Proposed 1993 Budget Up 8.7%

By Noel Stollenwerk

KEWASKUM — In its bimonthly meeting last Monday night, the Kewaskum Village Board discussed the proposed 1993 budget, which is up by 8.7 percent or \$121,048 on the total 1.48 million plan.

"This is the tightest budget I've seen the village ever have," administrator Dan Schmidt told Board members at the meeting.

The increase in the total budget would call for a 3.6 percent hike in property taxes, meaning that a property assessed at \$50,000 would see a tax increase of \$12.55.

"I think that is very reasonable," Schmidt said of the hike. Board President Mary Krueger concurred with Schmidt, adding "That is not very much."

Trustee Gary Gavin, meanwhile, questioned other members about possible wasteful spending in the budget. Schmidt noted,

however, that the budget was carefully put together.

"There is no waste in there," Schmidt said, adding that the village is "in good financial shape."

The board did agree that adjustments of the budget would be looked into, and that a final proposal would be submitted at a public hearing later in the month.

The Board also approved Jim and Sue Wessing's proposal to create two lots, instead of three, in the Creekview Estates on Knights Avenue. The Planning Commission recommended the approval of the request in a meeting earlier in the evening.

In other action, the Board approved the purchase of a new 1993 squad car from Kayser Ford in Madison, at a cost of \$13,368. The Board received five bids for the replacement car, and Kayser had the lowest bid on a 1993 Ford Crown Victoria. Police Chief

Richard Knoebel made the recommendation to accept Kayser's bid.

The Board also approved the 1993 fire contract with the Town of Kewaskum in the amount of \$57,358, as well as approving the 1993 contract for assessing services from Bowmar Appraisal Inc. of Appleton, at a cost of \$3,600.

KEYS, Inc. to Award \$25,000 In Scholarships in 1993

The Board of Directors of Kewaskum Youth Scholarships, Inc. has announced that nine scholarships totalling \$25,000 will be awarded to this year's graduating Kewaskum High School seniors. The following is a listing of the size and number of each kind of scholarship.

Two four-year college scholarships each worth a total of \$8,000 (\$2,000 a year for four years) are being offered. One of the \$8,000 scholarships is provided by the KEYS scholarship fund, and the other \$8,000 scholarship is provided by the Oscar C. and Augusta Schlegel Foundation.

Two \$2,000 KEYS College or Two \$2,000 KEYS (\$1,000 a year for two years) will also be awarded. Also this year three memorial scholarships will be awarded. The Ann-Marie Horner Memorial Scholarship will be presented for the fourth time, the Kilian A. Honeck Memorial Scholarship will be presented for the second time, and for the first time, the Evelyn Joyce Gruber Memorial Scholarship will be presented. Each memorial scholarship is for \$1,000. The James & Sarah Andre Scholarship worth \$1,000 will be awarded to a student going to college and going into nursing. A \$1,000 KEYS Technical Scholarship will be awarded for the first time this year as well.

The first scholarship awarded by KEYS, Inc. were for \$500 and were presented in the spring of 1986 and 1987. In 1988, \$1500 in scholarships were awarded, followed by \$3,000 in scholarships in 1990. In 1990, the dollar amount jumped to \$12,000 and

then climbed to \$16,000 in 1991. Last year \$20,500 in scholarships were awarded. With the \$25,000 in scholarships to be awarded in the spring of 1993, the total climbs to \$79,000 in scholarships awarded since 1986. The KEYS organization thanks the alumni, businesses, organizations, and community members for their generous donations which make these scholarships possible!

KEYS officials hope that the community feels pride in what has been accomplished. Even with this kind of success, KEYS realizes that more funds must be raised to provide the interest for even more scholarship help. Thus if you are is to continue to grow, donations are still needed from the whole community. Past and new donors are asked to please contribute to KEYS. If you would like to make a contribution to KEYS, please make out a check payable to KEYS, Inc. and send your donation to KEYS, Inc., P.O. Box 124 Kewaskum, WI 53040. Remember that KEYS is the community's scholarship organization. Help take ownership by making a donation and feel pride in the KEYS scholarship organization!

Due to the Wednesday, Nov. 11, Veterans Day, federal holiday, the Kewaskum Statesman will be in the mail one day later.

School Policy for Closings Announced

Kewaskum School District Policy for Emergency School Closings.

District Administrator Dr. David Heather has released for publication the current policy to be utilized when school is to be called off.

As in past years, radio stations WBKV (1470 AM and 92.5 FM West Bend), KFIZ (107 FM and 1430 AM Fond du Lac), WHBL (1330 AM and 97.7 FM Sheboygan), and WTMJ (620 AM Milwaukee) will be used to announce school closings because of bad weather or other emergency situations.

When schools are being called off in the morning, the announcement will be on the air as early as possible. When school has begun but weather is bad, or turns bad, it is advised that parents, guardians and other responsible parties listen to one of the radio stations during the day for possible school closing announcements. The district is very hesitant about closing school during the day because we are concerned that parents or others may not be home when children arrive. Sometimes, however, this becomes necessary to avoid excessive problems with getting students home on buses at a later time of the day. Every effort will be made to announce school closings during the day - at least an hour before we dismiss the students.

It is important to remember that if school has been cancelled it means that all activities for that day will be cancelled and rescheduled as necessary.

Public Hearing on '93 Budget Nov. 30th

By Noel Stollenwerk

KEWASKUM — The Village Board has scheduled a public hearing on November 30th, at 7:00 p.m., in order to approve the 1993 budget proposals.

The public hearing will be held

in the regular Board meeting room, on the second floor at the Municipal Building. The community is encouraged to attend, as the meeting is the public's chance to voice any concerns over next year's budget.

Homecoming King and Queen

Todd Muckerheide and Sarah Brath are shown above reigning over the Homecoming festivities held recently at Kewaskum High School. Their parents are Mr. and Mrs. George Muckerheide of Adell and Mr. and Mrs. Karl Brath of West Bend.

Time to Sign Up For KHS Pre-School

The child development classes of Kewaskum High School will be conducting their 1st semester preschool from Dec. 8 through Dec. 18 and Jan. 5 through Jan. 8. The preschool will meet 4 days each week, Tuesday through Friday from 8:15 to 9:15 at the high school. The preschool is in its 15th year of operation and is under the direction of Mrs. Carol Martin and the juniors and seniors in the child development classes. The children will have the opportunity to participate in storytime, music, art, and other creative activities during the 12 day session. Parents with 3, 4, or 5 year old children should call the high school office at 626-2166 for information or to register their child. Registrations will be taken on a first-call basis before November 16th.

★ VETERANS DAY ★

DEPARTMENT OF VETERANS AFFAIRS
By Carl L. Henderson, Director
Chicago Office of Public Affairs

Twice each year America remembers veterans: Memorial Day and Veterans Day. These are rightful days of tribute to those who gave their lives, and to those who served America.

For those of us at the Department of Veterans Affairs (VA), we remember veterans "year-round" as we respond to President Lincoln's call to "care for him who shall have borne the battle, and for his widow, and his orphan."

Veterans Day reminds us every third person in America is a veteran or receives a veterans service. You may be a veteran or your spouse, Uncle Harry or Aunt Sally may be, a neighbor, your doctor, realtor, grocer, banker, barber, anyone. Whoever they are, wherever, whenever, however they served, they are America's 27 million veterans: Men and women (4.4 percent are women) who were drafted, who volunteered, who served in the Guard and the Reserves — inactive and on federal duty, such as those in the Persian Gulf — and those who chose military service to their country as a career.

In caring for an estimated 549,000 veterans in Wisconsin, the VA distributed more than \$618 million in Wisconsin in Fiscal Year 1991; and more than \$321 million went directly to veterans and their beneficiaries as compensation and pension, nearly \$6 million for readjustment and vocational rehabilitation benefits, and over \$34.4 million for insurance and indemnity payments.

As wars become more distant history, the ravages of age and more recent wars changes the profile of medical and compensatory care VA provides men and women veterans.

Care for Wisconsin veterans during FY 1991 by three VA facilities included inpatient care to 17,300 veterans; ambulatory care to 376,300 and nursing home care to 1,000. VA spent more than \$15 million for facility construction and more than \$241 million for medical services and administrative costs.

In addition, VA guaranteed 3,600 home loans worth \$231,542, 200.

There were 1,000 interments in Wood National Cemetery, Milwaukee.

Veterans Day, a reminder that America is Number One, thanks to her veterans.

A 1909 postcard reminds all of us to remember all the heroes that have died for the cost of freedom - on Veterans Day, Nov. 11th.

Buna Exhibit Opening and Veterans Day POW WOW at Volk Field

On November 14th the Wisconsin National Guard Museum will officially open its newest exhibit, dedicated to those who fought in the bloody swamps at Buna fifty years ago.

The Thirty-second Division distinguished itself throughout the Pacific War, logging a record 654 days in combat, but the action at Buna was unique in many respects. Buna was the first major Allied victory against the Japanese. The Division fought for months under desperate conditions. Supplies were always low, and the troops lacked even the most basic comforts. Most were suffering from some form of disease, including malaria, scrub typhus, dysentery, and jungle rot.

There was no relief until battle was won. Because this was the first battle of the war, the proportion of Wisconsin and Michigan National Guard troops in the division was high, and many filled battalion and regimental leadership positions.

Special slide and video pro-

grams will be presented at the Museum, and the Winnebago Descendants and Friends of the Red Arrow 32d Division WWI will be holding their annual Veteran's Day Pow Wow at Hanger 100. Special guests at the Pow Wow include three Medal of Honor recipients.

