MADD Gives Police Department Stuffed Toys for Squads

Marigold Asks for Speed Limit Reduction

By Gerry Mueller
Statesman Staff Writer

The Kewaskum Village Board had no objections, Monday night, to Marigold Foods' request to have the speed limit, for one block, on First Street between Fond du Lac Avenue and Railroad Street, reduced from 25 to 15 miles per hour.

Protection and Public Safety Committee chairman Robert Beisbier told fellow board members the request had come in a letter from the company. R.R. Godfrey, plant manager, cited Marigold's concern for safety because of the heavy amount of truck and pedestrian traffic as well as company fork lifts crossing the street to move goods in and out of the warehouse. "Some of the cars that use this street travel at excessive speeds. This

creates a hazard for our employees and others using the street." Godfrey stated in his letter. He also stated the firm would be willing to pay for the new speed limit signs and their installation.

Police Chief Richrd Knoebel said his department also had no objections to the request.

In other business board president Mary Krueger opened several bids for the purchase of 1992 replacements for both a municipal pickup and dump truck. All the bids were turned over to Public Works Director Jerry Gilles for his review and recommendations at the next board meeting.

Chief Knoebel informed the board that the Wisconsin East Central Chapter of MADD (Mothers Against Drunk Drivers), had donated a large number of stuffed toys to his department. Knoebel said the toys will be carried in the squads to be used to help calm children involved in emergency situations such as accidents or abuse cases. He said the toys will be given to the youngsters to give them

something to hold on to and give them a little feeling of security. In all cases, the children will be allowed to keep the toys for their own and MADD has offered to replenish the supply when and if needed, said Knoebel.

Fire Chief Robert Stoltzmann advised the trustees that his department had received a donation of \$750, from the Town of Scott toward the department's providing of emergency rescue squad services to its residents. He said a letter of thanks was being sent to the township. "The township does this annually and we want them to know that the donation is sincerely appreciated."

In non-action business, the board reviewed maps showing the proposed areas for the 1992 phase of the village's sidewalk repair and replacement program. The board then adjourned to closed session.

Kindergarten Registration

This year's annual "round-up" for the parents/guardians of all prospective kindergarten pupils in the Kewaskum School District will be held on Monday, February 10th from 8:00 a.m. to 4:00 p.m. and also 4:30 p.m. to 7:30 p.m. to accommodate those unable to come during the day. Registration will again be held on Tuesday, Feb. 11th from 8:00 a.m. to 4:00 p.m. only.

All registrations will take place in the Farmington, Kewaskum, and Wayne school offices. Please register your child at the school in your area on one of the above days. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday on or before September 1, 1992. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling.

Parents/guardians of bus pupils will need their section number and fire number as well, to fill out bussing forms. You will also receive the necessary health forms.

It is very important to register your child on either of these two days so that plans may be made for them and staff requirements will be known for next year.

If you know of any new families in the district, please pass this information on to them.

KHS Student Council Rock for Cystic Fibrosis

The Kewaskum High School Student Council is planning a very special event. We want to have a fund raiser. Not just an ordinary fundraiser. We have a special reason. Our purpose is to raise money for Cystic Fibrosis.

Cystic Fibrosis is a deadly disease where your glands produce too much mucous which results in your lungs and other vital organs clogging. Cystic Fibrosis mostly affects children. We need the communities help. Our event is scheduled to take place February 21st all day long and into the boys basketball game later that evening.

We've chosen to do a Rock-A-Thon!!! On an alternating basis one student from every class will rock the night away (in a rocking chair that is!!!). They will be collecting pledges starting February 12th and the night of the 21st at the boys basketball game against Plymouth, there will be buckets set up for you to put your change into.

It is an event that you will not want to miss. Please support us by pledging. You could be saving a life. A drop in the bucket is all that we are asking for.

Early Graduates At Kewaskum High

The senior class at Kewaskum High School began the year with 133 students. Fourteen of these students have decided to graduate early.

The following students have met graduation requirements and have been granted permission for early graduation: Brian Butzlaff, Kris Bruckert, Nicole Fellenz, Jackie Fischer, Jenny Harper, Lynn Higgins, Amie Kirmse, Carrie Kuehl, Deanna Leiberg, Krissy Schmidt, Linda Steinbach, Chris Trapp, Corina Wenzel, Julie Woods.

LOCAL STUDENT TRAVELS TO EUROPE WITH COE COLLEGE CHOIR

Shannon McFadden, daughter of Mr. and Mrs. Patrick McFadden, toured Europe in January as a member of the Coe College Concert Choir.

While in Europe, the choir performed and went sightseeing in such cities as London, Amsterdam, Berlin, Nuremberg, Munich, Salzburg, Rome and Florence.

Highlights of the tour included a performance in Ely Cathedral and visits to Shakespeare's and Mozart's birthplaces.

Shannon is a junior at the Cedar Rapids liberal arts college.

Kleinhans to Delay Her Bid for State School Superintendent's Job

By Gerry Mueller
Statesman Staff Writer

In several press conferences Monday, Penny Kleinhans, Superintendent of the Wausau School District, announced her decision to delay her bid for the position of State Superintendent of Public Instruction.

In a long distance phone conversation with this reporter, Kleinhans made the following statement: "After a great deal of deliberation and consultation with both family and colleagues, I have decided I will not remain a candidate for State Superintendent of Public Instruction in 1993.

The cord of concern that was struck in the Wausau community and school district relative to my leaving or possible part time

status over the course of the next year was substantial. I am both somewhat surprised and deeply moved by the outpouring of support for my continued tenure in Wausau.

I am committed to seeing through the strategic planning process and its initiative for our school district. It would cause me personal distress to think that my action would be used or construed by anyone as an excuse not to confront and deal with the difficult choices and potential opportunities we in Wausau face relative to our educational system.

My tremendous gratitude goes out to everyone who gave me their early support for my candidacy, and I ask them to consider this my first campaign speech for 1996."

What's Going on at the Kewaskum Public Library?

PROGRAMMING

Forty-four children are registered for the story sessions that began the week of January 8. The Wednesday afternoon group is the largest with 27 children signed up to attend. Enrollment is still open for the Friday group if more children would like to join the group.

Linda McDonald, Holly Knurr, and Caryn Lewandowski, members of the Kewaskum Junior Woman's Club, take turns helping Wednesdays, and on Fridays, Becky Radtke assists. Luci Bledsoe, the library director. An extra pair of hands is always appreciated!

The children have listened to stories about a mitten; snow; and winter. They have learned different fingerplays; tasted ice cream; and made snowflakes.

DONATIONS

Mrs. Bledsoe would like to thank Kemps Dairy Products for their donation of ice cream for the special tasting activity held with the children in the story sessions. Ice cream seems to be the favorite food of almost everyone!

The Kewaskum Public Library would also like to thank the Kewaskum Historical Society for their donation of funds to purchase the book *Fond du Lac County: A Gift of the Glacier*. Published by the Fond du Lac County Historical Society, this book tells the interesting and colorful history of Fond du Lac County.

SPECIAL FEATURE OF THE MONTH

As the February "special of the month" for adult readers, the library is featuring books that have been made into either movies or television shows. There is a variety of authors represented: Danielle Steel, Joseph Wambaugh, Stephen King, Sidney Sheldon, and James

Clavell are only a few. The books are on display at one of the front tables in the library.

DO YOU USE COUPONS?

