## Christmas Parade Here Dec. 2

By Sharon Callaway Roznik  
Statesman Staff Writer

"Here comes Santa Claus, here comes Santa Claus," right down Main Street in Kewaskum on Sunday evening, December 2, as friends and family gather for good cheer and a glimpse of the jolly old man himself at the second annual "Christmas in Kewaskum" parade.

Your hosts for the evening are the festive members of the Kewaskum Area Chamber of Commerce. Holiday surprises include over 30 parade entries, five musical marching units, glittering floats, costumed characters to delight the children, along with traditional religious themes to remind us of the "real meaning of Christmas." Student and community organizations, and local businesses are returning for the second year to participate in the parade.

Cash prizes for entries will be awarded by the Chamber and generous donors. First, second, and third prizes, plus three honorable mentions will be selected by a panel of seven judges - a difficult task considering last year's imaginative floats!

The parade committee consists of Gladys Seefeldt, Don Sedgewick, Randy Gust, Mark Vechart, Jane Korth, Lana Kuehl and Lori Roecker. Larry Martin and Lee Kempf will aid in lining up the entries. The

## United Way Total Climbs

An additional \$9,000 in pledges and gifts brings the United Way of Washington County's fund drive to 98.1% of its \$685,000 goal, officials announced on November 15.

"The campaign is currently at \$671,742 or 98.1%, with more money and pledges arriving daily." So said campaign chairman John Dedrick. "The response by donors and our campaign volunteers continues to impress me."

The \$685,000 goal represents an 11% increase over the 1989 goal. "We reached high and it looks like we'll make it," said Dedrick. The Kewaskum Division is at 85% of its \$35,000 goal.

There's still time to make a difference to benefit one in four county residents. Send your gift to: United Way, P.O. Box 304, West Bend, WI 53095.

Funds will be used for programs and services of 30 United Way agencies in 1991.

Kewaskum High School Band, KMS Band, Jiggs & Co., Girl and Boy Scouts, Legion Color Guard, WBWI's Bob Bonenfant, WTKM, Church Choirs, and Bert and Ernie, are among the many who have already agreed to join our procession of community spirit.

Lineup for the parade will originate behind the Kewaskum firehouse (north side only) and the Valley Bank parking lot at 5:15 p.m. The parade is scheduled to begin at 6.

The route will follow Fond du Lac Ave., turn east on Main Street, north on Park View, and finally west on First Street where it will arrive at its' final destination in front of the Municipal Building. Everyone is united to attend the annual AAL (Aid Association for Lutherans) Tree Lighting Ceremony immediately following the parade.

Winners of the parade entries will be announced at the end of this event.

Leading the ceremony in song will be the choirs of Kewaskum's churches, including St. Lucas Lutheran Church, Holy Trinity Catholic Church, and Peace United Church of Christ, accompanied by the KHS band and swing choir. Don't miss this moving event.

All businesses and residence along the parade route are invited to help "light up" the evening with their own Christmas decorations, and join in the fun.

We ask all spectators to remain on the sidewalks during the parade for safety reasons. No candy will be thrown from the floats. Santa Elves will be handing out goodies to the children.

Donations towards this community event will be greatly appreciated, and can be mailed

## Breakfast with Santa Dec. 8

The Kewaskum FHS-HERO club is sponsoring a "Breakfast with Santa" on Saturday, December 8 at 9:00 a.m. in the Kewaskum High School cafeteria. Breakfast consists of scrambled eggs, sausages, donuts, orange juice, coffee and milk.

Santa will be there to give a gift to each child and to hear their Christmas list. Frosty the Snowman and the Kewaskum High Swing Choir will make appearances. Advanced tickets only! Tickets go on sale at \$3.00 each at the high school office.

to the Kewaskum Area Chamber of Commerce, P.O. Box 300, Kewaskum, WI 53040. Decorated canisters are also located at several local businesses.

Come into town early and enjoy a special KEYS Christmas Concert, featuring the Moraine Chorus at 3 p.m. in the high school. All proceeds benefit the KEY Scholarship fund. All tickets are \$2, and are available at Miller's Furniture in Kewaskum and the high school.

Please join us as spectators or participants in welcoming Christmas in Kewaskum. For more information contact Gladys at 626-2898 or Lana at 626-2626.

## WB Red Cross Disaster Training Course Nov. 28

The West Bend Red Cross is looking for disaster volunteers, and has scheduled a Disaster Training Course for Wednesday, November 28 from 6:30 to 9:30 p.m. at the Red Cross office at 422 Meadowbrook Drive.

The training is an introduction to disaster. Following the introduction, volunteers will have a chance to decide what part of the disaster program they would like to work with, whether it be mass feeding, first aid, damage assessment, etc.

Please call the Red Cross office (334-5687) if you are interested in attending this meeting.

## Preschool to Be Held at KHS

The child development classes of Kewaskum High School will be conducting their semi-annual preschool from December 11-20, 10:15 - 11:40.

The preschool is under the direction of Mrs. Carol Martin and is taught by the Juniors and seniors in the child development classes. The preschoolers will have the opportunity to participate in storytime, music, art, and other creative activities during the eight day session.

Parents with 3, 4, or 5 year olds should call the high school office at 626-2166 for information or to register their child. Registration will be taken on a first call basis.

## Dan Rodenkirch Named to New UDIA Board of Directors

ROSEMONT, Ill., Nov. 13, 1990 - As part of its 20th annual meeting activity in September, the United Dairy Industry Association (UDIA) Board of Directors named four new members.

The new members, who were elected to replace retiring board members, include:

**Jack Davis** of Kuna, Idaho. Davis, chairman of the Idaho Dairymen's Association and president of Idacrest Farms Inc., milks 500 cows on his 230-acre farm.

**Debra McDermott-Johnson** of Barnum, Minn. McDermott-Johnson is on the board of directors for the Minnesota Dairy Promotion Council, is vice chair of the Dairy Council of Minnesota and executive secretary of the Minnesota Guernsey Breeders' Association. She milks 45 cows on her 300-acre farm.

**Michael Kohler** of Midway, Utah. Kohler is a member of the Utah Dairy Commission. He milks 175 cows on his 250-acre farm.

**Daniel Rodenkirch** of Kewaskum, Wis. Rodenkirch is past chairman of the Dairy Council of Wisconsin. He also

has served on the National Dairy Promotion and Research Board, the corporate board of Associated Milk Producers Inc., the Morning Glory Farm Region board and the National Milk Producers Federation board. Rodenkirch milks 80 cows on his 450-acre farm.

A fifth new member, Hugh Weathers of Bowman, S.C., officially joined the board in July. Weathers serves as president of the American Dairy Association of South Carolina and the South Carolina Farms Association, and as a board member of Southeast United Dairy Industry Association Inc. and the South Carolina Farm Bureau. He milks 800 cows on his 2,500-acre farm.

The new board members will be attending a two-day orientation program the week of Jan. 21 at Dairy Center, UDIA's headquarters. The orientation will focus on acquainting new members with current UDIA programming.

United Dairy Industry Association is a member-driven federation which conducts a total promotion program for U.S. - produced milk and other real dairy foods.

## County Deputies Announce Dance To Benefit Ailing Colleague

The Washington County Deputy Sheriffs Association is organizing a dance to benefit Deputy Wayne Oneska, a deputy who is battling pancreatic cancer.

The dance will be held at the Amerahn, Highway 45 north of Kewaskum, on Sunday, Nov. 25, from 2:00 to 6:00 p.m. The popular band "Rebound" will provide music. Tempting baked goods and hot food will be sold. Each ticket to the event is also an entry in a door prize drawing, and participants need not be present to win. Door prizes include a 25" color console television, one night's

lodging at an area hotel, gift certificates, fish fries, wallets, and many more.

Tickets are \$2 each or three (3) for \$5, and are available at the sheriff's department and at the door.

Association secretary, Det. Marie Joers, explained that Wayne's treatments are expensive and his health insurance is not picking up all of the bills.

If any business would be interested in donating a door prize or cash donation, Det. Joers can be contacted at 335-4396.

## Farmington School To Participate in Make-A-Wish

As a "special" service project for December, the P.T.O. will be collecting donations from the students for the Make-A-Wish Foundation. This will replace the traditional gift exchange between students. In addition, any money, that might have been spent on a gift for the staff is asked to be donated to Make-A-Wish instead. All staff prefer that donations to Make-A-Wish replace gifts.

One very important element of this service project is that the children should be encouraged to earn the money they donate by doing extra chores for others.

For those of you who are not familiar with Make-A-Wish, it is a none-profit organization dedicated to granting the special wishes of children under 18 years of age who have life-threatening illnesses. All funds raised will be directly applied to the granting of the special wish of our wish child.

To further explain the Make-A-Wish story, Ms. Nona Fehlhaber, a speaker from the foundation, will be meeting with the children and staff on Tuesday, November 27, 1990. All parents are welcome to attend this meeting to find out who our wish child is and all about what their wish is.

The times of the various grade level meetings, which will be held in the gym, are as follows:

11:00 a.m. - morning kindergarten; 11:30 a.m. - grades 1; 12:50 p.m. - grades 2 & 3; and 1:15 p.m. - afternoon kindergarten, grades 4 & 5.

In conjunction with this project, we ask that you save the wishbones from your Thanksgiving dinner. In art class, each child will be making their own special wishbone ornament. Then, as the children bring in their hard-earned donations, they will be able to hang their own wishbone ornament on the Farmington P.T.O.'s Christmas tree in the school lobby. All donations will be confidential. No donation is too small.

The children can bring their wishbones to school beginning Monday, November 26, 1990. We need 300 wishbones, so please remember to ask friends, relatives, neighbors, and co-workers to save their wishbones too.

