Village Landfill's Demise Near

By GERRY MUELLER
Statesman Staff Writer

In slightly over three weeks the Village of Kewaskum's landfill site will probably be closed forever despite a previous board decision to keep it open until the year 1999. "I hate to give it up," Village Administrator Dan Schmidt told the trustees Monday night, "because I know we will never get it back."

The village board was advised by Schmidt that new rules being finalized by the Environmental Protection Agency (EPA) will make it unfeasible for the village to keep the site open.

Schmidt told the trustees that according to new regulations received Monday, if the landfill remains open after March 1, 1990, it will be placed in a new, stricter category which will require construction of monitoring wells and constant testing from now on.

"If we close the site before March 1st," said Schmidt, "we can avoid installing the wells and use the pitrun clay and gravel available at the site to

cap the landfill to the required two-foot cover." We can also designate a new area at the site strictly for the dumping of brush and grass clippings, he noted.

The site has not been used to dispose of garbage since the late 1960's, said Schmidt. The village has continued to use it to dispose of yard waste, scrap building materials from home remodeling or repairs and discarded household goods such as mattresses and furniture.

If we keep the landfill open past March 1st, even though we have not used it for garbage disposal in over twenty years, we will be required to install monitoring wells and do testing which will be an ongoing thing, noted Schmidt. He told the board there would be costs for engineering the well locations, test boring and the continuous testing involved with the wells. That still is no guarantee that the site would be allowed to remain open, he noted, especially until 1999.

If the site is ordered closed any time after March 1st, the village would have to haul in clay to cap it and continue the

monitoring even though it is no longer in use.

If we can't use the landfill to dispose of such things as building materials asked several of the board members, how are the residents going to get rid of that stuff when they remodel. Schmidt said it would be up to the individuals to have it in their contracts with the remodelers that they are responsible for disposing of the scrapped materials. He noted that some builders are already contracting with landfill operators to bring in dumpsters. "The materials are thrown right in there and hauled away," said Schmidt. Trustee Richard Schlice asked, "What do you do if you're doing the work yourself?" Then I guess it will be up to you to dispose of the materials, said Schmidt.

The board directed Schmidt to write up a resolution for adoption at the February 19th meeting which will close the landfill by the end of the month.

Schmidt also noted that closing of the landfill will necessitate the revising of some of the village's ordinances.

Annual Banquet February 21

C of C to Sponsor Prize Drawings for Krazy Daze

The January meeting of the Kewaskum Area Chamber of Commerce was held Wednesday, January 17, in the Community Room of the Municipal Building at 6:30 p.m.

Members present included Lana Kuehl of The Kewaskum Statesman, Charleen Barutha of West Bend Savings and Loan, Jan Bartelt of Shefond Mobil Mart, Judy Jaeger of Jaeger Sewing, Jim Korth of Hon-E-Kor Country Club, Bill Geidel of Sentry Foods, Jerry Koch of Regal Ware, Bob Beisbier

of Kewaskum Frozen Foods, Gladys Seefeldt of Buffy's Village Inn, Lee Kempf of L.K. Heating and Air Conditioning, Randy Gust of American Family Insurance, Larry Williams of KL Home and Hardware, Chuck Wilgenbusch of Valley Bank and Sue and Dick Laubach of Family Hair Salon.

Following the treasurer's report, Sue and Dick Laubach were welcomed into the Chamber as the newest members to join. We are

Beisbier Appointed to Village Board Vacancy

By GERRY MUELLER
Statesman Staff Writer

Kewaskum businessman Robert Beisbier was selected Monday night to fill the unexpired term of the late Village Board trustee Vincent Groh who passed away in December.

Beisbier was one of two applicants to submit his name for the post. The other was Gary Gavin, whose name is already on the spring ballot as a candidate for one of the three

terms which are expiring.

In that election Gavin will be running against incumbents Tom McElhatton and Larry Williams and first time campaigner Joseph Gitter. Gavin will also be seeking his first term on the board.

In other action the board approved the request of Police Chief Richard Knoebel to advertise for bids on the department's retired 1988

Lehmann Annexation Petition a Complex Issue

By GERRY MUELLER
Statesman Staff Writer

While the Village of Kewaskum has no reservations about approving a petition for annexation of land at the western edge of town along Highway H, it does have questions about who will pay, and how much of the cost, to install sewer and water service to the area.

What originally appeared to be a simple petition for annexation by Mr. and Mrs. William Lehmann and their neighbors, turned into a complex situation when it became known that individuals who own land on the south side of the highway were not interested in having that property annexed at this time. The Lehmanns and other parties involved in the petition own property along the north side of Highway H.

The petition would take in approximately 1,200 feet along Highway H. The installation of sewer and water lines would then make those services available to properties on both sides of the road. However, because only land on the north side of the road is being proposed for annexation and the south side property owners could not, at this time, be required to pay their share of the cost, the village board

decided a developer's agreement in writing would be needed to set down exactly who is going to pay for the installation which is estimated to be \$120,000.

The Lehmanns and their attorney were present at Monday night's village board meeting hoping to get a decision from the trustees which would allow them to begin drawing up that agreement. What they heard was a motion tabling action until the February 19th meeting.

While the entire board was in agreement that there would be future growth and development in that area, there were questions as to how much and how soon. There were also questions as to whether or not the village itself, should become involved in temporarily bearing the cost of improvements to the area.

Two options were discussed by the board. First, the village split the sewer and water cost with the petitioners, picking up the \$60,000 which would have been assessed to the southerly properties, or secondly, that the petitioners be required to pay 100% of the cost.

In either case, that cost would be recouped when the land on the south was presented for annexation. At that time, those

property owners would, as stated in the developer's agreement, be required to reimburse either the village or Lehmann petitioners for their share of the cost plus interest to extend those services, before they could hook up to the service.

The hang-up for some of the trustees is the fact that there is no timetable as to when the land along the south side of Highway H would be annexed. "It could be next year or ten years from now," noted one of the trustees.

Carol Beverly, attorney for the Lehmanns, said making her clients pay the entire cost could create an involved situation. "If, as you suggest, that land is not annexed for years, what happens if the Lehmanns or other petitioners sell their land or even die. How do you determine who is to get reimbursed for that cost? Is it the original property owner, the new owner, who?"

Three of the trustees voted to go along with a motion that the village pick up half the cost while the remaining three trustees were opposed. With a tie vote, the motion died. It was then that the board decided to table the issue until its next meeting when the vacancy on

(Continued on Page 2)

New, Stricter Rules For Newspaper Pickup

By GERRY MUELLER
Statesman Staff Writer

Village residents should become aware that starting March 1st, their newspapers will not be picked up if their bundles contain anything but plain newsprint. No magazines or shiny paper will be accepted and if it is mixed in with the newspaper the newspaper will not be accepted either. Magazines and shiny paper should be disposed of in the regular trash.

As of the first, the newspapers will be going to a new source which uses the paper in manufacturing. Until now, the Lions Club has been accepting all bundles of paper which are put out and hauling them to Lynn's Waste Paper in West Bend. Lynn's however, no longer pays for the paper, in fact, it charges to take them off your hands.

Administrator Dan Schmidt said the village had recently

found a new outlet for its newspaper which will pay \$5.00 a ton for it. However, there will be new rules governing its pickup. If we do not follow the rules, noted Schmidt, the company will not take our papers and we will have to go back to paying to get rid of them.

First, there must be absolutely no magazines or shiny type paper such as the coupon or Sunday flyers sections mixed in with the newsprint. Secondly, the paper must be either bundled with twine or string, or put into brown paper grocery bags.

If the papers are mixed, in cardboard boxes or plastic bags, the papers will not be picked up and a little note will be attached to your newspapers explaining why they were not picked up.

The village asks that you understand and cooperate with the new rules.

VALENTINE'S DAY

Filber Attends National 4-H Congress Annexation

How many 16-19 year olds discuss big business with ranking officers of important U.S. corporations? Or are recognized nationally for their past accomplishments? Or meet and talk to 1700 outstanding youth from every state in the nation?

Philip Filber, the son of Arthur and Marilyn Filber was one of 26 Wisconsin 4-H members selected to attend National 4-H Congress in Chicago. He represented Wisconsin for his past accomplishments in the 4-H Swine project. Philip is a ten year member of the Wayne Crusaders 4-H Club.

Being selected as a delegate to National 4-H Congress is one of the highest recognitions a 4-H youth can achieve. Delegates who attend Congress are chosen from an intensive selection process based on their depth and growth in their 4-H project. Wisconsin 4-H'ers are also chosen on their overall leadership in 4-H and their community work.

All delegates are honored for their achievements in their special project. It is a big recognition event for their past accomplishments. It also adds extra incentive for many to maintain their involvement in 4-H, either as a past member or a volunteer leader. They come back with a renewed mission to return to others what volunteer

leaders have given to them.

This year's conference focused on the "Celebration of Choices." Recognizing that in an era in which too many youth are choosing negative choices that destroy their life; that we need to celebrate those making positive choices for a solid and productive life. Program highlights included a keynote assembly with Dr. Joyce Brothers, meeting with corporate sponsors, tours, and workshops.

Philip not only excelled in his swine project; but also served in several leadership positions in his club and at the county level. He helped teach workshops, was active on the livestock judging team, and the Animal Science Association.

Philip is a first year student at Moraine Park Technical studying Police Science. Philip says "Four-H has made him a better person and given him a chance to help others. It taught me to be responsible."

Philip reflected on his 4-H experiences. "My 4-H Club has been of great value to me. I have benefited from the leadership of so many people, including my mom. And I have in turn tried to help people benefit from my leadership. Without 4-H, I would not have the leadership skills which I feel I possess." Philip concluded that National 4-H Congress was the best time of his life.

National 4-H Congress is conducted by National 4-H Council, the Cooperative Extension system of the state land grant Universities, and the U.S. Department of Agriculture.

(Continued from Page 1)

the board would be filled and seven trustees would be voting on the item.

Village Administrator Dan Schmidt also advised the board that the \$120,000 in question covered only the sewer and water installation. The cost of sidewalk, curb and gutter would be paid 100% by the property owners. He noted, however, that work would be spread over a three-year period as was being done in the case of the Bonnie Lane annexation.

CREATIVE WAYS TO PAMPER YOUR MAN ON VALENTINE'S DAY

- Express yourself! Write him a poem telling him just how much you care.
- With red lipstick, write "I love you" on the bathroom mirror.
- Bake him a cake—the way to a man's heart is through his stomach!
- Leave a single red rose on the windshield of his car.
- Shock him! Hire a masseuse—it will be a present he'll never forget!
- Dedicate a song to him on his favorite radio station—just make sure he's listening!
- Take initiative—plan out the whole day, without leaving a single detail up to him!
- Put up with things you normally wouldn't—watch the football game with him, let him win at tennis. VD905773

grateful for their support.

The Annual Banquet was brought up and it was noted that it is being held at Hon-E-Kor Country Club on Wednesday, February 21, with cash bar from 6:30 to 7:30 and the meal at 7:30. Members have four delicious entrees to choose from. Cost is \$9.95 per person, with the Chamber, as in previous years, picking up the tax and tip. Invitations have been mailed out to all members. Please try to attend. This is a chance to enjoy the friendship of your fellow business people.

Anyone interested in joining the Chamber is certainly welcome to attend the banquet. Why not see what we're all about? For more information, call Lana Kuehl at 626-2626 (office) or 626-4518 (home).

The two top items up for discussion were rejuvenating Krazy Daze, being held this year on Tuesday, June 19, and the new Kettle Kountry Kolers Festival scheduled for October 13 and 14.

