## Sisons Plan 47-Unit Complex Construction Behind Clinic

Dr. Cesar Sison is moving ahead with plans to construct a new residential facility on land east of the Sison Medical and Professional Building on S. Fond du Lac Ave.

Final plans are expected to be completed within five to ten days and forwarded to Madison for state approval.

The three-story building will contain fifteen community based residential care facility rooms, six one-bedroom and

two two-bedroom apartments on the first floor with two of the units designed for disabled individuals. The second and third floors will have four two-bedroom and eight one-bedroom units. The building will have a common entrance for all the apartments which leads to an elevator.

Dr. Sison said his project will be directed towards providing housing for adults who desire

living independence but they, their spouse, or older adult child may need some assistance with their medical or personal needs which makes it difficult for them to live alone.

This will not be a nursing home facility or setting, noted Dr. Sison, but rather a homelike residence where medical and professional assistance is at hand if needed.

## School Board Okays Borrowing \$200,000 for Capital Improvements

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum School Board has given the green light to an administration request to borrow \$200,000 for district capital improvements, most of which would be completed during the 1989-90 school year.

None of the nine projects, on a list presented to the board at its meeting Monday, are currently figured into the 1989-90 budget. Of the nine items, only two drew heated and lengthy discussions among the board members. They were construction of walls to enclose classrooms in the open concept areas of the Kewaskum Middle and Farmington Elementary schools.

Because of the strong views for, and against the proposed wall projects, the board was unable to approve the list as a package and ended up voting on each of the items separately.

Principal Stephen King repeatedly told the board that he and his teaching and support staff felt the walls were necessary at KMS to cut down on noise levels which were causing learning distractions for some students, especially those who sat towards the rear of classrooms.

Ruth Schmitt was adamantly opposed to the wall requests and told fellow board members she would vote against them. "I went through my notes over the past three years and your staff assured us there were not problems," Schmitt told King.

As for the walls proposal at Farmington, Schmitt said she would like to see divider type portable walls which would allow the area to be opened to provide large open areas for special events and functions.

Board member Perry

Ankerson agreed with Schmitt. "I've never had a parent address me on the issue of walls at KMS," said Ankerson. He said he did not feel they were a good investment. "I think there are other things we should look at ahead of \$35,000 for walls."

Board member Paul Seymour strongly disagreed with the two, noting he had attended an open concept elementary school and he could see the need for the walls.

To get things moving, it was agreed that each of the items should be voted on individually. A motion by Seymour to approve the KMS wall construction was defeated 4-3, with Schmitt, Ankerson, Ron Beimborn and Don Nowak voting no, Seymour, John Schulte and Neal Weare voting yes. A motion by Seymour to approve the Farmington walls, however, passed on a 5-2 vote, with Schmitt and Beimborn voting no.

The remaining projects were approved by majority board votes. They include \$80,000 for repairs of the 1966 section of the high school roof, \$25,000 for asbestos removal at Kewaskum and Farmington Elementary schools, \$10,000 for computer software and hardware for KHS student records (the district presently pays CESA 6, \$6,300 annually for this service), \$5,000 for replacement of the district's maintenance van, \$19,000 for two Risograph copiers, \$14,000 for an air exchanger in the Welding Shop, and \$2,000 to rebuild the baseball infield (this figure was dropped from \$5,000).

With the removal of the KMS walls at an estimated cost of \$35,000, the board considered other items which could be done with those remaining funds. It

approved two additional items for funding with the loan money. The first was \$5,000 for a new gymnastics mat which had originally been on the list but replaced by the ball field repairs and second, the completion of one each additional girls and boys bathroom at the middle school at a cost of \$4,500. Beimborn, who has been pushing this project for several years, told fellow board members the rooms were already roughed in, including plumbing and all that is needed to complete the bathrooms is the installation of fixtures.

Administrator Dr. David Heather said the KMS bathrooms had already been included in the 89-90 budget. Ankerson noted, however, that moving that item to the Capital Improvements program would lower the budget by that amount.

The approximately \$30,000 remaining will be left open while the board looks at other items on the district's five-year capital improvements list.

In other action the board approved several coaching and advisor assignments. They include Glenn Eichstedt as head girls basketball coach, Dale Schatz ass't. boys basketball coach and FBLA advisor, Lisa Donath ass't. volleyball coach, Mrs. Alvarado fall musical choreographer, Irene Heather cheerleading, and Linda Bastable KMS Student Council advisor.

The board also approved a 50 percent kindergarten teaching contract for Carol Zoreb to cover a child care leave and Christine Berens for an early childhood-exceptional education needs position.

The board accepted the

## Kiwanis New Turkey Shoot at NF Sportsman's Club Sunday

The Kiwanis Club of Kewaskum in cooperation with the New Fane Sportsman's Club is sponsoring a New Turkey Shoot. This year's event will be held September 17 from 9 a.m. to 5 p.m. at the New Fane Sportsman's Club grounds four miles north of Kewaskum on County Trunk G.

This year's event will feature trap shooting contests throughout the day. In addition, there will be pistol shoots, archery, compound bow shoot, sausage shoot, trout fishing and children's games. Food and beverages will be available.

The major change besides the

location is that the firing line using balloons for targets will be eliminated.

Successful participants will win fine frozen turkeys on most events.

Young and old anglers participating at the trout pond will keep the fish they get. There will also be a grand prize for the person catching the largest fish.

Advanced sale tickets will cost \$2.50 each. They may be purchased by mailing your check to Kiwanis Club of Kewaskum, P. O. Box 68, Kewaskum, Wisconsin 53040.

## Arkansas Man Killed In Town of Wayne Accident

By GERRY MUELLER  
Statesman Staff Writer

An Arkansas man became Washington County's 19th traffic fatality as the result of an accident which occurred at approximately 12:09 a.m., Thursday, Sept. 7, at the intersection of Highways 41 and D, in the Town of Wayne.

The victim, Arthur C. Paul, 81, of Fort Smith, Arkansas, had been involved in a minor non-injury accident at the same location just prior to being struck by a northbound vehicle on Highway 41, driven by Whitney S. Hakes, 24, of Fond

du Lac.

According to the Sheriff's Department, it appears as if Paul had walked out into the righthand, northbound lane of Highway 41, possibly to pick up some debris or to flag down a passing vehicle when he was struck by the Hakes vehicle.

The report noted that the accident occurred in an area of very dense fog which undoubtedly was a contributing factor. The release stated Hakes attempted to avoid striking Paul, but was unable to do so. No citations are anticipated.

## KEWASKUM LIONS CLUB MONTHLY RAFFLE WINNERS

Drawing was held in September at the Amerahn for the Lions Club Raffle. One hundred dollar winners for this month were: Alvin Mueller, Hartford, Ted Miller, Kewaskum, Chuck Schreier, West Bend.

Monies from the raffle are used to support the local "Quest Program," fighting drugs through education and other community functions.

resignations of Rob Anglim and Mary Lloyd.

Dr. Heather gave a short presentation on the district's "O" report which covers the results of various national and state competency tests taken by the district's elementary and high school level students. Heather told the board Kewaskum's students scored above average on all the tests.

The board also heard a brief curriculum presentation for the art and music departments by high school art teacher Mary Stephan and music instructor Eric Christie.

## Open House for Fiftieth Anniversary

Bernetta and Ludwig Roecker

Ludwig and Bernetta Roecker, 1700 Creek Drive, Apt. 105, West Bend, will celebrate their golden wedding anniversary on Sunday, September 24, with an Open House at Peace United Church of Christ, 343 1st Street, Kewaskum, from 2:00 to 5:00 p.m.

The former Bernetta Seyfert and Ludwig Roecker were married on September 27, 1939, at St. John's Church, Kohlsville.

Attendants at their wedding were Edna Henrich (Seyfert), Lucille Rosenthal (Roecker), Melvin Seyfert (deceased), and

Roland Roecker (deceased). Ringbearer was Harold Roecker and flower girl was Arleen Fosdick (Opsal).

