Appointment Made to Unexpired Trustee Term Village Board Tables Action On Elder Care Rezoning Request

By GERRY MUELLER
Statesman Staff Writer

After considerable discussion by the Kewaskum Village Board and comments from the floor, the trustees Monday night, decided to table action on both a rezoning request and conditional use permit for Wisconsin Elder Care, Inc.

The corporation is seeking the re-zoning which would allow it to convert the property at 1139 Fond du Lac Avenue (Thee Avenue Restaurant) into a 'Community Based Residential Care Facility' (CBRF) which would house up to eight individuals with a minimum age of 57.

A CBRF is designed to provide 24-hour service and monitoring for individuals who require assistance with daily needs such as meal preparation, personal care and can no longer live alone but yet they do not need the extensive services of a nursing home.

Several of the trustees expressed varying concerns as to whether the property was suited for such a facility. Tom McElhatton questioned the lack of yard and recreational space. Mary Krueger asked whether Scott and Joan Hayes (of Wisconsin Elder Care) had taken into full consideration the traffic and noise resulting from the neighboring gas station which is open 24 hours a day. Ken Bonlender said he was not

ready to change the property's zoning from business to residential. He still felt a retail business could operate successfully at that location.

Krueger asked Village Administrator Dan Schmidt if there had been any comments from neighboring property owners. "There have been mixed emotions," said Schmidt.

Dick Laubach, whose property borders Thee Avenue to the south, questioned how the rezoning would affect other businesses on the street as far as zoning in the future. Schmidt said the proposed change should not have any affect on neighboring businesses.

Because two trustees were missing, Bonlender suggested action on the requests be tabled until the full board was present. Those two votes could make a difference, noted Bonlender, because you already know how I'll vote on this request.

Schmidt was asked what the Plan Commission's recommendation had been on the requests. He noted it had made its formal recommendation "with reservations," noting some of the same concerns as addressed by the trustees. Krueger told fellow board members, "I attended that commission meeting and there was a lengthy discussion on this request."

In concluding the discussion the board voted to table action on the requests until its May 15th meeting.

The board then briefly reviewed the status of the Capital Improvements sidewalk rehabilitation program. Schmidt advised the trustees that all the maps returned show the areas targets for repair and replacement in the first phase of rehabilitation centered around the core area of the village, specifically Main Street, First, Second, etc., near businesses, churches and schools.

Schmidt said the next step would be drawing up of a preliminary resolution covering the properties involved and then going ahead with a public hearing. He noted just how much work could be done would be governed by the cost. Schmidt said \$36,000 has been budgeted for sidewalk repairs this year.

Schmidt was then asked who should be assigned the job of inspecting and marking the sidewalks which need work. The board decided to delegate that responsibility to Public Works Superintendent Augie Bilgo. Schmidt volunteered to assist Bilgo. "I'm the one who is going to end up talking to all these people," said Schmidt, "so if I check them personally, I can tell these people firsthand

Regal Signs Joint Venture In Venezuela

Kewaskum, Wis. — Regal Ware, Inc. has signed a joint venture agreement with InOxven, C.A. for the manufacture and marketing of rangetop cookware. The new company, located in Caracas, Venezuela, will be named Regal International of Venezuela C.A. The agreement was signed April 24 by Regal Ware President, James D. Reigle and Jose Luis Montero, President of InOxven, C.A., at a formal dinner in Caracas.

Regal International of Venezuela, C.A. will initially manufacture several lines of cast aluminum cookware for distribution through the retail and direct sales trade in Venezuela and other Andean Pact nations. Production of drawn aluminum rangetop cookware will follow with additional lines and items being added as required to meet the market demands. Plans are already underway to pursue the export market.

The Montero family will assume responsibility for the day-to-day operations of the new company. Ownership is split 51 percent InOxven, 49 percent Regal Ware. The manufacturing site is a recently constructed 50,000 square-foot two-story building. Initially the company will employ

approximately 25 production workers.

Regal Ware President James D. Reigle stated, "We believe this new venture creates a unique opportunity in the Latin American market which we have targeted for special attention in both manufacturing and sales. The exchange of information and technology should be beneficial to all parties."

InOxven, C.A. is a family-owned company that has been in business for forty years. In 1966 the company began manufacturing stainless steel sinks and today it supplies eighty percent of that market. Other product lines include hardware, tools, stainless steel cookware and hardware for the building and construction trade.

Regal Ware, Inc. is a privately-held housewares manufacturer with corporate offices in Kewaskum, Wisconsin. In business since 1945, Regal products are marketed throughout the United States and Canada, and in most countries of the Western world. Currently it has manufacturing divisions in Wooster, Ohio; Virginia Beach, Virginia; Jacksonville, Arkansas; Orangeville, Ontario, Canada and Bogota, Colombia, S.A.

School Board Approves Layoff Notices

By GERRY MUELLER
Statesman Staff Writer

At a special meeting Monday night, the Kewaskum Board of Education approved the issuance of preliminary layoff notices to six individuals as part of its continuing effort to reduce 1989-90 budget costs.

Those affected by the board's action include Mrs. Lynn Rempelman - full time position in the Guidance Department, Mrs. Leslie Seefeldt - whose contract had been extended to a full time Middle School teaching position for 1989-90, Mrs. Lori Telschow - full time high school English teaching position, Mrs. Christine Beerends - Chapter I part time position, Mrs. Carol Zoerb - part time Gifted and Talented program coordinator, and Mrs. Karen Duren - part time extended Kindergarten program.

Those staffing reductions,

along with reductions in teacher contracts for overload classes, represent a reduction of approximately \$186,000 in the areas of salaries and benefits. Unemployment payments, however, could reduce that savings by up to \$20,000, for a net budget cut of about \$166,000.

The reduction of one teaching

position at the high school due to a retirement was not placed in the 1989-90 budget so it had no affect on the \$186,000 figure.

The staffing cuts, as presented Monday night, meet the goal of reducing staffing by approximately 6.1 full time equivalent positions as set by the board at its special meeting April 24th.

Bernie Hafemann Fund Set Up at Valley Bank

The AAL of Pelican Lake is sponsoring a benefit dinner for Bernie Hafemann, who has been seriously ill the past two years. Any donations may be sent to Valley Bank, Kewaskum, by May 16. Checks can be made payable to AAL, Branch 734, and can also be deposited at Valley Bank.

AAL will match the donations received.

If anyone is interested in attending the dinner, it will be held at Pelican Lake Supper Club on May 21, at 5:00 o'clock with entertainment to follow. The cost of the dinner only is \$6.00. Tickets for the dinner can be obtained by calling his sister, Bea Landvatter, 334-4390.

The Hafemanns are natives of Kewaskum.

KHS Forensics Team Brings Home 'The Gold'

The KHS Forensic team brought home the "best scores ever recorded by a Kewaskum team at the State Meet" and Coach Barb York was more than pleased.

Five forensic team members brought home the "gold" which is the critic's choice award with a perfect score of 25. They were junior John Hazlewood, senior Gina Olmsted, and sophomore Curt Ammel in the "play-acting" category doing "A Marriage Proposal," sophomore Brenda Behling in the storytelling category with a selection entitled, "Pancho Villa and the Devil," and freshman Stacey Pamperin with a prose reading of "The Scarlet Ibis."

Silver medal honors or "all state" awards went to Shannon McFadden and Jill Peterson with their group interpretation reading of "Lisa and Lottie," and Dana Neuser in the original oratory category with a

memorized selection on "Bulemia."

Bronze medals were awarded to the following forensic members; Erin Hein, category Farrago, reading "If Only It Could Have Been," Kim Petrie, Shawn Erdmann, Yvonne Amerling, Matt Gruss, and Stephanie Gildemeister, category - group interpretation reading of "Three Swine of Most Small Stature," Jennifer Brigham, category poetry reading who used a selection of Ogden Nash poems, Becky Manthei, category prose reading of "I fall in Love," Denise Hlavaty, original prose reading entitled, "Have Attitude, Will Antagonize," Heidi Gruhle, memorized solo acting of selection "Eloise," and Nicole Doherty in the same category with a selection entitled "From Mother, With Love."

Earning certificates in the

Kewaskum United Way Merges With County Organization

The United Way of Kewaskum and the United Way of Washington County announced today the completion of a merger between the two charitable organizations.

Dennis Connor, President of the Kewaskum United Way, and Dan Holtan, President of the United Way of Washington County, signed the merger papers this week after several months of negotiations on the combining of the two organizations.

Connor said that the Kewaskum Board decided on the merger so that the professional services offered by the United Way of Washington County could be brought to bear on future Kewaskum drives. "We have done a great job in the past with a total volunteer effort, and we expect to do even better by combining the strong volunteer efforts in Kewaskum with the support of professionals in the United Way activities." Connor pointed out that many of the charitable organizations supported by the Kewaskum United Way are already supported by the United Way of Washington County as well.

"But there are several agencies unique to Kewaskum that will continue to receive separate support from the United Way of Washington County," he said.

"In fact, we expect to raise more money for the Kewaskum agencies with the new arrangements," he said.

Holtan said he welcomed the entry of the Kewaskum community into the larger organization and predicted that the merger would yield good results both for fundraising and for support of the agencies serving Kewaskum and the rest of Washington County.

Last year, the Washington County United Way merged

with the Hartford United Way. With the addition of Kewaskum, only the Germantown area is not involved in the county-wide effort. Germantown remains part of the Greater Milwaukee United Way.

