Thousands Watch Christmas Parade

The Gitter Construction float trotted off with First Prize. The mammoth sleigh was pulled by Alvin Panzer's team of Belgian horses.

By shortly after 5 o'clock Sunday night, parking space in Kewaskum had all but disappeared as young and old alike arrived to get a good spot to watch Kewaskum's second annual Christmas parade.

The parade began promptly at six, and to the delight of all the spectators lining Fond du Lac Avenue and Main Street, the wait was worth it. Approximately forty units participated in the village

kick-off of the holiday season. Over 700 bags of candy were distributed to youngsters along the parade route.

Entries sparkled with thousands of lights, animated characters and music filled the air. The colorful floats brought smiles and praise. "I think I enjoyed this more than the summer parade," said one woman. "I wasn't here for last year's parade," said one gentleman, "and after seeing

tonights parade I'm sorry I missed that first one."

The hardest job was faced by the Judging Committee of Barb Breitag, Vicar Korth, Tom Larsen, Fred Miller and Father Tom Venne who had to select this year's parade winners. The results of the judging were: First place - Gitter Construction, second place - Sentry Foods/Hon-E-Kor, third place - Tennes Hardware, fourth place

State's First Winter Storm Arrives with a Fury

By GERRY MUELLER
Statesman Staff Writer

Wisconsin was forewarned of this weekend's storm but no one was really anticipating the force and fury with which it arrived.

The snow began just after midnight Sunday and continued throughout Monday, accompanied by 25-30 mile-an-

hour winds which frequently gusted up to nearly 60 miles-an-hour.

Because of the winds, weather forecasters were unable to report accurate snow amounts except to state they ranged from about four inches to close to a foot-and-a-half in some portions of southeastern

and south-central Wisconsin.

The gale force winds, however, were the major problem. Despite the high moisture content, the roaring northeasterly winds caused the snow to swirl, building drifts over three feet high in many areas and on the

Over 300 Cartons of Cigarettes Stolen

Break-In at Sentry Foods

By GERRY MUELLER
Statesman Staff Writer

The Sentry Food Store in Kewaskum was added to the village's list of thefts, which have occurred over the past 3½ weeks. This eighth and latest incident happened last Thursday night, Nov. 29th sometime between 9:30 and 12:00 p.m.

According to the Kewaskum Police Department's report, an officer on routine patrol discovered the break-in. Entrance to the store was gained by breaking the glass door on the southwest side of the store with a 10" rock. The officer entered the hallway and found the inner glass door also broken and an 8" rock laying inside the store.

Upon investigation, the officer found boxes of cigarettes and trash bags laying on the floor near the cigarette shelves. William Geidel, owner of the store, was notified of the forced

entry.

The time of the break-in was narrowed down by the fact that the last employes to go home left the store at about 9:30 p.m. and the theft was discovered at 11:59 p.m.

Police Chief Richard Knoebel said the robbery pattern follows that of several similar thefts throughout the county. In each instance entry was gained by breaking a door. The thief then went to the plastic bags section, took a box of trash bags and cleared out the cigarette section. Knoebel said the culprit struck this week in Richfield.

An inventory showed 368 cartons of cigarettes valued at \$6,000 were stolen from Sentry.

Chief Knoebel again asks that anyone who may have seen any suspicious individuals or cars in the area contact the department or call the Washington County 800 tip line.

Groundbreaking for St. Lucas School Addition Dec. 9

There will be a ground breaking ceremony to celebrate the start of construction for an addition to St. Lucas Evangelical Lutheran Congregation's School, located at 1420 Park View Drive, Kewaskum.

This ground breaking will be held on December 9, 1990 at 9:30 a.m. The public is cordially invited and encouraged to attend.

This addition will be approximately 7200 sq. ft. of

Gymnasium/Multi-purpose space and 13000 sq. ft. of classroom area added to the present school which has approximately 7200 sq. ft. of classroom area. The approximate cost of the addition

is \$480,000.00.

The project Architect is JP Storrs Co. and the General Contractor is W B Corp., both of West Bend. Construction is scheduled to start December 11th, weather permitting, and

be ready for occupancy before the start of the 1991-92 school year.

State Representative Michael Lehman will be present at the ground breaking.

St. Joseph's Hospital to Hold Open House to Introduce New Maternity Unit

The maternity unit of St. Joseph's Community Hospital is in the process of taking on a whole new image. In mid-December, the maternity unit will be located in the new addition of St. Joseph's Community Hospital and will be known as "The New Life Center." Twelve deluxe private rooms will provide everything needed for a safe delivery in a homelike setting. Each room is designed to accommodate you throughout your entire hospital stay.

Specialized comfort and care will be a part of the everyday routine in The New Life Center. Each family will have one nurse coordinating you and your baby's care. Each room has a comfortable seating area complete with a rocker and sofa. Siblings and grandparents are welcome during liberal visiting hours. Fathers are welcome anytime. Finally, before you go home, we invite the new parents to a special celebration

'The Christmas Story' Lecture at WB Gallery

On Sunday, Dec. 9, at the West Bend Gallery of Fine Arts from 2 to 3:30 p.m., Joanne Charlton, art historian and lecturer, will take you on an arm-chair trip around the world to rediscover our rich visual traditions surrounding the CHRISTMAS STORY. What a wonderful way to start the Holiday Season!

The lecture is open to the public and reservations are not necessary. A free-will donation is suggested.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend. Normal gallery hours as of December 1, are Wednesday through Saturday, 10 a.m. to 4:30 p.m. and Sunday, 1 to 4:30 p.m. There is no admission charge.

On average, Salt Lake City, Utah gets 17 inches more snow a year than Fairbanks, Alaska.

dinner.

The New Life Center will continue to offer resources to support new parents and families as they make this transition in their lives. Our lactation consultant is available for breast-feeding concerns through classes before and after delivery and for individual counseling.

Our prenatal programs offer classes for mother in preparation for labor and delivery, C-Sections and a refresher class. Sibling classes are available for children ages 2½ to 10 years of age. The

staff is continually looking for creative ways to offer information to our families.

St. Joseph's Community Hospital will be holding an open house for the public on Saturday, December 15 from 11 a.m. to 4 p.m. Everyone is welcome to come and tour the New Life Center.

4-H NEWS

The November meeting of the Kettle Moraine Kids 4-H club was held at the home of Mr. and Mrs. Briggs at 6:30 p.m. on November 8.

Our window display with the theme, "Kettle Moraine Kids Wants You!" received a second place red ribbon.

Jackie Briggs reported on the officer's training meeting and Carrie Stoffel reported on the Halloween party.

All members are to bring a non-perishable item to the next meeting and the club members will wrap them up to give to the elderly for Christmas. New rules were set for absent members.

The next meeting will be held on Thursday, December 13, 1990, at 6:30 p.m. at the Liegl's home unless a new meeting place is found.

Respectfully Submitted,
Reporter/Historian

The PTO Appreciation Dinner
was delicious.

THANK YOU!

I would like to send out a big THANK YOU to all the people who helped make the benefit dance such a wonderful day:

To my fellow officers at the Washington County Sheriff's Department who organized the dance; the band - Rebound, that plays such great music; the Amerahn Hall to accommodate the huge crowd; the people who sold and bought tickets; the nurses at St. Joes and all the friends and relatives who donated the fantastic array of baked goods; Jim & Dave's bowling team, who donated the ham and hot dogs, and operated the food sale; all the stores that donated food and supplies; the bartenders; Vital Care for the popcorn sale; those operating the liquor raffle and the Jail and Bail booth; the businesses and individuals who donated all the great door prizes; and anyone else who helped in any way.

