Wolfenberg Resigns from School Board

By Noel Stollenwerk

KEWASKUM - The Kewaskum Board of Education is looking for an individual to fill the void left by Janet Wolfenberg, who resigned her spot effective after the meeting, last Monday night.

Wolfenberg informed District Administrator David Heather of her decision, citing her physical condition. Wolfenberg is expecting a baby. She has served as a member of the Board for the past four years.

"I'm looking forward to the

increased challenges of my growing family," Wolfenberg told fellow members, adding that in her present condition, she is not able "to serve the district."

"I just want to thank all of the individuals who elected me," Wolfenberg continued. "People often say that serving (as a public official) is a thankless job. I found it to be the opposite."

Board President Neal Weare accepted the resignation with regret, adding that he greatly appreciates the job Wolfenberg did as Building and Grounds Committee chairperson. Wolf-

enberg had a great amount of work in that function, as she oversaw the current plans for renovation and additions at the Middle and High Schools.

"We will truly miss you," Weare said, extending his thanks. Weare also presented Wolfenberg with a plaque extending the Board's appreciation.

The District plans on considering applicants for the job through ads in local newspapers. The Board will then consider prospective applicants until

Discussion Held on Village's New Building Acquisition

By Lana Harbeck Kuehl

A sparse audience was in attendance at a special meeting of the Kewaskum Village Board held in spite of a blustery snowstorm on Wednesday, January 5.

The meeting was held to discuss the fate and/or future of the village's latest acquisition, the former West Bend Savings Bank. The building, located at 114 Main Street, was formally purchased by the village when closing was held on December 30, 1993.

A portion of the building was vacated by the former owners, West Bend Savings Bank, when they moved into their newly-built quarters at 1052 Fond du Lac Avenue in Kewaskum on Monday, January 17.

The building also houses the McKenna Law Office (upstairs) and "A Cut Above the Rest" beauty salon (downstairs). The leases of these tenants will be honored by the Village, at least until they become due in August and September of this year.

A decision will be made prior to the time the leases become due on whether or not they will be renewed. It is hoped by that time a conclusion on the fate of the building will be decided upon.

Wednesday's meeting was a preliminary gathering of a meager handful of residents and Chamber of Commerce members to hopefully do "brainstorming" on the fate of the building.

The original idea behind the initial purchase of the building was for the village to acquire a property that would help alleviate a growing downtown parking problem on the west end of Main Street.

When the building came up for sale the village board jumped on "an offer they couldn't refuse," and the opportunity to acquire a possibility of 20-22 public parking spaces (there are 10 available there right now) at a very reasonable price.

Feasible suggestions made to the board prior to the meeting on how to best utilize the new acquisition included a senior community center; moving the Kewaskum library to that location; and also, joining the other landowners who are adjacent to that property for some other type of downtown development.

Trustee Dave Goeden said, "I think we need input from alot of the area businesses to see what they feel as far as what to do

with it, but also if we're going to turn it into a library for the expansion of both the municipal part here and the library itself, how much cost is going to be involved to put the handicapped accessible stuff in... along with taking down a wall and partitioning and doing all the remodeling."

Administrator Dan Schmidt explained the board had previously agreed not to proceed with further cost study until more input was received on what decision would be made on the building.

Chamber of Commerce President Lee Kempf asked if the village would be interested in leasing portions of the building and Trustee Tom McElhatton explained the board was advised by their attorney not to get involved in becoming "landlords."

McElhatton also added, "I guess what we're really looking for is direction from the people that have a stake in what's happening with the downtown area."

Chamber President Lee Kempf also asked the board, "if the village would be up to reselling the building again?" Trustee Gary Gavin said, in his personal opinion, that would be a viable option depending on the circumstances. However, it was stated that was not the general consensus of the board but they "would be more than open to looking at it to get new business in town."

Also discussed was the possibility of moving the police department instead of the library, but the idea was ruled out due to the fact the police department utilizes the municipal garage for the squad cars and shares a secretary and computers with the municipal office.

Administrator also shared another piece of information in that SEWRPC (Southeast Wisconsin Regional Planning Commission) recently did a land use plan for the Kewaskum area. Kewaskum's projected population was expected to realize intermediate growth. (The study shows high growth, intermediate growth and low growth). Intermediate growth means by the year 2010 Kewaskum would realize a population of 4,060. However, according to Schmidt, "At the rate we have grown since 1990, we're going to

'Ask and You Shall Receive'

Wayne 4-H Club, Others Send Care Bags to Bosnian Orphans

4-H club members and residents of Mapledale Manor preparing the "care-bags."

"Ask and you shall receive." That may be the new motto of the Wayne Crusaders 4-H Club, who with the help of area business people, families and friends, undertook a huge humanitarian project to aid Bosnian orphans.

Recent articles written about a Whitefish Bay nurse, Jeanne McCue, who had undertaken a one-woman relief effort, spurred the interest of co-leader, Carol Oelhafen, of the Wayne Crusaders. There was a need in this war-torn country and someone with absolutely no reason, went out and is trying to make a difference. "This got my attention and tugged at my heart," stated Oelhafen. "I think I

would like to get involved, and see if we could help."

With the assistance of fellow co-leader, Marie Ritger, the word went out to the membership. Items collected included, washcloths, combs, shampoo, toothbrushes, toothpaste, tissues, mouthwash, soaps, childrens socks and slippers and hard candy. Childrens medication (cough syrup and fever reducers) were also collected. "Families, friends and business people were there for us," stated Oelhafen. "We could have never done this enormous project with out lots of outside help."

Thanks to the generosity of the area snowmobile club, the Kohlsville Kruisers, \$200 was

donated toward the cost of mailing.

Getting all the items organized and packed became another order of business, and with the assistance of fellow leader, Marilyn Brath, residents of Mapledale Manor in Kewaskum assembled the products into "Caring Bags."

Banding, shipping and delivery of all the little things that we take for granted and use every day will be taking place this week. Mrs. McCue leaves for her fifth trip to Bosnia on January 27. Upon her return she will be back with the Wayne Crusaders to show the results of their efforts.

State Patrol Law of the Month: Driving with Windows Obstructed By Snow, Frost or Fog is Illegal

You've seen them out there, weaving in their lanes as they try to wend their way slowly down the street struggling to see where they are going.

They're the drivers that didn't take the time to scrape all the snow and ice off their windshields before they nearly blindly made their way into traffic. Their only view of the road is through a small spot on their windshield. They drive totally oblivious to what's going on behind or to either side of their vehicle. It's not unlike trying to drive a submarine down the highway using only the periscope for vision.

Trooper Joan German, Resident Liaison Trooper in Washington County for the Wisconsin State Patrol says it's not only dangerous to drive that way, it's illegal. "According to state statutes, it is illegal to drive a vehicle unless the wind-

shield and side and rear windows are kept clear of obstructions, and that includes such things as snow, ice, and the fog that forms on the inside of your windows," Trooper German said.

"Unless you have clear vision all around, you are not only courting a traffic citation, you are also in danger of being involved in an accident because you can't see clearly enough. Because of the snow on the windshield, many motorists pull out into intersecting traffic without getting a clear vision of whether or not any traffic is approaching."

In 1992, 1,612 motorists were cited for driving with obstructed vision, which includes windows covered with ice, snow or fog. Trooper German said motorists who are cited for driving with obstructed windows face a fine ranging from \$20 to \$40 plus court costs for a first offense, and \$50 to \$100 plus court costs for a second and subsequent offenses.

