Fire Department Budget and Rescue Costs Discussed

Village Board Begins 1991 Budget Review

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Village Board, Monday night, began the tedious, but necessary task of reviewing departmental budgets for 1991. In beginning the reviewing process, Village Administrator Dan Schmidt told the board, he anticipated little change or increases in the 1991 total budget over this year. There are no major projects, non-budgeted emergency repairs or unexpected budget items, he noted.

Monday night's discussion centered around the Fire Department's annual budget, fire contracts with the local townships and the increasing cost of maintaining a rescue squad.

Preliminary figures for the department's 1991 budget remain about the same as this year's, however, some issues brought up by the trustees could affect the final numbers.

Based on the proposed 1991 figures, Schmidt presented fire contracts for the village, Town of Kewaskum and Town of Auburn served by the department.

Using the formula which has been in place since 1981, the Village of Kewaskum's contract will cost \$57,615, down 5.4% or \$3,294 from 1990. The Town of Auburn (covered by Kewaskum) will also see a drop in its fire contract cost. The 1991 contract of \$25,147, is down .9% or \$237 from this year's contract. Both decreases are due to the drop in the number of fire calls over the last three years. The figures are used in the formula to calculate contract costs.

The Town of Kewaskum, on the other hand is going to see a dramatic increase in its fire

service costs for 1991, due in part, to a large increase in fire calls during that same three-year period. The Town of Kewaskum's bill for 1991 fire service will go up 28% or \$11,537, from \$41,265 in 1990, to \$52,802, for 1991.

Records show the village had a total of 22 calls for the period 1987-89, Town of Auburn 15, and Town of Kewaskum 35 (21 of which occurred in 1989).

Discussion of the department's budget then got around to the escalating cost of maintaining an ambulance and rescue squad and providing those services to the townships. "We receive absolutely no money from the townships for those services," said Trustee Ken Bonlender, "and it should be made clear to the townships that their fire service contracts do not include any costs for the emergency services provided to their residents." "They're getting that service for free."

Schmidt was asked if the department received any reimbursement for ambulance calls. He said only that which is billed directly to the individual receiving the service, however, that money does not completely cover the cost of a run. Nothing is billed to the townships.

Several of the trustees commented then, basically the village and its residents are picking up the tab for maintaining an ambulance service. Schmidt indicated that was correct. Bonlender told fellow trustees the only township to make any contributions to the department over the years was Scott. "It was just a token contribution, but at least it was something," he said.

Trustee Mary Krueger said then it was about time some changes were made. "It's about

time non-residents pay more for ambulance services," said Krueger.

Schmidt told the board it had several options that could be considered, dropping rescue service to everyone except for village residents, starting to charge townships for ambulance service, or dropping the rescue squad completely and contracting out to a private provider for village rescue services to its residents.

Fire Chief Robert Stoltzmann told the board the issue of funding the Rescue Squad had been discussed on numerous occasions by his department, but the members were reluctant to bring anything to the board. "I'm glad to hear the board feels the same way we do," said Stoltzmann, "I just wish you would tell that to the rest of the department." The trustees indicated they would. Schmidt said if it was the board's unanimous feeling, he would convey that message to the department when he attends their next meeting.

Loan Bid Goes To Valley Bank

Valley Bank of Kewaskum was the successful low bidder to provide \$1.4 million in short-term borrowing to the Kewaskum School District.

The district received six bids on its proposal to acquire the loan for cash flow purposes. Valley Bank was the lowest of six bidders, offering two notes of \$700,000 each one at 6.09% interest and the other at 6.13%.

Bank One of Milwaukee was high bidder at an interest rate of 6.48%.

Key Club Members Offer to Take Kids Trick or Treating

Any parents who are unable to take their children trick or treating on Sunday, Oct. 28: the High School Key Club members will be happy to take your children around the Kewaskum area.

If you wish, bring your children to the front doors of the High School and sign them in with a Key Club member at 1:55 p.m. and pick them up at 4:00 p.m. We will be happy to show your children a fun and safe time. Any questions call the High School and ask for Mrs. Strand at 626-2166.

Trick or Treat Set for Sun., Oct. 28

By GERRY MUELLER
Statesman Staff Writer

Other than budget discussions, the Kewaskum Village Board had little on its agenda Monday night.

Police Chief Richard Knoebel advised the trustees of two issues. First, that trick or treat has been set for Sunday, Oct. 28, from 2 to 4 p.m., to coincide with neighboring communities and secondly, that the enhanced 911 service for the village should be in operation by next fall.

Knoebel said he will be attending meetings beginning next week regarding 911. "We'll start talking about the locations and installation of dispatching stations and boundaries and then proceed from there."

Village Administrator Dan Schmidt advised the board that because Kewaskum's telephone system was not due for updating, the county had agreed to pick up the added cost to upgrade the village's lines so it could become part of the new 911 service. The phone company refused to absorb that cost, noted Schmidt. Because of the county's action, Kewaskum will be included in the initial changeover. Had the county not picked up the cost, the village would have been faced with that issue or been excluded from the service until its system was due for its routine upgrading.

In other business Schmidt informed the board regarding the Department of Transportation's plans to replace the Highway 45 bridge on the north side of the village and the "Buss" bridge north of the village limits.

After seeing the DOT's blueprints, Schmidt said he found an error in the design. The new bridge is narrower than expected and has no room for sidewalks as stipulated by the village.

Public Works Superintendent Augie Bilgo told the board, "the present bridge is 33 feet wide and with the new plans we're only gaining 7 feet so why even take out the bridge."

"Also, now we've got a sidewalk. We thought the new bridge would be 70 feet wide." Schmidt said he had submitted a letter to the DOT noting the discrepancies.

Schmidt said work on the bridge is scheduled for July 15, 1991, and it will be closed about 25 days during the construction. He also noted the Buss bridge is scheduled for reconstruction next summer. Work has to begin on that bridge before May 25th or wait until after August 25th, because the DOT said

construction cannot begin once the swallows start nesting. "That's the honest truth," said Schmidt.

In other action the board approved a building and remodeling permit for Ken Weddig at the residence at the corner of Highway H and 45, two bartender licenses, and increasing the rents for apartments in the village owned property on Fond du Lac Avenue.

The board also voted to move its second meeting in November back to November 26, because of deer hunting season.

Town of Kewaskum Crash Kills Hartland Man

By GERRY MUELLER
Statesman Staff Writer

An accident which claimed the life of a 52 year-old man Monday afternoon is still under investigation according to a spokesperson for the Washington County Sheriff's Department. The victim was identified as Raymond R. Falk, 52, of Hartland, Washington County's 19th traffic fatality of the year.

According to the department's release, the accident occurred at 1:55 p.m., on Highway H, approximately 2/10ths of a mile west of Oak Road, in the Town of Kewaskum.

Falk was eastbound when his vehicle crossed the centerline and struck a farm implement (haybine) being towed by a westbound truck driven by Roger W. Lueder, 39, of Cedarburg.

The Kewaskum Fire Department was called to the scene and the Jaws of Life used to extricate the man from his car. The Kewaskum Rescue Squad transported Falk to St. Joseph's Community Hospital, West Bend, where he was pronounced dead.

No other details on the incident were available.

'Operation Oasis' West Bend Red Cross Involved in Donations for Troops in the Gulf

The WEST BEND CHAPTER OF THE AMERICAN RED CROSS will be joining other Red Cross Chapters, led by the Greater Milwaukee Chapter in a project called:

"OPERATION OASIS"

Working in close cooperation with WTMJ-AM and WBKV-AM radio we will be trying to show our servicepeople that they are not forgotten by people in their home state.

Very simply, the purpose of the project is to bring some relief to our (Wisconsin) Desert Shield Troops. Sure, they get food and clothing, but do they have the current issue of Readers Digest or Deerhunting? Sure, they do maneuvers, but do they have fancy stationery or a small game? We want our personnel to continue to have HIGH MORALE. And what better way to share Wisconsin with them, than give them something from the folks back home?

On October 17, 18, 19 (Wed., Thurs., Fri.) during drivetime (6 - 9 a.m. and 3 - 6 p.m.) WTMJ will provide "teasers" to their listening audience asking them to call their local Red Cross office with the name and address or a family member of friend stationed in the Persian Gulf for "Operation Desert Shield." (West Bend Red Cross Phone Number: 414-334-5687). (These names will be treated confidentially, of course). Those servicepeople will receive personally addressed packages of donated items from the folks back home. Any remaining donations will be packaged and sent to other Troops in the Gulf.

Starting October 22nd, WTMJ & WBKV will advertise the opportunity for people to provide some "relief from boredom" by dropping off special items at designated areas on October 25th (1 day only for drop-off). Items to be requested:

- * Writing materials
- * Current issues of popular magazines
- * Ziploc bags
- * Wet Ones (packaged cleaning towelettes)
- * Lip Balm
- * Recreation items
- * Hand-held games (batteries included)

NO edibles, NO used items, NO suggestive materials.

