of 1974, when twenty-five women were assembled by Marge Krahn and Virginia Benzschawel.

In 1977, even while firemen were occupied with repair and maintenance of buildings and equipment, they also trained in Cardio-Pulmonary Resuscitation (CPR).

In 1978, a committee composed of Frank Poos, Roger Vetter, Rick Vetter, Howard Matthias, Bob Hartmann and LeRoy Muench recommended a \$10,000.00 purchase of radios and pagers. That was the beginning of a rapid communication system without dependence on someone to sound the siren button.

#### The 1980s

Eighteen firemen completed the CPR course; Frank Poos was the department training officer.

Mod I class, a basic fire-fighting class, was completed in April 1982. Mod II class began in March, 1983.

In 1986, the Auxiliary sponsored an auction to benefit the newly organized First

Responders. Community support was overwhelming, raising an unprecedented \$2400.00.

In June of 1986, the department asked the Town of Scott to underwrite a loan for the construction of a new firehouse. The Town Board approved the request. An 84' by 48' Walters steel building was erected on the East side of Firemen's Park at a cost of \$75,000.00. The building has five bays and is 2400 square feet larger than the previous firehouse, which was sold to the Beechwood Rest Home.

Plans call for a meeting room to be added in the future.

#### First Responders

In February, 1985, the Beechwood First Responders began service under the auspices of the Fire Department. Members were trained in basic first-aid and in Cardio-Pulmonary Resuscitation. They were trained to give immediate care to victims of illness or injury until medical help arrives. In their first year of operation, they responded to 27 calls.

The Fire Department utility truck doubled as the emergency vehicle until it was replaced by a van donated by General Telephone and equipped using funds raised by the Auxiliary's auction.

The 18 member, all volunteer staff completed a 16-week course and hold monthly practice sessions in order to

pass regular requalifying examinations.

First Responders provide on-call service 24 hours a day, seven days a week.

The Beechwood Fire Department is purely volunteer. There are no paid salaries. Members pay \$5 to join and \$2 annual dues thereafter.

The Town of Scott has budgeted \$21,500.00 to the Beechwood Fire Department for fire protection for 1988.

In the early years, there was little formality or keeping of records, Art Koch or A.C. Hoffmann may have been the first chief.

Arthur Staege was chief some time prior to 1930 until his death in 1950. He owned and operated a garage in Beechwood for 35 years.

Arthur Fritz became chief from 1950 until he retired in 1972. He had been a fireman for 42 years. He also operated a garage in Beechwood, selling and servicing Studebaker automobiles.

Vernon Staege, son of former chief Arthur Staege, was chief from 1972 to 1977, with Adrian Krahn as assistant chief.

Roger Vetter has been Fire Chief since 1977. He is the grandson of Arthur Staege and nephew of Vernon Staege. He represents the third generation of the family to serve as Beechwood Fire Chief. Leander Kempf and Larry Krahn have served as assistant chiefs.

## Modern Woodmen Present Matching Funds Check to Village President

The above photo was taken at the dinner meeting of the Modern Woodmen of America held last month. Otto Weddig, Secretary and Banker of Camp 2233, presented a check for \$1,535.40 to Village President Paul Blumer for playground equipment at River Hills Park. This money was earned as a result of the Matching Fund Project held in March with community participation.

## Recycling

(Continued from Page 1)

year as compared to 563 for 1987.

Howard Laubenstein, board representative on the Plan Commission, brought the group's recommendation for approval of a re-zoning change for the property of Dr. Cesar Sison located on Fond du Lac Avenue.

Dr. Sison and William Nebel of Construction Concepts are proposing construction of a 50-unit apartment complex directly east of the Sison Medical Clinic.

A public hearing on the zoning change request has been scheduled for Monday, July 18th.

The board also approved Public Works Committee recommendations to seek quotes and bids for slurry seal and asphalt work in the village.

The trustees authorized the Fire and Police Commission to advertise for applicants for the position of Police Chief to succeed Chief Donald Hlavaty who will be retiring in September.

The village's engineering firm was also authorized to prepare plans, specs and bidding information as well as advertise for bids for installation of sewer and water mains for the new Kewaskum

Industrial Park.

Trustee Mary Krueger, who represents the village on the County Incineration Committee, advised the board that the City of West Bend has received a \$19,000 grant toward the cost of a feasibility study for the proposed incineration program. The balance of the study's \$30,000 cost will be picked up by the municipalities on the joint committee. Several communities, including the village, had allocated funds for the study in their 1988 budgets.

In other action the board approved the renewal of eight bartender licenses and the sale of the Water Pollution Control Department's 1974 sludge dump truck.

## Barbara Jandre Receives Degree

Barbara Jean Jandre, BSN, daughter of Mr. and Mrs. Dennis Jandre, Kewaskum, received a bachelor's degree at Marian College commencement on May 14. She was also on the second semester dean's list.

## Campus Notes

Thomas W. Davis, Milwaukee School of Engineering (MSOE) vice president of academics, announced today that a total of 582 students comprised the college's 1987-88 winter quarter Dean's List.

The Dean's List consists of those students who earned a minimum cumulative grade point average of 3.2. They must have completed a minimum of 30 total credits by the end of their second term at the college to become eligible. Students who earn a cumulative grade point average of 3.7 or more are listed with high honors.

Campbellsport — Bernadette J. Griesemer, Business and Computer Science; Patrick James Griesemer \*\*, Electrical Engineering.

Kewaskum — Randy R. Schickert, Mechanical Engineering Technology.

West Bend — Michael Thomas Loomans, Electrical Engineering Technology.

The squid escapes from his enemies by shooting a cloud of black sepia into its enemy's face. Leaving his enemy in the dark, the squid makes his getaway.

## Hallens Hosting Swedish Cousins

Ingmar and Britta Hallen from Norrkoping, Sweden are now the guests of Elmer and Betty Hallen of Kewaskum.

Ingmar and Elmer are cousins and they came to help Elmer celebrate his birthday.

This being the 350th

anniversary of The First Swedish Settlers in America, Ingmar and Britta decided they must come to America also.

Ingmar is the Chief Economist for the Swedish National Railroad and his wife Britta is the Dietitian for the Norrkoping School System.

So far they have visited New York City, Gettysburg, Philadelphia, Washington D.C.,

Arlington National Cemetery, Niagara Falls, Toronto, Canada, Chicago and now Kewaskum for the next 10 days.

## Gorder Awarded Title of Business Administrator

Cherna Gorder

By GERRY MUELLER  
Statesman Staff Writer

The Association of School Business Officials International officially announced last week that the Kewaskum School District's Business Manager Cherna Gorder had been awarded the title of Registered School Business Administrator.

The award is the highest professional status that can be attained by a practicing school business official. To be eligible to receive the award, the candidate must have a general responsibility for the business administration of a school or college and report to the local board of education through the superintendent. The individual

must have at least a Master's Degree in either school business management, educational administration or business administration, and have at least three years of experience in school business management.

The purpose of the RSBA program is to improve the quality of school business management and encourage excellence among its practitioners.

The association is a non-profit, independent professional education association devoted to research, publication and discussion in the field of school business management.

A native of Waterloo,

Wisconsin, Gorder received her Bachelor of Science degree in Biology from Platteville State University and a Master's Degree in School Business Administration from the University-Whitewater. She has also completed 12 additional graduate level credits in Law and Municipal Government.

### Cholesterol, Blood Pressure Screening Offered at West Bend

Cholesterol screening and blood pressure measurement will be offered to West Bend area residents by the Cardiovascular Risk Reduction Program in cooperation with Community Health Nursing Service and the American Heart Association. Screening tests will be available twice a month at the Washington County Court House, 432 E. Washington.

**Screening schedule:** July 5 from 9:30 a.m. to 12 noon in Room 243 (street level). July 28 from 3:00 p.m. to 6:00 p.m. in the Auditorium (lower level).

Cholesterol screening will be done, **BY APPOINTMENT ONLY**, for a charge of \$5.00. Blood pressure screening will be available without charge or appointment.

For further information concerning the blood pressure screening, call Doris Dauer at 338-5274 or 644-5204. To schedule an appointment for cholesterol screening call 338-4707 or 644-5204 or 342-2929 (toll free, ext. 4707).

## Village of Kewaskum NEWS NOTES

The Village of Kewaskum's Recycling Center opens Saturday, June 25, 1988. The program is a voluntary one.

The Recycling Center, which is located adjacent to the Municipal Garage, 1002 Fond du Lac Avenue, will be open to receive recyclable materials every Saturday, 9:00 a.m. to 2:00 p.m. from May 1st thru October 31st and the 1st and 3rd Saturdays of the month from 9:30 a.m. to 1:30 p.m. from November 1st thru April 30th.

**Items Subject to recycling.** The following items of rubbish and garbage may be delivered to the Recycling Center on condition that the resident or property owner complies with the preparations hereinafter indicating recycling is not mandatory.

- (a) Plastic milk jugs, soda bottles, and ice cream containers — remove caps, rinse, flatten if possible.
- (b) Newspapers — separate from magazines and colored advertising, bundle securely.
- (c) Cardboard — flatten cartons.
- (d) Aluminum cans — separate from steel cans, flatten if possible, labels may be left on.
- (e) Steel cans — separate from aluminum cans, flatten if possible, labels may be left on, and rinsed.
- (f) Glass — sort by color (clear, green or brown), labels

may be left on, no window glass, light bulbs or ceramics. Please do not crush. Remove all metal neck bands.

**Items Not Picked Up.** The following items will not be picked up by the Village in connection with its regular weekly garbage collection, but will be accepted for disposition by the Village Recycling Center on condition that the following preparations are made by the owner or resident generating such items of waste:

- (a) Miscellaneous metal — sort by content, if possible, remove all metal attached.
- (b) Major appliances — place in the designated area at the center, or call for arranged pick-up.
- (c) Waste oil — pour into a tightly closed container.
- (d) Tires — refer to Section 14.09 (5) (c).
- (e) Grass clippings and leaves — place in the designated area (compost pile).
- (f) Nonrecyclable materials (furniture, carpeting, etc.) — check with Recycling Center staff and D.P.W.

## Craig Miller Is National Collegiate Award Winner

The United States Achievement Academy has announced that Craig A. Miller has been named a United States National Collegiate Award winner in Computer Science Engineering. This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American college students.

Craig, who attends Milwaukee School of Engineering, was nominated for this National Award by Dr. Troy, a professor at the school. Craig will appear in the United States Achievement Academy Official Collegiate Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States

Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy. The Academy selects USAA winners upon the exclusive recommendation of professors, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a professor or director.

Craig, a graduate of Kewaskum High School, is the son of Mr. and Mrs. Gregory Miller, 931 Valley View Rd., Random Lake.

### ST. MATTHIAS SUMMER HOURS

St. Matthias Catholic Church in the Town of Auburn, New Fane, will be changing their Sunday morning Mass hours for the summer from 9:45 a.m. to 8:30 a.m. Saturday evening Mass will remain at 6 p.m. These hours are in effect through Labor Day.

Father Nicholas Goebel is serving as pastor. His phone is 533-4668.

## Secor Receives Doctoral Degree In Philosophy

Spring Graduate School Commencement, at University of Minnesota, was held May 20th in Northrup Memorial Auditorium. This year marked the centennial ceremony for the awarding Doctor of Philosophy degrees at the University of Minnesota.

Among those receiving Doctoral degrees was Robert Bruce Secor of Kewaskum. He graduated with high honors in chemical engineering from the University of Wisconsin, Madison in 1982. While pursuing his doctoral degree, he was employed in research and teaching at the University. His major was in the new field of Rheology or flow of plastics using computer - aided analysis.

Major advisors were Professors C.W. Macosko and L.E. Scieven. Robert is presently employed at 3M Corporation in research and development and resides in St. Paul with wife Helen and son Andrew.

## Lynn Geldreich Receives Degree

MILWAUKEE — Lynn Marie Geldreich, daughter of Richard and Mary Geldreich, 1720 Hwy. H, Kewaskum, was among 143 graduates who received bachelor's degrees in commencement exercises at Mount Mary College on May 14.