The Pow Wow is dedicated to the memory of Corporal Mitchell Red Cloud, who earned the medal of Honor in the Korean War. Assembly for the Pow Wow begins at 8:00 a.m., and the Veteran's Day Ceremonies start

at 11:00. Singers and dancers will perform throughout the day.

Veterans of the Papuan Campaign and their families are invited to a reception in their honor at Target Bluff Supper Club at four o'clock. For more information call the Museum (1-800-752-6659 extension 280) Wednesday through Sunday.

Veterans Day 1992

On Veterans Day, November 11, America honors all who served in its armed forces — 27 million living Americans who served and sacrificed on behalf of our nation's ideals and freedom. They deserve our grateful recognition. Let them know that you remember.

(Published as a public service message by this newspaper on behalf of the Veterans Day National Committee.)

Increase Compensation For Disabled Veterans

The Department of Veterans Affairs (VA) has announced that compensation payments for disabled veterans will be increased by three percent, effective Dec. 1.

The cost-of-living allowance was included in legislation signed by President Bush Oct. 24. The increase will be reflected in veterans' January 1993 checks.

Affected are some two million veterans whose monthly payments will range from \$85 for a single veteran with a 10-percent disability rating to \$1,730 for a single veteran with a 100 percent disability rating.

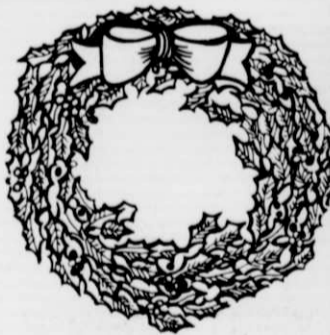

Also affected are some 312,000 survivors of service members or veterans who died from service-connected causes.

Veterans whose service-connected disabilities are rated at 30 percent or more may receive additional allowances for dependents, based on the number of dependents and the extent of disability.

Each year heart attack, stroke and other cardiovascular diseases kill nearly one million Americans — almost as many as all other diseases combined — according to the American Heart Association.

November Exhibitions at WB Gallery

The West Bend Gallery is pleased to announce its November exhibitions:

**DRAWN TO ART:
COLORED PENCIL ON PAPER**
November 4 - 29

The work of William A. Berry, Professor of Art at the University of Missouri has been exhibited and collected on several continents. This special exhibition focuses almost entirely on the still-life.

Using colored pencil and the technique of cross-hatching, which he calls "planar modeling," Berry blends elements from the natural world, such as fruit, vegetables and eggs, with Ogeometric solids to produce most unusual and unique works of art.

His work has been selected for national and international shows and many of his drawings have won prizes in juried competitions. DRAWN TO ART: COLORED PENCIL ON PAPER is toured by Exhibits USA, a national division of Mid-America Arts Alliance, a non-profit regional arts organization whose partners include the state agencies of Arkansas, Kansas, Missouri, Nebraska, Oklahoma and Texas; the National Endowment for the Arts and private contributors.

**EARLY WISCONSIN AMBIANCE:
ENVIRONMENTS AND
LANDSCAPES BY WISCONSIN'S
EARLY ARTISTS 1880-1940**
November 11 - 19

Although sparse mission settlements of Europeans were established in Wisconsin as early as the 1600s and folk art, native American arts and crafts had been created in Wisconsin centuries earlier, the work in this exhibition begins with landscapes painted in the 1880s by Wisconsin's leading artists of the time and continues into the art of the mid-part of our century.

The earliest paintings in this exhibit bear witness to the German academic origins of the first professionally trained artists to arrive in Wisconsin. It should be noted, however, that artists were painting in Wisconsin several decades earlier. Transient artists such as James (Ludwig) Lewis, Seth Eastman, George Catlin, Samuel

Brooks and Henry Lewis, most of whom were of British descent and almost all self trained, were painting the unspoiled landscapes and significant people and events of the day.

This beginning ebb of culture developed quickly in Wisconsin. Records reveal that in 1837, the first white child was born in Madison; yet, only five years later the Madison Female Select College was offering drawing and painting classes. This was occurring at a time when Wisconsin was celebrating its first year as an American territory with only 11,000 white inhabitants, which was hardly a base of support for any professional artists.

By the 1880s, the vicissitudes and hardships of frontier life had diminished and vestiges of harsh settlement life were giving way as towns and cities grew and gradually began to hunger for cultural amenities and refinement. During the 1880s, the first major Wisconsin art gallery, the Layton Art Gallery in Milwaukee, had opened.

This was at a time when the flood of German immigrants were changing the ethnic complexion

of Milwaukee. The first wave of German immigrants were followed by artists trained in the German art academies, and provided a broader base of support for this first generation of academically-trained artists. The European academies trained scores of artists and many of them found less competition and perhaps greater opportunity by coming to Wisconsin.

This is the point in time where the exhibition begins. One of the exhibitor's earliest paintings is a Wisconsin Dells scene entitled, IN THE DELLS, painting in 1880 by German-American artist, Henry Vianden. The exhibition also includes works by some of the first generation of Wisconsin-trained artists such as Robert von Neumann, and concludes with paintings done in the 1950s by artists such as Arthur Colt, father of the Wisconsin contemporary artist, John Colt.

Several landscapes by Carl von Marr will also be featured in this exhibition which provides viewers with a cross sample of the evolution of landscape art in Wisconsin. All of the paintings in this exhibition have been drawn from the West Bend Gallery of Fine Arts' Carl von Marr Collection and Wisconsin Art History Collection. The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend. Normal gallery hours are Wednesday through Saturday 10 a.m. to 4:30 p.m. and Sunday 1 to 4:30 p.m. For more information, call the Gallery at 334-9638.

West Bend Airport Awarded \$86,000 to Launch Improvements

An \$86,000 contract to complete a runway feasibility study, update an airport layout plan, and prepare an environmental assessment at the West Bend Municipal Airport has been given the go-ahead by Governor Tommy Thompson.

The Governor approved the release of \$43,000 in state funds to determine where a primary runway extension at West Bend is most feasible, and to allow the airport to comply with all environmental requirements associated with that improvement.

The City of West Bend is contributing another \$43,000 toward the project.

"By extending this runway, we

can make West Bend Airport a safer landing place for large planes," said Governor Thompson. "The project will help West Bend's business climate by bringing more jobs and opportunity to local residents."

West Bend Municipal Airport has approximately 82,000 take-offs and landings annually.

The project is expected to be completed by May, 1993.

WES Students Cast Ballots

Students in Wayne Elementary School were given the opportunity to vote on November 3rd. The polls were open from 8:45 until 12:30. Students were registered and given a ballot and taken through the entire voting process.

Many activities led up to election day. Students studied the voting process and were exposed to the electoral college and our voting system.

Third grade students made posters supporting the candidates of their choice as well as constructing three voting booths and a ballot box for the student body to use during voting hours.

November 3rd was red, white and blue day as well as hat day. Students in grades K-5 wore red, white and blue colored hats and clothing. School spirit was eminent with activities leading up to the election and culminating with each student given the opportunity to vote.

Students voted at recess and before school. Votes were counted by Mrs. Margaret Pecher, 3rd grade teacher. Students definitely had the opportunity to explore the American presidency. The election results were as follows: George Bush 68, Bill Clinton 32 and Ross Perot 22.

Craft Show Sunday

Homemade Creations Annual Fall Craft Show features many crafters that return each year. Pictured above is Arlene Landess, who offers something for the rustic taste - handpainted vases, frying pans - you name it. Arlene will paint a beautiful scene on just about any item you desire. Stop by her craft booth on Sunday, Nov. 15th, between 9 a.m. and 4 p.m. at the Amerahn, Hwy. 45N, in Kewaskum. Remember that admission is free and door prizes will be awarded every 1/2 hour.

What's Going on at the Kewaskum Public Library

Did you know? Every year has at least one Friday the 13th, but never more than three. Some people think Friday the 13th is unlucky, but many also think it is lucky! Two Fridays in 1992 fall on the 13th. One was in March, and the other is this Friday! Fear of the number 13 is known as triskaidekaphobia.

Basketball fans will surely want to read **Magic Johnson: My Life**, and inspirational autobiography of the basketball superstar which reflects on his boyhood, college career, NBA success, and the tragedy of HIV infection. Read about his teammates, friends and family, and his new status as role model.

Other new books include: **Forever in Your Embrace** by Kathleen Woodiwiss, **Sweet and Sour** by Andrew Rooney, **The Copper Beech** by Maeve Binchey, **I Can't Believe I Said That!** by Kathie Lee Gifford, and **Dave Barry Does Japan** by Dave Barry.

Next week is National Children's Book Week. It is a time to encourage the enjoyment of reading for children. Celebrate by visiting the library with your children!

Peace Church Bake Sale and Bazaar

The annual Bazaar and Bake Sale at Peace United Church of Christ, Kewaskum, will be held on November 21 from 11 to 3 p.m.

Besides a wide selection of delicious homemade baked goods, snacks, and canned goods, there will also be a large variety of handcrafted items, which will be ideal for gift giving. In "Granny's Attic" there will be items available that would normally be found at a white elephant sale such as old jewelry, craft materials, dishes, books, games, etc.

Delicious tortes, donuts, and coffee will be served during the sale. Mark your calendars for November 21 and get a head start on your holiday baking and gift buying.

Kewaskum Women's Club to Meet

The Kewaskum Women's Club will hold their regular monthly meeting November 19 at 7:30 p.m. at Peace Church. This is a change from our regular meeting place.

Program for the evening will be given by Myra Peters. Her subject will be nutrition and healthy living.

Tips to help you achieve these goals will be given. Coordinator for the program is Ruth Schmitt.

