Christmas Parade Ignites Holiday Spirit

The Kettle Moraine Sports Riders took first place honors with their animated Gingerbread Family Christmas float.

Thousands of people, young and old alike, came to downtown Kewaskum Sunday evening to renew their holiday spirit and view the annual Christmas parade.

The soupy, dense fog that surrounded us for two days, miraculously lifted right before the parade began at 6 p.m. (Sorry I doubted you, Lord!) Stars peaked through the few leftover clouds and the weather stayed unseasonably warm to make parade watching quite pleasurable. Immediately after the parade, the wind seemed to shift, turning the night air a tad more crisp.

Adults and munchkins, wrapped up on snowsuits and blankets, lined both sides of the parade route and were treated to the familiar sights and sounds of the holiday season.

Gingerbread houses and men, gaily wrapped packages, lighted firetrucks and mechanical trains, brightly decorated Christmas trees, reindeer and sleighs, candy canes, snowmen and the beautiful music that belongs solely to the Christmas season, were all intermingled together and brought a rush of wonderful childhood memories flooding back to adults and wove new visions into the hearts and minds of the children.

It gave you a nice "warm" feeling, realizing you helped create a new happy memory for the wide-eyed children and that someday when they are all grown up and life forces them into this cruel joke called adulthood, they can look back and remember the intense pleasure and excitement they received watching the Christmas parade during their

youth in Kewaskum.

Making and reviving beautiful memories is what the Christmas parade is all about. I feel sad for those that were too busy to be a part of it and missed the look of wonder only Christmas can bring to the faces of little children. Next year...

The most difficult job of the entire parade had to belong to the judges. Choosing just a few winners out of so many gorgeous entries had to be next to impossible. Nevertheless, they set their minds to the task at hand and decided on the following winners.

First place went to the Kettle Moraine Sport Riders for their hard-earned entry that was laced with a brightly lit Christmas tree, a large toy choo-choo train mechanically revolving around the tree, and a huge gingerbread man overseeing the entire Christmas scene. The whole float

Judging Monday for Annual Home Decorating Contest

The Kewaskum Area Chamber of Commerce is again sponsoring a Christmas outdoor decorating contest. With all the mild weather in this area in recent weeks, many residents put up decorations earlier this year and the judges will not have an easy time making their decisions.

Judges will be making their rounds through village streets on Monday evening, December 16. All residents are asked to have their decorations lit from 6:30 to 10:00 p.m. that evening.

Cash prizes will be awarded to the top three home owners. Judging will be based upon originality, creativity, and overall promotion of the holiday spirit.

Winners will be notified by the Chamber of Commerce and a listing will appear in the December 19 issue of the Kewaskum Statesman.

Area residents and those from

surrounding communities are encouraged to take time out to bring their families and friends to the Village to enjoy the many holiday decorations during this festive season.

KHS Christmas Concert Dec. 18

The Kewaskum High School Music Department will present its Christmas Concert on Wednesday, December 18 in Rose Hall at the high school.

The concert will begin at 7:30 and will feature the Concert Band, Symphonic Band, Treble Choir and Concert Choir. Highlights will include traditional Christmas music, "Twas the Night Before Christmas" with narration, and "The Hallelujah Chorus" with audience participation. Admission is free.

Earl Kleinke on Money Game Saturday; Other Lottery Winners Listed

On Saturday, Dec. 14th, our own Earl Kleinke will have a chance to win some big money on the Money Game Show. Tune in to Channel 12 at 10:30 p.m. and find out. Earl bought his winning ticket at none other than, you guessed it, the Amerahn in Kewaskum.

Other recent area winners include: Patrick McCabe, Kewaskum, won \$749 on the Money Game, and purchased his ticket at Ma Pa Grocery, Fond du Lac. Michael F. Cleary, Allenton, purchased a winning \$100 TV Triple Moola ticket from Wolf's Bar and Hall, Allenton.

William J. Enright, Kewaskum, won \$726 on the Money Game with his winning ticket from Midway Restaurant, Random Lake. Jean M. Schneider, Kewaskum, bought a \$150 First and Ten ticket from the Amerahn in Kewaskum. Otto Thor, West Bend, won \$725 on the Money Game with a ticket he purchased at Deli-Food Xpress, West Bend.

Lisa A. Schultz, Campbellsport, purchased a \$1,000 Tic Tac Toe ticket from Sam's Short Stop, Waucousta. Ken Bonlender, Kewaskum, won \$200 on a Tic Tac Toe ticket from Shefond Mobil in Kewaskum.

Congratulations to all our area winners!

O/M Coaches Compensation Policy Questioned

Equipment Replacement Dominates Short School Board Agenda

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Board of Education held an early and fairly speedy meeting Monday night, due to the Kewaskum High School's KEYS concert which began at 7:30.

Topping the board's agenda was the approval of replacement equipment for various school buildings. As recommended by the Finance-Transportation-Buildings and Grounds Committee, the board okayed the purchase of window blinds for several rooms at the high and elementary schools. The blinds will be paid for with budgeted funds, plus an additional \$2,500

special education grant approved by the State.

Also approved was the replacement of three doors in Rose Hall at KHS, the band room and boy's locker room doors at the middle school and two doors at Wayne.

On the recommendation of Mrs. Kathy Robinson, Food Services Supervisor, the board approved the purchase of new ovens for the Farmington School's lunch program kitchen, at a cost of \$6,518. The money will come from the lunch program's Fund 50.

Robinson told the board the present ovens, believed to be original equipment, have been consistently breaking down for the past three years. She said the

ovens were in poor condition and no longer cost efficient due to the excessive and continual repair costs and down time.

In other business, the board approved the recommended list of coaches for the 1991-92 Odyssey of the Mind program. Because a coach cannot be found for the Middle School, it is the only district school that will not have a team participating in next year's competition.

In a related issue, board member John Schulte again questioned why Ron Beimborn could not be compensated for serving as an O/M coach. Schulte said he did not think it was equitable that school district employees who

Rural Kewaskum Couple Charged in Fraud Case

Joseph Karoses and his wife Susan, of W8770 Brazelton Drive, Kewaskum, have been bound over for trial in Fond du Lac County Circuit Court for allegedly operating a retail fraud ring that resulted in thousands of dollars in losses for nearly a dozen businesses in the Fond du Lac County area.

The couple appeared before Judge Henry Buslee in a preliminary hearing last Thursday.

According to the complaint, Mrs. Karoses stole more than \$1,800 worth of merchandise from Fond du Lac County retailers between January, 1990, and June 1991.

Joseph Karoses allegedly returned the stolen goods for cash refunds or credit, using fictitious names on store refund forms. Kohl's Department Store appears to be the couple's primary victim.

Kohl's store security personnel were part of a surveillance team which tracked the two, observing their activities. On July 18, Mrs. Karoses was observed concealing a dress and other apparel in a purse and leaving the store without paying for the merchandise.

The surveillance team followed the couple, maintaining contact with portable radios. Mr. Karoses was followed and observed returning to the store later that evening. One of the security personnel said she saw Karoses receive a refund for the dress and another item she alleges were stolen by Susan Karoses

earlier in the day.

A search warrant was executed at the couple's home in July. At that time approximately \$50,000 in merchandise and \$4,600 in cash were recovered by police.

Mrs. Karoses told police she knew what she was doing was wrong. She also told police her husband had been unemployed for 20 years and she supported the family by stealing, netting about \$1,000 a month.

Fond du Lac County Assistant District Attorney Christie Linskens is prosecuting the case.

Few Candidates Stepping Forward In Area Elections

By GERRY MUELLER
Statesman Staff Writer

To date, only one area election has any confirmed candidates, that being for the Washington County post of Ninth District Supervisor.

Facing some rare competition will be incumbent Harold Westerman, 69, of Allenton, who has served as Supervisor for District 9, the past fourteen years, having faced no opposition for the position the last six years.

With the redistricting of Washington County, competition for that job has resulted. Mary Sauer, 57, treasurer for the Town of Addison, has taken out papers and will challenge Westerman for his seat on the county board.

As a result of the 1990 census, boundary lines between Districts 9 and 12 were adjusted placing Addison in District 9.

As far as the Village of Kewaskum and Kewaskum Board of Education elections are con-

cerned, there is no rush of candidates. No one has even ventured forward to take out papers.

On the village board, the terms of trustees Tom McElhatton, Larry Williams and Gary Gavin will be expiring. For the school board, the terms of Paul Seymour and John Schulte will expire next spring.

Candidates have until the close of business hours Tuesday, January 7, 1992, to file papers for any of the elections.

County Separated and Divorced Group to Meet

The Washington County Separated and Divorced Men and Women Support meet every Friday at Sacred Heart Church in Allenton from 7:30 to 9:30 p.m.

The purpose of meeting is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are also guest speakers, panel discussions, small group sharing and activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

Upcoming topics are:
December 13 - "From Impass to Insight - Resolving Conflicts Creatively," by Sue Bronson, Psychotherapist at New Prospect Counseling Service.

