Kewaskum's Gloria Hass is Finalist On Lottery's Money Game Show

Gloria Hass of Kewaskum was all smiles on her way to winning \$3,850 on this week's MONEY GAME SHOW, which aired Saturday, May 18 on WISN-TV 12 in Milwaukee. Hass was one of five on-stage finalists drawn to play the game; she purchased her winning ticket at Sentry Foods in Kewaskum.

Each week, five finalists are chosen from a pool of not more than fifty \$100 "TV" winners in the instant scratch-off games. The player with the highest amount after four rounds goes on to spin the Bonus Wheel and wins \$25,000 or \$50,000. The Lottery matches the winnings of the five finalists after four rounds of play and divides it with the remaining \$100 "TV" winners in the audience.

THE MONEY GAME airs weekly on stations across Wisconsin.

Memorial Day Parade, Ceremony Here Monday

On Monday, May 27, the Robert G. Romaine Post #384 of the American Legion will hold their annual Memorial Day Parade. The parade to honor those who gave their all will be held at 9 a.m. beginning at the Kewaskum High School and proceeding to the American Legion on Fond du Lac Avenue, Kewaskum. A short memorial service will be held there.

All Legionnaires, Fire Department members, Boy Scouts, Girl Scouts, 4-H, youth groups, etc. are invited to march in the parade. Participants are asked to meet in front of the Kewaskum High

School at 8:45 a.m.

The parade route is from the high school to Third Street, south along Parkview to Main Street, west on Main to Fond du Lac Avenue and north to the Legion grounds, where the ceremony will then be held.

In case of rain, the program will be held in the high school auditorium at 9:30 a.m. Marching groups will assemble in the halls and march into the auditorium.

The Memorial Day address will be delivered by LTC Craig E. Peddicord, Milwaukee Recruiting BN Commander.

New Chiropractor Opens Practice Here

Dr. Robert Butler of the Kewaskum Family Chiropractic Center.

By GERRY MUELLER
Statesman Staff Writer

Dr. Robert Butler has taken over the chiropractic practice of Dr. D.L. Rumsey who retired effective April 30th. Dr. Butler and his wife Ruth, have purchased the Rumsey office and home at 1554 Fond du Lac Avenue, Kewaskum.

A 1986 graduate of National College of Chiropractics, Lombard, Illinois, and Carroll College, Waukesha, Dr. Butler has been in practice for six years. After graduation he began work in Menominee, Michigan. For the last 3 1/2

years, Dr. Butler has had his own office in Germantown.

For the present, Dr. Butler will continue to see patients at both his Kewaskum and Germantown offices.

Both Dr. and Mrs. Butler are Menominee Falls natives. They have three children, Megan 5 1/2 years old, Jessica 4, and Benjamin 22 months.

Office hours for the Kewaskum Family Chiropractic Center are, Monday, Wednesday, Friday and Saturday 8:00 p.m. to noon, Tuesday and Thursday 2:00 to 8:00 p.m. New patients are welcome.

Village Is Facing Important Police, Garbage and Sewage Issues

Theme Set for This Year's Annual Firemen-Legion Parade

The Kewaskum Fire Department and American Legion would like to take this opportunity to announce the theme for this year's annual parade, which is held in July.

The theme for this year's parade is "A Special Thanks to All Our Troops."

The firemen ask that you remember not only the troops from Operation Desert Storm who did such a great job recently, but all the men and women who served our country in the military in the past.

This year's picnic will run on Friday, July 5th from 5 p.m. to 1 a.m., Saturday, July 6th from 5 p.m. to 1 a.m. and Sunday, July 7th from noon to 6 p.m.

some big decisions.

Starting off the meeting, Police Chief Richard Knoebel presented the trustees with a detailed data sheet showing the effect of losing two of the department's part-time officers and the need to replace them as

The parade will start from the high school track area at NOON on Sunday and follow its usual route: from the track, South on Reigle Drive to Second Street, West to Fond du Lac Avenue, South to Main Street, East to the Riverview Drive intersection.

Cash prizes will be awarded in the business division and in the children's division.

To participate in the parade, be at the Regal Ware parking lot across from the High School track by 11:30 a.m. Please have your entries decorated. In the interest of everyone's safety, the parade chairman has the right to deny any entry he feels is unsafe.

soon as possible.

Knoebel told the board, spring is the time of year when area law enforcement agencies fill the full-time vacancies in their ranks. "They draw from the large pool of area department's part-time officers just waiting for the chance to advance. I can't blame those officers for wanting to move up," said Knoebel, "but by the same token, it causes a lot of problems for communities like Kewaskum who are depending on part-time officers to cover vacations, court time, sick days, etc."

Knoebel told the board his recommendation would be to hire another full-time officer. His rationale being that it is presently costing the department about \$6,800, including training, uniforms, exams, etc., every time it has to put one new part-time officer on the street. That does not include any salaries. "And after this year departments will no longer receive any reimburse-

Grand Opening Held at Neuville Chevrolet-GEO

Joe Neuville, left, and his dad, Lou, paused for a moment during their grand opening, for this shot in front of their newly opened business.

If you were in the mood for some good dixieland music, hungry for a juicy hot dog oozing mustard, needed a good dose of Bob Bonenfant, wondered about the mechanics of a stock car, wanted to meet a nice bunch of fellows, or most logically, were in the market for a good car, Neuville Chevrolet-GEO in Kewaskum was the place to be last Saturday. For Saturday was the day Lou and Joe Neuville had chosen for their Grand Opening in Kewaskum.

In spite of the inclement weather, a large number of people turned out to meet the men who purchased the former Honeck Chevrolet business. Besides offering the obvious good deals on vehicles, the Grand Opening included prizes, free hot dogs and soda, live music by the Howard Schneider Dixieland Band, a glimpse at some of the area's stock cars, and a live radio broadcast by WBKV radio of West Bend with the infamous Bob Bonenfant.

There might just be one or two of the Grand Opening specials left on the lot, so Lou and Joe Neuville, along with sales manager Bob Gregor, invite you to stop in yet this week and take advantage of their leftover "party" mood. You might walk (oops... drive) away with that great deal you've been waiting for!

Thursday, May 30 — Chili, shredded cheddar, fruit cocktail, white bread w/butter, sponge cake, milk and coffee.

Ceramics at 10:00 a.m. every 1st and 3rd Tuesday of the month.

Bob Gregor, left, sales manager, and Tom Tessar, right, salesman, show off one of the products available for purchase at Neuilles.

Bob Bonenfant, right, did a live radio broadcast from the Grand Opening over WBKV radio. Here he's shown getting the scoop from Pat O'Meara, also of WBKV.

Howard Schneider, center, and his Dixieland Band, entertained the people who attended the Grand Opening with some lively music.

Jenny Degnitz Wins Scholarship

JENNY L. DEGNITZ

Jenny L. Degnitz, 8640 Fillmore Rd., Fredonia has been awarded the East Central Select Sires Cooperative Scholarship for the 1991-92 academic year, according to Richard H. Daluge, director of the Farm and Industry Short Course and assistant dean in the College of Agriculture and Life Sciences, University of Wisconsin - Madison.

Jenny will be a first year student in the Short Course program.

The East Central Select Sires Cooperative scholarships are awarded to Short Course students who have demonstrated a good scholastic record and participation in extracurricular activities with

an interest in studying dairy science. They must reside in the 29 county service area of Wisconsin of East Central/Select Sires Cooperative and must be members or children of East Central/Select Sires Cooperative members.

Daluge indicates that students may still apply to the Farm and Industry Short Course program until Oct. 1, 1991 for the 1991-92 program. The Short Course program consists of two six-week and one three-week term, beginning Nov. 11, 1991 and concluding March 22, 1992. Application forms are available by writing to 105 Ag Hall, Madison, WI 53706 or by phoning (608) 263-3918.

'Friend in the Sky Program' to Assist During Holiday Weekend Emergencies

On Friday, May 24, through the combined effort of the Washington County Fire Chief's Association, the Washington County Sheriff's Department, and the Wisconsin Army National Guard. The Friend In The Sky Program will be implemented for the Memorial Day weekend.

The Friend In The Sky Program is made possible by an executive order of the Governor of the State of Wisconsin. It provided a UH-1 Huey helicopter, crew and ground support personnel from the Army National Guard for the purpose of air support and emergency transport of patients for the E.M.T. services provided by local Fire Departments in Washington County.

This will be the first time that the Friend In The Sky Program will assist the Washington

County E.M.S. units in holiday weekend emergencies. The program is made possible by the Army National Guard, volunteer services of trained E.M.S. personnel from the Washington County E.M.S. providers as well as the Washington County Sheriff's Department.

