Voters to Decide National, State and County Positions General Election Tuesday

By Louise Martin

The 1994 campaign trail will come to a close on the eve of November 8th, as voters will have made their choices at the voting polls. Area polls open at various times but all will remain open until 8 p.m. allowing ample time for voters to cast their ballots for the candidates they feel will serve them best.

While it appears that the outcome is evident for some positions, others will not be decided until the final vote is

Senate incumbent Democrat Herb Kohl faces an election challenge from Senate hopeful, State Representative Robert Welch of Redgranite. Voters will decide if two-term Governor Tommy Thompson will serve another term or if Democrat challenger, Charles Chvala will serve as the next gover-

While Thompson and Kohl lead in the polls, the race for Attorney General is much closer with the undecided voters expected to be the deciding factor on who will hold the Attorney General office. Democrat incumbent Jim Doyle and challenger, Republican Jeff Wagner of Milwaukee are facing challenging issues particularly how to deal with increasing crimes.

Only two positions at the county level are uncontested. Those offices are for District Attorney, currently held by J. Dennis Thornton and, Coroner, held by Marlene Yoost.

In other county positions, incumbents are being challenged although there have not been any hard campaigning issues debated by those running for office.

Incumbent Marilyn H. Merten of Richfield is challenged by Ann Elizabeth Kutz of West Bend for the County Clerk position.

Washington County Treasurer Fredric A. Seefeldt of West Bend is being challenged by Jeffrey Schneeweis, also of West Bend.

James Lake of Hartford is challenging incumbent Dorothy C. Gonnering of West Bend for the Register of Deeds position.

Fire Destroys Barn

The Kewaskum Fire Department was called out to extinguish a barn fire at the southwest corner of the intersection of Highways H and B, shortly before 3 a.m. Tuesday.

The fire, which was still under investigation by the Washington County Sheriff's Department, destroyed the abandoned barn, shed and milkhouse. No livestock were kept in the barn. The property is owned by Mrs. Lee Honeck of Kewaskum.

The Kohlsville Fire Department provided mutual

'Pumpkin Jest' Has Become A Halloween Tradition

Thousands of area residents enjoyed a Halloween pilgrimage to the Kettle Moraine Lake area in rural Campbellsport to view the Halloween holiday masterpieces of two neighboring families.

Bob and Renee Chyba and Pete and Gwen Kober of Kettle Moraine Lane, started a tradition eight years ago, with seven pumpkins and a carving kit. This year, over 250 carved pumpkins illuminated their yards in a four night vigil that attracted visitors from as far away as Fond du Lac and Hartford.

Not your run of the mill "carved" pumpkins, these creations depict Bucky Badger, dragons, blimps, E.T., Aztec suns, drunken pumpkins, jailbirds, cartoon characters, animals, devils, demons and witches, to name just a few of the festive faces carved in intricate designs.

"Every year we just kept dou-

"We collect last four or five days, and then pictures from magazines and papers all year long for ideas, adds Bob, who does the drawings, while Gwen Kober and her daughter take the photographs.

The pumpkins were lit Friday through Monday evenings, starting at dusk until 9 p.m. The ritual takes at least an hour, if it's not too windy. "Friday night it was so windy it took several people to keep them lit," Chyba explains. "Saturday night we had a costume party and 1,000 people must have come throughout the night to see the pump-

Parent/Principal Roundtable at KHS

Charles Heidner, Kewaskum High School Principal invites all interested parents to meet in the Teacher's Lounge of the High School on Tuesday, November 8, at 7 p.m.

Topics will include an update on the building project, school discipline, upcoming musical, fall sports, faculty inservice and activities and any areas of interest that parents wish to discuss. Please join in.

KHS Musical This Week

This is it, folks! No more rehearsals! No more missed cues! No more stopping and starting over! "Bye, Bye Birdie" is here now.

The cast and crew are ready and waiting to see you at their performances. They will be on stage this Friday and Saturday night starting at 7:30 p.m. and believe it or not... tickets are still available for each night.

You don't have to run to Rose Hall to get your ticket, but be sure that you get there before 7:30 each night so that you can enjoy an evening of song, dance, and acting... plus a lot of laughter. Ticket prices are \$5, \$4 and \$3, however, the \$5.00 tickets will all have been sold at the time of this printing.

With construction begin-

ning this coming spring, this will probably be the last high school musical on the state of Rose Hall, so come on in and be a part of history this year.

However, please don't forget us next year either, as we will try to be innovative and creative without a stage.

Until then, though, don't forget us this week! Hope to see you on Friday or Saturday at 7:30 p.m. or, if you'd like, Friday AND Saturday at 7:30 p.m.

Beechwood Fire Dept. Auxiliary Celebrates 20th Anniversary

On Monday, October 3, 1994, the Beechwood Fire Department Auxiliary celebrated their 20th Anniver-

Hostesses for the evening were Barb Ruplinger, Tracy Ruplinger, Sue Buechel and Marjorie Krahn. Additional refreshments were provided by Jean Linton, Lori Haugan, Bev Hinz, Marlene Klahn and Diane Heyworth. Invitations were extended to every member, both past and present.

Following a brief business meeting a program/demonstration was presented on Christmas decorations by Mary Bilgo.

A summary of the Auxiliary's highlights over the last 20 years follows. Included are various community events, cookbook publication and donation of almost \$25,000 to the Beechwood Fire Department.

The Auxiliary was first organized in 1974, with current members Ginny Benzschawel and Marge Krahn inviting firemen's wives to a meeting in January of 1974.