Hostesses and Evening are Shirley Kirkham and Jeanne Moe. Guests are always welcome for the Women's Club meetings.

The Kewaskum Women's Club wants to thank all those who stopped at the "SWEET SHOPPE" during the Kewaskum Country Colors weekend. It was a real success.

Milwaukee Symphony Orchestra to Perform At West Bend Nov. 22

The program for the Milwaukee Symphony Orchestra's performance at the West Bend High Schools Auditorium on Sunday, November 22, has been announced.

The program includes: Smetana's "The Moldau," Schubert's "Unfinished" Symphony, Brahms' Hungarian Dance No. 5 in G minor and several pieces by Strauss.

The orchestra has just returned from their tour of Japan where they were very well received. This concert in West Bend is a specially selected and diverse program which will appeal to a wide audience. Neil Gittleman will be the conductor.

This is the 23rd anniversary of performances in West Bend by the Milwaukee Symphony Orchestra presented by COLUMNS and paid for this year by anonymous donors.

Tickets for the concert are \$10 and are available from COLUMNS members, Bank One Main Office, M & I First National Bank Downtown, West Bend Savings Bank Downtown, Guaranty Bank, West Bend Area Chamber of Commerce Office, West Bend City Hall in the City Clerk's office and other local businesses and industries, or they will also be available at the door the night of the performance.

This is the only fund raising activity of COLUMNS and all proceeds go towards academic-degree and vocational-technical scholarships which are awarded on a basis of academic standing, financial need and evidence of determination.

In 1900, most Americans did not live past the age of 50. Today, the average life span is about 75 years.

AMERICAN EDUCATION WEEK

NOVEMBER 15-21, 1992

To Residents of the Kewaskum School District:

There's an old bit of advice that goes like this... "Give people a fish and you feed them for a day. Teach them to fish and you feed them for a lifetime."

In our schools, from elementary to secondary, we are teaching our students to fish... teaching them to succeed in a complex and ever-changing world.

Our schools are the backbone of our community. They're the place where dreams are born... and the place the skills to reach those dreams are taught.

As residents of our District, there's a role you can play in the future of Kewaskum Schools... the future of our community. That is to become actively involved. Visit one of our schools during American Education Week, November 15th to 21st. We think you'll be impressed with what you see.

Sincerely yours,

**George B. Allmann, President
Kewaskum Education Association**

Kewaskum Schools: Take A New Look!

Ronald McDonald Visits Holy Trinity

On Oct. 23, Ronald McDonald came to Holy Trinity School for his show called "You and me and Ecology". His program demonstrated that kids can make a difference in protecting our planet - now and in the future. It emphasized the Three R's - Reduce, Reuse and Recycle.

Ronald got his message across through use of video equipment, songs, and student/teacher participation. A highlight was a dance line by several teachers.

"You and me and Ecology" is a school program provided free of charge to schools in Southeastern Wisconsin by McDonald Restaurant of Southeastern Wisconsin.

Archdiocese Publishes School Enrollment

Catholic secondary schools in the Archdiocese of Milwaukee have increased their enrollment for the second consecutive year, stated Rev. Leslie Darnieder of the Archdiocesan Office for Child, School and Youth Ministry. Darnieder has just completed a 30-page report on the enrollment patterns of elementary and secondary schools in the ten-county archdiocese.

The report shows that secondary school enrollment increased from 7042 students in the 1991-92 academic year to 7121 students this year, an increase of 1.1 percent. Seven of the twelve secondary schools have gained students.

Elementary schools, while showing a decline of 246 students, 0.7 percent, have witnessed the smallest decline in 15 years, said Darnieder. Total enrollment in elementary and secondary schools throughout the archdiocese declined from 41,364 in 1991-92 to 41,195 this year (0.4 percent).

After summarizing general enrollment statistics, the report presents information by county, comparing enrollment information for the 1991-92 and the 1992-93 academic years.

One half of knowing what you want is knowing what you have to give up to get it.

Union Counselors Program Provides Help for People That Are in Need

HELP YOUR COMMUNITY! That's what 35 members of local unions from around Washington County are in training to do right now as Community Services Union Counselors.

Carol Vetter, Community Services Chairperson of the Washington County Central Labor Council, AFL-CIO, announced the program recently, stating, "These dedicated people are taking the time to learn how to help union members, their families, and the people in our community get the assistance they need in times of trouble."

A part of the AFL-CIO's long-standing Community Services effort, the Basic Union Counselor Training Program provides training in areas ranging from substance abuse and youth programs to emergency services and health services.

"Union members have always been among the first to respond to calls for emergency assistance

in times of crisis," said Carl Schwieger, Community Services Committee Member. "But the needs of our community often go deeper than that. Union counselors are also trained to assist people in obtaining help for less immediate, but perhaps more long-term, problems."

Louise Ratzel, Community Services Committee Representative, went on to explain: "Training will be conducted over four weeks. Each week will cover an area of service with instructors coming from the various public and voluntary agencies that offer or sponsor services... such as United Way agencies and Labor Liasons."

The Union Counselor Program, which began during World War II to help workers in the war production effort, is now a nationwide program with members in local unions providing assistance to fellow union members, their families, and their communities.

Campus Notes

MENOMONIE... Michael Johann, son of Mr. and Mrs. Ronald Johann, 470 Knights Ave., Kewaskum, is employed as a for-tran programmer for Supercomputer Systems, Inc., Eau Claire, through a cooperative education

program at the University of Wisconsin-Stout.

Michael is a junior majoring in applied mathematics at UW-Stout.

Approximately 550 students participate annually in the program, which integrates college studies with work experience in industry, business, government or public service.

Under the program, students leave campus for periods of up to eight months to work full time for companies throughout the United States, according to Bob Dahlke,

director of UW-Stout's Career Services. Along with earning a salary in these co-ops, students get a first hand view of their career, acquire employment contacts and earn credit toward their degrees, Dahlke said.

January 22 is the Deadline to Enter 1992 County Concerto Contest

A deadline of January 22 has been announced for music students wanting to enter the 1992 Concerto Contest for Washington County youth.

Auditions for the contest will be held on February 6 at the University of Wisconsin Center-Washington County. This annual contest for pianists and instrumentalists is co-sponsored by the Moraine Area Private Music Teachers and UWVC Music Department. Divisions include senior high school piano and instrumental for grades 6, 7 and 8 and middle school piano for grades 7 and 8.

Winners of the Sixth Grade Piano Division will perform in an Honors Recital at UWVC on April 4, 1993 at 2 p.m. Winners of the junior and senior piano and instrumental division will perform in

concert with the Moraine Symphony Orchestra on March 20, 1993, at 7:30 p.m. at UCC Immanuel Church.

Contestants must perform a movement of a concerto or solo with orchestral accompaniment. Memorization is also required in all of the divisions. It is permissible, however, to make cuts of repetitive motifs in the selection for audition purposes.

Suitable pieces include any concerto by Haydn, Mozart, J.S. Bach, J.C. Bach, Kabalevsky's Concerto No. 3, Kassein's Teenage Concerto (Pub. Schirmer), Rowley's Concerto in D. (Pub. Peters), Beethoven's Concerto No. 2 or 3, or easier concertos by Holst, Kasschau, Gurlitt, Cauer, Williams, Boykin and Eckstein. These concertos are suggested, not required.

All contestants must be residents of Washington County, they must furnish their own accompanist for the auditions, and must provide an original copy of their piece for the judge. (No Xerox copy will be accepted.)

Winners of the middle school division will not be eligible to audition again until they are in the senior division must wait a year between winning and auditioning a second time.

All applications must be received by January 22, 1993, along with a \$4.50 entry fee for the senior division, and a \$3.50 entry fee for the middle school and sixth grade division. Checks should be made payable to the "Moraine Area Private Music Teachers," and sent to Mrs. Anna J. Asch, 7483 Brookhaven Dr., West Bend, WI 53095. Call 629-5975 for more information.

Fine Arts Committee of UWVC Sponsoring Trip To Milwaukee Ballet

The Fine Arts Committee at the University of Wisconsin Center-Washington County will sponsor a Friday, December 11, trip to the Milwaukee Ballet. Professor Mike Cahill will host the group as they attend a centennial production of "The Nutcracker."

The performance begins at 7:30 p.m. in the Milwaukee Performing Arts Center. Participants in the trip will board their bus in the UWVC parking lot between 5:45 and 6 p.m. They will return to the campus around 10:45.

Community members are invited to sign up on a first-come, first-served basis. Cost, including deluxe motor coach and excellent seating in rows A and B of the center loge, is \$25 per person. UWVC students pay \$10 for the trip.

For more information or to make reservations, call UWVC, 335-5208. Refunds are available through Friday, November 13.

MPTC Remodeling Projects Completed

The Moraine Park Vocational, Technical and Adult Education District Board approved the bids for the 1992 West Bend campus expansion and remodeling projects during their October 15th board meeting.

Plans include relocating the library through new construction which will allow for the expansion of the computer lab and help facilitate the additional medical records and extended degree accounting program students.

Remodeling will also provide additional space for an associate degree nursing/medical records technician classroom and a classroom for remedial math, writing and reading.

The following low bids were accepted for new construction: General Construction - Maxfield Corporation, \$291,655; Painting and Vinyl - Jim Diener Painting, Inc., \$3,780; Heating - Ahern-Gross, Inc., \$19,780; Heating, Ventilation and Air Conditioning - Babcock Mechanical, Inc., \$76,700; and Electrical - Steiner Electric, \$49,448.

