Jerry Taff is Parade Marshall Christmas Parade Here Sunday

AAL TREE LIGHTING CEREMONY AFTER PARADE

Kewaskum's Annual Christmas Parade will be marching into town this Sunday, December 5 with the festivities getting underway at 5 p.m.

Jerry Taff, Channel 12 news anchorman, has graciously agreed to serve as Parade Marshall and will lead off the Chamber of Commerce sponsored event.

A few new ideas have been incorporated into the parade this year, including the "Share Your Warmth Mitten Tree," which will be the feature of the Chamber of Commerce float entry. Parade watchers are encouraged to bring along mittens, hats, headbands, etc. and/or non-perishable food items to be placed on the mitten tree float in the parade. These donated items will be picked up along the parade route by a few of Santa's very special elves.

Or if you prefer, you may donate items during regular business hours at Valley Bank in Kewaskum or Video Post, Kewaskum. Show your children the meaning of the holiday, by helping them place the warm gift items on the tree at Valley

Bank. All donated items will be distributed throughout this area to those in need.

There is still lots of time to enter a float. Get together with a few friends and neighbors and do some brainstorming. With a few decorations and a little creativity you'll be surprised to find out what you can whip up in a few short hours. Anyone wanting to still enter the parade is asked to call Joan at Video Post or Shawn at My Little Friends Day Care Center.

There will be cash prizes awarded to the top four floats elected by the judges. First prize will garner \$100 with second,

third and fourth walking away with \$75, \$50 and \$25 respectively.

There's also time to contribute to the financial support of the parade by clipping the coupon on page 12 and purchasing one of the lights on the holiday tree in front of Valley Bank. It is hoped that all the lights can be lit when the parade rolls by on Sunday. The tree lights will remain lit throughout the Holiday Season.

The parade route will be as it was previously. Lineup begins at the firehouse at 4 p.m. with the parade getting underway promptly at 5 p.m. It will travel north on Fond du Lac Ave., east on Main Street, north again on Park View Drive and then west on First Street and will end in front of the Municipal Building.

To further extend the holiday spirit to you and yours, the Aid Association for Lutherans will again be featuring their tree lighting ceremony in front of the Municipal Building immediately following the parade. A joint chorus from three churches in the village will be entertaining with Christmas Carols following the tree lighting by Jerry Taff. There will also be cookies and refreshments in the Community Room.

Join us for this year's Christmas Spirit booster. It just might be what you need to pull you out of the doldrums and get you anxiously awaiting the arrival of Christmas. We know there is some of the magical childhood wonder in all of us and we think we can find it in all of those who take the time to come to Kewaskum to see the parade.

Family Financial Aid Night

On Thurs., Dec. 9th at 7:00 p.m. in the high school cafeteria, Kewaskum High School will hold Family Financial Aid Night.

Parents of senior students interested in learning how to apply for financial aid for college or technical school should attend.

Financial aid procedures, forms, time lines and more will be covered in this very important and informative meeting. All seniors and their parents are invited. Light refreshments will be served.

Special Election Tuesday

West Bend Attorney Glenn Grothman, the clear favorite of the November 9th GOP Primary Election, will face off against Libertarian candidate Kevin Scheunemann, 21, and Independent Richard Buntrock, 55, in a Special Election on Tuesday, December 7th.

In the Primary Election, Grothman garnered votes almost

three to one, compared to his closest opponent, runnerup Betty Pearson of West Bend.

This Special Election is being held for the Assembly seat formerly held by Mary Panzer, who won the Special Election in September for the State Senate seat vacated by Donald Stitt.

Local Athletes to Compete At State Tournament

Athletes from the Kewaskum Special Olympics program will be looking to strike gold and serve up excitement as they travel to the 1993 Wisconsin Special Olympics Fall Sports Tournament on December 3-4.

Over 900 bowlers and volleyball players are expected to participate in the event which has been held in Milwaukee since 1979. Formerly the State Bowling Tournament, this year's event will include Team Volleyball at Cudahy High School as well as Individual, Ramp, Doubles and Team Bowling at Red Carpet Celebrity and South Park Lanes.

Qualifying participants, who had to place in the top 3 at Area and Regional competitions, include: Jeff Puestow, Sarah Rodenkirch, and Amy

Weiting.

Major sponsors of the tournament are Managed Health Services Insurance Corp., M&M Mars, Super Saver and Patrick and Anna M. Cudahy Fund. Volunteer support is being provided by numerous local civic organizations and businesses.

Wisconsin Special Olympics provides year-round sports training and competition for children and adults with mental retardation. To enroll an athlete or to volunteer, please call Karin Hawley at (414) 241-7786 or the Wisconsin Special Olympics Chapter office at (608) 222-1324.

Japanese Students Visit Through Farm Program

(Left to right) Wataru Sato and Shinichi Tsukabayachi are staying with the Lloyd, Rita and Robert Etta Family. Hiromasa Mukai is staying with the Roger and Ann Neumann Family

Three students from Japan are participating in the Academic Adventures in America, Inc. Farm Program. Academic Adventures in America is a nonprofit educational and cultural exchange program dedicated to bringing people of all ages closer together resulting in a better understanding of one another's way of life.

The Program is designed for participants 19 years or older. The participants live with a farm family, experience the farm family's lifestyle, help with farm chores and participate in recreational activities with the farm family.

Wataru Sato, 21, and parents Masako and Kaname milk 39 Holstein cows using four Universal Milking Machines. On the 70 acres they raise corn, beets, beans, milo and hay. They have five tractors. Wataru has a 15 year old sister, Yuka.

Shinichi Tsukabayachi, 22 and parents Yukiko and Masayoshi milk 20 Holstein cows using two machines. Corn, beets, beans, milo and hay are grown on their 96 acres. The family owns four John Deere, two Ford and one Yanmar tractor. Shinichi has an older brother,

Masakatsu, 26, and an older sister Yoshiko, 23.

