Ez Tike's wife disapproves of his friends. In fact she's talking about a divorce. Ez can't figure out why says they're all pretty nice girls.

Reserve Officer Fred Miller Retires After 55 Years of Military Service

Frederick J. Miller of 745 East Main, Kewaskum, joined representatives of every state, the District of Columbia and Europe at the Reserve Officers Association annual Mid-Winter conference Jan. 22 - 24 in Washington, D.C.

Miller, a lieutenant colonel in the Army, assisted in making decisions about the 120,000 - member ROA programs, projects, and positions, and discussed legislative strategies related to national defense and security.

More than 2,000 attended the

conference and an additional 4,000 visited the 60-exhibit military exposition related to it in the exhibition hall of the Washington Hilton hotel.

Miller, who enlisted in the CMTC (Civilian Military Training Corps) program in 1935, is retiring after serving his country in various jobs in the military forces.

He was commissioned in 1941 and called on active duty three months later. He served in the South Pacific for three and a half years in World War II. He returned to the United States

and served on active duty until 1946. He reverted back to the U.S. Army Reserve that he had joined in 1937.

Since 1946, he has had numerous assignments at 5th Army Headquarters, Chicago, Ill., Continental Army Command, Ft. Monroe, Va., and the Pentagon, Washington, D.C.

He has carried pocket orders to report to the Pentagon since 1979 until his retirement in January 1990, ending 55 years of service.

Four Vying for Judgeship In Primary Election Tuesday

By GERRY MUELLER
Statesman Staff Writer

The only race on next Tuesday's primary ballot will be that for Washington County's Branch One Circuit Court judgeship.

The election February 20th, will see stiff competition among those four candidates which

include West Bend attorneys Patricia Borchert Stroik and Lawrence Waddick, Washington County District Attorney J. Dennis Thornton and Germantown attorney Roland Pieper.

The primary will narrow the field to two candidates for the spring election which will be held on Tuesday, April 3rd.

Esser to Retire

Child at Risk Numbers Low

By GERRY MUELLER
Statesman Staff Writer

High School principal LeRoy Kopecky told members of the Kewaskum School Board Monday night that the district's statistics show it has very few true At Risk high school students. "There are actually only three students which fall into the exact classification of a Child At Risk as outlined by the Department of Public Instruction," said Kopecky.

Kopecky told the board the district did, however, have a number of students which he would term "potential" At Risk students. According to the DPI's criteria, students are considered at risk if they are (one or more of the following) one or more years behind in reading, one or more years behind in math, one or more years behind in the number of credits attained and are (at least one of the following) adjudicated delinquent, school age parent, dropout or ceased to attend for twenty consecutive school days and have not formally withdrawn.

I feel a potential at risk student is not necessarily a delinquent or dropout but a student who is behind in reading, math or the number of credits needed, noted Kopecky.

Because of these findings, Kopecky felt the district "should develop a program which is 'pro-active' rather than 're-active' to the needs of the kids."

Kopecky said a new program now under way at the high school entitled "Spiral of Success" has been put into place to spiral these kids up to their potential to succeed. "What we try to do," said Kopecky, "is identify these students and assign them,

during a study hall, to a teacher in a tutorial lab where they can receive extra assistance. In many cases we're finding students have problems simply because they don't have the proper study skills and habits necessary to help them organize their work and get assignments done."

While the DPI has expanded the Child At Risk program to include the fifth through twelfth grades, Kopecky said he would like to see the state get involved on all the elementary levels, especially at the first through third grades. "That's when they get their first taste of succeeding or failing in school. At the elementary level is where we feel the Child At Risk program should really take place. By the time students are in grades nine through twelve," said Kopecky, "it's almost too late to intervene."

Kewaskum Elementary School principal Richard Zarleng told the board there were "At Risk" students at the elementary level, but they cannot be designated as such because they do not meet all the DPI's points in determining a Child At Risk, such as being a dropout, delinquent or missing 20 or more days of school.

While it is not likely the district would get any additional funding for expanding the program, Kopecky said he would like to recommend to the board that the district hire a second full time elementary school counselor and up the social worker's position from half to full time which would aid an At Risk program if it were extended to the elementary levels.

Under action items, the board approved several recommendations as presented by the

Finance - Transportation - Buildings and Grounds Committee. They included carpeting and tile repairs for two KES areas, repair of the Rose Hall folding door, painting the KHS fieldhouse exterior, replacement of a KHS door and frame, installation of additional fire doors at KES, ventilation controls for an existing Rose Hall fan unit and an engineering contract for air conditioning and heating changes for the KMS walls project.

Food Services Supervisor Kathy Robinson reported on the results of the DPI's food service audit. She noted overall, the district did very well in the inspection.

The board also approved the purchase of a used van and Dr. Heather's recommendation to increase substitute teacher pay from \$48 to \$50, to be competitive with the West Bend School District.

Dr. Heather also advised the board he had received a letter from assistant high school principal Roy Esser indicating he will be retiring on June 30th at the end of the school year.

As a non-action item Mr. Kopecky reviewed the preliminary section assignments for classes during the 1990-91 school year. Board member Perry Ankerson questioned the large increase in numbers in class enrollments. He was wondering if other students besides his daughter were being encouraged to sign up for more courses with the option to drop a course at a late date.

Ankerson noted he had no problem with such a recommendation if there was a probability that one of the

School District, KEA Reach Tentative Contract Agreement

By GERRY MUELLER
Statesman Staff Writer

In an eleventh-hour meeting, negotiations representatives for the Kewaskum School District and Kewaskum Education Association reached a tentative contract agreement for the 1989-90 school year.

The accord was arrived at as the result of a last-ditch bargaining effort on the part of both sides. Representatives for the two sides met in a five-hour session last Wednesday in an attempt to settle negotiations before entering into binding arbitration.

Until the contract is ratified,

however, no details of the agreement are being released by either side. District Administrator Dr. David Heather said the KEA will be meeting on Wednesday for the purpose of hearing the proposal and a ratification vote. "If the teachers approve the contract," said Heather, "the school board will meet in special session on February 20th for its ratification of the agreement."

If a settlement had not been reached at last week's meeting, the KEA and school district would have proceeded with work on final offers which would have been presented in an arbitration meeting.

Building Permits Up in 1989

By GERRY MUELLER
Statesman Staff Writer

Kewaskum saw increased construction during 1989, according to a report submitted to the Village Board by Administrator Dan Schmidt recently.

Totals for 1989 show an increase of 9% over 1988 figures. In the residential category, which includes single family, duplex, apartments under four units and remodeling, permits rose from 78 in 1988, to 89 for 1989.

In the mercantile area, which includes commercial structures and apartments over eight units, permits rose from nine in 1988, to eleven in 1989. Of those eleven permits, three were for apartments representing a total of seventy-seven living units.

In the area of manufacturing, statistics remained unchanged with zero applications in both 1988 and 1989.

In the non-taxable category, which includes churches, schools and public buildings, figures showed a drop, from eight permits in 1988 to four for 1989.

The grand total for all permits

rose from 95 in 1988, to 104 for 1989.

Jung Joins Fire Dept.

One of the newest members of the Kewaskum Fire Department is Dan Jung, of 512 Linde Lane.

Dan joined the dept. in August, 1989 and plans to attend Fire School in March. He has been active in service fire training.

We welcome Dan to the force.

Regal Ware Inc. Donates \$2500 to Campbellsport Scholarship Foundation

Dave Schellhaass, Campbellsport Scholarship Foundation president, announced today that James Reigle, president of Regal Ware, Inc., of Kewaskum, donated \$2500 to the nonprofit tax exempt organization.

Donations to the Foundation

will be used to make academic scholarships available for qualified Campbellsport graduates to further their education.

The Foundation was initiated in September 1988 and will be awarding its first \$1000 scholarship in May 1990.

Sellout Expected for Peace Church Dinner Theatre Mar. 3 & 4

"Let Him Sleep 'till It's Time for His Funeral" is the comedy to be presented on March 3 and 4 by Peace Players of Peace United Church of Christ in the fellowship hall of the church in Kewaskum.

The dinner theater production begins with a chicken kiev meal both Saturday and Sunday nights at 6:30 p.m., followed by the play.

This third annual dinner theater features the hilarious antics which arise when a well-meaning wife decides to give her husband a fancy funeral as a surprise for his 50th birthday so that he can see how many friends he has while he is still alive.

Margaret McFadden portrays Edna the wife, with Charles Petrie as the surprised husband, Harold. Jennifer Stelter plays Elizabeth, their confused and emotional daughter. Becky Manthei and Rev. James Bettin act as Millie and Russ, the helpful neighbors. William Stangl completes the cast as Mr. Jansen, a man attempting to deliver a valuable prize. The play is being directed by Rev. Bettin.

The public is invited to attend this production. Tickets, at \$6.00 for adults and \$3.00 for children under 10, may be

obtained by calling 626-4011 or 626-2911. None will be sold at the door, and all seating is reserved. These have been sell-out performances the past two years.

Shirley Temple, as a child star, wore exactly 56 curls in her hair. The curls were set by her mother who thus made sure of their exact number.

Annual Meeting of County United Way

The United Way of Washington County Board of Directors has scheduled their annual meeting for February 21, 1990. The meeting will be held in the Community Room at M & I Bank, 231 North Main Street, West Bend at 4:00 p.m.

Business to be conducted will include the election of 1990 directors and officers, along with annual reports of the officers and committees. Annual reports will be available. This meeting is open to the public.

School Board

(Continued from Page 1)

courses would not be available. He was concerned that such a practice on a large scale would tend to inflate class numbers when in reality, the class sizes would be smaller than represented. Kopecky said he did not think that was a fair statement that teachers were encouraging students to sign up for classes and then drop out. Ankerson told Kopecky he was trying to determine how a student enrollment which will remain basically the same for next year will increase class

enrollments from less than 5,000 this year to over 6,000 for next year. Even if every student took a class for each of his or her eight class periods, Ankerson could not believe there would be such a large jump in class enrollments.

In other action the board approved the selection of two graduating seniors, Leeann Winninghoff and April Wulff to receive two Wisconsin state scholarships. The scholarships will provide full tuition to any public university within the state.

Surplus Food Distribution to Eligible Households Feb. 17

Washington County has received surplus commodity food items that will be distributed to eligible households on Saturday, Feb. 17, from 9:00 to 11:30 a.m. (as long as supply lasts).

Eligible households will receive butter, peanut butter, canned pork, vegetarian beans, green beans, honey, flour and cornmeal.

Locations for the free distribution are as follows:

West Bend, St. Frances Cabrini Church, 615 Hawthorn Dr. (lower level parking lot); Hartford, St. Kilian School, 245 High St. (cafeteria); Germantown, Senior Activity Center, W162 N11960 Park Ave.; Slinger, Village Hall, 220 Slinger Road; Allenton, Addison Town Hall, Village of Allenton; Kewaskum, Kewaskum High School, north entrance, 8:00 a.m. as long as supplies last; and Jackson, Jackson Fire Department, S. Jackson Dr.

Eligibility is based on the current monthly gross income (before taxes) of all household members with the following limits: Household size 1, income limit \$748; 2, \$1,003; 3, \$1,258; 4, \$1,513; 5, \$1,768; 6, \$2,023; 7, \$2,278; 8, \$2,533; 9, \$2,788; 10, \$3,043.

For more information, the public may phone 338-4610.

Home delivery is available for Elderly and Handicapped if there is no one in the household who can get to a distribution site. To make arrangements, call the distribution

site in your area.

Although no income verification information is required, a self declaration form must be signed by the recipient and is subject to state audit. You may also be asked to provide proof of residency.

This program is being coordinated by the Washington County Department of Social Services, and handled locally by various volunteer workers in each community.

Cholesterol, Blood Pressure Screening At West Bend

Cholesterol screening and blood pressure measurement will be offered to West Bend area residents by the Community Health Nursing Service Cardiovascular Risk Reduction Program. Screening tests will be available once a month at the Washington County Court House, 432 East Washington, West Bend.

Screening schedule is February 22, beginning at 9:30 a.m. in room 245, (main level of court house).

Blood pressure and Cholesterol screenings will be done BY APPOINTMENT ONLY. Cholesterol screening will be done for a charge of \$5.00.

To schedule an appointment for cholesterol and/or blood pressure screening, call 338-4707 or 644-5204 or 342-2929 (toll free, ext. 4707).

Woman's Club to Meet Feb. 22

The Kewaskum Women's Club will host our AFS students from the Kewaskum High School at our Thursday, February 22 meeting in the Community Room of the Municipal Building at 7:30. They will inform us of their people, customs and their countries.

The hostesses are Betsy Strigenz, Ruth Gruhle, and Malinda Seifert.