The library has an adult willing to help with a coupon exchange that could be used by library patrons. Do you have extra coupons that you don't need? If so, donate them to the library.

After they are sorted out (and if there is enough interest), they will be available to anyone who could use them. This is a good way to get rid of coupons that aren't used by your household and get coupons that you can use. Due to time constraints, please have the coupons cut before donating them to the library.

THANK YOU

Mrs. Bledsoe, Library Director, would like to thank everyone who has been donating the plain white cardboard from packages of nylons and tights and the small, sealed in plastic, gift premiums that are included in some boxes of cereals. Ribbons and red paper were also donated. Thanks to all who brought these items in to the library! Every bit helps.

VIDEOS

The Kewaskum Public Library owns over 180 videocassettes and receives two boxes of videos each month as part of the Mid-Wisconsin Federated Library System's rotating collection. While there is no charge to borrow videos from the library, a valid library card is required.

In addition, children must be 12 years old and have a permission card signed by his/her guardian or parent on file at the library. There is, however, a fine charged for videocassettes (as well as other library materials) that have not been returned by the due date.

Videos are due the next day the library is open, except on Friday when the videos are not due until Monday. Videos fines are \$1.00

for each day that the video is not returned, and this does include the days that the library is not open.

All video fines are used to purchase additional videos for the library. Because of the library's limited collection of videotapes, there is a limit of two videotapes per family. Stop by and see what videos are available at the library!

KFD Fire and Rescue Squad Runs

Wednesday, Jan. 29, 10:39 p.m. - The rescue squad was called to Maple Dale Manor when a male patient collapsed to the floor and had been unconscious for about 15 minutes when found by a worker. The man was conscious when the Kewaskum rescue squad arrived. He was transported to St. Joseph's Hospital in West Bend.

Thursday, Jan. 30, 9:14 a.m. - The rescue squad responded to a call to Hwy. H and Midland Dr., Wayne, however the call was cancelled on the way to the scene.

Sunday, Feb. 2, 7:11 a.m. - The rescue squad was summoned to Maple Dale Manor in Kewaskum when a male patient was complaining of acute abdominal pain. He was transported to St. Joseph's Hospital in West Bend.

Class to Teach Home Landscape

"Planning and Designing Your Home Landscape," a five-session course, will be offered on consecutive Tuesdays beginning March 3 from 6:30 - 9:00 p.m. at the Washington County Courthouse. The instructor is Dan Wilson, UW-Extension Resource Agent.

The course has been designed for homeowners with new residences or very limited landscaping. Participants will follow a step-by-step process to design

their landscapes on paper. Information on landscape styles, planning and design principles, selecting landscape plants, and yard care will be emphasized.

Registration is required, and the fee (including a \$10 deposit) is \$25 per individual or couple. The \$10 deposit on equipment will be returned at the end of the course when equipment is returned. The course is limited to 20, and the deadline for registering is February 28.

Those who want more information may call Dan Wilson or Pamela Buchholz at 335-4441, 644-5204, or 342-2929.

Campbellsport Alliance Church Sponsors Hope For the Family Feb. 16

World Wide Pictures, the audiovisual ministry of the Billy Graham Evangelistic Association, proudly presents HOPE For the Family at Campbellsport Alliance Church (meeting in the high school chorus room). (Use entrance K on County V) on February 16.

Is it possible to have the kind of relationships in our home as seen in the Brady Bunch or Cosby show? Do these family relationships portrayed on TV really exist?

Billy Graham says, "Broken homes is one of the great social problems of America. And it could lead to the destruction of our civilization."

This true-to-life story is based upon a family struggling to keep together. Throughout the story you'll see how each member of the family has gone a separate direction and what finally brings

them to be reunited.

HOPE For the Family is just one of the four new dramatic films in the HOPE series featuring Billy Graham. It will draw each person in emotionally and challenge all to consider Jesus Christ as the only true HOPE.

This film will encourage, touch emotions, and give real-life answers for your family.

Pastor Doug Birr and the members of The Alliance Church would like to invite you to attend HOPE for the Family on Sunday, Feb. 16, at 7:30 p.m. For more information please call the church office at 533-4516.

Valley Reports 1991 Earnings; Increases Dividend

Valley Bancorporation today reported net income of \$30.666 million for the year ended December 31, 1991, up from \$29.028 million in 1990. 1991 earnings per share amounted to \$2.51 compared with 1990 earnings per share of \$2.42. Net income for the fourth quarter of 1991 amounted to \$8.193 million, compared to \$6.334 million recorded in the fourth quarter of 1990, when Valley incurred approximately \$1.0 million of after tax restructuring costs associated with the consolidation of bank backroom operations. On a per share basis, fourth quarter earnings were \$.67 for 1991 compared with \$.53 in 1990. Weighted average shares outstanding totaled 12,223,898 in 1991 and 12,010,107 in 1990. Fourth quarter weighted average shares in 1991 totaled 12,227,349 shares compared to 12,058,485 shares in 1990.

On January 2, 1991, Valley completed the cash acquisition of the \$55 million-asset Exchange State Bank in LaCrosse. On April 3, 1991, Valley completed the acquisitions of the \$180 million-asset Great American Savings Bank in Milwaukee, and the \$90 million-asset Western Federal Savings and Loan Association in Sparta. These acquisitions were accounted for as purchase transactions, therefore the consolidated results of operations only include the operations from their respective dates of acquisition forward.

Shareholders' equity at 1991 year end totaled \$269.849 million, an increase of \$17.446 million over the \$252.402 million on December 31, 1990. At December 31, 1991, book value per share was \$22.04 compared with \$20.92 per share at December 31, 1990, an increase of 5.4 percent. The return on average equity for the year ended December 31, 1991 amounted to 11.68 percent compared to 11.86 percent in the previous year.

At their recent meeting, the Valley Board of Directors increased the quarterly dividend from \$.30 (\$1.20 annualized) to \$.32 (\$1.28 annualized). On an annualized basis this represents an increase of 6.7 percent. This dividend is payable March 6, 1992, to shareholders of record February 28, 1992. This marks the twenty-fifth consecutive year in which Valley Bancorporation has increased its per share dividend.

Valley Bancorporation is the third largest bank holding company headquartered in Wisconsin. Valley, with assets of \$4.0 billion, currently serves Wisconsin through 137 banking offices and additional financial service

companies engaged in insurance, trust service, brokerage, credit card servicing and bank operational services. The company's common stock is traded on the National Market System under the NASDAQ symbol VYBN.

Family Education Series Offered by Parents Anonymous

A free community education series is being offered by Parent's Anonymous. Sponsored by The Youth Project, it is intended to strengthen the family, help parents meet their own needs so they can better meet the needs of their children, stop abusive behavior, and develop constructive, positive, and loving attitudes.

The series, entitled "A Family Affair," will be held at Our Savior's Lutheran Church, on Mondays from 6:30 to 8 p.m. at 1044 S. Silverbrook Dr., West Bend. The schedule is as follows:

Feb. 17, Self-Esteem: A Family Affair. Speakers - Mike Bloedorn, MSW, Supervisor Dept of Social Services and Gwen Gehl, MSW, School Social Worker/Teacher.

Feb. 24, Trust, The Necessary Foundation in Raising Children. Speaker - Patti Peterson, Parents United For Family Support.

March 9 - Living in a Family: Parents and Teens Together. Speaker - Carol Reichart, MSW, Counselor, Slinger School District.

