1994 Outstanding Conservation Farmers Named

Pat Murphy, Roger Neumann, Robert Etta, Rita Etta and Lloyd Etta. (Not shown - Jeff Meyer)

The Kewaskum Kiwanis have named Jeff Meyer and Lloyd, Rita, Bob Etta as their 1994 Outstanding Conservation Farmers. This award has been presented annually since 1958 to family farms in the Kewaskum area who have demonstrated a commitment to soil and water conservation. The award is presented as part of the Kiwanis Farm-City Week celebration. Farm-City Week is an effort by the Kiwanis to emphasize the importance that agriculture plays in our local economy.

Jeff Meyer operates a 75 cow dairy operation in Section 17/18 of Kewaskum. Jeff's father, William, received this same award in 1982. When Jeff took over the operation of this farm he chose to maintain the 21 acres of contour strips and 1100 feet of grassed waterways which existed on the farm.

This summer Jeff reconstructed the waterway outlet and lined it with stones to allow crossing by heavy equipment. To complete the farms conservation system, Jeff built a roof over the barnyard area and constructed a diversion above the buildings. The practices keep clean water from mixing with the barnyard manure.

Jeff also agreed to construct a manure storage structure to safely contain manure from the dairy barn and yard area. The storage unit has a 5 month capacity which prevents manure from being applied onto frozen ground when runoff is most likely to occur. The stored manure is

applied to the cropland according to a nutrient management plan which maximizes the value of manure as a fertilizer. A prescription manure application is made on each field to meet its specific fertilizer needs. The net result is less money is spent on commercial fertilizers and the over application of nutrients is prevented.

Lloyd, Rita and Bob Etta operate a 100 head dairy operation in Section four of Kewaskum. The Etta family has been on this farm for three generations. The centerpiece of the Etta's conservation system is a barnyard runoff control project completed this summer. The barnyard has been surrounded with a concrete retaining wall. The wall makes scraping the lot more efficient and prevents manure from being washed off of the yard and into a nearby ditch during rain storms.

The water which falls on the barnyard is directed through a grass filterstrip to remove bacteria and nutrients picked up from the lot manure. Additional roof gutters and underground outlets near the barnyard keep clean water from entering the lot and mixing edges of some crop fields. These buffers filter sediment and nutrients from the runoff water reducing the amount of pollutants that reach the Milwaukee River. Ettas have controlled soil erosion on their cropland through use of reduced tillage and hay in rotation.

Struggle to Preserve St. John of God Church Buildings Continues

By Sharon Callaway Roznik

Many decades have passed since Irish immigrants settled the area of Wisconsin, now known as Boltonville in the Town of Farmington, yet controversy over the preservation of some Irish-Catholic ruins has captured the attention of historic and ethnic organizations from across the

state.

St. John of God Mission Church on Highland Drive, is built on a parcel of land donated to the church by William Riley in the 1860's. Riley was one of five brothers who established farms in the area - sons of Irish immigrants Patrick and Ann Riley.

Ann moved her family of seven children into Wis-

consin in the 1840's, after her husband died in New York, and took on a government land grant in the Town of Farmington. A small, Irish community had formed there as indicated on a plat map of the area in 1859. Names like McCormick, Murphy, Enright, Campbell, Kenny,

Senior Citizen Holiday Meal

The Kewaskum High School Key Club will present a holiday meal for area senior citizens on December 18, 1994. Serving will be in the Kewaskum Middle School cafeteria from 11:00 a.m. until 1:30 p.m. All area senior citizens are invited to attend. The menu includes turkey, dressing, mashed potatoes, gravy, cranberries, vegetables and dessert. There will be no charge.

Key Club is a Kewaskum High School organization dedicated to community service. It is the high school branch of Kiwanis International.

Christmas Concert At High School

The KHS music department is busy planning and preparing for its annual concert of holiday music. The date chosen is Wednesday, December 21, beginning at 7:30 p.m. in Rose Hall (the auditorium).

Music of all styles will be performed, classic and traditional songs as well as some newer arrangements of the oldies. The performing groups at Kewaskum High School will perform in the following order: Concert Band, Treble Choir, Symphonic Band and Concert Choir.

The musicians of KHS sincerely hope to see you at this concert. Admission is free, so turn off your TV, get in your car and drive to the high school for some good Christmas music.

New GTE Switching System In Service Dec. 13 Here

The information super-highway will have a new on-ramp at Kewaskum December 13 when GTE activates a state-of-the-art digital telephone switching system to serve the "626" exchange.

The Kewaskum installation is part of GTE's program to invest \$300 million over five years to complete a statewide digital telecommunications network.

"By installing this system, GTE provides Kewaskum with a new telecommunications advantage...enhancing customer service and supporting economic development in the area," said Dean Scheel, GTE Local Manager.

Kewaskum customers will now have access to several new features, including extended Community Calling, Custom Calling Services, and International Direct Dialing.

Extended Community Calling (ECC) will be available from Kewaskum to Allenton, Eden, Hartford, Jackson, Lomira, Newburg, Random Lake, Slinger, Thera and Waubeka.

ECC is a calling plan providing seven-digit dialing to communities that are both adjacent to and within 15 miles of the caller's area. Customers receive a discounted rate of 5 cents per minute any time of day on these calls. That is a 60% savings over the long distance rates charged previously.

ECC will also be available to Cascade at a future date. Customers will be notified as that service becomes available.

"Besides providing the latest state-of-the-art equipment, the capacity of this system's computers will allow us to offer custom and specialized services not previously available," continued Scheel.

The computer's large memory capacity provides optional Custom Calling features, including Call Waiting, Three-Way Calling, Call Forwarding, and Speed Calling, as well as many

other advanced calling services.

- Call Forwarding allows customers to transfer their incoming calls automatically to any telephone number they choose, local or long distance.

- With Three-Way Calling, customers can talk to two other parties at two different locations at the same time.

- Call Waiting informs a customer via a soft, short tone that someone else is trying to call them when the phone is already in use. Without losing the first call, the customer can switch back and forth between the two calls.

- Speed Calling automatically dials pre-programmed local numbers when customers simply press one or two digits on the telephone.

More information on these and other Custom Calling features is available by calling GTE at 1-800-346-4300.

International Direct Dialing (IDD) will also be available. IDD allows a customer to direct-dial calls to foreign countries. Dialing instructions are provided in local telephone directories.

Installation of the new equipment will benefit Kewaskum customers by providing equal Access service in early 1995. Equal Access allows customers to select a "preferred" long distance company for handling "One-Plus" direct-dialed calls to points outside GTE's serving area. Customers will be notified when Equal Access is available.

The new system uses digital technology. Its self-diagnostic capability can quickly pinpoint trouble, allowing repairs to be made faster -- often before the customer notices any problem.

The digital process also virtually eliminates unwanted electrical and background noise, making telephone conversations clearer. The system requires less floor space and operates more efficiently than previous systems.

Testing of the new equipment has been under way for several weeks to ensure a smooth changeover.

"We're confident that this technologically advanced system will meet the future communications needs of our customers," said Scheel.

The Kewaskum exchange serves over 2300 customer access lines. GTE serves approximately 428,000 customers in more than 560 communities in Wisconsin. The corporation is the largest U.S.-based local telephone company and the second largest cellular service provider in the United States.

Blood Drive at St. Joseph's

St. Joseph's Community Hospital's Medical Explorers and the Blood Center of Southeastern Wisconsin are hosting a blood drive Tuesday, Dec. 27, from 10:00 a.m. to 3:00 p.m. in the hospital's fourth floor east conference room.

Medical Explorers, sponsored by St. Joseph's Community Hospital, is an opportunity for high school students interested in health-care careers to become familiar with medical professions through hospital tours, guest speakers, discussions, projects, meeting hospital personnel and working closely with qualified hospital advisors.

Refreshments will be served. For more information, please contact Sue Hamilton at 334-8242.

Senior Citizens Christmas Party at Meal Site Dec. 20

December 20th will be our annual Christmas party for Washington County Meals for Senior, Kewaskum site, located at Meadowcreek Apartments, 1119 Roseland Drive. Ann Thill and the "Sweet Sixties" will entertain from 11:00-12:00. A social hour will start at 10:30 and dinner served at noon.

Meals for Seniors are available to all persons over 60 and their spouses. Meals are served on Monday, Tuesday and Thursday at 11:45. Reservations for dinner must be made one day in advance by 12:30 calling 335-4497. Reservations for the Christmas party must be made by December 15.

The purpose of the Meal Site is to provide a hot, nutritious noon meal as well as an opportunity to meet with friends and neighbors or to make new friends in the community. The meal site offers ceramics class on the 1st and 3rd Tuesday at 10:00. Cards are played at 10:00 all three days the site is open. Bingo is played twice a month.

We look forward to seeing you December 20th at the Christmas party.

Stroke Club to Meet Dec. 8

The next Stroke Club meeting for Washington County community members will be held on Thursday, Dec. 8, at 1:30 p.m. in the 2nd floor conference room at the Cedar Ridge Retirement Campus. Cedar Ridge is located at 113 Cedar Ridge Drive, just off of Scenic Drive in West Bend.

Rev. Tom Townsend will be presenting "Looking for Meanings in Our Hurts."

