St. Francis Capital Corp. to Acquire Valley Bank

MILWAUKEE, May 9.... St. Francis Capital Corporation (NASDAQ:STFR), announced that it has reached a definitive agreement with Valley Bancorporation and Marshall & Ilsley Corporation to acquire the Kewaskum and Hartford offices of Valley Bancorporation.

The Company will acquire all of the stock of Valley Bank, East Central, a state banking association, which at the date of acquisition will hold only the assets and liabilities of the Kewaskum branch. In addition to the acquisition of the commercial banking charter, the Company will also acquire certain of the assets and assume certain of the liabilities of the Hartford branch. The combined purchase price, based on the

aggregate book value of the assets to be purchased and a percentage of deposits which are to be transferred, is expected to be approximately \$8.0 million, plus an additional payment at book value for loans which are to be assumed.

The offices, with combined deposits of approximately \$80 million, are intended to be operated as a commercial bank under the bank charter to be acquired in the transaction.

It is anticipated that the acquisition will be consummated by October 1994. The transaction is subject to required state and federal regulatory approvals, as well as the satisfaction of certain other conditions.

The Kewaskum and Hartford

offices were offered for sale as part of an agreement to clear government antitrust concerns and facilitate the purchase of Valley Bancorporation by the Marshall & Ilsley Corporation.

John C. Schlosser, President and Chief Executive Officer noted that the new bank would operate as a separate subsidiary of St. Francis Capital Corporation. The Corporation is the parent of St. Francis Bank, F.S.B., a federal savings bank.

"We are delighted at this opportunity to enter the commercial banking business," Schlosser stated. "The opportunity is particularly attractive because the offices are located in rapidly growing Washington County," he added.

St. Francis Capital Corpora-

tion, with \$878 million in assets, is the holding company of St. Francis Bank, F.S.B. which is the third largest Milwaukee-based savings institution.

Founded in 1923, St. Francis Bank, F.S.B. operates 11 full-service offices throughout Milwaukee, Waukesha and Ozaukee counties.

Lynn Thull Receives Music Award

Pictured left to right, bandleader Gary Brueggen presents European-American Music Award to Lynn Thull of Kewaskum.

On April 9th, Lynn Thull of Kewaskum, was presented the European-American Music Award.

The award was presented at the Holiday Inn, Wisconsin Dells Polkafest in front of about 800 polka-loving people, friends and family by Gary Brueggen, bandleader from Cashton, on behalf of the World of Polkas and the Polka News Network of St. Charles, Michigan.

Lynn is very talented in the music field, she plays piano, keyboard, trumpet, trombone, drums and tuba. Lynn has been involved with the World of Polkas since the age of three, dancing to her grandfathers band (Bill Thull Orchestra) in which her father is a member, and now playing keyboard with the Goodtime Dutchmen along with her cousins and uncle.

During her stay at the Dells from April 4-10 she had interviews on the Portage and Reedburg radio station, helped prepare for the polkafest with coordinators, Mike and Judi Lewison and played at the fest all three days. She had also received a phone call from State Senator Mary E. Panzer on behalf of herself and Governor Thompson congratulating her on this prestigious award, com-

mending her music instructors as well as her parents, Mike and Connie, on providing the opportunity and environment to obtain this honor.

Lynn is a junior at Kewaskum High School, and a member of the symphonic, jazz and pep bands.

In the near future, Lynn will be honored as part of a display in the Folklore Museum in Mt. Horeb, Wisconsin.

Retirement Reception

The Kewaskum School Board, Faculty and Staff invite community members to join them in honoring Tom Larsen, Jim Borusky, David Jones, Suzanne Jones, Robert Krueger, and Carolyn Butz, who will be retiring at the end of the 1993-94 school year.

Janet Wolfenberger will also be honored for serving as a member of the Board of Education.

A reception will be held Wednesday, May 18, 1994 in the library at Kewaskum High School from 3:30 to 4:30 p.m. A presentation of awards is scheduled for 4 p.m. Cake and coffee will be served.

Steak Fry Proceeds Will Benefit River Walk Project

The Kewaskum Kiwanis and Kewaskum Lions Clubs will be jointly sponsoring a Community Steak Fry on Monday June 13, 1994, in River Hill Park beginning with refreshments at 6 p.m. and the Steak Fry at 6:30 p.m.

Advance sale tickets of \$9.00 per person can be purchased at the following Kewaskum businesses: Kuehl's Suds and Spirits, Glacier Inn, Kewaskum Frozen Foods, Homeplate Drive-In, Sentry Foods, Regal Ware, Inc., Miller's Furniture, Amerahn, Valley Bank, or from any Kiwanis or Lions Club member.

All proceeds from this joint Kiwanis/Lions Club fundraiser will be donated towards the Kewaskum School District River Walk Project.

The Kewaskum School District, in cooperation with several state and local groups, has developed a plan to improve and use school district land along the Milwaukee River. The first phase of this project involves erosion control and the building of a trail along the Milwaukee River adjacent to the Kewaskum Middle School. The majority of the planning and fund raising for this first phase is well underway.

The second phase of the plan involves the improvement of open land to the east of the Kewaskum Middle School and

Kewaskum High School. Plans for this area include the construction of two ponds, establishment of a woodlands area and development of a native grass and flower plot. A trail with learning stations will be constructed throughout this area for use by the school and community.

All of these improvements will benefit both the students of the Kewaskum School District and the community. In addition to being aesthetically pleasing,

the area will be used for study and research by science, agriculture and other classes. Having the chance to study river, pond, forest and prairie environments just outside the school building will be an opportunity matched by few communities in the state.

So join the Lions and Kiwanis on June 13, for a great meal and good fun! You will be supporting a worthwhile project that will directly benefit your community, your children and grandchildren.

Brooke Zanow Named National Award Winner

BROOKE ZANOW

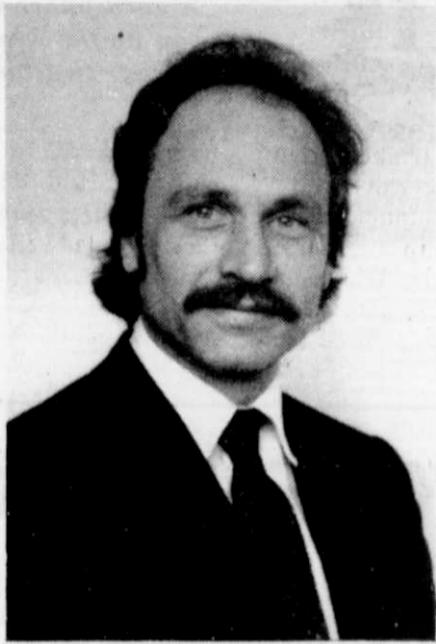

The United States Achievement Academy announced recently that Brooke Zanow has been named a United States National Award winner.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high school and middle school students.

Brooke, who attends Kewaskum Middle School, was nominated for this National Award by Mrs. Kathleen West, a teacher at the school. Brooke will appear in the United States Achievement Academy Official

Regal Promotes Lettow

LEO LETTOW

KEWASKUM... Regal Ware, Inc. is pleased to announce the promotion of Leo Lettow to the position of Director, Manufacturing Resources, effective May 1, 1994.

In this new position, Lettow will be responsible for planning and directing all manufacturing related services including: production capacity planning, customer driven transformation activities, quality initiatives, inventory control, manufacturing systems development and the coordination of sales and marketing specifications. He will also be assisting plant man-

agers in team building and the development and training of manufacturing personnel.

