### Area Men Killed in Separate Weekend Accidents

## One Kewaskum Man Killed, Another Injured in Ozaukee County Crash

By GERRY MUELLER  
Statesman Staff Writer

Two Washington County men were killed in separate accidents over the weekend.

On Friday, June 22, Dennis Spaeth, 27, of West Bend, died in a two-car accident on State Highway 33, in the Town of Saukville in Ozaukee County.

According to an Ozaukee County Sheriff's Department spokesman, Spaeth was eastbound on Highway 33, when his vehicle and another car driven by Robert Wilkens, 22, of Fredonia collided near Birchwood Road, at 9:28 p.m.

Spaeth was pronounced dead at the scene by Ozaukee County Coroner John Holicek. Wilkens was transported to St. Mary's, Ozaukee, where he was treated and released.

Wilkens was charged Monday, with causing the death of another person by operation of a vehicle while under the influence of an intoxicant.

The second accident also occurred in Ozaukee County, killing Christopher A. Kirsch, 18, of Kewaskum.

The Ozaukee County Sheriff's Department release said the accident occurred Sunday

morning, at 9:01 a.m., at the intersection of Hwy. 60, and Horns Corner Road, in the Town of Cedarburg.

A department spokesman said Kirsch was headed south on Horns Corner Road when he collided with a westbound car on Hwy. 60, driven by James T. Andre, 79, of Kewaskum. According to the release, after colliding, the two cars knocked down an electric pole, with both vehicles rolling over and landing on their roofs.

Kirsch was pronounced dead at the scene by the Ozaukee County Coroner. Andre and a passenger in his car, Sarah L. Schulze, 79, of Grafton, were transported to St. Mary's Hospital, Port Washington, with multiple injuries.

No further details were released and the accident is still under investigation.

## 50th Class Reunion Held

Classmates attending pictured above, are, from left to right: Front row: Anna (Schoofs) Nigh, Claudia (Uelmen) Laubach, Kathleen (Schaefer) Kral, Lucille (Hanson) Follendorf. Middle row: Curtis Romaine, Ruth (Runte) Schlosser, Alice (Koepsel) Yogerst, John Schaeffer, Marlin Dreher. Back row: Alois Volm, Delbert Petermann, Frederick Buss, Harold Krueger, Harry Wahlen.

On Saturday evening, May 19, 1990, fourteen members of the 1940 Graduating Class of Kewaskum High School gathered at the Hon-E-Kor Country Club for a cocktail hour and family style dinner, followed by a short program and pictures.

The balance of the reunion was enjoyed at the home of Alex and Claudia Laubach, complimented with refreshments and lunch available all evening. Class pictures of the 1940's and year books were on display, and, old times were the topic of discussion.

Plans for the next reunion are pending for 1992 with a group bus tour - possibly Florida.

The class graduated with twenty four members, and, since that time five members are deceased - Bernice (Roden) Otten, Burnette (Prost) Schmidt, Edward Bunkelman, Paul Kral and Werner Hoerig.

Unable to attend were: Edward Messarich of Milwaukee, Violet (Eberle) Schmidt of Louisiana, Francis Beggan of Arkansas, Harold Prost of Arkansas and Harold Manthei of Kewaskum.

## Fair Entries Due

Have you filled out your entry form for the 1990 Washington County Junior Fair? Entry forms are due on Monday, July 2.

Call 338-4485; 644-5204, or 342-2929 Ext. 4485 to have a Fairbook and entry form sent to you.

## Kewaskum FIREWORKS Tuesday, July 3

River Hill Park will once again come alive with a light show extravaganza to delight young and old, guaranteed to send ripples of "oohs" and "Ahs" through the hillside crowd. It's the annual July 3rd fireworks display, so grab your lawnchairs and blankets and settle in for an exciting evening at the Park, brought to you by the Village of Kewaskum.

A colorful array of ground displays will accompany high-flying pyrotechnics - bursts and sprays of light and sound will silhouette the night sky. The fireworks will be set off at dusk along the west banks of the Milwaukee River, so you'll find the best view is from the hill on the other side. As always, the dedicated members of the Kewaskum Fire

Department will be on hand to supervise your explosive holiday celebration.

Plenty of food and refreshments will be available, with both stands and the park grounds opening at 5 p.m. So come early and pick out your old favorite spot, spend some time visiting with friends during the great American tradition of "Independence Day," then sit back and enjoy the show. A raindate has been scheduled for Wednesday evening, July 4th.

This is only the beginning of Kewaskum's summer celebrations. Mark your calendars for Friday, Saturday and Sunday, July 6, 7 & 8 and meet us again at River Hill Park for the festive Kewaskum Firemen-Legion picnic, with a spectacular parade leading the way at noon on Sunday.

## KHS Re-Roofing Contract Okayed

By GERRY MUELLER  
Statesman Staff Writer

At a special meeting Monday night, the Kewaskum School Board approved the awarding of a contract to the HIS Corporation of Hartford, for the re-roofing of a portion of the Kewaskum High School building, at a cost of \$55,300.

District Administrator Dr. David Heather advised the board HIS had also presented an alternate bid which included an additional \$525, to remove and close skylights in the corridor section. Heather said Buildings Superintendent Fred Boehlke was on vacation and no further information was available as to whether or not the skylight work would be done.

Heather said the HIS bid was the lowest of six, ranging from the \$55,000 to a high of \$80,000.

In other action the board accepted the resignation of Mrs. Sue Paul-Kenfield as KHS physical education and health instructor. Paul-Kenfield also served as Girls Gymnastics coach. She has decided to accept employment elsewhere.

The board approved the hiring of Ms. Renee Roels as Kewaskum Middle School art teacher.

The request of Mrs. Linda Koepf for childcare leave during the first quarter of the 1990-91 school year was also approved.

As requested by Dr. Heather, the board will hold another special meeting on Monday, July 2, to adopt a 1990-91 budget so it can be published and presented to the electors at the Annual Meeting scheduled for Monday, July 23.

The board then adjourned to closed session.

## Leave Fireworks to the Pros

Prevent Blindness-Wisconsin advises that igniting, detonating and all handling of fireworks be left to the professionals this Fourth of July.

Inexperience and mishandling of fireworks caused 1300 eye injuries last year during Fourth of July celebrations. 40% of these eye injuries caused permanent damage. Half of those injured were children.

Prevent Blindness - Wisconsin supports restrictions on the importation, sale and use of all fireworks devices, except those used in authorized public programs by competent operators.

"We advocate leaving fireworks in the hands of trained, licensed experts," states Prevent Blindness - WI Executive Director, Kathleen Boho.

"The dangers of the private use of fireworks cannot be overstated," Ms. Boho continues. "Adults and children suffer vision loss. People are injured or even killed. Thousands of fires are started due to the misuse of fireworks."

