On Saturday, February 11th, the Kewaskum Fire Dept. held their annual banquet, which is given in the honor of their wives and sweethearts who have to put up with the sound of a pager at mealtime, bedtime, and all other hours of the day, and

watch their brave men run out the door to answer the page, be it a fire or rescue call.

The banquet was held at the Riverview Inn, with a delicious meal being served by Homeplate Catering. Music was provided by the Brian Kleaver Orchestra. One surprise was a

cash donation to the Fire Dept. by Homeplate Catering.

Former member, Ron Sarauer, who passed away last year was honored for his years of dedication to the fire dept. Ron joined the dept. in 1972. He served with the dept. as a

## 1989-90 School Budget Could Be Taxing for District Residents

By GERRY MUELLER  
Statesman Staff Writer

At Monday night's School Board meeting, Administrator Dr. David Heather asked for some direction and guidelines from the members for working up a budget for the 1989-90 school year. What he got, however, was a lot of generalized comments including one that the board would "not" like to see a double-digit tax increase.

Heather told the board he and the business manager wanted some information on increasing the levy. "Can we go up 0%, 1%, 2%, what?"

Business Manager Cherna Gorder noted that last year's mill rate had increased approximately 4% with the levy up by approximately 7%. "This (1988-89) is a deficit budget that is eating into our Fund Equity," said Gorder. She noted expenditures have already exceeded revenues by \$90,000 and it was very likely that the deficit would increase by

another \$50,000-\$60,000.

In addressing Gorder's comments, board member Perry Ankerson said, "If we do absolutely nothing, no increases in any expenditures for next year, we will have to increase the 1989-90 levy by at least 4.5% just to meet this year's

budget."

Ankerson asked Gorder, "If we held expenditures to 5%, a \$370,000 increase over this year, do we know how much we will get back from the state?" "We don't," said Gorder.

"If we look at teacher and [Continued on Page 5]

## Fred Miller Attends Reserve Officers Conference In Nation's Capital

Fred J. Miller of Kewaskum, joined representatives of every state, the District of Columbia and Europe at the Reserve Officers Association annual Mid-Winter Conference Jan. 23-25 in Washington, D.C.

More than 2,000 were present at the Washington Hilton Hotel Jan. 25 when Sen. John W. Warner (R.-Va.), former Secretary of the Navy, was honored at the ROA banquet and presented its Minuteman of the Year award for his contributions to national security.

Miller, a retired lieutenant colonel in the U.S. Army Reserve, assisted in making decisions about the 120,000-member ROA programs, projects, and positions, and discussed legislative strategies related to national defense and security.

Keynote speech for the opening of the three days was given by Vice Adm. C. Everett Koop, the Surgeon General of the U.S.

## Spring Primary Tuesday

## Grover Challenged in State School Superintendent's Race

By GERRY MUELLER  
Statesman Staff Writer

A spring primary election Tuesday, Feb. 21st, will narrow the field of candidates seeking the post of State Superintendent of Public Instruction.

Two-term incumbent Herbert J. Grover, 52, who has held the position since 1981, is being challenged by Arlyn Wollenburg, 67, a writer from White-water and I.W. Poehlman, 76, a semi-retired farmer from New London.

Wollenburg has made a second career out of running for public office. He has made four previous successful bids for the superintendent's job, in 1961, 1965, 1973 and 1977. He has also campaigned unsuccessfully four times for U.S. Senator, two times for Lieutenant Governor, once for State Senator and four times for State Representative.

Poehlman has also made two unsuccessful bids for the

superintendent's position in 1981 and 1985.

Statewide, there seems to be little concern over the outcome of the election. Should Wollenburg, however, move on to the general election and be elected superintendent, there is some question as to whether or not he would be allowed to serve in that post. According to the Wisconsin State Constitution, anyone convicted of an "infamous crime" is prohibited from holding a public office.

Wollenburg was convicted in 1964 of disorderly conduct and in 1974 of assaulting a police officer. A lawyer with the State Elections Board said it would not be decided whether those crimes were "infamous" until and if Wollenburg was elected.

The salary for the job of superintendent will increase from the present \$66,536, to \$72,337, with the start of the new term in July.

## Jeanette Gruber Chosen to Watch the Money Game 'Live'

Jeanette Gruber of Kewaskum is lucky enough to be a part of the first "Money Game" television show audience, which will be broadcast statewide Saturday, Feb. 25th.

The Wisconsin Lottery's new weekly show invites 60 qualifying ticket winners (three T.V. sets pictured), chosen from among 60,000 entrants, to participate for a chance to win up to \$50,000.

Each ticket winner received

\$100, and each of the 60 audience members is guaranteed a winning of at least \$300. In addition, five people will be chosen from the audience to play four rounds in the Money Game. The player with the most amount of money at the end of the game will play a bonus round in which they can win a grand prize of \$50,000.

