## Board's Vote on Timblin Rezoning Unchanged

Village Attorney Gerald A. Kiefer was present at last Monday evening's village board meeting to explain and clarify village ordinances and state statutes regarding the vote taken on the Timblin rezoning project at the board's previous meeting.

Kiefer also discussed the validity of the protest petition submitted to the board at that meeting by 26 dissenting Bel Ric residents.

Kiefer said Village Administrator Dan Schmidt also wanted clarification on the effect of a zoning protest petition when the signatures were "not duly signed and acknowledged." Kiefer reported it was his understanding that the petition was submitted during the board meeting at which the vote was taken on the rezoning petition that same evening. According to Kiefer, Section 12-8 of the village zoning code states the petition must be duly signed and acknowledged. He further explained in order for it to be considered a legal petition, it had to have been notarized and/or authenticated, which it was not.

Kiefer said in his opinion, the petition submitted was not a legal petition and consequently was invalid. Therefore a three-quarter board vote was not necessary.

Kiefer commented that the three-quarters vote was not required, a simple majority was sufficient.

Spokesperson for the residents, Paul Ziebert, asked if one member of the board would make the motion to rescind the vote. His question was met with a prolonged silence. Ziebert further stated, "I believe everything Mr. Kiefer is saying is true, but I also feel it's the board's responsibility to interpret what he is saying and make a fair judgement call." He said, "The petition was, as far as I know, completely authentic and you can probably take my word that it was authentic; why would I go around forging anyone's signature? There was well over 20 percent of the adjacent property owners. In my eyes, everything was met, except for these signatures being authenticated." "I think it is a judgement call. As I said, if the board does not make a judgement in favor of this, I view it as not representing the citizens of the village."

Trustee Tom McElhatton reiterated, "Do you consider just 26 people the village?" "...do you consider the overall of what's going to happen in the community? This only affects you, and this is the only time I've seen you here."

Ziebert stated he would like to see a referendum on it because in his opinion the majority of the village was against long-term multi-family housing.

David Goeden said he voted against the rezoning and "strongly opposed it" and the next time the issue came up it would be good to study all aspects beforehand.

Memorial Drive resident Paul Sobieski asked if a board member wanted to change his vote, could the vote be recalled. Kiefer stated, "You can't go backwards on what was done."

Sobieski asked the village board to keep the concerns regarding this matter in the back of their minds for the next time, for they are representing a constituency, even if it means only six people, it is still part of the constituency.

Board President Mary Krueger stated, "So what you're saying is, you can't go backwards and undo what is done?" Sobieski asked, "Is it done?"

Kiefer reiterated, "Yeah, this is done. As far as this particular action is, it's done. It's voted on."

Krueger said, "I believe that leaves the zoning in place."

In getting on to other matters, (Continued on Page 5)

## Small Business Seminar To Be Sponsored Here

Tom Avery

The Art of the Deal: Financing Alternatives for the Small Business will be the featured topic at a seminar to be hosted by the Kewaskum Area Chamber of Commerce and Valley Bank East Central. The seminar is slated for Tuesday, March 30, from 6:30 to 9 p.m., at the American Legion Hall in Kewaskum.

This seminar will look at structuring commercial credit using creative resources to help spur growth in existing businesses, or provide the means to start a new business.

The featured speaker for this seminar will be Tom Avery of Business Development Services, Inc. He will be joined by Allen Schaez, Senior Vice President of

Valley Bank East Central, and Daniel Schmidt, Village Administrator for the Village of Kewaskum. Avery, along with his wife, Mary, serves as an independent consultant to businesses, communities and organizations. Business Development Services, Inc. provides assistance to businesses on:

- \*Business Loan Packaging;
- \*Market Surveys;
- \*Feasibility Analysis;
- \*Business Plans;
- \*Grant Writing.

Avery's topic will be a discussion on how to evaluate and analyze a projects potential followed by an in-depth approach to structuring commercial credits utilizing state and federal economic development financing programs. Eligibility issues, application procedures and combining funding sources will also be addressed.

Schaez and Schmidt will be available to address any questions and issues on how to seek financial alternatives on a localized basis, and local governments role in economic development, and zoning issues.

Anyone who would benefit from these topics is encouraged to attend this free seminar. You may register for the seminar by calling Cindy Schneider at Valley Bank, at 626-2171.

## Valley Bank Plans to Reorganize

KEWASKUM -- The Board of Directors of Valley Bank, Kewaskum, and Valley Bank East, Kiel, have approved plans to reorganize the two banks for added customer convenience, more complete service lines and higher quality service.

Under the plan, Valley Banks in Allenton, Brownsville, Fredonia, Glenbeulah, Kewaskum, Kiel, Lomira, Newton and West Bend, will become a single operating bank, with each location offering a full range of financial services.

The reorganization of the new Valley Bank East Central will become effective March 26, 1993. Combined assets of the bank will exceed \$170 million, with total capital in excess of \$13 million.

Reflecting on the action, Gerald H. Zimmel, President of the new combined bank, said, "Prior action has demonstrated that we can streamline operations and still retain the decision making at the local level. The same people will still service the same

customers they have always served at each location. Each office will retain its own character, personality and connection with the community."

Senior management will remain the same with Gerald H. Zimmel, President, Chief Executive Officer and Director, and William J. Haskey, Executive Vice President and Director. Steven R. Nothem, Vice President, will continue to manage the Kiel, Newton and Glenbeulah offices.

Named to the new consolidated Board are Tim Walsdorf, President, Walsdorf Roofing, Kiel, and Mary Ann Deibele, part owner of HUI Inc., Kiel. Both are former directors of Valley Bank East. In addition, Jeff Reigle, President and Chief Executive Officer, Regal Ware, Inc., Kewaskum, was also named to the Board.

Retiring from the Board are Charles Ogi, D.V.M., Kewaskum, and Claytus P. Ziehr, President, Neuens Lumber Company, Fredonia.

Remaining directors include Gerald H. Zimmel, President and Chief Executive Officer, and William J. Haskey, Executive Vice President, Valley Bank East Central; Donald (Red) Roskopf, Owner, Camelot Country Club, Lomira; James Reigle, Chairman, Regal Ware, Inc., Kewaskum; Donald Jonas, former owner, Don's Elevator, Allenton; and Gerald Kiefer, Kewaskum attorney.

Valley Bank East Central has assets of \$170 million and nine banking locations. They are an affiliate of Valley Bancorporation, the third largest bank holding company headquartered in Wisconsin. Valley has assets of \$4.4 billion and currently serves Wisconsin through 153 banking offices and additional financial service companies engaged in insurance, trust service, securities, credit card servicing and bank support services. The company's common stock is traded on the National Market System under the NASDAQ symbol VYBN.

## Hazardous Road Conditions Contribute to Traffic Fatality

A two car accident occurring in the town of Kewaskum resulted in Washington County suffering its second traffic fatality for 1993.

The accident occurred on Hwy. 45, south of CTH H at approximately 5:55 p.m. on Friday, March 19.

According to a Washington County Sheriff's Department report, a northbound car driven by Lawrence Clisham, 51, N2577 CTH SS, Campbellsport, lost control on snow covered roads, veered onto the east shoulder, then skidded towards the west ditch perpendicular to the flow of traffic.

He was then struck by a southbound car driven by Thomas E. Grennier, 26, of 16 Manor Hill, Eden. The driver of the southbound car stated he

observed the northbound car crossing the center line, put his vehicle in reverse, and attempted to turn right to avoid contact.

The passenger side of Clisham's car, struck the front end of Grennier's car and continued into the west ditch. The second car came to rest in the southbound lane near the shoulder.

The Kewaskum Fire Dept. responded to the call with the Rescue Squad and the Jaws of Life. Both drivers were transported to St. Joseph's Community Hospital in West Bend, and the driver of the northbound car, Lawrence Clisham, was pronounced dead at the hospital. There were no other occupants from either of the vehicles.

## Governor Approves Contracts for County Highway Reconstruction

Governor Tommy Thompson has approved two contracts totalling \$1.6 million to reconstruct Highway M and its intersections from Highway MY north to State Highway 84 in Washington County. This project will greatly improve the driving safety for the motorists.

The contractor, Mann Brothers, Inc. of Elkhorn, is expected to begin construction on the 4.0 mile long project in spring of 1993.

This roadway now carries 1250 vehicles each day. By the year 2012, this number is expected to be close to 2000 vehicles per day.

Roger Sikorski, Design Supervisor on this project, said "Better sight lines at intersections, an intersection realignment and widening of the roadway to 24 feet with 8 foot shoulders are some of the improvements that will be made to enhance safety and add a smoother ride for the motoring public".

A major change will be made at the south end of the project, where a five point intersection now exists. Highways M, MY, Lover's Lane Road and Wallace Lake Road converge at this point. The alignment and

geometrics of the intersection will be altered to reduce crash potential.

Further north, near the middle of the project, Highway M crosses Highway A. This intersection has a limited sight distance for vehicles approaching the intersection, according to Mr. Sikorski. Sight distances will be improved so that a vehicle travelling 55 miles per hour as it approaches the intersection will see approaching and cross traffic in time to stop if necessary. A similar situation exists at the north end of the project at the Highway 84 intersection where the speed limit is 35 miles per hour. Sight distances will also be improved at that location.

The roadway will be closed to through traffic with access maintained for local traffic during construction. Due to the local nature of the traffic, Washington County does not plan to provide a detour route. If a detour becomes necessary, it will be marked by the county. The project is slated for completion in fall, 1993.

The project will be paid for with 80% federal dollars and 20% local dollars.

## All KHS Forensics Speakers Qualify for District

Twenty-nine Kewaskum High School speakers participated in the subdistrict forensics contest at Menomonee Falls High School on Saturday, March 13, and all qualified to attend next Tuesday's district contest at Cedar Grove.

Both contests include three rounds, and subdistrict speakers needed at least 16 points out of a possible 25 from two of three judges in order to advance. At district it will be 20 required from two of three judges to qualify for state. Those speakers who receive the required 20 or more will compete at the state contest at the University of Wisconsin in Madison in Friday's 7 p.m. round on April 23.

Leading the team at subdistrict were Kara Palmer in farrago with 23, 24 and 25 scores and Laura Fleischman, in poetry, with two perfect scores and a 20. Also

receiving at least one perfect score were Renate Wilke in prose with a 25 and two 22's, plus the group interpretation performers composed of Melissa Rohrer, Suzi Gauvin, Christine Neumann, Rachael Chambers, and Jake Thull (filling in for an absent member). Their scores were 25, 22 and 18.

Others who scored in the 20's were Anne Mertz in oratory (23, 22, 20); Carrie Stoffel in four-minute (22, 22, 20); Jennifer Schulte in poetry (22, 22, 21); in prose, Meredith Frac (24, 23, 21), Angie Klug (24, 22, 22), and Tammy Hames (23, 23, 22); and in humorous solo acting, Jenny Goodsell (22, 22, 21), Rhonda Klesmith (24, 21, 21) and Matt Kuehn (23, 23, 21).

Also qualifying for district were Teri Roe in demonstration with two 20's and a 19; Jennifer

Schmidt in moments in history with 22, 20 and 19; Laura Dehler in storytelling with 22, 21 and 18; and Randy Reysen in four-minute with 19, 19, and 18.

Rounding out the qualifiers were Jennifer Straub and Jenny Ebert in poetry with 22, 21, and 15, and 23, 21, and 19, respectively. Maureen Leitheiser in humorous solo acting earned 22, 18 and 17. The second group of interpreters were Chad Harlow, Carrie Fellenz, Sabrina Maul, Weston Duenkel, and Jenefer VanAssche; they were awarded 23, 21, and 19 for their efforts.

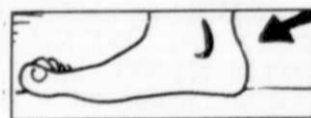

"Last year one of our subdistrict speakers did not qualify for district, so this year's team did better," said Barbara York, head coach. Both she and Judy Jacak, assistant coach, look forward to many of the team members qualifying for state in this very challenging extra-curricular activity.

### XYZ CLUB CARD RESULTS

The winners at cards played by the XYZ Senior Citizens at the Municipal Building on Wednesday, March 17, were: Edna Engelmann, Martha Kudek, Harold Backhaus, Lucy Weiland and June Kneiff.

### Riveredge Offering Travel Opportunities

Go to Washington D.C. with Riveredge Nature Center from May 1 to May 4, 1993. Visit the Environmental Protection Agency, view the Ansel Adams Collection at the Wilderness Society, visit the Smithsonian Institution, museums, Capitol Hill, U.S. National Arboretum & Botanical Gardens, etc. Cost per person is only \$480. Call the Center at 675-6888 (Local) or 375-2715 (Metro) for a free brochure or more information. Space is limited.

A Senior Saunter to Wausau is being offered by Riveredge on Thursday, May 27, 1993. This trip is designed for seniors and seniors-to-be (who want to slow down for the day) who appreciate wildlife and the art that portrays it. We'll see an exhibit at the Leigh Yawkey Woodson Art Museum in Wausau entitled "Wildlife: The Artist's View," and the afternoon will find us hiking at the billion year old Rib Mountain State Park with a geology professor of U.W. Milwaukee, who will help us appreciate one of the oldest rock formations on earth. A low fee of \$55 per person makes the trip affordable, as well as fun. Call the Center at 675-6888 (Local) or 375-2715 (Metro) for a free brochure or more information. Space is limited.

## Sheriff Warns of Active Solicitation Operations

Area businesses and residents are advised by Washington County Sheriff Robert H. Schulteis to be aware of solicitation operations now underway, and another which may start soon.