Geldreich received a bachelor

of arts degree with a major in social work. While at Mount Mary, she was named to Alpha Delta Mu, honor society for social work.

She is a 1983 graduate of Kewaskum High School.

### THANK YOU

With love, we thank you for your kindness and expression of sympathy family and friends, the Cedar Lake Home staff, Dr. Donald Muth, Larry Martin, Miller's Funeral Home, Rev. James Bettin, Shelley Pennington, Home Plate Catering, Bob Breitag, and everyone donating food and memorials.

The Family of Alice Fickler

### A SPECIAL THANK YOU

To Eugene and family for the prayers and visits while I was in the hospital; to relatives and neighbors for gifts and visits, to Drs. C. and A. Sison, Dr. Castro, the nurses on the second floor E. at St. Joseph's Hospital, and Fr. Berghammer for his visits at the hospital and at home.

Rita Zehren

### THANKS TO ST. JUDE

ST. JUDE'S NOVENA. May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world, now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us; St. Jude help of the hopeless, pray for us. Say this prayer 9 times a day, by the 8th day your prayers will be answered. It has never been known to fail! Publication must be promised. Thank you St. Jude.

# Festive Opening Ceremonies Set for Badger State Games

Former Olympians Cindy Bremser and Mark Johnson headline the festivities slated for the gala Badger State Games opening ceremonies, June 24 at 8 p.m. in the University of Wisconsin Fieldhouse, Madison. The ceremonies are sponsored by GTE and Domino's Pizza.

Bremser, a fourth place finisher in the 3,000 meter run at the 1984 Los Angeles Olympic Games, will culminate the month-long Badger State Games Torch Run by lighting the flame that will burn brightly during the three days of Wisconsin's amateur sports festival. Bremser is a former University of Wisconsin athlete. She has qualified for the 1988 Olympic Trials in the 3,000 and 10,000 meter runs. Bremser will compete in the Badger State Games 1,500 meter event. She is the daughter of Frank Bremser of Mishicot, a former Kewaskum resident.

Johnson was a member of the USA hockey team which shocked the world by winning the gold medal at the 1980 Lake Placid Winter Olympics. He will deliver the Badger State Games oath of athletes, and the keynote address of the ceremonies. Johnson, a former Madison Memorial and University of Wisconsin star, is now playing for the National Hockey League's New Jersey Devils.

University of Wisconsin music man Mike Leckrone is coordinating the opening ceremonies. Leckrone will also co-host the festivities with WIBA-AM radio personality Peter B.

Governor Tommy Thompson will herald the Games to begin. Thompson serves as the Badger State Games honorary

chairman. Some Badger State Games events began as early as Thursday, June 23, but most of the sporting activity takes place Saturday and Sunday at various sites in and around Madison. There is on-site registration in 11 of the Games' 25 sports.

## Village of Kewaskum NEWS NOTES

All dogs and cats are not to run at large or cause damage to other peoples property. As per Chapter 12.02 of the Kewaskum Municipal Code and State Statutes Chapter 174.02. The owner or keeper of any dog or cat licensed or unlicensed, shall not permit the same to cause damage (leave body waste) on others property. These matters are also redefined in both Chapter 9, Peace and Order and Chapter 10, Public Nuisances,

of Kewaskum Municipal Code. The "Park Rules and Regulations" prohibits all dogs and cats from entering any park. The Village would have no objection to a properly restrained animal, that is accompanied by the owner as long as no body waste is left behind. Children and adults use the parks for all types of activities and should not have to contend with unsanitary conditions.

Your cooperation and consideration of others would be greatly appreciated. The same rules apply for railroad right of ways, boulevards and the like.

Thank you!

## Kenneth Heisdorf Named Scholastic All-American

The United States Achievement Academy announced today that Kenneth Heisdorf has been named a Collegiate Scholastic All-American.

The USAA has established the Scholastic All-American Collegiate Award Program in order to offer deserved recognition to superior students who excel in the academic disciplines. The Scholastic All-American Collegiate Scholars must earn a 3.30 or better grade point average. Only scholars selected by a school official or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the USAA. These are awards few students can ever hope to attain.

Ken will appear in the Scholastic All-American Collegiate Directory, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the Scholastic All-American Collegiate Awards should be congratulated and appreciated for their dedication to excellence and achievement."

The Academy selects Scholastic All-American Collegiate Scholars upon the exclusive recommendations of professors, instructors, deans,

and other qualified sponsors. Once awarded, the students may be recognized by the USAA for other honors.

Ken also received the outstanding college students of America Award and the Financial Management Association National Honor Society Award.

Ken graduated Magna Cum Laude from U.W. Whitewater on May 7th. He is the son of Jim and Sue Heisdorf, Kewaskum.

## Receive Degrees at UW-Stevens Point

### Tot Timers Visit Fire Department

The YMCA Tot Time Kewaskum Class recently toured the Kewaskum Fire Department headquarters and learned first-hand all about firemen and their fire fighting and life saving apparatus. The class which met Mondays and Wednesdays at the Peace Church in Kewaskum is taught by Vicki Fenrick of Campbellsport, who is assisted by Jan Bunkelman of Kewaskum.

### Little Britches Calf Showmanship Contest

The County fair will soon be here so it's time to brush, wash and teach your calf to lead. But what if you aren't old enough for 4-H?

The Washington County Dairy Promotion Committee will sponsor a special "Little Britches" Calf Showmanship contest for children five to nine years old who aren't yet in 4-H. The contest will be held Sunday, July 31 at 1 p.m. at the Washington County Fair. Children will be judged on

the way they handle their calves and their basic showmanship ability. The calves may be any breed, either heifer or bull but must be born after February 1, 1988.

The children will be divided into age groups. Each participant will receive a ribbon and other prizes.

Entries for the Little Britches contest are due July 1, 1988. For more information or entry blanks, contact the U.W. Extension office at 342-2929, 644-5204 or 338-4400. You may also call George and Kathy Muth at 334-0873 or Kathy and Adrian Krause at 242-2979.

## Obituaries

### MILDRED V. HEBERER

Mrs. Mildred V. Heberer, 74, of Route 2, Campbellsport, passed away on Wednesday, June 22, 1988, at Samaritan Nursing Home, West Bend.

She was born on October 10, 1913 in the Town of Auburn, the daughter of the late Otto and Mary (Calvey) Krueger.

On October 24, 1931 she was united in marriage to John Heberer Sr. at St. John's Lutheran Church, New Fane.

Mrs. Heberer was a member of the St. John's Lutheran Church, New Fane.

Survivors include her husband John Sr.; seven sons Roger (Audrey) and Norman (Reenie) both of Campbellsport, John Jr. (Carol), William (Judy), Russell (LuAnn), and Terry (Suzanne), all of Kewaskum and Myron (Patricia) of Eden; a brother William (Helen) Krueger Jr., of West Bend; two sisters Mrs. Bernice (Marlin) Dreher and Mrs. Betty (Ray) Boose both of West Bend; 23 grandchildren and six great-grandchildren.

She was preceded in death by her step-father William Krueger, a son Steven, a brother Rueben, and a great-grandson Craig.

Funeral services will be held at the St. John's Lutheran Church, New Fane, at 11:00 a.m. on Saturday, June 25, 1988, with Rev. Charles Keehl officiating. Burial will be in the church cemetery.

Friends may call from 4:00 to 9:00 p.m. on Friday, June 24, at the Miller Funeral Home, Kewaskum, where a prayer service will be at 8:00 p.m.

Memorials may be made to the Lou Gehrig's Disease Foundation.

### ALICE M. FICKLER

Alice M. Fickler, 78, formerly of Fillmore passed away on Thursday, June 16, at Cedar Lake Home in West Bend.

She was born on May 9, 1910 in Denmark, Wisc., the daughter of the late Joseph and Sena (Anderson) Domenosky.

On June 19, 1943 she was united in marriage to Lee Fickler and he preceded her in death on August 8, 1971. Mrs. Fickler was a member of the St. Martin's U.C.C. in Fillmore.

Survivors include two sons, David (Marlene) Domasky of Kewaskum and Robert Fickler of Mosinee; three daughters, Karen (John) Staehler and Barbara Hinz both of Kewaskum and Beverly (Nyles) Heise of Houston Tx.; a brother, Ben (Martha) Domenoski of Two Rivers; two sisters, Della Pfeiffer and Lillian Mosby both of Grover City, Calif., and nine grandchildren.

In addition to her husband and parents she was preceded in death by two brothers, Willis and Andrew and three sisters, Leslie, Ruby and Edna.

Funeral services were held at the Miller Funeral Home, Kewaskum, at 1:00 p.m. on Saturday, June 18, with Rev. James Bettin officiating. Burial was in the Fillmore Union Cemetery in Fillmore. Friends called from 11:00 a.m. until time of services at the funeral home on Saturday.

### BENO SCHRAUFNAGEL

Beno Schraufnagel, of Route 2, Mayville, died Monday, June 13, at his residence, at the age of 70.

He was born Nov. 2, 1917, in the Town of LeRoy, Dodge County, and married Maxine Ertl Oct. 14, 1939, in LeRoy.

He was a retired Town of

LeRoy farmer, and had been a seed corn dealer for 22 years.

He was a member of St. Mary's Catholic Church, Mayville.

Survivors include his wife; five children, Floyd (Rose Ann) of LeRoy, Ron (Karen) of Hartford, Diane (Dennis) Gindt of Kewaskum, Doris Grage of Greeley, Colo and Darlene (Richard) Vollmer of Mayville; 16 grandchildren; five great-grandchildren; a sister, Lena (Alois) Feucht of LeRoy; a brother, Leo (Lucille) of LeRoy; two sisters-in-law, Clara Schraufnagel of Oakfield and Mary Schraufnagel of LeRoy, and other relatives and friends.

Preceding him in death were a daughter, Christine Schraufnagel; two brothers, Anton and Andrew; a son-in-law, Larry Grage, and a sister, Clara Polster.

Funeral services were Wednesday, June 15, at 9:30 a.m. from the Koepsell Funeral Home, Mayville, to St. Mary's Catholic Church in LeRoy at 10 a.m. for Mass of Christian Burial. Rev. Charles Verhalen was the celebrant, and entombment was in the Shrine of Rest Mausoleum, Fond du Lac.

Visitation at the funeral home was Tuesday, June 14, from 4 to 9 p.m., with a prayer service at 8:15 p.m.

**We're Proud  
of our Area  
Dairy Farmers**

Thanks for everything, Dairy Farmers. All year long you work hard to send us delicious, nourishing dairy foods. You contribute so much to our community's economic health, too. Our nation has always been able to rely on

dairy farmers for the highest quality products. We are proud of the example the dairy industry sets for others who serve the public. During June Dairy Month, it's our turn to say: Congratulations, Dairy Farmers, on a job well done!

To Celebrate  
**JUNE DAIRY MONTH**

We will be serving

## Dr. Robert Rose, Former Kewaskum Resident, Awarded Fulbright Grant

Dr. Robert K. Rose, Old Dominion University, Norfolk, VA has been awarded a Fulbright grant to conduct research in Australia, the Board of Foreign Scholarships and the United States Information Agency (USIA) announced recently.

Rose is the son of Mrs. Maude Rose, Kewaskum, and the late Clifford M. Rose.

While in Australia, Dr. Rose will be studying the ecology of small mammal communities in Tasmanian forests of different ages. He will examine which species are present in mature forests, which, if any, disappear when forests are clearcut, and the pattern of recolonization of regenerating forests by mammals. His study will also provide information on the nature of the mammalian fauna in the dry and wet eucalyptus forests of Tasmania, and the importance of 3-D habitat for certain species. The Tasmania Forestry Commission is supporting this project by providing funds for research equipment and travel to the research sites. Dr. Rose, an Associate Professor in the Department of Biological Sciences, has conducted similar studies of mammals of the eastern Virginia region since joining the Old Dominion University faculty in 1979. Previously, he held faculty positions at Georgetown

University, University of Virginia, and University of Kansas.

