## Kewaskum Athletics Are Tri-County Nite League Baseball Champs

Back row, left to right: Ted Miller (scorekeeper), Bob Yahr, Mark Schlosser, Don Menzel, Tim Dettmann, Randy Heberer, Barry Wenzlaff, Ron Theusch. Front row: Dennis Auperle, Dave Donath, Terry Koth, Jeff Geidel, Andy Hoenecke, Tim Heberer.

The Kewaskum Athletics won the 1988 Tri-County Nite League championship with an exciting 13-11 victory at Hustisford. The A's used a team record seven home runs to beat the Astros. Andy Hoenecke and Terry Koth each blasted two round trippers while Don Menzel, Jeff Geidel and Bob Yahr each hit one.

Kewaskum jumped out to a

2-0 lead after two outs in the 1st inning on the strength consecutive doubles by Dave Donath, Barry Wenzlaff and Terry Koth. The A's added two runs in the top of the 2nd on Menzel's home run and an rbi single by Donath. Hustisford scored once in the bottom of the 2nd and the A's tallied a run in the top of the 3rd to make the score 5-1.

Hustisford exploded in the bottom of the 3rd inning for 6 runs to take a 7-5 lead. The Astros used seven hits including three doubles and a two-run homer by Dale Nehls. The lead was short-lived as Bob Yahr answered with a two-run homer in the top of the 4th to knot the score at 7-7. Husty regained the lead with a single

## Schulteis Wins Big In Sheriff's Race

### It's Engeleiter vs. Kohl for U.S. Senate

Robert Schulteis

By GERRY MUELLER  
Statesman Staff Writer

All through Tuesday night's ballot counting there was little doubt that challenger Robert Schulteis would come out on top in the battle for the job of Washington County Sheriff.

Schulteis, a nineteen-year veteran of the department and Lieutenant in charge of the Detective Division, took the lead early and held on to it until the last vote was counted. Figures show him beating incumbent Clarence Schwartz, who has held the job for the past sixteen years, by nearly a three to one vote. Schulteis took all 34 wards with an unofficial count of 8,524 votes to Schwartz's 3,842.

Because there are no challengers from the Democrats, Schulteis will be

unopposed in the November election and as a result will be the county's new sheriff.

In the other hotly contested race for the U.S. Senate seat being vacated by retiring William Proxmire, the battle in November will be between Republican candidate Susan Engeleiter and Democrat Herbert Kohl.

On the statewide scene, the battle for the Republican spot was between the veteran politician Engeleiter and first-time candidate Stephen King. For the Democratic slot, it was a close race between former governor Tony Earl and businessman Herb Kohl, with Kohl coming out on top.

For the other races with competition, the results by townships were as follows.

Town of Auburn cast 188 votes. For U.S. Senator, Republican Engeleiter 52, King 25, Taylor 1. Democratic Kohl 37, Earl 21, Garvey 10, LaFollette 3, Hou-Seye 0. For Representative of the 9th U.S. District, Republican F. James Sensenbrenner unopposed, Democrats Thomas Hickey 30, Joseph Herzberg 23.

In the Town of Barton 538 votes were cast. R - Engeleiter 233, King 139, Taylor 11. D - Kohl 61, Earl 32, LaFollette 2, Garvey 2, Hou-Seye 0.

### Looking Into Self-Funded Health Insurance

## School District Receives Almost \$88,000 In Smart Money Rebates

By GERRY MUELLER  
Statesman Staff Writer

Andrew Gumm, West Bend District Manager for Wisconsin Electric Company, commended Business Manager Cherna Gorder and Buildings and Grounds Superintendent Fred Boehlke for their work in getting the Kewaskum School District involved in his company's Smart Money Energy program.

Gumm told the school board, Monday night, as a result of the district's participation in the program, it will receive almost \$88,000 in Smart Money rebates. To date, the district has received \$87,157 for six projects it has already completed and it will be receiving another \$820 for the installation of a new energy

efficient freezer.

Gumm said that while that represented a very impressive return, the more important fact is that the renovations made will reduce the district's electric service costs by \$42,000 annually. The changes will reduce the District's electric useage by 630,000 kilowatt hours annually.

Using the high school cafeteria as an example, Gumm said, "You've increased lighting levels but you have lowered operating costs." "This shows the taxpayers you're trying to reduce your district's operating costs. Programs like this help us to meet the energy demands of the future."

In an effort to reduce operating costs in other areas,

the board heard a presentation on the idea of self-funding insurance for the district's employe health insurance program.

The presentation was made in response to board member Perry Ankerson's request that the district look into ways to reduce its health insurance costs. Health insurance is a major item in budget expenditures, with continually escalating costs.

Ankerson suggested self-funded insurance might be one of the options the board may want to consider. Ankerson stressed he "was not" trying to "take back" any benefits from the district's employees. He did, however, feel that coverage could be provided at a lower

## Turkey Shoot Sunday

The Kiwanis Club of Kewaskum has announced that its 36th annual Turkey Shoot will be held on September 18 at the Bar-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive. Thousands of people attend each year with hundreds of shooters winning fine frozen turkeys.

For a fee of \$2.50 for four shots (four shots for \$2.00 on advance sale tickets) the shooter attempts to win a frozen turkey. There are special lines for women and children. Rifles and ammunition are furnished.

In addition to advance sale tickets being accepted at all events, there will be many cash prizes awarded through special drawings. Ticket holders will not have to be present to win.

There will be trout fishing with the angler keeping the fish he catches. There will also be a grand prize for the person

catching the largest fish.

Trap shooting contests are conducted throughout the day. Sportsmen may bring their own shotguns and ammunition if they wish. There will be a compound bow shoot. Archers who want to test their skills should bring their own bows and target arrows. Successful marksmen will win a frozen turkey. There will also be archery and pistol ranges. In addition, there will be games for every member of the family. Brats, hamburgers, hot and cold beverages will be available.

### MONDAY WILL BE AN EARLY RELEASE DATE FOR SCHOOL DISTRICT

Monday, Sept. 19 will be an early release date for the Kewaskum School District. The high school and middle school will be released at 11:00 and the grade schools at 12:30 p.m.

### Holy Trinity Parish Mission

Holy Trinity Parish, Kewaskum is celebrating PARISH MISSION WEEK October 9-13 and invites all people to join us in search for new meaning and purpose to life. Our life journey can sometimes become aimless, tiresome and frustrating, and so we need to pause from the journey to be renewed and refreshed. The purpose of our mission is to give us a chance to take some time for ourselves, away from the everyday hustle and bustle and revive our spirit of hope and enthusiasm for the life journey.