They had a starting membership of 26 women, of which five are still active members. These include: Ginny Benzschawel, Jan Hartmann, Bev Hinz, Margie Krahn and Janice Warnecke. They organized, adopted bylaws and elected officers. Ginny Benzschawel was the first president; Bonnie Schuster was the first vicepresident; Janice Hartmann was the first secretary and Lorraine Brueschwitz was the first treasurer. Their treasury held \$40.

The group met once a month. Food and craft sales and raffles built the treasury to \$100 and they used it to buy kitchen utensils and drapes for the firehouse.

At first, the members cleaned the firehouse floor, painted the restroom walls in the pavillion, and very quickly decided to buy a floor machine. They raised the money by collecting and publishing their favorite recipes in a cookbook in 1976. It has been revised twice and gone to a fourth printing, proving to be a popular collection as well as a steady source of income.

The Auxiliary gradually expanded its list of fund raising events and community activities to include chili dinners, dances, Bingo, parade floats, Easter egg hunts, games at the annual picnic, Halloween parties and Santa

The highlight of the Bicentennial year, 1976, was an elaborate float with the theme "Hats Off to America" that won many first place awards in local parades. That was also the year of the big ice storm that crippled the

area for days. The Auxiliary set up a kitchen in the firehouse. With power generators and donated food, they offered warmth, water and simple meals to a community that was suddenly without them. The Town Board sent a letter expressing gratitude for their ingenuity and service. This was also the year that the cookbooks went on sale.

The Auxiliary continued to increase its scope of activities, while membership remained constant. Instead of 12 meetings a year, the number was reduced to six in 1981. One of the benefits of maturing is that we learn what we can do and what we cannot. This is true of organizations, too.

The only indulgence was an annual dinner for the members and their spouses, which began as a potluck supper, but had become a Valentine's Day tradition to

Some of the interesting items that was discovered in doing a little research for this article are: The Auxiliary has been providing desserts for the firemen's party since 1978; the bi-monthly Bingo occasions were discontinued in 1982; an auction was held

on Saturday, April 26, 1986, with the proceeds going to support the First Responders Unit of the fire department; the Santa Brunch was started in 1986 with only donations accepted for the meals and was open to local families only. The first Santa Brunch committee included Sue Heberer, Ginny Benzschawel and June Sarnowski. In charge of advertising was Pat Vetter, Kathie Mueller and Janice Warnecke. The people invited were limited to preschool through third grade. It ended up to be a loss of \$4.30. The next year, however, the profit was \$80.60. Through the years, it has continued to be a good source of income for the organization. In 1987, the first group photo was taken, with a more recent one taken on May 2, 1994.

The purposes of the Auxiliary are stated in the bylaws: to raise funds for the Beechwood Fire Department; to provide lunch to firemen fighting extensive fires; and to promote community activities for school children. Membership is open to any adult, with no upper age limit. It is not necessary to be the wife or relative of a fire-

School District Mill Rate Down, Despite 8.24% Tax Levy Increase

By Sharon Callaway Roznik

The Kewaskum School District Board of Education met in Special Session last Monday night for the purpose of approving the Resolution authorizing the borrowing of \$5,450,000 for school improvements.

The new Capital Improvement Fund, named Fund 40, authorizes the issuance on bonds for the years 1995 through 2009, with payments beginning April 1st, 1995. District Administrator, Dr. David Heather told the Board that they should expect to receive approximately \$133,000 in state aid, thereby lowering the tax rate.

The total tax levy for the 1994/1995 school year amounts to \$6,435,619,35, divided by an equalized valuation of \$408,018,027.00. For district taxpayers, this will mean a mill rate of \$15.77 per \$1,000 of assessed valuation, down 50c from last year, although the tax levy does reflect an 8.24% increase, or \$489,795 over the previous year.

Dr. Heather explained this increase as basically caused by the \$460,808 additional monies for the board referendum to pay for principal and interest. Expenditures are also up from last year, totaling \$15,376,864.35.

The District should expect a revenue for the total budget of all bonds of \$17,206,400. 35, including receipt of \$5,450,00 into the investment pool.

Dr. Heather estimates 3.5 million of the Fund 40 amount will be spent by June 30th, 1995, with the remainder projected for November or December, 1995. They are required to spend ten percent of the fund within the first six months.

Mr. Mehan, financial consultant with R.W. Baird, Inc., reported to the school board that the district has received an A rating regarding insurance. The insurance costs were built into the early interest rates, with 6.8% coupons being paid by the district. The yield received by the investor produced \$96,478.50, the difference between the coupons and the

In other business that evening, Mrs. Maul of the Wayne Elementary PTO addressed the Buildings and Grounds Committee on the subject of playground equipment at Wayne Elementary School. The PTO asked for specifics regarding the dismantling of old equipment for liability purposes, and the purchase of new playground equipment, funded by the PTO. She was told the school district's insurer is still covering equipment, but recommended that it should be kept in repair and up-to-date.

Fred Boehlke offered to work with the PTO and help

with construction, along with volunteer parents, and answer questions regarding this matter. Nothing was allowed from the school budget at this time to fund the project.

Bids were taken for the replacement of four urinals at Kewaskum Middle School, but the project was tabled for consideration at a future date because of lack of funds.

Best Students Name Best TeachersFor New Who's Who Directory

Lake Forest, IL -- A select group of America's teachers are being honored by their toughest critics, their former students, in the third edition of Who's Who Among America's Teachers, 1994.

All of the 66,500 teachers being honored were selected by their former students who themselves are currently listed in Who's Who Among American High School Students, or The National Dean's List, publications which recognize the top 5% of our nation's high school and college students

respectively. Paul Krouse, publisher of Who's Who Among America's Teachers said, "there is no greater honor teachers can receive than to be recognized by former students for their excellence and dedication. In this publication we clearly have the best teachers in America selected by the best students."

