## Board of Education Sends Alcohol Policy Back

By Noel Stollenwerk

The Kewaskum School District Board of Education couldn't reach a consensus last Monday night regarding the District's policy of selling alcohol on school grounds, and the policy was sent back to the Policy-Legislation-Bylaw committee for revision. "I want to see an end to this," Board President Neal Weare told fellow Board members regarding the controversial policy. "I want to put this issue behind us."

The basic issue of the policy regards the Kewaskum Athletics' adult baseball team, which uses the School District's field for their summer baseball games. The team has received permission from the District to sell beer at their games the past three seasons.

But some members of the community feel that it is inappropriate to sell alcohol on school grounds period, even though there has not been any problems with the practice in the past.

A compromise appeared to be reached between the two sides, as School District Administrator David Heather suggested that the team could use the field (and sell alcohol) for the 1993 season. The following year, the team would find a new place to play, and the "no alcohol" policy would take effect.

"I think this would be a good agreement for both sides on this issue," Heather said in his letter to Board members. "It would put the issue behind us, stop the turmoil in the community, and in the end allow both groups to be happy."

But Board members seemed to sidestep the issue, as several motions and maneuverings were made at the meeting. After nearly an hour of discussion, a frustrated Weare sent the policy back to committee.

The committee will meet on Monday, Feb. 22nd in the District office, in hopes of trying to settle the dispute over the issue. The public is encouraged to attend.

In other matters, the Board suggested that the senior class at KHS should have a meeting in order to determine its stance on prayer at graduation ceremonies.

A recent ruling by the U.S. Supreme Court says that prayers delivered by clergy at official public school graduation ceremonies are unconstitutional.

However, an appellate court ruling regarding the issue says that it is permissible for students to read a non-denominational prayer, if elected to do so by the graduating students.

After learning of these rulings, the Board agreed that it would be

best to let the senior classes decide for themselves whether it wants a prayer to be read.

## FFA Sponsoring Farm Toy Show

Kewaskum F.F.A. will be sponsoring their very first farm toy show, to be held on Sunday, Feb. 21. The show will be starting at 9:00 a.m. until 4:00 p.m. in the Kewaskum High School Fieldhouse.

The show will include model cars, trucks, farm toys, and radio controlled vehicles. There will be concessions and door prizes throughout the day. This show will be buy-sell-trade-look at all the makes of toys.

Admission for the show is \$1.00 at the door for all ages, and ages 12 and under are free when accompanied by an adult. Every paid admission will be eligible for winning a door prize.

Tables for exhibitors are \$10 for the first table and \$5 for the each additional table. Exhibitors should call Mike Ksioszk, Kewaskum FFA Treasurer to reserve a table at (692-2692).

Hope to see you all of you on the 21st of February.

## Trzecinski Receives Eagle Scout Award

On January 31, 1993, Chad Trzecinski of Troop 744, Kewaskum, received his Eagle Scout Award. Chad went through the scouting ranks from cub scouts to the highest rank in scouting, Eagle Scout. All of troop 744 congratulates Chad on his achievement. Chad's Eagle Scout project was a duck habitat restoration, consisting of digging some small water holes, deep enough to hold water year round, and putting up some nesting sights.

## Wrestling Sectionals at Columbus

By Noel Stollenwerk

COLUMBUS — The four Kewaskum wrestlers who made it through the Regionals will now set their sights on the Sectional competition to be held here, this Saturday.

Weigh-ins will begin at 9:30 a.m., with first round action slated to get underway at 11:00 a.m. The top two wrestlers, from each weight class will then qualify for the WIAA State Meet, to be held in Madison the following weekend.

"Now we get down to the nitty-gritties," KHS coach John Nell said. "I think all four of our kids have a good chance (at making it to State). It just depends on their preparation and frame of mind."

Nell figured out the probable first-round parings for each of his wrestlers. Josh Kurtz, the defending Division 2 state champion at 145 pounds, will open against Boysennault from Union Grove.

Mark Dziedzic will face

Whitewater's Gerlach in his first match at 119 pounds, while Chad Muckerheide (160 pounds) will open against Berlin's Keller.

Perhaps the most intriguing first-round match-up will involve Todd Muckerheide's foe at 189 pounds. Muckerheide will face Big Foot's Dan Casillias, who beat Muckerheide in the Sectional semifinals last year, 4-3.

"We're hoping that he'll avenge the loss," Nell said of the rematch. "That'll be a big round for Todd. One move can make the difference."

## Active Parenting Program at KES

The Kewaskum School District is pleased to offer the video-based program, **Active Parenting**, again this year. It will be held on Thursday evenings, beginning February 18 through March 25, from 6:30 to 8:30 p.m. The program will be held at Kewaskum Elementary School and is free of charge to district residents.

We are asking that you call Phyllis at 626-8427 to register prior to the first class, but you may still register at the first session.

**Active Parenting** focuses on such important topics as discipline, self-esteem, communication and family enrichment. The information and skills taught are designed to develop responsible, cooperative and courageous children.

Parents who have taken the **Active Parenting** class in the past have responded very positively to the program. We are sure you will find **Active Parenting** helpful and informative.

## Strachota Named Finalist in National Merit Scholarship Program

Thomas J. Borek, Principal of St. Mary's Springs High School, Fond du Lac, recently announced that four Springs students have been named as finalists in the 1993 competition for scholarships under the National Merit Scholarship Program.

The four finalists are Joshua J. Fox, son of Guy and Anna Fox, N5875 Fox Court, Fond du Lac; Jason W. Gellings, son of Mary Gellings, 191 E. Johnson Street, Fond du Lac; Earl J. Martin, son of Jimmie and Mary Martin, W4020 Jennings Road, Rio, WI; and Stefan Matt Strachota, son of Steven and Sharon Strachota, 4043 Hi Mount Road, Kewaskum. They were previously named as semifinalists in September 1992.

The Merit Scholarship Program, which operates without government funding, is privately financed by grants from some 600 independent sponsors who share the goals of National Merit Scholarship Corporation.

The process of selecting some 6,500 Merit Scholars from approximately 14,000 outstanding finalists is now underway. Every finalist is being considered for one of 2,000 National Merit \$2,000 Scholarships that will be offered in 1993.

## Kindergarten Registration At St. Lucas School

Registration of new five year olds will be held on Tuesday evening, Feb. 23, from 7:00 - 8:00 p.m. in the lower level of the school. Parents may come during that time to enroll with child and receive all necessary forms.

It is important that parents register their children that evening so that provisions can be made for the coming school year. Your child must have attained the age of five years by September 1st to be eligible for school this fall.

## Let's Go to the Movies

By Isabelle Muckerheide

According to a recent issue of Modern Maturity, the A.A.R.P. magazine, the motion picture industry is celebrating its 100th Anniversary.

I don't go back that far, but as a child I recall going to "silent movies". That is where you see the picture first, and the words follow after. Later they were combined in black and white before the advent of color.

We were fortunate to have a theatre in our small town. My Dad ran the projector from a little booth atop an outdoor flight of stairs. The films came on metal reels, so when reel one was finished, my sister Helen played a player piano until the second reel was put in place.

We saw such greats as Charlie Chaplin, Harold Lloyd, Buster Keaton, Laurel and Hardy, Our Gang Comedy, Three Stooges, Abbot and Costello, Hoot Gibson and Gene Autry. We saw him in person at Berlin once. After our theatre closed, we went to one at Wautoma. Each week a continued movie was shown, to bring you back again. I believe it was about the Canadian Mounted Police. The theme song was the "William Tell Overture". We saw such thrillers as Frankenstein, and The Hunchback of Notre Dame.

We watched Ginger Rogers and Fred Astaire in their dance

routines. Who could forget the melodious voice of Bing Crosby? He rounded out 50 years in the Movie Industry. Some of his greatest were: Bells of St. Mary's, Going My Way, and White Christmas. There was a theatre in Kewaskum in the late 50's and 60's, thanks to the Honeck family. Before my coming to Kewaskum, shows were held at the Opera House (tavern) Their curtain now hangs in our Kewaskum Museum.

Other movie greats were Clark Gable, Rudolph Valentino, Clara Bow, the "It" girl, The Barrymores, Lillian Gish, Loretta Young and Mary Pickford to name a few.

When television entered the

picture, attendance at theatres dropped considerably. The tone of movies, and seductive scenes caused many of us to stay away. I for one do not go as often. You see them on T.V. eventually.

Regardless, it has been a marvelous experience, and I shall always treasure the memories of going to the movies.

P.S. I almost forgot, the price of the silent movies was 10 cents, and we didn't have pop corn or potato chips either.

It's no trouble at all to tell when a TV movie is an old one - the hero doesn't kiss the girl like he was eating an overripe peach.

## Officers Elected for Mid-Wisconsin Federated Library System

### Koepke on Special Needs Committee

Sherlyn Stiewe of West Bend was recently re-elected as president of the Board of Trustees of the Mid-Wisconsin Federated Library System. Other officers re-elected at the system's annual meeting held January 26 were Melitta Quinlan of Beaver Dam, vice president; Amy Bauer of West Bend, secretary; and Steven Adams of Jefferson, treasurer. The system is one of 17 Wisconsin public library systems which provide interlibrary loan, consultant and other services to broaden services of public libraries. The Mid-Wisconsin system serves Fond du Lac, Dodge, Jefferson and Washington counties.

The trustees approved a new three-year Plan for Services to Users With Special Needs. The plan was written by the system's new Coordinator of Services to Special Populations, Kathy Whitt, and the system's special needs committee. Whitt discussed special needs with librarians in the system and did demographic research in creating the plan. Objectives address the special needs

planning environment, communication among libraries about special needs populations, and providing special needs services to libraries.

The addition of Kathy Whitt to the system staff will provide for continuous planning for an expanded services to special needs populations on the part of area public libraries. The system's special needs committee consists of librarians Ione Deich of Randolph, and Kelly Krieg-Sigman of Germantown; trustees Sherlyn Stiewe of West Bend, Helen Heinrich of Mayville, Bonnie Koepke of Kewaskum, Betty Brinkman of Lomira, and Maxine Meyer of Fort Atkinson.

## Family Night At the Niche Class Offered on Home Landscaping

Parents - Do your young children like to ask questions? Are they curious? Do they enjoy nature? Lac Lawrann Conservancy invites Children ages 3-5 and their parents to enjoy Family Night at the Niche on Thursday, February 25 at 6:30 to 7:30 p.m. This is the first in a winter series of Family programs to be given by the Conservancy volunteers at the Niche. Spend an evening with an owl. Get to know some of Wisconsin's raptors up close and personal along with your child. Lac Lawrann Volunteer Naturalist Betty Glennon will share activities and art projects which will prove to be fun while you learn. The program is free and all supplies will be furnished.

