Kewaskum Chevrolet-GEO Joins Business Community

Kewaskum Chevrolet-GEO includes, left to right, Owner Mike Reed, Office Manager Chris Reed, Service and Parts Manager Phil Woodie, General Manager Kevin Smith, Sales Manager Jim Neeb, Bookkeeper Colleen Schibline. Kneeling, Technicians Mike Kumrow and Chris Otters. Not pictured: Business Manager Tom Tessar, Bob Bonlender - Service, and Julian Laufer - Part Owner.

By Sharon Callaway Roznik

Kewaskum Chevrolet-GEO recently introduced themselves to the community with a "Get Acquainted Celebration," and the response to their large selection of new and used vehicles was a great success.

Owner Mike Reed is happy and proud to be a part of Kewaskum's business community and is extending an open invitation for everyone to stop in and meet the new crew of automotive professionals.

Reed has 20 years under his belt in the car business, and before that he was a high school teacher and athletic coach. "We feel we have the experience to satisfy everyone's automotive needs in Kewaskum

and the surrounding area."

Their extremely low overhead lend itself to price reductions, allowing the business to offer a large stock to choose from, especially trucks, which are popular with Kewaskum's customers. "We are committed to customer satisfaction," adds Mike. Kewaskum Chevrolet-GEO's sales policy states, "we'll meet or beat any advertised price on any new Chevrolet or GEO."

The service department can provide service for all makes and models. Both technicians, Mike Kumrow and Chriss Otters, are fully certified in GM and ASE, as well as a fully certified GM parts and service manager, Phil Woodie. They honor warranties on all

Chevrolts and GEOs, even if the vehicle was not purchased there.

The service manager is authorized to make decisions on service warranties without factory approval. Reed repeats their service policy, "if you're not satisfied with our work... you don't pay. It's that simple."

Kewaskum Chevrolet's staff includes part owner Julian Laufer, office manager Chris Reed, general manager Kevin Smith, sales manager Jim Neeb, business manager Tom Tessar, Bob Bonlender - service department, and Colleen Schibline - bookkeeper.

They're excited to be carrying the Chevrolet name, which has announced plans to release two models every six months in the next two years. "Chevy's commitment to quality is evident in the S-10 pickup, the S-10 Blazer, Monte Carlo, Lumina, and the Camaro," comments Kevin Smith.

Business hours are Monday through Thursday, 9 a.m. to 8 p.m., Friday 9 a.m. to 5 p.m., and Saturday from 9 a.m. to 3 p.m. Service hours are Monday through Friday from 8 a.m. to 5 p.m.

The same rules apply as last year. Anyone entering a semi-truck and trailer must either have a float or band on the trailer. Otherwise the truck must be entered without the trailer.

The parade begins at noon on Sun., July 10th. To enter the parade contact Jeff Boden at 626-4161; Bob Wagner at 626-4509, or Jim Schaub at 626-8227.

Fond du Lac Avenue To Roseland Drive Sidewalk to Stay 'As Is'

By Lana Harbeck Kuehl

A heated discussion from the audience opened the agenda for the Kewaskum Village Board at Monday evening's meeting.

The argument was centered around an old village walkway connecting Fond du Lac Avenue to Roseland Drive located between Herriges Oil and Prime Time Pub.

The actual discrepancy began a short time ago regarding a drive-thru in the rear of the Prime Time Pub property. It was during this matter, the current Village Board members were made aware that the walkway was owned by the Village.

Proceeding from there, the Village had the land surveyed and surrounding residents were then notified on the options the Board has available in regards to the existing sidewalk.

In his opening statement, Board President Robert Wagner said, "I myself, am very much opposed to the sidewalk. I guess I have a different philosophy on sidewalks." He then opened the floor to the audience and a barrage of comments followed.

Resident Robert Gavin said, "I don't see anything wrong with what they have there now. That they have to go and tear that out and spend \$7,000, \$8,000 to repave it. The biggest share of us people that live on that street (Roseland Drive)... we're senior citizens... they think we can afford to pay for stuff like that? We work on fixed income."

Trustee Robert Beisbier asked, "Do you use it? Do you feel there's a need for it?"

Gavin replied, "I bet in the 25 years that we lived here, if we walked over that sidewalk 10 times, we're lucky. There's hardly anybody that walks through there."

Al Beisbier of Kettle Moraine Electric, commented, "I'd like to say something, okay? You're right. But only because they can walk through our buildings and you watch that once. They used to be able to walk through there and take their bicycles through but when it was closed off... if he keeps it open... no problem... I mean, once he closed it off the kids could not go through no more... If you're going to close that off, then I want the sidewalk open for the kids."

President Wagner said,

"Right now though, that isn't the problem at this time anymore, I believe. That is open now, right?"

Beisbier said, "Yes, but I will not settle until it's back to almost original. If he backs the other log up another five feet, fine. I know it's his property, that's fine. I'll go along with it. Otherwise, no I will not."

Trustee Beisbier asked, "Are you suggesting we leave it open, then, as is?"

Al Beisbier reiterated, "If he brings the log in five feet, I'll agree with that, but it's got to stay open."

More discussion ensued to the point where President Wagner used his gavel to bring the meeting back on to the reason everyone was there.

Trustee Dave Goeden added, "From these pictures and from looking at it though, being Village property now, it's going to cost more than just putting lines on it (the sidewalk). Safety-wise, we're going to have to put this in the budget and redo it because it's village sidewalk."

Former Trustee Gary Gavin asked, "Don't we have a program where they are rehabilitating all the sidewalks in town?" What would be different with that than anybody else's? What would be the difference between them cutting the asphalt at the Catholic Church. What's the difference? Just because now it's the villages, you don't want to do it?"

Raynor Herriges of Herriges Oil, who owns the land, adjacent to the sidewalk, commented, "I think the whole thing could be settled real easy if Mike does his part, he can get along with Al, and they can drive over my property, and I've got a big property where everybody can drive over. We got along all these years and I don't see why we have to fight about it now. This thing can be settled and we don't have to sit here all night and argue. We are a bunch of grown guys and let's settle it once and for all."

Bob Gavin asked, "whatever started this trouble in the first place?"

Rhonda Chittum, of Prime Time Pub, answered, "Because someone came to the Board to complain about it instead of coming to us."

Village of Kewaskum NEWS NOTES

"Low Hanging Tree Limbs"

The Village of Kewaskum Municipal Code addresses a particular hazard or public nuisance the Village Board wishes to review with ALL property owners, especially those property owners in areas where sidewalks have been recently installed. This hazard or public nuisance is in reference to TREE & SHRUB LIMBS. As stated in Chapter 10.05 (5), all limbs of trees and shrubs which project over and are less than 10 feet above any public sidewalk, street or other public place, are considered a public nuisance.

Any property owner in violation of this section is asked to correct the situation to alleviate any further action required by the Village. Your cooperation is appreciated in the maintenance of safety for all residents.

It should be noted the Village will chip the limbs trimmed, but they must be cut into lengths no greater than 3 to 4 feet and must be placed in an orderly fashion, at the curb. The butt ends are to all be facing in the street direction and the piles are not to exceed 4 feet in width.

Thank you!

Outdoor Hilltop Mass At Ashford on June 12

St. Martin's traditional outdoor Hilltop Mass is scheduled for 10:30 a.m. Sunday, June 12, at the Hilltop Cross south of Highway 67 at Ashford, Wisconsin.

Year after year, several hundred people of all faiths have joined in the members of St. Martin's Parish in worshipping at the fieldstone altar near the foot of the huge cross. The tradition dates back to 1886 when the first cross was erected on the site. The present cross stands 43 feet high with the crosspieces extending approximately 14 feet. In 1977, a permanent altar was built of fieldstones from the area farm fields. This is where the Mass is read each year, overlooking the scenic area for miles around.

The outdoor Mass will open with a Knights of Columbus Color Guard followed by the VFW and the Lomira Bintzler-Waehler American Legion Post #347 posting the colors. At the end of the Mass, the colors will be retired following the singing of "God Bless America." Mass will be celebrated by Father

Wayne Barta, pastor of St. Martins.

There will be a special parking area for the handicapped so they can stay in their cars. Holy Communion will be brought to the cars.

Following the Mass, everyone is invited to join a social on the parish grounds. The afternoon will include games, crafts, a bake sale, refreshments, brats, hamburgers, a white elephant and a fish pond for the children. New this year is a dunk tank. The Mountaineers will provide live music on the grounds.

The Hilltop Cross stands on the Town of Ashford's highest hilltop, serving as a symbol of Christianity, hope, and faith in God. Please join in and share in this special event. Rain date is set for June 19.

