## Big Top Circus Here Wednesday

The Washington County Fire Chiefs Association is bringing one of America's finest big top circuses to Kewaskum on Wednesday, Aug. 4, on the Holy Trinity Church grounds.

The Culpepper and Merriweather Circus, complete with aerial acts, clowns, elephant, jugglers, ponies, and much more, and a huge Big Top, will unfold its tents early morning on circus day. The public is invited to watch the Big Top go up using elephant power as circuses did a century ago.

In an age where much entertainment seems to be unfit and unwholesome, the Culpepper and Merriweather Circus offers a wonderful idea so old, it's new -- **ENTERTAINMENT FOR PEOPLE OF ALL AGES**. Top notch acts with beautiful costumes will delight

and astound children, parents, and grandparents, too. After 300 years, the American Big Top is not only surviving, it is returning strong.

The Culpepper and Merriweather Circus, now in its 9th season, has built a reputation on honesty and cleanliness. The Circus has had articles written about it in prominent newspapers, including the Los Angeles Times, The Milwaukee Journal, and has been featured on national television in both Entertainment Tonight and National Geographic's Explorer series.

Tickets can be purchased in advance at Sentry Foods in Kewaskum. For information, call 335-5052

*Pictures of "Jo-Jo" the clown can be seen on page 3.*

## Horseshoe Tournament Held Here This Weekend

The 5th Annual Horseshoe Tournament will be held in the Kiwanis Community Park in Kewaskum this weekend, Saturday, July 31, and Sunday, August 1.

The tournament is sponsored by the Kewaskum Tuesday Night Couples League and the Wednesday Night Mens League. There are already 85 entries from people throughout the state of Wisconsin.

The weekend event will be open to the public on Saturday from 8 a.m. to 6 p.m. and

Sunday from 8 a.m. to 4 p.m. An information booth will be located at the horseshoe pits.

Coffee and donuts will be available in the morning and brats, hamburgers, hot dogs and refreshments will be on hand throughout the day. Camping for out-of-town entries, is available at Timber Trail, Mauthe Lake and Long Lake.

The tournament would appreciate volunteer score markers. For more information, contact Rob Struebing at 626-2018.

## 'Surly Surveyor' to Present Program at Ice Age Center

On Saturday, August 7, DNR Property Manager Rob Nurre will present the "Surly Surveyor" at the Ice Age Center, west of Dundee on Highway 67 at 7:30 p.m.

Dressed in traditional clothing of an 1835 surveyor, Nurre will portray Daniel Burnham, Deputy Surveyor of the General Land Office (1835). Using Daniel Burnham's survey notes, written in 1835, Rob Nurre will present a look at the pre-settlement landscape of the Kettle Moraine State Forest.

Rob Nurre is a part-time project employee of the DNR's

Bureau of Property Management. His project involves the acquisition and management of some 650 islands, scattered throughout Wisconsin, which are currently owned by the Federal Government.

He is also the proprietor and historical ecologist of Acorn Land Resources in Stevens Point, Wisconsin. The "Surly Surveyor" program has been presented over 200 times throughout the Old Northwest Territory which is now considered the Midwest.

## ALVARADO PICKED TO HEAD NEW KHS SOCCER PROGRAM

By Noel Stollenwerk

KEWASKUM - The challenge of starting a new extra-curricular program on the high school level is a tough one.

But that challenge is also one of the main reasons that Manuel "Manny" Alvarado applied for the new position of Kewaskum High School soccer coach.

Soccer was recently added to the high school's extra-curricular activity list, with the program to begin this fall. The sport is open to both boys and girls. The Kewaskum School Board made Alvarado their choice to head the program at a meeting July 12.

"Yes, I'm very excited. I think it's a great challenge for me," Alvarado said of being named the school's first-ever soccer coach. "I want to get them started on the right foot. I think I have something to offer the program."

What Alvarado has to offer is over 20 years playing experience, and another five years of coaching experience.

Born in El Salvador, Alvarado began playing soccer when he was just seven years young. He moved to the United States (California) in 1969, and admitted he didn't play much after moving to the country.

But after migrating to the area in 1984, Alvarado once again began playing the game he loves, as well as coaching it. He has coached the West Bend Soccer Club's United-19 girls team, as well as the U-14 boys program.

He now plays for the Hartford Soccer Club in an over-30 league in Milwaukee. "It's basically a fun league," Alvarado said of that venture.

Alvarado's wife, Patricia, is a KHS Spanish teacher, and they are the parents of three children. The couple currently resides in West Bend.

Alvarado says that starting a new program at the high school level is particularly intriguing.

"It would have been appealing either way," Alvarado said, adding, "but I've coached young kids that didn't have the experience, so that'll be no problem."

The new KHS boss says that he plans to open practice on August 16th, before school is set to begin. "It will just be the basic things at the start," he

## Former Resident Heads Las Vegas Casino

Judy Campbell

Former Kewaskum native, Judy Campbell, is director of administrative operations of a new Las Vegas casino that opened April 1st.

Campbell, who started working for the Boyd Group in 1978 as a blackjack dealer, is among a minority of women casino executives. This is the first casino opening she's been involved with.

The casino reopened and renamed Joker's Wild, was previously the Cattle Baron, but failed after only three months in business because of financial woes. The property has a troubled history due to the Pacific

Engineering and Production Co. explosion in 1988.

Patrons will find the casino brighter and simplified now that Campbell, the long-time gaming operator, is in control. "I'm really excited about it," said Judy. "This is something I've never done before. We've put this together in 86 days. The construction workers and contractors worked a lot of hours to get this together."

The new casino is remodeled and restaffed, and accommodates more slot machines and table games than the previous one. Live entertainment is featured in the lounge.

## Kewaskum School District Student Registration Day

Registration for all students K-12 will take place Thursday, August 5, 1993 from 10:00 a.m. to 6:00 p.m. Please register your child/children at the school they will be attending. Middle School and High School students will be mailed registration

materials soon.

Please be prepared to pay general fees at the time of registration. They are as follows:

Kindergarten -- \$26.00 (includes first semester milk fee); Grades 1-5 -- \$12.00; Grades 6-8 -- \$16.00 (without yearbook), \$29.00 (with yearbook); Grades 9-12 -- \$22.00 (includes class dues), (plus optional purchases).

It is important that all children be registered on August 5. Please mark your calendar and plan to attend.

says, "just to kind of see what we have to work with."

"It will take a lot of hard work," for both him and the players, he says. "But that's what I'm there for... to teach them how to play the game."

## Graduates of Moraine Park

The following students recently graduated from Moraine Park Technical College, Fond du Lac campus:

Scott M. Berger, Kewaskum, received a diploma in Ag Diesel Power Mechanic.

Daniel J. Fehring, Allenton, received a diploma in Automotive Technician.

David H. Jacob, Kewaskum, received an associate degree in Civil Engineering Technician-Structural with high honors.

Brian J. Brendemihl, Kewaskum, received an associate degree in Electronics-Computer.

Bruce A. Brendemihl, Kewaskum, received an associate degree in Electronics-Computer.

Larry J. Martin, Kewaskum, received a diploma in

Emergency Medical Technician-Basic with high honors.

Angela E. Rodenkirch, Kewaskum, received a diploma in Emergency Medical Technician-Basic with high honors.

Franklin J. Simonson, Kewaskum, received a diploma in Emergency Medical Technician-Basic.

Michael D. Rodenkirch, Kewaskum, received a diploma in Farm Business and Production Management with honors.

John A. Schmidt, Kewaskum, received an associate degree in Marketing with honors.

Carolann Ramthun, Cambellsport received an associate degree in Mechanical Design Technician.

Laura A. Knorr, Kewaskum, received an associate degree in Medical Secretary.

The following students recently graduated from Moraine Park Technical

College, West Bend campus.

John J. Coulter, Kewaskum, received an associate degree in Supervisors Management with high honors.

Richard A. Krahn, Kewaskum, received an associate degree in Supervisors Management with honors.

Andrew W. Pesch, Kewaskum, received an associate degree in Supervisors Management with honors.

Nicole A. Fellenz, Kewaskum, received a diploma in Medical Transcription.

Mary R. Kudek, Kewaskum, received an associate degree in Accounting with honors.

Kristine J. Heisdorf, Kewaskum, received an associate degree in Medical Record Technician.

Donna M. Marshall, Campbellsport, received an associate degree in Medical Record Technician with honors.

## County Taxes Due Aug 2

West Bend... Washington County Treasurer, Fredric A. Seefeldt, today reminded county taxpayers that they have an extra two days this year to pay postponed real estate taxes.

"Normally, the second half real estate taxes are due on or before July 31, but since the 31st falls on Saturday, payments made on Monday, August 2, will be timely," Seefeldt said.

Seefeldt directed his reminder to those taxpayers who chose to pay one-half of their taxes last winter to their local treasurer with the balance to be paid to the county treasurer by August 2 this year. City of West Bend taxpayers represent the one exception. They make their final payment to the city treasurer at the West Bend City Hall.

"Payments can be made in

person or mailed to the treasurer's office," Seefeldt said. The Treasurer's office is located in Room 226 of the Courthouse, 432 E. Washington St. (Hwy. 33 East), West Bend. Office hours are 8 a.m. to 4:30 p.m. Monday-Friday. Payments by mail should be addressed to: Washington County Treasurer, P. O. Box 1986, West Bend, WI 53095-7986.

Seefeldt cautioned those people waiting until the last minute to mail their payments to mail early enough to insure an August 2 postmark. "If you wait until the 2nd, then ask the post office to hand cancel your envelope to protect yourself from late payment charges," Seefeldt advised.

Raisins are rich in nutrition, containing ten minerals of important food value, including iron and copper.

# Announcing Our Custom Order Sofa and Chair FACTORY-AUTHORIZED SALE

**NOW TWO WEEKS ONLY THROUGH AUGUST 9th**

GET EXACTLY THE SOFA & CHAIR YOU WANT AT THE BEST SALE PRICES OF THE YEAR

■ Custom Orders delivered in just 30 days

# Jo-Jo Visits My Little Friends

Children at My Little Friends Daycare had a special surprise visit from Jo-Jo the clown Monday morning. Jo-Jo (Jo De Meo) is here in town to promote the upcoming Culpepper and Merriweather Circus performing under a big Top on Wed., Aug. 4, on the Holy Trinity Church grounds in Kewaskum. The Circus is being brought to you by the Washington County Fire Chiefs Association. Children young and old are invited to the church grounds at 9 a.m. the morning of the circus to help Barbara the elephant help set up the circus tent. Tickets can be purchased in advance at Sentry Foods in Kewaskum. For further information, call 335-5052.

# Vote for Mayor of Kohlsville Picnic

The Kohlsville Vol. Fire Dept. picnic and parade is just two weeks away, on Aug. 7th and 8th.

This means we only have a short time to get all our entries together for our parade on Sun., Aug. 8th at 11:30. This also means that the deadline for our Mayor of Kohlsville Contest is fast approaching. All ballots must be received by Sat. evening, Aug. 7th, at 10 p.m. The winner will be announced at the picnic when all the votes are counted.