A few real good ideas were brought up on the rejuvenation of Krazy Daze. First of all it was decided to hold a drawing for a grand prize. Individual merchants will also be offering door prizes in their places of business. The grand prize will be announced after it is found out how many merchants are willing to participate.

Entry forms will be picked up at one or more of the business places. Each entry form will have a number of business places listed, depending on the number of participating merchants. Contestants will have to visit each of these business places and have their entry forms stamped. In all fairness, contestants may only submit one entry... their own. You cannot bring in entries for Cousin Sara or Uncle Pete. All contestants must be 21 years of age or older.

It is alot simpler than it sounds, and more details will be released as Krazy Daze approaches.

It is hoped more people will get involved in Krazy Daze this year. A letter will be sent out to civic groups and clubs encouraging participation. We are trying to get the whole town involved, and there are hundreds of ways for your group or organization to raise funds for whatever you need.

It would also be nice to have alot of entertainment and sales continue throughout the evening, so the people who have to work that day can spend some time with us enjoying Krazy Daze too.

Posters and flyers will also be distributed, especially around the lake area, to attract tourists into Kewaskum on Krazy Daze. If you would like to get something going for Krazy Daze, but need some help or ideas, call Lana at 626-2626 days.

The subject of signs in the village was brought up but was tabled until a future meeting when all members of the signs committee are in attendance. Members present, however, voted to donate \$300 to the Village of Kewaskum towards the purchase of banners which will be placed on the light poles to dress up the downtown area.

Some discussion followed on Kettle Kountry Kolers. More was tabled until the annual banquet where it is hoped that more people will be available for additional ideas, volunteering and commitment.

Lee Kempf, however, gracious-

ly volunteered to assist Lana Kuehl as general co-chairman of Kettle Kountry Kolers. However, many more chairmen are needed. We need someone to chair the retail committee, arts and crafts committee, foods committee, music and entertainment committee and village civic groups committee. These chairmen will also need some assistants and volunteers.

If we hope to make this festival an annual event, we will have to be sure the first one is successful. It won't be easy, but judging by the way our little village pulled together to make the Christmas parade happen, it is possible! But it won't happen by the efforts of just one or two people. Volunteers have to come from the entire community.

This will also be a chance for any civic groups or clubs to make money. The means are endless. The Chamber of Commerce already has a list of "things to do" going and will be more than happy to help anyone who has the desire to "get involved."

Please remember, we are not just selling Kewaskum during any of these functions, we are striving to show the pride we have in ourselves and in our community. If this requires alot of effort... so be it.

During the days preceding and following the Christmas parade, you didn't see frowns or hear harsh words... all people in this community acted as brothers and sisters. We set aside all differences and became friends. We were all unified towards a common goal... the parade, and we were all proud of the accomplishments of others and our own.

I am hoping this was not just "Christmas Spirit" or a fluke. I am hoping this was a quiet pride in our community. I am hoping we can again find that pride for the Kettle Kountry Kolers. I have faith that this community can do for Kettle Kountry Kolers what they did for the Christmas parade. How about you?

District 11 Cub Scout Winterfest

Glacier Edge District 11, Bay-Lakes Council Boy Scouts of America, will hold their Cub Scout Winterfest, Saturday, February 17, at Glacier Hills County Park, Highway 167 at Freiss Lake Road, Hartford. Packs can make a reservation for the morning or afternoon session, with a \$10.00 deposit. Cost is \$3.00 each, and the deposit will be applied to the Pack's total cost. Send reservations to Jim Maersch, 1168 Vern Street, West Bend, WI 53095. For more information call Maersch at 338-0991.

Over 700 Cubs and adults are expected. Participants are reminded to dress for the weather, with warm boots and layers of clothing. A cookie and hot chocolate snack will be served.

"We try to make the events challenging, interesting and enjoyable to give the Cub Scouts a feeling of success and accomplishment," said Maersch, who is co-chairing the event with Larry Bunkelman and Fred Lettow of Kewaskum.

In old Scotland it was believed if February 12-14th were stormy, there would be good weather the rest of the year.

New Cool Laser Shows Promise for Treating Blocked Heart Arteries

Clinical Trials at St. Luke's Medical Center
Achieve Highest Success Rate in Nation

St. Luke's Medical Center in Milwaukee is the first hospital in the state to use the cool tip excimer laser to open severely blocked heart arteries, possibly the most promising advancement in angioplasty treatment to date.

Available in a limited number of cardiac centers nationwide, the technology was first developed at the Jet Propulsion Laboratory in Pasadena, Calif., under research for the NASA space program. Cardiologists Frank E. Cummins, M.D., and Gerald Dorros, M.D. have experienced a 96 percent success rate in using the excimer laser to open blocked coronary arteries, compared to an average 85 percent success rate at other investigational sites.

"The excimer laser can be applied in a variety of situations where standard balloon angioplasty has not proved to be highly effective, such as on total

or hard, calcified blockages," said Cummins, principal investigator in the use of the excimer in coronary arteries at St. Luke's. Physicians are also investigating whether excimer angioplasty may reduce the restenosis or reclosure of arteries which sometimes occurs after balloon angioplasty.

As in standard angioplasty, the procedure calls for introducing a catheter into a patient's body and manipulating it to the site of the blockage. Instead of inflating a balloon, however, the physician then operates the laser which gives off energy in pulses. The laser literally breaks down the plaque into a gaseous liquid that is carried through the bloodstream and eliminated in the body's natural waste system.

"The laser's unique cool characteristic makes it ideal for use in the delicate coronary

arteries," Cummins said. Since Dec. 6, 25 patients at St. Luke's have been successfully treated with the excimer laser in the heart arteries, and two patients have received the treatment in the peripheral arteries.

"The excimer laser is the most promising advancement in angioplasty technology that we have studied at St. Luke's," said Dorros, co-investigator in the study, who is principal investigator in its use in the peripheral arteries.

The excimer laser is manufactured by Advanced Interventional Systems, a California-based company. AIS expects the Food and Drug Administration to consider the device for general use in late 1990.

Remember when it was only Washington's face that was on our money? Now Washington's hands are on it, too.

Kindergarten Registration

This year's annual "round-up" for the parents/guardians of all prospective kindergarten pupils in the Kewaskum School District will be held on Monday, February 5th from 8:00 a.m. to 4:00 p.m. and also 4:30 p.m. to 7:30 p.m. to accommodate those unable to come during the day. Registration will again be held on Tuesday, February 6th from 8:00 a.m. to 4:00 p.m. only.

All registrations will take place in the Farmington, Kewaskum, and Wayne school offices. Please register your child at the school in your area on one of the above days. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday on or before September 1, 1990. Evidence to date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling.

Parents/guardian of bus pupils will also need their section number and fire number and fill out bussing forms.

Those registering children for next year's term will also receive the necessary health forms. If you know of any new families in the district, please pass this information on to them.

I should like to impress upon you the importance of registering your child on either of these two days so that we may plan for them and know staff requirements for next year.

Village of Kewaskum NEWS NOTES Paper Recycling

The Kewaskum Lions Club is an active community oriented organization providing the service of collecting and recycling newspapers. This service is provided the third Saturday of each month. The Village Board and Lions do ask for everyone's cooperation regarding the type of paper placed at the curb and/or brought to the recycling center.

ONLY clean non-gloss newspaper print is to be recycled. You may place brown grocery bags or tied bundles of paper at the curb.

DO NOT recycle cardboard, magazines and gloss type paper at this time.

DO NOT place your papers in cardboard boxes or plastic bags.

The disposal source is being changed requiring stricter guidelines on the material. If your paper products don't conform to these brief/simple guidelines they will be left at the curb.

Thank You,
The Village of Kewaskum

Sensenbrenner to Hold Office Hours Here and In Area

BROOKFIELD — Ninth District Congressman Jim Sensenbrenner will hold a series of open office hours in Saukville, Newburg, Fredonia, Belgium, Cedar Grove, Oostburg, Adell, Random Lake, Kewaskum and Campbellsport on Monday, Feb. 12th.

At these ten locations, Congressman Sensenbrenner will be available to meet with residents on an individual basis to discuss problems with federal agencies, to hear the views of residents on issues of concern, and to receive requests for information or copies of government publications.

The schedule is as follows:
Saukville Village Hall — 8:30 a.m.

Newburg Village Hall — 9:15 a.m.

Fredonia Village Hall — 10:00 a.m.

Belgium Village Hall — 10:45 a.m.

Cedar Grove Public Library — 11:30 a.m.

Oostburg State Bank — 12:45 p.m.

Adell Municipal Building — 1:30 p.m.

Random Lake Public Library — 2:15 p.m.

Kewaskum Municipal Building — 3:00 p.m.

Campbellsport Village Hall — 3:45 p.m.

The public is invited and Sensenbrenner encourages area residents to attend. No appointments are necessary, and everyone will be seen on a first come, first served basis as time permits.

A SPECIAL VALENTINE

Valentines Day is often a time thought of as giving candy or flowers to a loved one. This Valentines Day you could provide something sweeter than candy to a developmentally disabled individual.

Every year around Valentines Day many disabled individuals set their sights on attending Wisconsin Badger Camp. Wisconsin Badger Camp is a non-profit organization which serves disabled individuals ages 3-93 from throughout the state of Wisconsin. Each individual participates in very specialized

Kewaskum Elementary Students Compete in State Computer Quiz

On January 18, nine fifth grade students from Kewaskum Elementary competed in the First Annual Thinking Cap Wisconsin 5th/6th Grade Quiz Bowl.

The Thinking Cap Quiz Bowl is an academic competition offered to 5th and 6th grade teams in Wisconsin. To participate the district had to purchase a computer disk.

On the day of the quiz, the contest disk was placed into the disk drive and when the computer was turned on and the special password was entered, the contest began. It took approximately one hour to complete. Team members had two chances to correctly answer each question. If the correct answer was given the first time, ten to fifteen points were awarded depending on how quickly the correct answer was given. Only five points were given for the correct answer on the second try. The results were phoned in to Thinking Cap. The results of the state ranking were mailed to the teams.

The team from Kewaskum Elementary School consisted of Jamie Gaffke, Mike Gayan, Christie Heckel, Nikki Heinecke, Penny Landvatter, Jeff Noren, Natalie Reindl, Jessica Schulist, and Katie Yogerst.

Their final score was 1,162 with 88% of the correct answers. Of the 168 5th/6th grade teams that competed, Kewaskum placed 43rd. The team placed 13th among the 75 5th grade classes that participated.

The teams are allowed to keep the disk to practice for future quiz bowls. The Kewaskum team is proud of how well they did and hope to do even better next year now that they've had the experience of their first academic competition.

programming during their week long stay at camp.

Badger Camp operates adapted programs in the areas of arts & crafts, recreation, swim, and nature. Wisconsin Badger Camp accepts applicants on a first come first serve basis regardless of the severity of their disability or their inability to pay.

Help to make this Valentine's Day special for someone who wants to spend a week at Badger Camp but cannot manage the \$225 camp fee. Your financial gift to "A Special Valentine" will help make the dream of Badger Camp a reality for a disabled individual this summer.

You may help a needy disabled individual by sending your donation to:

A Special Valentine

Platteville, WI 53818

Annual County Rabies Clinic

The Washington County Humane Society will hold its annual Rabies Clinic on March 11, 1990, from 1:00 to 3:00 p.m. Dr. Gregory Ogi of the Kewaskum/Allenton Veterinary Clinic will be the attending Veterinarian. The cost per Rabies shot is \$5.00 per animal.

Wisconsin State law states that you must have your dog license by April 1 of each year. In order to buy a license, you must have proof of a current Rabies vaccination. Assembly Bill No. 751, which was signed into law by the Governor of Wisconsin on May 17, 1980, requires that all dogs in the State of Wisconsin be vaccinated against rabies. The Bill states that all dogs over 5 months of age have a current Rabies vaccination. Cats should also be given the Rabies serum. The

squad car.