Ashford is located between Lomira and Campbellsport on Highway 67. Signs in the area will direct visitors to the Hilltop Mass.

For more information you may contact Joann Schrauth at 533-8280.

Kewaskum Mealsite Offers Seniors a Chance to Socialize

Senior Citizens over 60 years of age are invited to enjoy a hot nutritious meal and socialize before and after dining at Washington County's Nutrition Program in Kewaskum.

The program is held Mon., Tues. & Wednesdays from 9:30 a.m. to 1:30 p.m. at Meadowcreek Apartments, 1119 Roseland Dr.

Those over 60 are asked to make a donation of whatever they can afford. Sign up on a regular basis or come when you can. Reservations should be made one day in advance by 12:30 p.m.

Other activities include Ceramics held the first and third Tues. at 10 a.m. (minimal cost); Bingo on the second and fourth Monday; and Sheep at 10 a.m. every Monday, Tuesday and Thursday.

Contact the Office on Aging at 335-4497 or the Kewaskum site manager at 626-8333, to become a part of this program.

Rummage Sale Set for June 18

Saturday, June 18, is the date that has been chosen for this year's citywide rummage sale being held throughout Kewaskum.

An extensive advertising campaign is being planned to generate interest and draw large crowds to the village. It is also planned to have maps available showing the location of each of the rummage sales. Deadline for entry into the rummage sale is June 1st.

To offset the cost of the advertising and to afford having the maps printed, each participant is asked to make a \$3.00 donation.

Start accumulating your treasures and set June 18 aside to have a wonderful day. If you have any questions, you are asked to contact Richard Yahr at 626-4369. 5-26-2t

Hostess for the June meeting will be Betty Hallen who was re-elected at president at the May meeting.

The following is a poem written by Isabelle Muckerheide who has elected as secretary for the coming year, 1994-95.

THE FLAG

We hail our Nation's emblem,
Long may it always wave,
A symbol of America
Whose men have fought to save.

In battle fields both near and far,
Their bravery was shown,
For some - the supreme sacrifice
Known but to God alone.

Let every proud American,
When stars and stripes we view
Remember what it stands for.
Our own red, white and blue

United Way Fund Distribution Process Underway

When most people hear of United Way, they think of the annual fund raising campaign that is held each fall. An equally important and often overlooked function of United Way is the distribution of the funds to local agencies.

This year, forty-two local community volunteers are involved in the process of determining 1995 funding for member agencies that make up the United Way of Washington County. These recommendations will lead to final funding approval for 26 agencies by the United Way Board of Directors in late July.

"Right now, our community volunteers are hard at work reviewing agency programs, requests and asking questions on effectiveness," said Jim Heiligenstein of Kemper Securities, United Way Board Vice President and Chairperson of the 1994-95 fund distribution process. "When combined with United Way's operating budget, these funds for agencies will help us determine the Goal for this year's campaign."

Heiligenstein continued, "The driving force in setting the Campaign Goal each year is the needs of the agencies. After funding requests were submitted in late April, the volunteers were divided into panels to review four agencies over a six-week period. Budgets, programs and results for each agency are being evaluated by the community volunteers in face-to-face meetings with agency staff and governing boards. The panel recommendations will then be taken to the United Way Board for final approval later this summer.

The 26 agencies being reviewed cover ten communities in Washington County: Hartford, Kewaskum, Slinger, Allenton, Jackson, West Bend, Allenton, Richfield, Hubertus

and Colgate.

"We've seen a pattern of increasing financial needs of our agencies. Cutbacks at the federal, state and local levels of government have necessitated the private sector taking more responsibility for the programs and services our agencies provide," said Heiligenstein. "The challenge is to evaluate the needs and then provide the needed dollars through the annual campaign. The job does not get easier; in fact, this year we're facing a real challenge in terms of the dollars agencies need and what we project we can raise," he said.

"In addition to reviewing agency budgets, the United Way Board of Directors is also committed to making sure our local United Way maximizes its operating budget through the use of volunteers and donations where possible. Our Board is proud of our low administrative costs. Our low costs ensure more dollars available for the agencies. And that's good for all of us," said Heiligenstein.

"We are continually reinforcing the message that United Way dollars are raised by volun-

teers, and that decisions on how the dollars should be distributed are also made by volunteers. Donors should be reassured that we have local control over how funds are raised and distributed. Working together, volunteers in the fund distribution and campaign process continue to demonstrate that our United Way effort is effective here in Washington County."

United Way salutes the volunteers involved in this year's fund distribution process: Jim Heiligenstein, Carol Vetter, Marge Krueger, Mike Bloedorn, Jim Vogelsang, Amy Campbell, Diane Miller, Glenn Broker, Dave Weske, Johanna O'Brien, Marge Beyer, Sue Ciesielczyk, Jo Hutchison, Mark O'Meara, Mary Husar Martin, Janice King, Dottie Feest, Donna Pieper, Roy Peterson, McKay Schwalbach, Nancie Heaps, Patrick O'Conner, Jeff Reigle, Craig Weinand, Kevin Steiner, Peter West, Mike Wenninger, Sharon Ziegler, Chris Cochran, Cynthia Schneider, Sue Garman, Mike Hron, Tom Bast, John Bykowski, Annette Perretz, Margie Wolf, Marcia

KEWASKUM: Regal Ware, Inc. presented its Supplier awards for 1993 at a recognition dinner held recently at the West Bend Country Club.

Each of the suppliers were honored for their ability to deliver high quality products at competitive prices while providing superior service and support.

The following companies received Regal's Supplier Excellence award for 1993:

Allegheny Ludlum Steel of Pittsburgh, Pennsylvania - Ferrous Material - Stainless Steel.

Alumax Mill of Lancaster Pennsylvania - Non - Ferrous Material - Aluminum.

American Fastening Systems (Div. of Gateway Screw) of Elk Grove Village, Illinois - Fasteners.

G.E. Plastics of Ottawa, Illinois - Plastics - Plastic Resins.

Green Bay Packaging, Inc. Of Green Bay Wisconsin -

Packaging Materials - Corrugated Packaging.

Keats Manufacturing Co. of Wheeling, Illinois - Fabricated Metals.

Magnum Screw Products of Oak Creek Wisconsin - Machined Products - Aluminum Weld Studs.

Manitowoc Custom Molding Inc. Of Manitowoc, Wisconsin - Thermosets-Phenolic Handles, Knobs.

Post Printing, Inc. of West Bend, Wisconsin - Literature/Advertising Materials.

Sheppard's Abrasive Products, Inc. of Arlington Heights, Illinois - Factory Supplies.

Trig, Inc. of Frankfort, Kentucky - Electrics - Thermostats.

Alumax Mill Products was chosen as Supplier of the Year. They distinguished themselves by consistently providing quality products on schedule and at

competitive prices. "They are particularly good at anticipating our needs and working with us on programs to keep our inventory at a minimum yet insure availability at all times. They have really come through for us in emergency situations and have helped us keep our costs down," said Regal Vice President of Purchasing, Robert Sparks. Regal has been doing business with Alumax for over 15 years.

Alumax Vice President Sales and Marketing, Dave Hamill; Production Manger - Lancaster, Mike Keen; and Area Sales Representative, Mike Mooney accepted the award presented by Regal's President Jeff Reigle, at the Supplier Recognition Banquet.

Regal Ware, Inc. is a major manufacturer of cookware and kitchen electrics headquartered in Kewaskum, Wisconsin.

At a dinner last week, the Modern Woodmen of America Camp 2233 of Kewaskum presented the local Special Olympics with a check in the amount of \$1,193.32.

The check was the result of the matching funds activity held this past April, which was a card party and aluminum can collection.

This was the culmination of great community participation. The Home Office of the Modern Woodmen of America "matched" the receipts of the activity.

Jackson, Jacak Each Take Fourth at State

LA CROSSE - Both had been to the WIAA State Track and Field Championships before. So for Kewaskum's Brad Jackson and Travis Jacak, it was business as usual here, last weekend.

Both Jackson and Jacak improved on their previous State Meet appearances, as each finished fourth in his respective event. The performances gave the Indians 10 team points in the meet, good enough for a tie for 19th place in the team competition.

Brodhead took home the Division 2 team title, scoring 48.5 points. Eastern Wisconsin Conference powers New Holstein and Sheboygan Falls finished fourth and sixth respectively.

For Jackson, the trip to state was a fitting end to his high school career. After finishing sixth in the pole vault two years ago, Jackson missed the state

meet last year after failing to qualify in windy and rainy conditions at Regionals.