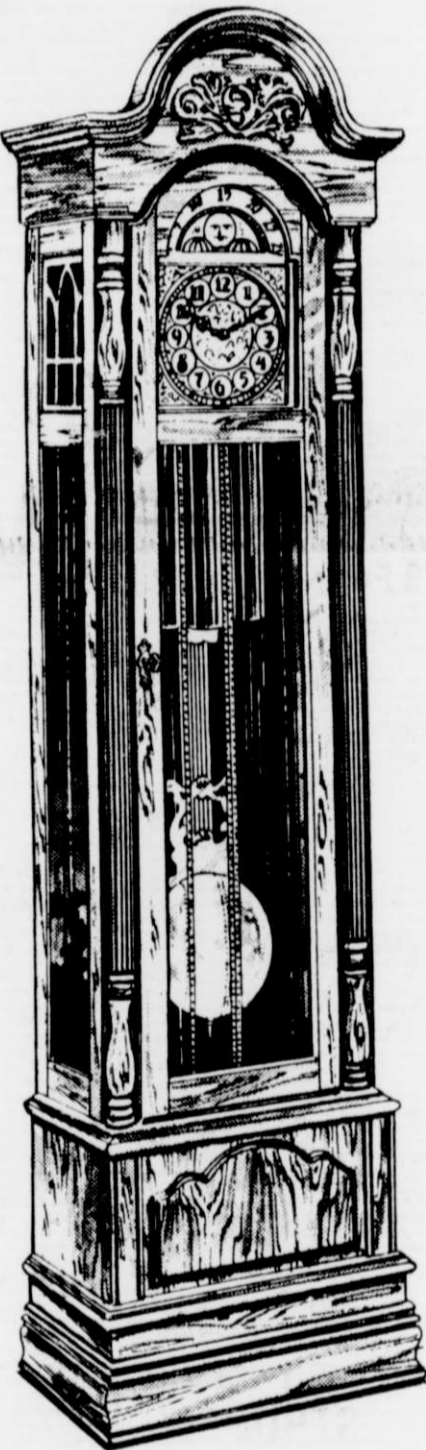

December 20 - "Merry Christmas - Pot Luck Dinner." Open to all old and new adult members. Please bring a dish to pass.

December 27 - "Getting Your Ex-Spouse and the Holidays Into Focus," a serious small group discussion for all.

KHS Economics Class to Host WTA Education Director

Students in the Economics class at Kewaskum High School will learn about their role in government and the importance of active participation in the democratic process when John Forester, Education Director of the Wisconsin Taxpayers Alliance, visits them on Monday, December 16, beginning at 2:00 p.m.

In his classroom presentations, Forester draws from his experience in education and state government. He has instructed students at both the high school and university levels and has served as the Director of Children's Issues for the current Lieutenant Governor. He has a B.S. degree in Secondary Education from the UW-Whitewater and an M.A. degree in American History from the UW-Madison. He is a licensed social studies teacher for grades 7-12.

By discussing the political process, taxes, spending and other state issues, Forester helps students realize the impact government has upon their lives. "Taxpayers cannot afford to stand by while well-financed, special-interest groups exert the only influence on lawmakers. The average citizen can have a tremendous impact on the political process. Active participation and knowledge of the system will force lawmakers to hear your concerns," explains Forester.

The Wisconsin Taxpayers Alliance, Madison, is a nonpartisan research organization

dedicated to improving government through a well-informed, responsive citizenry. Its activities are financed privately by contributions from business, industry, organizations and individuals.

County Human Resource Directory Available

The Council on Alcohol and Other Drug Abuse of Washington County has announced the publication of the 1991-92 Washington County Human Resource Directory. The planning and development of this directory was supported by a Community Prevention grant awarded by the Wisconsin Department of Health and Social Services, Division of Community Services, Office of Alcohol and Other Drug Abuse. It is the first resource of its kind published in this county since 1986.

The Human Resource Directory contains a comprehensive listing of Human Services agencies and organizations serving residents of Washington County and surrounding communities. Hotlines, helplines, and crisis services are also identified in a special section of the directory.

The Washington County Human Resource Directory is available to groups or individuals and may be picked up at the Council on AODA at 279 S 17th Ave., Suite 4, West Bend; or may be ordered by mail. A donation of \$2.50 per directory is requested.

Campus Notes

Milwaukee — University School of Milwaukee announced recently its academic honor roll of students in the Upper School (grades 9 - 12) for the first term. University School, located in River Hills, is an independent, college preparatory day school for girls and boys in pre-kindergarten through grade 12.

The following students attained First or Second Honors for the first term of the fall semester: Freshmen - Second honors, Lowell Peterson, Kewaskum; Seniors - Second honors, David Getschow, Fredonia.

The Jamestown College, Jamestown, N.D., concert choir, concert band and chapel choir will present "Amazing Grace," the theme of this year's Christmas concert, Dec. 12-15 in Voorhees Chapel on the college campus.

The program features selected narrations, vocal and instrumental solos, and audience participation in singing carols and hymns.

A student from the Kewaskum area performing in the concert is Ingrid Ankerson, daughter of Perry and Kathleen Ankerson, Allenton.

VILLAGE OF KEWASKUM ★ NEWS NOTES ★ Snow and Ice Removal

The snow and ice season has arrived bringing along some problems. To alleviate the problem or to clarify a few items, let us refer to the Municipal Code, Chapter 8.09, which covers "Snow and Ice Removal."

I. **SIDEWALKS TO BE KEPT CLEAR.** The owner or occupant of any lot or parcel shall promptly each day, remove all snow and ice which may have fallen or accumulated upon the sidewalk in front of each lot or parcel; provided, when ice has so formed that it cannot be removed, the owner or occupant shall keep the same sprinkled with a material which will prevent the sidewalk from being dangerous to pedestrians. If the owner or occupant fails to comply with this subsection, the Director of Public Works shall cause the snow or ice to be removed or sprinkled as required in this section and the cost thereof assessed against the property as a special tax or charge against the property to be collected in the manner specified in sub. (3).

If the Village Director of Public Works ordering such removal of snow and ice, a minimum charge of \$25 shall be affixed as the expense of such removal or treatment. If the cost of removal or treatment exceeds the \$25 minimum, the actual cost for such work, per occurrence, shall be charged plus a 10% handling charge.

II. **SNOW NOT TO BE DEPOSITED IN STREET.** No person shall cause to be deposited snow from his premises or sidewalk abutting thereon onto any street in the Village without a permit from the Director of Public Works who may require to be paid a fee sufficient to reimburse the Village for the cost of removal of such snow.

III. **ASSESSMENT OF COST.** If after the report of work is filed and billed the same is not paid within 30 days, it shall bear interest at the rate of 6% per annum from the date on which the work was completed. If not paid by October 1 the cost thereof will be assessed against the property as a special tax etc.

As for this and all ordinances a penalty is also provided for in Chapter 25.04 of this Municipal Code.

MEMORIES

The above stylish December wedding took place forty years ago. The wedding party included the following: Left to right — Edward Dreher, Allyne Ramthun Rodenkirch, Ronald Leonardelli

(deceased), Diane Leonardelli Dreher, Robert Dreher, Eileen Schommer Perkins, Frank Krueger and Violet Ramthun Edwards. Submitted by Allyne Rodenkirch.

MEMORIES

P.S. Last week's memory photo was submitted by Eileen (Metz) Cornelius. It has been brought to our attention that the lot to the east of the former corner Drug Store was a vacant lot at that time. Free outdoor movies were shown for shoppers after the stores closed at 9:00 o'clock, during the summer months. The movies were also shown on a rotation basis on the vacant lot to the west of the former Miller Studio, now occupied by Gerald and Patty Geidel who formerly ran the Village Sport Shop. The movies were sponsored by the Kewaskum Business Association.

National Toll-Free Hotline Launched to Offer GED Info

Fond du Lac — First Lady Barbara Bush has joined Bill Cosby and Waylon Jennings — both GED graduates — to help promote 1-800-62-MY-GED, the new GED Information Hotline that has just been launched nationwide.

This national toll-free number provides a central source of information to adults on how they can earn their General Educational Development (GED) diploma, where their nearest adult education center and GED testing center are located and how they can study for the GED tests at home. The GED tests are the nation's only national standardized test for measuring high school proficiency. Over 10 million adults have earned GED diplomas since the program began in the 1940s.

Country music superstar Waylon Jennings, national spokesman for the GED Information Hotline, earned his GED diploma just last year. The 52-year-old singer left school in

the tenth grade. Bill Cosby's GED diploma enabled him to go on to Temple University and eventually earn his doctorate in education.

Actress Kelly McGillis, New Jersey Governor Jim Florio, Mary Lou Retton, Wally "Famous" Amos and Parade publisher Walter Anderson also are GED diploma recipients.

The national GED Information Hotline is operated by the American Council on Education, the organization that develops and administers the GED tests. ACE vice president Henry Spille, interim director of the GED Testing Service, announced the official launch of the hotline at the 20th annual GED Administrators Conference in St. Paul, Minn. "1-800-62-MY-GOAL could rapidly become the single most used source of information on adult education in the United States," Spille observed.

In the next few months, the public will hear messages from Barbara Bush, Bill Cosby,

Waylon Jennings, Vicky Carr and others encouraging adults who didn't finish high school to call 1-800-62-MY-GED.

In 1990, some 431,000 adults passed the GED tests. GED graduates now account for about one of every eight high school diplomas awarded in the U.S. each year. However, figures show that last year an estimated 550,000 new high school dropouts joined the 50 million American adults who never completed high school.

"The GED diploma offers a new opportunity to get ahead," Spille said. "We've seen so many lives changed for the better by a

GED diploma. We hope all adults who didn't complete high school will call 1-800-62-MY-GED and find the help and encouragement they need. We're ready when they are."