The Roeckers were former Kewaskum residents. He was employed at Regal Ware.

Ludwig and Bernetta have four children, Jean (Robert) Becker, Kewaskum, Richard, Chicago, Thomas (Darlene), Lomira, and Harry (Lori) of Kewaskum. They have five grandchildren, two great-granddaughters and three step-great-grandchildren.

The couple requests that gifts be omitted.

### SUPER SUMMER SAFARI COMES TO A CLOSE AT RANDOM LAKE

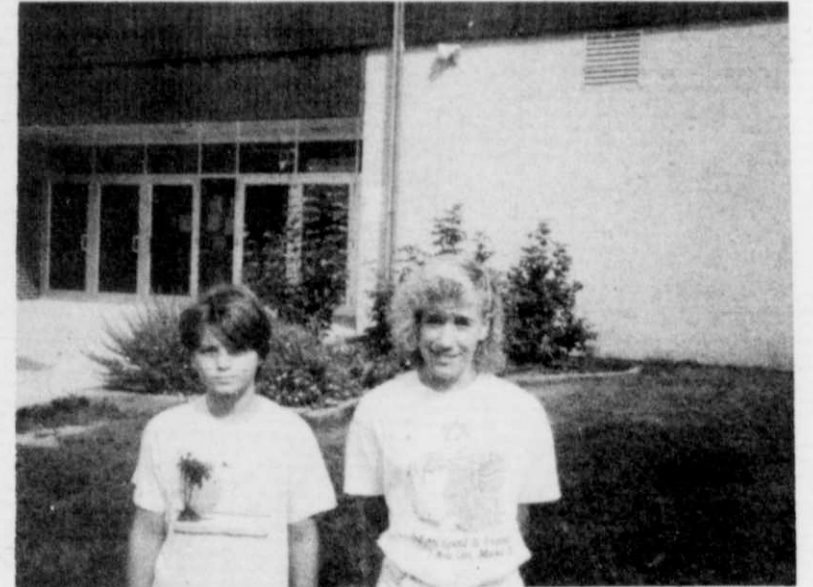

A gold-star performance by folksingers / storytellers Roxanne Neat and David Stoeri of Janesville drew the Random Lake Public Library's "Super Summer Safari" library program to a close recently. A filled to capacity crowd of 120 plus enjoyed the program complete with cake and ice cream refreshments.

The Library's six week program saw 252 children (a 33 percent increase in participation from 1988) read a whopping 3768 books (a 46% increase of books read from 1988)! One hundred seventy-five children fulfilled or surpassed their personal reading goals. Each received a coupon good for a sundae for the Sheboygan Dairy Queen Restaurants and a free Jr. Admission to the Milwaukee County Zoo.

The Grand Prize Winner (tiger rug) was Jason Price, rural Fredonia.

Funding for the special guest performers during the program was made possible by underwriting from the State Bank of Random Lake. This annual Summer Library is sponsored each year by the Random Lake Public Library in cooperation with the Eastern Shores Library System.

### KMS 'Good News Lottery' Winners of the Week

Jason Daniel, left, son of Karen Daniel, and Becky Yogerst, right, daughter of Mr. and Mrs. Robert Yogerst, were 6th and 7th grade winners in the "Good News Lottery" at Kewaskum Middle School for the week of September 4th. Jason and Becky were given "Good News" reports for completing math basics in Mr. Erickson's room.

Martha Washington's silver service it is said was the source of the silver that went into the first U.S. coins.

# A Column of Opinion

by

Attorney General Don Hanaway

Drugs are front page news in America. President Bush's recent prime time address to the nation focused national attention on the issue of drug abuse in our society like it has never been focused before.

It is none too soon. It is time to tackle the nation's No. 1 domestic problem — drug abuse.

As a recent report by the United States Department of Justice indicates, drug abuse is no longer confined to the largest urban areas in the United States. Drug abuse is alive and pervasive right here in Wisconsin from Milwaukee to Madison, from Racine to Superior, and from LaCrosse to Kewaunee.

Almost a half a million Wisconsin residents have used drugs. Approximately 40,000 report regular cocaine use. One-half of them are addicts. Ten thousand support their habits by committing crimes.

Drugs have a dramatic impact on crime in Wisconsin. In 1988, almost 9,000 people were arrested in Wisconsin for the sale and/or possession of drugs. Between 1986 and 1988, the number of cocaine-related arrests more than doubled.

We need help in Wisconsin and I believe that the President's drug strategy represents a significant first step in the drug battle.

In the past, the federal government did not have such a strategy. Now we have one. It is not perfect. It is not complete. It is not the ultimate solution. But it is a significant improvement. It begins to shift the emphasis from international scene to the streets of our communities.

The biggest commitment is in enforcement. The President announced a \$350 million increase to local law enforcement agencies. Preliminary reports indicate that Wisconsin could receive \$3.9 million for a variety of state and local needs.

Will that help? Absolutely. There is no secret to combatting the drug epidemic. It requires dedicated personnel. It requires supportive resources. It requires inter-agency coordination.

But as anyone in law enforcement will readily acknowledge, the cops can't fight the war alone. I fervently believe that education and community programs are the most effective tools we have in fighting this war. Street level law enforcement is good and we welcome the additional assistance. But we need to increase attention to street level drug prevention efforts as well. That is where the problems are, and that is ultimately where the solutions will have to originate.

More police, more arrests, and more prisons are not the ultimate solution. The ultimate solution lies in reducing the demand for drugs in our neighborhoods and providing realistic alternatives to drug dealing for those living in substandard economic conditions.

We have come a long way in this effort. What was once tolerated is now intolerable. We are changing our attitudes. We are changing our priorities. We can win.

I look forward to working with you in order to insure that victory.

## Coordinate Your Wardrobe With Moraine Park Course

If your closet doesn't look the way you'd like it to, consider Moraine Park Technical College's Wardrobe Planning and Selection course held Sept. 25 - Oct. 30, from 7-9:40 p.m. on the West Bend campus.

This course emphasizes new colors and styles for spring and useful ideas to sharpen image

and define the total look. Home economist Barb Shaw will use her extensive background in clothing and textiles to color analyze each student in the course.

Classes will meet at the West Bend Annex Q, 1702 E. Washington, West Bend. The fee for course No. 301-424-001 is \$17.90. Call Moraine Park at 334-0909 to register for this class.

**Past Turkey Shoots Have Benefitted Entire Community**

For the past 36 years, the Kewaskum Kiwanis Club held an annual Turkey Shoot at the Bar-N-Ranch. Many individuals and organizations through the years helped with this event and the Club extends appreciation and thanks to them and especially to the former owners of the Bar-N-Ranch, Wally Timmerman, Agnes and Elmer Kittel of the Bar-N-Ranch Tavern, the Heberer Brothers, the Boy Scouts, Key Club and spouses of Kiwanis.

On September 17th, the Kiwanis will hold the Turkey Shoot at a new location, the New Fane Sportsman Club. Some events have changed and some new events added. Hopefully with your support, the Kiwanis Club can continue this tradition. With this annual fund raiser and other programs, the Kiwanis Club has done much for the community since their charter in September, 1947.

In 1948, the Club was instrumental in getting the Village to erect street signs, worked to improve the telephone service in Kewaskum, raised funds for high school band uniforms and purchased rain coats for safety patrols. For the next 30 years and recently they sponsored Christmas parties for the small children in the community.

In 1950 a clock was purchased for the Holy Trinity church steeple. In 1953, funds were contributed to the library to purchase books. Since 1954 and into the early 70's the club provided and sponsored prizes for the Christmas decoration contest in the village, purchased bleachers for the high school athletic field, and made donations to the village in excess of \$1,000.00 through the years to purchase Christmas decorations.

In 1952, the Kiwanis organized and held the first "Turkey Shoot" at the Bar-N-Ranch as the main fund raiser that continued to provide funds for the next 36 years.