The students were requested to nominate teachers who "made a difference in their lives" by helping to shape their values, inspiring interest in a particular subject and/or challenging them to strive for excellence. Many of the students commented about the enthusiasm and knowledge their teachers demonstrated in the classroom and many praised their teachers for their ability to relate to youngsters on a personal as well as a professional level. One student wrote about her teacher, saying, "she made education something pleasurable, instead of a dreadful ordeal, by letting me spread my wings and showing me the best way to THURSDAY, NOV. 3, 1994 PAGE

Change the Course of History - Vote!

REDGRANITE - After a year of speeches, commercials and handshakes, the U.S. Senate election comes down to casting ballots November 8.

Voters face a clearly defined choice about what path the federal government will take, said Republican candidate Bob Welch.

We can continue the Clinton-Kohl push for government activism, higher taxes and more intrusion into people's lives," Welch said. "Or voters can choose to rein in the bureaucrats and tax collectors who think they know what's best for the American people.'

"I think people know which side I'm on," said Welch, a state Assemblyman from Redgranite.

Yet, he noted, people must vote to make their voic-

"I'm not going to talk

about 'civic duty' or any of those terms people toss around about voting," Welch said. "The matter comes down to this - if you care about how much of your money the government takes, and what it does with that money, and how the government regulates your business or life, then you should vote."

The 1994 election is more than a referendum on Bill Clinton, Welch said. Voters will choose a Senator who will represent them for six years, well beyond Clinton's current term.

Wisconsin residents must decide what they want their Senate contingent to represent," Welch said. "Do they want Wisconsin to continue as a rubber stamp for the liberal tax-and-spenders? Or do they want someone from Wisconsin to stand up and offer a different course?"

Only those who vote will provide the answer.

"My campaign to take common sense Washington needs every vote it can get," Welch said. "This is not a time for people to sit back and let someone else do the work. Every one of my supporters must vote, because we're up against a multi-million dollar campaign designed to fool the public about who Herb Kohl really is. But if we all vote, we won't have to worry about Herb Kohl anymore."

Summer German Partnership Exchange

This past summer, four KHS students spent 18 days in Langenselbold, Germany as part of a partnership exchange program.

exchange program.

A field trip included touring London for one week, or a week in a German resort.

The students attended Kaethe Kollwitz Gesamtschule for the remaining portion of their stay.

Beth Rydzik was their chaperone and Therese Rosenthal is the director of the exchange.

Tacee Blair, a KHS art student, donated her drawing to the German School. The Principal, Herr Hirchenhain, is pictured with the art piece.

Frau Rosenthal helped chaperone fifth graders for a week in Lauterbach.

October 31, 1994 Dear Editor:

I would once again like to thank the residents of the Kewaskum area for the support I have received from them during my first term.

We are beginning to make some progress toward reducing the unnecessary burden Madison is imposing on us in the form of unnecessary spending, regulation and mandates. It is unfortunate there are not more conservatives with the courage to say "NO" to the liberal special interest groups.

Easily the strongest leader for the traditional values I represent in the Assembly is Bob Welch. Bob is running against Senator Herb Kohl in this year's U.S. Senate race.

Being in Madison, I can see that Congress has not only caused a great increase in Federal taxes and regulation, but through their mandates, forces state and local governments to increase taxes and regulation as well.

Senator Herb Kohl has voted to greatly expand federal control over our local schools in both the Goals 2000 and H.R. 6 legislation. His vote on the Crime Bill further erodes local control.

Bob Welch will work to get the Federal Government out of areas our Constitution intended to be handled by state and local governments.

The government's share of taxes has increased from 10% of our income in 1953 to 43% today. Yet in 1993, Herb Kohl cast the deciding vote on the Clinton budget bill to increase taxes still fur-

Bob Welch has not voted

to increase taxes in his entire ten years in the Wisconsin Assembly and is the only candidate who has pledged to resign rather than raise taxes.

Working with Bob in Madison, I can see he is a hard worker and a natural leader with the traditional family values we need to restore. He is committed to leaving his children the type of government we should have.

Taxes, crime, health care, abortion, welfare reform... Bob Welch thinks the way we do... the average taxpayer. Please join me in voting for Bob Welch on November 8th.

Town of Auburn Fond du Lac County Wisconsin

Dear Sirs:

Enclosed is a copy of the Judgment granted by the Hon. Peter L. Grimm, Circuit Judge, Fond du Lac County against aforementioned parties. The Town Board believes that this Judgment deserves publication.

We believe that the decision is significant for a number of reasons. First, the Judge upheld the constitutionality of our Ordinance Regulating the Parking or Storing of Junked Motor Vehicles and Motor Vehicle Accessories. Second, the Judge upheld the enforcement action of our Land Use Administrator Dennis Fron-

ek. Third, the Judge found that the condition of the property in question constituted a public nuisance. Finally, please note that the Judge fined the defendants \$5,875 as a forfeiture and \$3,105.22 for costs of prosecution.

The Town of Auburn foresees additional residential development within its boundaries. The Town Board wants to assure present and future property owners that the Town will not accept conditions that create a public nuisance.

Please contact me at 533-8504 or the Town Attorney, John St. Peter at 922-0470 should you have any questions about this case. Thank you.

Sincerely, Harry Knoelke, Town Chairman

"Skumtown." Is this really what Kewaskum High School stands for? Not at all! Kewaskum High School and it's 1994 graduates have proven this statement untrue because these graduates are already succeeding in college.

Kewaskum High School provides numerous helpful programs for students who have received their diploma and desire more education.

Erin Stoffel, double majoring in Art Education and Graphic Communications at St. Norbert, points out some of the positives of the high school.