Lac Lawrann Conservancy is a part of the West Bend Park System. This nighttime program entitled "Owls Up Close", will be presented in the Conservancy's volunteer meeting room - the "Niche", located on the first floor of the West Bend City Hall, 1115 S. Main Street, West Bend.

Workshop space is limited. Reservations are required and can be made by calling the West Bend Park, Recreation and Forestry Department at 335-5080.

"Planning and Designing Your Home Landscape," a five-session course, will be offered on consecutive Tuesdays beginning February 23 from 6:30 - 9:00 p.m. at the Public Service Agency, 333 E. Washington, Rooms 113A and 113B. The instructor is Dan Wilson, UW-Extension Resource Agent.

The course has been designed for homeowners with new or very limited landscaping. Participants will follow a step-by-step process to design their landscapes on paper. Information on landscape styles, planning and design principles, selecting landscape plants, and yard care will be emphasized.

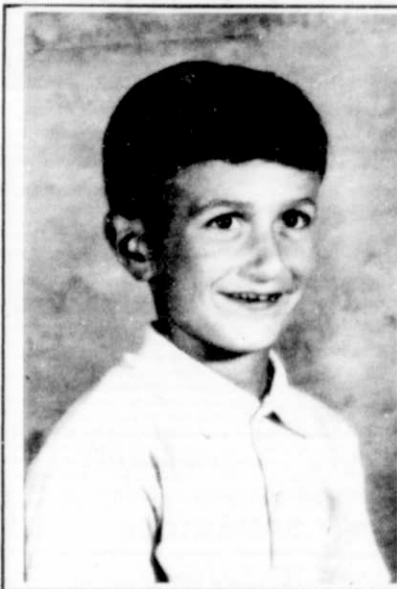

Registration is required, and the fee is \$25.00 per individual or couple which includes a refundable \$10.00 desposit for equipment. The course is limited to 20, and the deadline for registering is February 19.

Those who want more information may call Dan Wilson or Pamela Buchholz at 335-4480, 644-5204 or 342-2929.

## Valley Banker On Call 24 Hours A Day.

Many Wisconsin communities depend on volunteers to respond to emergencies at a moment's notice.

Valley has many employees who heed the call when the fire siren sounds or when someone has a medical emergency. Tim Miller, vice president at Valley Bank, serves as a volunteer emergency medical technician giving both his personal time and when necessary leaving his job when no one else is available to answer the call.

Just as an emergency can happen at an unexpected time, Valley recognizes you may need answers to your banking questions outside of normal business hours.

To assist the busy individual who may not be able to complete their banking during the day, Valley has introduced PhoneBank. PhoneBank is a service that allows customers to obtain accurate instant information on their Valley Bank accounts, transfer money between accounts and get current rate information, virtually 24 hours a day, seven days a week, just by using their telephone.

Valley customers can activate the PhoneBank by calling 1-800-261-7777.

So, remember, if you need help, just call.

# Holy Trinity Science Fair

Sue Wessing enjoys the Science Fair Projects at Holy Trinity.

The families and friends of young scientists from Holy Trinity School enjoyed viewing and experimenting with 60 exciting projects. Project topics ranged from plants and water to planets were all available for the viewing. This year Holy Trinity held its Science Fair on Jan. 21. The 100 young scientists participated in

groups, teams or as individuals from all grade levels.

The projects were judged according to grade level. This was a very difficult job for those involved. The judges awarded first place ribbons to Eric Christie, Lynn Wiesner, Gretchen Weddig, and Missy Theusch.

Second place ribbons went to

Michelle Backhaus, Paul Mertz, Danielle Wictor, Katie Kopecky and Jenny Ramthun. The third place ribbons went to Becky Kober, Jacob Stoffel, Chris Boden, Emily Ligocki, Mary Rinzel and Becky Stoffel.

All students participating in the science fair received a Certificate of Participation.

## Loofs to Celebrate 50th Anniversary

Roman and Virginia Loof of Kewaskum invite you to share the celebration of their 50th Wedding Anniversary, on Feb. 27, 1993.

Mass will be held at 2:00 at St. John of God Church in the town of Farmington by Rev. Roger A. Zens. Reception from 6:30 to 11:30 p.m. at St. Michaels Church Hall in St. Michaels.

Roman and Virginia (nee Jacoby) were married at Immaculate Conception Catholic Church in Saukville on Feb. 27, 1943. They have six children, twenty-nine grandchildren, and one great-grandchild.

## XYZ CLUB CARD RESULTS

The winners at cards played by the XYZ Senior Citizens at the Municipal Building on Wednesday, Feb. 10, were:

SKAT: Harold Eggert, 21-0-21 net; Ken Kaschner, 23-4-19 net; Willy Blecher, 15-0-15 net; Francis Gilboy, 15-1-14 net; Joe Butschlick, Club solo vs 4; Elmer Stange, Spade solo vs 4.

SHEEPSHEAD: Gertie Kaschner, June Kneiff, Harold Backhaus and Edna Engelmann. 500: Irene Kohl.

## Softball Teams Wanted

Despite what most consider to be cold temperatures, it's once again time to start thinking about the summer softball season.

The Village of Kewaskum Athletic Association is looking for teams to play in the various softball leagues this summer. Tentatively, men's leagues are slated for Tuesday and Thursday nights, while either a women's or a co-ed league could be played on Monday nights. The Monday night league format will be based on the number of women's or co-ed teams interested.

The VKAA is looking to teams registered as early as possible, and will be holding a manager's meeting in March. Team sign-up is handled on a first-come, first-serve basis.

All VKAA games are played at the Kiwanis Community Park.

If you are interested in getting a team registered, or just want more information, please contact Rick Krahn at 626-2736, or Noel Stollenwerk at 626-4485.

## YOUR FEET

Foot Health: What You Should Know

To keep your feet healthy, you should be familiar with the most common ills that affect them. Here are a few:

**Athlete's foot** is a skin disease, usually starting between the toes, which can spread to other parts of the foot and body. The signs of athlete's foot are drying skin, itching, scaling, inflammation and blisters.

**Blisters** are caused by skin friction and moisture. Don't pop them. Apply moleskin or an adhesive bandage over a blister, and leave it there until it falls off naturally, usually in the bath or shower.

**Corns and calluses** are protective layers of compacted, dead skin cells. Never cut corns or calluses and never apply home remedies, except under a podiatrist's instructions.

**Ingrown nails** are nails whose corners or sides dig painfully into the skin. They're frequently caused by improper nail trimming but also by shoe pressure, injury, fungus infection, heredity and poor foot structure. Toenails should be trimmed straight across, slightly longer than the end of the toe, with toenail clippers.

**Warts** are caused by a virus, which typically enters the skin through small cuts and abrasions. Children, especially teenagers, tend to be more susceptible to warts than adults. Most warts are harmless, though painful and unsightly.

Remember, though, self treatment can often turn a minor problem into a major one. It's a good idea to see a podiatrist when any of these conditions persist.

**Never pop a blister. If it breaks on its own, wash the area, apply an antiseptic, and cover with a sterile bandage.**

For a free pamphlet, "Your Podiatrist Talks About Foot Health," call the American Podiatric Medical Association at 1-800-FOOT-CARE (366-8227) or write the Association at: 9312 Old Georgetown Road, Bethesda, MD 20814.

## Select Cast for UWWC's 'Man Of La Mancha'

UWC-Washington County's Theatre on the Hill cast for "Man of La Mancha" has been selected. The spring musical will be performed on March 19, 20, 26 and 27 in the University Theatre. The musical has earned constant praise from both fans and critics.

One of the all time great successes of American stage history, "Man of La Mancha" has enjoyed extremely successful on-and-off-Broadway runs. The play is based on Dale Wasserman's interpretation of one of the great masterpieces of world literature for almost 375 years, "Don Quixote" by Miguel De Cervantes. Wasserman has woven together details from the life of soldier-of-fortune Cervantes, including scenes of comic absurdity, satire, and compassion from the Spaniard's novel.

William L. Wiederanders of Random Lake will take the role of Miguel De Cervantes (Don Quixote); Captain of the Inquisition: Mike Oilar of West Bend; Manservant (Sancho Panza): Mike Koscinski of Wauwatosa; Governor/Innkeeper: Mark Kohler of West Bend; Duke/Dr. Carrasco: Jim Oakley of West Bend. The Muleteers are as follows; Jose: Chad Harlow of Kewaskum; Paco/Guitar Player: Paul Vogelsang of West Bend; Juan: Bruce L. Towell of West Bend; Anselmo: David P. Griesbach of West Bend; Pedro: Rick Olson of West Bend; and Tenorio: Shannon Watson of Slinger. The Padre will be portrayed by Rick Gilbertson of Slinger; Barber: David Campanella of Saukville; Aldonza: Shari Wittemann of Milwaukee; Maria: Alice Liddell of Cedarburg; Fermina: Misti Swanson of West Bend; Antonia: Deanna Gibeau of West Bend; Housekeeper: Sue Keyes of West Bend; Moorish Dancer: Jennifer Lehn of West Bend; Horse: Jan Ford of West Bend; Mule: Karen Junk of West Bend; Prisoners: Rolanda Lehn of West Bend, Vicki Towell of Kewaskum, Diane Czinny of Random Lake, and Monica Martin of West Bend. The Guards will be Erin Schall of West Bend, and Ann Williams of Mequon.

Director Brad Ford was pleased with the numbers present at the audition. "I am thrilled with the wide range of ages and the magnitude of the talent."

Tickets are \$6 for adults and \$4 for senior citizens and children. All performances are at 7:30 p.m. in the University Theatre. For ticket information, please call 335-5208.

## Travelogue, Lecture At West Bend Gallery

Travel to Eastern Germany and Czechoslovakia with West Bend Gallery of Fine Arts' Director, Tom Lidtke and his wife, Ellen, on their 1992 search for the missing art work of Carl von Marr.

Beginning in Berlin and moving to Leipzig, Dresden, Chemnitz, Prague, and several small Bohemian villages, the search concluded in Munich at Drom, the perfume and scent manufacturing facility of Dr. Bruno Storp, grandson of Carl von Marr.

The lecture will also cover personal observations of the social, economic and political struggles of emerging capitalism, and the impact it has on that region's cultural treasures, including the artwork of Carl von Marr.

Included in the slide presentation will be a visit to the famed Eastern Berlin Pergamon Museum, many architectural treasures of eastern Europe (some dating back to 1250) and several wonderful Carl von Marr paintings which have not been publicly seen since 1940.