But setting a school record by clearing 13-9 in winning the Sectional this year, Jackson returned to LaCrosse's Memorial Stadium for this year's competition. The senior went out strong, finishing fourth (13-3) in the Division 2 event.

Brodhead's Isaac Laube won the event by clearing 13-6, winning by fewer misses over Bloomer's Josh Bucholtz.

"He started out real well," KHS coach Jerry Gosa said of Jackson's effort. Gosa said that Jackson cleared the 12-0 and 12-6 heights with no trouble, but then missed twice on 12-9. "That's very unusual for him."

Jackson cleared the 12-9 mark on his third try, and then switched to his other pole, as he normally does.

He easily cleared 13-0 and

13-3, keeping him in contention. On his first attempt at 13-6, Jackson appeared to have cleared the height. But his hand barely knocked the bar off, and his next two attempts were not as close.

"His first jump (at 13-6) was real good," Gosa said. "He just bumped the bar with his hand. He was quite disappointed. He knows in the back of his mind that he can jump better than that."

"He just didn't have an exceptional day jumping," Gosa added. "He was extremely tired and worn down. But his record of 13-9... that will be there for quite a while."

Jacak also holds a KHS record, his coming in the high jump. The junior made his second straight trip to state in that event, this time coming home with a fourth. Jacak had finished sixth as a sophomore last year.

"Things were looking real good for him," Gosa said, noting that Jacak didn't have a single miss after clearing 6-4 on his first try. But at 6-5, Jacak had his problems. Clearing that height just once this season, Jacak was unable to duplicate that effort, missing on all three tries.

"He came very close on one particular try," Gosa pointed out. "He was going very well up until that point."

"He had a real good season, though," Gosa added. "I think he's more comfortable jumping in these big meets now."

Campbellsport's Joe Stoffel, who was runner-up to Jacak at Sectionals the previous week, took second by clearing 6-5. "He's a very interesting jumper," Gosa said, noting that Stoffel had "a lot of misses" at the lower heights, but survived.

Village Board

Continued from Page 1

More heated discussion and another pounding of the gavel gave way to more dissention.

Robert Gavin said, "Let's talk like sensible people here." We can do this without a big argument here."

Chittum replied, "That's exactly my point, sir. We sure could."

Trustee Goeden directed a comment to Mike Kardos of Prime Time Pub. "You've been pretty quiet, Mike, any comments?"

Kardos replied, "You don't want to know what I'm thinking. One thing is, when I bought this property and I had the lot surveyed and I knew exactly what was there.... I don't understand this... I can do what I want on my property."

Beisbier added, "Then go ahead, Mike."

Rhonda Chittum said, "But we want to work it out." Kardos commented that he had already moved the pole.

Robert Gavin asked if the drive-thru was a legal driveway and was told no.

Gary Gavin added, "I think that what Mr. Beisbier is saying is, yes that there is no guarantee that in two weeks from now, tomorrow or two months from now that it's going to be blocked off again, but the point isn't even if what Mike does with his property that's his business because it's his property. The Village has to determine if that's a village sidewalk then it should be maintained as a village sidewalk. Somewhere in the history of the village it was decided they need that walkway for people to walk through. But if the necessity isn't there any more, then it should either be sold or something else, but the village shouldn't maintain the liability of having that there if the asphalt's no good. The village shouldn't have to maintain it so private people can have it for their parking."

Raynor Herriges interjected, "The village didn't maintain it. I plowed snow there for twenty-two years.... I just can't see fighting about it now."

Village Administrator Dan Schmidt commented that was also the area for street light

cables as well.

Eventually, Trustee Charles Waala made a motion to leave the walkway as is... and Trustee William Kulas seconded it. All trustees voted yes, other than Trustee Dave Goeden, who voted no.

4-H EXPRESS

The monthly meeting of the Kewaskum 4-H'ers was called to order at 7 p.m. on Thursday, June 2, 1994, at the Kewaskum Municipal Building by President Jenny Johnson.

The Pledge of Allegiance and the 4-H Pledge were led by Jessica Barnes and Brooke Zanow.

Roll call was taken and the Secretary's and Treasurer's reports were given and accepted.

The following Committee Reports were given: Heather Hackbarth reported on our Adopt-A-Highway clean-up on May 7; Diane Lemke reported on the County Visual Arts Meeting held on May 19; Brooke Zanow and Jon Lendved reported on the ceramic shelf animal craft members completed on May 21; and Heather Hackbarth reported on the Photography Workshop she attended in May.

Final details were worked out for our Brat/ Hamburger Sale which will be on Saturday, June 4, in front of Sentry Foods in Kewaskum.

Club members Joanne Lemke, Jenny Johnson, Brooke Zannow, Amy Deshotels, Jessica Barnes and Jonathan Lendved completed a window display to promote Wisconsin's June Dairy Month. The window display is located at the Shefond Amoco Station across from Sentry.

The Washington County Fair will be July 27-31. Our Club will be participating in the Anything Goes Contest at 4 p.m. on Sunday, July 31; helping with the County Fair Set-Up from 10 to Noon on Thursday, July 21; completing a Fair Booth display; participating in the 4-H Action Center; contributing to the Silent Auction

Marianne Lemere utilizes the new drive-thru collection box located at the rear of the Kewaskum Post Office on Main Street.

sponsored by the 4-H Leaders Association; and participating in the "Help Celebrate the Fair" activities.

Our club will be participating in the "Totes for Tips" program sponsored by the Downtown Marketplace Farmer's Market in West Bend. In this program volunteers are available to help the patrons at the Farmer's Market carry their purchases to their vehicles. Any tips earned will go directly to our 4-H Club. We will participate in this program in September.

President Jenny Johnson congratulated Joanne Lemke on her high school graduation and

presented her with a gift from the Club.

Members celebrating birthdays in June are Spring Gehring, Kim Erdmann, Jenny Johnson, Graeme Zanow and Heather Hackbarth.

Our guest speaker was Ann Marie Craig, who led members in several games and activities that demonstrated the importance of nutrition and exercise.

We had several demonstrations after our meeting. Heather Hackbarth demonstrated how to make and paint cork jewelry; Nicole and Amy Johnson brought their hamster and demonstrated how to care for a hamster; Joey Barnes talked

about an accident he had and his visit to the emergency room; and Graeme Zanow demonstrated making a "Cut and Seal" sandwich without a crust.

Refreshments were served by the Rogowski, Butzlaff and Zorn families.

Our next meeting will be our annual pot luck picnic. We will meet at the old park (Honey-Kor area) at 6 p.m. on Thursday, July 7. Members attending are asked to bring a dish to pass. Our Special Emphasis Committee will organize a couple of fun events for the evening.

A Message from the Postmaster

Hello Kewaskum Statesman readers and how are you all doing today? Have some things to report on this week so will get right into it okay?

I have had some calls from customers that have stamp collections and/or older stamps that they were wondering how to "sell them" and/or who would be interested in them.

Well, I ran into a good friend of mine recently--a VERY avid collector. His name is E.V. Smith and lives in Fond du lac. I told him that there were people interested in selling stamp collections. He told me that they should feel free to call him and he can assist them. For those that have stamp collections and/or coins that they might be interested in selling-- please stop in or give me a call at 626-2575 and I will be more than happy to give you his telephone number and/or address okay? Told him that there as some children in the community interested in getting started in stamp collecting. He is going to give me FREE stamps to "get children started." Have talked to some children and parents who are interested and IF you would stop back in and see me, I will make sure that you receive some FREE things that he is going to supply me with.

Many of you have called and/or stopped in and inquired about the postage increase. From what I know now--it will be 1995 that the price increase will take effect. PLEASE be assured that your present stamps will STILL be acceptable as you will just need to buy some supplemental postage for the increase. Being a Postal employee for 19 years, please let me share something with you. WHEN the increase goes into effect, try to stay "calm, cool and collect." There is NO need to "scurry" that day to the Post Office to buy the extra postage stamps needed with your present 29 cent stamps. My suggestion would be: buy a book of the new denominated stamps and "at your leisure", buy the extra stamps needed to use up your present supply of 29 cent stamps. I well remember the last postage increase. NOT exaggerating there were at least 20 people standing waiting for the window to open in New Holstein. Most of them wanted 100-4 cent stamps. Guess they considered \$4. not too much to spend for the additional postage. Well--many of those same people came back later that week asking: "can I buy 25 cent stamps as I got too many 4 centers?" Please remember--ALL

stamps unused in your possession are ALWAYS worth face value. If you have stamps laying around without a denomination on them -- they might just have a "letter" on them-- please call us and we will be more than happy to let you know their value okay? You might have a variety of unused stamps laying around (from years past). I had a lady in New Holstein that came in with her list of unused stamps and asked me: "what can I do?" I looked at her list and sold her the additional stamps that she needed to use these up-- fairly simple and will be happy to do this for you!