"The writing skills are taught vigorously at KHS and the art program was very comprehensive."

Bridget Ritger, a member of the Honors Program at the University of Wisconsin-Oshkosh, also found a particular KHS class useful for her college courses. "The class that most prepared me for college was College Prep Composition because there are a lot of writing assignments for my classes."

In college, new students remember how past teachers taught them and are using this information to deal with

their college courses. "I have found that Mr. Ammel's music class is helping me out a lot with playing the piano for a class I have here in Oshkosh," said Randy Thull,

a Music Education major at UW-Oshkosh. Randy Reysen, majoring in secondary education-history at UW-Oshkosh, comments, "Mr. Westphal's classes were really good because

they prepared me for the work load and the difficulty level in college. Mr. Gosa's chemistry classes were also beneficial. If it wasn't for his classes, I would be failing chemistry right now."

Rachael Chambers, majoring in Chemistry and minoring in Biology at the University of Wisconsin-Eau Claire, states, "The classes that have really helped me for college are biology, chemistry, and math because right now my classes are pretty much a review for me."

It takes time for a freshman to adjust to college, especially if the student is from a small high school. The students' answers varied when asked if it was difficult to adapt to college.

Ritger said, "College is much different from high school. There is a lot more work and pressure and there's also the change from being away from home."

On the other hand, some students had no problem adapting to their new environment. Thull says, "Adjusting to college wasn't that bad. Just learning how to manage your own time is the trick."

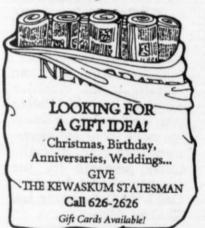

Stoffel comments, "I immediately adjusted because St. Norbert is a small college and I met a lot of people right away."

Reysen says, "At first it was difficult because my roommate was loud and rude, but after I got a single room I

adjusted wonderfully."

Chambers did not struggle either, "because the people that I met are really friendly. It also helped that I went out for Cross Country because I met older people that could help me when I had problems."

"Skumtown?" NO WAY! Too many students point out the positives of Kewaskum High School.

National Veterans Group Endorses Welch for Senate

WASHINGTON, D.C. -- Citing his support for a strong U.S. military, a national veterans group has endorsed Wisconsin Republican Bob Welch for the U.S. Senate.

The American Security Council announced its endorsement in a letter signed by four retired military leaders: Adm. Thomas H. Moorer, former chairman of the Joint Chiefs of Staff; Gen. Robert H. Barrow, former Marine Corps Commandant; Gen. Frederick Kroesen, former Army Vice Chief of Staff; and Rear Adm. Robert H. Spiro, Jr., former Under Secretary of the Army.

"By supporting Bob Welch you can be sure that someone who understands the importance of a strong national defense is elected," the letter stated. "On the other hand, Senator Kohl's record during the 103rd Congress illustrates his complete disregard for the national security interests of the United States."

The ASC is a 40-yearold bipartisan advocacy group that addresses defense and foreign policy issues. The organization has 310,000 members nationwide, including 13.511 in Wisconsin. "When Bob Welch says he believes in 'Peace Through Strength' defense and foreign policy, it's not just talk," the ASC endorsement letter stated. "He appreciates the consequences of war and the need to keep our Armed Forces adequately prepared."

Welch was honored by the ASC's support for his candidacy.

"The American Security Council has a proud history and a knowledgable membership," he said. "These are people who understand that we cannot commit American troops recklessly, and we must keep our troops fully prepared to do their jobs. I completely agree, and will work hard in the U.S. Senate to maintain a strong military."

The ASC's backing is the latest of many endorsements for Welch. Other groups backing his candidacy include the Association of Builders and Contractors, Fraternal Order of Police, Metropolitan Milwaukee Association of Commerce, Milwaukee Police Association, National Restaurant Association, National Rifle Association and the Wisconsin Merchants Federation.

When it comes to taxpayer's money

Bob Welch is CHEAP!!

Bob and Jeanne Welch and their three children, Peter (left), Adam and Sarah. Bob is a firm believer in restoring traditional family values.

- * Assemblyman Redgranite
- * Raised on a farm -Waushara Co.
- * 2nd Ranking Republican
- * Owns surveying business with four employees
- * Married, three children

State Representative Glenn Grothman, left, has given Robert Welch his endorsement for U.S. Senator.

WHY SHOULD YOU VOTE FOR BOB WELCH FOR US SENATE?

- * In 1950 government took 10% of our income in taxes. Today it takes almost 43%! Welch is the only candidate who has pledged to resign if he raises taxes. Bob Welch has never voted to raise taxes in his entire 10 years serving in the Wisconsin legislature.
- * Today they take away your welfare check if you live with your husband, if you get a job or if you save money. Bob's plan "Welchfare" will eliminate this system.
- * Endorsed by the Milwaukee Police Association. Bob will eliminate the "country club" conditions in many prisons
- * Welch is the only candidate who has a specific plan to balance the federal budget.

- * Welch will vote against the Clinton health care plan.
- * PRO-LIFE Endorsed by Wisconsin Right to Life.
- * Member National Rifle Association.

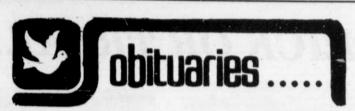

"Bob Welch towers over other people I work with in Madison. His intelligence, charisma, conservative values and compassionate personality make his an easy choice on November 8th. He is the only person I know in Madison who is capable of changing the way things are done in Washington, D.C."

State Representative Glenn Grothman

"We need a U.S. Senator who isn't afraid to stand up for the common sense we know will work. He is man of integrity and high standards. Bob is a hardworker and a good listener. I encourage all of my friends and supporters to cast your ballot for him on November 8th.