The Stroke Club is for people who have had a stroke, their families or for those who provide care to stroke patients. The Washington County stroke Club is presented by the Cedar Haven Rehabilitation Agency and the American Heart Association of Wisconsin. For more information, call Cedar Haven at 334-1486. Those needing assistance in arranging transportation to the Stroke Club can call the Washington County Office on Aging at 335-4497.

Heberer Bros. at New Location

Heberer Brothers Construction Company recently moved into their new location at 9340 Hwy. 45 north, Kewaskum. Previously situated where the new Dairy Queen is being built, the Heberers sold that plot of land to Jerry and Nancy Mehring of West Bend, in order to relocate on land they purchased from the Village of Kewaskum about three years ago. The company utilized the old town garage as their new building, which is approximately the same square footage as their last warehouse. The brothers, Bill, Roger and Norm, plan on adding an office and showroom sometime next year.

Legion Auxiliary To Meet Monday

Robert G. Romaine Auxiliary of American Legion will meet Monday, Dec. 12 at 8 p.m. in the Legion Hall on Fond du Lac Avenue in Kewaskum.

We will be packing our Christmas packages to send to the Veterans Hospitals. A short business meeting will be followed by a Christmas Party.

This is the Diamond Jubilee of the American Legion Auxiliary... seventy-five years of service to veterans and their families.

If you have a veteran in your family, come join us. We need help to service all the hospitals and veteran's needs.

Rohrer Wins Tournament

Club West Limited of Neenah held their annual Holiday Junior Tennis Championship Tournament recently. This is a United States Tennis Association sanctioned tournament.

Melissa Rohrer, a senior at Kewaskum High School, won first place by beating Renee Horswill of Marshfield, 6-3, 6-0.

Rohrer's power and placement, along with strong net play, helped to defeat a powerful Horswill. In earlier matches, Rohrer beat Jenra Larson 6-1, 6-0 and Stephanie Krebs, 6-0, 7-6.

Oh so happy and so bright.

There is perfect joy and beauty,

In this everlasting light.

All the pain and grief is over,

Ever restless tossing passed.

I am now at peace forever, Safely home in Heaven at last.

We love you and miss you. Mother Mathilda, brother Syl and sisters Evelyn and Delores.

Letter to the Editor

Letter to the Editor:

Bravissimo to Holy Trinity, Living Waters and Peace Church Congregations for the meaningful Thanksgiving Eve Service. It was truly an event for which we all can be thankful, watching all of us gathered together under one roof, under one God. We sang, we prayed, we heard a thoughtful sermon, we stayed afterward for fellowship in the truest sense of the word. Everyone present agreed that we should make it an annual affair. As we look back on our year of 1994 in Kewaskum, and murmur through the days of 1995, perhaps this service will spur us on to say thank you to each other more often. And I will start the ball rolling by saying THANK YOU, KEWASKUM for making Thanksgiving 1994 so special.

Sincerely,

Margaret (Mugs) McFadden

St. John of God

(Continued from Page 1)

McKee, Long and Leggy, were just a few of the 50 pioneer families that chose to develop a religious educational system for their descendants.

Surrounded by a population made up of primarily Germans, linguistic and cultural differences led the Irish Catholics to form their own congregation, rather than join the one dominated by their German neighbors. Father Patrick Bradley was credited for this formation, and in 1859 they erected the first substantial structure of the St. John of God Catholic Church, a cream city brick building 31 x 49 feet, and valued at \$2,000.

The church we see standing today was built in 1890, a cream brick Gothic Revival building three bays wide by four deep, resting on a fieldstone foundation. Many of the bricks were salvaged from the previous church, and each stained glass window was dedicated to a family in the parish. The pews in the interior appear to be original, as is the decorative woodwork on the choir loft and altars.

Father Casper Rehrl became involved in the history of the church when he arrived in Wisconsin from Austria in 1845, and set out building churches and schools from Milwaukee to Green Bay. Traveling as a pioneer missionary, he served more than thirty parishes in a 170 mile circuit at one time, and founded the congregation of St. Agnes and the American Sisterhood in Fond du Lac. They were assigned to teach religion and schooling before the area had developed any public schools.

Rehrl served as priest for St. John of God from 1866-1869, and it is assumed he was instrumental in establishing the convent and school on parish grounds, and was perhaps the architect of the structures.

The Sisters of St. Agnes were assigned to teach at the new school, and were housed in the convent, both built sometime between 1870 and 1880. The convent also boarded some pupils and held classes for the parochial school children. The fieldstone walls were constructed 18 inches thick, containing over 36 dressed quoins as cornerstones. There were two windows on each floor on both sides of the rectangular

building, with one door centrally located on the south wall. A decorative cross of dressed stone protrudes from the wall above the doorway, which can still be seen today, although the ruin is completely without ceiling beams, roof or floors.

The separate schoolhouse is similar in design, but single story, with fewer cornerstones. Its original purpose was a shelter used for teaching the public and parochial school students of the Farmington area. Both buildings are significant as examples of pioneer architecture using indigenous materials, and were built by volunteers from the community, a cooperative venture between members of the parish and their neighbors.

What is unique about the educational setup surrounding St. John of God is the fact the church leased a public school parcel to the school district, and the church and district cooperated, engaging the Sisters of St. Agnes to teach both public and parochial school classes in the separate buildings. This lasted for several years, until the county Superintendent of Schools objected to the Sisters teaching in a public school, and it was discontinued.

Through the years the parish began to dwindle in number, and by 1883 it was no longer feasible to continue the Catholic School. Many of the families moved to other areas, and the Irish community grew smaller. Professor D. Huehner, Associate Professor of History at UW-Washington County states, "the Irish were among the earliest settlers in the Town of Erin, Addison, Trenton, and Farmington," and as more settlers arrived, the Irish either sold their lands to move on, intermarried, or died off.

Today the fate of the remaining ruins of the small Irish mission are in the hands of parishioners at St. John of God. After years of controversy over insurance liability, church members voted 61-46 this past June, to demolish the buildings. Ironically, the insurance coverer was agreeable to stabilization of the walls, with cost estimates ranging from \$10,000 to \$25,000 for both buildings.

Although the small mission church has no funding for a project like this, a group of parish members whose ancestry dates back to origin of the community and the school, has agreed to raise monies to save the historic landmark, which was nominated in 1979 to the National Register of Historic Places. In the process, this group has formed a Farmington Historical Society, with members

The old convent still displays the stone cross on the wall above the doorway.

such as Marcia Theusch, Ann Enright, Kerry Fay, and Mary McKee, and have offered to purchase the 50 x 200 foot strip of land the buildings occupy and assume any financial responsibility.

Although the insurers were concerned about the risk of possible falling stones, if the area is cleaned up, they will accept the buildings as they are for the present, providing more restoration work is done in the future. Still the church continues to halt any acts of preservation at this point.

Boltonville resident Ann Enright emphasizes the significance of the unusual church/state union. "They were the only Irish built parochial buildings used for public instruction in all of southeastern Wisconsin," and advocate Marcia Theusch adds, "Washington County is growing and changing so fast, it would be a shame to lose any more of our past; in fact it's even more important now to preserve it."

Letters of support have poured in from such notables as the Irish Genealogical Society of Wisconsin; Historic Restoration Specialists; college professors, the Washington County Historical Society, and the Shamrock Club of Wisconsin, to name a few.

William P. Maher, editor of the Irish Genealogical Quarterly of Wisconsin, writes, "The sacrifices of your immigrant Irish ancestors, their hopes, their dreams, and their trust in God are somehow molded in the remaining portions of the roofless, gutted, small stone buildings that some are ready to erase." These ruins have a socio-historical significance and it is essential they remain to remind us of the many hardships that were endured by early Irish immigrants to Wisconsin."

Ideas often flash across our minds more complete than we could make them after much labor.

Deterioration of the 18 inch thick stone walls is evident from the back of the building.

County Separated, Divorced to Meet

The Washington County Separated and Divorced Men and Women Support Group meets every Friday evening at Sacred Heart Church in Allenton, from 7:30 to 9:30 p.m.

The purpose of the meeting is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and activities.

This group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

On December 9, the program will be "Turn Your Hobbies Into Dollars," with Bob Koehler.

"Computers, What to Buy," will be presented by J.R. Manning at the December 16 meeting.

Eye muscles may move an incredible 100,000 times or more a day.

WDA Urges Local Dentists to Be on Alert

Recent Dental Office Break-ins May Involve Thefts of Nitrous Oxide

MILWAUKEE, WI -- The Wisconsin Dental Association (WDA) has urged area dentists to be on the alert in the wake of recent break-ins at dental offices in Southeastern Wisconsin.

"There have been some recent break-ins at dental offices in Southeastern Wisconsin. The thieves apparently are stealing nitrous oxide containers from the dental offices," said Steven Lindstrom, D.D.S., president of the WDA.

"Nitrous oxide is safe and effective for use in the dental office under the direct supervision of a trained dental professional. It can be harmful if used inappropriately or without the supervision of a trained dental or medical expert," Lindstrom said.

According to some recent news reports, nitrous oxide is popular at "rave" parties for "getting high."