Hiromasa Mukai, 21, parents Kayoko and Masaharu and grandparents Eiziro and Tugiko milk their 55 Holstein cows with six Alfa Laval milk machines. On the 95 acres they harvest grass, dent corn silage and sugar beets. The farm has one 32' silo and one bunker silo and two International and one John Deere tractors.

Hokkaido is the northernmost of Japan's four major islands and covers 30,144 square miles. It is the country's second largest island but has only about 5% of Japan's total population. Much of the island consists of forested mountains and hills. Northeast of this peninsula is the Ishikari Plain, Hokkaido's largest lowland and chief agricultural region. Smaller plains border the island's east coast. The economy of Hokkaido depends mainly on dairy farming, fishing and forestry. The island is also a popular recreational area.

The boys will really be missed when they leave on Monday. They were excellent farm helpers and maybe the next time they will stay longer than two weeks.

KHS Musicians Trees Sales Going Well

On Sat., Nov. 27, the kids from the high school band began selling Christmas Trees. The first weekend saw several trees leave the lot and the sellers are looking for more potential tree buyers to visit their tree lot and check over the trees they have for sale.

There are some great trees to choose from, including Fraser firs, Balsam, White and Scotch pine. Price range from \$14.50 for the smaller Scotch and White pines up to \$38.00 for the Frasers. The hours are from 9:30 a.m. to 5:00 p.m. on Saturday and Sunday, and 3:30 to 6:00 p.m. on Monday through Friday.

Trees will be on sale through December 18, 1993. The lot will not be open on Wednesday, December 15, because of the concert at the High School and we will be closed at 4:00 p.m. this Sunday because of the Christmas Parade. Who do you know wants to buy a good looking, great smelling Christmas tree?

If you know anyone, please send them to the Kewaskum High School Music tree lot, located in the Sentry parking lot under the signs.

St. Rose School Students Guests of Holy Trinity

Holy Trinity students and their guests visited the Neumann Farm

Third and fourth graders of St. Rose School in Milwaukee were guests of Holy Trinity's third and fourth grades on Friday, Nov. 19.

To become acquainted, Holy Trinity students roleplayed as newspaper reporters by preparing questions and interviewing their new friends. To the shock of all adults, we learned that the favorite food is PIZZA! 86%. The number of members in each family ranges from eleven to three with the average of 5.59. While fish comprised the greatest segment of pet population, dogs, and cats were equal at eight each, followed by two pigs, two rabbits and one lonely ferret. Holy Trinity students were somewhat surprised at the number of St. Rose students who had no pets. Favorite games are those

which are active: jump rope, tag, soccer, basketball, football. Less favored are Monopoly and checkers. Favorite school subjects: Math 50%, Art 27%, Language 14%, Science 9%. Least favorite school subject: Social Studies 46%, Math 31%, Science 12%, Language 10%. Where will you spend Thanksgiving: At Home 32%, In Chicago 25%, Grandma's or relatives 21%, Don't know 11%, Chucky Cheese 5%, In Milwaukee 5%.

After this initial sharing of personal information about families, schools and vital interests in food, music and sports it was time for the real action.

Lunch was served in the finest brown bags and accentuated with milk and ice cream cones.

The students then drew

upon the kindness of parent-drivers and hospitality of parent-parishioner-farmers to visit with the Holsteins at the Beck, Stoffel and Neumann farms. All agreed it was fun. We'd like to do it again.

We'd like to give special thanks to our parent-drivers: Mr. Tom Stachler, Mr. Jim Wessing, Mrs. Mary Lou Chambers, Mrs. Joan Stoffel, Mrs. Carol Laatsch, Mrs. Doris Schladweiler, Mrs. Muckerheide, Mrs. Rinzel, Mrs. Bullette and Mrs. Neumann. People who donated items for the goodie-bag that each student received, Wisconsin Agri-Business Foundation, Schneider Cheese and Les Gundrum--- Dairy Promotion Committee.

Special thank you to Holy Trinity students.

The students also visited the Stoffel Farm

The Beck Farm was also on the agenda. All the students agreed it was fun.

Excerpts From Menagerie

Through the year we will be running student's writings from the All Conference Literary Magazine, Menagerie.

Chapter 2: The Deadly Curse

It wasn't long after Sneed was banished that the noble prince and the beautiful Lana were married. The day of the wedding was joyous and full of happiness, but little did the bride and groom know that the sinister Sneed had disguised himself and sneaked into the kingdom.

After the frog incident, Sneed suffered from a mental dysfunction. In other words, Sneed turned into a loony weirdo. Sneed was obsessed with ruining the newlyweds' life. He came to the wedding just to bring misfortune.

As the wedding proceeded, Sneed was trying to conjure up a plan as to what he would do to bring devastation to the kingdom. Of course, Sneed was a lunatic, so his ultimate goal was to be king of the world.

Finally, Sneed came up with an ultimate plan. Now all that was left to do was put it into action.

Later that night, when the prince and, now princess, Lana were sleeping, the evil Sneed appeared from a cloud of smoke. Quietly, Sneed crept down the dark hall to the royal bedroom. Slowly, he turned the doorknob. As Sneed stepped into the bedroom, he saw the prince and princess peacefully sleeping in their bed.

Oh, how he hated the prince, for the prince would have Lana for the rest of his life! Sneed wouldn't have that. If he couldn't have her, nobody could, that is, for long.

Sneed stood over the bed gazing at Lana, lost in her beauty. How it crushed his heart to do this to Lana, but in his mind it was the only way. Sneed put his hand over Lana's head and recited a curse that would make her die after she bore the prince his first child.

A tear rolled down Sneed's cheek as he stood there, for he loved the princess dearly. Then, a cloud of smoke appeared and covered Sneed. Instantly he vanished.

ISSUES

FAMILIES/WELFARE: Most of society's problems are family problems. Help traditional families by increasing the Wisconsin Dependent Tax Credit. Stop encouraging irresponsible families by immediately reducing AFDC payments to Illinois levels.

TAXES: Wisconsin currently has the sixth highest tax burden in the country* This is ridiculous. We must cut spending and remove mandatory arbitration for school districts. Cut the Madison bureaucracy! Save 70 million dollars a year by ending the state subsidy to Milwaukee busing program.