Dr. Rose is one of approximately 2,500 U.S. grantees being sent abroad for the 1987-88 academic year under the Fulbright exchange program. Established in 1946 under Congressional legislation introduced by former Sen. J. William Fulbright of Arkansas, the program is designed "to increase mutual understanding between the people of the United States and the people of other countries." Approximately 7,000 grants are awarded each year to U.S. students, teachers and scholars to study, teach and conduct research abroad, and to foreign nationals to engage in similar activities in the United States. Individuals are selected on the basis of academic and professional qualifications plus their ability and willingness to share ideas and experiences with people of diverse cultures.

More than 155,000 "Fulbrighters," over 54,000 from the U.S. and 101,000 from abroad, have participated in the program since it began 40 years ago. The program is administered by the U.S. Information Agency under policy guidelines established by the presidentially appointed Board of Foreign Scholarships (BFS) and in cooperation with a number of private organiza-

tions. Scholarships are awarded through open competition, with final selections made by the Board of Foreign Scholarships. Twenty-seven foreign governments share in the funding of these exchanges.

The U.S. Information Agency is an independent agency within the executive branch whose mission is to inform other nations about American society and to provide opportunities for Americans to learn about the rest of the world.

For further information about the Fulbright Exchange program, contact: Office of Public Liaison, 301 4th Street, S.W., Washington, D.C. 20547, Telephone: (202) 485-2355.

### UWVC Faculty, Staff Members Participate In Colloquium

MARINETTE — Nine faculty and administrative staff

members from the University of Wisconsin Center — Washington County participated in the Lorman Ratner Colloquium on June 6 and 7.

The Colloquium is named after a former chancellor of the UW Centers and draws delegates from all 13 UW freshman - sophomores campuses. Sessions were scheduled at Marinette at the UW Center.

Three UWVC delegates served as program leaders.

—Margaret Cleek, associate professor of psychology at UWVC, was one of five panelists reacting to a Monday afternoon keynote address by James P. Winship, director of the Teaching Enhancement Center at UW-Whitewater.

—Peter Ayer, associate professor of vocal music at UWVC coordinated a Monday evening Campus Cabaret

program.

—Michael Murphy, director of student services at UWVC, shared the stage with UW Centers Chancellor Stephen R. Portch for a Monday morning progress report on the development of formalized transfer agreements between the centers and four-year UW campuses.

Also attending the colloquium from UWVC were Dean Robert Thompson; Albert Asch, associate professor of instrumental music; Nancy Bigler, associate librarian; Clair Bigler, associate professor of English; Tom Brigham, associate professor of physical education; Tom Fitz, librarian; and Janet Matthews, associate lecturer in education.

### July 8 Deadline To Register for Piano Workshop

Children have until July 8 to register for the Moraine Area Piano Workshop at the University of Wisconsin - Washington County Center.

Workshop sessions are scheduled for 8:30 to 11:45 a.m., July 18 through 22. The annual workshop is co-sponsored by the Moraine Area Private Music Teachers Organization at the UWWC Music Department.

Students going into grades five through eight are eligible. Participants must have had at least two years of piano instruction.

Cost of the workshop is \$30. A brochure and registration blank is available from Anna Asch at UWWC, 400 University Drive, West Bend.

Asch, who teaches piano privately and at UWWC, said, "The piano workshop offers a unique opportunity for students to sharpen their musical abilities through the study of musically related subjects, with different music teachers of the area.

"Close association with other students of similar interest in ensemble playing and

concentrated study will be a valuable experience."

Four classes will be offered during the week, including:

- Music Theory and Composition.

Students will explore their creative abilities while learning to communicate ideas through basic notation. Asch said, "Composing music can be a more meaningful approach to the age-old subject of music theory, and composing at the piano can be a lot more fun."

- Music History.

Music of the 20th Century will be the primary focus. Asch said, "The study of music history will let our wealth of music literature come alive."

- Ensemble Playing.

Opportunities for ensemble playing will include piano duets and quartets along with chamber music with other instruments.

- Capriccio Class.

The class offers a variety of musical experiences and a chance to perform "Celebration" by Lynn Freeman Olson, a 20th Century piece, on pianos and in small rhythm groups.

For more information, contact Asch at UWWC, 338-5200.

Wild flowers have been known to bloom in the Arctic—even at the edge of glaciers.

### Moraine Park to Offer Career Lab

Deciding on a career these days is not as easy as it used to be. There are thousands of different job titles in the nation and figuring out which one is right for you can be an overwhelming experience.

The Career Lab on Moraine Park Technical College's West Bend campus is trying to make

the decision a little bit easier by conducting a free, Career Decision Mini-Class beginning June 27:

The classes are designed to help anyone who needs advice or direction in determining their career goals. Through the use of personality, interest and aptitude testing, the students will learn what career areas best suit them. The classes will also help students understand and set realistic career goals. ## New Employee Orientation Conference Held at Select Sires

Kewaskum Statesman, Friday, June 24, 1988, Page 17

Shown in the photo, front row, left to right: Gary Brumler, Scott Attebury, Dwain Dinse, Mark Van Tuinen, Bryce Erickson, Mark Uhlenberg. Second row: Dave Hahn, Campbellsport, representing East Central/Select Sires, Julie Hamilton, Tina Kise, John Knapp, Jeff Flock, Roger Goldsmith, Steve Noack. Third row: Mike Bills, Tom Turner, Bill Krivanek, Mark Korf, Dan Sivesind, Jack Wissell, Russ Warma, Deward Thompson.

A group of newly hired individuals gathered at Select Sires in Plain City, Ohio, May 17 to 19, for a new employee orientation conference. This "Select" group of professionals representing the 12 member cooperatives completed the three day intensive orientation program. The itinerary for the conference included presentations by each department and extensive tours of the National Headquarters facilities. This educational program provided new members the opportunity to appreciate the history of the world's largest A.I. cooperative. In addition, they were helped to understand the vital role each employee plays in the ongoing success of the organization.

### Burkhalter Graduate Of GMI Engineering, Management Institute

FLINT, Mich. — Cheryl A. Burkhalter was among 600 graduates of GMI Engineering & Management Institute honored during commencement ceremonies June 17.

Burkhalter, daughter of Mr. and Mrs. Ken Burkhalter of West Bend, earned a bachelor of science degree in electrical engineering.

GMI Engineering & Management Institute, with a student enrollment of nearly 3,000, is the nation's only accredited college of engineering and management operating on a five-year cooperative plan of education. Founded in 1919, GMI was a part of General Motors Corporation until 1982, when it became an independent institution and ceased to be known as General Motors Institute.

The college offers bachelor of science degrees in mechanical, industrial, electrical, and manufacturing systems engineering, and management systems. A masters degree is offered in manufacturing management. Students alternate 12-week periods of classroom and laboratory academic studies with work experience at some 300 sponsoring businesses and organizations in the United States and Canada.

As a cooperative education student, Burkhalter was sponsored by Electro-Motive, La Grange, Illinois.

### Four Receive KES Academic Awards

In 1983, President Reagan established the Presidential Academic Fitness Awards (PAFA) program. The program is designed to encourage students to achieve their full academic potential. The PAFA award is a certificate of recognition for outstanding academic achievement signed by the President, the Secretary of Education, and the school principal.

At the elementary level, only 5th graders are eligible for the award.

The following 5th graders at the Kewaskum Elementary School are to be commended for having placed at or above the 80th percentile on this year's Comprehensive Tests of Basic Skills on both the composite score as well as the math section, which was the criteria upon which the award was based: Melissa Amundson, Craig Erdmann, Dan Survis, Shelly Williams.

# Kewaskum's Special Olympics Team Finishes Competitive Season in Fine Style

The Kewaskum Special Olympics Team volunteers and coaches. Front row, left to right: Mrs. Wayland Tessar (also representing United Way at banquet), John Kudek, Assistant Coach Marilyn Contrestan, Head Coach Jeaneen Kudek. Back row: Wayland Tessar, Alison Malvick, Pat Hanrahan, Gary Moody and Jeff Kudek. Not pictured: Ass't. Coach Kathy Charland and volunteer Clayton Stautz.

Tim Moody, left, and Brian Hanrahan, right, proudly displayed the medals they had won in their events.

Statesman Photos  
by Gerry Mueller

Teammates happy with each other's victory. Veteran competitor Stacy Mueller gave Justin Petermann a proud hug after he received a first place gold medal in the standing long jump. It was Justin's first competition on the state level.

By GERRY MUELLER  
Statesman Staff Writer

With more and tougher competition each year, the Kewaskum Special Olympics Team turned in an impressive performance at this year's state summer meet in Stevens Point on June 10th and 11th.

All the hard work and many hours of practice paid off as the eight-member team brought home ten medals, two first place golds, five second place silvers and three third place bronze. They also earned four fourth place, one fifth place and three sixth place ribbons.

The individual results were Kim Fresquez Third Place Softball Throw, Sixth Place 50 Meter Run; Brian Hanrahan Third Place 100 Meter Run, Sixth Place SBT; Lisa Loomis Second Place 50 MR, Fifth Place SBT; Tim Moody Second Place in both the 100 MR and SBT; Julie Morgan First Place 25 Meter Freestyle Swim,

Second Place Backstroke; Stacy Muller Fourth Place in both 50 MR and SBT; Justin Petermann First Place Standing Long Jump and Sixth Place 50 MR, and Joanne Stautz Second Place 25 M Freestyle and Third Place Backstroke.

The team's season closed last week with the annual victory celebration and banquet at the Legion Hall. Head Coach Jeaneen Kudek thanked all the organizations and individuals who had supported the team with either their money or their time, for some, it was both.

This year the group received financial assistance from the Kewaskum American Legion Post and United Way. In addition to the United Way's general fund check, the team received contributions from individuals who had specifically designated the Kewaskum Special Olympics Team as the recipient of their contributions

to the United Way Fund. Kudek also thanked her assistant coaches Kathy Charland and Marilyn Contrestan and the loyal group of volunteers who have worked all year preparing the athletes for both the winter and summer state meets. Mr. and Mrs. Wayland Tessar and Clayton Stautz worked with the youngsters in swimming, Pat Hanrahan, Alison Malvick, and Gary Moody bowling, Jeff Kudek bowling and field events, and John Kudek wherever his help was needed.

With the success of this year behind them, the athletes are eagerly looking forward to the next season's competition.

If a cake slips while you're icing it, skewer the layers together till the icing sets.

## Pressure Canner Testing Clinic

Summer is here and the Washington County gardeners are busy giving their gardens a little extra TLC due to hot dry weather. As hot and as busy as you are, do not wait to have your Pressure Canner checked. The quality and safety of low acid fruits, vegetables and meats depends on the condition and accuracy of the pressure canner used for processing. Test and replace parts now before the big canning season gets underway.

The dial gauge should be checked for accuracy each year. It should be checked again if any of these circumstances occur: If you do a lot of canning; if the lid has been dropped or submerged in water; if the gauge glass is cracked; or if any parts are rusty. Gauges should be replaced if more than three or four pounds "off."

In canners with rubber or composition gasket seals, drying and shrinkage of gaskets can cause an uncomplete seal. Have them replaced if worn. A metal-to-metal seal should be kept free of rust and corrosion. Polish with a non-abrasive cleanser and coat with a thin layer of petroleum jelly. A pipe cleaner and vinegar will remove lime deposits from around safety valves. Keep these areas as clean and dry as possible.

To help with this summer's canning, the Washington County cooperative Extension Service is offering Pressure Canner Testing and Inspection. Mary Reese, the Summer Home Economist will be available at the following times to test your gauges and answer questions. Bring your canner lid and gauge to one of the 4 locations.

Monday, June 27, 10:00 a.m. - 12:00 noon, Municipal Building Community Room, 204 1st Street, Kewaskum.

Tuesday, June 28, 3:00 p.m. - 5:00 p.m., Duerrwaechter Memorial Library, N112 W16879 Mequon Rd., Germantown.

Wednesday, June 29, 12:00

noon - 3:00 p.m., or Thursday, July 7, 9:00 a.m. - 2:00 p.m., UW-Extension Office, 432 E. Washington Street, West Bend.

Thursday, June 30, 3:00 p.m. - 5:00 p.m., Hartford Recreation Center, 525 N. Main Street, Room 101, Hartford.