Residents Donations Light Up 'Holiday Magic' Tree

Thank You Kewaskum. Your donations helped to light nearly all the lights on the "Holiday Magic" Christmas tree, located in front of Valley Bank in Kewaskum (we rearranged the bulbs accordingly). But the most important fact is all the donations went towards the cost of the Christmas parade which has become quite expensive to fund. With any amount of luck, after the Kewaskum Area Chamber of Commerce, has paid the bills, crossed the t's and dotted the i's, there is a strong possibility that there might be some money left over to set aside for next year's parade. As the parade fund grows, so does the parade, and we can look forward to an even bigger and better parade next year.

This might also be a good time to mention that the Kewaskum Kiwanis donated all the prize money awarded to the float entries and they deserve a big thank you and a pat on the back for doing so.

If you are a prime procrastinator like I am, there is still time to donate money for lights on either the tree or the memorial star. Both the tree and the star will remain lit until after the holidays, so you can still get your name on the boards. You may send the donations in to the Kewaskum Area Chamber of Commerce, P.O. Box 300, Kewaskum, Wisconsin or you can drop them off at the Kewaskum Statesman (we have lots of forms on the front counter!)

If you have relatives joining you for the holidays, why not purchase a light in their name and be sure to drive by the bank and show them... it's a neat way to include former residents to Christmas in Kewaskum!

The cost of the green family tree bulbs or the white memorial star bulbs is \$10 each. The red business lights are \$25 each.

HUSS - KLUEVER

St. Cloud Church, St. Cloud, was the setting for the Oct. 12 marriage of Julie Ann Huss and Brian John Kluever. Sara Huss, sister of the bride, and Steve Wenzlaff served as honor attendants.

Parents of the couple are Jack and Jane Huss, 1306 Thorp St., St. Cloud, and Aaron Kluever, West Bend, and the late Doris Kluever.

The bride is a 1986 graduate of New Holstein High School and a 1990 graduate of the University of Wisconsin - Milwaukee. Prior to her marriage, she was a registered nurse at St. Luke's Hospital, Milwaukee. Her husband is a 1986 graduate of St. Mary's Springs High School and a 1990 graduate of Milwaukee School of Engineering. He is engineering manager for Hyatt Hotel Corporation.

The couple enjoyed a honeymoon trip to Hawaii and now reside at 14101 Michoud Blvd., Apt. 499, Bldg. 34, New Orleans, LA 70129.

TIEMANN-ESCHEN

Mr. and Mrs. David Tiemann of rural Campbellsport are pleased to announce the engagement of their daughter Michele Ann to Wayne Allen Eschen.

Michele is a graduate of Kewaskum High School and Lakeshore Technical College. She is employed at Sheboygan Area School District.

Wayne, the son of Victor Eschen, of Sumner, Iowa; and LaVonne Proctor of Chino Valley, Arizona, is a graduate of Sumner High School and Upper Iowa University. Wayne is employed by the Sheboygan Area School District as head of Computer Services.

The couple is planning a August 8, 1992 wedding.

RAMTHUN - MURPHY

Bernice Ramthun is proud to announce the engagement of her granddaughter Debbie J. Ramthun, to Patrick J. Murphy, both of Madison, WI.

Debbie is the daughter of Elmer W. Ramthun, Jr. Madison

and Barbel I. Ramthun, Champaign, IL. Patrick is the son of James and Judy Murphy, Sun Prairie, WI.

The wedding will be July 18, 1992 in Madison at St. Bernardo Catholic Church.

Kewaskum 4-H Express

The October meeting of the Kewaskum 4-Her's 4-H Club was called to order by Treasurer Tina Jaycox due to the absence of both our President and our Vice-President. Flag pledges were led by Brooke Zanow and Kathy Deshotels.

Roll call was taken and two more new members were introduced. They are Ryan DeLaurier and Joseph Fay who will be Cloverbuds. The secretaries and treasurer's reports were read and accepted.

Our Halloween Party was held on Friday, Oct. 25 from 6 p.m. at the Lemke home. Everyone brought either a bag of snacks or some cookies. Hot dogs and drinks were provided by the Club. The decorating committee was Tina Jaycox, Tracy Balon, Amy Deshotels, Kathy Deshotels, Amy Johnson, Joanne Lemke, Dawn Pomeroy, and Lee Anne Pomeroy.

Each member received a 4-H folder to keep 4-H records and activity papers in to make record keeping easier at record book time. We finalized our choices for our T-shirts so that they can be ordered.

Candy bar sales time is here and everyone was asked to pick up and sell at least one box of candy. The large boxed candy sells for \$1.00 each and the small

wrapped candy bars sell for 50c each. The profits of the sale will enable us to go more places and pay only a nominal fee. Last year's officers were given gifts of appreciation for their time served!

Officer training workshop was held on Oct. 22 from 7 to 9 p.m. at the Washington County Courthouse. All officers were expected to attend. There was a Youth Leadership workshop on three consecutive Mondays, Nov. 11, 18 and 25th from 7 to 8:30 p.m. at the Washington County Courthouse. These meetings were for members age 12 to 14 who have signed up to be youth leaders. The cost was \$3.00.

On Nov. 16, there was a Cloverbud and Explorers workshop at the UWWC from 8:15 to 11:45 a.m. there were songs, games, crafts, and more.

ALL members are encouraged to sign up for a particular month for refreshments and demonstrations.

Our next meeting was Nov. 7 at 7 p.m. in the Community Room at the police station. Anyone interested in joining may do so.

The motion to adjourn was made by Tracy Balon and seconded by Brooke Zanow.

Adult Labo Exchange

Front row (L to R) Ruth Hohmann, Ronald Hohmann. Back row - Diane Lemke, Agnes Farkas, Trudy Mashlan, Gayle Kabasa, Charleen Dobberfuhl.

LABO is the international exchange program between Japan and the United States. LABO stands for LABORATORY or a study of the English language according to LABO staff.

I Diane Lemke was able to participate in the LABO adult exchange to celebrate 20 years of LABO exchanges. The program was a wonderful experience and I was able to visit and live with Japanese families' where we hosted their daughters.

The Japanese families and

culture are very friendly and accomodating I met many LABO friends and students and attended a LABO party student meeting. Their meetings are designed to help them learn and speak the English language. The students have a LABO tutor who teach through records and books by doing folk dances and plays such as Romeo and Juliet.

Japanese families get their youth into LABO at the age of three (3) with the goal of getting to stay in an American home through the 4-H program.

LABO has both the summer exchange program and the year long program where a student goes to an American High School.

I was impressed by the Japanese youth and their respect for adults. All the adult exchanges were treated like Kings and Queens. We were showered by gifts and unusual foods.

I was able to visit the Tokyo area and Nikko and the Kyoto area. Japan is very crowded with people, but I traveled around feeling no danger or disrespect from the people around me. I rode the subway, walked the streets, traveled the trains and biked through the parkways with no fear of endangerment.

If anyone or clubs or organiza-

tions would be interested in a slide presentation, please contact me at 626-4829 or N172 Cty. S, Kewaskum. Southern Wisconsin is going to host LABO summer exchanges and I am looking for interested families. These students ar eager to come to the United States and just your homes and everyday activities are a real experience for them. Please call me if you have any questions or concerns.

Applications for summer exchange students due February 1, 1992.

Trisha Teofilo Attends Honors Band Festival

November 9th and 10th Trisha Teofilo, a freshman at St. Mary's Springs High School, attended the 25th Annual UW-M Honors Band Festival. Trisha's parents are Robert and Mary Teofilo, 821 Pleasantwood Drive, Kewaskum. (Holy Trinity Graduate - Kewaskum).

The weekend consisted of eight hours of rehearsals, two master classes, attendance at the UW-M Jazz Band concert and a final performance. The honors bands were directed by Dr. Thomas Dvorak, director of bands at UW-M; Dr. Ron Nelson, composer; and Mr. Pete Schmalz, band director at Oshkosh West High School.

Master classes were conducted by professors on each instrument and Keith Young, principal saxophonist of the U.S. Air Force Band in Washington, D.C.

Trisha, and a fellow classmate Caryn Goron of North Fond du Lac, admitted to learning a great deal during these two days. This was surely an experience they won't soon forget!

WASHINGTON COUNTY WE-TIP CRIME OF THE WEEK

December 4, 1991

All jurisdictions throughout Washington County have been experiencing numerous thefts from vehicles. These thefts usually occur during the late night and early morning hours in private residential driveways and public parking areas. It doesn't seem to matter whether the area is lit up or whether the vehicle is locked or unlocked. It is evident that there are a very large number of these thieves throughout Washington County. Many of these individuals are suspected to be of high school age. It has also been rumored that some of these thieves actually take orders from fellow students at the schools and then go out and steal the items that are requested. Items that are targeted are usually electronic items such as radar detectors and stereo equipment. Any other items of value, however, that are left lying within a vehicle normally will be taken by the thieves. Another common problem experienced throughout Washington County is the vandalism that is occurring by individuals shooting from vehicles. These vandals usually target residential windows and the windows of other parked vehicles. Here again, it is apparent that younger juvenile and high school aged individuals are cruising around with firearms in their vehicle. Usually vandalism sprees occur and numerous reports are filed at one time with the police jurisdictions that are involved.

All law enforcement agencies within Washington County are looking for ANY information that would lead to the arrest of the thieves and vandals described. If any suspicious activities whatsoever are observed that could be related to these crimes, the local police agency should be contacted immediately, and the activity should be reported. Descriptions of individuals, vehicles and license numbers are very important in solving these types of criminal incidents.