The following is a list of all nominees so far and the number of votes they received: Curt Martin 59, Arlene Lohmeyer 52, Carl Brath 33, Larry Hug 15, Roger Kudek 11, Daniel Schulz 10, Mrs. Wm Hudson, Sr., 10, Willmer Herman 10, Gene Schuppel 8, Ed Mayer 6.

Tom Troller 6, Adolph Koenig 5, Ron Panzer Sr. 3, Gerald 'Pancho' Schulz 3, Bev Mayer 2, Rosa Fromm 1, Merlin 'Sam' Ernisse 1.

For those who did not learn the rules of the contest, they are as follows:

1. The duties of the mayor will include and be limited to participation in the parade in Kohlsville on Aug. 8th.
2. All monies will go towards funding the parade.
3. Nominees for mayor shall be limited to the Kohlsville Fire Dept. protection area or someone affiliated with the Kohlsville Fire Dept.
4. One dollar per vote.
5. Vote as often as you want.

Make checks payable to

"Kohlsville Fire Dept." and write donation on your check. Send votes to: Mayor of Kohlsville Contest, Gerald Schulz, 5520 Hwy. D, West Bend, WI 53095. Copies of ballot may be reproduced.

Ballot is as follows: My vote for mayor is \_\_\_\_\_ Amount enclosed (\$1.00 per vote) \_\_\_\_\_

We hope to see you all out at Kohlsville. Please help to make this a successful weekend for the Kohlsville Fire Dept.

## Campus Notes

The following area students were included on the dean's list at University of Wisconsin-Madison School of Education:

- Joseph P. Koch, Route 1, Campbellsport, social studies.
- Nicole R. Gaffke, Kewaskum, physical therapy.

## National School Lunch Program Family Eligibility

The School District of Kewaskum today announced its policy for children unable to pay the full price of meals served under the National School Lunch Program. Each school office and the central office has a copy of the policy, which may be reviewed by any interested

party.

The following household size and income criteria will be used for determining eligibility. Children from families whose annual income is at or below the level shown are eligible for free and reduced price meals.

**INCOME CHART**  
Effective from July 1, 1993 to June 30, 1994)

Household Size	Annual	Month	Week
1.....	12,895	1075	248
2.....	17,466	1454	336
3.....	21,997	1834	424
4.....	26,548	2213	511
5.....	31,099	2592	599
6.....	35,650	2971	686
7.....	40,201	3351	774
8.....	44,752	3730	861
For each additional family member add:	+4,557	+380	+88

Application forms were given to each family on registration day. To apply for free or reduced price meals households must fill out the application and return it to the school. Additional copies are available at the principal's office in each school. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by school or other program officials. Applications may be submitted at anytime during the year.

To obtain free or reduced price meals for children for whom households receive Food Stamps or Aid to Families with Dependent Children (AFDC), an adult member needs only to list the names of the school children, give Food Stamp or AFDC case number for each child, sign his/her name and return the application to the school office. Households must inform the school authorities when they no longer receive Food Stamps or AFDC.

For the school officials to determine eligibility for free or

reduced price meals of households not receiving Food Stamps or AFDC, the household must provide the following information requested on the application: names of all household members, and the social security number of the adult household member who signs the application. In lieu of a social security number, the household may indicate that the signer does not possess a social security number. Also, the income received by each household member must be provided by amount and source (wages, welfare, child support, etc.). Households are required to report increases in income of over \$50 per month or \$600 per year and decreases in household size.

Under the provisions of the free and reduced price meal policy, the District Administrator will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with determining official on an informal basis. If the parent/guardian wishes to make a formal appeal, he/she may make a request either orally, or in writing to: Mr. Neal Weare, School Board President, W1065 Auburn - Ashford, Campbellsport, WI 53010, phone: 626-2782. If a hearing is needed to appeal the decision, the policy contains an outline of the hearing procedure.

If a household member becomes unemployed, or if the household size changes, the

family should contact the school. Such changes may make the household eligible for reduced price meals or free meals if the household income falls at or below the levels shown above, and they may reapply at that time.

In certain cases foster children are also eligible for these benefits. If a household has foster children living with them and wishes to apply for free or reduced price meals, the household should complete an application for a family of one or contact the school for more information.

The information provided by the household on the application is confidential and will be used only for purposes of determining eligibility and verifying data.

In the operation of the child feeding programs, no child will be discriminated against because of race, color, sex, national origin, age, or handicap. If any member of a household believes they have been discriminated against, they should write immediately to the Secretary of Agriculture, Washington D.C. 20250.

Any questions regarding the application should be directed to the determining official.

### Sheriff's Department Alerts Area Residents to Telemarketing Operation

The Professional Fire Fighters of Wisconsin is an established labor organization representing firefighters in many Wisconsin communities, including West Bend. The organization has hired a Fort Lauderdale, Florida firm to call residents throughout the county for the purpose of selling tickets to a December country western concert in Milwaukee. The concert is intended to raise money to support the labor union's activities.

The department has received a complaint that a solicitor claimed that monies paid to the organization were tax deductible donations. The PFFW is not a charity, and contributions are not tax deductible. A spokesman for the telemarketing firm told the sheriff's department that about 80% of the profits are retained by the telemarketers.

### FIREMEN TO MEET

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station on Thursday, Aug 5, at 7:30 p.m.

## Spanish Foreign Exchange Student

(L to R) Trisha Teofilo and Ferran Freixanet

By Trisha Teofilo

Ferran Freixanet is a foreign exchange student currently living with the Teofilo family here in Kewaskum. He is a sixteen year old boy from Catalunya, a province in northeastern Spain.

He came here through a program called Intercultural Student Experiences. The group arrived on June 26th. He came to live with the Teofilo's on June 30th, and will be leaving July 31st.

He has made the most of his vacation by visiting popular attractions such as Summerfest, Great America, and a Brewers game. He participated in Independence Day by watching the traditional fireworks displayed. Ferran also enjoyed the Fond du Lac County Fair and a small "reunion" with the other Spanish students in New London.

Ferran has been exposed to a small-town lifestyle compared to the city life which he is accustomed to. Suria, the city where he lives, is only about 40 miles from Barcelona. He says that Kewaskum is great, the country is beautiful, and he enjoys it here.

In Spain Ferran takes part in such activities as motorcross racing and mountain climbing. Although he hasn't had that

opportunity here, he has discovered some other interests. He took his first try at driving a Wet Jet which was extremely exciting! He also tried various types of food and watched a bunch of movies.

This has been a vacation that Ferran will never forget. The Teofilo family hopes Ferran has had the time of his life and will miss him very much.

### Senior ID Cards to Be Issued Aug. 26.

Are you 60 years old or older and a resident of Washington County? Senior Citizen Identification and Discount Cards will be issued on Thursday, August 26th from 2:30 p.m. to 4:00 p.m. at the Washington County Senior Center, 401 East Washington street, West Bend, WI. 53095

Information needed: Social Security number, person to contact in case of an emergency and their phone number, and your doctor's name and phone number. Your Picture will be taken. The cost of each card is \$1.00.

South Dakota was named for the Sioux Indians who once roamed the region. The Sioux called themselves Dakota or Lakota, means "allies" or "Friends."

## About the Village Board...

### To the People of Kewaskum:

Many of you have heard some discussion around town about a cheese manufacturing plant possibly moving into town, employing about ten people.

The Kewaskum Village Board has been talking to the Farmers Union Cooperative about this and we are trying to work out a few problems. I know I have been hearing a few comments that the Village Board is against it and is trying to stop it, and is against any industry coming into town. Well, that just isn't true and I would like to clarify a few things.

The issue with the cheese plant moving to town comes down to one item and that is our Wastewater Treatment Facility. A cheese/dairy plant typically has one of the worst type of wastewater discharge that a sewer treatment facility must handle. This type of plant discharges very high levels of something called B.O.D.'s. Even we as individuals produce B.O.D.'s. B.O.D.'s (Biochemical Oxygen Demand) are bad for treatment plants because they inhibit the bacteria from effectively breaking down the solid waste in the treating process. For this reason, the DNR sets a BOD C.M.A.R. (Compliance Maintenance Report) score for each sewer treatment plant.

There are, of course, other parameters that are placed on a plant like PH, peak loading and hydraulic capacity which aren't too bad right now.

The BOD's are based on pounds per day and at this time we have about 250 pounds per day left in reserve before we reach our limit. When we reach our limit, that would mean we would have to add on to our sewer treatment plant if we want our town to grow.

The sewer plant addition

would cost several million dollars. This, of course, would be paid for on our water/sewer bill. At this time, based on our present rate of growth, we would have to add on to our Water Treatment Facility in approximately five years or so.

To give you a feel for what 250 pounds of BOD's is equal to: a person produces about .2 pounds per day or .6 pounds per day per household which would mean about 1250 people or 416.6 households we could add to the village.

Regal Ware, Inc. generates an average of 45.5 pounds of BOD per day while employing 800 people. Kemps Dairy generates an average of 871 pounds of BOD per day while employing 100 people.

Originally, the Farmers Union came to us stating they would like to discharge 250 to 500 pounds per day. Our village engineer informed us that would put us at, or over, our CMAR point score limit set by the DNR.

At our last board meeting, Farmers Union came back with a request of 125 pounds per day because they plan to install some pre-treatment and aerated equalization tanks along with land spreading of some of the waste product.

The board still felt the 125 pounds was too high and with a little more work, they could get the BOD's down to 60 pounds per day.

The Farmers Union didn't quite agree, so the board turned the problem over to our engineer to work with Farmers Union to hammer out an agreement everyone can live with. The Village Board would like to see the cheese plant move into the community.

I hope I explained myself clearly and got everything accurate. I don't claim to be an expert on Wastewater Treatment

Facilities.

If anyone has any questions or comments on this matter or any other, please don't be afraid to give me a call. I must say I can definitely think of a more pleasant topic to talk about than sewage, but it's a dirty job and someone has to do it.

Thank you,  
Bob Wagner,  
Village President

Dear News Editor:

I want to call your attention to an important publication recently released by The Heritage Foundation, the Index of Leading Cultural Indicators. Written by William Bennett, the Index is a comprehensive statistical portrait of behavioral trends over the last 30 years.

It shows, for example, that while population has increased 41 percent since 1960, violent crime has increased 560 percent; illegitimate births have increased more than 400 percent; divorce rates have quadrupled; the percentage of children living in single-parent homes has tripled, and the teenage suicide rate has increased more than 200 percent.

As a member of The Heritage Foundation, I am eager to see the facts in this document given wide publicity. Only if we admit we are in a crisis of values can we begin to reverse our cultural decline.

You may already have received a copy of the Index. If so, I urge you to keep it on hand and use it as a resource. If you haven't yet seen it, you can obtain a copy by calling The Heritage Foundation's Publications Office at 202-546-4400.

Sincerely,  
Mervin C. Thompson

Our driest state is Nevada. Its annual rainfall averages 8.8 inches.

## Dundee Mill Park Days

By Diane Kleinke

This week I would like to let everyone know about some of the interesting things that will be going on at the Mill Park in Dundee during Dundee Mill Park Days being held this year on Sunday, August 22.

The Fond du Lac D.A.R.E. people will be on hand to present programs on bicycle safety. This is an important program for the youth in our area because we have high traffic in the summer. Be sure to encourage your children to check into this. For those who would like their children fingerprinted, this also will be available. No one wants to think of a child being hurt or lost but we all must be realistic in these times. Remember, an ounce of prevention....

