KHS Homecoming Saturday

1994 HOMECOMING COURT

Row one, seated, left to right: Sandy Melzer and Rich Farchione, Shelly Williams and Eric Beck, Cory Rammer and Becky Braun, Paul Reis and Mary Yahr, are all Senior Football representatives. Row two: David Gosa and Suzi Gauvin - Boys Cross Country, Denis Tarakanov and Christine Neumann - Girls Cross Country, Tim Strigenz and Tracy Jacak - Girls Volleyball, Dan Survis and Sabrina Maul - Girls Tennis; Josh Barrett and Julie Froemming - Soccer. Row three: Jon Schultz and Becky Yogerst - Cheerleading, Joe Rettler and Jessica Gerlach - Junior Football, Nathan Scheel and Laura Fleischman - Junior Football, Jason Schmidt and Heidi Bertram - Junior Football. The King and Queen will come from the Senior Football representatives and they will be announced at the pep assembly on Friday.

This is Homecoming Week at Kewaskum High School. All activities began on Tuesday with the first dress up day being college T-shirt or sweat shirt day. The dress up days for the rest of the week were Color Day on Wednesday, Clash Day on Thursday and Friday will be the traditional school colors day. All classes began work on their floats on Tuesday evening and are trying to finish by parade time on Saturday.

Each homeroom put up door decorations on their designated homeroom doors. These decorations were judged on Wednesday and the results will be announced at the Homecoming game.

A pep assembly will be held on Friday beginning at 2 p.m. in the field house. At this assembly all fall sports will be recognized along with the introduction of the Homecoming Court and the King and Queen for 1994.

The cheerleaders will be

leading the assembly with spirit cheers and class competition. Also, each class and the teachers will hopefully have a skit which they will present at the assembly.

The parade will be held Saturday morning beginning at 11:30 a.m. and will include the KHS marching band, the KMS combined 7th and 8th grade bands, several floats, court members riding in convertibles, as well as the football team wagon. The game against the New Holstein Huskies begins at 1 p.m. and the Indian fans are hoping for a victory.

The Homecoming Dance will be on Saturday night, October 8, from 8 to 11:30 p.m., with the Grand March beginning at 9 p.m. Ticket prices are \$3.00 for singles and \$5.00 for couples in advance, with prices going up \$1.00 at the door. All parents are welcome and encouraged to attend the dance with compliments of the Class of 1995.

The Senior Class has chosen to invite back the Class of 1985 and hope to see as many of them as possible at both the game and dance.

Peace Church Invites Community To Kettle Kountry Kolors Worship

Members of Peace United Church of Christ are anxious to greet you at a community worship service at this year's autumn festival, Kettle Kountry Kolors. The worship service is scheduled to begin at 9:00 a.m. on Sunday, Oct. 9. Persons who will be participating in the Keys Walk/Run at 10:00 a.m. should feel welcome in their walking gear so they can go from worship to the next

Children's Specialties Abundant Kettle Kountry Kolors Festival This Weekend

Among the inside pages of this issue, you will find the endless attractions for adults to enjoy at the Kewaskum Kettle Kountry Kolors Festival being held this weekend, October 8 and 9, in River Hill Park.

But have you heard about all the plans the local Chamber of Commerce has made to entertain the children at Kettle Kountry? If not, read on. There is loads of things for them to see and do.

We're confident the pre-teens and teens will want to wander thru the "Trail Thru Time" and enjoy the sites and sounds of events in the 1700 and 1800s, along with their adult counterparts. Of particular interest would be the expert whip demonstration by Jim "The Whip" Barrett at the Bucksinner Camp, both days at 1 and 3 p.m. Jack Odekirk's Hawk Throw Demonstration is slated for 2 p.m. each day.

And, parents will want to include children of all ages in

the Big Brothers/Big Sisters Kettle Pedal '94 bike ride on Saturday morning. You have a choice of three different trail lengths, and a first aid van will be patrolling the routes. Family fun is the focus of the entire weekend and families are urged to pre-register.

On Sunday morning, you can join in on another worthwhile effort that directly benefits our community with scholarship moneys, the KEYS 5K Walk/Run. Every child in the Village and surrounding area will want to be a part of this easy-to-do activity that garners exercise and fun for all, plus raises funds for a very worthy cause. Sign up now.

This year, a B-B Gun Shoot, sponsored by the Gateway Gobblers, will be held both days at the North Side Pavilion. This is free to all area youth, but a parent of guardian must accompany

Ag. Dept. Representative Speaks At Town of Kewaskum Meeting

By Louise Martin

Kattie Lauton from the Wisconsin Department of Agriculture addressed Town of Kewaskum residents and board members regarding the

Farmland Preservation Program.

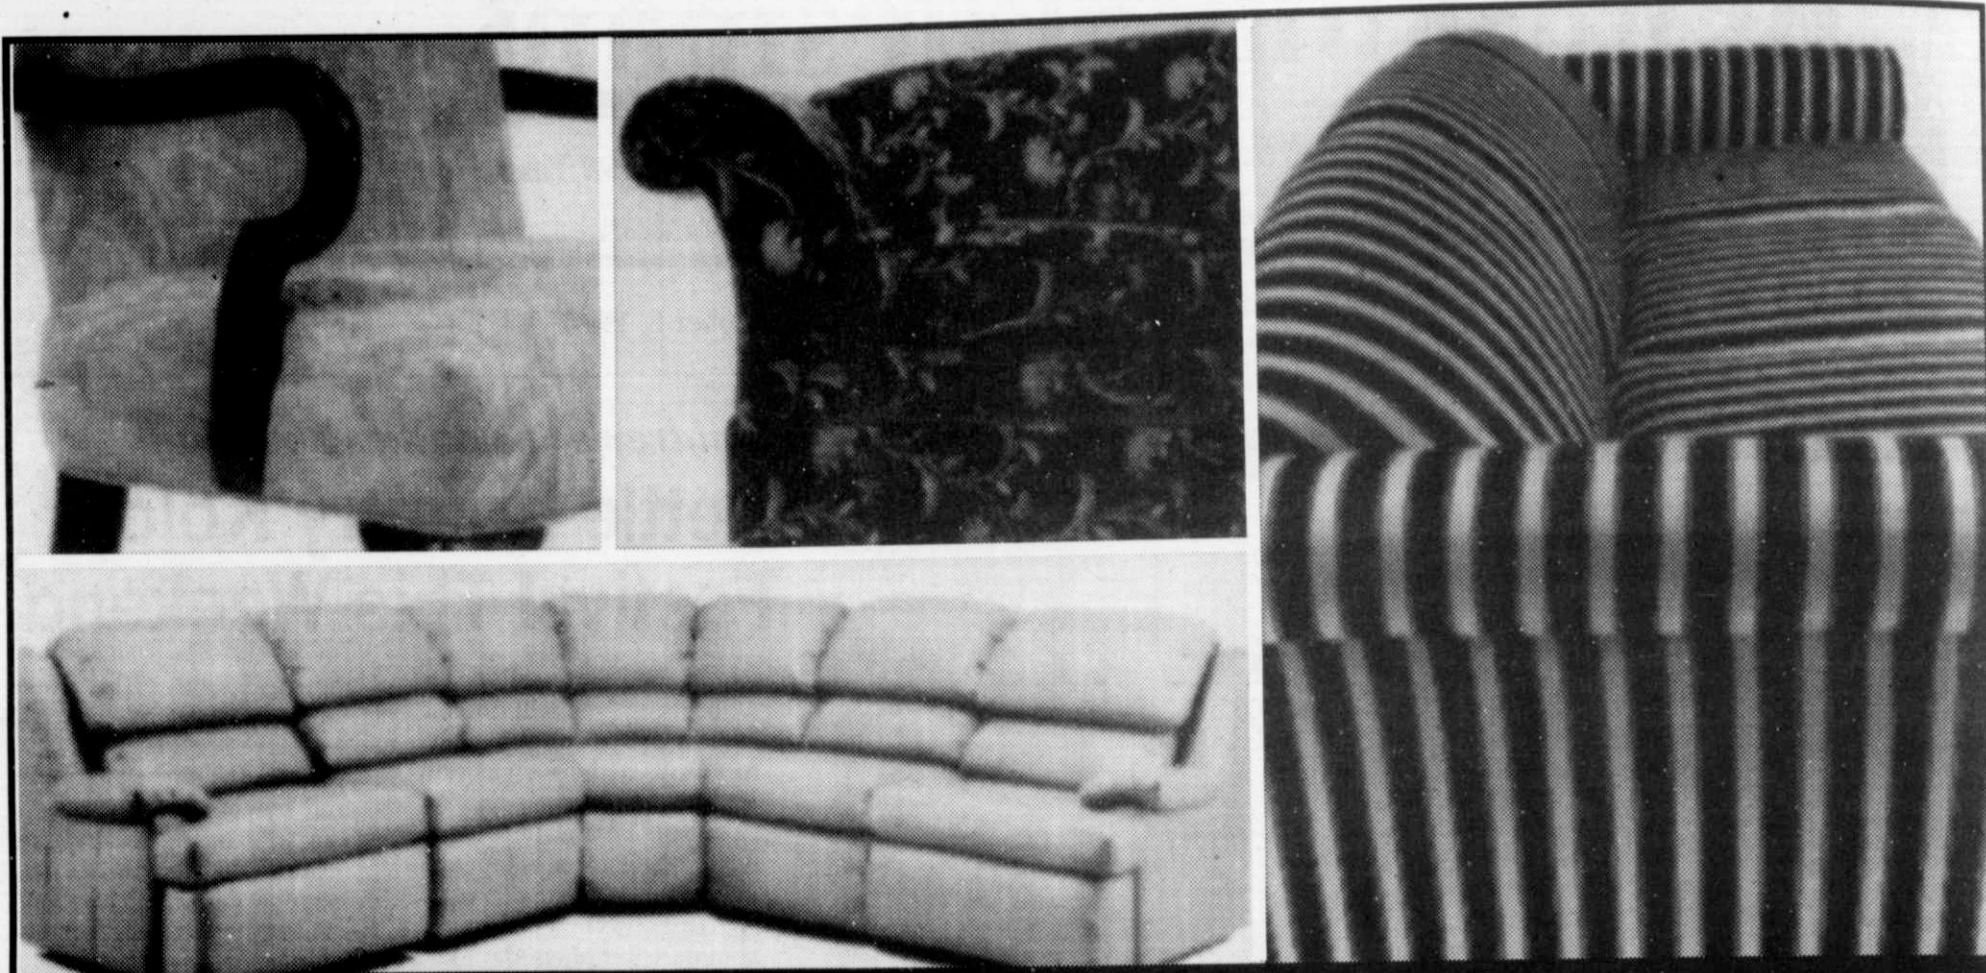

Ms. Lauton was invited to speak at the Town of Kewaskum monthly board meeting by Town Chairman George Allmann as the town is receiving more and more requests for rural land rezoning and is seeing neighboring townships experiencing land development.