We will notify you at a later date when the children may start bringing in their donations.

We hope to see you on November 27th. Thank you for your help in making this project a success.

## News From The Library

Did you have to cancel the subscription to your favorite magazine because it became too costly? Did you pass up buying a magazine about your hobby because it was too expensive? Do your children need magazine articles for research projects or a speech on current subjects and you don't know where to find them?

Your public library has the answer. We subscribe to popular magazines such as People, Sports Illustrated, Life, Good Housekeeping, Ladies Home Journal, Readers Digest, Redbook, and many others. For those customers interested in reading more about current news there is U.S. News & World Report, Newsweek and Time Magazine. For the hobbyist we have Crafts and Things, Organic Gardening, Outdoor Life, Popular Mechanic and many more. To encourage your little ones in reading there are wonderful magazines for children, such as 3-2-1 Contact, Highlights for Children, Boy's Life, Jack & Jill, Wee Wisdom, and many others.

You can read or browse through all of our current magazines during library hours, Monday and Wednesday from noon until 8 p.m., Friday noon to 6 p.m. and Saturday morning from 9 a.m. until noon. And, yes, we are open on Friday and Saturday after Thanksgiving.

You can also check out up to five magazines free of charge of any back issues of the current magazines. We keep them for three years. You may keep these back issues for a period of one week. Our holdings of the National Geographic magazine go back to 1929. To find resource materials in any of the magazines we carry the indexes to articles in most of these. Your librarians will be happy to help you find what you need.

We invite you to take advantage of this free community service. See you in the library.

Your Kewaskum Public Library Staff

## Paul - Spurgat

Mary Elizabeth Paul and Jeffrey Jonathan Spurgat exchanged marriage vows on Saturday, July 7, 1990, during a 3:00 p.m. ceremony at Bethany United Methodist Church, Madison. Pastor Harry Naden officiated.

Parents of the couple are Mr. and Mrs. H. James Paul of Kewaskum, and Mr. and Mrs. David Spurgat of Whitewater.

The bride chose her sister, Michelle Paul of Milwaukee, as her maid of honor. Bridesmaids included Lori Stonecipher of Milwaukee, and Debra Hintze of Atlanta, friends of the bride.

The groom chose his brother, Christopher Spurgat of Rochester, Minnesota, as his best man. Groomsmen included Scott Spurgat of Whitewater, brother of the groom, and Kuang-Y Huang of Akron, Ohio, friend of the groom.

Ushering duties were shared by Michael Paul of Norfolk, Virginia, and John Paul of Kewaskum, brothers of the bride, and Scott Dunlavy of Janesville, cousin of the groom.

Readers during the service included Vincent Hrabrich of Muskego and Dwayne Carter of Mt. Prospect, Illinois, friends of the groom.

Vocalists for the ceremony were Annette Jandre of Whitewater and Barbara Hiller of Hazelhurst, friends of the bride. Pamela Hoepner of Phoenix, friend of the bride, served as guest book attendant.

A reception followed at The Sheraton Inn in Madison.

The bride is a 1983 graduate of Kewaskum High School and a 1987 graduate of UW-Whitewater. She is employed as a word processing workflow coordinator at Oppenheimer Wolff & Donnelly in Minneapolis.

The groom is a 1982 graduate of Whitewater High School, a 1987 graduate of UW-Madison, and will be a June, 1991

graduate of the University of Minnesota where he will receive a masters degree in electrical engineering. He is employed as a design engineer at Control Systems in St. Paul.

The couple enjoyed a honeymoon trip to Jamaica and now reside at 2572 Kenzie Terrace, #205, Minneapolis.

## Chancellor Portch Speaker at Program For Directors, Registrars at UWWC

WEST BEND — There will be approximately 9,000 fewer high school graduates in Wisconsin in the next five years than there are today. The current level of 74,000 graduates will probably not reoccur until close to the next century. These predictions were presented by UW Center Chancellor Stephen Portch to more than 60 admissions directors, high school relations directors and registrars of University of Wisconsin System institutions who gathered in West Bend last week.

In his opening remarks, Portch, who oversees UWWC and the other 12 University of Wisconsin Centers, cites the declining numbers as both a

challenge and an opportunity for educators. He referred to education as the "priceless venture" that all educators share and called for strengthening bonds between all schools. "It seems to me that the decade ahead offers additional opportunities for expanding that partnership and avoiding piranha-like competition," he said.

Among the challenges he cited were greater improvement in transfer policies within the UW system, more collaboration among faculty, expansion of junior-level courses at the Centers, more four-year campus scholarships for UW Center students, and greater

attention and service to adult/non-traditional older and wiser learners. "UWWC is actively pursuing these goals," added UWWC Dean Joel Rodney. "We are working closely with UWM to bring junior level courses to our campus, and we are meeting with school superintendents throughout the county to see how we can assist in enriching the high school experience for their students," he added.

Another challenge mentioned by Portch is the complexity of issues that educators, politicians, the media, and local communities are faced with. "Most of all we need constant communication," he acknowledged. Strategic planning, especially in the area of technology needs is especially important today. "I think we need to position ourselves by increasingly making tough choices on our campuses," said Portch.

## The Regal Challenge 1990-91

Regal Ware Inc. has agreed once again to establish a matching pledge program for the 1990-91 school year to benefit Kewaskum Youth Scholarships, Inc. Regal Ware will contribute \$1 for every \$2 raised by KEYS, Inc. during this period with a cap on this donation of \$1,000. Regal Ware and KEYS hope that this matching program will encourage support from the community and the alumni. In order for KEYS to receive the maximum donation of \$1,000, KEYS needs to raise \$2,000. This is where your help is needed. Please fill out the form at the end of this article and send your tax deductible contribution to KEYS today!

KEYS, Inc. is a non-profit organization whose purpose is to raise and invest money and use the interest to provide additional scholarships for Kewaskum High School graduates. All income is used to help provide scholarships because individuals working for KEYS, Inc. do so on a volunteer basis.

Recently the Board of Directors of KEYS announced

that six scholarships totaling \$16,000 will be awarded to this year's graduating class of Kewaskum High School seniors. Three \$1,000 scholarships will be awarded, which may be used for college or vocational school. A fourth \$1,000 scholarship, the Ann-Marie Horner Memorial Scholarship, will be awarded to a college bound senior. Two additional scholarships worth \$6,000 (\$1,500 a year for four years) will also be awarded. One of these \$6,000 scholarships is provided by the OSCAR C. and Augusta Schlegel Foundation. Even with the progress that KEYS has made, the Board of Directors urges continued support. The need for additional and larger scholarships is now more apparent than ever.

All donations to KEYS, Inc. are tax deductible. Only the interest earned from contributions is used to provide scholarships. Let's each make a donation that will assist our youth in their pursuit of continuing their education! Please send donations to KEYS, Inc., P.O. Box 124, Kewaskum, WI 53040.

## CA Coupon Books on Sale

Citizen Advocacy of Washington County is again offering its entertainment coupon books. The books this year contain more two-for-one coupons for fine dining, sports, travel, lodging and fun than ever before. Yet the price remains \$30.

Attractions range from county and area restaurants to such Bradley Center attractions as the Bucks, the Admirals, the Wave and Marquette basketball. Not all dining is formal: there are 88 coupons for informal or carryout meals alone, from George Webb's to Dairy Queen. There are more than 400 coupons in all.

Sixty-two coupons are devoted to special events. There are two-for-one bargains at Marcus and United Artists movie theaters, the Milwaukee Ballet, the Florentine opera and most area theater groups. Coupons are valid for one year.

Participant sports are included, too, from skiing at Sunburst to auto racing at Slinger Speedway. Bowlers will discover two-for-one deals awaiting them at major area bowling alleys, including eight coupons alone for Red Carpet.

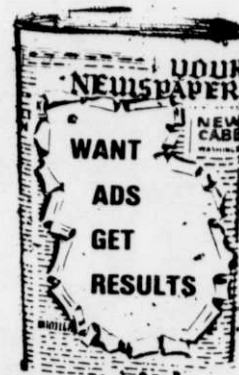

Persons wishing to purchase coupon books for \$30 each can call the Citizen Advocacy office, 2375 W. Washington St. (Highway 33 West), Suite 107, in West Bend. For more information, call 334-3384 in West Bend, or 255-6702 in

Germantown. The books are \$32 by mail.

Citizen Advocacy, a nonprofit agency, serves the county by recruiting volunteers as advocates for people with disabilities.

## Richfield Fair Set for Dec. 1, 2

History...tradition...caring... quality...all of these are words that the members of the Washington County Arts, Crafts and Crops Association would use to describe the 32nd annual Richfield Fair, an arts and crafts fair that is a unique area event.

The history of the fair dates back 32 years, when a group of Washington County craftspeople and gardeners came up with the idea to hold an old-fashioned country market fair to sell their craftwork and produce. The idea proved successful and has been passed down through as many as four generations who continue to carry on the traditions which symbolize the fair.

Every year, the exhibitors dress up in old-fashioned costumes and go out of their way to make their customers feel special and enjoy their visit. For this reason the Richfield Fair is known for its fun things: visits by Kris Kringle and his elves with free treats for children, strolling Christmas carollers, and free door prizes given every half hour. There is also Kid Krafter Korner, where children can sell their own handmade items.

Caring is evident in the meticulous workmanship

exhibited in high-quality craft items, fine produce and delicious bakery available for purchase. All of these are the reasons that many of this fair's customers have made this craft fair a part of their own Christmas tradition.

