

Where a man goes here - after depends to a great extent on what he goes after here.

Town of Kewaskum to Dedicate New Community Center

By Louise Martin

The General Public is invited to attend the dedication ceremony and open house of the newly constructed Town of Kewaskum Community Center on Sunday, October 3, beginning at 2 p.m. The new facility is located on the corner of Highway 28 East and Kettle Moraine Drive.

The facility is being called the Town of Kewaskum Community Center as it is more than a town hall... it is a facility the community can use. Already the 4-H and other community groups conduct their club meetings in the facility and a number of family gatherings have been held there as well. The building

is available for rent to township residents for a \$50 charge. Community groups may meet there at no charge.

The 60 by 125 foot building has office spaces for the town clerk and chairman, a large meeting room that can accommodate up to 150 people, a full size kitchen, rest room facilities and a 4,500 square foot modern shop area to house the town's road maintenance equipment.

Nearly two decades ago, the Town of Kewaskum decided to begin its own plowing and road maintenance program. The Town purchased approximately two acres of land north of the Village of Kewaskum on Highway 45 and constructed a 1,700 square foot metal shed to

house the one truck and tractor that the township purchased.

During this time span, regular monthly meetings and elections were held at the Labor Center in Kewaskum. In order to comply with the American Disabilities Act, elections for the past two years have been held at the Amerahn Hall.

In the Spring of 1992, at the Annual Meeting, electors approved a motion to consider the possibility of constructing a new town hall. A special New Town Hall Study Committee was appointed. The members were Leon Schmidt, Michael Lettow, Tom Gibson, David Dorn, Richard Welch and

Teachers Without Contract Since Voting Down Tentative Agreement in Spring

By Noel Stollenwerk

KEWASKUM - Teachers in the Kewaskum School District are still without a contract for the 1993-95 school year, and negotiations are at a standstill for the next couple of weeks at the very least.

The School Board and KEA negotiating committees had reached a tentative agreement after meeting in April of this year. But when the teacher's negotiating team took the offer back to the Union at the beginning of May, it voted the contract offer down.

"We had a tentative agreement, and I want the public to know that," School Board

President Neal Weare said of the negotiations. "They were to take it back to their people, and it was on the preliminary agenda (for the Board meeting in May, when the contract would have been ratified). Things looked fantastic."

But the teacher's union felt that the contract included too many givebacks in the insurance program, according to KEA chief negotiator Clark Pearson. The base salary issue was also unsatisfactory to the Union.

"We would like to get a salary of the average of the surrounding communities," Pearson said of the union's wishes. "The language had been agreed upon, but the union wasn't happy with

the salaries."

Also hampering the two negotiating committees is the state's new legislation regarding school's teachers and administrator pay. Administrator's salaries have a 2.1% cap for increases. Teachers have a 2.1% salary and 3.8% total salary and fringe benefits. However, if health insurance benefits go over the 1.7% mark, salaries may be reduced by that amount for cap purposes.

It is here where the two sides are waiting for a ruling from the Wisconsin Employment Relations Council (WERC).

"We're waiting for an interpretation from (WERC) for

Kettle Kountry Kolors Fest Has Appeal for Everyone

By Louise Martin

Kettle Kountry Kolors. The fall weekend festival sponsored by the Kewaskum Area Chamber of Commerce, offers something for everyone... young, old and everyone in between.

This event is made possible by volunteer efforts of chamber members who have been diligently working to provide another outstanding weekend here in the Kettle Moraine.

This year's festival has many popular attractions returning plus a host of new activities. Best of all... there's no admission fee. Bring the family and your friends... come and enjoy the festival in River Hill Park on Saturday and Sunday, October 9 and 10.

Making a return along the banks of the picturesque Milwaukee River will be the

camp and lodges occupied by the ever popular Buckskinners, Angels of the Battlefield and the Civil War reenactment complete with a live cannon.

New to this area, will be Medieval Anachronists who meet for mock battles, feasts, heraldic courts and to practice needle-crafts, archery, calligraphy and other finer elements from the Middle Ages. The time frame of activities portrayed is from 600 to 1600.

Another new to the festival next to the river will be Dave Watson, a Wisconsin Dells chain saw sculptor. He will surely intrigue you as he displays his artistic talents on a

Schmitt Campaigns For State Assembly

Ruth Schmitt

by Sharon Callaway Roznik

"They always say local government is where you can pick up the phone and yell," states Ruth Schmitt (R) candidate for state assembly of the 59th district, and she plans on an "open and accessible" campaign and political career.

Schmitt is serving her third term on the Kewaskum School Board, a member since 1987.

She is the only candidate running with experience as an elected official. "I really wanted to run (for the assembly seat) because of my experience working on the school board and realizing how little control communities have regarding their decisions on how to spend state funding," comments Schmitt. "State mandates have become a big problem—they tie the hands of local governments. I believe local officials can make decisions better than state legislators."

Active in the community, the county and at the state level, Ruth is proud of her involvement in various organizations. She is current president of the Kewaskum Woman's Club, and involved with the Kewaskum Booster Club, and the American Association of University women.

On the county level, Schmitt is a long standing member of the Washington County Truancy Committee, the Washington County Alcohol and Drug Prevention Council and the Washington County Strategic Planning Committee.

Education is high on her list of priorities. Schmitt is current

150th Anniversary Celebrated By St. Matthias Church

(L to R) Tree planting ceremony with John Klein, Gottlieb Kelln, Randy Link, Fr. Nick, and Vivian Bolek

St. Matthias, Catholic Church of New Fane celebrated its 150th Archdiocesan Anniversary on September 19, 1993.

Immediately following the 9:30 a.m. Mass, Fr. Nick Goebel led the congregation to the front of church to begin the celebration with a tree planting ceremony consisting of two maples, a red and yellow.

A pot luck dinner followed which quickly led into an afternoon of bingo, volley ball, carriage rides, ring toss, and an assortment of children's games.

Helium balloons were presented to all the children. Many of these youngsters tied cards with their names and addresses onto the balloons and released them, hoping to hear from

THANK YOU

The congregation of St. Matthias would like to thank all the businesses and individuals who donated prizes as well as a special thanks to Kewaskum Floral for filling the helium balloons, the Women's sodality for donating them, the men's club for donating the children's prizes, The Dean Schmidt family for the carriage rides and all those concerned with making this celebration a success.

Dedication

(Continued from Page 1)

George Allmann.

The committee studied possible options available. A special town meeting was held on September 21, 1992, attended by nearly 60 township residents. After discussion the residents voted to purchase a five acre parcel of land, construct a new town hall and salt shed and sell the existing town maintenance shed.

The committee studied various sites around the township and finally approved the present site. The land was purchased from Walter Dei.

The Town Board contracted JP Storrs Co. of West Bend to design the building and draw up the architectural plans. Bids were submitted in November, 1992, and the Robert Bach Construction Company of Saukville, was awarded the building contract for nearly \$200,000.

In early 1993, the Town Board awarded a contract to West Bend American Building Systems to construct a 24' x 40' salt shed for approximately \$25,000.

The Township currently has one full-time employee and six part-time employees. The town maintenance fleet has increased to four trucks, a tractor and backhoe. The town maintains 39 miles of road and serves over 1,200 township residents. The township equalized value by the state is slightly more than \$41 million.

Additional plans for the future include relocating the town's recycling center in a new building at the site, developing a baseball diamond and park facilities on the south end of the property.

According to George Allmann, town chairman, the building represents a commitment by the residents to plan for tomorrow. It is a facility that can be used by all the township people and will serve their needs well into the 21st century and beyond. It truly is a dream come true.

Food and refreshments will be available following the dedication program. Music will be provided by the Good Time Dutchmen Band.

Teachers

(Continued from Page 1)

what the new law means from a negotiating standpoint," Pearson said. "There's still some confusion, because the new law has not been finalized."

"There are still some questions to be cleared up," agreed Weare, who say that the two sides will have to hold off until sometime in October before getting a ruling. "There are just so many things that go into the puzzle."

Weare says that he is still disappointed that things couldn't have been finished earlier.

"I'm disappointed that they rejected (the earlier proposal)," he said. "Speaking for the whole board, we thought we had a done deal. It's just unfortunate."

"We'd be very happy to get it done," said Pearson. "In my opinion, though, the new budget bill has taken away our (teachers) options." He said that the new bill says that the union cannot go to salary arbitration if the district offers a 2.1% increase in salary.

The package offered to the union for this year totalled \$6.38 million. The average salary, including fringe benefits, would have been \$52,206.

The approximate salary for a teacher with a master's degree, 20 hours of additional graduate courses, and 14 years of experience would have been \$43,748. The average starting salary for a teacher with a bachelor of arts degree and no experience would have been \$21,874.

Schmitt

Neuman's Host Exchange Student from Spain

Jorge Rodriguez

Jorge Rodriguez Latorre, 21 of Logrono, Spain is spending a month with the Roger Neumann family. Jorge arrived on Friday, September 16.

Jorge is participating in the Academic Adventures in

America, Inc. Academic Adventures in America is a non-profit educational and cultural exchange program dedicated to bringing people of all ages closer together resulting in a better understanding of one another's way of life.

Logrono is Northeast of Madrid with a population of 119,000. Jorge's father Ignacio is a sea custom officer and his mother Mary Angelei is an elementary art teacher. Jorge has two brothers, Ignacio 24 and Javier 18.

When Jorge returns to Spain he will continue his education to become a Math teacher. He would like to return to the U.S.A. to receive his doctor's degree. He hopes to improve his english during his stay.

Jorge's American family is Roger and Ann Neumann, Nancy, Chrissy, Carol, John and Michael.

Blood Drive Coming Soon... Kewaskum, Can You Help?

By Louise Martin

What good is a blood donor? A blood donor is good for people who go through windshields and red lights. For someone with cancer, hemophilia or anemia. Or hepatitis. Or ulcers. For people being operated on... For people who are almost out of life because they're almost out of blood.

For the little girl who doesn't know that leukemia has happened to her or why. For a little boy who needs something revved up that wound down... like energy. For people who have open-heart surgery... for people feudin' and fightin'. For people burned pretty bad... for daredevils... tree climbers... for people in the wrong place at the wrong time. A blood donor is good for people who are in a lot worse shape than most people you know. For someone who needs a little of your blood... a lot.

On Wednesday, October 6, the Kewaskum Blood Drive will be held at the Kewaskum High School from 1:30 to 6:30 p.m. This will be your opportunity to help others who might find themselves in need. More than 450 pints of blood are needed every day to meet the needs of

patients in 29 southeastern Wisconsin hospitals. All this blood must come from volunteer donors.

Donors must be 17 years old or older, weigh at least 110 pounds, be free of symptoms of a cold, sore throat, flu or allergies on the day you donate and not have had hepatitis.

All donors will be asked to provide their social security number and must present some form of identification when making their blood donation. Acceptable forms of identification are a picture I.D., blood donor i.d. (plastic type) or identification with signature.

