HONOR YOUR MOTHER FOR THE MANY ROLES SHE HAD TO PLAY

A mother must be many things,
To handle woes that childhood brings.
With more than just her apron strings
She must be on the ball:
A teacher, nurse and counselor
For anything that might occur,
And so you could depend on her
To answer when you'd call.
She had to play a different role
With every sorrow she'd console;
While helping you to reach your goal,
Whatever would befall.
Your House of Worship teaches you
To honor her your whole life through;
Whatever job she had to do,
Your mother did it all.

Blake Boegel Award Winner in U.S. Achievement Academy

The United States Achievement Academy recently announced recently that Blake Boegel has been named a United States National Award winner in English.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10 percent of all American high school students. Blake Boegel, who attends Kewaskum Middle School was nominated for this National Award by Mrs. West, an English teacher at the school. Blake's name will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for

selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Blake is the son of Paul and Sharon Boegel. The grandparents are Eleanor Boegel of Kewaskum, WI and Bernice Scharf of Taycheedah, WI.

Kewaskum Frozen Foods Wins Meat Product Awards

Local meat processor Kewaskum Frozen Foods of Kewaskum, won awards for their products at the Wisconsin Meat Product Show at Madison, April 17.

The winning products were brats, bacon, and beef sticks.

The show, held in conjunction with the 54th annual state convention of the Wisconsin Association of Meat Processors, is the largest meat product show in the United States. It involves meat processing plants and meat markets from throughout the state.

This year just under 1,000 products were entered into the 27 product categories of the show. The competition was

judged by food scientists from the University of Wisconsin, visiting meat processors from other states, and other food-industry professionals.

The size of this product show and the quality of its entries demonstrates the important role that sausage and processed meats play in Wisconsin's meat industry and among state consumers. The state ranks third in the nation in total sausage production. The popularity and wide variety of sausages and processed meats available in Wisconsin reflects the state's German and middle-European ethnic heritage.

Bob Beisbier, owner, Al Schickert, manager, and his wife, Cindy, attended.

KHS Forensic Success Continues at State

Sixteen KHS students were a very small portion of students converging in Madison on Friday night, April 23, and Saturday, April 24.

The KHS students participated in the 7:00 p.m. round on Friday. The Wisconsin High School Forensic Association State Speech Festival is held on the UW-Madison campus each year. It involves approximately 4,500 students from 435 high schools coming together from throughout the State of Wisconsin for one final festival of speaking and acting. The Kewaskum students may have been a small group, but they accomplished some big things!

These students had earned the ability to be state competitors by advancing from three rounds of participation at both the subdistrict and the district levels earlier this spring. The Critic's Choice Award recognizes the student who earned a perfect score (25 points) at state. This means those students earned a rating of excellent in all five areas of critique. One KHS student brought home the GOLD from State Speech last

weekend. That speaker was Tammy Hames, a sophomore who wrote her own prose selection entitled "Raining on Her." This was Tammy's first year in forensics, and she had made an impressive record all season.

Close behind Tammy were sophomore Kara Palmer in farago, reading selections about war, and freshmen Jennifer Straub and Jennifer Schulte in prose. In poetry, Straub read "On the Pulse of Morning," and Schulte read "Thidwick the Big-Hearted Moose." All three girls received near-perfect 24 scores. They were given All-State ratings and silver medals.

Receiving silver medals and All-State ratings also were sophomores Anne Mertz and Meredith Frac and freshmen Jenny Goodsell and Jenny Ebert. Anne spoke about "The Vanishing Voter" in her original oration while Meredith read "How to Talk to your Mother" in prose. Jenny Goodsell presented a memorized solo acting humorous selection of the same "How to Talk to Your Mother," while Jenny Ebert read "If I Ran the Zoo" in poetry. These four

girls all scores 23's.

The Finalists who received bronze medals were freshmen Carrie Stoffel who wrote her four-minute speech about stress and Renate Wilke who read the prose selection "Under the Spreading Grapefruit Tree." They were each awarded a 22. Junior Angie Klug read her prose selection "Under the Spreading Grapefruit Tree" and received a 21. The group interpretation students (seniors Chad Harlow, Carrie Fellenz, and Jenefer VanAssche and sophomores Weston Duenkel and Sabrina Maul) also received 21's with "At Wit's End."

Head coach Barbara York was impressed with the team's state showing. "It was a very young team this year with six freshmen and six sophomores. Only Kara, Anne, Weston, Meredith, and Sabrina had state experience, but all of the freshmen and sophomores came through with great scores. It was a rebuilding year," York stated, "and my assistant Judy Jacak and I have been pleasantly surprised how strong the young team turned out to be!"

Making their third appearance at state were Harlow, VanAssche, and Klug, while Fellenz made her second trip to the state in as many years. "These seniors and juniors led the way!" York also noted.

High School Forensics students visit Holy Trinity as part of "reading is fun" week.

High School Forensics Students entertained the student body at Holy Trinity school during the RIF distribution held during READING IS FUN WEEK, April 18-24.

High school students were Rachael Chambers, Christine Neumann, Jake Thull, Melissa Rohrer, Suzi Gauvin, Jenny Goodsell, Kara Palmer, and Meredith Frac.

After the program each child received a free book and enjoyed a snack.