This year's dates are December 1 and 2, from 10:00 a.m. to 5:00 p.m. The fair will be held at the Kettle Moraine Bowl in Slinger, located at the corner of Hwy. 175 and Hwy. 60. Admission and parking are free.

## SELMA K. BARTELT

Selma K. Bartelt, 99, of Kewaskum, passed away on Sunday, November 19, 1990 at the Samaritan Nursing Home in West Bend.

She was born on Feb. 3, 1891 in the Town of West Bend, the daughter of the late Peter and Mary (Bruessel) Klumb.

On Feb. 15, 1923 she was united in marriage to Edwin Bartelt at St. Peter's Lutheran Church in the Town of West Bend and he preceded her in death on January 20, 1982. Mrs. Bartelt was a member of the St. Lucas Lutheran Church, Kewasum.

Survivors include two daughters Marjorie Buss and Joyce (Roger) Schleif both of Campbellsport; 9 grandchildren and 14 great-grandchildren; a daughter-in-law Audrey (Arthur) Jaraczewski of Kewaskum and a brother-in-law Ervin Kirchner of the Town of Kewaskum.

In addition to her parents and husband she was preceded in death by two sons Willard and Milton, a brother and four sisters.

Funeral services were held at St. Lucas Lutheran Church, Kewaskum at 1:30 p.m. on Tuesday Nov. 20, 1990 with Rev. Edwin Fredrich officiating. Burial was in the Lutheran Memorial Park. There was no visitation.

The Miller Funeral Home Kewaskum is serving the family.

## JACOB 'BUBBIE' REILAND

Jacob E. 'Bubbe' Reiland, of 2015 Briar Drive, West Bend, died Thursday, Nov. 15, 1990, at the Milwaukee County Medical Complex, at the age of 55.

He was born March 17, 1935, in the Town of Barton, and married Nancy Crass June 7, 1957, at Holy Angels Church, West Bend.

He served in the U.S. Army and worked as a delivery person for Hamm's Brewery for 13 years. At the time of his death he had worked as a materials handler for Wesbar Corp., West Bend, for 18 years.

Survivors include his wife; two children, Synthia (Jeffrey) Kopydlowski of Kewaskum and Jacob J. at home; two grandchildren, Stacey and Michael; two sisters, Georgianna, (Howard) Kirchner of Kewaskum and Gloria (Virgil) Weinreich of Fillmore, and other relatives and friends.

A Mass of Christian Burial was on Monday, Nov. 19, at 10 a.m. at St. Mary's Immaculate Conception Church, West Bend. Fr. John Furtmann was the celebrant, and burial followed in Fillmore Union Cemetery.

Visitation at the church only was on Monday from 9:30 a.m. until the time of services.

The Myrhum Funeral Home, West Bend was in charge of arrangements.

## ROBERT M. WEISS

Robert M. Weiss, 63, of Grand Rapids, Mich., died Thursday, Nov. 8, 1990.

He attends Holy Angels Grade School, West Bend High School and Marquette University and represented The West Bend Company in Michigan for approximately 30 years.

Survivors include his wife, Sue; three children, Lynn, Elizabeth and Robert Jr., all of

Grand Rapids; five sisters, Armella (Robert) Burt and Lorraine (Frank) Heindl, both of Milwaukee and Marie (Orville) Strachota, Margareite (Dr. James) Baumgartner and Catherine (Judge J. Tom) Merriam, all of West Bend; a brother, Joseph (Maybelle) of West Bend; his mother-in-law, Helen Borchardt of West Bend, and other relatives and friends.

A Mass of Christian Burial was held in Grand Rapids, with celebrants Bishop Joseph McKinney and Fr. Thomas Vesbit.

## THOMAS R. BRIGMAN

Thomas R. Brigman, 36, of Milwaukee, died Saturday, Nov. 17, 1990, in Milwaukee, due to injuries suffered in an automobile accident.

He was born May 13, 1956, in Milwaukee.

Survivors include his mother Nancy (John) Wahnschaffe of West Bend; brothers and sisters, Marvin Wahnschaffe, Bonnie Viscuso, Carol Marx, George Gutjahr, Tracy Gutjahr, Debra Coatts and Sharon and Nadene Wahnschaffe, and nieces and nephews and other relatives and friends.

Funeral services were held Tuesday, Nov. 20, at 7:30 p.m. at the Harder Funeral Home, 4217 W. Fond du Lac Ave., Milwaukee. Rev. Vernon Clausing from St. John's UCC, Slinger, officiated and private burial was Wednesday in Wisconsin Memorial Park, Brookfield.

Visitation at the funeral home was on Tuesday from 4 p.m. until the time of services.

## IN MEMORY

In memory of Reuben and Sylvia Schultz,

It does not take a special day to bring you back to mind, The days we do not think of you are very hard to find. Beautiful memories you left behind;

The flowers we place upon your grave may wither and decay But love for you who sleeps beneath Will never fade away.

Sadly missed and loved by their family.

## IN MEMORY

In memory of EDWARD BUNKELMAN who passed away Nov. 25, 1982:

Though his smile is gone And hands we cannot touch, Still we have so many memories Of one we loved so much; His memory is our keepsake With which we'll never part, God has him in His keeping We have him in our hearts.

Sadly missed and loved by the Bunkelman Family.

## IN MEMORIAM

### THE EMPTY CHAIR

It is Thanksgiving once again, The families gathered from afar.

But midst the happiness and joy,

We miss that dear familiar face. The handshake, smile, and hearty laughter,

Of one we loved so well. But God brings peace to all our hearts,

Because we know he's with our Lord,

And waiting for his loved ones there.

In memory of Aloysius Volm, By wife Alice and family

## IN MEMORY

In loving memory of Judy Gaffke, who passed away five years ago, Nov. 24, 1985:

Though her smile is gone for now

And her hands we cannot touch, Still we have so many memories

Of one we loved so much. Her memory is our keepsake

With which we will never part; God has her in His keeping

We have her in our hearts. Sadly missed by her family.

## Moraine Park Approves Tech Prep Contracts

Tech Prep contracts with nine area school districts were approved for the 1990-91 school year by the Moraine Park Vocational, Technical and Adult Education District Board on Aug. 23.

Moraine Park's four-year-old Tech Prep program allows students in participating high schools to enroll in technical college courses that provide credits for high school graduation and can be applied to technical college associate degree programs. The courses are taught at the participating high schools by high school teachers who are also accredited to teach Vocational, Technical and Adult Education courses.

Joining the list of participating high schools this year is Berlin High School which will offer two Moraine Park courses to its students, Introduction to Sociology and Fundamentals of Accounting 1 and 2.

Schools renewing their Tech Prep contracts, with the courses they offer:

- \* Beaver Dam, Electronics 1 - DC and Electronics 2 - AC.
- \* Green Lake, Programming in BASIC.
- \* Laconia, Programming in BASIC and Fundamentals of Accounting 1 and 2.
- \* Lomira, Oral/Interpersonal Communication, Technical Communication - Written,

Programming in BASIC and Principles of Data Processing.

- \* Princeton, Technical Communication - Written and Business Law.
- \* Ripon, Psychology of Human Relations.
- \* Slinger, Oral/Interpersonal Communication.
- \* West Bend, Principles of Data Processing and Microsoft WordPerfect.

"We haven't watered it down at all for the high schools," Betty Brunelle, Moraine Park's vice president for instruction, told the board about the Tech Prep curricula. The course work expected of the high school students is identical to that expected of Moraine Park students, she added. "This is college-level work," she said.

Moraine Park, which is considered a leader in the state with its Tech Prep program, is also unique because its courses are being taught in the high schools, Brunelle said. In other programs, a technical college reviews and approves specific courses already being taught by the high schools, she explained.

In other board action at its monthly meeting:

- \* Approved the awarding of

the low bid of \$16,990 to Capelle Brothers & Diedrich, of Fond du Lac, for the remodeling of the computer automated manufacturing lab at Moraine Park's West Bend campus. The lab will be enlarged to increase the number of computer stations from 6 to 20.

\* Approved the submission of a request to the Wisconsin Board of Vocational, Technical and Adult Education that Moraine Park start its desktop publishing advanced technical certificate.

The advanced technical certificate is a new opportunity developed by the state to allow for the grouping of advanced courses, Brunelle said. The certificates are designed for employed individuals to enhance their technical skills.

The desktop publishing advanced technical certificate includes five computer courses that will assist people who work in the print publication industry.

Approval by the Wisconsin Board of VTAE is anticipated later this year.

## CAPITOL COMMENT

An opinion by  
U.S. Senator Herb Kohl of Wisconsin

### Let's Keep Our School Grounds From Becoming Battlegrounds

Recently, a Milwaukee elementary school principal gathered her students in the gym to teach them a lesson -- a lesson she unfortunately had to teach -- a lesson of life and death. She had to tell this group of youngsters, who were between the ages of six and 12, how to protect themselves from gunfire. The day before, 11 of their fellow students were caught in the cross fire of at least two gunmen while riding home in a school bus.

Sadly, this was just one of a growing number of gun attacks on school children rather than an isolated incident. In October, a 15 year-old boy was shot outside a Milwaukee elementary school. That same month, a man was wounded on the playground of another Milwaukee school while students were still in classes. At yet another school, a bullet was fired through the window of an empty classroom; it lodged in a wall. In other sections of the country, it's worse -- so bad that some parents in New York City are sending their kids to school wearing bullet-proof vests.

The assailants aren't always outsiders. The National School Safety Center estimates that more than 1,000 students carry guns to school every day. The number of Milwaukee County juveniles charged with handgun possession has doubled over the past two years, and last year, the Milwaukee school system expelled more than a dozen students for weapons violations. According to Gerald Mourning, the director of school safety for Milwaukee, "[K]ids who did their fighting with their fists and perhaps knives are now settling their arguments with guns."