United Way of Washington County now serves 37 agencies including nine individual agencies in Hartford and three individual agencies in Kewaskum. The separate agencies in Kewaskum that will be served are Kewaskum Blood Bank, Kewaskum Special Olympics, and Kewaskum AFS.

The vote by the Board of Directors of the Kewaskum United Way was unanimous. The board includes: Gene Akin, Mary Ann Secor, Darlene Tessar, Ron Beimborn, William Lickle, Ruth Ramel, Dr. Dennis Connor, Gerald Gosa, Judy Harlow, Gerald Koch, Larry Martin, Margaret McFadden, John Schulte.

Three positions on the board of the United Way of Washington County will be filled by Kewaskum people. Three Hartford people were added to the board last year.

Connor and Holtan said that the timing of the merger was good because it will allow plenty of time to get organized for the United Way drive that kicks off on September 9, 1989.

There will be a chairman for the Kewaskum part of the drive, just as there is a chairman for the Hartford portion. There are also separate drive chairmen for Slinger, Jackson, Newburg, and Allenton.

James Reigle, President/CEO of Regal Ware, Inc., a long-time supporter of the Kewaskum drive, commented that the merger was an idea that had been in the works for several years and represented a pulling together of the many strong parts of the Washington County community. He said

that Regal Ware was fully behind the consolidation.

Judie Lewis, acting Executive Director of the United Way of Washington County, said that work would begin immediately to learn the needs of the Kewaskum agencies and to understand how the fund-raising has worked in the past in Kewaskum.

Kewaskum raised about \$30,000 last year. The surplus monies in the Kewaskum United Way treasury were donated to the Kewaskum High School Scholarship Fund, KEYS.

Village

(Continued from Page 1)

exactly why their walks have been marked for repair."

In other action the board reviewed three applications for the unexpired term of Howard Laubenstein. On a secret written ballot then an open vote, the board chose to appoint Larry Williams. The other two applicants were Gary Gavin and Tom Tessar.

In other business the trustees approved the hiring of part time summer employes for the Parks, Public Works and Water Pollution Control Departments and board committee and commission assignments for the coming year. A bartender's license for Gerald Zorn and a building permit for construction of a garage to Robert Staehler were also approved.

Forensics

(Continued from Page 1)

meet were Pam Gauger with her four minute, original, memorized selection on "Envy" and Nancy Neumann with her solo acting, memorized selection entitled "Stone Age versus Rock Age."

Commented Coach York on the season, "We really had a quality team that was also hard working." She was happy with the fact that 16 underclassmen will be returning next year. Overall she simply stated, "It's been a great year."

XYZ CLUB SKAT RESULTS

The winners on Wednesday, April 26, played by the Senior Citizens XYZ Club at the Legion Hall in Kewaskum were: Joe Miller, 25-2-23 net; Elmer Stange, 26-3-23 net; Francis Gilboy, 19-3-16 net; Harold Eggert, 17-3-14 net; Allen Reindl, Club Solo vs 4; Harold Eggert, Diamond Solo vs 4.

Sand Anyone?

New Law In Effect to Increase Driver's License Suspensions

The state Department of Transportation expects to suspend at least 35,000 more driver's licenses annually because of a new law which went into effect Monday, May 1, allowing municipal judges to order suspensions for people who don't pay forfeitures.

"It's going to be a real study in contrasts to suspend a license for up to five years for not paying the forfeiture for letting a dog run loose, which is a municipal violation, but only for six months for drunken driving," according to Joyce Gelderman, Driver Licensing Bureau director in the Division of Motor Vehicles (DMV).

The 35,000 suspensions for municipal ordinance violations will be in addition to more than 200,000 revocations and suspensions for other violations, including more than 60,000 for failing to pay traffic fines and forfeitures.

Norbert K. Anderson, DMV administrator, said the most troublesome aspect of the new law is that it tends to trivialize the value of a driver's license.

"It's dismaying to contemplate that in the next year, we may revoke or suspend one of every 14 licensed drivers," Anderson said. "That probably means that there will be a substantial increase in the number of people driving

without licenses," he added.

"The number of drivers under suspension or revocation doubled in the past five years," Anderson said. "Last year we revoked or suspended nearly 200,000 licenses, and a fourth of them had nothing at all to do with driving," he added.

Anderson said that until the 1970s, nearly all license suspensions and revocations involved moving traffic violations. "The point system was established in 1955 with a weighted scale assigning points based on the seriousness of the violation," he explained. "That approach was meaningful because it made very clear that driving was a privilege and safe driving an obligation," he said.

Recent studies found that loss of a driver's license was the most feared of all penalties for traffic violations. However, the more licensing sanctions are used for non-related purposes, the more indications there are that people simply drive without a license.

Gelderman said that operating while suspended or revoked is now the third most frequent reason for additional revocations. The most frequent reason last year was failing to pay a forfeiture, 60,244, followed by operating while intoxicated, which caused 31,597 revocations and

suspensions in 1988.

Gelderman said 10 years ago one in 62 drivers was suspended or revoked. In 1988 that figure was one in 17.

"We recognize that municipal courts have a serious problem with people who don't pay their forfeitures for non-traffic ordinance violations," Anderson said. "But we still believe that it will be detrimental in the long run to use the driver's license as a club to enforce these regulations," he concluded.

Band Offered at Elementary Level

Attention Parents! If you are the parent of a fifth grade student at Farmington, Wayne or Kewaskum Elementary School, it's time to consider enrolling your child in band.

Please attend a meeting at the middle school on Tuesday, May 9, at 7:00 p.m. Mr. Christie, the middle school band director, will explain the summer/fall band program and provide the opportunity for you to talk with a music store representative about instrument rentals.

If you have any questions, or can not attend, please contact Mr. Christie at the Middle School.

Red Cross Babysitting Classes Scheduled for Here and West Bend

The West Bend Red Cross has scheduled two Baby Sitting Classes. The Classes will be conducted in Kewaskum and West Bend. This is a certified Red Cross Course and students will be given Red Cross Baby Sitting Certificates upon successful completion.

The Baby Sitting Course teaches Baby Sitters to approach Baby Sitting as their first job. Know what is expected of them and what they expect in return. Learn the characteristics of each age group and know their ability to play, emotions, discipline. How to prevent accidents and some First Aid training to know what to do if an accident occurs. How to feed, diaper, and dress infants. How to handle emergency situations. The Do's and Don'ts of Baby Sitting.

The course is eight hours and the class schedules are as follows: Kewaskum: May 16th - 3:30 to 6:00 p.m.; May 23rd and 30th - 3:30 to 6:30 p.m.

The class will be conducted in the Community Room of the Municipal Bldg. at 206 1st St. Meri Lou Chambers is the Instructor.

West Bend: June 3rd, 8:30 to 4:30 at the West Bend Red

Cross Office at 422 Meadowbrook Dr. Elaine Shutes will be the Instructor.

To enroll in either of the classes, call the West Bend Red Cross Office at 334-5687.

1989 HOLY HILL SCOUT PILGRIMAGE SUNDAY

The 1989 Holy Hill Pilgrimage for families of Tiger Cubs, Cub Scouts, Boy Scouts, Varsity Scouts and Explorers of all faiths will be held Sunday, May 7. Flag bearers are to assemble in the church vestibule at 1:30 p.m.; Mass will be celebrated at 2:00 p.m. Holy Hill is located on Highway 167 8 miles West of Highway 41.

Scouts and Scout Leaders should wear their uniforms. Participants are encouraged to take a self-guided tour of the church and grounds, visit the outdoor Stations of the Cross, climb the Bell Tower and browse through the bookstore. Commemorative Patches will be available for \$2.50. The event is sponsored by the Catholic Committee of Potawatomi Council.

Senior Meal Site Invites XYZ Club

An special invitation has been extended to the Kewaskum XYZ Club to join Kewaskum Meals for Seniors on Monday, May 8th for bingo.

Our monthly bingo starts at 10:00, everyone is asked to bring a 50c prize, and a good time is had by all. The meal will follow at 11:45.

Our ceramic class meets the 1st and 3rd Monday of the month, and is taught by a certified ceramic teacher. All supplies are provided.

Washington County meals for Seniors is held at Meadowcreek Apartments on Roseland Drive.

We're there Mon. Tues., and Thurs. from 9:30 - 1:30. Call a day in advance to make a reservation at 626-8333 or 338-4497.

Why not join us for a delicious meal and friendly conversation. Come early to play cards and socialize or just for the meal.

Hope to see you there!

ANOTHER VIEWPOINT

Two youngsters were discussing their fathers, especially the little peculiarities of their behavior. One small boy asked the other, "Does your Daddy have a den?"

"Nope," replied his little friend, "He just growls all over the house."

Red Cross Schedules Basic Life Support CPR Course

The West Bend Red Cross has scheduled a Basic Life Support CPR course for the Professional Rescuer.

This course is designed for those individuals who have been or are being trained to assume responsibilities for assuring public safety. They include Lifeguards, Ski Patrollers, Search and Rescue Teams and many more.

You will be taught how to use the Resuscitation masks, how to perform two man CPR, and how to use the modified Jaw Thrust.

The course is scheduled for three Thursday evenings, starting May 11th, continuing on the 18th and completing on the 25th, from 6 to 9 p.m.