Washington County's We-Tip phone line is 1-800-232-0594. Any information can be provided anonymously and if a conviction results from the information obtained, a cash reward will be awarded to the caller. The caller will be identified by using an assigned number recorded at the West Bend Police Department. All law enforcement agencies within Washington County appreciate any information relating to ANY criminal activity that may have been witnessed or that anyone may have knowledge of. Cash rewards can be quite substantial if a major crime is cleared and convictions are obtained.

Elder Abuse Grant Award

Ann Stoffel, director of Friends of Abused Families, is pleased to announce that it has received an award of \$9,326 for Elder Abuse Direct Services from the Southeastern Wisconsin Area Agency on Aging, Inc. The grant award is a collaborative venture between Friends, Office on Aging, and Department of Social Services. Friends will be providing expanded services via the 24 hour crisis line evenings, weekends and holidays to the elderly encountering domestic abuse. This direct contact by staff or volunteers will provide the immediate emotional support and anonymity needed to allow the abused elderly access to community resource and services available through Friends, the Office on Aging and Department of Social Services.

In Washington County there has been an overall increase in elder abuse reports by 50 percent in 1991. As service providers in Washington County, we are hoping to reach the elderly abused reduce their isolation and reduce the incidence of domestic abuse by providing preventative services through a coordinated support network. The grant period began December 1, 1991 and ends June 30, 1992.

Diane Lemke Travels to Japan

Yuka Saito from Japan and Diane Lemke

Diane Lemke, Kewaskum 4-H Club adult volunteer leader, recently traveled to Japan with the LABO Program. LABO is the international exchange program between the Japan and the 4-H program in the United States. LABO stands for Laboratory or a study of the English language.

Diane was able to participate in the LABO adult exchange to celebrate 20 years of LABO exchanges. The Lemke family have hosted several Japanese exchange students over the past several years. While in Japan, Diane was

able to visit some of the youth who had stayed with their family.

Cultural exchanges like this provide youth and adults an opportunity to learn more about another culture and their way of life. LABO is just one of many international opportunities available through 4-H.

If you are interested in being a host family or a delegate for a 4-H international experience, please contact the UW-Extension Office at 335-4478 for additional information.

serve as coaches are compensated while Beimborn, because he is a school board member is not, supposedly because the two positions represent a conflict of interest.

"Ron has always tried to remain neutral and abstained from voting when anything regarding the O/M program came before the board," said Schulte. I don't feel he should be denied some compensation for the years and the work he has put in with his teams, he added.

In other action the board approved Mrs. Jacquie Branchford as the WES intramural advisor and Ms. Janet Molebash to be the KHS girls softball coach for 1992.

The issue of the Highway H school crossing guard location was again on the board's agenda for discussion and possible action. Board member Ruth Schmitt had asked that the item be placed on the agenda. She indicated that after further consideration, including the fact that the Highway 45 and H, intersection was considered to be hazardous, she was no longer interested in pursuing the issue of moving the guard back to the former Highway H and Milan Drive location. I only hope the youngsters will learn to cross at the intersection with the guard, she noted.

In closing the meeting, board president Neal Weare wished everyone at the meeting and the residents of the district a Merry Christmas and a Happy New Year.

CONCERT SUNDAY AT ST. JOHN LUTHERAN CHURCH

On Sunday, Dec. 15 at 7:00 in the evening, the combined choirs of St. John Lutheran Church, Sherman Center and Emmanuel Lutheran Church, Adell will present a beautiful concert of Christmas music. The concert will be presented at St. John Lutheran Church, W5406 Hwy. SS, Random Lake.

Included in this concert will be the handbell choir and the Junior Choir of St. John Lutheran School. Christmas concerts are always a beautiful addition to Christmas preparation and worship.

New Books at The Library

These new books are now available at the Kewaskum Public Library.

"How to Protect Your Life Savings from Catastrophic Illness and Nursing Homes," by Harley Gordon is for senior citizens, people with parents over 65, healthy people who want to plan, and people facing a crisis. This book tells the reader how to avoid financial disaster from a long nursing home stay, how to protect your home from a Medicaid lien, how to choose a lawyer, and how offspring and parents can talk about finances.

"The Frugal Gourmet Celebrates Christmas," by Jeff Smith is not only a collection of recipes but a history of the Christmas season.

"Needful Things; The Last Castle Rock Story," by Stephen King. Leland Gaunt is a stranger and opens a store called Needful Things. By the end of the week, his business is booming because at Needful Things, there's something for everyone.

"Childhood," by Bill Cosby is a collection of humorous tales based on Cosby's boyhood

adventures.

"How to Invest \$50-\$5,000," by Nancy Dunnan. This, the third edition, is the small investor's step-by-step, dollar-by-dollar plan for low-risk, high-return investing.

"Christmas Stalkings," is a collection of mysteries with a Christmas theme, compiled by Charlotte MacLeod.

"Making Sense of Suffering: The Healing Confrontation with Your Own Past," by J. Konrad Stettbacher, provides a four-step program that enables an adult to become the caring, conscious advocate of the once-hurt child and offers means for proceeding in therapy according to his concept.

"Quiz Craze; America's Infatuation with Game Shows," by Thomas A. DeLong is a collection of insights and anecdotes about the quiz and game programs that have appeared on American radio and television for

more than fifty years.

"Kiplinger's Invest Your Way to Wealth; How Ordinary People Can Accumulate Extraordinary Amounts of Wealth," by Theodore J. Miller discusses five keys to investment success and shows how to use them to build wealth.

"Your Child's Development from Birth Through Adolescence," by Richard Lansdown and Marjorie Walker is designed to help parents in the process of helping a child through the different developmental stages.

"The Best of the Old Farmer's Almanac; The First 200 Years," is a "celebration" of 200 years of forecasts, folklore, and fun! The first issue of the Old Farmer's Almanac appeared when George Washington was President. This collection is a nostalgic journey through American folk history.

Kettle Kountry King Alex Laubach and his wife Claudia served as Parade Marshalls for this year's Christmas parade.

The Kewaskum Sno-Chiefs Snowmobile Club received second place honors for their float which featured "Frosty the Snowman" and Jeanne Marchant singing Christmas songs.

Parade

(Continued from Page 1)

was pulled by a giant locomotive which camouflaged a tractor. It was obvious that a lot of work went into the makeup of their float.

Second place went to the Kewaskum Sno Chiefs whose decoration depicted a room full of children at Christmas time, writing their letters to Santa Claus. They then went through a door outside to mail their letters. Outside there was a huge Snowman and mailbox waiting for their letters. Also standing outside was a caroler adding an extra special touch with beautifully melodious Christmas carols. The caroler was none other than Jeanne Marchant. Anyone who knows Jeanne, also knows of her outstanding vocal chords. (Singing, Jeanne, I mean singing!)

Third place was awarded to the prize winning team of Hon-E-Kor County Club and Sentry Foods. The creativity of this duo, showed through again this year, as it has in prior years. This year their entry included a picturesque gingerbread house, complete with all the trimmings and standing-attention gingerbread men throughout the float. The float brought out dozens of oohs and aahs from appreciative parade watchers.

There was a tie for fourth and fifth place... understandably so, between Miller's Furniture and My Little Friends. Miller's entry was a large Nativity scene and My Little Friends had huge "live" gift boxes, complete with ribbons and bows on their heads. Both ideas were very well done and well received by the crowd.

As in other years, the biggest hit of the parade was that jolly old Ho-Ho-er himself... Santa Claus. Assisting Santa were elves handing out small bags of candy to all the children (rumor has it that the elves had a heck of a time trying to make sure all the children received candy). Santa Claus is sponsored annually by Regal Ware, who make sure he is treated with lots of TLC. We don't want Santa to forget that all the little boys and girls (and big ones, too) in Kewaskum have been very, very good. But keep on your toes, there's still almost

two weeks until Christmas and Santa does not miss anything... he knows... and what he doesn't know... we're telling!

A new twist to the parade this year was the adding of the parade marshalls. Our parade marshalls were none other than our Kettle Kountry Kolors "Sexy Senior" King Alex Laubach and his wife, Claudia. Alex and Claudia were all decked out in Christmas finery complete with top hat for Alex and a velvet muff for Claudia. They rode in a brand new convertible that Bob Fish generously agreed to borrow to the parade. Alex and Claudia made a perfect addition to the parade.

The annual Christmas parade is sponsored by the Kewaskum Area Chamber of Commerce. If you missed this year's attraction, mark your calendar for next year... Sunday, December 6 and become a part of a beautiful Christmas memory to tuck away and keep throughout the year!

The float entry of Hon-E-Kor/Sentry Foods displaying a gingerbread family and house took third place.

Good Shooting Helps Wildcat Women Win Two

By Statesman Sports Writer

WEST BEND — The scores looked a bit lopsided, and maybe they were, but it took some good shooting by the UW-Washington County women's basketball team to overcome a lack of numbers and post a pair of victories last week.

On Wednesday, the Wildcats traveled to Milwaukee's MECCA Arena to face Milwaukee Area Technical College, and the result was a 87-42 UWWC Whitewash of the hosts. The Cats then returned home on Saturday, holding on shorthanded in the second half to post a 65-48 win over UW-Richland Center.

Against MATC, UWWC ran out to a 38-16 halftime lead, using a strong transition game to fast break their way out in front.

"We played a real team-oriented game," Wildcat coach Debbie Butschlick said of the performance against MATC. "The girls played extremely well. They just kept on hustling throughout the game. They never let up, even though they were up by so much."

Jenny Meyer led the Wildcat offensive, scoring 32 points and grabbing 12 rebounds, while Sally Fechter added 26 points, six rebounds and 10 steals. Michelle Kraus chipped in 13 points to go

along with 10 assists.

