School Referendum Defeated by Nine Votes

Stoltzmann, Borland, Kulas Unseat Trustee Gavin

Voters in the Kewaskum School District defeated the remodeling/renovation referendum question in Tuesday's Spring Election by mere inches. A total of nine votes was all that stood in the way of the decision

on whether the referendum should pass or fail, with the latter coming out ahead in the vote tallies.

According to School Board President Neal Weare, the Board will not ask for a recount and

there are no immediate plans for another referendum. The net result of the referendum's defeat, will mean, in the long run, taxpayers will be paying more and receiving less.

Vote totals according to

townships were Village of Kewaskum - 340 yes to 206 no; Town of Kewaskum - 105 yes to 133 no; Town of Barton - 49 yes to 39 no; Town of Farmington - 253 yes to 233 no; Town of Ashford - 2 yes to 0 no; Town of Mitchel (unavailable); Town of Scott - 55 yes to 111 no; Town of Wayne - 98 yes to 151 no; Total - 947 yes to 956 no.

Jean Goeden and Neal Weare, who ran unopposed in the School Board Election, will retain their seats on the board.

In a surprising Kewaskum village board race, incumbent Gary Gavin was unseated by his three opponents Robert Stoltzmann, John Borland and William Kulas. Gavin, who was elected to the Village Board in April of 1990, is completing his

second term as Village Trustee. Robert Stoltzmann was the top vote getter, receiving 437 votes. John Borland was second with 364, William Kulas was third with 327 and Gary Gavin received 239.

In another interesting area race for District 11 County Board seat, Francis D. Mayer and Daniel J. Rodenkirch ended up in a tie vote. They are seeking the seat vacated by Hilbert Scheunemann, who did not seek re-election. The votes will be recounted and verified on Thursday and if the tie stands, a coin toss will decide the eventual winner.

All election results were scheduled to be canvassed on Wednesday afternoon at 1 p.m.

Governor Thompson Okays Contract for US 41/WIS 28 Interchange at Theresa

Governor Tommy Thompson has approved a \$5.97 million contract to build an interchange at the intersection of US 41 and WIS 28. The structure and its connector ramps will be known as the Theresa Interchange. The Village of Theresa is two miles west of the new interchange.

As one segment of Governor Thompson's Corridors 2020 Plan, this project is part of the multi-phase conversion of US 41 into a limited access freeway from Milwaukee to Green Bay. Corridors 2020 was created in 1989 to foster economic development and meet inter-regional/inter-city transportation needs.

"Conversion to freeway status will provide for more efficient traffic flow and eliminate the hazards of slow-moving vehicles turning into or crossing high speed, high volume traffic," said Bob Packee, Director of southeast Wisconsin district of the Department of Transportation.

Packee said the contractor, Mann Brothers, Inc., of Elkhorn, is expected to begin work on the 1 1/2 mile project in early spring.

This section of US 41 presently carries 22,500 vehicles each day. Cross traffic on WIS

28 is 1500 vehicles each day. By the year 2014, these numbers are expected to be 29,600 and 2200 respectively.

At present, because WIS 28 does not cross US 41 at a common point, a motorist traveling east or west on that highway must travel along US 41 for a distance of about 3/4 of a mile. This requires a driver to merge with fast moving traffic, change lanes and then turn left into a median and cross oncoming traffic lanes. This unsafe situation will be eliminated by relocating WIS 28 east of US 41 to match present WIS 28 west of US 41.

Skyline Drive and "old" WIS 28 will end in cul de sacs on the east side of US 41. Mohawk Road and Skyline Drive will be joined as a frontage road on the

west side of US 41. Fond du Lac County H will terminate at new WIS 28 east of US 41 and Badger Lane will terminate at Fond du Lac County H.

Traffic on WIS 28 will, as necessary, be detoured via WIS 67 and WIS 175. US 41 will remain open but will be subject to lane restrictions during daylight hours during girder installation and final ramp connections.

When, in the fall, weather conditions prevent satisfactory work, construction will be suspended and resumed in the spring of 1995. The project is slated for completion in summer of 1995 and will be paid for with 80% federal funds and 20% state funds.

Junior Prom April 16

On Saturday, April 16, 1994, Rose Hall at Kewaskum High School will be transformed into a romantic rainforest as students gather to celebrate Prom 1994.

The dance will begin at eight o'clock and end at 11:30 p.m. Parents are invited to join us for the Grand March, which begins at 10:00 p.m.

Students may purchase tickets at lunch during the week before prom. Tickets may also be purchased at the door on the evening of prom. On prom night, students will need to pre-

sent their tickets and student identification card for admittance. No one will be allowed to enter the dance after 10:00 p.m.

All students will be expected to observe the dress code which is: girls - dress or skirt; boys - tie, dress pants, no tennis shoes.

Information will also be available during lunch regarding the different packages and prices for photographs.

Post-prom festivities are planned from 12:00 to 4:00 a.m. at the West Bend Y.M.C.A.

KMLHS Students Compete In Their First Forensics

By Erika Moldenhauer

Kettle Moraine Lutheran High School has been growing steadily since its beginning in 1974. The present school enrollment is at 300 students in grades 9 through 12.

As the student body grows, the number of extracurricular activities has also increased. This year the school gave the students the opportunity to participate in the State Speech Contests. KMLHS is a member of the WHSFA, the Wisconsin High School Forensics Association.

At the WHSFA Sub-district Contest held at Cedarburg high school recently, fifteen KML students received winning scores that will enable them to participate in the District Contest. Those fifteen students are: Freshmen - Melissa Traska and Dan Odell; Sophomores - Becky Hennig, Amanda Franz, Jamie Henckel, Laura Jeske, Laura Kilmer, Erin Garvey and Julia Moldenhauer; Juniors - Megan Krueger, Steve Hahm, Vicki Isola and Jason Traska; Seniors - Cory Klein and Lara Moldenhauer.

The school feels the Forensics Program is an excellent opportunity for students to develop their abilities in speech and written communication.

NEWS NOTES VILLAGE OF KEWASKUM'S SPRING CLEAN UP *Spring Into Action!*

Join The Kewaskum Clean-Up

The Village Board of the Village of Kewaskum invites you to help clean up our Village and kick off the start of EARTH WEEK.

The event will take place, rain or shine on Saturday, APRIL 23, 1994, FROM 9:00 a.m. to NOON. Remember to bring along gloves or other personal tools or protection.

Bring a friend, your family or group and help make Kewaskum litter free. We will be picking up at both the Kewaskum Kiwanis Community Park and River Hill Park. You are invited to clean your neighborhoods, schools, businesses or adopt a plot.

A representative from the Village will be at both parks to distribute garbage bags and to provide assistance. Also there will be a mobil container provided at the Village Garage at 1002 Fond du Lac Avenue for you to dispose of your personal refuse. No recyclables, white goods (appliances), or hazardous materials are to be dropped off. In general only such items and materials normally placed at the curb should be brought to the Village Garage for disposal, with the exception of furniture. There will be no charge of materials brought to the Village garage from 9:00 a.m. to Noon on Saturday, April 23, 1994.

Thank you!

Local Insurance Agency Honored

West Bend Mutual Insurance Co., in West Bend recently honored Kettle Moraine Agency, Inc. in Kewaskum for outstanding performance in the company's agency incentive program, Partners in Excellence.

The Kettle Moraine Agency was also named to the President's Round Table, an honor accorded the ten-highest scoring agencies. This is the 7th time the agency has been so honored. In 1993 it had the distinction of placing 4th in the company's Partners In Excellence program.

Partners In Excellence is a program that measures seven areas of agency performance including profitability, premium volume, agency growth, underwriting, and agency management.

Kettle Moraine Agency, Inc. is a full service, multiline, independent insurance agency serving the Kewaskum-West Bend and surrounding areas since 1953. The West Bend Mutual is one of a number of quality independent companies that are represented by the Kettle Moraine Agency.

Mitch Ogi and Gene Bohn, agency principals along with their fulltime staff share a combined service to the insurance industry of almost 100 years. In December 1992 they expanded their operation and moved into their new offices in the Kewaskum Mall.

The agency has recently become fully automated with the addition of a state of the art computerized system that assists in everything from quotes, to policy service, to the handling of claims. The agency also conducts periodic seminars on such subjects such as nursing home care, medicare, estate planning,

investments, retirement planning, taxation, insurance, etc.. Speakers have included attorneys, certified public accounts, as well as home office support staff and agency personnel.

The agency is a member of the (P.I.A.) Professional Insurance Agents Association and (N.A.L.U.) National Association of Life Underwriters.