Course requirements are: You must have a current Community CPR certificate, be able to pass the written test and must demonstrate competency in performing the fundamental skills of CPR before you can take the course. You must have your own Resuscitation mask. They can be purchased at the CPR class.

Instructors are Carl Roloff and Mike Husar. To enroll, call 334-5687.

Washington County Receives Grant

Fifty-three residents of Washington County have received individual grants totaling \$107,535 for the replacement of failed septic systems in 1988. The money has been made available by the Wisconsin Department of Natural Resources program known as the Wisconsin Fund.

Since the Washington County Board agreed to participate in the annual round of grants in 1980, 636 failed systems have been replaced in Washington County, representing a State inflow of \$1,319,034.74 into the Washington County economy. The surface waters and ground waters of the County have been spared from the continuing human waste and chemical contaminations that had been flowing from those systems.

County Land use and Park Department Administrator Paul Mueller reports that citizens and plumbing contractors alike are relatively pleased with the program which offers up to \$3,000 toward the replacement of a failed septic system.

Residents who are interested in more information about the program are encouraged to inquire at the Washington County Land Use and Park

Department in the Courthouse or by calling 338-4445 from the West Bend area, 342-2929 ext. 4445 from Milwaukee Metro, or 644-5204 ext. 4445 from Hartford/Slinger.

Save small bits of cornflakes, crackers and bread in a closed glass jar. Add flour and use to bread chops, meat patties or fish cakes.

Prom Royalty Crowned

Juniors Shelly Schuster and Chad Warnecke were crowned King and Queen of the Junior Prom held at Kewaskum High School's Rose Hall on Saturday, April 22.

The evening began at 8 p.m. with music by the band "Ukiah." At 10 p.m. the grand march was held with all the prom court and after the march King and Queen were announced.

Warnecke and Schuster, the newly-elected royalty danced to the prom theme song, "Lights" by Journey.

The decorations for the night were fabulous as the entire Rose Hall "glistened and gleamed with city lights. Said junior Eva Nowak, "The junior class really put together to make this a night to remember"....and it worked.

A special thanks goes out to Junior Class Advisor Mary Stephan for her excellent job with the organization and decorations.

1989 Prom King and Queen, Juniors Shelly Schuster and Chad Warnecke.

1989 Junior Prom Court in their festive garb included couples, left to right: Becky Schlosser and Brian Leitheiser; Shelly Hug and Kevin Bartelt; Tina Keller and Bruce Theusch; Michelle Marx and Dan Heisdorf; Shelley Kasseckert and Mike Melzer; Heather Schleiter and Noel Stradtman; Eva Nowak and Tim Oelhafen; Kristi Lubahn and Chris Maechtle, Karen Felix and Steve Gerhartz; and MC's Becky Manthei and John Hazlewood. Kneeling are Queen Shelly Schuster and King Chad Warnecke.

Births

McCHAIN — A son, Andrew Boyd, 7 lbs., 7 oz., born to Betsy and David McChain, on Tuesday, March 28, at St. Mary's Hospital in Milwaukee. Andrew has one sister, Megan Joy. Paternal grandparents are Gordon McChain Sr. of Random Lake and maternal grandparents are Mr. and Mrs.

Vilas Schwanke, Manawa.
SCHMIDT — A daughter to Jill and Joseph Schmidt, 1862 Lovers Road, Campbellsport, on April 28.

BODEN — A daughter to Nancy and Mark Boden, 8975 Highland Drive, Kewaskum, on April 29.

SARAUER — A son, Austin James, to Timothy and Sandra Sarauer, 320 Washington St., Campbellsport, April 20.

OFFICERS TO BE ELECTED AT LEGION MEETING MONDAY

The regular meeting of Robert G. Romaine Post 384 will be Monday, May 8th at 8:00 p.m. The officers for 1989-90 will be elected at this meeting. Lunch and refreshments will be served after the meeting.

Al Dreher, Commander

KMS Presents Musical 'Luncheonette of Terror'

On Friday, May 12, at 7:30 p.m. the Kewaskum Middle School music department, will put on a "Little Luncheonette of Terror," a contemporary musical in Rose Hall at KHS. Tickets are available from cast members at \$2.00 for adults and \$1.00 for students.

"Little Luncheonette of Terror" takes place at a small diner in California that is frequented by the town's high school students. The owner, a former high school eccentric named Pete (Keith Herman), is a Citizen's Band radio fanatic, his mother (Kate Berres) thinks he should settle down and marry Marlene (Jenny Stelter). Instead, Pete works feverishly at his radio and manages to free a monster from the center of the earth named Mongo (Patrick McFadden), "a walking toxic dump."

At first, Mongo appears to be a charming little creature. But, as he gains the students' confidence he gains power and eventually takes control of the students, forcing them to read. Eventually, Mongo turns all except Pete and Marlene into teenage zombies who do nothing all day but read encyclopedias.

Other characters include: a good-old-boy sheriff (Scott Donath); a gangster (Dan Schulteis); his girlfriend (Christa Schmidt); a stuffy, librarian (Karyn Dossinger); a female race-car driver (Marty Schlice); an environmentalist (Yvonne Schlice); a scientist (Jamie Braun); a robber (Kevin Hinz); two waitresses (Heidi Goetsch, Julie Mertz); doo-wop

singers (Kelly Krahn, Melissa Lloyd, Sarah Brath); and a lot of students — Mark Stephani, Erik Ankerson, Krysten Ammel, Barb Land, Lowell Peterson, Becky Braun, Kori Chapman, Nicole Cleveland, Leslie Cook, Lisa Ermer, Jodi Gengler, Jenny Gundrum, Mike Jandre, Kris Kasper, Heather Koch, Rachelle Krahn, Greta Kuphal, Jamie Lauenstein, Jenny Pesch, Mark Morell, Mark Dziedzic, Carrie Postuma, Sandy Schmidt, Debbie Steger, Sara Steinert, Tim Strigenz, Jenny Thull, Jean Turner, Jenefer VanAssche, Julie Wagner, Carrie Warnecke, Shelly Williams and Jenny Wulff.

"Little Luncheonette...." is directed by Mary Reilly-Kliss and David Bertelsen. Choreography is designed by Becky Manthei, a junior at Kewaskum High School.

Kewaskum Kitchenette Homemakers Make Lap Robes for Nursing Home Residents

Kewaskum Kitchenettes made lap robes for area nursing home residents.

One of the many charity things our club has done is make lap robes for wheelchair residents at area nursing homes. Members met twice a month at Martha Stoffel's home

to cut and sew lap robes. Scrap materials and new materials were used to make a great variety of patch work designs and colors.

The completed project this

year ended with 12 for the Beechwood Rest Home, 22 for Cedar Lake Home, 22 for the Samaritan and a few left over for display purposes. It was an enjoyable besides rewarding

community charity project for the club members.

The Kewaskum Kitchenettes is 31 yrs. old, and has 14 members. This last year we sadly lost one of our charter members due to death - Martha Foerster; we all greatly miss her.

In the past year members have worked twice monthly in the Sweet Shoppe at the Samaritan Home, helped host the Washington County fall council meeting at the Amerahn; worked on the quilt for the raffle last year, and worked at the Wash. Co. Homemakers booth at the County Fair, some members served on the executive board and hosted a center meeting for a program on Alzheimer's disease and a project meeting of Alaska with Doug Strack as our guide showing his slides, of which were very entertaining and educational.

Members donated baby gifts for the first baby born during Homemakers Week, donated items for the annual Golden Opportunities; gave a book to the Kewaskum Library, large print books to the Beechwood Rest Home, Christmas gifts for residents at the Samaritan Home, and the Friends of Abused Families. We took a day

Kewaskum Statesman,

Friday, May 5, 1989, Page 7

trip to Merkt's Cheese Factory and the Kenosha Outlet Mall, some members went to tour the paper museum and see the Christmas Show at Classic Arts in Appleton, some went to the Heritage Quilt Show at Sun Prairie.

The club meets the 3rd Monday of every month at 8:00 p.m. at members homes, Sept. - thru May. We have a summer picnic, and a special Christmas party including our spouses. Officers of our club are: Pres. Martha Stoffel; V. Pres. - Ruth Krueger; Treas. Darlene Schaub; Sec. - Janet Panzer; educational committee person - Corrine Młodzik; Sunshine person - Dorothy Volm.

THANK YOU

Thank you to the 2nd floor nurses at St. Joseph's Hospital for the wonderful care I received. Thank you to my family and friends for the concerned telephone calls, beautiful cards and gifts.

Kewaskum FFA Holds 38th Annual Banquet

Pat O'Brien, left, presented Mike Ramthun with the Midwest Livestock Producers Award. Jenny Degnitz was congratulated by David Hahn for winning his company's East Central/Select Sires Outstanding Dairy award.

The Honorary Chapter Farmers for 1988-89 are Mr. and Mrs. James Degnitz, left, and David Stradtman, pictured with Kewaskum FFA Chapter President, Dave Steger.

Chapter Awards. Left to right, Brad Enright, selected as Star Chapter Farmer, Dave Steger, named Member of the Year, Tim Herman, recipient of the Roman Muckerheide Memorial Award and Brian Butzlaff, named Star Greenhand.