March 26 - If I Don't Love Me, Who Will? Developing Self-Esteem in Youth. Speaker - Lisa Bieman, MSW, Facilitator Catholic Social Services.

April 9 - Family Support is Crime Prevention. Speakers - Tom Froelich, Youth Aide Officer, West Bend Police Dept. and Mary Pat McKinley, Youth Aid Intake Officer, Washington County Sheriffs Dept.

May 4 - Parents and Teens Can Talk. Speakers - Joy Breese and Sandi Wallace, Parents Anonymous Youth Project.

Call 338-1661 for more information or to make your reservation for one or more of these informative and productive sessions.

Kewaskum 4-H Express

The December meeting of the Kewaskum 4-Hers 4-H Club was called to order by President Joanne Lemke at 7 p.m. on Thurs., Dec. 5.

Flag pledges were led by Spring Gehring and LeAnne Pomeroy. Roll call was taken and the secretary and treasurer reports were given and accepted.

Reports were given by Molly Schweder and Brooke Zanow on Exploring Day; and by Debbie Pomeroy on the Admirals Game.

A new member, David Cibulka, was introduced. He will be a Cloverbud.

On Jan. 25, there was a Tri-County Leader Learning Day. This workshop was open to any parents of leaders involved in 4-H. It was held in Grafton High School from 9 a.m. to 3 p.m.

Feb. 8 and 9 are the dates set for this year's 4-H Teen Survival Camp which is open to all 4-H members, ages 13-18 in Southeast Wisconsin. The fee is \$35, but the Leaders Association will pay \$10, the Teen Association will pay \$10 and the club will pay \$5, so the final cost is only \$10.

1992 4-H Summer Camp will be held June 17 to 20 at Upham Woods in Wisconsin Dells. Anyone interested in working should contact the 4-H office as soon as possible. Camp staff applications are due Jan. 31, 1992.

March 22 is the date set for this year's 4-H Bowl-a-Thon. This is a family event with prizes and games. The club will pay the registration fee so all you have to do is get sponsors to donate money for you to bowl. All monies collected will go to the County Trust Fund, which is used to support the many 4-H programs and trips and activities offered by the county. Let's all get involved for a great day of family fun!

December birthday was Sue Pomeroy.

The motion to adjourn was made by Mark Jaycox and seconded by Dawn Pomeroy.

WASHINGTON COUNTY WE-TIP CRIME OF THE WEEK

January 31, 1992

The Germantown Police Department is investigating the death by gunshot of 50-year-old Phillip W. Dahlen. The death took place on Wednesday, January 22, 1992, between 3 and 4 p.m. at his apartment. The apartment building is located on Francese Dr. at Pilgrim Rd., one block north of Mequon Rd. in the Village of Germantown.

The Germantown police are looking for any and all leads from anyone who may have information on this case. Something that witnesses may have seen or heard that does not seem important to that witness may be very important information to a police agency investigating a crime. Sometimes small leads, coupled with other leads, help to solve police cases.

Washington County's We-Tip phone line is 1-800-232-0594. Any information can be provided anonymously and if a conviction results from the information obtained, a cash reward will be awarded to the caller. The caller will be identified by using an assigned number recorded at the West Bend Police Department. All law enforcement agencies within Washington County appreciate any information relating to any criminal activity that may have been witnessed or that anyone may have knowledge of. Cash rewards can be quite substantial if a major crime is cleared and convictions are obtained.

Dear Editor:

According to the Wisconsin Constitution, public education is the responsibility of the state. But the state does not treat all our children equally. In fact, one school district in Wisconsin provides more than twice as much public support for its students as another. Is this fair? Of course not.

The current school finance system is also unfair to property taxpayers. Some are taxed more than four times as heavily as others. But the level of property taxation often has little relationship to the amount of school funds provided. For example, the school district with one of the highest property tax rates (Arkansaw) spends less per pupil than the district with the lowest rate (Gibraltar). This is not an isolated example. Property rich school districts throughout the state are able to provide more support for their students and tax their property at a lower rate. Attached is a School District Data sheet indicating the spending and taxing levels of your own school district in relation to some others in 1989-90.

We believe it is time to level the playing field and give all Wisconsin kids the same chance at a quality education while at the same time treating all property taxpayers fairly. To do this, we have introduced an amendment to state constitution that would "assure that the educational opportunities in all district schools are as nearly equal as possible, taking into account the taxable wealth available to support of each district school and the particular educational needs of the pupils in each district school."

The constitutional amendment (Assembly Joint Resolution 85 and Senate Joint Resolution 56) is now before the Legislature on first consideration. Like any amendment, it will need to be endorsed by two successive sessions of the Legislature and then approved by the voters on a statewide ballot.

Prompt action is needed on this proposal as the Legislative session will end on March 27. It is our hope that people throughout the state will encourage their Legislators to support the amendment so that we can take the first step toward addressing the severe inequities that currently exist in Wisconsin's educational system.

Dear Editor,

Thanks to the talents and generosity of our county, the 1991 Citizen Advocacy Holiday Party was an enjoyable afternoon for everyone involved.

Citizen Advocacy of Washington County is a community-based organization that recruits, matches and supports voluntary, personal relationships between volunteer advocates and people who have mental or physical disabilities.

Matches made through Citizen Advocacy foster and support a variety of personal relationships, encourage identification with the interest in the rights of people with disabilities within the community, and includes those people in social and community life.

Contributing to the success were Dave Bertelsen and the Kewaskum High School Swing Choir, Our Savior's Lutheran Church, Terlinden's Trees, Benidt's Foods, Piggly Wiggly, Hankerson's Country Oven, Sentry, Foods and Kohl's Department store.

Thank you to Sue Moser and

Painless Way to Stop Smoking And Lose Weight

If you have ever tried to stop smoking "cold turkey" or lose weight you know how painful it can be.

Now the people at Directional Consulting are offering a "painless way to quit smoking and lose weight."

Directional Consulting Institute has been instructing and researching in the field of hypnosis for over 16 years, and one of their certified hypnotherapists will be the featured speaker at the American Legion Post, 284, Kewaskum, Wednesday, Feb. 19th at 1 p.m. for DCI's quarterly stop-smoking / weight loss seminar.

"Some people spend hundreds or even thousands of dollars on gadgets and gimmicks to help them stop smoking or lose weight. Our students don't have to suffer when they throw their cigarettes away or during weight loss. Both programs are includ-

ed. Hypnosis has been used to control pain and strengthen the will for generations. We have refined the techniques so that smokers and dieters can use it as well."

DCI guarantees that they will work with their students till they reach their goal. "All they have to lose is a little time and lots of weight and a lot of cigarettes."

DNR Report Comments on Climate Change Potential

MADISON... The implications of predicted global climate changes on Wisconsin are uncertain, but the "potential consequences are serious enough to warrant action now," according to a Department of Natural Resources report.

The report, prepared for Wisconsin's assessment of electric utility plans, recommends the state reduce emissions of gases that some scientists believe contribute to climate change or global warming. But it also says a worldwide effort is needed to restabilize the climate.

Steve Ugoretz, chair of the DNR's energy team, said the report's recommendations address growing scientific concern over the potential effect of climate change on life as we know it. The DNR report looks at a variety of implications for Wisconsin, including impacts on agricultural growing seasons, forest health and productivity, water supplies, wild plant and animal health and distribution, and overall economy.