If these dates and times are not convenient, pressure canner gauges can be tested at the UW-Extension Office. Bring your canner in one day and pick it up the following work day after 1:00 p.m. If you have any questions or would like information on pressure canning or pressure canners, please call 338-4479, 342-2929, or 644-5204.

## Letter to The Editor...

DEAR EDITOR:

Wild horses and burros rounded up from fragile western rangelands will soon be coming to Eau Claire, Wisconsin. Since the program began in 1973 over 84,000 wild horses and burros have been adopted to more than 35,000 people.

The adoption event in Eau Claire, Wisconsin will be held at the Equity Cooperative Livestock Auction July 9th and 10th. We'll have 150 young mustangs and 70 burros up for adoption at a fee of \$125.00 per horse and \$75.00 per burro, which helps defray the costs of round-up, veterinary care and transportation.

Whatever help you can provide in getting the word out on the Adopt-A-Horse Program will certainly be appreciated.

Sincerely,

John F. Winnepekninx  
Wild Horse and Burro  
Specialist

## Pesticide Poisoning Can Bring Flu-Like Symptoms

Users of pesticides may mistake the symptoms of pesticide poisoning for symptoms of less serious illnesses.

Some of the general symptoms of pesticide poisoning — muscle aches, respiratory difficulty and visual problems — are often subtle or misleading. You must feel a little off, as though you're coming down with the flu. But if you've been handling pesticides, and you're experiencing these symptoms, you should contact your physician.

Used as recommended, pesticides can be safe and effective. However, farmers and other pesticide applicators run a high risk of accidental exposure. Pesticides enter the body through the nose, mouth, eyes, lungs and most often through the skin. The most frequent means of accidental exposure are mixing and loading of pesticide concentrates, spills, spray drift, equipment failure and premature entry into sprayed areas.

Farmers usually request treatment for a single, acute exposure to pesticides, rather than the additive gradual buildup of toxins. But organophosphates — potentially the most dangerous class of pesticides — can gradually accumulate in the body. Organophosphates include such pesticides as phorate (Thimet), parathion, and terbufos (counter), fonofos (Dyfonate) and disulfoton (Di-Syston).

The most common symptoms of organophosphate poisoning include headache, visual disturbances, abnormalities of the pupil and greatly increased sweating, tearing and respiratory secretions. More severe poisoning may involve nausea and vomiting, changes in heart rate, fluid in the lungs, muscle weakness, respiratory paralysis, confusion, convulsions or coma and death.

Symptoms of poisoning by carbamates, another major class of pesticides, are similar to those of organophosphates. The carbamates include carbofuran (Furadan), carbaryl (Seven) and aldicarb (Temik).

Some physicians may not be familiar with the symptoms of pesticide poisoning. Organophosphate poisoning can be diagnosed with blood tests, carbamates are more difficult to detect.

It is advised, that as a preventive measure pesticide applicators should have routine baseline blood tests for cholinesterase before handling organophosphates.

Cholinesterase levels should then be monitored with additional blood tests every 10 days to 2 weeks during the pesticide's use.

Using common sense is most important in avoiding pesticide exposure. Used in accordance with the label directions and

common sense, toxic pesticides can be used safely. But if used improperly, even the least toxic can be dangerous. Read, understand and follow the label directions before using the product, and knowing the precautions and first aid procedures is recommended.

Because pesticides enter your body by ingestion and inhalation, never eat, drink or smoke during or after using pesticides unless you wash first. Carry a supply of water with you in the field so you can wash any spills off your body immediately.

Be sure to wear protective clothing when mixing and applying pesticides. Product labels may list specific require-

ments. Where they do not, use common sense. When you handle or apply pesticides, wear at least a long-sleeved shirt and long trousers or coveralls; also wear a rubber or plastic liquid-proof hat and unlined, liquid-proof neoprene gloves (unless the label indicates another type should be used.).

Most hospitals have information about pesticides. However, there are five Poison Control Centers in Wisconsin where doctors or individuals may call any time for information on the diagnosis and treatment of pesticide poisoning.

The one in our area is the Milwaukee Children's Hospital, phone 414-931-4114.

The first skyscraper in the United States was the Home Insurance Co. building. It stood ten stories tall.

## Campus Notes

BLOOMINGTON, ILL — The dean's List for the second semester of the 1987-88 school year at Illinois Wesleyan University includes 380 students from 228 cities in 14 states.

The list was announced today by Dr. Jerry Israel, Acting Dean of Academic Affairs.

To be on the Dean's List, a student must have a grade-point average of 3.500 or better,

based on 4.0 for all A's, during the semester.

The list includes the following: Lisa A. Krahn, 807 CTH A, Rt. 1, Adell; Edward Koller Jr., 3634 Jansen Dr., West Bend.

# A sure sign that it's time to buy that new appliance.

On a new appliance, Wisconsin Electric's green Smart Money Label means energy savings and money back from Wisconsin Electric.

Because now through August 31, we're offering free financing, or rebates of up to \$75 on energy-efficient refrigerators, and \$40 on qualifying efficient freezers bearing this green

label.\*

Think of it as getting the green light.

You'll get a rebate or free financing, savings on every electric bill, and a future with more energy for everyone.

Now that's Smart Money.

\*Offer available to Wisconsin Electric customers only. If you don't find any models with this label, ask your dealer which models qualify. Other restrictions apply.

## Herzberg Seeks 9th Congressional District Seat

Joseph Herzberg

Joseph Herzberg, a Fox Point resident, has announced his candidacy for the Democratic nomination for U.S. Representative in the 9th Congressional District.

In a tour of eleven cities throughout the district, Herzberg pledged to work for an effective national family policy dealing with the problems of children, teens, working adults, and retired senior citizens.

Herzberg, 50, cited drug abuse among 25 million Americans as a major health problem affecting families which Congress and the Reagan Administration has failed to effectively address as part of a family policy.

A Milwaukee native, Herzberg graduated from Shorewood High School and earned a B. A. degree from Cornell University, an M.D. degree from the University of Wisconsin Medical School, an M. B. A. degree from Loyola College, and a J.D. degree from George Washington University Law School.

Herzberg is a former member of Brewery Workers Local #9 and A. O. Smith Steelworkers Local #19806 in Milwaukee. He also ran the family jewelry

business started by his Russian immigrant grandfather in Milwaukee in 1905.

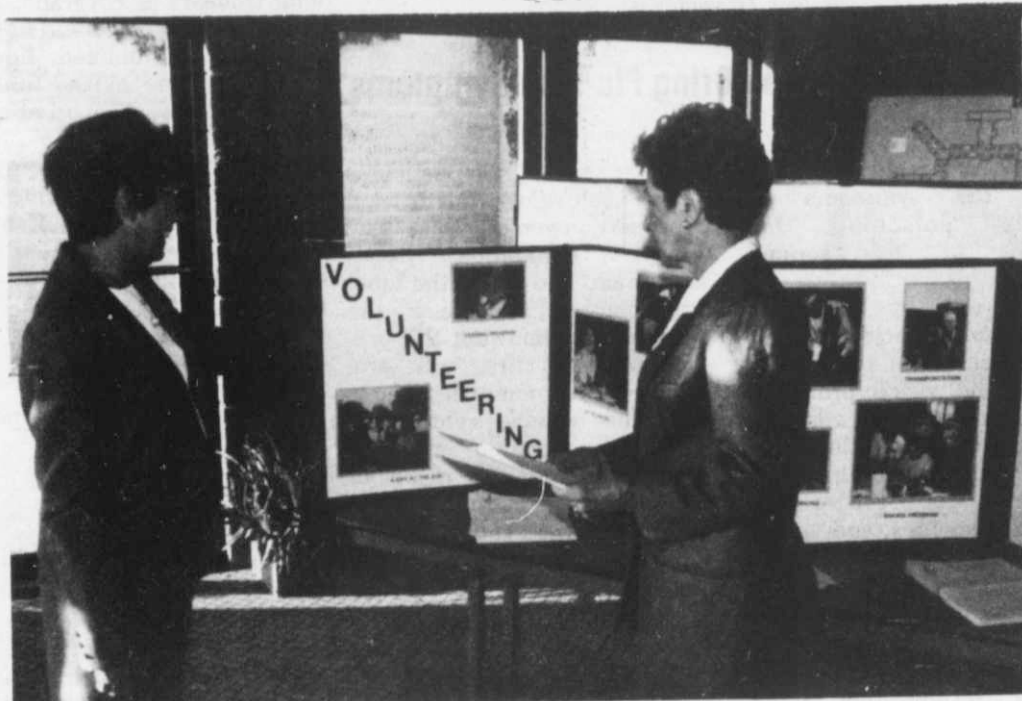

Herzberg is a psychiatrist specializing in the problems of teenagers, drug abuse, and occupational health and safety. He has conducted extensive research on teen drug abuse and has served as medical consultant to many businesses and organizations, including the United Mine Workers.

As a publisher author, Herzberg is a recognized expert on reducing health care costs on the job.

Herzberg is a member of the Board of Directors of the national Environmental Task Force and the Board of Directors of the Greater Washington Educational Television Association. He served as Vice Chair of the Tobacco Products Liability Project, which fights false medical claims on the effects of smoking and tobacco products made by the tobacco industry.

The 9th Congressional District consists of all of Jefferson, Ozaukee, and Washington counties and parts of Dodge, Fond du Lac, Milwaukee, Sheboygan, and Waukesha counties.

## 300 Cedar Lake Home Tri-Campus Volunteers Attend Appreciation Dinner

Shirley Birkholz, Boltonville, president of the William Koehl Working Auxiliary of the Cedar Lake Home Tri-Campus, and Darleen Kandel, West Bend, look at a display illustrating the importance and rewards of volunteering.

Over 300 Cedar Lake Home Tri-Campus volunteers attended an appreciation dinner held at the Cedar Ridge Retirement Campus, West Bend, in June. "Without volunteers, the Cedar Lake Home Tri-Campus would not be able to accomplish many of the things it does," stated Virginia Michaels, Volunteer Coordinator at the Cedar Lake Home Tri-Campus. "They are an integral and most valuable part of our total team."

Following the appreciation dinner, the volunteers were

addressed by three persons: Executive Director, Rev. L. C. Riesch, shared insightful stories of the pioneer Christian Koehl family, the original settlers who lived on and owned the Cedar Lake property and about their son, William, who gave the property to the non-profit Benevolent Corporation to be used to serve humanity.

Ralph Hoefert, Cedar Lake Home Campus Business Office Manager for 26 years, related historical data about the early

days of Cedar Lake Home.

Doris Friedemann spoke on the inception of the Auxiliary and the on-going role of volunteers at Cedar Lake. The William Koehl Working Auxiliary is observing its 30th anniversary this year.

The volunteers were challenged not only to look back on their history and accomplishments, but also to look ahead to the Tri-Campus's dedication in meeting the needs of the community in the future.

Belle of Wisconsin, the new 40,000 pound World's Record Mammoth Cheddar Cheese, is set to begin a year-long tour across the U.S. as a Marketing Ambassador promoting the sale of all varieties of Wisconsin cheese. The custom-designed, refrigerated "Cheesemobile" provides Belle with optimum conditions for natural aging.

## Klinker Seeks State Assembly Seat

W.D. "Bill" Klinker

W. D. "Bill" Klinker, well known Hartford businessman, has announced his candidacy for state representative in Wisconsin's 59th district. The area Klinker seeks to represent as state assemblyman includes Hartford, Mayville, Slinger, Horicon and Kewaskum in Washington and Dodge counties.

Klinker, who has been a town of Hartford resident for the past 14 years, is 58 years old, married and the father of four sons. A member of the Republican party, Klinker is past president of the Wisconsin Culligan Dealers' Association and the Hartford Lion's club. Involved in sales

management for the greater part of his business career, Klinker is also a Master Plumber (restricted appliance), a former Dale Carnegie representative and for the past 14 years he has operated the Culligan water conditioning dealership in Hartford. Prior to this he held executive marketing positions with Culligan, U.S.A. and also holds a real estate broker's license.