Approximately 600 independent agencies were participants in West Bend Mutuals Partners In Excellence program. The agencies are located throughout Wisconsin, Illinois, Iowa, Minnesota, and Indiana.

Washington, Ozaukee Counties, Presenting 'Chemical Warfare'

In recognition of national Alcohol Awareness Month and the International Year of the Family, The Youth and Family Project of Washington and Ozaukee Counties will present, CHEMICAL WARFARE, a free educational series offered to teens, parents and professionals who are concerned with alcohol and other drug abuse issues among today's youth. This bi-county event will be held on Wednesday evenings during April.

The series opened with CHEMICAL WARFARE, PHASE I on April 6, at the Riveredge Nature Center, 4458 West Hawthorne Drive, Saukville, from 7:00 to 9:00 p.m. Kate Malone, BBA, CADC III, from Affiliated Clinical Services, Inc. spoke on "Family Roles."

PHASE II of CHEMICAL WARFARE will be presented separately by county. These programs will explore both Washington and Ozaukee County's response to youth who become involved in the legal system, due to situations directly or indirectly linked to alcohol/drug abuse. Washington County will feature a panel and discussion titled, "Kids and the System: What Really Happens?" on April 13, from 7:00 to 8:30 p.m., at Fifth Avenue Methodist Church, 323 South Fifth Avenue, West Bend. Panelists will include: Mary Pat McKinley, Juvenile Court intake Worker from the Washington County Sheriff's Department; Ruth Reines, Supervisor at the Washington County Department of Social Services; Steven Peterson,

CADC III, Director of the Washington County Council on AODA and Scott Toth, CADC III, START Program Coordinator at the Kettle Moraine Outpatient Clinic. Ozaukee County will host a similar panel and discussion at Thomas Jefferson Middle School Library, 1403 North Holden, Port Washington.

PHASE III of the series will focus on family AODA prevention. This program will feature: Mary Sacho, Prevention Specialist and Penne Johns-Jacobs, Intervention/Outreach Services from the Ozaukee County Council on AODA, the video "Put Yourself In The Way" and the Ozaukee County Prep Pride Group. It will be held on April 27, at Riveredge Nature Center, 4458 West Hawthorne Drive, Saukville.

To receive additional information or to register for CHEMICAL WARFARE, please call the Youth and Family Project at 338-1661.

Liberals Kill Welfare Reform

By State Representative Glenn Grothman

MADISON.... There is probably no issue on which the Wisconsin public is more in agreement than the need to reform the current welfare system. The system is unfair. Working people pay taxes to support those who don't. Frequently, married couples are putting off having children, in part to pay the taxes of those having more children, and having them at a younger age, than the taxpayers.

The taxes being paid to support those on welfare are probably the least of the problems. The worst effects of the system are the crimes, trouble in our schools, and future welfare generations created by having emotionally-damaged children raised by the most irresponsible of parents. Fifty-eight percent of births in the City of Milwaukee last year were out of wedlock.

Given this situation, Governor Thompson introduced a proposal in January not to increase AFDC benefits for additional children born into welfare families. It would have improved the child support system and would have required a job search before issuing welfare checks. One would have thought that the legislation would sail through the legislature.

The bill was not harsh. Additional funds would still be given to children born prior to the receipt of the first welfare check, and would have contin-

ued the current practice of increased food stamps for additional children.

The bill passed the Senate on a 25-8 vote. However, it was too controversial for ultra-liberal Milwaukee Assemblywoman Barbara Notestein, so she failed to schedule it for a public hearing until March 21st, just four days before the end of the session. The committee hearing was not held in Madison as usual. Rather, it took place before a hostile group on Milwaukee's north side.

Governor Thompson's aides were virtually the only people to testify in favor of the bill. Over forty welfare recipients and "welfare rights" activists testified against the measure. Of course, working people don't have the time to testify at 1 o'clock on a Monday afternoon.

Another Milwaukee liberal and Assembly Speaker, Walter Kunicki, refused to schedule the bill for a floor vote. He asserted that there was not enough time, with more important bills demanding consideration. A motion to take up the bill, over the Speaker's objections, failed 50-49. A two-thirds vote was needed.

The following day, the same Assembly that didn't have the time to debate welfare reform disgraced itself by debating, for thirty-five minutes, whether or not the polka should become the state dance. Hopefully, the 1995 Legislature

will take its responsibilities more seriously.

I wish to hear your input on the above or other matters. You may contact me by calling the Legislative Hotline at 1-800-362-9472. You may call my direct office line at 608-264-8486. You may also write to me at P.O. Box 8952, Madison, WI 53708.

WASHINGTON COUNTY WE-TIP CRIME INFORMATION REQUEST

The Washington County Sheriff's Department is looking for any information as to the identification of actors involved in the theft of 16 public address speakers from the Sunburst Ski Area ski hill in the Township of Kewaskum. This crime occurred during the early morning hours of February 12, 1994. The speakers are Bose brand public address speakers, and the 16 speakers are valued at \$3,200. Footprints in the snow would indicate that two suspects were responsible for the theft.

Anyone who may have any information about this theft or any crimes in the Washington County area is encouraged to call the Washington County Sheriff's Department We-Tip telephone number.

Washington County's We-Tip phone line is 1-800-232-0594. Any information can be provided anonymously and if a conviction results from the information obtained, a cash reward will be awarded to the caller. The caller will be identified by using an assigned number recorded at the West Bend Police Department. All law enforcement agencies within Washington County appreciate any information relating to any criminal activity that may have been witnessed or that anyone may have knowledge of. Cash rewards can be quite substantial if a major crime is cleared and convictions are obtained.

State Hospital Association Says Health Proposal Deceives Public

The Wisconsin Hospital Association (WHA) charged recently that a legislative proposal to deal with the uninsured through statewide expansion of the WisconCare Program deceives health care consumers, creates a new entitlement program and has a funding mechanism that is highly suspicious.

WHA president Bob Taylor said that while the program is designed to help the uninsured, it provides no coverage for hospitalization other than maternity care. "We have too many examples right now of individuals that have health coverage only to discover, at the time of an illness, that key services aren't covered," he said.

WisconCare currently serves 2000 people in 17 counties. The expansion called for in AB-1162 makes it statewide, broadens eligibility and could create an entitlement for 50,000 persons or more.

Taylor said the legislation would create a massive entitlement program with many unintended consequences. He noted that the clear incentive was for employers and low income workers to drop traditional insurance and become covered under this new entitlement program to help save costs. But, he pointed out, "Virtually all reform discussions nationwide and in Wisconsin point to the need for consistent, comprehensive services, not incentives that

place people into second-or third-rate coverage."

He criticized the proposed funding source for the program that currently consists of an increase in the cigarette tax with the balance being paid by assessments against hospitals. "It is difficult to understand why hospital patients should be asked to bear the financial burden of yet another group of underfunded individuals."

He expressed particular concern that if the cigarette tax is dropped, the entire program could be funded through a massive series of sick taxes levied against hospitals, who then pass it on to their patients.

"A significant problem with health care today is cost shifting, which, in Wisconsin hospitals alone, adds more than \$200 million to the bills patients and insurers must pay. To add another unfunded program will shift costs to hospital patients and increase health care information and the concern over rising health care costs," he said.

Taylor urged the Legislature to support meaningful options that provide real services to people. He cited, in particular expansion of the Healthy Start Program, which has a broad federal/state funding base, includes comprehensive services and doesn't create another expensive program to administer.

Humane Society Adds Staff for Development

Andrea L. Bork

The Washington County Humane Society, Inc. is proud to announce the arrival of a new staff member, Andrea L. Bork, who fills the position of Director of Development. This new position was added with the foresight that, with the rapidly growing population of Washington County, and the animal population accompanying that growth, the need for the Humane Society's services will become increasingly vital to the Washington County community.

With the new staff addition, the Humane Society hopes to assure that the animals of Washington County continue to find shelter at its facility. This means that the residents of the county can continue to count on its services, which include a place to surrender and adopt animals, retrieval of stray pets, wildlife assistance, educational and community outreach pro-

grams, and pet training classes.

Because the Humane Society is not a county or state-funded facility, it relies on the support of community members to support the services it provides. The addition of Bork to the staff will help assure that funds for support continue and grow along with the growing needs of the community.

Bork is a graduate of St. Norbert College, and gained her experience in resource development through her previous position at Riveredge Nature Center, in Newburg. Along with the Humane Society staff and Board of Directors, Andrea is excited about the challenge and reward of the new position. She looks forward to working with the community to help fulfill the Washington County Humane Society mission of "Be kind to all living creatures."