Class C devices (including firecrackers, smoke bombs, bottle rockets and sparklers) are mistaken to be of little danger. Studies cite sparklers as the

cause of over 50% of all reported injuries. Misuse of bottle rockets represent another third of all eye injuries.

"We suggest that people commemorate Independence Day by enjoying fireworks at a public display," Ms. Boho concludes. "The sight of someone you care about might depend on it."

For more information about saving sight, contact Prevent Blindness - Wisconsin at (414) 765-0505.

## Thull Selected to Outstanding Young Men of America

The Board of Advisors for the Outstanding Young Men of America awards program announced today that Gary Joseph Thull, PA, has been selected for inclusion in the 1989 edition of OUTSTANDING YOUNG MEN OF AMERICA.

Now in its 27th year, the OYMA program is designed to honor and encourage exceptional young men between the ages of 21 and 40 who have distinguished themselves in many fields of endeavor, such as service to community, professional leadership, academic achievement, business advancement, cultural accomplishments and civic and political participation. Achievements in these areas are the result of dedication, responsibility and a drive for excellence - qualities which deserve to be recognized and remembered.

The men listed, along with fellow Outstanding Young Men throughout North America, were selected after 150,000 nominations were received from political leaders, University and College officials, clergymen, business leaders, as well as from various civic groups and community organizations. Each young man will be represented by his biographical entry in this prestigious annual awards publication.

Our Board of Advisors and Editors salute all those honored as Outstanding Young Men of America. We take great pride in bringing their accomplishments to the attention of the American public.

## Reigle Named as Director Of Regal Corporate Development

Douglas Reigle

KEWASKUM, Wis. — Regal Ware, Inc. has named Douglas Reigle to the position of Director of Corporate Development. In this position he will assist with foreign sourcing activities and investigate potential acquisitions.

Since 1988 Reigle had been the Manager of Marketing Services at Club Watermasters,

Inc., a Regal direct sales subsidiary located in Tampa, Florida. He also holds a degree in Business Administration from Carroll College, Waukesha.

Regal Ware, Inc. is a major manufacturer of cookware, kitchen electrics and microwave ovenware headquartered in Kewaskum, Wisconsin.

## Merwin Elected Ag Student Council Rep at Madison

Tina Merwin, Kewaskum, has been elected Ag Student Council Representative for the Association of Women in Agriculture (AWA) at the University of Wisconsin - Madison.

Merwin, 19, is a junior majoring in poultry science in the College of Agricultural and Life Sciences.

Merwin, daughter of Maryanne Merwin, will be representing the 60 active members during her 1990-91 term.

AWA is a social and professional organization that was formed in 1973 to promote fellowship and unity among women interested in agriculture.

Besides sponsoring their own educational, service and social activities, AWA members work closely with faculty, alumnae, and other student organizations on the ag campus, providing each other with professional contacts. Together, these members work to improve themselves, the organization and the community.

AWA also provides housing for up to 20 of their members. They own and operate two houses located on campus.

Looking to the future, a goal for AWA is to build one AWA house within the next year, thus giving more members the opportunity to live together in

one house.

Common interest, unity among women, and lifelong friendships are advantages that promote the development of individuals. These benefits and many more are offered through AWA.

## Schwalbach Appointed Wisconsin's New Chief Judge Of the Third Judicial Administrative District

The new Chief Judge of the Third Judicial Administrative District for the State of Wisconsin will be the Honorable James B. Schwalbach, Circuit Court Judge, Branch 2, Washington County. The appointment, which will become effective on August 1, 1990, was announced on June 12, 1990, by Chief Justice Nathan S. Heffernan of the Wisconsin Supreme Court. The appointment is for a two-year term.

Judge Schwalbach will replace the Honorable Patrick L. Snyder, Circuit Court Judge, Branch 4, Waukesha County as chief judge. Judge Snyder, who has been the chief judge since 1984, is no longer eligible for reappointment as he is completing his third two-year term.

Schwalbach, age 50, graduated from the University of Wisconsin, Madison, in 1964, and the University of Wisconsin Law School in 1968. He was first appointed county judge for Washington County in 1977, becoming a circuit judge at the

time of court reorganization in 1978. He previously served four years as District Attorney for Washington County.

District Court Administrator James B. Thompson, when asked what the duties of Judge Schwalbach will be, noted that the chief judge is responsible for the administration of the judicial business of the circuit courts for each county within the district, including such activities as adopting local district administrative rules; coordinating judicial education and absences of judges from court; approving the appointments of court staff such as family court commissioners, circuit court commissioners, registers in probate, deputy clerks, etc.; as well as the assignment of circuit and municipal court judges and cases; and the supervision of court finances and budgets where necessary.

Thompson stated that "Chief Judge Snyder has done an outstanding job in representing the interests of the judiciary in the Third District these past six years. He has garnered the respect of his colleagues through his thoughtful, considerate, and heart-felt approach to administration. Judge Schwalbach appears to come from that same type of mold... a warm, caring and in-

telligent judge who will make that extra effort to represent the best interests of the community and court."

There are presently twenty-two circuit court judges and nineteen municipal court judges serving in the four counties of Jefferson, Ozaukee, Washington and Waukesha which constitute the Third Judicial Administrative District.

## Wagner Victorian Listed in Wisconsin's B & B Directory

The Wagner Victorian, a bed and breakfast located at 1546 Fond du Lac Avenue in Kewaskum, is listed in the new sixth edition to inns, homes and little out of the way places.

First published in 1985 as a comprehensive list of Wisconsin B&Bs, author Carol Jean Buelow has become increasingly selective over the years. She travels thousands of miles every year and has personally visited each B&B listed in her guide.

While still offering a wide range of choices that appeal to a variety of tastes and interests, the emphasis in Buelow's guide

is on the traditional B&B which is owner occupied or in which the owner is intimately involved in the day to day operation of the inn. The descriptions are informative and concise, including everything from architectural style and special amenities to smoking policies and the number of rooms with private baths.

Displaying a new look sprinkled with illustrations, the sixth edition lists 145 B&Bs in Wisconsin and just across her borders. It will be available in bookstores, at the B&Bs, and by direct mail for \$7.95.

The pupil of the eye expands as much as 45 percent when a person looks at something pleasing.

## Mueller - Hathaway

Marriage vows were exchanged on May 26, 1990 between Janet M. Mueller and James M. Hathaway at St. James Episcopal Church in West Bend. Reverend Michael Darrow officiated.

Parents of the couple are Mr. and Mrs. Jerome A. Mueller, 7747 Forest View Rd., West Bend, and Mr. and Mrs. Lee M. Hathaway, 2428 Deerfield Dr., West Bend.