The actual donation of a pint of blood takes approximately seven minutes. Plan 20 minutes prior to the donation to give medical history and to have your temperature and blood pressure taken and 10-15 minutes after the donation for some refreshments. The whole process takes about one hour.

You will feel special for having done something so important. You may help a total stranger or someone in your own community. That someone from our community could be Justin Hanson. Justin was diagnosed with Acute Myelogenous Leukemia soon after returning

THURSDAY, SEPT. 30, 1993

PAGE 3

from Badger Boys State this summer.

Currently undergoing chemotherapy treatments, Hanson has been hospitalized for fevers which must be treated with antibiotics. His doctors will evaluate his progress to determine if a bone marrow transplant will be necessary.

Blood can be donated at the Kewaskum Blood Drive on behalf of Justin Hanson. The Blood Center of Southeastern Wisconsin will send a notice to Justin notifying him that you donated blood on his behalf.

Please seriously consider donating. Those you help will be forever grateful that you took the time and gave such a generous gift.

BE A GOOD
NEIGHBOR

Volunteer.

Celebrity Auction Proceeds to Benefit Batavia Fire Department

The Batavia Fire Department is sponsoring a Celebrity Auction this Sunday, October 3, at the Hilltop Hall located on Highway 28 in Batavia. Doors will open at 12 noon and food and refreshments will be available.

All proceeds from the Celebrity Auction will go into the Batavia Fire Department Building Fund, so don't miss this very special fund-raiser.

A partial listing of the many, many items going up for bid on Sunday includes the following:

A dress donated by Vanna White; autographed music and photo by Bette Midler; a Packer hat autographed by Brian Noble; an autographed script of 90210 donated by writer Charles Rosen; sunglasses, t-shirt and an autographed photo of Hulk Hogan sent by the World Wrestling Federation; a child's raincoat sent by the Milwaukee Bucks; a "Fatal Attraction" script; a t-shirt and autographed photo by the Charlie Daniels Band; an autographed baseball from the Minnesota Twins; a tie clip from Ronald Reagan and lots more.

There are countless autographed pictures and posters from sports figures, TV stars, etc. There is also much memorabilia for young and old alike, gift certificates and many other fine prizes and surprises. Be sure to attend and be ready to raise your hand to make a bid towards a very worthy cause!

True contentment is the power of getting out of any situation all that there is in it.

4-H Open House Set for October 2

A 4-H Open House will be held on Saturday, October 2, at the Paradise Mall, West Bend, in honor of National 4-H Week. The time will be from 10 a.m. to 3 p.m.

Families are encouraged to bring their children to explore the different projects 4-H offers. Face-painting and hands-on project activities will be available.

Four-H provides hands-on learning experiences through projects like photography, rocketry, clowning, rabbits, dogs, foods and nutrition, woodworking, cultural arts, drama and more. Four-H helps youth develop life skills, such as leadership and communication.

Four-H is designed for all kinds of families. More than 650 youth from both urban and rural areas are already involved in Washington County 4-H.

Schulteis - Squier

St. Mary's Catholic Church, Menomonee Falls, was the setting for the Aug. 7 wedding of Julia Schulteis, Germantown, and Jeffrey Squier, Acton, MA.

Parents of the couple are Dan and Mary Schulteis, Germantown, and Dale and Joan Squier, Kewaskum.

The Rev. Joe Jannecki conducted the noon ceremony. The wedding reception, dinner and dance were held at the Astor Hotel, Milwaukee.

Sequins and reembroidered lace decorated the bodice of the bride's off-the-shoulder gown. She carried a bouquet of red roses with stephanotis and variegated ivy.

Serving as her sister's matron of honor was Susan Schmidt, Oak Creek. Bridesmaids were Angela Schulteis, Minneapolis and Amy

Schulteis, Germantown, both sisters of the bride. Also serving were Sheri Squier, Madison, Jennifer Chiapete, Racine, Lori Cieslik, Greenfield.

John Hanson, Madison, was best man. Groomsmen were, Paul Trilling, Sheboygan, Jim Hanrahan, West Bend, David Pesch, Jackson, Tim Westerman Oshkosh, and Dennis Butz, West Bend.

Julia graduated from U-W-Oshkosh and is employed by the West Boylston School District. Jeff also earned his degrees from U-W Oshkosh, and is presently serving with the U.S. Air Force as Director of Patient Administration, U.S.A.F. Clinic, Hanscom.

After honeymooning in San Francisco and Bodega Bay, the new couple resides in Acton, M.A.

Molly O'Connell to Speak At St. Michael's Parish

Molly O'Connell, a nationally certified family life educator, will speak at St. Michael's parish on Sunday, October 10th at 7:00 p.m.

Her presentation titled, "What You Are IS Where You've Been" deals with family values and communication. Molly's a speaker full of energy, but down to earth; a delightful combination of education touched by her life's experiences. Her intelligent, good-humored style calls people to free themselves gently, but genuinely, urges them to know life and live life and share life in an ever more meaningful dimension.

She's a wife, mother, sister, friend, and a lover of life. She has a Master's Degree in Education and Family Ministry. As a trained facilitator, Molly leads groups at WCTC, Mount Mary, and Alverno College.

The St. Michael's Church is

BIRTHS

A son, Matthew Thomas, to Michael and Pamela O'Brien, N181 Skyline Drive, Campbellsport, Sept. 8.

Fall Color Expected to Peak in Northern Wisconsin by First Weekend in October

Peak fall color appears to be about a week to two weeks behind schedule in many areas of northern Wisconsin, according to reports received by the American Automobile Association's Wisconsin Division. Fall color in most northern regions of the state is expected to reach its peak by the first weekend in October.

"While the best time to see the fall color in northern Wisconsin won't be for almost a week, there are areas where the maples and sumacs have turned," said Triple-A Wisconsin spokesman Joe Laubmeier. "According to an University of Wisconsin-Extension agent in Marinette, the area around Mountain, Wisconsin, in Oconto County, has some nice color right now."

During the fall, Laubmeier contacts representatives from local chambers of commerce and convention and visitor bureaus, state and national

forests, UW-Extension offices, and state parks to ascertain the fall color situation in Wisconsin.

Even though the fall-color peak seems to be delayed a bit this year, the colors should be spectacular when the leaves do turn, according to Laubmeier. One of Laubmeier's contacts at the Nicolet National Forest said that the above-normal amounts of rain that fell earlier this spring and summer have allowed trees to produce a good crop of leaves this year.

Central Wisconsin normally experiences peak color in late September to early October and fall color is usually at its best in southern Wisconsin through most of October. "The delay in fall color that much of Northern Wisconsin is experiencing now, however, may mean that there will be a delay in fall color throughout the state," Laubmeier said.

Motorists planning fall-color tours may obtain information

about the intensity of color by contacting an auto travel counselor at any of Triple-A Wisconsin's 12 offices around the state or by calling the Wisconsin Division of Tourism Development's fall-color hotline at 1-800-372-2737.

County Separated, Divorced to Meet

Washington County Separated and Divorced Men and Women Support Group meet every Friday evening at Sacred Heart Church in Allenton, from 7:30 to 9:30 p.m.

The purpose of the meeting is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and activities.

This group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

On Friday, October 1, the topic will be, "The Inner Child," by Mary Nervig, Center of Psychological and Social Services.

The topic for Friday, October 8 is "Friendships Don't Just Happen," with Helen Jurgensen of Inner Visions.

Jackson Man Honored For Act of Heroism

A Jackson man has been commended for saving the lives of a mother and child who were in danger of drowning at Lake Lenwood (Town of Barton) in an August 11th incident.

Dennis A. Stone, 29, of W195 N. 16220 Eastwood Circle, Jackson, was credited with saving the lives of Lisa J. Fetzer, 35, of 1039 9th Avenue, Grafton, and her four-year-old daughter, Lauren.

The two had been seated in an inner tube when they fell off in about eight feet of water. Although Mrs. Fetzer could

swim, she was unable to keep both her daughter and herself above water.

Stone saw the two struggling in the water, went to their rescue, and was able to get both mother and daughter to shore. Deputies report that without his intervention, it was likely that both Mrs. Fetzer and her daughter would have drowned.

Sheriff Robert H. Schulteis, presented a letter of commendation to Mr. Stone, acknowledging his extraordinary act of heroism.

The moon travels around the earth at more than 2,000 miles per hour.

West Bend Gallery's October Exhibitions

ILLUSTRATORS AS ARTISTS October 6 - 31

ILLUSTRATORS AS ARTISTS, guest curated by Tom Nachreiner, artist and Director of the Art Factory, Elm Grove, Wisconsin, focuses on the activity of some of Wisconsin's leading commercial artists in a non-commercial context.

The exhibit provides an opportunity for viewers to realize the close relationship between fine art and illustration in creative commercial design. Although we come into contact with commercial art on a daily basis, the opportunity to explore the fine art work of commercial artists is all too rare.

Artists included in this exhibition are: Kenn Backhaus, Hartford; Ken Bronikowski, Milwaukee; Tom Buchs, Waukesha; John Eric Karpinski, Fredonia; Joan Kritchman-Knuteson, Milwaukee; Gene Mihleisen, Milwaukee, and Ben Otero, Shorewood.

KENN BACKHAUS is a graduate of the Layton School of Art. His work includes plein air landscape, still life and figurative subject matter. He currently works out of his studio in Hartford.

KEN BRONIKOWSKI, currently employed at the Art Factory as an illustrator, studied at the American Academy of Art in Chicago. Working in both oils and acrylics, Bronikowski paints in plein air. His work has been exhibited widely in Wisconsin and Wyoming.

TOM BUCHS, a graduate of Layton School of Art, also is working as an illustrator with The Art Factory in Elm Grove. He has received numerous awards for his work, including the Best of Division Bellringer Awards. He works in a number of mediums including oil, pastel and watercolor.

JOHN ERIC KARPINSKI is a free-lance illustrator currently working from his studio in Fredonia. He studied with the Columbus College of Art and Design and the Art Academy of Cincinnati in Ohio. Working in a variety of medias, Rick has received numerous awards including the Children's Reading Round Table of Chicago Award in 1990.

JOAN KRITCHMAN KNUTESON is an illustrator with Advertising Art Studio in

Milwaukee. Her work reflects her interest in nature and fantasy. She is a self-taught paper sculptor with formal training in commercial art. She utilizes paper sculpture media with photo prop model construction.

GENE MIHLEISEN is a self-employed graphic designer, working in abstract watercolors, exploring formal elements of color, shape and composition. He received a BFA from the University of Wisconsin-Milwaukee and has exhibited throughout the state.

BEN OTERO, a native of New Mexico, attended the Chicago Academy of Art, the American Academy of Art and the Palette and Chisel Club of Chicago. His paintings include a wide range of subject matter. He is currently self-employed as a painter and illustrator.

The majority of work included in this exhibition is representational including figuration and landscape.