Two more Fond du Lac area residents were also picked to join the 60-member audience - Allen Freund of Malone, and Peter P. Cappozzo, Eden.

The last of the Wisconsin Lottery's million dollar drawings will be televised February 18 and the 10 finalists have already been chosen from out of 242,229 entries. They have a chance to win up to \$1 million dollars.

The new game show has replaced the "Double Cash" game, and Lottery officials hope to have a new computerized lotto game in operation in the state by summer.

## CONG. SENSENBRENNER TO HOLD OFFICE HOURS HERE

Congressman F. James Sensenbrenner, Jr., will hold office hours in the area on Monday, Feb. 20. He will be at the Kewaskum Municipal Building starting at 3:00 p.m. and at the Campbellsport Village Hall at 3:45 p.m. If you have any problems involving federal agencies or any questions, feel free to stop in and ask your congressman.

## POST OFFICE HOURS ON WASHINGTON'S BIRTHDAY

The Kewaskum Post Office will be closed for window service on Monday, Feb. 20, Washington's Birthday, a legal holiday. The lobby will remain open for lock box patrons. There will be a dispatch of mail. There will be no rural delivery.

## MONDAY WILL BE AN EARLY RELEASE DATE FOR SCHOOL DISTRICT

# Board Delays Action On KHS Strength Coach

By GERRY MUELLER  
Statesman Staff Writer

The request of Athletic Director Perry Koth that the district hire a Strength Coach, an extra curricular position, at the high school, was tabled until more information and details are presented to the board on the specific duties and the need to have such a position.

Board member Neal Weare stressed he was not against the recommendation, however, he did feel the board should be more informed as to just what the job entailed and what the coach's responsibilities would be.

Board member Ruth Schmitt, who made a motion to approve the position, told Weare, after the job was approved, it would go to the Policy Committee for the purpose of writing a job description. Weare indicated that was basically his biggest objection. He felt a job description should come first, then the hiring of an individual to fill the position.

Basically the position would be designed to oversee the use of equipment by the general student population in the high school's weight room through supervised and properly structured training programs.

"On the face, it's a good idea," said Weare. "I just don't feel comfortable in some aspects of the proposal."

Fran Charland, who voiced his support of the proposal, said he could understand Weare's concerns about some of the various points, such as the district's liability. Charland noted several other schools in Kewaskum's conference and in the area have strength coaches and it would not be difficult to gather more detailed information on those programs and how they are working out.

Schmitt's motion was defeated and the issue tabled until more information and a job description is presented to the board.

In other action, the board accepted the resignation of Perry Koth as Athletic Director. The board also acknowledged the announcement of the retirement of science teacher Walt Bade at the end of the school year.

Administrator David Heather

advised the board that the district had received a donation of \$2,700 from the Kewaskum Elementary School PTO for the purpose of enlargement of a playground area adjacent to the administration offices building.

The Kewaskum Middle School also received approval to purchase new volleyball standards and equipment from student activity money.

Schmitt asked the board to support a resolution she was presenting directed to the Department of Transportation, requesting that a Highway 28 overpass over Highway 41, be constructed in the near future. Schmitt said the Village of Lomira had indicated its willingness to back Kewaskum on the resolution.

Schmitt said the intersection was extremely dangerous for school busses which must transport approximately 39 students daily from the west side of Highway 41, to school in Kewaskum.

George Allmann, who serves on the Washington County Jurisdictional Highway Committee, which was recently reinstated, suggested that the board and Schmitt direct their request to the committee. Allmann indicated it was the committee's duty to review, and make recommendations on such problems to the county.

Teacher Mary Ann Wagner

and Farmington Elementary School principal Tom Larsen gave a short presentation on a new study program being made available to the elementary schools entitled Kids-Kits (Kids Interest Discovery Studies). The program evolves around kits or boxes of learning materials which can contain a variety of learning materials from books to models, which allow youngsters, as a group and individually, to study a wide variety of extra curricular subjects.

The district presently has kits for the study of oceans, dinosaurs, sports and puppets.

Wagner said the teachers are hoping to expand the program to cover other areas of student interest. Parents are also invited to donate items or materials which can be used to construct kits.

Board member Clara Trapp

requested and received approval to attend the National School Board Convention which will be held in Anaheim during the period she is vacationing in California. The district will reimburse Trapp for registration fees and other actual expenses incurred in attending the convention. It will not include any funds for transportation.

The board then adjourned to closed session.

