Restaurants To Open Here

By Sharon Callaway Roznik

The community has, with patient anticipation, been awaiting the opening of the new Subway of Kewaskum, and their waiting ended when it opened its doors for business Wednesday, July 6th.

Located at 919 Fond du Lac Ave., in the Kewaskum Mall, the Subway franchise offers a variety of cold and hot subs in six inch and foot long sizes, as well as a 4" round sandwich.

Owners Richard Kapinos of Boltonville and Tom Steffek of West Bend think the Kewaskum location and the popularity of Subway sandwiches makes for a successful endeavor.

Summer hours are weekdays 9 a.m. to 10 p.m., Friday and Saturday 9 to 11, and Sundays 9 to 10.

Another plus for the vil-

lage's appetite is the opening of the Hamburger Haus II (formerly A & W) on July 11th.

With a 72 person seating capacity, the restaurant will offer basically the same menu as their Hamburger Haus located in Dundee. Soft serve cones, ice cream specialties and burgers on a hard roll are just a few items.

The business is being leased by Don Piper, and will be managed by one of his employees from the Dundee location, Nancy Cribbs. Cribbs has been with the business eight years.

Future plans include the addition of breakfast in the fall, and a Friday Fish Fry. "We're taking things step by step for now," says Don.

The restaurant will be opening seven days a week, and will feature the drive-thru, as well as summer car-hops.

Parade Sunday at Noon

Firemen-Legion Picnic this Weekend

Kewaskum's annual Firemen - Legion picnic will be held this weekend at beautiful River Hill Park on Friday and Saturday evenings and Sunday, July 8, 9 and 10. There's a great line-up of entertainment for this year's event, so don't miss the fun of this family oriented summer shindig.

The festivities start off on Friday night with The Larry's playing in the beer garden from 9 p.m. to 1 a.m. Saturday night features Class of '62/Surf Boys from 8:30 p.m. to 12:30 a.m., and Sunday afternoon brings the music of Ralph Buchel with the Joey Klass Orchestra from 1:30 - 5:30 p.m.

The children always enjoy the midway that's in operation throughout the weekend offering rides and games to work up an appetite. Why not stay for dinner - there's lots of food and refreshments on hand to satisfy everyone's taste buds. The park opens at 5 p.m. on Friday and Saturday.

Saturday night highlights the Kewaskum High School Jazz Ensemble from 7 to 10 p.m. in the park pavilion, and Sunday afternoon offers more music with Badger Crew playing from 1:30 to 5:30 in the north beer stand.

Traditional waterfights are set for 5:30 Saturday evening with neighboring fire dept. teams vying for the championship title. Come and cheer on your favorite team!

On Sunday, the mammoth parade is once again scheduled for high noon led by the Kewaskum High School band. This popular parade features Drum and Bugle Corps, bands, baton groups and other musical units, as well as spectacular floats, novelty and military units, children's specialties, comic and clown entries, clubs and organizations, visiting fire departments, Legionnaires, antique cars, horses and riders and much, much more.

This year's parade theme is:

Remembering D-Day. It will follow the same route as previous years, originating from the high school campus area and proceed from there to River Hill Park. All participants should be ready to lineup no later than 11:30 a.m. Many great prizes will be awarded for the best floats and children's specialties.

There's a chance you could be a winner if you purchase raffle tickets on sale now at area businesses or through any Fire Department or Legion member. 1st prize - \$1,000; 2nd - \$500; 3rd - \$250; 4th and 5th - \$100; and 6th - \$50.

Anyone interested in sponsoring units or bands, or donating money towards sponsoring units, please contact Jeff Boden at 626-4161.

Always a welcome community event, the Kewaskum picnic offers a chance to relax with family and friends and enjoy a great weekend. Be there or be square!

Benefit Car Wash to Aid Accident Victim

By Sharon Callaway Roznik

A benefit car wash will be held July 30th at Raindance Car Wash in Kewaskum to raise funds for the Hubacek family.

Newcomers to the area, Gary and Lisa Hubacek recently moved to their new home on Alpine Lane, and were looking forward to getting to know the community. But an unexpected accident on April 13th changed their lives forever.