Scholarships were awarded. Left to right, Quin Mueller, Board Director of the New Fane Kettle Riders Snowmobile Club with the club's scholarship winner, Brad Enright. John Herriges representing the Kewaskum FFA Alumni with scholarship winner Mike Yahr who also received the Kewaskum Veterinary Clinic scholarship. David Nigh, co-owner of Kewaskum Frozen Foods, with their scholarship winner, Dave Steger, who also received the Waubeka Mill scholarship presented by Mr. D. Henning, right. Not pictured were Drs. Charles and Greg Ogi of the Kewaskum Veterinary Clinic, who were not able to attend the banquet.

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum chapter of the Future Farmers of America marked the end of another successful year with its 38th annual awards banquet. This year's guest speaker was FFA Section 10 State Officer Renea Troeller.

Among those honored at the banquet were Mr. and Mrs. James Degnitz and David Stradtman, who were named this year's "Honorary Chapter Farmers" for their contributions of time and talent to the Kewaskum FFA.

Awards were also presented to chapter members for product proficiency, speaking contests and record keeping. Prizes were also awarded for the fruit and cheese sale and alumni ticket sale.

Scholarships were awarded to three graduating seniors. David Steger received the Kewaskum Frozen Foods and Waubeka Mill scholarships. Michael Yahr was awarded the Kewaskum FFA Alumni and Kewaskum Veterinary Clinic scholarships. Brad Enright was named the recipient of the New Fane Kettle Riders Snowmobile Club James Aupperle Memorial scholarship.

Mike Ramthun received the Midwest Livestock Producers trophy. The DeKalb Outstanding Senior Award went

Renea Troeller, FFA Section 10 State Officer, was the guest speaker at the Kewaskum FFA Chapter's 38th annual banquet on April 27th.

to Dave Steger. Jenny Degnitz received the East Central/-Select Sires Outstanding Dairy Award and Brad Enright received the Successful Farming Award.

In closing the evening's ceremonies, David Rizzardi, Ag teacher and FFA advisor, had a few humorous remarks to make concerning the seven retiring officers. The youths, however, would not let things rest by giving him the last word. Retaliation came in the form of their parting gifts, one of them being a toilet seat in Rizzardi's

favorite color, University of Wisconsin red.

Terry Schaub, who is advisor to the chapter's animal judging teams also received a gift, a pair of FFA boxer shorts which he refused to model, even though it's reported he has "a nice looking pair of legs."

Beethoven as a child made such a poor impression of his music teachers that he was pronounced hopeless as a composer.

County Homemakers to Celebrate National Homemakers Week May 7-13

National Extension Homemakers week will be celebrated by the Washington County Extension Homemakers.

The Washington County Extension Homemakers is a unique organization which involves the individual person in identifying and solving family and community problems through an educational program.

Membership is open to all persons without regard to race, color, sex, ethnic background or economic circumstances.

It is an educational, charitable organization.

It is the largest women's organization in Wisconsin with Washington County having approximately 360 members. We have 33 clubs and seven centers.

Officers of the Washington Executive Board Council are: President - Janet Panzer; V. President - Martha Stoffel; Secretary - Dorothy Puetzer; Treasurer - Janet Reichert; Young Extension Homemaker - County Chairmen - Roxanne Rindt, and Betty Jane Kirchner.

Center Chairmen are: Germantown Center - Helen Beuscher; Hartford Center - Laura Luckiesch; Kewaskum Center - Linda Schaub; Richfield Center - Dorothy Krusick; Slinger Center - Karen Olson; Trenton Center - Betty Baumgartner; West Bend Center - Sue Hautamaki.

Clubs in the Kewaskum Center are: Country Cousins; Eager Beavers; Farmington Handi Maids; Happy Hearts Homemakers; Kewaskum Kitchenettes; Little Whistlers; Wayne Willing Weavers.

Our Advisor is Joyce Albrecht, Home Economist of Washington County.

Once a month a new project is studied. Projects for 1989 were: January - "Self Improvement - Accenting Your Wardrobe."

February - Fight on Pollution Comes Home. March - Land and Living in Alaska.

April - Don't Get Ticked - Prevent Lyme Disease.

May - Good Fish - Bad Fish. September - Stand Up for Families.

October - Glass Etching.

November - Consumer Confusion - Label Double Talk. December - Christmas Activities.

We have a spring Council meeting in the evening and Fall Council meeting during the day.

We have taken tours this year to Classic Arts & Paper Museum at Appleton, and to Sun Prairie to the Heritage Quilt Show.

We will be having a booth at the Washington County Fair. We will have a Chuck Wagon dinner on Wednesday July 26. Tickets are available now from any Homemaker or the Extension office.

A hand made quilt, pillows, wall hanging or a tote bag will be raffled off on Sunday, July 30, at the Washington County Fair. Raffle tickets may be purchased now or at the fair. Proceeds will be used for our scholarship fund and local charities.

We are giving three scholarships this year to a Homemaker and two students (children of homemakers) The winners this year will be announced at the Spring

Council on May 4th at the Chalet.

On May 8th we will be participating at the WI Extension office Open House 75th Anniversary, from 8-5 at the Washington County Courthouse. We will be doing water testing for \$1.00 - just bring a pint of clean water.

If you are interested in joining a club call the extension office 338-4479 or any extension Homemaker Center Chairman. We invite anyone to be a member.

On May 10th and 11th we will be having promotional booths at the Paradise Mall. We invite anyone to stop in: following is the schedule of events:

The first known sewing needles were made of bone and they are over 30 thousand years old.

I dreamed Death came the other night, and Heaven's gate swung wide;

With kindly grace an angel came and ushered me inside.

And there to my astonishment stood folks I'd known on Earth.

Some I'd judged and labeled as unfit, and some of little worth.

Indignant words rose to my lips, but never were set free.

For every face showed stunned surprise,

No one expected me!

Etta Selected to Attend Professional Secretaries Banquet

Michelle Etta

The Professional Secretaries International Banquet of Fond du Lac and Ripon was held on Tuesday, April 25 at 6:30 p.m. at the Holiday Inn, Fond du Lac. The theme was "Visions of a Changing Role."

The guest speaker was Amy Salum, Office Automation Instructor for Fox Valley Technical Institute. Her topic was entitled "Timely Tips."

Selected to attend the banquet, from St. Mary's Springs High School was Michelle Etta, daughter of Mr. and Mrs. Lloyd Etta, Kewaskum. Michelle received the Secretaries Handbook and a rose. Mrs. Etta was also invited to attend as a guest.

Michelle plans to further her education in business at U.W. - West Bend this fall.

Campus Notes

Area high school seniors were among visitors who attended an April 21 On-Campus Day at the University of Wisconsin - Whitewater.

Visitors included Kewaskum High students who have been accepted for admission to UW-Whitewater, including Juli Swenarski, 7819 Riverside Rd., Fredonia, and Paul Budiac, 1067 Greenway Ct., West Bend, who are interested in business; Dennis Aupperle, 3197 Highway D., Kewaskum, who would study business and physical education, and Michael Heberer, 846 Christy La., Campbellsport, whose interests are business and finance.

Also visiting was Scott Stern, 3152 Forest View Rd., Kewaskum, a Kettle Moraine Lutheran High School senior who also has been accepted for admission and plans to study business.

Marquette University High School announces its third quarter academic honor roll. Students earning first honors had a grade point average of 3.7 or above. Those receiving second honors had a grade point average of 3.2 to 3.6.

First honor students include: Freshman Reggie Estrella, 7465 Chadwood Ct., Kewaskum, son of Dr. and Dr. Renato Estrella.

Holy Trinity School Calendar

FRIDAY, MAY 5
GRANDPARENT'S DAY. All grandparents are invited to come and see their grandchildren hard at work. There will be classroom visitation followed by Mass and noon lunch.

THURSDAY, MAY 11
SPRING CONCERT. This year the concert will be held in Rose Hall, Kewaskum High School.

MONDAY, MAY 19
SCHOOL VOLUNTEER 'THANK YOU.' An all-school Mass will be held to say a special "thank you" to all volunteers who have helped at Holy Trinity School

this year. After Mass, those volunteers that helped on a weekly basis will be invited to a Continental Breakfast.

If you work at an office, chances are you'll spend at least 20 years of your life sitting down.

Obituaries

ROBERT G. KRONCKE

Robert G. Kroncke, 74, of Big Cedar Lake (West Bend) passed away on Saturday, April 29, 1989 at University Hospital in Madison.

He was born on September 9, 1914 in Milwaukee, the son of the late Jacob C. and Marie (Jorgensen) Kroncke. He was united in marriage to Linda Rosenheimer on June 24, 1942 at Peace United Church of Christ in Kewaskum.

Mr. Kroncke practiced law in Milwaukee, then came to Kewaskum to join the Rosenheimer Malt and Grain Co. where he retired as its president.

He served in the U.S. Army and was honored by receiving the purple heart. He was a member of the Peace United Church of Christ in Kewaskum, the Robert G. Romaine American Legion Post #384 of Kewaskum and the Cedar Lake Golden K Kiwanis Club.

Survivors include his wife Linda; a son, Robert N. (Glennis) of Milwaukee; two daughters, Mary (Donald) Sundstorm of Deerfield and Kathleen (Gregory) Allord of Madison; a sister, Mrs. J.W. (Adele) Follows of Charlottesville, Virginia, nine grandchildren and two nieces and three nephews.

He was preceded in death by

a brother Frederick.