This mission will offer you some insights into living a good Christian life-quality life in the midst of daily pressures and stresses we experience in our work places, families, relationships and society. Our lives are

meant to be meaningful, fulfilled, purposeful and holy. We invite you to join us at Holy Trinity during this mission week, October 9-13 for a search of this kind of life.

A mission is a special time of focusing on our spiritual life. Are we really following Jesus as He wants us to follow Him? Our parish mission is aimed at a renewal and deeper commitment to Jesus Christ, His Church, and the life of His Church as it is lived in our community. This renewal is meant for all people, for young and old - for married and single - for widow and widower, divorced and separated - for the most active and the least active in the parish and community - for saint and sinner - for Catholic and non-Catholic - it is for everyone. Transportation will be available for anyone who may need a ride. Please call Sharron Miller 626-2811 after 4 p.m., if you need a ride to the mission sessions.

A few drops of oil of cinnamon or oil of lemon in the vacuum cleaner bag can give the whole house a good smell every time you vacuum.

## School Employees Leaders In Kewaskum Area United Way

Kim Peterson

Once again the teachers, administrators and support staff of secretaries, cooks and maintenance personnel of the Kewaskum School District, have proven themselves leaders in support for Kewaskum Area United Way by pledging \$4,745 to the 1988 Kewaskum Area United Way.

This is an increase of 8% or \$800 over their last year's pledge of \$3,923 according to Jerry Gosa, public sector division chairman, who presented the appeal to the school employees at the annual breakfast just before the start of school. Gosa also happily reported that participation was up this year to a remarkable 77% over last year's 70%.

The 1988 co-chairmen, Kim Peterson and Leroy Kopecky, announced the Kewaskum Area United Way Drive will officially kick-off the week of September

Leroy Kopecky

19th. Kim Peterson, vice president of sales at Regal Ware, will serve again in the co-chairman position after serving in the same capacity in 1987. Leroy Kopecky, Kewaskum High School Principal, has volunteered to work for United Way in the other co-chairman position. They indicated they will announce the division chairmen next week.

Both of these public spirited individuals were extremely pleased that the school employees chalked up a run to the 15 yard line or 15% of the way to the 1988 Kewaskum Area United Way goal of \$32,000.

Watch next week's paper for further details and plans for the Drive and then let's all work together to get the ball over the goal line for Kewaskum Area United Way!

## Janet Hubbell, President of UW Board Of Visitors, to Preside at Meetings

WEST BEND — Janet L. Hubbell, 1010 Hillside Drive, Kewaskum, formally begins her 1988-89 term here Sept. 28 as president of the University of Wisconsin Board of Visitors.

Hubbell, a high school counselor at West Bend West, will preside as the board holds the first of four annual meetings at the University of Wisconsin Center — Washington County.

Hubbell was first appointed to the 13-member board in 1985 as the representative of UWVC. She is now in her second term.

She succeeds Thomas H. Mihal, a Waukesha attorney, as board president. Glenn Miller, a former West Bend man, was the first board president in 1979.

The Board of Visitors was created that year to advise and

assist the UW Centers in communicating messages of the institution to alumni, government officials and the general public. Each of the 13 UW fresh-man-sophomore centers has one citizen representative on the board.

Board members are recommended by the campus dean and the UW Centers Chancellor and appointed by the UW System Board of Regents.

Hubbell is a member of the Dean's Citizen's Advisory Council at UWVC. Last year, she was appointed by UW Centers Chancellor Stephen Portch to serve on the UW Retention Task Force, a group charged with finding ways to keep more sophomores at the centers.

### IN MEMORY

In loving memory of our dear husband, father, and grandfather, Herman Eichsteadt who passed away 2 years ago, Sept. 14, 1986:

Softly the stars are shining  
Upon a precious grave  
Beneath lies one we dearly loved  
But whom we could not save  
We mourn for him in silence  
No eyes can see us weep  
But many many tears are shed  
While others are asleep.

Sadly missed by his wife,  
children and grandchildren.

### WHERE'S GRANDMA?

For more than a year a man had eaten in a small restaurant whose sign read, "Grandma's Home Cooking." But never once had he seen Grandma. Finally his curiosity got the best of him and he said to the waitress, "I've been having lunch in here for a long time and Grandma is never around. Where is she?"

"She's just where the sign says she is," the waitress answered. "Home, cooking."

cost. "If you go to a car dealer and look at a car for \$10,000 and then you go to a second dealer and can buy that same car for \$9,000, you're certainly going to buy it for \$9,000. All I'm saying," noted Ankerson, "is that I think we should look into other options."

Representatives of Risk Consultants, Inc., a subsidiary

of First Interstate Bank Corporation, presented a brief outline on the pros and cons of a self-funded insurance program.

Russ Schwalbe, Vice President of Risk Consultants, noted the Wisconsin Education Association, Kewaskum's present carrier, is losing considerable amounts of business. They have been, and are, less than cooperative in providing claims information to its clients and its those figures on which premiums are based, noted Schwalbe.

Schwalbe asked Gorder what the district's monthly per-family membership premium was. He guessed it to be about \$200 a month. He was somewhat taken back when Gorder indicated that the monthly premium figure was \$300, with the district paying 100% of that cost plus an additional \$41 for dental insurance.

Schwalbe told the board, "since I am not working for you yet, I can pretty much say what I like." He told the board, "Put the raises on the people's checks and let them contribute to the plan." Schwalbe said the district's employees are not participating in containment of costs. "There's no encouragement whatsoever for people to think about whether or not they actually need the services. If employees participate in premium payments," noted Schwalbe, "they will consider their costs and that will help you contain your costs."

Schwalbe also told the board he felt it was important to

publish what the true costs are. "They should be tacked on to the employees' wages to show what they are really earning." (For fulltime teaching and administrative staff, that would increase the monthly base salary figure by \$341 if they have family health and dental plan insurance, or a total of \$4,092 annually per each full-time employee). Support staff split the insurance costs with the district.

Gorder was asked how many employees were covered by the insurance and she noted 140.

Ankerson asked Schwalbe what his recommendation would be at this point. "Go to WEA and ask for that experience information and if you don't get it the first time try again, then go out and get some bids on self-funding."

Schwalbe said his company did not sell insurance, they are consultants. "Our job is strictly to come in, study your situation and make a report with recommendations for changes or a new program. We will also help you follow through in setting up a self-funded program if that is the way you decide to go," he noted.

Board member Ruth Schmitt asked if Schwalbe had worked with any other school districts. He said yes, but they had not chosen self-funding. One, however, did change from its WEA coverage to another program, noted Schwalbe.