Star Cablevision Has Good News, Bad News

The good news: Star Cablevision customers will see new programming services added next month.

New additions include C-SPAN 2, EWTN, ESPN 2, SCI FI, CARTOON, and COURT TV. Going from part time to full time are BRAVO, The Learning Channel, Nostalgia and Home Shopping Network.

The bad news: Star Cablevision customers will experience cable outages beginning next week. The outages will occur Monday through Friday from 8 a.m. to 4 p.m. The outages are necessary for the change out of electronics for the addition of channels.

Field work is being done by Phoenix Construction and Star Technicians from Fond du Lac, Sheboygan and West Bend. The target for completion is January 31, 1994.

Star Cablevision serves 10,478 in Washington County.

Common sense in an uncommon degree is what the world calls wisdom.

Letters to The Editor

To the Editor:

First, a thank you to Neal Weare, for his letter in last week's "Statesman" giving Kewaskum school district residents the history of the steering committee and the 1 1/2 years of study and planning leading up to the building referendum.

This week the committee would like to address what role the auditorium plays in the referendum plan. Currently, Rose Hall, built in 1957 as a gymnasium and stage, serves as the performance area for bands, chorus, choir, plays and school and community speakers and programs. It also serves as the auxiliary gym for gymnastics, basketball, and indoor practices and as an overflow cafeteria for KHS lunch hours. The proposed cafeteria increase in the building plan would end the cafeteria function of Rose Hall, allowing intramural sports to be played over the noon hour.

Obsolete lighting and sound systems, inadequate sized stage and backstage areas, lack of acoustics in the gymnasium and limited visibility because of floor seating, as well as scheduling conflicts can all be addressed by taking the performance function out of Rose Hall and maximizing its gymnasium function. A new, 700 seat acoustically designed auditorium, will serve all district K-12 vocal and instrumental performance needs, school plays and musicals, all-school assemblies, teacher inservices, other inservices such as freshmen parent orientation, and allow for the development of fine arts. In addition to school use, an auditorium could be used by senior citizens, businesses, community groups, churches and youth groups from throughout the Kewaskum school district.

Having an auditorium also directly benefits other areas of the school. The stage and band area will be used for an enlarged art department, including art classroom. This area is ade-

quately sized, offers north-facing windows and direct ventilation to the outside. Moving the art and guidance areas opens four needed classrooms in the core curriculum area of the school.

The auditorium is an integral part of the overall building plan which offers increased opportunities for our schools and district residents.

Kewaskum School District
Referendum Steering
Committee

Dear Editor,

We, as members of the Kewaskum School District, are concerned about the overcrowding in our district's schools. The Middle School is not the only building that is overcrowded. Farmington is also crowded. Speech, Reading, and Chapter 1 are all held in small rooms which were used in the past for storage. These rooms are small, and in some cases so not meet D.P.I. standards of having 35 sq. ft. per occupant of special needs rooms. The ventilation in these rooms is poor and noise in the halls require the doors to be closed. And, isn't it true that there has been some discussion in the past about adding on to Farmington and also building a storage shed here due to the limited space? It is a shame that with all this overcrowding, Beechwood School is still standing empty. Every year this school stands empty it is losing money for the district. We feel it is time to utilize it.

There are several ways Beechwood could be used. Possibly, one to two grade levels could be housed here from the combined Beechwood/Farmington area. This would give us four classrooms and two extra rooms that could be used for art, music, special needs, etc. By doing this, much needed space would be freed up in Farmington. The remaining grades at

Farmington would have ample room. Our special needs classes could come out of the closets. The storage and computer lab could expand. Having different grades at different schools has been done here in the past and has worked well.

We do understand that there would be some costs involved in opening Beechwood, but we do have some suggestions for keeping costs to a minimum. Have a teaching principal to eliminate the cost of a separate principal. Utilize some of the items already in the district that are not being used elsewhere. Bring books, desks, and teachers with the students since they already have these at Farmington. Bring computers with those classes moved, since many already have their own. Ship the meals in from a different district school. This would decrease the cost of refurbishing the kitchen and of having someone prepare and serve the food.

Another alternative, of course, is to open the school for all of the elementary school aged children of the Beechwood area. Desks, books, and some computers could again come with the children since they do have these items with them at Farmington now. In some cases, teachers may be able to come with them since class sizes at Farmington may be decreased enough to allow fewer classes there. Of course this may require changing some boundary lines, but again, this has been done in the past.

Opening Beechwood School would also offer an alternative if Kewaskum Elementary experiences overcrowding since boundary lines could be changed and some children could be accepted into a less crowded school in the district.

As you know, the people of Beechwood would like to see Beechwood School open, whether it is for one grade or six. A school gives life to a community in a way that nothing else can. It unifies the peo-

ple supporting it. It increases property values. It brings new homes and families to the community. It nurtures the local children.

We all know about the addition to the middle and high school that is being proposed to solve their overcrowding problems. But, let's not forget about our younger children who are also overcrowded. Education at this level is just as important! The cost of opening Beechwood School is very minimal in comparison to the proposed addition.

VILLAGE RESIDENTS

The Kewaskum Fire Department has requested the Village Board to change the traditional July 3rd fireworks to the opening night of the Kewaskum Firemen's Picnic. Before the Board makes a decision on January 24, board members would like to know the feeling of the taxpayers, who fund the annual fireworks, on this matter. Please vote below and mail your response by January 21, 1994, to:

VILLAGE OF KEWASKUM

January 28, and then hopes to make a decision as quickly as possible.

In another matter, Dr. Heather told Board member John Schulte that Surgeon General Jocelyn Elders has declined to speak at the Wisconsin Association of School Boards convention this month.

Schulte had brought the matter before the Board at its last meeting, saying that he felt that Elders has several controversial views, and that she may not be the best candidate to speak at the meetings. Schulte urged other members of the Board to join him in writing the WASB to show their disapproval of the selection.

After learning that the WASB has now scheduled Lynda Worthheimer, host of National Public Radio's "All

Things Considered," Schulte still was interested on having his letter sent.

"It doesn't hurt to voice our opinion," Schulte told fellow Board members. "I don't think the people who decide who speaks are making good choices."

Ruth Schmitt, however, disagreed with sending a letter, saying, "We cannot act as a body of censorship. We have the choice of whether or not we want to go and hear her speak. So long as the choice is there, we should not interfere."

Ron Beimbom agreed, noting, "I don't think it (sending a letter) is an appropriate role for us to play. It's tough to come to a consensus (as to who should speak)."

It was then agreed that Schulte could send a letter, but that the entire board would not be represented by it. Those members who wanted to do so could sign the letter.

exceed the high growth."

After much discussion and input from the board and those in attendance, it was decided the village and the Kewaskum Area Chamber of Commerce would form a committee for now and work together to begin some type of downtown renovation of which the new "central village complex" might become an integral part.

Village President Robert Wagner agreed to attend the next Chamber of Commerce meeting to address the Chamber members and hopefully to help organize a committee of village board members and Chamber members to work on the downtown renovation possibility and the idea of luring new businesses into Kewaskum.

Until some of these issues are resolved, it is futile to try and decide the immediate future of the central village complex. With the board and chamber working together much more information will be forthcoming.