The bride chose Jenny Mueller, sister of the bride, of Green Bay, as her maid of honor. Bridesmaids included Janet Muller, sister-in-law of the bride, West Bend; Jean Strobel, sister of the groom, West Allis; Leann Nitschke, sister of the groom, Marshfield; and Missy Verhunce, friend of the bride, Minneapolis. Jessica Strobel, niece of the groom, West Allis, was the flower girl.

David Hathaway, brother of the groom, Dublin, PA, was chosen as the best man. The other groomsmen included Dan Mueller, brother of the bride, West Bend; Jeff Mueller, brother of the bride, West Bend; Matt Nitschke, brother-in-law of the groom, Marshfield and Tim Smith, friend of the groom, West Bend.

Judy Lewis was organist for the ceremony and Peter Smith friend of the groom was the soloist.

Ushering duties were shared by Jeff Eisenmann, cousin of the bride, Kewaskum, and Nathan Strobel, brother-in-law of the groom, West Allis.

Lisa Hathaway, sister-in-law of the groom, Dublin, PA, was the reader for the ceremony.

The reception and dance was held at the Knights of Columbus Hall in West Bend.

The bride is a 1985 graduate of Kewaskum High School and a 1989 graduate from UW-La Crosse. She is employed at the Veteran's Affairs Medical Center in Milwaukee as a Certified Therapeutic Recreation Specialist.

Jim is a 1986 graduate of West Bend East High School. He is currently employed at

Howard Johnson Plaza Hotel in Milwaukee as the Guest Services Manager.

The couple went to Jamaica for their honeymoon and they are now residing at 2014 S. 102nd St., Apt. 216, West Allis.

### Nominate Your Most Admired Senior Citizen

Do you have a very special friend or relative who is over 62? He or she could be the most admired senior citizen in Washington County?

The Washington County Fair is accepting nominations for the **Most Admired Senior Citizen Contest**. The nominees must have reached 62 years of age by July 27. They must be a resident of Washington County.

This free event is not a popularity contest, beauty pageant or celebrity sweepstakes. It is an opportunity for older adults to receive the recognition they deserve. Winners will be selected on the basis of current activities.

Nomination forms are available at the County Fair Office, located in the Courthouse, Room 24 or call 338-4485; 644-5204 or 342-2929, Ext. 4485. Deadline for application is July 13.

## Adamski - Herriges

Lisa Adamski and Joel Herriges exchanged vows of holy matrimony on Saturday, April 7, 1990 during a 2 p.m. ceremony at Holy Trinity Church, in Kewaskum. Father Robert Berghammer was the celebrant.

Parents of the couple are Lloyd and Eileen Adamski of Germantown and Raynor and Patricia Herriges of Kewaskum.

The bride's friend Sue LaMantia of Chicago, Il. was chosen as maid of honor. Bridesmaids included the groom's sister, Jane Herriges of Milwaukee; Jacky Herriges of Kewaskum, sister-in-law of the groom, Sue Sorenson of Milwaukee and Linda Fuhrman of Appleton, both friends of the couple.

The groom chose his brother, Tom Herriges of Kewaskum, as his best man. Groomsmen were Mark Herriges of Kewaskum, the groom's brother; Scott Brendemuhl, Tom Kern and Bob Lund, all friends of the couple from Milwaukee.

Readers for the ceremony were Ann Polzean of Kewaskum, sister of the groom and Denise Pelech of Madison, the bride's cousin.

Music was provided by David and Terri Bertelson.

Ushering duties were shared by Doug Polzean of Kewaskum, brother-in-law of the groom and Mike Adamski of Germantown, the bride's brother.

A reception dinner and dance followed at the Knights of Columbus, in West Bend. The band "Street Life" entertained for the evening.

The bride is a graduate of the UWM in LaCrosse with a B.S. in Physical Therapy. She is employed as a Physical Therapist at Memorial Hospital in Menomonee Falls.

The groom graduated from UWM Milwaukee with a BBA in accounting and is a Senior Loan Analyst with Barclays Business Credit in Milwaukee.

The couple enjoyed a two week honeymoon in Hawaii and now reside in Milwaukee.

### Cedar Lake Home to Become Medicare Certified

The Cedar Lake Home has been approved as a Medicare certified facility beginning July 1, announced Steve Jaberg, administrator of the non-profit home.

Cedar Lake Home is a 415 bed home in the town of West Bend that provides residential care, rehabilitative care, skilled nursing care and specialized care for Alzheimer's and related disorders.

Medicare qualification is determined on an individual basis, Jaberg explained. Eligibility is based upon an assessment of the resident's total condition including rehabilitation potential, the need for skilled nursing services and many other criteria defined by Medicare.

"Government guidelines require residents to meet strict criteria to qualify for Medicare," shares Jaberg. "Medicare will make the decision whether individuals will qualify. It is important to understand that not all skilled nursing care residents will qualify to receive medicare benefits."

"We are pleased to begin offering this additional service to the greater Washington County community," Jaberg continued.

## Michael S. Theisen Cited by Vietnam Veterans of America

The Wisconsin State Council of Vietnam Veterans of America announced that Michael S. Theisen of West Bend has been named a recipient of the "1990 Outstanding Achievement Award." Mike served in the US Army with the 101st Airborne in Vietnam in 1969-1969. Mr. Theisen is currently employed as a Fireman/EMT with the West Bend Fire Department. He has been honored for his rescue of two children trapped in a car in the Milwaukee River. Dan has served as the Chairman of the fundraising campaign for the Firefighter efforts on behalf of the Muscular Dystrophy Assoc. for seven years. In addition to being a full time

fireman, he has found the time to complete an Associate Degree in Fire Science as well as taking advanced courses. Mr. Theisen has provided CPR training, and is cross trained for the Police SWAT team. Dan exemplifies the dedication to community and others that many Vietnam Veterans have shown. The Wisconsin State Council of Vietnam Veterans of America is proud to recognize him for his achievements.

The Wisconsin State Council of Vietnam Veterans of America initiated the Outstanding Achievement Award for Vietnam Veterans in 1987 to recognize the many contributions of Vietnam Veterans to their communities. Each year there are ten recipients of the Achievement Awards, with one of those selected as Vietnam Veteran of the Year. This year's Vietnam Veteran of the year is Mr. John Margowski of Waukesha.

## Wilhelmi Receives Trophy

Jim Wilhelmi, son of Gordon and Frances Wilhelmi, Mesa, Arizona, formerly of Kewaskum, has attended Dobson High and Mesa Vo-Tech TV Productions class during his junior and senior year.

Jim has learned how to operate television equipment for which he received three credits per year toward his graduation requirements.