Lettow has been with Regal since December 1977, and previously held the position of Manager, Production and Inventory Control. He has extensive experience in Management Information Systems within the company and holds a Bachelor's Degree in Business Administration from the University of Wisconsin, Milwaukee.

Regal Ware, Inc. is a major manufacturer of cookware and kitchen electrics headquartered in Kewaskum, Wisconsin.

Town of Wayne Adult Bookstore May Reopen

A May 23rd public hearing has been set to give the Town of Wayne residents a chance to speak on the possible reopening of an adult bookstore that has been closed by court order since last October.

The owners of the bookstore, Special Souvenirs, have applied for a conditional use permit to allow them to reopen. The public hearing on the matter has been set for Monday, May 23, at 7 p.m. in the Wayne Town Hall at 6030 County Highway H.

The public hearing will give area residents a chance to express their thoughts on having an adult bookstore operating in the township. Feedback from the public will be used by the Town Board when it votes on whether to grant the conditional use permit or not.

The store was operating without a conditional use permit and an occupancy permit when Judge Leo Schlaeffer issued an injunction ordering the store closed. The store's attorney claimed the owners of the adult bookstore were exempt from town ordinances under First Amendment rights. Stan Riffel, the attorney representing the town in the matter, wants the injunction made permanent so the store cannot reopen.

Town of Wayne resident, Cam Kurer, who has spearheaded the citizens movement in opposition to the store

made it clear it was time that Wayne residents, the majority of whom signed a petition against the store, make their voices heard at the public hearing. "After all," he said, "it's a sad state of affairs when a business, or anyone else for that matter, can thumb their nose at the law and claim it's their constitutional right to do so."

Grothman Earns New Appointment

MADISON - State Representative Glenn Grothman (R-West Bend) was recently informed by Assembly Minority Leader David Prosser that he has been appointed to the Joint Committee for the Review of Administrative Rules.

Grothman will be one of two Assembly Republicans to serve on this committee, which reviews and oversees the rule-making process by which many state-level departments create new programs and mandates.

Grothman will fill the seat vacated by State Representative Robert Welch, who is running for the U.S. Senate seat currently held by Senator Herb Kohl.

JC's Annual Sandbox Fill

Who needs sand? Kewaskum Jaycees are again holding their annual sandbox fill on Saturday, May 21, from 9 a.m. to 1 p.m.

There will be a one to two mile radius limit of the village for deliveries. Donations will be accepted and used for local projects. One project being worked on is a play gym set for one of the parks in town.

Due to the rapid growth of our area, if apartment complexes call this must be stated. Single dwellings and or single apartment units will have first priority due to the availability of the sand.

Sand will not be delivered

if no one is home unless advance notice is given and placement of sand is verified. Call 626-2073 for sand delivery.

The Kewaskum Jaycees is a volunteer organization doing local projects for the community. New ideas are always welcome.

Meetings are held the last Thursday of every month at 8 p.m. at the Legion Hall. Members are between the ages of 21 and 40.

Come and see how you can make a difference or call 626-2073 or 626-2209 for more information.

KHS Student Attends Math, Engineering Talent Search

Left to right: Professor Young of UW-Madison, founder of Math and Engineering Talent Search Program, Ted Kuehn and Teacher Clark A. Pearson.

On Tuesday, May 3, Ted Kuehn attended a Math and Engineering Talent Search Honors Day Program at the University of Wisconsin, Madison.

Ted, who is a sophomore at Kewaskum High School, was one of only 21 students, statewide, who were so honored. Students were selected on their abilities to solve five different sets of math problems which were sent out by the university this year. The problems required original thinking and were quite difficult. This is the 30th year of this program which is used to help select the top math students in the state.

Ted is the son of Mr. and

Mrs. Christian Kuehn, 5874 Beaver Dam Rd., West Bend. Ted was accompanied to Madison by his math teacher, Clark A. Pearson.

Bicycle Safety Clinic June 11

It won't be long and the students will be out of school for summer vacation.

Of course, this will naturally mean a marked increase in the number of bicyclists in the village of Kewaskum and surrounding areas. It is hoped that all the children have a safe and fun-filled summer.

In preparation for bicycling safely this summer, all children in Kewaskum and the surrounding area are invited to participate in a Bicycle Safety Clinic at Kewaskum Middle School on Saturday, June 11th from 9 to 11 a.m.

Children completing kindergarten through fifth grade as of June 3, may attend. Registration forms will be sent home with your child through the schools and must be signed by parents.

The clinic will be co-sponsored by the Modern Woodmen of America, the Kewaskum Police Department and the GFWC Kewaskum Junior Woman's Club.

Modern Woodmen of America sponsors these clinics

to promote bicycle safety on a nation-wide basis. Bicycle riders will have their bikes safety inspected and will be tested on their riding skills and safety knowledge at the clinic.

The Bicycle Safety Clinic has been endorsed by law enforcement officers. Bicycles present a challenge to every community. Each year, thousands of children and adults are injured in accidents that could have been avoided if they would have kept their bikes in good running order, obeyed traffic laws and handled their bikes skillfully.

All participants will receive a Certificate of Participation, reflective decal, spoke reflector and a safety booklet. Members of the Kewaskum Police Department and Kewaskum Junior Woman's Club will administer the mechanical inspection, score the test for knowledge of traffic safety laws and basic bicycle safety, will judge and score the skill tests for riding. The Kewaskum Police Department will also be selling bicycle licenses that are

50 Years of Scouting

On April 24th Boy Scout Troop 744 of Kewaskum celebrated 50 years in scouting at a Court of Honor.

According to Council information, the troop started in 1942 with the American Legion as chartering sponsor. From the year 1943 thru 1944 Holy Trinity Catholic congregation was the sponsor. The American Legion was again the sponsor from 1945 thru 1946. From 1947 the Kiwanis Club have

Yearbook, published annually.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

been the sponsors.

About that same time, L.N. Peterson was committee chairman of the troop. L.N. Peterson was also very active with Bay Lakes Council which included becoming council president. He received both the Silver and Golden Beaver awards.

The past Scout Masters areas follows: L.E. Gibson 1942-1943, Tom Green 1943-1950, Mike Gnacinski (Eugene) 1950-1959, Cyril Wietor 1959-1960, Mike Gnacinski 1960-1968, Robert Sparks 1968-1976, Thomas Koerble 1976-1978, Ted Miller 1978-1980, Karl Fee 1980-1981, Merle Miller 1981-1982, Mike Weiss 1982-1984, Fred Gildersleeve 1984-1988, Dennis Giese 1988-1989, Fred Lettow 1989-1991, John Theisen 1991. (Note according to council records, 1960 Scout Master was Cyril Wietor but according to our copy of 1960 charter, it was Ned Sengpiel?)

Past Scout Masters and Eagle Scouts were invited to

this celebration. A special thank you to Bob Sparks for his slide presentation and memories shared. It was interesting to see old patches, pictures, charters and books.

I would like to thank the Kiwanis Club for their continuing sponsor of the Boy Scouts and the Cub Scouts.

I would also like to thank the American Legion post for the use of their facilities. Without organizations like these helping today's youth, the Boy Scouts would have a hard time existing in Kewaskum. I would also like to thank Jack Eckes, Mark Boden, Dennis Trzecinski, Jackie Trzecinski, Karen Erdmann, Tom Tobin, Jerry Gosa, and Fred Lettow for donating their time and talents to help keep the troop run smoothly. Again, a thank you to all.