The crafters are coming in from South Central Wisconsin

with many different things for everyone to see. Lisa Guehl has been in charge of this whole undertaking and has done a wonderful job getting the best.

Some of the items that will be in the craft tent are ceramic eggs, a large assortment of wicker, floral arrangements, beautiful plastic jewelry, hand painted wood items, quilted animals, poli-wooder two toned articles, oak shelves and quilt holders, Barbie and Ken clothing, sports ceramics, chenille beading and wood, plus many outside furniture and lawn crafts. There will be a drawing every half hour on the crafts that have been donated. You never know, Lisa may have a few surprises left to add to this variety. The tent will be located behind the upper pond. Be sure you take the time to look around.

There will be lots more for you and your family to do during Dundee Mill Park Days August 22, so check your local paper, and see what's next.

## West Bend Clinic Continues Monthly Breast Cancer Detection

Because of the outstanding response from this past fall's American Cancer Society Breast Cancer Early Detection program, the West Bend Clinic is sponsoring low cost breast cancer screenings the third Thursday of every month.

This program is designed to assist women who are on Medicare or those who do not have adequate insurance. "Washington County women who do not have the resources to have mammography performed, will now have the opportunity to participate in this low-cost breast screening project all year long," says Betty Gumm, Registered X-Ray Technician at The West Bend Clinic.

The normal charge for this service is \$98, but as part of the West Bend Clinic's Early Detection Program, the fee will be only \$55. No doctor referral is necessary and the results will be sent directly to the patient.

According to Gumm, "One of the purposes of the West Bend Clinic's program is to help more women become aware of the importance of mammography in the early detection of breast cancer. There should be no financial barrier. No women should be denied a mammogram, regardless of her ability to pay." Women 35 years of age or older who have no symptoms of breast disease, are eligible to take part in the West Bend Clinic's Breast Cancer Detection Project if...

\*She is not pregnant or

nursing a baby, or if...

\*She has never had breast cancer.

Interested women are encouraged to call the West Bend Clinic at 334-3451 to schedule an examination. The Clinic will be scheduling these examinations for the third Thursday of every month.

Volunteers from the West Bend Clinic are also available to present talks and demonstrations discussing the topic of Breast Cancer. Interested groups should contact Betty Gumm at the West Bend Clinic, 334-3451.

### MAMMOGRAMS ARE SAFE

Advances in technology have resulted in mammography equipment that emits extremely low doses of radiation, often less than one rad per exposure. There is no evidence that links radiation exposure from mammography to subsequent development of breast cancer.

Mammography can detect a breast cancer when it is the size of a freckle or the head of a pin, up to four years before it can be detected by the most experienced physician. When the breast cancer is in a localized state, the five year survival rate is 92 percent. If the breast cancer is contained, the survival rate approaches 100 percent.

Early detection of breast cancer is vital for saving lives, and in some cases may also result in less extensive surgery for the patient.

## Cedar Campuses Announce '93-94 Foundation Board of Directors

The Cedar Campuses announces its election of 1993-94 Foundation Board of Directors: Gary Draeger, President, of West Bend; James Morgan, Vice President, of West Bend; Ruth Hess, Secretary, of West Bend; John Kamps, Treasurer, of Montello; Joseph Ecker, of West Bend; Steve Jaberg, of West Bend; John Kreilkamp, of Allenton; Robert Kuhn, Of Menomonee Falls; Ruth Olsen, of Mequon; Elaine Shanebrook, of West Bend; Roger Stephenson, of West Bend; Wayland Tessar, of Kewaskum; and Carl Ziegler, of Bloomington, IN. Newly elected to the board is Robert Fremder, of Cedarburg.

The Cedar Campuses Foundation Board was formed in 1977 to financially support the work of the Benevolent Corporation Cedar Campuses which serves the retiree, aging, youth, disabled, and the entire

community in areas of health care, retirement housing, rehabilitation, day care, education and retreat. The non-profit Benevolent Corporation Cedar Campuses owns and operates the Cedar Lake Home Campus, the Cedar Ridge Retirement Campus, the Cedar Valley Center, and the Cedar Haven Rehabilitation Agency.

The Cedar Campuses Foundation offers a variety different opportunities to make contributions to the Benevolent Corporation Cedar Campuses. Each November the Cedar Campuses Foundation holds its annual Partners in Caring community fund raising campaign. In addition, it also offers a variety of financial investment programs which support the work of the Cedar Campuses. For more information call 334-9487.

## Excerpts From Menagerie

*Through the summer we will be running student's writings from the All Conference Literary Magazine, Menagerie.*

### Fiery Eyes

I was down by the river one cool summer night  
With the hot steam now rising above me...  
For some eerie reason I was filled with fright  
With the crickets now chirping so softly.  
The sun had just set, and now darkness came in.  
It was with the moonlight that I did see him.  
His eyes glowed like fire;  
I filled up with fear;  
It was his attire  
That made this point clear.  
This man was no man but a man in disguise,  
For I knew by the glow of his fiery eyes.  
I turned, I ran, but my feet did not move.  
Like my mind sent a message, and my body refused.  
He came a big closer and nodded his head;  
He reached out and touched me and then departed.  
He rose far above me, up into the sky,  
And I knew this because of his fiery eyes

## St. Joseph's Community Hospital To Host 6th Annual Baby Reunion

WEST BEND...In conjunction with American Family Day, St. Joseph's Community Hospital's New Life Center will host its sixth annual baby reunion on Sunday, August 1, from noon to 3 p.m. on the east grounds of the hospital campus.

Approximately 245 three-year-olds will return to their 1990 birthplace with family members to enjoy an afternoon of fun and activities with their classmates. It is anticipated that there will be 1,000 area residents in attendance.

According to Donna Rose, the New Life Center's nurse manager, this day has a special meaning for the New Life Center staff. "Our efforts are to promote family togetherness and the baby reunion seems to accomplish that objective," Rose said. "New Life Center staff is rewarded by the smiles and laughter of the children, and through the socialization and interaction among family members... we look forward to this reunion."

Rose also pointed out that this year's reunion has a special focus, since reunion attendees have a varied history... some were born in the old obstetrical wing on the fourth floor and others in the New Life Center, located on the first floor, which opened its doors on December 17, 1990. In that year, 582 babies were born within the two OB areas.

In addition to receiving a complimentary t-shirt with the slogan, "Life's Been a Circus Since I Left St. Joseph's Community Hospital - Class of

1990," attendees will have the opportunity of engaging in games, pony cart rides, face painting, the moon walk, and listening to a professional storyteller that will be dressed as Mother Goose.

Because of the large attendance, parking will be available in the Oakbrook Medical Complex parking lot on the south side of Oak Street. There will also be limited parking in the hospital's east parking lot. Guests are encouraged to use these parking lots to keep on-street parking to a minimum.

The event will be held rain or shine.

### Breastfeeding Support Group Meeting Aug. 9

St. Joseph's Community Hospital's New Life Center in West Bend, will be holding an informal group meeting for those women who are breastfeeding or those who are interested in learning about breastfeeding. Meetings will be held in the New Life Center Classroom on Monday, August 9, at 6:30 p.m. and Wednesday, August 11, at 1 p.m.

Topics to be presented vary each month, with time allowed for questions and sharing of experiences. This month's topic is "Common Concerns." Mothers are welcome to bring their infants to the group.

There is no fee to attend. For more information call the New Life Center at 334-8361.

## Valley Bancorporation Nominated For National Education Award

For the second consecutive year, Valley Bancorporation, headquartered in Appleton, Wisconsin, has been nominated to represent the Wisconsin Bankers Association (WBA) in competition for a national education award. The award, sponsored by the American Bankers Association (ABA), is bestowed to individuals or banks for exceptional commitment to providing the community with financial education through the ABA's Personal Economics Program (PEP). The award winners will be announced at the ABA's National PEP States Meeting in Reston, Virginia on September 30.

This past school year, 111 Valley bankers made over 450 presentations in their hometowns about banking and personal finance. Using up-to-date audio visual materials provided by the WBA, Valley bankers taught school children, economically disadvantaged adults, scouts and senior citizen groups throughout the state. Responding to Wisconsin's diverse population, presentations were also made to the Hmong community using an interpreter to translate the information.

The bankers' presentations, which mainly focused on handling personal finances, included financial planning, establishing credit, applying for loans, balancing checking accounts and understanding various bank services. The bankers also provided information to students that were considering a career in the financial field. Tours of the banks were especially popular with the elementary school children and their teachers.

Besides Valley Bancorporation's national nomination, Nancy Boyce, a Personal Banker for Valley Bank, Appleton was recognized by the WBA as "PEP Banker of the Year" for the state for her outstanding contribution to community economic education. This school year, Ms. Boyce made 56 presentations to 1,393 elementary school children in the Appleton School District. For her efforts, Ms. Boyce received an expense paid trip to the National PEP States Meeting and \$100 toward future PEP materials.

In discussing the program, Peter M. Platten, III, President and Chief Executive Officer, Valley Bancorporation, said, "Valley has embraced this program whole-heartedly because financial education is one of our top community priorities. Many people feel uncomfortable with banks and their services. With this program, we are able to talk with them at an early age and explain what banks and banking is all about. We think its just good business, for consumers to better understand how to use credit wisely, budget their money, evaluate investment alternatives and plan for their future."

PEP is a national effort on the part of commercial banks to encourage economic education

and is designed to provide practical knowledge and experience to students and adults in the areas of personal finance and banking. During the 1992-93 school year, 445 Wisconsin bankers volunteered to make presentations to more than 37,000 individuals of all ages throughout the state.

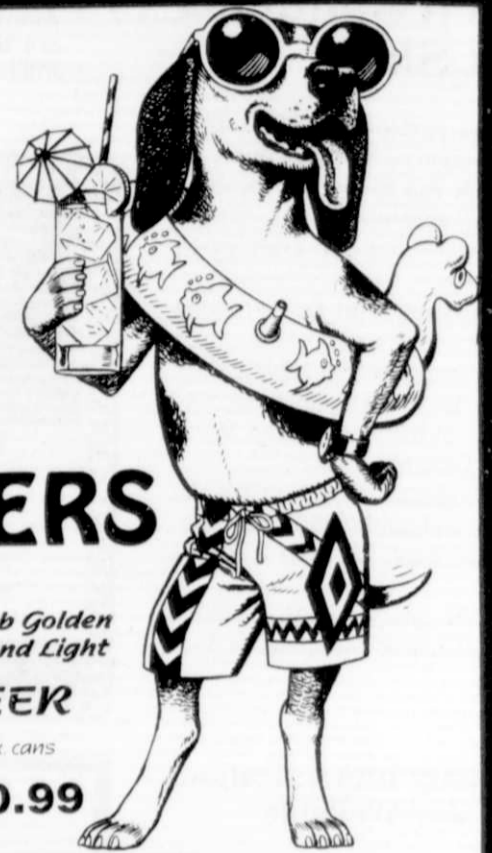

Valley Bancorporation is the third largest bank holding company headquartered in Wisconsin. Valley, with assets of \$4.3 billion, currently serves Wisconsin through 154 banking offices with additional financial service companies engaged in insurance, trust service, securities, leasing, credit card servicing and bank support services.