The Friend In The Sky helicopter will be manned by three Army National Guard crew members, three certified E.M.T.'s and one Washington County deputy sheriff and will be able to provide emergency service and transport to three patients. The transportation service will be provided to the same hospitals as the E.M.S. provider for that area would transport to by ambulance, those being St. Joseph's Community Hospital, West Bend, Hartford Community Memorial Hospital, Menomonee Falls Hospital and St. Agnes Hospital in Fond du Lac. The transportation to a specialty hospital in Milwaukee could be provided if that was deemed appropriate by the E.M.S. people in charge.

Sheriff Robert Schulteis along with the Washington County Fire Chief's Association representative Ray Roskopf of the West Bend Fire Department and Bob Dvorak of the Army National Guard have worked to schedule the Friend In The Sky.

The dates of the operation are Friday, May 24, from 1:00 to 8:00 p.m., Saturday, May 25, from 8:00 a.m. to 4:00 p.m., Sunday, May 26, from 1:00 to 8:00 p.m., Monday, May 27, 1:00 to 8:00 p.m.

The program will also be used on the 4th of July weekend and Labor Day weekend.

Robert H. Schulteis, Sheriff

Former Kewaskum Resident a Success In Nevada's Gaming Industry

By GERRY MUELLER
Statesman Staff Writer

Judy Campbell, daughter of Ruth and Sylvester (Bud) Campbell of Kewaskum, was recently promoted to the position of Casino Manager of Sam Boyd's Eldorado Hotel and Casino at Henderson, Nevada, just outside Las Vegas.

Judy, who formerly worked in the pit at Boyd's California Hotel and Casino in Las Vegas and Sam's Town Casino, is one of only two women in the state to hold a casino manager's position which, until recently, has been an all-male field.

"I don't know how it all happened," said Mrs. Campbell, as she talked about her daughter's new job, "but I'm really proud of her."

Mrs. Campbell said thirteen years ago Judy and a girlfriend headed west, I guess, with no real specific destination in mind. "The girls stopped in Vegas where they celebrated Judy's birthday."

"I guess they were a little low on money when a casino employee told them about the dealer schools in town." The girls decided to go to dealer's school and get jobs in Vegas. A short time later Judy went to work for Sam Boyd, one of the first men in the gaming industry to hire women as dealers.

Judy has remained in the Las Vegas area proving women can make it and move up in the male-dominated casino industry. Judy's friend eventually married and moved to California.

The brilliant yellow saffron that makes dyes and food flavoring comes from dried autumn crocuses. It takes 4,000 flowers to yield one ounce of saffron—hence its high price.

Two Pen Pal Servicemen Visit KES

Kewaskum Elementary first grade students had a nice surprise recently. Two servicemen the children had written to in the Persian Gulf area came to school to visit.

On April 26 Marine L.C.P.L. Jeff Cardarelle was in Mrs. Rosenthal's class to tell the children about his experiences during Operation Desert Storm. He had been stationed in the Gulf with the Amphibious Force where prisoners of war were detained. Jeff is the grandson of Mr. and Mrs. Merv Thompson of rural Kewaskum.

Capt. Craig Rosenthal visited Mrs. Prost's class. Rosenthal is a dentist and was stationed with medical unit near Riyadh, Saudia Arabia. The first graders asked many questions including some about the children, camels, food, dress, and fighting in that area. Everyone felt very good about meeting their Desert Storm pen pals.

Both men were former first grade students in K.E.S. — Cardarelle - Rosenthal; Craig Rosenthal - Mrs. Prost.

Every year the U.S. gives out \$18 billion in foreign aid.

I'm the Same Old Flag

Hello! Remember me? Some people call me Old Glory, others call me the Stars and Stripes; I have also been referred to as The Star Spangled Banner. But, whatever they call me, I am your Flag, or, as I proudly state...the Flag of the United States of America. There is something that has been bothering me, so I thought I might talk it over with you...because it's about you and me.

I remember some time ago, I think it was Memorial Day, people were lined up on both sides of the street to watch the parade. The town's high school band was behind me, and naturally, I was leading the parade. When your daddy saw me coming along, waving in the breeze, he immediately removed his hat and placed it against his left shoulder so that his right hand was directly over his heart. Remember!

And you. Yes, I remember you. Standing there straight as a soldier. You didn't have a hat, but you were giving the correct salute. They taught you in school to place your right hand over your heart. Remember little sister? Not to be outdone, she was saluting the same as you. Oh, I was very proud as I came down your street. There were some soldiers home on leave and they were standing at attention giving the military salute...Also, some veterans with their caps at jaunty angles were saluting smartly. Ladies, as well as the men, paid me the reverence I deserve.

Now, I may sound a little conceited. Well, I am, I have a right to be, because I represent the finest country in the world... the United States of America. More than one aggressive nation has tried to haul me down, but they all felt the fury of this freedom loving country. Remember...many of you had to go overseas to defend me.

What has happened? I'm still the same old flag. Oh I've had a

couple more stars added since you were a boy. A lot more blood has been shed since that Memorial Day parade long ago. Dad is gone now. The home town has a new look. The last time I came down your street, I saw that some of the old landmarks were gone, but in their place, shining majestically in the sun, were a number of new buildings and homes. Yes sir, the old home town sure has changed.

But now...I don't feel as proud as I used to. When I come down your street, you just stand there with your hands in your pockets and give me a small glance then look or turn away.

When I think of all places I've been...Anzio, Guadalcanal, Battle of the Bulge, Korea, and Vietnam; I wonder what's happened? I'm the same old flag. But now I see children running around and shouting as I pass by. They don't seem to know who I am. I saw an old man take his hat off, and then look around. He didn't see anybody else with theirs off, so he quickly put his back on.

Is it a sin to be an American patriot anymore? Have you forgotten what I stand for? Have you forgotten all the battlefields where men fought and died to keep this nation, your nation free? When you salute me, you are actually saluting them.

Take a look at the Memorial Honor Rolls sometime. Look at the names of those who never came back, and are resting 'neath white crosses on a far away shore. Some of them were friends or relatives of yours... maybe even went to school with you. That's who you're saluting...when you rever me.

Well, it won't be long until I come down your street again. So when you see me, stand straight, place your hand over your heart, and you'll see me waving back. My salute to you. I'll show you that I too, remember!

*Greg and Karen Eckl
welcome you*

Stoffel Family to Host Breakfast On the Farm

By Jack Trzebiatowski, Extension Agriculture Agent

Join your friends and neighbors for "Breakfast on the Farm" on Saturday, June 8, 1991. The Jim and Jean Stoffel family will be hosting the event this year. Breakfast starts at 6:30 a.m. and continues until 11:30 a.m.

The menu includes all you can eat pancakes with butter and syrup, sausage, cottage cheese, applesauce, assorted cheeses, and ice cream topped with strawberries. White and chocolate milk will be available. Breakfast will be served indoors, rain or shine.

Other activities at the farm will include; barn tours, hayrides, petting zoo, live radio and music, samples of dairy products, entertainment, door prizes, and much more. This is an excellent activity for families. This is a chance to visit one of Washington County's many dairy farms. Bring your camera for pictures and your appetite for breakfast.

The farm is located at 9562 Lake Bernice Drive,

Kewaskum. Individuals traveling Hy 45 should take Hy 28 to the west to Lake Bernice Drive. If traveling U.S. Hy 41 then exit at the Hy 28 exit and travel east to Lake Bernice Drive. The farm is located north of Hy 28 on Lake Bernice Dr. Signs will be posted in the area to give directions to the farm.

Tickets for the event are available in advance for \$2.75 from a number of locations in the area. Tickets at the event will be \$3.00. A listing of some of the locations advance tickets is as follows: In Kewaskum, tickets are available at Valley Bank and Kewaskum Veterinary Clinic. For information on tickets or other questions contact the U.W. Extension Office at 335-4477, 644-5204 or 343-3939.

The event is being sponsored by the Washington County Dairy Promotion Committee. This is the fourth year the event has been held at a Washington County dairy farm.

Sand, Sand, Sand Who Needs Sand?

Kewaskum JC's are holding their annual Sandbox fill May 25th, 10 a.m. until 1:30. Deliveries will be made to village homeowners and those within a 1 mile radius of the village limits.

Donations would be much appreciated with money used for other community projects. If you're unable to be home when delivery is made, checks can be mailed to Kewaskum JC's, P.O. Box 118. Phone numbers to call to order are 626-2073 and 626-4031, no later than May 24th.

Anyone 21-40 years old interested in joining a world while organization, we're it. The JC's are always looking for new people and new ideas. Meetings to find out more are held the first Monday of every month at the VFW at 8 p.m. Join us!

This Week's 'KING' Nominations

May 15th-May 21st

Great job, ladies (and gentlemen)! The nominations for "King" of Kettle Kountry Kolors have picked up considerably and we have many new candidates to add to our list.