On October 25, designated drop-off points will be staffed from 6:00 a.m. - 6:00 p.m. to receive the gifts from the public.

On October 26, arrangements will be made to have these items taken to the Greater Milwaukee Chapter for sorting and shipping to the Gulf.

DROP OFF POINTS ON OCTOBER 25th 6 a.m. - 6 p.m. will be at: West Bend Red Cross Office, 422 Meadowbrook Dr., WB; Tri-Par Station, Hwy. 33, Newburg; American Legion Hall, Fond du Lac Avenue, Kewaskum; Jackson Village Hall, Jackson.

Further information can be rec'd by calling the West Bend Chapter of the American Red Cross (414) 334-5687.

Kewaskum's '89-90 Entitlement \$7,847

More Schools, More Money Working Toward Drug-Free Schools

MADISON — State Superintendent Herbert J. Grover today reported significant progress in schools' efforts against alcohol and other drugs (AOD) as 424 of the state's 429 public school districts receive federal Drug-Free Schools and Communities Entitlements.

"We are encouraged by the level of participation in this federal program this year," Grover said. "Thirty more districts qualified for reimbursement for their 1989-90 AOD programming than in the previous year. Department staff members have worked diligently to get these entitlements and other resources to the school districts. The results will be good for the districts and are gratifying to us at the department."

The 424 districts will share \$3.5 million for 1989-90. The Department of Public Instruction distributes the funds, which are allocated by the U.S. Department of Education (ED) based on a district's student enrollment.

School Board Rescinds Action on Gymnastics Coaching Contracts

By GERRY MUELLER
Statesman Staff Writer

In a special meeting, which included a closed session, Monday night, the Kewaskum Board of Education decided to rescind its action of October 8th in which it approved the hiring of two young women as Kewaskum High School Gymnastics coach and assistant coach.

The district has been searching for someone to replace Sue Paul-Kenfield who resigned from her position as a teacher and the KHS gymnastics coach. It was feared the sport would be dropped if a replacement could not be found.

When data on the two applicants was presented, concern rose over the ages of the two individuals being considered for the positions. Board member Perry Ankerson said he did not know how he could vote against the motion but he was concerned that one

of the applicants was younger than the girls she would be coaching.

Amy Becher, a 1990 West Bend graduate, who now resides in Fond du Lac, was approved for the head coaching position, she is 18. Sara Collins, assistant coach, from rural Kewaskum, is only 15 years old. At last week's meeting, Administrator David Heather said their profile sheets and checks showed both girls to be qualified, having coached at the Northshore Gymnastics Academy in Cedarburg.

Ankerson had said then he did not question their coaching abilities but rather if another staff member would be on hand to provide guidance and assistance.

Heather declined to comment further Tuesday on the special meeting other than to state that the board had voted to rescind its action and re-advertise the positions.

Scientific Calculator Course to Be Held At Moraine Park

Scientific Calculation, an eight-week course on the use of a scientific calculator, will begin Oct. 30 at the West Bend campus of Moraine Park Technical College.

Taught by Bobbi Laine, this Tuesday evening course covers calculation skills used with the scientific style calculator. Besides elementary operations, skills involving scientific notation, formula evaluation, trigonometric ratios, powers, roots and logarithms are developed. A prerequisite of one year of high school algebra or equivalent is recommended. The course will be held from 7 - 9:45 p.m. Cost is \$41.35.

To register, call the West Bend campus of Moraine Park Technical College, 334-0909. Registration deadline is Oct. 19.

information we gather in the process," Grover said. "Seeing the data about programs that are producing results for a district enables us to share that information with districts that are looking for solutions."

The ED has increased the amounts available for 1990-91, when entitlements will total approximately \$6.3 million. Part of the increase to districts results from an additional entitlement based on the amount of funds a district receives for Chapter I programs.

Because of federal rule changes, districts must apply for the 1990-91 entitlements by August 17 this year. That application, however, will cover entitlements to funds for 1991-92 and 1992-93.

Kewaskum School District's 1989-90 entitlement was \$7,847.

Sheriff Schulteis Releases Information Sheet on Charitable Solicitations

The Washington County Sheriff's Department has prepared an informational flyer describing the most common charitable telemarketing schemes currently effecting the county.

The sheriff's department has actively monitored the activities of these solicitors for several years, and has provided information to state authorities for possible prosecution. Sheriff Robert H. Schulteis urges business owners to read the flyer before a decision to donate money is made.

Most of the solicitations involve the scale of advertising in law enforcement-oriented magazines, and include a claim that such advertising will help support programs in schools

Ken Kreif Promoted to Chief Master Sergeant

Ken Kreif was recently promoted to chief Master Sergeant. By law only 1% of the Air Force enlisted personnel can hold the rank of Chief (E-9). Normally an individual does not attain this rank with less than 22 years in services however, Kreif was selected for Chief at 16 years of service.

Chief Kreif is stationed at McConnell AFB, Kansas as the chief enlisted manager of propulsion systems. He manages the B-1B aircraft jet engines at McConnell AFB and all KC-135R aircraft jet engines in the Strategic Air Command. This involves not only the management of modifications and repairs of these weapon system engines but also the leading of airmen who perform maintenance on these engines.

The Chief is married to the former Mary Abhold whose parents are Bob and Coletta Abhold of Dotyville, Wisconsin. Mary is a 1971 graduate of Campbellsport High School. The Chief and Mary have two children Theresa and Sandy. He is a 1971 graduate of Kewaskum High School. His parents are Jerome and Fern Kreif of Kewaskum, Wisconsin.

1991 Bridge Work To Close US 45 In Village

Washington and Fond du Lac County residents who like to be prepared can start planning now for a 1991 construction project that will close US Highway 45 for 25 working days next summer.

While a box culvert is being replaced on US 45 at the north Village limits of Kewaskum, drivers will be able to use a detour that follows County Highway H to the west, County Highway W to the north and WIS 28 to the east. The project is expected to start on May 1, 1991, but the road will not be closed until after the Fireman's Picnic on July 15.

In a related portion of this project, the Milwaukee River bridge located over the west branch of the Milwaukee River at the Fond du Lac and Washington County border will also be replaced. The new structure will be located just west of the existing structure. Drivers will use the existing structure until the new one is complete.

Area Churches Join In Crop Walk '90

Twenty-eight area churches and five area service clubs have signed on to participate in Crop Walk '90 to take place Sunday, October 24.

The ten-kilometer walk, a project of Church world service will start with registration at 12:30 p.m. in St. Frances Cabrini Church Hall just off Hawthorne St. in West Bend with an opening ceremony at 12:45. The walk-run will step off at 1:00 p.m. Following the walk there will be a celebration and presentation of awards in the Cabrini Church hall.

Funds earned by walkers and runners will be used for world-wide self-help projects. 25% of the total collected will stay in Washington County. In 1989 over \$6,600 of the \$26,000 collected was kept in the county. The money went to local food pantries.

Washington County area churches committed are: St. John's Lutheran, West Bend; Faith U.C.C., Slinger; Our Savior's Lutheran, West Bend; St. Mary's Catholic, West Bend; Trinity Lutheran, West Bend; St. Frances Cabrini Catholic, West Bend; New

Hope U.C.C., Jackson; Sacred Heart Catholic, Allenton; Holy Angels Catholic, West Bend; Holy Trinity Catholic, Kewaskum; Salem U.C.C., Town of Wayne; Fifth Avenue Methodist, West Bend; St. Kilian's Catholic, Hartford; St. Luke's Lutheran, Slinger; St. Peters Catholic, Slinger; Shepherd of the Hills Lutheran, Hubertus; Hope Community Church, West Bend; Immanuel U.C.C., West Bend; Pilgrim Lutheran, West Bend; St. James Episcopal, West Bend; St. John's U.C.C., Kohlsville; Peace U.C.C., Kewaskum; Friedens - Peace U.C.C., Jackson; St. Martin's U.C.C., Filmore; St. John's ELCA, Jackson; St. John's U.C.C., Boltonville and St. John's U.C.C., Hartford.

Area service clubs planning to send delegations are: West Bend Noon and Sunrise Rotary Clubs; West Bend Noon and Early-Riser Kiwanis Clubs and the West Bend Lions' Club.

Organizations interested in joining in the 1990 Crop Walk against hunger are asked to call Wendy Coulter at 338-5656, West Bend or Garry Forston 629-4141 who are area enrollment co-persons. Also that may contact Barbara Woog, 334-3000 Crop Walk '90 coordinator.

Schuster - Schneider

Cynthia I. Schuster and Timothy C. Schneider were united in marriage on Saturday, September 15, 1990, during a 1:30 p.m. ceremony at Immanuel Lutheran Church in the Town of Scott. The Reverend William Robinson officiated.