Also at the Court of Honor, Jon Eckes and Nick Theisen received their badge for the rank of Life Scout. Aaron Tobin received his 2nd class rank.

Letters to the Editor

DEAR EDITOR:

Well, we had our first annual "Spring Clean Up Day" in Kewaskum and I felt it went pretty well seeing this was our first year. To be honest with you, I was concerned if Mother Nature was going to cooperate with us, but she didn't let us down. The weather was some of the best we had this spring so far. Thank God it wasn't the following Saturday.

I feel this was very well received and I heard many positive comments. I'd like to thank all the individuals, groups and organizations that helped out. I know I had fun working in River Hill Park with the Cub Scouts.

I also would like to thank the Department of Public Works personnel who worked on their day off.

This year was a good start, so I feel we should try this again next year.

Thank you,
Bob Wagner,
Village President

Dear Editor:

The very moral fiber of America is at risk with a crisis so visible that we cannot see it. It's at the root of the moral erosion pervasive in every corner of our country. While we scream bloody murder, protest and debate the abortion issue, worry about rising teen pregnancies, and wonder what to do about the increase in violent crimes, the real wolf in sheep's clothing prowls about undetected, unprotested, even elusive behind laws that are weak and unenforceable. As one person put it, "A little smut never hurt anyone."

I'm talking about pornography. This is the snake in the grass that deceives us into believing lies like this. Lies like pornography doesn't destroy marriages. Lies like pornography doesn't lead to violence against women and children. Lies like pornography has nothing to do with the rising teenage pregnancies when we know that much of this "adult" material winds up in their hands. Lies

Retirement Party For Jones, Borusky

A retirement party will be held Wednesday, May 25, 1994, at Hon-E-Kor Country Club to honor Jim Borusky, retiring guidance counselor at Kewaskum Middle School, and David Jones, who will retire from his position as Kewaskum Middle School Principal.

Friends are invited to attend the dinner and program which will begin at 7 p.m. The cost of the dinner is \$12.00 per person. Those who wish to contribute towards a gift can include \$5.00 for each retiree.

Reservations must be made by Monday, May 16th. Send your check, payable to David Heather, to the Administration Office, 1450 School Street, Kewaskum, WI 53040.

like pornography doesn't affect the number of abortions. Lies like pornography doesn't spread AIDS.

It's time to wake up. America needs a shaking, a moral revival such that it has never seen before if we are to survive. William Bennett, a former Reagan Cabinet member, was recently quoted as saying this country is so morally bankrupt that it is heading either toward total anarchy, a police state, such as those in communist countries, or a moral revival. I'd like to hope and to pray we're angered enough, frustrated enough, desperate enough to hunger for the moral revival our country so immensely needs.

A number of us will take our stand at the Wayne Town Hall meeting on May 23rd, at 7 p.m. to defend our children, our community, and our country against pornography. All who feel the same need for national repentance, the same need to take responsibility, who feel the same rage and frustration can join us on this battle front. Thank you.

Cam Kurer

Dear Editor:

I think it is finally safe for us to put our snow shovels away or the year, and the crummy winter we had is now only an unpleasant memory.

So now, I feel the time is right for myself to personally thank all the personnel of the Department of Public Works for the great job they did keeping our streets clear and safe.

I feel thanking them for a job well done is important because looking back on this past winter I must say it was pretty bad. I know we all agree,

it's been many years since we had one like this and I hope it's many more years before we have another winter like this.

A good gauge on how well the snow plowing is doing is by how many phone calls I get and all winter I only got two. The thing that gave me the most pride was that I had a number of people from outside the Village comment to me on how clean our streets were and how impressed they were with the snowplowing.

I know when I was out driving in other communities this past winter, I noticed the difference and was happy to get back to our village.

So the next time you see one of our Village workers, please stop them, shake their hand or give them a well-deserved pat on the back and a big "Thatta boy." Sometimes we forget how nice we have it here.

Thank you again,

Bob Wagner,
Village President

Retirement Party For Tom Larsen

Tom Larsen, longtime Kewaskum School District Elementary Principal, will be retiring at the end of this school year.

A retirement party to honor Tom will be held Thursday, May 26, 1994, at Hon-E-Kor Country Club. A dinner will be served at 7 p.m. followed by a program at about 8:15 p.m. Friends are invited to attend.

The cost is \$17.00 per person which includes dinner, tax, tip and gift. Reservations must be made by Monday, May 16. Send your check, payable to David Heather, to the Administration Office, 1450 School Street, Kewaskum, WI 53040.

PERSPECTIVES

By Bill Lenz
Shefond Convenience Stores

From all reports, the '90s seem to be a time for tightened fiscal belts that necessitate a "do more with less" corporate mentality. Only the lean and mean will survive. Oddly, this new business climate also assumes a greater degree of personal and corporate responsibility than in years past. Businessmen have an obligation to support and invest in the communities where we operate. Whatever the resources... time, money or service... the contributions are critical to both the success of the business and the community.

This is the best way I can explain why I responded as I did to a corporate charity initiative that recently crossed my desk. Mobil was offering its midwest based distributors the chance to participate in a unique fundraising initiative with the Make-A-Wish. We could help realize the dreams of children with life-threatening illnesses in our communities.

As a businessman, my first thought was a mathematical one... how much would be chopped off my bottom line? In such a competitive marketplace, any decrease hurts.

However, after much thought, I decided that these monies would be well spent with Make-A-Wish. These monies would be going directly back into MY community... to help the very people who keep me in business. This, to me, made sense.

On a more personal level, I was a kid once; and I remember what it's like to dream. With time on my side, I also have the benefit of having had dreams

come true... owning a car, owning a home, starting a family... everyone deserves to feel the exhilaration at least once in their lives, particularly a child who very well may not survive to see dreams come true past his or her 18th year.

And so I signed on.

What I must say in retrospect is that I never expected it to be so rewarding. Collectively, Mobil expects to raise over a quarter of a million dollars by the end of this promotion.

Individually, I am proud to be helping create a moment of magic for these special children. As businesses, it is critical that we give back to the communities that support us.

Happily, the moral of the story for me was that the gift of giving in and of itself is an investment that has no price.

Shefond Convenience Stores Make-A-Wish program started April 1st and will commence on May 31st. Remember... a fixed contribution from each gallon is donated to Make-A-Wish. We also have spare change collection jars in our stores. Please help us help the children.

Thank you for your business.

WILLIAM G. BRAUN

Mr. William G. Braun, 42, of Boltonville, passed away unexpectedly on May 5, 1994 at St. Joseph's Community Hospital, West Bend.

He was born on July 20, 1951 in West Bend, the son of Alois and Mary (Reuter) Braun and on October 8, 1977, he was united in marriage to Sandra Knepprath at St. Michael's Catholic Church in St. Michaels.

He served in the U.S. Army during the Vietnam War. He was employed by the West Bend Company in West Bend and was a member of the 25 Year Club.