Members, please reserve Thursday, March 22 for our Spring Fashion Show by Fashion Niche of West Bend and also bring a friend.

POST OFFICE HOURS ON WASHINGTON'S BIRTHDAY

The Kewaskum Post Office will be closed for window service on Monday, Feb. 19, Washington's Birthday, a legal holiday. The lobby will remain open for lock box patrons. There will be a dispatch of mail. There will be no rural delivery.

The Boy Scouts were started in Great Britain by General Baden-Powell in 1908.

Ice Age Trail Program To Be Presented Feb. 26

On Monday, February 26, at 7 p.m. photographer Stan Miske, assisted by Bernice Popelka, will present a slide program on the beauties of nature to be found along the Ice Age Trail in Washington County throughout the four seasons.

Sponsored by the Washington/Ozaukee Ice Age Trail Chapter, the program will be presented at the Slinger Village Hall on the east side of Slinger Road just north of Hwy. 60. The 30-minute program is free and open to the public. Refreshments will be served.

Free Blood Pressure Screening at West Bend

The Community Health Nursing Service Cardiovascular Risk Reduction Program is offering a free blood pressure screening at the following site during the month of February.

February 24th - West Bend Fire Department, 320 N. 7th Avenue, from 1 to 4 p.m.

Questions about the program may be directed to Doris Dauer, Coordinator, at 338-5274, 644-5204 or 342-2929 (toll free, ext. 4707).

Memories...

Who are these "local swingers"? Give up? They are none other than Carole (Harbeck) Timblin, left, and Sandy (Ramthun) Rimmel. The photo was taken at the wedding of their uncle and aunt Frank and June (Kraft) Heisler on August 13, 1949.

JEST IN FUN

A press agent arranged for an audition with a well-known TV producer for his client: a talking dog. The skeptical producer warmed up as the dog started with a joke or two, then went into an amusing political satire. The press agent pointed out that his client really wanted to be a singer. After several songs, the producer was convinced that this was a gold mine. Just then, a huge, ugly dog burst into the audition room, grabbed the little dog by the neck, and bounded out of the room. The producer wildly turned to the press agent, who was slowly putting on his coat, for an explanation.

"That's his mother," he said dejectedly. "She wants him to be a doctor."

Good News With Community Church

Remember Your Valentine

Valentine was the name of a young man who lived in Rome, Italy, during the days when Christians were being persecuted. He helped the Christians so was put in prison for it. It was in prison that Valentine accepted the Lord Jesus as his personal saviour and it was because of this he was clubbed to death on February 14, 269.

The story goes, while he was in prison, he sent messages to his friends, saying, "Remember your Valentine" and "I love you."

So on February 14, we celebrate Valentine's day because he loved and helped others and eventually gave his life for them. The Bible says in John 15:13 "Greater love hath no man than this, that a man lay down his life for his friends."

God demonstrates His own love for others. For it says in John 3:16 "For God so loved the world, that He gave His only begotten Son, that whosoever believes in Him should not perish but have everlasting life." It is a sin to reject the love that God offers through Christ who died on the cross to pay for your sins.

In this world full of hate it is good to celebrate a day of love, "Valentine's Day." Jesus says in Matthew 22 "love the Lord your God with all your heart, with all your soul and with all your mind." This is the first and greatest commandment. And the second is like it. Love your neighbor as yourself.

Community Church meets every Sunday at 9:30 a.m. at the Silverbrook Middle School, West Bend.

Births

TIMBLIN — A daughter, Tocarra Lynn to Terri and Trev, 112 Timblin Drive, Kewaskum, on Feb. 8. Paternal grandparents are Henry and Carole Timblin, Kewaskum and Sylvester and Sandra Huck Jr. of Wautoma.

HANSEN — A son to Marsha and Rick, 655 Crooked Lake Drive, Cascade on Feb. 8.

Campus Notes

Sheboygan, Wis. — One hundred and twenty-eight Lakeland College students were named to the Dean's List for academic achievement for the recently completed fall semester.

Ninety-eight attended classes on campus and attained a grade point average of 3.5 or better. They included Denise Hlavaty, Kewaskum, a freshman with an undecided major.

Letters to The Editor

Letter to the Editor

This letter is in reference to the Editorial Rebuttal of the Kewaskum Statesman, January 25, 1990 in regards to using the Kewaskum River Hill Park for winter sports. It is also in response to the Journal staff article "officials face sledding safety issue" by Michael Krenn February 5, 1990.

I agree with the Statesman editor 100% in defending the right of any of our children to use the Kewaskum park hill for their own fun and enjoyment, without having signs posted stating "No Sledding" - "Careful-Bump" "Caution - Running SQUIRRELS" all over the hill. What we need in our "NOW" society is the sign in our minds which says "USE COMMON SENSE!"

The wide main area of the hill, used by four generations in my family for sleigh-riding, tobogganing and skiing is not a dangerous area! The "numerous trees" referred to in Krenn's article are off to each side of the hill and there are two utility poles at the very bottom of the hill and also off to each side. There are no wooden stakes that mark a snowmobile trail at the base of the hill as the snowmobilers use the river to run on and their trail exists 1/2 block south of the main sledding hill.

I have sincere compassion for the two teenagers who were hurt and their families but I'm sure it wasn't in their minds after the accident, to yell - "Negligence or Sue!" May they both heal with God's help.

We all, including our children, must take responsibility for what we do of our own free will. And if we do post the sign "Use Common Sense" our future fun times will be happier times for all of us. With common sense - without signs or suing actions - the Kewaskum River Hill park will remain a fun and SAFE place for future generations!

Val Strobel,
Mother of 7
Grandmother of 12

♦♦♦♦

To the Editor:

Speaking from a sledders point of view, the sledding hill chosen by many, at River Hill Park in Kewaskum is "picture perfect" for that breathtaking slide in the snow. Going down on a tube couldn't be finer. So, before we dip into the Village budget to pad the trees and telephone poles, post warning signs, and reroute the snowmobiles, let's make sure we're sledding down the same hill as the out-of-town reporter.

The "obstacle course" is not the hill many kids, teens and parents frequent. Nor is the "obstacle course" the site where two local high school students were injured.

The hill reported about, is by all means an "obstacle course." And had either of the students chosen to take a snow-tube, which is clearly marked with it's own hazard warnings, and had they chosen to take the challenge of the hill dotted with trees, utility poles, etc... The consequences of a mishap would still not be in the hands of the village.

Should the responsibility of blame be left to the "what may happen" opinions of a news-

paper reporter who hasn't seen for himself, the site where the injuries really occurred?

The Village of Kewaskum has not designated any hill for sledding. That is done by individual choice. If we are willing to take risks, we must also be willing to accept the responsibility for the consequences of those risks.

The responsibility of reporting about the sledding hill at River Hill Park in Kewaskum was left in the hands of a reporter who took the risk of using scant facts. I hope the consequences of those risks are met with more responsibility than the articles and opinions already published.

Constance M. Schulist

THANK YOU

On Feb. 4, I participated in "Jump Rope for Heart" at St. Matthew's School. This worthwhile event was coordinated by Cheryl Jaeger. I would like to thank the businesses in Kewaskum, Campbellsport and Eden and all the people who donated money. I collected a total of \$326.20, which goes to the American Heart Association. I participated in "honor" of my Grandpa, Norman Straub, who had heart surgery last July. Thanks again.

Kewaskum Area Chamber of Commerce Member

Kewaskum Couple Included In Cast of Dinner Theatre

Spotlight Productions directors Karen Koenig and Bill Leisses recently announced the cast for the Spring comedy "It's a Scream" to be held at the West Bend Hotel, March 9, 10, 11, 16, 17 and 18.

Included in the cast are West Bend residents, Penny Negley, Wayne DuBois and Randy Spaeth. Representing Kewaskum are Kevin and Meri Lou Chambers.

"It's a Scream" is a mystery comedy that tells the story of an aging "Vincent Price" type movie actor who must persuade his studio boss that he can still be scary enough to keep his job. What ensues is a hilarious romp through a haunted mansion complete with floating ghosts and dead bodies in closets.

Dinner on Friday includes a choice of Stuffed Pork Loin or Cod Almondine. Saturdays meal choices are Beef Stroganoff or Chicken Stir Fry and on Sunday, a Champagne Brunch is served. All meals include salad, rolls, beverage and dessert. The

\$16.00 reservation includes the meal, show taxes and tip.

Reservations may be made by writing Spotlight Productions, P.O. Box 286, West Bend, WI 53095, or call Becky at 338-5887.

Republican Party to Hold Lincoln Day Dinner

The Washington County Republican Party will again be holding its Annual Lincoln Day Dinner in conjunction with the annual County Caucus.

This year's event will be held Sunday, February 25, 1990, at the Kettle Moraine Bowl, 4685 Highway 60, Slinger, WI, with dinner being served at 6:00 p.m. The dinner speaker will be Bill Nehmer, Jr., author of *Have a Heart - The Lighter, Brighter Side of Recovery*. The annual Caucus will follow at 7:30 p.m.

The cost of the dinner will be \$10.00 per person. For reservations call 677-2303.

Daniel Engelseer KMLHS Finalist in Scholarship Competition

Kettle Moraine Lutheran High School of Jackson, WI, is pleased to announce that one of its seniors, Daniel Egelseer, has been named as a Finalist in Merit Scholarship competition.

As a Finalist, Dan is now eligible to receive one of 6,100 Merit Scholarships that will be awarded.

Dan is the son of Mr. and Mrs. Alan Egelseer of Hustisford, WI.

Kewaskum Historical To Meet Feb. 20th

For further information, call 338-4462.

Use of Kewaskum's Public Library Continues to Grow

By GERRY MUELLER
Statesman Staff Writer

Activity for the Kewaskum Public Library in 1989 showed a steady upward trend in useage according to a report submitted to the Village Board by the library's director Kitty Hlavaty.

Figures for 1989 show approximately a 6.5% increase in participation over 1988. Useage of the library's books, materials and reference service rose from 36,050 in 1988, to 38,403 for 1989. Much of that increase can be attributed to the library's availability as a

member of the Countywide Library System, to non-residents who can now use the facility. For providing those services, the library received over \$3,700 in reimbursement for the last quarter of 1989.

Activities for youngsters during 1989 included the spring story hour with 40 children participating, the fall story hour with 30 youngsters and 88 children participating in the Super Summer Safari program which included reading, storytelling, crafts and other library related activities.

Patricia
Borchert

Stroik
the
Best
Choice
for Judge

Paid for by the Committee to Elect Patricia Borchert Stroik, Howard Kruepke, Treasurer

Kewaskum Friends,

I want to be a judge because I am dissatisfied with our legal system. We need some changes. We need someone who's not afraid to be innovative, someone who's not afraid to be tough.

When you go into the voting booth on February 20th, think about whether you're satisfied with our legal system. If you're not, remember you don't have to vote for a traditional candidate. **You have the power to vote for change.**

I am an experienced and qualified trial attorney offering a fresh alternative.

Patricia Borchert Stroik

Schild - Lehto

On Saturday, October 14, 1989 Holy Angels Church in West Bend was the setting for the double-ring ceremony uniting in marriage Donna M. Schild and Michael D. Lehto, with the Rev. Charles Walter presiding.

The organist and soloist was Bridget McKenna of Kewaskum, while a duet was also rendered by Bridget McKenna and Michael Zehren of Fond du Lac. Readings during the ceremony from the New Testament and Gospel were presented by the Bride's grandmother, Mrs. Claudia Laubach.

The bride was given in marriage by her father. The

matron of honor was Janet Schultz, while the bridesmaids were Karen Wagner, Connie Brooks, Lori Birschbach and Beth Lehto. The junior bridesmaids were Michelle and Melissa Schild. Best man duties were performed by Glen Retzlaff, and the groomsmen were Kurt Wagner, Steve Polega, Jeff Savana and Eric Wagner. Ushers were John Gosh and Mark and James Schild.

A reception and dinner were held at the Scenic View Country Club in Slinger, followed by a dance with music provided by the Dale Mathis Band of West Bend. Little Michelle Schild surprised the new couple with

an organ solo choosing the selection - Endless Love. Prayer at the dinner was delivered by the bride's grandfather, Alex Laubach.

Parents of the couple are Mr. and Mrs. John Schild of West Bend and Mr. and Mrs. Fred Lehto also of West Bend.

Both the bride and groom graduated from West Bend High School and the bride also attended College at White-water. The bride is employed at Family Services of America - Lake Park Place in Milwaukee and the groom is employed at Broan Manufacturing in Hartford.

The new couple will be at home at 655 Linden Avenue in Hartford.

Six Sessions on Retirement to Begin at MPTC

RETIREMENT: A NEW BEGINNING will start Wednesday, March 7, at Moraine Park Technical College, West Bend. Six sessions focus on social security, consumer issues, health and wellness, housing, financial and estate planning, insurance, budgeting and work options.