The board also voted to go ahead with the railing replacement on the Main Street bridge at a cost of \$4,900. The work will be done by Dean Derge Railings.

Trustee Ken Bonlender, representative for the library, advised the board that the village had received \$3,758 for its service during the last quarter as part of the Countywide Library System.

The board approved two resolutions which allow the village to levy special assessments for improvements including sewer and water main installation to the Bonnie Lane annexation and to four properties on the north end of Fond du Lac Avenue.

Chief Knoebel advised the board that he has been working with School District Administra-

Kewaskum Statesman, Thursday, Feb. 8, 1990, Page 5

tor Dr. David Heather on setting up "Drug Free" school zones for the school district. Knoebel said the program can also be extended to include the parks. Drug free areas extend 1,000 feet from signs which designate they are a drug-free zone. Village Administrator Dan Schmidt told the board if the village were to post all the park areas along with the school zones, the entire village of Kewaskum would be a drug-free zone. Anyone found selling drugs in the posted areas would find themselves receiving extended terms with no chance for plea bargaining to receive lesser sentences.

Moraine Park Offers Free Seminars to Business Community

Whether it's to develop international trade and government procurement practices, train workers in basic workplace skills or provide advanced technical training, Moraine Park Technical College has long been in the practice of forming partnerships with area businesses.

To show its appreciation for the support business has given the college, Moraine Park will host free seminars during Business/Education Partnership Day on the West

Bend campus, Feb. 13; in Fond du Lac, Feb. 14; and in Beaver Dam, Feb. 15. The event is part of the college's week-long celebration of Vocational Education Week.

"This is our way of thanking business for the expertise they provide us all year long," says Bob Kneueppel, supervisor/coordinator for recruitment and placement. "We hope this will show business that we do want to get together with them."

The Partnership Days offer more than 30, 50-minute seminars on everything from CAD to CIM: The Survival of Manufacturing to Introduction to Desktop Publishing.

Also available will be a seminar on forming on-site child care centers for employees. Participants in Child Care in the '90s will receive an overview of the benefits of on-site child care, including how to get started and options available.

As national debt figures continue to climb, erasing the trade imbalance becomes more and more critical. Marketing Overseas/Selling to the Government, offered by John Huminski, Moraine Park's director of international trade/procurement, will explore the basics of exporting and how to determine whether the U.S. Government will buy your product.

Registration for these seminars is limited, so business and industry people are encouraged to call Kneueppel at 929-2110 for more information or to reserve space in the program.

Sheriff Warns About Telephone Solicitations

Telephone solicitations on behalf of Crime Line Magazine are being made in Washington County.

This magazine is associated with Crime Line Anonymous, a feature on WISN-TV in Milwaukee. Crime Line Anonymous, in turn, is syndicated by the WeTIP organization in California.

WeTIP is registered with Wisconsin authorities as a charitable organization and is tax-exempt. However, the Better Business Bureau found in 1989 that only 20% of advertising income for its magazine was used by WeTIP for its programs. The remaining 80% of ad income was retained by FPA Associates of California, which hires solicitors to sell ads.

The sheriff's department has learned that FPA has hired a Milwaukee firm to handle solicitations in this area. The solicitors claim that the magazine is endorsed by the sheriff's department, and they try to sell ad space in Crime Line magazine. The caller refuses to identify himself, provide a call-back number, or provide specific information on what the magazine will be used for.

Crime Line Magazine has a nation-wide circulation of only

Census '90 to Begin in Spring

The 1990 Census will be the 21st in our nation's history, and the largest and most complex ever undertaken. The Census Bureau has been planning this mammoth operation since 1984.

Expected Count — 250 million people - 106 million housing units.

Employment — Will hire about 565,000 people; about 300,000 working at peak.

Location — 484 field offices, 13 Regional Census Centers, 7 processing offices.

Coverage — Over 106 million questionnaire packages to print label and assemble.

Geography — Computerizing entire map base, including over 250,000 different base maps. Nearly 7 million maps will be generated to help census takers collect questionnaires.

Participation — Expect over 70 million mail returns within two weeks of Census Day - April 1, 1990.

Technology — Using 570 minicomputers in field offices; must set up, use and dismantle in one year.

Mandated Completion — Deliver apportionment counts to the President by December 31, 1990; provide data necessary for redistricting to states no later than April 1, 1991.

26,000.

The Washington County

Sheriff's Department has not endorsed or approved any solicitations. WeTIP and Crime Line magazine have not contacted us and we have no evidence that purchasing advertising space will benefit the county, its residents, or its businesses.

Anyone receiving a call from such a solicitor, or a personal visit from one, should notify the sheriff's department immediately.

This department, in cooperation with the Wisconsin Department of Justice, will take all necessary action when fraudulent soliciting is conducted in its jurisdiction.

There is no evidence to indicate that WISN-TV is connected with this matter.

Robert H. Schulteis, Sheriff

FEBRUARY COMMUNITY CALENDAR

Coming events will be listed only if they are submitted to the Statesman and are of area interest. We will be happy to list meetings of your non-profit organization only if they are sent in to us each month. We can no longer be responsible for keeping a running file of meetings for the entire year. Please submit your meeting notice for publication the week before it is to be published. Bear in mind, if your coming event, is designed to make money for your organization, it should be considered advertising.

FRIDAY, FEBRUARY 9

Washington County Separated and Divorced Men and Women Group will meet at Sacred Heart Church, Allenton, from 7:30 to 9:30 p.m. Guest speaker will be Alice Iaquinta on "Crazymakers."

SATURDAY, FEBRUARY 10

Deadline for registration for the 12th Annual Goose Country Arts and Crafts Fair sponsored by the Beaver Dam Nursery School on Saturday, March 10, from 10 a.m. to 3 p.m.

SUNDAY, FEBRUARY 11

The Jackson Area Business Association will hold its 9th Annual Youth Scholarship Pancake Breakfast fundraiser at Heidel's Restaurant, 3280 Hwy. P, Jackson, from 9 a.m. to 1 p.m. Prices are \$3.25 for adults and \$1.50 for children under 10 and includes sausages, applesauce, coffee, milk and all the pancakes you can eat.

TUESDAY, FEBRUARY 13

The Holy Trinity Christian Mothers invites you to attend their program "Color Your Own Portrait," presented by Father Zens of St. Michaels at 7 p.m. in the Church Hall. Bring your spouse!

THURSDAY, FEBRUARY 15

The Wisconsin Brass Quintet, currently in residence at the University of Wisconsin-Madison School of Music, will perform in concert at 7 p.m. at the University of Wisconsin

Center-Fond du Lac Student Center. Admission is \$4.50, \$3.50 for senior citizens and students.

WEDNESDAY, FEBRUARY 21

The Annual Banquet of the Kewaskum Area Chamber of Commerce will be held at Hon-E-Kor Country Club. Cash bar opens at 6:30 p.m. with dinner being served at 7:30 p.m. There will be short business meeting and Washington County Economic Development Director Marcia Theusch will speak. Please try to attend. The banquet is held only once a year and we would like to see all members in attendance. For reservations or more information, please call Lana Kuehl at 626-2626 (office) or 626-4518 (home).

SUNDAY, FEBRUARY 25

The Annual Meeting of the Tuesday Nite Men's League will be held at 2 p.m. at Hon-E-Kor Country Club, Kewaskum. If you cannot attend please call 626-2520.

Coming in March...

SUNDAY, MARCH 11

Salem United Church of Christ at Wayne is holding a spaghetti dinner and will be serving from 11 a.m. to 2 p.m. Tickets are \$3.50 with children 5 and under free. Salem United Church of Christ is located in the community of Wayne at the intersection of Washington County Highways H and W.

Open House for Kindergarteners at Holy Trinity School

Holy Trinity School is holding an Open House for all Kindergarten students and their parents on: Tuesday, February 13, from 9:15 to 10:00 a.m. and Thursday, February 15, from 1:00 to 1:45 p.m.

If you plan to attend, please return the form below to the school office by Monday, February 12th or call in your registration, so that we can make adequate preparations.

You may register your child for school on either one of these days or on any other day in the school office. We are open from 7:30 a.m. to 3:00 p.m. If this time does not work well with your own work schedule, please call Sister Phyllis and we will work out a time to meet with you at 626-2603.

Our 1990 Valentine cards and gifts have arrived.

UWWC Announces Fall Honor Roll

One out of nine students earned honors grade-point averages (GPAs) during the fall semester at the University of Wisconsin Center — Washington County.

Of the 795 students enrolled at the freshman-sophomore campus, 91 were named to the fall Dean's List for overall GPAs of 3.5 (B+) or better. Acting Dean Dion Kempthorne announced the honor students at the end of January.

Seventy-one full-time and 20 part-time students are on the fall semester list. To be eligible for the list, a part-time student must have earned at least 15 credits at UWWC and been enrolled for a minimum of 3 credits during the fall.

A total of 18 students, seven of them full-time, received Highest Honors for straight A (4.0) averages. Thirty-five students, 30 of them full-time, received High Honors for GPAs ranging from 3.75 to 3.99; and 38 students, including 34 full-timers, had Honors grades with GPAs ranging from 3.5 to 3.74.

Dean's List students, grouped by communities and level of honors, are:

FULL-TIME STUDENTS

Allenton: High Honors:

Calvin Lawrence;
Campbellsport: High Honors:
Dorothy Lehman;

Kewaskum: Honors: Patricia Scharhag and Holly Ziegelbauer
West Bend: Highest Honors:

Kimberly Buchfinck, Arlene Mueller, Kevin Roskopf and Wendy Silva; High Honors: Kathleen Bardell, James Beine, Jacqueline Erickson, Dean Fleischmann, Barbara Franson, Patrick Kuehl, Michelle Lukaszewski, Peter Shanovich, Beth Ann Steiner, Jon Stenschke and Deborah Wenzel; Honors: Gail Diels, Alois Estermann, Dennis Kohlmeier, Rebecca Morlen, David Prochnow, Sharon Ratzburg, Kurt Roskopf, James Simmons, Patti Jo Wilke and Joseph Wolf;

Part-Time Students

Campbellsport: Highest Honors: Sandra Vorpahl

West Bend: Highest Honors: Patti Crass, Laura Maley, Jeffrey Neu, Debra Ann Quick, Daniel Rasmussen, Dorothy Timm and Sara Washicheck; High Honors: Donna Gundrum, Shirley Jagielski, Kathleen Lauters and Debra Unger; Honors: Jennifer Peterson and Leroy Peterson.

Washington County Awarded Federal Funds For Emergency Food, Shelter Programs

Washington County has been chosen to receive \$10,555.99 to supplement emergency food and shelter programs in the area. The announcement was made by Barbara Hurula, Executive Director of United Way of Washington County, and Chairperson of the Local Board of the Emergency Food and Shelter program.

The selection was made by a National Board made up of affiliates of national voluntary organizations and chaired by the Federal Emergency Management Agency (FEMA) in Washington, D.C. A committee of the United Way of Wisconsin made final determinations for most counties in the state. The National and State Boards were charged to distribute funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country. United Way of America is providing the administrative staff and functions as fiscal agent.

The Local Board is made up of representatives from United

Way, the Department of Social Services, Council of Churches, County government, Catholic Social Services, Red Cross, St. Vincent DePaul Society, Friends of Abused Families, Council on Alcohol and Other Drug Abuse, and representatives from Hartford and West Bend city governments. They will determine how the funds awarded to Washington County are to be distributed among the emergency food and shelter programs run by local service organizations in the area. The Local Board is responsible for recommending agencies to receive these funds and any additional funds available under this phase of the program.