1994 Lottery Credit Claim Cards Are Due April 15

WEST BEND...Fredric A. Seefeldt, Washington County Treasurer, has announced that the 1994 Lottery Credit claim cards were mailed March 22. The claim cards are in the form of a two-part postcard. Eligible homeowners are to sign the claim card, detach it, and mail it to the county treasurer.

Seefeldt said that 26,100 cards had been mailed. Cards were sent to persons claiming the credit last year and owners of new homes who received occupancy permits in 1993.

"Property owners are eligible to claim the credit if they had some ownership in the property and occupied it as their primary residence on January 1, 1994," Seefeldt advised.

"Primary residence is defined as the residence where you live most of the time. When you are away, it is the home you ordinarily return to. You can only have one primary residence," Seefeldt quoted from the claim card.

"Homeowners who believe they are entitled to claim the credit but for some reason did not receive a claim card, should contact my office. Our West Bend number is 335-4324, Hartford 644-5304 and Metro

342-2929," Seefeldt said.

"The amount of the lottery credit for 1994 is not known at this time. That amount will be announced in the fall before the 1994 tax bills are printed," Seefeldt commented.

Claimants are asked to return the cards by April 15.

Post-Prom Party Still On

As school let out for the Easter break, slightly over 100 KHS students had already signed up for the Post-Prom Party.

This party, sponsored by the Kewaskum High School Student Council, and with financial support from The Council of Washington County, will be held at the West Bend YMCA from midnight until 4:00 p.m. on April 16, 1994.

Students attending the party will have the option of riding a bus or driving themselves to the "Y", but everyone must be there before midnight on April 16, and may not leave until 4:00 a.m. on Sunday, April 17.

While community support has been great so far, the Student Council is still looking for your help. So, if you can donate prizes, food, money or time to chaperone, please let us know before April 14, 1994. The Student Council is advised by Larry Ammel, and you can reach him by calling 626-2166 school or 626-4731 home.

Kautz One of Three State Troopers Awarded Achievement Certificate

Three Wisconsin State Troopers have been given achievement certificates for their rescue efforts last year.

Trooper Malcolm Kautz, from the State Patrol's District 3 office, which covers much of eastern Wisconsin, was given an Achievement Certificate by Wisconsin Department of Transportation Deputy Secretary Terry Mulcahy and State Patrol Administrator Bill Singletary at a ceremony at State Patrol Headquarters in Madison on February 18th.

Trooper Kautz, of Fond du Lac, was awarded for his efforts to save the life of an eight-year-old Fond du Lac boy. The 48-year-old Trooper Kautz was driving on US 151 north of the city of Fond du Lac when he was flagged down by Kurt Johnston, who said his son, Jeremy, was missing and had last been seen swimming in Lake Winnebago. Trooper Kautz radioed the Fond du Lac County Sheriff's Department for assistance and then began looking for the youth.

A short time later, Trooper Kautz spotted Jeremy floating face down in the water and pulled him to shore. He and a bystander then began C.P.R. on the youth. They continued until a rescue squad arrived and transported the youth to the hospital. Unfortunately, the youth was pronounced dead a short time later.

"Throughout his ordeal, Trooper Kautz continued to comfort the family members by his calm, caring and reassuring demeanor and professional actions," said Singletary. "Trooper Kautz' outstanding effort in this tragic incident has earned him the respect of his peers and contributed to an enhancement of the State Patrol's professional image to the public. For these reasons, Trooper Kautz has been awarded an Achievement Certificate."

Also receiving achievement certificates were 41-year-old Trooper George Wright of Oostburg who provided life-saving assistance to a semi truck driver who was involved in a crash on I-43 in Sheboygan

County last March 15; and 38-year-old Trooper David VerBruggen of Green Bay who provided C.P.R. on a neighbor until a rescue squad could be summoned to take the victim to the hospital, where the victim recovered. Troopers Wright and VerBruggen also serve out of the State Patrol's Fond du Lac district office.

Letter to the Editor:

March 21, 1994

How many of you are aware that each fall you have a chance to win a five-day, all expense paid trip to Washington, D.C. and a \$20,000 scholarship, by participating in the V.F.W. "Voice of Democracy" Scholarship Program? Required: Write and record a three to five minute Audio Essay expressing your views on a given patriotic theme. Is this too difficult to do? Listen, 46 years past more than 6 million high school students did it! If you get involved in this contest in 10th grade you'll have "three swings at the ball" to make it to the Nation's Capital. For each year you let slip by, you loose "one swing."

In Fond du Lac, one student took the opportunity and entered while in 10th grade. She came out on top in her school and advanced to District Competition, where she made 2nd runner-up. This year, 1993-94, in 11th grade, she "swung again." Again, she came out "on top" in her school and also at the District level. This allowed her to advance to Department (State) Competition. Last January her entry was judged against ten other District winners and she came away with First Runner-Up. One step away from the "Big One", a crack at the \$88,500 worth of scholarships at National Competition. --But, you see, don't you, she's got one more swing left in the 1994-95 school year. Wanna bet she enters? Why not you too??

Winners at the local, district and state levels receive various monetary awards, even if they

don't go to D.C. and that is nothing to "sneeze at". So, why not try the next time? Contact your local V.F. W. Post or your High School Guidance Department for details at the beginning of the 1994-95 school year and then "give it a swing". What do you have to loose? A little time and some effort and persistence will do wonders.--Oh yes, about the gal to beat??

She is Krista Glaman and, rightfully so, she's smiling all the way as she gets ready to step up and take her next swing.

Congratulations, Krista, you did magnificently well. Good fortune to you at next season's try. District No. 6 and all the members of Bohlman-Grimes Post 1904 and its Ladies Auxiliary are proud of your accomplishment and we all will show our appreciation to you and your two Runners-Up at the District No. 6 Awards Luncheon, May 1st, 1994.

UW- Extension Offering Seminar for Small Business

A new seminar on **Marketing Strategies** for the Small Business Owner/Operator will be held on four consecutive Thursday evenings, beginning April 7, from 7:00 - 9:30 p.m. All classes will be held at the Washington County Center Campus, 400 University Dr., West Bend. This is one of the Management Enrichment Programs offered by UW-Extension for micro-business people.

As a result of the seminar, the participant will get a comprehensive and practical approach to marketing and gain a better understanding of the products and services in successfully delivering them to the marketplace. Marketing Strategies is not only helpful to the growth and success of the company, but in most cases, a mandatory process for company survival.

Among the topics to be covered will be "the planning process", "product and consumer analysis", "the marketing mix", "selling fundamentals" and "controlling costs for results."

The leader for this seminar will be Mr. Donald Heinz, president of Heinz & Associates, Inc., a Brookfield marketing research and consulting firm. Since 1967, Don has worked with firms in Wisconsin and across the country to solve marketing problems and plan successful marketing strategies.

Don has helped retail firms, hospitals, clinics, repair firms, banks, insurance companies,

community organizations and churches put the marketing concept to work.

Don has degrees from UW-Madison, has served as Director of Marketing of a scientific instrument firm, as a lecturer at UW-Whitewater and UW-M, as well as Asst. Professor at Marquette University. He has authored numerous articles on marketing and is currently president of the Milwaukee Chapter of the American Marketing Association.

For more information or a free brochure, call Chuck Wise, Area Business Agent for UW-Extension at 414/335-5204. The \$63 fee covers instruction and special materials for the participant. A \$20 reduction will be made for the second person from the same company, Register TODAY.

Albert Schmurr, 60, bachelor farmer residing 1 1/2 miles north of Kewaskum on County Trunk V, Town of Auburn, was instantly killed at 12:16 p.m. Monday when a tractor he was driving was struck by the North Western road's southbound passenger train at a crossing a mile north of this village in the Town of Kewaskum. The Schmurr farm is located just north of the Washington-Fond du Lac County line. Schmurr was driving a tractor drawing an empty manure spreader when he was run down by the train at what is known as Martin's crossing near the William Kohn home. County Trunk V is better known as the old Campbellsport road. Al, as his friends knew him, was returning home with the tractor from some farm land owned by the Schmurr brothers on the opposite side of the railroad tracks in the Town of Kewaskum. He apparently did not see or hear the train coming because the tractor was hit while in the middle of the tracks.

Effective Sunday, March 26, first class mail for local rural delivery will be increased from two cents to three cents per ounce. Post, postal cards and local letters will remain at one cent for each ounce.