As your Postmaster, I feel that I can speak for all of my employees when I say-- "THANKS for your TOTAL support and ALL that you do for us day in and day out!" Just by stopping in for a stamp--or maybe just to say Hello--HEY--YOU make our day!!! Have said it before but feel it that I want to say it again--YOU are the REASON WE are HERE. I know that my employees are TOTALLY committed to customer satisfaction and EACH of them does their utmost to "give you the best that we got!!" As the Postmaster, I can assure you that I am proud of my staff. Had a customer come in last week to tell me that--"she is totally satisfied with the service that she receives" She told me that she never knew how her package was being sent but the clerks at the window give her the prices of BOTH first class (faster) and third class (slower) and sometimes the pennies difference means alot to her. Sometimes a

customer calls or stops in with a misdelivery problem--I TOTALLY welcome just knowing about this and feel that MOST of the customers that have stopped in to relate this problem have seen a TOTAL correction to the problem !!! I could not complete this without a word to the many youngsters that stop in to say "HI". THIS IS GREAT!!! Many of them have been on "field" trips to the Post Office and it is always nice to see and greet old friends and new--- young friends and old. In the "vast" of Post Offices---we may be a small Post Office but can assure you of TOTAL SERVICE--YOUR Postal problems WILL be patiently listened to and HOPEFULLY resolved--YOU--EACH AND EVERYONE OF YOU are IMPORTANT to us--PLEASE keep that in mind.

In closing, to the "unidentified Lomira customer" that wrote me recently concerning a "stamp problem"--please feel free to call me at 626-2575 or drop me a line with your phone number and I will be more than happy to give you a "quick solution" to THE problem. I will say one thing--THANKS for writing as your comments, questions and/or problems are important to ALL of us in the Postal system.

Until next time-- TRY to have a good day--a HAPPY everyday!

Your Postmaster

Fairest of Fair Applications

The Washington County Junior Fair is seeking applicants for the 1994 Fairest of the Fairs. Gaining self-confidence, meeting new people, and experiences to enhance communication skills are all reward of this great summer job. If you are a woman age 18-22, you are eligible to be the next Washington County Fairest of the Fair.

Applicants for the Fairest of the Fairs are evaluated on appearance, community activities, personality, poise, and speaking ability. They will participate in personal interviews and a public program prior to the final selection of the Fairest of the Fairs. The interviews will be held on the afternoon of Wednesday, July 27 and the Formal Evening Program will be held on the main stage at the Washington County Fair on the evening of Wednesday, July 27.

Applicants are limited to women 18-22 who have been a resident of Washington County for at least one year prior to entry. The only exception is if she resides in an adjoining county and the majority of her activities are in Washington County such as school, clubs, and community activities.

For application forms and information call Joyce Albrecht at 335-4479 or the Washington County Fair Office 335-4485, 644-5204, or 342-2929. The applications are due to the Fair Office by June 30, 1994.

Beechwood Summer Library Reading Program 1994

The Beechwood Community Summer Library will sponsor its 11th annual Summer Library Program this year.

Last year's program had 45 participants. We hope that even more children will join in the fun this year when our theme is "ROCK 'N' READ." We hope you will encourage your child to take part in this free program. Summer library programs help children keep up their reading skills and stimulate their interest in all the excellent books and reading materials at the library.

The program will be run on Tuesday mornings from 9:30 a.m. until 11:00 a.m. starting on June 14th through July 19th. Registration will begin on June 14th at 9:30 a.m.

Children preschool age can be in the Read-To-Me part of the program while older children can be in the Reading or the Bookopoly part of the program. The older children can also record by number of books read or by number of minutes read.

Any questions please feel free to call Sue Buechel, Summer Library Co-ordinator, at 626-4418.

Activity Day Features 'Hawaiian Tropics'

Polynesian dancing, "wild" animals and amazing magic tricks highlighted the recent "Hawaiian Tropics" activity day at Kewaskum Elementary school. Sponsored by the PTO, Renee Mayer presented leis to all students and faculty and performed variations of the hula, inviting students to participate. Dressed in flowered shirts, wild shorts and sunglasses, many accepted the invitation.

Visitors with Sue Thornton and Laura Gillitzer of the Emyn Muil Game Farm included an African genet, exotic pheasants and llamas. Students learned about these animals and others on a video of the farm.

Pat O'Hearn, a police officer from Fond du Lac, performed disappearing water, juggling and other amazing magic tricks for the students while sharing his message of "Say No To Drugs"!

Students also enjoyed a delicious tropical lunch and cool treat as the PTO finished its year-long theme of "Around The World In 180 Days". The PTO wishes to thank all who supported their fall fundraiser, making many programs and projects possible throughout the year.

JUNE IS DAIRY MONTH

EXPERIENCE WISCONSIN

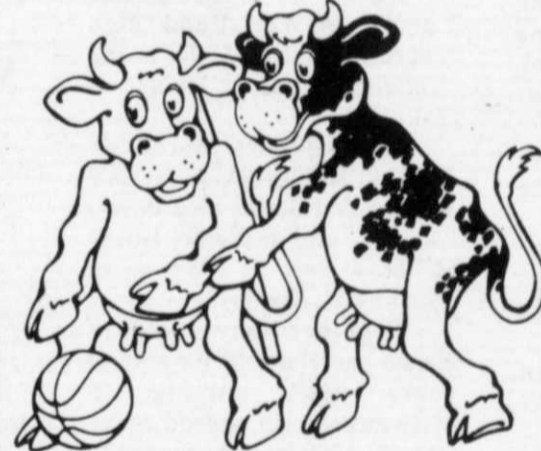

EXPERIENCE WISCONSIN

With the morning's first light, Wisconsin's 29,000 dairy farms spring to life. These farms have been home to generations of expert dairy farm families as they have crafted the finest in high quality, nutritious milk. The tools of their trade are over 1.57 million dedicated dairy cows, each generously supplying an average of 1,703 gallons of milk annually. As the milk moves from the farm to the processing plant, quality continues as the milk is made into premium Wisconsin cheeses, butter, ice cream, and other award-winning dairy products.

Wisconsin enjoys a strong sense of pride in its worldwide reputation as America's Dairyland. As the nation's dairy leader for nearly 80 years, Wisconsin takes pride in producing nearly one-third of the U.S. cheese supply. Besides being the nation's number one producer of over 250 varieties, types, and styles of cheese, Wisconsin also ranks among the leaders in the production of milk and butter. Join us in celebrating our rich dairy heritage by indulging in Wisconsin's "dairy finest"...experience a taste of Wisconsin!

Obituaries

LYLE V. SOYK

Lyle V. "Carrots" Soyk, of West Bend, died Wednesday, June 1, 1994, at St. Joseph's Community Hospital, at the age of 59.

He was born Aug. 5, 1934, in the town of Osceola, Fond du Lac County, to the late Albert and Louisa (nee Viehsedt) Soyk.

In 1939 the family moved to West Bend, where he graduated from West Bend High School in 1953.

He served with the U.S. Army from 1956-'58. After his discharge he was employed at the Wisconsin Electric Co. for about nine years, after which he owned and operated Carrot's Club in downtown West Bend for three years. He then became a car salesman for various auto dealerships, and at the time of his death was employed at Newmann Chevrolet in Cedarburg.

He was an avid bowler, golfer and softball player in West Bend for many years.

Survivors include two children, Kimberly Slan of Crookston, Minn., and Stephanie Shepard of Lawrence, Kan.; two sisters, Alice Arndt of Slinger and Myrtle (Walter) Hassinger of West Bend; three brothers, Melvin "Red" (Esther) of West Bend, Orville (Lillian) of Abbotsford and Norman (Eugenia) of West Bend; a dear friend, Marlene Boegel of West Bend; nieces; nephews; and other relatives and friends.

Preceding him in death were a sister, Pearl Backhaus and a brother, Almon.

He was a member of the Fred A. Schaefer Post 1398 VFW, West Bend Lodge 1398 Loyal Order of Moose and the Hon-E-Kor Country Club, Kewaskum.

Funeral services were held Friday, June 3, at 8 p.m. at Trinity Lutheran Church, West Bend. Pastor Jennifer Johnston officiated, and burial was at 9:30 a.m. Saturday in Forest Cemetery, Eden.

Visitation at the church only was on Friday from 4 to 7:45 p.m. Memorials are pre-

ferred. The Schmidt Funeral Home, West Bend, served the family.