In 1958, they began the sponsorship of the Little League Baseball program, purchased 56 uniforms, bats, and baseballs and provided volunteers to manage the teams. In 1959, funds and labor prepared a beach, cleaned the river, and provided a pier and life guards for a swimming beach north of the dam on the

Milwaukee River.

In 1959 and several years thereafter, the Club purchased playground equipment for the village park near the river beach area amounting to over \$1,000.00.

In 1961, they provided funds for a record player and shelter for the ice skating rink at the river. In 1962 two tennis courts were built at the Kewaskum High School and two more in 1975 at a total cost of almost \$19,000.00, and on several occasions funding purchased Auxiliary Police uniforms. Constructed road signs welcome visitors to Kewaskum.

In 1968 and several years after the club contributed over \$500.00 per year for equipment to supervise summer recreation programs sponsored by the village of Kewaskum, and spent \$150.00 for park benches and \$500.00 for architect fees for a proposed swimming pool to be enclosed at the high school.

In 1971, they purchased 300 brochures for a drug alert program at school. In 1972 \$77,000.00 went to the village for the new village park and swimming pool on the west side of the village. In 1974 \$200.00 purchased a sight machine, and \$150.00 for flower boxes on the bridge over the Milwaukee River plus maintenance and plants.

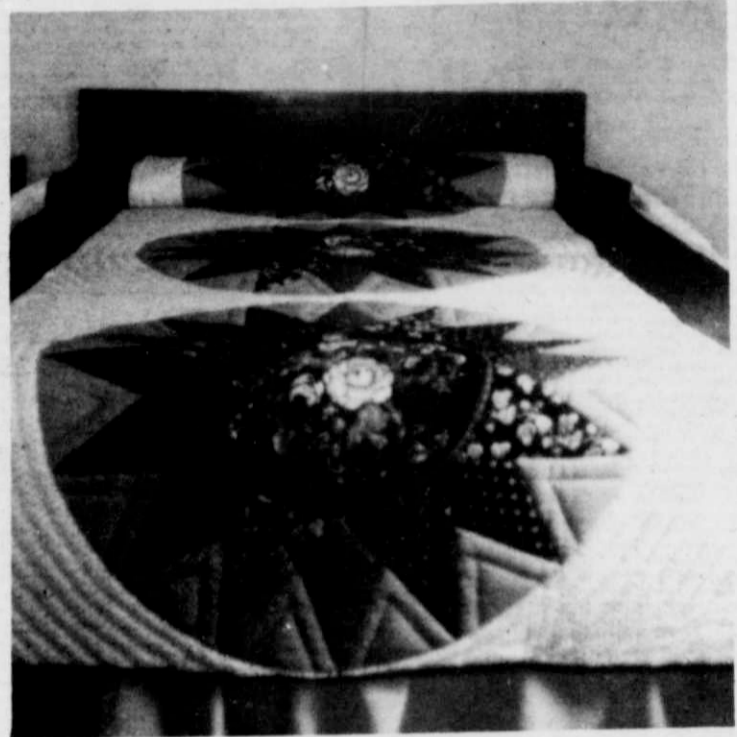

1976 and 1983, Kiwanis donated \$100.00 to the Chamber of Commerce for their advertising brochure, donated \$1,000.00 toward a "Resuscitation" for the Kewaskum Rescue Squad, donated \$250.00 in late 60's and mid 70's for playground equipment at St. Lucas Lutheran School Church. In 1976, the Kewaskum Historical Society Museum received \$200.

In 1982, \$5,200.00 went for repair and resurfacing the tennis courts at the high school. In 1983, they assisted the Junior Women's Club with \$300.00 to plant trees in the new Kiwanis park. In 1985, \$500.00 was contributed to the Neighborhood Watch Program. In 1981, \$5,000.00 was donated to the village Fire Department for "Jaws of Life." In 1986, \$2,000.00 bought the village Rescue Department a rescue sled, and \$30,000.00 bought a new shelter at the Kiwanis park on the west side of the village. In 1987, \$100.00 provided a Halloween party for the

children in the community. In 1988, the Kiwanis donated \$500.00 to the village for park improvement.

In addition and since the founding of the Club it has sponsored and supported the Boys and Girl Scouts in the community, Key Club in the high school, and each year since the early 50's, contributed funds to high school students for college, business and technical scholarships. In recent years they've provided volunteers to assist in distribution of cheese and surplus food to the needy in and around the community. All of this came out of a club consisting of high spirited, community minded members taking extra time and energies in contributing their talents and money to make this community a little better place for you and your children.

The Kiwanis Club looks for your continued support and welcomes you to attend their New Turkey Shoot Sunday, September 17th, 9:00 a.m. to 5:00 p.m. Join in the fun, visit with friends, have a brat, play the games, win a turkey, support your youth and community.

**QUILT ON DISPLAY** — St. Michael's and St. John of God Christian Women's Group have made this hand-stitched queen size quilt for their Fall Festival which will be held on Sunday, Sept. 24. The quilt is on display at Valley Bank in Kewaskum.

**KEWASKUM LIBRARY FALL STORYTIME**

In 1987, \$100.00 provided a Halloween party for the

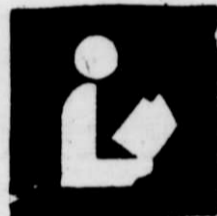

children in the community. In 1988, the Kiwanis donated \$500.00 to the village for park improvement.

In addition and since the founding of the Club it has sponsored and supported the Boys and Girl Scouts in the community, Key Club in the high school, and each year since the early 50's, contributed funds to high school students for college, business and technical scholarships. In recent years they've provided volunteers to assist in distribution of cheese and surplus food to the needy in and around the community. All of this came out of a club consisting of high spirited, community minded members taking extra time and energies in contributing their talents and money to make this community a little better place for you and your children.

The Kiwanis Club looks for your continued support and welcomes you to attend their New Turkey Shoot Sunday, September 17th, 9:00 a.m. to 5:00 p.m. Join in the fun, visit with friends, have a brat, play the games, win a turkey, support your youth and community.

The members of the Washington County Beekeepers Association and their friends enjoyed a pleasant outing at the Nenno Park, town of Addison, Sunday afternoon, listening to the speakers and viewing Joe Zwarlein's beeyard. Alfred H. Seefeldt of Kewaskum, president of the association, introduced the speakers.

Miss Rosemary Haug, daughter of Mr. and Mrs. P. J. Haug of Kewaskum, on Thursday, Sept. 14, was graduated from the Wisconsin Conservatory of Music in Milwaukee, where she took a two-year piano course. Miss Haug was awarded a teacher's certificate in piano.

For the past month and continuing to Sept. 30, the L. Rosenheimer store has been sponsoring a bicycle contest which is creating much interest among children in Kewaskum and the rural districts. Fifteen valuable prizes, with a beautiful \$35 Packard bicycle heading the list, will go to contestants having the greatest number of votes when the contest ends. Votes are obtained through purchases by contestants and friends and by bringing in old

shoes every Monday. All the old shoes will be given to charity. To date 5,000 pairs of old shoes have been received. Each day for the last two weeks of the contest 4,000 votes will be given for every dollar's worth of purchases, with double votes for shoe purchases of the 50 contestants entered thus far, the twenty leaders and their standings are as listed: Mary Jane Mayer - 2,072,000 votes, Bobby Dreher - 1,975,000, Johnnie Geidel - 1,955,000, Loran Backhaus, Jr. - 1,571,000, Delbert Petermann 1,022,000, Lloyd Etta - 863,000, Helen Bunkelmann - 850,000, Gladys Weddig - 833,000, Ruth Koenig - 805,000, Doris Mae Stahl - 658,000, John Foerster, Jr. - 652,000, Dorothy Harter 500,000, Gilbert Seil - 422,000, Marjorie Schmidt - 349,000, Sylvester Wondra - 346,000, Roger Koch - 330,000, Roger Reindl - 310,000, Mary Ellen Miller - 241,000, Wayland Tassar - 234,000, Barbara Schaefer - 173,000.