Parents of the couples are Mr. and Mrs. James Schuster of Beechwood, and Mr. and Mrs. Manville Schneider Jr., Beechwood.

The bride chose her sister, Jenny Schuster of Beechwood

as her maid of honor. Bridesmaids included Jenny Schneider of Beechwood, sister of the groom; Brenda Vetter, Tracy Krahn, and Nicole Vetter, all friends from Beechwood; Angie Herriges of West Bend and Holly Hoeft of Cascade, also friends of the bride.

The groom's brother, Scott Schneider of Beechwood, served as best man. Grooms-men were friends Jim Horning, Jack Aupperle, Jerry Vetter, Mark Ringwell and Heath Heise of Beechwood, and Terry Ringwell.

Ushering duties were shared by Jay Boegel and Mike Heberer, both of Kewaskum.

Music was provided by organist Althea Kempf and soloist Julie Wenzlaff.

A reception and dance followed at Hilltop Hall, Batavia.

The bride is a 1987 graduate of Kewaskum High School and is employed as a bookkeeper at Valley Bank.

The groom is a 1986 graduate of Kewaskum High School, and works as a guard at Kettle Moraine Correctional Institute.

The couple enjoyed a honeymoon trip to the Upper Peninsula in Michigan.

They now make their home at N1481W Hwy. A, Kewaskum.

Doreen K. Jacobs, Town of Wayne, and Thomas C. Clarkson, Dana Point, Calif. Wedding Sept. 29.

Arritola -McFadden

In a sunlit ceremony at Kewaskum's Riverhill Park, Dachia Fawn Arritola and Paul David McFadden were married on August 11, 1990 at 11:00 a.m.

The bride's parents are Larry and Marlene Arritola of rural Hartford. She chose her sister, Shannon Kaehny and Paul's

sister Shannon McFadden for her attendants. The groom is the son of Pat and Margaret McFadden of Kewaskum. He chose Gary P. Dettl, his godfather, and his brother Pat as his attendants.

A picnic lunch followed the ceremony in the park, accented by music provided by disc jockey John Hazelwood. Out-of-town guests included the bride's grandmother from Indiana, the groom's grandfather and sundry aunts, uncles, and cousins from throughout Wisconsin, and his cousin from Omaha.

The bride is a graduate of Hartford Union High School and The Professional Theatre School of UW-Milwaukee. The groom is a graduate of Kewaskum High School and attended Ripon College, UWWC, and is completing his education in Winter Park, Florida, where they plan to make their home.

UWWC College Preview Workshop

High school juniors and seniors considering college are encouraged to register now for UWWC's fall College Preview Workshops. The Workshop dates are Friday, Oct. 26 and Friday, Nov. 9.

The two-hour programs begin at 10 a.m. and include short workshops on how to get involved in student activities, faculty expectations, how to choose the right college for you, options available for majors, and a questions and answer period with UWWC students serving as panelists.

The workshops are sponsored by the Student Service's Office. The workshops are limited to 50 people so those interested should sign up early to reserve a place. For reservations and information call 335-5201.

Offering Active Parenting Course

Again this year the Kewaskum School District will be offering Active Parenting a six week course that is aimed at helping people become better parents. It teaches a method of parenting and problem solving that will enable parents to more effectively prepare their children to meet life's challenges.

Topics include: The Active Parent, Understanding Your Child, Instilling Courage, Developing Responsibility, Winning Cooperation, and the Democratic Family in Action.

The course is free and is open to the parents with children of any age. The first session will be Thursday, November 1, 1990 from 6:30 to 8:30 p.m. at the High School Library. It will meet for six consecutive weeks, except for Thanksgiving. You can pre-register by calling the District Office at 626-8427 or you may register the first night of class.

dison Town Hall, Village of Allenton; Kewaskum, Kewaskum High School, north entrance, and Jackson, Jackson Fire Department, S. Jackson Dr.

Eligibility is based on the current monthly gross income (before taxes) of all household members with the following limits: Household size 1, income limit \$785; 2. \$1,053; 3. \$1,320; 4. \$1,588; 5. \$1,855; 6. \$2,123; 7. \$2,390; 8. \$2,658; 9. \$2,925; 10. \$3,193.

For more information, the public may phone 338-4610.

Home delivery is available for Elderly and Handicapped if there is no one in the household who can get to a distribution site. To make arrangements, call the distribution site in your area. West Bend residents please call 338-4610.

Although no income verification information is required, a self declaration form must be signed by the recipient and is subject to state audit. You may also be asked to provide proof of residency.

This program is being coordinated by the Washington County Department of Social Services, and handled locally by various volunteer workers in each community.

Evans, Kirchner, Boesch Attend Realtor Convention

Milwaukee - Sandra Evans, Bev Kirchner and Pam Boesch of the Washington Board of Realtors attended the Wisconsin Realtors Association 79th Annual Convention in

Milwaukee recently, along with approximately 1,200 other Realtors. Evans, Kirchner and Boesch are all associated with Coldwell Banker/Spectrum Real Estate in West Bend.

"The Convention gave Realtors from throughout the state a chance to see the latest innovations in real estate technology and served as a forum for a wide variety of educational programs," Evans said.

The Convention was also a celebration of another tremendous sales year for the Wisconsin housing market. Evans said that home sales during the first and second quarters of 1990 set a record.

The Wisconsin Realtors Association represents over 10,500 members who are actively involved in all facets of the real estate industry.

West Bend Dance Club Opens New Season

In September the West Bend Dance Club opened its new season of monthly dinners-dances. The first dance, held at the Mayville Golf Club, was attended by 50 couples.

The Dance Club has been in existence for over 30 years. Originally members hired bands and danced in school gyms, serving a lunch at the end of the evening, but now a committee hires orchestras and makes reservations at supper clubs where dance floors are available.

The October dance is scheduled at Frank's on the Lake, 649 Kettle Moraine Drive, Campbellsport, on Oct. 20. After dinner at 7:00 p.m., Jiggs and Co. will provide music from 7:30 till 11:30 for members' dancing.

The Dance Club welcomes new couples at any time during the dance season, until May. If you like ballroom dancing to live music, and would like more information about the West Bend Dance Club, please call Gordy or Betty Covill (338-8830) Don or Edith Koerble (533-4770), or Egon or Monika Clauer (629-2573).

Other locations for future dances include Barth's Linden Inn, Slinger, the West Bend Country Club, and Smith Brothers, Port Washington.

Free SMV Emblems

The Kewaskum FFA is giving out two free SMV emblems to any farmer in the Kewaskum School District in need of these signs.

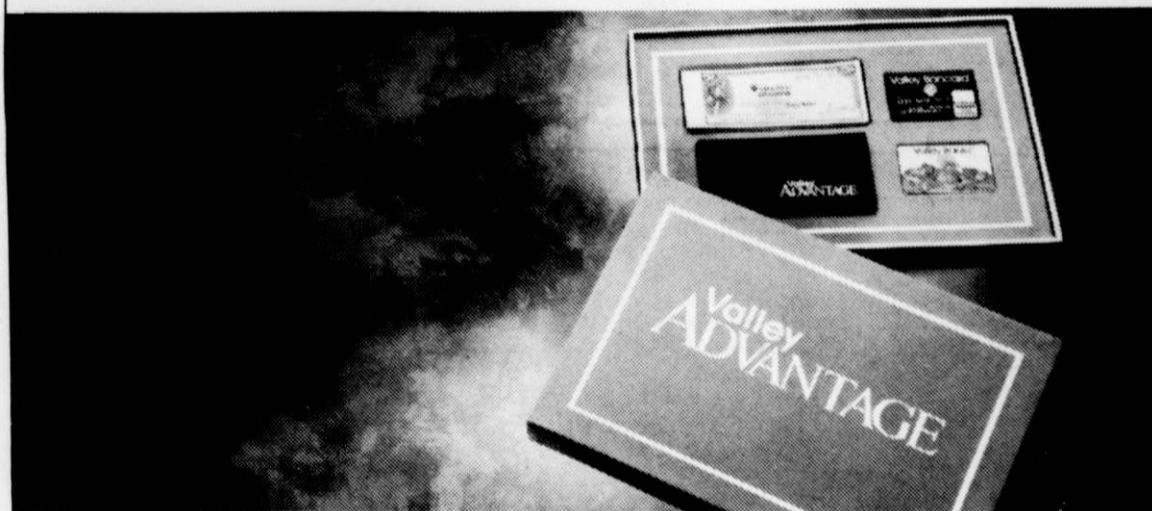

The FFA members feel this is an important issue because it is harvest season and there are many farmers on the road with their equipment. The members appropriate \$500.00 for this cause as part of the Chapter Safety Program.

Interested farmers should contact any of the safety committee members listed below or call the High School 626-2166 and leave your name and phone number. Signs will be given out on a first call basis.