Words cannot express how I felt that day, and how much your caring and support means to me and my family. I sure appreciate all the cards and letters, and the love-lights on the hospital tree.

Thanks again, and...
GOD BLESS YOU ALL!

Sunny the Drug Detective Pays a Visit

Youngsters at Wayne Elementary School crowded around Sunny and his partner Milwaukee County Deputy Sheriff Ken Kujawa. Despite the seriousness of their jobs, drug detecting dogs have to be able to socialize with people and handle crowds. Every pat was appreciated according to Sunny's wagging tail.

It was on the job and all business as Sunny located the box which contained drugs during a demonstration at Wayne School. Sunny tore open the container and stuck his nose inside to indicate his find to partner Kujawa.

By GERRY MUELLER
Statesman Staff Writer

Students at the Wayne and Farmington Elementary Schools had the opportunity to see Sunny work when he visited their schools last Thursday.

Sunny is a three-year-old Golden Retriever dog who works for the Milwaukee County Sheriff's Department. His job is to locate hidden drugs. Sunny has been working for the department since 1988. His human partner Deputy Sheriff Ken Kujawa, has been with the Drug Enforcement Division since 1984.

It is the job of Sunny and Kujawa to search for illegal drugs which may be hidden in anything from a cardboard box to an airplane and they are on-call 24 hours a day. Kujawa said he and his partner are called on to travel all over Wisconsin and neighboring states to assist law enforcement agencies in drug searches and

investigations.

Sunny is the younger canine member of the department's two drug search teams. The senior member is another dog named Merlin. Merlin, who is 11 years old, is scheduled for retirement from the department in the near future.

Besides the two drug teams, Milwaukee County has two dog and officer teams which have been trained strictly for explosives detection. The dog and officer train together for about three months before going to work in the field.

Sunny is a friendly tail-wagging orphan who was rescued from an east coast humane society and trained at a special police academy in Virginia. "It takes a special dog to be a drug detective," said Kujawa. "The best breeds are hunting dogs not only because of their hunting instincts but of their friendly personalities which are also taken into

account. "We need a dog who can go among and mingle with people. Even then, only one out of twenty dogs has the potential to become a drug sniffer. For German Shepherds, the ratio is only one in thirty-five."

"Sunny gets to do some things your family dog would get punished for," said Kujawa. "He can bite, scratch and tear open boxes, furniture and anything else he has a mind to, but only on the command to go to work." That is the way the

dogs are trained to indicate the location of drugs. When his job is done, Sunny's reward is to play with his favorite toy.

Kujawa said the Bomb Squad dogs indicate the location of bombs by sitting next to the container or suitcase. "You sure wouldn't want them to tear open a box." Each dog is trained for a specific job, we want them to concentrate and not be distracted by other scents, noted Kujawa.

Sunny and Deputy Kujawa

were invited to visit the Kewaskum School District by Washington County Deputy Sheriff Brian Bausch as part of his DARE (drug awareness and resistance) program for elementary school students.

Washington County Sheriff Robert Schulteis said his department is in the process of obtaining its own drug search dog. "We presently use the services of Sunny and the West Bend Police Department's dog Gero," said Schulteis.

Wisconsin Pioneers Program to Promote Wrestlers' Health

Madison, Wis. — Beginning in late fall, many Wisconsin high school athletes will be part of the nation's first program to promote better dietary and exercise habits by setting wrestling weights standards validated by the University Hospital Sports Medicine Center.

Nearly 150 Wisconsin high schools (out of 350 member schools) have volunteered to participate in the second year of the Wisconsin Wrestling Minimum Weight Project, sponsored by the Wisconsin Interscholastic Athletic Association (WIAA). The project, which is being phased in over three years, is the first statewide effort in the nation to establish minimum weight standards for high school wrestlers while encouraging healthy competition through nutrition education. Recent research conducted by the Sports Medicine Center at UW Hospital and Clinics helped form the scientific basis for the project.

"The weight project is designed to protect the health of these young people in a critical growth period in their lives," says Don Herrmann, assistant director of the WIAA and co-director of the project. "We regard it as a proactive approach to prevent abuses and we have been particularly careful to design it on a scientific basis."

Interscholastic wrestling is popular in Wisconsin: Every year, nearly 8,000 high school students compete in the sport, which is defined by 13 weight classes established to ensure fair competition by limiting differences in size and strength between competitors. It is one of the few sports in which athletes must step on a scale before competing.

An estimated 20 to 25 percent of those who compete choose to lose weight to drop to a lower weight class, says Randy Clark,

coordinator of exercise science and team evaluation at the Sports Medicine Center. While most wrestlers shed pounds sensibly, some choose unhealthy or dangerous methods, such as the use of rubber suits or saunas to cause dehydration, to achieve their goal.

"We hope to prevent the cycles of weight gain and loss and the common practice of severely restricting fluid intake before weigh-in," Clark says. "There is also concern about the more extreme weight-loss methods such as diuretics, laxatives, continuous spitting, even bloodletting."

Because of the potential health hazards of such practices, both the American Medical Association and the American College of Sports Medicine have issued statements strongly discouraging the practice of weight-cutting. Dr. Ron Harms of Shawano, co-director of the project, says numerous studies have shown that heart and kidney function, heat regulation and electrolyte balance, as well as athletic performance, can all be negatively affected when athletes lose weight too rapidly.

Under the new program, a minimum weight is established for each wrestler based on a level of 7 percent body fat. They may not wrestle at a weight class below this weight. Wrestlers who naturally fall below 7 percent will not be allowed to wrestle below their current weight and must obtain a doctor's clearance stating they are naturally at a body-fat percentage lower than 7 percent. The program also recommends a weight-loss limit for all athletes of three pounds per week.

One of the key elements of the program is nutrition education for athletes, coaches and parents. Wrestlers and coaches will receive a booklet on healthy weight control, and schools will receive videotapes and handouts on nutrition. Every school will also have access to a registered dietitian.

Herrmann, Harms and Clark are encouraged by the number

of schools participating in the voluntary program this season. They say that with continuing education of athletes, parents and coaches, the minimum weight project will be an important first step in promoting better eating and exercise habits among young wrestlers.

Teacher

There is a seven year old boy from Hartford, Wisconsin who has a brain tumor and has very little time to live. He has made a wish, as expressed to the Children's Wish Foundation, to have an entry in the Guinness Book of World Records for the largest number of get well wishes ever received by an individual.

I'm sure that we all can find a little time in our busy lives to help fulfill this simple request. Please take the time to send him a get well card. This is the time of the year that we wish each other peace and goodwill. Let's help to make a little dying boy's dream a reality.

Please take the time to send a card or letter to:

WINTER PARKING

The Winter Parking Restrictions and Snow Emergency Parking Restrictions went into effect on December 1, 1990.

Municipal Code Section 7.04(3) **Night Parking Restrictions**, reads as follows: Signs have been erected at or reasonably near the corporate limits as provided in Section 349.13, Wisconsin Statutes, no person excepting physicians or licensed emergency vehicles on emergency calls, shall park or stop any vehicle on any public street or highway within the village between the hours of 2:00 A.M. and 6:00 A.M. from December 1, to April 1, of each year; provided that, notwithstanding such restrictions vehicles may be parked a period of time not longer than 3 minutes for actually loading or unloading of passengers, and provided further that no other regulation restricting parking as to place, time, or manner violated thereby.