To ensure that our school grounds do not become battlegrounds, I introduced legislation creating Gun-Free School Zones. The measure, which was included in the 1990 Crime Bill, is simple, effective and straightforward. It makes it a federal crime to knowingly bring a gun within 1,000 feet of a school. A violation would carry a maximum penalty of five years in prison and a \$5,000 fine. Guns carried by police officers, used in school-approved programs, kept locked and unloaded, or used on private property are exempt.

The Crime Bill is awaiting President Bush's signature. It will come none too soon. Our nation's classrooms deserve special protection. While at school, our children should worry about reading, writing and arithmetic -- not rifles.

### County BABES Program Has Certified Trainer

The Council on Alcohol and Other Drug Abuse of Washington County has announced that Marty Ison-Kocos has completed the training required by the National Council on Alcoholism and Drug Dependencies and BABES-WORLD to become a certified BABES Trainer.

BABES (Beginning Alcohol and Addictions Basic Education Studies) is a primary prevention program aimed at teaching elementary school children important life skills that will aid them in making healthy decisions regarding substance abuse. Since implementing the program in 1989, the Council estimates having reached more than 5,000 students throughout the county. Many elementary schools have integrated the seven week curriculum as part of their guidance curriculum.

Ms. Ison-Kocos spent six days at BABESWORLD in Detroit, Michigan attending the training of trainers. While there, she presented a workshop on building a BABES community.

"We're so pleased with the

response to the BABES program in Washington County," said Ison-Kocos. "To this point, the Council has been providing the program to the school children. Because of the growing demand, we're finding a need for school personnel and other professional to be trained to present BABES. This will also ensure that these important concepts can be integrated into many other aspects of a child's education," she added.

For more information on becoming a certified BABES presenter, call the Council 338-1181, 644-6088, or 255-7775.

### Coming in December...

#### SATURDAY, DECEMBER 1

The St. Mary's Christian Women Organization is sponsoring their annual "Merry Daze" of crafts in West Bend. There will also be a Christmas Craft and Bake Sale, a quilt raffle and lunch will be available.

#### SUNDAY, DECEMBER 2

The Moraine Chorus will be performing a concert of Christmas music at Kewaskum High School at 3 p.m. All proceeds benefit the KEYS Scholarship Fund. Tickets are available at Miller's Furniture in Kewaskum and Kewaskum High School. Tickets are \$2.00.

#### SUNDAY, DECEMBER 2

Second Annual "Christmas in Kewaskum" parade at 6 p.m. sponsored by the Kewaskum Area Chamber of Commerce and local supporters. There will be over 40 entries with lots of floats, live music, marching units and general fun. Santa and his elves will be in the parade, checking on all the kids (young and old) to see if they are being "naughty or nice." The Chamber urges all parade-goers to come to Kewaskum early. Many merchants will be featuring some great specials just in time for Christmas giving. Shop the friendly stores in Kewaskum... you'll enjoy them! Restaurants and taverns will be offering lots of good things to eat and hot drinks to enjoy while

watching the parade. And don't forget... join us after the parade at the Annual AAL Tree Lighting Ceremony which will be held at the Kewaskum Municipal Building. This timely tradition is a wonderful way to kick off the holiday season and bring out the "Christmas spirit" in all of us as we listen to the sounds of beautiful renditions of our favorite Christmas carols performed by local choral groups. So forget the "hassles" and problems of the world for one day and share with us the making of a beautiful holiday memory.

#### SATURDAY, DECEMBER 1 SUNDAY, DECEMBER 2

The Washington County Arts, Crafts and Crops Ass'n. is sponsoring their 32nd Annual Richfield Fair at the Kettle Moraine Bowl in Slinger from 10 a.m. to 5 p.m. Every year, exhibitors dress up in old-fashioned costumes and go out of their way to make their customers enjoy their visit. For this reason the Fair is known for its fun things like visits from Kris Kringle and his elves with free treats for children, strolling Christmas carollers, and free door prizes. There is also a Kid Krafter Korner. Fine produce and delicious bakery is available for purchase.

#### SATURDAY, DECEMBER 1 SUNDAY, DECEMBER 2 SATURDAY, DECEMBER 8 SUNDAY, DECEMBER 9

"Christmas Through the Years," a glimpse of Wisconsin's early Christmas traditions, will be held from 11 a.m. to 4 p.m. at Old World Wisconsin in Eagle. A walking tour and program will give visitors an opportunity to explore Christmas as it was for some of Wisconsin's earliest settlers.

#### SATURDAY, DECEMBER 8

Santa will be there to give a gift to each child and to hear their Christmas list. Frosty the Snowman and the Kewaskum High School Swing Choir will make appearances. Advanced tickets only. Tickets are available at the High School office for \$3.00 each.

### Friends of Abused Families to Sponsor Christmas Party

Friends of Abused Families serves many victims of domestic abuse in Washington County. Friends is sponsoring a Christmas Party for these victims.

The party will provide an opportunity for victims to share in the holiday spirit who many times can not afford to celebrate Christmas. The party will be held on Dec. 8th and there will be entertainment, games for the children and pictures with Santa. Each child will receive a stocking from Santa and the mothers will be given gifts and/or food for Christmas Day. Friends has already received donations and support from many businesses, organizations, and individuals to help provide these families with an extra special Christmas. Many are participating in the "Adopt-A-Family" program, the shelter provides the ages and needs of the family members and the group can then provide the family with the

gifts. On Saturday, Dec. 1st, Friends will also be sponsoring a Gift Tree at ShopKO in the Paradise Mall in West Bend. Shoppers can choose an ornament, which indicates a gift needed, off the Christmas tree and purchase the gift and then donate it to Friends for the party. If you would like to donate or become involved contact Theresa Ludwig at 334-5598, 255-9488 or 673-7298 or you can drop off your gift at the United Way office, Room 340, Centrum Bldg., 120 N. Main, West Bend. All gifts and donations are greatly appreciated.

## Curtain Rises on the Game For Big Moola on Television

MILWAUKEE — "Wisconsin Lottery players will find our new game hits the spot," Lottery Executive Director William F. Flynn, Jr. said as lottery officials unveiled the newest scratch and win lottery game at an "opening night gala" Friday.

MOOLA MANIA offers a \$1,000 top instant prize as well as the best odds for winning "big moola" on the lottery's weekly television show.

Flynn, along with the Moola Mania mascots, smartly clad bovine beauties, made an "opening night entrance" at WISN-TV studios in Milwaukee prior to Friday's taping of the MONEY GAME show to announce details of the new game.

"MOOLA MANIA offers players the best chance to join this MONEY GAME audience and win \$50,000 or more on the weekly game show," Flynn explained, adding that nearly \$7.3 million has been awarded to MONEY GAME winners since the show's debut February 25, 1989.

"MOOLA MANIA combines the popular match three play style with the exciting opportunity to win instant cash prizes, a chance to be part of our popular weekly television show and a chance to win money as a Home Player.

"Players who match three prize symbols on a single ticket will win an instant cash prize. Matching three \$2 symbols wins \$2; while matching three \$1,000 symbols wins \$1,000.

"A player who gets a MOOLA MANIA ticket with three TV symbols wins a \$100 cash prize instantly. All \$100 TV

WINNERS are later invited to participate in our MONEY GAME television show where they will win at least \$400 more and can win more than \$50,000.

"Every MOOLA MANIA ticket has a chance of winning, because MOOLA MANIA tickets are eligible to win between \$750 and \$3,000 as a MONEY GAME television show Home Player.

"Simply send five non-winning Wisconsin Lottery instant scratch tickets from any current game, including MOOLA MANIA. You may mix or match games.

"Mail the five tickets in an envelope not larger than 4.5 by 9.5 inches to: Home Player, Madison, Wisconsin 53775. Be sure to complete and sign the back of at least one ticket in each envelope mailed.

"Then sit back and watch the MONEY GAME show and see if you are a Home Player winner," Flynn explained.

"There are more than six million winning tickets in MOOLA MANIA, so we hope players will "milk" this game for all the prizes they can," Flynn added.

## Volunteer!

Volunteering brings the special fulfillment that comes from helping others. Give yourself that special feeling by calling the Volunteer Center at 338-8256. We have many jobs to choose from and will be happy to find one for you.

**TEEN HOTLINE SUPERVISOR** — To work with a teen hotline in the West Bend area. Teens staff the phone lines and adult supervisors are needed to provide support and assist with difficult calls. If you enjoy working with teens and would like to help others let us put your skills to good use. Training and orientation is provided. The hours are 3 to 6 p.m. - 1 day every other week.

**CANCER SOCIETY COORDINATOR** — Person to collect information for public education programs which are done in the community (schools, clinics, hospitals and the work place) on a once a month basis. Training provided. This is a volunteer job that can be done from your home and will play an important part in the fight against cancer.

**BABY CUDDLERS** — To care for infants and toddlers while their parents are busy with other activities at an agency in West Bend. Days and times for this vary. If you love small children what a great way to fill those empty hours.

**INSTRUCTOR FOR WATERCOLOR CLASS** — To teach amateur water color class for Sr. Citizens: takes one and a half hours a week, either Monday or Friday afternoons.

**FAMILY EMERGENCY CALLS** — To reach military personnel all over the world. This can be done from your home. All calls are charged to the Red Cross. Two people work each 24 hour shift so there is always a backup.

**HARTFORD AREA** — An adult day care center is looking for people to do crafts, read aloud, accompany on walks, play cards, help with exercises, pass out snacks, etc.