CRIME: Crime is really a family problem. Enact tougher penalties on juvenile crime. Support Gov. Thompson's Boot Camp initiative and anti-gang legislation.

SCHOOLS: Madison must stop mandating expenditures, curriculum and staff requirements. This will allow local districts to lessen administrative expenses and have more back-to-basics education. Tax credits for private schools will force improvement in public schools and help parents who want their children to have a more traditional education.

ABORTION: PRO-LIFE. Stop the abortions! LIFE IS A BEAUTIFUL CHOICE.

TERM LIMITS: Politicians who have been in Madison too long find it easy to believe that government is the answer. A 12 year term limitation will help solve this problem

*Per Public Expenditure Research Foundation

A Personal Note From Glenn

As those of you who are acquainted with me know, I have for a long time had an interest in conservative politics. As a lawyer, I've watched the legislature and bureaucracy pass laws and regulations apparently unaware of the huge cost to our businesses and homeowners.

Our country was much better off 20 years ago. Families were stronger. There was less crime. Taxes were much lower. More men could support their families. This decline is largely the government's fault.

As I have met with you door-to-door, it has not surprised me to find out that almost all of you agree with me on these issues.

Like me, you've worked or voted for other candidates in the past, only to see them change once elected. I will not change in Madison - Madison must change for us!

Letter to the Editor

To the Voters:

In the Primary Election on November 5th we selected Glenn Grothman as our Republican candidate in the December 7th General Election for the 59th Assembly District.

Throughout the campaign, I watched Glenn, as he worked to meet and listen to as many of his constituents as possible. Glenn has developed an insight into the concerns of the taxpayers of our area.

I believe Glenn will address the issues of state mandates and the appropriate of monies in the field of education. I know Glenn to be a sincere and dedicated man.

So vote... AGAIN on Tuesday, December 7th for GLENN GROTHMAN. We will be proud to have Glenn as our representative of the 59th Assembly District.

Remember your vote is important.

A Message from the Postmaster

Hello Kewaskum Statesman readers! Can you believe Christmas is almost "right around the corner?" I cannot. Last weekend I participated in MALL MADNESS! What an experience... never again will I save my shopping until after Thanksgiving. Usually, I am done by mid-summer... cannot remember where I hid everything, cannot recall what I all bought for everyone, and usually end up buying more, more, more!

Working for the Postal Service for 19 years has taught me to shop early and MAIL early. Like many of you, presents must be wrapped and mailed. In this week's column, I would like to share some tips on wrapping and mailing those precious gifts.

Since you've taken the time to choose the perfect holiday gift, why not take a few more minutes to insure that it arrives safely by wrapping and addressing correctly? Here are a few suggestions to insure that your packages are delivered to the correct address, on time and in good shape:

--Select a container strong enough to protect the contents during handling. Fiberboard containers are generally strong enough to ship most materials. Packaging products designed for safe and sound delivery are available at the Post Office for those that cannot find something suitable around home.

--Leave space inside the carton for cushioning. The container should have enough space to hold the contents plus cushioning to prevent damage. Leakproof containers mailing materials should be used if shipping liquids. Items which have an odor should be placed in a container which is impermeable to the contents.

--Prevent contents from shifting and absorbing shock by using good cushioning materials such as polystyrene, shredded or rolled newspaper, bubble plastic and fiberboard inserts.

--Use reinforced tape. Contrary to popular belief, please DO NOT use twine and cord; they tend to catch and bind in mail processing equipment.

Inside the package, make sure that you have ANOTHER address label, noting the complete address and your return address. (This is important in case the outside should become obliterated for some reason.)

Okay, now the package is wrapped and we are ready to address the outside of the package. First of all, put the address and your return address on only one side of the package. Insure that BOTH the "to and from" addresses are complete and marked clearly. DO NOT forget the zip code. Make special markings to alert the Postal Service to packages that are fragile, perishable, should not be bent. If you are shipping framed photographs, it is a good idea to remove the glass and wrap it separately.

Okay, now the EASY part: Just bring it to the Post Office and mail it on its "merry way." Remember that insurance is not automatic and items should be insured for ACTUAL value. We will gladly quote both parcel post and first class rates for you and in many cases, just a few cents more will get your package delivered in just 2 to 3 days. Postal employees know that the holidays are busy and are "dedicated" to making your mailings as easy as possible. Feel free to stop in and/or call us at 626-2575 with any of your Postal questions or problems. Customer satisfaction is our priority!

Everyone ready for the parade? We, at the Kewaskum Post Office are and I can let you in on a "little secret"... This is the first parade that we are participating in and we have all sorts of surprises in store for you.

Kids... if you have been unable to bring your letter to Santa to the Post Office, bring it to the parade as employees will be gathering them along the parade route. Other than that, I guarantee you all that you will not be able to miss the Postal Service... You will SEE us and HEAR us... BIG TIME! I tell my employees: "Yep, this year

Kewaskum, and next year... MACY'S Christmas parade" ha, ha!

Entries are starting to pour in for the Eternal Tree decorating contest at the Post Office. Come on kids... lets pack that tree with all the creativity you've got... we've got a good deal of talent in this community... let's show it off, okay? Visitors to the Post Office... my entire staff and I hope to continue to make every trek to our office enjoyable. WE DELIVER FOR YOU!

Last, but certainly not least, a "Santa Update!" Santa called me the other morning and told me that things were getting busy at the North Pole. Mrs. Claus had moved her piano into the workshop and Santa and the elves were singing as they got the toys ready for the BIG

TRIP.

Rudolph and the rest of the reindeer have been resting up and Santa reported that Rudolph was over his cold and feeling much better. Santa told me that the "special elves" had been delivering the letters from the kids from Kewaskum" daily and he is enjoying each and every one of them. Mrs. Claus then got on the extension phone and said "hi" and reminded Santa that his suit had to go to the dry cleaners so he would be "spiffy" for the BIG NIGHT. Like the rest of us... it is a busy time at the North Pole.