Tim Herman - Wayne area 629-9665; Jim VanBeek - St. Kilian area 626-4168; Brian Butzlaff - Kewaskum area 626-4386; John Hupfer - West Bend area 338-1483; Jenny Degnitz - Fillmore area 692-2376; Rick Kreif - New Fane area 626-2972.

Learn How to Build a Float

If you have had the desire to put a float in a parade and have opted not to because you didn't know where to start, this is an opportunity for you.

In an effort to encourage business, organizations, and individuals to participate in the West Bend Christmas Parade, the West Bend Area Chamber of Commerce is sponsoring a float-building seminar. The seminar will address general supplies that may be applied to the construction of a float, how to equip a float with amplified

sound, and how to illuminate a float. Suggestions for pulling or motorizing a float and manipulating a float in a parade will also be addressed.

There are many methods that can be used to transform an idea for a float into reality. In many cases, it isn't as difficult as it may seem. You are invited to attend the seminar on Saturday, October 20, from 1:00 - 3:00 p.m., in the Chamber Conference Room on the second floor of the Centrum Building, 120 N. Main Street. The seminar is free of charge but reservations are requested. Call the Chamber office, 338-2666, for more information.

**Bob Kuether
Orchestra at
Benefit Gala**

Bob Kuether

"Hawaiian Get-Away" is the theme of the 17th Annual Benefit Gala at Cedar Ridge Retirement Campus. This festive event will take place Saturday, Oct. 27 from 8:00 p.m. to midnight. For your dancing and listening pleasure, the popular Bob Kuether Orchestra will provide the feature entertainment. The Benefit Gala is sponsored by the William Koehl Auxiliary of the Cedar Campuses.

Cedar Ridge will be turned into a tropical paradise with all four levels of the support facility being utilized for this event. A continuous buffet of hot hor d'oeuvres will be the special attraction on the top floor. A tempting array of desserts, finger food, snacks and beverages will be served throughout the evening in various areas.

One of the many highlights of the evening will be the door prize drawing for two tickets to the Hawaiian Dinner Show at the Fireside Theatre.

Proceeds from the \$10-per-person passes will be used to furnish the Ice Cream Parlor in the newly renovated Fellowship House on the Cedar Lake Home Campus.

The public is cordially invited to attend this annual event. Cedar Ridge Retirement Campus is located at 113 Cedar Ridge Drive, West Bend.

BATTLESHIP WISCONSIN ANSWERS THE CALL
ABOARD USS WISCONSIN, PERSIAN GULF (NNS) — Nothing demonstrates America's commitment to her friends and allies and her steadfastness against a potential aggressor like the ominous silhouette of a battleship on the horizon.

The battleship USS Wisconsin (BB 64) demonstrated the far-reaching capabilities of speed, endurance and maritime presence of the battleships through an 8,500 nautical mile transit from her homeport in Norfolk, Va. to the Persian Gulf. Two weeks after leaving Norfolk Aug. 7, after a sustained 25 knot crossing of the Atlantic Ocean and Mediterranean Sea, the heavily-armored battleship steamed through the Strait of Hormuz into the Persian Gulf, 100 percent ready to support operation Desert Shield.

The range, endurance, survivability and massive strike capability make the modernized

battleships unequaled among today's surface warfare ships. No other combatant can steam as far or as fast and have such an instantaneous effect on arrival.

The very presence of Tomahawk cruise missiles, battle-tested Harpoon missiles and the largest heavy caliber guns in the world, serves to increase allied mission flexibility while forcing any potential aggressor to reevaluate priorities. In the words of Commanding Officer Capt. Jerry Blesch, "when we steam around and come on your doorstep, you answer the door."

The battleship's hull design, combined with armor plating more than 17 inches thick in some places, make them virtually impregnable bastions against mines and air-to-surface missiles. They were built tough, to survive a hit and return it ten-fold. A CNN-TV media pool feed reported that Navy officials said the Iraqi air-launched Exocet missile, the same

missile that struck the USS Stark in 1987, would "bounce-off" the Wisconsin's hull.

On station in the Persian Gulf, Wisconsin is preparing to provide naval gunfire support to U.S. Marines upon their arrival

in the region. Wisconsin's presence in the Gulf and her ability for sustained operations there send a clear message of security to the multinational force and an equally clear warning to Saddam Hussein.

Rustic Roads Guide Available for Hassle-Free Motoring

Remember the olden days of the leisurely Sunday drive? Those slow-paced, scenic roads are still around, many of them preserved through Wisconsin's Rustic Road program.

What's more, they're going to be at their absolute peak of fall color and beauty in a couple or three weeks, according to the State Department of

Transportation. Wisconsin's Rustic Roads system was created by the state Legislature in 1974 to preserve the state's scenic, lightly-traveled country roads for the leisurely enjoyment of bikers, hikers and motorists.

Currently there are 59 segments of rustic roads located in 34 counties ranging in length from 1.5 to 26 miles. The scenery is as diverse as the state, itself. Many roads pass through dense northern forests where waterfowl and wildlife

abound. Others traverse open farmlands offering pleasant agricultural vistas.

Some of the roads are gravel surfaced, but most are paved. The maximum speed on any rustic road is 45 mph. Some rustic roads are curved, others hilly...but all offer an opportunity to shun today's busy turnpikes and step backwards into the leisurely pace of yesterday.

Rustic Roads are marked by brown and yellow signs with a one-to-three digit number

Kewaskum Gave a Party... And Almost Everybody Came!

Mother Nature, dressed in brilliant colors of red, gold, orange and green, showed her dominance for Kewaskum's Kettle Kountry Kolors this past weekend.

True to most weekends throughout the summer, sunny skies would not prevail for the two-day event. The "old girl" let the sun shine on Kettle Kountry Kolors most of the day on Saturday, but on Sunday, she showed us she has a mind of her own. No amount of prayer or coaxing could convince her to let the sun come back out until mid-afternoon. "Mom Nature" showered festival goers with rain for almost the whole morning on Sunday.

Perhaps it was Father Tom Venne's prayers or the large amount of people congregated for the Polka Mass held in the shelter that finally got the raindrops to quit around noon.

The many people who came to Riverhill Park were well rewarded with lots of things to do and see. There was excellent musical entertainment from the Bear Creek Band offering super country and western music on Sunday, as well as toe-tapping polka music from the Buchel/Klass Orchestra on Saturday. Buchel/Klass also were in charge of the music for the Polka Mass.

People were treated to a multitude of delicious food offerings, many who sold out early. There was also a wide and varied array of crafters with their wares for sale for early Christmas shoppers.

Karen Hartman, who was sponsored by Sentry Foods of Kewaskum, captured the interest of young and old alike, with her presentations on Indian Lore, customs and intricate face painting.

If you did not make it to the festival, you missed an excellent reenactment of Union/Confederate skirmishes along the Milwaukee River, put on by Cushing's Battery and the Second Wisconsin Volunteer Infantry Regiment of West Bend and others. There was also authentic army campsites, complete with Civil War cannon that was fired every hour, and a mountain men's encampment, sprouting beautiful white teepees along the river, set up by the Buckskinners. Each group put on demonstrations with detailed and informative explanations of what was taking place so spectators felt they were part of the activities.

There were many participation events, contests and activities for children and adults... bed races, car rally, pumpkin decorating contest, pretzel eating, blindfold pudding eating, t-shirt painting, bingo and so much more. So, if you let the weather scare you away, you missed a fun weekend. Now you'll have to wait until next year to see what you missed!

Officer John Thorn, left, and Officer Tom Bauer, right, of the Kewaskum Police Department, welcoming MacGruff, the Crime Dog. Besides patrolling the park, MacGruff and the officers, manned the auxiliary police van and handed out baseball cards, junior police badges, maps, information and held a drawing for a stuffed MacGruff dog.

Jane Korth, Kettle Kountry Committee-person, waves hello from the "Kettle Kountry Cruiser." Many miles were put on the cruiser over the course of the weekend. (And many blisters on the feet were saved. You only had to struggle up the hill once, before you learned not to volunteer to go on the other side again... right Buffy?)

Karen Hartman, the Dream Catcher Lady, applies her artistic touch to the cheek of Rainey Callaway, Campbellsport. Besides doing intricate face painting, Karen shared her knowledge of the Native American culture, and helped young and old alike make friendship bracelets. Karen was sponsored by Sentry Foods of Kewaskum.

(Even In the Rain)

The above photo shows the finished product of State Fair Cheese Carving Champion David Scheifel of Madison. If you look closely you will see that each one of the feathers at the top of the Indian headdress is carved in the shape of the state of Wisconsin. The intricacy of David's carving is not done justice by the photo. You had to be there to see how delicately David wielded his knife. The cheese was donated by Farmers Union, Guy Engelhardt Trucking, Sentry Foods and Kettle Moraine Insurance Agency. (Jim Korth tried valiantly to be the second best cheese carver in the state, but his entry sort of fell apart).