# Budget

[Continued from Page 2]

administrative salaries increasing \$200,000, health insurance costs up \$100,000 and a half-time administrative position at about \$12,000-\$15,000, that 5% increase is already gobbled up without any discretionary spending for materials and equipment," stated Ankerson. "We'll have to get half from God and the rest from the taxpayers which means a tax levy of 10%," said Ankerson.

In discussing the budget, Gordor told the board, "not many districts pay for large expenditures such as major repairs and equipment purchases through their budgets, long-term loans are used for those projects." Gordor said the district's present debt breaks down to about \$62 on a \$70,000 home "and that's very little debt for a school district."

Gordor told the board, "you could take roofing projects out of the budget and go with long-term debt."

"I'd be elated if you could keep the levy increase to 5%, but I don't know how you're

going to do it," said Ankerson, "and I'm not going to vote for a deficit budget."

Board member Clara Trapp commented, "three years ago the levy was about 20% and nobody said much about it." Gordor clarified those figures, noting the actual 1985-86 levy was 14.35% after a new formula to calculate tax credit payments was used.

Trapp asked Gordor how much was left in Fund Equity. Gordor estimated about \$1.150 million. "I don't think you want to go below \$1. million," said Gordor.

Board president Ralph Horner said he would be interested in looking into some alternatives. "Let's see what we could do with a State Trust Fund loan."

Heather again reiterated that he and Gordor would like some specific direction. "I wouldn't want to see a 10% increase," said Trapp.

Heather said he and Gordor would put some figures together for the March meeting on projects that could be undertaken by a long-term loan program. Preliminary figures for the rest of the budget should be together by the April meeting, he noted.

# Update On Local Jail and Bail

The American Cancer Society fundraiser is rapidly approaching its scheduled date of March 1st and 2nd, to be held at the Honeck Chevrolet showroom. We are in need of volunteers to serve as clerks, bailiffs, judges and also to provide transportation to and from the jail. Anyone

who is interested can call 626-2380 to set up a time schedule.

We would like to thank the following area businesses who have pledged their time and or services: Honeck Chevrolet, Kewaskum Statesman, Shefond Mobil, Regal Ware, Valley Bank, Kewaskum Veterinary Clinic, Grande Cheese and

AMPI. In order for this important event to be a success we need more community support and involvement. We can all help make this a success!

# VOCATIONAL EDUCATION WEEK

February 13 - 20

Kewaskum High School's Future Homemakers of America

Glen Neuman, Co-op Student

Kewaskum High School's Future Business Leaders of America

Dawn Troeller, Co-op Student

Kewaskum High School's Junior Class of Future Farmers of America

Kewaskum High School has four departments that comprise the vocational area, agriculture, business, family and consumer education, and technology education departments. Each department undergoes an evaluation every five years, which is monitored by the Vocational Coordinator and the department heads. Kewaskum's vocational area is eligible for federal funds through the Carl Perkins Act. Last year the act provided about \$18,000 to help update the present

vocational areas.

The agriculture department in recent years has modified and expanded the curriculum. The strong traditional approach to studying agriculture has been preserved while including new areas such as wildlife, genetics, mechanics and computer usage. The department has a strong student organization in the Future Farmers of America (FFA), with about 120 members. Various teams representing Kewaskum have done quite well at the state and

national levels. They have several fund raisers during the year which includes the fruit sale, the rabies clinic and don't forget to stop in the dairy building at the state fair to purchase a sundae from their booth.

The business department has undergone quite a few changes in recent years. Most notable would be the replacement of typewriters with computers. All classes in the business curriculum utilize the computers in some form or

another. The department strives to develop competent, aggressive business skills within each individual enrolled. In recent years the department has offered a co-op for individuals interested in furthering their skills in the world of work. The student organization (FBLA) Future Business Leaders of America is an active part of the business department. The Key Club (Kiwanis) is another student organization that is offered through the business department.

Family and consumer education department has undergone a name change from the traditional home economics department. The department is attracting more and more males as the curriculum expands. A variety of lifestyles in today's world requires a variety of skills, which can be acquired in our family and consumer education department. This department also offers a co-op which serves the advanced students. The student organization which

serves the high school is Future Homemakers of America and Health Education Related Occupations. (FHA-HERO).

The technology department trains the young people interested in learning a skill or understanding the many advancements in our industrial world. The curriculum has expanded to include transportation, power, energy, mass production, with computer utilization in each class. The construction class has constructed many different projects in the school - the display cases, the storage area for the gymnastics equipment, the new graphics room, the pole shed next to the middle school and much more. The technology department also utilizes the co-op approach to serve their advanced students.

A video tape is available expanding on each vocational area, through the Kewaskum High School guidance department.