Well, that is about it for this week. Get those cards and packages ready, and please... mail early! Thanks so much to each and every one bringing their cards to the counter. You are

helping us "move the mail" and we appreciate it.

Until next week, try to have a good day... a HAPPY every day!

Your Postmaster, Bonnie

Kewaskum Juniors Announce Quilt Winner

(L to R) Club President Holly Knurr presents raffle quilt to the lucky winner Debra Anderson of West Bend. She won the quilt during the Kewaskum Junior Woman's Club Kettle Country Christmas Art and Craft Show held Nov. 20th. Perhaps Debra was so lucky that day because it also happened to be her birthday!

Nearly 1,400 area residents attended and enjoyed "A Kettle Country Christmas", the eleventh annual art and craft show sponsored by the GFWC Kewaskum Junior Woman's Club on Sat., Nov. 20th at Kewaskum High School.

Over 50 exhibitors offered fine arts and original crafts of a wide variety including hand-crafted wooden items, country accent pieces, ceramics, grapevine and dried flower wreaths, pinecone baskets, embroidery items, stained glass mosaics, appliqued sweatshirts, Christmas items and much more.

The lucky winner of the raffle drawing for the Log Cabin design quilt was Debra

Anderson of West Bend.

A large assortment of bakery was prepared by club members and was offered for sale as well as a luncheon featuring croissants, hot dogs, chips, cookies and refreshments.

Members involved in preparation of this year's show were Karen Kletti, chairman; Linda Shea, tickets; Ruthie Butler and Patty Clayton, luncheon; Carol Sabel, bake sale and Louise Martin, publicity.

Kewaskum Juniors wish to thank everyone who made the day a success and looks forward to hosting their twelfth show scheduled for Saturday, November 19th at Kewaskum High School. Happy Holidays to all!

Area Offers Food Pantry

Many people in the Kewaskum area are quite likely unaware of the existence of a food pantry here.

The St. Vincent DePaul Conference of Holy Trinity does have a food pantry and food is available to anyone in need in and around Kewaskum.

FACSIMILE BALLOT NOTICE OF SPECIAL ELECTION FIFTY-NINTH ASSEMBLY DISTRICT DECEMBER 7, 1993

OFFICE OF THE WASHINGTON COUNTY CLERK TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a special partisan election to be held in the several wards of the 59th Assembly District, in the County of Washington, on the 7th day of December 1993, at which the officer named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. The initials of two inspectors must appear on the ballot card. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the special partisan election, the elector shall make a punch or a hole in the space designated for the candidate's name for whom he or she intends to vote.

To vote for a person whose name does not appear on the ballot, the elector shall write in the name and office of the candidate of his or her choice on the ballot envelope provided.

The vote should not be cast in any other manner. If the elector spoils a ballot card, he or she shall return it to an election official who shall issue another ballot card in its place, but not more than three ballot cards shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot card may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official ballot card is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the booth and deposit the envelope containing his or her ballot, in the ballot box or deliver the envelope to an inspector for deposit and shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

WINTER PARKING

The Winter Parking Restrictions and Snow Emergency Parking Restrictions go into effect on December 1, 1993.

Municipal Code Section 7.04 (3) NIGHT PARKING RESTRICTIONS, reads as follows: Signs have been erected at or reasonably near the corporate limits as provided in Section 349.13, Wisconsin Statutes, no person excepting physicians or licensed emergency vehicles on emergency calls, shall park or stop any vehicle on any public street or highway within the village between the hours of 2:00 A.M. and 6:00 A.M. from December 1, to April 1, of each year; provided that, notwithstanding such restrictions vehicles may be parked a period of time not longer than three minutes for actually loading or unloading of passengers, and provided further that no other regulation restricting parking as to place, time or manner violated thereby.

The fine for violating the ordinance is:

\$5.00 if paid within three (3) days of the issuance of the parking citation.

\$10.00 if paid after ten (10) days but before 28 days.

After 28 days, the amount is \$25.00 and a notice will be sent to the Motor Vehicle Department to suspend your vehicle, registrations and refuse renewals until the citation is satisfied.

An important fact is the owner of the vehicle is responsible for the payment of the citation whether or not he was the operator.

Municipal Code Section 7.04 (4) REMOVAL OF ILLEGALLY PARKED VEHICLES. This section covers the issuance of citations to and possible removal of such vehicles in violation of this ordinance. In addition to other penalties provided by Section 7.04 (6) of this code, the owner or operator of a vehicle so removed shall pay the cost of the towing and storage.

IN MEMORY

In memory of Robert Felten who passed away one year ago on Dec. 8, 1992:

A memory of one so dear, we cherish still with love so sincere. I can't believe its been a year that God called you from us by surprise and no chance to say good-bye. My heart aches with sadness, my eyes still cry so many tears. It broke my heart to lose you, but I've grown to learn life goes on and years go by. You're in my thoughts, I pray for you. I ask the Lord to see me through, you gave me more than you could know. While thinking of the many things we didn't get to say, I know each time you think of

me, you'll miss me as much as I miss you. God knows how much I miss you for emptiness and precious memories take the place of you and they never die. God saw you getting tired so he put his arms around and whispered, come with me. He had to put that golden heart and hard working hands to rest. You left us quietly your thoughts unknown, so treasure him Lord, in your garden of rest, for when on earth he was one of the best. Until that glorious day when we meet again and see your smiling face you will be with us always in our hearts and minds. So Rest In Peace Bob.

For the past month, students in third grade classes under the direction of Mrs. Pecher and Mrs. Marschner at Farmington Elementary School have been studying colonial times.

Students made horn books to indicate how the children studied reading and the alphabet. A colonial dress up day was held on November 16 and teachers and students dressed in colonial attire.

Parents and grandparents came to school and talked to the classes about various activities that took place in colonial times.

The third graders would like to thank the following people for taking time to share their knowledge of colonial life and activities; Mrs. Wolfenberg - crocheting and knitting; Mrs. Waranius - candlewicking; Mrs.