The Town of Kewaskum has a land use plan that was developed in the 70's that has served them well. However, with changing times, the town needs to reassess their plan and determine if it is meeting current needs. The Department of Agriculture plans in the future to have staff available to assist township governments with land planning and zoning so farmers, rural residents, villages and cities can co-exist.

Ms. Lauton explained the history of the Farmland Preservation Program, the importance of land planning, current law and pending changes. During her presen-

Hypnotist to Appear At Kettle Kountry Kolors

Dr. Al Snyder

Dr. Al Snyder, a veterinarian with a very diverse background in working with people and animals, will be putting on a performance that combines humor and motivation into an action packed session.

Dr. Snyder will be performing for one show only, at Kewaskum Kettle Kountry Kolors on Saturday, October 8, in the South Pavillion at River Hill Park. Admission will be by ticket only. Reserved advance sale tickets are available at Valley Bank, My Little Friends Day Care Center and Hon-E-Kor Country Club.

Audience participation is the key to his successful presentations as he involves members of the audience in all aspects of the show. His sincerity and enthusiasm combined with his ability to relate to any age group make his shows a hit with any audience. He often calls upon his experience as a veterinarian to add spice to his programs. With a masterful blend of tra-

ditional stage hypnosis and creative new material, he will keep you laughing and on the edge of your chair throughout the program.

Hypnosis shows have been around for decades. Dr. Snyder brings new life into an old profession. His fifteen years working with youth and non-profit organizations provide an unending resource pool for stories and antics. He helps people pull from the inner strength of their minds to accomplish greater things.

He is bringing this talent to the Kettle Kountry Kolors Festival and this is one show you won't want to miss. It is suggested you purchase your reserved seating ticket now, as they are being sold on a first come, first serve basis.

Some waterfalls - those in which the volume of water is small-are called cascades. If the volume of water is large, the fall is called a cataract. Niagara Falls is a cataract.

Kettle Kountry

(Continued from Page 1)

them. Don't disappoint your sons and daughters. Guns will be provided. It's a wonderful opportunity to learn about gun safety and rub elbows with some of the hunting pros of the area.

Teenagers will love the U.S. Reserve National Guard Helicopter exhibition to be held Saturday from 12:30 to 1 p.m. only. The "Convincer" and a rollover cage is also planned for Sunday. And, both days they'll have an opportunity to watch chain saw artist Dave Watson create award-winning wood art.

If you haven't already seen them, stop at Sentry Foods to see the bear or at the Kewaskum Statesman to view the Indian Chief. These two carvings will be raffled off and tickets will be available at Kettle Kountry Kolors. Other pieces, which will be sold on a Silent Auction at Kettle Kountry Kolors include a "Bucky Badger" on display at Valley Bank, an owl on display at Kuehl's Suds and Spirits, and a pheasant at Eckl's Main Street Inn.

Children of all ages will want to see Wayne Martin's upbeat showmanship with his skill for design and execution of intricate large-scale hand puppets and marionettes. He is truly a master performer and has received national recognition for his outstanding performances. See him in the children's tent at 11:30 and 1:15 on Sunday only.

Flyers from West Bend Hobbies will give a remote control airplane/vehicle demo both days from 12:30 to 3:30 on the Hon-E-Kor property. This is another tailor-made program for area youth.

Additionally, the children's tent will include the storyteller on Saturday, balloon magic both days, mime performers and a juggler. Paul's Ponies will again be offering free carriage rides and Bud Schmidt's horses will be on hand for those fun-

There is a 3.00 (pre-paid) charge for publishing your event up to three times in the Community Calendar column.

Kewaskum Juniors Plan Tour Of Miller's Furniture Store

By Louise Martin

The Program Committee of the GFWC Kewaskum Junior Woman's Club is plan-

ning an enjoyable beginning to their October meeting with a guided tour of Miller's Fine Furniture Store.

Members and guests will meet at the Labor Center Hall, 1230 Fond du Lac Avenue, Kewaskum, by 6:45 p.m. on Tuesday, October 11th and proceed to Millers for the 7 p.m. tour. A social time and the regular meeting will follow back at the Labor Center.

The Kewaskum Juniors extend an open invitation to any women who would be interested in joining us for the tour and learning more about our volunteer efforts in our community and surrounding area. Please contact Donna at 533-4929 or Carol at 626-4659 for more club information.

Plan to join us on a "wish" tour as we learn what is new in home decorating ideas.

Town of Wayne to Proceed With Inspection of Adult Oriented Store

By Louise Martin

At their monthly board meeting Town of Wayne officials, on the recommendation of their Plan Commission and attorneys, voted to direct their zoning/building inspector to proceed with the inspection of Special Souvenirs, Inc., an adult oriented establishment.

The purpose of the inspection is to determine if the applicant is in compliance with all requirements as set by the town licensing ordinance for adult oriented stores and the conditional use permit before the issuance of an occupancy permit, which would allow the business to open. Town residents and board members were reassured no permit will be issued until every item and condition is met and appropriate fees submitted.

Prior to the inspection motion, board member Leonard Peters summarized his thoughts as, "Something I don't like to see come in here. I suppose we can't do anything about it."

Some of the restrictions on the store include no sale of smoking materials or alcoholic beverages, no expansion of the building, background checks on all employees, a training program for employees and steps must be taken to prevent minors from viewing adult oriented items

through store windows.

On an annual basis, Special Souvenirs must return before the board for an occupancy renewal permit 60 days prior to the expiration date.

Special Souvenirs opened for business in the summer of 1993 without securing proper town permits and was forced to close by court order last fall. A trial scheduled in November will determine what fines and forfeitures Special Souvenirs will be required to pay as a result of opening without those permits. Those fees must be paid to the town within ten days after the court order.

In other business, Diane Horlamus, Executive Director of the Washington County Humane Society, presented to the board a proposed fee of 75c per resident so the shelter can continue to serve the municipalities with stray cat and wild animals services. The shelter currently has a stray dog contract with the county which accounts for \$30,000 of their budget. All other funds are received through various fund raising efforts and donations. No county funding is received for other animal calls or situations the shelter handles. The cost to the Town of Wayne would be approximately \$1,075. No action was taken by the board.

Several residents expressed concerns to the board

regarding excessive speeds on town roads and are looking for a solution to what is considered a very dangerous situation. The only immediate possible solution is to increase patrols with radar on the affected roads.

A general road maintenance report was given which included road shouldering, replacement of a culvert on St. Kilian Drive, posting eight ton weight limit signs on Skyline Drive, work needed on Highway H and submitting a bid for winter road salt.

SHEEPSHEAD WINNERS

5 handed winners on Wednesday, Sept. 28th were: Bob Kuells, 99-18--81, 27-9-18; Marge Geiger, 61-1--60, 21-1--20; Marion Darmondy, 56-8--48, 19-6--13; Judy Lickmann, 54-11--43, 18-6--12; Gabby Gavin, 53-14--39, 20-8--12; Mathilda Radey, 47-9--38, 21-4--17.

The next 5 handed will be Thursday, Oct. 6th and Wednesday, Oct. 12th at 8:00 p.m. Sharp. Cash Prizes. Schmitt's Never Inn.

Crafters to Demonstrate Unique Crafts at Kettle Kountry Kolors

Among the many crafters who will be demonstrating their unique crafts at Kettle Kountry Kolors this year, are Barry and Peggy Dalberto of Iron Mountain, Michigan. Barry and Peggy's space will be located directly outside the huge craft tent. Barry does unusual basket weaving and twig furniture using grapevines and other natural things he searches for in the woods. Peggy assists Barry and also makes clay figures. While taking in all the other features at Kettle Kountry Kolors this weekend at River Hill Park, don't

forget to stop outside the craft tent to watch and admire Barry and Peg's handiwork. Along with the Dalbertos, there will be other crafters who will be demonstrating unique crafts, inside and outside the tent, for you to watch. And don't forget about the Make It and Take It craft area where you will be able to test your own skills at crafting. Better make a point to get there early... you'll be amazed at all the things to see and do.

Kettle Kountry Raffle Tickets Still Available

Are you interested in winning \$300, \$200, \$100 or \$50? Does the idea of a hot air balloon ride intrigue you, or perhaps you're interested in owning one of the fine wood carvings displayed around Kewaskum for your front lawn? One or all of these possibilities could become a reality for you simply by purchasing a raffle ticket!

In conjunction with the Kewaskum Area Chamber of Commerce sponsored fall festival, Kewaskum Kettle Kountry Kolors, raffle tickets are available at many local Chamber businesses and will also be available during the weekend celebration at River Hill Park.