At the meeting at which he announced his candidacy, Klinker said he would be a "full time state assemblyman" and an office holder who will listen to the concerns of his constituents. Klinker said he would

make himself available to voters and, because of his long background in water treatment, pay special attention to environmental issues. Klinker is a past president of the Wisconsin Water Quality Association and is a member of the National Water Quality organization.

Klinker said that due to the number of farms in his district, he will also concern himself with agricultural issues.

Klinker served in the U.S. Army from 1946-48 and is a local Chamber of Commerce member. This is his first try for public office.

## Farmland Preservation Deadline is June 30

Wisconsin farmers in rural counties wishing to receive tax credits on their 1988 state income taxes, and who are not already participating in the state's Farmland Preservation Program, have until June 30 to submit an application for an individual agreement.

According to David Fodroczi, Wisconsin Department of Agriculture, Trade & Consumer Protection (DATCP) farmland preservation director, farmers in counties classed "urban" are eligible for 1988 tax credits only if their land is in an exclusive agricultural zoning district. When such zoning is adopted, a farmland preservation agreement is not needed to claim a tax credit. Urban counties include: Brown, Dane, Eau Claire, Fond du Lac, Jefferson, Kenosha, LaCrosse, Manitowoc, Outagamie, Ozaukee, Racine, Rock, Sheboygan, Walworth, Washington, Waukesha and

Winnebago.

A recent change in the law will make landowners in urban counties eligible for farmland preservation agreements for the 1989 tax year. Urban landowners will be eligible to apply for 1989 agreements after July 1, 1988. The Department will release details for urban agreements in early July.

"All rural counties have adopted plans," says Fodroczi, "so farmers in these counties will be eligible for farmland preservation agreements and tax credits if they apply by June 30 deadline."

Farmland Preservation agreements require that land is kept in agricultural use to qualify for tax credits, which averaged \$1,550 per farm last year. Applications are submitted to county clerks.

"Submitting an application does not obligate the applicant to sign an agreement, but guarantees a tax credit for this year if an agreement is signed later," says Fodroczi. He also advises landowners to begin preparing their applications as early as possible to obtain needed information and attachments such as farm records, deeds, land contracts, property tax bills and air photos.

To obtain information on the Farmland Preservation Program or status of county programs, contact your local county extension office or DATCP, Land Resources Bureau, P.O. Box 8911, Madison, WI 53708 or call 608/266-6963.

## Washington County Awarded \$33,715 Grant

MADISON — State Health and Social Services Secretary, Timothy F. Cullen, has announced grant awards totaling \$113,430 to four Wisconsin counties to fund projects to improve the quality of child protective services.

The counties and amount of funds to each, for the remainder of 1988, are: Washington, \$33,715; Lincoln, \$31,725; Sawyer, \$23,045 and Bayfield, \$24,945.

"The intent of the four county project is to improve the quality of decisions social workers make in child abuse and neglect cases and to obtain greater uniformity in how those decisions are made," Cullen said.

During the next two months staff in all four counties will receive training in applying a national child protection services model which is designed to enhance decision making skills in child abuse and neglect cases.

## 25 Years Ago 50 Years Ago

June 21, 1963

Eight young people graduated from eighth grade at St. Kilian's Parochial School, St. Kilian, on June 7. They included Dale Darnody, James Bonlender, Mary Beth Chesney, Daniel Kudek, Dolores Mayer, Joseph Peters, Bonnie Weiland and Steven Weiland.

Three boys who are students at Kewaskum High School attended Badger Boys' State at Ripon College this week. They are Gerald Miller, son of Mr. and Mrs. Deward Miller, Route 1, Kewaskum; Bob Kern, son of Mr. and Mrs. Ralph Kern, Route 1, Kewaskum, and Lee Schmidt, son of Mr. and Mrs. Alvin Schmidt, Route 2, Cascade.

Peace United Church of Christ was the setting for the ceremony on June 15, during which nuptial vows were exchanged by Carol Ann Miller, daughter of Mr. and Mrs. Charles F. Miller, Kewaskum, and Richard Lee Ryman, Chicago, Ill.

Nicholas Schneider, 79, farm resident of Route 2, Kewaskum, passed away at St. Joseph's Hospital, West Bend, June 18, after ailing for some time.

Daughters were born to Mr. and Mrs. Lawrence Wilson, Route 1, Kewaskum, on June 13; to Mr. and Mrs. Donald Ritger, Kewaskum, on June 14; to Mr. and Mrs. William Lehmann, Kewaskum, on June 16, and to Mr. and Mrs. Dale Lloyd, Route 3, Campbellsport, on June 16. A son was born to Mr. and Mrs. Leroy Heimerman, Route 3, Campbellsport, June 19.

 927 Fond du Lac Ave.  
 Kewaskum 626-8001

June 24, 1938

In a charming late spring wedding performed in the Peace Evangelical Church here June 18, Miss Charlotte Wood Lay, daughter of Mr. and Mrs. Otto Lay, Kewaskum, became the bride of Lyle Gibson of Montfort, Wis.

Miss Margaret Beck, daughter of Mr. and Mrs. Albert Beck, Town of Barton, became the bride of Martin Schrauth, son of Mr. and Mrs. Anton Schrauth of Campbellsport, in a lovely wedding which took place on June 18.

A son was born to Mr. and Mrs. Elmer Struebing of St. Kilian on Friday.

## 75 Years Ago

June 21, 1913

The cornerstone of the new church edifice of the Ev. Luth. St. Lucas congregation which is being erected, will be laid June 22, with appropriate services. Rev. H. Knuth of Milwaukee will deliver the feast sermon.

A very pretty wedding took place in this village last Tuesday morning at Holy Trinity Church when Rev. Ph. Vogt performed the wedding ceremony that made John W. Stellflug and Miss Ellen Wunderle man and wife. The bride is the youngest daughter of Mr. and Mrs. Peter Wunderle of this village. The groom is a son of Mr. and Mrs. Frank Stellflug of St. Michaels, but is now owner of the meat

market better known as the Wunderle meat market, having purchased it this spring.

Miss Olive Klotz and Ben Day, both of Campbellsport, were the principals in a pretty wedding which took place on Wednesday at the parsonage of St. Matthew's Catholic Church. The bride is the daughter of Mrs. Marie Klotz. The groom is the son of Mr. and Mrs. J.B. Day.

A daughter was born to Mr. and Mrs. Math. Stockhausen of St. Michaels one day last week.

A baby boy was born to Mr. and Mrs. Jos. P. Schmitt of St. Kilian last Thursday.

## LETTER TO THE EDITOR

Letter to the Editor:

I would like to take this opportunity to wish Penny Kleinhans and Julie Backus the best in their new endeavors.

Although some of the issues or concerns were not acceptable to the public, I feel we (as a school district) were, and still are behind on some state and federal mandates.

We were so far behind on curriculum coordination of: A.O.D.A. (Druge & Alcohol Programs) Gifted & Talented, evaluation of teachers and support staff, and of course the 'gray-area' students, that some strong measures had to be taken to best utilize our pro-

fessional staff and tax dollars.

The Administration may have had to "step on some toes," but today our teachers are better informed on curriculum and have input as they and district parents serve on the S.E.C. (School Evaluation Consortium).

Our protective behavior program/to say No, is also a follow through that needed a lot of work. And thanks to the efforts of Mr. Zarling, Mr. Dickenson and the administration this worthwhile project has been organized through out the district schools.

The better use of our tax dollars for the education of our students are of the utmost importance to these administrators. I know how hard it is to choose between concerns of the heart, and issues to promote and up date the educational basics for our children. When a direction is made it is for the improvement of our total needs in the Kewaskum School District. I know, Ms. Kleinhans and Ms. Backus have plans to step into larger school districts and to continue to strive for excellence in education.

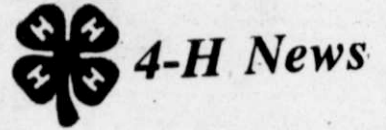

So, I thank them for their

contributions in the short time that they have been here.

Continued success in the many new challenges they will face in their new positions.

Sincerely,

Jean E. Goeden  
 "Domestic Engineer"

June is dairy month and Kewaskum 4-H is celebrating by handing out cheese samples at Sentry in the dairy dept. on Saturday, June 25 from 9 a.m. to 2 p.m.

We will be handing out free recipes for some of your favorite dairy products.

Thanks to Sentry for supplying the cheese samples we will hand out.

Karen Schaub, dairy month promotion adult advisor, Sara Lemke & Michelle Schaub, youth leaders.

## Minutes of School Board Meeting

May 9, 1988

The meeting was called to order by President Horner at 7:03 p.m.

All Board members were present. Clerk Schmitt led the Pledge of Allegiance.

President Horner presented Ron Theusch with a plaque in honor of his 3 year tenure as a Board member and thanked him for his contributions to the students and taxpayers of the district.

President Horner also thanked graduating student representative Craig Hubbell for his participation on the Board. An election of officers was held.

**President:**  
Ruth Schmitt nominated Ralph Horner. Neal Weare nominated Perry Ankerson. Schmitt/Trapp motion to close nominations. Motion passed 7-0.

Ralph Horner was elected to the Presidency by a 4-3 vote.

**Vice-President:**  
Clara Trapp nominated Ron Beimbom. Perry Ankerson nominated Neal Weare. Schmitt/Trapp motion to close nominations. Motion passed 7-0.

Ron Beimbom was elected as Vice President by a 4-3 vote.

**Clerk:**  
Ron Beimbom nominated Ruth Schmitt. Perry Ankerson nominated Clara Trapp. Schmitt/Beimbom motion to close nominations. Motion passed 7-0.

Ruth Schmitt was elected Clerk by a 5-2 vote.

**Treasurer:**  
Perry Ankerson nominated Don Nowak.

Ron Beimbom nominated Clara Trapp. Schmitt/Trapp motion to close nominations. Motion passed 7-0.

Clara Trapp was elected Treasurer by a 4-3 vote.

Perry Ankerson asked why the agenda had been amended to include discussion of potential candidates for the District Administrator's position in closed session. Ruth Schmitt said it was put there on the advice of the attorney. Trapp/Schmitt motion to approve the agenda. Motion passed 5-2 with Neal Weare and Perry Ankerson voting no.

**Student Government Representation:**  
Craig Hubbell reported that a tennis player from another school was hurt playing tennis on the south tennis court. Craig thought the Board should be aware of this before they make their decision about fixing the court later on in the meeting.

**Audience to visitors:** Ron Beimbom asked if anyone was aware of a lock-in to be held at Kewaskum Middle School. Ms. Backus was not present to comment.

Trapp/Schmitt motion to adjourn to Executive/Closed Session as per State Statute 19.85(1)(c) "Considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises authority." Motion passed 5-2 with Perry Ankerson and Neal Weare voting no.

The Board went into Closed Session. They reconvened into Open Session at approximately 7:50 p.m.

Nowak/Schmitt motion to approve the

April 11, 1988 Open Session minutes. Motion passed 5-0-2 with Perry Ankerson and Neal Weare abstaining.

Nowak/Trapp motion to approve the April 11, 1988 Closed Session minutes. Motion passed 5-0-2 with Perry Ankerson and Neal Weare abstaining.

Nowak/Ankerson motion to approve the April 21, 1988 Closed Session minutes. Motion passed 6-0-1 with Neal Weare abstaining.

Ankerson/Weare motion to approve the April 26, 1988 Special Meeting minutes with one addition: Don Nowak had informed the administration that he would be absent due to his wife's illness. Motion passed 7-0.

**Policy-Legislation-Bylaw Committee chairperson Ruth Schmitt read three policies publicly for the first time. They were: #4238-Attendance at State Competitions (Personnel); #6145-Philosophy and Goals for Gifted and Talented Program; #1250-Communications Policy (Standard 0). These policies will come before the Board at the next Regularly Scheduled meeting for approval.**

The next Policy-Legislation-Bylaw Committee meeting will be held Monday, June 6th at 7:00 p.m. in the Administration Offices.

Ankerson/Trapp motion to accept the bid of \$6062 for the abandonment of fuel oil tanks at KHS and KES. Motion passed 7-0.