The fine for violating the ordinance is:

\$5.00 if paid within three (3) days of the issuance of the parking citation.

\$10.00 if paid after ten (10) days but before 28 days.

After 28 days, the amount is \$20.00 and a notice will be sent to the Motor Vehicle Department to suspend your vehicle registrations and refuse renewals until the citation is satisfied.

An important fact is the owner of the vehicle is responsible for the payment of the citation whether or not he was the operator.

Municipal Code Section 7.04 (4) **Removal of Illegally Parked Vehicles**. This section covers the issuance of citations to and possible removal of such vehicles in violation of this ordinance. In addition to other penalties provided by Section 7.04(6) of this code, the owner or operator of a vehicle so removed shall pay the cost of towing and storage.

December Music Planned at UWWC

A December full of music is planned at UWWC. Free concerts are planned in Port Washington, Grafton, Holy Hill and in the University Theater on campus. The public is welcome to attend all of the events.

UWWC Professor Albert Asch will direct the Moraine Symphony Orchestra at a Cathedral Concert on December 9. The Symphony will perform with the St. Paul's Lutheran Church Choir, mens chorus, bell choir, and organist at St. Paul's Lutheran Church in Grafton. There will be opportunities for the audience to sing some favorite Christmas carols. The choirs and the orchestra will combine for several numbers. The orchestra and the bell choir will perform "The Carol of the Bells." The Orchestra and the choirs will perform The Hallelujah chorus from Handel's Messiah. The concert begins at 3:30 p.m.

The night of Tues., Dec. 11 UWWC will be filled with the sounds of student musicians performing a free concert in the University Theater. The concert will feature the UWWC vocal ensemble directed by Nancy Van Brunt, the trombone quartet, the woodwind ensemble, a harpsichord and guitar duet, and a Jazz trio. This annual event begins at 7:30 p.m.

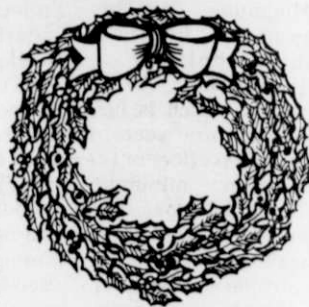

UWWC's popular Fine Art

Series Trip to the Milwaukee Ballet's production of "The Nutcracker" will occur on Dec. 15. The event is already sold out.

Two concerts are planned for Sunday, Dec. 16. An afternoon concert of the Moraine Area Chorus, directed by Associate lecturer Nancy Van Brunt, will be held in the University Theater at 2 p.m. At 7:30 p.m. the Lakeshore Symphonic Band will feature a seasonal

Cathedral Concert at 7:30 p.m. at Holy Hill. They will perform Christmas Intrada, Bell Carol Fantasy, Christmas Fantasia, What Child is This, Tocatta by Frescobaldi and Prelude and Fuge by Bach. Also featured on the program will be a flute trio playing Christmas music. Top off your Christmas season with a visit to this magnificent cathedral in Washington County.

HAROLD G. MEISENHEIMER

Harold G. Meisenheimer, 84, of Kewaskum, passed away on Monday, Dec. 3, 1990 at Community Memorial Hospital in Winona, Minnesota.

He was born on May 11, 1906 in West Allis, the son of the late Charles and Jennie (Heideman) Meisenheimer. On November 7, 1931, he was united in marriage to Helen Ramel at St. Lucas Lutheran Church and she preceded him in death on August 23, 1980.

Mr. Meisenheimer worked for the Aluminum Company, then Regal Ware for forty years, retiring in 1971.

He was a member of the St. Lucas Lutheran Church, Kewaskum, and the 25 Year Club of Regal Ware.

Survivors include a son, Donald (Janet) Meisenheimer of West Bend; a daughter, Darlene (Jerome) Klein of Winona, Minnesota; two brothers, Jerome (Lillian) Meisenheimer of Hemet, California, and Gordon (Joyce) Meisenheimer of Anaheim, California; a sister, Eleanor Schweitzer of West Allis; seven grandchildren and seven great-grandchildren.

Funeral services will be held at St. Lucas Lutheran Church, Kewaskum, at 1:30 p.m. on Friday, Dec. 7, with Rev. Edwin Fredrich officiating. Burial will be held in the Lutheran Memorial Park, Kewaskum.

Friends may call from 4 until 8 p.m. on Thursday, Dec. 6, at the Miller Funeral Home, Kewaskum, and from noon until service time at the church on Friday.

Memorials to St. Lucas School Building Fund appreciated.

First Winter Storm

The 50 to 60 mile-per-hour winds caused white-outs reducing visibility to zero during Monday's blizzard.

After the winds let up Tuesday, snowdrifts more than four feet high dotted the landscape. This drift rose more than two feet over a four-foot snow fence which just peeks out of the snow at the left of the photo.

roads. Frequently there were complete "white-outs" with zero visibility.

By early afternoon the Washington County Sheriff's Department had called most of its officers off the roads because

of the dangerous conditions, with responses to only the most serious situations.

Snowplowing operations were almost futile as the blowing and drifting defeated crews' efforts to open roads in the county.

Monday night the winds switched to the northwest and although still gusting, much of the fury had left the area.

Schools and businesses throughout southeastern Wisconsin, as well as other parts of the state, were closed Monday. The entire city of

Madison, including all government offices, was shut down with blizzard conditions dropping almost 17 inches of snow by late Monday night.

While many area schools announced they would be open but running two hours late Tuesday, road conditions had not improved sufficiently and by shortly after 8:00 a.m., Kewaskum, along with neighboring school districts announced classes had been cancelled and would remain closed for a second day.

Kewaskum's Christmas

(Continued from Page 1)

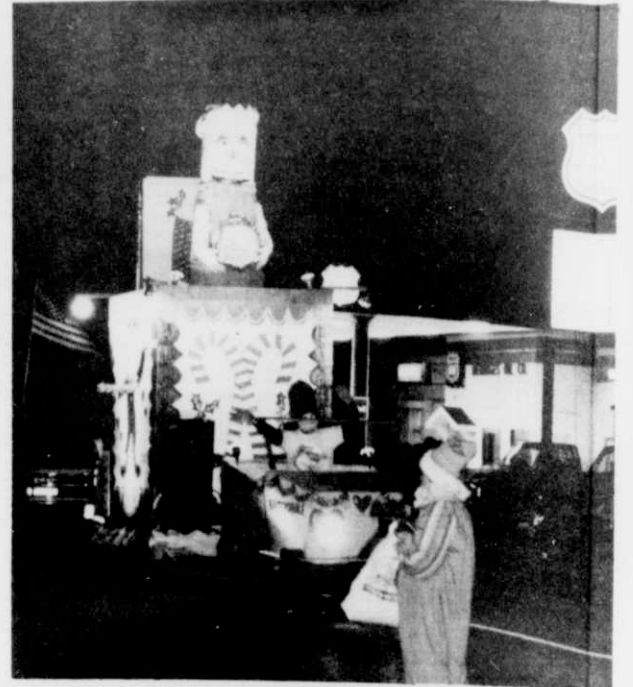

- Kewaskum Sno-Chiefs Snowmobile Club, fifth place - Family Hair Salon and sixth place tie - Miller's Furniture and Kewaskum Frozen Foods.