You may also contact Louise at 626-4291 or Ruthie at 626-8396 for tickets. Cash raffle tickets are \$1.00 each or six for \$5.00. The balloon raffle tickets are \$2.00 each or three for \$5.00, and the wood carvings are \$1.00 each or 6 for \$5.00.

Chamber members have been busy planning and preparing for many months for another exciting weekend for area residents and visitors. Plan to reserve Saturday and Sunday, October 8th and 9th for a fun-filled weekend at River Hill Park.

Henke Selected As Outstanding Educator

Peggy Henke

The Wisconsin Association for Talented and Gifted has selected Mrs. Peggy Henke, elementary art instructor for the School District of Kewaskum, as their recipient for "Outstanding Educator of the Year" for 1994.

Mrs. Henke was nominated for this prestigious award by Mrs. Carol Zoerb, District Coordinator for Gifted and Talented Programs. She is being recognized for her outstanding contributions in developing an Art Enrichment program for students in grades 3, 4 and 5.

Mrs. Henke has guided students to work on projects to improve the aesthetics of each of the three elementary buildings - Kewaskum Elementary, Farmington Elementary and Wayne Elementary. The students

have created outdoor sculptures, designed ceramic tiles on plexiglass that hang in the hall, created life size story book characters to enhance the library and silkscreened art work on note cards.

G/T Art Enrichment is an exemplary program and may serve as a model for other districts in the state.

This is a wonderful honor for Mrs. Henke and the School District of Kewaskum. Her award will be presented at the state convention for the Wisconsin Association for Talented and Gifted on Friday, October 7, at Chula Vista in the Wisconsin Dells.

In the words of Audrey Burkes, Executive Director of WATG, "Mrs. Henke's remarkable efforts have most certainly contributed to Wisconsin's quest for excellence for all."

Town of Kewaskum

(Continued from Page 1)

tation, Ms. Lauton also answered questions from the audience.

The Town Board, following the recommendation from the Plan Commission, denied a request from Tom and Ellen Miklas to rezone land on Town Line Road from Agriculture Transition to Agriculture. The Miklas's proposed dividing the land into three parcels with a deed restriction on any further development without the Plan Commission and Town Board approval. Several neighbors opposed the rezoning fearing a subdivision development at some future time and a conflict with existing agricultural uses in the area.

Approval was granted for a Conditional Use Permit request on the Alice Karl property pending the receipt of a driveway permit from the Wisconsin Department of

Transportation. A certified survey map for Erich Kontusch was approved pending the application of a driveway permit and installation of a culvert.

The Town will be seeking bids for a plastic baler to bale recycled plastics. The bids will be opened at the October meeting.

The Town of

Kewaskum's next board meeting will be Monday, October 31, beginning at 7:30 p.m. in the Town Hall.

The first parking meter in the U.S. was installed in Oklahoma City, OK on July 19, 1935.

To dial long distance within your area code, simply add your area code.

1+ (your area code) + the number

With so many new telephones, cellular phones, fax machines, modems and pagers, quite frankly, we need more phone numbers. So here's how GTE is freeing up a slew of new ones: Instead of dialing '1' plus a seven-digit number for long distance within your home area code, now simply dial '1' plus your area code, then the number.

Easy, huh? Oh, and don't forget to reprogram any auto dialing equipment you may have. Speaking of auto dialers, GTE offers "Speed Calling-8," a time-saving feature that stores up to eight frequently called numbers. To order, call 1-800-346-4300. Then, whether you're dialing long distance or not, it's even easier.

GTE

It's amazing what we can do together.

Moraine Musicians To Meet Oct. 6

The first meeting of the year for the Moraine Musicians is scheduled for Thursday, October 6, beginning at 7 p.m. at Immanuel United Church of Christ.

Moraine Musicians is an organization sponsored by the Moraine Area Private Music Teachers Organization for students who wish to participate in a musical experience beyond private lessons.

There are 36 teachers in MAPMTO whose students belong, and last year over 400 young musicians enjoyed the five meetings, recitals and festival experience.

The first program highlights those students who attended the summer music

camp at UWVC, plus those lucky students who were awarded scholarships to attend music camps throughout the state. Mark your calendar and be there on Thursday, October 6, at 7 p.m. in the basement of Immanuel United Church of Christ in West Bend.

KHS Girls Strong 2nd At Blackhawk Invite

By Statesman Sports Writer

GRAFTON - With the WIAA tournament series quickly approaching, Kewaskum volleyball coach Dave Rizzardi is looking for some consistency from his squad.

And while the Lady Indians are playing much better at times, Rizzardi still isn't satisfied with the overall picture. That was evident after the Lady Indians took second place in the five-team Blackhawk Invitational here, Friday night.

"We probably should have won it," Rizzardi admitted afterward, although noting that three teams - Kewaskum, Brookfield East and Milwaukee King - "all were playing at about the same level."

King eventually took first place with their 7-1 record, while the Indians were second at 6-2.

KHS started out on fire

against Grafton, beating the hosts 15-13 and 15-3 to grab an early share of the tournament lead.

The Indians then faced King, losing the first game by an 11-15 count. KHS regrouped to win the second game, 15-12, but the opening game loss proved to be the difference on the night.

"King was a little more fired up for their match with us," Rizzardi said. "We were up-and-down the whole night. We'd be ahead by a lot, and then we'd sit back and the score would be close again."

Rizzardi didn't have to worry about close scores in KHS's final match against Brown Deer. The Lady Indians had no trouble with the Falcons, whipping them 15-3 and 15-0.

"Our consistency level is not where I want it to be yet,"

Rizzardi said. "That's been the story of our whole year."

The veteran KHS coach complimented the play of back-row players Deb Neumann, Stephanie Heberer and Angie Bindrich. "They played well all night," he said of the three. "They actually kept us in a lot of our matches."

Rizzardi wasn't too thrilled about his team's woes

serving the ball, which has been a KHS strength this year.

"We missed five serves in one game," Rizzardi noted. "There have been times this season where we haven't missed five serves in an entire match."

The Lady Indians will try to close out the EW season on a high note, with matches this week at Kiel (Tuesday)

and Sheboygan Falls (Thursday). KHS closes out the regular season next Tuesday, with a home match against New Holstein.

To many the hazards of speed first sinks in, when metal and glass penetrates 'neath their skin.

"Whatever it is — there's a lot of it going around."

Kewaskum Fire and Rescue Squad Calls

Monday, Sept. 26 - The Kewaskum Rescue Squad responded to a call at 7:28 a.m. in the Village of Kewaskum for a male child having difficulty breathing. Patient was transported to St. Joseph Community Hospital, West Bend.

Monday, September 26 - The Kewaskum Fire Department was summoned to a residence in the Village of Kewaskum at 5:09 p.m. for a chimney fire. Firefighters were on the scene for approximately 30 minutes.

Thursday, September 29 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 8:07 p.m. for a female patient who was experiencing shortness of breath. The patient was transported to St. Joseph Community Hospital, West Bend.

Thursday, September 29 - The Kewaskum Rescue Squad was summoned at 9:58 p.m. in the Town of Farmington for a male patient who was unconscious. The patient was transported to St. Joseph Community Hospital, West Bend.

Saturday, October 1 - The Kewaskum Rescue Squad and Kohlsville First Responders responded to a call in the Town of Wayne at 10:58 p.m. for a male patient who was injured in an ATV accident. The patient was transported to St. Joseph Community Hospital, West Bend.

Sunday, October 2 - The Kewaskum Rescue Squad was summoned at 8:11 a.m. in the Village of Kewaskum for a female patient who was experiencing chest pains. Patient was transported to St. Joseph Community Hospital, West Bend.

Marquardt - Golisch

The marriage vows of Susan Marquardt and Benjamin Golisch were blessed during a 3 p.m. ceremony on June 25, 1994, at St. Lucas Evangelical Lutheran Church in Kewaskum.

Parents of the couple are Marvin and Lucille Marquardt of Kewaskum, and David and Janet Golisch of Brooklyn Center, Minnesota.

The maid of honor was Jill Gaertner of Hortonville, Wisconsin, friend of the bride. Bridesmaids were Kristin Knuth of Sheboygan, Pamela Beine of West Bend and Kimberly Gartner of Cincinnati, Ohio, all friends of the bride.

Timothy Golisch of Livonia, Minnesota, brother of the groom, was best man. Groomsmen were Larry Seafert of Milwaukee, Matthew Crenshaw of Livonia, and David Waterstradt of Manitowoc, all friends of the groom.

Ushering duties were performed by Gregory Obermiller of Fond du Lac, and Larry Seafert of Milwaukee, friends of the groom.

The organist was Robert Potratz of Neenah, friend of the bride and flutist was Anne Marquardt of Hartford, niece of the bride.

The bride is a 1988 graduate of Kewaskum High School, a 1992 graduate of Dr. Martin Luther College, New Ulm, Minnesota, and was an elementary teacher at Emanuel-Redeemer Lutheran School in Yale, Michigan. She is presently employed by ASCS in Litchfield,

Minnesota.

The groom is a 1988 graduate of Michigan Lutheran Seminary, Saginaw, Michigan, and a 1992 graduate of Northwestern Lutheran College, Watertown, Wisconsin. He is in his third year at Wisconsin Lutheran Seminary, Mequon, and is presently serving as a Vicar at St. Paul's Lutheran Church in Litchfield, Minnesota.

The couple is residing at 315 S. Marshall, Litchfield, Minnesota 55355.

The Kewaskum High School Class of 1949 recently held their reunion at Hon-E-Kor Country Club in Kewaskum. Sixteen of 32 members attended. Back row, left to right: Marion (Domann) Schacht, Patricia (Kirchner) Schoofs, Lee Kempf, John Tessar, John Kougl, Mary Ellen (Miller) Mc Elhatton, William Schmidt, Joan (Dreher) Dirks, Lyle Herman, Loran Backhaus. Front row: Angie (Bremser) Plzak, Dorothy (Butzlaff) Duffren, Dorothy (Schoofs) Volm, Shirley (Melius) Koth, Mary (Searles) Engels, Bob Dreher.