The team and climate change committee were formed in February of 1991 to review utility industry expansion plans now before the state Public Service Commission. Coal-burning power plants are a major source of carbon dioxide, which has been identified as the predominant gas responsible for global warming, or the so-called "greenhouse effect."

"This is the first time the department has really looked at the climate change issue and the implications for Wisconsin," Ugoretz said. "There is increasing evidence that something is happening; so it is time to learn more about what's happening and take steps that make good economic and pollution control sense, but also help stabilize the global climate."

Although the issue is still being debated, many scientific studies predict significant increases in average global temperatures that could affect Wisconsin weather patterns, according to Eric Mosher, who chaired the DNR's climate change committee.

Based on global climate modeling, the consequences could be a general warming pattern over the years and changes in the frequency and severity of storms, he said. In the long term, Mosher said there could be effects on the freezing and thawing of soils, runoff from precipitation, changes in lake and stream levels and groundwater recharge.

"If there are changes in seasonal climate and availability of water, there is no doubt that tourism, forestry and agriculture will be affected," Mosher said.

The report said the changes

could include:

*Less snow in winter and water for recreation in the summer, with increased pressure on remaining water to irrigate crops and assimilate wastes.

*Disruption of forest ecosystems that retards forest growth, reduces annual yields and increases forest fire risk, especially fires caused by lightning.

*Redistribution of corn and soybean farming further north and the reintroduction of major wheat farming to the state.

"Theoretically, some beneficial effects are possible, but the bottom line is still negative," the department report concluded, and the potential costs of waiting and hoping are simply too high."

The department recommended strategies that focused on three major areas: 1) limiting emissions of gases that cause global warming (primarily carbon dioxide); 2) encouraging the removal of greenhouse gases from the atmosphere; 3) adapting to and coping with the anticipated impacts of climate change.

For example, the report lists options to increase the energy efficiency of industrial and consumer processes and habits.

"Our recommendations can be accomplished under existing laws and regulations," Mosher said. "And they are based on existing technologies that have other environmental benefits."

Specific examples include using energy-saving light bulbs and more efficient air conditioning, heating systems and electric motors, and switching to cleaner burning fuels for certain industrial processes. Burning natural gas, Mosher explained, emits half the carbon dioxide emitted by coal burning processes in the production of the same unit of energy.

"It makes sense to explore the potential for using less-polluting fuels and re-tooling within the utility industry," Mosher said. "These are issues we must address to reduce the effects of global climate change in the future."

Other recommendations include increasing forest production to "tie up" more carbon dioxide in woodlands.

"The growth, maintenance and use of newly replanted short-rotation forests is feasible and could be a very effective strategy (of not increasing atmospheric levels of carbon)," the report stated.

This is already occurring to some extent, as reflected by the contributions to reforestation made by state and private nurseries and the tree planting efforts of Wisconsin's paper industry.

In addition, the report suggested that the state adopt more fuel-efficient transportation strategies and greater state participation in national and international efforts to reduce greenhouse gas emissions. The report also calls for more research on the effects of climate change on Wisconsin and an expansion of the department's acid deposition research council to embrace climate change.

The report recognized that added research will improve the ability to predict climate changes and their impact on the state's economy and residents.

The DNR's report, "Global Climate Change: Management Strategies for Wisconsin," was recently presented before the state Public Service Commission at hearings which began January 13th.

Letter to The Editor

Dear Anyone Who Cared,

The cards, letters, packages and prayers you sent to me during Operations Desert Shield and Desert Storm were greatly appreciated and needed.

Please forgive me for not replying sooner or to you personally. Sometimes I lost your address; sometimes I could not read the one written on your letter; sometimes I was too busy; sometimes I was unable to write because of sickness or injury; sometimes your letter or package was lost and sometimes my reply to you also was lost. Nonetheless, I am sorry that you did not receive the reply that you deserved.

Do not let my lack of response indicate a lack of care on my part. There is no way I could ever convey how much your concern meant to me.

This conflict was different from some of those in the recent past, not because of better soldiers, better weapons, or better generals, but because of the spirit of unity and the concern of the American people who supported the troops.

Some of you were pro-war; some of you were anti-war; some of you had seen battle; and some had not. But all of you showed your support for us during a difficult time, and for that I will always be in your debt.

With My Love and Respect,
Any Soldier

It's Time For A Vote On Parental Consent

Wisconsin Right to Life is appalled at the lack of meaningful action by Senator Barbara Ulichny on AB 180, a bill requiring parental consent prior to a minor girl's abortion.

To date, Senator Ulichny has scheduled no executive action on AB 180, and has made no commitment to send this important, popular bill to the full Senate for a vote.

Since parental consent legislation was introduced in the last session, there have been a total of eight public hearings held in virtually every section of the state. Senator Ulichny has presided over five of these hearings, including one in October of 1991. Over 5,600 persons have come to these eight hearings to register for or against the bill. Testimony by groups and individuals has become repetitive. Put very simply, there is nothing more to be said on parental consent. It's time for a vote.

AB 180 passed the Assembly in early November by a 77-20 vote. A strong majority of Senators favor the bill and want to vote on it. Governor Thompson wants to sign it. Between 74 percent and 80 percent of the Wisconsin public supports this bill, according to public opinion polls. Over 90,000 residents of Wisconsin have signed petition in favor of parental consent. Thousands of letters have been written to state legislators and the Governor.

One individual, Senator Barbara Ulichny, will decide if this bill passes or dies in her committee. Two years ago, after parental consent legislation passed overwhelmingly in the State Assembly, Senator Ulichny killed the legislation by bottling it up in her committee. She appears poised to kill parental consent again.

Wisconsin needs parental consent legislation and we need it now for the protection of our children and to restore rights to parents. We call on Senator Ulichny to move AB 180 out of her committee immediately and let the Democratic process work.

For further information, please contact Susan Armacost or Barbara Lyons at 414-778-5780.

Two more hearings have been scheduled: Wed., February 12 -

U.W. Oshkosh - Arts and Communication Center North - Music Hall, 926 Woodland Ave., Oshkosh, WI from 5 p.m. to 8 p.m.; Wed., February 19 - Martin Luther King Center, 153 W. Vliet St., Milwaukee, from 6 p.m. to 9 p.m.

Record Earnings at West Bend Savings Bank

Record earnings of \$1,467,809 before taxes and after tax net earnings of \$965,009 were reported by West Bend Savings Bank at its 65th annual shareholders meeting held January 15, 1992.

Richard A. Larson, Chairman and Chief Executive Officer for the bank reported that the bank's reserves had increased to \$9,023,870. The bank's return on assets were .74 percent which is considered extremely good for thrifts and savings banks nationwide. Larson added that the bank had virtually no troubled real estate loans to report.

Real estate mortgages which represent over 76 percent of the bank's assets were in great demand during 1991. Larson indicated that while the year end refinancing activity was strong, the bank's mortgage portfolio consisting of approximately 90 percent adjustable rate mortgages (ARM's) was less affected compared to industry norms. Larson added that the primary reason for this stability was that the ARM by design takes advantage of favorable market conditions relieving the need for refinancing and the associated expense that a borrower may incur.

Directors Russell E. Brandt, Andrew J. Gumm and Richard A. Larson were re-elected and the board adopted a motion of appreciation to outgoing director Ronald O. Reigle.