Repetitive Motion Injuries Will be Focus Of Hospital Program

West Bend - St. Joseph's Community Hospital's health promotion department will sponsor a program on "Repetitive Motion Syndrome" to be held Tuesday, February 3 at 7 p.m. in the hospital's 4 east conference room.

The program will be presented by Pat Waters, registered occupational therapist, who is affiliated with the hospital's work hardening program.

Waters will provide information on why repetitive motion injuries are on the rise and what can be done to decrease the stress of repetitive movements that lead to injuries such as carpal tunnel syndrome, tendonitis, etc.

The program is free of charge and a community service of St. Joseph's Community Hospital.

To register or for more information, call the hospital's health promotion office at 334-8268. The registration deadline is Thursday, January 26.

KEWASKUM NEWS NOTES

The Village of Kewaskum's Snow Emergency Response.

Facts: The Village has four pieces of equipment used for snow removal. Three dump trucks with snow plows (one has a wing) and a front end loader with a bucket blade and wing. Totally the Village maintains an estimated 11.5 miles of streets, plus two parking lanes on both Main Street (S1H 28) and Fond du Lac Avenue (USH 45) equalling another 2 miles of streets. The Village does maintain 5 parking lots, plus access to all Village facilities.

The normal street requires four passes to be made by the snowplow, with the exception of the plow with the wing, it takes two. To achieve the fastest and most effective snow removal process the Village is divided into basically three areas. The three areas are as follows:

- I. The southwestern portion and south central portion of the Village.
- II. The north central portion and eastern portion of the Village.
- III. The western portion of the Village.

Each snowplow covers their designated area, and average snow removal makes an estimated 31 miles. It should be noted that certain areas can not be cleaned with a snowplow, so the front end loader covers those situations in all areas. Some of those areas are specific intersections, cul de sacs and alleys.

The systematic routine is for the removal of snow from the streets, firehouse/municipal building, alleys, municipal parking lots/utilities and municipal sidewalks. This is then followed up by any snow removal and hauling, which again is handled in a systematic manner.

The Department of Public Works tries hard not to discharge any more than mandated by the storm in anyone's driveway. The Department of Public Works also tries hard not to do damage to any personal property. It should be noted, however, the Department of Public works is not responsible for the removal of snow to provide adequate access for mail delivery by shoveling or plowing out any mail box or cluster mail box.

Private contractors are requested to remove snow in a safe manner, not depositing the snow from one property onto another or on to the street. No person shall cause to be deposited snow from one premises or sidewalk abutting thereon any street in the Village without a permit from the Director of Public Works, who may require to be paid a fee sufficient to reimburse the Village for the cost of removal of such snow.

As for such ordinance of the Kewaskum Municipal Code Chapter 8.09 (1) (2) & (3) and all ordinances, a penalty is also provided for in Chapter 25.04 of this Municipal Code.

Town of Kewaskum Board Meets In Spite of the Cold

By Louise Martin

Board members of the Town of Kewaskum braved the cold to attend and address business matters at their monthly meeting held on Monday, January 17, at the Kewaskum Town Hall.

The first item before the board was the preliminary development of a recycling ordinance as required by the DNR. Upon further review an ordinance will be adopted by the board by April, 1994.

Sunburst Ski Hill requested and was granted permission for their annual fireworks display set for February 6th. Likewise, the Gehl Company of West Bend, received permission to rent the town hall and shop for a training session on equipment service for approximately 50 of their service people.

The next board meeting will be held on Monday, February 21, at the Kewaskum Town

Hall, hopefully under warmer weather conditions.

Oscar W. Krueger, 72, of Kewaskum was rushed to St. Joseph's Hospital in West Bend on Saturday in the firemen's ambulance when he suffered an apparent stroke and collapsed at the wheel of his car. Krueger was headed east on Elm Street, which is a deadend street. Evidently he was on his way home which is the last house on the left side of the street. Krueger's car kept moving through the deadend and climbed a 10-foot embankment on which are located the Chicago and Northwestern railway tracks. The auto continued almost to the top of the steep embankment and came to a halt almost at the top. Apparently when Krueger suffered the stroke, his foot remained on the gas pedal as the rear wheels of the car continued to spin and his tires dug into the embankment. The left rear tire started to burn and a nearby resident, seeing the smoke, ran to the spot with a hand extinguisher and put out the blaze. Police and the firemen's rescue squad were called by a neighbor and the ambulance was rushed to the scene.

All Republican candidates for national, state and county offices, except Jerris Leonard who lost out to Senator Gaylord Nelson, in the contest for U.S. Senator from Wisconsin, won over their opponents in Tuesday's General Election. A record of 807 ballots were cast in the Village of Kewaskum. This is 35 votes more than the previous record of 772 set in the last Presidential Election in 1964.

November 15, 1968

Drivers of both vehicles were injured in a fiery crash between a Kewaskum school bus and a panel truck Wednesday, where Sandy Ridge Road crosses CTH. H, one mile south of Kewaskum. Both vehicles burst into flames following the crash. According to authorities, the bus owned by Baumann Bus Service of Campbellsport and driven by Mrs. Theresa Oelhafen of Allenton apparently stopped for the intersection and then pulled out from the stop sign in the path of the approaching panel truck, driven by a Milwaukee man, westbound on CTH H. The truck struck the bus on the right front side, puncturing the gas tank and causing gasoline to leak out. Gasoline also seeped out of the carburetor of the truck and both vehicles caught fire. The truck stayed on the highway at the intersection, but the bus left the road on the right side and continued on into a field before being halted. The Kewaskum Fire Department and ambulance were summoned and rushed to the scene. When firemen arrived, Roger Schmitt, a member of the department, who had been passing near the scene, already had most of the flames extinguished with a hand extinguisher, but the truck motor was still burning and firemen fin-

ished the job. Luckily Schmitt and others in the area reached the scene as soon as they did as gas was seeping from the carburetor and the entire truck might have burst into flames in moments with the driver trapped inside.

The board of directors of the Bank of Kewaskum named James D. Reigle as its president on November 7. He succeeds Burns R. Nelthorpe, who passed away recently. Reigle also serves as president of Regal Ware Inc., a Kewaskum based cookware firm. Founded in 1904, the Bank of Kewaskum was first headed by Adolph Rosenheimer, who was succeeded by his son, M.W. Rosenheimer. The latter maintained the top post until February of 1966 when his son-in-law, Burns R. Nelthorpe, was made president. Rosenheimer continued his banking activities by serving as chairman of the board until his death in August of 1967.

SENIORS on the honor roll for the first nine weeks period at Kewaskum High School are: Patricia Amerling, Robert Backhaus, Marjorie Beimborn, Nancy Bullette, Emajean Coulter, Jerry Engleiter, Robert Etta, Ann Graff, Kathryn Hansen, Maxine Lund, Douglas Rinzel, Jean Schaefer, Jeffrey Schleif, Joan Schoofs, Larry Schultz, Karen Secor, Daniel Stoffel, Mary Strobel, Linda Theisen, Lee Theusch, Sue Thull, Ellen Waters, Sharon Weinand, Susan Wichtoski, and Suelen Reigle.

A son was born to Mr. and Mrs. Robert Schultz, Kewaskum, on November 7.

