Separate Accidents Claim Lives of Two Area Young Men

GERRY MUELLER
Statesman Staff Writer

Two accidents over the weekend took the lives of two area young men, one from Boltonville, the other from Campbellsport.

The first incident was a one-vehicle accident which occurred at approximately 4:00 a.m., Saturday, on Highway 28, just east of County Highway HH, in the Town of Farmington.

According to the Washington County Sheriff's Department release, a pickup truck driven by Douglas G. Enright, 21, of 1320 Scenic Drive, left Highway 28, on the north side of the road, struck a tree and burst into flames.

Enright was trapped in the burning vehicle. Members of the Boltonville Fire Department and Kewaskum Rescue Squad freed the victim with the aid of the Jaws of Life. The Flight for Life helicopter was also called to

the scene.

Enright was transported by the Kewaskum Rescue Squad, with the Flight for Life doctors assisting, to St. Joseph's Community Hospital, West Bend, where he died at approximately 6:00 a.m., as a result of injuries sustained in the crash.

A Sheriff's Department spokesperson said Enright apparently fell asleep while driving.

Enright was the son of Boltonville Fire Chief Joe Enright and his wife Ann. Chief Enright was one of the Boltonville firemen to respond to the accident call.

A second accident Sunday, claimed the life of a Campbellsport youth. According to a release from the Fond du Lac County Sheriff's Department, Brian R. Leider, 17, of 281 Memorial Drive, Campbellsport, died from

injuries sustained in a two-car accident in the Town of Ashford.

A department spokesperson said the accident occurred at 12:09 p.m., at the intersection of Cloverland and Memorial Drive. According to the report, the victim was struck broadside by a vehicle driven by Alois J. Wanninger, 62, of Iron Ridge.

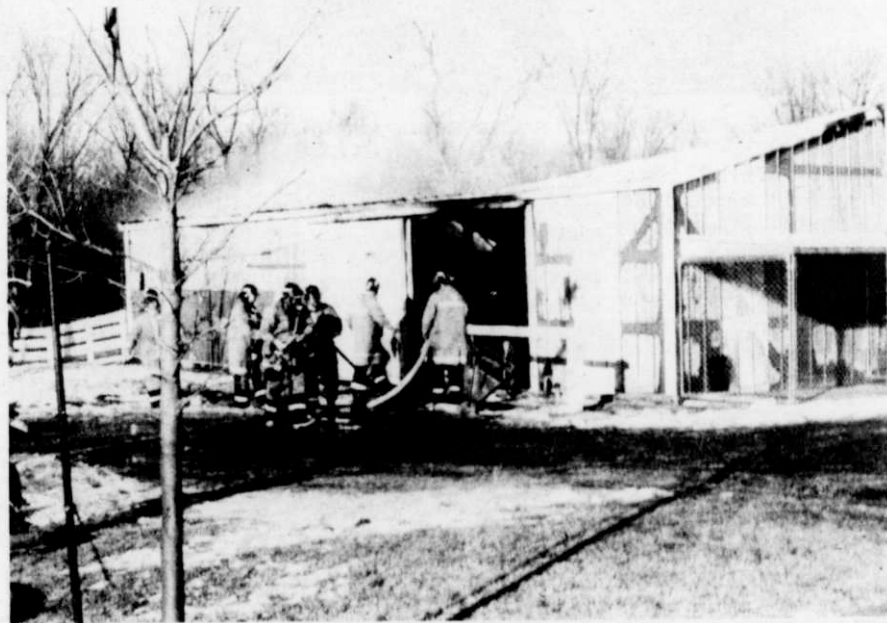

Wanninger was transported by the Campbellsport Rescue Squad to St. Agnes Hospital, Fond du Lac.

The Sheriff's Department stated the deputy's report of the accident investigation was not completed and there was no further information on the incident available.

Belgian Horses Die, Equipment Lost in Pole Barn Fire

Fire completely destroyed a steel pole barn belonging to Robert and JoAnn Manthei, 9520 N. Mill Road, Kewaskum, on Thursday, March 1.

Two Belgian horses perished in the fire. The Mantheis had wanted the horses for years and had just purchased them the week before the fire. Bob and JoAnn had hoped to use the Belgians for hayrides for family and friends. The horses were valued at \$700.

Two other riding horses and a dog were not injured in the fire, however a tractor, hitchcart, wagon, spring tooth, hayrack, camper shell and other equipment was lost in the blaze.

The fire was noticed around 3 p.m. by a neighbor, Jane Gerhartz, who promptly notified the Kewaskum Fire Department and Bob Manthei, who was at work. The Boltonville Fire Department provided mutual aid. The Manthei family was not at home at the time of the fire.

Investigators determined the cause of the fire was electrical wiring. Total losses will exceed \$25,000, however the Mantheis are planning to rebuild.

Highway Committee Asked to Upgrade Hwy. 45 Reconstruction

By GERRY MUELLER
Statesman Staff Writer

On behalf of the village, Zoning Administrator Richard Zarling has asked the Washington County Highway Committee to give a higher priority rating to a project to upgrade and widen the 2.7 mile stretch of Highway 45, from the north end of the bypass to Main Street in Kewaskum.

In a letter dated February 26th, Zarling told the committee, "To delay this project until 1996, as was originally scheduled is to fail to recognize the immediate needs."

The upgrading would expand that portion of Hwy. 45, from its present single-lane status, to a four-lane highway (two lanes each north and south).

Zarling advised the committee that there has been a tremendous increase in vehicular traffic, even before the completion of the bypass. Traffic counts at three locations along Hwy. 45, showed a 36% increase from 1986 to 1989.

In presenting a resolution for adoption supporting Zarling's request, Village Administrator Dan Schmidt told the trustees Monday night that traffic on that portion of Hwy. 45 is exceeding the Wisconsin

Department of Transportation's standard for safety and usage on single traffic lanes by almost 40%.

The resolution also asked that the Hwy 45/Badger Road intersection be upgraded and that the portion of the highway within the village (Fond du Lac Avenue) be upgraded and resurfaced.

In other business Schmidt advised the trustees that the village has been informed by the Countywide Library System that it is in non-compliance with regard to the level of certification held by the Library Director. A special joint meeting of the Village and Library Boards to discuss the village's options has been tentatively scheduled for March 26th.

In other action the board adopted an ordinance prohibiting the sale of drug paraphernalia within the village.

A contract to Gavin Painting in the amount of \$945 for interior painting for several areas of the Municipal Building was also approved.

Under miscellaneous business, Trustee Richard Schlice addressed the issue of landfills, restrictions and

Newspapers In Education Week, March 5-9

In celebration of Newspapers In Education Week, being held this year March 5-9, you will find some very special ads and editorials on pages seven through twelve in this week's edition.

On these pages, readers will find paid advertisements and editorials created, designed and drawn by the third graders of Holy Trinity School in Kewaskum. These children recently completed a segment of study on newspapers, and therefore, volunteered to participate in Newspapers in Education Week.

The whole concept behind the Newspaper In Education Week promotion is to encourage children to get into the habit of picking up a newspaper to READ. If we have influenced one child into the habit of reading, we have accomplished a great deal.

The Kewaskum Statesman would sincerely like to thank the Holy Trinity third graders for their fine efforts in this participation and thanks to their teacher, Mrs. Diane Gremminger for her help and patience.

These students worked hard to help make this a special edition. But many thanks must also be extended to the businesses who paid for the advertising space. Without their commitment, readers would not be enjoying this edition.