During the second semester this year, Jim participated in the 1990 State Vocational

Industrial Clubs of America (VICA) Skill Olympics for which he and his partner came in third and won a bronze medal and later received the certificate for their accomplishment.

Jim also received the above trophy for operating a TV camera for Channel 34 Educational Television. He hopes to get into this line of work.

Commencement for Dobson High was held May 30, 1990.

## Extra Immunization Clinic Scheduled

An extra immunization clinic is scheduled on July 31, 1990 - 9-11 a.m. and 2-5 p.m. - by the Washington County Community Health Nursing Service. The clinic will be held at the Courthouse in Room 119.

Parents are reminded that children entering kindergarten, 6th grade, and their senior year of high school, must have received a second dose of measles-mumps-rubella (MMR) vaccine before school starts in September.

The American Academy of Pediatrics and the U.S. Public Health Service recommend a second dose of measles - mumps - rubella (MMR) vaccine for school children because some children do not build up adequate protection from the first dose. The Wisconsin immunization law was recently revised to require the second dose of MMR for children in Wisconsin schools.

Parents: Check your child's immunization record, and, if additional immunizations are needed before school starts, bring your child and his/her immunization record to the clinic on July 31, 9-11 a.m. or 2-5 p.m., Washington County Courthouse - Room 119, 432 East Washington Street, West Bend, WI 53095.

If you have any questions or need further information, call 338-4462, 644-5204 or 342-2929.

## Small Business Counseling

Appointments for counseling in Small Business Development are now being accepted by the UW-Extension Office.

Any person who would like to discuss plans for expanding or starting a new business may make arrangements to Chuck Wise, Area Small Business Agent, at the University of Wisconsin - Washington County, 400 University Drive, West Bend, on Tuesday, July 10, and Thursday, July 26.

Any business problem can be dealt with in confidentiality and at no cost to the entrepreneur. Individual appointments will be scheduled for 90-minute periods, from 9:00 a.m. to 3:30 p.m.

If interested, please call the UW-Extension Office, 335-5204 for an appointment.

## Food Dehydration Workshop Offered

Drying foods is a great way of preserving the flavorful, seasonal garden vegetables and fruits at their peak of ripeness. Drying is convenient and easy, and is a good alternative to traditional canning methods.

Drying or dehydration is a process that removes moisture from food so that microorganisms are inhibited from growing, and the process inactivates enzymes so foods quit ripening. The foods can be rehydrated or "refreshed" by soaking them later for use in a wide variety of recipes.

The process of dehydrating and refreshing will be demonstrated in a workshop offered by Washington County Extension Office. The guest instructor, Margaret Gubin of Juneau, will show how to dry foods in an oven or in a dehydrator, how to refresh foods, and how to use a wide variety of dried foods in recipes. Participants will taste prepared dishes, including soup, bread, cake, muffins and snacks. Mrs. Gubin has shared her expertise in this area for the last eight years, and has published a cookbook of tasty recipes.

The workshop will be held at the Hartford Recreation Center from 1:30 to 4:30 on Thursday, July 12, 1990. The \$4 registration fee (payable to U.W. Extension Fund) covers the cost of food samples and recipes of the foods demonstrated. Deadline for registration is Monday, July 9; registrations should be mailed to Melanie Yager, Summer Home Economist, P.O. Box 1986, West Bend, WI 53095-7986. If you have any questions contact Melanie Yager at 338-4479, 644-5208, or 342-2929.

# Sunny Skies Shine on Krazy Daze Shoppers

**COWABANGA DUDES!** Michaelangelo of Teenage Mutant Ninja Turtles fame greeted children at Sentry Foods.

Great weather finally came through for this year's annual Krazy Daze sale held last Tuesday, June 19. If the rain could have held out a few more hours, you could have almost called it perfect. But the best laid plans of mice and men have no control over the weather, as thunder-showers broke through around 9:30 to put an end to the outside merriment. Ukiah, playing at the Barrel Haus and Spid Peep at T's Lounge had to take their acts inside when the rain drops fell fast and furious.

Krazy Daze, sponsored annually by the Kewaskum Area Chamber of Commerce, featured something new this year in the form of a game called "Krazy Kash." The prizes were three gift certificates to be redeemed at local participating businesses. First prize of a \$200 gift certificate was awarded to Jerome Krief of Kewaskum; second prize of a \$100 gift certificate was awarded to Novie Krause of Kewaskum, and third prize of a \$50 gift certificate was awarded to Ann Manthei of Kewaskum.

The "Mouseketeers" helped serve the food at Behring's food stand.

Krazy Daze shoppers looked over the bargains in front of Coast to Coast Hardware and Kennelly Pharmacy.

## Appreciation Mass for Father Robert Berghammer Well Attended

Father Berghammer's Appreciation Mass was held Sunday, June 24 at 11:00 a.m. at the Kewaskum River Hill Park. Father left on Tuesday for his new assignment at St. Andrew's Parish in LeRoy.

The Mass was well attended by his Holy Trinity and St. Bridget parishioners and was followed by a pot luck dinner in the park shelter.

A very delightful and humorous program followed the dinner. Roy Swanson of Holy Trinity Parish and Pat Hanrahan of St. Bridget Parish were emcees for the program.

Guests included Father Frank Yaniak and Father George Hopf, both of Milwaukee and classmates at the seminary. Father Berghammer attended; Father Richard Fechhelm, of Ashford, a fishing buddy; Father Elroy Pesch of Mount

Calvary, who assisted at both parishes for many years; Rev. James Bettin, pastor of Peace United Church of Christ, Kewaskum, and his wife Betty; brother and sister-in-law, James and Barbara Berghammer and his aunt Veronica Laughlin of Milwaukee. His mother was unable to attend as well as Sister Phyllis Wertz, principal of Holy Trinity who had a previous commitment.

The speeches given by some of the guests related many humorous fishing tales as well as elaborating on all the achievements accomplished by the father Berghammer at both parishes the past eight years. Father received numerous gifts.

Father Tom Venne, who is coming from St. Phillip in Milwaukee, will be the new pastor at both parishes.

Father Robert Berghammer reading the beautiful outdoor Mass. The Lord gave us some of his best weather.

Parishioners from Holy Trinity and St. Bridget attended the Mass in large numbers. Members from both parishes will miss Father dearly, especially the children, with whom he had a very special rapport.

Father dispensing Communion to one of his parishioners.

Father is shown here dipping into one of the delicious potluck offerings along with his family and Father Elroy Pesch who assisted at Holy Trinity and St. Bridget for many years.

Father Berghammer, his brother James and sister-in-law Betty and Aunt Veronica. Before Mass Father told an amusing story about his brother James. It seems James has two rules when it comes to Father's sermons: first, he inserts his ear plugs and second he takes out his stop watch.