## 75 Years Ago

Sept. 12, 1914

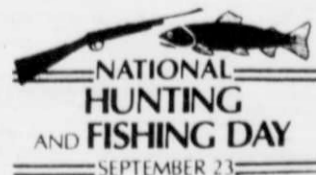

George Hron and Erwin Rehm had an experience last Thursday which they will remember as long as they live. They were coming down the hill this side of Barton in the former's five passenger car. One of the wheels broke at the foot of the hill and Mr. Hron had no control of the car. It was running at considerable speed and crashed into a telephone pole, the occupants being hurled out of the car, Rehm going at least 40 feet. Both were cut about the face, but received no other injuries. The auto is a complete wreck and cannot be repaired. The pole, about 15 inches thick, was moved nearly a foot, broke off about six feet from the top and badly splintered below.

Two men of Kewaskum were arraigned before Justice of the Peace W.P. Rix last Saturday charged with illegal hunting. They were Fred Andrae and Frank Kohn, both being caught shooting squirrels by Game Warden A.R. Brunet of Fond du Lac. Both pleaded guilty and where given the minimum fine, \$25.

Edward Zingsheim of Allenton has purchased the Commercial Hotel property in Lomira from Jos. Mack, Sr., who has conducted the hotel for the past twelve years. Mr. Zingsheim will take possession Oct. 1.

A fire last Wednesday afternoon destroyed the house and barn on the farm of Andrew Bassler, two miles northeast of St. Lawrence. The threshing crew of Funk & Weich were threshing for Mr. Bassler and a spark from the engine set fire to the straw stack. About 2,000 bushels of grain, several hogs and some machinery was host in the flames. Every building on the premises went up in smoke and the loss is quite large.

Chas Corbett, Dundee, had a narrow escape from serious injury when his team of horses became frightened by an auto and through him out of the rig, inflicting a deep cut on his head.

## Vehicle Emission Stations Gather Food Items for Area Food Pantries

Southeastern Wisconsin motorists will have the opportunity to help the area's needy citizens through the Wisconsin Vehicle Inspection Program's Care and Share Food Drive. They'll have that chance, thanks to the joint efforts of the Division of Motor Vehicles and the Hamilton Test Systems (HTS) unit of United Technologies Control Systems. HTS is the state's contractor for the Vehicle Inspection Program.

Beginning September 18 and continuing through December 28, each of the 10 southeastern Wisconsin emissions stations will accept donations of canned goods and other non-perishable foods. These donations will be turned over to emergency food

banks and food pantries which rely on such contributions to supplement the daily nutritional needs of low income people.

Motorists who bring their cars in for their annual emissions inspection can contribute by giving their donations to the inspectors at the station. All donations will then be forwarded to the participating food banks in that area.

"We are delighted that through the Wisconsin Vehicle Inspection Program, the Division of Motor Vehicles and Hamilton Test Systems are able to join forces to help out in such a worthy effort," Said Donald Dean, Chief of the Motor Vehicle Inspection Program.

"Wisconsin has a proud history of helping unfortunate citizens and we hope that by encouraging motorists to use the emission stations as convenient food drop-off points, we'll be able to help our hungry residents during the holiday season."

"Control Systems has participated in annual food drives in our other vehicle inspection programs, operated in Arizona and Connecticut," said Marilyn Barkan, Hamilton Test Systems program manager. "We hope that our people and the DMV will make Care and Share a seasonal tradition."

Donations will be accepted at the emissions stations during hours of operation. Stations are open Monday, Wednesday and Friday from 8 a.m. to 3:20 p.m., and Tuesday and Thursday from 8 a.m. - 7:30 p.m.

# We Turn Houses Into Homes

Left to Right: Charleen Baruth - Asst. Vice President/Branch Manager, Kewaskum and Pam Gruber - Asst. Secretary/Branch Manager, West Bend

Charleen and Pam spend their weekdays, evenings and even some weekends working with area realtors and builders making sure that West Bend Savings is providing the money to turn houses into homes.

In today's mortgage world the "players" are getting harder to choose. Everyone touts low rates, fast service and smiling faces. What's left?.....DEPENDABILITY.

When it's all said and done, maybe you should be calling a HOME LENDER. People like Charleen and Pam are the reason why West Bend Savings has been the county's home loan leader since 1926.

If you're touring houses looking for your home, give us a call...we'll do the rest.

# KHS Girls' Volleyball Teams Off to Good Start

by Kim Stielow

The Kewaskum High School girls' volleyball program seems to be off to a great start, with all three levels, freshmen, JV and varsity holding a record of 3-0.

There is a lot of talent at the freshmen level this year which is coached by Ms. Hofeltz, and there is a lot of talent up and coming with the Kewaskum Junior Varsity, which has a new coach in Mrs. Donath.

At the varsity level, there are five returning letter winners: Andrea Fliess, Karen Felix, Tisha Stradtman, Tina Weddig and Lee Ann Winninghoff. The new senior members of the squad are Jessica Schmidt and Kim Stielow. The new juniors on the team are Laura Delcore, Nicole Doherty, Carrie Krause, Kelly Rohlinger, Tracy Steinert, Rochelle Zuehlke and Amy Chesak.

There is a lot of talent on all of these teams and they are expected to go a long way.

The last meet the Varsity played was against Sheboygan Falls, winning games 1 and 3 of the match, Game one's score was 15-10; game two 6-15, and game three was 16-14. They proved too, that they can keep the other team, as well as the audience, on their toes.

The leaders for high scoring in this match were Karen Felix and Andrea Fliess, each with 8 total points, and Lee Ann Winninghoff with 7 total points. Assist leaders were Tina Weddig and Tisha Stradtman, both having 9 assists, and lead saver was Tina Weddig with 3 saves. Winninghoff also had an excellent night with 19 serves and 7 kills.

The JVs also won all three of their matches with scores of 15-11, 15-12 and 15-6. High server of the night was Janel Flynn with 10 serves. Nicole Gaffke had 2 spike kills.

The freshmen team also kept the winning streak going for their team and Kewaskum, by defeating Sheboygan Falls.

Good luck to the varsity team as they travel to Campbellsport for a tournament on Saturday, Sept. 16.

by Rachel Howell

The Kewaskum Indians varsity volleyball team played an incredible game against Sheboygan Falls last Thursday, bringing their record to 3-0.

In the first game, the Indians were down 0-4. Rochelle Zuehlke's solid spike gave the side out to the Indians. Karen Felix, Tina Weddig and Adnrea Fliess followed suit. Fliess had four straight spikes.

Falls wasn't finished yet and with great serving, came within one point of the Indians. However, Kewaskum used the next few serves and Weddig finished the game with a spike.

Kewaskum couldn't seem to get

into the second game. The only high point came when Lee Ann Winninghoff served two aces. Falls was the eventual winner at 15-6.

Nicole Doherty began the third game with a spike making it 1-0 in favor of the Indians, but Falls took the next seven points. The Indians eventually got the serve back and Winninghoff tied it up 7-7.

The next few points see-sawed back and forth between the two teams and it looked to be an exciting conclusion to the match with Falls up 14-12. Tricia Stradtman then powered the Indians to a 16-14 victory with four straight serves.

Coach Rizzardi said the team owes the victory to experience.

## West Bend AAUW's Seasonal Kickoff

The West Bend Branch of the American Association of University Women will kick-off their seasonal year on September 18th. Members and prospective members will meet in small groups in members' homes at 5:45 p.m. for a taco salad supper. Following supper they will reconvene at the West Bend Gallery of Fine Arts at 7:30 for dessert and the presentation of the program for the AAUW year.

Membership is open to graduates of an accredited college or university. AAUW is a national organization dedicated to the advancement of women through education, professional development, and community service. Call Susan Grescoviak, phone 338-6279 if you are interested in joining the West Bend Branch.

The service project of the West Bend Branch is planning its used book sale. Books may be dropped off at the West Bend Community Memorial Library. The sale will be held Oct. 13 - 14 at the Paradise Mall.