Thanks to: Miller's Furniture, Coast-to-Coast Hardware, KL Home and Hardware, T's Lounge, Sentry Foods, Kennelly Pharmacy, Marigold Foods, Kewaskum Floral and Galaxy Satevision. Your support helped to make the children's participation in Newspapers In Education Week possible.

Any teachers interested in participating in this project for next year's Newspapers In Education Week, please contact The Kewaskum Statesman.

Happy Birthday Girl Scouts!

March 11 - 17, 1990 is the 78th Anniversary of Girl Scouts - the world's largest voluntary organization for girls. Since 1912, millions of girls have had the opportunity to make new friends, learn new skills, and become confident individuals through Girl Scouting.

On March 12, 1912, Juliette Gordon Low met with 18 girls in Savannah, Georgia, and formed the first Girl Scout Troop. The girls of that time earned badges such as "dressmaker," "homemaker," and "hostess."

Today's girls earn badges in a variety of fields, including "Aerospace," "Business-Wise," and "Computer Fun."

Think about it. At least half of tomorrow's leaders will be women. Girl Scouts is an investment for the future, today. Girls are getting the kind of leadership training that can make a real difference in the future of Wisconsin.

Girl Scouting - making the difference in the lives of girls. Happy Birthday Girl Scouts!

Village President Paul E. Blumer, is pictured signing the Proclamation for Girl Scout Week. With him are, right to left: Jennifer Severance, Rebecca Cartwright, Nadine Hollister, Nicole Enright, Ihrin Medina and Julia Shaw.

Sunday Luncheon Kicks Off Girl Scout Week

Daisy Troop 50 practices for Girl Scout Sunday. Front row, left to right: Laura Klemme, Katie Wolf. Top row: Casey Gutkowski, Kelly Gundrum, Andrea Wolf, Kelly Brock.

This Sunday, March 11, 1990, as a kick-off for Girl Scout week, the Kewaskum and Wayne Girl Scouts will celebrate with a luncheon at Wayne Elementary School. The girls and their families will welcome special guest Kelly Oppelt, who is the district field representative from Wau-Bun Council. After the lunch there will be a short program.

At the 11:00 a.m. Mass at Holy Trinity on Sunday, seven girls will receive Girl Scouting religious awards. Brownies earning the "Family of God" award are: Lisa Schickert, Amy Piwoni, and Katie Kopecky. Juniors receiving the "I Live My Faith" award are: Nicole Enright, Melissa Theusch, Ihrin Medina and Becky Wolf.

There will also be Girl Scout

Sunday observances at St. Anthony's Catholic Church, and at Peace Church, the Girl Scouts will be greeters.

Girl Scout Cookies have arrived this week, and if you have not already received yours, they will be coming soon. Thanks to everyone for your support, for it is with your help that the Kewaskum Area girls were able to sell 8,892 boxes of cookies.

The top three sellers in our area are all from Brownie Troop #9. They are: Heather Radke, 369 boxes, Colleen Gosa, 347 boxes, and Julie Shaw, 261 boxes. Thanks to all the girls who sold, and to their parents for a job well done.

The end of April will see the celebration of Earth Day (Apr. 22), Arbor Day (Apr. 27), Forest

Appreciation Week (Apr. 22 - 28), and Girl Scout Leaders Day (Apr. 22). To commemorate these days the Girl Scouts of Wau-Bun Council, Kewaskum Area Service Unit will be planting trees in honor of their favorite Girl Scout Leader, past or present.

This community service project, called "Growing Up Green," is being held in conjunction with the 20th Anniversary of Earth Day. Planting trees demonstrates the girls' long-term commitment to the environment. More details will be available soon.

Camaraderie and friendships, opportunities and growth.... Girl Scouting is memories of the past, and the making of memories of tomorrow. Help us celebrate Girl Scout Week!

PROCLAMATION

GIRL SCOUT WEEK

MARCH 11-17, 1990

WHEREAS, Girl Scouts of the U.S.A. is the largest voluntary organization for girls in the world and recognizes that today's girls will be tomorrow's leaders; and

WHEREAS, the Girl Scout Movement emphasizes building self-confidence, leadership skills, and decision-making ability; and

WHEREAS, Girl Scouts of the U.S.A. celebrates individuality in girls that they may develop their full potential; and

WHEREAS, Girl Scouts of the U.S.A. is open to all girls ages 5 to 17 and offers a program that is responsive to their needs and interests;

NOW, THEREFORE, I Paul E. Blumer, by virtue of the authority vested in me as President of the Village of Kewaskum hereby proclaim March 11-17, 1990, GIRL SCOUT WEEK in Kewaskum and thus, do urge the citizens of Kewaskum to support Girl Scouts in their endeavors.

IN TESTIMONY WHEREOF, I have hereunto set my hand caused the seal of the Village of Kewaskum to be affixed this 28th day of February, 1990.

Daisy Troop 50 Visits Humane Society

Daisy Troop 50 enjoys playing with the puppies

On Thursday, March 1, 1990, the girls of Daisy troop 50, of Wayne, visited the Washington County Humane Society.

The girls learned all about the homeless pets, and how to take care of their own dogs and cats. They got a chance to see and to

play with the most adorable puppies that are available for adoption.

The girls had a good time, and I'm sure more than one girl went home asking for a new puppy. I wanted to take home every one that I saw!

The leaders and girls of troop

50 would like to thank the Humane Society for giving us the opportunity, Rose Vogt and Cindy Tobin for chaperoning, and Melissa Lloyd for all her help. Thanks everybody!

Takes Part in Young Farmer Conference

Andy Degnitz

Andy Degnitz, 8640 Filmore Road, Fredonia, participated in the Land O' Lakes Annual Meeting Young Farmer Conference held February 20-23, in Minneapolis, MN.

Young Farmers were selected to attend on the basis of their farming operation and their interest in community and cooperative involvement. This program is jointly sponsored by

local cooperative members of Land O' Lakes, Land O' Lakes district associations, and by the Land O'Lakes Dairy Foods Division.

The special four-day program included information on cooperatives; how they are organized and controlled, inspirational presentations, and opportunities for young farmers to visit with cooperative employees, managers, and directors.

The young farmers were able to participate in all Land O' Lakes Annual Meeting activities, as well as the Young Farmer Conference.

Auburn Township Collects Charities

\$944.50 is the total amount donated to the four charities in the envelopes that were sent out with the Auburn taxes to the residents of Auburn Township.

The cost of envelopes was \$31.70. Because of the generosity of 64 donors, the Town of Auburn Charities has sent Bank One money orders, as follows: Wisconsin Heart Fund,

legislation, including the hauling of out-of-state garbage into Wisconsin. He questioned whether the League of Municipalities was doing anything.

After a short discussion by the board Administrator Schmidt was directed to draw up a resolution to be sent to the state legislators explaining the village's concerns on various landfill issues with a request for some action on the part of the state.

Remember, Your Numbers Will Count in the 1990 Census

By GERRY MUELLER
Statesman Staff Writer

Within the next few weeks, households throughout the United States will be receiving an information form for the 1990 census.

Please take the time to accurately fill out and return this document. The information you provide will have an important impact on all of us, from the local level all the way up to and including our representation in Washington, D.C.

These figures not only determine how many legislators each state will have

representing them, they will also affect the money communities and states receive in many forms of local, state and federal funding. Many programs are apportioned and doled out according to population as tabulated in the latest census.