MARY MARTIN

Mary C. "Mae" Martin, 76, of 181 Mill St., Campbellsport, died Sunday, June 5, 1994, at her home.

She was born May 2, 1918, in Campbellsport, a daughter of Edwin and Mary Johnson Martin.

Miss Martin was employed for 38 years at Wisconsin Telephone in Milwaukee, retiring in 1982. She was a member of St. Matthew's Catholic Church in Campbellsport and the Telephone Pioneers of Milwaukee.

Survivors include one sister-in-law, Audrey Martin of Campbellsport; three nieces, Debra Schmidt and her husband Terry of Mequon, Sharyl Odekirk and her husband Clint and Patricia Flasch and her husband Tom, all of Campbellsport, two nephews, Steven Martin and his wife Karen of Campbellsport and Timothy Martin and his wife Kay of New Holstein; one aunt, Mildred Smith of Fond du Lac; and great-nieces and great-nephews.

Preceding her in death were her parents, two brothers, Warren and Gerald and one sister, Fern.

Mass of Christian Burial was held at 11 a.m. Wednesday at St. Matthew's Catholic Church in Campbellsport. The Rev. Michael Moran officiated. Burial was at the parish cemetery.

Visitation was at the church from 9 a.m. Wednesday to the hour of services.

In lieu of flowers, memorials in her name may be directed to the St. Matthew's Renovation Fund.

Twohig Funeral Home of Campbellsport handled arrangements.

JAMES F. SULLIVAN

James F. Sullivan, West Bend, died Tuesday, May 31, 1994, at St. Joseph's Community Hospital, at the age of 54.

He was born July 31, 1939, in West Bend, to Elmer and Marcella (nee Heinecke) Sullivan, and married Evelyn D. Woycke on July 25, 1977, in West Bend.

After serving in the U.S. Army, he worked at several companies in the West Bend area as a drywaller, and was later employed at Suburban Servant as a floor maintenance supervisor for over 12 years.

Survivors include his wife; 10 children, Tina (Gerald) Schneider of West Bend, Tammy (Mark) Schneider of Eagle River, Susann (Fred) Landrath of Eden, Mike (Kelly) Sullivan of Port Washington, Michael (Jackie) Kaiser of Sheboygan, Gary (Terri) Kaiser, Ruth (John) Ebert-Kaiser, Christine (George) Rick and James (Denise) Greenwald, all of West Bend, and Cynthia (Steven) Tackes of Kewaskum; 14 grandchildren; his mother, Marcella Sullivan of West Bend; a sister, Annie (Eugene) Krahn of Beechwood; and other relatives and friends.

Preceding him in death was his father.

A memorial service was held Friday, June 3, at 7 p.m. at the Phillip Funeral Home, West Bend. Fr. Kenneth Mich officiated, and cremation was in Wisconsin Memorial Park, Brookfield.

The family greeted friends and relatives at the funeral home from 5 p.m. until the time of services.

Memorials are appreciated.

NEVA W. MILLER

Neva W. Miller, nee Luecke, of West Bend, died Saturday, June 4, 1994, at the Samaritan Home, at the age of 100.

She was born March 30, 1894, in Kohlsville, to the late William and Bertha (nee Beyer) Luecke, and married Louis Miller on Sept. 7, 1922, at St. John's UCC, Kohlsville.

Together they lived in Nenno and Hartford for several years until moving to Milwaukee. He passed away Oct. 15, 1969, and she moved to West Bend in 1989.

Survivors include six children, Ruth (Leon) Jones of Denver, Colo., Winfred (LaVina C.) of Clearwater, Fla., Dorothy (William) Ryan of Oconomowoc, Marlyn (Stanley) Granat of Fond du Lac, Louis of Austin, Texas, and Daniel (Barbara) of De Pere; 30 grandchildren; 59 great-grandchildren; eight great-great-grandchildren; a sister, Esther Kibbel of the town of Wayne; a sister-in-law, Mabel Luecke of West Bend; and other relatives and friends.

Preceding her in death were a sister, three brothers and four grandchildren.

Funeral services were held Tuesday, June 7, at 2 p.m. at the Myrhum Funeral Home, West Bend. Rev. Victor Hackbarth officiated and burial followed in Wisconsin Memorial Park, Brookfield.

Visitation at the funeral home was on Tuesday from 1 p.m. until the time of services.

In memoriam..

In loving memory of DORIS TECHTMAN, who passed away June 10, 1993:

Life goes on and a year has gone by,
But precious memories never die,

After the end of one sad year,
Our hearts ache with sadness
and God only knows
How much we miss the one we
loved so dear.

Living on, in this world of sorrow
and strife
Until we will meet again in
heaven

To live "together forever" in,
THAT happy life.

Sadly missed by Mr. and Mrs. Sylvester Keller, daughter Joyce, husband Lewis Techtman, and grandchildren.

Do We Get Enough Selenium?

Selenium has been touted for its role in preventing heart disease and cancer. Some, however, say it can be toxic.

Much research remains to be done to fully understand the role of selenium, but, thanks to our nationwide distribution of food products, it appears we get enough of it.

The Food and Drug Administration's annual market basket examination of ready-to-eat, store-bought foods has never found selenium levels to be higher or lower than those recommended by the National Academy of Sciences for the 14 years it has evaluated selenium in foods.

Hence, too much or too little selenium is not a threat to most of us. In the United States, this essential nutrient comes primarily from grain and other vegetation grown in the Great Plains. It also comes from fish and meat products.

If you're the owner of a cast iron skillet, after washing and towel drying, place it in a warm oven to complete drying. Moisture is its worst enemy.

letters to the editor . . .

LETTER TO THE EDITOR:

Attention to all graduates of the West Bend High School of 1959. The plans for our 35th class reunion on Saturday, August 6th have been finalized and now it's up to you to get your questionnaire and reservations mailed to Joan Strobel. It is very important to us to return the information we sent to you, so we can begin organizing the booklet and get them printed. Please return the questionnaire as soon as possible.

Looking back through the years of our class reunions, of the approximately 206 classmates contacted, less than half chose to come to this memorable event. We had hoped to at least get 55% of our classmates to come to the dinner and social time to reminisce and renew old friendships.

In 1964, 91 of 206 came to the reunion.

In 1969, 98 classmates and their guests enjoyed the class reunion.

The 1974 class reunion had 77 classmates attend the special event held at the Moraine Supper Club.

The 20th class reunion was held at the KC Hall and 83 classmates and their guests enjoyed the silver year of the 1959 graduation memories.

Our graduation day was 35 years ago this week. The committee is hoping for a record return of questionnaires and reservations for the upcoming reunion evening. We are looking forward to seeing all of you and your spouse/guest on Saturday, Aug. 6th at the Linden Inn.

The next meeting for the committee is Wednesday, June 15th at the Coachman House in West Bend at 7:00 p.m. Joan Strobel will report on the responses to this year's 35th Class Reunion event. She has worked very hard to find all the classmates and get their addresses. If you did not receive a letter

and questionnaire please contact Joanie. Anyone 1959 classmate interested in helping with the booklet and program are invited to attend the meeting.

For more information please call Joan (Cotter) Strobel at 626-4553 or Jean (Ohmann) Goeden 334-9459. Thank you. See you on June 15th at the meeting on August 6th (Mark it on your calendar) for the class reunion.

Letter to the Editor:

DID THEY DIE IN VAIN?

I had the honor to ride in our 1994 Memorial Day Parade several vehicles behind the Stars and Stripes.

To my surprise and disgust I saw many people absolutely ignore our nation's flag. The same flag so many of our young people gave their lives for. The very same people we were here to honor on Memorial Day.

Ignoring our flag is to ignore those who gave the supreme sacrifice; the very ones we gathered together to honor.

On a brighter note: I was very pleased to see some parents showing the youngsters how to salute the flag and when. I'm also sure they told them why they were doing it.

To those of you who are not sure of the proper procedure, please contact me for flag etiquette information.

The Great Seal of the U.S. has 13 of each of these items: stars, stripes, clouds, arrows, laurel leaves, berries, feathers in each wing and tail, and rows in the pyramid. This is one case where 13 is a lucky number!

Letter to the Editor:

Once again the Kohlsville Fire Dept. is having a parade in conjunction with their Fireman's Picnic.

The date is Sunday, August 7th at 11:30 a.m. It will start at Cedar Valley on Hwy. D and travel west and then south past the firehouse. To raise funds for entries in the parade we are holding a "MAYOR OF KOHLSVILLE CONTEST."