The evening's activities concluded with the AAL tree lighting and a short musical program by the Kewaskum High School Band and choirs from St. Lucas, Peace and Holy Trinity churches.

The Kewaskum Area Chamber of Commerce would like to thank all those who participated in the parade as well as the spectators for joining our second annual celebration. We look forward to seeing all of you next year.

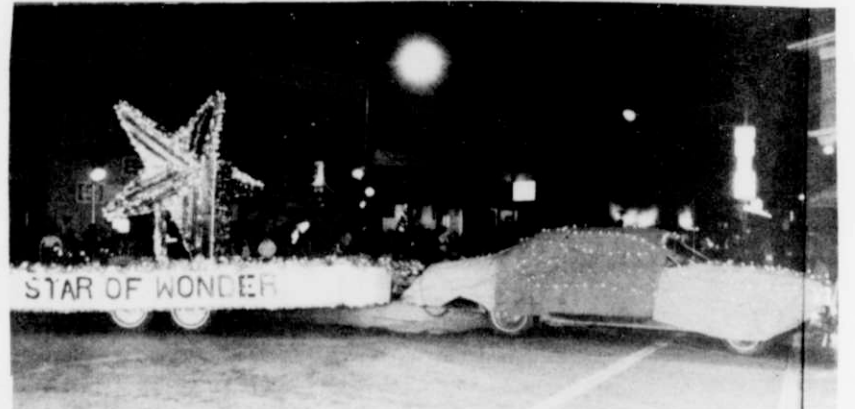

The Sentry Foods/Hon-E-Kor float captured the second place award.

Tennies Hardware's giant "Bart-In-The-Box" float won third place. A Christmas elf in the foreground handed out bags of candy to youngsters along the parade route.

The Kewaskum FFA Alumni float received the Kewaskum Chamber of Commerce's President's Award.

The Kettle Moraine Sport Riders' "Star of Wonder" float sparkled its way down Main Street. The float won the Kewaskum Statesman Special Mention award.

The Jolly Old Gent himself... Santa Claus, brought Kewaskum's second annual Christmas parade to a close after a 40 minute display of color, lights and beautiful Christmas music.

The New Fane Kettle Riders holiday scene included Frosty the Snowman.

The St. Lucas Church Choir sang as the AAL Christmas tree was lit.

4th Quarter Estimate Tax Due Jan. 15th

The Internal Revenue Service reminds people who make estimated tax payments that the fourth installment for 1990 is due on January 15, 1991.

The payment should be sent to the IRS along with the fourth quarter voucher from Form 1040ES, Estimated Tax for Individuals. To be sure that the payment is properly credited to your account, the IRS asks that you write your social security number and the words, "1990 Form 1040ES" on the check.

Usually, people who are self-employed or have income not covered by withholding, such as interest, dividends, or rental income, are required to make estimated tax payments. If you had two jobs at the same time this year or were laid off

and received unemployment benefits, you also may need to make these payments. A good rule of thumb, the IRS says, is to make an estimated tax payment by the January deadline if you expect to owe \$500 or more in federal tax at the end of this year. To avoid a penalty, at least 90 percent of your tax liability must be paid during the year.

A worksheet on Form 1040ES can help you figure the correct amount due. A free booklet, Publication 505, has more information on estimated tax. To order, call the IRS toll free at 1-800-TAX-FORM (829-3676).

Tele-Tax, the IRS' automated system of prerecorded tax information, offers a quick summary of estimated tax rules. Dial 1-800-829-4477 and request tape number 156.

The Kewaskum Sno-Chiefs Snowmobile Club "Mystical Magical Moment" float received fourth place.

The float entered by Family Hair Salon won fifth place.

200 Citizen Advocacy Coupon Books Sold

Citizen Advocacy of Washington County has now sold 200 of its Entertainment '91 coupon books. Sales of the two-for-one coupon books for fine dining, sports, travel, lodging and fun continue. Books are \$30 each.

"The books contain more local coupons than ever, which may be why they are going so quickly," says Sue Moser, Citizen Advocacy executive director. "Or, perhaps people have found that they are

exciting holiday gifts. Whatever the reason, they're being purchased at a record pace."

Entertainment '91 coupon books are valid from Dec. 2, 1990 to Dec. 1, 1991, for such Bradley Center attractions as the Admirals, the Bucks, the Wave and Marquette basketball. There are also two-for-one bargains at selected Milwaukee movie theaters, local and area restaurants, the Milwaukee Ballet and the Florentine Opera.

Statewide attractions range from the Wisconsin Dells Ducks to the Green Bay Packers Hall of Fame.

Persons wishing to purchase coupon books can call the Citizen Advocacy office, 2375 W. Washington St. (Highway 33 West), Suite 107, in West Bend. Dial 334-3384 in West Bend, or 255-6702 in Germantown. The books are \$32 by mail.

Citizen Advocacy, a nonprofit agency, serves the county by recruiting volunteers as advocates for people with disabilities.

Work is something other people think of for you to do, and play is what you think of for yourself.

West Bend Gallery Announces New Hours

The West Bend Gallery of Fine Arts has announced new hours effective as of December 1. The gallery will be open Wednesday - Saturday 10:00 a.m. - 4:30 p.m. and Sunday 1:00 - 4:30 p.m.

The West Bend Gallery of Fine Arts located at 300 South 6th Avenue in downtown West Bend was founded in the early 1960s to exhibit the work of local and national artists. The gallery also houses the world's largest collection of the renowned Milwaukee-Munich artist, Carl von Marr.

A variety of appealing programs including monthly

exhibits, social activities, films, lectures and armchair travelogues are also offered. They also provide professionally - - instructed classes in painting, drawing, pottery, etc.

Also available for viewing by visitors to the gallery is the Walter A. Zinn Doll house. About 700 miniature items grace the 27 rooms, garden balcony and front yard.

There is no admission charge. The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend.

Flying Eagle Den Report

In October the Flying Eagles worked on and earned our Geologist badge. We learned about rocks and minerals by studying rock samples we had collected. We made a hardness kit and we constructed a volcano.

In November we worked on

our Citizenship badge and we collected food for needy families.

We finished our month by making "ornaments on a stick" for the Christmas Parade.

CHANGE ADDRESS WITH SOCIAL SECURITY

By David W. Becker, Branch Manager

One of the most common reasons people fail to get their Social Security check when they expect it is that they did not report a change of address to Social Security. It's important that people who have direct deposit report their address changes as well.

Some people think that all they have to do is notify the post office of their change of address. The post office will only forward mail to the new address for one year. After that, all mail that does not show the new address, including Social Security checks, will be returned to the sender.

If you have your benefit deposited directly into a bank and don't report your new address, you run the risk that your benefits may be interrupted. Periodically, Social Security checks to make sure the proper person is getting benefits. If there is no answer to our mailed inquiry, if our letters come back marked "undeliverable," your benefits may be stopped. Also, if you have direct deposit and we don't have your correct address, you may miss getting important information that may affect your benefits.

It's easy to report a change of address. All you have to do is

PUBLIC NOTICE

Recently, Honeck Chevrolet of Kewaskum announced that it will discontinue operation as a business and,

We know that the former customers of Honeck Chevrolet have become accustomed to fair, honest, and friendly service and,

That such an exemplary dealer-customer relationship can only be established by maintaining a high level of service over a long period of time.