Obituaries

FRANK J. FELIX

Frank J. Felix, 89, of Kewaskum passed away on Friday, April 1, 1994, at the Samaritan Nursing Home in West Bend.

He was born on May 15, 1904, in St. Kilian the son of the late Jacob and Anna (Peter) Felix and on July 15, 1939 he was united in marriage to Helen Harbeck at Holy Trinity Catholic Church in Kewaskum.

He was a member of Holy Trinity Catholic Church in Kewaskum where he served as an usher for 40 years, was a member of the Kewaskum Historical Society and was active in the Wisconsin Parents Coalition for the Retarded, and also served as a Village of Kewaskum Trustee.

Frank was a well known merchant in the area for many years, having a radio and TV sales and service business as well as operating the local Gamble Store.

Survivors include his wife; two daughters, Jeanne (Gerald) Neath of Oregon and Mary Felix of West Bend; a brother Leo (Lydia) Felix of Campbellsport; three sisters Rose Felix of St. Kilian, Catherine (Edward) Hawig of Wayne and Anne (Gilbert) Reindl of Kewaskum; three sisters-in-law, Marcella Harbeck of Kewaskum, Verona Felix and Verna Herriges both of West Bend; a granddaughter, Jennifer Davenport of Madison; numerous nieces, nephews, other relatives and friends.

In addition to his parents, he was preceded in death by three brothers, John, Alphonse and Kilian; two sisters Elizabeth Felix, Mary Heiting and her husband Norbert and a brother-in-law, William Harbeck.

A Mass of Christian Burial was held at 7:00 p.m. on Monday, April 4, at Holy Trinity Catholic Church in Kewaskum with Father John Brophy officiating. Burial was at 10:00 a.m. on Tuesday in the church cemetery.

Friends called from 4:30 p.m. until the time of services at the church only on Monday.

Pallbearers were Donald Felix, Kenneth Felix, Gerhard Heiting, Robert Reindl, Gerald Hawig, all nephews of Frank, and Todd Timblin, grand-nephew and godchild of Frank.

Readers were Gerald Neath, son-in-law of Frank and Donald Felix, nephew and godchild of Frank.

Gift bearers were the family of Frank. Organist was Peggy Stoffel and the adult choir provided the music. Alan Stoffel was soloist.

The Miller Funeral Home in Kewaskum served the family.

JOHN R. BOEKER

John R. Boeker, of Slinger, died Sunday, March 27, 1994, at his residence, at the age of 71. He was born Jan. 9, 1923,

in Rockfield, to the late John and Alma (nee Bock) Boeker, and married Lillian A. Uhlmann June 23, 1945, at St. John's Lutheran Church, West Bend.

Following the death of his parents, he was raised from the age of two by his late aunt and uncle Edwin and Alma Bock on their farm in the town of Polk. He continued living on the farm after his marriage and moved with his wife to Slinger in 1988.

Survivors include his wife; four children, Sharon (Ron) Sager and Mike (Sandy), both of West Bend, John of Kewaskum and Bob (Alice) of West Bend; five grandchildren; three sisters, Irma Watts of Milwaukee, Laura Boeker and Alyce Yeodeke, both of West Bend; a brother, Allen (Edna) of Jackson; nieces; nephews, and other relatives and friends.

Preceding him in death were a sister, Vera and a brother, Aaron.

He was a member of David's Star Ev. Lutheran Church, Jackson.

Funeral services were held Wednesday, March 30, at 7 p.m. at David's Star Ev. Lutheran Church. Rev. Martin P. Janke and Rev. Richard L. Gurgel co-officiated and burial was in the church cemetery Thursday at 11 a.m.

Visitation at the church only was Wednesday from 3 p.m. until the time of services.

The Phillip Funeral Home, Slinger served the family.

ELEANOR L. KLUEVER

Eleanor L. Kluever, nee Prael, of West Bend, died Monday, March 28, 1994, at the Hartford Care Center, Hartford, at the age of 75.

She was born Oct. 22, 1918, in Mequon, to the late Arthur and Lydia (nee Stauss) Prael.

After her marriage to Elroy A. Kluever at Trinity Lutheran Church, Mequon, on May 2, 1942, they settled in Jackson until 1950 when they moved to the former village of Barton.

She was employed for about 10 years at Schuster's Market and then Weddig's Market in Barton. She then did babysitting in her home for many years.

Her husband passed away Aug. 4, 1987.

Survivors include three children, Carol Kluever of

Green Bay, Sharon (Clifford) Seltrecht of Sheboygan and Susan (Steven) Spoerl of Kewaskum; 13 grandchildren; eight grandchildren; a brother, Harold "Mike" (Arvilla) of Newburg; and other relatives and friends.

A grandson, Bobbie Lee Seltecht predeceased.

She was a member of Immanuel UCC, and the Women of the Moose, West Bend Ch. 732.

Funeral services were held Wednesday, March 30, at 8 p.m. at the Schmidt Funeral Home, West Bend. Rev. Sharon Stier officiated and burial was Thursday morning in Washington County Memorial Park, West Bend.

Visitation at the funeral home was Wednesday from 4 p.m. until the time of services.

PRAYER OF THE BLESSED VIRGIN

(Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, Assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Holy Mary, I place this prayer for your hands (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you.

M.D.

THANK YOU

I would like to express my sincere thanks and appreciation to my family, relatives, friends and neighbors who remembered me with prayers and get well cards, phone calls, visits, sent flowers, brought in food or helped in any way, while I was in the hospital and after returning home.

Also special thanks to Pastor Pegorsch, Pastor Burtam and Vicar Phill for their special prayers and visits, all was greatly appreciated.

Also to Dr. Linermor, Dr. Schroeder and Dr. Brauer.

Thank you again to everyone.

A Birthday Tribute to BRENDA OELHAFEN

April 10

Spring '94" Birthday '24"

Do they celebrate your special day there?
Are Grandma and your grandpas there with you?
Is there music, dancing and probably laughing?
Are there lots of children there with you?
You loved children--the more the better.

Do you have a cake, all decorated so perfectly?
Maybe presents, balloons and decorations?
Do you shed a tear because we can't be there with you?
Are you the one who puts the smiles on our faces?
The one who lightens our sorrow over losing you?

Every breath of fresh spring air,
Every bloom of spring,
Reminds us of your presence.

You were born in the spring--a sign of the life you lived.
We lost you in the fall--the time of rest.

Your memory will always continue in our hearts. Hope your "special day" is HEAVENLY.

Mom, Dad, Brad Brian & Shelly

MONEY MANAGEMENT

How Parents Can Reduce Their Tax Bills

By Wisconsin Institute of Certified Public Accountants

Need some relief from the high costs of raising children? If so, you can turn to Uncle Sam. According to the Wisconsin Institute of CPAs, you may be entitled to tax exemptions and deductions that can directly reduce the costs associated with raising your children. Smart tax planning can also help you to save for your child's future while minimizing the tax bite on your income.

CLAIM THE DEPENDENCY EXEMPTION. Even if you have a December baby, you may claim an exemption of \$2,350 on your 1993 tax return. You are entitled to one exemption for each child who qualifies as a dependent. Generally, a child qualifies as a dependent if he or she is under age 19 at the end of the year or is a full-time student under the age of 24. Other tax rules also apply, so be sure to check with a tax adviser.

Note that the dependency exemption is phased out for married individuals filing jointly with adjusted gross income (AGIs) exceeding \$162,700; for married individuals filing separately with AGIs above \$81,350; for single filers with AGIs above \$108,450; and for head of household with AGIs above \$135,600.

RECORD MEDICAL EXPENSES. You may also get some tax relief from the high costs of your children's medical expenses. Qualified medical expenses, including those of your spouse (if you file jointly) and qualified dependents, are deductible to the extent that they exceed 7.5 percent of your adjusted gross income. Any medical expenses over this amount are fully deductible in the year they are paid.

CHILD CARE CREDIT. If you must hire child-care help or send your children to a day-care facility so you and your spouse can work, you may be entitled to a tax credit that can directly reduce your tax bill. To qualify for the full credit, your AGI must be \$10,000 or less. The credit is then equal to 30

percent of certain employment-related child care expenses. The maximum amount of employment-related expenses that can be considered for the credit is \$2,400 for one qualifying child and \$4,800 for two or more children. The amount of the credit decreases by 1 percent for each \$2,000 or part of \$2,000 of your adjusted gross income in excess of \$10,000, but not below 20 percent. Thus, for taxpayers with AGIs over \$28,000, the applicable percentage is 20 percent.