It was a strange thing because Gary was the kind of person who never took a vacation. He always worked seven days a week, throughout the year. That's why friends and family were so excited when he decided to take some time off to go turkey hunting with brother-in-law Dave Miller.

It was their first morning out and they made sure they started early 5 a.m. It was still dark in Mineral Point, which is near Madison, a place unfamiliar to both Gary and Dave.

The decision was to hunt about three miles apart, and meet at noon after hunting was over. Gary dropped Dave off and continued in his truck to his own hunting site.

Dave waited and waited, but Gary never showed up that afternoon. Lisa interjects, "Dave

was very worried because they are both so responsible. He knew something was wrong."

After a painful waiting period, Dave decided to go looking at around 2:30. He walked the three miles to the truck, but

Thank You Tan-Talizer

The Village of Kewaskum, along with its residents, would like to extend a large thank you to Tan-Talizer Tanning Salon of Kewaskum for their generous contribution towards this year's July 3rd fireworks.

Our fireworks were another smashing success with a crowd of spectators estimated to be around 6,000 to 7,000.

Next year we can look forward to a fireworks doubleheader with aerial bursts being sent up on the Village's Centennial June 10 and again on the customary July 3.

Anyone wishing to contribute to either the Centennial fireworks or the July 3rd fireworks, please contact Village Administrator Dan Schmidt at 626-8484 during regular business hours.

Thank you.

Zimmel Retires as Valley Bank President

Kewaskum... Gerald H. Zimmel announced his retirement, effective June 30, 1994, as President, Chief Executive Officer and Director of Valley Bank East Central, headquartered in Kewaskum.

Zimmel has been with the Bank since 1962, serving in many capacities including as President since 1985 and C.E.O. since 1987. During his tenure as President the Bank grew from two offices in Kewaskum and Allenton, to nine offices throughout East Central Wisconsin.

"I have greatly enjoyed my years at the Bank, and will especially miss my many, many friends in the community," Zimmel said. "The time was right, however, for me to pursue new personal goals and I greatly look forward to the opportunity," he added.

It was also announced that William J. Haskey was elected President and C.E.O. of the Bank. Haskey came to the Kewaskum Valley Bank office as Executive Vice President and a Director in 1987. He had previously served as President and C.E.O. of the Valley Bank of Fredonia where his banking career began in 1964.

The Kewaskum office and

its bank charter, together with Valley's Hartford office, are to be acquired by St. Francis Capital Corporation later in the

year. The new bank, which has not yet been named, will continue to operate as a full service, community commercial bank.

Harry Koch Grand Prize Winner of Journal Contest

Harry Koch of Kewaskum, recently one \$1,000 and a trip for four to Las Vegas in the Milwaukee Journal / Sentinel Grand Slam contest. He was their grand prize winner, out of thousands of entries from across the state.

The trip for four includes a three-day, two-night stay at the new MGM Grand Hotel, the world's largest casino, hotel and theme park.

The object of the game was to collect each of the four bases - 1st, 2nd, 3rd, and home plate - and clip them out of the paper. At least two different bases appeared in the Milwaukee Journal and Milwaukee Sentinel every day of the contest which was held May 8th through June 19th. Or you could find a Grand Slam game piece and send that in, with no other bases required. Winners were drawn at random.

Harry was the first entry randomly drawn which qualified

him for the grand prize. The next 26 people received a grand getaway weekend package at the Grand Milwaukee Hotel, and 13 received the second prize - Brewer baseball tickets and a Robin Yount t-shirt.

Koch admits he's not one to enter contests, but for some reason got hooked on this one. "I subscribe to the Journal, Sentinel, and Sunday paper, so some weeks I sent in six, seven, or eight entries, depending on how many I had."

He was notified a week ago Thursday that he was the grand prize winner, and went down to Milwaukee on Friday, July 1st to pick up his \$1,000 check.

"I have until May of next year to plan my vacation," says Koch, "but I think I'll wait 'til its cooler in Las Vegas." His wife Janet will accompany him, along with his two daughters Wendy Dorn and Melissa Sandvig.