Men and women are invited to attend. Information on the Wisconsin Retirement System is also provided, and fee paid for state employees 50 years and over (and spouse).

Classes meet March 7 to April 11 at the West Bend campus, 2151 N. Main St., from 7 to 8:50 p.m. The fee is \$12.60 plus book; course number 308-430-005. State employees must register by mail, and include a supervisor's signature. Other registrants can call 334-0909. Deadline is February 28.

Weekly Health Tip

From Tom Kennelly

SOUNDS LIKE FUN

Men at high risk for heart disease who engage in moderate exercise can reduce their risk of dying from a heart attack by 1/3 over a 7-year period, say researchers at U of Minn. School of Health. "Moderate exercise" was defined as rapid walking, gardening, yard work, home repairs, dancing and exercise - about an hour daily. The wife will love that "home repairs" idea - let's make it two hours daily.

We appreciate your patronage

Obituaries

ERVIN WYNVEEN

Ervin Wynveen, of Richfield, died Saturday, Feb. 10, 1990, at St. Mary's Hospital, Milwaukee, at the age of 77.

He was born Oct. 1, 1912, in the Town of Holland, Sheboygan County, where he grew up.

After his marriage to Dolores H. Egerer in Port Washington on April 11, 1944, they settled in the Milwaukee area where he was employed as a carpenter. After his retirement in 1975, he was self employed for a few years.

Survivors include his wife; three sons, David (Sandy) of Kewaskum, Pastor Robert (Laneva) of Swainsboro, Ga. and John (Marilyn) of Menomonee Falls; five grandchildren, Jesse, Faith, Jennifer, Sarah and Seth; a sister, Henrietta (Austin) Ten Haken of Cedar Grove; his stepmother-in-law, Leona Kaker of Milwaukee, and other relatives and friends.

Three brothers and a sister predeceased.

He was a member of the Bible Baptist church where he served as an elder and deacon, and was a member of United Brotherhood of Carpenters and Joiners of America.

Funeral services were held Tuesday, Feb. 13, at 10:30 a.m. at the Schmidt Funeral Home, West Bend. Pastor Ned Sutherland officiated, and burial was in Hingham Cemetery, Hingham.

Visitation at the funeral home was on Monday from 4 to 9 p.m. and Tuesday morning prior to services.

GLADYS M. BEIMBORN

Gladys M. Beimborn, nee Michelis, of Newburg, died Thursday, Feb. 8, 1990, at the Cedar Lake Home, West Bend, at the age of 83.

She was born Sept. 18, 1906, in Milwaukee, where she attended public schools, graduating from Lincoln High School in 1925. In 1929 she received a bachelor of education degree from the Milwaukee State Teacher's College. She taught elementary school at the Newburg Public Schools from 1929-34, and at McLane School in West Bend from 1953 until retiring in 1963.

On Aug. 5, 1933, she married Adolph A. Beimborn at St. John's Ev. Lutheran Church, Newburg. He passed away April 22, 1967.

Survivors include two children, Elaine (Harry) Zimdars and William (Alice), both of Newburg; a daughter-in-law, Judith (Melvin) McKeel of Clearwater, Fla.; six grandchildren; two great-grandchildren and other relatives and friends.

Preceding her in death were a

son, Robert on Sept. 22, 1969 and a grandson, Thomas Beimborn.

She had been a member of St. John's Ev. Lutheran Church, Newburg since 1933, was a member and past president of the Ladies Auxiliary at the church and a member of the Wisconsin Retired Teachers Association.

Funeral services were held Sunday, Feb. 11, at 1 p.m. at St. John's Ev. Lutheran Church, Newburg. Rev. Edwin Biebert officiated and burial was in the church cemetery.

Visitation at the Schmidt Funeral Home, West Bend, was on Saturday from 4 to 8 p.m. and Sunday at the church from noon until the time of services.

The family prefers memorials to St. John's Ev. Lutheran Church.

REINHARD G. BEIMBORN

Reinhard G. Beimborn, a resident of the Cedar Lake Home, West Bend, died Wednesday, Feb. 7, 1990, at St. Joseph's Community Hospital, West Bend, at the age of 80.

He was born Oct. 1, 1909, in the Town of Saukville, and married Esther Kleman on June 4, 1938, at Trinity Ev. Lutheran Church, Town of Jackson.

Together they farmed in the Town of Farmington and were members of St. John's Ev. Lutheran Church, Newburg.

His wife passed away Oct. 19, 1983.

Survivors include four children, June Bartel of Ixonia, Eugene (Dr. Karen) and Marjorie (Adrian) Warnier, both of Milwaukee, and Dr. Doris (Dr. Russ) Nietert of Naperville, Ill.; 13 grandchildren; five sisters, Viola Ziorgan of Hartford, Loretta Benicke of West Bend, Leona Borth of Oconomowoc, Renata (Cyril) Luedtke and Elsa Egerer, both of Saukville; a brother, Alex (Erna) of Port Washington; two sisters-in-law; Gladys Beimborn and Rosalie Westphal, both of West Bend, and other relatives and friends.

Preceding him in death were three brothers, Adolph, Alfred and Waldemar and a son-in-law, Melvin Bartel.

Funeral services were held Saturday, Feb. 10 at 11 a.m. at St. John's Ev. Lutheran Church, Newburg. Rev. Edwin Biebert officiated and burial followed in St. John's Church cemetery.

Visitation at the Myrhum Funeral Home, West Bend, was Friday after 4 p.m. and Saturday at the church from 10 a.m. until the time of services.

Memorials to St. John's Ev. Lutheran Church, Newburg, appreciated.

MRS. RITA SCHUPPEL

Mrs. Rita Schuppel, 61, of 1806 Jackson St., New Holstein,

and formerly of St. Anna, died Monday, Feb. 5, 1990, at Valley Manor Nursing Home, Plymouth.

She was born Sept. 22, 1928, in West Bend, a daughter of Henry and Martha Boerger Walter. On April 3, 1948, she married Myron Schuppel.

Mrs. Schuppel and her husband resided in Boltonville until 1963 when they moved to St. Anna. While there they owned and operated Schuppel's Tavern until 1980. She was then employed with the Calumet Homestead for 10 years.

Survivors include three sons, David of Plymouth, Dan of Menominee and William of Kiel; eight daughters, Kathy Roehrig and her husband Gary of St. Anna, Carol Wagner husband Mark of Glenbeulah, Cheryl Schommer and her husband Ken of Shorewood, Ellie Seibel and her husband Bob of Willis, Va., Sue Watry and her husband Tom of Elkhart Lake, Sandy Ablor and her husband Matt of Mount Calvary, Bonnie McGrath and her husband Tom of Minneapolis, Minn., and Kelly Schuppel of Sheboygan; 14 grandchildren; and two sisters, Florence Becker and Bernadine Taylor, both of West Bend. Preceding her in death were one grandson and one brother.

Funeral services were held Wednesday at 7:15 p.m. at Meiselwitz Funeral Home, Kiel and a 8 p.m. at St. Anne Catholic Church, St. Anna. Deacon Reiny Wessing officiated. Burial was in Washington County Memorial Park, West Bend.

Visitation was scheduled Wednesday from 3 p.m. to the hour of services at the funeral home.

RALPH BRYANT

Ralph C. Bryant, 54, of Sunnyside Road, Green Lake, died Sunday, Feb. 4, 1990, at Elmbrook Hospital, Brookfield.

He was born Oct. 12, 1935, in Waupun, a son of Lyle and Helen Redlund Bryant. On April 2, 1958, he married Diane Amend.

Mr. Bryant was educated in Milwaukee. He resided in Milwaukee, Mayville and the last 15 years in Green Lake. He was a locomotive engineer and was a member of Our Lady of the Lake Catholic Church in Green Lake.

Survivors include his wife; two sons, Gregory of Green Lake and James and his wife Stacy of Green Lake; one daughter, Sheri of West Allis; one grandson, Jordan of Green Lake; one brother, John Bryant of Hartford; and three sisters, Almeda Weeks and her husband Bruce of Campbellsport, Barbara Schertzl and her husband Jeff of Menominee Falls, and Jane Shubert and her

husband Jack of Overton, Neb. His parents preceded him in death.

Mass of Christian Burial was held Thursday at 5:30 p.m. at Our Lady of the Lake Catholic Church, Green Lake. The Rev. William Hower officiated. Internment was in Dartford Cemetery, Green Lake.

Friends called Thursday from 4 to 7:30 p.m. at Butzin-Marchant Funeral Home, Ripon where a scripture service was held at 7:30 p.m. and Thursday from 4:30 p.m. to the hour of services at the church.

MRS. LaRONE REIF

Funeral services for Mrs. LaRone Reif, 71, a resident of Christian Home, Waupun, were held Saturday at 11 a.m. at Immanuel Lutheran Church, Waupun.

The Rev. Randall J. Metz officiated. Burial was in Forest Mound Cemetery, Waupun.

Friends called Friday from 4 to 8 p.m. at Werner-Harmsen Funeral Home, Waupun, and Saturday from 10 a.m. to the hour of services at the church.

FMrs. Reif died Wednesday, Feb. 7, 1990, at Waupun Memorial Hospital.

She was born Nov. 8, 1918, in the Town of Nekimi, a daughter of Herman and Olive Boeshaar Wachholz. On May 21, 1927, she married Charles Reif in Oshkosh.

Mrs. Reif resided in Waupun since 1941. She was a member of Immanuel Lutheran Church, Waupun, where she taught Sunday School for 35 years and was a member of the church's Ruth Circle.

Survivors include two sons, Roger and his wife Patricia of Cascade, and Peter and his wife Carol of Denver, Colo.; one daughter, DiAnna Mueller and her husband Donald of Waupun; six grandchildren; one great-granddaughter; one great-grandson; and one brother, Lester Wachholz and his wife Virginia of Oshkosh. Preceding her in death were her husband in 1987 and two sisters.

CLARENCE C. KNOWLTON

Clarence C. Knowlton, 81, 3402 Riverview Dr., died Wednesday, Feb. 7, at Sacred

Heart Hospital.

Mr. Knowlton was born January 14, 1909 in Cadott to Willis and Mina (Grahn) Knowlton. He attended high schools in Cadott and Eau Claire. He married Eline Bean on December 10, 1928 in Stillwater, MN. He was employed by Uniroyal for nineteen years and was a self-employed building contractor until his retirement. He was a charter member of the Civil Air Patrol and charter member and past president of the Eau Claire Skin Divers Club.

Survivors include his wife Eline of Eau Claire; two daughters, Joy (Roy) Cox of Osseo, June (Ned) Sengpiel of Kewaskum; three sons, Douglas (Nina) of Catawba, Clarence B. (Jean), Eau Claire, and Leon (Marylin) of Albuquerque N.M.; 17 grandchildren and 20 great-grandchildren; two brothers, Hobart (Jean), Fall Creek, and George, eyota, MN; two sisters, Viola Sorkness, Eau Claire, and Lenora Britten, Altoona. He was preceded in death by a sister Gertrude Meisegier, and three brothers, Ervin, Charles and Howard.

Services were held Saturday at 11:00 a.m. at the Lenmark - Gomsrud Funeral Home with the Reverend George Robie officiating. Burial will be in the Prairie View Cemetery in the Town of Hallie in the Spring.

Friends called after 4:00 until 8:00 p.m. Friday at the funeral home.

Wisconsin's counting on you!

Answer the 1990 Census

April 1 is Census Day. This year's count marks 200 years since the first census was taken in the United States. In 1790 the country's population was about 4 million; in 1990 the projected count is 250 million.

A full count is extremely important to Wisconsin. Because of population changes nationwide, the State risks losing one of its nine seats in the House of Representatives. The allocation of millions of dollars for state and local programs also hinges upon the count. Both the public and private sectors will use census data for planning, marketing and delivering services into the 21st century.

Most people are enumerated by means of a mailout/mailback questionnaire, which the Postal Service will deliver around March 23. Households complete the form and mail it to the local census office by April 1. In some locations, the questionnaire is picked up by census workers. Instructions accompany each form.

The questionnaire appears in two versions — a short form with 14 questions, and a longer "sample" form with 59 questions. Five out of six households nationwide will receive the short form, inquiring about such topics as household relationships, age, race, sex, Hispanic origin and type of housing unit. The fewer long-form recipients respond to additional questions on education, citizenship, ancestry

and employment, thereby contributing a fuller population picture.

All personal information given on the census form remains confidential. Census employees take an oath to uphold confidentiality, and no one else has access to information on individuals. Totals, as opposed to individual responses, are published and used in measuring an area's social and economic climate.