Lindstrom cautioned local dentists to be aware of potential new patients who call and ask if their office uses nitrous oxide. He urged local dentists to have their staffs "record the date, time and phone line, if such inquiries are made. Contact local law enforcement officials in your area to report any such inquiries. The information may be

helpful to the police."

Lindstrom said the WDA and the local dentists are cooperating with the local law enforcement agencies investigating the break-ins.

Under state and federal laws, only trained and certified dental and medical professionals are authorized to administer nitrous oxide.

According to Peter Jacobsohn, D.D.S., and an associate professor at the Marquette University Dental School, a combination of oxygen and nitrous oxide is used in the dental office for sedating patients during dental procedures. Nitrous oxide acts as a mild depressant on the brain and central nervous system when used in conjunction with oxygen in therapeutic amounts, he said.

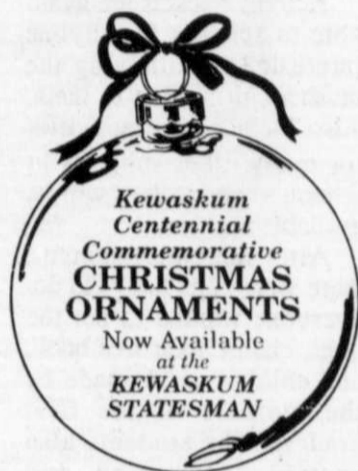

If used inappropriately, nitrous oxide can disorient an individual, resulting in falls that may cause serious injury. Nitrous oxide used inappropriately also can result in

death by suffocation.

The WDA, established in 1870, is the largest organization representing dentists in the state. Headquartered in Milwaukee, the WDA represents more than 2,700 dentists statewide.

January Rainbows Program Offered

The Youth and Family Project is pleased to announce that beginning in January, they will be offering the Rainbows Program in the Kewaskum area.

Rainbows is a 14-week, peer support program for children, ages pre-school through 13 years of age, who are living in single parent families, step-families or families that are going through painful transitions.

Rainbows is a not-for-profit program that offers support for children who have suffered the loss of a parent either through death or divorce. Even though death or divorce appears to be a grown-up problem, it does have a profound effect on the children that it touches. Because of a child's age and short life experience, children often find it extremely difficult to verbalize those feelings.

Rainbows will be a wonderful opportunity for him/her to share with a special someone what is happening in their lives. Presently, Rainbows will begin in January and will run for a total of fourteen consecutive weeks.

Rainbows will be held at the Holy Trinity School, Monday evenings from 6 to 7 p.m. Anyone interested in learning more about the Rainbows program or wanting to register their child, please call Joy Breese at 338-1661.

Holy Trinity Guest Shares Iditarod Experiences

Nancy Russell, Kipp and Snickers

The sled used in the Iditarod

Nancy Russell, of Colgate, Wisconsin, brought one of her malamutes, "Kipp," and an Alaskan huskie, "Snickers," to Holy Trinity School on Monday, November 14, to tell the students about her experiences in running her dogs in the Iditarod.

She kept the students, grades one through eight, spellbound for an hour.

The Iditarod, begun in 1973, commemorates the event of 1925, when serum was rushed over the Iditarod Trail to a town beleaguered by diphtheria. The trail, from Anchorage to Nome, runs over two mountain ranges,

and is about 1,100 miles long.

At that time, malamutes were the hardy natives who could withstand the violent crags and windswept tundra of Alaska. Since the race began, 21 years ago, these dogs were replaced by their swifter cousins, the Alaskan huskie.

Nancy's team was run by Jamie Nelson, a musher from Minnesota. She had to bow out after 600 miles because of the dogs' sore paws. Nancy said the dogs were more for show than snow, but it proved their endurance. Much Alaskan history was

relayed - such as when an Eskimo is no longer useful to society, they wander off to a remote place to be killed and eaten by wild animals like the polar bear.

A famous children's author, Gary Paulson, tells of similar experiences when he ran the Iditarod, in his book, *Dog Song*.

Entering the race runs into thousands of dollars, but the winner receives \$50,000. Last year's winner was Martin Busar.

Activity packets are available to schools for anyone interested in following the mushers, or writing to them. Also included are activities for many other subjects in school. These packets will be available next year.

After the entertainment, there were three things to do: everyone wanted to pet the dogs, choose their free book, and enjoy a snack made by the mothers of the first graders. The students also examined the sled and numerous other articles displayed which were necessary equipment for the race. Choosing their book was the best part of the day.

This was the first of three distributions for the current school year. Holy Trinity's Home and School and parent volunteers make this program possible.

Middle Schoolers Score Big in Quiz Bowl

KEWASKUM MIDDLE SCHOOL QUIZ BOWL TEAM - Row one, left to right: Becca Cartwright, Jacki Broecker, Kathryn Schneider, Colleen Gosa, Melissa Nickel. Row two: Kevin Miller, Andrew Stiff, Greg Guelig, Cassandra Steffen, Lauren Nelson, Megan Hammen. Row three: Dan Kletti, Dan Mertz, Dustin Melzark, Troy Kedroske, Josh Stangl, Josh Krahn, Mr. Uhlman, Aaron Boyd.

The results of the sixth grade "Thinking Cap Quiz Bowl" are in and sixth graders from Kewaskum Middle School did an exceptional job.

This is the first year that the middle school has participated in Quiz bowl. The team, made up of 18 students from sixth grade, was coached by Erv Uhlman. The competition was done interactively on a computer and the team competed with 407 other fifth and sixth grade teams.

The team finished 13th! Congratulations to Colleen Gosa, Melissa Nickel, Josh Krahn, Dustin Melzark, Cassandra Steffen, Greg Guelig, Becca Cartwright, Dan Kletti, Kevin Miller, Josh Stangl, Aaron Boyd, Andrew Stiff, Troy Kedroske, Megan Hammen, Lauren Nelson, Dan Mertz, Kathryn Schneider and Jacki Broecker.

Thinking Cap Quiz Bowl is part of the Kewaskum School District's gifted and talented program. Students had to answer 100 questions. They earned points for correct answers and bonus points for the speed of their answers. The sixth graders used a practice disk to hone their skills in preparation for competition.

Congratulations sixth graders!

'Suzles' Motivational Messages

Sue Waala, pictured with a variety of the items she has for sale.

By Sharon Callaway Roznik

It was Susan Waala's love for travel that led her to turn thoughts and inspirations into her own personal business based on a collection of motivational writings.

It began innocently enough when her three daughters, Andrea, April and Brooke, began entering competitions in roller-skating. Sometimes emotions ran high, leading to tears of disappointment on little girls' faces, and Sue started jotting down short verses on index cards to hand out to those kids that needed a little boost. She tried to instill the message that winning isn't everything, that it was the effort and love of the sport that really was the essence of what they were doing. Her poems began to catch on, conveying certain feelings that hit home and lifted the spirits of those she shared them with.

"I wrote as a child, and always kept a journal," Waala explains. "My ideas just sort of come to me... it's not an effort." She started putting her motivational messages onto greeting cards, originally hiring someone to do the calligraphy. Her work contains over 300 verses, each one derived from a personal letter written to someone. Sue calls her style "motivational/inspirational writing," that touches the heart on a higher level.

Now she works with a

computer, using clip art and scanning of images to decorate her cards. Waala has also hired on her own artist, who works closely with the images she hopes to convey, the illustrations going hand and hand with the message.

Her line has grown from greeting cards to matted prints, T-shirts, photography, and jewelry, while her daughter, Andrea, adds her own talents to the business, creating headpieces, barrettes, and hair scrunchies. These are popular in the skating circuit, used in conjunction with the elaborate costuming worn in competition skating. Her latest creations are teddy bears dressed in skating outfits. A college student in Oshkosh, Waala considers her oldest daughter, "highly motivational." "She'll come home on weekends and stay up 'til 2 a.m. sewing to get ready for an upcoming show."

"Suzles," is the name of her business, which she officially started five years ago. Her brother was being sent to Indonesia on business and before he left he hugged her good-bye and said, "be good Suzles." She knew then she wanted to make enough money to visit him, and was

determined to make a go of it.

Weekends are a time of traveling to shows and festivals, as well as skating competitions. Their items are also sold in a variety of shops throughout the area: Aggie's Gift Gallery in the Cedarburg Winery, The Coffee Trader on Milwaukee's East Side, Rosemeister in the Grand Avenue Mall, Hankersons and Country Rags in West Bend, The Crossroads in Campbellsport, as well as a store in Idaho and Arizona. "I've also been networking on the computer, and I'm finding there's a big market out there. There just isn't enough time in a day to get everything done I want to do," Sue laments.

Her t-shirts have become big sellers, offering two different roller skating designs, two in women's weight training, and one gymnastics theme. "I used to weight train, and the girls dabble in it on and off. A lot of skaters are into it and also gymnastics because it takes so much strength to be in these sports. I also connect skating and gymnastics because it can be done as a team effort, yet, it's still an individual thing, oftentimes done to the

accompaniment of music."