Funeral services will be held at Peace United Church of Christ, Kewaskum at 5:00 p.m. on Friday, May 5, 1989 with Rev. James Bettin officiating. Burial with Military Graveside rites will be at the church cemetery. Friends may call from 3:00 p.m. until time of services at the church only. Memorials may be made to the Washington Co. Chapter of the Red Cross, the Exodus House and the Cedar Lake Home.

The Miller Funeral Home is serving the family.

GORDON SENN

Gordon E. Senn, 76, of 599 Rolling Drive, Campbellsport, died Wednesday, April 26, 1989, at Rochester, Minn.

He was born Aug. 14, 1912, in the Town of Ashford, a son of William and Anna Gantenbein Senn. On June 12, 1954, he married Lillian Attoe in Wild Rose.

Mr. Senn farmed in the Town of Ashford all his life. He was a member of Campbellsport United Church of Christ.

Survivors include his wife; one daughter, Carol Senn of Fond du Lac; and one sister, Elda Senn of Campbellsport. Preceding him in death were two sisters and one brother.

Funeral services were held Friday, at 1:30 p.m. at United Church of Christ, 228 Forest St., Campbellsport. The Rev. Dean Roy Miller officiated. Burial followed in Union

Cemetery, Campbellsport.

Friends called Thursday from 4 to 9 p.m. at Twohig Funeral Home, Campbellsport, and Friday from noon to the hour of services at the church.

Memorials in his name are appreciated.

A SUPPORT GROUP FOR FAMILY CAREGIVERS

This support group is designed to provide information and support for families who are providing care or who are planning to provide care for a family member. The group is facilitated by Elder Peer Counselors and is sponsored by St. Joseph's Community

Kewaskum Statesman, Friday, May 5, 1989, Page 11

Hospital and the Elder Peer Counseling Program, a joint project of the Washington County Mental Health Center and the Washington County Office on Aging.

This program is ongoing and free. First and third Wednesday of each month, 7:00 - 8:00 p.m. at St. Joseph's Community Hospital, Medical Library, (2nd floor in old section of hospital).

About 35,000 people work in the twin towers of the World Trade Center in New York City. Another 80,000 visit on business each day.

KMS-KHS Concert...

Band Extravaganza — Music at It's Finest

6th Grade Band directed by Mr. Christie

7th Grade Band

[Continued on Page 14]

The Kewaskum middle and high schools put on a music spectacular in Rose Hall on April 12th and according to one audience member, "wow, the

kids did great!" The free concert was attended by over 100 parents and community members who wanted to hear our five different

bands "show their stuff," and show their stuff they did.

Band director at the Middle School, Mr. Christie, led the sixth and seventh grade bands through such fine pieces as "The first Concert March," "O Soldier, Soldier," "Manhattan Beach March" and "Atlantis Overture."

Mr. Ammel, 8th grade and high school band director, then took over the program and the 8th graders enlightened the audience with "Harrowgate Festival" and "The Battle Pavane."

The Concert Band performed pieces such as "The American Festival March," "Little Suite for Band," and "Chesford Portrait" for the next musical experience, and last on the program, and the most "polished" was the Symphonic Band, a hand-selected group of musicians who totally captivated the audience with their musical talent.

The Symphonic band started out with a real spirit booster in "The Black Horse Troop," then slowed down the tempo with "A Hymn for Band" and ended their performance with "Prelude, Siciliano and Rondo" which was a real nice blend of fast and slow tempos.

The night was truly an enlightening experience and its excellent to see all of the truly fine musicians in the Kewaskum area come together for a night of musical sharing.

Katherine Hepburn has been nominated for 11 Academy Awards, more than any other actor.

25 Years Ago

May 1, 1964

The Kewaskum Community High School board of education announces the selection of Marshall H. Boyd as principal of the high school effective July 1, 1964. He was selected from a group of candidates numbering 23. He is presently employed as principal in the Watertown school system.

A serious and dangerous grass fire Sunday afternoon burned over 50 acres of grass, marshland and wooded area near Hwy. 28 and Kettle Moraine Drive east of Kewaskum.

Fanned by a high wind, the flames spread rapidly and leaped high into the air. A pile of old tires dumped in the marsh burned and gave off heavy black smoke.

Eugene "Mike" Gnacinski of Kewaskum, who has been a Scoutmaster for sixteen years, was among Catholic scout leaders awarded the coveted St. George medal at an archdiocesan dinner meeting in Fond du Lac. "Mike" is the first resident of Washington County to receive this award.

The senior class of Kewaskum High School is in the final week of rehearsal for local presentation of Thornton Wilder's Pulitzer prize play "Our Town."

Some of the leading roles are taken by Tom Lavarda, Ingrid Jorgensen, Robert Kern, Claudia Oppermann, Ruth Weddig, Jim Dorn and Dan Schmidt. Ken Merwin is student assistant to Karl Kurth

50 Years Ago

May 5, 1939

Mr. and Mrs. Otto Lay of this village who returned Sunday from an extended trip to the west coast reported a splendid vacation marred only by a train accident on their return.

The Lays were passengers on a crack Southern Pacific train which was wrecked near Truckee, Calif. In the accident some of the front cars of the train plunged into a canyon.

The cars which plunged into the deep canyon were not passenger or pullman coaches, thereby preventing any fatalities. The passengers continued on their way aboard another train.

George Timblin, 40, widely known town of Osceola farmer, passed away Saturday, April 29, following a short illness with pneumonia.

Deceased is survived by his widow Veroneca, a daughter Mary Helen and two sons Henry and William at home, five sisters and a brother.

The junior class of the Kewaskum High School invites the public to attend its annual prom next Friday evening.

The members of the class have chosen Harold Krueger as prom king who will lead the grand march with queen Kathleen Schaefer.

Mrs. Anna Dengel, more familiarly known as Grandma Dengel, beloved resident of Campbellsport, mother of Mrs. Ed Campbell, town of Kewaskum, will observe a very rare occasion May 9, which will mark her one hundredth birthday anniversary.

Scarlet Fever left its mark by blotting out the music festival which was to be held this week.

It has been the high school's custom to observe music week by having a music festival. Although preparation had been started, two weeks of absence made it impossible to achieve the finished performance.

The infant boy of Mr. and Mrs. Gottfried Claas of this village was christened Sunday, receiving the name Sylvester Raymond.

75 Years Ago

May 2, 1914

Last Saturday afternoon, August Ebert, a well-known resident of the town of Scott, met with a painful accident, which might have resulted in death.

While in the act of throwing down some cornstalks from a scaffold above the barn floor, he happened to step through an opening, over which were spread a few bundles, thereby falling about fifteen feet onto the barn floor. Aside from being jarred up, it was found that no bones were broken.

Chester Dobbs of Chicago, Ill., charged with assaulting Miss Eleanor Guth, a teacher in the district N. 3, with intent to ravish on Friday, April 17th, was bound over to the Washington County Circuit Court which convenes again in October.

The gum machine at the depot in this city was robbed sometime last Sunday afternoon, the sum of \$3.67 being taken. On Sunday evening the gum machine at Kewaskum was also robbed of \$2.50 and the cash drawer in the station agent's office also opened, but there was nothing to take.

It has just become known that Miss Leta Frohmann, daughter of Mr. and Mrs. Julius Frohmann of Boltonville, and A. R. Woog of Batavia were married at Waukegan, Ill, April 14th.

Anton Schladweiler and Alfred Schoetz of Boltonville called on friends in New Prospect Sunday. They made the trip with Mr. Schladweiler's new Yale twin cylinder motor cycle.

A new enterprise is being

launched near Cedar Lawn. The farmers held a cheese meeting for the purpose of organizing a cheese company. The factory will be located on the Nic. Klotz farm.

Perhaps one of the heaviest hogs ever marketed in this part of the country was delivered to Beisbier and Backhaus here Wednesday. The porker, which was of the Poland China breed, weighed just 810 pounds and was sold by Chas. Breseman of the Town of Wayne.

Kewaskum Girl Scout Troop Hosts Kite Festival

65 girl scouts and some parents braved the weather Sat. Apr. 22 to participate in a Kite Festival.

The Girl Scouts met at the Alvin Panzer Farm where Mr. Panzer gave the girl scouts a short horse drawn ride and then out to the destination of the contest.

The girl scouts were to have made their own kites. Because of the strong wind we had some torn kites and broken sticks. But many made it very high and many made fancy tricks in the sky. Each girl received a patch with a colorful kite on it, and some special recognitions.

1st place trophy went to Heather Weis troop 225, 2nd place trophy went to Jessica Repovsch troop 277, ball & jacks went to Colleen Gosa Daisy troop 249 for her special efforts and fancy tricks of her kite going in continuous circles.

After flying kites the troops cooked on a live fire. They had everything from hot dogs to marshmallows, to s'mores to baked apples to a meal in foil.

They sang songs, played games and hiked back to the farm. A fun time was had by all.

Jr. G.S. Troop 72 from Holy Trinity School hosted and planned the event. The girls in the troops are: Sarah Bonlender, Julie Giese, Shawn Zalewski, Ann Bodden, Nicole Reindl, leaders Rosie Reindl and Gerri Bodden. Thank you girls and leaders for a terrific day.

First place trophy went to Heather Weis and her winning kite.

Left to right, second place trophy presented by Sara Bonlender to Jessica Repovsch of Troop 277.

SAVE ON LAWN SEED THIS SPRING!

Chances are, both you and your neighbor are going to need lawn seed this spring. Last year's drought and this winter's icestorm caused severe damage to area lawns. With the coupon you can save up to \$5.00 on your lawn seed needs!