TAKE ADVANTAGE OF THE GIFT TAX EXCLUSION. When it comes to building your child's savings account, you may be able to use some-tax advantaged strategies. For example, you can give up to \$10,000 a year (\$20,000 a year if both parents make a gift) to each of your children without paying any gift tax. The benefit: you remove the gift amount, as well as any income the gift may earn, from your taxable estate. Also, if your child is age 14 or over, any interest the money earns will be taxed at the child's lower rate.

GIVE APPRECIATED ASSETS TO YOUR CHILDREN. Another way to reduce your taxes while increasing your child's financial resources is to give assets to the child and let the child sell them. If you sold the asset yourself, you could face a long term capital gains tax of 28 percent.

However, if the child sells the assets, the gain will be taxed at the child's rate if the child is age 14 or older at the end of the taxable year. For the 1993 tax year, children are in the 15-percent tax bracket until their income exceeds \$22,100.

BEWARE OF THE KIDDIE TAX. Under the kiddie tax, if your child is under age 14, the first \$600 of unearned income is tax exempt; the next \$600 is taxed at 15 percent; earnings above \$1,200 are taxed at the parents' highest marginal tax rate. For the 1993 tax year,

Stroke Club to Meet April 14

The next Stroke Club meeting for Washington County community members will be held on Thursday, April 14 at 1:30 p.m. in the assembly room at the Cedar Ridge Retirement Campus. Cedar Ridge is located at 113 Cedar Ridge Drive, just off of Scenic Drive in West Bend.

"Death Decisions in the Midst of Life" will be the topic of Donna Kehle, Social Worker Cedar Haven Rehabilitation Agency.

The Stroke Club is for people who have had a stroke, their families or to those who provide care to stroke patients. The Washington County Stroke Club is presented by the Cedar Haven Rehabilitation Agency and the American Heart Association of Wisconsin.

For more information, call Cedar Haven at 334-1486. Those needing assistance in arranging transportation to the Stroke Club can call the Washington County Office on Aging at 335-4497.

Cantaloupe, honeydew, casaba, Persian and Odessa are all varieties of the muskmelon. Their differences are the result of cultivation in different regions of the world.

this means that the income could be taxed at a rate as high as 39.6 percent.

To prevent your child from incurring high taxes on investment earnings, you can limit the annual taxable income in the account while the child is under age 14. One way to do this, according to CPAs, is by investing in tax-free or tax-deferred vehicles.

The WICPA is one of the largest professional organizations in Wisconsin, serving over 7,200 CPAs working within the areas of education, government, industry, public, private and not-for-profit areas. Their offices are located at 180 N. Executive Dr., Brookfield, WI 53008.

Lack of Understanding About PMS Causes Family Tension

A national study surveying women suffering from premenstrual syndrome indicates that PMS is taking its toll on families as well as the women who are suffering from it. PMS Access in Madison, surveyed 375 women across the United States and found that 79 percent of the respondents said PMS has affected their relationship with their families.

"So many women tell me how their PMS symptoms of anger, irritability and depression affect the mood of their entire

families," said Marla Ahlgrimm, founder of PMS Access and leader of the survey study. "Family members need to learn more about PMS so they can support the PMS sufferer."

According to Ahlgrimm, several ways families can help include:

* Chart PMS symptoms so family members can anticipate behavior.

* Communicate openly about PMS. This means talking as well as listening.

* Prepare well-balanced

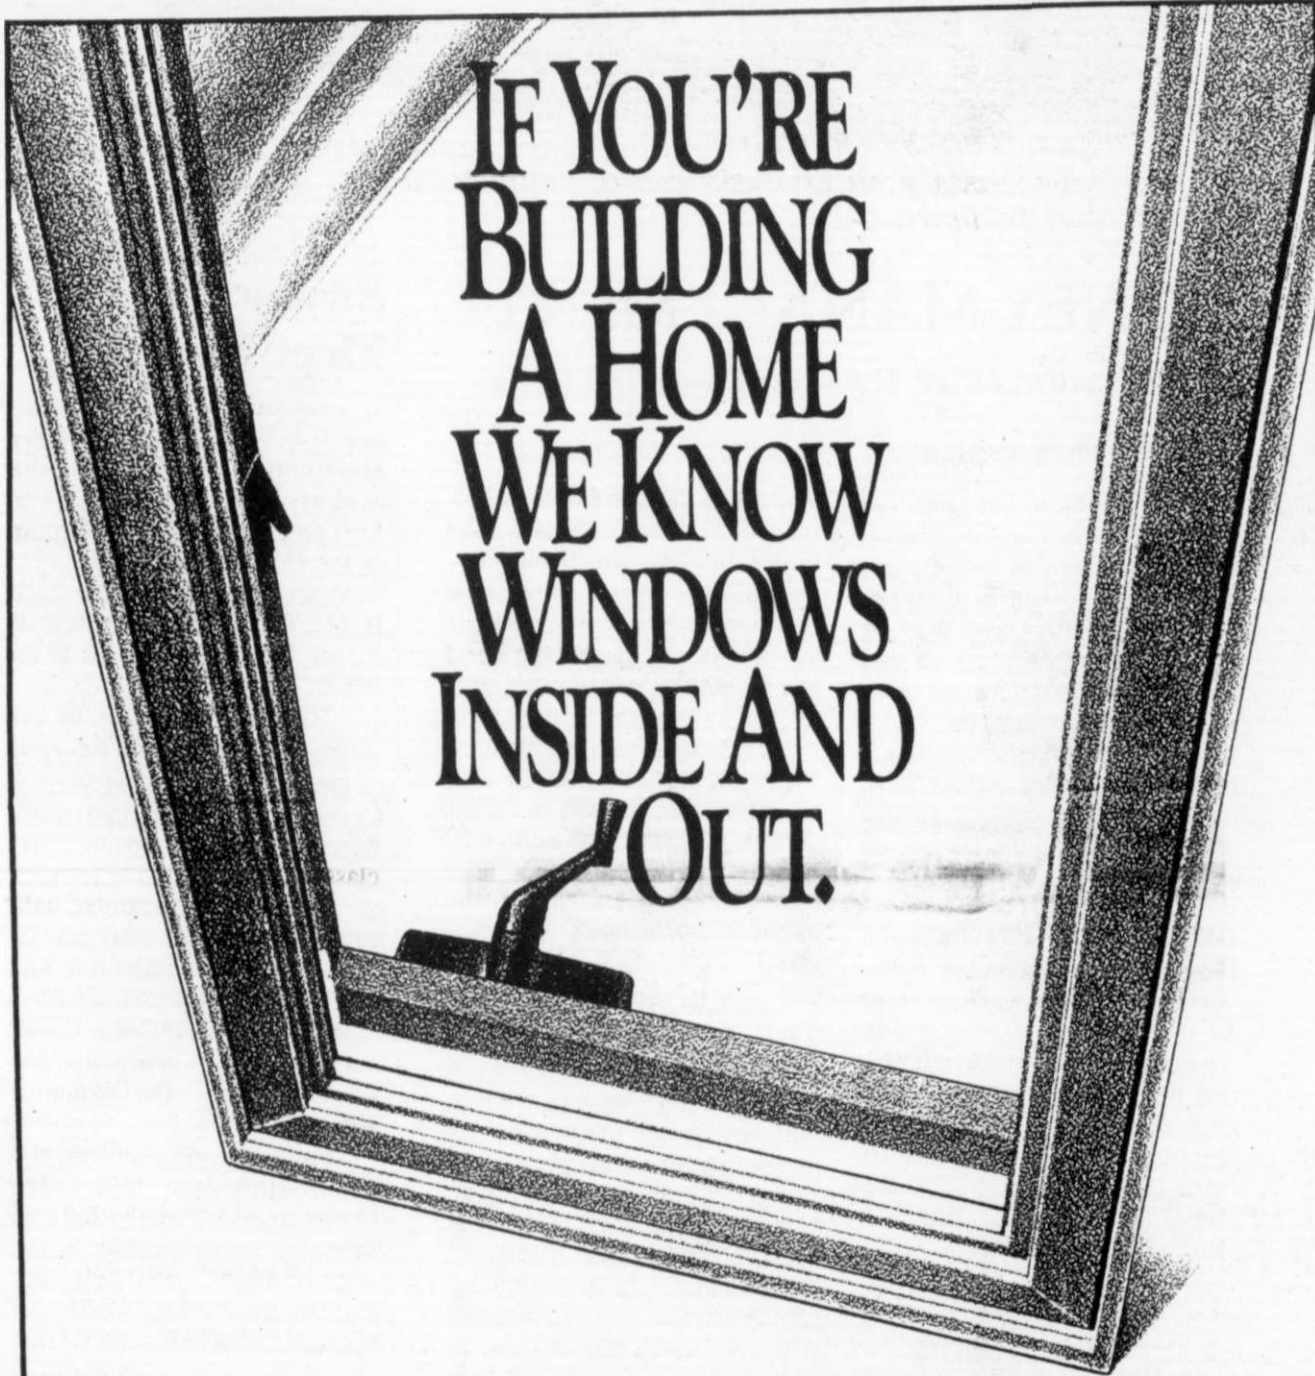

meals, cutting down on sugar, alcohol and caffeine.