### Lead Screening Tests Available

Lead screening tests for children, up to age 6, will be held at the Washington County Community Health Nursing Service in the Public Agency Center, 333 East Washington Street, First Floor/ Room 1145 (Enter parking lot off of Indiana Avenue) on Wednesday, August 4, from 9 to 10:30 a.m. by appointment.

For more information, call 335-4462, 644-5204, or 342-2929 and ask for extension 4462. A parent must bring the child to the clinic.

## Stitt Announces Retirement from State Senate

MADISON.....Declaring that he never planned on being a career politician, State Senator Donald K. Stitt (R-Port Washington) announced his retirement from the State Senate July 21.

"I have always subscribed to the concept of a 'citizen legislator,'" Stitt said.

"After fifteen years of service in local and state offices, I have accomplished many of the things I set out to do."

Stitt, 48, who is a practicing attorney, said he is considering a number of career options.

Stitt said he chose this time to leave the State Senate because the major work of the legislative session, Governor Thompson's budget, was complete.

"The budget session is complete and the budget is on the Governor's desk," Stitt said.

"This appears to be the most appropriate opportunity for me to take my leave of this esteemed institution."

Stitt added that his goal of a Republican majority in the State Senate was recently fulfilled.

"I've always wanted the experience of serving in the majority," Stitt said. "Now I have had that experience."

Stitt's retirement returns the State Senate to a partisan tie of 16-16. Republicans control the

State Senate for the first time in 18 years.

By retiring now, Stitt said, Governor Thompson would be able to call a special election before the Legislature returned for the fall session.

Stitt represents the 20th Senate district which traditionally has been a Republican stronghold.

"I thought long and hard about how my decision would impact my constituents and Republican control of the State Senate," Stitt said.

"I am convinced that the district will remain in competent Republican hands, otherwise I would not have considered retiring at this point."

Stitt said he intends to remain active in Republican politics and will campaign for Governor Thompson.

Elected to the State Assembly in 1979 and to the State Senate in 1984, Stitt has served on the Joint Committee on Finance as a member of both houses.

He is currently vice-chairman of the Joint Committee on Finance and ranking member of the Senate Committees on Judiciary and Environment and Energy.

Over his years in the Legislature, Stitt has earned a reputation for fiscal prudence and promoting economic development. He reformed state securities laws to encourage the flow of capital into Wisconsin and led a bipartisan effort to create "development zones" in order to

attract businesses to blighted areas of the state.

"I've enjoyed my many years in the Legislature, but feel its time to pursue other opportunities and give someone else the chance to serve the great people of the 20th Senate District," Stitt concluded.

## Class For Siblings At St. Joseph's

St. Joseph's Community Hospital's New Life Center in West Bend is offering "I'm Getting A New Baby" sibling class on Thursday, August 5 or Thursday, August 12, 6 to 8 p.m., in the New Life Center Classroom.

Designed for children 2 1/2 to 10 years old, the class will include a video presentation, a New Life Center tour, and activities that will help express feelings about the birth of a new baby. In addition, children will also be taught skills that they can use to help parents care for the new infant.

The course is beneficial for children to avoid jealousies and for parents to assess their children's reactions to a new sibling. Parents are encouraged to attend with their children, and to bring their camera.

The class fee is \$5.00 per child, and the size of the class is limited to 10.

To register or for more information call the New Life Center at 334-8361

## WAYNE CRUSADERS 4-H CLUB

The July meeting of the Wayne Crusaders was held on Tues. July 13th and was called to order at 7:34 p.m. The pledges were led by Nathan VandenHeuvel and Crystal Uecker.

Jackie and Jenny Rogers gave a check to the club from Midwest Livestock Producers for \$50.00. They received this money for winning top honors at a beef show. Congratulations Jackie and Jenny!

Bridget Ritger told about what she did as a counselor at Wacky Weekdays Camp.

Mrs. Weninger talked about Breakfast on the Farm. Those who helped were Jason and Jill Weninger, Bridget Ritger, Melissa Ritger, Joe and Jeremy Hawig, Keith Novotny, Adam and Michelle Stoffel. Thanks to all and to all the adults who

helped too.

Joe Hawig and Melissa VandenHeuvel gave their reports on State 4-H Congress and the seminars that they took while there.

Sarah Ritger also gave a report on all she did while in Washington D.C.

A 4-H Fund Raiser to support the new fairgrounds was held on Sat. July 10th. Thanks to Nancy Schultz and Pam Bingen for getting our club involved. Those who helped were Chrissy, Angela and Adam Bingen, Joe, Jeremy, Joshua, and Jonathan Hawig.

If you haven't signed up to help on the float yet, please do so.

Respectfully,  
Jeremy Hawig  
Club Reporter

## What's Going On At the Kewaskum Public Library?

Congratulations to Camp Readalot "Readers of the Week" for week 6, Katie Schroeder and Michael Neumann!

Attention all kids who participated in the "GO WILD - READ" at Camp Readalot summer library program: Saturday is our final event! We will have our Pot-luck Picnic finale' at River Hill Park at 11:00 a.m. at the large shelter at the top of the hill (rain or shine). YOU MUST have five reading lists turned in by Friday in order to come to the picnic, and have your name in for prize drawings. The picnic is for the whole family, but an adult must sign you up at the library. We will eat, kids will receive their reading folders and certificates (and a "goodie bag of prizes), and we will draw for special prizes. Also, YES! the challenge has been met! Kewaskum kids read more than 4,000 books so far this summer. This means we will draw three names, and the winners will get a can of "silly string" to spray at the librarians! If you're not sure about how many reading lists you have turned in, please ask at the desk in the library - we'll be happy to tell you!

New books at the library include: Violent Ward Len Deighton, Honor Among Thieves by Jeffrey Archer, Chains of Command by Dale Brown, Days of Grace by Arthur Ashe, Saving Grace by Julie Garwood, and Snowjob by Ted Wood.

### In the Service

Navy Petty Officer 1st class Lee R. Voge, a 1979 graduate of Kewaskum Community High School of Kewaskum, is currently deployed aboard the aircraft carrier USS Nimitz, homeported in Bremerton, Wash., and is midway through a six-month deployment to the Western Pacific and Persian Gulf as the command ship of the USS Nimitz Battle Group.

During the deployment, the battle group has participated in Operation Southern Watch, enforcing the United Nations-imposed "no fly" zone over Southern Iraq, as well as in numerous naval air and surface training exercises with armed forces from Thailand, Malaysia and Singapore.

Voge has visited Hong Kong; Singapore; and Jebel Ali, United Arab Emirates. While in Hong Kong, crewmen from USS Nimitz and the embarked air wing visited a home for handicapped children where they painted six dormitories, mowed grass, trimmed shrubs and cleaned up an old playground. As a facility which cares for abandoned infant children they donate medical, hygiene and baby supplies. Additionally, the volunteer's took on five similar community projects; three in Singapore and two in Dubai, a city located northeast of Jebel Ali.

USS Nimitz is designed to support and operate aircraft that engage in attacks on airborne, afloat and ashore targets which threaten our use of the sea. The

carrier can also engage in sustained operations in support of allied forces. The ship displaces 91,487 tons of water and stretches 1,040 feet long.

The deployment exemplifies the new Navy and Marine Corps policy, entitled "... From the Sea," in which, on short notice, U.S. forces are poised to respond to crises in distant lands, from the sea.

He joined the Navy in May, 1982.

### Ramthun Receives NALU Awards

Catholic Knights Insurance Society Agent Kathie Ramthun, FIC, LUTCF, of Kewaskum, recently received the National Quality and National Sales Achievement awards presented by the National Association of Life Underwriters (NALU).

Ramthun services Catholic Knights members throughout Dodge and Washington Counties and has been a member of its field force for three years. She is a member of the Ozaukee/Washington County association of NALU.

She is affiliated with Catholic Knights' West Bend Agency, 303 N. Main Street, Suite 200, West Bend, 53095. Her telephone number is 338-1099.

Catholic Knights Insurance Society is a 108-year-old fraternal benefit organization headquartered in Milwaukee, Wisconsin, with its primary concentration of members in the Upper Midwest.

# Area Youth Shine at County Fair

Ryan Herman also showed the Reserve Champion Dairy Steer, which weighed in at 1,415 pounds. It was purchased by Dave and Joyce Gonring of West Bend Elevator, shown in the above photo with Ryan. The steer received \$1.20 per pound.

Ryan Herman, son of Debbie and Dennis Terlinden, Willow Lane, Allenton, a member of the Wayne Crusaders 4-H Club, received Grand Champion on his 225 pound bog, purchased by Pick N Save of West Bend for \$3.25 per pound. Ryan will be a sophomore at Kewaskum High School.

The Grand Champion Beef was shown by Nathan VandenHeuvel, son of Mark and Pat VandenHeuvel, Fireside Lane, Allenton. Nathan is also a member of the Wayne Crusaders 4-H Club. The steer weighed 1,260 pounds and sold for \$2.80 per pound to Pick N Save, West Bend. Shown above is Jerome Bechler of Pick N Save. The steer was purchased from Perry Etta of Kettle Moraine Show Steers of Kewaskum.

PHOTOS COURTESY OF CAROL OELHAFEN

The Grand Champion Dairy Beef was shown by Benji Michaels, son of Gordon and Kathy Michaels of West Bend. The 1,440 pound steer was purchased by Bob Fish of West Bend for \$1.70 per pound. Benji is a 1993 graduate of Kewaskum High School.

Chrissy Neuman, Kewaskum, a member of the Kettle Moraine Kids 4-H Club, performed in Saturday night's Music and Dress Revue at the Washington County Fair.

Put a smile on your back-to-school list.

New clothes. New shoes. Notebooks, paper, pencils and more. The list seems endless. But don't forget one of the most important things your kids can take to school: a healthy smile. A back-to-school checkup can stop problems before they start, prevent disease and help your children begin the year with confidence. So why not call for an appointment soon? It could be the most important thing on your back-to-school list!

## HUGO F. MINZ

Hugo F. Minz, of West Bend, died Tuesday, July 20, 1993, at St. Joseph's Community Hospital, at the age of 91.

He was born May 28, 1902, in Little Kohler, to the late George and Katherine (nee Prevost) Minz. In 1912, the family moved to the town of West Bend.

After his marriage to Marie I. Bohn at Holy Angels Church on Feb. 12, 1934, they settled on the family farm which he farmed. He was also involved in various businesses until 1956 when he started Minz Supply. He also founded Minz Building Systems, and operated both businesses until retiring in 1980.

Survivors include five children, George (special friend Mary Gundrum) of West Bend, Carol (Kenneth) Weddig of Kewaskum, Kay (special friend Tim Flatt) of Washington, D.C., Tom (Barbara) of Campbellsport and Jean (special friend Bruce Kippenhan) Minz of West Bend; 12 grandchildren; three great-grandchildren; sisters-in-law; and other relatives and friends.

Preceding him in death were brothers and sisters.

He was a member of St. Mary's Church, Phelps, and St. Frances Cabrini Church, West Bend.