Susan is the kind of person who functions well with many pans in the fire. She also has her own desktop publishing business, offering custom typesetting, "like poems people find in magazines or books and want to frame," flyers, letters, almost anything. "I'll do custom writing, for example, if someone has a special feeling they want to express, I can work with them and put it into verse." She has started a children's book, in the form of a fairy tale, and is compiling a book of writings and photographs of artistic roller skaters, which she keeps trying to work on in her spare time. Also in the making is a calendar with each page containing a "thought for the day." "Sometimes I just have to put everything away, and make myself stop for awhile."

Her newest love is photography, because, as she states, "it's something that can be admired," and has an assortment of framed prints, some from her travels to Mexico. She has a natural eye for balance, working in both color and black and white. Sometime this next year she hopes to form a group of crafters and artists that will get together to give home parties, sort of taking a small scale craft show and bringing it into peoples' homes where they can invite

family and friends.

Her husband Ervin is very supportive of her achievements, and also those of his three daughters. Aside from skating, the girls are talented artists, and their natural drawing and painting abilities have landed them some commissioned works. It all comes natural in the Waala household, and they are very keen on doing everything as a family. Ervin retired last year from his hobby as a modified race car driver, and is now focusing on his love for trap shooting. He owns "Wheel and Tire in West Bend."

"When I'm at shows, people often ask me who does your writing, since most people sell and make the work of others," Sue adds. "My writings are for one person, I think that's why people relate to it. My work is just me... I'm not selling someone else's products."

KHS National Honor Society Induction Ceremony

National Honor Society Present members: Front row - Jake Thull, Sabrina Maul, Rhonda Klesmith, Missy Rohrer, Cindy Kuechler, Suzi Gauwin, Anne Mertz. Second row - Greta Kuphal, Becky Yogerst, Becky Braun, Andrea Bonlender, Chrissy Neuman and Kara Palmer. Not pictured: Weston Duenkel.

National Honor Society New members: Row one - Michelle Thull, Jenny Ebert, Jenny Schmidt, Andy Rix. Row two - Holli Broecker, Kori Chapman, Carrie Krell, Katrina Gilles, Julie Froemming, Heather Reindl. Row three - Cory Rammer, Jenny Plzak, David Gosa, Joe Hawig, Tony Olla, Carrie Stoffel. Not pictured: Laura Dehler and Kevin Klahn.

On Thurs., Nov. 10, Kewaskum High School's National Honor Society inducted nineteen new members. Nine students were inducted from the class of 1995 and ten from the class of 1996. Members are selected by a faculty committee based on high standards of scholarship, service, leadership and character.

The Kewaskum National Honor Society is involved in many service projects. These include selling tickets for the KEYS musical, fundraising for the Kewaskum NHS scholarship, tutoring at school, caroling, and volunteering at a homeless shelter and for the KEYS run.

Officers for the 1994-95 school year are President Rhonda Klesmith, Vice-president Missy Rohrer, Treasurer Cindy Kuechler and Secretary Christine Neumann.

Trees, Trees, Trees!

The Kewaskum High School Band Tree Lot has been a busy place these past few days and many trees have found a good home for the holidays.

How about your home? Does it need a little added festive adornment? Well if it does, look no further. Just drive over to the Kewaskum Mall, find the Booster Club van located under the lights, and check our trees out.

When you get there, you will find Scotch pines for \$14.50 for five feet and under, and \$18.50 for taller than five feet. The White Pine really look great and sell for \$18.50; the Balsam Fir are priced at \$27.00 and up

depending on size and beauty; and the Cadillac of the season, the Frazier Fir sell for \$38.00 and they are gorgeous.

So as you get in the mood of the season, please consider purchasing your tree from the KHS band members.

Director of Public Works, Jerry Gilles reported that the Main Street railroad sanitary sewer crossing has again been jettied. The sludge storage facility is nearing completion and the Department of Transportation contractor to extend the box culvert on Fond du Lac Avenue has moved in to begin work.

Administrator Daniel S. Schmidt reviewed the following with the Board:

- 1) The Board reviewed the budget control sheet for the period ending October 31, 1994.
- 2) Gave an update on the Centennial Committee.
- 3) Reviewed miscellaneous correspondence.

a) Discussed a letter from Marigold Foods, Inc. regarding their 2nd quarter sewer utility bill. They have asked for an audience with the Board, which will be scheduled for December 12, 1994.

Board Representative for the Plan Commission, Trustee David Goeden announced a Commission meeting scheduled for November 22, 1994 at 7:00 p.m.

The Board was informed that the special assessments will be mailed out for the Wildlife Drive project within the next two weeks.

The dollar amounts received by the Department of Transportation for the work on Fond du Lac Avenue (USH "45") were reviewed with the Board. On a motion by Trustee David Goeden, seconded by

Trustee Charles Waala and unanimously carried by voice vote, the Board directed the Administrator to prepare the proper paper to special assess those benefiting property owners accordingly. The public hearing and etc. will take place early in 1995.

On a motion by Trustee Charles Waala, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the posting and possible advertising for the vacant General Maintenance Worker position.

Action was taken on Ordinance No. 94-11 an Ordinance to Amend Chapter 5 - Fire Department regarding Organization as attached hereto:

Action was taken on Resolution No. 94-22 a Resolution to Amend 1994 Village of Kewaskum General Fund Adopted Budget as attached hereto:

Action was taken on Resolution No. 94-23 a Resolution regarding the Establishment of 1994/95 Capital Projects (Capital Outlay) Fund 1995 Budget request.

The Board reviewed the Capital Projects (Capital Outlay) Fund 1995 Budget request.

The proposed 1995 budget was discussed briefly with only a few minor adjustments made. No discussion was held on the Water or Water Pollution Control Budgets because no changes were made or proposed.

The Holiday hours for the Christmas and New Year's Season were reviewed. On a motion by Trustee David Goeden, seconded by Trustee Charles Waala the meeting dates for December and January were adjusted as follows:

December 12, 1994 versus December 5 & 19, 1994.

January 9 & 23, 1995 versus January 2 & 16, 1995.

Discussion was held regarding the use of garage space to construct a Christmas float. It was noted we did not have the room nor has it been Village practice to allow such activities.

On a motion by Trustee Charles Waala, seconded by Trustee David Goeden and carried by the majority roll call vote, to adjourn. Roll call vote was 4 "Aye" 0 "Nay" 3 "Absent."

IN MEMORY

In loving memory of Eileen Perkins, who passed away one year ago, Dec. 5, 1993:

Though her smile is gone
And hands we cannot touch,
And we have so many memories
Of one we loved so much;
Her memory is our keepsake
With which we'll never part,
God has her in His keeping
We have her in our hearts.

Sadly missed by her family.

IN MEMORY

In loving memory of REYNOLD BONLENDER, who passed away, Dec. 6, 1993:

God saw your pain and suffering, but a cure was not to be.

Hard working hands grew weary, when there was no remedy.

God saw a man so full of love who lived for family. He gave us time to say goodbye then whispered, 'Come with me'.

Your heart of gold stopped beating as God called you home to rest.

With tear-filled eyes and grieving hearts, we knew God took the best.

We know your steadfast faith in God helped you accept your fate.

And proved what we already knew, that you were truly great.

Deeply missed by wife, daughter and family.

through 8th grade youth, in a six team format, that has grown substantially in both numbers and enthusiasm in its five year history. The quality of play also continues to improve and for anyone who has not seen a game, you would be pleasantly surprised at the hard contact and play finesse shown by these young athletes! (Who knows which one of these kids will be the next KHS football star?).

Final league standings are listed below along with photos of two of the six participating teams. Space permitting, two more photos will be run next week and the final two pictures will be published the week after.

The Eagles, by virtue of their victory over the Packers in the season finale, qualified for the last playoff berth.

The Cowboys went on to beat the Eagles in playoff game #1, while the 49ers eliminated the Bears in the other semi-final contest. The playoff championship game was won, in a hard fought battle, by the 49ers over the Cowboys, 27-12.

At the conclusion of the championship game, Dean Scheel, "League Commissioner," awarded individual trophies to each member of the 49ers. League MVP's, as selected by the coaches, also received trophies from Dean for their efforts.

Defensively, Jason Strobel, of the Cowboys, earned MVP honors for his consistently tenacious play, and a total of nine interceptions. Offensively, John Immel, of the 49ers, garnered the award with his darting/slashing runs, as well as several long touchdown scores.

A BIG THANK-YOU goes out to all the players, parents, coaches, and the many volunteers that make this league possible!!! Look forward to next year, starting late in August.

Large Crowds Greet Santa, V

Shown above are Chamber of Commerce President Lee Kempf, bottom, and Village Crewman Craig Gruber, top, putting the lights on the traditional Christmas tree located in front of Bank Wisconsin on Fond du Lac Avenue. The sale of the individual lights are used annually to fund the Christmas parade and may still be purchased by picking up a coupon at the Kewaskum Statesman.

The second prize of \$100 was won by the Kewaskum Sno Chief's entry shown above.

Rex Niemuth, left, of West Bend provided his limosine service for the Christmas Parade's Grand Marshalls Village President Bob Wagner, right, and his new bride, Joyce (not shown in photo). Bob also lit the Christmas tree at the annual tree lighting ceremony held by the A.A.L. in front of the municipal building after the parade. Thank goodness Bob only hummed the Christmas carols sung by area church choirs following the tree lighting.