Therefore, Schwartzburg Chevrolet Oldsmobile Geo feels it has established a good rapport with its customers and is qualified to continue the Honeck tradition by offering honest and fair treatment, full disclosure in all dealings, a friendly atmosphere, and a genuine interest in the customer's needs. And,

We at Schwartzburg will welcome Honeck's customers needing warranty work, will maintain a full inventory of vehicle parts for fast service, and will offer a generous trade-in for those former customers who are ready to buy another car or truck. And,

We pledge to strive for the very highest level of customer sales and service satisfaction at Schwartzburg Chevrolet Oldsmobile Geo.

There will be a special district meeting Monday, Dec. 6, at 8 p.m., of the Kewaskum Community High School District No. 2 for the purpose of obtaining authorization from the electors of the district to borrow \$46,500.00 to build an addition to the high school, to improve certain areas of the existing building and to equip the addition. The school district has already held two referendum elections on the addition and both times the proposal was voted down. The Board of Education is now calling a special meeting rather than a referendum for several reasons: 1. The high school gym can handle three or four times the number of people who have voted on previous referendums. 2. The meeting will give electors a chance to discuss the question previous to voting. 3. The type of borrowing involved could be refinanced should the district become an integrated unit. 4. A meeting is far less expensive than a bond issue referendum.

Three members of one family had a narrow escape at their home near St. Kilian Sunday morning Dec. 1, when they were overcome by gas which seeped into the house from a Delco plant when the exhaust outlet of the plant became covered with snow. Those overcome were Mrs. Oscar Batzler, son Manuel and infant daughter. Other members of the family were attending church at the time. Three-year-old Manuel complained first of having a headache, but soon the mother also noticed she was getting a headache. She took two headache tablets, however,

they failed to help and the headaches grew steadily worse. She noticed the boy acting strangely and he fell to the floor but by that time she, too, was getting too drowsy to go to his assistance. She was on the floor holding her two-month-old baby at the time. This is how Mr. Batzler and sons Hilary and Harry found them when they returned from church. Dr. Leo Hoffmann of Campbellsport was immediately summoned. When Dr. Hoffmann arrived he immediately opened the doors and windows. After Mrs. Batzler, her son and baby were unconscious for about three hours the fresh air and frantic work by the doctor and members of the family finally revived them.

Mrs. Walter Molhenthine, 26, beloved young woman of R. 2, Campbellsport, passed away in childbirth on Monday, Dec. 2, at St. Agnes Hospital, Fond du Lac. Mrs. Molhenthine was removed to the hospital last Friday and the baby, a daughter was born dead early Monday. Hemorrhages followed the

childbirth and the young mother passed away the same day. The young woman was the mother of five children, three of whom predeceased her. Those surviving along with her husband Walter, were children Vernon and Sylvia.

Delbert Petermann, son of Mr. and Mrs. Henry Petermann, Town of Auburn, suffered a very painful accident while at work at the West Bend

Aluminum Company plant, Tuesday, Nov. 26. He lost three fingers on his left hand which were cut off while he was at work on a draw press. Although a fast operating machine, the press was well guarded and Delbert is unable to explain in what manner he happened to get his fingers caught. He lost the two middle fingers

August Firks, aged 90 years 3 months and 20 days, passed away at his home at New Fane on Thanksgiving Day, November 25, after an illness of only ten days. Death being due to the effects of the fracture of a hip. Mr. Firks leaves to mourn his loss his wife Wilhelmina and the following children namely: August, William, Mrs. Emilie Meilahn, Mrs. Anna Trost, Henry, Frank, John, Otto and Mrs. Lina Ferber. Last summer the aged couple had the opportunity of celebrating

the 60th anniversary of their wedded life.

Accidents of the week. Last Sunday evening while Clarence Weinert, aged 8 years, son of Mr. and Mrs. Jacob Weinert, Town of Kewaskum, was cutting feed with a feed cutter he had the misfortune of having the thumb and forefinger of the left hand completely taken off. The young lad suffered immensely until medical aid was summoned. We, are, however glad to report that he is getting along nicely. Arnold, the youngest son of Mr. and Mrs. Fred Ramthun, Town of Kewaskum, had the misfortune of breaking his right arm one day last week. Martin Bassil last Tuesday night while going from one room into another to treat a sore leg made a mistep and fell down the stairway and suffered a fractured rib and other minor bruises. While Walter Liepert and Aug. Voecks Jr., were engaged in white washing a chicken house for

Julius Etta in the Town of Farmington last Monday their outfit froze up. It was necessary to thaw open the machine and while doing so the hose attached with a 200 lb. pressure burst, the whitewash forcibly striking Mr. Liepert in the left eye. Medical aid was summoned and we are glad to report the sight of the eye will not be lost.

Village of Kewaskum NEWS NOTES 'Snow and Ice Removal'

The snow and ice season has arrived bringing along some problems. To alleviate the problem or to clarify a few items let us refer to the Municipal Code, Chapter 8.09, which covers "Snow and Ice Removal."

I. Sidewalks to be kept clear. The owner or occupant of any lot or parcel shall promptly each day remove all snow and ice which may have fallen or accumulated upon the sidewalk in front of each lot or parcel; provided, when ice has so formed that it cannot be removed, the owner or occupant shall keep the same sprinkled with a material which will prevent the sidewalk from being dangerous to pedestrians. If the owner or occupant fails to comply with this subsection, the Superintendent of Public Works shall cause the snow or ice to be removed or sprinkled as required in this section and the cost thereof assessed against the property as a special tax.

II. Snow not to be deposited in the streets. No person shall cause to be deposited snow from his premises or sidewalk abutting thereon onto any street in the Village without a permit from the Superintendent of Public Works who may require to be paid a fee sufficient to reimburse the Village for the cost of removal of such snow.

III. Other sidewalk hazards. This is the deposit of or washing of gravel from a private driveway onto a sidewalk. We ask that this gravel also be removed promptly. It should be noted that not only does this gravel create a hazard on the sidewalk, but when it ends up in the gutter it blocks water drainage and eventually blocks/plugs storm sewers.

As for this and all ordinances a penalty is also provided for in Chapter 25.04 of this Municipal Code.

MODEL MAKER II

Minutes of Village Board Meeting

Mid-Monthly Meeting
November 26, 1990
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First St.

President Paul Blumer presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Larry Williams, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the minutes of the November 5, 1990 were approved as printed.

Washington County Supervisor Daniel Stoffel appeared before the Board to inform them as to the status of a County-Wide Household Hazardous Waste Collection. The matter looks promising and may include farm chemicals as well. The timing may not be good for Spring, but better for the fall of 1991. He also informed the Board the County-Wide Library Board only had two interests in the Kewaskum Public Library and they were, 1) that all moneys given for library service be used for library service, and 2) that all county residents are provided free library access. The matter of the FAX machine location and its use is up to the discretion of the Village and Library Boards.

The public hearing was held on the proposed budget for 1991. It was noted the Department Heads were present as well as one reporter for the public hearing. The Board reviewed the proposed budget noting the budget increased 3.3% or \$41,463. The tax levy decreased 2.6% while the village tax rate decreased 5.1% or \$374 per \$1,000 of assessed value. The rate for the year ending December 31, 1990, is \$6.99 per \$1,000 of assessed value.