Under the terms of the grant from the National Board, local governmental or private voluntary organizations chosen to receive funds must: 1) be non-profit, 2) have an accounting system and conduct an annual audit, 3) practice nondiscrimination, 4) have demonstrated the capability to deliver emergency food and/or shelter programs, and 5) if they

are a private voluntary organization, they should have a voluntary governing board. The minimum award amount any agency may apply for is \$300.00. Qualifying organizations are urged to apply by Friday, February 9.

The Washington County Local FEMA Board distributed Emergency Food and Shelter funds in 1989 to the Council on Alcohol and Other Drug Abuse, Friends of Abused Families, St. Vincent DePaul Society and West Bend Red Cross. In turn, these agencies provided meals and many nights of lodging for needy individuals and families in Washington County.

"United Way is pleased to participate in this program," said Hurula. "It has proven to be a successful way to channel federal funds to communities in our service area. The autonomy of the Local Board also enables us to be more responsive to local needs," she said.

Further information on the 1990 program may be obtained by contacting the United Way office at 338-3821.

Boys Scouts Celebrate National Scout Week

The Boy Scouts of America celebrate their 80th birthday Feb. 8 with a nationwide celebration to be held during the annual Boy Scout Week, Feb. 4-10.

Local celebrations include vesper and church services conducted by Cub Scouts and Boy Scouts. Cub Packs celebrate with Blue and Gold pot luck suppers. Scout Troops have special Courts of Honor, where awards are presented to youth and adults. Some units decorate store windows with materials depicting Scouting activities. Many Packs and Troops will create a live display of Scouting in the mall. Over 500 adult volunteers, spouses, and guests will gather at the Grand Opera House in Oshkosh on February 25th for a gala celebration of Scouting. Recognition will be given to Eagle Scouts, and other adults for their service to Scouting.

"The purpose of the Boy Scouts of America has not changed in 80 years," says John Primrose. "The organization strives to develop good traits of character in young people, to instill in them values of good citizenship, and to encourage them to become physically fit, mentally alert and morally straight. Attributes that have never been more important than they are today."

The Boy Scouts originated in Great Britain in 1907. Two years later, Willam Boyce, a Chicago publisher traveling in London, became lost in a London fog. A young boy offered to help and led him to his destination. When Boyce thanked the boy for his graciousness, the boy explained that as a Boy Scout, it was his duty to help others, and declined a tip.

Impressed with the boy's actions, Boyce met with Britain's Boy Scout founder, Robert Baden-Powell, and laid the groundwork to bring the Scouting program to the United States.

With the help of Robert

Baden-Powell, Ernest Thompson Seton, Daniel Carter Beard and James E. West, Boyce established the Boy Scouts of America on Feb. 8, 1910.

The first Boy Scout troop, Troop 1, grew to a membership of 150 boys. By June, 1911 the movement had grown enough to require the election of the first officers. Today, membership in Scouting exceeds five million. More than 80 million boys have been initiated into the Boy Scouts of America since the Scouts first began in 1910.

Happy Valentine's Day

Hugs and kisses, Cupid is near. It's the time of year for Valentine cheer. February 14 is St. Valentine's Day, a day set aside as a lovers' festival.

The custom of Valentine's Day has no connection with the two legendary martyrs named St. Valentine whose lives are commemorated on Feb. 14. Popular theories connect the lovers' celebration with the Roman fertility festival of the Lupercalia on Feb. 15 or the mating season of birds.

One long-standing tradition associated with Valentine's Day is the sending of valentine cards. The paper valentine dates from the 16th century, and the valentine may have been the original greeting card.

Hearts are the popular symbol associated with Valentine's Day, but flowers and sweets are among the favorite gifts. This is the busiest day of the year for many florists and candy shops, with requests for red, yellow, white or chocolate roses at the top of the list. ■

In the Service

Pvt. Shawn M. Dunn has completed a wheeled-vehicle mechanic course at the U.S. Army Training Center, Fort Dix, N.J.

During the course, students were trained to perform maintenance and assist in the repair of automotive vehicle and associated equipment. They became familiar with the functioning of automotive wheeled-vehicle components, operating principles of internal combustion engines, fundamentals of fuel and electrical systems, and the use of organizational and test equipment.

He is the son of James R. Dunn of 7971 Orchard Valley Road, West Bend, Wis.

The private is a 1989

graduate of Theresa High School, Wis.

Patricia Borchert

Stroik
the Best Choice for Judge

Paid for by the Committee to Elect Patricia Borchert Stroik, Howard Kruepke, Treasurer

Kewaskum Friends,

My parents, Lester and Ruth Borchert, were born and raised in rural Kewaskum. The son of a cheesemaker and the daughter of a farmer, they were hardworking, honest members of the community. My father died in 1981, but the values he and my mother instilled in me didn't.

I believe in being honest, working hard and respecting the rights and the property of others. If elected, I will expect no less from those who appear before me.

Let's work together to preserve these values and to pass them on to our children. I need your vote on February 20th.

Patricia Borchert Stroik

KHS Juniors Making Malts

The juniors at Kewaskum High School are busy this year with a malt-making fund raiser to benefit the junior prom. Malt sales are on Fridays during both lunch periods for \$1.00. The flavors vary and ice cream is purchased from Engelhardt & Sons Distributing. Students, left to right, include Patti Aupperle, Laura Strancke, Stephanie LeRoy, Laurie Vogt and Deb Bingen.

KHS Art Dept. Photo

MARIAN COLLEGE PLANS IRISH AMERICAN NIGHT

Mike Hierl, Hierl Insurance, is the chairman of Marian College's annual Irish American Night scheduled for Friday, March 9, from 6:30 p.m. to midnight in the College Commons. The Irish music group "Blarney" will perform, food and beverages will be available for purchase, and "Pot o' Gold" raffle prizes will be featured. Admission is \$7, with a \$5 ticket price for students and senior citizens (over 62). Tickets will be on sale at Marian College after February 9.

For more information, call Marian College, 923-7600.

FASHION SHOW LUNCHEON TO BENEFIT CANCER SOCIETY

The Washington North Unit of the American Cancer Society will host a fashion show luncheon at the West Bend Country Club, 5858 County Highway Z, on Monday, March 26.

The luncheon will begin with a social hour at 11:30 a.m. Lunch will be served at 12:30 p.m. with the show immediately following.

Snyder's of Oconomowoc will provide the spring fashions with hair design by Creative Cut Chalet.

Tickets are \$15 each and will go on sale later this month.

THANK YOU

I would like to thank my family, relatives, friends, and patrons for their cards, visits, flowers, gifts and phone calls while I was at St. Joseph's Hospital and convalescing at home. Special thanks to Drs. Gute and Sison and the nurses. Also thanks to Fr. Berghammer for his prayers and visit. It was greatly appreciated.

Paula Schoofs

'Healthy Start' Program Available to FDL County Residents

If you're pregnant and can't afford the medical care you and your baby need, you may be eligible for "Healthy Start." The Healthy Start Program pays for health care for low income pregnant women and infants under one year of age who are not eligible for coverage under the state's Medical Assistance Program.

Last year, 47 agencies statewide received contracts to provide outreach services for the Wisconsin Healthy Start Program. Fond du Lac County Public Health Nursing Service was among those agencies, and will continue to provide outreach services in 1990.

In Wisconsin, it is estimated that 17% of women aged 18 to 29, and 10% of women aged 30 to 49 do not have health care coverage. Cost and inability to pay for care are frequently cited as barriers to obtaining proper medical care. Healthy Start can improve financial access to health care for families who might otherwise

do without.

Increased awareness of the program will help more pregnant women and infants get the medical care they need. For additional information, contact Fond du Lac County Public Health Nursing Service at 929-3085 or call the Healthy Start toll free hotline, 1-800-722-2295.

PACE OFFERS SCHOLARSHIPS

Three \$250.00 Scholarships are available to assist Washington County women who are enrolling in a program of post secondary education during the 1990-91 school year. The Scholarships are open to women over the age of 25 from Washington County or attending school in the county - awarded on the basis of financial need, two personal letters of recommendation and a personal interview.

Application deadline is April 1. If interested in applying, contact Deborah Goodsell at Clothes Clinic Inc., 338-2381, to request an application.

Tommy Bartlett Show and Mercury Marine Business and Tourism: Partners in Education

Students from Mr. Zemlicka's Power Energy and Transportation classes examined a 25 hp Mercury engine. In the fall of 1989, Keith Stran of Tommy Bartlett Ski Show contacted Dan Wangerin, LVEC, Kewaskum High School about donating two engines from Mercury Marine, Inc.

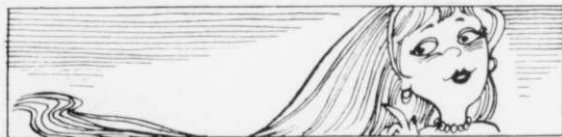

In an effort to encourage business and education partnerships, Tommy Bartlett, Inc., Wisconsin Dells and Mercury Marine in Fond du Lac, have joined forces in support of the Technology Education programs in the Wisconsin School Districts.

Through this cooperative effort, the Mercury outboard motors that were used this past season at the Tommy Bartlett Ski, Sky & Stage Show have been donated by Mercury Marine through a special program implemented by Keith Abram, Production Manager at Tommy Bartlett, Inc. This effort is based on the Department of Public Instruction standard, initiated by Dr. Herbert Grover, State Superintendent of Education, that focuses on business and education partnerships and a broad knowledge base of careers and

future employment options in this area of education.

The engines donated to the Technology Education programs are two-cycle Mercury outboards ranging from 4 HP to 200 HP and will be incorporated into the transportation and power/energy curriculum of Tech. Ed., which is currently being taught in Wisconsin school districts.

This cooperative program of business and tourism working with education in Wisconsin is essential to successful programs and more importantly, to student success in education and work. Tommy Bartlett, Inc., hopes to continue this program of donating engines each year to school districts in the state.

BOARD OF CANVASSERS TO MEET FEBRUARY 22

The Board of Canvassers will meet on Thursday, Feb. 22, 1990 at 9:00 a.m., in the County Clerk's office. The agenda will be as follows:

1. Record votes cast for each candidate and reported by the towns, villages and cities in Washington County for the Spring Primary of February 20, 1990.
2. Certify that the two persons receiving the greatest number of votes for the office of Washington County Circuit Court Branch No. 1 are declared to be candidates at the Spring Election.
3. Any other business as authorized by law.

MONEY MANAGEMENT

(First In a Series)

Questions and Answers on Your 1989 Taxes

To help taxpayers get a head start on their 1989 tax returns, the Wisconsin Society of CPAs has supplied the answers to some of the most commonly asked questions on 1989 taxes.

What are the guidelines for deducting IRA contributions?

You can still fully deduct your IRA if neither you nor your spouse participated in an employer's retirement plan in 1989, or if your adjusted gross income is under \$25,000, if single, and up to \$4,000 if married and both spouses work. If only one spouse works, the most you can contribute is \$2,250.

What happens if I do participate in a retirement plan and make more money than the limits allow?

If you (or your spouse) are covered by a company-sponsored plan, the amount of your IRA deduction will drop by \$200 for every \$1,000 of adjusted gross income over the income limits I just mentioned.

Has the deduction for personal interest changed again?

Yes. For 1989, you can only deduct 20 percent of the interest charged on consumer loans and credit cards. This year, the deduction drops to 10 percent. And in 1991, the deduction will disappear entirely.

I recently bought my first home. What deductions are available to homeowners?

First of all, if you paid points to obtain a mortgage, you may be entitled to deduct these in full this year. Also, you can deduct any other mortgage interest you pay (within limits) as well as your real estate and property taxes.

Do I have to pay tax on the gain from selling my home?