"Skumtown." Is this really what Kewaskum High School stands for? Not at all! Kewaskum High School and it's 1994 graduates have proven this statement untrue because these graduates are already succeeding in college.

Kewaskum High School provides numerous helpful programs for students who have received their diploma and desire more education.

Erin Stoffel, double majoring in Art Education and Graphic Communications at St. Norbert, points out some of the positives of the high school.

"The writing skills are taught vigorously at KHS and the art program was very comprehensive."

Bridget Ritger, a member of the Honors Program at the University of Wisconsin-Oshkosh, also found a particular KHS class useful for her college courses. "The class that most prepared me for college was College Prep Composition because there are a lot of writing assignments for my classes."

In college, new students remember how past teachers taught them and are using this information to deal with

their college courses. "I have found that Mr. Ammel's music class is helping me out a lot with playing the piano for a class I have here in Oshkosh," said Randy Thull, a Music Education major at UW-Oshkosh.

Randy Reysen, majoring in secondary education-history at UW-Oshkosh, comments, "Mr. Westphal's classes were really good because they prepared me for the work load and the difficulty level in college. Mr. Gosa's chemistry classes were also beneficial. If it wasn't for his classes, I would be failing chemistry right now."

Rachael Chambers, majoring in Chemistry and minoring in Biology at the University of Wisconsin-Eau Claire, states, "The classes that have really helped me for college are biology, chemistry, and math because right now my classes are pretty much a review for me."

It takes time for a freshman to adjust to college, especially if the student is from a small high school. The students' answers varied when asked if it was difficult to adapt to college.

Ritger said, "College is much different from high school. There is a lot more work and pressure and there's also the change from being away from home."

On the other hand, some students had no problem adapting to their new environment. Thull says, "Adjusting to college wasn't that bad. Just learning how to manage your own time is the trick."

Stoffel comments, "I immediately adjusted because St. Norbert is a small college and I met a lot of people right away."

Reysen says, "At first it was difficult because my roommate was loud and rude, but after I got a single room I adjusted wonderfully."

Chambers did not struggle either, "because the people that I met are really friendly. It also helped that I went out for Cross Country because I met older people that could help me when I had problems."

"Skumtown?" NO WAY! Too many students point out the positives of Kewaskum High School.

National Veterans Group Endorses Welch for Senate

WASHINGTON, D.C. -- Citing his support for a strong U.S. military, a national veterans group has endorsed Wisconsin Republican Bob Welch for the U.S. Senate.

The American Security Council announced its endorsement in a letter signed by four retired military leaders: Adm. Thomas H. Moorer, former chairman of the Joint Chiefs of Staff; Gen. Robert H. Barrow, former Marine Corps Commandant; Gen. Frederick Kroesen, former Army Vice Chief of Staff; and Rear Adm. Robert H. Spiro, Jr., former Under Secretary of the Army.

"By supporting Bob Welch you can be sure that someone who understands the importance of a strong national defense is elected," the letter stated. "On the other hand, Senator Kohl's record during the 103rd Congress illustrates his complete disregard for the national security interests of the United States."

The ASC is a 40-yearold bipartisan advocacy group that addresses defense and foreign policy issues. The organization has 310,000 members nationwide, including 13.511 in Wisconsin. "When Bob Welch says he believes in 'Peace Through Strength' defense and foreign policy, it's not just talk," the ASC endorsement letter stated. "He appreciates the consequences of war and the need to keep our Armed Forces adequately prepared."

Welch was honored by the ASC's support for his candidacy.

"The American Security Council has a proud history and a knowledgable membership," he said. "These are people who understand that we cannot commit American troops recklessly, and we must keep our troops fully prepared to do their jobs. I completely agree, and will work hard in the U.S. Senate to maintain a strong military."

The ASC's backing is the latest of many endorsements for Welch. Other groups backing his candidacy include the Association of Builders and Contractors, Fraternal Order of Police, Metropolitan Milwaukee Association of Commerce, Milwaukee Police Association, National Restaurant Association, National Rifle Association and the Wisconsin Merchants Federation.

When it comes to taxpayer's money

Bob Welch is CHEAP!!

Bob and Jeanne Welch and their three children, Peter (left), Adam and Sarah. Bob is a firm believer in restoring traditional family values.

- * Assemblyman Redgranite
- * Raised on a farm -Waushara Co.
- * 2nd Ranking Republican
- * Owns surveying business with four employees
- * Married, three children

State Representative Glenn Grothman, left, has given Robert Welch his endorsement for U.S. Senator.

WHY SHOULD YOU VOTE FOR BOB WELCH FOR US SENATE?

- * In 1950 government took 10% of our income in taxes. Today it takes almost 43%! Welch is the only candidate who has pledged to resign if he raises taxes. Bob Welch has never voted to raise taxes in his entire 10 years serving in the Wisconsin legislature.
- * Today they take away your welfare check if you live with your husband, if you get a job or if you save money. Bob's plan "Welchfare" will eliminate this system.
- * Endorsed by the Milwaukee Police Association. Bob will eliminate the "country club" conditions in many prisons

- * Welch is the only candidate who has a specific plan to balance the federal budget.
- * Welch will vote against the Clinton health care plan.
- * PRO-LIFE Endorsed by Wisconsin Right to Life.
- * Member National Rifle Association.

"Bob Welch towers over other people I work with in Madison. His intelligence, charisma, conservative values and compassionate personality make his an easy choice on November 8th. He is the only person I know in Madison who is capable of changing the way things are done in Washington, D.C."