## Letters to The Editor

June 14, 1990

Dear Wisconsin Citizens:

The "Were You Counted" program provides persons or households who believe they were not included in the 1990 census an opportunity to be counted.

The "Were You Counted" campaign started June 19th and ends July 19th. There will be radio, newspaper, and T.V. announcements asking people to call our office on the toll-free assistance telephone line - 1-800-999-1990. Would you please assist us by placing the enclosed posters in a prominent place in your building?

The Oshkosh District office had one of the best mail returns in the nation (82.1% as of May 7th). What a response from our citizens! However, the rate of return has not been uniform throughout our District. This is why we are asking you to assist us in the "Were You Counted" campaign.

The benefits of an accurate count in Wisconsin are great - proper political representation and federal and state aid to name a few.

So, we encourage everyone who has not been counted to call us at 1-800-999-1990.

Thank you for your time and consideration.

Sincerely,  
**Thomas Wrchota**

#### IN MEMORY

In loving memory of LEO ROHLINGER, who passed away twelve years ago, June 30, 1978:

God saw he was getting tired  
 And a cure was not to be.  
 So He put His arms around him,  
 And whispered, "Come with Me."

With tearful eyes we watched him suffer,

And saw him fade away,  
 Although we loved him dearly,  
 We could not make him stay.  
 A golden heart stopped beating,  
 Hard working hands to rest.

God broke our hearts to prove to us,  
 He only takes the best.

Sadly missed by sons and daughter-in-laws, daughters and son-in-laws, and grandchildren.

Anabel Guenther, 12, daughter of Mr. and Mrs. Arthur (Pat) Guenther of Campbellsport died Friday, June 21, in the office of her uncle, Dr. O. F. Guenther, in that village, where she was taken for treatment for an injury she sustained shortly before 8 p.m. Thursday evening when she fell from a loading platform while at play near the stockyards, which proved fatal. The fatal accident occurred when the platform from which Anabel and some playmates had been jumping tipped and threw the child to the ground. As it tipped the platform struck the child and badly injured the front of her head, shoulder and head. Despite her injuries, Anabel arose to her feet and asked her playmates to call her

mother. Then she lost consciousness and fell again striking her head on a railroad track. She sustained a fractured skull besides her other injuries. She died without regaining consciousness. The railroad company assumed full liability for the accident because the platform had been neglected in coming loose.

"The rains came." This village is back to normal again after one of the heaviest rainfalls in history over the weekend and Monday. Considerable damage amounting to thousands of dollars was done throughout the vicinity, county and state by electrical, wind and rain storms. Property and crops were damaged. The rain began Friday night and continued almost steadily until Monday night. The three days were the wettest in the history of the county and the worst since the cloudburst and flood of 1924. Older residents say they cannot remember a time when the rain continued so long and one electrical storm followed the other continuously for two nights and a full day. The climax of the electrical storms struck the village shortly after the supper hour Saturday when a small tornado hit with severe force. The young twister raged through town from west to east. It lasted only a couple of minutes and then disappeared as suddenly as it had come. Following the three-day rain the Milwaukee River here and many creeks ran over their banks. Lowlands resembled miniature lakes. Traffic was suspended on some roads for a time. Thousands of dollars damage resulted to crops and cropland. The rains washed much good topsoil from hillsides. Stands of hay were flattened and much cut hay is

**Letters to The Editor**

June 14, 1990

Dear Wisconsin Citizens:

The "Were You Counted" program provides persons or households who believe they were not included in the 1990 census an opportunity to be counted.

The "Were You Counted" campaign started June 19th and ends July 19th. There will be radio, newspaper, and T.V. announcements asking people to call our office on the toll-free assistance telephone line - 1-800-999-1990. Would you please assist us by placing the enclosed posters in a prominent place in your building?

The Oshkosh District office had one of the best mail returns in the nation (82.1% as of May 7th). What a response from our citizens! However, the rate of return has not been uniform throughout our District. This is why we are asking you to assist us in the "Were You Counted" campaign.

The benefits of an accurate count in Wisconsin are great - proper political representation and federal and state aid to name a few.

So, we encourage everyone who has not been counted to call us at 1-800-999-1990.

Thank you for your time and consideration.

Sincerely,  
Thomas Wrchota  
Assistant Manager,  
Office Operations

**IN MEMORY**

In loving memory of LEO ROHLINGER, who passed away twelve years ago, June 30, 1978:

God saw he was getting tired  
And a cure was not to be.  
So He put His arms around him,  
And whispered, "Come with Me."

With tearful eyes we watched  
him suffer,  
And saw him fade away,  
Although we loved him dearly,  
We could not make him stay.

A golden heart stopped beating,  
Hard working hands to rest.  
God broke our hearts to prove to us,  
He only takes the best.

Sadly missed by sons and daughter-in-laws, daughters and son-in-laws, and grandchildren.

still under water. Much planted corn was drowned out and will have to be replanted.

Anabel Guenther, 12, daughter of Mr. and Mrs. Arthur (Pat) Guenther of Campbellsport died Friday, June 21, in the office of her uncle, Dr. O. F. Guenther, in that village, where she was taken for treatment for an injury she sustained shortly before 8 p.m. Thursday evening when she fell from a loading platform while at play near the stockyards, which proved fatal. The fatal accident occurred when the platform from which Anabel and some playmates had been jumping tipped and threw the child to the ground. As it tipped the platform struck the child and badly injured the front of her head, shoulder and head. Despite her injuries, Anabel arose to her feet and asked her playmates to call her

mother. Then she lost consciousness and fell again striking her head on a railroad track. She sustained a fractured skull besides her other injuries. She died without regaining consciousness. The railroad company assumed full liability for the accident because the platform had been neglected in coming loose.

"The rains came." This village is back to normal again after one of the heaviest rainfalls in history over the weekend and Monday. Considerable damage amounting to thousands of dollars was done throughout the vicinity, county and state by electrical, wind and rain storms. Property and crops were damaged. The rain began Friday night and continued almost steadily until Monday night. The three days were the wettest in the history of the county and the worst since the cloudburst and flood of 1924. Older residents say they cannot remember a time when the rain continued so long and one electrical storm followed the other continuously for two nights and a full day. The climax of the electrical storms struck the village shortly after the supper hour Saturday when a small tornado hit with severe force. The young twister raged through town from west to east. It lasted only a couple of minutes and then disappeared as suddenly as it had come. Following the three-day rain the Milwaukee River here and many creeks ran over their banks. Lowlands resembled miniature lakes. Traffic was suspended on some roads for a time. Thousands of dollars damage resulted to crops and cropland. The rains washed much good topsoil from hillsides. Stands of hay were flattened and much cut hay is

## Kewaskum Bus Drivers Score Very High in ROADEO

Kewaskum drivers accept the first place team trophy from Steve Johnson, General Manager. Pictured from left to right are Steve Johnson, Connie Shults, Bob Kirst, Laurie Heisler, Helen Schneider, John Schmidt and John Schulte.