Leadership posts for Crop Walk '89 were announced by Gary Forston, West Bend, Washington County Crop Walk '89 Event Coordinator.

The Crop Walk, which raises funds to aid the fight against World Hunger, will be held in West Bend on Sunday, October 15.

Leadership tasks for the 1989 Walk are as follows: Wendy Coulter (who was coordinator for last year's successful walk) West Bend, (phone 338-5656) Recruitment Chairperson; Steve Przedpelski (phone 338-9768) Arrangements Chairperson; Monica Donahue (phone 334-5521) Treasurer and Jos. Huber publicity.

Area leaders are: Don Zuern (phone 629-5084) Allenton; Harold Hauser (Phone 677-2067), Jackson-Slinger; Greg Young (phone 251-0640), Germantown; Kathy Fronek (phone 626-4524), Kewaskum and Gail Nauman (phone 675-6364) youth.

Persons who would like to volunteer for arrangements, manning check-points, registration or other activities are asked to call Steve Przedpelski at his home phone as listed.

Persons who want to walk or

to work on securing walkers for crop walk are asked to contact area leaders in the communities as listed.

The Washington County Crop Walk raises funds through a 10-kilometer (7½-mile) walk through West Bend area, with walkers enlisting pledges from donors based on the distance walked by the hunger hiker.

Last year over 400 hikers, representing Washington County church groups, service clubs, youth groups and as individuals, earned more than \$20,000 to be used to fight hunger.

Local crop walkers join with thousands of crop walkers across the nation working together thru Church World Service to help feed the hungry throughout to world. Church World Service works with on-site organizations that work efficiently with local groups in areas where aid is given.

Aid is in the form of direct

food gifts; help in improving farming methods; plant seeds; instructions in improving food storage and handling and other areas.

Additional information can be had by calling Gary Forsten, Event Coordinator, 338-0992, evenings.

## Kewaskum School District Receives Handicapped Education Flow-Through Grant

State Superintendent Herbert J. Grover has notified the Kewaskum School District that it will receive \$40,500 to fund this year's project.

The grant is made available under part B of the Education of the Handicapped Act, formerly known as Public Law 94-142. Administered by the Wisconsin Department of Public Instruction, the act requires states to provide a free, appropriate, public education for children between the ages of 3 and 21 who have exceptional educa-

tional needs (EEN).

The grant to Kewaskum will serve about 150 handicapped children in the district schools.

Statewide, all local educational agencies will share the more than \$25 million available under this program during the 1989-90 school year. Seventy-five percent of the federal funds will flow directly to local school districts.

Commenting on the grant award, project director Richard E. Zarling said, "The flow-through grants provide a broad

range of services for handicapped children. Our funds are being used this year to pay some salaries of instructional and support staff, purchase special materials and equipment, arrange for specialized evaluations, support vocational education programs as well as inservice training activities and a classroom remodeling project. As one can see, these funds continue to play a major role as the district provides for handicapped pupil programming."

# Minutes of Village Board Meeting

Mid-Monthly Meeting  
August 21, 1989  
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street. President Paul Blumer presided. Trustee Vincent Groh asked to be excused and was absent. All other trustee members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Larry Williams and unanimously carried by voice vote, the minutes of the August 7 & 17, 1989 meetings were approved as printed.

Water Pollution Control Superintendent Peter Albers reported that lift station #6 was placed into service on Wednesday, August 16, 1989.

Public Works Superintendent Augie Bilgo reported that the asphalt work, slurry seal coating and crack filling have been completed. Also work is progressing well on the Knights and Edgewood street projects. If the weather holds hopefully the work on Wildlife Drive will be completed shortly.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the applications for operator's (bartender's) licenses upon proper payment of fees and authorized the office to issue said licenses as follows:

Clayton C. Stautz, Kewaskum, WI  
Jeanni Poole, West Bend, WI  
Phyllis I. Schmidt, Kewaskum, WI

Note: The Police Department had no objections to any of the applications.

Administrator Daniel S. Schmidt reviewed a variety of correspondence with the Board as follows:

1. Annexation update and the scheduling of an informational meeting. (Tentative meeting date set for August 28, 1989)

2. Review of 1989 population for the village 2,479. (The annexation will increase the population count by another 26 people.)

3. The villages equalized values for 1989 were reviewed and the Board was informed the equalized value has increased \$3,758,400.

4. Review of some brief correspondence.

A brief discussion was held on the possible closing of Prospect Street behind Holy Trinity School once or twice per day to provide easier access to the school playground. The Board by consensus opposed any such action along with the Police Department's agreement.

Trustee Larry Williams, Chairman of the Public Services Committee reported that the committee is recommending opening the recycling center at 8:00 a.m. instead of 9:00 a.m. with the closing time being 2:00 p.m. until October 31, 1989 and after that date the time would be 8:00 a.m. to 1:00 p.m. On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board accepted the recommendation of the Public Services Committee.

Trustee Thomas McElhatton, Chairman of the Park & Recreation Committee reviewed the park statistics with the Board as follows:

Tennis 2 sessions with 72 participants for 1989.

Swim lessons for 1989: # of those in attendance 327.

Compared to Swim lessons for 1988: # of classes 51; # of those in attendance 325.

Total # of swimmers through the middle of August: 88 = 13,458; 89 = 10,427.

A discussion was held on the waiving of the village policy to permit the Kewaskum Kiwanis Club to use some of the Village's picnic tables at the New Fane Sportsman's Club for their Turkey Shoot. The Board is appreciative of everything the Kiwanians do for the village, but many organizations assist the village and that if one exception is made, more will be forced upon the village. The Administrator was directed to send them a letter of explanation.

Trustee Mary Krueger informed the Board that a Plan Commission is scheduled for August 29, 1989 at 8:00 p.m.

Trustee Kenneth Bonlender informed the Board that a County Wide Library Board Meeting is scheduled for August 23, 1989.

An update on the 1989 sidewalk rehabilitation program took place, with a brief discussion taking place on a request to have the village pick up more than the

## RESOLUTION NO. 89-17

The Village Board of Kewaskum, Wisconsin's position regarding the Washington County Jurisdictional Highway System Plan: 1988 Revisions

**WHEREAS**, the Village Board of the Village of Kewaskum, Washington County, Wisconsin has reviewed the system plan; and **WHEREAS**, the Village Board concurs with the basic plan and realizes the need for more highway improvements in Washington County; with one exception; and

**WHEREAS**, we all must plan ahead for future growth, it is felt that the expense would not warrant the benefits regarding the extension of CTH "J" north of USH "41" to STH "33"; and

**WHEREAS**, the Village Board questions that section of CTH "J" proposed for the area between STH "60" and USH "41"; and

**WHEREAS**, the Village Board is less involved with those direct needs of that area, it would be recommended to have the County Highway Committee, Jurisdictional Committee, SEWRPC, Department of Transportation and the involved Committees determine the need of that section of roadway.

**BE IT RESOLVED**, the Village Board is anticipating the Village of Kewaskum to grow in population as well as commercially and industrially over the next few years; and

**BE IT FURTHER RESOLVED**, that the Village Board supports and urges the extension of the additional two lanes of USH "45" to STH "28" (Main Street) to help alleviate the traffic congestion and help the movement of it; and

**BE IT FURTHER RESOLVED**, that the Village Board supports the improvement of the CTH "H" and USH "45" intersection as well as the completion of the new CTH connecting CTH "H" and STH "28" (west).

**NOW THEREFORE BE IT RESOLVED**, that the Village Board of the Village of Kewaskum endorses said system plan with the CTH "J" exception and urges a high priority be placed on the USH "45" (known as Fond du Lac Avenue) within the Village and that it be upgraded with a milling down of the surface and a new surface installed. Also, that a high priority be placed on the CTH "H" and USH "45" intersection and the proposed CTH connecting CTH "H" to STH "28".