Fall Festival Planned at Campbellsport Sunday

St. Matthew Parish, Campbellsport, is holding their annual Fall Festival on Sunday, October 9.

Parishioners will cook and serve their traditional chicken and ham dinner which includes some of the best poultry dressing in the county. Dessert is included and a large variety of homemade pies and tortes will be offered.

The family-style dinner, including mashed potatoes and gravy, and all the trimmings, will be served from 11 a.m. to 3 p.m. in the church dining room.

St. Matthew's Fall Festival has been a tradition in the area for more than fifty years. Festivities begin in the school gymnasium immediately following the 10 a.m. Mass. Father Mike Moran, pastor will be the celebrant.

In addition to the family-style dinner, booths in the gym will offer crafts and homemade cookies and candy. Bingo and games for all ages, plus refreshments,

are available throughout the afternoon.

The fall festival is the church's largest fund raiser. Moneys earned are used to help support the school and the parish's religious education programs.

CARD OF THANKS

A very sincere thank you to all who shared their respect, sent flowers, gave memorial tributes, sent cards and prayers.

Also, special thanks to Rev. Robinson, the Evening Guild for serving and to the Miller Funeral Home.

All of these kindnesses will be long remembered and cherished in our hearts.

Chain Saw Artist to Return to Kettle Kountry

Chain saw artist Dave Watson of Wisconsin Dells will be returning to the Kettle Kountry Kolors festival this weekend, Saturday and Sunday, October 8th and 9th in Kewaskum's River Hill Park. Dave will be located on the west side of the Milwaukee River and his craft was one of the most popular attractions of last year's festival. The Kewaskum Area Chamber of Commerce will be holding a silent auction on four of Dave's completed pieces during the Kettle Kountry Kolors weekend festival. Two other pieces, an Indian Chief and a friendly bear will be raffled off to two lucky winners. The Chief is currently on display in the front window of the Kewaskum Statesman and the bear can be found at Sentry Foods. Raffle tickets are available at Valley Bank, Sentry Foods, and the Kewaskum Statesman. Tickets may also be purchased at Kettle Kountry all weekend at the Chamber of Commerce refreshment center located in the north refreshment stand and also at the Chamber's information booth which will be located in the south pavillion entrance. These carvings would look great on YOUR front lawn, wouldn't they?

'Make It and Take It' Craft Area Will Be New Feature At Kettle Kountry Kolors

A special new feature at the Kewaskum Kettle Kountry Kolors Festival Saturday and Sunday, October 8 and 9 at River Hill Park will be a "Make and Take It" craft booth.

This special craft area will be located in the South Pavillion (beer garden), near the entrance to the craft tent. It will be open both days from 10 a.m. to dusk.

JoAnn Hall of Campbellsport will be on hand to assist children and adults with crafting their own wall decorations, jewelry and ornaments. Prices will range from \$1.00 to \$12.00, depending on the craft item you choose to make.

Some of the craft items that will be available to create are currently on display in the front window of the Kewaskum Statesman at 250 Main Street.

Spend the weekend at Kettle Kountry Kolors and while there, you can get a jump start on that extensive Christmas list by visiting the various craft booths of some of the finest artisans in the state.

And... you'll also have the chance to uncover your own artistry and say, "I made it myself" at the "Make It and Take It" craft area... another new feature at this year's Kettle Kountry Kolors.

Parents Can Take Steps to Increase Kids' Personal Safety

The recent abduction and murder of a young Waupaca girl has caused many parents to wonder what they can do to ensure their children's safety.

While there is no completely effective way to protect children from all the dangers of society, a University of Wisconsin-Madison/Extension child development specialist says parents should know the most effective methods for teaching children personal safety.

"There will always be random threats. Sometimes disaster strikes even when families have done everything right," said Dave Riley. "But evaluations of effective personal safety programs show us that parents can do certain things to decrease the chances that their children will run into trouble."

Riley said that personal safety instruction is most effective when it teaches specific strategies, rather than general ideas. For instance, preschool and even older children have trouble distinguishing between "good" and "bad" touching. But they do understand family rules, such as never getting into a car or going to a house without telling a parent first.

"One thing we know from evaluations of existing programs is that teaching kids personal safety doesn't necessarily keep them safe," Riley said. "Parental monitoring -- knowing where your children are and who they are with, even when they aren't with you -- is a key component to the safety of young people."

Riley added that having

a family rule requiring young people to check in with parents is always a good idea. While abductions by strangers are most widely publicized, the majority of kidnappings in this country are by relatives or acquaintances who are known by the child.

Yet, Riley said only about half of parents in this country with children between the ages of 6 and 12, talk to their kids about personal safety. Many don't want to frighten their children or make them unnecessarily fearful.

Riley offered these tips to parents who want to help their children avoid unsafe situations:

-- Try to teach one or two rules at a time. Decide ahead of time what you think is most important. Young children forget easily and can be overwhelmed. Frequently repeating the ideas you want to communicate helps children remember them.

-- Give reasons for rules. Children can remember better if they understand the concepts behind the rules.

-- Role-play situations with your child that he or she might face. Pretend that your child is home alone and you are a stranger at the door. You can be a person with a flat tire who needs to use the telephone or a salesman wanting to leave free samples. See how your child responds, then give ideas for how he or she could deal safely with the situation.

-- Kandi O'Neal adds, be sure your child is aware of what your rules are for who can and cannot pick them up

from school or day care. Make sure they understand that it is okay NOT to go with a friend or neighbor even if that person would say, "Your mom/dad called and asked me to pick you up."

It is important to set aside a time to sit down and talk to your children. They need to know that they can come to you and talk to you about their concerns and fears without being judged. They need your unconditional love. Don't take for granted

that your child knows what to do or say. Take time to talk through different situations. Open honest communication with our children will help develop an open trusting relationship with your children.

The Washington County UW-Extension office has a set of fact sheets on personal safety for children who are home alone after school called, "Keys for Kids." For more information on self-care or to order the fact sheets, call 335-4479.

Village Board Meeting Minutes

Regular Meeting
September 12, 1994
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

Administrator Daniel S. Schmidt called the meeting to order noting that President Robert Wagner was at the School Board Meeting and would be arriving late. Trustee William Kulas asked to be excused and was absent, all other Trustee Members were present. A quorum was present.

On a motion by Trustee David Goeden, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board appointed Trustee Robert Beisbier to serve as President Pro-Tem until President Robert Wagner arrived.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Charles Waala and unanimously carried by voice vote, the minutes of the August 15, 1994 meeting were approved as printed.

Ms. Sharon Webb of the Mid-WI Federated Library System was present to discuss and answer questions on Nichols Advanced Technology - Library Automation Systems (MOLLI, etc.). The uses of the system were discussed as well as projected cost. Those costs are estimated to be between \$15,126.00 and \$22,058.00. It was further noted this would not reduce manpower needs, but should help to increase circulation as much as 25%. It was stated that if we apply this year it is likely that we could receive a \$5,000.00 grant. This is a reimbursement grant which means we would need to finance the \$5,000.00 up front and then submit a payment request which we would receive in 1996. Several questions were asked and explained that the information is in house information and that the libraries were not inter-connect-

ed. A public hearing was held on the request of Gary and Linda Gavin for the rezoning of the parcel of property located adjacent to Edgewood Road across from Forest Avenue, known as tax key no. V4-0055-001 from AG-2 Agricultural Land District and C-1 Conservancy District to R-1 Single Family District and R-3 Two Family District and C-1 Conservancy District (wetlands). Several citizens from the area were in attendance. Mr. Gavin explained the proposed project for the approximate 9 acre site. It was noted that the 200 feet that abut Edgewood Road would be R-1 single family and that the back of the parcel would be R-3 two family or single family. The project would be set up as a planned unit development with a private drive 24 feet wide to save the environment and a sidewalk would be placed on one side of the drive. There would be connecting walkways to the park and other portions of Sunset Estate. The size of the units would range from 1,200 to 1,800 square feet. This would be a condominium development.

Several questions were asked by an estimated audience of about 20 regarding: Concerns about this area having multi-family buildings on it. It was noted that two family structures are not considered multi-family. It was asked about planning for areas of larger dwellings. It was noted that issue is being addressed in the Village's Land Use Plan that is well underway at this point. The ratio of multi family and other units was discussed. It was noted that at the last Plan Commission Meeting Chapter 7 included those ratios: 60% single family, 10% two family and 30% multi family. The existing ratios were also reviewed which are very close to what is to be established as guideline limits. It was asked if the area would include rental units. The project is to be set up as condominiums, but would not preclude an owner from renting out his unit as well as it does not preclude any single family home owner from renting out their home.

It was stated that the development plan needed to go before

the Plan Commission for review and then sent to the Village Board prior to any action. On a motion by Trustee Robert Stoltzmann, seconded by Trustee John Borland and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

A public hearing on a Zoning Ordinance amendment regarding the allowance of "Bed & Breakfast Establishments" by conditional use permits was held. The ordinance was reviewed with the Plan Com-

mission's intent explained to the Board. No comments came from the floor. On a motion by Trustee Charles Waala, seconded by Trustee Robert Beisbier and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

One bid was received for the re-roofing and repair of the bath house at the KKCP. The bid was from Heberer Bros., Kewaskum, WI for \$19,595.00. On a motion by Trustee Robert Stoltzmann, seconded by Trustee

John Borland and unanimously carried by voice vote, the Board turned the bid over to Director of Public Works Jerry Gilles.

No bids were received for the storm drainage work at the large shelter at RHP.