The following low bids were accepted for the remodeling projects: General Construction - Maxfield Corporation, \$126,664; Painting and Vinyl - Jim Diener, Inc., \$11,041; Plumbing - Ahern-Gross, Inc., \$14,690; Heating, Ventilation and Air Conditioning - Babcock Mechanical, Inc., \$24,500; Electrical - Steiner Electric, \$54,856.

The district received only one bid for the flooring segment of the project so that individual contract will be rebid.

In other business: -An adjustment amounting to a \$445,514 increase in Moraine Park's 1992-93 budget was approved. Annually, the board makes such adjustments in October when final reports on revenues are available.

-The board approved a resolution certifying a tax levy of \$13 million, with an operational mill rate of 1.44661 and a debt service mill rate of .19572 for a total mill rate of 1.64233. This represents a 7.8 percent, or \$947,200 increase over the 1991-92 tax levy.

-Revisions to Moraine Park's Political Activity Policy and Provision of Goods and Services Policy were approved.

-A resolution designating the positions at Moraine Park which will be subject to the Wisconsin State Code of Ethics was adopted.

Valley Bancorporation Wins National Education Award

Valley Bancorporation, headquartered in Appleton, won a national education award from the American Bankers Association (ABA) for their "Outstanding Contributions to the Personal Economics Program." The award is given to individuals or banks for exceptional commitment to community financial education through the ABA's Personal Economics Program (PEP).

Valley Bancorporation was honored at the national PEP States Meeting in Denver. This past school year, 100 Valley Bankers made more than 465 presentations in their hometowns about banking and personal finance.

Peter M. Platten, III, President and Chief Executive Officer, Valley Bancorporation, commented, "Personal money management skills are 'critically important' to students now in elementary-through-high school since they will face the dual challenge of paying off the federal debt while having taxes consume a greater and greater percentage of their personal income."

"Most adults wish they could have learned how to manage money better when they were in school," said Platten. "The level of financial illiteracy among adults in the United States is too high and it results in a low savings rate, a record number of personal bankruptcies, and families struggling against huge debts while trying to establish few, if any, investments for retirement," he explained.

"Hopefully by training students and getting them interested in the value of a dollar, we can get individuals and future families started earlier in planning toward financial security," Platten explained. "The PEP Program offers our bankers a unique opportunity to become involved in financial education in their individual communities, and therefore, we support the program 100 percent," Platten stated.

PEP is a national effort on the part of commercial banks to encourage economic education and is designed to provide practical knowledge and experience to students and adults in the areas of personal economics and banking. PEP topics can include banking services for senior citizens, first-time home buyer seminars, student loan information and

special programs targeted to education classes.

In addition to volunteering to teach in local schools, Valley Bankers conduct bank tours to show students the inner workings of the bank and to let them see the varied careers available to them in the financial services field.

Any Wisconsin School District interested in ideas for developing a personal financial education program for its students should contact their nearest Valley Bank.

Valley Bancorporation is the third largest bank holding company headquartered in Wisconsin. Valley, has assets of \$4.3 billion and currently serves Wisconsin through 150 banking offices and additional financial service companies engaged in insurance, trust service, securities, credit card servicing and bank support services.

Welcome to Our World

by
Dianne Horlamus, Director WCHS

One of the most important duties any Humane Society can do is to educate the public, that is why we want you to be aware of the following:

1. A proposal which would have required animal shelters and humane societies to turn over unclaimed pets to University of Wisconsin experimentation facilities, (otherwise known as "Pound Seizure") was only narrowly defeated by the Wisconsin Assembly during the last legislative session.

The measure, which was introduced through a little-publicized amendment to the Budget Adjustment Bill, is expected to be reintroduced again in the 1993 January Legislative session. Under the "Pound Seizure" proposal, animal organizations would have no choice but to surrender unclaimed pets for experimentation, even though many of those animals had been entrusted to the organizations' care by concerned owners who wanted one last chance for their pets to find safe

homes they could no longer provide.

Wisconsin repealed its "Pound Seizure" law in the spring of 1980, and three previous efforts to reintroduce it were soundly defeated. This year's defeat, however, was only by a slender margin of 57-42.

2. There was a public hearing regarding Clearinghouse Rule 92-30 on establishing a crow hunting season in Wisconsin. As it now stands, crows may be shot if they are causing damage or are about to. Under the new provision, on top of this, there will be a 124 day "shoot at will" season in the spring. There is no justification to hunt crows other than to kill

them. Other problems that arise are that Ravens, Hawks and Owls and numerous other birds are being mistakenly shot and killed or seriously injured and left to die. Each year we see more and more injured wildlife. We should respect what nature has to offer. We do not need more endangered species.

We urge you to write to your state legislators and urge them to vote AGAINST these measures. Let them know that the way they plan to vote on these issues will determine which way you will vote as well.

If you need more information on either of these issues, call the Shelter. We will be glad to talk to you.

Ewald Chev/Buick, (92 Chev)	\$13,925.00
Schwartzburg Chev/ Olds, West Bend, WI (93 Chev)	\$15,465.00

On a motion by Trustee Harry Roecker, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board turned the bids over to Police Chief Richard Knoebel for review and a recommendation.

Director of Public Works, Jerry Gilles informed the Board that the work is approximately half completed regarding the grading of the sand at the KKCP beach.

On a motion by Trustee David Goeden, seconded by Trustee Harry Roecker and carried by the majority roll call vote, the Board approved the application for an Operator's License upon proper payment of fees and documentation and authorized the office to issue said license as follows: Roll call vote was 5 "Aye" 2 "Nay" 0 "Absent" (Trustee Thomas McElhatton and President Mary Krueger voting Nay.)

Csaszar, Michael A., West Bend, WI.

Note: The Police Department did have objections to granting the license to the applicant.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board approved and authorized the signing of the Community Room Use Policy as presented.

Administrator Daniel S. Schmidt reviewed some correspondence with the Board as follows:

- 1) Announcement of the new County Public Agency Center on Saturday, November 7, 1992 at 1:30 p.m.
- 2) Announced Star Cablevisions new rate structuring.
- 3) Announced the TIF informational meeting regarding Fond du Lac Avenue resurfacing scheduled for 1995. (December 15, 1992)
- 4) Review miscellaneous correspondence.

On a motion by Trustee Harry Roecker, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	\$147,545.27
Sewer	42,206.94
A/P Checks #5408-#5487	
Water	18,336.86
Payroll	23,974.30
P/R Checks #3848-#3900	
TOTAL	\$232,063.37

Chairman of the Public Services Committee, Trustee David Goeden announced a scheduled committee meeting for November 16, 1992 at 7:00 p.m. regarding recycling.

Chairman of the Public Works Committee, Trustee Harry Roecker informed the Board that the committee had

met earlier in the evening and had reviewed the proposed Public Works Department budgetary categories.

Board Representative for the Plan Commission, Trustee Gary Gavin reported that the Commission had acted favorably to the CSM's for Jim Wessing and on the request to FEMA for the locating of the 100 year flood boundaries. The matters have been sent to the Board.

Board Representative for the Library Board, Trustee Robert Wagner reported that the Library Board had reviewed the proposed library budget request and have sent it to the Board with a favorable recommendation.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board approved the purchase of a new 1993 squad car replacement from Kayser Ford, Madison, WI, the low bidder. The bid is \$13,368.00 and is for a 1993 Ford Crown Victoria. This is as recommended by the Police Chief Richard Knoebel.

Action was taken on Resolution No. 92-24 a Resolution Establishing the Rent at 1102 and 1102A Fond du Lac Avenue as attached hereto:

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized the signing of the 1993 Fire Contract with the Town of Kewaskum. (The amount as indicated is \$57,358.)

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the signing of the 1993 contract for assessing services from Bowmar Appraisal, Inc., Appleton, WI at a cost of \$3,600.00.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board authorized the signing of the contract with Aqua Biologists, Inc., Fond du Lac, WI for the 1993 swim season at a cost of \$772.00.

Action was taken on Resolution No. 92-25 a Resolution to Request Tax Exemption from the County-Wide Library System Tax Levy as attached hereto:

A review of the proposed 1993 budget was held and it was indicated that the Statement of Assessment had been received and altered the proposed budget and levy amounts and percentages. The property tax levy as adjusted is up by \$23,116 or 5.7%; however when using the additional growth the levy would equal an increase in the proposed village rate to 3.6%. This would indicate a \$25 per thousand dollars of assessed value increase. This would mean property assessed at \$50,000 would see a village tax increase of \$12.55. (\$60,000 = \$15.06 / \$70,000 = \$17.57 / \$80,000 = \$20.08)

The proposed budget (revenues and expenditures) is up by \$121,048 or 8.7%. Discussion was held on where and how additional adjustments could be made. It was noted the proposed budget is very tight and if any adjustments would be made it would mean the elimination of a project or postponement of a purchase. The consensus was to work on fine tuning the budget if and where possible and to prepare for the possible hearing.

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized the scheduling of the 1993 budget public hearing for November 30, 1992 at 7:00 p.m.

A review of the TIF/CIP budget for 1993 revealed an increase in revenue due to the Village's growth and increased increment. It was noted that at this rate the TIF loan should be paid off a year or so earlier than anticipated.

Both the Water and Water Pollution Control Department budgets for 1993 were reviewed and it was noted that no rate increase will be anticipated at this time. The public hearing for these departmental and TIF budgets will be conducted in conjunction with the General Budget Public Hearing on November 30, 1992.

On a motion by Trustee Robert Wagner, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the snowmobile route for 92/93

as previously approved for 91/92.