FACULTY FOCUS SELECTED WORKS OF JUDITH PICHLER, RON SACHSE AND WALLIE SCHEARER October 6 - 31

This month's faculty focus concludes our 1993 salute to our gallery faculty. Included in this exhibit is a selection of mixed media, found-object assemblages focusing on a Mexican fiesta theme, "El Dia de Los Muertos," (Day of the Dead celebration) by West Bend artist and educator, RON SACHSE. Ron has been on the gallery faculty roster for a number of years, always providing an interesting facet to holiday theme workshops and the tutorial program for young artists. Ron's works includes dolls, toys and other ordinary-found objects, assembled in life-size figures. The resulting works are often appropriated from familiar images such as "Whistler's Mother" and Barbie.

WALLIE SCHEARER of Hartford, has instructed previous drawing classes for adults and is an active member of Glacier Hills Art League. Wallie has exhibited throughout the state and continues to actively pursue his strong interest in art.

JUDITH PICHLER has a strong and extensive background in fashion design and illustration, as well as an active exhibition record with her pastel works. Judith has taught at the

gallery for several years. She is a Signature member of the Midwest Pastel Society.

RECEPTION

A public reception will be held on Sunday, October 10 from 1:30 to 4 p.m. Light refreshments will be served. Everyone is invited to attend and meet the artists. Hostess for this reception is Louise Roth.

The West Bend Gallery of Fine Arts is located at 300 S. 6th in downtown West Bend. Normal gallery hours are Wednesday through Saturday from 10 a.m. to 4:30 p.m. and Sunday from 1 to 4:30 p.m. For more information call the gallery at 334-9638.

The new Postage Validator Imprinter at the Kewaskum Post Office will make life a lot easier for postal employees come the holidays. This new device spits out computerized postage labels after weighing packages and/or letters. Imprinted with postage amount, date, where it's mailed from, and employee code - this new labeling system eliminates several steps needed with the previous computer. A two hour training session was attended by the Postmaster. "Now its even more important to make sure you use your zip code, and make sure it's correct," she states.

JOIN THE FUN -- JOIN 4-H

The Kewaskum 4-H'ers meet the 1st Thursday of every month at 7:00 p.m. in the Kewaskum Municipal Building.

Rammer Honored at Retirement Party

Beechwood Fire Department President Floyd Klug presents Delores Rammer with a plant in recognition of 32 years community service.

Original owners of the Beechwood Rest Home, Les Benzschawel, Delores Rammer, Virginia Benzschawel and Ray Rammer.

A retirement celebration was held Sunday, Sept. 12th, 1993 at Chissy's Pub in Waldo to honor Delores Rammer for 32 years of service to the the elderly as owner/operator of

Beechwood Rest Home. Delores would like to thank the nearly 75 friends, relatives, former and present co-workers and family members who helped celebrate her retirement.

Training for Glacier Edge Cub Leaders

Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will conduct cub leader basic training for all Cubmasters, committee chairmen, members of the pack committee, den leader coaches, den leaders, Webelos leaders, unit commissioners, scouting coordinators and their assistants from Ozaukee and Washington Counties.

Two options are being offered: three-Wednesday nights, October 6, 13 and 20, at 6:15 p.m. at Silverbrook Middle School, 120 N. Silverbrook Drive, West Bend; or one-Saturday, October 9, beginning at 8 a.m. at Our Savior Lutheran Church, corner of S. Silverbrook and Hawthorn Streets, West Bend.

Cost of the course is \$5.00. A split session for trained leaders who have changed positions will

cost \$2.50. Reservations should be sent to Training Chairman Terry Gengler, 116 W. Freistadt Road, Thiensville, WI 53092. Walk-ins are also welcome.

Trainees should bring a Cub Scout Leader Book; the Saturday participants are asked to bring a sack lunch, coffee will be served. A Trading Post will be available.

For additional information, call Gengler at 343-9383.

Glacier Edge Scout 'Pep-O-Ree' Oct. 1-3

The "Pep-O-Ree," sponsored by Glacier Edge District 11, of the Bay Lakes Council of the Boy Scouts of America, will be conducted October 1-3, at Camp Journal, Hartford.

Check-in time is from 5 to 7 p.m. Friday, and check-out will be Sunday morning. All Boy Scouts and 5th grade Webelos from Ozaukee and Washington Counties are invited.

This hands-on training and fun weekend camporee was named from the botanical Cucurbita family, pepo for pumpkin.

Activities begin with a Treasure Hunt Hike Friday night. Saturday's agenda includes demonstrations and practice in Search and Rescue, using Rescue Med Dogs, radio communications, EMT personnel and radio tracking.

In the afternoon, Scout skills will be emphasized with practical application; knife safety will be taught and Scouts must pass their Tote-n-Chip before carving pumpkins, engineering skills will be used to catapult pumpkins, followed by a seed spitting contest.

Webelos will attend First Aid demonstrations, do some whittling and "Rescue the Pumpkin."

Boy Scouts and Webelos will form mixed patrols, which will provide the food needed to prepare their own meals.

Green Bar Junior Leader Training will also be held at the camporee, and the Commis-

sioner Staff will give Scouts the opportunity to pass the 10 qualifications for the Quality Scout Award.

For more information, contact Camporee Chairman Jan Petersen, at 377-8497, or 375-1280.

Tanks got their name from the British, who developed them during World War I. They called them water tanks to conceal their real purpose.

log using a chain saw. Watson has been self-supporting with his sculpting for the past two and a half years.

There are 80 sculptors in the U.S. who earn their living carving with chain saws. Watson does a lot of traveling, attends shows and sculpts commissioned pieces. Watson will be at the festival both Saturday and Sunday. A daily silent auction will be held on the pieces finished by Watson.

In addition to the above attractions, you can enjoy live music performances by the Howard Schneider Dixieland Band and River City Irregulars on Saturday. Sunday's performers include the country western sounds of Leather and Lace and also the Kewaskum High School Jazz Band. Delight in the sounds of German music as German dancers, complete in authentic costume, perform on Sunday.

Oh, and don't forget to bring your appetite! Foods designed to tempt your taste-buds include Swiss chicken sandwiches, BBQ pork sandwiches, chicken and gravy sandwiches, brats, burgers, hot dogs, French and curly fries, "flowering" onions, hearty soups like chicken and dumpling, cheese, chili and then top that all off with luscious homemade desserts. You can even treat yourself to a pancake breakfast which will be served from 8 to 10:30 a.m. on Sunday prior to a moving outdoor church service being sponsored this year by St. Lucas Lutheran Church.

Take in the sights... the sounds and the beauty of nature in the full autumn colors which surround us so close to home here in the Kettle Moraine. Take in Kettle Kountry Kolors.

Fun and Educational Delights For Children at Kettle Kountry

by Louise Martin

Sure to interest the young and young at heart are events scheduled at Kettle Kountry Kolors in the Children's Activity Tent and gazebo areas on Saturday and Sunday, October 9 and 10 at River Hill Park, Kewaskum.

Featured entertainer on Saturday at 12:30 p.m. at the gazebo is the Robin Reed Marionettes. Robin Reed is a puppeteer who will delight the audience with a theater production enhanced with puppets, scenery and special efforts bringing original classics to life.

Back by popular demand will be "Crackers" the Clown who last year entertained children and adults of all ages with his unique artistic balloon talents and magic tricks. Crackers will be at the park on both days and can be found at the Children's tent and through out the park.

Storyteller Judy Busack of West Bend is returning with more entertaining tales scheduled for 3:30 p.m. on Saturday.

The Children's Pudding

Eating Contest is another event scheduled for Saturday the children (and adults) won't want to miss. After all, what child doesn't like pudding?

Another item of interest will be the Friend in the Sky Helicopter which has also been scheduled to visit on Saturday.

The featured program on Sunday at 1:00 and 3:30 p.m. entitled Animal Encounters will be presented by Dr. Robert James. Dr. James is a zoologist, teacher and author who carries live zoo animals such as a porcupine, alligator, hedgehog, bat and snake through the audience so that all can meet and touch the animals as he talks about them. While none of the animals has wheels, there is always an ostrich spreading her wings as she walks along on her amazing legs. His presentation is aimed at overturning misconceptions people have about wild animals.

Be sure to check the Statesman for a publication on scheduled events. You won't want to miss a thing.

Wheel of Wisdom Game At Kettle Kountry Kolors

by Louise Martin

This year at Kettle Kountry Kolors you will have a chance to satisfy that deep, down desire to be a contestant on a game show. A like combination of Wheel of Fortune and Jeopardy, the Hollywood-style game show Wheel of Wisdom is coming to Kewaskum amid dazzling lights, bells, buzzers, sirens and high-energy guaranteed to create an atmosphere of fun and suspense as contestants race to be the first to hit the buzzer!

Contestants spin a colorful four-foot wheel that may come to rest on such question categories as reading, music, sports, geography, movies, TV shows or people. Everyone watching has a chance to play. Even the

audience can win...if the contestants don't know an answer, the question is turned loose to those watching...a correct answer enables points to be awarded to their favorite team.

Here's your chance to win prizes, trips and much more at no cost to the contestants! Anyone can participate. Questions are geared toward the age level of the participants. In a recent visit at a school, contestants were asked questions such as name Chicago's two baseball teams, what is the name of the planet we live on, what state do you live in or who was recently voted the best player in professional basketball.

Fulfill that yearning to be a game show competitor without traveling to Hollywood. Experience it at River Hill Park, October 9 and 10 at Kettle Kountry Kolors Fall Festival.

St. Michael's Fall Festival Held

People from near and far attend the St. Michael's Festival and one of the reasons is the tasty turkey and Swiss steak dinner served to over 1,170 people on Sunday.

Many people enjoyed the music of the Eddie Schneider Band located in the outside tent, in spite of the cool weather.

Dear Dr. Syliva,

My sister has a very close relationship with my youngest daughter. Although in some ways it seems very nice, I feel worried that she may at times side with my daughter against me when I try to discipline her or when I expect her to help me cleanup around the house. I'm not sure how to handle this tricky situation.

Caught-in-the-Middle

Dear Caught-in-the-Middle,

Some children are not only blessed with parents and grandparents who love them, but also have a "favorite" aunt or uncle who adores them. Often that aunt or uncle doesn't have children of his/her own and has thus built an especially close relationship with a niece or nephew.

For her aunt, it may permit her to experience a fulfillment in her own life which she might not otherwise experience. At holiday times, birthdays and even special trips, she may enjoy the companionship of your daughter whom she loves and who loves her.

For some aunts and uncles, however, the joys are mixed blessings since they are also reminders that they will not or cannot ever have children of their own. For others, those blessings are only mixed with the relief that they chose not to have the responsibility or burden of actually parenting children of their own. The fun of being with their nieces or nephews only confirms for them that they've made the correct decision.