The Wisconsin Troopers Association is a recognized labor union, representing members of the Wisconsin State Patrol. Although registered as a charity, an officer of the WTA has told the sheriff's department that the organization does not solicit or accept donations and only obtains money from the public through the sale of ads in its magazine.

An independent telemarketer sells these ads, retaining 84 percent of the revenue. The sheriff's department has received complaints that phone solicitors have falsely claimed to be state troopers, and have described WTA programs without making it clear that they only benefit troopers or their families. The WTA has designated \$600 for each of seven state regions, which can be used for public charitable work. The WTA has declined to provide the Better Business Bureau of Wisconsin with specifics on how much ad revenue is generated.

Businesses should also be on the alert for a person from Safety Communications who may sell advertisements to support a "crime prevention packet". Operating under its former name of "Safety Programs", the firm was the subject of a lengthy investigation by the sheriff's department which culminated in a 1991 consent judgement with the Wisconsin Department of Justice. It is prohibited from making certain misrepresentations including supposed endorsements by area law enforcement agencies or schools.

Finally, the sheriff's department continues to receive inquiries from residents who have received phone calls from the Wisconsin Professional Police Association. The WPPA, which is a labor union and not a charity, retains about 20 percent of revenue, with the rest going to its sales agents. Solicitors based in Eau Claire have been calling residents throughout Washington County for several weeks.

Washington County law enforcement agencies do not receive support from monies collected by the WPPA.

Information on charitable solicitations can be obtained from Lt. Jed Dolnick at the sheriff's department (335-4432) and the Better Business Bureau of Wisconsin (273-1600).

"Charitable solicitations generate millions of dollars of revenue each year", the sheriff stated. "Our residents and business people are getting bombarded with these calls. We are not telling anyone to send money or not. We just want people to know exactly where their money is going so they can make an educated decision when such a phone call is received."

## KFD Fire and Rescue Squad Calls

Friday, March 19, 6:01 p.m. - The Kewaskum Rescue Squad with both their rescue units, along with the Kewaskum Fire Department Jaws of Life equipment was summoned to Highway 45 South, 1/2 mile south of Hwy. H, following an automobile collision. One male driver, who was pinned in his vehicle, suffered massive injuries. The Jaws of Life was used to extricate him from his vehicle. The other male driver suffered minor neck and leg injuries. Both were transported to St. Joseph's Hospital in West Bend in the separate ambulances.

Saturday, March 20, 9:48 a.m. - The Kewaskum Rescue Squad responded to a call to Boltonville Road when a male patient had apparently stopped breathing before the Rescue Squad arrived. The coroner pronounced he had died at the residence. There was no transport.

The weaverbird, a relative of the sparrow, lives in large nest colonies—with as many as seventy birds populating a single tree.

Sue and Dennis Clough will be returning to the "Unique Craft Show" being held Saturday, March 27, from 9 a.m. to 4 p.m. at Amerahn. This will be the second year for the Janesville couple who are looking forward to the warm welcome Kewaskum shoppers extended to them.

## Village Board

(Continued from Page 1)

The board opened sealed bids for the cargo van for the water utility department and department reports were given by Police Chief Richard Knoebel, Fire Chief Mark Groeschel and Director of Public Works Jerry Gilles.

Knoebel was granted permission to purchase a new radar gun from existing funds. Groeschel reported the Washington County Fire Chiefs Association would be holding their annual circus (fund raiser) in Kewaskum on August 4. The "Big Top" would be located on the vacant Holy Trinity land west of the Milwaukee River.

Gilles, who gave a detailed

report on the man hours put in by the village crew, also asked the board to lift the winter parking restrictions due to the softness of the ground and the complaints of village residents who are rutting up their lawns by parking on them. The board voted 6-1 in favor of lifting the winter parking ban with Village Administrator Dan Schmidt advising in the event of a late winter snowstorm, a winter snow emergency could be declared at anytime. Dave Goeden cast the only negative vote.

The board also discussed at great length, the new method of garbage pickup, the distribution of the new recycling bins on Thursday, March 25 and the closing of the recycling center.

The purchase of the West Bend

Savings Bank building was again brought up and explained to the audience. The building will remain as is and will not be torn down in the foreseeable future. The property will be purchased only to add parking to the downtown area.

The Leaning Tower of Pisa has increased its lean by an average of 1.25 millimeters a year since measurements began in 1911.

## Grahl - Melzer

William and Karen Grahl of Kewaskum, along with Janet and Robert Melzer of Allenton, are pleased to announce the engagement of their children, Karen and John.

The bride to be is a 1986 graduate of Kewaskum High School, and received a degree from UW-Oshkosh in 1991. She is employed as an Early

Childhood Special Education teacher at Threshold in West Bend.

The future groom is a 1980 graduate of Kewaskum High School, and is engaged in farming, along with his father and brother.

A September 4, 1993 wedding is being planned by the couple.

## Fromm - Volm

Mr. and Mrs. William Fromm of 7357 Glacier Drive, West Bend, announce the engagement of their daughter, Johanna, to Russel Volm, son of Bill and Peggy Volm of 4250 County H, Kewaskum.

Johanna graduated in 1988 from Kewaskum High School and from Moraine Park Technical

College with a nursing degree.

The engagement was announced to the family on the evening she graduated from college, December 18, 1992.

Russel also graduated in 1988 from Kewaskum High School, and is employed at Gehl Company, West Bend, as a welder.

A June 18, 1994 wedding is being planned by the couple.

The first lighthouse in America was Boston Lighthouse, on Little Brewster Island in Boston Harbor. First lit in 1716, it was destroyed during the Revolutionary War, but another lighthouse was built on the site in 1783 and still stands.

## WASHINGTON COUNTY NUTRITION PROGRAM FOR THE ELDERLY MENU Meadowcreek Apartment Complex

Monday, March 29 - Mushroom barley soup, stuffed cabbage rolls, parsleyed boiled potatoes, wax beans, whole wheat bread, ice cream cup.

Tuesday, March 30 - Boneless braised short ribs w/gravy, whipped potatoes, creamed spinach, pumpernickel rye bread, oatmeal cookie.

Thursday, April 1 - Barbecued chicken, oven brown potatoes, Milwaukee style coleslaw, rye bread, brownies.

Ceramics at 10:00 a.m. every 1st and 3rd Tuesday of the month.

## Services at St. Lucas

Services this weekend at St. Lucas Lutheran Church, 1417 Parkview Dr., Kewaskum, are as follows:

Communion Worship, Sat., March 27th, at 7:00 p.m.; Communion Worship, Sun., March 28th at 8:00 a.m. and 10:15 a.m. Sunday School and Bible Classes at 9:00 a.m. Lenten Worship Wed., March 31st at 1:30 p.m. and 7:00 p.m.

**Don't miss this opportunity! New Cassel Haus will have room for you in mid-April.**

*New Cassel Haus* provides a unique senior living family -- complete with 24 hour on site assistance by trained staff, nutritious home cooked meals, medication monitoring, laundry, health care supervision & coordination by our registered nurse/owner and more.....all for one affordable monthly fee.

Because we are a small home our residents get the personal services lacking in big institutions, but this opportunity will not be available for long. *Call Today!*

## Can We Talk...?

Here we go again. I know I can get a little long-winded, that's me. I guess I'm a firm believer in open communication.

First, I would like to start off by saying that our present village president has done a fine job in the past. She has served our community for many years and for that we should be thankful. I consider her to be a friend. As I said in the past, being on the Village Board isn't a very glamorous job and at times can be frustrating.

I know that none of us are in it for the money. Hey, we could all get a job at Burger King, make better money, be happier and have all the free burgers we can eat. Right? At the village board meetings, Dan Schmidt gives us low calorie water. But in defense of Dan, I must say it is all we can drink... with ice. Now you know how we keep our taxes down.

I would just like to say that anything I put in my articles is only how I plan to run the village board, if elected, and is no reference to our present president. I'm not going to make a lot of promises in this campaign... we already know of too many politicians who are doing that now.

The topic last week was on communication. That will be an easy promise to keep. I will start before I take office. I hope it has already started. One of my many other goals is trying to get a light industry/industrial park in Kewaskum. This goal could be a bit harder to attain, but I plan to work hard at this. It's too bad our other industrial park fell through in the past. I feel an industrial park isn't so important to the tax revenue, as it is to the character of our village. I feel an industrial park would add the depth and diversity our village needs.

The biggest benefit I foresee for Kewaskum is the added jobs. I feel the family unit is very important and I see the industrial park as a way to keep the family together. As your sons and daughters grow up and need work it would be nice if they didn't have to move out of town. Again, I realize this will not be an easy task.

One last thing I would like to say is that being someone relatively new to Kewaskum, is definitely to my and the village's benefit. I will direct the board to make unbiased decisions on ALL matters. I have no favors to return, nor do I have any axes to grind. I'm only here to serve our village the best I know how.

I must end this now... these advertisements are expensive. I must also apologize again this week. I wanted to have a picture of me in this week's paper, but I had a co-worker take a Polaroid picture of me recently. Once I saw the picture, I didn't like it. I looked like some kind of meathead engineer. Of course, I'm not vain... I blamed him completely for the quality of the picture.

Will be talking to you next week... and I WILL have that picture, good or bad. Meanwhile, I would certainly appreciate your vote on Tuesday, April 6.

**THANK YOU.**

**Trustee Robert Wagner**

Authorized and paid for by Robert Wagner, Kewaskum

### Location Changed For Scout Leaders Roundtable April 1

Glacier Edge District 11 Scout Leader Roundtables will be held April 1, at Woodview Elementary School, corner of Fifth and Hickory Streets, Grafton, due to teacher's conferences at John Long Middle School. All adult personnel from Club Scout Packs and Boy Scout Troops in Ozaukee County, Random Lake and Washington County are invited. Meetings begin at 7:30 p.m. Boy Scouters meet in the school library and Cub Scouters convene in the All-Purpose Room.

Scout Roundtable Commissioner, Tom Weirzbicki, and his staff will conduct a Tent Evaluation. Troops are asked to bring one of their tents for demonstration. Special uses and advantages, as well as negative features, will be discussed.

Commissioner, Ann Mueller, and her Cub Roundtable Staff will present the know how for the "Show Biz" theme. Special skits, songs, charades and humorous antidotes will be staged.

Dave Parkinson will work with the Webelos Leaders on the requirements for the Outdoorsman and Family Member Activity Badges.

Chairman of district activities will promote upcoming events at each Roundtable.

### Webelos to Attend Pathways to Scouting

Glacier Edge District 11, Bay-Lakes Council of the Boy Scouts of America, will conduct their 23rd Pathways to Scouting Program for 5th Grade Webelos and their parents, March 27-28, at Camp Long Lake, North of Dundee. Check-In time is from 7:30 - 8:30 a.m. Saturday. Health Information Forms are required for all youth and adults.

Pathways Chairman, Lloyd Ebert said, "This experience is designed specifically to give Webelos a true test of what Scouting is all about, incorporating Scouting skills into a fun-filled weekend.

The Webelos Cub Scouts who have completed all the

requirements for the Arrow of Light will receive their badge at the 8:00 p.m. campfire, where the cross-over ceremony will take place.

These future Boy Scouts will engage in events, including Archery, Fire Starting, First Aid, Flag Folding, Knot Tying, Physical Fitness, Rifle Range, Snowshoe Race and Two-Man Skiing, under the supervision of District Boy Scouts and Scout leaders. Adult participants will be introduced to the "Tenderfoot To Eagle Trail", First Aid and camping know how.

An Ecumenical Religious Service will be held at 7:15 p.m., followed by the campfire. Families are invited to attend the Saturday Night activities.

For additional information, contact Ebert at 533-8013.

### Campus Notes

Sheboygan, Wis. — The Lakeland College Band presented Finale concert of the annual Wisconsin Bandmaster's Association Convention on Sunday, March 14, at 2:00 p.m. in the Bradley Fine Arts Building at Lakeland College.

Students from this area who are members of the band include:

Jennifer Beimborn, a freshman elementary education major from Adell; and Stacey Pamperin, a freshman business and accounting major from West Bend.

### SHEEPSHEAD WINNERS

Five handed winners on Thursday, March 18, were:

Bob Becker 63-6-57, 22-4-18; Andy Bonlender 63-6-57, 22-4-18; Walter Schmidt 64-9-55, 18-6-12; Anita Hartmann 57-5-52, 22-3-19; Ed Hartmann 59-7-52, 19-5-14; Delores Mielke 59-8-51, 20-5-15

The next five-handed will be Thursday, April 1st and Wednesday, April 7th, at 8 p.m. sharp. There will be cash prizes, Schmitt's Never Inn.

## A Message from the Postmaster

Hello Kewaskum Statesman readers! Before I "get into" this week's subjects, would like to tell you what is NEW at the Kewaskum Post Office. Many of you have already noticed but for those that have not... we have set up a display with the different stamps and envelopes that we offer.

It is located right by the counter where you purchase your stamps. Please stop in and see "the new look!" Many of you have asked for a little variety and WE AIM TO PLEASE. Besides a huge variety of 29 cent stamps, we offer envelopes... the traditional flag, but did you know that we also have Love envelopes and also Hologram envelopes?

The price for any of the envelopes is 34 cents. I love the Hologram ones and send letters regularly to my daughter using these. She just loves them! Just a little something different.

In booklets of twenty stamps, we still have the ducks. Some of you like them but many have commented that you would like to see something a bit different. How about a ten pack of stamps with either the tulip or love design? They are available and sell for \$2.90.

The "no-lick" stamp is a big seller but we have many on hand so you will not be disappointed if you like these. Have you seen the World War II stamps? This is a five-year set with 1941 and 1942 currently available.