On a motion by Trustee Robert Beisbier, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board approved the CSM for three parcels on the north side of Knights Avenue and fronting on Edgewood Road, being lots 9, 10 & 11 of Creekevill Estates, a subdivision of part of lot 2 and part of lot 4 of block 2. The CSM reflect the creation of two lots instead of three as requested by James and Sue Wessing. Note: The Plan Commission did approve same and send it to the Board with a recommendation for approval.

On a motion by Trustee Gary Gavin seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Commission's action on the request to redefine the 100 year flood boundaries through FEMA.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Harry Roecker and carried by the majority roll call vote, to adjourn. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

Placing a Value on Farmland Village Board Meeting Monday

By Jack Trzebiatowski
Washington County Agriculture Agent

One of the questions that is often directed to the Washington County Extension Office is what is the value of farmland. In most years there are not very many parcels of farmland that are bought or sold in Washington County, and the value of land sold may vary considerably depending upon its location and its intended use.

Agriculture land sales are monitored by the Wisconsin Agricultural Statistics Service. The latest data available for agriculture land sales by county is 1990 information. The statistics indicate that in 1990 there were 83 transactions of farmland in Washington County. The average value of land continuing in agriculture use was \$1801 up from \$1493 in 1989. Agriculture land being diverted to other uses averaged \$3292 up from \$2576 in 1989. All of these are reported on a per acre basis.

It's important to recognize that these are average amounts and may include land from the northern most part of the county or land adjacent to an industrial park or subdivision in the southern part of Washington County. These statistics indicate that in 1990

land continuing in agriculture averaged \$786 per acre up from \$763 in 1989. Statewide averages for land being diverted to other use increased from \$1163 in 1989 to \$1174 in 1990.

How can this information help answer the question about the value of any parcel of agriculture land? It is difficult to use this information because it represents averages and no one parcel of land meets all average criteria.

The best way to determine the value of any parcel of agriculture land or other property is to spend a few dollars for a good appraisal. Whether buying or selling farmland it is important to have an accurate up to date appraisal. This information helps both buyers and sellers of farmland approach the transaction with reasonable knowledge of land value. Averages may be useful in helping to indicate the trend of higher or lower prices but are very difficult to use in establishing a fair price for an individual parcel of farmland.

Letter to The Editor

To the Editor:

On Thursday, we, Sgt. James Grover and Sheriff Robert Schulteis, met to discuss our differences, both prior to and during the Sheriff's Campaign. We mutually agreed that in the best interest of the Washington County Sheriff's Department and the citizens of Washington County, to work together to resolve our differences and get on with running the Sheriff's Department.

Although we had some difference of opinions as to how the Sheriff's Department should be run. We feel that these difference of opinions are sometimes advantageous and will use them to work collectively, to better the Department.

Habitat Healers

This informal, but informed group meets each Tuesday to pursue a variety of activities related to managing the habitats of Riveredge. Prairie seed collecting, systematic surveys of prairie insects, transplanting of woodland wildflowers and just musing are all within the purview of activities of this work-learn group.

Anyone who thinks this sounds like fun may join in at Riveredge Nature Center on Tuesday, November 17, from 9 a.m. to Noon.

Call Riveredge at 375-2715 (metro) or 675-6888 (local) for more information.

Riveredge is a non-profit, 350 acre natural sanctuary and educational organization, providing environmental programs for all ages. It is located in Ozaukee County, on Highway Y, one mile north of Newburg, between Saukville and West Bend.

NOVEMBER 10, 1967

The 25th traffic fatality of 1967 in Washington County was recorded early Monday when a rural West Bend youth was killed in a crash at Wayne. The victim of the mishap was Barry F. Beimborn, 18, of Route 6, West Bend, who graduated in Spring with the senior class of Kewaskum High School, of which he was a very popular and well liked member. Barry was reported driving north on County Trunk W according to the sheriff's department report of the accident, and apparently missed the four-way stop sign at the intersection in Wayne Center. The vehicle continued about 500 feet north of the intersection with County Trunk H, when Beimborn careened off the left or west side of the road and struck two trees and rolled over at the north end of Wayne in front of the Salem United Church of Christ school property. Beimborn was pronounced dead at the scene.

Mrs. F. E. Nolting, 57, owner and manager of Nolting's Beauty Shop in Kewaskum many years, whose husband is a well known Kewaskum dentist, was found dead in her car parked in a wayside along Hwy. 41 near Hwy. 167 in Washington County about 3 p.m. on November 4. Apparently she was the victim of a cerebral hemorrhage, according to the family physician. According to Robert Boltz, county coroner, who investigated, Mrs. Nolting apparently was stricken as she drove south on Hwy. 41 and pulled off the highway at the wayside when she felt ill. She was enroute to Milwaukee to meet her daughter. It was reported that when Mrs. Nolting failed to arrive in Milwaukee a call was sent out to search for her car which was found by the wayside by a state patrolman.

Open house at the new \$100,000 warehouse, seed processing plant and office rooms of the Dairyland Seed Co. on Hwy. 45 just south of Kewaskum was held on Saturday, November 4. Founded in 1907 as a local seed dealer processor, the company has evolved from a side operation of a country store to a most complete seed processing and marketing facility. The new facility comes 60 years after the firm was started at the crossroads community of St. Kilian. The firm now has 500 farmer dealers in Wisconsin, Illinois, Iowa and Minnesota. Originally known as Strachota Seed Co., it was founded by the Strachota's father, Simon, and uncle, Andrew Strachota, who later withdrew from the business. Seeds were accumulated by local growers, sold to a processor and carried in the store, Strachota said. After his father died, Strachota worked for his mother from 1940 to 1946, then bought out the business. He operated the enterprises, which included the store, a tavern and the seed business for ten years selling the store and tavern and concentrating on seeds since 1955. The company was incorporated four years ago and set up its dealership program. The company's history spanned the years when Washington County was a major producer of white Dutch clover. The product later went out of style as a lawn and pasture ingredient although some was sold to Germany where high moisture gives it better growth. The price

dropped with the production, according to Strachota. The line includes alfalfa and forage seeds, hybrid seed corn and twine. It has its own seed breeding program for legumes and corn and maintains a 15 acre test plot at the plant here. The new facilities in a steel clad 80 by 260 building which has 21,120 square feet of floor space, include several types of cleaning mills. There is a "rice mill" in which rough coated cockle seeds are picked out by a series of mohair rollers, a gravity separator over which seeds are agitated, and a magnetic separator, which uses steel dust coatings applied while the seed is moistened and which stick to such weed seeds as buckhorn and dodder. A vane operated packer has a heat sealing unit to close the bags. Processed and unprocessed seeds are stored on pallets for easy movement.

Robert George Romaine! That name will go down in Washington County history as the first man from the county who sacrificed his life in the performance of his duty and in the service of his country in World War II. The entire community was stunned on Monday morning to learn of the news received with deepest grief by Mr. and Mrs. Elwyn M. Romaine of this village — that their son, Robert "Bob" Romaine, 24, seaman second class in the U.S. Navy had lost his life while fighting with the armed forces of his country. No details as to the date, place and manner of death were given in the sad message received from the navy department due to war restrictions. It is believed that Bob may have been on convoy duty on a ship in the Atlantic Ocean. Bob had served in the U.S. Navy for eight months. He enlisted in March, 1942, at Chicago as signalman. At that time he was first rejected but tried hard to get into the navy. He improved his health and the second time was accepted. After eight weeks of basic training at the Great Lakes Naval Training station in Illinois he attended signalman's training school; at the University of Chicago for another eight-week period. In August he was transferred to the

Brooklyn navy yard in New York. Before leaving he spent a short leave at his home and that was the last time the family saw him. Since August he had been on active sea duty on the East Coast. His parents last heard from Bob three weeks ago when he wrote that he had returned to the coast after being gone three weeks and that he expected to leave again soon. Kewaskum has its first gold star mother of a World War II, the mother of a courageous American boy, an honored fighter who sacrificed his life in the valorous defense of his country and who was one of the many fearless men who are shedding their blood for the preservation of our liberty and freedom.

Freshmen students at St. Agnes School of Nursing, Fond du Lac, were accepted as regular members of the school at capping exercises held in the school auditorium Sunday at 2 p.m. During the program 27 freshmen were capped by the Big Sisters in the presence of a large number of relatives and friends. In the class of students capped was Miss Dolores Mae Cappel, daughter of Mr. and Mrs. Nicholas Stoffel of Kewaskum.

Mr. and Mrs. Charles Krueger wish to announce that they have returned to this village and Mr. Krueger is again conducting a blacksmith business in the former Stark shop next to the Milwaukee River. He formerly operated the blacksmith shop before moving to Sussex last spring and invites his patrons and friends to pay him a visit.

Erhardt Schultz, 17, son of Mr. and Mrs. Walter Schultz of this village, and a senior at Kewaskum High School, suffered a slight skull fracture and severe lacerations to his head in an automobile collision shortly before midnight Sunday on County Trunk Highway S, two miles west of Beechwood.

Miss Elsie Bruhn, who conducted a confectionary and ice cream business known as Elsie's Food Shoppe in the building owned by Edward and Oscar Schalles of West Bend on Main Street in Kewaskum for the past four years, has discontinued the business. The shop carried a line of baked goods, canned foods, lunches and other items. Miss Bruhn closed the shop last Sunday after disposing of nearly all of her stock of merchandise at special prices in preceding weeks. Elsie's Food Shoppe enjoyed a successful business and was a popular rendezvous among the young people.

For full flavor and best texture, serve most hard cheeses at room temperature. Take them from the refrigerator 30 to 60 minutes before serving.