Survivors include his wife, Sandra, of Boltonville; a son, Scott, at home; two daughters, Sarah and Melissa, both at home; his mother, Mary (Virgil) Hackbarth of St. Michaels; three brothers, Mike and Daniel (Jennifer) both of Kewaskum and Patrick (Kelly) of West Bend; six sisters, Kathleen (Ken) Peters and Carolyn (Kevin) Darmody, both of Kewaskum, Marian (Chuck) Clark of Newburg, Patricia Nelson of Slinger, Susan (Kenneth) Doll of Wausau and Judith (Daniel) Bingen of Bozeman, Montana; two step-sisters, Connie (Edward) Kleman of West Bend and Kathy (Gary) Kranz of Allenton; his father and mother-in-law, Alfred (Evelyn) Knepprath of Boltonville; three brothers-in-law, Glenn Knepprath of Kewaskum, Daryl Knepprath and Allyn (Wendy) Knepprath, both of Boltonville; a sister-in-law, Judy (Dwight) Hellsell of Kewaskum, and other relatives and friends.

He was preceded in death by his father, Alois, and an infant sister.

A Mass of Christian Burial was held at 8 p.m. on Monday, May 9, at St. Michael's Catholic Church in St. Michaels, with Father Roger Zens officiating. Burial was in the church cemetery at 10 a.m. on Tuesday.

Friends called from 4 p.m. until the time of services on Monday at the church only. Memorials are preferred.

The Miller Funeral Home in Kewaskum served the family.

WILLIAM BERG

William A. Berg, 64, of W2840 Highway 67, Campbellsport, died Friday, May 6, 1994, at St. Agnes Hospital.

He was born on Oct. 17, 1929, in Campbellsport, a son of Arnold and Olive Schrauth Berg. On June 19, 1954, he married Rosemary McEnroe at St. Mary's Church, Eden.

Mr. Berg served in the U.S. Army from 1951 to 1953 during the Korean Conflict. He was a truck driver for Mercury Marine from 1962 until retiring in 1991.

He was a member of St. Matthew's Catholic Church in Campbellsport and its Holy Name Society, Knights of Columbus Bishop Salvador Schlaefter Council, Kettle Moraine VFW Post No. 8339 and Bintlzer-Wachler American Legion Post of Lomira.

Survivors include his wife; his mother of Campbellsport; two daughters, Mary Beth Nestvedt and her husband Joe of Des Moines, Iowa, and Jean Stacey and her husband Bob of Elkhart Lake; three sons, Daniel and his wife Kim, and Bruce and his wife Mary, all of Oshkosh, and James and his wife Bonnie of Campbellsport; three grandchildren, Jacob, Lucas and Rachael; one brother, Jack and his wife Barb of Fond du Lac; three sisters, Lucille Posig and her husband John of West Allis, Marian Johnson Anders of Campbellsport, and Kathleen Otte and her husband Bill of Gainesville, Fla; and other relatives and friends.

He was preceded in death by his father; an infant son, Donald; and one sister, Bernice Beisbier.

Funeral services were held at 7 p.m. Monday at Twohig Funeral Home in Campbellsport and at 7:30 p.m. at St. Matthew's Church, Campbellsport. The Rev. Michael Moran officiated. Burial was Tuesday at the parish cemetery.

Visitation was from 2 p.m. until the time of services Monday at the funeral home.

Like prayer, the small car brings the family closer together.

KARI KLUG

Kari Klug, nee Campbell, of Cedarburg, died Saturday, May 7, 1994, at St. Michael's Hospital, Milwaukee, at the age of 45.

She was born Dec. 2, 1948, in West Bend, to Bud and Ruth (nee Koenig) Campbell, and married Richard Klug June 14, 1984, at First Immanuel Lutheran Church, Cedarburg.

She was the office manager at Schmidt Ford in Thiensville and an active member of First Immanuel Lutheran Church, Cedarburg.

Survivors include her husband; two daughters, Michelle (Rick) Roeske of Cedarburg and Kim Cebula of Cedarburg; a son, Michael, at home; a step-son, Dan Klug of Milwaukee; two grandchildren, Alex and Ashley Roeske; her mother, Ruth Campbell of Kewaskum; her mother-in-law, Pearl Torbeck of Milwaukee; a sister, Judi Campbell of Las Vegas, Nev.; a brother, Ken of Kewaskum; a sister-in-law Diane (Michael) Campanelli of Hubertus; and other relatives and friends.

Preceding her in death were her father, Bud, and her fathers-in-law, Richard Torbeck and Merlin Klug.

Funeral services were held Tuesday, May 10, at 8 p.m. at First Immanuel Lutheran Church, Cedarburg. Rev. Charles Brandt and Rev. Randolph Raasch co-officiated and entombment was Wednesday at Washington County Memorial Park, West Bend.

Visitation at the church only was Tuesday from 4 p.m. until the time of services.

In lieu of flowers, memorials are appreciated to First Immanuel Lutheran School, or St. Jude Make-A-Wish Foundation.

The Mueller Funeral Home, Cedarburg, served the family.

PRAYER OF THE BLESSED VIRGIN

(Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, Assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Holy Mary, I place this prayer for your hands (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you.

God saw that she was tired, and a cure was not to be, so He put His arms around her and whispered, "Come with Me."

With tearful eyes we watched her so quickly slip away, although we loved her dearly we could not make her stay.

Her golden heart stopped beating, her gentle hands to rest, God broke our hearts to prove to us, He only takes the best.

'Dance for Heart' At Campbellsport

Nearly fifth step-aerobic persons from the Campbellsport area are expected to participate in a "Dance for Heart" event on Saturday, May 14th from 10 a.m. to 12 noon at the Health Hut Fitness Center at Campbellsport.

The two-hour event will help fund heart research, community programs and heart-health education activities conducted by the American Heart Association of Wisconsin.

Dance for Heart is part of a nationwide effort to fight disease and stroke -- the number one killer in America and in Fond du Lac County. Dancers collect pledges from friends, relatives and co-workers for every minute they dance.

Besides raising funds for the American Heart Association, Dance for Heart also promotes the health benefits of exercise and dance, according to the local Dance for Heart coordinator Vicki Stoffel.

"Dance for Heart combines fitness and fun for everyone, men and women, young and old. Participation isn't limited by

age, sex or shape, so anyone can enter. It's easy, fun and healthy, and it's rewarding to know that while we're having fun dancing, we're also raising money to help protect everyone in the area from heart disease and stroke," Stoffel said.

Stoffel added, "This has been scheduled as part of "Turkey Day" here in Campbellsport, and we challenge the community to join us."

Since Dance for Heart began in Wisconsin in 1982, more than 32,000 women and men have raised more than \$1.4 million at events held throughout the state.

To date the Dance for Heart event sponsored by the Health Hut raised over \$6,000. Parents as well as children are invited to join in on May 14. Because of popular demand, step-aerobics (4, 6 & 8" steps) will be held in Columbus Parc Pavillion. Join in the fun and fitness.

If you need a pledge form, stop in at 150 W. Main Street in Campbellsport.

The Morning Glory opens in the morning, but closes in the sunlight later in the day.

Stressed? Exercise Is The Best Tranquilizer

News USA

(NU) - Feeling stressed? Exercise can help you relax.

Studies show that one round of exercise generates between 90 and 120 minutes of relaxation response or "post-exercise euphoria." Indeed, exercise is such an effective stress reliever it's used in clinical settings to help treat nervous tension.

A balanced program of exercise is also part of the treatment regimen for many patients with depression or sleep disorders.

The American Council on Exercise has these suggestions to help you use physical activity to manage stress.

- Make the time to exercise, and put that time on your calendar. Simply by making the time, you begin to reduce stress.