The St. Lucas Evangelical Lutheran Church held its annual meeting Sunday afternoon in the parish school hall. Officers for the coming year were elected. August Bilo Sr. was elected president of the church council, succeeding Fred Belger Sr. Other officers are Alfred Seefeldt, treasurer; Norton Koerble, secretary; William Techtman Sr. and Paul Belger, trustees; Christian Backhaus and John Etta, school committee; Otto Backhaus, William Schultz and Marvin Martin, cemetery committee.

Lehman L. Rosenheimer, son of Mr. and Mrs. L.P. Rosenheimer, who is director of flying at the Carlsbad Army Air Base, Carlsbad, New Mexico, was advanced from captain to the rank of major the past week. He is the first young man from Kewaskum to receive this rank.

Staff Sgt. Howard Schmidt, son of the George H. Schmidts, who is with the signal corps somewhere in China, has been transferred to a different part of that country according to word received by his parents the past week.

Only about three weeks ago, Pvt. Frederick Buss, member of an alert crew at base flight, Paine Field, Washington, qualified as a marksman with a

.22 caliber rifle. Now, word comes from the public relations officer there, that he has qualified as a sharpshooter, entitling him to wear an appropriate silver badge with a bar denoting the arm. Pvt. Buss, son of Mr. and Mrs. Fred Buss, has been in the army air corps since June 18, 1942. The next step is expert and men qualifying with the bayonet are rated as experts only.

First Sergeant Adolph Meinecke, son of Mr. and Mrs. Carl Meinecke, Sr. of this village, arrived home Sunday evening on a three day furlough from Camp Lee, Virginia. Sgt. Meinecke enlisted in the U.S. Army on May 4, 1914. Soon after his enlistment, he was sent to the Mexican border, where he was among those who crossed with General Pershing into Mexico to capture Villa. Here he served until the war broke out with Germany when he went across the Atlantic with Pershing's first seventy thousand. He arrived in France in June, 1917. Shortly after his arrival in France, he entered the first line trenches, where he took part in battle on Hill 46, in which he was gassed. In October, 1917, he was sent home on the Antilles, which was torpedoed and sunk. Sgt. Meinecke, in attempting to save his life, jumped into the water, and caught hold of a floating raft. He remained in the water four and a half hours when he was picked up by a patrol boat and taken back to Brest, where he remained for four days. During the time that Mr. Meinecke was in the water he was hit on the left leg by a piece of timber, which tore a large hole into the limb above the knee, from which he is still suffering. From Brest, he was taken to Nazaire for two months, when he was again sent home on the George Washington. This time he landed safely on the American shore in January of 1918. Immediately after landing he was taken to a hospital in Newport News, Virginia, for six months and was then sent to Camp Lee, Virginia where he was assigned the responsible position of First Sergeant. In an interview Sgt. Meinecke said the only ones left from his company at the end of the four battles was himself and the captain, both of whom are now at Camp Lee, Virginia.

Another gold star has been added to the service banner of the St. Michael's congregation. It is there in honor of the supreme sacrifice of his life which Private William J. Schneider has brought for the defense of his country. Mr. and Mrs. Nick Schneider of St. Michaels received the official report from Washington last Saturday, January 4, that their son, William Joseph, had been killed in action October 13th. A previous report had been received December 6th stated that William was missing in action since October 12th. Great had been the anxiety of the family, but nevertheless they had lived in hope that their son

would return.

Mrs. M. K. Beisbier, prominent citizen of the village of Campbellsport, received a telegram stating that her husband, M.K. Beisbier has landed safely in New York. Mr. Beisbier is with the 333rd Field Artillery, which is part of the Blackhawk Division. He was the senior partner of the firm Beisbier & Jaeger, general merchants of Campbellsport and left with a contingent last summer for Camp Grant. Mr. Beisbier stated that his company will be transferred to Camp Grant for demobilization at once.

Theodore H. Roosevelt, Ex-President of the United States, died at his home at Sagamore Hill, Oyster Bay, January 6, 1919. Cause of his death being pulmonary embolism or a clot of blood which detached from a vein and entered the lungs obstructing the circulation of the blood.

At a meeting of the American distillers held at Chicago this week, the wets have planned to fight both the constitutional amendment, now ratified by nineteen states, as well as the war time prohibition rule preventing sale of liquor after July 1. The distillers fight will be based in part on the claim that the right of local self government is threatened.

John Day, a fireman on the Soo Line, was badly bruised about the chest on Monday morning when he was struck by an engine, between Allenton and Theresa, while he was at work on his engine. Mr. Day was immediately taken to St. Agnes Hospital at Fond du Lac, where he was given medical attention.

When the temperature dips into the double digits below zero, starting a car can be a particularly difficult challenge. Hard starting is a common winter-driving bane, according to George Lade, manager of the Approved Auto Repair program for the Wisconsin Division of the American Automobile Association. A few simple tips can maximize the chances of getting a vehicle started, even on the coldest days.

"First, reread your vehicle's owner's manual," Lade said. "Familiarize yourself with the starting procedure recommended by your car's manufacturer. Most newer model cars are fuel-injected and require different starting procedures from those that many motorists practiced with carbureted vehicles." Lade suggests these steps for starting many vehicles in cold weather:

*Set the parking brake and make sure all accessories (heater, radio, lights, etc.) are

turned off.

*In a car with an automatic transmission, put the car in "park" or "neutral." In a car with a manual transmission, depress the clutch fully and put the car in neutral.

*In a carbureted car, press the accelerator to the floor, release it and turn the ignition key. In a fuel-injected car, do not press or pump the accelerator. Simply turn the ignition key. Do not grind the starter for more than 20 seconds.

*If the vehicle is fuel injected and doesn't start, check the owner's manual for further instructions.

*If the vehicle is carbureted and doesn't start, release the key, wait two minutes, and try again. If you smell gasoline, it means you've flooded the engine. Shut off the ignition and wait a full minute. Then while depressing the accelerator all the way to the floor, turn the key and crank the starter for up

to 20 to 30 seconds, but no longer. Don't pump the accelerator while turning the starter.

*Once you've started the engine, warm it up by driving slowly for the first few minutes. Racing a cold engine... before lubricants are flowing... causes severe engine wear. Idling an engine to warm it up wastes gas, can damage the catalytic converter and actually slows down the warming-up process.

"Never warm the car in a garage whether closed or open," cautioned Lade. "Carbon monoxide fumes in the exhaust could be lethal to occupants in the car, garage or attached structures."

Finally, Lade notes that even the best starting procedure can't be expected to start a car if the battery isn't fully charged, the oil isn't the proper viscosity and the engine is out-of-tune. Regular vehicle maintenance is the best defense against winter's ravages.

Girl Scout Cookie Sale

The Wau-Bun Girl Scout Council's annual cookie sale takes place from January 14 through January 23, 1994. It's theme, "We've Got It Together," gives girls a positive message about setting goals and working together as a team.

The Girl Scout Cookie Sale is a program activity for girls which helps them develop communication, decision making and planning skills.

Proceeds from the sale support individual troop activities as well as camp maintenance and repair, training for adult volunteers and development of new programs for girls.

As in past years, Wau-Bun Girl Scout Council will offer seven different varieties of cookies. 1994 will feature a new cookie called the JULIETTE. It is a delightful crunchy combination of caramel and pecan, with a fudgy chocolate coating.