Bauer - bread making; Mr. Koch - wood carving; Mrs. Meyer - stenciling; Mr. and Mrs. Duvel - colonial history lesson.

Because of these activities, third graders have a better understanding of colonial times.

Tree Lighting at Dundee Mill Park

Well, the posters are out, the cards are around, and now what we need is your help to light up the tree by the old mill in Dundee. To help us do this, all you have to do is purchase a card in your name or in memory of honor of someone you care for. Many people purchased their cards in the names of their grandparents, aunts and uncles, a good friend, or maybe a teacher. Then they send them the card telling them that a light is burning on the Dundee Mill Park Christmas Tree in their name for the month of December. Last year we had many people who came to see the tree because their light was there. Inside the mill will be a tree with every name on it that corresponds with each and every light. Each card costs only \$3.00 and makes sure a bulb will be lighted.

"LOVE LIGHT" cards can be purchased at local businesses and taverns or from Dundee Mill Park Committee members. Many helping and caring people in the communities have cards, also. Some of the numbers that you can call are Paul 477-4111, Dave 533-8794, another Dave 533-4836, Monica 533-4750, Jim 533-4142, Johanna 477-7262, John 533-4907, Jerry 533-4975, Gloria 477-6562, Alice 533-4306, Lee 533-4411 and Dee 533-4099. Any one of these people will be happy to see that you receive a card.

On Saturday, December 4th we will be having our tree lighting at the Dundee Mill Park. PLEASE HELP LIGHT THAT TREE.

Young KHS Wrestlers Face Rebuilding Year

By Noel Stollenwerk

KEWASKUM - Losing four seniors, including the school's lone state champion, that were fixtures in the program for many years, Kewaskum wrestling coach John Nell is facing what he thinks is his toughest rebuilding job yet.

"I think so... it really could be," Nell said when asked if this was his biggest challenge. "Losing those four seniors... it's just so hard to replace them. You really can't."

Gone are Todd Muckerheide and Mark Morell, a pair of Sectional qualifiers, as well as Mark Dziedzic, a state qualifier two years ago. But perhaps the biggest void to fill will be the spot of Josh Kurtz, the school's only state champion (1992), and one of the best wrestlers KHS has ever had.

Nell will get some help from the families of a couple of departed seniors. Muckerheide's brother, Chad, is one of ten returning letterwinners. Chad, a senior this year, will probably man the 160-pound spot for the Indians. He took third in the Eastern Wisconsin conference at the spot a year ago.

Dziedzic's brother, Joel, meanwhile, will occupy the 103 pound spot for Nell. "That's a real plus... a welcome addition," Nell said of Dziedzic, a freshman. "I think he'll be a real dandy. He should fare real well

at 103 this year."

Other letterwinners returning to the fold this season include a pair of Jakes, Gundrum (junior, 119 pounds) and Thull (junior, 125 pounds). Gundrum took third and Thull fourth at the EW meet last season. Nell mentioned that it's possible that one, or even both, would be able to cut weight and move down a spot in the lineup as the year progresses.

Also back is defending EW champion Rich Farchione, who won the 145-pound title last year. "He's really filled out," Nell said of the junior, who will probably compete at 171 pounds this season. Paul Reis, who finished third in the EW as a sophomore last year, will fill the spot at 145.

Other letterwinners include Tyler Dieringer (junior, 130 pounds), Peter Reis (sophomore, 140 pounds), Cory Rammer (junior, 152 pounds), Tim Gundrum (sophomore, HWT), and Brad Jackson (senior).

"We have some experience with some of these kids," Nell said of the letterwinners. "They weren't too bad (conditioned-wise) at all. But by no means are we in great shape."

Nell points to a tough early-

season schedule, which has them in a triple dual with Campbellsport, Brown Deer and Grafton. The Indians get a day off, and then have to face highly-rated Cedar Grove on Thursday.

"We're going to take our lumps early," Nell admitted. "We'll start out slow, and then pick up as the year goes on. It's not a very easy opening week, that's for sure. Some of the kids are going to find out where they are real quick."

Still, Nell thinks that his team will hold its own in conference.

"I'm confident that we'll do alright," he said. "But it's early yet, and there's a lot of things that we need to work on."

The first time a President left the country while in office occurred on November 9, 1906, when President Theodore Roosevelt sailed on the battleship *Louisiana* to visit the Isthmus of Panama and inspect the Canal.

Mr. and Mrs. Frank Hilmes of St. Michaels received a cablegram on Thursday morning from France announcing the death of their son, Private Gregory Hilmes, who died in France on October 14th, 1918, of pneumonia. Mr. Hilmes was drafted into the service last fall, and until recently was stationed at Camp Grant, Rockford, Illinois.

In the Waukegan marriage licenses in the Milwaukee Sentinel of Wednesday, November 27, 1918, we noticed the license of Arthur Koch and Miss Emma Liermann of Beechwood, and Arthur E. Stagy of Random Lake and Miss Martha Hintz of Beechwood. The above mentioned are some of the town of Scott's most prominent citizens. Mr. Koch is the youngest son of Mrs. Chas. Koch of Beechwood, where employed in the mercantile business. Miss Liermann is a daughter of Mr. and Mrs. John Liermann of Beechwood, a prominent farmer of that place.

The young couple will make their future home in Beechwood. Mr. Stagy is a son of Mr. and Mrs. Aug. Stagy of Beechwood, and Miss Hintz is a daughter of Mr. and Mrs. John Hintz. Both parties are well and favorably known farmers of Beechwood. Mr. and Mrs. Stagy will make their home on the groom's farm in Beechwood.

FROM THE OCONOMOWOC REGISTER.... Many people witnessed the beautiful phenomenon in the skies Monday evening, the moon being encircled by a broad band of red, white and blue, the colors being very distinct. The cause of this is unknown, but coming as it did upon the night of the allied victory over Germany, it seemed to many a sign that the Almighty gave to his favored people.

President Wilson late last week Thursday evening signed the liquor measure, providing for national bone dry prohibition after July 1, 1918, until the American army is demobilized.