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

The public hearing was held on the TIF/CIP, Special Revenue Fund and Debt Service Fund budgets for 1991. The Board reviewed the three budgets and their impact.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Thomas McElhatton and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

The public hearing was held on the Water Pollution Control Department budget for 1991. The Board reviewed the budget. On a motion by Trustee Robert Beisbier, seconded by Trustee Mary Krueger and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

The public hearing was held on the Water Department budget for 1991. The Board reviewed the budget. On a motion by Trustee Gary Gavin, seconded by Trustee Kenneth Bonlender and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

Chief of Police Richard L. Knoebel informed the Board that the New Fane Sportsmen donated \$300.00 to setup a finger printing program for the children of the area.

Superintendent of Water Pollution Control Department Peter Albers reviewed some options available to the billing of Kewaskum Frozen Foods regarding their sanitary sewer account for the third quarter. Dr. Ray Kipp, Marquette University/The Engineering Research Foundation is recommending to the Board using five, third quarter results and taking an extra sample and averaging the figures for a revised billing. It was noted the flow and original sample will stand with the sample results being included in the averaging.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Mary Krueger and carried by the majority voice vote, with Trustee Robert Beisbier abstaining, the Board accepted the recommendation of Dr. Kipp and authorized the WPC Department and the office to follow-up with the revised billing process.

Administrator Daniel S. Schmidt reviewed the budget control sheet for the month ending October 31, 1990 and discussed the outcome of a meeting held with the Wisconsin DOT regarding the bridge replacement on Fond du Lac Avenue (USH 45). The bridge is still to be replaced with culverts in 1991 with the sidewalk and miscellaneous work to be completed later. The end results were favorable with substantial cost being picked up by the State DOT and the estimated year of construction being 93/94. Administrator Schmidt also discussed several other brief correspondence.

Chairman of the Public Service Committee, Trustee Larry Williams discussed briefly with the Board the survey sent out by the County Emergency Government Director regarding household hazardous waste.

Chairman of the Park and Recreation Committee, Trustee Thomas McElhatton reviewed the Winter Recreation Program with the Board which begins December 1, 1990. The Administrator was asked to send

a follow up letter to the Softball Association requesting their financial information for the year 1990.

Board Representative for the Mid-Moraine Municipal Association, Legislative Committee, Trustee Robert Beisbier gave a brief update of the last meeting.

Final discussion was held on the proposed 1991 budget, which had been presented at the public hearing. On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the 1991 budget and the "Memo to all Tax-payers". The Board thanked the Administrator and staff for a job well done.

On a motion by Trustee Mary Krueger, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board approved the TIF/CIP, Special Revenue Fund and Debt Fund as presented at public hearing.

Action was taken on Resolution No. 90-33 setting the 1990 tax rate as attached hereto:

On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board approved the Water Pollution Control Department budget for 1991 as presented at public hearing.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board approved the Water Department budget for 1991 as presented at public hearing.

Action was taken on Ordinance No. 90-7 an Ordinance Creating a Municipal Court for Washington County as attached hereto:

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved and authorized the signing of the agreement to enter into the Washington County Municipal Court System.

On a motion by Trustee Larry Williams,

seconded by Trustee Robert Beisbier and unanimously approved by voice vote, the Board approved the Village President's appointment of Daniel S. Schmidt to serve as the Village's representative on the Municipal Court Board and to have Janet Knops serve as the alternate representative on the Municipal Court Board.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved and authorized the signing of the Town of Auburn's 1991 Fire Service Contract as proposed by the Board. The cost is \$25,147.00 for said contract for 1991.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board approved the list of poll workers for the Democratic Party as submitted.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board approved the list of poll workers for the Republican Party as submitted.

Administrator Daniel S. Schmidt distributed a letter and two proposals as prepared by the Engineers regarding the adjustment of rates for the Water Pollution Control Department. It was noted that Mr. Abramson would attend a Board meeting at which time he would review the information.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Larry Williams and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1)(c) of the statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

ORDINANCE NO. 90-7 1990-91 COUNCIL

An Ordinance Creating a Municipal Court for Washington County

The Village Board of the Village of Kewaskum, Washington County, Wisconsin do ordain that Section 9 of the Municipal Code of Kewaskum is hereby created to read as follows:

9-18 MUNICIPAL COURT

1. Municipal Court Created.

There is created and established a Municipal Court, to be designated as the "Municipal Court for Washington County", under the provisions of Chapter 755 of the Wisconsin Statutes, and pursuant to the Agreement for the Operation of a Municipal court for Washington County ("Agreement"), a copy of which is on file with the Clerk.

2. Municipal Judge.

The Municipal Court shall be under the jurisdiction of, and presided over by, a Municipal Judge who shall be an attorney licensed to practice law in Wisconsin, and who resides in any of the Member Municipalities as defined in the Agreement. The Municipal Judge shall be elected at large in the spring election for a term of two years commencing on May 1 of the year of his election. The first Municipal Judge shall be elected for a term commencing on May 1, 1991. The governing bodies of the Member Municipalities shall provide for a primary election in the event that more than two candidates file nomination papers for the position of Municipal Judge.

3. Bond.

The amount of the bond required by Wis. Stat. sec. 755.03(1) is hereby established at \$5,000.00.

4. Hours.

The Municipal Court shall be open at such times as determined by the Municipal Judge subject to the Agreement.

5. Contempt.

The Municipal Judge is authorized to impose forfeitures for contempt and jail sentences for nonpayment as provided in Wis. Stat. sec. 800.12.

6. Jurisdiction.

This section shall not be construed to limit the jurisdiction of the Court granted by the Wisconsin Statutes nor shall it be construed to limit the Court's authority to impose penalties as set forth in the Statutes.

The Village Board do further ordain that the above created section of the Municipal Code shall be effective immediately following its adoption and publication as provided by law.

PASSED, ADOPTED AND APPROVED this 26th day of November, 1990, by the Kewaskum Village Board.

Minutes of Village Board Meetings

Village of Kewaskum
Plan Commission
November 27, 1990
8:00 P.M.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. Members Gerald Stollenwerk, Jeffrey Rohrer, Raynor Herriges and Administrator Daniel Schmidt asked to be excused and were absent. Members present were Mary Krueger, Mark Slaughenhoup, Donald Mlodzik and Zoning Administrator Richard Zarleng.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Mark Slaughenhoup, seconded by Donald Mlodzik and unanimously carried by voice vote, the Commission approved the minutes of September 25, 1990, as printed.

The Commission reviewed the request of Dr. Cesar Sison for a conditional use permit to allow for a second CBR facility within 2,500 feet of his existing building. On a motion by Donald Mlodzik, seconded by Mark Slaughenhoup and unanimously carried by voice vote the Commission recommended the conditional use permit be granted and sent the matter to the Village Board for public hearing. (Note the public hearing is scheduled for December 10, 1990 at 8:00 p.m.)

On a motion by Mary Krueger, seconded by Mark Slaughenhoup and unanimously carried by voice vote, the Commission recommended the proposed certified survey map of the parcels of property located on the south side of First Street, known as tax key no. V4-0353. The recommendation request was sent to the Village Board for consideration. The Commission authorized the Village President and Administrator to sign the CSM upon completion. This property is known as the Felix lot and has a Zoning of R-2.