But most important, you would like to know the pleasures and pitfalls for your own daughter. Sometimes aunts and uncles without children of their own can give your children learning experiences, fun excursions and even gifts that you may not have time or money enough to afford. Since you know that your sister is enjoying

your daughter and that your daughter is also benefitting from this special opportunity, you can be pleased for your daughter and for your sister. Some aunts and uncles are wonderful role models for their nieces and nephews and share special skills or interests with them.

What are the risks of your daughter's special aunt relationship? Suppose your sister leads a life-style to which you would not like your child to be exposed; or what might happen if your child complains to Auntie about how hard you are on her and she agrees with your daughter, taking her side against you? These would cause major problems for you and your daughter since you would be likely to feel torn between wanting to be a good sister and your parent responsibilities. Of course, you want to be a good sister, but most important, you want to keep the power to guide your daughter's life. If your daughter really does get your sister to side with her against you, your daughter may actually become very rebellious with you..

Here's the hard part! If, and only if, Auntie is a bad role model for your daughter, or if she interferes with your discipline, you should be firm and assertive. Here are some recommendations:

1. Keep visits between your daughter and her aunt brief and impersonal.
2. Don't allow long trips or large gifts.
3. Communicate to your sister the changes you expect of her if she wants to stay close with your daughter.
4. Be firm. This is your own daughter. Don't let anyone make you feel guilty about these difficult decisions.

For the most part, aunt and uncle relationships are wonderful connections for your children. If high risks aren't there, consider your daughter fortunate to have this special aunt.

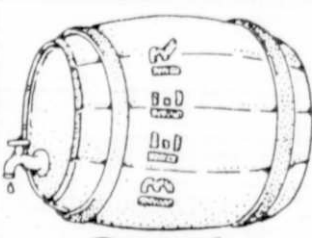

Arts and crafts tables lured shoppers.

Obituaries

FRED J. SPOERL

Fred J. Spoerl, 76, of Kewaskum, passed away on Sunday, Sept. 26, 1993 at Cedar Lake Home in West Bend.

He was born on February 8, 1917 in the Town of Wayne, the son of the late Fred and Catherine (Hassinger) Spoerl. He was baptized and confirmed at Salem United Church of Christ in Wayne. On May 5, 1945 he was united in marriage to Viola Backus at the Peace United Church of Christ in Kewaskum. She preceded him in death on July 6, 1989.

Mr. Spoerl graduated from Kewaskum High School in 1935 and attended Fond du Lac Commercial College receiving a degree in accounting. He was employed as an accountant at Wells Manufacturing Company for many years and was also employed by Pick Automotive in West Bend retiring in 1982. Mr. Spoerl was a member of the Kewaskum School Board for a number of years where he served as secretary. During his lifetime he also engaged in farming.

Mr. Spoerl was a member of the Peace United Church of Christ in Kewaskum. He was a member of the Dart Team and the Men's Club.

Survivors include three sons, Robert (Joanne) of Campbellsport, Larry (Mary Beth) of West Bend and Steven (Susan) of Kewaskum, seven grandchildren and four-great-grandchildren.

Funeral services will be held at the Miller Funeral Home in Kewaskum at 8:00 p.m. on Wednesday, September 29, with Rev. James Bettin officiating. Burial will be in the Peace U.C.C. cemetery on Thursday at 10:00 a.m.

Friends may call from 4:00 p.m. until the time of services at the funeral home on Wednesday.

DANIEL J. PHILLIPS

Daniel J. Phillips, 26, of Waukesha died accidentally from a gun shot wound on Sunday evening, Sept. 24, 1993.

Survivors include a daughter, Jennifer; his mother Jean Ann Phillips of Menomonee Falls; two brothers, Joe and his wife Cindy of Hartland and Ron of Kewaskum; one sister Cindy Phillips of Menomonee Falls; other relatives and many friends.

Preceding him in death were his father, Dr. Joseph Phillips and a sister, Denise.

Services are pending.

EARL K. MORITZ

Earl K. Moritz, of West Bend died Thursday, Sept. 23, 1993, at St. Joseph's Community Hospital, West Bend, at the age of 71 years.

He was born Feb. 20, 1922,

in the town of Wayne to the late Arthur and Anna (nee Meyer) Moritz. At an early age, the family moved to West Bend where he graduated from West Bend High School. After serving with the U.S. Navy in the Pacific Theater during World War II, he returned to West Bend and was employed as a meatcutter at the former A&P Food Store. On Nov. 21, 1944, he married Betty M. Brandstetter Liermann in Port Washington.

Survivors include his wife; two children, Gerald (Christine) Liermann of Fond du Lac and Carol (Bob) Klassen Selsing of West Bend; six grandchildren, Suzanne, Steven, Lori, Tracy, Jim and Nick; seven great-grandchildren; two sisters, Lillian Oelhafen of Kohlsville and Valerie (Lloyd) Luecke of Fond du Lac; a sister-in-law, Myrtle Carey of Kansas City, Mo.; a dear friend, Rosie Stauske of West Bend; nieces; nephews; and other relatives and friends.

Funeral services were held Saturday, Sept. 25, at 7 p.m. at the Schmidt Funeral Home, West Bend. Rev. James Eckblad officiated. Burial was in Pilgrim's Rest Cemetery, West Bend, on Monday.

Visitation was at the funeral home from 4 p.m. Saturday until the time of services.

The family prefers memorials to the Alzheimer's Foundation

ERNA COVEY

Erna Covey, nee Sonnenberg, of West Bend, died Wednesday, Sept. 22, 1993, at the age of 85.

Mrs. Covey was the beloved wife of the late Waldo; dear mother of Ruth Dettmann, Ronald (Peggy), Gordon (Joanne) Covey and Allen (Lorraine) Rischman; grandchildren; three great-grandchildren; sister of Lester (Virginia) Sonnenberg and Audrey Krueger. She is also survived by nieces, nephews and other relatives and friends.

Funeral services were scheduled for Saturday, Sept. 25, at 1 p.m. at WMP Chapel of the Chimes, 13235 W. Capitol Drive, Brookfield. Visitation was from 4 to 8 p.m. Friday at the Harder Funeral Home, 18700 Capital Drive, Brookfield, and from 12:30 to 1 p.m. at the cemetery chapel.

MARIE KELLY

Marie Kelly, 86, of Milwaukee, died Thursday, Sept. 23, 1993.

She was born Oct. 21, 1906, in Ashford, a daughter of Henry and Catherine Hall Pierret. On Jan. 26, 1953, she married William Kelly.

Survivors include her husband; three sisters, Rosa Braun and her husband Leo of Menasha, Agatha Feldner of

Fond du Lac, and Ottilia Jaeger and her husband Clarence "Pat" of Ashford; one brother, Alois Pierret of Ashford; and one sister-in-law, Martha Pierret of Campbellsport.

Preceding her in death were her parents, two brothers and two sisters.

Funeral services were held at 12:30 p.m. Monday at Our Lady of Sorrows Church, 4063 N 64th St., Milwaukee.

Visitation was from 4 to 9 p.m. Sunday at Grosse-Pertzborn-Bistricky-Irasch Funeral Home, 6709 W. Capitol Drive in Milwaukee.

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg of whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said 9 consecutive days, and publication must be promised. **K.S.**

IN MEMORY

In sacred tribute of love and remembrance of my beloved husband, Karl Schultz, who passed away three years ago, September 29, 1990:

'Tis hard to break the tender cord
When love has bound the heart,
'Tis hard, so hard, to speak the words,
'We must forever part.'
Dearest love one, we must lay thee
In the peaceful grave's embrace,
But thy memory will be cherished
'Till we see thy heavenly face.

Sadly missed by his wife Evelyn, and family.

Excerpts From Menagerie

Through the summer we will be running student's writings from the All Conference Literary Magazine, Menagerie.

The End of the World

As the piercing twin beams broke through the blackness of the night, and the huge, white moon in all its ghostly splendor looked on, the roar of the small, boxy car shattered the peace with quiet wisdom of the vast wilderness.

As the many tireless beings destroyed in only seconds what had taken so many centuries to create, and the scream of the monstrous machines rang on in the sensitive ears of the tiny, innocent creatures that lived there.....

the forest began to die,
and with it the world.

WAYNE CRUSADERS

The September 13th meeting of the Wayne Crusaders was called to order at 7:30 p.m. The pledges were led by Chris Heppner and Brianna Obright.

If you are 15 or older you need to get your fill out ME forms and turned in by October 1st.

The 4-H banquet will be held on October 13th.

For Kettle Kountry Kolors, Judy Etta got 12 lbs of butter. Jim Hawig also, got 10 lbs of cheese donated. MJ's bar donated 5 lbs and AMPI donated the other 5 lbs. We also would like to get some more apples and we need potatoes that are about the same size. We also need two 4-H mothers who will volunteer their time to wrap the potatoes in aluminum foil and cook them. Also if you know anyone who has mini pumpkins let Nancy Schultz know.

National 4-H Week is the first week in October. We will be having a window display at the Wayne Elementary School.

The 4-H Open House is October 2nd in the Paradise Mall. If you want to bring something for the people to look at you should have it there early that morning.

The new members from the Cloverbuds were accepted into the club. They are Corey Darmody, Ashley Kiel, Kristin Krudwig, Tricia Brath, and Wendy Rahlf.

We also had three graduat-

ing members, they were Keith Herman, Sheila Martin, and Tim Novotony.

Jill Wenninger and Andy Lau got the Keep on Trying Awards.

Myah Obright got the Crusader Award. Congratulations!

Sincerely,
Jeremy Hawig
Club Reporter

William Howard Taft was the largest man ever to serve as President - more than six feet tall, weighing more than 300 pounds.

Honoring a friend or loved one has never been easier.

Kewaskum

Phone 626-2185

25 Years Ago

September 20, 1968

The Kewaskum Kiwanis Club will sponsor its 16th annual Live Turkey Shoot on Sunday, Sept. 22, at the Bar-N Dude Ranch, six miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive. Patterned after the historic turkey shoots which were so popular in frontier days, this fascinatingly interesting annual event has become an outstanding attraction. Thousands of men, women and children from all over the state attend as participants and spectators.

Five Kewaskum area girls have entered the Capitol Drive City College of Cosmetology in Milwaukee. They are Carol Zacho, daughter of Mr. and Mrs. William Zacho, Route 2, Kewaskum; Sharon Volm, daughter of Mr. and Mrs. Carl Volm, Route 2, Kewaskum; Carol Ann Thiemer, daughter of Mr. and Mrs. Richard Thiemer, Route 2, Kewaskum; Bonnie Staeger, daughter of Vernon Staeger, Beechwood; Donna Darmody, daughter of Mr. and Mrs. Jerry Darmody, Route 1, Allenton.