* Work together to reduce stress for the PMS sufferer by dividing chores among family members.

* Take over child care if possible to give the PMS sufferer time to herself.

* Minimize special events during PMS times.

* Respect the PMS sufferer's wishes for physical affection. Some women want hugs at this time while others prefer no physical contact.

Second Graders Enjoy Maple Sugarin' Time

Nature enthusiasts from Kewaskum Elementary bundled up to learn the art of tapping maple trees.

Each student made their own placemat with a "maple," then for the much enjoyed pancakes. Pictured (L to R) displaying their work, Dustin Clausing and Monica Brockman from Mrs. Ammel's class.

Students watched the boiling of the maple sap at Riveredge Nature Center.

The third grade classes enjoyed a pancake breakfast Monday morning.

The witch hazel plant is so called, it's believed, because its forked twigs were once thought to have magic power in pointing out hidden springs of water.

Three second grade classes from Kewaskum Elementary enjoyed a trip to Riveredge Nature Center, located in Newburg on Friday, March 25th, for their "Maple Sugarin' Time."

The two hour tour took them along trails to the maple grove where they learned to tap the trees and watched the sap run. They also saw the boiling process and got to sample the maple syrup with pancakes. Mr. Schneider, Mrs. Robrahn and Mrs. Ammel accompanied their classes.

The PTO donated the money for bussing costs, and the students helped raise money through fundraisers.

On the following Monday, all three classes enjoyed a pancake breakfast, with the help of some mothers. All the placemats were made by the students. The following are excerpts written by a few of the students themselves.

MAPLE SYRUP

My class went on a trip to see how maple syrup is made. We got to taste it right when it came out of the tree. It was really good. I liked it a lot. They showed us how it was made. It was really interesting and cool. They even let us taste some maple syrup on pancakes. I liked it a lot.

By Haley S. Gilles

HOW TO MAKE MAPLE SYRUP

First you find a maple tree. Second you tap a hole in the tree and the sap fills the bucket. Third you get the sap from the tree. Fourth, you boil the sap. Fifth you take it to the store. Then you buy it. The good part is EAT THE MAPLE SYRUP!

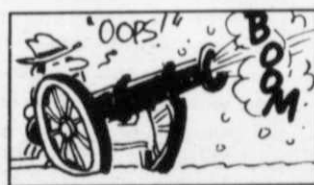

By Crystal Gavin

OUR TRIP TO RIVEREDGE

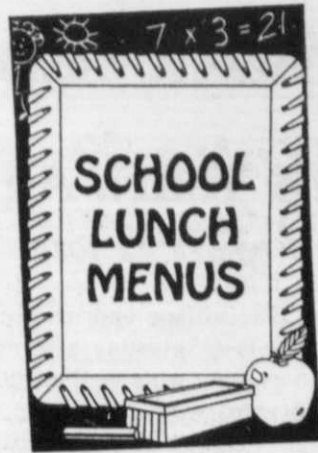

On March 25, 1994 our second grade class went to Riveredge Nature Center to see how Maple Syrup was made. First we went on the bus to go there. It was a nice drive. Then we got off the bus and went on a trail. We stopped and listened to the birds sing. Then we saw Maple trees. We saw a spile in

the tree and Maple sap was coming out of the tree. We went up the hill and saw what a Maple tree needs to grow and to form Maple sap. Then we met the other groups and we picked a Maple tree to drill a hole in. We got to taste some sap right out of the tree. Then went up to the lodge and saw "Father Fire" and saw Maple Syrup cooking. Then we had pancakes with Maple Syrup and a pickle. I ate all of it. After that we had to lick our plates. Then we went back up the trail go to our bus and went back to our school. I had a lot of fun!

Sometime during Thursday night burglars entered the A.G. Koch General Store and ransacked the place. The vault was entered, but nothing, however, was found missing by the proprietors on Friday morning. The men were professionals in their work was plainly seen by the fact that no trace could be found, how the store was entered, as all doors were found to be locked the next morning. No windows were pried open or broken. The vault and safe doors had been opened without using force or doing any damage to them whatever. No trace or clue has been found as to the whereabouts of the burglars.

The home of Mrs. John Petri at Wayne was brightened Tuesday by the arrival of a little daughter born to Mr. and Mrs. Wendel Petri.

The West Bend Brewers was sold at public auction last week Friday morning, consisting of the entire plant, building, machinery and equipment for the amount of \$25,000. The plant was purchased by Carl Pick of West Bend. The brewery was valued at \$120,000. The depreciation is due to the fact the entire nation is going dry after July 1st. Although they were forced to stop brewing in December, they have enough beer on hand to supply their customers until July 1st when national prohibition takes effect. The West Bend Brewery was founded in 1848, and for nearly fifty years, formed one of the

chief industries in that city, as well as of the county. The establishment was known far and near for the good quality of lager beer brewed by that company. They employed 29 people, most of who were forced to seek other employment. The brewery will in the future be used for the purpose of making malt beverage, for which a trademark has already been adopted by the new management. The new beverage will come as near to the lager beer, in its refreshing qualities as the law will allow.

A monstrosity in the form of a pig created considerable interest at the farm of August Pepin of the Town of Hartford this week. It was a pig with two bodies and one head. Each body

of the animal being of the normal size for a tiny pig. The two bodies were perfect up to the neck, where they were joined together to the one head. The latter had three ears. It was such a curiosity that it was suggested to the family that it be preserved in alcohol. The rest of the pigs in the litter were normal.

A Message from the Postmaster

Hello Kewaskum Statesman readers, and how is everyone doing today?

I have a variety of subjects to cover and hope that you find them interesting and informative, okay?

First of all, I have to announce a contest for the kids of the community. McDonalds and the Postal Service have joined together for a "McWorld Environmental Stamp Design Contest." Entry forms are available in the lobby at the Kewaskum Post Office (as well as other post offices in the area). Let me give you some information about it, okay?

-- You must be a "kid" between the ages of 8 and 13.

-- Obtain an entry form at the post office and read every single word on BOTH SIDES. If you have any questions, ask your parents.

-- Draw a really great picture about helping the environment on a horizontal 8 1/2 by 11 inch piece of paper.

-- Entry must be received by April 30, 1994. Artwork will NOT be returned.

-- 102 finalists will receive: \$100 U.S. Savings bond (value at maturity) and a framed copy of their artwork.

-- Four winners will receive: (the same as mentioned for the finalists, \$3,000 in U.S. Savings bonds (value at maturity), a trip to Washington D.C., a good seat at the stamp ceremony and THEIR design printed on nearly 50 million official U.S. Postage stamps!

Okay... kids of Kewaskum... let's show our stuff, okay? As your Postmaster, I know there is a GREAT deal of talent in our community... just look at the entries that we had for the decorating of the "Eternal Christmas Tree" at our office. Feel free to stop in and/or call me if you have any further questions on this. I am sure that I speak for the entire community when I say... "Got a lot of super talent out there... let's get a lot of entries into this national contest okay?" Thanks!

Next topic of discussion... Postage rate increase! As your Postmaster, please let me share a few things with you:

-- The U.S. Postal Service is committed to holding down costs and improving service. Recent indications are that the Postal Service is doing a better job giving the customers value for their dollar.

-- Postal rates will remain steady until at least early 1995. This would be the FIRST time rates have remained unchanged for a four-year period since 1971.

-- Since the last rate increase in February, 1991, we have become leaner and more efficient, the latest nationwide customer surveys show 89% of Americans give us high marks.

We're hearing a demand for better customer service and responding by adjusting our window and/or lobby hours.

-- We deliver about 40% of the world's mail.

-- Although we're subject to inflationary pressures just like any organization, we're working hard to keep our costs near the rate of inflation. The Postal Service's commitment to steady rates and improved service adds up to one thing for you... the customer... GOOD VALUE FOR YOUR DOLLAR.

Final discussion of this week's column -- UNWANTED/UNORDERED MERCHANDISE:

At least once a day, a customer stops in with this type of problem. Here are a few guidelines that hopefully will assist you when this might happen to you.