Schmitt/Beimbom motion to accept Iron Fireman's bid of \$12,850 to replace the heat exchanger at KHS and if at all possible have the job completed before the end of the 1987-88 school year and the funds should come out of the 1987-88 budget. If job cannot be completed before June 30, funds will come out of the 1988-89 budget. Motion passed 7-0.

Ankerson/Weare motion to have Davis Abatement remove the asbestos floor tile in the art and home economics rooms at KHS for \$1234, and have Falls Floor Covering install a new floor at a cost of \$2565. Motion passed 7-0.

Schmitt/Beimbom motion to accept the water diversion bid from Ram Construction in the amount of \$3990 and hire Fahrner Asphalt to repair and color coat the south tennis court. The money should come from Fund 40. Motion passed 4-3 with Perry Ankerson, Don Nowak and Neal Weare voting no.

Schmitt/Beimbom motion to approve the payroll and accounts payable in the amount of \$1,085,814.96. Motion passed 7-0.

Weare/Nowak motion to approve the CESA #6 contract for AV repair (\$1040 for 65 hours of service and \$16 per hour after 65 hours) and Regional Delivery Service (approximately \$100 per year). Motion passed 7-0.

Nowak/Trapp motion to renew the contract with Cedar Haven Rehabilitation Agency for therapy services at the rate of \$25.75 per hour. Motion passed 7-0.

The Board signed the following 1988-89 administrative contracts: Business Manager, Director of Instruction-KMS Principal, KHS Principal and Vice Principal, KES Principal, and Farmington-Wayne Principal (all two-year contracts), and the Supervisor of Buildings and Grounds one-year contract. All contracts reflect a 4.5 percent wage increase.

President Horner announced that a wage increase has been awarded to the non-union support staff. The secretary/book-

keeper positions will receive a 5.2 percent increase effective July 1, 1988. The food service supervisor will receive a 2.6 percent increase on July 1, 1988 and another 2.6 percent increase on January 1, 1989.

Ankerson/Schmitt motion to direct President Horner to head the search to fill the Superintendent's vacancy. The position should be posted throughout the state of Wisconsin and applications should be accepted until June 20, 1988. Motion passed 6-0-1 with Ralph Horner abstaining.

Schmitt/Weare motion to purchase a 68 megabyte hard disk for the administration office from School Administration Software at a cost of \$4280 and that the money should come from the excess in the short-term interest account. Motion passed 7-0. (Budget amendment)

Schmitt/Weare motion to approve the purchase of 17 computer systems at a cost of \$20,800 and 2 copiers at a cost of \$6,600 for a total of \$27,400. This purchase is to be financed by using the remaining excess funds from the short-term investment account and by amending the budget. Motion passed 4-3 with Ankerson, Trapp and Beimbom voting no. Because the motion did not pass by a 2/3 vote, the budget will not be amended for this purchase. Rather, the account will be overspent.

Weare/Ankerson motion to renew the Errors and Omissions Linebacker policy with WAUSAU Insurance in the amount of \$3,384. Motion passed 7-0.

Beimbom/Schmitt motion to ratify the KEA Master Agreement for 1987-89. The contract calls for a 7.94 percent total package for 1987-88 and a 7.58 percent total package for 1988-89. Motion passed 6-1 with Perry Ankerson voting no.

Ankerson/Nowak motion to accept the resignation of Robert Sobolewski as KMS Coed Intramurals instructor and that the terms be consistent with the KEA contract. Motion passed 7-0.

Weare/Schmitt motion to accept the resignation of Mary Hoffeltz as KMS Coed Intramurals instructor pending the finding of a suitable replacement. Motion passed 7-0.

Schmitt/Weare motion to accept the resignation of Karen Strom as 1/2 Language Arts teacher at KMS. Motion passed 7-0.

Schmitt/Trapp motion to accept, with regret, Joe Harlow's resignation as assistant KHS football coach and to thank him for his years of service to the community. Motion passed 7-0.

Schmitt/Ankerson motion to approve the hiring of Gail Filzen as girls' head track coach. Motion passed 7-0.

Two dates were chosen for the grievances hearings with the WERC regarding the probationary status teachers. The first choice is Thursday, June 16th at 7:00 p.m. in the KHS library. The alternate date is Tuesday, June 14th at 7:00

p.m. in the KHS library.

KHS Principal LeRoy Kopecky reported that final summer school program plans have been made and that informational course description booklets have been distributed to each family with school-age children in the district.

Neal Weare asked that plans be initiated to have an inservice for Board members and he requested that this item be put on the next Regularly Scheduled Board Meeting agenda for discussion.

Ruth Schmitt requested to be registered for an inservice day for school board members entitled CHANGES AND CHALLENGES to be held in Hartland on May 14, 1988.

Perry Ankerson asked about the status of the Trapp lawsuit. Business Manager Gorder announced that the lawsuit had been dismissed because primary witnesses gave depositions which corroborated with Ms. Kleinhans's deposition. Mr. Ankerson asked that the subject be put on the next Regularly Scheduled Board Meeting agenda for final discussion and that facts regarding the dismissal be made known. President Horner announced that the new committees will be named at the next meeting.

Principal Kopecky invited all Board members to the 1988 graduation ceremonies at 8:00 p.m. Friday, June 3, 1988. Ralph Horner and Don Nowak will participate in the program.

Secretary Jeanne Jacak read a letter from Village Administrator Dan Schmidt regarding the traffic problem in the area of KES.

Ankerson/Nowak motion to adjourn. Motion passed 7-0.

## Minutes of Special School Board Meeting

May 23, 1988  
Special Meeting

The meeting was called to order by President Horner.

Members present: Perry Ankerson, Clara Trapp, Ralph Horner, Ron Beimbom, Neal Weare, Don Nowak.

Member absent: Ruth Schmitt (excused to tend to personal business).

Item VI. Approval of teaching contracts for KHS Spanish and KMS music was deleted from the agenda.

The Board reviewed the 1988-89 budget as presented by Business Manager Gorder and the administrative team. After further revisions it will again be presented at a

later date.

Ankerson/Beimbom motion to accept the bid from Dehling-Voigt, Inc. in the amount of \$45,999 for the KES roofing project. The work is to be done after school is out in June. Motion passed 6-0.

Weare/Ankerson motion to approve the CESA #6 program to remove hazardous waste chemicals for an estimated amount of \$3,750. Motion passed 6-0.

Nowak/Weare motion to renew with Wausau Insurance for boilers, worker's compensation, general liability, auto and umbrella insurance. Motion passed 6-0.

Ankerson/Weare motion to adjourn. Motion passed 6-0 and meeting adjourned at 8:55 p.m.

## \$5 Million Allocated to Improve Southeast State Parks and Trails

MILWAUKEE, WI (June 15, 1988) — Visitors to state parks and trails in the Southeast Wisconsin will see improvements to facilities because of \$419,700 in special funds allocated for park rehabilitation.

The funds are part of a \$5 million allocation approved by the legislature and signed into law by Governor Tommy Thompson on April 18. The special, single year, funding addresses a range of park needs and is divided into four major categories:

- Aid to Local Parks, \$1,660,000.
- Capital Improvements to State Parks, \$340,000.
- Road Maintenance &

Improvements, 1,500,000.  
Maintenance & Development in State Parks, \$1,500,000.  
Total — \$5,000,000.

Edgar Trecker, Southeast District Parks Supervisor for the Department of Natural Resources, said the funding "will enable us to repair or replace some existing, deteriorating facilities."

During past years maintenance budgets have not been adequate to meet the needs of the parks. Trecker said that the special funds will help solve most of the pressing problems in the parks.

"It won't solve all our problems but it is a start," he added.

## Wildlife Belongs In the Wild

This is a time of the year when people are most apt to encounter wildlife, especially wildlife young, according to Bill Ishmael DNR Wildlife Manager for Washington, Ozaukee and northern Milwaukee County.

Wildlife young are beginning to emerge from their nests and dens and are more active as they begin to search for food. Warm weather brings people out of doors as well and as a result encounters with wildlife typically increase this time of year. While seeing or hearing wildlife is usually an enjoyable experience, Ishmael offers some tips to keep encounters with wildlife, especially young animals, safe for people and wildlife.

"Wildlife young are not helpless and should not be picked up," Ishmael says. Despite appearances young wildlife are rarely abandoned or orphaned. If you come across young animals alone in the woods or fields, chances are the "parent" is close by. Unlike humans, wildlife young do not need the constant attention of their "parents." In fact, handling wildlife youngsters may do more damage than good, according to Ishmael. Moving or chasing wild young from one spot to another may actually cause them to become separated or lost from the nearby parent. Removing wildlife from the wild almost surely spells disaster for the animal and may jeopardize the health and safety of the person handling the creature. "Unless an animal is obviously injured people should simply leave wildlife alone," said Ishmael. Even then, an animal that appears injured may actually be sick and caution should be used at all times.

Wildlife, particularly shunks,

raccoons, and foxes can be carriers of rabies which can be spread to humans. Wild animals, such as raccoons, can also harbor internal and external parasites than can be very harmful to humans or their pets. Only experienced and authorized individuals should handle injured wildlife. Ishmael recommends that if an injured animal is found, people should contact the local DNR office or conservation warden for advice. The DNR also has free brochures available, upon request, containing more information regarding wildlife and the importance of leaving wildlife in the wild.

Ishmael also noted that in addition to increased encounters with wildlife in the wild, this time of year also brings a rash of complaints from individuals experiencing nuisance problems with wildlife. "Raccoons in garbage cans, woodchucks in gardens, skunks under the back porch, you name it, we get calls on it," he said. He offers a few suggestions on how to prevent such problems from occurring. Dog and cat food on the back porch and uncovered garbage cans are very inviting to raccoons, skunks, and opossums. Raccoons and woodchucks in particular will readily adapt to human surroundings and will return to a place where they have previously found food. Trash cans should be covered or locked in the garage and pet foods should be kept indoors. Chimney cap devices are available at building supply stores and are effective for keeping animals out of chimneys or pipes. Woodchucks can be excluded from gardens with sturdy mesh fencing

buried a few inches into the ground. "Prevention is always the best cure. Once an animal has established a feeding pattern or behavior it is very difficult to change it," he said.

For more information contact: Bill Ishmael, 3340 Kettle Moraine Rd., Hartford, WI 53027, 414-644-5248. or Dale Katsma, Rt. 4, Woodchuck Ln., Plymouth, WI 53073, 414-892-8756.

## Minutes of Village Board Meeting

Regular Meeting  
June 6, 1988  
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Paul E. Blumer presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance. On a motion by Trustee Tom M. McElhatton, seconded by Trustee Mary Krueger, and unanimously carried by voice vote, the minutes of the May 16, 1988 meeting were approved as printed.

A public hearing was conducted on the applications for eight (8) Combination Class "B" tavern license renewals. There were no objections from the floor to any of the applications as publicly noticed and read by President Paul Blumer. The Police Department had no reason to protest at this time on any of the applications. On a motion by Trustee Richard Schlice, seconded by Trustee Howard Laubenstein to close the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." Roll call vote was passed unanimously and the Board declared the public hearing closed.

A public hearing was conducted on the applications for two (2) Combination Class "A" Retail (liquor store) License renewals. There were no objections from the floor to either of the applications from publicly noticed and read by President Paul Blumer. The Police Department had no reason to protest at this time on either of the applications. On a motion by Trustee Tom McElhatton, seconded by Trustee Kenneth Bonlender to close the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." Roll call vote was passed unanimously and the Board declared the public hearing closed.

A public hearing was conducted on the applications for two (2) Class "B" Fermented Malt Beverage License renewals. There were no objections from the floor to either of the applications as publicly noticed and read by President Paul Blumer. The Police Department had no reason to protest at this time on either of the applications. On a motion by Trustee Chuck Boegel, seconded by Trustee Mary Krueger, to close the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." Roll call vote was passed unanimously and the Board declared the public hearing closed.