That depends. Generally, you can defer the gain from selling your primary residence by buying another home of equal or greater value sometime within 24 months of the date of the sale. Alternately, if you are at least age 55 or older and meet certain qualifications, you may be able to exclude from taxable income up to \$125,000 in gain by claiming a special provision

of the tax law. Ask your CPA for details. In either case, you will still have to report the sale of your home on Form 2119.

Have the rules on miscellaneous and medical deductions changed?

No. The rules in 1989 are exactly the same as those in effect in 1988. Miscellaneous expenses are deductible only to the extent that they exceed two percent of your adjusted gross income. Medical expenses are deductible only to the extent that they exceed 7.5 percent of your adjusted gross income.

For further information on 1989 tax rules, you can request a copy of "The CPAs Survival Guide for Taxpayers" from the Wisconsin Society of CPAs by calling (414) 785-0445 or by writing to 180 N. Executive Drive, Brookfield, WI 53008-1010.

MPTC Offering 'Active Parenting'

A six week class for parents emphasizing communication, cooperation, self-esteem and responsibility will be held at Moraine Park Technical College, West Bend. Sessions meet Monday nights February 19 to March 26 from 6:30 to 8:30 p.m.

ACTIVE PARENTING includes video segments on typical family situations, followed by class discussion and suggestions for family enrichment activities to try at home. Developed by child psychologist Michael Popkin, this democratic approach to parenting emphasizes freedom within limits.

Parents of children of all ages are invited to attend this course, number 305-402-006. Fee: \$12.60. Advance registration is required at least one week before class starting date. To enroll, call Moraine Park at 334-0909.

Sensenbrenner to Hold West Bend Town Hall Meeting

BROOKFIELD — Ninth District Congressman Jim Sensenbrenner will hold a "Town Hall Meeting" for the residents of West Bend on Monday, Feb. 12th at the Bank One West Bend starting at 7:00 p.m. These meetings generally last two hours.

During the first part of the meeting, Congressman Sensenbrenner will respond to questions and comments from residents on federal issues. "This interaction provides me with insight into the views of my constituents," Sensenbrenner said.

Sensenbrenner has invited area state legislators to join him for this meeting, so they may answer questions on state issues.

The second half of the meeting will be devoted to individual problems and concerns. Sensenbrenner will meet with persons on a one-on-one basis to assist them with any problems they may be having with federal agencies, or to help them obtain copies of government publications.

The public is invited and Sensenbrenner encourages area residents to attend.

In some places the Pacific Ocean is more than 36,000 feet deep.

DVR Offers Rehab Services for Vision

Have you or someone you know experienced these problems?

- Trouble reading the mail or the newspaper?
- Unable to see the line when asked to sign your name?
- Difficulty setting the temperature on a thermostat or oven because you cannot see the correct number?

If you or someone you know has answered "yes" to any of these situations, then perhaps you/they are eligible for the Rehabilitation Teaching Services through the State of Wisconsin - Division of Vocational Rehabilitation.

You are asked to come to the Community Room in the Municipal Building Thursday, Feb. 14 at 11:00 a.m. to hear and see what help is available for anyone having the above problems.

Butzke Elected to West Bend Mutual Board of Directors

The Board of Directors of West Bend Mutual Insurance Company has elected Robert L. Butzke to its board. Butzke fills a seat vacated by Harold V. Fuchs who retired from the board in November.

Butzke is president of Northbrook Insurance Associates Inc. in Menomonee Falls. The agency has been associated with West Bend Mutual since 1978.

Fuchs joined West Bend Mutual in 1946. He was elected assistant secretary in 1948, and secretary in 1961. In 1976, he was elected president, an office he held until 1982.

He served as a director of the company from 1961 until his retirement in November 1989.

Weekly Health Tip

From Tom Kennelly

COLAS vs MILK

The years of childhood and adolescence are the now-or-never years to build strong teeth and bones. Adequate calcium in the diet is an absolute necessity. Why is it then that so many youngsters are drinking colas [no calcium] rather than milk [the calcium food]? Osteoporosis [weak bones], poor teeth, and other body deficiencies may well be the result in later years of sodas replacing milk.

We appreciate your patronage

A male horse has 40 teeth.
A female has only 36.

Bauer - Butzke

Kay Marie Bauer and Daniel Jason Butzke exchanged wedding vows during a 2 p.m. ceremony at St. Michael's Catholic Church, St. Michaels on October 13, 1989. Father Roger Zens officiated.

Parents of the couple are Roger and Elaine Bauer, 8989 Highland Dr., Kewaskum and Melvin and Athleen Butzke, 1223 Hwy G, Campbellsport.

The bride chose her sister, Sandy McKee of Kewaskum as her matron of honor. Bridemaids included Barbara Ebert, sister of the groom; Cheri Tessar, friend of the bride, Jennifer and Jill McKee, nieces of the bride, all of Kewaskum; Julie Priesgen, Lomira, cousin of the bride; and Linda Thimm, Hartford, cousin of the bride.

David Butzke, Kewaskum, the groom's brother, served as best man. Groomsmen were Richard Ebert, Kewaskum, brother-in-law of the groom; Chad Butzke, Kewaskum, nephew of the groom; Gary Bauer, Cottage Grove, the bride's brother; Brian Skrentny, LaVerne, CA, cousin of the groom; and Jeff Schmidt,

La Verne, CA, friend of the groom.

The miniature bride and ring bearer were Stephanie Bauer, niece of the bride, Cottage Grove and Michael McKee, nephew of the bride.

Music was provided by organist Valerie Bauer, sister-in-law of the bride and soloist Anne Strancke. Photography was done by Carol Spaeth - Bauer, sister-in-law of the bride.

Ushering duties were shared by Ken Bauer, Hubertus, the bride's brother and the groom's nephew, Eric Ebert of Kewaskum.

A reception and dance followed at the KC Hall, West Bend.

The bride is a graduate of Kewaskum High School and is employed as a senior computer operator at Regal Ware.

The groom is a graduate of Kewaskum High School and works at West Bend Mutual as a lead computer operator.

The couple enjoyed a honeymoon trip to Minneapolis, MN and Shawano. They now reside at 222 Braatz Dr., Kewaskum.

Miller - Breit

Mr. and Mrs. Michael R. Miller of 1236 McKinley, West Bend, and Mr. and Mrs. Russell J. Breit of 7704 Salisbury Road, West Bend, announce the engagement of their children, Jodi and Brian.

Jodi is a 1987 graduate of West Bend East High School. She attends the University of Wisconsin-Milwaukee and will graduate in 1991 with a degree

in elementary education.

Brian graduated in 1985 from St. Mary's Springs Academy of Fond du Lac, and also attended UWM. He will graduate this fall with a degree in structural engineering.

A Sept. 28, 1991 wedding at St. Mary's Immaculate Conception Parish is being planned by the couple.

When a man gets married his spooning days are over. From then on he has to fork it out.

Obituaries

PETER NECKUTY

Funeral services for Peter Neckuty, 71, of 1321 Highway 67, Campbellsport, were held Saturday at 10:45 a.m. at Twohig Funeral Home, Campbellsport and at 11 a.m. at St. Matthew's Catholic Church, Campbellsport.

The Rev. Edward Dziedzicko officiated. Burial was in the parish cemetery.

Friends called Friday from 4 to 9 p.m. at the funeral home, where a vigil service was held at 8 p.m.

Mr. Neckuty died Wednesday, Jan. 31, 1990, on his farm.

He was born Nov. 4, 1918, in Chicago, Ill., a son of Joseph and Veronica Neckuty. On Nov. 30, 1946, he married Eleanor Schaeffer at St. Michael's Church, Kewaskum.

Mr. Neckuty farmed in the Town of Auburn and Town of Osceola areas. He was a member of St. Matthew's Catholic Church, Campbellsport.

Survivors include his wife; three sons, David and his wife Mary of Green Bay, Peter Jr. of Fond du Lac, and Ronald of Washington; four daughters, Mary Ann Tuttle and her husband Marvin of Eden, Joanne Backhaus and her husband Robert of Kewaskum, Susan Neckuty of Campbellsport, and Diane Soffa and her husband Mike of Fond du Lac; 12 grandchildren; two brothers, Stanley and John and his wife Elaine, both of Campbellsport; and two sisters, Ann Manthei and her husband Willard of Kewaskum and Christine Neckuty of Campbellsport.

Preceding him in death were his parents and a half brother, Victor Hodoff.

RODERICK GREMMINGER

Roderick Frank Gremminger, 84, of Mayville, died Thursday, Feb. 1, 1990, at Clearview Nursing Home in Juneau.

He was born April 24, 1905, in Campbellsport, a son of Frank and Elizabeth Ulrich Gremminger. On Nov. 17, 1926, he married Mattie Fields at St. Matthew's Catholic Church in Campbellsport.

Mr. Gremminger was raised in the Campbellsport area where he attended high school. He moved to Mayville in 1947 and was engaged in farming. He was employed by Mayville Metal Products in 1950 as a shear operator before retiring in 1967. He was a member of the AFL-CIO Local 2052.

Survivors include his wife; three sons, Raymond and his wife Henrietta of Kewaskum, Frank and his wife Sylvia, and Daniel and his wife Diane, all of Mayville; four daughters, Helen

Resheske and her husband Robert, Janet Reiser and her husband Harold, Janice Wondra and her husband Edgar, and Betty Guse and her husband Roman, all of Mayville; 26 grandchildren; and 39 great-grandchildren.

Preceding him in death were four brothers, Leo, Benno, Peter and Paul; and five sisters, Nora, Olive, Agnes, Valeria and Dorie.

Funeral services were held at 10 a.m. Monday at St. Mary's Catholic Church in Mayville, with the Rev. George Gibbons officiating. Entombment was in Shrine of Rest Mausoleum, Ledgeview Memorial Park, Fond du Lac.

Visitation was from 4 to 9 p.m. on Sunday at Cottrill Funeral Home in Mayville, where a vigil service was held at 8 p.m. Visitation also was scheduled Monday from 9 a.m. until the time of services at the church.

CARL L. PETERS

Carl L. Peters, of 151 University Drive, West Bend, died Sunday, Jan. 28, 1990, at the Cedar Lake Home Campus, West Bend, at the age of 88.

He was born Aug. 21, 1901, in West Bend, where he resided all his life, and on Aug. 24, 1926, married Evelyn Perschbacher at Peace UCC, Kewaskum.

He was a member of Immanuel UCC of West Bend, life member of the International Association of Fire Chiefs, past member and president of the Badger Fireman's Association, first president of the Washington County Fire Chiefs Association, past member of the West Bend Firefighters Club and was treasurer of the West Bend Fire Department for 24 years, prior to being appointed fire chief in 1948. He retired from the Fire Department in 1967 after 45 years of service.

He served as a West Bend City Clerk, City of West Bend alderman, was president of the Common Council and was secretary of the West Bend Chamber of Commerce for 19 years.

After a short retirement he was also employed in the office of the West Bend Sand and Stone Company until 1979.

He was a charter member of the West Bend Kiwanis Club, member and past Master of the West Bend Masonic Lodge 138, member and past Worthy Patron of the Order of Eastern Star Ch. 73 and was active in many civic organizations in West Bend.

Survivors include his wife; two children, John S. (Dolores) of West Bend and Allen M. (Barbara) of Reedsville; eight grandchildren; seven great-grandchildren; a sister, Lorena Steele of Green Bay, and other

relatives and friends.

Preceding him in death was a sister, Marion Flut.

Masonic services were held Wednesday, Jan. 31, at 7:30 p.m. at the Myrhum Funeral Home, West Bend, with funeral services immediately following. Rev. Richard Hoblin officiated and burial was at 10 a.m. Thursday in Union Cemetery, West Bend.