"Sally played real well...one of her best games this year," Butschlick raved about Fechter. The UWWC boss was also pleased with the Wildcats' shooting, which registered at 44 percent from the floor. "To me, anything above 40 percent is good."

The Wildcats kept their coach happy on Saturday against Richland Center, as UWWC connected on 46 percent of their shots in posting the win. The win did not come without a price however, as Fechter was injured late in the first half.

"Sally tore a ligament in her right knee," Butschlick reported, adding that left her with just four players, one which, Jackie Murphy, was playing with mono. To add to the Wildcat woes, a pair of players, Meyer and Kelly Rohlinger, each had three fouls by halftime.

The Wildcats staked claim to a

29-15 by intermission, but the foul troubles continued to mount in the second half. With just under ten minutes to play, Rohlinger picked up her fifth foul. "So we ended up playing with four," Butschlick said.

It really didn't matter, though, as Richland tried double teaming a variety of UWWC players, with no success. Meyer, who finished with 28 points, was the first to draw double coverage, but Kraus then got hot, forcing Richland to focus on her. That left Judy Rosenthal to pick up the slack, which she did, chipping in eight points.

"She played extremely well," Butschlick said of Rosenthal. "All of the girls did. We played really aggressive the entire game."

Kraus finished with 16 points and ten assists. The win improved the Wildcats mark to 3-1 overall, 2-1 in the Wisconsin Collegiate Conference.

IN MEMORY

In loving memory of our mother, mother-in-law and grandmother JOHANNA ROHLINGER, who passed away 15 years ago, Dec. 11, 1976:

We often sit and think of you
And speak of how you died;
To think you could not say good-bye to us

Before you closed your eyes.
The flowers we place upon your grave,

May wither and decay
But the love for you who sleeps beneath

Shall never fade away.

Sadly missed by the family.

IN MEMORY

In memory of HAROLD (Schnookie) STERN, who passed away seven years ago, December 11, 1984:

You are not forgotten, Schnookie
Nor will you ever be
As long as life and memory last
We will remember thee.

We miss you,
Shirl & Tom

Alfons Wiesner, who has been enlisted in the United States Navy the past 13 years, with his wife arrived here on Wednesday evening to spend a few days of his leave with his parents, Mr. and Mrs. Anton Wiesner. As a result of the sudden attack on Hawaii by Japan Sunday, Wiesner left the same day to report for immediate duty. He heard the report over the radio and left before being ordered back for duty. Wiesner is a chief machinist mate on the submarine R-18, stationed in New London, Conn.

Henry Gonring, 90, venerable farm resident of the Town of

Wayne most of his life, was summoned in death at his home, Tuesday, Dec. 2, after an illness of two months. He would have reached his 91st birthday the forepart of next month.

Seven Kewaskum young men escaped injury except for a few cuts, when an auto driven by Arnold Zeimet, in which all were passengers, left the highway and turned over on County Trunk D, east of New Fane, near the Paul Liermann farm, about 2:30 a.m. Sunday morning. Passengers with Zeimet were Bob Romaine, Fred Siegel, Ralph Marx, Tony Uelman, Ray Smith and Paul Kral. The group was traveling west on their way home from Random Lake, where they had spent one of their regular Saturday evenings bowling at "Shorty's."

Paul Zimmel, aged 26, was instantly killed at 1:30 o'clock Friday afternoon when his clothing became caught in a rapidly revolving shaft at the elevator of the Farmer's Mercantile Company, No. 2, at Allenton. His head was partially severed and he sustained numerous other injuries, each of which was sufficiently serious to cause his death. Practically even article of clothing was torn from his body. His weight caused the drive belt to slip from the pulley and the elevator foreman, Henry Menger, who was in another part of the building heard the machinery stop and sought the cause. He found Zimmel's body hanging from the shafting. Mr. Zimmel is survived by a widow and two small children.

The local city team last Saturday evening journeyed to Schleisingerville to play the city basketball team and were defeated by the overwhelming score of 43 to 21. Schleisingerville had this game well advertised and had practiced nearly every evening for the past few weeks to win this game. The only excuse our team has to make is that the game was played in a different town. A return game will be played in this village sometime in January when the tables will be turned.

The infant child of Mr. and Mrs. Jac Staehler, St. Michaels, was christened last Thursday. The little boy received the name Roman John.

Letters to the Editor

Letter to the Editor:

Just a letter to thank all the ladies who weathered the snow last Thursday night to attend the Kewaskum Women's Club Annual Christmas Sing-a-long Party at my home in St. Michaels.

The food was delicious!! A very warm and sincere thank you to Mary Ann Miller of Campbellsport for making the very tasty broccoli salad and Christmas tortes. (We all want the recipes). I would like to extend a thank you to the committee, Minerva Martin, Judy Geidel and Judy Harlow for all their help in preparing for this event.

After the luncheon, our program continued with the ladies working together on two brain-teasing games. One of our guests, Kathy Boyd of Farmington gave us an up-date report on her foreign exchange student from Yugoslavia who attended KHS last year. We have asked her to come back to another meeting to share more information about her trip to his country.

On the 5th day of December our Christmas celebration would not have been complete without singing a few traditional Christmas Carols. Lillian Vetter of Kewaskum was our guest at the organ.

Remember ladies...everyone sings: A partridge in a pear tree.

Ladies here are your parts!! Melinda Siefert sang 2 turtle doves, Minerva Martin sang the part of 3 French Hens, Kathy Boyd helped us as she sang 4 calling birds, and Judy Geidel softly sang 5 golden rings. Agnes Schaefer had the honors of 6 geese a-laying and Adeline Oven-shire sang 7 swans-a-swimming. Mary Ann Miller tried the part 3 maids-a-milking and Joan Albers, with her beautiful voice enriched

the part of 9 ladies dancing. Midge Swanson gave us her rendition of 10 lords-a-leaping, while Shirley Kirkham sang the part of 11 pipers piping and Renatta Schwind did her best on the 12 drummers drumming. As usual we had a few good laughs with that song!! We closed our evening festivities with Silent Night in English and German.

As hostess I would like to also extend a grateful thank you to the husbands who brought their wives and other ladies to the party and later picked them up. (Roy Swanson, Bill Geidel, Shorty Siefert and Pete Albers.)

On behalf of the membership of the KWC I would like to send get well wishes to Marge Rosenthal (who came to the party for a little while) and Alma Edwards, who we all miss for her good harmonizing voice on the Christmas Carols. God's love and a speedy recovery to you both during this Holiday Season.

As President of KWC I would like to extend Holiday Greetings to all the members who were unable to attend the party. And to the community a Blessed and Happy Holiday from the Kewaskum Women's Club.

Jeanne Goeden
Pres. KWC/WFWC

Barbara Yogerst presenting recognition plaques to Horlamus Industries (Pat Horlamus and Richard Horlamus, left and center) and Bob Fish of GMC, Inc.

Dennis Terlinden of Kewaskum was recently selected as Washington County's outstanding 4-H Alumni. Dennis's 4-H career began when he was 10. He was an active 4-H member in forestry, conservation, naturespace, and insects.

Dennis has made many contributions to the Washington County 4-H program. He has served as a project leader for the Wayne Crusaders 4-H Club. He has also been active in the Washington County Animal Science Association.

Dennis has also been active in the community by being a leader for the Lutheran Pioneers and a volunteer for Kewaskum FFA.

Horlamus Industries and Bob Fish of West Bend were recognized as Outstanding Friends of 4-H. They have been extremely sup-

portive of recognizing the importance of honoring the accomplishments of youth in their project work by funding the county project awards. For the past seven years they have also donated a feeder to be auctioned

at the annual animal sale to raise money for supporting educational animal science programs.

We thank these companies for their combined efforts to benefit the 4-H youth of Washington County.

Pay Close Attention to Lottery Credit on 1991 Property Tax Bills

WEST BEND....Farmers, new homeowners and certain businesspeople need to pay special attention to their 1991 tax bills coming to them in the mail this month, said Washington County Treasurer, Fredric A. Seefeldt.

The special care is needed because of the lottery credit appearing for the first time on property tax bills. Residential and agricultural parcels with buildings on them will have the lottery credit precalculated and printed on the tax bill.

"Farmers will have to be careful because they can only take the credit on the parcel where their residence is located. The

confusion would arise in those cases where buildings are located on more than one parcel of the farm. The farmowner should only sign the bill which includes his residence and should claim the credit on that one bill," cautioned Seefeldt.

"New homeowners who started the year with a bare lot will not have the lottery credit printed on their bill. However, if they have moved into their new home by January 1, 1992 they will be entitled to a lottery credit. They should inform their local treasurer of that fact when paying their taxes, so that the required paperwork can be com-

pleted," advised Seefeldt.

"Certain businesspeople who make their home in a commercial building will not have the lottery credit printed on their bill. However, their living quarters would qualify them for the lottery credit. They too must inform their local treasurer when paying their taxes so that the necessary paperwork can be completed and their tax payment reduced," concluded Seefeldt.

Board Representative for the Plan Commission, Trustee Gary Gavin reported that at the Plan Commission meeting of November 26, 1991 they approved the proposed Certified Survey Map for the west side of Wildlife Drive and sent it to the Board for approval. The CSM is not complete and action will be tabled until December 16, 1991.

The Plan Commission also sent the CSM/Subdivision Plat for the west side of Wildlife Drive to the Board and State for approval. This item will also be tabled until December 16, 1991.