Director of Public Works, Jerry Gilles biweekly report:

- 1) The completion of asphalt work on Timblin Drive.
- 2) The completion of asphalt work of Prospect Road, and Wildlife Drive.
- 3) Soccer field is set up and

TYPE E NOTICE - VOTING BY ABSENTEE BALLOT

Any qualified elector unable to get to the polling place on election day may request to vote an absentee ballot. A qualified elector is any U.S. citizen, who will be 18 years of age or older on election day, who has resided in the ward or municipality where he or she wishes to vote for at least 10 days before the election. If voter registration is required, the elector must also be registered.

TO OBTAIN AN ABSENTEE BALLOT YOU MUST MAKE A REQUEST IN WRITING.

Contact your municipal clerk and request that an application for an absentee ballot be sent to you for the primary or election or both. You may also request an absentee ballot by letter. Your written request must state that you will be unable to get to the polling place on election day. It must also list your voting address within the municipality where you wish to vote, the address where the absentee ballot should be sent, if different, and your signature.

Special absentee voting application provisions apply to electors who are indefinitely confined to home or care facility, in the military, hospitalized, or serving as a sequestered juror. If this applies to you, contact the municipal clerk.

You can also personally go to the clerk's office, complete a written application, and vote an absentee ballot.

TOWN OF KEWASKUM

HOURS 7:30 A.M. TO 4:30 P.M. M-F

THE DEADLINE FOR MAKING APPLICATION TO VOTE ABSENTEE BY MAIL IS 5:00 P.M., FRIDAY, NOVEMBER 4, 1994.

THE DEADLINE FOR VOTING AN ABSENTEE BALLOT IN THE CLERK'S OFFICE IS 5:00 P.M., MONDAY, NOVEMBER 7, 1994.

ALL VOTED BALLOTS MUST BE RETURNED TO THE MUNICIPAL CLERK SO THE CLERK CAN DELIVER THEM TO THE PROPER POLLING PLACE BEFORE THE POLLS CLOSE ON TUESDAY, NOVEMBER 8, 1994.

ANY BALLOTS RECEIVED AFTER THE POLLS CLOSE WILL NOT BE COUNTED.

OFFICIAL NOTICE

There will be a Regular Meeting of the Kewaskum School District Board of Education on Monday, October 10, 1994. Said meeting to commence at 7:00 p.m. in the commons at Kewaskum High School. Anticipated agenda items will include the following:

PROPOSED AGENDA

- I. Call meeting to order-President Schmitt
- II. Roll call of members
- III. Pledge of allegiance-Clerk Goeden
- IV. Approval of agenda; deletions or corrections
- V. Student of the Month-Mr. Heidner, Mrs. Schmitt
- VI. Audience to visitors; receiving of delegations
- VII. Action Items
 - A. Approval of minutes of past meeting(s)
 1. September 12, 1994-Regular Meeting
 2. September 22, 1994-Special Meeting
 3. October 3, 1994-Special Meeting
 - B. Policy-Legislation-Bylaw Committee-Mr. Weare
 1. Second reading of the following policies:
 - a. 377.4-Policy Dissemination
 - b. 377.4L-Signature Form
 - c. 461-Wisconsin Academic Excellence Higher Education Scholarship Award Criteria
 - d. 671.2-Expense Reimbursements
 2. Next meeting date: October 17, 1994
 - C. Finance-Transportation-Buildings & Grounds-Mr. Beimborn
 1. Approve the purchase of an electronic scanner for use at KHS
 2. Approve the snow removal contractor for 1994-95
 3. Next meeting date: October 24, 1994
 - D. New Business
 1. Approval of payroll and accounts payable-Mrs. Schmitt
 2. Approval of spring trip by KHS foreign language students-Dr. Heather
 3. Approval of OM coaches for 1994-95-Dr. Heather
 4. Approve amended budget for 1993-94 school year-Dr. Heather
 5. Approve contract for architectural services with Eppstein, Keller, Uhen-Dr. Heather
 6. Approve contract for construction services from Hunzinger Construction Company-Dr. Heather
 7. Presentation by contractor and architect regarding building project-Mr. Rich Tennesen, Mr. John Micelli
- VIII. Adjournment

ORDINANCE NO. 94-7

AN ORDINANCE TO AMEND THE ZONING OF VILLAGE LAND

WHEREAS, Mr & Mrs. Gary Gavin have petitioned for the rezoning of the parcel of land known as tax key number V4-0055-001 involving land adjacent to Edgewood Road across from Forest Avenue from AG-2 Agricultural Land District and Conservancy District to R-1 Single-Family Residence District, R-3 Two-Family Residence District and C-1 Conservancy District (wetlands); and

WHEREAS, the Plan Commission has reviewed the matter at their meeting of July 26, 1994 and recommended the zoning amendments to the Village Board.

NOW THEREFORE, BE IT RESOLVED, that the Village Board approve the rezoning of the 275' x 200' of land adjacent to Edgewood Road to R-1 Single-Family Residence District and C-1 Conservancy District.

NOW THEREFORE, BE IT FURTHER RESOLVED, that the Village Board approve the rezoning of the rear 282' x 931 to R-3 Two-Family Residence District and C-1 Conservancy District.

This Ordinance shall take effect upon passage and publication as provided by law.

PASSED, ADOPTED and APPROVED, this 12th day of September, 1994, by the Kewaskum Village Board.

Robert H. Wagner
Village President

ATTEST:
Daniel S. Schmidt
Village Administrator/Clerk
Introduced by Trustee Robert Beisbier
Motion for adoption by Trustee Charles Waala
Motion for adoption seconded by Trustee David Goeden
Roll call vote was 5 "Aye" 1 "Nay" 0 "Absent"
John Borland voting "Nay."

ready for use.

4) The water & sewer department telemetry system is up and running with only some minor work remaining.

5) The telemetry power supply has been fixed at a reduced cost through the efforts of Administrator Schmidt.

6) Announcement of an open house for the Board from Monroe equipment.

Administrator Daniel S. Schmidt reviewed the following:

1) Budget control sheet for the period ending August 31, 1994.

2) Building permit report for period ending August 31, 1994.

3) Mid-Moraine Municipal Association Meeting scheduled for October 5, 1994.

4) Review of WI Taxpayer Alliance Bulletins and WI League Letters.

5) The Board was given an update on the re-valuation work now in progress.

On a motion by Trustee John Borland, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	406,916.39
Sewer	240,893.27
Water	14,500.77
TID #1	193.65
Payroll	44,489.51

TOTAL 706,993.59
P/R Ck #5289 - #5426
A/P Ck #8059 - #8248

Chairman of the Administrative Committee, Robert Beisbier announced a meeting of the whole as to the discussion regarding Village owned property/CVC for September 26, 1994 at 7:00 p.m.

Chairman of the Protection and Public Safety Committee, Trustee John Borland was asked to have his committee look at the parking situation on the north side of Main Street at Parkview Drive, west side. A brief discussion was held on the matter and the entire Board is to look at the area and the matter will be placed on the next agenda.

Chairman of the Public Services Committee, Trustee Robert Stoltzmann informed the Board that the Committee had reviewed the recycling grant application, Resolution No. 94-15 and Ordinance No. 94-9 and recommended all to the Village Board for favorable action under new business.

Administrator Daniel S. Schmidt reviewed the budget accounts that were reviewed by the Public Services committee with the Board. Those accounts (Street sign/marketing -\$485 - 7%, (Garbage collection +\$71 + .1%), (Recycling collection +\$83 + .3%), (Municipal landfill -\$251 - 24.9%), (Street lighting +\$3,473 +10.3%), (Tree & brush +\$4,181 +44.3%) and on the revenue side (Recycling grant +\$633 +4.9%).

Chairman of the Park and Recreation Committee, Charles Waala reviewed the Kewaskum Athletic Club's request to keep the funds from the Kiwanians to put it toward the side line fence, to relocate the SW diamond backstop to the SE grass diamond etc. On a motion by Trustee Charles Waala, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board moved to allow the Athletic Club to retain the \$1,800 and to move the SW backstop to the SE diamond and told them that the Board would budget for a new backstop.

Discussion also addressed the possible need to look at who plays ball and uses the facilities. The timetable as proposed by the Athletic Club was felt to be too ambitious, that being 5 years; an 8 year program may be better for the budget. More discussion will be held on this topic.

The swim pond summer statistics were reviewed by the Board as follows:

Number of days	78	
Number of days open	71	
Number of days closed	7	
Attendance: 1994	1993	1992
May	0	0
June	2,659	2,014
July	3,245	3,698
August	1,377	1,981
TOTALS	7,281	7,693
Total swim passes sold	540	
Swim lesson enrollment	97	
Tennis lessons	17	
Rescues for summer	0	

Board Representative for the Plan Commission, Trustee David Goeden reported on the Plan Commission meeting of August 30, 1994.

1) Mr. Jerry Mehring of PJR Management was in attendance and reviewed plans for the placement of a Dairy Queen Restaurant within the Village; the location being the Heberer Brothers site at the intersection of CTH "H" & Fond du Lac Avenue.

2) Review of the CSM on Wildlife Drive for Steve Olig, which was approved.

3) Discussion regarding a Bed & Breakfast establishment.

4) Mr. Rich Kania of SEWRPC reviewed Chapter 7 Land Use Plan.

Board Representative for the County-Wide Library Board, Trustee Charles Waala asked the Board how they wanted the Library Board to proceed regarding the MOLL program. It was noted they should try and reduce the cost and check out the system as to its capabilities. The amount should then be placed in their budget proposal and it would be looked at in conjunction with the whole budget request.

Board Representative for the Mid-Moraine Municipal Association, Legislative Committee, Trustee William Kulas was absent, but Administrator Schmidt reported that a Legislative Committee Meeting is scheduled for September 14, 1994 at 7:30 p.m. in Cedarburg.