Kenneth Ward, Village Engineer of Rukert & Mielke, was present to open the bids as follows:

### Sidewalk Construction Project 88-1

1. Rennhack Construction Co., Inc., Reeseville, WI 53579, \$57,183.85.
2. Quality Concrete & Excavating, Manawa, WI 54949, \$65,685.25.
3. A.R. Melichar Concrete Contractors, Grafton, WI 53024, \$68,813.00.

On a motion by Trustee Richard Schlice, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board turned the bids over to the Engineer for review and a recommendation.

Police Chief Donald Hlavaty presented the Board with a letter announcing his retirement effective September 7, 1988.

On a motion by Trustee Mary Krueger, seconded by Trustee Chuck Boegel and unanimously carried by voice vote, the Board approved the applications for Operator's (bartender's) Licenses upon proper payment of fee and authorized the office to issue said Licenses as follows:

- Jodi A. Broecker, Kewaskum; Darla Carl, Kewaskum; Glen Dorn, Kewaskum; Allen Dreher, Kewaskum; Norman F. Fleischman, Campbellsport; Deborah J. Flynn, Kewaskum; Janis Karoses, Theresa; Tammy J. Karst, West Bend; Bonnie Kasseckert, Kewaskum; Diane Marie Kleinke, Campbellsport; Harry E. Koch, Kewaskum; Brian R. Laubenstein,

- Jeanne A. Marchant, Kewaskum; Patrick M. McFadden, Kewaskum; Jerome P. Metz, Slinger; William Fajniczek, Mosinee; James M. Rinas, Theresa; Patrice A. Seefeldt, Campbellsport; Clayton C. Stautz, Kewaskum; Patricia Thompson, Kewaskum.

NOTE: The Police Department had no objections to any of the applications.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Kenneth Bonlender and unanimously carried the Board denied the application for an Operator's (bartender's) License to Dennis Campbell based on the recommendation of the Kewaskum Police Department and the information provided in reference to Mr. Campbell's Combination Class A License request of May 16, 1988.

On a motion by Trustee Chuck Boegel, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board approved the building permit application of Thomas Tessar, 1207 Kewaskum St. to construct a detached garage. The office was instructed to issue the permit upon proper payment of fees.

On motion by Trustee Howard Laubenstein, seconded by Trustee Thomas McElhatton and carried by the majority with Trustee Mary Krueger abstaining, the Board approved the Building Permit application of Farmer's Union, 1626 Fond du Lac Avenue to construct a milk transfer station. The office was instructed to issue the permit upon proper payment of fees.

On motion by Trustee Kenneth Bonlender, seconded by Trustee Mary Krueger, and carried by the majority, the Board approved the Building Permit application of Kettle Moraine Sportsman Association, Reigle Drive Ext. to construct Pheasant Pens and a Storage Building. The office was instructed to issue the permit upon proper payment of fees.

Administrator Schmidt reviewed with the Board some brief correspondence and passed out the May 31, 1988, balance sheet for the Board to review.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Howard Laubenstein and carried unanimously by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund	\$67,325.31
Water Dept. Fund	\$15,162.88
Sewage Dept. Fund	\$19,351.11
TID Fund	\$ -411.50
<b>TOTAL</b>	<b>\$101,950.80</b>

General Voucher #9271 thru #9415  
Water Voucher #5156 thru #5168  
Sewage Voucher #4699 thru #4715  
TID Voucher #249

On motion by Trustee Thomas McElhatton, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board authorized the Village President and Administrator to sign a "General Form of Agreement" with Moraine Condominium East Home Owners Association regarding the mowing and care of yard on village dedicated Street ROW.

Trustee Howard Laubenstein, Chairman of the Public Works Committee announced a Committee meeting for June 20, 1988 at 7:30 p.m.

Trustee Thomas McElhatton, Chairman of the Park and Recreation committee, asked the Board to approve the placement of Horseshoe Pit lights at an estimated \$1,289.00. Steiner Electric's to do said work using existing Village lights.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Chuck Boegel and unanimously carried, the Board approved said lighting work as recommended.

Trustee Kenneth Bonlender, the Library Board Representative, reported on donations received and the good response for the summer reading program.

The Capital Improvement Sidewalk Extension Program information was reviewed. It was noted the public hearing is scheduled for Thursday, June 9, 1988 at 8:00 p.m.

On a motion by Trustee Richard Schlice, seconded by Trustee Thomas McElhatton and unanimously carried by roll call vote, the Board approved the following applications for Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor Licenses for a period commencing July 1, 1988, and ending June 30, 1989, upon payment of the required fee. The Police Department did not have any objections and the office was authorized to issue the proper licenses. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

Hilgendorf-Boegel Partnership, 1139 Fond du Lac Avenue, Kewaskum, WI

On a motion by Trustee Chuck Boegel, seconded by Trustee Mary Krueger and unanimously carried by roll call vote, the Board approved the following applications for Combination Class "A" Fermented Malt Beverage and Intoxicating Liquor Licenses (liquor stores) for the period commencing July 1, 1988, and ending June 30, 1989, upon proper payment of the required fee. The Police Department didn't have any objections and the office was authorized to issue the proper licenses. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

James P. Boegel, 355 Main Street, Kewaskum

Sylvester W. Keller, 1208 Fond du Lac Avenue, Kewaskum.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Howard Laubenstein and carried unanimously by roll call vote, the Board approved the following applications for Class "B" Fermented Malt Beverage Licenses for the period commencing July 1, 1988, and ending June 30, 1989, upon proper payment of the required fee. The Police Department did not have any objections and the office was authorized to issue the proper licenses. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

Gladys Glamann, 1526 Fond du Lac Avenue, Kewaskum

David R. & Darlene D. Stern, 143 Main Street, Kewaskum

Discussion was held regarding liability on the Special Class "B" Retail License to sell Fermented Malt Beverages at picnics or gatherings for the Kewaskum Fire Department's July 3, 1988 Fireworks and the Annual Picnic of July 9 & 10, 1988. Insurance Agent Gene Bohn was present and reviewed information with the Village Board that was reviewed June 2, 1988 with the Fire Department. Attorney Gerald Kiefer was also present at the June 2, 1988 meeting. Agent Bohn indicated there was really no market for Liquor Liability type insurance, but he had found one of a lower rating at the cost of \$1,000 for the 3 days. He stated other efforts would also be required to assist in monitoring the sale of beer.

On a motion by Trustee Mary Krueger, seconded by Trustee Howard Laubenstein and carried unanimously by roll call vote, the Board authorized the purchase of Liquor Liability Insurance for 3 days to cover the Fire Department's summer events at a cost of \$1,000. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

On a motion by Trustee Mary Krueger, seconded by Trustee Chuck Boegel and unanimously carried by roll call vote, the Board approved the application for a Special Class "B" Retail License to Sell Fermented Malt Beverages at Picnics or Gatherings for The Kewaskum Fire Department for July 3, 1988 of the July 9 & 10, 1988. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

On a motion by Trustee Tom McElhatton seconded by Trustee Chuck Boegel and unanimously carried by voice vote, the Board authorized the cancellation of the July 4, 1988 Regular Village Board Meeting.

On a motion by Trustee Richard Schlice, seconded by Trustee Howard Laubenstein to adjourn to closed session under Chapter 19.85 (1)(c) of Statutes to discuss employee negotiations, compensation and performance data of Village employees over which the governmental body has jurisdiction and under Chapter 19.85 (1)(e) of the Statutes to discuss the purchasing of public properties. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

**Minutes of Village Board Special Meeting**

Special Meeting  
June 9, 1988  
8:00 p.m.

The Village Board of Kewaskum, Washington County Wisconsin, met in Special Session in the Council Room of the Municipal Building, 204 First Street.

President Paul E. Blumer presided. Trustee Thomas McElhatton asked to be excused and was absent. All other trustee members were present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

A public hearing on special assessments for sidewalk improvements for the properties as described on the Notice of Public Hearing for the Capital Improvements Program Sidewalk Projects No. 88-1 was held. Of the 22 property owners, fifteen (15) people were present with questions and comment. Basically, all comments were favorable. Kenneth Ward, the Village Engineer of Ruekert & Mielke, Inc., was present to answer questions on the project and to review the engineer's report.

On a motion by Trustee Richard Schlice, seconded by Trustee Charles Boegel to close the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

A public hearing on special assessments for curb and gutter improvements for the properties as described on the Notice of Public Hearing for the Capital Improvements Program Sidewalk Curb/Gutter Project 88-1 was held. Of the 22 property owners, 15 people were present with questions and comments. Basically, all of the comments were favorable. Kenneth Ward, the Village Engineer of Ruekert & Mielke, Inc., was present to answer questions on the project and to review the engineer's report.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Ken Bonlender to close the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Action was taken on Resolution No. 88-9 the Final Resolutions Regarding Sidewalk Improvements and Levying Special Assessments Against Benefited Properties; as attached hereto:

On a motion by Trustee Howard Laubenstein, seconded by Trustee Richard Schlice to award the contract for the sidewalk installation to Rennhack Construction Co., Reeseville, WI, at the low bid price of \$53,425.45. The engineer made this recommendation to the Board. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was passed by the majority.

Motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice to adjourn the meeting. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was passed by the majority.

Daniel S. Schmidt  
Administrator

**CERTIFICATION OF FINAL LEVY OF SPECIAL ASSESSMENTS AGAINST BENEFITED PROPERTY IN ACCORDANCE WITH SECS. 66.60 AND 66.65, WIS. STATS.**

As Administrator/Clerk of the Village of Kewaskum, Wisconsin, I hereby certify that the attached final resolution authorizing improvements and levying special assessments against benefited property, including property abutting on the improvements located in the Village of Kewaskum, as authorized and approved by resolution of the governing body of the Village of Kewaskum, was adopted by the Village Board and signed by the Village President and Administrator/Clerk of Kewaskum on June 9, 1988, and published in accordance with sec. 66.60(8), Wis. Stats., on June 13, 1988.

I further certify that on June 13, 1988, I mailed a copy of this resolution to the following owners of property in the Village of Kewaskum at the post office address shown below, together with a statement of the amount of the assessment against their properties as indicated and attached hereto.

Daniel S. Schmidt  
Village Administrator/Clerk  
Village of Kewaskum

Dated June 13, 1988

**RESOLUTION NO. 88-9  
A FINAL RESOLUTION REGARDING  
SIDEWALK IMPROVEMENTS  
AND LEVYING SPECIAL  
ASSESSMENTS AGAINST  
BENEFITED PROPERTY**

  - V4-610K, PT of Lot 12 Block 44, CSM 1891, 565 Werner Drive

NOW, THEREFORE, BE IT RESOLVED, by the Village Board of the Village of Kewaskum, as follows:

1. That the report of the Village Engineer pertaining to the construction of the above described public improvements, including plans and specifications therefore, is adopted and approved.
2. That payment for the improvements be made by assessing the cost to the property benefited as indicated in the report.
3. That assessments shown on the report, representing an exercise of the police power, have been determined on a reasonable basis and are hereby confirmed.
4. That the assessments for all projects included in the report are hereby combined as a single assessment separately or all assessments jointly for any purpose.
5. That the assessments may be paid in cash or either in 4 or 6 annual installments to the Village Treasurer provided the special assessment exceeds \$100.00. (If sidewalk is installed, only a 4 year installment is available. If curb and gutter is installed a 4 year installment is available. If sidewalk and curb/gutter are both installed a 6 year installment is available).
- Those assessments of \$100.00 or less shall be payable in full and bear an interest rate of 8 percent if unpaid at the due date. Deferred payments to bear interest at the rate of 8 percent per annum on the unpaid balance. Installments or assessments not paid when due shall bear additional interest on the amount due at the rate of 1.6 percent per annum.
6. a. When a gravel driveway exists the contractor will be replacing the gravel approach with concrete with the property owner will be 100 percent responsible for and assessed accordingly.
- b. When a bituminous driveway exists the contractor shall cut the bituminous driveway for sidewalk placement and patch up to and abutting with bituminous material or concrete. If the approach patching, repair or replacement is due to sidewalk construction the contractor shall perform that work at no cost to the property owner.
7. That the Village Administrator, shall publish this resolution as a Class 1 notice

in the assessment area, and mail a copy of this resolution, and a statement of final assessment against the benefited property to every property owner whose name appears on the assessment roll whose post-office address is known or can be with reasonable diligence ascertained.