The success of the count depends upon the accurate completion and timely return of questionnaires. When a form is not returned or is incomplete, a census worker must follow up with a phone call or personal visit. In the past, some groups, such as racial and ethnic minorities, persons of limited English-speaking ability, migrant workers, the homeless, and students, have been undercounted. Special efforts are being made to reach these groups.

The enormity of the census task necessitates the local recruitment of workers. District offices are currently hiring office clerks, field workers and crew leaders for work between now and August 1990. Employment information is available at Wisconsin's eight district offices.

Kewaskum Public Library News

The following videos will be at our library from Feb. 14 - Mar. 12:

Washington Board Of Realtors Give From the Heart

The Washington Board of REALTORS, during the weeks beginning February 12th and running through the 24th of February, will be giving in the true spirit of Valentine's Day, says President Terri Fredrich.

Through the Blood Center of Southeastern Wisconsin, she has coordinated a blood drive where all REALTORS have been asked to donate at their convenience. In addition to REALTORS anyone else who would like to give can do so in the Washington Board name, by simply using the identification number of 0267000.

Appointments can be made at any Blood Center location by phone. Also, Fredrich reminds people that before they assume that they are not eligible to donate because of health problems or medication they may be taking, that they call the Center with specific questions.

Following the drive, a computerized list will be prepared by the Center, showing the number of units collected as well as the names of the donors. The Blood Center is in serious need of all types of blood and reminds us that 95 percent of the blood collected is changed into components. As components, one unit of blood can be used to help three people.

Fredrich stated that she is sure the REALTORS will be successful in collecting many units of blood during the drives and look forward to sharing the results.

CARD OF THANKS

The family of Arthur "Spatzy" Hintz wishes to say "Thank You" to all of our friends and family members that helped us at this time of sorrow.

Special thanks to everyone that gave memorials, sent floral tributes and prepared food.

Our love and thanks in Christ to the ladies of Immanuel Lutheran Church for serving the delicious meal. We wish to extend our gratitude to Pastor Capek for his many visits and prayers. To our friends at Twohig Funeral Home we thank you from the bottom of our hearts for all of your help.

The wonderful care that "Grandpa" received at Samaritan Home from the entire staff will never be forgotten.

Robert and Patty Hintz and family
Joan Binder and family

THANK YOU

Our grateful thanks to all for remembering Eleanor (Schleif) Mayer. The many tributes paid her were heartfelt and consoling. We miss her so very much. To Miller's funeral home - Larry and Fred - your efficiency and caring was of great comfort.

Thank You Friends
The Roy Mayer Family

IN MEMORY

In loving memory of our mother and grandmother, ANNA VOEKS, who passed away five years ago, Feb. 14, 1985:

Five years has passed since that sad day
The one we loved was called away
God took her home, it was His will
But in our hearts she liveth still.
Sadly missed by her daughters and families.

A TRIBUTE TO "SPATZY"

How family and friends will remember Arthur Hintz.

Arthur was given the nickname "Spatzy" as a small boy by his brother. As many of you know he enjoyed birds and wildlife all of his days. Some of his last joys included watching his feathered friends at the bird feeder in our back yard.

It was the simple things in life that he liked best...

- the soft garden earth
- picking mushrooms in the woods
- a card game with friends
- a visit from a grandchild
- a "SMALL" dish of ice cream
- playing dartball
- and seeing a fish on the end of his line.

He was a very "SPECIAL" Dad and Grandpa to all of us. His joyful disposition and love for life was endearing.

He taught all of us to "STOP AND SMELL THE ROSES;" "CLEAN OUR PLATES" and most of all "NEVER AN ENEMY MAKE."

His favorite song was "I'll Fly Away" and he received his wish on Saturday morning when the Lord called him home to his final resting place.

We know that he had a smile for his Savior as he always had for everyone he met and loved.

IN MEMORY

In memory of LESTER KOHN, who passed away six years ago, Feb. 17, 1984:

It's been six years since he went away
We miss him more with each passing day.
He was the gentlest man, you know
With all our hearts we love him so.

Missed and loved by his wife and family.

IN MEMORY

In loving memory of LEONA REYSEN who passed away five years ago, Feb. 17, 1985:

Loving memories never die
As years roll on, and days pass by.
Deep in our hearts a memory is kept.
Of one we loved and will never forget.

Sadly missed by her sisters and families.

IN MEMORY

In loving memory of LEONA REYSEN who passed away five years ago, Feb. 17, 1985:

Beautiful memories woven in gold,
A gift from God we tenderly hold.
Deep in our hearts her memory kept,
To love and cherish and never forget.

Sadly missed by husband, children and grandchildren.

IN MEMORY

In loving memory of REUBEN MARTIN, who passed away four years ago, Feb. 16, 1985:

God saw he was getting tired
And a cure was not to be.
So He put His arms around him,
And whispered, "Come with Me."

With tearful eyes we watched him suffer,
And saw him fade away,
Although we loved him dearly,
We could not make him stay.
A golden heart stopped beating,
Hard working hands to rest.
God broke our hearts to prove to us,
He only takes the best.

Sadly missed by the family.

IN MEMORY

In memory of RONALD WENDELBORN, who passed away on Feb. 20, 1989:

You left a year ago today;
God did not leave much time for me to say;

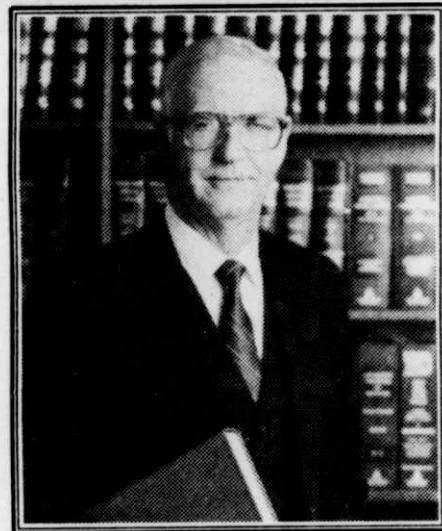

All the things that were in my heart that day.

But I know that in some way
You will know that I miss you more that words can say;
I hope that somewhere along the way;

You and David found each other
And that some day we will all be together in the Lord's way;
I love you now and always.

Bonnie Wendelborn
We love you too Dad

25 Years Ago

Feb. 12, 1965

A proposal to issue \$633,000 in general obligation bonds to erect, remodel and equip an addition to the Kewaskum Community High School was voted down by electors of the Kewaskum Community Union High School District No. 2 in a referendum election held Tuesday in the school gymnasium. The vote on the proposal was: NO 332; YES 169. With a potential vote of approximately 2,000 ballots in the school district, the turnout of 501 voters at the polls was very light in view of the considerable proportions of the board issue. Following this rejection, the school board expects to meet to consider the next move. Perhaps a modified plan can be formulated by the board and architects.

A Fond du Lac County accident over the weekend involved a farm tractor driven by Gerald Enright, R. 2, Kewaskum, and an auto operated by Richard L. Reysen, R. 1, Kewaskum. They collided on Hwy. 45, two miles north of Kewaskum, at 5:25 p.m., Sunday, when Enright turned as the car was passing. Fond du Lac County officer Miles Rahn investigated.

Mr. and Mrs. Alfred Ludwig of R. 2, Campbellsport, celebrated their golden wedding anniversary on Saturday, Feb. 6. A six o'clock dinner was served at Bauer's Hotel, Campbellsport. They have three children, Arthur of Campbellsport, Mrs. Myrtle Kohn of Kewaskum and Mrs. Marcella Pollard of Brookfield.

Three large silos owned by August Bilgo at 1314 Parkview Drive, were razed the forepart of this week. Two of the silos were located at the front of the barn and one in the rear.

Births - Westerman, a daughter to Mr. and Mrs. Harold Westerman, R. 1, Allenton, Tuesday, Feb. 9.

50 Years Ago

Feb. 16, 1940

The alertness of Frank Keller, Sr. an employe of the L. Rosenheimer Malt & Grain Company in this village, was responsible for the capture of a Fond du Lac young man on Thursday afternoon of this week after he had sold 1,200 bushels of stolen barley to the above firm. The man taken into custody by Traffic Officer George Brandt of this village, gave his name as Sylvester Hoard, 20, of Fond du Lac. Mr. Keller became suspicious when he found the bags tied shut with short pieces of wash line. Officer Brandt and Fond du Lac Detective Robert Finney went to the Fond du Lac address obtained through a license plate check of the Hoard vehicle. There they found Hoard at his home, who after questioning confessed the theft of the barley. Hoard admitted that he stole all of the 1,200 bushels at the Belter Farms, Fond du Lac.

Mr. and Mrs. Theo Weiland quietly observed their golden wedding anniversary last Sunday with their children and grandchildren being present. Mr. and Mrs. Weiland are the parents of six children, Oswald of Campbellsport, Herman, Arthur, Ferdinand, Mrs. George Zehren and Mrs. Joseph Ruplinger of here and 22

grandchildren.

Little Jay Van Blarcom is well on the way to recovery after having been quite ill with pneumonia.

Quite a number of people from here not mentioned by name in this column, attended "Gone With The Wind" either at Milwaukee or Fond du Lac the past week.

75 Years Ago

Feb. 20, 1915

Rev. Mohme, pastor of the Ev. Peace Church in this village, was one of the principal speakers at the meeting of the Milwaukee Neutrality League held at the auditorium there last week Thursday evening. The Reverend gentleman spoke in German and his remarks were met with frequent applause by the large crowd of 3500 people who attended.

A very pretty wedding took place at the home of Mr. and Mrs. Herman Eichsteadt in the town of Kewaskum last Wednesday, Feb. 10, when their daughter Belinda became the wife of Mr. Charles Fromm. The bride was attended by Miss Laura, a sister of the groom, as maid of honor, and Miss Helen sister of the bride as bridesmaid. The groom was attended by Wilmer Prost as best man, while Paul, a brother of the groom was groomsman.

I am grinding feed everyday now. Anyone desiring feed ground can get it done at 6 cents a bag. John Schrauth, Elmore.

Herman Wilke of the Town of Scott has quite a curiosity in the form of three calves born to one of his cows last week Thursday. The mother cow and triplets are all in five condition and Mr. Wilke reports the calves are frisky as kittens.

Born to Mr. and Mrs. John Bremser, St. Michaels, a baby girl. Born to Mr. and Mrs. Rudolph Miske of Wayne, a baby girl Monday.

Be Kind to Your Heart...

The Culinary Hearts Kitchen course, emphasizing low salt, fat, sugar, and calories will be held at Moraine Park Technical College, West Bend, for six weeks starting Friday, March 9.

KMS Spelling Bee Finals Held

The Kewaskum School District Spelling Bee Finals for Grades 5, 6, 7 and 8 were held on Monday, February 5, 1990.

Spelling Bee Results: Grade 5 - Christine Heckel - 1st, Jeff Noren - 2nd, Stephanie Voigt - 3rd.

Grade 6 - Larry Seefeldt - 1st, Karen Koch - 2nd, Joe Fry - 3rd.

Grade 7 - Eric Beck - 1st, Shane Engelking - 2nd, Jamie Lynn - 3rd.

Grade 8 - Bridget Ritger - 1st, Jason Gaffke - 2nd, Shannon Breit - 3rd.

The first place winners from each age group then competed for the two positions in the CESA #6 Regional Bee to be held in Lomira on February 20, 1990.

Kewaskum's representatives to the Regional Bee are Christie Heckel, Grade 5 and Bridget Ritger, Grade 8.

The District Spelling Bee for Grades 1, 2, 3, and 4 will be held on Monday, March 5 at 7:00 p.m. in the Middle School Music Room.

CESA No. 6 participants - Christie Heckel, Grade 5, and Bridget Ritger, Grade 8.

Grade 5 - Stephanie Voigt, third; Jeff Noren, second; Christie Heckel, first.

EDE Series to Begin March 24

Explore, Discover, Experience (EDE) is a series of natural science and environmental classes to help youth and adults become better acquainted with the natural world. It will be held on Saturday, March 24, 1990 at the University of Wisconsin - Washington County campus in West Bend.

This year's featured speaker is Dr. Matt Hitchman, Assistant Professor of Meteorology at UW-Madison, who will present "Man and Climate Changes." Dr. Hitchman provides a fascinating discussion of the ozone layer, ozone hole, greenhouse effect, and climate variability with a view toward the 21st century.

Many other classes will be offered including: Wildlife Management, Bluebirds, Indian Uses of Plants, National Wildlife Refuges, Rainforests, Displaying Photos, Yard Waste Management, Astronomical Influences on Earth, Coping With Overabundant Wildlife, Mushrooming, Building a Dinosaur, Nature Writers, Waterfowl and Dried Flower Arranging.

Co-sponsored by the Kettle Moraine Audubon Society, Washington County UW-Extension, and UW-Washington County, EDE is open to any interested persons.