Steve Johnson, General Manager, awards third place to John Schmidt, Kewaskum school bus driver.

The Kewaskum school bus drivers scored very high in Johnson School Bus Service's 2nd annual School Bus Driver ROADEO competition held June 9th at our West Bend headquarters. The Kewaskum Terminal won first place in the team competition, and John Schmidt of Kewaskum was awarded third place in the individual competition. John transports Kewaskum School District students and has been driving for Johnson Bus for 14 years.

The ROADEO competition consists of three parts:

A Written Test detailing school bus driving laws, policies and procedures as well as regular Wisconsin driving rules.

A Timed Bus Inspection. Contestants are allowed four minutes to do a thorough inspection of a school bus, checking for proper lights, mirrors, doors and windows, tires, wheels and exhaust system, interior condition, gauges, brakes and steering and safety equipment. Several defects have been made to the bus that drivers must be able to identify as well.

A Road Obstacle Course. Drivers must display proper driving techniques as they negotiate a road course set up with obstacles such as a railroad crossing, students to be picked up, diminishing clearance cones and curves, as well as backing exercise.

The purpose of our annual ROADEO is to promote safe driving techniques and to reinforce the importance of the school bus driver in the education process. In the past, a ROADEO competition was held on a state and national level

with many of our drivers competing, but our Wisconsin state ROADEO was discontinued in 1985. Since that time we felt that we should do something as a company for our drivers to continue focusing on safety. The drivers enjoy the ROADEO (especially the driving part) because this is their chance to test the skills that they use every day. After the competition we celebrate a good job done with a company sponsored picnic.

## 1990 Forage Analysis Superbowl

Most dairy farmers recognize the importance of producing high quality forage and the role this has with the productivity and profitability of their dairy herd.

Farmers who like a little bit of competition have an opportunity to participate in the 1990 World Forage Analysis Superbowl. The event is organized to give farmers an opportunity to compete for the production of high quality forages. The event is held in conjunction with the Annual Dairy Expo.

Producers can compete in either of two divisions. First division (Dairy) is open to forage growers with dairy production information. The second division (Commercial) is open to all growers. Additionally there will be special prizes for the highest scoring first time entrant. In the dairy division producers can enter the categories of hay and haylage. In the commercial division the only category is for hay. Entry forms and complete

information about the competition are available from County Extension Offices. Producers must complete the entry form and submit a sample of forage for testing before August 31, 1990. A number of agri-businesses have supported this project by providing prizes for winners of the various categories.

Individuals wishing more information should contact their local County Extension Office. In Washington County contact the Extension Office at 338-4477; 644-5204, 342-2929 Ext. 4477.

### Still Hiring Full-Time Employees for Project

Washington County has received a State grant award for the start-up of a Wisconsin Conservation Corps crew to work on improvements in the County Parks for one year which started April 9th. The project labor is valued at \$75,700,

according to Land Use & Park Department Administrator Paul Mueller.

The crew will be working on several construction related and park development projects in all of the parks. Projects include dismantling of abandoned buildings, construction of new trail segments, hazardous tree removal in intensive use areas, construction of new nature trail signage and fish cribs, removal of old barb wire fence lines, moving of cabins to more useful and accessible sites, handicap access projects and many more.

It has been shown that this opportunity to gain important work experience in the outdoors has been beneficial to the 18-25 year old crew members and the sponsoring agency alike.

The crew members will be State employees, compensated at minimum wage with educational scholarship and project completion bonuses at the end of one year of service.

Persons interested in more information about the program should contact the Wisconsin Conservation Corps office at 30 W. Mifflin St., Suite 406, Madison, WI 53703-2558 or call (608) 266-7730.

## Area Children Participate In Bicycle Safety Program

Sixty-eight kids attended the bicycle safety course.

Officer Seitz of the Kewaskum Police Department instructs each rider through the skill test.

Local children participated in the Bicycle Safety Program sponsored by Modern Woodmen of America on Saturday, June 9th at Kewaskum Middle School.

Bikes were mechanically inspected in such areas as brakes, chains, sprockets, and safety reflectors.

Children answered twenty questions on the written quiz for traffic safety knowledge. 68 were in attendance at the program. The skill test evaluated six maneuvers; balancing at a slow speed, braking, steering, signaling, riding in a circle, and maneuvering around obstacles.

"We were pleased with the turnout and actually amazed at the ability of the kids in the skills test," said Gayle Van Ess, Junior Woman's Club Chairman.

Participants received a Certificate of Participation, reflective decal, spoke reflector, and a safety booklet. "We hope our Bicycle Safety Program helped increase safety consciousness in this community," said Officer Tom Bauer. "We hope the fine attitudes of these young bike riders will stay with them when they graduate from handlebars to steering wheels in a few short years."

This educational program is one of six sponsored by Modern Woodmen of America, a Fraternal Life Insurance Society with their Home Office in Rock Island, Illinois.

The Bicycle Safety Program has been donated by Mr. Timothy Reis of West Bend, a local area representative of Modern Woodmen of America.

## Experimental Canada Goose Hunt Scheduled For SE Wisconsin

Hunters are reminded that an Experimental Canada Goose Hunt is scheduled for southeast Wisconsin September 4-10, according to Department of Natural Resources Wildlife Managers.

A daily bag of five and possession limit of ten has been established. Hunters interested in participating in the hunt need an Experimental Hunt application which can be obtained from any Department office. Applications must be mailed to Department of Natural Resources, Experimental Southeast Wisconsin Canada Goose Hunt, Box 7964, Madison, Wisconsin 53707, by August 3, 1990 in order to be eligible for the hunt.

Hunters must also possess a current Wisconsin hunting license and the required state and federal migratory birds stamps. Participation in this hunt will not affect participation in any zone hunt during the regular Canada goose season.

TUESDAY NIGHT  
VOLLEYBALL LEAGUE**

Gruber Tool & Die 24-0, Shefond Self Serve 15-5, Amerahn 14-6, Thelen Construction, 10-10, Barrel Haus 10-10, Ike's Repair Shop 9-15, LR Trophy 7-13, My Little Friends 5-15, Home Plate 2-22.

**Results from June 19, 1990**

At the 6:00 p.m. games the Shefond Self Servers took all four games from My Little Friends 15-7, 15-2, 15-11, and 15-8.

The 7:00 p.m. games saw Amerahn keeping pale with the Shefond Self Servers, by also taking all four games from Ike's Repair Shop 15-6, 15-10, 15-3, and 15-8.