**PASSED AND APPROVED** this 5th day of September, 1989.

agreed to 50 percent of the cost to repair/replace some sidewalk installed 30 plus years ago. The Board by consensus said that a formal claim should have been presented the Board when the sidewalk was originally found defective and that they as a Board could not justify any change now, so many years after the fact.

On a motion by Trustee Richard Schlice, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized the signing of a contract with W B Corporation, West Bend, WI, for Well #4 pumpstation the low bidder of \$75,127.00 as recommended by the Village Engineer.

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the application for a Special Class "B" Retail license to sell fermented malt beverages at picnics or gatherings for the Kewaskum Historical Society, Inc. for their Early Farm Days Show, September 10, 1989.

Action was taken on a Proclamation regarding the Bicentennial of the United States Constitution, "Citizenship Day" as attached hereto:

The Board reviewed the County Jurisdictional Highway Committees draft and by consensus basically supported all of the recommended projects with the exception of the CTH "J" extension north of USH "41". The Administrator was directed to prepare a letter or resolution for the Board to take action on at the September meeting.

On a motion by Trustee Richard Schlice, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board authorized the changing of the September 4, 1989 regular meeting of the Board to September 5, 1989.

Discussion was again held on grass clippings being discharged onto the streets by residents when mowing their lawns. The Village Attorney, Administrator and Police Chief are to meet to work out a reasonable solution to this problem.

The Administrator was asked to place the News Notes into the paper pertaining to hazardous low hanging branches from trees and shrubs.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board authorized the signing of a five year lease with Mr. Ray Klein for the land used for the Welcome to Kewaskum sign on the south side of the village. The fee for the five years is to be \$125.00.

On a motion by Trustee Richard Schlice, seconded by Trustee Larry Williams to adjourn to closed session under Chapter 19.85(1)(j) of the statutes to confer with legal counsel for the governmental body who is rendering oral/written advice concerning strategy to be adopted by the body with respect to litigation in which it has become involved. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was passed by

the majority.

# Minutes of Village Board Meeting

Regular Meeting  
September 5, 1989  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the minutes of the August 21, 1989 meeting were approved as printed.

Chief of Police, Richard Knoebel reviewed the proposed 911 system for Washington County with the Board and indicated that the Kewaskum exchange was not able to provide this service at this time. It was noted that there were two other exchanges in the same situation and that the equipment needed is not slated for installation until 1992. The Board by general consensus instructed the Administrator to send a letter to GTE and the county encouraging the prompt installation of the needed equipment and stressing the need for the county to be 100 percent served.

On a motion by Trustee Richard Schlice, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board approved the building permit application of David and Sue Goeden, 1010 Edgewood Road, to construct a single family home. The office was instructed to issue the permit upon proper payment of fees and when the subdivision work has reached the specified point of completion. The plans were approved by both the building inspector and zoning administrator.

Administrator Daniel S. Schmidt reviewed a variety of correspondence with the Board as follows:

1. Establishment of the date for the informational meeting with the newly annexed area known as Rustic Timbers (Bonnie Lane). October 9, 1989 at 7:30 p.m.

2. Review of some brief correspondence.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Vincent Groh and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	\$277,476.67
Sewer	10,113.35
Water	45,220.00

# Proclamation

**WHEREAS**, We the People did ordain and establish a Constitution for the United States of America to secure the blessings of liberty for ourselves and our posterity; and

**WHEREAS**, it is important that all citizens fully understand the provisions, principles and meaning of the Constitution so they can support, preserve and defend it against encroachment; and

**WHEREAS**, the Bicentennial of the Constitution provides an historic opportunity for all Americans to learn about and to reflect upon the rights and privileges of citizenship and its responsibilities; and

**WHEREAS**, the President and the Congress of the United States have designated September 17 as *CITIZENSHIP DAY* and the week of September 17-23 as *CONSTITUTION WEEK*; and

**WHEREAS**, the people of the Village of Kewaskum do enjoy the blessings of liberty, the guarantees of the Bill of Rights, equal protection of the law under the Constitution, and the freedom derived from it;

**NOW THEREFORE**: I, Paul E. Blumer, President of the Village of Kewaskum, in cooperation with the Commission of the Bicentennial of the United States Constitution, do hereby proclaim September 17 as *Citizenship Day* and the week of September 17-23 as *Constitution Week*, and invite every citizen and institution to join in the national commemoration.

In witness thereof, I have hereunto set my hand and caused the seal of the Village of Kewaskum to be affixed this 21st day of August, 1989.

ATTEST: Daniel S. Schmidt

Introduced by Trustee Kenneth Bonlender  
Motion for adoption by Trustee Mary Krueger  
Motion seconded for adoption by Trustee Larry Williams  
Roll Call Vote was 6 "Aye," 0 "Nay," 1 "Absent"

Trustee Mary Krueger, Chairman of the Administrative Committee asked the Board if they would be agreeable to receiving a balance sheet every quarter rather than every month due to the size of the report generated by the computer. The consensus of the Board was to review the 21 page report quarterly.

Trustee Mary Krueger, the Board Representative on the Plan Commission reported on the Commission's meeting of August 29, 1989 and informed the Board the commission had recommended the 3 certified survey maps for approval and sent them to the Village Board for action. Also, they made a request that SEWRPC check into the inclusion of mini-warehousing in the Zoning Ordinance.

Trustee Vincent Groh, the Board Representative on the County Economic Development Committee reported on their meeting of August 31, 1989.

A brief update was given on the sidewalk repair and rehabilitation program. It was noted that the work may be completed by September 15, 1989.

Action was taken on Resolution No. 89-17 regarding County Jurisdictional Highway Plan as attached hereto:

Discussion was held on the formation of a committee to support the establishment of a Housing authority to provide for the needs of HUD. The consensus of the Board was that we should leave well enough alone, rather than create another arm of government.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board approved the certified survey of lot V4-0021 (Lauters/Kerlin) as recommended by the Plan Commission.

On a motion by Trustee Mary Krueger, seconded by Trustee Vincent Groh and unanimously carried by voice vote, the Board approved the certified survey of lot V4-0001 (Wessing/Depies) as recommended by the Plan Commission.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board approved the certified survey of lots V4-0036 & V4-0037 (Cudnoske/Kulcinski) as recommended by the Plan Commission.

NOTE: Regarding the latter, the driveway was illegally placed on the neighbor's lot. This gives Mr. Kulcinski two options, either to remove the driveway or to purchase said triangle from Mr. Cudnoske.

Administrator Daniel Schmidt reviewed the options available to the village regarding Hydrant Rental/Fire Protection as provided by the Public Service Commission. The direct charging method

would have no beneficial impact on the tax payers at this time so the Board directed the Administrator to prepare a resolution to keep the Hydrant Rental/Fire Protection as is at this time.

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton to adjourn a closed session under Chapter 19.85(1)(c) of the statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction and under Chapter 19.85(1)(e) of the Statutes to deliberate and negotiate the disposition of public lands. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

## Orientation Day Eases New Student Fears

**MORAINE PARK ORIENTATION** — A picnic lunch gave students the opportunity to talk with others in their program area at Moraine Park's student orientation, held August 30 at the college.

The first day of school is usually a tense, frightening day for new students - no matter what their age. Just ask Kris Nourse, who at 23 recently moved from Sheboygan to Fond du Lac to enroll in Moraine Park Technical College's administrative assistant/secretarial program.

"I was really nervous - I didn't know any of my instructors or classmates," she says. "I didn't even know where my classes were going to be held."

But she knows now, and school hasn't even started yet. Nourse and approximately 625 other new students were oriented to Moraine Park's three campuses on Aug. 30. "We're not just going to talk at you today," said Katie Soles, vice-president for Student Services, "we are going to give you information on your program, the opportunity to meet your instructors and, most of all, the opportunity to meet and make new friends."

It was all part of Moraine Park's new approach to student orientation - a program geared toward student participation with scavenger hunts, student interviews, classroom and building tours, and a picnic lunch.