TOWN OF WAYNE NOTICE OF PUBLIC HEARING AND NOTICE OF TOWN BOARD MEETING

PLEASE TAKE NOTICE that the following proposed ordinance for the Town of Wayne, Washington County, Wisconsin, has been prepared:

AN ORDINANCE TO AMEND THE ZONING CODE OF THE TOWN OF WAYNE MUNICIPAL CODE TO REGULATE ADULT-ORIENTED ESTABLISHMENTS

WHEREAS, it is a lawful purpose of the Town Board of the Town of Wayne, Wisconsin, to enact regulations for the purpose of promoting health, safety and general welfare of its citizens and,

WHEREAS, pursuant to the Town of Wayne's authority, it is the intent of the Town Board to adopt by ordinance regulations restricting the location of adult-oriented establishments as defined herein to promote the Town of Wayne's interest in protecting and preserving the quality of its neighborhoods, commercial districts, and quality of urban life through effective land-use planning and,

WHEREAS, it has been the experience of other cities including Seattle and Renton, Washington and Detroit, Michigan that adult-oriented establishments can contribute to the impairment of the character and quality of a surrounding residential neighborhood and can contribute to a decline in the value of surrounding properties.

WHEREAS, adult-oriented establishments in proximity to residential areas, churches, parks, and schools may lead to an increase in criminal activities in the surrounding areas and the town desires to protect the youth of the community from the deleterious effects such businesses have on adjacent areas by restricting their close proximity to places of worship, schools and residential areas; and

WHEREAS, a reasonable regulation of the location of adult entertainment establishments will provide for the protection of the image of the community and its property values and protect the residents of the community from the adverse secondary effects of an adult-oriented establishment, while providing to those who desire to patronize adult-oriented establishments, such an opportunity in areas within the Town which are appropriate for a location of adult-oriented establishments and;

WHEREAS, the United States Supreme Court has approved efforts by local governments to regulate the location of adult-oriented establishments through land use plans and,

WHEREAS, the proposed ordinance serves a substantial government interest and does not unreasonably limit alternative avenues of communication.

NOW THEREFORE, the Town Board of the Town of Wayne, Washington County, Wisconsin do ordain as follows:

(e) "Adult cabaret" means a cabaret which features topless dancers, strippers, male or female impersonators, or similar entertainers.

(f) "Adult entertainment" means any exhibition of any motion pictures, live performance, display or dance of any type, which has as its dominant theme, or is distinguished or characterized by an emphasis on, any actual or simulated "specified sexual activities," or "specified anatomical areas," as defined below.

(g) "Specified sexual activities" means simulated or actual:

(2) Adult-oriented establishments are subject to the following conditions:

(a) Adult-oriented establishments shall only be allowed as conditional uses in B-2 Districts. Adult-oriented establishments are prohibited in all districts except as conditional uses in the B-2 Districts.

(b) No adult-oriented establishment shall be located within 1,000 feet of any public or private school, church, religious institution, day care center or public park. No adult-oriented establishment shall be located within 500 feet of any residential district or any other adult-oriented establishment. The above-noted distances shall be measured in a straight line without regard to intervening structures or objects from the closest point of the structure or portion of the structure occupied or proposed for occupancy by the adult-oriented establishments to the nearest point of the parcel of property or land use district boundary from which the proposed land use is to be separated.

(c) In addition to the above-noted limitations and restrictions upon adult-oriented establishments, and such establishment shall comply with all regulations and requirements of this Zoning Code and must comply with all provisions of the zoning district in which the establishment is located. Said establishment shall also comply with all other applicable provisions of the Town of Wayne Municipal Code.

SECTION III: Section 1.22(2) (c) of the Zoning Code of the Town of Wayne is hereby created to read as follows

(c). "Adult-oriented establishment," as defined in this ordinance.

SECTION IV: The several sections of this Ordinance are declared to be severable. If any section or portion thereof shall be declared by a decision of a court of competent jurisdiction to be invalid, unlawful, or unenforceable, such decision shall apply only to the specific section or portion thereof directly specified in the decision, and not affect the validity of all other provisions, sections or portions thereof of the Ordinance which shall remain in full force and effect. Get Out, Stay Out: Your Fire Safe Response

What would you do if your home caught on fire? Would you know where to go if smoke or flames blocked your escape?

There is no time to think about these questions in a real fire. It's hot, smokey, and so dark you may not be able to see your own hands. Know ahead of time what to do if there's a fire. Develop an escape plan with two ways out of every room. You'll need a second way in case your primary exit is blocked by smoke or flames. And make sure every exit is accessible, including windows.

Getting out is your first priority in a fire. And once out, stay out!

HOMETOWN REALTY

Indian Boys Small, Quick

By Noel Stollenwerk

KEWASKUM - It's been a couple of years since Kewaskum boys basketball coach Jim Westphal has been able to field a somewhat physical team on the court. Unfortunately, the beat goes on.

Once again, Westphal will be limited with his personnel, having just two players over 6-2, and neither of those having a lot of beef on them. In all, the Indians return five players from last year's squad that finished 7-14.

"We're not going to be very physical once again," Westphal said of the physical limitations. "We haven't been for quite some time. So we're going to have to try and get things moving quicker... speed up the tempo of the game."

Westphal will rely on senior James Zautner to set the pace of the game at his point guard spot. "I'm hoping he can have a solid year," Westphal said of Zautner, who saw limited action last season.

Returning to the front line will be senior Erik Ankersen (6-2) and junior Travis Jacak (6-4), who led the Eastern Wisconsin Conference in rebounding as a sophomore last season. Still, neither Ankersen nor Jacak weighs much over 170 pounds, causing some concern for Westphal.

"Neither are very bulky, and we drop off dramatically (size-wise) after them," Westphal said. "But they've been looking very good in practice. They go after it hard, and I think they're going to compliment each other well."

Other letterwinners returning this year include seniors Tony Rix (G-F) and Ryan Kurth (F). Top non-letterwinning prospects include juniors Kevin Klahn (G), Tim Strigenz (G), Nathan Cartwright (F-G), and Dan Survis (G), along with sophomore Joe Rettler and Matt Wiedmeyer.