Thanks to Holy Trinity's Home and School Association who contributed the necessary funds to keep the program operating. A special thanks goes to the moms who donated the snacks for the RIF programs this school year, to Sue Rettler for the financial end of the program,

and Mary Boegel who contacts the moms to make the snacks.

Thanks, too, to all the moms who donate their time to help display the books and arrange and serve the snacks. Last, but not least, to the children who help set up chairs and take them down for each program.

Parents are always invited to attend these programs.

SPRING TIME IS BIKE TIME

The Kewaskum Police Department would like to take this time to remind everyone about bicycle safety and laws pertaining to them.

Wis. State Statute 346.03(9), Rules of the Road, states: "Subject to the special provisions applicable to bicycles, every person riding a bicycle upon a roadway is granted all the rights and is subject to all the duties which this chapter grants or applies to the operator of a vehicle..." In short, this means that all laws pertaining to motor vehicles apply to bicycles, including, but not limited to: Riding on the right side of the road, abiding by all traffic signs and signals, riding single file, etc. NOTE: In the event a child needs to ride on the sidewalk due to safety reasons, they should be aware that pedestrians have the right of way and ride only in single file.

Also, Village of Kewaskum ordinances require that all bicycles operated on the streets of Kewaskum to have a current license affixed to them. The cost of these licenses, which are non-expiring, is \$5.00. They can be obtained at the Municipal Building between the hours of 8 a.m. and 4 p.m.

A few safety tips to everyone operating a bicycle are: Keep your bike in good working order, wear bright colored clothing to make it easier for motorists to spot you, put a safety flag on your bike, ride single file, be aware of the area you are riding in and be ready to take evasive action if an obstacle appears and make sure the bike is the right size for the person riding it.

If we all follow these rules and safety tips we should have a safe bicycle season.

Smith Family Musical Ministry Team To Present Concert at Campbellsport

Craig Smith and the Smith Family Ministry Team will be presenting a concert on Wednesday, May 12, at 6:30 p.m. The concert will be held in the Campbellsport School's old gym, entrance F. The concert is sponsored by the Campbellsport Alliance Church.

The Smith Family are Chippewa and Navajo Indians, originally from the Leech Lake Indian Reservation in northern Minnesota. They currently base their ministry out of Colorado Springs, Colorado.

The Smith Family has been involved in a musical ministry that began with Craig Smith's grandparents, Irene and Louis Smith, who ministered in music and preaching in both English and the Chippewa languages.

Their music ministry includes traditional, contemporary and Southern gospel stylings, including songs sung in their native languages. Their version of "The Lord's Prayer," which includes the beautiful Indian sign language, has been described by some as "a powerful and moving experience."

Along with his leadership within the Christian and Missionary Alliance, Craig serves as board member of Christian Hope Indian Eskimo Fellowship (CHIEF), and as vice chairman of the North American Native

Christian Council (NANCC). He has represented the Native American people at several functions at the White House, and at the residence of the President of Israel in Jerusalem.

The Smith's rich musical history has given this unique family a ministry that has been described as "an exciting blend of uplifting music."

You won't want to miss this special service of praise and challenge. Pastor Doug Birr and the congregation of the Campbellsport Alliance Church extend a warm welcome to you to join them for this exciting ministry. An offering will be received for the Smith Family.

Alone at Home

Making the decision to leave a child alone at home is a difficult judgement that every parent faces at some point during their parenting years. Sometimes it is a decision made with serious consideration to readiness, and sometimes, out of necessity, it is made sooner than the parent would like.

To help parents prepare for making the decision that their child is ready for self-care, the Family Center is offering a two-part workshop, "Alone at Home", May 17th and 24th, 6:30 - 8:00 p.m. The first night Joyce Albrecht, U.W. Extension Home Economist, will meet with the parents and discuss steps to take in determining if a child is ready. Questions parents will consider include: Is the child capable of solving small problems on his or her own, and able to get help with the big ones? How do they cope with boredom and fear? Can they tell time? Are the home and neighborhood safe? During the presentation, child care will be available for children over 3 years of age on a reservation basis.

The second presentation on May 24th will be by Beryl Tofte, Helpline Coordinator at the Youth & Family project. Ms. Tofte will meet with parents and their 3rd to 5th grade children to discuss preparing for self-care. Activities will include writing self-care rules, and emergency or check-in phone lists. Child care will be available during the presentation for younger brothers and sisters, over age 3, on a reservation basis.

To register for both nights or to reserve child care, call the Family Center at 338-9461. Registration for this FREE workshop will be limited.

IN MEMORY

In loving memory of Edwin A. Backus, who passed away May 8, 1971, and Vinelda Backus, who passed away on May 8, 1991:

In peaceful sleep the ones we loved,

Lie free from earthly care. No longer need they labor here. God's blessing they shall share. They labored hard and well on earth,

But now their labor's done And they shall spend eternity, Beside the Father's Son.

Sadly missed by daughter, Eileen Hein, son-in-law Ralph, and grandchildren Steve and Stan Heister.

Mrs. Mary Kollmorgan, science teacher at Holy Trinity School, Kewaskum, announced recently the winning entries in the school's "Invent America!" student invention competition. Eighty-four students participated in the "Invent America!" program, designed to help children develop and apply critical and creative thinking skills.

Holy Trinity School has selected one student's invention from each grade, third through eighth, plus four special categories, to submit as its entries in the National "Invent America!" student invention competition. These students will then compete with other students in their grade level throughout the country for awards at the state, regional and national levels. More than \$600,000 in awards and prizes are available through the "Invent America!" program to winning students, their schools and teachers.