Funeral services were held Friday, July 23, at 10 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10:30 a.m. at St. Frances Cabrini Church. Fr. Kenneth Mich was the presider, and burial followed in Holy Angels Cemetery.

Visitation at the funeral home was on Thursday after 4 p.m., with a prayer vigil at 8 p.m.

## LORRAINE A. KREIS

Lorraine A. Kreis, (nee Oresnik) of Campbellsport, died Saturday, July 24, 1993, at St. Joseph's Community Hospital, West Bend, at the age of 73.

She was born July 18, 1920, in Milwaukee, to the late Frank and Louise (nee Ehrhardt) Oresnik. After her marriage to Daniel O. Kreis in Milwaukee on Dec. 5, 1939, they settled in Milwaukee, where they lived until moving to West Bend in 1947. They moved to their present home at Lake Bernice in 1983.

Survivors include her husband; four children, Daniel Jr. (Mary), West Bend, Darlene (Gerald) Breuer, Allenton, Louis (Sharon), West Bend, and Louise (Tom) Boettcher, Fredonia; 13 grandchildren; 11 great-grandchildren; four sisters, LaVerne Weare, Milwaukee, Mary Filo, Greenfield, Louise Kreis, Campbellsport, and Frances (John) Abrahms, Milwaukee; three brothers, Ludwig (Fay) of West Bend, Charles (Joyce) of Milwaukee and William (Karen) of

Newburg; other relatives and friends.

Preceding her in death were one granddaughter, three brothers and two sisters.

She was a member of Trinity Lutheran Church, West Bend, the A.A.R.P. and served as a volunteer for the Share Program.

Funeral services were held Monday, July 26, at 7:30 p.m. at Schmidt Funeral Home, West Bend, Rev. Terry Berg, pastor of Trinity Lutheran Church officiated. Burial was in Washington County Memorial Park at 10 a.m. Tuesday. Visitation at the funeral home Monday, was from 4 p.m. until the time of services.

## IN MEMORY

In loving memory of DENNIS HOERIG, who passed away twenty years ago, Aug. 4, 1973:

We often sit and think of you  
And speak of how you died;  
To think you could not say  
goodbye to us  
Before you closed your eyes.  
The flowers we placed upon  
your grave,  
May wither and decay  
But the love for you who sleeps  
beneath  
Shall never fade away.

*Missed deeply  
Joe Hoerig & family*

## IN MEMORY

In loving memory of JOHN HAMMES who passed away ten years ago, July 29, 1983:

Though his smile is gone  
And hands we cannot touch  
And we have so many memories  
Of one we loved so much  
His memory is our keepsake  
With which we'll never part  
God has him in his keeping  
We have him in our hearts

*Sadly missed by his family.*

## A Special Gift

Dr. James E. Albrecht of Jackson, has graciously donated to the Washington County Historical Society at 340 S. 5th Avenue in West Bend, prints of his late wife Marion's watercolor of the Old County Courthouse and Jail.

He has also donated his book, "The Life and Times of a Country Doctor." The prints will be offered as a gift of appreciation to all those who donate \$200 or more to the project.

In addition, if you donate \$500 or more to the project you will not only receive the print, but you will also receive a copy of "The Life and Times of a Country Doctor," as a gift of thanks.

Dr. Albrecht's books are available for sale at the Old Jail House Museum along with many of the other fine books about Washington County.

## Leaders Pushed In VKAA Action

By Noel Stollenwerk

Kewaskum - A couple of upsets, as well as other top teams being pushed a little, highlighted action in the Village of Kewaskum Athletic Association softball leagues last week.

The biggest upset came on Tuesday night, when John Doe scored a pair of runs in the bottom of the seventh to beat Park Avenue Pub, 6-5. John Doe came into the contest with just one loss, while Park Avenue Pub had suffered just one defeat prior to the matchup.

In other contests Tuesday, it was Neuville Chevrolet beating Bohn Dry, 4-2; Dupliquik fell behind 2-0, before coming back to beat Bunkelman Builders, 8-3; and Amerahn also came back from a two-run deficit to post a 4-3 win over Prime Time Pub.

On Thursday night, Prime Time Pub made things a little more interesting at the top of the standings, as they upset second place C.C. Cody's, 10-9.

Diamond F almost pulled off a huge upset, but first-place C.C.'s came from behind to post a 13-9 win. In other games it was Emun Mull Game Farm beating M and I Bank, 3-2, and Accent Photography defeating Emun Mull in the makeup game.

### VILLAGE OF KEWASKUM ATHLETIC ASSOCIATION SOFTBALL LEAGUES

#### Tuesday Night

Park Avenue Pub	9-2
Dupliquik	8-3
Amerahn	6-5
Prime Time Pub	6-5

LOW NET: Ed Hall 26, Terry Cartwright & Carl Kircher 27, Elmer Hallen; Tom Larsen; Neal Weare & Gregor Rohlinger 28.

LOW TEAM NET: Northern Moraine Auto Body 117.

HIGHLIGHTS: Rich Schueelz won the special event.

BIRDIES: Craig Anderson 3, Joe Volesky 3, Terry Cartwright 3, Jim Westphal 2, Bob Roloff 2, & Neal Weare 2.

Cattle branding was practiced 4,000 years ago. Old tomb paintings show Egyptians branding their cattle.

## County Separated, Divorced to Meet

Washington County Separated and Divorced Men and Women Support Group meet every Friday evening at Sacred Heart Church in Allenton, from 7:30 to 9:30 p.m.

The purpose of the meeting is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and activities.

This group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

The topic for Friday, July 30 is, "Jesus and Divorce," with Pastor Timm Griffin of Pilgrim Lutheran Church.

The topic for Friday, August 6, is, "From Hardened Clay to a Piece of Art," with Shirley Blecher, Past President.

## NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg of whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said 9 consecutive days, and publication must be promised.

G.S.

# A Message from the Postmaster

Hello Kewaskum Statesman readers and how are you all doing today? Have what I think you might find a very interesting column, so let's get right into the Postal News, okay?

The Postal Service was 21-years-old on July 1. Bet there are some of you that just read that and said to yourself: "Our Postmaster is 'losing it' right?" Most people do not think of us as that young. It is true that the post office... and our tradition of going the extra mile to assist our customers... has been around for more than 200 years.

But... the United States Postal Service has only been in existence since July 1, 1971. Before that, we were called the Post Office Department. It took an act of Congress called the Postal Reorganization Act to create the Postal Service... an independent federal agency run in a business-like manner and WITHOUT the help of tax dollars.

Things were a lot different in the old Post Office Department. The Postmaster General was a political appointee of the President and was a member of the President's Cabinet. All Postmasters, rural carriers and the postmaster general's top staff were also political appointees.

In other words, you couldn't get one of those jobs unless you were a member of the "right" political party. Postmaster generals, of course, lost their jobs when the party lost an election and regular postmasters could lose their job for the very same reason.

An employee interested in upward mobility had no chance of becoming a postmaster. Unless, again he was a member of the right political party with enough political clout. When I say "he"... I mean HE. There was very little encouragement of women and minorities who

wanted to work for the post office. More than 80% of all postal employees finished their post office careers at the same grade level at which they started.

A first-class stamp was only eight cents (by the way, when adjusted for inflation, a first-class stamp is only 8.7 cents today), but beyond the eight cents, a full 25% of our budget was paid for by tax dollars. If it had stayed that way, we would be adding more than \$10 billion dollars a year to the federal deficit TODAY. IT WAS TIME FOR A CHANGE!

Lawrence O'Brien, postmaster general under Lyndon Johnson, proposed that the Post Office Department be removed from the president's cabinet and converted to a non-profit government agency. That took time. After extensive hearings, President Richard Nixon signed the Postal Reorganization Act into law on August, 12, 1970. It was the most controversial and most comprehensive postal legislation since the founding of the United States. The new organization began in operation on July 1, 1971. Principal features included:

--Removal of the system from politics, with direction coming from an 11-member board of governors instead of Congress.

--Authority to issue public bonds to finance postal building and equipment.

--Assuring continuity of management with employees PROMOTED ON PERFORMANCE... NOT POLITICS.

--Collective bargaining between employees and management with wages comparable to the private sector.

--Setting of postal rates by the Postal Service after hearings before an independent rate panel.

--Reducing and then eliminating tax subsidies, and bringing costs and revenues into balance.

After 21 years, it might be time to make some adjustments. It is growing more difficult, for example, to operate like a business when we have little authority over our company's prices, and when setting them takes so long. For the most part, the Postal Reorganization Act has worked extremely well.

The United States Postal Service IS the best postal system in the world. Some of our accomplishments are that we handle 40% of the world's mail and we deliver 550 million pieces of mail six days a week to 117 million addresses. Despite enormous increases in volume and delivery points, we delivered 287 million pieces of mail a day back in 1971 to 75 million addresses.

We do this with only 100,000 more carrier employees than the 653,000 we had 20 years ago. We do provide a business-like public service while CARING about each and every one of our customers. We HAVE the LOWEST postage rates in the industrialized world.

The Germans, for example, pay 67 cents in the equivalent of American money for a first-

class stamp. Japanese pay the equivalent of 47 cents, French 45 cents and Canadians 34 cents. We operate extremely sophisticated high-tech equipment, yet remain "high touch" by making house calls six days a week.

We have implemented two independent tests of our service. One measures first-class mail service, the other measures customer satisfaction and we are about to implement a test of third class mail. All are designed to strengthen SERVICE!

Our goal is to place bar codes on all mail by 1995. It will help keep our costs reasonable, our service efficient and our business viable. We are on target with our strategic goals of improving customer service, keeping costs below the rate of inflation and improving working relationships. We do all of this WITHOUT TAX DOLLARS... which might be one of the country's best kept secrets.

There are 145,000 people who worked for the Post Office Department and continue to work for the United States Postal Service today. As your Postmaster, I can and will attest to the fact that all Kewaskum employees, whether they have 20 days or 20 years... take a serious role in making the Postal Service an even better place to work and enhancing service to YOU... OUR CUSTOMERS. We are... and hope to continue... to be the ones that MAKE THE DIFFERENCE. Until next week, TRY to have a good day... A HAPPY EVERYDAY!

Your Postmaster,  
Bonnie

## Krueger Attends ACCT Seminar

Ray Krueger, Kewaskum, a trustee of Moraine Park Technical College, recently attended the combined Central, Northeast and Southern Region Seminar of the Association of Community College Trustees (ACCT). Held in Nashville, Tennessee, the seminar is a major professional development activity for trustees offered by ACCT.

Those attending were able to participate in a program filled with quality speakers and presenters, sessions on topics of vital importance to board members, and information on how boards are coping with the challenges facing community, technical, and junior colleges and their communities today.

The Tennessee Board of Regents System hosted the seminar and provided valuable planning and on-site assistance. ACCT is the only national organization devoted solely to the interests of governing board members of two-year postsecondary institutions.

Krueger, who is employed at Regal Ware in Kewaskum, has been an employee member of the Moraine Park VTAE District Board for the past two years. He is currently serving as Secretary for the Board.

## O'Meara Joins Law Firm

James V. O'Meara

The Law Office of O'Meara, Eckert, Poulos and Gonring is pleased to announce that Attorney James V. O'Meara has joined the firm.