Sometime this year, the 1943 set will come out and in the next two years, 1944 and 1945. My dad served in World War II and he just loves them. The 1941 and 1942 sets... ten stamps depicting the events of "A World at War," for each of those years sells for only \$2.90 and you receive a free map attached to the stamps.

Stamps to be on sale in the near future include Grace Kelly (March 25th) and Oklahoma, from the musical (March 31st).

For your information we also offer a huge assortment to satisfy your mailing needs. Included are padded envelopes (three sizes), regular mailing envelopes (two sizes), strapping tape, bubble wrap, address labels and cardboard boxes. Stop in... take a look and any of the TEAM will be more than happy to help you if you have questions or call us at 626-2575. CUSTOMER SATISFACTION IS OUR PRIORITY!

In this week's column, I would like to provide you with some helpful hints on how to prepare

and wrap packages. Fiberboard containers are generally strong enough to ship material of average weight and size. These are the very common boxes which are readily available in the home, supermarket, hardware store and if you still cannot locate one... may be purchased at the Post Office. Your selection for the container depends on the physical characteristics of the item or items to be mailed. Is the object heavy or light; large or small; durable or fragile; solid or liquid; round, square or odd shaped?

Besides fiberboard boxes, other acceptable containers include reinforced bags, paperboard boxes, metal cans, and tubes with metal ends. The container should be large enough to hold the contents plus adequate cushioning to prevent damage; but so large as to permit shifting or joggling of the contents. Liquids should be sent in leak-proof interior and exterior containers. Powders should be packaged in sift-proof containers and items which have an odor should be placed in a container which is impermeable to the contents.

Cushioning distributes and absorbs the shocks and vibrations while preventing the contents from shifting. When several items are packaged in a container, they should be separated from each other and protected from outside forces. Even single items packed alone should be cushioned for safety.

Heavy items should be braced. Types of suitable cushioning include polystyrene, shredded or rolled newspaper, "bubble" plastic and fiberboard inserts.

Okay...now you are ready to tape it shut right? NO... not quite yet. Allow me to give you a friendly tip. Place a list of the contents plus the name and address of both the sender and the receiver INSIDE the package. This will help in the delivery of the parcel in the event the outside address becomes illegible for whatever reason.

Now... we can close the box. It is preferred that wrapping paper be omitted if the box in itself is an adequate shipping container. However, wrapping paper equivalent to the strength of an average grocery bag may be used if you would like. Filament-reinforced tape should be used for closure and reinforcement of the parcel. Twine and cord are permitted but it is PREFERRED that

they not be used as they tend to catch and bind in the mail processing equipment.

Now, we are ready to ADDRESS the package. Your parcel should be clearly marked with the name and address of BOTH the sender and the receiver. ADDRESS ONLY ONE SIDE OF THE PARCEL. The writing should be in indelible ink or typed on a label and be readable at 30 inches (arms's length). You are ready to take the package to the Post Office for mailing!

PLEASE... do not be in a quick hurry to send it parcel post. We will be more than happy to quote you both rates... parcel post and first class. (The difference is "time" that it will take for your package to arrive). You may be truly surprised (depending on the distance) the "few pennies" more it costs going First Class.

INSURANCE? Please keep in mind that parcels are NOT automatically insured. If you want it insured, it must be for ACTUAL VALUE (this message will flash at you on the customer monitor screen at the Post Office). In a very short time, we can tell you the different rates and will be more than happy to help you with this. Would like to feel that the "best seller" we have at the Post Office is... CUSTOMER SERVICE. We are here to serve YOU, OUR CUSTOMERS!

Well, that is about it for this week. Questions and answers will be the topic of my next column. Hopefully, you are finding this column to be interesting and informative. Try to have a GOOD DAY... A HAPPY EVERY DAY.

Your Postmaster, Bonnie

### Change Location of Order Of the Arrow Meeting

The April 1 meeting for members of the Order of the Arrow of the Awase Lodge, Glacier Edge District 11 Bay-Lakes Council of the Boy Scouts of America, will be held at Woodview Elementary School, corner of Fifth and Hickory Streets, Grafton, due to Teachers Conferences at John Long. The meeting will begin at 7:30 p.m., with Chapter Chief, Mike Hartwig, presiding. All members from Ozaukee County, Random Lake and Washington County are urged to attend.

For more information, contact Hartwig at 334-7143, or OA Advisor, Harold Wolk, at 338-2979.

## Sebora Appointed PR Director At St. Joseph's Hospital

West Bend - Nora Sebora has been appointed public relations/development director for St. Joseph's Community Hospital of West Bend.

Previously, she served as public relations coordinator for Krause Publications, Iola, WI, the world's largest hobby publisher.

Her background includes more than ten years experience in the field of public relations and marketing, primarily in non-profit health care settings.

Sebora is credited with initiating the first public relations/development department for St. Michael's Hospital, Stevens Point, and also creating Krause Publications' first structured corporate public relations program.

A graduate of the University of Wisconsin - Stevens Point, Sebora holds a bachelor of science degree.

In her new role, Sebora will be responsible for creating a greater awareness of St. Joseph's services and programs as well as

developing a larger donor base for the hospital's capital development program.

## Marijuana Seized

On the date of Thursday, March 18, 1993, at 12:54 a.m., a traffic stop conducted by the Washington County Sheriff's Deputy Daniel Brawn resulted in the seizure of approximately one pound of marijuana and approximately \$924 in U.S. currency.

The seizure resulted in the arrest of a 20-year-old Fond du Lac County man. Also seized was a pager, a digital diary and a small amount of suspected L.S.D.

The stop was made on US 45, approximately 1/2 mile south of STH 60 in the Town of Polk. Assisting in the investigation was the Washington County Sheriff's Department drug detector dog.

The matter remains under investigation.

## Kewaskum FFA to Host Annual Rabies Clinic

"HOLD STILL, THIS WON'T HURT!" Dr. Greg Ogi, left, administers a rabies vaccination to one of our local canines. Proceeds from the Rabies Clinic go to the Dr. Ogi Scholarship fund, supporting local agriculture students in their pursuit of further education.

It is the time of year to once again begin thinking about having pets vaccinated against rabies. Wisconsin is one of the leading states in rabies reported cases, a statistic the state can do without.

Rabies is a serious public health problem as well as a deadly threat to your dog and cat. Help protect your neighbor, your pet and yourself by getting your pet his rabies booster vaccination. We must continue to stimulate the immune system to produce antibodies against the rabies virus to help protect our pets against an exposure to a rabid animal. Our state law requires that all dogs over four months of age be vaccinated.

The Kewaskum FFA is concerned about the problem, along with the local veterinarians Doctors Charles and Gregory Ogi, and Russell Demmon. The chapter will conduct a rabies clinic on Monday, March 29, 1993, from 6 to 8 p.m. in the Kewaskum High School Agriculture Shop. The vaccina-

tion will be administered at a reduced cost of \$10 per animal, with the proceeds going to the Dr. Ogi Scholarship Fund.

Rabies is an acute disease caused by a virus. The most common form of contamination is by means of a bite from an animal containing the virus-bearing saliva.

The incubation period is variable, but signs of the disease may become visible within 15-20 days after contamination. The first sign is general loss of appetite and a change in behavior. The second phase is known as a paralytic form, where paralysis and salivary excretion begin.

The third phase, or sign, is the furious form, where the animal becomes very irrational and viciously aggressive. Dogs rarely live more than 10 days after the onset of these signs begin.

For more information about rabies and accompanying symptoms, consult your local veterinarian or physician.

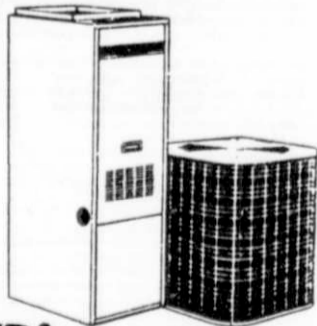

The Persians introduced the first widespread system for using coins as money.

## SOCIAL SECURITY NEWS

### Dependent Children Need Social Security Number

By David W. Becker  
Branch Manager

Taxpayers filing Federal income tax returns should know that they will need Social Security numbers for any claimed dependent age one or older.

With the cooperation of State officials and hospital employees, many infants have Social Security numbers before they leave the hospitals. In most states, including Wisconsin, the Social Security number application process is tied into the birth registry system. For parents who have requested that the number be issued through the hospital procedure, there is no need to complete an application at the Social Security office. The card for a newborn is received by mail about four months after their birth date.

Parents of older children who have not already applied for a number should contact their local Social Security office and ask for an application for a Social Security card. Along with the completed applications, they will need to provide evidence of the child's age, identity, and U.S. citizenship or lawful alien status.

An official birth certificate is acceptable evidence of both age and citizenship for a person born in the U.S. For a foreign-born individual, a foreign birth certificate and a U.S. immigration document may be used to establish age and lawful alien status. Types of identification available for a child include school records, report cards, library cards, or immunization records. A form of identification for the parent, such as a drivers license or credit card, will also be required.

Getting an original Social Security number or a replacement card is a free service provided by Social Security. People should not be misled by businesses that charge a fee for the same service. They merely serve as an intermediary between the client and the Social Security office.

To find out more about obtaining Social Security numbers for dependent children, call Social Security's toll-free number, 1-800-772-1213, business days between 7 a.m. and 7 p.m. or contact your local Social Security office.

### Maple Sugarin' Breakfast

Come to Riveredge Nature Center on Sunday, March 28, from 9 a.m. to 12 noon. Featuring fresh off the fire maple syrup and an endless supply of Riveredge's special pancakes accompanied by maple cooked ham and beverages, this is a celebration not to be missed.

The breakfast is served out-of-doors within sniffing distance of the evaporating syrup. The cost is \$6.75 per adult and \$4.75 per child, age 3 to 12.

For more information call Riveredge at 375-2715 (Metro) or 675-6888 (local).

Riveredge Nature Center, a non-profit, 350 acre natural sanctuary and educational organization, providing environmental programs for all ages, is located in Ozaukee County, on Highway Y, one mile north of Newburg, between Saukville and West Bend.

### Births

**GLEASON** — A son, James Patrick Jr., was born to Connie and Jim Gleason, W2933 Main St., Campbellsport on Wednesday, March 17. Grandparents are Arthur and Pat Troedel, Kewaskum, DyAnne Leinen, West Bend, Ronald Leinen, Kewaskum, and Jerry and Sue Thompson of Campbellsport.

## Tax Deductible Ways to Borrow at Low Rates and No Closing Costs.

Home?

A Loan.

### Save money with the Valley experts.

Open a Valley Equityline before May 31, 1993 and Valley Bank will waive all closing costs. This could mean a savings to you of over \$300. From just one loan approval you can have a line of credit with a low interest rate of Prime plus 2%\*.

### The lone tax deduction.

With lower interest rates and tax deductibility, Valley home equity options are an attractive alternative to credit cards and traditional loans. In fact, they can actually save you money as you buy the things you want today. Compare your tax savings.

	HOME EQUITY	60-MONTH CAR LOAN	CREDIT CARD
Total Borrowed	\$10,000	\$10,000	\$10,000
APR	8%	10.0%	18.0%
Interest Paid	\$800	\$1,000	\$1,800
Interest Deducted on Income Taxes (28% Tax Bracket)	\$224	\$0	\$0
Effective APR	5.76%	10.0%	18.0%
Net After-Tax Cost of loan	\$576	\$1,000	\$1,800

Rates stated in these examples are for comparison purposes only. Please consult your Valley Banker for current rates.

The chart shows how you can save \$424 on income taxes by consolidating your car loan to a Valley Equityline or equity loan. And, you can save \$1,224 on income taxes by consolidating your credit card balances to a Valley Equityline or equity loan. Come in today and let a Valley Banker show you your tax savings.

Strong. Helpful. Friendly.  
**Valley Bank**

\*The Valley Equityline APR (Prime + 2%) is variable and is subject to change based on fluctuations in the Prime Rate as published in the Wall Street Journal. The Prime Rate as of 3/23/93 is 4.25%. The maximum APR is 18%. Please consult your tax advisor regarding deductibility of interest.

## Spring Break???

What happens when more than a foot of snow falls on a state that has less than a half-dozen snow plows? For the most part, the state closes, as evidenced from the picture above, taken by some Kewaskum spring breakers headed to Florida last week. Interstates were at a standstill and even Alabama's finest got stranded in the snowbanks. The 12-hour trek through Alabama turned out to be worth the trouble, though, as spring breakers took in some welcome sun at Panama City Beach, pictured in the photo below.

## Catholic Knights' Fraternal Activities Expand in 1992

Increases in community volunteer activities and the introduction of new programming marked strides in Catholic Knights' fraternal aspect of operations in 1992 affecting a growing membership in Wisconsin, Minnesota, Illinois and Iowa.

The 108-year-old fraternal benefit organization showed a dramatic increase in charitable and benevolent involvements of its members. Fund-raisers by members of Catholic Knights 129 branches generated over \$250,000, with funds donated to local residents, Catholic schools and parishes, and civic appeals. Those dollars represent a 43 percent increase over fund-raising levels at year-end 1991.

The largest portion of funds were contributed to the parishes, schools and religious orders within the Archdiocese of Milwaukee, which received those dollars in the form of "sharing funds," corporate contributions and advertising support, for a total of \$96,846, and the Diocese of Green Bay received \$56,117. The Diocese of Madison received \$30,250 and the Diocese of La Crosse, \$28,508. Other archdioceses and dioceses benefiting from the Society's charitable efforts include Superior, Wis.; St. Paul, St. Cloud, Winona and New Ulm, Minn.; Chicago and

Joliet, Ill.; and Dubuque, Iowa.