Kewaskum Statesman Photos

More photos and winners next week

Bob Beisbier, far right, keeps a watchful eye over the humongous summer sausage made especially for Kettle Kountry Kolors by Kewaskum Frozen Foods. The huge loaf of delicious homemade bread was made and donated by Kettle Moraine Bakery of Campbellsport. Festival-goers had the opportunity to win \$500 by guessing the weight of the large sausage. Bob has reported they had over 800 entries in the contest. Winner will be announced in next week's paper. (Ann, will you please give the balloon back to your little boy!)

Emcee for the two-day Kettle Kountry Kolors Festival was committee-man Lee Kempf of LK Heating and Air Conditioning. Lee also did most of the color for the bed races, with the help of Tom Larsen. (Lee, you are definitely in the wrong line of work my friend. You should either spend the rest of your days helping organize festivals or doing the play-by-play on all major sporting events.)

The Family Flyers, sponsored by Family Hair Salon, were speeding down the bed racetrack on Parkview Drive, and ended up capturing the checkered flag to win the bed race championship. The super-modified, single-passenger, wrought iron four-wheeler, was designed by head mechanic Dick Laubach. (It is rumored that Dick has been offered a huge sum of money to bring his talents to the Indy 500 this year, but turned it down so he can devote his time to next year's bed!) Second place winner in the popular bed races was the Regal Roadsters and third place went to the Barrel Haus Devils.

QUICK MOM, I NEED SOME SODA! My Little Friends also sponsored a Pretzel Eating Contest for the kids (and Big Wheel Races). After a few pretzels, the little mouths seemed to be going in slow motion.

OPEN WIDE! AIM FOR MY MOUTH, NOT MY SHOULDER! Many area children took part in the Blindfold Pudding Eating Contest sponsored by My Little Friends Day Care Center. The Pudding Eating Contest drew a large crowd of spectators who roared with laughter at the site of the kids trying to find each other's mouth. Not an easy task when you're blindfolded. (Thank goodness for the garbage bags, because it looked like most of the pudding was worn, rather than eaten.)

Jim Korth of Hon-E-Kor Country Club, left, awards the free 1991 membership certificate to Dick Wietor, who won the championship playoffs of the golfers who hit the green in the Hon-E-Kor Hole-In-One Contest. No one managed to hit an ace, but some came pretty close. Keep smiling, Jim, they have lots of time to practice for next year. (It probably would have helped alot if the hole on the green would have been big enough for a golf ball to fall into!)

Dear Editor,

As a participant in the First Kettle Kountry Kolors, we would like to congratulate and thank the Kewaskum Chamber of Commerce on the excellent job of putting together a wonderful celebration of Fall.

We would also like to thank ALL members of the Kewaskum Women's Club for their fine co-operation in baking and working for this event. Without the full co-operation we would not have succeeded as we did! A big thank you to all. We look forward to next year.

Construction Crew Takes Little League Championship

1990 Little League is now history, but it was an exciting fun filled season with Bunkelman's Construction Crew hammering the season with no loses. 2nd Place was colored by Gavin's Painting Panthers with 7 wins and 1 loss. 3rd Place was the thirsty Amerahn Dukes 6 wins 2 losses. Every year more 9-12 year olds have had the fun of

competing against others. There was excellent coaching by all teams, and parent and community support has all played an important part. Throughout the season everyone's efforts and accomplishments were rewarded with the JC's hosting a party for all players and their families. Plenty of hot dogs, juice, beer, popcorn and

popcicles were enjoyed by all. All players this season received a medallion for their efforts while the 12 year olds received a nice trophy by the JC's.

Special thanks to all the coaches, individuals and businesses, parents and children alike who helped make this season a success. Watch for newspaper items for next years sign up in spring. Anyone interested in either JC programs and/or joining our organization can contact Kathy at 626-2073 or any present member. Every organization needs new ideas - we are no exception, so share with us yours and see it become a reality. Our next program will be selling cream puffs and cookies at Kettle Kountry Kolors.

FRANCES ESSER

Funeral services for Frances M. Esser, 80, formerly of Campbellsport, were held Saturday at 10:30 a.m., from the Twohig Funeral Home, in Campbellsport and at 11 a.m. at St. Matthew's Catholic Church.

The Revs. Michael Moran, and Walter Morgan officiated. Burial took place at the parish cemetery.

Friends and relatives called Friday from 4 to 9 p.m. at the funeral home, where a parish vigil began at 8 p.m.

Mrs. Esser died Tuesday, Oct. 9, 1990, at St. Francis Home in Fond du Lac.

She was born July 23, 1910 in Ashford, the daughter of Frank and Mae McEvoy Reimer. On May 7, 1928, she married Frank E. Esser at St. Mary's Church in Lomira. He died Dec. 30, 1969.

Mrs. Esser and her husband owned and operated a blacksmith shop in Lomira until 1937, when they moved to Campbellsport and farmed along County Trunk W. She was employed as a nurse's aide at St. Joseph's Convent in Campbellsport. She was a member of St. Matthew's Catholic Church, its Christian Mothers' Society and the American Legion Auxiliary Brown-Bell Post.

Survivors include two sons, Roy and his wife Dorothy of Kewaskum, and Norman and his wife Loretta of West Bend; three daughters, Sister Jeanette Esser, S.S.F. of Johnsbury, Ill., Carol Murphy and her husband James of Eden, and Jane Gurno and her husband Edward of Fond du Lac; six grandchildren; three great-grandchildren; two brothers, Gene Reimer of Manitowoc and George and his wife Katherine of Menomonee Falls; and three sisters, Katie Kleinhans of Campbellsport, Genny Schwartz and her husband Clarence of Lomira, and Helen Pruko of Milwaukee.

She was preceded in death by one brother and one grandson.

NICK JOSEPH

Nick Joseph, 73, of 1115 E. Brownell Ave., Tomah, died Monday, Oct. 8, 1990, at his residence.

He was born Nov. 3, 1916, at Fond du Lac, a son of Daniel and Ida Abraham Joseph. On Dec. 30, 1971, he married Joy B. Edinger at Chicago.

Mr. Joseph was a world traveler, adventurer, ambulance driver, free lance writer, salesman and fighter pilot. He traveled the South Pacific, Japan, China, Spain, Africa, Germany, Australia and New Zealand. During his travels he was a free lance writer for a number of magazines. At one time he was a salesman for Service Motors of Fond du Lac. In the late 1930s, he drove ambulances in Spain during the later years of the Spanish Civil War. When the Germans invaded France, he went to France to set up the American Volunteer Ambulance Corps.

Prior to World War II, he smuggled U.S. dollars into Nazi Germany to help get the Jews out of the country.

In 1940, he joined the Royal English Air Force and flew Spitfires in Europe. He later transferred to the Royal Canadian Air Force where he taught flying and instrument flying until 1945.

Following the war he spent a brief time working for the U.S. State Department and then went to work for Trans World Airlines teaching instrument flying.

Mr. Joseph's "exploits" during World War II were documented in the book titled, "Yankee Fighter," written by John Hasey.

Mr. Joseph's "exploits" during World War II were documented in the book title, "Yankee Fighter," written by

John Hasey.

He was employed in automotive management and sales on the East Coast and in the Midwest until his retirement in 1976 due to illness.

Survivors include his wife; one son, Philip A. Joseph of Vienna, Va.; one stepdaughter, Kathy Kurke Davis and her husband Rich of Alexandria, Va.; one stepson, David Kurke and his wife Kathleen of Fairfax, Va.; two sisters, Alice Nicholas of Fond du Lac and Rachel Dornbrook of Campbellsport; along with several nieces and nephews. He was preceded in death by his parents and one brother.

Funeral services were held Thursday at 8 p.m. at Uecker-Witt Funeral Home. The Rev. Jan M. Kieliszewski officiated. Inurnment of the cremains took place at Memorial Park, Falls Church, Va.

Friends called Thursday from 4 to 8 p.m. at Uecker-Witt Funeral Home.

CARD OF THANKS

To the relatives and friends of my husband Karl Schultz who expressed their concern and sympathy in any way:

Although this note says

"Thank You"

In just this simple way.

There's special meaning in

these words

To all of you today;

For the thoughts that prompt

this message

Are especially warm and true

And "Thank You" doesn't half

express

My gratitude to you.

Special thanks to Pastor

Edwin Fredrich and Miller's

Funeral Home.

Lorraine M. Haendel, nee Blohm, of West Bend, died Wednesday, Oct. 3, 1990, at St. Joseph's Community Hospital, West Bend, at the age of 69.

She was born Nov. 15, 1920, in Mayville, and after her marriage to Carl J. Haendel in Mayville on May 1, 1948, they settled in West Bend where she lived up to the time of her death.

Her husband passed away April 22, 1975.