The 8:00 p.m. games had Gruber Tool & Die continue their win streak, by sweeping four games from the Home Plate 15-2, 15-0, 15-11 and 15-5.

In the night cap, both teams split their games as rain started to fall in the last two games. L.R. Trophy won games #2 and #4 (15-3, 15-11). The Barrel Haus won games #1 and #3 (15-2 and 15-2). Thelen Construction had a bye.

## WIAA SPECIAL NEWSLETTER

# Experimental Wrestling Tournaments Being Offered to WIAA Schools

A team tournament series has been offered WIAA wrestling schools as a two-year experiment beginning with the 1991-92 school year.

The tournament will feature the 48 regional champions - 16 each in Divisions 1-2-3 (formerly Classes A-B-C) - with eight Division 1 teams and four each in Divisions 2 and 3 reaching the State Tournament.

The Board of Control at its regular summer meeting in Green Lake earlier this week by a 5-4 vote approved the plan which was initiated by the wrestling coaches and supported by the Sports Advisory Committee before the Advisory Council - meeting prior to and with the Board - recommended that it be adopted.

However, a significant issue in the discussion about providing a team tournament series in addition to the present individual format resulted in another 5-4 Board vote - to name the team tournament winners as official State champions and not to have a team dimension (champions or scoring) in the individual format. This idea (team champions only in the team tournament) is not supported by the coaches who want to have champions in both tournaments - six champions in all. The Advisory Council also favored the double-champion idea but the Sports Advisory Committee recommended that the Board declare team champions only in the team tournament.

In the team tournament format, regional champions will meet in two-team playoffs (Division 1) or four-team tournaments (Divisions 2 and 3) on the Tuesday between regional and sectional tournament activity leading to the present State (Individual) Tournament. The State (Team) Tournament will be held on the Saturday following the State (Individual) Tournament, and plans call for that tournament to take place at a site other than UW Madison, probably in the central part of the state.

The Board also in wrestling - 1. Adopted a provision - as a one-year experiment - allowing junior varsity boys to wrestle a maximum of 15 minutes at dual meets rather than the traditional single bout in recognition of many squads having limited participants for

non-varsity competition.

2. Returned to the growth allowance procedure of two pounds on December 25 and one more on February 1 to tie-in with the minimum weight project which will be voluntary in 1990-91 and mandatory in 1991-92.

In a significant move related particularly to basketball but also to hockey, the Board removed the prohibition of non-school activity in those sports (as well as wrestling) during the fall of the year. For the past three years, students in those sports were not allowed to participate in non-school competition in the fall. But because the membership last spring rebuffed the idea providing similar restrictions in other sports, the Board reasoned it is unfair to penalize only basketball, hockey and wrestling. The ban is being lifted immediately.

The Board also clarified for all sports that inter-school scrimmages may be substituted for a game/meet without regard to number of schools participating in the scrimmage. Thus, a school may give up one of its 20 basketball games and hold a four-team scrimmage, for example. Or, a school may give up one its dual wrestling meets and have a scrimmage with a half-dozen other schools. Each inter-school scrimmage, however, counts toward the season's game/meet maximum.

These junior high changes were approved:

1. Grade 9 football teams which contain some Grade 8 (and/or Grade 7) players will be permitted to play six games (up from five) which is one less than the seven which "pure" Grade 9 teams may play.

2. Pre-season practice requirements (days) will be the same as for senior high teams in

each sport.

3. Multiple-team meet maximums have been established as follows: For "pure" Grade 9 teams - four in soccer, tennis and wrestling and six in volleyball; for teams which have Grade 7 and/or 8 participants - three in soccer and tennis, four in wrestling and five in volleyball.

4. Three running events will be allowed in track & field as long as one of them is a relay.

5. Schools no longer are required to request WIAA permission to shift a sport season from the "normal" time to some other period of the year but adjusted seasons must continue to be no longer than the "normal" seasons.

The Board reorganized after its meeting with Dist. Admin. William Knapp of Greendale moving up to the presidency. Knapp, who had been vice-president, succeeds Dist. Admin. Michael Williams of Osceola who remains on the Board. Dist. Admin. Michael Healy, who had been treasurer, was elected vice-president, meaning he will become president for 1991-92. The new treasurer is Asst. Admin. Donna Thomas of Waterloo.

The other Board members are Dist. Admin. Douglas Smith of Manawa, Prin. Gary Einerson of DeForest, Prin. Chris Nelson of Randolph, School Board Representative Harriet Jelinek of Rhinelander and newly-elected Prin. Donald Pierce of DePere who succeeds Dist. Admin. Jerry Kain of Sturgeon Bay.

Because Pierce was elected to the Board, the Advisory Council had to name a new vice-president. He is Dist. Admin. Michael Cox of North Crawford. He will serve until the October meeting as vice-president, then for 1990-91 he will be president of the Council which is now headed by Prin. Robert Roloff of Baraboo.

The Board congratulated Gordon Jensen who concluded nearly a quarter-century as liaison to the Board repre-

sending the Department of Public Instruction. Jensen is retiring from his DPI position on July 1.

## Cook Pitches Indians to Victory

**TWO RIVERS** — When your starting pitcher gives up the same number of hits in seven innings that your leadoff hitter collected in the same game, a team's prospects of winning are pretty great.

Although it wasn't a blowout by any means, the Kewaskum baseball team will definitely take its 2-1 victory over Two Rivers here, last Monday.

There was no question who the stars of this contest were, on either side for that matter. For the Indians, sophomore Chad Cook threw a three-hitter and struck out eight Two Rivers batters to record his third conference victory of the year, while senior Dan Heisdorf continued to tear up the league, rapping out three hits, including the game-winner in the top of the seventh inning.

Heisdorf, along with junior Chris Donath collected five of the seven hits that the Indians got off of the Raiders' starting pitcher, Miller. Donath figured a prominent role in each of the Indians' run-scoring innings.

Miller, meanwhile, was the one-man show for the hosts, singlehandedly keeping his team in the ballgame. Miller struck out ten Indian batters, while only allowing the seven base hits. Miller also made his presence felt at the plate, slugging a solo home run for the Raiders in the bottom of the fourth, but that was the only run Two Rivers could muster off the

southpaw Cook.

The Indians got on the board first, as they tallied a single run in the top of the fourth, with everything coming after there were two outs. Senior Chris Weddig opened things up by reaching on a Raider miscue. Donath then singled to rightfield, and when the rightfielder's throw to try and cut down Weddig at third was wild, Weddig scampered home with the game's first run.

Miller socked his homer in the bottom of the inning to tie things at one, and that's the way things stayed until the seventh, as both Cook and Miller showed no signs of letting up.

The Indians finally got to Miller in the seventh, though. With one out, Donath got his second hit of the game, a single, and moved to second when Brian Leitheiser walked. Heisdorf then came through with his third hit, a single which scored Donath and put the Indians out in front 2-1.