The rules of the contest are as follows: 1. The duties of the mayor will include and be limited to participation in the parade in Kohlsville on the 7th. 2. All monies will go towards funding the parade. 3. Nominees for mayor shall be limited to Kohlsville Fire Dept. 4. One dollar per vote. 5. Vote as often as you want. 6. Make checks payable to "Kohlsville Fire Dept." and write donation on your check. 7. Send votes to: "Mayor of Kohlsville Contest" Gerald Schulz, 5520 Hwy. D, West Bend, WI 53095. 8. Copies of ballot may be reproduced.

Ballot is as follows:
My vote for mayor is _____

Amount enclosed (\$1 per vote) _____

So show your support for the Kohlsville Fire Dept. and vote for your favorite mayor.

Last year's mayor was Karl Brath -- this year it may be you!

Letter to the Editor:

The American Legion Auxiliary to the Robert G. Romaine Post #384 wishes to express their gratitude to the Kewaskum Statesman for their great support with publicity for Poppy Day.

Poppy Day was a great success due to the support of the villagers of Kewaskum. A big thank you to all of you. It didn't hurt that God saw fit to have some 85 degree weather to go along with the day.

DEAR EDITOR,

Tan-talizer Tanning Studio, Inc. would like to thank all of our new clients and all of the people who turned out for our Open House. Your warm reception has been very much appreciated!

We would like to thank The Kewaskum Statesman for their help with advertising and also for their wonderful coverage of the Open House.

A big thank you goes out to the following businesses, who worked so hard to help us get ready for our opening: Gary Gavin Painting, Kettle Moraine Electric, Bryant Borland Builders, Kewaskum Floral.

Finally, thank you to our families, friends, and neighbors, for their well wishes. Without your love and support, we would not have been able to realize our dream.

Sincerely
Laurie Steiner

BACK TO BACK GOBBLERS... Wally Ewert of Kewaskum, center, increased his credibility immensely recently when he called in a pair of Toms for a couple of his friends. Ralph Miller, Campbellsport, left, displays his 14 pounder with a 5 inch beard, while Jim Schaub of Kewaskum, right, bagged a nice 21 pounder with a 9 inch beard. Both hunters bagged their turkeys from the same spot, a mere three seconds apart. Ewert, who owns land in the Town of Union, said he called for about 1/2 hour before the turkeys came into shooting range. The turkeys were bagged May 12 at 5:30 a.m.

Volesky-Tieglman Win Women's Best Ball Tourney

By Noel Stollenwerk

KEWASKUM - A sizzling score on the final nine holes was enough for the team of Judy Volesky and Judi Tieglman to capture top honors at the first-ever Women's Best Ball competition held recently at Hon-E-Kor Country Club.

The Volesky-Tieglman duo shot an impressive round of 30 on the back nine to record a 62 net for the 18-hole tournament. The scores were deduced by using 75 percent of the teams' handicaps.

Their low score on the back nine enabled them to just beat out the team of Tracey Schaub and Debbie Timblin, who fired a 63 total net. Finishing in a three-way tie for third place were the teams of Theresa Dreher-Carol Laatsch, Amy Krieser-Sherrie

Roskopf, and Linda Grimm-Jane Krueger, each duo shooting rounds of 66.

Krueger, who was the best player in the field and fired a 78, also won the long drive contest with her booming tee of 234 yards. Other winning individual contests were Kate Normoyle - long drive in fairway on number 1; Audrey Jaraczewski - closest to pin on number three; Roxanne Volesky - long putt on number nine; Amy Krieser - closest to pin on number 16; Sandy Semler - long putt on number 18; and Jan Young and Pat Taylor, who tied for low net score on the front nine (28).

Happiness is not a matter of events; it depends upon the tides of the mind.

Chesak Advances To Golf Sectional

By Noel Stollenwerk

HORICON, May 24 - After starting the season slowly, the Kewaskum golf team ended up on a promising note. Most promising was the effort of sophomore Luke Chesak, whose season continued after he qualified for WIAA Sectional competition.

Chesak finished third in the individual competition at the WIAA Regionals here on May 24, and thus earned the right to advance to Sectionals, which were scheduled to take place May 31, at Hon-E-Kor.

As a team, the Indians finished eighth in the 12-team Regional, accumulating 361 strokes. Mayville won the team title with 324 strokes, just ahead of Brown Deer's 327 total. Sheboygan Falls (342) and Horicon (343) also advanced teams to Sectionals. The top four teams, and top five individuals qualified for Sectionals.

Horicon won a tiebreaker with Pewaukee for the final

team spot, after each finished with identical 343 totals.

Chesak nearly had to play a tiebreaking hole, only his would have been for the top individual finisher in the meet. Chesak's round of 79 was one shot behind Mayville's duo of Ryan Detlaff and Eric Dyba, who each carded 78s. Detlaff won the playoff for top individual honors.

Chesak started strong, carding a 38 on the first nine holes. He finished with a 41 on the back nine, and earned the right to advance.

No other Indian was close to qualifying. Other KHS counters in the meet included Jim Westermann (91), Nathan Vetter (94), and Gregg Serwe (97).

WIAA REGIONAL GOLF MEET
TEAM SCORES: 1. Mayville 324; 2. Brown Deer 327; 3. Sheboygan Falls 342; 4. Horicon (won playoff) 343; 5. Pewaukee 343; 6. Oostburg 354; 7. Campbellsport 355; 8. Kewaskum - 361; 9. Slinger 371; 10. Shorewood 375; 11. Columbus 389; 12. Random Lake 392.

Top teams this week were: Regal Ware, 2-5; Bank, 1-5; Gruber Toolers, 5; Handicappers, 4; Hon-E-Kor, 3; Rustic Timbers, 3; Driving Range, 3; Sentry Mixers, 3; Berndt's, 3.

Low Gross: Joe Doherty, 36; Mike O'Connor Jr. and Chris Harlow, 37; Tom Larsen, 38; Jim Korth, Dave Denis and Tim Taylor, 39.

Low Net: Chris Harlow and Jerry Fellenz, 29; Don Baierl, Tom Herriges, Bob Butler and Jim Buehrens, 30; Paul Albinger, Randy Rahlf and Dick Dahlke, 31.

Low Team Net: Hon-E-Kor, 129.

Highlights: Neal Weare and Harold Perkins won the special events.

Birdies: Joe Doherty, 3; Chris Harlow, 2; Jim Korth, 2; Dave Boyd, 2.

middle innings by Cougar hurler Laurie Kramer. After Williams' blast, Kramer didn't allow another hit until Debbie Neumann's single in the sixth. Kramer finished by allowing just three hits, while striking out 10 and walking three.

The Cougars put the game away with four more runs in the sixth. Five walks by the Lady Indians' Stephanie Heberer, coupled with an error and a base hit accounted for the scoring.

In all, Heberer allowed 12 free passes, along with seven Cougar base hits.

With the win, the Cougars improved to 13-6 on the year, and stayed alive in the WIAA Regionals. The Cougars went on to defeat New Berlin West in the Regional finals, 7-2.

Campbellsport Pulls Away To Eliminate KHS Girls

By Noel Stollenwerk

CAMPBELLSPORT - With a combination of bad defense and bad pitching, the Kewaskum girls softball team has made things easy on its opponents this season. Trying to hold off elimination from the WIAA playoffs, the Lady Indians gave Campbellsport some problems though, here, on Tuesday afternoon, May 24.

The Lady Indians hung around as long as they could against the explosive Cougars, who had whalloped Kewaskum 21-1, earlier this season. Still, it wasn't enough, as Campbellsport advanced to the Regional final with a 8-1 victory, thus

ending the Lady Indians' season.

Kewaskum finished with a 3-16 record, with most of the losses coming due to poor defense. Against the Cougars, however, the Lady Indians shined defensively, committing just two errors and turning in several stellar plays.

Shelly Williams began the inspired effort in the top of the first, tripling and later scoring on Kim Resch's sacrifice fly.

The lead was short-lived, however, as the Cougars erupted for three runs. Tammy Engel had the big hit for Campbellsport, driving in a pair of runs with her single.

The Indians, meanwhile, were being shut down over the

Indians Swept by West Bend East

By Noel Stollenwerk

WEST BEND, -- It was an inauspicious debut for first-year Kewaskum baseball coach Mark Heise here, last Tuesday.

Heise, who replaced Doug Gonring as the Indians' skipper, lost a pair of games to Gonring, as the Indians dropped both ends of a doubleheader to West Bend East, 11-7 and 11-4.

After one season at the helm, Gonring decided this past off-season to leave the KHS head coaching position, and return to East, replacing long-time coach Gary Perkins. Heise, in turn, took over at Kewaskum, and quickly got a lesson in losing.

In the first game, the Suns exploded for eight runs in the bottom of the second inning, ousting KHS starter Dane Dorn,

who gave up seven of those tallies.