Other standard yearly offerings include the ever popular THIN MINT, a thin wafer covered with a smooth cocoa-coating, and flavored with natural peppermint; CHALET CREMES, a lemon and vanilla assortment; SAMOAS, a tender vanilla cookie covered with caramel on top and bottom, rolled in coconut, and striped with a rich cocoa coating; DO-SI-DO's, a crisp and crunchy oatmeal cookie with a creamy peanut butter filling; TAGALONGS, a vanilla cookie topped with a luscious chocolate coating, and TREFOILS, a delicate shortbread made with a touch of butter and eggs.

All Girl Scout cookies contain no preservatives, no artificial colors, are made with 100% vegetable shortening, and cost \$2.50 per box.

To place an order or for more information, call the Wau-Bun Girl Scout Council at 921-8540. Wau-Bun Girl Scout Council serves Fond du Lac and Green Lake counties, and areas of Washington, Dodge and Waushara Counties and is an agency member of The United Way.

Super Saturday Of Basketball

A special schedule of basketball will take place on Super Saturday, January 22.

First the Saturday Shooters and Slammers Basketball Program will take place from 9 to 10:30 a.m. for 4th thru 6th grade with shooting mechanics. First thru third grade will have passing and dribbling from 10:30 a.m. to 12 noon.

In the afternoon, the Eastern Wisconsin Conference girls basketball game will be held when the undefeated Raiders of Two Rivers (6-0) will challenge the Indians (2-4). The frosh and JV games will be held from 1 to 2:30 p.m. and the varsity game will be held from 2:30 to 4 p.m. All three games will be played at Kewaskum High School.

Any and all area elementary

school students will be admitted free if they are accompanied by one paid adult to any of the girls basketball games as guests as part of the annual "Elementary School Day."

Participants in the morning program are welcome to attend the girls games and post-game autograph sessions if they are accompanied by their parent(s) or guardian(s). All elementary school students in the Kewaskum School District will receive free complimentary tickets to Saturday's games.

Please contact Coach Glenn Eichstedt at 626-2166 (KHIS) if you have any questions or concerns in respect to Saturday's activities.

Students do not need to be from Kewaskum schools in order to take advantage of this Super Saturday Special Schedule.

Small Business Counseling Offered

Are you the owner of a new small business or planning to start one? If so, did you know that you can have up to 90 minutes of FREE and confidential business counseling? Yes, this service is offered to you by UW-Extension in cooperation with the Small Business Development Center.

You can schedule an appointment with Area Business Agent Chuck Wise, at UW-Washington County, 335-5204. This could be your opportunity to have those questions answered that you've been wanting to ask, but didn't know where to begin, such as: what kind of government forms will I need? How and where do I get a Seller's Permit? Do I have to collect taxes and how? Should I maintain a sole proprietorship, or should I consider a partnership or incorporate? How can I determine if a business I'm considering is worth the asking price? Would I, or should I be able to do my own bookkeeping? How would I write up a business plan of financial projection? Where are there small business entrepreneur-friendly lending institutions or programs? Will I need the services of a professional, such as a lawyer, CPA or insurance broker?

If you need any of these questions answered or have some of your own, call 335-5204. Appointments are now being scheduled for Tuesday, January 25 at 9, 10:30, 2 or 3:30 at the University, 400 University Drive, West Bend.

Family Center Presents Robbie Clement Feb. 12

Robbie Clement is a gifted family entertainer with a knack for warming the hearts and tickling the funny bones of young and old alike.

Robbie's concerts are a dynamic combination of music, comedy and storytelling, with music and audience accompaniment. Parents appreciate his thoughtful brand of creative silliness and are delighted with his positive, up beat songs and stories. Children treat him like a modern-day pied piper.

Join us on Feb. 12, during "Celebrate Families Week", for this fun-filled concert. FREE tickets for the 10:30 a.m. and 1:00 p.m. shows can be obtained by calling the Family Center, 338-9461. CALL EARLY, TICKETS WILL GO FAST!!

College Students Share Experiences With KHS Juniors and Seniors

On Thursday, January 6, college bound juniors and seniors had a unique opportunity to participate in a panel and small group discussion with current college students who are Kewaskum High School graduates.

The panel had interesting and pertinent information to share with students about the college admission process, dorm life, scholarships, loans and adjusting to life away from home.

The five panel members represented four schools from around the state. Jean Turner, UW Whitewater, Chad Harlow, UW Stevens Point, Jenefer Van Assche, St. Norbert College in DePere, and Patrick McFadden, Chad Cook and Sheldon Oppermann, all of UW Milwaukee.

The panel was in agreement that college was "lots of work, and much different than they imagined." "Learn how to manage your time" was Jean Turner's advice, echoed by several others. "Get involved and make the most of your opportunities," said sophomore architecture student Sheldon Oppermann.

This is the third year this event has been offered to juniors and seniors and it is part of the district's gifted and talented education program.

County Separated, Divorced to Meet

Washington County Separated and Divorced Men and Women Support Group meet every Friday evening at Sacred Heart Church in Allenton, from 7:30 to 9:30 p.m.

The purpose of the meeting is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and activities.

This group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

On Friday, January 21, the "New Horizons Panel" will be presented.

"Taxes and You" by Attorney Larry Ehren will be the topic on Friday, January 28. Ehren will also answer questions on Financial Aid.

Senior Citizen Bingo Sunday

The annual Senior Citizens Bingo, sponsored by the Kewaskum High School Student Council, will be held Sunday, January 23, in the high school cafeteria beginning at 12 noon.

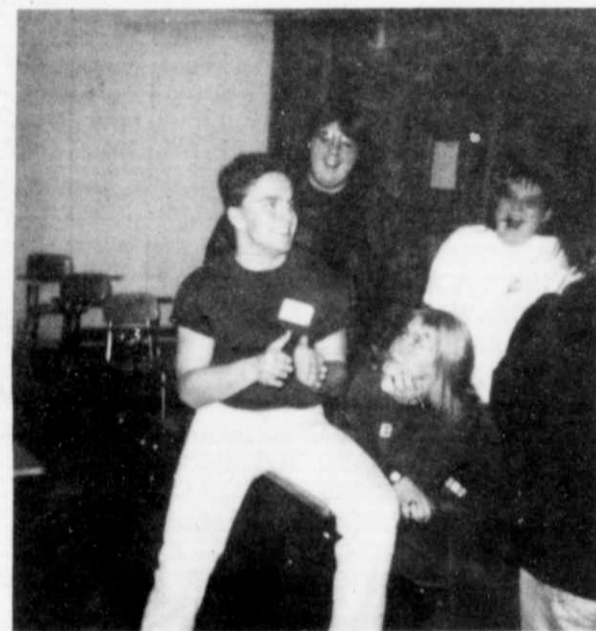

Lunch will be served.

Chad Cook, front, and Pat McFadden talk with students about classes at UW-M.

Chad Harlow, UW-Stevens Point freshman, answers questions about dorm life.

Sheldon Oppermann, a UW-Milwaukee sophomore talks to KHS students about college life.

Jean Turner, freshman at UW-Whitewater, shares her college experiences with high school juniors and seniors at KHS.

Moraine Park PACE Project Beginning Its Fifth Year

For the fifth year, Moraine Park Technical college, West Bend Campus, is recruiting men and women without high school diplomas for the Parent and Child Education (PACE) project.

Parents, 18 years of age and over, attend classes to earn high school equivalency diplomas, while their preschool children participate in West Bend schools and/or the on-site early childhood program. A parent support time is part of the project, as well as parent-child activities. Classes meet on Tuesdays and Thursdays from 8:30 a.m. to 2:30 p.m. at the

Moraine Park Annex, 1710 E. Washington, West Bend.