Aviation Ordinanceman Third Class Thomas A. Rinzel, USN, 21, son of Mr. and Mrs. Edmund A. Rinzel, of Route 1, Kewaskum, is serving aboard the attack aircraft carrier USS Hancock on Yankee Station off the coast of North Vietnam. Crew members of the carrier, on its fourth combat cruise to the Western Pacific, are providing the necessary support to keep the ship's airplanes and pilots flying daily combat missions against the enemy. On the first day of its present cruise, A4 Skyhawk pilots dropped 500 pound bombs on an enemy storage area in an old army barracks more than 20 miles south of Vinh. In addition F8 Crusader and A4 Skyhawk pilots downed a highway bridge over a canal, damaged two other bridges and cratered the approaches to five more. The following day the AF's once again hit enemy bridges putting three out of commission.

A daughter was born to Mr. and Mrs. Douglas Strupp, Route 2, Kewaskum, on September 15. A son was born to Mr. and Mrs. Kenneth Wiskirchen, Kewaskum, also on September 15.

September 27, 1968

Annual homecoming festivities for 1968 will be held at Kewaskum High School on Friday and Saturday, October 4 and 5. The pep rally and bonfire will be held on Friday night, Oct. 4, and the homecoming parade will take place on Saturday, Oct. 5, followed by the football game. The homecoming dance will be held in the High School gymnasium Saturday evening. Bob Fellenz has been chosen king for the weekend festivities by his fellow teammates. He has selected Emajean Coulter as his queen. The other members of the court are: Seniors - Yvonne Vetter and Chuck Theusch, Nancy Nigh and Jerry Engeleiter, Debby Rumsey and Perry Koth. Included in the court is the AFS

student Manzar Sahebjam and her escort Jeffrey Schleif. The junior representatives are Linda Krell and Ron Theusch, Carol Heise and Russ Gavin, Carol Nigh and Leo Gundrum.

Mary Rose Krell, daughter of Mr. and Mrs. William Krell, Route 2, West Bend, became the bride of Kenneth Robert Kudek, son of Mr. and Mrs. Clemence Kudek, Kewaskum, during a nuptial ceremony in Holy Angels Church, West Bend, on Saturday, Sept. 14.

50 Years Ago

September 17, 1943

Hoy Hanrahan, 31, died on Saturday morning, Sept. 11, on the farm of his parents, in the town of Mitchell, northeast of Dundee, after being gored by a bull. The body was found by his mother at noon when Hoy failed to come home for lunch. The bull had gotten into a cornfield on the farm and after Hanrahan had returned the animal to the right field, he went to the house and told his mother he was going to do other work. When he did not return at noon, Mrs. Hanrahan went to look for her son. Coroner Wesley VanZanten of Sheboygan County stated that Hanrahan was killed at about 10 a.m. He added that the bull apparently butted him all around an area about 100 by 50 feet in the cornfield. His chest was caved in and his head was badly bruised.

Alvin E. Koehn, 32, Route 3, Campbellsport, a member of the Dundee softball team, died at St. Agnes Hospital, Fond du Lac, early Monday, Sept. 13, of injuries sustained Sunday afternoon, while playing ball at Ashford. The Kewaskum Holy Name softball team is in the same league as these teams and played a doubleheader at Ashford last Sunday. Koehn was playing with Dundee in the final league game of the year against Ashford. The injury occurred in the fourth inning when Koehn collided with Bernard "Bensy" Wondra, centerfielder of the Ashford team, at second base. It is reported that Wondra, who was on first base, attempted to go to second base, and the players collided when Koehn bent down on the baseline to catch a ball thrown by the Ashford catcher in an effort to throw Wondra out. Koehn sustained an abdominal injury, possibly caused by a broken rib penetrating a lung.

Before an altar decorated with pink gladiola, Miss Helen Theresa Mezera, daughter of Mr. and Mrs. John Mezera of Prairie du Chien, became the bride of Joseph Weinert of Kewaskum Route 2, son of the late Mr. and Mrs. Jacob Weinert on Sept. 8, at Prairie du Chien.

Miss Agnes Marie Bowers of Campbellsport, Route 1, daughter of Mr. and Mrs. Rex Bowers of Fond du Lac, and Ralph Leo Sabish, son of Mrs. Helen Sabish, Campbell-sport, were married Saturday, "Sept. 4, in Fond du Lac.

Mr. and Mrs. Paul Halfmann of Campbellsport, are the parents of a baby daughter, Mary Jane, born Thursday, Sept. 9. Mrs. Halfmann is the former Helen Schlosser, daughter of Mrs. Jennie Schlosser of

this village.

September 24, 1943

Three small boys, eight and nine years of age, were responsible for the attempt to derail two passenger trains of the Northwestern Railroad by obstructing the tracks on the curve just south of the village last Thursday evening. The youngsters were apprehended by local police and railroad authorities Friday, and readily admitted their guilt, evidently not realizing the seriousness of their act. Two of the boys are brothers and all reside near the village. The youths placed rocks and planks across the tracks and the southbound streamlined flyer, due in Kewaskum at 5:48, crashed into the obstruction, throwing rocks and planks aside of the tracks. The boys hid in the high grass near the tracks to watch the excitement and then obstructed the tracks over again for the northbound train due here at 9:48 p.m. which was able to avoid striking the barrier. A farmer residing nearby saw the boys on the tracks furnished authorities with a description of them. The boys apparently failed to realize the danger of derailing the trains, but merely obstructed the tracks with the idea of watching the debris fly.

John P. Van Blarcom of this village has received official notice from the Assistant Postmaster General at Washington D.C. that he has been appointed rural mail carrier on Route 3, out of the Kewaskum Post Office to fill the vacancy in that position. He replaces Herbert A. Backhaus, temporary carrier on the route since the illness and death of his father, the late Herbert H. Backhaus, who held the position many years before his death.

75 Years Ago

September 21, 1918

On Registration Day all saloons in the village were closed, and flags were displayed from all business places, as 71 of Kewaskum's fighting men between the ages of 18 and 45 registered. Following is the list of names of those who registered at the village hall: Otto Meinecke, Sam Moses, Erwin Mohme, Otto Theis, Herman Krueger, Anthony Schaeffer, Chas. Brandt, John Gilbert, John Weddig, Frank Kohn, Adolph Backhaus, Lehman Rosenheimer, Jacob Becker, Henry Kirchner, Albert Oppenorth, August Bilgo, John Witzig, Joseph Mayer, John Schaefer, William Oppenorth, Herbert Backhaus, George Kippenhan, William Metz, Herman Meilahn, Karl Hausmann, Mathias Rodenkirch, Robert Davies, George Metzger, George Brandt, Edward Charles Miller, Philip McLaughlin, Andrew Groth, John Marx, Carl Dreher, Raymond Smith, Donald Harbeck, Edward Miller, Nicholas Hausmann, Leo Marx, Joseph Rimmel, Michael Bath, Byron Rosenheimer, Neal Wollensak, Harry Schaefer, George Terlinden, Henry Spoerl, Oscar Koerble, Otto Lay, Charles Meinecke, Norton Koerble, Arthur Koch, Frank Peters, Charles Groeschel, Louis

THURSDAY, SEPT. 30, 1993

Hess, John Stellpflug, John Brandstetter, Herman Belger, William Klumb, John Henry Martin, Dennis McCullough, George Falk, Charles Muckerheide, John Brunner, Philip Brodzeller, Jacob Knoebel, John Lund, Henry Quade, Fred Schleif, Carl Otto Stark, Frank Keller and Melvin Brandt.

In spite of the war or rather on account of it, all of our immediate concern should now be turned on the Washington County Fair which will be held at West Bend next Monday, Tuesday and Wednesday, Sept. 23, 24 and 25. Preparations for a bigger County Fair then all County Fair preceding it, have been made and everything is in excellent shape to "go over the top" as far as arrangements are concerned.

All members of Separate Company No. 30, Wisconsin State Guards Reserve are ordered to report for assembly at the Village Hall, at 8 o'clock sharp, on Friday evening, September 27th, for the first semi-annual muster roll required by the state. Bear in mind that this is not a request, but a command which must be obeyed.

Captain John P. Fellenz of this village, commissioned officer of the Kewaskum Separate Co., No. 30, Wisconsin State Guards Reserve, was appointed instructor in military tactics by the local exemption board at West Bend this week.

Miss Cecelia A. Ludwig, daughter of Mr. and Mrs. Fred Ludwig of Waucousta and Arthur Bartelt were united in marriage Wednesday morning at the Evangelical Lutheran Church in Waucousta. Mr. Bartelt, son of Mr. and Mrs. Herman Bartelt, is employed as a cheesemaker at Waucousta.

Considering the shortage and pressing need of help everywhere the school enrollment this year is about 142 in the high school and in the grades 96, with a promise of a number coming in later.

A tablet has been placed in the lobby of the Holy Trinity Church containing the names of the young men of the congregation who are in the service of Uncle Sam. A service flag is also being made by the ladies of the congregation and when finished will have twenty stars

placed thereon. Following are the names of those already in the service: Navy - Aloysius J. Harter; Army - Serg. T.R. Schmidt, Corp. Edward W. Guth, Corp. Alphonse Harter, Privates Louis Bath, Mathias J. Beisbier, Joseph Eberle, William Eberle, Leo Guldan, Gregory Harter, Leo Harter, Peter J. Haug, Isadore Keller, George Kreutzer, John Kreutzer, George W. Kudek, Leo M. Ockenfels, John Strachota and John Urban.

In order to save gas by requesting all automobilists to stop running their cars on Sundays, the Fuel Administrator announces that the shortage of kerosene is just as acute and all car owners burning kerosene are also requested to stop operating their cars on Sundays.

Jacob Schaefer of West Bend last week Thursday, purchased the August Schaefer 80 acre farm, located just two miles south of this village, together with all personal property.

September 28, 1918

Amidst solemn services and a fitting sermon a service flag was erected and dedicated at the Catholic Church in St. Michaels Sunday evening. The flag contains 15 stars which represents the following boys from the St. Michaels Congregation: Gregor Hilmes, William Schneider, Henry Thullen, Joseph Geib, Fred, Joe, Ed, William and Math Feiten, Nick Schiltz, Joseph Schlosser, Joseph Koller, Aloys Herriges, Albert Schladweiler and John A. Roden. The stars are arranged to form an anchor which is the symbol of hope.

Miss Sophia Amerling, daughter of Mr. and Mrs. John Amerling of Wayne, was united in marriage to Wendel Petri, son of Mrs. John Petri, also of Wayne.

Students at the high school are looking forward to the arrival of the 32 new single desks which have been ordered for the main room. This will be an improvement over the old double desks.

Marcella Hawig of the high school's freshman class took first prize at the annual spelling contest at the county fair this week.

Tips Help Parents Know When Child Can Stay Home Alone

As the school year began, many parents were faced with an uncomfortable dilemma. They had to decide whether this is the year their child is ready to stay home alone after school.

A University of Wisconsin-Madison/Extension study found that 30 percent of second graders are at home after school with an older sibling. One in five fifth graders is home alone or caring for younger siblings after school.