- At work, plan a 10-minute exercise break every 90 minutes. Studies show 90 minutes to be a natural break interval. Use those "down times" to walk, stretch, climb stairs or do calisthenics.

- Exercise daily. Stress management requires more frequent activity than fitness does. So plan at least 20 minutes of rhythmic aerobic activity six to seven days a week.

- Vary your activities. Walk, ride a bike, swim, jog or do circuit weight training at a gym. With several choices of activities, you're less likely to get bored.

- Learn yoga and yoga-type activities. In yoga, the mind relaxes as the body increases its amount of muscular work.

- Play recreational sports. A vigorous game of tennis, racquetball, volleyball, squash or paddleball purges the body of adrenaline and other stress-producing hormones.

For information on more ways to manage stress with exercise, send a stamped, self-addressed envelope to ACE, Dept. NU, Box 910449, San Diego, CA 92191-0449.

Luncheon, Style Show a Huge Success

The fourth annual Secretaries/Ladies Style Show and Luncheon was a huge success at Hon-E-Kor Country Club in Kewaskum on April 27.

Dairyland Seed and Kenro of Fredonia topped the chart with each business sending over ten ladies.

The luncheon consisted of a tossed Italian salad followed by a chicken breast on a bed of rice accompanied by a side dish of glazed carrots. The gourmet luncheon was topped off with pretzel torte for dessert.

All outfits modeled throughout the luncheon were priced at \$40 or less, compliments of Dress for Less and Dress Party Stores. From size 3 to 24, there was fashions for everyone.

There were some very lucky winners of prizes including Bonnie Schuster of Lawrence and Gamache Clinic who won a lottery ticket worth \$2. When she redeemed that ticket at Shefond, she purchased an additional two tickets and won a total of \$72. Edie Niemuth of Dundee was the winner of the Miller's Fine Furniture gift certificate.

A special thank you is extended to all those bosses and husbands who sent their "special ladies" to the luncheon, and to all area businesses who donated time, tickets and door prizes.

KISS 'EM GOODBYE

If you're caught driving drunk in Wisconsin, you can kiss your driving privileges goodbye on the spot. Under the new Administrative Suspension Law, your license is suspended automatically if you fail the breath test or refuse to be tested.

But that's just the beginning. If you're convicted, you can count on stiff fines, fees, court costs, and high risk insurance for up to three years. It will cost you thousands of dollars.

Wisconsin is tough on drunk drivers. As it should be. There are no loopholes with the Administrative Suspension Law. Drive drunk in Wisconsin and kiss your driving privileges goodbye.

Artifact Box Exchange Involves FES Students In Interschool Projects

Mike Gaskell is looking at all the clues sent to his Farmington 4th grade class by a mystery school somewhere in America.

Mike Gaskell, Mrs. Karen Larson and Renee Weinreich are examining clues that are a part of the Artifact Box Exchange.

Fourth graders at Farmington Elementary School are busy trying to uncover clues that will help them identify a "mystery" classroom in a distant locale. This is the second year that Mrs. Karen Larson and Mrs. Kim Gutjahr have participated in the Artifact Box Exchange Network.

Artifact Box Exchange Network is an interschool project that involves students in the development of research, reference, and reasoning skills through the use of hands-on activity. Each class participating in the exchange is responsible to collect a variety of artifacts that

give clues to the identity of their particular school, city, region and state.

Farmington fourth graders collected a variety of artifacts, complete with clues, and sent them to a "mystery" partner in a distant location, the identity of which is known only to the teachers. They in turn received a box from another "mystery" school and now they are trying to identify that school, city and state.

Artifact Box Exchange Network is located in Bolton, CT and is an activity that is part of the gifted and talented program in the Kewaskum Schools.

Holy Trinity 7th Graders Stitch Quilts for Terminally Ill Babies

STUDENT QUILTERS... Back row, left to right: Carol Neumann, Mary Lehmann, Emma Chambers, Sister Janet Heder, Gretchen Weddig. Middle row: Robyn Wolf, Mary Rinzel, Nicki Wessing, Stacy Zehren, Tammy Wagner, Casey Schlatter, Crystal Branta. Front row: Nathan Weiss, John Klesmith, Luke Martin, Jarrod Gruber, Eric Weninger, Jason Butschlick and Shaun Timblin.

While learning about embroidery stitches in art class, Holy Trinity seventh graders put their creative talents to good use by creating and embroidering their own designs on muslin squares which were sewn together to make ABC quilts.

These quilts are made for and

given to terminally ill babies when they are born, and may be their only possession when they die. It is truly an effort of love.

The quilts will be turned over to the area coordinator of the Junior Women's Club, who will deliver these quilts when the need arises.

Final RIF Distribution of School Year Held at Holy Trinity

Total absorption in their brand new books shows how much the students enjoy receiving a "book of their very own" as part of the RIF reading program at Holy Trinity School.

The third and final RIF distribution program of the school year was held at Holy Trinity School on Wednesday, April 27.

The forensics team from Kewaskum High School entertained the student body. Among the selections was a group interpretive, "White Rabbit Caper" narrated by Rachel Chambers, Suzi Gauvin, Jake Thull, Sabrina Maul, and Jason Czaja. The Fleischman sisters, Laura and Christa, both interpreted Dr. Seuss Poetry.

Katrina Gilles and Carrie Krell read a prose selection an excerpt from Laura Ingalls Wilder and "The Little Prince," respectively. Jenny Goodsell, doing solo acting, painted a verbal picture of "The Frustrations of Parents Dealing With Kids."

Each student was able to choose a book to take home and call their own. Those students participating in "In Celebration of Reading" last February (a program to encourage reading for pleasure) were allowed to choose a second book.

The refreshment committee had snacks and juice prepared for the enjoyment of all.

Thanks to Holy Trinity Home and School Association for sponsoring our RIF program. All parents are invited to join the RIF committees - Book Selection, Preparation for RIF Day, and Refreshment - each beginning school year by completing the volunteer form.

An A's Victory in League Opener

The Kewaskum A's opened their 1994 Rock River league season with a come-from-behind victory over defending Northern division champs, Hustisford, by a 7-6 score.

After trailing throughout the game, Kewaskum rallied for five runs in the 8th inning to take a 7-5 lead.

Dennis Aupperle turned in a good performance on the mound. Coming in relief for Don Menzel, who suffered a bit of a sore arm, Aupperle allowed only one hit and one run in six innings to pick up the win.

Rick Peck led the way offensively as he went 3 for 4 with two doubles and four RBI's. Peck hammered the big blow into the 8th inning with a bases loaded double. Dave Donath chipped in with two doubles. The A's are now 1-0 in the Rock River League. Kewaskum travels to Rubicon on Sunday, May 15, for a 1:30 game.

Village Board Meeting Minutes

Mid-Monthly Meeting
April 18, 1994
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All Trustee Members were present. A quorum was present. It is noted that Trustees elect Robert Stoltzmann, John Borland and William Kulas were also present.

On a motion by Trustee Robert Beisbier, seconded by Trustee Charles Waala and unanimously carried by voice vote, the minutes of the March 30, 1994 and April 4, 1994 meetings were approved as printed.

President Robert Wagner read and presented Mr. Peter Albers a PROCLAMATION on his retirement after serving 26 years with the Village. Mr. Albers thanked the Village for the opportunity to serve. President Robert Wagner acknowledged by PROCLAMATION, Secretaries Week, which is April 25 to April 29, 1994.