Visitation at the funeral home was Wednesday from 4 p.m. until the time of services.

MARIE M. BERRES

Marie M. Berres, nee Maurer, of West Bend, died Sunday, Feb. 4, 1990, at the Samaritan Home, at the age of 78.

She was born June 7, 1911 in West Bend. She was employed at Amity Leather Products for four years prior to her marriage to Gregory A. Berres at Holy Angels Church, West Bend, on June 12, 1930.

In 1939 they moved to a farm in the Town of Scott which they farmed until their retirement in 1957. After the death of her husband on Feb. 8, 1980, she moved to West Bend.

Survivors include four children, Richard (Marion) of Adell, Roger of Plymouth, Audrey (Robert) Bath of Kewaskum and Susan (Ron) Wagner of West Bend, nine grandchildren, five great-grandchildren, two sisters, Floretta (Leo) Brunner of West Bend, Ruth (Lester) Raether of Eagle River, and relatives and friends.

Her parents and one brother predeceased.

Funeral services will be Thursday, Feb. 8 at 9:45 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian burial at 10:30 a.m. at St. Michael's Church, St. Michael's. Father Jerome Rinzel, pastor of Holy Angels Church will be the celebrant, with burial in St. Michael's cemetery.

Visitation will be after 4 p.m. Wednesday at the funeral home with a prayer vigil at 8:00 p.m.

IN MEMORY

In memory of SYLVESTER FELLELENZ, who departed from us 16 years ago, Feb. 6, 1974:

Behind the smile there's always a tear
For the one I lost and loved so dear
The tears I shed I can wipe away
But the ache in my heart will always stay
If teardrops could build a stairway
And memories were a lane,
I would walk all the way to heaven
And bring you back again.
Loved and missed by wife Gertrude

IN MEMORY

In loving memory of our husband, father and grandfather HAROLD SCHLOSSER who passed away two years ago, Feb. 4, 1988:

Three little words, forget me not,
Don't seem much, but mean a lot.
Just a memory fond and true,
To show dear, we think of you.
Sadly missed by the family.

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days and publication must be promised.

THANK YOU

Prayers through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted even if it may appear difficult. This prayer must be published immediately after the favor is granted.

B.K.

THANK YOU

My thanks to St. Jude for favors granted.

L.K.

25 Years Ago

Feb. 5, 1965

A new line of Teflon-finished aluminum cookware manufactured by Regal Ware, Inc. has won the top award for product design and excellence recently at a New York trade show. Judges at the 14th National Trade show of the House to House Industry picked from a field of over 20 entered in the hard goods (housewares) division. The new cookware is called "Elegance by Regal."

Mr. and Mrs. Fred Schleif of Kewaskum had the honor of celebrating their 50th Anniversary on Saturday, Jan. 23. Some forty guests including the Rev and Mrs. Dan Schowalter were entertained at a 6 o'clock dinner at the Glacier Inn.

Elmer Ramthun, Jr. of Madison, son of Mr. and Mrs. Elmer Ramthun Sr. of Kewaskum, was among the 1,400 graduates of the University of Wisconsin who received degrees at the campus commencement held on Saturday, Jan. 23. Ramthun was awarded a Bachelor of Business Administration degree. Ramthun has accepted a position with the Wisconsin Department of Taxation in Madison.

Approximately 450 persons attended the open house at the Wayne Elementary school last Sunday, Jan. 31. Mrs. Edgar Miske was chairman of the event. She was assisted by other mothers of pupils attending the school and by faculty members.

With 12 to 14 inches of snow on the ground on the level from storms the week before, another snowstorm hit this area Sunday night, when 5 to 6 inches of new, fluffy snow fell. Brisk winds followed the snow and again piled up huge drifts over the previous drifts.

Miss Beth Honeck, daughter of Mr. and Mrs. Kilian A. Honeck, R. 2, Kewaskum, has been chosen as the Good Citizen of Kewaskum Community High School in a contest sponsored by the Daughters of the American Revolution.

In a pretty wedding ceremony on Feb. 6, at Holy Angels Church in West Bend, Dorothy Forsberg, daughter of Mr. and Mrs. Harold Forsberg of West

Bend became the bride of Donald Brath, son of Mr. and Mrs. George Brath of Wayne. The couple is residing in West Bend.

50 Years Ago

Feb. 9, 1940

Last Saturday, Feb. 3 at 2:00 p.m. at St. John's Lutheran Church at New Fane, the Rev. Edm. Huebner of Random Lake officiated at the home in a private funeral service for the Rev. C.J. Gutekunst, pastor of the church, who passed away on Wednesday, Jan. 31. The Rev. Gust. Kaniess preached the German sermon at the church service and the Rev. Walter Strohschein of Dundee addressed the mourners and the congregation in the English language.

Two people were seriously injured and five others received minor injuries when an auto in which they were riding ran off the road and tipped over about 2:30 a.m. Monday morning on Highway 33, three miles west of West Bend while they were returning to their home. Francis Wiedmeyer, 20, son of Frank Wiedmeyer, R.2, Kewaskum and Miss Amanda Dorzak, 18, daughter of Carl Dorzak, also of R.2, were seriously injured and are confined to St. Joseph's Community Hospital, West Bend. Wiedmeyer sustained a severe contusion to the spine and a mild brain concussion. Miss Dorzak suffered a deep scalp laceration, mild brain concussion and severe contusion to the lower spine and pelvis. The driver of the car, Math. Wiedmeyer was severely bruised about the head and shoulders. Leo and Irene Wiedmeyer sustained bruises. Alice and Edna Schneider suffered contusions and abrasions. The auto was damaged beyond repair.

Four hundred taxpayers of the Town of Farmington presented a petition to the Washington County Board Wednesday protesting the \$100,000 widening and relocation project on Highway 144 through that township. The taxpayers charged the project was an extravagance unjustified by the amount of traffic the highway carries.

75 Years Ago

Feb. 6, 1915

George W. Johnson, aged founder of the Campbellsport News, is dead at Corning, N.Y., which has been his home in late years. His death was sudden. Mr. Johnson was a native of Fond du Lac County.

Kewaskum was practically cut off from the world on Monday so far as telephone and telegraph services were concerned. No lines of the Wisconsin Telephone were working. Reports from farmers in the area that a large number of telephone poles were broken off and lying across the roads. The Wisconsin Telephone Company had a crew working all Sunday night between Campbellsport and West Bend trying to straighten out the wires, but the work had to be abolished on account of the heavy snowstorm. The sleet storm of Sunday was the worst this village has experienced in years. The damage done to fruit and other trees was large. All country roads were blocked.

Motion pictures to be shown in Groeschel's Opera House. The new motion picture machine, together with complete equipment and screen arrived last Monday and now everything is in readiness for the opening night, Sunday evening, Feb. 7th.

Wm. Foerster, Wayne, was surprised last Tuesday evening by a large number of his neighbors, it being his 44th birthday anniversary.

A baby girl was born to Mr. and Mrs. Joseph Campbell, Wayne, last Wednesday.

Mrs. Henry Glass, of Beechwood, succumbed after a lingering illness Saturday morning. She was the third member of the family claimed by the grim reaper within three weeks.

The New Prospect mill under the new management of H.W. Koch, is now ready to do feed grinding. A share of your business is solicited.

Gertrude, the four month old daughter of Mr. and Mrs. Ed Dricken of the Town of Barton, died Saturday afternoon. Funeral services were held on Monday.

Jake Rimmel, our efficient gatender at the railroad crossing on Main Street, was to Milwaukee recently where he underwent an examination in efficiency which is demanded by the North Western company of all their gatemens along their line of road. Mr. Rimmel passed the examination very successfully.

VOLUNTEERS NEEDED

Volunteers have a chance to come out like the ground hog, and show the community how much they care. Why not spring into action and call the Volunteer Center of Washington County to see what opportunities are available and in need of your talents. Let us find the right job and the right time for you. Give us a call at 338-8256.

Blood Center Hostess — Greet and serve refreshments to blood donors. People are needed the 4th Tuesday from 5:30 to 7:30 p.m. and the 3rd Thursday from 2:30 to 5:30 p.m.

ELDER PEER COUNSELORS — People to be a friend to older citizens who need help with shopping, and other daily living skills. Training for this will be the 1st week in April. If you are 55 or older why not make a new friend and also provide a much needed community service.

Bookkeeper — A small non-profit agency needs an experienced bookkeeper. Two hours a week will do the job! Pleasant surroundings. Training provided on Peach Tree software. Here's a chance to keep active a skill and also learn something new.

Drivers — To transport cancer patients to Milwaukee and Fond du Lac for treatment. Takes about 2 hours. Can usually be scheduled ahead. Volunteer will use their own car.

Adult Reading Teachers — Literacy Services of Washington County is recruiting people to be trained to help adults improve their reading skills. This is a long term commitment. Plan to be with your student at least a year and

meet on a weekly basis. Training is provided.

Drivers — To deliver noon meals to senior citizens in West Bend. This takes about an hour. You can choose a day that is good for you.

Big Brothers and Big Sisters — Be a friend to a young person in the community. Go on outings together or just visit with a child who needs a "buddy." Must make a commitment for at least a year. A great opportunity for someone who has a special love for children.

We are looking for transportation for a person going to Hartford in the morning and back to West Bend in the afternoon on Tuesdays. If you go to Hartford on a regular basis on Tuesdays and can help us with this please give us a call.

WASHINGTON COUNTY NUTRITION PROGRAM FOR THE ELDERLY MENU Meadowcreek Apartment Complex

Monday, Feb. 12 — Pepper steak, scalloped potatoes, tossed salad, branola bread w/butter, banana, milk and coffee.

Tuesday, Feb. 13 — Baked chicken w/gravy, whipped potatoes, red cabbage, corn muffin w/butter, fruit cup, milk and coffee.

Thursday, Feb. 15 — Sliced turkey breast, parsleyed potatoes, sweet and sour beets, whole wheat bread w/butter, lime gelatin dessert, milk and coffee.

Ceramics at 10:00 a.m. every 1st and 3rd Tuesday of the month.

Card playing everyday.

Joel Rodney to Become New UWWC Dean June 1

Joel Rodney of Rockford College in Rockford, Illinois, will become dean here at the University of Wisconsin Center -Washington County on June 1. His appointment was approved February 2 in Madison by the UW Board of Regents.

Rodney is currently the Provost and Vice President for Academic Affairs at Rockford College, where he also is a professor of history. His previous administrative experience was at Salisbury State College in Maryland, Widener University in Pennsylvania, and Elmira College and Cornell University in New York.

He was taught at Widener College, Elmira College, Cornell, and Ithaca College, all in New York; and at Washington State University in Pullman.

In addition to serving as dean at UWWC, Rodney will be an associate professor of history. He also spent time in India, where in 1971 he was a three-month Summer Fulbright, lecturing on America and learning about India. He returned in 1986 as a consultant on independent living for physically disabled Indians.

UW Centers Chancellor Stephen Portch said, "After two vigorous national searches, and following a visit to the Rockford College campus where I met with faculty, staff, and students, I am convinced that Dr. Rodney is the ideal candidate for this position. I was very impressed with the enormous regard people have for Joel and his work. I was particularly impressed by the enthusiastic response I got about Joel from the students I talked to at Rockford College."

Following his visit to the campus, Portch forwarded his recommendation to UW President Kenneth Shaw and to the Board of Regents.

Rodney is a cum laude graduate of Brandeis University, where he earned a B.A. in history, and he received his Ph.D. in English history from Cornell University. In addition, he completed the program at

the Institute for Educational Management at Harvard University, directed by the the Harvard Business School and the Graduate School of Education.