Action was taken on Ordinance No. 94-7 an Ordinance to Amend the zoning of the Village regarding the request of Gary & Linda Gavin for the parcel known by tax key no. V4-0055-001 as heard at public hearing as attached hereto:

Action was taken on Ordinance No. 94-8 an Ordinance to Amend the Zoning Ordinance of the Village to Allow for "Bed & Breakfast" Establishments as a conditional use permit as heard at public hearing as attached hereto:

On a motion by Trustee

Charles Waala, seconded by Trustee John Borland and unanimously carried by voice vote, the Board rejected the bid received for the bath house roof repair project and ordered the project re-bid in early 1995.

It was noted no bids were received for the storm drainage work at the large shelter at RHP and that should be re-bid in early 1995.

On a motion by Trustee Robert Beisbier, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the signing and submission of the Recycling Grant Application for 1995.

Action was taken on Resolution No. 94-15 a Resolution Requesting Financial Assistance for the Operation of a Recycling Program and Naming the Authorized Official as attached hereto:

Action was taken on Ordinance No. 94-9 an Ordinance to Amend Chapter 17 Refuse/Recycling Disposal and Collection as mandated by the DNR and state law/rules at attached hereto:

Action was taken on Resolution No. 94-16 a Resolution Establishing Sewer User Charges and rates effective the fourth quarter of 1994 as attached hereto:

Director of Public Works Jerry Gilles informed the Board that service pump 2 at pump station 1 has failed and in need of replacement. The pump is originally from 1929 and parts can no longer be found or fabricated for it. The estimated cost is \$7,000 to \$8,000 and it was noted we would try to get a compatible pump to pump station 3. Service pump 1 in pump station 1 is identical to the pump that has failed and a replacement will be figured in the 1995 budget. On a motion by Trustee Robert Stoltzmann, seconded by Trustee John Borland and unanimously carried by voice vote, the Board approved the emergency replacement of service pump 2 at pump station 1 at an estimated cost of \$8,000.

President Robert Wagner informed the Board that his meeting with the School Board did not resolve the sidewalk installation disagreement. The majority of the School Board was opposed to the installation of sidewalk and felt there was no need for any sidewalk around or going to the high school or middle school. The consensus of the Village Board was to discuss the matter in conjunction with the budget process.

On a motion by Trustee John Borland, seconded by Trustee Charles Waala and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1) (c) of the statutes to consider employment compensation and performance of public employees over which the governmental body has jurisdiction and Chapter 19.85 (1) (e) of the statutes to deliberate and negotiate the disposition of pub-

lic lands. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

Village of Kewaskum
Plan Commission
August 30, 1994
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were David Goeden, John Stephani (arrived 7:15 p.m.), Paul Ziebert, Richard Schmidt, Gerald Stollenwerk, Zoning Administrator Richard Zarling and Administrator Daniel Schmidt. Donald Mlodzik was absent. A quorum was present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by David Goeden, seconded by Paul Ziebert and unanimously carried by voice vote the Commission approved the minutes as printed for July 26, 1994.

Mr. Jerry Mehring of PJR Management was present to review a proposed project, that being the construction of a Dairy Queen Restaurant. The location is the corner of CTH "H" and Fond du Lac Avenue (USH "45"). The Plan Commission reviewed the preliminary site plan. Mr. Mehring is proposing to divide the existing lot into two parcels, which would mean the CSM for that division would need to come back to the Commission.

Discussion was held on the Certified Survey Map regarding Lot 1 of CSM Wildlife Drive and Lot 2 of Subdivision Pheasant Run Estates. On a motion by Richard Schmidt, seconded by Gerald Stollenwerk and unanimously carried by voice vote, the Commission recommended the approval of the CSM and authorized the signing of same.

The Plan Commission reviewed the request of Jules and Gwendolyn Dreher requesting a Conditional Use Permit to allow for a Bed & Breakfast with three bedrooms and a one bedroom apartment as proposed in Ordinance No. 94-8 amending 5.6 of the Zoning Ordinance. Zoning Administrator Richard Zarling indicated he felt the Commission would be acting prematurely seeing the Village

Board has not acted on the Zoning Amendment. He also informed the Commission that in the amendment there were no provision for the approval of an apartment. It was also felt that the requesting party should provide verification for adequate parking. It was also suggested the requesting party should have been present to answer possible questions. On a motion by Paul Ziebert, seconded by David Goeden and unanimously carried, the matter was tabled until the September Commission meeting.

Mr. Rick Kania of SEWRPC was present to discuss the proposed Land Use Plan for the Village; Chapter VII - Land Use Plan Regarding Year 2010 Land Use and Community Facility Requirements. Mr. Kania reviewed the chapter with the Plan Commission and explained the general text of the chapter. The Commission by consensus agreed to housing distribution on a percentage basis as follows: 60% Single Family, 10% Two Family and 30% Multi-Family. It was noted that these percentages are a guide and in reality may vary from time to time. Discussion then went to providing for a Park & Pool Lot, with the possible placement of one being adjacent to the proposed Dairy Queen on USH ROW. On a motion by Paul Ziebert, seconded by Richard Schmidt and unanimously carried by voice vote, the Commission recommended pursuing this option with the Department of Transportation.

On a motion by Richard Schmidt, seconded by David Goeden and unanimously carried by voice vote, the Commission directed the Administrator to check with Mr. Mehring regarding the ingress and egress to such a Park and Pool Lot.

On a motion by Paul Ziebert, seconded by John Stephani and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

Letters to the Editor

Editor,

There have been a lot of articles in area newspapers lately regarding education in our schools, especially the teaching of phonics. I think the overwhelming response and the care and concern showed by our educators and parents is great. While everyone may not agree on all the details, the end result is always the same -- a good education for all our kids. I'm writing to share my personal experiences and feelings.

I am the parent of a 7th grade daughter and a 3rd grade son who have different learning experiences. My daughter has always enjoyed school. She is self-motivated and has found that by applying herself and putting time and effort into her school-work, she has been able to maintain good grades. My son, on the other hand, has had a much harder time. He's finding out that it takes more than applying himself to keep up.

He's struggled with so many things for as long as I can remember. First, it was just with the decision of which hand he wanted to use. As a toddler he could eat with either hand, color with either hand, throw and catch a ball with either hand. But that led to confusion. He didn't enter kindergarten until just after his 6th birthday because the school said he just hadn't "matured" enough for school. That's how they looked at his problem. They said boys usually just need a little more time. He has always been very physically active and good with hands-on activities. He is also very creative and imaginative, but reading was his worst struggle. First grade was very hard on him when he couldn't seem to catch on to reading. His teacher suggested working with him at home and sending him to summer school for reading. She also mentioned that he was reversing numbers every now and then, but said we shouldn't be too concerned since a lot of kids do that.

Second grade was even more of a struggle for him. The school said he should have extra help for reading, but the Chapter I class was filled so, again, we were told to work with him at home. Well, we did work with him. We read to him and he read to us. It got to the point that he hated everything about school except recess, gym and art. It really tears at a parent's heart when you don't know how to help your child and you see how hard they are trying. His whole outlook on life was turning very negative. He was constantly saying, "I'm just dumb. I'll never get it." It was hard on our

whole family.

Words he could read one day, the next day he acted like he had never seen before. He would comment that the words just didn't stand still and they'd move around when he was trying to read them. I contacted his teacher again and again to report that his reading wasn't improving.

Then one day when I stopped in at a local bookstore I noticed a book on the counter about dyslexia. The lady at the bookstore was very helpful in answering my questions about dyslexia and sharing her personal experiences with having a dyslexic son. She recommended that I visit the Wisconsin Dyslexia Institute in downtown West Bend for more information about this learning disability. I also went to the public library and found quite a selection of books on dyslexia and other learning disabilities. Many books were written with firsthand experience by dyslexic authors or their instructors.

I could see my son over and over again in these books, as the authors talked about their struggles in school. I could even relate back to when I was in school and was reminded of the kids I thought were "just dumb."

I immediately called his teacher and discussed the possibility of him having dyslexia. She said the same thought had crossed her mind, so she suggested having him tested at school. The school test showed that my son was having some difficulty but was within the

National average for his grade level. The school did suggest having a specialist check him for sight problems. After further testing we found that he does not have hearing or sight problems. We decided to have him tested at the Wisconsin Dyslexia Institute in West Bend. The Dyslexia Institute does a series of tests which assess a person's strengths and weaknesses in reading and writing. Through these tests, they are able to find types and patterns of errors. The tests confirmed our suspicions - he was dyslexic. What a relief. We finally knew where to start to help our son.

Telling our son that he was dyslexic and could be helped was like lifting a burden from his shoulders. Now he knew he wasn't dumb, he knew that he was just seeing things a little differently than the other kids in his class. I explained to him that dyslexia isn't something you can be "cured" from, but you can learn to overcome your disability. It isn't a strange disease, it's just difficulty with reading or writing. It's definitely not a case of low intelligence. As a matter of fact, many famous writers and inventors have been dyslexic.

He started tutoring through the Dyslexia Institute last spring and will continue seeing his tutor for an hour two times a week for approximately two years (which is the average time to complete the program). His tutor uses a multi-sensory approach to teach him analytic synthetic phonics (which is the taking apart and putting together of letter sounds). Multi-sensory teaching would be a benefit to ALL kids, not just those with learning disabilities. There's a school teaching program in Minnesota called "Project Read" which has been using the multi-sensory teaching approach for over

24 years. It has been tried in various school districts in other states with it's emphasis on grades one through three, using systematic (step by step) phonics and teaching kids to learn how to read. Using multi-sensory techniques allows the student to learn through experiencing instruction as well as hearing and seeing it. This program has helped many students (including those labeled learning disabled) to become independent learners who function successfully at their own potential.