In other business the board was informed that the district

had been awarded an \$11,000 grant for its Alcohol and Other Drug Abuse (AODA) program. Jackie Schoening, the district's part time social worker, said the program is now fully self funded and the grant money would be used for the training of additional staff, substitutes, time and training materials.

The board also heard a brief report on the district's annual audit. It was informed that figures show the district's expenditures came in about \$17,000 under budget. Ankerson told fellow board members Gorder and the administrative staff should be commended for their efforts to stay within the budget's limits.

In other action the board approved the increasing of substitute teacher pay from \$42 per day, to \$48, to remain competitive with neighboring West Bend.

Adjustment in Food Service employe hours was also approved. The changes will provide more efficient use of employe time at the various schools.

The board tabled action on a recommendation by board member Ron Beimborn to pay \$575 for annual membership dues to the Eastern Wisconsin and Central Lakeshore Athletic Conference Negotiations meetings. Some of the board members felt these services were already available through its membership in the Wisconsin Association of School Boards (WASB).

## History of 'Forty et Eight'

An independent fraternal organization of Veterans, popularly known as the "Forty et Eight," is the fun and honor society of American Legionnaires. Now composed of the Veterans of both World Wars and the Korean and Vietnam conflicts, it draws its origin from World War I when young American soldiers were sent to France, and the narrow railroads there had little box-cars (Voitures). Written on the sides of these box-cars was the capacity of each, either forty men or eight horses! If you could laugh at the train ride from the coast of France to the trenches in these box-cars, one could surely adopt to the changes of life when returning home. Forty men and eight horses became the trademark of the organization, organized in 1920 as the fun and honor society of the American Legion. Membership is by invitation only for recognition of service to the Legion and its programs.

The Forty et Eight have started many community and social service programs such as: The Child Welfare Program in 1923, which has touched over one million children annually with an investment of eight million dollars; The AAU Junior Olympics youth sports program, and financial assistance in excess of \$9,000,000 for registered nurses training programs and scholarships. As one of their on going programs, the Voyageurs Militaire (Military Travelers) offer continuing support of the patient publication "The Carville Star" of the National Hansen's Disease (leprosy) Center in Florida. This publication is translated and forwarded to 128 countries.

By virtue of being Veterans, there is a strong commitment to the American way of life, and Americanism projects such as respect for the flag, Constitution, Law and Order.

The Voyageurs Militaire of the Forty et Eight ask for nothing except to serve their fellow human beings and by that service to provide our children with a safe, free land of opportunity.

# Mother Nature Smiles On Early Farm Days

An exhibitor made toy sized hay bales with his miniature baler run by a miniature gas engine.

Al Kreif and Ira Weber of Kewaskum exhibited their miniature farm set-up complete with tractors, trucks and cows.

Kewaskum Statesman, Friday, Sept. 16, 1988, Page 8

The Kewaskum Historical Society couldn't have asked for better weather as it held its 14th Annual Early Farm Days last Sunday. Visitors were greeted by sunshine and warm temperatures as they browsed among the various displays and demonstrations. This year entertainment was provided by the Kettle Country Cloggers and Kettle Moraine Squares. As always visitors were able to enjoy the society's traditional Fall Harvest Stew, homemade desserts and sandwiches.

### THE AMERICAN LEGION Robert G. Romaine Post No. 384 NEWS UPDATE

Washington County Council Meeting will be held at Kewaskum Legion Post on Saturday, Sept. 24th. We will be serving our Roast Pig which we purchased at the County Fair from FH Member, Angela Limberg. Reservations must be received no later than September 18th. Call Merv at 626-4079 or Allie at 626-2775.

Thank you to all Kewaskum workers and their families who worked at the County Fair. A special thanks to Dave and Carol Wegener of Germantown Post who helped the entire day.

We can always use a little more help. Profits from the fair totalled \$3,870.90. Some of the money is going towards scholarships for children from Washington County Legion Posts and helps support Camp American Legion.

Don't forget Aerial round up on Sunday, Sept. 25th. Call Merv at 626-4079 if you would like to sign up.

At our Monday, Oct. 10th meeting, we will have Badger Boys and Girls along with their parents as our guests.

## ANDREW RODEN

Andrew Roden, 86, of Kewaskum, passed away on Friday, September 9, at Samaritan Nursing Home, in West Bend.

Mr. Roden was born on February 27, 1902 in the Town of Scott, the son of the late Jacob and Mary (Schneider) Roden. On August 6, 1938 he was united in marriage to Gertrude Herriges at St. Michael's Catholic Church and had recently observed their 50th wedding anniversary. They farmed in the St. Michael's area until moving to Kewaskum in 1968. Mr. Roden was a member of the Holy Trinity Catholic Church, Kewaskum, the Holy Name Society and the Good Samaritan Guild.

Survivors include his wife Gertrude; a brother, Joseph Roden of West Bend and his sister, Mrs. Margaret Konrath of rural Kewaskum.

In addition to his parents he was preceded in death by his first wife Cecilia and a sister Veronica Schmidt.

Funeral services were held at Miller Funeral Home, Kewaskum, at 7:30 p.m. and at Holy Trinity Catholic Church, Kewaskum, at 8:00 p.m. on Monday, September 12, with Fr. Robert Berghammer officiating. Burial was at 10:00 a.m. on Tuesday at St. Michael's Cemetery. Friends called from 4:00 p.m. until time of services at the funeral home on Monday.

## VIVIAN OTT

Vivian Ott, 69, of Kewaskum, passed away on Monday, September 12, 1988 at St. Agnes Hospital in Fond du Lac. She was born on May 26, 1919 in Waukesha, Wis., the daughter of the late Edwin and Alpha (Winter) Tobin. On August 11, 1951 she was united in marriage to Donald Ott Sr. and he preceded her in death on December 25, 1986. Mrs. Ott was a member of the St. Michael's Catholic Church in

St. Michael's.

Survivors include five sons, David Howards of Muscoda, Gerald Howard of Elizabethtown, Ky., Calvin Ott of Campbellsport, DuWayne Ott of Milwaukee, and Donald Ott Jr. of Kewaskum; two daughters, Darlene Hondel of West Allis and Corrine Ott at home, a brother, Edwin Tobin of Muscoda, and many grandchildren and great-grandchildren.

In addition to her parents and husband she was preceded in death by a daughter, Jacqueline Knutson and a brother, Dick Tobin.

Funeral services were held at the Miller Funeral Home, Kewaskum, at 8:00 p.m. on Thursday, September 15, with Father Robert Berghammer officiating. Burial will be in the St. Mary's Cemetery West Bend, on Friday at 10:00 a.m. Friends called from 6:00 p.m. until time of services at the funeral home on Thursday.