Dairyland has over 20 years of experience in the lawn seed business. Our "No. 1" lawn seed is our top seller. We recommend "No. 1" to provide a lush carpet of fine-stemmed grass for your lawn. Our "Fast Gro" lawn seed has been specially designed for areas that take a beating. Fast Gro is being used on numerous football and baseball fields.

These lawn seed products are packaged in 5 pound, 25 pound, and 50 pound units. Because of the severity of the drought and the icestorm this winter, you'll probably need more lawn seed this spring than you have needed in recent years.

Anthony V. Weasler Sr. to Donate \$1.5 Million for New MU Auditorium

Milwaukee, Wis. — A \$1.5 million gift commitment to Marquette University's new Alumni Memorial Union (AMU) project has been made by Anthony V. Weasler, Sr., of West Bend. In recognition of the gift, the auditorium building of the two-structure AMU complex will be named the Tony and Lucille Weasler Auditorium, according to Rev. John P. Raynor, S.J., Marquette President.

Weasler is chairman of the board of Weasler Engineering, Inc., West Bend, a company he founded in 1951. The company is a leading manufacturer of universal joints and other driveline components for agricultural, lawn and garden, commercial turf, marine recreation, environmental engineering and other applications.

A registered professional engineer, Weasler has been an active inventor besides being an entrepreneur. He holds 15 US and Canadian patents for components which have improved the safety conditions of operating machinery on the farm, in the garden and in industry.

In announcing the gift, Father Raynor said: "Tony, his late wife Lucille, and their family have been among the most loyal benefactors of Marquette. He has been a dedicated alumnus and a true friend of the University, supporting it in so many ways throughout the years. The structure Tony is making possible will be used extensively by our students and alumni, and for business and civic gatherings linking the campus and community. I am very pleased that the auditorium building will permanently carry the Weasler name."

Weasler received a bachelor's degree in civil engineering in 1928 and a bachelor's degree in mechanical engineering in 1929, both from MU's College of Engineering. He and his sons, Paul and Tony, are members of the MU chapter of Triangle, a national engineering fraternity. He earned a membership in Alpha Sigma Nu, the national Jesuit university honor society in 1927. He was also named to membership in Tau Beta Pi, national honorary mechanical engineering society.

In 1977, Weasler was named Engineer of the Year by the American Society of Agricultural Engineers, Wisconsin Chapter. He also is a former president of the West Bend Chamber of Commerce.

He is a member of MU's President's Executive Senate and a life member of the President's Council. He served as co-chair of the MU Class

Bequest Program in 1973 and in several other alumni and parents efforts.

In 1978-79, he established the Weasler Family Endowed Scholarship in Engineering at Marquette to assist incoming students. He often has supported the College of Engineering, including the recent renovation of its main building, Patrick E. Haggerty Hall, completed in fall 1988.

Weasler received the MU Engineering Service Award in 1975 and the Alumni Service Award in 1982 from the MU Alumni Association.

Weasler Engineering, Inc., also has been a generous benefactor to Marquette and a supporter of its engineering student co-op program.

"I am deeply appreciative of what Marquette did for me in preparing me for my career," Weasler said. "Not only has the Marquette experience shaped my life and company; it has also been a tradition in my family for three generations and continues to make a major impact on the community at large. I am proud to assist in this tradition of service."

Groundbreaking for the Alumni Memorial Union and Auditorium complex was

scheduled for today, Friday, April 7 at 4 p.m. The Weasler Auditorium is a separate building just west of the new union, connected by a covered walkway between the two structures. Its site is N 15th and W. Wisconsin Ave. A spacious lawn beginning at Wisconsin Ave. leads up to the main outdoor "town square" landscaped area which will accommodate lawn receptions and gatherings. The distinguished landscaped area will culminate in the Weasler Auditorium and the union building near Wells St.

The Weasler Auditorium can accommodate a wide range of entertainment and educational activities.

Weasler and his late wife are the parents of three children, who are all alumni of Marquette — Yvonne Reardon, class of 1962 and a speech graduate, Paul, a 1965 engineering graduate (president of Weasler Engineering Co.) and Anthony Jr. (vice president of Weasler Engineering Co.), an engineering graduate of 1970. All three of the Weasler children are also married to Marquette alumni. Three of the 18 Weasler grandchildren are currently Marquette students — Chris, a senior, Amy, a junior, and Kerry a sophomore. Another grandchild, Moira, graduated from MU last year.

MAY COMMUNITY CALENDAR

Coming events will be listed only if they are submitted to the Statesman and are of area interest. We will be happy to list meetings of your organization only if they are sent in to us each month. We can no longer be responsible for keep a running file of your meetings for the entire year. Please submit your meeting notice for publication the week before it is to be published.

SUNDAY, MAY 7
Family Fun Night, 7 p.m., at Holy Trinity Parish Hall, 331 Main St., Kewaskum.

TUESDAY, MAY 9
Big Brothers and Big Sisters of Washington County will be holding an informational meeting at 7 p.m. at 129A South 7th Avenue, West Bend. Please call (414) 334-7896 for additional information. "Take a little time to make a little friend."

Any church group or civic organization is invited to submit their coming events for listing in this column, however, we do ask that you keep words to a minimum. (We also appreciate your advertising these events).

Letters to the Editor...

April 28, 1989

Editor,

On April 19, Wayne Elementary School was the setting for games, face painting, a bake sale, video games, cake walks, and an auction. The carnival was a huge success, due to the cooperation of students, parents, and teachers.

We would like to take this opportunity to thank everyone involved, and a special thanks to the following businesses for their contributions:

Sentry Foods, Kewaskum; Dave's Repair; Frabill Inc.; Housemaster; Sentry Foods, West Bend; M&I First National Bank, West Bend; Homeplate Restaurant; Kemps Dairy; Pick'n Save-North; L&R Trophy; F&M Bank, Cedar Lake Branch; West Bend Library; Jolly Time Inc.; Kriekamp Trucking; Farmer's Inc., Allenton; Weasler Engineering; Appleton Yamaha Center Inc.; Dairyland Seed; Kewaskum Frozen Foods; Honeck Chevrolet; J.J.'s Restaurant; Bank One; Regal Ware Outlet; B&S Technologies; Ford Tool & Gage; Maysteel; and Wisconsin Gas Company.

Everyone at the carnival will attest to the fact that it truly was a family event, and that is was most enjoyable to experience the camaraderie of the evening.

Most Sincerely,
The Parent Teacher
Organization
Wayne Elementary School

....

Dear Kewaskum Statesman:

In January the Kewaskum Statesman printed an article informing the public about the 13-week course on "Boating Skills and Seamanship" being offered by the Coast Guard Auxiliary. As a result we enrolled 36 students, representing 10 different communities. Their excellent attendance record during the past 12 weeks indicates a sincere interest in the boating

safety information presented.

On behalf of the boating public, we thank you very much for your help.

Yours Sincerely,
U.S. Coast Guard Auxiliary

Health Hut Offering Weight Loss Program

Interested in losing weight the safe way?

Only YOU can do it...with proper exercise & diet. The Health Hut Fitness Center has geared their "Weight Loss" class for those who need a support group to keep on a diet. Weigh-ins are held before

classes; & menus are made for interested participants.

Jean Flood, a Registered Dietitian, serves as consultant for the group which meets every other Thursday evening at 6 p.m.

Topics covered are: Menu planning, calorie intake, proper nutrition, eating sensible etc.

The "Low-Impact" exercise & toning class is held Tues. & Thursday evenings for 1 hr.

Kewaskum Statesman,
Friday, May 5, 1989, Page 17

after the "Weight-Loss Class," or you can participate in the 5 p.m. class before.

Call 533-4747...start today & loose those unwanted lbs. by summer.

Fad diets don't work...it's up to you...your exercise & proper eating.

Bob Fish does it again 2.9% A.P.R. financing or up to \$1,600 Cash Back!

Tip**

From Tom Kennelly

SKIN GLOW

Besides keeping you trim, exercise provides benefits to your skin; the result is a fresh healthy glow. Exercise increases blood circulation to the skin, bringing a fresh supply of oxygen, removing toxins and promoting regeneration of cells. When exercising outdoors, apply a sunscreen and then a moisturizer. Always drink plenty of water to flush away decomposed tissue and impurities.

Have your doctor phone your prescription to us

Middle School's Folk Fair Another Success

KMS sixth grade students performed the Ribbon Dance from Great Britain.

Aaron Kloske, left, and Lowell Peterson, right, greeted Folk Fair visitors at their booth display on West Germany.

Statesman Photos by Gerry Mueller

Jamie Van Den Heuvel, left, and Jenny Finch offered visitors to the Folk Fair samples of food native to the Netherlands.

By GERRY MUELLER
Statesman Staff Writer

The hard work of both the sixth grade teachers and students resulted in another interesting and enjoyable folk fair at the Kewaskum Middle School last Friday.

Included in this year's program done by the students of Mrs. Kathy West and Mrs. Diane Stangl were German and Spanish language demonstrations and a musical gymnastics routine. The program also included a variety of ethnic dances, musical presentations and readings.

All the students from the classes of teachers Marlene Domasky, Kenneth Erickson, Dennis Reha, Diane Stangl and Kathy West contributed their efforts to creating excellent display booths on the countries which they had studied in preparation for "Folk Fair 89."