I know this teaching method has definitely worked for my son. He's now in third grade and still struggles to keep up, but his teacher reports his tutoring is already making a world of difference and he is currently holding his own with the class. His greatest weakness isn't reading in context, but reading and understanding the directions on his classroom work sheets. His oral comprehension is very good and oral directions are definitely easier for him to understand. His self-confidence has improved, but he works very hard and strives to reach the rewards and praise he sees other kids achieving.

Reading skills are so

important, not just in school but throughout your entire life. Some people want to push the whole word teaching methods, stating that phonics is part of this technique. Whole word teaching is needed to give meaning and comprehension to the words, but FIRST you need a solid base of phonics. Every child needs this, not just "learning disabled" students. I don't understand how you can be expected to figure out a word in context if you don't recognize enough words in the sentence to make any sense out of it. You have to know how to break down words and sound them out. This is where our system is lacking. Reading should be something you enjoy, not something frustrating. I believe we can make reading more fun and easier for kids if we give them the keys to unlock the sounds. I would like to see a multi-sensory program implemented in lower elementary grades in all Wisconsin schools for the benefit of all our kids. Just maybe we can decrease the amount of kids labeled learning disabled and the number of illiterate adults in years to come.

Bonnie Zanow

**PLASTIC BAILER BIDS
TOWN OF KEWASKUM**

Public notice request for bids for a bailer of recycled plastic. Specifications of bid available on request from Town Chairman George B. Allmann, 9205 Hickory Drive, Kewaskum, WI 53040 (phone (414) 626-4716).

Sealed bids will be publically opened at the Kewaskum Town Board Meeting October 31, 1994, 8 p.m., at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, Kewaskum, WI. The Kewaskum Town Board reserves the right to accept or reject any or all bids.

Dear Editor:

This letter is in response to an article in the Ozaukee-Washington Section of the Sept. 6, 1994 edition of The Milwaukee Journal. The story of the Meilicks seeking help for their dyslexic daughter is not a new one. They may be the first to ask for the school district to pay for it and maybe it's about time.

Although I am not a resident in the West Bend School District, the issue of dyslexia is everywhere and I find Superintendent Wizarde's question, "where does the scope of services offered by the school district end?" unbelievable, to say the least. I, for one, expect this "scope" to encompass basic reading, writing and spelling skills! This isn't asking the districts to pay for tap dance lessons. This is a necessity for these children!

My son is a former student of The Wisconsin Dyslexia Institute (WDI) and the training he received has been a tremendous help to him. I know other students are also having great success with the multi-sensory method of reading, writing and spelling taught by WDI, as well as gaining an understanding of their "specific" difficulty.

Perhaps if the schools would adopt a new teaching strategy such as the method used by WDI, there wouldn't be so many kids in special or learning disabilities classes and there wouldn't be such a demand for remedial courses

to be "squeezed in," as Mr. Lefeber puts it, between classes. To me, the phrase "squeezed in," doesn't even sound to be beneficial to the students.

When our kids are not doing well in school, as parents, we've been so willing to blame the kids for not trying hard enough, or we blame ourselves for not working with them enough. Where does the school fit into this picture? When are the schools going to be held accountable and take responsibility for their failure to teach effectively?

I congratulate the Meilick family for taking matters into their own hands, for not being satisfied with the school's conclusion that their daughter had an attitude problem, and for sharing their story. I would urge others to do the same and be involved. Some statistics show as many as one in four people are dyslexic. This cannot continue to be ignored!

The Wisconsin Dyslexia Institute is holding a meeting for the general public to discuss the problems surrounding dyslexia and how the Institute helps dyslexics. The meeting will be held on Thursday, October 27, 1994, at 7:30 p.m. at UWWC, Room 259. For more information the number for WDI is 334-8005.

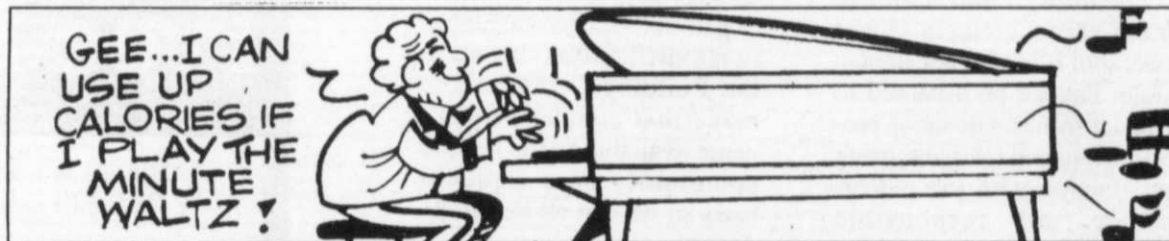

I am a mother against unrecognized and untreated dyslexia.

Gail E. Ramirez

This September, the fifth graders from Holy Trinity School in Kewaskum, donned hip boots and ventured into the Milwaukee River. They participated in a program at Riveredge Nature Center in Newburg, which focused on the habitat of the river creatures.. What a wonderful opportunity for this group of students. While in the river, the students concentrated on the creatures that live on or near the bottom of the river. They collected creatures like crayfish, minnows, water pennies, clams and red worms. After the collecting, the students tried to identify one organism. The students enjoyed their "out-of-the-classroom" learning experience..

Letters to the Editor

Editor,
Kewaskum Statesman:
A short time ago the voters of the Kewaskum School District gave permission for a major construction undertaking. As a voter, I issue a challenge to those taking on the responsibility of hiring the architect, general contractors and subcontractors to, as far as humanly possible, be assured that those chosen professionals:

- 1) are honest and above-board in their dealings;
- 2) are known for their quality workmanship and materials;
- 3) have a reputation for doing the best possible job in the shortest feasible time frame and (gasp) coming in under budget;
- 4) are motivated by a dedication to quality workmanship rather than the almighty dollar.

Finding contractors to meet those criteria is not easy, but it is also not impossible. Do not be ashamed to contact former clients of proposed contractors regarding satisfaction with job performance, all responsible employers do the same thing when screening prospective employees. And, by all means, do not let selection of subcontractors to the discretion of the contractor -- check them out, too.

Secondly, I issue a challenge to someone to make it his or her responsibility to oversee every phase of the building project from the initial plans to the last coat of paint ON A DAILY BASIS. It goes without saying that this person must have a

working knowledge of the building industry, for they alone can judge what will be durable over a long period of time. Though that job traditionally falls to the architects and inspectors, those persons are seldom present on a daily basis to check up on the myriad details such an undertaking encompasses. Furthermore, miscommunication between subcontractors; union rules on job responsibility; workers tendency to labor for pay rather than quality workmanship and coverup, rather than correct, mistakes; and construction materials quality, or lack thereof, can all add to costly delays and the necessity to tear apart and start over, if not continuously monitored.

Finally, I encourage any citizen who spots a potential problem to bring it to some responsible person's attention as soon as possible to prevent expensive delays and long-range difficulties. It's up to the Building Committee to make that contact person's name available to the general community on a frequent basis so we can all be watchdogs.

Let's make this a community effort, not just a community-funded project. Personal interest and responsibility, rather than an "it's not my job, man, I'm not paid to do this" attitude will promote in this undertaking a source of pride and evoke a sense of ownership commonly only found in private projects.

Sincerely,
Darlene D. Stern

PRAYER OF THE BLESSED VIRGIN

(Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, Assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Holy Mary, I place this prayer for your hands (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you.

Grateful thanks!
A.S.

THANK YOU

Thank you to the Sacred Heart and St. Jude for favors received.

The Kewaskum Indian Booster Club is off to a busy year. Pictured above are Indian football coaches Perry Koth, left, and Clark Pearson, right, with players #66 Andy Matthies and #61 Mike Schmidt working out on the seven man practice sled. This spring the Booster Club purchased new sled pads for the seven man sled, two man sled and one man sled. All money raised by the Booster Club is used for the students involved in co-curricular activities. The Booster Club will be sponsoring a Tailgate Party before the Homecoming game on October 8th at the football field to help raise money for future projects. They will be serving brats and hamburgers starting at 12 noon until they run out. Help support the Booster Club. Remember... active students make better citizens.

Another purchase made by the Kewaskum Booster Club this year are new arm and leg splints. After a few "breaks" early in the year on the freshmen football team, the old equipment was found to be inadequate. The splints will be available for all the athletic teams. Pictured above is Athletic Director Jim Westphal, holding the new equipment.

KHS Spikers Streaky In Win Over Plymouth

By Statesman Sports Writer

KEWASKUM - There is a term called winning ugly, and according to Kewaskum volleyball coach Dave Rizzardi, that best describes the way his team struggled through its match with Plymouth here, last Tuesday night.

The Lady Indians continued their up-and-down play this season, winning the first game against the Panthers quite handily, 15-1.

KHS fell behind, however, in game two, before coming back to beat Plymouth 15-12, and secure the Eastern Wisconsin Conference victory. The Lady Indians couldn't get the three-game sweep, though, falling in the final game, 6-15.

"We weren't real sharp," Rizzardi said of the effort. "It definitely was not some of our best volleyball. We weren't able to put the ball away against them."

Things seemed easy enough in the opening game, as the Lady Indians rolled to a big lead. But in game two, KHS struggled early, falling behind 9-2 at one point.

"They were ahead the whole game," Rizzardi said of game two's struggle. "But we maintained our composure and came back to pull it out."

The Lady Indians tied things at 12-12 before finally emerging with the team victory. Tanya Krahn deserved much of the credit in the comeback, serving eight straight points to erase the deficit.

Krahn also led the team in assists on the evening, accumulating seven good passes. Erin Stockhausen, meanwhile, led the Lady Indians with six kill points.

"Those aren't real good numbers," Rizzardi said of the leading point totals on the evening. "Our intensity just wasn't there."