Nearly three-quarters of Wisconsin parents say that most children are safely able to care for themselves after school between the ages of 10 and 12.

One of the most common child care questions we get from parents is the appropriate age when children are ready for self-care after school.

But that's the wrong question to ask. Age isn't as important as whether a child has the skills and knowledge to care for himself or herself.

Self-care can be a rewarding experience that develops independence and responsibility in children who are ready for it. But if a child is not prepared, self-care can be frightening and dangerous.

Three questions family members should discuss are whether the house and neighborhood are safe, whether parents think the child is ready and whether the child feels he or she is ready.

For instance, parents may consider whether the child is safe walking home from school. Can the child reach a parent or adult neighbor in an emergency? Is the house safe, with guns, chemicals and poisons stored away from children?

Some signs that your child

may be ready for self-care include a desire and willingness to stay alone.

Your child should show an ability to accept responsibility and make decisions... like buying a few items for you at a store or beginning dinner preparations at a certain time. For many children, these signs appear between the ages of 10 and 12. Other children may need more time.

Parents need to ask themselves these questions in preparing a child for self-care:

--Can my child rely on me to arrive home at the same time each evening?

--Is there a way my child can reach me at work in case of an emergency?

--Does my child follow directions and family rules in my absence?

Ask Your DOCTOR

(NAPS)—If you aren't sure whether the allergy medication you are taking will impair your driving, ask your doctor.

Experts at the Department of Transportation point out that many allergy medications make you drowsy. If you are taking one that does, don't drive.

FFA Meeting Held Sept. 15

The first meeting of the FFA this year was held on Sept. 15, 1993. There were 35 members and guests at the meeting. The officers for '93-'94 are: Scott Enright, President; Michael Marx, Vice-President; Doug Neumann, Treasurer; Kurt Westphal, Secretary; Mike Ksioszk, Reporter; and Kenneth Van Beek, Sentinel.

Amongst the business discussed, these are the highlights of the meeting: the FFA Alumni is hosting a tool sale Oct. 4-10 of which FFA and Alumni members will ride with Ed Pro from Five-Star Tools around the community to sell various tools. Farm Progress Days will be held in Slinger in 1995. Scott Enright volunteered his equipment to set up the show rings, fence off areas, and other landscaping that needs to be

done for the show. FFA state dues raised \$3 from last year. The cost now is \$10.00/member. The cost of each member is actually \$9, but members decided to give the extra dollar toward advertisement for the farm toy show, which will be held on February 20, 1994.

FFA members also discussed that we check prices on IBM computers; since the Apple computer is getting to be out-of-date. Among the safety committee, it was brought up that the FFA distributes sand barrels around the town during the winter to prevent slippery sidewalks. This is being looked into.

The FFA will try to sponsor Bingo for the Senior Citizens as well as snacks and beverages. The date has not been chosen.

Other business included ideas about Homecoming, Sporting Events, Kettle Kountry Kolors, a portable radio for traveling, and Jim Wand, Hypnotist. Members enjoyed pizza and soda as part of the meeting.

A Message from The Postmaster

Hello Kewaskum Statesman readers and how are you all doing today? Before I "get into" this week's column, I would like to give you an update on NEW stamps.

The Deaf Awareness stamp went on sale last week and just this past Monday the Country/Western stamp was made available. As previously mentioned (in this column), to some a "stamp is a stamp" but then, there are some that like a little variety.

Hopefully, we "aim to please" you all. Stamps do not have to be bought "by the sheet" and we will gladly show you the large assortment that we have available. Feel free to pick and choose any amount that you would like.

The "hottest" seller lately has been what I call the "non-lickers." Again, I will emphasize the fact that they cost the same. We currently have three types available: 17 Eagles for \$4.93, 18 Roses for \$5.22 and/or 18 Squirrels for \$5.22.

Each one of these items can be folded and put into your wallet or purse for easy access. Shortly, there will be another "non-licker" design available and the BIG NEWS is that Christmas stamps will be issued in both formats... for those that care to "lick and stick" and for those that prefer to just "stick 'em."

Many of you have commented... "best idea I have seen in a long time... it is the only stamp I will buy." I encourage you to "try them, you might like them."

This past week, I accompanied each of the rural carriers on their respective routes. This is an annual duty to inspect the routes and to check the receptacles that your carriers deliver mail into.

I could readily see the pride that you have... not only in the community but in the mailboxes provided for the safety and security of the mail. Neat, attractive

mailboxes make a significant contribution to the appearance of the community.

Please take a moment to look at your mail receptacle. Is it designed to protect the mail from the weather? Is it neat in appearance? Is it conveniently located? Is it safe for the carrier? Take a moment to check the "flag" on rural boxes. This should be in good working condition and only be used to notify the carrier that you have outgoing mail.

For those on rural routes (outside of the village), please insure that the mailbox displays your proper mailing address (fire number or street address). Placing the owner's name on the box is optional. Rural carriers should be able to serve your "rural" mailbox without leaving the vehicle.

I would like to encourage "visitors" to rural mailboxes... to please refrain from parking in front of the mailbox, as this does impede delivery. Rural customers are responsible to remove obstructions, including vehicles, trash cans, and snow that impede efficient delivery by the rural carrier. The carrier must be able to drive up, service the box and drive out without interference.

Posts and/or other supports for rural mailboxes are under the ownership and control of customers who are responsible for seeing that such posts are neat and of adequate size and strength. Customers are encouraged to avoid the use of massive mailbox supports that, when struck, could damage vehicles and cause injury.

Heavy metal posts, concrete posts and miscellaneous items of farm equipment, such as milkcans filled with concrete are examples of potential dangerous supports.

All in all, I was very impressed with the rural route mailboxes. As your Postmaster, I would like to ask each patron to take a good look at your rural mailbox and insure its adequacy and condition. Things to look at include:

--Is the box big enough to hold my normal volume of mail?
--If I have rural delivery, is

my address shown clearly on the outside of the mailbox?

--Are there any sharp edges or other hazards that could cause harm to my carrier in delivery of mail?

--Is the approach to my rural mailbox safe and clear of obstructions?

--Is the post that supports my rural mailbox safe and secure?

--Is the height appropriate? (A normal car driving up can serve my mailbox by just reaching "straight out the window?")

These are just a few basic guidelines to assist you in helping us correctly and efficiently deliver your mail. Please assist us in serving you better by just taking a few moments to check out that mail receptacle, okay?

Postal employees are "dedicated" in providing the best possible service and with just a little assistance from you (points mentioned above), this can be TOTALLY accomplished. Thank you, in advance, for your assistance and cooperation in this matter.

A brief note to those served by our NDCBU's (Neighborhood Delivery/Collection Box Units): PLEASE do NOT use your compartment number as part of your mailing address. This can be mistaken as a POST OFFICE box number (at the Post Office) and can cause mis-delivery and/or delay of your mail.

YOUR "compartment" number is confidentially known by ONLY YOU (and who you tell to pick up your mail with your key) and the Post Office. The carrier has your correct mailing address identified to him/her when opening up the unit to deliver the mail.

Well, that is about it for this week. If you have any questions on this column or any other Postal matter, do feel free to call us at 626-2575. In the Postal Service, CUSTOMER SATISFACTION IS OUR PRIORITY. We will ALWAYS strive to serve you with the best that we can (within our limitations). Until next week, week, try to have a GREAT day... a happy every day!

Your Postmaster,
Bonnie

Pictured above is Jim Schaub, representing the Gateway Gobblers, as he presents a check to Kewaskum Lions Club President Ted Miller for monies raised at the Kewaskum Lions Chicken BBQ. The Lions would sincerely like to thank the Gateway Gobblers for all of their fund raising efforts.

Village Board Meeting Minutes

**Regular Meeting
September 7, 1993
8:00 p.m.**

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the minutes of the August 16, 1993 meeting were approved as printed.

Mr. Thomas Renner, the Village Engineer was present to review the Industrial Waste Discharge Permit, Applicable Base Discharge Limitations and Rate Schedule, Monitoring and Reporting Requirements and General Conditions. It was noted that Farmers Union had already signed the agreement prior to the meeting. On a motion by Trustee Thomas McElhatton, seconded by Trustee David Goeden and carried by the majority voice vote, the Board authorized the Administrator to sign said Agreement. Trustee Robert Beisbier voted "Nay."

Fire Chief Mark Groeschel was excused because of a fire call.

Chief of Police Richard L. Knoebel updated the Board as to the police application process. It was noted that 13 applicants will be interviewed by the Police and Fire Commission.

Chief of Police Richard L. Knoebel asked the Board for guidance as to a construction start and finish time. On a motion by Trustee Thomas McElhatton, seconded by Trustee Charles Waala and unanimously carried by voice vote, the Board established a 6:30 a.m. to dusk construction time frame Monday through Friday and 7:00 a.m. to dusk construction time frame Saturday, Sunday and Holidays.

Director of Public Works Jerry Gilles reported on the Department of Public Works activities for the last three weeks and on the contracts outstanding.

On a motion by Trustee Gary Gavin, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the signing and sending of a letter of opposition to 1993 AB 540 regarding Lead Paint.

Administrator Daniel S. Schmidt reviewed a variety of correspondence.

On a motion by Trustee David Goeden, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	335,186.08
Sewer	17,530.11
Water	9,169.63
Payroll	30,822.73

Total	392,708.55
A/P Check #6552 - #6704	
P/R Check #4490 - #4574	

On a motion by Trustee Charles Waala, seconded by Trustee Robert Beisbier and carried by the majority voice vote, the Board established the rent for the lower apartment at 1102 Fond du Lac Avenue at \$360.00 per month, with a security deposit of one months

rent paid in advance along with a 60 day notice required for vacating. Trustee David Goeden voted "Nay."

Chairman of the Protection and Public Safety Committee, Trustee Robert Beisbier announced that a Committee Meeting has been scheduled for September 20, 1993 at 7:00 p.m. to review budget information for 1994.

Chairman of the Park and Recreation Committee, Gary Gavin reported that a committee meeting was held on August 23, 1993 and that the tour of the facilities was taken. It was noted that a review of the proposed budget for 1994 was also discussed. A new outlay account is to be established entitled Centennial Celebration account.

It was noted while on the inspection of property it was noted the tennis courts were in need of repair. Three proposals have been received and the low proposal is for \$6,300.00. On a motion by Trustee Harry Roecker and unanimously carried by voice vote, the Board authorized the resurfacing, painting and striping of the tennis courts by Pavecoat of Wisconsin, Inc. the low proposal at \$6,300.00. The work is to be accomplished this fall and money to cover this expense will be moved from the restricted fund when a more precise amount is determined.

Administrator Daniel S.

Schmidt reviewed the proposed 1994 budget figures with the Board.

Board Representative for the Library Board, Trustee Charles Waala announced a meeting of Library Board for September 13, 1993 at 6:45 p.m.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board authorized Chris Abramson to review the Sewer Utility Rates and Ordinances.