The presentation begins at 1:30 p.m. on Sunday, February 21, at the West Bend Gallery of Fine Arts.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend. Normal gallery hours are Wednesday through Saturday from 10 a.m. to 4:30 p.m. and Sunday from 1 to 4:30 p.m. For more information call the gallery at 334-9638.

## Valley Reports Record 1992 Earnings, Increases Dividend

Valley Bancorporation recently reported net income of \$39.779 million for the year ended December 31, 1992, up from \$30.666 million in 1991. 1992 earnings per share amounted to \$3.10 compared with 1991 earnings per share of \$2.51. Net income for the fourth quarter of 1992 amounted to \$11.044 million, compared to \$8.193 million recorded in the fourth quarter of 1991. On a per share basis, fourth quarter earnings were \$.83 for 1992 compared with \$.67 in 1991. Weighted average shares outstanding totalled 12,829,006 in 1992 and 12,223,898 in 1991. Fourth quarter weighted average shares totalled 13,376,929 shares in 1992 and 12,277,349 shares in 1991.

Commenting on Valley's results, Peter M. Platten, III, president and chief executive officer, said, "The past year was a very successful period for Valley and we are extremely pleased to report record earnings. We have made significant progress in our goal towards being a high-performing financial institution. Valley has maintained excellent credit quality and showed solid internal asset and loan growth. We have shown progress in our expense reduction programs, and our conversion to a new in-house data processing system was completed on schedule in the fourth quarter."

Further commenting on the 1992 results, Platten continued, "Valley's results benefitted from increased lending activities which produced substantial growth in loan fee income and gains on mortgages originated and subsequently sold to the secondary market. We are also pleased with the improvements in our core business operations, which continue to show the benefits of our

cost reduction programs, and the significant improvements made in our overall credit quality. Additionally, Valley's interest margin was a primary factor contributing to our 1992 earnings performance, increasing from 4.37% in 1991 to 4.61% in 1992. Our 1992 third and fourth quarter results also benefitted from our July 1 acquisition of the \$320 million-asset United Savings and Loan Association ("United") headquartered in Sheboygan, Wisconsin."

On July 1, 1992, Valley completed the United acquisition. In this transaction, United was converted from a mutual to a stock institution and concurrently issued all of its stock to Valley. As part of the transaction, Valley sold to United's account holders and the general public 1,002,225 shares of its common stock at a price of \$32.75 per share. Part of the proceeds from the sale (\$18 million) were infused into United. This transaction was accounted for as a purchase and therefore, Valley's consolidated results of operations only include the operations of United from July 1, 1992 forward.

Earnings for 1992 benefitted from a strong increase in net interest income between years of \$24.934 million. This increase resulted from growth in average earning assets between periods of 9.4%, or \$321.252 million, and an increase in the margin from 4.37% in 1991 to 4.61% in 1992. The growth in average earning assets is due from external (acquisition) growth of approximately \$213 million, or 6.2%, and internal growth of \$108 million, or 3.2%. Net interest income was positively impacted by aggressive repricing of interest-bearing deposits late in 1991, and early in 1992. The repricing strategy was necessary to offset declining rates

on earning assets. Approximately 20% of Valley's loan portfolio reprices with changes in the prime rate.

Noninterest income for 1992 amounted to \$59.292 million, an increase of \$11,274 million from the \$48.018 million in 1991. All categories of noninterest income increased, with the largest increases noted in service charges on deposit accounts and other service charges, commissions, and fees (\$4.471 million), trust service fees (\$1.528 million), and gains on sale of mortgage loans to the secondary market (\$1.862 million). Noninterest expense increased, with the largest increases occurring in salaries and wages (\$6.964 million), pensions and other employee benefits (\$5.926 million), and equipment (\$2.495 million). Increases in both noninterest income and noninterest expense were due in part to Valley's franchise expansion efforts.

The increased profitability in 1992 boosted Valley's profitability ratios. The return on average assets for 1992 was .98% compared to .82% in 1991. The return on average equity increased to 13.35% for 1992, compared to 11.68% last year.

At December 31, 1992, Valley reported total assets of \$4.384 billion, an increase of 10.3% over the \$3.976 billion recorded at December 31, 1991. Loans increased to \$3.017 billion, compared with \$2.613 billion a year earlier, a 15.5% increase. Deposits increased to \$3.833 billion from \$3.441 billion at December 31, 1991, an increase of 11.37%. These period to period increases were due partially from the July 1 acquisition of United, along with internal growth in assets of \$80 million, 2.0%, in loans of \$144 million, 5.5% and in deposits of \$.122 billion, 3.5%.

Valley's asset quality continued to improve with nonperforming loans at December 31, 1992 of \$25.993 million or .86% of loans, a significant decline from December 31, 1991 balances of \$38.501 million or 1.47% of loans. The reserve for loan losses totalled \$37.921 million, or 1.26% of loans, on December 31, 1992, compared to \$31.241 million, or 1.20% of loans, on December 31, 1991. Net charge-offs as a percentage of average loans amounted to .21% in 1992 compared to .27% in 1991.

Shareholders' equity totalled \$326.776 million, an increase of \$56,927 million over the \$269.849 million on December

31, 1991. At 1992 year end, book value per share was \$24.36 compared with \$22.04 per share a year earlier, an increase of 10.5%. The increase in shareholders' equity and book value per share are partially due to the issuance of 1,002,225 shares of common stock on July 1, 1992, in connection with the United acquisition. Net proceeds from the sale added about \$30 million to Valley's equity.

At its Board meeting recently, Valley's Board of Directors declared a dividend of \$.34 per share (\$1.36 annualized). This dividend is payable March 5, to shareholders of record February 26.

Valley Bancorporation is the third largest bank holding company headquartered in Wisconsin. Valley, has assets of \$4.4 billion and currently serves Wisconsin through 153 banking offices and additional financial service companies engaged in insurance, trust service, credit card servicing, and bank support services. The company's common stock is traded on the National Market System under the NASDAQ symbol VYBN.

## Becomes Grandmother and Great-Grandmother On Same Day

Marcella Beisbier

Marcella Beisbier became the proud grandmother of Jessica Erin Beisbier, newborn daughter of Gerald and Linda Beisbier, living near Eden on February 1, 1993.

On the same day, February 1, 1993, Marcella became the great-grandmother of Alexander Edwin Buehler, the grandson of Cornelius and Evelyn Beisbier of

Kewaskum, and the newborn son of Edwin and Patricia Buehler of Stevens Point.

With the "same-day" arrival of both "new additions", Marcella, 80, a resident of Kewaskum for nearly 12 years, is now the mother of 12, the grandmother of 60, and the great-grandmother of 61. Congratulations Marcella!

Second in a series of dramatic images inspired by the song "America the Beautiful"

In this, his finest achievement, Terry Redlin's art grandly sweeps across eight different stages in America's development. Each print is titled with a line from the first stanza of "America the Beautiful," one of our country's most popular patriotic songs. "For Amber Waves of Grain," second in the series has man and wife breaking ground for their new homestead in the wild grains of the plains.

Available now in limited edition of 29,500 s/n.  
Image size: 16 1/2 x 28 1/8 inches. \$250.

**NOVENA TO ST. JUDE**

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg of whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said 9 consecutive days, and publication must be promised.

L.K.

**THANK YOU**

Thanks to St. Jude for favors granted.

N.K.

**IN MEMORY**

In loving memory of BARBARA LAATSCH, who passed away one year ago, on Feb. 21, 1992:

Treasured thoughts of you are dear,

But often bring a tear.

Thoughts return to scenes now past.

Time rolls on,

But memories last.

Sadly missed by Merle and Erik.

**THANK YOU**

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gifts to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The persons must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

M.N.

## Kettle Moraine Kids 4-H Club Entertain Elderly

Carrie Stoffel, right, and Erin Stoffel, left preparing the meal for Meadow Creek residents.

Chrissy Neumann, left, plays Bingo with the elderly of Meadow Creek.

On Monday, Jan. 18, the Kettle Moraine Kids 4-H Club entertained the elderly at Meadow Creek Apartment for the third consecutive year. All the members agreed it would be a worthwhile community service project.

We started off the evening with musical instrumentals solos. Thank you to club members Anne Mertz, Christine Schmidt, Justin Poentisch, and Chrissy Neumann for playing their solos.

After the musical entertainment the residents were invited to share a hot ham sandwich meal with us. The meal was planned by Carrie Stoffel and other committee members.

The annual event concluded with a 4-H bingo game. All the

members enjoyed helping the elderly play Bingo. The 4-H members handed out 4-H clover key chains to those who were lucky enough to win!

Then we concluded the evening by handing out certificates to all residents as a token of our appreciation for participating with us. They were creatively decorated by the Cloverbuds and other club members.

All the club members willingly assisted in once again making the service project a great success! I feel it was a worthwhile experience and time well spent with the elderly. A good time was had by all 4-H members and elderly alike.

## Fredrich Receives AAL Scholarship

Appleton, WI — Jennifer Fredrich, a sophomore at Dr. Martin Luther College, New Ulm, Minnesota, has been awarded a \$450 scholarship from Aid Association for Lutherans (AAL). Fredrich is the daughter of Rev. and Mrs. Edwin Fredrich, 1420 Parkview Drive, P.O. Box 44, Kewaskum, Wisconsin. AAL is a membership organization based in Appleton, Wisconsin, offering insurance products and volunteer opportunities to its 1.6 million members nationwide.

Fredrich is participating in AAL's Lutheran Campus Scholarship Program which awards scholarships to AAL members attending Lutheran institutions of higher education. Recipients are selected by financial aid offices at participating schools.

The program is one of several AAL-sponsored scholarship programs. AAL maintains one of the country's largest systems of privately-funded scholarships and grants of its fraternal commitment to enable Lutherans to help themselves and others.

AAL has provided fraternal benefits to Lutherans and their families for 90 years. AAL is the nation's largest fraternal benefit society in terms of assets (\$10.7 billion) and ordinary life insurance in force (\$63.5 billion).