In many of the booths, students dressed in traditional clothing of the country they represented offered samples of ethnic foods. Parents and guests of the fair's participants had the opportunity to taste everything from Swiss cheese to spaghetti.

If you are in a hurry to iron an article that has not been sprinkled, wet a heavy bath towel in hot water. Wring it out thoroughly and roll the article to be ironed in the towel. In a matter of minutes you will be able to iron it.

Stephanie Heberer did a musical gymnastics routine as part of a presentation on the country of Switzerland.

ABC CLUB SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, April 25, were: Harold Eggert, 25-2-23 net; Melvin Moths, 19-5-14 net; Joe Butschlick, 13-2-11 net; Elmer Fabian, Heart Solo vs 5 no Schneider; Joe Butschlick, spade Solo vs 4 no Schneider.

Nature Center Open House

On Sunday, May 7, a new nature center is opening at Glacier Hills County Park in Washington County. Between the hours of 10 a.m. and 3 p.m. the public, as well as families with children, are invited to view the center and enjoy presentations.

At 10:30 a.m. Barbara Harvey, an independent rehabilitator of Mayville, will present "Birds of Prey." At 1:30 p.m. Dave Kuckuk, Director of Maywood Education Center, Sheboygan,

will lead the spring nature walk.

Visitors are invited to bring a brown bag lunch. Hot and cold drinks and dessert will be provided during the noon social hour.

The Washington County Park and Planning Department has provided the facilities, and the

Kettle Moraine Audubon Society is responsible for all nature center programs. Glacier Hills County Park may be reached from Hwy. 167 (west of Hwy. 45 or east of Hwy. 83), then south on Friess Lake Road about 1/8 mile.

OFFICIAL NOTICE

The school board negotiating committee will meet in closed session with the KEA negotiating committee on May 10, 1989 at 6:30 p.m. at the Kewaskum Middle School. The meeting is held pursuant to State Statute 19.85(1)(e) and is closed to the public.

- X. Adjournment

Kettle Riders Name Scholarship Winner

Quin Mueller, left, Board Director of the New Fane Kettle Riders Snowmobile Club, congratulates Brad Enright on being named the recipient of the club's 1989 scholarship award.

By GERRY MUELLER
Statesman Staff Writer

At the 38th annual FFA Banquet April 27th, the New Fane Kettle Riders Snowmobile Club presented its sixth annual James Aupperle Memorial Scholarship to graduating senior Brad Enright, son of Mr. and Mrs. Joe Enright of Boltonville.

Brad plans on attending

technical school to further his education in the field of Agriculture Mechanics. The Kettle Riders are proud to be able to assist graduating Kewaskum High School seniors in their efforts to further their education.

'Bowl for Kids' A Huge Success

"A fantastic success" is the only way to describe this year's third annual Big Brothers and Big Sisters "Bowl for Kids," which was held February 11 and 12. To date the pledges have been coming in by the nearly 620 bowlers who participated.

Initial results in team competition and individual achievements were announced this week. The following are the results in the team competition in the 17 divisions:

- Automotive - Tennies Buick;
- Banking - Bank One No. 3;
- Communications - West Bend News; Government Services - Courthouse Cuties; Industry - Amity Animals; Insurance - Rural Insurance No. 2;
- Investments - B.C. Ziegler No. 3;
- Legal/Accounting - Kannenberg Kiekhafer & Co.;
- Medical - St. Joseph's Lab.;
- Real Estate - Re/Max;

Restaurants - Pizza Hut of Hartford; Service Organizations - PACE; Retail - Barton Small Engine; Recreation - Whiskey Women; Education, Elementary - Fair Park School; Education, Upper - FBLA West Bend High - West; Education, Other - W.B. School District Bus Drivers.

Each team's scores were based on total pins for two games bowled, plus handicap. Trophies are being given out to each division winning team.

Individual trophies were awarded to Ron Schlefke, from the West Bend professional firefighter's team, who bowled a 248, the high game of the weekend for men; and to Jan Schmitz, from Bank One No. 3 team, who bowled a 202 for high women's game.

"It is hard to say when one generation ends and the next one begins, but it is somewhere around nine or ten o'clock at night.

KHS Golfers Post Second Win

Senior Tom Sharp leads the way for the Kewaskum golfers shooting a 40 despite weather conditions.

The Indians golf team posted their second Eastern Wisconsin victory last week with a "win" on their own course at the Hon-E-Kor.

Despite the rotten weather conditions, blowing winds and cold, and tough course, senior Tom Sharp missed his first 30 round of golf by just one stroke. Sharp took medalist honors with a 5-over par 40 with quite an unusual round of golf. He started out with a double bogey and bogeys on the easier holes

No Enchanted Forest for Athletics

By Bob Pick II

DOTYVILLE — Bob Lloyd delivered a sacrifice fly to score Mike Seibel with one out in the bottom of the 10th inning, lifting the Forest Athletic Club of the East Shore League to a 3-2 exhibition victory over the Kewaskum Athletics here Saturday.

Steve Schmitz opened the 10th by fouling out to catcher Tim Dettmann, Terry Koth, the fourth Kewaskum pitcher, walked Seibel and Joe Loehr. While Tom Roehl was batting, Seibel stole third. Roehl eventually walked, filling the bases, setting the stage for Lloyd.

The Athletics took a brief 1-0 lead in the top of the third on Koth's ground single to left, a wild pitch, followed by a passed ball and Barry Wenzlaff's infield single.

The hosts tied the contest in their half of the third on a Pat Goebel double and a Steve Schmitz single.

Kewaskum went up 2-1 in the sixth on Wenzlaff's double to rightcenter, a Don Menzel single and Dettmann's bouncer to third.

Forest scored a run in the bottom of the ninth on a walk to Joe Goebel, a single down the right field line by winning pitcher Pete Blatz, and a fielder's choice by Pat Goebel.

The Athletics will play their third and final exhibition game this Saturday afternoon when they travel to Marytown to play at 1:30 p.m. Sunday afternoon. The locals will pry the lid off the Northern Division Land O'Lakes season when they entertain Grafton beginning at 1:00.

The Kewaskum Athletics are the defending grand champions of the Tri-County Nite League. They are scheduled to play their first game in the league next Wednesday evening in Milwaukee.

and parred the hardest holes, the Hon-E-Kor back nine has to offer. Second low for the Indians were Joel Miller and Chad Schmidt with 47's.

Kewaskum is now 2-0 in the conference and the JayVee's are also 2-0 with Mark Heather's 49 low for the team.

STORY WITH A MORAL

A group of golfers were out playing a round and one of them wound up in a sand trap. He took a swing at the ball but missed the ball and killed about 10,000 ants. He kept swinging until there were only two ants left.

The one ant said to the other, "If we want to survive in this world, we had better get on the ball."

TOWN OF KEWASKUM BOARD OF REVIEW Monday, May 15, 1989

5:30 p.m. to 10:00 p.m.

LABOR CENTER HALL

1230 Fond du Lac Avenue, Kewaskum, WI

PURPOSE: Review and Check 1989 Assessment Roll for Errors and Omissions

Badger State Mutual to Offer Deer Whistles

Badger State Mutual Casualty Company, Brookfield, WI, has announced that it will offer animal warning devices, commonly known as deer whistles, free of charge to its automobile policyholders. These wind-activated devices, which are installed on the front bumper of a vehicle, emit a high frequency sound which alerts animals, especially deer, of an approaching vehicle.

Deer-vehicle accidents have become a significant problem in Wisconsin where the deer herd is now estimated to number nearly a million. The Wisconsin Department of Transportation reported 14,873 such accidents in 1987, resulting in 547 injuries

and one death. Economic losses exceeded \$28 million. Statistics for 1988 are expected to show an even higher incident rate.

The Wisconsin State Patrol, several County Sheriff's Departments, and a number of trucking companies are already using the whistles. By distributing these devices, Badger State Mutual hopes to reduce the frequency of deer related accidents involving their automobile policyholders, which would result in savings to both the policyholders and the company.

The deer whistles being distributed were manufactured in Wisconsin by Game Warning System, Inc. of Menomonee Falls.

TOWN OF WAYNE

The assessor will have an open assessment roll with all the 1989 assessed valuations at the Town Hall, 6030 Hwy. H, on Thursday, May 11, 1989, during the hours of 3:00 p.m. to 7 p.m.

ORVILLE KERN, CLERK

Town of Wayne BOARD OF REVIEW

The Board of Review will be held on Monday, May 15, 1989, during the hours of 6:00 P.M. to 10:00 P.M. for the purpose of reviewing and examining the assessment roll of real and personal property of the town.

ORVILLE KERN, CLERK

KHS Girl Trackers Finish 2nd In Washington County Meet

The girls track team continues to run, jump, and throw their way into victory these days and at the recent Washington County Outdoor Championship meet, nine Kewaskum athletes finished in the top three, four of those being firsts. According to Coach Perry Koth, had the team been healthy, they had a shot at taking the meet. "Two key performers were out due to injury for this meet, Joy Braun hurt her back and Laurie Vogt ran injured and her times were 'slow because of it,'" stated Koth.

Championship honors went to Slinger with 120 points to Kewaskum's 98 points. Following in order West Bend West tallied 96 pts., Germantown 89 pts., Kettle Moraine Lutheran 41 pts., Hartford 38 pts., and West Bend East 14 pts.