Not only do we have quite a few father and son teams, this week we received two three-generation candidates... grandpa, father and son!

The three-generation candidates are: The Laubach clan: Teen Idol - Tory Laubach; Prime Timer - Dick Laubach; and Sexy Senior - Alex Laubach. The other three-generation candidates are: The Korth clan: Teen Idol - Jesse Korth; Prime Timer - Jonesy Korth; Sexy Senior - Bud Korth. How many other three-generation candidates do we have in town? Send them in... but don't forget to attach your dollars!

Remember, there's only four weeks left to send those nominations in. All the proceeds from this contest are going to fund a special lumberjack show which will be held Sunday, October 13th, at Kettle Kountry Kolors. If you were to travel to Hayward, Wisconsin to view this show it would cost you \$7 per ticket. The Chamber of Commerce is offering the community a chance to see this show for free.

However, we are asking your support of this contest. Because this is the sole funding of the lumberjack show. So, if you are embarrassed guys, just keep in mind what a philanthropic thing you are doing for your community!

And ladies, you know how badly you want to nominate your favorite fella! He really WANTS all the honor, but he's just to modest to suggest that you nominate him. What a guy!

The nomination forms are not in the paper this week, but there are lots available at the Kewaskum Statesman, Family Hair Salon, Village Hair Stylists, Thiemer's Kut and Style, Kuehl's Suds and Spirits, Buffy's Village Inn, Hon-E-Kor or just call 626-2626 and we'll see you get some.

Now to clarify one of the ground rules... the thirty candidates in each category with the MOST nominations will be the winners in the first phase. (So don't think your job is complete after you send in just one nomination. If you want to back a

winner, you'll have to keep sending in those nominations... with the \$1.00 of course!)

After we establish these first thirty candidates in each category, we will be putting cannisters in the business places where you can vote for your all-time favorites. The cost will be 10 cents a vote in the cannisters. Except on Mondays, which will be bargain days... you'll get 10 votes for \$1.00. Such a deal!

HINT TO CANDIDATES: We suggest if you are really THAT shy, you start to sink your money into nominating your opponents!

Here's the list of this week's favorites! We aren't telling you how MANY nominations each candidate has received... only that they have been nominated at LEAST once.

Please keep in mind... the candidates listed in here were nominated THIS WEEK ONLY. This list does NOT include last week's candidates. So if your name was on the list last week, and it appears again this week... you know you already have at LEAST two votes!

WE ARE WINNING

In the 1930s, less than one in five cancer patients was alive five years after treatment. Today, the five-year survival rate has more than doubled to approximately one out of two. The American Cancer Society believes that many more people could be saved through early diagnosis, prevention, and prompt treatment.

KHS Single Living Class Learns Self-Sufficiency

Kevin Herriges, left, and Dan Bastian, right, making bread.

Who says "real men" don't bake, or women either for that matter!

Members of Carol Martin's Single Living class have learned a lot about being self-sufficient. The class is open to juniors and seniors at Kewaskum High School and has changed over

the years from almost all guys to a 50/50 ratio.

The students learn basic information about preparing healthy foods as well as how to care for their clothes, the ins and outs of insurance and how to rent an apartment.

Flags Placed on Veterans Graves; Bring a Flag to the Parade Monday

Memorial Day flags have been placed on veterans grave sites at local cemeteries. The Robert G. Romaine Post #384 was able to secure enough flags to place one at each of the 215 graves we take care of.

We were unable to get the smaller ones we always pass out at the Memorial Day Parade. Will you please each bring a flag to wave at the parade on Monday, May 27th?

Remember, when the United States Flag, OLD GLORY passes by, you should stand erect and either salute or place your right hand over your heart. This is how to pay your respects to those who gave their lives so

we can all enjoy the freedoms we have.

More than 25 displays were set up by schools, environmental groups, and institutions at the Paradise Mall on Main Street in West Bend. These colorful and varied displays enhanced the Mall with messages and information about the earth's natural resources and how to wisely use them.

Success Continues in KHS Forensics

Another successful season was recorded by the KHS forensic team this year when twenty-three of the twenty-eight team members reached state competition. The contest was held on April 19 and 20 at the University of Wisconsin campus in Madison. This year's two-day event had 4,639 entries, 674 sections, and 418 judges. There were 444 schools represented. Kewaskum's team and Coach York attended the Friday evening round.

Leading the team were three seniors who were making their fourth trip to the state contest. Brenda Behling, a former MVP in forensics, entered storytelling, as she has each previous year. She received a nearly-perfect 24 at state. Pam Gauger, also a former MVP, had entered the four-minute category with her original speech about ESP. Pam has shone in that category for four years and also recorded a nearly-perfect 24 at state. Nicole Doherty was the other senior leading the team. She had memorized "Magic Night" in the solo acting category and received a 23 in Madison to finish her forensic career in fine style.

Two team members led the way at Madison by scoring perfect 25's. They were Jennifer Beimborn, making her second trip to state, and Jenefer Van Assche, making her first trip to state in her first year of forensics. The former was in demonstration and gave sewing hints and crafts, while Van Assche was in prose. Her selection at state was "I Loved You Best" by Erma Bombeck, and at three previous contests she had read "From Mother, with Love." A perfect score is rewarded with a gold medal as a Critic's Choice award.

Three juniors scored 24's: Teresa Anderson was in demonstration in this her first year of forensics, and she showed how to dress stylishly for horse show competition; Stacey Pamperin made her third trip to state in as many years, reading "Somebody's Son" at state and "Long After Midnight" in contests before state; and Chad Harlow, in his first year, memorized "Alexander and the Terrible, Horrible, No Good, Very Bad Day" in the solo acting category.

Only two points away from perfection were six juniors. Rachel Gosa was also in solo acting but changed the main character to Alexandria in the selection about the "Terrible, Horrible, No Good, Very Bad Day." Rachel is a junior and was making her second state trip. Another Erma Bombeck selection, "At Wit's End" was done in group interpretation by five juniors: Stephanie

Gildemeister, Heidi Gruhle, Kim Petrie and Shawn Erdman made their third trip to state in as many years. Jessica Rohrer was in her first year of forensics and capped it by going to state with the group. Two sophomores made their first trips to state and also received 23 out of 25 points. April Bruckert was in story telling, and Sherry Luterbach read "Patterns" a state in poetry and had read "The Suicide" in previous contests.

Silver medals as All-State awards were given to all participants scoring 23 or 24 points.

Bronze medals were the reward of being a Finalist and scoring 20, 21, or 22 points. Freshman Angie Klug scored 22 points as she read "Shadow, Shadow on the Wall" in prose. In previous contests her selection had been "From Mother, with Love." Four other freshmen scored 20 points: Rachael Chambers demonstrated how to make a dirt cake centerpiece; Christa Fleischman read the poem by Dr. Seuss entitled "The Glunk That Got Thunk" (she had read Seuss's "Thidwick, the Big-Hearted Moose" in previous contests); and Aaron Dollen and Krysten Ammel had performed a cutting from A Streetcar Named Desire in play acting.

Receiving certificates for 19 or fewer points were juniors Karen Junk and Adam Pilachowski. Karen also read Seuss's poem "The Glunk" at state and had read his "Lorax" in earlier contests. This was Karen's first trip to state and Adam's second. He wrote his own material about subliminal persuasion for the four-minute category. Adam's state score was not only ludicrous but also very disappointing; however he proved to be a champion in the way he handled it; all team members had many moments of laughter as he told about his "wonderful judge!"

Previous to state competition, each speaker had qualified first at the Cedarburg, March 7, sub-district level. A perfect forensic score is 25, and a speaker needed at least two scores of 16 or more in the three rounds. All team members qualified there with the exception of Kelly Sarauer in solo acting (her selection: "How To Be a Perfect Pest"). Kelly as a senior was making her first attempt in forensics. Pam Gauger, Christa Fleischman, Stacey Pamperin and Rachel Gosa copped perfect scores in one round of competition at sub-district, while Pam Gauger scored the highest total points there with Christa Fleischman

and Jennifer Brigham only one point off her total pace. Fifteen schools were represented at the sub-district level.

The team trekked to Two Rivers on March 12 for the conference meet. Unfortunately, KHS did not have a full team to compete there so did not rank high because points are totaled for all entries to determine the school's final position. KHS placed sixth with 370 total points, behind Sheboygan Falls - 506, Kiel - 480, New Holstein - 478, Plymouth - 393, and Two Rivers - 375. Chilton was seventh with 269 total points. Freshman Angie Klug scored a perfect 25, as did three-year veteran Stacey Pamperin. Scoring 24's were Christa Fleischman, Jennifer Beimborn, and Terese Anderson. Nichol Loomans participated in poetry, reading "If I Ran the Zoo," and she scored well (20 points) in her first attempt at forensics.