**SALVATION ARMY BELL RINGERS** — Ring bells indoors

at a shopping center along side the familiar black kettle and raise money so someone can have a better Christmas! Just work for an hour on weekends beginning with Thanksgiving and ending with Christmas. Sign up by calling the Volunteer Center at 338-8256.

**TYPIST** — Yes, you've seen this one before, but it's still available: an agency that helps troubled youth needs someone to type 3 or 4 hours a week. Keep up your typing skills and also do a much needed community service.

## Valley Announces Market and Operational Reorganization

APPLETON, WI — Valley Bancorporation announced today that it has reorganized its bank management structure into four geographical regions to enhance market and management focus. Valley is also creating a service corporation to achieve expense control by consolidating bank backroom operations to include item processing, operations and accounting.

Valley's 116 Wisconsin banking locations have been placed into four major market regions. The two northern regions (which make up the North Division) cover markets which include Appleton, Green Bay, Eau Claire and LaCrosse. The two southern regions (which make up the South Division) cover markets which include Madison, Milwaukee and south central Wisconsin. Peter M. Platten, Ill, President and Chief Executive Officer of Valley Bancorporation, states, "This reorganization lodges responsibility for regions under the leadership and direction of Richard H. Jones, John F. Mack, John W. Johnson and Rowland J. McClellan, all Senior Vice Presidents of Valley Bancorporation. The Northern Division will be headed by Jones with the Southern Division headed by Mack."

According to Platten, "This is a logical step in our continuing efforts to strengthen the management of our banks. By dividing all existing banks into natural geographic markets sharing similar needs, Valley will now be able to focus on customer service, marketing and product promotion strategies largely from a regional perspective."

As part of the reorganization, Valley is implementing a service corporation concept where all day-to-day bank operational activities, including data processing, will be managed centrally and performed at three regional centers. Relieved of various backroom operational responsibilities, banks will have the opportunity to focus more on business development and customer sales and service. Sal Troia has been appointed President of Valley Service Corporation. Troia's most recent position was Senior Vice President/Chief Financial Officer with Valley Bank, Madison.

Platten feels Valley's

reorganization will improve sales and service levels and provide significant cost savings and operating efficiencies to support Valley's continued growth in the 1990s.

Simultaneous with the management and operational reorganization, work will continue on implementing Valley's new systemwide data processing network, called VISION. Once this state-of-the-art system is fully installed by late 1991, Valley's data processing will be handled in-house. Currently, outside processors handle approximately 35 percent of bank processing requirements.

Valley Bancorporation is the third largest bank holding company headquartered in Wisconsin. Valley, with assets of \$3.3 billion, currently serves Wisconsin through 116 banking offices with additional financial service companies engaged in leasing, insurance, data processing, trust service, brokerage and credit card servicing. The company's common stock is traded on the National Market System under the NASDAQ symbol VYBN.

## Many Farms Will Quit Producing, But Milk Prices Won't Recover Soon

Kewaskum Statesman, Thursday, Nov. 22, 1990, Page 13

Relatively few dairy farmers went out of business during the past two years, but 1991 should make up for that, University of Wisconsin - Madison agricultural economists believe.

Wisconsin has typically lost about 2,000 dairy farmers a year since the 1960s. That rate was cut roughly in half during 1989 and 1990 thanks to record-high farm milk prices. Now, with prices plummeting by record amounts, as many as 4,000 of the state's 33,000 dairy producers may choose to call it quits, Jesse says.

But even without those farms producing, the industry won't cut production enough to let prices recover in the near future, predicts Edward Jesse, an extension milk marketing specialist.

The Minnesota - Wisconsin price - an average paid by upper Midwest cheese and butter plants that sets the pace for milk prices around the country - dropped \$2.02 from September to October, from \$12.50 to \$10.48.

A year ago, it stood at \$13.67. Milk prices can't get a lot worse, but they won't get better for some time, says Jesse. He points to several factors:

- Cheese prices have bottomed out. The current price of \$1.08 3/4 is 2 1/4 cents under what the federal government pays for cheese under the dairy

price support program.

- The M-W price will likely come down further in November - in the \$9.75 to \$10.00 range.

- There should be some recovery - probably no more than 5c pound - in cheese markets between now and the end of the year.

- Low prices should discourage expansion, and will likely cull out some producers who were barely profitable to begin with.

- But some farmers will try to make up for the loss in revenue by milking more cows, though it probably makes better economic sense to cull low-producing cows and feed the good cows better, Jesse says.

- The new farm bill will encourage some expansion - ironically, because of provisions intended to discourage expansion. The law calls for the government to dock the milk checks of farmers who produce more milk in 1992 than they produced in 1991. To get around this, farmers will likely try to expand production before 1992.

The price drop is all the more sobering because it came at a time when prices usually rise. Milk supplies traditionally drop in fall as cows come off pasture, while demand rises as cheesemakers stock up for the holidays and millions of half-pints are consumed in school cafeterias. This is only

the sixth time the M-W has dropped between September and October since the government began its M-W price surveys 31 years ago.

This year, supplies haven't slackened.

"U.S. milk production has been 4 percent above year-ago levels every month since June," Jesse points out.

In particular, production has increased in the parts of the country that consume a lot of fluid milk - markets that buy from Wisconsin when they can't produce enough on their own. Out-of-state shipments - excluding those to Chicago - are less than half what they were a year ago.

At the same time, the world prices for dry milk have plummeted to one-half of last year's. With little incentive to make butter and dry milk, production has been shifted to cheese markets.

But cheese inventories are already 26 percent higher than they were a year ago. During September, production of American-style cheese climbed 8 percent, while consumption rose only 5 percent.

There's also what Jesse calls "abnormal competition" - unusually high imports of aged cheddar from Europe, and lot of low-priced California cheese dumped on the market at substantial discounts.

## Government Procurement Workshop Scheduled At Moraine Park

"The Paperwork: Understanding and Completing the Bid Forms," a workshop on government procurement procedures, will be held at the West Bend campus of Moraine Park Technical College Wednesday, Dec. 5.

## Are Refrigerators/Freezers Snowbirds?

FOOD FOR THOUGHT... by Joyce Albrecht  
Extension Home Economist

Putting that extra refrigerator or freezer in any area in which the temperature falls below 60 degrees F may be a problem now that the winter months are approaching.

Combination refrigerator/freezers and freezers with automatic defrost systems are sensitive to the air temperature surrounding them, the ambient temperature. As this ambient temperature rises, the compressor runs more to maintain the storage temperature in the fresh food and frozen food compartments, thus wasting energy. As the ambient temperature falls compressor operation also decreases.

When temperatures fall

below 60 degrees F., the compressor will not operate long enough to maintain low storage temperatures in the freezer compartment. This is because the fresh food compartment contains the primary sensor and it is satisfied quickly at the low ambient temperature. The lower the temperature goes, the worse this becomes. At about 38 degrees F. - 42 degrees F., the compressor will not run at all. The freezer compartment temperature will increase to the ambient room temperature and the frozen food in the compartment will defrost and can spoil.

Combination refrigerator/freezers and automatic defrost freezers should not be operated in unheated places like garages or porches where room temperatures are likely to drop below 60 degrees F. unless they are specifically designed for operation in low temperatures.

Check the manufacturer's use and care booklet for the lowest safe operating temperature.

Anytime the temperature will be less than 60 degrees F., it is best to empty the freezer compartment of the refrigerator/freezer in order to prevent defrosting and possible spoilage of the frozen foods. You may want to consider removing all the food from the unit, turning it off, and propping the door open\* if you are gone for an extended period of time. The door must stay open to prevent mold and odor.

Manual defrost freezers can usually be operated in an unheated garage or porch without affecting the unit or frozen food. However, check your use and care manual to determine if your unit needs special care.

\*Don't do this if your refrigerator has a latch-type handle because of the potential for child entrapment.

## Apply Now for Energy Assistance

Applications for Energy Assistance are being accepted by the Washington County Department of Social Services, 320 S. 5th Ave., West Bend.

To make an appointment, or for information call 335-4610 or 644-5282. The office is open from 8 a.m. to 12 noon and 1 p.m. through 5 p.m., Monday through Friday. Home visits can be arranged for the disabled and homebound.

Eligibility is determined by the number of people in the household and the total gross household income for the last three months: one person, \$2,355; two people \$3,157.50; three people \$3,960; four \$4,762.50; five \$5,565; for each additional person, add \$802.50.

The Energy Services Program is a three-part program offering (1) Heating Assistance, (2) Crisis Assistance, and (3) Weatherization Services.

Heating assistance is a one-time benefit payment during each heating season (October 1 through May 15). It is intended to help pay a portion of the annual heating costs for eligible applicants. The amount of the heating assistance benefit is determined by family size, income level, and heating costs.

Crisis assistance provides both Emergency Services and Pro-Active Services.

Emergency Services provide help during the heating season to eligible households that do not have any way to pay for fuel or heating repair costs. Emergency applications are taken on a "walk-in" basis.

Proactive Services are designed to offer training and counseling on how to reduce fuel costs, budgeting and money management to avoid future emergencies.

Weatherization Services can conserve energy and help to reduce heating costs. Applicants who are eligible for heating assistance may also be eligible for the federally funded Weatherization Services. All services and material are provided at no cost to eligible applicants, nor is there any cost to landlords of eligible renters.

In order to receive a heating benefit, you must apply and be found eligible. The head of the household should complete the application and only one application is to be completed for each household. This can be done by calling the Washington County Department of Social Services at 335-4610 or 644-5282.