 NOTICE OF PUBLIC HEARING**

Notice is hereby given that the Village Board of the Village of Kewaskum, Washington County, Wisconsin, will conduct a public hearing at 8:00 p.m., Monday evening, October 17, 1994, in the Council Room of the Municipal Building, 204 First Street. The public hearing will be on the request of Jules and Gwendolyn Dreher for the conditional use permit to allow for a Bed and Breakfast Establishment on the parcel of property located at 1121 Fond du Lac Avenue, known by tax key no. V4-0188. It would be for three bedrooms within this property which is currently zoned R-2 Single Family Residence District and which is requested to be rezoned to R-3 Two Family Residence District.

The Conditional Use Permit would allow for the use of three bedrooms to be rented out as per established within the Village of Kewaskum Ordinance.

All interested persons will be given an opportunity to be heard.

KHS Girls 6th, Boys 7th in Slinger Invitational Meet

The Kewaskum High School varsity girls finished in sixth place and the varsity boys finished in seventh place at the Slinger Invitational Cross Country meet last Thursday at Homestead Hollow County Park.

The Slinger boys' team finished in second behind a powerful Kiel team of the Eastern Wisconsin Conference. For the girls it was the Mayville team on top followed by Kiel and New Holstein.

Kewaskum's top girl runner, Marni Lynn, finished in 12th place in 16:48; and according to Coach Drexler, "She ran very well." For the Kewaskum boys, their top runner, David Gosa, also placed 12th in a time of 17:39. David Gosa ran well but probably did not finish as high as he is capable of according to Coach Drexler due to some recent hard prac-

tices.

Chrissy Neumann finished in 17:38 for 21st place, followed by Lynn Thull in 18:05 for 32nd place, Jenny Jagielski in 19:08 for 42nd place, and Katrina Gilles in 19:23 for 43rd place.

Damien Doherty ran an 18:44, good for 32nd place followed by Jake Thull in 19:09 for 38th, Jessen Benzing in 19:54 for 45th and Jason Czaja in 20:22 for 51st place. Jason Czaja who has been finishing as the second runner for Kewaskum most of the season had an off day due to illness and back problems.

On Thursday, October 6, the KHS Cross Country teams travel to Campbellsport for the Cougar Invitational and then the following week to UW-Sheboygan Falls for the Eastern Wisconsin County Meet on Friday, October 14th.

ABC CLUB SKAT RESULTS

KHS Netters Beat Plymouth

By Statesman Sports Writer

KEWASKUM - After losing some close matches earlier this season because of few doubles victories, Kewaskum coach Glenn Eichstedt decided that lineup changes should be made.

The changes were a bit unusual, however, such as placing the Lady Indians' top player, Missy Rohrer, into doubles competition. There was some method to Eichstedt's madness, however, as the Lady Indians' came away with a 4-3 win over Plymouth, narrowing the gap in the Eastern Wisconsin Conference championship race.

Eichstedt shuffled his players, putting Rohrer into the No. 1 doubles unit with former singles player Jamie Lynn. The duo came through huge, beating Seema Kupar and Amy Adams, 6-2 and 6-0.

Replacing Rohrer at the top singles spot was sophomore Margaret Feind, who did her best impression of the KHS ace, winning 6-2 and 6-1 over Alicia Miller.

At No. 2 singles, Meredith Frac continued her winning ways, beating Carrie Sippel 6-3 and 6-2.

KHS clinched the team

victory with another doubles win, with No. 2 Sabrina Maul and Anne Mertz combining for the title, tied with KHS at 38 wins.

KEWASKUM 4 PLYMOUTH 3

SINGLES - No. 1 - Margaret Feind beat Alicia Miller 6-2, 6-1; No. 2 - Meredith Frac beat Carrie Sippel 6-3, 6-2; No. 3 - Renate Wilke lost to Cassie Noordyk 2-6, 1-6; No. 4 - Jenni Weston lost to Mikki Russo 3-6, 1-6; DOUBLES - No. 1 - Missy Rohrer - Jamie Lynn beat Seema Kupar - Amy Adams, 6-2, 6-1; No. 2 - Sabrina Maul - Anne Mertz beat Heather Gebler - Megan Flannigan 7-6 (7-5), 6-2; No. 3 - Tristin Olson - Danielle Slausenhoup lost to Jenny Kraus - Shelly Gentine 4-6, 3-6.

Lady Indians Dominate Tigers

KEWASKUM - Kewaskum volleyball coach Dave Rizzardi didn't have to worry about any bad streaks by his team in its match against Chilton here, last Thursday night.

That's because the Lady Indians played one of their best matches of the season, rolling past the Tigers 15-10, 15-6, 15-0 in KHS' Parents' Night matchup.

The win helped improve the Lady Indians' Eastern

Wisconsin Conference record to 6-3 while helping Chilton remain winless.

"We came out and beat them pretty easily," Rizzardi said, although adding that the first game of the match "was a little bit of a struggle. It went back and forth for a while."

Rizzardi credited that to an improving Chilton squad, which although hasn't produced a victory in EW action, "is playing much better volleyball as of late."

The Indians were tied at 10-all in the opening game, before finally surging ahead in the late going. "Our girls just got real intense and put the game away," Rizzardi said.

After that, it wasn't much of a contest, as the Lady Indians rolled through games two and three.

"Mary Yahr and Shelly Williams both had great nights," Rizzardi said of his leading scorers. Yahr had 15 spike kills, while Williams chalked up a season-high 25 assists.

In fact the assists represented "the most I've seen in recent years by one setter," Rizzardi explained. "She was awesome."

Kelly Schreffler also added nine spike kills for KHS, while Tanya Laubach contributed four service aces.

HEBERER BROS. CONSTRUCTION

118 Hwy H, Kewaskum • Office, 626-2384

DOUBLE HUNG WINDOWS ADD TIMELESS BEAUTY

- Patented R-Core insulation in frames means the highest R-factor and warmer windows.
- Durable, fusion-welded sash is guaranteed to never separate, leak air or water, or require maintenance.
- Lowest air infiltration rating for high energy efficiency, less drafts, less heat loss.
- Two sash locks are standard on windows over 25" wide, and ventilation limit locks provide added security.
- Sashes tilt in for easy cleaning.
- Available in 3 exterior colors and 3 woodgrain interiors.

Plymouth Manhandles Indians

By Statesman Sports Writer

PLYMOUTH -- The Kewaskum football team gave Eastern Wisconsin Conference leader Plymouth a good battle for one half here, last Friday evening. But when it came to the overall war, the Indians were no match for the powerful Panthers.

Plymouth manhandled the Indians on both sides of the ball, quadrupling KHS in total yardage. That domination showed in the box score as well, as the Panthers won easily, 28-6.

Kewaskum coach Clark Pearson had no excuses for his team, which dropped to 1-2 in the EW with the loss.

"They were simply a much better team than us," Pearson said. "They beat us up front, at the line of scrimmage. They were just bigger and stronger than us."

The Panthers improved to 6-0 overall, including 3-0 in the conference. A win at Two Rivers this Friday should all but seal the EW title, according to the KHS coach.

"They should be in position to win the conference," Pearson said of the Panthers. "They are a very tough team."

Despite Plymouth's overall strength, the Indians did give the hosts a struggle in the first half. The two teams were scoreless in the opening quarter, before the Panthers finally broke through for a score to open the second.

Panther QB Jim Carpenter hooked up with running back Andy Thelen for an 11-yard touchdown play early in the second period. Seth Weedman's extra point gave Plymouth a 7-0 advantage.

After the Indians were stopped on their next possession, Brian Butschlick's ensuing punt was fumbled by the Panther return man, allowing KHS to set up shop inside the Plymouth 30 yard line.

A pass interference call against the Panthers kept the drive alive, and the nine-play march was culminated by a six-yard TD pass from Dan Survis to Travis Jacak. The extra point attempt was no good, however, and the Panthers maintained their slim 7-6 lead.

Plymouth added to that margin late in the first half, as Nick Mueller burst into the end zone from a yard out. Carpenter added the two-point try on a short run, making it 15-6 Panthers heading into halftime.

Plymouth broke the game open with some good special teams play early in the third quarter. The Panthers blocked a Butschlick punt, recovering it inside the KHS' 20. A couple of plays later, Greg Jankowski scored from nine yards

out, making it 21-6.

"That punt block was a key," Pearson said of the Indians' demise. "I think we lost our fire after that. I think we took a little too much time on the kick, and we didn't hold our blocks long enough."

Kewaskum was unable to mount any kind of offense after that point.

"We never really threatened at all in the second half," Pearson went on. "We had trouble moving the ball... didn't block very well at all."

Butschlick replaced Survis at quarterback in the second half and he had even less success.

"He had no time at all back there," Pearson said of the junior Butschlick, who threw an interception. "He must have got sacked three or four times."

Plymouth's Payton Moore capped off the scoring with a two-yard run late in the second half.

"We gave them a good battle there in the first half," Pearson added. "They wore us down, though. We played hard on defense, but you have to give Plymouth credit. They had great ball control."

The Panthers ran 65 plays, compared to the Indians' 38.

Pearson did single out Pat Schmidt for his defensive play. Schmidt, a junior making his first start at defensive tackle, "did a real nice job," said Pearson.

Overall though, the Indians have a lot of work to do if they hope on salvaging this season, said Pearson.

"We have to play better than what we did," he said. "If we can win our last three games, the playoffs aren't totally out of the question."

KHS would need some serious help, however, in order to qualify for the WIAA post-season. Taking care of their own business is the first priority, according to Pearson.

That starts this Saturday, when the Indians host New Holstein in the annual Homecoming contest beginning at 1 p.m. After a 3-0 start, the Huskies have dropped their last three games, including a 47-0 thumping to Sheboygan Falls last week.

"They've been giving up quite a few points lately," Pearson said, hoping that the trend continues. "They'll come here looking to straighten themselves out, and we will too. It should be a big game for both teams."