-- If you order an item, do not like it for whatever your reason, you MUST pay postage to return it if you OPEN ANY PART of the package (including the envelope). Yes, the words "forwarding and return postage guaranteed" DO MEAN something... ONLY IF YOU OPEN NO PART OF THE "piece."

--Okay... let's just say you receive something in the mail and you DID NOT ORDER IT... What can you do? Please just follow these simple guidelines and you are protected:

-- FIRST AND FOREMOST, the law states that you have a right to keep this UNWANTED AND UNORDERED MERCHANDISE. You can ignore ALL future billings and you probably might do that BUT then a notice comes that states, "This matter is being referred to a "collection agency."

Most people get very upset with this but, as your Postmaster I can tell you an easy way to "alleviate your worries." (You may want to cut this out for future reference:)

--If an 800 number is NOT available, take your package to the post office and just inquire

the cost to return the package. Have the clerk write this amount on your package.

-- Purchase a 19 cent postcard (most economical) and put this message on the postcard: "The Postal Service has advised me that unwanted and unordered merchandise received by me is MINE TO KEEP -- BY LAW. IF, however, you would like the merchandise returned -- you will have to send me postage in the amount of (and then enter what it may cost to send the item back). FINALIZE your statement with... "I consider this matter closed unless I get the postage from you and then, and ONLY THEN will I send the UNWANTED AND UNORDERED MERCHANDISE back to you!

Make a copy of all correspondence... set back and relax!

Well, that is about it for this week. Again, thank you to all of those that come in, ask questions and supply "input" into what they would like to see answered in this column.

Until next week... TRY to have a good day... a happy everyday!

Your Postmaster,
Bonnie

Cedar Campuses Hires New Services Director

Peter Chang

Mr. Steven Jaberg, Executive Director of Cedar Campuses announces the hiring of Mr. Peter Chang as their Corporate Services Director. In this new position, Mr. Chang will oversee those departments of the Cedar Lake Home which provide non-direct resident care.

He is also charged with the responsibility of overseeing daily operations related to the proposed Cedar Bay Residential Facility.

Mr. Chang is a licensed nursing home administrator and has had experience as a hospital administrator as well as overseeing the operations of a community based residential facility. Prior to joining the Cedar Campuses Team, Mr. Chang served as the administrator of Lutheran Manor in Milwaukee.

The Benevolent Corporation Cedar Campuses, a church affiliated non-profit organization provides skilled nursing care, retirement living and therapy for almost 1,000 senior individuals. Cedar Campuses employs over 600 people from the West Bend area, making it one of West Bend's and Washington County's largest employers.

A restaurant once advertised: "The early bird gets the worm! Special shoppers' luncheon before 11 a.m."

Orville Kern,
Town Clerk

School Board Meeting Minutes

School District of Kewaskum
Kewaskum, Wisconsin
53040

Regular Meeting February 14, 1994

President Weare called the meeting to order at 7:00 p.m.

Members present: Ray Engelking, Jean Goeden, John Schulte, Neal Weare, Ron Beimborn, Ruth Schmitt.

Members absent: none.
Clerk Goeden led the Pledge of Allegiance.

Beimborn/Schmitt motion to approve the agenda. Motion passed 5-0.

Audience to visitors; receiving of delegations: Dr. Heather informed the board that consideration is being given to lower the GED passing rate from 250 to 230. Board members may want to contact Mr. Benson should they have any concerns or comments about the issue.

Mr. Schulte highlighted the resolutions which were voted on at the WASB convention.

Mrs. Schmitt thanked the Kewaskum Statesman, West Bend News and WBKV radio station for their excellent coverage and accurate reporting of the referendum.

Mrs. Goeden commended the Steering Committee for the time and effort spent on promoting the referendum.

Heather Coulter was honored as the February Student of the Month.

Student Representative Debbie McChain reported on recent student council activities. During Snowball Week several fund raisers were held with the proceeds going to the American Cancer Society. On March 3rd the student council members will participate in an exchange program and will unite with other student council members in Wautoma. The KHS wrestlers will proceed to sectionals in East Troy.

Schmitt/Schulte motion to approve the January 10, 1994 Regular Meeting minutes. Motion passed 5-0.

The Policy-Legislation-Bylaw Committee will meet February 21, 1994 beginning at 7:00 p.m. in the district office.

The Finance-Transportation-Building and Grounds Committee will meet February 28, 1994 beginning at 7:00 p.m. in the district office.

Goeden/Schmitt motion to appoint Karen Sparks to fill the board member vacancy. Motion passed 6-0. (President Weare voted.)

Clerk Jean Goeden administered the oath of office to Karen Sparks.

Schmitt/Schulte motion to approve the payroll and accounts payable in the amount of \$909,183.52. Motion passed 6-0.

Dr. Heather provided the board with an update of the 1993-94 budget.

Schmitt/Sparks motion to approve a limited term contract for Jerry Wetherall for an instructional position at KHS. Motion passed 6-0.

President Weare appointed Jean Goeden as chairperson of the Finance-Transportation-Buildings and Grounds Committee.

Connie Strand updated the board on the district's position with regard to dyslexia. Eight parents from the audience spoke to the board, requesting that the district take a more direct approach to identifying and educating dyslexic students. Mr. Weare assured the parents that it would be a top priority to work on a curriculum for meeting

those needs.

Mr. John Mehan from R.W. Baird, Inc. discussed financing the bond issue on the proposed referendum.

Discussion took place with regard to forming a District Charter School. Mrs. Schmitt, who initiated the discussion will be obtaining more information and the issue will be further discussed at a future board work session.

Motion passed 6-0. The meeting ended at 9:20 p.m.

SPECIAL MEETING FEBRUARY 18, 1994

President Weare called the meeting to order at 7:06 p.m.

Board members present: Ray Engelking, Karen Sparks, Ruth Schmitt, Ron Beimborn, John Schulte, Jean Goeden, Neal Weare.

Board members absent: None.
Discussion ensued regarding the \$7,515,000.00 building referendum which failed in the Tuesday, February, 15, 1994 primary election. Mr. Weare said the meeting was called to poll each board member and collectively decide whether the board should propose the same

referendum again in the April election, propose a different referendum, or do nothing more at this time.

Each board member addressed the issue and stated his/her feelings based on input that was received from taxpayers over the past several days since the referendum failed. Gail Van Ess, Co-chairperson of the Referendum Steering Committee, as well as other citizens in the audience joined in the discussion and related information and viewpoints obtained from citizens in the community.

After considerable deliberation it was the consensus of the board to have another referendum vote in the April election. Voters will be asked to support a building referendum in the amount of \$5,300,000 which

does not include an auditorium.

Sparks/Engelking motion to approve initial resolution authorizing general obligation bonds at the spring election in an amount not to exceed \$5,300,000. Motion passed 6-1 with Neal Weare voting no.

Schmitt/Schulte motion to approve resolution providing for a referendum election on the question of the approval of an initial resolution authorizing the issuance of general obligation school building bonds at the spring election in an amount not to exceed \$5,300,000. Motion passed 5-2 with Neal Weare and Ron Beimborn voting no.

Schmitt/Sparks motion to adjourn. Motion passed on a voice vote. The meeting adjourned at 9:00 p.m.

Boating in Cold Water

With the ice off most of the rivers and soon to be off most of the lakes, boaters should be aware of the dangers cold water boating can present.

Every year, boaters find themselves in dangerous situations in the early spring because of the cold and often, fast moving water. Wearing a personal floatation device, PFD, is always a good idea, but especially important in the spring.

Taking an unexpected dunk in cold water can be deadly even to an experienced swimmer. Take time to check all the PFD's on board your boat and insist that your passengers wear them.