## 25 Years Ago

FEBRUARY 16, 1968

The Kewaskum Fire Department's newly purchased 1967 Chevrolet ambulance to replace the former 1950 model was recently put into use. Because of an increase in the number of calls and added duties, the ambulance service has been kept busy. Therefore, better, more dependable and modern equipment was necessitated. The new ambulance and equipment was purchased for approximately \$5,000 with funds raised wholly from the annual summer picnic sponsored by the firemen and from funds collected on patient calls. The volunteer fire department started the ambulance service 18 years ago. Kewaskum was the first fire department in Washington County to offer a service of this kind, during the time when Harry J. Schaefer served as fire chief. The 1967 model is completely equipped with modern life-saving equipment. This includes an ample supply of oxygen, stretchers, cots, first aid kits and other necessary equipment for first aid and rescue work. It is also equipped with a two-way radio. The attendants are in contact with the police and sheriff's department at all times, if in need of an escort or additional help. The fire department also purchased a 2,500 gallon tanker which replaces an older tanker having a capacity of 1,600 gallons. The new tanker was received and put into use in January. The new stainless steel tanker will be used to fight rural fires where water is at a minimum. This tank, being stainless steel and completely sanitized, also enables the department to haul water for human consumption at anytime in any emergency. This unit was purchased for \$4,200 with funds raised entirely through the annual firemen's picnic except for \$1,500 of the cost which was paid by the village.

Chief Armin Oppermann reported this week that the Kewaskum Fire Department

### Visually Impaired Support Group to Meet February 24

The next Visually Impaired Support Group meeting is on Wednesday, February 24, at 1:30 p.m. in the second floor conference room at the Cedar Ridge Retirement Campus, 113 Cedar Ridge Drive, West Bend. The visually impaired and interested people in the community are welcome to attend.

John Capelle, from the City Planning and Development will speak about the new transportation system for the elderly and disabled in the West Bend area.

The support group meets the fourth Wednesday of each month at the Cedar Ridge Retirement Campus. For more information call Jean Meyer at the Cedar Haven Rehabilitation Agency at 334-1486.

answered 31 calls during 1967, 13 of which were in the village and the remaining 18 in surrounding townships. Only two of the fires were serious, one of them at the Gerald Stoffel farm in the Town of Kewaskum, where a large hay storage barn was destroyed on August 3, and the other at the rural home owned by Lee Honeck, west of the village which was gutted by fire last winter. The worst blaze in the village was at the Lee Fellenz home on First Street on June 2, when damage amounting to \$1,036.46 was caused by fire.

Boys who climbed to the pinnacle of scouting and attained eagle rank during 1967 were honored along with their parents and scoutmasters last Wednesday evening in Fond du Lac. The 19 award winners were special guests at the annual Badger Council of Boy Scouts eagle recognition dinner at the IOI Club. Nine of the 19 Eagle Scouts are from Kewaskum. They include Kenneth Ogi, Explorer Post 44, and the following members of Troop 44: Stuart McEwen, Kenneth Kreif, James Staehler, Brian Hron, James Gnacinski, Glen Staehler, Charles Gross and John Milewski.

Three Kewaskum Indian wrestlers survived WIAA regional tournament competition at Port Washington over the weekend to qualify for the sectional meet at Brown Deer this Friday night and all day Saturday. Sectional winners will advance to the state meet. The three Kewaskum matmen who qualified for the sectional were: Chuck Bindrich, the Indians' undefeated ace, now 21-0 for the season, who beat Brochman of Cedarburg, 5-4 at 165 pounds; Leo Gundrum, runnerup at 127 pounds, bowing to Schmidt of Port, 10-0, and his brother, Tom Gundrum, runnerup at 180 pounds, losing finally to Watry of Port, 11-5.

The first synthetic dye was discovered accidentally in 1856 by the English chemist William H. Perkin. This dye, called *mauve*, is pale purple and was produced when Perkin tried to make quinine from a coal tar product called aniline.

FEBRUARY 19, 1943

Mr. and Mrs. Elwyn Romaine

received word recently from the Americanism-legislative chairman of the order of the Purple Heart that the military order of the Purple Heart, limited to those members of the Armed Forces who have been granted the meritorious service citation or who have been wounded in action against the enemy in any war, will be awarded posthumously to their son, Robert G. Romaine. The Romaines were informed last Nov. 9 by the Navy department that their son, a second class seaman in the U. S. Naval Reserve had been killed in action somewhere in the Atlantic while aboard an armed merchant vessel "in the performance of his duty and in the service of his country." His death was the first casualty of Washington County in the present war. The Purple Heart will be presented to Seaman Romaine's parents in the near future. Bob is the first Kewaskum man and as far as we know the first Washington County man to be awarded the Purple Heart.

George and Tillie Bauer, who operated the Marine Bar in the Skupniewitz building since last July, have left Kewaskum and have gone to Campbellsport, where they have been engaged by the former's brother, Ed. M. "Mush" Bauer, world's largest bartender, to operate his tavern and motel business. George has been at Campbellsport for several weeks, during which time Tillie Bauer operated the tavern here. She left for Campbellsport last Thursday. The Bauers still have charge of the Marine Bar and they have engaged Mr. and Mrs. Mike Skupniewitz, owners of the building, to manage the business temporarily until another manager can be secured or until further arrangements can be made. Mr. and Mrs. Mitchell, brother-in-law and sister of "Mush" and George Bauer, who

Kewaskum Statesman, Thursday, Feb. 18, 1993, Page 13

formerly managed the business at Campbellsport, have gone to Plymouth, where they have taken over the former Laack hotel and tavern.

A daughter was born to Mr. and Mrs. Joseph Staehler of St. Michaels born at their home on February 19.

A son was born to Pvt. and Mrs. Wesley Kuehl of Kewaskum at the Maternity Hospital in West Bend on February 11. Pvt. Kuehl is stationed at Camp Gordon Johnston, Florida. Mrs. Kuehl, the former Adelyne Fellenz, is residing with her parents, Mr. and Mrs. Philip Fellenz, while her husband is in service.

Ralph J. Marx, son of Mr. and Mrs. John Marx, has been transferred from Camp Gordon Johnston, Florida to Fort Benning, Georgia, where he now is attending officers' training school. With the transfer, he was promoted from a private to the rank of corporal. Only recently Cpl. Marx was transferred to Camp Cordon Johnston from Camp Livingston, Louisiana with a group including a number of Kewaskum boys, all of whom had been together since entering service.

## 75 Years Ago

FEBRUARY 23, 1918

Elmer Eberhardt of the West Bend Motor Co., was a caller here Sunday. Nothing out of the ordinary, you may say, but Mr. Eberhardt made the trip from West Bend over here in a rebuilt Ford runabout, and considering the fact that the country roads are in condition at present that makes it a hard task for a good team of horses to travel, we must take our hat off to the man that dares to venture over the highways in an automobile at the present time. The machine in which Mr. Eberhardt made the trip was

rebuilt at the company's service station at West Bend with the axle cut down to a 36-inch thread making it the same size as ordinary sleigh runners, and thus allowing the car to remain in the tracks of those made by the horses and sleighs.

In our issue of February 9th, we stated that there was a baby boy born to Mr. and Mrs. Andrew Martin at Wayne. This was untrue and we hereby wish to correct the error.

A baby girl was born to Mr. and Mrs. John Stellpflug of Kewaskum last Sunday. A baby girl was also born to Mr. and Mrs. Fred Kempf of New Fane on February 6. A baby boy was born to Mr. and Mrs. Henry Oppermann of New Fane last week.

## Cold Temperatures Bring Danger of Frostbite

By Jordana Lenon, UW-Madison Center for Health Sciences

Your mother knew best when she made you put on your hat and gloves before going out in cold weather. Whether it's tingling fingers as you try to start your snowblower, or numb toes while cross-country skiing, frostbite can mean irreversible damage within minutes of exposure to harsh winter elements.

Frostbite is most common when high winds accompany frigid weather, says Dr. Joseph Cline, an emergency room physician at UW Hospital and Clinics, as wind currents whisk body-heated air away from the skin's surface, intensifying the effect of low temperatures. That's why sensitive extremities with more skin surface area such as the fingers, nose, toes, ears and the groin area in men can experience pain and numbness so quickly in cold weather. Other frostbite symptoms can include a white, blanched appearance in exposed areas.

Cline says the full range of symptoms can be slow to show up. "Frostbite happens when blood vessels constrict, shutting off blood supply. When the blood returns, it causes extreme pain that may continue two or three days. You may not realize just how seriously you've hurt your fingers or toes until several hours after you've rewarmed them."

"We usually see one or two cases each winter that are severe enough to result in lost digits," says Cline, who is also a UW Medical School associate professor of medicine in the section of emergency medicine. "But even minor cases can lead to lifelong problems. Once you've had frostbite, you're more susceptible to getting it again."

People with diabetes and circulation disorders are especially prone, he adds, because their blood supplies are more easily cut off and because they're so accustomed to numbness they may

not recognize it as a symptom of frostbite.

For anyone who suspects frostbite, Cline says the best way to prevent permanent damage is to get out of the cold and soak the affected area in water the temperature of a warm bath. "NEVER put frostbitten areas in cold water or rub snow on them," he warns. "That's an old myth that will only cause more damage. Stay in warm water until you feel a return to normal."

"Serious injuries will produce swelling several hours after warming and cause continuous pain," Cline adds. "If you don't begin to warm up in 45 minutes, you should probably see a physician."

Fortunately, a little preparation and common sense can prevent most frostbite. Cline suggests packing extra clothes on winter outings, in case some get wet. Woolen or synthetic fibers that keep wetness away from skin are best, and layers of clothing are good if not packed too tightly. "You should be able to wiggle your toes," says Cline.

How can you tell when to call it quits and head indoors? "My advice is if your fingers or toes hurt outside, you should immediately stop what you're doing and rewarm yourself. Don't wait until it's too late," says Cline, adding that children are more susceptible to frostbite than adults and thus need extra protection.

### IN MEMORY

In memory of ANNA VOEKS, who passed away eight years ago, February 14, 1985:

Though her smile is gone  
And hands we cannot touch,  
And we have so many memories  
Of one we loved so much;  
Her memory is our keepsake  
With which we'll never part,  
God has her in His keeping  
We have her in our hearts.

Sadly missed by her daughters and family.

## Tractor Safety Course Required For Young Farm Workers

Does your son or daughter work on a farm during the summer? Do you hire youth to work for you during the year? Do these young people have adequate safety training?

Accidents cause more deaths to persons between the ages of 15 and 24 than all other causes combined. On the farm, the major cause of accidents is working with tractors and farm machinery. Most accidents happen when the operator does not know how to operate the tractor or machine correctly or is unaware of the dangers involved.

To help reduce accidents, a Farm Tractor Safety Course is being sponsored by area High School Vocational Agriculture Departments and the University of Wisconsin Extension in Washington County. The course will be held on four Saturdays: March 6, March 13, March 20, and April 3, from 9:00 a.m. to 3:00 p.m. On Saturday, March 6 and 13 and April 3 the course will be held at the Addison Town Hall in Allenton. The March 20 session will be held at Slinger High School in the Auto Shop Classroom. The course includes instructions on understanding how to operate a tractor, with emphasis on safety. To complete the course, youth must attend all four sessions and pass a written and a driving exam.