In addition, members reported helping 445,000 people in 1992, donating 453,000 of volunteer service with an estimated value of \$5.2 million, based on values assigned by the National Volunteer Center, Washington D.C.

An increase in membership fueled the opening of two new branches in Joliet and Naperville, Ill. Plus, a fraternal branch counselors program, to revitalize and strengthen the fraternal system, was introduced in 1992.

Catholic Knights markets life insurance and annuities to Catholics and their families through a captive field force operating from offices based in Brookfield, West Allis, West Bend, Madison, Green Bay, Wausau and La Crosse, Wis.; Tinley Park, Ill.; and Egan, Minn.

Catholic Knights Insurance Society is a fraternal benefit organization with its greatest concentration of members in the Midwest. It is the largest Catholic fraternal in Wisconsin in terms of assets and insurance in force, and the second largest Catholic fraternal in North America in terms of insurance in force. Catholic Knights has been rated A+ (Superior) by A.M. Best Co., since 1978.

## Holy Trinity Students Read for RIF

Magician Rick Allen entertains students at Holy Trinity with the "magic of books".

The second RIF distribution of the school year took place at Holy Trinity recently. Children in grades 1 to 8 looked forward to choosing a book to read, and best of all, calling it their own.

Entertainer Rick Allen - a magician - presented an educational and entertaining program called "The Magic of Books". He performed several magic tricks with books, making them appear, disappear, and levitate, during which time he stressed the importance of reading to improve

skills and for recreation. The children enjoyed snacks and juice before returning to their regular classes.

Certificates, bookmarks, and a picture to color, by Tomie de Paola - popular illustrator of children's books - were given to participants of the poster contest. Those participating in the poster contest were: Valerie Reiden, Jacob Stoffel, Becky Stoffel, Jon Boedeker, Scott Herman, Casey Gutkowski, Joe Rinzel, Andrea Haas, Elise Tobin, Teri Knoeck,

Lisa Beck, Lisa Boden, Bethany Boedeker, Erin Beck, Jenny Koth, Megan Zettler.

Lisa Flasch, Keith Boegel, Becky Kober, Brenda Flasch, Mary Lehmann, Randy Nitschke, Josh Hesperich, Candice Heberer, Maggie Herriges.

Dani Wietor, Angie Thull, Tim Branta, Michael Landry and Travis Knoeck. Becky Stoffel, Grade 7, was the winner; her poster was sent to Washington DC to compete nationally. She received an extra RIF book.

Certificates were also given for the "In Celebration of Reading" contest. Those participating were: Margaret Reindl, Mary Reindl, Megan Zettler, Becky Herriges, Samantha Schoofs, Josh Uelmen, Erica Christie, Bridgette McDonald, Kevin Schickert, Laura Schladweiler.

Michelle Backhaus, Keith Boegel, Cassie Laatsch, Lisa Boden, Justin Wedding, Robert Teofilo, Amanda Schladweiler, Lanaya Martin, Maggie Herriges, Bridget Teofilo.

Elise Tobin, John Neumann, Michael Landry, Scott Joers, Shelly Zehren, Corina Teofilo, Cindy Reindl, Amy Piwoni, Danielle Wietor, Lisa Schickert. Aaron Tobin, Chris Boden, Stacy Zehren, Gretchen Weddig, Casey Schlatter, and Joe Fay.

By a random drawing Aaron Tobin's name surfaced as Holy Trinity's RIF reader. The form on which he recorded his hours of reading was sent to Washington DC to compete nationally. He, together with Lisa Schickert, who read for a total of 18 hours, also received a free book. Congratulations to these two winners, and to all who entered the "Celebration". The national RIF reader (yet to be determined) will go to Washington DC during Easter week.

Thanks to Holy Trinity's Home and School Association who sponsors our RIF program.

### Maple Sugarin' Open House at Riveredge

On Saturday, March 27, from 10 a.m. to 4 p.m., follow a self-guiding trail through the sugar-bush and learn the history and process of syrup making.

On Sunday, March 28, from 1 to 4 p.m.

The trail ends where the sap begins to boil. There you may linger in the steam and stories generated by the boiling of the sap.

The fee is \$2.00 for adults, and \$1.50 for children. Call Riveredge Nature Center at 675-6888 (local) or 375-2715 (Metro) for more information.

Riveredge Nature Center is a non-profit, 350 acre natural sanctuary and educational organization, providing environmental programs for all ages. It is located in Ozaukee County, on Highway Y, one mile north of Newburg, between Saukville and West Bend.

### ABC CLUB SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, March 16, were:

Marvin Martin 22-6-16 net; Frank Kadinger 18-5-13; Ralph Laux - Club solo vs. 4; Francis Gilboy - Diamond solo vs. 4.

## Solo Ensemble Festival Held at KHS

On a beautiful, late, winter day, the Lake-Moraine Middle School music conference held their solo-ensemble festival at Kewaskum High School. On Saturday, March 6th, the western division of the conference, which includes Slinger, Hartford, West Bend Badger and Silverbrook, Erin of Hartford, St. Kilian of Hartford and Kewaskum sent their vocal and instrumental students to perform solos and various ensemble groupings. The ensembles ranged from two person duets to thirty-five member jazz bands. The judging was done by music teachers from southeastern Wisconsin who rated the students on a I through IV scale.

Kewaskum Middle school had a large number of students participate and the results were very positive. The following is a list of those results.

Receiving a rating of I: Jane Sparks, Joanne Thull (2), Kathy Deshotels, Joel Roecker (2), Matt Muench (2), Jeff Noren, Mike Smith, Marni Winninghoff, Lori Berres, Jackie Kelling, Jackie Hass, Tricia Krebs, Missy Thull (2), Matt Fehlhaber, Tony Wuench, Matt Hammen, Nicky Vetter, Stacy Zander, Pat Herther (2), Misty Luedtke (3), Katie Yogerst (3), Jamie Gaffke (3), Nadalie Reindl, Julie Thull, Lynelle West, Jody Schmidt, Christie Heckel, Margaret Feind, Christa Dehler (2), Eileen Kohlwey (4), Marni Lynn (2), Brian Branchford (2), Heather Maas (3), Mackenzie Downs (2), Jessica Schulist, Heather Downs, Kristi Gundrum (2),

Rachel Beck, Laura Klemme, Jenni Weston (4), Penny Landvatter, Nicole Heinecke (2), Holly Checvala, Jenny McKee, Ryanne Reseberg, Heather Weiss, Bruce Gundrum, Brad Luterbach, Eric Vandemark. Receiving a II rating:

Jane Sparks, Jason Fideler (2), Joanne Thull (2), Kathy Deshotels (2), Jeff Schulte, Brad Matthies, Joel Roecker, Matt Muench, Katie Wolf, Jeff Noren, Mike Smith, Christa Arndt (2), Jenny Jagielski, Marni Winninghoff, Kim West, Nick Bailey, Rhett Engelking, Jackie Kelling, Melissa Lunde, Dan Ruhland, Jackie Hass, Renee Dahman, Lisa Oppermann, Heather Gruhle, Missy Thull, Matt Hammen, Nicky Vetter, Jessica Repovsch, Aggie Friedel, Josh Magee, Eric Vandemark, Jarad Clayton, Jill Broecker, Nadalie Reindl (2), Julie Thull, Lynelle West (2), Jody Schmidt (2), Christie Heckel, Margaret Feind, Paula Peterson, Christa Dehler, Marni Lynn, Heather Maas (2), Mackenzie Downs, Lisa Sharpee, Heather Downs, Kristi Gundrum. Receiving a III rating:

Lori Berres (2), Kim Junk (2), Eileen Kohlwey, Heather Maas, Jessica Schulist, Heather Downs (2), Penny Landvatter, Nichole Heinecke.

Mr. Bertelson and Mr. Christie wish to thank all of the volunteers who helped with the running of the festival. We definitely could not have done it without you.

## St. Mary's Springs Students Participate in Music Competition

The following St. Mary's Springs High School students received STARRED FIRST ratings in class at the District Solo and Ensemble contest held recently at Lourdes Academy in Oshkosh.

They will advance to the state solo/ensemble competition to be held on May 1 at the University of Wisconsin-Milwaukee.

The students are: Sara Michels, oboe solo; Peter Boettcher, clarinet solo; Kate Griffin, trumpet solo; Shelby Bowser, tenor saxophone solo; Amy Mickiewicz, piano solo; Geoff Bares, trombone trio; Bryan Michaels, trombone trio; Beth Mickiewicz, trombone trio; Kate Griffin, trumpet duet; Beth Mickiewicz, trumpet duet; Jeff Stueber, Lisa Lange, Sara Michels, Amy Mickiewicz, Geoff Bares, Trisha Teofilo, Shelby Bowser and Beth Mickiewicz, all percussion ensemble.

Students receiving a FIRST rating in Class A are: Kate Griffin, Jason Odette and Aaron DeLorme, trumpet trio; Trisha Teofilo and Lisa Lange, flute solo; Amy Mickiewicz, alto sax-

ophone solo; Peter Boettcher and Steve Will, clarinet duet; Amy Mickiewicz, saxophone quartet.

Students receiving FIRST rating in Class B are: Laurie Strobel, Shelby Bowser and Ben Bares, saxophone quartet; Marcia Cunningham, flute solo; Chantel Recheck, piccolo solo.

The following vocal music entries were awarded SUPERIOR ratings: Kimberly Mlinaz, vocal solo, coached by Dan Fee; Christa Rebek, vocal solo, coached by Dan Fee; Sara Braun, vocal solo; Kimberly Mlinaz, vocal duet; Christa Rebek, vocal duet; Sara Braun, Peter Boettcher, Matthew Pucker, Erin Weiland, Sara Michels, Heidi Niemeier, Bryan Michaels, Amy Hillebrand, Jayme Gilgenbach, Christa Rebek, Kimberly Mlinaz, Amy Jo Mickiewicz, Steve Will, Beth Mickiewicz, William Laudloff, Kate Griffin, Rebecca Magana, Aaron Salo, Matthew Braun, Eric Fought and Jeffrey Stueber, Singing Ledgers Show Choir.

The Singing Ledgers Show Choir is directed by Romaine Pavaglio.

## LAWRENCE CLISHAM

Lawrence Clisham, 51, of N2577 County Trunk SS, Campbellsport, died Friday, March 19, 1993, at St. Joseph's Hospital in West Bend, as a result of injuries received in a traffic accident.

Mr. Clisham was born June 25, 1941, in England, a son of Edwin and Florence Cox Clisham. On November 19, 1966, he married Sylvia Leyland at St. Helens, England.

In 1991, he and his family moved to the Campbellsport area from England. He was employed at the Clothes Clinic in West Bend, and was a member of St. Peter Evangelical Lutheran Church, Fond du Lac.

Survivors include his wife; one daughter, Victoria; one son, Lloyd; two brothers, Tony and John, both of England; one sister, Eileen Monroe of South Africa; one sister-in-law, Elizabeth Fairhurst and her husband Jack of Campbellsport; a niece Valerie Lenz and her husband, William, of Campbellsport; and other relatives.

Funeral services were held at 10 a.m. Tuesday at St. Peter Evangelical Lutheran Church, Fond du Lac. The Rev. Kurt Ebert officiated. Cremation followed.

Visitation was from 4 to 8 p.m. Monday at the Clisham home, N2577 County Trunk SS, in the Town of Osceola.

Memorials to Winnebago Lutheran Academy are appreciated.

Twohig Funeral Home of Campbellsport handled the arrangements.

## LLOYD V. KRAUTKRAMER

Lloyd V. Krautkramer, 67, of Boltonville, passed away on Saturday, March 20, 1993, at his home.

He was born on March 5, 1926, in the Town of Scott, the son of the late Ervin and Lisetta (Staege) Krautkramer. On October 29, 1949, he was united in marriage to Eugenia Brabender at St. Stephen's Lutheran Church in Batavia.

Mr. Krautkramer was a member of the Immanuel Lutheran Church in the Town of Scott. He was employed by Weasler Engineering, Inc. as a machine shop supervisor for 35 years, retiring in 1988. He was also a former member of the Boltonville Fire Department.

Survivors include his wife, Eugenia, of Boltonville; a daughter, Jeanne Jacak, and her husband, Donald, of the Town of Scott; a son, Ross Krautkramer and his wife, Sandra, of Boltonville; his mother-in-law, Sylvia Brabender of Boltonville; an aunt, Vera Melius, of Batavia; two brothers-in-law, Norbert Heise of Fort Myers, Florida, and Henry Weddig of Waupaca; five grandchildren, Tim Jacak and his wife, Carrie, Corey and Becky Jacak, and Lindsay and Alyssa Krautkramer.

In addition to his parents, he was preceded in death by two

sisters, Evangeline Heise and Audrey Schwenzen.

Funeral services were held at the Immanuel Lutheran Church, Town of Scott, at 2 p.m. on Tuesday, March 23, with Rev. William Robinson officiating. Burial followed in the church cemetery.

Friends called after 4 p.m. Monday at the Miller Funeral Home, Kewaskum, and from noon until the time of services at the church on Tuesday.

## SYLVESTER ELSINGER

Sylvester "Tony" Elsinger, 72, formerly of Campbellsport, a resident of 1038 Highway 45, Kewaskum, died Thursday, March 18, 1993, at Cedar Lake Home in West Bend.

He was born March 7, 1921, in Lomira, a son of Anton and Rose Schultz Elsinger. On January 26, 1942, he married Rose Burgert.