## JOHN W. WICKLUND JR.

John W. Wicklund Jr., of 5705 Wagner Lane, West Bend, died Friday, Sept. 9, at St. Joseph's Hospital, Milwaukee, at the age of 62.

He was born Aug. 13, 1926, in Milwaukee, and married Jackelyn 'Jackie' Fischer on Sept. 18, 1949, at Trinity Lutheran Church, Milwaukee.

They resided in Menomonee Falls while he was the manager of Krause Oldsmobile. In 1968 they moved to West Bend and owned Wicklund Oldsmobile. A the time of death he owned Falls Car Company in Menomonee Falls.

Survivors include his wife; three sons, John III (Donna), Jeffry (Margit) and Joel (Ann), all of West Bend; eight grandchildren; his father, John Sr. of Butler; a sister, Nadonis Wicklund of Watertown; two brothers, Duane (Germaine) of Costa Mesa, Calif. and Bruce (Cathy) of Waukesha; his mother-in-law, Florence Fischer of West Bend; a brother-in-law, Keith Weytens of Waukesha, and other relatives and friends.

Preceding him in death was his mother and a sister, Diane.

Funeral services were held Monday, Sept. 12, at 11 a.m. at the Myrhum Funeral Home, West Bend. Rev. Victor Hackbarth officiated, and entombment was in

Washington County Memorial Park.

The family appreciates memorials to the West Bend Red Cross.

## HENRY KLOKE

Henry J. "Bud" Kloke, 67, of Rt. 1, Eden, died Fri., Sept. 2, 1988, at St. Agnes Hospital.

He was born Aug. 26, 1921, in Campbellsport, a son of Ernest and Irene Berg Kloke. He married Janet Haberkorn, who died May 2, 1960. He then married Anna Bub in April 1966 at St. Anne's Church in Milwaukee.

Mr. Kloke served in the U.S. Navy during World War II. He operated Kloke Ready Mix Inc., until his retirement in 1982.

He was a member of St. Matthew's Church in Campbellsport, the Knights of Columbus, Campbellsport VFW and the Lomira American Legion Post.

Survivors include his wife; one son, David of Dodgeville; three stepsons: Charles Bub and his wife Dianne of Irvine, Calif., Michael Bub and his wife Marie of Menomonee Falls, and James Bub and his wife Barb of Campbellsport; one brother, Luke and his wife Ellen of Campbellsport; one sister, Jeanette Kloke of Milwaukee; two grandchildren; and six step-grandchildren.

In addition to his first wife, he was preceded in death by three sons.

Visitation was held at Twohig Funeral Home in Campbellsport from 4 to 7:30 p.m. Tues.

The funeral followed at 8 p.m. at St. Matthew's Church in Campbellsport with the Rev. Jeffrey Gartman and the Rev. Victor Kemmer officiating.

Burial was at 10 a.m. Wed., in St. Matthew's Cemetery.

Mr. Kloke suffered a fatal heart attack prior to an accident.

## Births

### THANK YOU

A special thank you to all the friends and relatives who attended the 85th birthday of Erwin Kirchner on Sunday, Sept. 11th.

Thank you to Mr. and Mrs. Howard Kirchner and Mr. and Mrs. Norman Kempf for giving the open house party.

### THANK YOU

I would like to thank all my relatives, neighbors and friends for cards, gifts, visits and food, while I was a patient at St. Joseph's Hospital and convalescing at home. It was appreciated.

Al Schladweiler

### MONDAY NIGHT SKAT

Skat winner's on Monday Sept. 12th were: Henry Gebhard 22 net; Joan Steger 589 points, Jack Meiger 20 net; Butch Schmitt 562 points, John Oelhafen 140 H.P.

Only the people who live next door ever listen to both sides of a family argument.

Weekly Health Tip

From Tom Kennelly

### FIGHT PLAQUE

Brushing and flossing the teeth is the best way to scrub away gum-decaying plaque, but 1/2 minute won't do it. It takes at least 5 minutes of toothbrushing to defeat plaque, according to a U. of Iowa study. Rather than several short brushings a day, do one thorough brushing and flossing at night, when plaque-producing bacteria are most active.

We wish you good health

## Chris Buss, MPTC Graduate Has a Lot to Be Thankful For

Ask Chris Buss what she's thankful for and she'll tell you "peanut butter and jelly and TV." Not such an odd response when we consider it comes from someone who has just graduated from the accounting program at Moraine Park Technical College in West Bend while raising four kids under the age of 13.

Buss was not an ordinary college student when she decided to return to school in 1986. She was married at 19 and began having children at 20. For the next several years her time was spent raising her family. Four children, one divorce and 12 years later Buss knew she needed some form of education to find the good-paying job necessary to support her family.

"I was interested in numbers," Buss says. "I balance checkbooks for my parents and friends and I've always made sure they come to the penny. In order to work with numbers full time, I realized I needed some additional education."

Buss began to put a plan together for her return to school. The time would be right when her youngest child was in school full time. She also went after financial aid and received a PELL grant which helped cover her expenses.

The adjustment to school was easier for Buss than her children. "At first they didn't understand what was going on," she says. "They were used to having me all to themselves. Once I started school I had to study, so at night I would lock myself in my room and my kids were instructed to leave me alone."

In direct contrast to what many returning students may think, Buss found her age to be a help in her program. "I was more responsible," she says. "Many times students right out of high school are more concerned with getting out of class and going out. I heard a student talking once and he was wondering why he did so poorly on a test when he had studied for a 'whole hour.' I studied 10-12 hours for the same test! As an adult and a mother, I was working for myself and my children."

Buss' biggest fear was grades. "I was worried about getting good grades. I wanted straight A's and I ended up graduating with honors and a 3.67 grade point average." Buss does say she put herself under a great deal of pressure to get those grades. "With me it's all or nothing and most of the pressure I felt was pressure I put on myself. Sometimes I'd finish a test and I was sure I'd failed, but then I'd get the test back and I'd done well. Sometimes I worried about whether I was making the right career choice. But I like numbers and I think I made the right choice."

"I had one teacher who was really hard, but that turned out to be good because I found I rose to the pressure and came out better for it," she says. "He wanted the best out of us and he got it."

Raising a family, attending school full time and trying to have any kind of social life can rapidly eat up the hours in a week. "At the end of each semester it seemed like there was never enough time to study

for all of my finals," Buss says. "But the students in this program helped each other and we became friends."

After graduating this past May, Buss found employment with Milwaukee Solvent and Chemical as an accounts payable clerk. "I would like to work my way up - not just do the beginning work," she says. "My plans are to get situated in my job and do the best I can. I like things to run smoothly and these last few years have been hectic for the kids and now it's chaotic. I don't see them as much as I used to because I'm gone for 10 hours each day. The time goes by so fast, though. I look up at the clock and it's 4 p.m."