These are just a few of the reasons why each and every one of us should do our part to make sure each of our communities and the State of Wisconsin are correctly and accurately accounted for in the 1990 census.

Let's not lose any voices in Washington or financial support for our state.

West Bend Jaycees Award Scholarships

Three students at Moraine Park Technical College's West Bend campus were awarded scholarships for the current year from the West Bend Jaycees.

Receiving the \$200 scholarships were Joel Dornacker of West Bend (machine tooling technics), Walter Pretsch of West Bend (industrial coatings technician) and Robert Deming of Cedarburg (machine tooling technics).

Dick Crooks, president, and Debbie Crooks, vice-president, of the West Bend Jaycees awarded the scholarships. The scholarships are awarded annually by the Jaycees in the name of Richard A. Goeden, a former Commander of the West Bend VFW Post and Jaycees' Most Outstanding Man in 1964.

Winners are chosen on the basis of financial need, scholastic ability, mechanical trades background, experience, residency and character as indicated by personal reference.

Immunization Clinics Offered by County

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Service. MARCH clinics are:

March 13, 9-11:30 a.m. — Germantown Senior Citizen Center, W162 N11960 Park Avenue, Germantown.

March 20, 9-11:30 a.m. — Hartford City Hall, 109 N. Main Street, Hartford.

March 27, 9-11:00 a.m. — Community Health Nursing Service, Courthouse, Lower Level, Room 119, 432 E. Washington St., West Bend.

Parents must bring their records of each child's past immunizations to clinics. Immunizations will not be given without a record card.

Letters to The Editor

To: All Parents of Kewaskum High School Students and Members of the Community

The Kewaskum High School Prom will be held on Saturday, April 28. The Kewaskum Booster Club is hoping to provide, with the help of parents and members of the community, a post-Prom party from midnight until 4:00 a.m. at the Fond du Lac Y.M.C.A. The party will be open to all Kewaskum students, regardless of whether they attended the Prom. Students may bring one guest.

In addition to participation in any of the sports activities offered by the Y.M.C.A., there will be movies, music, and lots of free food and soft drinks. A very special attraction will be a Monte Carlo room featuring 17 games, including black jack tables, roulette wheels, and craps tables. Students will be given a stack of chips and winners will receive prizes.

The Booster Club plans to provide coach buses for all students wishing to participate. The buses will leave the high school at approximately 11:30 p.m. and return to the high school at about 4:30 a.m. Students who choose to, may drive to the Y.M.C.A.

Upon arrival at the Y.M.C.A., students will sign in. In order to leave, students must signout and they may not return. The sign in and sign out sheets will be made available to parents, upon request.

The Booster Club must have a firm commitment from students in order to provide enough food, buses, volunteers, etc. We ask that each student sign up at school with a \$5.00 deposit. When the student signs in at the Y.M.C.A. that evening, the \$5.00 will be refunded. Sign up will take place at school the week of March 12.

In order for this post-Prom party to take place, we MUST

Jacobs - Clarkson

Mr. and Mrs. Roger Jacobs are pleased to announce the engagement of their daughter Doreen, to Thomas C. Clarkson, the son of Helen Ann and Thomas E. Clarkson of Wisconsin Dells.

Doreen graduated from Kewaskum High School in 1984 and Ripon College in 1988. She is employed at Ripon College, as a Admission Counselor.

Thomas graduated from Wis.

Dells High School in 1983 and Ripon College in 1987. He received his Masters of Business Administration from Drake University in 1988. He currently lives in Glendale Heights, Illinois and is employed by Nekoosa Paper Company.

A September 29, 1990 wedding is being planned by the couple.

American Diabetes Alert Day Set for March 20

March 20, 1990 is the American Diabetes Alert, a day when Wisconsinites will be asked to "Take the Test, Know the Score," according to Sharon Maby, M.D., president of the American Diabetes Association/Wisconsin Affiliate.

"Our goal is to identify the millions of Americans at risk for diabetes and those who have the disease but don't know it yet," explained Maby.

Slated for the 1990 Alert is the Be Alert to What You Eat and Do campaign. People can track their eating and exercise habits for a day by using the Be Alert diary. Millions of diaries and quizzes will be distributed nationwide by the ADA. On the 20th, many ADA chapters will conduct programs offering more guidelines on eating and exercising to stay healthy.

Just prior to and on March 20, written tests and diaries will be distributed by local ADA chapters in Wisconsin with the help of pharmacies, grocery stores, drug stores, and business and community organizations.

An estimated 11 million Americans, and almost a quarter of a million Wisconsin people, have diabetes, a disease in which the body does not produce or respond to insulin, a naturally-occurring hormone that controls blood sugar levels and is necessary for daily life. The resulting high blood sugar level can severely damage the heart, blood vessels, kidneys, eyes and nerves. If left untreated, diabetes can lead to serious health complications and even death.

The Wisconsin affiliate serves thousands of people

with diabetes throughout the state. The ADA is celebrating its fiftieth anniversary in 1990. It is the nation's leading voluntary health agency supporting diabetes research and education. Founded in 1940 as a professional society, today's ADA is an internationally recognized organization of more than 800 affiliates and chapters that serve all people with diabetes, regardless of age, type of diabetes or economic condition.

The Army Commendation Medal is awarded to those individuals who demonstrate outstanding achievement or meritorious service in the performance of their duties on behalf of the Army.

She is a data telecommunications operator with the 298th Signal Battalion.

Peaslee is the daughter of Robert H. and Rosemary Peaslee of 1945 Elm Tree Drive, Kewaskum.

The specialist is a 1985 graduate of West Bend West High School.

March is Youth Art Month

March is a busy month in the Kewaskum High School Art Department. Students are entering contests, art shows and enjoying the personal satisfaction of creativity. A walk through the High School will reveal the art work and the skills and techniques of young artists. One example is a mural recently completed by senior Art 4/Art Seminar student, Corina Oresnik, depicting a relaxing Canadian landscape. Be sure to stop by and enjoy the numerous art displays. Remember... encourage art!

Degnitz - Esselmann

Mr. and Mrs. Roger Degnitz of 566 Hwy. 84, Fredonia and Mr. and Mrs. James Esselmann of 1105 Wallace Lake Rd., West Bend announce the engagement of their children Renee and Jerry.

Renee graduated in 1986 from Kewaskum High School and received her diploma in child care services from MPTC in 1988. She is now a partner at Kiddie Korral, Inc. child care center.

Jerry is a 1985 graduate of West Bend West High School. He also attended MPTC and received an associates degree in Ag. mechanics in 1987. He is now engaged in farming.

An October 1990 wedding is being planned by the couple.

Publisher's Letter to Parents

Dear Parent:

Are you looking for a way to help your child do better in School?

Are you concerned because your child would rather watch TV than read?

Are you searching for ways to make homework relevant?

Perhaps the newspaper can be part of your answer. It lends itself to a variety of learning situations because it is up-to-date, relevant and highly motivational.

It is an accepted fact that we try to provide for our children those things that we think are important. At school we think it is important that children develop a love of the printed word. In order to foster this love, much of our

school day is spent in reading activities. Your further support is needed, too.

One way you can encourage a child's reading habit is to be a model at home. A good way to model reading is through the daily reading of a newspaper. Parents who are excited about newspaper reading and "share" with their children what they have read are modeling good reading. In this way you as parents can help your child develop a lifelong reading habit.