Mr. Elsinger was employed at Elsinger Manufacturing Company for 35 years. He was a member of St. Matthew's Catholic Church, Campbellsport.

Survivors include his wife; one son, John and his wife, Kathy, of Campbellsport; one daughter, Antoinette Miller and her husband, Matthew, of Beloit; five grandchildren; one great-grandson; and two sisters, Zita Lade and her husband, Clarence, of Wauwatosa, and Sylvia Lepinski and her husband, Charles, of Pine River.

His parents and a brother, Zeno, preceded him in death.

Funeral services were held at 10:30 a.m. Monday at Twohig Funeral Home, Campbellsport, and at 11 a.m. at St. Matthew's Catholic Church, Campbellsport. The Rev. Michael Moran officiated and burial took place at the parish cemetery.

Visitation was from 5 to 8 p.m. Sunday at the funeral home where a parish vigil was held at 7:30 p.m.

## ALFRED J. SCEPER

Alfred J. Sceper, 83, a resident of the Samaritan Home, West Bend, died Saturday, March 20, 1993, at the Samaritan Home.

He was born August 26, 1909, in Port Washington, to the late Michael and Magdalena (nee Meyer) Sceper, and married Marie K. Roever on November 24, 1945, at St. Mary's Catholic Church, Port Washington. She passed away on December 11, 1990.

He was a veteran of World War II, and was a printer for 67 years including 25 years that he owned and operated Sceper Printing in West Bend.

He was a member of St. Frances Catholic Church and a lifetime member of the American Legion Lt. Ray Dickop Post 36.

Survivors include a daughter, Nancy (George) Dymale of West Bend; six grandchildren, Mark (Janet) Dymale of Ashford, Keith Dymale of Milwaukee, John Dymale, Lisa (John) Ryan, David Dymale and Christopher Dymale, all of West Bend; four great-

grandchildren, Jennifer and Mark Dymale of Ashford and John Mitchell and Casey Jo Ryan of West Bend; a sister-in-law, Janet (Ed) Dickmann of Saukville; three nephews, Ken (Carol) Sceper of Interlochen, Florida, and Bob Sceper and Dick Sceper; three nieces, Carol, Valerie and Michelle; four great-nieces, Kym (Phil) Sommerfield of Bolingbrook, Illinois, Karen Sceper, Kristie Grogg of Iceland and Cheryl Pontes; a great-nephew, Dwayne Sceper, and other relatives and friends.

Preceding him in death were five brothers, Michael, John "Jack", Arthur, Louis and Bernie; four sisters, Magdeline, Mary, Rosalina and Anna.

Funeral services were held Tuesday, March 23, at 6:30 p.m. at the Myrhum Funeral Home, West Bend, with a Mass of Christian Burial at 7 p.m. at St. Frances Cabrini Catholic Church. Rev. Charles Walter was the celebrant and burial was in Washington County Memorial Park, West Bend, on Wednesday at 11 a.m.

Visitation at the funeral home was Tuesday from 4 p.m. until the time of services.

Memorials to St. Frances Cabrini Catholic Church or the American Legion Lt. Ray Dickop Post 36 appreciated.

## FRED OESTREICH

Fred A. Oestreich, 52, of 12 Oriole Parkway, North Fond du Lac, died Sunday, March 21, 1993, at St. Luke's Hospital in Milwaukee.

He was born June 9, 1940, in Beaver Dam, a son of Fredrick and Ella Gorr Oestreich. On January 28, 1984, he married Betty L. LaPalme at Covenant United Methodist Church.

Mr. Oestreich was employed at the Soo Line Railroad, and for the past year was employed at Waas Construction. He also enjoyed hunting and fishing.

Survivors include his wife; two daughters, Rochelle Oestreich and Rebecca Oestreich, both of Beaver Dam; one son, Richard and his wife, Melissa, of Beaver Dam; one brother, Mick and his wife, Shirley, of Campbellsport; and four sisters, Pearl Limberg and her husband, Bob, Ethel Wollenburg, Pauline Kranz and her husband, Myron, and Ginny Juoni and her husband, Gene, all of Beaver Dam.

He was preceded in death by

his parents, one sister, Willette, and one brother-in-law, Hilbert Wollenburg.

Graveside services were held at 1:30 p.m. Tuesday at Calvary Cemetery. The Rev. Charles Cederholm officiated. There was no visitation.

Uecker-Witt Funeral Home was in charge of arrangements.

## Card of Thanks

The family of Marcella Batzler extends a very sincere thank you to our relatives, neighbors and friends for your many kindnesses and prayers. A special thank you to Dr. Robert Gibson, Dr. Owens, the nurses in Intensive Care at St. Joseph's Community Hospital, Father Kemmer, donors of mass, memorial, floral tributes, food, those who prepared and served the food, the organist, choir, pallbearers, traffic officer, Miller's and to anyone who showed their respect and helped in any way.

Your thoughtfulness will long be remembered.

Gerald (Grace) Batzler  
JoAnn (Raymond) Sippel  
Susie Batzler

## IN MEMORY

In loving memory of WALTER TIMMERMAN, who passed away one year ago, March 24, 1992:

Days of sadness still come o'er us.

Tears in silence often flow. For memory keeps you ever near us,

Though you died one year ago. Death can never take away, And time cannot erase, The memory of a loving heart, A dear familiar face.

And there is comfort in the thought, That as the years go by, Our memories grow dearer still, For love can never die.

Sadly missed by his wife, children and grandchildren.

One inch of rain contains the same amount of water as a ten-inch snowstorm.

## IN MEMORY

In loving memory of JOEL REINHEIMER, who passed away two years ago, March 30, 1991:

We can't believe it's been two years,

For we still cry so many tears. We miss you so much, and We long for just a touch,

Or an embrace, Oh, just to see your face.

If there was only a way to erase, All of our pain and fear, But the only way to do that,

Would be to have you near. When we listen with our hearts we hear,

All your love around us soft and clear.

When we must come your way alone,

You'll greet us with a smile, And say, "Welcome Home!"

We all love and miss you so much, Mom, Dad, Josh and Family

## Stop Smoking Clinic At St. Joseph's

West Bend - "The Last Puff," a stop-smoking clinic, is currently being offered to area residents who want to break the habit by St. Joseph's Community Hospital health promotion department.

The course, conducted by Al Ludin, registered respiratory therapist, will address the social, physical and psychological aspects of smoking and will focus on the skills that need to be acquired in order to quit the habit. Information on weight control, stress management and coping techniques will also be provided.

Featured within the 6-week course will be a special program presented by Gary Herdrich, M.D., of the West Bend Clinic, who will speak on the physical problems associated with smoking.

The smoking clinic will be held six Monday evenings from 7 to 8:30 p.m. beginning Monday, March 29, in St. Joseph's meeting room 2.

The cost of the program is \$25 and advance registration is requested. To register or for more information, contact the hospital's health promotion department at 334-8268.

## Seven Constitutional Referendums on April 6 Ballot

Seven statewide referendum questions will be on the April 6, 1993, ballot, according to the Wisconsin Taxpayers Alliance (WTA), Madison. Two of the questions are proposed amendments to the constitution. One deals with gambling and the other, with the rights of crime victims. The remaining five questions are advisory referendums on gambling.

### GAMBLING CONSTITUTIONAL AMENDMENT

The proposed amendment to the constitution reads:

"Gambling expansion prohibited. Shall article IV of the constitution be revised to clarify that all forms of gambling are prohibited except bingo, raffles, pari-mutuel on-track betting and the current state-run lottery and to assure that the state will not conduct prohibited forms of gambling as part of the state-run lottery?"

The WTA, a nonprofit government-research and citizen-education organization, said that prior to 1987, gambling in Wisconsin was prohibited except for bingo and raffles run by nonprofit organizations. In 1987, the constitution was amended to allow for a state lottery and pari-mutuel on-track betting. The passage inadvertently lifted Wisconsin's prohibition against all forms of gambling. Under federal law, the state was required to negotiate gambling compacts with Wisconsin Indian tribes and has now entered into seven year compacts with 11 tribes that allow them to conduct gambling such as video poker, slot machines, blackjack and pull-tab tickets. If adopted, the proposed amendment would restore Wisconsin's gambling laws to their 1987 status, allowing only the state lottery, bingo, raffles and pari-mutuel on-track betting. Adoption of the amendment would not abrogate the compacts that the state has entered into with the 11 Indian tribes. Their casinos could continue to operate until the expiration date of the compacts.

Supporters of the amendment argue that:

1. Voters had no idea when they authorized the state lottery in 1987 that they would also be authorizing gambling casinos run by Indian tribes and the legislature to provide for commercial gambling;

2. The large amount of money produced by gambling results in crime and corruption;

3. Increased gambling has meant Wisconsin citizens have less money for purchasing other goods and services, such as using tourism and recreational facilities; and

4. If the constitutional amendment is not passed, there will be tremendous pressure on the legislature for further expansion of gambling by owners of taverns, resorts and dog tracks.

Opponents of the amendment argue that:

1. Wisconsin citizens enjoy gambling and this activity should not be limited;

2. Adoption of the amendment would put Wisconsin at a competitive disadvantage with other states that allow gambling;

3. Gambling proceeds have dramatically improved economic

conditions for Indians; and

4. Gambling should be encouraged as a growth industry that employs a large number of people.

### GAMBLING ADVISORY REFERENDUMS

The advisory questions that will be on the spring ballot are:

1. "Do you favor a law that would allow gambling casinos on excursion vessels operating in this state on the Mississippi River, Lake Michigan and Lake Superior?"

2. "Do you favor a constitutional amendment that would restrict gambling casinos in this state?"

3. "Do you favor a law that would allow video poker and other forms of video gambling in this state?"

4. "Do you favor continuing to allow pari-mutuel on-track betting on races in this state, such as horse, dog and snowmobile races?"

5. "Do you favor continuing to allow the state-operated lottery?"

The stated purpose of the advisory questions is to give

Wisconsin voters the opportunity to vote their preferences on various kinds of gambling. If the constitutional amendment is adopted, all of the advisory questions are moot. The pro and con arguments on the constitutional amendment also apply to the five advisory questions, the WTA said.

### CRIME VICTIMS CONSTITUTIONAL AMENDMENT

The question on the ballot reads as follows:

"Rights of victims of crime. Shall section 9m of article I of the constitution be created requiring fair and dignified treatment of crime victims with respect for their privacy and to ensuring that the guaranteed privileges and protections of crime victims are protected by appropriate remedies in law without limiting any legal rights of the accused?"

The only argument raised in legislative debate was whether the proposal should be in the constitution or whether a statutory enactment would be sufficient.

## Tax Advice for Parents Using Daycare

If you plan to claim a child as a dependent on your 1992 income tax return, or if you plan to take the tax credit for child care, there's some important numbers you'll need to know.

Anyone claiming a dependent, age one and older, on their 1992 federal income tax return must enter that person's social security number on the return. If you don't provide the number, you could face a \$50 penalty. To obtain a social security number for your dependent child, call the Social Security Administration toll-free at 1-800-772-1213.

If that child is in day care, and you plan to take the tax credit for child care, you'll also need to provide the name, address and taxpayer identification number of the care provider. (If the provider is an individual, the number you need is their social security number. If it's a business, the number you need is their

employer ID number.) You must provide this information in order to claim the credit.

The Child and Dependent Care Credit is available to parents who, in order to work, have to pay for child care services for dependents under age 13. The credit is also available if you have a spouse or a dependent of any age who is physically or mentally incapable of caring for themselves.

If you're filing Form 1040, write the care provider information on Form 2441. If you're filing Form 1040A, the care provider information goes on Schedule 2.

If the care provider is a tax-exempt organization, such as a qualifying church or school, an identification number is not required. In this case, simply write "tax exempt" in column C on the tax form.

According to John T. Ader,

## St. Mary's Springs Announces Scholarships And Financial Aid for 1993-1994

Many scholarships, grants and work-study programs are available at St. Mary's Springs for the 1993-1994 school year. SMS Foundation Grants, designed to assist students demonstrating financial need, are made possible by gifts from individuals and corporations to the St. Mary's Springs High School Foundation, Inc. Annual interest from this fund provides tuition assistance grants of \$100 to \$400 for many Springs students.

In addition to the foundation grants, the following scholarships are available for incoming freshmen: SMS Board of Directors Scholarships (4), Alumni Scholarships (4), Fr. Walter N. Gehl Scholarships (3), Sr. Evangeline Kodric Scholarships (2), and the Performing Art Booster Association Scholarships (2).

Two new scholarships have been established to assist incoming freshmen. The first new scholarship is the Phyllis J. Baker Memorial Scholarship established by Francis Baker. Each year, a scholarship (up to \$500) will be awarded to an incoming freshman boy or girl from Our Lady of Angels Parish, Armstrong. The award will be based on financial need.

The second new scholarship this year is the Joseph Paul Freund, Class of 1973, Memorial Scholarship established by his parents Edwin and Virginia Freund. Each year a \$250 scholarship will be awarded to an incoming freshman boy or girl from St. Joseph Parish, Fond du Lac. The award will be based on scholastic achievement and finan-

cial need.

Scholarships available to incoming freshmen, transfer and current students include: SMS Foundation Grants, Henry Birschbach Memorial Scholarships (2), St. Matthew's Parish of Campbellsport Scholarship (2), Raymond C. Colwin Athletic Memorial Scholarships, E. Jack Whealon Athletic Memorial Scholarships, and the Fond du Lac Reporter Scholarship.

Other financial aid resources include Archdiocesan Grants-in-Aid, Knights of Columbus Ladies Auxiliary Scholarships, Catholic Family Life Insurance, Catholic Knights Insurance Society, and the National Catholic Society of Foresters.