Congratulations to the following winners:

Bridget Teofilo, Bug Stopper, Grade 3; Jodi Peterson (Food Box) Grade 4; Jason Strobel (The Glonge) Grade 5; Carol Neumann (Periscope) Grade 6; Adam Gajewski (Glue Gun Holder) Grade 7; Jill Bruendl (Detect a Drink) Grade 8; Becky Stoffel (Safe Sleep Stick) Safety Category; Brooke Waala (The Blind Leader) Special Needs Category; Luke Martin (Splash Guard) Best Household Invention; Chad Schoofs (The Shredder) Environmental Category.

"We're delighted at the innovation and range of ideas that were expressed by our inventors," Mrs. Kollmorgan noted. "If other school districts show this level of imagination and skill, we're sure to take a giant step forward to ensure a strong American economy and a competent, competitive workforce."

"We're facing a critical need in education today," commented Nancy Metz, Executive Director of "Invent America!" "As we prepare to meet the challenges of an increasingly complex world, these children's bright ideas and their creativity are our nation's most precious resource."

"Invent America!" launched in 1987, is administered by the non-profit United States Patent Model Foundation and is working in partnership with such major sponsors as K Mart Corporation, Binney and Smith, Inc., Duracell International, Inc., Pepsi-Cola Company and Polaroid Corporation.

KHS Beats Plymouth 4-1

Indian Softballers Finally Open Season

By Noel Stollenwerk

After watching Mother Nature wipe out the first three weeks of action, the Kewaskum girls softball team finally got on the field for a game last Tuesday. The result was almost worth the wait, as the Lady Indians posted a 4-1 victory over Plymouth here.

KHS coach Janet Molebash got a good effort from starting pitcher Rachele Krahn, an all-conference selection a year ago. Krahn shut down the Panther batters, allowing just three hits, two of which came in the seventh, when Plymouth posted their lone run.

Krahn also did the job at the plate, singling home a pair of runs in the third inning, when the Indians used some slick running on the base paths to get on the board.

Tanya Krahn opened the inning with a walk and promptly

stole second. After Julie Mertz walked, Krahn swiped third base as well. Krahn and Mertz then pulled off a perfect double steal, with Krahn crossing the plate for a 1-0 KHS lead.

After Julie Wagner drew another base on balls, KHS pulled off another double steal, putting runners on second and third. Rachele Krahn brought both runners home with her single, making it 3-0 Indians.

The Indians added another run in the fourth with more thievery on the bases. Shelly Williams walked and eventually came around to score after stealing two bases. Stephanie Heberer added a base hit in the inning as well.

The Indians committed just two errors in the contest, but collected just three base hits. Krahn got the victory, going the distance and walking just one.

By Noel Stollenwerk

KEWASKUM - The Kewaskum boys tennis team got many of its players back for its match against Plymouth here, last Thursday. Unfortunately, it didn't matter all that much.

The Indians did play a bit better than their season-opener against Two Rivers. The No. 3 doubles combination of Tom Menger and Dave Horner won the first set of their match against the Panthers' Rory Gilman and Tony Resimus. But

the Plymouth duo came back strong to win the second and third sets 6-1, 6-1.

Shorthanded Netters Blanked by Two Rivers

By Noel Stollenwerk

KEWASKUM -- Rarely does one see a forfeit at the varsity tennis level, but that was just what happened here, last Thursday afternoon.

With several regulars still on a band trip, and others missing altogether, the Kewaskum boys tennis team was left without enough players for its match with Two Rivers. KHS was forced to forfeit at the No. 3 doubles spot, putting an exclamation mark on the Raiders' 7-0 win.

All three KHS singles' play-

ers won three games over the two-set matches, but none were able to win a set.

TWO RIVERS 7, KEWASKUM 0

Federal Grant Funds KM Tree Planting

MILWAUKEE... State forests in southeastern Wisconsin will be greener this summer because of financial help from the federal government and a private association, said Richard Denney, Department of Natural Resources district forestry supervisor.

Two grants will allow the DNR to plant trees in the Northern and Southern Units of the Kettle Moraine State Forest in southeast Wisconsin. The trees were to be planted in April, weather permitting, prior to Forest Appreciation Week, April 26 to May 2.

The Northern Unit includes portions of Fond du Lac, Sheboygan and Washington counties. The Southern Unit is located in Walworth, Waukesha and Jefferson counties.

"A \$12,720 grant from the Small Business Administration will help fund the planting of 95,000 trees on 112 acres in the Southern Unit," Denney said. "The American Forests Heritage Global Re-leaf Project will provide \$26,000 for planting 180,000 trees on 208 acres in the Northern Unit.

"We are pleased to receive these monies for our tree planting programs on the two forests," Denney continued. "The trees will not only add to the aesthetics of these two recreational forests, but will also provide wildlife enhancement, increase biodiversity, reduce water and wind ero-

sion, and it will also provide wood to our forest industries."

Hardwoods and conifers will be planted at both sites, including red and white oak, walnut, white and red pine, and white and Norway spruce. Private contractors will plant the trees. Seedlings are provided by the department's nurseries.