District was at Menomonee Falls on March 15. Three rounds were held, and each participant needed 20 or more points in at least two of the rounds in order to qualify for state. All KHS speakers except Lisa Pamperin, Jennifer Brigham, Aimee Marshall, and Shelly Farchione had the required points and were state-bound. Lisa read "What Is a Parent?" in prose, Jennifer read "The Lorax" in poetry, and Aimee and Shelly read "The Sneetches" in group interpretation. Lisa and Shelly are freshmen, and Jennifer and Aimee are juniors. Only Jennifer had been on previous teams.

Scoring highest at district were Christa Fleischman, Angie Klug, and Pam Gauger. Christa and Pam each scored a perfect score in one of the three rounds, as did Stacey Pamperin, Rachel Gosa, Brenda Behling, Nicole Doherty, Stephanie Gildemeister, Heidi Gruhle, Jessica Rohrer, Kim Petrie, and Shawn Erdman.

Two other girls helped out in the demonstration category. Erin Stoffel assisted Rachael Chambers, and Robin Bechler aided Terese Anderson at all of the contests this season.

Head coach Barbara York and assistant coach Judy Jacak were pleased with this year's team and its accomplishments. Three strong seniors will surely be missed, but there are fourteen capable juniors who can carry the responsibility next year. Four talented sophomores and seven strong freshmen rounded out the team, so future seasons hold promise for continued success in this very challenging extra-curricular activity.

Village of Kewaskum - NEWS NOTES -

The Village of Kewaskum Zoning Ordinance and Wisconsin Administrative Rule Tax 11.10 refer to Rummage/Garage or occasional sales. The Village would like to remind everyone that a rummage/garage sale is an OCCASIONAL sale, which would normally be for a period of one (1) or two (2) days, but would not exceed seven (7) days. Also, that such an event/sale is only permissible twice in any calendar year.

Rummage/garage sale signs are not to exceed eight (8) square feet in area and placed on the premise of the sale not to exceed seven (7) days twice in any calendar year. Off-premise rummage/garage sale signs are prohibited except where the sign and location have been approved by the Village Police Department. Rummage/garage sale signs will be removed within 24 hours following the sale.

Everyone's cooperation is appreciated.

Village Board

(Continued from Page 1)

ment for these costs," said Knoebel. "The cost of training is going up drastically because of the new stricter certification requirements and the increase of training time from 320 to 400 hours."

Almost every year we lose at least one of our part-time men and we have to train new ones. Knoebel said the village is basically footing the bill for departments that can offer full time employment. They get a man with training and street experience and we have to go out and recruit a new man.

Knoebel had told the board several times in the past that if the department could offer the chance for full-time employment the village would not be faced with this personnel loss.

Trustee Gary Gavin asked how many part-time men the department has presently. Knoebel said six, including the two who have gone full time with other departments. That restricts the number of hours they can work for us. Gavin asked if Knoebel planned to keep the part-time positions at that figure. Knoebel said no, if a full time man were hired that would be reduced to two and he would be looking at eliminating those two in the future if another full time officer could be hired.

"The need for experienced full time officers is increasing," said Knoebel, "serious crimes are on the increase, there have been two gun incidents in the village in the last nine months."

The board agreed to review the information Knoebel had provided and consider his request.

Water Pollution Control Superintendent Pete Albers was the next department head to drop a small bomb. He informed the trustees that he had attempted to do some water sampling at one of the village's three major businesses to gather information for the Facilities project. "The manhole was full of grease," said Albers, "so that held us up from doing any sampling."

Trustee Tom McElhatton asked Albers, "What do you mean full of grease?" "They're supposed to have a grease trap, they don't have one," said Albers. "This has been going on for years." Gavin then asked why the business did not have one. "It's never been enforced," said Albers, "it's a state law, a plumbing code." "Well who's got to enforce it?" asked Gavin. "That's what I want to know," replied Albers. "If it's a state law then we should enforce it," Gavin stated. "If you give me the authority to enforce it, I will enforce it, but I have to have your backing to do it," said Albers. He noted the department had been in the doghouse and taken abuse about the situation for almost twenty years.

Board president Mary Krueger asked Village Administrator Dan Schmidt, "what if we send them a letter to do it?" Schmidt said the board could do that stating the violation and ordering the business to correct the situation within 90 days. Schmidt was asked what could be done if the business did not comply. "Then the village could go ahead and do the work and add the cost to their tax bill."

Albers was asked if this

would eliminate a lot of the problems down at the treatment plant, "A lot of it," said Albers, "a lot of the grease problems." He noted it would help to reduce the sludge storage problem for one thing. "All I ask is that you people stand behind me on this and don't back off," said Albers. "You've got our votes," said Gavin and Krueger, the other board members agreed. Trustee Bob Beisbier was absent from the meeting.

Public Works Superintendent Augie Bilgo then "took the stage." He addressed the board on the problem of garbage collection from dumpsters at multi-residential and commercial properties.

This issue arose after a private citizen complained about garbage ending up on his property from another property where the tenants were not properly depositing all their refuse in the dumpster but stacking it around the container. Bilgo told the trustees several of the problems arose because, when the village amended its collection ordinance, some properties were 'grandfathered in.' They don't have screens or fencing around their dumpsters like the new apartment complexes and businesses do, he said. He also noted that some businesses have more than their allotted number of dumpsters.

"What you've got to get is uniformity," said Bilgo. The more the issue was discussed to find a solution, the more involved it became with more problems confronting the board. Despite all the discussion, the board was unable to come up with one simple solution to the problems.

"Most communities no longer pick up commercial or

multi-residential garbage," said Bilgo, "that is handled by private contractors." "Then why not just eliminate all commercial dumpsters," said Krueger. "Maybe we ought to contract out all the pick-ups and get the village out of garbage collecting altogether," said Gavin. Bilgo agreed with Gavin's comments saying that many of the communities around Kewaskum have already gone that route.

Bilgo noted that maybe going to a private contractor could be the best thing to happen to the village. "While some residents do recycle, there are plenty that don't," he said. People in the village would get a real surprise when they find out what a private contractor will and will not pick up. "They won't put up with some of the things our village employees have to face like bags of dog poop, and they won't pick up any containers that weigh more than 40 pounds like my men have to."

After listening to Bilgo's comments, Gavin asked Dan Schmidt to bring in the cost figures for converting from village to private contractor refuse collection.

Schmidt also advised the board that a county "Clean Sweep" program would not take place in the near future either. There is nothing in the county budget for the \$90,000 cost, noted Schmidt. If the county did apply for funding, it would not get it until 1992.

Schmidt said this year the state has budgeted \$50,000, with a maximum of \$15,000 per county, and that's a one-time only shot. Once you begin the program and receive any funding you must run the program every year, however, there is no more funding to defray costs after that first year. He also noted the \$90,000 figure

was about \$27,000 less than county communities running the program on an individual basis.

Trustee Mark Vechart, who attended the Mid Moraine Municipal's Association's last meeting, advised the board their topic of discussion also addressed recycling on a community and countywide basis.

RAYMOND J. ROSS

Raymond J. Ross, of 1470 Highland Drive, Kewaskum, died Thursday, May 9, 1991, at Community Memorial Hospital, Menomonee Falls, at the age of 79.

He was born Sept. 15, 1911, in Oshkosh, to George and Katrina (nee Paulson) Ross, and married Lorraine Erdmann Aug. 12, 1939, at Capitol Drive Lutheran Church, Milwaukee. They lived in Milwaukee until moving to their present home in 1969.

He served in the U.S. Navy in the Pacific Theater during WWII, and owned and operated Excell Chemical Co., Milwaukee, retiring in 1988.

Survivors include his wife; two daughters, Cynthia (Claude) Chemielewski of Fillmore and Suzanne (Ralph) Niedzwiecki of Addison, Ill.; two brothers, Jiles (Hazel) of Sierra Vista, Ariz. and Edward (Irene) of Oshkosh; a brother-in-law, Ed (Rosann) Erdmann of Milwaukee, and other relatives and friends.

Preceding him in death were his parents and a brother, LeRoy.

Funeral services were held Sunday, May 12, at 2 p.m. at the Myrhum Funeral Home, West Bend. Rev. Kevin Jones of St. John's Ev. Lutheran Church, West Bend, officiated and burial was Monday in Wisconsin Memorial Park, Brookfield.

SISTER VOGELSANG, S.D.S.

Sister Speranda Vogelsang, S.D.S., of Milwaukee, died Thursday, May 16, 1991, at St. Mary's Nursing Home, at the age of 92.

Mary Theresa Vogelsang was born Jan. 18, 1899, in Barton, to Jacob and Petronella (nee Peters), and entered the Salvatorian Order in June 1919 at St. Nazianz. She was invested Jan. 6, 1920, and received the name Sister Speranda. She made her first Profession of Vows Jan. 7, 1921, and her Perpetual Vows Dec. 29, 1926, both at St. Mary's Convent, Milwaukee.