During a special retirement celebration Friday, Jan. 24, 35 retirees were honored for their service to Gehl Company which combined, adds up to 1,036 years. Back row left to right are Gehl retirees: Ralph Klein, Howard Hadler, John Bandy, Marv Schmeling, Don Wiedefeld, Dave Scheffler, Laverne Schellinger, Ira Weber, Gertie Raabe, Paul Cline, Loren Nonhof, Charles Spaeth, George Scheffner and Herb Fischer. Front row left to right are Gehl retirees: Norb Thelen, John Leverenz, Ellen Kloke, Maurice Bobholz, Jim Whiting, Art Doll, Joe Ecker and Dan Salter. Not pictured are: James Boone, John Bowling, Leroy Bruesewitz, Ken Cudnoskoske, Robert Fiebig, James Givens, Lawrence Haas, Keith Koth, Gerald Luckert, Richard Smith, Darrell Stotesbery, Gerald Stotesbery and Roger Yanna.

35 Gehl Retirees Served A Total of 1,036 Years

West Bend — Thirty-five Gehl Company retirees were the guests of honor at a special celebration at the end of January commemorating their 1,036 years of combined service. These years of service ranged from four to 45 years, with 26 retirees having chalked up over 25 years each at the agriculture and construction equipment manufacturer.

Each retiree received a special clock presented by Al Gehl, former chairman of the board who managed the company along with his three brothers from the mid-1930s until he retired from active management in 1972. In honoring the retirees, Al Gehl was joined by President Bernie Nielsen, Chairman of the Board Joe Zadra and company officers. Over 200 Gehl employees and their spouses gathered at the Knights of Columbus Hall on Jan. 24 to wish their retiring co-workers well.

The retirees took advantage of a special early retirement program that was offered in the fall and became effective Dec. 31, as part of Gehl Company's restructuring plan.

Nielsen told the group at the retirement celebration: "All our Gehl people, but especially our retirees, played an important role in building the fine reputation of Gehl Company for quality products and good people. We owe it to them, our customers and ourselves to carry on their legacy."

Gehl Company (NASDAQ: GEHL) produces a broad line of niche capital goods equipment used worldwide in the agricultural and construction industries. Founded in 1859, the company is headquartered in West Bend, with manufacturing facilities in West Bend, Lebanon, PA; and Lithonia, GA; and Yankton and Madison, SD.

In the Service

Navy Airman Apprentice David P. Kronschnabl, son of Peter G. and Carol Kronschnabl of 6100 N. Lake Drive, West Bend, recently returned to Mayport, FL, aboard the aircraft carrier USS Forrestal following a seven-month deployment to the Mediterranean and the Red Sea. Kronschnabl deployed with the ten-ship battle group while they conducted operations, as well as provided support for the Kurdish Relief effort.

USS Forrestal assisted in President Bush's visit to Greece and Souda Bay, Crete, in July.

Before leaving the Mediterranean, Kronschnabl also participated in several multi-national training exercises with Spain, Italy, Germany, Turkey, Greece,

France, Great Britain and the Netherlands.

This is the last operational deployment for the USS Forrestal. The 36-year-old carrier will transfer to Pensacola, FL, in late January, 1992, to become the Navy's aviation training vessel.

The 1990 graduate of Milwaukee Lutheran High School, Milwaukee, joined the Navy in April 1991.

C.H.R.A. Asst. Admin. Bodien Represents Midwest

Joanne Bodien

Cedar Haven Rehabilitation Agency Assistant Administrator Joanne Bodien attended a special meeting of the Federal Government's Health Care Financial Administration held in Baltimore, Maryland. She represented the Cedar Campuses on a technical panel giving expert testimony to consider queries for skilled nursing facilities that offer intensive rehabilitation to Medicare patients. Joanne was selected by the American Association of Homes for the Aged (A.H.H.A.) to represent the entire Midwest United States at this special national meeting.

Because of Cedar Haven's vast experience in rehabilitation programming, the agency will be included in the study group to

establish criteria for Medicare.

The Cedar Haven Rehabilitation Agency is part of the Cedar Campuses, and has a rehabilitation clinic in West Bend and in Horicon. These clinics offer professional comprehensive outpatient physical, occupational and speech rehabilitative services.

Cedar Haven Rehabilitation Agency is owned and operated by the non-profit Benevolent Corporation Cedar Campuses.

For more information about Cedar Haven call 334-1486.

IN MEMORY

In memory of OCELIA YOOST, who passed away Feb. 11, 1991:

You are not forgotten Ocelia, Nor will you ever be, As long as life and memory last We will remember thee.

Sadly missed by husband and relation

IN MEMORY

In loving memory of SYLVESTER FELLEENZ, who passed away 18 years ago, Feb. 6, 1974:

Its lonesome here without you I miss you more each day Life does not seem the same Since you have gone away My heart aches with sadness My eyes shed many tears God knows how much I miss you At the end of 18 sad years.

Deeply loved and missed by wife Gertrude Fellenz.

THANK YOU

My family and I would like to thank all of you who had me in your thoughts and prayers and sent me cards and gifts while in the hospital and convalescing at home. Special thanks to the Salem Church Ladies Guild for the delicious thanksgiving dinner, the Girl Scouts of Wau Bun Council, the people from the Samaritan Home, and Piggly Wiggly. It was greatly appreciated.

Richard Goetsch

THANK YOU

I wish to express my sincere thanks to my family, relatives and friends for their visits, phone calls, flowers, cards, gifts and especially prayers. Pastor William Robinson, doctors and nurses while I was in the hospital and convalescing at home. All your kindness was greatly appreciated and will always be remembered.

George Koerble was honored at the recent annual banquet of the Kewaskum Fire Department for 25 years of continuous service in office as secretary of the department. He was presented with a pen and pencil set by the department on the occasion.

Karen Hansen, daughter of Mr. and Mrs. Edward Hansen, R.2, Kewaskum, has been chosen as the Good Citizen of Kewaskum Community High School in a contest sponsored by the Daughters of the American Revolution.

Miss Carole Ann Erdmann, daughter of Mrs. Ralph Erdmann, R.2, Kewaskum, was graduated from Lakeland College, Sheboygan, with a degree in Sociology. Miss Erdmann will enter the graduate field of study in September. She is a 1963 graduate of Kewaskum High School.

Erick Jeske of 335A Prospect St., has the honor of reporting the first robin of the year, seen in his backyard last Friday, Jan. 27.

Marriage License: Roger Schmitt, Kewaskum and Kathleen Theisen, R.2, Kewaskum; wedding Feb. 4.

Births: A daughter to Mr. and Mrs. Charles Kleinke, Kewaskum, Wednesday, Jan. 25. A son to Mr. and Mrs. Lawrence Nischke, West Bend, Saturday, Jan. 28.

50 Years Ago

Feb. 6, 1942

Postmaster Frank Heppe reports that a total of 1,071 motor vehicle auto-use tax stickers were sold at the Kewaskum post office by the time the deadline was reached Monday. This is a large number considering the population of the village.

Pvt. Jacob Schlosser, Jr. and PFC Leo Wietor, both of the U.S. Army Reserve Corp. have been called into service. Both young men were previously discharged from the army upon reaching the age of 28 years after being inducted under the provisions of the selective services act.