Buss knew very little about accounting before entering the program. "Moraine Park gave me the basic knowledge, but I've had to learn the company system on the job," she comments. "I was nervous about finding a job, but I know I'll do all right. I just have to remember what I've learned. The Critical and Creative Thinking and Lotus-Spreadsheet courses should be mandatory for the program. Most jobs require that you know Lotus-Spreadsheet."

Eventually she would like to go back to school and earn a CPA license, but Buss says that must wait. "I'd say I'm highly motivated, very ambitious. I have to do better and I like to go all of the time. I don't know where that comes from, but right now I would like to wait awhile before moving on. I have a new job and the kids to think about - I don't want to complicate that with school right now. I'm giving myself one year to adjust and then I will make the move to school or a different location."

That location may be Milwaukee. "I've lived in Kewaskum since I was four

years old and it's too small," she says. "Being from the country, Milwaukee is a big change. The only thing stopping me from moving today is the kids. When the time is right, though, I'll just do it. The kids will adjust. I definitely would like to get out of Kewaskum."

Buss believes that her involvement in activities at Moraine Park helped her expand her goals to reach outside of her hometown. While in school she became involved with the West Bend campus Student Senate - vice president her first year and president her second. She also was a student ambassador and on the Wisconsin Student Council of Technical Education. "This was very important to me," she says. "The participation in school activities allowed me to talk with other people, to meet other people; it got me out among adults. At first it was very frightening for me to interact with others. Before coming to Moraine Park I didn't get out much. I was very boring before I went to school."

As part of her position as president of Student Senate, Buss was asked to speak at the spring commencement ceremonies. "My knees were knocking I was so nervous," she recalls. "I did a speech from the heart. I thanked my teachers, parents, boyfriends and kids. I was thankful for peanut butter and jelly and TV. I thanked Moraine Park because with the education I received I can now face the future."

## Mark Coulter Selected For Royal School of Music

Mark Coulter

Mark Coulter, Minnesota, a singer in the Cathedral Boys Choir, will attend a special Choral Week sponsored by the Royal School of Church Music, which begins Sunday, August 21. He will be traveling to New York City, where he'll be part of a select choir of 30 boys and 20 men. Stephen Cleobury, Organist and Master of the Choristers of King's College, Cambridge, England will direct this choir.

Mark will be in residence at the world-famous St. Thomas Choir School, and will sing services at St. Thomas's Church on Fifth Avenue and Trinity Church, Wall Street. In addition he will attend a Mets Baseball

game and a Broadway play.

Mark has spent most of the summer learning the music to be sung. Of greater significance is the time and energy that he has spent singing in the choir, earning the recommendations of Dean Cavanaugh and Mr. Schaefer.

Mark is the son of Tim and Carole Coulter, former Kewaskum residents.

### LEARN TO R-E-L-A-X AT ST. JOSEPH'S

Stress is the way your body reacts to the demands that are placed upon it everyday; it can cause anxiety, tension, anger, and depression. Often there is absolutely nothing you can do to prevent stressful situations. But, St. Joseph's Community Hospital's Health Promotion Program, R-E-L-A-X, can show you that you can do something about the way you handle stress.

This 4-week program will be held on Thursdays, Sept. 29 - Oct. 20 from 6:30 - 8:30 p.m. in St. Joseph's Conference Rm A. The fee for the program is \$25 which includes a 100 page Stress Management Book.

To register, contact the Health Promotion Office at 334-8390 or 334-8268.

Light housekeeping is said to be one canned thing after another.

## 25 Years Ago

September 13, 1963

Kewaskum High School opened last week with an enrollment of 486 students, largest in the history of the school. The 486 figure topped last year's total enrollment of 465 by 21 students. Freshmen entering high school numbered 126, which is 11 below last year's class of 137 and 12 under the record-breaking freshman class of two years ago of 138. Enrollment in the elementary schools also set a new record with 450 children registered, 28 more than last year. The previous high enrollment was 442 set two years ago. Mainly responsible for the enrollment surge in the grades is the large number of kindergarten pupils, 61 and 23 transfers here from other schools.

Holy Trinity Catholic School opened last Wednesday with an enrollment of 255 pupils, a decrease of three from last year's total of 258 on opening day. Thirty-six children started school in the first grade, a decrease of two from last year's 38.

Debra Jean Schlosser, daughter of Mr. and Mrs. Harold Schlosser, Kewaskum, had the rare occasion to celebrate her 13th birthday on Friday, the 13th of September. Debbie is an eighth grade pupil at Holy Trinity School, where she is a cheerleader and is interested in all sports. She has a two year old brother, Richard.

Marriage vows were exchanged at Holy Trinity Catholic Church by Miss Jolene Rhae Miller, daughter of Mr. and Mrs. Joseph M. Miller, Kewaskum, and Kenneth H. Kenyon, son of Mr. and Mrs. Clyde Kenyon, Park Falls, on Sept. 7.

A daughter was born to Mr. and Mrs. Eugene Backhaus, Route 1, Kewaskum, on Sept. 3. A daughter was also born to Mr. and Mrs. Alois Rohlinger, West Bend, on Sept. 10. A son was born to Mr. and Mrs. Arnold Shaske, Kewaskum, on Sept. 4.

## 50 Years Ago

September 16, 1938

Raincoats, rubbers and umbrellas sheltering 123 students daily as they find their way to the Kewaskum High School where school has opened for the 1938-39 term.

Four years ago while working in his garden in the village, John H. Martin lost a valuable moonstone ring he was wearing. Last Saturday, while his son-in-law, Norton Koerble, was digging in the same garden for angle worms he unearthed the root of an old cabbage plant and upon observing something shiny clinging around the root, discovered the ring. The ring is in as good a condition as when lost and Mr. Martin once more wears a moonstone ring.

In a very charming early autumn nuptial rite at which the Rev. Philip Vogt officiated on Sept. 14, in Holy Trinity Church, Miss Kathryn Marx, daughter of Mr. and Mrs. John Marx of Kewaskum, became the bride of Carl Malischke, son of Mrs. Chas. Malischke, Wauwatosa.

Nuptial vows were exchanged in the parsonage of the Peace Evangelical Church here on Sept. 10, by Miss Evelyn Schaefer, daughter of Mr. and Mrs. Edw. Schaefer of the Town of Kewaskum, and Oscar Albert, son of Mrs. Wm. Albert of Horicon.

The marriage of Miss Anna Volm, daughter of Mr. and Mrs.