The small Business Administration grant is designed to provide assistance to small businesses while creating a better environment through tree planting. The Heritage grant is funded by private donations. The goals of both programs include reforestation areas through private and public cooperative efforts. This is the first time the department received a Heritage grant and the second time it has received an SBA grant to fund planting efforts on state lands.

Property management Master Plans were recently completed for both the Southern and Northern Units. The plans call for reforestation efforts over the next 10 years.

"The goal of these reforestation efforts is to minimize forest fragmentation and restore native plants," Denney said. "These public and private efforts become a win-win situation for both the department and our customers, the public. Trees are the answer to America's growing environmental concerns."

Senior Citizen's Prom Held at KHS

On April 18, many senior citizens from the area enjoyed an afternoon of good music, good dancing and some refreshments to keep those dancing feet moving. This was the first ever Senior Citizen Prom which was held at Kewaskum High School in Rose Hall. The decorations from the Junior Prom of the night before were left up so that the Student Council could take advantage of all the hard work put in by the Junior Class. Music was provided by the Good Time Dutchmen, which included several of our high school musicians.

A Senior Citizen Court was selected through a drawing of all present. The Court members were Ray Ruplinger, Ruth Eggert, Dorothy Nigh, Les Bonlender, Adelaide Schoofs, Lloyd Westerman, Mr. and Mrs. Matt Schickert, Rose Mary Ruplinger (Queen) and Bill Thull (King).

Door prizes were won by the following: Virginia Benzschawel, John Stahl, Donald Schneider, Rose Mary Ruplinger, Les Bonlender, Dolores Prost, Matt Schickert, Adelaide Schoofs, Bernice Ramthun, Lloyd Westerman, Richard Degnitz and Lester Benzschawel.

The Kewaskum High School Student Council wishes to thank all in attendance and hope that more Senior Citizens will be here next year for the second annual Senior's Prom. The students had as much fun as the Seniors.

Letter to The Editor

Dear Editor,

I would like to publicly thank all the previous board and committee members who have served the Village of Kewaskum on their various assignments.

Residents of the village should be grateful to all the individuals that volunteer their time and are so dedicated to their work. There are 14 different committee, commission and boards plus many individual appointments that makes up our village government.

It is to these people we should be thankful for such an efficient and smooth running village. I would also like to welcome all the new members that have joined us recently.

In conformity with the new uniform warning system for the Sixth Region, new air raid signals are being inaugurated in Kewaskum. On May 10, at 5 p.m., the new signal system will be tried and demonstrated so that all in this community will be familiar with them. The first or "yellow" warning will assemble the control center staff and be the first warning to all points on the control center "yellow" list. This "yellow" warning remains confidential. On the "blue" warning all whistles will be blown in a steady tone for two minutes. This means the probability of attack by hostile planes. The defense forces will mobilize. Dwellings, business places, industries not under war production and all street lights will be blacked out, except those necessary for traffic safety. The "red" warning will be an audible signal of two minutes or more of all whistles in rising and falling tone. All lights remaining after those extinguished after the "blue" warning, will be blacked out for the duration of the "red" warning. The public will seek shelter. All traffic will cease. The "blue" or semi-clear will always follow the "red" signal after the immediate danger has passed. The community will then return to regulations of the "blue" stage, as set forth in the paragraphs above, for with the possibility of hostile planes returning it may be necessary to resume the "red" stage of alert. There will be no audible "all clear" or "white" signals. The "all clear" will be indicated by turning on street lights. Public radio will also indicate the "all clear." Certain designated radio stations will remain on the air even during "blue" and "red" signals. The revised system of air raid warnings went into effect as of April 27, 1943, throughout the state of Wisconsin.

"Ask the Professor" an operetta by Clark-Lee-Clark, will be presented to the combined, high

school choruses in the school auditorium Friday and Saturday evenings, May 14 and 15 at 8 p.m. Featured in the operetta will be a gypsy dance performed by the following eight girls: Rachel Brauchle, Beatrice Hafemann, Doris Mae Stahl, Evelyn Techtmann, Lillian Werner, Adeline Zacho, Arline Uelmen and Valeria Koerble. Another dance group is composed of Laverne Moldenhauer, Helen Bunkelmann, Beatrice Vorpahl, Dorothy Vorpahl, Lois Koch, Betty Jane Krueger, Marilyn Perkins and Eileen Backus. The principal actors and singers include Ione Koenig, John Stellflug, Marjorie Bartelt, Marvin Kempf, Dolores Hammen, Marjorie Schmidt, Donald Koerble, Joy Zanow and Gilbert Seil. The queen's court is made up of: Trumpeters - Eleanor Schaeffer, Dorothy Harter; Couriers - Lois Zanow, Grace Zanow, Margaret Nigh, Marian Nigh; Ladies in Waiting - Bernice Luepke, Evangeline Schmidt, Ursula Thull, Audrey Ehnert, Rose Ellen Schmitz and La Verne Siegfried.

The third member of the Elwyn Romaine family of this village left on Sunday morning to begin training in the armed forces. She is Miss Charlotte Romaine, who enlisted in the WAVES in March, and has been called into active service. Charlotte followed in the footsteps of her brother, Seaman Second Class Robert Romaine, U.S. Navy, who lost his life at sea some time ago in action with the navy. He was the first man in service from Kewaskum and Washington County to receive the gold star and to be awarded the Purple Heart posthumously for meritorious service. Charlotte has another brother, Sgt. Curtis Romaine, in the army air corps. She is the first girl from Kewaskum to join the WAVES.