Kilian Honeck, Jr., of this village a member of the Kewaskum basketball team, suffered a dislocated and fractured left ankle in a fall while practicing basketball in the school gym Tuesday evening of this week. The injury was incurred during a practice scrimmage against the high school team. Near the end of the scrimmage he fell in some manner and the fracture resulted. He is confined to his bed at present and after the swelling goes down the leg will be placed in a cast.

Births: Mr. and Mrs. Harold "Mix" Marx of this village are the parents of a son born Thursday, Feb. 5. A baby boy was born to Mr. and Mrs. Alex Theusch of Wayne on Monday, Jan. 28.

Dance at the Lighthouse Ballroom Sunday, Feb. 8. Music by Pep Babler's Orchestra. Admission 30c tax included.

Feb. 3, 1917

The newly organized Farmers and Merchants State Bank of Kewaskum will open its doors for business Thursday, February 8, 1917. Our new two story building is modern throughout and built according to modern banking ideas. The first story is devoted entirely to a banking room. The second story of the building will be used for offices and meeting rooms. Dr. William Klumb will occupy the front office. Dr. Klumb heretofore had his office over the bakery.

Sometime during the night of Wednesday, Jan. 31st, fire started in the barn belonging to John Engler who lives about 1 1/2 miles northwest of St. Michaels, on the former Julius Geier farm and completely destroyed same together with the contents namely five cows, one calf, two horses, 25 pigs, hay, grain and part of the machinery. When Mr. Engler went to do chores Thursday morning upon opening the barn door was greeted by a cloud of smoke. Realizing the barn was on fire he made his way into the building with the intention of saving the stock, but after looking around saw that the animals were all smothered to death by the dense smoke. The cause of the fire is unknown.

A double wedding took place Tuesday morning in the Town of Wayne, which is of interest to residents of that section of the county. The principals were Martha Marie Wehling who married Albert Zielieke, and Emma Sophia Wehling who married August Broecker. The brides are the daughters of Mr. and Mrs. George Wehling.

Harvey, the 11 months old son of Mr. and Mrs. Julius Dreher of this village, died Tuesday, Jan. 30, after a four days illness with pneumonia.

Born to Mr. and Mrs. Peter Kirsch on the 14th, a baby boy; to Mr. and Mrs. Simon Strachota on the 20th a baby girl; and to Mr. and Mrs. Peter Hurth, on the 25th, a baby girl.

A vacation is when you spend thousands of dollars to see what rain looks like in a different part of the world.

All adult Cub and Boy Scout Leaders and Pack and Troop Committee Members of Glacier Edge District 11, of the Boy Scouts of America, will hold their February 6 Roundtables, at 7:30 p.m. at John Long Middle School, corner of Fifth and Hickory Streets, Grafton.

Information on current district activities will be announced.

Cub Roundtable Commissioner, Tricia Clark, and her staff will put the emphasis on fun for the "Things That Go" theme in the All-Purpose Room. Participants will engage in construction and operation of games and relays. The opening and closing ceremonies, as well as the Ethics In Action program, will reinforce favorable behavior.

Boy Scout personnel will meet

with Commissioner, Tom Wierzbicki, and his staff in the school library. James Loebel will give instructions and demonstrate various camp crafts. He will also cover the Tote 'n Chip knife and axe safety requirements.

A narration and photo display of Troop 855's trip to the National Boy Scout Museum in Murray, Kentucky, will be presented by George Krueger. The high adventure course, robot, Land Between The Lakes Camp and various side trips will also be highlighted.

Members of the Order of The Arrow of Chapter 11 will meet with Chapter Chief, Dennis Schmidt, and Advisor, Ron Cronwell, in room B-16, at 7:30 p.m. The agenda will include discussion of unit elections.

Boy Scout Ice-O-Ree Feb. 8 at Pike Lake

All Boy Scouts and 5th grade Webelos of Ozaukee and Washington Counties of Glacier Edge District 11, of the Boy Scouts of America, are invited to attend the Ice-O-Ree, Saturday, Feb. 8, at Pike Lake State Park, Highway 60, Hartford, from 7:00 a.m. - 4:30 p.m.

Each Webelo must be accompanied by a parent or guardian, and Health Information Sheets are required for all participants. Reservations must include a \$10.00 Troop deposit which will be applied to the total unit fee at \$3.50 per person.

"This is a great outdoor adventure for our Scouts," said Rick Buth, Ice-O-Ree Chairman, "but they must dress for the weather in layers of clothing, warm boots and gloves."

Activities include fishing competition, the sledge contest, Scout skills and patrol challenges.

Fishing awards will be presented for the largest fish, the smallest fish and the largest patrol catch. A traveling trophy will be awarded in the sledge contest.

The patrol challenges will consist of Hole-In-One (timed drilling of holes in the ice); Jig-A-Whopper (lashing knowledge and team work); Save The Scoutmaster (First Aid and rescue skills); Fire In The Hole (fire built and kept burning); and the Hot Meal Deal (cooking a hot meal and a hot drink).

Cub Scout Winterfest

Glacier Edge District 11, Bay-Lakes Council of the Boy Scouts of America, will hold its Cub Scout Winterfest on Saturday, February 15, at Glacier Hills County Park, Highway 167 at Freiss Lake Road, Hartford.

Packs can make a reservation for the morning or afternoon session with a \$10.00 deposit. Cost is \$3.00 each and the deposit will be applied to the Pack's total cost. Send reservations to George Krueger, 521 S. Main Street, Saukville, WI 53080.

Over 700 Cubs and adults are expected. Participants are reminded to dress for the weather with warm boots and layers of clothing. A cookie and hot chocolate snack will be served.

"We try to make the events challenging, interesting and enjoyable. This year's theme is based on Indian games and events are designed to give the Cub Scouts a feeling of success and accomplishment," said Krueger who is chairing the event.

Stitt Proposes Elimination of General Assistance

MADISON....In an effort to address an area of the State's welfare reform agenda in need of attention, State Senator Donald K. Stitt (R-Port Washington) has proposed legislation allowing counties to deny general relief benefits to able bodied individuals who are able to work and choose not to.

"Wisconsin residents are compassionate, but when an individual is able to work and chooses not to it's unfair to ask the taxpayer to provide them with a general relief payment," Stitt said.

Michigan recently passed a

similar law and Stitt said Wisconsin must take steps to limit general assistance or potentially face a large influx of people seeking higher welfare benefits.

Counties will still retain the option of providing general relief to able bodied individuals under Stitt's proposal, but the state would no longer mandate such payments.

FARMINGTON 4-H'ERS

The January meeting was a blast. Brendan Weinhold, our Vice President brought his brown rabbit friend for a demonstration. He and Nichole Cochenet told us how to take care of a rabbit and how the judges in a rabbit show judge the rabbits and what to look for in a good rabbit.

The Music and Drama Com-

mittee, consisting of Brendan Weinhold, Brad Hermann, and Sara Braun presented its report. We will participate in the "Family Fun" category at the Music and Drama Festival.

Project adds and drops were completed and dues were collected.

We discussed the possibility of fund raisers in the future. The recycling and recreation committees held meetings after the general meeting was adjourned.

On February 1st the club will be having a sledding party, at Wes Weinhold's house. The club's next meeting will be February 13th at 6:30 in the Farmington Town Hall.

Rockets Bomb Indian Grapplers

By Statesman Sports Writer

KEWASKUM — Kewaskum wrestling coach John Nell knew coming in that his team would be in for a long night against Cedar Grove here, last Tuesday night.