Sister Speranda taught at the elementary parochial schools in Bloomer and Cadott and Mother of Good Counsel, Milwaukee and Kampsville, Ill. She attended six summer school sessions at the Milwaukee State Teachers' College, Milwaukee, and received a bachelor of arts degree in education and a

masters degree in education, both from Marquette University.

Sister Speranda had been elected as delegate to the VIII General Chapter in Rome in 1947 and there was appointed the 4th Provincial Superior of the North American Province. She served in this capacity for two terms, 1947-'53.

In 1953 she was appointed to be the Pro-Provincial Superior for the Sisters in England, an office she held for three years. She also spent 10 years at the newly-established mission and school in Bogota, Colombia, South America.

Sister Speranda returned to the U.S. in 1969 and retired in May 1970, when she was appointed coordinator for the Sisters' retirement community at St. Mary's Convent, St. Nazianz. During this time she was engaged in writing historical data and did translations of German script to English.

Survivors include three sisters, Sr. Sebastian Vogelsang, S.D.S. of Milwaukee, Cecilia Schussler of Sheboygan Falls and Rose Vogelsang of West Bend; three brothers, Frank (Anita) and Peter, both of West Bend, and Andrew of Kewaskum; a niece, Sr. Rita Vogelsang, S.D.S., of Kentucky, and other relatives and friends.

Preceding her in death were her parents, four brothers and two sisters.

A Mass of Christian Burial was held Monday, May 20, at 7:30 p.m., at St. Mary's Nursing Home Chapel, 3516 W. Center, Milwaukee. Fr. Dennis, a Salvatorian priest, officiated and private burial was in Holy Cross Cemetery, Milwaukee, Tuesday.

Visitation in the nursing home chapel was Monday from 4:30 p.m. until the time of services.

Memorials may be sent to the Sisters of the Divine Savior Retirement Fund, 4311 N. 100th St., Milwaukee, 53222-1393.

Named Coach of the Year

Accident Victim Son of Former School District Administrator

By GERRY MUELLER
Statesman Staff Writer

An accident late Thursday night claimed the life of Tyrone Kleinhans, 25, of Wausau, a son of former Kewaskum School District Administrator Penny Kleinhans.

According to preliminary reports, Kleinhans was returning from a conference coaches meeting in Black River Falls, where he had just been named Coach of the Year in the Central Wisconsin Catholic Conference. After just his first year of coaching, Kleinhans and his Newman High School baseball team were headed to competition last weekend in the state championship tourney.

Kleinhans was headed east on Highway 29, in the Town of Seneca, when about 11:40 p.m., he rammed into a westbound semi trailer rig. The semi driver, Clifford, Kawleski, 55, of Junction City, was not injured. A Sheriff's Department spokesperson said it was not known who caused the accident which was still under investigation.

Kleinhans' coaching assistant who had also attended the meeting said he had not seen a guy so happy about being named coach of the year and going to the state championship.

The school was to have had a pep rally Friday afternoon to cheer the team on to victory in the Wisconsin Independent Schools Athletic Association Class B state finals. Instead the program was changed to a

prayer service for Kleinhans who also taught Social Studies and Physical Education at the school.

The Cardinals were scheduled to play their first game against Beloit Catholic at Wausau, Saturday night.

Kleinhans is survived by his parents, Penny and Jim of Wausau, his wife Mindy, one brother Todd, and three sisters, Tory, "T.J." and Tara.

WOMEN'S CLUB TO MEET

The Kewaskum Women's Club final meeting for the 1990-1991 season is Thursday, May 23 at 7:30 in the Community Room.

This Rap-Up meeting is important because we are to decide the yearly distribution of our monies.

Hostesses are Agnes Schaefer and Betsy Strigenz.

IN MEMORY

In loving memory of GERALDINE GAVIN, who passed away one year ago, May 28, 1990:

A beautiful memory of one so dear,
We cherish still with love sincere,
She left us quietly, her thoughts unknown,
But left us with a memory we are proud to own.
So treasure her Lord, in your garden of rest,
For when on earth, she was one of the best.

Sadly missed and loved by the GAVIN FAMILY.

Roger Mertz and Jeanne Reindl are the Kewaskum Community High School 1966 winners of J.O. Reigle scholarships, it was announced today by Regal Ware, Inc. The scholarships, each worth \$2,000, will provide the students \$500 per year during a four-year scholarship.

The nearly completed new addition to the Wigwam Supper Club and Restaurant, was damaged at 8:50 a.m., Monday when a four-wheel trailer towed by Walter Krueger, 48, Town of Auburn, unhitched and crashed into the front of the building. The tractor and trailer are owned by Farmco, Inc., of Kewaskum. The tractor was towing the trailer loaded with fertilizer southbound when the pin on the spreader unhooked and it broke away from the tractor. The trailer mounted the curb, veered into the building, ripping two holes in the front outer wall. An estimated \$1,000 damage to the new building resulted.

An early morning fire of undetermined origin last Friday destroyed a large shed, an automobile, 25 chickens and other small farm equipment stored in the building on the farm occupied by Murray McEwen about two miles west of Kewaskum on Hwy. 28. The farm buildings and property are owned by Lloyd Backhaus of R2, Kewaskum. Firemen remained at the scene for almost two hours.

In a free hitting and loosely played contest at Adell Sunday, Kewaskum lost its first game away from home, 11 to 9, dropping the team from among the leaders. H. Marx started on the mound for Kewaskum and pitched the first four innings in which Adell got all of their eleven runs: He was nicked for nine hits in the four frames he worked and three errors by his teammates hurt the cause considerably. Honeck entered the game as relief hurler in the fifth, but it was too late to save the game although he did a good job.

Jos. Schmitt, assessor of the Town of Ashford, sustained serious injuries to his head Monday when a heifer he had loaded on a trailer bolted and threw him to the ground.

George Bachman, aged 30 years and one month, suddenly

passed away at the home of his parents on South Fond du Lac Ave., last Sunday, May 14th. Death being due to heart failure. Deceased was born on April 14, 1886, in the Town of Wayne and came to the village with his parents last December. He leaves to mourn his loss, his parents, three brothers, Edward and Oscar, Town of Wayne, William of this village and one sister Nora at home.

Matthew Hurt, the young Town of Ashford farmer who was seriously injured about two weeks ago when his clothing was caught in the shaft of a gasoline engine died Friday evening. The unfortunate man suffered a skull fracture and was in a coma from the time of the accident until the final end came.

The Beechwood Advance Threshing Machine Co. completed threshing shed Monday.

Wm. Fick, New Fane, had a barn raising bee Thursday. He is putting a hip roof on his barn.

Thos. Byrnes, St. Kilian, received a new 1916 model Overland touring car from Schaefer & Sons of Kewaskum last week. John Beisbier received a new 1916 Ford touring car from Wm. Kippenhan of Wayne last week.

Herman Backhaus of the Town of Kewaskum was hauled into court last Saturday afternoon upon complaint of S. Marks, the charge being assault and battery, to which Mr. Backhaus plead guilty and received a fine of \$5 and cost.

Mr. and Mrs. Peter Hilbert Sr., Ashford, who had the misfortune to be injured in a run-away accident recently, are getting along nicely. Their friends hope to see them up and about soon.

Minutes of Village Board Meeting

Regular Meeting
May 6, 1991
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger presided. Trustee Robert Wagner asked to be excused and was absent, all other Trustees Members were present. A quorum was present.

The meeting was opened with a moment of silence and Pledge of Allegiance.

On a motion by Trustee Mark Vechar, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the minutes from April 15, 23 and 30, 1991 were approved as printed.

Mr. Tom Renner and Mr. Fred Ruekert of Ruekert & Mielke, the Engineering firm that prepared the Wastewater Facility Analysis, were present to review the report as distributed at an earlier meeting. The board was informed that the Village's projected growth extended out to the year 2000 and 2010. It was noted 40 to 45 percent of the flow to the treatment facility is from the three major industries and that the organic loading to the treatment facility is 50 to 80 percent from the three major industries.

The Engineers noted the plant is meeting the discharge permit requirements, which means the plant is operating well and that the staff is doing a good job. Looking at future projections and tighter limitations, several modifications will need to be done over a period of time. The prior need today is to meet the DNR's requirement to have six months of sludge storage versus what we have now that being one months' storage.

The Engineers suggested that the industries be contacted and meetings be set up to discuss the situation. A tour of the industries operation should also take place. The village is to prepare for sludge storage facilities. The nature or process of the treatment facility should be converted from aerobic to anaerobic. As a secondary comment, it was noted to help accomplish this, more detailed data will be required. This action would require "metering manholes" at each industry as so indicated in the DNR's regulations. After these actions are accomplished a meeting with the DNR should be scheduled to determine what steps and procedures are to be followed. Superintendent Albers indicated an outside firm should conduct the testing so as to alleviate a challenge regarding the results.