Lloyd A. Petermann, son of Mr. and Mrs. Henry Petermann of the Town of Auburn, was one of a group of Fond du Lac County men who left last week for Great Lakes, Illinois, to begin training in the navy. Petermann graduated from the Kewaskum High School last year. Inducted into the army with the group was Arthur W. Guenther of Campbellsport, son of Mr. and Mrs. A.W. Guenther, and a nephew of the William Guenthers of this village.

Mr. and Mrs. Edwin Fickler Jr., Route 2, Kewaskum, are the parents of a son born at St. Joseph's Hospital, West Bend, on May 4. A son was born to Mr. and Mrs. Clarence Weinert, Route 2, Kewaskum, at the West Bend Hospital on May 2.

Plans are underway, for the movement of the entire 331st artillery brigade at Camp Grant, Illinois to the Artillery range near Sparta, Wisconsin. They are ordered to travel the entire distance on horseback and will have to sleep on the road under canvas. Two of our popular young men belong to this company, namely: Edwin Miller, better known as "Spatz" Miller, and Carl Westerman.

On Wednesday, May 1, at the St. Bridget's Catholic Church, occurred the marriage of Miss Florence Schmidt of the Town of Barton to Mr. Clemens Reinders.

The Holy Trinity Church was the scene of a very pretty wedding on Tuesday morning when Miss Rose Staehler, daughter of Mr. and Mrs. John Staehler of the Town of Kewaskum, was joined in bonds of matrimony to Joseph Mueller of Campbellsport.

Herman Gilbert, manager of the local pocket book factory, moved his family and household goods from West Bend to this village on Wednesday and is now occupying the upper flat of the Geo. H. Schmidt residence, at the intersection of Main Street and Fond du Lac Avenue.

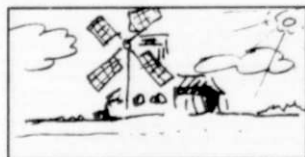

Last week Friday being Liberty Day, all business places in this village, were closed during the afternoon.

Village Board Meeting Minutes

Village of Kewaskum
Plan Commission
April 27, 1993
8:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin, met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were Donald Mlodzik, Richard Schmidt, Gary Gavin, Jeffrey Rohrer, Mark Slaughenhoup, Zoning Administrator Richard Zaring and Administrator Daniel Schmidt. Jeffrey Rohrer arrived late (8:20 p.m.) and Gerald Stollenwerk asked to be excused and was absent.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Gary Gavin, seconded by Mark Slaughenhoup and unanimously carried by voice vote the Commission approved the minutes as printed for March 23, 1993.

The Commission reviewed the Certified Survey Map for a parcel adjacent to Bonnie Lane which is zoned AG-2 Agriculture Related District and which there is a request for rezoning to R-1 Single Family Residential District. On a motion by Richard Schmidt, seconded by Donald Mlodzik and unanimously carried by voice vote, the Plan Commission recommended approving the CSM and sending a favorable recommendation to the Village Board regarding the CSM.

On a motion by Mark Slaughenhoup, seconded by Gary Gavin and unanimously carried by voice vote the Plan Commission is sending a favorable recommendation on the rezoning request of Thomas Timblin and sending it to the Board for public hearing.

On a motion by Gary Gavin, seconded by Donald Mlodzik and unanimously carried by voice vote the Plan Commission approved the Pheasant Run subdivision plat for lot 4 of the CSM and sent it to the Village Board for review with a favorable recommendation.

Mr. Joe Smith was present and reviewed his request for the abandonment of the southwesterly undeveloped portion of Bel-Ric Drive. The Commission reviewed Mr. Rick Kana's recommendation regarding the abandonment and determined they would prefer to see the street extended to the end of the dedicated roadway. Mr. Smith asked the Commission how they felt regarding the rezoning of the three lots from R-3 Two Family Residential District to R-4 Multi-Family Residential District if only 6 units would be placed on the combined lot. Gary Gavin indicated that if the number of units did not exceed the existing zoning he felt there would be no problem. It was also indicated that a similar type approval had already been given to the property, but had died for not completing the transaction. Mr. Smith indicated he would request the rezoning and agreed if that is granted to construct the road to the end of the dedicated area.

Regarding the proposed land use plan it was noted the County Subcommittee is recommending the submission of a grant to complete the topographic and monumentation work. The village will be asking the Town to support its' efforts in the completion of this work.

The Commission reviewed the request of Dave Ramthun regarding the rezoning of 203 Main Street, from B-3 Central Community Retail Business and Service District to R-3 Two-Family Residence District. It was noted the lot is only 2,376 square feet in size and does not meet the 12,000 square foot requirement for the R-3 zoning. The question of being able to provide four parking stalls was also reviewed. It was noted that if this matter proceeds to the Board for public hearing, a survey showing the location of the building in relation to the lot lines and the parking stalls in relation to the lot lines would be essential. On a motion by Richard Schmidt seconded by Mark Slaughenhoup, and unanimously carried by voice vote, the Commission denied recommending the zoning for the aforementioned reasons

and indicated Mr. Ramthun be given an opportunity to withdraw his request to be reimbursed his \$100 filing fee.

The Commission held a general discussion on the status of the downtown area and indicated it would warrant further discussion by both the Commission and Board as well as the Chamber of Commerce.