# Proclamation

## VOCATIONAL EDUCATION WEEK

February 12-18, 1989

**WHEREAS**, the Village of Kewaskum recognizes the importance of vocational and technical education today in providing opportunities for citizens to put their knowledge and skills to work in a chosen occupation; and

**WHEREAS**, vocational and technical education programs at such schools as Moraine Park Technical College provide skilled and well-educated workers for business, industry, and agriculture, and help communities retrain their work force and build their economic vitality; and

**WHEREAS**, in a typical year, the majority of Moraine Park graduates find work in the field of their training, with more than 90 percent staying in Wisconsin to promote the state's well-being; and

**WHEREAS**, the Moraine Park Vocational Association, in conjunction with the American Vocational Association, has established the theme "Vocational Education: Building Tomorrow's Leaders" and is supported by business, industry, and the agricultural community in this endeavor.

**WE, THEREFORE**, on behalf of the Village Board of the Village of Kewaskum, hereby proclaim February 12-18, 1989 as "Vocational Education Week" in the Village of Kewaskum, and urge all citizens to participate in its activities and become better acquainted with the services and benefits offered by the vocational, technical and adult education programs in this area.

**IN WITNESS WHEREOF**, I have hereunto set my hand and caused the seal of the Village of Kewaskum to be affixed this 6th day of February, 1989.

Mrs. Milton (Valeria) Legate, 23 of 358 Budd St., Hartford, a resident of R. 2, Kewaskum, until recently was fatally injured Sunday night in an accident on Hwy. 33, about 1½ miles west of West Bend. The fatality was the first for 1964 on highways in Washington County.

Injured in the crash was Mrs. Legate's husband Milton 31. Authorities had difficulties in reconstructing the circumstances of the crash because of the condition of Mr. Legate.

Authorities said they were investigating to determine who was driving the car. Mrs. Legate apparently was pinned in the front seat of the auto. Legate, it was reported, apparently was thrown from the car, landing in the ditch just to the east of the vehicle.

Badger Council Eagle Scouts were honored at the Congregational church in Waupun last Thursday night. Those honored included James Manthei, Joel Fehlhaber and David Teeselink of Kewaskum.

The Kewaskum FFA and FHA chapters sponsored a dance with the theme "Winter Wonderland" on Saturday, Feb. 8, at the high school.

Selected as queen was Betty Schwinn and George Jones as king. The court included Linda Rossow, Joe Odermann, Joyce Bruesel, Mark Kral, Peggy Rodenkirch, Joe Key, Corrine Reysen and George Hiller.

Kenneth Ramthun, Kewaskum High School student, was removed to his rural West Bend home with a head injury suffered in a mishap at the high school.

Daughters were born to Mr. and Mrs. Andrew Pesch on Feb. 1, and Mr. & Mrs. Arthur Schalles on Sunday, Feb. 9. A son was born to Mr. and Mrs. John Kudek on Monday, Feb. 10. A son was also born to Mr. and Mrs. Norman Straub on Tuesday, Feb. 11.

Mr. and Mrs. John Biertzer, West Bend, announce the engagement of their daughter Mary Ann, to LeRoy Schultz, son of Mrs. Frank Landgraf of Allenton and the late LeRoy Schultz of Kewaskum.

Bill Koepke, son of Mr. and Mrs. Carnel Koepke, Kewaskum, won his second athletic letter in cross country at Wisconsin State College and Institute of Technology at Platteville, Wis.

Feb. 17, 1939

Apparently experiencing motor trouble with the stolen auto they were driving, thieves last Saturday night abandoned the car near the Albert Kocher farm on highway 55, south of the village, just over the Kewaskum hill, and walked into town where they succeeded in stealing another car owned by E.E. Skaliskey of this village, Washington county agent.

Residents of the village traveling the highway reported seeing the abandoned car, a 1934 Graham-Paige, in the ditch as early as 8 p.m. Saturday. Mr. Skaliskey's 1937 tudor Ford V-8 is believed to have been stolen a couple hours later.

Seeking other means of transportation after abandoning the car, the culprits went on foot in search of another auto. Not far from the scene they attempted first to take a car at the Christian Backhaus farm, but were frightened away. In the village they entered the garage of principal Clifford Rose. They pushed his car out of the driveway but failed to get it started and it was left in the street. Their next attempts were made at the large garage to the rear of the John Marx IGA store, which is divided into individual garages. A lock on the garage containing the auto owned by Harry Furlong, was broken, along with a lock on the car door but still they were unable to enter it and gave up. Their next attempt of stealing Mr. Skaliskey's Ford was successful. The tank was filled with gasoline as Mr. Skaliskey had planned to take a trip on Sunday. No trace of the car has been found.

It is sad indeed, to record the death of John F. Schaefer, one of Kewaskum's most prominent businessmen and citizens. John passed away suddenly at his home Friday, Feb. 10, of a heart attack. Mr. Schaefer had reached the age of 53 years and 22 days.