And the Rockets, rated in the top three in Division 3 state rankings, did nothing to ease Nell's concerns, as the Indians were bombarded by a 36-20 count. Although the score doesn't seem like a blowout, 12 of the Indian points came by way of forfeit wins.

"They're a pretty tough team, they've got some good kids," Nell said of the experienced Rockets, who had five seniors in the lineup. "They're really intense. This is their big year."

There were a couple of bright spots for the Indians, though. At 112 pounds, freshman Jake Thull came away with a hard-fought 12-10 victory over the Rockets' Chad Hoopman.

"Thull wrestled a really good match," Nell said of his young grappler. "He's coming around real well."

Also victorious for the Indians was 145 pound standout Josh Kurtz, who came away with a much easier win than had been anticipated. Kurtz was pitted against Carter Prinsen, who entered the match with a 19-1 mark, with his only loss of the year a 10-9 defeat at the hands of the 1991 Division II state champ.

Kurtz wasn't fazed, however,

as he took down Prinsen, in every period, coming up with near-fall points each time, as he rolled to a convincing 15-0 technical fall win.

"That was the premier match of the night," the Indian mentor said of the 145-pound matchup. "Josh had a really good match...didn't even let him score." On a sour note, Nell was a bit sad to hear that Prinsen injured his knee in the match, and might be out for the season. "You always hate to see something like that."

Coming up just short in their efforts were Kevin Kapp, who fell behind early and could never catch up to Make Watry, losing 9-5 at 125 pounds. Chad Muckerheide (160) was also downed by a five-point spread, losing to Matt Teunissen 7-2.

Kewaskum's Mark Dziedzic (130) and Brad Jackson (140) picked up forfeit victories.

"I was kind of hoping to win a couple of the upper weights, but we just couldn't pull them out," a disappointed Nell said, although he added "I thought we wrestled pretty well."

The Indians now have a full week and a half to ready themselves for the Eastern Wisconsin Conference meet, which will be held at Kiel, on Saturday, Feb. 8th. How will the long layoff affect the Indian matmen?

"It's worked well the last cou-

ple of years," said Nell, who says he tries to schedule some time off before the year-end tournaments. "It gives us some time to heal our nagging injuries. We cut down on the mat time, but we're working more intensely. I'm looking forward to this weekend."

Mistakes Haunt Lady Indians

By Statesman Sports Writer

KIEL — Not mincing any words, Kewaskum girls coach Glenn Eichstedt got right to the point regarding his troops' showing here, last Thursday night.

"We just didn't perform as well as we are capable of," he said, referring to his squad's 50-32 loss to Kiel, a team which entered the contest having just two conference victories. The loss dropped the Indians to 1-7 in the Eastern Wisconsin Conference, and to 2-13 on the season.

Mistakes plagued the Indians all night, especially in the opening quarter, Eichstedt said. "In our first seven or eight possessions, we didn't even get off a shot," as the visitors fell behind

8-0 before an Indians timeout.

Kewaskum battled back, going on an 8-0 run of their own to tie things, but Kiel answered right back by scoring the final seven points of the period to assume a 15-8 lead.

"That first quarter was very streaky," Eichstedt said, adding that the second frame "was much more evenly matched," as Kiel increased their lead a bit to 28-19 by halftime.

Coming into the game, Eichstedt knew that his team had to stop Raider guard Karla Niemuth from penetrating into the lane, as well as keep center Kristin Rogne in check underneath and according to the Indians boss, "We weren't successful in doing either one."

Niemuth and Rogne had their way in the second half, as the Raiders outscored Kewaskum 22-13 to pull away. Rogne led all scorers with 17 points, while Niemuth finished with 12. Even more shining a statistic was the fact that the Indians finished the evening committing a whopping 27 turnovers.

"That reflects the fact that we didn't do a good job in protecting the ball," Eichstedt explained. "We were forcing our passes too much."

"We didn't necessarily shoot that well," he went on, noting that his team was 13 of 59 from the field. "We thought that we had ironed out our offensive problems, but we just weren't sharp. For the second game in a row, we made just five of twenty free throws."

As for bright spots in the defeat, Eichstedt pointed to the play of senior Terri Vogt, who "played a pretty solid game," in scoring nine points, all of which came in the first half. Vogt also led the Indians with 11 rebounds.

"We felt coming in that this was a good chance to continue our improvement," Eichstedt continued, "It just didn't turn out that way."

The Indians will try to change that this Tuesday, when they travel to Plymouth. "It's an important game, because we might see them in the first round of the (WIAA) tournament," Eichstedt said. Kewaskum then will play at Oostburg Thursday, before returning home for EW games against Sheboygan Falls (next Tuesday) and Chilton (next Friday).

Hunter Safety Course

Make hunter education a family affair. Ken Stuart, Rick Heisler, Bill Prost, and Jeff Linsley, Wisconsin DNR certified hunter safety instructors, invite all people interested in hunting and recreational shooting to enroll in a hunter education course.

The course will start Feb. 12 and held each Wednesday at 6:30 p.m., at the Sportsman clubhouse in Elmore. The course is sponsored by the Campbellsport Sportsmans Club, assisted by DNR Warden Doug Bilgo. Students must be 11 years old to enroll (or reach 12 prior to fall hunting season). There is no maximum age, parents are encouraged to enroll and participate with their children.

Advance registration is requested. Please contact Ken Stuart at 533-8470, Bill Prost at 626-4686, Rick Heisler at 533-4955 or Jeff Linsley at 533-5110 for details. The course fee is \$5.00, which covers all necessary materials. Students must be accompanied by one parent or guardian on the first night of the course.

Persons successfully completing the course will receive an embroidered patch and a hunter safety graduate certificate. The certificate is valid in lieu of a small game hunting license for one season, and is a lifetime certificate required for hunting in many states and provinces. Young students certified will also be able to hunt and use firearms without parent or guardian presence at age fourteen, instead of sixteen.

Class will cover responsibilities of hunters, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

Dr. Anthony Schlaefer of Campbellsport will conduct hunter vision screening tests for all students as a public service.

Sandy Amoros, the Dodger's left fielder, made history in the seventh game of the World Series with a lunging catch of Yogi Berra's line drive, giving the Brooklyn Dodgers a victory over the N.Y. Yankees in 1956.

Wildcat Women Tied for First

By Statesman Sports Writer

WEST BEND — While the UW-Washington County men are trying to establish themselves as contenders in the Wisconsin Collegiate Conference, the Wildcat women are busy trying to win the

East Division outright.

The Lady Wildcats are making a bid at the title, as they chalked up a pair of wins recently to lay claim to a tie for the top spot along with UW-Marshfield.

UWWC got some revenge for an earlier loss this season, as they wholoped UW-Waukesha 76-44 behind the strength of Jenny Meyer, who set a school record by pouring in 36 points to go along with 12 rebounds.

Waukesha, had upended UWWC by three points in the Wildcats' first game of the year, but Meyer would have nothing to do with another upset, as she almost single-handedly outscored the guests. Michelle Kraus completed a potent 1-2 punch for the Wildcats, as she chipped in 23 points.

The Wildcats were then pitted against the thin UW-Fond du Lac squad, which came into the game with just five healthy players. By the time it was over, UW-FDL had fouled out three of the five, and the remaining two were no match in the 81-50 Wildcats win.