On a motion by Donald Mlodzik, seconded by Gary Gavin and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

Wichtoski, Jacak Take Firsts Indian Boys Fifth at County Outdoor

By Noel Stollenwerk

SLINGER - While the boys team title was not in doubt at the Washington County Outdoor, there was a heated battle for the runner-up spot in the meet. Unfortunately for the Kewaskum boys squad, it was not a part of the race for second.

Germantown ran away with the boys team championship at the meet (125 points), while the Indians had to settle for a fifth-place showing (65). Hartford won the battle for the runner-up spot (94.5), edging Slinger (90.5) and West Bend West (90). West Bend East finished behind Kewaskum (53), with Kettle Moraine Lutheran seventh (5).

"I was relatively happy with the way we ran," KHS coach Jerry Gosa said about the effort. "But there's always room for improvement."

The Indians did bring home a pair of winners in the meet. Long jumper Jim Wichtoski bested the field in that event with his leap of 19-1.5. Sophomore Travis Jacak accounted for the other Indians victory, winning the high jump (6-2), in the process tying his personal best.

Wade Kreis gave the Indians a

1-2 finish in the long jump, as he was right behind Wichtoski with his 18-11 effort.

Senior distance ace Jeff Dirmeier earned a second in the 800 (2:06.4), finishing behind only West Bend West's Scott Hammer. Hammer set a meet record by breaking the 2:00 mark in the race (1:59.3).

The Indians also got three thirds in the meet. Senior Jim Rix took third in the shot put (44-6.5) with another consistent throw. Soph David Gosa was third in the mile (4:51.1), while senior Brian Bruendl finished the same in the triple jump (38-3.5) with his best effort of the year.

KHS got fifths from all three of its relay units. The 400 relay (Beau Coulter, Aaron Kurth, Wayne Stearns, 48.6), the 1600 relay (Stearns, Matt Tonn, Wichtoski, 3:49.3) and the 3200 relay (Damien Doherty, Dirmeier, Gosa, 9:27.8) all finished in the fifth spot, thus earning points.

KHS got sixths from Jeff Dirmeier in the 1600 (4:53.1), Matt Tonn in the 400 (55.7), Wade Kreis in the pole vault (10-6), and a pair from Dan Schulteis in the shot put (41-5) and discus (115-2).

Schmidt Second Fastest

By Noel Stollenwerk

KEWASKUM - The time was good enough to capture first place at the Pewaukee Invitational Friday, but in essence, it was even bigger than that.

Christa Schmidt's 48.2 clocking in the 300 hurdles race Friday earned her the second fastest time in the state so far this year. That was the word from Jack Rauwerdink and his listing of the state track and field honor roll.

The honor roll lists the top times in each event, with all the divisions included as one. Only Hartland Arrowhead's Sommerfeldt was faster than Schmidt, as she recorded a 47.3 mark.

Schmidt also was listed in a tie for 11th in the 100 hurdles with her 16.4 clocking.

Teammate Ginger Wiesner also made the honor roll, coming in seventh in the 400 (61.2). Wiesner also recorded her time at the Pewaukee Invitational.

So too did the 1600 relay team, whose mark of 4:16.0 ranked them eighth overall in the state. The 1600 relay team consists of Schmidt, Wiesner, Mary Yahr and Missy Rohrer.

Indians Last at Hartford Invite

By Noel Stollenwerk

HARTFORD - Just how far back was the Kewaskum golf team at last Friday's Hartford Invitational?

Consider this. Even if tournament officials were in a jovial mood and decided the Indians could throw out their best score and use a three-man team, the Indians still would not have been able to win.

The Indians, without a single returning letterwinner, carded a team total of 424, exactly 100 strokes behind Hartland Arrowhead. The Warhawks won the 19-team tournament with a score of 324, one stroke ahead of Wisconsin Lutheran.

The Indians finished dead last in the Invite, 24 shots behind the next-worst score of 400 carded by St. Francis.

"There weren't really any highlights," KHS coach Joe Harlow reported. "It wasn't very pretty."

The Indians had just one golfer break the 100 mark, that being Nathan Vetter, who carded a 98. Sophomore Shane Engelking carded a 101, while Robbie Donath was three strokes back at 104. The Indians' other counter, Doug Buechel, struggled in his first varsity match, finishing with a 121.

Wisconsin Lutheran's Mark Wilson was the meet medalist with a round of 71.

HARTFORD INVITATIONAL TEAM SCORES - 1. Arrowhead 324; 2. Wisconsin Lutheran 325; 3. Kettle Moraine 327; 4. Homestead 329; 5. Nicolet 339; 6. West Bend West 434; 7. (tie) Racine Case, Grafton, 344; 9. Wauwatosa East 345; 10. Menomonee Falls 346; 11. Brookfield East 355; 12. Germantown 360; 13. Cudahy 373; 14. Hartford 375; 15. West Bend East 378; 16. Brookfield Central 383; 17. Waupun 397; 18. St. Francis 400; 19. KEWASKUM 424.

Six Firsts Pave the Way Lady Indians Capture County Outdoor Title

By Noel Stollenwerk

SLINGER - It was quite fitting. Kewaskum runners Christa Schmidt and Ginger Wiesner had already put in a full day's work at the Washington County Outdoor track meet here, last Tuesday. The pair had already combined for three firsts and two seconds in leading KHS to a slim team lead over Hartford, heading into the final event, the 1600 relay.