Discussion was held on the possible Ordinance Codification. It was the consensus of the Board to proceed in a timely manner.

A brief review of the budget process for the proposed 1994 budget was reviewed.

On a motion by Trustee David Goeden, seconded by Trustee Robert Beisbier and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1) (c) of the statutes to consider employment compensation and performance of public employees over which the governmental body has jurisdiction and Chapter 19.85(1) (e) of the statutes to deliberate and negotiate the purchase of public lands.

KHS 0-5 In First Year Inexperienced Soccer Team Coming Along

By Noel Stollenwerk

KEWASKUM - Having been used to success in his soccer career, Kewaskum coach Manny Alvarado may be finding his initial year at the helm a bit difficult.

"Frustration is not the word I would use," Alvarado said of his feelings thus far. "I knew what I was getting into. With me, winning has usually been first and foremost. Now, it (winning) would just be an added plus."

Alvarado has not experienced a win yet as the Indians' first soccer coach. The team is 0-5 playing against junior varsity and freshman competition, but Alvarado still feels that the Indians are moving forward.

"Little by little, we're improving," he said, noting that the team's most recent game Monday against Kettle Moraine Lutheran's freshmen was lost by a 2-1 score. "I really felt that we should have won that game. We had our chances."

Alvarado noted that the Chargers' second goal was controversial, as the player who scored for KML appeared to be offside.

Nevertheless, Alvarado is pleased with the progress of his

team.

"The kids are playing harder, and they know what I want from them," he said. We'll take our lumps the first couple of years. The kids just need some experience."

While they are short of experience, the Indians seem to have a lot of potential. Troy Maertz, Nate Judnic, Shane Engelking, John Hahn, Joe Hahn, Justin Andrea-Meisser, and Jim Fremming appear to be the most talented from the 18 players that Alvarado has to work with, but others continue to improve.

Maertz has two of the three KHS goals this year, with Fremming tallying the other. Andrea-Meisser, meanwhile, has done an excellent job as the Indians' starting goalkeeper.

"Justin has been playing excellent," Alvarado said. "All the kids are trying real hard, and doing the best that they can."

The Indians opened the season against West Bend West, and lost the scrimmage 8-1 with Maertz scoring the Indian goal on a penalty kick.

"I was surprised the way the kids played," Alvarado said, noting that he had just 12 players for that opening scrimmage. "We did pretty well."

The next two games were against the Plymouth JV's and Waupun, with respective scores of 8-0 and 12-0. "We just looked out of place," the KHS coach said, adding that the game against Waupun was a bit more fun for the players who played in rain and mud. "They had some fun with that. The Indians also lost to the Hartford freshman by a 4-1 count. Maertz again had the lone KHS goal. "We played well," said Alvarado, who cited Engelking for his fine play at the sweeper position.

The Indians have upcoming games at West Allis Hale on Monday, and are at Plymouth next Thursday. The Indians' final scheduled match is at home on Tuesday, October 12, against Hartford.

"It won't be easy, but we'll try to win at least one of them."

The largest artificial lake in the U.S. is Lake Mead, located about 15 miles east of Las Vegas, Nevada.

MIDDLE-AGE SPREAD:

It's Not Inevitable

Middle-age spread isn't inevitable, health experts say. Watching food intake and exercising are keys to avoiding buildup of excess fat. Losing weight really is pretty simple: it involves using up more calories than are consumed, reports the 1.3 million member United Food and Commercial Workers Union (UFCW).

Dieting alone isn't a good way to lose weight, nutritionists emphasize, because when people eat less, fewer calories are burned. Exercise, on the other hand, burns fat because it consumes calories.

Muscle-building exercises are especially good for reducing fat, because

muscles use up more calories than fat tissue. Charging them up through exercise uses more calories, which helps get rid of stored fat.

That's why some fitness experts recommend exercise before meals. If the body is geared up to top speed, the calories being consumed will be burned up faster.

Aerobic exercise—such as walking, running, bicycling, swimming, or cross-country skiing—is the best way to burn up calories.

Fall Turkey Season Expected to Be Excellent

MADISON... The mild winter of 1991-92, combined with an abundant acorn crop, should provide turkey hunters with an excellent fall season, according to Bill VanderZouwen, Department of Natural Resources upland wildlife ecologist.

"We also had good weather conditions during the critical early weeks of brood-rearing so we expect a good population of turkeys this fall," VanderZouwen added.

Turkey hunting applicants should have received their permits in the mail by September 15, for the three hunting periods of October 12 to 18, October 19 to 25 and October 26 through November 1. About 18,000 hunters applied for the 24,990 available tags.

"The extra 7,000 tags will be issued using the same applicant selection process as used for the first tags," VanderZouwen said.

The extra tags will be free and hunters who receive two tags may use either or both tags. A hunter who receives two tags

for the same time period, may take two turkeys on the same day, as long as they are taken in the zones listed on the tags.

During the fall turkey hunts, either male or female turkeys may be harvested. Permit levels are set to ensure that no more than 5 to 10 percent of the hens are taken, a level that research has found will not adversely affect future populations.

"Permit levels are also limited to reduce hunter interference by other turkey hunters," VanderZouwen added. "Surveys of hunters indicate there are very low rates of interference between hunters with current permit levels."

The fall harvest is expected to be around 5,000 turkeys although the final count will depend on the number of hunters filling second tags. VanderZouwen reminds hunters to take an extra second or two to make sure of their target. Each year one or two hunting accidents occur because of a careless mistake.

The application deadline for

spring turkey hunting is December 10. About 62,000 tags will be available next spring, which means that turkey hunters can look forward to 10,000 to 20,000 second tags depending on the number of applications, VanderZouwen stated.

Indian Spikers Outlasted by Raiders

By Noel Stollenwerk

KEWASKUM - Having been involved in several thrilling games already this season, the Kewaskum volleyball team took it a step further in the opening game of its match with Two Rivers here, last Thursday.

Needing to win the rest of their matches in the Eastern Wisconsin Conference just to keep pace with the leaders, the Indians came up short against the Raiders in that opening game, 18-20, and went on to lose the match 15-5, 7-15.

"We had our chances to win that first game," KHS coach Dave Rizzardi said of the thriller. "It was one of the longer games that I've ever seen. But we've been in our fair share of those this year."

The loss dropped the Lady Indians to 4-3 in the EW, all but ending hopes for a share of the conference title. Kiel remained unbeaten in conference action (7-0), while Sheboygan Falls has lost just once so far.

The Indians led late in that opening game, 13-11, but as has been the case all season, they just weren't able to close the game out.

"They played a little more

intense than we did," Rizzardi said of the improved Two Rivers squad. "We let a couple of opportunities slip by us."

Even after faltering in the first game, the Indians came back nicely to win the second and even things up.

But Kewaskum couldn't keep the momentum going their way in the deciding game, as Two Rivers pulled away for the win.

"At that point (heading into the third game), I thought that the momentum was on our side," Rizzardi noted. "But they slowly crept ahead, a point here and a point there. Then we started playing tentatively, passing the ball back to them instead of hitting it over."

Rizzardi complimented setter Sara Tykac for her fine effort. The junior finished the night with 15 assists. "She had a nice game... is definitely our top setter at this point," he said.

Most of Tykac's passes went to Mary Yahr, who also had a fine outing with nine kills. "She played a good net game when we got the passes to her," said the Indian boss, who also complimented Ginger Wiesner, who "played pretty consistent throughout."

"They (Two Rivers) looked

much more organized than the first time we played them," Rizzardi went on to say. "We were just drained during that third game."

"We're going to have to regroup, and re-establish our goals," he added. "These next two weeks will be important to us, getting back to form and getting ready for the playoffs."

The Indians will start trying to regroup this week, with matches at Plymouth (Tuesday) and Chilton (Thursday), and a tournament at Grafton on Friday.

The Indian JV's, meanwhile, continued their unbeaten streak. The JV's upped their season mark to 7-0 with a 15-3, 14-16, 15-5 win over the Raiders.

The Indian frosh also continued to play well, sweeping the Raiders 15-9, 15-3, 15-3.

Duck Hunting Opens Noon on Saturday

The 1993 duck hunting season will open at noon this Saturday. The season is split this year as in the past. The first part of the season will run from noon on Saturday until the close of hunting hours on Tuesday, October 5.

The duck season will then re-open on October 20 and run through November 14. This two week split is longer than normal but will allow duck hunters a chance at the northern ducks which arrive later in the season.

Goose hunters are reminded that the goose hunting in the Horicon, Collins, and Exterior Zones does not open until noon also on October 2. October 2 will be the start of the Canada Goose hunting in the Exterior Zone and permits are available at DNR Stations for a cost of \$3.00 throughout the season which end on December 10 unless there would be an emergency closure because of a very high kill.

Both duck and goose hunters are also reminded to check the hunting hours in the Wisconsin Migratory Bird Regulations for they differ from the small game and big game hunting hours in the Hunting Regulations pamphlet.

The season framework is different in the Northern part of the state so be sure to check the regulations before hunting north of State Highway 10.

If you have any other questions on the duck and goose seasons or any other hunting, feel free to give me a call.

Indians Dropped from VB Poll

By Noel Stollenwerk

STEVENS POINT - One loss can mean a world of difference, and the Kewaskum girls volleyball team learned that in a couple of ways last week.

When Two Rivers bested the Indians in three games on Thursday night, it meant that Kewaskum's chances to contend for the Eastern Wisconsin Conference title were slim at best.

The loss also was enough to convince high school coaches that KHS was not among the top Division 2 teams in the state, as the Indians, ranked sixth in the previous poll, did not even garner a single vote in the latest Coaches' Association rankings.

Sheboygan Falls, meanwhile, moved up in the Division 2 rankings, now settling in at No. 3, with 52 votes. Kiel, which is undefeated and atop the EW standings, comes in at No. 7 with 33 votes.

Other area schools ranked by the coaches include West Bend East, No. 4 in Division 1 (70 votes), and Slinger, No. 4 in Division 2 (47 votes).

Waupun, who Kewaskum will face in the WIAA Regionals, is No. 1 in Division 2 with 85 votes. Other rated teams in Kewaskum's regional or sectional matches include Sheboygan Falls, Slinger, Shorewood, Whitefish Bay, New Berlin Eisenhower, Westosha Central.

5. Thomas More	47
6. Neenah	46
7. Kenosha Tremper	42
8. Whitefish Bay Dominican	27
9. Wausau West	16
10. West Allis Hale	15

Indian Netters Remain Atop EW Standings

By Noel Stollenwerk

TWO RIVERS - The Kewaskum girls tennis team has experienced many firsts the past couple of years. It did it again here, last Thursday.

The Lady Indians posted their first-ever win at Two Rivers, as they downed the Raiders 4-3 to remain in first place in the Eastern Wisconsin Conference standings.

The four wins upped the Indians' overall total to 25, one point ahead of Plymouth, whom the Indians will face twice in the upcoming weeks. Sheboygan Falls is a close third, with 23 points.