Pre-registration is required by March 16, 1990. Registration fees are \$4.50 per adult class and \$3.50 per youth class. A catered lunch is also offered for \$4.75.

For registration information, contact Dan Wilson or Pamela Buchholz, UW-Extension, P.O. Box 1986, West Bend, 53095; phone 338-4480, 644-5204, or 342-2929.

Definition of an Optimist: A guy who thinks his wife has quit cigarettes when he finds cigar butts around the house.

Grade 7 - Jamie Lynn, third; Shane Engelking, two; Eric Beck, first.

Grade 6 - Joe Fry, third; Karen Koch, second; Larry Seefeldt, first.

Grade 8, left to right - Shannon Breit, third; Jason Gaffke, second; Bridget Ritger, first.

Awarded

The midwestern regional Miracle-Ear Company serving Wisconsin, northwest Illinois, and Michigan's Upper Peninsula has announced its annual staff recognition awards for 1989 at a meeting in Marshfield, Wisconsin on February 10.

Included in the recognition awards was Special Apprecia-

tion Award to Judy Preo of West Bend. This special award is in recognition of Preo's supervision of the move of the West Bend Miracle-Ear office. Preo was responsible for all aspects of the relocation and handled the move efficiently and with minimal disruption to the hearing-impaired. She and her husband Edward have four children.

MONEY MANAGEMENT

(Second in a Series)

Are You Over Your Head In Debt?

All the holiday purchases you joyfully charged in December are about to come back and haunt you in the form of your monthly charge account statements.

If the bottom line on your credit cards bills makes sweat break out on your brow, you're not alone. The average American owes approximately \$1,600 in unpaid revolving debt. For many consumers, that amount is simply too high.

How much debt can you handle?

According to the Wisconsin Society of CPAs, you can determine how much debt you can carry safely by dividing the amount owed on your credit cards by your annual take-home pay. Multiply the result by 100 to get a percentage. The number you arrive at should be no higher than 15 to 20 percent of your annual salary. For example, Bob's annual take-home pay is \$15,000. He owes \$3,500 on various credit cards. By dividing his debt (\$3,500) by his take-home pay (\$15,000), we arrive at .23 or 23 percent. In other words, Bob is over his head in debt.

Know the warning signals

Even if your current level of debt is hovering below the danger zone, you may be headed for credit trouble. Here are some warning signs to watch out for:

- * You take cash advances on credit cards to meet current bills.
 - * You ignore your credit limits.
 - * You charge daily expenses, such as groceries or gasoline.
 - * When you eat out with friends, you ask them for cash and pay with your credit card.
 - * You buy items on impulse.
 - * You can't meet the minimum payments on your cards.
 - * It's getting harder to pay your debts on time.
 - * You have to postdate checks so your payments won't bounce.
 - * Your savings account is slowly disappearing.
- If you identify with these statements, it's time to take some lessons in debt management.

Managing debt

Start by hiding your credit cards from yourself. Forget they exist. If your mail brings you a tempting application for a pre-approved credit card with a limit of \$5,000, tear it up. Don't assume that the lender knows your financial situation better than you do. If you are already drowning in credit, another card will only drag you deeper into debt.

In many cases, debt consolidation via a home equity loan may provide you with an organized way to pay off debt within a specified time period. However, if you are truly

addicted to credit, the chances are simply too good that such loans will lull you into believing that you have paid your debts and can now resume charging.

Another option is to draw up an austerity budget to see if you can squeeze more cash free to pay your obligations. Try to pay off more than the minimum owed on each of your credit cards. Remember, the only way to reduce your balance is by paying off any new charges in full, plus the interest and at least a portion of the previous month's balance.

If you simply cannot find the money to meet your bills, you will probably need help from your CPA or a credit counselor. There are over 350 nonprofit consumer-credit counselors. There are over 350 nonprofit consumer-credit counseling services that belong to the National Foundation for Consumer Credit and can help you work out a payment plan with your creditors. The nonprofit counselors charge only a nominal fee or, in some cases, no fee. For a directory, write to the NFCC at 8701 Georgia Avenue, Suite 507, Silver Spring, MD 20910.

Scouts Release 10th Edition of the Boy Scout Handbook

The 10th edition of the Boy Scout Handbook is due to hit the shelves this week featuring a new look, a more conversational tone and an accelerated emphasis on outdoor activities, according to John M. Primrose, Scout Executive, of the Bay-Lakes Council, BSA.

"The most obvious change to the new handbook is that we've used color photographs of Scouts and Scout activities for the first time. In addition to giving the handbook a more contemporary look, the action photos let us show what Scouting is and does," he explains.

Americans' escalating interest in camping and the outdoors prompted the Scouts to expand their outdoor emphasis and move the camping selections to the front of the handbook.

The current camping boom brings other changes to the handbook as well. The 10th edition includes new sections on low-impact and no-trace camping that are designed to combat the effect of America's already overburdened natural

resources.

"Everyone, not just Scouts, must make a concerted conservation effort. The camping sections contain new camping etiquette that everyone must begin to practice," Primrose says.

Additional changes to the 10th edition include:

- * new advancement requirements for Scouts that offer more hands-on, activity-oriented advancement opportunities;
- * chapters on new Scout programs, such as Varsity Scouting, the sports-oriented Scouting option, and Venture Scouting, a high adventure program for older boys;
- * new chapters on bicycling, canoeing and rowing;
- * a 24 page parent's guide to help parents protect their children from child abuse and drug abuse.

The more conversational tone is new, too. Mr. Primrose says this handbook invites readers to take on new challenges and encourages them to find adventure on their own — a tone appropriate for today's independent youth.

"Our goal is to empower young people to accept those new challenges and tackle outdoor activities so they will become more independent. As they achieve new successes, they will begin to develop their self image and to improve their self-esteem. That's what this handbook — and Scouting — is all about."

Equally interesting about the new handbook are those things which have not changed, John Primrose says. "Here is a book that was first published before World War I, before commercial aviation, before computers, space travel, AIDS, drugs...before almost every touchstone young people use to make sense of contemporary life."

"And yet the handbook still contains a set of very simple rules for life: Be prepared. Do a good turn daily. Be trustworthy, loyal, helpful and so on. The Scout Oath and Law are as fresh and valuable today as they were 80 years ago," he says.

Although the handbook is designed for Boy Scouts, anyone with an interest in the outdoors will enjoy the handbook's up-to-date information on camping, hiking, nature, conservation and other outdoor skills. Obviously, our Scout Leaders and Scouts are anxious to get their hands on the new handbook. More than 33 million copies of the first nine editions have been sold, making the handbook one of the best-selling books of all time.

TODAY'S AGRICULTURE

By Jack Trzebiatowski, Extension Agriculture Agent

Rural Well Testing Program

The Wisconsin Department of Agriculture, Trade and Consumer Protection has set up a program which enables rural private well users to get their drinking water supply tested for the presence of atrazine, other corn herbicide and nitrates.

Rural private well users in any Wisconsin county may sign up to get their water tested under this program, but the department is most interested in sampling well water from areas where corn is grown. It is hoped that this well testing effort will provide a clear picture of rural ground water quality, especially in corn-growing areas where atrazine and nitrate fertilizers are used routinely.

Test results will show rural well users whether they need to take any action to protect the quality of their drinking water supply. The information also will help the state assess to what degree current agricultural practices may be affecting groundwater quality.

This program will involve the testing of about 2,500 private wells for nitrate and commonly used corn herbicides. The state will run the program until June 30, 1990.

Individuals who wish to participate in this program can call the toll free number 1-800-334-1641, a staff member will be on duty from 7:45 a.m. to 4:30 p.m., Monday thru Friday. The cost of the testing will be \$16.00 per well.

The Department of Agriculture, Trade and Consumer Protection will send a

sample bottle and instructions for collecting the water sample. Participants will need to take their sample according to the instructions and submit the sample for testing. Participants will receive test results and an explanation of what they mean. If test indicates that the water contains a significant level of corn herbicide or nitrate concentration the well will be automatically qualify for a second round of more detailed drinking water test at no extra cost. State personnel will make arrangements to take the follow-up water sample from the well. The second test will be more detailed and will screen for the presence of additional pesticides, including the 10 herbicides and four insecticides most commonly used in Wisconsin.

The test will confirm whether the well poses a health risk. If so, state officials will advise the owner of the options that can be taken to obtain a safe drinking water supply. Some of the options may include installing treatment devices to remove certain contaminants from drinking water; switching to bottled drinking water; drilling a new well; switching to a nearby municipal water supply or other actions.

We all depend on a safe supply of water for both human consumption and livestock. This program will provide rural private well users with an opportunity to evaluate their water quality at reasonable cost.

\$30 Million in Loans Available to Wisconsin Farmers

Up to \$30 million in loans to farmers are now available under the Credit Relief Outreach Program (CROP), Governor Tommy G. Thompson has announced.

On January 16, the Wisconsin Housing and Economic Development Authority (WHEDA) began accepting applications for CROP loans to ensure farmers can take advantage of seed and fertilizer discounts available before the planting season begins.

For the first time since 1985, farmers will not have to wait until spring to use the popular CROP program. "The CROP program will be more useful to Wisconsin farmers this year because the program is available well in advance of the spring planting season," said Governor Thompson.

"Farmers were unable to get an early benefit from CROP in past years because enabling legislation was being passed

late in spring legislative sessions," said WHEDA Executive Director Richard J. Longabaugh. "Our authority for making 1990 CROP loans was granted last year. Thus, we are now able to accept applications at a time more convenient for farmers."

CROP was established in 1985 to provide state-guaranteed loans to farmers who would not otherwise be able to obtain short-term credit to purchase the supplies needed to plant and harvest their crops. The proceeds of CROP loans may be used to purchase seed, fertilizer, feed, fuel or other consumables. Using lenders' funds, farmers may borrow up to \$20,000 at below market interest rates.

The State guarantees the CROP loan against default and pays the lender a two percent interest subsidy on the loan. Since 1985, WHEDA has administered nearly 7,400 CROP loans for more than \$96 million.

Farmers interested in a CROP loan should contact their lender or WHEDA's CROP staff at 800/544-3363.

**FACSIMILE BALLOT NOTICE
OF SPRING PRIMARY ELECTION
FEBRUARY 20, 1990**

OFFICE OF THE WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a nonpartisan primary election to be held in the several wards in the County of Washington, on the 20th day of February, 1990, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the nonpartisan primary, the elector shall make a punch or a hole at the right of the candidate's name, or, depress the button or lever next to the candidate's name for each office for whom he or she intends to vote, or insert or write in the name of the candidate of his or her choice on the ballot envelope provided or in the space provided.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in punching or marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the booth or machine, deposit the envelope containing his or her ballot in the ballot box, or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a facsimile of the official ballot:

**Teachers Find (Work) Experience
Makes the Best Teacher**

Wendy McCulloch

When most people want to upgrade their skills, they go back to school - but when instructors at Moraine Park

Technical College want to upgrade their skills, they go back to the workplace.

Last summer five instructors participated in the college's occupational competency program - a program that allows instructional staff to enhance their skills by working in business and industry.

"When people stay up-to-date, they can grow," says Rodney Pasch, vice-president of administration at Moraine Park. He says it is necessary for teachers to have both teaching and occupational skills. "They play a major role in upgrading our courses and ensuring that the courses are relevant to the needs of business and industry."

Since its inception in 1984, the program has funded positions for 31 instructors. Among five instructors participating in occupational competency in 1989 were: Wendy McCulloch, nursing at St. Joseph's Hospital, West Bend.

Regal Announces Promotions

Robert Schneider

Regal Ware, Inc. announces the promotion of Robert Schneider to the position of General Plant Supervisor.

In this newly-created position, Schneider is responsible for all Receiving Department activities including warehousing and inventories of both raw materials and finished product.

Schneider has held various production and supervisory positions since joining Regal in 1963. He and his wife, Carol, and their daughter, Lisa, are Kewaskum residents.

Regal Ware, Inc. is a major manufacturer of cookware, kitchen electrics and microwave ovenware headquartered in Kewaskum.

Regal Ware, Inc. announces the promotion of Linda Ertl to Assistant Chief Inspector in the Motor, Plastics and Electric Assembly Departments. In her new position, Ertl takes responsibility for quality assurance, procedures evaluation, and record maintenance.

Since joining Regal in 1968, Ertl has held various production positions, most recently Quality Auditor. She and her husband, Tom and son, Jeff live in rural Campbellsport.

Regal Ware, Inc. is a major manufacturer of cookware, kitchen electrics and microwave ovenware headquartered in Kewaskum.

Local Contractor Joins Nationwide Association

Kons Sadownikow, West Bend/American Building Systems, West Bend, recently joined Associated Builders and Contractors of Wisconsin, Inc., the local chapter of the nation's fastest growing construction trade association.