## IRS Working to Make 1990 Forms Less Taxing

Six-million taxpayers who've been filing the long tax Form 1040 may be able to file the shorter Form 1040A next year. Since there were few major changes in the tax laws for this year, the 1990 tax forms didn't require extensive revisions. But the IRS made some changes to Form 1040A to simplify filing for millions of taxpayers, according to John T. Ader, Director of the Milwaukee District of the Internal Revenue Service. The IRS has just released advance copies of the major individual income tax forms, the tax table, and the rate schedules for 1990 so that the public can offer comments about them.

Ader says that, by adding a few new lines to the Form 1040A, up to six-million filers will be able to switch to that form next year. Form 1040A for 1990 includes new lines for pension or annuity income, payments from an IRA, taxable social security benefits, estimated tax payments, and credit for the elderly or disabled. In the past, taxpayers reporting those items had to use Form 1040.

There will be two versions of the Form 1040A tax package. One contains a schedule for figuring the credit for the elderly or disabled; the other

does not. Taxpayers should receive the package that best suits their needs, based upon their past tax returns.

In addition, there will be a separate Form 1040EZ package for 1990. In the past, this very short form was included in the 1040A package.

This is the fourth year, says Ader, that the IRS has released advance copies of Forms 1040EZ, 1040A, and 1040 plus related schedules and forms early in the summer to give the public a chance to offer comments and suggestions on ways to improve the forms.

To get advance copies of the 1990 forms, write to: Internal Revenue Service, P.O. Box 25866, Richmond, VA 23289. Once you look at the forms, you are invited to send suggestions for improving them to: Tax Forms Committee; Attn: Early Release; Internal Revenue Service; Room 5577; 1111 Constitution Avenue, NW; Washington, DC 20224.

If the moon isn't made of green cheese, how come there's such a rat race to see who gets there first?

## 25 Years Ago

Nov. 19, 1965

William Boals has joined the staff of Regal Ware, Inc., Kewaskum, as personnel manager according to an announcement by James D. Reigle, company president. Mr. Boals brings to the newly created position a comprehensive background of experience in the field. He was personnel manager of Bolens Manufacturing Co. of Port Washington for the past year and a half.

Members of the Kewaskum Fire Department were called out twice Tuesday night to separate blazes which occurred less than an hour apart. Tuesday night was cold and very windy with gusts up to 45 miles per hour and this probably had something to do with the cause of the fires as residents had to turn up their stoves and heaters to keep warm. The first call at 9:40 was a chimney fire at the Mrs. Loretta Kempf Stange home in New Fane. Firemen extinguished the fire and cleaned the chimney without any damage resulting. After returning to the fire station, firemen had just left when the siren sounded a second time at 10:30 p.m. This time they were summoned to R. Ellefson trailer house at R.2, Kewaskum, about three miles southwest of the village. There was only minor damage.

The announcement has been made by Mr. and Mrs. Orville Reysen, R. 1, Kewaskum, that their daughter Corrine Kay is to be the future bride of John Eggert. The bride-to-be is the son of Mr. and Mrs. Harold Eggert.

An auto driven by Alfred Bruhn, 27, of Kewaskum, left Hwy. 45 about a half mile north of Hwy. 60, at 6:20 a.m. Thursday and rolled over when the vehicle skidded on wet pavement while making a curve.

## 50 Years Ago

Nov. 22, 1940

The opening of the meat market across from the bank of Kewaskum, taken over by Sylvester Harter of the Town of Auburn, will be held next Saturday, Nov. 30. The business will be known as Harter's Meat Market, the "Biggest Little Market in Town." Free gifts will be given away on opening day while they

last.

Mrs. Edward Wiskirchen of the town of Barton, the former Miss Marie Kolafa of New Fane, was badly injured at about 9:15 p.m. Tuesday, Nov. 12, when the automobile she was driving ran into the ditch about three miles east of Kewaskum, while she was enroute to this village on her way home from New Fane where she had visited her parents, Mr. and Mrs. Rudy Kolafa. After the accident she was unable to open the doors and get out. She smashed the windshield open and crawled out over the motor. As there was no one around to offer aid, she walked back one-half mile to the home of her parents in New Fane. There a doctor was called and the young lady rushed to West Bend for treatment. An examination and x-rays revealed she suffered a fractured upper jaw and nose, bruises and a possible concussion.

Births - Mr. and Mrs. Lyle Gibson of this village are proud parents of a 6½ pound son born Weds. Nov. 20 at St. Agnes Hospital, Fond du Lac. Coach Gibson now has a five little prospects for his high school athletic teams of the future. Mrs. Gibson is the former Charlotte Lay. Mr. and Mrs. E.E. Reed of East Chicago, Ind., are the parents of a seven-pound son born Tues., Nov. 19, in East Chicago. Mrs. Reed is the former Pearl Schaeffer, daughter of Mr. and Mrs. A. P. Schaeffer of this village. The little fellow will receive the name Eugene Edward III. A son was born to Mr. and Mrs. Walter Faber of this village on Tues., Nov. 19. Mr. and Mrs. Elroy Pesch of East Valley are the parents of a son, born Monday, Nov. 18. A son was born to Mr. and Mrs. Albert Heisler, R. 1, Kewaskum on Thurs., Nov. 14. A son was born Sunday, Nov. 17, to Mr. and Mrs. Gregor Beisbier of Ashford.

Marriage Licenses Issued: Carl Meilahn, Town of Kewaskum, and Caroline Klumb of West Bend. George Schickert, Jr. of West Bend and Bernice Theisen of R. 1, Kewaskum. George Hiller, Jr. of the Town of Farmington and Grace Laatsch, R. 1, Kewaskum. Arnold Oppermann, Milwaukee and Marcella Krueger of Kewaskum.

G. Konitz last Wednesday purchased the old paint shop property of G. B. Wright, located on Main Street. Consideration \$1,700. Possession will be given Mr. Konitz on November 27. It is Mr. Konitz intention to remodel the building for an up to date shoe store and dwelling.

Frank Heppie, last week purchased the P.J. Smith

building on Main Street, now occupied by Gus Konitz as a shoe store. Consideration private. Mr. Heppie will occupy same as a confectionary and delicatessen store in the near future.

This office is in receipt of a letter from Ben Jensen, a Kewaskum boy who enlisted in the United States Army and is now on duty in the trenches on the Mexican border. The letter reads as follows: Mr. George Schmidt, Dear Sir: Since my time has expired for the Statesman, November 1st, and we being in trenches on the American border, please keep on sending the Statesman. A remittance will follow soon. I would not be without the Statesman as it makes me feel good to get ALL THE NEWS FROM HOME. Yours very truly, Ben L. Jensen, Douglas Arizona, Co. A, 18th Inf.

While returning to their homes at West Bend from the basketball game here last week. Friday night, Jerome Schlegel driving his father's large Buick, left the road on the state road near John Staehler's place and went over the embankment. The car turned over on its side and threw the occupants out. Those in the car at the time of the accident were Harry Rohlf, W. Nehmer and J. Schlegel. They escaped with minor bruises. Harry Rohlf, one of the occupants, was in the worst position, being pinned under the car. The auto was only slightly damaged.

Ernst Ramthun of New Fane last Saturday received a new Pullman 1916 touring car. Mr. Ramthun has accepted the agency for said car.

A marriage license was issued the past week to Miss Mary Klein of the Town of Kewaskum and Martin Barker, Town of Salem, Pierce County.

Mr. and Mrs. William Senn who were married at Milwaukee Tuesday arrived at Elmore Wednesday to spend a few days with the former's parents.

Born to Mr. and Mrs. Peter Kirsch, St. Kilian, a baby girl last Tuesday.

## Farm Custom Rates

By Jack Trzebiatowski, Extension Agriculture Agent

A number of farmers perform tillage, planting, harvesting, and other field work for others. A fair rate of payment for this custom work is often times a matter of concern.

Many smaller farms may find that having field operations performed for them will be more profitable than owning the machinery and equipment. The high fixed cost in many pieces of equipment does not make it practical for ownership unless there is adequate acres or size of business in which to use the equipment.

The Wisconsin Department of Agriculture, Trade and Consumer Protection, publishes a Custom Rate Guide that farm operators can use. There are two annual publications. One with spring custom rates, primarily tillage and planting operations and the fall custom guide with harvesting operation. These rate guides can be useful in providing some ballpark amounts to pay for custom operations.

The custom rate guide reports cost in different areas of the state. When reviewing fall harvesting costs for SE Wisconsin, the publication indicates the following rates: these rates are based on per acre bases and are assumed to

cover the cost of the machinery, the operator, and the fuel. Combining Soybeans with a 13 foot platform \$22 per acre. Corn combining four row combine \$20.55 per acre, 6 row combine \$19.94 per acre. Corn drying 6.3 cents per point of moisture removed, and corn picking with a two row picker \$30.83 per hour.

The above are some of the more typical operations that may be performed at this time of the year. The reported rates are for the 1989 harvest season. One would expect that with increased fuel prices and other costs 1990 rates would be slightly increased.

Individuals that would like to receive a copy of either the spring or fall custom rate guide should contact the Washington Co. Extension office.

## Earn a GED at Moraine Park

For adults who did not complete high school, General Educational Development (GED) tests provide a second opportunity to earn a high school diploma.

Recognized nationwide by employers and colleges, the GED program has increased employment, education and earning opportunities for more than 10 million adults since 1942. One of every six high school diplomas awarded in the U.S. each year is based on the GED tests.

The content of the tests corresponds to what graduating high school seniors are expected to know in writing skills, social studies, science, literature and the arts of mathematics. In Wisconsin, applicants earn a High School Equivalency Diploma (HSED) by also taking tests in health

and civics and by successfully achieving employability skill competencies.