William F. Schulz, 51, who operated a store in the neighboring village of New Prospect for a number of years passed away Sunday, Feb. 12, following an extended illness of 15 years.

A well known resident of Beechwood, Herman Krahn,

89, father of Charles Krahn, Kewaskum, passed away Monday, Feb. 13.

Kilian Strobel a former resident of St. Kilian, passed away at his home in West Bend, Wednesday, Feb. 15. He was a retired carpenter contractor.

## 75 Years Ago

Feb. 14, 1914

Thomas, the fifteen months old son of Mr. and Mrs. Wm. Calvey, town of Osceola, met death in a most tragic manner at their home Saturday. The little boy died from drinking a mixture that was being used over a lamp in the treatment of whooping cough.

Mrs. Calvey's sister, Mrs. T. Blackmore and her little daughter were visiting the Calvey home. The little girl was ill with whooping cough. One of the treatments was to heat the mixture over a lamp so the child could breathe the vapors.

Mrs. Blackmore left the room for an instant, leaving a cup of the prepared mixture on a table. The little Calvey boy took the cup and drank the contents.

Mrs. John Haug, nee Bohnacker, of the town of Auburn, passed away at her home Monday, after an illness of four years with tuberculosis. Deceased had reached the age of 25 years, 8 months and 19 days.

Theodore Schmidt, who for the past eight months has held the position as associate editor of the Statesman, has tendered his resignation to take effect at once. He has accepted a position with his father in the Kewaskum Mutual Insurance office.

Mr. Schmidt will be succeeded in the Statesman office as associate editor by Donald Harbeck, at present foreman of the printing plant. Mr. Harbeck will also have charge of the mechanical part of the plant as heretofore.

Again the death angel visited Boltonville, claiming this time little Delilah Dettmann, oldest daughter of Mr. and Mrs. Robert Dettmann. Delilah passed away last Friday after a sickness of less than 24 hours. The little girl was but four years of age.

## Turkey Permits Mailed; Special Hunting Clinics Underway Soon

MADISON, WI — The 1989 Turkey Hunter Education Clinics are underway throughout Wisconsin as hunters prepare for the seventh wild turkey season in the state, Ed Frank, Department of Natural Resources wildlife specialist said.

The free clinics, numbering some 69 statewide, are jointly sponsored during February and March by the Wisconsin Department of Natural Resources and the Wisconsin Wild Turkey Federation. These clinics are not to be confused with 16 seminars for experienced turkey hunters being presented in early March by the authors of the book *Turkey Hunting Secrets*.

First-time hunters and those interested in becoming turkey hunters are urged to attend the free clinics, which last from three to four hours. The clinics will teach hunters how to hunt wild turkeys in a safe, ethical and successful manner. Each person attending will receive a Wisconsin Turkey Hunter's Guide, which summarizes information presented at the clinics. Advanced reservations are not required to attend these free clinics.

Clinics will be held in Washington County on Saturday, Feb. 18, 11 a.m. at the Kettle Moraine Bowl, Slinger and on Wednesday, Feb. 22, 6:30 p.m. at the UW Center - West Bend, 400 University Dr., Room M201, Lecture Hall. For more information, contact Dale Katsma, 414-892-8756.

A clinic will be held in Fond du Lac County on Thursday, Feb. 23, 6:30 p.m. at Dutch's Trading Post, 258 North Main, Fond du Lac. For more information, contact Jim Cahill, 414-235-6854.

Turkey hunting in Wisconsin is allowed by permit only. All the successful applicants have been selected and their permits were mailed by February 3.

"The department got more than 33,000 applications for the 21,280 turkey permits available for the 1989 spring hunting season," Frank said. "The four hunting periods run April 19-23, April 26-30, May 3-7 and May 10-14. There are 16 hunting zones."

The majority of land within turkey hunting zones is privately owned. Wisconsin landowners have been very considerate of sportsmen who ask permission to hunt.

"All hunters are encouraged to scout their hunting territory well in advance of the season and obtain permission to hunt on private lands," Frank added. "Pre-season scouting is strongly correlated with success in bagging a wild turkey in Wisconsin."

A current year Wisconsin Wild Turkey Stamp (\$13.75) is required to be attached to the individuals hunting license and must be in possession while hunting turkeys. Senior Citizen Recreation Card holders, first-year Wisconsin hunter education course graduates and military licensees do not need this stamp.

## Associate Director of UWWC To Visit Area High Schools

Jan Ford, associate director of student services at the UW Center - Washington County, will visit 19 area high schools between Feb. 20 and Mar. 2. She will talk with students interested in attending UWWC and provide information about academics, student activities, financial aids, admissions and other areas of interest.