State Representative Glenn Grothman

"We need a U.S. Senator who isn't afraid to stand up for the common sense we know will work. He is man of integrity and high standards. Bob is a hardworker and a good listener. I encourage all of my friends and supporters to cast your ballot for him on November 8th.

FACSIMILE BALLOT NOTICE OF GENERAL ELECTION NOVEMBER 8, 1994

OFFICE OF THE WASHINGTON COUNTY CLERK TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a general election to be held in the several wards in the County of Washington, on the 8th day of November, 1994, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the November general election, if an elector wishes to cast a straight party vote for all candidates nominated by any party, the elector shall select the party of his or her choice and:

Where lever machines are used, the elector shall depress the lever or button under the party designation of his or her choice printed at the top of the ballot for whom he or she intends to vote.

Where punch card system is used, the elector shall make a punch or a hole in the space designated for the party of his or her choice.

Where marksense system is used, the elector shall fill in the oval next to the party designation of his or her choice.

A straight party vote is a vote for all the party's candidates listed on the ballot, unless the elector casts a vote for a candidate for the same office of another party, writes in the name of a candidate, or applies a sticker. A straight party vote cannot be cast for Independent candidates. If an elector does not wish to vote for all the candidates nominated by one party, the elector shall:

Where lever machines are used, depress the lever or button at the right of the candidate's name. Where a punch card system is used, make a punch or a hole in the space designated for the candidate's name. Where a marksense system is used, fill in the oval next to the candidate's name.

To vote for a person whose name does not appear on the ballot, the elector shall write the name of the candidate of his or her choice in the space provided for a write-in vote. Where a punch card system is used, the elector shall write the name of the candidate, and the office on the ballot envelope.

An elector must vote for Governor and Lieutenant Governor jointly on one ticket. A vote for Governor is also a vote for Lieutenant Governor. To vote for persons whose names are not printed on the ballot, write in the names of individuals of your choice for both offices on the lines provided. A write-in vote for only one person for Governor/Lieutenant Governor will not be counted.

If an elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot card may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After casting his or her vote, the elector shall leave the voting booth, properly deposit the ballot, and promptly leave the polling place.

After an official punchcard ballot is marked, it shall be inserted in the envelope provided so the holes or punches do not show. The elector shall then deposit the envelope containing his or her ballot in the proper ballot box or deliver it to an inspector for deposit.

After an official marksense ballot is marked, it shall be inserted in the envelope provided so the marks do not show. The elector shall then insert the ballot in the voting device, and discard the envelope, or deposit the ballot in the ballot box or deliver it to an inspector for deposit.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

Endorsing Welch's candidacy were County Clerk Marilyn Merten, County Treasurer Fredric Seefeldt, District Attorney J. Dennis Thornton, Register of Deeds Dorothy Gonnering and Clerk of Courts Carol A. Puerling.

"Unfunded mandates from the federal government are a major reason that residents' property taxes keep rising," Seefeldt said. "We know that Bob Welch will work to stop this unfair practice."

Ken Miller, chairman of the Washington County Republican Party, also endorsed Welch.

"As Senator, one of my

top priorities will be working with local officials to make Washington responsive to them," Welch said. "That's why these endorsements are

so important to me." Welch's many other endorsements include the Wisconsin Merchants Federation, Metropolitan Milwaukee Association of Commerce, National Association of Home Builders, Fraternal Order of Police and the National Rifle Association.

Welch, 36, has made deficit reduction and welfare reform the benchmarks of his U.S. Senate campaign. He is the Assistant Republican Leader in the Wisconsin Assembly, where he has served since 1984. He and his family live in Redgranite in Waushara County.

Residents interested in working with the Welch campaign in Washington County should contact Janice Baldock, 677-4260 or Carolyn Boneck, 673-7142.

St. Francis Capital Corporation **Announces 4th Quarter Earnings**

MILWAUKEE -- St. Francis Capital Corporation (NAS-DAQ:STFR), the parent company of St. Francis Bank, F.S.B. recently reported increased earnings for the year and three months ended September 30, 1994.

Net income for the year ended September 30, 1994, was \$8.0 million compared to \$7.2 million for last year. Net income for the three months ended September 30, 1994 was \$2.4 million compared to \$2.1 million for the same period in 1993. Earnings per share were \$1.16 and \$0.35 for the twelve and three months ended September 30, 1994, respectively. Earnings per share for the three months ended September 30, 1993 was \$0.28. Due to the timing of the Company's initial public offering in June, 1993, per share earnings for the prior year is not applicable.

The change in net income for the twelve and three month periods was the result of increases in net interest income, partially offset by decreases in other operating income and increases in general and administrative expenses. The increase in net interest income is primarily the result of the Company's larger base of earning assets during the current year in comparison to 1993. The lower amount of other operating income reflects the lower level of gains recorded during the twelve and three months periods, particularly in the Company's mortgage operations and in the Company's mortgage-backed securities portfolio and options theron, primarily due to the general increase in interest rates during the year. The increase in operating expenses was primarily the result of a higher level of compensation expense.

Total assets September 30, 1994 were \$1.027 billion, an increase of \$214.3 million or 26.4% from the \$812.5 million at September 30, 1993. The growth in assets is primarily reflected in the balance of. loans receivable and mortgage backed and related securities at September 30, 1994, which increased \$96.3 and \$92.7 million, respectively, compared September 30, 1993. The additional assets were funded by an increase in borrowings of \$195.1 million and by an increase in deposits of \$17.9 million. The borrowings were primarily advances from the Federal Home Loan Bank of Chicago and are being used to increase the Company's earning asset base.