Math. Volm of Kewaskum, to Gregor Ullrich, son of Mr. and Mrs. Adolph Ullrich of Campbellsport, was solemnized on Sept. 10, at St. Bridget's Church near Kewaskum.

Ray "Spitz" Jaeger, Wayne barber, who formerly operated his shop in the Foerster Bros. building in that village is now located on the east side of Wayne in his own new barber shop and home.

Mr. and Mrs. Louis Nordhaus of this village are the proud parents of a son born Sept. 13, at St. Joseph's Hospital, West Bend. A daughter was born to Mr. and Mrs. Al Reefer, West Bend, on Sept. 10. Reefer is forest ranger at the Mauthe Lake state forest park in the Town of Auburn.

## Speaker to Focus On 'Gray Area' Children

Parents United for Family Support will host speaker Mary Ann Eaton from Parent Education Project at their September meeting. Eaton is on the Special Task Force on Gray Area Children which is headed by State Representative Margaret Ann Krusick. She will be discussing the "gray area children" issue and has asked for the parents of these children to attend the meeting and voice their concerns.

There has been an increased interest in this subject lately and legislation defining "gray area" and pinpointing services for it is being considered. Currently, the term "gray area" is used for those children who are experiencing academic failure in school but are ineligible for special education services. The Task Force has recommended some possible identifying characteristics for these children including:

- One year behind classmates in basic skills,
- Was M-Teamed and found to be ineligible for exceptional education placement.
- Displays poor attendance patterns that presage the potential for dropping out of school.
- Exhibits cumulative academic failure throughout school career.
- Comes from low social/economic background.
- Is a teenage parent or a child of a teenage parent.
- Is an adjudicated delinquent.
- Exhibits behavior problems.

The meeting will be held September 19th at 7:00 p.m. in the public meeting room at BANK ONE, corner of 8th Avenue and State Hwy. 33 (Washington Avenue) in West Bend. The public is invited. There are no dues or fees.

## Department Sets General Waterfowl/Goose Seasons

MADISON, WI — After leading the battle for a restrictive waterfowl season at the Mississippi Flyway Council because of the drought, Wisconsin has adopted the Federal season framework for 1988 that includes a harvest reduction goal of at least 25 percent for ducks.

In contrast to the bleak duck outlook, Wisconsin's Canada goose season is expected to be better than many past seasons, featuring a 30 percent quota increase over 1987. It's anticipated that the increased goose hunting opportunities in Wisconsin will make up for the decrease in duck hunting activity.

"Wisconsin's 1988 breeding duck population estimate is 10 percent below the long-term average, with the decline occurring primarily in the southern portion of the state because of the drought," Jon Bergquist, department waterfowl/wetland specialist, said. "According to the U.S. Fish and Wildlife Service, the fall flight index of 66 million ducks is the second lowest fall flight forecast since 1969."

The fall flight index was 74 million in 1987. Records have been kept since 1969.

"Now's the time to support waterfowl through the purchase of waterfowl stamps, because that money is used to provide adequate habitat for maintaining and building populations," Bergquist said. "Use of stamp money in Wisconsin and elsewhere will help bring duck numbers back up to the predrought goals established in the North American Waterfowl Management Plan."

The 1988 Wisconsin duck season begins statewide at noon on Saturday, Oct. 8, with the state split into two zones. In the northern zone (north of Highway 10), the season will run 30 consecutive days, ending at the close of shooting hours on Sunday, Nov. 6, 1988.

The split season in the southern zone (south of Highway 10) will close at the end of shooting hours on Tuesday, Oct. 11. It will reopen on Wednesday, Oct. 19 and run through Sunday, Nov. 13.

Shooting hours are from sunrise to sunset, rather than the one half hour before sunrise to sunset offered last season. The season length of 30 days is down from 40 days in 1987.

Special scarp (bluebill) seasons are not available this year. In addition, steel shot is required in all shotguns statewide this year, including muzzle-loading shotguns.

Under the federal framework,

the point system used in the past several seasons is not available. Instead, a conventional bag limit has been adopted. The daily bag will be three ducks, not to include more than two mallards (of which only one may be a hen), one red-head, one black duck or two wood ducks.

For the first four days of the season the daily bag can include one pintail of either sex, and during the last seven days of the season one male pintail (female pintail season closed). In the other portion of the season, the pintail season is closed.

A daily bag of five mergansers to include not more than one hooded merganser is also set. A daily bag limit of 15 coots is allowed with a possession limit of 30.

As part of a national closing the season on canvasback ducks is closed in 1988.

"The 1988 Wisconsin Canada goose season will be a good one," said Bergquist. "I'm pleased with the gains Wisconsin has made in the Flyway over the last four years. The fall flight estimate for a Mississippi Valley Population goose flock of 808,000 is conservative. The flight may approach or exceed one million birds."

A harvest of 260,000 geese has been approved, which is up 30 percent over 1987. Of this harvest total, 28 percent is allocated to Canada and minor states in the United States. The balance is allocated to six major harvest states of which Wisconsin and Illinois each receive 32 percent. Including our giant Canada goose harvest quota, that totals 63,700 birds this year for Wisconsin hunters, up from 49,900 in 1987.

Wisconsin has also received a separate harvest allocation of 4,500 Canada geese that is to be used solely in abating crop damage by geese. The allocation is only for the Horicon Zone and landowners must comply with the requirements of the Wisconsin wildlife damage law. Wisconsin must use its regular Canada geese quota to reduce damage before using the special allocation.

The new 1988 goose rules divide the state into five harvest zones. All goose hunters must apply for permits. Applications were to be made before Friday, Sept. 9.

The five zones include the Horicon Zone, Collins Zone, Pine Island Zone, Theresa Zone and the Exterior Zone (all areas of the state not included in any of the other four zones).

The Horicon, Collins, Pine Island and Theresa zone hunts will start at sunrise on Saturday, Oct. 1. The Exterior

Zone will open concurrently with the noon general waterfowl season opener.

A special giant Canada goose on the Mississippi River, in Brown County and in Rock Prairie (located in Walworth and Rock counties) is available to hunters with Exterior Zone permits.

## WISCONSIN OUTDOORS AND CONSERVATION NEWS

### Grouse, Woodcock, Squirrel and Cottontail Rabbit Seasons Open

MADISON, WI — Wisconsin's small game hunting season opens one half hour before sunrise on Saturday, Sept. 17 and should provide hunters with excellent opportunities to bag a variety of species, Department of Natural Resources wildlife specialist Ed Frank said.

This small game opener includes hunting for ruffed grouse, woodcock, squirrels and cottontail rabbits. Season lengths differ by species:

- ruffed grouse (northern zone) September 17 - December 31 and (southern zone) September 17 - January 31;

- woodcock statewide September 17 - November 20;

- gray and fox squirrels statewide September 17 - January 31;

- cottontail rabbit (northern zone) September 17 - February 28 and (southern zone) noon October 15 - February 28.