Ford said that she will be at each high school about an hour. At some schools she will meet with a large group of students; at others, students will talk with her on a drop-in basis.

Along with the visits, Ford has scheduled two spring college workshops at UWWC for students and parents. The program will provide general information on choosing the college most suited to a particular individual.

High school visits are scheduled for Monday through Thursday on two successive

weeks. Included in the schedule are the following schools:

Tuesday, Feb. 21 - Horicon 9:15 a.m., Mayville 10:45 a.m., Lomira 1 p.m., and Campbell-sport 2:10 p.m.

Wednesday, Feb. 22 - Hustisford 9 a.m., Hartford 11 a.m. and Slinger 1 p.m.

Thursday, Feb. 23 - Kewaskum 8:30 a.m., Ozaukee High School at Fredonia 10:45 a.m.

Tuesday, Feb. 28 - West Bend at 9:15 a.m.

A visit to Kettle Moraine Lutheran High School is still to be arranged.

For more information, contact the UWWC student services office in West Bend at 338-5201.

## Minutes of Village Board Meeting

Regular Meeting  
February 6, 1989  
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular session in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. Trustee Howard Laubenstein called and indicated he would arrive a few minutes late; he arrived at 8:05 p.m. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Charles Boegel, seconded by Mary Krueger and unanimously carried by voice vote, the Board approved the minutes of January 16, 1989 as printed.

On a motion by Trustee Richard Schlice, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board authorized advertising for a part-time summer intern employee for the Water Pollution Control Department.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board authorized advertising for a part-time summer employee for the Department of Public Works.

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board as follows:

1. Reviewed the Balance Control sheet for the month ending December 31, 1988.
2. Reviewed some points discussed in the Legislative Bulletin.
3. Reviewed proposed law changes on land fills and the effects on the Village.
4. Review of some brief correspondence.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General Fund	\$425,805.59
Sewage Fund	131,292.83
Water Fund	170,172.40
	<u>\$727,270.82</u>

(#10609 thru #10848)  
(#4824 thru #4850)  
(#5243 thru #5260)

Trustee Thomas McElhatton informed the Board of a Park and Recreation Committee Meeting scheduled for February 20, 1989.

Trustee Howard Laubenstein informed the Board of the possibility of a Plan Commission meeting for the 21 or 28 of February, 1989.

Trustee Kenneth Bonlender, the Library Board Representative, informed the Board of some donations to the Library. Also, that the Library Board would be meeting to interview applicants for the Library Aid position on February 21, 1989 at 6:00 p.m. The Administrative Committee will be invited to attend.

Trustee Mary Krueger informed the Board of the County Incineration meeting which was held on February 1, 1989 and reviewed what is to be the next step.

Trustee Kenneth Bonlender informed the Board the County-wide Library Board received a report from the Counties Corporation Counsel indicating the accounting of Library Funds by the Municipalities is OK and meets compliance.

The Board was reminded to review village sidewalks in need of repair and replacement so when the construction season arrives, the projects may proceed.

Trustee Howard Laubenstein asked to have the Street Light proposal for Lind De Lane tabled until a future meeting.

Village Attorney Gerald Kiefer and Village Insurance Agent, Gene Bohn were present to discuss the memorandum of Agreement and follow up documents needed to proceed with the Soft Ball Association Project. The Attorney, Administrator and Park and Recreation Chairman will meet with the Association to review the information before the next meeting. It was so noted no workers liability/workers compensation cover is being provided because of all volunteers doing the work. There will be no Ball Player coverage or Liquor Liability either.

Action was taken on Resolution No. 89-2 on Compliance Maintenance for the Water Pollution Control Department, as attached hereto:

Action was taken on a Proclamation for Vocation Education Week, as attached hereto:

On a motion by Trustee Mary Krueger, seconded by Richard Schlice and

unanimously carried by voice vote, the Board authorized the purchase and installation of an emergency warning siren from Oshkosh Fire Equipment at a cost of \$6,618 plus pole, electric and telephone line. This was the low quote and for a Ten-horn siren rather than the revolving siren at a cost of \$8,925 plus pole, electric and telephone line.

On a motion by Trustee Charles Boegel, seconded by Trustee Kenneth Bonlender to adjourn to closed session under Chapter 19.85 (1)(c) of the Statutes to discuss employment, promotion, compensation, and performance data of village employees over which the governmental body has jurisdiction and Chapter 19.85 (1)(e) of the Statutes to deliberate and negotiate the disposition of public lands. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was passed by the majority.

Daniel S. Schmidt  
Administrator

**FACSIMILE BALLOT NOTICE  
OF SPRING PRIMARY ELECTION  
FEBRUARY 21, 1989**

OFFICE OF THE WASHINGTON COUNTY CLERK  
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a nonpartisan primary election to be held in the several wards in the County of Washington, on the 21st day of February, 1989, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column.