Large groups of many children and the young-at-heart lined Main Street and Fond du Lac Avenue in Kewaskum to bask in the holiday spirit of our Annual Christmas Parade last Sunday evening.

The many beautiful floats, the twinkling lights against the dark evening's sky, the traditional Christmas music, all helped to contribute to a mellow holiday mood absorbed by assorted parade watchers and all seemed pleased by the sights they saw.

Santa and his elves gave out nearly 1,200 small bags of goodies to the delight of the small children who have been eagerly awaiting his arrival.

Prizes were awarded by three local judges to the following: First Prize of \$150 was awarded to the Kettle Moraine Sport Riders; Second Prize of \$100 went to the Kewaskum Sno Chiefs; Third Prize of \$75 was won by Creative Cut of West Bend.

There was a tie for Fourth Prize with two entries receiving the same number of points. St. Lucas Pioneers and Joys of Grooming will both receive a check in the amount of \$50, and Fifth Prize of \$25 will go to the Just Say No Club.

Kudos to all who took the time to place an entry in the parade. This year the points were very, very close which only goes to show the judges

had an extremely difficult time making their choices.

The food drive was again a success as many shared in the holiday spirit by bringing along canned goods which will be donated to area people who are in need.

The costumes have been packed away and the floats have been torn down but that wonderful "Christmas Feeling" remains and hopefully it will stay with all members of the community throughout 1994 and beyond.

Letter to the Editor

Letter to the Editor:

The music of Christmas is very special. When two very talented groups donate their musical talents and time for a

special cause, the true spirit of Christmas is evident. The Kewaskum Youth Scholarships, Inc. (KEYS) would like to publically thank the Moraine Chorus and the Kewaskum High School Swing Choir for graciously donating their time and talent to perform the annual Christmas concert to help raise money for KEYS.

KEYS, Inc. is a on-profit organization established to accept contributions to provide additional scholarships for Kewaskum High School graduates. The support of the Moraine Chorus and Swing Choir musicians for the goals of KEYS is greatly appreciated.

Shown above are Paul and Verna Reindl of Kewaskum in front of their third prize winning float. Paul and Verna are the owners of Creative Cut in West Bend. We're glad they decided to join us this year and hope to see them in future Kewaskum Christmas parades.

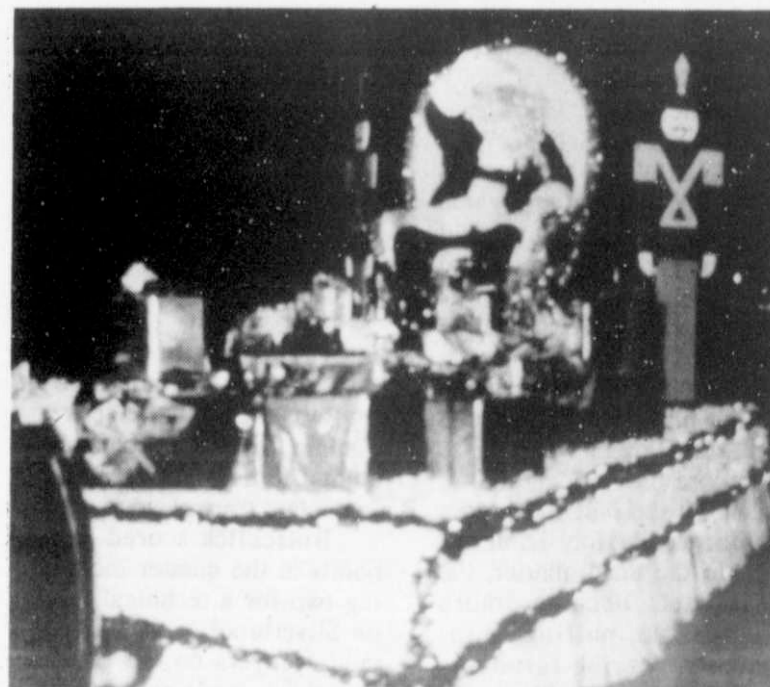

Always one of the favorites among parade watchers is the firemen's entry. Shown above is their newest piece of equipment decorated with hundreds of Christmas lights.

Fifth prize went to the Just Say No Club for their above entry. There was a tie for fourth prize and both entries by Joys of Grooming and the St. Lucas Pioneers will take home the award.

Some of Santa's "little" helpers took time off to march in Sunday's parade.

Bringing up the rear, to the delight of young and old alike, was a familiar face, Santa himself, sitting on the float decorated annually by Regal Ware.

Wildcats Open Season As Tournament Champs

EARLY BIRD TOURNAMENT CHAMPIONS - Front row, left to right: Luke Martin, Jason Gruber, Nick Staehler, Chris Boden, Patrick Bohn, Jason Strobel. Second row: Assistant Coach Tom Timblin, Jesse Boegel, Jason Butschlick, Shaun Timblin, Eric Wenninger, Nick Kallmyer, Jarrod Gruber and Coach Tony Butschlick.

By Louise Martin

The Holy Trinity Wildcats seventh and eighth grade A-team boys basketball team participated in the Early Bird Tournament hosted by West Bend Middle Schools November 28 through December 1. It marked the third year the Wildcats had participated.

Team members on the squad for the '94-95 season are eighth graders Jason Butschlick, Jarrod Gruber, Luke Martin, Shaun Timblin and Eric Wenninger. Seventh grade members are Chris Boden, Jesse Boegel, Patrick Bohn, Jason Gruber, Nick Kallmyer, Nick Staehler and Jason Strobel. The Wildcats are coached by Tony Butschlick and Tom Timblin.

While the team is not dominated by height this season, it is complimented by the quickness, good team effort and smart playing of all the players.

In the opening game of the tournament, Holy Trinity faced the Badger Gold from Badger Middle School, West Bend, at Holy Angels gym.

Experiencing first game jitters, both teams were cold offensively but played good defense as reflected in the first quarter score of Badger 4, Holy Trinity, 3.

Both teams began substituting players in the second quarter. Badger was able to outscore the Wildcats 10-6, bringing the half time score to Badger 14, Holy Trinity 9.

In the third quarter, the Wildcats became more aggressive, pulling in rebounds, forcing turnovers and playing good offense. By the end of the quarter, the score was tied 16-16.

The Wildcats did not let up in the fourth quarter as they continued to play aggressively and intensely. The Wildcats added eight points to their score, four of

which were at the free throw line. The Wildcats held Badger Gold to only two points in the fourth quarter, winning the game, 24-18.

The second game of competition was against the Silverbrook Vikings of West Bend on their home court. The Wildcats were not intimidated even though the Vikings had a few players who towered over the Wildcats.

Holy Trinity gained control at the tipoff. Eric Wenninger scored. Play went back and forth with Silverbrook gaining a slight edge over Holy Trinity. Jason Butschlick and Luke Martin played good defense both blocking passes from Silverbrook. An aggressive Wildcat defense caused several turnovers. The first quarter ended with the Vikings leading 17-12 over the Wildcats.

Two minutes into the second quarter, the Wildcats tied the score 17-all by smart offensive play and good defensive pressure on the Vikings. A steal by Jarrod Gruber, and rebounds by Wenninger and Shaun Timblin sparked the Wildcats. The Wildcats edged the Vikings 22-21 at the half.

Holy Trinity displayed good team effort in the third quarter using Timblin's 5'8" height to go for the score. Timblin was able to score six points from passes received from other team players.

Butschlick scored four points in the quarter including two for a technical foul on Silverbrook who had too many players on the court. Butschlick made an inbound pass to Jesse Boegel who put the ball up for two. The third quarter ended with Holy Trinity in the lead, 39-28.

Holy Trinity continued to play hard, aggressive ball in the fourth quarter. The Wildcats started the quarter

with a pass from Jason Strobel to Wenninger to Boegel who scored. Strobel was able to rebound a Holy Trinity shot and score. The Wildcats passed well and applied pressure on Silverbrook. At the buzzer, Holy Trinity advanced to the championship game by defeating the Vikings, 56-47.

The championship game

was played on Thursday evening at St. John's Lutheran in West Bend against conference rivals St. Mary's Crusaders of Barton.

Starters were Jason Butschlick, Jarrod Gruber, Jason Strobel, Shaun Timblin and Eric Wenninger.

The Crusaders captured the tipoff but did not score. Wenninger was the first to score for the Wildcats. The Wildcats offensive plan seemed to be to get the ball to an open teammate to score and to shut down the Crusaders offensively. The plan seemed to be effective as the Wildcats led St. Mary's 12-6 at the first quarter's end.

Both teams experienced traveling problems in the second quarter. St. Mary's stepped up their defense but the Wildcats were tough, rebounding well and blocking three point attempts by St. Mary's. The Wildcats increased their lead by nine and held the Crusaders to six, reflecting a halftime score of Holy Trinity 21, St. Mary's 12.

Trying to turn the game around, St. Mary's sent Holy Trinity to the charity line nine times during the second half with their aggressive defense. Holy Trinity scored seven at the line. Traveling continued to be a problem for both teams. Increased pressure from the Wildcat defense caused many turnovers on the Crusaders. The Wildcats held St. Mary's to 11 points in the second

half while adding 20 to their final tally. An ecstatic Wildcat bench celebrated a 41-23 victory over the Crusaders at the horn. The win marked the first time Holy Trinity had won this tournament.