"We're going to press everybody," Westphal said, not keeping any secrets regarding his defensive scheme. "Sometimes it'll backfire, but we just don't match up very well and otherwise."

Offensively, Westphal plans to fast break quite a bit. "We

want to keep the game moving. We're going to try and open it up a little," he said. "When people get in our face, we have a hard time handling that. It's more fun to play that style (wide open) anyway."

As for favorites in the Eastern Wisconsin Conference, Westphal points to Plymouth and Sheboygan Falls. "Plymouth is a very physical, strong team," with a 6-8 center and a JV team that was undefeated last year, said Westphal. Falls, meanwhile, has three starters returning, and "they shoot very, very well." Chilton "might have a shot" as well, according to Westphal.

One area the Indians will have to improve on from last year is their shooting. KHS made about 32% of its field goal tries last year, and "you can't win many games shooting like that," Westphal concluded.

KHS Winter Sports Schedule Underway

By Noel Stollenwerk

KEWASKUM - The winter sports season is off and running, and several Kewaskum high school teams are in action this week.

The girls basketball team, fresh off winning its own Thanksgiving Holiday Tournament, has a pair of road games this week. After traveling to Kettle Moraine Lutheran on Tuesday, the Lady Indians will take the long trek to Two Rivers this Friday to play the highly-touted Purple Raiders. The KHS girls will remain away from home next week, as they travel to New Holstein (Tuesday) and Chilton (Thursday).

The Indian boys basketball team will have a chance to avenge its season-ending loss to Port Washington last year in the WIAA Regionals. The Indians will host the Pirates on Tuesday, before hitting the road on

Thursday (Lomira) and next Tuesday (Germantown). The KHS boys will return home next Friday, when they host Two Rivers in the Eastern Wisconsin Conference opener.

The KHS wrestlers will also get things rolling this week, taking part in a triple dual at Grafton on Tuesday. Campbell-sport and Brown Deer will also be participating. The Indian grapplers will then be at Cedar Grove on Thursday, before they open their home schedule hosting Chilton next Thursday.

Lady Indians to Rely on Defense, Speed

By Noel Stollenwerk

KEWASKUM - With just three letterwinners back from the 1992-93 squad that finished 14-8, the Kewaskum girls basketball team and coach Glenn Eichstedt will have its work cut out for them this season.

But with a couple of key contributors, along with a favorable schedule down the stretch, Eichstedt feels that this year's group can be a force.

"We collectively have enough talent to challenge the best teams on our schedule," the fifth-year coach pointed out. "Our inexperience will have to be overcome with intelligent team play. We'll have to play smart."

Eichstedt should get his usual intelligent play out of senior Ali Bruendl, whom he called "probably the smartest player I've coached, as far as knowing the game of basketball." Bruendl is one of three senior letterwinners on the squad, the others being guard Ginger Wiesner and center Missy Radtke.

Wiesner (5-7), who is reported to have several Division One colleges looking at her for her basketball skills, is the Indians' top returning scorer. Wiesner averaged eight points a game last year, when she was named to the Eastern Wisconsin Conference's second team.

Radtke (6-2), meanwhile, averaged nine rebounds a game last season, and "can be a dominant shot blocker and rebound-

er," according to Eichstedt. "Obviously, rebounding will be a key to utilizing our team speed."

"We will have to get significant contributions from some new varsity faces in order for us to be successful," Eichstedt added.

Among the top non-letterwinners battling for playing time will be senior Tricia Butschlick (5-6 guard), and juniors Missy Rohrer (5-9 guard), Mary Yahr (5-7 guard-forward), Andrea Bonlender (6-0 center); and sophomores Kelly Schreffler (5-8 guard-forward), Tanya Laubach (5-9, guard-forward), and Michelle Thull (5-7 guard). Also on the roster is foreign exchange student Patricia Leva (5-9 forward).

Each brings a certain attribute to the team, according to Eichstedt, who made the decision to promote the sophomores when he became concerned about the lack of numbers this year.

"They are doing a superb job of stepping in and contributing," Eichstedt said. "They are very capable (of competing at the varsity level)."

If the Indians can hold their own at the beginning of the season, Eichstedt thinks that the schedule will be favorable down the stretch. After opening with three home games (Slinger and two tournament games), KHS is on the road for four straight, including three in the EW.

Then, beginning with their December 21 matchup against

Kiel, the Indians will be home for nine of their final 13 regular season contests.

"If we can hold our own in December (on the road), we can be a real tough team," Eichstedt said. "As far as goals are concerned, we are emphasizing our own development as a team."

As far as favorites in the EW are concerned, Eichstedt looks to Two Rivers as the favorite. "They have a great inside-outside attack, and you have to respect that," Chilton, meanwhile, will have a tougher go of things after three straight conference titles, after losing Stacey Reimer to the University of Wisconsin basketball team.

Sheboygan Falls "should be at, or near the top" of the EW standings, according to the Indian boss. Kewaskum should be right behind, pushing the leaders.

Indians Breeze Past Redwings in Final

By Noel Stollenwerk

KEWASKUM - Kewaskum girls basketball coach preferred to call it an "unofficial" title. Nevertheless, it was a title.

The Lady Indians took advantage of some cold first-half shooting by the Sheboygan South reserves, and eventually breezed past the Redwings, 45-26, to win the 6th annual Indian Invitational championship here, Saturday night.

Eichstedt called it an unofficial title, because one of the teams that was scheduled to play in the tournament back out at the last second. That left KHS officials scrambling to find another team to play in the four-team field. Sheboygan South agreed to participate, although it sent only its varsity reserves to play.

Still, those reserves were good enough to handle Campbellsport, 41-37, in the semi-finals, thus earning them a shot at the Indians in Saturday's finals.

But the Indian defense set the tone in the first half, allowing the Redwings to shoot just 11% (4-34) from the field, as Kewaskum raced to a 25-10 halftime lead.