Down by just five at the half, UW-FDL lost former Campbellsport standout Kely O'Brien early in the second half, and it was downhill for the hosts from there. The Wildcats were led by former Kewaskum High School standout Kelly Rohlinger, who poured in a personal best 25 points. Meyer and Kraus also reached double figures, hitting for 22 and 13 points, respectively.

UWWC moved to 11-3 overall, and to 7-2 in the WCC-East.

Schedule for KHS Girls Basketball Games

The Kewaskum High School Girls Basketball Teams will be sponsoring the following activities in conjunction with their upcoming Eastern Wisconsin Conference Games:

Tuesday, Feb. 11 Versus the Sheboygan Falls Falcons * - "Senior Recognition Night" includes a pregame plaque presentation and a postgame (refreshment) reception in honor of Sherry Hass, Tammy Schmidt and Terri Vogt. (1991-92 Team Captains)

Friday, Feb. 14 Versus (undefeated) Chilton Tigers * - "Elementary School Night" including a pregame basketball performance by participants (1st - 6th grades) in the Saturday Shooters & Slammers Program.

Also scheduled for Friday is a halftime ceremony honoring members and coaches of the 1981 - 82 K.H.S. GBB State Tournament Team (Runnerup-2nd); and a postgame autograph session with members of the 1981-82 and 1991-92 available to sign a special program.

Indians Can't Stop Spindler, Raiders

By Statesman Sports Writer
TWO RIVERS - After using a zone defense in a 16-point loss to Kewaskum boys coach Jim Westphal thought he would try a man-to-man defense the second time around against the high-powered Raider offense.

It turned out that neither was able to stop the Eastern Wisconsin Conference's No. 1 ranked offense, as Jamie Spindler took advantage of a big edge in size to score 33 points, leading Two Rivers to a 82-58 thumping of the Indians, here, last Friday.

Spindler, a 6-5, 225-pound center, used his bulk to outmuscle the Indians in the paint. Of his 133 points scored in the EW, 56 have come against the Indians.

"We just don't have anybody size-wise who can match up against him," Westphal said of the Raider standout. "He just killed us underneath. We had little or no help on him inside."

Adding to the Indian woes was another slow start offensively. "We were down right from the get-go," Westphal said, noting that his troops struggled from the field in the opening period, falling behind 21-12. "We just missed several very makeable shots."

Still, the Indians hung tough in the first half, using a couple of brief spurts to stay within striking distance, and at halftime trailed by 10, at 39-29. Poor free throw shooting (9 of 17 for the game) prevented the Indians from getting any closer.

The overall talent of the Raiders was too much for the Indians in the second half. With Spindler rolling along, and EW assist leader Jeff Kopetsky run-

ning the show, the Raiders pulled away, scoring the first eight points of the second half.

"Everything they threw up went in," Westphal said regarding the Raider shooting. "And if it didn't go in, Spindler would rebound it and put it in."

The Indians obviously missed the services of 6-5 center Ryan Boegel, who is recovering from knee surgery. Westphal pointed out that the Two Rivers coaching staff wasn't aware that Boegel was out, and might have even changed their game plan a bit when they found out.

"He (the Raider coach) came up to me before the game and asked where he (Boegel) was," Westphal explained. "I think when he found out that he wasn't playing, they decided to get the ball to Spindler underneath."

And with the Indians' biggest players, Scott Paulson and Adam Laatsch, giving up 2-3 inches and about 40 pounds, Spindler had his biggest night of the season. Boegel, meanwhile, is expected to start practicing this week, but Westphal added, "I really don't know how strong it (the knee) is going to be."

The Indians were led by Matt Seiser, who scored 16 points. "He had an excellent game, offensively," Westphal said of the 6-0 senior, who came into the game as the EW's leading scorer, averaging a shade over 20 points a game. Chad Cook also played well, chipping in 13 points, while Kim Marx also reached double figures, scoring 10.

Kewaskum wound up shooting just over 40 percent from the field, and, according to Westphal, "That doesn't win a lot

of ballgames," especially against a potent offense like Two Rivers, which came into the contest averaging over 73 points, and 52 percent shooting each contest.

Also plaguing the Indians was their inability to get to the foul line, especially in the second half when they had the hosts in some foul trouble. "We just don't get to the line enough," the Indian boss said, which would definitely be beneficial to the team, as they lead the EW in free throw percentage, hitting over 75 percent of their tries.

It doesn't get a whole lot easier for the Indians, now 1-6 in the EW, 5-9 overall. After a non-conference battle at Lomira Tuesday, the Indians return home this Friday to battle league-leading and undefeated Kiel, who "is playing just super," according to Westphal.

The Indians then travel to Sheboygan Falls next Tuesday. The Falcons, 6-2 in the EW, are currently tied with Two Rivers for second place.

Kewaskum Jaycees Looking to Expand Baseball Program

For the past 15 years the Jaycees have been running the Youth Softball and Hardball programs. It has been suggested that they add to their program so they can involve more children expanding the age groups from 5 to 13 years old. The programs suggested are Tee Ball, Midgets (rubber ball) Softball and Hardball.

On February 11th at 8:00 p.m. in the Community Room, they will hold an informational meeting on these programs. All coaches, and umpires will be there to help explain the programs. They need to input of the parents so they can organize this program. Discussions will include game nights, times, age brackets, rules and cost. All opinions will be appreciated.

They are looking for people interested in joining the Jaycees. They are in danger of dropping below the required membership to keep the club going. If this happens there will be no baseball programs. To run the programs without a sponsoring club would add a one thousand dollar expense to the program for liability insurance. This expense has always been covered through the Jaycee insurance. The cost of the insurance is approximately \$6.00 pre member. This is a part of the Jaycee dues.

Please show your support of the Jaycees and your children and attend this meeting.

Softball Leagues Forming

By Statesman Sports Writer

KEWASKUM - There may be six more weeks of winter left, but it's not too early to begin planning for this summer's softball leagues.

The Kewaskum Softball Association has begun the process of taking applications of those teams that are interested in participating in softball leagues at Kewaskum Kiwanis Community Park.

Men's leagues will be forming to play on Tuesday and Thursday nights, while a women's league is slated for Monday nights.

If you are interested in getting a team together to play in any of the three leagues, please contact Rick Krahn at 626-2736 or Noel

Stollenwerk at 626-4485 to reserve your spot. Teams will be placed in each league requested on a first come, first serve basis.

Team and player fees, as well as rules and regulations of the leagues will be available in the coming weeks.

Seiser Leading EW in Scoring

By Statesman Sports Writer

KEWASKUM - While the team isn't faring very well victory-wise, the Kewaskum boys basketball team is among the Eastern Wisconsin Conference's leaders in several team and individual categories.

Senior forward Matt Seiser is at the top of the EW scoring race. Seiser is averaging 20.2 points a game as of the January 29th conference report. The next highest individual was Two Rivers' Matthew Karmen, who was at a 16.9 clip.

Senior guard Kim Marx was third in the EW in steals, averaging 3.0 in thefts a game, while senior forward Joel Fleischman was third in rebounding with just over 8.0 per game.

As a team, Kewaskum is tops in free throw percentage, hitting over 75 percent of their tries from

the charity stripe, with Two Rivers (71.4) as the only other conference team connecting on more than 64 percent of their opportunities. The Indians are also second in scoring (63.3), behind only Two Rivers.

One look at the defensive statistics shows why the Indians are just 1-6 in conference. The Indians are last in field goal percentage allowed (47.6), and in points allowed per game (67.0).