The Plan Commission reviewed Dr. Sison's request for a conditional use permit for the construction of a CBRF within 2,500 feet of the existing complex. The Commission acted favorably on the matter and sent it to the Board for public hearing.

Action was tabled on the purchase of the 1992 police squad car awaiting further information regarding cooperative pricing.

Final discussion was held on the proposed 1991 Budget which had been presented at the public hearing. On a motion by Trustee Gary Gavin, seconded by Trustee Mark Vechart and unanimously carried by voice vote, the Board approved the 1992 budget and the "Memo to all Taxpayers."

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board approved the TIF/CIP, Special Revenue Fund and Debt Fund as presented at public hearing.

Action was taken on Resolution No. 91-28 setting the 1991 tax rate as attach-

ed hereto:

On a motion by Trustee Thomas McElhatton, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board approved the Water Pollution Control Department budget for 1992 as presented at public hearing.

Talented Chargers Pound Indian Girls

By Statesman Sports Writer

JACKSON — For the second straight game, the Kewaskum girls basketball team was shelled in the first quarter, and for the fourth straight time, the Indians came up on the losing end of the game.

The Indians ran into a very tough and talented Kettle Moraine Lutheran squad, which ran its current unbeaten streak to six games, as it whalloped the Indians, 65-29.

"Their shooting was fundamentally outstanding," Kewaskum coach Glenn Eichstedt said of the KML attack. "They passed the ball very well, and quickly. (We) were gunned down by a better team."

The Chargers got out of the gate quickly, outscoring the Indians 18-2 in the opening quarter, and then extending their lead to 40-15 by halftime.

Once again, the Indians struggled from the floor, connecting on just 20 percent of their tries. KML, meanwhile, shot a very respectable 43 percent, hitting on 26 and 60 shots. The Indians also committed 27 turnovers.

Robyn Winninghoff "improved her play," according to Eichstedt, and was the lone Indian to reach double figures, scoring 10 points, while the next highest scorers on the roster were Christa Fleischman and Kim Sabish, who each had four.

Rachel Castillo led the KML with 12 points, while Jodi Hafemeister chipped in 10. "Their defense was tremendous, and their rebounding ferocious," Eichstedt went on, also pointing out that the Chargers had a total of 18 assists compared to the Indians' four.

The loss dropped the Indians record to 1-4 on the year, as they now turn their attention to Eastern Wisconsin Conference action, beginning Thursday at Two Rivers.

★ NOTICE ★

The purpose of this ad is to inform the residents of the Township of Kewaskum that a meeting will be held on December 16, 1991, at 7:30 p.m. at the Labor Hall in Kewaskum, to discuss the possibility of the Town Board closing East Moraine Drive from Mill Road to Kettle Moraine Drive through winter.

We feel this will be an unwarranted inconvenience to many people living in this area. Due to the lack of convenient access to the east, we feel the road should remain open.

Residents who might be affected by this action should come to the meeting to express their views or objections before action is finalized.

BEFORE THE DEPARTMENT OF NATURAL RESOURCES SOUTHEAST DISTRICT AIR PROGRAM
Wisconsin Department of Natural Resources Air Pollution Mandatory Operation Permit for an Existing Source at Kewaskum, Washington County, Wisconsin.
Air Pollution Control Permit No. 267003660-N01, Kewaskum Manufacturing Co., Inc., 1675 Reigle Drive, Kewaskum, Wisconsin has submitted to the Department of Natural Resources (DNR) a mandatory operation permit application for a paint booth and boilers. The Southeast District Air Program of the Department has analyzed these materials and has preliminarily determined that the source has met applicable criteria for issuance of a mandatory operation permit as stated in Chapter 144, Wisconsin Statutes, and the permit application should, therefore, be approved.
The DNR hereby solicits written comments from the public regarding the mandatory operation permit application for the source. These comments will be considered in the DNR's final decision in the issuance of the permit. Information, including plans and the DNR's analysis of this application, are available for public inspection at the Department of Natural Resources Headquarters, GEF II Building, Third Floor, 101 South Webster Street, Madison, Wisconsin and at Southeast District Headquarters, 2300 North Martin Luther King Jr. Drive, Milwaukee, Wisconsin.
Interested persons wishing to comment on the application should submit written comments within 30 days to: Wisconsin Department of Natural Resources, Southeast District Air Program, P. O. Box 12436, Milwaukee, WI 53212 Attn: Jeff Burger.
A public hearing on the mandatory operation permit application for the source may be requested by individuals if the application is of significant concern to them. The request for hearing should indicate the interest of the party filing the request and reasons why a hearing is warranted. The Department may then hold a public hearing if it determines that there is a significant public interest in holding a hearing.

★ PLEASE NOTE ★

Now that the snow season is here again, the Kewaskum fire department would like to remind everyone that if they have a fire hydrant near their home or place of business, it is the owner's responsibility to keep it clear of snow and make sure it is accessible in case of fire.

This is extremely important for everyone's safety. Please do not forget that the hydrant should be shoveled out from the street side. If anyone needs help or has trouble keeping the hydrant clear of snow, please contact Mark Groeschel during the day at 626-2842 or Bob Stoltzmann during the evening at 626-4503.

Thank You,
The Kewaskum Fire Dept.

Bigger Cougars Down Indian Boys in Opener Indian Grapplers Down Huskies

By Statesman Sports Writer

KEWASKUM — Kewaskum boys basketball coach Jim Westphal knew going into the season that his team was going to have matchup problems against bigger teams. Campbellsport reminded him of that fact in the Indians' very first game.

Just six Campbellsport players scored, but four of those players combined to outscore the entire Indian lineup, as the Cougars used their height advantage to post a 72-65 win over the Indians.

"We knew going into it that Campbellsport was tough, and that we would have some matchup problems," Westphal said after the game. "They are a very tough team inside."

The front-line trio of Ben Rettler, Aaron Buslaff and Jason Buslaff tallied 46 points, while guard Sam Durand led all scorers with 21 to lead the Cougars to their third straight win of the season.

The Indians started out well, grabbing an 18-14 lead after one period of play, and continued to hold onto a four-points lead at intermission, 34-30.

The Indians got into some foul trouble in the third, however, as

starters Joel Fleischman and Matt Seiser were each called for their fourth personal fouls, and had to sit down.

"That hurt us a lot," Westphal said of the foul trouble. "We made them work really hard underneath, but it's hard when you're giving up two or three inches a player."

With Seiser and Fleischman on the bench, the Cougars rallied to erase a 42-39 deficit, as a three-pointer by Durand helped Campbellsport go on a 9-2 run to close out the quarter, and give the Cougars a 48-44 lead heading into the fourth.

The two teams battled each other pretty evenly in the final period, with Kewaskum coming as close as two on a couple of occasions. But Durand once again came up with a clutch three-pointer, putting his team ahead by five, 62-57. That's as close as the Indians would come, thanks to some big free throws down the stretch.

After making just 15 of 28 attempts going into the final period, the Cougars hit on all but two of their attempts in the final period. For the game, the Indians ended up being whistled for 31 fouls.

But Westphal referred to the

Durand three-pointer as the key points in the game. "That kind of broke our backs," he said. "We had done a good job on him until then. He only had five points in the first half, but then he hits a couple of three-pointers in the fourth. Those really hurt us."

Fleischman, despite being in foul trouble, led the Indians with 14 points. Chad Cook chipped in with 12, and Jim Marx came off the bench to add 11.

"We got a really good performance out of Jim (Marx)," Westphal said. "Overall, I was quite pleased with the way we played, considering it was our first game. We knew they'd be tough."

KEWASKUM - Kewaskum wrestling coach John Nell was hoping to accumulate a few more team wins this season, and the Indian boss didn't have to wait too long before getting his first Eastern Wisconsin Conference victory of the year.

The Indians lost just three matches against New Holstein in their EW opener here, last Friday night, as they rolled over the Huskies 45-21.

The win, coupled with the Indians showing at the Campbellsport triple dual, gives the Indians a 3-1 record in dual meets this season, including 1-0 in the EW.

"They looked pretty good," Nell said of his young team. "They (New Holstein) were pretty young too, so it was a good matchup for us... a good way to start."

Josh Kurtz (145) and Kevin Kapp (125) pinned their foes to remain unbeaten, while Chad Muckerheide (160) received a forfeit to up his mark to 4-0 as well. Kurtz pinned Jeremy Lefebre in 5:39, while Kapp put Mark Lisowe's shoulders to the mat in 5:12.

"Kurtz's was a real good match," Nell said, noting that Levebre was the EW's 140-pound champ last year, and Kurtz moved down one weight class in order to face him. "Lefebre kind of stayed away from him, until late in the match when Kurtz stuck him."

Mark Morell (171) recorded the quickest Indian pin of the night, beating Brad Schower in 2:40, while Greg Anderson (135) and Rich Farchione (152) also won on pins. Winning by decision were sophomore Brad Jackson (140) and freshmen Jake Thull (112) and Jake Gundrum (119).

"Todd Muckerheide at 189 had a real tough one," Nell went on to say, reporting that New Holstein's Jason Buechl-decided Muckerheide 4-0. "He's probably their toughest kid."

team got into foul trouble, and both Leberecht and Keith Hosking were forced to leave with five fouls midway through the second half. And with Howell having to miss the game entirely, and usual starting point guard Buddy Mechinch playing sparingly with an ankle injury, the Wildcats were outmanned at the end.