The Engineers were asked who is to pick up this additional cost. The Board was informed the industries would be responsible to pay for their related testing. The cost of improvements to the facility would be prorated by usage as well and would be part of the discussion when meeting with the industries, so the option of pretreatment can also be discussed as being a cost effective alternative.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board directed the Engineers and staff to proceed with establishing meeting with the industries, facility tours and a general follow-up meeting. It was noted the industries would be asked to have a representative familiar with their operations present as well as a financial person.

The consensus was to also proceed with looking at the sludge storage issue facing the village.

Chief of Police, Richard L. Knoebel informed the Board that two of the departments part-time officers have received full-time positions which would probably cause scheduling problems and additional overtime. It was also noted that the training required is no longer reimbursable and a direct expense of the employer. The Board directed the Police Chief to provide them with information as to cost and scheduling differences, part-time versus full-time. A general comment was made regarding the possibility of reducing services.

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the applications for Operator's Licenses upon proper payment of fees and authorized the office to issue said licenses for 90/91 as follows:

Joseph A. Klahn - West Bend, WI
Dean P. Scheel - Kewaskum, WI

Note: The Police Department had no objections to any of the applications.

Administrator Daniel S. Schmidt reviewed the following with the Board:

- 1) Review budget control sheet for March 31, 1991.
- 2) Letter of thank you for a check for \$100.00 from Branch 26 AAL for the use of the Community Room.
- 3) Wisconsin Taxpayers Alliances
- 4) League - Legislative Bulletins
- 5) Mid-Moraine Municipal Association meeting scheduled for May 22, 1991
- 6) Board of Review meeting scheduled for May 13, 1991 from 12:30 p.m. to 4:30 p.m.

Trustee Gary Gavin asked if the village had heard anything from the old softball association regarding the money they had in their account. It was noted a letter was sent to the Village Attorney regarding the matter and it was felt the village had no legal grounds for such an explanation. Trustee Gary Gavin and President Mary Krueger felt they have that right as well as do the citizens of Kewaskum. Some Trustees felt the Board should listen to the advice of the Attorney even though they agreed to the fact it would be nice to know where the money went or is. It was discussed if a second opinion should be sought or if Attorney Kiefer should be asked to provide the Board with an explanation. The Administrator was directed to ask the Attorney to provide the Board with an explanation regarding the aforementioned.

On a motion by Trustee Robert Beisbier, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	\$73,910.89
Sewer	61,355.24
Water	23,984.76
Payroll	22,477.99
Total	\$181,728.88

A/P Check #3238 thru #3346
P/R Check #2535 thru #2591

On the motion by Trustee Robert Beisbier, seconded by Trustee Mark Vechar and unanimously carried by voice vote, the Board directed the Administrator to do a survey of communities comparable to the Village regarding fees, permits and licenses as recommended by the Administrative Committee.

Chairman of the Protection and Public Safety Committee, Trustee Robert Beisbier reviewed a letter with the Board from the Kewaskum School District asking for additional 15 mph speed limit signs to be placed on Reigle Drive adjacent to the track/athletic field. On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board directed the DPW to place a 15 mph speed limit sign on Reigle Drive near the intersection of Wildlife Drive. It was noted the Police should monitor the area a little more watching all vehicles.

The Board was informed that the County Board will be reviewing the report prepared regarding the collection of hazardous waste on May 14, 1991. Superintendent of Public Works Augie Bilgo informed the Board that some people have no regard as to the limit of garbage and refuse they place at the curb for collection. He also felt it was time to remove some of the unfairness in the collection process by eliminating some of the grandfather provisions. The Board directed the Administrator to again place a "Garbage News Notes" and a "Recycling News Notes" in the paper and also to check the Municipal Code so revisions can be made to make for a more uniform collection process.

Chairman of the Park and Recreation Committee, Trustee Thomas McElhatton informed the Board of the National Honor Societies' request to use the ball diamonds for their annual softball tournament to raise money for KEYS (scholarship). On a motion by Trustee Robert Beisbier, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board waived the fees for the use of the park and diamonds.

Board Representative for the Plan Commission, Trustee Gary Gavin reported the

outcome of the Plan Commission Meeting of April 23, 1991. There are three items under new business that were recommended to the Board for action.

Board Representative for the Library Board, Trustee Gary Gavin reported that the Library has received the first quarter payment and that is still down by \$700 to \$800 per quarter. It was noted that the Library Board is recommending the hiring of Sue Dobke as a Library Aide on a part-time basis until September, 1991 for 12 hours per week. It was also noted that the Library Board received a letter of resignation from Mrs. Trudy Trapp, Library Director, effective June 1, 1991.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board approved the hiring of Sue Dobke as a part-time Library Aide until September 1991 for 12 hours per week at \$4.25 per hour.

On a motion by Trustee Mark Vechar, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized the advertising for a new Library Director.

Board Representative for the Mid-Moraine Municipal Association, Legislative Committee, Trustee Robert Beisbier informed the Board that Trustee Mark Vechar and he were planning to attend the Mid-Moraine Municipal Legislative Meeting on May 8, 1991 regarding recycling.

Administrator Daniel S. Schmidt reviewed some of the sidewalk repair figures with the Board indicating hopefully the Board would be opening the bids in June.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board authorized the Administrator and Village President to sign the utility easement for the Sheford Oil property at 890 Fond du Lac Avenue.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board accepted the division of the Waala Lots as described upon proper payment of the open space fee (\$200) as recommended by the Plan Commission.

On a motion by Trustee Mark Vechar, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board approved the site plan in conjunction with the DNR to permit Sheford Oil Co. to proceed with site preparation and acquire the needed state and local building permits for parcel known as V4-619 or 890 Fond du Lac Avenue. This action was also taken on the recommendation of the Plan Commission.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board approved the Certified Survey Map for Village owned parcels on Wildlife Drive as recommended by the Plan Commission.

On a motion by Trustee Gary Gavin, seconded by Trustee Mark Vechar and unanimously carried by voice vote, the Board approved an amendment to the Municipal Court Agreement as attached hereto.

Action was taken on Ordinance No. 91-5, An Ordinance Amending Section 1.11 (3) of the Municipal Code (Municipal Court), as attached hereto.

Action was taken on a proclamation regarding "Worldwide Kiwanis Prayer Week" as attached hereto.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board approved the proposal of Oliver Eichstedt regarding the re-roofing of the recycling and public works storage facility at a cost of \$3,180.00.

President Mary Krueger reviewed her appointments to the committees, commissions and boards. On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board confirmed the appointments as presented by President Mary Krueger.

President Mary Krueger read agenda item "I." regarding possible consideration regarding an "Offer to Purchase" land received from Mr. Greg Krueger and Mr. Gary Gavin for some land adjacent to Wildlife Drive. President Mary Krueger acknowledged Mr. Greg Krueger, who indicated he was dissatisfied with the Boards lack of action regarding their first offer to purchase and the contents or lack of contents of the second and third offers to purchase. He informed the Board that at the meeting of April 23, 1991 he and Mr. Gary Gavin declared themselves as the buyers of the land in question. He informed the Board that Mr. Gary Gavin was no longer involved with the purchase of any land from the village.

Administrator Daniel Schmidt informed the Board that the Villages Attorney had advised him no action was required on any "Offer to Purchase" of village land. Mr. Greg Krueger asked about the first offer the Village received. The Village Attorney indicated it was void due to a response being required by April 15, 1991 and due to the fact the buyers on that offer were unnamed.

Mr. Greg Krueger then requested that he would appreciate a notice of the next meeting if he is to be present. Also that his Attorney was informed of the wrong time regarding the meeting of April 23, 1991 that being 7:30 p.m. versus 7:00 p.m. Administrator Schmidt indicated the Official Village notice was sent to the Village Board, News Media, Village Attorney, Village Realtor and Attorney Jane K. Smith. President Krueger stated that Attorney Smith did not get such a notice and that she felt the meeting should have been canceled or rescheduled.

Trustee Thomas McElhatton informed Mr. Krueger that the Board, Village Attorney or Realtor would get together and establish an appropriate asking price or prices regarding the 15.3 acres. Also that if he is requested to be at the meeting a notice will be sent. On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Beisbier and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1)(c) of the statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction.

KHS Ag Mechanics Lead the Way in FFA State Judging

The Agriculture Mechanics Team consisting of John Hupfer, Todd Gnacinski and Bob Scheffler took second place in the state competition.

Jason Krahn, Matt Klug, and Scott Berger made Kewaskum history by taking 13th out of 92 teams. Matt took 7th individually in the entire state.