Non-performing assets totaled \$7.7 million or 0.75% of total assets at September 30, 1994 compared to \$2.4 million of 0.29% of total assets at September 30, 1993. The increase in non-performing assets was primarily the result of e addition of a single loan of \$5.7 million to the Company's non-accrual loans during the previous quarter. The loan ia a multifamily contruction loan on a 104 unit apartment complex located in Milwaukee, WI. The project is nearly complete and, at the present time, the Company does not anticipate significant losses and believes that its current level of the allowance for loan losses is adequate. The ratio of the allowance for loan losses to non-performing loans decreased to 44.99% at September 30, 1994 from 161.33% at September 30, 1993 as a result of the status of the above mentioned loan.

During the twelve months ended September 30, 1994, the Company originated \$235.3 million in first mortgage loans compared to \$210.8 million in the prior year. However, originations were lower during the three months ended September 30, 1994 compared to earlier in the fiscal year as the higher interest rates reduced the number and amount of loan applications. Originations totalled \$30.9 million or approximately 13% of the total amount for the year. The Company is expecting loan originations to be lower in the upcoming year given the current level of interest rates. During the year, the gross amount of first mortgage loans held in portfolio

increased to \$357.0 million from \$275.3 million. In addition, the Company realized a net increase of \$20.5 million in home equity and consumer loans for the year ended September 30, 1994.

In a related matter, the Company has determined that it had not properly reported in its unaudited quarterly financial statements, gains and losses on certain financial instruments during the first nine months of the fiscal year. The net effect of the revised reporting was a decrease in the net earnings previously reported in the first nine months of the fiscal year of \$490,000 or

\$0.07 per share. As recently announced, the Company completed its most recent share repurchase program during October, purchasing 328,948 shares, or 5% of its outstanding common stock at an average price of \$17.62 per share. The repurchase program began in Mid-August after regulatory approval had been received and 146,500 shares were purchased by September 30,

Approximately 155 people attended a lunch with Attorney General Candidate Jeff Wagner on October 14, from 12 to 1:30 p.m. at the Spectrum in Fond du Lac. Shown above, left to right, are U.S. Congressman Tom Petri, Candidate Jeff Wagner, 53rd Assemblywoman Carol Owens and Town of Osceola Supervisor Tom Thompson, Also in attendance was N.R.A. C.E.O. Wayne LaPierre, State Representative John Dobyns, Washington County District Attorney Dennis Thornton, Green Lake County District Attorney Jim Camp and Green Lake County Sheriff Lance Bucholtz.

Bucholtz, on behalf of the Green Lake Sheriff's Dept., gave his endorsement of Candidate Wagner as did Wayne LaPierre of the National Rifle Association, who stated Wagner's views on crime are the same as the long standing views of the N.R.A. Punish the criminal, not the law abiding gun owners. Congressman Petri also favors Wagner's tough-on-the-criminal position, stating people who commit crimes must be held accountable for

Wagner's tough-on-crime message contained facts and figures on the runaway crime rate and how the current justice system is not working. He stressed stiffer jail sentences, capital punishment, and changing the juvenile code, as effective deterrents against crime, not more laws which are continually taking away our constitutional rights.

State Representatives Carol Owens, 53rd District, and John Dobyns, 52nd District, gave Wagner their support because of his strong stand against crime and because he is a supporter of constitutional rights.

Deer Hunt '94 To Air Nov. 9

MADISON -- Deer hunters interested in getting answers to questions on deer management, regulations and this fall's hunting opportunities should tune in to "Deer Hunt '94," a special edition of the public television show "Outdoor Wisconsin" to be broadcast from 7 to 8 p.m. Wednesday, November 9.

This is the fourth annual deer hunting special sponsored by WMVS - Channel 10 in Milwaukee and the Department of Natural Resources. The program will air on all public TV stations in Wisconsin, including Channel 10-Milwaukee, Channel 38-Green Bay, Channel 31-La Crosse, Channel 36-Menominee, Channel 36-Park Falls, Channel 20-Wausau, and Channel 21-Madison.

The program will feature segments on the outlook for the upcoming gun deer hunting season that runs November 19 through 27, new initiatives to involve the public in deer management, managing deer in northern forests, deer damage abatement programs, opportunities for hunters with disabilities, and hunting safety and regulations.

"Outdoor Wisconsin" host Dan Small will anchor the special, which will originate live from WMVS's Milwaukee studio. Small will conduct live interviews with DNR wildlife managers, researchers, law enforcement authorities, and district personnel concerning the state's white-tailed deer herd and the upcoming gun deer season.

As in previous years, DNR specialists will be on hand to answer questions phoned in by viewers, who may call a special toll-free number, 1-800-221-1036. Last year, thousands of calls were received from viewers in Wisconsin, Minnesota, Illinois, Michigan and Iowa.

will square off in a Division 1 state semifinal match on Thursday, with the winner to face either Waukesha Catholic Memorial or Green Bay Notre Dame in the title con-

In Division 2, it will be Waupun Christian taking on University School in one semifinal game, with that winner facing the winner of the other semifinal pitting Racine Prairie against Sheboygan Christian.

Championship matches in WISAA soccer will be played Saturday at Milwaukee's Valley Fields. The Division 2 title game will be at 1 p.m., with the Division 1 match immediately after.

Falls Advances To State Meet

By Statesman Sports Writer

KIMBERLY - The Eastern Wisconsin Conference will be represented in the WIAA State Volleyball meet this year.

That is thanks to Sheboygan Falls' victory in the Kimberly Sectional on Saturday afternoon. The Falcons, co-champions during the EW regular season with a 10-2 record, outlasted three other teams in gaining the state berth.

Falls finished with a perfect 3-0 record in the roundrobin competition. The Falcons beat Berlin (2-1), Seymour (1-2) and Luxemberg Casco on their way to state.