Rodney's professional activities include obtaining institutional grants, program and curriculum development, community relations, and higher education for the handicapped. Much of his work in program development has been to initiate joint programs between institutions and inter-institutional affiliations.

Among other professional activities, Rodney has written numerous scholarly articles in the fields of English history and the history of science, presented papers at national and regional conferences, and participated in several research projects and seminars in the United States and other countries.

He has been active in community activities involving people with handicaps and mental health issues. He is currently a member of the advisory board of the Rehabilitation Institute of Chicago and a member of the board of directors of the Illinois Chapter of the National Spinal Cord Injury Association. His personal interests include model trains, horseback riding, and amateur wheel chair road racing.

Rodney said he was "tremendously excited about coming to UW Center - Washington County because of its commitment to academic excellence and service to the community."

He said, "I am very impressed with the faculty, staff and students, and I am looking forward to working with them and in becoming actively involved in the community."

In addition, he said, "the UW Centers provide a unique opportunity for students to enter higher education and have all of the benefits of highly personalized teaching while at the same time drawing on the strengths of the UW System."

Proposal Would Protect Social Security Trust Fund; Outlaw Benefit Cuts

Wisconsin workers would see up to \$500 more over the next three years in their paychecks under a payroll tax cut plan unveiled recently by U.S. Senator Bob Kasten (R-Wis.).

Hailed as a "responsible alternative to the Moynihan proposal, Kasten's plan would increase the take-home pay of workers by retroactively reducing the 1990 Social Security payroll tax on both employers and employees from 6.2 percent to 5.3 percent over the next three years.

That would mean a tax cut of up to \$154 in 1990, another \$172 in 1991 and an additional \$193 in 1992 — for a total tax cut of \$519.

"America's working families deserve a break. They deserve to see more of their own hard-earned money in each paycheck," said Kasten, who introduced his legislation — The Social Security Integrity and Tax Reduction Act of 1990 — in the U.S. Senate.

The Kasten plan removes the Social Security Trust Fund from the budget "to protect its integrity" and outlaws any cuts in Social Security benefits.

"Cutting the Social Security tax does not affect in any way our commitment to the hard-working retirees of this country — both current and future. My proposal protects today's seniors and their grandchildren," said Kasten.

Kasten said cutting the payroll tax would "force Congress to curb its insatiable appetite to spend the Social Security surplus. It would leave today's young workers and families with more after-tax income to invest in the real economy."

"These payroll taxes hurt businesses and workers by increasing labor costs and reducing take-home pay. Because of international competition, American businesses are forced to reduce the number of

workers they employ.

And, as usually happens, when bad economic policy is enacted, the chief victims are those at the bottom of the economic ladder."

Kasten said his proposed tax cut would "reduce labor costs, increase job opportunities, and sharpen America's competitive edge in the international marketplace."

"We have to level with the American people about the true size of the deficit," said Kasten. "And taking the Social Security Trust Fund off-budget will force us to face the facts about the size of our debt."

Only by making Social Security truly independent from our operating budget can we guarantee its integrity, protect benefits for current and future retirees, and restore discipline to the budget process," said Kasten.

"After all we're only using the money to hide the true dimension of the budget deficit, not to provide for the future of America's retirees," said Kasten.

The Kasten plan would raise the Gramm-Rudman deficit reduction targets to compensate for the removal of the Social Security trust fund from the general budget.

"Under this plan, in the first three years, we wouldn't have to implement any budget cuts beyond those necessary to meet the targets currently in place."

Further budget reductions will be required in the years 1993 to 1997 — and the result will be a straight forward balanced budget in 1997," said Kasten. "In 1997, we will have government spending paid for above board and not by theft from Social Security."

The idea that a payroll tax would reduce benefits to retirees is simply false," said Kasten. "Some in Congress are trying to turn this

to an issue of generational warfare. This is irresponsible — there is no excuse for misleading seniors about our intentions."

Kasten said that, according to the Social Security Administrations projections, "with or without this tax cut, Social Security will be solvent for at least three decades. So, to those who wish to frighten elderly citizens or anyone else, let me be clear."

"Read my lips: No benefit cuts."

Local Payco Seed Dealer Offering Reprints Of Alfalfa Test Results

Kewaskum Payco Seeds dealer, Floyd Klug, announced that he is offering reprints of the recently published University of Wisconsin alfalfa variety test results. It provides valuable information for alfalfa growers in this area. The testing was conducted at nine sites throughout Wisconsin.

According to Klug, his neighbors are impressed with Payco Seeds "Clipper" alfalfa. Under harsh Marshfield test conditions, it scored a remarkable 93% in winter plant survivability. Winter survivability, disease resistance and overall performance are significant factors for farmers to consider when choosing an alfalfa for their farm.

Free copies of this University report can be obtained by contacting Floyd Klug of Kewaskum.

Lions usually spend 20 hours a day sleeping or resting.

COLA Increases Social Security and SSI Rates

By David W. Becker
Branch Manager

A 4.7 percent cost-of-living adjustment (COLA) has increased the amount of 1990 Social Security and supplemental security income (SSI) payments. This increase raises the amount of the maximum Social Security retirement benefit for a person retiring this year at 65 to \$975. The average Social Security retirement benefit paid nationally is \$566.

The full SSI payment in Wisconsin goes up this year to \$488.72 for an individual and \$744.86 for a couple. Other income and living arrangements affect the SSI payment amounts.

Other changes effective in

1990 involve the retirement earnings test — the amount of earnings a beneficiary can earn and still receive full Social Security benefits. The figures for 1990 increase from \$8,880 to \$9,360 for people ages 65 through 69, and from \$6,480 to \$6,840 for people who are under age 65. After age 70, there is no limit on earnings.

If earnings are over the retirement test limit, \$1 out of each \$2 in earnings is deducted from benefits for people under 65. For people 65 through 69, the deduction rate is \$1 out of every \$3 in earnings over the limit.

Questions about Social Security or SSI can be answered by calling Social Security at 1-800-234-5772.

More than 2.5 million couples marry each year in the United States.

KHS Art Students Compete in Ice Sculpture Contest

Art students of Kewaskum High School entered two teams in the West Bend Winter Festival on Saturday, January 27, in the Ice Sculpture Contest. Team No. 1, left to right, Scott Biertzer, Shelley Kasseckert, Sarah Adams, Mark Kaiser, Terri Vogt and Jenny Schwartzkey.

Team No. 2: Lynn Higgins, Jodie Rutherford, Ann-Marie Spiczuzza, Amie Kirmse and Julie Woods.

'Managing' Workshop for Small Business People

A new workshop in "Managing" has been developed for owner/managers of small businesses by U.W.-Extension of Washington and Ozaukee counties. It will be held at the University Center Campus in West Bend from 7:00 to 9:30 p.m. evenings, beginning February 14.

The five session workshop will be held on Wednesday evening of each week. "Managing: A Key Role" has been designed for businesses with less than 25 employees and created to strengthen management skills of the entrepreneur. The root cause of business difficulty lies in the skills and techniques of managing - skills that can be learned.

The workshop will look at all of the management functions as well as provide an opportunity for each person present to take a self-assessment test in analyzing his/her personal effectiveness in management.

Leading the workshop will be Mr. Geoffrey Hermsen, management consultant, specializing in assistance to retail and wholesale operations. He has 30 years of retail operation management experience for such firms as Brills, Zahns, and Sure-Strike, holding positions ranging from controller to vice-president of operations. Mr. Hermsen has been involved in every aspect of administration and management of small business and appreciates fully the opportunities and challenges that lay in good management techniques. His experience includes credit and collection, accounting and finance, personnel, risk management, strategic planning, budgeting, organization, system design, security and EDP.

Mr. Hermsen received his B.A. Degree in Economics from the University of Wisconsin and his M.B.A. from Marquette University. He is a past President of the Wisconsin Retail Financial Executives Association.

For more information or registration, call Chuck Wise, Area Recreation / Small Business Agent for UW-Exten-

**Affirmative Action
Scholarship Offered by
Wisconsin Realtors Ass'n.**

The Wisconsin REALTORS Association is offering a \$1,000 Affirmative Action real estate education scholarship to minority residents of Wisconsin. The Scholarship winner can select any accredited real estate school in

Wisconsin which provides the required 45-hour law, and 22.5 finance and appraisal courses. In addition to course fee, the Scholarship may also be used to cover books and materials for education courses, Association dues and MLS fees.

Minority applicants must be highly motivated, at least 18 years old, have an automobile, and a valid driver's license. Strong oral communication

skills, and a firm desire to enter real estate as a profession are additional selection criteria.

The Wisconsin REALTORS Association initiated the Affirmative Action Scholarship program in 1988 to encourage and aid persons of all races, creeds and colors in entering the field of real estate. The Association offers a variety of education courses in law, finance, appraisal and marketing to help interested persons enter the field of real estate, and to prepare them for a successful career.

The deadline for Scholarship applications is March 1, 1990. For more information, and an application form, contact the Wisconsin REALTORS Association at (608) 241-2047.

**NOTICE OF HEARING
TOWN OF WAYNE
ZONING BOARD OF APPEALS**

NOTICE IS HEREBY GIVEN that the Town of Wayne Zoning Board of Appeals will conduct a hearing on the application for appeal filed by David Resch. The hearing will be held at 9:00 A.M. on February 20, 1990, at the applicant's property located at 8238 Midland Dr., Allenton, WI 53002.

The applicant's property is located in the NW 1/4 of the SW 1/4, Section 21, Town of Wayne.

The appeal seeks a variance from the requirements of the Zoning Ordinance and if granted will permit the applicant to erect a shelter and concrete block yard fence closer than 75 feet from center of Midland Drive.

All interested persons wishing to comment on the appeal should appear at the hearing.

Dated Jan. 24, 1990

Orville Kern
Zoning Administrator

Indian Wrestlers Finish 6th; Stradtman Wins Title

Noel Stradtman, Kewaskum, decided Dean Strauss, Sheboygan Falls, 3-2, in the first round of conference wrestling. Noel went on to take first place.

Saturday the Indians finished their conference season by traveling to Two Rivers for the conference tournament where they finished sixth with 83.5 points. Sweeping the conference title was New Holstein with 167 points followed by Kiel and Plymouth, who placed second and third respectively.

Winning the gold for the Indians was Noel Stradtman and second place was won by Heisdorf, Kuphal and Kurtz. Kapp and Sabish captured the fourth and third place title.

Although he started the season late, Stradtman did extremely well. After getting past Sheboygan Falls Dean Strauss (who held Stradtman until the very end when Stradtman came up one point ahead) Noel went on to face Scott Schommer, who he beat 11-2. This then put Noel in the championship match against New Holstein's Brian Gavin. Stradtman and Gavin went into overtime after a tie score of 8-8 and Stradtman overpowered Gavin allowing him only one point for a final 12-9 score.

Heisdorf beat Jeff Vallesky of New Holstein with a close score of 5-4. He then went on to face Pat Pardowsky of Two Rivers. Pardowsky, who is ranked ninth in state and who previously lost to Heisdorf put up a fight for the title. Heisdorf was unable to take the tough opponent down but escaped three times. Three points shy of Pardowsky,

Kevin Kapp, Kewaskum, decided Jason Yost, Sheboygan Falls, 16-2.

Heisdorf lost 3-6 giving him second place and a silver medal.

Kuphal had an exciting meet beating Cory Stoney who beat him two times this season. Stoney was held by Kuphal throughout the match and was unable to do much of anything. Kuphal came out with the victory 7-0. He then went on to face the undefeated Kevin Schmitz of Chilton. Kuphal lost by technical fall in the last period, placing second.

Josh Kurtz also did remarkably well as he also finished second. Going in the tournament with determination gave Kurtz the 10-6 win over Saunders of Sheboygan Falls and the 10-1 win over Gutschow of Kiel which placed him in the finals against Chad Arbuckle. Too tough for Kurtz, Arbuckle

pinned him in :56.