The Indians finally got their offense untracked in the sixth, thanks to some walks by East pitchers. After four walks and a hit batsman forced in a pair of KHS runners, Jason Lieberg singled in the Indians' third run. Leadoff hitter Kevin Klahn then drilled a triple, scoring three more KHS runs.

But it was too little too late for the Indians, who got another single run in the seventh on Joe Rettler's RBI double. The Suns' Sam Blahnik got the next hitter, Dan Survis, on strikes to end the game.

In game two, things started off nicely for the Indians. The first three batters of the game, Klahn, Cory Rammer and Dorn, all reached base. Tim Gundrum then followed with a blast over

the right-center field fence for a grand slam, and it was 4-0, Kewaskum after just four batters.

But Blahnik, who started the second game, settled down to retire the next three KHS hitters to get out of any further damage.

East came right back in the bottom half of the inning, scoring seven times, the key blow being a two-run homer by Blahnik. In all, Blahnik drove in four runs in the second contest, while also getting credit for the pitching victory. After the shaky opening inning, the Suns pitchers held KHS to just four hits the rest of the way.

Gundrum took the loss for the Indians, as he didn't retire a single batter, while giving up six earned runs. Shane Engelking and Dorn provided some much needed relief for the Indians, as the two allowed a combined one hit over the final three and a third innings.

Rammer led the KHS hitters with a pair of base hits in game two.

Gundrum, Survis Shut Down Slinger

By Noel Stollenwerk

KEWASKUM - It was a two-man show for the Kewaskum baseball team here, last Thursday night.

The combination of Tim Gundrum and Dan Survis shined both on the mound and in the field against Slinger in a non-conference battle. The pair shut down Slinger on four hits, helping the Indians shut out the Owls, 1-0.

The duo accounted for the lone run of the ball game as well. Gundrum walked to lead off the KHS fourth inning. After a sacrifice and a strikeout, Survis followed with a clutch two-out triple, scoring Gundrum and giving the Indians all the runs they would need.

That was because Gundrum was on target on the mound for the Indians. He pitched six strong innings, allowing just three hits, while striking out six and walking one.

He gave way to Survis to open the seventh, and Survis closed the door on the Owls, allowing just one hit to record the save.

The fine pitching performance by both Gundrum and Survis was needed, as the Indians were able to muster just two hits in the contest. Gundrum doubled in the first inning, but was left stranded when the next batter, Joe Rettler, grounded back to the pitcher.

The win enabled Kewaskum to improve to 1-2 on the season.

Indians Finish Second In Germantown Invite

By Noel Stollenwerk

GERMANTOWN- Some timely hitting and solid pitching allowed the Kewaskum baseball team to take second place in the eight-team Germantown Invitational baseball tournament here last Saturday.

The Indians got a solid effort from pitcher Dane Dorn in the opening game against Menomonee Falls. Dorn struck out eight, as the Indians beat Falls, 10-3.

In the semi-finals, it was Tim Strigenz's turn on the mound. He also pitched a gem, scattering six hits in seven innings, as KHS downed Racine Case 7-3.

That sent the Indians into the title game against the host Warhawks. But Germantown was simply too much for KHS on this day, outslugging the Indians, 18-7, thus capturing the Invitational title. It was the fourth time in the 13-year history of the tournament that the hosts won the championship.

In the opener against Falls, Kevin Klahn and Strigenz each collected three hits and two RBI's apiece, leading the 15-hit KHS attack. Cory Rammer had two doubles and two RBI's, while Dorn and Andy Rix added two hits each, and Tom Menger had a pair of RBI's.

The Indians used a four-run seventh inning to put the game out of reach. The first six KHS batters in the inning reached base safely.

Dorn went the distance on the hill, striking out eight and walking one, while allowing seven hits.

In the semi-finals, Strigenz was equally impressive on the mound. The senior also threw a complete game, despite not being overpowering. Strigenz didn't strike out a batter, but showed good control by walking only one.

Offensively, Dan Survis led the way with three hits and a

pair of RBI's. Rix added two hits and two RBI's, while Joe Rettler also drove in two.

KHS scored three times in the second inning, with Rettler's triple scoring Dorn, who had doubled. Survis' single drove in Rettler, and Rix's single brought home Survis later in the frame. Totalled, the Indians collected 12 hits in the contest.

The Indians continued their hot hitting in the championship, but were simply outslugged by the Warhawks. KHS collected eight hits in the title game, while Germantown rapped out 15 hits, and also took advantage of eight walks by Indian pitchers.

Survis started on the mound for the Indians, but didn't make it out of the first. The Warhawks rocked him for eight runs, seven of which were earned.

The hosts were just as inhospitable to Survis' replacement, Shawn Engelking. He gave up four more runs, and was unable to make it out of the second inning, by which time Germantown had staked its claim to a 12-0 advantage.

The Indians battled back at the plate, scoring three times in both the third and fourth innings. Strigenz and Gundrum each drove in runs in the third, while Klahn added a double.

In the fourth, Cory Rammer, Strigenz and Gundrum each collected two-out hits, and KHS took advantage of some shoddy defense by the Warhawks, who committed two errors and a wild pitch.

Kewaskum's other run came in the fifth, when Rettler and Survis had back-to-back doubles to open the inning. Gundrum had two hits and drove in two runs, while Rammer was the lone other KHS player to have more than one hit.

The Indians opened Eastern Wisconsin Conference action at Kiel on Monday and then play at Plymouth on Friday.

Team Finishes Third With 52 Points KHS Girls Send Four Individuals, One Relay Team to LaCrosse

By Noel Stollenwerk

ELKHORN - No one individual was dominant, but several solid efforts paced the Kewaskum girls track team to a total of five State Track qualifiers for the season-ending meet.

Those solid efforts helped the Lady Indians also finish third in the team scoring race, totalling 52 points. Fellow Eastern Wisconsin Conference member New Holstein won the team title with 70 points, with Mayville taking second (53).

For the Indians, Ginger Wiesner was the lone competitor to take first in the event. The senior veteran won the long jump competition with her leap of 16-3.5. It will be the third straight trip to State for Wiesner, who has taken a fourth and a fifth in the past two State meets.

Wiesner was also set to compete on the Indians' 800 relay squad, which also qualified for the big show by taking second

in the best race of the day. The quartet of Wiesner, Greta Kuphal, Erin Stockhausen and Jenny Jagielski was edged by North Fond du Lac, 1:47.5 to 1:47.6. Both times were among the best in the state this year, and both have a good chance to compete for the state title in Division 2.

Kuphal also advanced in an individual race, as she took second in the 200. Kuphal's time of 26.6 was a personal best.

Mary Yahr and freshman Marni Lynn also qualified for the State meet by virtue of their second-place finishes. Yahr was second in the 100 hurdles (17.2), while Lynn was runner-up in the 800 with her time of 2:25.6.

The only major disappointment for the Lady Indians came in the 1600 relay, where the team of Wiesner, Kuphal, Yahr and Missy Rohrer finished fourth (4:15). The unit, minus Kuphal, had advanced to state

last year.

Also unable to finish in the top two and advance were Yahr in the 300 hurdles, Becky Yogerst in the discus, and the 400 relay. Each had finished in the top three at Regional competition held at New Holstein.

Yahr's 49.5 in the Regionals was the best-ever for her, but not nearly enough to advance past Sectionals. Yogerst also finished first at Regionals (107-6) with a personal best, but her best effort also would not have been good enough for a state berth. The same was true for the 400 unit, comprised of Stockhausen, Jagielski, Jenny Strobel and Becky Heisdorf.

As a team, the Lady Indians accumulated 112.5 points at the Regional meet, just six points behind New Holstein.

All of the Lady Indians' entrants were scheduled to participate on Friday, with finals in the running events taking place on Saturday.

Jackson, Jacak Qualify for State

By Noel Stollenwerk

ELKHORN - In almost any athletic sport, a person or team needs a little luck in addition to skill in order to excel.

Kewaskum pole vaulter had his share of both luck and skill, allowing the senior to earn a second trip to the state track and field championships June 3-4 in LaCrosse.

Junior high jumper Travis Jacak joined Jackson in a return trip to the state meet. Jacak qualified for the third straight year by winning the high jump competition at the WIAA

Sectional held here May 26.

Also competing at the Sectional, but unable to qualify for the state meet, was Wade Kreis, who finished out of the top two in the long jump.

Jackson's plight was the highlight for the Indians. After qualifying for the state meet as a sophomore, Jackson was the victim of some bad timing in the Regional competition last year.