Gary was no where around. Lisa continues the story, "Dave finally looked up and noticed some birds circling. When he looked down, there was Gary 30 feet down at the bottom of a cliff. Dave must have passed the spot a couple of times before while searching."

Gary knew what was wrong. Lying at the bottom of the cliff he'd just stepped off of, he was numb...without pain. Gary had broken his neck, and spent the next nine hours trying desperately not to move, yelling for help.

Flight For Life transported him to UW-Madison Hospital where he spent three weeks and was then moved to Sacred Heart Rehabilitation Center in Milwaukee where he will probably remain until August.

Confined to a wheelchair,

Gary has been a quadraplegic since the accident. He has recently gained some movement in his arms, but doctors say there is only a 5% chance of him ever walking again.

"But we believe in miracles," states Lisa firmly, "and we know God has bigger plans for Gary."

Neighbor Lisa Bunkelman

has been busy organizing the fund raiser to help the Hubacek family pay for medical expenses, a stair climber, the remodeling of their bathroom to hold a drive-in shower, two access ramps for the house, plus an electric and manual wheelchair.

The Car Wash will be held July 30th from 10 a.m. to 5 p.m. at Raindance Car Wash. Pepsi

and hot dogs will be available to purchase. There will also be attendants there to dry your car for \$1.00. Shefond will also be contributing funds for each car being washed that day.

Raffle tickets offer a color T.V. as a grand prize, and can be purchased for \$1 or 6 for \$5.

The raffle has been set up by Gary's family and are also available at Shefond Mobil Mart.

Two accounts have been set up in Kewaskum to receive donations for the Hubacek family; one at Valley Bank and one at West Bend Savings.

IN MEMORY

In memory of LUELLA MARQUARDT who passed away July 6, 1988:

We watched through all your suffering
And often had to cry
For we knew that very soon
We'd have to say good-bye
When days are sad and lonely
And everything goes wrong
We seem to hear you whisper
Cheer up and carry on.
Everytime we see your picture
You seem to smile and say
Don't cry. I'm in God's keeping.
We'll all meet again someday.

Deeply missed by her children and grandchildren.

Athletics Win Pair

By Noel Stollenwerk

KEWASKUM - The Kewaskum Athletics baseball team continues to roll in Rock River action, picking up a pair of victories last weekend over teams directly ahead of them in the standings.

Both games went down to the wire, with the Athletics winning both in their final at bat. On Saturday, the A's got a home run from Rick Peck in the bottom of the ninth to tie Hustisford at 6-6, and then added another run to post a 7-6 decision over the Astors (6-4).

On Sunday, the Athletics faced a tough Rubicon squad, which entered the game with an 8-3 mark. But Kewaskum was able to gain some ground on the Red Sox, getting a clutch hit from Todd Muckerheide in the bottom of the eighth, scoring three runs, and leading the Athletics to the 10-6 win.

The victories improved Kewaskum's record to 7-4 in Rock River Northern Division action, and moved them into fourth place, one-half game ahead of Hustisford. The Athletics are one-half game behind Rubicon, and trail league-leaders Oakfield and Slinger by two full games.

In Saturday's win over Hustisford, Doug Gonring led the way offensively for the Athletics, socking a pair of home runs. Don Menzel went the distance on the mound to record the victory.

On Sunday, Gonring was once again the hitting star, going 3x4 with three runs batted in. Terry Koth also had three hits, while Muckerheide had a pair of hits to go along with his three RBI's.

Peck started on the hill for the A's, and he got strong relief help from Dennis Aupperle and Doug Buechel, who picked up the victory with his one-hit

effort over the final two innings.

The Athletics return to action Saturday, July 16, with a Tri-County Night League game at Slinger. The Athletics are currently 2-2 in Tri-county action and are 11-8 overall this season.

Kewaskum returns to its Rock River schedule Sunday, July 17th when it hosts Oshkosh in a 1:30 p.m. game.