Sadownikow a general contractor, specializing in commercial, industrial and agricultural construction, will have access to member services such as group insurances, employee training and management education programs, and business development. ABC services are designed to make members more competitive in the construction market place.

The Merit Shop philosophy promoted by ABC members stresses merit rewards for employees performance and promotion of high quality construction and better business practices for the contractor.

CENSUS '90

Harvey Steldt

Regal Ware, Inc. has named Harvey Steldt to the newly-created position of Supervisor-Plastics Department. In this position Steldt is responsible for department operational costs and employee supervision.

Steldt comes to Regal with over 13 years of experience in supervision and plastics. He lives in Richfield with his wife and three children.

Regal Ware, Inc. is a major manufacturer of cookware, kitchen electrics and microwave ovenware headquartered in Kewaskum.

CORRECTION:

Village Administrator Dan Schmidt has asked that a portion of last week's article on the newspaper pickup be clarified. Schmidt said that Lynn's Waste Paper does not actually charge for taking the village's newspapers. It does, however, charge \$10.00 per ton to cover the cost of bringing a trailer up to the recycling center and taking the papers to West Bend.

Promotions at Valley Bank

Allen M. Schaetz

Gerald H. Zimmel, President, Valley Bank, Kewaskum has announced the following promotions.

Allen M. Schaetz has been elected to the position of Senior Vice President. Prior to being named to the position he served as Vice President

Schaetz has been active in various church and community organizations in the West Bend

Sue Coffman

area. He and his wife, Viv, reside in the city of West Bend.

Sue Coffman has been elected to the position of Assistant Vice President/Personal Banker II. Sue has been with Valley Bank, Kewaskum since June of 1988. Previous to that, Sue was with Valley Bank, Lomira/Brownsville since 1974.

Mrs. Coffman and her husband, Jim, reside in Lomira.

hotline number has increased the Department's accessibility to consumers and has helped account for the over 42,000 telephone inquiries the Consumer Protection Bureau handles each year. In addition, written complaints on everything from defective toys to landlord/tenant problems, and auto repair fraud to door-to-door sales schemes add up to nearly 8,000 each year.

Consumers with problems or who want information can still contact any one of the four DATCP Consumer Protection Regional Offices in Altoona (Eau Claire) — (715/839-3848), Green Bay — (414/ 436-4210), Madison — (608/266-7222), or Milwaukee — (414/ 257-8956), or call the statewide, toll-free hotline at (800/ 422-7128).

Lottery as Property Tax Relief Overstated

By Senator Don Stitt

The bell on property tax relief tolls again. This time, the ringer is the recent fact that, on average, Wisconsin's property taxes rose 9.25 percent in 1989.

So begins new rhetoric and election-year partisan sparring. The current political focus on this issue revolves around our lottery proceeds.

Where has our lottery proceeds gone? How much of the proceeds went to property tax relief? Has the lottery money designated as relief met our expectations?

As background, Lottery proceeds committed to property tax relief are running at approximately \$92 million per year. Yearly sales of lottery tickets are at about \$200 million. Fifty percent of the lottery's gross receipts are returned as prizes to those who play.

Of the property tax relief proceeds from the lottery, \$67 million go to school aids, \$23 million to farm property tax relief and \$2 million to district attorneys salaries.

The debate is whether the \$67 million chunk going to school aids actually reduces our property tax bills.

Maybe it does, maybe it doesn't? It is possible that local school district officials may be spending more money because they are able to anticipate their lottery windfall in the form of school aids. This doesn't really help cut property tax levies because local spending levels still rise.

Instead, one alternative is to send these lottery proceeds back to property owners through a direct credit. The benefit is that it guarantees help for all property owners; especially for those who do not send their children to public schools.

Before the spring legislative session adjourns, it is likely some form of direct credit will be proposed and endorsed.

But political leaders should still be leery of making the same mistake twice.

The first mistake occurred when some legislators, anxious to promote a state lottery, raised expectations over its property tax relief power. From the onset, sweeping property tax relief via the lottery has been an unrealistic premise.

This remains true — with or without a direct credit system. Legislators should be careful not to error again as we revisit property tax relief in its broader and more difficult terms.

Moreover, it should be understood the lottery is not, and was never meant to be, a

mechanism by which Wisconsin achieves meaningful relief. Whether we funnel lottery money through school aids or a direct credit, substantive property tax relief will only result from a more comprehensive package.

The impact of lottery proceeds toward relief, compared to the amount of overall funds which the state expends to ease property taxes, puts this debate in perspective.

In 1989-90, state aid to school districts was \$1.86 billion. Shared revenue payments to municipalities was \$835 million. In reality, the \$92 million from the lottery is a drop in a very large pool of assistance.

One other point is important. While the lottery has not been a panacea, and even though I voted against the lottery and never believed its promises for sweeping property tax relief, the proceeds have been helpful.

Now we must realistically admit the extent to which these proceeds have actually helped. The answer is the same as prior to creating the lottery: The Legislature needs to do more for property tax relief.

Computer Course for Agribusiness Offered

Learn the computer skills that will help you improve your agribusiness at Moraine Park Technical College's Agriculture Computer Skills course beginning Feb. 22 on the Fond du Lac campus.

Students in the course will learn how to update and establish data files, print mailings and design files for livestock, crops, buildings and inventories.

Hands-on experience will be provided on IBM compatible computers.

The course meets 8 to 10:30 a.m. through May 10. Cost for course 080-389-001 is \$33.75; call the campus at 929-2100 or 1-800-221-6430 to register.

1990: Looking Into the Crystal Ball

By Brian E. Thompson

Brian E. Thompson is an investment broker at Blunt Ellis & Loewi brokerage firm in West Bend. If you have any questions you can reach Brian at 338-6136.

While no one can guarantee what the U.S. economy will do in the first year of the new decade, nor which investments will provide the absolute best performance, it is possible to form opinions by looking at a combination of factors. Here is Blunt Ellis & Loewi's reading of the crystal ball for 1990 in several different areas.

The Economy: The economy began to display a "tired look" during the final quarter of 1989. Industrial production declined and housing starts languished. Consumer spending slowed, especially in the area of durable goods (appliances, cars and other big-ticket purchases), some of which may have been due to nervousness over the stock market's mini-crash on October 13. Business spending for capital goods also slowed considerably.

In 1990, we expect that the economy will continue to remain somewhat shaky. However, we look for a modest revival in consumer spending, enough to keep the overall economy from slipping into a recession. Real GNP growth should be about 1% - 2% through the first half of the year, and then accelerate to 2% - 3% in the third and fourth quarters.

Inflation: A slower rate of economic growth does provide a silver lining: it eventually reduces the cyclical pressure on prices. We are already beginning to see some preliminary evidence of this. It's likely that the U.S. is on the threshold of a long-term (12-18 months) decline in inflation. We believe that inflation will average less than 4% in 1990.

Interest Rates: With a slower economy and lower inflation rates comes the prospect of lower interest rates. The Federal Reserve has gradually been easing credit conditions, and we expect this to continue

at least through the first half of 1990. The Fed is lowering rates to keep the U.S. economy from slipping into a recession, and it is doing it slowly in an effort to forestall an upturn in inflation. We think the Fed's policy will result in an additional 1.5% to 2.0% decline in short-term rates in the new year. Coupled with this should be a decline in long-term government bond yields — possibly as low as 7% in 1990.

Corporate Profits: A slowdown in sales growth, foreign price competition and a pickup in wage pressures combined to force corporate profits lower in the latter months of 1989. This weakness is likely to remain at least through the first half of 1990 as economic growth remains modest. For the year, we think corporate profits are likely to drop 5% or more below their 1989 levels.

Stock Market: After the mini-crash of October 13, the market rebounded during the last two months of 1989. For the full year, both the Dow and the S&P 500 recorded gains well above 20%. But the outlook for 1990 is quite different. While lower corporate profits and concerns over the economy should depress stock prices, lower inflation and interest rates should move price earnings (P/E) ratios higher and essentially offset the decline in earnings. We forecast that during 1990, the S&P 500 index will trade within the 315-370 range, and the Dow Jones Industrial Average between 2500-3000.

When choosing new stocks in 1990, we recommend you select those which possess two important characteristics. First, concentrate most of your investments in companies with strong balance sheets. Avoid companies with highly leveraged balance sheets; they are likely to suffer the most in a weak economy. Second, seek out companies that have good growth prospects. Since a slow economy will make it difficult for many companies to grow

earnings in 1990, we believe that investors will pay a premium for companies that can buck the trend.

Strategy: As we said at the beginning, no one can guarantee which investments will provide the absolute best performance in 1990. But we suggest you consider allocating your assets as follows: 45% in high-quality bonds, 50% in stocks, and 5% in cash equivalents such as a money-market funds. Our crystal ball can't guarantee the future, but it can at least make it a little clearer. Our best advice for achieving your short- and long-term goals still is to work with a professional investment broker who will help you build your financial security.

Junior Woman's Club Recipe of the Month

Minutes of Village Board Meeting

Regular Meeting
Feb. 5, 1990
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a moment of silence and Pledge of Allegiance.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Larry Williams and unanimously carried by voice vote, the minutes of the January 22, 1990 meeting were approved as printed.

Mr. and Mrs. William Lehmann and others with their Attorney Carol Beverly addressed the Board regarding working out a developers agreement. The main point of contention was the possibility of the village picking up 50 percent of the cost of the water and sewer mains to be installed if the area would be annexed. The pros and cons were discussed and it was reiterated that each annexation or development must be looked at individually, not in relation to one setting a precedent for future growth.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice to consider a developers agreement which would allow for the 50 percent payment of the water and sewer mains on the proposed CTH "H" annexation by the village failed on a roll call vote. Roll call vote was 3 "Aye," 3 "Nay," 0 "Absent." Trustees McElhatton, Williams and Schlice voting "Aye," and Trustees Krueger and Bonlender, along with President Blumer voting "Nay."

On a motion by Trustee Mary Krueger, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board tabled the matter for more discussion on February 19, 1990.

It was discussed and was the consensus to allow for a three year delay of the installation for curb/gutter, sidewalk and asphalt shoulders in reference to the CTH "H" annexation.

On a motion by Trustee Richard Schlice, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board authorized the advertising for sale of the 1988 Dodge Diplomat squad car. The bids to be opened on February 19, 1990.

Chief of Police, Richard L. Knoebel reviewed the 1989 Police Report with the Board. Also the information regarding a drug free school and park zone was discussed.

Trustee Mary Krueger asked about the status of the proposed Municipal Court concept which was addressed by Chief Knoebel.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the application for operator's (bartender's) license upon proper payment of fees and authorized the office to issue said license as follows: Shalamar T. Capelle, Campbellsport, WI.
Note: The Police Department had no objections to the application.

Administrator Daniel S. Schmidt reviewed a variety of correspondence with the Board as follows:

1. Building permit report for 1989.
2. Legislative bulletin.
3. Review of some brief correspondence.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Payroll	\$31,161.71
General	517,022.04
Sewer	23,805.31
Water	14,420.13
TOTAL	\$586,409.19

A/P Checks #1638 -1727
P/R Checks #1417 - 1483

Administrator Daniel S. Schmidt reviewed a concern of the Lions Club regarding the disposal of the newspapers collected. On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board authorized the change of disposal companies for the paper. Champion Insulation Inc., Lomira, Wis. will be receiving all paper versus Lynn's Waste Paper Company, Inc., West Bend, WI. News Notes and a radio announcement will be prepared regarding the type of paper that will be accepted as well as how to place it at the curb on the third Saturday.

Chairman of the Park and Recreation Committee, Trustee Thomas McElhatton announced a committee meeting for 7:00 p.m. on February 19, 1990.

Board Representative for the Library Board, Trustee Kenneth Bonlender reported on the Board meeting of February 5, 1990.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board approved the certified survey map of lot V4-0618-G (Keagle, etc.) as recommended by the Plan Commission. Noting that in developing any lot on Bonnie Lane, a common set back line using the existing structures should be considered for uniformity.

Action was taken on Resolution No. 90-3 the Preliminary Resolution declaring intent to exercise special assessment police powers for the area known as Bonnie Lane, as attached here to:

Action was taken on Resolution No. 90-4 the Preliminary Resolution declaring intent to exercise special assessment police powers for the area known as north Fond du Lac Avenue, as attached here to:

Two applications were received from individuals showing an interest in fulfilling the approximate one year unexpired term for Trustee Vincent Groh. The two people were Gary Gavin and Robert Beisbier. The Board had a ballot vote and results were: Gary Gavin 2 votes and Robert Beisbier 4 votes. On a motion by Trustee Larry Williams, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board appointed Robert Beisbier to fill the one year unexpired term of Vincent Groh.