Capturing two first places for the Indians was senior Tina Weddig in the shot put and discus. Her competition, teammate Tammy Sabish came in with a second in the shot and a fourth place in the discus. Said Coach Koth, "Both of these girls continue to work hard and place consistently in the meets... they do a good job."

On the track, the 800 m. relay team of Melissa Braun, Shelly Kasseckert, Rachelle Zuehlke, and Kristi Lubahn just missed the school record by 1 tenth of a second. They were clocked at 1:51.2 with the record being 1:51.1. Lubahn also closed in on the 300 m. hurdle record which she set last year by sprinting to within 3 tenths of a second of it with a time of 49.1. Zuehlke is just one second away from the 400 m. dash record with her personal best of 1:01.8 but its questionable we'll see her back at top capacity due to a recent injury.

Runners Lubahn, Melissa Braun, Zuehlke, and Laurie Vogt have been turning in fine performances all year for the Indians. Zuehlke, the "strongest overall runner on the team" according to Coach Koth has accumulated 11 firsts, three seconds, one third, and one fourth on the season so far and has run three events every meet. Her specialty is the 400 m. in which she is running at near record-breaking times and she is involved in the 800 and 1600 m. relays teams, the 800 m. team having never been beat.

Melissa Braun, the sophomore sprinting sensation is two tenths off the 100 m. dash with a time of 13.3. She has sprinted to seven firsts, two seconds, and one third this season. Besides her specialty she is also on the 800 m. unbeaten relay team and the 400 m. relay team.

Junior Kristi Lubahn is nearing the 300 m. hurdle record she set last year and continues to dominate that event as she has not been beaten yet this year. She is also part of the unbeaten 800 m. relay team and runs with the 400 m. relay team. Lubahn has brought home 11 firsts and 2 thirds thus far this year.

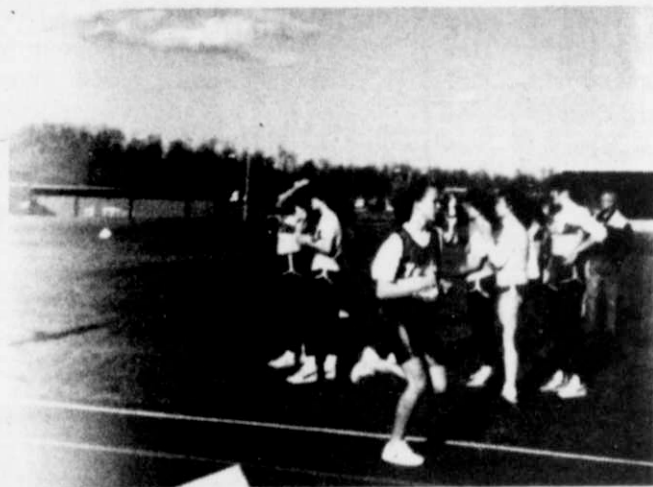

"The strongest distance runner we've had in several years" is how Coach Koth describes sophomore Laurie Vogt, a runner who really gives her all to the sport. Vogt runs the 800 m, 1600 m, and 3200 m.

Junior Pam Osterbrink clears the high jump at a recent track meet. Osterbrink tied the school record and is looking to break it in upcoming meets.

Sophomore Laurie Vogt continues to "shine" in the distance events for the girl trackers. She has been running the 800m, 1600m, and 3200m with the 1600m being her specialty.

Sophomore Rachelle Zuehlke sprints to the finish line in a recent 400m race. Her best time of 61.8 seconds is just .8 of a second away from the school record.

Anchorman Junior Kristi Lubahn breaks the string to win the 800 relay for the Indians. The team of Lubahn, Melissa Braun, Zuehlke, and Shelley Kasseckert have not been beaten in this event yet this year.

and also the 1600 relay, her strongest event being the 1600 m. individual run. Vogt has "endured" to six firsts, one third, two fourths, and one sixth place finish and Coach Koth is looking for her to do great things in her running career.

Coach Koth is proud of all his trackers and the fine performances that have been exhibited thus far this year. This week the girls will be involved in four meets and who knows... maybe some of the school records will be broken.

Dreher Bags Early Thanksgiving Dinner

Chuck Dreher of Kewaskum proudly displays the big gobbler he took during last week's open turkey season in the western part of the state. The 30 1/4 pound 'Tom' was shot about 9 a.m. last Wednesday near Richland Center.

Wild Turkey Hunt Off to Good Start

MADISON — Hunters registered a total of 1,503 wild turkeys by the end of the first of four spring turkey-hunting periods, according to preliminary reports from the Department of Natural Resources.

The total is slightly more than the entire 1987 harvest of 1,482 and well above 1988's first period harvest of 686. The first hunting period this spring ran from April 19 through 23.

"Most of the first period's turkeys were bagged in southern and western Wisconsin, where wild turkeys are prolific," said Ed Frank, Department farm wildlife specialist.

Frank attributed this spring's higher turkey harvest to an increase in hunting permits issued by the Department, even though first period success rates were up slightly over 1988.

A total of 5,320 permits were issued for each time period in 1989, compared to 2,768 permits in 1988. Five more zones were opened to turkey hunting this spring in addition to a 61 percent increase in permits issued for zones open last year.

Good weather also contributed to hunters' success so far this spring, Frank said. The largest turkey taken last week was a 28.5 pound gobbler registered at Prairie du Chien. One gobbler with seven beards and another with eight also were registered.

The remaining spring turkey hunting periods were and will be held April 26 to 30, May 3 to 7 and May 10 to 14.

Boys Tennis Team Continues to Struggle

The KHS number one doubles team of Ira Sison and George Walz turned out to be the sole victors in the recent meet against Two Rivers. Coach Rosenthal was pleased with their victory stating the doubles team "played super" and really "got their act together."

Unfortunately this was Coach Rosenthal's only highlight in what appears to be turning into a slow season. All the singles matches were lost in straight sets with Freshman Shawn Schneider putting up a fight in his second set before dropping 7-6.

Number two doubles team Chris Weddig and Mark Piwowarczyk also lost their first set 7-6 before bowing in defeat in straight sets. The tennis team will be looking for victory number one this week and we wish them luck.

The longest professional football run from scrimmage was accomplished on January 3, 1983 when Tony Dorsett of the Dallas Cowboys ran 99 yards to score a touchdown.

KHS Boys Track Team Places 4th in Washington County Meet

The Kewaskum Boys Track team compiled 62 points in the Washington County Outdoor Championship meet last week which was enough to earn them a 4th place finish out of seven schools.

Highlights of the meet included a school record breaking run by Senior Ryan Degnitz in the 300 intermediate hurdles with a time of 41.1.

Other first place finishers included Marty Schulteis in the 110 high hurdles with a time of 16.0, Chris Donath in the 800 run, who was clocked at 2:04.6, and on the field, Jeff Taylor heaved the shot put 49' 6 1/2" to earn him first place.

All four of these Indian trackers continue to dominate these events and if the Boy's team had any depth, they'd probably place higher in team standings. The lack of numbers continues to hurt the team.

Senior Ryan Degnitz recently broke the 300 intermediate hurdle school record at the Washington County Outdoor Championship meet.

SECOND ANNUAL KEWASKUM OPEN

Fishing Season Opens Saturday

Southeast Wisconsin anglers are reminded that opening day of the general inland fishing season is Saturday, May 6; with trout fishing beginning at 5:00 a.m. and fishing for other gamefish starting at 12:01 a.m.

As in past years, several lakes will be stocked with mostly legal sized trout and should provide hot action for trout anglers. These lakes included: Lower Nashotah in Waukesha County, stocked with 6,000 trout; Fowler Lake in the City of Oconomowoc, stocked with 6,000 trout; Lannon Quarry in Waukesha County's Menomonee Park, stocked with 5,200 trout; Rock Lake in Kenosha County, stocked with 6,000 trout; and Big Elkhart and Butler Lakes in Sheboygan County, stocked with 3,000 and 1,000 trout respectively.

The newest lake on this list is Fowler Lake in Oconomowoc. At 78 acres and 50 feet in depth, Fowler has extensive city-owned lake frontage and a handicapped accessible fishing pier. Shore fishing is free, while carry-on and trailered boat launching will be charged \$2.50 and \$3.50, respectively. The city-owned launch is on St. Paul St. and there is ample parking available at public parking lots.

A 1989 fishing license and inland trout stamp is required for all anglers 16-65 years

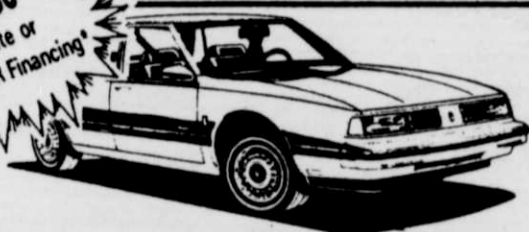

As with most other trout waters in the Southern trout zone, the daily bag limit is three trout and the size limit is nine inches. Southeast district fish manager, James McNelly notes that "although most stocked trout should be nine inches or longer, if you catch an undersized fish that's deeply hooked on live bait, please just cut the line and let the trout swim away with the hook in its gullet. The fish will live and grow to be caught again."

McNelly also reminds all anglers that the new 14 inch size limit on large and smallmouth bass is in effect in southern Wisconsin, and the bass size limit is 12 inches in northern Wisconsin. For further information, contact your nearest Department of Natural Resources office. Offices are located in Milwaukee, Eagle, Plymouth, Hartford and Kansasville.