The State Trunk Highway for this section of the county as definitely planned out by the State Highway Commission is in part as follows: The West Bend-Milwaukee highway starts at the south end of Main Street at West Bend and runs south on the new Fond du Lac Road connecting with the Milwaukee-Ackerville-Schleisingerville-Fond du Lac Highway. The West Bend-Kewaskum-Fond du Lac Highway begins at the north end of Main Street at West Bend and follows the new Fond du Lac Road north to Chas. Geidel's corner, this village, then turns west into Dodge County connecting with the Old Fond du Lac Road. Kewaskum will be the terminal of this trunk line, connecting with Fond du Lac on the north, Sheboygan and Plymouth to the southeast and Dodge County on the west.

Postmaster George H. Schmidt installed a new post-marking and cancelling machine in the local post office this week. This machine will postmark or cancel stamps at the rate of from 300 to 500 per minute. This office to prove a great help in getting out the mail at the local office.

The danger which accompanied the excitement of the chase worked very sadly on one of West Bend's foremost businessmen last Sunday afternoon. Ralph Hagner, a member of the firm of Pick Bros. Company of West Bend, and Herman Zieger of the Town of Farmington were out rabbit hunting. They saw a cottontail bob up in front of them, and Mr. Zieger aimed his gun at

it. He pulled the trigger, but the gun would not go off. He tried it a second time, and again the cartridge refused to explode. When he leveled his gun the third time, he shifted it to the side, as the rabbit had scampered on in another direction. Unluckily, Mr. Hagner at the same time stepped into the line of shot, and as the gun this time went off, he was hit with a disastrous effect. He was hit with a shatter his right forearm, shattering the same near the wrist. His abdomen also was punctured at six places. The seriously wounded man was rushed to the hospital. It was at first feared that the arm would have to be amputated, but it is now hoped that it can be saved if no complications set in. The injuries in the abdominal regions are not considered very bad, as no vital parts appear to have been struck.

A baby girl was born to Mr. and Mrs. Julius Dreher of Kewaskum on November 7.

Kewaskum 4-H Express

The November meeting of the Kewaskum 4-H club was called to order by President Joanne Lemke at 7 p.m. on Thursday, Nov. 5.

Flag pledges were led by Josh Sterr and Spring Gehring. Roll call was taken and the secretary and treasurer reports were given and accepted.

Reports were given by: Amy Deshotels on the Open House for 4-H, Nicole Johnson and Tracy Balon reported on the achievement and Recognition Banquet. Heather Hackbarth and Dawn Pomeroy reported on the Halloween Party that we had last month. Also, Tracy Balon reported on Officer Training.

Reminders: county-wide program is scheduled for December 5, 1992 at UWVC in West Bend. Registration is due to the 4-H office by Nov. 23rd.

Please turn in your enrollment forms as soon as possible. New member enrollment forms are due Dec. 15th.

Birthday for November is Amy Deshotels.

The motion to adjourn the meeting was made by Spring Gehring and Brooke Zanow.

Our guest speaker was Jim Beine from West Bend that talked about his private ambulance service.

Our next meeting will be on Thursday, Dec. 3rd and refreshments will be served by the Balon family, and each member will bring a dozn cookies for the Dec. meeting.

IN MEMORY

In memory of Albert Kuehl, who passed away 25 years ago, November 14, 1967:

Though his smile is gone,
And his hands we cannot touch
Still we have our memories
Of one we loved so much.

His memory is our keepsake
With which we'll never part,
God has him in His keeping
We have him in our hearts.

Sadly missed by
his family

Thirteen DNR Ranger Stations To Be Rebuilt or Consolidated

MADISON... The Department of Natural Resources may close eight aging ranger stations and rebuild or relocate five others over the next two decades under a plan approved recently by DNR Secretary C.D. Besadny.

Equipment and staff from the fire stations being closed will be consolidated with other DNR or U.S. Forest Service ranger stations or offices.

"Changes in fire fighting technology, land use patterns, and populations distributions have changed how we must prepare for and fight forest fires," Besadny said.

In response to these changes, a DNR Forestry Management Team directed an extensive study of the department's forest fire control program to determine the condition of the ranger stations across the state.

"Twenty-nine of our 55 ranger stations are more than 50 years old," explained Duane Dupor, Chief of the Department of Natural Resources Protection and Reforestation Section. "These older buildings were not designed for the new types of equipment or the techniques we use today in fighting forest fires," he said.

The study considered both replacing or refurbishing all ranger stations and rebuilding some ranger stations and consolidating others.

"The study showed that, with current roads, transportation networks, and population patterns, consolidating some stations would assure adequate protection across the board and enhance protection to areas that are most vulnerable to fires," Dupor said.

The schedule for closing and rebuilding ranger stations depends on a number of factors, Dupor said, including the ability of the forestry account to pay for the construction of new stations.

Under the plan, the following ranger stations will be closed and their services consolidated with other fire stations or offices:

*Goodman Ranger Station in Marinette County will close and consolidate with the Florence and Pembine stations during 1993.

*Pattison Park Ranger Station in Douglas County will close and consolidate at the new Pattison Park Office. This move is anticipated between 1993 and 1995.

*Summit Lake Ranger Station in Langlade County will close and consolidate with the Antigo Area DNR headquarters sometime between 1993 and 1995.

*Pound Ranger Station in Marinette County will close and consolidate with the Marinette Area DNR Office sometime between 1995 to 1997.

*Lake Tomahawk Ranger Station in Oneida County will close and consolidate at the Woodruff Area DNR Headquarters. This move is anticipated between 1999 and 2001.

Cornell Ranger Station in Chippewa County will close and consolidate at the new Brunet Island

Park office during sometime between 2001 and 2003.

Washburn Ranger Station in Bayfield County will be considered for consolidation with U.S. Forest Service facilities between 2003 and 2005.

*Medford Ranger Station in Taylor County will be considered for consolidation with U.S. Forest Service facilities between 2007 and 2009.

The following ranger stations will be rebuilt either at their current or at new locations:

*Fairchild Ranger Station in Eau Claire County will relocate to the Augusta/Fall Creek area between 1995 and 1997.

*Wausaukee Ranger Station in Marinette County is slated to be replaced with a new station in or near Wausaukee sometime between 1997 and 1999.

*Webster Ranger Station in Burnett will be relocated to a new site in or near Webster sometime between 1997 and 1999.

Rhineland Ranger Station in Oneida County will be moved to a new station in the Rhineland vicinity sometime between 2001 and 2003.

*Minong Ranger Station in Washburn will be relocated to a new station west of Minong sometime between 2011 and 2013.

Use Extra Caution When Group Hunting

MADISON... Whether you're a silent hunter, stalking and waiting for that perfect shot at a whitetail deer, or part of a drive team, there is some information you'll want to consider in last year's hunting accident statistics. Department of Natural Resources Hunter Education Coordinator Larry Johnson says at least ten accidents, three of them fatal, could have been avoided if hunters had exercised greater caution.

"Group hunting can produce good results," Johnson says. "It can help move deer into the open and it provides a support network for both less experienced hunters and others who may need help once they've taken a deer. It also requires coordination, including a clear understanding on safe zones of fire."

Johnson says drive team participants need to know where each member in their party is located. It helps, he says, if drivers keep each other in sight, or communicate through spoken or whistled cues. Drivers and standers alike must be absolutely sure of what lies beyond the deer that may come within range.

"This is one of the strongest arguments there is for wearing good quality blaze orange clothing," Johnson adds. "By

law, hunters have to wear at least 50 percent blaze orange on the upper half of their bodies. Personally, we recommend against using camouflage blaze orange since it's less visible at a distance. Of course, a blaze orange hat should be standard equipment."

Johnson warns that hunters who fail to meet the blaze orange requirement, or who wear old or faded blaze orange, risk not only their safety, but also a \$52.50 forfeiture if stopped by a warden.

"It makes a lot more sense to go out and buy a new garment as opposed to paying that amount for a violation and then having to go out and buy the new blaze orange anyway," Johnson says.

Maintaining voice communications is more than just good advice for group hunters who hope to fill each others tags, Johnson reminds. Wisconsin's group hunting laws specify the shooter must be able to communicate with the tag-holder without the aid of electronic communications or amplifying systems.

"A lot of the rules we hunt under are designed to protect against over-harvest and to promote fairness and respect for game," Johnson says. "But in a lot of cases, it's up to hunters to protect themselves. Whether you're in a group or hunting alone, there's really no room for carelessness."

Plan Ahead for a Safe, Successful Hunt

MADISON, WI — Anyone who has ever had a hunting trip spoiled by poor planning will tell you there are some things they no longer leave to chance. Larry Johnson, hunter education program coordinator for the Wisconsin Department of Natural Resources suggests you consider the following questions before opening day of the deer season:

Is my firearm ready? For starters, Johnson recommends that you check the barrel for obstructions and give the gun a light oiling. Next, a trip to a target range to test the gun's accuracy will improve your chances for a successful hunt and help avoid unnecessary injury to animals.

If you borrow a firearm, make sure you have the right ammunition, and familiarize yourself with the gun's action and safety mechanism. Remember, shooting is restricted on the Friday before opening day. Check your hunting regulations for details.

Where will I hunt? Chances are you may have decided where you'll be opening morning. Many hunters visit their stands well before the season to check for deer sign and to make sure permanent stands are safe and free of obstructions. Remember, permanent tree stands are legal on

private property. Always get the permission of, and take time to visit with, the land owner if you hunt on private lands. Maps of public lands are often available at county offices or other local outlets.

Am I prepared for emergencies? The best advice is to know the area in which you're hunting. Take some time to familiarize yourself with roads and landmarks. Make room in your hunting gear for a compass, a small flashlight, water-proof matches,

and a back-up supply of food and water in case you have to spend the night in the field. Don't forget your hunting knife and two rope. Johnson also recommends taking along some bandages, since the vast majority of hunting accidents involve hunting knife injuries.