Attorney O'Meara graduated from the Marquette University Law School in May of 1993 and

the same month was admitted to the State Bar of Wisconsin.

James O'Meara is the great-grandson of Patrick O'Meara who founded the O'Meara Law Office in 1870. He is a graduate of West Bend East High School and is the son of Attorney Stephen O'Meara.

O'Meara, Eckert, Poulos and Gonring has offices in both West Bend and Hartford, Wisconsin.

## Campus Notes

EAU CLAIRE - The University of Wisconsin-Eau Claire has named 2,015 undergraduate students to its Academic Distinction list for the spring semester, according to Dr. Marjorie Smelstor, UW-Eau Claire vice chancellor.

To be eligible for Academic Distinction, a student must have at least a 3.2 semester grade-point average (where a 4.0 equals A) for 12 semester credits or more of college credit courses. The semester record may not include repeated courses or incompletes. In addition, a student's cumulative grade-point average must be at least 3.2.

Students from this area who earned Academic Distinction during the 1992-93 spring semester at UW-Eau Claire include:

Tanya Lynn Beske, Kewaskum, senior - special education and Michelle Lee Marx, Kewaskum, senior, elementary education.

Julie Jean Cotter, senior, Adell, elementary education.

Jill Marie Klotz, Campbellsport, junior, psychology and sociology.

## WASHINGTON COUNTY NUTRITION PROGRAM FOR THE ELDERLY MENU

Meadowcreek Apartment Complex

Monday, August 2nd-- Vegetable juice, meatballs and spaghetti w/Italian sauce, Italian vegetable blend, Italian bread, peanut butter cookie.

Tuesday, August 3rd-- HAWAIIAN DAY! Hawaiian chicken, snowflake rice, green beans, fruit salad, whole wheat bread, yellow cake w/pineapple frosting.

Thursday, August 5th-- Swiss steak w/ vegetables and gravy, mashed potatoes, stewed tomatoes, rye bread, fresh peach.

Ceramics at 10:00 a.m. every 1st and 3rd Tuesday of the month.

The U.S. receives more legal immigrants than any other country. Between 1820 and 1984, about 52 million people officially arrived on our shores.

## 25 Years Ago

July 26, 1968

At the annual meeting of the Kewaskum Community School District held Monday evening, electors approved a new indoor swimming pool, re-elected two board members, adopted the proposed budget and voted to give the board authority to take options on land for future school sites as the main matters of business. Electors approved the proposed swimming pool addition to the high school in conjunction with the Kiwanis Club of Kewaskum's campaign and fund drive which will provide about \$75,000 toward the cost of the project. The overall cost is expected to reach between \$220,000 and \$250,000, according to Marshall Boyd, Superintendent of Schools. Re-elected to the School District Board were incumbents Richard L. Edwards (director) and Mrs. Eugene (Anne) Panzer. Electors approved the proposed budget totalling \$1,317,036.50. This year's budget represents an increase of \$179,970.86 over last year. It will require a tax rate of \$20.67 per \$1,000 of equalized valuation, compared with \$19.71 last year, an increase of 96 cents per thousand.

The sixth annual Krazy Daze sidewalk sale in Kewaskum will be held on Tuesday, July 30, beginning at 9 a.m. and continuing until 9 p.m. However, the fun and merriment will continue well beyond this hour. Sponsored by the Kewaskum Business Association, approximately 40 stores, business places and other firms are participating in the event, which is one of the major sales promotions and fun days in Kewaskum each year.

## 50 Years Ago

July 23, 1943

Alice Kurtzweil, 14, of the Town of Germantown, was drowned Sunday afternoon, July 18, while in bathing at Lake Bernice near Campbellsport, better known by its former name, Schrauth's Pond. She was at the lake with friends and had gone in bathing shortly dinner. A boy scout, who also happened to be at the lake, saw her struggling in the water and went to her rescue. He was clawed and driven off by the frantic child, being unable to pull her out of the deep water and save her. Miss Kurtzweil, whose parents are both dead, was making her home with an aunt in the Town of Germantown.

Pfc. Ray Harter, 28, son of Mrs. Joseph Harter, Sr. of Wabeno, a nephew of Jacob and Gregor Harter of the Town of Auburn and grandson of the late Mr. and Mrs. John Harter of this village, has been awarded the Purple Heart. Harter, one of four brothers in the service, was wounded Dec. 28, in the Battle of Buna. He has been in a hospital in Australia for five and a half months.

Through the efforts of the

Tavern League of Washington County, every tavernkeeper in the county was solicited for donations for cigarettes to be given to the boys serving in the armed forces overseas. The response of every tavernkeeper was very generous and the drive netted the boys 280,000 cigarettes of 14,000 packs of free cigarettes.

Mixed flowers decorated the altars of Holy Trinity Church in Kewaskum on July 14, for the wedding of Miss Dorothy Bath, daughter of Mr. and Mrs. Math. N. Bath, of Route 1, Kewaskum, and Tech. Cpl. Stanley Brodzeller, son of Mr. and Mrs. Joe Brodzeller of Route 2, Kewaskum.

Before the altar of Zion Evangelical Lutheran Church in the Town of Wayne, on Saturday, July 17, Miss Gladys Baumgartner, daughter of Mr. and Mrs. William Baumgartner of the Town of Wayne, became the bride of Arnold Schoenbeck, son of Frank Schoenbeck of the Town of Trenton.

The rectory of St. Matthew's Church at Campbellsport, was the scene of the wedding service on Saturday, July 17, in which Miss Margaret Mary Schrauth, daughter of Mrs. Anton Schrauth of Campbellsport, became the bride of Arthur Manthey, son of Mr. and Mrs. Edward Manthey of Eden.

## 75 Years Ago

July 27, 1918

A Home Guard was organized in this village at a meeting held in the village hall on Tuesday evening. Much interest was shown by the citizens of the village and community in perfecting an organization of this kind, and as a result, the meeting was largely attended. It is expected that at least one hundred members will join same within a short period of time. In order to have same recognized by the state, the home guards must have a membership of 63 men. Up the present time nearly that many men have already joined same. The meeting was called to order by John P. Fellenz. Dr. E.L. Morgenroth was appointed chairman of the meeting and Byron Rosenheimer was elected secretary. It was agreed by the different members of the organization,

that John P. Fellenz, who is the chief instigator in having a home guard organized, and who served with the United States Army during the Spanish-American War, shall serve as Captain of the Guards. It was also agreed that a commissioned Army officer be engaged for the first several weeks to help perfect the organization, and teach those who have not had any military training, the different foot movements, etc. Every Tuesday evening, 7:30 is the time set for drill nights. The law requires that a home guard must drill 40 hours during the year, during which time every member must drill at least 24 hours. All those who did not attend the meeting, but wish to become a member of the organization, can join same at any of the drill nights. Remember, you are welcome to join, whether you are a citizen of the village or not.

The largest contingent of select men of Washington county left last Tuesday for Camp Taylor, Louisville, Kentucky. One hundred and eighty-two men numbered in this contingent which will leave a big hole in the young manhood of the county, and which plainly shows that the war machinery of the United States is speedily moving on. The young men who left from this village and rural routes are: Hugo Vorpahl, Edward F. Proeber, Wilmer J. Prost, Mathias J. Beisbier, Anton J. Fellenz, George Vorpahl, Alvin L. Volm, Edward Feiten, Albert W. Prost, Ed Bertram, William Vorpahl, Louis A. Seefeldt, Alvin A. Kudek, Louis A. Rose, and George Kudek.

We erred in our issue of July 6 when we stated that August Heberer's barn at New Fane, burned to the ground. It should have read Walter Heberer's instead.

A baby girl was born to Mr. and Mrs. Ed Schaefer of Kewaskum last Monday.

Here is a puzzle that puzzles everybody: Take the number of your living brothers, double the amount, add to it by three, multiply by five, add to it the number of your living sisters, multiply the results by ten, add the number of deaths of your brothers and subtract 150 from the result. The right figure will be the number of deaths, the middle figure will be the number of living sisters, and the left will show the number of living brothers. Try it and see.

### Town of Wayne NOTICE OF HEARING ZONING BOARD OF APPEALS

NOTICE IS HEREBY GIVEN that the Town of Wayne Zoning Board of Appeals will conduct a hearing on the application for appeal filed by Adele Hanson. The hearing will be held at 9:00 a.m. on Aug. 12, 1993, at the applicant's property located at 5425 Butternut Dr., Kewaskum, WI 53040.

The applicant's property is located in the NE corner of the NW 1/4 of the NE 1/4 Section 26 Town of Wayne.

The appeal seeks a variance from the requirements of the Zoning Ordinance and if granted will permit the applicant to build a garage closer to the lot line than allowed in Section 1.10 - 5-B of Town Zoning Ordinance.

All interested persons wishing to comment on the appeal should appear at the hearing.

Dated July 21, 1993

Orville Kern  
Town Clerk

# Midwest Livestock Producers Holds First Annual Junior Fed Cattle Beef Show

FARMINGTON 4-H

Midwest Livestock Producers of Lomira held their First Annual Junior Fed Cattle Beef Show on Thursday evening, July 8 at the Livestock Barn in Lomira. The Junior Show ran in conjunction with their annual fed beef cattle show and was open to all area producers.

The Junior Show consisted of exhibitors in either 4-H or FFA groups entering feed beef cattle in groups of two. The group was to be of equal and similar specifications and growth. The youth winners would each receive a \$50 prize, with their 4-H or FFA receiving an equal prize. They also were awarded trophies.

The winners from this area were Brian Butzlaff of the Kewaskum FFA who received the first place for his Dairy Steers. Brian is the son of Bill and Carol Butzlaff of Badger Road, Kewaskum.

The winners in the colored cattle division were Jennifer and Jaclyn Schulz, daughters of DuWayne and Joyce Schulz of St. Kilian Drive, Campbellsport. Jenny and Jacki are members of the Wayne Crusaders 4-H Club.

Brian Butzlaff, Kewaskum, with his first place trophy won in the First Annual Junior Fed Cattle Beef Show.

Jennifer and Jaclyn Schulz, Campbellsport, were winners in the colored cattle division.

On July 13, Farmington 4-H held their annual pre-fair pot-luck picnic at the Clement farm. Our members had the opportunity to show the animals and projects that they are entering in the county fair to the club. We all earned about each other's projects and had good food and good fun. We had three steer shown by David Rabuck and Blake Sommer, Sarah Lettow put her horse through his paces, and Brendan Weinhold and Heather Clements showed us their dogs. Bethany Hermann also showed her cat to the club.

After that, we went inside where Heather Clements showed us a skit from her clowning project, Michelle and Melissa Jackson showed the outfits they made in the sewing project, and Rayelle Miller showed us her stamp collection and the cake she'll be entering. She also had a cloth doll (with outfits) for the Child Care project. Joel Hermann showed the rubber-band gun he made in the woodworking project, and Brad Hermann displayed the model he had made. One of our Cloverbuds, Krista Miller, showed us a sequenced shirt and a bunny candy jar that she had made in Cloverbuds.

After all the hard work, we're looking forward to a great time at the fair.

Our next meeting will be Thursday, August 12, at 6:30 p.m. at the Farmington Town Hall.