So it was poetic justice that the duo ran the final two legs of the relay, leading the Lady Indians to victory, and thus hanging on for the County Outdoor title. It was the second team win in four years for KHS, and coach Perry Koth.

"We had a great meet," Koth said of the efforts. "Christa and Ginger each had strong meets."

Schmidt and Wiesner capped off outstanding performances in helping Nicole Hetzel and Mary Yahr win the 1600 relay (4:25.6). Schmidt turned in her best times of the year in winning both the 100 hurdles (16.4) and the 300 hurdles (49.4).

Wiesner, meanwhile, won her specialty, the 400 dash (63.6), and added third in the long jump (15-1.5) and the 200 (28.4).

Hetzel had a hand in another win by the Lady Indians. Hetzel teamed with Chrissy Neumann, Rachel Chambers and Missy Rohrer to best the field in the

3200 relay (10:58.4). Rohrer also had a fine day all-around, placing in the triple jump (second, 29-10) and the 800 (2:37). Hetzel was just ahead of Rohrer in the 800 (2:36.8).

"She's been very consistent," Koth said of Hetzel's times.

Robyn Winninghoff also did well, winning the discus (104-10) and taking fourth in the high jump (4-6). The Lady Indians were strong in the field events, with Beth Kempf (third, 33-5) and Becky Yogerst (fourth, 33-3.25) double placing in the shot put as well. Karla Kirst also added a fifth in the triple jump (29-1.5) for another double place for KHS.

"That was the whole key," Koth said of the double placing.

The win was somewhat of a surprise for Koth, who didn't know what to expect from several athletes who were on the school's music trip to South Carolina. The athletes returned home late Monday night, after a nearly 24-hour bus trip.

Koth hopes the team title is a springboard for his squad, which participates in two more Invitationals and another two triangulars in an eight-day period, beginning last Friday. The Indians culminate the rough stretch with Sheboygan Falls' Vander-Pan Relays this Friday.

The KHS girls will also be

hosting their final meet of the season on Tuesday, when they entertain New Holstein.

KHS Girls Roll Over Kiel

By Noel Stollenwerk

KEWASKUM - With a busy schedule that has his team competing in six meets, including three Invitationals, Kewaskum girls track coach Perry Koth used last Wednesday's meet against Kiel as an exhibition-type get-together.

It didn't matter much though, as the Lady Indians rolled to a 78-53 win over the Raiders, using several athletes in different events, while resting other key performers.

Robyn Winninghoff and Christa Schmidt were each double winners for KHS. Winninghoff took the high jump (4-10) and the discus (94-3), while Schmidt won both hurdle events (18.1 in the 100, and 50.2 in the 300).

Becky Yogerst won the shot put (33-6) and Missy Rohrer the triple jump (29-5). Denise Ludwig captured the 100 dash (14.5), while Lisa Stern took the 400 (1:17.7). Ginger Wiesner, normally the Indians' top 400 runner, did not compete in the meet, while several other key athletes were either held out or ran different events.

KHS Boys Blast Kiel Runners

By Noel Stollenwerk

KEWASKUM - Perhaps the competition the night before helped prime the Kewaskum boys track team for its meet last Wednesday here with Kiel.

Whatever the case was, the Indians turned in some of their best efforts as KHS rolled over the Raiders, 108-28. The effort please Indian coach Jerry Gosa, whose team finished fifth in the tough Washington County Indoor less than 24 hours earlier.

"I think the kids were really psyched for this meet," Gosa said, explaining that it was the team's lone home meet of the season. "We ran real well." So well, in fact, that the Indians won all but four of the 16 events.

Junior Brad Jackson returned to action for the Indians, and was immediately paid dividends. After missing several weeks due to a foot injury, Jackson cleared 12-9 in the pole vault to win the event.

Damien Doherty also did well, according to Gosa. The freshman won the 3200 (11:06.9), knocking almost 10 seconds off his previous personal best. "That was nice to see."

Soph Travis Jacak won the high jump (6-2), while David Gosa took the 1600 (4:49.8), edging teammate Randy Thull, whose 4:59.3 was also a personal best. "That's a great time for him, seeing it was the first time he ran that event," Gosa said.

Other personal bests noted by Gosa were Dan Schulteis (124-5 in the discus), Dean Kreis (11-0) in the pole vault, Chad Harlow (46.0) in the 300 hurdles, Tyler Dieringer (10-0) in the pole vault, and Kevin Kohn (2:14.9) in the 800, and Jim Rix in the shot put (44-8.25).

Other firsts recorded by the Indians included Randy Stearns in the 100 (12.3), the 400 relay team (48.0), Jim Wichtoski in the long jump (18-6), Brian Bruendl in the triple jump (37-10.75), Jeff Diermeier in th 3200 (11:04.2) and the 1600 relay unit (3:46.2).

Gosa also cited several JV runners for their fine efforts in the Indians' 71-14 win. Joe Rettler's 57.7 and Brian Butschlick's 57.8 in the 400 were personal bests, as was Frank Fry's 5:14.8 in the 1600.

Golfers Third At Horicon

By Noel Stollenwerk

HORICON - With no letterwinners on the squad this year, Kewaskum golf coach Joe Harlow has his work cut out to find five consistent players to make up the team.