Mr. Nicholas Quataro and Mr. John Knepel of the accounting firm of Conley McDonald Certified Public Accountants and Consultants, Brookfield, Wisconsin was present to review the audit for the year ending December 31, 1993, and to answer questions anyone may have regarding the Village of Kewaskum's financial status. Mr. Knepel explained the entire audit and financial statements regarding the General Fund and Utilities portion of the audit and associated financial statements. The audit revealed the Village is in a healthy financial position.

It was further noted that the General Fund ended with a positive balance. The water utility reflected a rate of return equal to 3.4% and that the Public Service Commission had authorized a 6% rate of return. The sewer utility reflected a rate of return equal to 4.0%, 2.0% less than last year. It was noted that the TIF District and Debt, if all goes as currently projected will be paid off approximately four years early. The Village's overall debt is at 39% of what the law provides.

Mr. Quataro thanked the staff for their assistance and good records. He further indicated the Administrator and Deputy Clerk do an excellent job on maintaining good records and control over spending, etc.

President Robert Wagner thanked Mr. Quataro and Mr. Knepel and extended the Board's best wishes to his upcoming retirement at the end of the year.

Fire Chief Mark Groeschel was absent and no report was given. Chief of Police Richard L. Knoebel, March 1994 monthly report:

Criminal arrests 23, Criminal investigations 39; Traffic warnings 144, Traffic citations 47; Adult arrests 15, Juvenile arrests 13; Property stolen \$50, Property recovered \$145; Parking warnings 2, Parking tags 86.

Director of Public Works, Jerry Gilles informed the Board that the DNR sampling of the wells and reservoirs had been accomplished and to date there seems to be no difficulties. It was further noted that the DNR testing requirements have added substantial cost to the water utility's budget, all of which has occurred since the last rate increase.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board authorized the advertising for

sale of the 1975 Ford dump truck.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board authorized the purchase of 25 feet of railing for the dam ramp at a cost of \$875.00.

Administrator Daniel S. Schmidt reviewed the following with the Board.

1) Review of the budget control sheet for March 31, 1994.

a. It was noted that the report reflects the Village in good financial condition, but it was noted the general fund has decreased since last year at this time. It was further noted the snow and ice budget is nearly used up and that if the balance of the year is similar to 1993 and 1992 the Village will be an estimated \$5,000.00 short of budget.

2) League Meeting dates were reviewed with the Board.

3) Review of building permits through March 31, 1994.

4) Briefed the Board on the Centennial Committee status.

5) Review of correspondence.

On a motion by Trustee Gary Gavin, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board authorized the hiring of summer part-time Recreation, Department of Works and Water Pollution Control employees as listed and recommended by the Administrative Committee Chairman Trustee Thomas McElhatton.

Chairman of the Protection and Public Safety Committee, Trustee Robert Beisbier brought up for discussion the possibility of the entire county working jointly with the Humane Society for cat collection, etc.

Board Representative for the Plan Commission, Trustee Thomas McElhatton announced a Commission meeting scheduled for Tuesday, April 26, 1994 at 7:00 p.m.

Board Representative for the Mid-Moraine Municipal Association, Legislative Committee, Trustee David Goeden informed the Board that at the last legislative committee meeting the discussion was led by Representative Mickey Lehman and it pertained to property tax cutting and shifting.

Administrator Daniel S. Schmidt reviewed with the Board

the timetable regarding the Wildlife Drive Project as follows:

Advertise for bids - April 14 & April 21, 1994; Bid opening - May 3, 1994; Public Hearing - May 16, 1994; Award of Contract - May 16, 1994.

Administrator Daniel S. Schmidt reported the results of the bid opening for the Water Pollution Control Sludge Storage Facility as follows:

C. D. Smith Construction, Inc. - \$768,000.00; Westra Construction - \$811,698.00; Fluro Bros. - \$818,400.00; Guenther-Wagner Johnson - \$824,605.00; W.B. Corp. - \$842,697.00.

On a motion by Trustee Gary Gavin, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board accepted the audit report as prepared and presented for the year ending December 31, 1993.

Action was taken on Resolution No. 94-11 A Resolution regarding the Overdrafts on Accounts year ending December 31, 1993 as attached hereto:

Action was taken on Resolution No. 94-11 A Resolution regarding the Surplus on Outlay Accounts Year Ending December 31, 1993 as attached hereto:

Action was taken on Resolution No. 94-9 A State Trust Fund Loan for Purpose of Village Public Improvement - WPC Sludge Storage Facility as attached hereto:

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board authorized the awarding of the contract for work on the WPC - Sludge Storage Facility as bid and as recommended by the Village Engineer to the low bidder C.D. Smith Construction, Inc., Fond du Lac, WI, at a cost of \$749,800.00.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Charles Waala and carried by the majority voice vote, the Board approved the preliminary Plat for Sunset Estates Phase I as recommended by the Plan Commission. Trustee David Goeden voted Nay and Trustee Gary Gavin abstained from voting.

On a motion by Trustee David Goeden, seconded by Trustee Thomas McElhatton and carried by the majority voice vote, the Board authorized the signing of the

Financial Guarantee Agreement and Subdivider agreement as reviewed by the Board. It was noted the Village Engineer would fill in the blank regarding building permits in Section XIII. Trustee Gary Gavin abstained from voting.

Action was taken on Ordinance No. 94-5 an Ordinance Amending the Municipal Code as to clarify bonding and payments to the Municipal Court versus the Circuit Court as attached hereto:

On a motion by Trustee David Goeden, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board authorized the signing of the second combined agreement with the Department of Transportation for the resurfacing and reconstruction of USH "45" (Fond du Lac Avenue) from CTH "H" west to STH "28" west. The project cost would equal \$232,780.00 as currently estimated.

On a motion by Trustee Thomas McElhatton, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the signing of the hydrant easement for 1544 Riverview Drive.

It was discussed and noted that the meeting of May 2, 1994 will be the Village of Kewaskum's organizational meeting and that if any Board Members have specific committees they wish to serve on that they bring their suggestions into the office or get them to President Wagner.

President Wagner thanked the three Trustees that have faithfully served the Village as Trustees: Trustee Thomas McElhatton for serving 10 years, Trustee Gary Gavin for serving 4 years and Trustee Harry Roecker for serving 2 years.

Trustee Thomas McElhatton thanked the Board for serving with him and indicated that he felt the Village was in good financial condition due to the efforts of Administrator Daniel Schmidt and the Deputy Clerk Janet Knops. He appreciated all the help they have

not only given him, but the Village and wished the Board future success. He acknowledged the efforts of all Department Heads and employees.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85 (1) (c) of the statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

Bad Start Foils Girls

By Noel Stollenwerk

ELKHART LAKE - A team has to be ready from the start of the game, and the Kewaskum girls softball team found that out here, last Tuesday afternoon.

The Lady Indians sleepwalked through the opening inning against Elkhart Lake, and paid for it in the end. The Resorters used their five-run first as a springboard to score an 8-4 victory over the Indians, dropping KHS to 2-7 on the season.

"We started out real slow," KHS coach Janet Molebash said of the first-inning woes. "We did a good job after that. We outscored them after that inning."

But that didn't matter after Kewaskum committed five errors in the first, leading directly to the Resorters' runs. KHS starter Stephanie Heberer contributed to Elkhart Lake's cause,

walking three more batters in the opening inning, in which the hosts collected just one hit.