Survivors include five children, David (Mary) of West Bend, Thomas (Elaine) of St. Cloud, Judith (Bob Theusch) Homuth of West Bend, Richard (Judy) of Campbellsport and Steven (Dede) of West Bend; 12 grandchildren; a close companion, Jerome Boden of West Bend; a brother, Ralph (June) of Marinette, and other relatives and friends.

Funeral services were held Friday, Oct. 5, at 8 p.m. at the Schmidt Funeral Home, West Bend, with Rev. James Strupp officiating. Burial was in Union Cemetery, West Bend.

Visitation at the funeral home was Friday from 4 p.m. until the time of services.

IN MEMORY

In memory of BRENDA OELHAFEN, who passed away five years ago, October 23, 1985:

I promised I would never let
The little boy forget
Just how much you loved him
Though he didn't know you yet.
Just last week I gave him
A toy that you had made.
His smile was sad
When he told his dad
"This is something my
Godmother made."

Five years have come and gone
But we'll forget you never.
You're always here in our
hearts
And your smile will live forever.

We love you and miss you!
Debbie, Jeff & P.J.

IN MEMORY

In memory of BRENDA OELHAFEN, who passed away five years ago, October 23, 1985:

**FROM THE CLASS OF 1988
'TO BRENDA''**

Yesterday, as I went walking -
on a trail through the woods.
I thought of you.

As I looked at the multitude -
of colors upon the trees,
I thought of you.

The bright reds reminded me -
of the color of your hair.

It also made me think about -
the ways in which you cared.

The sparkly golds made me
think -

Of the sparkle in your voice.
I thought of how you sang -
and how you rejoiced.

The true green color -
of the trueness of your love.
I'm sure that now -
you're watching from above.

I came across a bird -
soaring so high, so free.

I knew it must have been you -
but only God holds that key.

That walk taught me a lesson -
a lesson I keep in my heart.

It reminds me never to forget
you -

Even though we're apart.

Bridget McKenna

IN MEMORY

In loving memory of
MICHAEL STERN, who passed
away seven years ago, Oct. 18,
1983:

They say time heals all sorrow,
And helps us to forget,
But time so far has only proved,
How much we miss you yet.

God gave us strength to take it,
And courage to take the blow,
But what it meant to lose you,
No one will ever know.

Sadly missed and loved by

IN MEMORY

In memory of ROSEMARIE AMERLING who passed away October 18, 1989:

Though her smile is gone
And hands we cannot touch,
Still we have so many memories
Of one we loved so much;

Her memory is our keepsake
With which we'll never part,
God has her in His keeping
We have her in our hearts.

Sadly missed by the family.

Asking why he was re-reading
the Bible so avidly, the 100 year
old man replied, "I'm
cramming for finals."

Fire which started in the furnace room in the basement of the Mrs. Henry Driessel home on the corner of Main and West Water Streets in the village Thursday morning of this week had gotten a good start and caused damage close to \$100 before the blaze was extinguished by the Kewaskum Fire Department. The fire was discovered by Mrs. Al Runte, whose family occupies the upper flat in the home. She smelled smoke and heard a crackling sound from the burning timbers in the basement. The rooms above the basement had just been repapered and decorated. When firemen arrived the

Minutes of School Board Meeting

September 10, 1990

President Weare called the meeting to order at 7:00 p.m.

Members present: Perry Ankerson, Ruth Schmitt, Neal Weare, Paul Seymour, Ron Beimbom, Janet Wolfenberg.

John Schulte arrived at 7:04 p.m. Clerk Schmitt led the Pledge of Allegiance.

Schmitt/Wolfenberg motion to approve the agenda with one addition. V.I.D. 5 is to read: Discussion and action concerning class counts and enrollment and preliminary approval of instructional aides. Motion passed 6-0-1 with John Schulte abstaining.

Audience to visitors; receiving of delegations: Dr. Heather thanked the board for providing the resources and materials which enabled the district to get the 1990-91 school year off to a good start.

Perry Ankerson informed the board that he was not able to attend several board meetings during the summer months due to a personal conflict. He asked about the prospects of employing a gymnastics coach for the 1990-91 school year. Dr. Heather replied that great efforts are being taken to find one.

John Schulte questioned the new immunization law. Dr. Heather explained that a second dose of MMR is required for students in Kindergarten, 6th grade and 12th grade. This requirement was announced throughout the summer months and students have 30 days to comply. Free clinics have been held and continue to operate in local counties.

Schmitt/Seymour motion to approve the August 13, 1990 minutes. Motion passed 6-0-1 with Perry Ankerson abstaining.

The next meeting date set for the Policy-Legislation-Bylaw Committee is September 11, 1990 at 7:00 p.m. in the District Office.

Seymour/Schmitt motion to approve the purchase of 64 desks for KHS from Beckley Cardy at \$72.50 per desk for a total of \$4627.70. Motion passed 7-0.

Seymour/Schmitt motion to purchase a bleacher tractor from Imholte Company for \$2760. Motion passed 7-0.

Seymour/Schmitt motion to purchase 54 lockers for KMS from Lyon Company for \$5138.10. Motion passed 6-1 with Ron Beimbom voting no.

Seymour/Schmitt motion to release payment for a water heater which needed to be replaced at KMS. The cost is \$1430

and it was installed by Albiero Plumbing. Motion passed 7-0.

Seymour/Schmitt motion to purchase screens for the windows at KES from Slesar Glass for \$2790. Motion passed 7-0.

Seymour/Schulte motion to authorize Albiero Plumbing to replace condensate lines at KHS, place bypass valves on several water lines at KHS and KES, and repair several steam traps for a cost of \$4822. Motion passed 7-0.

Finance Chairperson Paul Seymour informed the board that the committee had discussed the possibility of removing the overhead power lines at Farmington and using buried cable instead. However, because the power company did not indicate that it was unsafe, no action will be taken at this time.

Seymour/Schmitt motion to add a street light at the southeast corner of the high school. The power company will put up another light at the approximate cost of \$120 per year. Motion passed 7-0.

The next meeting date of the Finance-Transportation-Buildings and Grounds Committee will be October 1, 1990 at 7:00 p.m. in the District Office.

There will be a Board Workshop Session Monday, September 24, 1990 at 7:00 p.m. in the District Office. Topics will include Trends in Special Education - Mr. Zarling as well as board self-evaluation.

The Human Growth and Development Committee will meet September 18, 1990 at 4:00 p.m. at KHS, room 110.

Schmitt/Seymour motion to approve the payroll and accounts payable in the amount of \$2,816,916.92. Motion passed 7-0.

Ankerson/Schmitt motion to accept the resignation of Carol Zoerb. Motion passed 7-0.

Seymour/Schulte motion to withdraw the contract offer to Leonard Matoush. Motion passed 7-0.

Ankerson/Schmitt motion to approve the appointment of Robin Foerster as middle school teacher for one year. Motion passed 7-0.

Ankerson/Beimbom motion to approve the hiring of up to five instructional aides at up to 50 percent time to be placed as the administration sees the need. Motion passed 6-1 with Paul Seymour voting no.

Schmitt/Beimbom motion to approve John Nell as district health coordinator. Motion passed 7-0.

Schulte/Seymour motion to approve the following support personnel for 1990-91: Susan Runge, instructional aide at KES; Mary Strand, instructional aide at KES; John Borland, WES custodian; Gale Shekirke, KHS part-time janitor; Brad Homuth, KMS janitor. Motion passed 7-0.

Schmitt/Wolfenberg motion to hire Ellen Kesting as the limited term replacement for Linda Koepp at FES. Motion passed 7-0.

Curriculum Coordinator, Connie Strand displayed the new reading and language arts materials and answered questions from the board about the new series.

Schmitt/Wolfenberg motion to increase sub pay to \$53. Motion passed 6-2 with Paul Seymour and Ron Beimbom voting no.

Schmitt/Wolfenberg motion to adjourn. Motion passed 7-0. The meeting adjourned at 8:10 p.m.

MEETING OF WAYNE TOWN BOARD CHANGED TO OCT. 24

KEWASKUM SCHOOL DISTRICT
KEWASKUM, WISCONSIN
PROJECT NO. 1608
DOCUMENTS DATED: AUGUST 7, 1990**

You are invited to bid on the remodeling to the Kewaskum Elementary School for Kewaskum School District, Kewaskum, Wisconsin.

The work consists of anchoring of existing plaster ceilings and new suspended grid and tile ceilings to include new lighting and heating/ventilating modifications. The project includes general construction, heating and ventilating, and electrical work.

Lump sum bids will be received as follows:

GC-1 General Construction

The Kewaskum School District, the Owner, will receive bids until 2:00 p.m. on Thursday, November 1, 1990, in the Kewaskum Schools Administration Office located at 1450 School Street, Kewaskum, Wisconsin 53040. Bids received after this time will not be accepted.

Proposals shall be prepared in accordance with contract documents prepared by Bray Associates - Architects, Inc., 2203 S. Memorial Place, P.O. Box 955, Sheboygan, Wisconsin 53082.