On a motion by Trustee Richard Schlice, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the ordering and installation of new railing replacement on the Main Street bridge as approved in the budget.

Administrator Daniel S. Schmidt informed the Board that the DNR has notified the village water utility that a quarterly test must be taken on well no. 4 at an estimated cost of \$215.00 each. Also discussion was held on the proposed new EPA's Subtitle D regulations regarding landfill sites and their closure. The consensus of the Board was to bring a resolution back on February 19, 1990 to the Board on the possible closing of the landfill.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice to adjourn to closed session under Chapter 19.85 (1)(e) of the statutes to deliberate and negotiate the purchasing and/or disposition of public lands. Roll call vote was 6 "Aye," 0 "Nay," 0 "Absent." The motion was carried by the majority.

Daniel S. Schmidt
Administrator

Resolution No. 90-3

PRELIMINARY RESOLUTION DECLARING INTENT TO EXERCISE SPECIAL ASSESSMENT POLICE POWERS UNDER SEC. 66.60, WI STATS

RESOLVED, by the Village Board of the Village of Kewaskum, Wisconsin:

1. The Village Board hereby declares its intention to exercise its power under Sec. 66.60, Wis. Stats., to levy special assessments upon property within the following described area for special benefits conferred upon such property by improvement of the following streets:

All property fronting upon the following legal descriptions and addresses:

V4-0191-001 & V4-0191-012, 112-118 Bonnie Lane

V4-0191-013, 900 Prospect Drive

V4-0618, 891 Prospect Drive

V4-0618-00A, 111 Bonnie Lane, (3721 Bonnie Lane)

V4-0618-00B, 113 Bonnie Lane, (3731 Bonnie Lane)

V4-0618-00C, V4-061-00D & V4-0618-00D-001, 115-121 Bonnie Lane, 211 Bonnie Lane, (3769 Bonnie Lane).

V4-0618-00E, 211 Bonnie Lane, (3769 Bonnie Lane)

V4-0618-00F, 213-215 Bonnie Lane

V4-0618-00G, 219 Bonnie Lane

V4-0618-00H & (V4-0618-00H-001), (221) & 223 Bonnie Lane, (3813 Bonnie Lane).

V4-0618-00J, 214 Bonnie Lane

V4-0618-00I, 216 Bonnie Lane, (3788 Bonnie Lane).

V4-0618-002, 220 Bonnie Lane, (3806 Bonnie Lane).

V4-0618-003, 222 Bonnie Lane

V4-0618-004, 224 Bonnie Lane, (3826 Bonnie Lane).

V4-0618-005, 225 Bonnie Lane, (3825 Bonnie Lane)

2. The public improvements shall be the installation of sanitary sewer mains and

lateral stubs, water mains and lateral stubs and storm sewer and other related improvements deemed necessary by the Village Engineers on Bonnie Lane and Courtney Lane and meet the specifications in the Village of Kewaskum and other related specifications contained in Section 8 of the Municipal Code of the Village of Kewaskum and under the Village Engineers specification for utility and street improvements.

3. The total amount assessed against the properties in the defined assessment district shall not exceed 100 percent of the total cost of the improvements. The Village Board determines that the improvement constitutes an exercise of police power and the amount assessed against each parcel shall be based on the lineal footage of said parcel on Bonnie Lane and Courtney Lane.

4. The assessment against any parcel may be paid in cash or in annual installments the number of which shall be determined at the public hearing on the proposed assessment.

5. The Village Engineer shall prepare a report which shall consist of:

a. Preliminary or final plans and specifications for the improvements.

b. An estimate of the entire cost of these proposed improvements.

c. Schedule of proposed assessments against each parcel.

6. When the report is completed, the Village Engineer shall file a copy of the report with the Village Clerk for public inspection.

7. Upon receiving the report of the Village Engineer, the Clerk shall cause a notice to be given stating the nature of the proposed improvements, the general boundary lines of the proposed assessment district, the time and place at which the report may be inspected, and the time and place of the public hearing on the matters contained in the preliminary resolution and the report. This notice shall be published as a Class 1 notice and a copy shall be mailed at 10 days before the hearing to every interested party.

8. The hearing shall be held in the Kewaskum Municipal Building, 204 First Street, at a time set by the Clerk in accordance with Sec. 66.60(7), Wis. Stats. Adopted and approved this 5th day of February, 1990 by the Kewaskum Village Board.

Ceramics at 10:00 a.m. every 1st and 3rd Tuesday of the month.

Card playing everyday.

Dairy Heritage Quilt Represents Wisconsin's Agricultural History

MADISON, WIS — To celebrate Wisconsin's rich dairy heritage, the Wisconsin Milk Marketing Board recently held a state-wide quilting bee. The result is the colorful Dairy Heritage Quilt that now hangs in the WMMB office, the headquarters for the state's nearly 35,000 dairy farmers.

When Europeans settled in Wisconsin generations ago, they brought with them many crafts and traditions, including a love of fine cheeses and excellent cheesemaking skills. The immigrants' legacy is the state's cheesemaking industry, which today produces more than 200 varieties, types and styles of quality Wisconsin cheese.

Another tradition handed down from early settlers is the quilting bee. Years ago farm women often worked together to construct patterned quilts that were as pretty as they were warm.

"We wanted to salute Wisconsin's rich dairy heritage while recognizing the tradition of quilting bees," said Lisa Behnke, manager of in-state promotions at WMMB. "The Dairyland Quilt was an ideal way to symbolize these traditions, and to involve people throughout the state in the project."

Last spring WMMB invited state residents to design and submit quilt blocks depicting Wisconsin's dairy heritage or the dairy industry. Fifty-two quilt blocks were received from participants ranging in age from nine to eighty-five years old.

Just as pictures say a thousand words, the Dairy Heritage Quilt has a heartwarming story to tell. Each quilter had a personal inspiration for her contribution. "If the quilt could talk, it would tell us an interesting story about the people and products that make Wisconsin, America's Dairyland," said Behnke.

The background of Susan Schuster's quilt block portrays Wisconsin farm fields ready for harvest, while a farmer milks his cow in the foreground. "The material used for the farmer's

shirt is from an actual barn shirt worn by my husband," notes Schuster, who lives in Fond du Lac County.

Hermine Renn, Calumet County, featured an old fashioned butter churn on her quilt block. Renn recalls, "When I was a youngster, once a month my father would get a pail of cream and say, 'Today we are going to churn some gold.'"

The center block of the quilt was designed by artist Jan Paszko and was hand-quilted by her mother, Edna Foelker, a Jefferson County dairy farmer. Foelker assembled the quilt blocks, and with the help of the Piecemakers Quilters group from Ft. Atkinson, hand-quilted the 82-inch by 128-inch quilt that's dominated by rich red, gold and blues.

The quilt was unveiled at the 1989 June Dairy Month Kickoff celebration at the Milwaukee County Zoo. It was then displayed at Hoard's Dairy Museum in Ft. Atkinson and was seen by thousands of consumers at the Wisconsin State Fair in August.

"The finished Dairy Heritage Quilt is a one-of-a-kind representation of Wisconsin's agricultural heritage," said Behnke. "Because the dairy industry is so closely tied to the state's image as America's Dairyland, we can proudly say that the quilt belongs to all Wisconsin residents."

Behnke said the public is welcome to view the quilt at the Wisconsin Milk Marketing

Board office, 8418 Excelsior Drive, Madison, during regular business hours, 8:00 a.m. - 4:30 p.m., Monday through Friday.

WMMB, a non-profit, dairy farmer-funded organization, promotes the sale and consumption of Wisconsin milk and dairy products in the state and across the country.

A student was living in a boarding house which was anything but clean. He was surprised one day to find a card tacked on the front door.

"Clean Your Feet," it said in big letters.

The student took a pencil and on the same card, immediately underneath, he wrote, "Before Going Out."

Village of Kewaskum NEWS NOTES Paper Recycling

The Kewaskum Lions Club is an active community oriented organization providing the service of collecting and recycling newspapers. This service is provided the third Saturday of each month. The Village Board and Lions do ask for everyone's cooperation regarding the type of paper placed at the curb and/or brought to the recycling center.

ONLY clean non-gloss newspaper print is to be recycled. You may place brown grocery bags or tied bundles of paper at the curb.

DO NOT recycle cardboard, magazines and gloss type paper at this time.

DO NOT place your papers in cardboard boxes or plastic bags.

The disposal source is being changed requiring stricter guidelines on the material. If your paper products don't conform to these brief/simple guidelines they will be left at the curb.

Thank You,
The Village of Kewaskum

ENGINEERING TECHNICIAN

We are growing and need another Engineering Technician who is interested in joining our corporate team.

You will have an opportunity to perform a variety of general technical assignments related to design, development and modification of housewares products, components, machines, tooling, plants and equipment.

We're looking for someone with the ability to construct and prepare sketches, drawings and 3-D models to engineering specifications through the use of McDonnell Douglas CAD system. The ideal candidate will have an associate degree in drafting from a technical institute, plus 2-3 years experience related to computer aided design (CAD), drafting and related technical activities.

We offer a pleasant work environment, good pay and generous benefit package, including health, life and dental insurance, paid holidays, paid vacation, profit sharing and 401K programs.

If you qualify, send (no phone calls) resume to:

Regal Ware, Inc.

Stradtman, Heisdorf, Kuphal Advance To Sectionals for Chance at State

Saturday the Indians competed in the Regional Competition held in Campbellsport and finished placing 3rd as a team with 83½ points along with Slinger.

The title was captured by the Random Lake Rams, presently ranked second in state in Class B schools. The Rams, who had 209 points, were followed by Campbellsport with 162 points.

Stradtman, Heisdorf and Kuphal all advanced on to sectionals held in Sheboygan Falls this Saturday. Stradtman and Heisdorf both placed first and Kuphal placed second.

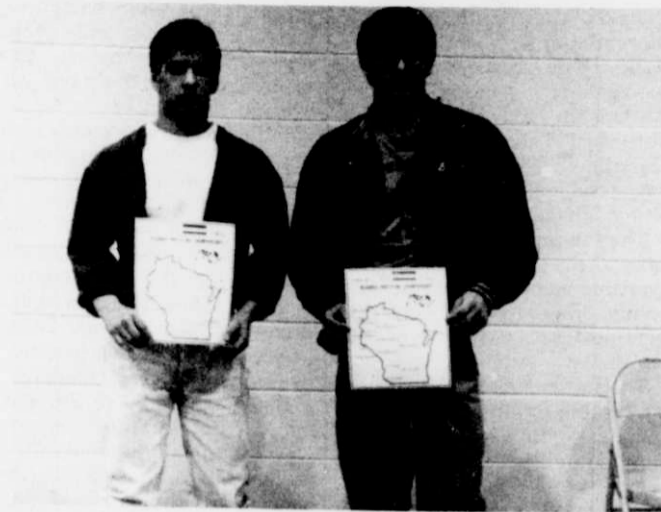

Stradtman, who seemed to get progressively tougher throughout the season, pinned Slinger's Don Reed in 2:40 in the first round. He then beat Dean Strauss, who was seeded first in the tournament. In a very tough and exciting match Stradtman came alive in the last period where he overtook Strauss 9-4. This then took him face to face with Random Lake's Andy Green who he beat 6-4 for the Regional title.

Heisdorf had no problem with his first opponent from Slinger as he pinned him in 5:09. Receiving a bye the first round, that win placed him in the championship match against Gary Depies of Random Lake. Heisdorf was strong in the first period, but weakened in the second as he let Depies tie the score 8-8. It was in the final period in which Heisdorf made an escape point and held Depies until the end.

Kuphal received a bye right, away and faced Campbellsport's Jamie Kries next. He pinned Kries in 1:38 and then went on to face the Central lakeshore Conference champion and 1989 state qualifier Tony Jones of Random Lake.

Kuphal began tough with a quick takedown and near pin but Jones reversed the move with a throw and pinned Kuphal in 1:34. The loss to Jones put Kuphal in second place which still qualifies him for sectionals.

Freshman, Josh Kurtz, did exceptionally well as he placed third. Kurtz won his first match by a pin of 1:38 against Howard

Noel Stradtman, left, takes his first regional championship at 140 and Dan Heisdorf, right, takes his third regional championship this year at 152.

Dan Heisdorf, Kewaskum, has Gary Depies of Random Lake down with a head throw. Dan decisioned Gary 9-8 in the Championship round.

Grove but then lost to Sean Durand by a pin. Kurtz won by technical fall against Brown Deer and was faced against Random Lake's Conference champ, John Morgan in the wrestlerback, Kurtz fought an incredibly tough match, but Morgan came out on top as he placed second.