Newspaper In Education Week is to be celebrated during the week of March 5-9. This week is sponsored in Wisconsin through joint efforts of the Wisconsin State Reading Association, The Wisconsin Newspaper Association, and The Kewaskum Statesman. During this week, students in our classrooms will be discussing and sharing the power of the printed word. Many activities are planned to help our

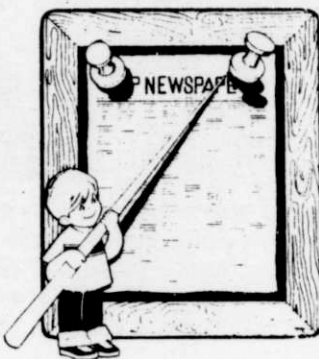

students understand how newspapers affect our daily lives.

Your support of the activities at school is appreciated. Together we can use the newspaper as an effective learning tool.

Sincerely,

The Kewaskum Statesman

"Johnny," said the teacher, "can you make ten go into two?" "Yes, teacher." "Think now, Johnny, ten cannot go into two." "Oh, yes it can teacher. Ten toes can go into two socks."

A Memorandum From Your Child

1. Don't spoil me. I know quite well that I ought not to have all I ask for. I'm only testing you.
2. Don't be afraid to be firm with me. I prefer it. It lets me know where I stand.
3. Don't use force with me. It teaches me that power is all that counts. I will respond more readily to being led.
4. Don't be inconsistent. That confuses me and makes me try harder to get away with everything I can.
5. Don't make promises...you may not be able to keep. That will discourage my trust in you.
6. Don't be too upset when I say "I hate you." I don't mean it, but I want you to feel sorry for what you have done to me.
7. Don't do things for me that I can do for myself. It makes me feel like a baby, and I may continue to put you in my service.
8. Don't make me feel that my mistakes are sins. I have to learn to make mistakes without feeling that I am no good.
9. Don't nag. If you do, I shall have to protect myself by appearing deaf.
10. Don't demand explanations for my wrong behavior. I really don't know why I did it.
11. Don't tax my honesty too much. I am easily frightened into telling lies.
12. Don't forget that I experiment. I learn from it, so please put up with it.
13. Don't protect me from consequences. I need to learn from experience.
14. Don't put me off when I ask HONEST questions. I really need to know.
15. Don't ever think that it is beneath your dignity to apologize to me. An honest apology makes me feel surprisingly warm toward you.
16. Don't worry about the little amount of time we spend together. It is how we spend it that counts.
17. Don't forget that I can't thrive without lots of understanding and encouragement, but I don't need to tell you that, do I?

TREAT ME THE WAY YOU TREAT YOUR FRIENDS, THEN I WILL BE YOUR FRIEND TOO.

A Will Can Protect Your Assets and Your Family

(Third In a Series)

Death can strike any one at any time — and if it strikes before you've written a will, the state may very well take control of your assets and decide the fate of your family.

If you want to control what happens to your family, your home, and your assets after your death, the Wisconsin Society of CPAs advises you to stop procrastinating and write a will. For instance, a will enables you to name a guardian for your children. When making this decision, ask yourself who would be able and willing to raise your children with values similar to yours if both you and your spouse dies in an accident.

The next critical decision you need to make is who should serve as the executor of your estate. Executors have to inventory all your assets, notify insurance companies and collect the proceeds, pay outstanding debts, arrange for your immediate family's living expenses, prepare and file all tax returns, and distribute your estate. If your executor has not financial expertise, you may want to select a second party, perhaps your CPA, to serve as co-executor with a family member.

Next, take an inventory of your assets and decide exactly how you want them distributed. Try to think in percentages rather than dollar amounts. Consider, too, the implications of each provision of your will as well as the circumstances and resources of each beneficiary. For example, do you want to divide your assets equally between your two daughters if one of them has five children and the other none? Another question you need to ask is: How old and self-sufficient are your children? If they are succeeding financially, you may want to leave a greater portion of your estate to your spouse.

Besides insuring that your estate is distributed according to your wishes, a will can also reduce the financial burden placed on your heirs. For

example, the administrator of your will is frequently required to post a performance bond to protect your estate from fraud, embezzlement, or negligence. Bond fee premiums cost about \$5 per \$1,000 of the estate's gross value and are payable annually until probate is completed - which ranges from a few months to several years. The bond is meant to protect your estate, but may be unnecessary if the executor is a trusted friend or family member. If you wish, your will can waive this bond requirement in certain jurisdictions.

Tax claims on an estate can also be substantial. Since state laws vary, ask a CPA to review your state's laws on estate and inheritance taxes. Under the federal estate tax law, you do have a degree of protection. If the gross estate, plus the value of certain lifetime taxable gifts, is under \$600,000, filing a federal estate tax return is not required. However, if estate assets plus the value of certain lifetime taxable gifts exceed \$600,000 after deducting administrator's and executor's fees, funeral expenses, and outstanding debts, the federal estate tax rate kicks in at 18 percent and goes as high as 55 percent for estates over \$5 million.

There is one major exception to this rule. Under the unlimited marital deduction, you can leave your entire estate to your spouse without incurring federal gift or estate tax — regardless of your estate's worth. But when the surviving spouse dies, tax will be charged against your combined estates, thus placing a potentially tremendous tax load on the second estate.

For more information on estate planning, you can request a copy of "Estate Planning: Protect Your Family" by contacting the Wisconsin Society of CPAs at 180 N. Executive Drive, Brookfield, WI 53008-1010 or by calling (414) 785-0445.

Teen Hotline Now Serving Washington County Youth

Teen Line Connection, a collaborative service of Crossroads, The Council on Alcohol & Other Drug Abuse of Washington County, and COPE, began serving Washington County Youth February 5, 1990.

The Hotline provides a readily available and comfortable source of help to youth who need to talk about concerns or problems ranging from loneliness and peer issues to depression and suicide.

Teen Line Connection is staffed by volunteer Washington County students (10th - 12th grade) who have participated in an intensive training program covering topics such as: Reflective Listening, Juvenile Law, Runaways, Sexuality, Abuse, Date Rape, Suicide, Relationships, Alcohol/Drugs, Human Physiology and Community Resources.

The Teen Line Listeners are available to listen to the caller's concern, explore choices, help with problem solving, and give information and referral to appropriate community resources. An adult supervisor (many of whom are volunteers and have also participated in the training) is available at all times for back-up and support.

Youth can talk to a Teen Line Listener on school days between 3 and 6 p.m. The 24 hour Hotline is answered by an adult staff person or volunteer during the remaining hours. Hotline Numbers - 338-3555, If Long Distance call 1-800-924-3555.

If you are interested in finding out more about Teen Line Connection or if you would like to be a phone volunteer, please direct your inquiry to: Sandi Wallace, Program Coordinator: 338-1661.

Washington County Focus on Careers

Pairing prospective employees with future career opportunities is just one of the goals of the first Washington County Focus on Careers. Scheduled for May 1, at the Innovation Center of Hartford, the Focus on Careers is designed to help local businesses educate their employers of the future as to what they will need to compete for jobs in the 1990's.

Designed as a business, education partnership, the fair will promote an understanding of our rapidly changing work environment.

Over 150 career representatives are currently being recruited to be on hand and provide necessary career information to the future and present workforce. Students (middle and high school) and adults are welcome.

The Education for Employment Councils in the schools, Economic Development organizations, MPTC, UWWC and community organizations are coordinating the fair. For more information call Washington County Economic Development 338-4777.