Jeff Sabish lost to Scott Charles of Two Rivers by two points putting him in the third place match against Kiel. Sabish overcame Muehlbauer and walked away with the bronze.

Kapp easily beat Yost of Falls in his first match but was pinned in 1:40 by Chad Knecht of Plymouth who placed second in the meet. He then went on to capture fourth place after losing his final match 6-7.

Muckerheide finished in sixth place. Muckerheide lost both of his matches, the first by a pin and the second by decision against Joe Pence of Kiel.

This weekend the Indians go to Campbellsport for Regionals. Come cheer the Indians on to Sectionals!!!

Milk Prices Reach Record High in 1989

"Milk prices in Wisconsin declined in the first five months of 1989, but then increased rapidly to a record high by September," said Marv Heiser of the Wisconsin Agricultural Statistics Service (WASS), "for an exciting finish to 1989 and the decade."

Heiser reports the "all milk" price exceeded \$14.00 per hundredweight for the first time ever in September, then continued to soar making records of over \$15.00 in October, and nearly \$16.00 in November and December. Heiser believes the great increases to be over as prices usually decline seasonally in January when milk production increases and consumer demand for cheese decreases.

Reduced milk production and a strong demand for cheese contributed to the high milk

prices. Cheese prices for barrels and blocks at the National Cheese Exchange increased more than 36 cents per pound from March to November. Cheese production utilizes 77 percent of Wisconsin's milk supply. Prices of barrels and blocks in November were 39 cents per pound above the government support price.

The Minnesota - Wisconsin (M-W) milk price reached a record high of \$14.69 per hundredweight in November, \$2.46 above November 1988. The M-W is the average price of manufacturing grade milk on a 3.5 percent milkfat basis in Minnesota and Wisconsin. It is used as the minimum price in the Federal Milk Marketing Orders for pricing Class One and Class Two milk.

Monthly milk production in Wisconsin during 1989

remained below the previous year. Fewer milk cows on farms and reduced production per cow in the second half of 1989 combined to lower milk production.

Dairy product purchases by the Commodity Credit Corporation (CCC) under the price support program totaled 9.3 billion pounds milk equivalent during the marketing year of October 1, 1988 to September 30, 1989. This was 3 percent lower than the previous marketing year. Butter purchases increased by one-third and accounted for 95 percent of the total milk equivalent purchases. The amount of cheddar cheese sold to the CCC declined by 85 percent. No nonfat dry milk was purchased by the CCC during the marketing year.

National Ski Patrol to Hold Open House At Ice Age Visitor Center in Dundee

The Langlauf Nordic Ski Patrol (a division of the federally chartered National Ski Patrol formed in 1938) was organized in 1978 for the purpose of providing FREE Winter Emergency Care for nordic skiers on the ski trails in both the Northern and Southern Kettle Moraine Units.

The Langlauf Nordic Ski Patrol will hold an Open House. Topics include: demonstrations on safe skiing techniques; advice on proper dressing for cross country skiing; the segment on the Langlauf Nordic

Ski Patrol produced by the TV program OUTDOOR WISCONSIN aired on Channel 10 will be shown; what to do if you need help on the trail; and training and membership requirements for joining the Langlauf Nordic Ski Patrol will also be given.

It will be held at the Ice Age Visitor Center in the Northern Kettle Moraine Unit on Highway 67, 1/2 mile South of Dundee, on Saturday, Feb. 10th starting at 11:30 a.m. and is FREE to the public. Call 414-545-8317 for reservations.

Second Quarter Dooms Indian Boys KHS Girls Struggle; Beat Kiel

Ferrantes Fire Past Kewaskum In Lakes Win

KEWASKUM — For the second time this season, the Kewaskum boys' basketball team played Kiel as tight as can be possible. And once again, the Indians came up short.

After losing to the Raiders by a single point earlier in the year, the Indians lost twice as bad this time around, a 63-61 decision which dropped the Indians' overall record to 6-8, 2-6 in the Eastern Wisconsin conference.

The Indians, playing without starter Rich Radtke, who missed a couple days of school with illness and was unable to play, got off to a fast start, as did Kiel and after a fast-paced first quarter, Kewaskum was down by two, at 21-19.

The second quarter proved to be the demise of the Indians. Kiel switched to a zone defense, and Kewaskum went ice cold in shooting. Unable to make wide-open jump shots, the Indians were outscored 20-9 in the period, and at halftime, Kewaskum found itself behind 41-28.

Kewaskum began making some shots early in the second half, and began chewing away at the Raider lead. The Indians naved off a big chunk in outscoring Kiel 15-8 in the third quarter, pulling to within six, at 49-43.

The Raiders lead continued to dwindle into the final quarter. Kewaskum finally pulled to within three points late in the contest. The Indians got a

rebound and had the ball with under :10 to play.

Senior guard Brian Leitheiser's three-point attempt was off, but Indian Steve Gerhartz was there to pull down the rebound and put the ball back in cutting the deficit to 62-61.

The Indians immediately fouled Kiel's Craig Niels with :01 remaining. Niels, who had previously made his last six free throws, made the first and missed the second. The remaining second was nowhere near enough time to get off a shot, and the Indians went down to defeat.

Gerhartz led the balanced Indian scoring attack with 18 points. Mark Felix wasn't far behind as he tallied 16, while Leitheiser and Mark Heather chipped 10 and 9, respectively. Jason Strebe, who lit up the visiting crowd with a dunk during the game, led the Raiders with 16 points.

Kiel 21 20 8 14-63
Kewaskum 19 9 15 18-61

Kiel - Neils 2-7-0, Held 5-1-3, Lepisto 1-0-1, De Meyer 1-2-3, Da Meyer 3-3-5, Strebe 7-2-3, Hildebrandt 4-1-1. Totals 23-16-15, FT Missed 7, 3-pointers - Hildebrandt.

Kewaskum - Felix 6-4-3, Waechter 2-2-3, Schmid 1-0-0, Heller 0-0-1, Heather 4-1-0, Gerhartz 7-4-4, Leitheiser 5-0-4, Totals 25-11-15, FT Missed 7, 3-pointers - none.

KIEL — The Kewaskum girls basketball team may have had a bit of payback on their minds when they traveled to Kiel last Thursday.

It wasn't just the fact that the Indians had lost to Kiel earlier in the year. The fact that the margin was a single point and that Kewaskum really played well enough to win the game may have been the motivation here.

Although the game was sloppily played, the Indians will take the 36-30 victory over the Raiders here. The win improved Kewaskum's record to 9-8 overall, and 3-6 in the Eastern Wisconsin conference. It also snapped a four game conference losing streak for the Indians.

Both clubs had a tough time of things offensively in the game, hence the low scores. But the Indians clearly had the upper hand in the game, although they were not able to put the Raiders away when they had the opportunity.

The Indians led 18-13 at the half, and Kiel was quite fortunate to be that close, thanks much in part to Kelly Schuler. Schuler scored 11 of Kiel's 13 points in the half, single handedly keeping her team close.

Kewaskum also had quite a bit to do with Kiel still being in the game. The Indians went scoreless in the final four minutes of the first half when they really could have opened the lead and blown the game wide open.

In the second half, the Indians continued to let the Raiders stay close, as Kewaskum just couldn't connect on the short-range jumpers and easy layups. The poor shooting included free throws, as the Indians were only able to connect of 2-of-12 opportunities from the charity stripe.

But in the end, it was the

Indians on top that let them gain revenge for one loss earlier in the year. They go for another revenge-motivated victory Tuesday when they take on Chilton, who beat the Indians 65-62 in OT earlier this season, in a another game which Kewaskum should have won.

In this one, the Indians were led once again by senior center Pam Osterbrink who, although she struggled with her shooting, scored 10 points. Kristi Lubahn also added 8 points for the Indians. Schuler led Kiel with 13 points.

Kewaskum 8 10 8 10-36
Kiel 6 7 9 8-30

Kewaskum — Rohlinger 6, Jacobs 2, Fliess 1, Weddig 5, Osterbrink 10, Chesak 2, Lubahn 8, Doherty 2. Totals 17-2-16, FT missed 10. 3-pointers - none.

Kiel - C. Schuler 6, Niemuth 6, Rogne 2, K. Schuler 13, Henschel 3. Totals 11-8-14, FT missed 8. 3-pointers - none.

Freshman Boys Win First Game

KEWASKUM — The Kewaskum freshman boys basketball team finally broke into the win column, as they came out on top 48-46, over Kiel in a thriller.

The freshman, along with the JV team, have been doing a pretty good job in illustrating just how tough of a conference the Eastern Wisconsin is, as evidenced by just two victories in 16 combined attempts.

The freshman, 1-7 in conference, 4-7 overall, were led by Matt Schlosser who had 9 points. Andy Reichert, Keith Herman and Jim Marx all scored six for the balanced Indian scoring attack.

The Indian JV's let its record fall to 1-7, and 5-9 overall, as they dropped a 64-52 decision to the Raiders, after falling behind 21-5 in the first quarter. Kim Marx led the Indians with 11 points.

Cold 2nd Half Hampers Indian Girls

KEWASKUM — The Kewaskum Indian girls' basketball team has had its ups and downs this year, but probably never as many as they experienced in their game here against Two Rivers.

After beating the Raiders for the first time ever earlier in the year, Kewaskum put on a second-half disappearing act as they lost to the visitors, 54-38.

The up-and-down Indians started out as low as they could, falling behind 10-0. Kewaskum then got on a roll, a big roll. The Indians outscored Two Rivers 11-2 the rest of the period, to pull to within one, at 12-11 after one quarter of play.

The Indians continued to push an up-tempo pace and the lead see-sawed, with Kewaskum eventually clinging to a 27-26 advantage at intermission.

The third quarter brought just an inkling of the Indian downfall, as Kewaskum fell behind, although not big, in the period, and trailed the Raiders 35-33 going into the fourth.

Both teams were ice cold offensively in the final stanza as Two Rivers could only extend their lead to 41-38 with just over two minutes remaining.

Those two minutes must have seemed like an eternity to Kewaskum, though. The Indians were forced to foul, and the Raiders kindly obliged by making 13 of 18 free throws in the final quarter, and outscored Kewaskum 13-0 over the final two minutes to win pulling away.

Kewaskum, who shot just 12% for the second half, was led by Pam Osterbrink, who led all scorers with 16 points. The Indians, now 8-8, 2-6 in conference, had just five players score Two Rivers, who

upped their records to 11-4 and 5-3 was led by Denee Prause with 15 points.

T. Rivers 12 14 9 19-54
Kew. 11 16 6 5-38

Two Rivers — Wichlacy 6, Prausa 15, Gates 9, Miller 10, Messman 8, Zahn 6. Totals 19-16-21, FT Missed 7.

Kewaskum — Weddig 2, Lubahn 7, Osterbrink, Doherty 7, Chesak 6. Totals 12-14-20, FT Missed 10.

California has the greatest number of bowling leagues in the U.S.

Freshman Girls Remain Unbeaten

KEWASKUM — The Kewaskum freshman girls' basketball team ran their unbeaten record to 8-0 as they posted a 49-26 win over perennial power Two Rivers.

Christa Schmidt played an excellent game for the young Indians, as she scored 10 of her game-high 16 points in the first half to propel her team to an early lead.

The Indian JV's were not as fortunate as their freshman comrades, as they came up short, 37-30, in their encounter with the tough Raiders.

Kewaskum, now 3-13, 1-7 in the Eastern Wisconsin was led by Nicole Opperman who scored 10 points. Terri Vogt and Tina Schwartz added seven and six, respectively for the Indians.