Kewaskum posted three singles wins, and the No. 3 doubles combo of Terri Roe and Jenni Weston capped off the win with their victory over Jenny Richmond and Rachel Zuel. Weston and Boew had little trouble with their opponents, winning in straight sets, 6-3, 6-4.

Having an even easier time of things was No. 1 Missy Rohrer, who bowled over her foe, 6-0, 6-0. The junior ace improved to 65-0 in conference, as did No. 2 Meredith Frac, who rolled to a 6-0, 6-3 win.

Freshman Margaret Feind, who moved up one spot to No. 3, won her match as well, beating Beth Stauffer 6-1 and 6-2.

KEWASKUM 4 TWO RIVERS 3 SINGLES - No. 1 - Missy Rohrer beat Hurley, 6-0, 6-0; No. 2 - Meredith Frac beat Stourne, 6-0, 6-3; No. 3 -

SHEEPSHEAD WINNERS

5 handed winner's on Wednesday, Sept. 22, were: Walter Schmidt, 76-11--65, 28-6--22; Fred Mielke, 64-4--60, 16-3--13; Jerry Darmody, 56-6--50, 21-4--17; Alton Schrauth, 52-2--50, 17-1--16; Bruce Boudry, 56-8--48, 22-6--16; Jean Becker, 54-6--48, 19-4--15; Pat Schmitt, 47-0--47, 15-0-15.

The next 5 handed will be Thursday, Sept. 30 and Wednesday Oct. 6th at 8:00 p.m. sharp. Cash prizes. Schmitt's Never Inn

Margaret Feind beat Stauffer, 6-1, 6-2; No. 4 - Jamie Lynn lost to Vandereveren, 4-6, 3-6;

DOUBLES - No. 1 - Lisa Berres - Sabrina Maul lost to Bowe - DeRosier, 1-6, 1-6; No. 2 - Tristin Olson-Anne Mertz lost to Nemetz-Neonen 1-6, 4-6; No. 3 - Terry Roe and Jenni Weston beat Richmond-Zuehl, 6-3, 6-4.

KHS Posts Win Over Chilton

By Noel Stollenwerk

KEWASKUM - Although it couldn't duplicate its previous performance against Chilton, the Kewaskum girls tennis team did what it took to win the match here, last Tuesday.

Powered by a sweep in the doubles competition, the Lady Indians easily downed the Tigers, 5-2, to maintain its hold on first place in the Eastern Wisconsin Conference.

All three KHS doubles duos were successful against the weaker Tiger squad. Lisa Berres-Sabrina Maul (No. 1), Tristin Olson-Anne Mertz (No. 2) and Angie Donath-Theresa Stopar (No. 3) all claimed victory against their foes.

In the singles matches, No. 1 Missy Rohrer and No. 2 Meredith Frac each beat their respective opponents, with Frac having to work an extra set to down Molly Hofberger, 2-6, 6-3, 6-0.

The Indians could have duplicated the earlier win against Chilton (6-1), but freshman Margaret Feind, who moved up to the No. 3 spot, had to default her match when she had an allergic reaction to some medication.

KEWASKUM 5, CHILTON 2 SINGLES - No. 1 - Missy Rohrer beat Kuba 6-2, 6-2; No. 2 - Meredith Frac beat Hofberger 2-6, 6-3, 6-0; No. 3 - Margaret Feind defaulted to VandeVoort; No. 4 - Jamie Lynn lost to Grube, 5-7, 2-6.

DOUBLES - No. 1 - Lisa Berres-Sabrina Maul beat Lisowe-Doerr, 6-2, 6-0; No. 3 - Angie Donath-Theresa Stopar beat Geiser-McDermott.

First Win Over Raiders in Ten Years Rammer, Jackson Help Indians Edge Two Rivers

By Noel Stollenwerk

TWO RIVERS - It's been a decade since the Kewaskum football team has qualified for the WIAA State Playoffs. That was the same, and only, year that the Indian varsity squad had beaten Two Rivers, winning by an 18-15 margin.

The Indians, and their coaches and fans, are hoping that those two trends are closely related.

The 15-point total was one more similarity here, last Friday night. A fake extra-point conversion spelled the difference for the second week in a row, as Kewaskum beat the Purple Raiders 16-15 on their home turf.

The win improved the Indians' record to 2-0 in the Eastern Wisconsin Conference,

JV, Frosh Teams Down Raiders

By Noel Stollenwerk

KEWASKUM - The ever-improving Kewaskum football program may have turned the corner last week.

For the first time in history, the Indians beat Two Rivers at all three levels, as both the JV and freshmen squads joined the varsity in victory.

The JV's had the easiest time of things, rolling to a 34-8 win. Aaron Kurth had three touchdowns, two coming via the run, while the third came through the air.

Jesse Koch and Brian Butschlick also added touchdowns for the JV's, who improved to 4-0 on the year and 9-0-1 in their careers.

"We had a pretty good game," JV coach David Rockhill said of the contest. Rockhill also cited Jason Liegl, who came up with an interception for Kewaskum.

The JV's will face their biggest test of the season this week, when they travel to Plymouth. The Panthers were the lone team KHS didn't beat last season, as the two squads tied.

The Indian freshmen, meanwhile, improved to 2-1 on the year with an 18-14 win over the Raiders.

Jason Leiberg was the star of the game for Kewaskum, scoring all three touchdowns. The wingback's final score came midway through the fourth quarter with the Indians trailing 14-12. Leiberg caught a pass and raced 60 yards to paydirt.

"Our defense played quite well," frosh coach Jim Westphal said of his team. "I'm quite happy with the way they are playing. They are playing up to their capabilities so far," said Westphal, who also cited QB Kevin Martin for a fine game.

and upped their overall mark to 4-1. Two Rivers fell to 0-3 and 1-4 on the year.

"It's been a long time coming," KHS coach Clark Pearson said of the rare win over the Raiders. "It feels really good."

Just as was the case the previous week against Fox Valley Lutheran, the Indians scored the winning points on a fake extra-point try.

Brad Jackson caught a six-yard scoring strike from Beau Coulter on a fourth-down half-back option. The score pulled the Indians within one, at 15-14, early in the third period. Instead of having Steve Johann try to tie things with a kick, Pearson called for a fake. Holder Mark Stephani found Tim Strigenz open in the end zone, giving the Indians the lead.

"The old fake extra point try, we're getting pretty good at it," Pearson said light-heartedly. "We had the chance to go ahead (with the two point try), so we tried it. Fortunately, it worked."

That was it for the scoring, although there were several anxious moments in the fourth when the Raiders drove inside the KHS 15, only to be turned away.

After Andy Mathias and Nathan Cartwright teamed up to sack Two Rivers QB Tim Klinkner for a loss, Klinkner's pass on fourth down fell incomplete.

The win was huge for a number of reasons, including the fact that the Indians did it with Coulter, the team's top running back and defensive back, out of the lineup for most of the contest.

Coulter suffered a bruised tailbone in practice midway through the week, and played on a limited basis. The 5-9 senior made an appearance in the backfield on the go-ahead drive in third, after Cartwright recovered a Raider fumble on the first play of the second half. Despite the TD pass, Coulter was too banged up to play on the defensive side.

"He was real sore," Pearson said of Coulter "He's a big part of our offense and defense, so him not being out there made a difference. Hopefully he'll be ready to go this week."

Junior Cory Rammer got the Indians on the board in the opening quarter. The 6-1 speed-

ster collected a Raider punt and blew past the coverage for a 76-yard punt return into the end zone.

"We had a wall set up for him," Pearson said of the play. "I don't think anyone touched him."

Two Rivers tied things up later in the quarter, as Chris Satterburg capped off a long drive with a one-yard TD run. Satterburg hooked up with Klinkner for the two-point conversion, making it 8-all.

The hosts then took the lead just before halftime, as Klinkner found Jose Garcia for an 11-yard TD pass. The Raiders went for one on the conversion, and Jason Philips' point after made it 15-8 in the hosts' favor.

The Indians had a chance for a score late in the half, as they drove inside the Raider ten-yard line, only to have the drive stall.

"We weren't moving the ball all that well," Pearson said of the offense. "We were our worst enemy. We had two holding penalties (one that erased a 40-yard run by Strigenz, who filled in for Coulter). We just weren't as sharp as I would like to see us."

Defensively, the Indians obviously missed Coulter's presence in the backfield. "We made some mistakes back there. It (Coulter being injured) made a significant difference."

Nevertheless, Pearson praised the effort of full-back/linebacker Mark Strobel, who "had another good hard-nosed game." The senior workhorse led the Indians with 67 yards in 14 carries, and "had a good game on defense as well," according to Pearson, who also praised Strigenz for a fine outing.

The Indians are now a half-game behind Sheboygan Falls (3-0) in the EW standings. The Falcons eliminated New Holstein from the ranks of the unbeaten, as they downed the Huskies, 27-12.

This week, Kewaskum will have to shut down Eric Gueschow and Plymouth. The Panthers come to town off the heels of a 27-7 whitewash of Chilton, in which Gueschow rolled up 230 yards on 29 carries.

"I think they are a much better team than their record indicates," Pearson said of the

Panthers. "They have some offensive weapons," in Gueschow and split end Matt Beaver, an all-EW first teamer last year.

In the lone other game involving an EW squad, Slinger downed Kiel, 26-14.

EASTERN WISCONSIN CONFERENCE FOOTBALL STANDINGS

Sheboygan Falls	3-0	5-0
KEWASKUM	2-0	4-1
New Holstein	2-1	4-1
Plymouth	1-1	2-3
Kiel	1-1	1-4
Chilton	1-2	1-4
Two Rivers	0-3	1-4

Football Fundamentals (Punt, Pass, Kick)

Kewaskum JC's are again holding their football fundamentals called punt, pass and kick, Oct. 9th at 10 a.m. in the practice field next to the high school.

Boys and girls ages 8 to 15 compete in their own age groups in these three categories. The top qualifier is eligible to compete Oct. 17 in Pewaukee. This year Gatorade, the main sponsor has set aside only X amount of advancements to a Packer game in Green Bay, so only high scorers in the state will be eligible. Notices will be sent in the mail after all state sectionals have been completed.

Same rules as last year apply. No spiked shoes, all applications must be signed by parent or legal guardian and handed in on day of event before starting competition. Applications will again be at all school offices, Sentry Foods or by calling 626-2073 and be picked up.

This year the age groups have been extended to 15 years. All participants' ages are determined by the age they will be at the end of this year.

Place: Practice field next to high school.

Time: 10 a.m. with applications signed.

Perry Korth will be there along with a few football play-

ers to help out. So kids start practicing with your footballs and we'll see you out on the field. There will be some time before to practice but you might want to bring your own footballs to practice with. Good luck.

Rabbits are rarely found deep in forests. They prefer places where bushes or clumps of tall grass are available for hiding.