Federal Child Labor Laws require young people, aged 14 or 15 and working for someone who is not their parent or legal guardian, to take special training to acquaint them with hazardous phases of farm work, particularly tractor and machinery safety. The Tractor Safety Course is open especially to youth who will be 14 but not over 16 years of age by June of the current year. However, other youth will be ac-

cepted as space permits.

Youth under the age of 14 are prohibited from farm work of a hazardous nature by Federal Law. Jobs not considered hazardous on a farm are few.

If you intend to hire any youth on your farm, make sure that they enroll in this course for your protection as well as theirs. There are seven penalties for not complying with the law. Penalties can be as high as a \$10,000 fine and possible jail sentence for hiring uncertified youths. Also, some insurance companies have indicated that, technically, they can't cover an accident to an untrained youth.

Protect your child or the young person who works for you... enroll them in the Farm Tractor Safety Course. The cost of the course is \$12.00 per student. Registration deadline is **February 19**. To register, call your local High School Vo-Ag Instructor or the UW-Extension Office in West Bend. Phone 335-4478; 644-5204; 342-2929.

### Senior Citizen ID Cards to Be Issued

Are you 60 years old or older and a resident of Washington County?

Senior Citizen Identification and Discount Cards will be issued on Thursday, February 25, 1993 from 2:30 to 4 p.m. at the Washington County Senior Center, 401 East Washington Street, West Bend, WI 53095.

The information needed is your Social Security number, person to contact in case of an emergency and their phone number, and your doctor's name and phone number. Your picture will be taken. The cost of each card is \$1.00.

## Seminar on Planning, Forecasting For Small Business to Be Held

A new seminar on "Planning and Forecasting" for the small business owner/operator will be held on three Tuesday evenings beginning March 2, from 7 to 9:30 p.m. each evening. All classes will be held at the Washington County Center Campus in West Bend. This workshop is one of the Management Enrichment Program Workshops sponsored by UW-Extension.

As a result of this seminar, the entrepreneur will think in a more disciplined and decisive manner and it will offer the opportunity to develop a road map for achievement and success.

Among the topics to be covered will be "Balancing People and Productivity," "Basic elements of Planning," and "Coping With Problems and Obstacles," and a special opportunity to apply some planning techniques to your unique business.

The leader for this seminar is Thomas R. Laidlaw. For over twenty years, he has held senior executive positions in industry and academia. His seasoned industry experience includes: materials management and purchasing systems; product management; financial planning; organizational design; growth and profitability control; new business start-ups; and cost and quality control.

Simultaneous with his industry experience, he gained experience also in academia: teaching business and management courses; lecturing; conducting continuing education seminars and industry-designed in-house training programs.

His educational background includes studies at Marquette University, majoring in Marketing. He is a member, for the past twenty years, and past president of the Milwaukee Association of Purchasing Management. Honors received are Purchasing Manager of the Year, and Advancement of the Profession Award.

For the past several years, he has been providing management consulting to client firms. He is able to effectively utilize his experience in industry, education, analytical and problem solving skills to provide analysis and recommendations applicable to each client's needs.

For more information on registration, call Chuck Wise, Area Small Business Agent for

UW-Extension at 414-335-5204. The \$51 fee covers instruction and special materials for the participant. There is a limit to enrollment, so register TODAY through the UW-Business Outreach Office (Milwaukee) by calling 414-227-3200.

### Campus Notes

More than 1,500 students have been honored by the University of Wisconsin - Stevens Point for attaining high grade point averages during the fall semester, which ended in December.

Vice Chancellor and Provost Howard Thoyre said their names have been published on the University Honor Roll, which is mailed to the hometown newspapers of each student on the list.

Students who earned grade points from 3.9 to 4.0 (4.0 equals straight A) are given the highest honor designation. High honor citations go to those with grade point averages from 3.75 to 3.89, and honor recognition is accorded to those with grade point averages from 3.50 to 3.74.

Thoyre said personalized gold-embossed certificates are being sent to those who earned highest honors.

Nineteen percent of the 8,100-plus undergraduate students at UW-SP during the semester were recognized for their academic feats.

Enclosed is the list of honor students, from this area.

The number 1 in the first column indicates highest honor; 2 indicates high honor; and 3 indicates honor. Students who earned 4.0 grade point averages are designated by +.

CAMPBELLSPORT — +1 Stephen L. Dickman; 1 Andrew C. Weis.

FREDONIA — +1 Curt A. Jacoby.

KEWASKUM — 2 Deborah A. Dossinger, 2 James J. Kruse, +1 LeeAnn Winninghoff.

WEST BEND — +1 Christopher J. Albert, 1 Gail K. Bassler, 3 Kendra A. Becker, 3 Nick R. Becker, 3 Carolyn R. Bingen, 1 Kara L. Braaksma, 3 Andrea L. Buettner, 1 Amy L. Harter, 3 Timothy S. Hunsinger, 2 Sara J. Salaj, 3 Jennifer L. Stonecipher, 3 Greg M. Thelen.

## Minutes of School Board Meeting

January 11, 1993  
Regular Meeting

The meeting was called to order at 7:00 p.m. by President Weare.

Members present: Ray Engelking, Ruth Schmitt, John Schulte, Neal Weare, Jean Goeden, Ron Beimborn, Janet Wolfenberg.

Clerk Schmitt led the Pledge of Allegiance.

Schmitt/Goeden motion to approve the agenda. Ron Beimborn and Ray Engelking questioned why several policies which were approved at the last Policy Committee Meeting were not on the Regular Meeting agenda. President Weare stated that Policy 831.2 was removed because the revisions to it at the policy meeting were too extensive to be considered revisions and it had not been properly posted. Some policies mentioned were removed at the request of Policy Committee Chairperson, John Schulte. Motion passed 4-2 with Ray Engelking and Ron Beimborn voting no.

Kim Hilbert was honored as the January Student of the Month.

Audience to visitors; receiving of delegations. Several community members were present to question the omission of certain policies from the Regular Meeting agenda. Discussion ensued among community members and board members.

Dr. Heather explained how the policy agenda is developed and meeting procedures. He announced that next policy meeting will be held in the KHS commons to accommodate all who wish to attend.

Dr. Heather announced that Janet Wolfenberg, Ruth Schmitt, and Ron Beimborn's names will be on the ballot for re-election to the school board. He also introduced Mr. Dan Truog who will be running as a write-in candidate.

Mrs. Goeden, on behalf of the board of education, extended sympathy to the families of Jean and Joan Holmes who were killed in a bus accident in Mexico. The Holmes' were graduates of Kewaskum High School.

Mrs. Goeden also commended a KHS student, Amanda O'Brien, for appropriately representing the cheerleaders while wearing her uniform in a public facility in West Bend.

Plaques of appreciation were presented to Mr. Otto Ramthun and Mr. Tony Tomachek for their efforts with the construction of the tennis courts and service road.

Ray Engelking cast his vote of approval of the minutes of the November 9, 1992 Regular Meeting minutes. Mr. Engelking had previously abstained from voting because of an error with regard to his attendance. It was determined that he was in attendance and therefore should have the opportunity to vote.

Schmitt/Wolfenberg motion to approve the December 14, 1992 Regular Meeting minutes. Motion passed 6-0.

Schmitt/Engelking motion to approve the December 14, 1992 Closed Session minutes. Motion passed 6-0.

The following policies were presented to the board for their first reading:

- 153 - Methods of Operation
- 162.1 - Board Member's Responsibility
- 163 - Board member's Development Opportunities
- 443.6 - Dangerous Weapons in the Schools
- 453.6 - Elementary Cold/Inclement Weather.

Upon request of board members, policies 443.6, 153, 453.6, and 162.1 will go back to the policy committee for further review.

The next meeting of the Policy-Legislation-Bylaw Committee will be held on Monday, January 25, 1993 at 7:00 in the KHS commons. The

public is welcome to attend.

The next meeting of the Finance-Transportation-Buildings and Grounds Committee will be held on Monday, January 18, 1993 at 7:00 p.m. in the Administration Office.

Schmitt/Wolfenberg motion to approve the payroll and accounts payable in the amount of \$1,281,327.66. Motion passed 6-0.

Schmitt/Beimborn motion to approve two requests by Teri Rosenthal - 1) to allow 10 Kewaskum High School students to travel to Germany to participate in a German Exchange program this summer, chaperoned by Kevin Chambers, and 2) to allow a delegation of students from Germany to participate in an exchange program here next October. Motion passed 6-0. Mrs. Rosenthal announced that the Kewaskum Woman's Club will be conducting a fashion show with the proceeds being earmarked for the German Exchange Program.

Goeden/Schulte motion to approve the termination of the 50 percent social worker contract with CESA No. 6 for the 93-94 school year. Mo-

tion passed 6-0.

Schmitt/Goeden motion to approve a 50 percent social worker position as a district employee for the 93-94 school year. Motion passed 6-0.

Goeden/Engelking motion to approve the hiring of an additional teacher for the 4th grade at Farmington Elementary School beginning with the second semester of the 92-93 school year. Motion passed 4-2 with Ruth Schmitt and Ron Beimborn voting no.

Schmitt/Engelking motion to approve the use of our facilities to the West Bend YMCA for a spring soccer program. Motion passed 5-0-1 with Ray Engelking abstaining.

Goeden/Schmitt motion to approve a coed soccer program for the fall of 1993. Motion passed 6-0.

Schmitt/Wolfenberg motion to approve the hiring of an assistant coach for girls' softball. Motion passed 6-0.

Schmitt/Engelking motion to approve Jill Brandl and Carla Pritzlaff as co-advisors for the junior prom. Motion passed 6-0.

Discussion was held with regard to

Kewaskum Statesman, Thursday, Feb. 18, 1993, Page 15

issues that will be addressed at the upcoming WASB convention. Jean Goeden asked WASB delegate, John Schulte, to find out about early childhood education and before and after daycare.

Schmitt/Schulte motion to adjourn. Motion passed 6-0. The meeting adjourned at 8:40 p.m.

## DNR Outdoor Report

(As of February 13th & 14th)

Recent rain and sleet have produced icy trail conditions that have hampered snowmobiling and cross-country skiing in many areas, though there are still some good opportunities in the northern counties. Ice fishing has been slow.

In the Brule area, some of the snowmobile trails are icy, but usable, and the cross-country trail in the Brule River State Forest is groomed and in good shape. In the Cumberland area, snowmobile trails are open and being groomed daily; side trails are in very good to excellent condition. Cross-country trails in Iron County are tracked, groomed and in good condition with a few icy patches.