Contract documents, including drawings, specifications, etc., are on file for examination at the following place:

Bray Associates - Architects, Inc., 2203 S. Memorial Place, Sheboygan, WI 53082

Copies of the above documents may be obtained at the office of the Architect and in accordance with the Instructions to Bidders upon depositing the sum of \$25.00 for each set of documents. The check, made payable to the Architect, will be returned upon return of the bidding documents. Other non-cash security approved methods also accepted. Plans will be mailed upon request; however, a separate non-refundable check in the amount of \$10.00 to cover shipping costs will be required. Make check payable to the Architect.

A certified check, a cashier's check or a bid bond payable to the Owner in an amount not less than 5% of the maximum bid shall accompany each bid as a guarantee that if the bid is accepted, the Bidder will execute and file the proposed contract and bond within ten days after the award of contract.

Drawings and project manuals will be available October 15, 1990.

Mr. David Heather, District Administrator
Kewaskum School District

Talking with Preteens About Sexuality

The Adolescent Pregnancy Prevention and Services Board announces the availability of a new brochure entitled "Talking With Preteens About Sexuality."

The purpose of the brochure is to encourage parents of 9 to 12 year olds to talk about sexuality with their children. Most parents are uneasy or don't know how to talk about sexuality. This brochure explains why it's not easy to talk, why it's important to talk, and offers suggestions for parents to help them talk with their preteens.

For a free copy of the brochure write to the Adolescent Pregnancy Prevention and Services Board at 16 North Carroll Street, Suite 720, Madison, Wisconsin 53702.

JV Volleyball Team Finishes 8-4

KEWASKUM — The Kewaskum JV volleyball team finished the year with a pair of wins last week to end the year with an 8-4 record in the Eastern Wisconsin Conference.

On Tuesday, the JV's came from behind to down Two Rivers at home 13-15, 15-4, 15-9. JV coach Mary Holfeltz credited Rachelle Krahn, Julie Wagner and Erin Fleiss for their good serving, and added that "Kelly Krahn did a good job setting."

On Thursday, the Indians closed out the season with another come from behind win. The Indians once again dropped the first game 13-15, but then rebounded to win the match 13-15, 15-4, 16-14.

"Robin Winninghoff had aggressive net play," Holfeltz said regarding the match. "Erin Fleiss served nine straight points," while "Rachelle Krahn served six straight points. Everyone played well."

The Indian freshman, meanwhile, finished off their season, although not quite as successfully. The frosh remained winless on the year, as they dropped a 5-15, 1-15, 2-15 decision to Two Rivers. Frosh coach Lucy Fredgen cited the play of Ginger Wiesner and Tricia Butschlick in the loss.

Indians Finish Regular Season, 5-7

KEWASKUM — The Kewaskum volleyball team capped off a somewhat disappointing regular season going 1-1 last week, losing to Two Rivers at home on Tuesday, then traveling to Chilton to down the Tigers on Thursday.

Against the Raiders, the Indians were just unable to get on track early, and as has been the case quite often this season, they missed a lot of serves.

Twelve missed serves in the three games led to the Two Rivers victory. The Raiders won the first two games 15-9, 15-12, before the Indians came back to capture the third game 15-5. With the win in the third game, the Indians were able to sustain their goal of not losing three games to one team in a night.

Tracey Steinert played a nice game, as she had seven aces in ten serving attempts. Steinert also added three spike kills for a team leading 10 points. Senior Tisha Stradtman once again led the team in both serves and saves, collecting seven and three, respectively.

1992 Wisconsin State Parks Sticker Design Contest Opens

MADISON, WI — High school seniors are again invited to enter the state park admission sticker design contest sponsored by the Department of Natural Resources' Bureau of Parks and Recreation, said Pamela Birschbach, DNR contest coordinator.

"The contest has worked successfully for the past four years, providing the department with very professional-looking vehicle windshield stickers," Birschbach said. "The contest affords young artists an opportunity to apply their skills and talents."

The design contest is open to any 12th grade student attending public or private schools, or equivalent in Wisconsin. The winning artist will be awarded a \$500 post-high school scholarship and plaque. Second and third place plaques will also be presented, and seven entries will be awarded honorable mention designation.

The winning sticker design will be displayed on more than 150,000 vehicles across the state. Entries are due March 1, 1991 with the announcement of the winner to be made during March.

The winning entry for 1991 was submitted by Bryon Hamann of Green Bay Preble High School. It featured a design of three stylized trilliums. The 1990 winning design showed a pair of ducks on a lake with a setting sun in

the background, and the 1989 design depicted a butterfly.

"The design must be the artist's own original creation and not copied or duplicated from previously published art, including photographs," Birschbach said. "Artists are limited to four colors, with black and white each counting as a color."

The contest is co-sponsored by Laacke and Joys Company, a Milwaukee sporting goods retailer, and the Milwaukee Sentinel Sports Show along with the Department of Natural Resources. Awards will be presented at the Milwaukee Sentinel Sports Show and at the high schools. Children of DNR employees, judges and sponsors are not eligible.

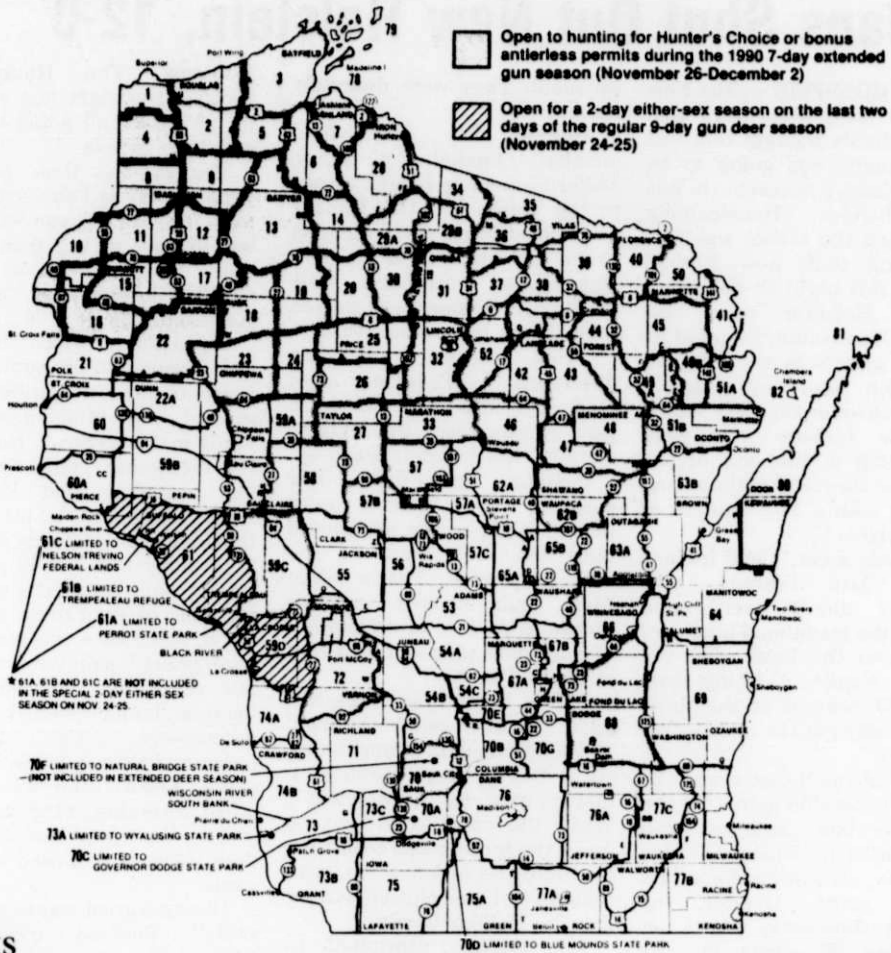

To receive contest entry information, write to: Wisconsin Parks and Forest Sticker Design Contest, Bureau of Parks and Recreation, P.O. Box 7921, Madison, WI 53707.

Indians Shut Out New Holstein, 12-0

NEW HOLSTEIN — The New Holstein football players and fans probably thought that last Friday night was going to be quite a festive occasion. It was the Huskies Homecoming game, and the school was also dedicating their new football field on this night as well.

New Holstein was also playing Kewaskum, losers of its last 30 games in the Eastern Wisconsin Conference, dating back to October 25, 1985. But it was the Indians who were celebrating at the end of the game, as they ended their long drought with a 12-0 shutout of the Huskies.

"It feels great," said Indians coach Clark Pearson, who probably didn't even mind getting the traditional bucket of water over the head after the game, despite it being only about 30 degrees at the time. "We finally got the monkey off our back."

The Indians defense was the difference in this game, as the defensive line came up with eight sacks of Husky QB Joe Williams, accounting for a loss of 64 yards. Overall, the Huskies came away with a net of minus 32 yards on the ground.