75 Years Ago

July 5, 1919

Although much interest was taken during the past two months, by the citizens of this village and community, and much had been said as to whether or not prohibition would actually become a reality, and how great the celebration would be before the nation would go bone dry on July 1st, Kewaskum's farewell to John Barleycorn was taken care of in a very mild and decent way. During the day a number of citizens were busy taking a small supply of liquor to their homes where it will be kept in store for a rainy day. In the evening the saloons did no more than their usual business and all of them closed promptly at midnight. On Tuesday morning soft drinks took the place of liquor. All the saloons in the village will run their places for some time in the hope that beer will not be included in the prohibition movement.

While digging a well on the Alvin Wittman farm at Five Corners, Frank Rose escaped serious injury and possible death, when he fell into the well 28 feet deep, last week Saturday. Mr. Rose was about to lower himself into the well, and when he stepped into the bucket the rope which was fastened to the drum had become loose, causing him to fall with the bucket. Outside of slight bruises on his left leg he escaped injury.

Born, to Mr. and Mrs. Roman Smith of Kewaskum, a baby girl last week Saturday. Congratulations to the happy parents.

Physicians and Employers Losing Confidence In Clinton Health Care Reform Plan

Madison, WI -- Support among physicians and employers for key components of President Clinton's health care reform plan has declined dramatically over the past year, according to the second annual Health Care Reform survey just released by Meridian Resource Corporation of Madison.

The most significant finding of the Meridian survey is the change in attitudes toward the concept of health care purchasing alliances," according to Roger Formisano, president of Meridian Resource Corporation, a health care and employee benefits consulting firm.

In Meridian's 1992 survey, 93 percent of the physicians and 78 percent of the employers supported "local health insurance pools." This year, only 54 percent of the physicians and 57 percent of the employers supported "health alliances" -- a 39 percent and 21 percent decline, respectively.

"One finding that hasn't changed is the fact that while everyone wants health care reform to at least some extent, physicians and employers want the responsibility for reform to be placed on someone else," Formisano noted.

As in the 1992 survey, Meridian found that in 1993, physicians and employers oppose changes that would have direct impact on them. The respondents believe that changes in the health care system should be directed at insurance compa-

nies and Medicare.

The survey found disagreement about the role of employers in providing a standard benefit package to their workers. More than half of the physicians surveyed think employers should provide basic benefits. Only one-third of the employers surveyed supported employer mandates.

According to Formisano, there has been a dramatic decline in support for the President's basic benefits package. In just one year, support among physicians has fallen from 73 percent to 56 percent. Among employers, support for President Clinton's benefit package has also declined significantly, from 67 percent in 1992 to 57 percent in Meridian's 1993 survey. Employers targeted dental, vision, mental health, and substance abuse benefits for elimination from the basic package.

Consensus on many key issues

Several areas of agreement did emerge from the two surveys. Employers and physicians both hold strongly to the view that they would pay more for health insurance under the Clinton plan, 84 percent and 73 percent, respectively. The two groups oppose proposed changes to IRS regulations and tax laws, and both groups favored use of community ratings, elimination of pre-existing condition clauses, and expanded Medicare benefits to include prescription drugs. Opposition

to government limits on total health care expenditures for health care services is strong among both groups, and opposition has actually grown by approximately 10 percent since 1992.

Physicians survey results

Ninety-six percent of the physicians who responded to Meridian's survey favored malpractice reform that includes a cap on economic damages. Fewer than 40 percent supported development of programs to expand the role of nurses as providers of primary health care services. Incremental rather than immediate, comprehensive reform is preferable to 70 percent of the physicians.

Only half of the physicians responding believed that universal coverages is the key to resolving the nation's health care problems. Meridian received an unsolicited comment of "Eliminate the entire plan of government involvement/control" from 12 percent of the physician respondents. Employer survey results

In a set of questions directed only to employers, Meridian Resource Corporation found that the group had reversed their top two preferred health insurance plans:

Traditional indemnity 1992 - 39%, 1993 - 28%; PPO 26% - 1992, 34% - 1993; HMO 24% - 22%; Point of service '93 - 14%; Other '93 - 2%.