Sabish finished third in tournament. Sabish lost to the Ram's Conference champ Brian Duner by a technical fall, but came back for third as he beat Kewaskum native Craig Konen

from Slinger with a 5:50 pin. Kevin Kapp lost his first match to Campbellsport's Keith Whitty which finished this season as well as for Todd Muckerheide who was pinned by Fall's Matt Krueger in 3:34.

The sectional qualifiers go on to compete for state this Saturday at Sheboygan Falls at 10:00. Good luck!!

Indian Frosh, JV Girls Complete Sweep of Kiel

KIEL — The Kewaskum freshman girls basketball team kept rolling through Eastern Wisconsin opponents this time picking up a 46-19 victory over Kiel. Marty Schlice led Kewaskum with 10 points.

The Indian JV's completed a sweep of the Raiders, posting a 44-20 decision on the hosts. Tina Schwartz and Sherry Hass shared scoring honors for Kewaskum with 10 points apiece.

SHEEPSHEAD WINNERS

5 handed winners on Thursday, Feb. 8th were: Arnold Hawig, 61-5-56, 23-4-19; Harry Heinecke, 58-6-52, 19-5-14; Ella Smith 55-6-49, 20-4-16; Marge Bonlender, 52-4-48, 18-4-14; Marion Darmody, 56-3-47, 19-2-17.

The next 5 handed will be Thursday, Feb. 22nd and Wednesday, Feb. 28th at 8:00 p.m. Schmitt's Never Inn.

Pulse Races In Fourth Quarter Win Over Kewaskum

KEWASKUM — Tim Fredman and Brian Krueger combined for an unreal 112 points as the Hartland Pulse broke open a close game in the fourth quarter in handing Kewaskum its seventh straight setback, 152-127, here Sunday night. The win improves fourth-place Hartland's record to 4-3.

Kewaskum started out well in this one and during the first half it looked like they might get a win. The addition of some new players definitely helped. They led 36-28 at the quarter and 62-61 at the half. The tide continued to swing Hartland's way and they held a 99-92 lead after three quarters before pouring it on in the fourth quarter.

The Pulse won the game from the free throw line, making 29 of 35 for 82.9 percent to only six of eight for 75.0 percent for Kewaskum.

Fredman had a Lakes seasonal high of 66 points including 11 three-pointers. Krueger had 46 and Paul Moran added 18. Bill Lapp laced 34 for Kewaskum, including eight three-pointers, and Tony Pirozzoli added 29 and Dan Jansen 21.

Kewaskum takes to the road this Sunday facing fifth-place Menomonee Falls Hebbwing Hotel at Falls Middle School.

Freshman Girls Clinch 1st Place

CHILTON — The Kewaskum freshman girls basketball team clinched first place in the Eastern Wisconsin conference as they pummeled a short-handed Chilton team, 39-15.

The victory gives the girls an 11-0 record in conference. Robyn Winninghoff led the Indians offensive charge with 18 points. Kewaskum led just 11-4 at the half, but put on a full-court press early in the second half which hampered the Tigers, who were missing five key players who play with the upper level teams.

One of those teams, the Chilton J.V.'s, took full advantage of the use of the freshman posting a 38-22 victory over the visiting Indians, now 4-14, 2-8 in the E.W. Kelly Korth and Teri Vogt led the J.V.'s with 9 and 6 points, respectively.

Indian Boys Freshmen, JVs Lose to Mayville

KEWASKUM — Unlike their varsity counterparts, the younger Kewaskum boys basketball squads were unable to post victories in their respective games against rival Mayville.

The freshman team came up short in their game, 63-54. Andy Reichart and Keith Herman paced the Indian offense with 12 and 10 points, respectively. The loss drops the freshman record to 4-9 overall.

The J.V. team missed ten out of eighteen free throws in route to a 67-60 setback. Matt Seiser and Joe Fleischman chipped in 19 and 16 points to lead the Indian J.V.'s.

Gymnasts Unparalleled On KHS Parents' Night

The Kewaskum gymnasts dominated Monday's meet against Markesan. The meet was also scheduled as Parents Night. The varsity final was 90.525 to 77.575, which was the highest team score of the season.

The highlights for the night were senior, Chris Ramthun with an all-around score of 7.3 placed first on every event. Junior, Wendy Fideler placed 3rd in two events - the uneven parallel bars and balance beam with scores of 6.8 and 6.4.

Sophomore Stephanie Reindl placed 2nd on the beam with a score of 6.7. Reindl also had a 7.0 on the floor exercise in which she placed 4th.

What really helped the Indians were the team placings. The vaulting tandem of Ramthun, Tracy Ruplinger and

Stacey Heberer took 1-2-3 respectively.

Also on the beam Ramthun, Reindl and Fideler had a season high combined score of 20.35. On the uneven parallel bars sophomore Jessica Roherer, Fideler and Ramthun also scored another team season high score of 20.3. The girls host West Bend East on Feb. 15.

Last Saturday when the Kewaskum gymnasts traveled to the Kaukana - Kimberly Invitational the Indians were out-powered by the tough class A and top Class B schools. The gymnasts placed 9 out of 10. Sophomore Stephanie Reindl broke a school record on balance beam with a score of 8.1 and also placed 5th. The previous record was a 7.9.

Indian Boys Fade Against Undeclared Two Rivers, 79-59

TWO RIVERS — The Kewaskum boys basketball team tried as it might, but couldn't knock Two Rivers from its lofty undefeated perch, falling to the Raiders, 79-59.

Two Rivers, rated sixth in the state among Class A schools, upped its overall record to a perfect 16-0, thereby being the only big public school that is still undefeated.

It didn't look like the Raiders would be able to keep its perfect record in tact from early on. The Indians, who lost to Two Rivers, 61-59 earlier in the season, came out of the blocks on fire, using a balanced attack to jump out in front, 11-0.

Missed free throws by Kewaskum then started to come into play. Not capitalizing on bonus opportunities, the Indians slowly let the Raiders back in the game. By the end of the first quarter, the Kewaskum lead was cut to just 16-14.

The Indians played more or less equal with the tough Raider ballclub throughout the second period as well. A lapse in the final couple of minutes before halftime, though, cost the Indians. Reserve Bill Hansen came off the bench to score a couple of baskets (his only points of the game) to spark the Raiders to a 34-27 halftime advantage.

Things got worse for the Indians in the third quarter, however, as star center Steve

Gerhartz picked up a couple of quick fouls, sending him to the bench. With Gerhartz absent from the Indian lineup, Two Rivers began to put the game away, outscoring Kewaskum 27-16 in the quarter to take a 61-43 lead into the final period.

The Indians were able to cut the lead down to ten at one point, but never got any closer than that. The loss left the Indians with a 2-7 mark in the Eastern Wisconsin Conference, while overall dropping to 6-9.

Junior Mark Felix, who has been coming on strong as of late, led the Indians with 15 points, followed closely by Gerhartz who tallied 14. Brian Leitheiser also added 12, including 3 three-pointers. Corey Shimulunas led Two Rivers with a game-high 19 points.

Kewaskum 16 11 16 16 - 59
Two R. 14 20 27 18 - 79

Kewaskum — Cook 0-1-0, Radtke 2-3-3, Waechter 1-5-2, Heather 0-1-4, Gerhartz 6-2-4, Heller 1-0-1, Leitheiser 4-1-5, Felix 4-7-2. Totals 18-20-22, FT Missed - 19, 3-pointers - Leitheiser 3.

Two Rivers — Miller 6-1-0, Messman 0-0-3, Krueger 1-2-5, Swionteck 3-7-4, Bero 1-0-0, Geiger 3-2-2, Hansen 2-0-1, Shimulunas 9-1-5, Koehler 2-2-5. Totals 28-19-29, FT Missed - 13, 3-Pointers - Miller 3, Swionteck.

Indian Boys Defeat Mayville In Nailbiting Overtime, 65-63

KEWASKUM — It was just like old times again.

Just as they did in the Scenic Moraine Conference some years back, the respective boys basketball teams from Kewaskum and Mayville met here, last Tuesday, looking to rekindle that old rivalry which has produced so many nailbiting finishes.

They were at it again this year, as the two teams went into overtime before Kewaskum was finally able to pull out an exciting 65-63 victory over the Cardinals.

The Indians looked as if they were going to forget the idea of a fantastic finish early on, as they jumped out to a 16-7 lead after the first quarter. Mayville was going to have nothing to do with the thought of a rout, however, and they battled back to pull to within 4, 30-26, at intermission.

It was nip and tuck the rest of the way, with neither team taking a clear cut advantage. With time running down at the

end of regulation, Mayville, down by three, got the ball in the hands of Chad Keith, who nailed a shot just outside the three-point arc before time expired to send the game into overtime, tied at 58.

Indian reserve center Chris Schmid got the Indians off on the right foot in the extra period, scoring a basket to put Kewaskum on top, 60-58. After a couple of missed free throws by Mayville, the Indians struck again as Mark Felix scored on a drive and was fouled. Felix's free throw gave the Indians a five-point cushion at 63-58.

But as has been the case many times this season, Kewaskum couldn't hold on to its lead, as the visitors battled back to tie things at 63 with under a minute to play.

Kewaskum's Mark Heather, though, connected on a jumper with :12 left to put the Indians back on top. Mayville missed a shot on its ensuing trip down court and Gerhartz was there for the rebound, his 11th of the

evening. After being fouled immediately, Gerhartz missed the front-end of a bonus opportunity, giving Mayville one last chance. But a desperation shot by the Cardinals didn't fall, giving Kewaskum its seventh victory this season against nine losses.

Gerhartz led the winners with 19 points, while Felix added 18. Mike Steffek led all scorers with 22 points for Mayville.

Mayville 7 19 18 14 5 - 63
Kew. 16 14 16 12 7 - 65

Mayville - Olsen 2-1-2, Cheesebro 1-2-2, Steffek 9-4-1, Pasbrig 5-1-2, Keith 4-1-4, Luebke 2-3-3, O'Neil 1-4-4. Totals 24-14-18, FT Missed 13, 3-Pointers - Keith.

Kewaskum - Gerhartz 5-9-4, Waechter 3-0-1, Schmid 1-0-4, Leitheiser 2-2-4, Felix 7-4-2, Cook 1-2-4, Heather 4-0-3. Totals 23-17-18, FT Missed 8, 3-Pointers - Heather, Leitheiser.

Indian Girls Lose to Chilton In Overtime... Again

CHILTON — Are they that evenly matched, or do they just like putting in extra work each night?

That's what both the coaches and fans from the respective schools of Kewaskum and Chilton have to keep asking themselves in regard to the two schools' girls' basketball teams.

For the second time in as many weeks, the Chilton and Kewaskum girls' basketball teams went into overtime to decide the winner, and for the second time, the Tigers prevailed. On the latter occasion, last Tuesday, Chilton came away with a 37-32 decision to up its record to 5-5 in Eastern Wisconsin action. Kewaskum fell to 2-7 in conference.

The Indians had no one to blame but themselves as they fell behind 16-9 by halftime. Kewaskum connected on just under 14% of its field goal tries in the first half, making just 4 of 29 shots.

The shooting improved for the Indians in the third period and they began a comeback and eventually took a 23-20 lead going into the final period of play.

The Kewaskum lead wouldn't hold up, however, as Chilton's

only senior on the team, Denise Critter, displayed her leadership by helping to keep her team on top throughout the fourth. But with under a half-minute left in regulation, the Indians' Pam Osterbrink made a shot to send the game into an extra period.

Chilton literally dominated the overtime session, outscoring the Indians 7-2, enroute to its second triumph over Kewaskum in as many weeks.

Osterbrink did her best to keep Kewaskum in the ballgame, scoring a game-high 22 points out of the Indians' total of 32. No other Indian players had more than three points. Critter led the Tigers with 10 points.

Kew. 5 4 14 7 2 - 32
Chilton 4 12 4 10 7 - 37

Kewaskum — Rohlinger 2, Rimmel 2, Chesak 2, Lubahn 1, Weddig 3, Osterbrink 22. Totals 12-8-15, FT Missed 3, 3-pointers - none.

CHILTON - Karls 2, Winkler 8, Riemer 4, Dallman 5, Kolbe 2, Turney 6, Critter 10. Totals 15-7-13, FT Missed 7, 3-pointers - none.

Our Plates Are Unique.

And So Are We.

Campbellsport Building Supply is much more than a "lumber yard".

Whether you're planning a pole building, new home, adding a room, or giving your old home a "face-lift" with new windows, roofing or siding, Campbellsport Building Supply has everything you need... and can help you make the right decisions, from start to finish.

You used to have to look far and wide to get answers to your building questions.

Now you can get answers, right here in the heart of the Kettle Moraine... along with the kind of service and personal attention you've come to expect and deserve.

Our plates say LUMBER but we offer much, much more!