Work-study opportunities are also available for students desiring to earn credit toward their tuition. Students are paid minimum wage and can earn up to \$400 per year in tuition credit.

All financial assistance is based on need and requires students to meet minimum academic requirements. For students to be eligible, they must complete application forms and demonstrate financial need. In addition, incoming freshmen and transfer students must have completed registration for 93-94 school year. The deadline to apply is March 31, 1993.

Financial Aid applications for SMS and Archdiocesan Scholarships may be obtained from the St. Mary's Springs Business Office. For further information about financial aid, please contact the Business Office at 921-4870. For enrollment information, call the Registrar's Office.

Director of IRS in Wisconsin, the IRS has some forms available to help you gather the care provider numbers you need. "Simply give Form W-10, 'Dependent Care Provider's Identification and Certification,' to your care provider and ask them to complete it for you."

To get a free copy of Form

W-10, call the IRS toll-free at 1-800-TAX FORM (829-3676). For more information on dependent and child care credits, call the IRS Taxpayer Assistance Hotline. In Milwaukee, call 271-3780. Elsewhere in Wisconsin, call toll-free 1-800-TAX (829)-1040.

## 25 Years Ago 75 Years Ago

MARCH 22, 1968

Officers for the 1968-70 Junior Woman's Club are: President, Miss Honora Norton; Vice President, Mrs. Marvin Perkins; Recording Secretary, Mrs. Mark Rodenkirch; Corresponding Secretary, Miss Leah Klukas, and Treasurer, Mrs. Gerald Zimmel.

On February 27, Kewaskum High School began a round robin class basketball tournament. Games were held in the school gymnasium after school. Members of the championship team from the Class of 1969 included Jerry Engeleiter, Perry Koth, Bob Fellenz, Mark Eichstedt, Jim Foerster, Bob Wilson and Jeff Schleif.

Daughters were born to Mr. and Mrs. Lloyd Emery, Route 2, Kewaskum, on March 13; to Mr. and Mrs. Lambert Boegel, West Bend, on March 14, and to Mr. and Mrs. Robert Melzer, Route 1, Allenton, also on March 14. A son was born to Mr. and Mrs. Earl Heider, Route 3, Campbellsport, on March 18.

## 50 Years Ago

MARCH 26, 1943

"The Spirit of Washington County," the heavy four-motor bomber, is now fighting for us. This bomber was dedicated to Washington County the past week at the Glenn Martin Aircraft Plant in California and left immediately for action.

Monday was the closing day for the filing of nomination papers with the village clerk for the various village offices to be voted on at the spring election April 6. The forthcoming election promises to be a quiet event, since there is no opposition for any of the village offices. Incumbent offices holders who will be unopposed on the ballot are: President, Charles Miller; Treasurer, John Marx; Assessor, Joseph Mayer; Clerk, Carl F. Schaefer; Supervisor, E.M. Romaine and Trustees, Norbert Dogs, K.A. Honeck and Dr. F.E. Nolting.

A daughter was born to Mr. and Mrs. Clarence Bingen, Route 2, Kewaskum, on Saturday, March 20.

MARCH 30, 1918

As one of our citizens offered the practical suggestion that Kewaskum boys should organize as a unit of the Boy Scouts of America and its members be appointed to care for the proper displaying of the service flag, it will be appropriate at this time to mention a few of the many benefits derived by its members and the great good the organization has accomplished. The benefits to its members are manifold and the boys are trained to enjoy the gifts of nature to their greatest advantage at the same time if they follow closely the Scout laws, they breathe the laws of nature, filling the boyish system with an inspiration for healthy, desirable and pleasing amusement. Kewaskum has a fine lot of boys anxious to become boy scouts and all they want is a scout master who will help the boys in getting organized and act as instructor to them in defining the instructions furnished them from the headquarters of the organization.

Some of the Health Guard badges were given out on Tuesday in the Grammar Room. Those receiving the highest honors are: Walter Buss, Edward Brandt, Edwin Morgenroth, Margaret Schlosser and Otto Backhaus. The next highest were Hazel Geidel, Aleda Mertes, Lester Dreher, Florence Greve, Harvey Backhaus, Loran Backhaus, Norma Bunkelman and Norbert Becker.

A team belonging to William Fiedler of Fillmore, indulged in a lively runaway in the village last Monday afternoon, but fortunately no one was in the rig and only slight damage was done to the wagon.

The following class of children were confirmed on Palm Sunday at St. John's Church in New Fane: Ruth Steber, Clara Backhaus, Verna Hess, Erma Klug, Helen Gutekunst, Elsie Krueger, Emma Heberer, Helen Ramel, Oscar Fick, Willie and Roman Moldenhauer and Glenway Ehnert.

## Notice of Annual Meeting

The Washington County Humane Society, Inc. will hold its annual meeting on Thursday, April 15, 1993, at 6:30 p.m. at The Washington County Humane Society, 3650 Hwy 60, Slinger, WI 53086.

The agenda will include:

1. The election of Board Members

2. Other business

Jacquelyn McCurdy  
Secretary

### LIGHTHOUSE LANES THURSDAY NIGHT MIXED - 3-11-93

Mike Werner 689 (239); Steve Spoerl 648 (218); Barry Bailiff 647 (248); Judy Krajna 581 (223); Linda Habersetzer 569 (203); Sandy Zimdars 525 (180).	

## VILLAGE OF KEWASKUM News Notes - Recycling Bins

The delivery of the dark green recycling bins for use with the curbside recycling program will be on Thursday, March 25, 1993.

If you have been on regular garbage pickup by the Village in the past, you should receive an 18 gallon recycling bin. NOTE: If you live in a multi-family dwelling which has 6 or more units contact your landlord to see if the blue recycling bi-monthly pickup will apply to you or what other options your landlord will provide.

If you do not receive a bin please call the Municipal Building at 626-8484 between 7:30 a.m. and 4:30 p.m. Monday through Friday.

Items collected and recycled from the bins: steel/tin cans, plastic bottles, jugs and wide mouth containers (#1 P.E.T. and #2 H.P.D.E.), glass bottles and jars (clear, green and brown), and aluminum cans. To be placed alongside the bins: bundled newsprint, corrugated cardboard and lead acid batteries.

Please read the news notes on RECYCLING TIPS as to the preparation of the recyclables.

**Mandatory recycling and contracted garbage pickup begins Wednesday, April 7, 1993.**

Jerry Gilles  
Director of Public Works

## VILLAGE OF KEWASKUM News Notes - Recycling Tips

\*\*\*GLASS\*\*\*

TYPE OF GLASS: Bottles and jars only. \*\*\*NO window glass, mirror glass, etc.

COLORS: Clear, green and brown.

PREPARATION: Remove covers and rings and discard. RINSE CLEAN. This is the most important aspect of a successful recycling program. Bottles and jars that are contaminated with food residue cannot be recycled.

TIP: Many homeowners place their glass jars in the dishwasher along with their other cooking and eating utensils.

Place bottles and jars in your dark green recycling bin or blue recycling bag. Avoid breakage. Place the bin or bag, at the curb on the same day that your solid waste is to be collected. Pick up will be Wednesdays for both solid waste and recyclables. Multi-family dwellings of six or more remember your recycling pick-up will be the 1st and 3rd Wednesday of each month.

NEXT WEEK: Plastic #1 P.E.T. Bottles

## Minutes of Kewaskum School District Buildings and Grounds Sub-Committee February 22, 1993

Meeting was called to order at 7:38 p.m. in the Home Economics room. Members present were: Jeff Rohrer, Emily Land, Chuck Voge, Jim Rix, Clark Pearson, Sue Buechel, Dean Scheel, Dave Rizzardi, Jean Goeden. Non-members present were: Fred Boehlke, Glenn Eichstedt, Lou Shroba and Mike Miklis from Foth and Van Dyke, David Heather, Neal Weare, John Schulte.

Minutes from the January 27, 1993 meeting were approved as printed. Motion was made by Jim Rix, Jean Goeden seconded and all were in favor.

Review finance committee's discussion of Master Plan and possible action. The master plan concepts were presented by Lou Shroba and Mike Miklis, from Foth and Van Dyke, to the Buildings and Grounds Committee at their February 15, 1993 meeting. There were concerns expressed at that meeting of loss of parking space and the classrooms on the east side of the Middle School. The committee accepted the plan and said we were heading in the right direction. No one expressed questions or concerns of moving the football field. The committee did want to know what other options we had looked at. It was explained about the option of gutting the middle school, buying additional land, etc. It was felt that the Buildings and Grounds Committee expressed more questions than concerns. Some of their concerns were money involved and also to keep the easy flow of traffic. Jim Rix, Emily Land and Jean Goeden attended this meeting as members of the Building and Grounds Sub-Committee.

Discussion: Questions were brought up about space allowances for the discus and shotput. They could go in a small space. The discus also must have a cage now for safety reasons. Jeff received a call from Noel Stollenwerk, a reporter from the Kewaskum Statesman. He is trying to put together an article on our committee's work. It was felt by committee members that Noel should come to the next Buildings and Grounds committee meeting because a recommendation from this committee will be presented then. He can then get any information he would need. Jeff received calls from committee members expressing concerns about parking spaces and the road just put in being disrupted.

Concerns were also expressed at this meeting about costs involved in this large a project and maybe breaking it down into smaller projects. It was felt by committee members that we shouldn't be responsible for costs and prioritizing projects, that should come from the Buildings and Grounds Committee and the School Board. Lou Shroba felt it is in our best interest and the publics to talk it over and help get something that will sell. If you cut the project, you'll end up sacrificing something. Putting the driveway around the back of the Middle School would cut out any green play space for the Middle School. Limiting the parking spaces for the high school students is a viable option. It shouldn't be an expected privilege; some schools have a parking by permit only and do not allow every student with a vehicle a parking space.

One option expressed is to add on to each school with space between so in the future, you could add an auditorium. You could do smaller projects then. It was felt that the music and library areas were pivotal pieces of the project. Mike Miklis felt there was room to move parking if investigated further.

It was brought to our committee's attention that the Village of Kewaskum was discussing building a

hardball diamond plus 2 or 3 soccer fields at the new park. Maybe they would be open to discussion of having the school district use those fields. Then the present ball diamonds on the grade school area could be used for a practice soccer field. Also the soccer and hardball teams do not use locker room facilities so that would not be a concern. Jeff will call the Village about the hardball and possible soccer fields. He felt the Village would be open to discussion on sharing the facilities. There is \$76,000 for lights appropriated and it was felt that if there is money available, it should be used for that project.

Glenn Eichstedt brought up the concept of using financing other than using the tax roles. It costs approximately \$150 to set up a Community Arts Foundation. You can then get private or corporate funding for the auditorium. This would take the auditorium as a separate project. Random Lake used this approach and started out great but now is at a standstill.

After much discussion, we went back to our original goals from the April 11, 1992 meeting. These are:

- 1) Possible relocation of football field to the high school track area and/or to improve the lighting to be more adequate.
  - 2) The track needs repairing and maybe can be combined with the football field and be accomplished at the same time.
  - 3) Feasibility and possibility of building an auditorium including a study of community need and desire for this.
  - 4) Tennis courts are in dire need of repair.
  - 5) Kewaskum High School - structural cracks on face of building along the south side of the building.
  - 6) Locker facilities for teams.
- We will investigate these six items as to financial costs involved in-

cluding utilizing corporate funding, if available, fund raisers, and also a timeline for accomplishment of items by priority. Added on to this list was also the middle school classrooms. It was questioned whether the "we" refers to the school board. We are a sub-committee of the Buildings and Grounds Committee. It was suggested to present the master plan to the school board and let Foth and Van Dyke explain it and work with the board on an hourly basis. It was suggested we recommend the second plan because on this one, key people (principals, staff members, etc.) were asked for their input. It was felt that after we are finished with the master plan, that a second opinion can be sought out if the school board felt that they wanted to do that.

Our committee suggested that this master plan go to the Buildings and Grounds committee, recommending they take our plan to the school board with the recommendation they start with the football field and lighting because the money is available already.

A master plan is a concept. A master plan involves looking at the number of rooms you want identified - the costs involved. We want to do this but we can only afford a certain amount and then do it in parts that are acceptable by the community -- this was given as an example.

It was decided that the co-chairs and specific members would bring it to the Buildings and Grounds Committee and they in turn would take it to the school board.

Dean Scheel made a motion that we present the 2nd master plan concept, presented on January 27th, 1993 from Foth and Van Dyke to the Buildings and Grounds Committee with the recommendation that money set forth for football field, track, and lighting be used as such. Jim Rix seconded the motion. The committee voted 8 yes and 1 no. The motion passed.

The next Buildings and Grounds Committee meeting is on Tuesday, March 23, 1993 at 7:00 p.m. at Farmington Elementary School. Jean suggested that Jeff and Otto attend

and if they cannot attend they would appoint someone else. Also any other members are urged to attend also.

No meeting date was set until after the Buildings and Grounds meeting and see what their committee will do.

On behalf of the committee, Jeff thanked Mike Miklis and Lou Shroba for all their hard work on this project.

Jim Rix made a motion to adjourn. Emily Land seconded. All were in favor.

Meeting adjourned at 9:08 p.m.

## Old Milk Bottles Given New Life as Plastic Lumber

LUXEMBURG... Lonnie Vincent was initiated into recycling plastic when he was seven years old. That is when his father, Irv, took him along to Houston to meet some heavyweights in the plastics processing industry.

"My dad wanted to keep plastic milk bottles out of landfills and make pallets out of them," recalled Vincent, now a marketing and customer relations rep for his father's company, NEW Plastics of Luxemburg.