Am I forgetting anything? Johnson says the most common mistake people make is leaving their license, backtag or permits back at home.

Mayville Rolls into Title Game

By Statesman Sports Writer

BEAVER DAM — Ryan Collien's 65-yard interception return for a touchdown capped off an impressive 34-14 victory for Mayville in their Division IV semifinals game against Columbus here, Saturday.

The win improved the Cardinals record to 12-0, and earned them the right to play Baldwin-Woodville (11-1) in the Division IV championship game Thursday at Madison.

The victory also eased the pain of a Columbus victory over the Cardinals in last year's Division III basketball finals. Columbus finished the year 11-1.

Germantown, meanwhile, was not as fortunate, as they ran into perhaps the state's best team in any division, losing to Monroe 35-12, Friday night in Jefferson.

The Cheesemakers rolled out to a 28-0 half time lead, before Germantown was able to make the score respectable in the second half. The fact that the Warhawks scored against Monroe at all was notable, considering that the Cheesemakers had allowed just 20 points in their 11 previous games this year.

The championship games for all six divisions will be held at Camp Randall Stadium in Madison, this Thursday and Friday.

In WISAA football action, Fond du Lac St. Mary's Springs qualified for the Division I championship, routing Fox Valley Lutheran 40-26.

WISAA STATE FOOTBALL RESULTS
DIVISION I - Appleton West 52, LaCrosse Central 12; Kenosha Tremper 21, Sun Prairie 3.
DIVISION II - Kaukauna 21, Menomonie 10; Monroe 35, German-

town 12.
DIVISION III - New Richmond 38, Platteville 22; DePere 28, Elkhorn 0.
DIVISION IV - Mayville 31, Columbus 14; Baldwin - Woodville 27, Viroqua 6.

DIVISION V - Edgar 32, Crivitz 8; Elk Mound 35, Fennimore 14.

DIVISION VI - Hilbert 18, Bloomington 14; Owen-Withee 48, Prairie Farm 21.

WISAA CHAMPIONSHIP GAMES At Camp Randall Stadium Madison - Thursday.

DIVISION VI - Owen-Withee (12-0) v.s. Hilbert (11-1), 11:00 a.m.

DIVISION IV - Mayville (12-0) v.s. Baldwin-Woodville (11-1), 3:00 p.m.
DIVISION II - Monroe (12-0) v.s. Kaukauna (9-3), 7:00 p.m.

FRIDAY

DIVISION I - Kenosha Tremper (11-1) v.s. Appleton West (12-0).

WISAA CHAMPIONSHIP GAMES At Camp Randall Stadium, Madison SUNDAY

DIVISION II - Marshfield Columbus (11-0) v.s. Stevens Point Pacelli (10-1), 12:00 p.m.

DIVISION I - Fond du Lac St. Mary's Springs (10-1) v.s. Green Bay Notre Dam (9-1) 3:15 p.m.

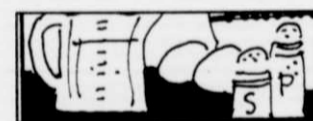

DIVISION III - Wisconsin Rapids Assumption (7-3) v.s. Eau Claire Regis (6-4) 6:30 p.m.

Sight-In for Hunters Nov. 14, 15

Hunters may sight-in their own rifles, shotguns or handguns this weekend, Nov. 14 and 15, from 8:30 a.m. to 3 p.m. at the West Bend-Barton Sportsman's Club located two miles north of West Bend on Hwy. 45, then west on Friendly Drive to Trapshoot Lane.

Expert marksmen will be available for any assistance necessary or they will sight-in the hunter's firearm for them.

The fee is \$3.50 per gun with a 50 cent discount with any printed sight-in advertisement.

Adding water, rather than milk, to beaten eggs, will make for a more tender omelet.

1992 KHS Girls Tennis Season

The members of the Kewaskum High School Girls Tennis Team recently concluded their season with an Awards Banquet celebrating their first ever Eastern Wisconsin Conference Championship. Parents, family and school staff members joined the festivities that included a catered meal and the presentation of awards.

The purpose of the banquet was to individually recognize the efforts and contributions of each team member respectively and collectively. Thus, upon the completion of the banquet meal, all members of the K.H.S. Tennis Team were individually introduced and honored for their season records, accomplishments and involvement in this record setting season. Fans, bus drivers and coaches were also acknowledged for their part in producing our successful year.

This unparalleled tennis season reflected a commitment to the high school tennis program by School Board Members, subcommittee members of the Building & Grounds Committee of the Board of Education, Administration Coaching Staff and, of course, the players. All of which felt a great deal of satisfaction when the EWC Championship Plaque was presented to the President of the School Board on the day the conference championship tournament concluded. The New High School Tennis Courts, Grand Opening Ceremony and Reception all helped to instill pride in our team, school and community. Coincidentally the Indians did not lose a dual meet on those newly created courts, which certainly helped their chances of winning the overall team title.

The season started rather inauspiciously with a win at Ripon H.S. and third place tie in the Washington County Invitational held in West Bend. Then the Indians dropped a couple of dual meets on the road much to the dismay of the players and coaches. However, once the new courts were available for use, the hometown team had a noticeable change in the outcome of their matches, including a first ever win over defending champions from Two Rivers. The Indians finished the conference match play with two decisive victories over Chilton to tie for the conference point lead, even though they had suffered one more team loss than the Falcons of Sheboygan Falls.

The tennis season came to a delightfully surprising ending with nine out of ten varsity team members qualifying for their respective championship finals, thereby dominating the culminating championship tournament. In fact, Kewaskum was not done yet, as the Indians had their first ever qualifier for sectionals as a result of their strong play in the divisionless WIAA Sub-Sectionals at Beaver Dam. Kewaskum tied for 3rd in the first round of the playoffs while finishing tied for sixth out of 15 schools in the 2nd round.

The Indians Championship Tennis Season was also due in part to the efforts of the Girls Coaching Staff. Head Coach Glenn Eichstedt was blessed with the guidance given by first year staff assistant, Carla Pritzlaff - who doubles as a Senior High School Biology Teacher. This year proved to be unusual, in that, several area tennis players volunteered their services throughout the season. One such individual was Blair Cassell, an area businessman who dedicated

much of his time and energies without compensation for the benefit of the team.

However, without question, the person who should receive the most credit was our second year (volunteer) assistant, Sandy Walters. Ever since Sandy started to help with the thirty some girls on our team, our team attitude and level of play has significantly improved. Her positive and complimentary nature continued to reinforce the individual development of our team members. Our match success rate has been remarkable from the moment Sandy started to instruct our players, not only on the skills necessary to be competitive, but also the style it takes to be good sportsman as well.

The combination of Walters and Pritzlaff, with an assist from Cassell was just what Coach Eichstedt's Team needed to become winners on a consistent basis. Prior to the arrival of those three assistants, the Indians had traditionally been very strong in singles competition. With Sandy's expertise and experience in doubles, Kewaskum started to make definite improvements in our twosomes' level of play. When

all three doubles pairs qualified for the championship finals at the Eastern Wisconsin Conference Girls Tennis Tournament, it indicated the direct impact of Coach Walters value and input to the team. With Coach Pritzlaff's overall supportive supervision and Cassell's challenging drive, the Indians fulfilled their preseason hopes and potential.

Kewaskum's gradual climb from fourth to first place over the past four years has been rewarding and pleasing to players and coaches alike, but not without personal sacrifice and commitment of the players and their families. Thus, the banquet was a joyous celebration of these recent years and an eager look at the challenge that lies ahead for next season. But mostly, it was a time of great gratitude for the parents, fans, school staff and board as well as players and coaches. As always, there are those unnamed individuals whose support and contribution may have gone unmentioned but certainly not overlooked. Thanks for making Kewaskum a great place to learn but now it is an even better place to play team tennis. The individual and team awards are as follows:

Dates Set for Saturday Open Gym

The Kewaskum Parks and Recreation Department is pleased to announce the tentative dates and times for the Saturday and Holiday Open Gym program.

The Open Gym program will be held at the Kewaskum High School Field House. As in the past, the KHS Field House will be the only gym used for this program.

The Open Gym program will be run according to age groups. The following age groups and their respective times will be strictly adhered to: AGES 8 to 13, 12:00 noon to 2:00 p.m.; AGES 14 and Up, 2:00 p.m. to 4:00 p.m. (See General Rules for Further Information)

Supervision will be provided. Each participant will pay a 50c fee for their respective session. Participants are allowed to participate in only ONE session per date. You must participate in your age group session. Each participant will need to sign in and pay their fee upon entry to the KHS Field House.

All participants must provide their own basketballs and equipment. Organized games MAY BE PLAYED depending on the number of Open Gym participants. THE MAIN COURT WILL NOT BE USED FOR ORGANIZED PLAY.

GENERAL RULES:

1. Check-in time for Ages 8 to 13 will be 11:55 a.m. Anyone in the Field House earlier will be asked to leave for that day.
2. All 8 to 13 year olds must leave the building by 2:10 p.m. This includes the entry way to the

Field House.

3. Ages 14 and Up will be allowed to check-in at 1:50 p.m. NO dribbling, shooting, playing catch, etc. until 2:00 p.m. All participants, 14 and Up, must be out of the building by 4:15 p.m.

4. All participants must use the Glassed-in entry way to enter and to exit the Field House. All other doors **MUST** remain locked. All doors to the high school will be locked.