On a motion by Donald Mlodzik, seconded by Mary Krueger and unanimously carried by voice vote, the Commission recommended the proposed certified survey map of the parcels of property located on Parkview

Drive, known as tax key no.(s) V4-305 & 305A. The recommendation request was sent to the Village Board for consideration. The Commission authorized the Village President and the Administrator to sign the CSM upon completion. This property is known as the Bilgo lot and has a Zoning of R-2.

On a motion by Mark Slaughenhoup, seconded by Donald Mlodzik and unanimously carried by voice vote the Commission acknowledged the request of St. Lucas to construct an addition to their school over four adjacent lots. It was recommended the Village Board grant said building permit upon receipt of proper documentation and also sent a letter to the Village Assessor requesting that the four lots become one. This would give said parcel one tax key number. If needed the Assessor may request an assessors plat of the aforementioned land. This land is described by tax key no.(s) V-4 305A, 306, 307 and 613A.

On a motion by Mary Krueger, seconded by Donald Mlodzik and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 4 "Aye" 0 "Nay" 3 "Absent".

Indian Girls Fall to Ozaukee

KEWASKUM — The Kewaskum girls basketball team played well last Tuesday in its game against Ozaukee, but unfortunately playing well does not always constitute a victory.

The Indians blew a five-point lead in the third period, eventually losing to the Warriors 45-39. Indian coach Glenn Eichstedt did not have to look very far to find the reason for the Indian demise.

"We ended up with the same number of baskets as they did, but they had 13 more free throws attempts than we did," Eichstedt said. "That was definitely the difference in the ballgame."

Both teams had 16 field goals, but the Warriors were 14-27 from the free throw line, while the Indians made just 7 of 14 tries from the charity stripe. In the fourth quarter alone, Ozaukee was 6 for 12 at the line.

"I think we only went to the line five times the entire second half," Eichstedt went on to say. "We put ourselves in a position where we had to foul, and they were able to inch away from us."

Kewaskum jumped out to the early advantage in the contest, grabbing a 12-10 lead after one quarter of play. Ozaukee cut the Indians lead to just one, at 22-21 at halftime, but Eichstedt said that he wasn't overly concerned at that point.

"We knew we hadn't played our best in the first half, and we were still up by one point," the

Indian boss said. "We had a very poor shooting third quarter though."

The Indians connected on just 3 of 18 field goal attempts in the third, as Ozaukee forged ahead 31-29 heading into the fourth. But the Indians couldn't get much closer, as Ozaukee made enough of the free throws down the stretch to win.

"They had five players with seven or more points in the game," Eichstedt said of the balanced Warrior attack, which was led by Kim Klas's 10 points. Ozaukee also had four players grab six rebounds each.

The Indians were led by senior Kelly Rohlinger, who had 16 points. "She had a real consistent game," Eichstedt said. "She played very solid all the way through."

Nicole Doherty also "did a real nice job," according to Eichstedt. Doherty scored 10 points, while pulling down 11 rebounds for the Indians.

Hampering the Indians efforts was the fact that they had a pair of guards that were not at 100 percent. Brenda Falk injured her hip during the game and was not able to play. Also, Amy Chesak played her first contest after coming back from a bout with Mono.

"We didn't have a lot of guards available," Eichstedt said, although he did add that he thought his team had played one of its better games this season. "We're just having trouble getting to the free throw line."

Wildcat Women Improve to 4-1

WEST BEND — The UW-Washington County women's basketball team continues to post win after win early in the season. The Wildcats used some tough defense and a gutty comeback to capture a pair of wins last week to improve their overall record to 4-1.

On Monday night, the Wildcats used some pressure defense, which led to fast-break baskets as they defeated UW-Waukesha 71-51.

Despite the win, UWWC Coach Tom Brigham was not pleased with his team's rebounding. The Wildcats grabbed 37 total boards, including 14 on the offensive end, but Brigham said there was still room for improvement.

"We must work on boxing out on the boards," Brigham said after the game. He also noted that the Wildcats must "continue working on our deny defense."

That defense contributed to 17 steals on Monday, seven belonging to Rocky Justman. The 5-4 sparkplug from Kettle Moraine Lutheran finished with 15 points, as well as dishing out three assists.

That effort helped the Wildcats to a 33-19 halftime advantage, and while Waukesha made a couple of

runs at the Wildcats in the second half, UWWC fended off the challenge to win their third straight.

The Wildcat's shooting improved from their previous contests, as they hit 47 percent of their field goal attempts, as well as 62 percent of their free throw attempts.

Jenny Meyer led UWWC with 20 points and 12 rebounds, while Heidi Wagner chipped in 13 points, 10 rebounds and six assists. Paula Posbrig and Cari Schrader led Waukesha with 19 and 18 points, respectively.

On Wednesday night, the Wildcats found themselves in an awkward position in the first half of their game with Madison Tech, the team that beat UWWC in the state finals last year.

The Wildcats found themselves down by 17 points midway through the first half, but cut the deficit to just nine at halftime, then forged ahead in the second half, en route to a 59-53 come-from-behind victory.

"We did the things we had to," UWWC coach Tom Brigham said after the game. "We hit the boards better. That was one of the things we worked on quite a bit this week."

That work paid off nicely for the Wildcats. Jenny Meyer (18)

and Heidi Wagner (12) pulled down 30 of UWWC's 40 rebounds in the game.

"They played a key role inside," Brigham said of Meyer and Wagner. Meyer led the Wildcats in scoring as well, pouring in 30 points. "She will be marked from now on. That's why it's important to have all of the girls contributing."

Things didn't look good for UWWC early on, as the visitors used their speed to race to a big lead. After cutting the lead down to 34-25 at halftime, Brigham made a defensive change at halftime.

"We came out in a 2-1-2 zone in the second half," after playing a man-to-man defense in the first half. "We took away their passing lanes and played more aggressively. We also cut down on our turnovers."

After committing 16 miscues in the first half, the Wildcats had just eight in the second 20 minutes. UWWC negated most of those miscues, as they came up with 19 steals in the game. Wagner, along with Rocky Justman, each contributed eight points for the Cats.

"This gave the girls some confidence," Brigham said, noting that Madison came into the game undefeated and ranked number one in the state. "But we're still working on our chemistry and our cohesiveness."

Lady Indians Drop Conference Opener

KEWASKUM — It's been a problem for the Kewaskum girls basketball team early this season, and once again the Indians were outshot at the free throw line in their conference opener against Kiel.

The combination of not getting to the free throw line, missing free throws when they have them, and putting the opposition at the line too much once again did in the Indians, as they dropped the fourth straight game, a 51-41 decision to the Raiders.

"It's definitely a major concern of mine at this point," Indian Coach Glenn Eichstedt said of the Indians foul troubles. Kewaskum committed 28 fouls in the game, which allowed Kiel to have 45 free throw opportunities. Although the Raiders missed 26 of those, they still had the advantage over the Indians, who were just 11 of 27 from the charity stripe.

Despite the huge difference at the line, the Indians were in control of the game until late. Kewaskum held a 26-25 lead at halftime, and extended that to 37-33 after three quarters of play.

They were still ahead 39-34 early in the fourth, but soon after, senior Nicole Doherty, who was playing one of her best games of the year up to that point, committed her fifth foul and had to take a seat on the bench.

The Indians then began to rush things on offense, and Kiel took control of the game, scoring 17 of the games last 19 points to win going away.