"The people in Houston said it couldn't be done," he continued, "but Dad was stubborn; he wouldn't take no for an answer." Later that year, Vincent's father returned to Houston with a sample of plastic wood developed at his Wisconsin factory. "It was very crude," said Vincent, "but it was a start."

Today, NEW Plastics uses 4.5

million pounds of recycled high-density polyethylene, or HDPE, each year to manufacture plastic lumber. Seventy percent of the recycled plastic is post-consumer, says Vincent.

"If things go well," he added, "we could recycle 10 million pounds of used plastic with no problems."

The plastic lumber, typically used for outdoor decks, costs \$2.25 per square foot, compared to about \$1.80 for cedar planks. "And we've found that our product is more durable," said Vincent. "A boat dock built with plastic lumber 16 years ago still shows no signs of deterioration, while people usually have to replace wooden docks every 10 years or so."

NEW Plastics offers a good example of a firm that has found a niche in today's market by recycling what would otherwise become a waste product, according to Richard Braddock, a recycling markets development specialist with the Department of Natural Resources. "The operation is especially noteworthy since they recycle a material that few other companies are recycling," said Braddock.

Earlier this year, Vincent says he travelled to Texas to meet with a group of respected plastics engineers. "It was funny," he said. "These were the same kind of people who scoffed at my dad when I was 7, and now, 18 years later, there I was filling them in on our recycling success."

**Farmington Athletic Club  
ANNUAL MEETING and  
BALL SIGNUP**

**Saturday, March 27 - 10:30 a.m.**  
**FARMINGTON TOWN HALL - Hwy. 144 N.**

This is a program for children, 8 to 15 years old who reside in the Town of Farmington.

3 acres in the SW 1/4 of the SW 1/4 Section 19, Town of Wayne.

Dated March 19, 1993

3-25-21 Orville Kern, Town Clerk

**NOTICE FOR  
ABSENTEE VOTING**

Absentee voters may vote until 5:00 P.M. on the last business day prior to an election in person in the office at 204 First Street. (Ballots received by mail must arrive in the office by election day). Applications may be picked up or mailed up until the Friday before an election. Absentee ballots must be mailed, they cannot be picked up in person. The absentee voter may vote in person in the office two to three weeks prior to election day or return the ballot by mail or in person to arrive by election day.

**Town of Wayne  
NOTICE OF PUBLIC HEARING  
For Conditional Use Permit**

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Town Board at the Town Hall located at 6030 Hwy. H in the Town of Wayne at 8:00 P.M. on March 25, 1993, to consider the application of Jim Schmidt for the issuance of a Conditional Use Permit under the Town Zoning Ordinance.

Granting the permit will allow the applicant to crush gravel to be used on a subdivision upon the applicant's property located at 8455 Fairview Dr., Allenton, WI 53002 in the SE 1/4 of the NE 1/4 of Section 21 of the Town.

Dated March 5, 1993

3-11-21 Orville Kern  
Town Clerk

**MEETING NOTICE**

The Kewaskum School District Board of Education will meet in a work session and a closed session on Monday, March 29, 1993 beginning at 7:00 p.m. at the District Office.

**PROPOSED AGENDA**

Work Session - Mr. Richard Ziman of Appleton, Wisconsin will make a presentation concerning AODA issues to the board of education. This portion of the meeting is open to the public.

Immediately following the workshop, the board will meet in closed session. This portion of the meeting is not open to the public.

1. Call to order - President Weare
2. Roll call of members
3. Motion to go into closed session as per Wisconsin State Statute 19.85 (1) (e) "Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session."
  - a. Negotiation issues with KEA and KAP collective bargaining agreements.

## Increased Calcium Yields Bone Benefits for Postmenopausal Women

Postmenopausal women who increase their calcium consumption can reduce their rate of bone loss, according to results of a study published Feb. 18 in the New England Journal of Medicine.

A study at the University of Auckland, New Zealand, indicates that increasing calcium consumption by 1,000 milligrams daily has a beneficial effect on bone loss in normal postmenopausal women.

Researchers studied 122 women who were an average of 58 years old. All reported consuming about 750 milligrams of dietary calcium daily. Half the women were given calcium supplements of 1,000 milligrams; the other half were given placebos.

Women in the placebo group lost almost twice as much bone as women in the calcium group, researchers reported. In the hip joint, the placebo group lost three times as much bone. Women in the calcium group lost no bone in the trunk.

Earlier studies have indicated that maintaining bone mass is important in preventing fractures associated with osteoporosis. The New Zealand study is the third in recent months to point the benefits of increased calcium in building or maintaining bone den-

sity. Researchers at Indiana University reported last summer that increased calcium consumption helps children build greater bone mass; French researchers reported in December that the rate of hip fractures among elderly women was reduced when their calcium and vitamin D intakes were increased.

Together, these studies indicate the need for calcium throughout life. In fact, researchers suggest children and postmenopausal women consume twice as much calcium as currently advised. The Recommended Dietary Allowance (RDA) for calcium is 800 milligrams for children up to 10 years; 1,200 milligrams for adolescents and young adults through age 24; and 800 milligrams for adults over 24. Surveys indicate many women consume less than half the recommended amount.

Robert P. Heaney, M.D., a prominent researcher at Creighton University in Omaha, Neb., is among advocates of increased calcium consumption.

In an editorial also published in the Feb. 18 New England Journal of Medicine he writes, "The growing body of controlled trials, all showing a benefit of calcium, vitamin D, or both, constitutes persuasive evidence that some

portion of age-related bone loss in elderly women is due to insufficient intake of calcium (and vitamin D) and that some portion of osteoporotic fractures could be prevented by ensuring higher intakes of both nutrients."

Heaney notes researchers still are working to determine such things as exactly how much calcium is enough and whether increased vitamin D plays a role other than aiding the body's calcium absorption.

However, he writes in his editorial, "We know enough to act now."

"It's a scandal that we haven't taken the steps we need to be taking to reduce the risk of osteoporotic fractures," Heaney said in a telephone interview.

In his editorial, Heaney says reducing the number of hip fractures in the United States even 20 percent — about 40,000 to 50,000 a year — would save \$1.5 billion to \$2 billion annually in health care costs. He recommends that most postmenopausal women consume 1,000 to 1,500 milligrams of calcium and 400 to 800 international units (IU) of vitamin D daily. The RDA for vitamin D for women over 24 is 200 IU.

Although participants in the New Zealand study were given calcium supplements, Heaney does not recommend routine use of them. Researchers use supplements, he explained, so they can control and measure the amount of calcium participants consume, and to isolate the effect of calcium on bone mass.

"Supplements are what their name says they are," he said.

"They're meant to supplement a balanced diet, not replace it.

"The right place to get your nutrients is from the garden or the grocery store," Heaney said, "not the drug store."

Registered dietitians at Dairy Council of Wisconsin (DCW) note that calcium-rich foods also contribute other essential nutrients that calcium supplements do not.

Fortified milk, for example, contributes several nutrients, including protein, riboflavin and vitamins A and D, in addition to calcium. In fact, DCW nutrition

experts say, a postmenopausal woman who drinks four 8-ounce glasses of skim milk is getting not only 1,200 milligrams of calcium, but also 400 IU of vitamin D, as Heaney recommends.

Among adults, cheese is the primary source of dietary calcium. Although the nutrient content of cheeses varies by type, a 1-1/2 to 2-ounce serving generally supplies as much calcium as an 8-ounce glass of milk. Cheese also contributes protein, phosphorus and riboflavin.

Kewaskum Statesman, Thursday, March 25, 1993, Page 16

## NOTICE OF PUBLIC HEARING ON SPECIAL ASSESSMENT FOR MUNICIPAL IMPROVEMENTS

PLEASE TAKE NOTICE, that the Village Board of the Village of Kewaskum, WI. has declared its intention to exercise its power under Sec. 66.60, Wis. Stats., to levy special assessments upon property within the following described area for special benefits conferred upon such property by the improvements of the following STORM SEWER AND CATCH BASINS, STREETS/ROADWAY, STREET BASE AND SURFACE, SIDEWALK, STREET LIGHTING AND CURB & GUTTER as well as other related specifications contained in Section 8 of the Municipal Code of the Village of Kewaskum fronting upon the following legal descriptions and addresses:

**WAYNE CRUSADERS 4-H CLUB NEWS**

The March meeting of the Wayne Crusaders was called to order at 7:35 p.m. on Tues., March 9th. The pledges were led by Laura Klemme and Angie Vogt.

Carrie Christian talked about the swimming party that was held on March 7th. Fun was had by all who attended.

Nancy Schultz is having a craft meeting on Sat., March 20th from 2-4 and again on Sat., March 27th. You will be making Easter projects and she will be teaching you to sew.

Counselors are needed for Fantastic Friday. You need to be 13 or older. It will be held on June 18 and June 23. Please pick up a form to fill out if you would like to go.

In order to get \$20.00 off the cost of camping fill out the form in the Clover Line.

The Explore the Arts workshop is on April 17th. If you want to go sign up by March 28th. It is to be held at Slinger Middle School.

The Music and Drama try outs are on April 3rd. Good luck to all attending.

Attention to all who will be showing pigs this year at the fair! The weigh-in is Sat. April 17th from 10 a.m. till 2:00 p.m. at Kewaskum Frozen Foods, not the Slinger Fair Grounds.

After all our regular business was taken care of Mary and Karla Kock gave a demonstration on food dehydration. Samples were given out and enjoyed by all. Thank you Mary and Karla!

The Clover Buds made leprechauns and played games. Next month they will be planting flower seeds.

Respectfully,  
 Jeremy Hawig, reporter

## Uniform License Expiration Effective On March 31, 1993

Wisconsin hunters and anglers are reminded that the Department of Natural Resources is adopting a uniform expiration date of March 31, for most fish and game licenses, according to Marilyn Davis of the DNR License Section.

All fish and game licenses purchased in 1993 will be valid from April 1, 1993 through March 31, 1994. In all following years, fish and game licenses will be valid from April 1 through March 31. However, as the transition is made, 1993 fishing licenses will be valid from January 1, 1993 through March 31, 1994.

Trapping licenses are the only exception to the April 1 to March 31 time frame. Trapping licenses will remain valid from May 1 through April 30 each year to coincide with the trapping seasons.

"Anyone who purchased Sports and Conservation Patron licenses last year paid a discounted fee to reflect shorter terms of those licenses necessary to make the transition to the new expiration date," Davis said. "Those licenses expire on March 31, 1993. Fees for both of those licenses return to their normal rate of \$38 for Sports and \$100 for Conservation Patron for 1993 through 1994."

Sports license holders are reminded that trout stamps this year are valid from January 1, 1993 through March 31, 1994 to help in the transition to the uniform expiration date. Current sports license holders who trout fish prior to April 1 of this year will need to purchase the trout stamp for their current license.

Since the stamp remains valid after licenses expire on March 31, anglers will need to carry their expired license with the 1993-94 sports license to trout fish. This overlap will be eliminated with the 1994 license cycle.

Turkey stamps are also in transition in 1993. Previously turkey stamps were issued in the fall and were also valid in the spring. That reverses in 1993 to a Spring/Fall stamp. The 1992 Fall Turkey Stamp is valid for the Spring of 1993. The new Turkey Stamp now being sold will be valid for Spring and Fall of 1993.

"The Department of Natural Resources continues to offer mail order services for those who wish to purchase their licenses through the mail," Davis said. Order forms can be obtained from most DNR offices or by calling (608) 266-2621.

Once a license purchaser becomes a mail order customer, the DNR will send a renewal application each year thereafter. MasterCard and Visa is accepted as a payment option for mail order sales.

Conservation Patron licenses continue to be a convenient bargain, Davis said. This license costs \$100 but affords the holder to an actual value of \$193.97. It covers virtually all hunting and fishing privileges, all permit applications and other "extras" without the need to carry around a lot of paper.

## New Seminar on Marketing Strategies

A new seminar on **Marketing Strategies** for the Small Business Owner/Operator will be held on four consecutive Thursday evenings, beginning March 25, from 7:00 - 9:30 p.m. All classes will be held at the Washington County Center Campus, 400 University Drive, West Bend. This is one of the Management Enrichment Programs offered by U.W. - Extension for micro-business people.

As a result of the seminar, the participant will get a comprehensive and practical approach to marketing and gain a better understanding of the products and services in successfully delivering them to the marketplace. Marketing Strategies is not only helpful to the growth and success of the company, but in most cases, a mandatory process for company survival.

Among the topics to be covered will be "the planning process", "product and consumer analysis", "the marketing mix", "selling fundamentals" and "controlling costs for results".

The leader for this seminar will be Donald Heinz, president of Heinz & Associates, Inc., a Brookfield marketing research and consulting firm. Since 1967, Don has worked with firms in Wisconsin and across the country to solve marketing problems and plan successful marketing strategies.

Don has helped retail firms, hospitals, clinics, repair firms, banks, insurance companies, community organizations and churches put the marketing concept to work.

Don has degrees from UW-Madison, has served as Director of Marketing of a scientific instrument firm, as a lecturer at UW-Whitewater and UW-M, as well as Asst. Prof. at Marquette University. He has authored numerous articles on marketing and is currently president of the Milwaukee Chapter of the American Marketing Association.

For more information or a free brochure, call Chuck Wise, Area Business Agent for UW-Extension at 414/335-5204. The \$63 fee covers instruction and special materials for the participant. There is a limit to enrollment, so register NOW.