## Rizzardi Attends Ag Conference

Dave Rizzardi represented Kewaskum High School at the 76th Annual Conference for Wisconsin Instructors in Agriculture/Agribusiness Education that was held July 12-15 at the Holiday Inn - Madison West.

The theme of the conference was "A Vision for a New Horizon." The keynote speaker was Bill Coutz, sponsored by Pioneer Hybrids, Inc., who spoke at the luncheon on July 15.

Coutz discussed the future of agriculture with emphasis on the environment and improving the efficiency of crop production. Other presenters included Dr. Larry Case from the United States Department of Public Instruction. Dr. Case addressed education reform issues: Tech Prep, School to Work Transition, Apprenticeships, and Outcome Based Education as they relate to Agriculture

Education.

The instructors attended short workshops on Monday and Tuesday, July 12 and 13, which gave them an opportunity to share ideas and experiences on subjects including forestry, animal rights, agridata applications, first aid, learning and leadership styles, skin cancer protection, vocational-technical programs, ag literacy, community development, FFA discussion meets, hydroponics, sustainable agriculture, and CD Rom and Laser Disk technology.

On Wednesday and Thursday, July 14 and 15, the instructors attended one or two day workshops which addressed topics such as advanced leadership development, aquaculture, biotechnology, dairy science, farm business management, FFA activities, food science, soil science and agronomy, tech prep education, school greenhouse operations, water and air

quality, angler education, commodity challenge, and floral design arrangements. Many of these workshops were offered for college credit.

The instructors were also able to view many exhibits related to agriculture education on Monday and Tuesday, July 12 and 13. A highlight of the conference was the Awards Banquet held on Wednesday evening, July 14th.

Rizzardi is a member of the Public Relations committee, which met during the conference to develop goals and objectives for the coming year.

Rizzardi received an award for 15 years of teaching at the Awards Banquet on Wednesday evening.

### SCHOOL BUS AND VAN DRIVERS

We are now training drivers for the 1993-94 school year. We need drivers in the Kewaskum area. We help pay for your CDL license and physical. Insurance is available, bonuses paid for perfect attendance. Both full and part-time routes are available.

**Call JOHNSON SCHOOL BUS**

Kewaskum at 626-4414 or stop by at 3618 Hwy. 28 E., 7 a.m. - 4 p.m.

7-22-93

## EWSCA NEWS

(PLYMOUTH, WI) -- Frankie Heimerl of West Bend vaulted passed a crowd of cars and used that momentum to take the lead and win the Modified feature event going away Saturday Night at the Eastern Wisconsin Stock Car races at the Sheboygan County Fair Park.

Polesitter Ken Fiedler of Sheboygan Falls grabbed the lead on the green flag and worked his way to a small lead but lost power on lap 9 and had to leave the race. Greg Otte of Sheboygan Falls took advantage of Fiedler's mechanical problems to take the lead and held on for the next ten laps. Heimerl started in the fourth row and immediately began working his way to the front. On the 12th lap, Heimerl shot past several cars into third, passed Randy Tracy of Plymouth on the next lap then began reeling Otte Heimerl then pulled even with Otte on the back stretch of lap 19 and pulled past him coming out of turn four. Heimerl pulled away from Otte and won the race by nearly half a lap. Tracy won the battle for second followed by K.J. Skelton of Cascade, Don Goeden of Kewaskum and Otte hung on for fifth.

Gary Laack went from last to first to pick up his third consecutive Sportsmen feature win. Laack moved through the pack as Henry Dickmann of Sheboygan and Dave Haag of Plymouth took turns leading the race for the first 17 laps. Haag then took the lead with Laack moving into second on lap 19. Haag was unable to hold off the charge from Laack and the Glenbeulah driver passed Haag coming out of turn four on the next lap. Laack then pulled away from the field enroute to the checkered flag. Haag finished second Brad Mueller of Random Lake jumped to third late in the race when Dickman and Frank Geiger of Francis Creek became tangled up in turn four, Jim Lavey of Sheboygan took fourth and Lydell Newby of Fond du Lac placed fifth.

1991 Hobby Stock Champion Chad Kistner of Elkhart Lake lead the Hobby Stock feature from flag-to-flag to pick up the win in his first feature race since coming back to race at Plymouth earlier this year. Jeff Leonard of Sheboygan won the battle for second followed by Chad Rathke of Fredonia, Brad Dahmer of Sheboygan and Roger Lange of Random Lake.

John Hoch of Columbus battled with John Komppa of Slinger for the entire 15 laps of the Modified "B" semi-feature. The two traded the lead several times before Hoch edged past Komppa at the finish line. Rick Buslaff of Campbellsport won the "C" semi. Rodney Michaels won the Sportsmen semi-feature and Tim Thompson of Campbellsport won the Hobby Stock semi.

Paula Weiss of Glenbeulah won the feature event of the "Powder Puff" derby. Eastern Wisconsin Stock Car officials

also announced this week that because of the number of rain-outs so far this season, they have added an extra night of racing to the end of the season. The season will now end on September 18th instead of the 11th.

Racing will continue this Saturday evening with time trials at 6 p.m. and racing getting underway at 7 p.m.

### EASTERN WISCONSIN STOCK CAR RESULTS Plymouth

MODIFIED: Fast Qualifier: K.J. Skelton, Cascade, 14.244.

## 4-H Shooting Sports a Hit

By Kandi O'Neil  
Washington County  
4-H and Youth Agent

The Countywide 4-H Shooting Sports Program opens the door to a new audience. It includes archery and air rifle. The program is presently under the leadership of Norb Yogerst, Shooting Sports Key Leader. "What is 4-H Shooting Sports?" Norb looks at it this way.

"Shooting Sports provides an opportunity to develop self-confidence and skill within the child. It really gives the youth an opportunity to recognize and work with their individual talents whether they use the bow and arrow or air rifle." This is not just a boys sport. This year nine girls completed the training as well. Norb relates the shooting program to riding a bike. Once you learn the skill you don't forget it.

What does the training involve? The program covers an introduction and identification of the shooting sports equipment that they will be using. Safety is a major component of the 10 week archery course and six weeks air rifle. Parent involvement with the 4-H youth in this project is also a real plus. Parents work one-on-one with their child or another child to learn about the equipment and its proper use. That's what 4-H is all about... building child and parent interaction through a hands-on project experience.

The emphasis is not on competitive shooting; but rather personal growth and individual skills. The program is adapted to challenge all levels. A special aspect at the completion of each shooting sports course is a family fun program that the parents, 4-H members and other brothers and sisters can happily participate in. This year, 45 youth participated in the 4-H archery program and 22 youth completed

ed the air rifle course. Twelve youth participated in an advance archery program. Last year, Jamie Yogerst received second place and Andy Yogerst placed fourth at the state archery competition. This year six youth will attend the state competition in Barron County.

A highlight this year was a family fun program. All the youth invited their families and friends to see that they had learned through the archery program. Over 120 parents, grandparents, and 4-H youth participated with their family. Many of the members also displayed their County Fair archery exhibits.

Volunteers are a key to the 4-H program and shooting sports is no different. Mike Yogerst, Don Yogerst and Randy Schmidt assisted with both the air rifle and archery training course last year.

I asked Norb why do you volunteer to work with this program? "I really feel personal satisfaction to see kids and adults share their skills with each other. Especially when you see a parent and child side by side learning together." The shooting sports committee strives to have an adult working with every two youth. Norb also enjoys seeing the positive peer pressure that this program has provided as youth interact and learn from one another. If you are interested in having your child become involved in the 4-H Shooting Sports Program you can contact Norb Yogerst at 677-2379.

## ABC CLUB SKAT RESULTS

## State Pheasant Numbers at Decade Peak and Building

MADISON... Wisconsin's wild pheasant population is up 27% over last year and is at its highest level of the past ten years, Department of Natural Resources spring population surveys have found.

"This continues an upward trend since the population's low point that occurred in 1985," said Bill Vander Zouwen, DNR upland wildlife ecologist. Counties with the best pheasant densities include Columbia, Dane, Dodge, Jefferson, Fond du Lac, Green, Rock and St. Croix.

Many individuals and groups, such as Pheasants Forever and Wings Over Wisconsin, have been working very hard to bring back wild pheasant, Vander Zouwen said.

Additionally, Vander Zouwen said the federal Conservation Reserve Program and DNR private lands management program have helped provide substantial new acreage of grassland nesting cover, wetlands, shrubs, trees, and food plots that have especially benefited pheasants; and recent relatively mild winter weather was also responsible for populations increases.

"Wildlife managers began working with landowners and state and federal incentive programs in 1984 on a special project in Dodge and Columbia counties to restore habitat," Vander Zouwen said. "The remnant pheasant population has increased three-fold since then, with fall rooster densities ranging up to 50 per-square-mile. Many other areas of the pheasant range have shown similar results with no pheasant stocking."

However, Vander Zouwen said there are other cases where habitat has been reestablished in areas that historically provided pheasant range, but that pheasants have not returned. Releasing wild strains of ring-necked pheasants may prove to be a successful technique to restore populations in those areas, he said.

"Beginning in 1988, we released wild Iowa pheasants at two sites in southern Wisconsin, and populations are now established where there were few or no pheasants," Vander Zouwen said. "By 1994, we plan to release wild Iowa pheasants in 10 different areas. Plus we are experimenting with releasing wild Manchurian ring-necked pheasants from the Jilin Province of China."

These Jilin birds were obtained with the help of Wings Over Wisconsin and the MacFarlane Game Farm at Janesville. Currently there are seven areas where Manchurian ring-necked pheasant are being released.

Vander Zouwen said another boost for the Wisconsin pheasant program was the institution of the Pheasant Stamp last fall. The \$300,000 in annual revenue the department estimates the stamp to raise is earmarked for developing habitat,

raising and releasing wild pheasants, and hiring two wildlife managers who will work with landowners and other parties to restore pheasant habitat.

"Many Wisconsin hunters

have limited their pheasant hunting to public lands stocked with game farm birds," Vander Zouwen said. "These hunters may want to rethink their methods and spend more time hunting wild pheasants on private lands with pheasant habitat, such as lands with wetland winter cover, upland grass nesting cover and corn for fall and winter food."

Hunters are reminded to contact landowners during the summer to secure permission for

fall pheasant hunting.

For more information, contact Bill Vander Zouwen at (608) 266-8840.

Interest in model railroading as a hobby began after the Chicago World's Fair of 1933-34. Model railroad exhibits at the fair spurred this interest.

# Donath, Buechel Named to Second Unit Brad Weinreich Earns All EW First Team Honors

By Noel Stollenwerk

**KEWASKUM** - In what overall could be considered a disappointing regular season for the Kewaskum High School baseball team, there were a few bright spots.

Those bright spots were honored by Eastern Wisconsin Conference coaches, as three Indians were named to either the first or second unit.

One KHS veteran made the elite EW team, as first baseman Brad Weinreich was voted as one of the top 10 players in the league.

Weinreich, who batted lead-off for coach Doug Gonring, was an all-EW second team pick his junior year. The senior lefty batted a fine .356, and also collected 13 walks from his leadoff spot.