"We seemed to be in too much of a hurry to take our shots," Eichstedt said of the team's fourth quarter woes. "We were in a position to control the game, but we seemed to play like we were behind, and we were mentally hurrying."

The Indians were also having a tough time trying to stop the Raiders' Kelly Schuller, who wound up with a game-high 24 points. "She really started to shoot the ball well in the second half," Eichstedt said of Schuller. "We knew she was going to be their main shooter, but she just got hot."

That forced the Indians to extend their defense out to guard Shuller, and when Doherty fouled out (as well as Carrie Krause and Amy Chesak), that left the Indians open to weakside rebounding.

"She was really controlling the boards until she fouled out," The Indian mentor said of Doherty, who finished with 10 points and 14 rebounds. "She finally started to demonstrate her strength inside. When she went out, we just didn't have any interior strength."

Kelly Rohlinger led 12 points to pace the Indians, who dropped to 1-4, 0-1 in the Eastern Wisconsin Conference with the loss. "We really haven't played like we are capable of playing," Eichstedt concluded. "We just haven't played very well. We're putting our opponents at the line way too much."

When the Olympic games were revived in 1896, one of the events was tug-of-war.

Indians Lose Conference Opener in OT Indian Ladies Drop Conference Opener

KEWASKUM — Kewaskum boys basketball coach Jim Westphal hopes that it isn't habit-forming. But for the second game in a row, Westphal had to endure an overtime nailbiter.

And for the second time in a row, the Indians jumped out to a three-point lead in the extra period, only to wind up losing, this time to Chilton 65-63, in the conference opener for both teams here, last Friday night.

Just three days earlier the Indians had come back from a 13-point deficit to force Campbellsport into overtime, only to lose 67-62. Fans probably thought they were watching a replay of that game, as the Indians fell behind early again, only to surge back into the game late.

Kewaskum couldn't find the mark early on, as Chilton jumped out to a 12-0 lead right off the bat. The run didn't really worry Westphal, however.

"We were getting some good shots, they just weren't falling," he said regarding his

team's first-period woes. "We weren't getting back on defense either. We knew they would be pushing the ball up the court and we had to get back."

Once the Indians did start getting back, things began to look up for the hosts. The shots started to fall, and by the end of the first quarter, Kewaskum had cut the lead to just seven, at 22-15.

The Indian surge continued in the second quarter, as Kewaskum kept chipping away at the lead, and at the half, the Indians had tied things at 32-all.

"We got off to a slow start in the third quarter," Westphal went on to say, noting that his team fell behind by ten points once again. "But once again, we came right back," cutting that Chilton lead to five, 50-45, heading into the fourth quarter.

After his team's loss at Campbellsport, Westphal thought one thing that his team was lacking was a "take-charge," ballplayer who wanted the ball at crunch time. The Indian mentor may have found

his man against the Tigers.

Junior forward Joel Fleischman continued to be a major contributor for the Indians this year, as he scored all 14 of Kewaskum's fourth quarter points against Chilton. Fleischman outscored the Tigers 14-9 in the final stanza, tying the game and sending it into overtime.

"He was absolutely outstanding," Westphal said of the 6-1 Fleischman, who wound up with a game-high 28 points. "It's not really surprising that he's playing so well, but I just didn't figure him to be a scorer. He just works so hard."

All Fleischman's hard work almost went for naught, as the Tigers had a couple of chances to win the game in regulation, but were unsuccessful.

In the extra period, Kewaskum went ahead by three, just as in the Campbellsport contest, but couldn't hold on. "We just folded under the pressure, I guess," Westphal said, although he quickly added "I thought the whole team just played really well. Everybody did a great job, we were just outmanned."

Westphal noted that the Indians could have used the services of junior guard Kim Marx, who missed the game because of blood poisoning, which occurred after Marx came up with a blister on his foot in the Campbellsport game. His presence "would have really

helped defensively," according to Westphal.

"We really couldn't put any pressure on their guards," Westphal went on to say. "Our press wasn't terribly effective. We gave up some easy baskets, and that's going to happen with the way we play. I think it (the pressure) did start to take its toll in the fourth quarter again. They started to wear down."

Westphal also took note of a "possible first," that occurred in the contest. The Indians did not miss a single free throw in the game, going 21-21 at the line, a feat that Westphal said he could not remember ever taking place.

In addition to Fleischman's 28, Mark Felix and Matt Seiser each chipped in 11 points for the Indians. Pat Juckem, who Westphal calls "probably the best player in the league," led the Tigers with 21 points. "He's got some very good inside moves. He's just really quick."

Indians Fall to Cougars During Overtime, 67-62

CAMPBELLSPORT — The boys basketball game between Kewaskum and Campbellsport here last Tuesday may have provided a few glimpses of things to come this year for the Indians.

Some of those forecasts are kinds that Indians head coach Jim Westphal would rather not see, such as the final outcome, a 67-62 overtime loss for the Indians.

But there were many bright spots for Kewaskum in the defeat. The biggest may have been the Indians coming from 13 points down in the third quarter to take the lead late in the game, only for the Cougars to tie things at 59 and eventually win it in overtime. But the never-say-die attitude of his team is something that Westphal likes.

"We sure don't give up," Westphal said. "I don't know if we're slow starters or what, but we just couldn't get anything to fall early in the game. The shots just wouldn't drop."

The cold shooting enabled the hosts to grab a 18-10 lead after one quarter of play, and the Cougars extended that to 32-21 by halftime. Another key to the early run by the Cougars was their ability to control the Indians fast-break offense.

"They did a really good job getting back on defense," Westphal said of the Cougars. "They did a good job cutting off our fast breaking. They play some very intense defense."

Throw in that Indian senior Mark Felix picked up three quick fouls in the opening quarter, and it looked as if the Cougars would coast to the easy win. But junior Joel Fleischman had other thoughts on his mind.

The 6-1 forward took charge the third period, scoring 12 of his team-high 19 points to begin an Indian uprising. Down by 12 at the end of the third, the Indians scored the first nine points of the final quarter to pull within 51-48.

Kewaskum finally tied things at 53 on a Felix basket, and then took the lead late in the game when Kim Marx scored to make it 59-57. The Cougars tied it up, however, and had a chance to win at the buzzer but a jumper was off the mark.

In the overtime period, the Indians took a 62-59 lead on some free throws, but that was all the scoring that they would come up with. A jumper by Brian Schill gave Campbellsport the lead for good at 63-62, followed by a couple of easy baskets late in the game. Despite the loss, Westphal was happy with his team's effort.

"I was very pleased with the way we played," he said. "We made some very big mistakes, and I know we're going to look very bad at times with the way (the style) we play. But our constant pressure on them wore them down. I think we will be able to do that quite a bit this season."

"Our press was inefficient for three quarters, but in the fourth we started to take over," Westphal went on to say. "We're not going to overpower anyone this year. We're young and inexperienced at the varsity level."

As for Fleischman, Westphal said "He really helped us get back into the ballgame. With the way that teams are going to key on Felix and (Chad) Cook, I think he's going to be a real force this year."

Felix added 15 points for the Indians in the losing cause. The Cougars had a balanced scoring attack with Schill leading the way with 13 points and Shawn Durand adding 12.

Both teams shot around 33 percent for the game, but a key was that the Cougars "had about 20 more shots than we did," according to Westphal. The Indians also missed 16 free throws in the game.

The loss gave the Indians a 1-1 record on the year.