In the Woodruff area, cross-country trails in the Northern Highland/American Legion State Forest are in excellent condition, with about 16 inches of settled snow on the ground. Snowmobile trail use is heavy. Snowmobiling conditions in Florence County range from excellent to fair. Some of the main trails have bumpy spots due to heavy use. Recent light snow improved cross-country skiing, but there are some icy spots in open areas.

There is a pretty strong ice crust on top of the snow, and it's causing problems with dogs chasing deer. Dog owners should keep their dogs in a kennel or tied up. Deer are helpless on crusted snow when overtaken by dogs. In the Antigo area, deer are tightly yarded due to the crust and the snow depth. Because of moderate temperatures, they aren't burning up their reserve energy quite as fast as they otherwise might, particularly if they aren't disturbed. In the Wisconsin Rapids area, deer are moving about widely and quite a few are being hit on the highways.

In Fond du Lac County, warm weather has closed snowmobile trails, but people have been out hiking around the Eldorado Marsh.

Turning to fishing... in the Wisconsin Rapids area, the ice is not reliable where lakes and flowages have underlying water currents, and caution is advised. Panfish, mostly small bluegills, are being caught on Mason Lake in Adams County.

In the Green Bay area, warm weather and high flows have opened up the Fox River; no one should attempt fishing on the ice flow by Voyager Park. In Oconto County, one of the bright spots is northern fishing along the Green Bay shore. Perch fishing seems to be picking up at Geano (GAIN-oh) Beach and Pensaukee. Use caution crossing the cracks, which can vary in width daily. Crappies are providing some evening action on most Shawano County waters. Travel is rough on all area lakes.

In the southeast, the Milwaukee harbor at the Summerfest grounds and Jones Island is producing a few brook, brown and steelhead trout. Steelhead fishing has slowed on the Root River, where water levels are up.

Ice anglers are reporting little success on the backwater sloughs

of the Lower Wisconsin State Riverway, where ice conditions are deteriorating. There have been several reports of persons breaking through the ice. Trout fishing remains good in Grant County. Some nice walleyes and perch are being taken from Yellowstone Lake. Bluegills are biting in Lake Delton and perch are hitting in Lake Redstone, but in this area, too, ice conditions are worsening.

In Dane County, fishing has improved during the last week. When the weather is stable, perch fishing remains good off Maple Bluff and Fox Bluff on Lake Mendota. Northerns are still providing action on the Yahara River north of Highway B, and bluegills are being caught in Lakes Kegonsa and Waubesa. In Jefferson County, Lake Ripley continues to produce some nice walleyes. Throughout southern Wisconsin, the ice on lakes and rivers is becoming less safe for travel; be especially careful around expansion cracks and springs.

The peak of the breeding season for foxes is occurring now, and this makes them more noticeable than at any other time of year. It's also the mating season for squirrels, and they're very active right now. The warm weather has brought raccoons out of their dens.

There is little northward movement of birds occurring. Horned larks and rough-legged hawks are being seen in the north. The trumpeter swans that visited the Lower Wisconsin State Riverway near Spring Green last year have returned. A small flock of red-winged blackbirds was spotted in southern Wisconsin in recent days, as well as a few Eastern meadowlarks.

## Bear Hunters Successful in 1992

Good hunting conditions during the 1992 bear hunting season resulted in high success rates for bear hunters with a harvest of 1,464 bears. The bear season was held September 12 through October 9, 1992.

The highest harvest was in Price County, where hunters took 152 bears, followed by Bayfield County, where hunters took 141 bears. Other leading counties included Ashland and Iron (91), Douglas (85), and Taylor (81). Hunters in Bear Management Zone A harvested 1037 bears, while hunters in Zone B and C took 291 and 136 respectively.

"Weather conditions were good during much of the season," said Kevin Wallenfang, a wildlife biologist with the Wisconsin Department of Natural Resources. "With a poor berry crop, there were a lot of bears visiting baiting stations during the season. The poor berry crop probably also contributed to a record number of nuisance and damage complaints throughout the summer and fall." A total of 1,347 complaints were filed in 1992, compared to 546 in 1991.

Hunters reported seeing more bears and larger bears than past years, Wallenfang said. "Many

## Hook and Line Gear, Littering Banned for Sturgeon Spearing

People spearing sturgeon on Lake Winnebago are prohibited from possessing hook and line fishing gear and sport angling equipment in ice shanties this spearing season as a result of an emergency rule enacted by the Wisconsin Natural Resources Board recently.

The 1992 spearing harvest on Lake Winnebago and connected waters was much higher than anticipated, and up to half of the sturgeon may have been taken illegally, said Lee T. Kernen, Director of the Department of Natural Resources Bureau of Fisheries Management.

Department law enforcement and fisheries staff working last year's sturgeon spearing on Lake Winnebago and at sturgeon registration stations noticed many of the fish being harvested had hook marks in their mouths, Kernen said.

Dennis E. Jones, Oshkosh area warden supervisor said law enforcement officials believe, "that spearmen were luring sturgeon with baited hooks and catching them by line first and then spearing them."

The DNR's management program for sturgeon allows spearing of these large fish based on the fact that Lake Winnebago's waters are often cloudy, which helps buffer against excessive sturgeon harvest. Cloudy water decreases visibility and makes it more difficult to spear a sturgeon.

"Illegal hooking severely diminishes the effectiveness of the cloudy water buffer against excessive harvest," according to Ron Bruch, Oshkosh area fish supervisor. "Fishing with hooks and scent-attracting bait unfairly attracts sturgeon that might not otherwise be taken during the cloudy water years."

of the bears harvested this year were larger bears, including several weighing over 500 pounds," he said.

The 1993 season for those hunting with dogs in portions of Zones A and B will begin September 11 statewide, while the season for hunting over bait will begin September 18. Preliminary estimates indicate over 24,000 hunters applied for the 1993 season. Due to 1992's record harvest, permit levels will be reduced in 1993, with a total issuance of 2,110 permits for an expected harvest of approximately 1,050 bears.

The fishing gear ban states that no person may fish with or possess a hook and line within any building, tent, shanty or similar enclosure containing an ice hole larger than 12 inches in diameter or square. "Sturgeon spearmen can still ice fish for other species with tip-ups and other gear outside their spearing shanties," Bruch said.

Another new rule for the 1993 sturgeon spearing season prohibits spearmen from depositing any materials, including biodegradable ones, on the lake bed. Any material that is used for sturgeon spearing must be removed when the hole is abandoned.

In the past, spearmen commonly dumped egg shells, macaroni, corn and other materials on the lake bed below their spearing holes to brighten their view to the bottom, making it easier to see sturgeon when they moved under the hole.

"Spearmen can still use plastic pipe frames covered with bed sheets on the bottom to brighten the spearing area as long as the frames and sheets are retrieved and removed at the end of the season," Bruch said.

The sturgeon spearing season runs from February 13 through March 1 this year. Spearmen must purchase a special spearing license and tag. The bag limit is

one sturgeon per license, and spearmen may only take sturgeon that are a minimum of 45 inches long.

The new rules went into effect on Wednesday, February 10, 1993.

## Upcoming Marriage Encounter Weekend

Couples are invited to renew their marriage by attending one of the upcoming Marriage Encounter Weekends at St. Lawrence Seminary, Mt. Calvary and St. Mary's Springs, Fond du Lac. The next available dates are February 26 to 28 (for recovering alcoholics and their spouses) and March 19 to 21.

The weekends provide couples a chance to strengthen their communications with each other. The weekend promotes open and honest communication no matter what level the couple is at. Spouses learn to share their feelings with each other in an environment free from the distractions and tensions of every day life.

The weekends are sponsored by the Fond du Lac Area Marriage Encounter, a member of the National Marriage Encounter Organization.

## Wildcats in Overtime Again

On Friday, February 5th the Holy Trinity Wildcat basketball teams traveled to West Bend to compete against their long-time rivals, the St. Mary's Crusaders.

For the second consecutive week, the B team boys game went into overtime. Amid the supportive cheers and Wildcat battle cry of families, friends and fans, try as they might, the Wildcats were not able to overcome the Crusaders.

The tip off went to St. Mary's who proceeded down court and scored. The Wildcats struggled to get their offense going. At the end of the first quarter, the Crusaders were in control 14-9.

The Wildcats continued their slow offensive start by scoring just two points in the second quarter but defensively held St. Mary's to only four points. The halftime score reflected a Crusader lead 8-11.

The Wildcats regrouped during the halftime break and came out fired up to play scoring ten points in the third quarter and defensively limited the Crusaders to only three points. Eric Wenninger scored the go-ahead basket mak-

ing it 19-18, Wildcats. The Crusaders came back and the quarter ended in a 21 tie.

Both teams continued to play tough defense in the fourth quarter. Turnovers began to dominate the game as each team attempted to increase their lead. Wenninger again tied the score at 27 all and Jason Butschlick scored the go-ahead basket for the Wildcats 29-27.

With 46 seconds remaining in regulation time, the Crusaders tied the score 29 all. St. Mary's went for a lay-up with just seconds remaining. The ball rolled off the rim forcing the game into overtime.

St. Mary's scored first in overtime and continued to add a total of six points to their game total. The Wildcats continued to struggle offensively and were not able to score in overtime resulting in a disappointing 35-29 loss.

Jason Butschlick led the Wildcats with 12 points followed by Eric Wenninger with six, Jason Strobel, five; Billy Cook, two; Curt Koth, two and Luke Martin added two.

## Wildcats Capture Fourth Win

Friday evening, February 12th, the Holy Trinity Wildcats wrapped up their season home games at the Kewaskum Middle School against the Consolidated Catholic Schools Lomira/Theresa (CCLT) Raiders.

Holy Trinity B Team Boys, under the inspiring coaching of Mike Struebing, who went into the game with a three wins and five losses season record, emerged with an exciting win over the Raiders on Parents Night.

Following the introduction of the players and cheerleaders and their parents by Athletic Association President Doug Polzean, Luke Martin lined up for the Wildcats for the tip off. The Raiders captured the ball and proceeded down court.

Both teams played strong defense in the first quarter but the Wildcats held the edge at the end of the quarter 4-1.

Each team played tough defense and offense during the second quarter each adding ten points to their respective scores. The Wildcats held the lead 14-11 at halftime.

The Raiders returned to the court in the third quarter riled to play scoring 13 points while Ho-

ly Trinity added six to their own score. At the end of the third quarter, CCLT had gained the lead 24-20.

With tensions high, the fans were charged and cheered their respective teams as the fourth quarter began. This time it was the Wildcats who were riled as they came back to score 14 unanswered points and limited the Raiders to only two points. The Wildcat bench erupted into congratulatory high 5's at the buzzer as Holy Trinity enjoyed the 34-26 win over the Raiders.