FARMINGTON 4-H CLUB

Farmington 4-H voted for their new constitution at their meeting February 1. Aaron Egerer was elected vice-president. Dennis Egerer resigned. Mrs. Poehnelt announced the button and poster contest. After the meeting fishing and rabbit project members met to plan their first activities. The next meeting will be at 7 p.m. March 1, at Farmington School.

Alzheimer's Support Group to Meet 4-H Music and Drama Festival

The Alzheimer's and Related Disorders Support Group will hold its next meeting on Monday, March 14 from 1:00 - 3:00 p.m. at the Cedar Lake Home Campus, West Bend.

"Death With Dignity" is the educational topic for the meeting. Cedar Lake Home Campus staff will lead the session.

The support group invites community caregivers and other interested individuals to participate in its monthly meetings. It meets the second Monday of the month.

The support group strives to better understand the nature of Alzheimer's Disease and related disorders through sharing of concerns, educational programs and learning to care for the caregiver. Topics are of interest for anyone who knows someone who is becoming more forgetful or disoriented.

Advance registration is not required. For more information, call the Cedar Lake Home Campus at 334-9487.

Raise the curtains and dim the lights for the annual 4-H Music and Drama Festival, Sunday, March 25; 1:30 p.m. to 7:00 p.m. at UWWC, West Bend.

The 4-H Music and Drama Festival features 4-H youth from throughout the county. Plays, Vocal Solos, Instrumental Solos, and Dance are just a few of the categories.

The festival is open to the public. Admission is \$1.00 at the door. Don't miss this showcase of 4-H talent.

Dinner Theatre Announces Comedy

Spotlight Productions announces its Spring Dinner-Theatre comedy "It's A Scream" to be presented March 9, 10, 11, 16, 17, 18, 1990 at the West Bend Hotel, West Bend.

The plot revolves around an aging "Vincent Price type" screen actor who must convince his studio boss that he is still scary enough to keep his job. What ensues is a hilarious romp through a haunted mansion complete with floating ghosts and dead bodies in closets.

The \$16.00 reservation includes a complete dinner, beverage, dessert, tax, gratuity and the show. The 7 p.m. Friday evening meal choices include stuffed pork loin or cod almonidine. 7 p.m. Saturday showgoers have a choice of beef stroganoff, chicken stir fry, and a third choice of corned beef and cabbage will be offered on St. Patrick's Day only. On Sunday an 11:30 a.m. champagne brunch is served. Seating is "Las Vegas" style and advanced reservations are required.

For additional information or reservations write Spotlight Productions, P.O. Box 286, West Bend, WI 53095 or call Becky at (414) 338-5887.

GOOD NEWS FROM UNITED WAY

In December, the South-eastern Wisconsin Center for Independent Living (SEWCIL) provided interpreters for two county residents with hearing impairments. They also responded to three information and referral requests on housing for Washington County residents with disabilities.

Citizen Advocacy of Washington County creates and supports relationships between volunteer community members and people with mental or physical disabilities. One advocate is sharing her family and friends with her new friend who has a hearing impairment. They go out for coffee, grocery shop and are making plans for summer camping. Besides having fun together, they are "building bridges" along the way between people with hearing impairments and those who have good hearing. The advocate finds that her friend has helped her learn to accept and appreciate silence.

Senior Friends in the

Hartford area were treated to a Christmas program by kindergarten students in December. The Seniors, in turn, gave hand-knit mittens, coloring books, candy canes and popcorn balls to each child.

Seniors in the West Bend area heard an informative program on Arthritis late last year at the Senior Center. The presenters were four nursing completion students. The program was well attended and benefitted the students and seniors as well.

Kettle Moraine Hospice Services has compiled a listing of books and tapes on death, dying and bereavement available at the West Bend Community Memorial Library. The list is available at the library or by calling 334-9559. The county-wide library system allows for access to the materials for all county residents.

These are just five of the thirty-four agencies that make up the United Way of

Washington County. Your contributions help the disabled, seniors, and families faced with terminal illness. What you give to United Way is still giving today. Thank you!

Weekly Health Tip

From Tom Kennelly

GO CALCIUM

Skim milk will give adults all the calcium and vitamins of whole milk, without the butterfat. If you dislike the taste of skim milk and find it watery, add a tablespoon or two of nonfat dried milk. This will make it thicker, whiter, and richer-tasting, and will boost the calcium, vitamin and protein content, with minimal increase of fat. Nonfat dried milk can be added to soups and casseroles as well.

Dr. B. C. Bendixen, a physician at Dundee, had a narrow escape from death at an early hour on Thursday morning, when fire destroyed his home. The doctor knew nothing of the fire, being rescued by neighbors. Dr. Bendixen was carried from the roof of the veranda in an unconscious condition and was confined to a bed at Hotel Maigan's all day as the result of the experience. The home which is a new one, was totally destroyed as was the furniture and all of Dr. Bendixen's clothing, drugs and fixtures. The origin of the fire remains a mystery.

On Wednesday papers were drawn whereby a real estate transaction was closed when Chas. Groeschel sold his saloon property, better known as Groeschel's Open House and the South Side Park to Adolph Backhaus of the Town of Kewaskum.

Tele-Tax: It Can Tell You When Your Refund Will Arrive!

Anxious to learn when your tax refund will arrive? Call Tele-Tax, the IRS system of automated tax information.

Refund information will be available on Tele-Tax beginning March 1. It can take up to eight weeks to process a refund. If you call about the status of your refund and if that information is not available at that time, please wait seven days before calling again. This will allow sufficient time for the computerized information to be updated.

When you call, have a copy of your tax return available because you'll need to supply the first social security number shown on your return, your filing status, and the exact dollar amount of your refund. After you give the correct information, Tele-Tax will tell you when you can expect to receive your refund.

Tele-Tax is also a great way to get general tax information. Tele-Tax has recorded tax information on nearly 150 tax topics — everything from tax assistance available to tax credits. You'll find a complete list of the Tele-Tax topics in your tax package.

To use Tele-Tax, in Milwaukee, call 273-8100. Elsewhere in Wisconsin, call toll-free 1-800-554-4477. If you're calling from a touch-tone phone, Tele-Tax refund information is available Monday through Friday from 7:00 a.m. until 11:30 p.m. If you have a rotary dial or pulse dial phone, you can call Monday through Friday from 8:00 a.m. until 4:30 p.m.

Tele-Tax: It can make waiting for your refund less taxing.

IN MEMORY

In loving memory of RICHARD HALFMANN, who passed away four years ago, March 7, 1986:

They say time heals all sorrow,
And helps us to forget.
But time so far has only proved,
How much we miss you yet.

God gave us strength to take it,
And courage to take the blow.
But what it meant to lose you,
No one will ever know.

Sadly missed by wife Joyce,
children and grandchildren.

IN MEMORY

In loving memory of FRITZ KLEINKE, who passed away seven years ago, March 7, 1983:

God saw he was getting tired
And a cure was not to be.
So He put His arms around him,
And whispered, "Come with Me."

With tearful eyes we watched
him suffer,
And saw him fade away,
Although we loved him dearly,
We could not make him stay.

Sadly missed by wife
LaVerne, children and
grandchildren.

Blue and Gold Dinner: An Annual Cub Scout Event

Cubmaster Gary Smith and Committee Chairperson Janice Oppermann receive special recognition.