Numerous research studies conclude that educational achievement of children is more closely linked to the family's educational attainment and economic status than to any other variable. In addition, most of the new jobs in the 90's require not only high school but also some post-secondary training.

For more information about this free Parent and Child Education project, funded by a state Basic Skills grant and Moraine Park, contact Claire Ciha, 2151 N. Main St., West Bend, or call 335-5707.

Dr. William Nielsen Retires

Dr. William A. Nielsen, a family physician for more than 47 years in West Bend, retired on December 31, 1993. Dr. Nielsen has practiced medicine with the General Clinic of West Bend for all but two years of his professional life.

Nielsen was born and raised in West Bend. He graduated from the University of Wisconsin-Madison and the University of Wisconsin Medical School. He interned at Germantown Hospital and Dispensary in Philadelphia.

In 1948 he became the first physician to join the original three founders of the General Clinic. In 1961, the General Clinic moved from 5th Avenue to a new facility on 17th Avenue, then in the outskirts of West Bend.

After a number of expansions at the 17th Avenue location, a new clinic was built in 1989 on Valley Avenue in West Bend. Dr. Nielsen is a senior member of the medical staff of the clinic, that employs more than 100.

Dr. Nielsen was the Health Officer for the City of West Bend from 1955 to 1981. He also was the team physician for

West Bend High School for 25 years, and earned the Wisconsin Athletic Directors Association's Distinguished Service Award.

He is a member of the Washington County Medical Society, the State of Wisconsin Medical Society and the American Medical Society. He has held offices in the county society, and has served nine years on the board of directors of the state medical society, including three years on the executive committee. His efforts earned him the state medical society's Meritorious Service Award in 1984. He is a Chartered Fellow of the American Academy of Family Physicians.

He is also past president of the Washington County Medical Society and past president of the medical staff at St. Joseph's Hospital in West Bend. He is also on the staff at Cedar Lake Home.

Nielsen and his wife Margaret will remain in West Bend and continue to be involved in community activities.

BIRTHDAY MEMORY

In loving memory of Geraldine (Geri) Gavin, on her birthday, Jan. 20.

A million times we've thought of you.

A million times we've cried. If love alone would have saved you

You never would have died. In life we loved you dearly. In death we love you still. In our hearts you hold a place. No one else can ever fill. It broke our hearts to lose you. But you didn't go alone. For part of us went with you. The day God called you home.

Sadly missed and loved by Mom, Dad and Family

RESOLUTION 94-1
STATE TRUST FUND LOAN FOR THE PURPOSE
OF VILLAGE PUBLIC IMPROVEMENTS
AND THE REFINANCING OF PUBLIC DEBT

FORM OF RECORD

The following preamble and resolutions were presented by Trustee Gary Gavin and were read to the meeting.

By the provisions of Sec. 67.12 (12) of the Wisconsin Statutes, all municipalities may borrow money for such purposes in the manner prescribed, and,

By the provisions of Chapter 24 of the Wisconsin Statutes, The Board of Commissioners of Public Lands of Wisconsin is authorized to make loans from the State Trust Funds to municipalities for such purposes. (Municipality as defined by Sec. 24.60(2), Wisconsin Statutes, means a town, village, city, county, public inland lake protection and rehabilitation district, town sanitary district created under s. 60.71 or 60.72, metropolitan sewerage district created under s. 66.22 or 66.882, joint sewerage system created under s. 144.07 (4), school district or vocational, technical and adult education district.)

THEREFORE, BE IT RESOLVED, that the Village of Kewaskum in the County of Washington, Wisconsin, borrow from the Trust Funds of the State of Wisconsin, the sum of Three Hundred Seventy-Two Thousand Six Hundred Two Dollars & 13/100 (\$372,602.13) for the purpose of purchasing a Fire Department equipment truck (\$120,000.00) and for the purpose of refinancing State Trust Fund loans #3486486.9003 & #3486486.9004 (\$252,602.13) and for no other purpose.

The loan is to be payable within five (5) years from the 15th day of March preceding the date the loan is made. The loan will be repaid in annual principal installments with interest at the rate of 3.75 percent per annum from the date of making the loan to the 15th day of March next and thereafter annually as provided by law.

RESOLVED FURTHER, that there shall be raised and there is levied upon all taxable property, within the Village of Kewaskum, in the County of Washington, Wisconsin, a direct annual tax for the purpose of paying interest and principal on the loan as they become due.

RESOLVED FURTHER, that no money obtained by the Village of Kewaskum by such loan from the state be applied or paid out for any purpose except in purchasing the Fire Department equipment truck and refinancing State Trust Fund loans #3486486.9003 and #3486486.9004 without the consent of the Board of Commissioners of Public Lands.

RESOLVED FURTHER, that in case the Board of Commissioners of Public Lands agrees to make the loan, that the president and clerk of the Village of Kewaskum in the County of Washington, Wisconsin, are authorized and empowered, in the name of the village to execute and deliver to the Commission, certificates of indebtedness, in such form as required by the Commission, for any sum of money that may be loaned to the Village pursuant to this resolution. The President and Clerk of the Village will perform all necessary actions to fully carry out the provisions of Chapter 24 and Sec. 67.12 (12), Wisconsin Statutes, and these resolutions.

RESOLVED FURTHER, that this preamble and these resolutions and the aye and no vote by which they were adopted, be recorded, and that the Clerk of this Village forward this certified record, along with the application for the loan to the Board of Commissioners of Public Lands of Wisconsin.

Adopted and approved this 10th day of January, 1994 by the Kewaskum Village Board.

Robert H. Wagner,
Village President

RESOLUTION NO. 94-2

A RESOLUTION TO CHARGE FOR DISHONORED CHECKS

WHEREAS, the Village Board of the Village of Kewaskum does desire to charge for dishonored checks:

RESOLVED, that the Village Treasurer at the direction and creation of the Village Board impose a \$20.00 fee for returned checks:

BE IT FURTHER RESOLVED, that the Village Treasurer is hereby authorized to charge a fee of \$20.00 for all checks returned due to insufficient funds or where a stop payment order has been issued. The Treasurer is authorized to refuse to accept a check in payment of any obligation owing the Village from an individual who has an outstanding obligation to pay the fee assessed by this resolution. The Treasurer may also apply any future payments from an individual owing a fee to the fee first and then to the obligation intended to be paid, however, the Treasurer shall notify the person making the payment that a balance remains due the Village of Kewaskum, Washington County, Wisconsin, because of the application of the payment to the fee.

PASSED, ADOPTED AND APPROVED this 10th day of January, 1994, by the Kewaskum Village Board.

Village Board Meeting Minutes

**Regular Meeting
December 13, 1993
8:00 p.m.**

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First St.

President Robert Wagner presided. Trustee Charles Waala and Trustee Harry Roecker asked to be excused and were absent, all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Gary Gavin, seconded by Trustee David Goeden and unanimously carried by voice vote, the minutes of the November 29, 1993 meeting were approved as printed.

Chief of Police Richard L. Knoebel informed the Board that the VALUE bidding has taken place and real good pricing came in. The bid price for the squad car replacement is \$13,682 for a Chevrolet/1994. On a motion by Trustee Gary Gavin, seconded by voice vote, the Board authorized the purchase of a 1994 Chevrolet squad car from Holz Chevrolet/VALUE at the bid price of \$13,682.