"If the ruffed grouse population is not at a peak in Wisconsin, it is very near," Frank stated. "The harvest index was at more than one million birds last year, up 300,000 from 1986 and 500,000 from 1983. We expect the same or a little better for 1988."

Harvest numbers of more than one million ruffed grouse are characteristic in Wisconsin when the population is at a cycle peak. High grouse populations tend to follow 10-year peak cycles.

Spring drumming surveys were up in most areas of the state. The drought that has been a bane to farmers and many others in the state does not seem to have harmed ruffed grouse. In fact, the dry spring and early summer may have increased brood survival rates.

"The only damper to what's shaping up as a very good grouse hunting forecast is that central Wisconsin grouse production doesn't seem to be responding as well as the rest of the state," Frank added. "The surveys there, done only on public hunting lands, do not indicate peak populations, but the season in this area is expected to be at least as good as last year."

Woodcock hunters can expect a season equal to 1987.

"Woodcock populations haven't changed much and last year was a good season by most standards," Frank said. "For most hunters, woodcock add to a day afield hunting for ruffed grouse."

Wisconsin woodcock populations are generally "home-grown" early in the season. Birds are provided from nesting taking place throughout Wisconsin. Generally a migration peaks in Wisconsin around October 10 made up of birds from Ontario and Minnesota production.

"There might be some change in population distribution because of dry conditions and the availability of earthworms," Frank added. "Swampy alders seem to be a good place to find woodcock this year."

Squirrel season reports show

an initial abundance that's impressive. Population trends are steady and high. A good food crop, including good acorn mast, will keep squirrel numbers up.

"The harvest of squirrels from the indexes over the last five-year period is as steady as any I've seen," Frank stated.

Cottontail rabbit season outlook remains a mystery. Summer population reports are down in southwestern Wisconsin while urban and suburban garden rabbit complaints are up. Harvest indexes are low and dropping, but so are the number of hunters who indicate they're pursuing the sport.

"Wisconsin rabbit harvests used to be in the millions in the '30s and '40s, but they haven't been near those numbers in years," Frank admitted. "We're not sure how much of the reduction is due to loss of population and how much is due to lack of interest on the part of hunters."

Snowshoe hare, the more common species to the north, shows a comeback trend. The harvest increased 1987 to more than 100,000. The season for this species is open year around.

"Hunters are reminded to exercise extreme caution because of the fire hazard in the woods," Frank concluded. "Smoking materials should not be used outside of vehicles and catalytic converter-equipped vehicles shouldn't be parked over dry grass and weeds."

## O'Connor Holds On To Hon-E-Kor Title

Torrential rains on Saturday and more foul weather on Sunday put a real damper on Hon-E-Kor Country Club's planned three-day Labor Day weekend championship tourney.

Almost four inches of rain flooded the course Saturday afternoon dashing plans for 36 holes of qualifying plays. Sunday's weather was not an improvement with the end result being an 18-hole qualifier with two finalists in each field.

Defending Men's champion Mike O'Connor, Jr. managed to pull off a tough victory over Clark Pearson to retain his crown. He came in with a three-over-par 73, five strokes better than Pearson's 78, and six better than Jim Dean.

O'Connor was looking at a super 70 or below round until he got to the par-three 16th hole. An out of bounds shot left O'Connor with a triple bogey for the hole. He had another bad break with a double bogey on 18.

Pearson's downfall in the match was his putting game.

For O'Connor the win meant a fourth Hon-E-Kor title, having also come away the champ in 1974, 78, and 87. For Pearson it

meant his first match in finals competition.

Newcomer Tom Sharp managed to take the Junior crown with a 79, ten shots better than his closest competition Tom Kostelac who came in at 89.

In the first flight of the men's division Bill Wuebben finished first at 83, followed by Herman Berndt at 87. In a final match Berndt was able to move up one on Wuebben and take the win after Wuebben had to contend with hitting out of bounds on the 18th.

In second flight competition Harry Nischke defeated Larry Renzaglia while Mike Pfeiffer downed Jim Dorn.

In the Women's division, Audrey Jaraczewski finished first in the Senior Women's tourney and Betty Hallen placed second based on their low net scores.

In the Vice President flight, Gwen Doherty claimed a victory over Sandy Justman. Cornie Kauth defeated Judi Tiegelman in the finals of the Women's division on Sunday.

In Senior Mens play, Bob Stephenson took first with a low net 70 and Don Woolweber came in second.

### Potential Record Harvest Awaits Bow Deer Hunters

MADISON, WI — A large, healthy whitetail deer herd numbering about one million statewide is expected to provide Wisconsin bowhunters an opportunity for another record-setting season, Frank Haberland, Department of Natural Resources wildlife specialist said.

Bow hunting season opens at 6 a.m. Saturday, September 17 and runs through Sunday, November 13. The season then closes for three weeks for the general gun season. It will reopen at 6:30 a.m. Saturday, December 3 and run through Saturday, December 31.

"The 1987 bow season set an all-time season record of 42,651 registered deer, even though license sales slumped somewhat because of a fee increase," Haberland stated. "I expect sales to increase a little this season and there's definitely a potential for another record bow harvest."

Leading counties in 1987 bow deer harvest registration include: Waupaca, 2,527; Marinette, 2,128; Marathon, 1,998; Wood, 1,746; Portage, 1,493; Shawano, 1,419; Waushara, 1,297; Adams, 1,275; Jackson, 1,210; Clark, 1,169; Oneida, 1,135; and Columbia, 1,037.

Schlefke 555-44, Class B - Jan Leverenz 555-66, Class C - Faith Nanetti 555-77, Class D - Shirley O'Connor 666-99.

Irene Schlefke had a chip in on #10. Joyce Gruber was the winner at bridge.

run in the bottom of the 4th. Terry Koth made short work of that lead as he smashed a long home run leading off the 5th inning to leave the score tied at 8.

Andy Hoenecke made it five consecutive innings in which Kewaskum homered when he hit a solo shot to send the A's to a 9-8 lead which they carried into the top of the 8th. Kewaskum padded their lead to 12-8, courtesy of Hoenecke's 2nd homer of the night, a three run blast just inside the right field foul pole.

Hustisford was not through yet as they pulled within one run in the bottom of the 8th inning. The Astros scored three runs on four hits to make the score 12-11 going into the top of the 9th.