Jason Butschlick led the team in scoring with 11 points followed by Jason Strobel, 9; Chris Koth, 4; Bill Cook, 3; Luke Martin, Jason Gruber, Jarrod Gruber each added two and Eric Wenninger with one.

The Holy Trinity Wildcats will visit Campbellsport on Friday, February 19th for their final season game.

## Turkey Licenses Mailed, Hunting Clinics Dates Set

MADISON... All turkey hunting permits for the spring season have been mailed to successful applicants and 43 free turkey hunting education clinics have been scheduled around the state, announced Bill Vander Zouwen, Department of Natural Resources upland wildlife ecologist.

"Permits were mailed to successful applicants between January 27 and February 2," Vander Zouwen said. "Hunters that did not receive a permit will have preference in next year's drawing."

There were 53,656 applications for the 62,160 permits available in 36 zones. A total of 6,701 applicants did not receive permits because their zone and time period choices were filled before their name was selected in the random drawing. Most unsuccessful applicants were those who indicated a willingness to accept a permit for the first four time periods only. Applicants included 4,955 landowners, 2,084 residents with preference, 45,620 residents without preference and 995 non-residents.

"Landowners received preference for up to 30 percent of the tags and nonresidents have the lowest preference ranking," Vander Zouwen explained. "A total of 46,955 permits were issued in the first drawing and 14,383 second tags went to applicants for zones and time periods that were under-subscribed."

A new rule allows the Department to issue more than one tag per hunter if there are more tags available than applicants. The same preference system applies to the second drawing as the first, with landowners receiving the highest preference and non-residents receiving the lowest. Most of the tags left over after the first drawing were for the last two time periods; only applicants that selected these late time periods on their application were eligible for these second tags, Vander Zouwen explained.

Vander Zouwen strongly encourages turkey hunters to attend one of the 43 free turkey hunter education clinics around the state. These courses are co-sponsored by the DNR and the National Wild Turkey Federation. Clinics focus on turkey biology and management, turkey hunting techniques, special hunter safety concerns and landowner-hunter relationships.

"Turkey hunters are also encouraged to consider using the National Wild Turkey Federation sponsored Landowner Appreciation Days as a means to thank landowners who allowed them to hunt," Vander Zouwen said. "Hunters may use the envelope enclosed with their permit to obtain a landowner pass to a June Picnic. The entire family of the landowner may then attend the picnic for a free meal and chances at raffle prizes."

Turkey hunters should remember to purchase a Spring 1993 Turkey Hunting License and a Wild Turkey Stamp. Hunters that bought a stamp last fall can use the same stamp this spring.

## NOTICE OF HEARING ON ZONING APPEAL/APPLICATION

Filed: February 8, 1993  
Tax Key: V4 - 0270  
Village of Kewaskum,  
Washington County,  
Wisconsin

To: All Board of Appeals Members  
President Mary Krueger  
The News Media  
Zoning Administrator Richard Zarleng  
(Those property owners adjacent of requesting property.)

The Zoning Board of Appeals of the Village of Kewaskum will meet on Tuesday, March 2, 1993, beginning at 7:00 p.m., in the Council Room of the Municipal Building, 204 First Street, Kewaskum, Wisconsin, at which time the Board will consider the following application:

**PUBLIC HEARING** on the application of Farmers Union Milk Marketing Cooperative (Donald W. Uelmen) relating to the property described as:

Farmers Union Milk Transfer Station, 1626 Fond du Lac Avenue, Kewaskum, Wisconsin. The reason for the application is to request a variance to erect a medium sized cheese manufacturing plant. The variance is allowing for the reduction of street yard as noted in the Kewaskum Zoning Ordinance, under M-1 Section 3.12.

### Notice of Proposed Executive Session

Following the hearing, at approximately 7:10 p.m. the Board intends to adjourn into executive session under Stats: 19.85(1)(a) to deliberate on the application and reconvene in open session at approximately 7:15 p.m. for purposes of announcing its determination and adjournment of the meeting.

All interested persons will be given an opportunity to be heard at the public hearing.

Lady Indians Fall from First

## Missed Opportunities, FT's Cost KHS Girls

By Noel Stollenwerk

SHEBOYGAN FALLS — The Kewaskum girls basketball team had used some clutch shooting late in games to surge its way into the top spot in the Eastern Wisconsin Conference.

But here, last Friday night, those previous efforts were a distant memory. That's because the Lady Indians failed to cash in on several opportunities in the second half, leading to a 34-29 defeat to Sheboygan Falls.

The loss dropped KHS out of a first-place tie with Chilton (10-1), as the Indians fell to 8-2 in the EW. The Indians would need to win their final two games of the year, and have Chilton lose to Plymouth on Thursday in order to tie for the EW title.

"I'm disappointed because we've come so far, only to have this slip away," KHS coach Glenn Eichstedt said of the loss. "It's real disappointing for our kids."

Eichstedt knew coming into the game that the Falcons weren't to be taken lightly.

"We knew it would be a tussle," Eichstedt said. "We only beat them by two points at home (Jan. 7th). They are one of the best defensive teams we've played in the past two years."

That stingy Falcons' defense limited KHS to just nine first-half points. The Indians' defense wasn't all that shabby either, as they trailed by just one at the intermission, 10-9.

"I wasn't overly concerned at that point," Eichstedt said, noting that "WE didn't handle the ball as well as we should have in the first half. But our defense was doing the job."

Kewaskum was hampered by foul trouble virtually the entire game, as senior Robyn Winninghoff picked up her third foul in the first half and had to watch from the bench.

Still, the Indians were within striking distance into the second half. But the foul trouble continued to mount, as Missy Radtke and Bonnie Schlice also picked up their fourth fouls.

"That hurt us," the KHS coach said of the fouls. "We weren't able to be aggressive inside."

Winninghoff picked up her fifth personal early in the final stanza. And with Ginger Wiesner, KHS' second leading scorer, struggling in her first game back from an ankle injury, Kewaskum's offensive potential was severely limited.

But the Indians had a chance to take the lead midway through the fourth. Down 27-25, the Indians' Kim Sabish was fouled, and on the play, a Falcon player was whistled for a technical foul after slamming the ball on the floor.

With a chance for a six or seven-point play (four free throws and the possession), the Indians folded. The Indians were unable to convert any of the free throws, and didn't score on the possession. To make matters worse, the Falcons came back with a basket to make it 29-25, and the sequence turned out to be the difference in the game.

"We had an opportunity there to establish control," Eichstedt said of the missed chance. "It

could have been a six-point swing. That was a big point in the game."

The Indians rallied late, but Sheboygan Falls was up to the challenge. The Falcons made seven of nine free throws in the final period, while the Indians converted just three of nine chances at the line.

"In previous games we took advantage of those opportunities," Eichstedt went on. "Hopefully, we'll learn something from this."

Despite the foul problems which allowed her to play just about half of the game, Winninghoff ended up leading the Indians with 10 points.

"She got a couple of tough calls against her," Eichstedt said, explaining that the 6-3 senior was whistled for three offensive fouls, including two for moving screens.

Wiesner finished with six points. "She was not 100 percent physically. With Robyn in foul trouble, and Ginger not being able to contribute much, that put a lot of pressure on the other girls."

As for the team's chances of catching Chilton, Eichstedt isn't all that optimistic. "I don't know that it's going to happen," he said. "We can't worry about that. We have to start getting ready for the (WIAA) tournament."

KEWASKUM — (2-7-9-1) — Schlice 1, Bruendl 2, Winninghoff 10, Mertz 2, Sabish 3, Wiesner 6, Radtke 5, Free Throws - 9 of 17, Fouls - 18.

SHEBOYGAN FALLS — (6-4-13-11) — Lorenz 8, Sangri 5, Kasperak 4, Schuffner 4, Mersberger 3, Strauss 3, Musch 7, Free Throws - 9 of 14, Fouls - 20.

## Indians Notch Win Over Ozaukee

By Noel Stollenwerk

KEWASKUM... There wasn't much mincing of words by Kewaskum boys basketball coach Jim Westphal, as he described the game between his squad and Ozaukee here, last Tuesday night.

"It wasn't what I would call a well-played game by either side," Westphal said of his team's 60-51 win over the Warriors. Nevertheless, the Indians improved to 7-10 overall with the victory, and in the process avoided an embarrassing loss to Ozaukee, which hasn't won a game this season.

"It was a very poor effort at the free throw line by both teams," Westphal said, explaining that the two squads combined for a 35-of-63 night at the charity stripe. "Because of all the free throws, there really wasn't any kind of flow to the game."

That didn't seem to bother the Indians, who rode the hot hand of senior Adam Laatsch in the second quarter. Laatsch scored eight of his game-high 18 points in the period, as KHS strolled to a 29-23 halftime edge.

"Adam had a good game," Westphal said of the 6-3 forward. "I talked to him before the game, and told him that he needed to get to the free throw line. He had been settling for jump shots. In the previous three games, he hadn't been to the line once."

Laatsch listened to Westphal's advice, and although he shot just five free throws against the Warriors, "That's an improvement. We need him to score in double figures."

The Indians widened the gap in

the second half, opening a 45-33 lead heading into the fourth quarter. But the Warriors didn't lie down.

"They came back on us," Westphal said, noting that Ozaukee began fouling his troops, who finished just 16-31 at the stripe. "We didn't convert a whole lot of free throws. Had we made a few more, it would have been a much more convincing win."

Westphal said he was disappointed that his team continued to foul the Warrior players, although it didn't hurt KHS all that much as Ozaukee made just 19 of 32 shots.

"I didn't feel that they were that strong of a team, so we didn't need to foul them," Westphal said. "We made too many foolish fouls. That just kept them around. But I think that we were always in control of the game."

Jim Marx added 13 points and 10 rebounds for KHS, while Travis Jacak chipped in 11 points.

OZAUKEE (9-14-10-18) — Olson 4, Lloyd 2, Timm 11, Stangl 3, Sturcyk 3, Lubek 4, Burton 15, Lippe 9. Free Throws - 19 of 32.

KEWASKUM - (14-15-16-15) — Laatsch 18, Marx 13, Jacak 11, Wichtowski 8, Zautner 3, Knoeck 2, Herman 6. Free Throws - 16 of 31.

## Cold KHS Boys Fall to Falcons

By Noel Stollenwerk

KEWASKUM... Just as Marquette University found out Saturday, it's very difficult to beat another basketball team when you shoot under 30 percent from the field.

Just ask Kewaskum boys basketball coach Jim Westphal, whose team shot a paltry 28 percent from the floor last Thursday night. That cold shooting effort helped drop the Indians out of a second-place tie, as KHS lost to Sheboygan Falls, 66-56.