Making the second unit for Kewaskum were seniors Scott Donath and Doug Buechel. Donath was solid as the Indians' regular catcher, batting .333 with 15 runs batted in. Defensively, Donath was just as solid, throwing out several attempted base stealers.

Buechel, meanwhile, was a pleasant surprise for Gonring, who figured that hitting would be the team's strength. As it turned out, the pitching staff, led by Buechel, was the lone constant during the year in which the Indians finished in sixth place (6-8) in the loop.

Buechel deserved a better record than his 2-3 conference mark, as the senior righthander's earned run average was a stingy 2.38. He struck out 42 in 47 innings of work, allowing 42 hits and 31 walks.

KHS coach Doug Gonring said he was happy with the selections, and added that possibly senior pitcher Jim Marx should have been given mention.

Marx finished the regular season with a 0.80 earned run average in EW action, giving up just 10 walks in 41 innings of work.

"But Sheboygan Falls had a couple of really good pitchers," Gonring noted. Falls' Aaron Wilcox and Travis Tank each were 5-0 in conference action, and were given first team hon-

ors.

Also named to the first team were Kiel's Ryan Arnold and Chad Sabel; Plymouth's Tate Hollister and Matt Helmer; New Holstein's Kurt Bertram and Mike Casper; Two Rivers' Greg Gordon, and Campbellsport's Gary Goebel.

Members of the second team also included Lonnie Schaefer of Kiel; Travis Streblo and Jason Spinsky of Plymouth; Rich Flunker of Sheboygan Falls; Aaron Brault and Frank Zuehl of Two Rivers, and Josh Stoffel and Brad Flood of Campbellsport.

Honorable Mention players were: Jim Marx and Todd Muckerheide of Kewaskum; Jason Hall and Brian Walto of Campbellsport; David Immel and Joe Pollard of Sheboygan Falls; Jim Valley and Travis Glant of Two Rivers; Mark Miller and Travis Weedman of Plymouth; Steve Julka, Corey Weber, Christ Baus and Jerrod Steffes of New Holstein, and Jeremy Ott, Brian Nett and Bob Woelfel of Chilton.

# Indian JV's Beat Cougars, Finish 12-5

By Noel Stollenwerk

**KEWASKUM** - With the Kewaskum varsity baseball team having its troubles hitting the ball, the Indian program won't have to look far to find some help next season.

The Indian junior varsity squad capped off a fine year here, last Monday night, as the hosts staged a seventh-inning rally to beat Campbellsport, 10-9.

The win gave the younger Indians a 12-5 mark for the year, including an impressive 8-2 mark in the Eastern Wisconsin Conference. The 8-2 slate allowed KHS to finish second to Sheboygan Falls in the EW loop.

"We had to come from behind again," JV coach Dave Rockhill said of the KHS win. Rockhill reported that a single by Travis Jacak in the bottom half of the seventh scored Andy Rix and Tim Gundrum with the winning runs.

Luke Chesak started on the mound for Kewaskum. Dane Dorn came on in relief, and eventually picked up the win. Kevin Klahn went 4x4 to pace the offense, while Gundrum was 3x4 and Jacak 2x3.

Dorn finished the year with a nifty 8-1 record on the hill. "That's pretty good," Rockhill noted, adding that he hadn't figured out all of the pitching totals quite yet.

Ad for the top KHS hitters, Gundrum and Rix led the way, each batting a whopping .553 for the year. Klahn was close behind with his even .500, which included a team-leading 17 RBI's. Dan Survis also was hot, batting a hefty .439 for the season.

"I think these kids can help out (on the varsity level) next year," Rockhill noted. "A lot of them are sophomores. Hitting was definitely our strength."

## HON-E-KOR THURSDAY NIGHT LADIES GOLF LEAGUE

Tied for low gross were Judy Moede, Nancy Punzenberger, and Debbie Timblin with scores of 49.

**PARS:** Hole 3 - Teresa Dreher, Betty Hallen, Shirley Lemler, Pat Loduha, Joyce Meinberg, Jean Schneider, Jan Young. Hole 4 - Dianne Erickson, Betty Hallen, Judy Moede, Roxie Volesky. # KHS Rallies to Beat Campbellsport in Regional Final

By Noel Stollenwerk

KEWASKUM - After some shoddy defense led to a two-run deficit midway through its Regional final with Campbellsport here, last Tuesday, things looked pretty bleak for the Kewaskum High School baseball squad.

Struggling throughout the year at the plate, the 4-2 deficit

looked a lot bigger than it really was to the Indians, who consistently found ways to lose close games during the regular season.

But the Indians have looked like a different unit in the WIAA playoffs, and they continued to surprise on Tuesday. KHS rapped out five hits in a six-run sixth inning here, and then held on in the bottom of the seventh, to preserve an 8-7 win

over the Cougars. The win upped KHS' overall record to 9-16, and advanced them into the Sectionals at Cedarburg.

"It was a real good game," KHS coach Doug Gonring said of the contest, which didn't look like it would be all that competitive. The Cougars' 15-8 mark coming into the game was almost the opposite of the Indians.

But records don't matter in the post-season, as both sides figured out quickly. The Indians, playing as the visitors despite hosting the contest, jumped out to a 2-0 lead with single runs in the first and third innings.

Aaron Rettler's single in the first brought home Brad Weinreich, who had walked and stole second. Rettler was responsible for the third-inning run as well, doubling in Todd Muckerheide, who had singled with two away.

After Campbellsport scored a single run in the third to make it 2-1, the Indians appeared to lose their composure in the field in the bottom of the fourth.

Two walks and a pair of errors accounted for three Cougar runs in the inning, and some poor decisions on which base to throw to, accounted for another Campbellsport run.

"I think we just lost our heads out there for a second," Gonring said of the defensive lapse. "I think it (throwing the ball around) was more out of frustration than anything else."

Right fielder Mark Strobel got the Indians out of the inning when he nailed Andy Rettler at home plate for the final out.

"He had several nice throws to gun runners down," Gonring said, adding that Strobel has been solid in the outfield and at the plate.

Looking at the small deficit, the Indians didn't give in. In the sixth, Kewaskum loaded up the

bases with two out, although it looked as if Campbellsport would get out of the jam.

But Brad Weinreich's grounder to short was bobbled, allowing a run to score. On the throw to second, Gonring never slowed Corey Rammer, who was rounding third, and he went on to score, tying the game at 4-4.

Joe Rettler followed with a single, and when he advanced to second, another run scored trying to cut him down. He was safe, and the Indians had a 6-4 lead. Scott Donath added a single, scoring Rettler, and Donath came around when Todd Muckerheide laced a double, making it 8-4.

"I almost ran us out of that inning," Gonring said of Weinreich's grounder. "But what we gave to them (in the fourth) they gave right back to us."

But Campbellsport rallied in their last at bat. The Cougars had the bases loaded and nobody out with one run in, before Gonring called on Muckerheide to finish up. The senior righty allowed an infield single and a fielder's choice to make things interesting at 8-7.

But Muckerheide got Gary Goebel to ground out to Weinreich at first for the game's final out.

"We really hit the ball," the KHS boss said, looking at the nine hits. As for the five errors, Gonring said he wasn't pleased, but "that's going to happen with these kids sometimes."

# Athletics Fourth in Northern Division

The Kewaskum Athletics suffered a 10-4 defeat at the hands of the Rubicon Red Sox to fall into a tie for fourth place in the Northern Division of the Rock River League.

The A's record is 8-5 in league play. Terry Koth continued his red hot hitting streak, blasting two solo home runs. Greg Rinn collected two hits, including a home run. Rubicon ripped three Kewaskum pitchers for 16 hits and four home runs, including two by winning pitcher Shawn Burg.

The A's have a pair of games this weekend. On Saturday the Saukville Saints provide the opposition in a non-league game. Game time is 1:30 at the Kewaskum High School diamond. Fond du lac visits Kewaskum on Sunday as the A's attempt to regain momentum in their drive for the playoffs.

The Athletics will seek revenge for their latest loss when Rubicon comes to town on Wednesday, August 4 for a 7:30 game.

## SHEEPSHEAD WINNERS

5 handed winner's on Thursday, July 22nd were: Daniel Roecker, 63-6--57, 19-2--17; Mathilda Rady, 57-8--49, 19-7--12; Walter Bartelt, 52-9--43, 21-4--17; Elroy Egerer, 52-10--42, 15-6--9; Ken Campbell, 51-10--41, 15-7--8.

The next 5 handed will be Thursday, Aug. 5th and Wednesday, Aug. 11th at 8:00 p.m. sharp cash prizes. Schmitt's Never Inn.

# Indians Eliminated By Blackhawks, 6-0

By Noel Stollenwerk

CEDARBURG - In baseball, a team needs a combination of good pitching, good defense, and decent hitting in order to win. Kewaskum baseball coach Doug Gonring added a fourth variable to that list after his team's WIAA Sectional game against Grafton here, last Thursday.

"You need a little luck," Gonring said, noting his team had none in the Indians' 6-0 loss to the Blackhawks. The loss ended the Indians' season, Gonring's first as head coach, with a won-loss mark of 9-17.

Lady Luck was nowhere to be found by the Indians on this day, as several hard-hit balls by KHS batters were directly at Grafton players, resulting in outs.

"It was just unfortunate luck, I guess," Gonring said of the outcome. "We did get hits for once, they were just right at people."

Blackhawk starting pitcher Dan Eernisse, got all the support he needed in the bottom of the first, when Grafton scored a pair of runs. A base on balls, followed by four straight hits accounted for the pair of runs off Indians starter Shawn Larson, whom Gonring was forced to spot start because of WIAA pitching rules.

"We had two guys combine for eight innings (under WIAA rules) in a seven inning game," Gonring said, referring to Jim Marx and Doug Buechel, who pitched in the Regional final against Campbellsport.

WIAA rules say that if a pitcher pitches to a single batter in an inning (even if that batter doesn't record an out), the pitcher is credited with an inning pitched. With Buechel pitching to one batter in both the fourth and seventh innings of the previous game, he was credited with pitching four innings, although officially, he pitched just two and two-thirds innings.

Gonring was quick to point out that it wasn't that rule which cost his team the game, though. "We just couldn't get any clutch hits."

The game summary could be given by looking at the action in the top of the sixth, Gonring said. After Brad Weinreich walked, the KHS boss put on the hit-and-run sign. With Weinreich breaking for second, freshman Joe Rettler lined the pitch at the shortstop who then fired it to first for the double play.

"Somebody should have

been covering the bag (at second) on the play," Gonring said. "But neither of them (shortstop or second baseman) moved, and the ball is hit right at them." Gonring noted that Scott Donath followed with a double, which could have meant a big inning had the play worked.

"I think there were times when maybe I was trying to be too aggressive," Gonring said. "It seemed every time that I tried to get something going on the base paths, I would run us out of an inning. Things just didn't work out."

Eernisse allowed just three KHS hits, and struck out four. "He pitched a good ballgame," Gonring said of the Blackhawk ace.

After the two-run first inning, "they really didn't do anything spectacular," Gonring said of the Blackhawks. Grafton scored single runs off Buechel in the third and fourth innings, and added two more off Marx in the sixth.

"I think our kids just started feeling some of the pressure (of the post-season)," Gonring went on to say. "I can't say that the kids didn't try hard, because they really did."