Another key to the contest was at the foul line, where UWWC was outscored 18-10. "That was the difference," Brigham said, noting that his team was whistled for 15 more fouls than the

hosts. Swanson once again led UWWC with 21 points, while Jim Lenz chipped in 15 points and eight rebounds. Hosking also reached double figures, hitting for 10 points.

"Jim Lenz played one of his strongest games of the year for us," Brigham said of the 6-3 forward, who connected on seven of 10 from the field. "He had a real nice game."

Ozaukee's Big First Quarter Downs Indian Girls

By Statesman Sports Writer

FREDONIA — It takes four quarters of good play to win a basketball game, and the Kewaskum girls had to find that out the hard way, here, last Tuesday night against Ozaukee.

The Indians outscored the Warriors 30-24 over the final three quarters, but it was a 24-5 advantage by Ozaukee in the opening period which propelled them to a 48-35 win over the Indians.

On paper, the Indians seemed to get the better of the Warriors, outrebounding the hosts by 16, including a 25-7 advantage on the offensive boards, committed six fewer turnovers, but it was the shooting percentages where Ozaukee really shined, especially in the first half, in which the Warriors led 32-14.

The Warriors made 10 of 13 shots in the opening quarter, for an unconscious 77 percent, and they finished the first half hitting on 60 percent of their tries. For the game, the Indians connected on 20 percent of their attempts, compared to Ozaukee's 35 percent.

"Ozaukee got off to a tremendous start," Indian coach Glenn Eichstedt said of the first quarter barrage. "We managed to get to within eight, at 40-32," with just under 4:00 to play, "but we could not cut into their lead any further," he said.

Both team struggled from the line, with the Indians hitting just 11 of 28 tries, and Ozaukee connecting on 15 of their 29 attempts.

Bonnie Schlice led the Indians

with eight points, while Ginger Wiesner and Julie Mertz added five apiece. Ingrid Buntrock led the Warriors with nine points.

"Had we started the game defensively as we ended it," Eichstedt went on, "we may have been able to win." But the KHS boss added "Until we straighten out our offense, it will be difficult to make big comebacks."

Wildcat Men Drop Two

By Statesman Sports Writer

WEST BEND — It was night and day, as UWWC men's basketball coach Tom Brigham explained it. Two games with totally reverse efforts by the Wildcats both ended up with the same result, a UWWC loss.

On Tuesday, the Wildcats entertained UW-Sheboygan and UWWC was a gracious host, committing turnover after turnover on their way to a 59-57 loss. UWWC struggled for the first three-quarters of the contest, before making a run late.

On Saturday, it was the total opposite, as the Wildcats played well for three-quarters of their game against UW-Marinette, before folding late in a 80-73 loss.

"We're working, learning and doing some things better," Brigham explained. "But we're just losing our concentration at key times in the game."

Against Sheboygan, the Wildcats seemed lost the entire

first half, as they struggled with their shooting touch and trailed 24-17 at the half.

The deficit extended to 17 midway through the second half before the Wildcats finally kicked into gear. "We played a strong final ten minutes," Brigham explained, and UWWC was able to tie the game on a Dave Swanson basket with :05 to play.

But Sheboygan answered, as Dan Winter's shot fell through as time expired, giving the visitors the victory. Dan Baalke led Sheboygan with 32 points, while Swanson paced UWWC with 17. Jay Leberecht added 15 points, while Terry Howell chipped in 13 rebounds and nine steals to go along with eight points.

The situation was reversed against Marinette, as UWWC staked claim to a 41-30 halftime lead. But a couple of factors switched in Marinette's favor in the second half.

"Our shooting went down," Brigham said, adding that his

Frosh Girls Beat KML; JV'S Lose Pair

By Statesman Sports Writer

JACKSON — The Kewaskum freshman girls basketball team helped the Indians avoid a shutout against Kettle Moraine Lutheran here, last Thursday night.

The Indian frosh scored 12 points in the final quarter, almost matching their entire output of the first three quarters, en route to a 26-21 victory over the Chargers, and remained unbeaten at 2-0. Joanne Theusch led the Indians with 14 points, while Mary Yahr chipped in eight.

The Indian JV's were not as fortunate, as they took a 52-22 beating at the hands of the Chargers. "We just got outthrustled," JV coach Keith Amundson said of the defeat. "We were really slow in getting back in the first half. We picked it up in the second half, though, both offensively and defensively."

Jenny Kreiser led the JV's with eight points, while Tricia Butschlick added five.

On Tuesday, the Indians put forth a tremendous rally in the fourth quarter against Ozaukee, but it came up just short as the Indians fell 33-31.

After being outscored 13-2 in the third quarter, the Indians outscored the Warriors 15-2 in the final period, as Butschlick led the Indians with nine points.

Shorthanded due to a couple of players being out, Amundson said that freshman Greta Kuphal lent her efforts to the JV squad, "and she made a big difference," he said. Kuphal added eight points against Ozaukee, and "did an excellent job attacking, rather than holding back."

Indian Wrestlers 2-1 in Cougar Triple Dual

By Statesman Sports Writer

CAMPBELLSPORT — While they provided the hosts with their toughest competition of the night, the Kewaskum wrestling squad was still no match for the talented Campbellsport squad, and had to settle for a 2-1 record in the triple dual, also featuring Brown Deer and Grafton.

The Indians opened up competition against Grafton, and took care of the Blackhawks by a 36-30 count. The Indians then lost four of their five matches against Brown Deer, but used the strength of six forfeits to post a 42-24 win. The Cougars then handed the Indians a 57-11 setback.

Three Indians went undefeated on the night, senior Kevin Kapp at 125 pounds, as well as Josh Kurtz at 152 and Chad Muckerheide at 160.

Kapp posted a pair of major decisions over foes from Grafton and Campbellsport, while Kurtz pinned his opponent from Brown Deer and decided his other two. Muckerheide had a tougher time, decisioning a pair of foes by a total of five points.

Muckerheide's brother Todd went 2-1 on the night, as did Mark Morell, both losses coming against the tough Cougars. Todd's pinning of Grafton's Todd Nolte (1:30) iced the Indian victory against the Blackhawks.

Kurtz had the quickest pin of the night for the Indians, as he downed Brown Deer's Dane Sanderson in just :46, while Brad Jackson (140 pounds) wasn't far behind, pinning Grafton's Mike Obschicki in :48.

"Send Help" Signs Again Available

The famous fluorescent orange Send Help signs, distributed free by the Washington County Sheriff's Department for several years, are again available.

The signs are to be carried in vehicles and placed in a window facing traffic, in the event of a breakdown. They are available at the front counter of the sheriff's department in West Bend and at the Richfield Town Hall, Jackson Village Hall, and Slinger Village Hall during regular business hours.

The sheriff's department has distributed thousands of the signs as a public service.

Indian Wrestlers Ready

By Statesman Sports Writer

KEWASKUM - The number of participants out for the sport is growing, there is a strong nucleus of veterans returning, and a quality group of first year members, so it's no wonder that Kewaskum wrestling coach John Nell is excited about the Indian wrestling program.

"We've got a real good group of kids out this year," Nell said in previewing this year's team. "I think we have about 25 kids out this year," while last season, "I think we ended up with 13."

Nell has some quality returning as well. Josh Kurtz heads the list of letterwinners, after sporting a 26-6 mark last season, which earned him a berth at the Division 2 State Tournament. Kurtz should be occupying the 152 pound class this season.

Nell has just one senior returning to the fold, that being Kevin Kapp, who will wrestle at 125 this year, a step up from where he wrestled to a 15-9 mark last year.

Also returning will be the Muckerheide brothers, Chad (160) and Todd (189), both of which took second place at the Eastern Wisconsin Conference championships last year, as did Mark Morell (171) and Mark Dziejdzic. Dziejdzic has been hampered by a knee injury thus far, but Nell adds, "We're hoping to get him back by this Friday (against Two Rivers)."

"All of our lettermen are going to be pretty tough," Nell said. "We're a real young team, but I think that we'll hold our own."

Nell is pleased with the progress of the younger wrestlers, including Jake Gundrum (119), Jake Thull (112), Brian Reddig (103) and a couple of sophomores wrestling for the first time, Brad Jackson (140) and Greg Anderson (135).

"Gundrum's looking real tough at this time," Nell said, adding that the other first year wrestlers "are doing a real good job. Rich Farchione is also looking good. He's probably going to be at 145."

Other individuals looking to crack the varsity lineup include Tyler Dieringer (130), Andy Mathias (heavyweight), as well as

Rachel Chambers, Chad Trzeczinski, Matt Towler, Andy Mathies, Heath Heise, Brad Reikkoff, James Schafer, Shane Engelking, Cory Rammer, Chad Bindrich and Paul Reis.

As for the team's chances in the EW this year, Nell said, "I really don't know. It's so hard to tell. We have five freshmen and a total of seven first year wrestlers, so they're going to take their lumps this year. It's going to be hard to win dual meets when we're so young."

"I think we're going to be respectable," he went on to say. "All of the kids are really enthusiastic. They work really hard and are very comfortable."