Terry Koth capped the Kewaskum fireworks with a monstrous home run in the top of the ninth to set the final score at 13-11. Jeff Geidel, who had relieved starter Tim Heberer, struck out the side in the bottom of the 9th on nine pitches to seal Kewaskum's first championship in at least 25 years.

The Athletics will be honored as league champions at the annual Tri County Nite League banquet at the Pyramid Supper Club on October 8th. Anyone interested in attending can get tickets and information from Manager Dave Donath at 626-2916.

## Plymouth Nips Indians, 14-12

The Plymouth Panthers invaded Indian territory on Friday night and drove home with a victory. In their second home appearance, our Indians put up a good battle but it was never enough to put away the game.

The first quarter neither team could get any numbers on the scoreboard but in the second quarter, the defending conference champions scored twice, the first time on a 4 yard run by Plymouth's Todd Kuhn and the second time on a 3 yard run by Bob Schroeder, following a fumble recovery on the kickoff. Both extra point attempts were successful by Doug Brandl and at the half Plymouth led 14-0.

The Indians came back fighting in the third quarter and Kewaskum's Joel Serwe ran ten yards to the first of two Kewaskum touchdowns. Serwe scored again on a 6 yard run a little later but neither extra 2-point conversion attempts were successful. The score after the 3rd quarter was Kewaskum 12, Plymouth 14.

Fourth quarter action was suspenseful as the Indians marched down the field into Panther territory. The crucial play was fourth down with four yards to go, Kewaskum decided to "go" for it. The ball was snapped, the lines advanced, and before quarterback Mike Heberer had a chance to execute the play, he was sacked. Plymouth took over the football with about two minutes

left in the game and ran the clock down. Final score Plymouth 14, Kewaskum 12. With Kewaskum's Heberer completing 5 of 9 passes for 96 yards, his longest being a 40 yarder and Joel Serwe rushing for 73 yards on 11 carries as the bright spots in an otherwise dismal loss.

Friday night the Indians play DePere Pennings at home at 7:30 p.m.

## Gun Show at Amerahn Sept. 18

West Bend Barton Sportsman's Club will be hosting it's second gun show of 1988 Sunday, September 18, from 8 a.m. to 4 p.m. at the Amerahn Hall which is located one mile north of Kewaskum on Hwy. 45.

Kewaskum is located 30 miles north of Milwaukee on Hwy. 45, or 7 miles east of Hwy. 41 on Hwy. 28.

The public is invited to attend the show. Guns, knives, and militaria items will be bought, sold, and traded. Clean out your closets, bring it to the show, you may find a buyer. Admission is \$2.00 per person, children under 12 are free when accompanied by an adult.

West Bend Barton Sportsman's Club would like to thank all the people that attended their show in April, and hope they will also attend the September show.

Just as a footnote West Bend Barton Sportsman's Club is a non-profit club which has been active in Washington County for the past 25 years.

## KHS Volleyball Team Has Its Ups and Downs

The Varsity Volleyball team had two victories in the past week. In their first win, they blew away Two Rivers in a win of 15-5, 15-1, and 10-15. Coach Rizzardi said, "They played strong as a team." Their second victory was over New Holstein 6-15, 15-12, and 15-10. Good serving was performed by Lee Ann Winninghoff, Tina Weddig and Debbie Donath. Andrea Fliess had a total of 5 points and was the high scorer. The assist leader was Deb Rummel and the save leader was Jenny Schneider.

The J.V.'s didn't do quite as well as the Varsity. They lost against Two Rivers 15-3, 6-15, and 11-15. The serving was 77% and they had 3 fouls. Against New Holstein the scores were 7-15, 15-11, and 8-15. The serving was 87% and only 1 foul. Good serves were made by Kelly Rohlinger and Tracey Steinert. J.V. hopes to keep improving during the season.

The Freshmen team lost to Two Rivers in a 1 to 2 match and won to New Holstein in a 2 to 1 match.

### SKI RACING

The Parks Ski Racing Club will present skiing on Thursday, Sept. 22, at 7:00 p.m. at the West Bend Public Library.

Juniors interested in furthering their skiing ability through ski racing are invited to attend a night of orientation to Parks Ski Racing Club and ski racing. If any questions please call 334-2910.

## Cross Country Team Takes 2nd and 1st In Two Matches

A good turnout has shown up for the girls cross country team consisting of seven girls with one great manager. The manager, Sheila Paulson, is the only senior out for the girls. Other team members are three juniors Pam Osterbrink, Kristina Schinker, and Kristi Lubahn, who all were out for track in the 1987-88 year and two sophomores, Jodi Batzler and Laurie Vogt who also were out for track. The two incoming freshman Teresa Anderson and Nancy Neumann are going to be good prospects.

In the girls first meet they took 2nd out of four teams; Sheboygan Falls, Howards Grove, Elkhart Lake and Kewaskum. Sophomore Laurie Vogt took 4th overall with a time of 14:10. Great efforts were put forth by the rest of the varsity team. Sophomore Batzler, not being able to run, was a great disappointment to her teammates and herself.

The girls are looking forward to their next meet.

The Kewaskum Cross Country team had their second meet at Campbellsport, and competed against Ozaukee, Random Lake and Campbellsport. Laurie Vogt headed the team strongly by taking first and having a time of 13:49. Jodi

Batzler took 10, followed by Kristi Lubahn 11, Kris Schinker 15, Teresa Anderson 17, Nancy Neumann 18, and Pam Osterbrink 23. The girls finished 3rd and also improved their times.

The boys varsity team was led by Kris Follman, taking 7th followed by John Brown 11, Bobby Castro 13, Jon Fry 17, and Adam Miklas 20.

The J.V. boys did not have a full-team, but all ran well.

Chad Schmidt and Adam Miklas placed 36th and 37th.

The JV didn't have enough runners to make a team, but John Schmidt and Don Iwen ran well.

## Curzon, Born, Ruh Win Plymouth Finales

by Dick Jepsen

Gregg Curzon of Bailey's Harbor, John Born of Howards Grove and Brad Ruh of Elkhart Lake were the big winners Saturday night as Eastern Wisconsin Stock Cars closed out it's 1988 season at the Sheboygan County Fairgrounds in Plymouth.

The 1988 EWSCA track champions are Bill Kojis of Wales in the modifieds, Jim Pitzen of Plymouth in the sportsman division and Jim Kroening of Milwaukee in the hobby stocks. The final event at the Plymouth Fairgrounds will be a 250 lap or 2 1/2 hour Enduro next Saturday with a full 140 car field. The event starts at 8 p.m. with driver introductions at 7:30 p.m.

Hoyt Wilhelm, the first reliever pitcher in the Hall of Fame, registered 143 wins and 227 saves.

The office duffer says his orange golf ball has turned out to be a lemon.