Individual scoring for the tournament was as follows: Timblin, 61; Wenninger, 18; Butschlick, 15; Strobel, 13; Boegel, 5; Staehler, 3; Bohn, Martin and Jarrod Gruber each added two. All the Wildcat players demonstrated good team effort and there were many assists that made the scores possible.

Top Wildcat rebounders were Timblin, 26; Wenninger, 21, and Strobel with 10. Timblin led the team with 11 steals, Strobel 9, Wenninger 5, while Jason Gruber and Butschlick each had three.

Silverbrook White placed third in the eight team event. Congratulations to the Wildcats and good luck for a successful season!

It's just about new-calendar time. I'd like to see a small calendar designed to be placed in an automobile - most people spend many hours in a car, and while riding they think and plan. Also, we spend a lot of time in bathrooms - yet one never sees a calendar there, does one?

Adjournment

Dear Readers:

Here we are, week three! Now since some of you probably got so excited about Santa visiting Kewaskum on Sunday at the KEWASKUM Christmas parade, I will run the rules of "The Kool Kewaskum Coloring Kontest" by you again.

1. All entries must be received by January 2nd 1995.
2. At the end of five weeks, the pictures will be judged each week, by area art teachers. So far I have one teacher interested in judging, Sister Janet Heder of

Holy Trinity Catholic School of Kewaskum. I still need one more; if you care to help, call me at 626-2626.

3. The contest will involve prizes in two age groups: three to seven, and eight to eleven. The prizes will be a five dollar gift certificate to Video Square or Video Post of Kewaskum.

4. Please send all entries to:
 THE KOOL KEWASKUM KOLORING KONTEST
 ATT. A.R. KUEHL
 KEWASKUM STATESMAN
 P.O. BOX 98
 KEWASKUM, WI 53040-0098

5. On a separate piece of paper please include:
 Name-
 Address-
 Telephone Number-
 Parents Name-
 Age-
 School & Grade-

The names will be kept at The Kewaskum Statesman; they will not be seen by any of the judges.

6. You don't have to be from Kewaskum to enter our fine contest, you can be from anywhere, from Boltonville to Beechwood and all points in between.

Any businesses interested in sponsoring the page should contact me at The Kewaskum Statesman 626-2626. Also a big thank you goes out to this weeks and last weeks sponsors.

Last week- Video Post, Wm. Timblin Transit, Prime Time Pub

This week-Video Square, West Bend Savings Bank (Kewaskum Branch), Kewaskum Frozen Foods.

Without all of you this would not be possible for the kids! The number of children who participate will help us decide if we should

do things like this in the future, so please participate! Sorry I forgot the article last week, I will try to run at least the rules every week.

8:00 p.m. sharp. Cash prizes. Schmitt's Never Inn.

Thank You!
 A. R. Kuehl

Everyone can sing along with Christmas!

Jingle Bells

Dashing thro' the snow
 In a one horse open sleigh,
 O'er the fields we go,
 Laughing all the way;
 Bells on bobtail ring,
 Making spirits bright,

What fun it is to ride and sing
 A sleighing song tonight!
 (chorus)
 Jingle bells, jingle bells!
 Jingle all the way!
 Oh, what fun it is to ride in
 A one horse open sleigh!

St. Lucas School Receives Grant

Appleton -- St. Lucas Lutheran Elementary school, has been awarded a \$500 grant for the 1994-95 school year by Aid Association for Lutherans (AAL), a fraternal benefit society based in Appleton.

The AAL Lutheran Elementary School Grant Program is designed to provide in-service training for

Lutheran elementary school faculty. The funds may be used for consultants, speakers, and resource materials. Activities may concentrate on such areas as teaching strategies, classroom organization and management, interpersonal relationships and communication, a teacher's role in the promotion of the school and in ministering to the needs of families.

"AAL is pleased to help teachers in Lutheran elemen-

tary schools to grow in their ability to provide quality Christian education for students and their families."

AAL awards educational grants totaling more than \$3.1 million annually to Lutheran colleges, seminaries, high schools and elementary schools across the country. In this second year of the AAL Lutheran Elementary School Grant Program, a total of \$750,000 was offered to nearly 1,500 schools.

St. Lucas School Receives Grant

Appleton -- St. Lucas Lutheran Elementary school, has been awarded a \$500 grant for the 1994-95 school year by Aid Association for Lutherans (AAL), a fraternal benefit society based in Appleton.

The AAL Lutheran Elementary School Grant Program is designed to provide in-service training for

Lutheran elementary school faculty. The funds may be used for consultants, speakers, and resource materials. Activities may concentrate on such areas as teaching strategies, classroom organization and management, interpersonal relationships and communication, a teacher's role in the promotion of the school and in ministering to the needs of families.

"AAL is pleased to help teachers in Lutheran elemen-

tary schools to grow in their ability to provide quality Christian education for students and their families."

AAL awards educational grants totaling more than \$3.1 million annually to Lutheran colleges, seminaries, high schools and elementary schools across the country. In this second year of the AAL Lutheran Elementary School Grant Program, a total of \$750,000 was offered to nearly 1,500 schools.

Maybe the Buck of a lifetime for Rob Reysen of rural Kewaskum who shot this 12 pointer on the last Saturday of the Gun Deer Season.

submitted by Tracy Reysen

PRAYER TO THE BLESSED VIRGIN

Oh, most beautiful flower of Mt. Camel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me you are my Mother, Oh, Holy Mary, Mother of God, Queen of Heaven and Earth. I humbly beseech you, from the bottom of my heart, to succor me in my necessity. (Make your request). There are none who can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee. (Say this three times). (This prayer has never been known to fail. Say this prayer for three consecutive days, and then you must publish it and it will be granted to you). Grateful thanks.

B.R.

PRAYER TO THE HOLY SPIRIT

Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You give me the divine gift to forgive and forget all evils against me, and in all instances of my life are with me. In this short prayer, I want to thank you for all things, as you confirm, once again, that I never wanted to be separated from you, even and in spite of, all the material illusion I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

(Say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. Prayer must be published immediately after the favor is granted).

B.R.

About 50 percent of the world population is expected to live in cities by the year 2000. In the U.S., that figure will reach 85 percent.

IN MEMORY

In memory of Harold (Schnookie) Stern, who passed away ten years ago, December 11, 1984:

His smiling way and pleasant face
Are a pleasure to recall
He had a kindly word for each
And died beloved by all
Someday we hope to meet him
Someday we know not when
To clasp his hand in the better land
Never to part again.

*We miss and love you,
Schnook.

IN MEMORY

In one sense there is no death. The life of a soul on earth lasts beyond her departure. You will always feel her life touching yours, her voice speaking to you, her spirit looking out of other eyes, talking to you in the familiar things she touched, worked with, loved as familiar friends. She lives on in your life and in the lives of all others that knew her.

In memory of EILEEN PERKINS who passed away one year ago on Dec. 5, 1993. Her laughter, her love of life and friends, but especially the love she had for her family will be remembered in our hearts forever.

Remembered always, her children and grandchildren

The only member of the House of Representatives to vote against entering the second World War was Jeannette Rankin (R-Montana).

"No," replied Lem. "Then don't - - - I started to eat mine and I've gone blind."

Lose to Campbellsport KHS Matmen Go 2-1 in Triple Dual

Jake Thull, Kewaskum, is using an arm bar to pin his opponent from Brown Deer in :43.

By Statesman Sports Writer

CAMPBELLSPORT - Kewaskum wrestling coach John Nell said going into his team's season-opening triple dual here, last Tuesday night, that the host Campbellsport squad would be the team to beat.

That's just how things unfolded too, as the Cougars beat the Indians, Brown Deer and Grafton in team competition, thus winning the meet.

Kewaskum was right behind the Cougars, going 2-1 in the three matches. KHS' lone loss came at the hands of Campbellsport, which won the match 44-21. Earlier the Indians had beaten Brown Deer 71-3, and Grafton, 53-13.

Despite the 2-1 mark, Nell was a little disappointed in his team's effort during the meet.

"As a team we looked a little flat," Nell said. "I think we were pretty lucky to win two of those matches. We just weren't moving like we should be moving."

In the match against the Cougars, the Indians took the lead early. After drawing a forfeit at 103 pounds, Campbellsport's Bill Bove was penalized a point for throwing his headgear in disappointment.

The Indians then got a great effort from freshman Josh Dieringer, who made quick work of Ken Schmidt at 112 pounds, pinning Schmidt in just :19. The quick pin gave KHS a 6-5 advantage, and with state-qualifier Joel Dzedzic on deck at 119 pounds, the Indians were looking to increase the lead.

But Dzedzic was injured early in his match against Clint Dexter, and would up having to default. Dzedzic hit his head hard on the mat on a takedown attempt by Dexter, and the KHS sophomore could not continue.

"He hit his head pretty bad," Nell said of Dzedzic's injury. "He lost his memory... couldn't remember anything

about that match. We were really concerned about him."

Dzedzic was taken by ambulance to a hospital for precautionary measures, and Nell said that the match against the Cougars quickly seemed unimportant.