**INFORMATION TO ELECTORS**

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the nonpartisan primary, the elector shall make a punch or a hole at the right of the candidate's name, or, depress the button or lever next to the candidate's name for each office for whom he or she intends to vote, or insert or write in the name of the candidate of his or her choice on the ballot envelope provided or in the space provided.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in punching or marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the booth or machine, deposit the envelope containing his or her ballot in the ballot box, or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. # Indian Girls Blow Away Chilton

by Janel Flynn

Last Tuesday the Indians hosted the Chilton Tigers. Both Varsity and J.V. played a tough defensive game - agreed by both Milt Dickinsen and Keith Amundson.

In the first quarter the Varsity pulled out ahead with 13 points while allowing the Tigers only two. In the second stanza they added another 17, leaving the score at intermission, 30-10. In the second half the Indians kept the pace by adding another 22 points leaving the final score 52-30.

Highlights were Jenny Schneider leading the way with 16 points, eight steals, and six assists. Following close behind was Pam Osterbrink with 14 points and five steals.

Coach Keith Amundson said, "The J.V.'s played a super game!" The halftime score was 20-5, holding Chilton to only three points in the second half. This gave the Indians a sure win of a score of 42-8.

Great performances were given to Tracey Steinert with 12 points and seven rebounds. Amy Chesak and Kelly Rohlinger both followed close behind with 10 points a piece. Janel Flynn and Laurie Vogt had four and three assists respectively.

Wenarski with a personal best of 8.35, 3rd place Chris Ramthun with 7.8 also a personal best.

# Express Delivers Win Over Kewaskum

KEWASKUM — The Oconomowoc Express held on for a 133-130 victory over the Kewaskum Lakes team here Sunday night to retain a show of first place at 9-1. The loss snapped Kewaskum's modest two-game winning streak and left them in a tie for fourth place at 3-7.

The game was a seesaw affair. Kewaskum jumped out to a 33-28 lead at the quarter and maintained that margin at halftime, 69-64. The Express turned the game around with a 40-20 third quarter to lead 104-89. Kewaskum came storming back with a 41-29 fourth quarter but came up a little short.

Neither team shot well from the line, with Oconomowoc making 13 of 27 for 48.1 percent and Kewaskum 16 of 26 for 61.5%. Kewaskum blew a golden opportunity with two minutes left when, trailing by three, they missed three consecutive free throws.

Manager Cole Braun led Oconomowoc in scoring with 43 points. Craig Marshall added 23 and Andy Walters 22. Bill Albrecht led Kewaskum with 33. Tony Pirozzoli was close behind with 30 and Mike Goldsworthy had 18.

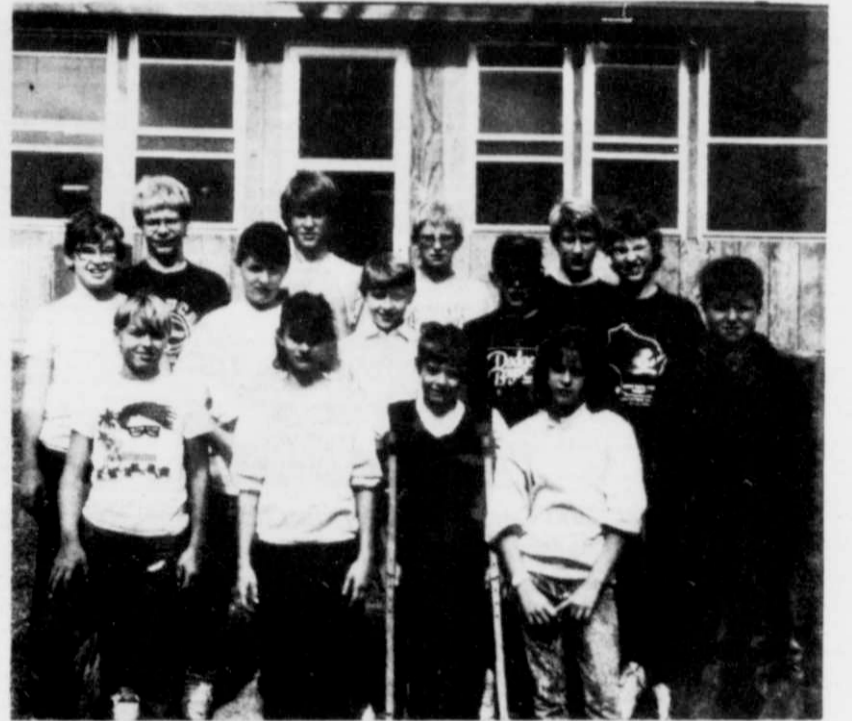

Kewaskum has a key game with Menomonee Falls, just above them in the standings, this Sunday at the Kewaskum High field house. Game time is 7:00 p.m.