Cub Scout Religious Awards were received by Mike Smith, Matt Belger, John Warnecke, Jeremy McEwen, Jeremy Clark, Jerod Weiss, Chris Ramirez and Tim Bunkelman.

Janice Oppermann receives the "History of the Kewaskum Cub Scouts" compiled by Marilyn Haug.

These are the people that keep the Kewaskum Cub Scouts going. From bottom left: Jim Schoofs, Dennis West, Mark Boden, Ed Ramirez, Robert Breitag, Terry Smith, Kathy Kallmeyer, Janice Oppermann, Doug Polzean, Karen Boerger, Janet Schneider, Debbie Prom, Gail Ramirez, Lori Gerlach, Gary Smith, Anne Martin, Jan Bunkelman, Paul Luterbach, Larry Bunkelman, John Kletti, Vic Fronck, Mike Prom, Jim Hammen, Jim Noren.

On a beautiful Sunday afternoon in February over 200 people gathered together for the annual Blue & Gold Dinner.

Cub Scouts, their parents and special guest enjoyed a luncheon and skits given by each den. The Kewaskum High School Swing Choir entertained the crowd with singing and dancing.

Special recognition was given to Cubmaster Gary Smith, Cubmaster assistant Larry Bunkelman and Committee Chairman Janice Oppermann for the years of outstanding service to the Kewaskum Cubs. Terry Smith was recognized for the fine job as Den Leader Coach.

The hard work of all the den leaders and other committee members was also acknowledged. Without all these people the Cub Scouts could not function.

Janice Oppermann accepted from Larry Bunkelman the **History of the Kewaskum Cub Scouts** compiled by the late Marilyn Haug. Marilyn was a very important part of the Cub Scouts in Kewaskum for 18 years; and in her memory Pack 3744 accepts the special keepsake which Marilyn provided.

A special thanks also goes to the management of the Amerahn for the use of their facilities for this annual event.

MPTC Offering 'Energizing Your Employees' Seminar

Anyone in business concerned with employee relations and motivation will want to attend "Energizing Your Employees: Effective Customer Relations and Motivation," offered at Moraine Park Technical College's West Bend campus.

The three-hour seminar will be held March 27 from 8:46 to 11:46 a.m. (course 196-400-004), and repeated March 29 from 6:28 to 9:28 p.m. (course 196-400-005).

Jack Broshat, Supervisors' Management instructor at Moraine Park, will lead the seminar. Participants will gain

ideas on how to supervise and motivate employees, examine various leadership styles and identify strategies to improve employee relations.

Cost for the seminar is \$20 and includes handouts and refreshments. To register by the March 23 deadline, call Moraine Park at 334-0909.

The judge gave a young, reckless driver this weather report: "Fine today, 'cooler' tomorrow."

Mounted Hawks and Owls Illegal

Most people, at sometime, have come across a dead hawk, owl, or song bird that has died of natural causes. Have you wondered if these birds could be mounted and kept?

Since the early 70's it has been a Federal law that hawks, owls, and song birds are illegal to possess. On occasion one of these birds are accidentally killed by hitting a power line, a car, or even flying into a picture window. If it does happen to you, leave the bird lay and contact me for further instructions.

Some of these birds are tagged and on display in our schools, museums, and other public institutions. This is the only exception to the law. A private citizen is not allowed to possess these birds. You may have noticed one of these birds mounted in a private residence at sometime. It could be a legal mount if it was procured before the law went into effect in the

early 70's. Most of these mounts will show their age. Taxidermists are well aware of the law and will not accept any of the birds.

Finally, why not use the birds if they die from natural causes? The best way to protect an animal is to prevent any monetary value to be associated with it. Because of the beauty of these birds the demand would be high for a mount and someone would decide to take advantage of the demand.

If you do know of a school or other public institution interested in getting some of these birds for learning purposes, have them give me a call.

One quick reminder, ice fishing shanties are to be removed daily from area lakes after March 5th.

Minutes of School Board Meeting

January 8, 1990

President Weare called the meeting to order at 7:04 p.m.

Members present: Perry Ankerson, Ruth Schmitt, John Schulte, Don Nowak, Ron Beimbom, Paul Seymour, Neal Weare.

Members absent: none.

Clerk Schmitt led the Pledge of Allegiance.

Schmitt/Nowak motion to approve the agenda with the deletion of C.16 (approval of request to purchase used van). Motion passed 7-0.

Audience to visitors; receiving of delegations: none.

Therese Rosenthal and Connie Strand gave the curriculum presentation of the month, speaking on the foreign language and elementary reading/language arts curriculum respectively.

The next Policy Committee meeting will be Monday, January 15th at 7:15 p.m. in the District Office.

The Finance-Transportation-Buildings and Grounds Committee will meet Monday, February 5, 1990 at 7:00 p.m. in the District Office.

The next Board Goals Session Workshop will take place Monday, January 22, 1990 at 7:00 p.m. in the District Office.

Mr. Weare announced that the following people have announced their candidacy for the Spring School Board Election: Ruth Schmitt, Clara Trapp, and Ron Beimbom.

Schmitt/Ankerson motion to approve the December 11, 1989 minutes. Motion passed 7-0.

Seymour/Schmitt motion to approve Policy 3293-Bank Depositories. Motion passed 7-0.

Seymour/Beimbom motion to approve the payroll and accounts payable in the amount of \$1,399,229.43. Motion passed 7-0.

Ankerson/Schmitt motion to approve a

diploma for Allison McCabe who has completed the requirements for graduation. Motion passed 7-0.

Schmitt/Nowak motion to approve Marie Ritger as Intramurals instructor at Wayne Elementary. Motion passed 7-0.

A lengthy discussion was held regarding scheduling and additional staffing at KMS for the 1990-91 school year. No action was taken.

Dr. Heather provided information to the board regarding costs to reopen Beechwood School. Discussion ensued and questions from the board and public were answered.

Discussion also took place with regard to the costs associated with holding K-3 class sizes at a maximum of 20.

Mr. Kopecky presented the 1990-91 course registration booklet for the high school.

The board discussed a letter from the Elcho School Board asking the Kewaskum School Board to support two resolutions: 1) Joint Resolution 75 which asks to remove school operations from the property tax over a 10 year period; and 2) The resolution calling for 190 contact days and 7 hours of teacher-student contact. It was the board's consensus to not support either issue.

The board directed Dr. Heather to seek additional information regarding an employee assistance program for the district.

Curriculum Coordinator, Connie Strand, informed the board of the requirements of Standards M, N, and O. She also announced that the following people will be receiving Chapter 2 mini-grants: Erv Uhlman, Peggy Henke, Carol Zoerb (2), Jane Lazarevic, Karen Larson/Kim Gutjahr, Mary Stephan and Chet Czoschke. The district has been asked to share aspects of its mini-grant program with other administrators at a CESA 6 meeting.

Dr. Heather highlighted details of a potential SERC program. Because of the board's interest more information will be obtained and discussed at a future meeting.

Seymour/Schulte motion to approve the

Kewaskum Police Department to provide a police liaison person at the high school. Motion passed 7-0.

Nowak/Schmitt motion to approve the purchase of folding chairs and carts from Valley School Suppliers for a total cost of \$2072. Motion passed 7-0.

Ankerson/Schmitt motion to approve Bray and Associates as the architect to design the roof replacement at KHS. Motion passed 6-1 with Don Nowak voting no.