"At that point, I really forgot about the dual meet," Nell said, adding that he plans to keep Dzedzic out of action for the next couple of meets. "He's out indefinitely."

The probably win turned into a default loss for Dzedzic, meant a nine-point swing in the team battle. That was the turning point in the match, as the Cougars went on to win the next six bouts.

KHS' Matt Heather broke that skid with a pin of Greg Van Buren at 160 pounds. The win gave Heather a 3-0 mark on the evening.

"He looked real tough," Nell said of Heather, who pinned all three of his foes.

Rich Farchione was the other KHS grappler to go 3-0, after he took care of the Cougar's Chad Sommerfeldt in just 1:22. The senior veteran also pinned Grafton's Ryan Friendland in :54.

Several Indian wrestlers went 2-1 on the night, including both Josh and Tyler Dieringer, Dzedzic, Jake Thull, Jason Czaja and Brian Redig.

"Redig did a real nice job," at 145 pounds, Nell said. Thull's loss, meanwhile, came at the hands of Campbellsport's John Dexter, a two-time state champ.

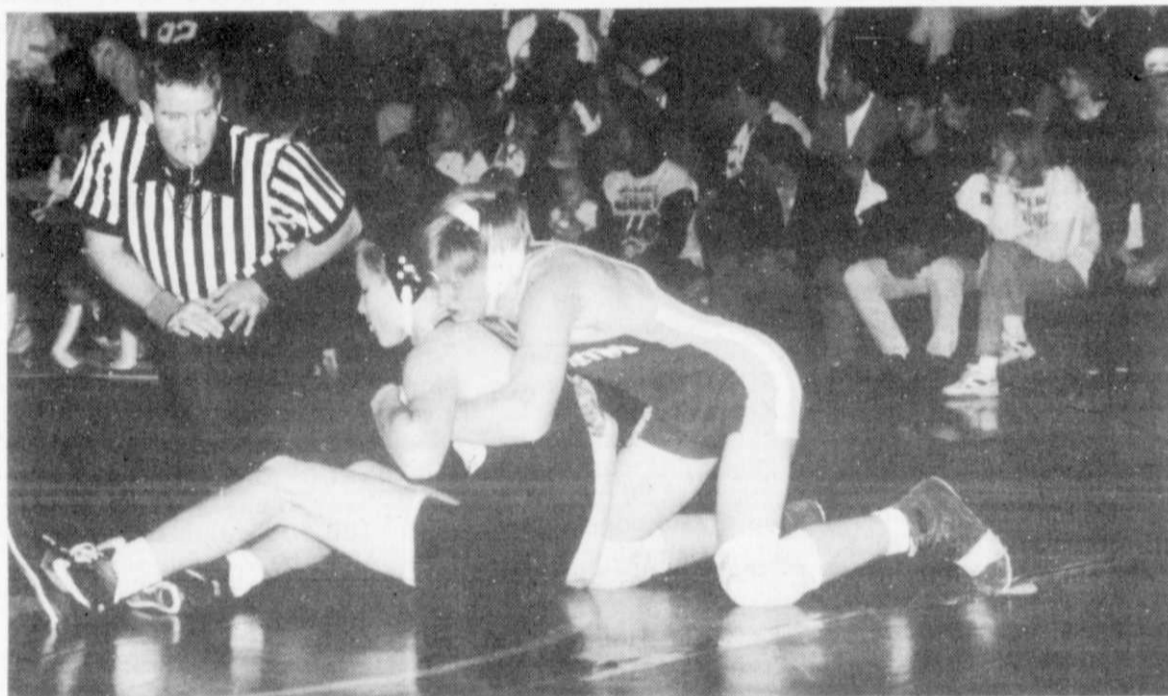

"I thought we could hang with them a little better," Nell said of the Cougars, who always seem to reload their powerful lineup. "They've got another real tough team. They filled in their holes quite nicely."

Both Brown Deer and Grafton proved to be no match for the Indians, who will perform better in the future, according to their boss.

"I know we can be more polished," Nell said.

Working to get his opponents shoulders on the mat, Matt Heather, Kewaskum, gets the pin in :45 seconds at the triple dual held in Campbellsport.

Tyler Dieringer, Kewaskum, controls his opponent from Brown Deer. Tyler goes on to get a second period pin. Sue Heisdorf Photos

1994 Gun Deer Harvest Total is Fourth Highest

MADISON -- Wisconsin gun deer hunters registered 300,914 deer during the recently completed nine-day season, according to preliminary figures compiled by the Department of Natural Resources.

The harvest ranks as the fourth highest on record behind harvest totals of 352,520 in 1991, 350,040 in 1990 and 310,192 in 1989, said Bill Mytton, DNR deer and bear ecologist. Final figures for 1994, which will include the muzzleloader, Chippewa and deer damage harvest totals, may put this year's total harvest close to the 1989 harvest, Mytton noted.

"Generally the harvest was up in all parts of the state compared with the 1993 figures. That is due in part to the increase in antlerless permits that were available, however, the overall buck harvest increased as well," Mytton said. "Based on the increased number of yearling deer

taken, especially in the north, it appears the deer herd is rebounding from winter losses, which showed up in our 1993 harvest of 217,584."

Weather during the season provided hunters with seven good days of hunting as rain and snow might have had some effect on each of the Sundays.

Hunters were able to stay in the woods and had good access to almost all parts of the state whereas in previous years snows in the north might have prohibited access to some areas.

"In most parts of the state there was still rutting activity providing some deer movement," Mytton said. "Comments from wildlife managers at registration stations reported some very good antler development and deer in fine physical condition."

Hunters bagged a total of 131,620 antlered deer and 162,292 antlerless. As wildlife managers had pre-

dicted, the antlerless harvest fell short of the harvest goal of 177,340. There were 7,002 deer registered in the preliminary count as sex unknown. The DNR's Western District reported the highest kill of 73,430 including 26,456 bucks and 39,979 antlerless along with 6,995 unknowns.

The Southern District was next highest with 68,941 deer registered including 26,714 bucks and 42,227 antlerless. Other District registrations included: Lake Michigan District 62,185 with 25,634 bucks and 36,551 antlerless; North Central District 51,203 with 25,540 bucks and 25,663 antlerless; Northwest District 39,195 with 24,913 bucks and 14,182 antlerless; and Southeast District 5,960 with 2,363 bucks and 3,590 antlerless.

Poor Shooting Costs KHS Boys

By Statesman Staff Writer

PORT WASHINGTON -- Kewaskum boys basketball coach Jim Westphal is hoping that this is not going to be a repeat of the 1993-94 campaign.

But that's the way things looked in the season opener for the Indians here, last Tuesday night. KHS couldn't find the range, the biggest problem for last year's squad as well, in a 66-52 loss to Port Washington.

"We just didn't shoot very well," Westphal said candidly regarding his team's woes. "They in turn shot very well. That was the difference."

The Indians made just 34 percent of their tries from the field, which is just above the average of the 1993-94 squad that struggled to a 5-16 overall record.

Things got off to an all-

together wrong start for the Indians in the opening quarter against the Pirates. KHS made just 22 percent (4 of 18) of its shots in the first period, quickly falling behind 20-9.

"They got off to a pretty good start," Westphal said of the Pirates. For us, it was a little rugged in the early going. We couldn't make a shot."

Things got a little better in the second quarter, as the Indians were able to decrease the Port Washington advantage to just 29-21 at halftime.

But the Pirates used some hot shooting in the third period to jump backout to a 13-point lead, at 49-36. Kewaskum had cut the deficit to just five points several times during the third quarter, but just weren't able to get over the hump.

"We had it down there (to

five points) a couple of times," Westphal noted. But Port Washington "has some pretty good athletes. They had some good balanced scoring. I think they had four guys in double figures."

Indeed they did, with Jeff Lucas leading the way with 13 points. He was instrumental in the Pirates' expanding their lead in the third quarter, as he tallied nine of his points in that frame.

Kewaskum never really threatened in the final stanza, and quietly suffered its first loss of the year.

Travis Jacak, a 6-5 senior, led the Indians with 13 points and 10-rebounds. "He played a pretty good game," Westphal said of the three-year varsity starter.

Guards Tony Bunkelman and Brian Butschlick also performed well, according to Westphal. Both scored 12 points for the Indians, but it wasn't nearly enough.

Rich Plier, Brad Kitt and Andy Voeller also reached double figures for the hosts, tallying 11, 11 and 10 points, respectively.

points including two netted free throws. The Wildcats held the Crusaders to just two points in the quarter while adding eight points to their score reflecting a Holy Trinity 18, St. Mary's 5, score at halftime.

In the second half, St. Mary's attempted several three point shots but was unable to sink them against the tough Wildcat defense. Displaying good team effort, the Wildcats fed the ball to Timblin as his 5'8" height was a definite advantage over the Crusaders. Timblin added 14 points in the second half with Eric Wenninger and Nick Staehler adding two apiece.

Timblin had an outstanding game leading the Wildcats with 20 points, 13 rebounds and three steals. Wenninger added six points, four rebounds and two steals. Jason Strobel contributed four points, five rebounds and two steals. Jason Butschlick, Jarrod Gruber and Nick Staehler each added two points to the Wildcats final score with Butschlick and Gruber each rebounding four.