On Friday, April 26, Kewaskum FFA Members attended the State FFA Judging Contest in Madison. The Agriculture Mechanics team came away with a second in the state out of all the teams that qualified. The team consisted of John Hupfer, Todd Gnacinski, and Bob Schreffler. Bob placed 7th individually. The team had to weld, calibrate spray equipment, problem solve, and take a general mechanics test.

The Dairy Cattle team of Scott Enright, Ken VanBeek, and Tom Batzler received a creditable rating. They had to place Dairy Cattle in the order they thought the animals should go, as well as give oral reasons and judge cows based on their pedigree.

In Farm Crops, Jenny Degnitz, Rick Kreif, and Jeff Steinert, also received a creditable rating. They placed various crops based on

condition, identified seeds and weeds.

In Livestock, the team judged animals and gave orals on certain groups. The team consisted of Jim VanBeek, Brian Butzlaff, and Scott Ebert. The team received a creditable rating for their knowledge of beef, sheep and swine.

In the Milk Quality and Food Division, Matt Klug, Scott Berger, and Jason Krahn, had to taste different types of milk

and tell the judges what was wrong with the milk. The team placed the highest ever in Kewaskum history, taking thirteenth out of 92 teams. Matt

Klug placed 7th individually in the entire state.

Certificates and trophies are on display in the High School Agriculture Department.

KEWASKUM 4-H EXPRESS

The May meeting was called to order by Treasurer Joanne Lemke, and then taken over by Vice President Sara Lemke later in the meeting.

Pledges were given by Heather Hackbarth and Stephanie Westerman. Reports were given by: Mark Jaycox on the swimming party; Marlo Deshotels on the Music and Drama Festival; Joanne Lemke on her past experience on the Intrastate exchange; and Sarah Lemke, Tina Jaycox, and Spring Gehring on past 4-H camp experiences.

We recognized those people who went to county for winning the poster and speech contest. We decided to work at the 4-H east stand from 4 - 8 p.m., on

Wednesday, July 24 at the Washington County Fair. We also decided to perform our musical, "Mr. Sandman" at Mapledale Manor and Casey Gutkowski will do her Irish dance.

A demonstration was given by Amy Johnson on rabbits. A motion to adjourn the meeting was made by Marlo Deshotels and was seconded by Spring Gehring. Lunch was served by the Butzlaff and Schweder families.

Next month we will decide on whether or not to have a July meeting, when to go to Family Land, and lunch will be served by the Deshotels and Lemke families.

Badger State Games Welcome Entries

Southeastern Wisconsin athletes of all ages and abilities are invited to catch the Olympic spirit and compete in the Badger State Games Region 6 Sports Festival, June 14, 15 & 16 in West Bend.

Seven sports will have regional competition in West Bend; basketball, bowling, adult golf, gymnastics, novice tennis, youth track & field and wrestling. The regional entry deadline is May 31 for most sports. Track & field athletes should note there is no on-site registration this year.

"We're encouraging all athletes to enter as soon as possible," said Sandra Mulry, BSG director of competition. "We don't want to turn any potential participants away, but some of our sports may fill up quickly."

Robert Allen, West Bend, is the regional director for Region 6. Sponsors for Region 6 include: Bank One; Northwest Airlines; WTMJ-TV, Milwaukee; Amity Leather Products Co.; City of West Bend; Russ Darrow Group; Gehl Company; M & I First National Bank; Regal Ware, Inc.; Serigraph Sales and Mfg Co.; Weasler Engineering, Inc.; Wesbar Corp.; West Bend Area Chamber of Commerce, West

Bend Mutual Insurance Co. and West Bend Co. If your residence is in one of the following counties, you compete in Region 6; Columbia, Dodge, Fond du Lac, Green Lake, Marquette, Ozaukee and Washington.

Top teams and individuals will qualify for the finals competition June 28-30 in Madison. The finals will feature 24 sports. The 1990 Badger State Games attracted a record 16,988 entrants, an increase of 25 percent compared to the 1989 festival.

Athlete handbooks and registration materials are available at area Parks and

Recreation Departments and SuperAmerica outlets. Entry forms may also be obtained by calling the Badger State games at (608)251-3333.

Major sponsors of the 1991 Badger State Games are: Dairy Farmers of Wisconsin (Wisconsin Milk Marketing Board), GTE, Wisconsin Bell, and Wisconsin Physicians Service Insurance Corporation (WPS).

KHS Indian Golfers Settle For Second in Conference

By Statesman Sports Writer

ELKHART Lake — It was time for the showdown last week, as the Kewaskum golf team put itself in position to challenge perennial power Plymouth for the Eastern Wisconsin Conference championship.

A slim 167-168 victory over the Panthers here on their home course Monday, gave the Indians the chance to win the EW title with a first place finish in the conference meet at Sheboygan on Thursday.

But it just wasn't meant to be, as the Panthers came back and fired a fine 320 total, which was easily enough to beat the second place Indians, 320-331.

On Monday, the Indians used a balanced team effort to pull off the upset win. Ryan Amerling paced the Indians with a 40, while D.J. Slausen-houp and Matt Seiser were right

behind with 41's. The Indians' fourth counter, Aaron Laatsch, shot a 45.

Plymouth's Jeff Walcott was the medalist, firing a 38, while another Panther, Mike Budrocki, hit a 41. The other two Plymouth counters, however, shot a 44 and 45 to allow the Indians to squeak by with the victory.

The win gave Kewaskum a 5-1 record, the same as Plymouth's, meaning that Thursday's conference championship would decide the overall season winner.

But Walcott and Budrocki made sure that there would be no repeat of Monday's team verdict, as the two shot rounds of 72 and 77 to lead the Panthers to the win.

Kewaskum was paced by Amerling and Laatsch, who each tallied 81's, while Seiser hit an 82, and Corey Krahn an 88.

Indians Softball Team Downs West Bend East

By Statesman Sports Writer

KEWASKUM — Although the competition was just a JV squad, last Monday's 13-10 Kewaskum girls softball victory over West Bend East should definitely provide some hope for the future.

The Indians blasted Sun's pitching for 14 hits in the contest, which the Indians led 11-0 after five innings, but continued to give the two teams some extra work.

The extra innings almost paid dividends for West Bend East, as they tallied seven runs in the sixth and another three in the seventh before eventually

bowing to the Indians.

Kewaskum jumped on Sun pitching early and often, as they came up with three runs in the first, one in the second, and another four in the third to forge ahead 8-0 early on.

Meanwhile, Indians pitchers Rachelle Krahn and Jenny Albrecht were busy mowing down the Sun hitters, and finished the game only allowing five hits.

Kewaskum added another run in the fourth, and then increased their lead to double digits with three in the fifth, before East began their comeback bid that would eventually fall short.

For the Indians, Jackie Hintz, Tracey Steinert, Tammy Gundrum, Stacey Heberer, and Julie Wagner each collected a pair of hits, while Kelly Krahn supplied a big blast, socking a homer in the fourth.

Indians Blanked by Falcons

By Statesman Sports Writer

KEWASKUM — The Sheboygan Falls boys tennis team couldn't really have made it look much easier.

Kewaskum was able to win more than two games at just two spots, as they took a 7-0 beating from the Falcons here, last Tuesday.

The Indians No. 3 singles player, Brian Blair won three games in his match, while No. 4 singles Kevin Gundrum won four games in his match. With the exception of one doubles match, no other Indian competitor won a single game against the Falcons.

The Indians looked a bit better in their 1-6 loss to Chilton on Thursday, in a meet that was played with five-game sets, because of the threat of rain that lingered.

The No. 2 doubles team of Kevin Hein and Bob Schreffler came up with the lone Indians win on the day, outlasting their foes 5-1, 5-4. Several other Indians came close, however.

At No. 1 singles, Shawn

Schneider put up a battle before losing 3-5, 2-5, while freshman Jim Zautner, playing at No. 4 singles, played very well in his match, although he wound up also falling, 4-5, 3-5.

Matching up against Chilton players in the first round of the EW conference meet on Saturday, the Indians looked to possibly be in the hunt to win a few matches, but it just wasn't to be, as the Indians were unable to win a match in the first round, and all the Indians players and doubles' teams were eliminated.

The Indians were a bit short-handed for the meet, which was played once again in the rain, but still several players put up good battles.

No. 1 singles Shawn Schneider took his match with a Chilton competitor to the third set, while the No. 2 singles, Ira Sison won four games in the second set before falling. Also, a pair of freshman, Paul Janek and Jim Zautner, played their foes close, before falling 4-6, 5-7 at No. 3 doubles.

Tips on Safe Boating

With the 1991 summer boating season approaching quickly, I'd like to share with you the boating accidents statistics from 1990 and remind you of a few safety tips to avoid serious accidents.