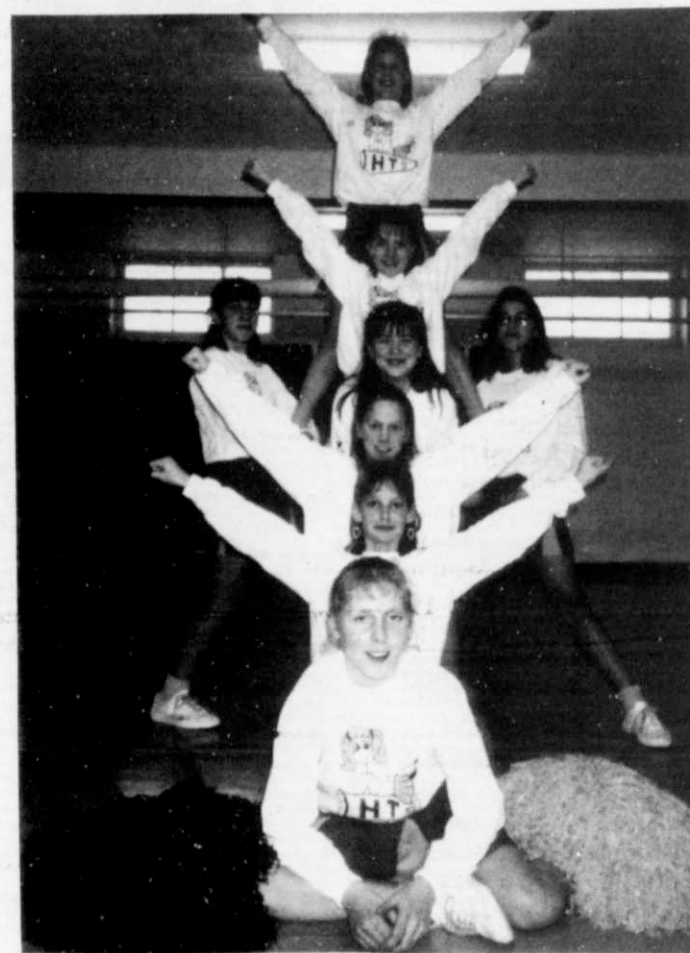

Replace any PFD that may be ripped or not serviceable and consider that in 1995 all boats under 16 feet in length will be required to carry a wearable type PFD for each person on the boat. In the past, a boat cushion was allowable on a boat under 16 feet, but that will change in 1995.

Boaters are also reminded to check their fire extinguisher to see that it is full and to be sure that all batteries in the boat are secured and the terminals are covered with a nonconductive material, to prevent a fire.

Often times in the rush to get the boat on the water safety consideration are overlooked. This can be a deadly mistake!

If you have any other questions feel free to give me a call.

KHS Girls Run Past Lions

By Noel Stollenwerk

KEWASKUM - The Kewaskum girls track team got its usual steady performance from its veterans against Lomira here, last Thursday, but it was some surprising efforts by newcomers that helped propel the Lady Indians past the Lions, 94-37.

"It went pretty well for us," KHS coach Perry Koth said of the meet, which he viewed as a chance to look at some people, and where they would help us. There's still a lot of kids that I don't know much about."

The shot put trio of Becky Yogerst (32-1), Katie Yogerst (30-3.25), and Jenny Goodsell (29-0) went 1-2-3 in the event, the first sweep by KHS this season.

Koth also got a pleasant surprise from Julie Froemming, who won the 300 hurdles (57.9) after practicing the event for just one day.

A question mark going into the year was who would be the fourth runner to fill out the 1600 relay team, which returned three members from last season's state-qualifying unit. That question mark may have been answered in this meet, however, as Greta Kuphal helped the relay team to a 4:31.5 clocking, easily winning the race.

"We really missed her last year," Koth said of Kuphal, who was injured most of the 1993 season. Kuphal added a 13.6 clocking in winning the 100 dash, and Koth noted "that's a pretty good start for her. Her best time as a freshman was a 13.3."

Overall, the Lady Indians captured 13 firsts in the 17 events. The showing only helped to add to Koth's enthusiasm regarding the upcoming outdoor season.

"I think it's going to be a good year for us," Koth added. "We lost some very good people (due to graduation) from last year. But we seem to be in fairly good shape at this point."

All progress has resulted from people who took unpopular positions.

Benchrest Shooting Awards Presented

The West Bend Barton Sportsman's Club recently presented awards to the winners of their 1993 Center-Fire Benchrest League.

In the Sporter Class, first place went to Don Schmidt with an average of 156.4; second place went to Richard Lewandowski with an average of 154.2 and in third place was Larry Spencer with an average of 152.8.

The Sporter Class was the tightest competition with only 3.6 points separating first from third place.

In the Heavy Varmint Class, first place went to Carl Nickel with an average of 192.9, second place went to Richard A. Frank Jr. with an average of 180.8 and third place went to Don Schmidt with an average of 170.4.

The Unlimited Pistol Class first place went to Paul Reindl with an average of 190.8.

In the Unlimited Rifle Class, first place went to Jim Ramthun with an average of 199.4, second place went to Paul Reindl with an average of 195.6 and in third place was Tim Preder with an average of 182.6.

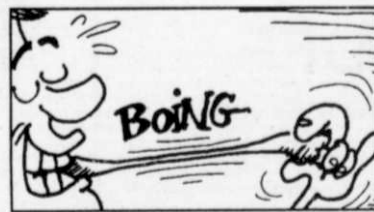

A perfect score, which is 200 requires all 20 shots to hit a one half inch bullseye at a distance of 100 yards.

There are seven different shooting classes which allows similar type rifles and pistols to compete in their own class.

The public is invited to come out and watch or better yet to shoot in the league which is held on the first Sunday of the month starting at 9 a.m. at the club range on Trap Shoot Lane. The telephone number is 334-9920.

The West Bend Barton Sportsman's Club would like to thank all of the 1993 shooters for making this league a success, and wish a safe and enjoyable shooting season to all in 1994.

If you need more information or a shooting schedule you can contact Jim at 334-7589 after 5 p.m.

Shorthanded KHS Boys Fall

By Noel Stollenwerk

KEWASKUM - While last Monday's season-opening track meet probably wasn't an adequate indicator of where the Kewaskum boys stand thus far, it did show how strong New Holstein should be this season.

The Huskies took advantage of an undermanned Indians team, posting a decisive 87-31 win in the dual meet. KHS was missing several members due to injury, missed practices, and other reasons.

Still, New Holstein showed it would be a force to be reckoned with this season. The Huskies' Brad Bosma won three events, the high jump (6-0), high hurdles (6.9), and the low hurdles (6.9).

The Huskies proved that the strong showing wasn't a fluke, as just four days later, they finished in a first-place tie at the Oshkosh Invitational, a 41-school meet. Kewaskum, meanwhile, finished ninth at the meet.

Kewaskum did net three first-place finishes against the talented Huskies. Wade Kreis won the long jump with an impressive jump of 19-3. The field events were good to the Indians, as Andy Mathias added a first in the shot put (40-3.75).

The lone other KHS first came from Matt Tonn, who won the 400 (58.3).

Indians Edge Lomira

By Noel Stollenwerk

KEWASKUM - It was a good day all-around for the Kewaskum boys track team here, last Thursday afternoon.

The Indians got a school record-setting performance from Travis Jacak in the high jump, and used that effort to help beat Lomira, 63-59, in a non-conference meet.

Jacak, a two-time Eastern Wisconsin Conference champion, cleared the 6-4 mark in the event, easily breaking the old record (6-2.75), held by Mike Steinhardt.

"He's looking pretty good so far," KHS coach Jerry Gosa said of the 6-4 junior jumper. "To me, it was just a question of when he was going to break the record. He almost cleared the 6-5 mark at Oshkosh (March 25)."

Gosa got a 1-2 finish from his pole vaulters, Brad Jackson and Wade Kreis, who went 12-6 and 12-0, respectively.

"They're coming along nicely," Gosa said of the pair. "We just have to try and keep them healthy and injury-free. They are going to have a good season."

Gosa was also pleased with the performance of Andy Mathias, who was a double winner in the shot put (43-4.5) and discus (108-0). "He shot putted four and a half inches farther than his previous personal best."

Other firsts by the Indians included Peter Reis in the 300 hurdles (47.0) and Tony Rix in the 800 (2:24.4). Gosa noted that he held out several runners, hoping not to overwork them.

"We don't want to overrun

them this year," Gosa said. "Too much training and too much racing isn't a good combination."

"But we still have to work on getting everybody in better condition," he added. "We are not to that point yet where we are in good shape."

KEWASKUM - The weather has been known not to cooperate at times, but that won't stop the Kewaskum High School athletes from getting ready to open the spring sports schedule.

Action in all the major spring sports is slated to get underway next week, weather

permitting. While boys and girls track has already started competing in meets, boys golf and tennis, as well as girls softball games should commence beginning Tuesday, April 12.

That's when the Indian girls softball team is slated to travel to New Holstein for their season opener. The Lady Indians open their home slate on Thursday,

when they host Elkhart Lake.

Golf season begins Friday, April 15, when the Indians travel to Horicon for an Invitational meet. Action gets underway on the tennis courts on Wednesday, with a junior varsity match at West Bend West.

Previews for the upcoming seasons will appear in next week's Statesman.