The Wildcats will travel to Campbellsport on Friday, December 9, where the St. Matthew's Lions will host the games beginning at 5:30 p.m.

Timblin Leads Wildcats To First Conference Win

By Louise Martin

The 1993-94 Kettle Moraine Catholic League basketball champs opened their season conference play with a win on Friday night at Kewaskum Middle School against the St. Mary's Crusaders of Barton. The Holy Trinity Wildcats seventh and eighth grade A team boys defeated the Crusaders in their opening competition 36-22.

The Wildcats gained ball control at the tipoff however they were not able to score on their first possession. Amid aggressive defense by the Wildcats, they forced several turnovers in the first quarter of play. Jason Strobel lead the Wildcats with four points. Veteran Eric Wenninger had two steals. The quarter ended with Holy Trinity in the lead, 10-3.

Holy Trinity continued to control the second quarter rebounding well and forcing more Crusader turnovers. Shaun Timblin added four

Free Throws Spell Difference in Indians Loss

By Statesman Staff Writer

LOMIRA - Playing a full four quarters of basketball is something that Kewaskum boys basketball coach Jim Westphal is trying to convince his players they must do.

That message didn't hit home for the Indians here, last Thursday night, however, KHS faltered in the final eight minutes of play, allowing Lomira to score 25 points, as the Lions outlasted the Indians 58-53 in a non-conference contest.

The loss dropped the Indians to 0-2 on the year.

The Indians played decent basketball for the first three periods, according to Westphal. In fact, KHS allowed the Lions just 24 points in the first half, one point less than the hosts scored during the final stanza alone.

"I thought we played a solid, all-around game," Westphal said of the contest. "It was a pretty good game for us, with the exception of that fourth quarter."

Westphal, however, did have one major gripe about his team's performance. The Indians shot a paltry four for 13 from the free throw, a statistic which Westphal said was the story of the game.

"That was the difference," he said of the charity stripe shooting. They made 13 free throws to our four...that's a nine-point difference right there."

KHS had some trouble offensively in the first half themselves as it fell behind by a basket after the first quarter, and trailed 24-19 at the intermission. Indian senior Travis Jacak almost single-handedly kept his team within striking distance of the Lions, as he scored 10 of his 12 points in the first two periods.

The Indians then overtook Lomira with a strong third quarter. Behind the scoring of guard Tony Bunkelman, the Indians surged ahead in the third quarter, and led by a 35-33 count heading into the final

eight minutes of action.

But that's where things fell apart for the Indians defensively. KHS allowed the Lions' Kevin Aubrey to get untracked in the final stanza, as Aubrey hit for 12 points in the quarter, finishing with 21 for the game. His three-point-er capped a run by the Lions that gave the hosts a five-point lead.

"We just got out of sync there for a while," Westphal said of the fourth-quarter collapse. "We were ahead two, then all of a sudden we were down. We had a stretch of something like four straight turnovers, and they managed to convert those into points."

Lomira increased its lead to seven points soon after, and the Indians were never able to make a serious threat after that point.

"We had a couple of momentary lapses there, and they cost us," Westphal said. "Other than those, I thought we played extremely well. We just didn't shoot our free throws very well."

Bunkelman finished with 14 points to lead the Indians, while Jacak led the KHS effort on the boards, as he collected 10 rebounds.

Gundrum Seals Win For KHS Grapplers

By Statesman Sports Writer

KEWASKUM - The Kewaskum wrestling program has come a long way under Coach John Nell during the past decade. That was evident last Thursday night, in a tight battle against highly-regarded Cedar Grove.

The Rockets, ranked seventh in the state in Division 3, jumped out to a 16-0 lead on the Indians after just three matches. But thanks to some forfeits, and a huge pin by heavyweight Tim Gundrum, the Indians fought their way to a 36-29 win.

One would think that Nell would be ecstatic over a win against a quality opponent such as Cedar Grove. But afterward, he indicated that the Indians can do even better.

"We didn't look real good at all," Nell said. "I guess it's nice to be able to win a meet and not look very good."

Things didn't look good for KHS early on, as a pair of pins and a decision vaulted the Rockets to the big advantage. But Josh Sterr started the comeback with a pin of Brian Voskill at 125 pounds.

"He wrestled real sound," Nell said of Sterr's 3:41 fall. "I thought he did a great job."

After Jake Thull picked up a forfeit win, the Rockets regained control of the match with two more wins over KHS' Tyler Dieringer and Jason Czaja.

"Czaja had a real tough kid," Nell said, adding that Dieringer "has started out kind of slow," after posting a solid season last year. "I think he'll start wrestling with some more intensity."

Down 23-12, the Indians got a big win from Brian Redig at 145 pounds. Redig pinned Josh Morales in just 1:13. "He's looking real good, moving real well."

After a forfeit win by Erik Kopecky, the Indians went on top 24-23. That lead was quickly erased by the Rocket's Mike Watry, a state runner-up last year. Watry had to battle hard, though, before beating KHS' Matt Heather. "He did a nice job," Nell said of Heather.

Rich Farchione picked up a forfeit victory, but Cedar Grove's Scott Ansia countered that with a decision over Rich Wolff at 189 pounds, 14-12. That made it 30-29 in favor of KHS, with the final heavyweight match to determine the outcome.

That suspense was put to rest quickly, however, as Gundrum put Josiah Pladle's shoulders to the mat in just :52, giving the Indians the team victory.

Nell said that he was

happy for the win, but said that he didn't care for all of the forfeit wins that his team picked up.

"I'd much rather have my kids out there wrestling," instead of winning by forfeit. But with quality wrestlers like Farchione, "That's going to happen. The other coaches are just not going to put their kids out there, especially if they aren't very experienced."

The Indians wrestled without their top grappler, 119-pound Mark Dziedic, who was injured earlier in the week. Nell said that the sophomore ace should be ready to go within a week or two.

"I think he will be back for the Oshkosh tournament," Nell said, noting, "I doubt that I'd put him in before that."

Dziedic will definitely miss this week's matches against Wisconsin Lutheran and Two Rivers.

"They'll both be tough," Nell said of this week's foes. "Two Rivers has everybody back, so I think they'll be looking to get us back (for beating them last year)."

KEWASKUM 36, CEDAR GROVE 29

103 - Craig Trecinski was pinned by Andy Brill, :12.

112 - Josh Dieringer lost to Eric Tuenissen, 12-5.

119 - Clint Bindrich was pinned by Ryan Perez, 4:00.

125 - Josh Sterr pinned Brian Voskill, 3:41.

130 - Jake Thull won by forfeit.

135 - Tyler Dieringer lost to Craig Schwanz, 14-2.

140 - Jason Czaja lost to Neil Mattek, 10-6.

145 - Brian Redig pinned Josh Morales, 1:13.

152 - Erik Kopecky won by forfeit.

160 - Matt Heather lost to Mike Watry 11-2.

171 - Rich Farchione won by forfeit.

189 - Rich Wolff lost to Scott Ansia, 14-12.

275 - Tim Gundrum pinned Josiah Pladle, :52.

Lapses Still Hurting KHS Girls

By Statesman Sports Writer

KEWASKUM - With a strong tradition, the Kettle Moraine Lutheran girls basketball team provides a formidable challenge to any opponent. Thus, Kewaskum coach Dave Rizzardi had reason to be pleased with his team's play here, last Tuesday night despite the end result.

The Lady Indians played tough with the Chargers for much of the game, but a couple of scoring droughts again came back to haunt KHS. KML took advantage of those lapses to post a 49-42 win over Kewaskum, dropping the Lady Indians to 1-3 on the young season.

Despite the loss, Rizzardi found reason to remain optimistic about his squad's play.

"It was a decent game for us," he said. "Our girls hung in there well, with the exception of that drop off in the second quarter."

That drop-off was the difference in the game, however. The Lady Indians played well in the opening period, and held a tentative 11-10 lead over the Chargers after one quarter of play.

But the second quarter belonged to KML, as it surged ahead with some solid defensive work. The Chargers held a slim four-point lead near the end of the quarter, but that's where they turned up the pressure and forced the Indians into committing some mistakes.

What resulted was a 17-6 KML advantage in the second stanza, giving the guests a 27-17 halftime lead.

"It was a bad two-minute stretch for us," Rizzardi said of the lapse. We have to work on that."

much going in the third quarter, though, scoring more points in that period than in the three previous quarters combined.

"We started to break their press a little easier," Rizzardi said of the fourth-quarter comeback. "That allowed us to get some easy layups."

Kewaskum battled back with a 16-5 run to open the fourth quarter, cutting the KML advantage to just four, at 40-36. That's as close as the Lady Indians would get, however, as the Chargers made their shots down the stretch to hold off KHS.

"We won the second half," Rizzardi said, putting an optimistic spin on things. "We looked much better during the second half. We just couldn't overcome that bad stretch in the second quarter."

Kelly Schreffler and

Tanya Laubach each scored 10 points to lead the Lady Indians offensively. Melissa Kistenmacher second 15 for KML to pace all scorers.

"They weren't as tough as they've been in the past years," Rizzardi said, relying on other coaches' perspectives on that opinion. "We got it down to four points in the fourth quarter, so that was encouraging."