## Tree Seedlings Available for Spring

Property owners can enhance the aesthetic, wildlife, and economic value of their land by planting trees this spring. Tree seedlings and wildlife shrubs are currently for sale through the Wisconsin Department of Natural Resources' tree nursery program.

Tree species available include two-year-old red pine, white pine, jack pine, white spruce, and three-year-old red pine. Wildlife shrubs available are red osier dogwood and silky dogwood. Also, the wildlife packet (an assortment of trees and shrubs for enhancing wildlife habitat) and the Energy Packet (an assortment of conifers for establishing a windbreak) are still available.

The seedlings are intended primarily for reforestation of forest lands but may also be purchased for wildlife habitat, watershed protection or erosion control. Seedlings may not be used for decorative ornamental landscaping or Christmas trees. The minimum quantity that can be ordered is 500 forest trees of one species and age class; or 500 wildlife shrubs; or one of the packets.

"Landowners should place their orders with the department's nurseries as soon as possible because supplies of some stock is limited," said Trenten Marty, Nursery Specialist with the State's Bureau of Forestry.

Your local DNR forester can provide assistance on tree species selection, site preparation, planting methods, federal cost-sharing programs, tree planter rental and other considerations.

Tree seedlings and wildlife shrubs will be distributed in April and early May, 1993. Landowners can pick up their orders at the state nurseries in Boscobel, Hayward, Wisconsin Rapids or at a central location in most counties designated by the local state forester.

Applications to purchase nursery stock are available at the nurseries, local department offices, or by writing Wisconsin Department of Natural Resources, Griffith Nursery, 711 Nepco Lake Road, Wisconsin Rapids, WI 54494.

## UW-LaCrosse Athletes Honored

The University of Wisconsin-LaCrosse recognized 240 women athletes during National Girls and Women in Sports Days events held February 18-20. The theme of the eighth annual national observance was "Breaking Barriers."

UW-LaCrosse events included, "Nice Girls Don't Sweat," a solo by Jane Curry; seminars and presentations by sportscaster Leandra Reilly of SportsChannel America; and women's gymnastics and basketball competitions. Campus and area women athletes were honored at the basketball game.

Women from this area included: Lori L. Borgen, 465 New Plat St., Allenton, a freshman majoring in Psychology, who participated in Women's Track and Field; Greta C. Krell, 117 S. 8th Ave., West Bend, a freshman majoring in Physical Education-Fitness, who participated in Women's Volleyball; Kristi E. Lubahn, 7515 Townline Rd., West Bend, a sophomore majoring in Physical Education-Teaching, who participated in Women's Basketball; Kelly S. Mann, 1010 Tuscola Lane, West Bend, a junior majoring in Physical Education-Teaching, who participated in Women's Basketball, and Annette R. Werner, 5093 Horizon Ct., West Bend, a freshman with an undeclared major, who participated in Women's Soccer.

### DIET AND CANCER

There are many factors involved in developing cancer. Diet is just one of them, but it is one that you can control. You can take personal responsibility for eating well to stay well. To learn how, contact your local American Cancer Society or call 1-800-ACS-2345.

## Gateway Gobblers Sponsor Seminar

The Gateway Gobbler Chapter of the National Wild Turkey Federation is sponsoring an advanced two hour seminar. It will be taught by turkey hunting experts Roger Raisch, editor of Turkey and Turkey Hunting magazine, and nationally recognized wild turkey biologist, Dr. Terry Little.

It will be held at 6:30 p.m. on Friday, March 26th at Amerahn Hall, 9480 Highway 45 North, Kewaskum.

Each adult participant will receive free gifts valued at \$50.00. Seminar costs \$20.00 for adults, and \$5.00 for children under 14 years of age.

Topics that will be discussed; How to be successful hunter every year, how to call like real turkeys, special calls for difficult gobblers, decoy tricks, ways to outsmart gobblers with hens, how to use the most important skill, desperation tactics for mid- and late-season birds, ways to work a gobbler every day, ways to fool silent or hung-up gobblers, unusual tactics and much more.

Bowhunting tactics that will be discussed; How to be successful every spring, how to shoot and recover your gobbler, how to build and use blinds, specialized bowhunting equipment.

### FIREMEN TO MEET

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station on Thursday, April 1, at 7:30 p.m.

# Holy Trinity Concludes Sports Season

Athletes of Holy Trinity Parish and School and their families culminated the sports season with the celebration of Mass followed by a potluck banquet on Saturday, March 13th at Holy Trinity Church.

This event marked the final opportunity to recognize the athletes and coaches involved in the basketball, volleyball and cheerleading programs at Holy Trinity during the 92-93 season.

Mike Strobel, president of Holy Trinity Athletic Association served as master of ceremonies for the awards banquet. The coaches shared reflective moments of the season and presented plaques, medals and team pictures to their team members.

In addition to a team picture, each eighth grade student was awarded a walnut plaque

with each sport and the years they participated engraved on it. Participants in grades five through seven received medals with a blue/gold ribbon drape and a team picture.

Referees for the basketball season were recognized and publicly thanked for their participation in this year's games. They were Chuck Boegel, Larry Bunkelman, Frank King, Perry Koth, Steve Liegl and Al Martin.

Holy Trinity is a member of the Kettle Moraine Catholic League. The "A Team" consists of seventh and eighth grade students while the "B Team" is composed of fifth and sixth grade students.

Basketball standings were as follows:

Under the direction of Harvey Ramthun and Frank

King, the B Team Girls finished 4-6 placing fourth in the league. All Star players were Carol Neumann, Casey Schlatter, Tammy Wagner and Nicki Wessing.

All Star players for the A Team Girls were Ann Bodden, Sarah Bonlender, Becky Heisdorf and Nicole Reindl. Coached by Dick Heisdorf, the team placed second in the league with an 8-2 record.

B Team Boys earned a 4-6 record finishing fourth in the league. All Star players were Jason Butschlick, Chris Koth, Jason Strobel and Eric Wenninger. The team was coached by Mike Struebing, a Holy Trinity alumnus.

All Star players for the A Team Boys were Mike Bauer, Tim Bunkelman, David Gerhartz and Erik Kopecky. The

team compiled a 5-5 record under coach Tony Butschlick and placed third in the league.

Sue Butschlick served as the A Team Cheerleaders coach assisted by Jenny Strobel while the B Team Cheerleaders were coached by Cathy Westerman.

Cindy Gruber and Chris Schoofs served as volleyball coaches this year, assisted by Lisa Donath. The A Team finished second in the league and the B Team finished the season with a 1-4 record.

On behalf of the Athletic Association, Mike Strobel presented a Certificate of Appreciation plaque to Sue Butschlick recognizing her seven years as cheerleading coach and her efforts in building and promoting school spirit at Holy Trinity.

Dick Heisdorf was also

awarded a Certificate of Appreciation plaque acknowledging his seventeen years as a basketball referee for Holy Trinity and two years as the A Team Girls coach. Both individuals have given a tremendous amount of their time for the benefit of our parish and school youth and for this the Association is extremely grateful.

As this season comes to an end, the Association thanks all the parents, the many volunteers who helped make the season a success, all those who come to support the Wildcats and finally, to all the participants who provided many exciting and entertaining moments at the games. We look forward to the 93-94 season and supporting the Holy Trinity Wildcats!

**HOLY TRINITY BOYS - A-TEAM**

Row one, left to right: Michael Wenninger, Tim Bunkelman, Andrew Kallmyer, Jeff Heller, Andrew Laatsch, Erik Kopecky, Mike Bauer and Mike Vogt. Row two: Chad Schoofs, Chris Wessing, Kevin Polzean, Corey Amerling, Derek Dorn, Dave Gerhartz, Jim Kopecky, Adam Gajewski and Coach Tony Butschlick.

**HOLY TRINITY BOYS - B-TEAM**

Row two: Stacy Zehren, Robyn Wolf, Carol Neumann, Tammy Wagner, Emma Chambers, Lisa Schickert, Emily Ligocki, Katie Kopecky and Mary Rinzel. Coaches - Harvey Ramthun and Frank King.

## Rohlinger Named All-Conference

WEST Bend - Another Kewaskum High School graduate has been honored for her athletic excellence.

Kelly Rohlinger, a 1991 KHS grad and former standout on the Lady Indians' basketball team, was named to the first

team in the Wisconsin Collegiate Conference basketball squad.

Rohlinger, a sophomore at UW-Washington County, averaged 14 points and six rebounds per game this past season. The Wildcats finished the year with a 2-19 record.

## VKAA Softball Manager's Meeting

KEWASKUM... The Village of Kewaskum Athletic Association will be holding its annual softball managers meeting on Wednesday, March 31, beginning at 7:30 p.m. in the Community Room of the Municipal Building.

Managers who have already registered for the upcoming season should have been contacted, and are expected to be in attendance. Those who are still interested, and have not yet entered a team in either the men's or women's leagues, should contact Noel Stollenwerk (626-4485) or Rick Krahn (626-2736) before this meeting.

Managers must bring the \$85 sponsor fee to this meeting in order to reserve his or her team's spot. ANY MANAGER WHO DOES NOT PAY THE SPONSOR FEE AT THE MEETING WILL NOT BE GUARANTEED A SPOT, UNLESS PRIOR ARRANGEMENTS HAVE BEEN MADE.

Checks should be made payable to the Village of Kewaskum Athletic Association in the amount of \$85. A check made out for less than \$85 will be returned, and that team's spot will be open.

## Umpires, Softball Teams Needed

There are still a couple of openings for men's and women's softball teams for the 1993 season in Kewaskum.

The Village of Kewaskum Athletic Association is still looking for softball teams to play in its Tuesday and Thursday night men's leagues. The VKAA will also have a Monday night women's or co-ed league, depending on the interest shown. Currently, there are a few spots still available in the Tuesday night league, while the Thursday night league is nearly full. So far, there have been few inquiries into the Monday night league.

The VKAA is also in need of umpires for the leagues. If you have umpiring experience, or are a USSSA-sanctioned umpire, your services are needed.

The deadline for entering teams in the various leagues is at hand, so register your team as soon as possible. The VKAA plans to have a manager's meeting Wednesday, March 31st, with entry fees due at that time.

To enter your team, or for more information regarding umpiring, please contact Rick Krahn at 626-2736, or Noel Stollenwerk, at 626-4485.

## Mayville Ousted In State Semi's

By Noel Stollenwerk

MADISON... Once again, thoughts of a state championship must be put aside until next year for Mayville High School.

After falling short the previous two years in the WIAA football playoffs, and then coming up empty at last year's WIAA basketball semi's, the Mayville boys basketball team again came away from Madison without a ti-

tle, losing to Rice Lake, 51-48, in the Division 2 semifinals.

Ryan Collien had a chance to give the Cardinals a win and a berth in Saturday's championship game, but his short jump shot with four seconds to go wouldn't fall. The Warriors' Nate Sevals then hit a pair of free throws to seal the victory.

Rice Lake went on to defeat Baraboo in the Division 2 title game, 77-70.

In other boys championship contests, Milwaukee Washington took the Division 1 title with a

70-67 win over top-ranked Sheboygan North. Washington finished the year 25-2, while North wound up 24-2.

In Division 3 action, it was Auburndale completing a perfect season (26-0) with a 57-46 win over defending champ St. Croix Falls.

Anthony Pieper, who will head to Marquette next year as the state's all-time leading scorer, singled the nets for 42 points, as he single-handedly led Wausaukee to a 69-57 win over Cassville.

# "ONLY THE RICH CAN AFFORD POOR WINDOWS."

F. C. Andersen

That thought is as true today as when Mr. F. C. Andersen first spoke it years ago. He was referring to the cost of window maintenance. To the cost of energy lost through leaky, ill-fitting windows. And to the cost of replacing poor windows.

With today's critically high labor and energy prices, perhaps his statement ought to read: "Only the super rich..."

For almost ninety years, the Andersen goal has been to produce the lowest-maintenance, most weathertight and energy efficient window

possible. Today, Andersen® Perma-Shield® windows virtually eliminate maintenance. And they are 12½ times more efficient than industry air infiltration standards require.

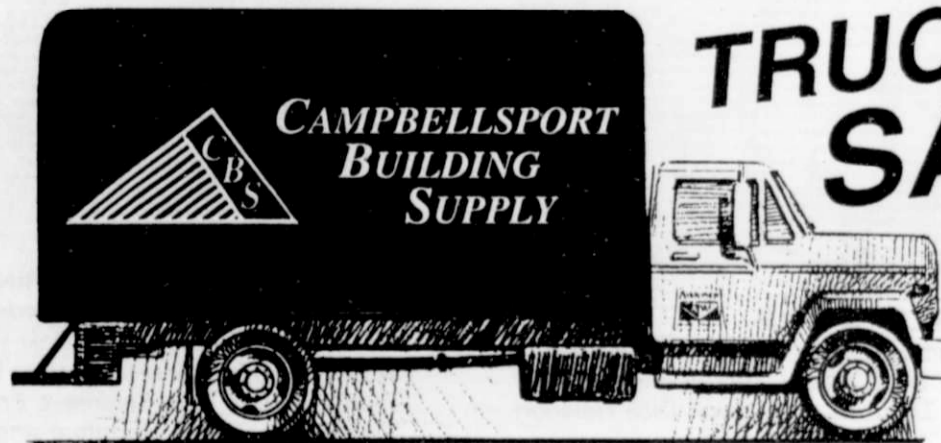

With Andersen® High-Performance glass, these windows are 33% more energy efficient than ordinary double-pane windows in the winter, 13% more efficient under the summer sun.

And, as your Andersen Window Center® retailer, we'll prove you don't have to be rich to own them.

All Andersen Window Center® stores are independently owned and operated. WCPQ01