Most GED applicants spend some time studying for the tests. Moraine Park Technical College offers free GED preparation in Beaver Dam, Berlin, Fond du Lac, Hartford, Mayville, Waupun and West Bend. Candidates can then take the tests in Beaver Dam, Fond du Lac, or West Bend.

There is a nominal fee for the tests.

If you're interested in this second-chance diploma, and you're at least 18-years-6-months of age, or the class with which you entered the ninth grade has graduated, call the Moraine Park campus or instructional center nearest you, or call 929-2108 for general information.

## Minutes of School Board Meeting

October 8, 1990

President Weare called the meeting to order at 7:02 p.m.

Members present: Perry Ankerson, Ruth Schmitt, Neal Weare, Paul Seymour, Ron Beimborn, Janet Wolfenberg, (John Schulte arrived at 7:37 p.m.).

Clerk Schmitt led the Pledge of Allegiance.

Dr. Heather noted that the agenda had been amended to include the approval for an assistant gymnastics coach at the high school. Schmitt/Ankerson motion to approve the agenda as presented. Motion passed 6-0.

Audience to visitors; receiving of delegations: none.

Sue Burgard spoke to the board regarding the DVI (Direct Vocational Instruction) program being used by the school district. A question and answer period followed.

Schmitt/Seymour motion to approve the minutes of September 10, 1990. Motion passed 6-0.

The following policies were read for the first time:

#441-Student Due Process  
#441.1-Due Process Hearing  
#528-Employee Recognition  
Policy Committee Chairperson Ruth Schmitt noted several comments from board members regarding the policies and they will be discussed at the next policy meeting.

Seymour/Schmitt motion to approve Landvatter's, Inc. for intercom replacement/update at FES and KMS. The cost will be \$11,018. Motion passed 6-0.

Seymour/Schmitt motion to approve Drapery Designs to provide replacement blinds for KHS, FES, and KES at a cost of \$3,721. Motion passed 6-0.

Seymour/Schmitt motion to hire JWC Building Specialties, Inc. to replace the folding door between the cafeteria and hallway at KHS. The cost will be \$3,815. Motion passed 6-0.

### If You Itemized Your 1987, 1988 Tax Returns, You May Be Required to Pay Taxes on This Year's Wisconsin Tax Refund

If you received a tax refund from the state of Wisconsin last spring, you may need to declare it as income when you file your 1990 federal tax returns. That's the word from John T. Ader, Director of the Milwaukee District of the Internal Revenue Service.

According to Ader, "Because of the intense public interest in this issue, we asked our National Office to take a special look at it. After reviewing it carefully, they said the law required that this tax refund be treated the same as other income tax refunds." A similar decision was reached, says Ader, after state refunds were issued in Wisconsin in 1979.

Last April, state officials began mailing approximately 1.53 million refund checks. According to the Wisconsin Department of Revenue, the checks totalled \$189.7 million, for an average of \$123 per taxpayer. The largest refund was \$260. The size of the refunds varied according to the amount of property taxes or rent paid by taxpayers in 1987 and 1988.

Ader explained the reasoning behind the IRS decision, which affects taxpayers who itemized for the 1987 and 1988 tax years. "If you took a deduction and it lowered your federal tax — and now you're getting some of that back — now you have to raise

your tax." Ader adds that, for some people, it's possible that only some of the deduction lowered their tax. For those people, says Ader, only part of the refund has to be added back in.

Taxpayers will find a worksheet in the 1040 tax package which explains how to figure how much of the refund needs to be declared. Further information is also available in IRS Publication 525 ("Taxable and Nontaxable Income"). To order that booklet, call the IRS, toll-free, at 1-800-TAX-FORM.

Wisconsin officials estimate that the ruling will affect some 750,000 Wisconsin taxpayers who itemized in 1987 and 1988. The average amount of tax that each taxpayer will pay is \$40. It is expected that no taxpayer will have to pay more than \$86 in additional taxes.

The Wisconsin Department of Revenue is planning to send notices in January to those taxpayers affected by the ruling. The notices will tell the taxpayers how much of a refund they received and will remind them that the refund may need to be declared on their 1990 federal tax returns.

Taxpayers who have questions can call IRS Taxpayer Assistance. In Milwaukee, the number is 271-3780. Elsewhere in Wisconsin, call, toll-free, 1-800-TAX-1040.

### Free Trucker Orientations At Moraine Park

Training for truck drivers preparing to write the Commercial Driver's License (CDL) exams will be offered in several formats and at several locations by Moraine Park Technical College.

Moraine Park is scheduling free evening or Saturday morning orientation sessions at its Beaver Dam, West Bend and Fond du Lac campuses in December to introduce drivers to test preparation options being offered by the college. Those options include a traditional classroom or a television course; or personalized learning through computers or videos.

During these three-hour orientation sessions, participants will hear about the 1986 federal Commercial Motor Vehicle Safety Act and the federal licensing standards adopted by Wisconsin in 1989.

Participants will learn about test requirements, learn some test-taking tips and take a practice CDL test. After scoring their own tests, drivers will have a better idea of which training option, if any, to choose.

Operators of vehicles weighing more than 26,000 pounds, that transport hazardous materials or carry 16 or more passengers must pass the required tests and obtain a CDL by April 1, 1992.

The free CDL Preparation Orientation Sessions will be held in West Bend: Saturday, Dec. 1, 9 a.m. - noon, room N-119; Thursday, Dec. 6, 6 - 9 p.m., room N-119; Thursday, Dec. 13, 6 - 9 p.m., room N-119.

For more information on these free orientation sessions, call 922-8611, ext. 237.

### DNR Approval Requested to Construct Interceptor Sewer Northeast of West Bend

MADISON, WI — The City of West Bend is requesting approval from the Department of Natural Resources to construct an interceptor sewer northeast of the city which could ultimately serve 1,800 acres of existing and future development.

The interceptor would be constructed near Wingate Creek, north from the wastewater treatment plant on Municipal Drive to Creek Road. The main purpose of the interceptor is to provide for long-term (40 years) urban growth north and east of West Bend. The community of Neisburg may also connect with the proposed interceptor in the future.

The land to be served by the interceptor is a mix of urban and agricultural use. Construction of the interceptor would cause long-term conversion of agricultural lands to urban development in the area.

The Department has made a preliminary determination that an Environmental Impact Statement will not be required for this action.

### Wisconsin Auto Owners Can Now Telephone Registration Renewals

The state Department of Transportation has a holiday offer for Wisconsin automobile owners...an opportunity to renew their December registrations without leaving their home or office.

The nation's first telephone renewal system is scheduled to be made available statewide the last week in November, permitting auto owners whose licenses expire in December to renew them by using a toll-free telephone number and charge the transaction to their Visa or MasterCard.

Joyce Gelderman, deputy administrator of the Division of Motor Vehicles, said a three-county pilot program in November proved to be successful. "We had minor problems at first with people being unable to understand the instructions given by the digitized voice. Changes were made, and we haven't had any complaints since," she said.

The Touch-tone registration system is designed to reduce the number of walk-in registration renewals at Motor Vehicle Customer Service Centers. "We are sure that once people try it, they'll like the convenience of renewing by telephone," Gelderman said.

Leaflets explaining the system are available at motor vehicle offices across the state.

### Opportunity League Celebrates Anniversary

The Opportunity League of Washington County, Inc. celebrated their 7th Anniversary on Friday, October 19, 1990 at Barth's Linden Inn. The celebration started at 6 p.m. with welcoming the guests, buffet dinner at 6:30 p.m., program at 8 p.m. and music and dancing following.

We were happy to have Ron Krause from WTKM to be the emcee for the program. Florence Mineau, Executive Director, spoke about the accomplishments of the Opportunity League and the willingness and help she receives from all members. Judy Behlen, Secretary-Treasurer, spoke on how much support she receives from her parents, family, Florence, friends and members of the organization. Sandy Zopf, Full Citizenship Initiative coordinator for Washington County, spoke on that.

enable all people with disabilities to participate fully in our community. It is involved in advocating for legislation affecting persons with disabilities.

We were pleased to see Mr. and Mrs. Tom Bergerud, Jenny Rettler and Hartford Rotary Club members attending the celebration along with 100 other guests including members of the Opportunity League, family members, and community friends.

The guests enjoyed the celebration and plan to attend it next year which is planned for October 11th.

We would like to thank all who came, donated centerpieces, door prizes, miscellaneous donations and transportation.

## Rebounding Helps Indians Trounce the Owls, 50-19

SLINGER — While the competition wasn't exactly the Pius XI girls team, the Kewaskum girls basketball team will surely take their 50-19 victory over Slinger here, last Thursday, as a step in the right direction.

Coming into the game, Indian coach Glenn Eichstedt said he didn't know much about the Owls and their style of play. Fortunately, it didn't matter much, as the Owls shot a paltry 14 percent from the field, and made just 7 of 20 attempts from the free throw line.

"They were an unknown to us coming into the game," Eichstedt said after the game. "I thought they would be taller, so I concentrated on rebounding during our practices."

The emphasis on rebounding paid off nicely for the Indians, as they outrebounded Slinger 27-7 on the offense boards. That, coupled with forcing 22 Slinger turnovers, resulted in the easy win.

"We were consistently able to get second shots on the offensive end," Eichstedt said of the Indians rebounding effort, led by senior Nicole Doherty, who had 10 boards, while playing the equivalent of about half the game. "We also shot well from the wings early, and that helped us."

Kelly Rohlinger was the source of the outside shooting early, hitting a couple of outside jumpers to help the Indians to a 10-8 lead after the first period. Then the rebounding came to the forefront, as the Indians second - shot opportunities helped them open up a 22-12 lead at the half.