One of the surprises in the

survey was that 89 percent of the employers oppose changing Section 125 of the IRS code which allows a tax break to employers and employees when healthcare expenses are paid with pre-tax dollars -- of the opposing group, fewer than half currently offer Section 125 benefits. It was not surprising that 71 percent of the employers disagreed with capping the tax deductibility.

Employers oppose mandatory health benefits but are willing to accept some responsibility: 40 percent agreed that they should be responsible for contributing to the cost of dependent's health care insurance, up 10 percent from 1992.

Other findings of interest

*54 percent of respondents felt it likely that significant changes in compensation and/or company size would occur under employer mandates.

*73 percent disagreed with the plan for the federal government to pay for early retiree health benefits.

Survey parameters

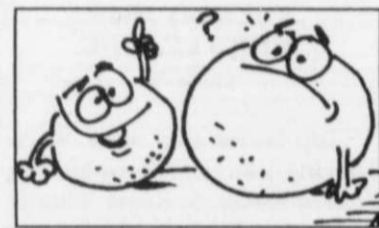

"This health care reform survey gives us a clearer picture of areas of least and most resistance to different aspects of reform" Formisano said. "The more we know, the better we can counsel our clients as they prepare for reform."

Meridian mailed surveys to approximately 2,000 Wisconsin physicians from varying practices, 64 percent of which were located outside of metropolitan

Milwaukee. In all, 12 percent or 249 physicians responded. Demographics were found to be nearly identical to last year's respondents.

In a separate study, the consulting firm mailed its employer survey to 2,780 small, medium and large employers throughout Wisconsin and the metropolitan areas of Chicago and Minneapolis/St. Paul. Nearly 15 percent or 405 employers responded. Eighty-four percent of these respondents currently offer health care benefits. Employer demographics were nearly identical to last year and provide a representative sample of employers.

Meridian Resource Corporation is a subsidiary of United Wisconsin Services, Inc. (UWSI). UWSI is a leading provider of managed care services and employee benefit projects, providing quality, cost-effective health benefits and services to employers.

Tangerines look like oranges, but they are smaller and flatter, peel more easily and the sections separate more readily. The tangerine tree is also more resistant to cold than the orange tree.

Shorthanded Indians Hand One to Huskies

By Noel Stollenwerk

NEW HOLSTEIN -- It wasn't pretty from the start for the Kewaskum baseball team in their bid to upset second-place New Holstein here, last Thursday.

The Indians were down to just 10 players by the start of the game, and those available averaged nearly an error per person during the contest. The result was predictable - a 10-3 Husky win, dropping KHS under the .500 mark in the Eastern Wisconsin Conference for the first time this season.

New Holstein improved to 9-2 with the victory, while the Indians fell to 5-6.

Due to vacations and other reasons, KHS coach Mark Heise had just 11 players on the bus

for the trip to the game. After Joe Rettler broke his nose during warm-ups, the number was down to 10.

The Indians could have had 20 players available and still not have won due to their nine errors in the ballgame. The miscues led directly to seven of New Holstein's 10 runs.

The Huskies got on the board first, as they scored an unearned run in the opening frame. Jason Goebel made it 2-0 when he tagged Dane Dorn for a solo home run in the second.

Kewaskum came right back however, scoring a pair of runs in the third. Tim Gundrum delivered an RBI single in the inning.

But New Holstein went ahead for good in the bottom half of the inning, scoring five unearned runs.

There were some bright spots in the loss, though. Kevin Klahn continued to hit the ball well, going 3 x 4 including a double and a triple. Gundrum and Tim Strigenz also chipped in two hits apiece, but the rest of the Indian lineup could muster only one hit against Cory Weber.

The Husky thrower struck out seven and walked just two in picking up the victory. Dorn took the loss, despite allowing just four base hits in nearly four innings of work. Strigenz finished up on the mound, allowing three hits over the final two innings.

Weather Hampers KHS Comeback

By Noel Stollenwerk

KEWASKUM - Obviously one can't blame the weather for a baseball loss, but the elements certainly had a little to do with a setback for Kewaskum High Schools team last week.

After falling behind to Plymouth 2-0, the Indians seemed to have something brewing in the sixth inning against the Panthers here last Tuesday.