"I was really nervous about coming back to school," Nourse says. "I've been out of school for five years and this program has really helped calm my fears. Before I registered I didn't know anything about this school. Now I know where my classes will be and I've met a lot of people in the program. I've also met three of my instructors."

Todd Stange, 18, of West Bend, says the orientation was well worth his time. "I've

learned where my classes are and I've gotten to know the instructors. It's a good idea because I won't be lost now on the first day." Stange has enrolled in the restaurant and hotel cookery program.

"I wanted to know more about the school," says Bart

Bell, 18, of West Bend, also a restaurant and hotel cookery student. "I wanted to know more about the classes and this has given me the chance to talk to the instructors."

Greg Volz, 19, a new Moraine Park student from North Fond du Lac, attended the University

of Wisconsin - Oshkosh last year. "It was a choice between music education and cookery," he says. "I didn't like the music program because it made it (music) too much work. I have friends who have attended Moraine Park but I didn't know the school well. This (orientation) has given me an opportunity to find out what it's like here. I like the way the campus is set up and I think my program will be interesting."

In Moraine Park's B-wing, instructor Larry Lamont gave students in the mechanical design technician program a tour of the facilities. "This is your new home," Lamont said, indicating the drafting lab. He showed students the drafting tables and answered their concerns and questions.

"I'd hate to come into a program like this (mechanical design) blind," says Ed LaVigne, 34, of Reeseville. "The orientation is great. I know now where I'm going and what I'm doing."

Lynn Columbia, 40, of Waupun, came to the orientation because he thought it would be a good way to get acquainted with other people in his corrections science program. "I've met some of the other students and the

instructors," he says. "I think this is just a super idea."

In the barber/cosmetology lab Tracy Sabel, 18, of St. Peter and Theresa Adema, 18, of New Holstein were meeting their fellow students. "I've learned more about the school and what is coming up in the next year," Sabel says. "I think it's good to get everyone acquainted before the first day of class."

"I think this is great," Adema adds. "Now I won't have to send the first day trying to find my way around - I won't feel lost."

## Scout Awareness Weekend at Allenton

Scout Awareness Weekend is September 16 & 17. Boy Scout Troop 758 of Allenton will set up camp on the American Legion Hall grounds at 419 Railroad in Allenton Saturday and Sunday, September 16 & 17.

The boys will spend the weekend camping and promoting the scouting experience. Please plan to visit, and if your son is interested in scouting, please contact Scoutmaster Art Unger, or anyone in scouting at the event.

## Who Me, Clog?

So often people are asked to take on a leadership role in an activity. The usual response is "Who me?" or "I've never done that before." It takes real courage, time, and commitment to say "Yes. I'll try it." Well, that's just what happened to a West Bend resident, Debbie Vischulis, when the newly formed Kettle Country Cloggers found themselves without an instructor in the fall of 1988. Debbie, her husband, Don, and son, Matt had begun clogging lessons the year before and were charter members of the Kettle Country Cloggers. With the strong backing of her family and fellow cloggers, Debbie assumed the role of Clogging Instructor for the Kettle Country Cloggers. After only three weeks to find a sound system, buy records, and to set up a teaching plan, Debbie's first beginner class took place.

During the following year under Debbie's leadership, eleven beginners graduated and became members of the Kettle Country Cloggers. The group now has 22 members, 16 of which perform in exhibitions. The cloggers range in age from 10 to senior citizen status. They even have a grandmother and granddaughter combination in this group.

Debbie continues to take clogging lessons herself to learn new routines to bring back to teach her group. She eagerly looks forward to her second year of teaching. Debbie always stressed fun as much as the learning of the steps in her lessons.

Debbie and the Kettle Country Cloggers will be performing more exhibitions this fall. They are always looking for more bookings with clubs or church groups. If you are interested in having the Kettle Country Cloggers put on an exhibition, call 338-1369 or

338-0943 for more information about exhibitions.

There will be a Free clogging TRY IT on Sunday, September 17, from 1:30 to 3:00 at the West Bend Recreation Center, Eighth and Elm. Why not say "Yes" to clogging? You'll be glad you did!

Jerusalem artichokes offer large amounts of calcium, sodium, phosphorus, sulfur, iron, chlorine and magnesium.

# Barrel Haus Volley-A-Thon Raises \$530.70 for Muscular Dystrophy

Eight mixed teams participated in the third annual MDA Volley-A-Thon sponsored by the Barrel Haus at 204 Main Street, Kewaskum, on Labor Day. \$530.70 was raised for the Muscular Dystrophy Association and "Jerry's Kids." Barrel Haus was the first place winner and the Jeff Ramel team took second. The teams are to be commended on their efforts for this worthwhile cause.

## Bear Hunting Season Opens

MADISON, WI — A mix of favorable habitat conditions and good overall population points to a potentially fine opening Saturday for the 1989 Wisconsin bear hunting season, Department of Natural Resources officials said today.

Hunters with dogs opened the season across northern Wisconsin at 5:51 a.m. Saturday, Sept. 9. The area open to bear hunting with dogs is north of a line running east and west bounded by Highways 64, 45, 8, 13, 64, 27 and 8. Bait sitters will begin their hunt at 6:02 a.m. Saturday, Sept. 16.

"Statewide the bear population is estimated at 6,100 animals," Bill Creed, DNR northern wildlife research group leader said. "It (the population) has recovered very rapidly since the season closure in 1985. In fact, it has recovered to a level higher than it was at before the large kills in the early 1980s forced the closure."

The permit system is programmed for a harvest of about 1,000 bears. The harvest in 1988 was 1,125, but that was attributed to the drought, which made baiting bear easier because of a lack of natural foods.

"This year is a much more normal fall statewide because of the acorn mast, berry crop and farm crops," said Ed Frank, DNR wildlife biologist. "After the one-year closure of the season, people are seeing more and bigger bear in the harvest."

The woods in the north are lush and still green, but have no real surplus of water anywhere, according to Creed. The berry crop in north central Wisconsin is better than 1988, but in some areas acorn production is spotty.

Hunters using dogs must possess a bear-dog permit, a valid state bear hunting license and a bear harvest permit valid for the zone being hunted, or they may assist a person possessing a valid bear harvest permit for the zone being hunted.

## JCs Football Fundamentals to Begin Sept. 23

Sept. 23rd marks Kewaskum JC's annual Football fundamentals for punting, passing and running competition for boys and girls between 8 and 13. Seven-year olds who reach their eighth birthday on or before Oct. 31, 1989 will be eligible. If any player reaches Regional and/or state competition he/she may have to show legal proof of age.

Forms are at all school offices, or call 626-2073 for one. Signed parental form with age must be presented the day of the event - no exceptions.

Last year was an excellent turn out with a few boys winning at Regional going on to Green Bay.

A few football players and coaches will be there to assist with scoring. Place: Practice field next to the high school at 9 a.m. Do not forget your signed forms.

Regional completion will be announced the day of event so start practicing with the football and we'll see you Sept. 23rd.

## Archery Deer Season Opens Saturday; Conditions Great

MADISON, WI — Wisconsin bow hunters will be in pursuit of a white tail deer herd numbering more than one million following several very favorable winters when the bow deer season opens at sunrise Saturday, Sept. 16.

"The northern deer management units are above individual unit goals for deer populations, while the southern farmland units are generally at desired goal levels," said Keith McCaffery, Department of Natural Resources northern forest research group biologist. "Some areas are below and some over goals in the south, but generally, Wisconsin's deer herd is too healthy."

Given the deer herd population and expecting generally the usual number of hunters and favorable hunting conditions, DNR wildlife biologists are predicting a potential harvest of between 42,000 and 45,000 deer.

The 1988 bow season harvest of 42,393 deer was just shy of the record registration in 1987 of 42,651 deer. Archers last year bagged 37,951 deer in the early season (prior to the start of the November nine-day gun deer season) and 4,442 in the late season (following the gun deer hunt).