Harlow's work continued here, last Wednesday, as the Indians struggled to a 222 total, leaving them behind Horicon (184) and Columbus (201) in a triangular meet.

"We're showing a little improvement," KHS Coach Joe Harlow said regarding his troops. "If we would have had the right group (with two JV players), we would have broken 200."

Sophomore Nathan Vetter made a bid to be considered for the varsity squad, shooting a team-low 51 in the meet. Robbie Donath was next with a 53, with Gregg Serwe (58) and Jim Westermann (60) rounding out the Indian totals.

Horicon's Todd Bushkie was the medalist for the meet, carding a 43.

Depth Helps KHS Girls Win Pewaukee Invite

By Noel Stollenwerk

PEWAUKEE - Kewaskum girls track coach Perry Koth wasn't quite sure just how deep his team would be entering the season. But it is becoming apparent that the 1993 Lady Indians are a team with loads of talent.

That was never more evident than here, last Friday afternoon, as the KHS girls won their second Invitational in four days. Kewaskum used double places in seven events, accumulating 151 to easily capture the Pewaukee Invitational.

Wisconsin Lutheran was second (129), followed by Thomas More (114), the host Pirates (73), Union Grove (29) and St. Francis (26).

"The whole team had a great meet," Koth exclaimed. "Everyone who participated in the meet placed. Our people in the field events had a great meet."

Leading the list of fine efforts were the KHS shot putters, Beth Kempf (35-4.5) and Becky Yogerst (33-10.5), who finished 1-2 in the event. "That was the first time she's thrown 35 feet," Koth said of Kempf's toss.

Senior Robyn Winninghoff took first in the discus (103-8), with Kempf adding a third (92-10). Winninghoff helped KHS to another double place in the high jump as she took fourth (4-4). Freshman Kelly Schreffler stunned the field by winning the event (4-10).

"That was quite a nice surprise," Koth said of the frosh

Schreffler.

Ginger Wiesner, meanwhile, took third in the long jump (15-6), and Missy Rohrer added a fifth in the triple jump (29-4), giving the Lady Indians a total of 55 points in the five field events.

Wiesner added a first in the 400 (61.2) with her best time of the year. The junior speedster also contributed four points with her fourth in the 200 (27.7).

Senior Christa Schmidt "had another outstanding meet," according to Koth. Schmidt won both hurdles events, with a time of 16.4 in the 100, and 48.2 in the 300, both times her best of the year.

Other firsts for KHS included Chrissy Neumann in the 1600 (5:58.7) and the 1600 relay (4:16.0).

"That's way ahead of the pace we thought they'd be at," Koth said regarding the 1600 unit. As for Neumann, "that's the first time she's broken the 6:00 mark, ever."

Nicole Hetzel shaved a couple seconds off of her best 800 run (2:33) in taking second, while Mary Yahr had a couple of places, fourth in the 100 hurdles (17.6), and sixth in the 200 (28.6).

KHS Boys Third at Pewaukee

By Noel Stollenwerk

PEWAUKEE - Considering his team would have a week-long rest after the meet, Kewaskum boys track coach Jerry Gosa was expecting a good effort from his troops in last Friday's Pewaukee Invitational here.

Gosa got just that, as the Indian boys finished third in the six-team meet. Wisconsin Lutheran took team honors with its total of 160, followed by Thomas More (129), and the Indians (97). Union Grove was fourth (75), followed by the host Pirates (45) and St. Francis (17).

"Our field events were strong," Gosa said, adding that the team overall may have been a bit tired from the busy schedule. "I think we were burned out a little."

Senior Jim Wichtoski continued to shine in the long jump. After winning the event at the Washington County Outdoor three days earlier, Wichtoski finished a strong second with his leap of 20-5, representing a personal best.

Wade Kreis, who was second at the County Outdoor, also broke the 20-foot barrier, finishing third (20-1).

Brian Bruendl's 38-3 leap in the triple jump netted him a second, while Travis Jacak also was a runner-up in the high jump (6-0). Dan Schulteis added another KHS second with a toss of 128-0 in the discus. Dean Kreis also took a second, clearing 10-0 in the pole vault, an event won by KHS' Brad Jackson (12-0).

Gosa was also pleased with Randy Thull, who turned in a sixth in the 3200 (10:41.5). "That's a real good time for him," Gosa said.

Schulties added a fifth in the shot put (44-11), while Jim Rix placed in both the shot (sixth, 44-6) and the discus (fifth, 111-8) as well.

Chad Harlow was a double-placer for KHS, taking fourth in the 110 hurdles (17-0) and 300 hurdles (45.7), the latter being a personal best. Jeff Dirmeier took fifth in the 800 (2:07.9) and sixth in the 1600 (5:00.9).

In all, the Indians had double-places in eight events. Still, Gosa could see that his runners,

especially the distance people, were drained.

"We seemed adversely affected by the three meets in four days," the KHS boss said. "We had run real hard on Tuesday and Thursday and it showed."

Gosa had words of praise for frosh Brian Butschlick, who although not placing, turned in a time of 2:13.4 in the 800, easily a personal best. "That was just excellent."

The KHS boys now have off until Friday, when they participate in the Vanderpan Relays at Sheboygan Falls. After a triangular next Monday at Plymouth, the Indians will ready themselves for the Eastern Wisconsin Conference meet next Thursday also at Plymouth.