Chief of Police Richard L. Knoebel informed the Board that the department has been giving Winter parking warnings out for the first part of December and has now switched to parking citations. Also it was noted the old computer system should be in service in the Library within a week.

Chief of Police Richard L. Knoebel, November 1993 monthly report: Criminal arrest 40, Criminal investigations 39; Traffic warnings 107, Traffic citations 28; Adult arrest 15, Juvenile arrest 17; Property stolen \$2,089, Property recovered \$1,747; Parking violations 12, Parking tags 8.

Director of Public Works, Jerry Gilles, reviewed with the Board the options regarding the process for purchasing the long box for on the old garbage truck chassis. On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and carried by the majority voice vote, the Board directed the Director of Public Works to request quotations for the long box. Trustee David Goeden voting "Nay."

It was also noted the sign at the tennis court has been replaced. Mr. David Stradtman, and his shop class along with the Junior Women's Club, are to be thanked for their efforts.

Administrator Daniel S. Schmidt reviewed the following:

- 1) Budget Control Sheet for the month ending November 30, 1993.
- 2) Building permit report for the month ending November 30, 1993.
- 3) Taxpayer Alliance Bulletins.

On a motion by Trustee David Goeden, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	242,825.21
Sewer	70,718.65
P/R Ck. #4687 - #4769	
Water	20,274.06
TIF	106,362.50**
A/P Ck #6911 - #7091	
Payroll	38,421.06
TOTAL	478,601.48

** (Wire Transfer on 12-01-93)

Chairman of the Administrative Committee, Thomas McElhatton informed the Board that the Committee had requested that the Administrator and staff request proposals for the Village's insurance coverage for 1994. This has been accomplished, receiving proposals from the Village's current carriers, through the Kettle Moraine Agency and Wausau Insurance Company, the insurance carrier for the League. It was determined that the proposal received from the Kettle Moraine Agency was most advantageous to the Village at this point in time and that insurance coverage would renew for another year without action.

With the absence of Chairman of the Public Works Committee, Trustee Harry Roecker, Trustee Robert Beisbier informed the Board that an information/consensus building type meeting was going to be scheduled regarding the status of the Central Village Complex in early January.

Board Representative for the Plan Commission, Trustee Thomas McElhatton announced the scheduled meeting of the Commission for Tuesday, December 14, 1993 at 7:00 p.m.

With the absence of the Board Representative for the County-Wide Library Board, Trustee Charles Waala, Administrator Schmidt reviewed the County-Wide Library Service Agreement 1994 - 1997 inclusive. On a motion by Trustee Robert Beisbier, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the signing of the County-wide Library Service Agreement 1994 - 1997 inclusive.

Administrator Daniel S. Schmidt, updated the Board regarding the tax bills indicating they had been mailed out on Friday, December 10, 1993 and that several property owners have already been in to pay their taxes. The taxpayer memo was noted as well as the tax comparison sheet.

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized the signing of the contract with Bowmar Appraisal Inc., Appleton, WI for assessing services for 1994 and 1995 along with a complete revaluation for 1995 as required by law at a cost of \$31,700.

Action was taken on Resolution No. 93-26 regarding the balancing of accounts for 1993 concerning overdrafts and remaining balances as attached hereto:

Action was taken on Resolution No. 93-28 a resolution for a State Trust Fund Loan for the purpose of buying the Equipment Fire Truck Box as attached hereto:

Action was taken on Resolution No. 93-27 a resolution to Refinance Two State Trust Fund Loans for the Purpose of Village Public Improvements as attached hereto:

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized the Stormwater Management System Plan Map work at a cost of \$8,920 with the transfer of funds occurring in 1994/1995 as required by invoice.

On a motion by Trustee David Goeden, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized the Floodplain Data for watershed at the cost of \$10,700 of which the Village's portion would equal \$5,350 with the transfer of funds occurring in 1994/1995 as required by invoice.

Action was taken on Resolution No. 93-29 a resolution

Authorizing the submission of the DOT Construction Report - certifying the noted street improvements in 1992 and 1993 as attached hereto:

Action was taken on Resolution No. 93-30 a resolution Regarding the Proposed Acquisition of Voting Machines as attached hereto:

Trustee Thomas McElhatton announced that he would not be seeking another term on the Village Board and indicated there are many qualified people within the community to seek election to the Village Board.

On a motion by Trustee David Goeden, seconded by Trustee Thomas McElhatton and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85 (1) (c) of the statutes to consider employment compensation and performance of public employees over which the governmental body has jurisdiction and Chapter 19.85 (1) (e) of the statutes to deliberate and negotiate the disposition of public lands. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent."

NOTICE TO ALL WASHINGTON COUNTY DOG OWNERS

Pursuant to Section 174.052, Wisconsin Statutes, notice is hereby given to all owners of dogs in Washington County that dog licenses and rabies vaccinations are required.

Vaccination by a licensed veterinarian against rabies is required of all dogs (Section 95.21 (2)) within 30 days after the dog reaches 4 months of age and revaccinated within one year after the initial vaccination. The owner of a dog shall have the dog revaccinated against rabies by a veterinarian when the certificate expires or within three (3) years of previous vaccination. The certificate of rabies vaccination must be presented to the collecting official before a dog license may be issued.

All dogs five (5) months of age or older require a license. The minimum license fee for neutered males or spayed females is \$3.00, upon presentation of evidence attesting to the same, and \$8.00 for the unneutered male or unspayed female dog or one-half of these amounts if the dog became five (5) months of age after July 1 of the license year. The governing body of any town, village or city may raise the minimum dog license tax. Any person who keeps or operates a kennel may apply for a kennel license. The fee is \$35.00 for twelve (12) dogs or less and an additional \$3.00 for each dog in excess of twelve (12).

Dog licenses can be obtained from your local town, village or city treasurer or designee during the course of any given year. Dog owners should notify their treasurer if their dog is given away or has died, so that you will not be considered delinquent. An affidavit of death is available.

PENALTY
Every owner of a dog 5 months of age or older who fails to obtain a license by April 1 will be assessed a late fee of \$5.00.

State Mapped Lakes Index Available

MADISON - Ice fishermen! No more cutting through a foot of ice to find six inches of water underneath. An index for the 2,450 Wisconsin Mapped Lakes is now available.

A lake map is actually a hydrographic chart. So what's a hydrographic chart? A hydrographic chart is simply a high-faluting term for a map showing the various depths of a lake along with other information that is so desirable to have for fishing... such as kind of lake bottom (mud, sand, gravel, etc.) This information may help the ice fisherman enter the charmed world of experts.

Suppose you want to fish for perch. You know his feeding habits and at what depths and over what kind of bottom he would be. With a Wisconsin lake map you can see at a glance the general contour of the lake bottom and the exact depth of any given place along with the kind and condition of the bottom.

The index is available at no charge by sending a self-addressed, stamped (52c) No. 10 business envelope to: Wisconsin Ice Fishing, Box 5096, Madison, Wisconsin 53705-0096.