Bow hunters in 1988 again showed a preference for bucks, with 52.01 percent of the harvest being antlered bucks (22,125). The antlerless bow deer harvest was 20,100. A total of 210,518 archery licenses were sold, showing a harvest success rate of 20.1 percent.

The winter severity index for 1988 averaged near 80, which is just on the edge of being severe. The winter severity index is the total of the number of days with below-zero temperatures or snow depth of 18 inches or more. Days where both snow depth and below-zero temperatures occur count double. An index of 60 to 80 is moderate, 80 to 100 is severe and over 100 is rated as very severe.

The combination of cold temperatures and snow stresses deer, causing mortality. The far northwest counties of Douglas, Ashland and Bayfield were the most severely impacted, according to McCaffery.

Following an above-average

1988 fawn production index and generally poor hunting conditions during the gun deer season, DNR biologists estimate the Wisconsin deer herd somewhere between 1.1 and 1.2 million animals.

Bow deer hunters will have some new rules for 1989, including additional time to register their deer. Archers will have three days to register their deer (rather than by 5 p.m. the next day as in past years.) Bows no longer have to be unstrung or cased after shooting hours end, but hunting hours apply to all archery hunting during the bow deer season.

As in past seasons, archery licenses bought during the season will not be valid for three days. For example, if the license is bought on Monday, it won't be valid until Thursday.

For more information contact: Chuck Pils — 608-266-7408, Keith McCaffery — 715-369-3193, District Wildlife Supervisors.

## Falls Unstoppable Against Indians

By Marty Schlice

In last Friday night's eastern conference match up between the Indians and Falcons the Indians came out on the losing end of a 34-8 score.

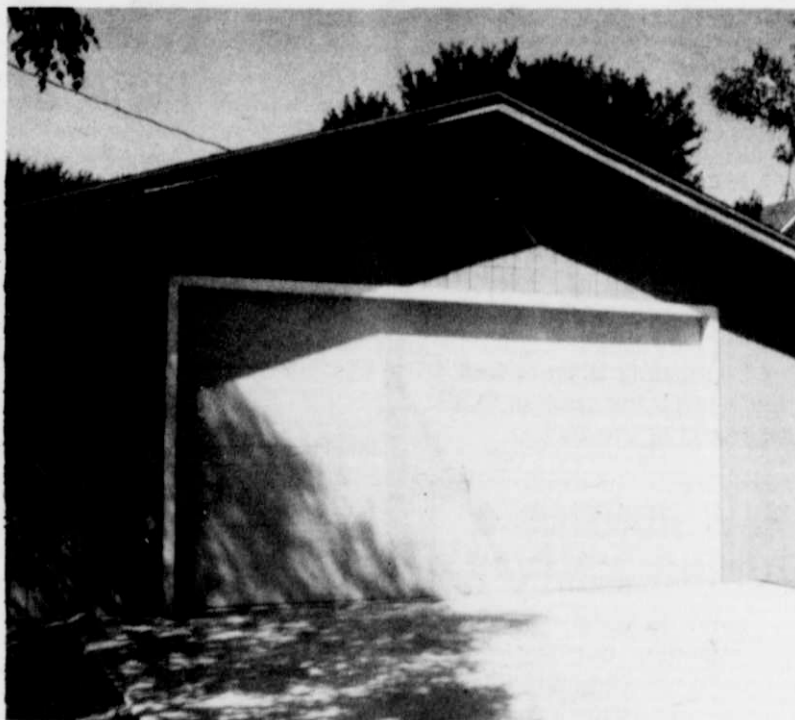

The Falcons running and passing could not be halted by the Indians defense. Costly fumbles by the Indians also set up some Falcons scoring drives.

The only score for the Indians came in the second half, when Quarterback Brian Leitheiser ran the ball in for the score. Though the Indians tried to rally back in the fourth quarter with Felix at quarterback, they were halted by the Falcon defense.

The Indian's next game is home, this Friday against Plymouth.

One golf course in Africa includes in its ground rules a free drop for a ball that lands in a hippo footprint.

A prominent couple on the east side of the Village of Kewaskum recently completed an attractive new garage. This state of the art structure will provide an ample parking area and much needed storage space. Personal tours and inspection of the building can be arranged by calling 626-2329.

# Golf Tourney Here Has New Events, Surprises

Something old and something new will highlight this year's 14th Annual Kettle Moraine Amateur Golf Tournament which will be held at Hon-E-Kor Country Club, Kewaskum, Saturday and Sunday, Sept. 16 & 17.

The basic format remains the same with a 36 hole medal play event divided into flights according to handicap, and there will be a two-man bestball which always draws quite a bit of interest. There will also be a long drive contest on Saturday starting about 4 p.m.

The new portions of the tournament, which are being sponsored in part by Bank One West Bend and Miller Beer, are a second flight in the bestball in hopes of giving more players an opportunity to participate and win. New also is a surprise event in which each golfer is automatically entered in ... at no extra cost. And a women's division will be added this year.

And to add real excitement, Schwartzburg Chevrolet / Olds / GEO in West Bend is offering a brand new, 1990 Chevrolet Lumina for the first golfer hitting a hole in one on the 16th hole on Sunday.

An ace on No. 4 on Saturday would mean \$10,000 to a golfer in the event, thanks to the generosity of Bunk, Doherty & Griffin, Attorneys at Law in West Bend.

Entry blanks are available at various courses in the area, and they are available at Hon-E-Kor Country Club in Kewaskum or call 626-2520. The entry fee is \$20 plus green fees, and there will be a 100% payout in prizes.

The bestball will again be \$10 per team, and players may play on as many teams as they wish. There will be two flights, one for 0-10 handicap, and the other 11 and over. Which flight your

team will be in is determined by the lowest handicap player on the team. (The bestball is a scratch event.)

As for the long drive contest, a \$5 dollar bill gets you three balls to hit, winner take all.

Plaques will be awarded to the winner and runner-up in each men's division, which will be made up of 16 golfers, the lowest 16 handicaps in the Championship Flight, next 16 lowest handicaps, 1st Flight, and so on. Players may move up into a higher flight.

The Hon-E-Kor Committee is hoping for a field of 100 or more. Next year the committee would like to add an expanded women's division and begin a junior division. This has always been a fun event and everyone is invited to come out and watch. There is no charge to walk the course and with some of the better golfers from Washington, Dodge, Fond du Lac and Ozaukee Counties playing, you are assured of seeing some pretty good golf.

# Hon-E-Kor Club Championship

Joe Doherty gave Mike O'Connor, Jr. a run for his money in the Hon-E-Kor Club Championship matches held on Labor Day.

The match ended when O'Connor parred No. 16, giving him the championship for the fifth time.

O'Connor defeated John Wirnsberger in the semi-final match, while Doherty defeated Terry Aceto.

In the final match O'Connor shot a 2-over par 37 on the front nine, which left Doherty two down as they made the turn. Doherty had a birdie on Nov. 11, and was on the green in two on No. 13, while O'Connor was about 50 yards short. The match seemed to look more favorable for Doherty, but then O'Connor scored a birdie as his approach shot rolled into the cup. O'Connor also took No. 14, which gave him a three up lead going into No. 15. Doherty had a three on No. 15, giving him that hole, but the match ended when O'Connor parred No. 16.

Although Doherty shot excellent golf, he was beat 3 and 2 by O'Connor.

In the women's championship

play off, Judi Tiegelman defeated Cornie Kauth, whose game did not seem quite up to par. With a 46 on the front nine, Tiegelman had a good lead, and the match ended on No. 14.

In the First Flight title, Chris Harlow took honors over Joe Volesky.

Dave Lyons was winner in the Second Flight over Mike Pfeiffer.

The Third Flight champion, Rick Averill, bested Ken Erickson.

Paul Kostelac, West Bend East senior, captured top honors in the Junior Division over Erik Kral.

In the women's division Audrey Pfister won over Marge Bauer for the President Flight title. Pat Schaefer captured the Vice-Presidents Division over Jean Schneider.