"Amy Chesak did a nice job in the first half, hitting some shots," Eichstedt said, also

noting that "Brenda Falk did a good job handling the ball on offense, finding the open people and getting them the ball."

The Owls' shooting woes continued in the second half, allowing the Indians to score the first eight points of the quarter. A rebound and basket by Carrie Krause made it 34-14 Indians, and Kewaskum's lead was never below 20 points the rest of the game.

"It was really a nice way to start the season," Eichstedt went on to say. "Defensively I was pleased with the effort. We have some good anticipators," which helped the Indians come up with eight steals in the game.

"Rohlinger did a nice job," Eichstedt said of the senior guard, who shared scoring honors with Chesak, as each had 12 points. "The girls complimented each other real well out there. That's what we have to do this year, because we really don't have any outstanding individual talent."

The Indians, now 1-0 on the young season, host Cedar Grove in the first round of the Indians' Holiday Tournament on Friday night. The winner of that game will play the winner of Friday's Campbellsport - St. Mary's Springs contest in Saturday's Championship game.

## Indians Run Past Slinger, 65-57

SLINGER — The Kewaskum boys basketball team started the 1990-91 campaign out on a bright note here, last Friday night. The Indians used some intense full-court pressure, forcing Slinger to turn the ball over all night, resulting in a 65-57 Kewaskum victory.

"I was really happy with the way we played," an obviously pleased Indians coach Jim Westphal said regarding the game. "I thought we would be able to put some points on the board, but it was the defense that won the game for us."

That defense helped turn a 15-11 Slinger advantage after one quarter into a 36-32 Indian lead at the half. The 25-point outburst by the Indians was keyed by the full-court press that caused the Owls problems all night.

"We really took it to them in the second and third quarters defensively," Westphal went on. "We forced a lot of turnovers, especially in the first half. We definitely wore them down with our defense."

The Indians upped their lead to as many as 15 in the closing stages of the third period, but Slinger battle their way back into the game in the fourth. The Owls were unable to cut the deficit below six, however, and the Indians came away with their first victory of the year.

"Towards the end it got a little hairy," Westphal admitted, noting that three of his players, Joel Fleischman, Matt Seiser and Ryan Ramthun, fouled out. "We were in foul trouble virtually the whole game."

Fleischman, who had 12 points while battling his personal foul difficulties, "had an excellent game," according to Westphal. The Indian coach was also pleased to see his two main scoring threats, senior

Mark Felix and junior Chad Cook, get off to good starts as well.

"Chad did a real nice job. He hit the outside shots when we needed them," Westphal said of the 5-7 Cook, who ended up with 18 points on the night, including four-of-five shooting from three-point range.

"Felix did well. He's always driving to the basket," Westphal said of the Indians' top scorer, who had 22 points against the Owls. "He's real tough to guard because he's always going to the hoop. He causes some real problems for defenses."

While he didn't have any statistics available, Westphal thought "Overall, I thought we shot pretty well." But what Westphal was most pleased with was the defensive play of his team. "We just did a real nice job forcing turnovers. We just wore them down."

Keith Hosking led the Owls with 17 points, while Buddy Mechnech chipped in 16 in a losing cause.

The Indians are back in action on Tuesday, when they travel to Campbellsport for a non-conference matchup. The Indians will open Eastern Wisconsin Conference play when they host Chilton next Friday, Nov. 30th.

## Moraine Park To Offer New Radiography Class

Moraine Park Technical College will be part of a joint effort by three area technical colleges to offer a new radiography program to eastern Wisconsin.

Radiography technicians work with x-ray equipment and other medical imaging techniques such as ultrasound, magnetic resonance and computerized imaging.

Officially, the program will be offered through Lakeshore Technical College (LTC), located in Cleveland, Wis. An instructor affiliated with LTC will teach the program's technical courses, but both Moraine Park's Fond du Lac campus and Fox Valley Technical College in Appleton will provide the general education and elective courses.

Program graduates will receive their associate degrees from LTC.

Technical course instruction will come via interactive television linked to LTC. Clinical studies will be conducted at local hospitals - St. Agnes Hospital, Fond du Lac; Holy Family Medical Center, Manitowoc; St. Nicholas Hospital and Sheboygan Memorial Hospital, Sheboygan; and St. Elizabeth Hospital, Appleton.

Each year a total of 13 students will be enrolled in this two-year associate degree program, according to Don Smeaton, a counselor at Moraine Park. The class size is limited by the number of clinical sites available. There will be three radiography students taking classes at St. Agnes Hospital and Moraine Park, Smeaton said.

The first radiography class will begin in January, with each successive class also starting the first month of the year, Smeaton said.

Radiography is considered one of the top 10 fastest growing occupations in the nation.

## UWWC Women Split in Opening Week of Action

WEST BEND — The UW-Washington County women's basketball team went 1-1 in their opening games of the year last week. On Monday night, the Wildcats traveled to Manitowoc, where they were manhandled by Silver Lake College 87-44. But the Cats bounced back on Wednesday, taking a 62-34 decision from UW-Marshfield.

Judging by the score of the Wildcats game with Silver Lake, you would gander that UWWC women's coach Tom Brigham would be worried about his team's chances this year.

Not so, however, as Brigham remained upbeat about the loss to the four-year school, which beat the Wildcats by about the same margin in the two teams' first meeting last year.

"I was not discouraged by the score at all," Brigham said about the game. "That was not really the purpose of the game. We wanted to expose our freshman girls to what college basketball is really like."

In last year's contest, the Wildcats played well in the first half, only to have Silver Lake explode in the second half and win by 40 points, thanks much in part to the large home crowd that the Eagles attract.

This one wasn't as close, as Silver Lake coasted to a 44-19 halftime lead. Brigham did find some silver lining in the loss though.

"I thought some of the

freshman did really well," Brigham said, reporting that Jenny Meyer led the Wildcats with 23 points on 10 of 22 shooting. "Jenny did an excellent job out there. She's a real quality ballplayer."

"We didn't rebound very well," Brigham added, explaining that Silver Lake had a 43-28 advantage on the boards. "We weren't as aggressive as we should have been on the boards."

The Wildcats didn't shoot very well either, hitting on just 27 percent of their field goal attempts, and just 57 percent of their free throws. Add 29 turnovers to the equation, and you come up with a 43 point loss.

The Wildcats bounced back nicely from that defeat in their win over Marshfield. UWWC held the Marauders scoreless for the first 10:00 of the game, while they built a 14-0 lead that was never really threatened.

The Wildcats used some easy layups off of their intense defensive pressure to shoot 44 percent from the field in the game, a marked improvement from their loss to Silver Lake.

Jenny Meyer once again led the Wildcats on the offensive end, scoring 21 points. Rocky Justmann added 15 points, many coming off steals on the defensive end. Dawn Dottsler and Jenny Jankowski each chipped in 6 points for the Wildcats, now 1-1 on the year.

## UWWC Men Routed by Marshfield

WEST BEND — The UW-Washington County men's basketball team stumbled out of the blocks in their first game of the year against UW-Marshfield here, last Wednesday night.

After UWWC had opened up an early 11-9 lead on the Marauders, the visitors went on a 24-2 run that left them with a 33-13 lead, well on their way to the 99-48 thumping that they leveled on the Wildcats.

"They were extremely quick," UWWC men's coach Jerry Meulemans said of the Marshfield team, which reportedly scored over 120 points in their season-opening win over a prison - team in Northern Wisconsin. "They put incredible pressure on the ball."

That intense defensive pressure by Marshfield allowed them to come up with 32 steals in the game. Almost every Wildcat ballhandler got pick-pocketed by one of the quick Marshfield guards in the game.

The Wildcats were also limited to just four offensive rebounds the entire game, all coming in the second half. Much of the reason for that was the Wildcats inability to even get off a shot on the offensive end. UWWC held their own on the defensive boards, but it wasn't nearly enough to compete with the talented

Marauders.

Dave McArthur led Marshfield with 33 points. UWWC was led in the scoring department by Terry Howell, who netted 16 points while playing a fine all around game. Jay Leberecht chipped in 13 for the Wildcats, while Karl Klosowski added nine.

## KHS to Host 3rd Annual Indian Invitational Thanksgiving Tournament on Nov. 23, 24

The Kewaskum Girls Basketball Teams will host the 3rd Annual Indian Invitational Thanksgiving Tournament on November 23 and 24.

Semifinal Games will be conducted at 6 and 8 p.m. on Friday, with the Consolation and Championship Finals scheduled for 6 and 8 p.m. on Saturday. The Junior Varsity Contests will be held in Rose Hall whereas the Varsity Level Competition will be played within the K. H.S. Fieldhouse.

All four of last year's participants are returning to

this season's tournament. The Kewaskum Indians will attempt to defend their team title against area challengers, i.e. Campbellsport Cougars, Cedar Grove Rockets and St. Mary's Springs Ledgers of Fond du Lac. The first round features Campbellsport vs. St. Mary's Springs with the Cedar Grove - Kewaskum Game to follow.

Following the Championship Finals on Saturday evening, medals will be presented to the members of the first place team along with a Traveling Plaque to the Winning School.

The K.H.S. Girls Basketball Team and Coaching Staff welcome your support, attendance and sportsmanship at any of this week's games. Tickets for Friday or Saturday Sessions are \$2.00 for Adults and \$1.00 for Students. Season Passes may be available for \$3.00 each.

Then on Tuesday, November 27th the Indians host the Ozaukee Warriors in a Non-Conference Contest. Donations of canned goods will be collected at the door as admission to the girls games. All donated goods will be distributed to and through area Food Pantries. So let's make this Thanksgiving Season more meaningful by giving whatever you can.