Nowak/Schulte motion to approve the hiring of the following instructional aides for the remainder of the 1989-90 school year: Laurie Witz, Karen Ball, Gerda Dickman, Susan Runge, Barbara Schall, Mary Strand. Motion passed 6-1 with Mr. Ankerson voting no.

Seymour/Nowak motion to approve the candidates listed on attachment C18 for early graduation. Motion passed 7-0.

Nowak/Seymour motion to adjourn to Closed Session as per State Statute 19.85(1)(e) "Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session." Motion passed 7-0.

Trout Limit for Urban Fishing Waters Decreased to Three

MILWAUKEE, WI — The daily bag limits for trout stocked in urban fishing waters will be decreased from five to three beginning with the 1990 early spring trout stocking which will begin after ice-out, approximately April 1.

Bag limits were changed to three on all inland waters in 1985. The bag limit of five was kept on urban waters to assure that all the stocked trout were caught out before the summer months when water quality deteriorates. Surveys have shown that the fish are usually caught out in a few weeks and well before the summer months.

"This will also spread the catch out so more anglers will have a better chance to catch fish" said Roland Piening, Southeast District Fisheries Biologist.

All fishing signs on urban waters in the program will be corrected during February and March to reflect the change. The size limit will remain at nine inches.

Indian Boys Win Regular Season Finale, 65-58

KEWASKUM — Many people say that free throw shooting can mean the difference between a win and a loss. That was pretty much the case in the season finale here with New Holstein and Kewaskum.

Both teams connected on 23 field goals, but the Indians got to the line 10 more times than the visiting Huskies and that may have been the difference in Kewaskum's 65-58 victory.

Kewaskum outscored the Huskies 18-10 at the charity stripe including some big tosses down the stretch that helped hold off a late New Holstein rally and iced the game for the Indians.

The Indian's took control of the game at the outset, beating New Holstein to the punch and took a 16-8 lead after one quarter to play. Kewaskum extended their lead to 10, at 26-16, midway through the second before the Huskies got things going.

New Holstein ran off the last ten points of the half to tie the game at 26 at the intermission and definitely had the momentum going their way. The halftime break was probably the best thing that could have happened for the Indians, as the visitors were rolling.

The second half was a see-saw affair which saw both

teams having the lead on several occasions. The Huskies edged ahead 45-44 going into the final quarter.

It was there that the Indians finally took control of the game as the constant march to the free throw line helped the Indians hold on down the stretch.

Mark Felix and Steve Gerhartz led the balanced Indian offensive attack with 19 points apiece. Felix's total included nine points from the free throw line, four coming down the stretch. Gerhartz dominated the boards as well, grabbing 17 rebounds to lead both clubs in that category.

Eric Klapperich led New Holstein with 23 points, including a pair of three-pointers, as he was the only player to score in double figures for the Huskies.

Kewaskum 16 10 18 21-65
New H. 8 18 19 13-58

Kewaskum — Cook 1-0-0, Leitheiser 3-2-3; Radtke, 4-2-2, Heather 2-0-4, Gerhartz 7-5-2, Butschlick 1-0-1; Felix 5-9-4. Totals 23-18-16, FT Missed 9, 3-Pointers - Heather.

New Holstein — Schmitz 1-3-1, Meyer 1-0-1, Flora 0-0-4, Streblov 4-0-3, Savalo 3-1-3, Klapperich 8-5-1, Schneider 1-0-3, Depies 1-0-3, Gustafson 4-1-3. Totals 23-10-22, FT Missed 7, 3-Pointers - Klapperich 2.

Indian JVs, Freshmen End Seasons with Identical Losses

Kewaskum — The Kewaskum JV and freshman boys' basketball teams ended the season the same. Both came up short against New Holstein by a score of 57-42.

The J.V.'s just couldn't get things going against the taller, quicker Huskies and ended a disappointing season on a down note. Shawn "Majik" Schneider topped all Indian scorers with 16 points.

The JV's ended the season

with a 6-14 overall record, including 2-10 in the ever tough Eastern Wisconsin Conference.

The freshman were outscored 16-6 in the third quarter, turning a close game into a New Holstein victory. Adam Laatsch led the Indians with 9 points, while Jim Wichstoski chipped in 7.

The loss ended the freshman's season with a 4-13 overall record, 1-11 in the E.W.

Cedarburg Turns Back Kewaskum

CEDARBURG — Fueled by the one-two punch of Scott Murray and Rick Nisleit, the Cedarburg Turners mauled Kewaskum, 175-125, in Land O' Lakes play here Sunday night, to keep their hold on first place. Murray had 44 points to lead the Turners and Nisleit had 41. Cedarburg is now 9-1, while Kewaskum is winless at 0-10. Second-place Oconomowoc defeated Port Washington, 143-111, to remain a half game back at 8-1.

The Turners cruised from the start, leading 47-19 at the quarter and eclipsing the century mark at halftime, 101-53. It was 137-81 after three quarters before Kewaskum outscored them in the fourth quarter.

Cedarburg made 11 of 17 free throws for 64.7 percent, while Kewaskum was seven of 12 for 58.3 percent.

Steve Van Dyck and Joe Mauel each had 24 for the Turners. Tony Pirozzoli had 34 points to lead Kewaskum. Dan Pace added 23, Brian Earnest 15, and Bill Backhaus 14.

Kewaskum draws the bye this weekend. Their next game is March 11 at Port Washington, which is just above them in the standings.

Kewaskum — Backhaus, 7, 0-0, 1; Pirozzoli 15, 1-2, 6; Earnest 6, 3-5, 3; Schlenvogt 6, 0-0, 1; Burmester 4, 0-0, 2; Johnson 5, 0-1, 1; Pung 3, 3-4, 0; Pace 8, 0-0, 2. Totals 54, 7-12, 16.

BROWN DEER — A large contingent of Kewaskum fans made the journey to Brown Deer last Thursday, and the Indians' girls basketball team made sure they would make the 45 minute ride home a happy one.

The Indian girls held Waterford to less than half of their season average points and came away with a 42-31 victory over the Wolverines, and advanced to the sectional final

game against Monona Grove, with the winner there advancing to the state tournament.

Although the Indians started out slowly on offense, their defense was just superb, and that was exactly the type of game Kewaskum needed to play as Waterford entered the game scoring an average of 65 points per contest.

The Indians would put a large dent in that figure though, as a basket by Waterford's Carrie Miles at the end of the first quarter gave the Wolverines just their eighth point, to take an 8-7 lead after one period of play.

Kewaskum center Pam Osterbrink decided to take things into her own hands in the second stanza, however. The 6-1 center scored all 10 of Kewaskum's points in the quarter and propelled the Indians ahead by a score of 17-13 at intermission.

The Indians set the tone for the second half by scoring the first four points of the third quarter to open up a 21-13 lead. They didn't stop there, though, as they outplayed the Wolverines in the quarter, outscoring them 18-9, to open up a comfortable 35-22 lead heading into the final period.

In that last quarter, Waterford never got closer than eight points, as the Indians were able to control the ball and the clock, giving them their 14th victory of the year, against 10 losses, and giving their fans a chance to dream about a possible state tournament appearance.

The proposed battle of the two big girls never materialized as Osterbrink totally dominated her counterpart from Waterford, Natalie DeMichei. Osterbrink finished the game with 25 points and 18 rebounds in a superb outing, while holding DeMichei to just six points. In the game, Osterbrink became the 2nd all-time leading scorer in school history as she passed Jill Yearling on the list of all time bests.