But lightning flashed, and the skies opened, cutting short any Indians comeback hopes. The result was Plymouth holding on for a 2-1 victory in a critical Eastern Wisconsin Conference game for both teams.

The win allowed the Panthers to pull into a tie with the Indians for fourth place, each with 5-5 marks in the loop.

The Indians had themselves to blame for falling behind in the game, as once again KHS had its problems in the field. Three errors led to both of Plymouth's scores, as the Indians wasted another solid mound effort from Jason Gaffke.

The Panthers got on the board in the second inning, as Adam Delger singled and moved to third when Travis Streblov doubled with one out.

After a ground out to third, the Indians seemed to be out of the inning, as the next man also grounded to Dane Dorn. But

Dorn couldn't handle the second chance, and Delger crossed the plate to give the visitors the lead, 1-0.

An error in the fourth inning allowed Streblov to score Plymouth's second run off Gaffke, who gave up just five hits in the contest.

Gaffke's counterpart on the hill, Tony Resimus, meanwhile was cruising. KHS could muster just two hits through the first five innings off of Remus, who finished with four strikeouts.

But he started to tire in the sixth, as Gaffke doubled and later scored on another two-bagger by Joe Rettler.

As the skies darkened, the Indians kept the rally alive when Rob Donath walked. Their luck

ran dry as everything else got wet, when Tim Strigenz was unable to finish his at-bat because of the storms.

Because the game was more than four innings old, it was considered an official game, and KHS was dealt a tough setback.

Big 4th Inning Lifts Indians Past Raiders

By Noel Stollenwerk

KEWASKUM - The Kewaskum Indians and coach Mark Heise have been waiting for some clutch hitting this season. They finally got their wish here. Last week Friday against Kiel.

The Indians used five base hits in the fourth inning alone to score five times, as KHS lost past Kiel 8-2 in an Eastern Wisconsin Conference matchup.

The win improved the Indians mark in the EW to 4-4, while lifting the team to 7-8 on the season.

Heise got a much better effort from pitcher Dane Dorn against the Raiders. Just three days earlier, Dorn had his problems in a late-inning loss against

Campbellsport.

But Dorn settled down to go the distance against the Raiders, giving up just five hits and four walks, while striking out eight.

"Four walks, that's not too bad for a high school game," Heise said afterward, noting he'd be happier "with maybe one or two."

The KHS offense made sure that didn't have to be the case in this game, however. After taking a 1-0 lead in the second inning, the Indians allowed Kiel to tie things in the fourth. That tie was short-lived, though.

After Dan Survis led off the fourth with a walk, Joe Rettler and Cory Rammer followed with singles to give KHS the lead out. After a pop up for the first out, Andy Rix and Kevin Klahn added run-scoring singles to make it 5-1.

After a strikeout, Jason Gaffke put the finishing touches on the rally with another single.

After the Indians scored two

more times in the fifth, Heise was able to get some playing time for his reserves.

"I cleared the bench in the fifth," he said, noting clutch hitting allowed him to do so. "When we got guys on base, we finally got some hits to go with it."

As for Dorn's better performance on the mound, Heise noted that the team is going to try a different pitching philosophy.

"We've done some changes," Heise said following a 12-walk outing against Campbellsport. "I think we're going to throw more fastball, and get away from the off-speed pitches."

Rammer and Rix led the way offensively for KHS, each collecting a pair of hits, while Rix drove in two runs. Klahn also added three RBI's.

July is the Month For Boating Accidents

Over the years July has been the month for the majority of the boating accidents in the state.

To most of you this is not a surprise, but it is something to keep in mind while you are out boating in July. Most of the accidents occur late in the afternoon on a Saturday. Why? Mainly at this time of the day people have been on the water for a long period of time, they are tired, they may have been drinking and the bottom line is they are less attentive. Many boaters are unaware of how a

day on the water can wear a person out, especially those who are not accustomed to a long day on the water.

Stay alert and keep a sharp lookout, for you are not the only tired person on the water. It also pays to slow down a little to allow more reaction time in the event you need to respond to a dangerous situation.