In the bottom of the seventh, things got a bit hairy when Cook walked the first batter of the inning. But Cook quickly rectified himself as he got the next batter to ground into a double play, and then struck out the ensuing Raider to end the ballgame.

The win moved the Indians back above the .500 mark, as they improved to 8-7 overall, including 5-4 in the Eastern Wisconsin Conference.

## Indians Lose to First Place Kiel

**KIEL** — The Kewaskum baseball team had an ideal opportunity to really tighten things up in the Eastern Wisconsin Conference baseball race when it took on first-place Kiel here, last Thursday.

Things looked good for the Indians, leading the hosts 2-1 with sophomore lefty Chad Cook cruising along on the mound, pitching a four-hitter.

But things fell apart for Cook and the Indians in the bottom of the fifth, as a pair of Raider home runs in the inning was more than enough for Raider pitchers Chris Held and Mike Lepisto to work with, and the result was a 5-2 Kiel victory, dropping the Indians conference record to 6-5, while Kiel moved to 8-3.

Just as Cook had outpitched a fine Two Rivers pitcher just three days earlier, the same was done unto him by Held and Lepisto. Held gave up a pair of Indian hits in the top of the first when the Indians scored a couple of runs, but did not allow another base hit up until he was replaced by Lepisto in the fifth. Lepisto in turn held the Indians hitless the rest of the way.

In the opening inning, Chris Weddig started things off by reaching on an error with two outs. Rich Radtke followed with a single, and when the Raider outfielder misplayed the ball, it was off to the races for Weddig, who eventually scored on the play. Mark Felix then followed with a single to score Radtke, giving the Indians a 2-0 lead.

But that was the extent of the Indian offensive attack for the game, and while Cook didn't pitch badly either (seven hits), one bad inning cost him dearly.

Kiel got one run back in the bottom of the fourth. Dean Meyer got things started with a single, and he advanced to third on Craig Neils' double. Jay Binversie followed with a single, scoring Meyer and moving Neils to third. Cook survived any further damage by enticing Brian Neils to hit into an inning-ending double play, but an inning later, Cook's luck ran out.

A single and a fielder's choice left runners on first and second with two out in the fifth for the Raiders. Just when it looked as if the soph lefty would get out of the jam, the next batter, Meyer, connected for a three-run blast over the fence, giving the hosts their first lead of the game, 4-2. Neils followed and promptly delivered another Cook offering over the fence in right to extend the Kiel lead to 5-2.

Indians head coach Tom Bartelt replaced Cook with junior Ken Krause, who made his return last week after being hit in the eye with the ball on a play earlier this year, and Krause finished up, retiring all four Raiders he faced.

But the damage had already been done as far as the Indians were concerned, as they slipped back to just a game over the .500 mark, at 9-8 overall.

### ABC CLUB SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, June 19, were: Joe Butschlick 23-4-19 net; Francis Gilboy 14-1-13 net; Willy Blecher 14-2-12 net; Elroy Egerer 18-7-11 net.

## Heisdorf, Schneider Lead Indians Past Sheboygan Falls

**SHEBOYGAN FALLS** — Even though it came against a winless and last-place Sheboygan Falls team, Kewaskum's 7-2 victory here, last Tuesday night showed once again that the Indians have what it takes to win a big game.

Timely hitting and strong pitching have been the keys for Indian victories thus far this summer, and the same was the case again Tuesday.

Dan Heisdorf continued his onslaught of opposing pitchers as he went and collected another three hits, his second three-hit game in as many days, with driving in four runs to pace the Indians offensively.

Meanwhile on the mound, Shawn Schneider was strong once again, going the full seven innings while only giving up four hits. Schneider, who was rocked by West Bend East in his first start of the year, but has come back to pitch brilliantly since, struck out five and walked three.

For a while it looked as if the host Falcons might break into the win column in conference action, as Falls held a 2-1 lead after three innings.

The Indians got on the board first, as they used a Jason Krahn single, a sacrifice and Heisdorf's first hit of the game to drive in Krahn and take a 1-0 lead. But Falls quickly answered in the bottom half of the inning with a run, and then took the lead with another tally in the third.

But Schneider then bore down and didn't allow another hit the rest of the way, and with the way the Indians defense has been playing recently (one error in the past three games), it would be up to the offense to

come through against the last-place Falcons.

The offense did just that as it picked up a pair of runs in the fourth. Ken Krause and Shawn Schneider reached base with one out, and Heisdorf again came through, ripping a single, but Krause was thrown out at the plate trying to score on the play.

Bruce Waechter followed with a walk, and when Chris Weddig did likewise, Schneider came into score. A passed ball allowed Heisdorf to come across the plate, and the Indians were ahead 3-2.

After adding another run in the sixth, Heisdorf put the game away in the top of the seventh. With the bases loaded, the senior slugger ripped a triple to clear the bases and put his team out in front 7-2.

The win gave the Indians a 6-4 mark in the Eastern Wisconsin Conference, while they improved to 9-7 overall.

### HON-E-KOR LADIES ASSOCIATION

On Wednesday, June 20, Shirley O'Connor won the Day Event, "Low Net Minus Putts with a score of 15.

The Class Event was "3 Club Tournament." These winners were: Class A - Judy Moede, 54; Class B - Shirley O'Connor 56; Class C - Sue Kreiger 60; Class D - Ada Kannenberg 64.

The 18 hole winner was Judy Moede with 78. Shirley O'Connor had a chip in on #5. Bridge winners were Eleanor Marx and Corliss Fassbinder.

## Area Athletes Victorious At Badger State Games

The Kewaskum area was well represented at the Badger State Games held in Madison over the weekend.

In Saturday's wrestling competition held at the University of Wisconsin Fieldhouse, Kewaskum's Bobby Castro won a third place bronze medal in the 125.5 pound weight class.

Another Kewaskum athlete, Rich Straub a junior at UW Whitewater, made a clean sweep of his competition winning all six of his matches in the 149.5 pound Open Division (collegiate). Four of his matches came by way of pins. A fifth match was a 9-4 decision over Kevin Kopa.

Straub qualified for the finals

by defeating opponent Ken Johnson of Racine. A knee injury to Straub's last opponent gave him the match by default.

Bruce Torsion of Slinger won the heavy-weight title in the Masters Division.

Ken Schmidt of Campbellsport brought home top honors in the fifth and sixth grade divisions at 65 pounds.

Matt Oswald of West Bend took third place in the Open Division.

Chris Berglin of West Bend wrestling at 136 pounds, lost his first match, won his second and then was knocked out of competition by an injury.

Tom Williams of Slinger took two matches in the Open Division heavyweight class.