"You're not going to beat many teams shooting like that... just ask Marquette," Westphal said of the poor performance from the floor. "We took good shots. They just wouldn't go down."

The Indians got a lot of good looks at the basket, primarily because the Falcons used a box-and-one defense, with a man covering Jim Marx, KHS' leading scorer.

"I was surprised when I saw that," Westphal said of the special defense. "I didn't believe that it would hurt us that much. In fact, I thought that it would work to our benefit. That would open up the middle a bit."

But Westphal's surprise turned to dismay, as he watched his team miss shot after shot. Kewaskum managed just one basket in 15 attempts in the second period.

Falls' Jason Meerdink, meanwhile, was burning the Indian zone defense in the first half, connecting on three of four three-point shots. Still, behind a 12-20 effort at the free throw line, Kewaskum trailed by just two (27-25) at halftime.

"We were very much still in it," Westphal said, noting that he switched to a man-to-man defense in the second half.

But Falls' Matt Wieseckel took over in the second half, scoring 10 points in the third quarter, to help the Falcons take control.

Kewaskum's Jim Wichtowski kept his team close, though, hitting a pair of three-pointers in the third quarter, as the Indians pulled to within 50-43 heading into the fourth.

The Indians twice closed the gap to just six points in the final

stanza, but it was too little too late. Wieseckel ended up with 15 points, all in the second half, while Meerdink finished with a game-high 25.

Wichtowski led the Indians with 15 points, while sophomore Travis Jacak scored 12. "Jim stepped up and hit the wing shot," Westphal said of Wichtowski's effort, which included four three-pointers.

"Travis once again did an excellent job," Westphal said of Jacak, who pulled down at least a dozen rebounds, ten of which were offensive. "He had a fine night."

Erik Ankersen also drew praise from Westphal. Ankersen, who came in when Adam Laatsch got into some foul trouble, scored eight points "and did a very nice job."

Making the game all the more disappointing was the fact that KHS played perhaps their worst game of the year in their first outing against the Falcons.

"It's very disappointing," Westphal admitted. "They did a good job defensively on Jim (Marx), and somebody has got to step up in those situations. We didn't do that."

Westphal had words of praise for the Falcons. "They've got a very young team, and they shoot the ball real well."

The loss dropped KHS to 5-5 in the EW, and to 7-11 overall. Falls improved to 6-4 in the EW, tied for second place with Plymouth.

Kewaskum finishes the EW schedule with road games at Plymouth and at league-leading Two Rivers, although the Raiders suffered their first conference loss of the year last week against New Holstein.

SHEBOYGAN FALLS (11-16-23-16) — Meerdink 25, Plate 2, Wieseckel 15, Johnston 2, Mueller 4, Opener 1, TerMat 7, Tank 8, Moser 2. Free Throws - 14 of 26. Fouls - 21.

KEWASKUM (11-14-18-13) — Laatsch 3, Herman 2, Jacak 12, Wichtowski 15, Ankersen 8, Marx 8, Knoeck 6. Free Throws - 15 of 26. Fouls - 20.

# Kurtz, Dzedzic, Muckerheide Brothers Advance to Sectionals

## Team Finishes Third in Tough Regional

Kewaskum Statesman, Thursday, Feb. 18, 1993, Page 20

Senior Todd Muckerheide, top, of Kewaskum, is turning Clay Kestell of Sheboygan Falls to his back to score some back points. Todd decided Clay, 10-2, and went on to take second place at the regionals and advance to the sectionals.

In the 160 pound second round match, Kewaskum's Chad Muckerheide has Chad Grohall of Campbellsport in a pinning hold. Chad does not get the pin, but decided Grohall, 12-2. Chad placed second at the regional and will advance to sectional play at Columbus next Saturday.

By Noel Stollenwerk

**SHEBOYGAN FALLS...** Kewaskum wrestling coach John Nell said before last Saturday's WIAA Division 2 Wrestling Regional here that anyone making it out of the tough competition would have a good chance of advancing to the State Meet in Madison.

So Nell has to feel pretty good that four of his wrestlers survived the Sheboygan Falls Regional, and will now take part in the Columbus Sectional on Saturday.

"The kids did real well," Nell said of his team's third place finish. The Indians accumulated 114 points, trailing only Division 2 powerhouse Campbellsport, which won the meet with 185 points, and Horicon (125).

Three of the four Indian seniors qualified for the Sectionals. Defending state champion Josh Kurtz and Mark Dzedzic each moved down a weight class, and both easily won their respective brackets. The Muckerheide brothers, senior Todd and junior Chad, also advanced, as they both finished second in their weight classes.

Three more KHS wrestlers barely missed qualifying. Jake Gundrum (112), Rich Farchione (152) and Tim Gundrum (HWT) finished third in their respective classes, and just the top two in each class advance.

Kurtz, rated the top 145-pounder in the state, returned to the weight class which he won last year, and had no trouble. Kurtz disposed of Campbellsport's Nick Marking in just 1:53, before pinning Horicon's Jim Grigg in the finals in 2:48. Kurtz had received a bye in the first round, and with the two wins moved to a perfect 27-0 on the year.

"We had talked about that (changing weight classes) at the beginning of the year," Nell said, noting the shift didn't bother the senior at all. "He did a real good

job... didn't have any problems with anybody."

Dzedzic's weight change wasn't a topic until just recently. With the WIAA's three-pound allowance rule, Dzedzic's normal body weight (about 124.5 pounds) was just about two-and-a-half pounds over the maximum for the 119 class. Considering that the 125 pound class is overall a tougher class, Dzedzic decided to cut the weight and compete at 119.

"We're looking at the overall picture, and 125 is jam-packed," Nell noted of the switch. "We had to be careful (considering the new and stricter WIAA weight rules) with this. But he hasn't been cutting weight hard."

The move paid off, as Dzedzic had little trouble rolling through the 119-pound division. The senior opened with a bye before beating Horicon's Mike Thiede in the semi's. Dzedzic then took care of Campbellsport's Aaron Zangl in the finals, 6-2.

"He walked through it pretty well," Nell said of Dzedzic, who improved to 28-1 on the year.

"Zangl's a good wrestler, and Mark beat him pretty solidly. He should have actually gotten some back points in there as well."

Todd Muckerheide waltzed through the first two rounds, pinning North Fond du Lac's Chris Groeschel in just :31, and then beating Sheboygan Fall's Clay Kastel 10-2. Muckerheide then drew the unenviable task of going against Campbellsport's Jeff Birschbach in the finals.

Birschbach, rated No. 1 in the state at 189, ran his record to 30-0 by beating Muckerheide 8-2. Nevertheless, Muckerheide will take his 24-6 mark to Columbus this weekend.

Muckerheide's brother, Chad, also qualified for Sectional competition, taking second at 160. Chad opened with a 1:40 pin over Horicon's Josh Stickles, and then beat Campbellsport's Chad

Growall 9-2 in the semi's. In the finals, Muckerheide lost a tough 2-1 decision to NFDL's Peter Cohen, who improved to 25-1 with the win.

"That weight class (160) was jam-packed with some top-notch kids," Nell pointed out. "(The Championship match) was real tight. Chad did a nice job."

Perhaps the lone disappointment on the day came early, as Indian senior Mark Morell lost his first match at 171 to Campbellsport's Jason Kreis, 13-11 in overtime.

"He lost a heartbreaker," Nell said of KHS' fourth senior. "He just had a bad match. I felt kind of bad for him. I really felt he had a good chance of going on (to Sectionals and beyond)."

"He did a good job all year for us," Nell continued. "You can't base your whole year on just this one match. He did a fabulous job all season."

Nell was pleased with the efforts turned in by the other wrestlers as well. Jake Gundrum pinned NFDL's Jason Snyder (2:47) in the first round, but was then pinned by Campbellsport's Chad Rochwite in 4:43.

Gundrum then beat Ryan Miller (Random Lake) 7-2 to earn a wrestleback against Horicon's Derek Gilbert, who lost to Rochwite in the finals. Gilbert handled Gundrum 18-5, though.

Farchione also lost in a wrestleback to Sheboygan Falls' Brent Binder (4:36). Farchione opened with a pin over NFDL's Ray Steel in just :41, and then beat Slinger's Don Reed 9-2 to advance to the finals.

There, Farchione was pinned by Jon Paul - Wilke of Campbellsport in 1:31. After Binder pinned Reed for third place, Farchione was forced into the wrestleback, where he was beat by Binder.

"That was a little hard to take," Nell said of Farchione's fate. "He had a real good year,

**REGIONAL CHAMPS!** Senior Mark Dzedzic, left, (119) and senior Josh Kurtz, right, (145). Josh is Kewaskum's returning state champ and both Mark and Josh will advance to the Sectionals next Saturday. Sue Heisdorf Photos

though. He did a good job Saturday."

Tim Gundrum was perhaps the biggest surprise, both literally and figuratively. The heavyweight posted a pair of wins, before eventually getting pinned by Campbellsport's Travis Fowler in

a wrestleback.

"He almost qualified," Nell said of the freshman Gundrum. "He did a great job. He's come a long way."

None of the other Indians wrestlers were able to make it past the first round.

### Winninghoff Tops EW Scoring Race

### KHS Boys Dominate EW Rebounding

By Noel Stollenwerk

**KEWASKUM** — The team is hovering around the .500 mark in the Eastern Wisconsin Conference race, but several members of the Kewaskum boys basketball team are among the leaders in the individual statistical categories.

In what has to be an unprecedented occurrence, the Indians not only have the top rebounder in the EW, but have the top three. Sophomore Travis Jacak leads the EW with 88 boards, while teammates Adam Laatsch (83) and Jim Marx (71) are close behind.

Marx is third in the conference with his 15.4 scoring average while Laatsch is 10th (11.0). Senior Tony Knoeck is fifth in the EW with 22 steals, and is ranked eighth in assists (33).

As a team, the Indians are first

in defensive field goal percentage, holding foes to a 35.6 percent clip, but are last in the league with their 22.7 percent mark from three-point range. Kewaskum is second in average points allowed (50.9).

It's easy to see why the Kewaskum girls were in a tie for the lead in the EW, as they hold opponents to just 26.8 percent from the field, easily the best in the league. Kewaskum allows 35.6 points per game, second only to Chilton's 34.1 mark.

Senior center Robyn Winninghoff leads the conference with her 15.7 scoring average, and is third in field goal percentage (43.2 percent). Winninghoff is also third in the rebounding race with 100 total boards.

Sophomore Missy Radtke is fourth in rebounding (80), while Bonnie Schlice is ranked seventh in assists (19).