The Indian guards, Kristi Lubahn and Debbie Rimmel also played a key role in the victory. The two seniors tallied 8 and 6 points, respectively, while slowing the tempo to a snail's pace, which fit the Indians' needs the best. Senior Tina Weddig was the only other Kewaskum player to score making a free throw.

Indian Girls End Excellent Season Just Short of State

EDGERTON — The dream came to an abrupt halt here Saturday afternoon in the championship of the Class B Edgerton Sectional.

The Kewaskum Indians dream season came to an end, but not before they gave top-rated Monona Grove all it could handle before fading late in a 56-36 loss to the Silver Eagles.

"Foul trouble and some missed easy baskets," were the downfall for the Indians, according to head coach Glenn Eichstedt, who reported that Indian center Pam Osterbrink picked up three fouls in the opening quarter, and "I had to sit her down."

Andrea Fliess replaced Osterbrink and scored two quick baskets to cut the Monona Grove lead to 9-8, but the Silver Eagles began to take advantage of the 6-1 star's absence, scoring 12 straight points to open up a 21-8 lead a couple of minutes into the second quarter.

Eichstedt really didn't have much of a choice and had to reinsert Osterbrink into the lineup, even with her foul problems. It turned out to be a good move as the Indians battled back to within 10 by halftime.

"We had a nice little run that at least got us back to within striking range," Eichstedt said Sunday, but then they became a bit frustrated when trying to

explain the opening minutes of the second half.

"We held them scoreless for five minutes early in the second half," Eichstedt went on to say. "But we couldn't take advantage of that."

That may have been the turning point in the game, as the Indians defense was doing the job while the offense wasn't. While holding their opponents to a single basket, the Indians could only come up with a pair of baskets and were unable to put a big dent in the Eagle lead.

The two teams played even the rest of the quarter, and the Indians were still within striking range to begin the final period. It was there that Kewaskum fell apart, however, as it was only able to connect on one basket in its first eight possessions of the fourth quarter.

"From there we started to foul," Eichstedt reported, and for all intent and purposes the game was over, as the Silver Eagles connected on nine fourth quarter free throws, five by star Lori Esser, who was a thorn in the Indians' side all day.

The 5-7 senior scored 27 points on the day, 13 coming via the free throw line. Just one other player, Kim Monka scored in double figures for Monona Grove. All of Monka's points came in the first half.

"We were able to lob the ball inside quite a bit," Eichstedt pointed out. "We're not going

to beat a team when we're not able to make those type of shots," he added, pointing to the shooting chart which showed the majority of the Indian attempts coming from within 10 feet.

Despite her early foul trouble, Osterbrink wound up leading the Indians with 16 points. Another Indian problem was the inability to get to the free throw line. Kewaskum had just 19 attempts from the charity stripe, making 8, while the Silver Eagles had 37 tries, making 22.

Nevertheless, the Indians finished the season 14-11, including going 4-1 in post season tournament play. Eichstedt said he wanted to issue a special thanks as well.

"The (Kewaskum) crowds have just been super," he commented. "They've been just excellent. The girls really appreciated that."

Balanced Cougar Attack Ends Indians Regional Play

Mark Felix of Kewaskum goes up for a shot during Class B Sub-Regional Tournament play at Campbellsport.

CAMPBELLSPORT — The Campbellsport Cougars used balanced scoring and a big advantage at the free throw to upend Kewaskum 81-70 in the Class B sub-regionals, thus ending the Indians' season.

The two teams had met twice this season prior to this contest with Campbellsport winning both, but in two contrasting manners. On the first meeting, Cougar Chad Abler hit a bank shot as time expired to give his team its only lead and a victory.

In the rematch, the Cougars literally dominated Kewaskum in winning by 20 en route to the Sheboygan Falls Holiday Tournament. So this probably had many people wondering exactly what type of game they'd see the third time around.

The Cougars quickly showed that their 18-2 record coming into the game was for real, as they jumped out of the blocks to take a 20-10 lead after one period of play. The Indians seemed to hurry things offensively, which resulted in missed opportunities.

The Indian woes continued as Campbellsport opened their lead to 15, 41-26, by halftime. The ineffectiveness of some of the Kewaskum starters, along with the strong play of Cougar Kevin O'Brien were major reasons for the Indian deficit.

The high-scoring Cougars continued their onslaught in the third period, outscoring the Indian 20-15, to open up a 20-point lead, at 61-41, heading into the final period of play.

Any thoughts Campbellsport might have had that the game was over were quickly erased at the start of the fourth quarter. Kewaskum scored the first ten points of the final quarter, cutting the lead in half, and making for an interesting finish.

But an Indian comeback was not to be as Dan Baumhardt and Troy Schill put on a free throw shooting clinic down the stretch, dashing the Indian faithful's hopes.

Baumhardt connected on nine free throws in the final quarter, while Schill added another five down the stretch, thus putting a premature end to the Indian season.

For the game, Campbellsport got to the line 14 more times

than Kewaskum did, and outscored the Indians 29-14 at the charity stripe.

Campbellsport's balanced scoring was also a key in the victory, as O'Brien led all scorers with 21 points, while Schill finished with 20. Baumhardt ended the night with 12 points, 10 coming at the free throw line, and Brian Leider added 10. O'Brien and Baumhardt each added a dozen rebounds to their totals, while Schill dished out 7 assists.

For the Indians, Junior Mark Felix had another good outing, scoring 17 points, 15 coming in the second half. Steve Gerhartz finished his bright career scoring 14 points and playing a nice game. Brian Leitheiser and Mark Heather also chipped in with 14 and 11 points, respectively, in their final contests.

The Indians ended the season with a 9-12 record, including 4-8 in the Eastern Wisconsin Conference.

KHS Girls Advance to Sectionals by Defeating Brown Deer in Regional Finals

SHEBOYGAN FALLS — The Kewaskum girls basketball team stayed alive in the hunt for a berth in the state tournament with a 43-26 victory over Brown Deer to capture the Sheboygan Falls Class B Regional championship.

The Indians used incredible 81 percent shooting in the second half to pull away from the 19-3 Brown Deer team after a rather sluggish first half, which saw Kewaskum leading after two quarters by just an 11-10 score.

Both teams were flat footed in the opening periods and that, coupled with some good defense, added up to just 24 shots being taken in the half, 16 by Kewaskum.

But Pam Osterbrink took charge in the opening stages of the second half, scoring a couple of quick baskets to give her team a five-point lead. Brown Deer battled back to cut it to 17-15, but Kewaskum scored the next nine points over a 3 and 1/2 minute span and led 26-17 after three quarters of play.

Brown Deer outscored the Indians 5-2 to open the final stanza, but Kewaskum countered with another run, this one of seven straight points, to boost the margin back up to 13, at 35-22.

Brown Deer, because they were behind, pressured and tried to trap the Indian guards, but time after time, Kewaskum was able to find somebody cutting to the hoop for an easy basket. The final period looked

like replay after replay as Nicole Doherty was able to shake free and score numerous layups. Doherty finished with 8 points.

Osterbrink wound up leading the Indians with an even dozen points, as well as six rebounds. Indian guard Debbie Rimmel, who has been really coming on in tournament action, also chipped in ten points.

The Indians, who improved their overall record to 13-10 advanced to the Edgerton Sectional, where they opened

against Waterford, who took care of St. Francis 69-37 in their regional.