8. The Village Board is authorized to enter into contracts necessary to do the work in accordance with the Engineer's report.

Passed and approved this 9th day of June, 1988.

Paul E. Blumer  
Village President

## WISCONSIN OUTDOORS AND CONSERVATION NEWS

### Nature Complicates Northern Fire Potential

MADISON, WI — The fragile fluffy seed of the aspen tree, three inches deep in some northern forests and woodlands, is adding another explosive element to an already tense fire atmosphere in more than half of northern Wisconsin, according to Department of Natural Resources fire officials.

On Monday, a spark from a lawnmower ignited nearby aspen seed, starting a fire that burned more than 160 acres near Lily Lake in the Town of Webb Lake, Burnett County. Community fire departments from Webb Lake, Burnett County and the towns of Scott, Jackson, Danbarry and Webster assisted DNR fire fighters to protect homes and cabins in the area. Two outbuildings and a camper were lost. More than 100 firefighters fought the

blaze.

"We're moving into a severe drought situation in much of the north," said Marshall Ruegger, acting state fire chief. "Activities that one would ordinarily think to be safe, such as using a lawnmower or chain saw, are extremely dangerous now. Sparks from this kind of equipment can and has set off major fires. We're urging all residents and visitors to be particularly careful in using equipment and in building campfires and cooking outdoors."

"Fire danger is high statewide. Although we don't anticipate issuing emergency fire rules, we have a potentially serious situation, especially in the northern third of the state. Be careful during this long holiday weekend," advised Ruegger.

### Visitors Invited to Hike Energy Nature Trail

TWO CREEKS, Wis — Explore a forest's food factory, cool yourself using nature's air conditioners, and treat yourself to information about a solar salad by hiking the Point Beach Energy Information Center's "Energy Nature Trail."

The half-mile hike along the energy trail takes visitors through woodlands, a bog-like wetland and a forest clearing. Along the trail, markers explain how living and non-living parts of the forest interact to capture, use and produce energy resources.

Located adjacent to Wisconsin Electric Power Co.'s Point Beach Nuclear Plant and Energy Information Center, 10 miles north of Two Rivers, the Energy Nature Trail is available for self-guided hikes daily from 8:30 a.m. to 4 p.m. mid-May to Oct. 31. Guided hikes of the trail are available by reservation.

For additional information or reservations, call (414) 755-4334.

## HELP WANTED HOME HEALTH AIDES

The VNA can offer nurse aides new challenges. Work in the independent setting of a patient's home providing personal care and assisting with home management. The VNA offers you the opportunity to enjoy a one on one relationship with your patient. We offer orientation and 24 hour supervision.

A car, driver's license and auto insurance required.

If you are that special type of person that gives a little more than most and holds a compassionate spot in your heart for those in need, apply in person.

307 Lincoln Ave., Sheboygan, WI

Equal Opportunity Employer

## AUCTION-AUCTION-AUCTION

**The Fillmore Fire Department  
Is Here to Help You!**

Now we are hoping you can help us as you have helped us in the past with our fund raising events. Col. Lee Martin and his auction service and the firemen volunteers have donated their time and place to hold this great event.

**NOW...WE NEED YOU!**

Please donate items for this most important event. Everything is accepted, except clothing and only running, working appliances, tools, etc. PLEASE.

Let's make the 5th Auction as great as the ones in the past.

Just in case you need help to clean out that attic or garage of the items you donate, just call us. We hope to have the auction in late summer.

THANK YOU VERY MUCH!

The Auction Committee — Roger Schoedel 692-9488, Stan Steinert 692-2781, James Degnitz 692-2376 or on Monday nights call the Fillmore Fire Department 692-2361.

## AUCTION

**Wednesday Night, June 29**

**6:30 p.m. SHARP - Inspection 5:30 p.m.**

"The Professionals"

AUCTIONEER: Col. Lee N. Martin

TERMS: CASH OR CHECK WITH PROPER IDENTIFICATION

## Indians Use Big 6th Inning Rally to Upend Kiel Raiders

The Kewaskum Indians offense exploded last Monday, using a 6-run 6th inning to turn a relatively close game into a rout, beating up on a winless Kiel Raider team, 9-3.

The game was surprisingly close until the Indian outburst. Kiel starting pitcher Jack Johnson held the Indians in check through the first few frames. Kewaskum touched Johnson for a run in the third. Scott Krahn walked for the Indians, stole second, went to third on a passed ball, and scored on Jeff Miller's base hit. That was the only base hit the Indians would have until the big sixth inning.

The Indians got two more runs in the fifth. Johnson walked three Indian batters to go along with a Kiel error, and the Indians were able to push a couple more runs across the plate, making the score 3-0 after five innings of play.

The Indians put their bats to work in the sixth. Paul Budiac started it out with a one-out double and scored on Eric Pearson's RBI single. Krahn again walked, his third of the game, to put runners on first and second. Noel Stollenwerk then doubled, scoring Pearson, making the score 5-0 with runners on second and third. After a wild pitch scored Krahn,

Miller singled, scoring Stollenwerk, making the score 7-0. Steve Johnson greeted relief pitcher Brian Matthias with a single, putting runners on the corners. Matthias then walked Mike Heberer and Dennis Aupperle back to back, forcing in Miller from third. Mark Hartmann bounced into a fielder's choice, scoring Johnson with the final Indian run, making the score 9-0.

The Raiders didn't give up, however. Walks by starting pitcher Mike Heberer put runners on first and second with one out. Kiel shortstop, Jay Isselman, then sent a rocket over the leftfielder's head finally settling for a triple. Isselman scored on a groundball, but that was all the Raider offense would muster on this day.

Heberer went the distance for the Indian's, picking up the victory. Heberer's control was off, (2 strikeouts, 7 walks), but he only allowed four base hits to go along with no Indian errors. This was the first game this season that Kewaskum did not commit an error, and it came as a great relief as the Indians were averaging over five miscues a ballgame.

The victory gave the Indians a 4-2 mark in conference, 4-5 overall.

### Move Back Into Tie for First

## Indians Beat New Holstein

The Kewaskum Indians regained a share of first place last Tuesday after beating New Holstein at home, 4-1. The victory gave the Indians a 5-2 record in conference action, moving them into a first place tie with the Huskies and with Chilton, also with identical 5-2 marks.

The Indians got to Huskie pitcher Jon Wagner right away in the first. Scott Krahn led off with a walk and went to second on a wild pitch. Noel Stollenwerk then tried sacrificing Krahn to third, and he succeeded when the throw to third to try and cut down Krahn was too late. Krahn scored on a passed ball, but Stollenwerk was thrown out at third on the same play after the ball had gotten away from the Huskies. Wagner got the last two outs, but after one inning, the Indians led 1-0.

The Huskies scored their only run in the third. Pete Engel was walked by Indian starter Dennis Aupperle. Aupperle, however, had Engel picked off first, so as Engel broke for second, first baseman Mike Heberer fired the ball to second, only to have shortstop Noel Stollenwerk and second baseman Mike Morell undecided about which was to take the throw. The ball sailed into leftfield and Engel wound up on third. Steve Flynn then singled, scoring Engel and tying the score at 1-1.

The Indians came back right away in the bottom of the third. Mike Lubahn started things off with a one-out single. Then Krahn singled, moving Lubahn to third. Lubahn tried to score on Stollenwerk's ground ball to third base, but was cut down easily at the plate. Jeff Miller then singled, scoring Krahn. After a passed ball put runners on second and third, Steve

Johnson sent a shot to the shortstop, which he booted, allowing two more runs to score. That was all the offense the Indians would need.

Meanwhile Aupperle was shutting the Huskies down. The big Indian lefty allowed only three base hits while striking out nine, walking five. Aupperle lowered his E.R.A. to close to one, as the only run he allowed was unearned. The Indian defense, with the exception of the one error, was again impressive as they have had only one error in their last two games, as compared to twenty-one errors in their first four games.

The win allowed the Indians to climb to .500 for the season, evening their record at 5-5, 5-2 in conference.

### SUMMER DARTS

1. Drop Anchor III 38, 2. Barrel Haus I 37, 3. Drop Anchor II 31, 4. Rolling S 26, 5. Amerahn III 24, 6. Amerahn I 24, 7. Amerahn II 23, 8. Barrel Haus II 15, 9. Kewaskum Saloon 11, 10. Drop Anchor I 11.

### Walsh KO's 14 in Pitcher's Duel

## Campbellsport Downs Indians During Non-Conference Tilt

Robbie Walsh was the one-man wrecking crew for the Campbellsport Cougars, here last Thursday. Walsh pitched brilliantly, striking out fourteen Indians, and allowing only two base hits in posting a 4-0 victory over Kewaskum.

Walsh hooked up with Kewaskum's Noel Stollenwerk in a brilliant pitcher's duel in the game. Stollenwerk allowed five base hits while striking out twelve Cougar batters. Both pitchers went through stretches where they were untouchable.

The Cougar's got to Stollenwerk in the first frame for a run. Stollenwerk walked Tom Griesmer with two outs. After Griesmer stole second, Dion Doyle singled, scoring Griesmer to make the score 1-0. Catcher Eric Pearson threw out Doyle at second, trying to steal, to end the inning.

Walsh started out on fire, striking out the side in the first two innings. Only a one-out single by Stollenwerk in the first prevented Walsh from striking out the first six batters he faced, instead he got six out of seven. The only other base hit the Indians would have had was a one-out single by Pearson in the fourth. That hit was erased by a nifty 6-4-3 double play to end the inning.

The Cougars and Walsh again struck the Indians in the fifth. Stollenwerk walked Todd Flitter with one out. A ground ball led to the second out and moved Flitter to second. Joe Goebel then hit a shot at third baseman Mike Lubahn, which he fielded and threw to first, and appeared to have thrown Goebel out, but the umpire ruled otherwise, and there were runners on the corners. Walsh then drilled a Stollenwerk fast ball halfway to China and trotted around with a three-run homer, making the score 4-0. Stollenwerk settled down to strike out the next six batters. Walsh, meanwhile, cruised through the Indians lineup, twice striking out five people in a row. Walsh only allowed one fly ball to leave the infield the entire game and didn't walk a single batter.

The Indians, now 5-6 overall, 5-2 in conference, will try and get back on the winning side of things with three conference games this past week, and four games next week.

Upcoming Games: Monday, June 27th, Chilton home; Tuesday, June 28th, at Sheboygan Falls; Thurs., June 30th, Plymouth, home; Friday, July 1st, Germantown, home.

## Sunburst Ski Area Offering Winter Emergency Care Course

### ATTENTION DOWNHILL SKIERS!

If you love to ski and meet new people, the Sunburst Ski Area has a unique opportunity for you. Due to the increasing number of downhill skiers in the southeastern Wisconsin area the Sunburst Ski Patrol, a member of the National Ski Patrol System (N.S.P.S.), is looking for new ski patrol candidates. These candidates will have the opportunity to become highly trained ski patrol volunteers by means of the Winter Emergency Care Course (W.E.C.C.) and by unique on-the-hill training.

The Winter Emergency Care Course and on-the-hill training for the 1988-89 ski season will begin on Monday, July 25, 1988.

The W.E.C.C. class will cover and teach you how to take care of all trauma situations ranging from the treatment of fractures and dislocations to the more severe injuries such as head and chest trauma. The course also includes American Red Cross Cardio-Vascular Resuscitation (CPR). The class is taught by all volunteers who are members of the N.S.P.S. and will be taught in such a way to provide you with extensive hands-on practice and much individual attention.

The classes will begin on Monday, July 25 and will be held every Monday night thereafter from 6:15 to 10:30 p.m. The course runs through the first week of December, at which time all qualified students will take their final N.S.P.S. exam. All classes will be held at the Sunburst Ski Area Chalet, located one-half hour

north of Milwaukee, just south of Kewaskum on Hwy. 45.

Become part of the team! Call today for further information and registration, please call: Anne Depies at (414) 338-0143 or Mike Husar at (414) 334-7163.