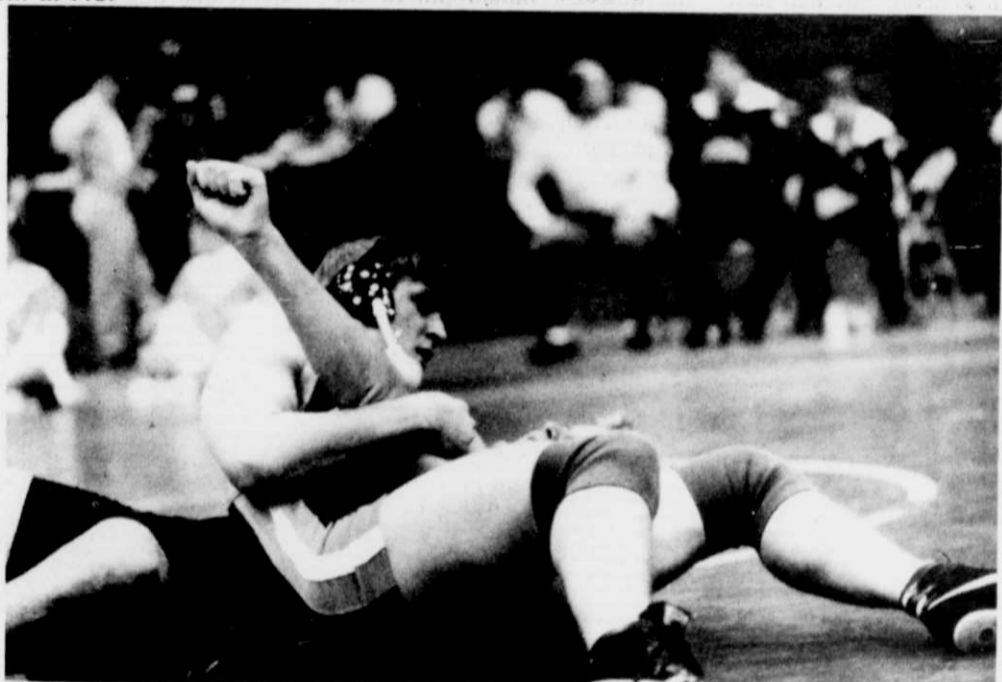

Wisconsin Mapped Lakes Index Is Now Available

MADISON, WI — Ice Fisherman! No more cutting through a foot of ice to find 6 inches of water underneath. An index for the 2450 Wisconsin Mapped Lakes is now available.

A lake map is actually a hydrographic chart. So what's a hydrographic chart? A hydrographic chart is simply a high-faluting term for a map showing the various depths of a lake along with other information that is so desirable to have for fishing...such as kind of lake bottom (mud, sand, gravel, etc...) This information may help the ice fisherman enter the charmed world of experts.

Suppose you want to fish for perch. You know his feeding habits and at what depths and over what kind of bottom he would be. With a Wisconsin lake map you can see at a glance the general contour of the lake bottom and the exact depth of any given place along with the kind and condition of the bottom.

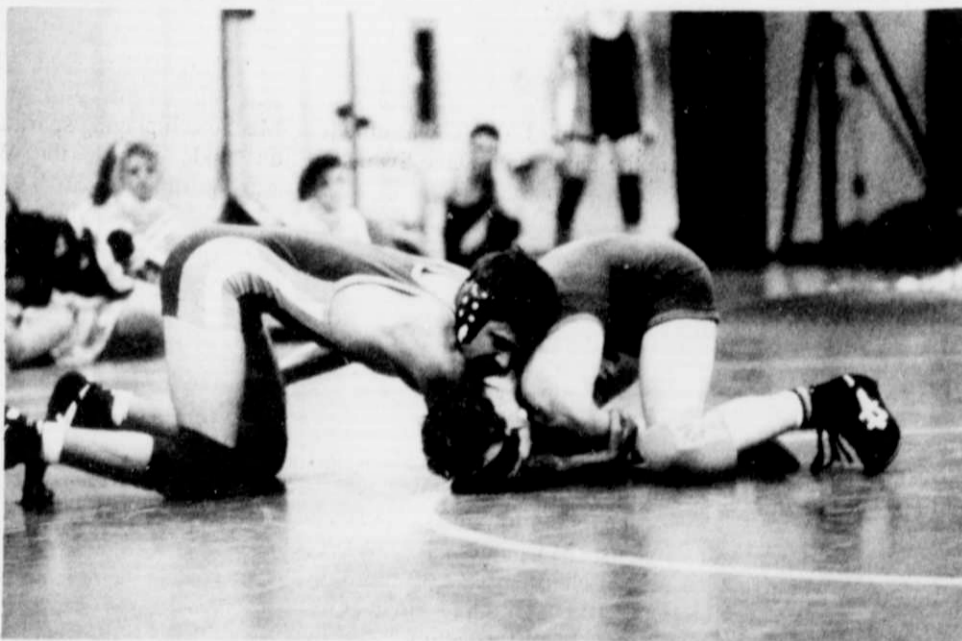

The index is available at no charge by sending a self-addressed, stamped (52c) No. 10 business envelope to: Wisconsin Ice Fishing, Box 5096, Madison, Wisconsin 53705-0096.

In his first match of the night Todd Muckerheide, Kewaskum, pinned Todd Nolte of Grafton in 1:30.

Josh Kurtz, Kewaskum, trying to get Jon-Paul Wilke of Campbellsport to the mat won by major decision 11-3. Josh is also 3-0.

Kevin Kapp, Kewaskum, wins by major decision over Rick Breitzman, Campbellsport 9-1 in his final match of the evening. Kevin is now 3-0.

Indians Down Slinger for First Win

By Statesman Sports Writer

KEWASKUM - It will be rare to see the Kewaskum boys basketball team have a distinct height advantage over an opposing squad, but that opportunity arose here, last Saturday night, and the Indians took full advantage of it.

The Indians used a stingy press and their height to take an early lead over Slinger, and held the Owls to just 25 percent shooting from the field to post an easy 64-46 win.

The win was the first of the year for the Indians, who improved to 1-1, while former Scenic Moraine Conference rival Slinger dropped to 0-2.

"They didn't have the height that Campbell'sport did," Indians coach Jim Westphal said, comparing the Owls to the Indians' first foe of the season. "And our press seemed to bother them a great deal."

That press enabled the Indians to jump on top early, grabbing a 15-9 lead after one quarter. A 19-8 run during the second

frame, enabled the Indians to double up the Owls, 34-17 by halftime.

Westphal cleared his bench in the second half, allowing all 14 of his troops to get some valuable playing time. "We got to play everybody," he said, "but then we let them back into the game a little in the second half."

The Owls proceeded to pull to within 11, at 50-39 a couple of minutes into the final quarter, forcing Westphal to go back to his starters, who put the Indians back in front comfortably.

"They didn't shoot particularly well," Westphal said of the Owls, who connected on just 16 of 63 tries from the floor. The Indians, on the other hand, shot a respectable 43 percent (26 of 60). "We got a lot of good shots."

The Indians were led by senior forwards Joel Fleischman and Matt Seiser who scored 17 and 12 points, respectively, while senior guard Chad Cook chipped in 10 points. Seiser led the Indians with 10 rebounds, while Fleischman was right behind with nine

boards.

"Joel had a real good game," Westphal said of the 6-0 Fleischman. "He has been a real steady performer so far."

Eric Novotny led Slinger with 13 points, while Matt Schellinger chipped in 12, including three three-point shots.

The Indians open up Eastern Wisconsin Conference action this Friday when they host Two Rivers. The Raiders lost to Sheboygan Falls in their EW opener, 80-77. In another EW contest, Plymouth beat Chilton, 62-55.

Indian Boys Look to Challenge in EW

KEWASKUM - Experience makes up for many shortcomings, so it isn't hard to see why the Kewaskum boys basketball team has high hopes for this year's campaign.

A total of seven lettermen return to the fold this year from a squad that went 7-14 in 1990-91. Included in the group are five players who saw extensive playing time last season, including four starters.

"That's definitely a strength," Indian coach Jim Westphal said of the experience factor. "We've got four starters back, so we'll have a veteran group."

The Indians will be led this year by senior Joel Fleischman, a second team all-Eastern Wisconsin Conference selection last season. Fleischman averaged over 15 points and seven rebounds a game last year, as he combined with graduated Mark Felix to form a potent 1-2 punch on the front line.

"He's been a real steady performer for us," Westphal said of Fleischman. "He's probably been our most consistent player."

Also returning this year are guards Chad Cook (5-9 senior) and Kim Marx (5-9 senior), who together combined for over 15 points a game last year, as well as forwards Matt Seiser (6-0 senior), Ryan Ramthun (6-1 senior), Scott Paulson (6-1 senior), and Keith Butschlick (6-0 senior).

Felix is the lone Indian starter gone from last year's club, and while his will be big shoes to fill, Westphal believes he has some players who will fill the void.

Adding some much-needed size to the Indian roster will be 6-4 junior Ryan Boegel and 6-3 junior Adam Laatsch. Also looking to contribute this season will be juniors Jim Marx, Keith Her-

man, Jim Rix, Tony Knoeck, Jeff Diermeier, and foreign exchange student Jes Christensen.

"He's still pretty raw," Westphal said of Boegel, who was with the varsity last season, although he didn't see much action in games. "He practiced with us, so that should help him this year."

Boegel will help in an area which may be troublesome this year - size. "Our overall size...height and bulk, is probably our biggest weakness," Westphal said, noting that Cook and Marx are considered small guards, and Fleischman and Seiser, although they play bigger, are barely 6-0.

As for the Indians' chances in conference, "I think we're going to do alright," Westphal said. "It's really up in the air right now," he said of who he considers the favorite. "Two Rivers, who I thought would be the team to beat, got beat by Sheboygan Falls so it's really up for grabs."

Chilton, another team that Westphal put at the top of the heap in the EW, also suffered defeat in the first conference game, losing to Plymouth.

The Indians will have their hands full in their conference opener, as they will host Two Rivers this Friday night. "That'll be a big one," he said.