"The combination of walks and errors just killed us," Molebash admitted. "We hit the ball okay, though."

The Lady Indians did use

the sticks to get back into the ballgame. KHS scored twice in the second, but Elkhart Lake matched the total in the bottom half of the inning, and then added one more run in the fourth to make it 8-2.

Michelle Gundrum was the star at the plate for the Lady Indians, as she went 3x3 in the contest, including a double. The outburst made Gundrum 6x7 in her last two games.

"She's been really strong with the bat lately," Molebash said, noting Gundrum accounted for half of the Indians' hit total.

Molebash was also pleased with the effort of freshman Becky Heisdorf, who came on in relief of Heberer. "She came in and pitched really well," Molebash said. "For a freshman, she's been doing real good."

Lynn Wins 3200 Run Girls Fourth at County Indoor

By Noel Stollenwerk

WEST BEND, April 26 -- The year-long reign of the Kewaskum girls track team came to an end here, last Tuesday afternoon. Beware, however, because the Lady Indians and Coach Perry Koth aren't exactly despondent over the fact, and plan on starting a new streak soon.

The Lady Indians broke a string of first-place finishes by taking fourth at the Washington County Outdoor meet. The Indians finished with 79 points. West Bend East won the girls meet with 148 points, easily beating West Bend West (108), Hartford (97), the Lady Indians, Slinger (51), Germantown (38) and Kettle Moraine Lutheran (5).

Dating back to the County Outdoor last year, the Indians had finished first in five Invitationals, not including the Concordia Invite, in which separate girls scores are not kept. A grueling schedule may have finally taken its toll, however.

"I think we were drained, both physically and mentally," Koth said of the showing. "Four meets in nine days is going to take its toll. I expected a let-down. This was the low point of the season for them."

After bettering the same teams in the County Indoor earlier this season, the Lady Indians were able to win only one individual first place at the Outdoor. That came from freshman Marni Lynn who bettered the field in the 3200 run (12:45.7).

"She's had a little bit of a hip problem," Koth said of the distance ace. "It's nothing serious, but she backed off a little in the race. She had it won pretty handily."

KHS did record four second-places, a pair of thirds, and four fourths in the meet. Senior Ginger Wiesner had one of each, and was also a part of the third-place 1600 relay (4:29.4).

Wiesner was second in the long jump with her leap of 16-7.5, and added a third in the 200 (29.0), and a fourth in the 400 (65.2).

"That (Wiesner's long jump effort) is a really good jump," Koth noted. "That would probably get her to the state meet."

Greta Kuphal also had a fine day, taking second in the 200 (28.5), and fifth in the 100 (13.8). The junior sprinter also had a hand in the 1600 relay's third. "She was just plain tired," Koth said of Kuphal.

The 800 relay unit also captured a second, finishing in

1:55.9. "That was a little surprise," Koth said of the team, made up of Julie Froemming, Erin Stockhausen, Jenny Jagielski and Kelly Schreffler.

Mary Yahr helped make up for the absence of freshman Heather Downs in the hurdle events. Yahr was barely edged at the wire in the 100's (17.6+), and finished fourth (54.1) in the 300's.

The Indians' other two relay teams, the 3200 (11:03.3) and 400 (54.6), each finished fourth in their respective races.

Koth added that "it was by design" that the Lady Indians would be tiring at this point of the season. "We wear them down and then back off a little after that," he said. "Even if they are tired, we know that they are going to give it their best effort."

He added that with the conference meet coming up next Thursday at Sheboygan Falls, he didn't want the girls to be peaking this early in the season.

"They gave it the best effort that they could," Koth said, adding that with just one meet this week (Friday at the VanderPan Invitational), the Lady Indians should be rested. "We'll be looking for some good times on Friday (at the VanderPan)."

Gosa Happy With Fifth at Vanderpan

By Noel Stollenwerk

SHEBOYGAN FALLS - The numbers keep dwindling, but those who remain keep impressing. So says Kewaskum boys track coach Jerry Gosa, who lost another member of his small team last week.

That didn't stop the Indians from going out and finishing fifth at the annual Vanderpan Invitational here, last Friday. KHS chalked up 68 points, nearly edging out Plymouth, who was fourth with 70.

Sheboygan Falls won the highly competitive meet with 129 points, barely beating runner-up Southern Door (127) and third place New Holstein (125). Howards Grove was sixth (51), followed by Oostburg (47) and Elkhart Lake (40).

"We did pretty good," Gosa said of his team's effort. "We had some real good performances. I'm really happy with the kids."

Gosa can be extremely pleased with Travis Jacak, who continued his season-long winning streak in the high jump. The junior cleared the 6-4 mark for the fourth straight meet, good enough for first place.

"He's been jumping real well as of late," Gosa said. "My feeling is that he's going to go 6-5 or 6-6 as the weather warms."

Gosa was also pleased with the effort of senior pole vaulter Brad Jackson, who had been struggling recently. Jackson cleared 12-6, and was edged out of first place by New Holstein's Dan Kememauer, who had one less miss.

"He had been having a lot of trouble lately," Gosa said of Jackson. "All of a sudden, everything clicked for him. Things are starting to come together for him, I believe."

KHS had a trio of thirds, including a surprise from Matt Tonn in the 400. Tonn ran a personal-best 53.1 for his third, and then helped the 1600 relay (Tonn, Jackson, Andy Rix, Aaron Kurth) to a third, finishing in 3:38.

"He's really caught fire," Gosa said of Tonn. "That 400 was the best race he's ever run." The 1600 relay, meanwhile, "was very exciting. We got passed on the last turn," said Gosa, who noted that Jackson filled in for Heath Heise, and was the only senior in the foursome. The others are sophomores.

KHS' other third came from

Randy Thull, whose 10:20 in the 3200 was good enough to show.

Wade Kreis was once again a busy person. Kreis was third in the long jump (19-5.5), fourth in the triple jump (37-3.75), sixth in the pole vault (11-0), and helped the 400 relay to a fifth (47.6). Also on the relay were Kurth, Jake Thull and Jered Pankonin.

David Gosa double-placed, taking fourth in an exciting 1600 (4:43), and seventh in the 800 (2:10). "The 1600 was a real dogfight," Coach Gosa said. "David and three others were all within three seconds of each other."

Freshman Dan Jesserig pulled off a surprise, taking sixth in the high jump (5-8) with a personal best. Jake Thull also added an eighth in the 100 dash (12.1), the team's first Invitational points in that event this season.

"It's nice to get to that point," Gosa said of Thull's emergence in the 100. "It's just good to get somebody qualified for the finals."

Overall, Gosa was beaming with joy.

"We held our own," he said. "I thought it was a real good showing. We almost pulled out fourth place."

Gosa will try and ready his troops for the EW Conference meet this Thursday at Sheboygan Falls. KHS will then set its sights on WIAA Regional action Monday, May 23 at New Holstein.

Wiesner, Yahr, Kuphal, Lynn, Yogerst Winners Lady Indians First at Pewaukee

By Noel Stollenwerk

PEWAUKEE, April 29 - It didn't take long for the Kewaskum girls track team to get back on the winning track. In fact, it took all of about 72 hours.

The Lady Indians, after finishing fourth at the County Outdoor earlier in the week, captured first place in the Pewaukee Altheimer Invitational here, last Friday afternoon.

Kewaskum rolled up 140 points on the strength of nine firsts to easily outdistance runner-up Thomas More (81). Host Pewaukee was third (58), with St. Francis and Union Grove tied for fourth, each with 36 points.