Order Trees, Shrubs Now For Spring Planting

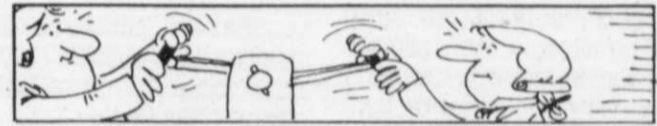

Order forms are now available for anyone interested in planting native trees, shrubs or prairie flowers next spring. The Washington County Land Conservation Department is taking orders on a first come, first serve basis from now until March 4, 1994. This new program was started in 1993 to encourage local planting of native woodland and prairie species, while meeting a demand for low priced seed and planting stock.

The 26 species of trees and shrubs are bare root transplants averaging 1-2' in size. Prices average \$.50-\$.60 each depending on the species and quantity ordered. A minimum of 10 per species and 30 total trees or shrubs must be ordered.

Prairie seed is sold by the

pound in three special mixes native to wet and dry sites in the area. Two mixes contain a 50/50 ratio of native grasses and wild flowers. The 30-40 species in each mix which will eventually provide a variety of color throughout the growing season and cost \$70/pound. The third mix is made up solely of native grasses and sells for \$23/pound. A pound of any mix will cover up to 3,000 to 4,000 square feet of area.

Five Win Individual Titles Indian Matmen Win Waupun Invitational

By Noel Stollenwerk

WAUPUN - Having lost five significant members of its successful varsity squad from last year, Kewaskum wrestling coach John Nell expected to have a tough fight on his team's hand in trying to defend its Waupun Invitational Championship from a year ago.

The fight was tough, but this year's overachievers were up to the test last Saturday, as the Indians had five individual champions on their way to capturing the team title for the second straight year.

The Indians bested the field, accumulating 228 points, well ahead of runnerup Waupun, which had 179. New Holstein, who Nell thought would be the favorite in the meet, was third (133.5), followed by Markesan (113), Laconia (102), Kimberly (99.5), Winneconne (90), and Columbus (81).

"We did real well," Nell said proudly. "I was real happy with the entire team. We had eight kids in the finals. It looked like an all-Kewaskum show there (in the finals). It was pretty impressive."

Five of those eight finalists won their matches, including heavyweight Andy Mathias, who improved to 4-0 on the year, pinned Kimberly's Joe Reitveld in a mere 1:37 for the

title.

"He's pinned everyone in the first period so far," Nell said of Mathias, who recently came out for the sport. "He's doing a great job so far."

Also doing well in his first year is freshman Joel Dzedzic, who improved to 19-1 with his title at 103 pounds. Dzedzic pinned Markesan's Erik Kresh (4:25) for the championship.

Tyler Dieringer also recorded a pin in his title bout, putting Shane Anderson of Kimberly to the mat in 1:17. Dieringer improved to 12-8 on the year.

Rich Farchione moved his mark to 20-2 with his pin of Waupun's Jon Sauer (3:26) in the finals. Brad Jackson also took home a title at 152, defeating Laconia's Joe Kopf, 11-5.

Taking seconds for KHS were Jake Gundrum (112), Chad Muckerheide (160), and Rich Wolff. Muckerheide lost in overtime 1-0 to Markesan's Chris Guderski, whom he had beaten two weeks prior in the Oshkosh Lourdes Invitational. Gundrum also lost a close decision, while Wolff may have been the surprise of the tournament.

"That was a pleasant surprise," Nell said of Wolff's showing. "That was a great tournament for him. He did a great job, and it was nice to see that." Wolff recorded a pair of pins in

qualifying for the final.

Jake Thull (125) and Paul Reis (145) added third for the Indians.

KHS meets Oakfield (Tuesday) and New Holstein this week with the Huskies coming here on Friday night. "They are pretty solid," Nell said, adding that he thought the Huskies "would be the team to beat" in Waupun. "But we've been going up against some of the best teams in the state, so it's been pretty tough on us."

KMS Crusaders Defeat HT Wildcats

The frigid cold found it's way inside the Kewaskum Middle School gym to the Holy Trinity Wildcat A-Team boys bench as they faced the St. Mary Crusaders from Barton in play on Friday night. Both teams came into competition undefeated in conference play.

In an attempt to jump-start the team, Dave Gerhartz was able to sink a three point basket putting the first score of the game on the board. Jim Kopecky was fouled in a three point attempt but was unable to capitalize at the charity line. Even though starter Corey Amerling added four points in the quarter, the Wildcats could not contain the Crusaders particularly Ben Filzen who ended with a game high of 32 points. The first quarter ended with the Crusaders in the lead 14-7.

Cold shooting in the second quarter continued to plague the Wildcats but the Crusaders couldn't miss. Barton added a total of 18 points to Holy Trinity's six reflecting a 32-13 halftime score.

The third quarter would be the Wildcats highest scoring quarter for the night with nine points. Jason Butschlick sunk a three point basket, Eric Wenninger added four and Shaun Timblin, two.

Jarrod Gruber would be the only Wildcat to score in the fourth quarter with four points including a three point basket. Despite their efforts, the Crusaders continued to dominate the game as the Wildcats ran into foul trouble trying to make things happen. The game ended in a disappointing loss for the Wildcats 58-26.

Jason Butschlick lead the Wildcats with five points. Corey Amerling, Derek Dorn, Eric Wenninger and Jarrod Gruber each added four points while Dave Gerhartz scored three and Shaun Timblin contributed two.

The Wildcats travel to St. Matthews in Campbellsport Friday, January 21st with the first scheduled to begin at 5:30 p.m.

Kiel Is No Match For Indian Wrestlers

By Noel Stollenwerk

KIEL - Having faced the likes of Luxemburg-Casco, Oshkosh Lourdes and Seymour the previous weekends, the Kewaskum wrestling team was more than ready for Kiel here, last Thursday.

The Indians had little trouble with the Raiders, who fell victim to eight pins in a 57-9 KHS victory.

"It was a pretty fast meet," KHS coach John Nell said of the hour workout for his team. "We pretty much handled them, and we knew coming into the meet that we would. They are really down this year."

The lone spot where the Raiders are not down this year is at 135 pounds, where they have a returning state qualifier. "That was even a pretty tight match," Nell said of Jason Czaja's second-period loss.

The lone other KHS defeat came in the next match, at 140, where Peter Reis went to overtime against Dennis Meyer before losing 11-9.

One KHS highlight came in the meet's final match, where the Indians' Andy Mathias made his season debut a successful one, pinning David Horn in a mere :28.

"He came out just before

Christmas," Nell said of the 275-pound Mathias. "We're real happy to have him with us. He really wants to wrestle, and he's doing well so far in practice," having beaten Tim Gundrum in a wrestleoff before the meet.

Others recording pins for KHS included Joel Dzedzic, Jake Thull, Tyler Dieringer, Paul Reis, Brad Jackson, Chad Muckerheide, and Rich Farchione.

Holy Trinity Boy's 'B' Team Now 5-0

The Holy Trinity Boy's B Team did what was needed to be done in order to beat St. Mary's of Barton on Jan. 14 in Kewaskum by the score of 45 to 30.

The game was very close for the first half with Holy Trinity leading by a score of 7 to 6 after the first quarter and 20 to 18 after the first half.

With the beginning of the second half, Holy Trinity took command and gradually built up a formidable lead which was never lost. Some good defense was again displayed by Holy Trinity. Jason Strobel did an excellent job of rebounding pulling down at least 10 rebounds during the game. Chris Koth had his highest game of

the season with 24 points.

Other points were scored by the following: Curt Koth - 2; Jason Strobel - 2; Jesse Boegel - 4; Billy Cook - 11; and Tim Bonlender - 2.