Other Division 2 schools qualifying for the state tournament included Black River Falls, Platteville, and Waupun. Waupun eliminated Kewaskum in Regional action, and is the Division's top-ranked team.

In Division 1, West Bend East is looking to defend its state title from a year ago, and will be joined at the state meet by Wausau West, Kaukauna, Tomah, Kenosha Tremper, Fond du Lac, and Wauwatosa East.

In Division 3, it will be Mondovi, Oostburg, Wausaukee and Iowa Grant looking for a state title, while Turtle Lake, Pecatonica, North Crawford and Greenwood will vie for the Division 4 crown.

Mathias Named Co-Defensive Player of the Year Four Indians Named to All-EW First Team

By Statesman Sports Writer

KEWASKUM - It takes big efforts from several individuals in order for a team to perform at a high level. Perhaps that best explains the correlation between the success of the Kewaskum football team and their representation on the Eastern Wisconsin Conference's all-conference first teams.

As the Indians' success on the field has increased in recent years, so has their prevalence on the all-EW elite team. And for the second straight year, the Indians had one of their players selected as a conference Player of the Year.

Senior defensive lineman Andy Mathias was named the EW's Co-Defensive Player of the Year after a stellar campaign. The 6-2, 280-pound workhorse was a main reason the KHS defense was among the conference's best.

Also named to the first team defensive unit were KHS's Joe Rettler, a junior linebacker, and Tim Strigenz, a senior defensive back. Junior Brian Butschlick also

made the first team as the EW's best punter.

Rettler came up with several big plays for the Indians over the course of the season, but was still respected enough by conference coaches to warrant first-team consideration.

Butschlick averaged almost 40 yards per kick, an impressive figure for a high school kicker. The versatile junior also was a backup quarterback for the Indians, and will likely assume the starting signal-caller spot next season.

Several Indians were named to the second unit as well. On offense, guard Jason Schmidt, tackle Eric Beck, and running back Cory Rammer were named to the second team, while Rammer (halfback) and Craig Erdmann (linebacker) were named to the all-EW second team defense.

Schmidt and Beck helped pave the way for Rammer and the other KHS backs with big holes up front. That allowed Rammer to rush for over 450 yards, and score six touchdowns on the season.

Several Indian players received honorable mention in the balloting. Among those considered were quarterback Dan Survis, fullback Rich Farchione, end Paul Reis, defensive end Matt Wiedmeyer, and defensive back Ryan Herman.

Three KHS Spikers Named to 2nd Team

By Statesman Sports Writer

KEWASKUM - After a roller-coaster type of year in the Eastern Wisconsin Conference, the Kewaskum volleyball team had to settle for fourth place in the circuit.

And because of that inconsistent play, the Indians were unable to land a player on the conference's all-first team. KHS did, however, land three inviduals on the second unit.

Senior Mary Yahr led the way for the Lady Indians, earning her second straight second-team all-conference honor. Yahr was the Indians' most consistent performer, scoring a total of 95 points on the season.

Yahr did not lead the Lady Indians in offensive points, however. That honor went to junior Kelly Schreffler, who was also named to the second team Schreffler scored a total of 109 points, placing her third in the conference scoring charts.

Senior setter Shelly Williams didn't take a back seat to any other player in the EW, as she led all conference players in the serving department. Williams made good on all 158 of her service attempts, thus ranking first in the EW.

The conference's first team consisted of two players each from co-champions Sheboygan Falls and Two Rivers. Falls placed Lindsay Specht and Kris Kemmler on the elite squad, while the Raiders were represented by Kristin Stechmesser and Angela Gates. All are seniors, with the exception of Stechmesser, who is a sophomore.

Cybil Corning, a senior from New Holstein, and Lori Stefeen, a senior from Kiel, rounded out the first team.

Others named to the sec-

ond unit included Two Rivers' Kristy Meyers and Jamie Detjen, Sheboygan Falls' Kristin Mulder and Chilton's Denise Woefel.

Players given honorable mention in the voting included New Holstein's Kara Krumenauer, Mindy Schmitz and Becky Haens-gen, Plymouth's Melissa Goelzer and Carmen Kober, Chilton's Chyanne Kapitzske, and Kiel's Angie Meyer.

Plymouth Eliminated In WIAA Playoff Action

By Statesman Sports Writer

PLYMOUTH - It was a quick exit for the Plymouth Panthers and the Eastern Wisconsin Conference in the WIAA football playoffs here, last Tuesday night.

The Panthers were shut out by Menomonee Falls 26-0, thus eliminating the EW's regular season champions from the post season. Plymouth finished the season with a 9-1 record.

Falls, meanwhile, went on to defeat Sussex Hamilton in second-round matchup, 24-14, thus sending the Indians into the Division 2 semifinals this weekend. Falls (9-2) will face Cudahy (11-0) in one semifinal, while Menomonie (11-0) and Marinette (11-0) will square off in the other Division 2 battle.

In Division 1 action,

Hartland Arrowhead continues its quest for a second straight title when they face DC Everest (10-1) in one semifinal, while Muskego (11-0) and Kenosha Tremper (9-2) will vie for the other spot in the finals.

Mayville is also still alive in its search for a state title in Division 4. The Cardinals opened with an impressive win against Elkhorn, 48-0, and followed that with a 41-121 victory over Reedsville. The Cardinals will take on Brodhead-Juda (11-0) this weekend, with the winner to face the winner of the other Division 4 semifinals pitting Baldwin-Woodville (10-1) against Marathon (9-2).

All of the six Divisional final games will be played next weekend at Madison's Camp Randall Stadium.