"The defensive line played just super," Pearson said. "The whole defensive unit played

excellent. They were definitely the key."

Another key was field position. Fueled by Jamie Miller's opening kickoff return to the Husky 49, the Indians average starting field position in the first half was at the New Holstein 45 yard line. New Holstein, meanwhile, started their drives from their own 26.

"That makes a big difference," Pearson said, obviously from experience in past games when the Indians were in New Holstein's shoes.

Despite the fine field position, the Indians were unable to get on the scoreboard until the 6:10 mark of the second quarter. That's when Mark Felix hooked up with Shawn Schneider in a beautiful 15 yard pass play in the corner of the end zone.

"Felix threw just a perfect pass," Pearson said of the play, which occurred on a fourth-and-six. "We've been working on that play a lot in practice." While the extra point was no good, the Indians still took a 6-0 lead into the locker room, with thoughts of the elusive victory dancing in their heads.

The Indians continued to dominate defensively in the second half, as they forced a couple of interceptions while consistently putting pressure on

Williams. The Husky QB finished the night just 5 of 17, for 53 yards, all going to tight end Matt Savola.

The Indians then put the game away, as Felix scrambled for a 10-yard TD run with 7:38 left to play in the game. The score was set up by Chad Cook's interception at the Kewaskum 38.

Kewaskum, which finished the season 1-5 in conference, finished with 184 yards on the ground, with Miller getting 83 yards in 10 carries. "He had a real nice game... did a real good job overall," said Pearson. Felix also did a nice job, finishing with 45 yards rushing to go along with 8 of 12 passing for 52 yards. Schneider was the recipient of 39 of those yards.

"It was just a real excellent team effort," said Pearson, who in particular praised the linemen, both of offensively and defensively. The Indians outgained New Holstein in total yards, 248-27, and were thus much deserving of the standing ovation that they received from their fans at the end of the game.

"It was a great way to end the year," Pearson concluded. "Hopefully, it will be a springboard for us into next season."

Kewaskum JV Football 1990

The JV Football Squad had a good season with a record of 5-2, 4-2 in conference. Starting slowly, but working hard, they became a team by their third game and kept improving. Coaches Perry Koth, Dave Rohde and Mike Morell found a lot of talent among these young athletes. A stand-out defense consisted of:

Linebackers — Todd Muckerheide, Mark Morell, Andy Reichert, Chris Schmidt.

Lineman — Chris Geidel, Keith Herman, Jason Judnik, Tom Keehn, Kevin Kohn.

Defensive Backs — Chad Bindrich, Jim Marx, Jim Rix, Jason Steir, Kevin Stern.

Defensive Ends — Aaron Rettler, Mike Quinlan.

Safety — Brad Riekoff, Chuck Roos.

The Offense consisted of:

Quarterback — Scott Donath.

Center — Brian Bruendel

Wingbacks — Pat McFadden, Brad Weinreich.

Full back — Dan Schulteis, Running Back.

Matt Schlosser

Kicker & Punter — Brad Weinreich.

Offensive Line — Aaron Rettler, Chris Geidel, Keith Herman, Todd Muckerheide, Mark Morell, Chris Schmidt.

Their season began with a forfeit from Horicon who had no JV squad. Then a stinging defeat from Sheboygan Falls. The team lost the next week to Plymouth, looking better than the week before, but still not exhibiting that needed teamwork. The following week the Indians had another forfeit from Chilton, who couldn't field a team.

Kiel was next, and what a difference two weeks can make. In the first three minutes the Indians put 16 points on the board when Donath hit McFadden twice with on-the-mark passes. Later Schlosser ran for 6 with a 2-point conversion. Schulteis added 6 more in the second half. The defense held Kiel until the second half, allowing only 8 points. Final score 38-8. The Indians had their first legitimate victory.

Two Rivers was the opponent the next week. (Whenever I I make that drive, I mentally salute the WIAA with an appropriate raspberry for setting up a conference in which opponents are a two-hour drive apart). The JV's were on a roll. A touchdown by Weinreich in the first half, and another by Schulteis in the second gave Kewaskum a 12-6 win. The defense had an outstanding game, holding a much bigger offense to only 6 points. Twice they made goal line stands that denied Two Rivers' scores.

The final game against New Holstein was for the hometown crowd, who loved them. It was a running game with Weinreich showing his speed on several great runs resulting in scores. In fact the Offense was so lightning quick in their execution that the Defense spent a lot more time on the field. However, their time was well spent — Muckerheide, Morell, Schmidt, Herman, Rettler, Rix and Schulteis really intimidated New Holsteins Offense. Final Score 32-6.

A member of the team who

had no playing time this year because of a pre-season injury, but was on the sidelines at every game cheering and dispensing water is Bill Rochon.

It has been a great season for the fans who made it to all the games, home and away. Sometimes we even outnumbered the hometown fans. We are looking forward to watching these boys next year. WAY TO GO, JV's!

Youth Flag Football Season

In the fifth week of the KAC youth flag football league season, the Redskins and Packers both won setting up a battle for first place in the last week of the season.

The first game saw the Lions Club Packers come from behind to beat the Regal Ware Raiders 25-20. The Packers scored first as Dan Survis threw scoring passes of 1 yd. to Ryan Radtke and 19 yds. to Ryan Theusch for a 12-0 lead. The Raiders came back with a Kevin Dobke to Sam Schmidt 9 yd. pass with Dobke adding the extra point. Dobke also scored on a 3 yd. run giving the Raiders a 13-12 halftime lead.

The second half started with Survis scoring on a one yard run and also adding the extra point giving the Packers a 19-13 lead. The Raiders came back with a 10 yd. Dobke run and a Dobke to Schmidt pass for the extra point giving the Raiders a 20-19 lead. The Packers came right back on a seven yard Aaron Kurth run to give the Packers a tough 25-20 victory over the continually improving Raiders.

In the second game the Amerahn Redskins beat the Gruber Tool Bears 26-6. The first half saw Jason Liegl score on a 24 yard run for the Redskins with a Tim Strigenz to Joe Rettler pass for the extra point making the score 7-0. A Strigenz to Ryan Herman eight yard pass made the score 13-0, Redskins, at halftime.

The second half started with David Horner intercepting a pass and returning it 35 yards for a touchdown for the Bears making the score 13-6. The Redskins finished up the scoring with David Gosa scoring on runs of 12 yards and eight yards and a Strigenz to Rettler pass adding an extra point making the final score 26-6.

The games of the final week of the season have the Redskins against the Packers at 1:00 p.m. with the Bears against the Raiders at 2 p.m.

Indian JV, Freshman Football Teams End Successful Seasons

Kewaskum — While the Kewaskum varsity football team has been struggling in the Eastern Wisconsin conference this season, the Indian junior varsity and freshman football teams recently concluded one of their most successful seasons in recent memory.

The JV squad completed their season last week with a 32-6 thumping of New Holstein, thus finishing the year with a 3-2 record, including a last minute 12-6 victory over Two Rivers. It was the second straight year that the JV team beat the Raiders.

The JV squad was led by the backfield of running backs Matt Schlosser, Dan Schulties, Jim Rix and quarterback Scott Donath, who consistently rolled up big numbers with the Indians running game. Schlosser and Schulties, along with Aaron Rettler were the catalysts of the tough Indians defense as well.

Those five players along with other JV leaders such as Brad Weinreich and Todd Muckerheide will definitely push the returning members of the varsity squad for starting spots next year, thus providing hope that the long losing streak that was recently snapped by the varsity will be long forgotten.

The Indian freshman, meanwhile, finished their season with a 3-2-1 record, which was highlighted by a 30-12 romp over perennial powerhouse Two Rivers. It is believed that this was the first time in history that a Kewaskum freshman football team has beaten the ever-tough Raiders. In the frosh's final game of the year, the Indians led 14-0 in the first quarter, but could not hold on as New Holstein came back to win

16-14. For the season, the freshman squad was led by talented running back Beau Coulter. Coulter handled the majority of the team's running game, averaging over 100 yards per contest. Coulter's best game was against Kiel when he rushed for over 100 yards and piled up four touchdowns in the process.

"He had a very good season," Frosh coach Jim Westphal said of Coulter. "He's just a very good running back...very talented." Coulter finished the year with 11 touchdowns, most coming on long runs.

The freshman offense was led by quarterback Jason Gaffke, who also had a very fine year. Gaffke showed very good arm strength for a freshman, according to Westphal.

"He threw the ball real well," Westphal said of Gaffke. "Most freshman teams don't have much of a passing game, but we could pass because we had him. He did a fine job."

While Westphal would not go as far as to say that some of the freshman would challenge for varsity spots next fall, he did say that the kids should be proud of what they have accomplished.

"Having never played tackle football (at a competitive level), they came a long way, ..made great strides," Westphal said. "We weren't all that big," but "it was one of the more successful teams as far as wins and losses that I can remember."