Battling windy and rainy conditions, Jackson was unable to make the opening height, thereby eliminating him from the field. Shortly after Jackson's unsuccessful attempt, the remaining pole vaulters were told the competition would be cancelled until the next day.

This year, however, Jackson's luck turned for the better. In the Regionals held May 23 in New Holstein, Jackson barely qualified for the Sectionals with his 12-0 mark. He beat out teammate Kreis for the third qualifying spot, despite missing three attempts at 12-6, which he has cleared numerous times.

But at the Sectionals, Jackson peaked at the right time. The senior set a new KHS school record by clearing the 13-9 barrier, easily taking first place in the competition. Jackson bettered his own record set earlier this season (13-6).

Jacak, meanwhile, wasn't at his best in either meet, although he still performed well enough to advance. Jacak was second at Regionals (6-4), behind Campbellsport's Joe Stoffel (6-5).

The KHS junior came back to beat Stoffel at Sectionals, though, jumping 6-3. Stoffel was second with his 6-2 height. It was the third straight trip to the state meet for Jacak, who finished sixth last year with a jump of 6-4. Jacak has cleared the 6-5 height once this season.

There were a couple of disappointments for the KHS boys at

the Regionals in New Holstein May 23. Senior Randy Thull just missed a third-place finish, and Sectional berth, as he took fourth in the 3200 (10:10.6).

Also taking third was the 1600 relay, comprised of Jackson, Heath Heise, Matt Tonn and Andy Rix. Their time of 3:39.8 barely missed qualifying for Sectionals.

800 Relay Sets New School Record Lady Indians Score 10 at State Meet

By Noel Stollenwerk

LACROSSE - For one Kewaskum high school athlete, it was a last hurrah. For several others, it may be a sign of things to come.

Collectively, it was another solid performance for the Kewaskum girls track team at the annual WIAA Track and Field State Meet here, last weekend.

The Lady Indians tallied 10 team points, finishing in a tie for 26th place in the team competition in Division 2. Fellow Eastern Wisconsin Conference member Two Rivers won the Division 2 team title, scoring 45 points.

Kewaskum's best finish came in the 800 relay, where the quartet of Ginger Wiesner, Greta Kuphal, Erin Stockhausen and Jenny Jagielski took fourth (1:47.5), setting a new KHS record in the process.

"I don't know that they could have done any better," KHS coach Perry Koth said of the unit. "There was one bad hand-off, and that maybe could have dropped a couple tenths of a second off. But they ran real well."

Koth added that it was encouraging that Stockhausen and Jagielski, a sophomore and a freshman, didn't seem to be fazed by the record-setting 11,000 plus in attendance.

"They handled it real well," Koth said of the younger athletes, making their first trip to state. "It's not really easy running in front of that many peo-

ple, especially when you're used to having maybe 50 people at meets (during the regular season)."

Wiesner has plenty of experience running in front of big crowds, this being her third and final trip to the state meet. The senior ace capped off a fine career by placing sixth in the long jump, with a leap of 16-2.

"We were really happy with that," Koth said of Wiesner's effort. "She was seeded eighth, and moved up to sixth, so that was good."

Wiesner had previously competed in the open 400, as well as the 1600 relay at the state meet. She holds or is a part of KHS records in both events, and is the only member of this year's state-bound group to be graduating.

Kuphal will be back, and she will try and improve on this year's seventh-place showing in the 200 dash (27.3). Kuphal was fourth in the preliminaries on Friday with her 26.4, but just didn't have the energy the following day and had to settle for seventh.

"She missed a medal (top-six finish) by .1," Koth pointed out, adding that the extreme heat may have taken something out of her. "It was very hot, and I think that was a factor. It definitely had an effect on the athletes."

Greta was disappointed. She felt that she could have run faster," Koth added. "Knowing Greta, she'll do what she has to in order to take it to that next

level."

Junior Mary Yahr will also have another year to make it back to the WIAA's "big show." Yahr had problems with the first hurdle in her 100 hurdles race, and had to settle for ninth place, finishing in 17.4.

"She stumbled a bit on the first hurdle," Koth said, adding, "when you do that at the state, meet, it's pretty much over for you. But she got to run in the state meet, and that means a lot."

Freshman Marni Lynn will have plenty of chances to return, after she finished ninth (2:28) in the 800 in her inaugural meet.

"She ran well," Koth said of the freshman. "For her, just getting there was an accomplishment. It was a big surprise."

"I think we ran to our potential," the KHS coach went on to say. "I'm really satisfied. We knew that we weren't going to challenge for any state titles. The kids were very competitive... never satisfied. They always want to do better."

"But I think we accomplished most of our goals this year," he said. "We won several Invitational titles... they performed well all year long."

in other events. McNaulty's 1:58.20 in the 800 was not quite enough to beat Elkhorn's Tim Badertscher (1:58.18) in one of the meet's most exciting races. McNaulty also added a second in the 400 (50.6).

Other EW placewinners included Chilton's Jason Karls (eighth, 1600 and sixth, 3200); and Two Rivers' Chris Satterberg (third, 100 dash).

Other area placewinners included Slinger's Scott Krall (sixth, pole vault); Campbell-sport's Joe Stoffel (second, high jump); West Bend East's Dan Fax (third, Division 1 discus, and fourth, shot put); East's Bryan Hetzel (fifth, long jump); West Bend West's Scott Hammer (second, 800); Germantown's Ryan Rogers (fifth, triple jump); and Hartford's Bryan Kirley (third, 800).

New Holstein Fourth, Falls Sixth at State

By Noel Stollenwerk

LACROSSE - The Eastern Wisconsin Conference showed its strength at the WIAA State Track and Field Championships held here at Memorial Stadium last weekend.

In addition to Two Rivers winning the girls Division 2 team title, New Holstein and Sheboygan Falls finished fourth and sixth, respectively, in the Division 2 boys team competition.

The Huskies finished with 32 points, with Mike Draham leading the way with his second in the 1600 (4:23.3). Others placing in the top six for New Holstein included Dan Kremenauer (fifth, pole vault); the 3200 relay (fifth); Brad Bosma (fourth, 110 hurdles); Jason Meyer (third, 3200); and the 1600 relay (fifth);

Sheboygan Falls, meanwhile, was paced by their state champion 1600 relay team, consisting of Larry Terscher, Tyler Schaeffer, Adam Pease, and Ryan McNaulty. The quartet edged Clinton, 3:29.4 to 3:29.7 for first place.

McNaulty had a great state meet, adding a pair of seconds

GIRLS STATE MEET NOTES... Erickson, Relays Help Two Rivers to State Title

By Noel Stollenwerk

LACROSSE - Kewaskum track coach Perry Koth raved all season about how strong of a team Two Rivers had. His talk was backed up by the Purple Raiders here, last weekend.

With three of its four relay teams placing as well as a state title for Amy Erickson in the 3200, Two Rivers was able to squeak past Nekoosa 45-44, thus winning the Division 2 team title at the WIAA State Track and Field Championships held here at Memorial Stadium.

Erickson's 11:06.83 run in the 3200 on Friday, coupled with the 3200 relay team's fifth helped the Raiders take the lead after the first day of competition.

On Saturday, Two Rivers got places from Erickson (third, 1600), the 800 relay (second), and Trisha Casey (third, 800), but still trailed Nekoosa 40-35 heading into the meet's final event, the 1600 relay.

Two Rivers won the event, however, (4:07.42), and Nekoosa took fifth (4:10.5), giving the Raiders the title by a single point.

New Holstein, which had won the Sectional team title and was expected to be among the top Division 2 teams, finished

with 11 points. The Huskies' 3200 relay team took fourth (9:52.8), while Kara Kremenauer was fourth in the 400 (60.2), and Sheila Kabat was eighth in the 3200 (12:06).

Other Eastern Wisconsin Conference girl athletes who placed at the state meet included: Kiel's Paula Smaskl, first in the shot put (40-8.75); Sheboygan Falls' Kris Kimmler, fifth in the 800 (2:21.9).

Other area athletes who placed, include Mayville's 3200 relay, second (9:42.0); Slinger's Steph Klippel, second in shot put (39.10); Slinger's Andrea Booker, eighth in shot put (36-3.5) and sixth in discus (112-10); West Bend East's 800 relay (sixth 1:47.5) and 1600 relay (fifth, 4:06).

Marinette, behind the efforts of the Westphal twins, Jenni and Janet, won the Division I girls title with 53 points, well ahead of Milwaukee Tech (40).

In Division 3, it was Cadott winning with 45 points, three better than runner-up Hilbert.

Grover Cleveland was the only president who served two non-consecutive terms of office. He was our 22nd and 24th president.