**Kewaskum** — Pirozzoli 13, 3-5, 4; Goldsworthy 7, 0-1, 3; Jensen 7, 2-3, 4; Backhaus 3, 1-2, 2; Albrecht 11, 9-13, 4; Peci 3, 1-2, 1; Lehman 3, 0-0, 6; Neja 5, 0-0, 5. Totals 52, 16-26, 29.

# DIABETICS NO FISH OIL

As Omega - 3 fish oil supplements help to reduce cholesterol levels, it was hoped to be beneficial for diabetics whose arteries are prone to become choked with thick cholesterol deposits. Sadly, Medical World News reports that Omega - 3 oils tend to decrease the amount of insulin the body can produce in response to food - the result is higher blood sugar levels after meals. Until more is known of this affect, it is safer for diabetics not to take fish oil capsules at all.

## Indian Matmen Take 3rd in Regional

Bob Castro, Kewaskum, up against Kevin Pierret, Campbellsport, in the championship match at the regional held last Saturday. Bob decisioned Kevin 7-1 to take first.

In the wrestleback, Chris Charland, Kewaskum, took second place at the regional by pinning Steve Jane of Slinger in 2:13.

Regional champs, left to right, Chad Schmidt at 145, Dan Heisdorf at 140, Bob Castro at 119 and Dennis Aupperle at HWT.

The Kewaskum Indian matmen placed a strong third in their regional at Sheboygan Falls with 125 pts. The defending champion Campbellsport cougars came in second with 159, and the champions were Random Lake with 169. Other teams who competed were Sheboygan Falls, fourth with 76.5 pts., Slinger with 69, Howards Grove 59 and Brown Deer with 55 in last place.

The Indians walked away having the most individual champions, 4 out of all the teams competing. They were Bob Castro at 119, Dan Heisdorf at 140, Chad Schmidt at 145 and Dennis Aupperle at 275.

Bob Castro had a bye the first round, then pinned Peter Hurth of Random Lake in 1:47. In the finals he faced Kevin Pierret from Campbellsport who had a record of 22-6. Bob decisioned him 7-1 to win his second regional title.

Dan Heisdorf drew a bye the first round, then pinned Mark

defeated him 6-1 for his first regional title.

Dennis Aupperle pinned Paul Habuck of Random Lake in the first round, in :37 seconds. In the semi-finals he pinned Shawn Martin of Howards Grove in :29. In the finals he defeated Tom Williams of Slinger 7-3.

Chris Charland placed a strong second behind Gary Depies in a tough 152 pound weight class where every wrestlers had a seedable record. In the first round Chris defeated Jason Cherveney of Sheboygan Falls 10-2, then in the second round he lost to the eventual champ Gary Depies 10-2. In the finals Chris had to hope Depies would defeat undefeated Steve Janz of Slinger. Janz had pinned Depies earlier this year so it didn't look promising. Depies came through, pinning Janz in 3:58. Charland technical failed Pat Lindsley of Campbellsport to get a wrestleback for second. Chris drew Steve Janz of Slinger, earlier in the year Charland lost to Janz 7-4. But this time it was all Charland pinning him in 3:38.

Other wrestlers doing well were Jeff Sabish and Dave Kuphal placing third.

This Saturday the Indians compete in sectional action at Edgerton, wrestling starts at 10:30.

## Indians Lose Two On the Road

After their best all-around showing the Kewaskum team had all season, the Indians took to the road, only to return home with two disappointing losses.

On Tuesday, the Indians traveled to Mayville only to come home with a 49-37 loss. Both teams started out slow and 1st quarter action ended in a 9-9 tie. Then came the second quarter which Mayville controlled as their team pumped in 21 points to Kewaskum's five. At half-time Kewaskum was looking at a 16 point deficit with a 30-14 score.

Although Steve Gerhartz led the Indians with a strong second half showing, he had no help as he ended the game with 20 points. Indian's next high scorers only contributed four points. Said Coach Schatz, "It was a disappointing loss, especially considering how well we played on Friday." Mayville's team had balanced scoring with Keith and Milz being high with 13 and 12 points respectively.

On Friday, our Indian team traveled to Chilton to take on the Tigers on their home turf. The Tigers came out growling and poured in 17 points in the 1st quarter to Kewaskum's 10. By half-time the score had spread to 35-23 despite the tough underneath board efforts of Indian big man Mike Ciriacks, who ended up with 14 rebounds on the night.

Third quarter, our Indians at least put on their "trade-marked" third quarter spark and popped in 20 points to close the gap to 43 - 46 and it looked like a victory would be possible, but in