5. NO FOOD OR DRINK will be allowed in the Field House. FREE WATER will be provided.

Participants not following the rules will be asked to leave the KHS Field House, including the entry way to the Field House, without a refund of fees paid.

We are the guests of the Kewaskum Public Schools, to remain guests, please adhere to these rules. Thank you!

Open Gym dates to mark on your calendars. ALL dates are tentative. Conflicts with school programs may cause the cancellation of Open Gym activities.

8687 PROSPECT DR. KEWASKUM

Muckerheide Named First Team All-EW

By Statesman Sports Writer

KEWASKUM — Eastern Wisconsin Conference champion Sheboygan Falls accounted for almost half of the first team selections for the conference's dream football unit, but Kewaskum was not shut out in the balloting.

For the second straight year, the Indians had just one player named to the squad, and for the second straight year, that player was middle linebacker Todd Muckerheide.

Muckerheide, a 6-0, 192-pound senior, was one of four unanimous choices for the all-EW first team defense, as he led the team in tackles, and was the Indian leader on the field.

"He did an excellent job for us," said Indian coach Clark Pearson of Muckerheide, who was named by his teammates as the Indians' most valuable player and as one of four co-captains. "I think that (the respect of fellow players) pretty much sums it up."

Muckerheide, a three-year letterwinner in the sport, and Plymouth's Dave Roitt were the only repeaters from last year's all-EW first team. Roitt, a 6-4, 246-pound senior, was a first-team tackle selection.

Three players were first-teamers on both offense and defense. Plymouth's Joe Marquardt (off. guard and def. int. lineman), Falls' Joey Fenner (off. center and def. end) and Two Rivers' Chuck Herman (off. end and def. end) all made both first units.

The Indians, who finished at 3-3 and in fourth place in the EW, had three more players named to the second unit, led by seniors Dan Schulteis (defensive end) and

Keith Herman (offensive flanker). Schulteis, a second-team selection last year as well, was a force on defense, particularly against the run.

Herman, meanwhile, caught seven passes for 129 yards, and also ran the ball well, rushing for 103 yards, and almost five yards per carry.

"They both gave us 100 percent all season," Pearson said of the two senior leaders. "They were always there working hard." Pearson pointed to Schulteis' leadership in getting potential players to get together for practices during the summer months, to ready themselves for the season, which turned out to be the Indians' first winning campaign in nine years.

Junior defensive back Beau Coulter also was named to the second team defensive unit. Coulter was the Indian leader in interceptions with six, and also knocked down several more passes against him. A hard hitter as well, Coulter will be welcomed back by Pearson next season.

"We always had him lined up against the opponents best receivers," Pearson said of Coulter, who "pretty much shut them down. He's a good, hard tackler too."

Falls' Dayton Behnke was named the EW's Player of the year on offense, while teammate Travis Tank was tabbed as the defensive Player of the Year.

Several more Indians were given honorable mention status. Offensively, Schulteis was mentioned at running back, while lineman Mark Morell (senior), Justin Hanson (junior) and Brian Bruendl (senior) were also cited.

Defensively, end Andy Reichert (senior), linebacker Mark Strobel (junior) and back Jim Rix (senior) were singled out for their efforts. Reichert, Schulteis and Herman were named by their teammates, along with Muckerheide, as co-captains.

"I was hoping we'd get a few more players named to the first team," Pearson said of the voting. But overall, he was satisfied with the outcome. "It's difficult, because the three teams that dominated the voting all beat us. But I'm happy overall."

Schlice Named Back-Row Specialist Schmidt On EW First Team

By Statesman Sports Writer

KEWASKUM — With just a pair of teams finishing over the .500 mark on the year, the Eastern Wisconsin Conference volleyball first-team picks were expected to be dominated by champion Sheboygan Falls and runner-up Kewaskum.

That's basically what happened at the coaches meeting last Thursday, as the Falcons had three players named to the first team, and the Indians another two.

Senior Christa Schmidt was named to the all-EW first team for the second consecutive year, while teammate Marty Schlice was named to the unit in the position of back-row specialist, a new position added to the team.

Other members of the first team included Sheboygan Falls' Sara Lorenz, Leanna Sangerl and Lori Schueffner, Chilton's Stacy Reimer and New Holstein's Sarah Daun.

Schmidt led the conference in spike kills with 82, nine more than the second-place finisher, while

finishing third in total points (106). The 5-10 Schmidt also tied for the team lead in saves, with eight.

Schlice, meanwhile, connected on 95 percent of her service attempts, and finished with 10 aces in conference action. The 5-5 senior was one of the Indians' top defensive players.

Robyn Winninghoff was named to the second team, and along with Schmidt, provided a solid 1-2 punch up front for the Indians. Winninghoff was second in conference with 27 block kills, as she used her 6-2 frame effectively.

Also named to the second team were Two Rivers' Jessica Kobes and Trudi Arnold, Plymouth's Sara Scheilbe and Heidi Miller, and Kiel's Karla Niemuth.

Seniors Kim Sabish and Julie Mertz received honorable mention votes from the coaches. Sabish was Kewaskum's top setter with 111 assists, while Mertz was one of the EW's best servers, connecting on 110 of her 112 tries. Mertz also led the league with 28 aces.

Westosha Central Wins VB Title

By Statesman Sports Writer

OSHKOSH — The WIAA Division II volleyball title was supposed to be a rematch of last year's top two teams, as Lakeland was out to avenge their loss in last year's State Tournament to Waunakee.

But it was Westosha Central who dashed their hopes, as the Falcons went 3-0 in the round-robin meet, thus claiming the Division II title. Westosha Central lost just one game in the tournament, that coming against Sturgeon Bay in their third match.

The Falcons drew Lakeland in the opening round, and took care of the Thunderbirds 15-8, 16-14. Then came the pivotal match against the defending champion Warriors, who easily handled Sturgeon Bay in the opening round.

But Waunakee had problems with their serving, as Westosha Central came away with a relatively easy 15-6, 15-11 win, thus assuring themselves of the championship, as Lakeland beat Sturgeon Bay 15-3, 15-11 in the second round.

The third round was a mere formality, as the Falcons dropped the first game against Bay, losing 12-15. But Westosha Central finished with style, coming back to post consecutive 15-13 and 15-3 wins.

Waunakee finished second

with a 2-1 mark, followed by Lakeland (1-2) and Sturgeon Bay (0-3).

Wauwatosa East won the Division I title, as they edged Neenah in the championship match, 15-11, 9-15, 17-15 in the most exciting match of the tournament.

Tosa East and West Allis Hale had qualified for the semifinals from pool A, while Neenah and Kenosha Tremper had finished 1-2 in pool B.

In cross-over play, 'Tosa East rolled over Temper 15-7, 15-6, while Neenah handled West Allis Hale 15-1, 15-8.

After the two teams split the first two games of the championship match, Wauwatosa East found itself trailing late in the deciding game, 14-12. The Raiders came back to tie things at 14-all, but again lost service and fell behind 15-14.

The Raiders didn't fold, however, getting back the serve and rallying for three straight points for the title.

In other action, Cuba City claimed the Division III crown, going 3-0 in round-robin play, while Mercer won a tiebreaker in Division IV to beat Highland and Niagra for the championship.

All of the State Tournament matches were played at Kolf Sports Complex on the campus of the University of Wisconsin - Oshkosh.

Brown Deer, Brookfield Central Soccer Champs

By Statesman Sports Writer

MADISON — Things went pretty much as expected in the championship matches of the WIAA soccer tournament held here, last weekend.

In Division I, Brookfield Central showed why they were ranked No. 1 as they rolled over Cedarburg 3-0 to capture the WIAA title, while Brown Deer, ranked No. 1 in the Division II, won that championship by downing DePere 2-1 in two overtimes.

Basting Elected to WIAA Council

By Statesman Sports Writer

STEVENS POINT — Dr. Charles Basting, District Administrator at New Holstein High School, has been elected to the WIAA Advisory Council as a medium school representative.

Basting defeated Clintonville Principal Robert Tomczyk in the general election that concluded last month, among 140 medium size schools.

Both Basting and Tomczyk emerged from an earlier primary election as the top vote getters among six candidates for the Council position.

Basting will serve the remainder of the unexpired term (through July 1993) of Pat Kennedy of McFarland, who retired last June. Basting attended his first meeting of the Advisory Council Oct. 21st.

Brookfield Central's Mike Malen scored two of his team's goals, as the Lancers finished the season 21-1-1. Cedarburg finished the year 21-6-1.

Brown Deer, which beat New Holstein in the Sectional finals, fell behind 1-0 early in the first half, but got a goal from Todd Pylik to tie things at 1-all.

The Falcons finally broke through again in the second extra session, as Jason Schroeder scored with just under five minutes to go. DePere, which finished the year 19-2, scored on a goal from Matt Joswick just two minutes into the contest.

In WISAA State Tournament action, Milwaukee Marquette won the Division I championship by beating Milwaukee Pius, 2-1, while Sheboygan Christian needed a shootout to down Racine Lutheran 2-1 in the Division II championship.

Athletic Department to Discuss Interscholastic Participation Code

On Tuesday, Nov. 17, all high school students and their parents are urged to attend a meeting to discuss the district's Interscholastic Participation Code as it applies to athletics. The meeting will begin at 7:15 in Rose Hall at Kewaskum High School. If you attended the fall meeting, you do not have to attend this meeting.

Although the meeting is not required, we strongly encourage your attendance. It is especially important for parents who have children attending Kewaskum High School for the first time to learn about the district's Interscholastic Code. The program will last about one hour.

Meeting agenda: introduction of coaches, discussion of Interscholastic Participation Code; discussion of WIAA rules; short video presentation, and interaction with coaches.