"I think we were still feeling the effects left over from the other meets," KHS coach Perry Koth said, noting some of the girls were still tired. "We did pretty well overall, though."

Despite less than stellar times and distances, the Lady Indians were able to win more than half of the meet's 17 events, including three of the four relays.

Mary Yahr led the way for the Lady Indians, winning both hurdle events. Yahr won the 100's with a time of 16.5, and then came back to win the 300's in 51.0. Yahr also had a hand, along with Jamie Gaffke, Greta Kuphal and Missy Rohrer, in winning the 1600 relay in 4:28.8.

"Mary (Yahr) is really running well at this point," Koth said. While she's new to the 300 race and doesn't have her steps

down quite yet, he expects her times to decrease when she becomes more familiar with it.

Kuphal and Ginger Wiesner also won individual events. Wiesner bested the field in the long jump (14-11), while Kuphal captured the 200 dash in 27.3. Both Wiesner and Kuphal won despite being hampered by nagging injuries.

"That was Greta's best time of the year (in the 200)," Koth noted. Wiesner, meanwhile, experienced tightness in her leg, and was later held out of the 1600 relay. "We'll rest her this week, and I think she'll be fine."

Other KHS firsts came in the 3200, where Marni Lynn won with a time of 13:01.9, and in the discus, where Katie Yogerst heaved the saucer 94-6.

"That's a real good throw for her," Koth said of the freshman Yogerst. "She's to the point where she's consistently throwing in the 90's. We're now looking for her to move up a bit."

The 800 relay, made up of Jenny Jagielski, Julie Froemming, Jenny Strobel and Erin Stockhausen, took first in 1:57.4. The 3200 unit, comprised of Lynn, Rohrer, Rachel Chambers and Nicole Hetzel, also won, covering the distance in 10:54.0.

"That was real nice to see," Koth said of the three relay victories.

Kelly Schreffler added a second in the high jump, where she cleared 4-10. "She just missed 5-0," Koth pointed out.

The Lady Indians will have an easy schedule this week, with just one meet. That comes Friday, when KHS travels to

Sheboygan Falls for the VanderPan Invitational.

After a meet next Monday at New Holstein, the Lady Indians will try and accomplish one of their major goals of the season next Thursday, when they return to Sheboygan Falls for the Eastern Wisconsin Conference meet.

Brian Smith Voted 'Mr. Defense'

BRIAN SMITH

By Noel Stollenwerk

KENOSHA - It seems that former Kettle Moraine Lutheran basketball star Brian Smith is making the transition to Division 3 basketball very nicely.

Smith obviously has the respect of his Carthage College teammates, as they voted him as the team's Best Defensive Player at the Basketball Awards Banquet recently.

Despite being a freshman from a smaller high school, Smith made his presence felt this past season, according to Carthage coach Tim Miller.

"He's very tenacious defensively," Miller said of Smith, who averaged four points and two rebounds per game, while playing only 12 minutes a game. "That figure (minutes played) is misleading, because he played more as the season progressed."

Miller said he would often

have Smith guard the opposing team's best player, regardless of the position he played. "Brian could guard the other team's point guard, off-guard, three man (small forward) or power forward," Miller noted. "He would physically exhaust himself in order to stop someone."

Miller added that Smith has done a good job learning to play the college game, where players are bigger and faster. Smith, who stands 6-2, played center at KML, but is much too small for that position in college.

"He's learned how to face the basket from the outside, and run the floor," Miller said. "I expect him to continue to adjust his game next year."

Just how much Smith will contribute depends on how well he develops offensively, said the Carthage boss.

"We obviously know what he can do defensively," Miller said.

KHS 11th at WB Invite

By Noel Stollenwerk

WEST BEND - There are few easy holes on West Bend Country Club's 18-hole layout, and area golfers found that out quickly here, last Tuesday.

Nearly half of the 48 players in the West Bend Invitational field were able to break 50, including none of the four Kewaskum High golfers. The Indians had to settle for an 11th place tie with West Bend East, each collecting 214 strokes.

Homestead won the team competition with a 171 total, beating Brookfield East's 179. West Bend West, which was third (183) was paced by Adam Limbach, who was the meet medalist with his round of 37. Limbach was the lone golfer to break the 40 barrier.

"The course played tough," KHS coach Joe Harlow said. "Twenty-one golfers did not break 50, so I'm not really surprised by our showing."

The Indians were paced by Luke Chesak, who fired a 50. The Indians' other counters were Matt Heather (54), Nathan Vetter (55) and Greg Serwe (55).

"I wasn't really disappointed," Harlow went on to say. "We started to level off a bit I guess. But we really didn't show any great improvement."

WEST BEND INVITATIONAL TEAM SCORES: Homestead 171; Brookfield East 179; West Bend West 183; Grafton 186; Wisconsin Lutheran 189; Portage, Brookfield Central 191; Nicolet 192; Whitefish Bay 200; Menomonee Falls 206; Kewaskum, West Bend East 214.

KHS Golfers Improving

By Noel Stollenwerk

PORT WASHINGTON - The Kewaskum golf team may be finally starting to realize its goal this season - to improve.

The Indians finished 12th in the 15-team BrownPort Invitational held at Hawthorne Hills golf course, here, last Friday. KHS netted 456 strokes in the meet, bettering only Shorewood (467), Madison (568), and an incomplete Sussex Hamilton squad.

Brown Deer won the meet with 383 strokes, followed by Whitefish Bay (387) and Grafton (395).

Despite the low team showing, KHS coach Joe Harlow said he was pleased with the rounds turned in by his golfers.

"It looks like we're finally showing signs of improvement," Harlow said. "I'm hoping that's the direction that we're going in at this point."

All five Indian counters

fired rounds of 47 or better. That came just three days after no KHS golfer was able to break 50 in the West Bend Invitational, albeit on a tough course.

Still, Luke Chesak's 18-hole total of 88 (44-41) was encouraging. Chesak became the first KHS player to break 45 in successive rounds.

Chesak was well behind the top players in the meet, however. Grafton's Mark Langlois was the meet medalist with his 71, just enough to edge both Eric Dietrich (Brown Deer) and Mike Burke (Whitefish Bay) who each fired 72's.

"The course played relatively short," Harlow pointed out. The layout was especially short on the back nine, where tees were being replaced, making some par fives abnormally short.

Nathan Vetter was two strokes behind Chesak's total, with freshman Jeff Heller (47-44 - 91), Jim Westerman (46-46 - 92), and Matt Heather (46-47 - 93) not far behind.

"We did alright," Harlow said, not getting too excited about the low scores. "I'll know

a little more after a few more matches."

KHS will get that opportunity this week with home meets against Kiel (Tuesday), and Slinger/Horicon (Thursday). The Indians are at Chilton on Friday.

BROWNPORT INVITATIONAL TEAM SCORES: Brown Deer 383; Whitefish Bay 387; Grafton 395; Brookfield East 396; Wauwatosa East 399; Port Washington 416; Brookfield Central 417; West Allis Central 422; Pewaukee 428; Germantown 435; Menomonee Falls 439; KEWASKUM 456; Shorewood 467; Madison 568; Hamilton, inc.

Historians say the word "Yankee" meaning an American comes from the Dutch word for pirate, which the settlers in New Amsterdam (now New York) applied to their shrewd New England neighbors.