"I couldn't have been more pleased with our intensity," Eichstedt said of the effort. "Everyone was playing good,

steady, hard-nosed defense."

Offensively, the Indians spread it around, as five different players scored in the opening period. For the game, junior Missy Rohrer led all scorers with 12 points, while Mary Yahr added 10.

"We played real aggressively, and rebounded well," the KHS boss went on to say. "We did a good job of taking advantage of situations when they came up."

Leading the charge on the boards once again was senior Missy Radtke, who hauled in 13 rebounds, eight on the offensive end. That output gave Radtke 36 rebounds in the two-game tournament. Ali Bruendl added nine boards, giving her 24 for the tournament.

"They really didn't attack her as much (as Fond du Lac Springs did in the semi's)," Eichstedt noted, adding that he was happy with Radtke's seven

points as well. "We had a nice well-balanced effort. It was a total team effort."

Kim Hotz led the Redwings with eight points.

It was the second time that the Indians have won their own Invitational, the other occurring in 1989. The Indian JV team wasn't quite as successful in its tournament, as it lost its first game against FDL Springs, 33-27. The Indians came back to beat Lomira on Saturday, however, 40-20.

Blaze Orange Required for Hunting

Don't put that blaze orange away yet. The 1993 muzzle-loader season began Mon., Nov. 29 and will run through Sun., Dec. 5. All hunters except for goose hunters are required to wear blaze orange while hunting through this Sunday. This requirement does apply to bow hunters also for the first weekend of the last bow season. It requires that hunters have 50% of the clothing above the waist blaze orange in color which can include the hat. This rule has been in effect for about three years now but still a number of hunters forget to wear the blaze orange.

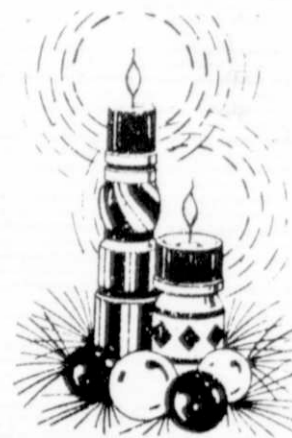

The gun kill in the area was up about 100 deer over last years total 359 in 1992 compared to 460 in 1993. This is the registration total at Dins and the Mauthe Lake Ranger Station.

One last reminder the appli-

cations for the Spring 1994 Turkey season are due by December 10th.

Lady Indians Win Holiday Tournament KHS 'Board' in Win Over Springs

Noel Stollenwerk

KEWASKUM - Some poor shooting led to some incredible rebounding totals in the contest between Kewaskum and Fond du Lac St. Mary's Springs in the semi-finals of the Indian Invitational here, last Friday night.

Fortunately, it was the Indians who took control of the boards, and that dominance helped lead them to a 41-34 victory over the Ledgers, sending them into the title contest against Sheboygan South's reserve team. South beat Campbellsport in the other semi-final, 41-37.

Both Kewaskum and Springs struggled from the floor the entire game. Despite shooting just 23% in the first half, the Indians were still able to cling to a 21-18 lead.

Neither team was able to gain much of an upper hand in the third quarter, and the KHS lead stood at three, 31-18, heading into the fourth.

That's where the Indians defense got tough. In fact, the entire second half the Lady Indians played great defense, limiting Springs to just 13% (6-44) shooting from the field.

"We played with a little more intensity," KHS coach Glenn Eichstedt said of the defensive effort.

The poor shooting by the Ledgers (21% for the game) led to many rebounding opportunities for Kewaskum. Senior

Missy Radtke didn't squander the moment, as she hauled down a career-high 23 boards, including 12 on the offensive end.

"She was just outstanding," Eichstedt said of Radtke, who chipped in nine points and seven blocked shots as well. "We really don't look for her to carry our offense very much. She's there to help on the boards and defensively, and that's just what she did."

In addition to Radtke's fantastic night, senior Ali Bruendl added 15 rebounds, while guards Ginger Wiesner and Missy Rohrer each added eight apiece. Wiesner also led the Indians with 10 points.

Eichstedt said the thing he was most pleased with was his team's hustle and conditioning. He said he read a pre-season preview of the Ledger team, where their coach said the team would never be outlasted. Eichstedt says that assertion was wrong.

"We did outlast them and outscrape them," he said proudly. At the end of the game, they were the ones dragging. That's what pleased me the most about this game."

Margaret Pesch led Springs with eight points, while Molly Hyland and Jenny Kneeland each had seven.

KHS Girls Drop Opener to Slinger

By Noel Stollenwerk

KEWASKUM - All it takes to win a basketball game is a spurt spread over a couple of minutes of action. The Kewaskum girls basketball team learned that lesson here, last Tuesday night in its season opener against Slinger.

The Owls went on a 15-4 run to close out the third period, including the final eight points of the quarter, and that proved to be the difference as the Owls went home with a 47-37 victory over the Lady Indians.

After Tricia Butschlick's shot gave the Indians a 23-21 advantage midway through the third period, Slinger shut the Indians down. The Owls spread the offense around in the third, meanwhile, and by the time it was over, Slinger had seized a 36-27 edge heading into the fourth.

"We didn't get much offensive production," KHS coach Glenn Eichstedt said of the output. "We came out tentatively there, and that hurt us quite a bit."

KHS never got within a half-dozen points in the final stanza, and didn't help themselves with their free throw shooting. The

Indians made just seven of 15 tries on the night, including four misses in the final period.

The shooting as a whole wasn't up to par, for either team. Kewaskum made just 28% (15-51) of its field goal attempts, with Slinger just a tad better (32%, 18-56). The Owls also struggled from the line, making 11 for the Indians, but no other KHS player had more than four points.

"We need to get more people involved in our offense," Eichstedt explained, although he wasn't overly concerned about the early-season setback. "We're still trying to determine our roles right now."

Jamie Spiel and Mary Wattenbach each scored 12 points to lead Slinger, while Tracey Roever led the Owls with eight rebounds. Ali Bruendl led the Indians with nine boards, while Missy Radtke chipped in six.