Boating accident statistics are compiled from reported accidents to the DNR. If you are involved in a boating accident, you must report it to the DNR if the accident results in death or injury to a person or a total property damage in excess of \$500.00.

In 1990 there were 179 boating accidents statewide, involving 256 boats. The accidents accounted for \$298,910.00 in property damage and caused 19 fatalities. Of these fatalities, 13 deaths were from drowning, three deaths due to hypothermia, and three deaths due to traumatic impact. Of the 13 deaths from drowning, none of the victims were wearing PFD's (life preservers).

The law requires a PFD, wearable or cushion-type, for each person on a boat that is less than 16 feet in length. On a boat that is 16 feet or longer in length, a wearable PFD is required for each person and one cushion must be on board in case someone falls overboard. It is also required that the PFD be accessible for use in the boat and in good working condition. Remember, the major cause of death in boating accidents is drowning. You will not drown if you are wearing your PFD.

The major cause of accidents was reported as inattentive operators followed by excessive speed and operator inexperience. Of these, nearly half of all accidents involved intoxicated operators. Intoxicated boating incidents were higher in 1990 than ever

before. When do you think the majority of boating accidents occurred? On weekends in July between 12:00 p.m. and 6:00 p.m.

What can you do to avoid becoming a statistic? Start by knowing the safety procedures for your boat. Have your battery secured in place and the terminals covered to avoid a spark near the gas tank. Make sure your PFD's are accessible in your boat, not stored in compartments out of view. Also make sure your PFD's are serviceable; no tears or leaks, and that you have the correct number and size PFD's for the passengers aboard. Avoid drinking alcohol if you are the operator of a boat and stay alert to the other watercraft out on the water. Always have respect for the other people using the water for their various types of recreational enjoyment.

The good news is that for the 1990 boating season, Fond du Lac County only had one reportable accident involving one boat with one injury. Obviously the boaters in this county have been safety conscious. Keep up the good work and have an enjoyable boating season.

D.A.R.E. Students Go to Brewers Game

Over two hundred (200) D.A.R.E. (Drug Abuse Resistance Education) students and parents attended the first annual Milwaukee Brewers D.A.R.E. Day which was Friday, 05-10-91, against the Kansas City Royals.

The evening began with a tailgate party where the group received free pizza and soda.

The pre-game show did consist of a D.A.R.E. officer presenting an overview of the D.A.R.E. Program after which a D.A.R.E. graduate threw out the game ball. This student also received an autographed ball and was able to meet some of the Brewer players. The students wore their D.A.R.E. t-shirts, and it was impressive to see over one thousand (1,000) fifth and sixth grade students at this special event.

"Our children are our most important resource," says Deputy Bausch, D.A.R.E. officer, who has been involved with the D.A.R.E. Program since Fall of 1990. "The D.A.R.E. Program offers kids real world ways to avoid drugs. By educating and motivating this generation of young people, we are hoping to significantly reduce the demand for illegal substances. Parental involvement, which was encouraged at this game, is a key component in the battle to keep kids off drugs. By reinforcing the D.A.R.E. message at home, parents can help support their children's decision to remain drug-free."

D.A.R.E. — students — and parents from the following schools attended the first annual Milwaukee Brewer D.A.R.E. game: Farmington Elementary, Kewaskum, St. Hubert School (Hubertus), St. Peter's School (Slinger), and St. John's Lutheran (Newburg).

Indian Girls 4th, Boys 6th In Eastern Wisconsin Track Meet

By Statesman Sports Writer

KIEL — It was obvious that the two Kewaskum track teams weren't going to challenge for the conference crowns this year, so their respective finishes in the fourth (girls) and sixth (boys) slots weren't all that bad considering.

The Indian girls managed a fine total of 69 to fall behind champion Two Rivers (117), Plymouth (112) and New Holstein in the race.

The Indians did come home with three champions though, as senior sprinter Melissa Braun, who has been hampered by nagging injuries all season, finally broke through and won the 100 dash, (12.6) and in doing so broke her own school record in the event.

Kelly Korth also continued to shine in the long jump, as she won that competition with a leap of 15-7. The other Indian individual to take home a conference title was Ingrid Ankerson, who remained a steady performer for the Indians in the triple jump, going 33-9.25.

The Indians 400 relay team added a second, as they were .7 behind Plymouth at the wire. The 400 relay included Braun, Korth, Rachel Gosa and Tina Schwartz, while the 800 unit, consisting of Rachele Zuehlke, Schwartz, Korth and Braun, took a third with a time of 1:51.7, one of their better times of the year.

Also taking third for the Indians was Christa Schmidt in the 100 hurdles. Schmidt's time of 17.84 was just enough to edge teammate Jessica Rohrer (17.85). Ankerson also added a third in the high jump (4-8).

For the Indian boys, their 32 points in the meet was a big step from last year's showing, which netted them just seven points for their day's work. Sheboygan Falls edged out New Holstein for the boys team title, 121-110.

The Indians 400 relay team continued its assault on the record books, as Kim Marx, Dan Schulteis, Jerry Sese and Randy Schlice tied their own school record with a run of 45.63, which was good enough for third. Sese also added a third in the 100 dash, crossing the line in 11.34.

Marx had a fine day all-around, as he also placed in

Kewaskum Women's Tuesday Night Volleyball League

Thelen Construction, 8-0; Gruber Tool and Die, 8-0; Shefond Self Servers, 3-1; Amerahn, 5-3; My Little Friends, 3-5; Ike's Repair Shop, 3-5; L.R. Trophy, 2-6; Barrel Haus, 0-4; Homeplate, 0-8.

In the 6:00 p.m. games, Ike's Repair Shop won games #1, 2, and 4, over the Amerahn, 15-1, 15-10, and 15-13. The Amerahn won game #3, 15-13.

At the 7:00 p.m. games, My Little Friends won games #1, 3, and 4, over L.R. Trophy, 15-11, 15-10, and 15-11. LR Trophy won game #2 15-4.

At the 8:00 p.m. games, Gruber Tool and Die swept the Homeplate, 15-1, 15-2, 15-8, and 15-3.

In the night cap, Thelen's Construction won all 4 of their games against the Barrel Haus, 15-6, 15-11, 15-11, and 15-2.

The Shefond Self Servers had a bye.

the 300 hurdles (sixth, 42.44) and in the 200 dash, where he finished third overall (23.7).

Erik Ankerson also took a third for the Indians in the high jump, where he cleared the 5-8 mark. Brad Jackson's 11-0 clearing in the pole vault netted him a fourth in the meet.

HON-E-BEES LADIES ASSOCIATION

On Wednesday, May 1, the Hon-E-Ko? Ladies Association held their opening dinner, which began with a fashion show with clothes from the Fashion Niche being modeled. Only six ladies braved the cold weather to golf that day.

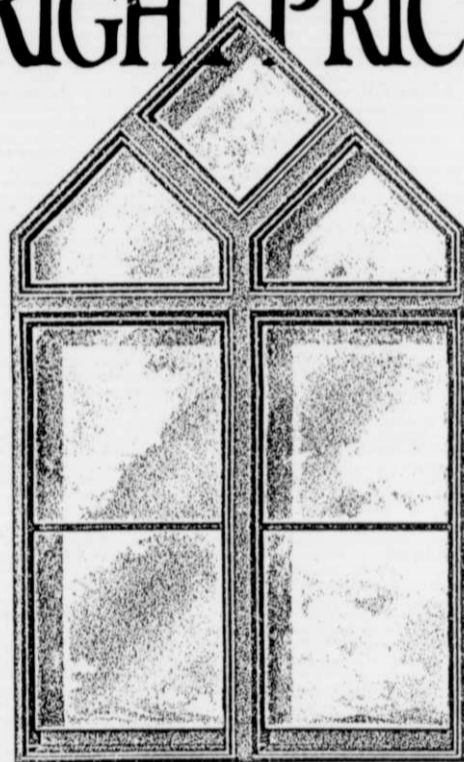

On Wednesday, May 8, the rain spoiled any chance for golf. Finally an Wednesday, May

15, golfing began. Joan Eggers won the Day Event, "Closest Approach Shot to the pin on #18." The Class Event was "Low Net" and the winners were: Class A - A four way tie - Betty Hallen, Helen Goetz, Judy Moede and Cathy Lastofka Class B - Shirley O'Connor (37), Class C - Mary Engelke (35), Class D Evie Jansen (34). 18 hole winner was Betty Hallen.

Mary Engelke had a chip in on #17 and Joan Eggers and Lu Freeze each had chip in on #13. Corless Fassbinder and Betty Hallen had pars on #15, Joan Eggers had a par on #14 and Audrey Pfister had a par on #8. Bridge winners were Irene Thomas and Lucille Howson. Blind bogey was won by Doris Bohn.