Have a safe boating month!

Coulter to Play in Shrine Game

BEAU COULTER

The above photo shows Kewaskum High School football standout Beau Coulter (#33) to the far right of the picture playing defense against the Sheboygan Falls Falcons. Coulter, who was named Eastern Wisconsin Conference Offensive Player of the Year for 1993 has been selected to play in the 18th Annual Shrine All-Star High School Football game, Saturday, July 16, at Oshkosh.

(Statesman File Photo)

By Noel Stolienwerk

OSHKOSH - Former Kewaskum High School standout Beau Coulter will wrap up his prep career in fitting fashion next week, when he is slated to be on the North squad in the 18th annual Shrine All-Star High School Football game, Saturday, July 16th at Oshkosh's Titan Stadium.

Coulter was named the Eastern Wisconsin Conference's Offensive Player of the Year in 1993, after finishing second in

the league in rushing.

Coulter gained 718 yards on 88 carries (8.2 yards per rush), while playing the equivalent of five games. Coulter missed all but a few plays of the Indians' game with Two Rivers due to injury.

"He is an excellent running back," said KHS Coach Clark Pearson, who nominated the 5-

9, 190-pound speedster for the contest. "He made great cuts... had very instinctive moves, plus he's very strong. He was very valuable to us."

Coulter, who plans on continuing playing football at UW-LaCrosse in the fall, gained a total of 1,012 yards while leading the Indians to a 6-3 mark overall. He became the school's first 1,000 yard rusher since 1983.

The Shrine game, which gets underway at 7 p.m., caps off ten days of festivities for Coulter and the rest of the players on the two teams.

The teams have ten days of training camp prior to the game, with the North squad training at UW-Oshkosh, and the South at UW-Whitewater.

On Monday, July 11, all of the players and coaches are scheduled to visit the Chicago unit of the Shrine Hospitals for crippled children. The visit is designed to acquaint the participants with the purpose for which the game is being played.

On Friday, July 15, the players and coaches will be the

guests of the Wisconsin Shrine Bowl at an awards banquet at Appleton's Country-Aire, beginning at 6:30 p.m. At this event, the players and coaches will receive recognition for their participation in the game.

A parade and subsequent brat picnic will precede the game on Saturday. The parade begins at 3 p.m. in downtown Oshkosh on North Main Street, with the brat fry taking place immediately afterward at the stadium. Serving begins at 3:30 p.m. and continues until 6:30 p.m.

Tickets are available for the awards banquet and brat fry, as well as the game itself. Costs are \$12.50 for the banquet, \$4.00 for the brat fry, and \$6.00 for the game.

All proceeds from the game go directly to the Shrine

Hospitals. A total of \$687,400 has been raised from the previous 17 Shrine games, with a single-game record \$61,000 raised in 1990.

Four All-Stars on Athletics

By Noel Stollenwerk

KEWASKUM - A recent hot streak has propelled the Kewaskum Athletics into contention in the Rock River League's Northern Division standings.

That same surge may have also helped the Athletics to have a considerable gathering at the league's annual All-Star game.

Four Athletic players were named to the Northern Division All Star team. Only Rubicon, who is one-half game ahead of Kewaskum in the standings, had more players (five) named to the all-league squad.

Utility player and perennial All-Star Doug Gonring heads the list of Athletic players slated to play in the game. Gonring, the current head coach at West Bend East and former Athletic and Kewaskum High School boss, is once again among the league's top hitters and home run threats. Gonring is currently hitting .500 for the season.

Joining Gonring on the Northern All-Stars are first baseman Rick Peck, pitcher Don Menzel and third baseman Terry Koth. Athletic manager Ron Theusch will serve as one of the Northern Division coaches.

Peck carries a .462 batting average thus far, while Koth is hitting .387. Menzel, once again the Athletics' top

pitcher, may miss the All Star contest however, due to a nagging arm injury.

The Athletics are currently riding a five-game winning streak in the Rock River loop, and have improved their record to 7-4. The Athletics are currently in fourth place in the Northern Division, trailing Slinger and Oakfield by two games.
